# Intersection

(Continued from Page 1)  
Alister Hunter of Manistiquis in Detroit, was driving his father's '53 Plymouth north on Moross. As he approached the Kercheval intersection he saw a car in the middle of the street. He attempted to stop his car but it skidded on the wet pavement, sliding into a '47 Dodge driven by Louis Jackson of Ashland, Detroit.

Jackson and his wife, Gladious, were taken to Cottage Hospital in the Farms' ambulance by firemen James McIntosh and James McNeff. Hunter's car knocked down a street sign, ran through a fence and some bushes and damaged the lawn at 154 Moross before it finally came to a halt.

Both drivers were issued citations for reckless driving causing an accident. Their court date was set for June 27.

Officers William Fowler and Eugene Thomas attended the accident.

# Six Honors Awarded To Malcolm McColl

Malcolm McColl, son of Dr. and Mrs. Kenneth M. McColl of 940 N. Oxford road, received six honors at the annual Engineering Achievement Banquet of Wayne University, held May 18.

Including awards for appearing on the dean's honor list for two semesters, and two honorary engineering society bids, McColl also held the highest scholastic average in his class.

# TO PAINT FIRE HALL

Because the auxiliary members of the Woods Fire Department expressed a desire to repaint the fire hall, the Public Safety Committee urged the council to purchase the needed amount of paint for the job. The council approved the move on Monday, June 4.

# IT'S SWITCHCRAFT

— that's what it is!

You'll see when you try Buick's new Variable Pitch Dynaflo!

IT TAKES a new word to describe the magic at your command when you drive a '56 Buick—with the newest transmission of them all.

It's full power go-ahead on the instant. You can get where you were just looking in a shaved second's time—with the most modern and most thrilling surge of safety acceleration in the land today.

It's smoothness, too. Complete freedom from the "bump" and lag of gears-shifting. Only with Dynaflo can you go winging away with so smooth a sweep.

And only with a '56 Buick can you enjoy Dynaflo's newest marvel. The engineers call it "double regeneration." Lets you pedal off like an Olympic sprinter, with the pedal pressed just an inch or less. (And driving that way, you get better gas mileage.)

There's more big news, too, that goes with this new Buick magic. And that covers a lot more than styling.

Sure—you'll like the graceful new beauty of the V-shaped prow and sweep-ahead look. And you'll like the extra room inside.

But as you drive you'll find that this Buick responds with the new might of a big, record-powered V8 engine of 322-cubic-inch heft.

It handles easy as butter to a warm knife. Tracks the curves like a plane on the beam. Makes any road seem paved with pillows.

And what's responsible for all this are more new engineering advances than Buick has ever made in one model year.

So why not come in and see—and feel—the difference they make? You'll soon know why owners find it's the best Buick yet—and the best buy yet, by far.

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Need Helpers For Day Camp

The Neighborhood Club is in urgent need of volunteers—high school or college students and mothers who would enjoy working with children in a most interesting summer day camp program.

The camp will run from June 25 through July 27 on Monday, Wednesday and Fridays from 9:30 a. m. to 3:30 p. m.

No special training is required, but in order for the volunteers to feel at home a short training period is devoted to the orientation of the workers and an introduction to the program. Many activities are provided for the children including Softball Leagues, Newcomb Leagues, handcraft, square dancing, hikes, special events and a special trip.

The problem of supervising and keeping 200 boys and girls, ages 7 to 12, happy is a major one, and only with the help of an adequate number of volunteers can this be done.

Please call Miss Masak, TU. 5-4600 if you have some spare time this summer. Your help will be sincerely appreciated.

Rotary Club Antique Show Proclaimed Great Success

The Grosse Pointe Rotary Club's Antique Show, held on May 25 through the 28, was such a success during its initial showing, that the club has decided to make the show an annual event.

At a regular luncheon-meeting held on Monday, June 4, in the War Memorial Center, Rotarian John Baker, chairman of the show, disclosed that the event grossed \$7,944.94. After all costs were defrayed, the club netted \$4,433.53, with a few ticket returns yet to be made.

He said that the exhibitors themselves, although they did not all sell what they had hoped, were extremely pleased with the way the show had turned out.

Baker modestly refused credit for the show's outcome, saying most of the credit should go to the chairmen of his committees and to the members of the club

and others who helped make the exhibit a success.

An accurate figure of how many attended the show was not known, but it was estimated that approximately 450 persons a day, or about 1,800, came to the Center to view and buy the antique pieces.

The money cleared will go to help swell the almost depleted club's Foundation Fund, thereby permitting the organization to continue its many civic activities without interruption.

CITY OFFICE HOURS

Reveal Beatings in Mexico

(Continued from Page 1) asking them if he could take them anywhere, but they said they were just waiting. The youth said that was all that took place.

Seized All Four Several hours later, Ronald said, the Tijuana police seized "my aunt and uncle and us boys just as we were about to get into the car to go home" and took them to the police station.

Mr. and Mrs. Helminen were detained in a downstairs room on trumped-up charges of "disrespect for a policeman," it was said by Ronald, while the boys themselves were held in separate rooms upstairs.

Ronald told of how he heard Peter yelling and being slammed against the wall, and figured things were going to get tough. "Then they came for me," Ronald said. "One man seemed to be the persuader. He had a moustache and wore leather gloves to protect his hands. They all kept yelling at me to tell the truth. I didn't know at first what they wanted."

Showed Him Cigarettes Then, he said, they asked him what he had purchased from the cab driver and showed him three cigarettes they had taken from Peter's coat.

When he refused to admit to something he had not done, Ronald said, the gloved-policeman commenced hitting him in the stomach, while another struck him over the kidney and the back of the neck. Peter and Storm were subjected to the same treatment, he said, with Peter also being struck on the back with a gun butt.

Ronald said this continued for about an hour and a half, and when he couldn't take any more, offered to confess to whatever they wanted him to, but the officers turned down the offer and finally released the entire party.

