THE YEARS OF CIVIL WAR

In the labor field ended as leaders of the AFL and the CIO agreed to merge into one group of 15,000,000 workers, the largest labor organization in the world. George Meany, president of the AFL, and William F. Schnitzler, will become president and secretary respectively of the new unified movement.

Walter Reuther, president of the CIO, may get the post of Director of Organization, although he disclaimed any ambition to take the post. Several more steps must be taken before the merger becomes an actual fact.

THE SIGNIFICANCE

of the momentous changes in the Soviet Government is puzzling the Western diplomats, and is an even bigger puzzle to the Eastern envoys. What is brooding both the East and West is why the Russians have decided to make their changes at this critical time. The Red move coincided with the crisis of Formosa, the West German rearmament, the fall of French Premier Mendes-France, and the Russians' own drive for more agricultural and industrial production. Experienced Western diplomats, however showed no undue alarm over the changes.

THE LAST MEMBERS

of an American naval party left the Tachen Islands, which were blasted and burned into scorched ruins, and abandoned to the Communists. Demolition of the islands was complete.

Only an hour before, the last Nationalist soldier boarded an American ship to complete the evacuation of the islands which started six days ago under cover of the United States Seventh Fleet and fighter planes.

Sunday, February 13

MEMBERS OF CONGRESS

challenged Red leaders to back up their words with deeds, after Russia's new premier, Nikolai Bulganin asserted that Russia wants "normal relations" with the United States. Bulganin expressed his views in an exclusive interview with Publisher William Randolph Hearst, Jr., his editorial assistant, Frank Conniff, and Kingsbury Smith of the International News Service.

DETROIT POLICE

are puzzling over whether the latest suspect in the two-year-old murder of JoAnn Gillespie was telling the truth when he confessed that he killed the girl on December 31, 1953. Even though Inspector Edward Reilly considers the story of the suspect, Richard Ballingall, no address, as pretty good, Wayne County Prosecutor Gerald K. O'Brien said he wasn't too sure the story was correct. Police plan to have Receiving Hospital doctors give the self-confessed murderer truth serum, in an attempt to see if the confession will bear up.

Tuesday, February 15

THE UNITED NATIONS

suspended indefinitely its efforts to bring about a cease-fire in the Chinese civil war. Meanwhile, Russia's new Premier Marshal Nikolai Bulganin assured Communist China that it can depend on Russia for help and sympathy. The UN Security Council voted, 10 to 1 to refuse a Moscow plan to end the hostilities by condemning the United States as an aggressor against Red China and ordering the withdrawal of American forces from Formosa. At the same time, Red China's top leaders blasted "imperialist" nations and warned them against warlike moves.

A GROUP of anti-Communist

Romanians, barricaded themselves in Communist Rumania's legation buildings in Bern, Switzerland, after a 2 a.m. assault. A legation chauffeur was killed and the entire staff of the building was driven out into the street. The band, described as Romanian resistance fighters, vowed to hold the legation, located in a large park at the outskirts of the city, until the Bucharest Government released five persons, among them a general and a bishop, being held as political prisoners.

All Invited To Discussion Of Fluorine

Friends of the Library Sponsoring Program To Be Held Next Sunday Afternoon

"The Effects of Fluorine in Our Water" will be the subject of discussion at the February meeting sponsored by the Friends of the Grosse Pointe Public Library at 3 o'clock next Sunday afternoon at the Central Library.

Both sides of the question will be presented to the meeting. Dr. George Walcott will present the views in opposition to fluoridation of water supplies and Dr. Chester Tossey, of the Michigan Department of Health, will present the arguments for inclusion of fluorine.

Dr. Alfred H. Whittaker will introduce the speakers and act as moderator for the meeting. The Friends invite all interested Grosse Pointe residents and their friends to attend this meeting and learn more about the pros and cons of the question of fluoridation of communities' water supplies.

As is the pleasant custom, the social committee of the Friends will serve tea after the meeting. Mrs. Bert H. Wicking is chairman of this committee.

Tuxis Club Members Busy Getting Ready to Present 7th Annual Variety Show

Popularity of Past Performances Leads Organization to Add Third Night; Dates Set for March 3, 4 and 5

"Front 'n Center" is the title of the seventh annual variety show of the Tuxis Club of the Grosse Pointe Memorial Church. Due to complete sell-outs on the two nights of the show last year, with several hundred people turned away on Saturday night, there will be three performances this year on Thursday, Friday and Saturday nights, March 3, 4 and 5, at the Parcels Junior High School Auditorium at Mack avenue and Vernier road. The curtain will rise promptly at 8:15 p.m.

For the past several weeks the church house has been the scene of great activity in preparation for what the actors hope will be the best show Tuxis has ever put on.

Every afternoon and evening groups of young people have been rehearsing dramatic skits, chorus lines, dance routines, trios, quartets and quintets as well as the 100 voice singing chorus.

Artists Also Busy

Artists have been designing and painting the colorful backdrops which will be used in the big production numbers. At home members of the cast have been doing much cutting and sewing as they make their costumes.

Tom Saunders and his 13-piece orchestra composed of high school students have been hard at work

Accidents on Lake Shore Kill One, Injure Another

Two serious automobile accidents occurred within hours of each other on Lake Shore road over the week end, resulting in one death and one injury.

Dead on arrival at Saratoga Hospital was Billy C. Kinsey, 31, of 13324 Kercheval, Detroit. Injured was Richard G. McCall, 24, of 13522 Caughn, Detroit, also taken to Saratoga Hospital, who suffered a broken nose and serious facial injuries, besides minor injuries about the body.

According to information disclosed by Shores Police Chief Fred Duemling, Kinsey and a companion, Edward M. Metzner, 266 Lewiston, had been ice fishing on Lake St. Clair, within the city limits of St. Clair Shores, for a good part of the day on Saturday, February 12.

Following the fishing venture, the two men, each in his own car, went to a bar just opposite Jefferson Beach, where Metzner, who gave a signed statement following the accident, admitted that he had three to four drinks. He did not state whether Kinsey had been drinking, too, but it was surmised that he had.

After the visit to the bar-Kinsey and Metzner went their separate ways. Metzner visited friends in Lake Shore Village and driving to his home.

Red Cross Blood Collection To Be Taken at Memorial Center From 2 to 8

In conjunction with the nationwide drive for additional quantities of whole blood, The American Red Cross Blood Bank Unit will be stationed at the Grosse Pointe War Memorial, 32 Lake Shore drive, on Friday, March 4, from 2 p.m. through 8 p.m.

Mrs. C. Blount Slade, local publicity chairman for the drive, urges all who can possibly donate their blood to make every effort possible to support this worthwhile drive.

Provisions have been made for a baby sitter to be present at the unit for the entire day to enable mothers with young children to be donors.

Members of the Junior Red Cross will be stationed in the Village Shopping Center at churches throughout the Pointe and in outlying stores with pledge cards to be signed by prospective donors.

In a statement to the NEWS, Mrs. Slade was confident of a generous Pointe support of the drive.

City Puts Approval On Contract to Buy Water From Farms

Mutual Agreement Reached Which Will Bring Increased Water Supply to Both Municipalities by Early Summer

Unanimous approval of a water sale contract drawn up by the Farms, was given by the Grosse Pointe City council, during a special meeting which was held on Monday, February 14.

Grosse Pointe City Clerk Norbert E. Neff, who disclosed the outcome of the meeting, stated that signing of the contract should take place in about a week, after a routine discussion and possibly slight changes made in the contract.

With the approval of the City council, the Farms can sign the contract without any further meetings or discussion of its own inasmuch as at a council meeting held on February 7, the signing was authorized, once the contract was okayed by the City.

20-Year Contract

The contract will be of a 20-year duration, the length of time needed to retire a revenue bond issue necessary to carry out the improvement.

The complete cost of the improvement will be undertaken by the Farms, and work will commence as soon as a revenue bond issue of \$275,000 is negotiated. It is expected the project can be completed by early summer.

Of this sum, \$148,000 will be for the new water main, which must be built to pipe the water from the City's 12,000 ft. water line to the proposed filter beds at the Farms Pumping station, and the balance, \$227,000, will be for engineering and legal fees, and other contingencies.

Need No Vote

The bond issue need not be approved by Farms voters, but it must receive the consent and approval of the Municipal Finance Commission in Lansing. The Farms council approved the appointment of Matthew Carey as financial consultant, to make application for the bonds and to instruct engineers to proceed with the preparation of the final plans and specifications.

The new line will be attached to the Moross water main in the Farms, and will run down Ridge road to be connected to the City's water main.

The contract calls for the City to purchase at least 40 million cubic feet of water a year, whether that amount is used or not. However, it was made clear, the normal consumption of water is in excess of that amount.

The proposed rate to be charged to the City will be 75.6 cents per 1,000 cubic feet of water.

The Shores, which receives part of its water from the Farms, will not be included in the contract.

