A COMMUNIQUE, issued at the close of a three-day conference between President Eisenhower and British Prime Minister Anthony Eden, said that the United States and Britain are moving toward more trade with Red China. The communique said that although controls are to continue, they will be reviewed periodically. It also said that the United States has provided powerful support for Britain's policy in the Middle East. The two countries jointly pledged their readiness to act to keep the peace in that area. Mr. Eisenhower and Eden called on Israel and the Arab nations to "reconcile their positions" in the long, bloody Middle East dispute.

Friday, February 3

REFUSING to take no for an answer, Russian Premier Niko-lai Bulganin repeated his offer to President Eisenhower for a 20-year peace pact between the United States and Russia. He appealed to the President to "harmonize" American-Soviet relations by signing the friendship treaty.

Saturday, February 4

A BRIBE CHARGE jarred the U. S. Senate which was debating the passage of a bill to lift Federal controls on natural gas prices. Senator Case (D., S.D.) reported to his colleagues that \$2,500 had been placed in his re-election campaign fund in the apparent belief that he would vote for passage of the gas bill.

Sunday, February 5

AN ALLEGED ATTEMPT to bribe Senator Case (R., S. D.) will be investigated by the Justice Department. The Senator hinted that he had given the name of the alleged briber to the FBI, but refused to divulge the name to his Senate colleagues. Both Democratic and Republican Senate leaders announced they will act on Monday to set up a special committee to investigate a charge in which Case said an unnamed lawyer had contributed \$2,500 to his campaign fund, after ascertaining that Case favored passage of a bill which would lift Federal control on natural gas. The FBI will act at the request of Acting Atty. Gen. William P. Rogers.

Monday, February 6

RUSSIA PROTESTED to the United States about the sending of balloons over Russian territory. A Soviet note published by the official news agency Taas, charged American military organizations have been sending the balloons carrying radio equipment and automatic aerial cameras.

Tuesday, February 7

The natural gas bill was passed by the Senate by a vote of 53 to 38, and was sent to the White House for President Eisenhower's signature. A count of the party vote showed that 31 Republicans and 22 Democrats voted in favor; and 14 Republicans and 24 Democrats were against the measure. Both Senators of Michigan, Potter (R) and McNamara (D) voted against the bill, which would free natural gas from Federal controls. The President has given no indication that he will sign the bill.

Wednesday, February 8

This happened in Inglewood, Calif. Two attorneys were cited at the same time on identical charges of speeding. They decided to defend each other and appeared before Inglewood Judge Lester O. Luce. Attorney Dudley Gray of Gardena, was found guilty as charged and fined \$10. Attorney Daniel J. Bloomgarden was found not guilty and acquitted. A puzzled member of the court audience asked Gray to account for his conviction when Bloomgarden was set free. Said Gray, "I can only conclude that my colleague had a better lawyer."

## Legion Auxiliary Presents Flag to Brownie Scouts

Members of the auxiliary of American Legion Post 303 made a flag presentation to Brownie Troop 1723 of the Mair School on January 31. MRS. RUTH ALLEN, auxiliary president, left, looks on while MRS. HARRIET KREZENSKI, American Legion chairman, presents the flag to LINDA PRICE. On the right are MRS. BRUCE HINES and MRS. LOUIS KUKOLIC, leaders of the troop.

## To Install New Signal On The Hill

Farms Council Orders Placing of Additional Traffic Light at Hill Place.

Installation of a new traffic light at Kercheval avenue and Hill place was approved by the Farms council Monday night. The light was recommended after a survey made by traffic engineers, and will operate simultaneously with the one at Muir road, approximately 100 feet away.

Three sides of the light, facing both ways on Kercheval and the one from Hill place, will operate normally. The side viewed by drivers leaving the driveway to the municipal parking lot, will operate with a flashing red and a steady signal.

Drivers may proceed after stopping on the flashing red signal, but may not enter Kercheval when the steady red signal is on.

The council feels the placing of the additional light will give added protection to children crossing the street. The bend in the street at this location tends to make crossings difficult and dangerous, it was pointed out.

**NOON LENTEN SERVICES**  
The Detroit Council of Churches' nationally known Noon Lenten Services will begin Ash Wednesday, February 15, at Central Methodist Church, Woodward at Grand Circus Park. Services are held only Wednesday, Thursday and Friday the first week. Thereafter, the services are held daily, Monday through Friday, from 12:10 to 12:50 p.m. The sermon is broadcast daily by radio station WWJ at 3:45 p.m.

## 'Borrowed' Transportation Leads Kids Into Difficulty

Two juveniles, both 14 years old, wanted a car to go to a party, so they helped themselves to one from a used car lot on Jefferson on Friday, February 3.

Park Police Chief Arthur Louwers said that Patrolmen George Blair and Charles French were cruising on Whittier, when they noticed a car with only one headlight.

When the officers attempted to investigate, the driver of the car sped away, stopping in the 1300 block in Yorkshire road. The two occupants leaped from the car and began to run, the officers in pursuit. The driver of the car got away.

## Protestant Women Prepare To Observe World Day of Prayer on Friday, Feb. 17

Special Services Will Be Held in St. Michael's Episcopal Church at 1:30; Visits to Hospitals Also Scheduled

The World Day of Prayer will be observed by Protestant women of Grosse Pointe and neighboring communities on Friday afternoon, February 17, at 1:30 o'clock at St. Michael's Episcopal Church, 20475 Sunningdale.

The service, which uses as its theme a text from John 10:16, "One flock, one shepherd," was written at Cook Training School for Indian Christian Leaders in Phoenix, Arizona, a school which annually receives a part of the World Day of Prayer offering.

**In Indian Tradition**  
Much of it is presented in the Indian American tradition, and includes a version of the Lord's Prayer as written for Indians by one of their admirers. Parts of the service are from writings of the Dakota and Navaho tribes.

Mrs. Lyndle R. Martin of the Grosse Pointe Congregational Church, general chairman of the Grosse Pointe service, is being assisted by Mrs. William A. Howe of St. Michael's Church, vice-chairman, and a large committee of representatives from the participating churches. Wives of ministers who will act as leaders for the service, under the chairmanship of Mrs. Ben L. Tallman from Grosse Pointe Memorial Church, include: Mrs. Andrew F. Rauth, Grosse Pointe Woods Presbyterian Church; Mrs. Frank Eitt, Grosse Pointe Memorial Church; Mrs. Marcus W. Johnson, Congregational Church; Mrs. Ervile B. Maynard, Christ Episcopal Church; Mrs. Hugh C. White, Methodist Church; Mrs. Robert P. Beck, Grace Evangelical Reformed Church; and Mrs. Edgar H. Yeoman, St. Michael's.

**To Care for Children**  
In charge of details for the hostess care for young children during the time of the service are Mrs. C. A. Windsor and Mrs. William A. Howe, both of St. Michael's. Mrs. Wilson Bryce of Grosse Pointe Woods Presbyterian Church, is chairman for Indian American guests who will participate in the service. (Continued on Page 2)

The awards were presented during an annual MPA convention held January 27-28, in the Kellogg Center at Michigan State University.

## Young Burglars Get Jail Terms

Two 17-year-old Detroit boys were convicted of burglarizing two Farms business places and given a heavy sentence by Circuit Judge W. McKay Skilman on Tuesday, January 31.

The two youths, Ebenezer Anthony of 653 E. Willis, and Kenneth Bradford of 681 Bradford, were found guilty of breaking into a barber shop at 18554 Mack, and a restaurant at 18584 Mack, within a space of 45 minutes, on December 3.

The boys were arrested by Detroit police that same evening as they attempted to break into a Detroit store. Anthony was sentenced to 3 to 15 years, and Bradford 2½ to 15 years in Jackson Prison.

## Icy Streets Account for 15 Accidents

2 Persons Suffer Fractures In Falls; 12 Traffic Mishaps Blamed On Weather

Two persons were seriously injured in falls and 12 traffic accidents occurred as a result of the icy blanket which covered the Pointe on Monday, February 6.

A City police report disclosed that Mrs. Celina Wright of 695 Lincoln road, slipped on the front steps of her home and suffered a broken leg.

**Breaks Arm in Fall**  
In the Woods, Gerald Dew-hirst of 882 Sunningdale drive, while going to a mailbox near his home, slipped and fell in his driveway, breaking his arm.

The Farms reported that Mrs. Mabel Dudley of 153 Cloverly, slipped and fell on her property, and was taken to Cottage Hospital, where x-rays were taken to determine how badly she was injured.

The Shores was the only Pointe which reported no traffic or pedestrian accidents.

**Four Crashes in Park**  
The Park revealed icy pavements were responsible for four traffic accidents, two of them minor.

The City had five accidents, two of which were minor. In one accident, a truck struck a bus at Washington and Mack.

The bus was stopped and a woman who was about to leave the vehicle was knocked against the bus post, bruising her shoulder and chest.

The Farms reported two accidents and the Woods only one, all of which were minor.

## To Air Condition Farms Offices

Plans to air condition the city offices and fire and police departments in the Farms municipal building were approved by the council at Monday night's meeting.

Cost of the project will be \$7,382. The work will be completed before summer.

**MAKE 14,103 ARRESTS**  
Michigan State Police made 14,103 arrests during December, according to the department's monthly report. Of these, 13,108 were for traffic offenses. There were also 461 juvenile arrests, of which 242 were for traffic offenses. Officers made 27,918 property and 3,654 liquor inspections. Department cars traveled 1,117,959 miles in all activities.

## Delay Threatened Again in Opening Of Pool in Woods

St. Clair Shores Fighting Neighboring Community Over Filled-in Land and Refuses Help in Clearing Title

St. Clair Shores may jeopardize the Woods' timetable in the opening of the Wood swimming pool at the lakefront park on Memorial Day. The Woods, which has its 40-acre park just within the southern limits of St. Clair Shores, is involved in a controversy with its neighbor regarding filled-in lake shore lands.

The Shores refused to help the Woods in clearing its title to the artificially-created beach property.

**Cites State Law**  
Woods City Administrator William Lange said that according to present law, title to filled in lake shore property must be cleared and approved by the city wherein it is located, before the title could be cleared by the State Waterways Commission and Conservation Department.

St. Clair Shores Mayor Thomas S. Welsh said that his council hesitated to approve the landfill title because the extension of the lakefront park has shut off part of the mouth of the Milk River, and because the Woods has violated the riparian, or harbor rights of a residential subdivision on the opposite side of the river.

**Denies Any Violation**  
Mr. Lange, in outlining the landfill portion, denied that riparian rights are being violated. He said that the city engineers of both communities met several weeks ago to thresh out the matter and that a solution is still being sought.

Following an edict from the State and Wayne County health Department, which forbids the Woods to re-open its pool next spring without putting in an improved filter plant, Woods voters, in a special election on December 12, approved a \$115,000 bond issue, to carry out the improvements.

Woods officials adopted a time schedule which was to have been followed if the pool was to be opened on time.

## Accident Ends Police Chase

A Shores police officer who was chasing a speeder on Lake Shore road on Friday, February 3, slammed his scout car into the rear of another car which stopped suddenly in front of him.

Shores Police, Chief Fred Duemling said that the officer, Sgt. George LaForest was chasing a speeder south on Lake Shore, when a car driven by Anthony C. Saponaro, 36, of 23115 Edsel Ford court which was in the same lane as the car driven by the officer, suddenly stopped.

Because of the icy section of the road, the police car skidded into the rear of the other vehicle.

Chief Duemling said that Saponaro had claimed a leg pain formed him to stop.

Damage to the scout car was \$150; the amount to the other car was not given. No one was hurt.

## Necessitated By Purchase Of Machines

Council Also Approves Changes Affecting Suspension of Inactive Voters

The delivery of 22 voting machines purchased by the City of Grosse Pointe Farms has necessitated several changes in polling places to permanently accommodate them, it was revealed at a meeting of the city council Monday night.

Precinct Number 1, which has been located in the High School, is now being shifted to the new auditorium-gymnasium. Voters in that precinct are advised to use the Grosse Pointe boulevard entrance to the High School property, where they will be able to use the large parking lot there.

**Precinct 6 Shifted**  
Precinct 6, which has been located in the St. Paul Evangelical Lutheran Church, 375 Lothrop road, is being changed to the Public Works Garage at 311 Chalfonte. A letter thanking the church for its cooperation, was authorized by the councilmen.

Acquisition of the voting machines also enables the Farms to continue to carry on its elections in the seven established precincts. With machines provided, the law allows 1400 registered voters to a precinct.

It was also approved by council that registrations be suspended for all voters who do not cast ballots with two years instead of four, as has been the practice in the past. The two year rule has been in effect in Detroit for some time. It will become effective in the Farms after the next Presidential election.

**To Call Lists Annually**  
The voting lists will be gone through each December following the fall elections and those who have not voted within two years will be notified by mail that their registrations have been suspended.

An application for reinstatement may be filed by the voters whose privileges have thus been cancelled.

The new voting machines will be put into use for the first time at the August primary election.

**Shorten Payment Period**  
Total cost of the 22 machines is \$36,806. A down payment of \$1,806 has been made on them. It was originally proposed to pay the balance in 10 annual payments, five of \$3,000 each and five of \$4,000 each.

At Monday night's meeting the council voted to change the retirement period to seven payments of \$5,000 each.

## Claim School Violates Law

The Farms council is objecting to the use to which Old Kirby School is being put by the Board of Education.

It is claimed that the ancient structure, located right next to the city's municipal building, is nothing more than a warehouse and factory, and is in violation of the city's zoning ordinance.

Since the school was abandoned as a teaching center with the completion of the New Kirby building, the Board of Education has been using it for storage of supplies and also makes repairs of many types there.

The matter was discussed at the council meeting Monday night, but action was deferred until the March 5 meeting.

## Faulty Fireplace Blamed for Fire

The Shores Fire Department quickly extinguished a fire in a new home at 15 Robert John road, on Sunday, February 5, keeping damage to a minimum.

Chief Fred Duemling said that a defect in the fireplace construction allowed flames to shoot up between the walls. The home, used by a real estate company as a model, was vacant at the time of the fire. Damage was estimated at \$200, the chief said.

## School Crossing Guards In Woods Seek Pay Raise

The Woods council turned down a request from the city's school crossing guards for an increase in pay, on Monday, February 6.

Mrs. Frances Renaud of 1986 Stanhope, spokesman for the guards, petitioned the council for a \$1 a day increase.

Mrs. Renaud and the interested women present, were informed that no pay increase could be made until the budget was set for the fiscal year, which is from July 1 to July 1. The guards, who receive \$4 a day while safeguarding children crossing streets during school days, want the extra pay, because of the extra time they put in, over and above actual working time.

Mrs. Renaud claimed that she has been putting in overtime of 60 hours a month, and that the other guards were also doing more work.

Pool Delay Threatened

(Continued from Page 1) mained in the council chamber

To await word from the St. Clair Shores council, which was holding its own meeting.

When word was received, it was said that the St. Clair Shores council had agreed, according to a survey made by Woods City Engineer Edwin Paie, that the filled-in lake shore land at the park, did not violate riparian, or harbor rights, of any of the Shores residents.

However, a move to approve the Woods' title to that portion of the park, hit another snag.

Resident Protests

A Shores citizen, whose home is adjacent to the Woods swimming pool, protested the move through his attorney, claiming that his riparian rights are being violated, and asked that his survey be checked to prove his claim.

Protesting is Harry Southard of 23333 Doremus, who contended that the Woods survey was not correct and insisted that his survey will prove it.

The Shores council agreed to meet on Tuesday, February 21, to check Mr. Southard's claim and possibly to render a decision.

Woods Council Explains Voting Machines Purchase

The Woods Council has recently approved the purchase of 25 voting machines to be delivered in time for the spring election.

The city will make a down-payment of \$12,500 upon delivery and an annual payment of \$10,575.88 on January 1st for a three (3) year period beginning in 1957. The unanimous decision of the Council was prompted by several factors.

City Clerk Brauns reported that all but one of the nine (9) precincts were over the statutory limit of 800 voters for a paper ballot precinct and only one precinct was over the voting machine limit of 1,400 voters.

Drastic changes, therefore, would have to be made prior to the August primary election. It was also pointed out by Councilman Rex Johnston that it is practically a physical impossibility to count the paper ballots in a large precinct without a rest period for the election workers after the polls close and any such relief periods are illegal and cannot be granted.

The Council was reminded that voting machines were being used on an ever increasing scale and that practically all the neighboring municipalities either have already purchased machines or were making plans to do so.

The Council was assured that the machines could be stored in safe and convenient locations between elections. They were further advised that it is impossible to vote in an illegal manner on these machines. Therefore, no voter can possibly be disenfranchised by making a careless error.

After due and deliberate consideration the Council approved the purchase of these machines as being the best solution to this pressing problem.

The method of paying for the machines over a four year period was deemed to be the most equitable as it would not be a financial hardship in any one year.

City Clerk Brauns reported that the machines will be used in the city election in the present precincts. His recommendations for making necessary changes in precincts will be presented to the Council in time for such changes to be effective before the August primary.