Adults Paid Fine Mr. and Mrs. Helminen paid a fine of \$48 before being released.

Ronald said that the affidavits were filed in an effort to have the responsible policemen disciplined and so that prospective Mexican tourists should be warned of the treatment the boys received.

Ronald was treated by Dr. E. E. Herring, a San Diego physician, who said that the boy had unquestionably been beaten. The youth suffered hemorrhages under the skin, and swelling and tightening of muscles of the abdomen and neck.

Peter and Storm did not require medical treatment. U. S. Consul Hale revealed on Saturday, June 2, that two policemen responsible for the beatings, were given 15-day jail terms, after he filed a protest with Tijuana authorities.

One of the jailed policemen was "permitted" to resign.

Harold Beatty Makes Ethyl's 25-Year Club

Grosse Pointe resident Harold A. Beatty, of 47 Pine, was inducted into Ethyl Corporation's Twenty-Five Year Club at a banquet held in the Park Shelton on May 28.

As a member of the technical staff at Ethyl Corporation Research Laboratories, Eight Mile and Pinecrest, Ferndale, Dr. Beatty makes special studies of new developments in the petroleum, automotive, and chemical industries. In previous Ethyl assignments, he has served as technical assistant to the general manager of the research laboratories, as assistant director of research, and as director of research planning.

Dr. Beatty acquired his education as a chemist from Princeton University, where he received his Bachelor of Science degree in 1926 and his Ph.D. in 1931.

Leukemia Fatal To 5-Year-Old

Detroit area residents share the sadness of Mr. and Mrs. Clifton Daniel of 2311 Tyler, Berkley, Mich., and members of their family living in the Pointe on the death of the Daniels' five-year-old daughter, Darlene.

Little Darlene, who played a flood of bubble gum and candy and other things to make her short life happy, died of leukemia in Children's Hospital on Saturday, June 2.

She was the granddaughter of Mr. and Mrs. Alphonse LeDuke of 1641 Brys drive, and Mr. and Mrs. Earl Daniel of 1378 Roslyn, and the niece of Woods Police Sgt. Wilbert LeDuke.

Mrs. Daniel, the little girl's mother, is the former Virginia LeDuke, who was born and lived in the Pointe area, before moving to Berkley.

It was in January that the story appeared in the Detroit papers that Darlene had contracted the dreaded disease and that she would never recover, and that she liked to receive postcards, and kindhearted Detroiters responded.

Her father said that she had been responding to treatment, but had a relapse on Memorial Day and was in a partial coma from that time until her death. Funeral services were held on Tuesday, June 5, in Our Lady of LaSalette Church. Burial was in Cadillac Memorial Gardens East cemetery.

PARKING BANNED

The Woods council on Monday, June 4, approved a recommendation made by the Public Safety Committee that parking be banned on the southside of Broadstone road from the alley west of Mack avenue to Eastbourne road from 9 a.m. to 6 p.m., excluding Sundays and holidays. At least 75 percent of the residents of the street petitioned for the ban.

# School Candidates Quizzed

(Continued from Page 4)  
 Grosse Pointe resident 4 yrs. Attorney, 512 Buhl Bldg., A.B., L.L.B., and L.L.M.; chairman, G. P. Woods City Planning Commission; past president G. P. Exchange Club; District Governor, Nat'l Exchange Club; Detroit Board of Commerce; Detroit Bar

Assoc. Mr. Lynch feels his chief qualifications are his knowledge of public school systems (Detroit high school teacher 15 yrs.) municipal government and law, gained in 20 yrs. of general practice.

"I became interested in the position because several of my friends told me that I was well qualified and urged me to become a candidate. Further, I believe that my experience as a class room teacher in the Detroit public high schools and my experience in government would be a valuable asset to the Board."

"I believe the Board of Education has done an excellent job in providing a fine program of education for the Grosse Pointe communities. If elected, I would use my influence to see to it that our boys and girls would continue to have the best opportunities for education that the resources of the community can furnish."

MARX, OSCAR B., JR. (3 yr. term)—954 Lakepointe—Grosse Pointe resident 10 yrs. One child in G. P. school; three children graduates of G. P. High; B.S. Eng., Princeton University; Manufacturer's Representative; Regional and State Delegate to The White House Conference on Education; last 3 yrs. president Grosse Pointe P.T.A. Council; Chief Air Raid Warden of G. P. Park. Mr. Marx feels his chief qualifications are 10 yrs. active participation in P.T.A. work; 8 years as member of Trombly P.T.A. Board; past president Pierce P.T.A.

"I should like to be Trustee because of my intense interest in education and because my P.T.A. work for the past ten years has brought me in close contact with the members of the staff and the needs of the system. I feel that the job requires clear thinking and conscientious leadership which I hope to provide."

"As a delegate to both the Regional and State White House Conferences on Education I have been able to get a cross section of the problems of many other school districts which should be helpful in the conduct of our school. I believe the policies of the present Board to be sound and would not propose any drastic changes."

PONGRACZ, EDWARD J. (3 yr. term)—782 Notre Dame—Grosse Pointe resident 26 yrs. Two children now in G. P. schools, one other a graduate of G. P. schools. Graduate of Mechanics Institute, N. Y. City; apprenticed watchmaker, Tiffany & Co. Owner Pongracz Jewelry Store, 91 Kercheval Ave. Member of G. P. City's Board of Tax Review; past chairman, G. P. City Park Committee; G. P. Rotary Club; G. P. Business Men's Club; vice-president, G. P. High School Dads' Club; P.T.A. president, Maire and Pierce schools; served 6 yrs. on P.T.A. Council. Mr. Pongracz feels his chief qualifications are his 25 yrs. business experience and contact with the people of Grosse Pointe, knowledge of their likes and dislikes concerning schools and local government; time during the day for community activities; and 20 yrs. experience in helping with school problems.

