

# WOODS MAYOR'S TERM CHANGED

## HEADLINES

### of the WEEK

As Compiled by the  
Grosse Pointe News

Thursday, April 5

THE FEDERAL and State Governments rushed aid to tornado-stricken areas. When tornadoes finished their devastating work in Western Michigan, 17 dead were counted; at least seven persons, members of two families in Grand Rapids, were still missing; and damages were counted in millions of dollars.

Sixty-seven persons remained in hospitals, seven of them still in critical condition. The monetary loss was estimated at about 11 million—10 million in Standale, a Grand Rapids suburb; and one million in Hudsonville, 10 miles to the southwest, where 12 lives were lost.

Other communities which felt the wrath of the winds in varying degrees, were: Bangor, Zeeland, Bloomingdale, Saugatuck,

Friday, April 6

THE EGYPTIAN ARMY reported that 42 Arab civilians were killed and 103 injured in fighting with attacking Israeli forces. The fighting took place along the Egyptian-held Gaza strip of Palestine on the eve of the new top-level United Nations effort for peace between the Arabs and the Israelis.

Saturday, April 7

ISRAELI and Egyptian troops engaged in a fresh artillery duel along the Gaza strip, heightening the tension in the Middle East. The clash was brief and was halted by invoking the UN cease-fire appeal which ended a bloodier clash on Thursday. A UN report said that 55 Egyptians and four Israelis were killed in the border clash on Thursday.

Sunday, April 8

NEARLY 250 persons were killed in what is termed the bloodiest fighting of the Algerian rebellion, with the biggest battle taking place near Djelf in the Nemetcha Mountains. French Minister Resident Robert LaCoste has asked for 200,000 more troops to put down the revolt. An unofficial report disclosed the rebels lost about 100, the French about 25 killed and 20 wounded.

Monday, April 9

THE SENATE is investigating charges that graft marked the awarding of contracts for "millions of dollars worth of military uniforms." The Senate Investigations Subcommittee, under the chairmanship of Senator McClellan (D., Ark.), announced it will conduct public hearings tomorrow on the matter.

Tuesday, April 10

PRESIDENT EISENHOWER pledged that this country will not abandon the Middle East in its hour of crisis. He made it known that the United States "will observe its commitments within constitutional means to oppose any aggression" in the Middle East. It was reported that the President and Secretary of State John Foster Dulles regard the situation "with the utmost seriousness." It was obviously in reference to the most recent outbreak in fighting along the Gaza Strip in the Palestine area. Meanwhile, in Jerusalem, Israel charged that roving bands of "suicide" Arabs, under Egyptian orders, inflicted a third straight "night of terror" on Israeli settlers on Monday.

Wednesday, April 11

PRESIDENT EISENHOWER left no doubt that if the need arises, he will ask Congress for authority to send U. S. troops to the Middle East. This, of course, is on the assumption the United Nations votes to quell any aggression there. The President will make a major foreign policy address in Washington on April 21. The President also pledged full support "in the fullest measure" for the Middle East peace mission of UN Secretary General Dag Hammarskjöld. In Israel, Hammarskjöld launched his on-the-spot Palestine peace mission against a background of continuing Arab-Israeli violence.

## Optimists Sponsor Bike Safety Week For Kids

Posing with the shiny new bike which will be given the winner of the Bicycle Safety Week drive, April 16 to 21, are, left to right: LARRY KORTE, JACK TAMBLYN, BOB ORDWAY, PATROLMAN JACK PATTER-

SON and ROBERT SCHWARTZ. Mr. Korte and Ordway represent the Grosse Pointe Optimist Club and Patrolman Patterson represents all Grosse Pointe policemen.

## Blood Mobile Unit To Be Here Friday To Take Collection

Methodist Church at 211 Moross Will Be Headquarters; All Eligible Residents Urged to Appear to Make Donations

The Blood Mobile Unit of the Red Cross will be at the Grosse Pointe Methodist Church at 211 Moross Road, Grosse Pointe Farms, from 2 p.m. to 8 p.m. on April 13, to give members of the Grosse Pointe Community Blood Council an opportunity to donate blood to the community blood bank.

The Grosse Pointe Community Blood Council, made up of representatives of 16 churches and organizations, is one of very few such cooperative ventures. It was started in 1952 to meet widespread needs, both personal and public.

### Personal Insurance

First, it represents a kind of personal blood insurance plan for the donor and his family. A record is kept by the chairman of every participating group and when the donor or a member of his family needs blood, the chairman notifies the Red Cross and it is released immediately without cost.

Any organization or individual who are interested in becoming participating members in the Grosse Pointe Community Blood Bank should call the chairman, Hugh Burns at TU, 1-0990 or the secretary, Mrs. John Kolpacky at TU, 4-2948. Any organization in Wayne County is eligible for membership.

### How Council Functions

The council functions this way: The Central Committee meets to set up a yearly program of three collections, arranges dates with the Red Cross and designates a different church for each collection. The chairman of the host church is the chairman of that blood bank.

On April 13, Mrs. Walter Griffith will be chairman; Mrs. Robert Smith, in charge of hostesses; Mrs. G. Worbois, volunteer nurses; Mrs. D. Nigro, transportation, and the Junior Red Cross will handle nursery.

Participating members in the Blood Council are: Grosse Pointe Woods Presbyterian Church, King Lutheran Church, Faith Reform Community, Grosse Pointe Congregational, Grosse Pointe Methodist, Grosse Pointe Unitarian, St. Michael's, St. Paul's, Christ Church, Grosse Pointe Memorial, Grosse Pointe War Memorial Center, Grosse Pointe Post Office, Jacobson's, American Legion Post, Marine League and Grosse Pointe Farms Police.

## Drivers Warned Of Tree Spray

Tree spraying crews will be busy in the City of Grosse Pointe for the ensuing two weeks. It is requested that private cars not be parked at the curb.

Cars left there will not be moved and will be doused with the spraying chemical. Parking is not permitted on any of the City's streets between the hours of 2 and 6 a.m.

## Doppmann to be Soloist With Symphony on Sunday

William Doppmann, who will appear as soloist with the Grosse Pointe Symphony Orchestra at its fourth concert of the season on Sunday afternoon, April 15 at 3:30 in the auditorium of Parcels School, Mack and Vernier roads, began his career as a concert pianist at a very early age when he appeared with the Cincinnati Symphony at the age of 10 years.

He is now a senior at the University of Michigan School of Music and although many years have elapsed since that first performance in Cincinnati, he has continued to add laurels to his crown by winning both the Naumberg award and the Michael's Memorial award during 1954.

## City Reveals Changes for Water Users

Daytime Sprinkling to Be Permitted and Billing Will Be Made Every Six Months

Neil Blondell, Deputy Treasurer of the City, has announced that due to the successful administration of the Water Supply and Sewage Disposal System Revenue Bond Fund, the City will now return to a semi-annual water meter reading and billing.

The new system will save the city \$1,600 a year. This saving will be put in a surplus fund which can only be used for further expansion of the water program.

Even with the increased supply of water provided by the joint water improvement program undertaken by the Farms and City last summer, lawn sprinkling will only be allowed every other day.

In the past even numbered homes sprinkled only on even days and odd numbered homes on the others. But all watering had to be done between the hours of 2 and 5 a. m.

With the increased supply of water, homes will be allowed to sprinkle all day long, every other day.

## Two Cars Tangle At Intersection

Motorists failing to heed stop signs continue to cause accidents as the arrival of spring induces day dreaming.

At high noon, Saturday, April 7, James R. Reynolds, of Sheridan road, Detroit, neglected to stop for a stop sign at Fisher and Ridge roads. His 1950 Buick continued north on Fisher and into the path of a Ford, driven by William Belluomo of Yorkshire, Detroit.

Damage to both cars was estimated at about \$350. Neither driver was injured.

Reynolds was ticketed for failing to stop at a marked intersection and causing an accident.

### Skips Meeting

Johnston, who represented the city on the board during the past year, said he would not attend the supervisors' meeting which was held on Tuesday, April 10.

Because of the snag, both matters have been tabled until the April 16 meeting of the council.

The council approved the appointment of the council members to the following city committees:

**Committees Named**  
Drainage Committee: Mayor Koppin, City Administrator William Lange, City Attorney Berns, the firm of Fate and Hirt, city engineers; and Councilman Bowling.  
**Finance Committee:** Councilman McLeod, chairman; and Councilmen Johnston and Hunt.  
**Park and Recreation Committee:** Councilwoman Elsie Friedrich, chairman; Councilmen Bowling and Pratt.  
**Investment Committee:** City

## Committees Approved By Councilmen

Two Tie Ballots Prevent Naming of Mayor Pro Tem and County Supervisor

Following a swearing in ceremony and the rendering of a verbal opinion by the city attorney, Woods Mayor Kenneth Koppin became the first mayor in the history of the city elected to a two-year term.

On Monday, April 9, City Clerk Herbert Brauns administered the oath of office to Mayor Koppin, who was elected to his second term on April 2, and to three re-elected councilmen, Kenneth McLeod, James Hunt and James Bowling, who will serve the one year remaining of the unexpired term of the late George Heckendorn.

**Harry Pratt Absent**  
Councilman Harry Pratt, successful candidate for re-election, was absent from the city, and will take his oath of office sometime this week, Mr. Brauns said.

During the course of Monday's meeting, held in accordance with the City Charter which calls for a regular council meeting the first Monday following an election of city officials, City Attorney Julius Berns rendered his opinion in regard to the two-year term.

**Amendment Filed**  
There had been some controversy regarding the serving of the two-year term at a postponed meeting held on Thursday, April 5. Mr. Berns said that this could be settled if Amendment No. 2, pertaining to the two-year term as approved by the voters, was filed with the offices of State Attorney General and Wayne County Clerk. Copies were specially delivered and in the hands of the proper officials Friday morning, April 6.

The purpose of the immediate filing was designed to permit the amendment to go into effect before the mayor took his oath of office.

**Presented Verbally**  
Mr. Berns said that the attorney general and the Wayne County prosecutor refused to render an opinion on the matter at this time. He said that because he himself had not prepared his own written opinion, he was presenting it verbally, and that at the next regular council meeting on Monday, April 16, he will have the opinion in writing.

During the organizational process of the Monday night meeting, all was not harmony. The election of a mayor pro tem and a member of the council to serve on the County Board of Supervisors was stalemated because of tie-voting. In each case, absent Councilman Pratt's vote would have settled the issues.

**Two Ballots Tied**  
Nominated for mayor pro tem were Councilmen McLeod and Hunt. Two ballots were taken, both of which were three and three.

Councilman Rex Johnston declined nomination when an attempt was made to break the stalemate.

In the matter of the supervisors, Mayor Koppin and Johnston were nominated. Two ballots on this met the same fate.

**Skips Meeting**  
Johnston, who represented the city on the board during the past year, said he would not attend the supervisors' meeting which was held on Tuesday, April 10.

Because of the snag, both matters have been tabled until the April 16 meeting of the council.

The council approved the appointment of the council members to the following city committees:

**Committees Named**  
Drainage Committee: Mayor Koppin, City Administrator William Lange, City Attorney Berns, the firm of Fate and Hirt, city engineers; and Councilman Bowling.  
**Finance Committee:** Councilman McLeod, chairman; and Councilmen Johnston and Hunt.  
**Park and Recreation Committee:** Councilwoman Elsie Friedrich, chairman; Councilmen Bowling and Pratt.  
**Investment Committee:** City

## Bullets Halt 14-Year-Old Auto Thief

Detroit Youngster Punctures Three Tires Trying to Elude Farms Police

Farms police officers Russell Hilgendorf and Russell Roland were cruising east on Lake Shore road early Friday evening, April 6, when they spotted a 1955 Chevrolet convertible swerving from curb to curb.

As the two cars approached Moross road the police gave chase. The driver saw the scout car and accelerated to 55 miles per hour in an attempt to shake off his pursuers. He drove the Chevy from north curb to south preventing the police to pull up along side. The punishing impact of tires on the curb had taken its toll. Soon three tires had been punctured.

**Ditches Car**  
At Lake Shore and Deeplands the driver decided to ditch the car and make his escape on foot. He leaped from the wheel with Officer Roland close on his heels. The policeman fired three warning shots in the air and these convinced the sprinter to give up the race.

**Stolen in Detroit**  
Apprehended was a 14-year-old boy from Detroit. He had stolen the car five hours earlier at Gratiot and Edmore. The Chevy is owned by Melvin Tucker of 19625 Goddard, Detroit. It was immediately impounded at the Shores Police station. The youngster was handed over to Detroit police.

## Runaway Horses and Car Tangle in One-Way Street

A horseless carriage, modern vintage, and a horse-drawn carriage, 1881 replica, got all tangled up on Thursday, April 5, in front of 1330 Whittier road. The horse-drawn carriage, rigged up by a Detroit store to make deliveries as it did 75 years ago, to commemorate its founding, was being handled by George McEwen, 60, of 18491 Asbury park, Detroit.

McEwen was making deliveries in the East Outer drive-Mack avenue area, when youths in a hot rod roared by, frightening the two horses harnessed to the wagon. The animals bolted, and turned onto and ran the wrong way on one-way Whittier.

Their driver gave chase on foot, and finally begged a ride

## Entertainment, Instruction To be Offered to Pointers At Horticultural Pageant

Men's Garden Club Schedules Event to be Presented in Parcels Junior High School Next Tuesday Evening

Every gardener in Grosse Pointe is invited to attend the Horticultural Pageant to be presented by the Men's Garden Club of Grosse Pointe next Thursday evening, April 19, at the Charles A. Parcels School. There will be attractions for all.

## Farms Police Champs Again

The Farms Police Pistol Team has copped the Grosse Pointe News Trophy for the fourth consecutive year.

Patrolman Arnold (Babe) Parsons again took individual honors by compiling 247 out of a possible 300 points on three targets, out-shooting all others for individual high score. This was Parsons' fourth year as top marksman.

The NEWS trophy was presented to the team Tuesday evening, April 10, in the American Legion Hall, Grosse Pointe Post-303.

Team members are: Eugene Boylan, manager; Arnold Parsons, George Van Tiem, Frank Kerbrat, Francois Belanger and Earl Field.

The Farms pistol squad finished with a total of 1064 points. They were followed by the Woods with 830, the Park 892, the Shores 787, and the City with 703.

Chief Tom Trombly of the City did not participate in this year's shoot because of an infected finger.

A Centennial Fashion Show will appeal to the ladies and the costumes of 1856 will serve as mementos of the year in which Detroit's own Ferry-Morse Seed Co. was founded. The centennial anniversary of that world-wide organization provides the theme for this pageant.

**To Show Clothes Contrasts**  
To contrast with their stage display in the clothes of 100 years ago, members of the Men's Garden Club and their ladies will model the styles of 1906 and 1956, with different floral tributes shown to illustrate the changing modes.

Among those participating in the Style Parade will be Mr. and Mrs. John J. Dyle, Mr. and Mrs. James Farquhar with Mr. Harold C. Hill officiating as master of ceremonies.

Music of yesteryear, as well as that of today, will be featured throughout the evening. The piano playing of popular Betty Sladen and the singing of the famed Chrysler A-B-D Glee Club, directed by Prudence But-

## Cameras Taken By Housebreaker

Two expensive cameras and a small amount of cash were taken from a Shores home, during the absence of the owners. Shores Police Chief Fred Duemling said that the home of E. B. Ford, 22 Sunningdale, was broken into on the morning of Thursday, April 5. The Fords are away on vacation in Virginia, he said.

One person, possibly two, were responsible for the crime, it was said.

Known to be missing so far were two cameras, one valued at \$500, and the other at \$100, and a small amount of cash from an upstairs bedroom dresser drawer.

The chief said entrance was gained by breaking a small pane of glass in the powder room at the side of the house.

Police are awaiting the return of the Fords to find out if anything else is missing.

## Parking Lot Arguments Postponed

Case Put Over to April 13 After 2 Hours of Discussion in Judge's Chambers

The Special Assessment District 7 case, heard before Circuit Judge Frank Fitzgerald on Wednesday, April 4, has been postponed again.