The changes will be such that no further changes will be necessary in the foreseeable future.

In 1955, under the jurisdiction of the National Council of Churches, this World Day of Prayer service was observed in 20,000 communities in the United States and in 134 countries throughout the world. The public is invited to attend.

80 Patrol Boys Taken to Circus

The Safety Patrol boys of Trombly and St. Clare of Montefalco Schools, were treated to a good time at the Shrine Circus, yesterday, February 8.

Park Police Chief Arthur Louwers said that 80 patrol boys from the two schools were rewarded for their good work in carrying out their tasks in safeguarding the students of their respective schools, by being given the outing.

Bus transportation and tickets were contributed by an anonymous donor, an associate member of the Park Fraternal Order of Police, Lodge 102.

Chief Louwers said that the patrol boys of Defer and St. Ambrose will receive a similar

treat before the circus leaves town.

The value of experience depends wholly on the after effects.

### 400 Musical Instruments Available to School Kids

If, on a stroll one afternoon, you have encountered a very small boy with a very large tuba, or a very large girl with a very small flute, don't think it unusual. Chances are that you simply have seen a participant in the musical instrument rental program of the Grosse Pointe Public Elementary Schools.

The program is sponsored by the music section of the Department of Instruction. Dr. H. Leroy Seimeier is the Director of this Department.

**400 Instruments In Use**  
The rental program began in the fall of 1952 with 60 school-owned instruments. Today, there are 400 such instruments available on a rental basis to interested children in fifth and sixth grades. For \$5.00 a semester the prospective young musician may select a stringed instrument such as the violin or cello, a woodwind such as the clarinet, or a brass such as the trombone.

Rental of a particular instrument is limited to two semesters per child except for large instruments, such as the cello or tuba, which may be rented continuously for three or four semesters. Free instruction is given at least twice weekly by the music teacher of each elementary school.

The most popular instruments as selected by the budding instrumentalists are the violin, the clarinet, and the cornet with about 140 requests for each. Other selections are made from a dozen different instruments.

By beginning their training with a major instrument in the brass, wind or string family, the children experience satisfying progress in the initial stages of their training. Later, they may switch to a different instrument in the same family as they notice opportunities to become members of secondary school orchestras or bands.

**600 Take Lessons**  
Out of a total fifth grade enrollment of about 700, over half of the youngsters participate in the instrumental music program—375 individuals. Of the

### World Day of Prayer Set for February 17

Women of all the local Protestant churches are combining forces to make the annual World Day of Prayer on February 17 a great success. St. Michael's Episcopal Church will be the scene of this year's observance. Pictured are, left to right: MRS. BEN L. TALLMAN, leader chairman, and MRS. LYNDEL R. MARTIN, general chairman.

700 youngsters in sixth grade, one out of three participates—237 boys and girls. Although many own instruments, the majority of the children use rental instruments for this musical experience.

Rental plans similar to this are in operation in a majority of school systems comparable to Grosse Pointe. The purpose of the rental plan, according to Mrs. Winnifred Fenton, Elementary Music Counselor, is to enable young people to try out one or more musical instruments rather than buy one before being certain that they really want to play.

After a semester with a rented instrument, the child and his parents can then decide whether or not to purchase an instrument at a music store of their own choosing. Many of the little musicians follow this sensible practice.

**Financially Self-Sustaining**  
Financially, the program is practically self-sustaining. The rental fees provide for repair and replacement of defective instruments. Additional new instruments are purchased from fee receipts as the rental program expands.

As a consequence of the success of the elementary school instrumental program, both Pierce and Parcels and the High School music departments have introduced cadet music groups to accommodate the instrumental-trained young people.

**Concerts For Novices**  
As a spring activity, over 200 of the instrumentalists will play in two afternoon concerts. On Wednesday, March 7, at 1 o'clock in the Parcels auditorium, over 100 of these young musicians will join those Parcels musicians occupying first and second chair to present their one and only public concert. The schools represented will be Ferry, Mason, Monteith, New School and Poupard.

On Thursday, March 8, at 1 o'clock in the Pierce auditorium, another 100 from Trombly, Defer, Maire, Richard and Kerby will join first and second chair Pierce musicians in a similar concert. There is no combined rehearsal, the actual concert being the only occasion at which the entire group meets.

People would probably give up trying if they knew the Joneses were having trouble keeping up with themselves.

It's easy to invent a scheme, but difficult to make it work. The man who takes his own time often robs another of his.

### Two to Speak On Legislation

The public is cordially invited to hear Senator Harold M. Ryan (D) and Representative Robert E. Waldron (R), representing the east side and Grosse Pointe areas in the Michigan legislature, at a meeting at the Grosse Pointe War Memorial Center at 8 p. m. on Friday, February 10.

The need for changes in Michigan's constitution as well as problems before the present session of the legislature are the topics to be discussed during the evening.

Members of the audience will have an opportunity to question their representatives on such matters as improvement of state highways, state aid to education, the mental health program, etc.

The meeting, which is sponsored by the Grosse Pointe League of Women Voters, will be moderated by Mrs. Willis Bugbee, attorney-at-law and a member of the league.

Senator Ryan has an LLB degree and has been a practicing attorney since 1935. He served as Assistant Prosecuting Attorney in 1945-46 and has been in the state senate since 1949 where he has proved himself to be an active and capable administrator.

Representative Waldron, LLB, has practiced law since 1949. His past political experience includes such positions as precinct delegate, 1952-54, and chairman of the Wayne County Federation of Young Republic-

ans, 1953-55. He was elected to the state legislature in 1954. The original home of the honeybee was Southern Asia, probably including the eastern shores of the Mediterranean Sea.

**Center Offering Garden Lectures**

In spite of the snow, garden plans are made in the winter, so with this in mind the Grosse Pointe Garden Center is featuring a series of six free lectures under the direction of the Pointe Garden Club.

Mrs. Richard Forsyth is chairman of the planning committee, assisted by Mrs. C. Bayard Johnson, Mrs. Clarence Fox, Mrs. Albert Law, Mrs. Frederick Whitney and Mrs. Taylor Seeber.

The lectures will start on Wednesday, February 22, at promptly 2 p.m. at the Grosse Pointe War Memorial Center, and continue for five consecutive Wednesdays.

All members of the Grosse Pointe Garden Center and their friends are most cordially invited.

A new feature of this year's program is a served luncheon which will be served before the talks at 12:30 at a cost of \$1.25. Reservations may be made by calling TUxedo 1-6030 or TUxedo 1-4594.

The first speaker on February 22 will be the Reverend Mr. Harold F. Thompson of Birmingham, Michigan; topic, "African Violets" and Their Cultivation."

The second speaker on February 29, Mr. Hurand Hampikian, of Detroit; topic, "Contemporary Garden Design."

The third speaker on March 7, Dr. H. L. R. Chapman, of East Lansing; topic, "Shrubs for the Home Garden."

The fourth speaker on March 14, Dr. Hugh Stalker; topic, "Gardening Can Be Fun."

The fifth speaker on March 21, Mrs. Frank Webb of Birmingham; topic, "Continual Bloom in the Garden."

The sixth speaker on March 28, Frank Vaydik, Detroit; topic, "Spring Preparation of the Garden."

**Symphony Sets Kids' Concert**

The Detroit Symphony Orchestra will present its final Young People's Concert of the season Saturday, February 11, at 11 a.m., in the Masonic Auditorium. Valter Poole will conduct.

Featured on the program will be the Don Large "Make Way for Youth Chorus" and Arthur Cooper, Detroit Symphony percussionist.

The chorus will sing Earl Robinson's "Ballad for Americans" and the famous Fred Waring arrangement of Steffe's "Battle Hymn of the Republic." Cooper will present his fun specialty "The Worried Drummer" by Schreiner, a perceptively introduction to the orchestra's many percussive instruments.

Poole has also programmed Berlioz' "Rakoczy March," the scherzo from Tchaikovsky's Symphony No. 4 in F minor, and Rimsky-Korsakov's "Spanish Caprice."

The 55-voice "Make Way for Youth Chorus," a best-seller recording group and network feature, originated at Detroit radio station WJR. Under Don Large's direction it has become one of the most important organizations engaged in the development of young people through music to be found in the city.

The Young People's Concerts are sponsored by the Junior Leagues of Birmingham and Detroit, the Women's Association and the Junior Women's Association for the Detroit Symphony.

**Gasoline Leak Alerts Firemen**

Hundreds of gallons of gasoline which seeped from gasoline tanks of the Moir Service station, Fisher and Maumee, and drained into City sewers, created a dangerous situation, it was disclosed by the City Fire Department.

Discovery of the leakage was brought about when a repair crew of the Michigan Consolidated Gas company, in making their own repair on Friday, February 3 lighted a small fire, to keep warm, near a sewer opening. Gasoline fumes caused a slight explosion. The explosion was reported to the City Fire Department.

City Fire Captain Harry Rivard said that an investigation showed that there was considerable leakage of gasoline from the tanks of the gas station. It was estimated that on Thursday, February 2, alone, at least 360 gallons of gasoline seeped into the sewers.

The captain said the loss of the inflammable liquid could possibly be about 2,000 gallons over a few days period.

A City fire inspector was placed on watch while repairs were begun and the Farms Fire Department was alerted for possible emergency, it was said.

The leaky tank was replaced during the weekend.

**Court of Honor Held By Scouts**

Tom Harrett, of 1128 Wayburn, received his Eagle Scout badge last Thursday during Troop 147's Court of Honor. Silver Beaver winner Ben Kushner, of 1422 Maryland, made the presentation on behalf of the Detroit Area Council.

Scoutmaster Ted Granger presented second class badges to Dale Johnson, 1123 Balfour, and Ted Darany, 1315 Nottingham. Troop 147 also received a special award from the Detroit Area Council for high achievement in outdoor camping. Grosse Pointe Commissioner Paul Kolvoord, 1248 Lakepointe, made the camping presentation.

Shortly after award ceremonies, patrol leaders of Troop 147 completed plans for another weekend campout at Charles Howell Scout Reservation near Brighton, Michigan. "We don't intend to rest on our past laurels," Troop Chairman Earl Hoyt remarked.

Mr. Hoyt, of 1297 Nottingham, was inaugurated for the incoming year. He received the gavel from retiring chairman Monte J. Edelen, 1176 Balfour.

**Invited To CD Program**

The Grosse Pointe American Legion Auxiliary's Junior Group will sponsor a Civil Defense program at the Post Home, 20916 Mack avenue, on February 11, at 3 p.m.

The meeting will be addressed by George Elworthy, director of Civil Defense for the Grosse Pointe area.

A film produced especially for the Civil Defense Department will be shown before Mr. Elworthy's talk.

The public is asked to attend. This invitation has been extended because of the concern expressed by the Civil Defense heads in Washington over the apathy of the general public toward the program.

Mrs. Elizabeth Le Blanc, chairman of Junior Activities for Grosse Pointe, Unit 303, plans to hold initiation ceremonies at 2 p.m., one hour before the scheduled start of the main program.

Ray-Ban sun glasses for your outdoor activity!

Whether you hunt, fish, ski or enjoy pounding that small white ball over large portions of real estate, there's a special Ray-Ban Sun Glass for you. There's one for every purpose! HUNTERS, who often double-in-brass as SKEET SHOOTERS,

prefer Ray-Ban Shooting Glasses. Their impact-resistant lenses provide protection from eye injury as well as scientific glare protection. SKIERS, BOAT OWNERS and others who take their sport over snow or water, like Ray-Ban Sun Glasses with Double Gradient Density. Graduated metallic coatings at top and bottom of lenses screen out overhead glare and reduce sharp reflections from snow or water. GOLFERS—frequently all-around sportsmen—wear Ray-Ban Sun Glasses with the regular green lens. THOUSANDS prefer the new G-15 lens for extremely bright sun light and exact recognition of colors. Each of these Ray-Ban lenses is available in a variety of frame styles.

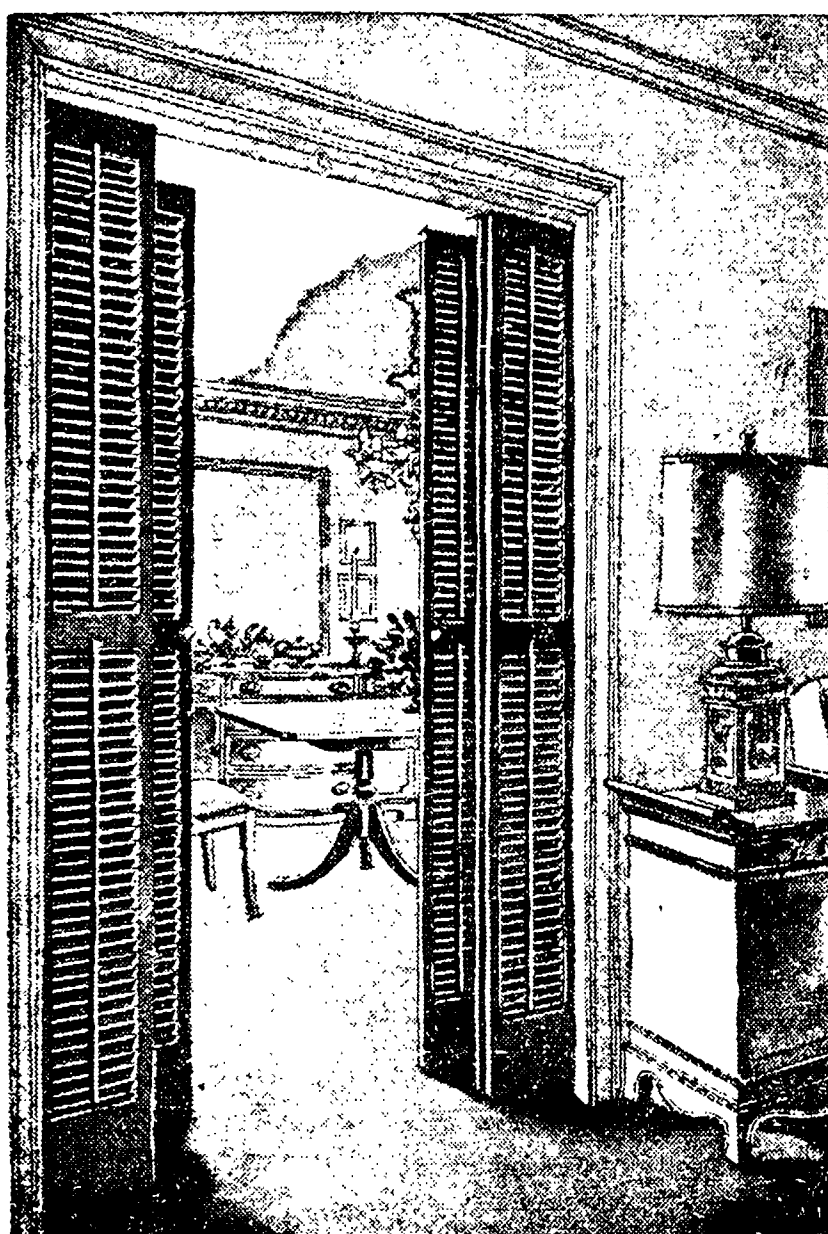

STOP HERE and ask to see the Ray-Ban Sun Glass Selector. It will help you choose the right sun glass for your outdoor activity.

Group to Hear Talk on India

The Sunday Evening Talkers of the Grosse Pointe Unitarian Church, 17440 E. Jefferson, will have a distinguished and interesting guest, Suresh Chandra Srivastva of Ballia, India, at 8 p.m. on February 12.

Mr. Srivastva came to this country from the University of Lucknow on a Merrill-Palmer Fellowship and expects to spend the next two years getting his Ph. D. in Social Psychology at the University of Michigan.

He will talk on any aspect of life in India, preferring to answer questions rather than making a formal talk, so the Talkers expect to query him about family life, political situations, Nehru and what else comes to mind.

Visitors are cordially invited.

Center Plans Model Show

Because of conflict with the Grosse Pointe Symphony Orchestra's concert on the 19th the War Memorial is postponing its Model Show announced for Sunday afternoon, February 19, to Sunday, March 4, from 2 to 5 p.m.

It will be a fine display of model cars (General Motors is sending clay models of the dream cars), boats, planes, buildings, dolls, doll houses, trains, model houses and villages, miniature furnishings, etc.

The Center is most anxious to draw upon all the resources of the many hobbyists and owners in Grosse Pointe. If you have interesting items to display won't you let your neighbors enjoy your models too. As many exhibitors as possible will be on hand to tell about their displays.

Mr. Henry Petri is chairman of the show. For further information call TUxedo 1-6030.

Movies Planned For Art Lovers

Artists and art lovers of the community will find interest in a film showing planned for Tuesday, February 14, by the Grosse Pointe Public Library. On that evening, at 8 o'clock in the meeting room of the Central Library at Kercheval and Fisher, a program of art films is scheduled to be shown.

Arranged by the library in cooperation with the Grosse Pointe Artists Association, the program is intended to bring to the community some of the outstanding films on painters and painting produced in recent years.

