A PLANE, a four-engine DC6 of the U. S. Military Air Transport Service, has been reported long overdue. The aircraft carried 59 United States Air Force and Navy men. It left the U. S. air base in Lakenheath, England, early yesterday, and was bound for Lagens, in the Azores. An Air Force spokesman said that such a transport usually carries a mixture of Army and Navy personnel, but did not say how many of each were aboard. American sea and air rescue forces in England and the Azores were alerted to begin a sweeping search along the downed craft's flight route. Names of those aboard have been withheld pending the notification of next of kin.

A UNITED STATES CITIZEN, Miss Mary Francis Hagan, 29, was convicted as a spy in a Jerusalem District Court and sentenced to one year in prison. She was ruled guilty of two charges of espionage under the Israel official secrets ordinance. Two sentences were imposed, one for three months and the other for one year, each to be served concurrently.

Saturday, October 13

FOLLOWING a secret session in the office of UN Secretary-General Dag Hammarskjöld, Britain, France and Egypt agreed on a set of six principles as a basis of negotiations regarding the Suez Canal. With the acceptance of the principles for further talks, Britain and France virtually dropped their demand for internationalization of the waterway.

Sunday, October 14

HUNDREDS OF PERSONS were injured in violence which broke out in Japan in protest against the survey of an American airbase in Tachikawa. Police rushed a mob attempting to prevent a survey party from working on plans for expansion of the airstrip. Police estimated that at least 775 persons were injured, 32 of them seriously. Among the injured was a woman legislator, Mrs. Kimiko Abe, 48, a member of the House of Councillors, who took part in the protest against the survey.

AS TENSION MOUNTED between Israel and Jordan, Israeli envoys in Washington, London and Moscow were called home for consultations. This move was made when the Arab world decided to bolster the defenses of Jordan, as the Jordan-Israel frontier tension heightened. Rumors have been swirling for the past four days, that Iraq will move 3000 troops into Jordan, with which it was allied in the Palestine War of 1948, with the aim of strengthening Jordan's Government against collapse.

Tuesday, October 16

PRESIDENT EISENHOWER authorized continuance of economic aid to Yugoslavia, but withheld heavy military equipment "until the situation can be more accurately appraised." As a result of the President's decision, Yugoslavia will receive wheat from this country, but 200 jet fighter-bombers will be withheld. Under the United States foreign aid policy, the President can cut off all aid to Yugoslavia, unless it can be determined whether Yugoslavia will maintain a policy of independence of the Soviet Union.

Wednesday, October 17

A STRATOCRUISER, on its way to San Francisco from Honolulu, ditched and broke in half yesterday in the Pacific Ocean, about 1,045 miles from its destination. The aircraft, a big Pan American transport plane, carried 32 persons aboard. A Coast Guard cutter, the Pontchartrain, sighted four rafts in the water and radioed there were many survivors and that it was effecting rescue operations.

Trouble with two of the plane's four engines caused the mishap, it was disclosed. The cutter rescued all 32 passengers and members of the crew.

GPHS Junior Red Cross to Assist Blood Drive

The some 60 members of the Grosse Pointe High School Junior Red Cross are busy doing advance publicity for and will assist with the blood bank drive which is set for Friday, October 26, from 2 to 8 p.m. in St. Paul Ev. Lutheran Church, Chalfonte at Lothrop road. The young women have been making posters, distributing them, and washing car windows before applying appeal stickers for

blood donors. They will also assist on the day of the blood drive by helping in the canteen, aiding the nursery and will help serve the dinner to be given for workers. Show, left to right, are: DIANE DICKEY, BARB STONE, LOIS ANNE RUPP, MARIE DICENZO, PEGGY JOHNSON, chairman for Junior Red Cross, and SUE SLICK.

Kids Steal Motors to Run Racers

Woods Police Near Solution To Mystery of Missing Cement Mixer Power Plants

Woods police have about concluded the case of cement mixer motors being stolen by teenagers who install them in their soapbox racers. Det. Sgt. Walter O'Dell and Det. LeRoy Tobian disclosed that five boys from Harper Woods and the Woods, stole a number of the motors over a considerable period, the last being September 18 and taken from in front of 1545 Brys drive.

The officers said that the motors, valued at about \$150 each, were used by the boys for their racers and were capable of propelling these home-made vehicles at about a 40-mile an hour clip.

One Still Sought
Besides the one taken from the Brys drive address, another taken in the Woods was being used in construction work of a funeral home at Mack avenue and Vernier road.

The motor taken from Brys drive has since been recovered. The police are still trying to locate the one taken from Mack-Vernier, and others taken in the area.

O'Dell and Tobian said the

Mutual Aid Firefighting Agreement Takes Effect With Signing By GP City

Is Last of Six Municipalities Involved to Put Signature on Pact; Assignment Schedule Gets Approval of All

Grosse Pointe City became the last of the five Pointe municipalities to ratify a mutual aid firefighting agreement when councilmen voted their unanimous approval of the agreement at a regularly scheduled council meeting on Monday evening, October 15.

The idea of the mutual assistance plan was first introduced by City Councilman John Kenower over three years ago. Since that time fire chiefs and committee members representing the five Pointes and Harper Woods, have convened many times to discuss what the fire aid plan

should include. During the past year each municipality drafted its own plan for the agreement, and after several committee sessions where the plan was revised, a final agreement was written.

Goes Into Operation
The City's approving vote on Monday night, removed the last obstacle in the way of putting the plan into operation.

Under the terms of the agreement, each of the five Grosse Pointes and Harper Woods will continue to maintain and operate its own single fire department with the appropriate fire apparatus, equipment and personnel. The great majority of fires within the individual municipalities will be handled by their respective fire departments.

Each community agrees, to the best of its ability, to render aid to the other cities in the Mutual Aid Plan. The Mutual Aid Assignment Schedule has been prepared by the chiefs of the fire departments of the municipalities after a survey was made of the buildings and inflammable material located in each community.

May Amend Schedule
The results of future surveys may deem it necessary to amend the Mutual Fire Aid Assignment Schedule, and this may be done by the unanimous action of all the chiefs.

The rendering of mutual aid shall be initiated by a call from the community within whose territory the fire occurs. The request shall be made by or at the direction of the senior officer present at the calling community's fire department.

Except in the case of an emergency not comprehended, no calls shall be made on account of grass, rubbish, car or other minor fires which the individual community should be able to take care of itself.

Would Send Five Men
If another community's fire department be summoned for assistance it will respond with one or more pieces of modern apparatus and not less than five

Stolen Car Recovered In Jig Time

Two Youths Nabbed by Police; Two Others Who Were With Them Being Sought

A combination of Grosse Pointe City and Detroit police work Sunday morning, October 14, successfully recovered and returned a stolen car to its owner within two hours after the vehicle was reported missing.

Stanley E. Wawrzyniak of Roseville, was visiting friends at 751 Lincoln road Saturday evening. When he started to leave he discovered that his car had been stolen. A phone call to the City police with a description of the 1953 Buick was immediately put on the teletype.

Spot Boys in Car
Two hours later a cruising Detroit police car observed two boys in a car which fit the description of the stolen vehicle. They watched the boys ditch the car in an alley near Pennsylvania and Mack avenue. The police gave chase but the boys escaped over a fence and disappeared in the darkness.

A short time later the lads were picked up by another squad car on McClellan avenue. One was a minor and the other was John Carney, 18, of 4645 St. Jean, in Detroit.

Carney was questioned Monday, by Captain Andrew Teetart of the City Police Department. He was told that four Detroit youths drove to Grosse Pointe on Saturday night. Carney and the other boy took the Wawrzyniak car.

Decide to Ditch Car

They drove the car to Detroit where the other boys got in with them and went for a ride. The other two boys left, and Carney and his accomplice decided to ditch the car.

Grosse Pointe has charged Carney with unlawfully driving away an automobile. Authorities hope to convict the minor of a similar charge. Detroit police are looking for the other two boys who rode in the stolen vehicle.

OUT OF SEASON

Mrs. Clarence Fox of 1148 Audubon, complained to Park police on Saturday, October 13, that youngsters exploded firecrackers in the milk chute at the side of her home. No damage was reported.

Town Hall Slated To Give Candidates Chance To Speak

War Memorial Association, League of Women Voters and Rotary Club Co-sponsoring Event to be Held at Center

All interested voters will have a chance to meet and hear their candidates for the United States Congress, both Democratic incumbent Louis C. Rabaut and Republican candidate Harold F. Youngblood, on Monday night, October 29 at 8 o'clock, at the War Memorial Center.

Also on hand will be those on the ballot for Michigan State Senator, Democratic incumbent Harold M. Ryan and Republican candidate Leroy Smith and those running for Michigan State State Representative, incumbent Robert E. Waldron and Democratic candidate John M. Roche.

Three Co-Sponsors

Co-sponsored by the Grosse Pointe War Memorial Association, the League of Women Voters and the Grosse Pointe Rotary Club, the evening is planned for all who wish to be well informed when they go to the polls November 6.

Every person who attends Town Hall on Monday will be given a copy of the "Voters Guide" covering all the candidates for office in and from the state. The guide, prepared by the League of Women Voters on a strictly non-partisan basis, includes biographies of the candidates, resumes of what they have done in office and their opinions on the issues of this election.

Will State Stands

The candidates have been asked to explain their stand on such items as highway improvements, water resources, and the proposed amendment eliminating from the legislature those who have committed crimes against the public trust or of subversion.

The candidates will be introduced by Grosse Pointe Rotarians. After the candidates have finished speaking, members of the League of Women Voters will act as moderators in question and answer periods when citizens may fire as many questions as they choose.

Those sponsoring Town Hall hope for a big turnout. To stimulate interest the Detroit Edison's callope will tour the Grosse Pointe business districts on Saturday, Oct. 27 and handbills prepared by the League of Women Voters announcing Town Hall will be distributed by Girl Scouts.

Voting Machine Lesson Offered

The City of Grosse Pointe Farms has invited its voters to acquaint themselves with the voting machines which will be used at the coming election November 6.

Voting time can be cut considerably if all are familiar with the operation of the machines. In order that voters may learn to use the machines, the Farms has set up a demonstrator in the city offices at 90 Kerby road.

All voters are urged to come in any time during office hours for a demonstration, 8:30 a.m. to 4:30 p.m. Monday through Friday, and until 6 p.m. on Wednesday. The offices are closed on Saturday.

Pop Has Five Fine Reasons For Needing New Bedroom

A Farms father's diplomatic approach at a Farms Board of Appeals hearing held on Monday, October 15, won him permission to carry out a proposed bedroom addition to his residence.

George Simon of 274 Lothrop road, petitioned the council, which convened as a board to hear Simon's case, for a permit to add a large bedroom to his home.

The construction, as proposed, would violate a section of the city's zoning ordinance. Simon sought to have the addition at the rear of his home, but as planned, it violated the

Objections Of Residents Halt Project

Farms Council Postpones Action for Another Six Weeks After Hearing

Opposition to the proposed development of the parking strip at the rear of the Muir property line, to augment parking facilities in the municipal lot in the Hill business district, appears to be still as strong as ever.

Members of the newly formed Gabriel Richard School District Improvement Association again jammed the Farms council chambers on Monday, October 15, and through their spokesman and chairman, James Jameson of 215 McMillan, continued their objection to the development.

Mayor Gives Report

The Association members heard Mayor William Connolly, Jr., present the findings of a committee of councilmen, which met with various groups interested in solving the problem, including the Association, in which the committee made seven recommendations.

Included in the recommendations, among other things, were that the parking strip be developed; that attention be paid to the desires of individual residents with respect to the location of planting... to afford a maximum of protection against noise, odor, and light consistent with beauty and utility; that access be limited to Ridge road and access to the road be prohibited and that the south part of the road be made one-way "to diminish the traffic problem and lessen traffic on Muir road."

Would Be Closed at Night

Also that the strip be prohibited to commercial vehicles, thereby lessening noise and vibrations; that all the improvements be carried out; that the gates of the strip, after the development, be closed at both ends at night and unlocked in the morning, thus assuring quiet and prevent improper use of the property itself.

Following this and the reading of answers to objections placed on the initial objection-petition, presented to the council on September 4, Jameson said his organization is still opposed to the parking strip development.

He asked the council for time to study the report, inasmuch as he had received a copy just before the hearing, and a chance to file a brief to be given to City Attorney Edward Wright, in which will be listed reasons for opposing the strip. He pointed out that opposition was still strong and referred to a petition he gave the council, prior to the meeting, which bore 442 signatures. He claimed he could obtain 2,000 signatures if necessary.

Hearing on December 3

The council granted his appeal and set a hearing date for Monday, December 3.

In reaching its recommendations, the council committee, said Mayor Connolly, paid particular attention to the grounds of opposition as presented in the September 4 petition.

The following is the list of objections and the committee's answer to each:

"1. We feel that Grosse Pointe Farms has too little recreational space, especially in this area."

There has been but slight use, if any, of some of the property of the School Board lying between Ridge Road and the City's present parking lot. Were it not for the fact that the City's arrangement with the School Board made possible the School Board's use of the Pier Park for Student Driver Training Program, the land in question would probably have been hard-surfaced and devoted to the Student Driver Training Program, thus eliminating completely its possibility of serving recreational purposes. The present arrangement preserves all of this property except the small strip covered by the Lease to the City for recreational purposes, and if the recommendations of this Committee are pursued the entire program may develop a positive character in providing actual additional recreational space.