Following more than two hours of discussion in the judge's chambers, the case was postponed to Monday, April 9, and later to Friday, April 13, in hopes that an equitable solution can be arrived at.

**In Court Since 1954**  
The case, which has kicked up quite a legal storm, has been in court since September 16, 1954, and since then a hearing has been postponed several times.

The special assessment was created by the Farms to have the businessmen pay a proportionate share of the parking lot improvement which was completed early in 1954.

The overall cost to the city, that is, improvements, purchase of property from the School Board to expand the lot and so on, was approximately \$33,994. The assessment against business was \$27,441.

**Business Against Meters**  
The majority of the businessmen said they would be willing to pay their share of the assessment, provided the farms promised not to meter the parking lot, but the promise was not obtained.

When the city sought to collect the assessment, the Hill businessmen obtained an injunction restraining the Farms from collecting. However, before the injunction was served, several businessmen paid all or part of their assessment.

On February 19 of this year, the Farms installed meters in the first three rows of the lot, 132 spaces, and to date has realized an average of \$155 a week, which in one full year would net the city approximately \$8,000.

The first row is metered for one-hour parking, the second, for two, and the third, up to 10 hours.

**Two Rows Kept Free**  
The 83 spaces in the last two rows are for free parking, but if metered for all day parking would bring the city an additional \$6,474 a year.  
Representing the Farms in the court battle are City Attorney Edward P. Wright and Thomas C. Tilley, and the businessmen, Gordon Wood.

### Woods Residents Assured Of Pool Use This Season

Woods residents are assured of the continued use of the swimming pool at the lakefront park this summer, despite obstacles which prevented the installation of a permanent pool filtering plant.

City Administrator William Lange revealed to members of the Woods council on Monday, April 9, the Wayne County Health Department has granted permission for the use of the temporary filtering system installed last summer. The decision followed that of the State Health Department, which recently sanctioned the use of the system.

Both departments gave approval because the delay in making the improvements at the park was not the fault of the city.

For months, now, the Woods had sought clear title to its portion of the park which extends beyond the submerged land line, which has not been given by the State because it was not approved by St. Clair Shores.

The approval is being delayed by St. Clair Shores because one of its residents, whose home is adjacent to the park, contends that the fill-in portion of the park violated his riparian, or harbor rights; that trees planted in the park would, when full grown, obstruct his view of Lake St. Clair; that too much noise came from the park and so on.

A \$155,000 bond issue, approved by Woods voters at a special election in December, did not receive the sanction of the Michigan Municipal Finance Committee, because of the controversy.

Obstacles which plagued the Woods in carrying out its improvement program at the park, are being removed, one by one.

During the month of March, the State granted the Woods a permit to improve the portion of the pool extending into the disputed land, and as a result the State Finance Commission approved the sale of the bond issues.

At Monday's meeting, Mr. Lange presented a prepared resolution which would adopt a policy in connection with its operation of the park. It was approved by the council.

The resolution, in four parts, stipulates that the park's loud speaker will be toned down and that excessive noise and/or volume of sounds will not be permitted; the pool lights will be shaded to minimize glare; the growth of the planted trees will be regulated so as to minimize the restriction of the lake view; and that any damage claims made by residents of St. Clair Shores will be processed in accordance with the Woods' charter and the statutes of the State.

Bids for the sale of the improvement bonds were rejected because they were too high. The council voted to accept new bids possibly around August.

A renewed request for a resolution on the submerged land and building permits from St. Clair Shores, has been postponed until May 7, by the Woods council.

### Rotunda Offers Flower Show

Gardens of Holland, England, France and Hawaii are exhibited in "Flowers Internationale," the second annual flower and fashion show which opened Sunday, April 8, at the Ford Rotunda in Dearborn, Mich.

Thousands of colorful flowers and numerous varieties of foliage are on display at the show which is free to the public. The show will continue through April 22.

A replica of the Eiffel Tower, 60 feet high and decorated by flowers and 3,000 miniature lights, has been erected in front of the Rotunda to establish the international theme of the show.

Inside the Rotunda, elaborate exhibits provide the setting for the floral displays. Show panels and table settings appropriate to each area are featured.

Tulips predominate in "Flavor of Holland" which includes a windmill, pond and fountain. A thatched hut and an illuminated, 12-foot waterfall are features of "Enchanted Isles."

Included in "English Interlude" is a Cotswold cottage. Artists painting flower arrangements in a Parisian street scene are a part of "April in Paris."

Every third day the table settings and floral displays will be judged and changed. Photographs of participants in the 16 exhibit classifications will be on display throughout the show.

Manikins attired in spring apparel and Mercury, Lincoln, Continental, Ford and Thunderbird automobiles in a variety of colors blend with the flower arrangements.

Nearly 200 exhibitors are participating in the two-week show. Communities represented are Detroit, Dearborn, Grosse Ile, Highland Park, Grosse Pointe, Ferndale, Royal Oak, Farmington, Birmingham, Wayne, Ann Arbor, Pleasant Ridge, Milford, Belleville, Rochester, Beverly Hills, Huntington Woods, Monroe, New Boston, Taylor Center, Franklin Village, Southfield Township, Inkster, Bloomfield Hills, and Wyandotte in Michigan, and Celina, O.

The exhibitors, both clubs and individuals, are among the 12,000 Michigan garden enthusiasts affiliated with the Detroit Garden Center.

Motion pictures and lectures pertaining to gardening, flower arranging and related subjects are presented daily in the Rotunda auditorium.

The Rotunda will maintain its customary schedule during the show, remaining open from 8:30 a.m. to 9 p.m. Monday through Friday and from 1 to 9 p.m. on Saturday and Sunday.

"Dream Garden," the first flower and fashion show at the Rotunda last year, was attended by 107,000 persons.

### Plan Women's Luncheon At Detroit Boat Club

"New Horizons" will be the theme of the women's bridge luncheon on Wednesday, April 18, at the Detroit Boat Club.

Dorothy Drake, fashion consultant, will show two complete "Go Everywhere—Easy to Care For" wardrobes, plus the newest pieces in luggage.

The travel theme will be carried out in the decorations with travel literature, flags and posters.

Mrs. Frederick Fisk is party chairman. Assisting her are Mrs. Frederick Fisher, Mrs. Wilbur Landis, Mrs. Alfred Crabb and Mrs. William Austin.

The White House was first lighted by electricity in 1890 during the term of President Benjamin Harrison.

**WHAT DO YOU MEAN, "JUST FACE LIFTING"?**

EVERY NOW AND THEN, we run across someone who seems to think that 1956 cars do not offer anything really new — just a little face lifting from the year before.

double-action take-off. It gives you new, split-second response in the first inch of pedal travel — plus the "switch the pitch" at full acceleration, which no one else has yet approached.

**The Ride is New**  
 To coil springs on all four wheels, a brawny X-braced frame, and torque-tube drive, the engineers have added deep-oil shock absorbers to give new softness, new buoyancy, new comfort, and a brand-new "sense of direction" handling response.

**The Power is New**  
 All 1956 Buicks have new and mighty 322-cubic-inch V8's — with record highs in power and compression — with unique new double "Y" manifold to step up efficiency

**The Styling is New**  
 Sure, it looks like a Buick. But it has a new V-proved grille that says 1956 and no mistake. The hood's new — the fender ports are new — the sweep-spear is new — and it all adds up to a new sweep-ahead look that ends in a sassy new slant to the rear contours. But that, friends, is only the beginning.

**The 1956 Dynaflo™ is New**  
 It introduces what the engineers call "double regeneration" — which means a

—with new carburetor "deicing" — and a host of other new features to make owning a Buick pure pleasure.

**The Thrill is New**  
 And the surest way for you to find out how right we are, is to sample a 1956 Buick yourself.

As we said before, this is the best Buick yet — by a wide measure — and when you learn the prices we're quoting, you'll know why this Buick is one of the three best sellers in today's market.

It takes a lot more than face lifting to produce such a winner as this.

\*New Advanced Variable Pitch Dynaflo™ is the only Dynaflo™ Buick builds today. It is standard on Roadmaster, Super and Century — optional at modest extra cost on the Special.

### Church Thief's Career Ended

The pilfering of offering boxes in St. Clare of Montefalco Church and other churches in the Detroit area in 1954, was solved with the arrest of a 24-year-old Windsor man by Canadian police on Monday, April 2.

James DeRosiers of 1218 Cadillac, Windsor, arrested on a charge of breaking and entering by West Sandwich police, confessed that he broke into St. Clare Church on July 23, 1954, and rifled the church's candle-offering boxes. He also admitted breaking into other Catholic churches in the Detroit area and taking money.

Park Police Chief Arthur Louwers said that he received the information of the arrest and confessions from West Sandwich police.

He said that DeRosiers, who specialized in rifling church money boxes, will not be returned to this country, but will be prosecuted by Canadian authorities.

### Rotary Club Prepares for Big Antique Show

Ten thousand letters were mailed out Tuesday, seeking sponsors for the big fund-raising project which the local branch of the international service organization will hold at the War Memorial Center from May 25 to 28, inclusive.

Shown, left to right, are: MRS. STANLEY SMITH, CLIFFORD ASHTON, TONY MANARDO, MRS. ASHTON, JOHN BAKER, MRS. BRUCE BOCKSTANZ, AL ALDINGER and ROBERT ORR.

### Optimists Back Safety Drive

Once again the Grosse Pointe Optimist Club will sponsor its annual Bicycle Safety Week between April 16 and 21. This year the safety campaign will be greatly enhanced with the full cooperation of the local police departments and various merchants within the Pointe's boundaries.

In keeping with the safety program a decal or emblem will be given to all youngsters at the time of registration. These will be presented for installation on the participant's bike.

A survey by the Bicycle Institute of America shows that youngsters between 5 and 14 years of age make up 75 percent of all bike riders. Naturally, one would suspect that the highest rate of accidents each year would fall in this large group.

It is during these formative years that a child displays little or no fear, consequently he often becomes a show-off which not only endangers his life but places a great responsibility on motorists.

There is no room for show-offs on the streets and sidewalks of Grosse Pointe, or for that matter, in any community.

The purpose of the Bicycle Safety Week is to instruct the youngsters on their responsibility while using the streets on their bicycles; also the necessity of having their vehicles in good running order. A booklet on maintenance is available for the asking at all bicycle stores.

The size of the bike to match the child's age is extremely important. Too many times par-

ents have purchased a big bike for Johnny with the thought, "He will grow into it soon." This is a mistake. A big bike cannot be properly controlled by a small boy or girl and the results can and have been disastrous to the child.

### Business Group Plans Election

The April 26 meeting of the Grosse Pointe Business Men's Association at the War Memorial Center, will also feature the regular election of officers. Ballots will be mailed to all members this week. As most of the balloting is done by mail, the report of the election committee will be an important section on the agenda.

Committee appointments will be made for workers on the organization's annual employer-employee dinner, which will be held at the Detroit Yacht Club in May. Special attention is given to details of this dinner as it is the largest function of the association.

### Farms Approves Traffic Signals

The Farms council at its April 9 meeting gave its approval for the installation of two new traffic lights in its city.

One light will be erected at the corner of Kercheval and Hall place. The signal will be synchronized with the light at Kercheval and Muir road. Cars traveling east and west will be allowed to turn right after a complete stop. This regulation will provide for a smooth flow of traffic in and out of the Kercheval Hill parking area, and also allow traffic to move south, down Hall place to Grosse Pointe boulevard.

The cost of installing the signal light is estimated at \$1,452.91.

A second light will be erected at Chalfonte and Kerby, in accordance with a plan for the widening of Kerby road between Chalfonte and Mack.

The Chalfonte-Kerby corner is particularly busy during school hours, when safety patrol boys often wait several minutes before traffic clears and they can allow the children to cross.

No Edison Company poles will have to be planted for the proposed light, therefore its \$931.16 cost will be considerably less than the Kercheval-Hall place signal.

### John Ontswedder Back From Cruise With Navy

NORFOLK, Va. (FHTNC)—John Ontswedder, damage controlman third class, USN, son of Mr. and Mrs. John Ontswedder of 392 St. Clair, Grosse Pointe, Mich., was scheduled to return to Norfolk, Va., March 30, aboard the Atlantic Fleet heavy cruiser USS Des Moines after completing exercises with Operation Springboard in the Caribbean.

Ports of call included San Juan, P.R., and Fort Lauderdale, Fla.

### Church Holding Youth Carnival

A Youth Carnival will be held on Saturday, April 14, from 10 a.m. till 3 p.m. at the Grosse Pointe Congregational Church, 240 Chalfonte at Lothrop.

Those who have a dog, cat, fish, bird, duck, rabbit or an unusual pet are urged to enter it in the Pet Show. Miss Barbara Luss, chairman of the show, would like all pets entered at 9:15 a.m. The judging will take place at the opening of the Youth Carnival so that each mother or mistress may take his pet home. Barbara Luss will be in charge of the Hobby Show. He will welcome hobbies like stamps, pennants, coins, rocks, dolls, glass, pins, etc. (Match covers, playing cards and bottle caps are not acceptable.)

Thirty games in the Midway will be barked during the carnival by youthful proprietors under the supervision of Miss Janis Bushong. Hot dogs, cold drinks, and coffee will be served out of the kitchen all day under the sponsorship of Miss Frances Emerson.

Home-made baked goods will be on sale by proprietress, Miss Linda Bennett. Not to be outdone by the Midway Barkers, Philip Hannah promises to make dreams come true at the Wishing Well.

Although the carnival is a youth project, some adult guidance has been available. Mrs. William Adams, general chairman and her co-workers are: Mr. and Mrs. B. A. Bates, Mr. and Mrs. Kenneth Bergmann, Mr. and Mrs. Paul Blackburn, Mr. and Mrs. Donald M. Carson, Dr. and Mrs. Harry M. Crooks, Mr. and Mrs. Howard Emerson, Mr. and Mrs. Karl W. Firth, Mr. and Mrs. Edward Luss, Mr. and Mrs. C. Benson McClure, Mr. and Mrs. Hughitt G. Moltzau, and Mr. and Mrs. T. Robert Springett.

### POLICE HAVE LOST KEYS

The Lost and Found drawer in the City Police station has a set of keys which were found in the parking lot behind the A&P Store in the Village. The keys were discovered Tuesday morning, March 27.

Mrs. Barbara G. Bailey Finalist For Title of "Mrs. Michigan"

Mrs. Barbara G. Bailey, 27, of 868 Loraine, Grosse Pointe, is one of eight housewife finalists who was to compete Tuesday, April 10, for the title of "Mrs. Michigan" . . . and the honor of being the State's most representative homemaker.

Selected from several hundred entrants, Mrs. Bailey is the wife of Walter Bailey, a salesman. They have three children: Walter, 4; Thomas, 2 and Barbara Jean, 1.

Mrs. Bailey was to vie with the other contestants in kitchens set up in the Veterans Memorial Building, in Detroit's Civic Center.

Each woman was judged on her ability to prepare a meal, set a table, sew and launder a shirt.

While the emphasis is on homemaking talents, each finalist also will be rated on poise, personality, appearance and participation in community life.

Winner will be crowned by Henry Tuttle, president of the Michigan Consolidated Gas Company, and Irving I. Woolson, president of the DeSoto Division, Chrysler Corporation. The DeSoto Division is a co-sponsor of the "Mrs. America" contest and the Michigan Consolidated is the State representative for the American Gas Association, a sponsor.

"Mrs. Michigan of 1956" will receive approximately \$2,000 in prizes including a free vacation for herself and husband in Florida.

MRS. BARBARA G. BAILEY

There she will compete in the "Mrs. America" contest.

Purpose of the "Mrs. Michigan" contest is to bring recognition to the role of homemaking as a career. It points up the varied skills necessary in caring for home and family.

While TV cameras swept back and forth, the eight housewives put the finishing touches on the meals they had been preparing on individual automatic gas ranges.

Mary Morgan, TV mistress of ceremonies, interviewed each woman.

Each finalist was awarded the gas range she used in the contest.

In addition, "Mrs. Michigan of 1956" will receive a Servel automatic ice-maker gas refrigerator, a Gruen wrist watch, set of Samsonite luggage, a Sacony travel wardrobe, giant flacons of perfume by Ciro and a set of Hallite aluminum cooking utensils.

