HEADLINES of the WEEK As Compiled by the Grosse Pointe News

Thursday, May 17
AGENTS OF THE FBI arrested the last two of an 11-man gang responsible for the fabulous \$1,218,211 Brinks robbery. The agents burst into a tenement hideout in Boston and captured Thomas F. Richardson, 49, and James I. Flaherty, 45, while the two were eating a stew supper.
On a chair in the apartment were three towel-covered pistols, fully loaded, which they did not have time to reach. The agents entered the building disguised as workmen and chance travelers, and within 45 seconds had Richardson and Flaherty in handcuffs. Outside, a score of other FBI men stood ready to shoot it out if necessary. To date, the Brink loot has not been recovered.

Friday, May 18
FOUR PERSONS, three businessmen and an Air Force sergeant, were arrested by the FBI in connection with the theft of a secret Government document from the Brooklyn Army Terminal. The three businessmen were arraigned in Rutherford and released on \$5,000 bond each and the sergeant was released on a \$500 bond.

Arrested were Sidney M. Stern, 39; Seymour S. Hindman, 39; both of East Orange, N.J.; Ernest Scheiber, 43, of Linden, N.J.; and Sgt. Harold E. Brill, 28, stationed at the passenger movement division of the Brooklyn Terminal.

Saturday, May 19
AN ISRAELI OFFICIAL, who asked that his name be withheld, said the State Department might release 21 banned half-tracks to his country. The half-tracks were removed from a freighter in Brooklyn last week because of lack of proper export license. He said he hopes Israel will be allowed to purchase other military vehicles.

Sunday, May 20
INDIA IS FIGHTING the Black Plague. The Indian Government sent health officials to Calcutta to cope with a growing cholera epidemic which in the past three weeks has stricken 1,207 persons and killed 173. Yesterday alone, 160 new cases were admitted to hospitals, and of this number 10 died.

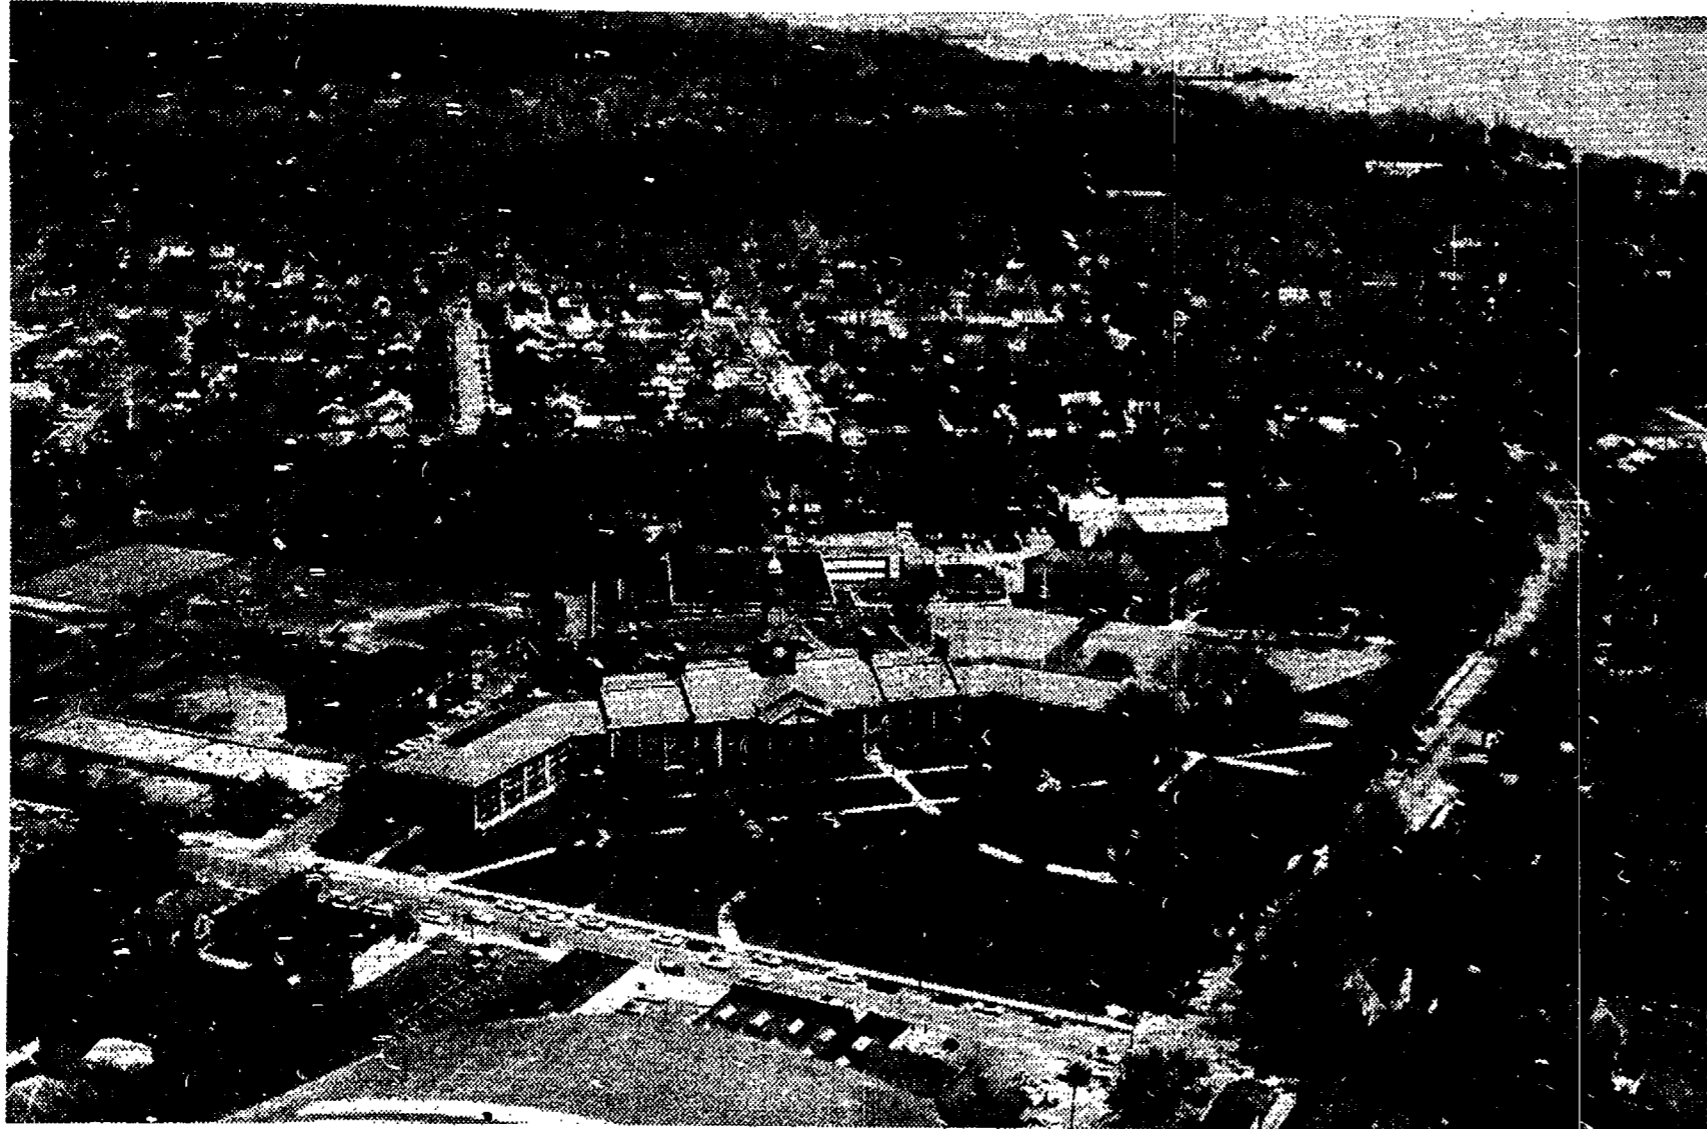

Charges of scandal and mismanagement accompanied the appearance of the plague. The mayor of the city ordered an investigation of the charges. Several persons were accused of using pipes retrieved from scrap heaps and using them to sink wells for drinking water.

Monday, May 21
THE AIR FORCE has condemned the Army's Nike missile. The condemnation is expected to produce serious repercussions in Congress. The Air Force said the "backyard" weapon is unsuitable for the anti-aircraft defense of the United States.

Tuesday, May 22
THE NATION'S military chiefs were marched before a news conference by Secretary of Defense Charles E. Wilson to prove there is no interservice squabbling. He said that the Army-Navy-Air Force differences over weapons, money and mission has grown out of proportions. He also said that the issue has taken on an "exaggerated importance" when "eager imperial" service partisans slipped confidential staff papers to newspapermen.

Wednesday, May 23
JAPAN is awaiting the radioactive fallout elements from Sunday's American H-bomb air burst at Bikini. Japanese scientists estimated that the fallout should reach their country in about two or three days. When it arrives, meteorologists predicted it will be weaker than the one which entered Japan's upper atmosphere after the U. S. hydrogen test blast of March 1, 1954, because the 1954 test was a ground explosion, whereas the new test was detonated in the air. A bulletin issued by Rear Adm. B. Hall Hanlon, commander of Joint Task Force Seven, said that the latest test was a complete success.

Spectacular Panorama Captures High School Campus

The NEWS photographer, Fred Runnells, took the air to get this exceptional picture of Grosse Pointe High School with its labyrinth of wings and annexes. From 700 feet we can get an imposing view of the main building, the Industrial Arts building, the new field house with its annex, the quonset school, and Country Day School which was acquired by the Board of Education. Also seen is the magnificent campus, with its large elm trees about to burst their leaf buds. Included in this panorama are the school's eight tennis courts, a turn of the track, and the baseball diamond with its new grass infield.