Parking Lot Expansion

reational area in the locality rather than decreasing it.
"2. If the Richard School is expanded, it will cut down the space available for playground."
This cannot be controverted. However, so far as it has been possible to ascertain it has been program of School expansion is directed toward the establishment of additional elementary schools rather than the enlargement of those existing, and it appears, therefore, that the expansion of the Richard School is improbable. However, the School Board has seen fit to protect against this situation for at the end of the five-year term of its Lease to the City, the Board will be able to recover possession of the area if it desires to have it for additional

boys took the motors home, telling their parents that they had purchased them from a friend. The unsuspecting parents never gave it another thought.
The two officers are asking the cooperation of parents whose children may have such motor-propelled racers, to notify them immediately. The serial numbers of the motors will be checked to determine whether they have been stolen or not.
The five boys already apprehended will be taken before a Juvenile Court officer who comes to the Woods to handle cases involving juveniles. It is expected the youngsters, who range in age from 13 to 14, will be placed on probation.

Firefighting Pact Signed By City

(Continued from Page 1)
men. In some instances the number of men may be four, as that is the size of the working night shift of some departments.
The supervision of the fire will be under the direct control of the officer in command of the requesting municipality's fire department, and the senior officer of the responding company will work under the orders of the officer commanding the fire.
The agreement explains that each of the fire departments shall be acting in a governmental capacity and will not be liable in damages for any personal injuries suffered by any officer or employee of the other fire company, nor shall any department be held responsible for property damage of any kind.
Will Carry Insurance
It is agreed that all fire companies shall continue to carry public liability and property damage insurance on their own equipment in amount satisfactory to each other. The attorneys for the municipalities stated that the Mutual Aid Agreement would not accrue any additional insurance premiums.
Nothing in the agreement requires a municipality to respond and render aid when its apparatus and equipment are already engaged in firefighting in its own territory or elsewhere, nor does the agreement prohibit a fire department which may have responded to fight a fire in another municipality, from abandoning the fire and returning to its own community in order to fight another fire.
No Liability Involved
In no event will any community be held liable to another or to any person for failure to respond and render mutual aid under the terms of the agreement. The purpose for the agreement is to provide a means wherein mutual aid may be obtained, and not to provide a basis for damage claims in the event aid is not forthcoming.
The Mutual Fire Fighting Plan may be terminated by any municipality by delivering to

each of the other participating communities, 90 days' written notice of termination. The agreement may be amended by mutual consent of all members of the Mutual Aid Plan.

Ask Sidewalk Law Change To Preserve Trees in Sub

Bound by contract to install sidewalks in the Fuger Sub-division, the Farms council ordered the installation on Monday, October 15, but stipulated a study be made to determine where they should be located. The study was requested when 14 residents in Tonran-cour place petitioned the council to release the subdividers from their obligation to install the proposed walks, on the grounds that removal of trees in the place would depreciate property value and mar the beauty of the subdivision.

Mayor William Connolly told the petitioners that building contractors were under a \$10,000 bond to install the sidewalks, and since the walks must be installed according to contract, the council has no alternative but to abide by this. The residents pointed out that several lots in Tonran-cour were at different levels, which, if the sidewalks are installed, would require owners of the higher level lots to construct steps

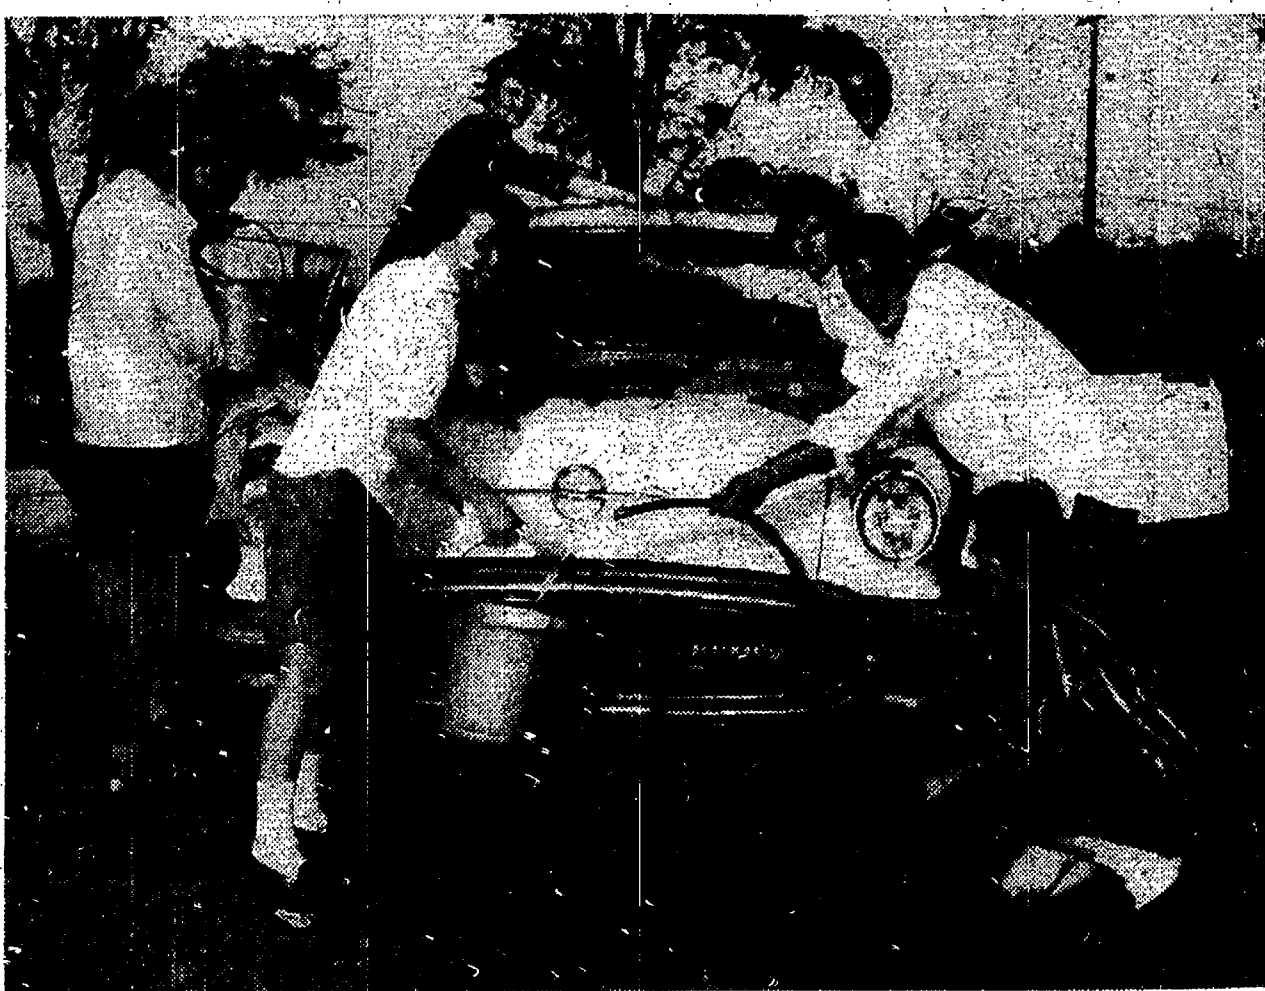

leading to their residences. With their petition that the trees be allowed to remain, the residents sought to induce the council to have the sidewalks made to sidetrack around the trees, or perhaps install them closer to the street.

Mayor Connolly said that such walks were detrimental to public safety. Walks must be constructed, but in consideration to the residents of the street, a study will be made to find the best location for the sidewalks. The council approved this action.

ROOFTOP TREASURE HUNT

Two young boys were spotted playing on the roofs of the stores in the Village shopping area, Saturday afternoon, October 6. When the police caught up with the boys they explained that they were searching for free gift certificates which could be used at one of local drug stores. The certificates had been dropped from an airplane the same afternoon.

Youths Gang Up to Help Church Project

Many of the young members of The Grosse Pointe-Congregational Church dipped their sponges last Saturday, October 13, to help raise funds for the church. The NEWS was promised that some one would furnish identification of the members whose picture appears on this page. The information never reached our office.

Some high school girls who were in the newspaper office on other business were helpful in identifying some of the gang. Reading from the right are: Molly McClure, Nancy Lenz, Fran Emerson, Dick Manardo, name not known, Bill Springett, and Dorothy Long.

Noted Educator To Talk Here

Dr. Frank C. Laubach, world-famed pioneer in teaching adults to read and write as a step toward self-improvement, will speak at the Grosse Pointe Memorial Church, 16 Lake Shore road on Tuesday evening, October 30, at 8 o'clock.

He will bring with him examples of the word-picture charts which he first developed in 1930, and which have been used to teach people to read and write in 262 different languages and dialects.

Dr. Laubach's visit will be part of his nationwide tour as honorary president of World Literacy, Inc., voluntary organization, the purpose of which is to help liberate human beings the world over from the darkness of illiteracy.

During the past 26 years, Dr. Laubach has conducted an in-

tensive literacy campaign in 91 countries where as few as ten percent of the adults can read or write the tongue they speak. He has been a consultant to United Nations agencies and to many governments requiring technical assistance in tackling their illiteracy problems.

Born in Benton, Pennsylvania, in 1884, Dr. Laubach studied at Parkersburg Seminary, Princeton University, and Union Theological Seminary, and received his Ph.D. at Columbia University. His amazing career has been the subject of books, motion pictures, and articles in many magazines, including the "Saturday Evening Post".

Dr. Laubach is being brought to Grosse Pointe by the Christian Education Committee of Grosse Pointe Memorial Church, under the chairmanship of Rob-

ert E. Choje. Other members of the committee include Mr. Kryn Nagelkirk, Fred Adams, Donald J. Little, R. McKean, Dr. Arthur Hillegas, James Vaughan, John D. Jakle, J. Lamar Newberry, and Henry Reynolds.

The first National Guard unit (militia) began in 1636.

To Share Treats With Needy Kids

All parents interested in a Trick or Treat Night UN style are invited to contact the Grosse Pointe Woods Community Club before Monday, October 22.

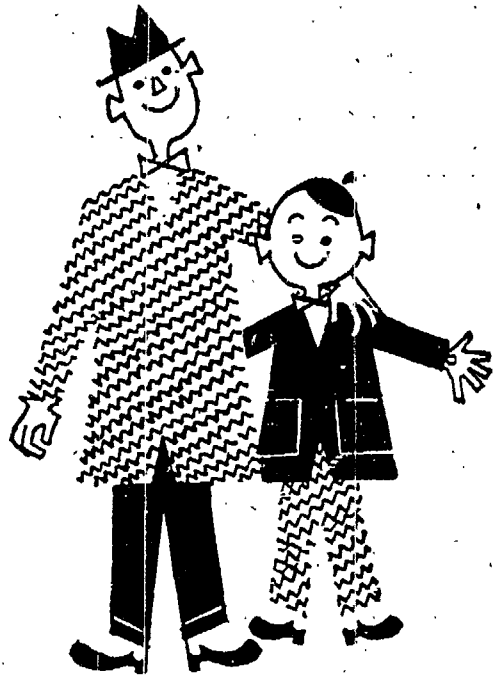

The Club is interested in children from the community participating in sharing their Halloween fun and their treats with the underprivileged children all over the world.

Through a plan devised by UNICEF on Halloween night and send this money to needy children all over the world. The coins collected will mean glasses of milk for a little child in Korea, or bowls of rice for a little child in India, or release

from the crippling disease of Yaws for a little child in Burma. If you are interested phone TU 4-2025 by Monday Oct. 22.

AS THE TWIG IS BENT

... one way of saying that a boy is pretty apt to follow his father's footsteps in the important business of selecting wearables. A great many father-son teams are coming to Hickey's now, just as their elders have been doing since back in 1900. Reasons are obvious to every shopper—fine quality—good taste—unexpected services. For example, Flannel Suits are typical Hickey values—sizes 6-12, \$29.50; sizes 14-20, \$36.50; sizes 34-42, \$49.50. Featured, too, this week are Three-Button Coats for the young in build.

a man's "at home" in a fine tweed sport coat HART SCHAFFNER & MARX

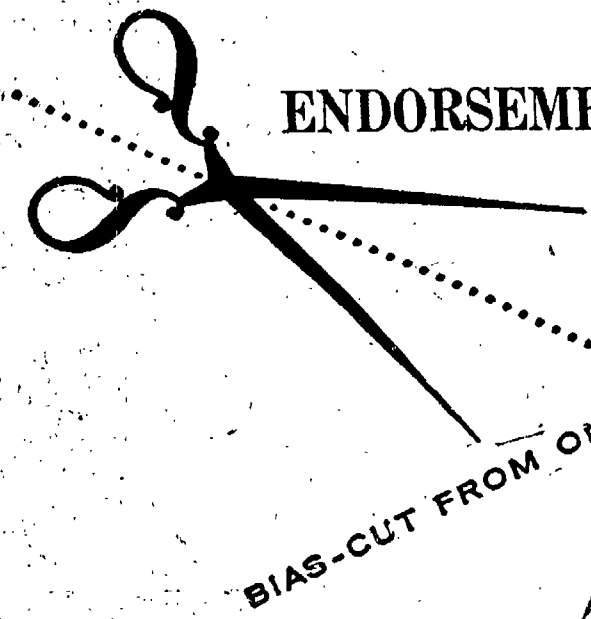

Try on this handsome tweed sport coat. Notice the unique feeling that nothing else in your closet provides. You're casual, comfortable, confident. Maybe it's the rich, masculine fabric that does it. Maybe it's the new Westrend styling created by Hart Schaffner & Marx... a hint of California ease introduced into the trim, tapered Trend model. Maybe it's the flawless tailoring. Whatever it is, it makes you feel at home in an H&M sport coat... from \$59.50

Special Classes Offered Adults
Figurine Painting is a new and fascinating craft which has been added to the list of offerings on the Adult Education schedule of the Department of Community Services of the Grosse Pointe Public School system.
Working with pre-molded (commercial) plaster figures, plaques, etc., the completely uninitiated artisan learns how to create through the medium of easily blended, water base paints, beautifully artistic pieces which in every way give the effect of expensive pottery and ceramic objects. Using the finished product as a gift or in one's own home becomes a double pleasure, since the cost of the materials is most nominal.
Knitting classes being offered by the Department are most popular, too, with the woman who has a desire to create beautiful things. Lovely hand-knit sweaters, dresses, stolls, or things for the young set, can be finished at a fraction of the cost of a purchased article, and with the satisfaction of having "done it" yourself.
Students in both classes will find that through joining a class now, they may still have an opportunity to use a finished product or two for Holiday giving. For the man, or the woman, who is interested in classes related to the business field, three classes are currently available: Bookkeeping, Business English, and Spelling and Vocabulary. Bookkeeping is taught for use as a fundamental background in small business; and for use in home budgeting. Business English will help the business man, or his wife, or his office assistant, compose a better letter, report or brochure. Spelling and Vocabulary Building is an important aid in polishing up and increasing the individual's knowledge of the English language.
Registration for all classes may be obtained by calling the Department of Community Services at TUxedo 5-3808 or TUxedo 5-0271.