On May 3 the winner and her husband will go by air to Ellinger Village at Daytona Beach, Fla. for a two-week, all-expense vacation.

During the week of May 7 "Mrs. Michigan" will match homemaking skills with other state finalists. The housewife named "Mrs. America" will spend a third week at Daytona Beach, receive a new car, a completely equipped gas kitchen, home laundry, a free trip by air to Europe and the Belgian Congo and weeks of personal appearances at \$100 a day.

Total value of the awards is estimated at \$20,000. The American Gas Association serves as main sponsor of the 18th annual "Mrs. America" selection.

Says Dealers Are Different

RAY WHYTE

"There's not a hair's breadth difference between one hotter-than-hot 1956 Chevrolet and another of the same model," said Ray Whyte today.

"The very latest modern precision methods for quality control are employed at the factory. So, with the exception of your choice of paint, Chevrolets are precisely alike. Modern science sees to that.

"The big important difference for Mr. Car-buyer is in the dealer he buys from—the deal he gets—the condition of the car when delivery is made—and the type and quality of service he can expect, after he's purchased his car. That's what counts—there's no difference in Chevrolets—it's the dealer you buy from that makes all the difference.

"So for 23 years, I've devoted all of my energies to make Ray Whyte Chevrolet a sound, dependable dealership; an organization known all over Michigan for the kind of continuous, conscientious, personal service and deals many car owners only dream about. This will make a whole of a difference to you when you get your new 1956 Chevrolet — so why not come in and see us?"—Adv.

Party Planned

The Woman's Society of the Grosse Pointe Methodist Church will hold its annual Spring Dessert Bridge party at the War Memorial on Thursday, April 19, at 12:30 p.m. Mrs. Leo Luke and Mrs. Clarence Slocum are co-chairmen for the event.

Strawberry shortcake and coffee will be served before the ladies commence their games of both bridge and canasta. There will be favors for all guests and an interesting selection of door prizes, arranged for by Mrs. John Gould. Floral decorations on the tables will carry out a spring theme.

The Woman's Society expects ticket sales for 100 or more tables. In charge of tickets are Mrs. Charles Dennis for Alpha Circle; Mrs. Elton Turner for Doris White Circle; Mrs. Carl Cordier for Martha-Mary Circle; Mrs. Kenneth Kimmell for Susannah Wesley Circle, and Mrs. John Clark for Rebecca Circle.

... says Paul Martin, Editor and Publisher, The State Journal, Lansing, Michigan

"And I am sure our employees are just as pleased with the way Blue Cross · Blue Shield protects them.

"Years ago it was something of a task to sell the hospital insurance program to an employee. The idea was new, and in many cases the restrictions were such that it was only natural for the individual to hesitate.

"That is all changed now, and the idea of hospital-medical coverage is generally accepted by folks in this organization. They want it, and are happy in it being made available at so moderate a cost.

"The protection given them and their dependents by Blue Cross · Blue Shield has afforded a feeling of security which they didn't have before. Such a feeling is conducive to happiness, thus greatly benefiting the relationship between them and management.

"One never knows when sickness or accident may strike. Blue Cross · Blue Shield recognizes just that, giving our employees that solid feeling of security for themselves and their families in an area about which they would otherwise feel quite insecure."

No wedding date has been set.

**Shipwreck Hag Dance Planned**

The first week back in school following spring vacation will be made more tolerable for teens in grades 9-12 by having a tremendous extra casual girls invitational dance Saturday evening from 9 to 12 p.m. at the Grosse Pointe War Memorial.

Jeans are not permitted but old stacks, Bermudas, shirts and sweaters, (the more beat up the better), are definitely in order.

Don Barber's orchestra will provide the rock and roll and Carol Bayless and Sandy MacMechan are in charge of making appropriate decorations.

It's couples only, so girls exercise your leap year privileges.

**Betrothal Told**

Mr. and Mrs. Leo Joseph Ayotte of Wayburn avenue announce the engagement of their daughter, JUNE ROBERTA, to Lt. Eldon Charles Mueller, son of Mr. and Mrs. Louis A. Mueller of Chalmers avenue.

The bride-elect is a graduate of Grosse Pointe High School. Her fiancé was graduated from Cass Technical High School and the United States Air Force Academy.

After their late October wedding in Faith Evangelical Lutheran Church, the couple will spend two years in Fairbanks, Alaska, where Lt. Mueller is currently stationed.

**Altar Society Holding Drive**

The annual membership drive of St. Martha Altar Society of Our Lady Queen of Peace parish will close on April 17. New members will be officially received into the organization in a religious ceremony to be held in the church on the above date at 7:30 p.m. It will be followed by a membership tea in the school hall.

Mrs. Own Conley is chairman of the event. Highlights of the evening will be a fashion and fur show.

### Party to Help Train Sisters

C. Marcellus Verbiest of Bal-four road as general chairman and Mrs. Henry L. Demchak as co-chairman head the committee busily making final preparations for the Fifth Annual Card Party sponsored by the Friendship Committee of the Immaculate Heart of Mary Auxiliary.

This party is to be held on Thursday, April 19, at 8 p.m., in the Veterans Memorial Building, 151 West Jefferson Avenue, Detroit, Michigan.

These Friendship Parties represent the annual effort of the families and friends of the Sisters of the Immaculate Heart of Mary to make some contribution to the cost of educating their members.

This expanded educational program was begun in 1949 in accordance with the wishes of His Holiness, Pius XII, who had urged all teaching communities to strengthen their program of teacher-preparation.

The first fund-raising drive financed the reconverting of a part of the building at Monroe to college use, as an extension of Marygrove College, and began the library collection. This drive was climaxed by the First Friendship Party in April, 1952. Parties in each successive year have continued to lend financial assistance to this work—a program of utmost importance in the interest of Catholic education.

Under this program, the Junior Sisters may receive their degrees before going out to teach and during the period from 1953 to 1955 fifty Sisters were graduated with Bachelor of Arts degrees. This program has now been extended to a five-year training period. Approximately 125 Sisters are now in training on a full-year program preparing for their life work and for the meeting of present day teaching requirements.

In addition to these advantages given to the Junior Sisters, an intensified program of inservice training has also been inaugurated. About 125 Sisters have been given the opportunity to do graduate work and 54 have participated in enrichments and refresher courses in summer schools—a number having been sent to various other Catholic colleges and universities in the United States.

Committee workers include the following chairmen: Mr. George F. Diehl and Mr. Hugh J. Sheehan, special gifts; Mr. Alfred J. Shaughnessy and Mr. Ray J. Bonini, patrons; Mr. Joseph B. Wolski, programs; Miss Miriam K. Crowley, publicity; Mrs. Willard A. Inman and Mrs. Wilfred J. Cardinal, party chairmen; Mrs. Thomas E. Doyle and Mrs. Leo J. Keyes, contest ticket chairmen.

These parties have been very well attended—last year by about one thousand. So it is suggested that reservations be

made early by calling either of the following reservation chairmen: Mrs. Joseph B. Wolski, UN 2-1096 or Mrs. Phillip Walling, UN 1-3377.

Donation is \$1.25.

### PLAN 30,000,000 SHOTS

Parke, Davis & Company expects to produce approximately 30,000,000 cubic centimeters of its new poliomyelitis vaccine by Dec. 31, 1956, Harry J. Loynd, president, told stockholders of the world-wide pharmaceutical firm at the annual meeting on April 3. (One cc. is equivalent to one shot).

### DAY OF RECOLLECTION

Catholics in this area will have an opportunity to demonstrate the church's teaching on integration when they join together in making a Day of Recollection Sunday, April 15, sponsored by the Catholic Interracial Council of St. Bonaventure Monastery on Mt. Elliot.

### Repeat Business Produces Pride

EDWARD SCHMID

"Our books show that over 70 per cent of the new car business at Ray Whyte Chevrolet—is repeat business," said Mr. Edward Schmid, General Manager of Ray Whyte Chevrolet, in an interview today.

Mr. Schmid said further that he felt no greater tribute could be paid to a dealer organization than this regular annual return of satisfied customers who come, year after year, to reaffirm their confidence in Ray Whyte by the purchase of their new automobiles.

"It's a wonderful achievement in public relations," said Mr. Schmid, "and I'm sure it's the direct result of Mr. Whyte's often repeated statement that he just wants Ray Whyte Chevrolet, at 15175 East Jefferson, corner of Lakepointe, to be the very best place in Michigan for you to buy a car—a place where you may be always sure of a fair deal and faithful, conscientious, courteous service after sale. That is the reason over 70 per cent of Ray Whyte's customers return year after year for their new cars."—Adv.

### St. James Guild Sale April 20

Name Leaders For Institute

Mrs. G. Sam Zilly, 380 Merriweather, past president, Detroit A.A.U.W., has been named general chairman of the 16th Annual Program Planning Institute to be held at the rack-ham Building in Detroit on Tuesday, May 1.

Mrs. Byron Chambers, 183 Lakeview, representing the Detroit A.A.U.W., has been appointed program chairman, and Mrs. Zaio Woodford Schroeder, 1011 Bishop road, manual chairman.

Other Grosse Pointe women representing sponsoring organizations on the Institute Committee include: Mrs. Nathan Goodnow, 75 Hasty, Grosse Pointe Branch, A.A.U.W.; Mrs. Martin Nielsen, 1431 Nottingham, Detroit District Association American League Auxiliary; Mrs. F. W. Steele, 55 Mapleton, College Women's Volunteer Service; Mrs. D. W. Hemmel, 1597 Newcastle, Grosse Pointe Parent-Teacher Association; Mrs. George Hall, 333 Washington, Junior League of Detroit; Mrs. T. R. Buttrick, 131 Moran, United Community Services; and Mrs. Hansel D. Wilson, 1311 S. Oxford, Women's City Club.

The Institute is held each year to help program chairmen of various organizations to plan meetings that will interest and benefit their membership. It is sponsored by 59 different organizations. These include several Torch Drive agencies, women's clubs, educational institutions and civic groups.

A comprehensive manual based on the theme "Action Through Leadership" will be given to each person attending the Institute. The principal speaker, Dr. Harold Sponberg, Director of University Extension, Michigan State University will talk on "Action Through Leadership."

The theme will be further developed by other speakers and by conferences.

The session begins at 9 a.m. Topics to be discussed at the conferences during the morning include: "Poise and Polish in Public Speaking;" "Planning Good Programs;" "Finding and Using Program Resources;" and "Parliamentary Guidance."

Dr. Laurence J. Taylor, Director of Extended Services at Hillsdale College, will lead a panel discussing program and leadership at the afternoon session. The discussion will include audience participation.

The Institute is open to all interested persons. Its sponsors especially urge all club officers, program chairmen and potential leaders to attend.

Engaged

Mr. and Mrs. T. W. Fredericks of Oxford road announce the engagement of their daughter, CAROL, to William R. Brink, son of Mr. and Mrs. Rudolph Brink of Holland, Michigan.

## Kitty Sanner Wed To Earl Genthe, II

### Nuptial Vows Spoken in St. Paul's Church on Saturday Morning; Breakfast Follows at Pointe Yacht Club

Kitty Sanner walked up the aisle of St. Paul Church on the Lakeshore to become the bride of Earl Robert Genthe II at 11 o'clock Saturday morning, April 7.

Mr. and Mrs. Richard T. Sanner of Neff road and the Earl R. Genthes, of Jenkintown, Pa., are the couple's parents.

A waltz length gown of Chantilly lace, styled with sweetheart neckline and very full skirt was worn by the bride. Her fingertip veil extended from a headpiece of matching lace, and she carried a bouquet of orchids and stephanotis.

Lois Engel, maid of honor and the bride's only attendant, wore a waltz length frock of yellow crystalettes and tiny hat fashioned of yellow daisies. Yellow roses and iris were in her bouquet.

For her daughter's wedding and the breakfast which followed at the Grosse Pointe Yacht Club, Mrs. Sanner chose a street length dress of Wedgwood blue lace and matching hat. Her corsage was of pink camellias.

## Mason School P-TA Plans Talent Show

Parents and Teachers to Take Part in Production Directed By Ralph Binge on April 26 and 27

Several months ago Miss Ethel Tucker, principal of Mason School, in cooperation with other members of Mason PTA, sent home with each pupil a talent questionnaire, asking the parents to state any experience they had ever had, no matter how small, in the field of music, drama, dancing, and to list hobbies, etc.

When the questionnaires were returned, the information was compiled by a Talent Committee consisting of the following members of Mason PTA: Ralph Binge, Mrs. Harold Cuyler, Mrs. Ellsworth Allison, Mr. and Mrs. Edward Ardner, Mrs. Herbert Matthews, Miss Ethel Tucker, and Mrs. Fred Steiner.

As a result of this survey, Mason PTA is presenting on April 26 and April 27 "The Big Audition," a variety show which will reveal the heretofore hidden talents of its parents and teachers. There will be singing, dancing, drama, and plenty of comedy.

The show is being directed by Ralph Binge, of WJBK, and Mrs. Herbert Matthews. Robert Nelson is stage manager, assisted by Edward Ardner.

Chairmen of committees working on the show are: programs, Mr. Ellsworth Allison; tickets, Mrs. Loren Long; posters and ushers, Mrs. Walter Griffith and Mr. Clem Whateley; secretary, Miss Cleve Koch; publicity, Mr. O. Keith Baldwin and Mrs. Harold Wiedbusch. Serving as general co-chairmen are Mrs. O. Keith Baldwin and Mr. Fred Steiner.

The proceeds for this production will be used for education.

## Doodle Dance Set for Friday

Though the date of their function is Friday, April 13, the members of Club 32 have scorned the obvious superstitious themes. They have chosen instead to decorate with gigantic "doodles" which will double as conversation pieces.

Al Garen's four-piece orchestra will provide the dance rhythms according to Ruth Burkholder, music chairman. Doodle drawers Ann Brown, Jean Murphy, Elaine Thomas, Joan Merrill, Dick Baker, Bob Gale, Carl Stiever, Dick Land and John Logan have been busy sketching doodle possibilities with packing crayon on shelf paper.

Fred Reinstein held a get-together for 100 at his Lake Shore road home to get the crowd acquainted prior to the dance.

Among the lovelies on deck were: Betty Lewis, Joan Lingenman, Mary Jane Wiggins, Dee Wise, Jane Ottaway, Kay Phelps, Cheryl Rebarby and Barbara Danneel.

Included in the bachelor lineup were: John Hutton, Bob McBride, Bob Krause, Paul Piet, Ken McConnell, Al Montague, Al Skyber and Jerry Kiesing.

The group welcomes to all their dances and functions any single Grosse Pointers in their twenties and thirties and their guests.

## Lambda Tau Delta Plans Lambada Show Luncheon

The Detroit Branch of Lambda Tau Delta, national philanthropic and social sorority, will have a luncheon and fashion show at the Detroit Yacht Club on Saturday, April 14, at 12:30 p.m., as a fund raising event to aid the Institute of Logopedics at Wichita, Kansas.

Since adopting aid to victims of cerebral palsy as its national philanthropy eight years ago, Lambda Tau Delta, with less than 800 members, has contributed over \$38,000 to the teacher-training program at the Institute. Of this amount, the Detroit Branch has raised a quota of nearly \$15,000.

It is estimated that there are approximately seven and one-half million children and adults with speech and hearing disorders, and the clinical habilitation is continuing its ever increasing radii of service to these handicapped people.

## Women's College Group Announces Appointments

Appointment of Mrs. James W. Lee II of Chalfont road as publicity chairman for the Detroit Committee for Seven Eastern Women's Colleges is announced by Mrs. David H. Lynn, general chairman of the committee.

Mrs. William T. Gossett of Bloomfield Hills has accepted the chairmanship of the patron and patroness committee again for the coming year.

Mrs. Lee, former president of the Detroit Smith College Club, has long been active in the Seven College Committee Scholarship projects. Mrs. Gossett, a trustee of Barnard College, is also president of the Detroit Barnard Alumnae Club.

## Schumann-Dill Wedding Held

Carolyn Ine Dill and Raymond L. Schumann were married Saturday afternoon in Christ Church, Grosse Pointe. After a Detroit Boat Club reception, the pair left on a Bermuda honeymoon. They will make their home in Grand Rapids.