The program will cover a widely varied field. The old masters will be represented by "Velasquez," a newly produced color film which describes and evaluates the work of the Spanish court painter of the period of Phillip IV. A feature of the film is the narration by Francis Henry Taylor, until recently the director of New York's Metropolitan Museum of Art.

The modern school of painting will be presented in "Matisse" and "Dong Kingman." The Matisse film traces the development of one of the greats of French art, appreciation of whose art heightened by the great retrospective show of his works which toured America a few seasons back. The Kingman film which adds up to a screen biography of one of America's foremost contemporary painters, has won wide critical acclaim, having been an award winner at both the Edinburgh Film Festival of 1955 and the American Film Assembly of the same year.

The middle period of new world art is revived in the new production of the National Film Board of Canada, Jolifou Inn. Composed of stills from the paintings of Cornelius Krieghoff, a genre painter who worked in Quebec in the early 1800's, the film takes its title from the artist's best known painting. To give a view of the work of

one of the most successful of the abstractionists working in film, the program will include two short works by James Davis. As Calder, with his mobiles, attempted to inject motion into

art, Davis has tried, in his films "Analogies No. 1" and "Reflections No. 11," to apply principles of abstract composition to the motion picture. Interested adults are cordi-

ally invited to accept the invitation of the library and the Grosse Pointe Artists Association to attend this program. There is no admission charge.

TAKE-OFF

YET

FIRST THING you need in a car, of course, is power to spark performance.

And you get that in a 1956 Buick in plenty—from big 322-cubic-inch V8 engines that hit new highs in horsepower and compression.

But the power under the hood must be carried to the rear driving wheels in the form of twisting force on the drive shaft.

That's torque—the end-product of your transmission.

And the higher the torque build-up—the greater the "torque multiplication" in starting and accelerating—the better the getaway and response.

So if you want to feel take-off that leaves your breath behind you, come try a '56 Buick with Variable Pitch Dynaflo.

For in this airplane-principled transmission,

Buick engineers raised the ceiling on torque to give you the best getaway yet.

They did it with something they call "double regeneration"—a new way to make flowing oil add to its own velocity.

And when you use the full torque of a Buick beauty like the one pictured above, you're using the highest torque multiplication to be had in any standard-production American automobile today.

Come see for yourself what that means in new thrills and new safety.

You'll find brilliant new getaway response in

the first inch of pedal travel—plus greater gas mileage to boot.

You'll find an electrifying new safety-surge of full-power acceleration when you floor the pedal and switch the pitch.

And you'll find this spectacular performance blended into the smoothest-traveling, the sweetest-riding, the highest-powered and the easiest-handling Buicks yet built. Drop in on us this week—today, if you can—and judge things firsthand.

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

### Jordan Lanz Celebrates Birthday with Friends

Young Jordan Lanz celebrated his seventh birthday Saturday afternoon, February 4, by inviting a dozen of his first grade classmates at Kerby School to a party in the Chalfonte avenue home of his parents, Mr. and Mrs. Carl Lanz.

Circus animals, balloons and a puppet show enlivened the party. Teen-agers Diane Walter and Sheila Silacoff, who put on children's parties as a business venture, provided a varied program of games.

Guests included Cherry Bunge, Libby Crowder, John Ballantine, David Bachelor, Kathleen Jobbitt, Carolyn Ruifrok, Peter Caulkins, James Morarity, Judy Rankin, Barbara Bane, Robert Jacobi, Charlie Reynolds, and Jordan's two brothers, John and Jimmy Lanz.

Mrs. Lanz asked Mrs. John Caulkins and Mrs. Max Crowder to assist her.

### Garden Club of Michigan To Conduct Competition

A competition of miniature mass or line flower arrangements, over all measurement not to exceed 6 inches, is planned for the regular meeting of the Garden Club of Michigan, on Wednesday, February 15, at 3 o'clock.

Mrs. George N. Monro III will be hostess for the meeting in her home in Woodland place.

Mrs. William P. Bonbright II, Mrs. Benson Ford, Mrs. Herbert I. Lord and Mrs. Allan Shelden III are co-hostesses.

### To Wed in Fall

Mr. and Mrs. Bartholomew A. Seymour announced the engagement of their daughter, Kathleen, to William J. Froelich Jr. at a cocktail party on February 2 in their Edgemont Park home.

Kathleen was graduated from the Academy of the Sacred Heart, Grosse Pointe, and is now a senior at Manhattanville College in Purchase, New York. She made her debut in 1954 at the Gotham Ball in New York City and at a tea given by her parents at home.

Bill, son of Mr. and Mrs. William J. Froelich of O'Neill, Nebraska, and Chicago, is a graduate of St. Louis University. He served two years in the United States Navy and is now completing his last year at Georgetown Law School.

A fall wedding is planned.

### Judith Mann's Betrothal Told

Thomas Browning Mann of East Walton place, Chicago, announces the engagement of his daughter, Judith Stewart, to Henry Otis Chapman, Jr.

Miss Mann is the daughter of Mr. Mann and the late Mary Elizabeth Crose Mann of Grosse Pointe. Mr. Chapman is the son of Mr. and Mrs. Henry Otis Chapman of Cedarhurst, Long Island.

Miss Mann is a graduate of Grosse Pointe Country Day School, attended Vassar College and Parson's School of Design in New York. She made her debut in June of 1953 in Grosse Pointe Farms.

Mr. Chapman is a graduate of Lawrenceville School and a member of the class of 1953 of Cornell University where he belonged to the Kappa Alpha Society. He served in the Pacific during World War II and as a 1st Lt. in Korea. Mr. Chapman is now living in Highland Park. He is a member of the Saddle and Cycle Club of Chicago and the Rockaway Hunting Club of Cedarhurst, Long Island.

The wedding will take place in May.

### Club at Center 'Ski-Minded'

Following a weekend of skiing at Snow Valley the young adults of the Grosse Pointe War Memorial have labelled their forthcoming dance at the Center Friday night, February 10, the "Ski Slide."

While the orchestra rests at the half, professional ski movies will be shown.

Dance, movies and refreshments—a complete evening is only \$1.25. All single Grosse Pointers in their twenties and thirties and their guests are welcome. Dates aren't necessary but there is no harm in them. A reminder girls, its Leap Year.

### Harmonie Club Plans Concert

Men's and women's choruses of the Harmonie Club will present their annual mid-season concert Saturday evening, February 11, in the auditorium of the clubhouse.

Several Grosse Pointers belong to these two well-known singing groups, and there is a goodly Pointe representation in club membership, according to Robert G. Keydel, general chairman of the event.

For its other concerts through the year Harmonie's programs are confined largely to classical music, German romantic songs, and favorite American ballads. For the mid-winter concert, however, the program switches to current popular songs selected chiefly from such musical hits as "Showboat", "South Pacific" and "Kismet."

Fred Kendall of Radio Station WJR will participate in these choral selections and also will sing two groups of solos.

Frank Murch will direct the choruses, as usual, and Christine Schlorff will play piano accompaniments.

Preceding the concert announced for 9 p.m., dinner will be served from 6:30 to 8:30 p.m.

### Bride-elect

Mr. and Mrs. Paul W. Rowe of Hawthorne road announce the engagement of their daughter, VIRGINIA JANE, to Wayne W. Clements, son of Mr. and Mrs. F. H. Clements of Saline. The wedding will take place on April 7.

Making both ends meet would be comparatively easy if people didn't buy things their neighbors can't afford to.

### Park Garden Club to Meet on February 13

Members of the Grosse Pointe Park Garden Club will hold their monthly meeting on Monday, February 13.

The luncheon in the home of Mrs. Windsor S. Davies on Audubon Road. The afternoon's speaker is Mrs. Joseph Shoemaker who will play records and show slides to illustrate her lecture.

## From Another Pointe of View

By Kitty Marriott

Mr. and Mrs. John S. Hammond will fly to Jackson on Sunday to attend the monthly brunch meeting of the Ninety-Nines. Mrs. Hammond is a past international prexy of the association for feminine fliers, and currently chairman of the national contest committee.

The Jackson hop, a good two-hour stint by car, should only take the flying Hammonds about 40 minutes. They also attended the January meeting in Flint.

A flying trip to Miami was made by a Pointe group last Friday. Mrs. Joseph A. Vance, Jr., Mrs. Wilbert H. Mack, Mrs. Frank Donovan and Mrs. Karl VanLeuven boarded a plane for a 10-day southern stay as the guests of Mrs. Lee Hills, of the Whittier, at her Miami Beach home.

### Married Twenty-Five Years

Dr. and Mrs. Clarence J. Totte celebrated their 25th wedding anniversary on Sunday with cocktails and a dinner party for 60 guests in their Hampton road home. The Tottes were married a quarter of a century ago in St. Ambrose Church. On Tuesday, February 7, the actual wedding date, they repeated their nuptial vows at an 8 o'clock anniversary mass in Our Lady Star of the Sea Church.

Bouquets of white mums themed the silver and white decorations throughout the house. The Tottes' son, Ty, a junior at Austin High, played piano selections during dinner... with emphasis on such tunes as "Because" and the "Anniversary Waltz." Ty's two grandmothers, Mrs. Beatrice Phillips and Mrs. Henry Totte, were present for the anniversary festivities.

### Honor Attendants Present

Mr. and Mrs. Ralph Brandt came in from Pontiac for the occasion. Mr. Brandt had served as best man for Dr. Totte. Mrs. Ted Koski, who was Mrs. Totte's honor attendant, and Mr. Koski also came to the party. Others on the guest list were the Harold Frears, Dr. and Mrs. Robert Frear, Mr. and Mrs. John R. Wilt, Mrs. Dalton Snyder, Mr. and Mrs. Joseph Nagle, Mr. and Mrs. LaVerne Ansel, the Howard Boltons, Dr. and Mrs. W. Gibson, of Milford; Dr. and Mrs. George Slevin, Mr. and Mrs. Richard Mertz, the Kenneth Reichles and Dr. and Mrs. Frederick Jermain.

More guests included the Robert Pattersons, Mr. and Mrs. Howard Kaser, the Murray MacDonalds, Mr. and Mrs. Ralph Cross, Mr. and Mrs. Milton Cross, Mr. and Mrs. Howard Gandolot, Mr. and Mrs. William Post, Mr. and Mrs. James Nelson, the Earl Hargers, Mr. and Mrs. Gene Gibney, Mr. and Mrs. William LaVigne, the William Wards, Dr. and Mrs. Roy Fonda, Mrs. Walter Phillips, Dr. and Mrs. John Hubbard, Miss Mabel Starling, and Mr. and Mrs. Robert Lehnen.

## Joan Lee Wadsworth Is Saturday Bride

### Becomes Bride of Jonathan Brock in Ceremony in Christ Church; Reception Follows in Country Club

Christ Church, Grosse Pointe, was the scene of the February 4 rites at which Joan Lee Wadsworth became Mrs. Jonathan Brock. The Rev. Erville B. Maynard read the service at 4 o'clock.

Parents of the couple are the Harold Lee Wadsworths of Cloverly road and Mr. and Mrs. Sidney L. Brock Jr., of Denver, Colo.

After a reception at the Country Club, the newlyweds left on a wedding trip to Jamaica. They will make their home in Denver.

For her wedding, the bride wore gardenia white silk taffeta. Seed pearls sprinkled the scoop neckline which was outlined in rembroided Alencon lace, and the voluminous skirt swept into a chapel train. A small cap of heirloom duchess lace held her fingertip illusion veil. She carried a bouquet of stephanotis, white spray orchids and ivy.

Identical gowns of sea blue silk cristalette were worn by the bride's six attendants, who carried cascade arrangements of narcissus and daffodils.

Mrs. Murray W. Sales, III, was her cousin's matron of honor. Bridesmaids included Mrs. Caleb F. Gates, Jr., of Denver, sister of the bridegroom; Mrs. Harold LeBlond, Jr., of Aiken, S. C.; Mary O. McKean, Betty Hansen, and Mrs. Robert S. Cudlip.

Thomas P. O'Rourke, of Denver, performed the duties of best man. Caleb F. Gates, Jr.; John S. Potter and Bruce Porter Arneil, all of Denver; Sydney Howe, of Montreal, and Murray W. Sales, III, escorted guests to their seats in the church.

**Dinner to Be Served By Christian Mothers**

A roast beef dinner will be served by the Christian Mothers of St. Matthew Church on February 19, from 2 to 6 p.m., in the auditorium of the new church, Harper at Whittier. Donations will be \$1.50 per adult, 75 cents for children.

## Sally Ann Hubbard Weds Donald Paschal

Reception in Home of Bride's Parents Follows Candlelight Service on Friday in Point Memorial Church

A double ring candlelight service at 4 o'clock Friday afternoon united in marriage Sally Ann Hubbard and Donald Raymond Paschal, son of Mr. and Mrs. George Reed Paschal of "Fernbrook", Profit, Va. Dr. Frank Fitt heard the pair exchange vows in Grosse Pointe Memorial Church.

The bride, daughter of Mr. and Mrs. Henry Hudson Hubbard of Muskoka road, wore deep ivory satin with appliqued yoke, full skirt and cathedral train. Her heirloom lace fingertip veil was originally worn by the bridegroom's great grandmother. She carried a prayerbook surmounted with a white orchid, stephanotis and ivy.

Martha Hubbard was her sister's maid of honor. Mrs. William H. Race and Mrs. Charles Quentel, of Milwaukee, Wis., attended as bridesmaids. With their light blue iridescent taffeta frocks, they had hats of darker blue velvet and carried cascade bouquets of tiny white and yellow narcissus and ivy.

The bridegroom asked his cousin, R. Shanton Granger, of Atlanta, Ga., to be his best man. Ushers included the bride's brother, Henry H. Hubbard III; William H. Race, and Carleton W. Pierce, of Montreal. John Veech and Sidney H. Morgan were senior ushers.

After a small reception at the Hubbard home, the couple left on a Northern wedding trip. For traveling, the new Mrs. Paschal changed to a charcoal sheer wool sheath dress, three-quarter camel hair coat and black accessories.

They will reside in Charlottesville, Va.

## Neighborhood Club Elects

At the recent annual meeting held in the Neighborhood Club the following officers were elected for the next year:

Mrs. Henry M. Campbell, president; Mrs. W. Warren Sheldon, first vice-president; Mrs. Dexter Ferry, second vice-president; Mrs. Douglas Campbell Jr., third vice-president; and Mrs. John French, fourth vice-president.

Also Mrs. Douglas Campbell, Jr., corresponding secretary; Mrs. Julian P. Bowen, assistant corresponding secretary; Mrs. Henry T. Bodman, recording secretary; Mrs. Richard Turner, assistant recording secretary; Mrs. Berrien C. Eaton Jr., treasurer; and Mrs. James Turner, assistant treasurer.

The club was closed a few days last week while a new gas furnace was installed. The building and gymnasium are opened again with all activities resuming.

Porcupine Mountains state park, in Gogebic and Ontonagon counties, is one of the largest state parks in the United States. Its 42,000 acres feature the state's tallest mountains, virgin hardwood forests, scenic Lake of the Clouds and winter sports.

## DAC Reveals Social Events

Highlighting Detroit Athletic Club's February social calendar will be two important events. The larger will be the six-night dinner-dancing floor show gala opening Friday, February 17, and going on through the 23rd.

The other, to take place Tuesday, February 14, is the DAC Squash-Handball Association's Valentine party staged especially to honor the wives. It will be a resumption of the group's annual mixed party which they had by-passed the last few years.

Entertainment star of the February 17-23 dinner-floor show will be Joey Bishop, the inimitable comic. Sharing the bill will be Doraine and Ellis in a costumed singing act titled "Romance in Song." In private life they are Mr. and Mrs. Ellis Lucas.

Planners of the Valentine Party are officers of the Squash-Handball Association and they have issued invitations, colorfully decked with red heart and arrow, to the members and their ladies.

Arrangements are in charge of Grosse Pointe W. William Laitner of Cambridge road, the group's vice president, together with Phillip E. Marion, president, and John R. Donahue, secretary.

Squash and handball matches will start at 5 p.m. with the distaff side as spectators in the gallery overlooking the courts on the club's fourth floor.

At the same time, a cocktail party will be going on in the lounge at the swimming pool, enabling non-players and the feminine contingent to visit between times.

Dinner will be buffet style at 8 o'clock in the main dining room, as a section of the DAC's Tuesday buffet. There'll be dancing to Leo Reisman's orchestra.

On the floor show side, a few of the Grosse Pointers with early reservations are the Lee Roy J. Scotts, Dr. and Mrs. Albert Ruedemann, the A. J. Fishers, Jr., the Arthur C. Beaumonts, Mr. and Mrs. Ralph E. Cross, the George Gardellas, the K. W. Cunninghams and Dr. and Mrs. J. Hilliard Hicks.

## Guid Program Seeking Religious Art Sponsors

Ecclesiastical Arts Guild will present its sixth annual art exhibit from May 15-26. The guild program encourages artists of all faiths to produce religious arts and crafts for church, home or personal use.

