# DUTCH ELM DISEASE SHOWS GAIN

## HEADLINES

### of the WEEK

As Compiled by the Grosse Pointe News

Thursday, June 23

**JUAN PERON**, president of Argentina, is once again the strong man of the nation. Gen. Franklin Lucero stepped down as the country's No. 1 man and turned over the control of the nation's armed forces to Peron.

Two moves went far toward restoring normalcy in the wake of the June 16 revolt of Navy marines and fliers. Army guards were withdrawn from bombed Government House and the government announced the release of political prisoners. The revolt was the climax in the battle between Peron and the Roman Catholic Church.

**SURRENDER** of Formosa to the Chinese Communists and the seating of Red China in the United Nations was asked by Prime Minister Jawaharlal Nehru of India and Soviet Premier Nikolai Bulganin. A declaration to that effect was signed by both men Wednesday night.

The declaration also called for "imposition of a complete ban on production, experimentation and the use of nuclear and thermo-nuclear weapons of war."

**WILBER M. BRUCKER**, former governor of Michigan, has been named to the post of Secretary of the Army, succeeding Robert T. Stevens. The former governor was appointed to the post by President Eisenhower subject to approval by the Senate. The appointment is effective July 31. Brucker has been general counsel of the Defense Department since May 1954. The appointment came as a surprise to him. He was called to the office of Defense Secretary Charles E. Wilson and informed of the President's choice.

Friday, June 24

**ITALY IS SHOPPING** around for a new premier, after the fall of Premier Mario Scelba's government. Top favorites for the position are former Premier Giuseppe Pella and Budget Minister Ezio Vanoni. President Giovanni Gronchi was calling in Italy's top statesmen and party successor to Scelba.

The tough little Sicilian, a foe of Communism, resigned Wednesday after almost 16 months as premier. His own Christian Party refused to support his four-party center coalition.

**NOW THEY'VE DONE IT.** Three editors of a leading East German newspaper and a proof-reader were jailed by Red police for printing an "error" that completely reversed the party line on peace. The word which got the four in trouble was "preparation." A statement in the paper said that many people were signing the Vienna (Communist) appeal "for preparation" of an atomic war. "Preparation" should have been "prevention."

**RUSSIA** was given blunt notice by French Foreign Minister Antoine Pinay, that France cannot be wooed away from the North Atlantic Defense Alliance. He made his statement during a stinging speech aimed at Russian Foreign Minister V. M. Molotov, who charged that the Western Powers were heightening world tension.

The occasion was the 10th anniversary of the founding of the United Nations. Meanwhile, the United States, Britain and France said they are ready to discuss Far Eastern problems at the Big Four conference scheduled for next month, if Russia insists.

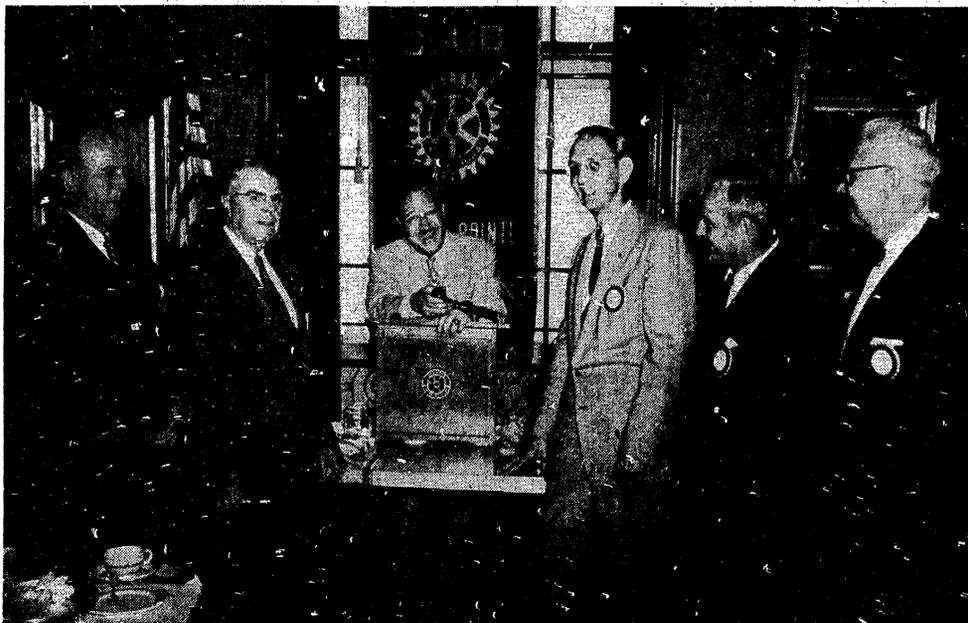

Saturday, June 25

**CONGRESS** demanded that this country reconsider its plans for a Big Four meeting in view of an unprovoked attack on an American plane over international waters between Anchorage, Alaska, and Siberia, by "trigger-happy" Russians.

An official report from Washington stated that a U. S. Navy plane, the Neptune, was shot down by a MIG jet pilot. The American plane, attached to Naval Squadron 9 at Kodiak Naval Air Station, was on a routine patrol when the attack occurred. Three of the crewmen were wounded by bullets and five hurt in the crash landing. Russia was handed a stiff note of protest.

## Rotary Club Installs New Set of Officers

Installation ceremonies were held at the War Memorial Center on Monday, June 20, by the Grosse Pointe Rotary Club. Ten past presidents at the speakers' tables witnessed the ceremony, with charter member and first president Fintan Henk presiding. Left to right are: REMINGTON

J. PURDY, treasurer; HERBERT SAVAGE, secretary; WILLIAM WAHL, retiring president; GLENN M. PRATT, new president; DAVID McCARRON, first vice-president; ROBERT M. ORR, second vice-president.

## Rotary Club Installs New Officers

### Service Organization Starting 19th Year of Constructive Program for Community

Under the watchful eyes of 10 past presidents, sitting at the speakers' table, the 1955-56 officers of the Grosse Pointe Rotary Club were installed on Monday, June 20, at a regular meeting of the club in the War Memorial Center.

As a charter member and the first president of the club, Fintan Henk presided and installed the new officers as follows: Glenn M. Pratt, president; David McCarron, first vice-president; Robert M. Orr, second vice-president; Herbert Savage, secretary; Remington J. Purdy, treasurer.

**Directors Also Installed**  
The following directors were installed at the same ceremony: Matthew Houghton, John L. Potter, Clifford Ashton and William Wahl.

At the close of the installation of the new officers the retiring president, William Wahl, was presented with the traditional past president's diamond pin and congratulated upon his successful administration.

The past year has been an outstanding one in Rotary circles since it was the Golden Anniversary of its founding by Paul Harris in Chicago in 1905.

**Many Make Pilgrimage**  
Many members and officers of the Grosse Pointe Rotary Club made the pilgrimage to Chicago for the great celebration of Rotary International's Fiftieth Anniversary, May 29, to June 4 this year.

The Grosse Pointe Rotary Club was chartered in 1937 and is now beginning its 19th year of service to the community.

**Woods Winner of Citation For Pedestrian Protection**  
Grosse Pointe Woods has been awarded a special citation for its pedestrian protection program in the 16th national AAA Pedestrian Protection contest, Ernest P. Davis, Automobile Club of Michigan safety and traffic director, has announced.

The city was especially commended for having no pedestrian fatalities while 500 other cities of comparable size had a pedestrian death rate of three per 100,000 population. The school safety phase of the city's pedestrian program also drew special praise from contest judges.

Grosse Pointe Woods won a similar award last year and in 1952 received an honorable mention award.

## Farms Police Nab Youths Driving Stolen Ohio Car Around Pointe at 5:45 a. m.

### Marion Boys Admit to Stealing Cash and Truck, Then Another Car in Toledo; Automatic Pistol Found Under Seat

Two Marian, O., youths, arrested by Farms police on Monday, June 27, were turned over to Marion police the same day, for investigation of car theft and possession of firearms, information from Farms Det. Harold Beauque revealed.

The Federal Bureau of Investigation will question the youths, one a 16-year-old and the other 17, in connection with transporting a stolen vehicle over a state line, a Federal offense.

**Officers Suspicious**  
According to Det. Beaupre, Patrolmen George Vantim and William Fowler were cruising north on Moross road about 5:45 a.m., when they noticed the two boys driving a car bearing an Ohio license plate. The car stopped at Grosse Pointe boulevard and Moross, and then continued on its way. The officers followed and ordered the boys to pull over to the curb on Mack avenue, near Wrigley's supermarket.

The officers asked the 16-year-old, who was driving, for the car registration and was informed the car belonged to his brother. A search of the vehicle disclosed a registration, but it was made out to a Charles A. Nymer of 733 1/2 Hampton, Toledo, O.

**Find Gun Under Seat**  
A further search uncovered a loaded 7.65 mm. Mauser automatic pistol under the right front seat.

Patrolmen Guy Lyford and Marvin Krebs arrived at the scene to aid in taking the boys to the station, where the younger boy admitted stealing the gun from his uncle, also of Marion, along with large amount of change.

The boys then admitted they first stole the younger man's uncle's truck, which they drove around with in Marion, the left it and then stole a car, driving it to Toledo, where they "dumped it" in favor of the car in which they were driving when apprehended.

Det. Beaupre said there were no charges placed against the boys as far as the Farms was concerned.

**Miss Marjorie Harger**, who has been assistant principal at Monteth, will act as principal during Mr. Jameson's absence.

**Jameson Wins Harvard Award**  
Superintendent of Schools James V. Bushong announced Board approval of a year's leave of absence for Marshall Jameson, the popular principal of the Monteth Elementary School.

Mr. Jameson has been awarded a scholarship for a full year of study at Harvard University Graduate School of Education. The scholarship is awarded annually by Harvard to 25 outstanding administrators across the country. The year's study will enable Mr. Jameson to complete most of the requirements for the doctorate degree in administration.

## Boat Drivers Get Warning From City

### Noise and Speed are Chief Causes of Residents' Complaints; to Enforce Law

The City of Grosse Pointe is embarking on a different kind of traffic control; that of boat traffic. With the help of residents, City police and the Coast Guard, it promises to be a stiff crackdown.

"We've had too many reports of noise made by the outboards and runabouts," said City Clerk Norbert Neff. "We're just going to have to enforce our 250 foot rule."

**Ordinance in Effect**  
Neff was referring to the city ordinance that states no boats shall be allowed to race about within 250 feet of the outer portion of the City pier. The ordinance also states a legal limit of speed within this closed area. It is three miles per hour.

"We are going to crack down," Neff said. "Besides the disturbance factor, boats racing around are a safety hazard." Last week a boy was pulled into the City station to answer to reckless driving charges.

**Almost Hit Swimmers**  
Monday, June 30, a 14-year-old with a 25 h.p. outboard was charged with reckless driving. According to police reports, the youth almost ran down three swimmers. Given a stiff warning, he was released.

"Every year we have fatalities and serious injuries because of reckless driving in a boat," Neff said. "Particularly here in the Windmill Pointe area where there is an abundance of both boats and swimmers."

Neff went on to say that the youth reprimanded Monday, was let off very easily. "If the Coast Guard gets hold of them, chances are they will lose their boat." The city may also confiscate an owner's boat if it thinks the violation is serious enough.

**City Has Power**  
"We have riparian rights (water rights) all the way out to the harbor line," Neff explained. "That gives the city and its law enforcement bodies power to arrest and enforce."

Neff urged all waterfront residents who were bothered by the noise of the boats running too close to the shore to get a description of the boat and report it to the city police.

"With the cooperation of our citizens and a close surveillance by our park employees, along with the help of the police, I think we can make the City a more pleasant place in which to live, boat and swim," Neff said.

## James Lee Named New President of Board of Education

### Franklin Dougherty Elected Secretary and Robert Weber Treasurer; Wicking, President for Four Years, Stays on Board

The Board of Education of the Grosse Pointe Public School System has announced the election of James W. Lee II as its president. Mr. Lee succeeds Bert H. Wicking who has been president for the past four years.

Mr. Wicking will continue as a trustee, having just been elected to his fifth three-year term.

**Dougherty Is Secretary**  
Franklin D. Dougherty was elected secretary succeeding Chet Sampson who will, however, continue as a trustee. Robert F. Weber was elected treasurer succeeding Mr. Dougherty.

Mr. Lee brings a wealth of experience to the Grosse Pointe Board of Education. He has been a trustee for two years. He is a partner in the Ivy Lee and T. J. Ross firm, one of the oldest public relation counseling organizations in this country.

In his work with Ivy Lee and T. J. Ross, Mr. Lee is associated closely in Detroit with Chrysler Corporation, the Federal Mogul Corporation, and the National Brewing Company of Michigan. The president-elect is active in both civic and charitable enterprises.

**Was Born in Brooklyn**

Mr. Lee was born in Brooklyn, New York, attended Hotchkiss School, and graduated from Princeton University in 1929. He is married to Betty Buechner and they have three daughters, Penelope, Patricia, and Nini.

Penelope will attend Pierce Junior High School next fall, while Patricia and Nini will continue at Kerby Elementary School. The Lees live at 376 Chalfonte in Grosse Pointe Farms.

The new president of the Grosse Pointe School Board is chairman of the Public Relations Committee of the Automobile Manufacturers Association; chairman of the Neighborhood Development Sub-Committee of the Detroit-Tomorrow Committee; director of the National Brewing Company of Michigan; director of the Public Relations Society of America and former president and director of the Detroit Chapter, member, Graduate Council (Continued on Page 2)

## Police Seeking Bad Check Artist

A phony check passer, who is wanted by Detroit police for cashing bad checks in that city, is now on the list of the Farms Police Department, according to information released by Farms Det. Harold Beaupre.

Det. Beaupre disclosed that a check made out to E. G. Corella, to the amount of \$91.51, was cashed at Kercheval Branch of the Grosse Pointe Bank on Friday, June 24.

He said that the forger is believed to be a former employe of a Detroit moving-storage company, from which he had stolen a number of blank checks.

All the checks are drawn on the Detroit Bank. Businessmen in the Pointe are asked to look out for, and to notify police immediately of anyone cashing checks bearing the name of E. G. Corella.

The man carries credentials, bearing that name, which he uses to have the checks cashed.

## Victim of Amnesia Found Unconscious on Park Street

The Park police picked up an amnesia victim Wednesday, June 22, who had wandered here all the way from Buffalo, New York. They found her unconscious at Wayburn and Jefferson.

Rushed to Bon Secours hospital was Betty Rostin, 28, wife and mother of two children. There was no identification on her when Officers Boon and Conlin found her.

When she recovered consciousness, Mrs. Rostin did not know who she was. In her pocket book was found a Greyhound bus ticket. She had no recollection of having taken a bus.

The ensuing questioning was to no avail. Mrs. Rostin could remember nothing.

## Total of 244 Trees Cited As Suspects

### Shores Reports More Than Last Year; Blight Worse in Woods

Nature's summer tree scourge, the Dutch Elm Disease is taking its toll in the Pointe again this season. Worst hit comparatively, is tiny Grosse Pointe Shores, already reporting twice as many cases as in all of last year.

The other Pointe communities, The Woods, Farms, City and Park seem to be holding their own, though all of the Lansing reports are not yet in.

**Lost 200 Last Year**  
The disease, which is fatal to trees, has haunted the Pointe for years. Last year nearly two hundred of the stately elms had to be felled.

To date in the five Pointes, there are 44 trees with positive cases and 200 others with at least some of the symptoms.

Though the Shores has only 12 positive cases, this is twice as many as last year. A complete survey of all of the municipalities has yet to be taken.

"We've just checked where symptoms have been reported," stated Tom Jefferis, Shores Village Manager. Over 90 percent of the trees checked proved to have the disease.

**Blames Big Estates**

The reason for the Shores alarming jump in the number of cases is due to two things; the amount of new building going on and the exceptionally dry spring.

"Many of the trees on the huge Lake Shore estates have never been sprayed," Jefferis explained. "When they were bought for subdivision, the owners didn't know where the streets were going and didn't want to spray those that would shortly be cut down."

The beetle carrier thrives in dry weather.

The Shores has found four of the infected trees to be city trees and eight to be on private land.

**125 Suspected in Woods**  
Though little information was available in the Woods, it was found that 125 trees carry Dutch Elm symptoms. This figure is the high for the five Pointes. Of those 125 reported to Lansing, 14 have been found to have positive cases.

The Park and the Farms are neck in neck for the dubious honor of third place in the race of cases reported. The Park has sent in 44 positives and the Farms 43.

Though the Park's 44 seems high, it is far better than last year at this time. "We sent in almost three times as many positives last year and eventually, as the summer went on, had to down about twice as many as the samples we sent in this year," said Herb Hager, Public Service Director. "I think we're holding our own this year."

**Surveys Are Complete**

The Park, whose city surveys are complete, has submitted samples on trees with only the slightest symptoms.

The number of positive cases in the Farms has not been determined, though 43 samples have been sent to the testing laboratories. A private landscaping concern is handling the Farms surveys.

The City seems the last afflicted. It has sent out only 20 sets (Continued on Page 2)

## Car in Accident Does Bottoms-Up

Two cars collided at the intersection of Chalfonte and Kerby, with one of the cars turning bottom-side up. The driver miraculously escaped injuries.

According to a Farms police report, Frederick Lewis, 19, of 21520 California, St. Clair Shores, while traveling north on Kerby road on Saturday, June 25, failed to stop for Chalfonte, and struck a car, driven by Robert Dice, 33, of 2051 Country Club, going west on Chalfonte.

The impact caused Dice's car to turn over and come to rest with the wheels in the air.

Lewis was ticketed for failing to stop for a stop street and causing an accident.

Damage to Dice's car, which is brand new, was estimated at approximately \$1,000; to Lewis' car, a 1948 model, \$150.

## Dutch Elm

(Continued from Page 1)

of samples. Though the reports have still to return, City Clerk Norbert Neff said there were several trees that are definitely doomed.

It was Neff's opinion that the situation was "about the same as last year." The City was the least afflicted last year also.

All of the five Pointe surveys are in a sense inadequate. The heavy population of elms in this area allows only partial surveys at best. The checks are principally on city-owned trees. Private trees are inspected on request and if, during the city tree surveys, symptoms on private trees are quite evident.

**Beetles Move Around**  
Another drawback is the interim period between first discovery and confirmation. The beetle that carries the disease is a transient insect, not staying with one tree for sustained periods.

If discovered, the infected trees must be downed. This is required by state law.  
Final reports as to the total of the cases in the Pointes is expected within a few weeks.

## Amnesia

(Continued from Page 1)

The police called her husband and he told them that this had happened before. He said that she had left sometime Monday with apparently only enough money to buy bus fare.

Mr. Rostin said that he knew of his wife's departure only after she had left. "I came home from work on Monday and she was gone. The children were left at a neighbors. She told them she was going to Niagara Falls. That's the last we saw of her," Rostin said.

It was evident that Mrs. Rostin was in the early stages of starvation when she collapsed at Wayburn and Jefferson. Apparently she had not eaten since lunch on Monday. She was picked up at 9:45 p. m. Wednesday.

The police signed the hospital release Friday and Mr. Rostin flew in from Buffalo to pick up his wife.

### BLAZE DAMAGES CAR

A minor fire destroyed the front seat of Dr. F. B. Bicknell's car Friday night, June 17. It broke out at approximately 9:30 p. m. Dr. Bicknell lives at 502 Rivard. The fire was put out without trouble by the City firemen. The origin was not determined.

### NO LET-DOWN

of Princeton University and director and former president of the Princeton Club of Michigan; director and former president of the Grosse Pointe War Memorial Association; and member of the Men's Advisory Committee of the Cottage Hospital of Grosse Pointe and of the Detroit League for the Handicapped.

### Trustee for 8 Years

Secretary-elect Dougherty is an attorney engaged in private practice. He has been a trustee of the Grosse Pointe Board of Education since 1947. In 1949 he was secretary to the Board and in 1950 he was president. Mr. Dougherty is a past-president of the Mason Elementary School P.T.A.

Mr. Weber, the new treasurer, is a partner in the Weber Lumber Company of Detroit. He has been a trustee of the Grosse Pointe Board of Education since 1954. He is past-president of the Parcels Junior High School P.T.A.

Mr. Weber is past-District Governor of Kiwanis International and a former member of the Board of Trustees of the Village of Grosse Pointe Shores. He is president of Goodwill Industries, Detroit.

The Weber children include David, who attends Parcels Junior High School, Roslind, who attends Tromby, and Mark, who attends Vernier Elementary School. The Webers reside at 992 Lake Shore.

## Chrysler Board Honors Pointers

The election of two Grosse Pointe residents as vice-presidents of Chrysler Division has been announced by Grosse Pointer, E. C. Quinn, president, Chrysler Division, Chrysler Corporation.

M. T. O'Donnell was elected to the post of vice-president and Clare E. Briggs was elected vice-president in charge of sales. Both elections were actions of the board of directors of Chrysler Sales Corporation.

Mr. O'Donnell, who has been special assistant to the president in charge of manufacturing and organization divisionalization since December, 1954, previously had been assistant general works manager of the division. Mr. O'Donnell's home is at 1326 Yorkshire.

Mr. Briggs has held the post of assistant to the president in charge of sales since March of this year, when he came to Chrysler Division from another automobile company. Mr. Briggs resides at 623 Westchester.

"Creation of these new vice-presidencies is the result of our rapid growth which has been brought on by careful planning, an efficient and hard-working organization, and the finest product in the industry. These appointments are part of a continuing executive expansion program at Chrysler Division," Mr. Quinn said.

Mr. O'Donnell's promotion to this new post is in recognition of his excellent record and his thorough knowledge of manufacturing methods, costs and procedures," Mr. Quinn said. "He will continue to administer the developmental work he began for the division last year.

"Mr. Briggs will assume full responsibility for all sales activities of Chrysler Division. He will be responsible for formulating sales policies and will be charged with development of the Chrysler and Imperial sales organization. He will provide professional assistance at the retail level to our dealer body and so enable them to handle the increased volume of cars which this division will produce upon completion of our new plant."