Bike Safety Inspections Being Made

Police Being Assisted in Campaign by Safety Patrols; 20 Bicycles for Winners

Twenty brand new bicycles and numerous other accessory items will be given away as prizes to students of the Grosse Pointe public and parochial schools on or about the first week in June. In order to win one of the beautiful prizes, boys and girls are required to have their bicycles inspected by the Grosse Pointe or Harper Woods Police Departments. The inspection are being made at the schools between May 18 and June 1. School principals will announce the days scheduled for inspection.

Shores Election Draws 84 Votes

All incumbents for Shores Village office were returned by voters during an election held on Tuesday, May 15. Thomas Jefferis, Village Superintendent, said that only 84 of more than 700 qualified voters showed up at the polls to cast ballots. Returned to office were: Jack Williams, village president; Gerald C. Schoeder, Alfred T. Wilson and George W. Trendle, trustees, and Clifford B. Lorange, village clerk. All incumbents were unopposed.

Three Youths Hurt as Car Rams Gate on Provencal

A serious accident at the corner of Kercheval avenue and Provencal road early Saturday morning, May 19, resulted in severe head injuries to the three Pointe youths involved. Farms and Shores police simultaneously answered the accident call at 2:05 a.m., Saturday. A 1956 Ford driven by Robert Duncan of 947 Lincoln road, and owned by his father, had been going south on Provencal. Police said the car jumped the curb 109 feet north of the brick and iron gate at the Kercheval entrance to Provencal. Young Duncan failed to gain control of the car after it left the pavement. It continued on into an iron gate, knocking it from its hinges and tearing down part of the brick entrance way.

Trophy Awarded to Pointe For Winning Second Place In National Competition

Representatives of Organizations Active in 1955 Clean-Up Drive Attend Presentation Luncheon at Yacht Club

The Pointe was awarded a trophy for being the second cleanest city in its population group during 1955 in the entire country. A luncheon was held in which a second-place trophy was accepted on behalf of all of the Pointe communities at the Grosse Pointe Yacht Club on Friday, May 18. Emcee during the luncheon and presentation was Paul R. O. Marden, secretary of the Grosse Pointe Property Owners Association and chairman of last year's clean-up campaign.

Clean-Up Week Ends Saturday

From Saturday, May 19, to Saturday, May 26, the Grosse Pointe Citizens' Clean-Up Paint-out Committee is sponsoring its annual improvement campaign. All citizens of the community are urged to cooperate by sprucing up their own properties, and joint neighboring cleaning of vacant lots near their homes. The public works departments of all the Pointe communities are particularly busy this week making extra pick-ups on last Saturday and on the 26th. It is hoped that the Pointe will again be a national prize winner in the annual observance of Clean-Up Week. Last year the combined communities took second place in their population category.

Blazes Damage Homes in Farms

The Farms fire department rushed all its available apparatus to the John Williams residence at 423 Manor road, Wednesday, May 16. Two booster lines had to be used to quell the blaze, which had started on the first floor and swept into the upper rooms. Total damage was estimated at \$400. On Friday, May 18, the Farms Department answered a call with all equipment to the Kerby lane residence of Joseph Henison. At 2:30 p.m. a fire was discovered in a broom closet in the kitchen. A booster line was used to quench the flames, but before the blaze was halted \$1100 damage had been done.

Rotary Club Opens Big Antique Show At Center Friday

Four-Day Event Bringing Well Known Dealers and Their Wares From Near and Far; Proceeds to Benefit Charities

The Grosse Pointe Rotary Club completed the finishing touches on its Antique Show during a luncheon-meeting held at the War Memorial Center on Monday, May 21. The show, which will begin tomorrow, May 25, at the Center, will be a four-day affair, lasting through Monday, May 28, with receipts realized through the sale of tickets going into the club's depleted Foundation fund. At the meeting, it was revealed that 41 of the 83 members of the club have made generous contributions to help pay the basic cost of the show, but this was not enough to cover the total cost of the event.

Center Drive Lagging in Homestretch

Need \$6,000 to Meet Goal by Memorial Day; All Urged to Donate

With the Memorial Day deadline for the annual War Memorial Association's annual Family Participation Campaign less than one week away, the drive was still some \$6,000 short of its \$33,000 goal, according to the latest figures released. Of the Pointe's nearly 60,000 residents, only 2,003 had contributed a total of \$27,074.24, according to Center Director John Lake. The \$33,000 is needed to operate the Center during the fiscal year starting August 1. Hoped for more donors. It had been hoped that at least 3,000 new donors to the campaign would be heard from this year, but this week's figures showed the number of contributors were running about exactly the same as on the same date a year ago.

Woods Approves \$892,601 Budget

The Woods council approved a budget of \$892,601.90 for the fiscal year of 1956-57, on Monday, May 21, following a public hearing. The cost of maintaining the various municipal functions of the fastest growing Pointe community has shot up to \$50,803.50 over that of last year, and \$139,543.46, over the fiscal year of 1954-55. In spite of the increase in the budget, city taxes are still \$15 per \$1,000 assessed valuation, the same as last year. As of January 1 of this year, the total valuation of property in the Wood has been set at \$45,378,490, an increase of \$2,791,900 since January 1, 1955.

Leagues Plan Ceremonies, Big Parades

Babe Ruth and Little League Teams Primed for Biggest Season in History

Heralded by a parade, celebrities and ceremony, the second season of the Grosse Pointe Woods-Shores Babe Ruth League will open with six games Saturday, May 26, at Grosse Pointe University School Field.

Judge Nathan J. Kaufman, of the Wayne County Juvenile Court, will take part in the opening day ceremonies at the field and pitch the first ball. Woods Mayor Kenneth H. Koppin will catch; Shores President Jack Williams will umpire.

Other celebrities in the parade and on the opener program will include Miss Eleanor Kloss, who is Detroit's "Miss DSR" for May and who will reign as "Miss Babe Ruth" for the day; and Fred Wolf, disc jockey and sportscaster, who will be master of ceremonies.

The 18-unit parade will form at Mack avenue and Vernier road at 9:30 a.m. and march at 10 a.m. The parade route will be south on Mack to Cook road and east to the GPUS field.

First Games at 11:30 Three games will be played starting at 11:30 a.m. between the Tigers and the Senators, Dodgers and Cardinals and Beaumont and San Antonio.

At 2:30 p.m., three more games will start between the Giants and Braves, Indians and White Sox and Red Sox and Yankees. Houston and Dallas will play their first game Monday, May 28.

The league's 14 teams, with their managers and coaches, will join the parade at Mack and Lochmoor. The shorter route was ordered by the opening day committee for the marching players so they will be in top form for the openers.

Bailey is Marshal The parade will be led by a police and fire department escort from the Woods, Shores and Harper Woods, marshalled by Vern C. Bailey, Grosse Pointe Woods public safety director.

The marchers will be led by the Babe Ruth Band, a 17-member group made up of musicians from the Grosse Pointes.

In the line, in addition to the celebrities, will be the Rev. Fr. R. V. Bartin, pastor of Our Lady Star of the Sea Parish; Robert Page, business manager of GPUS, and Grosse Pointe Board of Education officials.

Officials To Ride Officials from Grosse Pointe Woods and Shores and umpires from the Detroit Association of Umpires will ride in automobiles, as will Babe Ruth League officials and some of the league's 50 sponsors.

Sewer Project Halts Pollution

A joint \$10,000 sewer project was recently completed by the Shores and the Grosse Pointe Yacht Club, which further aided in eliminating pollution of Lake St. Clair. The Shores' section of the sewer starts from the bathhouse in the Municipal Park, and the club's from the building proper, it was said by Thomas Jefferis, Shores Village Superintendent. Both sections combine and connect at the new Shores interceptor at Lake Shore and Vernier roads, he said.

The joint projects were started several weeks ago when Farms officials complained that the lake waters were being polluted because of inadequate sanitary facilities of the two buildings. In the interest of public relations, the Village and the Club decided to undertake their respective projects.

Mr. Jefferis said that the total cost of the combined jobs was approximately \$10,000, of which his community's share was \$3,271.50.

Upon completion of the work, a letter was sent to the Farms council informing it that the sewers have been installed, and a return letter from Farms City Manager Harry Furton, on behalf of his council, expressed thanks for doing away with another pollution problem.

Bike Safety

(Continued from Page 1)

Patrol boys, inspect, brakes, lights, spokes, chain, handle bars, grips and bicycle licenses.

On passing inspection, each boy or girl has a chance to win a new bike or one of the other safety prizes.

All boys and girls should have their bicycles checked and ready for inspection. Licenses may be obtained in advance at the respective police departments. However, if for some reason a license is not procured at the police station, the inspecting police officer will furnish licenses on the inspection day at the child's school.

Getting Lots of Help The police chiefs and the school principals are confident that the 1956 safety inspection will exceed those of past years and attribute this to the civic organizations and the business merchants in their cities for their contributions which increased the prizes thereby making the program more interesting to the participating children.

A little learning may be dangerous, not half so dangerous as thinking you know too much.

Also: Chairman for the Woods and Shores Garden-Club; Mrs. L. R. Montgomery, president of the Woods Garden Club; Mrs. Peter Zambas, Woods Garden Club; Mrs. Emil Leidich, Garden Club conservation chairman and Park Garden Club representative; Wilbur Thomas, clean-up chairman for the Grosse Pointe Businessmen Association, and his committee members, Elmer Suter and Charles Verheyden; Bob Beaupre, Junior Chamber of Commerce and C. W. Toles, president of the Grosse Pointe Brooks Association.

Praise For All Mr. Marden was in his praise of the effort made by those present and their committees which made the winning of the trophy possible. Mr. Beaupre, vice-president of the newly formed Junior Chamber of Commerce in the Pointe, received a round of applause when he announced that his organization will undertake the sponsorship of the future-clean-up activities.

