parking control working to improve both," Louwers said.  
The equipment that would be used by the patrolwoman would be a small motor scooter with possibly a side car, but not necessarily. "We run into the problem now that a squad car ticketing a parked automobile, many times impedes traffic flow," Louwers explained.  
"Take Charlevoix, for instance. A narrow thoroughfare. Autos are usually parked bumper to bumper so that when a patrol officer sees an infraction, he has to stop his squad car in the driving lane. If traffic is heavy, negating the possibility of passing by pulling out into the oncoming lane, then you have a point of congestion. A small motor scooter would not cause this."

Louwers also pointed out that the ticketing patrol car is a useless item. "So long as the patrolman is giving a parking ticket, he is not functional for moving traffic control."  
In support of his idea, Louwers also cited the great increase in consumer owned autos. "Cars on the road have almost doubled since the war and with the present automotive production rates, they stand to increase. This of course brings up the question of what to do with them or the parking problem. It's not going to get any better," Louwers warned. "Thus the need for increased control."  
If the request is approved by the park council, the patrolwoman would be employed and trained immediately. This means that she would be put into service sometime in the middle of July.

Her capacity would be as an employe of the police department, but not an actual member of the force. The department now employes six such part time officers for school crossing duty. "The patrolwoman, though, would be a full time employe with full police power for parking control," Louwers said.

Along with the quest for the patrolwoman, the police department is also asking the council for motorcycles. "With traffic congestion at rush hours, motorcycles are far more effective than squad cars," Louwers said. "There are many times when, because of the pile-up of cars, our squad cars cannot catch moving violators."  
Motorcycles, far more fluid in heavy traffic, would solve this problem, Louwers feels. The first request to the council is for only one cycle. "If the need arises, we would then expand," Louwers said.

At any rate, with pretty police ladies and dashing motorcycle patrolmen, the Park Police Department's face lifting should be an interesting one.

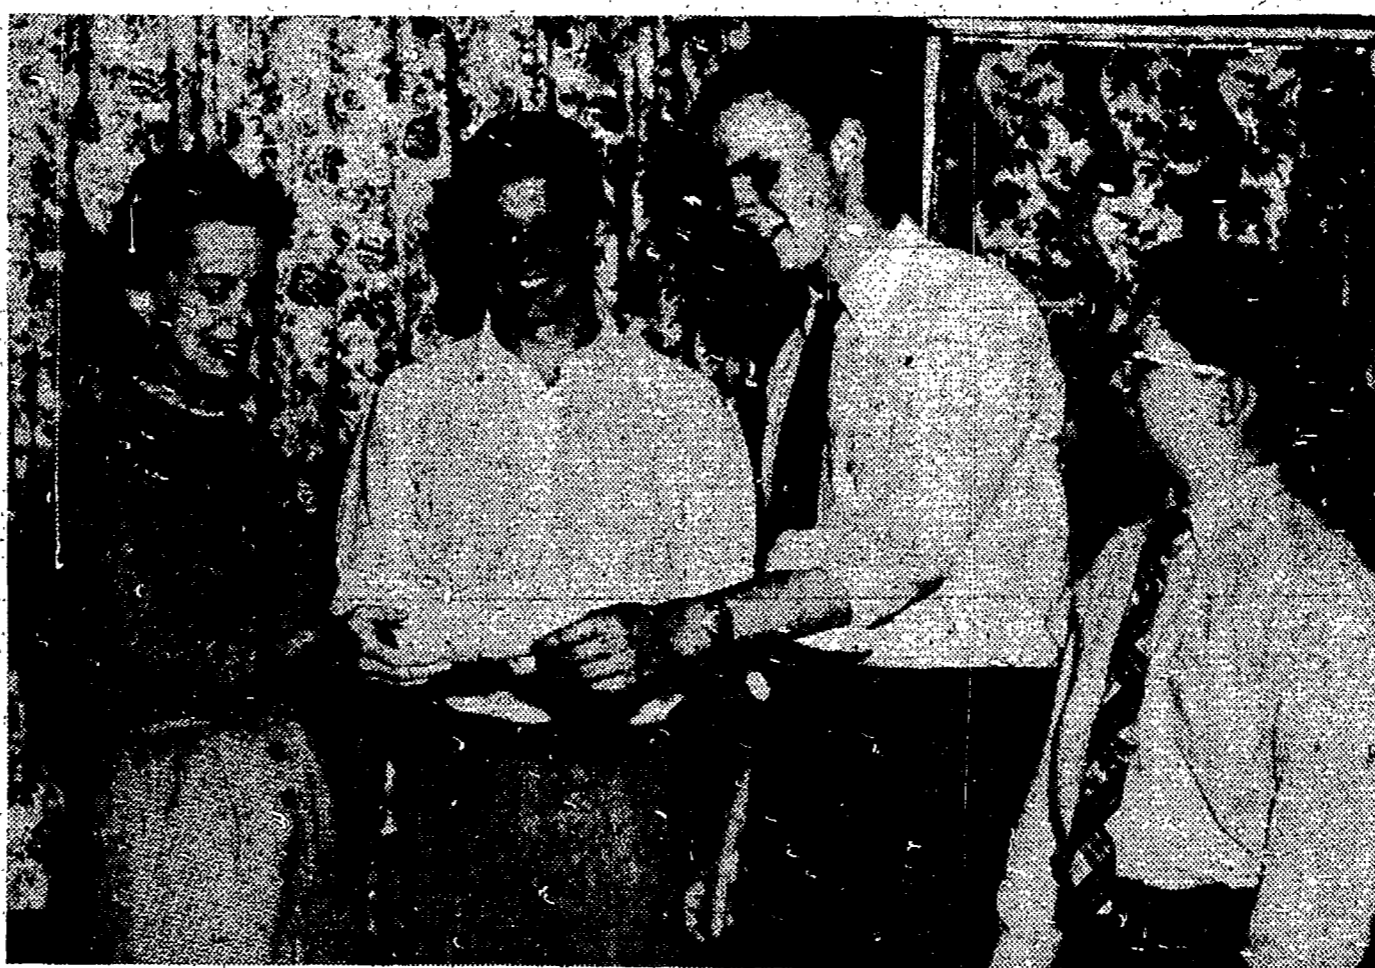

### Harry Moore's Supper Club Will Open Soon

Harry Moore, the man who played Twin Organs for eight years at the Alcomco Inn, St. Clair Shores, and proved that it was enjoyable to dance to organ music, announced today that he will soon open his own supper club in Detroit.

With an excellent chef and a fully equipped kitchen, Harry Moore's Supper Club will feature delicious dinners daily from five o'clock until one a.m. Patrons will dine to the beautiful strains of dinner music featuring the Twin Organs until 9 o'clock. Dancing will begin every evening at 9 o'clock with a period of good old fashioned community singing each weekend.

Location and opening dates will be announced in this newspaper next week.

### Christmas Wreath Sale Helps Crippled

Members of the Omega Eta Tau fraternity, most of whom are students at Grosse Pointe University School, conduct a Christmas greens sale each year and donate the proceeds to some worthy charity. Last week a check for \$200 was turned over to MRS. JOSEPH W. CASKEY, left, president of the Detroit Orthopedic Clinic for Crippled Children. The boys in the picture, left to right, are: BILL CURTIS, wreath chairman; JOCK HOEY, fraternity president, and BILL GARRATT, who sold the most wreaths, his individual efforts accounting for half of the total profits.

### Police Chiefs Announce Drive

The Chiefs of Police have announced that the Police Department of Grosse Pointe are joining the State Safety Commission and the Michigan State Police in a 101-day traffic accident prevention program called "Slow Down and Live."  
It runs from Memorial Day through Labor Day, a period when last year 535 people lost their lives in traffic accidents.  
According to these commanding officers the program is aimed at those driver behavior faults associated with "in a hurry" complex and the "me first" attitude on the highway. They include the motorist who is speeding, excessive speed, or too fast for conditions the driver who passes dangerously; the fellow who steals the right-of-way; and the person who follows too closely. National figures show that these were responsible for 90 percent of the deaths.