"I hope that I may continue to add to the constructive work that has been done by the past school boards." Continue the policy of the fine administrative personnel; see if the commercial courses at the High School are adequate, expanding them if

# New S. A. Officers Receive Congratulations

From the original field of 11 candidates which entered the primary election, the Grosse Pointe High School student body selected four officers for next semester's Student Association cabinet. Climaxing the campaign of signing petitions, painting posters, and addressing students at an all-school assembly, the four winners are congratulated by the incumbents. From left to right are BOB HAWLEY, new president, and STEVE HOWARD, incumbent; BRAD TISDALE, vice-president, and KELSEY STEWART, incumbent; MARCIA MOWER, winner for secretary, and JOAN ORTWEIN, incumbent; ED PONGRACZ, treasurer, and BOB MURPHY, incumbent.

necessary; to keep abreast of the needs of the teaching and custodial personnel so that their interest remains in the Grosse Pointe School system.

STRNAD, DONALD G. (3 yr. term)—21183 Lancaster, Harper Woods—Grosse Pointe School district resident 6 years. One child in G. P. school. College, 2 years. Vice-president General Die Casting Co., Ferndale, Mich. Active in G. P. Community Club; Chamber of Commerce; P.T.A. Poupard School; Grosse Pointe P.T.A. Council. Mr. Strnad feels his qualifications are active interest and participation in P.T.A. work; college education; civic activities and business experience.

"My primary interest in the position lies in the opportunity it presents to help mold our children into good citizens who will be dedicated to the principles of democracy. I propose to maintain the high standard of the Grosse Pointe School System and will whole heartedly work for any recommendations to provide our children with the best possible educational facilities."

VAN ZANEN, REYER (4 yr. term)—2135 Lancaster—Grosse Pointe resident 33 yrs. University of Michigan extension courses. Lumber dealer, Fraser,

Mich. Former member of G. P. Woods Park Commission; Vice-Chairman of Macomb County Chapter of Am. Red Cross. Mr. Van Zanen states: "My lack of formal education has perhaps caused a never-ending desire for knowledge. I have an avid interest in people and have traveled to the far corners of the earth to observe them. I am now, and always have been, a champion of free and liberal education in all its forms. Have had much experience of a wide variety."

"The privilege extended to me to become a citizen also brings an obligation—I have previously criticized and now I am willing to participate. I believe that a better job can be done."

"Education and the view of what constitutes education change. I believe there are presently great changes coming as to methods of approach. Mental muscle will be built tougher in an even more competitive world. The teaching of responsibility will receive greater emphasis as will be the teaching of the facts of life. I would favor to this end, gardens at grade level. Less emphasis on team glory, more of all participating sports. I believe one more high school would be necessary."

GROSSE POINTE RESIDENT 8 years High School; Univ. of New Mexico (incomplete). Owner, Zimmerman Insurance Agency, 1000 Guardian Bldg. Precinct delegate; American Legion; Economic Club of Detroit; G. P. Exchange Club; Friends of G. P. Library; Nat'l. and Mich. Assoc. of Insurance Agents. Mr. Zimmerman feels his qualifications are his knowledge of insurance enabling him to represent, with good judgment, the District on properly written insurance thus protecting the school district from major insurable losses.

"I believe my special abilities would be valuable to students, their parents and teachers; and to other citizens for effective and economical operation of our educational system."

"Continuous study and practice of the principles of education and of government defines and clarifies issues. Debate crystallizes public opinion. Members of our Board should carefully consider views of citizens in reaching conclusions, which, in their judgment, will best represent the interests of all concerned."

How to Profit Through Tax Exemption

With today's high tax levels, investors in medium and high tax brackets are turning to tax-free Municipal Bonds for income that they can keep.

If you have a taxable income of \$10,000 or more, you may be well repaid by investigating the advantages of tax-exempt State and Municipal Bonds. For instance, if you file a single return on a taxable income of \$14,000, you would have to receive a dividend return of 7.45% on a taxable security in order to equal the yield from a 3.50% tax-free Bond. It's something to think about!

Our New Booklet, "How To Profit Through Tax-Exemption" explains in plain language your need for tax exemption, tells how much these high-grade investments can be worth to you. There's no obligation. Send for copy today, or phone

## East Detroit Wants Part In Big Drainage Project

Along with other details concerning the progress of the proposed joint Woods-Harper Woods, Grosse-Gratiot Drain Project, the Woods council on Monday, June 4, was informed there might be another partner.

City Administrator William Lange disclosed that East Detroit is interested in acquiring storm drainage facilities, and he so advised Wayne County Drain Commissioner Christopher Mülle.

He said that he had informed the drain commissioner that the Woods would agree to East Detroit paying for and using a portion of the capacity of the Milk River from below the new

pumping station out to Lake St. Clair, but, only so long as this could be done without possibility of delay to the present joint program.

He said that East Detroit might complete its hearings in time to join this program because of the location of its entry into Milk River below the new pump station, a section which will be left to the end of the project because, he said, "It is expected to be a simple task to widen and deepen it."

Larry Pate, representing Pate and Hira, Woods city engineers, reported to the council that his firm and that representing Harper Woods will meet on Friday, June 15, with the Wayne County Drainage Board to submit plans, specifications and estimated costs of the proposed project.

He said that if these are approved, then it is intended to hold another meeting for the apportionment of costs and to accept bids on the pumps and motors for the project. This meeting, scheduled for July 12, has been postponed to Aug. 1, to give bidders more time to prepare their bids.

The council also accepted a timetable schedule submitted by Bond Counsel Claude Stevens regarding the project.

Although somewhat similar to a report submitted by Pate and Hira, the schedule is printed in full:

June 15: Meeting of the Drainage Boards for the three drain projects (Girard Drain, Black Marsh Drain and Milk River Drain); submission by engineers of plans, specifications and cost estimates of the three projects; adoption by each board of an apportionment of each project; resolution by the board for the Milk River Project authorizing an advertisement for bids for the furnishing of pumps for the project.