He also made it known that the Junior Chamber of Commerce is also willing to undertake other activities of a civic nature.

During the course of his introductions, Mr. Marden expounded on the pride those present had shown in carrying out the tasks assigned them.

However, some Pointe citizens were the subject of a remark he let fall during his speech. "Some of the citizens in the Pointe," he said, "must love

their garbage cans because they leave them at the curb but wait to three days before a scheduled city pickup."

Credits DePetris He said that the first real clean-up campaign was suggested by Pointe Florist Vincent De Petris to the Pointe Garden Club Council in 1950, and with Mrs. Shumann, organized the first campaign to help beautify the community.

He said Mrs. Landzay had a lot to do with the Council's inauguration of the Grosse Pointe Beautification Program and through hers and the Council's efforts, 1,300 flowering crabs, of 16 different varieties, have been planted throughout the Pointe.

Mrs. Landzay presented the trophy to Councilwoman Friedrich, who accepted it on behalf of the Pointe.

The trophy will be on permanent display at the Central Library, Kercheval and Fisher.

Money causes a lot of trouble in this world, but many people are looking for trouble anyway.

Credit Pizza Pie With Saving Boy

Park Police Chief Arthur Louwers credited a large piece of pizza pie with saving a ten year old boy from serious injury, Monday, May 21.

William Shelhart, of 14000 W. Outer Drive, was visiting his cousin, Thomas A. Esse, of 3551 Guilford. Esse stopped at Beaconfield near Mack to get the pizza then gave it to Shelhart to hold while he drove.

Esse started a left turn onto Mack and the right front door flew open.

Young Shelhart sprawled head-first to the pavement. Somehow the pizza got between him and the concrete and the boy and pie skidded across Mack. Bill suffered only minor bruises.

The pie? A total loss!

Reviewer Likes Pointers' Play
 By Donald Collins
 The role of reviewer in New York is chiefly an analysis of the worth of the play and secondly, the production.

In reviewing a production such as the Grosse Pointe Community Theatre's "Charlie's Aunt," the critic's task is to evaluate the wisdom of presenting the play and then the production.

In the entire history of the English speaking theatre one play has been presented more than any other. "Oklahoma" may have run for years on Broadway, "Blythe Spirit" for what seems an eternity in London, but "Charlie's Aunt" leads them all. A play so popular must be worth presenting and a reviewer is happy to see any worthwhile production.

The one in question was eminently a worthwhile. First the cast. The role of the bogus Charlie's aunt is the dream of every comedian. While watching last Saturday's performance it seemed as if the author had Dan Buell in mind when he wrote the play. The impersonation scenes is that the actor should never attempt to be a woman. He is a man throughout the play and in this, Mr. Buell was eminently successful. The rest of the cast was equally competent. Bill Giovan and Tom Stein as the two conspirators were vigorous and typical undergraduates. Bill Shearer and Russell Dexter in the two older roles were sufficiently pompous without being overly stuffy. Albert Bertel was an amusing commentator as well as gentleman's gentleman.

Jean Jeffcoat, Martha Miller, and Marcia Songe, as the three young ladies, were properly winsome and lovely. Last, and to employ the cliché, by no means the least, was Gerry Adams as the real Charlie's aunt. This was a gem.

From the foregoing it will be seen that this reviewer thoroughly enjoyed himself and would advise anyone wishing an evening packed with fun to see this production. It will be repeated on Friday and Saturday, May 25 and 26 at 8:30 p.m. at Deerfield School auditorium in East Detroit. The performances are benefits for the school's Cub Scouts M.C. 48.

Remarkable people are not the ones who make the most remarks.

Woods To Hold Special Election

Woods electors will be given an opportunity to vote on a charter amendment during an election to be held in August. On Monday, May 21, the Woods council approved a petition presented by the city's employees in which it was requested they be included in the Federal Social Security program, and that this be tied in with the city's pension system.

The move would require an amendment of the city charter, and must first be approved by Gov. Williams before the voters can decide on it.

A request for approval of the proposed amendment has been sent to Lansing.

Bodman Heads Detroit B. of C.
 Henry T. Bodman of Vendome road, general vice-president of the National Banks of Detroit, was chosen to be the new president of the Detroit Board of Commerce. He succeeds Selden B. Daume.

Other new officers named at the meeting of the board on May 8 were Simon D. Den Uyl, Malcolm Ferguson and E. C. Stephenson will continue as his assistant.

Harvey Campbell was re-appointed executive vice-president and Willis H. Hall, secretary-manager.

Cinema League Movie Tonight

An outstanding amateur travel film "The Near East" featuring Iran, Iraq, Lebanon and Bagdad, will be shown by the Grosse Pointe Cinema League tonight, May 24, at 8 o'clock at the Grosse Pointe War Memorial Center.

Mr. Hakim, who is an amateur photographer, was able to take many unusual pictures because of his ability to speak the native languages and also because of his acquaintanceship with officials in some of the local governments.

The film includes many close-ups of natives going about their regular day to day activities at work and play. Of interest are those of the copper markets, and also shots of native dancers in colorful costumes against a background of Arabic music.

Another highlight is a picture of a herd of wild camels running wild on the desert, faster than the car in which the car in which the photographer was riding.

High School's Automotive Shop Lures Many Students

By Ken Erickson
G.P.H. Journalism Student

For 14 years, Grosse Pointe High had an automotive course but no facilities for students to bring in cars on which to work.

Last fall, the room under the Industrial Arts building was converted into an automotive shop.

"It makes a good auto shop," said Mr. Richard Sorenson, instructor, "because it has a drive leading right into it." There is a classroom adjoining the shop which was previously used for storage of wood shop materials.

The room was formerly used for storage of the school's maintenance equipment. The equipment is now stored under the new gym.

Since the opening of the shop, tools have been coming in steadily. "With the addition of the new acetylene torch, we have enough tools to do almost any job," said Mr. Sorenson.

Another new addition to the shop is a 1935 Ford which Mr. Sorenson purchased from Art Keys, January '56. Although not in running condition, the car was a bargain because it only cost fifty cents.

"However, next year is the one we are looking forward to," he said. "We plan to get an exhaust system so engines can be run in the shop. We also plan to get a set of electrical testing equipment."

Next year, the course will be changed slightly. Now, the theory is spread equally over automobiles I and II, with about half of each semester spent working in the shop.

Starting next fall, automobiles I will be primarily theory, and automobiles II a practical application of what was learned in the previous semester. The theory is taught in the classroom by means of filmstrips and lectures.

About 40 boys are enrolled in automobiles this semester. Since the shop was opened last fall, many students have brought in cars.

"Although most of the work is done on the engine and running gear, facilities are available for body work," Mr. Sorenson added.

The course is not designed to produce expert mechanics but to give students a little working experience and understanding of an automobile.

Students Win Scholarship Awards

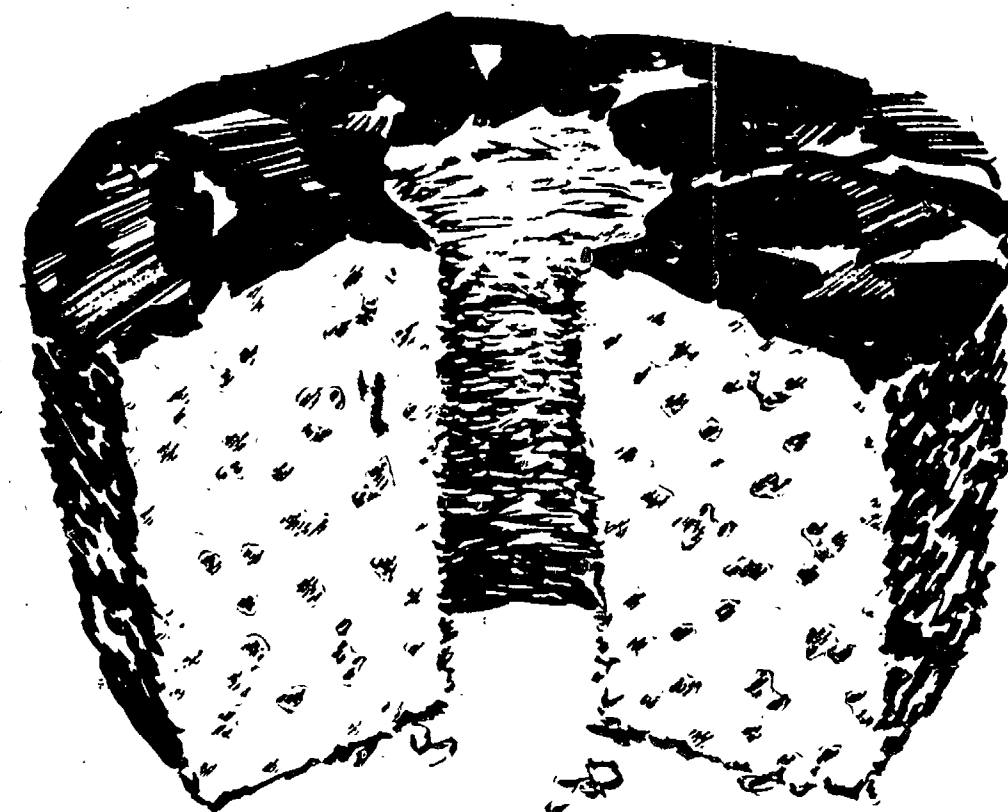

Posing in the shadows of the Grosse Pointe High School tower are five of the six Grosse Pointe students who recently won Regents-Alumni Scholarships to the University of Michigan. Shown left to right: MARCIA HARDIES, MAL SOMMERSHIELD, MRS. RUTH GOEBEL, first woman president of the Grosse Pointe University of Michigan Alumni Club, JAMES McCUSKER, CYNTHIA LISTER and SUE EVELY. McCusker was the only winner from St. Paul High School. The other four are Grosse Pointe High students. Missing from the picture is Mary Ann Lynch of the Academy of the Sacred Heart.

