ONE LOOK and you know it's a Mercury. Exclusive Mercury styling is shared by no other car. The smart Monterey Coupe shown above is one of 11 Mercury models in 3 series.

Let us show you 5 ways you'll save with Mercury's Easy-Ownership plan

Come in today. Let us show you how we—and Mercury—can cut your costs at every stage of car ownership

- 1. You can get more for your present car. Mercury's record-breaking sales put money in your pocket. Our high volume lets us give a really generous offer.
- 2. You save on first cost. Mercury prices start below 13 models in the low-price field.*
- 3. We arrange the easiest of terms. They are tailored to fit you personally.
- 4. You save on operating costs. Mercury's traditionally famous economy and low upkeep will save you money every mile you drive.
- 5. You save on future trade-in. Mercury consistently leads its class for resale value. You can get a higher allowance at trade-in time.

NO OTHER CAR OFFERS YOU BIGGER REASONS FOR BUYING IT

- Exclusive styling shared by no other car
- New SUPER-TORQUE V-8 engines on every model* (188 and 198 horsepower)—backed by Mercury's record of producing V-8 engines exclusively
- 4-barrel vacuum carburetor on every model at no extra cost
- Dual exhausts at no extra cost on all Montclair and Monterey
- Ball-joint front-wheel suspension
- Anti-fouling high-compression spark plugs
- Consistently highest resale value in its field, according to authoritative reports

Suits of Pure EGYPTIAN COTTON in never-before-achieved dark tones

The fabric in these Waylite suits is one of the most unusual in the world. It is loomed in Italy of pure, long-strand, fine-combed - and thoroughly incomparable - Egyptian cotton. Loomed in an uncommon "random" weave, it is both lightweight and strong. It also retains its shape splendidly, to make it not only the newest and handsomest summer suit you can own - but also one of the most practical.

Moross Road Home Fire Does \$6,000 Damage

A fire in the home of Richard Debo, 200 Moross road, was extinguished by Farms firemen within 10 minutes after the Fire Department was called on Wednesday, May 4. The house, an old frame building, shown in the picture, was set ablaze by faulty wiring. Damage to the building and contents was estimated at about \$6,000.

Shopping Center Opens Thursday

Another huge shopping center will open Thursday morning, when 18 stores in the multi-million dollar development at Moross road and Mack avenue, cut the ribbon on a three-day Grand Opening Festival.

Located on 15 acres in the heart of one of the most heavily populated residential areas in Detroit and Grosse Pointe, the center will consist of 25 stores when fully completed this summer.

The new Moross-Mack center is the result of a 225,000 square foot addition to an original group of stores which were built on the location in 1949. The addition will triple the size of the original shopping area and also provide larger parking area.

When fully completed, the new center will offer more than 340,000 square feet of store space and free parking for more than 1,500 cars.

Planned and conceived by the late Saul Sloan, the center has shopping facilities for more than 565,000 people who live within a 15-minute drive of the location. Sloan died last November, but the center was completed under the direction of his son, Eugene Sloan.

The center runs 1200 feet in length on Mack avenue north of Moross road, with portions lying in the Detroit city limits and the remainder in Grosse Pointe Woods.

Mother Appreciates Army's Part in Transforming Son

"The making of a man" is a literal term. Though often defined, it is seldom realized as the result of one tangible act or period in the span of life. And even rarer than this realization, is the giving of credit to those who perpetuate this important transition.

Such was not the experience of 2d Lt. John E. Corfield, son of the J. D. Corfields of Oxford road. In a letter of appreciation from the mother of an army trainee to the Commanding General of Fort Wood in Missouri, Lt. Corfield was singled out for his job of turning "my son into an adult young man."

In a letter that commended the severity of the training period as

a necessary and probably "life saving" measure, Lt. Corfield was praised for his strict, but fair policies towards the men under his command.

Lt. Corfield, who is known to his friends as "Jack," was graduated from Grosse Pointe High School in June of 1949. He attended Michigan State University where he was graduated with a degree in Journalism in June of 1953. While at State, he was active in campus affairs, was on the staff of the school newspaper, "The Spartan," and a member of Sigma Chi fraternity.

Lt. Corfield was commissioned through the ROTC, and was activated in May of 1954 after working a year for Ross Roy advertising firm. He spent four months at Fort Benning in Georgia before being put in command of Co. B at Fort Wood.

Peter Wardle Honored At Dartmouth College

HANOVER, N. H. — Peter J. Wardle of 836 Washington road, Grosse Pointe, Mich., has been elected secretary of the Inter-dormitory Council, student governing body at Dartmouth College.

Wardle, son of Mr. and Mrs. Clarence D. Wardle, attended Grosse Pointe High School and is now a sophomore at Dartmouth. Wardle is a member of Chi Phi social fraternity and is taking a combined major in economics and history.

Fred Adams Promoted In Nash Motors Move

Four promotions in the advertising and merchandising departments of Nash Motors were recently announced by Fred W. Adams, director of advertising and merchandising.

Included among the four was E. B. Brogan of 285 Merriweather road, local advertising supervisor. He has been assistant to the advertising manager for the past year. He joined Nash in 1951 as assistant to the car distributor. Two years later he was named media manager.

Detroit Helps Parking Project

The Detroit City Planning Commission has given the Park an extension of grant for the development of the waterfront parking lot.

Park City Manager Everitt B. Lane informed members of the Park council on Monday, May 9, that with the purchase of lot 78, just opposite the Municipal park, Detroit granted the extension, which had been in effect since September 10, 1954, and which was near expiration. Plans for the completion of the development are now underway, Mr. Lane stated.

PTA at Ferry Plans Election

The Ferry School P.T.A. will hold their election meeting Monday, May 16 at 8 p.m. Retiring President Gerard Schroeder will preside. An added attraction of the meeting will be a special program by the Ferry School Band and Orchestra. Mr. E. Wendt, principal of the school will also speak.

1955 Census

(Continued from Page 1)
 each municipality and elementary school district in the school system. In a rapidly growing area such as Grosse Pointe such data are invaluable to the Board of Education and its staff in planning for the educational facilities needed in the district.

To Visit All Homes
 Every home in the school district will be visited by a census enumerator. Residents are asked to cooperate with these enumerators and provide the necessary information. All information is confidential. Due to the importance of the school census, accurate information from parents is desired.

Probably the greatest difficulty met by enumerators when calling at homes is obtaining the correct birthdates for each child in the family. Therefore, parents are asked to check over their children's birth records before the enumerator calls and be ready with correct information.

Have Identification
 All census enumerators will be furnished with an identification card signed by L. M. Bartlett, Director of Pupil Personnel, which will be gladly shown by them upon request.

Last May's census showed a total population in excess of 56,000 for the area comprised in the Grosse Pointe School District. With the great amount of building which has taken place during the past year, there will probably be an increase in total population this year over last year of from 2,000 to 3,000 persons or more.

Clean-Up

(Continued from Page 1)
 branches and grass cuttings on vacant lots. We earnestly solicit the cooperation of every resident and ask that all kindly make use of the regular trash pick-up service.

Among those participating in the parade will be Mayor Kenneth Koppin and council members, merchants in their delivery trucks, interested citizens, Boy Scouts, groups of volunteer boys from Hi-Y Clubs of Grosse Pointe High School, from the Tuxis, Canterbury and Thistle Clubs. Adding color to the occasion will be the Kiwanis sound truck advertising the parade and its purpose, a scout car to lead the procession, a fire truck, municipal trucks and equipment used in clean-up work, including a payload and a chipper.

As soon as the parade is finished the youth groups will set to work on the vacant lot clean-up project.

Walter Powers urges that all merchants wishing to enter the parade contact him at Colonial Federal Savings on Mack or telephone him at TU 4-5200.

The Woods Parade is another example of the effort that all five Pointes are putting forth to earn a top spot for Grosse Pointe in the National Cleanest City Contest.

Park Paint Job Safeguards Kids

Chief Louwers of the Park Police Department reports the near completion of the Safety Life Line, Lanes, Stop Bars and school crossing crosswalks on the major streets of the city.

This safety work will continue on the secondary streets in the Park. The Chief reports that the double yellow lines mean that you cannot cross over into the opposing lane. Jefferson and Mack avenues in their entirety have these lines.

For the protection of the school areas, no passing lines were placed so that the approaches to the schools or play areas would give them more protection.

Motorists are warned to be careful and to drive with caution, slowing down to a walk if necessary when passing any area frequented by children.

Special Service At St. Michael's

The Reverend Edgar H. Yeoman, Rector of St. Michael's Episcopal Church, located at 20475 Sunningdale Park, will celebrate the Holy Eucharist at two special services on Thursday, May 19, the Feast of the Ascension.

Inasmuch as this is one of the five major Feasts of the Christian Church, which should be especially commemorated by all Christians, St. Michael's will hold a service of Choral Eucharist at 7 a.m., with the choir in attendance.

Immediately following this service, which will last approximately 45 minutes, a light breakfast will be served for the convenience of persons going directly to school or to work.

Police Request Help of Parents

It is safe to say that the Grosse Pointes have more bicycles per population than any other area in the United States.

Cycling is fun and builds fine bodies; however, a bicycle operated by a child who violates the Motor Vehicle Code, (and a bike is subject to the same laws as the auto), is very apt to produce a hospital case.

When an auto weighing tons and a bicycle only a few pounds, meet, the bike rider has no alternative but to arrive in a hospital or be another victim in the morgue, the police point out.

The violation ticket issued to a child merely requires parental cooperation. If second violations occur, thereafter the parents and the child must appear before the Juvenile Traffic Court.

How about it, parents? Let's cooperate with the police, speak to Junior tonight about bike operation. A few minutes might save a terrific headache for many years.

YOUR POLICE OFFICER.

Manhattanville College Pays Honors to Pointers

Mary Kay Tracy, daughter of Mr. and Mrs. Emmet E. Tracy of Kerby road, and Kathleen Seymour, daughter of Mr. and Mrs. B. A. Seymour of Edgemont park, have been elected members of the Manhattanville College of the Sacred Heart's Council Steering Committee.

Mary Kay is chairman of the Junior Class council and Kathleen will be the 1955-56 chairman of the Catholic Action Financial Committee.

Farms Submits Building Report

The Farms building report submitted by Farms City Engineer Murray M. Smith for the month of April, showed that the 47 permits issued since the beginning of the year have reached a total valuation of \$618,100.

Twenty permits were granted during the month of April, according to the report. Residential building permits came to eight, with a valuation of \$263,000; and miscellaneous permits numbered 12, and are valued at \$19,300.

The value of the 15 residential permits issued since January 1, has been set at \$495,000; and that of the 32 miscellaneous permits, \$123,000.

Many a young man sets out on the journey of life by walking around a pool table.

Honored at Gala Retirement Party

"Grand Old Man" of the automotive production field was feted recently at a gala retirement party in his honor at the DAC. FRED J. LAMBORN (center) vice-president and general manager, Dodge Division, Chrysler Corp., retired after 44 years of continuous service with Dodge. He worked on the first vehicle produced by the firm in 1914 and has been noted throughout his career as a production genius. Shown at the dinner with Mr. Lamborn are (left) WILLIAM C. NEWBENG, president of Dodge, and (right) K. T. KELLER, chairman of the board, Chrysler Corp. Mr. Lamborn resides at 1169 Bedford road, Grosse Pointe Park.

Michigan Week Art Displays To Honor State

The Grosse Pointe Artists' Association is working to cooperate with "Michigan Week" — the state-wide observance of "National Cultural Week," May 15 to 22, by arranging to exhibit works of its artist members in the various Grosse Pointe stores, theaters and show rooms.

Volunteers under the direction of Mrs. Virginia Thibodeau have been arranging with local merchants for a display of oil and water color paintings as a part of this national effort. "Michigan Week" is another expression of the "Do-It-Yourself" era.

There is state-wide interest in doing something creative; painting, sculpturing, ceramics, textile weaving and other forms of artistic self-expression. Art has become an integral part of the state's community life.

School To Hold Music Festival

Pupils of the fifth and sixth grades of the Richard School, under the direction of Mrs. Patricia Birch, will present a musical festival as the final closing meeting of the PTA for the twenty-fifth anniversary year. This important music event takes place on Wednesday evening, May 18, at 7:30 o'clock.

There will be several numbers by the band composed of 40 pieces and the orchestra of 15 members. A sixth grade choral group of about 100 children will sing three numbers. A fifth grade choral group of about 66 children will perform in six songs. All of the children of both grades will sing several numbers together.

Accompanists, soloists and duetists will include: Bob Hunter, David Bnau, Betsy Wunsch, Douglas Kann, Mark Wilson, Allen McDonald, Susan Burgess and Carolyn Krebs.

Patrons of the school and their friends are most cordially invited to be present.

High School Band to Give Spring Concert on Friday

By Don Lockwood
G.P.H.S. Journalism Student

The strains of "Davy Crockett" will echo through the Auditorium - Gymnasium tomorrow night, May 13, when the Grosse Pointe High School Band gives its annual Spring Concert.

This will be the first concert held in the new building, and a large crowd is expected. The new bandroom, which is separated from the stage by a soundproofed door, will be open for inspection for the benefit of those who did not come to the dedication last month.

Fourteen seniors will graduate from the band this semester, the largest group so far on record.

The program will offer several well known numbers, including a tap dance done to "Tea for Two" by Ricky Stander, the band mascot. Ricky's brother, Dave, who is graduating this semester, will conduct the number.

Several Cole Porter selections and two spirited marches, "La Sorella" and "The Stars and Stripes Forever," are also on the

evening's program.

Dave Riemer, a graduating senior, is performing the modern "Clarinet Royal" with band accompaniment.

In a Dixieland selection, "The Southern Four," a four-piece combo will be featured with the band.

The big number of the evening will be the "Finale to E flat Symphony No. 1" by Seant-Seans.

Tickets are 25 cents for students and 50 cents for adults. They may be purchased at the box office. The program will begin at 8:15 p.m. sharp.

Alpha Chi Omega Group Plans Boat Club Party

The Alpha Chi Omega East Side Afternoon group will hold luncheon and card party honoring the sorority's West Side Afternoon group Tuesday, May 17, at 12:30 p.m. at the Detroit Boat Club.

Hostesses for the affair will be Mrs. Russell McLean and Mrs. Arthur A. O. Schmidt.

Registration for Day Camp Must Be Made on May 17

All parents wishing to register their children for Summer Day Camp at the Neighborhood Club will have that opportunity on Tuesday, May 17, starting at 9 a.m. Since the registration is limited to 100 boys and 100 girls parents are urged to come early. This summer the Day Campers

will be "Flying High" on make-believe flights to far-away places. The boys and girls will be divided into four groups with each group booked on its own special plane—either the Sugar Plum Skyliner, Jelly Bean Jet, Cracker Jack Clipper, or Gum Drop Globemaster.

Each plane group will choose its own pilot, co-pilot, navigator and stewardess. A special flight will be featured each week including the Hawaiian Islands, Paris, Mexico City and the North Pole. The featured trip this year will be a tour of Willow Run Airport.

Among the various activities available to the children will be Handcraft, Rhythm Band, Tennis Instruction, Games, Softball League, Newcomb League, Track Events, Tumbling, Square Dancing, Social Dancing, Bug Hikes, Dramatics. Every Friday afternoon a program based on the featured flight will be conducted by the children.

Day Camp will be held on Mondays, Wednesdays and Friday from 9:30 a.m. to 3:30 p.m. starting June 27 and ending July 29, for boys and girls ages 7 to 12. There will be only one day of registration and the fee of \$6.00 must be paid at that time. No registrations will be taken over the phone.

Attend International Education Conference

Margaret Casteel, a teacher at Grosse Pointe High School, and Muriel Krawki, also of Grosse Pointe High, attended the International Education Conference at the Kellogg Center at Michigan State College on May 6. Governor G. Mennen Williams addressed the conference.

Honor Scouting Secretary

Two prominent Grosse Pointers participated in a Silver Anniversary Ceremony honoring Mrs. Carolyn Barnes, Scouting's registration secretary since 1930. JEROME E. FRIESEMA (left), Council Commissioner, 438 Colonial court, and GEORGE W. WILLIAMS, Council President, 542 Lakeside, presided at the ceremonies during which Mrs. Barnes received a \$500 Government Bond and a framed poem, a corsage and a cake. Both Williams and Frieseema were in Scouting when Mrs. Barnes was employed in 1930 to process registration records for some 13,000 boys and Leaders. Since that time the Council's membership has grown to nearly 69,000.

Nab Teenagers Drinking Beer

Three teenagers were apprehended by Farms police while they were drinking beer on Tuesday, May 3.

A resident near the woods on Charlevoix, between McMillan and Lewiston, notified police that several boys were making too much noise in that vicinity.

Police arriving at the location, surprised the teenagers while they were drinking. The beer and empty bottles were confiscated.

Two of the boys were turned over to their parents, and one was temporarily detained, because he was in no condition to be released.

The youths, who claimed that an older man had bought the alcoholic beverage for them, were ordered to appear before Farms Judge Grant E. Armstrong on Wednesday, May 18, for disposition of their cases.

G. M. Motorama Returns Home

The seven experimental cars and "dream" truck that were seen by more than two million persons at the General Motors Motorama of 1955 during its recent coast-to-coast tour were shown for the first time in Detroit Saturday.

Brought here direct from Boston, where the Motorama closed last Sunday, the GM "dream cars" will be on display to the public at the General Motors Building, 3044 West Grand boulevard, through May 16.

Labeled "one of the most impressive groups of experimental cars to appear on the automotive scene since General Motors introduced the dream car idea to the industry 17 years ago" by GM President Harlow H. Curtice, the futuristic cars helped set an all-time Motorama record during the five-city swing.

The public may inspect the cars to get an idea of what their future automobiles may look like every day from 9 a.m. to 10 p.m., except Sunday when doors open at 1:30 in the afternoon and the last day when the display is closed at 6:30 in the evening.

The 1955 "dream cars" include the Chevrolet "Biscayne," the Pontiac "Strato-Star," Buick's "Wildcat III," the "88 Delta" by Oldsmobile, Cadillac's "Eldorado

Brougham," and two cars developed by General Motors styling and engineering, the "LaSalle II" sports coupe and the "LaSalle III" sedan.

One of the most amazing of the 1955 special vehicles is the L'Universelle, a radio-equipped package delivery job styled along passenger car lines. Nearly a foot lower than conventional panel trucks, L'Universelle has as much load capacity as larger trucks and is designed so as to be adaptable for any one of many uses. It has front wheel drive, a Panoramic windshield and other passenger car features.

Mr. Curtice recently announced the Cadillac "Eldorado Brougham" and the GMC truck and coach "L'Universelle" will be placed in production.

During the Motorama's visit to New York, Miami, Los Angeles, San Francisco and Boston, 2,147, 128 persons inspected the experimental vehicles and other attractions that make up the show.

Five of the cars are spotted on platforms in the first floor lobby of the GM building. The two LaSalle models and L'Universelle are in the central display room. An attendant is assigned to each of the vehicles to answer questions.

Reckless Drivers Pay Fines After Park Court Hearings

Chris DeAngelo of 3509 Dickerson, was placed on one year's probation, during which time he must observe all traffic laws, or face a driver's license revocation of six months. He was charged with driving without a license and also with speeding on Charlevoix.

The sentence was imposed by Park Judge C. Joseph Belanger on Wednesday, May 4, who suspended the license revocation sentence on a plea of financial hardship. However, the speeding charge cost DeAngelo \$20.

Corliand Larned, Jr., of 13734 Mapleidge, Detroit, was assessed a fine of \$20, after pleading

guilty to a charge of reckless driving and causing an accident at Nottingham and Vernor.

Another \$20 fine went to Donald Davis of 4136 Buckingham, Detroit, who pleaded guilty to a charge of causing an accident at Mack and Wayburn.

If cost Archie Bowden of 38 Spokane, Pontiac, \$5 for running a red light.

Charles J. Sweeney of 3056 Fisher, Detroit, was given five days in the Wayne County Jail and his license was revoked for three months after he was found guilty of reckless driving on Jefferson, speeding and running through red lights.

Dennis Jensen of 9859 Yorkshire, stood mute and a plea of not guilty was entered for him on a charge of violating Michigan's Drunk Motor Law. He was found guilty and sentenced to 20 days in the County Jail.

John Davis of 717 Helen, Detroit, pleaded guilty to causing an accident at Jefferson and Three Mile road. His fine was \$10.

Dorris G. Gunster of 21610 Avalon, St. Clair Shores, charged with causing an accident at Mack and Grayton, pleaded guilty and was fined \$10.

Sidney Dalstra of 21709 Englehardt, St. Clair Shores, charged with causing an accident in which a pedestrian was hit at 15126 Mack, on December 29, pleaded not guilty and was found not guilty and his case was dismissed.

Gets Thrill of Lifetime

BONNIE RANDOLPH, center, daughter of Mrs. Gladys Randolph of Lochmoor boulevard, was the guest on the television set of "My Little Margie," during a recent visit to California with her mother. The stars of the show, GAIL SPORN, and CHARLES FARRELL, invited her to pose with them for the above picture.

Lillian Diebolt to Retire After 27 Years of Teaching

Mrs. Lillian Diebolt leaves the Grosse Pointe School system this June, after 27 years of service. It was back in 1928 when Mrs. Diebolt started working in the

Grosse Pointe Schools. Her husband died and she was faced with the necessity of support for herself and her two little children. Since that time she has worked in many schools and one of the public libraries.

Civil Air Patrol Tag Day Success

The Tag Day of the Grosse Pointe Squadron of the Civil Air Patrol, held Saturday, May 7, was deemed a success by CAP spokesmen.

Staged to raise funds for the CAP's Scholarship Program, the drive grossed slightly over \$800. The net profit after deducting advertising costs, was approximately \$350.

"In view of the fact that this was our first Tag Day effort and that the preparation for the drive was rushed, we considered it all a huge success," said Mrs. R. E. Mow, adjutant of the Grosse Pointe unit.

The CAP Scholarship Fund is set up to give teenagers complete pre-flight and flight training towards earning their pilots licenses.

Mrs. Mow issued an official statement of thanks on behalf of the unit. "The senior and cadet members of the Grosse Pointe Squadron 633-1 wish to express their gratitude to the city officials, the business men and the residents of the Grosse Pointe area for the cooperation received and the interest shown in the CAP Tag Day Drive held Saturday, May 7.

"We hope to be able to count on their continued support, in return for which we pledge our whole-hearted assistance in any matter to which it may be useful."

Motion Picture Council to Meet

The Grosse Pointe Motion Picture and Television Council will hold its final meeting of the season on Monday, May 16 at the home of Mrs. Thomas F. Cashin, Jr. of University Place.

The election of new officers will precede a talk by Mrs. Wanda Daniel, head of the Audio-Visual Department of the Grosse Pointe Board of Education. Speaking on the history of the audio-visual program in the Grosse Pointe system, Mrs. Daniel will be introduced by the Superintendent of Schools, Dr. James Bushong.

Following the business meeting, tea will be served honoring the new and retiring officers. Representatives of the council's member organizations will have as their guests the presidents of these groups and the wives of the ministers of the Grosse Pointe churches.

Lay Groundwork For Fire Probe

The first meeting of the special committee created to investigate the handling of the fire at the home of Charles F. Delbridge, Sr., at Grosse Pointe boulevard and Hendrie lane, on Saturday, April 30, was held in the Farms Municipal Building on Friday night, May 6.

William G. Kirby, Farms councilman who was appointed chairman of the committee by Mayor William Connolly, reported that the first meeting was devoted entirely to establishing a form of procedure for the investigation. The group is expected to get into the actual probing of the fire at its second meeting, set for tonight, Thursday, May 12.

Present at the first meeting were Councilmen Kirby, Edward Roney, and William Butler, and citizen members Theodore Hammond and John French, Jr. The sixth member of the group named by Mayor Connolly, Miles O'Brien, was out of town and unable to attend.

Also attending on the invitation of the committee was Wilfred Lindberg, a resident of the Farms who is a member of Box 12 and has been active in fire fighting work for 30 years.

Household Hint
Orange juice can be substituted for the vinegar in Harvard beets to give a tangy, different flavor.

Traveling around in the best circles gives some folks the idea they are big wheels.

Indian Guides To Hold Outing

The fathers and sons members of the Grosse Pointe "Y" Indian Guide Longhouse will turn out in mass on Saturday, May 14th, at 1 p.m. at the second annual Spring Outing.

The outing will be held at Grosse Pointe Woods Park again this year. Program events include opening ceremony, an Indian dance exhibition by the Dearborn "Y" Indian Guide dance team, father and son games and races and a cook-out, at W. W. Leitner of 87 Cambridge road.

