

Chief Answers Police Beefs

 two ambulances, either of which could be assigned to full time patrol service.
 The installation of this combined ambulance-car unit system has received commendations from several Michigan cities, which have copied it.

He said that the city now has 29 police officers, two police matrons and a girl clerk and five school crossing guards.
 The chief stated that the use of the crossing guards eliminated using police officers from the crossing duty, thus placing them where they are most needed.

Regarding service longevity pay, Chief Louwers remarked that he had no comment.
 The defective equipment charge made by the police personnel, was denied by Chief Louwers. He said that all police cars are at most a year old, and that they are changed every year. Defects in cars and equipment are purely minor.

As for meeting with the men in his department, the chief stated that he is willing to meet with them anytime they have any problems they want aired.
 As for putting two men in a scout car for patrol duty during daylight hours, he has no intention of doing so. He pointed out that the men work in a high grade residential area and that patrolling this area during the

day is no problem for a single man.
 However, use of two men in scout cars during dark and night hours has been the practice of the department for some time now, and will be continued as in the past.

He said there is no basis for the fear that the patrolmen may contact a communicable or infectious disease, while transporting sick school children from schools to their homes.

Chief Louwers said that he had checked with the Board of Education and that it was maintained that any child who may have a communicable or infectious disease, is transported home by the child's parents or the school nurse.

Pay Raises

who must wear regulation uniforms while on duty.
 Top pay, now, for rank and file of the police and fire departments excluding uniform allowances, is \$4,836.

Woods Also Raise Pay

Sources also disclosed that the Woods has granted its policemen, also serve as firemen, a straight pay raise, which became effective July 1.
 Patrolmen are now getting \$4,900; sergeants, \$5,200; and lieutenants, \$5,800. Service longevity of \$100 every five years, to a maximum of 15 years, was also included.

Shores police officers, who too double as firemen, were given an eight per cent increase in salary. It was not disclosed what they are making now.

Both the Farms and City have not made known whether they intend to grant raises to their police and firemen, but it was understood that pay increases are under study.

Institute Offers Films and Tours

Art will come to life in movies and gallery tours in the summer series of five free programs for adults starting Tuesday, July 6, at the Detroit Institute of Arts.

The topics and dates include: "River Homes of Colonial Virginia" and visit to Whitby Hall, July 13-14; "Chinese Sculpture Through the Ages" and visit to Chinese Galleries, July 20-21; "The Maya Through the Ages" and tour of the Pre-Columbian Galleries, July 27-28; and "Triumph Over Time" and visit to the Gallery of Ancient Greek Art, August 3-4.

Paul Revere, great patriot and silversmith, was the appropriate subject for the July 4 television program, "See for Yourself" presented by the Detroit Institute of Arts at 1:45 p.m. on Channel 2.

Rotarians Install New Officers

Symbolizing the beginning of a new fiscal year for the Grosse Pointe Rotary Club, newly-elected PRESIDENT WILLIAM G. (DUTCH) WAHL, right, of 1008 Devonshire road, receives the gavel from retiring President ROBERT K. O'NEIL, left, at the July 12 Rotary Club meeting in the Grosse Pointe War Memorial Center.

Also elected as teammates of President Wahl were the following officers and directors of the service organization: Glenn M. Pratt, first vice-president; David E. McCarron, second vice-president; J.  Almost every sizeable city in the United States boasts a Rotary Club chapter, each club being comprised of executives of the different businesses and professions in the locality. The many community projects of the Grosse Pointe Rotary Club are well-known to most Pointers. The development of good citizenship is one of the aims of incoming President Wahl. He puts forth the following 10 requisites of a good citizen:

Collins Retires From City Force

Thomas Collins formally retired as a patrolman from the Grosse Pointe City Police Department on July 1.

A banquet that was sponsored by the Police and Fire Association was held at the Blossom Inn where the many friends of Officer Collins extended their best wishes to him. Representing the City were Public Safety Commissioner John Mazer, Police Chief Tom Trombly, and Fire Chief Ledger Chauvin.

After the dinner a formal program was held wherein Officer Collins was presented a check for \$100 by the Police and Fire Association and Commissioner Mazer presented a badge on behalf of the City.

Chief Trombly gave a vivid accounting of his experiences with Officer Collins. He described the events that led to a formal citation that was presented to Officer Collins when he prevented an armed robbery in 1935 and shot it out with the burglars.

Also, it was recounted how Officer Collins was disabled in 1946 while on duty and had to receive disability pay from that time up to the present time when he was formally retired.
 Officer Collins thanked everyone for the many expressions of good wishes that were extended to him.

Quick-Thinking Youngster Saves Stricken Car Driver

Dennis Boglarsky, 15, of 21620 Beaconsfield road, averted a possible automobile accident Sunday, July 11, when he grabbed the wheel of a free moving car and, running beside it, steered it onto one of Mack's center islands causing it to stall. The driver of the car had been seized with an epileptic fit.

Dennis first noticed the car acting strangely as he crossed the street in front of the Woods Police Station. He saw the driver frothing at the mouth and guessed what was wrong, he acted quickly.