Two Cars Tangle At Intersection

An automobile accident on Moran at Williams court resulted in considerable damage to the cars involved and the issuance of traffic violations to the two drivers.

At 3 p.m. Thursday, May 17, William McCulloch of 152 Ridge road, driving a 1956 Ford station wagon, collided with a 1953 Pontiac driven by Dora Davis, of Detroit.

McCulloch was traveling south on Moran and Miss Davis was going north. After their meeting in the middle of the street, the two cars each suffered damage of about \$200.

Both drivers were ticketed for reckless driving.

Students Hear Lighting Talk

By Beth Haglund
G.P.H. Journalism Student
"Constant trouble with a glare on the television screen can be prevented by placing a lamp toward the back of the set so as to counteract any reflection which might occur," Miss Joan Vandercook from the Detroit Edison told Miss Carolyn Postiff's homemaking girls at Grosse Pointe High School in a recent speech.

Through movie slides which compared good and bad lighting situations she showed how light-colored walls in a study or den are essential for correct lighting.

"Light wood or bright-colored desk blotters," she continued, "reflect light and give additional light for studying."

Much to the surprise of the class she explained how fluorescent lighting, once installed, costs less to operate as compared to regular electric lights.

She demonstrated how fluorescent lights may be built in to cut the glare. "The newest type of light bulbs on the market are frosted pink which flatter one's complexion and give a cheery atmosphere to a light-colored room," Miss Vandercook concluded. "The one disadvantage to this type of light is that they are 10 to 15 per cent less effective."

Woods Tightens Parking Laws

Business in the Mack-Bourne-mouth area are expected to benefit by the new parking restrictions imposed by the Woods Council on Monday, May 21.

Heading the complaints of the businessmen in that section, in which they decried parking abuses by patrons of the Woods Theater, the council approved the changing of parking time from the present one hour limit, to half an hour, and that this be enforced from 9 a.m. to 11 p.m. daily, except Sundays.

The businessmen feared that the one hour parking was excessive and was injurious to their business.

They also said that the theater patrons were wont to park in that area, despite the fact that they would receive overtime parking tickets, thus depriving potential business customers of an opportunity to park and shop.

The restrictions will also apply to the new parking bay, created by the businessmen, for customer off-street parking.

Easy street has no miracle avenues leading to success.

Erratic Driving Attracts Police

An alert Farms police crew on patrol late Saturday evening, May 19, noticed a car driv-

ing west on Lake Shore road in an erratic manner. The squad car followed the weaving auto for several blocks and finally halted it on Fisher road just off of E. Jefferson.

The driver of the car, Donald Williams, of St. Jean street, in Detroit, showed a driver's license belonging to his passenger, Martin Jessman, also of Detroit. It was discovered that Williams never owned an operator's license. Jessman told police the car was his father's and the young men had been out in Mt. Clemens joy riding.

The car was impounded and taken to the Farms police station. Both men had been drinking. Williams was ticketed for showing another's driver's license.

Loynd, Bender Join Fraternity

Harry J. Loynd, president of Park, Davis & Company, and George A. Bender, the firm's retail sales promotion manager, tonight were made honorary members of the Alpha Eta chapter of Phi Delta Chi, national pharmaceutical fraternity at Wayne University.

Eleven students of the school's college of pharmacy also were admitted to the fraternity at the organization's annual installation banquet (Carl's Chop House.)

Loynd and Bender were received into the fraternity because of their "activity in pharmacy in the Detroit area," according to Joseph Yoskovich, chapter president.

Loynd of 610 Neff road, joined Park-Davis in 1931 and was named president in 1951. He was selected "Foreign Trader of the Year" last Sunday by the Foreign Trade Club of Detroit.

Bender of 566 Barrington road, joined the firm in 1947 as editor of two of the company's publications, "The Firing Line," and "Modern Pharmacy."

The Friendship Award of Merit was presented to the Grosse Pointe Garden Center at the annual meeting of the Michigan Horticultural Society held Saturday, May 19, at the Michigan Union in Ann Arbor.

The award was given in recognition of the excellent exhibitions at Garden Center garden shows during the past four years. Mrs. Hansel D. Wilson, Garden Center president, accepted the award.

Engaged

Lochmoor Club president William G. Siebert wisely chose the energetic Henry R. Kleins, parents of four lively offspring, to head the committee planning children's activities.

Mr. and Mrs. Klein displayed the same good judgment when they asked Dr. and Mrs. George Belanger, Dr. and Mrs. Henry Munson and Dr. and Mrs. Julius C. Tapert to assist them.

Each of these couples has at least four children and well know what appeals to small fry. For Memorial Day, they have decided upon the show that is nearest to the hearts of all children—a circus.

Louis Tops and his Society Circus will appear in the Coral Room at 3 p.m. with Mickey the Wonder Monkey, Ros-Ko the Talking Crow, Bobbie the Trained Rooster, and CinKo the little Chihuahua dog.

Following the circus, a buffet dinner will be served from 5:30 until 8:30 p.m.

Reservations have been made by the Robert Bokrans with Anne and Bill; Mr. and Mrs. Foster Barrows with Frank, Peter and Jeffrey; the Henry Schultes with Connie, David, Jim and Dick; Mr. and Mrs. Robert Vlasic with Jamie and Billy; the John Brinks with Christine, Linda and Eddie; Mr. and Mrs. Kenneth Fisher with Michele, Kenny and Joanne.

Election of officers was held and the slate of the nominating committee was accepted by a vast majority. They will be formally installed at the annual luncheon to be held at the Lochmoor Club on June 6.

A silver tea service, a recent purchase of the Grosse Pointe Woman's Club, made possible in part, by prize money won at a table setting contest, was used at the tea prior to the meeting.

Kenneth Carter Firm Enlarges, Redecorates

Kenneth W. Carter & Co., real estate firm with offices at 20223 Mack avenue, Grosse Pointe Woods, has recently completed enlarging and redecorating its quarters. In addition to increasing the number of private offices, once again the firm has increased its telephone facilities.

To insure harmony and good taste in the redecorating the company engaged the services of the interior decorating firm of Sterling-LaVerne. A highlight in the new decor is a group of large pictures of places of interest in the Grosse Pointes. These are seen in the reception office.

The firm, less than three years old, is one of the most progressive in the Pointe area. Its staff consists of 20 well-trained salespeople, three of whom are women. In 1955 the Carter Company completed sales in excess of three million dollars, according to Harry Felder, sales manager.

Kenneth W. Carter, who heads the company, is well known to Grosse Pointers for the years he served as sales manager of another local real estate firm. Both Mr. Carter and Mr. Felder are licensed airplane pilots and make frequent use of a plane in their business activities.

Carter & Co. is a member of the National Ass'n. of Real Estate Boards, the Detroit Real Estate Board, the Grosse Pointe Brokers Ass'n. and the Grosse Pointe Property Owners Ass'n.

Grosse Pointe News

From Another Pointe of View

By Kitty Marriott

This week's news involves European travelers, as usual. Newly returned from the continent is Sue Shepherd, who celebrated her 15th birthday in true Parisian style at the Lido and brought home her birthday present, a 3-month-old French poodle, "Foley," who has been capturing hearts right and left.

Now back at classes in Grosse Pointe University School, Sue spent a month abroad visiting England, Holland, Belgium, Germany, Switzerland, Italy and France. Mrs. John L. Shepherd of Westchester road joined her daughter in London. Mrs. Shepherd was away for three months, taking the 66-day Cunard Britannic Cruise in the Mediterranean and visiting 29 countries during her tour.

In London they visited Mrs. Shepherd's former sorority roommate, Shirl Conway, who was playing the lead role in "Plain and Fancy" at the Drury Lane Theatre. They returned home with 100 Britannic Cruise members aboard the Queen Elizabeth and stopped at the Waldorf-Astoria in New York for a few days before resuming their trip to the Pointe.

Current Travelers

Include the James Motschalls of Kenwood court who penned a note from Lucerne filled with admiration for Switzerland's beauty and the graciousness of its people. Venice was the next stop on their schedule; they had already been in England, Holland, Belgium and Germany.

And Friday was take-off day for Mr. and Mrs. James B. Lewis and Mrs. Philip K. Hills, who flew to London together on the start of their respective tours. After a week in Paris, the Lewises will join their good friends, Maj. and Mrs. Alexander Blain III in Germany. Dr. Blain is stationed at a hospital near Frankfurt. Mr. and Mrs. Lewis (who are godparents of young Jody and Bruce Blain) and the Blains have scheduled a week's motor jaunt together in Switzerland at that point. Mrs. Lewis is also hoping to get in a quick visit with Brig. Gen. and Mrs. Charles E. Beauchamp, who are in Stuttgart, Germany. Mrs. Beauchamp, the former Thelma Sherwood, was a girlhood chum of Mrs. L. on Grosse Ile.

Rome is next on the Lewis program . . . they expect to be away a month in all . . . and then they will plane home from Madrid. Meanwhile, back on Bedford road, grandparents Mr. and Mrs. William Warren have moved

Vows Repeated On Anniversary

In the chapel of the Grosse Pointe Memorial Church, Rev. Paul Ketchum officiated at the renewal of marriage vows and an exchange of wedding rings, when the Alvin Borchardts of McKinley avenue commemorated their 25th wedding anniversary on May 13. The couple was married in Chicago 25 years ago.

A reception for some 100 guests was held in the Grosse Pointe Yacht Club following the ceremony. The anniversary bride wore a toast lace frock fashioned with a round neckline, short sleeves and a full skirt, ballerina length, which was paneled with matching silk ribbon.

Her corsage was of green tinted cymbidium orchids.

Standing near their parents as they cut the huge wedding cake marked with "25" were the Borchardts two children, Virginia Lee, aged 13 and David, 11.