June 20 and 21: Publish notice of hearing on apportionments in Harper Woods and in the St. Clair Shores paper as to the Milk River project, and repeat this the following week.

Aug. 1: Hearings on the apportionment of costs of the three projects; receiving bids for the furnishing of pumps for the Milk River Project; resolution to advertise for bids for the construction work, exclusive of the pumps; following the hearing on the apportionments of costs, the Drain Commissioner will prepare an assessment roll for each project, which will be presented to each of the boards for confirmation.

Mr. Stevens said that the public hearing must be held since the apportionments will then have already been fixed.

He said that if the schedule is carried out, then the bonds can be sold during the latter part of September or early October depending on the bond market. He said that the several bond resolutions would be adopted about Sept. 1, after the actual cost has been definitely determined.

Whether you own or rent this is the new way and the modern way to get essential insurance to protect your home and personal possessions. North America, the country's oldest and strongest stock fire and marine insurance company, originated this packaged policy to furnish the quality protection homeowners and renters need in one simple policy instead of many. You have only one premium to pay, one policy to keep track of.

The policy covers your home and other structures on the ground (if you own), your household goods and personal property. It also includes liability and additional living expenses due to loss or damage. All this protection costs much less than you'd pay to get it in separate policies.

And here's another worthwhile benefit: — you get extra value with your North America policy, and "on-the-spot" personal service from your North America agent. He's an independent local businessman, trained to protect your welfare. You can change over any time—from several policies to one packaged policy—and get credit. ### Park Boy Hurt By Moving Car

A six-year-old Park boy suffered cuts and bruises and several loosened teeth when he ran into the side of a moving

automobile on Thursday, May 31. A Park police accident report revealed that Mark Steffen of 1135 Lakepointe, ran into the side of a car driven by Robert E. Harris, 50, of 86 Stanton, at Beaconsfield and Kercheval. Harris, the report said, had stopped for Kercheval, facing south on Beaconsfield, and had just started to cross Kercheval, when the accident occurred.

Harris told police that he did not see or hear the boy, until he heard him cry. He stopped his car and went to the boy, who was bleeding at the mouth and nose. The boy had been knocked to the pavement.

A witness, Richard Quello of 954 Berkshire, corroborated Harris' statement.

Young Mark was taken to Bon Secours Hospital by police where he was treated for his injuries.

### To Serve Here

The announcement of an addition to the staff of Christ Church, Grosse Pointe, has been made by the Rev. Erville B. Maynard, rector. The Rev. Thomas H. F. Masson will bring his wife, Christine Elizabeth, and two children, Sydney Elizabeth, two, and Sheila Margaret, 18 months, when he assumes his duties here on August 1. Mr. Masson was born in Windsor, Ontario, July 31, 1926. He received his B. A. degree in English Literature at Wayne University, Detroit, and has studied at the University of South Carolina, Bard College, New York, Huron College, London, Ontario, and did his post-graduate studies toward his master's degree at the University of Western Ontario.

After being ordained priest in 1953 by Bishop Luxton he served as missionary in Moosonee, Ontario, near James Bay. Later he served both St. Stephen's and St. Andrew's Churches in Sarnia, Ontario, meanwhile writing a religious column for a local paper.

Both Mr. and Mrs. Masson have been in the Armed Forces. He enlisted during World War II in the U. S. Naval Air Corps as a radio air gunner transferring to pilot training later. Mrs. Masson, who received her education at McGill University in Montreal, served overseas with the Women's Royal Canadian Air Service.

### Warning Issued To Dog Owners

Approximately half of the residents of the Shores owning dogs have not yet obtained their 1956 dog tags, said Shores Police Chief Fred Duemling.

The chief said that the dog owners of the community will have until Friday, June 15, to obtain the necessary licenses for their animals.

After that date, he added, police will make a house to house check and any owner who has not complied with the ordinance will be ticketed.

### Poll of Students Reveals Varied Future Outlooks

By Mike Meagher  
GPHS Journalism Student

A Scholastic Magazine poll taken last February revealed the "Career and Corporation" preferences of high school youth.

Questionnaires, each with a list of ten questions concerning college and career plans, were passed out to 13,645 high school youth from grades 9 through 12 within an age range of 14 to 18. The survey covered 30 states throughout the nation.

The poll showed that 46 percent expect to attend college. Forty-two percent of those who do not, signified that they would take specialized training instead. Among the boys, the most frequent reasons for not wanting to go to college were the service, work, "not necessary," lack of interest, and dislike for school. Marriage plans, work, and lack of interest were the only reasons given by girls.

The fourth question, concerning career preferences, showed that 21 percent of the boys wished to become engineers, and 19 percent of the girls plan a teaching career. Two other careers most frequently specified were the service and secretarial work.

A fifth question asked of the students sought to find the high school subjects which would best fit their chosen careers. The top five chosen were mathematics, English, science, typing, and stenography. Agriculture and chemistry were the lowest.

General Electric, General

Motors, Dupont, Westinghouse, AT&T, and Ford Motor Co. were named by 47 percent as the businesses which they would like to work for most. 50.43 percent had no answers while the remaining 12.55 percent were covered by miscellaneous, and those who were undecided.

General Electric, Dupont, and Westinghouse were picked as the top three American companies in scientific research. General Electric and Westinghouse were again chosen along with General Motors as the leading American companies in atomic energy development.

General Electric, General Motors, Dupont, Westinghouse and Ford were named again, this time in regards to respect for their products and name.

The last question, which asked students where they got most of their information about the world events, showed that 32 percent chose newspapers, 29 percent voted for TV, 20 percent for radio, 13 percent for magazines, and six percent for books.

