

# SHORES ENJOYING BUILDING BOOM

## HEADLINES

### of the WEEK

As Compiled by the  
Grosse Pointe News

Thursday, April 26

**THE UNITED STATES** expelled two Russian UN delegates from the country as undesirable. The expulsion resulted from their part in the sudden "re-defection" of five Soviet seamen. A note, made public by the State Department, charged the two Russians, Aleksandr K. Guryanov and Nikolai Turkip, had behaved in "a particularly objectionable manner" and exceeding the "scope of their official capacity and therefore abused the privilege of their residence," in inducing five Russian seamen to leave the United States.

Friday, April 27

**RICHARD M. NIXON** announced that he is willing to run for re-election as vice-president, which announcement has "delighted" President Eisenhower. Nixon made his acceptance at the White House after conferring with the President. His willingness to run sews up the Republican ticket for 1956, as of now.

Saturday, April 28

**A PLOT TO KILL** Russian Premier Bulganin and Red Party Boss Khrushchev during their visit to Britain, was blocked by Scotland Yard and the British Foreign Office. A governmental source said two anti-Communist underground groups had plotted to assassinate the two Russian leaders, but Scotland Yard and the Foreign Office had been tipped off in time.

Sunday, April 29

**A PERONIST PLOT** to overthrow the present Argentine Government was smashed and 60 alleged Peronist sympathizers arrested, it was announced in Buenos Aires. The plot, the third to have been uncovered in 15 days, centered in Tucuman Province, about 700 miles north of Buenos Aires.

Monday, April 30

**EGYPT HAS AGREED**, in principle, to measure set forth by UN peacemaker Dag Hammarskjold in keeping the Arab-Israeli truce. However, even while Hammarskjold and Egyptian officials were discussing the agreement, new violence broke out in the Gaza Strip. An Israeli policeman was shot and killed when he crossed the demarcation lines and fired on Arab farmers.

Tuesday, May 1

**SEN. ALBEN BARKLEY**, 78, of Kentucky and beloved "Veep" during the administration of Harry S. Truman, died of a heart attack. He collapsed while addressing a student mock national convention held every four years at Washington and Lee University. He grew solemn to put across one of his typical religious expressions: "I would rather be a servant in the House of the Lord than sit in the seat of the mighty." After uttering this, he collapsed before a hushed audience of 1,700 and lay motionless. His wife, the former Mrs. Carleton Hadley, was the first to reach his side. The body of the valiant warhorse of the Democratic party is being prepared to be sent to Washington.

Wednesday, May 2

**MATTHEW C. MCKEON**, a staff sergeant in the Marine Corps, was charged with being drunk when he ordered recruits under his command into a tidal swamp at Parris Island on April 8. Six of the recruits were drowned as a result. A report sent to the House Armed Services Committee, by the corps commandant, Gen. Randolph McCall Pate, said McKeeon, 31, would be punished to the fullest extent of military law. The sergeant's court martial is being placed in the hands of the Secretary of the Navy. The Marine Corps charged McKeeon "betrayed the trust reposed by his country, his corps, his lost comrades, and the families of the dead." McKeeon expressed deep sorrow over the tragedy, saying he was not familiar with the territory in which he led the recruits.

## Hungry Five to be Featured at Sunday Concert

The Hungry Five, comprised of, from left to right: DEWEY KALEMBER, WAYNE SMITH, TOM MOORE, FRANK TUNKS and GIL STAMMER, get in some hot licks as they practice for their act in the Community Chorus Concert to be held at Parcels Junior High, Sunday, May 6, at 3:30 p.m.

## Seven Pointe Lads Taken Into NROTC

Navy Department Reveals Successful Candidates in Country-wide Tests

The Navy Department has selected seven Pointe and one Harper Woods youths for training in its Naval Reserve Officers Training Corps program, according to information released by Roy Roberts, C/M, USN, Pointe recruiting officer.

The program will convene this fall at various colleges throughout the nation. Must be Outstanding. Chief Roberts said that only outstanding young men are selected for the NROTC program.

Out of 25,000 applicants who took the nationwide examination last December, 2,000 were selected for further processing. In Michigan, 877 men were appointed as principal candidates and 44 as alternate candidates for this program.

The NROTC program pays college tuition, fees, books, travel expense and \$600 cash per year for four years at any of the 52 selected colleges. Upon graduation, the candidates receive a commission in the U. S. Navy for three years of obligated service.

**Names of Winners** Selected as principal candidates were: Peter J. Mercier of 1255 Buckingham; Edwin F. Nicholson of 1017 Cadieux; (Continued on Page 3)

## Skip Pessl to Tell Story Of Ordeal in Northland

Grosse Pointe's young hero explorer, Skip Pessl will break away from his graduate work at Ann Arbor this Friday to give his many friends and admirers in his home town a review of his Canadian Wilderness Ordeal. Colliers magazine is planning to feature his adventure in a forthcoming issue, and television is going over the movies of the expedition recovered by the Mounties on a national network. Even though Colliers has his slides and television his movies, Skip hopes to augment his narrative with what pictures he can get together.

Grosse Pointers were not surprised to hear that Skip had led the Canadian exploring party back to civilization last summer after the leader, Dartmouth Professor Moffat, had died. Skip early demonstrated his leadership qualities at Grosse Pointe High School where he was class, school and Hi Y president as well as an outstanding tennis player.

## Expanded Sewers Pay Off As Pointe Escapes Brunt Of Heavy Weekend Floods

Relatively Few Basements Fill in Comparison with Past Years and Those Are Attributed to Private Troubles

The Pointe emerged almost without incident during the weekend downpour of rain throughout the Detroit area. Where outcounty communities were plagued with flooded streets, parks and homes, the Pointe happily escaped with relatively few flooded basements and only isolated cases of flooded streets.

The pumping stations worked continuously for hours pumping millions of gallons of water, thereby keeping the sewer systems flowing freely.

**Nine Park Complaints** In the Park, only nine residents called to complain of flooded basements, it was said by Herbert Heger, head of the Public Service Department, all of which were attributed to home drainage trouble. No streets were flooded.

Mr. Heger said that the pumping station in his community recorded 24 million gallons pumped during the Saturday and Sunday rains.

The City recorded 24 flooded basements in scattered parts of the community. These were the result of clogged home sewers caused by roots, etc., according to City Clerk Norbert Neff.

The figure on the number of gallons pumped was not available.

Sidney DeBoer, acting Engineer of the Farms, said that only eight calls were received by his department regarding flooded basements, but these were the fault of local sewer troubles.

For the first time in years, homes in this city have been free of flooded basements which (Continued on Page 2).

## Blames Crash On Dizziness

A minor accident on Maumee at Notre Dame, Monday, April 23, was caused by momentary dizziness of the driver of one of the cars involved.

Mrs. Jesse M. Bowers of Bishop road was driving her 1953 Ford west on Maumee when she felt faint. During the instant she took her eyes from the road, her car struck a parked 1956 Pontiac, owned by William Richardson of 260 Provencal.

## Three Hurt In Three-Car Park Crash

Driver Cuts in Front of Car, Hits it, Then Plows into Side of Another

Three persons were injured in a three-car crash in the Park on Saturday, April 28, at E. Jefferson and Harvard road.

Ticketed for not having his car under control and causing an accident, was Abner J. Foster, 28, of 19313 McCormick, Detroit, who received a cut over the eye, a bump on the head and a broken rib.

**Out in Front of Car** According to a police accident report, Foster was traveling east on Jefferson, when he cut in front of a car driven by Shirley Jean Stein, 31, of 1915 Kenmore, striking her right front fender.

Both cars went out of control and skidded across Jefferson into the west bound lane, where Foster's car plowed broadside into one driven by Joseph P. Gilully, 23, of 1060 Alter road, who was traveling west.

**Driver's Brother Hurt** Foster's brother, John, a passenger in his car, suffered a cut along the right side of his head, and the woman emerged from the accident with abrasions on both arms and knees.

All three were taken to Bon Secours Hospital for treatment by Park ambulance.

Court date for Foster has been set for Wednesday, May 25.

## Shores Installs Power Circuit

The Shores is putting the finishing touches on an emergency power circuit completed by the Detroit Edison company on Thursday, April 26.

The project, which took about three weeks to complete, was designed to give the Shores continued electrical power service at its pumping station at Provencal and Lake Shore road, in the event its present circuit is damaged during heavy storms.

The Shores receives its electrical power from a circuit, shared with the Woods, in an area bounded by Lake Shore, Provencal (Cook road in the Woods) Mack avenue and Verhier road.

The throwover emergency power will come from the Farms side, in an area bounded by Lake Shore, Provencal, Mack and Seven Mile.

## Community Chorus To Present Concert Sunday Afternoon

More Than 100 Voices to be Heard in Spring Event at Parcels School at 3; Many Special Numbers Scheduled

Final rehearsals were held this week for the fourth annual spring concert of the Grosse Pointe Community Chorus. Malcolm MacLean Johns will conduct the choir of over 100 voices on Sunday afternoon, May 6, at 3 o'clock in the auditorium of Parcels Junior High School, Mack at Vernier.

One outstanding feature of the concert will be the presentation of a group of German folk songs by a brass ensemble known as "The Hungry Five." Members of the quintet are Frank Tunks, Gil Stammer, Dewey Kalember, Wayne Smith and Jim Moore.

**Setter to Accompany** Milton Setzer, pianist, will be joined by the male voices of the choir in Herbert Zipper's arrangement of Ravel's "Pavane Pour Une Infante Defunte."

Dewey Kalember will display his varied talents by accompanying the choir with drums and bells in a special arrangement of the old favorite, "When Johnny Comes Marching Home."

Other numbers include a group of 16th and 17th century English Madrigals, American folk songs and oratorios.

## 'Body' Belongs To Mannequin

Early Friday evening, April 13, City police received a report that there was a body lying on the sidewalk in front of Jacobson's.

Investigating officers discovered a window display mannequin had been stretched on the sidewalk and covered with a blanket. They took the "girl" back to the station and placed her in the cell block for safe keeping.

## SEWING MACHINE STOLEN

Park police took a report from Mrs. Robert Breitmeier of 1435 Kensington on Thursday, April 19, in which she stated that someone had stolen a portable sewing machine from her home.

## Friends of Library Plan Tenth Anniversary Dinner

At their annual dinner meeting on Thursday evening, May 10, at the War Memorial, the Friends of the Grosse Pointe Public Library will celebrate the tenth anniversary of the organization. Dinner will be served at 6:30.

Speaker of the evening will be George W. Stark, well-known Detroit news columnist and Detroit historiographer, who will speak from his long and intimate knowledge of Grosse Pointe, its history and its personages.

## 910 Donate \$13,407 to Center Drive

All Residents Urged To Send In Contributions As Soon As Possible

Just 910 Grosse Pointers have given to the Grosse Pointe War Memorial Center's Annual Family Participation Campaign so far this year. These few givers have donated a total of \$13,407.70 as of May 1. \$33,000.00 is needed to balance the budget for the next operational year which begins August 1.

The Memorial Association is especially anxious this year to achieve a greater spread of support from all the people of Grosse Pointe.

**Two Generous Gifts** The generous gifts such as the \$1,000 donation of the Walter and Josephine Ford Foundation and the \$500 contribution from Robert A. Hackathorn, president of the Memorial Association, are greatly appreciated and are indispensable encouraging when looking to the achievement of the goal.

But all gifts are truly appreciated regardless of size and are greatly valued not only as a financial help but as an expression of faith in the work of the Center.

**Shorter Campaign** The campaign this year is a week shorter than ever before so that the association and the many volunteers working on the campaign will appreciate everyone donating promptly so that the drive may be successfully and appropriately concluded on Memorial Day.

Additional gifts received to date are listed below:—

April 24  
Walter D. Baldwin, Mr. and Mrs. Octave Peterson Beauvais, Dr. Wm. L. Bedwell, John A. Bell, Mr. and Mrs. Paul Bohmann, Mrs. Dan A. Bryant, Mr. and Mrs. Wm. G. Butler, Mr. and Mrs. Joseph Burns Cody, Mr. and Mrs. David R. Cook, Olga Cooper, George A. Coury, Mrs. R. E. Danaher, Mrs. Chas. B. Davis, Henry Earle, Mr. and Mrs. Harold H. Emmons Jr., George M. Gillis, Ole Hestad, E. C. Hodges, Mr. and Mrs. Clarence A. Horn, Dr. and Mrs. J. Stewart Hudson.

Wm. H. Hulswit Jr., Mr. and Mrs. J. B. Huntress, Mrs. J. C. Hurley, Mr. and Mrs. L. J. Jacob, Mr. and Mrs. Chas. L. Jacobson, Mr. and Mrs. Harold Jinks, Edward W. Jones. How- (Continued on Page 2)

## Tear Gas Bought For Park Police

The Park Police Department is prepared for any emergency that might arise which would require the use of tear gas, said Police Chief Arthur Louwers.

He disclosed that his department recently purchased tear gas equipment to be used if and when it is needed.

Included in the equipment is a tear gas gun and .37 mm projectiles and hand gas grenades.

The projectiles could be fired to a distance up to 350 yards; the grenades are for close work.

## New Sewers Produce End Of Stalemate

Since Completion of Big Project Homes, Population About Doubled

The Shores has practically doubled its population and the number of residential buildings since January 1, 1954, with assessed valuation of property showing a proportionate increase, said Village Superintendent Thomas Jefferis.

The upsurge in population and residences is attributed to the big sewer project which was begun about the middle of 1953 and completed in September of 1955.

**Building Stalemate** The building of new homes in the Shores had been stalemated since 1921, because according to Michigan law, no community is permitted to subdivide and build if it does not have adequate sewer systems.

The stalemate was broken when Shores residents approved a \$495,000 bond issue on April 14, 1953, for the construction of three miles of new sewers, which were to replace the septic tanks in the community. The tanks had been among the causes of pollution of Lake St. Clair waters for years.

**Room for Expansion** Mr. Jefferis said that now the Shores has twice the number of homes since the sewers have been installed, with plenty of room for further expansion.

He said that prior to the installation, the community had approximately 250 homes, now there are about 500; the population has leaped to about 2,000, as compared to the 1950 Federal census of 1,029.

**See 5,000 Population** When fully developed, the Shores will have about 750 homes with an expected population of about 5,000. Mr. Jefferis said. The Village is a little more than a square mile in area.

Since January 1954, he said, 272 home building permits have been issued, but recently, the number of permits issued has decreased slightly.

Assessed property valuation has jumped about five million dollars, making the total to date around 14 million, Mr. Jefferis said.

He also disclosed that the heavy rainfall over the weekend proved the worth of the new sewer system. He expressed satisfaction in that the sewers, the pumps and the overflows took the full brunt of the storm and that there were no complaints of flooded basements as was the case before the sewer project was started.

## Vandals Attack Concrete Wall

On two successive nights last week vandals knocked down a section of concrete wall under construction at Mack and Kerby road. Tuesday, April 24, contractor Eugene Dilauro showed police where someone had pushed over part of the wall which had been cemented Monday afternoon. The insurance adjuster appraised the damage at \$250.

Wednesday morning the police were again summoned. The insurance adjuster was called and gave an additional appraisal of \$224.

## Fire Department Goes to Rescues

The City Fire Department was called to the rescue thrice on Tuesday morning, April 24. The first run by the small fire truck, rescued a cat which had become stuck in a tree. The firemen retrieved the animal and returned it to her owners.

## Fire Department Goes to Rescues

An hour later the truck went out on another call. This time it was to free a small boy who had locked himself in an upstairs room.

On the same busy day, the department was summoned to release a pigeon which refused to vacate a resident's garage.

Additional Donors to War Memorial Center Drive Listed

(Continued from Page 1) and E. Knaggs, Frank L. Knapp, Fred P. Koehler, Mr. and Mrs. Adelbert H. Lindley, Mr. and Mrs. C. R. Mabley, Ludwig A. Majneri, Mr. and Mrs. Carl J. McAdams, Mr. and Mrs. Thomas B. McDonald, Mr. and Mrs. Wm. N. Miller, Mr. and Mrs. R. E. Milligan, Mrs. George B. Morris, S. K. Nissley, L. Palombi, G. S. Ritchie, Dr. Ralph C. Rueger, Mrs. Walter Rundle, Mr. and Mrs. W. C. Schrage, Laura Schwartz, Mr. and Mrs. C. R. Sessions, Mr. and Mrs. Fred A. Simonsen, Mr. and Mrs. Leonard Slown, C. M. Stafford, Mr. and Mrs. Joseph G. Standart Jr., Gordon F. Strayer, Mr. and Mrs. Alfred R. Tapert, Wallace A. and Flora H. Temple, Mr. and Mrs. Marshall F. Troester, Mrs. Fred Van Assche, Richard S. Weber, Clark T. Wells.

Wright, W. W. Witherspoon, and Werner Zeising.

Floods

(Continued from Page 1) have caused hundreds of dollars in damages. New and bigger sewer pipes were installed in various sections in the Farms, where most of the floods occurred, and the weekend downpour, the first heavy rain since the project was completed, proved the worth of the new system. Mr. DeBoer said that each of the calls to his office was investigated, and it was found that water backed into these basements because of local trouble. No Streets Flooded He said that the pumping station recorded a total of 51 million gallons pumped during the storm. No flooded streets were reported. The Shores received no complaints of flooded basements. The new sewer system handled all of the rain water adequately. There were scattered neighborhoods with flooded streets. No figure is available on how much water was pumped during this period. The Woods, which is believed to have the most trouble with its sewers, reported six flooded basements. City Administrator William Lange said that several of the streets in scattered neighborhoods were deliberately kept flooded by having the water pumped slowly through the sewer system. This was necessary, he said, because of the community's inadequate sewers. Kept Basements Dry By pumping the water slowly, he said, this method prevents a rash of flooded basements, which more often than not occurs during heavy rainfalls. Herman Lauers, who is in charge of the Woods' two pumping stations, said that the Torrey Road Station and the Marter Road Station pumped a total of 94,854,000 gallons of water. He said that a good part of this was the result of the water pumped through the Torrey Road Station which is connected with the Manchester Drain and which takes some of the drainage from Harper Woods. This station alone, he said, pumped about 61,454,000 gallons over the weekend. The Woods has stopped subdivision building until it can take care of its sewer problem.

DRIVER PUT UNDER BOND April 26, by Woods police. He Tommy Whisman of 14825 Rosemary, Detroit, was placed under a \$100 bond on Thursday, on Roslyn road and will appear in court on May 2.

### Farms Police Report Filed

Farms Police Chief Walter R. Hoyt has filed the report of his department's work during the month of March.

Total collections for the month were \$1013. This figure includes \$323 from 66 traffic violations; \$44 from 415 parking violations; dog ordinance violations brought in another \$11. Court fines accounted for the remaining \$235.

Two adults and two juveniles

had their drivers' licenses suspended. Forty-one traffic accidents resulted in one personal injury and \$5521 in damages.

There were no hold-ups, no suicides, and no reports of breaking and entering in March.

Simple larcenies included eight cases in which \$170 was stolen. Of this, \$60 was recovered.

Two grand larceny reports named \$426.80 stolen, and the department recovered \$313.

Police officers making their appointed rounds, found 20 doors unlocked and notified the owners in each case. The ambulance made five runs, with the police answering two fire calls.

New drivers' licenses were issued to 244 persons. Chauffeurs' licenses went to another 15 persons.

In March the Department made 17 arrests, seven adults and ten juveniles. The most serious of these cases pertained to two 14-year-old boys, which cleared up seven cases of destruction of property in the Farms.

### High School Band to Give Spring Concert Tomorrow

By Karen Roeglin GPHS Journalism Student

Tomorrow, May 4, the Grosse Pointe High School band will present its eighteenth annual Spring Concert.

A program has been selected to suit all ages and tastes.

In keeping with the latest in music the band has selected as its featured number "Victory At Sea" by Richard Rodgers and arranged for band by Bennett. This is taken from the N.B.C. documentary film of the same name.

"A Step Ahead," by Alford will open the program. This march is noted for its particularly difficult work in the baritone section.

Mannin "Veen," the next number, won the band a first division at the Regional Band Festival this winter.

Stuart Friedrick, 12A, will perform a flute solo "Meditation" from "Thais by Massenet.

"Echo Waltz" by Goldman will feature Henry Burr, 10A, Robert Franeth, 10A, and Bonnie Averill, 12A, in a trumpet trio.

"El Capitan March" by Sousa follows.

The band will then play "National Cherry Festival March" by Director Dewey D. Kalember. A novelty rumba, "Relax," by Paul Yoder will feature the

unusual instruments of the band.

A trio of drummers, Donna Garber, 11A, Gerald DeKeyser, 12A, and Dave Murley, 12A, will be highlighted in "Haskell's Rascals."

"Russian Sailors' Dance" by Gliere follows.

"Emblem of Unity," a march by Richards will close the program.

This semester the largest class ever to graduate from the band will be awarded pins. It numbers 14. Those who have been in the band for three full years will receive the pins.

The concert will be presented at 8:15 p.m. in the high school auditorium-gymnasium. Tickets may be purchased from any band member or at the door. The price is 50 cents for adults and 25 cents for children. Students with S.A. tickets may buy tickets for 25 cents.

### S. L. Shenefield To Receive Honor

COLUMBUS, O.—Ohio State University's Department of Chemical Engineering has announced that Samuel L. Shenefield of Grosse Pointe Park, Mich., will be presented with a Distinguished Alumnus Award here May 4.

Shenefield, superintendent of the capsule division at Parke, Davis & Company, was chosen for his "deep interest in Ohio State University and the State of Ohio" and his contribution of "many new and ingenious technical developments to the pharmaceutical industry."

The 63-year-old native of Shauk, Ohio, is one of the nation's leading authorities in the manufacturing of hard gelatin capsules. Through his knowledge of gelatin mixtures, machinery and production methods, he increased Parke-Davis production capacity by 1,000 percent over an 18-year period.

Shenefield received his bachelor of chemical engineering degree from Ohio State in 1913. He was associated with the Chemical Warfare Service Unit stationed at the American University Experiment Station, Washington, D.C., during World War I.

He joined Parke-Davis in 1919 in its tablet department. In 1920, Shenefield was named manager of that department. He later served as superintendent of the world-wide pharmaceutical firm's Walkerville, Ont., laboratory and personnel superintendent before being named superintendent of the capsule division in 1938.

Shenefield has maintained an active interest in the Ohio State University alumni clubs and has been an alumni advisor of the school's department of chemical engineering for the past 30 years.

The chemical engineering department, in presenting the award, cited Shenefield for his "outstanding achievements in chemical engineering phases of the pharmaceutical industry... his integrity... his humility... and his loyal and active interest" in Ohio State University.

### New JC Chapter Elects Officers

The newly formed Grosse Pointe Junior Chamber of Commerce elected its officers at the War Memorial Building on Tuesday, April 24.

Heading the new organization is Richard Lamb. Mr. Lamb is a graduate of Michigan State University and lives at 820 Westchester.

Vice-presidents are James Bremmer of 177 Lakeview, Kirk Cookson of 20591 Lennon and Robert Beaupre of 1505 Brys.

The secretary is Robert Campbell of 11499 Audubon and the treasurer is Richard Baker of 13433 Cadieux. The directors are Douglas Buck of 1825 Roslyn, Dr. Donald Kelly of 1658 Broadstone and James Mackintosh of 255 McKinley.

The Junior Board of Commerce is an organization open to young men from the ages of 21 to 35 years. Its purpose is to develop its members for greater effectiveness in civic and personal undertakings through active participation in civic, social, industrial and educational activities.

### Take Training Flights In French Morocco

PORT LYAUTEY, French Morocco (EHTNC) — Navy Lt. (jg) R. A. Wing, son of Mr. and Mrs. Richard A. Wing of 1143 Devonshire road, and Navy Lt. (jg) Harvey C. Fruehauf, Jr., son of Mr. and Mrs. H. C. Fruehauf of 1004 Three Mile drive, both of Grosse Pointe Park, Mich., are participating in four weeks of operational and training flights in Port Lyautey, French Morocco, with units of Airborne Early Warning Squadron 4.

VW-4, better known as the "Hurricane Hunters," fly weather patrol during the tropical storm season in the Caribbean.

### Health Society Elects Pointers

Four Grosse Pointe residents have been named to the board of directors of the Tuberculosis and Health Society.

Newly-elected to serve were Mrs. Charles A. Dean, Jr., and Ralph S. Lane, both also members of the board of directors of the Detroit Tuberculosis Sanatorium. The Sanatorium and the TB and Health Society have joined their fund-raising efforts by having one Christmas Seal Sale for both organizations.

Re-elected to the board were Dr. Robin C. Buerki, head of Henry Ford Hospital and Dudley W. Apps, trust officer of Manufacturers National Bank. Mr. Apps is also treasurer of the society.

At the annual meeting held Thursday at the Central YWCA, Dr. Edna M. Jones, in charge of the children's unit at Maybury Sanatorium in Northville, blamed negligent adults for some of the tuberculosis in children.

Five percent of the youngsters who get TB are infected by adults who left sanatoriums before they were cured and another 10 percent of the children catch TB from adults who know they have the disease but remain home rather than go to a hospital to have the illness treated.

"We must do all in our power to make him (the tuberculosis adult) realize that his responsibility toward children has never before been so great," Dr. Jones said.

Because of Dr. Jones' work with modern drug treatment there have been no deaths among children with tuberculosis at Maybury since March, 1955.

The hospital has approximately 120 admissions to the children's unit each year. Of the children catching TB, 77 percent of them are of preschool age and a great number of them babies under one year of age.

The TB and Health Society's program of health education and tuberculosis control is supported through the annual sale of Christmas Seals.

There's nothing wrong in taking the world as you find it, but don't try to take it all at once.

### Reckless Driver Pays Big Fines

James J. Goodwin, 45, of 1221 Hilger, Detroit, paid a total of \$125 in fines on two counts of law violations, when arraigned before Park Judge C. Joseph Belanger on Friday, April 27.

Goodwin was accused of reckless driving, speeding and running a red light at Jefferson and Pemberton, and having an unregistered gun in his car.

He was stopped at the scene of his traffic violation by Patrolmen George Blair and Robert Clear, who made a rou-

tine search of the car and found the gun. Goodwin claimed he had recently purchased the firearm, but had not registered it.

Judge Belanger ordered him to pay \$75 or face the alternative of 30 days in the Wayne County Jail, on the gun charge; and, \$50, or 30 days on the reckless driving count.

Goodwin pleaded guilty to both charges and paid the fines. In addition, he was placed on 30 days probation.

**Cavanagh Hats**  
You Won't Find Cavanagh Hats EVERYWHERE

For several years they were sold exclusively in the Park Avenue Cavanagh Shop in New York. Our store was among the first in the country... and is still the only store in Detroit... in which the Cavanagh people are confident their hats will be properly fitted. You will be surprised how much a properly fitted hat will add to your appearance.

### Judges 'Load' Shoe for Guessing

Gray's Racquet and Sport Shop's penny guessing contest will get underway today, Thursday, May 3. Contest checkers, MRS. WILLIAM G. BUTLER, and FARMS POLICE CHIEF WALTER R. HOYT, are pictured priming the P-F tennis shoe with the pennies. When the seal is broken, Saturday, May 12, the coins will be counted and the lucky winners named. First prize is a Schwinn bicycle; second prize, a camera and flash attachment; third prize, a baseball glove; and fourth prize, four American League baseballs. The shoe may be seen in the store window at 106 Kercheval.