A veteran of the automobile business, Mr. Briggs entered the industry in 1924, became a general factory auditor in 1926. In 1927 he became a factory branch retail salesman and subsequently served as district manager, manager of branches, regional manager, and in various other executive sales positions, including vice president.

Mr. Briggs, who was born in Port Huron, Michigan, in 1901, graduated from the Detroit Institute of Technology in 1927 with a B.S. degree in business administration and marketing.

Mr. O'Donnell was born in Lynn, Massachusetts, where he served his apprenticeship as a tool and die maker with General Electric Company. In 1926, he came to Detroit and for ten years was associated with several industrial concerns in tool and die making.

In 1936, Mr. O'Donnell joined Chrysler Corporation as tool engineer for DeSoto Division and in 1940, he was transferred to the Corporation's central estimating department. During the war, he was assistant master mechanic of the Corporation's atomic bomb project, later becoming project master mechanic.

After one year as general superintendent of the Cycleweld Division, he was promoted to supervisor of central estimating for the Corporation and became staff master mechanic in 1951.

Mr. O'Donnell joined Chrysler Division in January, 1953, as assistant general works manager.

Bad habits are a chattel mortgage on man's individuality.

## Simians Bringing Broadway To Memorial Center Stage

Broadway has come to Grosse Pointe! A week from next Wednesday at the Grosse Pointe War Memorial, "Born Yesterday" will be presented by Simians, Grosse Pointe's amateur dramatic group.

"Born Yesterday" was a smash hit on the Great White Way and a great success as a movie. The comedy, written by Garson Kanin, starred Judy Holliday and Paul Douglas in the Broadway version.

Grosse Pointers will have three opportunities to view this play at the performances given on July 14, 15 and 16. Winnie Likert, club president, will direct the "theater under the stars" production.

Rehearsals have been under way for almost two weeks and the cast, which is composed entirely of club members, has been perfecting its parts daily.

"We're a small, low-budget organization," explains president-director Winnie Likert, "but we try to get as close to perfection as we can. The magazine, 'Theatre Arts' has called us one of the more promising amateur groups in the Midwest."

The performance of "Born Yesterday" will be marked by the first appearance in Grosse Pointe of the platform of apron stage. This stage, a comparatively new development in the theater, projects out into the audience much farther than an ordinary stage. This enables the audience to be seated on three sides of the stage and promotes a closer identification between actor and spectator.

The Simians' next meeting will be held in the main branch of the Grosse Pointe Public Library, on June 31. The meeting starts at 8 p. m. and new members will be welcome. The group is composed of high school and college-age young people with an interest in the theater.

**DOG BITES MAILMAN**  
Mail carrier Milton Knuth was bitten by a dog Friday, June 17. The dog, belonging to the R. J. Millers of 751 Fisher road, nipped Knuth in front of 745 Fisher. The dog is undergoing observation. Knuth was treated at Bon Secours Hospital.

**CLASSIFIEDS GET RESULTS!**

## Summer School Enrollment Soars

The enrollment at the Grosse Pointe Public Schools Summer School reached a new all-time high last week, announces Walter R. Cleminson, Summer School principal. This year 796 have enrolled. The previous high was 726 last year.

The Summer School program includes work in grades 3-12. Twenty-five secondary school semester courses are being offered with some having as many as three sections. On the elementary level, arithmetic, reading-spelling-language, and instrumental music are offered in grades 3-6.

There are two elementary grade rooms at Mason School and two at Grosse Pointe High School. All of the secondary school classes are held at the Grosse Pointe High School.

About four-fifths of the students are enrolled in grades 7-12 and of these the great majority are in senior high grades.

There are 22 teachers on the Summer School staff, 6 for elementary grade classes and 16 on the junior high-senior high level. All are members of the Grosse Pointe Public Schools staff during the regular school year.

People who live within their income sometimes get used to it.

Opportunity often works wonders—and ability gets the credit.

**Kopp's GROSSE POINTE**

16926 KERCHEVAL AVE.

The NEWS photographer was on hand when the cry of "Timber!" went up for the toppling of this giant. But there need be no regrets. The once-beautiful big tree was dead as the proverbial doornail, so it didn't matter that it had to come down to make way for developments of the new Clairno view subdivision in Grosse Pointe Shores.

**Girl Injured By Backing Car**

Kathleen Stackpool, 17, of 1113 Nottingham suffered a severely cut leg that required 24 stitches Tuesday, June 21, when she was brushed by a parking auto driven by a friend, Albert Lamb of 1350 Nottingham.

Miss Stackpool was standing between Lamb's car and a parked car next to the curb, talking to Lamb when he decided to back around and park. A piece of chrome stripping caught the young girl's leg below the knee. She was rushed to Bon Secours Hospital for treatment.

Lamb was ticketed for double parking on a residential street.

**Bicycles Stolen At Park's Beach**

A rash of bike thefts broke out in Grosse Pointe Park on Thursday, June 23. Three were stolen from the waterfront park some time in the late afternoon or early evening.

The first to be reported was a bike belonging to Richard Molitor of 880 Westchester. The report was phoned into the police station at 6:10 p.m.

The second report was phoned in a little more than two hours later. The victim was a Terry Stocker of 3829 Bishop in Detroit.

The third was a delayed report. It was submitted Friday morning, but the time of the theft was placed at some time in the late afternoon before. The bike belonged to Thomas Harret of 1128 Wayburn.

The bikes were all stolen from the bike rack just outside the check-in gate. None of them was locked. The three owners gave complete descriptions of their bikes, but could not supply any information about the thieves.

All of the victims had been in the park for some time and only noticed their bikes missing when they came out to go home.

According to Police Chief Arthur Louwers, the thefts were probably perpetrated by juveniles. "They take one without any fuss or bother and figure 'Why not clean up?' In a sense, the owners are to blame also. None of the bikes was locked. Not locking your bike is like leaving the keys in your car. How do you know but that some screwball will come along and drive it away?"

The thefts are being investigated.

**TIP TO MOTORISTS**

Motorists who contemplate passing every car on the road should bear in mind that they may get only one chance.

**Shrub-Planting Program Planned to Beautify Pointe**

Members of the Grosse Pointe Garden Club Council left a meeting at Memorial Center on June 24 with order books and lists of Japanese flowering crabs in their hands.

Earlier this spring the Garden Clubs in the council chose the flowering crab in several varieties to be used in their Grosse Pointe beautification program. The following eight varieties were chosen because of their (1) resistance to disease and insects, (2) showiness, (3) ease of growth and (4) suitability to this area.

**CARMINE CRAB.** Outstanding variety with red buds, carmine blooms and shiny red fruit in the fall. Grows 15 feet.

**ELEY FLOWERING CRAB.** Top landscape variety distinguished by reddish foliage, free blooming habit and purplish red blooms.

**JAPANESE FLOWERING CRAB.** Showy pink blooms appear in young shrubs followed by small red fruit. Spreading habit.

**RED FRUITED CRAB.** Delightful light pink blooms followed by red berries. A beautiful variety.

**TEA CRAB.** Single white flowers arising from pink buds.

**PEACHLEAF CHERRY CRAB**—delightful large single white flowers. It is judged outstandingly ornamental for its large fruit.

**SARGENT FLOWERING CRAB.** Attractive dwarfish shrub like form with white flowers and small reddish fruit.

**CUTLEAF CRAB.** Single white flowers. Highly ornamental with bi-color yellow and red fruit that is pear-shaped.

As a community service Vincent R. DePetris has arranged with the Monroe Nurseries to get these trees and shrubs at cost. Council members are ready and eager to take your order for one or more of these varieties. Orders will be placed as they are received so that purchasers can be assured the nursery will be able to supply the number desired.

The plants will be dug this fall and if the weatherman cooperates the last week in October will be Planting Week in Grosse Pointe. The council will furnish a memorandum of instructions on planting and purchasers will be notified well in advance as to a time and place for distribution here in the Pointe.

From the clean-up campaign committee, which is also sponsored by the Garden Club Council, the aid of the area chairmen and their committee members is being enlisted. Other organizations are urged to join in this

## Woods Restaurant Renews Battle for Liquor License

The Woods has been served with a writ of mandamus, returnable to the State Supreme Court in Lansing by July 19, to show cause why the city should not allow the maximum number of liquor licenses within the community.

The writ was handed to Woods City Clerk Herbert Brauns, by the attorney of the owners of a Mack avenue restaurant, on Friday, June 17.

The owners of the restaurant had sought a Class C liquor license almost two years ago, so that they can serve liquor by the glass with food, but their application was turned down.

The Woods now has three establishments selling liquor by the glass. According to Liquor Control Commission regulations, each community is allowed one license to every 1,500 persons according to Federal census.

The last census taken by the

government reported 10,381 persons living in the Woods, thereby legally entitling the city to just six Class C licenses.

During the latter part of 1953, the restaurant owners sought to obtain a license, but were turned down by the city. When they sought to force the Woods to issue the license through legal council, residents of the city were up in arms.

In October and November, public hearings were held on the controversy and it was approved that the matter be settled at the polls.

In April 1954, a referendum was held and the issuance of further licenses was overwhelmingly defeated.

The Liquor Control Commission has a policy of not issuing any licenses against the wishes of a community, and when the officials of the Woods, in compliance with the desires of the voters, denied a request for the license, the restaurant owners threatened court action.

The constitutionality of a change in the Woods ordinance, which prohibits any further Class C liquor establishments in the community, will be determined by the coming court battle. The change was made before the issue was placed on the ballot.

The impending court action will determine whether any community can regulate the number of establishments allowed within its boundaries.

## Grace Ev. Plans Vacation School

Grace Evangelical and Reformed Church, Lakepointe at Kercheval, is planning its Vacation Bible School for two weeks, from July 5 to July 15, from 9:30 to 11:30 a.m. This project was started six years ago with a group of 43 children and a staff of ten and has steadily increased.

Two years ago there were two schools with a staff of 47 and 143 children attending. This year because of a building program, which will see the building of a new educational unit, there will be only one school.

At least 150 children are expected to be in attendance and the school will have the following staff: director, Mrs. Edward Welch; beginners' department, Mrs. Louis Gascoigne, superintendent; teachers, Mrs. Don MacLeod, Mrs. Ralph Getz; primary department: Mrs. Emery Monroe, superintendent; teachers, Mrs. Melvin Martin, Mrs. Arthur Riske; junior department, Mrs. Don Endicot, superintendent; teachers, Mrs. Randall Gotlier, Mrs. William Beebe, Mrs. James Blair, Mrs. William Schleicher, Mr. Edward Welch.

Leadership training class: Mrs. Robert Beck, coordinator; Mrs. Rene Snoeck, Mrs. Robert Dupuis, Mrs. Robert Mangus, Mr. and Mrs. Custer Homeier.

Organist, worship director and hostess, Mrs. Raymond Foraker; office secretary, Mrs. Harold Hoover; poster artist, Miss Nila LeDuke; transportation, Edward Welch, chairman; Luther Dupuis, Fred Aljets, William Schleicher, Mrs. Archie Catellier, Joseph Kolley.

Refreshments, Mrs. Clarence Fiedler; crib room, Mrs. Glen Bray; supervisor, Mrs. Ernest Ouellette; nurse, Mrs. Allen Nelson; and consultant, Rev. Robert P. Beck.

Grace Church is conducting this school for its own church families and other families in the community. It is a non-sectarian project and so far has had children from 15 churches in attendance.

This year a leadership training class will be offered for teenagers from 14 to 16. The class will be taught by public school teachers and is designed to train the young people of the community for future church leadership.

A 75c weekly charge will be made; family rates a maximum of \$1.50 per week.

## Pvt. Denward W. Lohr With Army in Korea

24th DIV, Korea—Army Pvt. Denward W. Lohr, 18, son of Willford Lohr, 1977 Fleetwood, Grosse Pointe, Mich., is a member of the 24th Infantry Division in Korea.

Headquarters of the 24th "Victory" Division has been redeployed to Korea after a short assignment in Japan. The division was the first American unit to fight in the Korean conflict.

Lohr, a rifleman in Company E of the division's 21st Regiment, entered the Army in November 1954 and completed basic training at Fort Leonard Wood, Mo.

He attended Grosse Pointe High School.

## Along the Road

By Roberta Isley

Sue is proud of her hair... it's texture and the style of it. She considers it an investment to go to the Ann-Louise Beauty Salon over on Fisher Rd., regularly for a shampoo, set and shaping. In other words, Sue knows that sensible hair care in summer is important, and she knows, too, how wonderfully pampered and shaped it can be if she calls TU. 2-7511. That's the Ann-Louise Beauty Salon, 405 Fisher Rd.

Summer is the season for madcaps. Summer's the season for such wonderful things as clearance sales. And Florence Riley's clearance begins tomorrow. It will include slips... nightgown... and pegoirs. Mostly one-of-a-kind... and not in all sizes. 371 Fisher Road, TU. 5-9456.

Here it comes, the annual vacation... your chance to get away from it all... to see new places, see new things, meet new people... and take plenty of pictures. To get the film for your vacation... and the long week-end ahead... plan it, visit Paul Gach's studio for film and all the accessories you might need. They have a one hour delivery service, anywhere in the Pointe. They have the added service of picking up your camera and checking it for no charge. Excellent. 345 Fisher Rd., TU. 1-0500.

A summer saunters you probably serve it up with cracked Alice. You need a place in the sun... but to lounge... and fur coats need a place that's cool, too. We haven't Canada's Arctic, but we do have Mondry Cleaners. And they have fur storage vaults right in town. They do cleaning and glazing with a furriers method called Lusterway. Any repairs you will need can be done and ready for next winter if you call TU. 5-4800. 369 Fisher Rd.

GOLFERS should be delighted with the splendid job of resoleing that Jack, over in the Grosse Pointe Shoe Repair, can do. They have the caulks and all. There just isn't any reason at all why you'll have to buy a new pair this summer! All types of shoe repairing are his specialties. 379 Fisher Road.

## Avoid Skimping On Frozen Food

It is false economy to skimp on quality or quantity in packaging foods for freezing, says Eleanor Mullikin, Wayne County Home Agent. Many wrapping materials and containers have been developed since preservation by freezing became popular. Some of these are better than others for protecting foods.

Cold air is dry and will cause foods to dry out unless there is something to hold in the moisture. The wrapping material must be moisture-vapor-proof. An ideal material should also be odorless, tasteless, easy to handle, seal and label. The material used should be strong and durable. It should be designed to make the best use of storage space. Finally, it should permit rapid transfer of heat and not crack.

Select the wrapping materials or containers according to how they will be used. Materials satisfactory for dry packs are cellophane, ploffilm, aluminum foil, laminated papers and lined cartons. Those satisfactory for liquid packs are waxed paperboard tubs, glass jars, plastic aluminum, and tin containers.

When using tin cans, use fruit enamel for highly colored fruits, berries and beets. Use vegetable

enamel to prevent discoloration in sulfur-bearing foods like corn. Do not confuse products frozen in tin with those canned in tin containers. Frozen products must be kept frozen.

New materials for wrapping and new packages for frozen foods are being developed constantly. Check your local suppliers to see what is available in your area.

## Interest Rate Raised By Standard Federal

Walter J. L. Ray, president of Standard Federal Savings and Loan Association, announced that effective July 1, savings accounts at Standard Federal Savings will earn at the new current rate of 2 1/4% per annum.

The association's present earnings make this increase in the rate return possible, Mr. Ray said. He explained that the new rate of return, in keeping with Standard Federal's 62 year old policy of paying the largest return possible on savings accounts consistent with safety and availability.

## Business Group To Study Litter

A special committee will be designated by the Grosse Pointe Businessmen's Association to make an impartial study of littered streets, it was decided at a regular meeting held on Thursday, June 23, at the Alger Post Club House. To be studied are several areas in the various Pointe business districts.

The sections to be checked were pointed out by the members of the Clean-up Committee, which also stipulated that the condition of these streets was not always the fault of the adjacent shop owners.

The Association will forward complaints to the proper authorities for corrective measures as soon as the committee can fix the blame in each case.

## City To Install Drain Insurance

The City wants to be prepared for any emergency which may arise in the event the power line to its storm-water pumping station is knocked out of commission by lightning storms or heavy winds.

In the discussion and negotiation stage, is an offer by the Detroit Edison company to install a power line from Mack avenue, to the City's pumping station at Neff road and Charlevoix avenue, according to Grosse Pointe City Clerk Norbert P. Neff.

Mr. Neff disclosed that talks have been underway between the City and Edison, in regards to the company installing a 4,600-volt power line as a safeguard against the present line being knocked out of commission by lightning or other severe storms.

The amount it would cost Edison to install the line was not known, but it was figured it would cost several thousands; the City will install its own equipment in the station itself at an estimated cost of about \$3,800, the city clerk said.

The station has a pumping capacity of 140,000 gallons per minute, Mr. Neff stated.

Although the pumping station has never been shut down because of severe storms, there is always the fear of this possibility.

The Woods underwent this experience several years ago, when the only power line to its pumping station was twice struck by lightning during a deluge and as a result, 600 homes had basement floods. The Woods and other Pointe communities have thrown over service with Edison, now.

Mr. Neff revealed that this type of standby service will cost the City \$125 per month.

Work on this project will begin one month after the City council gives it approval. At present, the council is taking the proposed service under advisement.

## LOCKED IN LIBRARY

Two young boys, James, 12, and William, McCandless, 10, of 694 Lincoln road, found themselves locked in the Central Library, Kercheval and Fisher road, at closing time on Saturday, June 25. Farms police called Grosse Pointe Library Director Robert Orr, who let the boys out.

## BONFIRE DAMAGES GARAGE

A bonfire caused \$400 damage to a garage at the rear of the home of Lawrence D. Buhl, 249 Lake Shore road. Farms and City firemen extinguished the blaze.

### Mrs. Lawrence Clark Swart

The former JOYCE DANNECKER, daughter of the Arthur C. Dannecker of Cadieux road, was married Saturday, June 18, to Lawrence C. Swart, son of the Clark Swarts of Vendome road. The 3 o'clock ceremony at the Grosse Pointe Memorial Church was officiated by the Rev. Dr. Frank Fitt.

### Cynthia Lister Junior RC Head

Cynthia Lister of Grosse Pointe High School, newly elected president of the County-wide Council of Junior Red Cross, Detroit Chapter, will attend a Leadership Training Center for adult volunteers at Lake Forest, Ill., June 26-30.

Cynthia is one of a few student volunteers to be invited to attend. Chairmen and teacher-sponsors who work in the program of Junior Red Cross will gather from the 17 states comprising the Midwestern Area of Red Cross to participate in the workshop to be held in the former home of the Armour family of Chicago.

Cynthia will confer with teachers and sponsors on program planning from a student's viewpoint. She has been fund and membership chairman in her own school, has participated in international programs and served on committees for her chapter's Junior Red Cross workshop.

In September Cynthia will be chairman of the Detroit Junior Red Cross workshop which will be held for the second time at Holiday House in Oakland County. The four-day workshop will be attended by 100 Wayne County Red Cross juniors, representa-

tives of participating schools, who will map over-all activities for the ensuing year for some 400,000 members.

Other 1955-56 officers for the County Council are: Robert Kring, Taylor Center HS, vice-president; George Emmert, Dearborn HS, secretary and Don Feeman, Denby HS, parliamentarian.

### Farms Submits May Fire Report

The monthly fire report submitted by Farms Fire Chief M. William Mason, disclosed that during the month of May, 16 fires in the Farms caused a total of \$7,550 in damages.

The total assessment value of the buildings endangered amounted to \$80,000, and the value of their contents was set at \$20,000.

Damage to buildings came to \$6,500; contents, \$1,000; damages

in two car fires was recorded at \$50.

All told, the Farms Fire Department answered eight calls for residence fires; six for other fires; two automobile fires; eight emergency calls with the utility truck; and five with the ambulance.

There were no calls from outside communities, and no false alarms.

There were two sick leave days taken and 66 vacation days.

### Park Employs New Fireman

The City of Grosse Pointe Park has employed a new fireman. A replacement, he is William Hunt.

Hunt, who is 26 years old, lives

at 1569 Bewick with his wife and two children.

Before coming to the Park, Hunt was a civil employee working for the post office.

## One Thing Men Agree Upon!

It is in the nature of things for men to hold opinions and to argue and dispute.

Football, baseball, politics—guns, golf clubs, breeds in dogs . . . name a best, and you have an argument.

And so it goes through boats and trains—and horses and tennis and makes of planes.

But when it comes to motor cars, you'll seldom get an argument if you name CADILLAC as the car of cars.

That's just about as close as men can come to universal agreement. And with good reason.

Who could look about him at the various styles in motor cars—and not give the nod to Cadillac for its great dignified silhouette?

Who could take the wheel of this dynamic performer—with a hundred horsepower added to its engine for safety alone—and not crown it the king of the highway?

Who could relax in its luxurious comfort for a mile or five hundred—and fail to recognize it as the finest riding car on the world's highways?

And who could look back over its illustrious past—or look about him at the people who own it and drive it today—and not acclaim it as the most distinguished motor car in the whole automotive world?

We feel assured that you are aware that Cadillac is the car of cars. But that is but part of the wonderful Cadillac story.

There are economy—and value—and dependability. There are long life—and resale value—and freedom from repairs. And there are all the other sound, practical reasons for owning a Cadillac.

Come in and see us. We'll be only too happy to give you the whole story—and the keys to a car. Thirty minutes at the wheel . . . and you'll understand why there's no argument about a Cadillac!

### It's easy to turn waste space into an extra room with a RUSCO PORCH ENCLOSURE!

### Name Johnstone To Drive Post

R. T. Johnstone of 107 Meadow Lane has been named a co-chairman of the executive gifts promotion committee of the United Foundation. The appointment was announced by Don E. Ahrens, committee chairman, who was general chairman of the 1954 Torch Drive.