Individuals, groups or business firms are again invited to participate in this work of spreading religious art by donating cash prizes for the coming show. Last year's presentation of awards was made on a television broadcast.

Officers and board members of the Ecclesiastical Arts Guild are Joseph DeLauro, Pegg C. Cruger, Edgar Jaeger with deputy Joffre Hyde, Gerald G. Diehl, Berta Thimm, Fritz Blumenau, Margaret Bouchez, Eva Klein, Ferenc Varga and Nancy Wayne.

Information concerning awards may be had by calling Gerald Diehl, WO 5-1872, or Berta Thimm, TU 1-5670.

Jurors for the exhibit will be Rev. Fr. Anthony Lauck, C.S.C., professor of sculpture at Notre Dame University; Franklyn Page, of the Detroit Institute of Arts, and Sarkis Sarkisian, of the Detroit Society of Arts and Crafts.

## Dinner Being Sponsored By St. Philomena Society

The Altar Society of St. Philomena Church, Marseilles at Mack, is sponsoring a roast beef dinner on Sunday, February 12, from 1:30 to 6 p.m. in the parish hall. Donations will be \$1.50 for adults; 75c for children.

In a double ring ceremony in Grosse Pointe Memorial Church on February 3, the former SALLY ANN HUBBARD, daughter of Mr. and Mrs. Henry Hudson Hubbard of Muskoka road, was married to the son of Mr. and Mrs. George Reed Paschal of Profit, Va.

## Exchange Vows In Mt. Clemens

Carolyn Salliotte Foley, formerly of the Pointe, was married at St. Peter's Catholic Church, Mount Clemens, on January 28, to William Henry Katzenmeyer of Kensington road.

The bride is the fourth generation in her mother's family to be married in St. Peter's. Her parents are Mr. and Mrs. Hugh Vincent Foley of Mount Clemens. The bridegroom's parents are Mrs. Myron Heary Katzenmeyer of Hillsdale, and the late Mr. Katzenmeyer.

Given in marriage by her father, the bride wore a gown of ice-blue silk fashioned in a slim floor length sheath with a full back-swept overskirt. A fingertip veil of ice-blue illusion was held in place with a crown of fresh English ivy. She wore an heirloom diamond sunburst; ivy-green satin slippers, and pale blue kid gloves. Her bouquet was of white hyacinths and ivy.

Her only attendant was Karen Katzenmeyer, sister of the bridegroom.

John Bates of Ann Arbor was best man. Ushers were Joseph Keane, and Richard Muerer of the Pointe; and David Hayhow of Pontiac.

Mrs. Foley chose a silver blue shantung dress with a matching

hat for the wedding. Mrs. Katzenmeyer wore a black silk gown with aqua accessories. Each wore a corsage of white camellias.

Following the noon ceremony officiated over by Rev. Paul Heenan, a wedding breakfast was held in the Hillcrest Country Club. An afternoon reception was held in the home of the bride's parents.

The couple left on a wedding trip to a Northern Michigan ski resort.

## AAA Officer To Give Talk

Several hundred men are stationed in the Grosse Pointe area as part of the U.S. Army defense and security system. Major Wesley C. Sager, Commanding Officer of the 99th Battalion will describe that system when he speaks to the Women's Alliance at the Grosse Pointe Unitarian Church, 17440 E. Jefferson, on February 14 at 1:30 p.m.

Major Sager will show two films, one describing the general anti-aircraft defense of the United States and the other, specific anti-aircraft artillery.

He will discuss an integral part of that system, the relationship of the men to the community in which they are stationed. These men, many of them far from home, would like to have a positive and participating relationship with the community.

Major Sager says they would appreciate learning of church, recreational or social functions to which they would be welcome, and if he is notified of such events, he will bring them to the attention of the men in the Battalion's paper. Major Sager should be addressed at HQ, 99th Bn., Park Grove P.O. Office, Detroit 5.

The Women's Auxiliary of the Grosse Pointe Unitarian Church is, one of the groups cooperating with the USO in providing refreshments at monthly entertainment parties. The alliance will take its turn on March 8 at the Algonquin Base.

## Dr. Harrison Sadler Addresses Interested Audience at Center

Dr. Harrison Sadler, psychiatrist, told a fascinated group of more than 200 women in a subtle way last Friday that they need not drive paths to the analyst's couch if they face life realistically and squarely.

In presenting woman's role in the scheme of life, he went back as far as the Garden of Eden and carried the theme to the twentieth century. To the audience at the Grosse Pointe War Memorial Center for the third of six lectures on "Women in a Changing World," sponsored by the Grosse Pointe branch, American Association of University Women, it appeared at times that Dr. Sadler was as much a poet and philosopher as a psychiatrist.

He brought to mind the old analogy of the writer brothers, James, William James, the psychologist, it is said, wrote about his subject in beautiful prose whereas his brother, Henry James, wrote sheer psychology in beautiful fiction form. Dr. Sadler's talk impressed his listeners as being a composite of the two James' writings.

Dr. Sadler was introduced by Mrs. John G. Scales, president of the Grosse Pointe Woman's Club, who spoke of his training in Maryland and New York and his service in the Navy during World War II.

His ship was sunk during the Normandy invasion and he ended his duty at the U. S. Naval Academy at Annapolis. During this period his interests began to shift toward the emotional factors in illnesses and he became a fellow for a three-year course at the Menninger Foundation School of Psychiatry.

Dr. Sadler then assumed a teaching role in the department of psychiatry at Wayne University, where he continues as an associate professor. He is on the staff of many Detroit hospitals, is active in the school mental health project and a member of the Mayor's Committees on Children and Youth, and on Skid Row.

He is a member of the American Psychiatric Association and is associated with the New York Psychoanalytic Institute, as well as being on the staff of the Merrill-Palmer School as an active consultant. He is a Grosse Pointe resident with his wife and two young daughters.

Dr. Sadler's stand is that we always have to begin by seeing a person's particular situation as reality and we must never say you "ought," "should," or "must," or the negatives of these.

"Every struggle is one to adapt ourselves to a new situation, an attempt at adaptation to get our equilibrium. We can ourselves ferret out the unconscious forces though we're in the habit of trying to protect ourselves when dealing with problems."

As to the large problem of how do you get a philosophy, even Emerson in his long Essay on Self-Reliance proved you have to do it for yourself: "You have to allow your thoughts to take form. You grow through perceptions, thoughts and feelings."

The idea of growth is associated especially with the child from one to twelve when the capacity is greatest. A child who is given loving care will

## Diane Thompson Wed To Milton Gkekas

Repeat Vows at Saturday Afternoon Ceremony in Memorial Church; to live in Port Huron After Washington Trip

Diane Elizabeth Thompson and Milton William Gkekas were married Saturday afternoon in Grosse Pointe Memorial Church, with the Rev. Paul F. Ketchum officiating.

The bride is the daughter of Mrs. Willis Stapleton Thompson of Somerset road and the late Mr. Thompson. The bridegroom is the son of Mrs. Anthony Holvean, of Port Huron, and the late William Gkekas.

Given in marriage by her brother, Willis S. Thompson Jr., the bride wore a gown of Chantilly lace and tulle over satin, fashioned with scoop neckline, basque waist and chapel train. A pillbox cap embroidered with seed pearls held her fingertip illusion veil. White orchids, stephanotis and ivy were in her bouquet.

Honor maid Delores Doll, of Flint, was gowned in light blue taffeta and carried pink carnations with deeper-toned sweet-heart roses. Wearing gowns identical to the honor attendant's were bridesmaids Lillian Gkekas, sister of the bridegroom, Phyllis Frank and Victoria Wehmeier. Their flowers were pink carnations.

Michael Gkekas served as his brother's best man. Dr. David S. Thompson, the bride's bro-

Becomes Bride of DuWayne John Peterson, Jr. in Memorial Church; Reception Follows In Lochmoor Club

A reception at Lochmoor Club followed the double ring ceremony Saturday, at which Nancy Ruth Venderbush became Mrs. DuWayne John Peterson, Jr. The Rev. Paul F. Ketchum officiated at the 4 o'clock service in Grosse Pointe Memorial Church.

Parents of the newlyweds are Mr. and Mrs. Ray Engelbert Venderbush of Pemberton road and the DuWayne J. Petersons, of Shaker Heights, O.

The couple left immediately for Port Hueneme, Calif., where the bridegroom will attend classes as an ensign in the Navy Civil Engineering Corps.

The bride's gown of crystal white tulle blended with Alencon lace reflected the graceful lines of a Renaissance court dress. The lace corded in floral pattern over satin formed the bodice, and a filmy skirt of accordion-pleated tulle flared the elongated basque line to the floor.

A diadem of tiny pearls crowned the bride's tiered veil of silk illusion. Her bouquet consisted of stephanotis and ivy centered with a white orchid. Gretchen Schroeder, maid of honor, wore a waltz length

(Continued from Page 8)

know, take slide shows out from the Detroit Historical Museum for club groups and various audiences.

A couple of years back Jeanne Trubey decided that it would be fun to show her audiences, not just slides of the past, but some houses, still standing, that they could drive by and see for themselves. So, she embarked on a research project on old Detroit houses. While old reference books, like Silas Farmer's HISTORY OF DETROIT AND MICHIGAN, prove helpful, Jeanne finds that just talking about her project to people gives better results. Oftentimes, they know of old houses that she has missed entirely.

## Street Numbers Changed

One difficulty she encountered was that all Detroit streets were completely re-numbered in the early 1920's, so that most of the old volumes she uses for reference have the old numbers, and tracking down the right ones involves additional research. It has become Jeanne's favorite pastime just to drive up and down streets "rubbernecking" at the houses in the older parts of town, and it has gotten to the point where she needs a driver to handle the car so that she can devote her full attention to the scenery.

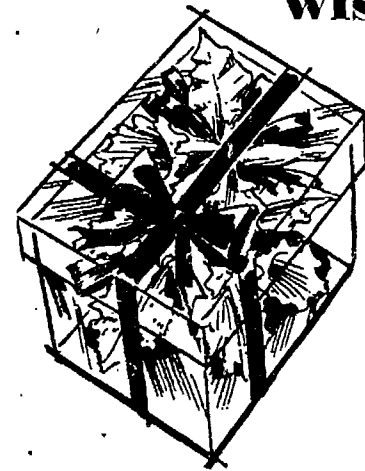

"Every time I read in the papers now about a redevelopment project, I run for my hat to beat the steam shovel to it," Jeanne remarks with a laugh. One experience in that line taught her a lesson: she found an aging house vacant and made a mental note to return for a look at the interior. She went back in 10 days, just in time to watch a bulldozer flattening the last wall of the house!

Once they find the houses, Guild members take pictures of them. They now have gathered about 200 slides of old homes which are still standing about town. To make interior shots of the historic old Hecker and Whitney houses more interesting, Guild girls posed in authentic period costumes for the pictures which will be presented in slide form. "It's all fun," Mme. President says, "and I can't think of a better way to learn a lot about local history."

Michigan's deepest inland body of water is Torch Lake in Antrim, Charlevoix and Kalamazoo counties. Maximum depth of the lake is 285 feet. Superior is the deepest of the Great Lakes, with soundings of more than 1300 feet recorded.

Federal taxes on fishing tackle are turned over to individual states under the Dingell-Johnson act to provide better sports fishing. Michigan received \$240,000 under the program in 1955, third largest among the states.

## Anna M. McGough Speaks Nuptial Vows

Becomes Bride of William G. Mahon of Chicago in Ceremony in SS. Peter and Paul Jesuit Church on February 4

Wearing an empire gown of pure silk satin with a chapel sweep, Anna Marie McGough walked up the aisle of SS. Peter and Paul Jesuit Church to recite her nuptial vows with William G. Mahon, of Chicago, Ill., on Saturday, February 4.

The Rev. Fr. Allan P. Farrell, S.J., officiated at the 11 o'clock nuptial mass. After a wedding breakfast at the Whittier, the couple left on a ski trip to Montreal and the Laurentide.

The daughter of Mr. and Mrs. J. Francis McGough of Harvard road carried a bouquet of eucharist lilies. The neckline of her gown was outlined with re-embroidered Alencon lace studded with seed pearls. The seed pearl design was repeated on her satin cap, lace encircled the headpiece and framed the fingertip illusion veil.

Full-skirted taffeta gowns of iridescent gold with back panels of deeper-toned velvet were

worn by the trio of attendants. Matching sculptured hats completed their ensembles and talisman roses were their flowers.

Mrs. Edward Wilberding served as matron of honor. Mrs. Joseph L. Eichenlaub and Barbara Mahon, of Chevy Chase, Md., the bridegroom's sister, attended as bridesmaids.

Thomas Mahon, of Mexico City, was best man for his brother. They are the sons of Mrs. Bon E. Davis, of Anna, Ill., and the late Thomas Mahon.

Donald G. Wolf and the bride's brothers, Leo, John and Edward McGough, escorted guests to their places in the church.

The pair will reside in Chicago.

## Mrs. William G. Mahon

The former ANNA MARIE MCGOUGH, daughter of Mr. and Mrs. J. Francis McGough of Harvard road, was married on February 4 in SS. Peter and Paul Jesuit Church, Detroit, to the son of Mrs. Bon E. Davis of Anna, Ill., and the late Thomas Mahon.

## Valentine Day Lunch Planned

"Friendship" is the theme of the St. Valentine Day luncheon and meeting of the Women's Association of Grosse Pointe Memorial Church, to be held on Tuesday, February 14, at 12:30 p.m. in the church gymnasium.

An informal program has been planned to provide members an opportunity to become better acquainted with each other, and to learn something of the scope of the Association's work.

Honored guests will be Mrs. J. C. Covert of Pontiac, president of Detroit Presbyterial Society, and other members of the Society's board. They are: Mrs. Oren Jilsson, christian education treasurer; Mrs. L. I. Ruby, member of the nominating committee; Mrs. Henry C. Weidner, retiring membership secretary; and the new mem-

bership secretary, Mrs. Ben Tallman.

Mrs. Clarence Maguire, kitchen chairman, and Mrs. Everett Thompson, dining room chairman, with their committee members, are arranging the hospitality. They urge that luncheon reservations be made as soon as possible.

On the same day, the Executive Board of the Women's Association will meet from 10-12 o'clock.

## To Present Two Plays At St. Columba Church

## Father Keller To Give Talk

Father James Keller will give an inspirational talk to Detroit Town Hall on Ash Wednesday, February 15, at 11 a.m. in the Fisher Theatre.

Founder and head of the Christophers, an organization dedicated to combating communism and other trends toward secularism, Fr. Keller will have a message for all faiths. It is titled, "How to Make a Better World."

His syndicated column, "Three Minutes a Day," appears daily in the Detroit News. On his weekly program Fr. Keller interviews men and women who have distinguished themselves in the fields of education, government or journalism. He is also the author of several books, including "Careers That Change Your World" and "All God's Children."

Tickets are available at Grinnell's, WO 2-1124, or at the theater the day of the lecture.

## Boat Club's Snow Ball Scheduled for Saturday

Mr. and Mrs. Ellsworth Ellison are chairman of the Detroit Boat Club's ninth annual Snow Ball, to be held Saturday, February 11. Reservations for the party which is for members only, have been closed since early November.

Mr. and Mrs. Dan Carne, Mr. and Mrs. Elmer Wagner, Mr. and Mrs. Arthur Schmidt and Mr. and Mrs. Malcolm Denise are assisting with arrangements. Snowmen in the lobby, skiers on the cocktail table and three-dimensional snowflakes suspended from the ceiling will be included in the party decorations.

## Bowlers Slate Saturday Fete

Lochmoor bowlers will be hosts at an inner club match Saturday, February 11, with bowlers from Grosse Pointe Yacht Club as their guests.

Dr. R. S. Sinclair, entertainment chairman; E. C. Bertschinger, bowling chairman; John Marble, bowling secretary, along with Mrs. Marble, Mrs. Henry T. Munson and Mrs. W. T. ZurSchmiede, has planned a festive affair to wind up the club's activities before it closes from February 13 to March 16.

Bowling at Regal Lanes will start at 2 p.m. with four men's and four women's teams from each club participating. Cocktails will be served at Lochmoor Club from 6:30 to 7:30 p.m. followed by a buffet supper. There will be dancing from 9 to 12 p.m. to the music of the Frank Sidney trio and organist Rodney Davis.

Reservations from GPYC bowlers include: Mr. and Mrs. Frank C. Barrows, the Paul Morelands, the Norman K. Vanderzans, Dr. and Mrs. C. J. Williams, Mr. and Mrs. Edward Gregory, the James M. Degmans, the Melvin Huffakers, the Frank Wachters, Mr. and Mrs. Ben H. Orr, the Carl Andersons, Mr. and Mrs. Forrest R. Olds, Dr. and Mrs. Joseph A. Barkley and

## Herbert I. Buhlers, Jr. Honeymoon in West

Grace Hoffmann Exchanges Vows at Ceremony in St. Paul's Church; Pair Leave for Camelback Inn in Arizona

Mr. and Mrs. Herbert Ignatius Buhler, Jr., are on a wedding trip to Camelback Mountain, Ariz., following their Saturday wedding at St. Paul Church on the lakeshore. The Rev. Fr. Albert Melvin officiated at the 11:30 high mass. A Papal blessing conferred upon the couple from Rome was read during the ceremony.