### U-M Launches Alumni Drive

The 1956 Alumni Fund Program of the University of Michigan is officially under way in the Detroit Metropolitan area.

For its 1956 solicitation, the committee will be using the new slogan of the Michigan Alumni Fund, "AIM," which stands for "Annual Investment in Michigan." The 1956 objective is to assist in maintaining the quality of faculty, students and facilities at the University of Michigan.

Gifts to the Michigan Alumni Fund are used to: (1) recognize and encourage outstanding examples of teaching, public service and research by members of the faculty; (2) purchase research equipment; (3) provide scholarships and fellowships; (4) provide financial aid to students; (5) make possible capital investments which would not be possible from other university funds; and (6) to establish projects for whatever purpose the donor designates.

The planning committee for the Metropolitan Detroit area solicitation includes Alonzo C. Allen, 412 Lincoln road.

The only way people can have self-rule is to get out and vote. Set a good example by giving others a square deal.

### History of Local Library Released by Director Orr

Director Robert Orr of the Grosse Pointe Public Library has just released a short history of the local library. The original presentation was made to the Board of Education by the Director.

According to Orr, the Public Library was organized as a division of the Public School System in 1929, following the appointment by the Board of Education of a committee of interested citizens who actively participated in the organization of the Public Library. They were: Mrs. Henry B. Joy, Murray W. Sales, Daniel J. Crowley, Mrs. Stathern Hendrie, John Russell, Charles Parcels, Fred Shipman, and D. M. Ferry, Jr.

Libraries were soon opened serving the Park, City, Farms, Shores, and Woods, in addition to bookmobile service for summer use. The Main Library was

located in the basement of the Park Municipal Building.

The City Branch, originally located in the present Thrift Shop, was soon moved to two cottages on the Maire School property. The Farms Library was located in the Municipal Building, later in the old Kerby School.

The Shore Library, the first library in Grosse Pointe, was located in the Municipal Building. The Woods Library was located in a store building in Mack north of Vernier road.

In 1939, the Main Library was moved to the West wing of Pierce Junior High School, built with PWA funds. In 1952, the present Woods Branch was opened in the west wing of Parcels Junior High School. In 1953, the Central Library was opened at Fisher and Kercheval. The building was given in its entirety by the Ferry family,

### Women to Hear General Taylor

Detroit will be visited by General Maxwell D. Taylor, Chief of Staff, United States Army, on May 8.

General Taylor will address the May (noon) luncheon meeting of "The School of Government" to be held at the Grand Ballroom, Sheraton Cadillac Hotel. The General will speak on "The Army as an Instrument in Combating Communism."

Mrs. Wilber M. Brucker, of Vendome road, wife of the Secretary of the Army, founded "The School of Government" in 1940 with only 15 members. The school has now grown to a membership of over 200 prominent women.

The object of the school is to study the science of government in a non-partisan manner. This includes the study of the Constitution and Laws of the United States, and the State of Michigan, and the ordinances pertaining to the City of Detroit. Also, this influential group studies laws yet to be enacted, and when necessary, supports these laws through telephone calls and personal interviews with prominent citizens, requesting their support.

### Pierce P.T.A. Meets May 4

Mr. Lawrence Ruby, President, will preside over the final Pierce Parent Teachers Association meeting on Friday night, May 4, at 8 o'clock, in the school auditorium.

A brief business meeting and election of officers will be followed by an extraordinary variety and talent show entitled "Potpurri." There are 150 of the eighth and ninth grade students participating in the program for the parents. Many faculty members have assisted in preparing the various acts. Owen Middleton is serving as director.

Mrs. John Blair, who has served as chairman of the social committee for the past two years, and her co-chairman, Mrs. Leon Sweet, will decorate the cafeteria and be assisted by the entire social committee in providing refreshments.

**Motorists Pay For Bad Driving**

Fifteen traffic violation cases were scheduled to be heard by Park Judge C. Joseph Belanger on Wednesday, April 25, but

not all the defendants appeared to answer charges.

The heaviest fine of the day, 50, or 20 days in the Wayne County Jail, was paid by Rubin C. Taylor of 11211 Timken, Van Dyke, who pleaded guilty to reckless driving on Mack avenue. In addition, he was placed on six months probation and ordered not to drive except for business purposes.

Paul Gerace of 30815 Gratiot, Roseville, pleaded guilty to not having a driver's license on his person and paid a fine of \$3.

Albert E. Coyle of 8944 Helen, Detroit, did not appear to answer a charge of speeding on Mack and a report of his case was sent to Lansing.

Sally Ann Droste of 22436 Daniels, St. Clair Shores, accused of speeding on Charlevoix, failed to appear. A report was sent to Lansing.

Alfred J. Bonneau of 22401 Doremus, St. Clair Shores, pleaded not guilty to not having his car under control and striking a pedestrian. Inasmuch as all damages had been paid and the complainant refused to appear, the case was dismissed.

John E. Hannon of 561 Middlesex, pleaded not guilty and was found guilty of causing an accident in front of 14950 Jefferson. He was given a suspended sentence.

Tony Talercio of 5027 Montclair, Detroit, on complaint of Tony Koinis, pleaded not guilty to parking on a private parking lot and won a dismissal of his case.

Dorothy Courtney of 520 Washington, Alpena, charged with making an improper turn and causing an accident, had her case dismissed after further investigation.

Mary Anne Toenjes of 1117 Yorkshire, pleaded not guilty and was found guilty of speeding on Charlevoix and paid a fine of \$15.

A plea of guilty was entered by Mark Brousseau of 4930 E. Outer drive, Detroit, who was ticketed for speeding on Jefferson. His fine was \$13.

It cost Margaret C. Coon of 2016 Lochmoor, \$10 when she admitted to speeding on Charlevoix.

Jean F. Withers of 987 Beaconsfield, was ordered to pay court costs of \$15 after she pleaded guilty to running a stop street and causing an accident at St. Paul and Maryland. She was not fined because of an excellent past record.

Leo T. Taffe, Jr., of 20620 Frazho, St. Clair Shores, pleaded guilty to causing an accident at Jefferson and Maryland and paid a fine of \$15.

James N. McCoy of 8081 E. Forest, Detroit, did not appear in court on a charge of speeding on Charlevoix and forfeited a bond of \$15.

**Pointe Has Own Junior Chamber of Commerce**

Pulling together for the success of the KIRK COOKSON, JIM DELSING, DICK LAMB, president, and BOB BEAUPRE. an auspicious start, are, left to right:

**Community Club Meeting May 8**

The Grosse Pointe Woods Community Club will hold its annual meeting Tuesday, May 8 at 8 p.m., 20883 Mack avenue. The public is cordially invited to attend.

ASK THE MAN  from MANUFACTURERS

**how to improve your home**

Get an estimate from your dealer or contractor for the improvements you need—garage, fencing, attic room, new furnace, etc. Tell him to arrange financing with an FHA Home Improvement Loan through Manufacturers National Bank, or come direct to any office of the bank if you prefer, or are doing the work yourself.

No down payment required—36 months to pay. The combined Manufacturers National and former Industrial National organization gives you fast, efficient loan service. Fix-up in 1956. We like to make loans for such worthwhile purposes.

**Hear 8 Cases In City Court**

Justice Court was held last Thursday evening, April 26, in the City's municipal offices in Maumee avenue. Judge Joseph P. Uvick was the presiding official.

Leslie C. Crane, 381 Covington, Detroit, pleaded not guilty of speeding 35 miles per hour. She was found guilty and paid a fine of \$10.

Alice M. Vieweg, 647 Lincoln road, pleaded not guilty to violation of the stop law. Sentence was suspended.

James P. Parker, Jr., 1418 Grayton road, was found guilty of violation of the preservation of public peace. He was fined \$25, and placed on six months probation.

Harry B. Almstead, 1222 Wayburn, Detroit, pleaded guilty to not having his car under control and causing an accident. His sentence was suspended.

Donald A. Stewart, 9 Mile Road, Hazel Park, was found guilty of speeding 46 miles per hour. He was fined \$15.

Louise Frances Kirsten, 824 Balfour road, received a suspended sentence after being found guilty of speeding 40 miles per hour.

Helen Cook Weber, Marter road, was found not guilty in an accident in which her car was involved. Her case was dismissed.

Joseph H. Tomczak, 5234 Grayton road, Detroit, pled not guilty but was found guilty of interfering with moving traffic and causing an accident. He was fined \$7.

**Pvt. Bernard K. Walsh To Be Sent to Germany**

FORT KNOX, Ky.—Pvt. Bernard K. Walsh, 26, son of Mr. and Mrs. Clune J. Walsh, 45 Shoreham rd., Grosse Pointe, Mich., is scheduled to leave the U. S. for Germany late next month as part of Operation Gyroscope, the Army's unit rotation plan.

His unit, the 3rd Armored Division, now stationed at Fort Knox, Ky., will replace the 4th Infantry Division in Europe.

Walsh, an operations specialist in Company B of the division's 88d Reconnaissance Battalion, did public relations work for the General Motors Corporation in Detroit before entering the Army last August. He was graduated from Holy Cross College in 1954.

It sometimes happens that the light of truth casts the shadow of suspicion.

**Big Investments In Band Concert**

by Karen Roeglin Journalism Student  
 The Grosse Pointe High School Band will present its annual Spring Concert on Friday, May 4.

The band has spent 13 weeks in preparation for this, its eighteenth spring concert. This amounts to 4225 collective class hours. In addition each member averages two hours of practice a week. This brings the total to 5,815 hours of preparation for the 65 members.

Not only has time been spent on the concert, but money too. The total value of the instruments (some privately owned, and some school property) is approximately \$18,000.

New uniforms bought last year cost about \$3,900. This brings the band's total investment on the stage to approximately \$20,500.

The largest class ever to graduate from band will receive band pins at the concert. It totals 18 members.

The band ranges in size from William Quinlin, who is six feet five inches, to Dan Murphy, who is five feet. Both are trombone players.

The experience of the band members covers a wide range too. Some who will appear in the concert have been playing their instruments only one year. Others have been playing as many as eight years.

The result of their efforts will be heard at 8:15 o'clock in the high school gymnasium.

Don't consider yourself a world beater until you find out if you can carry your own precinct.

**Scholarships Won by Trio**

A total of 432 entrance scholarships have been granted to graduates of 349 high schools in 75 counties by Michigan State University, according to J. Robert Stewart, M. S. U. scholarship director.

Pointe scholarship winners are: Gordon D. Cameron, Sue C. Himmelsbaugh and Jean Elizabeth Potter.

# Unusual and Exotic Flowers

KERCHEVAL-ST. CLAIR OFFICE

**NATIONAL BANK  
OF DETROIT**

630 ST. CLAIR AVENUE—IN THE "VILLAGE"

**TWO MORE DAYS! — MAY 3 AND MAY 4**

Bring the whole family to see this unusual exhibit. Mr. Vincent R. dePetris, noted horticulturist, author, lecturer, and civic leader, is displaying plants you've never seen before, in his own inimitable arrangements. It's more than a flower show. It's an educational, exciting trip through a world of flowers. You'll find inspiration for your own arrangements, and you'll see some new plant varieties.

There'll be Hawaiian Ginger—Bird of Paradise—Anthurium Hybrids—a new rose creation, the "White Butterfly," never exhibited publicly before—"Venus," a new carnation variety—rare orchids—and many others.

Thursday, May 3 . . . . . 8:30 a.m. to 3:00 p.m.  
Friday May 4 . . . . . 8:30 a.m. to 6:00 p.m.

Mr. dePetris will be present to answer your questions and describe his flowers from 11:00 a.m. to 1:00 p.m. each day.

*Congratulations to the Newly Formed  
Grosse Pointe Junior Chamber of Commerce.*

### Hot Rodders Plan Safety Run

By Ken Erickson  
G.P.H. Journalism Student

Algonac will be the destination of the entrants in the reliability run to be held next Sunday. Sponsored by the Tappet Tickers hot rod club, the run is held to promote safe driving.

The hot rod club was organized several years ago by some of the youths in this area to promote teen-age safe driving. Today it has about 20 members with ten in Grosse Pointe High School.

Anyone can enter the run by showing up at the Seven Mile parking lot at 1 o'clock Sunday with a one dollar fee for his car.

The route is being planned by a committee consisting of Bob Forton, 11A, Fred Schwartz, 11B, and Frank Hilgendorf, June '55. The trip is to be about 80 miles long and probably will be by way of Detroit's north side.

The planning committee has driven the planned course several times, and by obeying all the regulations, has set an average time for the run.

### Red Cross, Civil Defense Heads Integrating Efforts

Conferences between Detroit Red Cross and Civil Defense welfare officials aimed at better integration of civil defense personnel concerned with emergency welfare services into the Red Cross disaster relief program have been intensified as a result of the recent Michigan tornadoes.

According to Daniel J. Ryan, Department of Public Welfare superintendent, and Theodore H. Hoffmann, assistant executive director of the Detroit Red Cross chapter, experience in the Grand Rapids area demonstrated the need for a clearer definition of the role of Civil Defense welfare services personnel when they are activated in natural disaster. Ryan is director of Civil Defense welfare services and a vice-chairman of the Red Cross disaster preparedness committee.

Hoffmann, administratively responsible for the Red Cross disaster program, is also co-director of Civil Defense welfare services.

"That Ted Hoffmann and I share responsibility for Civil Defense welfare services and the fact that Red Cross disaster committee people hold similar positions in the civil defense organization are evidences we have achieved a high degree of integration. But we are concerned with reducing confusion and misunderstanding on the part of the community as to areas of responsibility of the Red Cross and civil defense at the operational level in natural disasters. We feel that coordination right down the line would be good for both Red Cross and Civil Defense."

Ryan and Hoffmann are considering a plan under which civil defense welfare services personnel, in case of natural disaster, would become Red Cross volunteers assisting in handling emergency shelter, feeding, and clothing victims. The feasibility of issuing Red Cross identification cards to such personnel is under consideration.

The charter granted the American National Red Cross by Congress in 1905 names Red Cross the nation's official disaster relief agency, and imposes upon it obligation and responsibility for relief and rehabilitation of victims of natural disaster. Because of the ability of the Red Cross to finance its disaster services is dependent upon public support and understanding of its functions, Ryan believes it important that people understand the Red Cross-Civil Defense relationship as it operates in natural disaster.

In the event of a war time emergency in the area, Detroit Red Cross programs and personnel would be used to implement the local civil defense program.

"Working with Red Cross in the event of a natural disaster in the Detroit area would provide invaluable experience for our civil defense welfare service people," Ryan said. "Such experience would certainly pay off if we were ever called upon in a war time emergency."

Some men grow under responsibility — others just sweat

### Exchange Club To Hear Rector

"Meeting the Challenge of Mental Illness Through Psychotherapy," will be the subject of an address by the Rev. B. H. Crewe, D.D., rector of St. Gabriel's Episcopal Church, at the Exchange Club of Grosse Pointe dinner meeting at 6:30 p.m. Tuesday, May 8, at the Grosse Pointe War Memorial Center.

The trouble market is easy and the stock sells at low rates.

### HOW TO PROFIT THROUGH TAX EXEMPTION

With today's high tax levels, investors in medium and high tax brackets are turning to tax-free Municipal Bonds for income that they can keep.

If you have a taxable income of \$10,000 or more, you may be well repaid by investigating the advantages of tax-exempt State and Municipal Bonds. For instance, if you file a single return on a taxable income of \$14,000, you would have to receive a dividend return of 7.45% on a taxable security in order to equal the yield from a 3.50% tax-free Bond. It's something to think about!

Our New Booklet, "How To Profit Through Tax-Exemption" explains in plain language your need for tax exemption, tells how much these high-grade investments can be worth to you. There's no obligation. Send for copy today, or phone.

### Kids to Perform For Ferry P-TA

The Ferry School P.T.A. will hold its final meeting of the year on Friday evening, May 4. Program chairman, Harvey Dixon, announces that the feature attraction of the evening will be a physical education demonstration by the boys and girls of the school.

The program will include over 150 children from Kindergarten through Grade 6 and will be under the general direction of Bernie Falk, Physical Education Counselor for the Grosse Pointe Public Schools.

Through this program parents will be afforded a demonstration of the progression of the seven fundamental physical and athletic skills of running, jumping, throwing, catching, kicking, climbing, striking, as well as rhythmical activities of children at the various grade levels.

With the help of the children, Mr. Falk will demonstrate how these fundamental skills form the basis for all physical games and sports. These skills will be demonstrated in a progressive manner in game situations showing how children become more accurate and alert in the use of these skills as they progress through the grades.

All candidates for election to the Grosse Pointe Board of Education at the school election in June have been invited to attend this meeting of the Ferry School P-TA Association. The candidates will be introduced and will be afforded an opportunity to talk with parents during the social hour and refreshments following the program.

Mrs. George Hoffman, P.T.A. social chairman, announces that the refreshments for the evening will be served by Mrs. Thomas Gallagher, Mrs. Edward Meier, Mrs. Earl Rodefield and Mrs. Harlan Ingram, with Mrs. Edward Mitchell acting as chairman.

Because of the large number of children in the program and due to the fact that the parents of many of the younger children will want to get the youngsters home as early as possible, P-TA President Don Marshall will call the meeting to order at 7:30 p.m.

# "SCRUBAROO" Help Wanted!

## PAINT UP-FIX UP-CLEAN UP

Well, folks, Grosse Pointe won second prize last year for population groups of its size . . . a mighty fine showing for its first year in the contest.

This year let's keep up the good work and put special emphasis on the BUSINESS AREAS. Your help is needed! Try to find out what causes litter in areas where you conduct business or trade. Talk it over with tradespeople. Then . . . let me know in writing (not by phone) about the condition and the proposed remedy.

THANK YOU,

**Wilbur J. B. Thomas**  
Chairman of Clean Up Committee  
Grosse Pointe Business Men's Association  
19 Kercheval, Grosse Pointe 36

This message sponsored by Grosse Pointe Insurance Associates.

### Open House Starts Today

This is the new Grosse Pointe Branch of First Federal Savings of Detroit, located at 17150 Kercheval, between St. Clair and Neff, in the important Village Shopping Center. The center's main parking area is right in the rear. The public is invited to attend the Open House, which will last for eight days, starting Thursday, May 3, and running through Friday, May 11.

This eighth office will serve First Federal savings customers of the Grosse Pointe communities and surrounding areas, and will also offer all other First Federal services. First Federal pays a current rate of 2 1/2 per cent on savings, and each saver's funds are insured to \$10,000.

The building was designed by Hans Gehrke, Sr., architect, and has been designed, built and equipped to make saving convenient for customers. Safe deposit vaults and an employee lunchroom and lounge are included. Another convenience is a night depository which will allow First Federal savings customers to add to their savings from the sidewalk at any hour of the day or night, including Sundays and holidays, simply by depositing an envelope in the box.

First Federal also offers a mail saving plan that is used by thousands of people. Free postage paid envelopes are provided, so people can open an account, add to savings or withdraw by mail, with postage paid by First Federal.

First Federal has planned some attractive souvenir gifts for everyone who attends the Open House. In addition, all who open accounts for \$5 or more will be presented with the popular Paper Mate retractable

pen. For accounts opened with \$10 or more, new customers are offered a choice of an Ever-sharp pen and pencil set, black with gold trim; or a mail portfolio consisting of a durable vinyl case fitted with desk pad, blotter, ball point pen, note paper, calendar and First Federal mail-saving envelopes and forms.

As part of the Open House Celebration, local radio personalities sponsored by First Federal will be making personal appearances at the Grosse Pointe office. Bud Guest, whose "Sunny Side of the Street" program on WJR has been sponsored by First Federal since 1948, will greet listeners Friday, May 4, from 10:30 to 12.

With him from WJR will also be Charlie Park, announcer on the morning Guest show; Dave Olson, producer and noted as the "Chuckle" in the background of the program; and the WJR Mobile Unit. From WWJ, newcasters Carl Cederberg and Kirk Knight will be on hand. Visitors will be invited to tour the Mobile Unit and to meet and talk with the radio personalities.

Harold G. Phelps, a resident of Grosse Pointe at 1022 Harvard road, is manager of the

new branch. He joined First Federal after 30 years in the building and real estate business in the Detroit area.

First Federal is ranked as one of the largest among more than 6,000 savings associations in the United States, according to Hans Gehrke, Jr., First Federal president.

Organized in 1934, with assets of less than \$100,000, First Federal has shown an outstanding growth, with present assets in excess of \$170,000,000. The association is Michigan's largest, serving more than 88,000 savings customers and additional thousands served with mortgage or modernization loans, safe deposit boxes, and other services.

#### PLAN ROTC FIELD DAY

ROTC units from Wayne University and the University of Detroit will present their fourth annual Field Day, Friday, May 11, at the U. of D. Stadium, sponsored by the Allied Veterans Council of Detroit. The Air Force ROTC units from Wayne and U of D, as well as the Army ROTC unit at U of D, will face each other in eight competitive events.

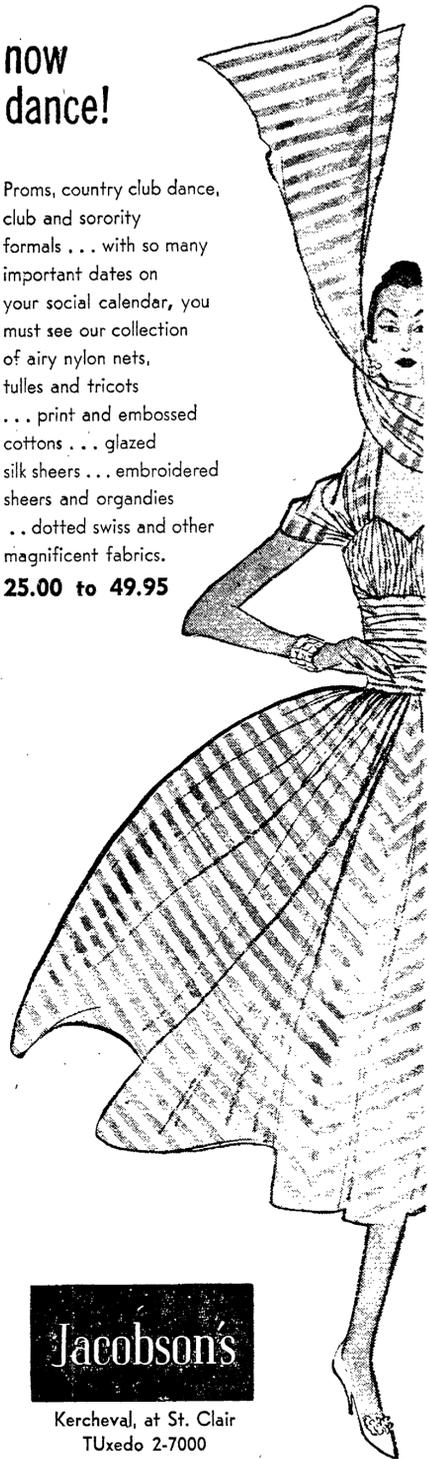

### Sodality Plans Party at Center

The St. Joan of Arc Sodality will have a bridge-luncheon Wednesday, May 9, at the Grosse Pointe War Memorial Center. Assisting Mrs. Wilbur McClellan, chairman of the spring party, will be Mesdames William Dom, Alfred Parker, Oscar Schrage, Russell Phelps, Frederick Munch and James McKinnon. Tickets may be purchased from Mrs. Leo Masserang, Mrs. Francis Murray, Mrs. George VanTiem and Mrs. Bernard Lennamon.

### Methodist Men Receive Charter

A new organization of Methodist Men in the Grosse Pointe Methodist church has been chartered by Methodism's General Board of Lay Activities in Chicago.

Officers of the new group include: president, Rudolph E. Ollia, 1210 Harvard road; vice-president, Edward Mitchell, 887 S. Brys drive; and secretary, Robert W. Kollogg, 412 Hillcrest road.

It is estimated that 2,000,000 men in the Methodist Church are prospective members of Methodist Men clubs.

### Pup Quarantined At Army Camp

Early Monday morning, April 30, Farms police received a report from the Army Camp on Chalfonte at Manor road. Capt. Elmer Johnson, commanding officer of the installation, had been bitten on the right foot by a mongrel pup belonging to some of the soldiers stationed there.

Police instructed the sergeant in charge that the dog would have to be confined to the Army camp for the ten day quarantine period. If not the pup would be sent to a vets at the expense of the owners.

### WAYNE GLEE CLUB TO SING

Wayne University's Men's Glee Club will present their annual spring concert under the direction of Harry Langsford at 8:20 p.m., Friday, May 4 in the Detroit Institute of Arts Auditorium.

### To Get Medal

A 12-year-old Harper Woods safety patrol boy will be awarded the American Automobile Association Gold Life-Saving medal for heroism in ceremonies in Washington, D. C., Thursday, May 3.

The medal will be presented to MARSHALL MOSEH, 2041 Van Antwerp, Grosse Pointe Woods, by Vice-President Richard M. Nixon.

Marshall, who attends Charles Poupard school in Harper Woods, was awarded an Automobile Club of Michigan medal in March. He is being cited for dashing into the street to pull a five-year-old kindergarten pupil back to safety.

The sixth grade youngster is one of 10 of the nation's 650,000 patrol members selected to receive national awards. Three other Michigan youngsters receiving awards are Jack Jury of Ecorse, a gold medal, and William Haskins of Saginaw, and Ciro Valenti of Detroit, Life-saver Certificates.

Selection of winners was made by a special panel of judges from nominations submitted by school officials, police and AAA clubs throughout the country.

The Michigan youngsters will be joined Friday morning by 140 other safety patrol boys from their home state who will spend two full days in Washington as Auto Club guests. Saturday they will all participate in the capital's largest annual parade—the National School Safety Patrol Parade.

### Sweet Adelines Invite Singers

Ivan Washabough of Monteth School, will direct the first meeting of the Sweet Adelines, Inc., the Grosse Pointe Chapter of female barbershop singing.

The first meeting will be held on Tuesday evening, May 8, at the home of Mrs. Ruth Bopp, 1520 Torrey road, Grosse Pointe Woods. For further information call Mrs. Bopp at TUxedo 4-1884.

### Students' Art Put on Exhibit

The Grosse Pointe public is urged to view a display of the art work done by the students of both the public and private schools of Grosse Pointe. The exhibit will be staged on the Memorial's second floor.

The exhibit is being organized by Mrs. Janette Gray, art instructor at Pierce Junior High

School. Assisting her will be Miss Marion Lampman, Art Department head at Grosse Pointe High School; Miss Kay Phelps of the Grosse Pointe University School; Miss Gladys Gies, art supervisor of the Grosse Pointe Elementary Schools; Mrs. Esther Meldrum and Allen Eberts of Parcels Junior High School,

and Charles Jorgensen of Pierce. Efforts will be made to show a true cross section of students work. It will not necessarily be the best work done but accent will be on variety. Both water colors and oil painting will be displayed. There will be sculpture, mobiles and ceramics. Also some very interesting work in textiles will be shown, including both weaving and prints. The exhibit may be viewed

any day between the hours of 9 a.m. and 9 p.m. except Sunday when the Memorial is open from 12 to 5 p.m. only.

**Little Leaguers To Sell Peanuts**

The First Annual Peanut Sale to raise funds to help support Little League Baseball in the Woods-Shores area will be held Friday, May 4, from 2 p.m. to 9 p.m.  
All managers, coaches and the members of the board of governors will participate and headquarters for the sale will be from the Jalousie Window Shop at Mack and Norwood.  
Little Leaguers dressed in uniform will accompany the peanut salesmen and peanuts will be purchased in the following areas: Mack-Seven Shopping Center, Manufacturers National Bank, Colonial Federal Savings & Loan, Roslyn Road Shopping Center and many other places up and down Mack avenue.  
Over 500 boys from 8 through 12 years have registered this year and the additional funds are necessary to uniform, equip and train these youngsters before opening day which is Sunday, May 27.

