# Bishop to Keynote Silver Anniversary At Christ Church

The Rt. Rev. Frederick L. Barry, of Albany, Will Deliver Sermons at 9:30 and 11 O'Clock, Sunday, January 8

The Rt. Rev. Frederick L. Barry, Bishop of the Episcopal Diocese of Albany, will deliver the 9:30 and 11 o'clock sermons as Christ Episcopal Church on Grosse Pointe boulevard marks its 25th anniversary celebration, Sunday, January 8.

The silver anniversary observance will be a two-day affair with the Anniversary Dinner to be held January 9 in the undercroft. The annual Parish meeting will follow in the nave.

Reports of Rector

Approximately 200 parishoners are expected to attend the neeting to hear the annual reports of the rector and the treasurer and to elect four new vestrymen.

The latter are to be chosen from nominees Kendrick Brown, Maurice Wood, Meade Baker, Douglas Campbell, Paul Gard, Robert Peirce, David Viger and Gordon Wood.

The anniversary will bring back as a visitor the Rev. J. Clemens Kolb who preceded the Rev. Erville B. Maynard as rec-

Others who will attend are the Rev. William Butler Sperry, rector of Christ Church, Detroit, "mother" parish of the Grosse Pointe Church; the Rev. Edgar Yeoman, rector of St. Michael's, n the Woods, and the Rev. Eric Whiting, rector of Trinity Church, St. Clair Shores.

Former Missions The latter two churches were nce missions of the Grosse Pointe parish .

A brochure summarizing the parish's quarter century has been prepared by Joseph, G. Standart Jr, and will be distributed at the meeting .

The brochure traces the parish's roots to the day, 132 years ago, when the Rev. Richard Pollard, of Sandwich, paddled across the Detroit River in a canoe to form the first Episcopal parish in a settlement of only 2,000 per-

Tr you think you can't afford a big-bodied, big-powered, big-I muscled Buick like the one shown here—we'd like to set the matter straight.

If you can afford any new car, you can afford this strapping and stunning Buick Special Sedan—and no kidding. For this Buick is tagged within a few dollars of the well-known

smaller cars - and actually costs less than some models of those very same cars. The price we show here proves it. So maybe you can understand why Buick-for two years running now-has outsold every other car in the land, except two of those

But low price is just part of the picture.

well-known smaller cars.

Big reason for Buick's soaring sales sweep is that folks are finding here a lot more automobile for the money-more style boldness, more power thrill, more ride stability and more solid structure than the same dollars buy elsewhere.

\*2-door, 6-passenger Buick Special Sedan, Model 48, illustrated. Any state and local taxes, additional. Prices may vary slightly in adjoining communities. A wide variety of extra-cost equipment and accessories available at your option.

Just ask yourself: wouldn't you rather go traveling with the lift and life and pace and poise of a stunning new Buick-when it's all yours at just about the price of a smaller car?

If your answer is yes, then the time is now-right now.

Drop in on us this very week - tomorrow would be fine - and we'll seat you at the wheel of the biggest and most beautiful bundle of high-powered Buick ever offered in America's lowprice field.

He charged that the suit was not started with the idea of get-ting into court. The dismissal of the suit last week substantiates that fact. Jacques charged that the brother, John Cullen, who resides at 18036 Schoenherr road, Detroit, and not the aged mother, was responsible for the suit, and that this same brother had only a short while before attempted, by Probate Court action, to have his mother declared mentally incompetent and himself appointed her guardian, which action was also dismissed on motion of Mrs. Sullivan's attorney. Mrs. Sullivan, who is the

widow of Dr. Michael R. Sullivan, has been a resident at the Audubon address since 1940. Following Mrs. Cullen's illness

Ernest Campbell MacMillan was already a familiar musical figure to the Orchestra's board of directors when he was appointed conductor in 1931. Some of them had been with the awed 4,000 at Massey Hall when, as a youngster of 10, he performed as concert organist. In the fourth year of his leadership of the Toronto Symphony Orchestra Dr. MacMillan was called to London to be knighted "for services to music in Canada."

Sir Ernest has consistently persisted, often in the face of opposition, in his policy of presenting-new music. The 1947-48 season was notable for the first playing by any Canadian orchestra of an all-Canadian program, an occasion attracting wide attention. During the 1951-52 season the Orchestra played its first concert in the United States at the Masonic Auditorium in Detroit.