The chiefs pointed out that the Slow Down and Live program purposely begins with the 3-day Memorial Day weekend. Last year the Memorial Day weekend cost the lives of 20 people in Michigan traffic accidents. They urged all motorists to cooperate with the nationwide "Slow Down and Live" safety campaign by getting off to a good start in being

extra careful during the Memorial Day weekend.  
"Early in June, schools close and children are out on streets and highways without the protection of school safety programs. Thus, shortly after Memorial Day motorists should 'Watch Out for Kids' and 'Slow Down for Kids'."  
During June the traffic safety authorities are placing special emphasis on dangerous passing and safety posters displaying the warning KEEP IN YOUR LANE are being displayed throughout the state.  
The Chiefs of Police called upon all residents of the community to heed the slogan SLOW DOWN AND LIVE, not only when driving within the community but when driving out in the country. "It is significant," they added, "that most of the people killed out on the highways in the country are people who live in cities."

**BIG WINDS COSTLY**  
Hurricane and windstorm losses of more than \$220 million resulting from major storms in late 1954 and thus far in 1955, were paid by capital stock fire insurance companies, according to figures released by the National Board of Fire Underwriters from the report of its Committee on Adjustments.

### Farms Employs New Patrolman

Eugene Thomas, 23, of 2858 Cadillac, Detroit, was hired as a patrolman in the Farm Police Department beginning Saturday, May 28, replacing William Barron, who resigned to work for another department.

Thomas left work with a Detroit brewery to take up police work.

He is a veteran of the Korean War and was in Japan at the time the conflict began, and saw action for a full year before being returned to his country. He was with the 24th Division, Sixth Tank Battalion.

He received an honorable discharge on November 17, 1953, after four years of service. He has been married since 1951 and is the father of a two-year-old boy.

Barron is a Pacific naval veteran of World War II and was honorably discharged at the close of that conflict.

He began with the Farms Department in April of 1954. He resigned to accept a job as patrolman with the Detroit Police Department.

Barron is a Pacific naval veteran of World War II and was honorably discharged at the close of that conflict.

He enlisted in the Army in 1947 and was honorably discharged in 1950.

### Scouts Picked for Training Course

Two proud Grosse Pointe fathers, C. H. MORRISON (left), 1027 Cadieux, and V. C. NEVISON (right), 1043 Anita, congratulate their Explorer sons on being selected to attend a 6-weeks training course at the Philmont Scout Ranch in New Mexico this summer. Explorer DALE NEVISON, Troop 85, sponsored by Montith School P.T.A., and Explorer BRUCE MORRISON, Troop 619, sponsored by Mairre School, are among 40 Explorers approved by the Council's Training Committee. The project was made possible through a grant of several thousand dollars from an educational foundation. On their return home from Philmont this fall, the specially-trained Explorers will serve as faculty members at training courses for other Junior Leaders in the Detroit Area Council.

### Dead-Eyes Compile Fine Record in Rifle Matches

The Pointe is the home of some of the hottest pot-shots currently carving up the nation's bulls' eyes. Sunday, May 26, a delegation of Pointe lads ventured to Flint for the Dewar and Four Position Junior Rifle Matches and walked off with quite a few honors.

Although all the statistics have not yet been compiled, the Detroit Edison Team of which Pointer Kirt Weed was a member shot its way into a close second in both the Dewar and Four Position divisions behind the national championship outfit from Grand Rapids.

That was last week. Earlier this spring, the Cub team of the Pointe's Stuechell brothers Steven and Bernard and two other Edison Club members surprised everyone by placing second in the National Postal Matches (postal matches are where the competing teams shoot on their home range and the scores are sent into Washington, D.C. for sifting).

Getting back to the recent Flint matches, the Pointe had six competing. This is how they stacked up: 1st, Kirt Weed, 386 (out of a possible 400); 2nd, Steven Stuechell, 330; 3rd, Dick Anderson, 371; 4th, Charles Wurst, 368; 5th, Bernard Stuechell, 359 and David Wyckoff sixth with 361.

Weed, who scored highest and stands to profit when the entire entries are stacked up for individual places, is 18 years old and lives at 258 Kenwood court. This is his last year in the Junior Division, open to boys up to and including 18 years old.

Most remarkable of the Pointe riflemen, certainly, is pint size Steven Stuechell of 1230 Bishop road. Only twelve years old, Steve was an expert rifleman at the tender age of eleven. This ranking is the second highest obtainable. Since then he has won numerous medals.

Besides the second place showing in the postal matches and the fine showing at the Flint shoot, the diminutive dead eye shot his way to near the top in this

Spring's Times-Herast Match. According to Harold McMahon, Range Manager and instructor at the Edison Revolver and Rifle Club, "Steven has a great future ahead of him if he keeps working."

Steven's older brother Bernard, who is 14, is handy with a rifle too. Like Steve, an expert rifleman, he scored higher than his brother in the Hearst shoot and was a member of the cub team in the postal matches. Having trouble sighting in his scope in the Flint match, he still managed a respectable score. He plans to spend the coming summer at Culver Military Academy where he will get in plenty of shooting.

Both the Stuechells and Kirt Weed hope to enter the National Matches at Camp Perry, outside of Toledo, this August and if past records prevail, the Pointe should be host to a number of top rifle trophies come this fall.

### Pointe Theater Announces Cast

The cast has been announced for the Grosse Pointe Community Theater's next production, "Detective Story," by Sidney Kingsley, to be given June 17, 18 and 19 at the Cannon Memorial Auditorium on E. Warren and Cadieux road.

Playing the lead role of Detective McLeod will be Jim Wright of Vernier road, a young man with considerable experience in summer stock theater.

Others in the cast are: Lynne Girard, Clyde Adler, John Henderson, Phyllis Reeve, Pat Rice, Armin Seielstad, Bob Potthoff, Rosemary Kleffman, Bill Carrothers, Colleen Kennedy, and Robert Maxwell.

Completing the cast are: Bill Giovan, Harry Burkey, Vern Morrow, Jim Hamilton, Vic Sacaro, Ted Potthoff, Russ Andrejcw, Kurt Kusch, Dorothy Matthews, John Wilson, Bob Gregoroff, and Bill Witherell.

One of the big stage hits of recent years, and a much acclaimed motion picture, "Detective Story" is a stirring drama of police methods and criminal behavior, and a sometimes amusing, sometimes shocking revelation of human nature.

Tickets at \$1.25 are available from GP Theater members and at the box-office show nights. Curtain time is 8:30 Friday and Saturday, and 2:30 Sunday afternoon.

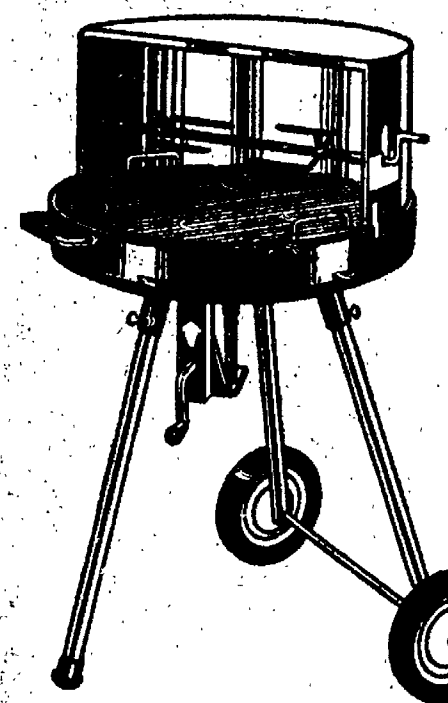

The man who shows his better side doesn't have to put up a false front.

### Detroit Garden Club Plans June 8 Luncheon

The Detroit Garden Club will hold its regular June luncheon meeting at the Detroit Yacht Club on Wednesday, June 8, at 12:30 p.m.

### Movies on Civil Defense Now Available at Library

The Grosse Pointe Public Library now has available for circulation two films on civil defense. They were lodged with the library by George Elworthy, director of the Grosse Pointe Council of Civil Defense, in the belief that their being housed in the library would make them more accessible to users.

Both are 16mm. films with sound, and may be borrowed from the Central Library for either program use or home viewing by any holder of an adult library card.

**SURVIVAL UNDER ATOMIC ATTACK**, which runs nine minutes, explains the dangers of the atomic bomb and the effects of radiation and points out what the individual should do to protect himself if caught in the open or in his home. The proposed

measures, simple and practical, emphasize the value to the average citizen of even a minimum amount of prior knowledge.