The bride was formerly Maureen Grace Hoffmann, daughter of Dr. and Mrs. Martin Hugh Hoffmann of Clairview road. Tiny seed pearls edged the scoop neckline of her princess style wedding gown, fashioned of delustered ivory Italian silk satin, and the skirt fell in billowing folds into a cathedral train.

Orange blossoms secured her exquisite veil of Limerick lace and she wore a tiny antique lavaliere of Oriental seed pearls. The bridal bouquet was a cascade arrangement of stephanotis, white spray butterfly orchids and ivy.

The four attendants wore identical ice blue mist taffeta frocks with wide square necklines and small bustle bows in back. They had matching half hats with rose veils and carried red garnet sweetheart roses in cascade arrangement. Clusters

of Parma violets distinguished the bouquet of the honor matron.

Mrs. Raymond R. Flynn, of Northbrook, Ill., was her sister's matron of honor. Marion Buhler, sister of the bridegroom, served as maid of honor. Anne Fenech and Peggy Roney were bridesmaids.

Raymond R. Flynn, of Northbrook, attended as best man for the bridegroom, whose parents are Mr. and Mrs. Herbert Ignatius Buhler of Neff road.

Ushering were Henry E. Naegely, of Saginaw; William R. Maas, of St. Clair Shores; Thomas H. Mercier, James C. Crowe, Joseph P. Keane and Dr. Robert G. Frear.

Brown-shell eggs may be just as high in quality as white-shell eggs, say food specialists at Michigan State. Quality is based on the interior condition of the egg, not the shell.

## Mrs. Henry J. Meurer Jr.

In a double ring ceremony at a 10 o'clock nuptial high mass in St. Paul Church on the lake on January 28, JANE PELKEY was united in marriage to Henry J. Meurer, Jr. A wedding reception followed at the Whittier.

The bride is the daughter of Mr. and Mrs. John J. Pelkey of Muir road. Mr. Meurer is the son of Mr. and Mrs. Henry J. Meurer of Harvard road.

The bride wore a long torso white Italian silk gown with chapel train. The pearl-crystal crown held her fingertip tulle veil and she carried a bouquet of stephanotis and orchid.

Four attendants in ballerina length taffeta, emerald green long torso gowns preceded the bride up the aisle. They wore jewel crowns in emerald green and carried white roses.

Miss Nancy Pelkey, sister of the bride, was maid of honor.

Barbara Cueter, Barbara Marchand and Barbara Stoll were the bridesmaids. The little flower girl was Cynthia Jones, niece of the bride. She wore a dress of white organdy and her crown and bouquet were of pink rose buds.

The best man was Michael Meurer, brother of the bridegroom. Ushers included William Mason, Jr., Philip Buchanan and John Blow.

The couple will make their home in Cleveland Heights until the bridegroom finishes his education at John Carroll University in June.

## Mrs. Herbert I. Buhler, Jr.

MAUREEN GRACE HOFFMANN exchanged vows with the son of Mr. and Mrs. Herbert Ignatius Buhler of Neff road on Saturday, February 4, at St. Paul Church on the lakeshore. The bride is the daughter of Dr. and Mrs. Martin Hugh Hoffmann of Clairview road.

## Women Needed By Red Cross

The Detroit Chapter of the Red Cross announced that a record number of new volunteers has been reached during the current recruitment effort.

"Since we needed at least 350 new volunteers there are still openings in every one of our Services, and we still are anxious to talk with interested women," said Mrs. J. Dwyer Kinnucan, Chairman of Volunteer Services.

"One service we hope our Chapter volunteers never have an opportunity to provide is that which would be necessary if disaster strikes. But we know it CAN happen here... as it has so suddenly in many other communities in recent weeks. Every Service of Red Cross would be alerted immediately in case of wide spread or severe damage by rain, flood, wind, fire or epidemic—such as the 1918 influenza outbreak. Each trained volunteer would be called upon to perform the service she is best able to render. Red Cross-trained volunteers are an important community resource in case of emergency.

women who have time to spare and to share through Red Cross service to call Woodward, 1-3900 and talk with one of the Service Chairmen... any week day from 10 a.m. to 4 p.m., Saturday February 11 from 11 a.m. to 3 p.m.," she concluded.

New volunteers will be given a special course of instruction which acquaints them with Red Cross procedures as well as the specific duties of the Service in which they choose to work. These classes will start in late February.

Volunteers are needed in these Services: Canteen, First Aid (teachers), Gray Ladies, Motor Service, Nurse's Aide, Red Cross graduate nurse volunteers, Social Welfare Aides, Staff Aides.

## International Institute Ball Set for Saturday

The Crystal Ballroom of the Masonic Temple will resound with dancing feet on Saturday evening, February 11, at 8:30 p.m., when the International Institute of Metropolitan Detroit presents the 10th Annual Folk Ball.

Mr. and Mrs. John Ehrlich of 15601 Essex, Grosse Pointe, are chairmen of the ball which will be formally opened with a Polonaise and Waltz led by Dr. Berno Berni.

The Floor Show beginning at 10 p.m. will be an exhibition of folk dances from many lands by dancers in native costumes. Included are Scottish, German, Danish, Polish and Ukrainian dances. The International Institute Folk Dance Group will conclude the program with an audience-participation dance.

## Tuxis Club's Annual Show To Be Given Three Nights

"Rise and Shine" is the title of the eighth annual variety show of the Tuxis Club of the Grosse Pointe Memorial Church. For the second successive year, there will be three performances on Thursday, Friday and Saturday nights, February 23, 24 and 25 at the Parcels Junior High School Auditorium at Mack avenue and Vernier road. The curtain will rise promptly at 8:15 o'clock.

The Tuxis Club is a group of high school boys and girls which meets at the church every Sunday night under the leadership of the Rev. Paul F. Ketchum. The purpose of the show is twofold: to raise money for the benevolence fund of the club, and to give stage experience to as many high school boys and girls as possible.

For six years, beginning back in 1949, the show played just two nights, but always to capacity houses. Last year a bold

new venture was tried with three performances on three successive nights. It was hoped that a large proportion of the 900 additional seats would be filled.

They were and more. There were complete sell-outs all three nights with several hundred turned away on Friday and Saturday nights.

This year the show looks better than ever. Planning for it began immediately following the final curtain of last year's production when cast members in the dressing rooms, as they removed their grease pan, could be heard talking about ideas for "next year's show."

During the summer, girls spent part of their vacation time developing and practicing intricate chorus routines. Last October rehearsals began in earnest when the four big production numbers were started. Ever since Christmas the church house has been full of young people preparing for what they hope will be the best show Tuxis has ever had.

Nearly every afternoon and evening, groups of high school boys and girls have been rehearsing dramatic skits, chorus lines, dance routines, trios, quartets as well as the 100 voice singing chorus.

Artists have been designing and painting the colorful backdrops which will be used in the production numbers. At home, members of the cast have been busy doing much cutting and sewing as they make their costumes.

Tom Saunders and his 13-piece band, composed of high school students, have been hard at work rehearsing with the different acts as well as practicing special numbers of their own which will be featured.

Chet Sampson is again acting as producer and director with Mrs. Albert J. Sllimon serving as assistant producer and the director of choreography. Mrs. John H. Marshall is the

## Woods Opposes Proposed Law

The Woods council expressed its opposition to a State law which would make a 40-hour work week for policemen mandatory.

On Monday, February 6, the council concurred with the Michigan Municipal League, which had written of the proposed statute, that if the law was passed, it would encroach on a municipality's right of home rule. It is felt that a city should have the right to decide the length of a work week for its employees.

The League, in a letter to its members, said that the State Legislature is contemplating passage of a law to limit the police work week in all communities having an excess of 10,000 population, to 40 hours.

The council was unanimous in its opposition to such a law.

assistant director of choreography.

Gilbert Stammer is directing the 100 voice singing chorus with Gail Friesema as the accompanist.

The cast for the show will number around 300 with another 50 young people assisting backstage with properties and serving as ushers. Robert and William Bokram are stage managers. Robert McAdow is the director of sound and lighting.

Ticket sales are being handled by Judy Morang. Tickets may be purchased from cast members or from the church. Inquiries may be made by calling the church office, TU, 5-3773. Adults are urged to attend the Thursday and Friday night performances.

All proceeds from the show will go to the Tuxis Club Benevolence Fund. In past years the proceeds have been used to help organizations in Detroit such as the Dodge Community House, the Delray Christian Neighborhood House, St. John's Community School, Camp Sarah Grindley.

Contributions have been sent to missionaries working in foreign countries, to theological seminaries to aid in the training of minister and directors of Christian Education, and to the work of chaplains working with the young men in the armed forces.

## Steals \$25 Cash In Fish Market

A thief who broke into the Grosse Pointe Fish and Seafood Market, 19531 Mack, on Thursday, February 2, got away with \$25 in silver taken from the cash register.

Woods Det. Everett Plumb said the burglar entered the establishment by breaking a section of a fenestra window at the rear of the store and then unlocking the window.

Nothing was disturbed, Plumb said, except the cash register, which was removed from its customary place and placed on the floor. The money was all that was reported missing.

The thief left by the rear door, leaving it ajar.

The market is owned by Jack Barton of 2214 Fairview, Detroit.

## Creates Own Ice Fountain

—Picture by Fred Runnells

The beautiful ice fountain shown above is the work of Elmer Ulmer of 1939 Broadstone road, aided by Nature. Mr. Ulmer got the idea for the fountain early in the winter. He asked the Woods' tree branch collection truck to give him a truck load of tree trimmings. He put them over his summer fountain pipe to which he attached a piece of hose. The trickle and spray from the hose froze on it. The fine spray froze a smooth area of ice around the fountain on which the neighborhood youngsters enjoyed skating until the snow came.

## Sleeping Driver Hits Police Car

A Detroit police scout car was damaged and its occupants slightly injured when a Woods motorist hit the police car on Friday, February 3, as it was pulling away from a curb.

The Detroit police officers had parked their car on Mack at Washington, when, while cruising west on Mack, they thought they saw a door of a business place open.

When an investigation proved this not to be so, the officers returned to their car and as they were pulling away from the curb, they were struck by a car driven by George A. Thomson, 34, of 2202 Hollywood.

The policemen, George L. Klenk, 34, of 5925 Farmbrook, Detroit, driver; and William Pardo, 29, of 2192 Harding, Detroit, were slightly injured. The scout car was damaged at the left rear and front and had to be towed away.

Klenk was taken to Bon Seours Hospital for treatment of his injuries and Pardo was taken to Detroit Receiving Hospital.

Thomson, the accident report said, told police he had fallen asleep at the wheel and did not see the other car until it was too late to avoid a collision. He was not hurt.

He was issued a ticket for reckless driving and posted a \$100 bond, pending his court appearance on Tuesday, February 14.

## Lists Nominees For Academies

Congressman Louis C. Rabaut (D., Mich.) announced on Tuesday, January 31, his nominations to the U. S. Military, Naval and Air Force Academies, for classes entering in July 1956, for the 14th Congressional District.

The principal nominee to West Point is a Detroit youth, with Alexander J. Stuart of 403 Notre Dame, named as first alternate.

The principal nominee to the Naval Academy in Annapolis is also a Detroit, with Charles M. Watson of 467 Lincoln, named first alternate; Norman K. Anderson of 2151 S. Oxford, fourth alternate; and Malcolm D. Foster of 450 Clavin, fifth alternate.

Among the 10 nominated to the Air Force Academy were

Ulrich J. Berard of 238 McKinley; Ronald J. Vermeersch of 1224 Maryland; and Douglas H. McBride of 20734 Charlevoix.

Air Force designees will compete on a state-wide basis.

Congressman Rabaut, upon learning the results of the preliminary Civil Service examination for the academies, said:

"My congratulations to those who have attained the high score necessary to be designated to one of the Service institutions. I am certain these young men will be a credit to their state and the nation."

The Boy Scout Law requires each member to do at least one Good Turn for somebody every day.

THE 860 TWO-DOOR CATALINA

The car says 60 and the price won't stop you!

*Easy way to break the small car habit!*

It's the hardtop buy of the year—the most power and size per dollar of any car in this style.

If you're accustomed to buying in the low-priced-three range, chances are you're paying for Pontiac's size, performance and distinction—but you're not getting it! As a matter of fact, you're not even coming close!

Actually, the big, handsome Pontiac 860 Catalina you see here is priced within the reach of just about any new-car buyer!

Its king-size 122-inch wheelbase gives you up to seven inches more road-leveling length. This extra-long wheelbase—size where it counts—is what gives Pontiac its genuine big-car comfort and stability. And certainly it follows that this size extends as well to its rich, luxurious interior!

But behind the wheel is where you really feel your dollars doing double duty!

Where else at a price so low can you enjoy the thrilling sensation of bossing the most modern, most advanced power plant in the industry—the mighty Strato-Streak V-8?

Where else at a price so low can you get the luxury of Pontiac's optional Strato-Flight Hydra-Matic—America's newest, smoothest automatic transmission?

Where else at a price so low can you find all the other fine-car features that put you so squarely on even terms with buyers of far costlier cars?

Come in this week and see how easily this heart-lifting Strato-Streak beauty can be yours. Once you do, you'll be out of the small-car class forever!

You can actually buy a big, glamorous Pontiac 860 for less than you would pay for 44 models of the low-priced three!

Answer to a Request

With the mid-winter graduation season just past, we are reminded of a recent request.

The request is from a young lady of 19, undergoing the equivalent of a sophomore's college education. She wants advice, fatherly advice to a child about to be graduated from college and on the verge of stepping out into the big world.

This is a pretty big order, encompassing a lot of territory and a great many years. It means going back into the bright, memory-filled past when we were that age, effecting a recapitulation of our philosophies of that period, and trying to justify them with the events which have transpired since.

There is also quite a switch here. As we recall, when we were of sophomore stature in college, we were deeply impressed with the stupidity of our elders and completely cocksure of our own abilities. Now our advice is being sought by one of these fledglings. Here is progress indeed. Give us strength to speed it onward.

Our first word would be one of congratulation for discerning the need for advice. It bespeaks an acknowledgment which is far too uncommon among our teenagers today. Usually they want to tell, not to be told. Their suddenly-acquired wisdom has not yet been tempered in the fire of experience.

Quite probably, chief among your considerations should be your health. Without this you will be of little use to yourself or anyone else. And it is a common frailty of youth to sneer at all matters pertaining to health. The young are all iron men and women to themselves, and the great snarers of human minds and bodies will never cross their thresholds, so they think.

Those afflicted by mental disease are too often the product of the sins or omissions of their elders. Experiences of early childhood over which the young have no control, have a frightful penchant for wreaking havoc in later years.

The acquisition of an understanding and tolerance for fellow human beings will do much to counteract the possibilities of such disturbances. The world is made up of many people of many characteristics. The qualities of each contribute something, if we have developed the power to recognize them; even though it be but the lesson that we don't want to emulate those whom we cannot admire.

So many of these persons were born into stations which they could not possibly have chosen for themselves. Their preparations to cope with the many problems of life are puny, compared with those granted you who are about to graduate from college. Be tolerant, and kind, and understanding and helpful.

Never think of yourselves as something you have created, single-handed. Physically and mentally you have reaped the harvest of the thought and ability of all who went before you, from the architects and builders who were responsible for the structures on your campus, to the pioneers in intellectual research who forged the background for the courses which have started you on the road to education.

With the world sitting on top of your gun, set your sights high. Don't shoot at the nearest and easiest target. Select a goal that will test your capabilities, not one that will satisfy your immediate requirements.

Aim high. Do not consider yourselves now prepared to attain the zenith. Completion of a college course is but a preparation for an education. Take stock of your accomplishments and failures to date. Resolve to submerge the delinquencies under an avalanche of endeavor which will cure the shortcomings.

We presume most girl graduates aspire to be housewives and mothers, and a greater ambition is hard to imagine. It takes a bit of doing to be successful in this particular field. Many men are lax in their requirements along this line, but it just might happen that one of you will become eternally entangled with a perfectionist whose demands you are supposed to meet.

Your general education must provide the ability to take a satisfactory role with him alone, or with his business associates, in general conversations or on discussions pertaining to his particular occupation. You'd better be prepared on that score. Keep in mind that the years have a funny way of rolling along, and no one has ever been able to perpetuate beauty's appeal.

If you are going to run a household and hope to raise children, there are a million practical details that should be given the utmost consideration. Do you know how to shop intelligently, which entails keeping abreast of fluctuating prices in the whole field of commodities from beef-steak to bedspreads? Do you know the comparative efficiency and prices of the modern gadgets which will do your laundry, your cooking, your refrigerating, heating and air conditioning? Can you balance your checkbook, select the right detergent, know the best brands of canned soups?

Perhaps, above all, there must be religion in your lives. There will be so many occasions when mortals such as we are not able to solve problems which disrupt our daily

Letters to the Editor

Dear Mr. Edgar: In the January 26 issue of the Grosse Pointe News you reported the results of the recent School Board election.