Vandals Break Car Windshield

Francis Franzen, manager of Wigley's Supermarket on Kercheval, complained to Farms police on Wednesday, February 9, that while his car was parked in the last row of the Municipal parking lot at the rear of the store, a pop bottle was tossed through its windshield.

Farms Engineer Accepting Government Post in Saigon

Approximately four weeks ago, Farms City Engineer Murray M. Smith, was approached by the Federal Government requesting his aid in the development of sanitation projects in Indochina. Following a routine checkup by the FBI, Mr. Smith will be ready to leave for Washington and two months after, will be on his way to headquarters located in Saigon, Vietnam, where he will remain on the job for one year or more.

Mr. Smith disclosed that he was reluctant to accept the job because of the tremendous amount of work yet to be done in the Farms, but was assured by local government officials that his capable assistant, Sidney DeBoer, will carry on his work.

He said that he will remain on the Farms job, at least until he is satisfied that everything is all right, pointing out that all the work at present is past the plan-

Woods' Bond Proposal Only Local Issue

State and County Nominations to Be Made; Three Pointes to Elect On April 4

The Primary Election will take place on Monday, February 21, giving Pointe residents, an opportunity to exercise their privilege of voting. At stake will be nominations for State and County offices, and one local issue in the Pointe, that of the \$320,000 bond issue to be decided by Woods residents, for the construction of a new city hall.

With the end of the filing deadline in the Park and Farms, earlier this month, it was brought out that the number of candidates who filed in both communities, does not warrant a primary as far as local nominations are concerned.

The other three Pointes also will take part only in the State and County primary.

Woods' Shores' Deadlines

The Woods' deadline for candidates filing has been set for March 1; the Shores' deadline is May 7, with the local election to take place on May 17; and the City's election does not take place until November, so there is no concern over a candidate filing deadline.

The regular election of local officials in the Park, Farms and Woods, will be carried out during the 1955 Municipal Election, April 4, during which the successful nominees for State and County offices will also face the final test for election.

Voters throughout the State will cast their votes for the candidate of their choice, for the office of Superintendent of Public Instruction, which is for a term of two years and pays \$12,500 a year.

To Fill County Offices

Wayne County voters will vote for two members to the State Board of Agriculture, to serve for six years; one member to the State Board of Education, also for a six-year term; and two members to the Board of Regents of the University of Michigan. None of these offices pays a salary.

Also, one Wayne County Auditor, for four years, at a salary of \$13,500; two justices to the State Supreme Court, for a term of eight years, at a salary of \$12,000 a year; and two Circuit Court Judges, who will serve for four years, with pay set at \$21,000 a year.

Local Candidates

Park qualified voters will elect one mayor, for a two year term; and three councilmen, who will serve for four years.

The Farms will seat four successful candidates after the Spring election, three of whom will serve four years, and one for two years.

The Woods will fill the office of mayor, which is only for a one year term; and three councilmanic seats, each of which is for two years.

During its May 17 election, Shores' voters will elect three trustees, each of which will serve for a two year term.

The deadline in all the Pointes communities for absentee ballots for Monday's primary election, is 2 p.m., Saturday, February 19.

Triplets Born To HW Couple

Dr. John Hubbard, of 1415 S. Renaud, was accorded the honor of delivering the first triplets ever to be born in the history of St. Joseph Mercy Hospital, Milwaukee and E. Grand boulevard. The triplets, a girl and two boys, were born on Thursday, February 10, and are the children of Mr. and Mrs. Stanley Wencles of 19661 L o c h m o o r, Harper Woods. They have two other children.

The new-born babies have been named, Karl, Kurt and Katherine.

VANDALS DAMAGE CAR

Harold Hudson, of 721 Rivard, informed City police on Sunday, February 13, that someone smashed the windshield and left window of a car belonging to a guest, K. J. Scott of 237 Merrilweather.

sense he will be returning to the land of his birth.

He stated that he was born in Wu Hu, on the Yangtze River in Central China, just 300 miles north of Shanghai, of missionary parents, both British subjects.

He came to this country at the age of 11, and has lived here ever since, later becoming an American citizen.

He was graduated from the University of Michigan, where he majored in sanitary engineering, with a bachelor degree in science.

He has been with the Farms Engineering Department for the past 30 years, and head of the department for 28 years.

A letter to Hershel Engler, assistant chief of the Health Services Branch, Division of International Health, Department of Health Education and Welfare, Washington, D.C., signed by Mayor William Connors of the Farms, highly praised Mr. Smith and his qualifications for the proposed assignment.

REPORTS LOST WALLET

Mrs. Frank Hoag of 592 St. Clair, informed City police on Friday, February 11, that while she was in a clinic parking lot at Fisher and St. Paul, she lost her wallet, which contained personal papers, a check and \$43 in cash.

a torch to cut the section in which the body was wedged, but it was not needed.

A witness to the accident, John J. Onyskow of 23121 Detour, St. Clair Shores, told Shores police that Kinsey had been traveling well over the legal speed for Lake Shore drive.

Chief Duemling stated that Kinsey was traveling behind another car, which was also traveling in excess of the speed limit.

Metzen, who did not find his friends at home in Lake Shore Village was returning along Lake Shore, when he saw the car against the tree and recognized it as belonging to his friend.

Kinsey was married and the father of a 15-month-old son. His wife, Mary, is expecting another baby in a few months.

McCall, while traveling west on Lake Shore, about 1 a.m., February 13, lost control of his vehicle, which hit an island curb at Lochmoor boulevard, ran over the center island for a distance of 144 feet and smashed head-on into a tree, demolishing the front end of the car.

Chief Duemling said that evidence pointed to the fact that McCall had been speeding.

After he was taken to Saratoga Hospital for treatment, police gave McCall a ticket for not having his car under control and causing an accident.

He will appear in court to answer the charge on March 15.

W. T. Crowe Retiring From General Motors

William T. Crowe of 129 Merriweather, will retire from General Motors after 35 years of service, according to an announcement made by Harlow H. Curtice, president of General Motors.

Succeeding Mr. Crowe will be Simon E. Knudsen of Birmingham, son of the late William S. Knudsen, president of General Motors from 1937 to 1940, effective March 1.

Mr. Crowe has been general manager of Detroit Diesel since formation of that division on January 1, 1938. He began his General Motors career in 1920, serving until 1925 as chief engineer of the engine division of General Motors of Canada, Ltd., at Walkerville, Ontario.

He joined General Motors Export Division in 1925 and was manager of its Detroit office for a year. Then he was assigned to study automobile manufacturing in Germany and England. He did important work in design and manufacture of the Opel car in Germany and the Vauxhall in England, both produced by General Motors.

In 1929, Mr. Crowe became executive engineer on product study for the General Motors engineering staff. He remained in that position until his appointment as General Manager of Detroit Diesel.

Alice E. Higgins Named Crossing Guard in Park

Mrs. Alice E. Higgins of 1212 Wayburn, took up her duties as school crossing guard at the Wayburn-Kercheval crossing on Monday, February 7.

Park Police Chief Arthur Louwers, who approved the appointment, disclosed that the guards in the Park work on an average of 200 minutes, or three hours and 20 minutes a day, for which they receive a compensation of \$4 for the day's work.

FOUR HUBCAPS STOLEN

A Woods police report revealed that four hubcaps were stolen from a car belonging to J. L. Train of 1707 Littlestone, while it was parked in the Parcels Junior High School parking lot.

Buhl Companies Celebrate 100 Years With Fine Gift

"One Business, One Family, One Hundred Years," is the title of a brochure which appeared this week commemorating the 100th anniversary of the founding of Buhl Sons Company and the Buhl Land Company.

The name Buhl has been synonymous with the miraculous growth of Detroit. The sprawling warehouses on the foot of Adair street, the 27-story Buhl building at Congress and Griswold are monuments to the achievements of the family through four generations.

The Pointe now claims as residents all of the members of third and fourth generations and their children, who will be taking over the guidance of the Buhl interests in the years to come.

Laurence D. Buhl, of Lake Shore road, is president of the Buhl Land Co. which has properties of all types scattered throughout the whole Detroit metropolitan area. C. Henry Buhl, of East Jefferson avenue, is president of Buhl Sons Co. and executive vice-president of Buhl Land Co. These three, and Theodore D. Buhl, of Ridge road, are all directors of both companies.

The Buhl companies and the

Buhl family interests have chosen an exemplary way to celebrate the 100th anniversary of their business enterprises. They have announced the Buhl Centennial Fund, which will be used to establish a Speech and Hearing Center in Detroit.

Sufficient funds have been donated to provide a clinic for medical diagnosis and analysis of speech and hearing disorders. It will provide an ideal place where trained specialists can work with the finest of equipment.

There are only two other such centers in the entire country. There is a great need here for such a clinic and through the Buhl gift many handicapped persons are expected to be restored to normal lives.

Clean-Up Drive Names Sought

Have you entered the Name-the-Campaign Contest being conducted by the '55 Grosse Pointe Clean-up Committee?