**Two Cars Tangle At Intersection**

Failing to take proper caution before entering an intersection, Lorna McCray of 1434 Yorkshire, drove her 1950 Mercury into the side of a 1950 Dodge, driven by Mable G. Raleigh of 1514 Dorthen.  
The accident occurred on the corner of Kerby and Chalfonte about 6 p.m. Wednesday, April 25. McCray was traveling south of Kerby and stopped for the stop sign at Chalfonte. She then continued on into the side of the Raleigh car, which was traveling west.  
Damage to the vehicles was estimated at \$150.

**Receives Ticket After Accident**

A young Park driver was responsible for a minor accident on Tuesday, April 11, when she drove her car into an intersection without waiting for traffic to clear.  
Grace G. Licovoli of 1154 Balfour, stopped her car at Notre Dame and Charlevoix, then proceeded across Charlevoix into the path of a Chevrolet driven by Thomas B. Fink of 842 Cadieux.  
Miss Licovoli was issued a violation for entering an intersection without due caution.  
Many people condemn themselves by revealing the faults they find in others.

## Pointe's Wealth in Many Fine Homes

### Finest Residential Area In Country Has Long and Very Interesting History

This section is dedicated to a community, Grosse Pointe. What are the ingredients which go into the shaping, the tearing down and building up of a city? What does it take to establish a reputation for being one of the finest residential areas in the Nation?

We have answered our own question, Residential means homes, and we believe the homes, more than any other single factor, have, and will continue to make Grosse Pointe the leader in distinguished suburban communities.

**Many Make Contributions**  
Our architects, builders, decorators, horticulturists, contractors, appliance dealers and multitudes of others, are all responsible for establishing and maintaining the high standards of the Pointe. They have set a style which has been picked up and imitated in fine homes across the country.

But Grosse Pointe did not sprout up overnight on the shores of Lake St. Clair. Our area has a long and proud history which dates back to the beginning of the seventeenth century. A group of Cadillac's men first occupied the Pointe in 1601.

Indians coming across the river from Canada landed in the Windmill Pointe area and from there walked to Detroit to trade their furs. Landing in Detroit was extremely difficult because of the river's current. Some of these Indians, trading furs for tobacco, came from as far distant points as the Straits of Mackinac.

**Was Farming Community**  
For two hundred years the area we know as Grosse Pointe Park was a French settled farming community in which the men did the hunting and fishing and the woman did the work.

The last great battle of the War of 1812 in Michigan, was fought on Presque Isle, now called Windmill Pointe. There 800 to 1,000 Indians were ambushed near the site of the legendary French windmill, from which the point gets its name.

The present Esquire Theater marks the location of the last toll gate coming out from Detroit to Grosse Pointe.

**Road Built on Dike**  
Trombley road was the first to run to the Lake. It was built on a raised dike and was the only access to the Lake during high water.

One of the three oldest remaining homes in the Pointe is that of H. F. Wardwell, at 16109 E. Jefferson at the corner of Three Mile drive. The house was built of bricks and clay made on the property, and dates back to 1800.

The smart ranch homes in Park Lane occupy the site of a former well-known road house and amusement resort which featured chicken fights, balloon ascensions, ice boating and boxing matches.

The first few years of the 20th Century saw the paving of Jefferson avenue through Grosse Pointe. The first water main were laid and sidewalks began to replace bicycle paths. A brick sidewalk stretched in front of the Berry-Lodge-Sherrard properties just east of the present War Memorial Center.

**New Streets Opened**  
New streets and subdivisions opened. McKinley place and Beverly road were the first two streets to cut through part of the Country Club golf links.

In the "Cabbage Patch" at the rear of the predecessor of the Grosse Pointe Memorial Church, a number of frame two story residences were built, originally intended for summer homes. They were almost immediately utilized for year round living.

The first concrete structure devoted exclusively to automobiles was built by Frederick (Continued on Page 11)

### Covered Terrace Can Bring Joy

One of the really big items in home improvements is the covered terrace or patio, and with the arrival of spring it is beginning to become the most popular spot of your home.

Today's manufacturers are putting out porch and patio awnings in three basic materials, plastic, aluminum and canvas. These porch covers provide a cool, comfortable place to lounge on a warm day or evening.

There have been designed special covers for the long, low look of today's ranch houses. Many have small scales, called the "petticoat," which give the awning a feminine appeal.

Typical of the thousands of middle-priced homes which make the Pointe such a beautiful residential community, is this modified ranch type residence. It is interesting to note how much the garage doors add to the general appearance. Crawford doors were originated by Pointers and the company supplies many of the artistically-perfect garage doors used in construction here and throughout the country. John Pottle was the architect for this home.

### deGrimme Gallery 15 Years Old

One of the largest and best known art galleries in the country is located in Grosse Pointe. The de Grimme Gallery, in the Punch & Judy Theatre Building, has been serving the community for 15 years.

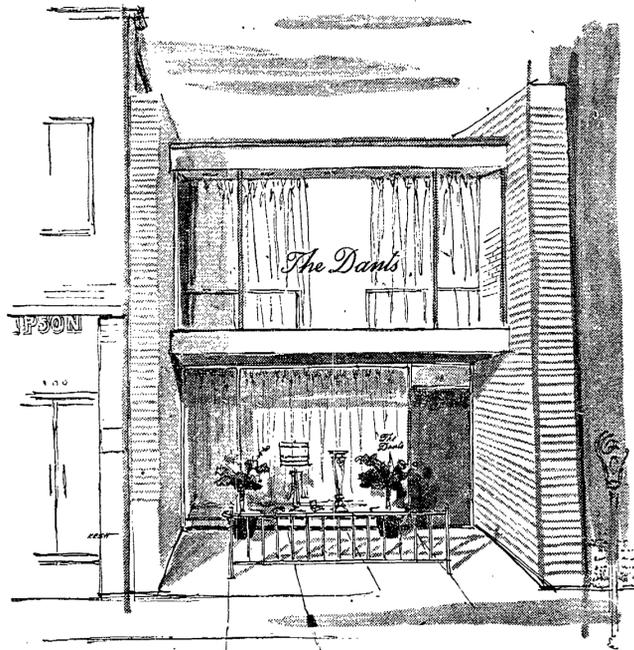

Mr. de Grimme is currently showing some modern paintings by Lazarev. These are exceptionally fine examples of the modern French school, so popular today. On a recent visit to the Pointe, Janet Blair, re-known stage and screen star, bought several of the artist's paintings.

In the past few years the public's taste has favored the conventional painting after being brightened by removing the familiar heavy, gold gilded frame. Also very popular are the more modern Monet and Toulouse Lautrec. These are highly overrated and usually too expensive for the average buyer. Therefore we find an increasing demand for contemporary French moderns, whose use of rich hues capture the color minded client.

### Dumouchelle's 25 Years Old

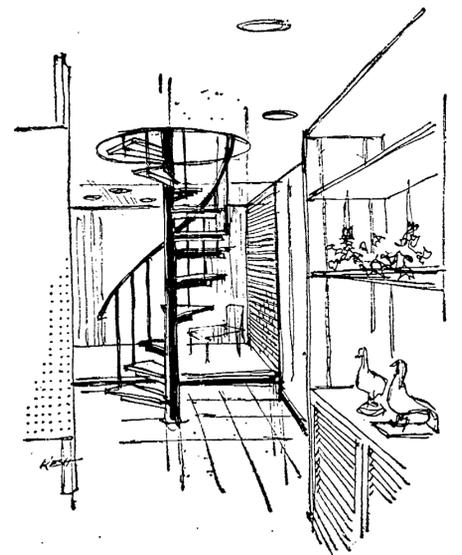

The Dumouchelle Auction Galleries are celebrating their 25th Anniversary this May.

Joseph N. Dumouchelle first opened his place of business on Woodward near the Art Center. After two years at this location, the offices and display rooms were moved to 409 East Jefferson avenue.

# Proper Landscaping Essential to Make Home Beautiful

## Expert Tells Importance of Planting

By Vincent De Petris

A verdant lawn of velvety grass and some well chosen plants properly placed will contribute immeasurably to both the appearance and value of your home.

Landscaping is not a sentimental effort to satisfy one's ego, but a sound investment which pays off in increased value as well as satisfying our craving for beautiful surroundings. Moreover there is a certain responsibility which each of us owes to our neighbors and to our community. This responsibility is that of creating a beautiful area around the place we call "home."

### The Lawn

A good lawn made up of a proper mixture of grass to suit your particular area is an important asset to the grounds. Sprinklers do not permit explaining the basic steps for lawn making, but there are two very important points which should be emphasized.

The first is that you must have good soil with good drainage to grow a good carpet of grass. The top soil should be a good 6 inches deep. Don't be deceived by the color of the top soil. A black muck top soil will not produce a good crop of grass.

The second point is equally important. This is the proper selection of grass seed for your particular area. If the grass mixture contains coarse grasses no amount of care will do much to change the appearance of your lawn. Likewise, if grasses which thrive only in full sun are planted under trees, no amount of pampering will eliminate the bare spots which are certain to develop in the shaded area.

A good mixture for open lawns should contain no less than 55 to 60 per cent of either Kentucky Blue or the fine Merion Blue grass. The other basic grasses to be combined with the above are Fescue, Creeping Fescue, Tough Blue Grass and Colonial to make up to 90 per cent of the mixture. The remaining 10 per cent may be made up of quick growing types to help fill the voids until the desired grasses have become established.

For shady areas the grass mixture should consist chiefly of the various types of Fescues combined with Danish Blue grass (Poa trivialis). These grasses are adopted by nature to thrive in shady locations and should be used for this purpose.

### Foundation Planting

Planting along the foundation serves the purpose of uniting the building to its surrounding area. We want this area to remain unplantable rather than a picture where the building would appear isolated from the grounds and area.

Some of the more common errors in foundation planting include: improper soil, improper selection of plant material and finally lack of consideration for exposure. The ultimate result after the plants have approached maturity. Soils along foundations should not only be of good quality but also to a good depth.

Remember that the areas along the foundation will not receive the usual amount of moisture during the summer months. To the extent plants will be deprived of the normal amount of air and light. Considering these handicaps it is obvious that plants should be selected with extreme care.

Due consideration must be given to both shady and sunny areas, and plants selected which will thrive in their respective locations. It is senseless to overlook these requirements since plants will not change their habits and flourish in an unaccustomed environment.

Perhaps the most illogical practice relating to foundation planting is that of creating an immediate effect by using normal, tall, growing shrubs and even small trees against the foundation.

The result of this is that the planting after a few years is either out of scale or huddled back in an ugly fashion to keep within bounds.

The proper type of plants for foundation planting include evergreens such as prostrate Junipers, Yews, Hardy Boxwoods, etc. For ground cover the Packysandra, Myrtle, Euonymus and Baltic Ivy are recommended. On northern exposures the spectacular Rhododendrons will do well, provided the soil is acidified each year.

Among the deciduous and semi-deciduous shrubs, Azaleas will do very well if the soil is maintained in an acid condition. Other suitable shrubs for foundation planting are Barberry, Dwarf Cotoneaster, Dwarf Forsythia, Flowering Quince, Spirea Symphoricarpos, Dwarf Viburnums and the rare Zanthoxylum which thrives in dense shade. It must not be overlooked, however that the

selection of proper foundation plants are relative, depending on the size and shape of the structure.

Taller growing plants which may appear quite appropriate around large dwellings would undoubtedly be out of scale around either small or low structures and vice-versa.

Planting the Plot  
Just as the building is enhanced with proper plants in scale with the structure, the plot itself can be beautified in this manner. Not only the beauty of plants but the privacy which they create for what eventually may become an outdoor living room during the balmy summer months, is important.

Here flowering shrubs such as Forsythias, Hibiscus or the Rose of Sharon Kolkwitzia, the beauty bush Philadelphia, and Lilacs with their fragrant blooms Viburnums and Weigelas may be utilized.

For taller growing shrubs or small trees there are few subjects which excel such colorful plants as the Japanese Cherries, Prunus triloba, Dogwoods and the splendid Flowering Crab.

The star Magnolia and its taller and even more spectacular cousin the Magnolia soulangeana may be used.

Where space permits, specimen plants of Blue Spruce, the Concolor Fir and the columnar Junipers Chinensis and Virginiana will be found both striking and effective.

Vines are very effective in landscape work, where space and conditions permit. Clinging

## Horticulture Expert

VINCENT DePETRIS local horticulturist whose hybridization of chrysanthemums has made him known throughout the world, gives us a thorough briefing of what to expect, and what we can do with our gardens. His particularly apropos article is a must for anyone whose interest is just a simple re-seeding job, or a complete garden renovation.

vines for stone or brick walls include: the evergreen Baltic Ivy and Japanese Euonymus, while the twining types for trellises and fences include Akebia japonica from the Orient and the Bittersweet.

**Have Wide Choice**  
The group of flowering vines and twiners is both wide and spectacular. For sunny locations

on brick and stone surfaces the climbing hydrangea, blooming very freely during early summer, is particularly outstanding. There are two species of this vine which unfortunately is not very common in this vicinity. One is Hydrangea petiolaris; the other, which comes from the Orient, has an odd botanical name Schizophragma hydrangoides. Both of these vines pro-

duce masses of billowy white flowers in early summer and are hardy in our climate. They however must be plant-

ed in sunny exposures. They will eventually climb to 40 feet, but can be kept in bounds by pruning. Another clinging vine

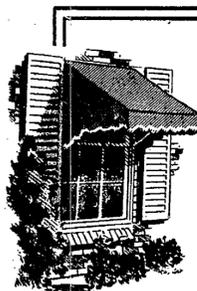

for stone and brick with showy flowers is the Trumpet Vine (Bignonia or Tecoma). A new hybrid with golden yellow

trumpets is now available under the name Yellow Trumpet. Among the showiest and most (Continued on Page 5)

### Conversion Produces One of Pointe's Most Attractive Guest Houses

Infinite possibilities in the field of remodeling are graphically illustrated in the pictures on this page. The above building was originally constructed on the Theodore D. Buhl property at 260 Ridge road, for the purpose of housing the large number of cats belonging to Mrs. Buhl.

### Modern Kitchen Fine Investment

By Curtis Mower

The question of remodeling a kitchen is one that many people are considering today due to the multitude of new innovations to our mode of living.

Dollar for dollar you get more value for money spent in the kitchen than in any room in your home. The modern homemaker spends more time in this room than in any other.

The value added to your home in comfort and convenience is immeasurable. In the event that you want to sell your home in the future, the first room any prospective buyer will look at is the kitchen. Many times the sale is made or lost because of what she sees there.

But think of yourself also. For sheer enjoyment, it's a genuine pleasure to work and entertain in a pleasant and colorful kitchen.

When you analyze your spending, does it ever occur to you that the depreciation of a kitchen is a small fraction of that of an automobile? Why not skip a year in buying that car and put the money into a kitchen which you will use so much more?

If you should decide to remodel your kitchen how do you go about it? There are several very experienced and capable kitchen designers of repute in the Detroit area. First, determine his experience and character. Then in fairness to him, give him some idea of what you would like to do and how much you would like to spend. In a relatively few minutes he can tell you what can be done, and then tailor the kitchen to your dollar requirements.

Is remodeling going to be so costly? If you want it to be so, it can. But you may simply want to re-arrange your appliances, add a cabinet and counter, and get a very efficient kitchen with little expenditure. Often just a change of color can work wonders.

Today, with the new wall refrigerator, built-in oven, garbage disposal and dishwasher you may accomplish kitchen miracles. The recent revolution of appliance design has helped so much in step saving efficiency, it is difficult to understand why anyone should have an obsolete kitchen. The cost of the appliances is a large factor in the overall cost of a complete new kitchen, therefore the choice of these should be one of your first considerations.

Another thing to remember. When you choose your kitchen designer, make sure he knows your necessary storage requirements, working areas and placements of the appliances. Don't be fooled by glamour alone. Be practical and efficient in your various choices and decisions, and above all, give the situation enough study so your new kitchen will cater to your personal needs.

Remodeling can be an exciting adventure. It may be messy and inconvenient for a short time, but a good kitchen architect can tell you how long the job will take and just what to expect in the way of inconveniences. He will make every effort to lessen them. As the job progresses you will be impressed with the care and ability of the installation men.

**BRUCKER TO BE SPEAKER**  
Wilber M. Brucker, Secretary of the Army, will deliver the Commencement address at Bethany College on Sunday, June 3, when approximately 70 seniors will receive degrees from the Liberal Arts college.

The man who kicks about the high cost of living doesn't worry a bit about the cost of his vices.

After the last of the felines had died off it was decided to convert the building to a guest house and photography darkroom.

Haydon House, one of the Pointe's leading decorator houses, was called in on the job.

Upper right is a photo of the bedroom. Here we see the use of distinctive white leather on the chair and foot benches. A rich green rug carries to the walls where the color is picked up in the draperies.

Increasingly popular window shutters have been used instead of shades. The louver idea is found also in the closet doors and entrance hall.

The lower picture shows the living room where shutters are also covering the windows. A rust colored carpet is accented in the subtle use of brass in the lamps.

Two studio couches in the living room can be converted into extra beds.

Franz Lehar once served as a band master in the Austrian Army.

Guest House Conversion By Haydon House

### New Mechanics Create Greater Furniture Ease

The mechanics of opening or closing furniture storage pieces these days have been designed to provide amazing simplicity and ease. The war is over. No more struggling and tugging to pry it open, or pushing and shoving to close it. As you open a drawer today, it will slide out evenly without angling. This new smooth slid-

ing effect is caused by a simple device underneath called a center glide and most well-designed furniture will have this feature. So look for it when you shop. Buffets and dressers have another new mechanical feature to simplify getting to the treasures stored within. This is called touch latching. Just press the panel forward with a firm sta-

catto touch, and presto, your door is open. It's as simple as that. To simplify closing, many pieces are featuring magnetic inner pulls. These close the door for you with a minimum of effort on your part. There is no exertion, pushing or slamming. Just start the door gently on its way and the rest is taken care of by the inner magnetizing.

**Furniture Grows With Children**

Today's children furniture is best described as functional with a fashion flair. Attractive styling in children's furniture is seen in Modern, Provincial and Traditional groupings. New children's furniture is a good investment. It has been designed to grow with the child. It fits both style and functional needs.

Contemporary style innovations start with infant's furniture, and are much in evidence on up to the teen-age groupings. Table and chair sets come in modern metal wire designs, and are especially popular for practical reasons. There is little, if any, upkeep to them. Lazy susans are another new juvenile fashion note. Rocking chairs, musical and otherwise, are a great favorite, and they are well styled.

For the very, very young, some of the bedroom groupings feature plastic siding on the beds, and a plastic surface on the bed rail for the teething.

Fold-a-way chairs, or baby tenders, are tremendously practical. The baby tender features plastic casters for easy mobility, and adjusts to various heights to give the infant a better perspective of the adult world.

For the child, who is able to be seated without toppling but requires more height, a dining chair has just been designed. It matches adult chairs but has an adjustable seat, which eliminates the need for the unsteady support of phone books.

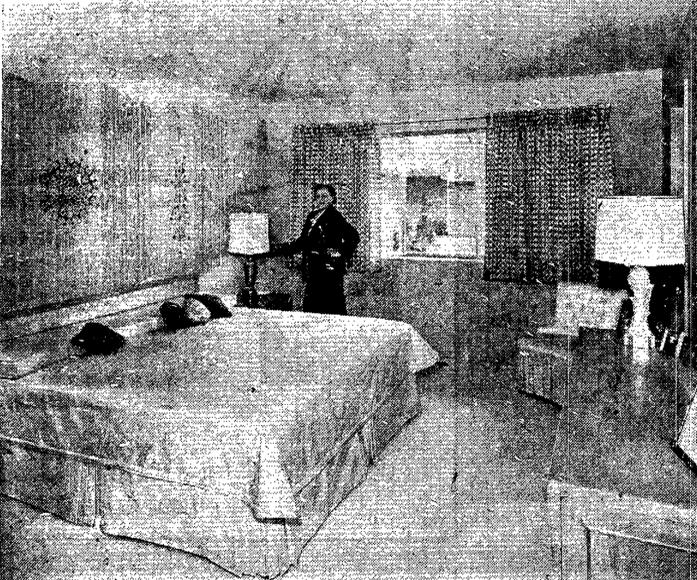

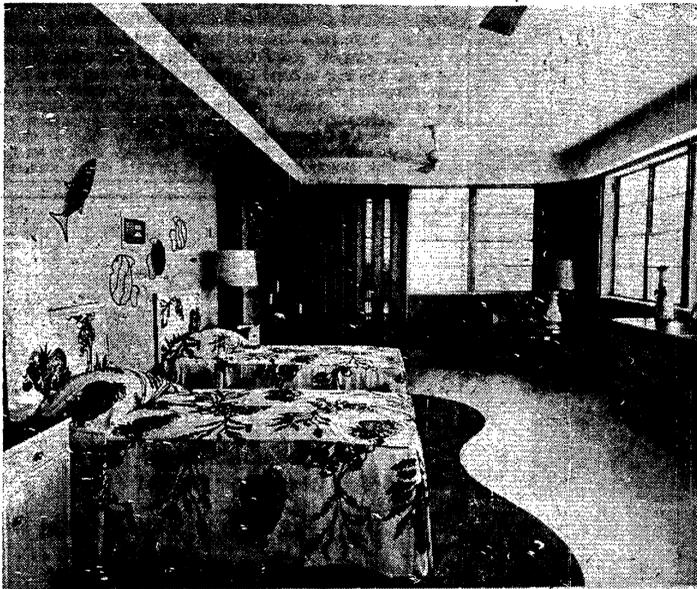

Bunk beds and captains beds are highlights for the child just a little older. The idea appeals to both children and mothers alike. Bunk beds give the service of two beds, but only take up the floor space of one bed. Side guard rails on the upper bunk insure safety against tumbling out.

The very last word in children's furnishings, as in all other furniture this season, is color. You will see all the pastel colors of the rainbow used with the dramatic touch.

**LEISURE FOR EVERYONE**

It may surprise you to discover that today's leisure class takes in just about everyone in just about every income bracket. Today's Americans are enjoying leisure time that was unheard of in the "good old days" of Grandfather's time. These days are the "good old days" of fewer working hours, of longer weekends, of more time with the family pleasures, of more time for play and living.

**Two Bedrooms Depict Pointers' Talents**

Not just a pair of bedrooms. These two rooms are the work of two of the Pointe's finest interior decorator houses. Both in supreme taste, yet each has the individual flavor of its designer.

**Bedrooms Show Individual Taste**

The upper illustration is a bedroom in the winter home of a local resident. Denier & Company decorators traveled to the small island of Bimini, off the east coast of Florida, to "do" this fine home.

The lower illustration is the master bedroom of the William Sehy home on Barclay road, Sterling LaVerne Company used a white nylon carpet running up to the wall in aqua. The wall behind the beautiful twin headboard has an insert of abalone and brass.

A mural forming a screen effect printed on white ground with over print colors of dark and light aqua forming the screen, is pictured with over print colors of gold and violet.

**Chimney Adds Charm to Home**

Where there is smoke there's fire, and where there is a fireplace there must be a chimney.

In this day of modern, automatic heating plants and separate room heaters, some require no chimney at all, there is a latent desire in most of us to build our homes with a provision for an open fireplace.

In the more expensive houses, fireplaces can be found in most every room on the ground floor. Not only in living rooms but in family, recreation, television, dens, and even bedrooms we are apt to find an open hearth.

Too many houses have been built with a tiny chimney sticking inconspicuously through an opening on the roof. If function were the only criterion for design, then any old stove pipe would do, as long as it was securely fastened to the furnace.

A large chimney may often give the smaller house an individual charm, setting it apart from the commonplace.

Keep your imagination sharpened when your house is in its planning stage. Cut stone, cobblestone, field stone, a dozen varieties of brick, and cast stone are materials which are widely used in chimney construction.

**LOVELY NEW FINISHES**

There are laminate surfaces on case pieces in the guise of lovely wood finishes, so beautifully finished, so perfectly matched, that the difference is discernable only by touch. Yes, this is the furniture that gives you the freedom to enjoy many of the pleasures of your home you might otherwise veto because of the upkeep.

### Expert Tells Importance of Proper Planting

(Continued from Page 2)

spectacular of the twining vines is the Wistaria with its blue or purple pendant clusters of showy blooms. There is also a white variety. All have very showy fragrant blossoms in late May.

Other flowering vines include the beautiful Clematis with its many hybrids which rival the orchid in beauty and size. The honeysuckle for fragrance and the climbing buckwheat with

snowy white blossoms in late summer, complete the list of the best flowering vines.

#### Don't Forget Roses

We should not overlook the climbing rose for its very colorful display in July. There are too many varieties to mention here, but I would like to name four which are particularly outstanding. They are Paul's Scarlet, Dr. J. H. Nicholas and New Dawn. The first is red while

the other two are pink and more or less everblooming in habit. The other is climbing Peace with large creamy blossoms.

The foregoing then is a rather brief outline of the more salient points regarding the landscaping of the average suburban plot.

It should be pointed out that constant and intelligent care will prove the key to a success-

ful garden after the initial work has been completed.

#### Work Is Endless

In this respect the work is endless. Yet instead of this being a discouraging factor, it actually is the motivating reason why gardening is interesting to all who engage in it.

In gardening we are dealing with living things which are developing their beauty throughout the gardening year. Thus our interest is kept at a high pitch in anticipation of the colorful panorama of nature's beauty as it unfolds from day to day, and those who garden soon learn to acquire both serenity and patience and look with reverent gratitude at the wonders of the plant world.

Ornamental gardening brings cheer, beauty and contentment into our world of hustle and bustle. It provides a pleasant environment both for the elders as well as the younger generation who will become the citizens of tomorrow. This is an invaluable legacy which cannot be replaced by money or material things. Considering all of these things, we must conclude that ornamental gardening is indispensable to the American way of life.

The best care of sterling silver is day to day use. Silver should be washed with mild soap, held under hot water and dried while still warm. Tarnish on silver results from sulphides in certain foods (eggs, grease, fruit juice).

Silver when stored should be wrapped lightly in tissue or wax paper.

### Kitchens Keep Pace With Modern Living

Tired looking kitchens can easily be revamped to look like this one. Pointe Kitchens, Inc., has the experience needed to do the right kind of a job in kitchen

remodeling, as evidenced in this well organized room. Busy looking, yet neat and functional, this kitchen provides for every need of the modern homemaker.

### Lamps Accent Beauty Decor

From more than a standpoint of necessity, lamps should be included in any good home furnishings plan. Aside from function, it adds beauty to a home and will accent the general decor in any manner desired.

A lamp as such, will light up a room with the necessary wattage when the sun has set, but other than that, if selected with taste and care, it will light up your home by either blending with or accenting your furnishings. As an accessory, it is as vital for a well-finished home, as it is for the well-apparalled individual.

Where the furniture style is on the dramatic side, a lamp with simple styling will lend elegance without detracting from the furniture.

On the other hand, furniture simply styled offers the prerogative of changing style moods from time to time. Lamps for such furniture may be highly colorful and dramatic. Lamp bases or shades are ideal for carrying a color accent for as far throughout your home as desired. Let them beautify while they function.