The bride, daughter of Mrs. Homer R. Marson of Inouois avenue and Dr. Hugh Dill of Mary street, wore a gown of duchesse satin and tulle. A crown of daisies held her fingertip veil and she carried a bouquet of stephanotis, orchids and lily.

Cynthia Netting served as honor maid. Elaine Kihen, Jean Marson, Mrs. Eugene Biegel and Mrs. Richard Edwards were bridesmaids. They wore emerald green silk gowns and carried white daisies. The honor maid wore lime green and her flowers were yellow daisies.

Hugh Dill Jr., brother of the bride, was best man for the son of the Herbert Schumanns of Balfour road. Ushers included Stanley S. Gwillim II, Richard Edwards, John Gilmore and Robert Tapler.

Experience may be the best teacher, but some people prefer a finishing school.

## Marjorie Goodsir Weds Alan Lovell

Married in Saturday Evening Candlelight Ceremony in St. Stephens' Episcopal Church; to Live in Sarnia

After a wedding trip through the Smokies, Mr. and Mrs. Alan Frederick Lovell will make their home in Sarnia, Ont. They were married at a Saturday evening candlelight ceremony on April 7 in St. Philip's and St. Stephen's Episcopal Church.

The bride is the former Marjorie Muir Goodsir, daughter of Mr. and Mrs. Peter H. Goodsir of Van Antwerp road. For her wedding, she selected a gown of embroidered nylon tulle with pearl beaded neckline and short gathered sleeves. The skirt fell gently into a full chapel sweep. A single strand of pearls was her only jewelry.

The three attendants wore gowns of blue crystaletta over taffeta and carried bouquets of pink carnations.

Mrs. Donald Bliemaster, of Utica, Mich., was matron of honor. Bridesmaids were Janet Steel, of Birmingham, and Mrs. Richard Evans, sister of the bridegroom.

Richard Page, of Sarnia, served as best man for the bridegroom, who is the son of Frederick Lovell, of Toronto, Ont., and the late Mrs. Lovell.

Ushers, both from Toronto, were Robert Allen and Richard Evans.

A reception at the Stockholm followed the ceremony.

## Plays Hostess To Garden Club

Mrs. William J. Goodson was hostess to 25 members of the Grosse Pointe Woods Garden Club in her home on Country Club drive on April 4.

Co-hostesses for the luncheon meeting were Mrs. Burton Jones and Mrs. Faunte Gibson.

Members brought flower arrangements to the meeting, which were judged by Mrs. Floyd Hughes, guest for the afternoon. Mrs. Hughes, a member of the Michigan Horticultural Society, the Iris Society and the Trowel Garden Club, gave a talk on flowers and shrubs.

## Dancers to Aid Settlements

Karamu house, a Cleveland settlement house in Cleveland which has been termed to have outstandingly progressed from rags to cultural riches in the realm of the arts, music, drama and dance, will bring a troupe of its dancers to the Pierce Junior High School auditorium on Saturday evening, April 21.

Mrs. Wallace Jensen heads the benefit program which is being sponsored by the Detroit Federation of Settlements.

All young single adults are welcome.

## Cudlip-Clapp Nuptials Read

St. Mary's Roman Catholic Church in Manhasset was the scene Saturday, April 7, of the marriage of Miss Nancy Simpson Clapp to William John Cudlip II. The Reverend Albert Hoffman performed the ceremony.

The bride is the daughter of Mr. and Mrs. Jeffrey Winant Clapp of Manhasset, Long Island. Her husband is the son of Mr. and Mrs. William Byrnes Cudlip of Grosse Pointe, Michigan.

The bride, escorted by her father, wore a gown of white peau de soie, made along princess lines with cap sleeves, and an off-the-shoulder neckline embroidered in lace and seed pearls. The embroidery extended down the back of the gown and formed a panel which covered the chapel train. Her French illusion veil was fastened to a crown of matching lace and seed pearls, and she carried a cascade bouquet of white camellias and stephanotis.

Mrs. Robert Griffith Ernest of Jacksonville, Florida was matron of honor. The other attendants were Mrs. Mary Lu Janzen and Miss Lynwood Jean Cudlip of Grosse Pointe, sisters of the groom; Mrs. Robert White of Westbury, Long Island and Mrs. Frederick Lee Christman of Glen Oaks, Long Island.

The attendants wore gowns of pale pink silk shantung and carried cascade bouquets of deep pink carnations. Mr. David Rockwell Cudlip of Grosse Pointe was best man for his brother. The ushers were Jeffrey Winant Clapp Jr., brother of the bride; Charles

Thomas Cudlip, brother of the groom; Harry Hamilton Scott of San Francisco, California; Albert Devry Ernest of Cleveland, Ohio; Robert Griffith Ernest of Jacksonville, Florida; Michael Charles Murphy of Farmington, Michigan and John Jacob Clapp III of Manhasset, Long Island.

Mrs. Cudlip is a graduate of Sweet Briar College, Virginia. Mr. Cudlip received his Bachelor of Science degree from the University of Virginia, where he was a member of Chi Phi.

Following the ceremony a reception was held at the North Hempstead Country Club.

After a honeymoon in Bermuda, Mr. and Mrs. Cudlip will live in Grosse Pointe, Michigan.

## Mary Bahr's Betrothal Told

A June wedding is on the calendar for Mary Armstrong Bahr and William George Turino Jr. Their engagement has been announced by Mary's mother, Mrs. Reginald Nefzger of Lakeland avenue, and Mr. Nefzger.

The bride-elect, daughter of the late Frederick Charles Bahr, is living in New York. An alumna of Grosse Pointe Country Day School and Smith College, she belongs to Sigma Gamma and the Junior League.

Mr. and Mrs. William Turino, of South Orange, N.J., are parents of the prospective bridegroom. He is a graduate of Dartmouth College.

## Church Groups to Hold Style Show on April 13

An evening of enjoyment is planned for Friday, April 13, at the Jefferson Avenue Methodist Church, E. Jefferson at Marlborough.

That is the night when the Women's Society of Christian Service and the Methodist Men's Club are combining their talents to present a style show, incorporating both men's and women's fashions, as well as the latest in children's apparel.

Special music will be presented by the Men's Quartet. Refreshments will be served at the conclusion of the program. Chairman of the event is Mrs. D. Pierron, assisted by Mrs. W. Poyer and H. D. McHenry.

## Virginia Jane Rowe Speaks Her Vows

Becomes Bride of Wayne W. Clements in Ceremony on Saturday in St. Michael's Episcopal Church

Wearing a waltz length gown of Italian silk, Virginia Jane Rowe became the bride of Wayne W. Clements on Saturday, April 7. The Rev. Edgar Yoeman heard the noon exchange of vows in St. Michael's Episcopal Church.

The bride is the daughter of Mr. and Mrs. Paul W. Rowe of Hawthorne road. Lace accented with seed pearls trimmed the neckline of her wedding gown and was repeated just below the waistline. A Juliet cap of lace and seed pearls held her fingertip veil, while white

roses and stephanotis formed the bridal bouquet.

Honor maid Mary Roell, of Greenville, Mich., wore a ballerina frock, made on princess lines, of pale green crystalite over forest green taffeta. The bride's four sisters were in matching dresses of pale green (Continued on Page 11)

Cynthia, daughter of Mr. and Mrs. Charles D. LaFond of University Place, will marry Lawrence B. Kelly on June 23 at St. Paul Church on the lakeshore. The bride-to-be has asked An-

drea Bachle to be her honor maid. Bridesmaids will include Carol Seidel, Mary Fitzsimmons and Marcia Byrnes. Sue Gertsenberger will attend as a junior bridesmaid. Mary and Marcia have scheduled a kitchen shower for Saturday, April 14. The average annual consumption of meat per person in the U. S. is in excess of 150 pounds.

## Voters' League Units to Meet

The discussion topic for the April unit meetings of the League of Women Voters of Grosse Pointe Park will be: "A Glance Backward—A Look Ahead at Michigan's Constitution and Possible Revision."

Michigan is now functioning under a constitution made in 1908, which has been amended 56 times to meet the changing needs of a greatly expanded economy in the state. The question has been raised in many minds, whether this 1908 constitution is still adequate for present day needs or whether it should be revised.

Since the subject of revision, in accordance with provisions of the 1908 document, automatically comes up for consideration in 1958, the League of Women Voters is studying to inform itself and others of Michigan's problems relative to revision.

The League has always welcomed guests to its meetings and it extends its invitation to join in any of the following meetings:

April 16, 10-12 a. m. Hostess and Unit Leader, Mrs. Harcourt Caverly, 1173 Audubon. Discussion Leaders: Mrs. John Myroie, Mrs. Edgar Cooper.

April 16, 8-10 p. m. Hostess: Mrs. H. G. Nelson, 706 University. Unit Leader: Mrs. Albert Kliek; Discussion Leaders: Mrs. Donald McConachie, Mrs. Richard Barnett.

crystallite over pale green taffeta. Millicent and Alice Rowe were bridesmaids; Helen and Kathryn Rowe attended as junior maids.

The attendants wore matching taffeta headbands dotted with seed pearls and carried yellow roses with shattered carnations.

Mrs. Rowe wore a street length sheath of light blue lace over taffeta, pink accessories and pink carnations, for her daughter's wedding and the reception afterward in the church lounge.

The bridegroom's mother chose navy blue lace over taffeta with navy accessories and corsage of gardenias.

The bridegroom, whose parents are Mr. and Mrs. F. R. Clements, of Saline, Mich., asked Wendel Decker, of Lansing, to be his best man. Ushering were John Rowe, the bride's brother; Robert Harding, Charles Gross and Ronald Rentchler, of Saline.

When the pair left on a Florida wedding trip the new Mrs. Clements donned a navy linen suit, white linen duster and navy accessories. They will make their home in Royal Oak.

Kick-Off Luncheon for Fund-Raising Drive Scheduled to Be Held at War Memorial Center On Tuesday, April 17

Grosse Pointe and Indian Village Republican women working on the 1956 Fund Raising program for the Wayne County Republican Finance Committee, Women's Division, will have a joint Kick-off Luncheon Tuesday, April 17, at the Grosse Pointe War Memorial Center.

Mrs. Julie B. Kirlin will come from Washington, D.C., to speak. While she is in town she will address similar kick-off events arranged by Mrs. Harold O. Love, chairman of wo-

men's fund raising throughout Wayne County, Tuesday, Wednesday and Thursday in central locations among 13 areas, and will address the Oakland County meeting in Birmingham.

Mrs. Kirlin is national director of the new Women's Finance Program, launched by the Women's Division of the Republican National Committee to raise funds from women over the 1956 Presidential campaign.

This is the first time such a campaign for women has been done nationally, but it is not at all new in Grosse Pointe. Mrs. Charles A. Dean started the idea in 1943 and the executive committee of the Women's Division, Wayne County Republican Finance Committee, has been working for many years.

This year Mrs. Love's committee has increased the number of areas organized in the county by women. Mrs. Yates G. Smith, who has worked on the executive committee since its inception, is area chairman for Grosse Pointe this year. Her committee includes: Mrs. William P. Bonbright, secretary; Mrs. W. Dean Robinson, assistant secretary; Miss Winkie Booth, Mrs. William Burton and Miss Susan Whitehead, assistants for secretarial work.

Divisional chairmen for Grosse Pointe include: Mrs. John Detwiler, Mrs. George O. Johnston, Mrs. William L. McGiverin, and Mrs. Robert P. Scherer.

Mrs. Alger Shelden is chairman of special gifts and was in charge of the Eisenhower Dinner; Miss Elizabeth Archer heads general solicitation and Mrs. James A. Lafer is writing the publicity.

Captains for the fund drive, who work under divisional chairmen, include: Mrs. Wendell W. Anderson Jr., Mrs. Ambrose Trubey, Mrs. Robert Kerr and Mrs. Truman H. Schneider, for the first division.

In the second division the captains are: Mrs. John L. Kenower, Mrs. Richard Kimbrough, Mrs. Charles B. Warren Jr., and Mrs. Cameron Waterman III.

Mrs. Jack Cudlip, Mrs. Harley G. Higbie, assisted by Mrs. S. Clifford Merrill, Mrs. Seabourne Livingstone and Mrs. Benjamin H. Paddock are captains of the third division.

Mrs. Kenneth R. Beardslee, Mrs. Carroll M. Boutell, Mrs. John D. Reindel and Mrs. Carl E. Smith head the work in division four. Mrs. E. O. Brady will work in the fifth division.

Mrs. Harold B. Tyree, a member of the executive committee for many years, will work with Mrs. James B. Hughes, of Indian Village, as chairman of arrangements for the kick-off luncheon April 17. They have designated as "top secret" their ideas for the party, but it will be fun and it will mark a start of the spring campaign, now a

## Ninth Graders Plan Party April 13

"A Spring Fling" is being planned by ninth grade students to be held in the new auditorium-gym of the Grosse Pointe High School on Friday, April 13. A non-date party, there will be dancing to records from 8 to 11 p.m. Ninth grade talent will provide entertainment during intermission. Refreshments will be served during the evening. Seen above making

plans are left to right, FRED LAUPPE, JUDY SATTELMAYER, SHELLA SLIMON and CRAIG SCHLEY; standing is CHARLES ADAMS. Other committee members include Janet Hepple, Dick Orwein and Jim Blacketter. Tickets will be sold at the door on the night of the party.

## Fortnighters To Hold Dinner

Mexican decorations and entertainment will be theme for the sixth annual family dinner frolic sponsored by the Fortnighters of Grosse Pointe Memorial Church on Friday, April 27, at 8:30 p.m.

The decorations will have a Mexican motif with the waiters and waitresses dressed in Latin costumes, and following the dinner, a Mexican "spectacular" is planned to entertain guests.

Mrs. Don Hirt is chairman of the dinner arrangements with Fran French in charge of the dining room, and Kenan Jacobi, the decorations. Guests will be greeted with the sight of flowers and enameled jewelry before entering the dining room. These will be offered for sale by Mrs. Wallace Erlich and Mrs. Allan Hunter.

As in the past, proceeds will benefit the Delray Neighborhood House camperships. This year the Fortnighters are aiding the Dodge Community House also.

Among the members of the cast in the entertainment, who have been busy rehearsing songs, dances and lines, are Joyce Wick, Kenan Jacobi, Jim Sanford, Mrs. Ernest Cutler, Virginia Becker, Dan Moroney, Sterling Berry, Sue Barnett, Carol Lovelace and Joyce Alexander.

Mrs. Wil Brucker will do a solo Mexican dance. Coordinators of the revue will be Speed Rutter and Joan Ruby.

Tickets may be obtained by call in the church at TU. 5-3773, and will be \$1.75 for adults; \$1.25 for children.

## Woods Presbyterian Church Plans Show

The Grosse Pointe Woods Presbyterian Church at Mack Avenue and Torrey Road will present a gala spectacle on Friday, April 20, when the hard working members of the Women's Association stage their annual fashion show at 1 o'clock.

Entitled, "Summertime and You," the show will feature colorful, practical cottons modeled by women and children from the church.

Mrs. Peter Duerksen, chairman, has enlisted the services of "Peggy Nestor's" and a children's shop to furnish the latest in summer styles. Mrs. O. Hes-

tradition in Grosse Pointe and the Indian Village.

Also working on the luncheon arrangements will be Mrs. Robert McKean and Mrs. Phillips Van Dusen.

Indian Village women have a correspondingly important set-up for their area campaign, headed by Mrs. Thomas Willmore. Mrs. Theodore L. Sedwick and Mrs. Virginia Stinson are divisional chairmen, and Mrs. John O. MacLarlaine is acting as secretary for the committee.

Mrs. Edward T. Gushee, Mrs. Lynden Kaufman, Mrs. Bruce Renaud, Mrs. James B. Hughes, Mrs. Daniel McDuffee, Mrs. William A. Irwin, Mrs. Aaga Nielsen and Mrs. H. F. Banks are captains, who will head the work under the divisions.