Engineers Plan Oct. 22 Meeting
The Lake St. Clair Chapter of Michigan Professional Engineers will hold a meeting on Monday, October 22.
Guest speaker will be David J. Jay, P. E., of the Ford Motor company's Scientific Laboratory, who has been chosen as his topic, "Training Engineering Personnel." He is an organizer of the refresher course at the Detroit College of Applied Science.
Don Trefry will also be called upon to tell of the arrangements for the presentation of certificates to those passing the State Board examinations for engineers, architects and land surveyors.
News regarding engineering projects being currently carried on or projected in this area, will also be given.
For any information or late reservations, call W. J. Fricker, TU 4-0367.
LEARNED IN A HURRY
When injuries forced three Detroit Lions fullbacks out of action in the 1956 opening game against Green Bay, rookie halfback Don McIlhenny learned the plays on the sidelines and played the entire second half at the fullback post.

Babe Ruth League Elects New President

New President of the Grosse Pointe Woods-Shores Babe Ruth League is WILLIAM R. HILL, second from left. Others, left to right, are Hill's son, JOHN; VINCENT E. BUTTERLY, who headed the league in its first two years; and Butterly's son, BINK. The trophy was given to Butterly at the league's annual awards dinner Thursday, October 11, in recognition of his work as charter president of the league in 1955 and 1956.

Parking Lot Expansion
(Continued from Page 2)
business frontage for parking purposes is prohibitive and that which might be acquired is so limited in area as to make no substantial contribution to the solution of the over-all problem.
"7. As residents of Grosse Pointe Farms we favor granting to the Board of Education the use of the Pier Parking Lot for driver training for the children in our school system. The granting of its use should be conditional on the Board of Education giving up any part of any school property."
The cross-leasing of the Pier Park property and the small strip off the back of the Richard School "Playground" represents in the opinion of the Committee the ideal working out of mutual problems between two governmental agencies. It is improper for a governmental agency to give away any of public property, even to another governmental agency. The City's recognition of the School's needs by making available to the School property which is already hard-surfaced so as to meet these needs was farsighted and apparently has the approval of the Objectors. The School Board's recognition of parking needs in the area and its lease for that purpose was also farsighted and justified by what the Board acquired. Such cooperation between separate governmental units is, in the opinion of the Committee, unusual and much to be commended.
MADE 25,381 ARRESTS
Michigan State Police made 25,381 arrests during the month of July of which 23,522 were for traffic offenses. The overall total was an increase of 56 percent over the same month a year ago, but traffic arrests gained 58 percent.
For the first seven months of the year total arrests were 32 percent higher than in the same period of 1955, while traffic arrests increased 33 percent.

New Lincolns Go on Display
The new Lincoln, first car in the industry to feature Quadra-Lites, offers a four-door hardtop, the Landau, in its expanded 1957 line of seven models. The Quadra-Lites are four road lights in vertical pairs. Also available are a new concealed-pillar sedan, hardtop coupe and convertible. The new Lincoln is slightly longer than last year's styling-award winner and has increased horsepower, added power assists and engineering changes. It is being shown by Frank Adam, Inc., 130 Kercheval avenue, Grosse Pointe Farms.

Graduates of Michigan U. To Honor Their President

Arrangements have now been completed for the reception and dinner honoring Dr. and Mrs. Harlan Hatcher, to be held next Tuesday, October 23, according to Ruth H. Goebel, of McKinley avenue, chairman in charge of the arrangements.

A few tickets left. These tickets may be obtained by anyone who desires to attend the reception and dinner by telephoning Mrs. Goebel at TUxedo 2-0277.

Dr. Hatcher was born in Ironton, Ohio, on September 9, 1898, the son of Robert E. and Linda (Lesley) Hatcher. He prepared for college at Morehead Normal School in Kentucky, and he received the Bachelor of Arts degree at Ohio State University in 1922, the Master of Arts in 1923, and the Doctor of Philosophy in 1927. In addition, he did post-doctoral work at the University of Chicago and spent a year in Italy, France and England studying the Renaissance.

Starting as an instructor in English at Ohio State in 1922, he was promoted to assistant professor in 1928, and professor of English in 1932. He served as dean of the College of Arts and Sciences, 1944-48, and in 1948 became vice-president, the position he held at the time of his election to the presidency of the University of Michigan in 1951.

Dr. Hatcher has long been especially interested in the history and development of the Great Lakes region and recently served on the Soo Locks Centennial Commission. He is the author of several novels and volumes of history dealing with this region and especially with his native state of Ohio.

Dr. Hatcher has been awarded honorary doctoral degrees by the University of Michigan, Miami University (Ohio), Bowling Green State University, University of Cincinnati, Ohio State University, University of Toledo, Albion College, University of Akron, Ohio Wesleyan University, College of Wooster, Michigan State, Butler University, University of Kentucky, University of Pittsburgh, New York University and the University of North Dakota.

He married the former Anne Gregory Vance, of New Haven, Conn., in 1942. Mrs. Hatcher, a former teacher, is the daughter of the late Dr. William Reynolds Vance, dean of the law school at the University of Minnesota.

The Hatchers have two children, Robert Leslie, 12, and Anne Linda, 10.

Dr. Hatcher is a member of the Modern Language Association, American Association of University Professors, National Council of Teachers of English, Great Lakes Historical Society, Phi Beta Kappa, and several clubs.

Nab Drag Racer Without License

A Farms resident picked the wrong street for drag racing on Wednesday evening, October 10. Charles W. Thorn of 331 Mt. Vernon, was picked up at Canyon and Mack avenue after a Farms police car trailed him at a high rate of speed for several blocks.

His troubles mounted when the arresting officer asked to see Thorn's driver's license. He could not produce it because the license was suspended several months ago.

At 8:35 p.m. the police noticed two 1950 Fords lined up for a drag race on Mack avenue at Fisher road. The cars sped east on Mack and the scout car took off in pursuit. When the drivers saw the police car they split up.

One car made a two-wheel U-turn and disappeared in the westbound traffic. The police continued their chase of the other car, which was driven by Thorn. They finally pulled him

3 Cases Heard In City Court

Judge Douglas Paterson held Justice Court in the City offices on Tuesday evening, October 9. The Judge heard three cases during the session.

Donald K. Urban of 3546 Kensington, pled not guilty to a speeding charge. He was found guilty and fined \$25.

Admitted guilt of a car not under control violation, by Don-

ald P. Harvey of St. Clair Shores, resulted in a \$35 fine. Josef F. Heinrichs of Detroit, pleaded not guilty to not having his car under control and causing an accident. His case was dismissed because there was no cause for action.

Student Injured When Hit by Car

A Grosse Pointe High School student was injured Monday morning, October 15, when she ran in front of a bus from which she had just debarked, and was struck down by a passing car.

Ruth Hetmanski of 20045 Ghesquire court, was in a hurry to make school on time when she leaped from the west bound bus.

The driver of the Lake Shore Coach Lines bus made his routine stop at the north-east corner of Charlevoix and Fisher a few minutes after 8 o'clock. Ruth ran in front of the bus and into the path of a 1955 Chrysler driven by David T. Sickelsteel of 285 Moran road.

Witnesses said the driver of the car had no chance to avoid hitting the girl. Fortunately Sickelsteel was driving slowly when the girl darted into the traffic.

The Farms ambulance took Ruth to Bon Secours Hospital where she was treated for bruises and possible fractures. The Hospital reported she was in fair condition Monday afternoon.

Revolutionary Nash. Headlights

The revolutionary four-headlight system of the 1957 Nash has been called the "greatest advance in automobile lighting since the advent of sealed-beam units." Actual night-driving tests made by American Motors Corporation proves that the new system supplies up to 100' extra feet of illumination. All four lamps are used for the high beam, while only the upper two are used for the low beam. The four lamps are standard.

Why Not Learn To Enjoy Music?

Dr. Ruth S. Wylie, assistant professor of Music at Wayne University, will conduct a ten-week course in Music Appreciation for the Department of Community Services of the Grosse Pointe Public School System.

Dr. Wylie attended Wayne University where she received her A.B. and M.A. degrees; and the Eastman School of Music, University of Rochester, where she received her Ph.D. in Composition. She is current chairman of the Theory-Composition Section of the Michigan Music Teachers' Association, and has lectured to many clubs in the Detroit area.

In addition, Dr. Wylie has to her credit numerous performances throughout the East and Midwest; and many original works, including two symphonies, three string quartets, two sonatas, three orchestral suites, and many shorter works.

The ten-week outline to be covered in this course will include:—Properties of a Musical Tone and how each is made use of in the Elements of Musical Expression; Rhythm and Rhythmic Notation; Pitch Notation (Scales, Key Signatures, Melodic Line); Timbre; Instrumentation (Orchestral set-up and individual instruments); Chorus; Quartets, Trios, Pianos, etc.; Harmony; Form and Structure;

PLAN JOINT MEETING

The Grosse Pointe Rotary Club will hold a joint luncheon-meeting with the Leamington (Ontario) Rotary Club, in Leamington, on Monday, November 5. The Canadian organization will host the Pointers. Buses will pick up the Pointe Rotarians from across the Grosse Pointe High School on that date.

Pre-Bach Music; 15th Century through 18th Century; 19th Century period of Romanticism; Impressionism and the Bridge into 20th Century Music; Twentieth Century Music.

Ike's Birthday, Campaign Plans Keeping GOPs Busy

Cakes went to children in Detroit hospitals and congratulatory scrolls went to President Eisenhower in weekend observance here of the national celebration of the chief executive's birthday.

Young Republican women in the Fourteenth Congressional District baked scores of cakes — using the special Eisenhower recipe. Young Republican families delivered these cakes to wide-eyed youngsters in children's wards of such hospitals as Eastside General, Saratoga, Cottage, Bon Secours, St. John's and to servicemen in the local Marine hospital.

In line with the national observance, Detroiters signed many scrolls wishing the President a happy birthday and pledging a trip to the polls on election day. The scrolls were sent to the President.

Fourteenth District Republicans participated with thousands of other Republicans nationwide in climaxed "Ike Day" events Saturday with a birthday party at District Headquarters, 15316 E. Warren. Highlight of the evening was the tune-in to the coast-to-coast television network featuring the Eisenhower family in the White House with outstanding citizens in the entertainment world dedicating special numbers to the President.

Young Republicans on the Ike Birthday Committee here were Wayne O'Neil, chairman; Rosemary Basco, in charge of cakes; John Snell, in charge of scrolls, and Carol Kropf and Joanne MacMahon, in charge of cake distribution.

Meanwhile, other Republican activities are coming into focus here and a voting machine for public instruction has been set up at Fourteenth District Headquarters.

Anyone is welcome to drop by headquarters and learn the steps necessary in proper use of the voting machine. The mechanical ballot-caster will remain there until election day, when Detroiters will make their choices on voting machines at the polls.

Robert E. Waldron, Republican state representative incumbent and presently the only Republican representative from Wayne County, will meet Democratic legislative aspirants in a two-party debate Thursday, October 18, at Buckingham Hall, Harper at Buckingham. Mr. Waldron will bring before his Democratic opponents allegations that labor leaders are unduly pressuring the state legislature. The 8 p.m. debate is sponsored by the Young Republicans.

The following evening, October 19, Republican party workers will "take a break" from pre-election tasks to hold their annual dance, sponsored by the Fourteenth District Club, at 9:30 p.m. at Club Eagle, Eight Mile at Gratiot.

A midnight breakfast will follow the dance. Candidates will attend both dance and breakfast, but not for speech-making. Tickets for the annual "time-out" event are available at Fourteenth District Headquarters.

Harold Youngblood, a Fourteenth Congressional District candidate for the U. S. Congress, will be among candidates from the First Legislative District featured at a Candidate Party, October 20, at the home of Miss

Barbara Buttram in the Twenty-first Ward. Mr. Youngblood was first elected to a term in the House of Representatives in 1946.

Eighth grade students from Puleski School got a chance to see first-hand how political organizations operate when they took an educational tour of Fourteenth District Headquarters on Tuesday afternoon, October 16.

A Republican "banner trailer," resplendent in GOP trappings, is getting an enthusiastic reception by citizens in the Grosse Pointe area. Literature, verbal information and coffee are being distributed.

Quarterback Jerry Reichow of the Detroit Lions was voted the Most Valuable Player award in the 1956 East-West Shrine game.

Driver Ticketed Following Crash

John S. Slick, 46, of 752 Trombly, was ticketed by Park police on Wednesday, October 10, for leaving the scene of an accident.