Running to the car, he reached in the open window and pushed the driver out of the way. He then, grabbed the wheel and turned it in towards the center island, hoping that it would stall or strike something.

He ran along with the car for about 50 more feet until it finally jumped the center island curb, went a few feet and stalled.

When it was all over, he was congratulated by the police, who had witnessed the whole thing, and later by the family of the driver of the car.

"It sure was something to watch. That Boglarsky kid ought to be in the rodeo," said Sgt. Wilbert LeDuke.

Conduct Probe In Baby's Death

Conclusive findings in the death of a Park baby, who died on Sunday, July 4, believed to have been the result of a fall on the day previous, will be made known within a few days, according to Park Det. Lt. Stanley Enders.

Lt. Enders stated that the baby, Jan Debrabant, 3 months old, son of Mr. and Mrs. Maurice Debrabant of 1338 Lakepointe, was being cared for by the child's grandmother, Mrs. Arthur Debrabant of 2916 Springle, Detroit, while the parents were out for the evening.

Rolls Out of Crib
Somehow, the infant had rolled out of its crib, while the grandmother was out of the room, and when found, was lying on its right side, its head on top of a plastic rattle.

The child received a bruise on its temple and another on its jaw.

The baby appeared free of serious injuries and was taken home by its parents. However, during the night, the child began to develop a fever.

When the family physician was called, he recommended the child be taken to Deaconess Hospital. From there it was taken to Children's Hospital, July 4, where it died at about 11 a.m.

Is Detroit Case
Lt. Enders disclosed that an autopsy revealed that the baby probably died from a brain hemorrhage.

He also said that all indications point to the fact that the accident occurred in Detroit, and that all the facts he had gathered during his investigation have been turned over to Detroit authorities.

Ask Candidates To State Views

A non-partisan Candidates' Rally will be held on Tuesday evening, July 27, in the auditorium of Parcels School at 8 o'clock.

Sponsored by the League of Women Voters of Grosse Pointe Park, the Rally will present to the voters candidates from both major political parties.

Those seeking nomination as United States Representatives in the Fourteenth Congressional District, aspirants in the First State Senatorial District, and candidates running for nomination in the newly formed Thirteenth State Representative District have been invited to speak at the Rally.

Since this is the first election in which Grosse Pointe and Harper Woods will have their own representatives in the State Legislature, many local residents are seeking this office.

Harold Husband will serve as moderator at the July 27 meeting which will be opened to questions from the floor after the candidates' speeches. The public is urged to take advantage of this opportunity to see and hear these men to be chosen at the August 3 primary.

Five residential permits, valued at \$140,000, makes 40 given out so far this year, with a combined total value of \$1,255,000.

Miscellaneous permits were counted at nine, worth \$13,300, raising the number to 55 for the year so far, with a value of \$214,950.

One non-assessable building permit was issued to Christ Church School, and its worth was set at \$200,000, bringing the number of non-assessable permits to three for the year. The monetary figure for these three was set at \$1,180,000.

Enjoy Preparation for Play Presentation

Actors and actresses taking part in the Simians play, "Blithe Spirit," take a break from rehearsal in the Central Library. The play will be given at the Memorial Center on the nights of July 15, 16 and 17. Left to right, back row: JANE SLADE, ANN CHARBONNEAU and PAMELA MACPHERSON. Front row, left to right: CLYDE ADLER, EMILY HARDING and DICK SAUNDERS.

Simians' Play Opens Tonight

"Blithe Spirit," by Noel Coward, will be presented by the Simians in their Theater Under the Stars at the Grosse Pointe War Memorial Center this evening, Thursday, July 15; and Friday and Saturday evenings, July 16 and 17.

The curtain goes up at 8:30 in this first of three summer performances to be presented by the Simians.

Last night, Wednesday, July 14, a special invitational performance was presented in honor of those who have helped the Simians in their production.

Tickets for the regular performances may be purchased at the door.

During the past week the heavy Simian traffic rush to the Central Library and the War Memorial Center has been something to see. While last rehearsals were completed at the library amid a mad tangle of costume fittings and conferences on technical details, the set was taking shape in the War Memorial garage.

Reckless Drivers Pay Up in Court

A six-month suspension of his driver's license and a stiff fine of \$85 was meted out to Emmett P. Sullivan of 5032 Detroit on Wednesday, July 7, by Park Judge C. Joseph Belanger, after Sullivan pleaded guilty to driving under the influence of intoxicating liquor.

Richard W. Butnor of 285 Grosse Pointe boulevard, pleaded not guilty and was found guilty of reckless driving on East Jefferson. He was handed a \$35 fine and his license suspended for a period of 30 days.

Marvin Klein of 17371 Steele, Detroit, was assessed a \$12 fine, for speeding on East Jefferson.

James A. Roach, Jr., of 883 Philip, Detroit, did not appear in court to answer a charge of going through a stop street. A report of his case was sent to Lansing.

John E. Sadowski of 4243 Neff road, Detroit, failed to show up to answer for speeding on Charlevoix, and thereby forfeited a \$20 bond.

Gene Starnes of 923 Washington road, accused of running a red signal light and not having a driver's license on his person, forfeited \$15 by not being in court.