If not, why not? It's nice work—and you can get it. All you have to do is think up a catchy phrase that will convey in as few words as possible (preferably three or less) the clean-up, fix-up, paint-up idea as applied to the Pointe.

Every Pointe resident is urged to enter—student, homemaker, doctor, lawyer, merchant, fire chief. The more the merrier.

In addition to the fun involved and the satisfaction to be derived from having even a small part in a community-wide enterprise, the prize of \$25 in cash is well worth the effort.

The contest closes at midnight, February 28, but don't wait till then. Get in your entry or entries (send as many as your word wiz-

ardry permits) immediately. Mail Harbor Hill, Grosse Pointe to Mrs. Joseph J. Marshall, 35 Farms 38.

Driving License Rules Changed

Park residents applying for drivers' permits or making their initial application for drivers' licenses, must be in the drivers' license bureau at least one hour before closing time, Park Police Chief Arthur Louwers announced.

He said that this is necessary due to the lengthy examination and the extensive recording which must be put down according to the new State law governing the acquiring of a permit and a first license.

He pointed out that those seeking application for a driver's license, both youths and adults, must bring their birth certificate or their baptismal certificate, to prove their correct age.

He stated that this is a must, because on all licenses under the new filing procedure in the Secretary of State's office in Lansing, the names and birth dates of the persons seeking licenses are coded together for a permanent driver's license number.

Pointers Pose in Japan

Kathryn Lynn was born last October 14. And although the grandparents, the J. S. Beyers of 725 Hollywood road and the Watson Fords of 401 McKinley avenue, are loath to admit it, charmer Katie is putting one over on them. She's baby talking in two languages!

Boarding House Operator Fined

Mrs. Elly Rogers, 39, of 74 Moran road, arraigned before Farms Judge Grant E. Armstrong on Wednesday, February 9, on the charge of operating an unlicensed boarding house, pleaded guilty to the charge and was fined \$25 and placed on one year's probation.

She was discovered to be operating a home for young children, when a disgruntled boarder, who was denied the right to use a hot plate burner in his room, reported to Farms authorities the nature of Mrs. Rogers' income.

Police went to her home on Monday, February 7, and found that she was boarding 16 children, ranging in age from six weeks to four years, besides two other women with children.

An injunction signed by Probate Judge Nathan J. Kaufman, on complaint of the Wayne County Boarding Home Unit of the State Department of Social Welfare, forced Mrs. Rogers, a divorcee, to close her home as a boarding house for children.

All 16 children housed by Mrs. Rogers have been returned to their parents.

Library's Tool Collection Helps Do-It-Yourself Fan

The Grosse Pointe Public Library is able to offer assistance to the do-it-yourself fan in two ways. It offers the usual collection of books to give suggestions and details for the planning and selection of projects, but goes a step further than this fairly standard library function.

This further step makes the Grosse Pointe Library unique

among the country's, for it is believed to be the only public library which has a collection of tools which may be withdrawn for use by the home craftsman or handyman.

The Grosse Pointe Rotary Club has made this distinctive aspect of the public library's service possible. By an original donation to start the tool collection, and by supplementary donations from time to time, the Pointe's Rotarians have been instrumental in the building up in the Central Library of a collection of over 180 tools. These cover a range to meet the needs of projects varying from the simple to those of considerable complexity. For the handyman faced with doing a job but lacking even the simplest tools, the collection includes such items as hammers, saws, screwdrivers; for the craftsman in need of the tool of only occasional use, it includes such items as clamps of wide spread. A recent addition to the tool supply has been a number of power driven items.

The construction of a new tool case on the main floor of the Central Library has made it possible to display the collection for public inspection and browsing. Space limitations have heretofore forced its housing in the library workroom, but the installation of the cabinet has enabled the library to give the collection the prominence its value deserves. The cases are opened for inspection and selection by the floor librarian.

The tools are loaned for seven day periods with, of course, no charge involved. A library card is needed for borrowing, but presentation of suitable identification proving residence in any of the five Pointe communities will place a library card in the possession of the potential borrower.

Residents whose buildings and construction plans sometimes exceed their tool supply are invited to inspect, and make use of, this unique public library facility.

Four Pointers Re-elected By Historical Society

Four residents of the Pointe have been re-elected to serve another three year term on the board of the Detroit Historical Society.

They include:—Charles F. Delbridge, Jr., Ben R. Marsh, Wilson W. Mills and Berrien Eaton.

Woods Association Hears Officials Discuss Problems

The annual meeting for all members of the Country Club Woods Progressive Association was held in Parcels School Wednesday evening, February 9. Officers and directors for the ensuing year were elected, including Richard C. Heidt, of 1641 Broadstone, as president.

Speakers at the meeting include W. H. Lange, City Administrator; James J. Hunt, Councilman; and Benjamin Pinkos,

James McNally Seeks Judgeship

James N. McNally, former Wayne County Prosecuting Attorney, has added his name to the list of candidates seeking election as Wayne County Circuit Court Judge.

McNally filed 31,000 names on nominating petitions with the Secretary of State's Office at Lansing, nearly twice the number required to qualify as a candidate.

McNally compiled an outstanding record during his term of office as Wayne County Prosecutor in 1947 and 1948, and includes among his achievements the handling of the Charity Rackets Grand Jury which led to the indictment and later conviction of Morrison T. Wade and his wife Bessie.

The Navy called McNally from his work as Justice of the Peace, in Grosse Pointe in 1941 and he served overseas in the Pacific Theatre from June, 1944, to January, 1946, with distinction.

McNally graduated from Saginaw Eastern High School in 1921 and entered a pre-legal course at the University of Detroit the following year. After completing his pre-legal work and one year at the University of Detroit Law School, he entered employ of a law firm and continued his legal education at the Detroit College of Law.

He received his law degree from the Detroit College of Law in 1926 and was admitted to practice the same year.

He is the father of six children, three of whom are or have been in the armed forces. The family resides at 1206 Buckingham, Grosse Pointe Park.

In 1935 he was elected Justice of the Peace of all Grosse Pointe and held office continuously until elected Prosecutor of Wayne County, even being re-elected while in the armed forces. His legal experience includes practically every branch of law practice.

He is a member of the Veterans of Foreign Wars, American Legion, Amvets, Reserve Officers Naval Services, United States Naval Reserve, Dubuque Club, the Knights of Columbus, the Elks, the Eagles, the Detroit Bar Association, the State Bar of Michigan, and is a past president of the Grosse Pointe Lions Club.

member of the City Planning Commission.

The speakers brought the members up to date and answered questions from the floor on the current problems in the City of Grosse Pointe Woods. The subjects discussed included drainage, taxes, recreational facilities, parking, and city planning.

The proposal for a bond issue to finance the construction of a new municipal building was brought up and discussed at length.

In addition to pointing out the complete inadequacy of the present building, Councilman Hunt stated that the estimated cost of a new building, which would house all of the City's departments, is \$320,000.00, and that, at a 3% interest rate for 30 years, the average annual cost for principal and interest would be approximately \$15,500.00, less than \$1,000 per year for each resident.

Hunt pointed out further that on the basis of the present assessed valuation, the cost would be 40¢ per \$1,000.00 of assessed valuation, and that, when the City's potential assessed valuation of \$53,000,000.00 is reached, the cost would be reduced to approximately 30¢ per \$1,000.00.

Following discussion, the Association adopted a resolution favoring the proposal, and urging each member of the Association to campaign actively for its passage at the February 21 election.

The Post will have a generous supply and cordially invites all veterans to use the facilities of the new Legion Building located at 20918 Mack avenue, Grosse Pointe Woods, three blocks east of Vernier road.

The Post will have members available each Saturday afternoon and evening at the Post quarters, equipped with typewriters and anxious to be of help. Veterans should take copies of their discharges.

Any information will be gladly furnished. Call Public Relations Officer, Stanley M. Weaver, at TU, 2-8888.

Warren Schnoes Quits Park Post

The Park council regretfully accepted the resignation of Comptroller Warren Schnoes, on Monday, February 14.

Schnoes, who began work with the Park city government the early part of January 1954, did not state his reason for quitting, but it is believed that he has accepted a job elsewhere, with better chances of advancement and pay. The resignation became effective immediately.

Former Members of GPWA To Meet for Auld Lang Syne

This is the story that should have been told a year ago, when the Grosse Pointe Young Women's Association disbanded, after years of charitable work.

This organization was composed chiefly of domestic help in the Pointe, who met once a month in the Grosse Pointe Memorial Church House.

When the United States entered World War II, these women wanted to do something useful, so they conceived the thought of holding card parties and other entertainments to raise funds.

With the money raised in this manner, the Association bought wool and other material and set to work making sweaters, stockings and other useful things, and once a month, with the money raised from this, they contributed sums to the American Red Cross, War Relief, widows and orphans, and so on.

In one year, for example, the group distributed \$1,218.50, to various charitable organizations.