Assisting the hosts were Mrs. William Rochelle and Mrs. George Funk with the guest book; and Mrs. Carroll Kennedy and Mrs. Eleanor Buck with the gift table.

Among the out-of-town guests was Victor Bragger of Puerto Rico, who timed a business trip to Detroit to coincide with the anniversary party of his friends.

F. M. Alger, Jr. Pointe Visitor

Frederick M. Alger, Jr., United States Ambassador to Belgium, arrived in the Pointe last weekend for a stay with his brother-in-law and sister, Mr. and Mrs. Harold R. Boyer of East Jefferson avenue.

The Boyers gave a dinner Saturday evening for their guest and for Mr. and Mrs. Nils R. Johanson, who had arrived from New York.

The Johansons are visiting the former Mrs. D. Dwight Douglas' mother, Mrs. Russell A. Alger of Provençal road, and sister, Mrs. Sidney T. Miller Jr., of Irvine lane.

Dr. and Mrs. John B. Hartzell were hosts on Sunday at an informal luncheon fetting Mr. Alger in their Ridge road home.

Will Attend Ceremony At Gunston Hall, Va.

Republican Women Top Quota in Drive

Campaign to Raise \$50,000 Brings in Total of \$76,000; Howard Pyle Addresses Wind-Up Luncheon on Monday

Republican women of Wayne and Oakland County topped their fund raising quota by more than \$26,000 this week when more than 700 assembled at the wind-up luncheon Monday at the Sheraton-Cadillac hotel, marking the conclusion of intensive area drives for funds to swell the campaign chest of the Republican Party of Michigan.

Mrs. Harold O. Love, of Lochmoor boulevard, chairman for Wayne County, reported a total of \$57,447 in receipts from Wayne, which was more than \$7,000 above the quota established for both counties.

Mrs. Brooks Marshall, of Birmingham, who headed the drive in Oakland County reported more than \$18,500, double the amount taken in a year ago.

Mrs. Charles A. Dean, Jr., chairman of the Women's Division of the Wayne County Republican Finance Committee, and member of the national Finance Committee, was radiantly happy with these reports since it was her idea originally to have women work on fund raising for their party.

Mrs. Dean congratulated the chairmen, their committees, all the hundreds of women who worked in 27 areas of both counties to build this total fund, and the contributors who made these results possible. Mrs. Dean introduced the guest speaker, Howard Pyle, deputy assistant to President Eisenhower, who flew in from Washington early Monday morning just in time for a press conference at 11:30 o'clock before luncheon.

Questioned about his particular assignment on the President's White House staff, Mr. Pyle, elected governor of Arizona twice, in 1950 and 1952, explained that after Sherman Adams, the President has a number of special assistants for liaison. His own job is federal interstate liaison and he stated that his primary responsibility is to brief the White House on

trends in the minds of state government leaders regarding such things as schools, highways, employment, etc.

"Proof that the Republican foreign policy is working successfully is the fact that there is no war now!" Mr. Pyle emphasized in his address following luncheon. A strong nation in a free world, prevention of expansion of Communism, with aid for nine nations in the Far East where 300 million need more aid, and peace maintained with honor, but maintained, he cited as outstanding among the aims of the Republican party.

Government under God espousing the cause of freedom, justice, peace; government with a heart as well as a head; government with the purpose of serving, not dominating; and government primarily recognizing the supreme importance of individuals were emphasized by Mr. Pyle as objectives of the party he serves.

He spoke of the administration's concern and awareness of the seasonal employment problems in Michigan, a motor manufacturing state. He deplored the cut in half of the purchasing power of a dollar since 1939, during which time the Democratic party had the helm most of the time. Inflation hurts the little people of the country, he stated, even more than the wealthy.

"Do your homework," Mr. Pyle urged Republican women in conclusion. With half the corporation stocks owned by women of the county, 65 per cent of the savings accounts and 80 per cent of the spending, he

Her bridesmaids were: Marilyn Howe (maid of honor), now of Lima, Ohio—formerly of Grosse Pointe; Betty Ann Reitz of Grosse Pointe, and Frances Crowley of Grosse Pointe. They wore sheath dresses of white lace over aqua, with large aqua bows and streamers in the back, and carried aqua and white carnations.

Someone Will Be Lucky

The announcement carried in Sunday's daily papers concerning the possible loss of our Superintendent of Public Schools, Dr. James W. Bushong, doubtless came as a decided shock to many local residents. Although he has only been here a few years, Dr. Jim is the kind of person who makes his presence felt, quickly and favorably, and he has come to occupy a position of great importance in a manner that has commanded respect and love within this comparatively short period.

The shock that must have been felt by many on Sunday was not shared by us, for the simple reason that we had been tapped in on a leak in this news item some days before, and the impact had already been partially absorbed.

We first met Dr. Jim on the day the Board of Education called a small conference to break the news of his selection as the administrative head of the Pointe's public school system. He was then finishing up a course at Harvard, where he had been one of a handful of top educators in the country selected as the recipients of special fellowships. During the first few months of his administration here he commuted between the Pointe and Cambridge until he had successfully completed this course. He has since taken his doctorate.

The fact that Dr. Bushong, out of a very large field of candidates, is one of only two remaining under consideration for the post of Superintendent of Schools for Detroit, is accolade enough for any man in his chosen field. His professional stature has been well established.

But our personal contacts with Dr. Jim have provided a basis for a confusion of feeling that was bound to make itself felt. We know that Dr. Jim himself must have greatly mixed reactions over the honor which has been paid him by being considered for this important post. We think we know him well enough to guess what must be going through his mind while waiting for the final decision to be made by the Detroit board.

Dr. Bushong considers education the backbone of the country, an opinion with which we certainly cannot disagree. He is so dedicated to his profession that he welcomes any opportunity to serve. His ambition to fulfill the obligations which he so keenly feels, is boundless. The tougher the task which confronts him, the more enthusiastic he becomes.

There is no question but that an appointment to the Detroit post would offer far greater challenges to one of Dr. Bushong's calibre than does his present position.

His ability to cope with problems has been most ably demonstrated during his few years here. The very rapid growth of this community has presented the problem of maintaining our educational standards while providing additional facilities to serve the ever-increasing number of students. He has met this challenge with courage and with complete understanding. His thoughts and actions have earned the respect, admiration and full cooperation of the Board of Education.

We know Dr. Jim loves The Pointe and has thoroughly enjoyed the short but full period of achievement he has spent here. We have a sneaking suspicion that he is being torn between aspirations for a chance to tackle a bigger job, and a tremendous loyalty for the community he has come to love.

If he is selected for the Detroit superintendency, the best wishes of all should go with him. He has done a magnificent job and we would face a most difficult task in finding a replacement. If he is not picked, we should be very grateful for our good fortune in keeping his great talent here, where it can continue to serve us all.

Future Champions Go to Bat

While some of the neophyte Babe Ruths and Lou Gehrigs have already swung into action, this weekend will see the real, full-blown start of the baseball season for the youngsters of the community. Both the Little and Babe Ruth leagues have scheduled elaborate openings, replete with parades, flag-raising and brittle and muscle-bound officials firing the first pitches.

This movement of baseball for the very young deserves the whole-hearted support of all residents. Those who take an active part in the program are subject to a disease that is most contagious. Their enthusiasm is amazing, and the energy and time they devote to it is staggering. It almost poses the question of who gets the most out of it, the kids or the adults?

Both the Little and Babe Ruth leagues, taking care of youngsters of different age groups, (up to the time they are eligible for American Legion organized baseball), provide wonderful recreation and a fine training in discipline and sportmanship.

The programs are made possible by the complete devotion of time and labor of a few and the financial support of many businessmen and organizations.

We cannot recommend too highly that additional support be given by all the residents. If you haven't time or the ability to make some contribution, you might treat yourself to the pleasure of attending a game. It won't be the last one, we promise you. And kids, like adults of every age, appreciate an audience when they have a chance to strut their stuff.

Grosse Exaggerations

A. PRYOR

"Our years are like the shadows;
The sunny hills that lie,
Or grasses in the meadows
That blossom but to die;
A sleep, a dream, a story
By strangers quickly told,
An unremembered glory
Of things that soon are old."
(Bishop of Exeter)

Little old ladies and stock brokers should like this true story told to us by a customer's man . . . who did not choose to name the stock involved. True to movie and book form, a gray-haired grandma type dressed in black, came timidly into this here now brokerage firm and asked the first man she saw if he could tell her what the stock "Fiddlefang" was selling for as of today. Quick as a flash he replied: "Nineteen."

The poor woman looked crestfallen and asked if she might sit down for a minute. After a small cup of water she explained that her husband had died a while back and she found this stock which she had hoped to sell in order to support herself in her old age . . . but it was selling so LOW she didn't think it would do any good.

The little customer's man asked her vaguely how many shares she had and she replied . . . "12,000." At THAT, he jumped up and produced a bevy of big shots in the organization . . . one of whom asked the dear lady what she wanted to buy in lieu of the "fiddlefang" stock.

She announced as how she didn't know what to do because now that it was selling for only nineteen cents a share it left her non-plussed since her husband paid 28 cents a share for it years ago. At that point, everyone concerned did a flip-flop because the stock at this point was nineteen DOLLARS-a share . . . and the poor old gal only had 12,000 shares. Weehee!

Along those same lines . . . a number of years ago, a GYP artist in the real estate line, sold an elderly couple two lots in Hollywood for \$750 apiece. They had planned on perhaps building a small house on the property to settle down and raise whatever one raises in Hollywood.

After having bought and paid for them, a relative with know-how, happened to visit them, so they took him out to show him their wonderful purchase. He recognized immediately that they'd bought a pig in a poke and told them so. The lots were poorly located, the ground full of scrub and rocks and not a chance of doing anything with it.