Mr. Leitner is the Longhouse Chief and in charge of the outing this year. At present there are 20 tribes composed of fathers and sons in the Pointe area. The Grosse Pointe Longhouse numbers some 380 big and little braves.

Luncheon Party Planned By Ladies' Aid Society

A Spring luncheon and card party will be given by Messiah Lutheran Ladies' Aid Society in the church parish house, Kercheval and Lakewood Avenues, on Thursday, May 19, beginning at 12:30 p.m.

Chairman of the event is Mrs. Ray Meyer of Hillcrest road, Grosse Pointe Farms. Mrs. J. Newell of Ashland avenue, Detroit, is co-chairman. Guests are welcome.

Spaghetti and tomato sauces seem to make people sit up and take notice when they are seasoned with oregano. It is an herb that also goes well with cabbage, broccoli, lentils and tomatoes.

Vacation Show At Ford Rotunda

Tourist attractions in Michigan's vacationland, including several realistic outdoor scenes, will

go on display in the Ford Rotunda at Dearborn, May 15. The show will continue through the peak of the summer tourist season until Labor Day. Displays will be changed periodically to feature special events throughout the state.

Start of the Rotunda show, titled "Michigan Vacationland," will coincide with opening of Michigan Week, May 15-22.

J. G. Mullaney, special events manager for Ford Motor Company, estimated approximately 400,000 tourists will see the exhibit. During 1954, the Rotunda was visited by 1,503,136 persons, representing every state and U. S. possession and more than 800 foreign countries.

Highlight of the "Michigan Vacationland" show will be a camping scene, complete with a running stream. The display, typical of a family tent camp in a state park, will occupy approximately 6,500 square feet in the exhibition builder's center court.

Also featured in life-like exhibits will be other Michigan outdoor activities, including bathing, picnicking and golfing, and its wildlife.

Other displays will show visitors the food specialties of various cities and sections of the state and such Michigan vacation accessories as wearing apparel, fishing gear, and boating and photography equipment.

Throughout the show, the Rotunda theater will present special films on Michigan recreation, a calendar of special events of tourist interest throughout the state will be on display and literature, including maps, will be available on all sections of the state.

The show will be presented by Ford Motor Company in cooperation with the state conservation and highway departments, Michigan, Southeast, Eastern, Western and Upper Peninsula tourist councils.

During the summer months, the Rotunda will be open, free to the public, from 8:30 a. m. to 9 p. m. on Mondays through Saturdays and from 1 to 9 p. m. on Sundays.

St. Matthew Women's Club Sponsors Church Luncheon.

The St. Matthew Women's Club will sponsor a Swiss steak luncheon and card party today, May 12, at 12:30 p. m. in the parish hall, Harper and Buckingham.

Donations are \$1.35 per person. There will be prizes. For reservations call Mrs. Joseph Van Deweghe, TU, 1-7700, or Mrs. William Crowley, TU, 5-3474.

MAN'S SELFHOOD
Man's true selfhood as a spiritual child of God — possessing dominion over sin, sickness, and morality — will be set forth at Christian Science services Sunday in the Lesson-Sermon "Mortals and Immortals."

William J. Athanson Elected to New Post
J. R. Miller, chairman of National Automotive Fibres, Inc., today announced that William J. Athanson, 941 Sunningdale, has been elected executive vice-president.

Athanson joined the company early in 1934 as vice-president in charge of sales, and last September he was elected a director. For 25 years prior to joining National, he was with Briggs

Manufacturing Co., where he held various executive positions in sales and management. A University of Detroit graduate, Athanson is a member of Detroit Athletic Club, Detroit Golf Club, Grosse Pointe Yacht Club, Lochmoor Club and Recess

Recommended Reading

We have had in our possession for several months a book entitled "A Policy for Skilled Manpower." We have still not completely read and digested everything which the volume contains; it isn't the kind of book which one seizes and avidly pores over, eagerly devouring every word. It is more in the manner of a textbook, masterfully produced, highly thought-provoking and very commanding of respect.

It is quite likely that we might have passed over this volume completely had there not been personal reasons which goaded our curiosity. It is the fourth publication of the National Manpower Council, which was established at Columbia University in the spring of 1951 by a grant from the Ford Foundation. We have commented previously on our admiration for the accomplishments which this foundation has made possible, and we would now like to add that we consider the work of the Manpower Council another great contribution which probably never would have been available without the foundation's assistance.

The Council is composed of 18 nationally known leaders in business, education, professional life and labor circles. While the names of all are familiar to many, two of the members happen to be personal acquaintances. One of them is Dr. Leo Bartemeier, now medical director of the Seton Institute in Baltimore, Md., and until recently a resident of the Pointe. An internationally recognized leader in his profession, he is also a very great gentleman, profoundly interested in the welfare of his country and in the individuals which make up a nation and a world.

The second is Dr. Courtney C. Brown, Dean of the Graduate School of Business of Columbia University. We were classmates at Dartmouth and he earned our great admiration then. We have followed with interest and pride the development of his great talents through the last three decades.

This publication in which these two personal friends have played important parts, is a monumental work meriting the attention of all who are interested in the greatest single asset which this or any other country possesses, its manpower. At this particular time when one of the strongest labor unions in the nation is demanding for its members a guaranteed annual wage, it will be found especially interesting. The Manpower Council has delved deeply into the underlying problems between management and labor, with the help of hundreds of able researchers and consultants.

The book makes many recommendations "designed to strengthen the nation's resources of skilled workers and technicians." It suggests among other things that "Boards of education and school officials insure that students are permitted to specialize intensively in vocational subjects only after they have completed two years of high school."

It is recommended that educators "concentrate on achieving the key purposes of secondary education . . . to prepare the individual for citizenship, for a worthwhile life, and for work . . . by insuring that all students, excepting the small minority unable to profit from it, pursue a common program at least through the second year of high school, which concentrates on teaching them to communicate effectively in writing and speech, to handle elementary mathematical operations, and to apply their knowledge to solving the problems they will encounter in life and work."

Vocational guidance, skilled manpower's relationship with the armed forces, training programs, opportunities and incentives, federal assistance, loyalties, personal interests and other human equations are all thoroughly probed.

A staggering number of man hours of work and study, and a tremendous treasury of talent have been combined in the compiling of this volume. We are indebted to all who produced it, and to the Ford Foundation whose financial backing made it possible.

It is highly recommended reading for all who are interested in the great complexities of this problem which touches the lives of each and every one of us.

Letters to the Editor

Mr. Robert B. Edgar, Editor Grosse Pointe News

Dear Bob:— In writing this letter to you I have chosen my own letterhead rather than the Red Cross stationery. As chairman of the Disaster Relief Commission of the American Red Cross for Wayne County I am vitally interested in the fire protection problem we all face in Grosse Pointe. Any views expressed hereinafter, however, are my own and not those of the American Red Cross. I might point out that my personal interest is heightened in that I serve on the Fire Prevention Committee of the Detroit Board of Commerce and am a member of the National Fire Protection Association.

In the first place editorial inference motivated, of course, by many, many comments all over the Pointe following Mr. Delbridge's loss, indicates inefficiency on the part of the firemen on the job. This in my opinion is grossly unfair to the men who risk their lives to protect our homes and our places of business. An efficient fire-fighting job can be done, but a large loss is certain if the fire-fighters receive notification too late. It would seem from reports I heard at the fire and have heard since that there was a delay in notification and possibly insufficient indication of the severity of the situation when the alarm was phoned in. If these things are true the men on the job should not be chastised.

In many ways Mr. Delbridge's misfortune could be one of the best things that have happened in Grosse Pointe in a long time. The fact that the fire occurred on a Saturday noon brought out many of our citizens, and above all else made them all fire and fire prevention conscious. It is certainly too bad that losses of this sort must occur occasionally to wake us all up.

Not to wave a banner in anyone's face I would like to point out that our next door neighbor, The City of Detroit, has the finest fire department, equipment, men, and commission, in the country, possibly the world. And they have the plaques and scrolls from recognized national agencies to

prove it. Even better the fire insurance rates are proof enough. In Grosse Pointe we must catch (Continued on Page 11)

Grosse-Exaggerations

A. PRYOR

"Laugh and be merry, remember, better the world with a song, Better the world with a blow in the teeth of a wrong. Laugh, for the time is brief, a thread the length of a span. Laugh and be proud to belong to the old proud pageant of man." (John Masefield)

That unfortunate fire in the Pointe on April 30 has brought to light a lot of fire stories . . . some quite amusing if it were not for the damage involved. One local man told of a female house guest, visiting him and his wife last year . . . who was the "helpful" type around the house and prided herself on efficiency.

While she was guesting, a fire broke out in the attic and she was the first to discover it. Before alarming the household . . . she remembered one must first call the fire department . . . no matter what. So our heroine rushed to the phone, told the operator to connect her with the local fire department and when she got the chief on the phone, she called out: "Come quickly there is a bad fire in the attic."

Like most rattled people, she neglected to say WHERE . . . but was still on the phone when the chief asked: "Where do you live?" Quick as a flash the dear guest replied, "Chicago" and hung up!! Obviously this does not help the fire department when the fire is in Grosse Pointe. By the time the hostess discovered the fire it had gotten a good start . . . nor did she know her friend gave Chicago as the address. Such a business!

We were visiting a friend the other day and she was in the process of showing us her brand new kitchen (yummy!). We were standing near the back door, when a snazzy Cadillac drove up. Out jumped a young man, who came up to the door with four bottles of that diet gingerale under his arm. He handed them in to our friend who looked askance at the bottles (which were strange to her), when the cook poked her head around the door jamb and said, "Oh, those are for me." Nice cartoon for the New Yorker.

We don't know why we think of wedding presents in terms of silver, china, glassware, leather goods, wooden objects, etc., but a new one has been added to the list this week. We met a young girl who is to be married shortly and she is giving her fiance a shot gun for a present! We suggested she have her father take it to the church . . . to be presented there . . . but then our pixie mind thinks of everything.

Sorry we didn't let our readers in on Swaps . . . which we had . . . across the board. And in case anyone feels like reporting us for betting . . . don't bother because we sent our stipend with a friend who attended the Derby. A California friend of ours, June Saunders, was so HIGH on the horse as far back as two months ago . . . we just couldn't resist it . . . so we shot our six bucks as if it were nothing. BOY! WHAT a race. JUNE . . . we're busting out all over!

We've been reading all the gripes in the T-V section of the papers from the people who are mad about Steve Allen's program being cut down to a half hour. We couldn't agree more! It is one of the best, even if it does keep one up too late. The drive WWJ has filled in the last hour with is for the birds. At least the first one we saw was . . . now we don't look at it. The late movies have won us back again!

Ruffy the wild cat celebrated his 8th birthday last Sunday . . . same day as Harry Truman . . . so astrologically, they come under the same sign of the Zodiac. BUT we don't think Ruffy will ever become president, as smart as he is. We took him out in the back yard for a birthday whirl and glad to say he just sat and looked at the birds who were feeding and drinking. Never even made a pass at them, contrary to what a lot of people think about cat-versus-bird.

And speaking of birds, we must feed at least a thousand sparrows all Fall and Winter and as soon as the first robin appears . . . the sparrows disappear. Can anyone please tell us where they go? Alaska maybe?

Last summer, someone gave us a fly swatter with the "swatting" part made of part screen, part shocking pink felt and part rhinestones. We wouldn't dream of swatting ANYTHING with it but keep hoping that the flies will be scared off just looking at it.

This year, we've acquired a feather duster that would make grandma twirl. We can remember when she used to flick the thing over the furniture and ob-jays-dart and all it accomplished was a scattering of dust that flew through the air with the greatest of ease, then settled right back again where it came from.

Our present duster won't be any more efficient but will serve as a conversation piece . . . and may be good to flick over the record albums. This one has a jeweled handle and the feathers are bright blue! We understand they come in red, green, white, etc. Might be a fun present to give the gal who has everything.

Beginning right here and now, we are never again going to do anything that can't be proven. In the past two weeks there has been a plethora of radio and t-v shows in which someone commits mayhem but the innocent suspect never has an alibi for the time the crime was committed. In the days before radio and t-v "amusement" we thought nothing of taking a walk ALL BY OURSELVES but thanks to the aforementioned media, we are warned!

Suppose ferinstance our cross-the-street neighbor, (with whom we had a slight altercation over a fence), is suddenly found shot. Then suppose the gendarmes ask us "Where were YOU on the night of April 10, at 8 o'clock?" But we have them there. From now on we walk with a friend or neighbor and the only time we will be alone is when the house is locked up and we are in bed, sleeping. Also, we intend to keep a diary of our every move . . . just in case. Vive la radio shows!

prove it. Even better the fire insurance rates are proof enough. In Grosse Pointe we must catch (Continued on Page 11)

ON DEAN'S LIST

Gordon P. Bugbee of 36 Beacon Hill, a junior at Harvard College, has been named to the Dean's List, Harvard Scholastic honor roll.

HOW TO PROFIT THROUGH TAX EXEMPTION

With today's high tax levels, investors in medium and high tax brackets are turning to tax-free Municipal Bonds for income that they can keep.

If you have a taxable income of \$10,000 or more, you may be well repaid by investigating the advantages of tax-exempt State and Municipal Bonds. For instance, if you file a single return on a taxable income of \$14,000, you would have to receive a dividend return of 7.45% on a taxable security in order to equal the yield from a 3.50% tax-free Bond. It's something to think about!

Our New Booklet, "How To Profit Through Tax-Exemption" explains in plain language your need for tax exemption, tells how much these high-grade investments can be worth to you. There's no obligation. Send for copy today, or phone.

What Goes On at Your Library

By Suzanne Souder for Jean Taylor

A few days ago there appeared on the lawn of the Central Library a tiny scrub of an evergreen not more than a few inches in height but proudly displaying a few sturdy pine needles. This white pine, "the Michigan tree of the Century" has been presented to your library by Michigan State College in its Centennial year 1955. We shall watch it grow with pride.

John Elder who keeps our grounds so spic and span tells us that this fledgling will eventually achieve a height of possibly one hundred feet, averaging a growth of some five or six inches a year. We can't predict the status of our library in the year 2155 but we hope each year it will keep pace with our pine tree.

The white pine has recently been named the official tree of Michigan and our sapling arrived just in time to celebrate Michigan Week, May 16-21.

If you are a newcomer to our state, you may be interested in looking over the many books about Michigan which you will find at your library.

Among the 1955 crop is a two volume edition, sponsored by the Michigan Historical Commission, "Michigan in Four Centuries" by F. C. Everald, Dr. Bald, a teacher of Michigan history and the assistant director of the Michigan Historical Collection at the University of Michigan, has written a readable, straightforward book, abundantly illustrated. There are 10 good maps and many line drawings by a young

Detroit artist, William T. Woodward.

Many novels with a Michigan backdrop serve to acquaint us with our state's development and provide local color. Mackinac Island is a favorite setting. Lola Fuller's "Loon Feather" tells an idealistic story of this island in the early 1800s with Oneta, daughter of Tecumseh, as the central figure.

Myron D. Orr, a native of Michigan, writes a robust yarn of Mackinac and John Jacob Astor's American Fur Company in "The Citadel of The Lakes." Perhaps the best recent novel laid in Michigan is Harriet Arnow's "Dollmaker." It unfolds the pathetic and tragic picture of crowded housing in wartime Detroit.

Another historical novel of Michigan published in 1954, "Hatchet of The Sky" by Margaret C. Gay, is concerned with the French and Indian War and the conspiracy of Pontiac. The hero is David Carthis, an exiled Scottish laird; the scene is the frontier town of Detroit and the nearby country.

In the "Country Kitchen" Della Lutes gives homely reminiscences of life on a farm near Jackson in the 1870s and includes recipes for her mother's delectable home cooked dishes.

Ulysses P. Hedrick wields a craftsman's pen and "His Land Of The Crooked Tree" gives a delightful picture of rural everyday activities in the lower peninsula during the latter part of the 19th century.

Michigan has its share of folklore too. "Bloodstoppers And Bearwalkers" by Richard M. Dorson treats with humor various types of myths, tall tales, legends, etc. of the upper peninsula. The more you read about your state, the prouder you'll be of it. Let us reserve some of these books about Michigan for you.

Letters

(Continued from Page 10)

up. We must realize how much we have grown, a situation foreseen more than ten years ago by Karl Goddard and Clarence Blesed. We all know and most of us will admit that some day we will have grown to a point where

we must have a common Fire Department, and Police Department too, to serve all of our communities.

I would like to point out three danger spots in our area which make the situation serious. The City of Grosse Pointe, if the pointed will be excused, is undermanned and lacking in adequate equipment. They are charged with the protection of a major

shopping area and, most important, our very fine new Bon Secours Hospital. A flash fire of a spreading and smokey nature here could put Grosse Pointe in the nation's headlines, something, naturally, none of us ever wants to see. In this instance alone a common alarm system should bring out the Park's equipment and also the Farms' ladder truck even if it is a false alarm. Our

men are not too busy to give this type of service and our alarms are so few that complications are unforeseeable.

In the event of any alarm at the Grosse Pointe High School, a charge of the Farms, the City and the Park should automatically respond along with all available ladder trucks.

An alarm from the Convent, a very old structure, would require all the equipment we have, and more if it got going. Even again on the most minor instance all the service we can muster should roll and be ready if needed. In Detroit whenever a box alarm is sent out the service of three engines, one ladder, a chief, and a squad is provided. Good fire prevention and this type of service has left Detroit this year, 1955, with only one multiple-alarm fire, a so-called two-bagger, to date, a record never in the history of modern fire records equalled by a city of over 1,000,000 people.

Short of the creation of a common fire service for all Grosse Pointe each of our communities should swallow their pride and buy standby service from Detroit. Criticizing no one, those men are more experienced, through the simple expedient of working more frequently at fires of all kinds, and can at one bad fire more than compensate for the annual standby rate. Even with a common fire service in the Pointes this stand by service should be maintained.

Let's not criticize our firemen hastily—let's call them sooner. Let's not grandstand umpire—let's give them water pressure. If we want to do ourselves and our community a favor let's not trash out this one tragedy and then forget the whole thing. If the people of Grosse Pointe will bring this well-thought-out plan (and it was figured long before this letter was written) into being—losses such as Mr. Delbridge's will be few and far between.

Sincerely submitted,
Lansing M. Pittman
P.S. Fire Chiefs do not like this, but they could be rotated as THE Chief until each reaches retirement and then a permanent man appointed. Also, Bob, on page one, last issue, your reporter had the City and Park reporting 'with all of their equipment', an inaccuracy.

Republicans Attend Conference

Twenty-two Republican women, representing the Republican Party organization and auxiliary groups throughout the state of Michigan, attended the third annual Women's Republican National Conference in Washington, D. C. Monday, Tuesday, and Wednesday, May 9, 10 and 11.

Those who attended were: Mrs. Frank B. Nair, 18305 Wildemere, Detroit, vice-chairman Wayne County Republican Committee; Mrs. Max B. Rogosa, 20152 Stratford avenue, Detroit; Mrs. William Grobes, 3469 Holcomb, Detroit; Mrs. John M. S. Hutchinson, 84 Vendome road, Grosse

Pointe, member, Republican State Central Committee; Mrs. A. Gray Boylston, 708 Lakepointe, Grosse Pointe, and Mrs. Charles A. Dean, Jr., 221 Lewiston road, Grosse Pointe.

An interesting program for the three-day conference was planned by Miss Bertha Adkins, Conference chairman, including speeches by President Dwight D.

Eisenhower, Vice-President Richard M. Nixon and several cabinet officers and congressional spokesmen.

What's the best place to save for Cowboys, Indians and Space Cadets?

Of all the reasons for saving money — and there are hundreds—certainly none is bigger or more important than building up a nest-egg to take care of your children's future.

And where's the best place to build up your nest-egg? Right now, over 30,000 Detroiters think the best place is an insured savings account at Standard Federal Savings. Here's why!

ONE — You get excellent returns. Your savings account earns our higher return of 2% current rate, which is paid on June 30th and December 31st on every dollar in your account.

TWO — Your savings are safe—protected by good management and reserves of over \$5,000,000.00. They are insured up to

\$10,000 by the Federal Savings and Loan Insurance Corporation — an agency of the United States Government.

THREE — Standard Federal Savings is a local organization. They offer friendly, helpful, and convenient service.

And here's another point: When you're thinking of buying a home, remember that Standard Federal Savings is an ideal source for your home mortgage loan. They see to it that you get the money quickly — and at moderate rates.

Why not come in and open savings accounts for yourself and for your children today and if you need a home mortgage loan, let's talk about that, too!

**More Fine-Car Features
than any other car
priced so low!**

FINE-CAR POWER!

Pontiac's husky 200-horsepower Strato-Streak V-8 with four-barrel carburetor, optional at low extra cost, delivers more power than any car within hundreds of dollars of its price. And road records are proving that this power is teamed with the greatest economy in Pontiac history.

FINE-CAR STYLE!

No car at any price is so beautifully distinctive. Pontiac's future-fashioned Twin-Streak styling and Vogue Two-Toning set it apart from all other cars—point the way to tomorrow.

FINE-CAR SIZE!

Pontiac is a big car where it counts—with a long, road-hugging 122" or 124" wheelbase. On any road, at any speed, you enjoy the safe, secure feeling that goes with genuine fine-car size and heft.

FINE-CAR COMFORT!

Pontiac's extra size means big-car comfort—room to stretch out and relax. Wide-stance rear springs and Shock-Proof chassis float you along in luxury style, surrounded by fine-car appointments.

If you were to guess Pontiac's price on the basis of its style, performance and size, you'd surely guess hundreds of dollars higher than its actual cost. Pontiac measures up with the finest on any point of comparison—except price.

It's a simple matter of fact that you can buy a big, powerful Pontiac for less than many models of the lowest-priced cars and much less than stripped economy models of higher-priced makes!

After a close inspection of Pontiac's luxury and quality and a few miles commanding its mighty 200-horsepower Strato-Streak V-8, buyers from both ends of the price scale are switching to Pontiac in record-breaking numbers. Come in soon for the clinching facts and figures. You'll make the very pleasant discovery that if you can afford any new car, you can afford a Pontiac—and step directly into the fine-car class!

Can you see, steer, stop safely? Check your car—check accidents.

DON'T MISS THE JACK CARSON SHOW—FRIDAY, 8:00 P.M.—CHANNEL 4

Students Plan For Hag Dance

The Grosse Pointe War Memorial will sponsor a Hag Dance on May 28 from 9 to 12 p.m. The dance will feature the music of Don Barber. Refreshments will be served and the charge is \$1.50 per couple. High school students are invited.

Junior Goodwill Fair at Center on Friday

The Junior Group of Goodwill Industries is all set for the big fair which will be held at War Memorial Center tomorrow, May 13. Pictured with a hand-tooled western saddle and bridle trimmed with silver donated by Henry Clay Doss, are, left to right: MRS. RICHARD HANNA, MRS. JOSEPH D. HADLEY, MRS. J. C. HURLEY and MRS. LEONARD HEATH.

Dance Planned By Kappa Deltas

Kappa Alumnae Delta and guests will take over the Detroit Boat Club on Friday evening, May 13, for their third annual White Rose Scholarship Dance. The last minute details of the festive evening were completed last evening at the regular monthly meeting of Grosse Pointe Kappa Deltas. A potluck supper was held in the home of Mrs. Howard Maynard of Lakepointe avenue. The hostess was assisted by a committee lead by Mrs. B. M. Underwood of Gateshead avenue.

Dinner Parties To Honor Mary Boyer, Bud Taylor

Mary Boyer and Victor H. (Bud) Taylor who'll be married on June 11 in St. Paul's on the Lake Shore will be feted at a dinner party by Mr. and Mrs. James J. Phelan Jr., of Moross road. The dinner will be on May 27. On May 21, Mr. and Mrs. C. Henry Buhl of East Jefferson avenue, are planning a dinner in the couple's honor.

Following the supper hour, the meeting was given over to the retiring president who installed the new officers for the coming year.