### CHAINED DOG BITES BOY

Ten year old Billy Hendricks of 273 Hamilton court was bitten by a dog on the right shoulder blade Memorial Day afternoon. Billy was playing in the yard of Fred Boulanger at 345 Mt. Vernon and the dog was chained at the time. The board of health was notified and the dog will be kept under surveillance for ten days.

### GPHS Students Contest Winners

By Annette Krause  
GPHS Journalism Student

Two Grosse Pointe High School students have been awarded first and second prizes in an essay contest sponsored by Pontiac State Hospital.

The contest was held April 29 through May 2 during the hospital's tenth annual open house, in honor of National Mental Health Week. All high

school students who visited were invited to write an essay on the subject, "What My Visit to Pontiac State Hospital Has Meant to Me."

Virginia Homeler, 12A, won top award of \$50. Linda Korbs, 12A, won another \$25 award. The girls were given their checks on Monday, by Richard Arthawd, on the Public Relations staff of Pontiac State Hospital.

### Display Flag on Flag Day Legion Auxiliary Urges

"Fly your flag on Flag Day, June 14," is the appeal being made by the American Legion Auxiliary to all householders and business concerns of the city.

The appeal is being carried to the city's merchants by teams of Junior Auxiliary members, who plan to call on the managers of all business this week. A telephone committee of adult members is at work reminding all other Auxiliary members, friends and neighbors to have an American flag ready for display on Flag Day.

The endeavor is being directed by Mrs. Krezenski, the

Auxiliary's Americanism chairman.

"Flag Day is the birthday of the Stars and Stripes," explained Mrs. Krezenski, "the anniversary of the day on which the Continental Congress adopted the resolutions which designated that the flag of the United States shall be 13 stripes, alternate red and white, and that the union shall be 13 white stars on a blue field, to show a new constellation."

"That constellation, so new on that June day in 1777, now has grown to 48, and that flag now flies as the brightest symbol of individual liberty in a world again threatened by tyranny. We who live under that flag, enjoying the God-given freedom it symbolizes, certainly should be proud and eager to display our flag on its birthday. We of the American Legion Auxiliary hope to see this city a city of flags on June 14."

The Auxiliary also will ask for a full display of flags on the nation's birthday, July 4.

### St. Paul Seniors Win Quiz on TV

On Saturday, May 26, four senior students from St. Paul's High School appeared on the television program "Quiz 'em on the Air."

In the contest, sponsored by the Detroit News, the Paulites were opposed by four students from St. Martin's High School. All of the participants were questioned on information that had appeared in the News the preceding week.

The seniors from St. Paul's were victorious—gaining a total of 575 points to the 450 points of their opponents—and were awarded a 21-inch television set for their school.

The Paulites who took part in the contest were: Richard Letscher, David Touchton, Marilyn Marks, and Mary Klein. Mary Gurney was the alternate.

### Runs Into Boat Eluding Storm

A Detroit sailor found the Farms Municipal docks to be the nearest port in the Memorial Day storm. John H. Rickel, of 1824 Adelaide, in Detroit, was cruising off the Farms pier last Wednesday, when the storm hit.

Rickel pulled down his sails and turned on an outboard motor as he headed for the shelter of the harbor. Inside the breakwall he was still not safe from the high winds which rendered his craft unmanageable. The sailboat crashed into the side of a 20 foot cabin cruiser and careened into the docks.

Marvin Westrick of 412 Lothrop, owner of the cruiser, was notified of the accident. Rickel reported to Farms police that his marine insurance would handle the damages.

### Cinema League To Show Films

The Grosse Pointe Cinema League will feature a color movie on bull fights—taken in Spain and Mexico—at its next regular meeting on Thursday, June 14, at 8 o'clock at the Grosse Pointe War Memorial Center.

These bull fighting movies were taken by Rip Zwickey, local amateur movie photographer and league member, in Seville and Mexico City. He filmed not only the actual fighting itself but also caught much of the local color and native customs surrounding these colorful events. Mr. Zwickey will give a commentary with the movies.

This showing is open to the public as are all Cinema League programs. For further information call the War Memorial Center.

### Many on Staff Of View Pointe

By Diane Nau  
A front view of the school at lunch hour printed in soft blue-green tones and bronze lettering highlight the new 52-page View Pointe issued at Grosse Pointe High School today.

View Pointe is a semi-annual magazine which takes the place of the conventional, annual yearbook. It contains pictures of all the seniors and also of some of the many activities in which the students participate.

Seniors Marcia Keller and Marilyn Zdrodowski are the editors-in-chief. Additional page editors are: Altha DeCaville, Liz Elliott, Mary Jo Giroux, Page Guyton, Sue Guyton, Judy Hassel, Barbara Henderson, Virginia Homeier, Judy Ladd, Nancy Lauppe, Sue Lorimer, Sandy MacMechan, Bruce MacQueen, Kay Mancini, Gayla McPhail, Julie Michel, Cora Palmer, Pat Price, Karen Roeglin, Audrey Schmidt, Virginia Thompson, Mary Helen Tillison, Sue Tolkemitt, Dolly Trowbridge, Aurella Verveke, Phil Warren, Ann Wells, and Sally Whittingham.

### Student Winner In Pic Contest

By Ken Erickson  
GPHS Journalism Student Sigmar Regus, a junior at Grosse Pointe High School, won \$10 and a certificate of merit in a recent photography contest. The results were announced in the July issue of Popular Photography magazine, the sponsor of the contest.

His picture of Cliff Jenkins clearing the high jump bar in the June 1955 View Pointe, won the award.

Sigmar, who has taken over 100 pictures for school publications, has also entered four pictures in a contest sponsored by the Detroit Free Press and is waiting for the results. Several of his pictures have appeared in the Grosse Pointe News.

A native of Rumania, Sigmar has lived in five countries and speaks three languages.

"When I got off the boat in 1952, I couldn't speak a word of English," said Sigmar. Now he speaks it well. He also speaks Rumanian and German fluently.

After high school, Sigmar hopes to join the Air Force and later make motion picture photography or interpreting his career.