The second film, **OPERATION DOORSTEP**, stresses the enormity of the effects of an atomic explosion. Filmed largely at the scene of one of the test explosions of recent years, it includes sequences showing the explosion of the test bomb and the effects on dummy homes and building of its blast.

With a running time of 10 minutes, this film can be coupled with **SURVIVAL UNDER ATOMIC ATTACK** to make a brief program giving a fairly comprehensive outline of the effects of atomic attack and the elementary precautions to be observed for minimum injury.

### \$16,968 Pointe's Polio Donation

Wayne County's January, 1955, March of Dimes total of \$696,396.99 was announced recently by Charles L. Gehringer, county campaign director.

Expressing thanks "for the teamwork of every man, woman and child in the country," Gehringer made special mention of the wholehearted support of newspapers, radio and TV stations.

"Our volunteers as well as individuals and groups who staged special events to raise money for the March of Dimes should be proud of the part they have played in the long fight against polio," he said.

"As a volunteer myself, I'm glad to have a part in providing care for polio patients and making the Salk polio preventive vaccine available. It was a \$9 million gamble and it has paid off. Nothing in the present confusion in Washington changes the essentials. The research and development of the vaccine, the field trial, scientifically conducted by The National Foundation for Infantile Paralysis, and its costly evaluation were paid for by voluntary contributions to the March of Dimes.

"So were the free inoculations of all children in the first and second grades this year. Americans everywhere know The National Foundation has made the best possible use of their money."

Contributions collected from the Pointes are as follows: Woods and Shores (under one chairman ship), \$6,874.44; Farms, \$5,259.82; Park, \$4,199.30; and the City, \$2,804.61.

### Men Gardeners Hear Rose Expert

Speaking before 75 men gardeners of Grosse Pointe at their Garden Club's second anniversary dinner held in the War Memorial Center on May 19, Dr. R. C. Allen, director of Kingswood Center, Mansfield, Ohio, said that rose growing should be the fun of the individual gardener and not work for the hired man.

"There is something about growing roses," said Dr. Allen, "that is partly instinct, partly subject to trial and error and at all times something demanding one's personal experience."

He recommended a start with good quality plants, in varieties well adapted to the section. In his mind, the choice between spring and fall planting wasn't so important as the need for reasonably fertile well drained soil containing organic material and careful planting with the roots spread out in the way they grew.

Most people, according to Dr. Allen, like to be told a very exact formula for planting roses with the knuckle joint placed a certain depth below the surface of the soil; actually, according to him, this makes very little difference in the eventual results, it only being necessary that the crown be placed at or slightly below the surface.

Fertilization too has been made over-complicated, with requirements for sufficient nutrient readily obtained by applying two or three feedings of any good commercial fertilizer. However, Dr. Allen stressed the fact that most gardeners overlooked the importance of water, plenty of moisture being required for constant blooming.

Some gardeners make pruning a ritual, said Dr. Allen, stressing the point that there wasn't anything sacred about the process, the idea being that you pruned a rose to the shape that you wanted, always leaving a foot of the bush above the crown.

Preventative measures for the control of diseases and insect pests were recommended involving frequent application of the modern chemicals for the preservation of foliage.

Dr. Allen closed his talk by re-emphasizing the joys of rose growing and by suggesting that if one method doesn't work, the gardener should try another until he strikes for the procedure that is successful for him, after which he should stick to that procedure.

This well-attended dinner meeting was presided over by Vincent R. DePetris, president of the Club, with Marshall Jameson as toastmaster and with Leland Gilmour, program chairman, introducing the speaker.

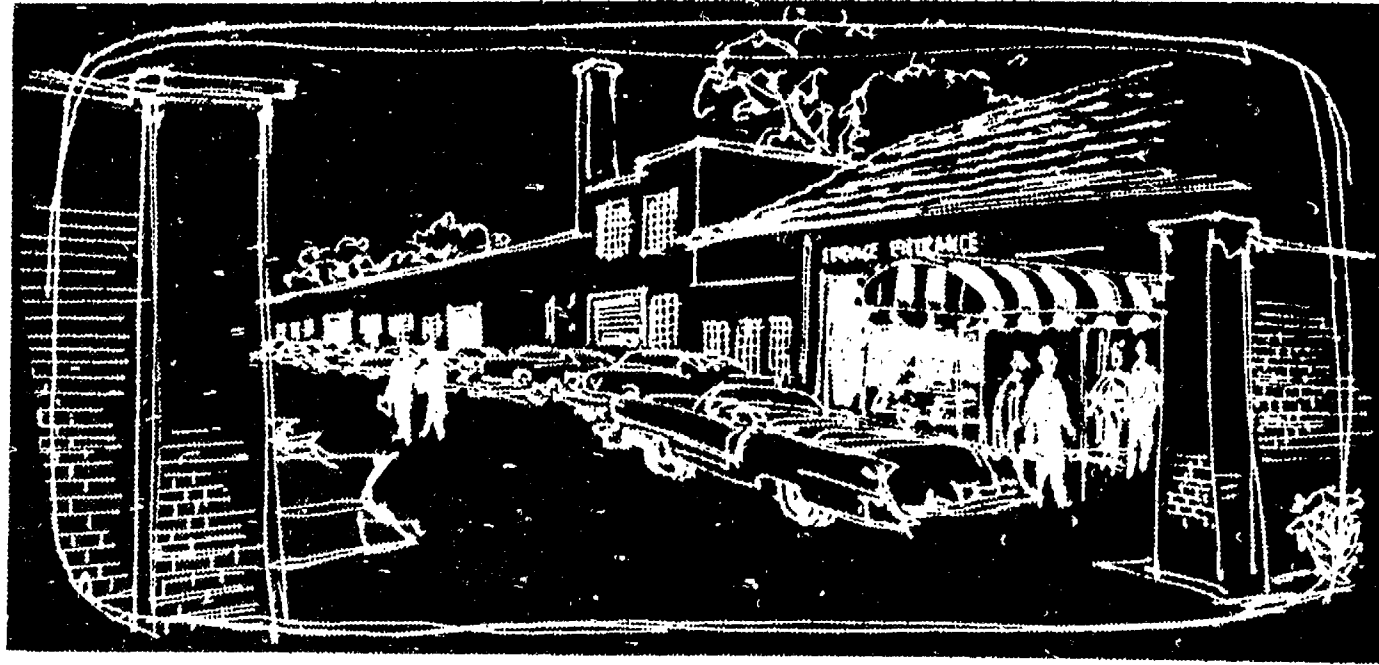

The occasion was a fitting celebration of the fine service performed by the Men's Garden Club of Grosse Pointe in making the average man garden minded.

Last year, 1,575,000 volunteers gave service to the American Red Cross, of which many thousands served on a full-time basis.

THE SERVICE COURT AT O'LEARY CADILLAC

Fully paved, this spacious enclosure affords privacy for waiting cars. It leads directly to all service bays.

A NEW FACE BEING GIVEN ORIGINAL STRUCTURE.

## Maintaining a Grosse Pointe Tradition

GREAT, SPACIOUS SERVICE BAYS  
Always ample room for all cars under service, including a complete bay for car-washing.

The record of top service for fine automobiles since they were first made, right down through the years, has always been best exemplified here on this spot in Grosse Pointe... the birthplace of the word "garage" in Michigan and the oldest continuously operated automobile service building in all America.

Far-sightedness on the part of the community's automotive leaders back in 1904 brought about the erection of this big garage when the automobile industry was a baby and its leaders were bent on learning what commercial service could and should be. There was evolved here, one may well believe, many of the standards now in practice across the nation.

So, you may be sure O'Leary Cadillac in this greater, modern service department will continue with modern, advanced features what the industry's founders established so long ago.

Service at O'Leary Cadillac... shall always mean TOP, UP-TO-DATE SERVICE on all cars of every make... right here on the very spot where it all began... maintaining a tradition as old as the industry.

Center's Trial Garden Beehive of Activity

Members of the local garden clubs which were assigned plots in the Trial Gardens at the War Memorial Center, turned out en masse last Tuesday and Wednesday to get their spring planting done. All residents are urged to visit the Center and see the gardens, on the lakefront.