AMVETS Hold Annual Parley

Some 55 AMVETS posts in Wayne County recently gathered in the Veterans Memorial Building for their eighth annual county convention. The AMVETS passed resolutions which cited Dr. Jonas Salk for his polio vaccine discovery; called upon the organization to establish a "Go to Church" program; and mourned the passing of Dr. Einstein as both a humanitarian and American.
Charles Sarlis of Detroit was elected commander to replace outgoing Commander Leo Nagle of Wyandotte. Also elected were: Frank Lada, Senior, Vice Commander; Ralph Povlitz, Junior Vice Commander; Al Dachroth, West Side Region Commander; William McKenzie, East Side Region Commander; Finley Guthrie, Finance Officer; Florence Cozma, Adjutant; Henry Rykaczewski, Recording Secretary; Peter Cubra, Judge Advocate; John Sutton, Provost Marshal.
Nathan Silverstine, Detroit business man, was honored with a State Certificate of Merit for his Americanism program in making the American flag available to organizations without cost.
State Commander J. Carroll Kay, of Grosse Pointe, was the guest speaker and called upon the World War II and Korean veterans groups to "make the public aware of the vital need for civilian defense and a strong reserve program."

"I get in a lot more fishin', now that Elsie has a car of her own"
"They called me 'Big-Hearted George,' when I got the Rambler for Elsie. Sure, she was tied home when we had only one car. But so was I. She had to have the car for shopping on week ends, and taking the youngsters places. That Rambler freed us both."

Every woman should have a car of her very own!
There's a Rambler to fit her needs . . . and your pocketbook, too!
It's hard to believe that the smart, new-idea Rambler is the lowest priced of all American-built cars, model for model . . . and that you get up to 30 miles on a gallon. But those are the happy facts. At that rate, practically every family today can enjoy the freedom of two cars.
With children to drive places, it's good to know that they're twice as safe in a Rambler. Its Double Strength Single Unit car construction . . . exclusive on American Motors cars . . . is twice as rigid, twice as strong, as ordinary car construction. You get three times the riding comfort with the new Deep Coil Spring Suspension. With Airliner Reclining Seats, you ride restfully relaxed. And Twin Travel Beds are wonderful for children's naps and low-cost vacation trips. Drop in at your Hudson dealer's right away. See how little it costs for the whole family to enjoy complete freedom when the lady of the house has a car of her very own. . . a smart, new Rambler!

HERE'S HOW

A&P manages to offer so many marvelous meats . . . so thriftily priced!

Only corn-fed beef and pork and fine-quality lamb and veal are chosen by A&P's expert buyers from among the best this country produces. Then these specially selected meats are carefully cut and trimmed to give every customer full value, and sold with a money-back guarantee of complete satisfaction. Naturally such marvelous, value-giving meats are mighty popular . . . so popular, in fact, that tons are sold every day. This makes it possible for A&P to take just a very small profit per pound, thus keeping prices really low, and—since there are no huge reserves on hand—to reduce prices promptly whenever market costs go down. Result? Remarkably fine values in dependably fine meats. Come see . . . come save at A&P!

COME SEE . . . COME SAVE AT A & P!

17120 KERCHEVAL — OPEN UNTIL 9 P.M. THURSDAY and FRIDAY

GRAND OPENING FESTIVAL AT NEW 7-MACK CENTER

FREE PARKING FOR 1,500 CARS

Here is an architect's sketch showing the tremendous parking facilities available to shoppers at the newly enlarged 7-Mack Shopping Center, located at the northwest corner of Seven Mile Road (left) and Mack Avenue (foreground). Note the many entrance-exit points and the parking lot's proximity to the shopping area.

Thursday, Friday, Saturday Are Special Bargain Days At Giant Shopping Center

One of the Detroit's largest shopping centers opens to the public Thursday morning at 9:30, when merchants at 7-Mack Center (northwest corner of 7 Mile Road and Mack Avenue) cut the ribbon for a three-day Grand Opening Festival.

All of the 17 stores in the gaily decorated 7-Mack Center will feature special values and bargains during the Grand Opening Festival which runs from 9:30 a.m. to 9 p.m. daily, Thursday, Friday and Saturday of this week. Many of the stores will offer free gifts to shoppers.

CENTRALLY LOCATED

Located on 15 acres in the heart of one of the most heavily populated residential areas in Greater Detroit, 7-Mack Center will consist of 25 stores eventually. At least 17 of them will open their doors to the public Thursday morning.

Included in the center are a huge J. C. Penney department store, a Wrigley Supermarket, an A & P Supermarket, a Kinsel Drug Store, Woods Drug Centre, Kinney's Shoes, Allen's Shoes, Boston Shoes, Kresge's, Woolworth's, Winkelman's, Sanders, Lerner's, Cotton Shop, Danby's Men's Wear, Grayson's, Mushro's Children's Wear, and Aristocrat Camera Shop.

7-Mack Features

PARKING

Three spacious and well-lighted parking areas provide free parking for more than 1,500 cars both day and night.

HOURS

For the convenience of shoppers, most of the stores in the 7-Mack Center are open from 9:30 a.m. through 9 p.m. on Thursday, Friday and Saturday nights.

LOCATION

7-Mack Shopping Center is conveniently located in the heart of one of the East Side's most heavily populated residential areas, at the corner of Seven Mile Road and Mack Avenue, providing convenient shopping for more than 500,000 people within a 15-minute drive.

OPEN THURSDAY

All of these stores, with the exception of Sanders, will open Thursday. Sanders will open to the public Thursday, May 19. Later, there will be a super-hardware store, a house and garden shop, a furniture store and other shops to complete the 25-store center.

The Center will provide free parking for more than 1,500 cars in three spacious, well-lighted parking areas that are easily accessible from three four entrances.

SERVES 565,000

It will be the only complete shopping center located on the near east side and will serve 565,000 people who live within a 15-minute drive. The Center is particularly convenient for residents of the east side of Detroit, Harper Woods, St. Clair Shores, East Detroit and the Grosse Pointe communities.

The new enlarged Center is triple the size of the original 7-Mack Center which was opened in 1949, with such tenants as Kinsel's, Wrigley's, A & P, Woolworth's, Danby's, Grayson's, Boston Shoes, Mushro's Children's Wear, and the Aristocrat Camera Shop.

NEW TENANTS

Now enlarged to 340,000 square feet of store space, 7-Mack Center will include these tenants, with J. C. Penney, Kresge's, Winkelman's, Sanders, Kinney's Shoes, Allen's Shoes, Cotton Shop, and Lerner's as new tenants occupying the 225,000 square feet addition.

In addition, new and larger supermarkets have been provided for Wrigley's and A&P, with A & P scheduled to remain in its present location until new facilities are completed several weeks from now. Wrigley's, however, will occupy its new store for the opening.

INCLUDES OFFICE SPACE

Eugene Sloan, an official of S. Sloan and Sons, the developers, said that 6,000 square feet of office space also is a part of the new addition.

Enlarged 7-Mack Center Has Every Type of Store

You can find just about every kind of retail store at the beautiful, enlarged 7-Mack Shopping Center.

These are merchants who have been in business for years. Many of them have other stores in Detroit or in other parts of the state or nation. They are reliable. They stake their reputations and their futures on the merchandise that they sell. Many of them offer convenient credit terms or service charge accounts.

Aristocrat Camera Shop

One of the city's largest selections of name brand photographic equipment can be found here. The store carries a complete line of still and motion picture cameras, projectors, film, processing equipment and allied merchandise.

Greeting cards are another specialty, according to William H. Feen, proprietor. "We believe we have Detroit's largest selection of all types of greeting cards. For instance, we have about 6,000 Christmas cards in season."

A & P Supermarket

This national chain store, the famous Great Atlantic & Pacific Tea Company, has been in the Center since its inception. Its reputation for quality food products at reasonable prices has endeared it for many years. The 7-Mack A & P store, under the management of Paul Page, carries on the A & P tradition for fine service, quality merchandise and lowest possible prices.

Allen's Shoe Store

The famous Kay King shoes for women and Playmates for children are sold exclusively at Allen's. The 7-Mack store, managed by Kenneth Bunce, is one of five Allen stores in Detroit. There is also one in Saginaw. Allen's products are backed by its national reputation. There are 120 Allen stores in the country. Allen's shoes are all popular priced, in a complete line of styles and sizes for women and little girls.

Boston Shoe Store

This famous store is the 16th unit in the Detroit area. The Boston chain also operates stores in Benton Harbor and Pontiac.

Besides a complete line of women's and children's shoes, in all styles and sizes, Boston's carries a complete line of accessories—handbags, hose, gloves, etc. Boston's are sometimes described as "Mother and daughter stores." Its products are in the low to medium price range.

Cotton Shops

There are more than 150 cotton shops in the country, and every one of them offers the same quality merchandise as the fine 7-Mack unit.

The 7-Mack store carries a really complete line of women's wear—dresses, skirts, blouses, sportswear, etc. All merchandise is exclusive to the Cotton Shops, since they manufacture their own products. Mrs. Emily Young is manager of the Cotton Shop, which carries a moderate-price line.

Danby's Store for Men

This quality shop is well known in Detroit. There are three other Danby's in Detroit besides the 7-Mack store, plus one in Birmingham.

Two men with long experience in the men's furnishing business, Mort Rapp and Don Davey, serve as co-managers of the 7-Mack unit. Danby's carries a complete line of "name brand" men's wear, featuring such famous names as Arrow, Hathaway, Donnegal, Swanik, Interwoven, Cooper, and others. Danby's sells in the medium price range.

Grayson Shops

One of four Detroit stores, the 7-Mack Grayson carries a complete line of ladies and children's clothing and furnishings. "We feature budget-priced merchandise in a complete style and size range," says Mrs. Louise Goner, manager.

Charge accounts are invited at

the 7-Mack store as they are in all 68 Grayson Stores across the country.

Kinney's Shoes

G. R. Kinney Co. is a well-known family shoe store, with 19 outlets in the Detroit area. Kinney's features the famous Educator Shoes exclusively, in a complete line of styles and sizes for the entire family.

Educator shoes are in the medium price range. The new Kinney's replaces the old Halper-Chalmers unit.

Kinsel Drug Store

Kinsel's one of the oldest and most reliable names in the drug store business, has occupied a unit at 7-Mack since the Center opened. Kinsel's has 22 stores in Detroit. Faithful and accurate filling of prescriptions has been a major part of Kinsel's business since it was established. Of course, there is also a complete line of confectionery, tobacco and sundry merchandise to be found at all Kinsel Drug Stores.

Kresge's

Not many names are better known in Detroit than Kresge's. The S. S. Kresge Co. has operated retail variety stores in this area for many years. The new Kresge store at 7-Mack Shopping

Center is one of the most modern and completely stocked units in the Kresge chain.

Kresge's carries a wide variety of low to medium-priced merchandise for household, automobile, garden, workshop and personal needs. A fine luncheon counter and confectionery department are also featured at the 7-Mack Kresge Store.

Lerner Shops

The bright, new Lerner store at 7-Mack marks the opening of Lerner's fourth store in Detroit. It is part of the great national Lerner chain which numbers over 200 stores in the country. More Detroit stores are contemplated for the near future.

Lerner's features a complete popular-price women's and children's specialty merchandise. Two types of convenient credit arrangements are available, and can be initiated in a few minutes at any Lerner store. Both budget charge accounts or lay-away arrangements are open to you if you prefer not to pay cash for any of the fine values at Lerner's.

Mushro's

Here's the place to find a wonderful selection of top quality,

"name-brand" children's things. Mushro's, an old, established name in Detroit, offers a complete line of children's wear in a full price range in sizes up to 14. Mushro's, owned by Don Mushro, operates another store at 14334 E. Jefferson. Joseph Di-Trapani is manager of the 7-Mack unit.

J. C. Penney

This famous name in the department store business has endured for 53 years. The company was organized 1902 by Mr. J. C. Penney, who still heads the company.

The 7-Mack Penney's features the usual line of fine department store merchandise common to all J. C. Penney Stores. This is the largest of Penney's three Detroit stores, part of the nationally famous chain.

"You get the best values for your dollar at Penney's," according to F. D. Galda, manager of the 7-Mack unit.

Sanders

Another one of Detroit's famous names Fred Sanders' new 35th store will open in the near future at 7-Mack Shopping Center. It will feature self-serve departments for candy, baked goods and packaged ice cream. The nationally-known confectioners have 25 units incorporated into other retail stores in addition to its 35 separate stores. The 7-Mack store, like other Sanders' stores, will have a complete fountain service.

Winkelman's

The beautiful new Winkelman's store at 7-Mack is the 28th member of the long-established Detroit chain. In addition to the 24 Detroit stores, Winkelman's has stores in Flint, Saginaw, Pontiac and Cleveland.

The 7-Mack Winkelman's carries a complete line of new summer fashions for juniors, misses and half-sizes; in a full range of prices, according to Frank Bronder, manager.

A beautiful long-sleeve rose will

Original Center Built in 1949

The original section of 7-Mack Center was completed in 1949. At that time, the late Saul Sloan, a pioneer in shopping center developments both nationally and in Detroit, conceived and planned the enlarged center which opens to the public on Thursday, May 12.

Ground was broken for the new Center early in 1954, and when Mr. Sloan died last fall, his son, Eugene Sloan, took over direction of the development for S. Sloan and Sons.

Walter L. Couse and Company and S. and L. Construction Company were general contractors. Plumbing contractor was Broedell Plumbing and Heating Company. Other contractors included Grand Heating Company, Jackson Electric Company and Donn Resnick Electric Company. Architects were Louis G. Redstone and Allan G. Agree.

Library Friends' Dinner Saturday

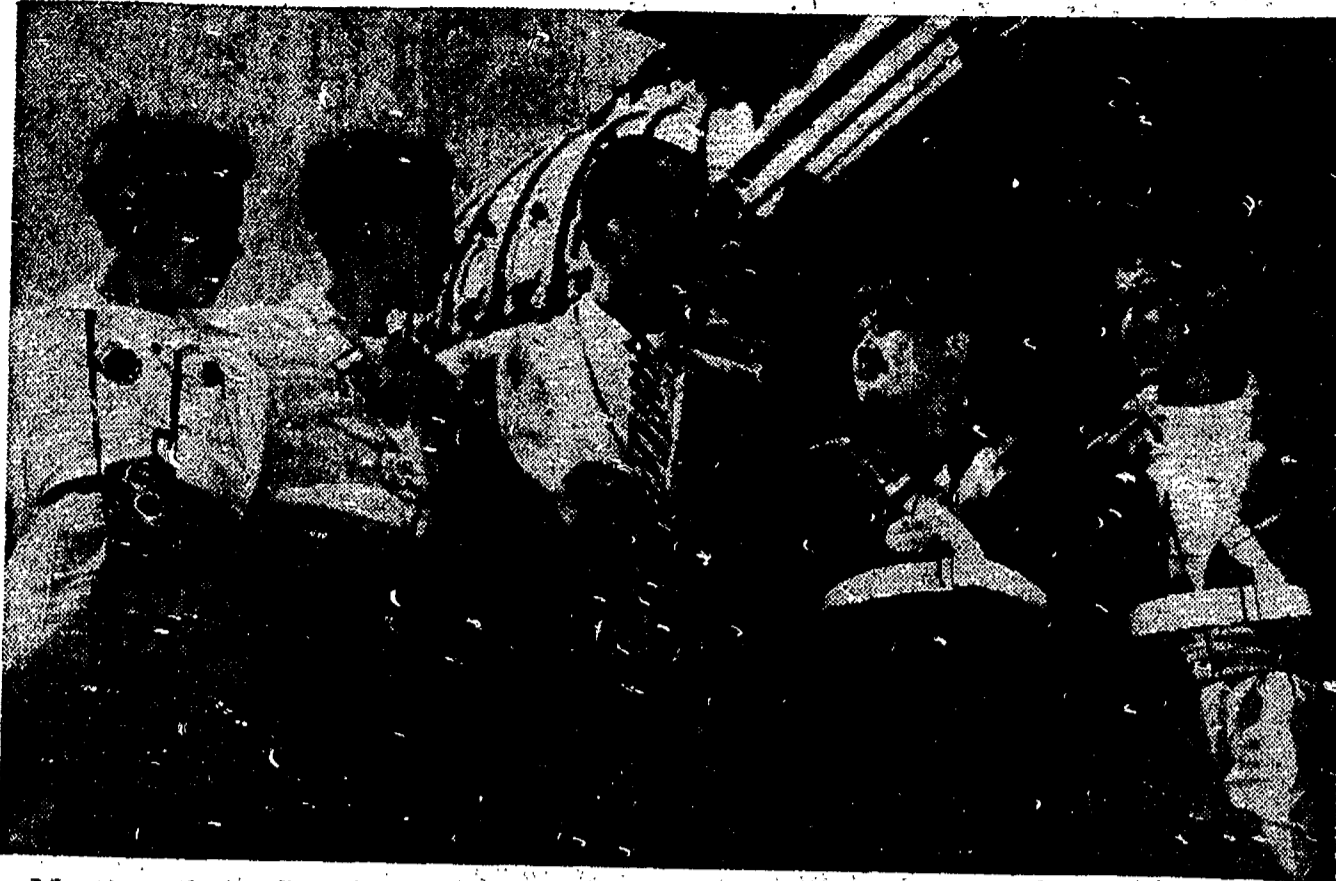

The annual meeting of the Friends of the Grosse Pointe Public Library, scheduled for Saturday evening, May 14, at 6:30 at the War Memorial, will be addressed by Ben Donaldson, director of institutional advertising of Ford Motor Company.

Mr. Donaldson, who has made one of the country's large collections of Bibles, will talk about some of the unusual volumes in his collection and will tell some of the interesting things about "Bibles, through the Ages." Charles A. Parcels, Jr., president of the Friends, will preside at the meeting, which brings to a close the activities of the organization for the year 1954-55.

CAR VANDALS AT WORK

Fred Runnells of 323 Moross, complained to Farms police on Tuesday, May 3, that while his car was parked on the Grosse Pointe High School parking lot, near the tennis courts, someone, using some form of sharp instrument, scraped the paint on the left side of his car. The cover over the gas cap was bent.

Safety Patrolers Honored in Washington

Meeting their Congressional representatives was one of many thrills enjoyed by 120 Michigan AAA safety patrolers. They were taken on a four-day trip to Washington by Automobile Club of Michigan as a reward for long hours spent guarding 700,000 classmates at school corners without a fatality this year. They left Detroit May 5 and returned Sunday, May 8. Meeting U. S. SENATOR CHARLES POTTER are (left to right) MARTIN NYRKKANEN, Douglas school, Garden City; GEORGE BAER, Trombly school, Grosse Pointe Park; PAUL ADAMS, St. Ladislaus school, Hamtramck, and JOHN FUNDUKIAN, Henry Ford school, Highland Park.

Farms Council Meeting Changed

Because of an anticipated lack of a quorum, the Farm's regularly scheduled council meeting of May 16 has been postponed until Monday evening, May 23, at 8 p.m.

City Manager Harry Furton explained the rescheduling as a result of the forthcoming Michigan Week which will tie up many of the council members.

The planned public hearing on the budget question and all other business will be carried out as intended for the original meeting, Furton said.

Don Hoovers Will Pay Memorial Day Visit

Mr. and Mrs. Don Hoover will arrive from their home in Lombard, Ill. for a Memorial Day week-end visit with her parents, Mr. and Mrs. R. Gervys Grylls, of Hillcrest road.

Trombly P.T.A. Meets May 16

The Trombly School Parent Teachers Association will hold its annual election meeting in the school auditorium at 8:15 p.m. on Monday, May 16.

Malcolm Denise, program chairman, has arranged to show an "Earl Brink travelogue short 'Picturesque Sweden' in sound and color.

Prior to the general meeting, parents are welcome to visit in the classrooms to see the children's work and to talk to the teachers.

Mrs. Woodward Warrick and Mrs. Alfred Miller, social chairman, together with room mothers Mrs. Eric Daniels, Mrs. Richard Miller, Mrs. Clare Briggs, Mrs. Chilton Mullikin, and Mrs. Carroll Grigsby are arranging a festive social hour with a surprise refreshment treat.

Since this is the closing meeting of the year, parents and teachers wish to express their appreciation to the outgoing officers, committee chairmen, and room mothers for their loyal and devoted work.

The Association's deserved thanks go to Dr. Harold Reznaka, president; Malcolm Denise, first vice-president; Mrs. Eleanor Pawluk, second vice-president; Mrs. Edward Andrews, recording secretary; Mrs. Wilfred Steiner, corresponding secretary; Fred West, treasurer; Mrs. Woodward Warrick and Mrs. Alfred Miller, social chairmen; Mrs. Donald Hughes and Mrs. Howard Poppen, ways and means chairmen; Mrs. Albert Piggott, membership chairman; Oscar Marx and Mrs. Willard Solenberger, P.T.A. Council representatives; Mrs. Mary Hammer, Mrs. Herman Auch, and Mrs. Frank Smith, Grosse Pointe Mothers' Health Council representatives; Mrs. Warren Kendall, Mrs. Miles McKee and Mrs. Paul Dumke, Grosse Pointe Motion Picture Council representatives; and Mrs. Theodore Friedt, Mrs. Stanley Tutag, Mrs. Matthew Balcerski, Mrs. Alfred Entenman, Mrs. James Chase, Mrs. Robert Laitner, Mrs. Raymond Eddy, Mrs. Robert Coleman, Mrs. Hubert Bohle, Mrs. Eric Daniels, Mrs. Richard Miller, Mrs. Clare Briggs, Mrs. Chilton Mullikin and Mrs. George Baer, Room Mothers.

Explorer Scouts Take Plant Tour

A behind-the-scenes view of all the processes involved in the manufacture of tires was given to a group of 50 Explorers on Wednesday, May 4, at the U. S. Rubber Company plant.

This was one of a series of eight tours planned by the Engineering Society of Detroit and the Explorer Service of the Detroit Area Council, Boy Scouts of America. The purpose of the program is to give Explorers a better understanding of industry and its development under the American free enterprise system.

Explorers attending this tour from Grosse Pointe were Stan Morrison, Jr., 1007 Somerset; Leslie W. Pressel, 1398 Nottingham; Tom Garrett, 1128 Wayburn.

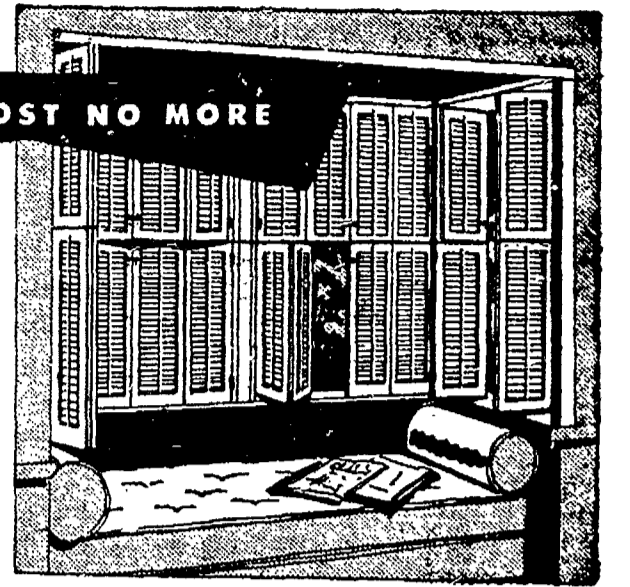

GAL ATHLETE INJURED

Ann Stone, 13, of 58 Radnor circle, broke a finger while playing softball at St. Paul School on Tuesday, May 3, and was transported to Bon Secours Hospital by Farms police for treatment, after which she was returned to the school.

7 DAYS ONLY

put yourself behind this camera!

here's your chance!
TO GET THE WHOLE STORY
about the picture-in-a-minute
POLAROID Land CAMERA

7 DAYS ONLY!

- **Free demonstration and trial.** Make 60-second-prints yourself, without cost—coached by a factory-trained demonstrator.
- **Your 60-second portrait FREE**—or one of your wife or a friend—made by a "pro" who will show you what this amazing camera can do. You won't believe how fine the picture quality can be until you see it yourself.
- **Free film bonus**, all this week, as a special inducement to you to try this wonderful camera.
- **And—the most liberal trade-in special** you've seen! Your old camera (regardless of make or original cost) is worth real money all this week under our special trade-in allowance plan. Bring it along with you. You'll be surprised to see how little it will cost you to own a Polaroid Land Camera.

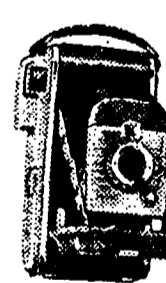

remember **ACT THIS WEEK!**

You've wanted to get the full story on the most amazing camera of all and this is the time to do it. Never again will all of these special opportunities be available. Why not drop in—with your wife—your youngsters—your friends?