According to a police accident report, Mrs. Vivien E. Elias, 45, of 1337 Beaconsfield, had stopped her car at Jefferson and Lakepointe to make a left hand turn, when the car driven by Slick struck and damaged the right rear end of her vehicle.

Mrs. Elias claimed Slick drove off without identifying himself. However, Slick, who was picked up at home, when traced by his license plate number, asserted that he had gotten out of his car following the collision, but when no one made a complaint or reported an injury, he got back into the car and drove off.

To settle the matter, police issued him a ticket, and ordered him to appear in court on Wednesday, October 31.

Crown Champs At Lakepointe

Grosse Pointers carried off top honors for golfing at the Lakepointe Country club for the season which closed with an awards party at the club October 10. Mrs. Evelyn Friesema, 438 Colonial court was given the Grace Palmer trophy and Donald A. Dykstra, 417 Barclay road was a double winner, with the Men's Club Championship trophy and the President's cup, going to him.

The Women's Club Championship trophy was awarded to Mrs. Patricia Dittmer of Indian Village Manor. Awards were presented by Earl R. Boonstra, chairman of the Men's Golf and Tournament committee.

Following the presentation of various trophies to 17 members of the club at a well attended dinner, dancing officially closed what was called the most successful season at the club in St. Clair Shores.

Many of the members call it the "golfingest" club in the area.

A recent study of statistics wherein the rounds of golf played was divided by the number of members, Lakepointe players averaged 82.5 rounds of golf per member which exceeds by far the record of other private clubs in the area.

During the committee reports, following the dinner, Jerome E. Friesema reviewed the many improvements made in the club during the year. These included improvements in the club's own water system which allowed sprinkling the fairways during the season, expansion of the clubhouse and facilities and increase in membership.

Presently a new entrance marquee is under construction which will allow four cars at a time to stop under shelter at the entrance. This, according to Manager Louis Palmer is in anticipation of an active winter season at Lakepointe. The club's annual meeting will be held November 5.

Pays Car Rental With Bad Checks

Wallace F. Helies, 40, formerly of Van Dyke, Mich., and presently of Florida, was arrested by a U. S. Marshal and turned over to Woods police who charged him with uttering and publishing.

Helies, according to Det. Sgt. Walter O'Dell and Det. LeRoy Tobian, is accused of paying rental fees to a Woods rent-a-car firm with two large checks which "bounced." One check was for \$171.54 and the other for \$130.

The officers said Helies was arrested at his home, 2000 North Gulf boulevard, Indian Rock Beach, Fla., by a U.S. Marshall and brought to the Woods on Monday, October 15. The arrest was made on October 3.

Helies was arrested on a federal warrant, signed by Federal Judge Frank A. Picard, for violation of probation. He had been convicted of falsely filling out forms for an FHA loan, and placed on two years probation in April 1955.

Moral Re-Armament Play Hailed as Top Musical Hit

An internationally known cast of 60 from 25 countries comes to Detroit on October 19 to present at the Ford Auditorium the Hollywood produced musical "The Vanishing Island."

This musical combines the best of Hollywood technique and production genius. The noted choreographer, Nico Charisse, who trained the famous ballerina Cyd Charisse, has created some amazing dramatic choreographic scenes. Lewis Allen of Hollywood, well known for his directing of many Warner Bros. productions, directed "The Vanishing Island."

The music which the London "Daily Mail" described as the "most melodious that any London West End stage has heard for years," was written by Will Reed and George Fraser and orchestrated by Herbert Weiskopf, Director of Opera at the Los Angeles Conservatory of Music.

Reginald Owen, the MGM star, who after two years on Broadway in "Affairs of State" took a leading role in this play during its Asian and European tour earlier this year, says of it, "There has been nothing like 'The Vanishing Island' in theatrical history. Never has a play had such an effect on the thinking of cabinets around the world. The plays of Moral Re-Armament are bringing life to the theater."

"The Vanishing Island" after its premiere on October 19 will play an alternate nights, October, 23, 27, 29 and 31.

Together with "The Vanishing Island," Moral Re-Armament is also bringing to the Ford Auditorium next week the all-African play "Freedom." Africa speaks to the world through this powerful and appealing production. The cast, which is drawn from all part of Africa, includes the former captain of the Kenya football team, a leader of 10,000 South African teachers, and political chiefs from West Africa.

With grace and conviction the men and women of this cast portray not only an answer to the great question mark of Africa but also to the pressing issues that confront this continent. "Freedom" will have its premiere on October 20 and continue on the 22, 24, 28 and 30.

Reserved seats without charge can be obtained by phoning Woodward 5-3000 or from the box office of the Ford Auditorium.

Theater Group Lists Schedule

The Grosse Pointe Community theatre announces the schedule of plays for the 56-57 season. First offering on October 26-27 is Garson Kanin's classic comedy "Born Yesterday" which tells hilariously what happens when a junk dealer goes to Washington with his dumb blonde girl friend. What does happen when the dumb blonde gets smart makes enjoyable dramatic fare. Judy Holiday, who created the role on Broadway, also won an academy award for the same portrayal in the movies also starring William Holden and Broderick Crawford.

"Stalag 17", a suspenseful comedy-drama of American prisoners in a German compound during World War II will be presented December 14th and 15th. This highly successful Broadway play was also made into a movie for which William Holden won an Academy Award.

The third offering of the season, "Anastasia," acting rights of which have been released this year to acting groups, dramatizes an attempt made by a group of White Russians to fraudulently represent a poverty-stricken young woman as the surviving Romanoff princess. This new drama will be presented March 1 and 2.

"Ten Little Indians" is a repeat by popular demand for the group. This well-polished mystery by the acknowledged leader of mystery authors and playwrights, Agatha Christie, was presented in the opening years of the group. The new production dates are May 10 and 11.

The last production of the season will be a real old-fashioned mello-drama on June 21 and 22. All plays are given at Cannon Memorial Auditorium, on Guilford between E. Warren and Chandler Park Drive. There is ample free parking. 8:30 curtain.

Individual tickets for each show are \$1.25 adults, 75 cents students. Season tickets are available at \$5.00. Checks should be made payable to Grosse Pointe Community Theatre and mailed to 32 Lakeshore drive, Grosse Pointe 36, Michigan.

St. Philomena's Society To Hold Rummage Sale

The Ladies of St. Philomena's Altar Society are sponsoring a three day Rummage Sale at 12838 East Jefferson avenue, October 25, 26 and 27, from 10 until 6 o'clock and Friday until 9 o'clock.

On Sunday, November 4, the altar society will be cooking and serving the annual roast beef dinner in the church hall, Mar-seilles at Mack avenue, from 1:30 to 5:30 o'clock. The public is invited, adults, \$1.50, children, 75 cents.

Submits Report On Farms Fires

Chief M. William Mason of the Farms Fire Department submitted his monthly report for September to the Farms Council on Monday evening, October 15.

The fire company answered a total of 19 calls of which only three were actual fires. One slack suffered \$15 damage. There were two auto fires listed in the report.

The Farms ambulance, which is operated by firemen, was used on eight occasions. There were two false alarms. The department was not asked to assist any outside communities in September.

Fireman Arthur Turner completed his probationary period and was classified as a regular employee. Lieutenants Raymond Snay and Edwin Beaupre attended the fire department inspectors school held at Michigan State University September 25 to 28.

History proves that decisions are frequently nothing more than a jump at a conclusion.

Many Pointe Businesses Jump Gun in Torch Drive

Many Grosse Pointe businessmen jumped the gun on the kick-off to the 1956 Torch Drive. They have already turned their contributions in at the local United Foundation offices at the Neighborhood Club. The office will be open week-days from 8:30 to 5 o'clock to receive Pointe funds for the Torch Drive.

Tuesday, October 16, the Drive was formerly begun with a luncheon at the Statler for the regional, divisional and area chairman. Gisele MacKenzie, radio and television star, was the star attraction. Mrs. Robert Duff, of Stephens road, is the regional chairman of the Torch Drive for all of the Pointes.

Among the businesses which have already contributed are: Allard Hardware, Berry and Berry Associates, Charvat the Florist, City of Grosse Pointe Police and Fire Assn., Coiffures by Leon, Greta Turne, House and Garden Shops, Inc., Maskell Hardware and Rands Medical Service.

Shop, Roesch McKnight, Inc., Pointe Hardware, Art's Party-Time, Grosse Pointe Window Shade Co., Park Lounge Bar, Shop EZ, S. Landuyt Meats, Maryland's Barber Shop, Meads Typewriter and Miemh Realty.

Continuing the list: Le Plae Real Estate Ins. Co., Perkins TV and Hi-Fi, Mary's Bar, Pointe Market, Verdonk's Bar-Cafe, Kellerman's Charles E. Cummiskey and Associates, Kennedy Catering Co., Wesson Drug Co., and Janet's Lunch.

Still more: Imperial Cleaners, Muller's Market, Ritter's Draperies, Andy's Service, Arena Hardware, Barringer's Lakepointe Music House, Chris and Gus Standard Oil, Dart in Bar, Guy's Barber Shop, Grosse Pointe Clock Repair and Union Homing Club.

Dinner Planned By Methodists

The Grosse Pointe Methodist Church will hold a Spiritual Life Dinner on Friday, October 19, at 6:30 p.m., in the community room of the church in Morris road. All members, children and adults, are invited to attend.

The program of the evening for the adults and intermediate and Senior youth groups will be presented by the Reverend Hugh C. White, who will review the book "The Autobiography of Peter Cartwright." In connection with his review, Rev. White will discuss Protestant Apologetics, which is an explanation of Protestantism. His discussion will be geared especially for the understanding of the young people present.

A separate program has been planned for the younger children, through the Junior department.

Mrs. Walter Griffith is in charge of the dinner, which will be pot-luck except for the meat course and beverage. All circles will cooperate to supply waitresses and to decorate the dinner tables. Church members will be contacted in the near future by the Fellowship Committee regarding reservations for the event.

Dominic L. Pucci Honored by Italy

Dr. Dominic L. Pucci of Moran road, professor of Spanish and Italian at Wayne State University, was awarded "The Star of Italian Solidarity" the highest honor Italy can bestow on a foreigner by the Italian Consul of Detroit.

The award was made by Dr. Antonio Carloni on October 5, representing Italy's president, Giovanni Gronchi. Dr. Pucci received the honor for his work in establishing cultural relations between this country and Italy.

Dr. Pucci, chairman of the Spanish and Italian departments since 1930 received his B.A. degree from George Washington University in 1924. He was awarded an M.A. in languages from the same university in 1926. Harvard University awarded him with another M.A. degree and a Doctor of Philosophy in languages in 1927 and 1930, respectively.

Dr. Pucci, listed in "Who's Who in America" for many years, taught the romance languages at Harvard from 1927 to 1930. His family includes his wife, the former Lucia Bosco, and two daughters, Lucia, aged 15 years, and Carol Ann, 13.

A dinner and reception followed the award in the Pucci home.

Rabaut Honored At Dem Banquet

Over 350 persons attended the banquet sponsored by the Fourteenth Congressional District Democratic Organization on Thursday evening, October 11, at the Silver Crown Ballroom, Nine Mile road and Vandike. This dinner was held in honor of Hon. Louis C. Rabaut, who has been a congressman from the Fourteenth District for 20 years.

The main speaker of the evening was U.S. Senator John F. Kennedy of Massachusetts.

Others attending from Grosse Pointe were Mr. and Mrs. J. Dunton Barlow, George A. Beauchamp, Mary and Sally Beirne, Hon. Edgar M. Branigan, George Bashara, Ann Leone Costrine, Mr. and Mrs. Alfred B. Fitt, Mr. and Mrs. William C. Loud, Frank McKinnon, Hudson Mead, Rev. Francis Dermott, Raubaut, Mr. and Mrs. Charles P. Rabaut, Mr. and Mrs. Vincent Rabaut, Mrs. Mary M. Rabaut, Miss Margaret Rabaut, Mr. and Mrs. John C. Rabaut, R. H. Roche, Jr., John Roche, Donald M. D. Thurber, and Helen Wirth.

Senator Kennedy spoke concerning his recent book "Profiles in Courage" which was on the best seller list in the New York Times, and on the world situation particularly concerning the current Suez controversy.

Conversions Important - But Not This One

Conversion points are important in football, especially in high school games, and could mean the difference between an unbeaten season for the Grosse Pointe Blue Devils in the next two weeks in the Highland Park and Fordson games. To date the Blue Devils have been successful only 7 times in 16 attempts. In this instance quarterback Dick Dumas missed the extra point after the Blue Devils scored their second touchdown against Wyandotte who they beat, 19-6, on Saturday, October 13. In winning five consecutive games this season the extra point has been important as the Pointers have held comfortable margins over their opponents in each game. They have scored 105 points while holding their rivals to 26 points.

NEW TORSION-AIRE RIDE...it carpets the road!

Only once or twice in a decade is there an engineering "break-through" like this!

Chrysler Corporation's engineers have perfected a completely new suspension system, a new kind of ride—Torsion-Aire!

This means your car will have greater stability, levelness, "floating comfort"—on any kind of road. You will turn corners with virtually no "sway" . . . you will stop without a jolting "front-end dive" . . . you will ride as on a carpet, softly, quietly, without road shock!

Yet Torsion-Aire is just a part of what Chrysler Corporation engineers and stylists achieved for

'57, part of the lasting value built into these cars!

You will see new styling so striking and so right that it's called *The New Shape of Motion!*

You will enjoy Pushbutton TorqueFlite—a new transmission, smoother and swifter than any yet devised. You'll discover new engine performance . . . smaller wheels with softer-riding tires . . . the new ease and assurance of Total-Contact Brakes!