Much to the dismay of the 512 people in the Poupart district who voted in this election, there was no mention of the results in our area.

The results in the Poupart precinct were 444 yes and 68 no on the bond issue. This was the highest per cent of votes in favor of the issue in the entire district—86 per cent of the voters being in favor of the bond issue.

Why these results were not in your article is very difficult to understand. We trust our efforts are worthy of mention in your next issue.

Very truly yours, Richard Young, President For the Executive Board of Poupart P-T.A.

Editor's Note:—The News went to press the night of the school election. A space had to be held open until the last minute to get the re-

sults into print. Apparently the school officials had not yet tabulated the results from Poupart School when the deadline was reached. Apologies for not following up the next week.

Ensign John B. Carpenter, son of Mr. and Mrs. Chester F. Carpenter, of Lakeland avenue, has been graduated from the United States Navy Supply Corps School at Athens, Georgia, having completed a six months' course there.

After a short leave he will report to his new station aboard the USS Arcadia as assistant to the supply officer.

Jack joined the Navy a year ago after receiving his Master's degree in Business Administration from the University of Michigan. He also graduated from St. Paul's High School in the Pointe.

Kappa Sigma Kappa and Delta Sigma Pi are his fraternity affiliations.

living. As the years go by we come more and more to realize that we are increasingly dependent upon a Power that transcends anything within our earthly comprehension. Do your best at all times. Cultivate the true practice of compassion and tolerance and love. Never be small, reach high, and even if your grasp fails to clutch the highest star, you will be clothed in glorious dust, shaken from the garments from all who have gone before you, striving for perfection.

Arthur Rohdes Receive Threat

While vacationing in their winter home at Hillsboro Beach, near Miami, Florida, the Arthur J. Rohdes of Oxford road have been placed under police protection after receiving threatening telephone calls from a would-be extortionist.

Mr. Rohde told FBI investigators that an anonymous caller ordered him to put \$1000 under a flagpole at a nearby beach or "pay funeral expenses for a member of your family."

Officers watched the spot after instructions were carried out but the money was not picked up. Local authorities called the threat the work of amateurs.

When Children Won't Eat

By FRED M. KOPP, R. PH.

Few doctors advocate forcing a child to eat. Still there are minimum requirements of certain foods that must be consumed daily if the child is to grow and be healthy.

When your children bypass all your schemes to get those necessary vitamins into their systems daily, the best thing to do is consult your doctor. There are many drug forms of food chemicals which will adequately make up the deficiency.

If your doctor prescribes one or more it will be to your advantage to secure them from a quality pharmacist.

What Goes On at Your Library

By Jean Taylor

What constitutes a notable book? Opinions differ but it is always interesting to learn what various critics regard as the so-called "best" books of the year. We pass along to you a list of notable books of 1955 compiled by a committee of the Public Library Division of the American Library Association. Your library has all of these titles.

Of the 46 titles only three are fiction, namely, "Nectar in a Sieve" by Kamala Markandaya, "Crossbowman's Story of the First Exploration of the Amazon" by G. R. Millar and "The Cornerstone" by Zoe Oldenbourg.

Among the several biographies on the list are "Solitary Singer" by G. W. Allen, a critical biography of Walt Whitman, "Young Sam Johnson" by J. L. Clifford, "The Crime of Galileo" by George De Santillana, Paul Gauguin's story as told in Lawrence Hanson's "Noble Savage," "Apes, Angels and Victorians" by Irvine William, the widely read "The Day Lincoln Was Shot" by J. A. Bishop, "Tiger of the Snows" by Norgay Tenzing, "The Open Heart" by the well-known lecturer and critic, Edward Weeks and Erica Anderson's "World of Albert Schweitzer," a book of photographs.

Of the many books on Africa two are here listed, "The Dark Eye in Africa" by Laurens Van der Post and John Gunther's "Inside Africa," considered by many critics his best book. Herbert Luethy, a Swiss journalist, who lived in France for ten years, discusses France's past, her politics and her unending crises in "France Against Herself." "China Under Communism" by Richard L. Walker is a clear well-rounded analysis of the methods by which the Chinese Communist regime has organized and extended its control over the entire country.

In "The Dead Sea Scrolls," Millar Burrows tells the story of the great discovery of 1947 and the numerous theories about the background, contents and writers of the scrolls. "Hiroshima Diary" is Dr. Hachiya's own account of one of the great cataclysms of all time. An evaluation of man in the Western World and more particularly in the United States of today is made by Erich Fromm in "The Sane Society."

### Dr. Harrison Sadler's Address

(Continued from Page 9)

develop self-confidence, will grow feelings, perceptions of everything that is around him. Contrary-wise, the writings of Rene Spitz, who studied abandoned children in Mexico, showed they were literally dying for lack of affection. A child abandoned on a doorstep and taken to a foundling home grows fearful, develops anxiety unless given the feeling of love and security.

In dealing with the nature of this changing world, Dr. Sadler pointed out that from the beginnings of the world to the present point of our great technical advancements, the change has done nothing more than to extend for us our own capacities. We operate much like a clock.

"We sometimes lose sight of the unity of the universe," said Dr. Sadler. "The galaxy of the stars, the unitary laws in the

harnessing of energy are the same today as in the days of the cave man. Perhaps the greatest object lesson of astronomy is that of the essential unity of observed nature. One set of chemical elements apparently suffices for the earth, the sun and all the main galaxies of space. One great law of gravitation holds every celestial body in its place.

"Our minds are used to having boundaries and this places us in a dilemma. We need to think so very quickly in this technological age that our minds actually become computing machines."

"When our thoughts, our moods, the representatives of culture to us loom up, then anxiety mounts in us and we reach out to change our situation. We are only at peace when we are freed from the necessity of having to do something. We get satisfactions from the use of our hands, like knitting, hooking rugs, baking bread. The present do-it-yourself rage proves this."

The dilemma we're facing is that in our present day the things we are counting on for our peace of mind are apt to change so quickly.

Woman in particular is caught in the struggle of the present time. Some of the audience, he thought, would recall the tremendous struggle for feminism of 30 to 40 years ago—the big battle for women's rights.

Now, apparently, women have swung the pendulum the other way and "there is a growing allegiance to having babies and caring for the home." There is a struggle back to "femaleness, femininity and domesticity." Woman's life seems not to be full of boredom when she follows this path.

"One of the tragedies of our time," said Dr. Sadler, "is the gifted woman with energy, spirit and intelligence, bound to domesticity by the marriage laws . . . beset by problems of apathy and boredom, ringed around by guilt with no opportunity to discover her identity nor her talents, waiting and expecting love from a man who gives her all the immaterial things for a full life. These are terrible things."

Another tragedy, he said, is that of the woman whose husband dies, who thereby has to give up some of her individuality as a woman, perhaps even to take over the father and mother role.

Woman is much more fitted by nature to be the passive one. There is the dependency on the mother by the child; her role is protective. Even in lower animal life we have the theory, for

the female, "hers not to reason why, hers not to do or die."

Man's greatest categorical anxiety is the fear of being left alone, to be frustrated, dependent. Some women, on the other hand, when they achieve something feel they are a fraud or as if they are deceiving someone. Women need only to attract and be loved, according to Dr. Sadler. They have no need to prove anything.

But if a husband does not value a wife for her femaleness, she will have to go out and seek extra occupations, such as clubs.

There is the woman with gifts bound by the home with no opportunity to discover her own identity and latent gifts, waiting and expecting love from man and material things. Her life is not full, though she meets the demands of femaleness.

Today's responsibilities in the home can be satisfied more quickly but the blind forces to do more causes a struggle in women. She finds herself bound and hedged in by our particular society which favors "maleness" and if not satisfied by family life and husband, she faces the problem of, "What shall I do?"

Dr. Sadler concluded: "The only creative element in the entire universe is the lonely mind of a single human being. This is not the special gift of the male. I believe you must accept the fact of your fate, of your race, and after accepting it gracefully, you are free."

This week's program in the series at 10 a.m. Friday, will present "Enlarging Horizons," with three women speakers: Lydia Siedschlag, art consultant, Western Michigan College; Helen Hickam Martin, of Grand Rapids, member of the Michigan Congress of Parents and Teachers; and Ruth McEvoy, of the Detroit House of Correction Commission.

Miss Siedschlag also will conduct an art workshop at 1 p.m. Friday. Both meetings are to be at the War Memorial Center.

### Couple Plans June Wedding

A June wedding is slated by Marilyn Carrigan, whose engagement to Robert A. Armstrong has been announced by her mother, Mrs. J. A. Carrigan, of Williamsfield, Ill.

The daughter of the late Mr. Carrigan, Marilyn is a Bradley University graduate and a member of Pi Beta Phi sorority.

Her fiance, son of Mr. and Mrs. Anger Armstrong of Rivard boulevard, was a member of Sigma Nu fraternity at Michigan State University.

Some men spend more energy trying to avoid work than it would require to make an honest living.

**How to Profit Through Tax Exemption**

With today's high tax levels, investors in medium and high tax brackets are turning to tax-free Municipal Bonds for income that they can keep.

If you have a taxable income of \$10,000 or more, you may be well repaid by investigating the advantages of tax-exempt State and Municipal Bonds. For instance, if you file a single return on a taxable income of \$14,000, you would have to receive a dividend return of 7.45% on a taxable security in order to equal the yield from a 3.50% tax-free Bond. *It's something to think about!*

Our New Booklet, "How to Profit Through Tax-Exemption" explains in plain language your need for tax exemption, tells how much these high-grade investments can be worth to you. There's no obligation. Send for copy today, or phone

### Pointe Theater Plans Benefit

The Grosse Pointe Community Theatre is presenting a benefit performance of "Rebecca" under the auspices of the Greater Detroit Council for Epilepsy. "Rebecca" the famous play based on the best selling novel by Daphne DuMaurier, a three act mystery melodrama offers residents of Detroit and surrounding areas an evening of enjoyable theater.

The date is Thursday evening, February 16, at 8:30, in the Educational Building of Henry Ford Hospital, Bethune avenue between Hamilton and Byron.

Proceeds will go to the Neurology Scholarship Fund. The scholarship will be awarded to a medical student in the Detroit area on the basis of academic record and financial need.

Neurology is the field of medicine which deals with various nervous disorders including epilepsy. There are immense possibilities for the control and ultimate cure of epilepsy through proper treatment and there are not enough neurologists to treat the thousands of epileptic people in Michigan.

Tickets can be had by calling John Cowan Valley 1-7239 or Mrs. Frank Monahan, chairman, 1012 Nottingham, VAlley 3-9676.

Conservation Department geologists note that peat forms at the rate of about one foot in 300 years. The maximum thickness of peat deposits measured in the state is 60 feet, indicating a period of 18,000 years of accumulation.

### Tyrone P.T.A. Plans Carnival

Over 2000 youngsters are expected to attend the Tyrone P.T.A.'s first Spring Carnival on February 18, from 1 p.m. to 8 p.m. The Carnival will be held in the Tyrone School, 19525 Tyrone avenue, Harper Woods, Michigan.

The Carnival is being sponsored by the Parent Teachers Association of Tyrone School in Harper Woods. The P.T.A. is hoping to raise \$2000 to blacktop a portion of the playground. Blacktopping the playground will insure the use of this area after rains.

There will be many items of interest for both young and old at the Carnival. Hot dogs, popcorn, ice cream, ginger ale and coffee will be served for refreshments. Games include breaking balloons, pitching chips, knocking over milk bottles, skee ball, and fish ponds.

### College Women Slate Program

The College Women's Club scholarship program will benefit when they sponsor "Around the World with the Wallace Temples," at 8 p.m. Friday, February 10, in the State Hall of Wayne University.

Mr. and Mrs. Temple, who live on Fisher road, showed their movies and commented on them last fall in Grosse Pointe.

Tickets for the program are \$1.00. Miss Marion Templeton is in charge of arrangements. Mrs. John Clark, Miss Orah Hahn and Mrs. Ivan Kirilin are assisting her.

### Phi Kappa Psi Alumni Plan Anniversary Event

Detroit Alumni Association of the Phi Kappa Psi fraternity is marking the one-hundred-fourth anniversary of the founding of this organization with a banquet at the University Club at 6 p.m. Tuesday, February 14.

The principal speaker will be William B. Cudlip, 900 Lake Shore drive. Other Grosse Pointers who are active in this organization are James Milton Robb Jr. who is the current president; Frank Thorn, in charge of the arrangements for this affair; and Robert Bell who was president of Phi Kappa Psi in Detroit last year.

Other well known residents of this area who are members include Thornton Waterfall, Robert Conder and Willard Wilson.

### Liggett School To Hold Show

Valentine hearts will be held over until February 16 at Liggett School for the annual dessert-bridge and showing of children's and teen age spring fashions.

Mrs. Ches B. Larsen, of Park lane, is chairman for the second year of this benefit party which in other years has brought in funds for the school station wagon, for painting class rooms, for kitchen and tea equipment, and for such educational features as the Audubon Society lectures.

Mrs. David P. Moore is another member of the Mothers' Committee working with Mrs. Larsen, others being Mrs. William A. Irwin, president; Mrs. Joseph P. Forbes, Mrs. Peter Fortune, Mrs. Nicholas Gimbel, Mrs. Jesse Harper, Mrs. Clarence S. Livingood, Mrs. Thomas H. Miller and Mrs. Leslie G. Wrigley.

The Clifford Nelsons' daughter, Rory, has been chosen to model for the 4th grade in the fashion show which will begin at 1 p.m. Other Grosse Pointers among the teen age models are Clare Hartwick, Nini Lofstrom and Lois Dickinson.

A hot baked apple is extra delicious topped with fluffy cream cheese perked up with a dash of cinnamon.

### Welcome Club to See Clocks

A rare collection of old clocks will be viewed by Welcome Wagon Club members at their regular monthly meeting and luncheon next Thursday at the War Memorial.

Edward Pongracz, who is offering this unique showing, will give a talk on time and these interesting time pieces.

Mrs. Norman C. Downer, president of the Welcome Wagon, reports that the announcement last week of the club's benefit style show and luncheon for the Foundation for Exceptional Children scheduled at the Grosse Pointe Yacht Club on March 14, has been met with much enthusiasm.

Added to the list of patrons and patronesses are Dr. Mary C. Stellhorn, Pete Proper, Young's Inc. and Mr. and Mrs. John Worley. Further details and planning for this worthy event will be discussed at Thursday's meeting.

Information on tickets for the benefit may be obtained by calling Max Gardner, TU. 1-7662, Mrs. David Gray, VA. 3-1369 or Mrs. James Blackburn, TU. 2-1735.

**His Favorite Investment!**

"It's the wisest investment I ever made!"

"I've owned a great many makes through the years, but Cadillac wins my vote as the finest investment of them all."

"In my book, it is the best dollar investment on the highway today!"

We can't tell you how many times we've heard it. In fact, Cadillac's value and economy have become favorite topics of conversation among Cadillac owners everywhere.

And their sentiments are based on some very real facts about the "car of cars."

First of all, there's the economy of buying a Cadillac. Many models are actually priced competitively with the so-called "medium-priced" makes.

Then there is the economy of operating a Cadillac. Cadillac's gasoline mileage is simply phenomenal for a car of its size and stature... and its dependability and freedom from repairs are truly extraordinary.

And, finally, there is the economy that comes from Cadillac's great value. In resale markets all across the land, the Cadillac car traditionally returns a higher percentage of its original cost than any other automobile built in America.

And consider, for a moment, what generous dividends Cadillac owners receive from their investments.

... the great pride they derive from Cadillac's beauty and luxury... the pleasure that comes with Cadillac's performance and comfort... and the satisfaction they take in Cadillac's reputation among the world's motorists.

We suggest that you pay us a visit soon and investigate the latest and finest Cadillac investment of them all.

We have the car... and the keys... and the facts—and we'll be happy to give you all three at any time.

### Traffic Mishaps Injure Two Boys

One Woods boy suffered a broken leg and another received minor knee injuries, when they were struck by cars on Thursday, February 3.

The most serious injury, a leg broken in two places, was suffered by Tommy Verbeke, 6, of 475 Elizabeth court who also received bruises on his head and chin. The other injured boy, was David Durney, 13, of 1349 Roslyn.

The accident report on Tommy, revealed that he was struck by a car at Mack and Bourne-mouth, when he dashed across Mack and into the path of a vehicle driven by Joseph Lawlor of 1443 Hampton, going south on Mack.

Police say that the boy was carried about 50 feet from the point of impact to where the car came to a stop.

One witness Tommy's brother David, 9, said that Lawlor had the green light and when his brother dashed into the street, the driver could not stop in time.

Raymond R. Schneider of 1155 Wayburn, who was sitting in his parked car and who also witnessed the accident, said the boy hesitated long enough to crouch down and then made the dash. He said the boy took only two steps before he was struck.

The boy was taken to St. John's Hospital by police. Lawlor was issued a ticket for not having his car under control.