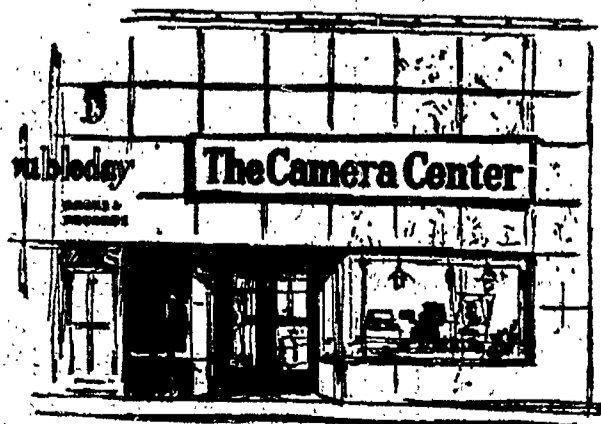

Here's how I see it...

You're probably like everyone else—you know that the Polaroid Land Camera develops its own pictures in 60-seconds, but there are lots of things you wonder about... Perhaps you think it's expensive. Well, it used to be at the outset, but now there's a cheaper, more compact model that costs surprisingly little... You wonder whether the pictures are really good. I can only say this... I've been in the photographic business for many years, and I personally believe that the average picture-taker will get better pictures with a Polaroid Land Camera than with any other kind he could use. We have some sample pictures that you simply won't believe were taken with this camera. There are lots of little-known things about the camera that you really owe it to yourself to find out...

You should see the enlargements and copies you can get. And learn about some of the real precision features that make Polaroid Land Cameras last so long. If you're like the other people who have bought Polaroid Land Cameras from us, you'll take the kind of pictures you want... and as many of them as you want—for the first time in your life. All this week our store is completely turned over to Polaroid Land Cameras, and we'd like to see you. Will you drop in?

Society News Gathered From All of the Pointes

From Another Pointe of View

By Jane Schermerhorn

Katrina Kanzler was in town a couple days this week... going over details of her June 4 wedding with her father, Ernest Kanzler of Lake Shore road... She weds John Maxtone-Graham. The bride-elect, who lives in New York, won't be back to the Pointe again until a scant ten days before her wedding in Christ Church Chapel.

Off to Italy

On Saturday, Mrs. Philip A. Gillis, of Kensington road, and her three little daughters, Ann Marie, Catherine Mary and Mary Louise are sailing off to Naples with Phil's mother, Mrs. Joseph Gillis. The three young ladies are going to be "shown off" to their maternal grandparents, Mr. and Mrs. Guido Greco, who live in Palermo. For the Pointe members of the Gillis family, the trip will extend into the early autumn. The senior Mrs. Gillis will be joined by her husband, Judge Joseph Gillis, in about two weeks and they plan to travel around Europe, with the Grecos, by motor for a month. Phil drove the travelers to New York and was there on the pier when they sailed off aboard the SS. Constitution.

Sharon Lynne Harness

Being a new grandmother is better than finding a four leaf clover when it comes to picking the Derby winner. The W. Tom ZurSchmiedes, of Lincoln road, went on from a visit to that new grandchild Sharon Lynne Harness, born April 20 to Lieut. and Mrs. H. G. Harness of Wright Field, Dayton, O. (Mrs. Harness was Janet ZurSchmiede) to the classic at Louisville. Mrs. ZurSchmiede put on a new grandmotherly air, ran her finger down the list of entries and stopped at Swaps. Sharon Lynne is the most beautiful granddaughter imaginable... this from grandma and grandpa.

Fair on the Green

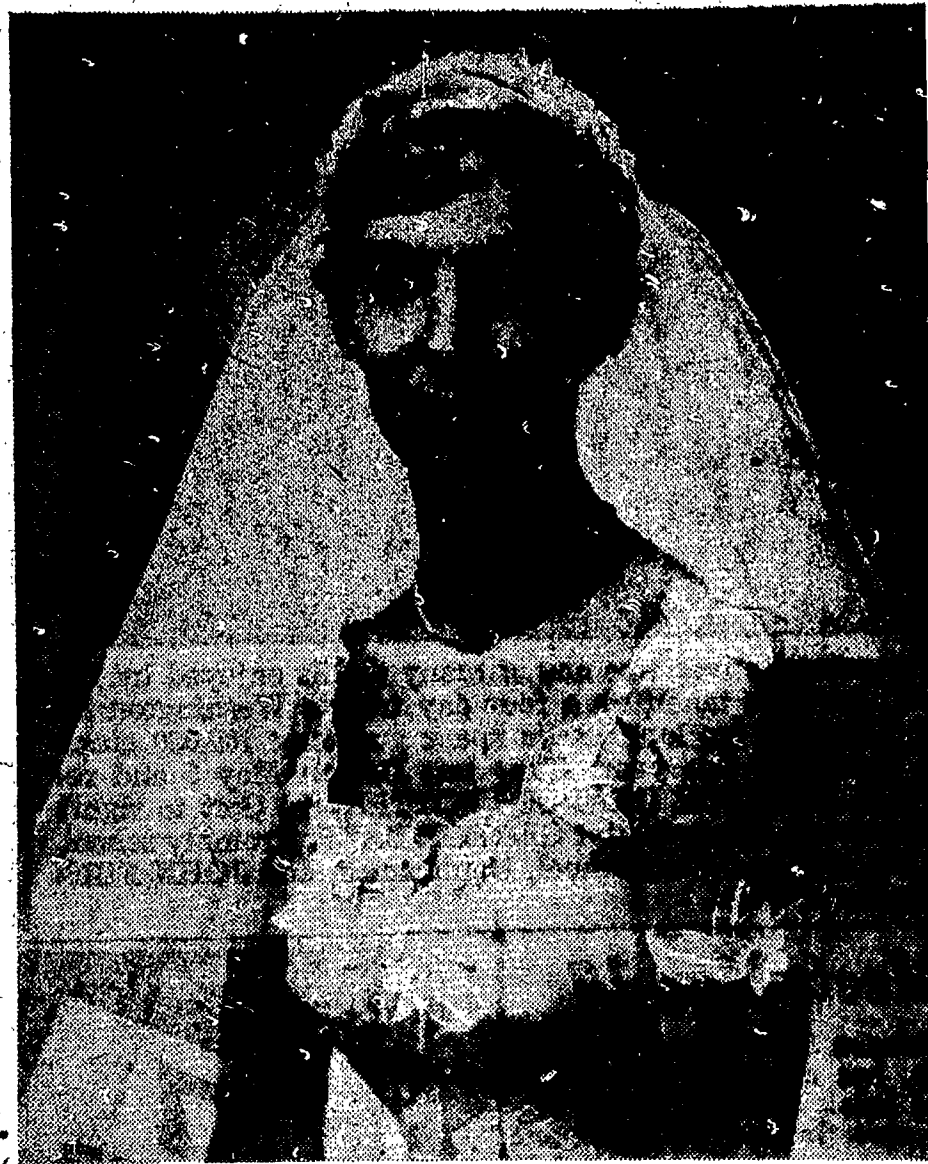

You just know fair weather is going to become constant pretty soon when you gaze at the social calendar and see all the garden-gathering in store for Pointers. There's the big Fair on the Green being staged by Garden Center on June 2, for instance. Names of the all-important staging committee just have come our way. Here are the ladies responsible for all the beauty you'll find when you go to this fun fair in early June: Mrs. Wilfred S. Teetzel, chairman, assisted by Mrs. Eugene P. Hawkins, Mrs. Elmer Clark, Mrs. Sherwood Reekie, Mrs. Horace McKnight and Mrs. Henry Bogle.

The Players Frolic

Skylines may change... they can invent new bombs every day... science will bring more and more cures for man's ills... but we can count on the Players to be the same, delightful Detroit tradition they've always been... The recent Invitational Frolic proved that... And it's nice to see so many Pointers involved in tradition... W. Colburn Standish, the handsome Player first to greet guests at the door... Player President J. Leslie Berry making a deliciously humorous address of welcome (his wife listening proud and pleased and pretty in her silken gown)... Players in the evening's plays: Harold O. Love, John O. Peters, William H. Granse, Richard F. Molyneaux, Leslie C. Putnam, Francis E. Brossy III... and heavens knows how many more (Continued on Page 20)

Short and to the Pointe

Mrs. Frank A. Posselius, Jr.

The former JEAN MARIE KULKA, daughter of Mrs. Leo Kulka of Charlevoix avenue and the late Mr. Kulka, was married on May 7 to the son of the late Mr. and Mrs. Frank A. Posselius.

Judge and MRS. C. JOSEPH BELANGER, of Bedford road, spent last week-end in East Lansing with daughter, VIRGINIA, who attends Michigan State University. It was Parents' Week at the University and Virginia, a Kappa Delta, took part in the Songfest.

Up at Leland, Mich. last week-end, MR. and MRS. GILBERT H. WHELDEN readied their Summer home for the season. They were accompanied by Mrs. Whelden's mother, MRS. NORMAN H. F. McLEOD. Last week, the couple entertained their niece, GWYNETH WHELDEN, of Norwich, Va., who also visited her cousins, MR. and MRS. EDWARD K. ISBEY JR. of Nottingham road during her Pointe stay.

Kitty Carey, daughter of MR. and MRS. MATTHEW M. CAREY, of University place, left last week-end for a flying trip to Europe. In Paris she will be the guest of M. and MME. JACQUES D'AULNAY. She'll visit Rome and the Italian Riviera before returning to the Pointe in mid-June. On the thirteenth of that month, her sister MARY will graduate from Cornell.

This week-end (Spring Festival at the Greenbrier) will find many Pointers at White Sulphur Springs. Among those who will journey to the Southern resort are MR. and MRS. WENDELL W. ANDERSON JR., MR. and MRS. JOHN W. ANDERSON II, MR. and MRS. WILLIAM C. FORD, MRS. YOUNG LEGRO, MR. and MRS. CHASE MORSEY JR., MR. and MRS. WALTER B. FORD II and MR. and MRS. FRED KAMMER.

MR. and MRS. HENRY T. BODMAN entertained at cocktails in their Vendome road home last Saturday evening, marking their silver wedding anniversary. Almost 150 guests were on hand to congratulate the couple who later entertained at a small dinner party complimenting Pointers MR. and MRS. WENDELL W. ANDERSON, here for a week-end from their home in Paris.

MR. and MRS. FRANK KUHN will be hosts at a cocktail party this Saturday evening at their home in McKinley place. Besides marking Mr. Kuhn's birthday anniversary, the party will mark

the Kuhns' twenty-fifth wedding anniversary.

Week-end guests at the home of MR. and MRS. JOHN O. PETERS, of Bishop road, were MR. and MRS. ROBERT M. JACKSON, of Columbus, O.

MRS. FRANK W. GOLDIE, of St. Paul avenue, is making plans for a Summer visit to Sweden.

MR. and MRS. E. LLOYD ECCLESTONE, of Lincoln road, who are currently traveling in Europe, sail June 2 from Southampton for the return trip.

MR. and MRS. A. D. WILKINSON are expected back in their home on University place this week-end following several days in the East. They stopped by at Rumson, N. P. to call on their sons and daughters-in-law, MR. and MRS. WARREN S. WILKINSON and MR. and MRS. LAWRENCE S. WILKINSON and then went on to New York City.

MR. and MRS. JERE HUTCHINS DYKEMA have returned to their new home on Ridgmont after traveling in Europe since their wedding in Paris in early March. They were guests of honor at a cocktail party given Saturday evening by MR. and MRS. ANTHONY MOODY.

MR. and MRS. AMOND H. TOUSCANY, who recently returned to their Berkshire road home after the long winter in Bal Harbour, Fla., are now planning a return trip to the South. The end of the month they'll go back to Miami where daughter, PATRICIA, will graduate from Barry College. Joining them at the graduation will be their son SGT. JAMES TOUSCANY, who'll

arrive from his military post at Sumpter, N. C.

Bride-elect SALLY MARTZ who weds PAUL E. RUEDELMANN on May 31 was complimented at a tea and shower Tuesday by MRS. HENRY WRIGHT, MRS. RALPH THOMAS and MRS. CYLDE M. ADAMS. The party was held in the Merriweather road home of Mrs. Wright.

MRS. HENRY B. JOY, now back at her home Fair Acres, on Lake Shore road, spent the long week-end in Ann Arbor attending the May Festival.

MR. and MRS. HENRY F. VAUGHAN, JR., have moved from their Roosevelt place home to Edgemont Park and East Jefferson. A few years ago, the home was occupied by Mrs. Vaughan's parents, the Greene Fenleys, Jr., when they first moved to the Pointe.

DR. and MRS. PHILIP W. SLOAN, of Audubon road, have made that important trip to Sarnia, Ont., opening for the season their Summer cottage there.

MRS. JAMES T. McMILLAN, of Essex boulevard, and MRS. HAROLD D. BAKER, of Lincoln road, have returned from a week in Williamsburg, Va.

It was trout fishing that last week-end took four Pointe couples to Nomsidoco—their jointly owned lodge near Wolverine, Mich. In the party were MR. and MRS. FREDERICK C. FORD, JR., MR. and MRS. JOHN C. CHAPIN, MR. and MRS. HOWARD FREEMAN SMITH, JR., and MR. and MRS. TRAYER S. SMITH.

MR. and MRS. WENDELL W. ANDERSON who spent last week-end in the Pointe (Mrs. Anderson was here for a longer time at their Vendome road home) have returned to Paris and his post as special NATO representative of our government. MR. and MRS. WENDELL W. ANDERSON, JR., entertained at a dinner party on Friday night before the senior Andersons' departure. In New York they were joined by MRS. ARTHUR GARDNER who will be their Paris guest for the next three weeks.

MRS. CHARLES A. KANTER, of Maunee avenue, has been in Rocky River, O., visiting her son-in-law and daughter, MR. and MRS. DAVID W. MURRAY. On April 27 the Murrays announced the birth of a son, PETER JONATHAN MURRAY, Mrs. Murray was Gretchen Kanter.

MR. and MRS. SIDNEY S. HALL, of Cranford lane, attended the Kentucky Derby in Louisville last week-end.

MARY ANN GIBSON, daughter of MR. and MRS. WILLIAM MADISON GIBSON of Westchester road, is a member of a drill team which will appear in a gymkhana which will be presented by horsewomen at Carleton College in Northfield, Minn., on Saturday, May 14, as part of the May Fete program.

MISS SARAH JEAN HORN, daughter of MR. and MRS. CLARENCE HORN, Bishop lane, was chairman for the annual Mother's Day held at Kalamazoo College last week-end. The mothers were honored at a special banquet Saturday evening.

JOYCE MARILYN LOVISA, daughter of Mr. and Mrs. H. LOVISA of S. Renaud Rd., a freshman, was recently elected vice-president of East Landon dormitory for the 1955-56 school year. East Landon is one of the 14 dormitories for women on the Michigan State College campus.

MR. and MRS. LOUIS A. ZIMMEL (SUZANNE BINNS) of Littlestone road, announce the birth of their third daughter, LISA JANE, on April 13. Maternal grandparents are MR. and MRS. CARL R. BINNS of Balfour road; and paternal grandparents are MR. and MRS. JOSEPH ZIMMEL of Detroit.

FREDERICK KROSS of Moran road, attended a conference at the Hollywood Beach Hotel in Florida, April 25-28.

ANDREW M. RAUTH, son of the REV. and MRS. ANDREW F. RAUTH of Berns court, was recently initiated into the Delta Lambda chapter of Sigma Nu fraternity at Brown University. A freshman and a candidate for the degree in Bachelor of Science (Continued on Page 20)

Apostolic Blessings Granted Bridal Pair

Blessings of Pope Pius XII Conferred Upon Jean Marie Kulka and Frank A. Posselius Jr. at Their Saturday Marriage in SS Peter and Paul Church

The apostolic blessing of Pope Pius XII was granted Jean Marie Kulka and Frank A. Posselius, Jr., at their marriage in SS. Peter and Paul Church. The couple spoke nuptials at a solemn mass celebrated by the Rev. Father Edward Timmins.

Jean Marie is the daughter of Mrs. Leo Kulka, of Charlevoix avenue, and the bridegroom is the son of the late Mr. and Mrs. Frank A. Posselius.

Mrs. Kulka entertained wedding guests at a reception-breakfast in Lochmoor Club following the church ceremony.

On her wedding day, the bride was gowned in white organdie, its floor length skirt floating into slight train at back. Appliqued leaves and flowers of the organdie were used to finish the low neckline, to edge the short sleeves and ornamented a front panel of the lovely dress. The gown had been worn first by Jean Marie's sister-in-law, Mrs. Leo Kulka, Jr.

An organdie Juliet, with the same applique motif, held in place the fingertip length veil of imported silk illusion and the bride carried a bouquet of white orchids and stephanotis. She was given in marriage by her brother, Mrs. Robert J. Mason, sister of the bridegroom, was matron of honor and the bridesmaids were Mrs. Frederick A. Peck, Mrs. John E. Farley, Margaret Eitel, Mrs. John H. Stevens and Mrs. Leo Kulka, Jr.

All were dressed in waltz length frocks of blue crystallette, the necklines, squared in front and forming deep V's at back, were edged in a matching lace. Bands of the lace were worn on their heads and they carried bright bouquets of French purple lilacs.

Robert J. Meson was best man for his brother-in-law and the groomsmen included: Frederick A. Peck, Stanley B. Willett, Charles M. Bayer,

Charles J. Howe and the bridegroom's cousin, Edward J. Posselius, Jr.

Mrs. Kulka attended her daughter's wedding in a mauve tissue taffeta opera length gown. The bodice was designed of matching lace and she wore a small blossom hat in the same tones. She pinned pink orchids to her handbag.

The young Posseliums are flying to Jamaica on their wedding trip. For traveling the bride changed to a dusty rose sheer wool suit with which she chose small white straw chapeau.

Send Delegates To Convention

Delegates elected to represent the Grosse Pointe Colony, New England Women, at the 42d annual Congress of the National Society, May 9-12, at New Ocean House, Swampscott, Mass., include—Mrs. Frank G. Horton, Mrs. E. J. Savage, Mrs. W. Arthur Batten, (formerly of G.P., now of Rye, N.Y.), Mrs. Albert C. Pasini, Mrs. Henry B. Joy, Mrs. Louis Gascoigne, Mrs. George S. Guy, Mrs. Laurence R. Davis (formerly of G.P., now resident in So. Duxbury, Mass.), Mrs. Henry M. Booth and Mrs. Fred W. Haines.

Alternates chosen were: Mrs. W. E. Chapman, Mrs. C. A. Neville, Mrs. Willard J. Campbell, Mrs. Wilfred J. Campbell, Mrs. Chas. F. H. Crathern, Mrs. A. D. Rueggesser, Mrs. William B. Hanford, Mrs. Ralph R. Ranney, Mrs. George W. Moore, Mrs. Edward D. Trowbridge and Mrs. Ralph R. Johnston.

Joan Johnson Weds Pierre H. Belanger

Daughter of Mr. and Mrs. James Roswell Johnson Marries Son of Mrs. Charles Alfred Belanger, of Hillcrest Road, at Saturday Rites; to Live in Texas

At a ceremony in St. Mary of Redford Church, Joan Mansfield Johnson became the bride of Airman 3/c Pierre Hammond Belanger last Saturday.

The Rev. Father John Blaska officiated at the wedding which was followed by a breakfast at Dearborn Inn.

Joan is the daughter of Mr. and Mrs. James Roswell Johnson, of Faust avenue, and the bridegroom is the son of Mrs. Charles Alfred Belanger, of Hillcrest road, and the late Mr. Belanger.

He is the grandson of Mrs. Charles F. Hammond of Grosse Pointe and La Jolla, Calif.

A waltz length gown of Chantilly lace over satin was worn by the bride. Its immense skirt was attached to slim bodice which had high neckline finished with tiny, turn-down collar. Sleeves of the gown were wristlength.

From a court crown of lace, embroidered in seed pearls, fell the elbow length veil of French silk illusion and the bride carried a round bouquet of lilies of the valley.

Mrs. Glenn J. McQueen was matron of honor.

Her ice blue crystalette gown had fitted bodice, with scoop neckline and briefest of sleeves formed by tucking around the neckline, and full opera length skirt.

She wore a small blossom hat in shades of blue, violet and white and her flowers were violets and tea roses.

F. Joseph Belanger assisted his brother in the duties of best man.

Groomsmen included: John Boomer, Raymond Bieszki and James L. Reynolds.

For the wedding, Mrs. Johnson donned a gown of beaded aqua pure silk and wore a small hat of blue and green flowers twinkled with crystal paillettes. Her flowers were white orchids.

Mrs. Belanger attended her son's wedding in cinnamon toned

lace worn with small matching hat and brown spray orchids.

The bridegroom's grandmother, Mrs. Hammond chose for the occasion an amethyst and gold silk gown with which she wore deep amethyst tulle toque and pink spray orchids.

At the reception in Dearborn Inn, the four tiered wedding cake occupied its own snowy white table. Each of its layers was decorated with real flowers in shades of blue and yellow.

The young Belangers are motoring to San Antonio, Texas where the bridegroom is stationed at Lackland Airforce Base. They have an apartment in the city.

When they left their wedding reception, the new Mrs. Belanger changed to a gray-blue silk cotton jacket frock, her little blue hat touched at the back in violets.

Guests from out of town at the wedding were Mr. and Mrs. J. William Johnson, of Little Falls, N. Y.; Mrs. William P. Sanford of St. Louis, and Mr. and Mrs. Richard A. Green of West Lake, Ohio.

Zeeb Family to Attend Rochester Graduation

Mr. and Mrs. Elmer Zeeb and their daughter Linda of Severn road will motor to Rochester, New York, for the graduation of their son, Dean, from the Rochester Institute of Technology.

Dean will receive a Bachelor of Arts degree in photography. After graduation, Dean will spend two weeks at Lake George, N.Y., as the house guest of Miss Mary Ann Cross and then will be back in the Pointe just in time to drive West with Chet Sampson on June 18.

Bridge Tea Held By Newcomers

The Grosse Pointe Newcomers Club held its annual bridge-tea at the Grosse Pointe War Memorial Center on Wednesday, May 11.

There was much reminiscing of the wonderful dances, card parties, and bus trips enjoyed during the year.

Special guests at the tea were the Newcomers alumni, composed of those members who have been in the club three years or longer.

The Newcomers Club was founded in 1945 by Mr. and Mrs. Bennett Burgeon, Jr. and had seven couples as charter members. Designed to acquaint new arrivals to the Pointe, the club now has an active membership of eighty-five couples.

Club president is Walter Greenholt. Mrs. Greenholt was chairman of Wednesday's tea and was assisted by board members Mrs. Norman Germond, Mrs. George Thornburg, Mrs. George Cutler, Mrs. Ray O'Connell, Mrs. Gus Koester, Mrs. Dan Corson and Mrs. John Krider.

Shades of lavender ranging from the very palest hue to the deepest purple enhanced the tea table. White flowers and tapers added a touch of spring. Individual table prizes were at each bridge table.

Pourers, all members of the alumni, were Mrs. Howard Poppen, Mrs. Stanley Heustis, Mrs. Clifford Lundgren, and Mrs. Everett Kinsey. Hostesses were Mrs. Thomas Blackwood, Mrs. J. Karl Van Gallow, Mrs. Charles Trapp, and Mrs. George Cutler.

Members are anxiously anticipating their spring dinner-dance to be held this year on Friday evening, June 3, at the Lochmoor Club. Mr. and Mrs. Walter Greenholt are in charge.

Luncheons and Dinners Honor Florida Guests

Mr. and Mrs. Dale Miller, of Miami Shores, are the house-guests of Mrs. Chauncey R. Pelton at her home in Edgemere road.

Mrs. Benjamin Jayne entertained at a luncheon for Mrs. Miller on Wednesday and that evening with her husband, gave a dinner party, feting the out of towners. The Ralph C. Wilsons will be the Millers' dinner party hosts this evening. Mrs. Pelton gave a party for her guests on Tuesday evening.

Detroit Garden Club Holds Luncheon Meeting

The Detroit Garden Club held its regular May luncheon meeting at the Women's City Club on Wednesday, May 11.

Mrs. Niel T. Kelley spoke on "Birds in the Garden". The hostesses were Mrs. Sidney C. Probert and Mrs. Orville O. Rex.

Mrs. James E. St. Denis

Picture by Eddie McGrath, Jr.

St. Paul's Church on the Lake was the scene of the wedding uniting JOANNE CAROLYN COOK and James E. St. Denis, in a double ring ceremony on Saturday, May 7, at a 12 noon nuptial mass. The Rev. Father William J. McGoldrich officiated.

The bride is the daughter of Mr. and Mrs. C. William Sullivan of Ida Lane court and the bridegroom is the son of Mr. and Mrs. Alex St. Denis of Kentucky avenue.