The Orchestra will present the following program here: Overture "Idomeneo" (Mozart); Dances from "Galanta" (Kodaly): New York Profiles (Dello Joio) and Symphony No. 2 in D (Si-

The XM-Turnpike Cruiser, an unusual, experimental model created by Mercury Division, is the first automobile designed to take full advantage of the nation's budding new improved highway system. Styled to give American motorists maximum driving pleasure, comfort and safety as they travel the new turnpikes, it features virtually unobstructed vision in every direction. Transparent plastic "butterfly" roof inserts lift up automatically when doors are opened to permit ease of entrance and exit. Completely roadable, it is only 4.4 feet high.

# JANUARY 24th -- SPECIAL SCHOOL ELECTION

# You Will Vote On Two Propositions:

- 1. For a new Chalfonte junior high school, swimming pools at Pierce and Parcells, and the renovation of the high school heating system.
- 2. For the reclassification of the Grosse Pointe Public School System from a Fourth to a Third Class District.

### Who Can Vote?

Only Taxpayers can vote on proposition 1—all registered voters can vote on proposition 2.

### Where Vote?

You will vote in the elementary school serving your District

# Why a New Junior High School?

Right now 365 overflow Junior High Students are using the High School Annex. By the fall of 1957 there will be 600 Junior High overflow students—But, by the fall of 1957 the High School will need the space now being used by Junior High Students-So-we must have a new Junior High School ready by the fall of 1957.

### Why Swimming Pools?

Grosse Pointe has a fine public school plant except for pools. Now we have one undersized (60' x 25') pool in the entire system — we are proposing that the new Junior High have a regulation (75' x 35') pool -Pierce a smaller one (60' x 30') because there isn't room there for a regulation size pool -- and Parcells a regulation (75'x 35') pool.

# Who Will Use The New Pools?

The proposed pools are for the use of our School System and the entire community, just as our gymnasium-auditorium is - parochial and private schools may use them as well as church and adult groups.

# Why a New Heating Plant for the High School?

The present one was put in 28 years ago — in the interest of efficiency and safety, we need a new one.

### Why Reclassification?

The new Michigan Educational Law-passed May, 1955—changed us from a Rural Agricultural District to a Fourth Class District. It provides for Third Class Districts in areas with populations of 10,000 to 125,000. We should be a Third Class District for recognition, for efficiency of operation and for better Board of Education representation. If we become a Third Class District, our Board will consist of seven members instead of the present five.

### What Will the Proposals Cost?

The total is \$3,475,000: \$2,897,255 for the new Junior High School; \$187.450 for the Pierce Pool; \$290,545 for the Parcells Pool; \$99,750 for the High School heating plant.

### What Will It Cost Me - the Voter

The table on this page shows what it will cost. As you know, one mill amounts to \$1.00 of tax per year on each \$1,000.00 of the assessed valuation of your property. The proposed new facilities will cost fiftysix one-hundredths (.56) of a mill in 1956, fifty-eight one-hundredths (.58) of a mill in 1957, eighty-nine one-hundredths (.89) of a mill in 1958, and approximately one (1.00) mill for the next 24 years.

But-happy days-your total school debt retirement tax, even with the proposed increase, will decrease steadily after 1956.

### Will This Put Grosse Pointe Out of Line in Taxes?

The answer is no. Including the proposed new facilities the percentage of school tax to total valuation will be 4.58%. Many Michigan School Districts with good credit ratings have debt ratios of 5, 6 and 7%.

### How About Total Overlapping Debt?

This amounts to less than 7% which is well below accepted standards of safety for communities of our type.

These are the essentials. This should be the last major school building activity in our system. There will be a few additions to present facilities in the future, but this is the last big facility. We need this to keep the Grosse Pointe School System on the same high level of the past years. Already the P.T.A. Council, individual P.T.A. groups, and hundreds of individuals have pledged their support.

The matter will be decided by the voters on January 24-please be sure to vote. If you have questions of any sort, call the Board of Education office—TUxedo 5-2000.