In one year they finished 1,000 seamen's leather jackets, 124 men's sweaters, 44 helmets, 67 pairs of socks, and 177 baby sweaters, which is a lot of work for one group.

When the world conflict came to an end, the women of the Association thought that now that the conflict was over, they could reserve some of the money for themselves and start a fund for a club house of their own, but the goal was too high to reach and they decided that the money should be placed in a benevolent fund for those in need.

As time went by, many of the older members passed away; others moved from the locality, and the group grew smaller and smaller. The remaining members were faced with the question of whether to carry on or disband.

The decision was in favor of disbandment, and so with heavy hearts this charitable women's organization, after 29 years of service, was through.

Recipients of their money were the March of Dimes, Lions Club for Leader Dogs for the Blind; Muscular Dystrophy Fund, Red Cross, Salvation Army, Protestant Children's Home, Heart Fund Society, Cancer Society, United Foundations, Crippled Children and one or two of their

Janice Kiefer Leader Of Song Fest Winners

At the annual competitive song fest between the sororities at Albion College which was held last Friday evening, February 11, the Alpha Chi Omega group of about 50 voices received the first award.

Mr. Richard Engle

Roseville father says, "We paid a \$1581 debt with four dollars!"

"A guy is pretty lucky when he can clear up a \$1581 debt with one four-dollar payment," says Mr. Engle, of Roseville. "That's just what happened when our two-year old daughter was hospitalized for 73 days. She'd been seriously burned and required constant attention in the hospital... so much so, in fact, that the hospital bill was \$1581! But all we had to pay was four dollars... and all the rest was automatically taken care of by our Blue Cross Comprehensive Contract. On top of that, Blue Shield paid the biggest part of our doctor bill! You bet we're a Blue Cross-Blue Shield family... for keeps!"

The chances that your family will have an unexpected hospital bill within a year are 1 in 3! With odds like that, wouldn't it be well worth the little it costs to have Michigan's most widely accepted protection against hospital and doctor bills—Blue Cross-Blue Shield?

Find out how your family can enjoy low-cost group coverage. A company with as few as 5 employees may qualify as a group. Today, call or write: Blue Cross-Blue Shield, 441 E. Jefferson Ave., Detroit 26. Phone WO. 5-2700.

Women Offered Charm Course

A series of lectures on Self-Improvement to be given by Arthur K. Brooks will be offered by the Department of Community Services of the Grosse Pointe Public School System, beginning on Wednesday, February 23.

Mr. Brooks lecturer, fashion commentator, and make-up artist, and as an instructor of speech and personality development classes. He does part time work in motion pictures, television, and slide films for all the major film studios.

One of Mr. Brooks favorite quotations is from Sir James

Barrie—"Charm... if you have it, you don't need to have anything else; and if you don't have it, it doesn't much matter what else you have..." and his lectures are planned to help his students attain new beauty and charm.

Women registered in his classes learn how to walk, sit and stand gracefully, and how to capitalize on their best features and minimize their weak ones. They will get tips on diet, exercise and personality.

The series will be divided into eight two-hour lectures, as follows: an introduction to the course and a question period; physical education including

methods and benefits of figure control; lecture on proper make-up and hair-styling techniques; practice and individual consultation on make-up; how to develop self-confidence; vocabulary and mechanics of speech; how to build a wardrobe suited to your figure and budget; personality and mode of living. The course will be supplemented by models who will illustrate proper and improper attire for specific occasions, and improper wardrobe combinations.

Enrollment for the class will be limited. Information and registration may be obtained by calling the Department of Community Services at TUxedo 5-3808.

the Buhl Family interests announce...

The Buhl Centennial Fund

The fund will be used to establish a Speech and Hearing Center in Detroit

This is a clinic for medical diagnosis and analysis of speech and hearing disorders. It will provide an ideal place where trained specialists can work with the finest of equipment.

The rooms are sound proofed. All equipment is of delicate adjustment including electronic recording machines for measuring to extreme accuracy the

amount of sound a child or adult can perceive.

There is a great need for this service in Detroit and Michigan. Many adults and children can be helped who have defects in hearing and speech. It is our hope that the Center will restore many handicapped persons to a normal life.

Thank You To the dealers, customers and suppliers of Buhl Sons Company, to our friends in the Buhl Building and the other properties of the Buhl Land Company, to the employees of both Companies, we say a sincere "Thank You" for making possible our 100th Anniversary.

Jacobson's

Zagri Fashions to be Shown

Jacobson's Grosse Pointe and Birmingham stores will present the latest of the Zagri dress fashions at Trunk Shows on February 25 and 26 and 23 and 24, respectively, it was announced. Featuring as the theme of the show, "The Wonder of You," this season's complete Spring and Summer resort fashions will be shown.

With the accent on the informal, ensembles incorporating coloring shadings of the softest tones such as blue mirage, pink opal, Hibiscus and blue rose imposed upon Oriental silk, imported French cotton and linen, warped silk and silk chiffon will all combine to complement the latest of the famous Zagri creations.

In step with the show's theme, this season's fashion stress as interpreted by Zagri, will be placed on the union of the garment and the individual's personality.

Mostly slim sheer sheaths with three-quarter length coats, front pleats, new long body lines, naturally gentle but high bust lines... each design to bring out a different approach to the varieties of personality... will be shown.

An acute emphasis on the fact that each wearer possesses individuality which expresses natural beauty from within and which will result in inspiration when the right style is worn at the right time will become evident during the course of the show. Fashion creation with this in mind, has put Zagri at the forefront of American designers.

Zagri will be in the store during the showings to meet and assist the customers with any fashion problems they wish to discuss.

Leopold Stokowski To Conduct Symphony

Leopold Stokowski, one of the world's most colorful figures in music, will guest conduct the Detroit Symphony Orchestra Thursday, February 17, at 8:30 p.m. in the Masonic Auditorium.

Dinners Precede Hospital Benefit

All the glamor of an Hollywood opening was attendant upon the Detroit premiere of Cinerama Holiday, Tuesday evening at Music Hall. The entire house had been taken over by the Women's Auxiliary of Detroit Memorial Hospital.

Dinner parties preceded the guests arrival at the flood-lighted theater where a band played, orchids bloomed and the picture's stars were making a personal appearance.

Mr. and Mrs. Mervyn G. Gaskin entertained both at dinner and later at a supper reception when guests of honor were the two young couples featured in Cinerama Holiday: Beatrice and Fred Troller, of Zurich, Switzerland; and Betty and John Marsh, of Kansas City. Also an honor guest was S. H. Fabian, president of the Stanley Warner Cinerama Corp.

The Gaskins' dinner party, and both of these gatherings took place at the Detroit Athletic Club, guests included Dr. and Mrs. Clifford A. Benson, Mr. and Mrs. Wallace S. MacKenzie and Mr. and Mrs. Alexander L. Wiener, all of Grosse Pointe.

The Herman L. Wecklers entertained a family group at dinner in the D.A.C. before going over to Music Hall. In their party were Mr. and Mrs. Harold Weckler, Mr. and Mrs. Dan L. Johnson and Judy Weckler.

The William J. Athansons and the Charles Jacobsons were a

four some in the D.A.C.'s dining room before theater-time.

Still others noted at the club Palmer who entertained Mr. and Mrs. Joseph Muer Jr., Dr. and Mrs. Karl W. Weber and Mr. and Mrs. S.S. Marr; The Anthony R. Mutschalls and the Ralph Leshers, who were together Mr. and Mrs. Ernest L. Bogs whose guests included Dr. and Mrs. Bruce Proctor, Dr. and Mrs. Ralph A. Poirier, of Bloomfield Hills, and Dr. Poirier's father, Dr. J. A. George L. Cassids also entertained at dinner and Cinerama Holiday.

Mrs. James E. Lofstrom has been chairman for the Detroit Memorial Hospital's benefit which raised over \$12,000 for the hospital's re-furnishing program by Tuesday's premiere.

Pointer Heads Cancer Work

Mrs. Paul F. McNally, of Hidden Lane, has been named chairman of all cancer work for the Detroit Archdiocesan Council of the National Council of Catholic Women by Mrs. Harry Seitz, the council president.

As cancer chairman, Mrs. McNally will have eight sub-chairmen and in turn direct the work of thousands of women in metropolitan Detroit who do volunteer work for the Detroit Cancer Center on John R street.

**Club Organized
 In New Parish.**

Last Tuesday marked the initial meeting of the Young Adults' Club of Our Lady, Star of the Sea Parish.

This new social group, presently consisting of about 40 young men and women, was formed to give single people from 18 to 28 an opportunity to get greater enjoyment from their leisure hours, make new friends, and generally have fun in a wholesome environment.

A full program of gala activities, including parties, dances, trips, skating and skiing parties is being planned.

Father Ralph V. Barton, Pastor of Our Lady, Star of the Sea Church, is Club moderator. Temporary officers are Al Couvreur, treasurer; Miss Sandra Smith, secretary; Miss Rose Cantalupo, social chairman; Joe Clemente, general chairman; and Bob McBride, publicity chairman.