Girl Hit by Car Injured Slightly

Mary Ann Muer, 11, of 255 Kenwood court, received only a cut knee when she was knocked from her bicycle by a car on Thursday, May 26.

A Farms police report disclosed that Elizabeth Hruby of 743 Washington, reported to police that she had struck the girl, after the young cyclist had darted in front of her car.

She was driving south on Lewiston and had stopped for Grosse Pointe boulevard, and was just starting up again when the girl got in front of her.

City to Survey All Elm Trees

The City of Grosse Pointe, continuing its efforts against the ravages of Dutch Elm disease blight, will in the immediate future make a survey of all of the elm trees in the City, both as to City or public property, and private property.

Now that the foliage has become sufficiently advanced, such a survey can be made, and trees which are suspected of having the blight can be examined and the necessary tests made by the city foresters.

Tree experts have been engaged to do this work through out the City. Inasmuch as the matter is of great concern to city officials and to property owners alike, property owners are asked to extend their cooperation to the men who will examine their property in the hope of ultimately conquering the blight.

Pointers Win Garden Honors

The Michigan Horticultural Society held its annual meeting and luncheon on Saturday, May 14, at Northland Center, Detroit.

Prof. H. O. Whittemore of University of Michigan Department of Landscape Architecture, chairman of the committee on awards, conferred first of a series of annual awards, to be bestowed on those who have made meritorious introductions in Michigan.

Devoted services to horticulture on the part of originators thus honored have brought distinction to Michigan; to the beauty of gardens and rewards of gardening.

Among those honored with Certificates of Merit were: Frank G. Cuthbertson of Ferry-Morse Seed company, for the Cuthbertson Sweet Pea, notable development in contemporary floriculture; distinguished alike for horticultural quality and floral beauty.

Vincent R. De Petris, of 25 Hampton road, for origination of new hardy garden chrysanthemums, superior in landscape beauty, hardiness and early flowering character, insuring their creator an established national and international reputation.

Mr. and Mrs. Gaylord Gillis, Jr., of 124 Merrivether road, for a very neat, practical arrangement of the grounds for functional out of door uses and activities of the family as carried on over the past 20 years.

The four parts division into front garden, flower garden terraces, free play lawn area and enclosed cut-flower and vegetable area shows precise thinking and yet is planned with restraint and charm.

Mr. and Mrs. Frederick W. Campbell of 41 Beverly road, for a fine treatment of house terraces and a sunken garden in traditional colonial pattern. The plant material is choice, interesting and varied.

BALL GLOVE FOUND

The City Police found a Vic Wertz ball glove Monday, May 30, at the corner of Maumee and St. Clair. Lacking proper identification, the glove was put in the lost and found drawer at the police station.

Bus Crashes Car At Traffic Light

A minor two car collision at the Bedford-Jefferson stop light resulted in the ticketing of Lake Shore bus driver Floyd Allen on Sunday, May 29.

A car driven by Junior Adams of 1983 E. Jefferson avenue was stopped waiting for the light to change green when the accident occurred. Allen said that he applied the brakes, but they did not catch in time. The brakes were not found to be faulty.

The bus, traveling at approximately 18 mph at the time of the collision, was not damaged. There was slight damage done to Adams' car. No one was injured.

Allen was ticketed for not having his vehicle under control causing an accident.

**Announce Dates For Rose Show**

June 11 and 12 are the dates for this year's Rose Show. It is to be held again at the Detroit Historical Museum at Woodward and Kirby. Admission is free from 2 p. m. to 6 p. m. on Saturday, June 11, and from 10 a. m. to 9 p. m. Sunday, June 12.

The Great Lakes District of the American Rose Society joins the Detroit Rose Society in sponsoring this 25th annual show and competition. All amateur growers from Milwaukee to Battle Creek are invited to show their roses. The prizes include the nationally famous Rosedale Bowl and the J. Horace McFarland Memorial Trophy. Entries must be placed by 11:30 a. m., June 11. Featured for the first time will be roses from the new Grandiflora Class. The current All American selections and miniature and easier to grow varieties will be more numerous than ever. Old fashion roses that still scent our memories will also be displayed and there will be table arrangements by all members of the family for the breakfast table and living rooms.

NoVICES who have never won a blue ribbon and experienced amateurs will exhibit over 1,000 specimen blooms that were grown outdoors to near perfection. Potted roses in typical garden settings that can be planted anytime during the growing year are also a part of the breath-taking color and fragrance that is expected to attract 10,000 visitors to the enchanting Historical Museum.

Messrs. Lawrence A. Caddret, TU, 1-5228, and James W. May, LA, 7-8520, of Detroit, are co-chairmen of the show. With district director Thomas Johnson, they head the staff of nationally prominent rosarians and judges.

Visitors are welcome.

**News from GPUS**

The final issue of the Parents' Bulletin of the Grosse Pointe University School for the year 1954-55 appeared last week. The Bulletin staff has been made up of Mrs. Reade Ryan, Mrs. Andrew Barr, Mrs. Osborne Coates, Jr., Mrs. John Detwiler, Mrs. Reuben Waterman, Mrs. Alexander Wiener, and Mrs. Donald A. Williams.

The cover design for this issue was done by Virginia Schenck of the 11th grade.

Contents include a calendar of final events, a notice of the opening of the summer school session on June 20th with E. L. Kimber as director, a message from the headmaster, a list of the graduating seniors and the colleges to which they have been admitted, a discussion of the new school gardens, a letter of thanks from Mrs. Martha B. Howbert, president of the Parents' Association 1954-55, a review of the recent Faculty Talent Show by Kay Carter of the 11th grade, recent athletic scores, and a letter from the president-elect of next year's Parents' Association, Mrs. Nancy Heenan.

In his message Headmaster Chandler expressed great satisfaction at the way the school year had worked out despite all the problems of building and of adjustment to new surroundings.

"As a faculty," he writes, "we are keenly aware of two basic responsibilities. First, the obvious and traditional responsibility of training the mind, of guiding our students to a high level of intellectual competence. Second, and of at least equal importance, the responsibility for creating a sense of moral and spiritual purpose which may guide them to the best use of their intellectual powers."

Mr. Chandler concludes by saying, "Teachers and students are more pleased with each other than I can ever remember, and in the main are justifiably proud of their year's work. The school is strong in spirit and moving steadily forward. I believe we can now say with confidence that Grosse Pointe University School is safely launched and well underway."

Commencement speaker this year will be Douglas Maitland Knight, president of Lawrence College, Appleton, Wisconsin. His immediate predecessors as presidents at Lawrence College were Dr. Henry M. Wriston, now president of Brown University, and Dr. Nathan Pusey, now president of Harvard.

All seniors have been accepted for college admission.

Reade H. Ryan, Jr., and Edgar C. Howbert have both won four year Naval ROTC scholarships to Princeton, where they will be roommates. David A. Hafford has won the same kind of scholarship to the University of Michigan.

The Fifth Annual Carnival will be held at G.P.U.S. on Saturday, June 18, or, in case of rain on Saturday, or Sunday, June 19. General chairman for the event is John M. Finlayson, Jr. Co-chairmen are Sidney S. Hall and Reade H. Ryan. The event is held to aid the school's scholarship program.

John Conley of the G.P.U.S. French Department has won a scholarship for summer study at the French School at Middlebury College, Middlebury, Vermont. Mrs. Katherine Welchenbach of the English Department will be studying at the Harvard Summer School. Miss Anna Atkinson of the English Department will attend the Bread Loaf School of English, Middlebury College, Bread Loaf Mountain, Vermont.

He was among seven men elected to the MacKenzie Honor Society, the honorary alumni group for men, at the Swingout rites, for his scholastic achievements.

While working fulltime as a market research analyst, he attended classes at Wayne five nights a week, studying law.

He was the top scholar in sophomore, junior and senior years; treasurer and later president of the law school student board; dean of the law fraternity, Delta Theta Phi, and a member of Omicron Delta Kappa, student leadership fraternity.

Johnstone is married and the father of a 2 1/2-year-old child.

**Pvt. Eric Seely Takes Cable Splicing Course**

CAMP GORDON, Ga. — Pvt. Eric E. J. Seely, was graduated on May 27 from the Cable Splicing Course, one of the many courses offered at the Southeastern Signal School, Camp Gordon, Georgia. He is the son of Mr. and Mrs. C. Seely of 343 Kerby road, Grosse Pointe, Mich.