Johnstone was chairman of the executive gifts promotion committee during its first year, 1954. He is a vice president of the United Foundation.

A meeting of 100 members of the committee was held Wednesday, June 20, to launch the promotional campaign among executives earning from \$9,600 to

\$30,000. It was decided to invite all Detroit corporations to participate in the United Foundation "fair-share" plan this year. Only 32 firms asked to take part in the 1954 program.

Working with Johnstone as co-chairman of the committee is Norman H. Strouse, vice-president and Detroit manager of the J. Walter Thompson Co.

The 1955 Torch Drive will be held October 18 through Nov. 10 to raise funds for 150 health and community services. Last year, \$14,008,000 was contributed by 1,300,000 corporations and individuals in the Detroit Metropolitan area.

### Miss Knorr June Bride

At a nuptial high mass in St. Clare of Montefalco Church, Mary Elizabeth Knorr and Edgar Joseph Grieshaber were married Saturday morning.

The Rev. Father Raymond Collins officiated at the 10 o'clock ceremony following which the bride's parents, Mr. and Mrs. Carl Philip Knorr, of Buckingham road, were hosts at a reception-breakfast in the Whittier.

Mr. Grieshaber is the son of Mr. and Mrs. Joseph Grieshaber of Grayton road.

Mary Elizabeth carried white flowers surrounding a white orchid in her bridal bouquet.

She wore a gown of white Italian silk, its fitted bodice embroidered in seed pearls and trimmed in lace. The full skirt ended in a chapel train and the fingertip length veil of silk illusion fell from a Juliet of lace.

Pale lavender crystalette was worn by Margaret Ann Risinger, maid of honor and only attendant. The off shoulder frock was fashioned with bow at back that fell in streamers to the hem of the floor length skirt. She carried cascade arrangement of red roses.

James Bruce O'Neill served as Mr. Grieshaber's best man and groomsmen were the bride's brother, William Earl Knorr and Arthur Molitok.

Mrs. Knorr attended her daughter's wedding in pure silk dusty rose gown and matching chapeau and Mrs. Grieshaber was in pale blue lace with small, pink hat.

The young couple traveled to Texas where the bridegroom will be stationed for five weeks before receiving his assignment. On July 6 he will become a first lieutenant in the U. S. Army.

### Mrs. Edgar J. Grieshaber

—Picture by H. A. Powell Studios  
On Saturday, June 25, MARY ELIZABETH KNORR, daughter of Mr. and Mrs. Carl P. Knorr of Buckingham avenue, became the bride of the son of Mr. and Mrs. Joseph Grieshaber, at a 10 a.m. Nuptial High Mass in St. Clare of Montefalco Church.

**COOKS GOING TO SCHOOL**  
School lunch cooks who attend the special one-week workshop at Michigan State, June 28-30, will get many time-saving and labor-saving ideas in quan-

ty food production. More than 300 are expected at the "Ninth Annual Workshop for School Lunch Cooks and Cook Managers," sponsored by the M. S. C. Department of Institution Administration.

### Harold Husband Teaches at MSU

J. Harold Husband, Director of Administrative Services for the Grosse Pointe Public School System, is conducting a course in School Finance at Michigan State University.

Mr. Husband is the immediate past president of the Michigan Association of School Business Officials and is a director of the Association of School Business Officials of the United States and Canada.

### GM PLANS BIG EXPANSION

General Motors has announced a new half-billion dollar program of capital expenditures to increase its passenger car production capacity to keep pace with the expanding demand for its products.

### Brucker Named Army Secretary

President Eisenhower's June 22 appointment of Wilber M. Brucker to the post of Secretary of the Army marks the fourth time the present administration has elevated Pointers to high government offices.

The others are: Fred M. Alger, Ambassador to Belgium; Arthur Gardner, Ambassador to Cuba; Wendell Anderson, Special Advisor to the Department of Defense stationed in Paris; and now Brucker.

Brucker lives at 65 Vendome. He has been a resident of the Pointe since 1938 and of Detroit since 1933. He was originally from Saginaw where he was born and raised.

Though coming as a surprise to Brucker, the appointment was not an unusual one. Brucker has served as the general consul for the Department of the Defense since May of 1954. In his new post he replaces former Secretary Robert T. Stevens.

A lawyer, formally with the Detroit firm of Clark-Klien-Brucker and Waples, Brucker was also the Attorney General and the Governor of Michigan. He was Governor in 1931 and 32.

The new army boss was educated at the University of Michigan where he received his Bachelor of Law degree in June of 1916. Shortly after graduation he joined the Army.

A member of the National Guard, he saw action in the civil outbreaks along the Mexican border in 1917. Shortly after he was commissioned a 2nd lieutenant and joined the 42nd Rainbow division to serve in France. He was discharged in 1919 a 1st lieutenant.

Returning to Saginaw, he opened a private law practice. He lived in Saginaw with his wife, Clara Hantel Brucker and their son, Wilber, Jr. until he was elected attorney general of the state. He stayed in the capitol was prolonged when, in 1931, he was elected Governor.

After his 1933 quest for reelection failed, Brucker chose to move to Detroit and start a private practice here. After a year on his own, he joined the law firm of which he eventually became a partner. With last year's appointment as general consul to the Department of Defense, he was forced to withdraw. He and his wife are now living in Washington.

Brucker has served as past chairman of the Ethics committee of the Michigan Bar Association and is now chairman of the same committee for the American Bar.

A 33rd degree Mason, Brucker was also the Grand Commander of the Knights Templar of the State of Michigan, a Mason organization. He is also an American Legionnaire.

Brucker's appointment becomes effective July 31.

### Mrs. Jerome John Schulte

—Picture by Eddie McGrath, Jr.  
ANNA MARY PADEL, daughter of the A. M. Padelts of Buckingham road, was married to Jerome J. Schulte, son of the late Mr. and Mrs. Henry Schulte of the Pointe, at ceremonies which were held in St. Clare of Montefalco Church, Tuesday morning, June 28.

The bride was gowned in a floor length four-tiered skirt of embroidered tulle over satin, over a bell hoop. The bodice was snugly fitted with scalloped neckline and long sleeves. Her fingertip veil of French illusion, with lace edging, was caught to the head with a pearl tiara.

The sister of the bride, Mrs. Henry Peacock, Jr., who was the matron of honor, was gowned in a halter neck style gown of iridescent organza, lime-green over maize.

The bridesmaids, Gabriella Padel, another sister of the bride and Christine Schulte, niece of the bridegroom, wore identical frocks of halter neck style of iridescent, sunset organza over gold. All wore identical hats of gold velvet leaves, studded with rhinestones on tiny veils. They carried small bouquets of yellow daisies.

The bridegroom was attended by his brother, Henry, as best man. Another brother, Albert, and his brother-in-law, Henry W. Peacock, Jr., were ushers.

Other ushers included Donald Toolin, Cass Plagen, Dan Sullivan, Joseph Padel, a brother of the bride; and James Fleck.

Following the Mass, a breakfast and reception were held at the Detroit Yacht Club.

After a honeymoon in New York and Bermuda, the couple will return to the Pointe, where they will make their home in Kensington road.

### Knights Hold Installation

Thursday night, June 23, marked another milestone in the fast growing progress of Knights of Columbus Council of Harper Woods, Msgr. Vismara No. 3725. A record percentage of the membership turned out for the installation ceremonies and to welcome their leaders for the new council year. Vismara has already surpassed the 500 mark in membership.

The newly elected officers were

installed as follows: re-elected Grand Knight, Frank Karwacki; re-elected Deputy G. Knight, William Kercher; re-elected Chancellor, Jim Miglid; elected Warden, Robert Fisher; elected Recorder, Vincent Caruse; re-elected Treasurer, Joseph Quarane; re-elected Advocate, Martin Hogan; elected Inside Guards, Stan Trojan, Jos. Blanch; elected Outside Guard, Robert Beret; elected Trustees,

Michael Taras, Wm. Kelly; (Leo Shea continuing 3 yr. term); appointed Financial Sec., James Harte; appointed Lecturer, James D'Alessandro.

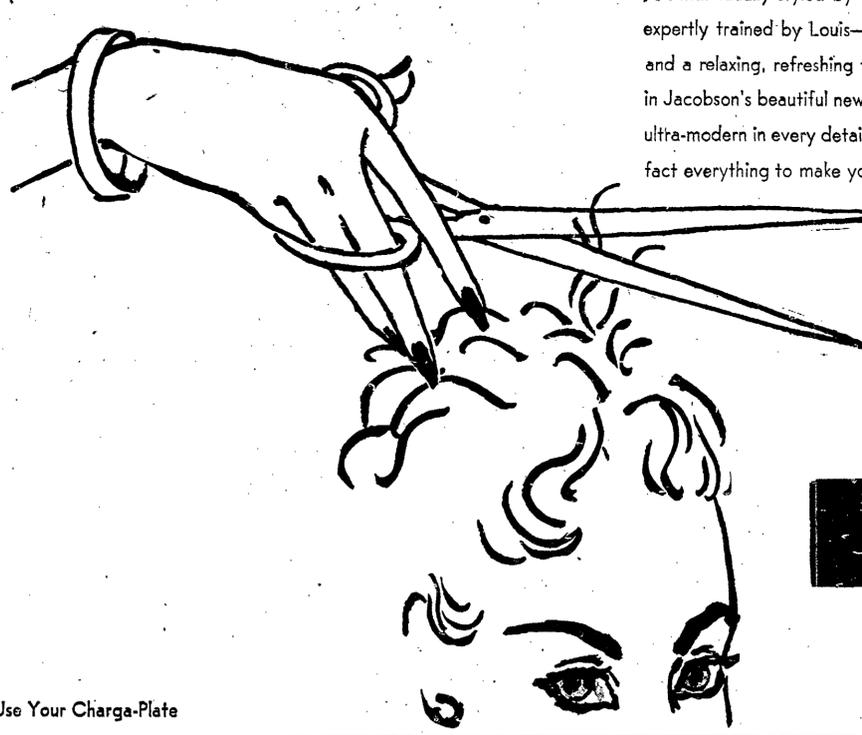

#### ICED COFFEE ADVICE

If you are in a hurry when you are preparing iced coffee, marketing and consumer information agents of Michigan State College recommend that you brew the coffee doubly strong and while it's still hot, add plenty of ice to chill it.

# Society News Gathered From All of the Pointes

## From Another Pointe of View

By Jane Schermerhorn

Joining the long list of young army brides is the Pointe's Pretty Carlotta McKinney, daughter of Mr. and Mrs. C. James McKinney of Grand Marais boulevard. Her bridegroom is Cpl. Beazel B. (Bill) Gartman, of the United States Marine Corps. Mr. and Mrs. McKinney were in San Clemente, Calif., for their daughter's marriage on May 13 and then the young couple left on a brief wedding trip. Mrs. McKinney remained to settle their apartment in the little town. It is situated near Bill's base at Pendleton, Calif. He is the son of the late Mr. and Mrs. Ottoway Brown Gartman who lived in Bradenton, Fla. and Denver, Colo. and is the nephew of Mr. and Mrs. Kenneth Henry Cook, of Bradenton, who also traveled West for the wedding. The McKinneys hope their young marrieds will be paying a visit to the Pointe on Bill's next leave.

### Junior League Shop Closing

It's with great regret that we print news about the closing of the Junior League's Grosse Pointe shop, just because it's always been such a beauty spot on the Hill here on Kercheval. But having fulfilled its mission, the League decided to close the shop at its recent meeting in the Country Club. "The Junior League," says a note announcing the closing, "exists for a two-fold purpose. 1. To train its members to take an interest and responsibility in their community. 2. To offer direct community service in the form of pilot projects demonstrating new needs and new fields for services. In 1931, the Junior League Shop was started in answer to the need for an outlet for articles made by handicapped workers. The project was set up as an aid to the Detroit League for the Handicapped, itself begun by the Junior League in 1922. After years of growth and expansion as a subsidiary of the Junior League, the Detroit League for the Handicapped finally graduated and branched out as an independent community agency."

### Mission Completed

The note continues: "At the same time, the Shop also has grown and expanded, and, along with the League for the Handicapped, has outgrown its original pioneering aspects. Because of this and because other outlets are now and will be available, the Junior League feels obligated to withdraw from this field in order to concentrate its energies on other major tasks — the demonstration of new needs, new methods, new service." P.S. There's a rumor current that a different group of "angels" will continue the shop offering the same merchandise.

### You Must Be Bliithe!

Thinking of the consular service as a career? Well, don't unless you can be bliithe in the face of packing household and all effects, crossing an ocean, settling the new home and THEN dismantling all again to move to still another post. That's been the plight of young Ted Moss, who'll

(Continued on Page 14)

## Short and to the Pointe

### Mrs. Harold K. Smith

At an 8 p.m. ceremony in the Grosse Pointe Memorial Church, JEANNE GILCHRIST VANCE, daughter of Mr. Joseph A. Vance, Jr., of Hendrie road, and the late Mrs. Vance, exchanged vows with the son of Harold A. Smith of Detroit, and Mrs. Inez Smith of Topeka, Kan.

Very Important Guest at the home of MR. and MRS. EMERY B. HATCH, on Rivard boulevard, is their grandson, two and a half year old Bobby. Bobby's "visiting" while his parents, MR. and MRS. RICHARD J. PRICE JR., are in the East attending the wedding of former Pointer MARJORIE JANE NEVENS.

MR. and MRS. ROSS ROY, of Cloverly road, are to be hosts at a cocktail party this afternoon welcoming home from their wedding trip the recently married MR. and MRS. THOMAS RONEY.

A recent reception was given by MR. and MRS. JAMES C. COPE, of Sunningdale drive, to introduce their son's bride, the former CECILIA GUNTHER, daughter of MRS. WILLIAM HOWARD GUNTHER, of Baltimore, and the late Mr. Gunther. Cecilia and JAMES R. W. COPE were married June 14. Both Jim and his bride are on leave from their Air Force duties.

It's been quite a few years now since the Pointe's MR. and MRS. GEIGER SMITH left to make their home in Shaker Heights, O. Their friends here will be interested in their latest move which has taken them to 518 Hilaine road in St. David's, Pa.

DR. and MRS. CHARLES C. MERKEL are planning to leave their East Jefferson avenue home the middle of July for a holiday at Harwichport, Mass. Frannie Merkel and David Brown will accompany their parents East. During the Summer the Merckels expect the other members of their family to visit them, including MR. and MRS. WALDO H. BROWN, of Wellesley Hills; MR. and MRS. EDWARD D. TOLAND JR. of St. Louis and JOHN and PAUL BROWN.

Fourth of July visitors at the home of MR. and MRS. ALFRED J. MAYER JR. of Oxford road, will be Mrs. Mayer's mother, MRS. FREDERICK W. RICHARDSON, of Los Angeles, and

hers own jointly. Jane has her own horse at Plymouth and the next four weeks will find the sub deb on hand for every minute of its schooling. Laurie left Saturday with the exciting prospect of spending five weeks at Gilchrist Hall, dormitory on the campus of Michigan State University. As precocious as Laurie is, she isn't really entering college at this early date. Arrangements have been made for her to stay in the college girl dormitory while she spends her days skating at the wonderful ice arena in East Lansing. She is training for her "fifth test," one step closer in completing the eight tests in figure ice skating which entitle skaters to the U.S. gold medal. Also makes the skaters eligible for Olympic participation.

Even the AAA was agog when ALDEN EDGAR took her travel plans into the office for road maps. In company with four of her former Mt. Holyoke College classmates, the post deb will cover some 12,000 miles in the next nine weeks as they motor to Texas, up the coast of California, to Vancouver Island, Banff and Lake Louise, back to the Black Hills of Dakota and finally Minnesota. In practically all the spots the girls will visit friends. The travellers include PAT O'KEEFE, of New Canaan, Conn.; BONNIE SCOTT, of Philadelphia; and MARY LOU JUDD of Minneapolis and Washington, D.C.

The WENDELL GODDARDS of Provenal road have been recent visitors to New York, where the wedding of BARBARA HADLEY took them. Barbara and the Goddard's SARAH were classmates at Vassar. RUSSEL GODDARD, who is at Fort Devens, Mass., joined his family for the week-end.

Two Grosse Pointers were among 56 seniors who were graduated on June 11 from Kingswood School Cranbrook, Bloomfield Hills. They are: ERNA E. EDENS, daughter of MR. and MRS. RALPH A. EDENS, Loch-

her sister, MRS. ARMISTEAD WILLIAMS of Clifton Forge, Va.

JOAN DUMOUCHELLE, daughter of MR. and MRS. JOSEPH M. DUMOUCHELLE, of Lakeland avenue, has returned from her studies at St. Mary's of Notre Dame to spend the Summer with her parents. This week-end, Joan will welcome her St. Mary's classmate, JOANNE ROGAN, of Chicago, who'll spend the holiday with the Dumouchelles at their Summer place on Lake St. Clair, the Canadian side. The Dumouchelles are planning a garden party on Saturday evening for the two Joans.

MR. and MRS. ALEX MCGREGOR, of Cleveland, and their daughter, Susan, will be the holiday week-end guests of MR. and MRS. RALPH C. WILSON

JR. of Oxford road. The WENDELL K. WHEELOCKS have returned to their home in Cloverly road after spending three months in Rancho Santa Fe. En route home they stopped off in Boulder, Colo. to attend graduation of daughter, CYNTHIA, from the University of Colorado.

During the June deb season, MRS. WILLIAM J. DENLER, MRS. RICHARD G. HANNA and MRS. JOHN DENLER entertained at a luncheon to honor SUSAN DENLER, daughter of MR. and MRS. WILLIAM H. DENLER of Cloverly road.

The GEORGE W. CHRISTENSENS, of Bishop road, are off to Lausanne, Switzerland to pick up daughter, KAREN, who attends Brillamont School. They plan to return to this country in early August, going to their home at Aspen, Colo. for the remainder of the season. Sub deb Wilma Christensen is a camper at Heilo in Loretto, Colo. this Summer.

MR. and MRS. WILLIAM F. MULKEY II's infant daughter, Deborah, was christened Sunday afternoon in Christ Church, Grosse Pointe. Her godparents are MRS. HUGH MULKEY and MRS. ALBERT TOWAR JR. and ALVIN J. SHERMAN JR., the baby's godfather. A reception followed the service at the Mulkey home in Meadow lane.

Nice to have MRS. CHARLES N. GILMORE JR., back in the Pointe again. She has returned to her Balfour road home following an extended visit to her native Florence, Italy.

DR. and MRS. LAWRENCE A. PRATT, of Windmill Pointe drive, had a busy week-end as those two young beauties, Jane and Laurie, took off for their vacations. Daughter Jane left on Friday to spend a month at the Plymouth, Ind. farm which the Pratts and the Charles E. Pal-

## Jeanne Vance Bride Of Harold Keith Smith

Daughter of Joseph A. Vance Jr., of Hendrie Lane, Marries At Evening Ceremony in Grosse Pointe Memorial Church; Leave for Havana Wedding Trip

Mr. and Mrs. Harold Keith Smith flew to Havana following their Saturday evening marriage in Grosse Pointe Memorial Church.

The former Jeanne Gilchrist Vance and Mr. Smith repeated their vows at an 8 o'clock ceremony before the Rev. Frank Pitt, who was assisted by Dr. Allan Frew.

Dr. Frew occupies the pulpit at the First Presbyterian Church where the bride's grandfather, the late Joseph Anderson Vance, was pastor for many years.

Jeanne is the daughter of Joseph A. Vance, Jr., of Hendrie lane, and the bridegroom is the son of Mrs. Tilford Smith, of Topeka, Kan., and Harold A. Smith of Woodingham drive, Detroit.

Chantilly lace, embroidered in seed pearls, outlined the neckline of Jeanne's classic white tissue taffeta gown. The Empire bodice was attached to a great skirt that extended into formal cathedral train.

Extending even beyond the gown's train, was the bridal veil of imported silk-illusion, secured by Juliet of Chantilly lace.

The bridal bouquet was composed of gardenias, stephanotis and ivy.

Attendants wore crystalline frocks of hyacinth blue, designed on princess lines with full waltz length skirts. Snug bodices were finished with deep, square necklines and briefest of cap sleeves.

They wore matching julets and carried yellow carnations, blue delphinium and ivy.

As maid of honor, Kim Henry's bouquet comprised yellow carnations, stephanotis and ivy.

The bridesmaids were Linda Hart, Sandra Fitzpatrick, Jenny Hagen, Pat Frederick, Ann McGrath, of Warrenton, Va., and Bobette Johnstone of Geneva, Ill. The bridegroom's three-and-a-

half year old niece and nephew, Laurie Bunting and Craig Rench, were flower girl and ring bearer.

Laurie wore a floor length frock of hyacinth blue crystalline and carried a basket filled with carnations and delphinium.

John Wooley, of Mt. Clemens, was Mr. Smith's best man and groomsmen were Hugh Gall, of East Lansing; Bob Williams of Flint; Lloyd Cocking of Oxford, Mich.; David Sipes of Tulsa, Okla.; Dick Kurasech of Alpena, Mich.; and David Stapleton of Grosse Pointe.

Mrs. Vance's costume of Wedgewood blue pleated organza was touched in matching lace and her tiny chapeau was made of matching velvet leaves. Her flowers were white orchids.

Mrs. Smith affected pink linen and lace gown with small, matching chapeau and corsage of white orchids.

Mr. and Mrs. Vance entertained at a reception in the Country Club of Detroit after the church service.

Among the guests was the bride's grandmother, Mrs. Ralph E. Gilchrist, of Alpena, Mich., who wore slate blue lace with blending hat and violet orchids.

When the newly-married Smiths left for their wedding trip, the bride changed to a navy blue shantung sheath with short navy and white checked jacket trimmed in navy velvet collar. She wore navy straw cloche.

They will make their home in Lansing where the bridegroom, who is majoring in economics, is a student at Michigan State University.