All single young men and women are cordially invited to attend the club's second meeting to be held Thursday, February 24, at 8 p.m. at the home of Miss Sharon Sharkey, 19700 Blossom lane, between Seven and Eight Mile roads off Mack in Grosse Pointe Woods.

**Mothers' Health Council Hears
 Detectives Give Talks on Dope**

Detective Robert Condo of the Detroit Narcotics Bureau and Detective "Gus" Boone of the Grosse Pointe Police Department spoke about narcotics to members of the Grosse Pointe Mothers' Health Council Tuesday afternoon, February 8, at their regular monthly meeting at the main Grosse Pointe Public Library.

Though Det. Boone informed the mothers and their friends that Grosse Pointe has no known drug addicts in the school population, they learned from Det. Condo how habitual users anywhere in the area can affect them and their families.

"Purse snatching, breaking and entering of stores, homes and automobiles are crimes committed mostly by heroin addicts," explained Det. Condo as he described the need of confirmed victims for as many as ten heroin capsules daily at a cost varying from one dollar to \$2.50 each. "Without his daily injections a narcotics addict is in sorry shape and will do anything to get his rations. He usually does not commit crimes of violence for them because he is physically weak and looks as if he were in the last stages of tuberculosis. Neither has he enough stamina to hold a steady job. His life is short, too. Out of 1,706 narcotics arrests made in Detroit last year, only 140 were over 40 years of age."

Det. Condo remarked that of persons arrested in dope traffic last year only three were under 15 years of age, 20 were between 15 and 16 years old, and 221 were in the 17 to 20 years age group. These ages comprised about 28 per cent of the total. The far greater number, or 71 per cent, were between 21 and 35 years of age. Dangerous drugs other than heroin and marijuana included in this number are morphine, cocaine, codeine, delaudid, pantopon, dolophine, demoral, barbiturates, benzedrine, and paregoric. "Besides its direct work, any one apprehended by other police agencies in Detroit and found to possess or use dope is referred to the Detroit Narcotics Bureau. We, in turn, refer habitual users to the Detroit Board of Health for treatment in its clinic," Det. Condo continued.

Having not enough facilities, the clinic tries to treat the person on an "out-patient" basis, sending the worst cases either to federal hospitals at Lexington, Kentucky; or Fort Worth, Texas. After 30 days hospitalization, a case can be dismissed as cured although in a few months many persons are back on dope again. The victim himself must want to stay cured."

Most information leading to the conviction of dope peddlers comes from dope users. Det. Condo told his listeners, although every tip is explored. A recent one he described was from a druggist on the west side of Detroit who had copied the license number of the car driven by a strange customer who had just bought over one thousand empty capsules.

Det. Condo assured the Council members that the Bureau of Narcotics had followed up this lead, though since he had not done it himself he could not know yet whether the druggist's suspicion that the capsules might be used to contain heroin was correct.

Society News Gathered From All of the Pointes

From Another Pointe of View

By Jane Schermerborn

One of the Pointe's greatest charms is its "small town" feeling . . . as opposed to the coldness in a big metropolis. Kercheval is like the main street of small towns all over the country . . . and it's as much fun to promenade its length . . . waving to friends . . . and seeing people you know . . . as it is to ramble down the main street of a village. Another evidence of this friendly atmosphere can be found in many of the gatherings which have come to be tried and true Pointe institutions. There is, for instance, the Christmas-carolling enjoyed by all the residents of Meadow lane at holiday time. Touraine road stands out in our mind as a very chummy street with its parties, welcoming newcomers to its homes, staged every once in a while. We know we've written of other streets who make the same point; that we've told of the annual picnics enjoyed by all the neighbors on this and that avenue.

Valentine Tea

Now, we want to add Hidden lane to the list. It's come to our attention that its residents are always getting together, enjoying one another's company, and in general making Hidden lane a very special place for the people who live there. The most recent such "do" was a Valentine tea party given by Mrs. Russell H. Harkness to welcome new neighbors. It was a particularly pretty party and must have started some of the newcomers thinking, right then and there, what they'd do when it "comes their turn to have the neighbors in." The tea table was as lacy as a Valentine with its pink satin cloth, masked in red net. There were pink tapers and the centerpiece was hearts and flowery with violets and rosebuds. Mrs. Harkness asked to assist her as hostesses and at the tea table during the afternoon Mrs. David C. Lowe, Mrs. William O. Gamble, Mrs. Laurence D. Marr, Mrs. Kenneth W. Smith, Mrs. Carl N. Hoffman and Mrs. Henry Klein. They were darling corsages of white and pink carnations. In January, Mrs. W. Alexander Stuart entertained Hidden laners at an open house at her home.

The Famous Joseph

And because we're kind of small-townish it comes to our attention when our own folks are famous in other parts of the world. Just to cite an example: Recently Steve Jay of Harvard road was in New York. During the course of his stay there, he visited a famous Viennese doctor. When the doctor learned that Mr. Jay was from Grosse Pointe, he asked immediately if he knew Joseph DeGrimme. "Indeed, yes," said Mr. Jay. "Mr. DeGrimme has a very fine art gallery in Grosse Pointe." And then, the doctor expanded with stories of those days in Vienna when he and the son of Austria's motor magnate were close friends.

Valentine Fun at Hunt Club

The George Endicotts gave a Valentine dinner dance at the Hunt Club last Saturday night with almost eighty of their friends gathered for the fun . . . Later in the season, the Endicotts are heading for Camelback Inn and a Winter holiday . . . It was the Hunt Club, too, for the young guests who helped Pamela Waterman celebrate her eleventh birthday last Friday afternoon at a hayride followed by dinner at the

Barbara Clark Weds Donald V. Denomme

Daughter of Mr. and Mrs. John Middleton Clark, of Berkshire Road, Is Married in St. Clare de Montefalco Church; Will Live on Maryland

Barbara Joan Clark, daughter of Mr. and Mrs. John Middleton Clark, of Berkshire road, and Donald Victor Denomme repeated their marriage vows last Saturday at a nuptial mass in St. Clare de Montefalco Church.

The Rev. Father James D. Clark, O.S.A., officiated at the 11 o'clock ceremony which was followed by a reception and wedding breakfast at the Whittier.

The slim bodice of the bridal gown was attached to a great skirt which extended into cathedral length train, and her three tiered veil, of imported silk illusion, fell from a lace Juliet.

Attending her sister as maid of honor was Janet A. Clark who wore a waltz length frock of sweetheart red velvet. A band of matching velvet was worn on her head and she carried candy stripe carnations in her bouquet.

The honor attendant's gown set the fashion pace for the bridesmaids including another sister of the bride, Virginia Clark; the bridegroom's sister, Jacqueline Denomme and Patricia Yott.

The groomsmen included: David Clark and John Middleton Clark Jr., brother of the bride; brother-in-law, Leonard Constantine; Donald Wiedyke and Kenneth LaHaie.

Mrs. Clark pinned orchids to her costume of navy blue lace with which she wore a small pink chapeau.

The bridegroom's mother dressed in gray silk brocade with small blue hat and an orchid corsage.

The young Denommies left their wedding breakfast to motor South on their honeymoon. The bride wore for a going away a

Boat Club Plans Square Dance

The Detroit Boat Club will have the "inimitable" Dave Palmer as caller for the "Old Timers Square"—the club's first square dance of the season, on Friday, February 18.

Mr. and Mrs. Lee Foster are chairman of the party, and helping them will be Mr. and Mrs. William J. Oldani, Mr. and Mrs. Milton C. Selander, the Manfred Whittinghams, and Mr. and Mrs. William J. Ritchie.

The lobby will take on an "Old Time" look with the decorations of old fashioned automobiles. The committee wishes to assure all "New-Timers" that the Old-Timers will be on hand to assist them in every phase of the increasingly popular Detroit Boat Club square dance.

Gray-Kenz Nuptials Take Place Saturday

Jean Gray, Daughter of The Roland H. Grays of Calvin Avenue, to Marry Lieut. Herbert Kenz at Ceremony in St. Philomene Church; Reception at Whittier

Jean Gray will become the bride of Lieut. Herbert Kenz, USA, this Saturday morning at an 11 o'clock ceremony in St. Philomene Church.

The bride-elect is the daughter of Mr. and Mrs. Roland H. Gray of Calvin avenue.

And the bridegroom-elect, who arrives in the Pointe just a few hours before his wedding, will come from his post at Fort Lee, near Petersburg, Va.

He is the son of Mr. and Mrs. R. Joseph Kenz of Sault Ste. Marie, Mich.

Jean has asked her sister, Beverly, to be her maid of honor and the only other bridal attendant will be her sister-in-law, Mrs. Roland H. Gray Jr., of Midland, Mich.