Mrs. Love, appointed last fall by Mrs. Dean to head the 1956 Fund Raising Committee of the Women's Division for Wayne County, is assisted by Mrs. Harold B. Tyree, vice-chairman; Mrs. William P. Bonbright, secretary; Mrs. James A. Lafer, publicity chairman. They have been working with the heads of Oakland County's fund raising committee where Mrs. Dean asked Mrs. Brooks Marshall to serve as chairman; Mrs. Howard J. Liverance, vice-chairman; Mrs. Homes Bannard, secretary; and Mrs. George S. Hodges, publicity chairman.

Metropolitan Detroit will be far more widely represented in this work than ever before since areas have been organized in Northwest Detroit, Highland Park, Dearborn, Wayne, Northville, Livonia, Plymouth, Grosse Ile, Trenton, Wyandotte, Gibraltar in addition to Indian Village and Grosse Pointe.

## To Hear Talk On Mansions

A talk on "Mansions of Grosse Pointe" given by Hawkins Ferry will be featured at the regular meeting of the Grosse Pointe Woman's Club, which will be held at the War Memorial Center at two o'clock on Wednesday, April 18.

Mr. Ferry, who will be introduced by Mrs. L. W. Arnold, has accumulated much interesting material regarding Grosse Pointe homes. Slides of exteriors and garden views of homes along the shore and in the City of Grosse Pointe will be shown.

Mr. Ferry received his early schooling in Grosse Pointe, and received degrees from Harvard from the undergraduate school and the School of Architecture. He is president of the Metropolitan Art Association and Honorary Curator of the Detroit Art Museum.

Mrs. Louis Smith is chairman for the tea, which will be served at 1 o'clock. Assisting her will be: Mrs. Edward Luss, Mrs. Harold Husband, Mrs. Harold Noftz, Mrs. E. G. Evenden, Mrs. Ewing Stumm, Mrs. R. K. Harrison, Mrs. Walter Anderson, Mrs. Walter Pattee, Mrs. R. Schellig and Mrs. Howard Simon.

## Ford C. Slater Honored by AF

AIR PROVING GROUND COMMAND, Eglin AFB, Florida—First Lieutenant Ford C. Slater, son of Mrs. F. M. Slater of 1347 Audubon road, Grosse Pointe Park, was awarded the Commendation Ribbon for meritorious service with the Internal Information Division of Air Proving Ground Command's Office of Information Services at Eglin Air Force Base, Florida, on March 28th.

The Commendation Ribbon was presented by Colonel Frank H. Mears, Commander of Eglin Air Force Base, in a special ceremony. Colonel Mears commended Lieutenant Slater for his "ingenuity, imagination, resourcefulness, and thoroughness in the planning of public displays." He stated that Lieutenant Slater's efforts have increased public understanding of the mission of the U. S. Air

Force and the Air Proving Ground Command. Lieutenant Slater is a 1954 Journalism honor graduate of Michigan State University. He was called to active duty with the U. S. Air Force on June 15, 1954. He attended the Information School at Fort Slocum, New York, where he topped his class in the Public Information Officer's course.

Prior to duty with the Air Proving Ground Command, Lieutenant Slater worked at the Detroit FREE PRESS. He is married to the former Beverly Jane Martin of 1280 Beaconsfield, Grosse Pointe Park. They have a son, Jeffrey Todd, and reside locally in nearby Mary Esther, Florida.

## Youth Council Studying Functions of Government

The 50 members of the Youth War Memorial plus invited representatives from Points schools' Civics classes met recently to hear Norbert Neff, Clerk of the City of Grosse Pointe, outline the duties of city officials and employees.

Mr. Neff brought with him applications for ballots, official sample ballots and tally books. The council nominated members for public office on March 11 and March 25 was designated as election day.

Ballots were assigned to the voting members of the Youth Council from a regular poll book. An appointed election

board tallied the results. They are as follows: Mayor, Sandy MacMechan; Clerk, Dick Adams; Councilmen, Carol Bayless, Mary Jo Giroux, Ted Harris, John Leete, Marcia Mower, and Phil Warren; Justice of Peace, Jean Hutchinson, and Steve Keller; Treasurer, Bert Osbeck; and Constable, John Nicholson.

The elected youth officials will sit in on the City's regular council meeting Monday evening, April 16, to witness first hand the handling of municipal problems.

Following this meeting appointments will be made to cover the ranks of city em-

ployes. Then for one day only in May the young people will operate the government of the City of Grosse Pointe under the guidance of the regular City officials and employees.

## BB Gun Smashes Four Windows

John E. Peel of 446 Roland, showed Farms police where someone had shot BB pellets through three 6 by 24 inch windows on a rear porch of his home, Monday, April 2.

Officers went to the house in Allard road which faced the rear of the Peel home. There they questioned two small boys and the mother of one of the boys. The pair confessed they found the BB gun in a garage.

The police went to the garage and discovered that the boys had also perforated a window in it.

The parents of the boys have made restitution to the Peels. The boys have made restitution to their parents. The garage window they shot out was their own.

### Small Boy Strikes Back

Having received a number of requests to print a few comments on the subject of the enforcement of parking regulations in the Farms' municipally-owned lot in the Kercheval-on-the-Hill business district, we shall proceed to do just that.

This is a matter in which we are personally involved, and too often personal contacts tend to sway opinion. We should not like to be accused of being guilty of this.

The complainants who have contacted us would seem to have legitimate arguments.

Perhaps the most common lament of the objectors is the over-zealousness on the part of the police to see that no violator goes unpunished. In commenting on this, we should of course state that the officers are only following out the explicit orders of their superiors, orders which originate with the governing and administrative officials of the city.

We are too familiar with the oft-repeated requests for additional personnel in the police department, needed to carry out far different assignments, to suppose that it was the idea of the chief to keep at least one scout car perpetually alert, writing out violation tickets in this one small island in the Farms' large area.

But, whatever the source of the orders, there are those who cannot help but wish that their private property was being given the same careful scrutiny that the expiration dials on the parking meters are now receiving.

To cite an example we shall have to get personal, for which we offer apologies. During the relatively short life of this newspaper, its offices have been broken into twice and on a third occasion, vandals smashed one of the large front windows with a beer bottle. No trace has ever been uncovered leading to the arrest of the perpetrators of these crimes.

But let someone have the misfortune to leave his car parked two minutes after the red flag has gone up on the meter and a minion of the law has spotted it like a soaring eagle sights an unprotected rabbit, and swoops in for the kill.

Another aggravation which has been experienced by many is the assiduousness of the police in ticketing those who dare to park for a few brief moments in the alley flanking the parking lot. We know of quite a few occasions when this decision has been dictated by the failure to find an empty space in the municipal lot. Needing but very little time to accomplish his errand, the driver has dared to pull to the side of the alley and leave his car unattended while he dashed off to get his business accomplished.

He has perhaps been lulled into this interlude of bravado by the knowledge that countless trucks gut the alley for uncounted hours each day, unticketed and unwarned, even though they may have been blocking the entrance to buildings whose owners are paying the taxes which keep the whole show going.

The poor simpleton finds out when he arrives back, breathless, that he isn't entitled to the same consideration as the truck driver. There is the ticket, big as life, with a \$2.00 fine inscribed in red.

The payment of fines in these cases is another complaint often voiced. For a parking meter violation it is \$1.00. Many try to pay the policeman who is still present, ever seeking the next victim, but this is not permissible. The offender has to drive to the police station and make the payment in person. Doesn't the Farms trust its officers, not to allow them to accept the fine and give a receipt? Maybe it would take too much time away from the grabbing of the next two or three unfortunates whose meters had blanked out two or three minutes sooner than they had figured.

There are also unflattering comparisons referring to the difference in the penalties between the Farms and the City of Grosse Pointe. In the latter, when a violator finds a ticket on his car, he may drive directly to police headquarters and discharge his obligation by paying 25 cents. No such courtesy is being extended by the Farms, which counts for illwill as against goodwill.

The Farms hasn't enough parking space in this business area. That deficiency, which has been created largely by the short-sightedness and ineptness of the maneuverings of the city officials, is bound to result in a certain amount of violations of the parking ordinances.

The manner in which the officials are now seeking to enforce those ordinances can result in nothing but additional criticism being heaped upon their heads. The tactics reek too much of the small boy who has been hurt and seeks to assuage his injury by taking out his wrath on anyone who comes within sight.

### Letters to the Editor

(Editor's Note: Believing that a great many persons may be interested in the report from Robert E. Waldron, local representative in the State Legislature, we run the following under Letters to the Editor.)

I am now nearing the close of my second year of serving you in the Michigan Legislature. It has been a rich and sometimes exciting experience. I have been deeply grateful for the opportunity to serve one of the most civic-minded and alert districts in the state, a district containing many of our leading citizens. I have been ever mindful of this responsibility.

This is my fifth report to you. Prior reports have been factual, dealing with specific legislation and the structure of the Legislature. As our community has never before had a legislator of its own, I felt that these reports were appropriate to further emphasize the fact that you now have a more direct contact with the making of laws in this state than you ever had previously. This time, however, I beg your suffrance in sharing with me some broad reflections on what I have found beneath the surface in Lansing.

As we move to the close of this, my second session, the undercurrent of pure politics and the dominant interest of one major pressure group become more apparent.

The matter which concerns us most, in my mind, is the complete lack of freedom of 52 of our members to vote their conscience under the threat that failure to vote the Democratic Party line means failure to receive C.I.O. support and money in the primaries. This fact concerns us more in Wayne County than anywhere else in the state. Examples of that party line run from increasing appropriations, already more than adequate, to fight Bangs Disease, to transforming the legislative halls into a collective bargaining table for the teachers of the State of Michigan, to the vote for the discharge of committee on legislation forcing an employer of one or more to pay up to 90% of the employee's average wage as unemployment compensation even if he quits and refuses to look for work.

In each case even conservative Democrats must "go along" or risk termination of their political career by the C.I.O. bosses. It seems as though the Legislature is gradually moving from a body of men each elected by

their constituents to a body of men almost one-half of whom are selected by a few nationwide leaders of a specific economic movement. Even if this movement were benign I would still feel that it is tending to destroy representative government, putting in its place a materialistic corporate form of government which transcends the individual and the family as the basic and most important concerns of society.

This gradual breakdown of representative government and the tendency toward a labor-based government which stresses mass mediocrity, articulates charity to buy votes, and decrees that all men shall be exactly the same is the great challenge of our time.

The answer to this challenge is a firm resolve that each of us will be more active in the political party of our choice to insure that neither party succeed without the full support of those who believe that communities of families not of economic interests run our affairs.

And so I have begun this letter "Fellow Countrymen," because I have felt that my salutations in the past did not express the strong bond between us necessary to effectuate that resolve. I have used this expression with some misgivings because it is antique and warmly patriotic and I sometimes wonder if our generation might not be too jaded to think in these terms—too eager to see both sides of the question without ever being an advocate of one.

Our district is a community of thoughtful people and leaders in their particular endeavors. We have a special duty as such to become advocates for the preservation of the kind of government that has aided us with the expression of that leadership in other fields.

Today we need communities of "Fellow Countrymen" rather than communities merely of neighbors or voters or constituents. Democrats and Republicans alike must become active "Fellow Countrymen" if they are to preserve their own and their family's voice in government.

Robert E. Waldron

### What Goes On at Your Library

By Jean Taylor

Listed below is an annotated list of distinguished Children's books of 1955, which is prepared by the Book Evaluation Committee of the Children's Library Association. Your library has all of these titles.

"Columbus," by Ingri and Edgar Parin D'Aulaire. Pictures by the authors. Doubleday. \$3.00. The life story of Christopher Columbus dramatically narrated and richly illustrated in full-page lithographs.

"The Wicked Enchantment," by Margot Benary - Isbert. Translated by Richard and Clara Winston. Illustrated by Enrico Arno. Harcourt. \$2.50. Evil personae of a Medieval legend come to life and nearly wreck the happiness of a present-day German cathedral town. Suspense and humor in an expert blending of fantasy and realism.

"The Children of Green Knowe," by Lucy M. Boston. Illustrated by Peter Boston. Harcourt. \$2.75. A mood of enchantment suffuses this story in which three children of an earlier century come alive for a lonely boy visiting his great-grandmother in an English ancestral house.

"Switch on the Night," by Ray Bradbury. Pictures by Madeleine Gehiere. Pantheon. \$2.50. Imaginative drawings which make effective use of line and color illustrate a poetically told story of a little boy who learned to like the night.

"Santiago," by Ann Nolan Clark. Illustrated by Lynd Ward, Viking. \$2.75. A sensitive and moving story of the struggle of a Guatemalan Indian boy, torn between his racial heritage and his Spanish upbringing, to find his rightful place in a modern world.

"The Columbus Story," by Alice Dalgliesh. Illustrated by Leo Politi. Scribner. \$2.75. Well chosen events in the life of Columbus effectively presented in simple text and handsome pictures.

"Dancing in the Moon," by Fritz Eichenberg. Pictures by the author. Harcourt. \$2.25. and diverting pictures introduce Spontaneous nonsense rhymes children to the number 1 to 20.

"The Buffalo Trace," by Virginia S. Eifert. Illustrated by Manning de V. Lee, Dodd. \$3.00. Unusually expressive writing vividly portrays people, scene, and period in an eventful chronicle of Lincoln's ancestors and pioneer America.

"Play with Me," by Marie Hall Ets. Pictures by the author. Viking. \$2.50. A little girl discovers the secret of making friends with wild creatures in this winsome, completely childlike picture book.

"The Three Kings of Saba," by Alf Evers. Illustrated by Helen Sewell. Lippincott. \$2.50. The story of the three kings who travelled together to Bethlehem to find the new prophet, adapted from a legend told by Marco Polo. Striking illustrations.

"The Fabulous Firework Family," by James Flora. Pictures by the author. Harcourt. \$2.75. The color and excitement of a Mexican fiesta are brilliantly portrayed in pictures and story of a family who build a magnificent firework castle for the fiesta of Santiago.

"See and Say," by Antonio Frasconi. Pictures by the author. Harcourt. \$3.00. A unique,

truly international picture book in which familiar objects are shown in fine colored woodcuts, with the word for each given in four languages.

"Springtime for Jeanne-Marie," by Francoise. Pictures by the author. Scribner. \$2.50. The simplicity of the story and bright pictures make this beguiling picture book perfect for the very young.

"The Fables of India," by Joseph Gaer. Illustrated by Randy Monk. Little. \$3.00. Best tales selected from the Pancharatra, The Hitopadesa, and The Jatakas and skillfully retold in simple, direct prose.

"World Full of Horses," by Dahlov Ipcar. Pictures by the author. Doubleday. \$2.50. Brisk, detailed pictures in warm colors show the place of horses in grandfather's time and in the mechanized world of today.

"Frog Went A-Courtin'," by John Langstaff. Pictures by Feodor Rojankovsky. Harcourt. \$2.50. An American version of a well known ballad imaginatively interpreted in gay and colorful pictures.

"Carry On, Mr. Bowditch," by Jean Lee Latham. Illustrated by John O'Hara Cosgrove, II. Houghton. \$2.75. An animated fictionalized biography of Nathaniel Bowditch, self-taught mathematician and astronomer who before the age of thirty had written The New American Practical Navigator.

"The Magician's Nephew," by C. S. Lewis. Illustrated by Pauline Baynes. Macmillan. \$2.75. For another spellbinding fantasy about the magical land of Narnia the author goes back in time to its creation by the great lion Aslan.

"The Golden Mean Day," by Jennie D. Lindquist. Illustrated by Garth Williams. Harper. \$2.75. A radiant, memorable story of a little girl's happy, eventful stay in the country with her Swedish-American grandparents.

"The Borrowers Afield," by Mary Norton. Illustrated by Beth and Joe Krush. Harcourt. \$2.50. In a sequel which sustains the charm of the Borrowers' miniature world Pod, Homily, and Arrietty escape to the open fields and spend a precarious winter in an old boot.

"Harriet Tubman: Conductor of the Underground Railroad," by Ann Petry. Crowell. \$2.75. A forceful and moving portrait of the indomitable woman who led 300 of her people to freedom, written with sincerity and insight.