The Cable Splicing Course, which is 13 weeks in length, teaches enlisted personnel to install, locate, and repair faults in telephone and telegraph cables. Students are taught to splice multipair aerial and underground cable in this course.

During his training, Pvt. Seely received a technical education worth thousands of dollars. He will now be reassigned to an active unit of the United States Army.

The Southeastern Signal School, the largest communications college in the world, is located near Augusta, Georgia. This installation furnishes trained signal technicians to army units all over the world.

### Surprise Party Given Policeman

The Grosse Pointe Park Police Department threw a surprise farewell party for retiring patrolman Thomas Vaughn Thursday, May 26. Vaughn retired after 31 years with the force Saturday.

Taken completely by surprise by the entire Park complement of patrolmen and officers, Vaughn was honored by a service plaque in recognition of faithful service, presented by Chief Arthur Louwers.

Vaughn, who joined the force in June of 1924, was also presented with a fishing rod and reel and a completely equipped tackle box, a gift of the force. He plans to retire to Algona and spend a good deal of his time hunting and fishing.

While on the force Vaughn served as a motorcycle policeman, a squad car patrolman and recently was desk officer for the afternoon shift.

### Cinema League Meets Tonight

"The How and Why" of Movie Tinting" is the topic being considered at the Grosse Pointe Cinema League's regular meeting tonight, June 2, at the Grosse Pointe War Memorial Center at 8 o'clock.

Joe Schneiders, of Grosse Pointe, a professional free lance movie photographer and writer, will give a talk on tinting and will demonstrate with a film and with various tinting devices.

Also on the program for the evening are two other Grosse Pointers, Alfred Rauer and Mary Mularky. Rauer will show an unusual animation film he has just completed and will bring along the props he uses to do the animation.

Miss Mularky will show her movie, "Vermont Interlude" taken last summer at a movie photography school in Vermont, as an illustration of a group project.

The program committee has prepared a display of tinting aids and props that can be used by amateurs in tinting their movies. Following the meeting there will be a coffee hour.

The meeting is open to the public free of charge—all persons interested in any of the various phases of amateur movie photography are welcome.

### Class of 1945 Plans Reunion

Ten years ago when the class of June, 1945 was graduated from Grosse Pointe high school, the members discovered that their class treasury had a surplus of some \$75.00. With World War II not yet over, they decided to invest in a \$100 war bond which at maturity could help pay for the class' Ten Year Reunion.

Most of the class members can not believe that ten years have elapsed since their graduation from high school, but they are all looking forward to the reunion dinner that is to be held in the Grosse Pointe high school cafeteria at 6 on June 11.

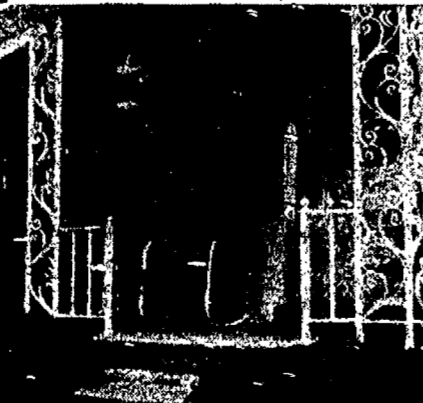

Cards have been sent to all the class members whose addresses were available and the replies thus far point to a big turnout. The class officers are hoping that all their classmates will be aware of the reunion and request that all readers of the News spread the word to anybody they may know from the class of June, 1945.

Any requests for information or reservations should be directed as soon as possible to Richard Ralph, 20950 Lancaster, Harper Woods, Michigan, or Miss Lorraine Neeme, 951 Beaconsfield, Grosse Pointe 30, Michigan.

### INJURED IN FALL

Mrs. Mary Lambert, 43, of 1626 Anita, fell and cut her knee as she was leaving Mason School on Wednesday, May 25. She tripped as she was stepping off a curb at the rear of the school. Woods police took her to Dr. Clarence Candler where nine stitches were required to close the wound.

### New Patio Grill Featured Here

Recently metropolitan newspapers featured with news and photographs the easy construction features of a colorful and highly practicable patio grill that is sure to find great favor in Grosse Pointe. It is new in several respects.

This week Nelson Frolund Landscaping Service, 20377 Harper avenue is showing the unit already set up, which instantly sets off its unique features, which include two vertical heating fire-boxes, grill, spit and frying pan, as well as a work table of California redwood.

Other local stores showing the grill this week are Meldrum & Smith, 17750 Mack avenue and the Janlee Company, 17810 East Warren avenue.

### Olivet Students Presenting Play

The Olivet Drama Workshop will present Shakespeare's "Tempest" Friday, June 3, at 8:30 p.m. in the Highland Park Congregational Church, Second and Grand Avenue. The Detroit Olivet Mothers' Club is sponsoring this presentation.

Those from this area taking part are Winston Likert and Richard Craig.

The cast party after the play will be held at the home of Dr. and Mrs. Lyndle R. Martin of Grosse Pointe.

## Drivers Ticketed After Accident

One driver was in an accident and two drivers were issued tickets for it by Farms police on Wednesday, May 25.

According to a Farms police accident report, Carole D. Jatko, 22, of 1108 Lochmoor boulevard, was driving west on Kercheval, when a car driven by Oscar R. Forster, 58, of 15488 Griggs, Detroit, pulled in front of her.

Forster, going south on Kerby, stopped for Kercheval traffic and then pulled out, causing the woman to swerve her car which skidded and struck a light pole, causing some damage to the pole and about \$45 in damage to her car.

The other car continued on its way and was stopped by police near the Crescent Sail Yacht Club, where the driver claimed he did not know about the accident.

## Maire Students Pose Before Inspiring Background

The Maire P. T. A. sponsored its second annual trip to Washington, D. C., for the sixth graders of the school, on May 19-20-21. Approximately 51 persons, among them 10 adults, to supervise the children, made the journey. A nurse and doctor were included in the group.

The average man allows many opportunities to slip by while waiting for a better one. Make sure you are right—then hold the stakes while the other fellows do the betting.

## Golfers to Play To Aid Red Cross

Saturday, June 4, has been officially designated as National Golf Day.

The event will give golfers throughout the country an opportunity to match their skill in handicap play against Ed Furgol and Babe Didrikson Zaharias, 1954 National Golf champions.

Furgol and Zaharias will play 18 holes at the scene of the 1955 Open, the Olympic Club course in San Francisco, Calif., on Saturday, June 4. Simultaneously throughout the country men and women golfers using their full handicaps will try to better the scores of the champions. Some 5,000 public and private courses are participating in the event.

This will be the fourth annual National Golf Day. The event is sponsored by Life magazine and the Professional Golfers' Association, with the cooperation of the United States Golf Association. Golfers who top the score of Furgol or Zaharias will receive medals or bracelets from Life magazine inscribed to that effect.

An entrance fee of \$1.00 will be charged. As in other years Life magazine is underwriting all expenses of conducting the tournament. Proceeds will be divided between the National Golf Fund and the American Red Cross, Golf Day's major beneficiary this year.

Arrangements for participation by the Detroit Chapter of the Red Cross and its branches is being handled by a committee headed by Palmer Watling and Mrs. Harley G. Higbie, herself a golfer of considerable repute.

Life magazine officials are urging all golfing enthusiasts—pamphleters and duffers alike—to support research and philanthropic projects related to golf and their local Red Cross Chapter by playing a round of Golf Day.

## Michigan Club Picnic June 9

Dr. and Mrs. Robert B. Clarke, of 489 Fisher road, will act as host for the annual picnic of the University of Michigan Club of Grosse Pointe, on Sunday, June 9.

The members of the club and their friends are asked to come at 4:30 p.m., at which time music and games will be played.

After the picnic supper, an election of officers for the coming year will be held and a colored movie, with the University as a background, "The First Hundred Years," will be shown.

Children accompanied by their parents are welcome. Entertainment will be provided for them. The charge will be \$1.75 for adults and \$1.00 for children.

Reservations may be made by calling: Mrs. John L. King, TU 2-8734; Mrs. Willis Eullard, TU 1-4271; Mrs. Robert B. Clarke, TU 1-7318.