Satin and imported Chantilly lace formed the lovely princess style wedding gown with the long graceful skirt sweeping into a cathedral train. The same satin and Chantilly lace was used for the small pillbox which held in place the finger-tip veil of French silk illusion.

JoAnne's flowers were a cascade arrangement of white gardenias outlined with tiny white rosebuds and streamers of stephanotis.

Mrs. Gordon F. Schultz of Kalamazoo was her sister's matron of honor and the honor maids were Mrs. Jack D. Donahue, the bride's aunt, and Charlotte Moeller. Kathleen Edwards was the junior bridesmaid.

The bridal attendants wore Wedgwood blue ballerina length gowns of taffeta fashioned in princess lines. The matron of honor carried a cascade bouquet of shrimp colored glamelias and wore a matching headpiece while the bridesmaids carried cascades of yellow glamelias to match their headpieces.

The bridegroom asked John Gallesero to serve as his best man and guests were seated by Bernard Smith, Jack Young, El Thumm and Gordon Schultz of Kalamazoo, the bride's brother-in-law.

For her daughter's wedding,

Will Discuss World Trade

World Trade, with emphasis on East-West trade and U.S. foreign investments, will be the topic for discussion in the May Unit Meetings of the Grosse Pointe League of Women Voters.

There has been a marked improvement this year in world trade which has been out of joint since 1939. Europe is back on its feet and many European nations are quietly dismantling their restrictions on foreign trade. The direction of the tariff policy and the flow of American capital in foreign investment will determine largely whether or not the free world moves ahead to widening markets and expanding production.

The new World Economic Policy aims to help the rest of the world stand on its own feet. Two economic offenses are required: 1) A vigorous expansion of free world trade, 2) A drive to raise living standards in the under-developed lands of Asia, Africa and Latin-America.

To learn more about this absorbing and vitally important subject, members and guests are invited to attend any of the following units:

May 16:—10-12 a.m. Hostess and Unit Leader: Mrs. Walker Cisler, 1071 Devonshire. 8-10 p.m. Hostess and Unit Leader: Mrs. H. G. Nelson, 706 University.

May 18:—1-3 p.m. Hostess and Unit Leader: Mrs. Whitney Collins, 254 Hillcrest. 8-10 p.m. Hostess and Unit Leader: Mrs. William Durbin, 1226 Whittier.

May 23:—1-3 p.m. Hostess: Mrs. Melville Collins, 704 Westchester. Unit Leader: Mrs. Miles McKee.

May 24:—1-3 p.m. Hostess: Mrs. Donald Jennings, 1131 N. Oxford. Unit Leader: Mrs. Clarence Davies.

The general program meeting on May 20 at the Memorial Center will feature "Educational Opportunities in Grosse Pointe." Speakers will include members of the Board of Education and the Director of the Grosse Pointe Library. School Board candidates will be introduced.

Square Dance Planned By All Saints Circle

The All Saints Circle of Our Lady Star of the Sea Parish will hold a square dance Saturday, May 14, from 8:30 to 11:30 p.m. in the new Ferry school gymnasium on Roslyn road.

Extending a cordial invitation to the public, the dance will feature the calling of the popular Wes and Julie Rae. A donation of \$2 per couple will be asked.

Mother-Daughter Fete Packs the Yacht Club

Stuffed Animals Lends Carnival Air to Annual Luncheon for Mothers and Daughters of the Grosse Pointe Yacht Club; Hundreds Attend Party

Grosse Pointe Yacht Club chalked up another wonderful, wonderful Mother and Daughter Luncheon party last Saturday. The carnival theme was just right for fun—decorations and entertainment pleased everyone, from the littlest girl to the grandmother with the most seniority.

An over-sized stuffed monkey swung in realistic manner from the central chandelier in the main lounge. There was a great stuffed tiger to dominate the scene. At one side was a little stage canopied in circus style. Clowns circulated about. There were balloons and more balloons floating gently overhead.

Favors for the sandbox set—and somewhat bigger girls—were fuzzy stuffed circus-type animals, real toys for the youngest misses and cute souvenirs for their older sisters. Pretty handkerchiefs were the favors for grown-ups.

One of the nicest facets was the welcome by Mrs. William O'Neill Kronner, wife of G.P.Y.C.'s commodore—her short address received with warmest applause. Mrs. Kronner was introduced by Mrs. Paul L. Barker, chairman of the day.

Seated at the flower-decked speakers' table with Mrs. Kronner were her daughters, Mrs. John T. Wheeler, Jr., and Mrs. Owen C. Creteau, and granddaughter, Christina Creteau.

Also at this table was Mrs. Louise Gaskin, who had celebrated her ninetieth birthday anniversary on April 28. She was in a family group with her daughter-in-law, Mrs. Mervyn G. Gaskin, wife of the club's vice-commodore, and the Mervyn Gaskin daughters, Mrs. Lance Haskell and Vicky Gaskin, also Mrs. Ronald Gaskin and her daughter, Anita Louise.

Still more were the co-chairman, Mrs. Howard A. Shaw, and her four daughters, Susan, Bonnie, Patty and Nancy; and Mrs. Stark Hickey, wife of the rear commodore; Mrs. Barker and her daughters, Sharon and Nancy, and her mother, Mrs. Arthur R. Mescham.

Helping distribute the favors were Judy Schoenherr, Rosalind Weber, Marcia Fok and even eight-year-old Kathy Lilly—they were with their committee-working mamas, Mrs. Edward J. Schoenherr, Mrs. Robert F. Weber, Mrs. Thomas C. Fox and Mrs. William J. Lilly.

Among those at the party were Mrs. William A. Ternes and her

daughters, Lynn Ann, Barbara Ann and Patricia Ann. Mrs. Clyde A. Buck brought young daughter Janie, and with Mrs. James T. Barnes were Christine and Barbara.

Mrs. Kendrick B. Brown had Mrs. John A. Worden and Lydia Kerr as her guests, along with her daughter, Mrs. Joseph Caskey and granddaughter, Nickie Caskey.

With Mrs. Fred A. Hood, Jr., were her mother, Mrs. George Glaeser, and aunt, Mrs. Caroline Hurley, of Buffalo, who is spending two weeks with Mrs. Glaeser. Mrs. Fred A. Hood, Sr., and the junior Mrs. Hood's daughters, Susan and Martha.

Mrs. Robert A. Hackathorn and Diane and Mrs. Hackathorn's mother, Mrs. Howard A. Shaw, Sr., were there. Mrs. William F. B. Henderson, Mrs. James M. Northrup and Pamela were another three-generation group. Mrs. Clifford B. Loranger and Bonnie came together.

Mrs. Curtis C. Carmichael brought daughters Lucille, Denise and Connie; Mrs. H. Donald Bliss and her girls, Holly and Laurel, were a threesome; with Mrs. George E. Fritz were her three lassies, Robin, Sandal and Pamela.

Mrs. Oscar H. Pharis, her daughter, Mrs. Victor Breidenbach, and granddaughter, Bonnie, were together.

Mrs. Mathew N. Millenbach's group included daughters, daughters-in-law and granddaughters. They were Mrs. William O'Neill Kronner, Jr., and Rosaline; Mrs. Mathew K. Millenbach, Pamela and Susan; Mrs. James Farrell, Judy and Joan; Mrs. John Millenbach and Christine, and Mrs. Michael Chargo.

Mary Louise Bremer was with her mother, Mrs. Joel Bremer, and grandmother, Mrs. William A. Bremer.

Household Hint

Because of the use of detergents, only half as much fat and oil is being used now as was 10 years ago in the making of soaps, says the U. S. Department of Agriculture.

Mothers' Club Party Set for Tomorrow

Annual Event to Be Held in New Auditorium-Gymnasium with Proceeds Going to Scholarship Fund to Aid Students

Tomorrow, Friday, May 13, is the day when it has become traditional for students at Grosse Pointe High School to vacation while mothers go to school. The reason is the annual card party and tea sponsored by the Mothers' Club to benefit the scholarship fund, which will be held in the new auditorium-gymnasium at 1 p.m.

Household duties will wait while decorating committee members under the chairmanship of Mrs. William Krebs deck the halls in blossoms of spring to carry out the theme of this year's party, "A Maytime Garden."

Decorating committee members are Mrs. Albert Law, Mrs. Lloyd Weed, Mrs. John K. Worley, Mrs. Robert Winter, Mrs. Paul Kowalski, Mrs. Louis Asmus and Mrs. A. Heinrichs.

Mrs. Carlisle Rueger is chairman of that very popular item, the candy booth. This year Mrs. Rueger and her committee members, Mrs. Price Watts, Mrs. Earl Zuehlke, Mrs. Ebert Warren, Mrs. Paul Erickson, Mrs. Stanley Kenn, and Mrs. J. Stokes Gillespie will offer candy to Alinosi's. It can be purchased at the booth or from the six Y-Teen members who will circulate among the tables.

It is the responsibility of Mrs. Curtis Mower and her committee to provide playing space and cards for all the guests and Mrs. Ross Elinger and her committee are in charge of the lovely table prizes.

Tickets are \$1.25 and may still be obtained by calling Mrs. Paul G. Hykes at TU. 1-9956 or Mrs. Lewis Marick at TU. 5-6346, or at the door. Guests who do not wish to play cards are welcome to the tea which will be served after 2 p.m.

Mrs. Adam C. Cook is general chairman.

Future Home In Royal Oak

When the newly-married Mr. and Mrs. Robert George Hollar return from their Eastern wedding trip they will make their future home in Royal Oak.

The bridegroom, son of Mr. and Mrs. Arthur William Hollar, of Lincoln road, was married Saturday to Carol Jean Johnson, daughter of Mr. and Mrs. Clarence Stanley Johnson of Ionia, Mich.

The ceremony was performed at 4 o'clock in the afternoon by the Rev. Heath C. Goodwin in the First Methodist Church in Ionia and was followed by a reception given by the bride's parents in the church parlors.

The bride was gowned in Swiss embroidered organza, fashioned with drop shoulder neckline, corselet bodice and bouffant skirt edged in deep founce which at back formed a chapel train.

A Juliet of embroidered organza held her double tiered veil of imported silk illusion and she carried a bouquet of valley lilies.

Attending the bride were Betsy Ann Broderick of Detroit, maid of honor; Mrs. John P. Burleigh of Detroit; Pauline Hafner of Ionia, and Mrs. Edward Russell of Grand Lodge, as bridesmaids.

They wore gowns of poudre blue nylon organza and carried arrangements of deep blue daisies.

Albert Ernest Schweitzer, of Grosse Pointe, assisted Mr. Hollar as best man and the ushers were John P. Burleigh, David G. Wilder, of Detroit, and James D. Gardner, of Grand Rapids.

Mrs. Johnson was gowned in poudre blue linen with matching accessories for her daughter's wedding and Mrs. Hollar also chose a costume in pale blue linen for the occasion.

Albert Ernest Schweitzer, of Grosse Pointe, assisted Mr. Hollar as best man and the ushers were John P. Burleigh, David G. Wilder, of Detroit, and James D. Gardner, of Grand Rapids.

Mrs. Johnson was gowned in poudre blue linen with matching accessories for her daughter's wedding and Mrs. Hollar also chose a costume in pale blue linen for the occasion.

Following the business meeting and election of officers, Mrs. Anthony J. Glazko will review the book "The Gentle Kingdom of Giacomo" by Evelyn Wells.

Assisting Mrs. Forsyth as hostesses will be Mrs. Arthur C. Beaumont, Mrs. Kenneth R. Beardslee and Mrs. Sterling S. Sanford.

Trying to shoulder tomorrow's burdens breaks the back of today.

Mrs. Thomas Henry Auch

The former JEAN HELEN CORBETT, daughter of Mrs. John James Corbett of Merriweather road, and the late Mr. Corbett, was married on May 11 to the son of Mr. and Mrs. Frederick John Auch of Buckingham road.

AAUW Groups Plan Meetings

Mrs. Lee A. Lewis, 1122 Kensington, will serve coffee Thursday morning, May 12, to members of the AAUW writers group. Gathering at 9:15 a.m. when ideas are fresh, the scribes will read and criticize their manuscripts.

Problems of world trade will occupy the International Relations Study Group of AAUW when they meet on May 12 at 1 p.m., at the Handy road home of Mrs. Alfred Taylor. Discussing the trade picture will be Mrs. Fred W. Adams and Mrs. Girardin Turrell. Mrs. R. L. Shepard will assist the hostess at the tea which will follow the study meeting.

Mrs. Ben Beyer opens her Lockmoor boulevard home on Tuesday evening, May 17, to the Social Studies Group of the AAUW. The program will revolve around the books which have been circulating among the members all this year.

Discussion will bring to light the highlights of the publishing season of 1954-55. Co-hostess for the affair which begins at 7:45 is Mrs. Walter McAdow.

Altar Society To Hold Dinner

The members of St. Philomena's Altar Society are serving a complete roast beef dinner on next Sunday, May 15, from 1:30 to 6 o'clock.

The parish hall is on Marselles near Mack avenue, and the price is \$1.50 for adults and 75c for children.

Mrs. Steve Began is in charge of the affair and is being assisted by some fine cooks of the parish. The public is invited.

Mistletoe Mart Workers Busy

"Santa Claus is Coming to Town" was the theme song at the home of Mrs. Edward L. Weber on May 5, when the chairman of the Mistletoe Mart, Grosse Pointe Congregational Church Christmas Bazaar, gathered for tea and to discuss progress.

Although December 1, date of the Mart, seems years away, work on the various merchandise that will be offered for sale is beginning to stockpile.

Mrs. Edward Chase, chairman of lines, reported that her group is meeting every Tuesday at the church to work on all sorts of linens and doll clothes. The bride dolls they are dressing are reported as utterly charming.

Mrs. William Arbaugh displayed some of the sarongs her group is making for the men's booth.

Mrs. Howard Quinney reports that her group is already making some of the delectable jams and

jellies that will stock the Pantry Shelf.

Mrs. Robert Griffin, chairman of the Christmas Decorations Booth, said the supply of sequined angels for Christmas Trees is beginning to assume department store proportions. There's already been a collection made for the Attic Treasure booth under the chairmanship of Mrs. Verne M. Drew.

Mrs. Charles Marzolf displayed some of the cocktail hats her booth will sell and by the end of the tea she didn't have a sample left.

Other chairmen who attended to report progress to general chairman Mrs. James Huntington, included: Mrs. Clare Bryant, luncheons and dinners at the Mistletoe Mart; Mrs. William M. Browne, jewelry; Mrs. Theodore Hunt, Mrs. Carl Firth, books; Mrs. Howard Poppin, arts and crafts; and Mrs. Howard Emerson, who will be in charge of the nursery.

Jean Corbett Is Bride Of Thomas Henry Auch

Couple Speak Vows at Saturday Ceremony in St. Paul's on The Lake Shore; Reception at Grosse Pointe Yacht Club; New Home in Athens, Ga.

Jean Ellen Corbett became the bride of Ensign Thomas Henry Auch yesterday (Wednesday) at an 11 o'clock ceremony in St. Paul's on the Lake Shore.

Jean is the daughter of Mrs. John J. Corbett, of Merriweather road, and the late Dr. Corbett. Ensign Auch is the son of Mr. and Mrs. Frederick J. Auch of Buckingham road.

Following the ceremony, the bride's mother entertained wedding guests at a breakfast-reception in the Grosse Pointe Yacht Club.

Jean, who was given in marriage by her uncle, Phil E. Smith of Circleville, O., wore a gown of candlelight peau de soie, fashioned with Empire neckline on the Duchesse lace bodice which had deep V neckline. The bouffant skirt fell into chapel train.

A Juliet of the Duchesse lace secured her double tiered veil of imported silk illusion and she carried a bouquet of white spray orchids and lilies of the valley.

The attendants wore identical gowns of shell pink nylon organza accented at slender waistlines with sashes in a deep rose. The gowns had tremendous waltz length skirts.

On their heads were bands of the organza ending at each side in clusters of sculptured leaves.

Their flowers were pink roses and carnations.

The bride's cousin, Jacqueline Smith, of Circleville, was maid of honor and bridesmaids comprised Mrs. David P. Corbett, her sister-in-law; and Mrs. Edward John Parr, sister of the bridegroom.

Frederick J. Auch, Jr., was his brother's best man and seating

the guests were two other brothers, Walter E. and George W. Auch; Edward J. Parr, and the bride's brothers, Dr. John V. Corbett, Edward R. and David P. Corbett.

Poudre blue antique silk was used in the opera length gown worn by Mrs. Corbett for her daughter's wedding. It was lightly beaded at the neckline and she wore a chapeau of matching silk. She pinned pink spray orchids to her pink stole.

Mrs. Auch was in navy blue taffeta costume topped by tiny white hat embroidered in iridescent sequins and pearls. Her flowers were white spray orchids.

When Ensign Auch and his bride left their wedding reception, they headed for Athens, Ga., where he will be stationed for the next six months.

They planned to apartment hunt for a few days and then continue to Fort Lauderdale, Fla., for a short stay.

The bride's going away costume was a slate blue linen suit trimmed in mother of pearl buttons. Her small white straw hat had dusty pink veil and she carried a dusty pink wool top coat.

Among out of town guests here for the wedding were Jean's aunt, Mrs. Phil E. Smith, and her uncle and aunt, Mr. and Mrs. James I. Smith and cousins, Steven and Patsy, all of Circleville.

This Is THE Garden Week-End in Pointe

Annual Pointe Garden Pilgrimage, Sponsored by Detroit Garden Center Being Held This Saturday and Sunday; Names of Hostesses Announced Today

Hoping for fair skies this week-end are the ten Pointe families who are opening their gardens in interests of Detroit Garden Center's annual Garden Pilgrimage.

On Saturday and Sunday from 12 noon until 6 p.m. each day, the gardens will be opened to the public and admission ticket (\$1 for complete tour) may be purchased at War Memorial Garden Center or at the garden gates the day of the tour.

Today, the names of hostesses in the 10 Pointe gardens are announced. Incidentally, the Garden Center tells us that if the gardens are visited in the order in which they are named today, it is the best possible route.

At the gardens of MR. and MRS. HERMAN OTTO, 741 Trombley road, hostesses will be Mrs. James D. Corfield, Mrs. W. George Eversman, Mrs. Arlington F. Lecklider, Mrs. Gerald Owen, Mrs. Ray C. Peake, Mrs. Voler B. Prather, Mrs. Virgil B. Walling and Mrs. Harry E. Winston.

At the PETER J. GALLETTES' garden, 1052 Audubon road: Mrs. Ernest P. Lamb, Mrs. David C. Lowe, Mrs. Murray MacDonald, Mrs. W. Hurst Montee, Mrs. Curtis L. Moody, Mrs. Kenneth M. Reichle and Mrs. Charles Winman.

At the garden of DR. and MRS. JOHN MATEER, 16831 Maumee avenue: Mrs. Burdette E. Ford, Mrs. Harold L. Love, Mrs. Douglas McClure, Mrs. Kenneth M. McColl, Mrs. Remington J. Purdy, Mrs. William Randall, Mr. Wilfred S. Teetzel, Mrs. Frederick M. Whitney, Mrs. Hansel Dwight Wilson and Mrs. Robert Winter.

At the gardens of MR. and MRS. HENRY L. NEWMAN, 355 Lincoln road where tea will be

Convent Plans May Musicales

A dessert party and musicale are being sponsored by the Parents Association of the Academy of the Sacred Heart, Grosse Pointe on Friday, May 20 in the auditorium of the Lake Shore road school.

Pointer Jacqueline Murphy lyric soprano, will be the featured soloist accompanied by Margaret Anderson.

Mrs. Edward P. Horan is chairman for the event with Mrs. William P. Fisher, the co-chairman.

Their assistants include Mrs. Philip Weiss, Mrs. John Posselius, Mrs. Howard Shaw, Mrs. Nelson Schlaf, Mrs. John Muel; Mrs. Paul Barker and Mrs. Hamilton Kotcher.

Early reservations have been made by Mrs. Charles T. Fisher Jr., Mrs. Frank Alter, Mrs. Henry Ford II, Mrs. Edward J. Schoenherr, Mrs. Henry M. Campbell III, Mrs. Charles L. Palms Jr., Mrs. Thomas Petzold, Mrs. Edward A. Skae, Mrs. Sterling Dockson and Mrs. Francis Boyer.

Lochmoor Holds May Luncheon

Mrs. Edward A. Biederman was chairman of the May Ladies Bridge luncheon held at Lochmoor Club yesterday (Wednesday).

Pink and apple green were the summery colors used at the party when pink geraniums centered each luncheon table and were used throughout the club.

Valerie DeGalen fashions were shown and Mary Morgan was commentator.

Among those who entertained at the party were Mrs. W. Tom Zurschmiede, Mrs. Sidney M. Harvey, Mrs. Harry Rife, Mrs. James Cunningham, Mrs. Karl Schaltenbrand, Mrs. Robert C. Howard, Mrs. Marvin Blass, Mrs. Jack W. Hooper, Mrs. John Chandler, Mrs. Carson Wallace.

Mrs. Donald C. Wood, Mrs. James Finerty, Mrs. Curtis Moody, Mrs. T. J. Newton, Mrs. Melvin S. Huffaker, Mrs. Walter Horn, Mrs. O. D. Herron, Mrs. William Trader, Mrs. Allen George.

Mrs. William Athanson, Mrs. Clarence H. Bauer, Mrs. K. R. Beardslee, Mrs. Wallace A. Temple, Mrs. Ralph E. Cross, Mrs. Troy Browning and Mrs. Edward A. Biederman.

Chapter A.O. of P.E.C. To Meet on Monday

Chapter A.O. of P.E.O. will hold its next scheduled meeting Monday, May 16, at the home of Mrs. Jackson Merwin of Neff road.

The 8 o'clock meeting will be followed by a social evening. Mrs. Paul Nagle, Mrs. Walter Murray and Mrs. Walter Mast will assist Mrs. Merwin in preparations.

A.O. is also planning a family picnic for June. The exact date has not yet been set.

Mrs. Eugene Henry Arjeski

The former BARBARA ANN KENNELLY, daughter of Mr. and Mrs. Leo W. Kennedy of McKinley avenue, was married on May 7 to the son of Mr. and Mrs. Henry V. Arjeski of Allen Park, Mich.

D.A.R. Juniors Set to Parade

To emphasize youth, the Junior Louisa St. Clair Chapter DAR, will set a precedent this year, by participating in the Memorial Day parade.

They will be riding in the first contingent in five new cars displayed for the first time at this event. The Louisa Chapter flag will be displayed by the president, Mrs. Arthur H. Engstrom, in the leading convertible. In keeping with the patriotic theme, all will be wearing white dresses with blue DAR ribbons and corsages of red roses.

The last two cars will contain the CAR's, of the John Paul Jones Chapter, of whom the youngest is 18 months of age. They will be under the supervision of their president, Mrs. Robert O. Artner, who will be assisted by Mrs. Paul B. Mork.

All will be wearing white dresses with red, white and blue ribbons, and will carry small flags. Those participating in this memorable event of the Louisa Juniors will be: Mrs. Jack A. Doerr, Jr., Mrs. Hanson Leonard, Mrs. Robert W. Brandon, Miss Jean R. Perrett, Miss Virginia Eastin, Miss Mary Elizabeth Kerr, Mrs. Thomas J. Petrosky, Mrs. Roger L. VanDorpe and Mrs. Elias G. Cassis.

Those of the CAR group are: Lynne and Marjorie Engstrom.

Florescent light tubes provide three to four times as much light per watt as incandescent bulbs and produce less heat.

Dance Planned By Center Club

"The Superstitious Stomp," the Center Club's May dance, will take place at the Grosse Pointe War Memorial from 9 to midnight on lucky Friday the 13th.

One feature will be dancing on the terrace to the music of Frank Bridges' orchestra.

All single Grosse Pointers in their 20's and 30's are invited and may bring one guest.

Refreshments will be served. The price is \$1.25 a person.

All profits from "The Superstitious Stomp" will be donated to the War Memorial's current fund raising campaign.

Voters' League Launches Study

"Think Straight in '58" is the aim of Michigan Leagues of Women Voters as a result of their recent convention in Saginaw May 5 and 6.

"A Study of Michigan's Constitution and of the Structure of Michigan's State Government, in Preparation for Constitutional Revision" is the agenda item adopted at the convention for a two-year study by all Leagues in the state.

A delegation of 12, headed by Mrs. Edgar Hahn, president, represented Grosse Pointe at the convention. Mrs. Verne Sidnam of 360 May street, Grosse Pointe Farms, was elected state treasurer.

Mrs. Harcourt Caverly of 1173 Audubon, Grosse Pointe Park, was elected chairman of the nominating committee for the state league, 1955-1957.