"The Secret River," by Marjorie Kinnan Rawlings. Illustrated by Leonard Weisgard. Scribner. \$2.50. Poetic prose and sensitive illustrations create an atmosphere of magic and beauty and make unforgettable a little girl's adventures in the imagination.

"Crystal Mountain," by Belle Dorman Rugh. Illustrated by Ernest H. Shepard. Houghton. \$2.75. Characters and settings are very real in this thoroughly enjoyable story of the summer adventures of a group of children in the Lebanon mountains.

"Men, Microscopes, and Living Things," by Katherine B. Shippen. Illustrated by Anthony Ravielli, Viking. \$3.00. The course of biological learning is clearly revealed through this adept survey of the work and discoveries of the world's great biologists.

By Fred M. Kopp, R. Ph.

You have had pains in your chest and wondered if it might mean heart trouble, you have experienced dizzy spells, or on occasions your hands or feet have swollen ... all symptoms that point to heart disease you are convinced.

Don't become alarmed or certain that you have a heart condition. These are symptoms of many ailments, and until you check with a doctor and let him find the source of trouble you should not make any conclusions about your health.

Always obtain facts from a doctor.

INSURANCE COUNSELLORS SINCE 1937

**Quote from Magazine Business Week:**

An eastern executive has just taken out two life-insurance policies for \$1-million each. One covers the life of his son, 16, the other his daughter, 15. Annual premiums come to about \$28,000.

His reasons: (1) Both children already have estates running into seven figures; the insurance will give cash funds to pay taxes and other expenses at their deaths; (2) they are at optimum ages now, precisely, to buy insurance. At age 45, the same amount of insurance would cost about \$70,000 a year.

An added feature is that the life insurance may be made free of the Federal Estate Tax itself.

*Growing with America for 125 years*

In 1831, the first Savings and Loan Association in the United States was founded at Frankford, Pennsylvania. This first Association was founded to help its members save for and buy their own homes.

Today, more Americans go to insured Savings and Loan Associations for home financing than anywhere else.

**6,000 new savers each day!**

Today, the people of America are saving for many important things and look with special confidence to Savings and Loan Associations. The number of savers in insured Associations has increased in 125 years to over 15 million... and new savers are coming to these insured Associations at the rate of 6,000 each day! Assets of insured Associations have soared to \$34.5 billion!

These savings dollars are not subject to market fluctuations and are protected by sound, forward-looking management and substantial reserves. Savings accounts are insured up to \$10,000 by the FSLIC—a U. S. Government agency.

**Responsibility to public trust**

Today, Americans are putting more of their savings account dollars into insured Savings and Loan Associations than anywhere else. This tremendous vote of confidence imposes responsibility to adhere to the principles which have caused these Associations to grow with America for 125 years.

On the occasion of this 125th anniversary, the Savings and Loan Associations pledge themselves to the continuation of these principles which have enabled them to serve so successfully two of America's most cherished traditions... *thrift and home ownership.*

### Traffic Deaths Show Decrease

Traffic deaths in Detroit have averaged 207 annually for each of the past 10 years, compared with an average of 285 deaths for each of the 10 years preceding World War II.

Nicholas Kelley, Jr., Secretary of the Chrysler Corporation, made this comparison at the annual meeting of the Traffic Safety Association of Detroit. Mr. Kelley, retiring chairman of the Board of Directors, said the comparison showed that substantial progress in cutting traffic deaths is being made in Detroit, even though motor vehicle travel is rising at an almost astronomical pace.

In the pre-war decade, Wayne County had an average of 537,000 vehicles on its streets and highways each year. In the post-war decade, the average yearly motor vehicle registration was 878,000—a 64 per cent increase, Mr. Kelley pointed out.

"If deaths had increased in direct ratio to the increase in automobiles, Detroit would have recorded 467 fatalities in each of the past 10 years," he said. "In other words it could be contended that Detroit's traffic safety program has saved 260 lives a year or 2,600 during the past decade."

Mr. Kelley pointed out that Detroit and other Michigan cities last year were able to effect a small reduction in motor vehicle fatalities despite rising traffic volumes. On the open highways, however, there was a sharp rise in traffic deaths, which accounted for the increase in Michigan's more than 2,000 motor vehicle fatalities last year, he said.

"This has been an unfortunate trend for many years. Over the last decade, for example, traffic deaths in urban areas of this state have been cut nine per cent despite an increase of 127 per cent in automobile travel," he said. "But over the same decade, rural fatalities have jumped up 43 per cent."

Walker L. Cister, President of the Detroit Edison Company, was elected chairman of the Board of Directors, to succeed Mr. Kelley.

Durward B. Varner, vice president of Michigan State University, spoke on the establishment of the university's new Highway Traffic Safety Center.

be served, and a regular business meeting will be held.

Martha-Mary Circle will gather at the home of Mrs. Wallace Pangborn, 5717 Hillcrest, Detroit, at 12:45 p.m. Mrs. Russell Johnson and Mrs. George Triplett will act as co-hostesses. Guest speaker for the afternoon will be Mrs. J. L. Thompson on the topic, "Living One's Best." A business meeting will follow, conducted by chairman, Mrs. Arthur L. Watts, Jr. Dessert will be served.

At 8 p.m. members of the Doris White Circle will meet in the home of Mrs. Mel Stander, 820 Washington road. Assisting will be Mrs. Clarence Slocum and Mrs. Lynn Ruester. Highlight of the evening's program will be Mrs. Willis Bugbee's talk "To Combine our Efforts for a Lasting Peace." A business meeting will follow, and refreshments will be served.

Susannah Wesley Circle will meet at the home of Mrs. William Horsch, 19234 Linville, at 8 p.m. Mrs. Robert Roddewig and Mrs. R. W. Cunningham will assist. Coffee and dessert will be served and a business meeting conducted, and the ladies will enjoy a talk by Mrs. J. L. Thompson on "Living One's Best."

Mrs. Russell Allan will open her home at 250 Ridgemont road, to members of the Rebecca Circle at 8 p.m. She will be assisted by Mrs. James Evans and Mrs. Harry F. Brumbach. Mrs. Otis Dickey will speak on "This Revolutionary Faith," and chairman, Mrs. Allen, will conduct a business meeting. Dessert and coffee will be served.

### Clark Women's Club Plans Musical Program

"Opera Repertoire" is the spring musical offering of the Treble Clef Chorus of the Clark Women's Club.

It will be presented for members and their guests at the home of Mrs. Milton Vokes of Buckingham road at 8 p.m. on Monday, April 16.

Elsa Pengilly will be guest soloist for the evening. Also featured on the program will be piano and organ duet by Lucy Banta and Gilberta Mitchell.

Vocalists participating include Grace Robinson, Eleanor Pease, Lois Wainwright, Marjory Laird, Carol DeGatano and Hedy Tramposh. Louise Sainsbury will be the accompanist.

The chairman, Mrs. Frank Tramposh, assembled the music for Opera Repertoire and will narrate. Refreshments will be served by the music committee.

### Windmill Pointe Garden Club Meets in Center

Windmill Pointe Garden Club entertained over 100 guests at tea at the Grosse Pointe War Memorial Center on April 4, following a lecture on "Color Comes Calling."

Mrs. Gerold Chamberlin planned the tea table which was covered with exquisite cloth of Richelieu linen. Yellow roses, golden iris, white ranunculus and white snaps in a low Steuben bowl and yellow tapers completed the setting. Pouring were Mrs. Bert H. Wickling, Mrs. Chamberlin, Mrs. James Corfield, Mrs. David C. Lowe and Mrs. William Siebert.

Mrs. Bert L. Lindsay planned the program assisted by Mrs. Ralph Dewey, Mrs. Harry Winston, Mrs. Irwin Amberg, Mrs. Fred Auch, Mrs. George Eversman, Mrs. Curtis Moody, Mrs. Verlinden Pez and Mrs. Raymond Venderbush assisted with tea arrangements.

Confidence carries the man to the field, but cocksureness sometimes causes wild aim.

### Harmonie Club Scene of Party

The Arabian Night party held in the Harmonie Club on April 7 was attended by some 300 of its members.

Authentic Oriental entertainment followed cocktails and hors d'oeuvres served on the main floor, and the buffet dinner on all three floors of the club.

The program featured a quintet of Arabian dancers and an orchestra which included the ancient stringed instrument called the "oud." Costumes and dances were all of original Arabic design and choreography.

A party within a party at the club was that of the Donald Trefry of Cloverly road, who celebrated their silver wedding anniversary. They invited 25 members of their families and friends. Pointe members of the party were Mr. and Mrs. Marvin Price, Mr. and Mrs. Francis Beaupre, Mrs. Julius Heusel, Mrs. Ernst Terhardt, Robert Bryar, and the Trefry's daughter, Donna, and her escort, David Heslip.

Mrs. Trefry's blonde loveliness was enhanced with the cocktail length gown she wore. It was of puritan blue, peau de soie. The couple married in Detroit 25 years ago. Mrs. Trefry is the former Margaret Schulte.

Other members attending in groups included a party of 20 guests with Mr. and Mrs. Walter H. Gieseking of Morningside drive as hosts. Among them were Pointers Mr. and Mrs. Robert Marr, the Robert Squiers, and Mr. and Mrs. Jerold Schroeder.

Seen at another table with a party were Mr. and Mrs. Marius Ketel. Other Pointers included the Robert Keydels, Mr. and Mrs. Robert Arduin, Dr. and Mrs. Robert Fogt, the Harry Lipskis and Mr. and Mrs. Joseph O'Kroy.

### Cotton-Carpet Cleaner Ready

Science has found a way to get your wall-to-wall cotton carpets really clean.

A new and revolutionary cleaning method that will restore the bright clean color to heavily soiled installed cotton carpets in a single visit to your home has been developed by research sponsored by the U. S. Department of Agriculture.

Eleanor Mullikin, Wayne County Home Agent, explains that machines necessary for this new method are not yet in commercial production, but will be demonstrated to potential manufacturers next month.

Wall-to-wall cotton carpets have always been a problem to cleaners, who sometimes had to make as many as three home calls to clean one carpet. Small cotton "scatter" rugs are successfully laundered in washing machines.

Unlike most rug-cleaning methods, the new procedure uses large amounts of fresh, clean suds which are actually worked through the carpet pile by a rotating brush. Then they are sucked up through a vacuum nozzle at the outer edge of the brush.

By removing both suds and soil from the carpet through the vacuum, a cleaner, drier carpet can be obtained than with conventional cleaning.

Wealth may not bring happiness—but try to find a single person who is not striving for it.

**Boy Scout Paper Drive Success**  
The newspaper and magazine collection made by Boy Scout Troop 445 is reported to have been a complete success. The boys wish to thank all those who called them requesting paper pickups.  
The troop netted \$90 from the sale of scrap paper. This money has been used to buy cooking and eating utensils for summer camping trips.

**Rubbish Truck Catches Fire**  
The City Fire Department answered a call to put out a fire which started in one of the City's trash collection trucks. During its normal Friday collection, April 6, the cargo section of the semi-truck burst into flames.  
It was believed the fire was the result of spontaneous combustion, or that some hot material was picked up in the collection.  
The truck incurred no damage.

**Report Entering At Home in Park**  
It appeared that a burglar who broke into the home of Dr. and Mrs. Frank H. Purcell, 869 Edgemont, on Wednesday, April 4, got nothing for his trouble.  
Tom Harper, of 2653 Ashland, Detroit, caretaker of the Purcells' home, notified Park police a day after he discovered the breaking and entering.  
Park Police Chief Arthur Louwers said that Harper had gone to the home and found a small pane of glass had been broken in a rear window and the window unlocked.  
Evidence showed that someone had entered the house, but a search disclosed that so far nothing appears to have been taken, the chief said.  
Further investigation is pending, due to the absence of the Purcells who are vacationing in Florida. A final check to determine whether anything is missing will be made when they return, the chief said.

**UCS Institute Set for April 20**  
On Friday, April 20, United Community Services of Metropolitan Detroit will sponsor a one-day Institute at Veterans Memorial Building for board and staff members of some 190 public and private community agencies.  
Nearly 4,000 volunteers and professionals from both private, voluntary agencies and public tax-supported agencies will convene from 9:30 a.m. to 2:30 p.m. to explore mutual relations for greater cooperative effort, to view the total job necessary by each agency so that everyone in Metropolitan Detroit will receive the best possible health and social services.  
Serving as discussion leaders for the morning concurrent sessions will be some of the outstanding men and women in the metropolitan area who have been engaged in agency board work. They are: Harold W. H. Burrows, Stephen Czarnecki, Mrs. John N. Failing, Jr., John N. Lord, W. Calvin Patterson, Mrs. Gilbert B. Pingree, Erwin S. Simon, and Mrs. Edward S. Wellock.  
W. Calvin Patterson, president of United Community Services board of directors will preside at the luncheon meeting; and Mrs. Leonard H. Weiner, chairman of the USC Women's Committee, will summarize the morning discussions.  
Principal luncheon speaker will be Robert A. Willson, Director of Public Relations and Personnel, General Foods of Canada, Limited. He will speak on the importance of public relations in health, welfare and recreational agencies.  
Mr. Willson is active in social welfare planning organizations, serves as President of the Ontario Welfare Council and Governor of the Canadian Welfare Council. He is a member of the Executive Committee, Community Chests and Councils of Canada and is Chairman of a Committee on National Agency Participation in Chests.  
He was born and educated in Toronto, Ontario.  
More than 25% of the fires in the country are caused by careless smokers.

**Book Architect For Center Talk**  
Another interesting program presented free of charge to Pointers by the Grosse Pointe War Memorial Association will be Robert Metcalf's talk on "Trends in Modern Architecture" at 8:30 p.m. Monday, April 23.  
Mr. Metcalf is a graduate of Ann Arbor's College of Architecture and Design. As an architect in business for himself he lectures on a visiting basis at the University.  
The home which Mr. Metcalf designed for himself in the Ann Arbor Hills received an award citation from the Michigan Society of Architects. He has also received a citation on the Design Awards Program of Progressive Architecture magazine.  
His discussion will be practical as well as informative.  
It's a fact that you hardly ever read about a car wreck around a church on Sunday morning.

**Center Offering Singing Groups**  
The tremendously popular "Psuris" of the University of Michigan Law School and the equally fine coed quartet, the "Miss Chords," will entertain as many as the Grosse Pointe War Memorial will hold next Monday evening, April 16, at 8:30 o'clock.  
The public is invited to the Center free of charge for this outstanding evening of light entertainment.  
The program is sure to fit everyone's taste.  
Trying to make a touch from a friend often leaves a sore spot.

**CITY OF Grosse Pointe Farms Bids Wanted**  
Invitations are invited to bid on the construction of asphalt walkways at the Grosse Pointe Farms Pier Park Development.

**Struck in Eye By BB Pellet**  
Fourteen-year-old Gary Ferranti of 17015 Maumee was struck on the left eye lid by a BB pellet early Thursday evening, April 5. Young Ferranti was walking on St. Paul near Maumee when the accident occurred.  
Ted Robertson, 13, of 490 Notre Dame, was shooting at a tin can when a pellet ricocheted hitting Ferranti. He was taken to Bon Secours Hospital for treatment.

**Consuls Guests Of Rotarians**  
The Grosse Pointe Rotary Club added a Pan-American touch to its regular luncheon meeting at the War Memorial Center on Monday, April 9, by playing host to several Latin American consuls.  
William H. Bundesen, of the Parke, Davis Export Division for Latin America, who was guest speaker, spoke on the relationship between the United States and its neighbors of Central and South America.  
Besides Mr. Bundesen, the other guests were: George Vargas, former consul of Costa Rica; Carlos Toro, Inter-American Affairs Chamber of Commerce; Alexander J. Gordon, Guatemala consul; Alberto Baccera, Mexico; Saul E. Levin, Honduras; Daniel A. Pardo, Panama; George McBride, Columbia consul in Toronto, Canada; Juan M. Morales, Nicaragua; W. R. Jeeves, vice-president of the International Division of Parke, Davis, and Ignacio Requenes, head of the Spanish translation division of Chrysler corporation's export division.  
The Pan-American program was arranged by Rotarian Vincent DePetris, who also revealed that this type of program was the first since 1948. It was an annual event prior to the time it was discontinued, he added. He hopes to make it an annual event again.