Out-of-town guests included Mr. Smith's sisters, Mrs. Joseph Rench and Mrs. Melvin Bunting, both of whom live in Houston, Texas.

## Emmy Bishop Bows At Bon Bon Pink Tea

Mrs. Charles W. Bishop Presents Daughter at Afternoon Tea and Reception in the Country Club; Many Out-of-Town Visitors Here for Debut

The accent was on bon bon pink at the debut reception of Emmy (Blanche Emmalyn) Bishop who was presented to society by her mother, Mrs. Charles W. Bishop last Thursday afternoon in the Country Club of Detroit.

A sash, that fashion high note of Summer 1955, of bon bon pink satin finish, the slender waistline of her white silk embroidered organza gown, a Valerie deGalan original, forming low, dropped neckline at back.

She carried bon bon pink carnations with overtones of silver tipped white carnations and ivy in her bouquet. More of the bon bon pink carnations were used in tall urns in the French Room where bud and mother received the guests.

Mrs. Bishop chose a white silk gown printed in miniature red roses and tiny black designs. The gown was distinguished by scoop neckline, bracelet length sleeves and slightly flared, waltz length skirt.

Mrs. Bishop's flowers were shattered white carnations and stephanotis.

It was easy to recognize the deb's assistants for the afternoon. Each carried a foliage green shantung clutch bag marked with silver tipped white carnations.

Nancy Rees came from her Hamilton, O., home to assist at the debut of her St. Mary's of Notre Dame classmate. Then there were Bernadette Thibodeau, Elizabeth Bemick, Mary Margaret Murphy and Elizabeth Moll.

For her granddaughter's reception, Mrs. J. Henry Smith was gowned in mauve linen with jacket tufted in white design.

Aiding Mrs. Bishop at the afternoon tea table was her sister-

## Julie Chapman Names Maids

Julie Chapman, who will become the bride of Milton Henkel in Christ Church, Grosse Pointe, on July 18, has asked her sister Nancy to be maid of honor in the wedding party.

The girls are daughters of Mr. and Mrs. Charles Goodman Chapman, of Provençal road, who will be hosts at a wedding reception in the gardens at their home after the church rites.

Mr. Henkel's sisters are Mr. and Mrs. Edward Henkel of Berkshire road.

Bridesmaids are to be Ann Higbie, Carolyn Clark, both of Metamora; Bobette Johnstone of Metamora, Conn.; and Charlotte Moyer of Wellesley Hills, Mass.

Edward Wellesley Jr. will be his brother's best man and ushers are to be John F. DeHayes, Carl M. Stroh Jr., William G. Shearman of Jamestown, N.Y., Richard D. Robbins and Charles B. Murphy.

On June 9, bridesmaid Ann Higbie will be hostess at a party for Julie and Milton at her Metamora home. Mrs. Edward Henkel Jr. and Nancy Chapman are giving the spinster dinner July 13.

Mr. and Mrs. Henkel will entertain at the rehearsal dinner in the Detroit Athletic Club for their son and his bride-elect on July 15.

The day of the wedding, Julie's aunt, Mrs. Julian Bowen, will give a luncheon for the wedding party in her home on Lake Shore road.

## Boat Club Set For Dock Party

The skippers of the Detroit Boat Club fleet are busy getting their boats ready for the fourth annual "dock party" on Friday, July 1, when they will be hosts to the membership of the club.

Boats participating in this event include Harry J. Chapman's "Halmaga II," Daniel M. Carney's "Lady Esther VI," Dr. Hugh M. Fuller's "Diane," Cornelius L. T. Gabler's "Blueprint," Dr. J. G. Reid's "Raven," Kenneth E. Staley's "Genelle III," Dr. Lloyd B. Young's "Ben Jo II," Cliff Beveridge's "For-ce-bee" and "Sweet Lady," owned by Charles E. and Lawrence K. Sweet.

The committee on arrangements, composed of Mr. and Mrs. Albert W. Maas, Mr. and Mrs. Harry J. Chapman and Mr. and Mrs. Cornelius L. T. Gabler, has planned shipboard visiting, cocktails and dinner on the lawn. Naval decorations fitting the occasion will include miniature Detroit Boat Club burgees as favors.

The evening's festivities will be climaxed by outdoor dancing to the music of Eddie Schick and his orchestra.

Reservations have been made by the Curtis V. Mowers, Mr. and Mrs. Harry M. Sisson, the Charles E. Sweets, Dr. and Mrs. Carlisle F. Rueger, the Alfred E. Hillenbrands, Dr. and Mrs. Lloyd B. Young and the A. John Cuttings.

Mr. and Mrs. Harry J. Chapman will have as their guests the James H. Blains, Dr. and Mrs. Frank P. Walsh and the Edgar E. Martmers.

Dr. and Mrs. Milton J. Rueger have invited Dr. and Mrs. John E. Webster, the Roman Bouchers and Dr. and Mrs. Donald Koch of Port Huron.

## Greene Fenleys Entertain At Rochester Farm Party

The Greene Fenleys Jr., of University place, will be hosts at a Travel gala on Friday, July 8 at their dairy farm, Pine Row, near Rochester. Guests will include twelve couples the Fenleys met in Jamaica this past winter. The travelers will come from Montego Bay, New York and Chicago for the party.

## Mrs. Robert Schumann, Jr.

The former JOYCE ANN CLEMENTS, daughter of Mrs. Frank M. Clements of Meadow lane, and the late Mr. Clements, became the bride of Mr. and Mrs. Robert Carl Schumann of Huntington Woods, Michigan, at a ceremony held in Christ Church. The newlyweds will make their home in Midland, Mich.

## Anne Shenefield Exchanges Vows

At a family ceremony Saturday afternoon in Grosse Pointe Memorial Church, Anne Elizabeth Shenefield became the bride of Ralph Leonard Bleich, with Dr. Frank Fitt officiating.

The bride wore a beige silk afternoon frock for her wedding. She is the daughter of Mr. and Mrs. Samuel L. Shenefield of Grand Marais boulevard.

Mr. Bleich is the son of Mrs. Leonard Bleich of Kilborne. Mary K. Shenefield was her sister's only attendant. Thomas Campbell of Highland Park was best man.

A dinner at the Detroit Boat Club followed the ceremony. After a trip East, the couple will make their home in Cadillac boulevard.

Parties honoring Anne Elizabeth before her marriage were given by Mrs. Z. N. DeSomoly, Mrs. Leonard Slowin, Mrs. Ralph G. Sickles and Mrs. Edward F. Gehrig.

## Miss Clements Speaks Vows at Pointe Rites

Former Joyce Ann Clements Becomes Bride of Robert Carl Schumann in Christ Church; Reception Held in DAC; Will Make Home in Midland, Mich.

A reception at the Detroit Athletic Club followed the Grosse Pointe wedding of Joyce Ann Clements and Robert Carl Schumann Jr., last Saturday afternoon.

Christ Church was the scene of the 4 o'clock in the afternoon ceremony performed by the Rev. Erville B. Maynard.

Joyce is the daughter of Mrs. Frank Milton Clements, of Meadow lane, and the late Mr. Clements. Her bridegroom's parents are Mr. and Mrs. Robert Schumann of Huntington Woods.

Frank M. Clements Jr. gave his sister in marriage.

Her gown of pale ecru Swiss taffeta was distinguished with deep pleats of illusion at the wide

neckline. A voluminous skirt finished the gown which was worn with an ivory tulle veil attached to the Juliet of heirloom Chantilly dentelle first worn by the bride's mother.

A bouquet of stephanotis, white orchids and ivy was carried by the bride.

The short skirted frocks of white organdy, worn by the attendants, were embroidered in nosegays of pale and deeper shades of pink. Vine green silk cummerbunds lent a note of color.

### College Women Hold Meeting

College Women's Club held its annual meeting a bit early this year in order to enable its president, Mrs. Ivan Kirilin, of Renaud road, time for two exciting events.

After turning the gavel over to Mrs. Albert M. Raisch, the new president, she hurried off to Purdue University with Mr. Kirilin, who was awarded an honorary Doctor's degree in Engineering at that commencement exercises.

On June 10 the Kirilins sailed for Europe aboard the S.S. United States.

Other officers and chairman who will assist Mrs. Raisch during the ensuing year are:

First vice-president, Mrs. Albert Conkey, Pemberton road; second vice-president, Mrs. John Findlay, Lakewood; budget director, Miss Greta Angus, Colonial court; recording secretary, Mrs. William T. Kriehoff, Kenwood court; treasurer, Mrs. Arthur Neef, Lincoln road; corresponding secretary, Mrs. Donald S. Kelley, Edinborough road; publicity chairman, Mrs. Boris Dimancheff, Westmoreland road; education chairman, Miss Marion Templeton, Hazelwood; social service chairman, Mrs. James Donovan, Nottingham.

Bulletin chairman, Mrs. Frederick H. Reiss, Southfield; ways and means chairman, Mrs. Glenn D. Curtis, Rivard boulevard; hospitality chairman, Mrs. Milton Mengel, Mendota; parliamentarian, Miss Katherine Gee, Barrington road; assistant activities chairman, Miss Elizabeth Clark, Aurora.

### Detroit Dental Auxiliary Officers Hold Meeting

The Detroit District Dental Auxiliary recently held its first board meeting of newly elected officers, at the Detroit Yacht Club.

The Pointe was represented in the persons of Mrs. Charles McDonald of McMillan road, president; Mrs. Wilfred J. Harrison of Balfour road, first vice-president; and Mrs. Roy Fonda of Lake Shore lane.

### Alpha Delta Pi Alumnae Mark 104th Anniversary

Mrs. Louis Marick of 339 Merriweather road, and Mrs. Robert Bottonoff of 5805 Balfour road, Detroit, left on Friday, June 24, to attend the national biennial convention of the Alpha Delta Pi Sorority Alumnae in Portsmouth, N. H.

The five-day assembly of delegates and members, marks the 104th anniversary of the founding of the sorority.

After the convention, members of the organization will tour the coastal towns of Maine.

It was also disclosed that the sorority held its annual picnic, for members and their families, at the Wilbur E. Saylor home of the Wilbur E. Saylor, in Bloomfield Hills, on Tuesday, June 28.

## Trio of Debs Curtsy At Country Club Ball

Dennie Denton, Lauren Edgar and Susan Denier Feted at Ball In Country Club Given by Their Parents; Clubhouse Decorated in Summer Pastoral Theme

The main floor rooms of the Country Club of Detroit were transformed into a Summer pastoral scene... with such fanciful fare as live parakeets, cabbage roses made of pink, green and lavender tulle, and candeliers swathed in pastel tulle for the coming out ball Dennie Denton, Lauren Edgar and Susan Denier last Friday evening.

It was the final party of the June season and the young set agreed the dance and early morning breakfast were terrific, ending the deb festivities with a pastel bang.

The ball packed the Pointe with guests; dads and sisters of the debs sought shelter with friends, as sweet young things from the east, and a sizeable contingent of bachelors arrived to spend the week-end.

The debs were presented by their parents in the Great Hall of the Club.

Gowns of both mothers and debs had been subtly chosen to pick up the color theme of the evening's decor.

Dennie, daughter of Mr. and Mrs. Lett M. Denton of Oxford road, wore a Mademoiselle Simone gown of pale sea green net, its draped bodice attached to full skirt. Flowers of satin were applied from shoulder to waist and scattered gaily on the waltz-length skirt.

Mrs. Denton's Jean Desse's gown of deep sea green chiffon had a tremendous waltz-length skirt and was designed with bodice cut low, at back and front. Her flowers were green orchids.

Lauren, daughter of Mrs. Frederick W. Parker Jr., of Washington road, and Robert B. Edgar, wore palest pink silk net, strapless, with bouffant waltz-length skirt, tiny pink roses tucked in the chic bustle.

Mrs. Parker was in shocking pink net full-skirted gown and white orchids.

Susan Denier, daughter of Mr. and Mrs. William H. Denier, of Cloverly road, was in Castillo's lavender tulle with strapless, pleated bodice and waltz-length skirt, a satin girdle end-

## Blondell-Luke Nuptials Held

A double ring ceremony at St. Paul's on the Lake Shore united in marriage Celestine Blondell and John Edward Luke, of Lansing.

The bride is the daughter of Mr. and Mrs. Robert Blondell of St. Clair avenue and her bridegroom is the son of the Leon Lukes of Lansing.

Carrying blue orchids with stephanotis and trailing ivy, the bride was attired in floor length gown of white tulle shadowing ice blue taffeta.

The short skirt had apron front and pleated tulle finished the off-shoulder neckline.

Rose Ann Blondell was her sister's maid of honor and the bridesmaids comprised another sister, Marilyn Blondell; Diane Malooly and Florence Rutledge.

All wore waltz length frocks of moon blue silk bombazine and tiny monks' caps trimmed with circular veils.

The maid of honor carried dipped blue and yellow carnations and ivy.

Yellow and white carnations with ivy formed the bridesmaids' bouquets.

The bridegroom's brother, Dr. Leon V. Luke assumed the duties of best man and seating the guests were Frank Piscopink, Kenneth Van Hemert of Muskegon and Joseph O'Leary of Lansing.

A costume of blue lace with matching hat was worn by Mrs. Blondell while the bridegroom's mother chose champagne lace with pink accents.

The bridal couple left for a motor trip through Northern Michigan following their reception at Embassy Hall. Immediately after the church ceremony there was a reception in Grosse Pointe Memorial Center.

For going away, the new Mrs. Luke had white linen suit with pastel blue accessories.

The Lukes will make their home on Guilford avenue when they return from their wedding trip.

UP TO YOU  
It isn't important what people say about you—the thing that counts is what you make them believe.

Mrs. John E. Luke

The former CELESTINE BLONDELL, daughter of the Robert Blondells of St. Clair avenue, exchanged vows with the son of Mr. and Mrs. Leon Luke, at a double-ring ceremony held in St. Paul's Church on the Lake, on Saturday, June 25.

## David Pethick Weds in East

In St. George's Episcopal Church, New York City, Miss Jennifer Allen, daughter of Mr. and Mrs. James Allen, of New York, became the bride of David Ward Pethick, son of Mr. and Mrs. Francis E. Pethick, of Grosse Pointe, on June 25. The Rev. John Davidson officiated.

The attendants were Miss Joy Sallick, New York; Miss Donna Pethick, sister of the bridegroom; and Miss Carol Sweeney, Farmingham, Mass. Keith More of Manhattan, Kansas, was best man. William Whittingham, of Grosse Pointe, and Charles Scholl, of Worcester, Mass. were ushers.

Mrs. Pethick is a graduate of Friends Seminary, New York, and attended Wellesley College and the University of Michigan, '55, where she was a member of Alpha Phi sorority. Mr. Pethick is a graduate of the University of Michigan, '54, where he was a member of Theta Delta Chi fraternity.

After a trip through New England, the couple will live in St. Clair Shores, Michigan.

## Gives Luncheon For Marygrove

Mrs. John Mutschall of 1168 Three Mile drive entertained 16 members of the Marygrove College Alumnae at a luncheon at her home on Tuesday, June 28.

This is one of the six original get-togethers in the Marygrove Alumnae's successful "progressive party plan," which has two general aims, to raise funds for the redecoration of Denk Chapman Hall and Alumnae Hall on the college campus and to bring together small groups of the alumnae under circumstances which will help them to become better acquainted.

According to the plan, as outlined by Grosse Pointe Mrs. John Young, new alumnae president, the six original hostesses invite 16 alumnae members who make the required donation. Each of these holds a later party to which eight are invited. The eight, in turn, play hostess to four.

Mrs. Mutschall's guest list included Mrs. Thomas Burns, Mrs. John Young, Mrs. James Brophy, Mrs. John Blake, Mrs. Thomas LoCicero, Mrs. Marshall Bruce, Mrs. Bayard Kurth, Mrs. Donald Alter, Mrs. Wilfred Steiner, Mrs. Jean Mesritz, Mrs. Joseph J. Marshall, Mrs. Burtus Gallagher, Mrs. Roy Frawley, Mrs. John F. Weins and Mrs. Lloyd Brecht.

## Thibodeau Motor East For Washington Visit

Mrs. Robert E. Thibodeau with her daughter, Bernadette, and son, Joseph took off for Washington D.C. by motor last week-end. Mrs. Thibodeau and Joseph are expected home today but Bernadette will linger a while longer with Mr. and Mrs. John Lewis Kelly at their home "Ashland."

## All Ready for Fourth At Pointe Yacht Club

July Fourth Celebration to Begin at 1 O'clock at Yacht Club; George Mitchell and Committee in Charge of Gala which Ends with Night Fireworks Display

Grosse Pointe Yacht Club has three events scheduled for July, beginning with the Fourth of July celebration this coming Monday.

The Independence Day "do" will present the traditional Children's Circus in the afternoon and a fireworks display in the evening.

The gala Fourth will be strictly informal with emphasis on fun for the youngsters. Activities will start at 1 o'clock and there'll be plenty of clowns and circus-like entertainment to amuse everyone.

Luncheon will be from 12 to 3 o'clock and a buffet dinner served beginning at 4 p.m.

In charge of arrangements are the entertainment committee members including George C. Mitchell, chairman; J. Earl Fraser, vice chairman; Joel L. Bremer, John F. DeHayes, Charles J. Glasgow, Jack W. Hooper, William O'Neill Kronner, Jr., Charles E. Monahan, Howard A. Shaw, Eugene A. Casaroli, George L. DeVos, Herbert W. Hart, L. George Hooper, Emmett J. McNamara, Rex B. Regan and George C. Gillfillen Jr.

The evening's fireworks display will be set off around 9 o'clock, with some 200 aerial shells whizzing high into the air to burst into showers of brilliant lights. Grand finale will be the American flag in a glowing set design.

July's second event at GPYC will be the spectacular Sailing Regatta—the club's 26th annual regatta, with boats of some 19 classes participating. They'll include all sizes from schooners and ketches and the big cruising A's and B's down to Thistles and Snipes. Warning gun will be at 11:30 a.m.

Awards will be made at 8 p.m., followed by an outdoor dance (and it's noted that shore clothes are required for dancing.)

Commodore William O'Neill Kronner will be chairman of the honorary judges, who will include the commodore of DRYA and the commodores of all the other boat and yacht clubs of the area. George C. Cossaboom is yachting committee chairman.

GPYC's first lady, Mrs. William O'Neill Kronner, will be chairman of the ladies' committee for regatta day, her aides to be Mrs. Mervyn G. Gaskin, Mrs. Stark Hickey, Mrs. William A. Ternes, Mrs. Bryan A. Chaplow, Mrs. Robert F. Weber, Mrs. George C. Cossaboom and Mrs. Paul W. Smiley.

Then for the great July 30 event Grosse Pointe Yacht Club has slated—it's the Commodore's Review and Show Boat Party. Plans are being completed for this affair, which annually is an outstanding festivity at the club.

J. Gordon Hill's Rose Gardens Are Party Scene

Mr. and Mrs. J. Gordon Hill, of Cloverly road, whose rose gardens were recently decorated with ribbons in the Pointe's annual rose competition, gave a cocktail party last Saturday evening in those gardens.

When a man gets swamped in speculation schemes a lot of wreckage comes to the surface.

The straightest road to contentment is the one on which you can do the most good for others.

## 1707 Pointe Girls Enjoying Play And Work in Girl Scout Troops

The fun of working and playing with other girls was enjoyed last year by 1,707 Grosse Pointe girls in 67 Girl Scout troops.

They were members of the Girl Scouts of Metropolitan Detroit, one of the character-building services made possible in Grosse Pointe by contributions to the Torch Drive.

The Girl Scouts of Metropolitan Detroit, with its 28,496 girls from 7 to 17 years of age in 1,472 troops, are sponsored by the Girl Scouts of the U.S.A. which has a membership of more than 2,000,000 in 97,000 troops. One-fourth of the Girl Scouts are adults, including 30,000 men throughout the country.

These adults are lawyers and laborers, mayors and military men, professors and preachers. But mostly they are mothers, fathers, uncles and aunts, who act as troop leaders, serve on committees, keep scouting alive and dynamic. Without them, there would be no Girl Scouts.

To the individual girl, taking the oath to "do my duty to God and my country," scouting means becoming a better citizen and a happier person. It means learning how to do many useful and interesting things by earning badges in such skills as home-making, citizenship, camping, sports arts and crafts, literature and dramatics. And it means learning service to others by doing such things as making favors and gifts for hospitalized children and adults, reading to the blind, or cooking a meal for Mother.

Ever since Juliette Gordon Low founded the first Girl Scouts in Savannah, Ga., in 1912, modeling their program after the Boy Scouts and Girl Guides in England camping has been an important experience for American girls.

The Girl Scouts of Metropolitan Detroit operates one of the most elaborate camping programs in the country, including two per-

manent camps containing nearly 600 acres of rural land and 14 day camps near the girls' homes for use during summer vacation.

Camp Holly, 55 miles North and West of Detroit, has lodges prepared for winter use, complete with kitchen, cooking equipment, beds, and water supply. There also are suitable spots for tenting in the warm weather.

Camp Metamora, 55 miles North and East of Detroit, has 300 acres of rolling hills and a lake, winterized lodges and tenting sites.

Scouts, troops with their leaders, camp overnight or for week-ends at Holly and Metamora. During the summer, troops with leaders, camp at Holly for one or two-week periods. Girl Scouts go to Metamora as individuals for two weeks of camping in the summer.

Day camps are located at points where Girl Scouts can spend the day with a group of their own age or school grade, hiking, exploring, cooking a meal, singing, playing games, telling stories, working on badges, practicing folk dancing, or working on special projects. At night, they can go home.

The Girl Scout Day Camp serving Grosse Pointe is located at Grosse Pointe Woods Park. It will be open from 9:15 a.m. to 3 p.m. on June 28, 30, July 5, 7, 12, and 14.

## Constance Preble and Thomas Anding Wed

Marriage in Grosse Pointe Memorial Church Followed by Garden Reception at Home of Bride's Parents, the Norman Hosmer Prebles; to Live in Minneapolis

The former Constance Preble and her bridegroom, Thomas Lloyd Anding, will make their future home in Minneapolis.

