Neighbors Meet In Auto Crash

Two Detroit neighbors who live on the same street, drove all the way out to Grosse Grosse Pointe to bump into each other.

On Sunday afternoon, September 30, Loretta G. Slanbridge of Rochelle avenue, in Detroit, was driving her car on E. Jefferson. She stopped in the left lane of traffic to make a turn onto Fisher road.

Her car was struck from behind by one driven by Josef Heinrichs, also of Rochelle.

Vandals Break Into Work Shop

Farms police are searching for the vandals who broke into a construction company's work shop at Touraine and Chalfonte.

The culprits stole or destroyed on Sunday night, September 30, a steel tape measure valued at \$25, three padlocks at \$4.50, one pair of eye glasses, a dozen pencils, and a door handle. The vandals also broke two windows and spilled two 5 gallon cans of fuel oil.

Local Talent Being Sought For Annual Optimist Show

The "Kick Off" for the Grosse Pointe Optimist Club's Ninth Annual Review, "Minstrel's of '56", was greeted by a host of pretty gals and handsome fellows turning out for casting at the initial rehearsal, last Thursday night at Neighborhood Club.

There are still some choice openings available for local talent. Approximately 15 to 20 men and a few more women are needed who would particularly enjoy singing snappy show tunes. High School seniors or older are preferred. "Plenty of fun can be guaranteed for all participants," says Lon O'Conner, show chairman.

This year's production is again under the direction of Prudence Butterfield and her capable assistants, well known for their abilities to turn out professional caliber shows with amateur talent.

"This year's review promises to be a smash hit! The talent already signed up appears to be exceptionally good," Mrs. Butterfield exclaims.

All rehearsals are held at the Grosse Pointe Neighborhood Club, 17145 Waterloo, every Thursday evening at 7:30, until curtain call Friday and Saturday, November 9 and 10, at 8 p.m.

WAYNE PLANS HOMECOMING

Students at Wayne State University plan to make the Annual Homecoming celebration, Saturday, October 20, the biggest and gayest in history. Tartar griders will meet their PAC conference rival from Cleveland, Case Tech at 2 p.m. Following the football game, a post-game reception will be held at the Alumni House, 5165 Second Avenue. The Homecoming dance will be held in the Main Ballroom of the Masonic Temple.

Ticket reservations may be made by phoning Dr. Walter L. Tuttle, ticket committee chairman, at TUXedo 1-6817.

Family Movies Start on Friday

Grosse Pointers are reminded that tomorrow night's showing of Walt Disney's "So Dear to My Heart" will begin the 1956-57 Family Film series at the Grosse Pointe Public Library.

The film is in Technicolor, featuring Burl Ives, Beulah Bondi, and Bobby Driscoll in the leading roles. "So Dear to My Heart" is based on the novel of the same name by Sterling North. It is a film of interest to both children and adults.

The time of the showing is 7:00 p.m. in the Meeting Room of the Central Library at Kercheval and Fisher. Patrons are asked to be in their seats promptly at 7:00 o'clock so that the film, which runs ninety minutes, will be over before the Library's closing time.

No admission will be charged, nor are tickets required. Children of elementary and junior high school age are welcome if accompanied by a parent or other responsible adult. It is hoped that family groups will attend, as these programs are designed specifically for them.

Family Film nights will be continued through May on the first Friday night of each month.

Dr. Harlan Hatcher to Talk At Center Dinner on Oct. 23

Dr. Harlan Hatcher, president of the University of Michigan, will be honored at a reception and dinner to be held Tuesday evening, October 23, at the Grosse Pointe War Memorial Center, it was announced by John M. Chase, president of the University of Michigan Club of Grosse Pointe.

A reception has been scheduled for 6:30 p.m. and dinner at 7 p.m., followed by a talk by Dr. Hatcher.

Tickets are available from Mrs. Ruth H. Goebel, chairman of the dinner, 193 McKinley avenue. Since the number of tickets is limited, club members will have priority in the purchase of tickets until Monday, October 8.