### COST OF PROPOSED NEW SCHOOL FACILITIES

, ,						
	Year	Total WITHOUT  New Proposal  (Mills)	Cost of New Proposal (Mills)	Total INCLUDING New Proposal (Mills)		
, ,	1955	6.442	-	6.442		
	1956	6.350	.56	6.910		
	1957	6.230	.58	6.810		
	1958	3.600	<b>.89</b>	4.490		
,	1959	2.550	1.08	3.630		
	1960	2.550	1.08	3.630		
	1961	2.550	1.08	3.630		
	1962	2.550	1.08	3.630		
	1963	.800	1.08	1.880		
	1964	.800	1.08	1.880		
	1965	through 1982 approx.	1:000 (Mill)	aach voor		

The above chart shows that a favorable vote on the proposed issue will raise our total cost for debt service on what we are now paying by less than 1/2 mill (this is less than 50 cents per \$1,000.00 of assessed valuation per year). The high point of our debt payment will be in 1956-57 when 6.910 mills will be required compared with the 6.442 mills we are now paying. However, you will note that because we are paying off our present bonds so rapidly, the total debt, even with the proposed issue included, goes down each year after 1956-57. For the first time in years we can look forward to a lower school

tax rate in the near future.

# Why Are Our Churches Locked?

We have been particularly interested in a number of inquiries we have received lately as to why Pointe churches are not open at all times. It appears to be a good question.

There are many who feel the need for prayer and contemplation within the sanctuary of a church during hours other than those set aside for regular worship services. It is a comforting thing to be able to walk into the tranquil atmosphere of a House of God and find surcease from the cares of the outside world in personal communion.

It is a frustrating experience to one feeling this urge, to find the church doors locked, barring him from the refuge. The chief business of the church is to promote worship and devotion. It would seem to be bad business to throw up any obstacles on the path to this goal.

We would like to hear any reasons that might exist for not keeping our religious buildings open 24 hours a day.

# High Hopes for 1956

Last week's issue of the NEWS carried a review of the chief events that earned the headlines during 1955. As we embark on a brand new 12 months, we can think of a number of things which we hope will make the list of Pointe accomplishments during 1956.

We hope this year will see much more progress towards eventual consolidation of our five local municipalities into a single entity. This is a goal which this paper has advocated since its founding more than 15 years ago. Developments through the years have proven the desirability and necessity for such an accomplishment. More and more civic-minded residents each year express their opinion that consolidation is the only answer to the many common problems which arise in even greater numbers.

Where the four cities and one village have pooled their energies and resources for a unified service such as the police system, greater efficiency and reduced costs have been the results. There are many other problems such as rubbish and garbage disposal and fire protection which have been under study for years. It is a laborious and seemingly endless process, getting representatives of five municipalities together often enough to attain any great accomplishment in matters

The City and Farms found it advantageous to get together last year to solve their respective water problems. The five Pointes all send their administrative officials to regular meetings to discuss the many matters of mutual interest which constantly arise.

We have one school district which embraces the five Pointes and offers services which could not possibly be duplicated were there five separate systems. The Board of Education also operates the public library system for the entire community.

We hope the proposed school bond issue will be approved at the special election scheduled for later this month. It would provide much-needed swimming pools which would be used by the entire community, and a new junior high school which will be a necessity by the time construction could be finished. It would also pay for the replacement of an obsolete heating system at the High School and would eliminate forever the black smoke which pours from that building and is a source of nuisance to many residents of the area.

We hope that progress will continue to be made in providing adequate off-street parking facilities in the various business districts. This is particularly important to the local merchants who are threatened by the Eastland project which is now being constructed. Convenient parking here will keep many shoppers in the Pointe who might otherwise migrate Grosse Pointe News: to the Kelly road district.

We hope the Woods' new pool filter system will be completed in time for the summer season, and that the residents of the Farms and City will get the full benefit of the greatly expanded facilities at their respective lakefront parks.

We hope that all of the Pointes will continue to enjoy the great prosperity of the past year, and that the officials of 545.00, \$250,000.00 and \$187,450.00 to explain that in Wayne Counall the municipalities will continue their vigil to keep this respectively, plus a \$2,897,255.00 ty alone the State valuation is the finest residential community in the nation.

The Junior Division of the Girls Basketball League will begin Thursday, January 5, at the Neighborhood Club. At 6:30 the Basketeers will

play the Penguins, followed at 1:15 by the Red Devils vs. Greet Pointe Woods. The St. Paul Flyerettes will draw the first bye. Captains for the 1956 season are: Basketeers, Nancy Dedick; Red Devils, Judy Desmet and

Barbara Kolojeski; Grosse Pointe Woods. Carol Baude: Penguins, Sharon Chaney; and the Flyerettes, Christ Geist. Referee for the Junior games will be Suzanne Peppy" Peplinshi. Delay in the Senior Division is

due to lack of enough teams, along with delay in entrance fees. Pauline Masak has hopes for this division to begin soon, and has engaged Laurie Kaltz as referee.

