of the
WEEK

Thursday, November 24
RUSSIA HAS SET OFF the biggest hydrogen bomb explosion since she began her atomic program, it was reported by the Atomic Energy Commission. Some experts linked it with a reported "earthquake" in Siberia.

The AEC did not say how big the explosion might have been. Before the Commission issued its announcement, the Western College Observatory seismograph at Weston, Mass., recorded a strong earthquake about 5,300 miles northwest of Boston, possibly in the Kamchatka Peninsula in Siberia.

A DECISION by the State Supreme Court holds the fate of Michigan's dream of a turnpike. If the court holds the turnpike law valid, the Michigan Turnpike Authority will prepare to offer about 190 million dollars worth of bonds, if investors want to buy, to build a 113-mile toll road from Flat Rock to Saginaw. Authority members are hoping for a decision on the constitutionality of the law when the decisions are handed down next week. The law was challenged by Dearborn on 19 counts.

BRITAIN'S PRIME MINISTER Anthony Eden ordered an investigation of the Office of Foreign Security by a seven-man commission. The investigation was brought about because of the disclosure that missing British diplomats Donald MacLean and Guy Burgess long had been spies for Russia.

A legal expert who did research on the Alger Hiss case, Lord Jowitt, is included on the commission. He served under the Labor Government as attorney general and Lord Chancellor.

Friday, November 25
MICHIGAN'S TRAFFIC death toll for the Thanksgiving holiday mounted to 21, nine killed in two crashes—five in Montcalm County and four in Livonia—and 12 others throughout the State. The number was twice that of last Thanksgiving, an official report disclosed. By midnight of Thanksgiving 1954, only nine traffic fatalities had been recorded.

One wreck in Livonia killed the father, mother and youngest son of a family of four. A two-car crash in Montcalm County killed five persons, including three in a family returning from a family Thanksgiving celebration with relatives in Big Rapids.

ALTHOUGH MAINTAINING a silence on the biggest hydrogen bomb explosion in its history, Russia called on the members of the United Nations to place a ban on the use of nuclear weapons. Soviet Delegate Arkady A. Sobolev made the demand in the UN Disarmament Commission a few hours after the U. S. Atomic Energy Commission announced Russia had touched off its biggest nuclear explosion.

Sobolev accused the West of moving "backward" from its previous position on disarmament.

THE UNITED STATES might okay the admission of 18 nations into the United Nations, a Western diplomat announced. The diplomat said the U. S. is taking steps to get itself off a hot diplomatic spot and permit the admission of the 18 applicants sometime this year.

He said the United States would be blamed by its friends if it killed the membership issue by opposing admission of Red-sponsored Outer Mongolia. Russia has said it will veto all candidates if Outer Mongolia is barred.

Choir to Give Cantata on December 11

Combination of Men and Boys to Perform in Christ Church Program

The choir of men and boys of Christ Episcopal Church will perform the Cantata: "Rejoice, Beloved Christians" as a part of the Choral Evensong Service on Sunday, December 11, at 4 o'clock in the afternoon.

The cantata is one which Dietrich Buxtehude composed for his special evening services (Abendmusik) which took place in St. Mary's Church, Lubeck, Germany, on the Sundays during Advent.

Bach Walked 200 Miles

The work is concerned entirely with the anticipatory feeling of the coming of Jesus, each segment leading up to the climax of the final Amen chorus. It was to hear performances of these works that J. S. Bach, the great contrapuntalist of the 18th century, walked 200 miles from his church in Arnstadt.

Roecklein to Conduct
Richard W. Roecklein, organist and choirmaster, will conduct. Accompanist will be W. Thomas Smith from Atlanta, Georgia, who is now an organ student at Syracuse University. Bass soloist will be Richard Webb of Detroit. The public is most cordially invited to attend.

Pointe Community Chorus To Be Heard in Christmas Carol Program December 11

Many Unusual Features Planned for Event Scheduled for Parcels School Auditorium on Sunday Afternoon

"Joyous voices sweet and clear, sing the sad of heart to cheer!" So goes a line from one of the Alfred Burt Christmas Carols with words by Wilha Hutson, which will be premiered at the third annual Christmas concert of the Grosse Pointe Community Chorus, at the Charles A. Parcels School, Eight Mile at Mack, on Sunday, December 11, at 3:30 p.m.

Good Deed Done By Y-Teen Club

Members of the Alpha Y-teen club of Grosse Pointe High School, helped serve a Thanksgiving dinner which their club prepared, to members of the Neighborhood House Golden Age club in downtown Detroit.

The YWCA, which sponsors the Y-teen clubs, and the Neighborhood House are community services made possible by the recent Torch Drive.

Went to Michigan
Alfred Burt began his musical career in the Pontiac schools and attended the University of Michigan. He served in musical capacities in the Armed Forces and was later associated with the "American Theater Wing" in New York City.

'Village' Set For Annual Men's Night

Business merchants in the City are making preparations for the 10th annual Men's Night on Monday, December 5, from 7 p.m. to 10 p.m., during which men shoppers will have the run of the stores.

As in previous years, women shoppers will be barred during the three extra shopping hours, permitting their husbands, sons and sweethearts, to pick and buy gifts of their own choice. Extra salesgirls and models will be on hand to help the men with gift buying.

The City Police Department will barricade Kercheval avenue, from Cadillac to Neff, as soon as the afternoon shoppers and traffic have cleared, and policemen will be on hand to re-route the traffic.

German Band to Play
The familiar strains of the German Band will again be heard to add color to the occasion.

Pliffer from Stocks
It was pointed out that in the past, children have been coming in ever increasing numbers, some of them pliffering from the stores' stock.

City Council Acts To Strengthen All Traffic Controls

Resolution Adopted After Hearing Details of Study Submitted by Councilman Otto Pongrace And Traffic Engineer

The City council, on Monday, November 28, approved a resolution to establish traffic control measures on east-west streets within the City.

Army Camp Subject of Park Dispute

Residents Ask Council to Refuse to Grant Requested 10-Year Lease Extension

A small group of residents in the vicinity of the Army Anti-Aircraft site at Three Mile drive and Essex road, attended a Park council meeting to protest any extension of a lease which would permit the Army unit to remain at its present location.

On Monday, November 28, City Manager Everett E. Lane informed members of the council that the U. S. Army Engineer Corps had requested a 10-year lease of the site, effective as of September 1, 1956, the date the present lease will expire.

Thinking of Children
In regards to the safety of the children attending Maire School, it was provided that certain controls be advocated at Kercheval-Cadieux and Waterloo-Cadieux intersections.

Park Latest to Join Move To Acquire Vote Machines
Voting in the Pointe will be streamlined in the near future, when all the Pointe communities will have acquired up-to-date voting machines.

All Drivers Asked to Help Set Record

Local Police and Safety Council Actively Supporting Second Campaign

Not a single traffic accident during a 24-hour period, in daylight or darkness—that is the challenge to every community on S.D. DAY. Today, Thursday, December 1, marks the second annual "SAFE DRIVING DAY."

Its purpose is to demonstrate once again that with the active participation of everyone—motorist and pedestrian alike—in a concerted traffic safety campaign, accidents can be substantially reduced.

Has Council's Support
Sponsored by the President's Committee for Traffic Safety, this campaign has the active support of the Grosse Pointe Safety and Traffic Council.

Last year there were nearly 10 million traffic accidents in the United States. This is what those traffic accidents did:

Thousands Killed
Killed 36,000 people. Injured somebody every 25 seconds. A total of 1,250,000 persons were disabled beyond the day of the accident.

Can Offer Proof
S. D. DAY can be a significant contribution to traffic safety. It can prove to each individual that he, personally, can help save lives. It can impress him with the inescapable realization that accidents can be reduced every day by the same means.

Everyone is asked to help cooperating to make this S. D. DAY a real success.

Symphony Giving Concert Sunday

Music students from Grosse Pointe High School will usher next Sunday afternoon, December 4, at the concert of the Grosse Pointe Symphony Orchestra in Parcels School, Mack and Vernier roads, at 3:30 p.m.

They are: Rosaleen Malow, Mary Kohring, Linda Bowman, Rosemary Gawryzewski and Carol Walling.

'Cat's' Release Still Mystery
The NEWS sent copies of last week's stories on the early parole of "The Cat" burglar to the chairman of the State Parole and Pardons Board in Lansing, with a request for further enlightenment on the subject.

were recorded and released by Columbia Records in an album called "The Christmas Mood."
Get Unpublished Scores
Upon hearing this recording, director Malcolm John contacted Miss Hutson, who is now secretary in the office of the Episcopal Diocese of Michigan, and organist and choir director of the New Grace Episcopal Church Chapel in Detroit. Miss Hutson aided him in securing the unpublished scores of these carols, from which the Grosse Pointe Community Chorus will be singing.
The chorus is most grateful to James B. Conkling, president of Columbia Records, for making the Alfred Burt Carols available for this concert, and to Al Brackman, of Blackwood Music, Inc. for the reproduction of the manuscripts.
Also included on the program is Bach's Christmas Cantata, "For Us A Child is Born," to be performed by the chorus, and a string ensemble consisting of Margery Aber, first violin; Stella Racevich, second violin; Mildred Bacheller, viola; Donald Trout, violoncello; and Dianne McCullough, string bass.
To Hear Familiar Carols
Soloists are Barbara Phillips, contralto, and Dan Hudson, baritone. Familiar carols in traditional and novel arrangements will round out the program. Children in the audience will especially enjoy the choir's interpretation of "Rudolph, the Red-Nosed Reindeer," arranged by Johnny Marks.
Following the concert, a reception will be held for the members of the audience and the performers. Tickets for the concert may be purchased from chorus members and will also be available at the door.

Dads' Club

(Continued from Page 1)

He said that even that stretched its usage to the limit.
The proposed pool in the new junior high school and the pools for Pierce and Parcels will provide much needed swimming facilities for all the students of The Grosse Pointe Public School System.
The high school group was also particularly interested to hear about plans for replacing the boilers in the high school heating plant. Mr. Lee pointed out that these boilers had been installed when the school was built in 1928 and that they had more than served their life expectancy. After a great deal of thought and careful consideration, the Board decided that replacing the boilers was the wisest course to follow.
Mr. Lee concluded his presentation with a series of slides. One showed the proposed location for the Pierce pool, which will be situated between the boiler room and the gymnasium of the present structure. Another slide showed the location of the Parcels pool which will adjoin the southern corner of the present building.
The proposed facilities for the new junior high school on Chalfonte were listed by Mr. Lee as follows: 28 regular classrooms, a study hall, art, homemaking, and music rooms, shops, swimming pool, gymnasium, cafeteria, library, offices, auditorium, and a clinic.
Every effort is being made to have the exterior appearance blend in with the surrounding community and be an outstanding and beautiful junior high school.
Very shortly, Mr. Lee said, completed pictures and layout plans will be available for publication and will be shown to everyone in the community. The pictures he projected last Tuesday night were preliminary sketches.
ACCOMPLISH NOTHING
Many people fail in their life's goal because they try to accumulate by adding nothing to nothing.

They Too, Obviously Love Trees

This picture quite naturally appealed to us who nurture a giant elm within the bosom of the NEWS building. The Harry Goulds, owners of this new home in Lincoln road just off Jefferson, couldn't countenance the thought of destroying this fine specimen. So they simply built their all-weather sun room around it. And what a conversation piece it ought to be.

College Women Plan Meetings

Mrs. Glenn Curtis of Rivard boulevard will be hostess to the College Women's Club for a tea and a discussion on current history on Monday, December 5 at 12 noon. Mrs. Emil Leidich will talk about her recent travels in Yugoslavia.
The evening group of the club will meet the same day in the home of Mrs. Charles Jeffrey in Nottingham road, at 8 p.m.
Members are asked to bring one large or two small plain candies, any color but having a diameter of at least one inch.
Reservations for the evening party are being taken by Mrs. Jeffreys at Valley 2-3435.

Army Camp

(Continued from Page 1)
cation, property values will decrease rather than increase.
He pointed out that the Farms has asked the Army unit at the Chalfonte sight to leave.
Objected to Noise
Still another citizen, living in the area, revealed that he had purchased a home near the site, and when the base was first proposed he had raised an objection. He also objected to the noise coming from the camp, which later was abated.
However, he added, throughout the day and night, truck motors run at intervals, and there is shouting by the soldiers. He said there were many children in the area and that some of the language the soldiers used was not fit to repeat.
Cites Government Power
When it was pointed out by City Attorney Pierre Hefler that the Government could start condemnation of the disputed property to retain it, Councilman William Oddy, who lives directly opposite the site, and who also opposed the re-leasing of the property, stated that the Government will have to prove necessity, and therefore let it prove what it can do.
City Attorney Hefler revealed that the Government's powers of condemnation are a lot more powerful than those of a municipality.
The protest hearing ended with a request that City Manager Lane write to the proper authorities and ask them to make every effort to seek another site.
Traffic
(Continued from Page 1)
resolution authorizes City Police Chief Thomas Trombly to establish "no turn" controls.
As a further measure to carry out the City's safety program, the council recommended that the police department use timing and mock-ups to reduce speeding, until the time when the City will obtain real equipment.
The necessary co-operation of the Park, Farms and County authorities in carrying out this program, will be asked.
Religion that is kept for Sunday is apt to go sour before the end of the week.

Grateful Mother Expresses Thanks Exchange Club To Fete Ladies

A grateful mother would like to thank an unidentified woman who proved a friend in need when her daughter became ill on a bus on Friday, November 25.
Mrs. Clinton Amuxen of 1060 Whittier road, telephoned the NEWS to ask help in expressing her gratitude. She said that her daughter, Susan, 13, a student at Pierce Junior High School, became ill on a Deanhurst bus when returning home after a shopping trip downtown.
A woman passenger took Susan off the bus and hailed a cab. She delivered Susan to her home, then drove away in the cab without waiting to be thanked or identifying herself. Susan recovered quickly.
The man who is always short of cash seldom gets along.
The ladies have been invited.
It may be true that time is money, but you've got to spend the one to make the other.

Half its Horsepower is for Safety!

A pretty steep hill, you'd say?
Well, not so far as this gentleman is concerned. He just gave the accelerator a little encouragement with his toe... and swept from bottom to top so effortlessly he was scarcely aware of it.
For he's at the wheel of a beautiful new 1956 Cadillac. And beneath that long, sleek, graceful hood rests the smoothest, most powerful engine in Cadillac history.
The fact is that this great new Cadillac engine is powerful and dynamic far beyond the requirements of normal usage. In the course of ordinary motoring, it is entirely possible that the driver will never have to put the accelerator down to the floor board.
But how wonderful that extra length of throttle will be if he does need it!
It will be there to give him that extra burst of speed that can carry him free from a difficult driving situation.
It will be there in case he needs it for safety in passing... or to answer the challenge of a mountain road.
And even when not in active use, it will add to his motoring pleasure.
It will bring him confidence and contentment and peace of mind...
...and it will provide the kind of operating economy and dependability that can come only from a motor car that literally *loafs* at the legal limits of the highway.
Of course, Cadillac's magnificent performance is only part of the exciting Cadillac story for 1956. There is inspiring beauty... and extraordinary luxury... and superlative craftsmanship. For this is, literally, the Cadillac of Cadillacs.
Why not stop in soon and let us show you what we mean?
We've got the keys and the car—all you have to provide is an hour of your time.
We can promise you... it will be the most revealing sixty minutes you ever spent at the wheel of a motor car.