Constance, daughter of Mr. and Mrs. Norman Hosmer Preble of Ridge road, and Mr. Anding, son of the Frederick B. Andings, of Benson, Minn., were married Saturday afternoon.

The Rev. Frank Fitt officiated at the 4 o'clock ceremony following which the bride's parents were hosts at the wedding reception in the gardens of their home.

For her wedding day, Constance chose a white mousseline de soie floor touching gown, the bodice, with sweetheart neckline embroidered in seed pearls, had short sleeves.

The bride brought her wedding mantilla from Spain when she travelled in Europe last Summer, and she carried white daisies and ivy in her bouquet.

Mrs. Maurice C. Perkins, Jr., of Indianapolis (Sally Frost of Grosse Pointe) was matron of honor and the maids comprised Susan Tower and Carol Sue Smith, of Newtonville, Mass.

Their short frocks were made of aqua waffle pique with boat necklines appliqued in material daisies. Juliets of the same color completed their outfits and they carried nosegays of yellow and white daisies.

The little nieces of the bride, Beth Preble and Kathy Stritter were flower girls.

William Webb, of Wabasha, Minn., was Mr. Anding's best man and seating the guests were William Noll and Ed Drury, of St. Paul; Charles and Robert Roach, of Austin, Minn.

The bride's mother was gowned

in yellow linen with small, matching hat and Mrs. Anding's pink linen frock also had blending chapeau.

An aqua, yellow and white striped marquee was set up in the Preble gardens and reception guests gathered at small tables which were covered in aqua and yellow cloths.

When the young Andings left for their wedding trip to Grand Bend, Ont., the bride wore a red and white silk crepe frock with long red jersey coat, lined in the dress material. Her hat was a small white one.

This autumn the bridegroom will resume his studies at the University of Minnesota.

### Seventy Attend Barker Picnic at Algonac Farm

Mr. and Mrs. Paul L. Barker gave a picnic at their farm near Algonac last Saturday for their fellow members of the Tuesday Bowling League at Grosse Pointe Yacht Club. The Bowlers brought their chicks and the picnicers numbered around seventy.

### Weiner Roast Planned By Guys and Dolls Club

The Cannon Recreation's Guys and Dolls Club will hold a weiner roast at Baldock Park, Warren and Canyon, Detroit, on Thursday, June 30, at 8:30 p.m.

The charge is 50 cents per person. There will be refreshments and hot dogs and dancing.

About 40 percent of the members of the organization are Pointers, and more members from the Pointe are being sought.

## Joan Merrill Off to Europe

Joan Merrill, daughter of the H. W. Merrills of Stanton lane, left recently for a summer tour of the Continent. Joan was a June graduate of the University of Michigan.

Scheduled to sail on the Queen Mary, she had to make a few last minute alterations due to the British seaman strikes. She chose the Icelandic Airlines to help her meet her European itinerary.

Setting down in Gothenborg, Sweden, Joanie will hop over to bicycle-around England. Then she'll be off to France where she plans to meet classmate Jane Rippe, daughter of the Walker Cislers of Devonshire road, in Paris. Jane is studying there this summer.

It will be back to the Pointe in late August after a whirlwind visit to Holland, Belgium, Germany, Switzerland and Italy.

## Miss Clements

(Continued from Page 9)

trasting color at their waists and they wore garlands of ivy in their hair.

Their flowers were round bouquets in all red shades.

Joan Massey was maid of honor with Mrs. Donn Coddington, of Chicago; and the bridegroom's sister, Mrs. John J. Russell, of Birmingham, Mich., serving as bridesmaids.

Assisting as best man was John J. Russell, James A. Hogan, of Birmingham; John W. Little, of Midland, Mich.; and Roy E. Goodwill, of Milwaukee, were the ushers.

Mrs. Clements' pale blue taffeta and chiffon gown was worn with small chapeau of the same shade and the mother of the bridegroom chose navy blue lace over taffeta, trimmed in white chiffon.

The bridal couple travelled to Point Inn at Onkama, Mich. on their wedding trip and when they return they will go to Midland, Mich., to make their future home.

The new Mrs. Schumann's going away costume was navy blue silk shantung suit with white hat.

Among out of town guests at the Clements-Schumann wedding were Mr. and Mrs. A. H. Schlichting of Clearwater, Fla.; Mrs. Grace L. Gunn, of St. Petersburg, Fla.; Dr. and Mrs. James Scott, of Springfield, Mo.; Mr. and Mrs. J. H. Russell of Cedar Rapids, Ia.; Mr. and Mrs. Albert Koch and Mrs. Frank Brown, of Chicago.

## Party Fetes Elise Hahn

Bride-elect Elise Hahn was guest of honor at a luncheon Tuesday when hostesses were Mrs. Frederick Hughes, Mrs. Carl Bross and Mrs. Carla Hemmeter White.

The luncheon took place in the Bross home on Lewiston road. Elise, daughter of Mr. and Mrs. Gerald Hahn, of Rivard boulevard, will be married on Aug. 5 to Samuel Sherer, son of Mr. and Mrs. Joseph S. Sherer Jr. of Ridge road.

The ceremony will take place at 4:30 o'clock in the afternoon in Grosse Pointe Memorial Church and will be followed by a reception at the Cotntry Club of Detroit.

## The Leo J. Fitzpatricks Build Home on Stephens

Mr. and Mrs. Leo J. Fitzpatrick, of Cloverly road, have joined the Pointe, home builders and when their new home is finished they'll move to Stephens road.

OUTSIDE HELP Many a self-made man would have fared better if he had sublet the contract to others.

## Mrs. Thomas Lloyd Andling

The former CONSTANCE HOSMER PREBLE, daughter of Mr. and Mrs. Norman Preble of Ridge road, was married on June 25 to the son of Mr. and Mrs. Frederick B. Anding of Benson, Minn.

## Betrothal Told Home Reception After Wedding

Guests at the wedding of Colleen Lucille Leonard and Theodore Van Gelderen Jr. attended a reception at the Hawthorne road home of the bride's parents, Mr. and Mrs. Fred W. Leonard after the church service.

The couple repeated their vows last Saturday at an 11 o'clock ceremony in St. Joan of Arc Church.

Mr. Van Gelderen is the son of the Theodore Van Gelderens of Norvell court, Detroit.

For her wedding, Colleen chose a floor length bouffant gown of white nylon tulle. The full skirt was designed in tiers and nylon lace edged the round neckline of the snug bodice.

A fingertip veil of French-illusion was held in place by tiny crown trimmed in mother of pearl sequins and the bride carried white orchids and stephanotis.

Pink dotted swiss frocks were worn by the bride's cousin Beverly June Barrow, as maid of honor, and the bridesmaids Barbara Van Gelderen, sister of the bridegroom, and Geraldine Molinaro. Their flowers were pink carnations.

Thomas Podeszwik was his cousin's best man. The ushers were Dwight Leonard, brother of the bride, and James Nantais.

For the wedding and reception, Mrs. Leonard was in blue Chantilly lace with small, matching hat. Mrs. Van Gelderen's misty rose Chantilly lace gown also had blending chapeau.

Both mothers wore pink sweet heart roses.

The new Mr. and Mrs. Van Gelderen are motoring in the southwestern section of the United States on their wedding trip. Upon their return they will make their home in Sterling avenue.

## Garden Dinner Debut Given for Buffy Moll

Mr. and Mrs. Lester S. Moll, of Moross Road, Present Deb Daughter at Dinner Party in Gardens at Their Home; Hawaiian Lawn Lamps Illume Scene

The living room was decorated with silver urns of pink roses when Mr. and Mrs. Lester S. Moll, of Moross road, received their dinner guests last Friday evening with their debutante, Elizabeth, better known as Buffy.

In traditional white of the debutante, Buffy's floor length silk gown had strapless bodice decorated in a criss-cross design of twinkling mother of pearl sequins. The full skirt was opera length.

She carried a bouquet of blue delphinium.

Mrs. Moll greeted her guests in mint green chiffon, the draped skirt falling opera length.

In the gardens at the Moll residence, Hawaiian lawn, lamps lighted the dinner scene. Tables were covered with blue cloths and centered by hurricane lamps based with blue and white blossoms.

The debutante's escort for the evening was Bob Hownstein.

There was music in the floodlit gardens during dinner when members of the deb set present included:

Janie Bragaw, Bizzie Buell, Elizabeth Remick, Rosemary Walker, Ann Stevens, Jill Schneider, Emory Bishop, Leslie DeVoy, Christine Watling, Ginny Evans, Jean Cudlip, Grace Robinson, Karla Schierer, Pam Waterman, Shelia Bourke, Julie Watson, Lynn Trudell, Sally Boales, Nancy Blossom, Joan Robinson, Caroline Graves, Margaret Reeves and Frisky Fuger.

Young men of the stagline attending the Moll debut dinner were:

Frederick M. Alger III, Jerry and Mike Bourke, Bob and Ned Lambrecht, Joe Buell, Dick DuBrul, Fred Duffield, Peter Fink, Walter Fisher, William Fisher, Peter Fuger, Bill Gillespie, David Hamilton, Howard Nash,

## Carroms Home From Europe

The I. Louis Carroms of Stephens road could hardly wait to get back from abroad. They are entertaining relatives with tales of their two months travels about Europe.

Lovely pieces of jewelry from France and delicate figurines from Switzerland were gifts of the Carroms to their guests, the Mario Beradis (Mrs. Berardi is a sister of Mrs. Carrom), and the Ned Stockfishes (Mrs. Carrom was formally a Stockfish).

A Monday morning, June 27, brunch was punctuated by stories of wonderful Spain and Morocco and Switzerland and France.

## Special 3-Day Antique Auction

Friday-Saturday, July 1-2, at 11:00 a.m.  
Sunday, July 3, at 1:00 p.m.

Due to the fact that the past six weeks Mr. A. Schmidt has been in England on a buying trip, he has received three large shipments from England (in cases 7'x7'x14"), that we have been able to buy many fine items out of local homes and estates, we are having a **THREE DAY AUCTION**. As some of these shipments will not be here from England until just before the auction and because of our large stock, it is not possible to mention many of the things we will have.

## Another Pointe Landmark Under Wrecker's Hammer

Peter Rabbit, matinee idol of the romper set, was forever being chased out of Mr. McGregor's cabbage patch. A slightly larger operation is going on today. The Seabourn Livingstone home, lying directly east of the Grosse Pointe Memorial Church and an occupant of the once fashionable Cabbage Patch subdivision, is being razed. Built originally as a group of eight summer homes by

Mrs. Livingstone's father, the late Hugo Scherer, the subdivision faded as the Pointe expanded. Until the wrecking operations were started almost a month ago, the converted Livingstone summer home was the only remnant. It has been in the Scherer and Livingstone family for almost 60 years. The property has been sold to the Memorial Church to be used for a parking lot and other church expansion.

**STOP AND THINK** Don't smoke in bed—the next ashes that fall on the floor could be your own.  
**PROVES NOTHING** Experts sometimes prove their point by making the facts agree with their theories.

A GREAT BIG, BIG

## THANK YOU

To all my friends and old and new customers who went to the trouble of writing and calling me and extending good wishes after reading the story of my twentieth anniversary as a Ford salesman, I wish to say many, many thanks. Truly you made the anniversary possible for me!

Dick Warner

### Kiwanis To Give Fireworks Show

The Kiwanis Club of Grosse Pointe will present its 13th annual huge fireworks display at the Parcels Junior High School grounds on Monday, July 4. It is expected to be bigger and better than in previous years.

All funds raised by the club are used to stage this spectacle, to provide scholarships for graduates of Pointe schools, to furnish Halloween and Christmas parties for youngsters, to aid in children's activities including scouting, and to care for handicapped and indigent children wherever and whenever they may be found.

The people of the Woods were themselves instrumental in the club's raising of funds which permitted the organization to present the city with a bus to transport children of residents to and from the lakefront park.

Pointe residents who have had tickets left at their homes by Kiwanians, are asked to purchase them, so that the Kiwanis Club can carry on its many projects throughout the year.

### One Hospitalized In 3-Car Crash

A three-car collision at Whittier and Jefferson hospitalized one man and rendered two cars undrivable Tuesday, June 21. Sent to Bon Secours hospital with three fractured ribs was Lionel MacGlashen of 395 Rivard.

The accident occurred when MacGlashen failed to see the car in front of him stop for a turning motorist. He struck a car driven by Peter Theuerle of 3554 Wayburn, Detroit.

Theuerle's waiting car was pushed into the third auto driven by Edward Korff of 4803 Jefferson. Korff was waiting for oncoming traffic to clear so that he might turn left onto Whittier. All three cars were going east on Jefferson.

MacGlashen was ticketed for Theuerle's and MacGlashen's not having his car under control. cars were not drivable. They were both towed to a garage.

### Cinema League Holding Contest

A contest for the best uncut, unedited, amateur movie film will be the feature of the Grosse Pointe Cinema League's workshop meeting on Thursday, July 6, at 8 p.m. at the Grosse Pointe War Memorial Center.

The contest is limited to 100 foot reels of 16 mm. or 50 foot reels of 8 mm. film taken by league members. The movies will be reviewed by a panel consisting of Wally Temple, Pierre Palmentier and Bill Kirby. This is the first contest undertaken by the league and all members are urged to bring in their film.

Also on the evening's program will be a discussion, led by Bill Kirby, on Film Construction and illustrated with the movie "The Littlest Christmas Tree" from the Grosse Pointe Public Library.

The Cinema League meeting is open to the public and all persons interested in any of the various phases of amateur movie photography are urged to attend. For further information call the War Memorial Center.

The best is the cheapest—but the cheapest is not always best.

### Drifter Steals Newspaper Cash

A skid row character was caught stealing money from a news stand early Sunday morning, June 26. The Park police apprehended Frank Lee, age 60, of no address.

The arrest was made on a tip given by a Free Press employe. Frank Miller, east side distribution manager, told the police to keep an eye on a man who hung around the city limits in the early morning hours.

The Sunday morning surveillance proved Lee the thief. He was caught in the act.

According to the police report, money has been taken almost daily. Lee would not admit to previous thefts.

Lee was questioned and his past record showed a similar conviction in Detroit. He served 90 days.

A charge of simple larceny will be brought against the 60-year-old drifter. The amount taken was 35 cents.

The man who thoroughly understands the ins and outs of horse racing is seldom seen at the track.

where in the world do you want to go?

## SOLID: that's the way Dodge builds 'em!

There are a number of exciting discoveries waiting for you when you join the growing ranks of proud Dodge owners! Its dashing style. Its surging power. Its remarkable handling ease.

But none of these is more rewarding to you than the deep-down dependability you find built into the very fiber of this great automobile.

Right from the start you sense the rugged

qualities that put Dodge in a class by itself. Here is a car that does not ask to be pampered, or babied over bumps. Here is stamina and endurance that takes all roads as they come, and brings you lasting rewards in driving satisfaction.

That's the way Dodge builds cars. Through the years and over the miles you'll learn to appreciate how much Dodge dependability means to you.

**Who Makes the Decisions?**

Our Sounding Board registered some slight repercussions to an editorial we authored last week, wishing Godspeed to the culmination of plans for a Mutual Fire Protection Aid Program involving the City of Grosse Pointe, the Park and the Farms.

The plan, as outlined and approved by the Public Safety Committee of the City, and the entire council of that city, appeared to us to have considerable merit... certainly enough to warrant an immediate and thorough study by the powers that be in the other two municipalities. This seemed particularly so in view of the fact that the so-called administrative officers of all three had met several times and had given their tentative approval to the ideas contained in the plan.

For the benefit of those not familiar with these proposals for better fire protection, we sum them up quickly. Instead of each individual fire department of each individual city responding to its own fire alarms alone, with inadequate manpower and possibly inadequate equipment, the plan calls for each of the other two sending four men and a piece of equipment to any alarm in any of the three. This would immediately put enough men and enough apparatus on the scene of a fire to greatly enhance the chances of cutting down the damage and possibly saving lives.

With such a constructive program presented, it never occurred to us that we might be criticized for "jumping the gun" and breaking the story prematurely, let alone for wishing for speedy success. It has always seemed to us that when action is urgently needed, the time to start is now.

Following these meetings of the administrative heads of the three municipalities, the mayor of the City of Grosse Pointe sent letters to the "Mayor and Council" of the Park and Farms, asking that representatives of each be appointed as soon as possible to pursue the matter and arrive at some definite agreement.

On Monday night, June 20, the Farms council met, Mayor Parker's letter was acknowledged and the Farms voted to join in a further study of the proposal. The Park did not hold a council meeting until last Monday night, June 27, when, as stated in last week's news story and editorial, it was "expected the Park would take similar action," approving joining in the effort to get quick action on an agreement.

Despite the Park manager's criticism of our "jumping the gun" with last week's comment on the fire program, it did not lessen the surprise when we learned after Monday night's council meeting that Mayor Parker's letter had not even been presented to the mayor and council of the Park.

Some of our city managers are granted pretty wide powers, but they still are under the authority of the mayor and council. It came as a considerable shock when we learned that one had taken it upon himself to decide that an official communication from a neighboring mayor should be withheld from his own mayor and councilmen, especially when it was addressed to them and not to him. "What manner of high-handed operation is this?"

Fearing for the fate of the proposed fire protection plan, we were greatly reassured by talking with Mayor Homer C. Fritsch of the Park. He is strongly in favor, not only of the mutual aid to fight fires, but advocates combining all the services of all of the five Pointes as quickly as possible. He believes it is the answer to efficiency and economy. He said he was perfectly willing to be quoted.

Councilman Robert McKean of the Park, whom we also contacted personally, said that he too was very much interested in and favorably inclined towards the fire protection program. He said he had known nothing of Mayor Parker's letter and was surprised that it had not been brought before the council meeting for action.

So, despite the week's delay, there is still hope for something concrete coming out of the Mutual Fire Aid Program proposal. We can visualize a meeting of the three municipalities very shortly. We still think it is a big step in the right direction, and we have great hope that the representatives of the three municipalities will be getting together in the very near future to chart a course that will benefit the residents.

**Letters to the Editor**

June 14, 1955.  
Mr. Robert B. Edgar, Editor  
Grosse Pointe News  
Detroit, Michigan

Dear Mr. Edgar:  
The Board of Directors of Babe Ruth League, Inc., would like to take this opportunity to sincerely thank you for the very fine coverage which your newspaper is giving the Babe Ruth League of Grosse Pointe, as well as the other baseball leagues in your city.  
We have received your issues of May 19 and May 26 and wish to say that we have received no finer example of a newspaper's cooperation with our program. We are happy to advise you that

although this is only our fourth season, there are now hundreds of Babe Ruth Leagues and thousands of Babe Ruth teams operating in 42 states and three provinces of Canada.  
Our continued expansion and growth is to a large extent dependent upon such fine publicity as your newspaper is affording our leagues. This, of course, means to us that more boys are and will be playing on the baseball diamond and not on the streets.  
Your interest in our program is sincerely appreciated.  
Cordially yours,  
JOSEPH W. COOKSON  
Administrative Secretary  
Babe Ruth League, Inc.  
Trenton, N. J.

**From Another Pointe of View**

(Continued from Page 5)

leave St. Louis to come to the Pointe in August, taking over British Consul John M. Fisher's post when the latter and his family go on to Bonn. Everyone has felt so down in the dauber about the Fishers leaving, there hadn't been much thought that "the new man" could be equally as delightful. But Mr. Moss made a quick visit to the Pointe one afternoon last week, the Fishers invited a few neighbors to meet him over a cocktail, and the neighbors were instantly charmed. Wanted to know all about the family he'll bring to live with us. Besides Mrs. Moss, there's a six-year-old son and a three-and-a-half-year-old daughter. Many dates were made for when the new consul arrives to live in the Pointe; just as many dates were being made for the parties that will send the Fishers on their way, knowing we love and will miss them.

**Month at Bayfield**

Before going to London, where they'll spend a short time before traveling to Bonn, the Fishers have a heavy schedule. Young Mark lost his tonsils one day last week and now the family will go to Bayfield, Ont., for the month of July. Mr. Fisher will remain in town to finish his work and in early August they'll leave. Dropping by to meet Mr. Moss the other afternoon were Mr. and Mrs. Edwin K. Hoover, Mr. and Mrs. Robert Steepel, Mrs. Alvan Macauley Jr., Mr. and Mrs. Mark C. Stevens, Dr. and Mrs. Henry Steinbach, Mr. and Mrs. Maurice Wood, Canadian Consul at-Detroit M. J. Vechslar and Mrs. Vechslar, Hawkins Ferry, Mr. and Mrs. A. D. Wilkinson, Mr. and Mrs. Frank Donovan, Mr. and Mrs. Charles N. Gilmore Jr., Mrs. Henry Hopkes, Mr. and Mrs. Harvey Parke.

**Reunion at Johnston's**

For a few days last week the Forman Johnstons, of Bishop road, really enjoyed a family reunion. Sons Allen, David and Forman Jr. were all home at once. But this week, young Forman left for his new post with Army Intelligence in France. David has completed his military stint and will take some classes at Wayne and Allan, also will study this summer. They are three handsome lads.

The circus mood really has hit the Pointe this July! On Saturday, for instance, Mr. and Mrs. Theodore D. Buhl will be giving their annual Circus Party (Ringling Brothers' Greatest Show arrives at the State Fair Grounds tomorrow). A number of Pointers will greet stars of the Big Top after the Buhl dinner, when fun moves out to the pool house. The Buhls are hoping their friends, John and Henry Ringling North will be on hand for the one and only Emmett Kelly and his bride.

It'll be a circus theme when Mr. and Mrs. David Burr Moreing, of Cloverly road, entertain at an evening party for their niece, Mrs. Jacks who arrives this week-end from Washington D.C. for a visit with them. The Moreings are entertaining in the Directors Room of Goebel's and the enchanting circus murals are from the inspired brush of Mr. Moreing.