## Beach Seeking Beauty Queen

Metropolitan Beach on Lake St. Clair is looking for a beauty queen to reign at its opening festival and other summer events.

Beach officials have announced a contest open to girls over 18 who are residents of one of the five counties served by the Huron-Clinton Metropolitan Authority, public park and parkway agency of which the beach is a unit. The counties are Wayne, Washtenaw, Livingston, Oakland and Macomb.

From photographs and other information mailed to Metropolitan Beach, Box 294, Mt. Clemens, Mich., not later than June 4, twenty girls will be chosen to compete at the opening festival on June 18.

Miss Metropolitan Beach will be awarded her title by a panel of recreation, art and beauty authorities.

Sports interests will have a bearing on the selection of the queen, but she won't be asked to demonstrate the degree of her ability.

Along with a photograph, contestants are asked to give name, age, address, state they have never been married, and answer six questions relating to activities offered at the beach.

The questions are: Do you swim? Do you play golf? Do you roller skate? Do you ski or water ski? Are you an archer? Will you spend most of the summer in the Detroit area so as to be available for special events at the beach?

Prizes of beach wear will be given Miss Metropolitan Beach and her court of three. In addition the queen or member of her court substituting for her will be given a twenty-five dollar savings bond for each later appearance requested by beach officials.

Contestants chosen to participate in the final judging will be notified by June 13.

In 1954, 577,000 veterans were treated in Veterans Administration hospitals where American Red Cross volunteers served.

## Three Pointers to Get DIT Degrees on June 6

President Dr. A. R. Ayers of the Detroit Institute of Technology, will hand out diplomas to 159 graduating seniors of the school's four colleges on Monday, June 6, at 8:15 p.m., at the Scottish Rite Cathedral of the Masonic Temple.

Included on the list for graduation are: Wesley Hoffman of 347 Moross, road transportation; Edward Kaput of 1454 Lakepointe, arts and science, and John A. Schaible of 1397 Bishop road, mechanical engineering.

Taking the children under their care were: Dr. and Mrs. Lee Lewis, John Mylroie, Jack Rice. Mrs. Wilfred McLaughlin, Mrs. Michael Turk, Mrs. Frank Yates, Mrs. Joseph Hadley, Mrs. Leone Bennett and Mrs. William M. Adams, general chairman of the trip.

The sixth graders who went along were: Robert Fox, George Williamson, Mike Rogers, Winston Jacobs, Ian McLean, Maurice Palotte, Bryon Nichols, John Fannon, Jerry Latorre, Philip G. Stephens, Stephen Norcott, Michael-Carrier, Roger LaRose, Susan Lewis, Kathy Mylroie, Barbara Paquette and Susan Deary.

Also, Phyllis McLaughlin, Sandra McHaffie, Donna Addy, Peggy Turk, Beverly Butler, Diana Longyear, Judy Carrier, Ann Marie Yates, Grace Jefferies, Cheryl Lyman, Diana Gikkas, Ann Hadley, Judith Lubbers, JoAnn Wilson, Virginia Barnes, Elizabeth Adams, Beverly Smith, Barbara VanDewater, Constance Prentiss, Lois Blackburn, Anne David, Lorine Bennett and Gordon Yates.

Blood and blood derivatives provided to hospitals by the American Red Cross are made available to the patient without charge for the product itself.

# Society News Gathered From All of the Pointes

## From Another Pointe of View

By Jane Schermerhorn

Pointers are taking a serious and great-hearted step forward this week, in the direction of mental health. They are becoming members of the Citizens Auxiliary Committee, Inc., with plans for a Country Fair to help raise a mercy fund for patients at Northville State Hospital. The date is Saturday, June 25, from 10 a.m. till far into the evening, and all proceeds will go toward providing a 52 passenger bus needed for supervised patient outings to nearby recreational areas. The Fair also will build a morale fund. From this fund will come the pittance now denied some 400 patients at Northville—400 disturbed human beings either without family or friends—or, even worse, with families who prefer to forget them. The generosity of new friends, the Citizens Auxiliary Committee, will pay the treat at the Hospital snack bar; for that candy bar they can't afford now; for the cup of coffee they watch more fortunate patients drink but can't buy for themselves.

### You May Help

To Walter Irving goes credit for the Big Step. He has been visitor and friend to Northville State Hospital and many of the patients for a long time. His own interest now is being matched by Pointe matrons who will help stage the Country Fair and who are enlisting the aid of patrons and enrolling their friends in the C.A.C. Mrs. J. Dwyer Kinnucan, Mrs. Henry T. Ewald, Mrs. Milton J. Robb, Mrs. Paul Weadock and the Countess Cyril Tolstoi are active workers on the Fair Committee. This Country Fair could well set a pattern for the thoughtful all over the United States who realize that just a little of their time and attention can mean so much to mentally ill persons. This interest could prove of more therapeutic value (in some types of patients) than any medicine. Northville is a beautiful, carefully run State Hospital. It deserves your help as it tries valiantly to restore, and often succeeds, in returning many of its 1,500 patients to life "outside." If YOU are interested in doing your part, your check, large or small, may be made out to Citizens Auxiliary Committee, Inc., and mailed to 26 West Adams, Detroit 26, in care of Mr. Irving.

### Parties Before Musicales

Remember that Friday is the Very Happy Birthday celebration of Grosse Pointe Morning Musicales. Leading Light of the Musicales, Mrs. Frank W. Goldie, tells us the Country Club will simply rock with all the gay cocktail and dinner parties before the birthday party (when the gentlemen are joining the ladies at a musicale, for the very first time). Mrs. Goldie and the Frederick S. Fords will entertain at one dinner party. Mrs. Goldie's houseguest, Mrs. Herman Uhlein, of Milwaukee, will be one of the members of the Goldie-Ford dinner. Mrs. Henry B. Joy will entertain eight guests at the Country Club for dinner that evening (and you'll remember that she, whose own birthday is June 9, will cut the Musicales Birthday Cake). Mrs. Henry P. Williams also will be hostess at a dinner party.

## Short and to the Pointe

### Mrs. Paul Eloby Ruedemann

Before her marriage Tuesday in Grosse Pointe Memorial Church the bride was SARA ELIZABETH MARTZ, daughter of Mr. and Mrs. Charles W. Martz, of Chalfonte avenue. The bridegroom's parents are Dr. and Mrs. Albert D. Ruedemann of Three Mile drive. The young couple will make their home in Vernier road.

MR. and MRS. GEORGE B. PALMER of St. Clair Shores. They're being married in St. Catherine's Church and the reception will be held at the Detroit Yacht Club.

MR. and MRS. WINSLOW HOWARTH, of Washington road, gave an all fresco luncheon at their home Saturday. They are planning to spend the summer at Truro on Cape Cod, leaving around June 20.

Weekend guest at the home of MRS. CHARLES S. BAXTER, of Neff road, was MARY JANE NIELSON, of Quincy, Ill. who will be married to RICHARD VAN DYCK BAXTER on June 11. ## Sara Martz Is Bride Of Paul E. Ruedemann

Daughter of Mr. and Mrs. Charles W. Martz, of Chalfonte Speaks Vows with Son of Dr. and Mrs. Albert D. Ruedemann in Grosse Pointe Memorial

For her marriage to Paul Eloby Ruedemann, the former Sara Elizabeth Martz wore bridal robes of ivory satin and carried fleurs d'amour and ivy. Their wedding took place at 4 o'clock Tuesday afternoon in Grosse Pointe Memorial Church when the Rev. Frank Pitt performed the ceremony.

After the church service, the bride's parents, Mr. and Mrs. Charles W. Martz of Chalfonte avenue, entertained the guests at a garden reception at their home.

Sally's gown followed classic lines and leaves, the same satin as the dress, were used to finish the neckline of the slim bodice.

The great skirt swirled into a cathedral length train, with the full length bridal veil of imported silk illusion which was held in place by satin Juliet.

Mrs. Michael Forbush, of Colorado Springs, the bridegroom's sister, was matron of honor.

Mrs. Forbush wore cornflower blue embroidered crystal-ette frock fashioned with off shoulder neckline on the slim bodice and full, waltz length skirt. Large organza bows with streamers gave back interest to the costume and she carried an arrangement of violas and ivy.

Similarly costumed were the bridesmaids, who wore garlands of violas on their heads.