#### ELECTED TO BOARD

Following the annual meeting of Beauty Counselors, Inc., N. S. Walbridge, chairman of the board, announced the election of Mrs. Helen M. Exley of Grosse Pointe as vice-president. Mrs. Exley has been with the company in various sales capacities since 1938.

**HUMAN NATURE**  
A man may be his own worst enemy and still try to shift the blame to others.

The average man is so busy trying to meet payments on the luxuries of life that he has to do without the necessities.

**ON THE MOVE**  
The hustler keeps his head above water by not letting the grass grow under his feet.

Interior Design and Furnishings

19853 MACK AVENUE at Huntington

TUedo 1-2100

GROSSE POINTE

**Picture Window Highlights Room**

The picture to the left illustrates what the professional touch can do in adding beauty and dignity to a room. Wana-maker's Studio, of 19853 Mack avenue, collaborated with the owner of this lovely Pointe residence in Trombley road, and the result was the smartly decorated living room on this page.

A wide entrance hall leads down two marble stairs into the long living quarters. The graceful swing of the white iron banister is carried through in curves of the piano and the oblong carpet. A feeling of airy lightness is accentuated by the expansive front window with its antique silk draperies.

Handsome wrought iron supports the massive glass top table. Suspended beneath this is a large tankard or greens. The good looking black iron also frames the white leather companion chairs to the table.

Transparency in light silk and glass were cleverly used by the designer to give the room a feeling of flowing freely to the entrance hall and even into the front garden. When the curtains are drawn, the room emits its friendliness to all who sit in the comfort of its circular couch or deeply cushioned chairs.

See our many patio items, including carts.

### Well Known Builder Occupies New Offices

Growing up with the Pointe and helping the Pointe grow. Pictured above are the spanking new offices of Albert D. Thomas, Inc., on Mack avenue between Fisher and McKinley. The general contracting company is prepared to handle any job from one room to a large home. The newly established remodeling department has the facilities to handle anything from a new kitchen to a complete house renovation.

### Interior Decorator Likely To Provide Real Savings

by Donald Patric Burrows of Denler & Company

Whenever the need for new home furnishings arises, one of the most frequent heard remarks is, "A decorator would be too expensive." What most people don't realize is that in most cases where an interior decorating problem is involved, their own "do-it-yourself" solution has proven more costly and the results unsatisfactory.

A good decorator is not one who surrounds himself with expensive products and is available only to a limited few. The professional decorator will constantly survey and examine the home furnishing market. This includes floor coverings, furniture, fabrics, lamps and accessories.

In this way he is familiar with all merchandise manufactured on all price levels and can select and recommend to you not only the best designed product—but the one that is best suited to your individual requirement of style, quality and price. He has access to not generally known resources and can obtain items you could never locate by yourself.

Because the exterior of a decorator's shop may seem "expensive looking," many people

hesitate to enter. They should realize that the appearance of such a shop does not result from financial expenditure, but rather is achieved from careful planning and serious thought. Such planning is available to everyone.

Many of our clients come to us at the "blueprint stage" so that problems of room arrangements, placement of windows and doors, etc. are eliminated before construction begins. This also eliminates expensive changes in plans after the work has begun.

In remodeling or making additions to your present home, a more satisfactory arrangement is accomplished because an interior designer, through experience and training, is able to present a practical yet beautiful solution.

What does all of this mean in cost to you? Actually, nothing—for an interior designer is a man in business—a merchant like all retail establishments. His business is to sell furnishings for homes, offices, restaurants or clubs. Most anything that is connected with interior furnishings is available from your decorator, in all price ranges.

The advantage to you, the

client, is that you receive all of the services that a trained decorator represents, and pay no more than the established retail price of the article or articles. There are no additional fees or charges. All consultation is included with the price of the merchandise, which is an established national retail.

Therefore, anyone who is contemplating the purchase of any new furnishings is entitled to professional guidance in the selection. This could be new accessories or lamps, new draperies or floor coverings or a few pieces of furniture. It is not necessary to require a complete decorating job for your entire home.

The services are not confined to residences. Recently, we had the privilege of designing two major restaurants in the Grosse Pointe area, many offices in Grosse Pointe and Detroit, a major downtown dance studio, several reception rooms, etc. A well planned office or commercial interior reflects the advanced thinking of its occupants and operates for the business much more efficiently.

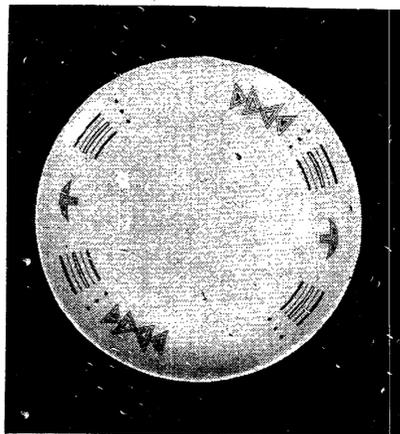

How do you begin working with a decorator? The next time you anticipate any needs either telephone the shop for an appointment in your home or office, or come directly to the shop and make arrangements there.

### Bleazby's Present the Two Arrows Group in

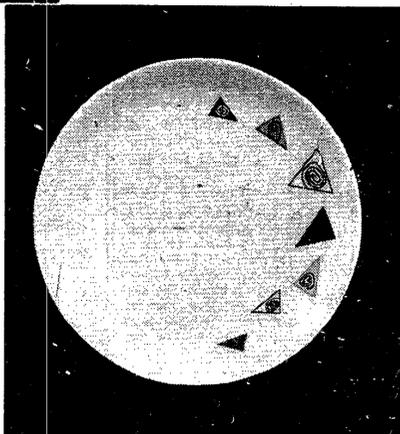

# Arzberg

CHINA

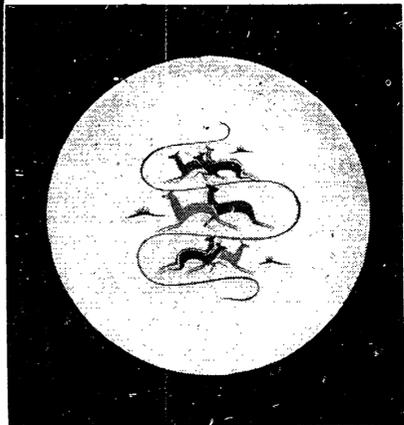

THESE THREE new patterns appear in the May issue of HOUSE & GARDEN. They are featured by leading stores from coast to coast. These are the first china patterns to be designed in America and taken to Europe for production. They are the work of Tom Two Arrows, talented young American Indian, whose paintings and art works have been shown in museums throughout the country. The age old symbols of his Iroquois tribe are portrayed in delicate tones on this fine translucent china by the famous House of Arzberg.

"Magic"—An interpretation of the magic symbols on an Iroquois Peace Pipe, in soft grey with red and black accents. 8 pc. place setting 11.95

"Trails"—A design concept of Indian trail markers in earth tones of rust-brown and black. 5 pc. place setting 10.95

"Fawn"—The graceful form of deer in flight is shown in tones of muted blue, rose and charcoal. 5 pc. place setting 12.95

### About Arzberg China

Arzberg repeatedly has won awards for its distinctive shape and beauty. It was a first-prize winner at the World's Fair in Paris and the only recipient of a gold medal for dinnerware at the 1954 Triennale in Milan. It has been honored by the New York Museum of Modern Art and was selected for the Good Design Exhibit.

The now famous Arzberg "White" first acquainted young Americans with this fine imported china. Its beauty and simplicity are coupled with quality and a modest price. Today it is considered the standard for contemporary china.

The beautifully simple Arzberg shapes were designed by one of Europe's leading industrial designers, Professor Hermann Gretsch. The colorful patterns are the work of several internationally distinguished artists, among them Jean Luce of Paris.

Like all fine china Arzberg is translucent

and highly glazed for chip resistance. Its smartness and versatility make it the frequent choice of brides and young homemakers. Bleazby's carry 8 patterns in Arzberg china—all of them in open stock.

Showing Complete Line of Famous General Electric Appliances

Why not consider a completely new kitchen NOW! A phone call will bring a designer to your home for consultation and estimate.

TUxedo 5-3206

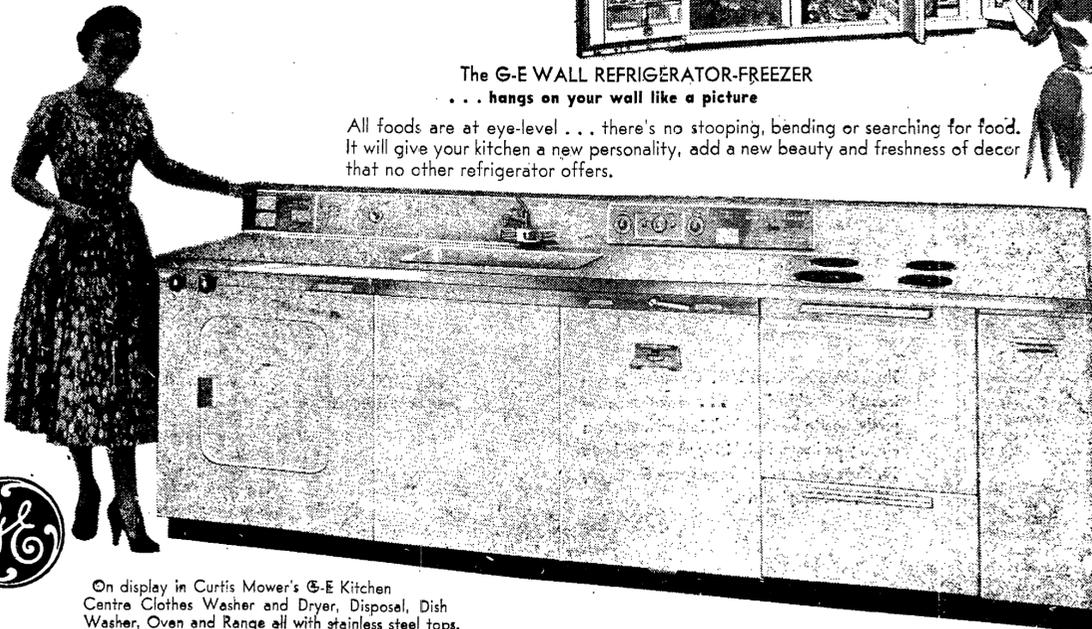

All General Electric appliances come in your choice of five mix-or-match colors: TURQUOISE GREEN, CANARY YELLOW, CADET BLUE OR WOODTONE BROWN.

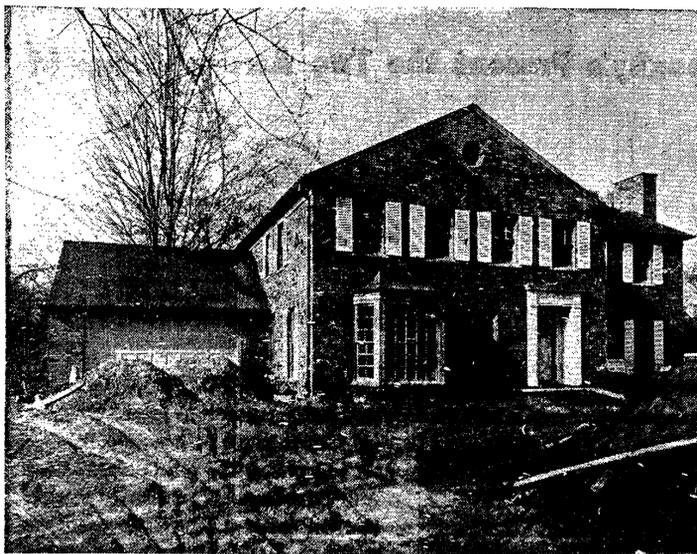

The G-E WALL REFRIGERATOR-FREEZER . . . hangs on your wall like a picture

All foods are at eye-level . . . there's no stooping, bending or searching for food. It will give your kitchen a new personality, add a new beauty and freshness of decor that no other refrigerator offers.

On display in Curtis Mower's G-E Kitchen Centre Clothes Washer and Dryer, Disposal, Dish Washer, Oven and Range all with stainless steel tops.

### We Point With Pride

Another home and another fine credit to the Pointe. Since the mid-nineteenth century our community has prided itself as being one of the finest residential areas in the country. Albert D. Thomas, Inc., is continuing a proud tradition with the building of this new home at 91 Stevens road.

### Basement Adds To Living Area

Much of the expense and many of the headaches involved in expanding the living area of a house can be eliminated if the basement lends itself to easy remodeling.

A wall of glass block can be used to separate an extra room from the laundry. An auxiliary kitchen may be connected to electrical and water outlets in the basement. The glass parti-

tion can separate a family room or den from the new kitchen.

The translucent glass wall effectively divides the two areas but still allows light from one to brighten the other.

Gilded wood makes a sumptuous sconce for candles. Patterned brass bowls are engraved with hammer and nail in traditional Oriental design.

### Brush Mansion First in Pointe

"The Pines", Grosse Pointe's first home built exclusively as a summer residence, was completed in 1884. E. Alfred Brush erected his mansion on the site later acquired by Truman Newberry.

Because roads to Detroit were often impassable, Brush commuted to his downtown office in his yacht, "Lily".

### Oriental Cleaning and Repairs

We render unsurpassed cleaning and repair service on Oriental rugs and wall-to-wall carpets at reasonable prices. Let us pick up your rugs and clean your carpets on the premises.

### Latest Furniture Fashions Have International Flavor

Combine all the lasting style of traditional furniture, with all the function and simplicity of design of modern, add color, spice with a generous portion of the Oriental influence, and you have the homemakers' eye-view of the latest furniture style trends introduced at the spring furniture markets.

Particularly noticeable in all the new items is the emphasis placed on easy maintenance and more storage space. In many instances, the consumers demand for more drawer space has influenced the styling of case pieces.

A look at the new furniture styles is like a trip around the world. An outstanding style trend is Italian provincial for the living, dining, and bedroom. Distinguished by the straight line design and toned-down decoration, Italian provincial will be crowding French provincial for a place in the American home. You will see Italian provincial designed on the grand scale, or scaled to fit into the smaller home. Rather than the dark finish it will be most often available in a light sandalwood finish. This style is beautiful, and graceful but not fussy.

THE SCANDINAVIAN countries influence the design of many of the new furniture styles. Here the clean line and efficient styling of case pieces and upholstered pieces seem to be made for today's home. Finishes on these items are most often light natural wood tones.

Designed especially for the country type house, the house with plenty room, is a contemporary Queen Anne grouping. It is large in scale and important looking. Again the finish is light. Regardless of the size of the home, easy maintenance is important. The Queen Anne style, by its design, gives prime consideration to this. Carving, when used, is simple. Corners are rounded. In the seating pieces, comfort is a prime consideration. Pieces are shaped to fit the body rather than following straight lines.

A style headliner for 1956 will be furniture with the Oriental influence. You'll see it for all the rooms in your home. The Oriental influence may well be the trend for homes that require maximum storage, minimum space, simplicity of design but with the touch of ornamentation. Furniture with the oriental influence is less fussy than many other styles. The type of architecture in our homes today requires the absence of clutter. Finishes on Oriental items vary a great deal. One of the outstanding finishes resembles that used centuries ago. There is no gloss but rather a rubbed-with-oil look. Hardware is based on authentic century-old designs.

Pewter, brass, and oxidized brass, accent many of the case pieces. Wood-tone finishes prevail, although the occasional use of black or red lacquer for accent pieces adds the bright touch to a straightforward setting.

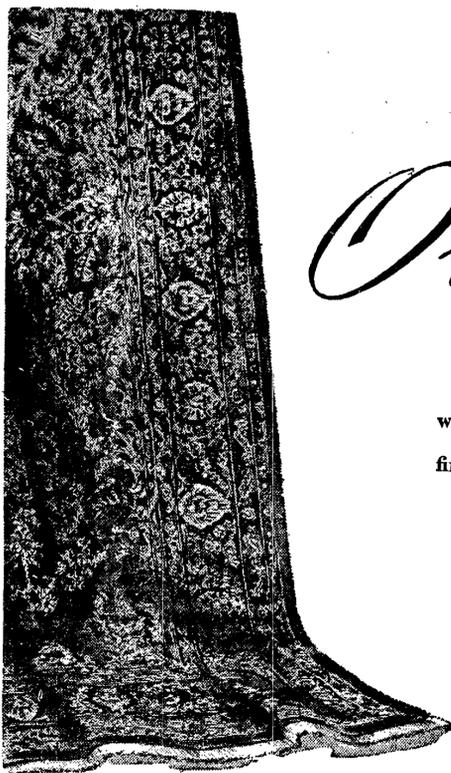

The romance of old Spain is on your scheduled visit of new furniture styles. One manufacturer has designed a grouping of occasional tables and case pieces that particularly captures the feeling of Spain and the early California Spanish decor. The wood is walnut enhanced by a special aged walnut finish. Black oxidized brass trim is featured, as well as leather tops on the tables. Color accents some of the pieces. Turnings on the doors of case pieces are colored with red or blue.

In modern furniture there is no limit to the designer's imagination. Notable is the trend to redesign the big modern group to fit into today's home. One, the New Cross Country, has been designed for young marrieds. It is smaller in scale and lighter in scale than its predecessor. All of the pieces are ver-

Upholstered furniture turns to the back for distinctive interest. The open floor plan in many homes is responsible for this. One new curved sofa features a back that resembles three separate units. Another has the back and sides covered with walnut. It is a modern and luxurious looking sofa.

The top colors are the browns, tans, and beiges. Green, aqua, turquoise and gold, also lead the fashion parade.

Any way you look at the new furniture it is styled with the emphasis on more—more value, more style, more storage space, more comfort, more utility, and more for your money. You'll find your tour around-the-world-with-furniture as exciting as a Paris fashion opening, or a trip through the countries where the styles had their design origin.

Decor makers through countless ages

### Theme for Whole Home Set By Modern Kitchens

Ah, springtime, and a young man's thoughts are turning, and the homeowner is thinking thoughts of remodeling. There's a bright future for those who plan for a kitchen spruce up. Leading kitchen stylists report a multitude of attractively designed appliances and cabinets as their business hits an all time high.

They say manufacturers have outdone themselves in preparation for the spring increase in building and remodeling. These stylists report, after seeing dozens of model kitchens at the big home products show early in the year, that three important trends will be seen in the 1956 kitchen: (1) A greater use of convenient built-in appliances in colors, copper or stainless steel. (2) The growing popularity of wood cabinets and base units. (3) Imaginative kitchen design with emphasis on the open plan and maximum use of space.

Kitchen specialists point to

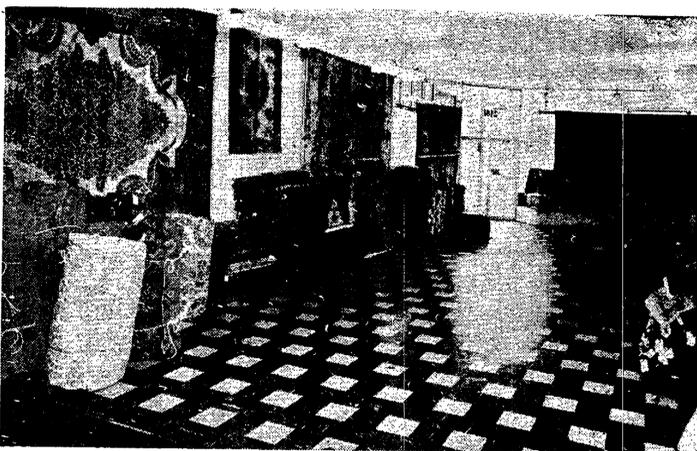

the fact that there is a growing appreciation by home owners of the kitchen as the most important room in the home. The modern, well laid out kitchen can set the decorative tone for the entire house. This particularly applies in the popular open plan where the kitchen flows into a dining-living room.

Prefabricated wood cabinets and built-in appliances are a natural combination, and wood can be shaped to fit any of the many sizes of wall ovens, counter-top ranges, and built-in refrigerators on the market. More housewives are choosing naturally-finished wood which affords an excellent background for most any color.

Compactness in planning was the trend in the model kitchens. Most popular was the use of a peninsula or island unit, freeing one or more kitchen functions from the wall.

Manufacturers are aware of the home owners' problem of making use of all available space.

### S. J. Skaff Leads in Oriental Rugs

This is a photo of the main display room of one of the finest Oriental rug houses west of New York City. Located in Detroit, S. J. Skaff, 2481 Grand River ave-

nue, has served Grosse Pointers' floor covering needs in all types of homes for the past 30 years.

### Wooden Shutters Have Many Uses

Wooden shutters used inside the home have come into their own again. These versatile shutters are being used for a wide variety of purposes.

With moveable slats, the shutters are offered in almost any finish the homemaker chooses. Or they are available hand-sanded, but unfinished. Joints are double doweled, glued, and reinforced at the wear points with special fasteners.

The shutters are proving their versatility by being used in place of curtains or draperies, or alongside windows to give the effect of width.

They may serve as movable screens, or to imitate real windows in the recreation room. Other clever homemakers have installed the shutters as interior doors.

**NEW USES FOR LEATHER**  
Leather more than most traditional materials, has been used in new ways of late.

### Modernization Enjoying Boom

Contractors report the big boom in home modernization is largely because home owners see big bargains in older homes and are decorating and adding extra rooms to make them better than ever.

Often a family will decide to modernize its old house rather than move away from a pleasant and familiar neighborhood. Dad may discover that he is unable to buy a new house approaching the size of the present abode without spending a lot more than modernization would cost. This is especially important with large families.

The old house can be dressed up inside and out. It can be given a modern kitchen, lavatory, or maybe a newly designed facade. And all these improvements may be about the same cost as the down payment on a new house of comparable size.

The United States and Canada has more than 23 million homes over 30 years old. These were, in many cases, solidly built on firm foundations. They frequently have ten rooms or

more and lend themselves well to modernization.

One important aspect of these older homes is that they usually have larger kitchens. These may be combined into a pantry or breakfast nook, or can be opened up into one large room.

Often there is a private dining room which can be left as is, or connected to a living room.

Of course anyone planning to buy an older house with the idea of fixing it up, should first have it checked by experts for soundness. The heating plant and insulation of the older homes are sometimes below modern standards.

Add up the quotations of these experts. Maybe it will be worth your while to spruce up the old house.

#### FOR BRILLIANT DECOR

The gleam and glitter of gold and silver add sparkle and brilliance to today's decor, both traditional and modern. The gilded look seems more appropriate to period rooms, while various silvery metals enrich contemporary settings.

**High Fidelity Music Adds Much to Pleasant Living**

From H. L. Feighner of Detroit Audio Company, 16020 E. Warren, comes the following story of high fidelity as it applies to the modern home and its growing importance in every day living.

Home owners are today giving increased consideration to the pleasures to be derived from an authentic high fidelity home music system.

In addition to the cultural benefits from serious listening, there is also the added pleasure of a home atmosphere of high quality background music available at all hours of the day or evening.

Such fine music may originate from the owner's library of recordings, or from the radio reception of our local FM "background-music" stations.

A home music system may be a modest one-room-coverage cabinet system with a furniture type cabinet containing all the elements of the system, or it may be extended to cover several rooms via extension speakers which may be switched on or off as desired.

The present high fidelity furore actually started with the accomplishments of one man although there were earlier stages of development and lower standards of performance.

In 1948, Dr. Peter Goldmark of Columbia Records, developed a method of making micro-groove recordings. These recordings turning at only 33 1/2 revolutions per minute carried as many as 200 recorded grooves per inch of record width. This accomplishment when used with the now available vinyl plastic material made it possible to put into the record music of tremendous beauty and power. Gone was record scratch and noise. The musical listener now had available to him a record carrying such a range of dynamics that the faintest whisper of music up to the full swell of a symphony orchestra were all recorded in their full range and beauty.

Of course, professional equipment which would reproduce it were already in use in some recording studios and broadcasting facilities.

Naturally then, manufacturers of professional equipment together with a few others turned to manufacturing home high fidelity playback components.

Today, seven years after the greatest step in recorded music, we have a new industry apart from the name-brand radio and television manufacturers, catering to a fast developing market and an ever growing number of musical appreciationists who demand and are receiving the finest equipment for musical reproduction.

The term "high fidelity" or "hi-fi," are relative terms, and refer to a high degree of faithfulness in the reproduction of the original "live" program. Such a definition is subject to considerable latitude in the interpretation, depending on the individual listener. Many regard the modern very much improved portable phonograph as "hi-fi." However, it is generally considered to refer to the more highly engineered systems where the speaker or speakers are separately enclosed and away from the balance of the equipment.

Qu

Construction of a new \$2.5 million student services building at Michigan State University is scheduled to begin in June. Upon completion—planned for fall term, 1957—the building will provide a central headquarters for activities affecting every student on the M. S. U. campus.

Michigan State Police made 14,784 arrests during March, not including juveniles. Of the total, 13,685 were for traffic offenses. Juvenile arrests numbered 551, of which 266 were for traffic offenses. There were 28,201 property and 3,804 liquor inspections. Department vehicles traveled 1,198,834 miles.

### New Ideas Make For New Kitchens

The kitchen you want to live in is this creation by Curtis Mower, Inc. What more could the modern housewife ask for? Magnetic catches on cabinets and refrigerator let one close do the trick surely and silently. The peninsula counter has unlimited uses and is rapidly becoming a "must" in the kitchen of today.

### Pointe History Long and Interesting

(Continued from Page 1) Wadsworth and still remains at 17153 E. Jefferson. Mary Manning, renowned on the stage, married Fred Wadsworth. They constructed about 30 cement block cottages for low rental, a working man's Utopia. The present City of Grosse Pointe offices at 17150 and 17140 Maumee avenue are two such structures remaining.

**Proposed Transportation**  
Messrs. Abbot, Beymer and others promoted a competitor to the Shore Line Railway. This proposed line was to extend out Mack avenue from the Detroit city limits to 8 or 9 Mile road, then called Vernier and Defer, respectively. The line would continue from there to Mt. Clemens and Armada, with the possibility of running to the Thumb section, to Harbor Beach and Bad Axe. The promotion was unsuccessful and the line never built.

Clairview Village and post office were established in the early nineteen hundreds, on what was then called Weir Lane in the present O'Brien, Emory Ford estate properties along the line of the Shore Line interurban extending from Lake Shore road to the so-called "back road," now Grosse Pointe Boulevard. A number of frame houses and cottages stood in this area along the southerly line near Frank Veriden's road house and the Dodge brothers, John and Horace. For several summers they kept their six cylinder Ford and other cars in the wagon shed of Joseph Mitchie's beach house. This is now the Park of the City of Grosse Pointe. The first municipal park, it was established in 1910.

**Speeders Give Trouble**  
In this period the curious early marshals, Samuel Wayson,

Charlie Geiche, George Neff and others, had a difficult time enforcing the speed limits then in effect. These ranged between 5 and 15 miles per hour. The marshals, being bedeviled by test drivers engaged by Chalmers, Hudson, Lozier and other automobile manufacturers, had their hands full keeping the young experimenters from breaking their necks.

**Large Estates Started**  
Meanwhile, the advent of the large estate type of homes had arrived, and the period beginning immediately after 1904 saw many impressive homes built. The Joys, McMillans, Chesborough, Charles Swift, Fred Alger, Edwin Brown, Frank and Henry Baldwin, A. L. Stevens, D. W. Rust and others erected large homes. The Russell A. Alger home on a plot of ground between Lake Shore road and the then flourishing Country Club, which site was purchased from

the Hinchman estate, is now the attractive War Memorial Center at 32 Lake Shore road.