Roland H. Gray Jr. is to be Lieut. Kenz' best man and seating the guests will be:

John Dewese of Sault Ste. Marie; Paul Schendal, of Wyandotte; and Don Ferguson, of Kalamazoo.

Following the church ceremony, Mr. and Mrs. Gray will entertain the wedding guests at a reception and breakfast to be held in the Whittier Apartments.

Because the bridegroom-elect was obliged to remain at his military post until Friday, there was little opportunity for parties fettering the young couple. However, between the time Miss Gray closed her school books as teacher at Convent of the Sacred Heart and her wedding day, friends claimed as much time as possible to give parties for her.

Mrs. Rene Russette, of Three Mile drive, was hostess last week at an evening linen shower for Saturday's bride.

The party guest list included Sue Scully, Mary Fitzgerald, Beverly Gray, Rae Garber, Irene Sobolak, Mrs. Peter Bayer and Mrs. Robert Grambo.

On Thursday evening, Jean attended a party in her honor given by her aunts. It was held at the home of Mrs. Jerome Dueweke, on East Jefferson avenue.

Acting as co-hostesses with Mrs. Dueweke were Mrs. Max Hickey, Mrs. Theodore Johannes, Mrs. Carl Johannes and Mrs. Frank Johannes.

It was a miscellaneous shower. Then, this past Tuesday evening, her fellow-teachers at the

Parties Honor Patricia Savage

A number of parties have been given for Patricia Savage who will become the bride of Thomas J. Bass, on February 19 at an 11 o'clock ceremony at St. Clair of Montefalco Church.

A tea honoring Pat was given on December 11 by Mrs. Edred B. Bass, to introduce her future daughter-in-law to her friends.

On December 20 a personal shower was given by Alice Robertson at her home in Fisher road at which 20 of the bride-elect's high school friends were present and on January 17 a miscellaneous shower was given by Mrs. Charles Gardella and Mrs. George Gardella at the former's home.

A linen shower was given by Mrs. Michael Faber and Mrs. Bruce Kirchner and on February 10 Betty Jean Hoyt, one of the bridesmaids, honored Pat at a kitchen shower. Pat's aunt, Mrs. Victor H. DeBaeke, entertained friends of the bride-elect's mother at an around-the-clock shower, on Sunday, February 13, at her home in Lake Shore Lane.

The Spinster Dinner was given in the Hawthorne House by Alice Savage on February 15.

A cocktail party honoring Pat and Tom was given on Saturday, February 12, at the home of Mr. and Mrs. William Bass. On Thursday, February 17, Mr. and Mrs. Edred B. Bass will give the rehearsal dinner at The Detroit Yacht Club.

Children's Play Set for March 5

Children in Grosse Pointe who saw previous performances on the real stage by the Michigan State Players will cheer at the news that this group is to present "Beauty and the Beast" at Pierce Auditorium March 5.

This charming French fairy tale combines all the elements of magic so dear to the imaginations of young children. An absent-minded wizard, a prince who was changed into a beast, a beauty who looked after him and a baby dragon who helped in a rescue are some of the colorful characters who appear.

Many of the situations are fraught with peril, involving a magic ring and a rescue-flight by the dragon; in unfolding the plot which eventually restores the Beast to his princely state.

Previous hit plays of the MSC Players were "Heidi," "Rumpelstiltskin," "Huckleberry Finn" and "Mr. Dooley, Jr." The newest addition to this list, "Beauty and the Beast," was first presented for the annual convention of the Children's Theater Conference and the American Educational Theater Association. Under the critical eyes of these national authorities the play was revised. It also benefited from the reactions of a panel of children.

Two Saturday performances will be given at Pierce Auditorium, at 10:30 a.m. and 2 p.m., under auspices of the American Association of University Women, Grosse Pointe Branch.

Tickets, at 60 cents, are on sale at Fromm's Hardware, in the village; Punch and Judy Toyland, Kercheval, Grosse Pointe Farms; and Harkness Pharmacy, 20315 Mack avenue, Grosse Pointe Woods.

Mrs. William S. Grasse is chairman of the AAUW children's theater committee. Other committeewomen are: Mrs. Walter Kingsley, PTA promotion; Mrs. John Marshall, house chairman; Mrs. James Morrison, hospitality; Mrs. John Jakle and Mrs. Charles Leavitt, luncheon; Mrs. Alfred Taylor, ticket sales; Mrs. R. W. Cunningham and Mrs. Daniel L. Wells, publicity.

Albert D. Ruedemann Vacationing in Florida

Dr. and Mrs. Albert D. Ruedemann, of Three Mile drive, are spending a fortnight in Florida. They left over the week-end for their annual holiday at Pompano Beach.

Dessert-Card Party at Center To Swell Fund to Aid Students

Parents and friends of Grosse Pointe youth are invited to a dessert-card party on February 25 at 7:30 p.m. at the Grosse Pointe War Memorial Center.

Mrs. R. D. Halford, chairman, and her committee consisting of Mrs. Stanley Plopa, Mrs. Milton Pawsat, Mrs. Frank Willson, Mrs. W. G. Brownson, and Mrs. Sidney DeBoer are planning a delightful evening of cards, prizes, and refreshments.

Curtis Mowers to Leave For Caribbean Cruise

Mr. and Mrs. Curtis Mower of Roosevelt place, leave February 23 on an extended Caribbean cruise which will include the Virgin Islands, Cuba, Nassau, Colombia, Venezuela and the Panama Canal Zone.

Mr. Mower, an electrical appliance dealer in this area, placed first in a nation-wide contest sponsored by General Electric radio and TV division as its leading retail sales representative during the period of July 15 to December 31 of 1954 in the large dealer classification.

The cruise was awarded Mr. Mower for this outstanding accomplishment.

Busy Social Calendar For E. C. Baumgartens

Dr. and Mrs. Elden C. Baumgartner have issued invitations for a dinner party in their home on Lochmoor boulevard this Saturday evening. Also the Baumgartens' social calendar includes a Washington's birthday luncheon this month.

The proceeds of the evening will augment the Achievement Award Fund of the Grosse Pointe Woman's Club.

The Achievement Award of \$300 is given annually to a girl or boy graduate (January or June class) of Grosse Pointe High School who plans to seek further education in an institution of college or professional rank.

The basis of selection is high scholastic record, leadership, good citizenship, and sound character.

Tickets are \$1.25, and may be obtained from the ticket chairman: Mrs. Earle Walker, TU, 5-5713; any member of the committee mentioned above, or at the door that night.

The Grosse Pointe Woman's Club cordially invites all to an evening of fun and friendship, to support a worthy cause.

Gwen Marie Erickson Weds John McKernan

Ceremony in St. Clare de Montefalco Church Followed by Reception and Breakfast at Detroit Yacht Club

Gwen Marie Erickson, daughter of Mr. and Mrs. Ernest B. Erickson of Pemberton road became the bride of John Bruce McKernan of Larchmont, N. Y. on Saturday, February 12, in St. Clare Montefalco Church. The Reverend James Clarke performed the 12 o'clock double ring ceremony, which was followed by a reception and wedding breakfast at the Detroit Yacht Club.

The bridegroom is the son of Mr. and Mrs. Nelson M. McKernan of Wilmington, Delaware, formerly of Larchmont, N.Y.

The bride's scalloped floor length gown was a fabulous sweep of pure Dupioni silk, with neckline of Alencon lace re-embroidered with iridescent sequins and tiny seed pearls; and long fitted sleeves extending in a point over the wrists. Her fingertip length veil was attached to a pearl beaded crown. She carried a bouquet of white camellias, stephanotis and ivy.

Patricia McKernan, sister of the bridegroom, was maid of honor and Judy Martin of Detroit and Carolyn Phillips of East Lansing were the bridesmaids. Their dresses were of delphinium blue organza and were fashioned in a deep V neckline, bracelet length sleeves and bouffant waltz length skirts. They wore delphinium blue head bands with tiny veils, and carried bouquets of spring violets and shattered pink carnations.

Mrs. McKernan was dressed in slate blue taffeta. The young McKernans left by plane for a honeymoon in Acapulco, returning in two weeks to St. Clair Shores where they will make their future home.

U-M Alumni Going to Game

The Grosse Pointe Alumni of the University of Michigan will make their annual trip to Ann Arbor on Saturday, March 5 to see the Michigan-Michigan State basketball game.

The Greyhound luxury buses will leave Grosse Pointe (definite meeting place to be announced later) in the afternoon. Dinner is to be served in Ann Arbor, either at the Town Club or Farm Cupboard. The buses will carry you to the Yost Field House, where you'll have a seat reserved for the game. Immediately after the game the buses will load in front of the Yost Field House for the return trip to Grosse Pointe.

The charge for this outing, transportation, dinner, and ticket to the game is only \$6.50 per person.

A. D. Rueggeger, committee chairman, appointed the following members to assist him: Philip Weiss, J. Cullen Kennedy, Mrs. Hubert G. Goebel, Bruce N. Tappan, Dr. Gordon R. Maitland, Edgar M. Reitz, Mrs. Norman P. Lasca, Howard D. House, Paul Franseih and H. O. Love.