Men's Garden Club Awards Presented for Best Grounds

The annual presentation of the civic awards given by the Men's Garden Club of Grosse Pointe for the best maintained grounds around public buildings in the five Pointe communities was made at the regular meeting November 17 at the War Memorial Center.

The recipients of the awards, drawn by Arthur Blyler, were: St. Paul Evangelical Lutheran Church; by Carl Thiede and Andrew Glass.

Bon Secours Hospital; by Mr. Bruscoe and Leon Serrazin. Central Park Library; by Robert Orr and Mr. Elder.

Grosse Pointe Shores (Municipal Building); by Mr. Williams, Mr. Vernier and Mr. Graham. Grosse Pointe Woods (Park); by Mr. Hershberger and Mr. Maiorana.

Kerby School; by Mr. Homeier and Mr. Duffy.

The presentations were made by the president of the Men's Garden Club, V. R. DePetris, who remarked that beautification of the grounds and in the public parks, especially around public buildings is a worthy achievement toward the goal to beautify the Pointe.

A committee consisting of Charles A. Abbey, George B. Smith, Harold C. Hill, Charles Hauser, and photographer Kirk Cookson, made three surveys of all public grounds during the summer months and decided the winners. General overall appearance of the grounds from early spring to late autumn were observed and recorded.

The following are second time winners, having won awards in 1954:

Bon Secours Hospital, 468 Cadieux; Grosse Pointe Shores, 795 Lakeshore; Kerby School, 285 Kerby.

Young Thespians To Present Plays

The Grosse Pointe Children's Theater, a new organization to the Grosse Pointe community, has been working diligently the past ten weeks since its initial meeting at the Grosse Pointe War Memorial.

Aside from the rehearsing for three Christmas one-act plays, these ten through 14-year-olds have been busily engaged in making their own stage sets, designing their own costumes, programs, tickets and posters, collecting their properties, in short, overseeing the complete production, under the direction of Mrs. Sally Reynolds and Mrs. Jane Bacon.

They will present their program on December 10 at the Grosse Pointe University School, at 2 p.m. and 8.

The afternoon performance will be for the young fry and the evening one for parents and friends.

Children from the Protestant Children's Home will be the guests of the Grosse Pointe Children's Theater members for the afternoon performance and will receive gifts from them.

"The Detroit Association for Retarded Children" will also receive money collected from the performance.

The three one-acts include: "The Enchanted Christmas Tree," by Percival Wilde, given by the 10 and 11-year-olds, with Patsy Groehn, Linda Schaitberger and Cathy Coe as the leads, and "Twinkle, Twinkle Christmas Star," by Esther Arnold. Leads in this are: Virginia Smith, Jane Evenden, Barbara Kent, Sarah Strother and Ann Hock.

The third play, presented by the 12, 13 and 14-year-olds is entitled "Children of the Inn," by Jewell Bothwell. It is a Biblical play and will contain the beautiful first Christmas scene. Those having major roles are Pat Fleming, Penny Court, Bob Hunter, Joyce Fincham and Joy Chandler.

Others in the casts are: Julie Cordtz, Lyn Cumiskey, Karen Downer, Sandy Fleming, Nanette Gould, Francis Griffy, Kathleen Mansfield, Margo Mead, Elizabeth and Louise Polombit, Peggy and Betty Carpenter, Eddie Christian, Rick Axsom, Margot Tompkins, Diane Vermulen, Marilyn Wright, Gay Bacon, Stephanie Court, Penny Henry, David Markle, Marilyn Meech, Margaret and Julie Van Gallow, Donna Cramer and Rick Axsom will be the pianists.

Receives Top Scouting Honors

Here's DAN HEMBEL of 1597 Newcastle, flanked by his Eagle Scout Explorer sons and proud wife, ALMA, just after receiving the District 3 Silver Beaver award for 1955 from LEE R. J. SCOTT, 562 Sunningdale, who made the presentation for the Detroit Area Council. That's Scott on the left, then BOB, DAN, ALMA and BILL HEMBEL, going from left to right. "This makes you the most honored Scouting family in the Pointe," Scott remarked as he congratulated Dan.

Youth Groups Offer Service

The Thistle Club and the Westminster Fellowship Youth of the Grosse Pointe Woods Presbyterian Church are having a White Gift Service in the sanctuary of the Woods Presbyterian Church from 5:30 p.m. to 7 p.m. on Sunday, December 4.

The Westminster Choir of the Church will sing the following numbers: "From Thy Throne on High," by C. W. Gluck, and "Snowy Flakes Are Softly Falling," by Healey Willan. Miss Ruth Burkholder, M.M., the director of music and the choir, will emphasize Christmas music.

Mrs. Louis Bambas will tell the story "The Other Wise Men" by Henry Van Dyke. Mrs. Bambas is well known throughout this area for her theatrical work. She was associated with the Pittsburgh Playhouse, a graduate of the Carnegie Tech Drama School, active with the Grosse Pointe Theater, and a director of five of the Junior League's Children's Theaters.

All youths in this area 14-17 years of age are cordially invited to this service, which is under the direction of the Reverend Robert H. Stanbery. They are invited to bring canned goods to this service, which will be sent to a Christian Mission House in Detroit.

DEAN TO PAY VISIT

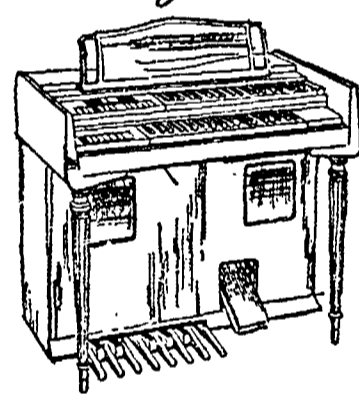

Emery R. Walker, Jr., Dean of Admission of Brown University, will visit Grosse Pointe University School in the morning of Friday, December 2. In the afternoon of the same day, he will visit Grosse Pointe High School. Mr. Walker, Jr. will meet with students and confer with officers of the school. He is currently on tour, visiting schools in the Midwestern states.

Celebrity Lecture Series To Present Noted Critic

Norman Nadel, drama critic of the Columbus, Ohio, Citizen, will be the guest speaker at the third of the Grosse Pointe Celebrity Lecture series at 1 p.m., Thursday, December 1, Nadel's "On the Aisle" lecture will highlight the current Broadway season's top hits.

The lecture will be held at the Esquire Theatre, 15311 East Jefferson, and a "celebrity" luncheon at Al Green's will follow. A limited number of individual tickets will be on sale Thursday at the box office at 10 a.m. The price of single tickets is \$2.50.

Toby David, CKLW radio and TV personality, will introduce Nadel at the Thursday lecture. Chet Sampson, who regularly introduces guest speakers on the series, is currently touring the Far East.

Nadel, who visits Broadway at least four times a year, teaches

journalism at Ohio State University, in addition to writing his "On the Aisle" daily column, and editing the daily entertainment page, and the entire Sunday drama section of the Citizen.

He gives some 80 lectures each season, and is guest writer for such publications as Variety, the New York Times, and the Saturday Review. Nadel founded the Columbus Philharmonic Orchestra.

One of his contributions to the

NORMAN NADEL

theatre was his founding of the long-distance "show-trains." Twice each year, he conducts 200 central Ohioans on a week's planned theater-going expedition. In June 1955, Nadel, along with Howard Lindsay and Roger L. Stevens, received the Variety citation for "outstanding contributions to the theatre." This was the first time a drama critic has ever won this award.

Money raised at the Grosse Pointe Celebrity series, sponsored by the Assistance League of Bon Secours Hospital, will be used toward a new convent and chapel for Bon Secours Hospital.

Farms Police Report Submitted

Farms Police Chief Walter R. Hoyt's report for the month of October disclosed that 255 various violations resulted in the payment of \$924 in fines by law violators.

The report also showed that there were 25 traffic accidents during the month, resulting in two injuries and \$1,509 in property damages. There was one breaking and entering, the loss in this incident came to \$425; 10 simple larceny cases were revealed, with a loss of \$199, of which \$119 was recovered.

There were four juvenile arrests for traffic violations; one adult and two juveniles lost the right to drive when their licenses were suspended.

There were no auto thefts, no hold-ups and one suicide; two cases in which destruction of property was made known, damage amounting to only \$8; three dog bites, and six persons reported missing and six recovered.

The department received 207 complaints which were taken care of; total number police calls answered was set at 284; operator's licenses issued, 187; chauffeur's licenses, 14; issuance of restricted licenses, five; and duplicate licenses handed out, 10.

The total number of arrests during October was 26, nine of which were adults, and the remainder juveniles.

At least the clock never goes on strike for shorter hours.

P. T. A. to Hear Talk on Toys

Rea Barr Baker, educational consultant, will address members of the Rivard School P.T.A. at the school on Wednesday, December 6, at 8 o'clock.

Mrs. Baker's theme will be "Building Family Relationships Through Play." She will speak on educational toys and discuss informally play materials covering interests of all ages. "Toys and games to live with, to learn with, to grow with" will receive special attention.

Mrs. Baker will illustrate her program with a display of all types of play material. She will conclude her program by answer-

Cinema League Offers Classic

"Night Must Fall," a movie murder mystery classic starring Rosalind Russell, Robert Montgomery and Dame May Whitty, will be shown free to Memorial subscribers next Monday evening, December 5, at 8 o'clock at the Grosse Pointe War Memorial. This is the second in a series of old time movies being presented for public enjoyment by the Center.

Originally produced in 1937 and directed by Richard Thorpe, "Night Must Fall" concerns a hat box murderer-at-large in the English countryside. It is the Emlyn Williams play transferred bodily to the screen with excellent acting and suspense. This series of old movies is being shown by the Grosse Pointe Cinema League for the War Memorial in an effort to bring to Grosse Pointers an enjoyable program of significant movies of the past.

Too many people mistake spectacular effort for success.

Organizations Back Bond Issue

The Citizens Committee of Grosse Pointe Woods reports that the Bond Issue Election set for December 12, 1955, to provide funds for improvements at the Lake Front Park Pool, has received the support of many local organizations.

Since the pool is the heart of the park activity, thousands would be deprived of its full enjoyment if the pool were to remain closed. The filtering system when installed will meet the requirements of State and County Health Departments and permit the pool to open next summer.

Organizations who have notified the Citizens Committee of their support and endorsement of the \$115,000 Bond Issue are: Grosse Pointe Woods Citizens Association Board of Governors, Country Club Woods Progressive Association, Grosse Pointe Woods Lions Club, Grosse Pointe Kiwanis Club, Grosse Pointe Woods Little League, Grosse Pointe Woods Babe Ruth League Board of Governors, and the Recreation Board of Grosse Pointe Woods.

Many residents have called individual members of the Citizens Committee and indicated their support of this important project.

The well-to-do people of today acquired their riches on the get-rich-slow-but-sure principle.

Pfc Harold C. Windsor In Exercise Sage Brush

FORT POLK, La.—Pfc. Harold C. Windsor, 19, son of Mr. and Mrs. Howell C. Windsor, 281 Beaupre road, Grosse Pointe, Mich., is participating in the largest joint Army-Air Force maneuver since World War II, Exercise Sage Brush, in Louisiana.

Some 110,000 Army troops are testing the latest concepts of atomic, bacteriological, chemical and electronic warfare.

Windsor's unit, Company B of the 1st Armored Division's 13th Tank Battalion, will be regularly stationed at Fort Polk, La., after the maneuver ends Dec. 15. He entered the Army in January, 1955.

Windsor was graduated in 1955 from Grosse Pointe High School.

ALL-STEEL BEAUTY

at a steal of a price

The 1956 Buick SPECIAL 4-Door, 6-Passenger Estate Wagon

In no uncertain terms, this one makes your travel hours prideful as well as practical. It's all Buick, you see—all 1956 Buick. Which means a new lift to anyone's spirit—from the new sweep-ahead look of it—the new might of its 322-cubic-inch V8 engine raised to lofty new power highs—the new sizzle of its advanced Variable Pitch Dynaflow*—the true sweetness of its great new ride. But it's a lot more than that. It's Buick's highly versatile Estate Wagon—now substantially lowered in price for 1956—and how much more practical can you get than that? For with this one, and for an easy-to-reach figure—you have a car with all the suavity of a smart sedan plus the all-duty handiness of a suburban vehicle. You have a car completely steel-bodied, so its exterior upkeep stays simple and inexpensive—and a car more than roomy enough to carry six and their gear. You have a covered platform that's plain wonderful. It can take an inflated air mattress. It can freight a small rowboat and camp equipment. It can hold luggage, or golf clubs—or the results of a mad shopping spree, even if you go in for antique furniture. You can even have the rear seat come, at your option, in a handy split-section that lets you carry both rear-seat passengers and extra-long loads like skis, or fishing rods, or young trees, or two-by-fours. So what more can we say, except come see it. The Estate Wagon is available in Buick's two lowest-priced Series—the budget-tagged SPECIAL, and the high-powered CENTURY. And, we repeat, both newly lowered in price for 1956. *New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

American Legion Auxiliary Remembers Wounded Vets

In 1943, the American Legion made the vow that no man who had fought for his country and was being confined to a hospital on a holiday would go without a bit of cheering up. To see that this was carried out, the "Gifts for Yanks Who Gave" campaign was started.

The Grosse Pointe Unit No. 303 of the American Legion Auxiliary has therefore distributed numerous Blue and White canisters in the various stores throughout the Grosse Pointe area. Preparations for Christmas in the veterans' hospitals are now going forward. The money collected in these canisters will be used not only for Christmas, but for Thanksgiving, Easter and any other holiday during the year as well.

Part of this collection will be used to set up Christmas Gift Shops in spare rooms of the hospitals where war veterans are under care. These shops, gaily decorated to resemble real gift

shops will be stocked with a wide variety of gift articles. All is free to the veterans, including the mailing of the gifts to their homes.

Patients able to leave their beds come to these shops, many of them on crutches and in wheel chairs, to make selection of gifts for their families. They find the shop staffed by Auxiliary volunteer hospital workers who give countless hours of their time to this project.

For the bed-fast patients, these volunteers take hospital carts loaded with gift articles through the wards so that they also may make their selections. Each veteran is allowed to select three gifts, and sometimes more, for members of his family. To choose from he has an assortment of hats, gloves, shoes, toys, jewelry, perfume, stockings, games, etc. His gifts are then appropriately wrapped and mailed by the Auxiliary volunteer workers.

Another Christmas activity of the Auxiliary is the giving of parties and entertainment in the veterans' hospitals. These are now in the planning stages.