They included Mrs. Albert P. Ruedemann, Jr., Mrs. James Dix of New York City, Mrs. Frank Peck and Joyce Jackson.

Paul, who is the son of Dr. and Mrs. Albert D. Ruedemann of Three Mile drive, was assisted by his father as best man.

Seating the guests were his brother, Albert D. Ruedemann, Jr., Fred McLaughlin and Sandy McAfee, both of Cleveland; and Michael Forbush.

Mrs. Martz greeted her guests in dusty pink peau de soie gown with matching flower hat. She pinned Rubrum lilies to her handbag.

The bridegroom's mother chose a gray silk sheath frock with gray and pink petal chapeau. Her flowers were gardenias.

Black braid trimmed the jacket frock of copper cotton worn for going-away by the new Mrs. Ruedemann. She wore a small matching hat.

Following their wedding trip, the couple will return to the Pointe to make their home in Vernier road.

Out of town guests at the wedding and reception were Mr. and Mrs. Fred Boyer, of Cleveland; Mr. and Mrs. Ward Messinger and Miss Frances Hedlund, of Chicago; Mr. and Mrs. B. P. Field of Grand Rapids, and Mr. and Mrs. Rollins Forbush of Galveston, Texas.

## Republican Workers At Report Luncheon

Members of Women's Republican Finance Committee Raise Over \$30,000 in Fund Drive; Addressed by Senator Charles Halleck, of Indiana, at Meeting

Members of the Women's Republican Finance Committee of Wayne and Oakland County attended a subscription luncheon in the Sheraton-Cadillac when special drive chairman, Mrs. Phelps Newberry announced that their month-long fund effort totaled \$30,000 plus, with checks still coming in.

Applauding this good news along with the workers was Senator Charles Halleck, of Indiana, speaker at the luncheon. Senator Halleck called for union within the Republican party. "Two Republican parties can't beat one Democratic party!" he told the audience.

He advised the women Republicans to learn to talk, to speak up on accomplishments of their party since it took over in '52.

His listeners were enthusiastic as he enumerated some of those accomplishments: cease fire in Korea; tax reductions; stronger foreign policy; end of controls; reduced budget; restoration of decency and integrity to government; a real faith in peace with Eisenhower leading this country. Senator Halleck reminded that the Republican party is in the minority in registrations in this country and no matter how proud party members are of the record and of their President, "We've got to run scared," he cautioned. Mrs. Charles A. Dean Jr. introduced the speaker.

The luncheon was delayed while extra tables were moved into the ballroom to accommodate the overflow of Republican women workers.

Mrs. Phelps Newberry called the session to order and the Mrs. W. B. Ver Muelan, chaplain of the Michigan Federation and of the Republican Women's National Federation, gave the invocation.

Mrs. Geneva McNeal led the assemblage in salute to the flag. At the speaker's table in addition to Mrs. Newberry, Mrs. Dean and Senator Halleck were Mrs. Rae Hooker, Republican National Committeewoman from Michigan; Mrs. Peter Gibson, vice chairman of the State Central Committee; Mrs. Ella Koeze, of Grand Rapids, president of the Republican Women's Federation of Michigan; Mrs. Frank B. Nair, vice chairman of the Wayne County Republican Committee; Mrs. John Feikens, wife of the chairman of the State Central

## Hospital League Elects Officers

Mrs. M. J. Chagot was elected president of the Bon Secours Hospital Assistance League at the recent elections. Mrs. E. P. Harigan was chosen vice-president.

Other officers elected include: Mrs. A. W. Massnick, recording secretary; Mrs. John Corbett, treasurer; Mrs. Donald C. Longyear, publicity; Mrs. Heather Keim, historian; Mrs. William Lilly, corresponding secretary; Mrs. Joseph Bejin, membership; Mrs. Orville Thill, parliamentarian; Mrs. William Imhoff, ways and means; Mrs. Joseph Goncz, Celebrity Series chairman.

## Parties Planned For Bride-Elect

A series of parties and showers will precede the wedding of Patricia Barrett, daughter of the Edward D. Barretts of Whittier road.

Patricia will wed Andrew Wintercorn, son of Mr. and Mrs. Andrew Wintercorn of Rockford, Ill., on June 25, in St. Clare of Montefalco Church.

The bride-elect is attending Northwestern University and will not be home until June 9.

The first party was held at the University on May 27, and was given in Patricia's honor by Mary Corcoran of Huntington, N.Y.; a Tridelt sorority sister and one of the chosen bridesmaids.

Another, planned when the prospective bride is home, will be on June 11, a linen shower and luncheon at the home of Mrs. Richard Martin of Lochmoor boulevard. Hostesses will include Mrs. Rex Regan and Mrs. Clarence J. William.

On June 17, Mrs. Cecil Watson and her daughter, Ann, picked as the maid of honor, will entertain at the Detroit Boat Club with a kitchen shower.

Mrs. Frederick Hofmann and daughter, Janet, also a bridesmaid, will entertain with a "round-the-clock" shower at their home on Windmill Pointe drive, on June 21.

The spinster dinner will be given by Mrs. Kenneth Beardslee and daughter, Sally, of Whittier road, another bridesmaid.

## Gowan Club Holding Weekly Family Golf

The youngsters at Gowan are being helped along again this year. Manager Alex McDonald has again authorized Friday of each week to be open for family golf.

There will be free golf lessons for the children by Pro. Jerry Stencil in the early evening.

To appease the appetite of all there will be an Economy Buffet, to be followed by movies.

## Mrs. William E. Chase, Jr.

Bouquets of white peonies and gladioli adorned the altar of St. Joan of Arc Mission Chapel, St. Clair Shores, when HELEN BUNNELL became the bride of William E. Chase Jr., in a morning ceremony on May 21. Officiating at the service was the Rev. Father Thomas F. Hinsberg.

Helen is the daughter of Mr. and Mrs. Edward L. Bunnell of Brys drive, Grosse Pointe Woods, and William is the son of Mr. and Mrs. William E. Chase, of Rosedale avenue, St. Clair Shores.

The bride was gowned in a Chantilly lace and nylon net over white satin when she was given in marriage by her father. Her snug fitting bodice of lace was fashioned with scoop neckline and her long sleeves tapered to points at the wrists. Her bouffant hooped skirt of nylon net accented with points of lace and her finger-tip veil, edged in lace, was caught to a crown of tiny seed pearls. She carried a satin basket bouquet of lily of the valley and white carnations with trailing ivy.

Maid of honor was Delores Athman, who wore a hooped skirt gown of turquoise nylon tulle, the skirt fashioned in back with nylon eyelid panel. A tiny flowered cap completed her ensemble. She carried a basket bouquet of golden carnations and ivy.

Jeannette Chase and Mrs. Don Bunnell, bridesmaids, were dressed alike in shell pink, styled identical to that worn by the maid of honor. Their basket bouquets were of deep pink carnations. They too, wore small flowered headpieces.

## Homemakers Seat Officers

Mrs. Zaio Woodruff Schroeder, 1101 Bishop road, worker for the Federation of Women's Clubs, installed the officers of the officers of the Eastern Junior Homemakers' Club last week at a dinner party at the home of Mrs. Sam Ortis, 44 Roslyn road.

Mrs. Dale Saunders president, will be assisted by Mrs. Sam Adams, first vice president; Mrs. H. Roger Secrest, second vice president; Mrs. Grant Ventzke, secretary; Mrs. Paul Baitinger, treasurer; and Mrs. Moss West, parliamentarian.

Mrs. Schroeder and Mrs. Malcolm MacQueen gave the newly-organized club a detailed report on Girlstown, a current project at the Michigan Federation of Women's Clubs. An engraved gavel was presented by Mrs. E. H. Gunnison and Mrs. Gordon Bennett of the Detroit Homemakers, sponsoring club.

Also in attendance were Mrs. George Atherhold, president and Mrs. H. Hour of the Royal Oak Junior Women's Club and Mrs. James Lowman, president, and Mrs. C. Hall of the Birmingham Junior Women's Club.

An international night, a cancer pad workshop, and a family picnic are planned for the near future. Mrs. Saunders will return soon from the General Federation of Women's Clubs convention in Philadelphia with new proposals and projects.