Mrs. Chester Cable of the Detroit League will serve as the new state president.

Because 1958 is the year the Constitutional Convention vote will appear on the Michigan ballot and because the League feels that constitutional revision is imperative to the solution of principal state governmental problems, this two year study item was chosen now to prepare the leagues for action in 1958.

Nothing Over Nickel At Cub Scout's Fair

Big Fair Being Staged This Friday by Cub Scout Pack No. 61 at St. Paul's School; Midway to Be Filled With Games and Fun All Under Five Cents

All Pointers, under 12 years of age, are invited to the super-colossal Fair over at St. Paul's School tomorrow (Friday, May 13) being staged by the Cub Scouts of Pack No. 61 to replenish a depleted treasury. Hours are 7 p.m. to 9 p.m.

Mothers and fathers are helping the lads transform the school gym into a mid-way with all the carnival air that balloons, games, etc., can create.

And, since this is for young Pointers, everything is a bargain . . . a nickel or under is the most that can be spent on any game with the prizes worth many, many times that sum.

The senior committee includes Kenneth Kahn, chairman; Marvin Kean, cubmaster; Alfred J. Mayer, Jr., treasurer; Joseph A. Maillo, II, awards chairman for the pack and fund raiser for the fair, Mrs. Sherman Fitzsimons, Jr., secretary.

The prizes have been largely donated and other friends of Pack 61 have contributed cases of soft drinks and other ingredients of a thorough-going good fair.

Mrs. Walter Auch and Mrs. Earl Becker, who head the den mothers at St. Paul's, and their committee have the chief responsibility of decorations for the fair.

The other den mothers are: Mrs. Stanley Evatz, Mrs. Alton Schick, Mrs. Jay R. Ballew, Jr., Mrs. Daniel Shea, Mrs. Marvin Kean, Mrs. John Koerber, Mrs. Myron Lee Sherwood, Mrs. Kenneth Kahn, Mrs. Harold Doubles, Mrs. John J. McMahon, Mrs. Arjeski.

MOVING WITH CARE

SMOOTHS THE ROAD . . .
LEVELS THE LOAD — Automatically

MAGNIFICENT 260 HORSEPOWER PACKARD PATRICIAN

the New PACKARD with Torsion-Level Ride

A truly distinctive fine car — the new Packard. Distinctive in having exclusive Torsion-Level suspension . . . providing a ride so smooth, so level, so comfortable on any road it has created a higher concept of motoring pleasure! Distinctive in its quiet magnificence, with color harmonies which refreshing and sophisticated interiors designed for your personal luxury.

Torsion-Level Ride — Packard's newest achievement in creative engineering leadership — eliminates conventional coil and leaf springs. In other cars, twisting forces due to wheel shock are transmitted to the frame with resulting pitch and bounce of passengers and wracking of car body and frame. With the new Packard these same twisting forces are transmitted along the new torsion bar system and absorbed before they can reach frame or passengers.

Distinctive, too, are Packard's new "free-breathing" V-8 engine, developing up to 275 horsepower . . . and the agile automatic response of Packard's two-in-one Twin Ultramatic Transmission.

Here, in all its distinction, is a fine new car with a fine old name.

"Ask the Man Who Owns One."

We invite you to Take the Key and See... LET THE RIDE DECIDE.

Harmonic's Spring Concert

In our mail, this note: For more than a century, 105 years to be exact, the Harmonie, Detroit's oldest singing society, has presented a Spring concert as the finale of its musical activities, which start anew every Autumn. During these years it has broadened its scope to include many other activities, cultural and social. But throughout various stages of progress, its traditional love of music has remained dominant. And so, on May 14 (that's this Saturday), in the auditorium of its clubhouse on East Grand River avenue, Harmonie's two choruses will join forces out of sheer love of singing. The men's and women's choruses, both non-professional, meet separately each week for rehearsals under direction of Frank B. Murch. Pointe members of the Harmonie choruses include Dr. Richard W. Baiser, M. Willard Carpenter, Florence French, Herman A. Hielscher, Robert G. Keydel, Robert F. Murphy, J. A. Piccirilli, Mr. and Mrs. Albert Schlorff, Carl J. Schuer, Karl A. Streck and Otto Streck. Soloist of the concert will be Rosemarie Murch, mezzo soprano, the 1955 State winner in the National Federation of Music Clubs Young Artist Auditions. She will sing the solo in Schubert's "Die Allmacht," as well as songs by Mascagni, Brahms and Lara. A varied chorus-program will include arias, love songs and folk songs, and a bit of modern music for good measure. Christine Schlorff will be an accompanist. The concert, which starts at 8:30 o'clock, will be preceded by a dinner for members and their guests.

Homes Opened For Bennington

Many Pointers, former students and friends of Bennington College, are planning to take the "Arts for Leisure" tour being sponsored by the Bennington College Alumnae Association on Saturday afternoon, May 22, from 1 to 6 p.m. Mrs. David Sutter, of Pine court, is Pointe ticket chairman. Three outstanding homes in Birmingham and Bloomfield Hills will be opened on the tour and patrons, purchasing five or more tickets will be treated to a special bonus: a tour of the home and gardens of Mr. and Mrs. Lester L. Colbert, where the three level gardens are of particular interest. On the tour are the homes of Mr. and Mrs. Harry L. Winston, a treasure house of art plus wood-working studios of Mr. Winston and the ceramic studios of Mrs. Winston; Mrs. Dorothy K. Roosevelt, one of the most unusual musical studios in the country (there will be music during the tour) and a very special kitchen; Mr. and Mrs. Rocco DiMarco, a classic example of architectural remodeling, incorporating modern and traditional trends. The entrance was originally a swimming pool and the "deep end" has been converted into an enclosed garden. The formal living room is an exact replica of the Gadsby Tavern, now in the Metropolitan Museum.

To Brief Moms On Kindergarten

Mothers of Monteth School kindergartners-to-be for September 1955, will meet with the staff members at the school on Thursday, May 19, at 2:30. The purpose of the meeting is to discuss plans for registration in August and to assist mothers in preparing their children for their first school experience. Featured in the program will be a series of colored slides showing some typical kindergarten activities throughout the year. Mothers of September kindergarten children who live in the present Monteth district but who will be in the Torrey Woods school district in September will be invited to a similar meeting with Miss Florence Cummings, Principal, in the near future.

League Holding Meeting May 24

Members of the Detroit League for Planned Parenthood will meet at Veterans Memorial Building, West Jefferson Avenue, on May 24 at 10:30 a.m. to hear reports of the year's work and to elect officers and new board members for the coming year.

Following the meeting there will be a luncheon in the Red Arrow Room.

Abraham Stone, M. D., of New York City, vice president of the International Planned Parenthood Federation and director of the Margaret Sanger Research Bureau, will be the speaker. He comes to Detroit directly from Puerto Rico where he spoke at the first Caribbean Planned Parenthood Conference this month. Dr. Hartman Lichtwardt, medical director of Woman's Hospital, will introduce the speaker. The invocation will be given by the Rt. Rev. Richard S. Enrich, Bishop of the Episcopal Diocese of Michigan.

The luncheon is open to the public. Reservations may be made before May 20, by calling Woodward 2-8973.

Louisa St. Clair Chapter To Hold Annual Meeting

Louisa St. Clair Chapter will hold its annual meeting Thursday, May 19, at Newberry House, 1363 East Jefferson avenue. Opening the business meeting at 10:30 a.m., the regent, Miss Eloise O. Goddard will preside over a day filled with events. Officers and chairmen will report on duties performed and progress made throughout the year.

An Award of Merit will be presented to Miss Eleonore Hutzler, retired head of the women's division of the Detroit Police Department, for her outstanding work among women and girls. A memorial service for departed members will be conducted by the chaplain.

Officers for the incoming year will be elected and installed. Those selected are: Regent, Mrs. Earl R. Perkins; 1st Vice Regent, Mrs. Milburn E. Rice; 2nd vice regent, Mrs. Robert O. Artner; chaplain, Mrs. Richard H. Taylor; recording secretary, Mrs. C. Up-ton Shreve; corresponding secretary, Mrs. Hanson Leonard; treasurer, Mrs. Harold S. Davis; registrar, Mrs. Clarence E. Carroll; historian, Mrs. Leonard G. Bradley, and three directors, Mrs. Brewster P. Campbell, Mrs. Harold R. Smith, Mrs. Thomas Will more.

St. Michael's Auxiliary Conducts "Fun Night"

The Woman's Auxiliary of St. Michael's Church held a meeting on Monday, May 9. Evening prayer, conducted by the rector, Rev. Edgar H. Yeoman, was held in the church.

Following the devotions, the evening, designated as "Fun Night" was held in the parish house and members of the Auxiliary entertained.

Hostesses for this occasion were: St. Hilda's Guild, Mrs. John Cushman of 1972 Huntington, chairman and St. Agnes Guild, Mrs. Donald Ball of 19265 Linville, chairman.

The world may owe all of us a living, but only a few people are preferred creditors.

Check Invitation List

MR. and MRS. PETER J. GALLETTE of Audubon road go over the invitation list for the 38th annual President's Ball to be held at the Lochmoor Club on Saturday, May 14. As this year's president, Mr. Gallette will be the honored guest on this festive occasion.

Salvation Army Auxiliary To Hold Meeting May 10

Mrs. Herbert E. DeWick, newly elected president of the Auxiliary to the Salvation Army, will preside at her first meeting at the Edwin Denby Home, 20775 Pembroke, on Tuesday, May 10, at 1:30 p.m.

Mrs. Brigadier Cora Fitzpatrick, matron of the home will be hostess to the board at luncheon. At the general meeting which follows the children of the home will present a pageant.

Desk and Derrick Club To Hold Fashion Show

The Desk and Derrick Club of Detroit will hold its annual luncheon, fashion show and card party at the Detroit Yacht Club on Saturday, May 14, from 12 to 4 p.m. Proceeds will be used to finance the club's charitable project.

Anne Mansfield, Cadieux road, chairman of the Social Committee, has chosen members from that club to model the latest in summer fashions.

William J. Ulrich, Jr. To Wed Bonnie Boise

Mrs. Florence Boise of Port Huron, announce the engagement of her daughter, Bonnie Lou, to William J. Ulrich, Jr., son of Mr. and Mrs. William J. Ulrich of Colonial court.

The couple set June 18 as their wedding date.

Bonnie Lou and William are at present attending Western Michigan College in Kalamazoo.

William is a Korean War veteran.

Three Pointers Taking Part In Mercy College Festival

Mercy College will hold its annual Art Festival on Sunday, May 15, at 2 p.m.; on the Mercy campus, West Outer drive and Southfield.

Participating in the program will be: Mary Clemente of 451 Touraine; and Joan Ressegule of 1356 Three Mile drive, both in the choral group.

Junior hostess for the day's program will be Nancy Wasco of 16744 Winthrop.

Southeastern Woman's Club Holds Luncheon

Southeastern Woman's Club held its annual luncheon Monday, May 2, at the Women's City Club. Tables were tastefully decorated with lavish centerpieces of colorful tulips and small fancy baskets of candy adorned each place at table.

At the conclusion of the luncheon the president, Mrs. Stewart McIntosh, announced the names of the committee chairmen for the next year and the members retired to another room for a session of card-playing.

This concluded the club year until the meetings resume in October.

Church Groups Plan Meetings

The following calendar of events has been scheduled by the Women's Association of the Grosse Pointe Congregational Church.

May 10—All Groups will meet in the Church Social Hall for luncheon at 12:30. Following this is the annual meeting and election of officers.

May 18—Group 5—Dinner meeting at 6:30 p.m. in the Church Social Hall. Dr. Thelma James of Wayne University, will speak on "Folklore Among the People of Detroit."

May 24—Groups 1, 2, 3, 6—Luncheon at 12:30 p.m., in the Church Social Hall. Installation of officers in the Chapel Lounge.

May 24—Group 4 meeting in the Chapel Lounge at 8 p.m.

Ready to Cater To Short Gals

"She stands only as high as his heart" is a poetic phrase to describe a small, slight woman.

But just try quoting it to her after she's spent a day in town trying to find clothes. She'll snap your head off.

And we can't say we blame her, after a day spent trying on dresses or suits too long in the waist, skirt or sleeve; and so big around the middle they look like hand-me-downs.

If this is a description of your figure problems, too—if you are a short, slim, fineboned, too small even for a size 10—you should know about a shop that specializes in sizes 5, 7 and 9.

It stocks everything for shorties, from sportswear to evening gowns, and lingerie as well.

Many fabulous fashions in sizes 5, 7 and 9 may be seen at the House of Nine located in downtown Detroit.

Bodkins Will Attend Annapolis Graduation

Mr. and Mrs. Edwin O. Bodkin, of Muskhogka road, and their daughter, Nan Maxwell, will attend graduation exercises at Annapolis the end of this month. Their special interest is in Senior Gerry Ney, the Bodkins' nephew. Nancy, who is studying at Smith College, will be picked up by her parents on their Eastern swing. In Maryland, the Pointers will be the guests of Mr. and Mrs. Harold T. Youngren at Crab Creek.

ent and Honorable Artillery Company. The annual gathering will be held at Manning's Country Kitchen on the outskirts of Adrian.

MRS. HENRY BOURNE JOY of Lakeshore road, will make one of the reports at the spring luncheon meeting of the Michigan Society, Daughters of Colonial Wars, to be held in the Detroit Yacht Club on Tuesday, May 17. Mrs. Joy founded the society in 1936 and was its first president. There will be a reception at noon preceding the 12:30

JOYCE LOVISA, daughter of Mr. and Mrs. HANS LOVISA of Renaud road, was recently initiated into Chi Omega sorority at Michigan State University. Joyce was president of her pledge class and received the "outstanding freshman award" awarded by Chi Omega.

JAMES DEGNAN, senior a Denison University, Granville, O., had one of the major roles in the University Theatre production of "The Admirable Critchton," which was given during the Mother's Day weekend. He is the son of Mr. and Mrs. JAMES M. DEGNAN, JR., of Harvard road.

MRS. LLOYD DEWITT SMITH of Grand Marais boulevard, will be an honored guest at the Wednesday, May 18, meeting of the Michigan Court, National Society, Women Descendants of the Ance-

CITY OF
Grosse Pointe Farms
Notice of Regular Meeting Postponed

The attention of citizens planning to attend the next Council meeting, usually scheduled for the 3rd Monday, is called to the fact that a lack of quorum on that night necessitates postponement to 8:00 P. M., Monday, May 23, 1955.

HARRY A. FURTON
City Manager

Enacted: May 2, 1955
Harry A. Furton
City Clerk
City of Grosse Pointe Farms
Published G. P. News May 12, 1955.

CITY OF
Grosse Pointe Farms
Notice of Ordinance Adoption
Code No. 2-01, City Manager Ordinance
Ordinance No. 115

AN ORDINANCE CREATING THE OFFICE OF CITY MANAGER IN THE CITY OF GROSSE POINTE FARMS AND PROVIDING FOR HIS POWER AND DUTIES AND TO REPEAL ORDINANCE NO. 115.

The City of Grosse Pointe Farms ordains:

SECTION 1. Creation of Office. The office of city manager is hereby created.

SECTION 2. Appointment of City Manager. The city manager shall be appointed by the concurring vote of not less than four members of the city council (below called "council") for an indefinite term. The city manager shall be chosen by the council solely on the basis of his executive and administrative qualifications with special reference to his actual experience in or his knowledge of accepted practice in respect to the duties of his office hereinafter set forth. At the time of his appointment he need not be a resident of the city or the state, but within 90 days thereafter he shall establish such residence and during his tenure of office he shall reside within the city.

SECTION 3. Removal of City Manager. The city manager may be removed by the concurring vote of not less than four member of the council. The manager may demand written charges or a written statement of the reasons for removal which the council shall furnish to the manager within 20 days after the filing of such request. During this period the manager may be suspended from office with pay. The action of the council in removing the manager shall be final.

SECTION 4. Powers and Duties of City Manager. The city manager shall be the executive officer and head of the administrative branch of the city. He shall be responsible to the city council for the proper administration of all affairs of the city, and to that extent subject to the provisions of the city charter, he shall have power to:

(a) Appoint, subject to confirmation by the council, and suspend or remove all officers and employees of the city except as otherwise provided by the city charter or law, and except as he may authorize the head of a department or office to appoint, suspend or remove subordinates in such department or office. All such appointments, suspensions, or removals shall be based upon merit and upon the qualifications or disqualifications of such officer, or employee.

(b) Consolidate or combine offices, positions, departments, or units under his jurisdiction, with the approval of the city council. The city manager may be the head of one or more departments.

(c) Purchase all materials, supplies, or equipment, for which funds are provided in the budget, but he may not purchase any item which exceeds any budget appropriation until the council has increased the appropriation; provided that for purchases of more than \$500.00 the manager shall be required to receive sealed bids and shall present such bids to the council for approval or rejection. He may let contracts not in excess of \$1,000.00 necessary in the operation or maintenance of city services when sufficient funds for such purposes have been appropriated in the budget, but the city council shall let all contracts for more than \$1,000.00, all contracts for new construction and all contracts which cannot be consummated with funds provided in the current budget. The manager shall advise the council as to whether or not any contract offered is desirable, or which of several contracts offered is most desirable for the city. The manager may issue such rules and regulations governing requisitions and the transaction of the business of purchasing therefrom as he may deem necessary for the proper management of the city and the heads of the departments, officers, and employees of the city as the governing body may approve.

He shall be required to:

(d) Recommend to the governing body, in writing, from time to time, for adoption, such measures as he may deem necessary or expedient.

(e) Attend all meetings of the city council unless excused or excluded therefrom by the council and shall have the privilege, except when excused or excluded, of taking part in the discussion of all matters coming before the council and shall be entitled to notice of all meetings, regular and special, of the council.

(f) See that all laws and ordinances are fully enforced.

(g) Make investigations into the affairs of the city or any department or division thereof. Investigate all complaints in relation to all matters concerning the administration of the government of the city and in regard to service maintained by the public utilities in the city, and see that all franchises, permits, and privileges granted by the city are faithfully observed.

(h) Devote his entire time to the discharge of his official duties.

(i) Perform such other duties as may be required of him by the council, not inconsistent with the city charter, law, or ordinances.

SECTION 5. Council Not to Interfere with Appointments or Removals. Individual members of the council shall not direct or request the appointment of any person to or his removal from office by the city manager or by any of his subordinates, nor shall individual members of the council in any manner attempt to dictate to the city manager the appointment or removal of officers or employees in the administrative service of the city. Except for the purpose of inquiry, councilmen shall deal with the administrative service solely through the city manager and no council members shall give orders to any subordinates of the city manager, either publicly or privately.

SECTION 6. Emergencies. In case of accidents or other circumstances creating an emergency, the city manager may, with the consent of the council, award contracts and make purchases for the purpose of repairing damages caused by said accident or meeting said public emergency, but he shall file promptly with the council a certificate showing such emergency and the necessity of such action, together with an itemized account of all expenditures.

SECTION 7. Bond. The city manager shall furnish a surety bond to be approved by the council, said bond to be conditioned on the faithful performance of his duties. The premium of the bond shall be paid by the city.

SECTION 8. Compensation. The city manager shall receive such compensation as the council shall fix from time to time by ordinance or resolution.

SECTION 9. Vacancy. Any vacancy in the office of city manager shall be filled within a reasonable time after the effective date of such vacancy.

SECTION 10. Repeal. Ordinance No. 115, entitled "An Ordinance creating the office of City Manager" is hereby repealed.

SECTION 11. Saving Clause. If any section, subsection, or sentence, clause, or phrase of this ordinance is for any reason held to be invalid, such decision or decisions shall not affect the validity of the remaining portions of this ordinance. All ordinances of the city prescribing the duties of heads of departments shall remain in full force and effect except insofar as they conflict with the provisions of this ordinance in which case the provisions of this ordinance shall govern.

SECTION 12. Effective Date. This ordinance shall take effect twenty (20) days after its enactment, or upon its publication, whichever is later.

Prizes Donated For Bike Safety

Three bicycles have been donated by the Evans Products company, Plymouth, Mich., as prizes for the winners in the Farms' Bicycle Safety Contest.

Patrolman Joseph Miller, Farms Safety Officer, disclosed that inspections will take place at Kerby School on Monday, May 16; at St. Paul and the Convent, Wednesday, May 18; and at Richard School, Wednesday, May 25.

All bicycles must have their bike licenses attached and be in safe condition before inspection starts.

Officer Miller stated that one of the bicycles will be on display at the Farms police station from May 13 to the close of the inspection.

He added a note of warning in that safety does not only apply in the proper method of riding a bike.

He urges all parents to instruct their children, in co-operation with teachers and police, about safety in crossing the street and about playing in the street; and to look both ways before chasing a ball out into the road.

Miller stated that most accidents, as far as children are concerned, occur after school hours and over the weekend, especially in the six to 12 age group.

If safety is stressed by the parents, and practiced by the children, accidents would decline, he declared.

WOMEN'S SUITS STOLEN

Margaret Rice of 76 Kercheval, called police on Tuesday, May 3, and informed them of the theft of two suits from the stock in her store. She said one suit was valued at \$110; and the other at \$175.

Engaged

—Picture by O'Conner Studio. Mr. and Mrs. Roy H. Sjoberg, of Lochmoor boulevard, announce the engagement of their daughter, JOAN ADELL, to Lt. Richard Hamilton Edwards (USAF), son of Mr. and Mrs. Paul G. Edwards of Verona, New Jersey.

Miss Sjoberg is a graduate of St. Lawrence University and is a member of Kappa Delta. Lt. Edwards is a graduate of the Ohio State University and is a member of Phi Sigma Kappa.

Daughter of Colonists Holding May 18 Meeting

The Daughters of the American Colonists will hold their final meeting of the season on Wednesday, May 18, at the Detroit Club.

The retiring regent, Mrs. Paul H. Townsend, will be the hostess at luncheon.

Mrs. Edward F. Dickleson will show color-slides taken on last summer's trip, "Westward Ho, With a Trailer."

Officers Seated By V.F.W. Post

Alger Post No. 995, Veterans of Foreign Wars installed the 1955-56 officers at an impressive ceremony held in the Maire School gymnasium Saturday evening, April 30.

George J. Tilton, Jr., Past Commander of the post, turned over his gavel to Howard H. Wood, newly elected commander. Serving as the installing officer, Tilton also ushered in Norman E. Abey and Lawrence W. Light as the Senior and Junior Vice Commanders respectively. William H. Hunter was installed as Quartermaster of the post while Roger Houthoofd will serve as Adjutant.

In the position of Post Advocate, William D. Richter will serve for the ensuing year. Also joining the governing echelon were: Clintford Jordan, Chaplain; R. Reichling, Sr., Surgeon; Gardner B. Moore, Service officer; and Thomas M. Fritz, Jr. as the standing Officer of the Day.

Assisting in the installation was the color Guard from the Otho Beaudoin Post. Guests at the ceremonies included high ranking officers in the Wayne County Council of the V.F.W., and ranking officers in the Third District accompanied by members of several of the posts of the Metropolitan Detroit area.

Officers of the Alger Ladies' Auxiliary were installed jointly with the post officers. Mrs. Margaret Poole, past president of the Auxiliary, was the installing officer.

Heading up the women's group will be Mrs. Jeanne Kehrer, president. Assisting Mrs. Kehrer will be senior vice-president Barbara Kelly and junior vice-president Ione Wood.

Other top ranking officers will be: Mary Lapeirre, chaplain; Dorothy Friek, secretary and Margaret Poole, the retiring president, serving as treasurer.

Auxiliary trustees were also installed at the ceremonies. Barbara Barnes will serve for a three-year period, Shirley Richter for two years and Kathryn Moore's term will run for one year.

Following the installation ceremonies, an open house for post members and their friends was held at the Alger club house in St. Paul avenue.

Last Wednesday, May 11, the Auxiliary staged its annual Mothers and Daughters banquet at the club.

Betrothal Told

Mr. and Mrs. Hector M. Couvreur of Moross road announce the engagement of their daughter, MARIE ELIZABETH, to Walter Berry, Jr., son of the Walter Berrys of Russell avenue. Marie is a graduate of the University of Detroit and a member of Phi Gamma Nu sorority. Walter and Marie have set October 15 as their wedding date.

Awards Given To Motor Aides

The annual meeting of the Motor Aides, a department of the Central Volunteer Bureau of United Community Services, entirely operated by volunteers was held Tuesday, May 10, at Goodwill Industries. The program consisted of luncheon, presentation of awards, and a tour of the building.