Mrs. Ruth Allen, President of Grosse Pointe Unit No. 303 of the American Legion Auxiliary remarked, "This campaign has become an annual project with the American Legion, and again this year we are appealing to the public to remember their boys in the hospitals. They remembered and fought for us when our freedom was in the balance. Let's not forget them now!"

Last year more than 30,000 members of the American Legion Auxiliary in Michigan took the Christmas shopping service to veterans in the Dearborn Hospital and four other veterans' hospitals in the state.

City Asks Cash For Paving Job

Payment must be made in cash, not by agreement, before the City can go ahead with the paving of an alley off Mack, avenue between Washington road and Lincoln road, it was brought out during a City Council meeting on Monday, November 28.

A report prepared by Grosse Pointe City Clerk Norbert Neff, presented to the council by Assessor Neil Blondell, revealed that the City, after careful planning and preparation, is now ready to proceed with the paving.

However, Mr. Blondell stated that the improvement cannot go ahead unless the money has been contributed voluntarily by the business, property owners and abutting private home owners in that section.

There are two residential properties abutting on the alley on the southerly side, and seven commercial properties on the northerly side.

Estimated cost of the project has been set at \$6,103.88 by the city engineer. Of this, business will have to pay 85 per cent, or \$5,188.72; the remaining 15 per cent, or \$916.96, will be charged to the interested residents.

The voluntary payment was urged so that the City would not be required to proceed on a formal special assessment basis, which would require an increased expenditure of time and money.

Judge Culehan to Talk To Riverside Kiwanis

The Honorable Mile N. Culehan, Circuit Judge and former Lieutenant Colonel in the United States Army, will be the speaker at the Riverside Kiwanis Club on Thursday, December 1, at 12:15 p.m. at the Whittier Hotel.

Judge Culehan who was Inspector General in charge of loading in World War II, will discuss troops and material for the Cross-Channel Invasion of Normandy "Little Known Facts About the Invasion of Europe Through Normandy."

Ellis C. Wood will be the chairman of the meeting.

Local Women On TV Show

Grosse Pointers will have a special interest in a program to be presented on Wednesday evening, December 7, from 7 to 7:30 over Detroit's new educational television station on channel 56. On that date four local women will participate in a book discussion program being sponsored and produced by the Grosse Pointe Public Library.

The new station, which has been on the air for some weeks, is under the joint sponsorship of the educational institutions of the greater Detroit area.

In this, the suburban areas-in-sharing in the presentation of a weekly program, Library Panorama, which is aired each Wednesday evening. The intent of the educational television movement is to provide a means of presenting programs of educational and intellectual interest and value which cannot feasibly secure a place on commercial television channels. It is thus intended to supplement the offerings of the commercial television outlets and provide a wider choice to the viewer.

On the December 7 program it is planned to have an informal discussion of the place of the best seller in American literature and reading. Appearing as guests on the panel will be Mrs. Wallace Temple, Mrs. Alfred F. Taylor, Mrs. Anthony Glazko, and Mrs. Paul Hykes, all of whom are members of a current literature

discussion group of the American Association of University Women which meets regularly at the Grosse Pointe Library. The program, Readers Discuss Books, is being planned and produced by George Jones of the Central Library staff.

Honesty Pays Off For Sandra Ring

Sandra Ring was walking home from school Wednesday, a week ago, with a group of her friends from St. Joan of Arc School. Looking on the ground in front of the new Fenster Furniture store she saw a new ten dollar bill.

Excited, she dashed into the store and asked Cyril P. Lundy, "Are you the manager of this store?"

"Yes, I am," said Mr. Lundy, "What can I do for you?"

"I just found a ten dollar bill," said Sandra, "Do you know who lost one?"

"No, but if no one claims it in the next few days," said Mr. Lundy, "I will call you and you may keep the money."

On Saturday, Mr. Lundy called the young lady, and complimenting her on her honesty, he told her to come and get the unclaimed money.

Sandra is the daughter of Mr. and Mrs. David Ring of Lancaster road. She will use the money, Mr. Lundy said, for Christmas presents.

An honor student in St. Joan of Arc School, Sandra, aged 12 years, is a 7th grade pupil in Sister Josephine's and Sister Thomas Marie's class rooms.

Oberlin Grads Plan Yule Tea

The Oberlin College Alumni Club of Detroit will have a Christmas tea on Sunday afternoon, December 4, at the Frank G. Raphael home, 1145 Kensington Road, Grosse Pointe Park.

The program will be music by five Oberlin College students. Two of the performers are Detroiters—Kathryn Leonard, violin, and Lynn Louise Robbins, French horn. Arthur Follows, cello, is from Birmingham. The others in the group are Dora Ah Chan, Hawaii, and Walter Baker, Lake Worth, Florida, both pianists.

Baker will play a piano solo and will accompany Kathryn Leonard and Lynn Robbins in their solo numbers. Miss Ah Chan will accompany Arthur Follows.

Composers to be represented on the program are Vivaldi, Debussy, Chopin, Saint Saens, and Schubert-Friedberg.

Kathryn is a junior in the College of Arts and Sciences, Lynn a sophomore in the Conservatory of Music, and the others seniors in the Conservatory.

Miss Margery V. Aber, '37, 22561 Lange boulevard, St. Clair Shores, is in charge of the affair. She is vice-president of the Detroit club. The other officers are Albert Turk, '36, 1054 West Fourteen Mile road, president; Amy F. Webster, '16, 1725 Van Dyke, secretary; Frank Raphael, '34, treasurer; and Betsy Green-smith, '53, social chairman.

Combination Mail Service Announced by Post Office

Postmaster Edward L. Baker has been informed by Postmaster General Summerfield of a new "Combination" mail service which permits a letter or message inside a package or publication for the first time in United States postal history.

Effective Monday, November 28, all the mailer needs to do is indicate the presence of the letter or message inside the package and pay the appropriate postage on it plus postage for the package itself.

"The familiar phrase, 'we are sending under separate cover,' can now join other nostalgic reminders of by-gone days," Mr. Summerfield informed Postmaster Baker. "The mailing of two classes of mail together has been permissible for some time through the use of separate but attached envelopes and containers, and will continue to be available."

"The new 'Combination' mail service, however, meets a genuine need not satisfactorily met by other make-shift arrangements and confusing technical procedures. It is one more improvement to add to the list of more than seventy procedural changes that the present postal management has adopted for the convenience of postal mailers and patrons, and for the betterment of the postal service."

Under the new "Combination" mail service, letters or other single pieces of either First or Third-Class mail may be placed inside Fourth-Class parcels or inside copies of publications mailed under Second-Class mail entry. Letters or other single pieces of First-Class mail may also be placed inside Third-Class packages.

The postage for each letter, and for each single enclosure at the appropriate First or single-piece Third-Class rate must be affixed to the outside of the parcel.

A statement reading "First-Class Mail Enclosed" or "Third-Class Mail Enclosed" must be placed on each parcel below the postage, and above the address. This endorsement may be hand-stamped, handwritten, typewritten, printed, or put on by any other method.

The enclosures inside the package should preferably be placed on top of the other items in the package.

Under the old regulation, mailers who found it impractical to use combination containers were forced to use two separate pieces of mail instead of one, the Postmaster General explained to Postmaster Baker.

"Furthermore, patrons have had no practical way, under the old system, to send a letter with a gift or with laundry mailed back and forth to school except by paying First-Class postage on the entire package or by pasting the envelope on the outside of the parcel. If a letter was enclosed in the package without payment of postage at the First-Class rate on the entire package, the sender would have been liable to fines up to \$100.00," said Mr. Summerfield.

Unusual Program Offered By Friends of the Library

A most unusual program has been arranged for next Sunday afternoon by the Friends of the Grosse Pointe Public Library.

Sylvia Cooper, author of the current novel, "Thunder Stone," will be the guest of the Friends. The plot of "Thunder Stone" involves a doctor's decision, and that decision will be considered and discussed by a panel consisting of Mrs. Cooper, James K. Watkins, who will talk about the legal aspects of the decision, and Dr. Ralph M. Burke, who will express the medical aspects. Miss Leontine Kearney will act as moderator.

Sylvia Cooper was born and lived in New York City. She was educated at Brearley School and at Radcliffe. She has a journalistic background, having worked for Arthur Brisbane and for newspapers and magazines. "Thunder Stone" is her fourth novel.

She has been in Michigan since 1941 and now lives in Birmingham with her husband, John A. Cooper and their four children. The Friends consider it a rare privilege to bring a writer of Mrs. Cooper's stature to Grosse Pointe for this informal visit.

The program is scheduled for 3 o'clock Sunday afternoon, December 4, at the Central Library. Everyone is invited.

Following the pleasant custom of other years, the Friends invite everyone who attends the program to stay for tea and refreshments. Mrs. Russell H. Lucas, chairman of the Friends hospital-ity committee, will act as hostess.

There is only one direction from the geographical South Pole: North.

Discussing Plans for Mothers' Club's Tea

Grosse Pointe High School's Mothers' Club has completed plans for the annual Christmas tea, which will be held in the new auditorium-gymnasium at 2:45 p.m. on December 6. Among those who have been preparing the program for this musical event are, left to right:—MRS. MILES MCKEE, club president; MRS. WATSON BEACH, party chairman; and JOHN FINCH, departmental head of music at the school. His singing groups will have a prominent part in the proceedings.

Food Scoops For This Week

Now is the time to buy the nuts and fruit for such holiday goodies as fruit cake, cookies, and candies. The late March freezes in the producing area have caused the supply of pecans to be the smallest since 1936 and their prices are much higher than they were last year. Due to a shorter crop of most other tree nuts, their prices are also higher. Almonds, brazil nuts, filberts, pecans, mixed nuts and walnuts are available.

There are plenty of dried fruits on the counters for everyone, but prices are slightly higher than they were in 1954. Both the dried and candied fruits are in the markets now.

Due to the increased acceptance each year, most markets are including many cheese assortments as economical Christmas gift suggestions. Eggnog is at least 10 cents a quart less than last year. Because medium sizes of eggs are becoming less plentiful, the spread between the prices of medium and large eggs is decreasing.

Economy, speed and variety will be the guides to most meat shopping this week after the Thanksgiving feast. Continued heavy marketings of pork again have brought prices down to lower levels. Steaks, liver, and center-cut chops will be reasonable choices for quick meals.

There is much good quality beef in most markets at attractive prices. Nutritious beef liver, and ground beef, as well as such hindquarter cuts as round and sirloin steaks require little preparation time.

Due to the storms and bad winds, the supplies of fresh fish are very indefinite. Frozen products, such as cod, ocean perch and haddock filets, and halibut steaks, provide the most dependable selection and they are the most easy on the budget. Although production of oysters are 10 to 15% less this year, they are in peak quality.

Most price-tags on vegetables will remain steady this week. As supplies increase, the prices on tomatoes are gradually decreasing. All potatoes will cost a few pennies more following the holiday demand. New cabbage is beginning to arrive from California in top flavor and color.

Florida citrus are becoming more plentiful. It is wise to remember that the larger the size number, the smaller the fruit. Tangerines are becoming larger in size and they are a more economical buy. Because this year the second largest cranberry crop in history is on record, and because a large stock of processed berries is on hand, fresh cranberries have dropped in price.

Here's a "make ahead of time" party main dish, one your family will love. Place cooked white

- rice in a greased oven dish. Top with diced or sliced left-over turkey. Pour undiluted cream of mushroom soup over the turkey. Top with a generous amount of grated cheese. Bake at 350 degrees farenheit until hot through and browned on top (about 30 minutes).
- Cranberry Apple Crunch**
 - 6 tablespoons sugar
 - 3/4 cup water
 - 3/4 cup raw cranberries
 - 2 medium sized apples
- Boil sugar and water together for 1 minute. Add cranberries and boil 2 minutes more. Then add apples. Put into a casserole or other baking dish.
- Topping:
 - 1/4 cup rolled oats
 - 1/4 cup flour
 - 1/4 cup brown sugar
 - 3 tablespoons melted margarine or butter
 - 1/4 teaspoon salt
- Combine dry ingredients. Add fat. Mix until crumbly. Sprinkle over fruit mixture. Bake at 350 degrees farenheit for 40 minutes. Serve with hard sauce, ice cream or fruit sauce. Serves 4.

Kaffee Klatch For Garden Club

The Pointe Garden Club will hold its traditional Christmas Kaffee Klatch on Monday, December 5, at 1 p.m. at the home of Mrs. Robert E. Anslow, 288 Kenwood court.

Mrs. Richard A. Forsythe will give a reading of "The Other Wise Man," and there will be Christmas music.

Assistant hostesses are Mrs. C. Stewart Baxter and Mrs. Harold A. Baxter.

Points to Attend CAR Board Meeting

There will be a meeting of the Michigan State Board of the Children of the American Revolution in Plymouth, Michigan, Saturday, December 3.

Attending from the local John Paul Jones Society will be Mary Klein, Junior President, Nancy Artner, Jr., State Historian; Mrs. Robert O. Artner, Senior President of John-Paul Jones Society; Mrs. J. Harvey Maxwell and Mrs. Paul B. Mork.

Rosemary Schoener Bride Of Allen Michael Hayosh

On Saturday, November 12, in a solemn high mass at 9 a.m. at St. Thomas Catholic Church, Rosemary Schoener of Maywood avenue, became the bride of Allen Michael Hayosh of Hidden Lane, Grosse Pointe Woods.

The bride wore a white dress of lace, tulle and satin. The bridesmaids, Jeanette Thibodeau, Mary Ann Hayosh and Grace Lochiro, wore dresses of forest green crystallite.

The ushers were David Schoener, Ronald Rozman and Ronald Strapie.

The mother of the bride wore a teal-blue sheath dress and the bridegroom's mother wore a champagne brocade dress.

The couple traveled to Miami, Florida.

St. Clare Plans Christmas Sale

The Archconfraternity of St. Clare of Montefalco Church is holding a Christmas and Bake Sale on Saturday, December 10.

A most attractive display of festive decorations for the home is being arranged, as well as complete selections of Christmas candy and toys for boys and girls of all ages.

The bake sale promises to be unusually attractive in that along with all old favorites, specialties of many countries will be offered.

The sale will start at 8 a.m. in the church basement auditorium at Mack and Audubon.

Popular Singers To Give Concert

The popular young singing duo Doraine and Ellis, will choose songs from light opera and musical comedy, when they appear on the Detroit Town Hall platform, December 7, at 11 a.m. in the Fisher Theatre.

They will present their numbers wearing colorful period and national costumes.

Since their marriage shortly after graduating from college, Doraine and Ellis have starred in Broadway musicals, radio and television.

While in London, they did a series of recorded programs for the Armed Forces network.

Order Roast Beef Rare But Pork Must Be Done

You might like your roast beef rare, but better not take a chance with pork. Cooking pork until it is "done" will kill a parasite which may be in pork—even if it has been inspected.

This parasite, trichinae, infests a small percentage of American hogs, explains Eleanor Mullikin, Wayne County Home Agent, but can cause serious and painful cases of trichinosis in humans. Pork is done when all traces of pink disappear.