Final Debut of Season

The Christmastime debutante whirl drew to a close last week with the Country Club ball, at which Joan LeGro was presented to society. White and silver decor transformed the club for the party which was given by the debutante's grand-mother, Mrs. William J. Young, Joan's name was written in huge letters of holly across the fireplace. Vari-colored small Italian lights shone from the great eight-foot wreaths, sprayed white and hung in the center archway. Huge panels before the tall columns where decked with silver and ornments and great bunches of holly. Holly and mistletoe hung from the chandeliers which were covered with angel hair.

Against the beautiful background, Joan was radiantly lovely in her white peau de soie gown by Dior. The charming strapless gown had a very full skirt and a ruffle of American beauty red velvet around the underskirt which made a delightful picture when she danced. Joan carried a spray of holly and red berries. Mrsfl Young LeGro, the debutante's mother, wore a soft avocado green chiffon gown with beaded trim and a corsage of white orchids. Mrs. Young chose a mauve lace gown with soft bows and jeweled trim on the

Joan's ushers were Henry Earle III, Michael Taylor,& Frank Guenther, George Villerot Jr., Michael Sills, of Winnetka, Ill.; George Johnston, Howard Buhl, John Dryden, Michael E. Taylor, John Hoey and Robin Ryan. Three of her classmates from Bradford Junior College, who came for the debut, were Joy Patterson, of Short Hills, N.J.; Marian Appel, of Wynnewood, Pa., and Leesbet Vanderlea, who lives near Amsterdam, Holland. The girls were house guests in Mrs. Young's home on Lakeland avenue. Leesbet remain with Joan until Tuesday, when the two returned to classes to-

Notice of Last Day of Registration

For The Qualified Electors of The Grosse Pointe **Public School System** 

Wayne County, Michigan

TO THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT:

All New Decor

Please Take Notice that the Board of Education of The Grosse Pointe Public School System, Wayne County, Michigan, has called a Special Election to be held in said School District on Tuesday, January 24, 1956. Section (2) of Act 199, Public Acts of Michigan, 1951, effective September 28, 1951, provides as follows:

"The Inspectors of Election at any annual or special election shall not receive the vote of any person residing in a registration school district whose name is not registered as an elector in the city or township in which he resides \* \* \*."

THE LAST DAY on which persons may register with the Clerk of the Township or City in which they reside in order to be eligible to vote at said Special Election called to be held on January 24, 1956, is Friday, January 13, 1956. Persons registering after 5:00 o'clock p.m. Eastern Standard Time, on said Friday, January 13, 1956, are not eligible to vote at said Special Election.

Under the provisions of Act 199, Public Acts of Michigan, 1951, registrations will not be taken by school officials, and only persons who have registered as general electors with the Clerk of the City or Township in which they reside are registered school electors. Persons planning to register with the respective Township and City Clerks must ascertain the days and hours on which the Clerk's office is open for registration. Registrations of unregistered qualified electors of said School District will be received at the following

1. Residents of the City of Grosse Pointe Park shall register at the office of the Clerk of the City of Grosse Pointe Park, 15115 East Jefferson Avenue, City of Grosse Pointe Park, Michigan. 2. Residents of the City of Grosse Pointe shall register at the office of the Clerk of the City of Grosse Pointe, 17150 Maumee, City of Grosse Pointe, Michigan.

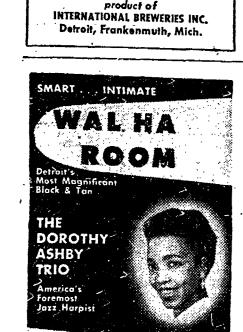

3. Residents of the City of Grosse Pointe Farms shall register at the office of the Clerk of the City of Grosse Pointe Farms, 90 Kerby Road, City of Grosse Pointe Farms, Michigan. 4. Residents of the City of Grosse Pointe Woods shall register at the office of the Clerk of the City of Grosse Pointe Woods, 20775 Mack Avenue, City of Grosse Pointe Woods, Michigan.