The little old man, mad as a hornet, called the real estate gent (?) and asked him to buy them back . . . even if it meant a loss to them. The land broker naturally turned them down in no uncertain terms. He admitted the lots were a dud but business is business, etc.

A good year went by with the poor old couple stuck with the bad purchase . . . then the villain came by one day and OFFERED to buy the lots back at the price they had paid. Our hero was so mad he told the guy to get the aich out . . . that he didn't care if he EVER sold them.

Time marched on and each month the broker would stop by, offering them more money every time . . . but no sale. Finally he got to stopping in every day and ended up offering \$1,500 per lot. The old man still refused to sell . . . but by this time he smelled a rat!

On making inquiries, he found that Disneyland was to be built on that site and they were all clear except for the little man's two miserable lots . . . which were right in the middle of the whole project. He finally made a settlement with the company involved whereby he and his wife get rent of a thousand dollars a month as long as they live. We hope the real estate agent has nightmares at this point.

Have you heard lately about the two cockroaches having a gab fest? One asked the other: "Have you been in that new restaurant across the street? It is beautiful . . . cleanest floors you've ever seen; all the counter tops are spotless and even the ceiling is a dream of cleanliness." His companion cockroach suddenly looked up from his nibbling and remarked: "UGH! Don't tell me about it while I'm eating!"

In the mail bag . . . a fairly good golfer suddenly gets off on his putting and it bothers him so much he develops a complex and can't even sleep at night. A friend suggests he go to a psychiatrist . . . and tells him of a doctor who also plays golf and therefore would be sympathetic about the whole deal. Our golfing hero takes the advice . . . sees the psychiatrist . . . and feels after a few weeks he is making great progress.

After the fourth week, the good doctor greeted him with . . . "I'm sorry but I can't take you for any more sessions. Since I've been treating YOU, MY putting has gone to pieces."

Student Project Aids Heart Fund

The Michigan Heart Association's Memorial Research Fund is richer by the sum of \$10 which they received from students in Miss Jean Palazzola's third grade class in Monteth School.

The students raised the money to contribute to the heart fund by operating a confectionery and fruit stand in their room. They decided on this fund following a heart attack of a

father of a student, and that of President Eisenhower.
Ernest T. Guy, executive director of the association sent the third grade students a letter of thanks for their efforts.

'Pay As You Go' For Health

By Fred Kopp, R.Ph.

As medical science increases its knowledge of diseases and their effects on the body, tests and instruments to detect disease are developed. Medical care of this type must be given in a hospital usually, where these instruments are utilized every hour of the day to benefit the most people.

At one time or another one or all members of your family may require such attention. Then the cost will be easier to stand if you have enrolled in a hospital group plan where the protection is provided by monthly contributions.

Ask your doctor about medical group plans.

What Goes On at Your Library

By Jean Taylor

Guest Columnist: Virginia Leonard

Why go to the library? You may be ridiculed by some of your smart friends who feel that reading is "for the birds." Their quick perusal of the daily papers keeps them abreast of all that matters in the world and leaves them all that extra time for fun.

Perhaps you live a fair distance from the library, so that the trip is a hot one in summer, a wet and windy one in spring, a cold and icy one in fall and winter. Why bother?

Then there is also that miraculous medium, the TV, Diversified entertainment right in your own home—what could be better or more convenient? All this, plus some card game, conversation with congenial friends, participation in sports, perhaps, and your life is complete—or is it?

Why not go to the library? You have nothing to lose and everything to gain. A brisk walk, even in inclement weather, is invigorating. If, up until now, you have been satisfied with journalistic and periodical coverage of facts and fiction, a great new world awaits you. Books, magazines, pamphlets—all are waiting to help you solve problems, answer questions, whet and satisfy your intellectual curiosity and esthetic tastes.

If you have a yen for yoga, a craze for cuneiform writing, a penchant for pottery-making, or a flair for physics, the public library will satisfy your needs and desires.

All ages are served. The preschooler comes in for his story hour and easy books; the older youngsters for homework material and leisure reading books; the teen-ager runs a varied gamut of topics from mythology to rock and roll; the adults expand in all directions with a myriad of interests. The up-and-coming library must be

on its toes to have adequate material available to supply all these divers needs.

Have you ever wanted to be alone? Have you ever fled the pandemonium of your home to seek refuge in the peaceful atmosphere of a library? Try it sometime. A library is conducive to constructive thinking, quiet meditation, even day-dreaming. With the maddening crowd eliminated, a child may vicariously live out the life of his favorite hero; an adult may come to a final decision on some weighty problem.

A library is like a large supermarket where you may come in to buy a package of prunes and a pound of butter, and come out staggering beneath the load of countless canned goods, meats, fruits, etc., all tantalizingly beneath your hungry eyes.

In the public library you may come in for a new Eberhart, a recipe for pizza, or a forgotten date in American history, but you will invariably return to your hearth with a bagful of books and other reading material on a variety of subjects, written by different authors.

And when you return this literary loot to the library, you will find that you have become infinitely richer intellectually. Perhaps you have become familiar with several new authors, or it may be that you have acquired an additional hobby, or even a new vocation.

And so, gentle reader, in addition to your TV, your dividers, and your friends, do set aside adequate time for a regular library visit. It really will pay dividends.

Park Gridders Switch Leagues

In a surprise move, Grosse Pointe Park joined four other suburban communities, Birmingham, Lincoln Park, Royal Oak and Dearborn as they jumped from the Jack Lowther Little Football League to form their own organization. The new league will operate under the title of All American Little Football League.

The other local team, Grosse Pointe Woods, chose to remain in the Jack Lowther League, which is currently comprised of East Detroit, Hazel Park, Egan, Cannon and O'Shea recreation centers.

The new league will have a team advantage of 10 to 6. Birmingham will field three units. Lincoln Park, Royal Oak and Grosse Pointe Park have two each and Dearborn one.

The Lowther League teams have one unit each.

Basically the two organizations will have the same structures. The Lowther League age limits are 9 to 12 while the All American League will take boys who have not reached their thirteenth birthday by August first of this year. Next year the birthday deadline will be November first.

The biggest difference in the two leagues, and possibly this was the reason for the split, is the weight limits. The Lowther League maximum weight is 125 pounds as compared to the All American League limit of no more than 110 with a minimum weight of 75 pounds.

The All American team officials felt their smaller teams could not successfully compete with the bigger teams produced by the city teams because they (All American) were denied the services of the bigger boys who play on Junior High School teams which is not the case in the City of Detroit.

There was an attempt to reconcile the two groups but it failed when Dick Sauerbrun, of the big Birmingham contingent, voted in favor of the All American League. Formal resignation notices have been mailed to Mrs. Earl "Dutch" Clark who started the league two years ago.

Officers of the new league are: Howard Neilson (Royal Oak), president; Carl Markeho (Lincoln Park), vice-president; Bill Brown (Grosse Pointe Park), treasurer; Frank Hendricks, secretary.

Officials of the Park League in an attempt to get more Pointe youngsters playing, have invited boys from the City of Grosse Pointe to play with the Park teams. This move was made because the City appears to be too small to form a team of its own. However, if City small fry show enough interest next fall an attempt will be made in 1957 to form a City team to play in the Lowther League.

With the City youngsters joining in the Little Football League program it leaves only the Farms out of the picture. Park officials have indicated they would help the Farms to set up a program of its own if enough youngsters are interested.

Next fall the Park varsity team will travel to Philadelphia to play a game on Thanksgiving weekend which will be the date for the Pop Warner Independence Hall Midget Football Festival. Between 25 and 35 Park youngsters will make the trip.

CLUB MOVES BELOW

The Grosse Pointe Rotary Club will hold its regular weekly meeting in the basement floor of the War Memorial Center on Monday, May 28, the last day of the club-sponsored Antique Show.

Blue Devils Win All American Awards

Posing with their coach, FRANK BANACH, are the Blue Devil swimmers who won berths on the 1956 All American High School team. Shown left to right: COACH BANACH, LES CUTLER, BILL WACHTER, HARRY HUFFAKER, DAN GOODNOW and CARL ANDERSON, the

latter four comprised the 100-yard speed relay team which had the tenth best time for the event in the country. Cutler earned his award by posting the ninth best time for the 100-yard backstroke event.

U-M Sailors Win Twice

University of Michigan sailors were a busy, successful crew on Saturday and Sunday, May 5-6, as they captured the Area "C" Midwest Collegiate Elimination series and the Michigan Intercollegiate championship series held on the Detroit River off Bayview Yacht Club, which sponsored both events.

By winning the elimination series, Michigan, along with Wayne University, who finished second, qualified for the Midwest Collegiate finals to be held at Purdue University on May 19-20.

At that time winners and runners-up of three other Area Eliminations will vie for the right to represent the Midwest in the Intercollegiate Nationals. These will be held on Lake St. Clair and sponsored by Bayview Y.C., June 18 through 22. Grosse Pointe Yacht Club has generously offered its facilities for the event.

Michigan's winning skippers in the 16 race round robin "C" Eliminations were: Bruce Goldsmith, Tom Johnstone and Dexter Thede. Sailing for Wayne were Pointers Pete Krembel and Pete Goebel. Michigan State tied with Wayne on points but dropped the third place when the judges employed the "horse race method" of breaking the tie. University of Detroit was last in the final standings.

On Sunday, May 6, Hillsdale College joined the four schools that sailed the day before to compete for the Michigan Intercollegiate Championship. Michigan again sailed off with the top prize. Hillsdale took second and was followed by Wayne, Michigan State and University of Detroit in that order.

Both series were sailed in cat-rigged Penguin dinghies over a mile triangular course patrolled by a boat from the Detroit Harbormaster Division and efficiently supervised by Bayview race chairman Bill Nagel and his committee of Jim Schudel, Bill Connolly, Commodore Bob Benkert, Ed Desmond, Bruce Conlon and Fritz DeFries.