**Memorial Center Schedule**

JULY 5 AND JULY 6

\*All Center sponsored activities open to the public. Notice: Please call for lost articles at the office. They will be held for 30 days.

Grosse Pointe Garden Center Room and Library open for consultation from 10 a.m. to 12 noon and from 2 to 4 p.m., Tuesday, Wednesday and Thursday. On Friday 2 to 4 p.m. only. (Call TUxedo 1-4594).

**Hits Parked Car On Mack Avenue**

A moving car collided with a parked auto at Mack and Grayton early Sunday morning, June 27, causing considerable damage to both vehicles.

For no apparent reason, the car driven by Michael Jucewicz swerved out of the east bound driving lane on Mack and side-swiped a parked auto owned by Hector Anderson of 1418 Somerset.

Jucewicz, who gave his address as 1319 Beaconsfield, said he was going home. He admitted to having two drinks.

The left side of Anderson's and the right side of the Jucewicz cars were folded in.

Jucewicz was ticketed for reckless driving, but was not booked on the drunk motor law. The court date was not set. Anderson, who was not on the scene of the accident, was notified later.

An optimist is one who has a good time wherever he goes because he carries his good time with him.

**CITY OF  
Grosse Pointe Farms  
SUMMARY OF  
REGULAR MEETINGS  
June 20, 1955**

Mayor Connolly called the meeting to order at 8:00 p.m.  
Present on roll call: Mayor William F. Connolly, Jr. Mayor Pro Tem Richard L. Maxon; Councilmen: William G. Butler, George S. Lang, Neil S. McEachin and Edward C. Roney, Jr.  
Absent: Councilman William G. Kirby.

Minutes of the June 6th regular meeting were accepted; and minutes of the Zoning Board of Appeals meeting held the same date were accepted as corrected.

As requested, the Attorney's opinion was presented re: Board of Appeals action on the installation of an Ice-O-Mat on Kercheval Ave., which action was taken at the June 6th meeting. The opinion rendered stated that the Board of Appeals "was without authority to permit the installation of the Ice-O-Mat."

Pursuant to an Agreement between the Detroit Edison Co., The Michigan Bell Telephone Co. and Mr. and Mrs. George Matheson, Council authorized the issuance of a building permit for the erection of a garage on Lot No. 9, Ridge Top Subdivision, which would project three feet into the easement on the east side of the lot.

The petition to make Belanger Ave. a stop street at Williams was denied, and the matter referred to the Manager for further watch.

The traffic study on the proposed closing of McMillan Road was referred to the Attorney and the Council as a Committee of the Whole for further discussion.

Workmen's Compensation Insurance contract was awarded to the Employers Mutual Insurance Co., who is the present carrier.

Upon receipt of a report and recommendation from Hubbell, Roth and Clark, Inc., it was agreed that pavement width on Tonnoncour Place in the Fuger Subdivision be increased to 27 feet back to back of integral curb.

The Council's approval was given to improve Meadow Lane street lighting by replacing the existing lights with modern equipment, which project is reported being placed on the Detroit Edison Company's list for modernization in their program next spring.

The following reports were received and ordered filed: The Treasurer's Report; the Police Report to which was attached Patrolman Joseph Miller's Safety Education Report; and the Fire Report.

The Fire Chief's recommendation to accept Samuel Candela as a permanent employee in the Fire Department was received and approved.

Of the five bids received for furnishing scout cars for the Police Dept., the low bid of Roy O'Brien Inc. was accepted.

The Manager's recommendation was approved, to continue the employment of two extra men beyond the expiring date of July 1st for another month.

The Mayor agreed to attend a joint meeting of three Pointe Communities to implement a Mutual Aid Program of Fire Protection between the Cities of Grosse Pointe Farms, Grosse Pointe Park and Grosse Pointe. All interested Councilmen were also invited to attend.

A resolution was adopted, requesting the City of Highland Park to extend the June 15, 1955 date in the Intake Facilities Agreement, to August 31, 1955.

Based on Warner & Warner's estimate of cost of required improvements in the proposed Convent Subdivision No. 2, Council authorized signing of the plat following posting of a bond.

Proposed adjustments to employees working conditions were referred to the Council as a Committee of the Whole.

The Attorney and the Manager were asked to study procedure for compensating Councilmen for attendance of Council meetings.

On motion made, supported and unanimously adopted, the regular meeting scheduled for the first Monday in July, 1955, falling on July 4th, Independence Day, was adjourned to July 18th, 1955.

The Meeting adjourned at 9:50 p.m.  
HARRY A. FURTON City Clerk  
WILLIAM F. CONNOLLY, JR. Mayor

### Hoyt Submits Police Report

A report for the month of May, submitted to the Farms Council by Police Chief Walter Hoyt, on Monday, June 20, disclosed that 25 car accidents during the months resulted in \$2,178 in damages and eight personal injuries.

There were four cases of grand larceny reported in which persons lost a total of \$409; eight simple larceny cases resulted in the loss of \$183, or which \$95 was recovered.

Destruction of property cases numbered five, with a loss of \$54 reported. In one case, an \$8 restitution was made.

Fines and costs levied in court for various violations amounted to the collected sum of \$649.80. One adult and two juveniles

were accorded penalties of having their driver's licenses suspended.

There were five bicycles stolen and four of them were recovered; four persons were reported missing and then found.

The police department answered 261 calls; recorded 160 complaints; issued 159 driver's licenses, 10 chauffeur's licenses, 15 restricted licenses and nine duplicate licenses, and answered 11 fire calls in conjunction with the fire department.

There were 21 arrests made, 14 adults and seven juveniles.

No auto thefts, holdups, suicides or breakings and enterings were reported.

### Mrs. Theodore Van Gelderen, Jr. Vows Spoken At St. Clare

Before her marriage Saturday in St. Joan of Arc Church, the bride was COLLEEN LUCILLE LEONARD, daughter of the Fred W. Leonards of Hawthorne road. Mr. Van Gelderen is the son of the Theodore Van Gelderens of Norvell Court, Detroit. Their reception was held in the Leonard home following the church ceremony.

### Navy Lt. Earl E. Brabb Back from Long Cruise

ALAMEDA, Calif. (FHTNC) — Navy Lt. (jg) Earl E. Brabb, son of Mr. and Mrs. John H. Brabb of 1321 Berkshire, Grosse Pointe, Mich., was scheduled to arrive at the Naval Air Station here on June 22 aboard the attack aircraft carrier USS Essex.

The Essex has completed a seven and one-half month cruise in Far Eastern waters, steaming over 56,500 miles since leaving the West Coast last November.

Ports of call for the Essex crew were Pearl Harbor, Hawaii; Yokosuka and Sasebo, Japan; Manila and Subic Bay, Philippines; Bangkok, Thailand; and the British Crown Colony of Hong Kong.

The Essex will move on to her home port of San Diego after a brief stop here.

### Mrs. Andrew F. Wintercorn, Jr.

The former PATRICIA CAROLE BARRETT, daughter of Mr. and Mrs. Edward D. Barrett, of Whittier road, was married Saturday to the son of the Andrew F. Wintercorns of Rockford, Ill. The ceremony took place in St. Clare de Montefalso Church, with reception breakfast at Grosse Pointe Yacht Club. Their new home will be in Milwaukee.

The Rev. Father James D. Clark heard the marriage vows of Patricia Carole Barrett and Andrew Francis Wintercorn Jr. last Saturday noon in St. Clare de Montefalso Church.

Mr. and Mrs. Edward Daniel Barrett, of Whittier road, gave a breakfast reception at the Grosse Pointe Yacht Club following the church service.

Mr. Wintercorn's parents are Mr. and Mrs. Andrew F. Wintercorn of Rockford, Ill.

A quartet of bridesmaids, gowned in pale blue point d'esprit opera length gowns, attended Miss Barrett.

Ann Watson was maid of honor and Janet Hofmann, Sally Beardslee, and Mary Corcoran, of Huntington, N. Y., were in the party.

The bride was gowned in silk mousseline de soie, accents of hand corded Alencon lace used on the fitted basque bodice and bouffant skirt. A double veil of imported silk illusion was secured by Juliet of the same lace.

She carried Amazon lilies and ivy in her wedding bouquet.

Mrs. Barrett donned gray lace with matching chapeau for her daughter's wedding, and pinned a pink orchid to her purse.

Attending his brother as best man was Richard Alan Wintercorn and serving as ushers were the bride's brother, Edward Daniel Barrett; Rodney Gilbert Holmquist of Rockford; and Frederick James Ahlberg of Evanston.

A home in Milwaukee awaits the newly-married Wintercorns following their honeymoon in Northern Michigan.

The bride's traveling costume was a pink raw silk suit, spiked with white accessories. She pinned pink spray orchids to her shoulder.

**PRIDE OF THE FREEZER**  
Pride of the freezer are strawberries—sliced, sweetened with dry sugar, and frozen. Michigan berries are still in good volume for those who intend to put some away for winter use. They are marketed more often in 16-quart, rather than 24-quart crates. A 16-quart crate will yield about 24 pounds. Enjoy them year-round.

### Woods Finishes Paving Project

The Woods side street paving program has been completed according to information received from Woods Administrator William H. Lange.

The program, which was authorized on August 16, covered all the unpaved streets in the Woods, and the work was completed last week at an approximate cost of \$300,000, of which the city-at-large paid about \$60,000, Mr. Lange said.

Eleven special assessment districts were created before the work could be started on the project.

S. A. D. 91 included Goethe, from Anita to the easement north of Brys drive; S. A. D. 92, Charlevoix avenue, from Vernier road to the easement north of Brys drive; S. A. D. 93, "W" street from Vernier road to easement

north of Roslyn avenue; S. A. D. 94, Morningside drive, from Vernier road to Roslyn road; S. A. D. 95, Helen avenue from Vernier road to Brys drive; S. A. D. 96, Helen (Rita) avenue, from Vernier road to Norwood drive.

S. A. D. 97, Jackson avenue from the easement line south of Kenmore drive to Van Antwerp avenue; S. A. D. 98, Bramcaster road, from the easement line north of Huntington boulevard to Prestwick road; S. A. D. 99, Eastbourne road, from Prestwick road to Stanhope road; S. A. D. 100, from Lochmoor boulevard to the southerly line on Assessor's Grosse Pointe Woods Plat No. 2; and S. A. D. 101, "W" street from the southerly line of Grosse Pointe Woods Plat No. 2, to the northerly line of the Lochmoor subdivision.

# This Week's News as Told in the Headlines

(Continued from Page 1)

Russia has made demands at the 10th anniversary assembly of the United Nations that has cast a shadow over the UN's birthday party in its closing phases. Russian Foreign Minister V. M. Molotov demanded that Red propaganda slogans be injected into a peace pledge as an extended preface to next month's Big Four conference. He wanted sanction of such Communist goals as "co-existence" and an atomic weapons ban. The demand was considered certain to be denied.

Peiping Radio announced that the way is being cleared for the release of the three Americans and two Belgians, all prisoners of war, who wanted to come home. The PWs changed their minds about staying in Red China. Peiping said the arrangements have been made through negotiations between the Red Cross societies of Red China and India. The five had chosen to stay with the Communists after the Korean War.

With the Ford and General Motors contracts out of the way, the UAW (CIO) is ready to face Chrysler Corp., the last of the "Big Three." The automobile firm and the union met across the bargaining table today. The union is expecting a modified GAW unless the company balks at the now established pattern. Discussions on contracts are being started now, although the two contracts covering 130,000 workers do not expire until Aug. 31.

Red China-Japan trade is being opposed by Senate Republican Leader Knowland of California. He challenged that it is "bad public policy" for the United States to allow expanding trade between Japan and Red China. He said he is opposed to increased trade either in raw materials or goods for war production or in textiles. He added that strategic goods will build up the Communist's war potentials.

Tuesday, June 28  
SOVIET PILOTS FLEW the planes which riddled a Chinese Nationalist plane chartered by the United States to take an American doctor on a mercy mission, the Nationalist charged. Chinese Communist MIG-15 jets shot down into the sea a Chinese Nationalist jet trainer and also shot the flying boat carrying the American.

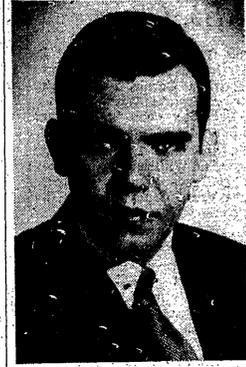

The trainer pilot was killed of his plan to raise 500,000 men plane were unharmed. The Nationalists charged that they heard intercepted exchanges in Russian among the MIG pilots and between them and ground control operators at Luchiao Air Base in Fukien Province.

THE BOHN GOVERNMENT of agreement whereby the Germans will get hundreds of millions of dollars worth of military equipment for their new armed forces. West Germany unveiled details Germany have concluded an approval for Chancellor "union" in West Germany. because of the dangers of the sit-gram from an angry and divided for its army and appealed to the Konrad Adenauer's arms propo-youths to back the rearmament Parliament.

Monday, June 27  
The United Nations ended its 10th birthday anniversary celebration with a reaffirmation of its determination to live with the world in peace and unity. This pledge was backed by the full 60 member-nations who attended the celebration in San Francisco.

At the start of the anniversary session, Russia's Foreign Minister V. M. Molotov called on UN Secretary General Dag Hammarskjöld and announced he would present a "declaration" commemorating the improved outlook for peace and for "peaceful co-existence." The Western powers believed this a part of Russian propaganda.

## Soloist

MILTON SETZER, noted young Grosse Pointe pianist, will be soloist with the Detroit Symphony Orchestra, Tuesday, July 5 at 8:15 p.m., in the Music Shell at the Michigan State Fair Grounds.

Valter Poole will conduct the concert, one of a series of 27 presented free to the public by the Detroit Edison Company, the National Bank of Detroit, and the Music Performance Trust Fund administered locally by the Detroit Federation of Musicians.

Setzer, a student of Mischa Kottler, has been soloist with the Grosse Pointe, Royal Oak and Wayne University symphony orchestras. He has made numerous appearances in Detroit in chamber music programs and served as accompanist to Mischa Mischa-koff, Marko Rothmiller and Emma Schaver.

At Wayne he was music director at the university radio station in 1954. In addition, he served as music critic on the school publication, The Collegian, for three years.

The concert Tuesday, an All Tchaikovsky program, will be broadcast from 8:30 until 9:30 p.m., over WJR.

## Michigan Club Holds Elections

At a meeting of the Board of Governors of the University of Michigan Club of Grosse Pointe held Tuesday, June 21, Mrs. Hubert G. Goebel, 193 McKinley avenue was elected president of the group.

This is the first time since the formation of the local alumni chapter in 1939 that a member of the fair sex has been named to this post. Mrs. Goebel was a member of the Board of Governors from 1941 to 1944, and has been secretary of the Club since 1953. She is the mother of Jerry Goebel, varsity center on the University football team.

Other officers elected for the coming year include Willis C. Bullard, 1993 Van Antwerp, vice-president; Mrs. Norman Lasca, 641 Fisher road, secretary; and John M. Chase, 261 Lewiston road, treasurer.

The Board of Governors voted to continue the plan initiated last fall by which tickets to the University of Michigan home football games would be made available to members.

At the annual picnic of members of the Club held on June 12 at the home of Dr. and Mrs. Robert B. Clarke, the following new members of the Board of Governors were elected to serve for the three years ending in 1958:—Mrs. Blanche G. Blashill; John M. Chase; Mrs. Allen Neef; A. D. Rueggsegger; Dr. A. D. Ruedemann, Jr.; and Dr. James H. Teetzel.

They join Mrs. Goebel, Mrs. Lasca, Mr. Bullard, and Mrs. Albert Cooper, Dr. Gordon R. Maitland, Mrs. William A. Tarpey, H. William Butler, Mrs. Robert B. Clarke, Laurence B. Einfeldt, Mrs. John L. King, and Fred H. Kolvoord, the holdover members of the Board of Governors.

Mrs. Stuart G. Baits, a regent of the University, is an honorary member of the Board of Governors.

**BACKFIRES**  
Often the fellow who is burning up with enthusiasm burns out before he tackles the job.

## Rabies Season Is Here Again

"It's too late to wait until you are bitten," warned Dr. Howard Cadwell, Director of the Wayne County Department of Health. "An increasing number of rabies cases is being reported." "The rabies season," he continued, "reaches its peak around July and August."

In 1954 dog bites were second highest on the list of reportable health conditions in Out-County Wayne. The 2,380 cases reported were 484 higher than those reported during the previous year. Since January of this year 892 bites have already been reported and 10 of the dogs involved were infected with rabies.

This is very serious since there is always a possibility that any person bitten by a dog or other animal may be exposed to rabies, one of our deadliest diseases. Rabies can also be contracted by handling a rabid animal and getting the saliva into cuts, wounds or scratches. All warm-blooded animals, domestic or wild including fowl, are susceptible to the disease. Once the disease has developed in a person, it is always fatal.

All dog bites should be reported immediately to the local police department or the Wayne County Sheriff's Office.

The bitten person should be taken to a physician.

Any dog or other animal that bites a person should be securely confined for a period of ten days observation to determine if it has rabies.

When the dog cannot be found, the doctor should start rabies shots immediately.

A yearly census should be taken in every community to determine the number of unlicensed dogs.

All animals should be vaccinated and kept leashed or restricted to their owner's property.

Dr. Cadwell urged that all dog bites, regardless of whether the animal has rabies should be reported to the Wayne County Department of Health in writing on forms provided by the local police departments or the Wayne County Sheriff's Office.

The health department will supply rabies vaccine free of charge when it is indicated by a physician.

## School at MSC To Be Colleges

The Schools at Michigan State College will be known as Colleges effective July 1, the day that M.S.C. officially becomes M.S.U.

On July 1, the Schools will be called College of Agriculture, Basic College, College of Business and Public Service, College of Communication Arts, College of Education, College of Engineering, College of Home Economics, College of Science and Arts, College of Veterinary Medicine and the School for Advanced Graduate Studies.

The State Board of Agriculture, Michigan State's governing body, which approved the new designations, also provided for the separation of the department of geology and geography into two separate departments.

Talk is cheap and those who talk too much give themselves away.

## U of M Foreign Language Profs Revise Standards

ANN ARBOR—Something is being done to help high school students who want to continue their foreign language study in college without repeating courses, according to Associate Prof. Otto G. Graf of The University of Michigan's German department.

This is because a special state-wide committee is being established, through Professor Graf's efforts, to set a single standard of proficiency throughout the state. The committee will re-examine class methods of instruction and teaching materials as well as devise tests which will be accepted state-wide, he declares.

"It's discouraging to a student to find himself forced to repeat work he's already had in high school, or another college," says Professor Graf, "and it is our aim to eliminate the hit and miss methods of testing students before placing them in courses."

Letters have been sent to the chief educational officers in the state, and attempts are being made to have representatives from all high schools on a regional level, from all universities, private and community colleges, and junior colleges on the study committee, Professor Graf states. He is chairman of the U-M's Committee on Language Instruction.

"Languages will have to be moved out of the stepchild category in schools in order to make them as important as the world situation today requires," he says.

But "we're over the hump," he adds. Language enrollment is increasing in elementary and high school and more college students elect a language as their major.

Even the fact that some schools put languages on an elective basis should not be discouraging, he points out. "This is a challenge to the teachers to make their offerings worthwhile, to improve the quality of their teaching to attract students."

"Here at The University," he declares, "we feel that a knowledge of foreign languages is a necessary part of education."

The U-M has recently changed its language graduation requirements by testing on the basis of proficiency rather than number of years studied. All entering students will take an exam which, if they pass, will be counted as satisfying their language graduation requirement. If they fail they will have the opportunity to take further language work in college, taking the test again any time they feel they are ready for it.

## Safe Driving Awards Won by Two Pointers

Two Grosse Pointers have received safe driving awards from the Shell Oil Company.

Top man is T. W. Zemper, real estate manager, who received an inscribed certificate for his 23 years of driving without an accident. Zemper lives at 1051 Hawthorne.

A certificate also went to L. M. Leisinger, operations manager, who has a 15 year record. Leisinger lives at 336 McKinley. Both men were also presented with wallets.

## How to Profit Through Tax Exemption

With today's high tax levels, investors in medium and high tax brackets are turning to tax-free Municipal Bonds for income that they can keep.

If you have a taxable income of \$10,000 or more, you may be well repaid by investigating the advantages of tax-exempt State and Municipal Bonds. For instance, if you file a single return on a taxable income of \$14,000, you would have to receive a dividend return of 7.45% on a taxable security in order to equal the yield from a 3.50% tax-free Bond. It's something to think about!

Our New Booklet, "How To Profit Through Tax-Exemption" explains in plain language your need for tax exemption, tells how much these high-grade investments can be worth to you. There's no obligation. Send for copy today, or phone.

## The Most Important Question Put to Jesus

There is deep meaning for us all in Jesus' answer to John's searching question (Luke 7), "Art thou he that should come? or look we for another?"

He gave his works as proof of the truth of his words: "Go your way, and tell John what things ye have seen and heard; how that the blind see, the lame walk, the lepers are cleansed, the deaf hear, the dead are raised, to the poor the gospel is preached" (Luke 7).

Christian Science is presenting to the modern world the same demonstrable truth.

**SCIENCE AND HEALTH with Key to the Scriptures** by Mary Baker Eddy discloses to anyone the present-day practical value of the Master's teaching.

### Gas Association Honors Paulin

Roland R. Paulin, vice-president and manager of operations of Michigan Consolidated Gas Company, was elected president of the Michigan Gas Association Monday at the group's annual convention at Mackinac Island. William R. Carlyn, division manager for Consumers Power Company in Lansing, was named vice-president of the association.

Three new directors also were elected. They are William H. Huffmaster, general manager of Southeastern Michigan Gas Co., Port Huron; David Eckman, vice-president in charge of operations of Battle Creek Gas Co., and John B. Simpson, general supervisor of gas operations of Consumers Power Co., Jackson.