To Visit Europe With Air Patrol

Dick Schlaff, son of Mr. and Mrs. Robert A. Schlaff of 84 Grosse Pointe boulevard, and a June graduate of St. Paul High School will leave Sunday, July 18, for a four-week tour of Switzerland as guest of the United States Air Force and the Civil Air Patrol.

Dick, who possesses a student pilot license, was chosen as one of the six Michigan cadets to represent the United States and the Michigan Wing CAP in the International Cadet Exchange Program this year.

Civil Air Patrol was founded on December 1, 1941 to mobilize civilian aviation skills and equipment for the war effort. Now a federally-chartered volunteer organization and an auxiliary of the United States Air Force, it maintains quasi-military units throughout the United States and its Territories to promote aviation in all of its phases, civilian and military.

The cadet program, added 10 months later, has included among its activities this exchange program to promote international understanding and to give outstanding air-minded youth an opportunity to observe the life and institutions of other nations at first hand; a chance to see for himself what sort of people his neighbors really are and, equally important, to show them what sort of people we are.

Dick is the cadet commander of the local Fort Gratiot Squadron which meets at the Fort Gratiot Post of the V. F. W.

That same evening Bob's parents, Mr. and Mrs. Milford Kerry, of Flint, entertained at a family dinner for the James and Kerry clans. A record shower for the prospective bridegroom followed in the Flint home of Mrs. Louis Goecker, with Mrs. Roger Vaughn as co-hostess.

On Saturday Mrs. Leslie Wilcox of Middlesex road gave a large tea combined with a linen and bathroom shower for the bride-elect. Other parties still on the calendar include a supper party and shower for Bob and Gloria's friends, which Dr. and Mrs. Alfred Chaput of Royal Oak have slated for August 1, and a supper party to be given by Dr. and Mrs. Harry Pearse of Parkside avenue.

Gloria is the daughter of Dr. and Mrs. Edgar James of Westchester road. She and Bob will exchange vows August 21 in Grosse Pointe Memorial Church.

95 Years Young

MRS. HENRIETTA MILLER, believed to be the oldest woman living in the Pointe, celebrated her 95th birthday on Thursday, July 1, at an open-house party held in the home of a daughter, Mrs. Nettie B. Young, of 588 Washington road.

The celebration was an all-day affair at the home of Mrs. Young, with whom Mrs. Miller lives. Mrs. Miller's seven children, 15 grandchildren and 34 great-grandchildren took part.

The names of her children, besides Mrs. Young, are: Gustav, who at 75 is the oldest; William, Joseph, George, Mrs. Cora Schall, and Roy.

Until recent years, a florist made a habit of sending an orchid on Mother's Day to the oldest woman living in the Pointes, and Mrs. Miller received the flower for two successive years before the practice was stopped.

Mrs. Miller's parents were the late Mr. and Mrs. Gustav Schuchard. Mr. Schuchard was one of the early postmasters in the Detroit area.

Pointe to Have Lecture Series

At long last Grosse Pointe is to have its own lecture series. Sponsored by the Assistance League of Bon Secours Hospital, this group of energetic and civic minded women, after an exhaustive canvass among their neighbors, have found that not only are Grosse Pointers highly in favor, but most enthusiastic about it—so beginning in the fall the project will be a reality.

There will be a series of six lectures, one each month, to be held October through April, at the Esquire Theater on Jefferson avenue.

A very interesting program has been scheduled, with prominent speakers, each a specialist in his field. A diversified entertaining series, we are sure you will not want to miss.

A celebrity luncheon will follow each lecture for those who wish to take advantage of them.

AUTOMATIC HOME HEATING

NEW G-E Oil Burning Method cuts Fuel Bills up to 50%

G-E engineers have discovered new ways to wring every last bit of heat out of oil!

* SPECIAL G-E NON-CLOS NOZZLE mixes air and oil into a fine spray that burns completely. No waste—no soot!

* FAMOUS G-E "TURN-BACK FLAME" gives longer exposure of flame so all possible heat is extracted.

* INGENUOUS G-E "HEAT TRAP" cuts heat losses up to 90% during boiler "rest periods". (Ordinary boiler lets built-up heat go up chimney.)

CITY OF Grosse Pointe Farms Notice Of Hearing ZONING BOARD OF APPEALS MONDAY, JULY 19, 1954

Notice is hereby given that the Board of Appeals will meet in the City Hall, 90 Kerby Road on MONDAY, JULY 19, 1954 at eight (8:00) o'clock in the evening to consider the appeal of

CHRIST CHURCH 61 GROSSE POINTE BLVD.

from the denial of the building inspector to issue a building permit for a Sunday school building ten (10) feet from the south property line on its property located at 61 Grosse Pointe Blvd. The denial is based on non-compliance with Section 4.03 of the City's Zoning Ordinance which imposes certain building requirements as related to side yards for buildings other than for dwelling purposes.

The applicant contends that because of the fire proof construction of the buildings and the conditions prevailing along the south line, the granting of such permit will not be injurious to health and safety.

Hearing will be public. Interested property owners or residents of the City are invited.