In the period from 1910 to 1920, improvements followed only temporarily halted by World War I. These years saw the construction of streets, gas mains, and the vast expansion of utilities in areas as far up as Grosse Pointe Shores.

**North End Develops**  
In the extreme north end of the Pointe, streets such as Hawthorne, Hampton, Roslyn, and the elaborate Lochmoor and Sunningdale with the very popular Lochmoor Club and golf links were established. Closer to Detroit, the Windmill Pointe and other sections received the benefits of the population influx, and the areas along streets such as Kensington, Yorkshire, Buckingham and Bedford were platted, improved and the sites built upon.

In the Village of Grosse Pointe, Colony Subdivision, totalling 836 home sites, was platted and improved, and the first homes were built on Washington, Lincoln, University, Neff, and Lakeland. Shortly after Armistice Day, November 11, 1918, a rather pronounced slump set in, and the Pointe saw its first organized welfare established. The various municipalities provided work details for the relief of the

unemployed. A great deal of contributed assistance was received from the Pointe's more fortunate and wealthy families. **Neighborhood Club Started**  
The period between 1910 and 1920 saw the birth of the Mutual Aid and Neighborhood Club as well as the local community libraries and local offices which were set up by physicians and dentists who had been attracted

to the thriving area. Many old farms established prior to 1080, and in single family ownership, gave way to the developments in this period. Then 1920 came in with an era of post war depression, followed immediately by a boom which was to last through the "Roaring Twenties" until the well-heavier luggers. Frequent shootings in the Pointe, including

the advent of the rum-runner or the bootlegger with the contemporary blind pigs, which were numerous and prosperous. **Shootings Are Common**  
The lake front became the highway for an incalculable amount of illicit liquor freighted from Canada either in fast speed boats or the slower, heavier luggers. Frequent shootings (Continued on Page 15)

### Local Interior Decorating House Complements Distinctive Pointe Home

Careful planning and the coordinated efforts of client and decorator, resulted in the exquisitely appointed rooms in the home pictured on this page. Illustrated are interiors of the William Sehy home in Barclay road, built by Cox & Baker, with the professional interior advice of the Sterling LaVerne Company.

The upper left photo is of the living room with its wide expanse of floor-reaching windows on the street facade. The conversational piece of this room is the 75-inch long breakfast table, specially designed for Mrs. Sehy. Its front is in herringbone parquetry travertine marble with brass trim. Across the room the marble was repeated in a small cocktail table.

The comfortable air-conditioned, master bedroom is treated with white nylon carpeting. The walls are aqua, except for the wall above a beautiful twin headboard. This piece has delicately fitted inserts of Abalone and brass. A mural giving a screen effect, and printed on white with an over print of dark and light aqua, stretches across the back wall. Against

another wall is a Dunbar bench covered in violet chenille and supported by handsome brass legs.

In the lower left photo we see the other half of the living room. The specially dyed apricot colored nylon carpet flows from wall to wall, except where it meets the dramatically good looking tile hearth running before the fireplace and around the chimney-piece. Sterling LaVerne suggested the magnificent imported antique silk linen hangings, using the Dan Cooper design to special printing.

To create a light, airy feeling against the solid brick fireplace wall, a pull up chair covered in parchment leather with a woven brass back was injected into the room. The companion lamp-

table has a medallion leather top, and a can shelf in solid brass frame. The sofa is in Havana Brown and is flanked with 13 white

pillows and two triangles in turquoise. The upper right picture is the quaint breakfast area with its special wall paper using the

Denst & Sodurland Design in a print of white background with turquoise in a lime-green plastic to complete the colors in the wall design.

## Natural Wood Finish Kitchen Feature

Here is a revamped kitchen done by Modern Kitchens, Mutschler Kitchen representatives for the Detroit area. Many more distinctive designs are in the Pointe, and several Mutschler Kitchens were included in the Cottage Hospital Kitchen Tour. The cabinets are made of hard northern maple and have a Du Pont furniture finish. They come in fruitwood, driftwood, imperial and cherry, including all popular colors.

### Businesswoman

MRS. LAURRAINE HOGAN, owner of Modern Window Treatments dealing in custom drapery, window shades, shutters, and other window accessories, has sole distributorship of the beautiful Russell Radiator Enclosures for three states. She is presently forming the Edlaud Products Corporation. Her company is the largest in Detroit, dealing exclusively in radiator enclosures.

### WALTER POWERS HONORED BY INVESTMENT GROUP

Walter E. Powers, president of the Colonial Federal Savings and Loan Association of Grosse Pointe Woods, has been appointed a member of the 1956 Committee on Savings Association Investments of the United States Savings and Loan League.

### Attractive Garage Doors Originated By Pointers

More and more of today's new homes have brought to the foreground an integral, but heretofore hidden part of the American residence. The garage has been brought out front.

No longer an extra building stuck at the back of the property line, the new look is a shorter and money saving driveway, leading to distinctive garage doors. The old horse stall has evolved into a dominant part of the front facade, and this is all the more reason why Grosse Pointe architects and designers have cooperated to create the handsome garage doors so prevalent on today's homes.

Here is another example of Grosse Pointe's fine taste in setting the style for the nation. The largest door company in the United States was organized and has always been managed by Pointer families. The Crawford Door Company with its main office and factory in Detroit, at 4651 Beaufait, was the first firm of its kind in the country. President Robert Hack-

### GENEROUS EMPLOYEES

Ford Motor Company employees contributed a record \$1,961,969 to health and community services and to individual charities throughout the United States during 1955, John S. Bugas, vice president of industrial relations, announced today. Ford men and women gave \$218,000 more than they did in 1954, the previous record year. The 1955 total was in addition to \$837,250 donated by the Ford Motor Company Fund in cities across the country.

### Ferry Article Sells Bulletins

The Monthly Bulletin of the Michigan Society of Architects had the greatest sale of copies in its history when its March issue featured "The Mansions of Grosse Pointe," an illustrated article prepared by Hawkins Ferry.

By request, copies were placed on sale at the Doubleday book shops, Schettler's drugstores, department stores, magazine departments and the Artists Market of Detroit.

Many copies were sold at the bulletin offices.

### BONDS HAVE ANNIVERSARY

A product that has become an indispensable part of the American way of life observed its 15th anniversary on May 1. It doesn't seem that long since the Series E Savings Bond made its debut on the American scene.

If you expect to have your own way you must travel alone.

### New Furniture Features Color

Spring's palette of furniture fashions is prettier, more varied and bountiful than it has been in many seasons. Furniture manufacturers have provided this fresh, new palette of ingredients and Mrs. Homemaker can be the artist.

Your home today can be as pretty as a picture. Beyond the lovely surface, there is also a wealth of function, versatility and durability. There is, most important of all, a greater value and quality to be realized from your furniture investment than ever before.

Color is the keynote in furniture fashions. There is color in every style of furniture — a color to please every taste and blend in any room decor. Traditional, Provincial and Modern furniture groupings all feature color this season.

Metals are high fashion news. They produce a beauty in their own natural colors. Brass, copper, silver and gold, in trim or in whole, have all been utilized with great taste to create smart new living and bedroom furnishings. Imagine a gleaming whole surface of copper, dramatized with ebony legs and frame. This combination has just been introduced in a group of occasional tables.

Another dramatic touch is the use of 22 carat gold as trim. It is applied over porcelain drawer pulls and baked on for permanency. The effect is sheer elegance.

Plastic fabrics with new patterns resembling provincial prints lend contemporary practicality to traditional tastes. So do the lustrous fabrics and upholstered pieces which have been treated with "Sylmer," the new coating that gives the same resistance to soil and wear as synthetics.

Take a look at the furniture styles this Spring. Then lend Spring's touch inside your home, as Mother Nature brightens the outside.

### New Carpeting Muffles Sound

Make your home a beautiful one to listen to, as well as to look at. Carpeting makes the difference.

On the surface, your furniture and furnishings are sure to please the eyes of all who see them. Have you ever considered the ear-effect your home has on you and your family? Listen closely to the sounds that occur in your home. Some, such as those coming from your Hi-Fi, TV, and radio sets are pleasant. Others, such as footsteps, the opening and closing of a door, doorbells, telephones and many others, can be harsh if you let them.

Pleasant or harsh, sounds in your home can be improved or subdued if you use carpeting wherever you can in your home. Living rooms, hallways, bedrooms, dining rooms and even the bathroom, all benefit sound-wise and beauty-wise by the use of carpeting.

Carpeting will cushion sound vibrations reaching the ear, as well as provide a comfortable, pleasant tread underfoot.

### Rescuer

RUDOLPH PALOMBIT, long time resident of the Pointe, and a prominent builder of many of the community's fine homes and commercial buildings, was instrumental in the rescuing of some of the passengers who were tossed into the Atlantic from an excursion boat early last month.

Palombit was vacationing in Miami April 3, and on that afternoon he and his friends were on the cabin-fishing boat The Sportsman II. His party was cruising near The Phantom, a sightseeing boat with 56 persons aboard. An exceptionally large wave struck the boat and tossed nine of its passengers into the sea.

The Sportsman was the first boat to go to the aid of the foundering vessel. While the crew of the Sportsman pulled soaked sightseers aboard, Palombit took a series of remarkable pictures of the rescue operations.

### Foreclosures Becoming Rare

Homebuyers in the postwar years have established a remarkably low record for persons who have lost their homes through failure to keep up mortgage payments.

Experts say the low figure as due to the generally high and rising income of wage earners, and the housing shortage.

Both have helped boost prices of homes steadily, so even if an owner was confronted with unemployment or sudden expenses which prevented him making the mortgage payments, he was able to sell the house, pay off the mortgage, and in many instances, make a profit.

In Wayne County last year there were 281 foreclosures. That was six less than in the previous year.

### Pictures Add New Interest

Give your living room a new center of interest which every room needs to make it inviting and individual. It's a sure cure for that nondescript appearance that rooms seem to acquire.

One of the easiest and least expensive ways to create a center of interest is with pictures. Choose pictures that you enjoy and use them cleverly to call attention to a handsome piece of furniture such as a sofa, a

desk or credenza. The furniture, accented by the picture arrangement becomes the focal point in the room.

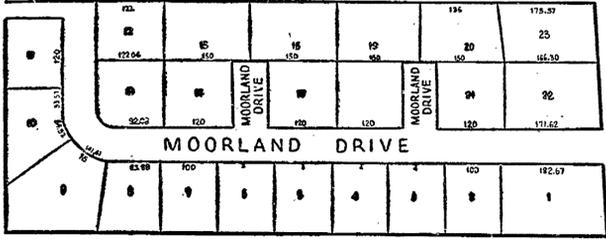

If you already have a number of pictures such as fine reproductions of great paintings, color etchings and water colors or oils, take them down and study them to help you decide which ones look best together. Choose the picture that seems to you the most important,

either in subject matter or in its use of color, as the focal point for the grouping. Then plan an asymmetrical or informal arrangement in which this important picture will be placed near the center of the wall area. Balance it with a smaller but eye-catching picture, or several small pictures placed close together, but farther from the center of the area.

### History

(Continued from Page 11)

ings punctuated the period and the Detroit papers often portrayed instances in which the enforcement officials were charged with wild and reckless shooting in their efforts to apprehend the patrol evaders.

This period saw the last of the well known road houses in the Pointe. The old John Neff East End Hotel, which had later become Doerr's Inn and still later the scene of an elaborate hostelry, hosted by Charles Postal, failed to survive a succession of fires and the advent of prohibition resulted in its being torn down.

The 20's saw the end of the original Country Club. The large frame structure had occupied the site which is now the estate of Mrs. Horace Dodge. Its extensive docks were the sailing and power boating center for many years.

#### Many Structures Built

The physical changes in the Pointe were numerous and rapid. Important structures such as the Grosse Pointe Memorial Church, Christ Church, the High School, St. Paul's Parochial School, all were built in the late 20's, and the Village of Lochmoor was evolved from the remaining unincorporated area of Grosse Pointe. Lochmoor later became Grosse Pointe Woods.

If the 20's could be called "roaring" the 30's might be termed "thriving," because in Grosse Pointe notable improvements were made, beginning with the opening and extension of Kercheval avenue through Weir Lane. The improvement of the heretofore narrow Lake Shore road into the present scenic double drive was completed. Likewise, additions to the school system were notable, including the construction of Maire School, the Pierce Junior High School, and the Gabriel Richard School. The new, fine Grosse Pointe Farms water pumping and filtration plant was built in 1930-31.

#### Pointe Gets First City

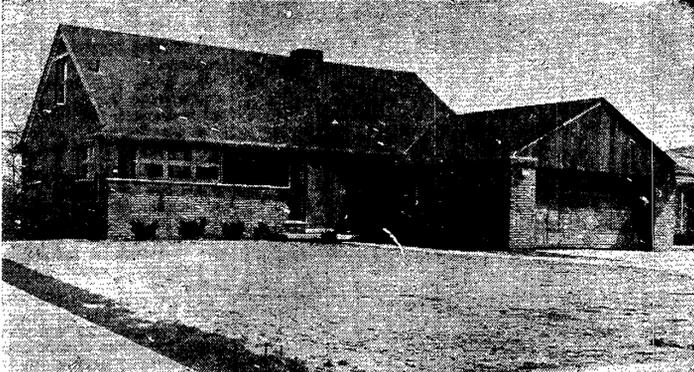

In 1934, the Village of Grosse Pointe, which had been incorporated in the 90's as a division of Grosse Pointe Farms, was re-incorporated as a City, thereby becoming the first of the local municipalities to sever from the Township.

Meanwhile, through the 30's another building boom took place and for the first time in the history of the area, building sites in some streets were becoming scarce.

The advent of the 40's increased the tempo of living in the Pointe but the war clouds in Europe cast a foreboding shadow. Even before Pearl Harbor, Grosse Pointe had had its part in the national registration of young men for military duty. The first group left in March, 1941, and the youths were tendered a breakfast at the Neighborhood Club by a local group of young ladies called the Girl Mariners. This organization was one of the predecessors incorporated in the group which led to the present magnificent War Memorial Center.

During the several years of the war, the Pointe was represented in the armed forces by more than 3,600 persons and 120 names were added to the hallowed Gold Star Roll of Honor. Population Near 60,000. The small farming community grew into a summer resort, and

### Attractive Roslyn Road Home by Busch & Son

Available for immediate occupancy, this attractive home at 610 Roslyn road, is similar to over 600 homes built by Joseph Busch & Son during the past six years. This particular house has four bedrooms, and 2 1/2 baths. It has many deluxe built-in features. It also has the advantage of being close to Ferry School and commercial transportation.

finally emerged to become one of the Nation's finest suburbs with a population approaching 60,000.

The last school census report in September revealed a total population of the five Pointes, including the portion of Harper Woods in the GP school district, of 57,926. This was an increase of 1,811 or 3.2 percent over the previous year. The increase for the past three years has been 7,126.

#### 14,455 School Kids

A year ago the number of children of school census age, that is, ages five through nineteen, inclusive, was 14,455. This was a gain of 843 or 6.2 percent over the previous year.

The number of children under age five increased by 206. The largest number of children of any one age level for 1955 was 1,229 in the eight-year-old group. There were 1,209 seven-year-olds and 1,205 twelve-year-olds.

The number of youngsters from birth through 17, was 18,497. Of this number 5,433 or 29.4 percent were in the pre-school age group, and 7,713 or 41.7 percent were in the elementary age group. In the junior high school age group were 3,025 or 16.4 percent, while in the senior high school age group were 2,328 or 12.5 percent.

School Districts Confused It should be noted that a portion of the Grosse Pointe School

District includes a part of Harper Woods. On the other hand, there is a portion of Grosse Pointe Woods which is in the Harper Woods District. A shifting of the population would only effect the population figures of these two districts (Continued on Page 16)

### Foolish Fueling Warning Issued

It's spring, and to you who are about to dust off your power mower or outboard motor, this Clean-Up advice comes from Fire Chief M. William Mason of the Farms.

Remember that as little as half a pint of gasoline, spilled on the floor, vaporized and ignited, can and too frequently does cause fatal results.

Always store gasoline in a standard safety can (look for UL label), never in glass jugs or old oil cans that could easily break, leak, or spill.

Put your cigaret out before

pouring gasoline—and always stop the motor and wait until it cools before refilling a gas tank.

Do your fueling outdoors—never fuel or operate gasoline motors in closed garages, indoors, and especially in below-grade basements.

Pouring gasoline can create static electricity, so keep metal spouts in direct contact with fill openings to avoid sparks.

#### COST OF SUCCESS

The man who works hard to get to the front places himself in a good position to get kicked.

### Pointe's First Summer Residence

"The Pines," Grosse Pointe's first home built exclusively as a summer residence. Alfred Brush erected this magnificent mansion on the shore of Lake St. Clair in 1846. Anchored at his private docks in

front of the house was the yacht "Lily." Brush commuted to his Detroit office on this large steam-sailer. Later the property was the site of the Truman Newberry estate.

### History

(Continued from Page 15) tabulations slightly in Grosse Pointe.

Our community has come a long way since the handful of Cadillac's men planted their summer corn in 1601, on what is now Windmill Pointe. These earliest settlers were proud of their new homestead with its scattered log huts. They had a vision of building their own trading post, and maybe a fort to afford better protection from the Indians.

Could they have dreamed of riding down paved streets protected by hanging elm umbrellas.

Magnificent shopping areas would leave the trading post patrons gaping. And homes, beautiful homes, lending themselves to enhance the distinct character of the community, would tell everyone—this is Grosse Pointe.

#### WATCH AWAITS OWNER

A lady's wrist watch was found in front of Jacobson's on Wednesday, April 18, by 13-year-old Donald Currier. City police have the watch in their lost and found drawer.

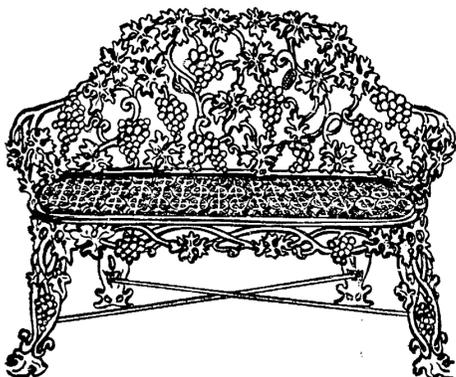

The door of adversity flies open at the slightest knock.

Serving You for 32 Years

This is BROWNLEIGH... the new deep-toned solid maple furniture

The country craftsmen of early days created simple, primitive pieces and the new Brownleigh maple is a modern refinement of the choicest of those early creations. You will be delighted with the many pieces you may choose... all open stock... chests, tables, dough boxes, chairs, buffets, cupboards—36 pieces in all.

### Furniture Tops As Wedding Gift

As a wedding gift, nothing will be more appreciated than furniture.

The bride and bridegroom usually select the large, essential items first, and leave the decorative touches to the last—after the rush of wedding activities.

Today, you have a great deal of freedom in choosing a gift for the home. Mixing and matching of furniture styles is the fashion, and almost anything goes. But don't be too radical in your gift selection for the home.

Select a bridal furniture gift with a thought to its usefulness, and its co-ordination with the newlyweds choice of furniture, and their living needs.

SECTION THREE

May 3, 1956

PAGE ONE

### From Another Pointe of View

By Kitty Marriott

Grosse Pointe Hunt Club was the scene of several equestrian events over the weekend. The final schooling show for youngsters, in preparation for the June horse show, was held on Sunday with Chicago judges presiding. R. E. Dowling, club riding committee chairman, and Joseph Marshall, show chairman, handled arrangements.

Riding like veterans were Krysl Glancy, Julie Cudlip, Jim Forster, Julie Schneck, Ingrid Cornelius, Carolyn Jacobson, Johnny Petzold, Mary Lou Mullen, Ruthie and Pattie Petzold, Gwennie Bennett, Sara and John Fisher, Nancy Webber and Jane Rueger. Among the senior riders on Sunday were Donald A. Martin, Mr. and Mrs. William Witherspoon, Peggy Flynn and Roy Scharer.

#### Adult Riding Classes

The newly formed instruction class for adult riders, a regular Sunday feature now at the Hunt Club, was held last Saturday because of the junior show on Sunday. Reaction to this club activity has been enthusiastic, with beginners appearing for instructions and club members who had given up horseback riding, returning for brush-up courses.

Riders and their friends usually stay for dinner after the 1-2 p.m. class. Among those who dined at the Hunt Club following the Saturday ride were Mr. and Mrs. Ray Whyte, Mr. and Mrs. David Marantette, Mrs. Herman Petzold, Mrs. William Bryan, the Stirling Docksons, the Thomas Fishers, Mr. and Mrs. E. Llywd Eccleston, Mr. and Mrs. Thomas Petzold, Mr. and Mrs. Don Martin, the Navarre Bennetts and the Alfred Glancys, Jr.

#### They're Back in Town

At home once again in Cadieux road are Mr. and Mrs. Theodore G. Osius, who spent a month in the southland. They drove down the west coast of Florida and headquartered at Delray Beach with a few days in Cuba thrown in for good measure. Delray visitors included their daughter, Mrs. Herbert V. Book, Jr., and Mrs. Osius' mother, Mrs. Frank Lindeman, each of whom spent a week in the sun with them.

Mr. and Mrs. Henry de Segur Lauve have returned to Sunningdale drive after a three weeks sojourn in California. They flew first to San Francisco, where they saw the Hugh Lounds, then drove to Santa Barbara and Palm Springs. In the latter city they greeted their Pointe neighbors, Mr. and Mrs. Ozzie Olson and their youngsters. They also attended the cocktail party which former localites Mr. and Mrs. Robert Keller gave for the Olsons in their new Beverly Hills home. More familiar faces at the cocktail party, they report, were Mr. and Mrs. Glendon Roberts.

Mrs. Carl O. Bross and her daughter Ann wended their way home to Lewiston road after a month out of town. Following a fortnight's Caribbean cruise, they parted briefly while Ann joined her fiancé, John Bennett Snyder, in Cambridge, Mass., to search for the apartment that they'll move into following their June 16 wedding here. Then, Ann and Mrs. Bross spent the weekend in Winnetka, Ill., where the prospective bridegroom's parents, Mr. and Mrs. (Continued on Page 2)

### Linda Larsen Liggett Queen

Linda Larsen is Liggett School's May Queen this year and will be crowned at traditional Founders' Day ceremonies May 4 at the school. Linda is the daughter of Mr. and Mrs. Ches B. Larsen, of Park Lane.

Parents, alumnae and friends of the school are invited to attend either of the two performances, 9:30 and 11 a.m. The special program of dances for the Queen's entertainment will be dances of the toys, from "Babes in Toyland."

Other Grosse Pointers in the queen's train will be Marcia Ward as one of the senior princess attendants, Nancy Bress as a flower girl and Lawrence Harbison as a train bearer.

Marcia is president of the school's Athletic Board which stages the production, a large part of the order being to gather in the flowers and blossoming shrubs to decorate the scene. Sarah Reid, Clare Hartwick and Lois Dickinson have a part in this activity.

The first little people to dance before the Queen will be the Peter Cottontails, among them Ellen-Clarke Buckminster, Cheryl Gray, Pamela Knider, Martha McMahon, John Newnon, David Sales and Roger Secrest. Lawrie Anne Owens will be in the Teddy Bear's Picnic.

Alesia Bicknell and Dennis Shelton will be in the Dance of the Clowns. Lynda Meier, Joanne Newnon and Alan Smuck will be in the March of the Toy Soldiers, and also Jay Cromwell, Lynn Kriehoff, Rory Nelson, Barbara Newnon and Michael Shelton.

Among the Raggedy Anns and Raggedy Andys in the polka square dance will be Vicki Heltler, Susan Kerns and Lynn Shelton. Winding the maypole at the conclusion will be Emmy Besimer, Sharon Sorensen and Marilyn Neumann.

### Center Group Holding Dance

The Young Married Group at the Grosse Pointe Memorial are winding up their season with a dinner dance this Saturday, May 5.

The dinners are \$2.50 per person and the dance which follows afterward till midnight is only \$1.50 per person. The total tariff for a young couple for the dinner and evening is just \$8.00. There are still a few reservations left for those who wish to act immediately by calling the Center at TUxedo 1-6030.

Cocktails, (non-alcoholic) will be served in the Center's reception room at 6:30 p.m. and guests will be seated in the main dining room immediately thereafter. Favors for the wives will be at each plate. All Grosse Pointe residents and their guests are invited.

### Mothers' Club Set for Annual Spring Party

Committee chairmen of the Grosse Pointe Mothers' Club pose with just a few of the beautiful prizes which will be awarded at their annual Spring Scholarship Bridge Tea to be held at the Grosse Pointe High School, Friday, May 11. Shown with the prizes were, left to right: tea chairman, MRS. WALTER E. PAT-

TEE; general chairman, MRS. ALBERT LAW; prize chairman, MRS. MITCHEL ANDREWS, and decorations, chairman, MRS. WALLACE H. BOHN. The large fan shown in the background typifies the decor that will grace the auditorium the day of the party.

—Fred Runnells Photo

### Betrothal Told

Richard D. Stuart, son of Mr. and Mrs. A. D. Stuart of Lake Shore road, claimed Mary Thornton, ward of W. H. Lewis of Medulla, Florida, as his bride in a 6 o'clock wedding ceremony in the Ebenezer Baptist Church on Saturday, April 28.

A reception followed in the Lake Shore road home of the bridegroom's parents. Nancy Stuart, sister of the bridegroom, was the maid of honor and the only attendant.

### Carmel Hall Holding Brunch and Card Party

The newly organized Carmel Hall Auxiliary will sponsor a Brunch and Card Party on Saturday, May 5, at 12:30 in the Ernst Kern Auditorium.

Table prizes will be the handwork of the resident guests at Carmel Hall.

Mrs. Arthur D. Kerwin, president, has announced the following committee: Mrs. Henry Platz and Mrs. Cornelius Dunn, as co-chairmen; Mrs. Emmet Tracy, Mrs. Stephen DeBrul, Mrs. Eugene McCafferty, Mrs. Frank Ouellette, Mrs. Neil B. Hays, Mrs. Charles J. Eberhardt, Mrs. Eugene Van Antwerp, and Mrs. Dalton Snyder.

Proceeds are to be used for a Circulating Library. Reservations may be made by calling Carmel Hall.

### Pointe Yacht Club Plans Annual Event

Mother and Daughter Luncheon Scheduled for Saturday, May 12; "Spring Fantasy" To Be Theme of Lovely Party

One of the prettiest and most heart-warming festivities at Grosse Pointe Yacht Club annually is the Mothers and Daughters Luncheon.

For one thing, it always takes place on the Saturday immediately before Mother's Day; for another, it brings together matrons and their feminine offspring of every age, from great-grandmothers to tiny tots of a year old or thereabouts. And always there are especially charming decorations for this party of parties.

The 1956 version is scheduled for Saturday, May 12. Its theme is to be "A Spring Fantasy."

Mrs. Paul I. Moreland, chairman, and Mrs. Charles W. Gauss II, co-chairman, have asked Mrs. Mervyn G. Gaskin, wife of GPYC's commodore, to give an official welcome to the assembled mothers and daughters.

The chairmen and their committee aides have decided upon a pink and white setting for this May 12 event to take place in the club's big ballroom-lounge.

Pink geranium plants marching down the long luncheon tables and clusters of pink and white balloons floating high overhead will form the more spectacular decor.

Small pastel-hued butterflies will nestle in the geranium blooms and larger ones will be fastened among the myriad balloon clusters.