In Durney's case, he was struck when he ran into a car driven by Edward Koner of 1031 Anita, who was going east on Goethe. The boy was on his bicycle and pedaling west on Roslyn when the collision occurred.

Koner was ticketed for not having his car under control and young David was issued a bicycle violation ticket for not having lights on his bike and for going through a stop street.

David's injury was taken care of by Dr. Clarence Candler before the boy was taken home by police.

### ENLISTMENTS RISE

## "WINTERIZE" Your Power Lawn Mower

If you haven't already done so, here are three steps to prepare your power mower for winter storage and insure good spring performance, according to authorities from the Jacobsen Manufacturing Company, manufacturers of power lawn tools.

After cleaning the engine, chains, reels and deck—

Drain gasoline from the tank by removing the fuel line. Start the engine to remove any remaining fuel. Gasoline left in the tank over winter may become stale, resulting in gumming of the carburetor.

Remove the spark plug, squirt a few drops of oil in the spark plug hole and pull the starter through once or twice. The spark plug should then be cleaned and replaced in the engine.

The final stage in the winterizing of your power mower is to cover the machine to protect it from dust and from "adjustments" by children playing near it.

### Taxpayers Win Park Pass Fight

Non-resident taxpayers of the Woods will be granted passes to the Woods lakefront park, but will have no guest privileges. The Woods council approved an amendment to Ordinance No. 64, on Monday, February 6, whereby persons owning property in the Woods, but living elsewhere, will be granted the use of park facilities. However, they will not be allowed to bring any guests. It is expected that a suit in Circuit Court, brought about by a non-resident taxpayer to force the city to grant the passes, would be dropped as a result of Monday night's action.

J. HAROLD HUSBAND

The United States Department of Health, Education and Welfare has just announced the appointment of J. Harold Husband to its Accounting and Budget Study Commission.

Husband, who is Director of Administrative Services for the Grosse Pointe Public School System, will represent Michigan on the special Commission appointed by the United States Office of Education.

The Commission will revise and standardize budget and accounting practices for schools. It is expected that the findings of this group will be available in handbook form by the school year 1957-58. The Office of Education hopes that as a consequence of this, the nation's schools will become more efficient in their business practices.

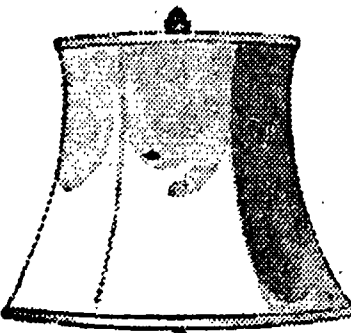

Husband said that an initial survey of school budgetary practices has already been made. A spring meeting of the Commission is to be held but complete plans have not been announced yet. He declared that eventually, state regional meetings will be called to discuss the work of the Commission.

Husband has a major responsibility in the budget planning of the local public schools. Last summer he taught a course in school finance, at Michigan State University.

Husband was recently elected second vice-president of the Association of School Business Officials of the United States and Canada. He is past president of the Michigan Association of School Business Officials, having served in 1953.

Thirty-one scouts from Troop 619, Maire School, attended the District 5 Klondike Derby held recently at Belle Isle Park.

Edward Kennedy, Andrew Zratton, James Ellis, Robert Fox and Howard Harrison led their respective patrols during the three mile obstacle course in scoutcraft, first aid skills, signalling, compass handling and knot tying, challenging the some 900 east side scouts in attendance.

Recently elected Senior Patrol Leader of Troop 619 was Eagle Scout Frank Sweet, 1029 Cadieux road.

Advanced one rank during January were Robert and Dean Fox, Roger LaRose, Roy Roberts, John and Jeff Garberson, David Lubeck and Homer Beltz.

The "Honor Scout of the Year" trophy for 1955 was presented last month to William Wright, 1410 Bishop road.

Commemorating Boy Scout Week, February 6 to 12, Troop 619 will have awards, scout equipment, and scout literature on display at Maire School.

## Blue Devil Varsity Cage Team Whips Royal Oak

Coach Howard MacAdam's Blue Devil varsity basketball team avenged its first defeat of the 1955-56 Border Cities League campaign when it tripped up Royal Oak, 63-55, last Friday, February 3, on the local court.

It wasn't an easy victory for the Blue Devils, who had lost the services of their two tallest boys, Bob Moreland and Jerry Olson, through graduation the week before. Had it not been for the stellar play of Bill Leonard and Bruce Boardman, who made his first start in varsity livery since coming up from the reserve squad, the Devils would have fallen for the second time to Royal Oak.

**Leonard Paces Devils**  
Leonard didn't enter the contest until the second quarter but for the following 24 minutes paced the Pointers to victory with a 21 point spurge which netted him individual scoring honors.

Boardman collected 10 points to become the games' third highest scorer. Royal Oak's flashy Dave Kichey netted 16 points.

Although Boardman's points were extremely welcome it was his beautiful work on the boards that caught the attention of coaches and spectators alike. After the game Coach MacAdam admitted he was less worried about the balance of the season and felt that Boardman's performance would lead to future starting assignments.

**Shares Scoring Honors**  
Boardman was forced to share his scoring honors with his teammate Hal Sommerschild who also connected for 10 points while turning in a dandy defensive performance. It was

## Reserves Win Ninth

Grosse Pointe's fabulous reserve basketball team stretched its winning streak to nine straight last Friday, February 3, when it turned back Royal Oak, 52-43, on the local court.

The Devils had little or no trouble with the Acorns despite the fact the Pointers reserves had lost the valuable services of Bruce Boardman who had moved up to the varsity squad.

**Have Acorns Dizzy**  
Jumping into a commanding 14-6 lead, in the first period, Coach John Thursby's charges passed and shot the Acorns dizzy throughout the remainder of the contest. The Devils held a 29-25 lead at halftime and a 42-35 lead going into the final quarter.

Paced by lanky Todd Price, who notched individual scoring honors with 19 points, the brilliant board work of Pete Wade and the sparkling performance of its two guards, Gil Cox and Jack Medley, who collected 12 and eight points, respectively, the Devils completely dominated the play.

**Wade Is Top Star**  
Of this quartet Wade must be given the nod as the best team player of the squad. On numerous occasions Wade could have driven the boards for a score but instead passed off to a teammate as he decoyed the opposition out of position.

Guards Cox and Medley stamped themselves as sure-fire varsity material for next season. Both displayed the ability to pump in the very important long shots when the occasion required. The long shot is a very important offensive weapon to any team as it draws the oppositions tight defense out and permits a team to work the ball in for the almost never failing short shots.

With three minutes remaining, Leonard again was the guiding light as the Devils came back to life to rack up their sixth win in nine starts this season.

**Weak at Foul Line**  
The Pointers out-shot their rivals from the floor 22 to 13, but bowed in the free throw department by making only 19 of 30 attempts while the Acorns were collecting 27 of 45 tries from the charity line.

The Blue Devils will travel to Fordson next Friday, February 13, in hopes of reversing the Tractors' earlier decision. A victory over Fordson would throw the race for second place into a cocked-hat and give the Devils a chance for runner-up honors behind the unbeaten Highland Park Polar Bears.

**Two Leaders Win**  
On the same night Grosse Pointe was beating the Acorns, Fordson was forced to go into a sudden death overtime to beat Wyandotte 65-63 and Highland Park was romping over Monroe 73 to 49.

By comparison these two contests had an odd parallel inasmuch as Wyandotte dropped its sixth straight game and Highland Park won its sixth straight game contest. Actually, as far as most of the league is concerned Highland Park appears to be a shoe-in for its sixth straight BCL crown.

Only Fordson with a 5 and 1 record has a chance to gain a tie for the title. The rest of the league has been knocking each other off while the Parkers go along practically unmolested.

**Standings**

## North Star Flag Officers Installed

North Star Sail Club members honored its incoming flag officers for 1956 at their annual ball held at the St. Clair Shores Civic Center last Saturday, February 4. The highlight of the evening was the presentation of the commodore's flags by retiring commodore Mike Kerska. The new officers are, from left to right: Rear Commodore RAY DE BLAERE, retiring commodore MIKE KERSKA, Commodore JOHN LISTON, SR., and vice commodore EDWARD OCHS.

## St. Paul Flyers Take Two From League Cellar Teams

The St. Paul Flyers toyed with the cellar dwellers of the East Side second division Parochial League last week to capture two victories and run their win column to six as compared to three league losses.

Already out of contention for the title the Flyer's recent surge is a case of too much too late.

St. Martin felt the sting of the Flyers' attack on Tuesday, January 31, when the Flyers romped to victory, 57-38, in the Annunciation gymnasium.

St. Paul played a controlled game which halted St. Martin in its tracks except for one boy, Tim Grady, who gained scoring honors with 18 points. No less than six Flyers tied for runner-up honors with 6 points apiece.

Back in the spacious Grosse Pointe High gym, the Flyers' home court, St. Paul pulled an upset, 50-29, win over second place St. Thomas, which avenged an earlier defeat.

St. Thomas was surprised, to say the least. Prior to the game Thomas had visions of overtaking the league-leading St. Bernard but the Flyers helped them kiss their title chances goodbye.

The first half was a slow, drab affair with the Flyers' defense holding St. Thomas shooters in check. However, St. Paul was unable to find the range itself and as a result held a slim, 17-16, lead at halftime.

Working the ball beautifully, the Flyers completely befuddled their opponents to build up a comfortable margin in the third stanza and then coasted to victory. Ken Oxley paced the Flyers' attack with 15

## Stober Keglers Leading League

The league-leading Stober team continued to pace the Pointers' Bowling League by a narrow one and a half points over the second place Redwood team by virtue of a 2 point victory over the Piche team last week.

Second place Redwood also notched a two point win over Lusch's to remain in contention for the season crown.

Youngblood dropped two points to Rosati's but stayed in third place by a half point. Seyler racked up a 550 series to help Kopp's win three points from Harper and moved into fifth place by a half point ahead of Harper.

Kennametal and Custom tied into each other with the former taking three points and sole possession of seventh place.

## Reid Sets Marks In Bowling Loop

Harvey Reid was hotter'n a Fourth of July firecracker last Friday, February 3, when he posted two new records in the Grosse Pointe Businessmen's Bowling League.

Harvey chalked up a new single game mark of 260, which eventually led to a new individual high three game series of 663.

Reid's performance also helped the Barrett team sweep its match with G. P. Curtain and move into a two-way first place deadlock with Boutin's. Boutin's slipped into the tie by dropping a single point to fourth place Revere.

Belding moved into the first division by belting Wigle for four points. Ange Petracci paced Belding's win with a 590 series.

Lochnoor relaxed in its second game with Adam-Simms and dropped a point but came back strong to take the final three points which enabled it to remain in third place.

Turner Buick and City Glass could have tossed a coin as far as the final results were concerned. Both won two points to remain in seventh and eighth place respectively.

**STANDINGS**

Barrett	20
Boutin	20
Lochnoor	17

## GPHS Swimmers Conquer Ferndale, Lose to Acorns

Grosse Pointe's swimming team split a pair of meets last week as they resumed the 1955-56 schedule following mid-year graduation. On Tuesday, January 31, the Devils annihilated non-league Ferndale with a near perfect performance, winning 70 to 17.

The Pointers, minus four graduated veterans, Rich Schlicher, Dick Stafford, Dave Whittingham and Ed Nicholson, slammed all but one event. The only event the Devils missed on was the 100-yard free style. A perfect winning score is 73-15.

**Reserves Fired Up**  
What made the victory so gratifying was the fact that Coach Frank Banach, following the fifth event, at which time the Devils had clinched the meet, pulled the power of his veterans and substituted his reserves in an "open the gates of mercy" attempt but the reserves were fired up and continued to flatten the inept rival.

Following this amazing performance the Devils traveled to Royal Oak for the first meet of the second half of the schedule in the Border Cities League race.

The Acorns and their home pool, which is 25 yards long as compared to the Devils' 20 yard pool, proved too much for the local lads, who dropped their third league meet, 48 to 39.

**Length Bothers One**

Actually, the Acorns had the meet won going into the last event, the 200-yard speed relay which they won by a whisker. It was in this event that the Devils found the 25-yard Royal Oak pool strange. The Pointers' speed relay combination of Wachter, Bauer, Pongraz and Anderson were leading when one of the boys misjudged the length of the pool and missed his turn and was forced to make another turn. This was all the Acorns' combination, Reed, Peters, Lost and Line, needed with Line barely touching out Anderson at the finish.

The Devils jumped into a 6-3 lead when Wachter and Anderson took a 1-3 in the opening 50-yard free style event and maintained a two point, 10-8, lead as Goodnow and Gauss placed 2-3 in the 100-yard breast stroke event behind the Acorns' Leich.

**Devils Tie It Up**

Royal Oak moved to a 14-13 lead by taking a 1-3 in the 200-yard free style but the Devils tied it up at 18-18 when Cutler placed first in the 100-yard back stroke. Huffaker and Bauer chalked up 1-3 placing in the 100-yard free style to give the Pointers a 24-21 lead which was the last time the Devils were to lead that afternoon.

The Acorns jumped back into the lead, 32-31, by taking 1-3 in

the diving and once ahead they were not to be denied revenge for their first defeat handed them by the Devils earlier in the season, which saw the Pointers squeeze by, 44-43.

**Victory in the 200-yard medley relay gave Royal Oak the clincher and even if the Pointers had won the final relay the score would have favored the Acorns, 44-43.**

**Face Crucial Meets**

The Pointers' next two meets against Fordson on Friday, February 10, and Monroe, Friday, February 17, are the crucial ones for the Devils' bid for the league crown. In the first meets against these two schools the Devils scored a victory over Fordson in the latter's pool and lost to Monroe in their home pool. Both meets were won and lost by a very narrow margin and because neither Fordson nor Monroe lost any of its boys through mid-year graduation the Devils will have the advantage of competing in its own pool this time.

### Wins Award

The Prudential Insurance Company of America has announced that Albert F. Fiorello, Special Agent, has just received the Northern Star Award which is given to the leading agent in the North Central Home Office area which covers seven states in the Middle West.

Al Fiorello paid for \$1,557,128 of new business during the year 1955, and finished third in the National Standings of over 40,000 agents in the United States, Canada, and Territory of Hawaii. He has qualified for the Million Dollar Round Table for the years 1954 and 1955.

Mr. Fiorello resides at 1725 Manchester boulevard, Grosse Pointe Woods, and has been with the Prudential since 1945.

### Memorial and Woods Lead In Church Loop Divisions

After five weeks of competition in the Grosse Pointe Inter-Church Basketball League play, the Memorial Juniors and the Woods Presbyterian Seniors lead their respective divisions with unblemished records.

The Memorial Juniors continued their undefeated march to the Junior division title by drubbing the Methodist Mustangs, 26-11. Harper paced the winners with 10 points and Jim Huddleston led the Mustangs with nine.

In the other Junior game the St. Paul Panthers moved into a two-way tie for second place with the Mustangs by beating the Christ Church Tigers, 15-9, behind the sharpshooting of Labadie who collected seven points. Bumps was high for the losers with six points.

In the Senior division Woods Presbyterian tumbled St. James down to fourth place with a 44-19 shellacking as Lars Anderson and Phil Keim tied for honors with 12 points each. Reith, Eschenbach and Etter paced St. James with four points each.

The Memorial Diesels clung to second place, one game off the division leader, by walloping the St. Paul Longhorns, 64-22, with Rem Purdy taking honors with 31 points, and Bill Nolte taking runner-up honors with 26 points. Hodgeman and Blondell paced St. Paul with six each.

The Christ Church Lions won their first game of the season by beating Woods Presbyterian Juniors, 45-18. Trowbridge

earned honors with 26 points while Harmon led the losers with 14 points.

It should be pointed out that the Woods Junior team took the place of the Methodist Mustangs in the Senior division in hopes the switch would even up the games in that division. However, both teams involved in the switch lost by wide margins. The Woods Juniors played very well against a larger foe but ran out of gas in the later stages of the contest.

### Men Gardeners To Meet Feb. 16

Landscaping the Home Grounds will be the subject of discussion at the meeting of the Men's Garden Club of Grosse Pointe at 8 p.m. next Thursday, February 16, at the War Memorial Center, 32 Lake Shore road.

Grand Hampikian, the well known landscape architect, will talk about new methods for using horticultural material most effectively in large and small residential sites.

Mr. Hampikian taught landscape planning at the University of Michigan and is a graduate of Michigan State University. He has designed the gardening arrangements in many local homes, is an unusually interesting speaker on the subject and is a past president of the Men's Garden Club in Detroit.

Colored slides will be shown at this meeting to illustrate the best practices of home landscaping and those in attendance

will have the opportunity of obtaining answers to their specific horticultural problems. All men of Grosse Pointe are invited to attend this first meeting under the chairmanship of the club's newly elected president, Thomas Robitaille. Light refreshments will be served during the hospitality period.

The first American Flag, bearing seven red stripes and six white stripes, was raised in 1776 at Cambridge, Massachusetts. January 2 marked the 108th anniversary of that event.