After cooking pieces of pork with bone, such as pork chops, always cut along the edge of the bone where it joins the flesh. Be sure that the meat is not pink or even pinkish.

To stop any doubts that you may have about "doneness" when cooking a large piece of pork, make a slight cut into the center of it to check on the pinkness. A dependable guide to thorough cooking of fresh pork is to allow 30 minutes cooking time per pound at the usual roasting or baking temperature of 350 degrees F.

Mixtures of ground beef and pork are used in some places selling hamburger. If you are not sure that the hamburger contains only beef, be sure that it is

thoroughly cooked before you eat it.

Be sure to include fresh pork sausage in this caution of cooking to "doneness." It is done when it is gray. In both cases of fresh pork sausage and fresh pork not much heat is required to kill the parasite, but the heat of 137 degrees F. must reach all parts of the pork. Eleanor Mullikin adds that besides making the pork safe to eat, proper cooking brings out its rich flavor.

MADE 16,775 ARRESTS

Michigan State Police made 16,775 arrests in September, of which 15,709 were for traffic offenses. The figures do not include 572 juveniles, of whom 364 faced traffic violation charges. Troopers made 20,000 property and 3,333 liquor inspections. Total mileage traveled in all departmental activities was 1,198,046. There were 9,856 sets of fingerprints received, 4,716 of them non-criminal. Checking of fingerprints of 1,194 persons seeking permits to carry concealed weapons, revealed that 97 had criminal records.

As regular as Christmas comes the Meadow Lane Christmas party... and planners have already gathered to make advance arrangements for the traditional holiday fun night for folks along that friendly street. Mrs. Frank Crum is chairman this year; Mrs. Milton Volkens will mail the invitations, (which go out about 10 days before Christmas), and the treasurer, Mrs. David Gillis, will take reservations. Others assisting with party plans are Mrs. Richmond W. Smith Jr. and Mrs. Sanborn Brown. Bruce Gillis is in charge of setting up tables.

Originally, the Christmas party was held in Mrs. Morgan Sherman's home. When Meadow laners outgrew her place, they began to hold the Christmas eve songfest and potluck supper in Miller Hall as Christ Church... and so it has been for the past five years.

So as not to interfere with activities in their homes, Meadow Lane families meet at the hall at 5:30 p.m. and are home by 7:30 p.m. to attend to their own Christmas Eve duties. Dr. and Mrs. Erville Maynard attend the annual holiday party, with Dr. Maynard offering a blessing before the group sits down to eat. After supper, children and adults join in singing Christmas carols, and in no time at all, they find themselves exchanging merry greetings and looking into the past at another Meadow Lane Christmas party.

Hanging of the Greens

Today is only December 1, but it seems as if Christmas is just swooping down upon us. For instance, members of the Detroit Historical Society Guild, and many of them live in the Pointe, are looking ahead 10 short days to Sunday, December 11, when they'll gather to bedeck the Detroit Historical Museum in holiday raiment. Using popcorn, cranberries and glittering baubles of 1900 vintage, they will decorate a huge old-fashioned Christmas tree in the Round Hall of the museum. Yards of red ribbon, greenery and ornaments will put the rest of the building in holiday garb too.

Grace R. Fletcher is general chairman for Operation Christmas. Assistant chairmen include Mrs. Richard Webber Allen of Cranford Lane, Mrs. Theodore L. Potter of Cloverly road, Mrs. Ray E. Harms of Ford court and Jean Perrett of Kensington road.

Mrs. Ambrose E. Trubey of Stephens road is president of the Guild, a volunteer service group affiliated with the Detroit Historical Society. Other Pointe members who will help with the hanging of the greens include Mrs. Robert L. Schaffer, Mrs. B. Fred Guertler, Mrs. John M. Walcott, Mrs. Robert O. Artner, Mrs. George W. Mellicker Jr., and Mrs. Arthur H. Engstrom.

Saturday Party

Mr. and Mrs. Karl G. Behr of Bishop road will entertain Saturday evening, December 3, at their third dinner party of the season. On the guest list are Mr. and Mrs. John T. Allmand, the George Frischkorns, Mr. and Mrs. George Carleton, Mr. and Mrs. Erwin Haass, the Ross Roys, Mr. and Mrs. Philip Kling, Mr. and Mrs. Robert P. Scherer, the Myron L. Sherwoods, Mrs. Young LeGro, Mr. and Mrs. John Sutton, Chris Gorenflo and Robert Farmer.

Susan Sattley Wed To Laurence Higbie

Ceremony in Christ Church Followed by Reception at Little Club; They Will Live in Rivard Boulevard

Susan Walker Sattley, daughter of Mr. and Mrs. Hale V. Sattley of Vendome road, and Laurence Bradley Higbie were married Wednesday, November 23, at 4:30 o'clock ceremonies in Christ Church, Grosse Pointe.

The bridegroom is the son of Mrs. Laura B. Higbie of Kenwood road and the late Carlton M. Higbie. A reception at the Little Club followed the wedding.

The bride was gowned in pure silk peau de soie which extended into a cathedral train. Small panels accented the fitted waistline, and the square neckline was fashioned with a satin band embroidered in tiny seed pearls. Phalaenopsis orchids and stephanotis were in her bouquet.

Mrs. Victor H. Taylor was honored matron and Martha Sattley, maid of honor. Joan and Pamela Sattley, Anne Wheat, Virginia Robb, Mrs. Bryce W. Russell and Mrs. Edward Lawrence attended as bridesmaids.

The eight bridal attendants wore princess style gowns of blue velveteen, the wide necklines styled with large bows in the back which fell to the hemlines. Their calot headpieces were of matching velvet, and they carried garnet sweetheart roses and mauve chrysanthemums.

The bridegroom asked his brother, Carlton M. Higbie, Jr., to be best man. Ushers were Frederick B. Higbie, Julian M. Kinzie, Hugo S. Higbie, Harley G. Higbie, Jr., Murray Dodge, Clume Walsh, Jr., Jack A. Foyle, of Cleveland, Aiken Reichner, of White Marsh, Pa., and A. Peter Cartey, of Bernardsville, N. J.

A garnet satin sheath was Mrs. Sattley's choice for her daughter's wedding. She pinned a cymbidium orchid to her satin purse. The bridegroom's mother wore blue satin and a pink camellia corsage.

The newlyweds will make their home in Rivard boulevard.

MaryLynne Hennecke Speaks Wedding Vows

Becomes Bride of William Carl Johnson in Ceremony St. Paul's; Couple Honeymooning in Jamaica and Haiti

A honeymoon in Jamaica and Haiti followed the November 26 marriage of Mary Lynne Hennecke and William Carl Johnson, son of Mr. and Mrs. W. C. Johnson, of Chicago, Ill. The bride's parents are Mr. and Mrs. James Hennecke of Sunset lane.

After the 11 o'clock wedding at St. Paul's on the Lakeshore, a reception was held at Lochmoor Club. The newlyweds will reside in Chicago upon their return.

The bride was gowned in French taffeta, with skirt extending into a chapel train. Her veil of Spanish silk lace was worn in madonna style and she carried eucharistic lilies.

Carol Hennecke was her sister's maid of honor, and another sister, Beth, served as junior bridesmaid. Mrs. Edward F. Snyder, of Chicago, the bridegroom's sister, and Margot Schliekert, of Trenton, N.J., attended as bridesmaids. The attendants wore cocktail-length frocks of rose velvet and matching headbands.

John Marhofer, of Muncie, Ind., performed the duties of best man. Ushers were John G. Williams, Lt. (j.g.) Kenneth J. Cowan, of Medford, Mass.; John T. Catherwood, of Hempstead, N.Y.; and James Tully, of Brooklyn, N.Y.

Mrs. Hennecke wore a pink hat and bronze accessories with her pink brocade dress and pinned orchid to her purse. The bridegroom's mother wore a beige silk dress, beige accessories and a bronze orchid.

For traveling, the bride changed to a coral wool suit, matching hat and black accessories.

The surest way to stay poor is to try to get rich fast.

Donald Droll Wed in East

The wedding of Julie Light, daughter of Mr. and Mrs. Enoch Light of New York and Redding, Connecticut, to Donald Droll, son of Mr. and Mrs. Donald W. Droll of Provenal road, took place in Georgetown, Connecticut, on Saturday, November 26.

The ceremony was at 12:30 in Sacred Heart Church and was performed by the Rev. Msgr. John J. Cleary. A reception followed at Stonehenge in Ridgefield, Connecticut.

The bride, given away by her father, wore a wedding gown designed by Gaston Mallet, which owed its origin to a Victorian doll's costume. Fashioned of white silk bombazine, the bodice tucked and adorned with tiny buttons and lace, the skirt falling in graduated tucks over a floor-length hoop. Her fingertip veil was attached to a tiny doll's hat.

Mrs. Lemuel Gardner Lloyd, sister of the bride, was her only attendant. She also wore a gown designed by Mallet, fashioned of quartz blue silk bombazine. The bride and her matron of honor carried old-fashioned bouquets of daisies and autumn wild flowers.

Phillip Droll was his brother's best man. Seating guests were William Osmun, Gerard Franklin and Samuel Ratensky. The church was decorated with old-fashioned flowers, carrying out the Victorian motif.

The bride attended Wheaton College, Black Mountain College and the Julliard Institute of Music.

The bridegroom attended Michigan State College, Black Mountain College, and the Institute of Fine Arts, New York University.

Mr. and Mrs. Donald Droll, Sr., parents of the bridegroom, who have been spending the week in New York at the Savoy Plaza Hotel, returned home Sunday.

The newly married couple will spend their honeymoon in Haiti and will be at home after December 15 at 438 East 87th street, New York.

Mrs. William Carl Johnson

Social and Shopping Hour

Committee members of the Christmas Star Bazaar—which was a smashing success, to the tune of more than thirty thousand dollars—are offering a second chance to those guys and gals who had perfectly legitimate reasons for missing the November 17 fair . . .

It's an evening opportunity in the form of a Dessert and Coffee Sale next Tuesday, December 6, at 7 o'clock, according to Mrs. W. Hurst Montee, general chairman of the fair, and will be held in the Grosse Pointe Memorial gymnasium. Fair section chairmen will display their leftover wares at separate tables for those who wish to make selections. Promptly at 8:30 p.m., Mrs. Harry Sisson and Mrs. Walter E. Simmons will conduct a white elephant auction . . .

Can't think of a wiser way to keep shoppers happy and simultaneously tie up the loose ends which an elaborate production like the Star Bazaar invariably sustains.

Going to the Ball

A White Christmas is on the minds of the multitude of laddies who are rushing with last minute arrangements for their "White Christmas" Ball to be given at Lochmoor Club this coming Saturday eve. Add New Frill To Pumpkin Pie

That staid and esteemed staple of the Thanksgiving feast, pumpkin pie, suddenly seems new. And it's all because bananas have been paired with pumpkin, for a brand new effect.

Mellow banana doesn't intrude on pumpkin's subtle flavor. It just blends its tones in a toothsome duet. The result is banana pumpkin chiffon pie, bound to bring "oh my" from Christmas guests. If they ask you how you got that fresh banana flavor into the filling, without benefit of sliced or diced bananas, tell them about mashing bananas. This is done by merely slicing ripe bananas into a bowl, and mashing with a fork, until you have a thick liquid. Mashed bananas permeate mixtures with delicious flavor.

- 1 envelope unflavored gelatine
- 1/4 cup cold water
- 3/4 cup mashed ripe bananas (1 to 2 bananas)
- 1 tablespoon lemon juice
- 1/2 cup mashed, cooked pumpkin
- 1/4 cup sugar
- 1/4 teaspoon salt
- 1/4 teaspoon nutmeg
- 1/4 teaspoon ground cloves
- 3 egg yolks, slightly beaten
- 3 egg whites
- 1 baked 9-inch pie shell

Use fully ripe banana . . . yellow peel flecked with brown. Soften gelatine in water. Mix together in saucepan, bananas, lemon juice, pumpkin, 1/4 cup of the sugar, salt, nutmeg, cloves and egg yolks. Cook over low heat, stirring constantly, about five minutes, or until mixture is slightly thickened. Remove from heat; add gelatin and stir until dissolved. Cool. Beat egg whites until foamy. Add remaining 1/4 cup sugar gradually and continue beating until stiff enough to form peaks. Fold in banana mixture. Turn into pie shell. Chill until firm. Top with sweetened whipped cream, if desired. Makes one pie.

PLAN GROUND BREAKING

Ground will be broken on Friday, December 2, for the new Lincoln Division national headquarters near Novi, Mich. Ben D. Mills, Ford Motor Company vice-president and Division general manager, announced. The new facility will have an annual capacity of 80,000 cars on a normal operating basis. The combined assembly plant and office building, covering 1,500,000 square feet, is scheduled for completion by mid-1957.

To Hear Talk On Old Church

Mrs. Millard H. Toncray, president of the Historic Memorials Society, has announced that the mid-winter luncheon meeting of the society will be highlighted by guest speaker George W. Stark, beloved veteran newspaper man and historiographer for the City of Detroit.

The story of Mariners' Church will be his topic—and members and guests will be told of its history and the story of its recent move to the heart of the Civic Center and the plans underway to restore it.

Scheduled for Friday, December 2, at the Rackham Building the affair will be hosted by Mrs. James W. Reid and Miss Barbara Paulson. Reservations may be made with Mrs. E. Ben Lyons or Mrs. Frank J. Garceau.

Yule Party to Be Held By Catechism Classes

Teenagers who attend Monday night Catechism classes are holding a Christmas party Monday night, December 12, at St. Paul's gymnasium.

The party will be from 7 to 9:30. This is the first activity to be sponsored by the teens' new club.

Refreshments will be served and a name for the club will be chosen that night. Invited are all those living in the parish who attend these classes.

Dental Auxiliary Plans Special Yuletide Meeting

The Detroit District Dental Auxiliary will meet Thursday, December 8, at the Woman's City Club for luncheon and program. According to Mrs. Kennard Jones of Buckingham road, program chairman, a delightful presentation of Christmas in story form will be brought by Virginia MacHarg.

It is sometimes true that the man who hesitates is just the person who doesn't get lost.

Yule Tea Planned By Mothers' Club

Auditorium-Gymnasium to Be Transformed Into Fairyland As Setting for Beautiful Christmas Musical Event

The Mothers' Club at the High School is busy making plans for the annual tea at the High School, December 6 at 2:45, in the new auditorium-gymnasium. Mr. John Finch will direct the High School choir and Mr. Kalamber will direct the orchestra.

School will be dismissed that day at 2:15 and there will be plenty of parking space in the new lot as well as street parking. The Grosse Pointe Farms Police are cooperating to allow mothers to park on the streets during the tea.

"White Christmas" is to be the theme of the party. The decorations which are to be kept secret will transform the gym into a wonderful Christmas fairyland.

Mrs. Watson Beach is chairman of the tea. Mrs. S. M. Huestis is chairman of the wonderful decorations. Mrs. James Dodge is her assistant. Mrs. Lyle Collinson is tea table chairman.