**Two Minor Fires Reported in City**  
Chief Harold Rivard of the City Fire Department reported two minor house fires last week.  
On April 5, two trucks answered a call to the Richard Bauhof residence at 744 Rivard. The garage roof had been ignited by sparks from a rubbish fire in the back yard.  
Another home in Rivard boulevard was visited by firemen last week. George Witzel of 581 Rivard summoned the department to extinguish a fire which started in a television set, Saturday, April 7.

**BB Gun Shooters Damage Lights**  
Spring not only brings out crocuses and daffodils, but also small boys with BB guns. Last week Detroit Edison was called to replace two street globes at Merrivether and Beaupre.  
The following day the company was summoned to replace the same two globes. There have been several other reports of smashed lights throughout the Pointe area.  
Some people intend to improve their minds, but mighty soon abandon the enterprise as a hopeless task.

### Obituaries

**MARGARET CLOUSTON**  
Funeral services for Miss Clouston of 403 Lake Shore road, were held on Thursday, April 5.

Miss Clouston, 78, died in Wayne County General Hospital on Tuesday, April 3. She had served as a domestic in two Farms household — in one of them for 35 years. She retired two years ago.

A native of Scotland, she lived in the Detroit area for 50 years.

She is survived by a brother, James, who lives in South Africa.

Burial was in Evergreen cemetery.

**FRED A. HUGHES**  
Mr. Hughes, a founder of a Detroit clothing store, died in Bon Secours Hospital on Sunday, April 8. He collapsed in his home, 818 Trombley.

A native of Seattle, Mr. Hughes had lived in the Detroit area since he was 12 years old. He was a member of the Detroit Boat Club.

He is survived by his wife, Margaret; a son, Frederick; daughters, Mrs. David Henritze of Atlanta, Ga.; and Mrs. John Longley, Mrs. Charles Taylor and Mrs. John Bowers of Detroit; brothers, Victor W. and George A.; sisters, Mrs. Harry W. Taylor and Mrs. Otto Kern; and nine grandchildren.

Funeral services were held yesterday, April 11. Burial was in White Chapel Memorial cemetery.

**CHARLES M. COUGHTER**  
Mr. Coughter, 54, of 380 Hillcrest, an accounting supervisor for the DeSoto Division of Chrysler corporation, died on Sunday, April 8, in Defiance, O.

He was born in Pittsfield, Mass., and had been a Detroit resident and Chrysler employe for the past 30 years.

Surviving him are his wife, Mary, and a sister, Mrs. E. C. Dalton of New York.

Services will be held today, April 12, in Pittsfield. Burial will be in St. Joseph's cemetery there.

**TEEN-AGE CELLINIS**  
One teen-age group of the country's increasing legion of "do-it-yourself" craftsmen are rolling into high gear as spring-time approaches. These young Cellinis are busy carving their "dreams" out of wood or casting them in plaster for the annual Fisher Body Craftsman's Guild model car competition.

At stake are \$70,000 in cash and \$20,000 in university scholarships that the Fisher Body Craftsman's Guild distributes to about 700 winners of state, regional and national awards throughout the United States in its annual model car building competition.

The Kentucky Derby has been held annually at Churchill Downs, Louisville, Ky., since 1875.

**Zern D. Shellhammer Soldier of the Month**  
10TH DIV., Germany.—Army Pfc. Zern D. Shellhammer, son of Mr. and Mrs. Raymond Z. Shellhammer, 21455 Newcastle road, Grosse Pointe, Mich., recently was named Soldier of the Month for the 85th Regiment in Germany.

A machine gunner in Company B of the regiment, he was selected for his soldierly appearance, knowledge of duties and military courtesy.

Shellhammer entered the Army in May 1955 and completed basic training at Fort Riley, Kan. He arrived in Europe last November.

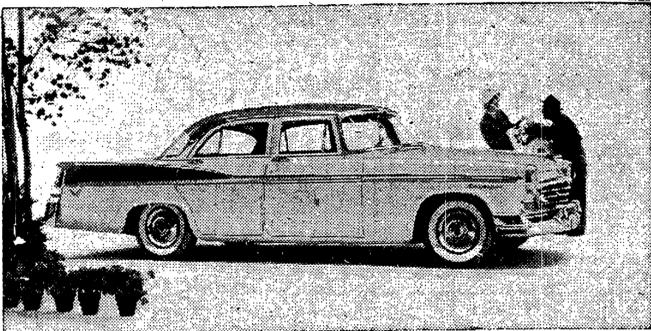

Shellhammer attended Bowling Green State University in Ohio.

**PHOTO CONFERENCE**  
Michigan newspaper photographers will "go to college" April 20-21 for a quick refresher course in press photography. One-hundred newspaper cameramen and free lancers will confer at Michigan State University for the eighth conference sponsored by the Michigan Press Association and the M.S.U. School of Journalism.

Lexington, Mass., scene of the first battle of the Revolution, was originally known as Cambridge Farms.

It is estimated that there are about 75,000 patients admitted to mental institutions in the U. S. each year.

### Legion Auxiliary News

**From Unit 303**  
By H. MARIE DASSORI

Work of the American Legion Auxiliary in the promotion of understanding and cooperation among the people of the American republics has brought the organization a citation from the Republic of Haiti, Mrs. Mary Duster, chairman of the Pan American Study Committee of Grosse Pointe Auxiliary Unit, has announced.

The citation, engrossed on a large scroll, was presented to the Auxiliary in ceremonies in Washington, D.C., recently by Monsieur Pierre Carrie, representative from Haiti to the Organization of American States.

It was received by Mrs. Bowden D. Ward, National President, and Mrs. Frank D. Norton, chairman of the National Pan American Study Committee.

"Haiti is the country being studied this year in the American Legion Auxiliary's Pan American study program," said Mrs. Duster. "We are finding the study very interesting and it is adding much to our knowledge of this small neighbor of the United States. Each year we study a different republic of the western hemisphere, endeavoring to gain increased understanding of its people."

More than one million loans made to World War II and Korean War veterans under the provisions of the G. I. Bill of Rights have been repaid in full, according to information received by Mrs. Mary Del Barba, Rehabilitation Chairman of Grosse Pointe Unit of the American Legion Auxiliary. A total of 4,549,098 G. I. loans had been made up to the end of 1955.

Crepe paper poppies to be worn in honor of the nation's war dead on Poppy Day in May are made by disabled veterans of two World Wars and the Korean conflict in hospitals and convalescent workrooms throughout the country, according to Mrs. Elva Nielsen, Poppy Chairman of Grosse Pointe Unit of the American Legion Auxiliary.

### 1200 New Shrubs To Beautify Area

For the people who ordered flowering crabs in the Grosse Pointe Garden Club Council's Beautification Program, spring will arrive at 10 a.m. on Saturday, April 14, when the plants will be distributed at DePeters, Inc., 230 Grosse Pointe boulevard.

The plants are now being dug and the root systems treated with a hormone solution which will stimulate growth. Along with their copy of the original order, purchasers are being asked to bring blurlap or papers to protect the roots from sun and wind as they are taken home.

The council has prepared a memorandum on planting and care which will accompany each order.

Mrs. J. W. Eskridge, finance chairman, reports that this spring over 400 trees in 12 different varieties have been ordered by beauty conscious and civic minded Good Pointers.

The overall total in the beautification program is now approximately 1,200 flowering crab trees and shrubs to further beautify the Grosse Pointe community.

### Woods Church

(Continued from Page 12)

tad, co-chairman, has been busy arranging rehearsals and fittings with the assistance of Mrs. Ralph Valade, ways and means chairman of the association.

Mrs. Richard Mertz is in charge of refreshments, which will take the form of a dessert luncheon. Tickets can be reserved through Mrs. Gordon Long by calling TU. 1-8384. They are priced at \$1.00 each. A nursery is being provided for the small fry, and many members are bringing guests. The public is cordially invited.

Miss Peggy Nester will be her own mistress of ceremonies, and the small fry committee will be given by Mrs. Duerksen.

The children's shop has selected 30 children models from the church Sunday School. Girl's sizes from infants to size 14, and boys' from infants to size 12 will be shown.

Miss Sue Long is printing the posters for the style show, and Mrs. Elmer Murvay is taking over the publicity.

### Detroit Edison Submits Report

Detroit Edison's newly-issued Annual Report for 1955 covers a year marked by increases in production, sales, earnings, taxes, dividends and wages — and a decrease in the price of electricity to customers.

The 1955 report to the company's stockholders shows:

A net output of 12.7 billion kilowatt hours, nearly 20 per cent greater than in 1954.

Net earnings of \$26,297,000, up 18.8 per cent above those of the preceding year.

An increase in the quarterly dividend (as of the last quarter of 1955) from 40 cents to 45 cents per share.

A 25 per cent increase in taxes, which totaled more than \$40,000,000 for 1955.

A six per cent increase in per-hour wages to employes. Their pay went up from an average \$2.44 in 1954 to an average \$2.59 in 1955.

At the same time, the average per-unit price of electricity sold to the company's customers went down—from 1.98 cents per kilowatt hour in 1954 to 1.85 cents per kilowatt hour in 1955.

**Building Outlay High**  
Action to meet steadily mounting use of electric power throughout Detroit Edison's Southeastern Michigan service area shows up in the company's 1955 construction expenditures—the highest in its history. Of the total of \$97,616,000 spent, a large portion went into the new River Rouge Power Plant, where one of three new generators already is in operation.

Also, 22 new substations, as well as new high-voltage transmission lines and distribution circuits, went into service in 1955 to reinforce and expand power supply.

Additional new facilities also were acquired by Detroit Edison through purchase of the former Lincoln-Mercury plant in Detroit's Warren-Livernois neighborhood. The 52-acre property, with 16 acres of building space, will be used to consolidate and economize operation of shops and service groups now scattered throughout the city.

In his report to stockholders Detroit Edison President Walker L. Ciser also comments on the company's progress in developing atomic energy for use in the generation of electric power.

Detroit Edison is a member of two non-profit atomic power groups—Atomic Power Development Associates, Inc., and the Power Reactor Development Company—both with headquarters in Detroit.

PRDC expects to build a power reactor on the basis of conceptual designs furnished by APDA. Detroit Edison plans to erect a 100,000-kilowatt generating station to run on steam to be purchased from the reactor group. Subject to Atomic Energy Commission approval, foundation work on the atomic-electric power plant site on Lake Erie near Monroe will begin by the middle of this year.

The Edison annual report also points out that:

In 1955, the company gained 38,496 new residential customers, and domestic use of electricity per customer rose to 2,776 kilowatts—well above the national average.

The number of owners of Detroit Edison shares reached an all-time high of 77,476, more than 65 per cent of whom live in Michigan.

More than \$18,000,000 of the company's \$40,000,000 1955 tax bill went for local (property and general) taxes; the rest went to the federal government.

In the report, Ciser stressed the significance of industrial power use which in 1955 rose 31 per cent, more than recovering from a temporary slump during 1954.

"Utilization of electrical energy is an excellent index both to the prosperity and the economic prospects of our Southeastern Michigan community," he said. "An encouraging fact about 1955's expanded industrial output is that the year's economy was typically peacetime, unaffected by imposed scarcities and pent-up demands, but reflecting a genuine upgrading of living standards."

Concluding his report, Ciser emphasized that the company is planning on still higher electric loads "this year and for years to come."

"Population is increasing at a greater rate than formerly," he said. "This means more use of labor- and drudgery-saving electrical energy. We intend to meet the challenge of improving America's economy by providing more and more electricity. Thus we can further the goals of higher standards of living and more leisure for all."

### Food Scoops for This Week

There is variety in the food parade this Spring! Ham held the spotlight in many homes this Easter, and was priced 5 to 10 cents less per pound this year than it was in 1955. If the Easter gathering around your table didn't finish off the ham, you have many economical meals ahead that provide changes in menu.

A quick and easy Ham Pie will get hearty approval from the family this week!

**Ham Pie**  
2½ cups of leftover ham, cut into ½-inch pieces, 2 cups medium white sauce, ½ cup canned mushrooms, sautéed in 2 tablespoons butter; 4 hard cooked eggs chopped. (Prepare favorite 9" pie crust recipe; or use package mix.) Mix ingredients together gently and pour into unbaked pie crust lining a 9" pie dish. Roll remainder of pie dough for top crust and press around edge with fork. Make opening in upper crust with knife for steam to escape. Bake in 400-degree-F. oven about 35 minutes until golden brown. Serves 8.

Bacon continues to be a thrifty purchase for everyone. Bacon is a good keeper in the refrigerator, and for best quality it should be eaten within a week.

Pork picnic shoulders remain economical, and pork steak eaters will continue taking advantage of the reasonably priced steaks.

Spring lamb will appear in Detroit stores around the middle of April, at present the supply of spring lamb is limited. Prices on lamb have remained steady for the last several weeks and predictions are that steady prices expect to continue. Lamb is a young animal so all cuts are tender, and can be cooked in many ways. The possibilities range from an oven roasted leg-lamb to broiled rib, loin or shoulder chops. A braised, rolled, shoulder of lamb is delicious and economical.

Beef prices have remained steady, and abundant supplies make both steaks and roasts top values for the consumer. A pot roast from the shoulder of a beef animal is an economical cut which requires a small amount of liquid and a covered pan for proper cooking.

In some stores white eggs are selling at a 2 to 3-cent premium over brown. Remember that the food value is the same regardless of the color. You'll find the large size grade A egg the best value in most neighborhood stores.

It's barbecue time, and the chickens are waiting! There are many young tender broiler-fryer chickens on the market, and

prices are several cents a pound below this time a year ago. The peak supply of broiler and fryer chickens usually comes in summer, but this year we have a summertime supply in April.

Spring has made its official arrival and there are excellent buys at the vegetable counters to include in the salad bowl. For the salad base, head lettuce is selling at a variety of prices depending on the size of the head. Leaf lettuce may be your choice this week, for quality is good and the price is reasonable. Western carrots will add color as well as vitamin A to a salad. Radishes, celery, green onions, and horseradish root add flavor and economy to a salad, for they're featured items in many Detroit markets. Tomatoes are still high priced due to the Florida freeze. The next several weeks will bring hothouse tomatoes to the market and the price should decrease.

Supplies of green beans are increasing rapidly and will be about 10 cents a pound lower than two weeks ago.

Nutritious and vitamin rich cabbage will remain a top value for shoppers.

It will be hard to beat plentiful sweet potatoes for economy or nutrition. Supplies are large, and prices are about one-third lower than a year ago. Enjoy sweet potatoes baked in their jackets "as is" or mashed to the light fluffy stage.

You'll put spring into the menu with a stop at the fruit counter. Citrus fruits, oranges and grapefruit are still top values. Mash seedless grapefruit and California Navel oranges are much in evidence in Detroit stores.

Washington Red Delicious and New York McIntosh apples are being brought out of winter storage. Improved methods used in storage have resulted in improved quality of winter apples. You can now find apples that are almost as firm and crisp as they were in the early fall.

### Wieners Give Dinner Before Tennis Matches

Mr. and Mrs. Alexander L. Wiener of University place entertained at dinner Saturday evening before going to the tennis matches in the University of Detroit's Memorial Building, under sponsorship of the Detroit Patrons Tennis Association.

Mr. Wiener is an officer of DPTA, as are John Failing, Jr., William Clay Ford and William Beyer, John Wanger and Ray Sackett. Ralph McElvenny is DPTA president.

## Boutin Keglers Capture Second Half Championship

On the final night of competition in the Grosse Pointe Businessmen's Bowling League, Friday, April 6, league-leading Boutin fought off a determined challenge by second place Barrett to capture the second half season championship.

Barrett, trailing by three points at the outset of the crucial match, took the first game and missed by a whisker in the second game as the new champions squeezed out the clincher by one pin.

**Roll New High Score**  
After Boutin had the title locked up it proceeded to prove they deserved the crown by rolling a new high team game of 1027. Captain Tom Kelley paced the champions with a 559 series and Al Bell led the losers with a 561 series.