Hamtramck Beats Devils In Regional Tennis Match

For the seventh year in succession Grosse Pointe's tennis team has been forced to take a back seat to Hamtramck in the Regionals. This time it was at the new Edsel Ford High School last Saturday, May 19, as the Cosmos fashioned 14 1/2 points to the Blue Devils' 12 1/4 to take the team trophy.

Bill Bryant and Bill Hotchkiss failed to read the script prepared by Hamtramck's coach Jean Hoxie and tumbled the Cosmos' number one doubles team of Jerry Dubie and Norm Muscle, 6-4; 6-4, to win the doubles crown and qualify for the State tourney at Kalamazoo on June 1 and 2.

Dubie Beaten
Dubie is the 1955 State singles champion but he won't be defending his crown this year. He lost out in the Regional singles which was won by his teammate Senkowski.

Grosse Pointe's chances of capturing the Regional crown went down the drain when Rick Champion lost to Hamtramck's number 2 boy, Duco, and Joe Donovan lost out in the quarter-finals to a Hamtramck player. Had either Champion or Donovan been able to advance another step in the tournament it would have given the Blue Devils a tie. If both could have won Grosse Pointe would have taken the title.

Silly Arrangement
Actually, it seems silly to pit two of the strongest Class A teams against one another in the

same Regional while other Regionals are made up of weak sisters who advance to the State finals only to be knocked out in the first round of play.

Before another year passes a move will be made by Grosse Pointe to correct this.

Beat Highland Park
On Monday, May 21, the Blue Devils rolled over their sixth straight BCL opponent as they continued to roll towards their second successive league title. Highland Park was the victim by a 7-0 score on their own courts.

Rick Champion won the number 1 singles 6-1; 6-0, Eddie Pongracz took the number 2 singles 6-2; 6-0, Joe Donovan copped number 3 laurels 6-0; 6-0 and Ethan Pawsat made it a sweep of the singles with a 6-0; 6-1 victory.

Bill Bryant and Bill Hotchkiss continued undefeated in the number one doubles 6-0; 6-0. Bill Connolly and Pete McGrath did the same in the number 2 match and John Nicholson and Pierre St. Amour dropped two games of the first set before winning 6-2; 6-0.

Marcereau Hurls No-Hit Game in Beating Parkers

By Gil Cox

"If at first you don't succeed try, try again." That's Bob Marcereau's motto and it paid off big dividends on Monday, May 14, as Bob fashioned a no-run, no-hit, 3-0 victory over Highland Park on the Polar Bears' home diamond.

The victory avenged an earlier defeat by the Parkers and kept Coach Ed Wernet's Blue Devil nine very much in contention for the Border Cities League crown. Currently, the Blue Devils are all snarled up with two other teams in a three-way hassle for second place in the race. Fordson is leading the league by one game.

Weather Fouls Schedule

Because of inclement weather this spring the league schedule is all fouled up and can't be untangled until the final game has been played next week.

The Blue Devils have Fordson, Wyandotte, Monroe and Royal Oak remaining on their schedule and it is figured if they can take three of the remaining four games the title will be theirs for the third year in succession.

Coach Wernet's Blue Devils have enjoyed some mighty fine schoolboy pitching from Steve Horn, Chuck Mocerri and Bob Marcereau but Bob's no-hitter was the classic of the season.

Came Close Before

On two other occasions this season Bob has come within an

eyelash of a no-hitter only to see his dream-bubble burst in the final inning.

After the Blue Devils had scored their first run on a double by Nick Genova in the second inning and pushed across two more in the fifth when Bill Anderman and Bob Ritter scored on a timely single, Marcereau bore down to set the Parkers on their collective ear.

In the final inning Marcereau got the first boy to pop out to the second baseman and the second batter tapped a grounder that looked like a sure out, but it was fumbled. Marcereau picked the runner off first before getting the last batter to pop out, ending the game. Bob's teammates practically beat him into submission as he strutted from the mound.

Only Three Get On

Only three Parkers reached first base during the seven inning game. Only one of these reached second as Marcereau bagged the opposition with his buff full of tricks that has made him one of the best pitchers in the BCL.

Boat Banter

By Fred Runnells

Bobby Dodd's new boat, a 30-foot sloop, was trucked in last Friday, May 18, from Rochester, N. Y. Bob, a former red hot in the L class, popped all the buttons on his vest as admirers moved in for a closer look. Today Bob isn't so sure it's nice to own a big boat. That bottom gets awfully big when the sanding starts.

Johnny Nicol deserted the blowboat ranks last Thursday, May 17, when he purchased a 30-foot Chris Craft Sea Skiff. Said John "It's for business reasons only. I'll be back in a sail boat next year." John formerly owned the Pilot sloop "Balqu-

hidder" with Bill Nagel and Ed Desmond when they won their class in the 1954 Bayview-Port Huron-Mackinac race.

At the spring meeting of the Cruising Club of Detroit the following races were selected for the season championship in Cruising A, B, C and Schooner-Ketch classes; Detroit Y. C. Memorial Aegatta, St. Clair Y. C., Mayview Y. C. Spring Regatta, Detroit Boat Club, Grosse Pointe Y. C. Crescent Sail Y. C., Grosse Pointe (Little) Club, Edison Boat Club, Bayview Night Race and Grosse Pointe Y. C. Bluenose. A yacht must sail in seven races to qualify.

Race chairman Bill Nagel gave the boys the word on measurement. "They must not be dated later than June 1, 1954, if you expect to race in the Port Huron-Mackinac race," said Nagel.

Nagel also indicated the inspection of yachts would be much tougher this year and that quality and not quantity is what Bayview was seeking for the Mackinac race this July 14. The storm that kept 26 yachts from finishing last year's race proved the blowboat boys were getting too accustomed to a nice easy ride to the island in the Straits and weren't prepared for rugged weather work on a bumpy Lake Huron.

Commodore Dick Jeffery announced the sail yacht regatta

Club at Center To Hold Dance

The young single business and professional group at the

Grosse Pointe War Memorial, inspired by their picnic Sunday, May 20, decided to invite the very popular Wes and Julie Rea to start them off on some very simple square dance routines on the War Memorial's lakeside bowling green, which will be lighted for the occasion, on Saturday night, June 9, from 9 to 12 p.m.

Refreshments will be served on the Terrace and the formal gardens will be open for strolling.

Everyone in his twenties or thirties is invited.

Special notice is called to the change from Friday to Saturday night.

Boat Banter

(Continued from Page 20)

date for the Detroit Riverama has been set for Sunday, August 28.

The Detroit Yacht Club will kick off the inter-club weekly regatta schedule with its Memorial Day race under the direction of race chairman Syd Warner. A few changes and additions have been made to the program so you had better look sharply lest you miss something.

Bayview Yacht Club has set aside Saturday, June 2, for its annual Fleet Review. At that time one of the most famous if not the most famous fleet of sail yachts will parade for inspection in front of the commodore's stand in front of the club.

Flag officers Commodore Robert Benkert, Vice-Commodore Lynn Stedman, Jr., and Rear Commodore John Pottle, all Grosse Pointers, will have weary right arms after saluting each yacht as it passes.

Carter Sales, with the help of George E. Van, George Whitehead and Skip Boston, won the Raven class spring series held off Grosse Pointe Y. C. Saturday and Sunday, May 19-20, in 6 to 15 miles per hour northerly winds.

Carter's "Sea Sails" squeezed out Bob Kerr's "Chumlette" by a victory of a point to repeat its victory of last year. The order of finish was as follows: Carter Sales "Sea Sails II" 20 1/4 pts.; Bob Kerr "Chumlette" 19 1/4; Roy Barbier "Frolie" 18 1/4; Boyd Benkert "Thunderbolt" 18; Gordon McCabe "Jahuna" 16; Al Bortolotti "Nauti-gal" 10 and Jim Mason "Waif" 2.

POLICEMAN ROBBED
Park Patrolman Charles Cloar of 1145 Maryland, entered his own complaint on the police "blotter" in which he revealed the theft of two hubcaps from his car on Saturday, May 19, while it was parked in front of his home.

All Set to Pace Memorial Day Classic

Behind the wheel of the most powerful car ever to pace the Indianapolis "500" is L. IRVING (IRV) WOOLSON, president of De Soto and pace driver for the 40th annual Memorial Day classic at Indianapolis, May 30. With him in the Firefite special convertible is TONY HULMAN,

head of the Indianapolis Motor Speedway, who is the only other passenger allowed to take the traditional pace ride that leads the roaring racers into their flying start after once around the track. The pace car will be hitting an estimated 100 m.p.h. at the dramatic turnoff.

Big Race Set For Outboards

The local outboard racing season will get off to a whirlwind start next Sunday, May 27, with the running of the fourth annual Detroit Times Belle Isle 50 mile Marathon at 10 a.m. that day.

Grosse Pointe will have three top notch drivers competing for top honors in Glenn "Skip" Forcier, Gene Hawthorne, Jr., and Frank Foguth. None of the trio has ever won this event but two have come close. Two years ago, if memory serves, Forcier was leading the pack as they neared the downriver turn near Trenton when he ran into trouble and flipped. Hawthorne was up among the leaders last year when he got swamped by a cruiser's wake. Both are determined to win the marathon and appear to have an excellent chance this time, barring accidents. So far this season Hawthorne and Forcier have won their divisions in big regattas.

Three weeks ago Hawthorne was named top driver in a regatta down east and carried off three huge trophies. Two weeks ago Hawthorne won the C Utility class. They are more or less operating as a team this season and both are driving new Slocraft boats with Mercury motors.

The start of the race has been moved from the Windmill Pointe Y. C. down to Memorial Park near the Whittier Hotel. The Detroit Parks and Recreation department will provide the same facilities used for such events as the Detroit Memorial Silver Cup, etc.

The St. Clair Y. C. will be headquarters for the drivers and their families.

Last year more than \$5,000 in prizes were awarded and this

will be duplicated again this year. Grosse Pointe merchants are doing their share with prize donations.