Doctors Support Hospital Drive

The staff doctors of Bon Secours Hospital are generously supporting the completion drive for \$450,000 which is in its advance phase. Harry Rife, professional committee chairman, announced that the doctors have already subscribed \$54,000 toward a minimum of \$100,000 which they are attempting to raise among their 104 members.

The committee announced further that it had met with wonderful reception and response from all of the doctors on whom they have called to date. The doctors are enthusiastically giving both moral and financial support to the drive.

Their aim is to memorialize the Medical Lecture Hall and Auditorium in the name of the entire staff as a tribute to the Nursing Sisters of Bon Secours for the service they are rendering to the community.

Luncheon Meeting Held For Recreation Discussion

The Grosse Pointe Woods Recreation Board conducted a conference on Wednesday, February 16, from 10 a.m. to 4 p.m., in the Woods Presbyterian Church, Mack avenue and Torrey road.

The Recreation Board had extended an invitation to all Pointe city officials, recreation directors and leaders, school officials, recreation and park commission members and all adults interested in providing recreational programs for their respective communities.

The meeting was to give the interested people an opportunity to discuss ways and means to strengthen and develop public recreation resources, involvement with the public education administrative structure and work out specific problems.

Speaker at the meeting was John Collins, Great Lakes District Representative of the National Recreation Association, an organization that has a long and impressive historical record in the helping of municipalities to establish recreational programs.

Others of the recreational field attending included Louis Barrett, recreation consultant of the U.C.S., Detroit; Ernest Blohm, executive secretary of the State Interagency Committee for Recreation, Lansing; Bernard Ballentine, director of recreation for Roseville, representing the Michigan Recreation Association; Harold Myron, director of recreation, Highland Park also representing the Michigan Recreation Association.

Stamp and Coin Show Readied

Sunday afternoon, February 27, from 2-5 o'clock, an excellent exhibition of stamps and coins will be shown at the War Memorial Center, 32 Lake Shore, free of charge. There will be both an adult section and a junior division.

Any one or any group in the area wishing to display a collection is encouraged to do so. The Center will have on hand, 100 glass display cases and all entries will be covered by special insurance.

All stamp entries will be required to be on standard pages, six of which will fit one glass case. Stamps being displayed should arrive at the Memorial between 10 a.m. and noon on February 27. It is hoped that those displaying stamps or coins will be on hand in the afternoon from 2 to 5 to explain them to the visitors.

On display at the Memorial in the terrace room are 20 enlarged replicas of unusual stamps. All Pointers of High School Age or under are urged to visit the Center this coming week and identify these stamps by country, turning their answers in to the Memorial office.

If all 20 stamps are identified correctly, prizes will be given to the winners providing they are on hand at the show on February 27.

Call TU 1-6030 to enter the stamp and coin show. Entries close on February 25.

Pointe Symphony Heard in Concert

By Milton Setzer
The Grosse Pointe Symphony Orchestra, led by Emil Raab, gave another demonstration last Sunday of its youthful spirit and musical proficiency. Playing its third concert of the current season, the group was heard in works of Bach, Beethoven, Corelli, and Nicolai.

Grosse Pointe Symphony. One cannot help but admire the magnificent enthusiasm of both the orchestra and the conductor, though it takes more than enthusiasm to build a musically qualified ensemble. And this young orchestra has many handsome traits of artistic distinction.

The Corelli Suite for Strings, for example, was played with a lovely sonority by the string choir, and with a much higher degree of technical competence than one might imagine. The Nicolai Overture and the Bach cantata were played very well, with the brass and wind sections doing some first-class work in the Nicolai.

Of the three songs offered by the soloist, Jacqueline Murphy, the most successful—at least to this reviewer—was the Bizet "Ouvre Ton Coeur." This song is particularly suited to Miss Murphy's style of singing; it is fiery and emotional music—seeking to communicate a mood, rather than being an exhibition for showing off the voice.

Miss Murphy is a very resourceful vocalist; hers is not the biggest nor the most beautiful instrument on our concert stages. But it is more than adequate for such things as the Bizet work, which she projected beautifully. The chief musical criticism of the Grosse Pointe Orchestra is its technical abilities. It is very difficult in a community enterprise such as this to discriminate against someone on the grounds that he or she does not play well enough to join. But the fact remains that if our orchestra is to continue to make progress, it must be selective in choosing the players.

The performance of the Beethoven symphony last Sunday served to point this observation out—for the orchestra tried its

best in this work, but in many places it was apparent that certain individuals were simply not capable of negotiating some of the runs.

This reviewer is not foolish enough to crusade for a major, virtuoso symphony, for that is—for the present, at least—quite out of the question. But if the organization is to continue to win new friends and support, it must continually strive for only the best.

He Runs Unique Doll Hospital

When Grosse Pointe dolls meet with misfortune they usually wind up on this busy hospital table in the Kammerer Doll Hospital and Baby Carriage store for repairs that will make them as good as new again. The hospital, located at 8705 Gratiot, was founded 60 years ago this month by Philip Kammerer. Shown is WALTER KAMMERER, its present "doctor."

Doll Hospital In 60th Year

The Kammerer Doll and Baby Carriage Store of 8705 Gratiot avenue and known to hundreds of Grosse Pointers, is celebrating its sixtieth anniversary.

Philip and Wilhelmina Kammerer, reed and willow workers and newcomers to America, established the business in 1895. Their son, Walter, the present owner, has been connected with the store and hospital for the past forty-three years.

Beside being a plastic surgeon, eye doctor and chief specialist at his doll hospital, Mr. Kammerer is a hair specialist. Hair replacement is an important factor since even the nicest little girls will find an idle comb and proceed to comb dolly's locks and, tears or no tears, the pretty curls soon become snarled and messy and away to hospital sweet little doll dear must go.

Broken limbs, chipped faces, broken cords and many other "ills" are among the causes that bring thousands of dolls to the hospital each year.

Apparel for dolls, including shoes, stockings, dresses and bonnets are kept stocked in the store at all times, as are doll carriages and cribs.

"Haven't lost a patient yet," says "Doctor" Kammerer.

Business Group Planning Dinner

The usual 90 days of preparation for the Employee-Employer dinner party of the Grosse Pointe Business Men's Association got under way during the past week, when the entertainment chairman, Dave McCarron, selected a number of chairmen for his sub-committees.

This big annual event will be held at the Detroit Yacht Club early in May. In a preliminary meeting on Friday with Association officers, McCarron outlined some of the major features of the affair and discussed entertainment and other program arrangements. Committee members who have been named to assist Chairman McCarron are: past presidents John Hannan, William Moir and Charles Verheyden; vice-president A. J. Meyer; secretary Mil-

ton Volkens; Chet Sampson and Arthur Paselk.

World Politics To Be Discussed

February 23 will be an important night in Grosse-Pointe for all those interested in world affairs. On that Wednesday, the Friends of the Grosse-Pointe Library will present the first meeting of the World Politics discussion group.

They will meet at 8 o'clock at the Grosse-Pointe Central Library. The welcome mat is out to all those interested in becoming better informed in world affairs.

The discussions are informal and usually run their course in two hours. Some of the topics will be Democracy, What Causes War, The State and the Individual, and International Law. The series will be ten weeks long. Books are provided by the American Foundation for Political Education, and the participant's reading assignment is about 55 pages each week. Kneeland Welch and Arthur Dowell will be the leaders for the discussion group.

Those interested may register in the group by calling the Grosse-Pointe Central Library or it may be done at the Library the night of February 23.

Frederick Duemling, Jr. Receives His Discharge

Frederick W. Duemling, Jr., 22, son of Shores Police Chief and Mrs. Fred Duemling of Vernier road, was recently honorably discharged, after four years of service, from the U.S. Air Force with the rank of sergeant.

The former airman is attending Wayne University, where he will major in accounting.

He is married to the former Jacqueline Bacon of Denver, Colo. The couple have one child, William, who is two and a half years old.

Calico Corners Six Years Old

ROBERT W. DAVIS has been named Advertising and Merchandise Manager of Calico Corners, Inc., 1640 S. Telegraph road, Beaconsfield Township, according to the announcement by M. C. Faulman, president. Calico Corners celebrates its sixth anniversary this February, it being one of six shops throughout the country dealing exclusively in seconds of fine decorative fabrics from America's leading mill sources.

club. Only person who even knew what a chill there was in the air, was mama, Mrs. Reuben M. Waterman! Former Pointer Catie Pitt came all the way from her new home in Lansing for the party and the other birthday guests were Celynda Finlayson, Cathy Bicknell, Muffy Galloway, Morona Test, Anne Wunsch, Alice Ledyard, Marion Polizzi, Judy Van Riper, Marilyn Storey, Susan Daume, Bliss Caulkins and Julie DuCharme. The gals all wore jeans, hoods and mittens for the fun. Did you notice the C in Cathy and Catie? Must be a trend.