The following women make up the committees. Mrs. Charles Mulliken, sandwiches; Mrs. Wesley Wicks, cookies; Mrs. Louis Smith, Mrs. Carl Lanz, Mrs. C. H. Morrison, Mrs. Howard Simon, Mrs. Matt Balcerski, Mrs. W. E. John, Mrs. W. H. Martin, Mrs. J. Graves, Mrs. E. F. Storey, Mrs. Walter Moon, Mrs. Preston, Mrs. Sherwood, Mrs. Edwin Ross, Mrs. Henry Burr, Mrs. Fawsat, Mrs. John Throne, Mrs. Minardo, and Mrs. H. R. Lampman.

The program, which will start promptly at 2:45 will begin with Mr. Kalamber directing the orchestra, then the processional of "Come All Ye Faithful" will follow with the Grosse Pointe High school choir marching in, in their choir robes.

Mr. John Finch will direct the choir. They will sing "Song of the Crib", "The Lords Prayer", and the "Song of Christmas", which will be narrated by Lee Scott. Then by popular request of the choir themselves they will sing "Hospodi Pomlul". The re-

cessional will follow to "Joy to the World." Then in the hall the choir will sing "Silent Night."

Tea will be served following the program. The wives of the male teachers will be pouring.

The biggest trouble with some people who pay as they go is that they are slow goers.

Even the man with an iron will seldom leaves one that a good lawyer cannot break.

Library Family Film Night Offers Five Color Movies

The December Family Film Night of the Grosse Pointe Public Library will offer five attractive color films for the entertainment and instruction of those attending.

The showing is planned for tomorrow, Friday, December 2, 7:30 in the evening. It will be held in the upstairs meeting room of the Central Library at Kercheval and Fisher. The room provides seating for upwards of 100 people and no tickets or advance reservations are required.

Variety is the keynote of this December offering of the regular

monthly Family Film events. The animal life and vegetation of a far land is presented in BUSHLAND FANTASY which shows the birds and animals which live in wildlife sanctuaries in Australia. Strange animals such as the kangaroo, the platypus, and young and old koalas are pictured in their native surroundings.

The beauties of the outdoors nearer home are the subject of the Michigan film on this program. The year-round recreation possibilities of a 50,000 acre mountain forest preserve are colorfully pictured in Michigan's Porcupine Mountains State Park, which has been obtained for showing on this program through the courtesy of the State Department of Conservation.

The never ending interest in the Indians of the far west is pointed up in one feature of the program, "Tribe of the Turquoise Waters." Based on the lives of the several hundred Supai Indians who live in a fertile valley in the Grand Canyon, the picture shows the age old customs which these Indians have maintained, some with adaptations, to the present day.

Keyed to the season, and a finely made picture in itself, is "Silent Night," which is part of the Library's permanently owned collection. Retelling the story of the writing of the much loved carol, "Silent Night" takes the viewer to the small Austrian village where it was written nearly 150 years ago, to since travel throughout the world to become a universal symbol of the Christmas spirit.

Final item on the program will be a short entertainment feature chosen to appeal to the younger members of the audience.

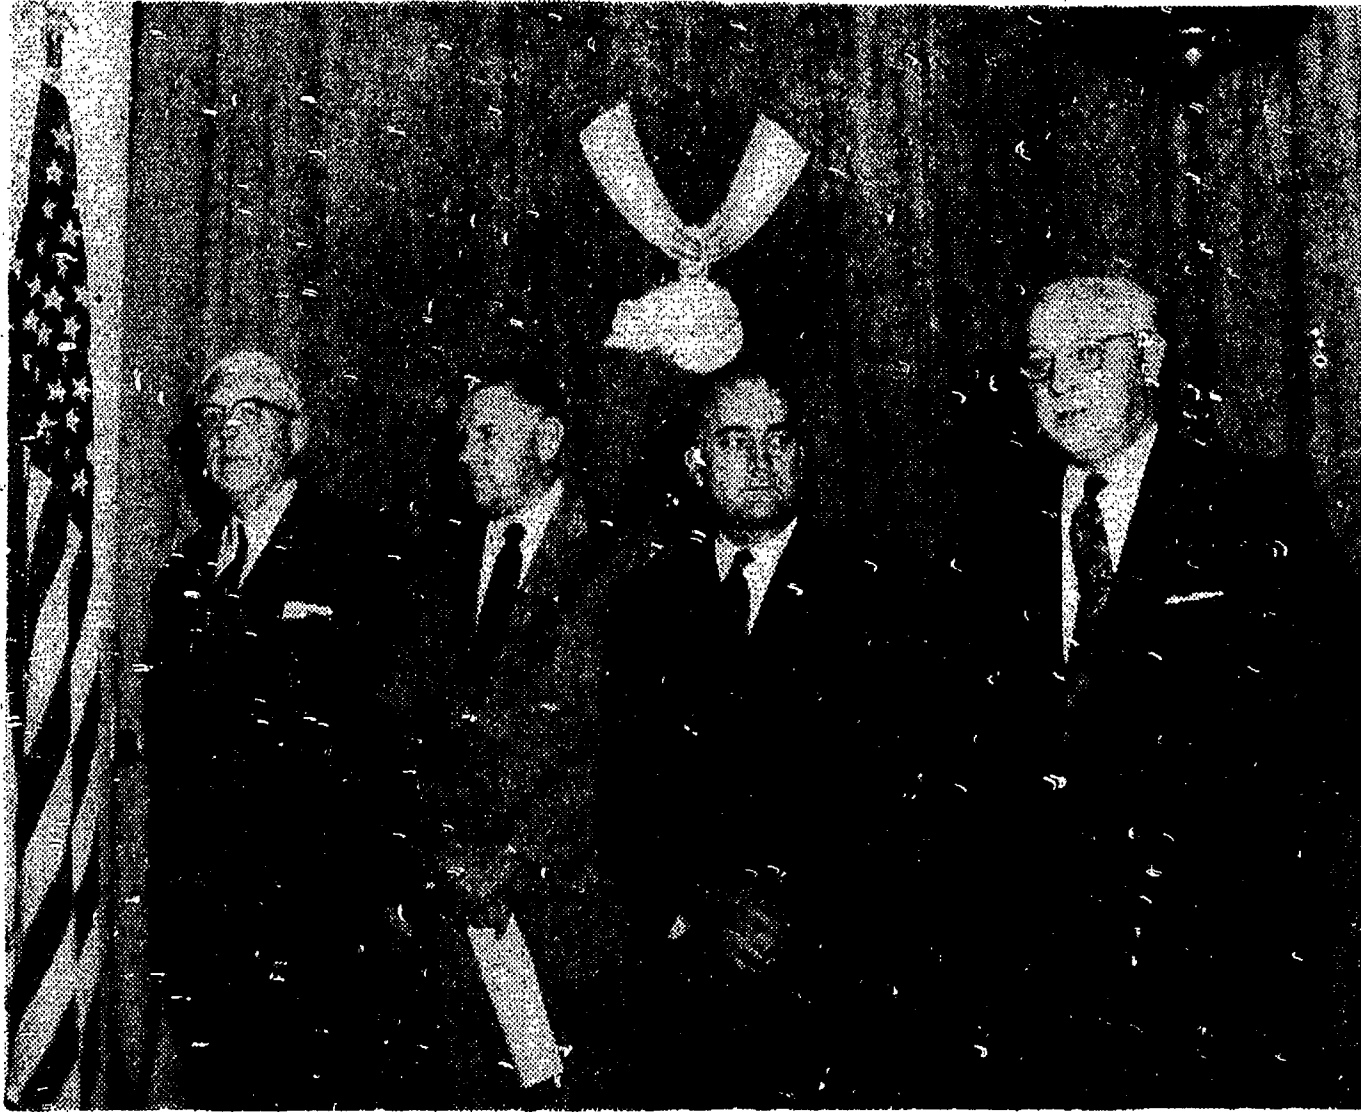

The Public Library cordially invites residents of the five Pointes to be present to see this program.

Family groups are especially invited, with school age children welcome if accompanied by a parent or other responsible adult.

NEW HOME LOOTED

Woods police took a report from a Cox and Baker Subdivision Builders employe on Wednesday, November 23, in which it was disclosed that someone had stolen a thermostat from a new building under construction in Crescent lane at Cook road.

District 3 Elects Scouting Officers

(Left to right) THEODORE L. SEDWICK of 1424 Iroquois; CLIFFORD C. LOCKWOOD of 5733 Fischer; ANTHONY J. GLAZKO of 950 Hampton, Grosse Pointe Woods; and GEORGE RIDEOUT of 440 Colonial, Grosse Pointe Farms; were elected officers of the District 3 Executive Committee on Scouting during the annual meeting last Tuesday. Sedwick will serve again as district chairman, Lockwood and Glazko were re-elected district vice-chairmen, and Rideout was elected as a district vice-chairman to assist the successful incumbents.

To Show Film Of Soo Locks

"The Locks of Sault Ste. Marie," a unique film portraying the history and operation of Michigan's world famous locks, will be presented at the Grosse Pointe War Memorial Center on Thursday, December 8, at 8 p.m., by the Grosse Pointe Cinema League.

Burt Lavastida, director of the movie which was produced by the University of Michigan Audio Visual Department, will be present and will conduct a question and answer period both on filming techniques and the locks themselves. This showing is open to the public.

This picture is much sought after since it is the only documentary film of recent origin on the Soo Locks which handle more traffic annually than the Suez and Panama canals combined. It also holds much interest for the amateur photographer since almost all amateur picture taking at the locks is barred for security reasons.

Lavastida is director of the Motion Picture Production unit of the University's Audio Visual department, and since his appointment in 1949 he has produced over 30 documentary, educational and public relations films, some of which are now being distributed by the government in 157 foreign countries.

"The Locks of Sault Ste. Marie" which is in sound and color, encompasses the story of the Soo Locks, their development, operation, economic importance and their protection. The story starts in 1619 with the discovery of the St. Mary's river rapids and continues through the development of the first lock in 1855 to the present time.

Operation of the locks is pictured through a working model, and the role of the government in the operation and protection of the locks is documented.

One sequence pictures a modern lake carrier on a typical run through the locks, while another dramatizes the obstacles of fog and ice.

Suspect Checked In Shoe Thefts

A City police report revealed that the manager of a shoe store at 16844 Kercheval, had called the police station on Tuesday, November 22, to complain of a man who came to the store and asked to take two right lady's shoes, size 6B, to his wife who was waiting out in the car, to try them on. After receiving consent, the man went out and did not return.

The manager also found out that the same man had been to another branch of the shoe firm at Seven Mile and Gratiot, Detroit, and asked for three left shoes, same size, and never returned them.

A call from a westside branch in Detroit, revealed the same person pulled the same stunt there, but an alert employe had obtained the license number of a car which might have belonged to the man. What size shoes or the number he obtained from there was not disclosed.

City Det. Lt. Andrew Teetaert stated that the man was described as being five feet nine inches,

about 25 or 26 years old, dark complected, weighed about 150 pounds, and had light brown and grayish bushy hair. When last seen, he was wearing a brown and white plaid overcoat and brown pants and had no hat.

A suspect in the case is being checked by Lt. Teetaert.

Bids Approved By Park Council

Three low bids, totaling \$4,291.90, were awarded at a regular Park council meeting held on Monday, September 28.

Members of the council approved the bids after they were read by City Clerk Charles Heise.

Two of the bids were for trucks, one a one and a half-ton cab and chassis, at a cost of \$1,910.30; the other, a three-quarter-ton pickup, costing \$1,269.50. The two vehicles are replacements for older models.

The third bid, for \$1,112.10, is for the printing of 5,500 pamphlet-books of the Parks annual report for 1954-55.

Each year the Park prints the booklets which are mailed to Park citizens so that they may have an opportunity to gain firsthand information on the function of their local government.

Dance Planned By Unitarians

A "Shoppers Special" square dance will be held at 8:30 p.m., this Saturday, December 3, at the Kerby School, 285 Kerby road.

This dance is sponsored by the Grosse Pointe Unitarian Church and is the third in its current series of monthly square dances.

Wes and Julie Rea will be the callers, and all couples who understand the basic fundamentals of square dancing are invited to attend.

Never look back while traveling on the highway of life—someone may be gaining on you.

Attendant Hurt In Gas Station

A gas station attendant suffered a leg injury when he was struck and pinned against a car he was servicing, when a driver lost control while pulling into the station.

A Park police report revealed that John De Loof, 54, of 2539 Gray, Detroit, was entering a gas station at Kercheval and Beaconsfield, on Saturday, November 26, and when he attempted to brake to a stop, his foot slipped off the brake pedal and hit the gas pedal. The car struck Frank Dayner, 32, of 23820 Lexington, East Detroit.

Dayner was pinned between

the car of Jose Shiel of 491 Drexel, Detroit, which he was servicing and De Loof's car.

Police took Dayner to Bon Secours Hospital for x-rays of a possible broken leg.

Investigating police discovered that the rubber pedal top of De Loof's brake pedal had slipped off when he attempted to stop.

De Loof was ticketed for failure to have his car under control and causing a personal injury on private property. However, since the incident occurred on private property, both parties will have to appear in court, where Dayner can sign a complaint if he desires.

Buzz Burr and his band will furnish the music.

The greatest labor saving device of today is tomorrow.

Library Offers Six New Films

Six new color films will be available to film users throughout the month of December from the Grosse Pointe Public Library.

Coupled to the Library's permanent collection, these will offer to film users of the community a selection likely to meet their personal and group needs. Owners of 16 mm. sound projectors and planners of programs to be held in meeting places so equipped are invited to call upon the library for films.

The central library at Kercheval and Fisher serves as headquarters for the library's film service; information calls and reservations may be made either in person or by telephone to TUxedo 4-2200.

New titles added for the final month of the year are:

"Bushland Fantasy," 10 minutes, sound, color. Shows Australia's wild flowers, birds, kangaroos, wallabies, a lyre bird, a platypus, and both adult and young koalas, as they live in government wildlife sanctuaries.

"Circus People," 11 minutes, sound, color. Here are shown the laborers, cooks, performers, trainers, and other circus people who work together to present the glamorous show in the "Big Top." The film covers the erecting of the tents, putting on make-up, caring for the animals, and taking care of the equipment.

"The Colour of Life," 24 minutes, sound, color. This film probes into the perennial miracle that lies behind the growth of a seedling, the seasonal upsurge of life in a forest giant, and the mysterious alchemy of a single leaf. The silent methodical way in which nature clothes her woodlands, in the verdant green of springtime and the flaming riot of autumn is revealed in detailed time-lapse photography and animated diagrams.

"Dearborn Holiday," 28 minutes, sound, color. A pictorial presentation of the points of interest in Detroit's neighboring city. Among the Dearborn attractions shown are the world-famous Greenfield Village, The Henry Ford Museum, the spectacular Ford Rotunda, and the immense automobile plants which give Dearborn its economic base.