Four residents from this area were presented with five year awards. They are: Mrs. A. George Abbott, 328 Touraine road; Mrs. T. J. Fitzgerald, 115 Lewiston; C. B. Mabley, 83 Mapleton; and Mrs. Joseph Vance, 32 Hendrie.

A one-hundred hour award was presented to Mrs. Sherman Fitzsimons, 66 Stephens road.

Mrs. James K. Rawsthorne, chairman, introduced Lee Hills of the United Community Services Board of Directors, who presented the awards. Twenty-eight certificates were awarded for five years of driving. In addition, twenty-two certificates were given for 100 hours or more, 7 of these to volunteer dispatchers who arrange the trips.

A special award for outstanding contribution to Motor Aides was presented to Mrs. A. George Abbott, who was chairman of Motor Aides for three years and also has given continuous service for five years as a driver and dispatcher. Approximately 1000 hours of service last year.

In the past year, 148 Motor Aide drivers drove 201 patients 1752 trips to 25 clinics and hospitals.

Movie Council Releases List

The Grosse Pointe Motion Picture and Television Council has released its list of approved and recommended movies for May.

Especially recommended was "20,000 Leagues Under the Sea," Walt Disney's colorful adaptation of the Jules Verne classic. Recommended for children were: "Abbott and Costello Meet the Keystone Cops," "Chief Crazy Horse," "Ma and Pa Kettle at Waikiki," "White Feather" and "The Annapolis Story."

Getting the nod for excellence on the teenage level were: "Bad Day at Black Rock," "Bridges at Toki Ri," "Silver Chalice," "Doctor in the House," "East of Eden" and "Jupiter's Darling."

The council also recommended that theater goers keep their eyes open for "Davy Crockett, King of the Wild Frontier" to be released at the end of May. "A Man Called Peter," now downtown, should make the local runs in about six or seven weeks.

"Marty," "The Long Gray Line," "The Glass Slipper," "Strategic Air Command" and "Lady and the Tramp," all due around in August, were also recommended.

Further information may be obtained by calling Mrs. Charles Beltz, TU, 2-6234.

Cruising Club Plans Meeting

The skippers of the big cruising yachts will get together at their annual Spring meeting to be held at Bayview Yacht Club on Friday, May 13, according to secretary Avery Macklem.

On the agenda will be the selection of the Season's Championship Regattas from the Detroit River Yachting Association's schedule; the discussion of current measurement problems and requirements in accordance with the 1954 Cruising Club of America rules.

Bayview's race chairman Donald Johnston, Jr., will be on hand to discuss the measurement rule for the Mackinac race and Commodore Bill Ward will tell of the new scales recently installed on the club's yacht elevator for the express purpose of weighing boats for rating purposes.

The meeting will be under the guidance of Commodore Gil Pingree who will have the able assistance of vice commodore Dick Jeffery.

U-M Honor List Cites Pointers

Six-hundred and seventy-seven University of Michigan students will be honored for scholastic achievements at the 32d Honors Convocation Friday, May 13.

The convocation will be held at 11 a. m. in Hill Auditorium with Harold W. Dodds, president of Princeton University, giving the main address on "What is a University?"

The 677 honors students will be presented by Erich A. Walter, assistant to the president. President Harlan Hatcher will preside at the convocation and introduce Dodds.

A tea for the honor students and their families will be given at the home of President and Mrs. Hatcher from 3 to 5 p. m.

There are 29 students being honored as James B. Angell scholars (Students with an all-A record for two consecutive semesters) while 605 are receiving class honors for having an average of at least half A and B during the past two semesters. There will be 138 recipients of special awards based on outstanding achievement in particular fields.

The total citations add up to 772, but elimination of duplicates caused by one student receiving more than one honor reduces the total to be honored to 677.

The list of honor students included the following Pointe students:

Barbara L. Eyre, 2158 Hawthorne. Sophomore Honors; Elaine C. Kihen, 1119 Kennington. Senior Honors; Alexander W. Mann, 978 Nottingham. Most Honor Award; Patricia A. Marx, 954 Lakepointe. Senior Honors; Wanda C. Michaels, 404 Manor. Senior Honors; Joanne C. Newell, 1883 Country Club drive. Sophomore Honors; Elizabeth A. Palmer, 378 Mt. Vernon ave. Freshman Honors; Laura L. Smith, 859 Sunningdale. Junior Honors; William Winkler, 35 Fisher road. Senior Honors and Yost Honor Award.

To please a man find out what he wants—what he needs is of minor importance.

Legion Auxiliary News

From Unit 303

By ROWENA WEAVER

Preparations for Poppy Day are occupying members of the American Legion Auxiliary here this week, with observance of the day scheduled for Thursday, May 26. On that day the Auxiliary women will ask everyone in the community to wear a memorial poppy in honor of the nation's war dead.

Poppy Day preparations are being directed by Mrs. Elva Nielsen, chairman of the Poppy Committee of Grosse Pointe No. 303 Unit of the Auxiliary. Working with her on the committee are all members of Grosse Pointe Unit No. 303.

A large corps of volunteer workers from the Auxiliary and cooperating organizations will distribute the poppies on the streets on Poppy Day, and will receive contributions for the Auxiliary's activities for disabled war veterans and needy children of veterans.

The memorial poppies have been received from Veterans Hospital where they were made by disabled veterans under the direction of the Michigan Department of the Auxiliary. Fashioned of crepe paper, with stems of wire, they are accurate reproductions of the European wild poppy which bloomed "between the crosses, row on row," in the World War I battle cemeteries.

Making the poppies is considered highly beneficial for the disabled veterans and gives them an opportunity to earn needed money.

Contributions made to the Poppy Day volunteers are the principal financial support for the Auxiliary's rehabilitation and child welfare activities. With the number of veterans and children of veterans needing aid steadily increasing, Mrs. Nielsen said, the Auxiliary is hoping that everyone will give generous response to the Poppy Day appeal this year.

Peggy Seyburn Braganza Weds George Cheston
The marriage of Mrs. Peggy Seyburn de Braganza to George Cheston, of Philadelphia, took place in Brookville, Long Island on Thursday, May 5. The new Mrs. Cheston is the daughter of Mr. and Mrs. Weston Seyburn, of East Jefferson avenue. Mr. Cheston is the son of Radcliffe Cheston, of Philadelphia. He graduated from Harvard in '39.

SAMMY'S GARDENS

EVERGREENS • SHRUBS • SUPPLIES

We specialize in landscaping and carry large stocks of evergreens.

Week's SPECIALS!

Today, through next Wednesday

Black Dirt TOP SOIL

We Deliver, Yard or Load

Merion Blue Grass Seed 1/2 lb. 3.89
Kentucky Blue Grass 1 lb. bag 1.19
Grass Seed 5 lb. bag .99
Mich. Peat Moss 50 lb. bag 1.29
Cal. Patented Roses 3 bush pkg. 1.19
Beautiful Golden Syringa 1.19
Pyramids, Average 5 ft. 1.69

Large Variety of Vegetable and Flowering Plants

1 3/4 H.P. Wasp Power Mower

4-Cycle Clinton Motor
Regular Price, \$89.00
Special ... \$49.00

FULL LINE SCOTT SEEDS
Fertilizers, Soil Conditioners,
Seeds, Plants and Tools.

15224 E. 7 Mile, at Hayes LA. 7-2171

Viaene's Nursery

21807 Mack Avenue
Between 8 and 9 Mile Roads

Flowering Shrubs
Evergreens
Shade and Fruit Trees

PATIO BLOCKS All Sizes and Colors
PRescott 7-0639

Frolund's

Leaders in Garden Equipment, Plants and Fertilizers

Complete GARDEN SHOP

Selected SEEDS • BULBS • SHRUBS

Frolund's is always your first port for finest quality seeds, bulbs and shrubs. Frolund's serve the Pointe!

Ferry's and Scott Seeds
And All Fertilizers

SPRAYS • WEED KILLERS • INSECTICIDES • SPRAY GUNS

Potted Roses

Lovely rose bushes and trees for those who demand dependable quality.

Healthy Evergreens

Frolund's is renowned for healthy stock in evergreens of all kinds. Make your selection here this weekend.
Proof is in the Growing

GARDEN STAKES • TIE-BACK BANDS • METAL TRELLIS • GARDEN GLOVES

Potted Azaleas Rhododendron Ilex and Pieris

Nice selection of fine garden makers. We advise on all garden and landscaping problems.

POWER MOWERS

Every good make of Power Mower is obtainable here at Frolund's today—Reo Royale, Jacobsen's, Moto-Mower, Mow-Master, Toro and Pencer.

Jacobsen Manor

True Aristocrat of power mowers. Has 21" cutting width and is mechanically the best mower on market.

21" Cutting Edge
only 197.50

HOURS:
Daily to 6:00 p.m.
Evenings 7:00 to 8:30
Sundays 9:00 to 2:00

Telephone—TUxedo 1-6233

20377 HARPER AVENUE, Corner Lochmoor
Grosse Pointe's Garden Headquarters

PLAN before you plant a tree

What are some of the results of unplanned tree planting? You see them daily—heaved sidewalks, sewers clogged by tree roots—and sometimes interruptions to electric service.

Trees growing directly under or too close to power lines can do break the lines or rub upon them and cause trouble. And you may not be the only one affected. Telephone, police and fire department signal lines are very often on the same poles as electric lines. Systematic trimming and removal will eliminate such service interruptions, as well as the potential hazard of having tree-climbing boys touch live wires.

We have prepared a colorful 16-page booklet to help you select the best trees for your home and community. Ask for "Planting for Permanent Beauty" at your Edison office, or write Detroit Edison, 2000 Second, Detroit 26, Michigan.

OPERATION BRUSH CUT

An Edison Tree Control Program Designed to Guard Against Interruptions to Your Electric Service.

Six-man crews under trained foresters work constantly to keep 81,000 miles of lines in service, bringing electric power to you and your neighbors.

They systematically trim or remove problem trees growing under or near power lines.

Treated foresters maintain the beauty of the trees they trim.

When the "OPERATION BRUSH CUT" crew is in your neighborhood... if some of your trees near power lines need attention, your permission will be requested.

DETROIT EDISON

Christian Science Lecture by Dr. Archibald Carey, C.S.B.

Given Under Auspices of the Tenth Church of Christ, Scientist, Detroit, Mich., May 8, 1955

A Lecture on Christian Science

Entitled Christian Science: The Revelation of God's Sustaining Love

by Dr. Archibald Carey, C.S.B. of Detroit, Michigan

Member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts

The lecturer spoke substantially as follows:

Today applied science is rapidly changing our everyday lives. From nylon garments to atomic bombs, modern scientific discoveries are transforming the world we live in. Where our great-grandparents were limited to oxcart and horse, we can use powerful trucks and fast automobiles. In the field of communication, where they used messengers to carry letters written by hand, modern scientific discoveries make it possible for us to use the telephone and talk with someone thousands of miles away as freely as we converse with one in the same room.

Just think what the telephone alone does for our everyday lives. If you want to know the time of day accurately, you use the telephone. You can get the latest weather report. You can telephone an expert on any subject and get the information in complete detail. You can call a department store and have the article you wish delivered to you. You can make appointments and talk with someone thousands of miles away as freely as we converse with one in the same room.

Using a telephone may completely change the picture in a life-and-death emergency. A few years ago a young Indian was traveling through the wilderness in northwestern Canada. There was a blizzard and the snow was so deep that it was impossible to travel without snowshoes. In climbing over a barrier, he slipped and fell, breaking one of his snowshoes. By groping slowly and carefully, he could use the broken snowshoe, but just before it gave way completely he saw before him a small cabin in a clearing in the woods. He managed to get to the cabin and found in it a stove and fuel, but no food. The blizzard continued for some days. The fuel was all gone, and he was getting weak from hunger. Without snowshoes he could not travel, and there seemed to be no way to get help.

When things looked most hopeless, another traveler, lost in the blizzard, stumbled upon the cabin. He too was weak from starvation and in a desperate plight, but as soon as he entered the cabin he saw a telephone. Immediately he called the operator, who connected him with the owner of the cabin. The owner told him of a trap door leading to a cellar in which he would find plenty of food, dry wood, and blankets. A fire being kindled, the traveler warmed, and waited comfortably until a rescue party came.

What changed this whole picture from desperation and lack to comfort and abundance? The fact that one man knew how to telephone. For ages men have forgotten what Jesus taught about scientific prayer and how it may be utilized in healing the sick and sinning and providing one's daily needs.

Scientific Prayer
Then exactly what is scientific prayer? I think we would all agree that prayer is communion with God. But some people doubt that there is a God, or have heard different conflicting descriptions of God. An honest doubt, a refusal to accept blindly what someone else says, is an attitude of sincerity, thought that is entitled to respect. Then is there a God, and what is His nature?

In the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy, which deals largely with the facts about scientific prayer, we find certain synonyms for God which enable us to understand the nature of God. One of these synonyms is Principle. Principle indicates the unchanging nature of God. The word Principle as a synonym for God also shows us that there is one great Principle governing all through universal law. But someone may question whether there is one Principle governing all through universal law. Is it not necessary that there should be such a Principle? In mathematics, if the laws of geometry are in conflict with another, one law would interfere

with the operation of the other, and mathematics would be incomplete. But the principle of mathematics governs through law and maintains its harmony so that the completeness of mathematics is assured. Just so the laws of the universe cannot be in conflict with each other if we are to have laws upon which we can rely. There are reliable laws accepted by all scientific investigators, because their efforts are devoted to the discovery of such laws. And if there are reliable laws, there must be one great Principle governing and harmonizing them all. It is essential to the existence of dependable laws that there should be such a Principle. So we can see that this Principle must exist.

God as Principle
Are there facts that we know with certainty about the nature of God? There are, and there are a number of things that must be true. Because Principle maintains the harmony and existence of the universe through law, the Principle is therefore good, and it exercises its effect in all the laws of the universe are based upon this Principle, and there can be no others, there is nothing to which this Principle is not good. Therefore, since Principle is good, and there is nothing to which it is not good, we must recognize this Principle as wholly and completely good.

Then there are other things that must be true about it. Inasmuch as this Principle governs and maintains an intelligible, understandable universe, including intelligent man, and including also under its control the laws of intelligence by which intelligent man is able to comprehend this universe, the Principle could not be less than intelligent. Being intelligent, it must comprehend the laws and facts that are based upon it. Since all the laws and facts that exist are founded upon this Principle, it must include within the scope of its comprehension everything that exists and can be known. Hence it must be complete intelligence or perfect intelligence.

Being intelligent, it must recognize and appreciate the goodness and harmony of the realities that are based upon it. It is the nature of love to discern and appreciate goodness. So this Principle, which completely intelligent Principle to the good, harmonious realities that are based upon it must necessarily be that of perfect love. The very nature of this Principle must be love.

Because Principle is the foundation of all the phenomena of life, we can think of it as the very essence of life, or Life itself. Since everything that is true is based upon Principle, and nothing can be true that is not founded upon it, it can be considered as synonymous with truth, or Truth itself. Unlimited by time or space, always and everywhere active and powerful, we can speak of it as Soul. Because it includes in its eternal oneness and aliveness everything that exists, establishing and maintaining the identity of each individual, it can be spoken of as Mind.

So these synonyms for God which we find in the Christian Science textbook enable us to understand the nature of God, divine Principle, Life, Truth, Love, Soul, Spirit, Mind. We are able to have no intelligent doubt of the existence of God as He is so described. And we see, too, that there can be no logical denial that these synonyms accurately set forth the nature of God. Here is a God who must necessarily exist, to whom we can pray.

The Nature of God
There can be only one God, one Principle of harmony. If you had two principles of equal power, you would still need another principle to harmonize these two; so there can be only one God, one Principle, one God, one God who is to pray to God, our prayer must be directed to this one God. Prayer directed to anything less than this one God could not produce results. Some people doubt the efficacy of prayer because God has been misrepresented to them, and they who have tried praying to a God who does not actually exist. There is no God who maintains an ever-changing personality. There are ever-changing personalities, but there is no God who loves some of His children and is cruel to others. There is no God who sends sickness and death to some and health and happiness to others. Prayer directed to such a God would lack the efficacy and power to heal that we find in scientific prayer directed to the true God who really exists.

There is no God who punishes religious people who do not understand the nature of God and it is impossible to emulate the herding of Christianity. They are not directing their prayers to the one Supreme Being, the unchangingly good God, who is unvarying Love, who is infinite Mind.

Because God is Love, unchanging Love, He is always ready to help His children. Because God is infinite Mind, He has unlimited resourcefulness to meet their needs. Because God is eternal Life, there is in fact no sickness or death, and the health and healing prayer with God, who is infinite love and wisdom and abundant life, who is able to help us, is surely worth while. God loves man. It is His purpose that we should be happy, healthy and abundant. Should we not open the way to receive God's abundant blessings through scientific prayer?

Man's True Identity
In the scientific consideration of prayer, as in the scientific consideration of any subject, it is important to make an intelligent distinction between what is true and what is false. In the scientific study of the human mind, scientific facts and mortal mind, which temporarily seems to accept as true, things that are not scientific facts. For example, you know how to add, but your false self may tempt you to accept as true a false addition. You really know the facts with scientific accuracy, and can detect and correct the mistake. A mathematical mis-

take, all in your own handwriting, may be lying on the table in front of you, but you still know how to add. You would not say, "New I don't know how to add." You can correct the error of the mistake and so get rid of it, because the false self and its mistakes cannot resist the power of Truth. In any science, you must constantly correct the false testimony of the false mortal self with the facts which you intelligently recognize. It is important and scientifically accurate to recognize your real self, the true self that knows the truth, to distinguish it from the false mortal self that seems to experience mistakes in mathematics and other things that are not based upon Truth, God. So in scientific prayer, we recognize our real selves in the words of the Bible, "Now are we the sons of God" (1 John 3:2).

The Nearness of God
You can open the way for God to help you through scientific prayer. God is not far away, but is here, now, closer than the air we breathe, because man, the expression of God, cannot be separated from ever-present Principle. Love and power are all around you, and He loves to help you. Then can we use prayer and get definite results? Yes, but we must know how to use it. The young Indian who was in the cabin during the blizzard could not get help because he did not know how to use a telephone. To get results with prayer we must know how to use it. Many are not receiving help because they do not know how to make use of scientific prayer.

How do we learn how to make practical and effective use of scientific prayer? When we approach any scientific subject we naturally turn to books that deal accurately with the subject, and we can learn about the use of scientific prayer in just this way. We are all familiar with the Bible and its collection of experiences of those who have understood the nature of prayer and how to use it effectively. The study of the Bible is indispensable to anyone who wishes to be thoroughly informed about what has been accomplished through the use of prayer, and Christian Scientists use the King James Version for daily study. Another book, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, the textbook of Christian Science, is of much later origin and is of equal importance to a student of this subject. It explains the Bible and shows us how to make practical use of it.

Mary Baker Eddy
The discovery of Christian Science and the establishment of its organization is an interesting story. Mary Baker Eddy, the Discoverer of Christian Science, was a highly intelligent woman. Her writings show that she was familiar with ancient and modern philosophies and religions, as well as the most advanced scientific thought of her time. She was reared in a Christian home, and from her early years she was deeply religious. As she grew up and began to think for herself, she could see no reason for the conflict that seemed to exist between science and religion. If science is based upon an honest search for truth, if religion deals with the truth about God and man, why should there be any conflict between them? If the goal of science is an understanding of facts and laws, and if Christianity is setting forth the facts about the nature of God, why should not Science and Christianity be one? And why should not a scientific understanding of the laws of God enable us to make use of these laws in prayer? How were they used by Jesus and his apostles?

An incident occurred which brought a practical answer to her questions. She met with an accident that was expected to prove fatal. She took the Bible and studied the account of the healing by Jesus of a palsied man. She caught a glimpse of the fact, that this must have been due to the operation of law, and that the same divine law of God which was applied by Christ Jesus must be available to her. This realization of the unchanging nature of the law of God made such an impression upon her thought that she was able to "make the whole thing take place." She was instantly healed. She saw immediately that this was an indication of the method of healing used by Jesus. She realized how important it would be to mankind if Jesus' method of healing could be discovered; so she dropped all other activities and devoted her entire attention to a study of the Bible, giving special thought to Jesus' teachings and works.

Christianity Applied
By applying to Christianity the scientific method which looks for facts and laws instead of emphasizing the supernatural and miraculous, she discovered the divine facts that Jesus had used and the methods of practically applying them to human needs. This was truly the Science of Christianity, and she called her discovery Christian Science. In order that this healing truth might be made known as quickly as possible to the great numbers who were ready for it, with the co-operation of those who had been benefited by her teachings she founded the Christian Science movement. So the Christian Scientist recognizes Mary Baker Eddy as the Discoverer of Christian Science, as the Founder of the movement through which this Science is reaching mankind, and as the Leader whose clear perception of Truth has led them, and continues to lead them, to health and harmony, success and happiness.

Her book, "Science and Health with Key to the Scriptures," explains the Bible teachings, and makes a distinction between the Christ, defined as "the divine manifestation of God, which comes to the flesh to destroy incarnate error" (p. 589), and Jesus, defined in part as "the highest human corporeal concept of the divine idea" (p. 589). Because Jesus so fully exemplified the eternal Christ, he was known as Christ Jesus. The eternal Christ always has expressed and always will express the true nature of God. Perhaps one of the simplest ways to understand the practical nature of the gospel Christ is to think of the Christ as a way of living, the perfect way of living. Both the Bible and the Christian Science textbook speak of the Christ as the Way. As our way of living approaches more and more the divine manifestation of God, incarnate error is destroyed and true salvation is attained.

Salvation, then, is a present experience. The power of God, understood and demonstrated, saves us from all evil, including disease and lack as well as sin. This is true salvation, complete and eternal.

How do we make practical use of scientific prayer? In music, in mathematics, or in any of the sciences, we naturally turn to books that give us the ability to get results. We naturally turn to the methods of those who have been most successful. The records indicate that the most effective prayers of all time were those of the great healers. We must demonstrate through prayer divine power that has been unparalleled in history. His disciples naturally wished to learn how to pray as he did, and in answer to their questions he gave them an example of effective prayer, which is known as the Lord's Prayer. It is the outstanding example of scientific prayer.

The Lord's Prayer
"This prayer begins, 'Our Father which art in heaven,' which is explained and interpreted in the Christian Science textbook as, 'Our Father-Mother God, all-harmonious Christian Science' (p. 16). This is the one God, divine Principle, Soul, Spirit, Mind, Life, Truth, Love.

The next part of the Lord's Prayer identifies the one who is praying. He is identifying by his attitude toward God and man and him expressing his complete acceptance of God's will: "Hallowed be Thy name. Thy kingdom come. Thy will be done in earth, as it is in heaven." The word "Thy name" comes from the same root as "hale," "healthy," "whole," "holy," meaning perfect and complete. The word "name" as used in the Bible frequently refers to "nature"; so the prayer for that which has been changed, he changed his name from Saul to Paul. So the words, "Hallowed be Thy name," expressed her desire that the name should be fully and perfectly and completely manifested and expressed. The following statement, "Thy kingdom come," shows complete acceptance of God's will, and the next one, "Thy will be done in earth, as it is in heaven," reiterates this acceptance of God's government in every detail of experience.

The next statement is, "Give us this day our daily bread." We look to God alone, for everything that is needed in our daily experience to bring out health and abundance and happiness. We look to God for everything that we need for the fulfillment of these right desires. We look to Him for inspiration and vision. In the Christian Science textbook (p. 17) this is interpreted as, "Give us our daily bread for today." True prayer acknowledges God as the only source of good, realizing that He has lovingly supplied all good and abundantly met our every need. We are ready for the fulfillment of these right desires. We look to Him for inspiration and vision. In the Christian Science textbook (p. 17) this is interpreted as, "Give us our daily bread for today." True prayer acknowledges God as the only source of good, realizing that He has lovingly supplied all good and abundantly met our every need. We are ready for the fulfillment of these right desires. We look to Him for inspiration and vision. In the Christian Science textbook (p. 17) this is interpreted as, "Give us our daily bread for today." True prayer acknowledges God as the only source of good, realizing that He has lovingly supplied all good and abundantly met our every need. We are ready for the fulfillment of these right desires. We look to Him for inspiration and vision. In the Christian Science textbook (p. 17) this is interpreted as, "Give us our daily bread for today." True prayer acknowledges God as the only source of good, realizing that He has lovingly supplied all good and abundantly met our every need. We are ready for the fulfillment of these right desires. Devil Track Team Scores Big Win Over Royal Oak

Grosse Pointe's once beaten track team upset the Border Cities League apocryph last Tuesday, May 3, when it scored a thrilling 57 to 52 victory over the favored Royal Oak Acorns on the local track.