Dr. Hatcher has now completed five years as president of the University of Michigan. Major developments have taken place during his term of office. Rapid progress is being made in the development of a new 700-acre North Campus, where the University plans to locate the College of Engineering, School of Music, College of Architecture and Design and the School of Education. Additional research facilities and student housing also will be located in this new area, which is across the Huron River from the Medical Center area.

Early in Dr. Hatcher's term of office, the campaign to raise funds for the Michigan Memorial-Phoenix Project was completed and the resulting research program into the peaceful uses of the atom has continued to expand.

The most extensive construction program in University history has been carried forward each year to help meet the increased enrollment and to improve services. Dr. Hatcher also has seen the idea of the Flint College of the University of Michigan, suggested by his predecessor, Dr. Alexander G. Ruthven, become a reality. Classes started in Flint in September, 1956. This is the first of the University's 16 schools and colleges to be located off the campus at Ann Arbor.

The new Development Council with its Alumni Fund, designed to assist in the University's financial program with alumni and other friends, has been firmly established.

High on the list of problems facing Dr. Hatcher since he took office has been the formulating of policies to meet the tremendous increases in enrollment which face all institutions of higher education.

With the co-operation of the Regents and the faculties he has set the following goals:

Controlled growth of the University of Michigan year by year rather than a deluge of students so that the increase in the student body will be no more than the faculty and physical plant can absorb each year.

Maintenance of the same high standards of admitting students, and of classroom performance which have marked the U-M from its beginning in 1817.

Continued growth in the University's distinction along with the increase in size.

Despite predictions that the

University will double in enrollment by 1970, President Hatcher has repeatedly advised the alumni, faculty and the staff not to become alarmed at the increase in size. He points out that the University has approximately doubled in size every 15 years since it was founded and that this growth in the past has never dimmed the University's world-wide reputation. He is firmly committed to the belief that the people of Michigan assigned a distinctive mission to the University.

This mission is to provide the highest quality education that is possible. To this goal, the University will continue to dedicate all of its resources.

At 8 p.m. Professor Slosson will speak on "What Lies Ahead in Foreign Affairs?" while Mr. Holt will outline briefly some of the concrete proposals offered by the United World Federalists to meet today's international problems.

Formulate Plans For 'Ike Day'

Wendell W. Anderson of Vendome road has accepted the chairmanship for the State of Michigan's participation in the nationwide celebration of "Ike Day," October 13, the eve of President Eisenhower's birthday.

Anderson, who held the personal rank of Minister under Eisenhower in 1954 and 1955 as Defense Advisor to Chief of Mission North Atlantic Treaty Organization and as Defense Representative for North Atlantic and Mediterranean Area accepted the appointment with "great pride."

"The opportunity of assisting the good citizens of Michigan in expressing their love and respect for one of the greatest men of our times, is an honor I prize most dearly," Anderson said.

Ecorse Officials Arraigned Here

Eighteen Ecorse officials, including Mayor William W. Voisine, were indicted by the Grand Jury on Friday, September 28, and arraigned before City Judge Douglas Paterson the same day.

Judge Paterson, who was picked by Circuit Judge Theodore R. Bohn, one-man grand juror, held court in the Neighborhood Club, 17145 Waterloo, at St. Clair.

The club was jammed with reporters, news photographers and television cameramen, who were on hand to witness and record the arraignment.

Judge Paterson released the 18 on bonds totaling \$32,000, which were met by the indicted men. Date for court examination of these officials was tentatively set for Monday, October 8.

The 18 persons, along with a number of Mary Does and John Does, otherwise unidentified, were charged in warrants with conspiracy to violate state gambling laws and for extorting and accepting bribes from gamblers.

The examination will be held before Judge Paterson. Among the defendants besides Voisine, are councilmen, members of Ecorse's police and fire commission, high ranking police officials, and men holding top appointive posts in Voisine's administration, and three gamblers, a former bar owner and a weekly newspaper publisher, who are accused as go-betweens in dealing with the gambling element and city officials.