Miss Valentine Herself

There were all of two birthday cakes this year for eighteen year old Shari Joan McNally, daughter of the Paul F. McNally of Hidden lane (this is the column that is bringing Hidden lane out of hiding!) Sunday, she thought she had had the celebration for her birthday this year when she cut the cake en famille. But on Monday, she was surprised when an even and pretty dozen of her classmates at St. Paul's appeared around the McNally dinner table to call "Surprise", have birthday dinner with her and then enjoy an evening of ice skating. Shari's a real Valentine for her birthday falls on the fourteenth.

Off to Palm Beach

Brushing the snowflakes off their travel clothes, Mr. and Mrs. Frederick H. Curtis, of Yorkshire road, and their daughter, Anne, left the Pointe yesterday (Wednesday) and headed for their annual stay in Palm Beach. They won't be back here until May and by that time their famous rose gardens, which have captured all manner of blue ribbons for the beauty of the blooms, will be budding.

Dingeman Asks Voters' Support

Common Pleas Judge Harry J. Dingeman, Jr., a veteran of eight years on the bench, will seek nomination to the Wayne Circuit Court in the primary election next Monday.

Judge Dingeman, who was the first candidate to file his petitions, aspires to one of the two Circuit Court vacancies created by the death of Judge Adolph Marschner and the retirement of Vincent Brennan.

The thirty-eight year old Dingeman is the son of the late Circuit Judge Harry J. Dingeman, who served on the Circuit bench for 24 years until his retirement because of ill health in 1941.

Judge Dingeman, Jr., was educated in the public schools; U. of D. High School and the University of Detroit. After graduation he studied law nights at the Detroit College of Law and was admitted to the bar in 1940.

Grosse-Pointe members of the Dingeman campaign committee are Anthony Vermullen, Joseph J. Marshall and Franklyn D. Dougherty.

Club Managers Honor Grenard

Election of Edward M. Grenard, Somerset road, manager of the University Club of Detroit, as president of the Club Managers Association of America was announced Saturday, February 12, at the conclusion of the national convention held in Philadelphia.

Grenard is a graduate of Knox College, Galesburg, Illinois. He has been in his present position at the University Club for 10 years. He formerly managed the Galesburg Club, Galesburg, Illinois, and the University Club, Springfield, Illinois.

Mrs. Grenard accompanied her husband to the convention. munity and have or are rejecting it by vote of the people. Saginaw is the most recent example.

(3) "Fluorides are violent poison to all living tissue because of the precipitation of calcium. They cause fall of blood pressure, respiratory failure and general paralysis. Continuous ingestion causes general cachexia and permanent inhibition of growth."

Any citizen may check this for himself at his pharmacist in the U.S.A. Dispensary 24th Edition-page 1456. Then let him decide whether he wants to drink this drug in small doses. He would have to have a prescription from a Medical man to obtain it from the pharmacist. If the individual citizen desires fluorine protection, let him ask his Doctor for the Karidium Tablets, thus one tablet dissolved in 1,0567 quarts of water will equal what he is getting now in the community drinking water.

They should however, ask their Board of Health to supply them free of charge. The Board of Health should not object, since we only have around 4,000 children. And some of them are beyond the age of benefit which is supposed to be from 12 to 14 years of age. "Children excrete for their weight 3 to 4 times more urine than adults." Quoted from Jour. of Missouri State Dental Ass'n. What about adults, with a kidney impairment?

It all narrows down to one simple statement. If there are other successful methods for the protection of children's teeth, should the whole community be forced into drinking this water?

In closing, may we remind our residents that Dr. G. L. Waldbott has many cases of fluorine poisoning, one, on which many may check, the patient in Highland Park. Shall we wait until it happens to one of us? Anyone wishing to sign the petition for voting, to eliminate this project, should contact me.

Mrs. J. Prestini
Yours truly,

TU. 2-4312

Dear Sir:
I would like to correct my letter appearing in your newspaper. My statement was this: It might be interesting to note the Farms is using the cheapest form of the chemical, sodium silicate, not the pure sodium fluoride. The latter chemical should be sodium fluoride.

I do not think it was intentionally printed that way and I might also have erred, but I do want a correction printed, please. There is a lot of difference in the two chemicals. I'm sure the average citizen would not detect this, since so many have confused chlorine with fluorine, but I assure you my committee will reprimand me if this is not corrected.

Yours truly,
Mrs. J. Prestini

Dear Sir:
For the past several weeks I have read the numerous articles and letters on fluoridation, for the most part with interest, but at times with twinges of alarm.

My concern is a broader one than the immediate problem of fluoridation. I can do no better to clarify my views than to direct you to the February issue of "Scientific American," which is available on all news stands.

The article by Bernard and Judith Mausner entitled "The Anti-Scientific Attitude" shed particularly good background light in this controversy for me. I would be interested in learning your reaction to it.

Sincerely yours,
George Rieveschl, Jr.

CITY OF

Grosse Pointe Farms

SUMMARY OF MINUTES REGULAR MEETING FEBRUARY 7, 1955

Called to order at 8:00 P.M.
Present on roll call: Mayor William F. Connolly, Jr., Councilmen John M. S. Hutchinson, William G. Kirby, Richard L. Maxon, Neil S. McEachin and George L. Schlaepfer.
Absent: Councilman Daniel W. Goodenough.
Mayor William F. Connolly, Jr. presided.
Minutes of the meeting held on January 17, 1955, were approved.
The following reports were received: Financial, Building and Fire.
A report of the Special Joint Water Committee, composed of representatives of the City of Grosse Pointe and the Farms, together with a proposed new water contract between the two communities, was submitted to the Council for approval.
After consideration the report was approved and the contract authorized executed upon the approval by the City of Grosse Pointe.
A vote of thanks was extended to Mr. Henry Hubbard for his services as citizen representative for the Farms on the Special Water Committee.
Financial and Engineering consultants were instructed to proceed with arrangements for financing and final plans on the proposed water expansion, subject to final approval of the contract.
A proposed plat of the Dean property between Lewiston Road and Muir Road, amended by a report of the Public Works Committee, was approved.
A new gate in the Provencal overflow chambers was approved.
A contract was awarded to weld an addition to the pipe columns supporting the proposed bathing pier to avoid possible ice damage.
Councilman Hutchinson was excused at this point.
The contract for the construction of the Fisher Road area relief sewer was amended by adding \$11,430.00 for tunnel work as against open construction.
A proposed zoning ordinance amendment clarifying the understanding as to attached garages was approved and tabled temporarily pending the preparation of other amendments to the zoning ordinance.
A communication regarding the opening of Williams Avenue to Kerby was referred to committee.
The employment of Marvin H. Krebs in the Police Department was approved.
Adjournment at 9:20 P.M.

HOW TO PROFIT THROUGH TAX EXEMPTION

With today's high tax levels, investors in medium and high tax brackets are turning to tax-free Municipal Bonds for income that they can keep.
If you have a taxable income of \$10,000 or more, you may be well repaid by investigating the advantages of tax-exempt State and Municipal Bonds. For instance, if you file a single return on a taxable income of \$14,000, you would have to receive a dividend return of 7.45% on a taxable security in order to equal the yield from a 3.50% tax-free Bond. It's something to think about!

Our New Booklet, "How To Profit Through Tax-Exemption" explains in plain language your need for tax exemption, tells how much these high-grade investments can be worth to you. There's no obligation. Send for copy today, or phone.

Value of Bicycle Licenses Proved

The value of obtaining a bicycle license was demonstrated on Thursday, February 10.

Last May 14, O. J. Beausoleil of 1100 Balfour reported to Park police the theft of his son's bike from the garage at the rear of his home.

On Thursday, February 10, Detroit police recovered the bike which was found on a Detroit street, and because of the bicycle serial number, which is always given when applying for a bike license plate, the two-wheeler was identified and returned to the owner.

Park Police Chief Arthur Louwers stressed the fact that if the serial number of the bicycle had not been recorded, there was a possibility that the owner would never have recovered his property. He emphasized that to be on

the safe side, all owners should obtain license plates for their bikes; thus recording the serial numbers permanently, even though the plates may become lost or stolen.

St. Clare Group Meeting Sunday

This Sunday night the MY-OANS will hold their last "open house" before Lent. Young adults of St. Clare Parish and their friends are invited for an evening of dancing and card playing.

A program of Lenten activities will be outlined during the intermission. For details, come to the general membership meeting Thursday, February 24.

Arthur Faselk Heading State Florists' Parley

Florist Arthur Faselk of Grosse Pointe, who is president of the Michigan Florist Association, will be general chairman of the association's annual convention at the Sheraton-Cadillac, February 20, 21 and 22.

Celebrating its own thirty-fifth anniversary and marking the one-hundredth anniversary of Michigan State College, the association has put forth every effort to present the finest Design School, Growers' School and Business Clinic, in its history.