"Longhouse People," 24 minutes, sound, color. Shows the ceremonies of the Longhouse Indians, one of the Iroquois tribes. The ceremonies are performed in costume in the natural setting. Prayers for rain, thanksgiving for a harvest, ritual for a dying chief, ceremonies after his death, choice of a new chief, and subsequent celebration are presented and explained briefly.

"Picturesque Sweden," 20 minutes, sound, color. Presents the beauties and scenery of both rural and urban Sweden. Shows the City Hall, Royal Palace, House of Parliament, Royal Dramatic Theatre, Concert Hall, market square, parks, playgrounds, program of child welfare, museums, old castles, and old universities. Forests, mines, and fishing are pictured. Scenes also describe native handicrafts, dancing, music, folk costumes, the May Day Festival, and other customs of Sweden.

One of the favorites of the special November films is being held over and will be available until the end of December:

"Skiffully Yours," 23 minutes, sound, color. Famed Sun Valley, Idaho, is the picturesque setting for this exciting documentary on skiing. The color and beauty of this popular winter resort with its mountains and valleys are shown in all their spellbinding splendour. For those interested in learning the fundamentals of skiing, now recognized as the world's fastest growing sport, "Skiffully Yours" will be particularly helpful.

Helping Arrange Lecture on Yule Decorations

The Junior League Gardeners are sponsoring a lecture on Christmas decorations, to be given at Parcels Junior High School at 2:30 p.m. on December 9. Mrs. George J. Hirsch of New York will be the speaker. MRS. BURT E. TAYLOR, above, interrupts a phone call to approve a decoration selected by her four-year-old daughter, DEENA. Proceeds from the lecture will go to the Grosse Pointe Garden Center.

Reckless Drivers Pay Up in Court

Two persons involved in the same accident were found not guilty by Park Judge C. Joseph Belanger on Wednesday, November 23, and their cases were dismissed.

Found not guilty of an accident at Bedford and Jefferson, were Colleen Horregan of 504 Barrington; and Wilbert C. Bailey of 12225 Washburn, Detroit. Both had pleaded not guilty to the charges against them.

Douglas Morgan of 803 Beaconsfield, pleaded not guilty to parking in a no parking zone and was found guilty and fined \$2. Guy S. Minella of 2610 Alter road, charged with causing an accident at Vernor and Lakepointe, pleaded not guilty and was found guilty and assessed \$15.

James F. Land III, of 1859 Watkins Lake road, Pontiac, pleaded guilty to driving in front of moving traffic and paid a fine of \$8.

Wilber H. Mack of 588 Lincoln road, was fined \$50 for speeding 50 miles an hour on Vernor.

Eugene C. Record of 19344 Cedar Court, Harper Woods, pleaded not guilty and was found guilty of causing an accident at Mack and Maryland. It cost him \$35.

Albert Heusel of 2036 Delafield, Ann Arbor, pleaded guilty to causing an accident at Kercheval and Berkshire and paid a fine of \$10.

Benjamin W. Picard of 530 Coplin, Detroit, was ordered to pay a fine of \$35 dollars after he pleaded guilty to causing an accident at Vernor and Maryland.

Sally Mae Fetting of 2875 Harding, Detroit, did not appear in court to answer a charge of speeding 40 miles an hour on Kercheval and forfeited a bond of \$15.

William Coleman of 2301 Parker, Detroit, was found guilty of driving while drunk and driving while his operator's license was revoked. He was sentenced to 30 days and 15 days, respectively, on the charges.

Emanuel Piazza of 4256 Grayton, Detroit, charged with speeding and passing on Mack, did not appear in court on April 13. His bond of \$17.50 was forfeited.

Boot Training Finished By Thomas H. Quinney

GREAT LAKES, Ill. (FHTNC) — Thomas H. Quinney, son of Mr. and Mrs. Howard Quinney of 832 Lincoln road, Grosse Pointe, Mich., is scheduled to graduate from recruit training December 3, at the Naval Training Center, Great Lakes, Ill.

The nine weeks of "Boot Camp" includes drill and instruction in seamanship, gunnery, life saving, sea survival, boat handling, and the use of small arms.

Following two weeks leave, graduates will be assigned to shipboard duties or service schools depending on the qualifications each has demonstrated.

MERCURY SALES BOOM

More new Mercury cars were sold during October than in any previous first month following introduction of a new model, and sales exceeded all previous October totals, Joseph E. Bayne, general sales manager of the Mercury Division revealed. With a total of 36,921 Mercurys delivered at retail during the month, October sales showed an increase of 83 percent over October last year. The previous October record was 1953, when 31,256 Mercury were sold.

OFF THE RECORD: The big B'way hit "Fanny" is nursing a dilly of a scandal. Seems someone in the front office has been taking more money than he should. As a result, the backers haven't been paid back, yet. It's being investigated and it MUST make the front pages soon. . . . Westinghouse is paying CBS \$5,000,000 for the Dem-Republican conventions TV coverage. . . . Ticket brokers who stocked up on Maurice Chevalier tickets are letting them go for cost. They had figured to pay off the mortgage with this one. . . . Confidential is dicker for a new Marilyn Monroe tale. One that really hits below the belt. It implies that Joe DiMaggio "forced" her to marry him. (Oh, why don't you guys get lost!) . . . The Walter Winchell bio "Let's Go To Press" bookstands November tenth. It was not authorized by Mr. W. . . . Ava Gardner's new Mercedes Benz cost \$12,000. It has black satin seats. . . . They're going to make a movie version of "Medic" in Fluoroscope!

"FLY RIGHT": Jimmy Stewart, recently on location in France, where he was making "The Lindbergh Story" was enacting the scene of Lindbergh's arrival in France. After it was shot, a little old Frenchman stepped forth and said in French, "I saw Mr. Lindbergh alight from the plane, on the day he landed here, and he did not wear goggles as you do, nor a coat as you do. Take them off!" Stewart conferred with the director, then removed the goggles and coat and re-shot the scene.

PENNY ARCADE: Johnny Ray dashed in here on a plane from Vegas, raced to his apartment, changed his wardrobe from summer to winter, and two hours later was in another plane headed for London. . . . Winthrop Rockefeller's Little Rock Arkansas ranch has completely air-conditioned stables. . . . The "Oklahoma" premiere at the Rivoli Theater attracted every celeb in town. Saddest of the onlookers was Max Gordon, the veteran B'way producer. Years ago when the play was being produced on Broadway he was approached by Rodgers and Hammerstein who offered to give him a 25 percent share in "Oklahoma" if he'd let them use his name to raise money for the show. He didn't have to lift a finger. Gordon didn't like the script or the score and said "No, thanks." That 25 percent would have earned him over two million out of the play and probably that much more from the picture rights. (Happy gas-pipe!)

TAXIGABBING: Frank Sinatra's peeved at his managers who can't get together on price with Perry Como's boys for a guest shot on Perry's show. He told pal Como, "If they don't get organized soon, I'll do it for free. (That'll show 'em) . . . Sugar Ray Robinson's chauffeur has the softest job. Sits in the back while Sugar does the piloting. . . . London bobby-soxers are wearing fake hearing aids a la Johnny Ray, so deep they dig him. . . . The Jack Palances' divorce will closely follow their baby's arrival. . . . Did you know the Duchess of Windsor has an unfinished portrait of her by Salvador Dali? It's at a standstill 'cause The Big Mustache can't figure what kind of clothes to put on it.

PARAGRAPHIC: Shiril Conway, the "Plain & Fancy" star, Ezio Pinza, my wife Jane and I were having lunch at Sardi's. Pinza mentioned that he'd just received shipment of three new suits from Italy. It came out that he owned 103 sets of threads. "What in the world," I asked, "can a man possibly do with that many suits?" Pinza turned to me and explained, "Leesen, Burt. I don't drink, I don't gamble and I don't chase after women! Clothes is my hobby. I'm entitled to ONE extravagance, am I not?" Miss Conway stepped in and said, "Ezio, if I was your wife, I'd pour liquor down your throat by the quart. I'd force you to gamble all day and I'd insist that you chase after women all night. ANYTHING to get back all that closet space!"

MEET THE CHAMP: Eileen Barton was giving a party for Rocky Marciano last week end. She put in a full day scrubbing the apartment 'till it was immaculate. Half an hour before the guests were due she accidentally spilled a bottle of nail polish in the bathroom sink. Heartbroken, she scrubbed away at the messy red blotch, but to no avail. It stuck like glue. She was on the verge of tears when her boy friend, who arrived early, solved the problem. He hung a piece of cardboard over the sink. On it was written, "Archie Moore washed here."

THE BIG KLEEGS: Lauren Bacall showed up at "21" with her eyes red from sobbing all night. She and Bogie saw "The Diary of Anne Frank" and it really got to her. . . . Dick Haymes is still wearing the wedding band Rita Hayworth gave him. His show at La Vie is worth seeing. There's some irony in the songs he sings: "Love Me Or Leave Me," "You'll Never Know" and "They Can't Take That Away From Me." He's terrific. . . . Eartha Kitt will do "Salome" on "Omni-bus." . . . Sheree North steps into Alice Faye's mesh stockings for re-makes of all the old Faye starrers. . . . Bob Hope plunked down \$400,000 for Fibber (Jim Jordan) McGee's California ranch. . . . Bobo will winter in Miami if her agents can find the right house. . . . Oscar Hammerstein was asked if he has any TV plans. The man who gave us "Oklahoma," "Carousel," "South Pacific," "The King and I," etc., shrugged and said, "Please, I still have plenty to learn about the theater."

Lethal Weapons Being Exhibited

Lethal weapons are the center of attraction this month in the Collector's Corner Exhibit at the Detroit Historical Museum. Loaned to the museum by Max Schwartz of Wyandotte, this fascinating collection represents significant eras in American history. Indian tomahawks, weapons, used during the American Revolution and Civil War guns are on display. Schwartz has confined his collection to weapons that actually work, and the oldest item in the group is a still usable 1760 Flintlock rifle. Supplementing the exhibit are canteens, powder horns and bullet molds, thus giving a greater understanding of how the weapons were handled. Schwartz, a native Michigander and member of the U. S. Postal Service, has been working on his collection for the past 15 years. Keenly interested in guns, he is secretary-treasurer of the Wyandotte Muzzle Loaders Club and is top scorer of 1955 for the Wyandotte Group. The exhibit will be at the museum through December.

Early Mailers Thanked by P. O.

Postmaster Edward L. Baker announced that there has been a steady increase in the flow of Christmas cards and packages through the Post Office the past few days. He said he was glad to see that many people are getting their Christmas gifts for distant points into the mail this week pointing out that packages addressed to folks living in other states should all be mailed before December 6 and those for nearby points before December 15.

Stressing the need for everyone to cooperate on his 1955 "Mail Early for Christmas" campaign, Postmaster Baker says that by following these three simple rules, you're certain to have your gifts delivered before Christmas Day:

WRAP THEM SECURELY, ADDRESS THEM CORRECTLY, and MAIL THEM EARLY.

He went on to say, "Of course early mailing of all Christmas cards and gifts is a big factor in getting everything delivered before Christmas. Keep in mind that careful packing and correct addressing is equally important. Every year many poorly wrapped packages break open despite careful handling and we often have to puzzle over addresses which are incomplete or simply cannot be read at all."

Advance care in preparing gift packages for the mails and making sure that all addresses are legible and complete will prevent disappointment to sender and receiver alike.

"If you have any articles of unusual size or bulk, better check with the Post Office before attempting to mail them," the Postmaster warns. "The limits on size and weight of packages varies, depending on where they are addressed to."

Some Post Offices are limited to 72 inches in combined length and girth and 20 pounds in weight; others may be up to 100 inches in combined length and girth and 70 pounds in weight.

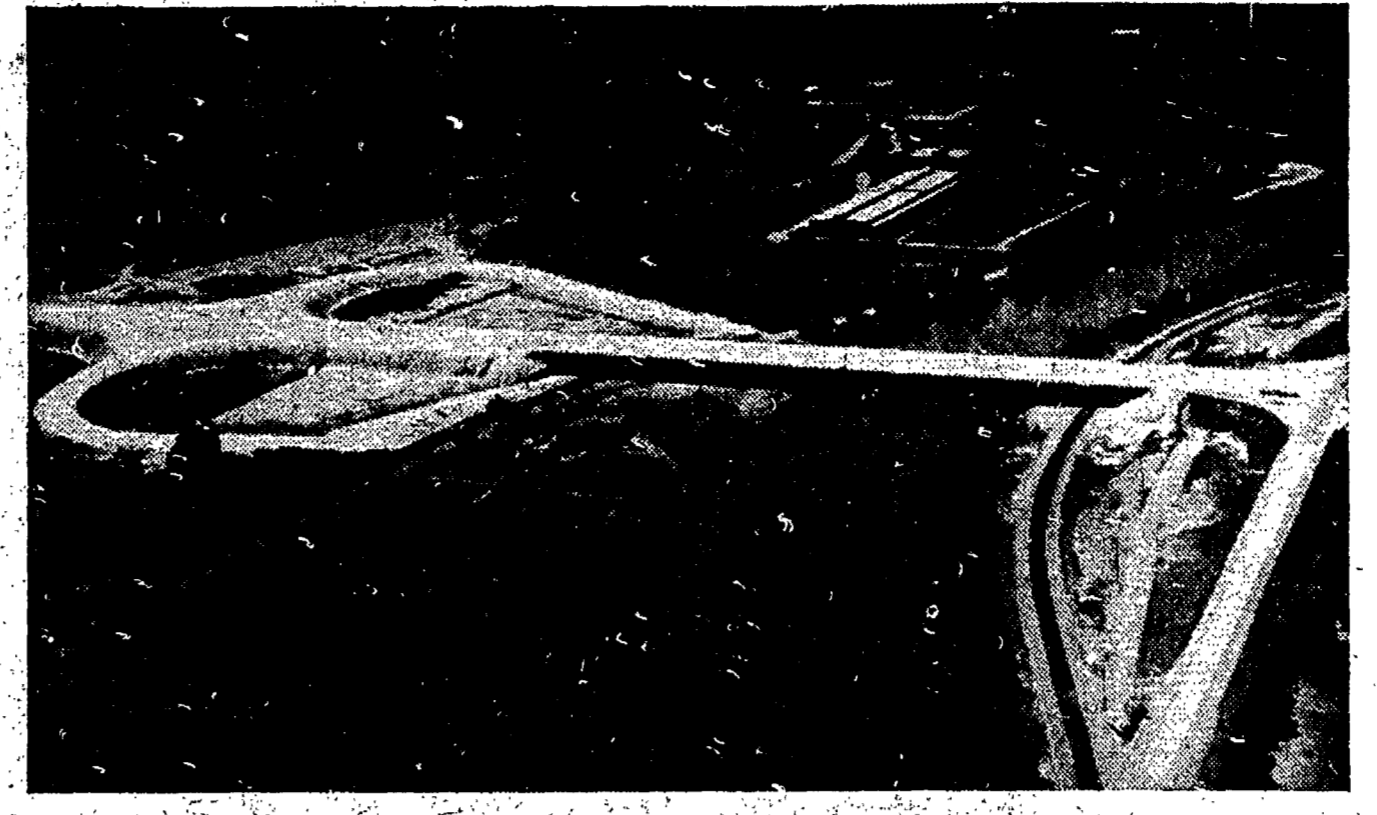

It is always better to use corrugated cartons for shipping your gifts especially where there are a number of various sized objects. Use plenty of wadded tissue or newspaper in the cartons for extra protection against shock. Complete each package by wrapping in heavy paper and tying it with strong cord.