Re-elected secretary and treasurer was Milton G. Kendrick, sales manager for Michigan Consolidated in Ann Arbor.

Mr. Paulin has been with Michigan Consolidated in Detroit since 1926 and has served in the manufacturing, sales and engineering departments. He became vice-president in 1950 and manager of operations in 1952. The Paulins live at 1029 Audubon, Grosse Pointe Park.

Mr. Carlyn, 535 Mac avenue, Lansing, joined Consumers in 1925 and was appointed division manager in 1949.

David H. Gerhard, manager of Consumers' Southeast Division,

### To Be Seen at Air Show This Weekend

A thrilling scene to be observed at the 8th International Aviation Exposition at Detroit-Wayne Major Airport July 2, 3 and 4 will be this aerial refueling of a Boeing B-47 Stratofreighter medium bomber by the largest and most massive display of air strength in the hands of our Strategic Air Command will be shown, it was announced this week by Maj. Gen. Richard A. Grussendorf, senior military officer for the big air show.

### Vacation Trips Anticipated By 2,000,000 Michiganians

Nearly 2,000,000 Michigan families will make vacation trips in 1955. In the last 18 months, Hawaii has increased hotel accommodations by 40 percent, with more under construction.

Trans-Atlantic liners will carry more than a million passengers this year, while overseas airlines will add another 600,000. East Coast ports report sailing booked solidly through the summer months, while word from the West Coast reveals a 15 percent increase over a year ago.

The Auto Club official said that more Americans are looking for the unusual and exotic in vacations and are seeking "places off the beaten path." These include remote areas of Canada and Mexico, Caribbean islands, the back-roads and wilderness areas of United States. Travel abroad shows heavy gains in North Africa, the Middle East and Japan.

Popular objectives for others will be the New England area, Florida, Colorado, Wyoming and western circle tours which take in national parks and monuments en route to the West Coast. Southwestern United States will predominate as a tour area.

More than 20,000 Michigan residents will go abroad this year, with the greatest percentage heading for Europe, Rogan also states. Passport applications from the state already show a 14 percent gain over a similar period last year. Out-of-staters and foreign visitors will swell the number of travelers to and through Michigan this year to 9,000,000. Tourist revenue for the state will approach \$600 million.

### Al Greens Given City-County Job

A five-year contract was recently awarded to Al Green Enterprises Inc., where by the firm was given exclusive rights to service the cafeteria in the new County-City Building, in Downtown Detroit.

Something new in the way of servicing and handling of food in a municipal building is being planned by a crew of experts, according to an authoritative source. The cafeteria is expected to be in operation within a period of 60 days.

At least 50 persons would be required to take care of the restaurant, which will be located in the basement of the building, to insure the best service.

The firm was the lowest of about 20 competitive bidders who sought the municipal food concession, making an offer to pay \$1,000 a month, or a percentage of total sales, whichever is the greater.

### Club Day Camp Opened June 27

The 1955 Neighborhood Club Summer Day Camp got off to a flying start on Monday, June 27.

Midget and Giant baseball and Newcomb teams are ready to battle it out on the playing field. This activity is supervised by Mrs. E. McMillan, senior counselor of the Sugar Plum Skyliners.

Senior Counselor, Mrs. E. Ramsey of the Jelly Bean Jets has a new feature this year, informal are classes. Another innovation is the disc jockey, Jr. Counselor John Drake with a jam session.

Imaginary flights are scheduled to take the campers to far-off places. The passengers and crew of the Gumdrop Globemaster, counseled by Mrs. E. Drake have arranged the first flight to some favorite sports in Gay Paree. An artists mart by the Jelly Bean Jets, a sidewalk Cafe, staged by Miss Johanna Klein and the Cracker Jack Clipper crew; A fashion show of latest paris creations by the Sugar Plum Skyliners.

All events, scenery, stage acts and etc. are planned and carried out by the Day Campers

### Picnic Planned By VFW Post

The Gen. R. A. & Col. F. M. Alger Post 995 Veterans of Foreign Wars is holding its annual picnic on Sunday, July 24 at Swabin Park (Harper and Eight Mile road).

There will be a small admittance charge for adults and children will be admitted free. Refreshments will be available at the park for those who would rather not bring their own lunches.

It isn't such a bad world after all—think of all that could happen and never does.

### Rideout to Take Part In U. of D. Workshop

George L. Rideout of 440 Colonial court, the executive director of the Institute for Economic Education, Inc., will be one of the resource persons at the University of Detroit Human Relations Workshop, June 27 through July 22.

The workshop will study causes of fear, tension, friction, misunderstanding and hostility among persons and groups, stated Dr. Tibor Payz, workshop director.

The sessions will run Monday through Friday from 9 to 3 p.m.

### --- Try the "D & C Airlines Quiz" ---

- Q. What is D & C Airlines?  
A. D & C AIRLINES is a new, specialized air carrier which began operating June 9 and affords the fastest public transportation between Detroit and Cleveland.
- Q. What airports does D & C Airlines use?  
A. The Cleveland Hopkins Municipal Airport and the convenient Detroit City Airport (on Gratiot Avenue at Conner.)
- Q. What aircraft does D & C Airlines use?  
A. 10-passenger Lockheed Electra equipment is used.
- Q. Are any other services offered besides Detroit-Cleveland?  
A. Yes. The Detroit-Cleveland service is operated Monday through Friday, with an occasional Sunday evening flight upon request. Charter flights to Pellston and other areas are available on weekends.
- Q. Is D & C Airlines connected with the Detroit & Cleveland Navigation Company?  
A. No.
- Q. Is D & C Airlines listed in the Detroit telephone directory?  
A. Yes. Call LAkeview 7-4179, or the Evans Flying Service, agency for D & C Airlines.

National figures, compiled by the American Automobile Association, show that more than 65,000,000 Americans will help bring travel this year to record-breaking highs. Cars will furnish transportation for 85 percent of the vacationers with each vehicle averaging about 1,200 miles, carrying three passengers. Each family will spend about \$400 on the trip at a rate of \$27 to \$32 daily over a 12 to 15-day period.

The trend to shorter and more frequent vacations is continuing this year, Rogan says. Travelers are seeking more for their vacation dollars and finding it in family-plan rates offered by transportation facilities and hotels. Many are discovering that it's less expensive to enjoy an off-season vacation, while others are stretching their money on camping trips.

Despite these economy measures, Americans will still spend a total of \$15 billion dollars on vacations this year with \$3 billion going for foreign travel. Canada will get over \$300 million, Mexico \$200 million and European countries the greatest share of the remainder. Hawaii, which got \$50 million from American tourists last year, is bidding strongly for an even

To get the best out of the years every individual must learn to live each minute well.

# LET Pontiac's Record-Breaking Sales

## BE YOUR GUIDE TO THE BUY OF THE YEAR!

### No Car Within Hundreds of Dollars is So Big... So Powerful... So Smart!

America knows value... and is making today's Pontiac the most popular Pontiac ever built! And it's no wonder, because Pontiac provides so much more of everything you want in a fine car.

If you're looking for big-car size, Pontiac has it—where it counts! Pontiac's long 122" or 124" wheelbase smooths the bumps and tames the curves. And this same bigness outside gives you more room inside—room to stretch out and relax, room to enjoy the sheer satisfaction that comes from the knowledge you're driving

one of the biggest without paying the usual big-car price!

Or if your first concern is power—here again Pontiac's your car! No car anywhere near it in price puts so much get-up-and-go under so trim a hood. Its husky 200-horsepower Strato-Streak V-8\* is ready, willing and more than able to make any kind of driving a dream—and with the economy and ruggedness that are Pontiac trade-marks.

When it comes to style—Pontiac really stars! Here's where the designers took a

long look ahead and came up with more than a beauty—they came up with an all-new pattern that sets Pontiac apart with a personality all its own.

All this adds up to something very unusual in cars—and Pontiac puts it within the easy reach of any new-car budget!

Right now—today—record-breaking thousands are discovering that a truly fine car needn't carry a high price. Why not come in soon and see for yourself?

\*Optional at low extra cost; 180 h.p. standard.

### Program at Farms Beach Includes Many Activities

Under the supervision of Ed Lauer the Grosse Pointe Farms Piers will provide a well rounded program which will include general swimming and diving instruction, bait casting, life saving classes, a swimming meet, a fleet review and the annual fishing rodeo.

The swimming classes will be under the direction of Charlotte Werner and Dan Reaume, both of whom are qualified instructors in all phases of swimming and life saving instruction.

Registration for these classes began on Monday, June 27, and will continue until all classes are filled. Register with Miss Werner or Mr. Reaume at the Farms Activity Office located in the new bath house.

The Bait Casting Club will get its summer program under way on Thursday, July 7, to continue every Tuesday and Thursday for the balance of the summer.

Special championship events will be staged on July 19, August 11, and the final on August 25.

Private swimming and diving lessons may be obtained by making an appointment with the lifeguards.

The annual swimming meet will be held on Saturday, July 30. Life saving and swimming certificates will be awarded on August 6.

The annual Fleet Review and regatta is scheduled for Sunday, August 14.

### Blazes Started By Incinerators

Incinerator sparks raised havoc in the Park last Wednesday, June 22. One roof burned and one permanent porch awning was destroyed. Both fires occurred within an eight-hour period.

The first call came at 1:53 p.m. from the Donald Hirt residence, 1410 Balfour. Hirt noticed smoke pouring down from his attic.

The blaze, a minor one, was extinguished without trouble. There was no damage done to the contents of the home and only a small hole was burned in the roof.

The fire was credited to the lack of a screen over the incinerator chimney, allowing sparks to lodge on the shingles. The other fire was caused in the same way.

At 8:37 p.m. Mrs. Peter D. Ambery phoned in an alarm. Sparks had ignited the awning over their screened-in porch. On arrival, the fire department found that Mr. Ambery had extinguished the fire with a garden hose. Little or no damage was done to the porch furniture.

The estimated damage was approximately \$75, or the cost of replacing the awning. Ambery lives at 1148 Three-Mile drive.

### Center Offering Bridge Lessons

Beginning Tuesday evening, July 12 at 8 o'clock, Dorothy Crawford will offer both beginning and intermediate bridge lessons at the Memorial Center, 32 Lake Shore road. The latest point-count system of bidding will be used and both instruction and actual practice will be included in every lesson.

The course consists of eight two-hour lessons, one every week through Aug. 30. The fee is \$10 for the eight lessons but couples may take for \$15. For information and enrollment call the War Memorial Tuxedo 1-6030 or TUXedo 2-8526.

Because of many requests from Grosse Pointe duplicate bridge players, the Saturday night games at the War Memorial Center will be resumed as of July 9. The Thursday night games will be discontinued.

The regular weekly schedule now includes: Ladies Monday Matinee at 1 p.m.; Wednesday night games 7:30 p.m.; and Saturday night game at 8 p.m.

All games are under the direction of Mabel Brown and Dorothy Crawford, and all Grosse Pointe bridge players are cordially invited to attend. For information call the Grosse Pointe War Memorial or Mrs. Brown, TUXedo 2-9011 or Mrs. Crawford, TUXedo 2-8526.

### Warnings Given By Parked Cars

A parked car on a residential street should be considered as a warning signal, the Traffic Safety Association advises drivers. "Be alert for a child who may dart suddenly into our path from behind the parked car," the Association said, "because that is how the greatest percentage of child accidents happen in Detroit."

Police records show that last year in Detroit 49 per cent of the children struck down ran into the street "from between, in front of, or behind parked cars."

In most cases, the Traffic Safety Association said, the parked car belonged to a parent, relative or neighbor and the child ran out from the curb without stopping. Another 27 percent of the children struck last year ran suddenly into the path of an oncoming car where no view obstruction was involved.

More than 2,300 children were injured in Detroit last year, either as pedestrians or bicyclists. Twenty-three youngsters were struck fatally.

An intensive child accident prevention program is now being conducted in Detroit and Michigan. With the theme "Watch Out For Kids" it is being sponsored by the Michigan Oil Industry Information Committee, Detroit dairies, dry cleaners and laundries in cooperation with the Detroit Police Department, the Traffic Safety Association and the Michigan State Safety Commission.

Detroit's child accident record so far this year is a tragic one. In the first five months of the year, 13 children were killed compared with six in 1954. Injuries involving children under 15 years totaled 1,400, one more than in 1954.

Some people make the best of everything—and others take it.

### To Scandinavia for Vacation

Seen as they boarded the Scandinavian Airlines plane at New York International Airport, N.Y. for a two month vacation in Sweden, Norway and Denmark, are MR. and MRS. RUSSELL S. COLLINS of Lincoln rd.

### Detroit Historical Society Opens Fire Exhibit

Just 150 years after Detroit was destroyed by fire, the Detroit Historical Museum began its exhibit, "Fire Fighting in Detroit."

The exhibition began on June 11, 1955, and will be displayed through September. About 9 a.m. on June 11, 1805, Detroit's great fire began, and when it was over a new town had to be built.

How Detroit looked before and after the fire is displayed by maps and a newspaper account. Also on display is fire fighting equipment dating from 1701 to 1805, which includes leather fire buckets, salvage bags, hooks, blankets, an axe and a bedkey. Detroit's advance in fire protection after the great fire is shown by an exhibit which includes a hand drawn pumper, a hand drawn hose reel, three fire trumpets, helmet fronts, belts, buckets, decorated pumper front, a leather hose, a fire lantern and torch, a picture of the fireman's hall and five lithographs on the "Life of a Fireman" and a portrait of Fire-Chief William Barclay.

A display of fire fighting from 1860 to 1906, when firemen became an organization of paid personnel and were not all volunteers, depicts more effective methods of stamping out fires. On exhibit in this section of the showing is a brass seat, a city hall tower chair, pictures and maps of fire houses, a commissioner's badge and an alarm box key.

A 1910 Packard rescue wagon shows further advance in the field of fire fighting. With its chugs and backfires vehicles such as this one replaced horses with horse power. An operating radio is displayed with the fire truck.

The last section of the exhibit shows fire protection in Detroit today. Included are maps of present day fire stations, a fire hydrant, a jeep fire engine, photographs of firemen in action and panels giving recognition to auxiliary fire fighters, fire prevention bureaus, the fire department training school and the organization of the fire department.

### Report Decrease In Fire Losses

Michigan's 1954 fire loss total of \$32,043,704 was the lowest since 1951, according to the annual report compiled by the fire marshal division of the Michigan State Police.

In 1951 fire losses amounted to \$29,760,609. The record high was in 1953 with a loss of \$78,126,591. The 1953 total, however, included the \$45,000,000 General Motors plant fire at Livonia.

The death toll of 169 in fires during 1954 was 47 less than in the previous year. The victims included 42 children and one fireman. In 1953, 61 children and two firemen lost their lives.

Dwelling fires totaled 15,655; a decrease of 669. Damage to structures was \$8,032,278 and to contents \$3,172,384. Damage to buildings other than dwellings was \$10,610,260 and to contents \$8,986,897.

Other types of fires included: Automobiles, 5,605; aircraft, 20; dry cleaning plants, 75; bulk storage plants, 128; house trailers, 297; schools, 148; theaters, 51; grass fires, 13,972; and miscellaneous, 18,777. Damage in these fires amounted to \$1,241,883 as compared with \$397,716 in 1953.

Total number of alarms answered by firemen was 64,606, a decrease of 11,507. Of these 9,787 were false alarms, a drop of 569.

Carelessness and neglect were the leading causes of fires, with careless burning of rubbish accounting for 5,918 and careless smoking for another 3,434. Additional leading causes were spontaneous combustion, careless use of matches, misuse of petroleum products, defective electrical wiring and equipment, overheated heating devices and defective chimneys and stacks.

The total number of all fires for the year was 54,728.

### Set New Records At Gas Company

All records for new customers using gas for cooking will be broken by Michigan Consolidated Gas Company this year, according to Hale Clark, vice-president and sales manager of the company.

"The number of gas cooking customers served here in 1954 by Michigan Consolidated was an all-time high but, with an expected increase this year, we are preparing to top that record," Mr. Clark declared.

"Many of our new customers this year will be the builders of new homes. A large number are planning not only to install gas ranges but also one or more of the new gas units—gas refrigerators, air-conditioners, water heaters, clothes dryers and incinerators.

"At the same time many other home owners are expected to switch over to gas fuel for cooking when they remodel their kitchens—a popular summer activity in this area.

"In addition, attractive local displays of new gas ranges which operate more economically and automatically will sway many to replace their outdated models," Mr. Clark said.

He added that as an aid to local residents, Michigan Consolidated personnel is always on hand to answer any questions on the installation or use of gas ranges and other gas appliances.

### Church to Hold Vacation School

The Congregational Vocation School opens July 5, at 9 a.m. at 240 Chalfonte. The school will meet every weekend morning in the new building from 9 a.m. to 12 noon through July 5.

The theme "Personal Relationship" will be used in all departments. In the kindergarten, the book "My Family and My Friends" will be taught by Mrs. Joseph Schwartz, Mrs. Russell Alles, Mrs. James Matujec, Miss Frances Emerson, Miss Linda Bennett.

The primary department will use "Love One Another" with Mrs. Roger Preston, Miss Sally Browne, Miss Edith Waldbott, Miss Carol Sagel and Miss Judy Walter as teachers.

The Juniors will work on "Living and Working Together as Christians," Mrs. George Cramp-ton, Mrs. Louis Hunt, Miss Carol

Reed and Miss Cora Palmer will teach.

The program is planned for stories, Bible study, recreation, craft and music, with Charles Schepel as pianist. The kindergarten will feature a rhythm band. Some special motion pictures, crafts, a morning snack, a trip, picnic, and a special project to help furnish the mobile library for Talledega College are planned. Any child in the community is welcome to attend.

### TO DISPLAY KITCHENS

Kitchens designed to suit every type of family will be featured at the Centennial of Farm Mechanization to be held on the Michigan State College campus August 15-20. Exhibits will show all pieces of equipment in styles of past, present and future.

## Ice Flair's Summer Season Due to Open on Friday

There will be festivities to mark the opening of the new summer skating season at Ice Flair, Grosse Pointe's own popular ice skating rink, on Friday of this week. The time is 1 o'clock.

Those who will be on hand to witness the opening period will include many Grosse Pointers whose names are legion in sports, business, professional and literary circles, including Tom George, TV announcer; Toby David, star of a TV show; Mark Beltaire, news columnist; Vincent Peterson, of Grosse Pointe High; Frank Banich, athletic director at Grosse Pointe High; Al J. Meyer, president of Grosse Pointe Business Men's Association; Roland Gray, sports store owner, and Chet Sampson, conductor of famous youth tours.

Ted Forrest, director of Ice

Flair's summer activities, announces that enrollments can be made all during this weekend.

Ice Flair is owned and operated entirely by and for Grosse Pointers. The rink and its outer appointments have served as a model for similar undertakings in other fine communities throughout the country.

Flair, because of its size, is often used for skating sessions by stars from notable shows. The colorful, talented Margie Lee, star of the special ice act currently showing in the Terrace Room of Detroit's Hotel Statler, is seen here as many as three times weekly where she puts in practice sessions. Hockey is also taught here.

Ice Flair is located at 15001 Charlevoix at Wayburn, in Grosse Pointe Park and is easily reached from all Pointes by Lake Shore Coach Line buses.

### FARMS National League

The Pirates are the first half champions of the National League. Good team play and tight pitching accounted for their fine records of 9 wins and no losses at the half-way mark. The batting average for the Pirate hitters was a big .333. Their total first half runs were 97 against 40 for their opponents. They also uncovered an outstanding pitcher in the person of Schlorff. His record stands at 15 straight games without a loss. He won 6 games in the minors in 1953, 4 games for the Pirates in 1954, and 5 games for the Pirates in the first half of 1955.

**Box Scores**

**Last 3 games of the First Half**

June 20: Pirates, 6, Red, 4.  
June 21: Giants, 9, Phillies, 3.  
June 23: Pirates, 7, Giants, 4.

**First 2 games of the Second Half**

June 25: Giants, 12, Reds, 7.  
June 25: Pirates, 22, Phillies, 2.

**First Half Season Standings**

Pirates	9	0
Giants	5	4
Reds	3	6
Phillies	1	8

**American League**

The Indians came through as the first-half champs in the American League. This is a well-managed team with good balance and their record of 7 wins and 2 losses had these young players on their toes right down to the wire. The second place Yankees gave them a tight race with 6 wins and 3 losses and if the pace keeps up, the spectators won't be doing much sitting when these two teams clash in the second half of the season.

The Yankee manager passed on a bit of interesting news. This team has three boys wearing glasses. Like all boys, there was a little trouble in getting these lads to wear the specs. But, through the efforts of their parents and their team managers, these kids were convinced that you can't hit a ball if you can't see it. Their baseball careers won out and they now wear their glasses proudly. One of these boys with glasses, Brian Muman, has not struck out in 9 straight games and has a batting average of .357.

winning seven (7) games and only losing one (1). St. Paul was tied with Charleston for first place until they were beaten by Toledo, the last place team that had not won a game until this week and then winning two straight over Louisville and St. Paul.

June 20: Minneapolis 5, Charleston 11.  
Pitchers: Bill Bullard; William Vanderbelt.

June 21: Louisville 2, St. Paul 7.  
Pitchers: Ronald Roehrig; Geo. Van Teim.

June 22: Indianapolis 7, Toledo 8.  
Pitchers: Michael Farrell; Stan Vernier.

June 25: Indianapolis 10, Minneapolis 9.  
Pitchers: John Baude; Thomas Egan.

June 25: Toledo 16, St. Paul 13.  
Pitchers: Donald Reed; Glenn Matis.

June 25: Louisville 9, Charleston 16.  
Pitchers: Fred Hansen; Edwin Secord.

**Box Scores**

**Last 3 games of First Half**

June 20: Yankees, 11, Indians, 5.  
June 21: Red Sox, 19, Tigers, 3.