### From Another Pointe of View

By Kitty Marriott

Undoubtedly one of the proudest families taking part in the Grosse Pointe Horse Show next week will be the Thomas T. Petzolds who will turn out en masse Thursday evening, June 14, when the Arnold E. Hofmann Trophy is presented to Ruth Petzold.

Ruth, a student at Grosse Pointe Convent of the Sacred Heart, accumulated the highest number of points during the year at schooling shows given for Hunt Club juniors. This, by the way, will be Grosse Pointe Hunt Club's 45th annual horse show from June 14 to 17 inclusive.

The young horsewoman's parents will be there, of course, as well as her sister, Anna Dee, who'll be home from Noroton, Conn.; her brother, Bill, in from Cranwell, Mass., and her youngest sister, Patty, who also attends classes at the Convent.

### Hawaiian Atmosphere

Mr. and Mrs. Harry Short of Harvard road will make their recent April trip to Hawaii live again—or nearly so—when they entertain a group of Bloomfield area friends with whom they spent their vacation, at a dinner party at the Detroit Yacht Club on Saturday, June 9.

The "wahines and kanes" (ladies and gentlemen to us) have been asked by their hosts to wear Hawaiian attire purchased in the shops on Waikiki Beach. Naught has been spared to lend true Hawaiian flavor to the evening . . .

Vows Repeated on Saturday Evening in Grosse Pointe Methodist Church; Couple Honeymooning in Florida

A Saturday evening ceremony in Grosse Pointe Methodist Church united in marriage Sandra Lee Santmyers and Roy John Kemp. The Rev. Hugh C. White officiated at the 7 o'clock double ring ceremony.

The bride is the daughter of Mr. and Mrs. Melville F. Santmyers of Hillcrest road. The bridegroom is the son of Mrs. Maria Kemp of Fleetwood drive, and the late John Kemp.

An embroidered nylon tulle gown with scoop neckline and tiered skirt was the bride's choice for her wedding. She wore a matching veil and carried white glimmillias in a colonial bouquet.

Honor maid Dorothy Wetzel and the trio of bridesmaids, Key Kemp, niece of the bridegroom; Evelyn Pappas and Kay Piche, were attired in waltz length pink organza frocks with deep pink satin cummerbunds.

They wore pink floral headpieces and carried colonial bouquets of light pink glimmillias. The honor attendant had a colonial bouquet of deep pink glimmillias tied with deep pink ribbon streamers.

### ANOTHER WINDOW BROKEN

Cataldo Gasparro of 474 Bournemouth showed Farms police where someone had broken a window pane in the rear door of his home. The damage was done sometime during the evening of June 3. Police at first believed this was a breaking and entering attempt but a thorough search of the house revealed nothing had been disturbed.

### Plays for Kids To Aid Hospital

Many of the young members of the Grosse Pointe Children's Theatre of the War Memorial Center are in the final rehearsals for the three plays they will present in the Cannon Memorial Center on Saturday, June 9, at 8 p.m.

Starring roles of "The Princess and the Players," are those of Leslie Langs as Princess Elizabeth, and Linda Schaitberger, who will play her cousin, Anne. It is a story of a princess who aspired to be an actress, and her cousin's reaction to it.

The second play on the bill will be "The Wonder." It was written by John Todd, Tonto of the Lone Ranger, and has its theme in the sometimes obnoxious child star and the public's reaction to her. Cathy Coe has the role of the child wonder. Her parents will be played by Kathy Mansfield and Jim Wardwill. Others in the play are Lyn Cumiskey, Jo Anne Kordas, Tom Tunks, Margo Tompkins and Davis Rosen.

The third and main production will be "Cheaper by the Dozen" the famous story of Lillian and Frank Gilbreth and their brood of twelve. The father is being played by Tom Wells, mother by Julie Galow, Frank and Ernestine Gilbreth, co-authors of the book, will be enacted by Joyce Fincham and Bob Hunter. The other children will be played by Penny Court, Virginia Smith, Tom and Tim Tunk, David Rosen, Mary Mitchelson, Linda Lee Locke, Marilyn Wright, Jo Anne Kordas and Eddie Christian.

The young members of the GPCT have also announced that this year, proceeds from the plays will benefit the Children's Hospital.

The entire program will be dedicated to "Dad," with a special award to the father of the year who will be selected by the members of the theatre.

### Park Officers Attend School

Park Det. Sgt. Arnold Hough recently attended a Michigan State University Police Administration Command course in Traffic Control.

He attended the University on a scholarship award to the Park Police Department for its interest in traffic safety, said Park Police Chief Arthur Louwers.

The chief also disclosed that Det. Lt. Stanley Enders left for the University on Monday, June 4, to attend a Command Officers' School for one week.

The course he is taking is "Command Supervision."

### Elaine Schenck Bride-Elect

## Nuptial Vows Said By Joy Chamberlin

Becomes Bride of Edmond Allen Burns in Saturday Ceremony in Memorial Church; Garden Reception Follows

A reception in the beautiful Chamberlin gardens overlooking Lake St. Clair followed the Saturday marriage of Joy Louise Chamberlin, daughter of Mr. and Mrs. Gerald W. Chamberlin of Whittier road, to Edmond Allen Burns,

The Rev. Paul Ketchum heard the couple exchange vows at 4 o'clock Saturday afternoon, June 2, in Grosse Pointe Memorial Church.

The bride chose an all pink theme for her wedding, from the church where the aisle cloth was white over shell pink, and silver urns on the altar were filled with pink carnations, snapdragons and champagne roses, to the Chamberlin home and gardens where petals were used everywhere.

Her shell pink gown of peau de soie was appliqued with rose point motifs embroidered in tiny seed pearls and iridescent sequins. The tiny basque bodice extended into a full skirt and cathedral train. A circlette of iridescent and shell pink satin rose petals was her headpiece and she carried pink-tinted phalaenopsis orchids and stephanotis.