An extra precaution against loss, Postmaster Baker advised placing both your return address and the recipient's address inside the carton or package before it is wrapped.

Don't seal your parcel unless you include a notice reading "Contents merchandise—may be opened for postal inspection" along with your return address. If you use Christmas seals or stickers, put them on the back of your Christmas cards and packages. Before you release your packages be sure that proper postage is firmly affixed to each and it's a good idea to check once more to see that you've included the recipient's full name, street address, city, zone and state.

Toledo-North Expressway Progresses

The above bridge recently completed across the Raisin River in Monroe will carry traffic through the east section of the city on the Toledo-North free expressway. This bridge is one of 34 bridges and grade separation structures on this limited access route which stretches for 24 miles. This four-lane divided highway is being built at a cost of some \$27,000,000 in federal, state and City of Monroe funds. The first contract on this route was let in the spring of 1953. The total job will be open to traffic in the early Fall of 1956 and will ultimately connect with the projected Detroit-Chicago Expressway. The four-lane divided extension of this later-state highway to the north with temporary connection to Telegraph Road and the four-lane divided connection with Fort Street at Sibley Road will also be opened to traffic by early Fall of 1956.

Farms Submits Fire Report

The Farms Fire Department answered a total of 23 calls during the month of October, according to a monthly report submitted by Chief M. William Mason.

Of these calls, the report showed, four were in answer to residential fires; two were for other types of fire; five were emergencies involving the use of the utility vehicle; and 14 were ambulance runs.

There was only \$300 in damages to contents of homes. The contents were valued at \$35,000. There was no damage to homes. There were no automobile or miscellaneous res, and no call box alarms.

There were two sick leave days taken and five vacation days. Added to the chief's report was information regarding the firemen who attended the Detroit Fire Department Training School. Firemen Arthur Turner attended from September 13 through October 7; and Lucien Snep, from October 3 through 27. Both had perfect attendance records.

Total fire service by Turner was three hours and 29 minutes; by Snep, five hours and 10 minutes. The firemen were taught the

proper way of tying knots, handling of ropes, ladders, engine connections, salvage covers, first aid, equipment maintenance, house duties, etc.

Chief Mason also gave a complete report on the activities of his department during Fire Prevention Week, October 9 through 15; and carry over activities during the entire month of October.

Exercise Therapy is concerned with the maximum development of muscular coordination, motor skill, and posture. It is a relatively new approach to body conditioning because it emphasizes the complete development of potential physical abilities through the application of exercises scientifically designed to meet the needs of the individual. At the out-set of the program each person is given a variety of tests and measurements of his physical condition. These are administered so as to determine the various capacities of physical needs and adopt a program of exercises.

Taxpayer Help System Revised

The 1956 taxpayer assistance program of the Internal Revenue Service in the Chicago Region, during the income tax filing period from January 2 to April 16, 1956, will be aimed primarily at helping taxpayers to help themselves. This new approach to taxpayer assistance in this region, which includes the States of Illinois, Michigan and Wisconsin, was announced by Regional Commissioner D. L. Olsen, who said it is in conformity with a policy laid down by the Washington office. The Service will furnish taxpayers advice and information but will not continue the former practice of completely preparing returns. Taxpayer assistance activities conducted in the Chicago Region during the past filing period expended 471,423 man-hours which resulted in a substantial disruption of normal audit and collection activities, Olsen pointed out that if the above man-power had been used on the examination of income tax returns and in the collection of taxes, it would have resulted in a very substantial increase in revenue. The Internal Revenue Service will mail with the 1955 Income Tax forms adequate instructional material to cover the problems encountered by the average taxpayer in the preparation of his return. Telephone assistance will be provided by all District offices in the Chicago Region to assist taxpayers with specific problems. Regional Commissioner Olsen said that returns will be prepared for taxpayers who are physically or mentally unable to prepare their own returns. Other taxpayers who find it difficult to fully prepare their own returns will avail themselves of a self-help assistance method by which desk space and necessary materials will be furnished in order that they may prepare their own returns under the supervision of an Internal Revenue agent instructor. Olsen pointed out that the Internal Revenue Service plans to conduct an extensive educational program throughout this region to further assist taxpayers in the preparation of their returns.

Santa to Send Letters Direct From Alaska

Now is the time to act if you would like your child to get a personal letter from Santa Claus, mailed from the frozen north, in time to add spice to the joys of Christmas. As in previous years, Pan American World Airways will do everything but lick the stamp and write the letter—parents and other well-wishers will have to do that. The letter will be mailed to the child from near enough the North Pole to seem authentic. It will carry the Santa Claus imprint and the postmark of Fairbanks, Alaska, from out of which Santa operates during the busy Christmas season. Here's how to go about getting that letter from Santa Claus: 1. Get Santa Claus writing paper and envelopes, free of charge, from the Pan American office, 1231 Washington Blvd., or from a travel agent. 2. Write the letter on the stationery and sign it "Santa Claus". 3. Put the letter in the Santa envelope and address it to the offspring. Don't forget to put a 6-cent stamp on it. 4. Return the letter to the office where the stationery was obtained as soon as possible before December 12. The letter is actually flown to Alaska and back. Anxious to help Santa Claus in the Detroit area is Postmaster Edward L. Baker, who advises early mailing and emphasizes that the letters will come via air mail and require six cents postage.

Kitchens Take On New Charm

Have you noticed what's been happening to kitchens lately? Cheerful in knotty western pine or clear paneling, they're moving back into the center of things—just like they were in Grandmother's day, only different.

Yuletide Fantasy At Ford Rotunda

The Ford Rotunda "Christmas Fantasy," one of the largest Yuletide shows in America, attracting annually more than half a million visitors, was opened to the public in Dearborn on Saturday November 26.

The show, similar to the one which fascinated old and young alike in 1954, fills the entire exhibit area of the Rotunda. A 35-foot, lighted Christmas tree will greet the visitor just inside the Rotunda entrance.

The north section of the outer court is occupied by a scene from the North Pole, featuring Santa's live reindeer. Above the reindeer and atop the Rotunda ramp is Santa's 30-foot "Castle in the Sky," where children may climb on Saint Nick's knee and whisper their wishes for Christmas.

One of the outstanding features of the 1955 Christmas Fantasy is the life-size Nativity scene in the Rotunda theatre. A continuous voice narration tells the story of Christ's birth.

One section of the exhibit area is taken up with a display of 1,500 dolls which have been dressed by the Ford Girls' Club for distribution by the Goodfellow to under-privileged children.

The court also is occupied by animated characters from the

The abundant western pine woods add friendliness and interest as wall panelings and as cabinets which serve the double purpose of storage and cheerful decoration.

Good to look at, the modern kitchen is being brought out into the open and once again becomes the favorite gathering place for friends and family.

No wonder you hear less and less longing for "the good old days."

land of fiction and fairy tale—Jack and Jill, Little Boy Blue, Wee Willie Winkle, the cow jumping over the moon, Robinhood and Puss-in-Boots.

Children and grownups may visit Santa's workshop, where Snow White and the Seven Dwarfs operate a toy manufacturing assembly line. In the same area is the French pastry shop where animated dolls "manufacture" pastries and candy.

The Rotunda center court has been adapted to a "Christmas in Paris" theme. The outside of the Rotunda is dominated by giant Christmas candles and the traditional Yuletide decorations.

A press preview for Detroit area newspapermen and radio and television representatives was held Friday, prior to the public opening of the show.

The Rotunda will be open from 8:30 a.m. to 9 p.m., weekdays and Saturdays, and from 1 p.m. to 9 p.m. on Sundays. The building will be closed from Christmas Eve until Monday morning, December 26. The Fantasy will continue, without Santa and his reindeer, until New Year's Eve.

Advertising Art Put on Exhibit

Forty years ago Detroit was just a whistle stop on the nation's advertising art map. Today, the city's commercial artists serve the country's leading advertising agencies to the tune of \$25 million—and Detroit has become a focal point in American Commercial Art.

More than 400 graphic examples of the high quality, originality, and imagination of Detroit's own advertising artists went on exhibit November 20 when the Scarab Club's 13th Annual advertising art show opened.

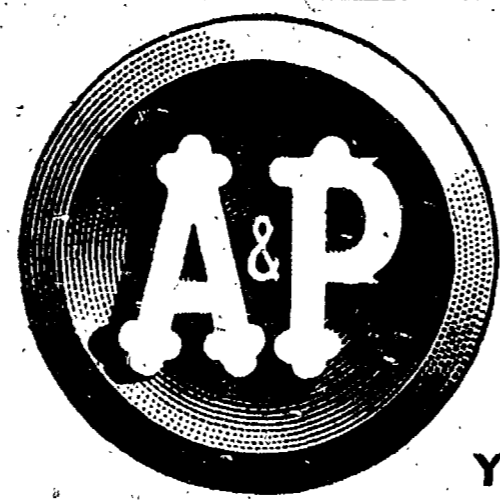

The exhibition, embracing the broad categories of still life and figure illustration, and ranging from the highly stylized to the realistic, will run through December 26 at the 21st galleries at 217 Farmworth.

and expertly executed work on a variety of products produced in Detroit.

"Detroit advertisers are fortunate in having such a wealth of creative talent available at their fingertips," was the comment of Lester Beall, noted New York art director and designer, who judged the exhibit earlier this month.

Anyone interested in commercial art and illustration is welcome to visit the Scarab Club during the period the entries are on display up to December 20. The show will be open Monday through Saturday from 10 a.m. to 8 p.m., and from 2 to 5 p.m. on Sunday. There is no admission charge.

During Operation DEEP-FREEZE, the Navy's newest Antarctic Expedition, Navy planes will take off and land at the South Pole.

PLANT OF POST-ABBE-KRAMER LOCATED AT 2800 SEVENTEENTH STREET, CORNER PERRY

Some people with lofty aims are sometimes miserable shots.

It's hardly worthwhile to think unless you expect to act.

Self-interest is the thing most likely to wrap a man's judgement.

A good many people stir up a hornet's nest just for the sake of being insulted.

The underdog may have everybody's sympathy, but few place a bet on him.

Children are a comfort in old age—and they help you get there a lot sooner.

Elementary School News

MASON SCHOOL

Mason School was a very busy school during the month of November. Among the various activities that were carried on was a P.T.A. membership drive under the leadership of Mrs. Edward Ardner, membership chairman. The children were stimulated to encourage their parents to join by participating in a miniature automobile race on a large poster. A treat awaited the winning rooms — Helen Seymour's third grade room and Mary Louise Stoll's fourth grade room with 100 per cent, Anna Hinckley's first grade room with 96 per cent, and Elizabeth Minturn's third grade room with 95 per cent. The drive resulted in a membership of 578, but others may still join the association at any time.

American Education Week was celebrated by special invitations to parents to visit school. Some teachers invited parents to come any time during the week, while others specified certain periods; whereas the principal, Ethel M. Tucker, extended an invitation in general through a school bulletin.

In some cases the parents were given the day's program so they could visit whichever activity they preferred and in some cases they visited after school when the work on that level was discussed with them and they were encouraged to ask questions, as was the case with the three sixth grade groups whose teachers are Beulah Jean Markhus, Mercedes Merrill, and Ted Jacobs.

Following this activity all adjourned to the gym afterwards for refreshments and a social hour.

The total number of visitors for the week was 426, which is approximately the same number of visits as we have families represented in the school, although some parents did not visit while others visited more than one room.

During this month the children were given the opportunity to see and hear Mark Taylor, the American Troubadour, in a program of folklore, in which Mr. Taylor skillfully told the old tales and sang the old songs, which were accompanied by Irish harp and guitar.

Seven flowering crab trees were purchased this month by Mason School from the Grosse Pointe Garden Club Council and will be planted so they can be viewed by those approaching the school from either direction.

KERBY SCHOOL

Miss Maxine Gray and her orientation class of 34 prospec-

ive teachers in Wayne University's College of Education visited and observed in Kerby during the morning of Thursday, November 17.

Principal Dr. Custer Homeier met with the education class in the Library prior to the classroom observations where he discussed the philosophy underlying the self-contained classroom system used at Kerby.

Teachers in schools having this type of organization are responsible for teaching not only the Three Rs but such special subjects as art, music, physical education, social studies, and science. Two major advantages of this plan are that the teacher can utilize every opportunity for the integration of skills and subject matter and the teacher becomes well-acquainted with each child's capabilities and personality.

The art, physical education, and music counselors employed by the Grosse Pointe Public Schools upon request give special help to the classroom teachers in their specific areas of work.

At the conclusion of the discussion in the library, the university students, according to their individual interests, observed in a number of classrooms. Reading techniques were observed by 22 students in the first and second grade classes taught by Mrs. Maurine Allan, Mrs. Gertrude Beddow, Mrs. Florence Gobrecht, Mrs. Ruth Huston and Mrs. Inez Mullaney.

Other students in Miss Gray's class were extremely interested in the teaching of reading, writing, spelling, and health in the third grade-rooms of Miss Ethel Eckstrand, Mrs. Brenda Harris, and Mrs. Esther Nelson.

Still other future teachers spent an enjoyable morning in Mr. Robert Parmenter's fifth grade class seeing his students at work in their physical education, science, and arithmetic classes. The Kerby students and their teachers were proud at being selected for this special school visitation. They made every effort to make their guests feel welcome.

POUPARD SCHOOL

After school hours, a number

of community groups use the facilities of Poupard School. The Notre Dame basketball team has practice sessions in the Poupard Gym on Monday, Wednesday, and Thursday from 3:45 p.m.—6 p.m. and on Saturday morning from 9 a.m. to 11:30 a.m.

St. John of Arc's basketball team also uses the Gym on Monday and Tuesday evenings from 6:30—8:30. Each Thursday from 3:30 p.m.—5 p.m. a group of Blue Birds assemble in Room 103, and on Wednesdays from 3:30 p.m.—4:45 p.m. Campfire Girls meet in Room 207.

Boy Scouts of Troop 44 hold their meetings in the Gym on Thursday evenings from 7 to 10 o'clock, and Cub Pack 44 has the Gym on the last Wednesday of each month from 7 p.m.—9:30 p.m. In addition, during the year there are many small group meetings.

Application for the use of the building may be made by completing forms which must be approved by the Principal and by Harold Husband, Director of Administrative Services for the Grosse Pointe Board of Education.

School and P.T.A. activities have priority over other groups using the building, but conflicts in scheduling do not occur very frequently. In addition, there are certain rules and regulations which all groups using the building are expected to follow.

This year the Intensive Teacher Education Program of Wayne University is using one room

three afternoons a week for regular class sessions. These are students who have had three or four years of college in some other field and are now preparing themselves to teach. Members of the group do their practice teaching in communities in the vicinity of Poupard School.