As of Saturday, June 25, the American Association have played the first half of their schedule with Charleston on top.

## Star of Statler Show

The lovely MARGIE LEE, who goes almost straight up in the air in her exciting musical-on-ice act currently at the Statler, is the brightest star in the galaxy lighting up the hotel's beautiful Terrace Room. Of added local interest are the many short visits Miss Lee makes to Grosse Pointe's own popular Ice Flair, where she and others of the cast do routines in practice sessions.

this point. Howard pitches, Grace swings, one, twice, and the game is over; a beautiful job of relief pitching.

The same game saw Moore and Ghesquiere perform a neat double-play. The Cub-Brave game, a pitcher's match, saw Howard contribute a home run to the evening's festivities. Gathman the winning pitcher, Stephenson the loser.

Nichols' homer in the Dodger-Card game was the beginning of a threat, but Grow, pitching all the way for the Dodgers, never let it develop.

Registration for the Canteen will take place at the Woods Community Club, the waterfront park bathroom and Ghesquiere Park. Those interested are urged to sign up immediately.

The Central Canteen Committee would also like to express its appreciation for the donations of various Pointe residents. They are: Mrs. Wayne Sharp of South Oxford for the gift of the ping pong table; and Mr. Martin of Buckingham road in the Park for the donation of a piano.

## IN DETROIT... Hotel STATLER Presents "SKATING STARS"

The Cubs took over first place last week by winning from the Cards 7 to 6, and from the Braves, 3 to 1. In other games the Braves beat the Dodgers 6 to 5, and the Dodgers beat the Cards 5 to 4. When the scoring is as close as this the competition is keen enough to make for excitement.

The Cub-Card game, for instance, looked like an easy 7 to 1 victory for Hagglund after the 4th, when LaRue had to take over for LaFond. In the last inning, with one out, things started happening suddenly, and 4 runs had crossed the plate after DeSmyter, LaFond, and Moore all hit safely, and the Cards had a rally going.

That was all for Hagglund, but Howard, his relief, had problems. With only one gone, LaFond and Moore on 2nd and 3rd, Howard pitched to House. House was out, grounding to first base, but LaFond scored and Grace came to bat. Grace, the Cards slugger, could easily become a hero at

## Park Council Turns Deaf Ear to Playground Bees

In most communities the civic trend is to keep children off the street. In at least a portion of Windmill Pointe it seems to be to put them back on.

At the Monday, June 27, meeting of the Park council, the appeal of Mrs. E. T. Neeme was unanimously supported. The appeal for city support came in the face of neighborhood complaints.

At their own expense, Mrs. Neeme and a group of her Lakepointe road neighbors cleared and graded an adjoining field so that their children would have a place to play. The neighborhood play lot lies at the corner of Avondale and Lakepointe.

The dust raised by the leveling bulldozer had not settled before an unnamed group of irate neighbors flooded the city offices with complaints.

The complaints ranged from 'too much noise' through the fear that the play lot would become another Belle Isle. Visions of organized games, superintendents to oversee the activities and nickle-dime pop stands cropped up all over.

The gripes eventually got as far as the office of City Attorney Pierre Hefter. "One citizen literally blasted me out of my chair," Hefter said.

The lot, a standard Lakepointe residential one, measures 75 feet wide and 173 feet deep. A buffer strip of unplowed land was left

## To Have Canteen For Teen Agers

The Department of Parks and Recreation of Grosse Pointe Woods is sponsoring a teen age canteen to begin Wednesday evening, July 6 and to continue every Wednesday thereafter through August.

The Wednesday grand opening at the Parcels Junior High School will be emceed by some of Detroit's top disc jockeys. It will start at 6:30 and last through 9:30.

Featuring records, dancing, ping pong, card games, checkers and other various games, the Junior Group will be open to all students in grades seven to nine.

A Senior Group has also been organized. It will meet every Friday evening through August from 6:30 to 10:30. It will be open to high school students from grades 10 to 12.

Registration for the Canteen will take place at the Woods Community Club, the waterfront park bathroom and Ghesquiere Park. Those interested are urged to sign up immediately.

The Central Canteen Committee would also like to express its appreciation for the donations of various Pointe residents. They are: Mrs. Wayne Sharp of South Oxford for the gift of the ping pong table; and Mr. Martin of Buckingham road in the Park for the donation of a piano.

zoning clause that states "uses incident thereto."

It was Mayor Homer Fritch's opinion that to deny the use of the lot as a play field would do more harm than good. The council as a body fully supported this. Mrs. Neeme was given the OK.

The Monday night appeal before the council came as a result of a letter sent the council by a law firm. The letter requested council action on the lot matter.

The firm, representing the complaining parties, contended that the use of the lot for a play field was in violation of both the zoning laws and building restrictions. Both asserted violations are essentially the same.

The zoning laws state that Lakepointe property shall be used strictly for single dwellings and uses incident thereto. The building restrictions put down and define this law in construction terms.

In supporting the Neeme appeal to continue using the lot as a play field, the council deemed the use "Not in violation of the laws and restrictions."

The action came partly from judgment and partly from the

Aronson left the game that the Giants failed to get any relief help that might have stopped the Phillies (who picked up five runs in the fourth inning and five runs in the fifth inning to go ahead by one point. Even after the Giants got behind, they started a scoring spree in the sixth inning that might have won them the game but was called off by Umpire Leo Carrier under the rules governing the time schedule for playing all games.

The Giants scored two runs and had one man on base with one out when Umpire Carrier was forced to stop the game and the score reverted back to the last completed inning. The Giants are waiting to meet the Phillies again and that should be an exciting game.

Grosse Pointe Manager John Mazer is still looking for a good starting pitcher after his game with the Senators who beat them 16 to 4. Mazer expected great things from Hugh Harper who was switched from the Giants to the Grosse Pointers; but Harper injured his leg and was on the bench watching his teammates lose the game. Harper is expected back this week and should bolster the pitching staff of the Grosse Pointers.

In the meantime Manager Mazer saw Mike Carrier, John Mazer and Bill Tyler try to stop the power of the Senators, who went on to an easy victory.

Manager Walt Scotten is expecting big things from Pitcher John Fannon who went the entire route and stopped the Grosse Pointers in the clutch by several strikeouts at key points in the game. Bill O'Neil was the catcher for the Senators and makes a good combination with Pitcher Fannon.

## Practical protection and lasting beauty for your home

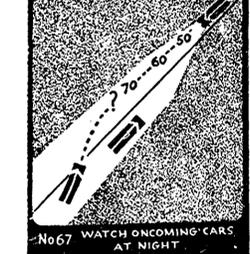

## Habitant FENCE

Habitant rustic wood fences with character and charm provide a picturesque frame for your home, and sturdy protection for your lawn and garden. Habitant fences are factory fabricated to fit your particular ground plan and are made from beautiful, durable Northern Michigan White Cedar. Single or double gates with hardware attached.

Seven distinctive styles available, each in a choice of heights. You can easily put up a Habitant fence yourself or we will give you an estimate for complete installation.

## UNWRITTEN LAWS

Passing at night against oncoming traffic is modern driving's most difficult maneuver. With perfect eyesight you can't tell whether headlights are approaching at 50 or 70 miles per hour. It may be the difference between life and death.

When deciding to pass a car at night remember the old adage, "Look before you leap". And when you can't be sure - then take time to be sure. When in doubt don't do it.

It helps to take a first look to estimate the distance and the speed of the oncoming car - and then a second look before making up your mind. Always keep in mind the slogan, "SLOW DOWN AND LIVE".

## "Food Scoops"

Ample meat supplies and abundant homegrown produce offer the food shopper many wise choices to fit his pocket book.

The shopper interested in economy will find good buys in adequate supplies of veal at this time. For roasts, leg, rump, sirloin, or shoulder are marked to fit most budgets.

For the holiday many families will choose fresh, smoked, or canned ham priced about 20 per cent lower than it was a year ago. The Boston butt barbecued as steaks will give the family a new treat in flavor at moderate cost.

Chicken for broiling or frying will be selected for many holiday meals. Chuck roast or ground beef offer economy choices in good quality beef. For tenderness and flavor look for generous marbling of fat through firm red lean beef. Some emphasis is being placed on steaks for summer—especially for outdoor eating.

The lamb market is steady with a slight reduction in prices seen in some stores. Whitefish represents one of the best buys in fresh water fish, with variety and economy available in the frozen department.

High quality eggs continue to be more scarce, and prices show an upward trend. There is plenty in the produce department with h o m e g r o w n vegetables in the spotlight. Fresh green cabbage has dropped in price, and rates tops in value. The small six to eight ounce head of Bibb lettuce and crisp lettuce are in the low price bracket. Cucumbers and locally grown greens, radishes, and green onions are plentiful items for just a few pennies per serving.

Abundant supplies of excellent quality green beans are reasonably priced. Corn from the South and West is plentiful and economical. Increasing supplies of long-white potatoes have caused prices to drop about a cent a pound. Avocados are plentiful and attractively priced. Watermelons cost a little more this week, however quality remains good.

Bananas and pineapple are scarce. Supplies of Bing cherries and other small fruits are increasing and prices show a slight decrease. OVEN BARBECUED CHICKEN 2 broiler-fryers, 1 1/2 to 3 lb. each, halved.  
1 recipe Robin-red Sauce.

Add 1/2 cup water to the sauce. Place chicken halves, skin side down, in roasting pan and pour sauce over them. Bake in a slow oven at (325°F) uncovered until chicken is fork-tender, 1 1/2 to 2 1/4 hours, depending on size. Baste frequently and add water if sauce thickens too much before chicken is done. If necessary turn heat to 450°F to brown at last two or three minutes. Four to eight servings.

ROBIN-RED SAUCE  
1 Tbsp. onion salt  
1 Tbsp. dry powdered mustard  
1/2 tsp. ground pepper  
1 tsp. Tobacco sauce  
1/2 bottle Worcestershire sauce  
2 c. tomato paste  
1 c. water  
1 c. vinegar  
1/2 c. butter, margarine, or salad oil  
Combine ingredients in saucepan and heat to boiling. Keep hot for basting chicken. Five cups enough to barbecue and serve with two to four chickens.

ROBIN-RED SAUCE  
1 Tbsp. onion salt  
1 Tbsp. dry powdered mustard  
1/2 tsp. ground pepper  
1 tsp. Tobacco sauce  
1/2 bottle Worcestershire sauce  
2 c. tomato paste  
1 c. water  
1 c. vinegar  
1/2 c. butter, margarine, or salad oil  
Combine ingredients in saucepan and heat to boiling. Keep hot for basting chicken. Five cups enough to barbecue and serve with two to four chickens.

ROBIN-RED SAUCE  
1 Tbsp. onion salt  
1 Tbsp. dry powdered mustard  
1/2 tsp. ground pepper  
1 tsp. Tobacco sauce  
1/2 bottle Worcestershire sauce  
2 c. tomato paste  
1 c. water  
1 c. vinegar  
1/2 c. butter, margarine, or salad oil  
Combine ingredients in saucepan and heat to boiling. Keep hot for basting chicken. Five cups enough to barbecue and serve with two to four chickens.

ROBIN-RED SAUCE  
1 Tbsp. onion salt

Add gingham girls: Good looking Mrs. Wilfred Teetzel cool, pastel and blonde in green and white gingham . . . with white accents . . .

### PILFERINGS

Didjuno there's an O'Yes Hotel in O'No, Pennsylvania? . . . Hy Gardner says so.

In Orlando, Fla., a burglar broke into a lumber company office and attempted to smash open a wall safe. Unsuccessful, he slipped \$4 worth of small articles in his pockets, flipped on the dictaphone and left officers their only clue: a record of himself singing "Davy Crockett."

Didjuno that June 21 was the birthday anniversary of Martha Washington? The Very First Lady was a great one to exchange recipes during her days as an accomplished hostess. Her reputation rested on such delicacies as Syrup of Violets, Tart of Tipps, and Sieved Calves Feet. Her husband, George, was devoted to Martha's cooking. Incidentally, it was one of his social rules to respect fine cooking. When guests were coming to dinner he allowed five minutes for variations in watches and then he proceeded to the table regardless of anyone who was absent.

Those Texans are at it again. One of them just bid for the Third Avenue El tracks, no longer used in New York. Wants to use them as guard rails around his swimming pool.

They've counted decibels in New Rochelle, N.Y., and now there's an Operation Earmuff with mayor of the town, Stanley W. Church, wearing earmuffs and advocating more silence. Greatest noise offenders: trucks changing gears and using air brakes, and school children. Decibels are the units of measurements for the loudness of sound.

John Crosby writes that Jackie Cooper became one of the biggest child stars of his time as a result of his appearance in the old "Our Gang" comedies, now being revived on teevee. Jackie did a crying scene in one picture that led to Paramount signing him for "Skippy," which made about five million dollars.

"That one crying scene in the picture changed my whole life," Cooper says. "I never cried before in a picture, and the director used all sorts of ruses to get me to cry."

### MISS MARIE LOUISE ANDERSON OF BEDFORD ROAD

By Jane Schermerhorn

The minute one mentions the name of Miss Marie Louise Anderson, the natural reaction is to think of flowers. That is a very charming and enviable association to inspire.

Her devotion to flowers is well known through work with garden clubs and because she has been a pioneer in Grosse Pointe's Garden Center, one of the contributing factors to its success and development.

But now, let us introduce a different Miss Anderson—the collector, whose laces and old watches are, as they say, really "something."

And let us tell you that several volumes could be filled with the backgrounds, historical data and memories surrounding this collection of lovely rose point, Chantilly, Spanish silk lace she owns.

Much of the lace was brought from Europe by her mother, the late Mrs. Herbert Anderson; some was sent from Paris or Florence by our Pointer's aunt Estelle Anderson; some belonged to her grandmother Anderson whose sister, Julia Phelps was the wife of Michigan's first governor, Stevens T. Mason.

### Heirloom Gown

Her fellow members of the Grosse Pointe Farm and Garden Club still remember the Valentine costume tea (at Mrs. Alvan Macauley's) when Miss Anderson dressed in her grandmother's black Spanish silk lace gown.

The lace is as fragile and beautiful as fairy wings and the fitted jacket is worn with skirt that fans into a train, all of one piece of lace.

Cream toned Spanish lace relieves the square neckline of the jacket (the waistline is one of those hold-your-breath-ones, it's so tiny) and also is used to cuff three-quarter length sleeves.

With this costume, Miss Anderson wore a mantilla of cream colored Spanish lace, held in place by an old tortoise shell comb.

She carried a lace parasol lined in rich surah silk, with handle of carved ebony.

Other Pointers ransacked attic trunks for heirlooms at that same party. Mrs. Wilson W. Mills wore an old riding habit with cadet cape; Mrs. Frederick S. Ford modeled lingerie from the bridal trousseau of Mrs. Henry Candler; and Mrs. Burt Eddy Taylor Jr. wore a turn of the century wedding gown.

### Seven Years Do It

Miss Anderson has made some exquisite black Chantilly lace into a very 1955 evening gown. It's combined elegantly with mauve taffeta and she wore it to the recent tenth birthday party of Grosse Pointe Morning Musicales. She just has copied Summer's chic note by making a lace hat but her chapeau is fashioned of genuine and heavenly Cluny lace.

Her aunt Isabella, who was a beauty as well as being very wise, once said to her niece, "Keep a thing for seven years and if it doesn't come in style then—keep it seven more years, and it will be fashionable." Aunt Isabella knew whereof she spoke for the yards and yards

of materials and laces we inspected at Miss Anderson's today are claiming hundreds and hundreds of dollars when important courtiers make them into gowns or trim frocks with them.

### Lace Fans

There was gold lace brought from Belgium in 1910; its Chantilly type and threaded in gold. A vase of rose point collars and medallions is worth a very handsome sum. We saw Honitan lace, linen torchon lace, hand filed lace, carrickmacross, limerick lace.

A collection of fans that are museum pieces belong to the Pointer. One of Val lace and satin, shadows fine carved ivory spokes. Brussels lace and mother of pearl form another fan and a black Chantilly lace fan was made for romantic occasions!

We untied ribbons on a box filled with ostrich fans and sighed over rose point lace wedding handkerchiefs carried by members of Miss Anderson's family.

Among the antique watches, Miss Anderson particularly prizes a Patek-Phillipe which belonged to her mother.

### Garden Clubs

Miss Anderson came to Detroit many years ago with her mother, from their home in Chicago. It was the years of the International Flower Show in Detroit, a project of the Women's National Farm and Garden Association.

At that flower show, the Andersons met the late Mr. and Mrs. Henry Ford and their then little grandsons, Henry II and Berson. Mrs. Anderson mentioned that she belonged to the Sarah Bradley-Tyson Unit of the WNF and GA and Mrs. Ford invited her to join the Detroit group.

Mrs. Anderson joined and later her daughter became a member. The latter was first recording and corresponding secretary when the Grosse Pointe Branch was founded. She served as state treasurer three years, and recording secretary three years of the Michigan division of the Club and was president of the Grosse Pointe Branch for two years. Presently she is the parliamentary.

Another six years have found her a member of the National Council.

She was the first president of the Grosse Pointe Garden Center and today is the membership chairman with ambitions beamed toward 1000 members, 1000 books in the Center's garden library. Each Friday she is at the Center as consultant answering questions of Pointe gardeners for two hours.

Her green thumb is evident in her own garden. This Spring she had 38 blooms on one peony bush and her regal lilies are lovely to behold.

Each Spring, her own social schedule includes an Iris Tea when friends are invited for tea and then to tour the gardens each selecting a favorite variety. Later each receives rhizomes from the plant of her selection.

## Good Taste

Favorite Recipes of People in The Know

### IMPERIAL COFFEE CAKE

Contributed by Mrs. F. Clayton Miles

- 1 Cup sugar
- 1 Cup buttermilk
- 1 Egg
- Grated rind 1 orange
- 1/4 Cup butter
- 1 Teaspoon cinnamon
- 1/2 teaspoon nutmeg
- 1/2 Cup raisins
- 2 Cups flour
- 1/2 Teaspoon salt
- 1 Teaspoon baking powder
- 1 Teaspoon soda

Cream shortening, add sugar, egg and all dry ingredients (after sifting together). Add buttermilk and raisins last.

Bake in two 8 inch pans. Sprinkle top with sugar, nuts and cinnamon. Dot with butter and bake for 45 minutes in 350 degrees oven.

### LIVE IT UP

When prosperity comes to a family they think they must live up to it and a little beyond.

## Pointe Counter Points

by Roberia Isley

Twenty-five to thirty-five million Americans will take to the road this summer. Your guy will probably be one of them. And whether he zings along in his '55 top-down convertible or takes the Cunard Line out of New York for a far country, he should be given a gentle nudge this week in the direction of 92 Kercheval on the hill. The gay travel posters and the luggage . . . the loafers . . . the shirts of imported madras and Egyptian cottons . . . walking shorts, fine seersucker swimming trunks tell of July and travel. Yes, why not have him choose his c-o-o-l vacation clothes at that well-known men's store, Kilgore and Hurd?

Legends teach us that from the First of the Pharaohs to the Last of the Mobicans, one of man's earnest quests was for a better blade. But Gerber's decided in 1939 that the blade was the thing. They were prompted by the thought, no doubt, that there is no more pitiful sight than that of a strong man in the dining arena with a two-bit blade and a ten-dollar handle battling a prime rib roast in the presence of hungry guests. Gosh; yes, a good man deserves a good blade. So here is a knife that reverses the old order. The handle is strictly functional, but gracefully designed. It is easily kept clean and sterile. It fits the hand like it belongs there. Gerber's Legendary Blades were chosen by the Museum of Modern Art as one of 100 useful objects of fine design. That is probably why Jacobson's Home Decorative Shop, in the village, has them on hand at all times for our gift needs.

July means hot dogs, cold lemonade, baseball and the Fourth of July. Yep, everything shouts American this month. And what is more American, we ask you, than a good, authentic sale? Nothing. Those famous classically tailored long-sleeve rayon crepe blouses in ecru and navy with a choice of one of Margaret Rice's famous monograms is now selling for eight dollars . . . monogram and all! Especially good for back-to-school wear are cashmere sweaters in novelties and classics . . . all from a famous maker. Suits that you can wear now and into the fall are drastically reduced. The same goes for those gay accents in the accessory bar. Gals, it's a store-wide sale! Enough said. 76 Kercheval, on the hill.

You might want three! First, because they're so darn inexpensive and secondly, they're so brilliant. We are making a loud noise about them. Each one cost seven ninety-five and range from size 10 to 38. And while you are in the sportswear department of Jacobson's look at the smart pique tennis dresses . . . one and two-piece styles. The ones that are one-piece have plenty of box pleats, thus giving them a handsome look. Some are ten ninety-five, others twelve ninety-five.

What we found on the beach . . . a summer refreshment . . . stark white, fashioned of terry cloth in the form of a wide stole . . . two patch pockets and fringe made it doubly attractive. She was toting a beach bag to match . . . although she could have had either a blue or pink striped one. To protect her hair she was wearing a cap . . . very elegant. She found these beach necessities at Young Clothes, Inc., 110 Kercheval, on the hill.

If you are the outdoor type you look to the sun and all the outdoor activities that go with it . . . like taking snapshots. The Camera Center, in the village, has a wonderful service. Have home deliveries at any time. You can bet that they have all the accessories like light meters and flash bulbs, etc. You're sure to like their complete camera service. TU. 1-4996.

When you're smack in the middle of Grosse Pointe and Jacobson's ya just know something new might happen. It always does. This something new happens to be a book nook in the children's department . . . it is loaded with books for summer reading. They cover a multitude of subjects—words, numbers, cars, Bible stories, animals, Walt Disney's books, and Davy Crockett. For gifts and beach reading they're it!

Wear a sheer scarf inside the collar of your raincoat on a hot rainy day . . . wear one from Margaret Rice's accessory bar. They're sale-ing this week. 76 Kercheval, on the hill.