Cinema League Holds Contest

Winners in the Grosse Pointe Cinema League contest held last Thursday at the Grosse Pointe Memorial Center were Miss

Esther Porter in the 8 mm class and Mr. and Mrs. Pierre Palmentiers in the 16 mm class.

A total of 10 films were entered in the contest by local league members—judging was done by the audience. Miss Porter, a teacher at Grosse Pointe High school, won first out of three in the 8 mm contest with her movie "Estes Park" which she took during the past summer.

The Palmentiers' film was judged best of seven 16 mm movies entered. Their film entitled "Sorcerer's Apprentice" dealt with magician tricks and was filmed from a script written by the Palmentiers.

The contest was held to encourage amateur movie taking and to give league members an opportunity to see what type of work others were doing. Subject matter of films entered included home movies of children, a trip to the local zoo, Michigan in color, Florida and other travel movies, some taken in Europe and one in Bali.

Blue Devils Turn Errors Of Acorns Into Victory

No longer will they be known as the Grosse Pointe Blue Devils, but the Grosse Pointe Opportunists, and right...

Both fumbles came in the fourth quarter. The first ended the Opportunists to tie the score and the last winning touchdown with 47 seconds remaining in the game.

Larry Sutton Hero
Larry Sutton was the hero of the night when he scooped up the costly Royal Oak fumble as the Acorns were knocking at the Devils' touchdown door late in the final period.

Royal Oak was on the Pointers' 15 yard line when it tried a tricky reverse which backfired, and the ball went bounding on the turf from where Larry Sutton scooped it up and raced 85 yards for the winning score.

Dick Dumas had his third straight point after touchdown seconds later and the Acorns were beaten by their own fumbles.

Stage 87 Yard Drive
Early in the first quarter the Blue Devils put together an 87 yard sustained drive for their first touchdown. The drive was highlighted by the passing of quarterback Dumas who hit halfback Dan Bauer for 17 yards and end Russ Everett with a four yard payoff pitch in the end zone.

Royal Oak tied the count at 7-all early in the second quarter on a 65 yard sustained drive and then went ahead when the Acorns intercepted a Dumas pass on the Devils' 39. Three plays netted a touchdown and a 14-7 lead which the Acorns didn't relinquish until their fingers turned to butter in the fourth quarter.

Grosse Pointe gambled on the last play of the third period and lost the ball on downs to the Acorns on the Devils' 41. This eventually turned out to be a break for the boys from Fisher road.

Too Confident
Confident they could score, Royal Oak attempted to take to the airways but on the first play the ball was knocked from the Acorn quarterback's hand and tackle Wayne Byrd scooped up the bounding pigskin and raced to the Royal Oak 40 where he was hit by two Acorns. But before the play...

was whistled down Byrd lateraled to halfback Bruce Boardman who negotiated the remaining distance unmolested. Dumas added the extra point to tie the score at 14-all and set the stage for Sutton's game winning run.

The victory moved the Blue Devils into a three-way tie with favored Fordson and surprising Wyandotte, who upset Highland Park that same night, 19-7.

Coach Ed Wernet is not taking the game lightly for he remembers when he took a favored team down river only to have the Trojans edge his charges on freak plays.

Rated as the No. One man to get the starting nod at right guard this season on Michigan State's Rose Bowl championship team is Grosse Pointe's Cliff LaRose.

LaRose, who saw no game action in last year's campaign while playing with the fifth string, rose this spring to earn the assignment of replacing All-American Carl (Buck) Nystrom, who captioned the 1955 squad.

St. Paul Lakers The Toast Of The League

Labeled as "dark horse" contenders for the title in the East Side Second Division Suburban League race the St. Paul Lakers have become the toast of the League with three consecutive victories which enabled them to move into a two-way tie for first place with favored St. Thomas.

Lochmoor Keglers took over the lead in the Grosse Pointe Business Men's Bowling League as they made a sweep of their match with the still pointless Turner Buick quintet, 536.

MSU SETS HOMECOMING
Michigan State University's 47th annual Homecoming will be on Friday and Saturday, October 12-13.