During the year of 1955 alone, the War Department spent approximately \$1,575 per second.

### Fantastic New Heating System Control Now Being Tested

If a "Ballet Balance" control had not been operating in a test apartment building at Blackstone Manor from September 15, 1955 to February 2, 1956, it would have cost 45 1/2% more to heat that apartment building. The fuel saving was \$103.88. This is a comparison test between two identical apartment buildings, building (A) with a "Ballet Balance" control as compared with building (B) without.

During the test there were no heating complaints from the tenants in apartment building (A) although apartment building (A) had the most heating complaints before the "Ballet Balance" control was installed.

These figures are backed by gas meter records from October 3, 1952 to date, and the test is continuing. This control works on oil or gas fired forced air or forced circulation hot water heating systems. Patents applied for. Seifert Manufacturing Company, 130 Ford, Highland Park 3, Michigan. Schedule Easter Tour to Hawaii MR. and Mrs. Harry W. Short of Harvard road, will escort a tour to Hawaii during the Easter vacation.

The tour will leave Detroit by plane Thursday evening, March 29, and return Sunday, April 8. A longer stay in Hawaii can be arranged for those who wish to extend their vacation period.

A very low rate of \$524.00 plus tax has been arranged for this special trip. Upon arrival in Hawaii the members of the tour will be welcomed at the airport with the usual presentation of leis for each member before transferred by limousine to the hotel.

The beautiful Princess Kaiulani, the newest of the Matson Line hotels at Waikiki, has been selected for the party's stay in Honolulu.

Included in the features are a sumptuous dinner at the Royal Hawaiian Hotel and numerous sightseeing trips around the island. A boat cruise to Pearl Harbor is also included in the tour.

For those who wish to take advantage of this low rate it is necessary to make immediate reservations because of the heavy demand for space at this season of the year.

Information can be obtained from the Paul Henry Travel Service in the Washington Boulevard Building, WO 1-7075 or from the Harry Shorts at TUXedo 5-2784.

MRS. JOHN F. KLEIN of Lincoln road . . . has a one-man show in silver throughout the month of February . . . in the exhibition gallery at the Women's City Club. Silver pieces in her exhibit include . . . a chalice and patten . . . bowls of assorted shapes and sizes . . . cuff links . . . jewelry . . . salt and pepper shakers . . . sugar and creamers . . . pictures in silver and some enamels.

Interesting note about this Pointe artist in silvercraft . . . is that she first delved into metalwork when she helped to start the Girl Scout troop at St. Paul's . . . and although her own three daughters have gone beyond scout age limits . . . Mrs. Klein's interest in silver has continued and . . . she still has girls from various troops knocking at her door for assistance in earning their metalcraft badges.

HAVE YOU SEEN the photo-mural which covers one wall of the adults' room at the Central Library, 10 Kercheval? In stark black on white . . . it depicts the development of language from the era when messages were written on stone through its phases to the utilization of the alphabet.

Architect Marcel Breuer commissioned Herbert Matter, who is on the staff of Vogue Magazine, to execute the photo-mural . . . and W. Hawkins Ferry presented the finished work to the Grosse Pointe library.

AT HOME . . . Mrs. Robert Sucek dons a tailored and tannish tweed suit over emerald green sweater . . . with pale green print silk scarf tied at the neckline.

### PILFERINGS

A distinguished member of the French embassy was present at the silver wedding anniversary celebration of a minister. Leaning over to his neighbor, the minister's nephew, the gentleman asked sotto voce: "Tell me, what is this silver wedding which we celebrate? I do not quite understand."

"Oh," replied the nephew, "don't you know? Why, my uncle and aunt have lived together for 25 years without ever having been separated."

"Ah," exclaimed the diplomat heartily, "and now he marry her? Br-ravo!"

After several synonyms had been given for the word "jubilant" in the sixth-grade spelling hour, one little boy added: "Oh, I know what you mean now—it's like jubilant delinquency!"

When Roderick Peattie was married in Chicago, a column-long story of the wedding appeared in the society section. On the train afterward, the newlyweds wanted to conceal their new status, so the young man was very nonchalant when he handed their long tickets to the conductor.

The official read and read. Finally, he raised his voice so the entire car could hear and said, "My friend, this is a very interesting account of your wedding, but where are your tickets?"

The editor of a New England weekly sent to one Hiram Sparks a notice that his subscription had expired. The notice came back with the laconic scrawl, "So's Hiram."

Harry D. Arrast tells about Charlie Chaplin's battle with a fly that kept buzzing around him during a picture conference. After slapping at it several times Charlie became exasperated and asked for a swatter.

As the discussion continued, he sat with the swatter poised and a menacing eye on the elusive fly. Three times he swung at it; three times he missed. At last the fly settled on a table directly in front of him, and Charlie tensed for the kill. Slowly, cautiously, he raised the swatter. But just as he was ready to deliver the deathblow, he deliberately lowered his weapon and allowed the fly to escape. "For heaven's sake!" someone blurted out. "Why on earth didn't you swat it?"

Charlie shrugged. "It wasn't the same fly."

An American tourist in Paris was endeavoring to use some of his high school French to order his luncheon. "Garsong," he said after a lengthy study of the menu, "je desire consume royal, et un piece of pang et burr—no, hang it—une piece of burr."

"I'm sorry, sir," said the waiter tactfully, "I don't speak French."

"Very well," snapped the tourist. "For heaven's sake, send me someone who can."

W. HAWKINS FERRY OF EAST JEFFERSON AVENUE

By Kitty Marriott

An authority on art, in general, and architecture, in particular, is Hawkins Ferry, who has lived his life in the lakeside mansion which his father, Dexter M. Ferry, Jr., built in 1915.

The Ferry family has long been identified with culture in Detroit. The late Dexter M. Ferry, Hawkins' grandfather, was one of the founders of the Detroit Institute of Arts in 1885.

A member of the Founders' Society for almost three decades, Dexter Ferry, Jr., helped to build the art museum's American collection of paintings. Through him and the late Murray W. Sales, Grosse Pointe's new, modern Central Library was erected.

Hawkins carries on the family tradition. He has been interested in architecture as far back as he can remember, even recalls drawing childish house plans at the age of 4.

### Studied Architecture

After attending Grosse Pointe Country Day and Cranbrook schools, he specialized in the history of architecture at Harvard and studied for two years at the Harvard School of Design.

Now an honorary member of the Michigan Society of Architects and honorary curator of architecture for the Detroit Institute of Arts, Hawkins delved into the history of Grosse Pointe mansions several years ago. The resultant manuscript is being published this spring.

In the latter part of 1955, he lectured on the Grosse Pointe houses before audiences at the art institute, Grosse Pointe War Memorial and before the Grosse Pointe Real Estate Board. He will repeat the lecture for the Grosse Pointe Women's Club on April 18.

### Sponsors Modern Art

Hawkins recently contracted to do research on a history of architecture in Detroit. He has given courses at Wayne University on the Survey of Art and Modern Architecture, and he has written extensive articles on local architecture for Detroit Institute of Arts publications.

As president of the Metropolitan Art Association for eight years, he helped to bring to this

area speakers on every form of modern art—painting, architecture, sculpture, industrial design, city planning, photography and advertising were some of the fields they covered.

An architectural designer, Hawkins designed modern two-family flats, some of which were erected in a former meadow across the street from his East Jefferson avenue home. He keeps a watchful eye on his houses currently under construction.

### Art Donor

Does he do any painting outside of the architectural design field? Not at present. But he does hope to take up painting again when he has fewer irons in the fire.

Two of his handsome non-objective or abstract paintings are framed in the comfortable, modern sitting room where he makes his headquarters on the third floor of the Ferry home.

Hawkins' interest in art has taken him around the United States and to Europe several times. He keeps no great art collection at home, preferring to give pieces he deems worthwhile to the museum or library where numbers of people may enjoy them.

Pictures he has given to the art institute include "The Seeded Earth" by Andre Masson and "Weed Glides" by Matta, a Chilean artist. Two space modulators—sculpture in plexi-glass—by L. Moholy-Nagy are other contributions.

### Cultural Leanings

An Aubusson tapestry by Wassily Kandinsky hangs in Grosse Pointe Central Library through his generosity, as does a giant mobile by Alexander Calder. He also presented to the library Herbert Matter's photomural on language, which covers one wall of the adult reading room.

Artistic contributions which Hawkins has made to the library offices include reproductions of pictures by Picasso and Paul Klee and Maurice Brose's welded steel statue, "Standing Steel."

Hawkins' affiliations, of course, show his cultural leanings. He belongs to the Grosse Pointe Friends of the Library, Founders' Society of the Detroit Institute of Arts (and is chairman of the library committee there), and the Detroit Historical Society.

His sports favorites are definitely: tennis in summer and skiing in winter. He likes lan-

guages, knows French and has been teaching himself Italian.

### Likes Grosse Pointe

Hawkins' library has many books on art and architecture, but an Italian volume recently brought to his attention lends a humorous touch. It's "De America" by Guido Piovene.

When the author toured America with his wife a few years ago to secure material for his book, the Italian consul took Mr. Piovene and his wife to Hawkins' home for tea.

In his section devoted to Detroit, Piovene devotes the day's experiences—giving a horrible description of the industrial city, and then, noting that "America is full of surprises," he tells about stepping into a different world in the Grosse Pointe mansion.

"If you are interested in art and architecture," Piovene says he asked his Pointe host, "Why don't you go and live in Europe?"

To which Hawkins Ferry replied, "Because I'm perfectly happy here."

## Young Adults Forming Club

A young adults social club in St. Joan of Arc parish is being organized at a meeting to be held in the school auditorium on Thursday, February 9, at 8 p.m.

All unmarried Catholics between the ages of 18 and 29 years of age are invited to attend the meeting. Anyone younger than 18 years may join if high school has been completed.

For further information call Virginia Greene, at PR5cott 6-2887.

### GM PRODUCTION FIGURES

General Motors produced 366,154 passenger cars and trucks in the United States and Canada during January, as compared with 377,544 during January, 1955, it was announced. Of the total vehicles produced by GM during January 321,371 were passenger cars and 44,783 were trucks.

**GOLDEN CARROT COOKIES**

- 3/4 c. sugar
- 1 c. shortening
- 1 egg
- 2 c. flour
- 2 t. baking powder
- 1/2 t. salt
- 1 t. vanilla
- 1/2 t. lemon extract
- 1 c. cooked, mashed carrots—cooled

Cream sugar and shortening, add egg. Add other ingredients and mix well. Drop by teaspoonful onto cookie sheet. Bake 10-12 minutes in moderate oven (325-400°).

When cool, frost with following mixture: grated peel and juice of 1 orange, with enough powdered sugar added to make a paste.

## Republicans Plan Meeting

A movie entitled "Henry Lends A Hand" showing how Young Republicans fit into the structure of the Republican Party, plus a report on the recent Leadership Training School for Young Republicans held in Washington D.C. are on the program for the next meeting of the 14th District Young Republican Club.

Highlights of the Washington School, which included such things as a reception at the White House and a private meeting with Senator Knowland, will be discussed by Allan Clark, chairman of the 15th District Club.

The meeting, to be held on February 16 at 8 p.m. in Buckingham Hall, will be followed by a social hour. All interested young people between the ages of 16 and 37 are invited to attend.

Paris is in the "Headlines" in the Pointe! Marie Bird brings to you from this fabulous city of fashion an entirely new concept in creative hair styling that is giving added charm and glamour to many Grosse Pointers. Not only do the coiffures reflect the beauty of Paris, but the salon itself with its new elegant decor lets you travel quietly to the Champs Elysees . . . the Opera House, and along the Left Bank of the Seine to Montmartre. Parisienne pink and Cathedral grey combine with a soft shade of turquoise that sets the mood for beauty and relaxation at the hands of Marie Bird's fine stylists. Speaking of hair stylists you will be interested in knowing that Mr. Barratt, formerly of the Boston and Chestnut Hill Salons of Pierre-Marcel, Inc., and the Emile Salon in Washington, D.C. is now a regular member of the staff at Grosse Pointe's pace setting house of beauty. Call TUxedo 1-6833 for appointments.

Of Doodle pumps. Dash and fashion excitement are in the middle of fashion news this week at Walton-Pierce, in the village. Black patent pumps have been whittled into a slim heel with a deep cut vamp . . . and the more conventional one has a Louis heel. The latter is bound in dull kid . . . finished with a flat bow. The letter for the name Doodle? They have a dull scroll-like overlay. These effective, clever spring shoes are featured in the Sholey Salon of Walton-Pierce, Kercheval at St. Clair, in the village.

It's a good glow that's showing. Showing love we mean. It's peering out at us from the windows of 92 Kercheval. Red and black is the unusual motif. Look closely . . . see a tiny fireman's hat . . . not silly, because it's a practical one . . . that black Swami is a ring bearer. And for your darling grandma or very nice Aunt there a red and black coffee grinder. And because he's your best beau, consider the electric shoe polisher. See the lamps . . . the dashing red shirts . . . sweaters. Ah well, go see for yourself. Kilgore and Hurd, on the hill.

Of leather jewels . . . handbags of perfect proportions. Of clustered necklaces . . . earrings . . . bracelets by Miriam Haskell . . . pale blue or pink with gold, to complement your Southern wardrobe. Of shining accessories (and one thought here might be a trimmed navy cashmere sweater) or a pair of sun specs in brilliant form . . . all from the accessory department . . . all suitable for the one you love . . . at Margaret Rice's, 76 Kercheval, on the hill.

The Caribbean Country . . . a party of islands invites you to come and join in the fun . . . and here in the village the Camera Center invites you to pick up a camera . . . projector . . . tape recorder . . . viewers or accessories before you leave for your Southern vacation. Movie cameras and projectors would be wonderful to have, especially since they are now on sale. Twenty to forty per cent savings are possible on the items we've mentioned. View these good buys . . . And then say good-bye.

The Valentine feeling is strong at number 72 Kercheval where imported little baskets filled with violets . . . lily of the valley . . . and breathless little white ones are in profusion. These and rosegay corsages trim a real camellia tree. A true collector's delight are African violets. Note that the leaves of these show an exciting range of color, texture and design. St. Valentine himself couldn't say with words what an azalea, tulip, or hyacinth plant can say without words. Hat racks, the flower pot which becomes a cigarette holder and the hats, a fedora and top hat, become ash trays. Arthur Pasek, florist.

Of permanent gifts. Jewels flashing everywhere in any amount . . . in bunches and twinklings. They might blaze, they might flicker. They might take the form of a watch or a ring. And these marvelous invaluable should be chosen from Pomgracz Jewelers, on the hill. They specialize in quick strokes of brilliance. Come see. 91 Kercheval, on the hill.

Typical of Tina Leser's swimsuits are their seascape colors . . . their high fashion . . . and all over floral prints. Then Cole of California, never to be outdone . . . comes up with a very tailored looking two-piece number with cuffed shorts . . . done in vivid red and white plaid . . . of course there are many other styles and colors, too. Not so much for beachcombers . . . as for real swimmers are the one piece lastex. Each suit, in the Walton-Pierce sea collection have been designed and sewn with as much care as your best dress. Their beautiful interior designs really give the figure a lift. These were chosen by Walton-Pierce to please EVERY age and figure. Sizes run the gamut . . . 10 to 20. Walton-Pierce, Kercheval at St. Clair, in the village.

Close to your heart could be a princess dress . . . full skirted with enormous pockets . . . but close to your heart. It's fashioned of worsted flannel in beige, grey or navy. Junior sizes and around fifty dollars . . . by Junior Sophistates. And because they've got spring on their minds . . . it's featured at Margaret Rice's, 76 Kercheval, on the hill.

Mrs. R. W. Larson from the Top 'O The Hill is in New York this week attending the Linen Show. Now we know definitely that there ARE fashions in linens. Incidentally, valentines that express spontaneous friendliness are here at the Top 'O The Hill . . . heavenly lingerie . . . distinctive and dainty handkerchiefs . . . pretty bed jackets . . . and practical bosiers. 104 Kercheval, on the hill.

Beth and Kay Lehman's Bric-A-Brac Shoppe in the Woods, feature gifts from everywhere. We came upon a Musical Lantern-Bottle . . . it's really a decenter. The lantern itself is shining brass . . . very appealing . . . and ideal for YOUR room. Find the Bric-A-Brac Shoppe at 29439 Mack, in the Town 'N Casual block.

Boy inspired shoes . . . typically Spring . . . because they are the kind that keeps the weather out. For example, crepe soles are shown in browns . . . along with the rubber soled saddles in brown or black with white. New season dress oxfords are evident, too, in the collection of boys' shoes at Clyde Horning's, on the hill. 100 Kercheval.

She is a modern woman. She is discriminating. She likes sales. But she loves to buy the clothes she's dreamed about looking bright . . . not tired. She will trot to Walton-Pierce . . . where they have the fabrics and colors she likes. She will find them at remarkably low prices. There is something from almost every department . . . from dressy to casual . . . from junior to misses to even larger sizes. She will wear them right now and for several months to come. Walton-Pierce, Kercheval at St. Clair, in the village.