The hand-made butterflies are being constructed by Mrs. Gauss and the committee members who are Mrs. Paul L. Barker, Mrs. Russell D. VanHouten, Mrs. Otis U. Walker and Mrs. Robert J. Nixon.

Honored guests at the speakers' table besides Mrs. Gaskin,

will be Mrs. Stark Hickey and Mrs. Charles L. Jacobson, the respective wives of GPYC's vice commodore and rear commodore.

Entertainment will be a colorful marionette show, "The Golden Fish," presented by Meredith Bixby, and there'll be music of course.

Besides a little souvenir gift to each daughter, there will be a special award in each of the categories including the oldest mother present; the youngest mother at the fete; the one with the most daughters present; a four-generation group; the youngest grandmother; a mother with twins, and the youngest daughter, each to be present at the party to receive the respective award.

### Dance Planned By Unitarians

The Grosse Pointe Unitarian Church is presenting its final square dance of the season with a Melody Square Dance to be held at Monteth School, Cook road at Chalfonte, this coming Saturday, May 7, at 8:30 p.m.

Wes and Julie Rea will be the callers, and all couples who understand the basic fundamentals of square dancing are invited to attend.

#### COSTS NOTHING

Seldom do you find any money in the helping hand. Some people are willing to lend.

### Stuart-Thornton Wedding Held

Richard D. Stuart, son of Mr. and Mrs. A. D. Stuart of Lake Shore road, claimed Mary Thornton, ward of W. H. Lewis of Medulla, Florida, as his bride in a 6 o'clock wedding ceremony in the Ebenezer Baptist Church on Saturday, April 28.

A reception followed in the Lake Shore road home of the bridegroom's parents. Nancy Stuart, sister of the bridegroom, was the maid of honor and the only attendant.

## From Another Pointe of View

(Continued from Page 1)

Erwin P. Snyder, entertained at a family party in their honor.

Mrs. Robert Sucek visited abroad for five weeks before coming home to Fisher road. Highlight of a London stay with her aunt, Mrs. John Lockyer, was attending the traditional ceremony in which the Lord Mayor of London received Queen Elizabeth after a trip abroad. Mrs. Sucek thoroughly enjoyed the pageantry of the traditional rite, and also took in many shows and plays during her London visit.

In Belgium, where she attended the Brussels National Horse Show and many other festivities, Mrs. Sucek was the guest of M. and Mme. Hilaire de Pomme. M. de Pomme was formerly Governor-General of the Belgian Congo.

### They Plan to Leave

Saturday will be departure day from the States for Mr. and Mrs. K. W. Fernholz of Lewiston road, who will board the S.S. America with Adrienne, 6, and Frederic, 2, for two months in Europe. On shipboard, they will celebrate the May 11 birthdays of the two youngsters, who were born on the same date four years apart.

The Fernholzes will visit Germany, Switzerland and France, leaving the children with their paternal grandparents, Mr. and Mrs. Henry Fernholz, near Cologne, while they go to Spain. They plan to be in Berneustadt, home town of the junior Mr. Fernholz, for the important Pentecost festival on May 20. Mrs. Fernholz' parents, the Frederic Ostwalds, returned home in February after 3 1/2 months abroad.

Mr. and Mrs. J. Leslie Berry have all but completed arrangements for the four-month tour of Europe which they'll make this year. They plan to ship their car and do some leisurely motoring on the continent. Present schedule calls for them to leave August 7 on the Cristoforo Colombo and return on the same ship in time to arrive home for Thanksgiving.

They will land in Genoa, motor through Switzerland, Venice, Austria, Germany, Luxemburg, France and Italy, sailing for home from Naples. The leisurely trip is enabling them to spend a week each in Vienna, Munich, Rome and Naples, with a fortnight in Paris and some travel along the French and Italian Riviera when the chill winds blow elsewhere in late October.

### Pointers Helping Plan MSU Water Carnival

Over 32 floats constructed by Among the Grosse Pointes various living units will take working on various committees part in the 1956 Water Carnival are: Penny Schneider, Bee Burrows, James Clyma, Mary Roll, The annual event is sponsored by Ana Bundeson, Donna Goodrow, by the senior class and will take Chuck Collinson, Denise Olds place on June 7, 8 and 9, and April Cameron.

## Short and to the Pointe

### Mrs. Martin R. Bengtsen

WILLIAM ADAMS, son of MR. and MRS. WILLIAM ADAMS, of University place, was recently named president of the Student Government Council at the University of Michigan.

The Service Committee of FORT PONTCHARTRAIN CHAPTER D.A.R. will meet Friday, May 4, at the home of MRS. ALBERT E. COONEY at 1526 Lochmoor boulevard.

MRS. CARL S. BOLDT of McKinley avenue has become a member of Louisa St. Clair Chapter of the Daughters of the American Revolution.

MAUREEN MURPHY of Buckingham road was the assistant floorshow chairman for the "Maize Team" in the annual Frosh Weekend entertainment held at the University of Michigan League Ballroom on April 27 and 28.

MISS HARRIETT JEAN SPALDING, daughter of MR. EDWARD D. SPALDING of Cloverly road, a junior at Wellesley College, has been elected vice-president of WBS, campus radio station, for next year. A graduate of the Walnut Hill School, Natick, Mass., Miss Spalding has been a member of the Wellesley College Choir, and has served on the staff of WBS.

House guests last week in the Buckingham road home of MR. and MRS. FREDERICK AUCH were the TED FRIEDMANS, of Washington, D.C.

A daughter, LISA GRAY, was born on April 8 to MR. and MRS. BAYARD WILSON (LIZI MURPHY) of Moran road.

The FRANK P. BOOKS flew back to the Pointe and their home in University place, after spending five weeks on the west coast. They visited their son-in-law and daughter, COM-MANDER and MRS. JOHN L. BUTTS JR., at Coronado, Calif., and stopped in Palm Springs.

MR. and MRS. CLEVELAND THURBER Jr., of Edgemore road spent the last weekend with Mrs. Thurber's uncle and aunt, MR. and MRS. RICHARD BENTLEY, in Lake Forest, Ill.

ROBERT VAN STEELANT, son of MR. and MRS. HENRY VAN STEELANT, participated in the recent Model United Nations Assembly at Hillsdale College as chairman of the International Display and also as assistant rapporteur on the Trusteeship Committee. Bob is a freshman.

While MR. and MRS. HARVEY FIRESTONE JR. were in town from Akron, O., last week for the showing of Mrs. Firestone's French art collection at the Detroit Institute of Arts, they were house guests of MRS. EDESEL FORD of Lake Shore road.

Settled once more in Lake Shore road is MRS. HENRY B. JOY, who no sooner arrived home from a Mediterranean cruise than she left for Washington, D.C., to attend a series of meetings of her patriotic societies.

From Fairbanks, Alaska, comes word of the April 15 birth of ALBERT JOHN

RUTH JOSEPHINE HANSEN became the bride of Mr. Bengtsen on April 28 at high noon in the First English Evangelical Lutheran Church. Mr. and Mrs. Chris Hansen of McKinley road are the bride's parents. The bridegroom is the son of Martin H. Bengtsen, of Chicago, Ill., and the late Mrs. Bengtsen.

WETTLAUFER III. His parents are LT. and MRS. ALBERT J. WETTLAUFER JR. and paternal grandparents are the ALBERT J. WETTLAUFERS of Lincoln road.

Recent Pointe visitor was MRS. CHARLES E. SHEPARD II, here briefly from Hartford, Conn., to see her parents, the HARRY S. FINKENSTAEDTS of Woodland place.

Weekend guests of MR. and MRS. CHARLES H. HEWITT of Lewiston road were their son-in-law and daughter, MR. and MRS. THOMAS W. McGOHEY, of Milwaukee, Wis., and the three young McGoheys, MARY, CHICK and TOM.

NANCY ROSSNAGEL, of Kerby road, was among the 19 Wayne University women tapped for membership in Gold Key Chapter of Mortar Board, national senior women's honor society Tuesday evening, April 24, in the David D. Henry Lounge of Student Center. Only women who have shown exceptional achievement in scholarship, leadership and service to the university are chosen for membership.

MRS. PHELPS NEWBERRY leaves Cloverly road Monday for Wayne, Pa., and a stay with her daughter, MRS. JAMES D. DARLING. MR. DARLING has been transferred to Miami, Fla., but Mrs. D. and young CINDY won't be joining him until after school closes. Mrs. New-

the former LOIS KRETZSCHMAR, daughter of MR. and MRS. ERNEST KRETZSCHMAR of Moran road.

MRS. L. P. GEPFORD will open her Westchester road home at 12:30 p.m. on Friday for a luncheon meeting of Group 2, Alpha Chi Omega.

On Wednesday afternoon, MRS. SHIRLEY GEORGI entertained Detroit chapter alumnae of National Park College at their silver anniversary tea in her Berkshire road home. The Washington college, no longer in existence, was purchased in 1942 by the federal government as an annex to Walter Reed Army Hospital.

Recent visitors in the Rathbone place home of the DOUGLAS CAMPBELLS were their daughters, MRS. FRANCIS C. FARWELL II, and her son FRANK, 5, here from Lake Forest, Ill.

MRS. W. G. CURRAN of Charles street made a quick trip by air to Europe recently, stopping in Paris and in Belgium. In Brussels she visited American Ambassador to Belgium FREDERICK ALGER and MRS. ALGER.

COUNTESS CYRIL TOLSTOI of Lewiston road is in Wilton, Conn., this week visiting her son-in-law and daughter, MR. and MRS. EDMUND ANDERSON and their daughter, LINDA.

MRS. WESSON SEYBURN is expected home in East Jefferson avenue this week after spending several months at the Seyburn winter home in Palm Beach, Fla.

MRS. A. M. STIRLING of Kensington road flew to Dallas, Tex., on Thursday for a month's stay.

Weekend house guests of MR. and MRS. WILLIAM CLAY FORD of Provincial road were Mrs. Ford's brother-in-law and sister, MR. and MRS. CHARLES F. WILLIS of New York City.

MRS. CHARLES B. WARREN Jr. returned to Lake Shore road after spending six weeks in California. While in Santa Barbara, she was guest of a former localite, MRS. STANDISH BACKUS Jr.

Several Grosse Pointe students at Mercy School of Nursing will participate in a vocal concert to be held Friday, May 4, at 8 p.m. A member of the chorus group of the Mt. Carmel Unit is BARBARA BEAUPRE of Roland street. MARJETTA ARNOLD of Kensington road, MARILYN PALMER of Roland and PATRICIA RENAUD of Kerby road are members of the St. Joseph Unit chorus.

(Continued on Page 5)

## Ruth Hansen Bride Of Martin Bengtsen

### Couple Fly to Europe for Honeymoon Following April 28 Ceremony in First English Evangelical Church

Mr. and Mrs. Martin R. Bengtsen flew to Europe for a six-week tour of Italy, Germany, Denmark and the rest of the continent, following their April 28 wedding. The Rev. Paul Keppler heard the pair exchange vows at noon Saturday in the First English Evangelical Church.

Before her marriage, the bride was Ruth Josephine Hansen, daughter of Mr. and Mrs. Chris Hansen of McKinley road. The bridegroom is the son of Martin H. Bengtsen, of Chicago, Ill., and the late Mrs. Bengtsen.

It was an ice blue wedding, with the bride wearing a gown with bodice of white Alencon lace applied on satin and voluminous skirt of ice blue nylon tulle which swept into a chapel train. Sequins dotted her small shell cap of Alencon lace which held a fingertip illusion veil. She carried an arm bouquet of calla lilies.

Mrs. Delbert Kuder was her cousin's matron of honor. Mrs. Edmund G. Riegler Jr., and Mrs. Richard R. Colby, both sisters of the bride, and Helen Johnson, of Chicago, attended as bridesmaids. Ann Lee Riegler served as flower girl for her aunt.

The attendants were attired in identical princess style frocks of ice mist silk taffeta. They wore matching half hats with nose veils and their flowers were deep red carnations.

The flower girl wore a white organdy dress and carried a nosegay of blue flowers.

For her daughter's wedding and the breakfast which followed at the Detroit Yacht Club, Mrs. Hansen wore a tunic style dress of light blue lace over silk organza. She pinned white orchids to her handbag.

For traveling, the new Mrs. Bengtsen changed to a navy blue sheath of lightweight wool with navy accessories and small mink shrug.

The couple will make their home in Chicago.

## To Hear Talk By Mrs. Fuger

A Pointer of Interest will be the guest speaker at the Discussion Group meeting to be held at the Grosse Pointe Central Library on Wednesday, May 9. The meeting will take place in the Friends' Room at 1 p.m. Non-members are invited.

The charming and delightful Mrs. Frederick W. Fuger of McMillan road, a member of the Polish nobility, will describe the unhappy events which followed the invasion of her native Poland in World War II.

Her romance with the young Grosse Pointe architect whom she met while visiting the United States, and which culminated in marriage in Belgium, reads like a fairy tale. Their return to this country despite seemingly insurmountable barriers is thrilling.

Mrs. Fuger is not only beautiful, but artistic and talented as well. Strange as it may seem to many American women, she loves to cook and when she prepares her favorite Polish dishes, the result is true artistry.

She has offered to share these recipes with the group, so guests are urged to come prepared with pencil and paper. Mrs. Fuger will add color and interest to the afternoon by appearing in a beautiful native costume.

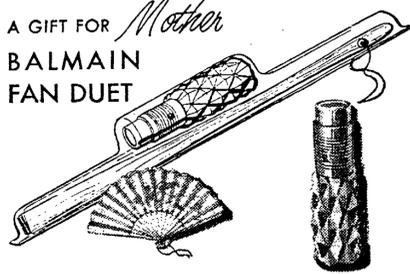

### INJURED AT SCHOOL

Officer Waldecker of the City police department took six year old Kristine Kurtz to a doctor after she injured herself while playing at Maire School, Monday, April 23.

## 'Fair on the Green' Committees Named

Twelve Garden Clubs and Woman's Club to Participate in Event at Memorial Center Set for June 7

Twelve Pointe garden clubs and the Grosse Pointe Women's Club will participate this year in the "Fair on the Green" to be held at the Grosse Pointe War Memorial on June 7 from 11 a. m. to 5 p. m.

The Grosse Pointe Garden Center is sponsoring the fair, which is being directed by the Suburbia Club. Mrs. Herbert Epstein and Mrs. John Zimmerman.

Fair proceeds will help maintain the Garden Center, which provides such community services as an information center, horticultural library, lectures and the trial gardens which the garden clubs plant and care for.

Each club will handle a booth for the "Fair on the Green." The following clubs will staff their respective booths:—Grosse Pointe Farm and Garden, Country Kitchen, Mrs. Harold Smith, chairman; Grosse Pointe Shores Farm and Garden, White Elephant, Mrs. Charles Wainman, chairman; Grosse Pointe Garden Club, White Elephants, Mrs. Chess Lagomarsino, chairman.

Grosse Pointe Woods Farm and Garden, Cookie Jar, Mrs. Donald Hanna, chairman; Grosse Pointe Park Garden Club, Mrs. James Huette (chairman); Suburbia Garden Club, Suburbia Crafts, Mrs. Epstein and Mrs. Zimmerman, chairmen.

Garden Club of Michigan, Cuisine Glace, Mrs. Warren Sheldon and Mrs. George Monro, chairmen; Junior League Gardeners, Terrace Shop, Mrs. Ford Ballantyne Jr., chairman.

Little Garden Club, "The Little Planters" Children's Booth, Mrs. George Goodheart Jr., chairman.

Pointe Garden Club, Garden Accessories, Mrs. Albert Law, chairman; Windmill Pointe Club, Garden Accessories, Mrs. Frank Wilton, chairman; Village Garden Club, Luncheon and Tea, Mrs. Charles Jacobson, chairman; Grosse Pointe Women's Club, Book Stall, Mrs. William G. Quigley, chairman. Mrs. Robert Bershbach is publicity chairman.

### Dr. Katharine B. Greene To Address Church Guild

Dr. Katharine B. Greene, Wayne County Marriage Counselor, will be the guest speaker at the regular meeting of the Grace Church Women's Guild, Lakepointe at Kercheval, on Wednesday, May 3, at 8 p. m.

Her topic will be "Improving Family Relations." The public is invited and husbands and wives are urged to attend.

People who really have the stuff are seldom called upon to submit the proof.

People rolling in money usually object when it comes to the churning process.

## Church Groups Plan Meetings

The afternoon and evening groups of the Women's Association of the Grosse Pointe Woods Presbyterian Church will meet Tuesday, May 8; the afternoon groups meeting at 12:30 and the evening groups at 8.

**Afternoon**

Rachel:—Mrs. J. M. Easton, hostess, 2009 Hunt Club. Mrs. Robert Pogue, co-hostess. Call TU 4-3912.

Rebecca:—Mrs. Helen Wright, hostess, 1510 Huntington. Mrs. Ray Glen, co-hostess. Call PR 8-4063.

Ruth:—Mrs. Kenneth Johnston, hostess, 1881 Allard. Mrs. Sam Bainter, co-hostess. Call TU 5-6854.

## Church Guild Plans Banquet

The Women's Guild of Christ the King Lutheran Church, Mack and Lochmoor, will hold its annual Mother and Daughter Banquet on Wednesday, May 16, at 6 o'clock.

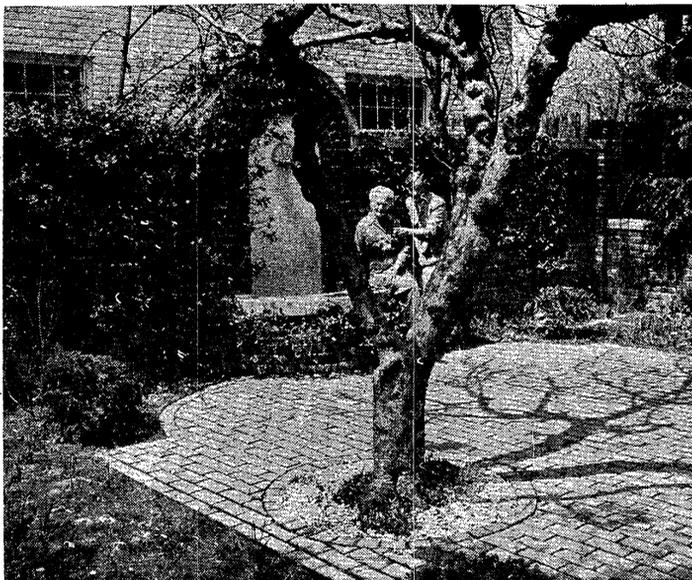

Mrs. Robert Ziegler is the chairman. Reservations may be made with Mrs. Norman Geltz, TUXedo 5-1984; or with Mrs. Thomas Kavanaugh, TUXedo 5-8336.

## Tea Being Held Today By Catholic Study Club

Mrs. James L. Conlon will open her home in West McNichols road for a tea on Thursday, May 3, for the benefit of the Philanthropic Department of the Catholic Study Club.

The particular charity pinpointed for this party is a stay at summer religious camp for deaf children from Detroit. Mrs. James L. Haggerty is chairman, assisted by Mrs. Walter V. McGreevy.

## One of the Gardens to be Seen on Tour

MRS. JAMES T. KEENA, left, and MRS. ANDREW BARR look over the garden at the Gaylord Gillis, Jr. residence at 124 Merriweather road. This and a number of other lovely Pointe gardens will be open to the public for the Garden Center tour which is scheduled for May 12 and 13.

## Pointe Yacht Club Bowlers Hold Jamboree

A merry party was the Bowlers' Jamboree at Grosse Pointe Yacht Club last Saturday evening, April 28, when the club's keggers celebrated the wind-up of their official season. Between the 7 o'clock cocktail party and the dinner-dance starting at 8:30, there was the featured distribution of trophies and awards by Paul I. Moreland, bowling chairman.

As men's kegling champion, Howard Simon received the Harlow Stahl perpetual trophy with an average of 185 and, incidentally, it was his second consecutive year as GPYC's top man in league bowling.

Mrs. L. George Hooper, the women's champion with an average of 149, won the Commodore A. P. Teetzel award, another perpetual trophy.

Both champs received other prizes. Mr. Simon had high score in the Monday men's league. Mrs. Hooper took the prize in the Tuesday ladies' league and also the women's award in the Wednesday mixed league, where the men's trophy went to Walter S. Clark for his 172 average.

League championship was the Wednesday mixed group's honor, the award-winning team including L. George Hooper as captain, Mrs. Hooper, Pierre J. Font, Melvin S. Huffaker, Mrs. Richard J. Martin and Mrs. Clarence Maguire. Mrs. Paul C. Ackerman won in the Wednesday ladies' league.

Mrs. William A. Ternes and Carl G. Anderson took the Tuesday mixed league prizes; a husband and wife duo, Mr. and Mrs. Kent A. Zimmerman, were winners in the Thursday mixed group, and Mrs. Irene Sorensen and Dr. Joseph Barkley were the Friday Barkley's top pair.

After admiring all the trophies, groups dined at their designated league tables, which were decorated with brightly-lacquered bowling pins and arrangements of spring flowers. Dinner-dancing was to the music of the Arthur Quatro orchestra.

Among those at the party were Mr. and Mrs. Everett E. Lundberg, Dr. and Mrs. C. J. Williams, the Arthur G. Hermanns, the Howard Neales, the H. C. Van Wormers Jr., the

James M. Northrup, the Clarence K. Johnstons, the Jack I. Boomers, the Allan Cooks and the Paul Barkers.

Mrs. Paul Moreland attended with her chairman husband; the Rex Brophys were there, also the Arthur Bartholomews Jr., Dr. and Mrs. Edward Guenther, Mr. and Mrs. Thomas Fox, the H. B. Orrs, the Charles H. Wainmans, the Carl A. Bernads, the Jack P. Pedersens, the L. R. Wests, Mr. and Mrs. Forrest R. Old, Mr. and Mrs. Morley Keyes, the Walter Probsts.

More were the L. Gaylord Hulberts, the Harold Bohms, the Alfred L. Gostows, the Jack W. Hoopers, the Fred A. Hoods Jr., the J. Earl Fracers, the Edward Barretts, Mr. and Mrs. Charles W. Gauss, II, and the Pierre Fons.

**GOODWILL JUNIORS MEET**  
The Junior Group of Goodwill Industries' annual meeting will be held on Monday, May 7, in the Woman's City Club auditorium at 11:30 a. m.

## Garden Pilgrimage Set for May 12, 13

Nine Outstanding Examples of Beautiful Landscaping to Be Open to Public at Event Sponsored by Garden Center

A tour of nine outstanding Grosse Pointe gardens will open the 1956 Detroit Garden Center Pilgrimages on May 12 and 13. Mrs. Ferdinand Stetekluh is chairman of the Grosse Pointe tours, assisted by Mrs. Longyear Palmer and Mrs. Alexander Blain.

Mrs. Hansel Dwight Wilson is in charge of hostess; Mrs. Oscar E. Buhr, publicity, and Mrs. Clarence E. Maguire, flags and arrows for the tour.

The gardens range from the 18th century Versailles garden of Mrs. Horace E. Dodge at 12 Lake Shore road, to the intimate backyard garden and outdoor living room of Mr. and Mrs. Gaylord W. Gillis, Jr., 124 Merriweather road.

Other gardens to be shown include those of Mr. and Mrs. Gerald W. Chamberlin, 740 Whittier; Mr. and Mrs. Edwin S. Barbour, 147 Lake Shore road; Mrs. Roy D. Chapin, 457 Lake Shore road; Mrs. Stephen T. Stackpole, 55 S. Deeplands; Mr. and Mrs. Henry B. Joy, Jr., 274 Provençal; Mr. and Mrs. David B. Moreing, 235 Cloverly, and Mr. and Mrs. Peter J. Gallette, 1052 Audubon.

Mrs. Lloyd Hughes will answer questions on plant materials on Saturday, May 12, from 2 to 6 p. m. at the Gillis gardens. On Sunday afternoon, Mr. Ray Henstock, director of the Detroit Garden Center, will be available in the Gillis gardens to answer questions.

Punch will be served on Saturday in the Gallette garden and on Sunday in the Barbour garden. Tickets will be sold at the gardens for \$1.00, with children under 12 admitted free if accompanied by a parent. Special advance sale of tickets before May 11 includes a booklet of four tickets for \$3.00.

The latter booklet will entitle the holder to all four tours sponsored by the Detroit Garden Center—Tour I, Birmingham and Bloomfield Hills, May 19

and 20; Tour III, Grosse Ile, Gibraltar and Trenton, May 26 and 27, and Tour IV, Northwest Detroit and Dearborn, June 9 and 10—in addition to the Grosse Pointe Tour I.

## Coveted Award Won by Julie

ABINGDON, Va., April 27—Julie Harris walked off today with the sixteenth annual Barter Theatre of Virginia award for the best performance given by an American actor during the current New York season.

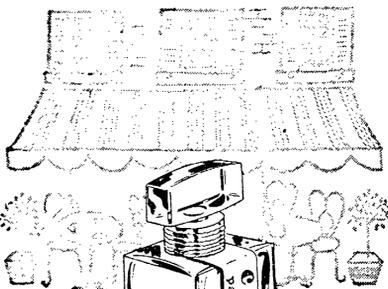

Miss Harris won her coveted award for her performance as Joan in "The Lark," a play by Lilian Hellman, at the Longacre Theatre.

Miss Harris received her award on May 1 when Robert Porterfield, managing director, Barter Theatre of Virginia, presented the actress with a deed to "an acre of land near the Barter Theatre at Abingdon and a ham and a platter to eat it off of."

With the award goes the privilege of nominating two young actors at New York auditions for jobs at the Barter Theatre.

The late Laurette Taylor was the first recipient of the Barter award for her performance in "Outward Bound." Other award winners have been Dorothy Stickney, Ethel Barrymore, Mildred Natwick, Louis Calhern, Helen Hayes, Henry Fonda, Talulah Bankhead, Frederic March, Shirley Booth, Cornelia Otis Skinner, Rosalind Russell, David Wayne and Mary Martin.

## Liggett Grads Plan May Day Reunions

28th Annual Event Being Observed at Luncheon in Grosse Pointe Yacht Club on Friday, May 4, at 12:30

Liggett School will celebrate its 29th May Day on Friday, May 4, with an alumnae luncheon following at 12:30 at the Grosse Pointe Yacht Club.

Seven special class reunions that day will include the class of 1906 marking its 50th reunion, and the classes of 1916, 1926, 1931, 1946, 1951 and 1955.

Mrs. Edward N. Hartwick of Trombley road is entertaining her class of 1926 that same evening for cocktails and dinner.

## Lochmoor Club To Stage Show

Lochmoor Club ladies will give their next bridge luncheon on Wednesday, May 9. A fashion show by Margaret Rice will feature summer and sport clothes. Mrs. A. P. Teetzel and Mrs. Edward F. Glanz will be party hostesses.

Reservations have been made by Mrs. W. B. Handloser, Mrs. S. M. Harvey, Mrs. R. L. Griffin, Mrs. J. F. Pival, Mrs. James Carson, Mrs. T. J. Gallagher, Mrs. John L. Chandler, Mrs. C. R. Howard, Mrs. H. B. Orr Jr., Mrs. Karl Schaltenbrand, Mrs. E. K. Isbey, Mrs. Leonard Link, Mrs. James Herrington, Mrs. Marvin J. Blaess, Mrs. Kenneth Reichle, Mrs. Walter Horn, Mrs. C. H. Bauer, Mrs. E. M. Sattelmeyer and Mrs. William J. Fricker.