See the 1957 cars of THE FORWARD LOOK at your dealer's October 30th. In every price range, in 93 different models, these are THE NEWEST NEW CARS IN 20 YEARS.

How Torsion-Aire helps you

- 1 Smooths the roughest roads
- 2 Turns corners without "lean"
- 3 Stops without "dive"

Need Volunteers To Help Blind

One of the most rewarding of volunteer efforts begins at the War Memorial Center tomorrow, Friday October 19, at 10 o'clock. The American Red Cross Braille Transcription Class will begin at that time.

Those who complete the 22-week course which meets each Friday morning, pass the examination and receive their certificate from the Library of Congress, will be able to transcribe into Braille the many reading materials needed by the blind.

This is the only course of its kind taught in the Detroit area. The class is limited to 24 members. There are still a few places for those who want to dedicate themselves to this worthwhile effort.

Finally Agrees To Rebuild Wall

After about five years delay, the Farms council on Monday, October 15, finally approved the rebuilding of a cinder block wall on Moran road at the Hugo Higbie property line.

A low bid of \$475, made by the Charles Fromm company, was accepted by the council, for the reconstruction of the wall.

FLOOR JACK STOLEN

Lee Wallace, on Thursday, October 11, called Park police and reported the theft of a floor jack, valued at \$100, which was taken from the gas station where he is employed, located at 15001 Kercheval.

Nursery School In New Quarters

The Lake Shore Cooperative Nursery School has found a new home at St. Lucy's School, Marter and East Jefferson, and is ready to welcome new members from the Grosse Pointe Woods and St. Clair Shores area.

There are a few openings in both the three and four-year-old classes. For application, mothers may call Mrs. Marian Mann at PRescott 7-3563, the membership chairman.

For this school year the group will have the use of two large new rooms at St. Lucy's. Both classes will meet from 9:15 to 11:15 a.m. Tuesdays and Thursdays.

Mrs. Mann urges parents to apply soon, as the membership is filling fast.

A requirement for membership in a co-op nursery is participation in the orientation program.

Cinema League Meets Oct. 25

Investigation of new amateur movie equipment and an experiment in adding sound to motion pictures will be featured at the next Grosse Pointe Cinema League meeting on Thursday, October 25, at the Grosse Pointe War Memorial Center at 8 o'clock.

Members of the group will put sound on a motion picture by means of magnetic tape and then will play it back for everyone to hear.

Questions about orientation, its aims and requirements may be directed to Mrs. Margaret Small at TUXedo 2-5178, the orientation chairman.

Republican Club Sponsors Debate

"Which Political Party Best Represents the People in the 14th District?" is going to be the topic of debate for the next meeting of the 14th District Young Republican Club.

Two speakers will debate on this interesting subject, Robert Waldron, Republican, candidate for the Legislature from the 13th Legislative District, and Manning Hathaway, Democrat, the Legislator from the 1st Legislative District.

The meeting is to be held Thursday, October 18, at 8 p.m. in Buckingham Hall and will be followed by a social hour. All interested young people between the ages of 16 and 37 are invited to attend.

AAUW Groups Plan Meetings

Members of the Status of Women committee of A.A.U.W. of which Mrs. E.H.B. Ann is chairman, will meet in the home of Miss Louise Rau, 422 Neff road, at 1:30 p.m. on Oct. 22.

There will be a round-table discussion to plan for speakers and topics for the year. Those interested in the woman's role at home and abroad are urged to attend the discussion. Dessert will be served before the meeting.

The A. A. U. W. Music Study Group will meet on October 19 at 2:30 p.m. in the Henry and Edsel Ford auditorium for the first Friday Afternoon concert of the 1956 season of the Detroit Symphony Orchestra. Paul Paray will conduct his epic "Mass for Joan D'Arc."

Democratic Club To Fete Leaders

Governor G. Mennen Williams, Democratic members of the State Administrative Board and Justices George Edwards and Talbot Smith will be guests of honor at the "First Annual Dinner" of the Grosse Pointe Democratic Club to be held at the Grosse Pointe War Memorial Center at 6 p.m. Friday, November 2.

Dr. Lynn Bartlett will serve as toastmaster and is acting as general chairman for the dinner.

Reservations for the dinner are limited and may be made with J. D. Barlow, president, Grosse Pointe Democratic Club, 1256 Beaconsfield, VAlley 2-7833.

GPUS News Notes

School life this year at the Grosse Pointe University School is being enriched by the presence of two students from Europe.

One is Petra Kruse of the 10th grade, whose father is the German vice consul in Detroit. Miss Kruse speaks both German and French.

The other is Hermann Schunck of the 12th grade. He is at G.P.U.S. under the auspices of the American Field Service. His American "parents" during his stay in Grosse Pointe are Mr. and Mrs. George W. Johnson of Berkshire road, whose son Skip is a classmate of Hermann's.

Both young people have become active in the life of the school. Hermann is on the varsity football squad; Petra has become interested in the activities of the American Junior Red Cross.

Chapel service assemblies are generally held twice a week for the students of the Upper School (Grades 7-12) at G.P.U.S. One assembly is conducted by a faculty member and occasionally by a guest clergyman; the other is conducted by a student. Chapels thus far this year have been conducted by Headmaster John Chandler, Jr., Miss Blanche Richardson, and by Robert Johnson of the Senior Class.

A sizable delegation of students, faculty, and parents was to be seen at the G.P.U.S.-Detroit Country Day School game last Friday, September 28. The students went over by chartered bus to the West Side school and enjoyed a close game, which G.P.U.S. finally lost, 14-7.

Upper School students attended the annual Audubon lecture on Thursday, September 27. The speaker was Mr. Fran Hall, who discussed insect life and showed films to illustrate his remarks.

Colorful and energetic is the Grosse Pointe University School's contingent of pretty cheer-leaders this season. Supporting the efforts of the football and field hockey teams are Eleanor Jacobson and Susan Ryan of the 12th grade, and Patsy Standart of the 11th grade, and Robin Harris and Susan Shepherd of the 10th grade.

These young ladies lead the "pep rallies" that precede the games in the school auditorium, and then they go at it again with redoubled vigor during the games themselves. You can't miss them in their vivid red outfits.

The first issue of "The Periscope," the school newspaper, appeared last week and was well received by the students. Faculty adviser for the paper is Mr.

This is number 3 store of hobby supplies opened by Robert W. (Bob) Beader. Store No. 1 is in Royal Oak and No. 2 is in store in order to believe that such a tremendous stock of supplies must be carried, to answer customers' needs. Beader's venture has been much publicized, since it grew out of his hobby for trains. He is 30 years old and still has the 26-year-old train that started him out in business several years ago. Today, he says he carries 50,000 items. All good things come to the Pointe!

Philip P. Perkins, head of the English Department,

The staff is as follows: Editor-in-Chief, Nick Stroh; Managing Editor, David Marentette; Editorial Editor, Tom Miller; Features Editor, Paula Walker; Sports Editor, Carole Williams and Stuart Piggins; Intermediate School Editor, Mary Yeager; Typing Editor, Judy Standart; Circulation Managers, Jane Peire, Julie Donovan and Robin Harris.

Among articles and features in this first issue were the following: An announcement of the coming folk-singer and "troubadour" Mark Taylor of Ann Arbor (incidentally, Mr. Taylor has appeared since the Periscope came out and was a smash hit with the GPUS students); a welcome to and short account of foreign students, Herman Schunck from Germany and Petra Kruse from France; a description of the coming "Mothers' Tea" at which the mothers of students in the various grades will meet the advisers of those grades (several such teas have now been held); and there was a description of the varsity's first football game (alas, a loss) against Detroit Country Day.

Then there is a listing of the newly elected officers of the Glee Club: President, Sally Walker; Vice-President, John Scherer; Secretary, Lyn Robinson; and Librarian, Sazy Ryan (of the 10th grade).

Other items: There is the advance news that the 7th and 8th graders will be presenting an adaptation of Dickens' Christmas Carol on December 7th under the direction of Mrs. Eleanor Munger, Mrs. Hortense Robinson, and Miss Marie Sansone. Student concessions: The

11th grade boys are selling Coca Cola (via machine) to benefit their treasury; 10th graders will be selling candy, hotdogs, etc. at basketball games; and 11th grade girls will be conducting bake sales. The lost-and-found department is now under the eagle eyes of 10th graders Susan Leach and Sandra Schneck. . . . Quotes from Periscope editorials: "Our teachers and parents can tell us to work, but we alone are the ones who have to do the job or face the consequences. Remember the colleges want only the best." and "Those who claim to have school spirit must prove it" (by their presence and enthusiasm at school athletic events).

Cited as "student of this issue" is Ann Forster, co-president of the student council, of whom "The Periscope" says, "Always in demand . . . A popular girl . . . A crack hockey player . . . Fine sportsmanship . . . A skiing enthusiast . . . A hard-worker . . . Lends a helping hand . . . An outstanding record of cooperation and contribution." . . . Robin Harris, writing "From

the Critic's Desk," praises the Columbia recording of "The Emperor Concerto" of Beethoven as performed by Rudolph Serkin with the Philadelphia Orchestra under Eugene Ormody . . .

The "U" Club News lists that group's officers for the coming year. They are: president, 'Skip' Johnson, secretary - historian, Howie Bonbright, and treasurer, Jim Stewart. The "U" Club is made up exclusively of varsity letter winners and of varsity coaches.

An announcement about the girls' tennis squad states that "under the supervision of Miss Clara Lockhart tennis has become a challenge for all girls who prefer tennis to hockey."

Remaining football games are listed, too. They are (for the varsity) Oak Park, Oct. 19, here; Lake Shore, Oct. 26, here; Nov. 2, Thurston, there; Nov. 9, Huron Valley, here.

"The Periscope," which deserves congratulations for a good first issue; asks alumni of GPUS, DUS, and GPCDS to send news items to its Alumni Editor. So alumni, send the news along . . .

Farms Police Report Submitted

The Farms police department experienced another active month as evidenced by the monthly report for September, submitted at the city council meeting, October 15.

The violation department recorded \$1312 collected. Traffic violations accounted for \$467, while \$285 came in from parking offenders. Traffic cases which came to court accumulated \$462.

Eight adults and five juveniles lost their driver's licenses for driving offenses. There were two cases of breaking and entering which netted the thieves \$428. Six simple larcenies resulted in \$94 stolen, and of this figure \$83 was recovered.

Three grand larceny cases record a total loss of \$774.

Four bicycles were reported missing and police found all of these. Five missing persons were

also all found or returned to their homes.

Police car crews checking business establishments found 18 had left their doors unlocked at night. The police also answered four ambulance calls in September.

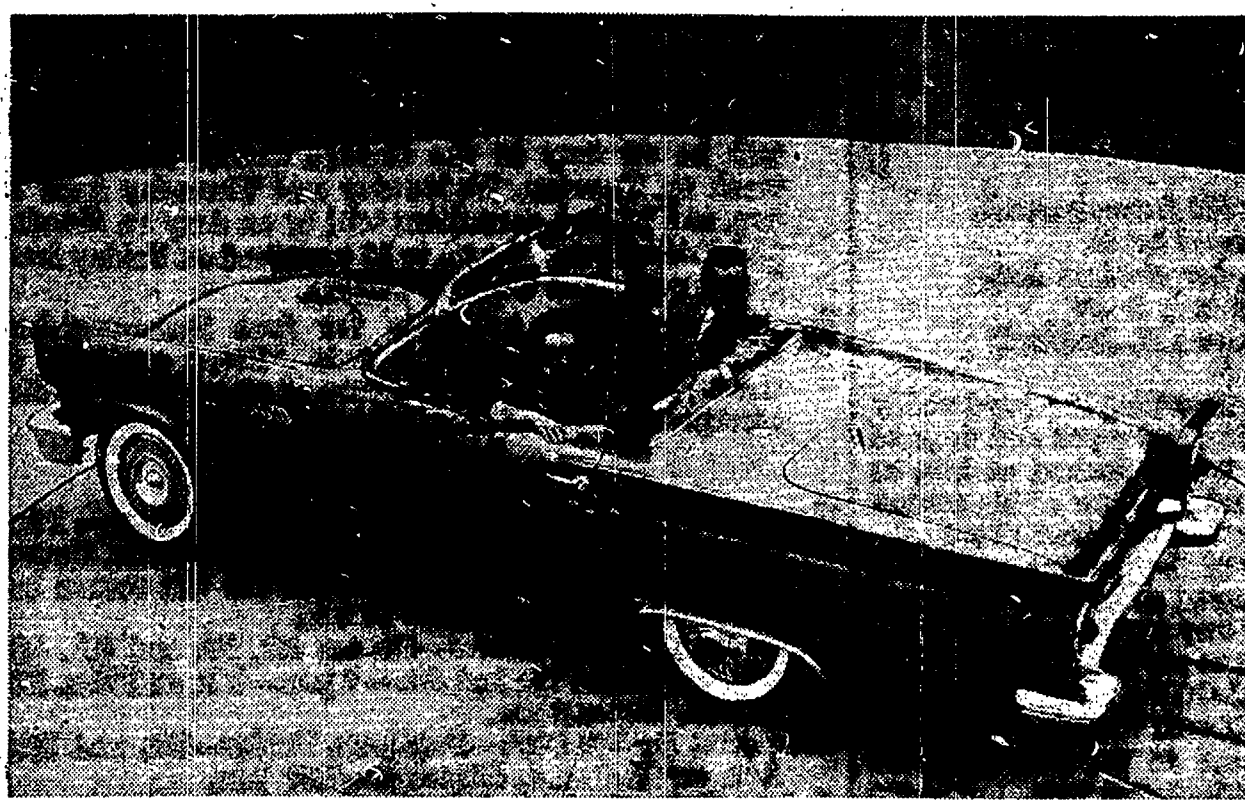

Chauffeurs licenses were issued to 10 persons, and a total of 267 new or re-newed operator's licenses were issued.