Membership will be open for a limited time. If interested, please call Penny Ortis, TU 1-0993.

## Church To Hold Vacation School

A daily Vacation Church School will be held at Christ Church, 61 Grosse Pointe boulevard, from June 20 through July 1, under the direction of Mrs. Arthur J. Smith.

The program, planned for children of ages five through 10, includes worship, stories, crafts, recreation and refreshments.

Registration blanks are available at the Parish Office.

## Hagenmeyers Present When Son Graduates from USNA

The William H. Hagenmeyers, of Lakepointe avenue, will soon be "home watchers" in the Pointe as their new residence in Deeplands road is being built. This week-end they are in Annapolis where son Bill Jr. graduates from Annapolis. Bill is leaving Saturday for a navy cruise to Europe and the senior Hagenmeyers are stopping by for a visit with friends in Bedford Springs, Pa.

## Gay GPUS Carnival To Be Held June 18

Day Long Carnival at the Grosse Pointe University School Being Revived to Raise Funds to Scholarships; John M. Finlayson Jr., General Chairman

After a year's absence from the Pointe calendar (because of all that moving and building) Grosse Pointe University School is planning a Carnival again this month.

It'll be held June 18 on the school grounds (Cook road) from 10 a.m. to 8 p.m., and proceeds go to the school's scholarship fund.

There'll be fun for the entire family with booths, midway and Motorama (cars of the future and past) and an al fresco barbecue supper ending the big day.

John M. Finlayson Jr. is general chairman of all the fun, assisted by Sidney S. Hall and Reade H. Ryan.

Student representatives are Susan Gillis and Edgar Howbert, VIP on the GPUS campus.

Mrs. Sidney S. Hall, Mrs. H. S. Hemmeter and Mrs. Henry S. Walker are in charge of the barbecue party from 6 to 8 p.m. the night of the carnival (this is the fifth annual carnival, incidentally).

Mrs. Alfred R. Glancy Jr. promises a midway better than even those super duper ones of past carnivals and her helpers are Mrs. Robert J. Schenck and Mrs. Charles E. Gorey Jr.

Pointers may eat hamburgers from morning till night at the very special booth where Mrs. W. Brace Krag will be in charge, assisted by Mrs. Robert T. B. Peirce, Mrs. Henry R. Klein and Mrs. Milton J. Rueger.

The old faithful White Elephants will have a booth of their own manned by Mrs. Reginald MacArthur and Mrs. Edward S. Piggins while Mrs. Earl I. Heenan Jr. and Mrs. James W. Grace are managers of the concessions you'll find at the carnival.

Ray M. Whyte, with Frederick P. Hart Jr., junior chairman of the antique cars, will manage the super colossal Motorama; Mrs.

Lewis S. Robinson presides at the Handwork booth.

Other booth chairmen and their helpers include: Baked Goods, Mrs. Ralph McElvenny, chairman, assisted by Mrs. Donald C. Winans; Cold Drinks, Mrs. Wilber H. Mack, chairman, assisted by Mrs. Robert B. Sempier; Glass Pitch, Mrs. David C. Gillis, assisted by Mrs. Eugene P. Hawkins.

The big back stage force lines up like this:

Mrs. John S. Bayne is manpower chairman. Gilbert T. Jerome, Karl O. VanLeuven Jr. and Frederic A. Leisen form the committee in charge of lighting and grounds. Mrs. James P. Fitzgerald is the important chairman of tents and fixtures.

And George N. Monro III is treasurer of the Grosse Pointe University School Carnival.

Practically every girl and boy student, and parents, will have a part in the Carnival.

## League to Aid Crippled Children to Hold Party

The annual June party of the Michigan League for crippled children is scheduled for Friday, June 10, at the Lechmoor Club, 1018 Sunningdale drive.

The board meeting is at 11 a.m. and luncheon at 12:30 p.m. Cards are on the agenda for the afternoon.

The American Red Cross inaugurated its First Aid Service on January 1, 1910. Originally designed to teach first aid to workers in mines and on railroads, it has since expanded to most industries, civic groups, and the general public.

## Hampton Road Home Awaits Wm. Queens

Madge Pennington Winter Spoke Vows May '26 at Ceremony in Grosse Pointe Memorial Church

At a candlelight ceremony last Thursday evening (May 26) Madge Pennington Winter became the bride of William Warren Queen.

The Rev. Paul F. Ketchum officiated at the evening service in Grosse Pointe Memorial Church.

After the wedding, the bride's parents, Mr. and Mrs. Foster Winter, of Berkshire road, entertained guests at a reception in their home.

The bridegroom is the son of Mr. and Mrs. Gerald Queen of Trombley road.

White tulle over taffeta was worn by the bride. Tiny embroidered flowers formed detail over the entire gown which had sculptured bodice, little sleeves shirred slightly to mold the shoulders, and a bouffant skirt with five layers of tulle that fell into chapel train.

A crown of starched scalloped lace secured the fingertip bridal veil of imported silk illusion and Madge carried lilies of the valley, white spray orchids and ivy.

Betsy Arnold was maid of honor and the bridesmaids included the bride's sister, Mrs. Al-Jan McPherson, Mrs. Phil U. Blanchard, Janet Jolley, Mrs. Robert Pear, sister of the bridegroom; Mrs. Hugh G. Harness, of Dayton, O., and Mrs. Robert P. Hayward of Scotia, N. Y.

Their identical gowns were made of Nile green net and lace, with pleated net forming sweet-

## Historic Society Meets June 10

Mrs. Millard H. Toncray, of Buckingham road, will preside at the annual meeting of the Historical Society Friday, June 10, in the Bloomfield Hills Country Club.

Preceding the meeting, there will be a luncheon at 12:30 o'clock.

The session closes the organization's programs for the season. Members are particularly pleased that the society's annual Lincoln Luncheon, earlier this year, provided funds enabling the Society to contribute to the restoration and preservation of national, state and civic memorials.

Among the year's significant gifts to local historical projects, was the society's contributions to Old Mariner's Church, Detroit Historical Museum and the Burton Historical Collection.

Mrs. Alfred G. Wilson and Mrs. Russell I. Roberge will be hostesses at the June 10 meeting and members may bring guests.

Reservations are being taken by Mrs. E. Ben Lyons and Mrs. Walter W. Fleming.

## Lantern Night Ceremony Honors Group at MSC

Michigan State College honored 50 senior women students in the traditional Lantern Night ceremony Sunday, May 29, at the Union Building.

The coeds honored have been chosen on the basis of their scholarship and their participation in activities while at Michigan State.

They were joined in the ceremony by 50 scholastically outstanding women students from each of the freshman, sophomore and junior classes. The group marched in a double line procession to the home of President John A. Hantah, all carrying lighted lanterns with the exception of the freshmen. They received their lanterns from sophomore class members.

President Hannah addressed the gathering, and entertainment was provided by Sorority and Dormitory Sing winners and the M.S.C. carillon.

Among those honored was Jackie Climie, daughter of Mr. and Mrs. H. Climie of Hunt Club drive.

## Mrs. William Warren Queen

**Sportsman To Address St. Paul Men's Club**

The speaker at the meeting of the Men's Club of St. Paul, Lutheran Church, on Tuesday evening, June 7, at 8:30, will be Ray T. Rath, lecturer and sportsman.

Mr. Rath has spent most of his life pursuing the art of hunting and fishing. His experiences have taken him to the fields, streams and forests from Michigan to Colorado and to many parts of Canada.

His illustrated lecture is directed toward the development of skill in fishing and hunting and to encourage conservation and good sportsmanship.

Reservations for the meal which will be served by the Mission Society may be made by telephoning the church office.

To be up to date nowadays people have to live about ten years ahead of 10 times.

**A & P Market Ready for Heat**

The big A&P market on Kercheval, in the Village, one of the company's finest in the Detroit area, and one of the most popular shopping spots in the Pointe, is now ready for summer's hot weather. It has just completed installation of a new air conditioning unit system.

One of the first to complete modernization, in keeping with a program advocated by local business leaders for the convenience and comfort of customers, the store now rates as a model establishment.

Its rear entrance, leads to an expansive parking lot which eliminates much of Kercheval's on street parking, double parking and block circling.

The store has 60 employees and is managed by D. Melvin Todd. Assistant manager is James K. Parker.