The event is again being sponsored by the Belle Isle Outboard Club whose commodore Nick Kerns is the Pointer who did such a terrific job in his first year as commodore last year that the BIOC members did him the honor of making him commodore again for 1956.

Kerns is a tough task master who knows all the answers on outboarding and who makes his "shingle jockeys" toe the line. He preaches night and day the value of good sportsmanship and his BIOC members love it. They all are good will ambassadors wherever they race. In the short span of three years the Belle Isle Outboard Club members have done such a good job at regattas both competition-wise and as sportsmen that the club has become known across the nation.

Two other Grosse Pointers, the Dolly sisters—Millie Anderson and Edith Forcier, have played an important part in the success of the BIOC and the annual Marathon on the Detroit river.

The Hippler family of Bal-four road will be well represented with 17-year-old Andy driving in the A Utility class while his dad Ralph is acting on the race committee. Andy's little 8-year-old brother Weston, official mascot of the BIOC, will be on the shore cheering his big brother on.

Conscience tells a man he is doing wrong—fortunately it does not inform his neighbors.

Two Outboard Motors Stolen

Reid Hartz of 299 Rivard boulevard reported to the City police on May 20, that a Mark 30 Mercury outboard motor was stolen from his runabout which was moored at the City pier.

The motor was removed from the boat sometime Saturday night, May 19. It had an electric starter and is valued at \$600.

Jack Harrison of 617 Lincoln road, also reported to City police that a 5 1/2 horsepower outboard motor was stolen from his sailboat sometime during the night of Saturday, May 19.

The boat was docked at the City's municipal pier.

Hats are the last word this season, and JEAN TAYLOR'S flat natural straw edged with red velvet ribbon has occasioned numerous flattering comments. It's rimmed with myriad tiny red, white, blue and yellow flowers.

MRS. EUGENE KLAVER likes the modified new look hat. Hers is a natural white baku straw with smart white bow smack in front.

A shallow pillbox of white crepe, the top becomingly embroidered with pearls and white sequins is the choice of MRS. M. B. COYLE.

And MRS. FRANK VAN HOVE wears a small close-fitting chapeau fringed in white, nice with her white-flecked navy suit.

A breath-of-spring mink stole sits well over MRS. PETER GALLETTE'S taupe costume suit piped in white; tiny white forget-me-nots and hyacinth cover her small white chapeau.

MRS. ARTHUR G. KIRCHNER, seen at the DAC, was stunning in navy wool jacket suit faintly flecked with white. A trio of crystal buttons ornamented the jacket front; small satin bows and a tiny veil finished her navy straw hat and a scarf of sables completed her costume.

PILFERINGS

This is the most disconcerting experiences which one cleric has had thus far in his ministry: An elderly lady of determined aspect took a seat in a front pew of his church. When he began his sermon, she opened a little wooden box and extracted an elaborate hearing device, which she arranged, screwed together and adjusted to her ear.

After two or three minutes, she moved the receiver, unscrewed the mechanism and packed its component parts snugly away again in the box. And the preacher had to preach on.

The late Dwight Morrow, who was very absent-minded, was once reading earnestly on a train when the conductor asked for his ticket. Frantically Mr. Morrow searched for it.

"Never mind, Mr. Morrow," the conductor said. "When you find it, mail it to the company. I'm certain you have it." "I know I have it," exploded Mr. Morrow. "But what I want to know is, where in the world am I going?"

A gangster rushed into a saloon, shooting right and left, yelling, "All you dirty skunks get outta here."

The customers fled in a hail of bullets—all except an Englishman, who stood at the bar calmly finishing his drink.

"Well?" snapped the gangster, waving his smoking gun. "Well," remarked the Englishman, "there certainly were a lot of them, weren't there?"

MR. GLENN PRATT OF NEFF ROAD

—Fred Runnells Photo

By Kitty Marriott

It took the combination of a rainy day and a coincidence ten years ago to start Mr. Glenn Pratt on the antique china collection which he views with pride today.

"I used to be one of those husbands who always speeded up when we passed an antique shop," he recalls with a chuckle. But those "days have gone forever."

In the summer of 1946 when the Pratts were vacationing in Traverse City, Mrs. Pratt, a collector of fine glassware from way back, decided to visit the local antique shop one rainy afternoon. For want of something better to do, Mr. Pratt accompanied her. While his wife wandered through the shop, Mr. Pratt twiddled his thumbs, then politely pointed to a colorful pitcher and asked the proprietor what it was.

Name's the Same

"Pratt Ware," she replied, and he could scarcely believe his ears. The coincidence of the Pratt name, as well as the beauty of the Pratt products, attracted his interest, and he has been an avid collector ever since.

Pratt Ware, says Mr. Pratt, who reads everything he can find on the subject, has come to be almost a generic term, so that the collector must know what he is searching for. Antique dealers classify many products contemporary with Pratt Ware under that same title.

Searching for authentic Pratt Ware has become such a problem (they can visit 20 antique shops without finding a single good piece, the Pratt say) that Mr. P. took some of his best pieces out into the sunlight and photographed them, again in black velvet in order to show dealers exactly what he is looking for.

Date Back to 1780

The earliest Pratt wares, produced by the original Felix Pratt between 1780 and 1820, seldom had either the potter's name or a distinguishing mark. For that reason, the Wedgwoods or the Brothers Ralph or Enoch Woods were often given credit for the delicately designed and brilliantly colored jugs, tea pots, plaques and even portrait busts done by Pratt.

Early in the 20th century, however, Mr. Pratt explains, some early pieces came to light on which the name "Pratt" had been scratched in the soft earthenware before it was fired. This caused a re-appraisal of early Pratt ware; today such majolica-like, highly colored, lightweight earthenware decorated with motifs of acanthus leaves, oak leaves or vines are generally attributed to the first Felix Pratt.

Among the 125 to 150 pieces in Mr. Pratt's collection, the earliest include an Admiral Nelson jug, probably made by Felix Pratt himself; a cream pitcher or miser jug and a tea caddy, all in lovely majolica colors.

Decorated Pot Lids

The move from pitchers and teapots to lovely china pieces was not a direct one for the potters. Their first step was the decorated jar and pot lids which collectors value highly today. Mr. Pratt has some of the rare 19th century Staffordshire pot lids by Pratt. A handsome painting of a lad tops one of his pomade jars and a tiny rosette-size jar has a bottom border design of gold and a top lavishly covered with roses and pansies.

Although Mr. Pratt has the famous painting of "Peace" atop a coffin-shaped jar lid, he has been unsuccessful in his search for "War," its companion piece. These strange little pots and jars carried commercial articles of all kinds ranging from meat paste; to hair oils over a century ago. Choirs and Blackwell are said to have first marketed their marmalade in Pratt jars with poly-colored lids.

Experimentation by Pratt potters resulted in the development of naturally colored scenes and designs in poly-color on china, even to the reproduction of many famous English paintings and Royal Academy masterpieces.

Table China Next

It was but a brief step, Mr. Pratt tells with enthusiasm, from colored lids to production of table china with bands of distinctive color around the rim and the colorful scenes in the body of the plates or cups.

Mr. Pratt has several dinner plates, highly colored and beautifully glazed, in which a reproduction of a Royal Academy painting, "The Hop Queen," is the centerpiece. "The Ruins" is another famous piece set against a peach background on a Pratt cake plate. Handsome pictures grace the center of a set of dessert plates which Mr. Pratt has also gathered.

A platter bearing another Royal Academy painting of "The Blind Fiddler" is trimmed in pink and gold. Mr. Pratt has collected some "old Greek" designs in Pratt ware, which show classic Grecian figures against a black background. His "Old Greek" items included a demitasse cup and a lovely old platter or tray.

Mr. Pratt owns about 20 pieces in the Cavendish pattern which has a butterfly and flower design differing slightly on each piece. Among these are a teapot on a tea stand, a cake stand and sugar and creamer. The velvety patina makes each of these outstanding.

Difficult to Find
Pratt ware is scarce as hens teeth, Mr. Pratt emphasizes. He and his wife have traveled all over and written a great many

letters in his search for authentic Pratt dishes.

He has several pieces which he considers "Pratt-type" but not Pratt Ware. He has identified an old toothbrush-holder as made by Fumival, a contemporary potter with Pratt. A hot water jug with pewter top, sent him by a London gallery as Pratt Ware, he is quite certain is only "Pratt-type."

Rotary Antique Show

Mr. Pratt is president of the Grosse Pointe Rotary Club. As its president and as a collector in his own right, he is vitally interested in the Antique Show which the club is sponsoring May 24-28 at the Grosse Pointe War Memorial Center.

Mrs. Pratt has an eye on the antique show, too, for she was a devotee of antique glassware long before her husband got the collector's bug. Much of her collection has been packed away since they moved to smaller quarters from their Shoreham road home. A few lovely items which Mrs. Pratt does display are a large cocktail pitcher, a delicate old-fashioned pitcher and a huge blown glass vase with fluted top, all in cranberry glass, and a large amber pitcher.

Both Hunt Antiques

Mrs. Pratt, a member of the Grosse Pointe Artists Association, has many handsome paintings of her own in their home. One is a fine likeness of Mr. Pratt which hangs above their fireplace.

Working hours find Mr. Pratt employed as a divisional head of Buhl Sons Company, which deals in wholesale hardware supplies and appliances, a far cry, indeed, from collecting rare china.

What does Mrs. Pratt think of her collector-husband? The hobby they now share gives them many hours of enjoyment together prowling through antique shops, although she remarks with a smile, "Now Papa will stop where I would just as soon go on!"

TIRE NUTS

Mrs. VIREGINIA OLSEN of 1259 Aline, reported that someone had punctured two tires of her car on Thursday, May 17, with an ice pick while the vehicle was parked in front of her house. Woods police recorded the complaint.