Matron of honor Mrs. Roy A. Fruehauf, of Birmingham, wore a waltz length chiffon gown in Schiaparelli pink with panels of enchantress pink, pink picture hat, and carried a basket of lace and tulle filled with tiny rosebuds and sweet heart roses to match her gown.

Attired identically to the honor attendant were bridesmaids Alice Ann Reitz, Seri Wigton, Patricia Morrow, the bridegroom's sister, Mrs. James Bottomley, of Pasadena, Calif., and Mrs. Wesley Bohnhoff.

Blair B. Deale came from Toronto, Ont., to serve as best man for the bridegroom, son of

Mr. and Mrs. Thomas Ormsby Cox, of Toronto.

Esquire attendants were Dr. Thomas Scott and John G. Dow, of Toronto; John E. Hatcher, Don Chamberlin, brother of the bride; Dan S. Holefca and Gordon Ford.

Mrs. Chamberlin pinned pink cymbidium orchids to her purse and wore a gown of rose peau de soie and Venetian lace with matching hat of soft silk rose petals and flowers.

Mrs. Cox chose French blue cymbidium orchids to her purse and wore a gown of navy Australian sheer straw chapeau. She pinned miniature pink orchids to her purse.

Three-year-old Royce Fruehauf, the bride's cousin, wore a white linen suit and carried the ring on a heart-shaped cushion.

For traveling, when the newlyweds left on a southern honeymoon, the new Mrs. Burns donned a nubby blue silk suit with matching accessories.

### Jean Ann Kimbrell's Engagement Announced

Dr. and Mrs. Lawrence V. Kimbrell of Washington road have revealed the engagement of their daughter, Jean Ann Kimbrell, to Paul E. Wright. Mr. Wright's parents are Mr. and Mrs. John Wright, of Rochester, Pa.

## Festival Planned By Sigma Gamma

Association Holding 29th Annual Spring Event This Saturday at Mt. Clemens Convalescent Unit

Sigma Gamma Hospital School's 29th annual spring festival and open house will be held Saturday afternoon from 2:30 to 4 when families and friends of the little patients will be guests.

Every year since its founding, the Detroit Orthopaedic Clinic's convalescent unit at Mt. Clemens has staged a spring lawn party, complete with the crowning of a king and queen. This year, instead of just two rulers, 18 of the youngsters who have been at the school longest will receive crowns as royalty of various islands in an "Island Interlude" program.

A command performance of the prize-winning Detroit Puppet Theater show, "The Bear Played the Bijou," will follow coronation ceremonies. Members of the Junior League who trained all last winter to present this amusing Michigan story will put on the show about the young trapper and the talented bears who achieve their ambition to play the Bijou Theater in Bad Axe.

Mrs. Robert Looker, past president of Sigma Gamma Association, is chairman of the Junior League troupe. The puppet play is the result of a competition sponsored by the Detroit Institute of Arts puppetry department and The Detroit News.

Junior members of Sigma Gamma Association, headed by President Ann Forster, will serve refreshments.

Mrs. Francis Palms Boyer, president of the senior Sigma Gamma group, has asked her first vice-president, Mrs. Frank B. Ware, to preside at coronation ceremonies at various "islands" in the hospital school building. Among these will be Muscle Beach on Pleasure Island in the physical therapy room, Canary Island in the occupational therapy room, Wise Island in the school room, Desert Island (or you might spell it Dessert) in the dining room, and Sleepy Island in the nursing center.

Miss Marcia Shaw, hospital school superintendent, reports

that every room in the school is filled with mermaids, fish and palm trees which will decorate the various islands. The youngsters have been making the trimmings for weeks.

According to annual custom, the Junior Sigma Gammals will present the school with a spruce tree to be planted on the grounds.

The dining room will become Sandwich Island for the serving of refreshments and some 100 guests and 50 children will eat in the adjoining courtyard and on the lawn if the weather is amenable.

Among the Junior Sigma Gammals who will assist Ann Forster in serving refreshments are: Ann Murphy, Mary Bradley, Georgia Schenck, Sally McHenry, Wendy Colby, Lorrie Candler, Kathy Harrigan, Judy Hefferan, Paula Walker, Mary Warren and Claire Fisher.

Accommodating 50 youngsters, Sigma Gamma Hospital School is the convalescent unit of Detroit Orthopaedic Clinic, Torch Drive agency, which serves some 2,000 physically handicapped children each year, affording complete orthopaedic care, surgery and physical therapy, social service and psychiatric consultation, group therapy, recreation and speech correction. The clinic was founded in 1920 by Sigma Gamma Association which continues to sponsor it.

### College Women's Club To Meet at Boat Club

The College Women's Club will hold its annual meeting on Saturday, June 9, at the Detroit Boat Club.

The meeting will begin at 11 a.m., with luncheon set for 12:30. New board members and officers are to be elected.

## Church House Dedication Committee

THE WOMEN'S COMMITTEE for dedication of the new church house of the Grosse Pointe Woods Presbyterian Church last Sunday is shown in the lounge of the new unit. They are, from left, MRS. LAWRENCE D. MARR, chairman; MRS. LATHROP P. MORSE, MRS. JOSEPH B. MASON, MRS. RICHARD K. HARRISON and MRS. CHARLES C. MULLIKEN.

## Red Cross Jrs. Say Thank You

Last week members of the Junior Red Cross groups in schools throughout Wayne County demonstrated their appreciation in more ways than just leaving a shiny apple on her desk.

Cynthia Lister, president of the Wayne County Council of Junior Red Cross said: "We wanted to do something special in recognition of Clara Barton who founded the American National Red Cross 75 years ago. Because she was a teacher for several years and because of our gratitude for the teachers in our schools whose guidance makes our Junior Red Cross projects possible we thought it a 'natural' to combine the two.

We suggested that Junior Red Cross members in each school work out their own way of saying thanks. We are certainly proud of the ingenuity showed by many of the school groups."