## Garden Club 25 Years Old

Grosse Pointe Farm and Garden Club will hold its 25th anniversary meeting at Grosse Pointe War Memorial Center on Tuesday, May 8, at 2:30 p.m. Vincent L. DePetris will demonstrate flower arrangements featuring daffodils. Mrs. J. A. Mullen is to be hostess. Mrs. Jack B. Huntress, Mrs. William Mertz and Mrs. Alfred H. Whitaker will assist her.

## Mothers' Club To Fete Grads

By Marcia Keller  
GPHS Journalism Student  
The Mothers' Club of Grosse Pointe High School is planning the annual Coketail and Dinner Party, and Smorgasbord Supper and dance for June graduates.

Under the direction of Mrs. Margaret Giroux, representative of the Mothers' Club to the graduating class, many senior mothers are helping to plan these activities.

The coketail and dinner party will be given June 2 at the Grosse Pointe War Memorial, before the Senior Prom. After Commencement exercises on June 14, the entire graduating class is invited to a Smorgasbord supper and dance. This affair will be held at the Grosse Pointe War Memorial and is planned to last from 10 until 2 o'clock.

## Ledyard-Tate Betrothal Told

Kathryn Tate, daughter of Robert G. Tate, of Boulder, Colo., and the late Mrs. Tate, is the bride-elect of Henry Brockhurst Ledyard, son of Mr. and Mrs. Henry Ledyard of Moran road.

Miss Tate is a graduate of the University of Colorado. Her fiancé, who has gone into business in Denver, was graduated from Tabor Academy and attended Rensselaer Polytechnic Institute.

## Parties Planned By Newcomers

The Grosse Pointe Newcomers Club will hold their annual Stag Party at the Lakepointe Country Club while the ladies of the group will be attending a supper and bridge at the Village Manor, on Friday, May 4.

A. C. Walker, chairman and his committee of R. Klien, Dr. W. Halstew, A. C. Halliday, R. Tate, D. Little, and G. Cutler have planned a day of golf and entertainment for those attending the stag party.

Assisting Mrs. John Konder chairman for the supper-bridge party, are Mrs. Walter Greenholt, Mrs. A. C. Walker, Mrs. Wyatt Halstew, Mrs. Fred Kummer, Mrs. James DeRemer, Mrs. Edwin Rose and Mrs. M. M. Germond.

## Detroit Sororis Pays Honor to President

Detroit Sororis honored its president, Mrs. Henry P. Cope, of Fisher road, at a luncheon at the Detroit Boat Club on Tuesday.

Mrs. Ralph Netting arranged a musical program for the afternoon. Mrs. Carl Senff, Mrs. Neil Gotschall and Mrs. Charles Burgess worked on the arrangements.

## To Wed in Fall

Mr. and Mrs. William W. Dom of Hawthorne road announce the engagement of their daughter, MARILYN SUZANNE, to Milton J. Boyd, son of Mr. and Mrs. Milton Boyd of Sunningdale drive.

The bride-elect attended the University of Detroit. Her fiancé is a graduate of the University of Detroit Arts and Science college.

The wedding will take place in October.

## AAUW Groups Plan Events

On May 3 at 1 p.m., Mrs. Ben W. Beyer will show the beautiful colored slides which Mr. Beyer took on their recent visit to South American countries. Mrs. Fred M. Lewis and Mrs. Eugene D. Allen will be hostesses at the home of Mrs. Lewis-mother, Mrs. Ingraham, 566 Pemberton road.

All aspiring authors are asked to call Mrs. Lee A. Lewis, Jr. (TU 1-7667) to make luncheon reservations for the Creative Writing group. New members should bring their written efforts for friendly constructive criticism. May 8 at 12:45 p.m., to 1122 Kensington road.

Mrs. B. Clarke and Mrs. Walter Kingsley will be hostesses for the annual joint board meeting, where the newly appointed and elected members will be guests on May 10 at 9:30 a.m., at 489 Fisher road.

The Contemporary Literature group will have a program of home talent at the home of Mrs. Lee A. Lewis, Jr., 1122 Kensington Road on May 10. Mrs. William J. Reaume will be co-hostess. The members of the Creative Writing group will read selections from their writings. Dessert will be served at 7:30 p.m.

All AAUW members are urged to circle May 17, the day of the annual luncheon meeting at the Grosse Pointe Yacht Club, with Mrs. William Rossiter as sponsoring hostess. Complete details will appear in the next issue of the News.

Some people get worried when they think that the things they worry about aren't worth worrying about.

## Bride-Elect

The engagement of BETSY ANN STEVENS and John Robert Sutton III was announced at midnight Saturday night, making the betrothal date coincide with the 23rd wedding anniversary on April 29 of Betsy's parents, Mr. and Mrs. Mark C. Stevens of Moross road.

The troth was revealed at the Country Club supper dance which the Stevens and their daughter gave Saturday night in honor of Jo Scherer and Bill Beardslee, whose wedding date is May 5.

Betsy was a lovely hostess in an off-shoulder evening gown of white lace accented by a pink satin bustle. She made her debut in the same Country Club setting at a dinner dance in May 1951. She was graduated from Grosse Pointe Country Day School and Sweet Briar College.

Her fiancé is the son of Mr. and Mrs. John Robert Sutton, Jr., of Maumee avenue. A graduate of Staunton Military Academy in Staunton, Va., and of Purdue University, he is affiliated with Alpha Sigma Phi and Sigma Delta Chi fraternities.

Now serving as a special service investigator in the United States Air Force, he came in for the weekend from Madison, Wis.

The pair have set a September 8 wedding date, following his release from military service in late August.

## JOE MAIULLO BITTEN

Seven years old Joe Maiullo of 132 Moran road, was bitten by a black Labrador Retriever April 24 when he ventured into the yard at 190 Ridge road. The dog got his teeth into the left hand and thigh of Maiullo. The owner was instructed to keep the dog in for the ten day quarantine period.

## Charles Sagars Feted During Visit to Pointe

Weekend guests of Mr. and Mrs. Wendell W. Anderson in their Vendome road home were Mr. Anderson's son-in-law and daughter, the Charles Sagars, of Short Hills, N.J., and their son, Charles Wendell, 5.

Mr. and Mrs. Wendell W. Anderson Jr. entertained at dinner for the visitors Friday evening in their home in Kenwood road. The senior Andersons gave a dinner and dance on Saturday in their residence.

## VFW Auxiliary Seats Officers

The officers of Gen. R. A. & Col. F. M. Alger Auxiliary to Veterans of Foreign Wars Post 995 were installed by Shirley Richert, a past president of Alger Auxiliary, at ceremonies held jointly with the Post at Lewis E. Maire School on April 28.

Those installed include: Barbara Kelly, president; Ione Wood, senior vice-president; Mary LaPeirre, junior vice-president; Retta Poole, treasurer; Dorothy Frick, secretary; Laura Ryan, chaplain; Jean Rudick, conductress; Helen Zulauf, guard; Jeanne Kehler, 3-year trustee.

After installation the group returned with the newly elected post officers to the Alger Club for refreshments and entertainment.

## ANTIQUE SHOW

May 5-6-7-8  
12:00 to 10:30 P.M.  
MASONIC TEMPLE  
55 Exhibits 75c Adm.  
Tax Incl.  
A \$500,000 Exhibition

## Dance Planned By Center Club

The last chance this year for the Pointes' young single business and professional people to enjoy the smooth floors and intimate interior of the War Memorial Center will be Friday, May 11th.

The four piece orchestra will begin promptly at 9 and candlelight and soft music will prevail until 12 p.m.

Beginning in June the Club 32 will move out on the Memorial's Lakeside Terrace where floodlights will illuminate the gardens and dancing will take place by the water on the bowling green.

## Church Women List Meetings

The following is the May calendar of events for the Women's Association of the Grosse Pointe Congregational Church:

May 8—Annual meeting and election of officers in the Chapel Lounge at 10:30 o'clock, for Groups 1, 2, 3, 6 and 8. Luncheon follows at 12:30. There will be a short meeting of the newly formed groups for the coming year.

May 18—Style show, "An Invitation to Summer," and a dessert to be given at 1 o'clock. Sponsored by Group 4. Tickets are \$1.25.

May 22—Luncheon and installation of new officers in the Church Social Hall at 12:30 o'clock for all groups. Mrs. Carl McClure, president of the Detroit Women's Fellowship, will conduct the services of installation.

May 22—Group 4 in the Chapel Lounge at 8 o'clock.

## PRESENTS MEDICAL PAPER

Theodore Osius of the Pointe presented a paper entitled "Tubeless Gastric Analysis" at the University of Michigan's annual Medical School Student Day on Monday, April 30.

## Arthur Hendersons Speak Nuptial Vows

Rosemary McClarty Wed at Noon Ceremony Saturday in St. Clare de Montefalco Church; to Live in Bournemouth road

A home on Bournemouth road awaits the return from Fort Lauderdale, Fla., of Mr. and Mrs. Arthur D. Henderson. The pair were married on Saturday at high noon in St. Clare de Montefalco Church. A reception at the Whittier followed.

The bride is the former Rosemary McClarty, daughter of Mr. and Mrs. Leo J. McClarty of Three Mile drive. A short-sleeved ballerina gown of embroidered organdie was her choice for her wedding.

Her fingertip veil of illusion was clasped by a band of orange blossoms, and she carried an arrangement of gardenias and hyacinth blossoms.

Ellen McClarty, maid of honor for her sister, and the three bridesmaids also wore ballet length frocks of blue embroidered organdie with matching blue shoes. Their flowers were powder blue daisies and they wore matching floral headbands.

Mrs. Robert Rentenbach, Mrs. Robert Mitchell and Mrs. William Pierce, of Ann Arbor, attended as bridesmaids.

The bridegroom, son of Dr. and Mrs. Arthur B. Henderson of Bewick avenue, asked Robert Dudley, of Rochester, Mich., to serve as his best man.

Ushers were Emmet Powers, Dr. Robert Rentenbach and Robert Mitchell.

Mrs. McClarty wore powder blue taffeta for her daughter's wedding, and a navy silk suit was Mrs. Henderson's choice. Both mothers had orchid corsages.

The fellow who burns the midnight oil never seems to make as much money as the fellow who sells it.

## Woman's Club Party June 6

Another successful year of the Grosse Pointe Woman's Club will be brought to a close with the annual luncheon held at the Lochmoor Country Club on Wednesday, June 6.

Fashions, Fads and Fancies, a style show depicting fashions from the 1880's, will be presented by the Goodwill Industries under the direction of Mrs. Merland Kopka.

Following the 12:30 luncheon, twenty professional models along with three club members and two of their daughters will model gowns from this former era.

Mrs. Donald Leahy, chairman, and Mrs. Edward Luss, co-chairman, initiated plans for this event early in the year. Mrs. George Cutler, program chairman, has asked Mrs. Paul G. Hykes to act as toastmistress.

Mrs. W. H. Bundesen and her committee of 10 are busy preparing decorations which will be in keeping with the theme of the entertainment, and Mrs. E. K. Smith promises interesting favors at each place setting.

Mrs. William Rochelle has announced that the sale of tickets has exceeded all expectations.

Mrs. Charles Park is publicity co-ordinator for this luncheon.

**GIRL GRADUATES DREAM of Towle Sterling**

## Memorial Church To Fete Mrs. Wedel

Luncheon at Country Club and Tea in Church Gymnasium to Honor National Chairman of Church Women

The women of Grosse Pointe Memorial Church are deep in plans for their annual May Tea, to be held in the church gymnasium on Tuesday, May 8, immediately following a program in the sanctuary at 2:30 p.m.

The speaker and guest of honor will be the national chairman of United Church Women, Mrs. Theodore O. Wedel from Washington, D.C. A prelude of carillon music will be played by Mrs. Ben L. Tallman, and Mrs. Wendell C. Goddard will read the devotional service. Mrs. Wedel has chosen to talk on the subject, "What's Ahead for Church Women."

It will be a pink and white tea, according to Mrs. James Cope and Mrs. Joseph Lackey, who are in charge of decorations, and there will be background music furnished by the string ensemble from Denby High School, under the direction of Miss Margery Aber.

Among those who have been invited to take a turn at presiding at the tea tables are: Mrs. Henry B. Joy, Mrs. Joseph B. Schlotman, Mrs. Edwin Scott Barbour, Mrs. Stephen T. Stockpole, Mrs. Frank Weraken, Miss Christine Symington, Mrs. Alexander W. Blain, Mrs. Theodore H. Hinchman, Mrs. Charles Peabody, Mrs. Russell Lucas, Mrs. Raymond Dykema and Mrs. Renville Wheat.

The responsibility of planning and preparing the tea menu is in the capable hands of Mrs. James Corfield and her committee: Mrs. James L. Chase, Mrs. Langdon G. Davis, Mrs. Charles Ellis, Mrs. Paul Erickson, Mrs. Robert Hays, Mrs. Andrew Hood, Mrs. Merton Lamkins, Mrs. H. Ben Orr, Mrs. Lance Skinner, Mrs. Clarence Q. Swenson, Mrs. Raymond Wilcox and Mrs. W. T. Zur-Schmiede. They will all be working under the supervision of the kitchen chairman, Mrs.

## Madrigal Club Concert May 8

August Maekelbergh, Belgian-born organist, conductor and composer, will direct the Madrigal Club of Detroit in its 41st annual spring concert scheduled for Tuesday, May 8, at the Detroit Institute of Arts auditorium.

Grosse Pointers singing in the concert are: Mrs. W. Lyons of 1257 Whittier, Miss Evelyn Rink of 1055 Yorkshire, Mrs. A. E. Benson of 327 Kerby road, and Mrs. J. Bailey of 868 Loraine.

Mrs. Frank Sladen, Jr., of 309 McKinley, will accompany at the piano.

Highlighting the concert will be the complete "Alice-in-Wonderland" song cycle by Irving Fine. In addition, the 34-voice women's chorus will sing a group of early madrigals by Bennet, Purcell, Handel, Morley and Rameau, art songs by Brahms and Richard Strauss, and a group of folk songs and spirituals.

Proceeds from the concert will go into the club's established scholarship fund to help deserving music students.

Shirley Sequin, 19-year-old pianist and winner of the 1955 Madrigal Club Scholarship, has just received the Grinnell Scholarship of \$1,000.

## Ralph E. Cross, Jr. To Wed Anne Lois Rice

An August wedding is planned by Anne Lois Rice and Ralph E. Cross, Jr., whose troth was revealed at a family dinner by the bride-to-be's parents, Mr. and Mrs. Carl Rice of Commonwealth avenue.

Miss Rice attends Wayne University. Mr. Cross, son of Mr. and Mrs. Ralph E. Cross of Roslyn road, is a University of Michigan alumnus and a member of Phi Kappa Psi fraternity.

## Two Meetings Planned By AO Chapter of PEO

A meeting of AO Chapter of PEO is planned for Monday, May 7, at the home of Mrs. F. R. Bacon on Chalfonte.

Co-hostesses will be Mrs. Marcus Johnson and Mrs. William Quinlan. State convention reports will be given.

A social evening is planned by the group at the May 21 meeting at the home of Mrs. James Bushong in Grosse Pointe boulevard. Co-hostesses will be Mrs. L. V. Hewitt and Mrs. H. W. Harrison.

## Alumnae of Alpha Phi Holding May 8 Meeting

The Detroit-Grosse Pointe alumnae chapter of Alpha Phi will meet Tuesday evening, May 8, at the home of Mrs. Louis Smith of Kenwood court.

Plans for the annual dessert bridge to be held on May 17 at the Grosse Pointe War Memorial Center will be completed.

## Nancy Ivey to Marry Carl George Estler

Mrs. Arthur J. Ivey of Mobile, Alabama, announces the engagement of her daughter, Nancy Ivey of Ridge road, to Carl George Estler, son of Mrs. Harry S. Estler of Ridgmont road and the late Mr. Estler. Nancy's father is the late Arthur J. Ivey of Mobile.

The couple will be married in the Grosse Pointe Congregational Church at a 7 o'clock ceremony on July 14.

Nancy was graduated from the Jackson School of Nursing in Alabama, and is on the nursing staff in Cottage Hospital. Carl was graduated from the University of New Mexico School of Engineering.

## Flag Presented to Campfire Girls

The American Legion Auxiliary of Grosse Pointe recently honored the Camp Fire Girls with the presentation of an American flag. Pictured at the presentation, from left to right: GAIL BOARDMAN, SHIRLEY ANDERSON, PENNY TELEP, VINCENT PETERSON, VIRGINIA SHAFFER, MRS. HARRIET KREZENSKI, DONNA VAN SICKLE, MRS. RUTH ALLEN, PATRICIA KELLY and BARBARA SHARP.

## St. James Guild Plans Meeting

The monthly meetings of the St. James Lutheran Women's Guild will resume their regular schedule beginning with the meeting on Wednesday, May 9. Luncheon will be served at 12:30 p.m.

There will be an election of officers for the 1956-57 term.

## Garden Groups To See Movies

The Garden Club of Michigan and the Junior League Gardeners will sponsor a conservation meeting Tuesday evening, May 8, at 8:30 at the Grosse Pointe University School main auditorium, Cook road.

Guest speaker will be Karl Maslowski (naturalist, writer, photographer and curator of birds at the Cincinnati museum), and he will show his color movie "Outdoor Almanac." Mr. Maslowski's films do not deal with bird life alone but portray many forms of wild life.

Members may bring two guests and are asked to reply to Mrs. Emory M. Ford of Woodland place. The faculty of the Grosse Pointe University School are cordially invited to view the films and to meet Mr. Maslowski.

## Goodwill Industries Fetes 25th Anniversary

In celebration of their 25th anniversary the Women's Association of the Goodwill Industries have scheduled a luncheon program on Wednesday, May 9, at 12:30 o'clock at the Goodwill plant on Brush street.

Mrs. Adolph Eisen, past president, will talk on "Memories of the Past" and Mrs. George Stark Campbell will read a poem which she has written to commemorate the occasion.

An employee of the Goodwill Industries, Mrs. Kate Ely, will be the soloist. Harold McKinon will complete the program with a lecture, "From Now On."

Don't offer friendly advice to others unless you are willing to accept some in return.

## Short and to the Pointe

(Continued from Page 2)

JOAN CARVER, junior at Denison University, Granville, Ohio, has been selected for membership in Franco-Callipopean Society, the local creative writing society. She is the daughter of MR. and MRS. C. CARVER, of McKinley avenue.

Home from their winter home at Hillsboro Beach, Pompano, Fla., are the ARTHUR J. RHODES of Oxford road.

MRS. JAMES S. VAUGHAN entertained Alpha Xi Delta alumnae in her McKinley avenue home Tuesday evening.

MRS. ROBERT S. LAURIE and her children, ROBERT and ANNE, are back on Lochmoor boulevard after visiting Mrs. Laurie's sister, MRS. CHARLES COE, at Pompano Beach, Fla. Mrs. WILLIAM D. LAURIE of Neff road accompanied her daughter-in-law and grandchildren south.

CHARLES DORSEY, son of MR. and MRS. SIDNEY DORSEY of Lennon, and ROBERT VAN STEELANT, son of MR. and MRS. HENRY E. VAN STEELANT JR., were recently initiated as active members into Delta Sigma Phi social fraternity on the Hillsdale College campus.

MR. and MRS. A. GRISWOLD HERRESHOFF are back in Lincoln road following a cruise to Rio and Buenos Aires. They returned home by way of New Orleans and Natchez, Mis.

Wayne University's Gold Key Chapter of Mortar Board, national senior women's honor society tapped 19 outstanding women students for membership at their annual "Smart Party" recently. Among them was NANCY ROSSNAGEL of the Pointe. Nancy has also been installed as treasurer of Theta Sigma Pi chapter at Wayne.

MRS. SIDNEY C. PROBERT, of Kensington road, state president of Michigan Society, Dames of the Court of Honor, will preside at the spring luncheon-meeting of the Society, Friday, May 11, at the home of the state auditor and past president, Mrs. Marvin L. Hoagland, in Dearborn.

MRS. J. J. CHEATEM of Bedford road has just returned to the Pointe after a world cruise on S. S. Kinksholm.

JANE WITTE of Kenwood court has been elected to Psi-Chi honorary psychology fraternity. Jane is a Junior at Denison University.

Mrs. Frank A. Bowden Sr. of Middlesex boulevard returned Wednesday after a week's visit in Atlanta Ga. She attended the installation of officers of the Peachtree Pilot Club. Mrs. Bowden's sister Mrs. BLANCHE L. McRAE, a former Detroit, is the new president. Mr. and Mrs. BOWDON with the BOWDON JUNIORS are in New York this week attending the Eastern Meeting of the Mortgage Bankers Association at the Commodore Hotel.

## Pick July 21 For Wedding

St. Joan of Arc Church will be the scene of July 21 rites at which Doris Marchand and Charles M. Sorensen are married.

Their parents are Mr. and Mrs. Frank C. Marchand of Anita avenue and the Clifford M. Sorensens of Oxford road.

## Square Dance Set for Friday

The last monthly square dance of the year will be held Friday, May 4, at Grosse Pointe Congregational Church, 240 Chalfonte, at 9 p.m.

The dances have been sponsored by the Men's Club and Group IV of the Women's Association of the church.

Callers will be Wes and Julie Rea, and instructions will be given beginners at 8:30 p.m.

Refreshments will be served, and the donation will be \$1.00 per person.

**CAMP SAVERY** June 18 through Aug. 10

Summer Day Camp for BOYS and GIRLS

Ages 4 through 12

Camp Savery will be held on the premises of the Grosse Pointe University School, on Cook Road

### Unbeaten Track Team Wins Over Wyandotte, Parkers

Coach Howard MacAdam's high flying, unbeaten Blue Devil track team continued to run roughshod over its opponents as they continued their bid for the 1956 Border Cities League title.

On Tuesday, April 24, the Pointers clobbered Wyandotte, 86-23, and followed up three days later, Friday, April 27, with a shellacking of Highland Park, 84-24.

The twin victory gave the Blue Devils a record of four wins in as many starts. Three were league wins and all three were held on the local track.

#### Puts Meet in Bag

Scoring three firsts in the four field events the Pointers practically put the Wyandotte meet in the bag before it got started. Moving into the track events the Devils knocked off four firsts in seven events, plus winning both the three quarter mile medley relay and the 880 relay.

In the Highland Park meet the Pointers ran rampant over their once troublesome rival, scoring a clean sweep of the seven track events and both relays. Only in the high jump did the Pointers fail to take first place as their star high jumper Bob Matthews failed to clear the bar at 5 feet. He usually leaps 5 feet 8 inches. However, his teammate Dennis Hykes denied the Parkers a clean sweep in this event by tying for second place with Lee of the Parkers.

#### Three Tie in Pole Vault

Ken Gutow wound up in a three-way tie for first place in the pole vault event.

Probably the most heart-breaking incident of this meet befell Bill Hembel in the 880 event. Sandy Smith broke the tape first but it was a do or die struggle between Hembel and the Parkers' Clyde Kinsey in the home stretch. With less than ten yards remaining, Hembel committed the cardinal sin of all trackmen—he turned his head to see where his opponent was.

This mistake caused Hembel to break stride and lose his balance. The next thing he knew he was plowing a furrow in

the cinders with his tummy and came to rest halfway across the finish line. He had given so much in the stretch that he didn't have strength enough left to crawl across the finish line. Fortunately, Fred "Clipper" Runnells was pouring along in a safe fourth place and stepped across the line to give the Devils a third place.

#### Gets Close To Title

The double victory put the Blue Devils within two meets of the BCL title. They met Royal Oak on the Acorns' home track on Tuesday, May 1, but the results of this meet were not available as the News went to press.

Coach Mac Adam's pre-meet prognostication had the Devils winning this one up to the final relay. His figures gave the Fisher road lads a 55-51 margin. That's how evenly matched the teams are supposed to be. Final results will be published in the News along with the results of the Fordson meet on Friday, May 4, which is the final BCL dual meet of the season.

The Regional meet will be held Saturday, May 12, and the State meet a week later to wind up the season.

#### Pvt. Steven F. Taylor Takes Combat Training

FORT CARSON, Colo.—Pvt. Steven F. Taylor, 20, son of Mr. and Mrs. R. E. Taylor, 419 Main road, Grosse Pointe Farms, Mich., is receiving basic combat training with the 8th Infantry Division at Fort Carson, Colo. Taylor is training with Company A of the division's 61st Regiment. The 8th is preparing for its move to Europe next fall as part of Operation Gyroscope. Taylor, who entered the Army last month, is a 1954 graduate of Grosse Pointe High School. He attended the University of Michigan.

### St. Paul Holds Sports Banquet

St. Paul High School paid tribute to its athletic teams last Sunday, April 29, at its annual Sports Award Banquet held at the school and attended by a huge crowd of parents.

Bob Reynolds, WJR, sports director, was the guest speaker and kept the audience in stitches recalling many humorous incidents he has encountered during his association with the Detroit Lions and Detroit Tigers.

Sam Madden, director of the Catholic League, paid tribute to Coach Eddie Lauer, who incidentally was celebrating his seventeenth wedding anniversary that day. It seemed everyone who was called on to speak had nothing but praise for the likeable and efficient St. Paul jack-of-all-sports coach.

St. Paul's Girls varsity and reserve basketball teams were presented with awards for winning the championships in their respective divisions.

The graduating seniors, as has been the custom over the years, were presented with individual "Oscars" for their participation in sports during their high school careers.

Ken Oxley was almost in tears as he received the huge Sports Trophy awarded annually to the athlete who not only is an outstanding performer but who also ranks high scholastically.

The boys' reserve basketball team was commended for winning its divisional championship and the girls' swimming team for finishing second in the City Meet.

The sixth grade basketball team, under the guidance of Bernie Kolojeski, received recognition for being runner-up in the CYO city championship.

Probably the greatest tribute paid that evening was to the dads of the athletes by Coach Lauer who expressed his appreciation for the outstanding cooperation the parents have shown over the past couple of years.

"The cooperation you have given me and my boys certainly reflects in our sports program and if it continues St. Paul's teams will continue to win championships and turn out good sportsmen," said Coach Lauer in his closing statement.

#### RADIO AERIAL STOLEN

Joseph de Grimme of 536 Neff lane, filed a report with City police that sometime during the night of Wednesday, April 25, the car radio aerial was removed from his Mercury station wagon while it was parked in its garage.

### St. Paul Girls Take City Championship

St. Paul's Girls Varsity basketball team received the plaudits of the huge crowd that attended the school's annual Athletic Banquet last Sunday, April 29. Members of the CYO City championship team are, from left to right, first row: JOAN HINZ, CHRISTINE GEIST, BELINE LAHOOD, and MARY LOU MILLER. Second row: PAT CAVANAUGH, VIRGINIA DAS-SORE, MARY LOU LOUWERS and NANCY SCHICK. Back row: MIMI LYNCH, KAY CARPENTER, GINNY BLESSING, COACH HELEN MICHALAK, MAGGIE SUTHERLAND, JOAN KRAUSE and SUE McEACHIN. Absent from picture: Claude Roland and Judy Moxley.

### St. Paul Reserves Win City Title

The St. Paul Girls' Reserve basketball team added the Reserve CYO City championship trophy to the school's already bulging trophy case and were honored at the annual Athletic banquet held at the school last Sunday, April 29. Members of the title winning team are shown, left to right, first row: BETTY ARDELAN, SUE SCHREIBER, JUDY ARPINO and PEG-GY MASON. Second row: Co-captain JEAN CAVANAUGH, CAROL MESSACAR, HELEN VANDERMARLIERE and YVONNE DENNOME. Back row: LOIS LETSCHER, SUE SIMMERER, BETTY SHEEHAN, co-captain MARG KAYE, GAIL KULLEN and COACH HELEN MICHALAK. Missing from picture: Sue Becker and Cynthia Webber.