Three young boys were arrested for destruction of property. Restitution was made and the lads were released to their parents.

One man was picked up for investigation of a larceny. He was given a lie detector test and released. An old man was arrested for shoplifting. He made restitution and the complainant would not prosecute.

There was only one dog bite reported in September. A new record low. This may be accredited to the fact that National Dog Week was in that month.

Thunderbird Takes on New Look

NEW LOOK in the Thunderbird for 1957 is achieved with sculptured metal treatment of the rear deck and rear quarter panels, and a new front end design. The car has 15 per cent more luggage space, and five inches greater body length. Ride and handling are improved with a

lower center of gravity, new design of springs and shock absorbers, plus redistribution of the car's weight. Bigger brakes and up to 20 per cent more horsepower are offered. The 1957 Thunderbird is available now through Ford dealers.

The trouble people go to, to borrow trouble is hardly ever worth their trouble.

The worst combination on our highways is a smart aleck in a high-powered automobile.

The fellow who sponges his way through life merely soaks up the fruits of other's labor.

Salesmen Win Chevy Contest

General Manager for Ray Whyte Chevrolet, Ed Schmid, proudly announced this week, that two of his men finished one-two in a contest for Chevrolet salesmen in the Detroit area.

All Chevy salesmen compete in the annual contest which tests men in their knowledge of the new Chevrolet line of trucks and cars. The men are all asked the same questions, and the top five scores are selected for a final quiz-down.

Bill Labadie scored a perfect 150 points in the quiz. Several Detroit Chevy dealers said this is the first time in five years that anyone had achieved the perfect score. Bill Court of 830 Barrington, won the second place honor.

Ray Whyte Chevrolet is particularly proud that two of their own men captured the first two places in this all-city contest.

Industry is the mother of success—luck only a distant relative.

Boulders in our paths can be stumbling blocks or stepping-stones. The man with a hot temper gets into a big stew about nothing.

The Junior and Senior High Youth groups of the Grosse Pointe Congregational Church are planning their annual "Work Day for Christ" on Saturday, October 20, from 9 a.m. to 2 p.m.

This is a national project for all Congregational youth and is a day set aside for earning money for the "Christian World Missions."

A car wash and bake sale are being held at the church. Applications are being taken now for baby sitting, lawn mowing and raking, window washing and putting on storm windows. Call the church office, TU 4-3075 or Janie Richter at TU 5-7712.

Farms Market Marks Birthday

The Farms Market, established here 17 years ago as one of the finest food markets to be found anywhere, is celebrating its anniversary by offering a number of unusual items, such as fancy young pheasants, Beluga Caviar and LaCroux exotic soups at popular prices.

William Moir, co-founder and owner of the store explains that it has long been a policy at Farms Market to come forth with real treats at low prices during anniversary celebrations.

The store gathers its fine foods from all corners of the earth. Its meats are all prime quality.

Open New Home Of The Sphere

The grand opening of the new and greater store of The Sphere, one of Grosse Pointe's fine gift shops, will take place Saturday of this week, with the doors officially opening at 11 o'clock.

The new store, designed to serve the firm's growing volume of business, is much larger than the original store and its appointments and fixtures have been well chosen.

Located at 19849 Mack, corner of Huntington, in Grosse Pointe Woods, the new structure is almost directly across the street from the store the firm occupied for the past six years.

Prior to coming to Grosse Pointe, The Sphere was located on Woodward avenue for five years. There will be gift favors given out on Saturday.

CEMENT, TILE STOLEN

Edward Roney, Jr., of 76 Merriweather road, reported to Farms police Thursday afternoon, September 20, that six bags of cement, and an unknown quantity of tile were stolen from a house under construction on Kenwood road north of Kercheval.

Grosse Pointe News

From Another Pointe of View

By Patricia Talbot

Tonight the white tie and tails, the most sparkling formal gowns of Detroit's top drawer society will be on view for that most ultra event, the opening of the Symphony.

This season there is a special aura surrounding this beginning of the fall social season. For Paul Paray will conduct the orchestra in the new Henry and Edsel Ford Auditorium. The main opus of the evening will be Maestro Paray's own composition, a mass commemorating Jeanne D'Arc's martyrdom 500 years ago.

Although the auditorium was inaugurated Sunday evening when Ed Sullivan produced his weekly TV show from the glittering modern building on the waterfront, the symphony opening is society's first introduction to the new auditorium.

Ford's Dinner Hosts

Symphony president John B. Ford, Jr., will be on hand with his bride, the former Mrs. Holland Low, of New York. Mr. Ford will be interviewed during intermission on TV, as will other city dignitaries.

Dining at the Ford's East Jefferson avenue home before the symphony will be Mrs. Edsel Ford, Mrs. Howard Freeman Smith and the Jerome Remicks.

Mrs. Harold O. Love, head of the Women's Association for the Detroit Symphony, and Mr. Love will entertain the Harold B. Tyrees, the John T. Mansfields, and the V. Everett Kinseys at the University Club for dinner before the opening.

More Symphony Patrons

In their seats early to hear the 300 voice Rackham chorus, and the four soloists accompanying the symphony will be Mr. and Mrs. John B. Ford III, the Robert Kuhns and the William Books.

Driving down to the auditorium from dinner at the Detroit Club will be the David Sutters, the Dolf Widmanns, the Edgar Flintermans, Mrs. Paul Sutherland and Dr. Ralph L. Fisher.

Enthusiastic symphony supporters, Mr. and Mrs. Daniel Goodenough will attend, although they must rush off tomorrow to see son Danny at Hotchkiss School. It's Dad's week-end at the Eastern prep school.

Season Supporters

Other season ticket holders (there are no boxes in the new auditorium) are Mrs. Russell Alger, Mrs. Frederick S. Ford, Mrs. Roy Chapin, Mrs. Cameron Waterman, Mrs. Fred T. Murphy and Mrs. Lynn McNaughton.

Mrs. Henry B. Joy will return from Virginia, where she has been attending doings at Gunstan Hall just for opening night.

Mrs. J. Dwyer Kinnucan, Mrs. Eva Doty Worcester, Mrs. Stephen Stackpole, Mrs. Alger Sheldon, the Henry Ledyards, the Walter Scotts, the Alvan Macauleys, Jr., Robert Tannahil and John S. Newberry, Jr., will also be in the audience.

Paris Dateline

On Hotel Reynolds stationery with a Paris dateline comes a letter from Mrs. J. Leslie Berry, who in spite of the joys of European travel spares a wistful sigh for her seat at the symphony opening.

She and Mr. Berry have passed the halfway mark in their travels by car on the continent. They are taking a breather in Paris after landing at Genoa and seeing the fabled cities of Italy. Then they went on to Vienna for the

Exchange Vows On Long Island

Mrs. Chisholm Nicholson Macdonald, formerly of Grosse Pointe, and now of East Hampton, L. I., was married to Charles Lorenzo Woody, Jr., in St. Luke's Episcopal Church of East Hampton, Saturday with the Rev. Samuel Davis officiating.

The bride is the daughter of Mrs. Noble Calhoun Banks, of Palm Springs, Calif., and the late Mr. Banks. Mr. Woody is the son of Mrs. Charles L. Woody of New York and Port Jefferson, L. I., and the late Mr. Woody.

For the ceremony the former Mrs. Macdonald wore an aqua peau de soie gown with a large matching hat and white orchids.

Her daughter, Mrs. John Fenwick Aird, was her only attendant in dark blue chiffon with a small sweetheart roses.

Ross Banks Macdonald gave his mother away and the best man was Clinton Gilbert, brother-in-law of the bridegroom.

A small reception followed at the new Mrs. Woody's home, "Petite Pointe." Grosse Pointers will meet the couple when they arrive this week to be the house guests of the David A. Wallaces, of Lewiston road.

They will remain over the week end to attend the Crowther-Schenck wedding and the reception at the home of the C. Henry Buhls. Then they will return to New York to make their home.

Stephens College Grads Organize Alumnae Group

A new Eastside Stephens College Alumnae Group has been formed this fall. They met for the first time October 8 at the St. Clair Shores home of Mrs. Vernon F. Beitel.

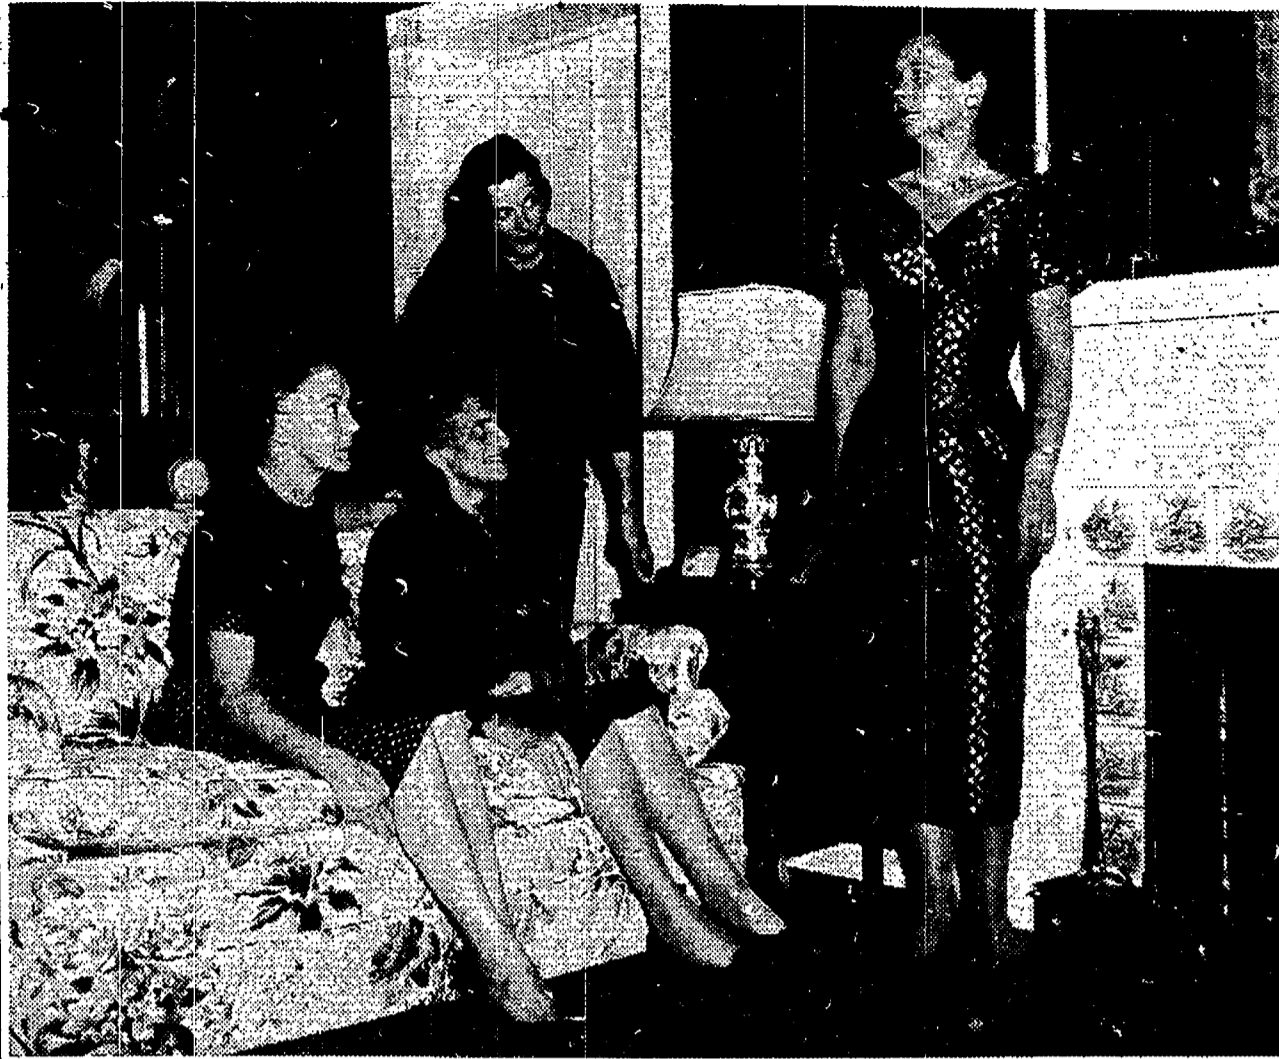

Mrs. Robert Knapp, was co-hostess for the evening with Mrs. J. T. Downey, Jr., of Birmingham, Stephens regional chairman, honor guest.

The meetings will be held on the second Monday evenings of each month. Mrs. Alexander J. Bacon, of Harper Woods, will be hostess to the group on November 12 with her sister, Mrs. Victor Baculis, assisting. The topic for that meeting will be "Do It Yourself for Christmas."

The officers include Mrs. Beitel, chairman; Mrs. Frederick M. Leist, of St. Clair Shores, vice-chairman, and Mrs. Alexander J. Bacon, of Harper Woods, secretary-treasurer.

HOUSEHOLD HINT

To keep celery fresh and crisp, store it in a cool, moist temperature. Carefully wash the separated stalks, and cut away bruised or damaged spots. Cut off and save the leaves for flavoring soups, gravies, and stews or to use as a garnish. Pat off the excess moisture and store, covered, in the refrigerator.