After 12 track and field events, in which the score repeatedly changed hands by the narrowest of margins, it was a new track meet with each team holding identical scores of 52 points each.

Ignore the Script
All that was left was the 880 relay, which on paper the Acorns were supposed to take handily. But Coach Howard MacAdam's 880 quartet, Stuart MacDonald, Bruce Chambers, Joe Braden and Tom Demorest, forgot to read the script. At the crack of the starter's gun the Pointers' relay combination jumped into an early lead and fought off the Acorns at every turn to win the final event of the meet and the Blue Chip meet of the current Border Cities League race for the crown. The victory assured the Blue Devils of second place in the league race and a chance to share the crown with Fordson if the Devils could take the final meet against the Tractors on Wednesday, May 11, on the Fordson track.

Coach Guessed Right
Prior to the meet Coach MacAdam gazed into his crystal ball and predicted the final outcome of the Royal Oak meet right on the nose, but before the final event was run he had some anxious moments.

On paper MacAdam figured Royal Oak for a sure 46 points and his own team for 45 sure points. He was banking on the seconds and thirds to pick up the slack for the Pointers.

The blow that almost broke the Devils' back came in the second track event, the three-quarter mile relay. In this event Roger Duerksen's pass of the baton to Neil Vanover went amiss and Vanover groveled around in the dust for the fallen baton as the Acorns' second runner sped on his way to an easy victory.

MacAdam had stacked the relay event in hopes of pulling an upset and when the baton was dropped all seemed lost. However, the Devils rose to the task at hand and staged one of the greatest comebacks seen on the local track in years.

Kochler Wins Hurdles
The Acorns jumped into a 5 to 4 lead in the first track event, the 120 high hurdles when John Kochler led the Devils' Tom Demorest and Todd Price to the tape by an eyelash.

The fouled up three quarter mile relay gave the Acorns a 10-4 lead and Ralph Forbes and Don Otero appeared to seal the Devils' doom when they finished in that order ahead of Bob Bell in the 100 yard dash to make the score 18 to 5 in favor of Royal Oak.

Denny McGinty's sparkling near record mile victory set off the fuse that fired up the Pointers for their uphill battle. McGinty and his teammate Bill Walker finished one-three with the Acorns' Clarence Heather taking second. McGinty toured the distance in 4:40.5, just two fifths of a second off the school track mark set back in 1937 by a long

gone but not forgotten fellow by the name of Braund.

Chambers Wins 440
Bruce Chambers scored 1 1/2 the craters as he led his teammates Hal Bailey and Dan Bauer to a grand slam in the 440. John Kochler became the meets only double winner when he came back to beat Bob Bell and Tom Demorest in the 200 yard low hurdles in that order.

Stuart MacDonald saved the Pointers from being skunked in the 220 when he took third behind Don Otero and Ralph Forbes who finished one-two.

Dave Whittingham and Tom Barry placed first and third in the 880 run with Steingard taking second for the Acorns. This was the second last track event of the meet and set the stage for the thrilling finish which had the big bipartisan crowd standing on the bleacher seats.

Field Events Helped
The field events were held before the track events got underway and the Pointers dominated them by virtue of a three way tie in the pole vault which saw Dave Urban and Keith Barry tie Royal Oak's Norcroft for first place.

The shot put was won by the Acorns when Ed Bartz hurled the iron ball 46 feet eleven and one half inches with the Devils' Dick Oslus taking second ahead of the Acorns' Bob Walsh.

Cliff Jenkins and Bob Mathews placed first and third in the high jump with Jim Elierksen giving Royal Oak second place. Bob Gilbert leaped 19 feet 3 inches to win the broad jump from the Acorns' Roger Sides with Bruce Chambers taking third for the Pointers.

Summary
Grosse Pointe 57, Royal Oak 52.
120 high hurdles: Kochler (RO), Demorest, Price (GP). Time 15.6.
3/4 Mile relay: Royal Oak.
Time 2:41.5.
100 yard dash: Forbes, Otero (RO), Bell (GP). Time 10.8.
1/2 Mile run: McGinty (GP), Harder (RO), Walker (GP). Time 4:40.5.
440: Chambers, Bailey, Bauer (GP). Time 55.1.
200 low hurdles: Kochler (RO), Bell, Demorest (GP). Time 21.1.
220: Otero, Forbes (RO), MacDonald (GP). Time 23.6.
880 run: Whittingham (GP), Steingard (RO), Barry (GP). Time 103.8.
800 Rel: Grosse Pts. (MacDonald, Chambers, Braden, Demorest). Time 1:37.2.
Shot Put: Bartz (RO), Oslus (GP), Walsh (RO). Distance 46' 11 1/2".
Pole Vault: Urban, Berry (GP) and Norcroft (RO). Tie height 10'8".
High Jump: Jenkins (GP), Elierksen (RO), Mathews (GP). Height 5'7".
Broad Jump: Gilbert (GP), Sides (RO), Chambers (GP). Distance 19'3".
Three-fourths of the world is flat—no wonder we all feel so much at home.

New Rules for Mackinac Race

Some very important changes effecting the 1955 Bayview Yacht Club-Port Huron to Mackinac race have just come to light and they are the results of the initial thinking of last year's race chairman Lynn Stedman, Jr., and numerous meetings of various members of the Detroit Cruising Club and officials of Bayview during the winter.

The announcement was made by the 1955 race chairman Don Johnson who says: "These changes have been made in order to inject a greater element of safety in the Mackinac race, to clearly define and properly classify Cruising and Racing boats, to stimulate more interest in the Racing division, to provide more interesting racing by permitting flexibility in four classes." Johnson continued: "We believe these changes will be a great improvement in our Mackinac race."

Because the new rules changes are so important to sailors competing in the Mackinac race we feel they should be published in their entirety as follows:

(1) Under the ELIGIBILITY Section, all competing yachts will be required to have selfballing cockpits. Prior to this time boats having watertight cockpits ONLY qualified for entry.

(2) Under the DIVISION and CLASSES Section, the following rules will apply:

The Fleet shall be divided into two divisions, Cruising and Racing. The Cruising division will include all yachts whose fore and aft overhang combined do not exceed one third of the overall length; whose ballast displacement ratio is less than 46 percent; whose beam-length ratio is no less than one to five. All yachts competing in the Cruising division must be equipped with a permanently installed and adequate engine fitted with shaft and propeller. These yachts must carry sufficient fuel, in permanently fixed tanks to permit them to operate under power for a minimum of five hours.

The Cruising division will be divided into four classes based on rating. Class A will be the highest rated of the group. The actual division of the fleet will be announced by the race committee the day prior to the race start.

The Racing division will include all yachts not eligible under the limitations of the Cruising division requirements, and all yachts so classified at the discretion of the race committee.

(3) Under the MEASUREMENT and RATING Section, all yachts in both Racing and Cruising divisions will be measured and rated under the current Cruising Club of America Rule, and must present a measurement certificate issued after January 1, 1954, filled in and signed by the measurer of a recognized yacht club.

Submit April Health Report

Dr. Thomas Davies' health report for the month of April, showed that of the communicable diseases contacted during the month, chicken pox is still holding its place as the number one disease.

The report revealed that 49 cases had been reported in the Grosse Pointe Health District for the month; 29 in Harper Woods; 16 in the Woods; and two each in the Park and City.

Lining up as a good second is mumps. The total for April came to 32. Of this number, 11 were from Harper Woods; eight from the Woods; seven from the Park; four from the Farms, and two from the City.

The Woods reported the only case of Infectious Hepatitis; the Park the lone case of Pertussis; and Harper Woods the only ringworm case.

There were five cases of Scarlet Fever; two in Harper Woods; and one each in the Park, Farms and Woods.

The Woods and Harper Woods reported two cases each of measles.

There were 34 animal bites made known; eight each in the Farms and Harper Woods; six each in the Park and City; five in the Woods; and one in the Shores.

Police Trained To Detect Drunks
A few short months ago, the Grosse Pointe Park Police Department concluded a training program which provided the officers in that department with the means to determine the degree of intoxication of a driver for Drunk Motor Law violation.

Chief Louwers reports five drivers tested for driving under the influence and in each case the driver was intoxicated beyond the .15 percent which is ordinarily used as the indication point that the operator is drunk.

Dr. Clarence Muehberger of the State Department of Health conducts the analysis of the breath sample taken by the officer. This procedure removes all doubt since he is a qualified chemist.

To date on five tests taken, four either pleaded guilty or were found guilty before Municipal Judge C. Joseph Belanger.

Track Master Entertains Devil Thinclads

MICHAEL "DAD" BUTLER posed with a group of Grosse Pointe Blue Devils before the Royal Oak meet, Tuesday, May 3, which was won by the Pointers, 57 to 52, and vaulted them into contention for the Border Cities League title. "Dad" told tales of great track stars he coached while he was at the Chicago Athletic Club at the turn of the century. "Dad" Butler, now 85 years old, lives with his daughter, Mrs. James Quello, and thinks the Pointe is wonderful. Left to right, first row: ROGER DUERKSEN, BUTLER and BOB PRINCE. Back row: DAN BAUER, TOM DEMOREST, BOB BELL, STUART MACDONALD and COACH HOWARD MACADAM.

Boat Banter

By Fred Rannels

The announcement that the new class of Junior Knarrs were going to be listed to start with the popular and active Privateer class in the inter-club weekly races caused quite a commotion.

That is until DRYA Rear Commodore Hall Smith, DRYA secretary Henry Schuck and race chairman Art Summerlee of the Detroit Yacht Club and Dick Brand of the St. Clair Yacht Club got together and ironed out the mistake.

Prior to the meeting secretary Schuck had sent memos to the various yacht clubs informing them of the new starting lineup for regattas which is supposed to enable race officials to get the fleet off over a shorter length of time.

This straight thinking group saw the possibility of fouling up the start of a good one design class and decided intermixing the two classes wasn't a good idea.

Same is what the Privateer class will have its own starting time and will be followed by the Luader class which in turn will be followed by a grouping of four smaller classes which includes the C boats, Universal B, Crescent Class and Junior Knarrs.

In past years the C boats have been lacking in enthusiasm and even as late as last season only once did more than two show up at the starting line. The Universal B class is a mixture of small boats that are of the odd variety and only four have been showing up for starts recently.

The new Crescent class, a fiber glass boat built by Dick Hill, can boast of two yachts at present. Nils Lucander, who has been spearheading the Junior Knarrs class, says there will be eight of the Swedish built sloops racing here this summer.

Art Summerlee, never one to take a back seat when he has something to say, said "That may be all well and good to say they will have eight boats in that class but I've heard the wind blow before so we will put them in with these other classes until they prove themselves. We don't want to do anything to hinder an already established one design class like the L boats, Privateers and Luters."

Nagel Buys A Raven
Bill Nagel, past commodore of Bayview, stirred up a hornets nest recently when he bought a 23 foot Raven sloop and when asked why he retorted "I wanted to get into a class that has a lot of tired old men sailing and win some boat races." That statement made the hair on the back of some necks fairly bristle.

Guys like Boyd Benkert, this year's National Raven president, Bob "Chum" Kerr and Gharley Beck two of the originators of the class, around here back in 1949.

Of course Nagel has the happy faculty of making out smelling like a rose. He just does it in an argument of Bill has two strikes on you before you open your mouth.

Incidentally, Nagel will have his "Balquhider" crew of Ed Desmond and Johnny Nicol sailing with him this year on his "Naraka". We asked O' Bill where he got that name and he explained it comes from Hindu religion which has twenty-eight divisions of, pardon, Hells. Nar-

Monroe Tennis Team Beats Devils To Halt Win Streak

The Monroe Trojans sprung a surprise last Tuesday, May 3, on their own courts, and handed coach Bud Kurvink's hitherto unbeaten Blue Devil tennis team its first loss of the season to the tune of 4 to 3. The defeat forced the Pointers into a three-way tie with once-beaten Royal Oak and stamped the Royal Oak match on Tuesday, May 10, a do or die match as far as the Devils' title hopes are concerned.

Monroe wasn't figured to be tough, but the Devils, apparently flushed with overconfidence or impressed with their press clippings, managed to make enough mistakes to allow the Trojans to take the number one singles and all of the doubles matches by close scores.

Three days later, Friday, May 6, the Blue Devils, bent on proving to their coach they weren't about to let him down with the title within reach, slammed the Fordson Tractors, 7-0, on the local courts.

Foster Hoffman began the Pointers' downfall in the Monroe match when he tripped Bill Hotchkiss 10-8 8-6 in the number one singles. Tom Watson turned Hotchkiss 10-8; 8-6 in the number two singles to win 6-0; the tables on Bill Vitale in the 6-2 and Bill Bryant won the number three singles in easy

fashion from Monroe's John Goetz 6-1; 6-1.

Eddie Pongracz had trouble winning the number four singles but managed to squeeze by Loren Stark in three sets 6-1; 4-6; 9-7.

In the doubles it was all Monroe with Harry Harkime and Jim Boos teaming up to beat Tom White and Pete McGrath 1-6; 6-1; 6-4 and Charles Brusco and Don Davis whipped Ethan Pawsat and Rick Champion 6-3; 2-6; 8-6. Ken MacDonald and Bill Leonard experienced the same fate as their teammates when they bumped into Arnold Price and Dan Franks and lost the number three doubles in straight sets 7-5; 7-5.

In the Fordson match the Devils won all matches in straight sets with Hotchkiss tripping Sam Chiodo 6-3; 6-1. Watson dumping John Matthews 6-2; 6-0. Bryant lacing Dick Lubrenski 7-5; 6-0, and Leonard topping Denny Colovas 6-1; 6-3.

The doubles matches saw the same results with White and Pawsat downing Don Schultz and Bill Mittig 6-4; 6-4. Pongracz and Champion beating George Lampros and Phil Sotiroff 6-1; 6-4 and McGrath and MacDonald thumping Hector Peshkopia and Mario Colalucia 6-1; 6-1.

The Devils victory over Fordson in the second meeting was the same as in the first meeting on the Tractors' home courts. On the other hand Monroe's victory in the first meeting of the home and home series between the two schools stamps the Trojans as a serious threat to the Blue Devils' bid to retain the league title won last year.

Over the years the Trojans have been a stumbling block for the Pointers. It was Monroe who stall Grosse Pointe's longest consecutive dual match winning streak at 67. That's when Larry Westerfield was charting the Pointers' tennis fortunes.

Then once again the Trojans halted a long streak when Merlin Schultz was plotting the Pointers. This time, if memory serves, the streak stood at 38 wins. Can it be Monroe he designs on smearing another blotch on the Pointers' bid for the title. Already they have spoiled an unblemished slate for 1955.

St. Paul Remains Unbeaten; Beats Nativity, St. Charles

By Dan Wemhoff

Five in a row with four left. That's the status of the sizzling St. Paul Flyers at the completion of last week's action as they continue to ride the crest of the Parocian League standings in unbeaten style.

The two victories of last week were 4-1 conquests over Nativity and 8-0 over St. Charles. Both were the results of some nifty pitching by lefthander Bob Wright as he set down the opponent with 2 and 3 hits respectively to keep his team in pace with St. Thomas which boasts of the same record.

Gain Sweet Revenge
The more important of the two triumphs was against Nativity in near 90 degree heat, Tuesday, May 3. It was sweet revenge for the Flyers who lost to this team last year when they were only one game away from the championship.

Three runs in the second inning were enough for the win although St. Paul poked out only five hits off Nativity pitcher Schornak.

Wright, who posted his fifth straight win, knocked in the first run of the game in the second inning when he doubled to score Bob Keller. Wright also scored the final run in the fourth inning when he singled and stole his way to third, from where Dan Monahan sacrificed him in with a towering fly to left.

Get Run on Walk
Nativity didn't score its only run until the fifth when two walks, 2 stolen bases and a sacrifice fly netted the single tally. Wright had held the Vikings to just three hits up to that point and continued to hold them hitless for the remainder of the game.

St. Charles was next on the schedule last Friday and provided the least opposition any team so far this season.

They only garnered two singles off Wright as he set down 13 batters on strikeouts. This was Wright's best pitching performance so far this year.

Three Runs in First
St. Paul scattered its eight runs over the seven innings, their biggest uprising coming in the first when they crossed the plate three times.

Only six hits were collected off two St. Charles' pitchers but speed on the bases plus some fine executions of the hit-and-run play produced the majority of the eight runs.

The three in the first were scored without the help of a hit. Chuck Gallucci led off with a walk and after two pop outs moved to second as Jim Lon-

baro also received a base on balls. Dan scored a minute later as Bob Wemhoff reached first on an error, stole second and scored when pitcher Wright, also was safe on an error.

Lombardo Gets Triple
The Flyers scored one more, to make it 4-0, in the second and came back to push it to 6 in the third. Lombardo, who went into the game batting .461, led it off when he whacked a triple into centerfield and then scurried home a minute later.

St. Paul was held hitless by the second St. Charles pitcher, a lefthander, until the sixth when they notched their seventh run on Gene Graham's triple.

To Meet Tough Ones
Although three of the final games are at home the Flyers look with no joy to the teams they have to play. Two of the next three squads are with the toughest squads in the league which will no doubt make or break the Flyers in the drive for the championship.

St. Florian was the visitor this past Friday, May 13, the only Friday game on tap at Kirby this year. St. Paul will play host to St. Thomas on Tuesday, May 17.

Girls' Volleyball Teams to Meet
The Girls' Volleyball Tournament will begin on Thursday, May 19, with all games being held on Thursday evening at the Neighborhood Club. Pauline Masak would like to have all entry fees and complete team line-ups in by this evening, Thursday, May 12.

Laurie Kautz, Gracie Gararato, and Sue D'hoog have already entered their teams, along with the WAFS from Selfridge Field.

Two Losses in Row Blast Devils' Chances for Title

Coach Ed Wert's defending Border Cities League baseball champions took it on the chin last week when they dropped ball games to Monroe, 4 to 2, and Fordson, 8 to 2.

With five games left on the schedule the Blue Devils have an uphill fight if they hope to regain the league bunting. At this point, and it is by no means conclusive, Highland Park is riding in first place with one defeat.

Charged With Losses In both games played last week Bob Marcereau was charged with the defeats. Against Monroe on Tuesday, May 3, Marcereau relieved starter Bill Ross who lasted only two complete innings in which he gave up 2 runs, 4 hits, struck out 1 and walked none.

Grosse Pointe started the scoring when Second Baseman Jim MacMillan was safe on an error by the Trojan shortstop. Nick Genova walked and Shortstop Bill Dow grounded out, pitcher to first. Genova was picked off second as MacMillan stood on third. Catcher Don Eugenio singled to right field scoring MacMillan but the rally died there when third baseman Sam Mocerri flied to centerfield.

Jump On Ross In the bottom of the second inning Monroe jumped on the offerings of Bill Ross and belted out four hits to score two runs to take the lead. Both runs were earned.

Grosse Pointe came back in the top of the third to tie the score at two all when MacMillan was safe on a fielder's choice and went to third when Genova singled to centerfield. Dow was safe at first when the Trojan's shortstop failed to field his hard hit ground ball and MacMillan raced across the plate with the tying run. However, Eugenio, Mocerri and Ireland were retired in order to halt the rally.

Win On Error Monroe went ahead in his half of the third inning when Catcher Jeric walked and went to second as First Baseman Mulcahy was being thrown out by Marcereau. Leftfielder Duffy was safe at first on Dow's bad throw and Jeric scored what proved to be the winning run on the error.

The Trojans struck again in the fourth inning but it proved to be an insurance run.

Monroe collected 8 hits to produce their four runs and committed three errors. The Pointers had seven hits for two runs and committed only one miscue, but it was a costly one.

On Friday, May 6, the Pointers entertained Fordson, who won the first game of the season 2 to 1 despite the one hit performance turned in by Marcereau at that time.

No Repetition In that game Jerry Callaway gave up two hits to the Devils, but got credit for the victory. On Friday the fans were expecting a repeat performance of that first pitching duel between Marcereau and Callaway but it didn't turn out that way. The Tractors jumped on Marcereau in the top of the first inning for two runs on one hit and an error and increased their lead to six when they scored four more in the second inning on three hits and another error.

The Devils collected their only two runs in the bottom of the fourth inning when they solved Callaway for three hits, but the rangy lad shut the door from there on in and coasted to victory as his teammates produced two more runs in the sixth to make the score 8 to 2.

Struck Out 13 Callaway allowed six hits while striking out 13 and walking two. Marcereau allowed all eight runs while giving up eight hits, walking two and striking out one.

Coach Wert wasn't on hand when the Pointers dropped their second game of the week. He was attending a football clinic and turned the team over to his assistant coach Ernie Bauer, who did a good job masterminding the Blue Devil strategy, but could do nothing to stop the Tractors' base hits.

Just Misses Mile Mark

HIGH JUMPER CLIFF JENKINS, left, and JIM OGDEN, right, aid miler DENNY MCGINTY after he had narrowly missed establishing a new school track record in the mile run during the meet with Royal Oak on Tuesday, May 3. McGinty was the class of the field of six runners as he toured the distance in 4:40.5, which was two-fifths of a second off the school standard set back in 1937. It was McGinty's last home meet and last chance at the mark.

Lt. Gov. Hart To Toss Ball To Open Babe Ruth League

Lieutenant-Governor Philip A. Hart will make one of his frequent public appearances in the Grosse Pointe area when he throws out the first ball to open the Grosse Pointe Woods Babe Ruth League's initial season on Saturday, May 21.

Hart is expected to join a pre-game parade which is to form at Mack avenue and Torrey road at noon. The parade will march at 12:30 p.m.

After a brief opening-day ceremony at the Grosse Pointe University School field, the league will kick off its season with three games, starting at 1:30 p.m.

The six league teams and a number of associated farm teams now being planned will march in the parade.

The farm teams were made necessary, according to Vincent E. Buttery, league president, because of the large number of player candidates who turned out for the league. Approximately 150 boys have indicated their intention to play and have attended the league's three tryout sessions.

The teams were selected Monday night in a player auction held at Parcels Junior High School under the direction of Carl B. Wheeler, selection chairman.

Final league event before the opener will be a fathers' rally to be held at Parcels School at 8 p.m. next Monday, May 16.

At that time, the membership will be asked to approve by-laws and a constitution drawn up by the board of governors. Details of the scheduling, organization and the opening day program will be given the fathers.

The rally program will include the showing of the Stanley Cup playoff games. Commentator for the firm program will be Fred Huber, public relations director for the Red Wings.

LEAVES EMPTY HANDED The burglar who broke into the Lochmoor Club locker room and pro-shop on Thursday, May 4, did not take anything, according to information released by Henry Marchand, except possibly two pairs of shoes.

St. Paul Second In Swim Meet

St. Paul High School's newly formed girls swimming team gained second place honors last Wednesday, May 4, in the first all girls' Parochial High School Swimming Championships held in the Visitation High School pool.

Other St. Paul ribbon winners were: Christine Geist, Marilyn Marks, Nancy Lemhagen, Mary Lou Louwers, Mary Sepic, Mary Moxley, Sue Geniner and Beline La Hood. Beline scored surprise place points.

Eighteen schools were entered and 181 girls participated. Immaculata High School won the title with the St. Paul mermaids gaining runner-up honors with co-captains Joyce Barton and Felice Reaume leading the way.

Joyce captured second place in the diving event which drew one of the largest entries of the meet. Felice captured second place in the 50 yard breast stroke and then joined Mary Lou Miller to take second place in the 100 yard medley relay.

Because of the huge entry all events were comprised of heats in which the girls raced against the clock with the fastest time taking first, the second fastest second, etc.

LITTLE LEAGUE FARMS "And Still They Come—And Still The Wonder Grow." The Farms Little League sends its sincere thanks to the more than 700 friends who swarmed Neighborhood House for the Pancake Dinner. Over 600 people were served and our apologies to the more than 100 well wishers who were turned away.

CITY The final tryout times for new boys at the Neighborhood Club, Saturday, May 14, are as follows: 10-12 noon—11 and 12-year-olds. 1-3 p.m.—and 9-10-year-olds. A manager and coaches' meeting is scheduled for Monday, May 16, at 8 p.m. at the Neighborhood Club for the players auction.

Young Married Couples Holding Square Dance The Young Married Couples Club of the Grosse Pointe Woods Presbyterian Church is sponsoring a square dance on Friday night, May 13, at 8:30 p.m. The callers will be Mr. and Mrs. Wes Rea. Donation at the door will be \$1.00 per person, which will include the ticket and special refreshments. Everyone in this area is cordially invited.