### Blue Devil Nine Divides First Two League Games

Our wonderful Michigan spring weather, better suited for football than spring sports, has been curtailing the Grosse Pointe High School baseball schedule what with rain and cold weather. However, Coach Ed Wernet's charges have managed to get three games played and have emerged the winner on two occasions.

The Pointers opened the season with an 8 to 1 victory over non-league East Detroit on Friday, April 20, and followed with a 4 to 1 win over Royal Oak in the Border Cities League opener on Monday, April 23. Bob Marcereau was the winning pitcher. He allowed one run and 3 hits. The losing pitcher was Paternaude who gave up 4 runs and 3 hits while his mates were committing 4 errors.

#### Loss To Parkers

The Devils bumped into a tough Highland Park outfit on Thursday, April 26, and lost a pitchers battle between Chuck Mocerri and Beattie, 1 to 0. The lone tally came in the fifth inning when the Parkers' lead-off hitter, Newman, drove a single to left and was followed by Downs' infield hit, placing men on first and second with none out. Newman was thrown out trying to steal third and Chuck Mocerri got the next batter on strikes and the picture brightened.

But this was short-lived as the Polar Bears' pitcher Beattie drove a double to left-center, scoring Downs with the only run of the game. Beattie, trying to stretch his hit into a triple was tagged out sliding into third ending the inning.

#### Mocerri Looks Good

Mocerri, making his first start of the season, hurled a good brand of ball and normally could have won the average high school game had it not been for the excellent chucking

of Beattie who handcuffed the Devils at the plate.

The loss dropped the Blue Devils down to .500 percent in league play with one win in two starts.

The non-league opener was delayed two days because of cold weather and the Wyandotte game, scheduled for Monday, April 30, was postponed because of wet grounds. The Wyandotte game would have been the first away from home for the Pointers.

#### Two Games This Week

The game was rescheduled for Tuesday, May 1. On Thursday, May 3, the Devils will make that long trip down to Monroe before they return to the cozy confines of their home field to meet the most dangerous team in the league, Fordson.

It is believed that if the Pointers hope to again be at the top of the standings this year they will have to turn back Fordson. Last year the Blue Devils shared the league crown with the Tractors.

#### On Kenyon Team

Frank Hagan, son of Mr. and Mrs. Frank E. Hagan of 570 Neff Road, is a member of the Kenyon College baseball team and is one of the 13 lettermen returning to the squad. Frank plays the outfield.

This is open season for premature political fumbles.

CITY OF  
**Grosse Pointe Farms**  
Notice of  
Ordinance Adoption  
Code No. 11-06  
Air Conditioning  
And Refrigeration Ordinance  
Ordinance No. 119

AN ORDINANCE TO PROVIDE FOR THE INSTALLATION, OPERATION AND INSPECTION OF AIR CONDITIONING AND REFRIGERATION EQUIPMENT TO PROVIDE FOR THE CONVERSION OF ALL AIR CONDITIONING UNITS IN ACCORDANCE WITH THE PROVISIONS OF THIS ORDINANCE, TO PROVIDE FOR LICENSING AND INSPECTION OF ALL AIR CONDITIONING UNITS AND TO PROVIDE PENALTIES FOR VIOLATIONS OF THIS ORDINANCE.

THE CITY OF GROSSE POINTE FARMS ORDAINS:

Whereas, the operation of water-cooled refrigeration and other equipment for changing the dry bulb temperature or the humidity of air has rapidly increased and now involves the use of water in quantities never before anticipated, thereby placing unexpected burdens on the public water supply system which are detrimental to other classes of water service.

And Whereas, in the interest of the public health, safety and welfare, it is necessary to regulate the use of water for such purposes and to require conservation of water and elimination of waste.

Section 1—Definitions

For the purpose of these regulations, the following terms shall have and shall be construed to have the following meanings:

a. The terms "air-conditioning system" and "refrigeration system" shall include any combination of equipment, whether compressor or other type, by which heat is removed from the air and from which the accumulated or effluent heat is wholly or partially removed by the use of water.

c. "Refrigeration system" shall mean an installation for maintenance by heat removal of temperatures which are less than 60° F.

b. "Air-conditioning system" shall mean an installation for maintenance by heat removal of temperatures which are not less than 60° F.

d. "System" shall mean any combination of apparatus, individual unit, group or collection of units supplied with water through any single customer service pipe or through customer service pipes connected to the public water system.

e. "Person" shall mean and include a natural person, partnership, corporation or association. Whenever used with respect to any penalty, the term "person" as applied to partnerships or associations shall mean the partners or members thereof and as applied to corporations, the officers thereof.

f. "Superintendent" shall mean the City Manager of the City of Grosse Pointe Farms or such officer or agent as he shall duly authorize to act in enforcement of these regulations.

The regulations contained in this ordinance shall apply to all water-cooled equipment installed for the purpose of reducing the dry-bulb temperature or decreasing the absolute humidity of air, whether for comfort air conditioning, refrigeration, processing or whatever other purpose.

Section 2—Plumbing Permit Required

No person shall install, maintain, operate or use any equipment for air conditioning or refrigeration which requires a supply of water from the system of the City of Grosse Pointe Farms without first having procured the written permit for the plumbing therefor from the City Clerk, after the request has been approved by the Superintendent.

Section 3—Application and Permit to Install Equipment

No person shall install, maintain, operate or use any equipment for air conditioning or refrigeration which requires a supply of water from the system of the City of Grosse Pointe Farms without first having procured a written permit for the installation of the air conditioning or refrigeration equipment from the City Clerk.

3.1 Application for the permit shall provide the following information:

- a. Name and address of the applicant.
- b. Location of the premises where installation is proposed.
- c. Name and address of the owners of the premises.
- d. Names of manufacturers of the units requiring water.
- e. Manufacturer's identification and classification of the refrigeration units.
- f. Manufacturer's rating of maximum refrigerative capacity of the unit or units under the conditions of the planned installation. (Rating may be stated in tons per 24 hours or in BTU per hour).
- g. Horsepower of compressor prime mover, if unit is of compressor type.
- h. Where water conservation devices are required (to comply with Section 7 hereof) the manufacturer's name, identification, classification and size of the conservation equipment.
- i. Size of water service connection required.
- j. Such additional information as shall be required by the Superintendent.

3.2 Applications shall be signed by the owner or tenant, and applications for installation shall designate a plumber duly qualified to receive permits under other sections of these regulations.

Note: For the purposes of these regulations, in no event shall the rated capacity in tons be considered less than the following:

- (1) total maximum BTU per hour of capacity of the installation divided by 12,000 or (2) the nameplate horsepower of any compressor prime mover unit for any air-conditioning installation, or (3) two-thirds the nameplate horsepower of (2) above for any refrigeration installation.

In absence of the required manufacturer's maximum rating (Section 3.1 (f) above), the Superintendent may specify the tonnage of the installation at the ratings indicated by (1), (2) or (3) above or, if these appear inadequate, then by whatever other measure of capacity appears to him to be proper.

Section 4—Fees for Permit

Fees shall be paid at the time of application for permit to cover one inspection of the installation and in accordance with the following schedule: Fee for plumbing permit \$5.00. Fees for air conditioning systems and for refrigeration systems 1 to 5 ton capacity, each unit \$5.00. Six to 50 tons capacity, each unit \$10.00. Over 50 tons capacity, each unit \$20.00.

Section 5—Permit to Install

5.1 Permits to install water piping or connect equipment to the city's water system will be issued at the City offices by the City Clerk but only in the names of licensed and bonded plumbers who are duly registered to perform plumbing work within the area of the premises involved, or to plumbers in the employ of the municipal, state or federal governments for premises in their respective charge.

5.2 Within 48 hours following the completion of any work authorized by permit notice of completion and request for inspection shall be returned in writing, by the plumber receiving the permit, to the office from which the permit was obtained.

Section 6—Permit to Operate

After final inspection and approval of the installation, a permit to operate or use the equipment will be issued at the City offices by the Superintendent in the name of the owner or tenant.

Section 7—Water Use and Conservation

7.1 Systems with a capacity exceeding 3 tons per hour shall not use water directly (or indirectly, except when used with conservation equipment) from the public supply.

7.2 All systems having total capacities exceeding 3 tons

per hour shall be equipped with evaporative condensers, cooling towers, spray ponds or other water-cooling equipment. This equipment shall be of sufficient capacity to insure conformance with the requirements in Table 1 for makeup water when operating under full loading at maximum summer temperatures.

TABLE 1

Maximum Allowable Water Use	
Water Hardness ppm	Max. Use gpm./ton
0-139	0.1

Section 8—Sanitary Protection

8.1 On installations which operate with the use of water directly from the public supply system, every direct connection shall be equipped with a suitable brass-body, brass-fitted check valve.

8.2 Discharge connections for the disposal of waste waters shall be in strict accordance with the rules and regulations of state and local health and regulatory bodies.

8.3 Cooling waters which are to be reused for other purposes shall be provided with free, above-the-rim discharge before entering other equipment; otherwise, permission shall be obtained in writing from the Superintendent, approving the proposed connection and use.

8.4 On installations other than those described above, there shall be a physical break between the public water supply and the piping of the installation, so arranged as to make impossible back siphonage to the public water supply system.

Section 9—Revocation of Permit

Any permit which is issued under these regulations to operate or use equipment may be revoked by the Superintendent for any one of the following reasons:

a. Failure of the holder of the permit to discontinue using water for the purposes covered by the permit, immediately upon notice to do so issued by the Superintendent during an emergency or to forestall an impending emergency.

b. Permitting or making alterations, changes of equipment or piping, improper operation or lack of maintenance which results in conditions that (1) are hazardous to the potable water supply either within the premises or in supply mains, or (2) cause unnecessary waste of water.

c. Use of water found to exceed the quantities permitted under Section 7 of this ordinance.

Section 10—Existing Installations

10.1 Existing installations not conforming to the provisions of this ordinance shall be modified upon application in accord herewith to conform to the provisions hereof and permits to operate obtained as provided in this ordinance on or before May 1, 1957, such non-conforming existing installations may, prior to May 1, 1957, be maintained and operated provided that within 60 days of the effective date of this ordinance application for a temporary non-conforming permit is made to the City Clerk and a permit so designated with the standards set forth in this ordinance that interim maintenance and operation thereof will not be hazardous to the potable water supply either within the premises or in the public water system.

10.2 An existing installation conforming to the provisions of this ordinance in all matters except the conservation of water shall not be made the subject of a proceeding under provisions of Section 11 hereof for failure to provide conservation provided that a temporary non-conforming permit has been obtained as provided in Section 10.1 hereof and provided further that, anything to the contrary contained in this ordinance notwithstanding, in the event a critical condition develops in the public water system, the operation of all installations not equipped to conserve water in accord with the provisions of this ordinance shall be subject to immediate discontinuance upon order of the City Clerk.

Section 11—Penalties

11.1 Any person who violates the provisions of this ordinance and fails to comply with notifications to correct such violation and to pay the penalties assessed, or who repeatedly violates such provisions, may be deemed guilty of a misdemeanor and upon conviction thereof shall be subject to a fine not exceeding \$100.00 or imprisonment for not exceeding 90 days, or both such fine and imprisonment. Each act of violation and every day upon which violation shall occur shall constitute a separate offense.

11.2 Licensed plumbers guilty of violation of this ordinance shall be prohibited from securing further permits from the City of Grosse Pointe Farms, and where willful violations warrant, the Superintendent may prefer charges to the proper

CITY OF

**Grosse Pointe Farms**  
NOTICE OF HEARING  
ZONING BOARD OF APPEALS

Notice is hereby given that the Board of Appeals will meet in the City all, 90 Kerby Road on

MONDAY, MAY 7, 1956

at eight (8:00) o'clock in the evening to consider the appeal of Richard M. Kimbrough from the denial of the Building Department to grant a building permit for an enlargement of the existing encroachment on public utility easement at 94 Cloverly Road being lots, Wly. 750 ft. of 124, 125, 126, 127, 128 and the Ely. 5 ft. of 129 Cloverly Road Subdivision.

The Building Department denied the application on the basis that it would violate Section 4.07 of the Zoning Ordinance which prohibits construction on utility easements. The applicant contends that the proposed enlargement, if constructed, would not impair general health, safety and welfare, and bases his appeal on Section 8.01 (g) of the Zoning Ordinance which provides in part that, "Where there are practical difficulties or unnecessary hardships in complying strictly with the provisions of this ordinance, the Board of Appeals may modify any provisions of this ordinance to the end that substantial justice may be done and the public health, safety and general welfare may be secured."

Hearings will be public and interested property owners or residents are invited.

HARRY A. FURTON  
Clerk and Secretary  
Board of Appeals

authority, seeking revocation of the plumber's license.

Section 12—Inconsistent Ordinances

All regulations, ordinances or parts of ordinances heretofore in effect which are in conflict with or which are inconsistent with the provisions of this ordinance to the extent of their inconsistency are hereby repealed.

Section 13—if any provision of this ordinance shall be held invalid the remainder of the ordinance will be not affected.

Section 14—This ordinance shall take effect twenty (20) days after its enactment or upon its publication, whichever is later.

Daniel Scallen Gets  
Promotion in ROTC

A promotion to the grade of cadet first lieutenant in the Air Force ROTC has been announced for Daniel J. Scallen, a student at Michigan College of Mining and Technology, in Houghton.

Scallen is the son of Mr. and Mrs. Edwin J. Scallen, 1341 Bishop road and is a senior in civil engineering at Michigan Tech. He is a member of the student branch of the American Society of Civil Engineers and is serving as treasurer of his fraternity, Theta Tau.

The promotion was announced by the commanding officer of the Air Force ROTC department at the college and took effect on April 19.

## who, where and whatnot

by uboozis

Gentle "George," a handsome Tiger cat who wandered over the premises six years ago as a lost kitten, is the pride and joy in the Sunningdale drive household of MR. and MRS. J. LESLIE BERRY. Dignified George breakfasts with the Berrys each day and is quite the lord of the manor. In fact, Mr. and Mrs. B., who will take off later this year on a four-month tour of Europe, have already made arrangements to keep the house open for George. Strangely enough, George was so named because the Berrys received a letter from a continental friend named "Jorge" on the day that the feline joined their family.

While we're in the animal department, you must have heard about the local lady who took her children to view some new Siamese kittens born to a Pointe neighbor's cat. Her one lad saw the newcomers and made no secret of his disgust—"I thought they'd be joined together," said he!

And MRS. GERALD N. MURPHY of Moross road, who has charge of patrons for the Marygrove scholarship Bridge on May 5, finds that her schedule revolves around animals too... but chinchillas! The Murphys board their prize pets, Sassie and Bluee, at a chinchilla ranch some few miles to the north and escort young PAT, MARY KATHLEEN and BILLIE out to visit the chinchillas on frequent weekends.

Despite the damp and windy day, about 1,000 leddies "ohed" and "ahed" through the five lovely kitchens displayed Friday for the Cottage Hospital Auxiliary Kitchen Tour, and then sipped punch at the Nurses' Residence. Among those responsible for the success of the project and particularly of the bake sale at the residence... MRS. LOUIS GEFFORD, MRS. A. W. HANIGAN, MRS. LORNE PROCTOR, MRS. WILLIAM C. RUSSELL, MRS. EDWARD W. JOHNSON and MRS. DONALD SCHUR.

### PILFERINGS

A kindergarten teacher smiled pleasantly at the gentleman opposite her on the trolley car. He did not respond. Realizing her error, she said aloud, "Oh, please excuse me. I mistook you for the father of two of my children." She got off at the next corner.

—Wall Street Journal

A. A. Lattimer describes a picnic tersely:  
Upon this theme  
I'll briefly touch:  
Too far  
To go  
To eat  
Too much.

A young woman buying stamps at the post office dropped a paper. The slip fell directly in front of the gentleman next to her. He politely raised his hat. Then he kicked the paper over in front of her, making it easier for her to pick it up.

The famous trial lawyer, A. S. Trude, and the distinguished Dr. Frank Billings live next door to each other in Chicago. One day Billings telephoned a medical expert against Trude. Trude's cross-examination of his eminent neighbor was brief. "Was Marshall Field one of your patients?" he began.

"Yes." Trude asked, "Where is Mr. Field now?" and the doctor said "Dead." Trude named other patients of Billings—Mr. Armour, Mr. Pullman, Mr. Cudahy, all of whom had died natural deaths. Each time Trude asked: "Where is he now?" and each time Dr. Billings had to answer: "Dead." "That's all, thank you," the lawyer concluded, and won his case.

During a spelling bee at a Long Island public school each child in the third grade went down on the same word: does. They spelled it D-U-Z.

Then, there was the small boy who returned home from school and told his father that he was second in his class. Top place was held by a girl. "Surely, John," said the father, "you're not going to be beaten by a mere girl!" "Well, you see, Father," explained John, "girls are not nearly so mere as they used to be."

## Pointer of Interest

MRS. WOODRUFF B. CROUSE OF HALL PLACE

By Kitty Marriott

That busy young lady wearing out a path these days between Hall place and Neighborhood Club must be Mrs. Woodruff B. Crouse—talent committee chairman for the coming production of the Junior League Follies.

It began back in December, when she received this assignment, and it is fast reaching the crescendo point now. With her assistant, Mrs. Richard H. Turner, and committee members Mrs. Horace C. Ford, Mrs. Herbert W. Lester, Mrs. Berrien Eaton Jr., Mrs. Henry B. Kinzie, Mrs. William C. McMillan and Mrs. F. Sibley Moore, she began discussing plans for the Follies months ago.

Mrs. Ford and Mrs. Lester handled arrangements for last week's talent party at the Little Club, where Junior Leaguers and their husbands gathered for cocktails and dinner followed by movies of the last Follies. Volunteers to perform in the Follies this year were signed up that very night and rehearsals at Neighborhood Club began immediately the next day before their enthusiasm cooled.

Mrs. Crouse and her helpers had, of course, sent out advance notices, asking for singing, dancing and acting volunteers and their returns had been good on those.

Attend Rehearsals  
Tryouts began the next morning when prospective talent met professional director Dave Jones. But the talent chairman's job did not end at this point.

There are still morning and evening rehearsals for the Follies each day, and Mrs. Crouse or a committee member must be on hand for each rehearsal. The cast averages about 120 people, and the busy talent head must schedule rehearsals and keep the volunteers coming to rehearsals. Right up to show-time, the talent chairman, who

has recruited the cast, continues to act as liaison between cast and director.

Working in cooperation with Mrs. Sibley Moore, script chairman for the show, the talent committee has the music and general theme for the Follies pretty well set up by the time the director arrives, just waiting for his okay.

### Follies Dates

Junior Leaguers will present the Follies at the Cass Theater on May 24-25-26. Woody Crouse (like a number of other J.L. husbands, no doubt) learned the grim news at an early date that he would be home baby-sitting every night in May with sons Timmy, 8, and Peter, 5.

Popularity of the musical Follies is ample reward for the hard-working chairmen. It was so well received last time that the Cass Theatre management asked them to stay on for another week, since he could sell them out every night.

Three nights will be enough for the Junior Leaguers, however, who are shooting for \$30,000 this year (they reached \$25,000 last time) to help maintain their Senior Center at 587 East Grand Boulevard.

### Pilot Projects

Response of senior citizens to the League's Senior Center has been so great that, in less than three years since its inception, the home has moved to larger quarters and now boasts over 200 members who participate in a varied program of activities—from helping with a weekly supper to instruction in oil painting.

This is as good a place as any to mention that the Senior Center is one of the Junior League pilot projects. Guided by a plan committee, the Junior League devotes so many years to a project expecting the community or some community service to take it over in time if it works successfully.

Among the services which they have initiated in this way are the Detroit League for the Handicapped, the Junior League Shop, and Pioneer House. The Junior League planning committee is always looking ahead for new projects to undertake.

The Senior Center, their current project, is financed and staffed entirely by J. L. volunteers working with a professional director.

### "Fun" Job

Getting back to Mrs. Crouse, who channels a large share of her vitality into the Junior League projects, "people are her hobby," and she contends that is what is needed for her current job.

She and Mrs. Jean Mesritz, general chairman of the last Follies and acting in an advisory capacity this year, agree that "It's terribly hard but it's the most 'fun' job there is!"

Before her Follies assignment came up, Mrs. Crouse handled J.L. volunteers to assist the Grosse Pointe Foundation for Exceptional Children. She is a member of Tau Beta and is working on the knitting table for this fall's Christ Church fair.

She's a sports-loving little lady, who enjoys skiing, tennis and paddle tennis—and the entire Crouse foursome, who are avid swimmers, will spend much of the summer in the water once the Follies is behind them.

## Good Taste

Favorite Recipes of People in The Know

Contributed by Mrs. Paul Townsend

### CHEWY BROWNIES

- 1 c. sugar
- ½ c. melted butter
- 2 sq. Baker's chocolate, melted
- 2 eggs, well beaten
- a full ¾ c. sifted flour
- ½ c. walnut

Beat well together. Bake in slow oven (300°) between 20-25 minutes.

## Woods Garden Club Sees Film

The Grosse Pointe Woods Garden Club met on Tuesday, May 1, at the home of Mrs. Peter Zambros in Lochmoor boulevard.

A luncheon was served, with Mrs. Arthur Swanson and Mrs. Harold Lyndrup acting as co-hostesses.

Films of a European tour were shown by Mrs. Cecil Pollard.

## Suburbia Club Holds Fun Day

The members of the Suburbia Garden Club took time off from their busy schedule as directors for the forthcoming "Fair on the Green," which will be held in the War Memorial Center on June 7, to have a fun day at their last meeting in the home of Mrs. Arthur Hollar of S. Oxford road.

A satire on the new spring hats was the theme of day, with members wearing creations of their own design.

Prizes for the most beautiful, funniest and most unique were given to Mrs. Robert Bersback, Mrs. Mack Phillips and Mrs. Arthur Hollar.

Suburbia Garden Club members also won many ribbons for their entries in the recent Ford Rotunda Flower Show.

The theme of the show was "Flowers Internationale," which featured arrangements and table settings of foreign flavor.

Members receiving awards for arrangements were: Mrs. Robert Howard of Stephens road, two blue ribbons; Mrs. Robert Pyl of Lake Park, two blue ribbons; Mrs. William Beckenhauer of Lochmoor boulevard, a first, second and third award; Mrs. Raymond Duffy of Handy road, a first, and Mrs. Carl Engel of Calvin road, a second award.

For table settings Mrs. Victor Breidenback of Grand Marais boulevard, received a first and Mrs. Bruce Grubb of Audubon road, a second award.

## Joan Kay Cunningham's Engagement Announced

Joan Kay Cunningham is the bride-elect of Wendell Gray Kellogg Jr., son of Mr. and Mrs. Wendell G. Kellogg of Hiawatha Trail.

The troth is announced by Mrs. Lenore Cunningham of Beaconsfield avenue; mother of the bride-to-be.

The pair will be married on June 12.

## Pointe Counter Points

by Roberta Isley

The Gibson Girl was synonymous with Charles Dana Gibson in the 1890's. Just so, in 1956 we have Anne Fogarty and "The Fogarty Girl." Her new season fashion represents a complete "look" . . . not just one . . . but many varied silhouettes. There's the high rising bodice . . . new flares for ease on slims . . . and flounce for gaiety on fulls. Fabrics and colors? Light and breezy as a formal garden. For example, a cotton (soft sheen . . . looks deceptively like silk) wit ha black ground subtly spattered with touches of blue and brown heightened by flurry of tiny white blossoms. A diamond shaped bodice just covers the shoulders. A comfortably cool airy dress . . . full skirted and tagged at just twenty-five dollars! Margaret Rice, 76 Kercheval, on the hill.

Candidate for Mother's Day . . . an enlarged photograph or family picture . . . BUT FRAMED . . . maybe in oak, mogony, silver or gold. Here at the Camera Center, in the village is a wide selection of frames. And their quality workmanship on enlargements is gratifying.

Motifs for summer dresses take the form of Trifari jewelry at Pongraaz jewelers here on the hill, 91 Kercheval. They take the form of colorful ribbed bracelets . . . pink or turquoise . . . and chalk white necklaces and earrings . . . all young . . . all exciting . . . pale perfection. Take a peek in the window as you saunter past.

Wherever you go, if you are a good traveler, you feel at home. It's partly the knack of knowing how to plan, how to dress, how to pack and what to pack in. We found that custom made look in smart Elizabeth Arden fitted travel cases . . . black and white check trimmed in patent . . . suitable for packing everything you need for refreshments as you go . . . bon voyage! Trail Pharmacy, 121 Kercheval, on the hill.

A summer natural is the bra-slip combination . . . all in ONE piece . . . by designer extraordinaire . . . Madame Adrienne . . . featured in Grosse Pointe at Top O' The Hill, 104 Kercheval. They are strapless and come in three styles and are fashioned of either nylon tricot, dacron or cotton. Perfect for Mother's Day. Just in, too, real cool bouffant petticoats white . . . pink . . . cotton batiste full slips with blown-out embroidery . . . real lingerie lovelies.

Here they are . . . a shower of new ideas . . . especially designed to make him better looking. The starting point begins in the window with a showing of a Baracuta raincoat . . . lightweight tweed topcoat . . . lightweight spring suit . . . pigskin and chamoisette gloves . . . these are washable . . . AND all the accessories of course. 92 Kercheval, on the hill.

On Thursday, Friday and Saturday, May 3, 4, and 5, Mr. J. Diamond of New York will present his fashions of "Little Furs" . . . in a great store . . . Walton-Pierce, in the village. Except to see advance masterpieces of what you will wear night or day over your Spring and Summer Clothes. Find some pieces under four hundred dollars. This added dimension in furs is just the beginning of what you will choose to wear from the Walton-Pierce collection of wedding and party dresses . . . also hats and accessories. These are the Clothes you will wear now and ALL summer . . . complete costumes . . . Walton-Pierce, Kercheval, at St. Clair, in the village.

Something that dresses up a bath . . . leaves the bather smooth and scented . . . that's Lavinie Arpege's French milled cold cream soap . . . just in . . . and in time for Mother's Day. Trail Pharmacy . . . Kercheval, on the hill.

For an exciting cocktail date at the club or your friends home, consider this . . . a princess dress . . . the skirt very full with Fogarty's new flare treatment and extra flounce at the hem. Neck high and squared, sleeves short and tapered. The fabric, cool cotton faille, the color green. Spark it with Miriam Haskell's summer jewelry . . . earrings . . . a pin . . . and TWO bracelets . . . short white kid gloves . . . thirty-nine ninety-five. This is just one from a collection of cocktail gowns at Margaret Rice's, 76 Kercheval, on the hill.

## Coterie Dance Set for May 5

All married couples in the Grosse Pointe area are cordially extended an invitation to attend the Third Annual Dinner Dance of the Grosse Pointe Coterie which is being presented at the Grosse Pointe War Memorial Center on Saturday night, May 5.

Delicious appetizers will be served at 6:30 p.m. followed by dinner. Spring flowers will fill the dining room and ballroom. Some of the couples who will be seen dancing to the smooth music of Roston Clark will be

### PARKED CAR LOTTED

H. J. Fox of 9647 Abington, Detroit, reported the theft of two hubcaps from his car at Woods police on Friday, April 27. He said the car was parked in the lot of a Mack avenue restaurant.