Garden Clubs Plan For Big Celebration

Table Settings and Flower Arrangements to Feature Four-day Event at Warren and Company Oct. 30 Through Nov. 3

Bright ideas for utilizing the bright flowers and foliage of Autumn-in-Michigan are being evolved right now by scores of ingenious members of the Federated Garden Clubs of Michigan, District I.

The reason? It's the forthcoming exhibition of table settings and flower arrangements in which every garden club in District I has been invited to participate. Members wishing to enter arrangements have had a list of 50 suggestions (prepared by the committee) from which to choose.

This four-day exhibition will be held in the display salons of the Charles W. Warren and Company's store in Washington boulevard, from October 31 through November 3. No doubt many Pointers remember with admiration the first exhibition under the same auspices, held last year. Indications point to an even more beautiful showing this season.

Everybody (and that includes the men and teen-agers) who loves flowers and enjoys an attractive, properly-set table—no matter what the occasion—will be most welcome at this exhibition, which, the committee assures, will hold many an idea that the visitor may adopt or adapt.

"Autumn Forecasts" is the exhibition's general theme, within which are special subdivisions. One of these, for instance, titled "Salute to the Motor Industry," will show arrangements reminiscent of the gorgeous coloring along Michigan's motor highways and in home gardens.

Then there will be an "Election Interlude," entries for which will be amusing and at least mildly non-partisan. Practically everybody will be interested in the suggestions for college, debutante and wedding parties, not forgetting the variety of ideas for brightening the Thanksgiving, Christmas and New Year festive boards.

There will be no admission charge and no individual awards, but the Federated clubs sponsoring the exhibit will be presented by the International Silver Company with a pair of five-light candelabra as a companion piece to the tea service received last year—both to be a gift from District I to the permanent home of the National Federation of Garden Clubs, in St. Louis, Mo.

Mrs. A. George Coulton is general chairman of the exhibition committee, which includes Mrs. Cooper Cauchois, Mrs. Walter R. Byrd, Mrs. Jamie L. Johnson, Mrs. Glenn Leland, Mrs. Longyear Palmer, Mrs. Frederick J. Schumann, Mrs. Donald B. Smith and Mrs. Clarence McBryde.

Grosse Pointe women who will serve as hostesses or in other capacities, on one or more of the four days, include: Mrs. Watson Beach, Mrs. Stephen Beale, Mrs. Alexander W. Blain, Mrs. Kendrick Brown, Mrs. Carl J. Carlson, Mrs. Edgar Cooper, Mrs. Clarence L. Fox, Mrs. William J. Goodson, Mrs. Gerveys Grylls, Mrs. Robert G. Hammel, Mrs. Donald G. Hanna.

Others are Mrs. Pierre Heftler, Mrs. James T. Huette, Mrs. Burton D. Jones, Mrs. Albert Law, Mrs. Emil Leidich, Mrs. Charles Jacobson, Mrs. Vernon Johnson, Mrs. Richard Larwin, Mrs. Hurst Montee, Mrs. James B. Ogden, Mrs. Longyear Palmer, Mrs. Howard Poppen, Mrs. Paul Frenthun and Mrs. Hansel Dwight Wilson.

And from St. Clair Shores: Mrs. Frank Labadie, Mrs. Bernard Murry, Mrs. Harold Reinhardt and Mrs. Fred Schultz.

Mrs. Cauchois Arrives For Nov. 10 Wedding

Mrs. Cooper Cauchois has arrived from Kentfield, Calif., with her sons, Scott, Gage and Tom. She is staying at the Lewiston road home of her parents, the Gage Coopers, while they vacation in Europe.

The Coopers will return around the first of November for their daughter's wedding on November 10 to William Moore Joy.

Miss Burlingame Weds Mr. Rutledge

Pair Speak Vows in Our Lady Star of the Sea Saturday Morning; Bridegroom's Uncle, the Very Reverend Father Philip Krass, of Wyoming, Officiated

A breakfast reception at the Hillcrest Country Club followed the marriage of Mary Ann Burlingame and Dr. Eugene Michael Rutledge, Saturday in Our Lady Star of the Sea.

The bridegroom's uncle, the Very Reverend Father Philip Krass, of Thermopolis, Wyo., officiated at the morning ceremony.

The bride is the daughter of the Byers Burlingames, of Roland road, and the bridegroom is the son of Mr. and Mrs. Arthur Rutledge, of Charlemagne avenue.

For her marriage the bride chose a gown of Italian silk taffeta with Venice lace accenting the sweetheart neckline. A tiara of seed pearls held the fingertip silk illusion veil and she carried amazon lilies and stephanotis.

Mrs. Donald Fox, the bridegroom's sister, was matron of honor, and the bridesmaids were Mrs. Walter Promack and Mrs. Walter Keindryck.

Their matching gowns of gold peau de soie and chiffon were complemented by their bouquets of yellow fugi mums and talisman roses.

Two nieces of the bride, Lois and June Burlingame, were flower girls in miniature editions of the attendants' gowns.

They carried baskets of yellow fugi mums and talisman roses.

Arthur Rutledge, Jr., was his brother's best man and the ushers were Dr. Donald O. Burlingame, brother of the bride; Dr. Donald S. Rumon, Jerome Rutledge, brother of the bridegroom, and Donald Dettloff.

For her daughter's wedding Mrs. Burlingame wore a Monoco blue peau de soie with matching accessories. Mrs. Rutledge wore French blue taffeta. They both wore white orchids.

After a wedding trip to California the couple will make their home on Wade avenue.

Fords Entertain At DAC Reception

Benson Fords Mark Inauguration of New Memorial Auditorium with Party Following Ed Sullivan TV Show; Guests Include City Dignitaries, Friends and Cast of Show

Mr. and Mrs. Benson Ford of Kenwood road entertained at a reception and buffet supper at the Detroit Athletic Club Sunday night, following the formal dedication of the magnificent new Henry and Edsel Ford Auditorium, in the Civic Center and overlooking the Detroit River.

Some 200 guests went directly from the imposing white marble and blue-pearl granite auditorium, (acclaimed as one of the country's most beautiful), after the 6:30 o'clock dedication ceremony and the "Ed Sullivan Variety Show" nationally televised a half hour later from its stage.

Mr. and Mrs. Ford's reception-supper was a three-pronged honor party — it honored Ed Sullivan and his cast; the members of the Memorial Hall Commission and their wives, and the members of the Ford-Mercury-Lincoln National Dealers Committee and their wives.

Ford family members present were Mrs. Edsel Ford, Mr. and Mrs. William Clay Ford, and Mr. and Mrs. Walter Buhl Ford II. The Henry Fords II were unable to be there due to their current travels in Europe.

Beautiful arrangements of flowers decorated the DAC's spacious Georgian and Pontchartrain Rooms and the large adjoining private dining room. Mr. and Mrs. Ford received in the crystal-hung Pontchartrain Room.

League to Aid Crippled Kids to Hold Big Party

Fugi mums in chartreuse hue, birds of paradise blooms, yellow pompons and orange troma brought the autumn colors to the buffet tables, and low bowls of the same flowers combined with lightly-gilded foliage centered round tables where guests were seated.

Present were Detroit's Mayor Albert E. Cobo and Mrs. Cobo; Weid S. Maybee and Judge Frank G. Schemanske, respectively the director and the president of the Memorial Hall Com-

mission, Mrs. Maybee and Mrs. Schemanske.

Mr. and Mrs. Stark Hickey of Grosse Pointe and Mr. and Mrs. Ralph Groom of Louisville, Ky., were others at the beautiful festivity — Mr. Hickey and Mr. Groom were chairmen of the financial committee which helped bring about the one and a half million dollar gift made by the Ford Mercury and Lincoln dealers toward the Ford Auditorium's construction.

Other guests were the hostess' mother, Mrs. Lynn McNaughton; the Ernest Kanzlers, the Joseph E. Baynes, the John N. McNaughtons, Mrs. James B. Webber, Jr., the James F. McDonells, Jr., the Frederick Clifford Fords, the Warren Sheldens, the Edwin O. Bodkins.

The list continues with Sibley Moores, the Lansing Pittmans, the Gordon A. Wellers, the Walker Cislers, the Selden Daumes, the Wendell Andersons, Jr., the Douglas T. McClures, and Mr. and Mrs. Richard Morris of Birmingham.

For the benefit of Bentley Camp, the Annual Bazaar and Card Party of the Michigan League for Crippled Children will be held Wednesday noon, October 31, at the Masonic Temple.

A fashion show, a sweet shop, and Christmas booth by the Junior Auxiliary, needle craft by the East Side and West Side Sewing Groups, a baked goods booth, white elephant booth and 100 beautiful prizes will be features of the event.

Dinner to Help Building Fund

A "Festival Smorgasbord" dinner will be held on Friday evening, October 19, by the seven East Side circles of the Detroit Lutheran High School Guild.

Serving will begin at 4:30 and will continue through the evening, at Trinity Lutheran Church, Gratiot at Rivard. Parking space has been made available on private lots at the rear of the church.

Mrs. Gordon Bohn of Audubon is acting as general chairman of the committee planning the affair and will oversee the preparation of the wide variety of delicious foods offered.

Proceeds will go for the benefit of the new Lutheran High School, on which construction is due to begin shortly at the site on Kelly road, near Eight Mile road. At the present time East Side students are attending the Lutheran High on Joy Road at Grand River. The first unit of the new building is being planned to accommodate 750 students.

A bake sale will be held in connection with the dinner. Tickets for the smorgasbord will be available at the door or may be obtained from Mrs. Bohn, TU 1-0952; Mrs. William Rustmann, TU 4-6964; or Mrs. Tom Brochu at TU 5-8716. Donation is \$1.50 for adults and 75 cents for children.

On July 30, 1944, two motor torpedo boats purchased by WAVES through a \$2,000,000 war bond drive were launched at New Orleans, La.

Two Groups of A.A.U.W. Set Dates for Meetings

The AAUW has scheduled dates for two of its groups. The first will be the meeting of the Contemporary Literature group which will meet on October 23 at 7:45 p.m. in the home of Miss Louise Rau, 422 Neff road. Mrs. R. L. Shepard, known for her sparkling book reviews, will discuss "Ambassador Extraordinary," the biography of Clare Booth Luce, by Alden Hatch. Co-hostess will be Miss Flora L. Anderson.

The meeting of the Education Study group on October 24 is the second date. Members will meet in the home of Mrs. Donald W. Jennings, 1131 North Oxford road at 7:45 p.m.

A cordial invitation is extended to anyone interested in current educational problems.

Boat Club Prepares For President's Ball

Donald K. Tyler and Mrs. Tyler to be Honored Saturday Night at Annual Gala; Mr. and Mrs. Karl A. Davies Head Party Committee

A large bubbling fountain surrounded by masses of pink flowers will greet guests who arrive at the Boat Club Saturday night for the cocktail party and dinner dance in honor of the club's president, Donald K. Tyler and Mrs. Tyler.

At the president's cocktail party preceding the annual festivity will be vice president A. J. Cutting with Mrs. Cutting treasurer Henry G. Gildner and Mrs. Gildner and secretary William J. Mullen, Jr. with Mrs. Mullen. Among the directors and their wives planning to attend are Mr. and Mrs. Herbert N. Bumpus, Mr. and Mrs. Charles E. Howard, Mr. and Mrs. Harry S. Gould, Mr. and Mrs. Curtis V. Mower, Commodore and Mrs. Roger S. VanDerKar and Naval Board Captain William A. Heisel with Mrs. Heisel.

Heading the President's Ball committee is Karl A. Davies, assisted by Mrs. Davies, Mr. and Mrs. Roy E. DeHart, Dr. and Mrs. L. P. Heath, Mr. and Mrs. John C. MacFarlane, Mr. and

Mrs. James M. Surbrook, Mr. and Mrs. James Day, Mr. and Mrs. Kenneth Gould and Mr. and Mrs. Jack Neal.

Mr. and Mrs. Cecil Shuert will entertain a group with Mr. and Mrs. Wilbur Landis, Mr. and Mrs. Louis Cameron and Mr. Mrs. Earl Hodges as their guests. Another large party will include the Frederick Fishks, the Alfred Crabbs, the Carroll Sulivans, the Frederick Fishers, the John Smylys, the Leroy Vandeviers and the Percy Hamlyns.

Mr. and Mrs. Frederick McGraw will make up a sixsome with Mr. and Mrs. Howard Carroll and Mr. and Mrs. Donald Schauer.

Others attending will be Mr. and Mrs. Malcolm Denise, Mr. and Mrs. George Cassidy, Mr.

Harry Ludwigs Wed 50 Years

Mr. and Mrs. Harry Ludwig of Rivard boulevard are in New York City this week. They will spend their time sight-seeing, dining, and will see four plays, including "My Fair Lady."

The occasion for the trip is to mark their 50th wedding anniversary on October 20. They celebrated the event with a family dinner party in the American Turners-Detroit Society on Saturday, October 13.

Mrs. Ludwig is the former Bertha Koehler. Both Mr. and Mrs. Ludwig are native Detroiters. They were married in the Presbyterian Church on Trumbull avenue 50 year ago.

In town for the dinner party was Mrs. Ludwig's sister, Mrs. Elizabeth Nette, of Lakewood, Florida. She plans to remain in the Pointe for two more weeks in the Ludwig residence.

Other members of the family who attended the dinner were the Ludwig's son and daughter-in-law, Mr. and Mrs. Sherman Ludwig and their daughter, Tamara; Mr. and Mrs. Charles Ludwig, Mrs. Flora Karn, Mr. and Mrs. James Goeldi of Royal Oak.

The Ludwigs have lived in Grosse Pointe for 28 years. Mr. Ludwig is employed as an agent for the Gold Star Products.

and Mrs. A. W. Leet, Mr. and Mrs. Donald Ziegenfus and Dr. and Mrs. Harold Raynor.