5. Residents of the City of Harper Woods shall register at the office of the Clerk of the City of Harper Woods, 19617 Harper Avenue, City of Harper Woods, Michigan.

6. Residents of the Township of Grosse Pointe shall register at the office of the Clerk of the Township of Grosse Pointe, 795 Lake Shore Drive, Village of Grosse Pointe Shores, Michigan. This notice is given by order of the Board of Education of The Grosse Pointe Public School System, Wayne County, Michigan. Dated this 7th day of December, A.D., 1955.

### who, where and whatnot

by wboozit

January 10 is moving day for the Horace I. McConnells, who have sold their Washington road home, and will henceforth make their headquarters most of the year at Coronado Lake, Oklawaha, Fla., where they recently purchased a home.

Since they will be just off the main routes to Southern Florida, the McConnells expect to see many of their Pointe friends in their new home. To facilitate visits from touring Pointers, they included a map with their 1955 Christmas greeting, giving explicit directions to the McConnell menage in the sunny south.

The University place home of Dr. and Mrs. Edward P. Mackenzie was the scene of a traditional New Year's Eve party. When the party originated 8 or 9 years ago, Mrs. Mackenzie painted the name of each guest on an egg nog mug with the date (i.e. Dec. 31, 1947 - Jan. 1, 1948) and a sprig of holly or poinsettia. Guests use their own mugs each year, and the hostess paints new cups personalized cups as new guests are added to the party list

Those who gathered around the eggnog bowl with the MacKenzie's this season were Mr. and Mrs. Waldo Abbot, Mr. and Mrs. Charles Wright III, Mr. and Mrs. Daniel Bowen, Mr. and Mrs. Sherwin French, Mr. and Mrs. Henry Vaughan Jr., Mr. and Mrs. Thomas Tilley, Mr. and Mrs. David Mills, of Farmington; Mr. and Mrs. Harry Wise, of Birmingham; Mr. and Mrs. Jay Sorge, Mr. and Mrs. C. Henry Haberkorn III, Mr. and Mrs. Herbert Hewitt, Mr. and Mrs. Robert Milligan and Mr. and Mrs. John Millis.

It sometimes seems to us that the arrival of a new baby disturbs the grandmama's equilibrium more than the mama's. One grandmother called us a few weeks ago with the breathless news: "My daughter just had a baby Sunday...that's the 8th!" Which, of course, prompted us to inquire, "8th baby?"

It was a moment before she recovered enough to murmur, "Oh gracious, no-ooo."

### **PILFERINGS**

The captain of his ship once wrote in his log, "Mate was drunk today." When the mate became normal, he was terribly chagrined and angry. He pleaded with the captain to strike out the record; he declared that he had never been drunk before, that he would never drink again. But the captain said, "In this log, we write the exact truth."

The next week the mate kept the log, and in it he wrote, "Captain was sober today."

—william Lyon Phelps

Arthur Murray and Groucho Marx were discussing a certain actress.

"She's her own worst enemy," Murray observed. "Not while I'm alive, she isn't" retorted Groucho

"Do you believe in clubs for women?" a friend asked

"Yes," replied Fields, "if every other form of persuasion

An employer had spent a great deal of money to ensure that his men should work under the best conditions. "Now, after his internship, to serve a own bread for each meal called whenever I enter the workshop," he said, "I want to see every residency specializing in inchupati. It is made of freshly man cheerfully performing his task. Therefore I invite you to ternal medicine before returning ground whole wheat flour and place in this box any further suggestions as to how that can to New Delhi. be brought about.'

A week later the box was opened; it contained only one slip of paper, on which was written, "Don't wear rubber

A young couple sent a friend of theirs—an Australian woman living in this country—a playpen when her fourth

When her thank-you note arrived, it left them somewhat astonished. "The pen is a perfect godsend," she wrote. "I sit in it every afternoon and read — and the children can't get near me."