Cynthia said reports on projects are still coming in to the Red Cross office, but so far they include a "thank you" tree saluting teachers in service in Dearborn High school prior to 1945; presentation of photographs of Clara Barton to teachers in Northville, with Mrs. Ida B. Cooke, who taught in the Northville system 46 years receiving special recognition at a dinner.

Several schools had teas; in many schools pupils wrote notes of appreciation to home room teachers; displays of Junior Red

Cross-made art, manual art and sewing items acknowledging the assistance of the teacher-sponsors, were set up in different schools. Columbus school gave special recognition to Mrs. Josephine Hennick who was elected the Detroit Teacher Association's May teacher of the month.

"One of the most elaborate projects was undertaken by Nolan Junior High students," Cynthia said. "A tea for all the teachers was held in the library. Poems or notes were written and then presented to the teacher for whom they were intended. There was no mistaking for whom they were intended because each note or poem was done on paper cut to shapes suggesting a teacher's subject, such as typewriter or pallet and brush.

"Grosse Pointe High teachers attending a tea in their honor found a banner strung across the wall of the room depicting a huge apple on a small cart pulled by a typically dressed teenager."

Climax of the teacher appreciation week project was the presentation of a recognition certificate to Mr. Arthur Don-dineau, who retires in June as superintendent of the Detroit Public Schools and the Chairman of the Detroit Chapter Red Cross. Dr. Warren B. Cooksey, member of the Detroit School Board, and the Detroit Chapter Advisory Committee, and Cynthia Lister made the presentation at a luncheon held in chapter headquarters.

## Heart Classes Prove Popular

Follow-ups by the Michigan Heart Association disclose that many Grosse Pointe women, especially those whose doctors have told them to "take it easy" because of heart disease, are finding housework much lighter because of the "Heart of the Home" courses.

The Association, a Torch Drive agency, points out that the courses, primarily given for heart sufferers, is also open to any homemaker who just wants to make her housework easier.

The course, started at Wayne University in 1951, was brought closer to Grosse Pointe women when it was offered at the Grosse Pointe Department of Community Service a year ago on May 3, 10, 17, and 24. At that time, 24 women were present. It drew an enrollment of 34 when it was repeated on April 3, 10, 17 and 24 of this year.

The course is being continued at Wayne University during the school year, but is given at other points throughout the Detroit metropolitan area to make it easier for women with heart conditions to attend. Enrollment increased 376 percent following presentation in neighborhoods. Teachers, nurses and students also take the course so they may in turn teach cardiac patients in their homes.

## Welcome Wagon Holding Conference

The Welcome Wagon conference, sponsored by the Michigan Division of Welcome Wagon, Inc., and College of Communication Arts, Michigan State University will be held June 7-8 at Kellogg Center for Continuing Education.

John Marston, College of Communication Arts, Michigan State University will welcome hostesses from the State of Michigan at noon luncheon on June 7.

Greetings from the Governor's Office, Lieutenant Governor Philip A. Hart, will be read at the opening of the general session.

Speakers for the evening will be E. L. Warner, publicity director of General Motors, from the Oldsmobile Division; Fred Currier from the promotional staff of the Detroit Free Press; and Cecil H. Nickle, department of speech, MSU.

Lucille Hutchenreuther, supervisor, Grosse Pointe Welcome Wagon, and chairman for the day, will be panel moderator for supervisors throughout the State.

Mrs. Olive Howard, personnel director from New York City, of Welcome Wagon, Inc., and Mrs. Alice Griffiths, publicity director, will also speak on the progress of Welcome Wagon, Inc., which will soon be celebrating its thirtieth year of International Public Relations.

Those attending the conference from Grosse Pointe will be: Mary Louise Hurley, Joan Satt-

ley, Thelma Moline, Nancy Hirsch and guest from Wisconsin; and Mary Bishop, hostess from Phoenix, Arizona, and now of Grosse Pointe; and Lucille Hutchenreuther, supervisor for Grosse Pointe.

## Convent Grads Meet June 9

Alumnae of Grosse Pointe Convent of the Sacred Heart will hold their June meeting following a 12:30 luncheon at the convent on June 9.

Mrs. A. Stansell Bush, alumnae president, will introduce the 1956 graduates to alumnae at the meeting and officers will be elected for a two-year term.

Mrs. Robert Mason is making luncheon arrangements assisted by Mrs. A. Ingersoll Lewis, Jr., and Mrs. Robert Thibodeau.

Members of the June graduating class include Mary Bradley, Julie Bush, Maureen Cahalan, Anne Canniss, Christine Covey, Claire Fisher, Deborah Fitzgerald, Carol Hennecke, Judith Hess, Kitty Hutton, Patricia Killinger, Sally Lawler, Mary Ann Lynch, Mary Jean Moran, Ann Murphy, Carol McKenna, Antoinette Pugliesi, Judith Sigismond, Shirley Smith, Jill Taylor and Margaret Walker.

The trouble with patience is that the more you have the more some people use it.

## Party Workers Hold Luncheon

Mrs. G. Sam Zilly, Campaign Chairman of the Women's Republican Club of Grosse Pointe, announced a very successful luncheon meeting was held by Mrs. Henry W. Wise, captain of Precinct 7 of Grosse Pointe Woods, at her residence on Hampton Road for 15 block workers.

The purpose of the luncheon was to discuss the canvass of the precinct, a project undertaken by the Women's Republican Club of Grosse Pointe every presidential election. It was revealed that many of the block workers, although residents of the precinct for three or four years, did not formerly know each other, and that the work was being undertaken with the full support and endorsement of their husbands.

The workers were instructed to advise all residents of their blocks that the last day to register for eligibility to vote in the August primary is July 9, which is 30 days before the election. Absentee ballots may be obtained from city clerks up to three days before the election. The application for absentee ballots may be made in writing or in person.