Lochmoor assured itself of third place by taking three points from fourth place Revere with Jack Baker pacing the winners with the high three game series of the night of 573. Belding tied for fourth place with Revere when it swept four points from Turner Buick. City Glass nipped Wigle for three points but remained in eighth place.

**Cellar Fight Waged**  
Grosse Pointe Curtin tried valiantly to move out of the cellar spot it has been holding during the second half of the season but missed by one point as they whipped Adam Simms for three points. One more point would have created a two-way tie for last place between these two teams.

Jack Baker paced the 200-plus scorers with games of 224 and 214 and was followed by Bob Valade 233, Andy Carroll 224, Harvey Reid 222, Tom Kelley 213, Bruce Warren 212, Al Bell 209 and Norm Boarman 202.

On Friday, April 13, Wigle, the first half season winner, will bowl Boutin for the season league championship. Doubles matches will also be rolled on the last two nights of bowling.

## LITTLE LEAGUE

**PARK**  
Managers of the eight major league Little League Baseball teams in Grosse Pointe Park were selected by the board of directors and announced by vice-president George Ghesquire.

They are: Harry Ibler, George Schultz and Murray Robertson, who managed teams during the 1955 season, and Mike Telep, Ted Fedoruk, Vince Cerutti, George Verdonck and Larry Conlan.

The latter four men will manage the new teams added to the league which will comprise the National League. The first four will handle the teams which made up the original American League last season.

Currently, registration for boys 9 to 12 years old is underway at the various schools within the Grosse Pointe Park limits.

## Little League Plans Meeting

The Grosse Pointe City Little League baseball season will get underway by holding a special meeting for all fathers and their sons at the Neighborhood Club at 7:30 p.m. on Monday, April 16, President Al Ghesquire and his executive committee promise to have a very interesting and exciting program for all those who attend.

Baseball movies and an important baseball personality will be included in the program. Managers of all teams will be present in order to give out valuable information about their teams this year. The "Opening Day Ceremonies" committee and the Finance committee have important reports to make.

All boys in Grosse Pointe City between the ages of nine and twelve inclusive who are interested in baseball are invited to attend.

Every father who has a boy who is eligible to participate in this program is invited to be present.

## Young Speeders Nabbed by Police

Two Pointe women stopped a cruising Farms police car Monday afternoon, April 2, and complained that two young men in a black convertible had been speeding up and down Kerby road.

An hour later police picked up a car answering the description provided by the women. The driver and his passenger were identified as the two in the speeding car.

Held were Thomas H. Martin, 16, of 1007 Berkshire, and James Quello, 17, of 854 Berkshire. The pair were taken to the station and after questioning were released to their parents.

## Movie Council Approves List

The Grosse Pointe Motion Picture and TV Council's list of approved movies for children, eight years and up, for the month of April, has just been released.

Especially recommended is the "Benny Goodman Story". The film is a tribute to American jazz as well as to an incomparable clarinetist.

Other pictures for children includes "The Lone Ranger", "Forever Darling", "Helen of Troy", "Vanishing American", "World in My Corner", and "Gun That Won The West".

For the teen-age group the council recommends "The Detective", "Marty", "Last Frontier", "Never Say Goodbye", "There's Always Tomorrow", and "East of Eden".

## Redwood Team Clinches Title

League-leading Redwood hammered fourth place Youngblood for 2 of 3 possible points in the Grosse Pointers Bowling league competition last Friday, April 6, to clinch the championship.

The leaders hold a seven and a half point lead over second place Stober, with only two bowling nights left.

Redwood's victory tumbled Youngblood from its lofty fourth place to a humbling eighth place in the 12 team league.

Kennametal's sweep of 3 points from Stober enabled it to move into a three-way fifth place deadlock with Kopp's, who took 3 from Rosati, and Custom who edged Rightenburg for 2 points.

**Tompkins Yacht Burns in South**

A 46-foot yacht, the "Tara," owned by C. S. Tompkins of 1372 Ballfour, was gutted by a fire of undetermined origin, while in the Bahai Mar yacht basin in Fort Lauderdale, Fla., on Friday, April 6.

Damage was estimated at \$46,000 to \$50,000 by Sam Shelsky, basin manager, who said the loss was covered by insurance. No one was aboard the boat at the time the blaze started.

Tompkins, president of Tompkins Products, Detroit, has since returned to the Pointe, leaving the boat in the custody of its captain, Joseph Andrews.

### PILFERINGS

In the general post office at San Antonio, Tex., there are three letter drops. One is labeled "Local," the second "Texas," and the third "Other States and Foreign Countries."

A Georgia gentleman who is still fighting the Civil War was highly indignant when his daughter, Mary, insisted on going up North to college. There she fell in love with a boy from Boston.

Her letters to her mother spoke more and more glowingly of Bill, and finally Mary wrote that he had asked her to marry him. The mother dreaded her husband's reaction to this news, but she screwed up her courage and asked, "What would you think if Mary married a damyankee?"

"Well," he said with vehemence, "that's one way to pay 'em back."

The late H. L. Mencken invented a happy formula for answering all controversial letters. It was final, courteous, and could be employed without reading the letter to which it replied. He merely said:

"Dear Sir (or Madam): You may be right."

A minister, preaching on the danger of compromise, was condemning the attitude of so many Christians who believe certain things concerning their faith, but in actual practice will say, "Yes, but . . ." At the climax of the sermon, he said, "Yes, there are millions of Christians who are sliding straight to hell on their butts."

The congregation went into gales of laughter, and the minister promptly closed the service with a benediction.

The phones in Dickens County, Texas, were all party lines and neighbors listened in for miles. One night during a prolonged dry spell, old Ed, a shrewd cattle rancher, got a phone call from a Kansas City buyer who said, "I understand you've got some steers to sell."

"Well, now," dickered Ed, "I'm not sure I want to sell right now."

"Ed, for heaven's sake," broke in an agonized wail from the party line, "you sell them steers! You know you ain't got any grass!"

A woman who had been bitten by a dog was advised by her physician to write her last wishes, as she might soon succumb to hydrophobia. She spent so long with pencil and paper that the doctor finally asked whether it wasn't getting to be a pretty lengthy will.

"Will!" she snorted. "Nothing of the kind. I'm writing a list of the people I'm going to bite."

## Pointer of Interest

MRS. GAYLORD W. GILLIS, JR., OF MERRILWEATHER ROAD

By Kitty Marriott  
With the Sugar Bowl jubilee meeting on Wednesday, April 11, at the Masonic Temple, Mrs. Gaylord Gillis Jr., completed her two-year term as chairman of the United Foundation Women's Organization.

About 5,000 of the 25,000 women who make up the Women's Organization and who worked in the fall UF Torch Drive, were present for yesterday's annual meeting. The "Sugar Bowl" title is derived from the annual Sugar Bowl award given to the division reaching the highest percentage of their Torch Drive quota, in competition between Detroit, Grosse Pointe and suburbs.

The actual sugar bowl, of Irish Belleek design, signifies the individual woman volunteer's role as a homemaker.

Initial Director  
Actually, Mrs. Gillis has directed the Women's Organization during its infancy, for it is only two years old. Formerly, women for the drive were recruited every September and October, Mrs. Gillis explains, and this was a tremendous job. She was chairman of the recruitment program the year before the Women's Organization

came into being, so she knows whereof she speaks. The prospective volunteers were just arriving home from vacations in September and getting back into the swing of things; it was difficult to reach them through PTA and similar organizations which don't actually begin functioning until October.

Through the Women's Organization, Mrs. Gillis says, the volunteers belong right through the year and are much easier to contact. Thus, the recruitment program is year-around, working through PTA, churches and women's club groups.

Woman's Influence  
Training program courses for women volunteers will start soon, Mrs. Gillis promises.

"It's not only the amount of money which the women get through solicitation that is important," this Pointer states, "but the influence they have on their husbands' giving, too. The woman's influence is becoming more and more important to the drive."

(Last fall, more than 26,000 women volunteers helped to raise over 1,187,259 Torch Drive dollars.)

"It's fascinating," says Mrs. Gillis, "to see the real interest which this large group of women of the whole Detroit area, not just those who are always active in such projects, have in the United Foundation program."

Founder's Society  
Although a large UF assignment has been a her one, Mrs. Gillis has a number of other outlets for her energy, too. Vice-chairman of the Founders' Society women's committee at the Detroit Institute of Arts, she will represent them in St. Louis later this month at a conference of museum women's committees.

Mrs. Gillis has served on the board of Children's Hospital for several years and is also on the board of the Artists' Market. She is a member of the Com-

mittee on Aging of the United Community Services of Metropolitan Detroit, which studies problems of the aged.

Mrs. Gillis has served the Junior League and Sigma Gamma long and faithfully and is a regular worker for the Christ Church fair. She "especially loves cooking," and in the hobby department, skiing and gardening probably top her list.

Garden Fans  
A member of the Garden Club of Michigan, Junior League Gardeners and Grosse Pointe Garden Center, she will allow her garden to be shown in the May tour sponsored annually by the Detroit Garden Center.

Her son, Dick Jackson, Jr., is a junior at Yale; daughter, Linda Jackson attends GPUS and stepdaughter, Bonnie Gillis, goes to Madeira School in Greenway, Va.

Parties Given For Bride-Elect  
Sandra Fitzpatrick, daughter of the Leo J. Fitzpatricks of Cloverly road, will marry William C. Hester on May 19.

Starry Holland gave a cocktail party honoring the couple on Saturday in her Cambridge road home, and Nick Ruwe was cocktail host again on Tuesday in his Willow lane residence.

Susan Whitehead has scheduled a similar fete for April 14 in her Stephens road home, with Elizabeth Leonard, of Cleveland, as her co-hostess. On April 19, Terry Phelan will entertain in her Moross road home at cocktails and dinner.

The bride-elect's godmother, Mrs. Otto Hamlin, and Mrs. Stark Hickey haven't set a date for their early May luncheon and electrical gadget shower.

Mr. and Mrs. Joseph B. Hester will be rehearsal dinner hosts on May 18.

Ignorance breeds monsters to fill up all the vacancies of the soul that are occupied by the verities of knowledge. He who dethrones the idea of law bids chaos welcome in its stead. —Horace Mann

Winifred Hutchens Weds William Robert Hamilton  
Recent rites in Grosse Pointe Baptist Church united in marriage Winifred Myrtle Hutchens and William Robert Hamilton.

Parents of the couple are Mrs. Harold Hutchens of Roslyn road and the late Mr. Hutchens, and Mrs. William Hamilton, of Spencer, Ind., and the late Mr. Hamilton.

Karen Barnett attended as maid of honor, Diane and Gloria Madison and Marilyn Foster served as bridesmaids. Robert Shelton performed the duties of best man, Richard Sigman, Kermit Hicks and Robert Tausy were ushers. The couple will live in Spencer.

## Vallee Booked by Town Hall

Rudy Vallee will inaugurate Detroit Town Hall's first season in the Henry and Edsel Ford Auditorium, when the 1956-57 series opens at 11 a.m. Monday, October 15.

After 22 years in the Fisher Theatre, Town Hall is moving downtown to become a part of the new civic development on the riverfront.

Vallee, a perennial favorite since the 20's when he sprang into fame with his band, Connecticut Yankees, will present a one-man variety show—songs, reminiscences, chat-chat. Now in the fifties, Vallee is making his first platform appearance after successes on radio and television.

Musical highlight of the new series will be the famed Vienna Choir Boys on January 21.

On the roster of internationally known speakers are Dr. Will Durant, philosopher and historian; Edward Weeks, editor of Atlantic Monthly; Stewart Alsop and Joseph Hersch, columnists; Robert St. John, journalist and author on Africa; Dorothy Carnegie, widow of Dale Carnegie; and Dr. John A. Schindler, author of "How to Live 365 Days a Year."

Nila Magidoff, Curtis Nagel, Austin Kiplinger and Charles Duveen are among others who will speak.

For those interested in buying season tickets or reserving seats comparable to ones held in the Fisher Theatre Town Hall series, call Detroit Town Hall, WO. 3-5617.

## Pointe Counter Points

by Roberta Isley

Everybody's definition of Spring is something different. To some it's the launching of a boat . . . a bright crocus or a sudden robin; to others it's the first day at the races OR Paris. To Walton-Pierce, in the Village, Spring is defined in terms of dark town cottons that take the form of ensembles. It means a dress not only in navy or black but possibly gray or taupe . . . and over it all, of course, a beautifully detailed jacket. It could even be a silk shantung. Every size group is represented in this fabulous collection. So-o-o-o very warming statistically, too! Walton-Pierce, Kercheval at St. Clair.

Both from an aesthetic and functional point of view, you'll like what you see this week in the windows of 104 Kercheval. It is here you will find a complete exhibition of place mat sets in sets of 8 or 16. There are linens . . . rayons . . . laces . . . organdies . . . wash-off plastics . . . and artificial straw . . . so many hand-appliqued and hand embroidered . . . loved the bitersweet and off white combination . . . ditto the pale pink and white organdy. We suspect you won't want to miss seeing this collection. Top 'O The Hill where lovely linens gifts and heavenly lingerie abound.

For Pointe women, finding fashions in the sixteen through twenty age group doesn't present any problem. For we found a wonderful group of larger sizes. We liked what we saw for there were dresses for every occasion . . . some with jackets. They travel, too. 76 Kercheval, on the hill, Margaret Rice's.

Are you a Lady with French ideas? Then come along with us to Trail Pharmacy, on the hill. They are featuring a travel bottle . . . very sophisticated, by the way, ebony and gold, of the best that Paris has to offer . . . Arpege's eau de Lanvin . . . and My Sin . . . good for you . . . or to give away for a bon voyage gift. Viola!

A real mecca for sun-worshippers is the Pointe. It means the launching of boats on Lake St. Clair. And next to the Lake and entrancing females one of the biggest drawing cards is right here in the Camera Center, in the village. It's a small transistor radio. Tote it along on your boat trips or to the beach. It plays twenty-five hundred hours on one battery. Ole!

Here are HIS summer days. He'll never have it so cool. Not if he chooses the dunk and dry slacks as featured at Kilgore and Hurd, on the hill. Some are cotton and dacron, gray and tan for sixteen dollars and fifty cents. Others are dacron and rayon . . . come in charcoal and tan, light blue, gold or brown . . . these twelve dollars and fifty cents. Just right for the best guys in the world. 92 Kercheval.

She lives in the Pointe. She is chic. She knows Spector pumps are always perfection in Spring and Summer. She loves variety. And chooses her spectators from one of three styles. A very conventional type or one of two striking variations. She loves the heels. She knows she can find a pair to suit HER fancy at the Shoe Department at Walton-Pierce, Kercheval at St. Clair, in the village.

When it comes to swim suits, ribbons of color flash on your fashion horizon. Rose Marie Reid's premiere performance of a magnificent new fabric, SOIRETTE, deserves at least three curtain calls. In it, note the subtle shimmer of satin, the crystalline look of crepe . . . elastized, to direct your figure into the newest and SHAPLIEST lines. We spotlight it here for it is found only in the Couturier collection of Rose Marie Reid . . . exclusively, on the hill, at Margaret Rice's.

## Grace Hospital Auxiliary To Hold Fashion Show

The Women's auxiliary to the Grace Hospital will hold its final project of the season, a luncheon and fashion show, at Oakland Hills Country Club on Tuesday, April 17, at 12 noon. Party proceeds will go for re-decoration of the Helen Handy Newberry Nurses' Home. Mrs. John H. Ganschow will be chairman of the day.

A Hawaiian theme will be used and Rose Alkon fashions will be modeled by auxiliary members Mrs. John Chapin, Mrs. Paul Kuhn, Mrs. Steve Figiel, Mrs. Dean Asselin, Mrs. J. J. Lovett, Mrs. Lloyd Waters, Mrs. Herbert E. Norris, Mrs. A. Jordan Spring and Mrs. Harold Lampman.

The auxiliary has handed a gift shop at northwest branch Grace Hospital, using proceeds to purchase equipment for op-

tical surgery and to contribute to the nurses' scholarship fund. They also maintain a gift cart service to patients at the branch.

Plans call for auxiliary members to open another gift shop soon at the main Grace Hospital and volunteer their services for this project.