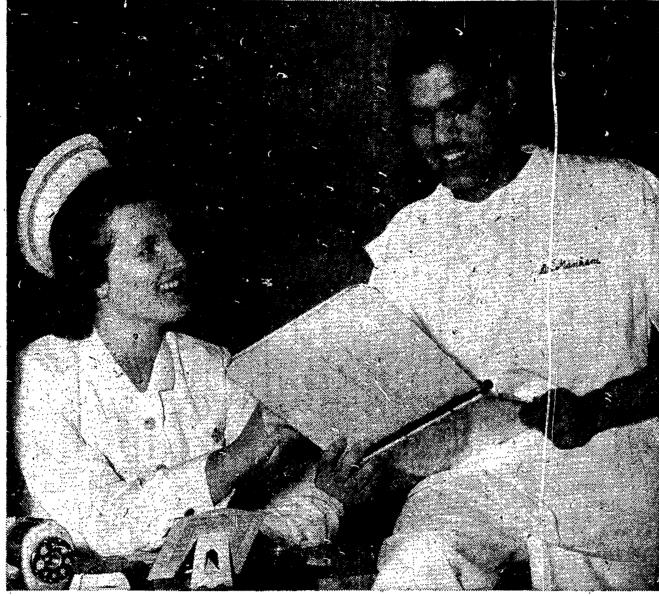

A Topeka, (Kan.), assessor ran across one of the best answers to the question on the tax assessment blank: "Nature of taxpayer." The answer: "Very mean."

At a staff dinner in Bon Secours 'Hospital last October we met two young doctors from India. One was charming Dr. in Herman Kiefer Hospital, beautifully dressed in an Indian gold embroidered scarf with a ruby on her forehead; and our Pointer of Interest, Dr. Hari B. Mankani, who is an interne in Bon Secours.

It was more interesting when we learned that both were from India, at present, constitutes a 160 exchange doctors and interns New Delhi and lived just a few blocks apart but had not met cated. until they attended the dinner in Grosse Pointe some 9,000 miles from their home.

Dr. Hari lost his mother at the age of four years. He was sent to live with an uncle (at one time the Porth Health Officer of Bombay), a surgeon specializing in diseases of the eye, who supervised Dr. Hari's education. After high school, Dr. Hari was graduated from India's oldest medical school, Grant Medical College in Bombay. Before coming to America last fall he served at a government medical dispensary.

# Detroit Training Park Firemen

Park Fire Chief George De-Caussin has disclosed that a number of his men will be given a month's free training by the Detroit Fire Department.

The chief said that the program, which began on December 15, calls for two firemen, one from each unit of the department, to undergo training. A

total of eight will participate. He said that the men report to the Detroit Fire Training School just as they would to their regular department, and besides training, participate in regular

GPHS Journalism Student The National Merit Scholarship Program conducted in all high schools through out the country to enable all students to attend college is a protege of the Ford Foundation.

Four Grosse Pointe High School seniors have become semifinalists in this program. They are Phyllis Getschum, Burke Archart, Susan Evely, Oscar Marx and Stanley Armstrong. Twenty-five of the top five

percent of Grosse Pointe High School's 1956 senior class took the preliminary screening tests. The final winners will receive four-year college scholarships, covering up to full tuition and living expenses depending on personal needs. These scholarships may be used in any ac-

Now that sky motels are opening up near small airfields all across the country . . . and fares are now lower for cross country flights . . . it looks as though you and you will be off to somewhere. This year why not try wearing separates . . . bermuda shorts / . . skirts . . . and sleeveless blouses that repeat the color of the room you live in or blend with the colors of your new car? A complete line of Clothes Suburbia are whisking in daily at Margaret Rice's, 76 Kercheval, on the hill.

And there are still more things . . . things that are new . . . to talk about. F'r instance. The very handsome and practical mirrors at Trail Pharmacy, on the hill. It's good dressing table talk . . but you can put one wherever you fancy. Lucite or ebony trim. 121 Kercheval, on the hill.

As we herald the New Year . . . Mr. Parker, a manager at Irving's new shop on the hill, wants to thank Grosse Pointe for their wonderful patronage in 1955. And you can make a safe bet that Irving's will strive to please you this year in bringing you the clothes and accessories you really want.

If you have time for the ocean . . . this is for you. Evening clothes for the Captain's party on the last night are as much of a necessity as are the sports clothes and the Dalton cashmeres you need for the morning game of shuffleboard. Everything . . . but everything . . . for travel is here under one roof at Margaret Rice's, 76 Kercheval, on the hill.

Bright idea. Team your Christmas Camera with a good projector. Chances are it will take excellent color slides. And this is a sure way to get the most out of the color pictures you have. There are so many improvements on projectors, why not stop in at the Camera Center, in the village, for a demonstration on the new automatic ones?