A man has two sources of education—the one which he receives from others and the one he receives from himself.

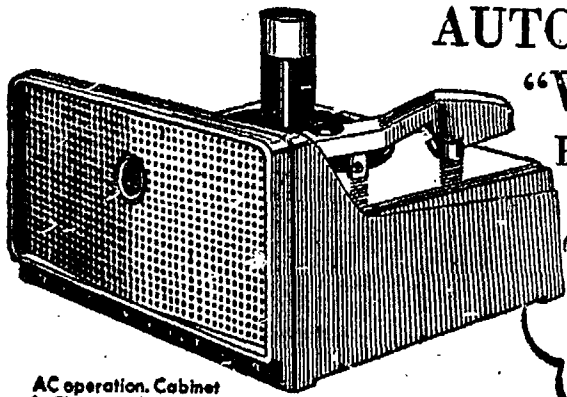

PLAN CHRISTMAS PROGRAM

On Tuesday evening, December 13, at 8:30, the Palestine Chorus and the Catholic Theatre of Detroit of Detroit will join forces to present the annual Christmas Program at the Palestine Foundation at the Detroit Institute of Arts Auditorium.

The Edward W. Sparrow Hospital, Lansing

"When you're running a hospital, as I am, you can really see the value of Blue Cross . . ."

Past President of the Michigan Hospital Association, member of the American College of Hospital Administrators, and Director of the 291-bed Sparrow Hospital, Mr. Glen Faussey knows the importance of hospital protection that keeps abreast of today's hospital costs. "The way Blue Cross protects its members," he says, "it's easy to see why more than half of our patients have it."

Blue Cross protects you in terms of today's hospital costs!

says Mr. Glen Faussey, Director, Edward W. Sparrow Hospital, Lansing

"If you have the same hospitalization coverage you had, let us say, five years ago, and you are paying the same rates, you have something that will not do a job for you in our hospital. I don't know of a hospital where it will do a real job for you.

You see, our costs have gone up more than 35 per cent during the past five years. The first requirement of realistic hospitalization coverage is that it keep up with hospital costs.

This is why we are for Blue Cross. Blue Cross benefits always keep up with the times. They give you protection in terms of today's hospital costs and the requirements of today's hospital practice.

"Most people have learned to appreciate this fact. More than half of our patients have Blue Cross - Blue Shield."

MAKING A SPORTSMAN

Youngsters—particularly boys—have a natural longing to learn of the wonders of the wild, the art of fishing and hunting, the way of life of common birds and animals native to their environment.

To the country boy the longing is easily satisfied for obvious reasons, but to the lad born and raised in the city the problem of fulfilling this desire is far more complex. His energy and spare time is more likely to be diverted to other less wholesome channels. Today there begins to be an answer forming on the not too distant horizon. It is taking shape in our public school system despite objections from a strong minority of parents who stolidly believe schools are solely for teaching "reading, writing and arithmetic."

Integration of Outdoor Theme

The movement is spreading slowly but surely, with certain influential civic organizations and sportsmen's clubs backing the project in a number of widespread communities. While the Conservation Department has long been at work encouraging Michigan school systems to include the study of land use, forestry, game management and basic geology in their curriculum, the new concept is far more effective, and infinitely more attractive to the student body.

Camp Sites Set Up

Enough group camp sites are already operating in various parts of Michigan to take care of a surprisingly large number of public school students. Classes, including both boys and girls, move into the group camp for a week at a time. While there is some indoor classroom work, using motion picture film as an important teaching medium, much of the week is spent in the field where problems in soil erosion, water pollution, and fish and game management are studied first hand. The youngsters learn woodcraft, too, and the fundamentals of camping and good sportsmanship. It's a week crammed with activity. The enthusiasm of the class is strikingly apparent. Some day every schoolchild in Michigan will have the opportunity to attend such a group camp, sometime during the regular school year, winter and summer, for at least one week and possibly two.

The overall result will be a crop of finer citizens, and an ever-growing army of better sportsmen in Michigan outdoors.

RANGER ACE . . .

Last year's high scoring Ron Murphy (14 goals and 18 assists), off-rating at left wing, again helps to keep New York Rangers near top of National Hockey League.

Governor G. Mennen Williams had his money all ready when Marcia and Jimmy Raff, representing the children on the 1955 Christmas Seal, visited the capitol and offered him the first sheets of Seals for sale in Michigan. The Lansing youngsters and Governor Williams know that Christmas Seal dollars work tirelessly all year to eliminate tuberculosis from Michigan. This year's Christmas Seal sale lasts from November 16 through December.

RECIPE OF THE WEEK

Scalloped Oysters (Serves 6)

1 quart oysters
1/4 cup butter
1/4 cup flour
1 cup hot milk
1 cup oyster liquid
Salt and pepper
1 cup buttered bread crumbs

Remove oysters from liquid. Pick them over carefully to remove any pieces of shell. Strain liquid. Melt butter, add flour, milk and oyster liquid. Season. Cook until thickened, stirring constantly. Place alternate layers of oysters and sauce into buttered baking dish. Cover with crumbs. Bake until heated through, 15 to 20 minutes, in a moderate (375° F.) oven.

few pieces of greenery look pretty in them—if you'll pack in some nuts in the shell along with nutcrackers. Makes a nice present. Giving sweet rolls or cookies to a family? Why not get one of those wire baskets for washing salad greens, pack the cookies in it, then wrap it all in cellophane? Bake a loaf of your Christmas bread or date-nut loaf. Present it in a shiny new bread loaf pan, all wrapped in gay paper and ribbon. A small tray from the dime store makes a nice container when you give away glasses of jelly. The tray can be used as a snack tray later.

DALE CARNEGIE

AUTHOR OF "HOW TO STOP WORRYING AND START LIVING"

WHEN Victor A. Collop, Bruceville, Indiana, was 14 years old he gathered with a group of boys to have some fun. They decided to place some logs across a main traveled gravel road expecting someone with a horse and buggy to come along and not be able to pass, and they were curious to see what the driver would do.

After the logs were in place they hid behind the high fence rows on either side of the road. They had been waiting only a short time when down the road they heard an automobile coming. This was unexpected because autos were not common at that time. The car was traveling at a moderate speed and the lights were not very good. As the driver approached the logs he did not check his speed and hit the logs with a terrible crash. Until this time their adventure had been much more successful than they had expected, but when the man finally managed to untangle himself from a lap robe in which he had his feet wrapped, and got out of the car, they could see that it was the County Sheriff.

One quick glance and all scattered and made for their homes. The next three or four days were spent in suspense as he surely expected to be apprehended, and stand trial and maybe go to the penitentiary. Of course all this worry was in vain for there was very little the Sheriff could have done to the boys, and knowing the boys, he probably would not have done anything about the prank even had he been able.

THE STARS

BY LYN CONNELLY

IT LOOKS like the critics may win out and "Strike It Rich" will go off as a regular show. . . . The great complaint against the show is that it displays human misery to the public. . . . However, human misery is with us and always will be and those who don't like to know that others have problems are certainly not obligated to watch. . . . There are many with troubles who take comfort in knowing there are some people worse off than they are and there are many who feel good to know something is being done to help the less fortunate of the country.

There are so many people, especially the old, who derived benefit from "Strike It Rich". . . . There were many who needed hearing aids, the arthritic mother of seven who needs an automatic washer to ease things for her, polio-stricken children who would like a television set or typewriter to while away the time while bed-ridden. . . . When a person is struggling along on pennies it is difficult to save enough of them to buy a large item like a \$150 hearing aid and receiving it through "Strike It Rich" is as thrilling as answering the \$64,000 question. . . . We believe "Strike It Rich" has done an admirable job of making people happy and we regret they are being pressured off. . . . Hope the sponsor reconsiders.

PLATTER CHATTER

CAPITOL:—Tennessee Ernie Ford's latest platter is "You Don't Have to Be a Baby to Cry" backed by "Sixteen Tons". . . . Frank Sinatra has waxed two of the better songs from the television version of "Our Town," in which he starred, "The Impatient Years" and "Love and Marriage". . . . Faulette Sisters score with "You Win Again" with "Hama, El Balon" on the flip side. . . .

AUTHOR OF "HOW TO STOP WORRYING AND START LIVING"

WHEN Victor A. Collop, Bruceville, Indiana, was 14 years old he gathered with a group of boys to have some fun. They decided to place some logs across a main traveled gravel road expecting someone with a horse and buggy to come along and not be able to pass, and they were curious to see what the driver would do.

After the logs were in place they hid behind the high fence rows on either side of the road. They had been waiting only a short time when down the road they heard an automobile coming. This was unexpected because autos were not common at that time. The car was traveling at a moderate speed and the lights were not very good. As the driver approached the logs he did not check his speed and hit the logs with a terrible crash. Until this time their adventure had been much more successful than they had expected, but when the man finally managed to untangle himself from a lap robe in which he had his feet wrapped, and got out of the car, they could see that it was the County Sheriff.

One quick glance and all scattered and made for their homes. The next three or four days were spent in suspense as he surely expected to be apprehended, and stand trial and maybe go to the penitentiary. Of course all this worry was in vain for there was very little the Sheriff could have done to the boys, and knowing the boys, he probably would not have done anything about the prank even had he been able.

ONE POLICEMAN was injured in a skirmish between Royal Ulster constabulary police and members of the outlawed Irish Republican Army. The rebels tossed a bomb into the police barracks, but were beaten off after a half hour of fighting. Ulster police said a dozen men, armed with a machinegun and pistols were in the raiding party. The raiders were believed to be after arms and ammunition stored in the barracks. The IRA has been trying to drive the British out of Northern Ireland, part of the United Kingdom, and unite the country.

PRESIDENT EISENHOWER accepted the resignation of Hugh W. Cross, Interstate Commerce Commission chairman, whose actions have come under the scrutiny of the Senate. The resignation was effective immediately. The Senate Investigations Subcommittee, has been looking into the award of a contract by a group of railroads to Railroad Transfer Service, Inc., of Chicago.

Cross was questioned behind closed doors early this month. In his letter of resignation, he said that the charges against him are baseless.

Sunday, November 27 THE RESCUE of the 21 seamen aboard the Kismet II, which was being pounded to pieces against huge rocks, was successfully completed. The seamen were rescued after clinging to the vessel for 28 nightmarish hours, as it inched closer and closer to the rocky cliffs of Cape Breton. A Canadian helicopter made perilous trips to the stricken vessel, each time bringing back four to six men. The whole crew cheered when the helicopter arrived.

EAST GERMANY has reshuffled its cabinet, giving its secret police cabinet status. The secret police have been empowered to crush opposition in the Soviet Zone. Along with the reshuffle, Ernst Wollweber, one of the Kremlin's veteran secret agents, was made head of the new department.

Previously, the secret police office was a "secretariat for state security" in the Interior Ministry. Wollweber headed the agency and had the title of state secretary.

RUSSIA HAS ADMITTED the most "powerful of all explosions carried out until now." Communist Party Boss Nikita Khrushchev, jumped the gun on his Government by making the announcement first. Unless he is wrong, this Russian H-bomb was 15 to 17 times smaller than one detonated by the United States more than a year and a half ago.

The U.S. Government is studying the seemingly conflicting comments about the force of the Russian test bomb. On March 1, 1954, the U.S. exploded a bomb reported to have produced a blast equal to between 15 and 17 million tons of TNT.

Monday, November 29 MARSHALL TITO, president of Yugoslavia, said that priority will be given to plans to balance foreign trade. He also announced a new economic policy to raise Yugoslav living standards, increase consumer production and slow down heavy industry.

Tito outlined his plans in a speech before the Socialist Alliance, a Communist organization which claims a membership of eight million persons. He said the new policy will emphasize light industry and agriculture. Yugoslav prices have increased alarmingly lately, and Tito was seeking backing to avert inflation.

WEST GERMANY is seeking more than a million former prisoners of war of World War II. The Bonn Government appealed to all nations Sunday to help locate 1,200,000 German soldiers and civilians missing during the recent world conflict.

Federal Refugee Minister Theodore Oberlander directed the appeal on behalf of the Government at a ceremony in Bonn in memory of the prisoners. Most of the prisoners were believed to have been missing on the Eastern Front. Russia had promised the release of 9,626 prisoners, but freed only 5,563 so far.

A RED CHINESE conspiracy to overthrow the Philippine Government, was crushed by the Army. Four ringleaders, three men and a woman, were arrested. Warrants are out for the arrest of 64 more of the conspirators. Defense Secretary Sotero Cabaug said the conspiracy was organized by the "Philippine Overseas Communist Party," a branch of the organization through which the Communists seek to use Chinese emigrants throughout Asia as "fifth columnists."

PLAYMATES A surprise Birthday Party was the celebration last Saturday in honor of David Nagel's seventh birthday enjoyed by all the Playmates. A treasure hunt, party games, ice cream and cookies were all part of the grand occasion.

The Playmates meet every Saturday afternoon from 1-2:30 p.m. and is especially suited for boys and girls, ages 5-7. Activities include gym, handcraft, games, seasonal fun and special events. Mothers interested in this group for their youngsters may register by phone, TU. 5-4600, or at the Neighborhood Club.

ARTS AND CRAFTS A few openings are available in the girls' handcraft classes held on Tuesday and Wednesday afternoons. Girls between the ages of 8-12 are welcome to join this group.

The Tuesday afternoon Ceramics class has openings for both boys and girls aged 8-12. The children do their own modeling and glazing, and of course results are soon to be seen since the club's large kiln is right at hand. This is a real opportunity for boys and girls who enjoy working with their hands. Because only a small number of children can be accommodated we suggest that you register as soon as possible.

paring a stiff protest to Russia, for the manner of treatment given to two U.S. congressmen and one of the congressmen's wives. The three were held at gunpoint in East Germany for four hours on Sunday, while they were on their way to visit the Soviet Memorial cemetery in an American Army car. The impli-

cations of the treatment of the American party were serious. U.S. officials fear that all Allied rights in the four-power city's Soviet zone are in jeopardy.

ISRAELI charged that an Egyptian platoon invaded the Gaza Strip, and in an encounter with Israeli troops, wounded two Israeli soldiers. An Israeli spokesman said the incident started when an Egyptian position fired across the border. The fire was not returned it was claimed. Following the shooting, the Egyptians advanced into Israel and attacked an Israeli post, which called for reinforcements to initiate a counter attack. An Egyptian spokesman said three Israelis were killed and the incident started the other way around.

SENATE FORCES at the root of the three-week deadlock for aid to the State's mentally retarded children appeared to be weakening. As daylight crept into the Senate chambers, a number of Senators were asked if they would or would not compromise with the House. All expressed a willingness to achieve a settlement. Two Republican senators said they would speak out on the subject and a number of their colleagues said they would join the rebellion.

THEY STILL LOST Bobby Laine of the Detroit Lions completed a 77-yard touchdown pass to Dave Middleton and a 70-yard scoring aerial to Doak Walker against the Chicago Bears. However, the Lions lost 24-14.