Thomas Zilly to Wed Ruth Flanders of Utica

Mrs. C. B. Flanders of Sunnyside drive, Utica, New York, announces the engagement of her daughter, Ruth, to Thomas Zilly, son of Mr. and Mrs. G. S. Zilly, of Merriweather road.

Miss Flanders was graduated from the University of Michigan in June where she was affiliated with Alpha Phi Sorority.

Mr. Zilly attended Marmion Military Academy for preparatory school and was graduated from the University of Michigan in June, where he was affiliated with Beta Theta Pi. He is now in Officers Candidate School, United States Naval Base, Newport, Rhode Island.

No date has been set for the wedding.

Order of Eastern Star To Install Mrs. George

Mrs. Margaret George, of the Grosse Pointe Manor will be installed as Worthy Matron, of Robert Morris Chapter, No. 395, Order of The Eastern Star, on Monday, October 22 at 8 p.m. in the Eastern Star Temple, at 80 W. Alexandrine.

The supporting officers will be J. Warren Orr, Worthy Patron; Nina Hakes and Carl McLaughlin, as Associate Matron and Patron; Mildred Cliff, Secretary; Onita Canfield, Treasurer; Nina Chase, Conductress; Mabel Miller, Associate Conductress; Anna Widrig, Chaplain; Audrey Darby, Marshal; Olive Orr, Organist; Dorris Serns, Adah; Ann Thompson, Ruth; Kay Dunbar, Esther; Dorothy Ramsdell, Martha; Lilah Anderson, Electa; Helen Butterworth, Warder, and Marilyn Bruce, as Sentinel.

Trick for the knitters. Work both sleeves on your needle at one time! You won't have to measure to see that they come out even.

Engaged

Picture by O'Connor. Mr. and Mrs. Paul Tossy of Hillcrest road announce the engagement of their daughter, JUDITH EDNA, to Raymond Thomas Napiewocki, son of Mr. and Mrs. Napiewocki of Woodland avenue, Detroit.

A November wedding is planned.

Gardeners Plan Center Meeting

The regular meeting of the Garden Club of Michigan will be held October 24 at 2:30 o'clock at the Grosse Pointe War Memorial Center. Mrs. Percy Glendinning will speak on "Arrangements of Artificial Materials."

Co-hostesses for the meeting are Mrs. Neil McMillan, Jr., Mrs. Berrien Eaton, Mrs. Charles Wright, Jr., Mrs. John G. Mauter and Mrs. George Bethune Duffield.

Women's Church Group Plans Special Meeting

The Women's Association of the Grosse Pointe Woods Presbyterian Church plans a special meeting October 23 at 8 p.m., to which the husbands are invited.

The program includes a panel with the Reverend Andrew Rauth, the Reverend Paul Ketchum, Mrs. Hugh White and Mrs. Floyd Collins, discussing "The Christian Mission in a Revolutionary World."

Mrs. Wilmer Krogh, secretary of missionary education, will be in charge of the program. Mrs. Lloyd Jeffries will give the dedication.

An 8 p.m. dessert will be served by the Miriam Group, Mrs. Mel Anderson, chairman.

Charity Lutheran Ladies Planning Supper and Sale

The Ladies Aid Society of Charity Church, 17220 Kelly, near Morang, is having a smorgasbord at the church on Wednesday, October 24. Serving starts at 5.

Tickets may be purchased at the door. Adult tickets are \$1.25. Children under 12 are just 50 cents. Mrs. G. Odgers, Jr. is in charge. She may be contacted by calling PR. 8-4593.

The Society is having a rummage sale on Saturday November 10, starting at 10 a.m. For further information or donations call Mrs. Goebel at LA. 6-0650 or the church secretary at LA. 7-4337.

Guest to Talk To Ibox Club

Ibox members and their husbands are invited to the monthly meeting Friday, October 19 at 8:30 o'clock at the Lakeland avenue home of Mr. and Mrs. Charles Beltz.

Mrs. Edward Tutag, program chairman, has announced that Bud Guest, well known radio commentator, will be the speaker. Mr. Milton Volkens is in charge of refreshments.

Daughters of Colonial Wars to Hold Luncheon

Mrs. Edward F. Dickieson will give a talk on "Old Silver" at the fall luncheon-meeting of Michigan Society, Daughters of Colonial Wars, Tuesday, October 23, at the Rackham Memorial Building, on Farnsworth avenue, Detroit.

Mrs. Marvin L. Hoagland, of Dearborn, state president, will conduct a Council meeting at eleven o'clock, and a business session after the twelve o'clock luncheon.

Reservations for luncheon should reach Mrs. Dee J. Sterrett, of West Bethune avenue, by Friday, October 19.

Christmas gifts will be brought by members for the Frontier Nursing Service, the national philanthropic project of the Society, chosen in honor of Mrs. Henry B. Joy, whose long-time interest it has been.

Here's a "real party" cake decoration—the blossoms of violets, washed and drained, one in the middle of each tea cake. Guests have been known even to eat them. Other small blossoms are equally effective.

Lutheran Guild To Hold Sale

The Women's Guild of Christ the King Lutheran Church, Mack at Lochmoor boulevard, is holding its rummage sale on Saturday, October 27, in the church assembly hall from 9 a.m. to 2 p.m.

Anyone having old usable clothing, toys, furniture, dishes, etc., that they would like to contribute to the sale may do so by bringing the articles to the church on Wednesday evening, October 24. Thursday evening, October 25, or Friday before the sale. Those unable to bring articles to the sale may have them picked up by calling TU. 4-1978, or TU. 4-5090.

Town Hall Books Dr. Will Durant

Dr. Will Durant, eminent historian-author, will speak on marriage through the ages when he addresses Detroit Town Hall at 11 a.m. Monday, October 22, in Ford Auditorium.

In 1921 Durant published a course he taught at the Labor Temple School in New York. It was called "The Story of Philosophy." Its unexpected success enabled him to retire from active teaching and devote most of his time to writing "The Story of Civilization."

This multiple-volumed work is a scholarly history of all phases of man's history. Volumes so far published are "Our Oriental Heritage," "The Life of Greece," "Caesar and Christ," "The Age of Faith" and "The Renaissance and the Reformation." A sixth volume, "The Age of Reason," will bring the narrative down to our time.

Dr. Durant was born of

North Adams, Mass. He received his B.A. from St. Peter's College, his Ph.D. from Columbia and his L.H.D. from Syracuse University. He has taught philosophy at Columbia and the University of California.

Probably no other speaker on the American platform has been so repeatedly re-engaged. His lectures have substance, yet are lightened with Gallic wit. He views contemporary affairs in the wide perspective of a world traveler and a world historian. In "Marriage in Transition," his subject at Town Hall, he will discuss marital discontent, the strange history of marriage, polygamy and monogamy.

Single tickets may be obtained at Grinnell's, WO. 2-1124, or at the auditorium box office the morning of the performance.

For preliminary orientation in some of my cases, a questionnaire was used, a perfectly valid scientific approach. However, careful laboratory and clinical data form the basis of my reports, the results of which are now in press in leading medical journals.

Under the circumstances I decided to first present my findings abroad. My research has been received with enthusiasm by European medical societies and universities.

Within recent weeks I have reproduced the disease in a number of cases by administering a single minute dose of sodium fluoride. If Dr. Pear were a physician, he would realize that this is the final conclusive proof that fluorides caused this illness; that there cannot possibly be any other source for it.

To The Editor

(Continued from Page 21)

Little as 16% of a given minute dose of fluoride was eliminated in the urinary specimen after 24 hours.

If Dr. Pear had spent a lifetime, as I have, dealing with individuals who have a lowered tolerance to drugs, he would know that a drug which the P.H.S. considers "safe" at 1 part per million (ppm), unsafe at 1.5 ppm and so hazardous at 2 ppm that it requires its re-

moval from water supplies is bound to cause damage to a large portion of the population at the recommended level. These facts can only be discovered by clinical studies of individuals. They are not revealed by statistics with which the Public Health Service deals almost exclusively.

Dr. Pear refers to the National Fluoridation News as unscientific. This newspaper is intended for lay consumption and for dissemination of factual data which is otherwise not easily accessible. On the other hand, when the Journal of the

Amer. Dent. Assoc. publishes such groundless hearsay as that contained in the Horning letter which Dr. Pear accepts as gospel truth, it departs from its traditional status as a scientific journal.

Yours sincerely,
George L. Waldbott, M.D.

To the Editor:

All of us recall the American Cancer Society's expression, "Self-Examination." I would like to borrow that phrase to present my case. Anti-fluoridationists have gained a following among some of our Grosse

Pointers. If some "self-examination" were used, they would realize that they are being victimized by a fear campaign. A few of those victimized are even in the ranks of professional men. Upon "self-examination," however, they would see that they are undermining some of the very scientific organizations upon which they depend for reliable information.

Concerning the fluoridation of public water supplies, we all ought to do some "self-examination" thusly:

We all go to certain physicians or dentists because we

have established confidence in their method of practice and treatment. Where do you suppose these qualified men receive their last-minute-up-to-date techniques in the treatment of our ills—from their journals, clinical meetings, and seminars. Most of this is sponsored and provided by the scientific asso-

To Hold Square Dance At St. Matthew Church

St. Matthew Church will sponsor a square dance in the church gym on Friday, October 19, from 9 to 12 p.m.

ciations to which they belong. These societies are the American Dental Association, American Dental Association, American Dental Association, Public Health Departments, etc. These men have learned to trust these parent organizations for their integrity and sincerity of purpose.

The American Medical Association, National Research Council, American Association for Advancement of Science, American Academy of Pediatrics, the Commission for Chronic Illnesses, Canadian Dental Association, Canadian

Medical Association, etc., all have endorsed the artificial fluoridation of communal water supplies in the amount of one PPM of sodium fluoride in the attempt to reduce one of man's most common ills—that of dental decay. How can an individual practitioner, in his limited case knowledge, refute the fluoride story and still accept the other research that his society has produced?

If individuals, or a group, were to present enough cases to be statistically significant then, perhaps, we should perk up our ears and listen. However, when

this same group decries proven statistics as humbug then we must once again ask—in whom do you have faith—in whom do you believe? Do we just throw statistics, one of our recognized sciences, out of the window?

We must abide by the recommendations of our trusted organizations—the very roots of our scientific progress—and endorse the fluoridation of the water supply in the City of Grosse Pointe Farms.

R. F. Scharfberg, D.D.S., M.S. Past-President of the Michigan Society of Dentistry for Children.

Little League Gridders To Settle Big Argument

A season long argument will be settled Sunday, October 28 on the neighborhood club field when the Little League League Lions and Rams square off at 2 p.m. The Lions are composed of boys from the Park while the Rams draw from the City and into the Park as far as Yorkshire.

Although financed and directed by the same board of directors, each team is guided by separate coaching staffs and play their own schedules. To date the Lions and Rams have but one defeat between them and their clash on the 28th should produce excellent football.

The Rams ran their winning streak to four games Sunday, October 4, when they turned back the St. Clair Shores Black Knights, 28-6, on four touchdowns by Tailback Jeff Garberson.

Garberson tallied his first three on runs of 38, 30, and 40

Adult Group

Saturday evening, October 20, the adult group of the Neighborhood Club will resume their activities, including volleyball, table tennis and billiards. Anyone interested in joining to attend these get-togethers are held every third Saturday of the month, and the apparel to wear should be Bermuda or slacks and gym shoes. Husbands and wives, and young adults are most welcome. Time—8-11 p.m.

Girls Basketball

Every Thursday night in the Club gym, teen age girls and women are getting in condition for the coming basketball season. All girls interested in forming teams are requested to contact Miss Masak, TU 5-4600 or bring their teams out for practice on Thursday evenings.

Korb Team Tops Church Bowlers

The position for third, fourth and sixth place in the Grosse Pointe Presbyterian Bowling League became bunched when some of the lower teams defeated the leaders.

Joins Whyte

LAWRENCE (LARRY) KORTE, well known in Grosse Pointe business circles for the past 30 years, has joined the Ray Whyte Chevrolet sales staff; it was announced by Mr. Whyte early this week.

For many years Mr. Korte operated Standard gas stations in the Pointe at Kercheval and St. Clair and at Kercheval and Muir Road. Later, he operated an electrical appliance store on Fisher Road.

"With everybody turning to Chevrolet, and I wanting to keep busy, I'm welcoming this opportunity to serve my old friends and customers again" said Korte at the time of his appointment. He resides at 1330 Bishop road.

TUxedo 4-2050

The Grosse Pointe Woods Community Club announces there are still openings for grade school children in the afternoon groups.

Children who are not enrolled in other community groups are especially invited to join.

Children engaged in games, sports, crafts, woodshop cooking, and special projects. Purposes of group activities are to help children learn the give and take of group life make new friends, engage in new and interesting activities, and to learn to participate as a responsible member of a group.

On Tuesday there are groups for 1st grade boys, and 3rd and 4th grade girls. On Wednesday the kindergarten, 1st grade girls, and 2nd grade boys meet. 2nd grade girls, and 5th and 6th grade boys meet on Thursday afternoon. 3rd and 4th grade boys, and 5th and 6th grade girls meet on Fridays.

Information and registration for the groups can be made at the Community Club, 20883 Mack Avenue. The phone number is TU 4-2050. The Com-

A man can hardly expect to get his fair share of prosperity by merely holding out his hand.

INJURED IN FALL
Woods police took Basil Giffith, 68, of 2009 Van Antwerp, to St. John Hospital on Saturday, October 13, for treatment of a one-inch gash on his forehead and a three-inch cut under his right eye. He suffered the injuries when he tripped and fell down the basement steps in his home.