Highlight of the weekend is the Spartan's home football opener against Indiana, scheduled for 1:30 p.m. Saturday. Class reunions are to be staged on the Macklin stadium turf immediately following the game.

St. Paul Lakers Capture Third Straight Victory

Spirit and will-to-win were the ingredients a battered underdog St. Paul football team mixed together last Sunday, September 30, under the lights of Jayne Field to whip a favored Nativity team, 14-7. The victory, the third in succession in league play, enabled the Lakers to move into a two-way first place tie with St. Thomas in the Second Division Suburban League.

Early in the first quarter St. Paul came out of this game a bit worse for wear and because of injuries to key players, its three game winning streak will be in jeopardy when it meets St. Philip on the Grosse Pointe High gridiron next Sunday, October 7, in its next league encounter.

Midway through the second period Nativity quarterback Tony Vitale rifled a pass to his left end who raced to the Laker 25. A pass interference penalty placed the ball on the Lakers' 10, from where the Black Knight fullback cracked over for the first score of the game. Nativity plunged for the extra point to take a 7-0 lead.

Fighting to get back in the game, the Lakers repeatedly pushed the Black Knights back into their own territory but were unable to put together the needed punch to reach yard and trailed 7-0 going into the final quarter.

Faced with possible defeat, the Lakers' spirit and will-to-win began to show. Norval Labadie, Chuck Campbell and Terry Hutton began ripping the Nativity line to shreds with their bull-like rushes. Quarterback Danny Sheridan climaxed this drive as he swept around his own end for the Lakers' first touchdown. Hutton plunged for the extra point to tie the score at 7-7.

Defense Rises to Heights
Flushed with a tie and possible victory, the Lakers staged a halted second to none as they halted the Black Knights in their tracks midway through the fourth quarter.

Halfback Terry Hutton seemed to break the ball game wide open late in the final quarter when on the second play from scrimmage he raced 60 yards for the winning touchdown. While the Laker fans were yelling their heads off the officials brought the ball back and penalized St. Paul for clipping, thus nullifying the score.

Not to be denied, the Lakers' Chuck Campbell smashed through the Black Knights' line for 10 yards, putting the ball on Nativity's 40. Quarterback Dan Sheridan plowed up the middle and deftly sidestepped a couple of would-be tacklers to race 40 yards for the winning touchdown. This time it counted and after Hutton smashed over for the extra point the Lakers were assured of victory.

Halt Passing Attempts
A sparkling pass defense thrown up by the Lakers in the last few minutes remaining halt-

ed a desperate Nativity bid for victory.

St. Paul came out of this game a bit worse for wear and because of injuries to key players, its three game winning streak will be in jeopardy when it meets St. Philip on the Grosse Pointe High gridiron next Sunday, October 7, in its next league encounter.

Last for the season is Fran Labadie, who broke his collar bone, and Gerry Krause, who suffered a shoulder separation. Marty Trombly will be lost for at least two games because of a head injury. Halfback Russ Beaupre broke a blood vessel in his left arm but is expected to see limited action against St. Philip. Russ will be used mainly in passing situations.

Has Surprised Everyone

Labeled as a possible "dark horse" in the league race, St. Paul has surprised everyone, including itself. Before the season started, Coach Eddie Lauer figured his team would finish about fourth because of a weak reserve bench.

Today he figures the Lakers have a good chance for the title if he can keep his first string players taped together for the balance of the schedule. But title or no, Coach Lauer regards the health of his players first. He will not play a boy if he feels participation would be injurious.

Boat Club Awards Swim Trophies to Diane Fuller

Diane Fuller, nine-year-old daughter of Dr. and Mrs. Hugh McLean Fuller of 255 McMillan road, was awarded Detroit Boat Club championship swimming trophies on Wednesday, September 5, during a banquet held at the club.

She competed with other youngsters in her age group in a recent swimming event, and easily won in the free-style, back stroke and breast stroke. She was given two trophies, one to keep for a year, and the other to keep permanently.
