ANTHONY EDEN, ailing prime minister of England, might be toppled as the head of the Government as a result of the Middle East crisis. Deputy Prime Minister R. A. Butler, acting head of the Conservative Government in the absence of Eden who will leave tomorrow for the West Indies, faces a dilemma today in the House of Commons.

If Butler confirms reports that Britain will withdraw her troops from Egypt before the UN international police force takes over, he might spark a revolt in his party. If he says the troops will remain, "until adequate withdrawal conditions" are obtained, he will face a Socialist attack against the Government. Eden's departure at this time cause speculation as to whether he can maintain effective control of the government. He is suffering from severe overstrain and is on his way to Jamaica for a three-week rest.

RUSSIA SAID she would defy any censure for her actions in Hungary. The UN General Assembly indicted the Soviet Union in a series of resolutions for mass murder of Hungarian citizens, and was called upon to withdraw her troops from Hungarian soil.

Meanwhile, Asian neutralists joined in a pressure move to force the Red regime in Hungary to open its border to UN observers. Vienna reported defiant Hungarian workers ordered a 48-hour general strike which went into effect and is now crippling further an already crumbling economy. Only the food processing industry was exempt from the strike.

THE UNITED STATES said it has enough diplomatic reports to justify its fears that Israel might attempt a "blitzkrieg" against Syria. A Syrian diplomat informed the United Nations yesterday that British, French and Israeli troops are massed on the Syrian and Jordanian borders, threatening attack. For the past week, the United States has been plagued with reports that Communist elements in Syria were about to seize control of the Government and turn the country into a Soviet satellite. Most of these rumors, Washington officials said, have been traced back to Israeli sources. They conclude this may be a prelude to an Israeli attack on Syria.

Friday, November 23
PRESIDENT EISENHOWER invoked the Taft-Hartley Law to end the crippling East and Gulf Coast waterfront strike. His move was made in an attempt to end the strike by Monday. He used the Government's toughest strike weapon, which could bring about an injunction to force the workers to break the week-long stoppage of ocean trade.

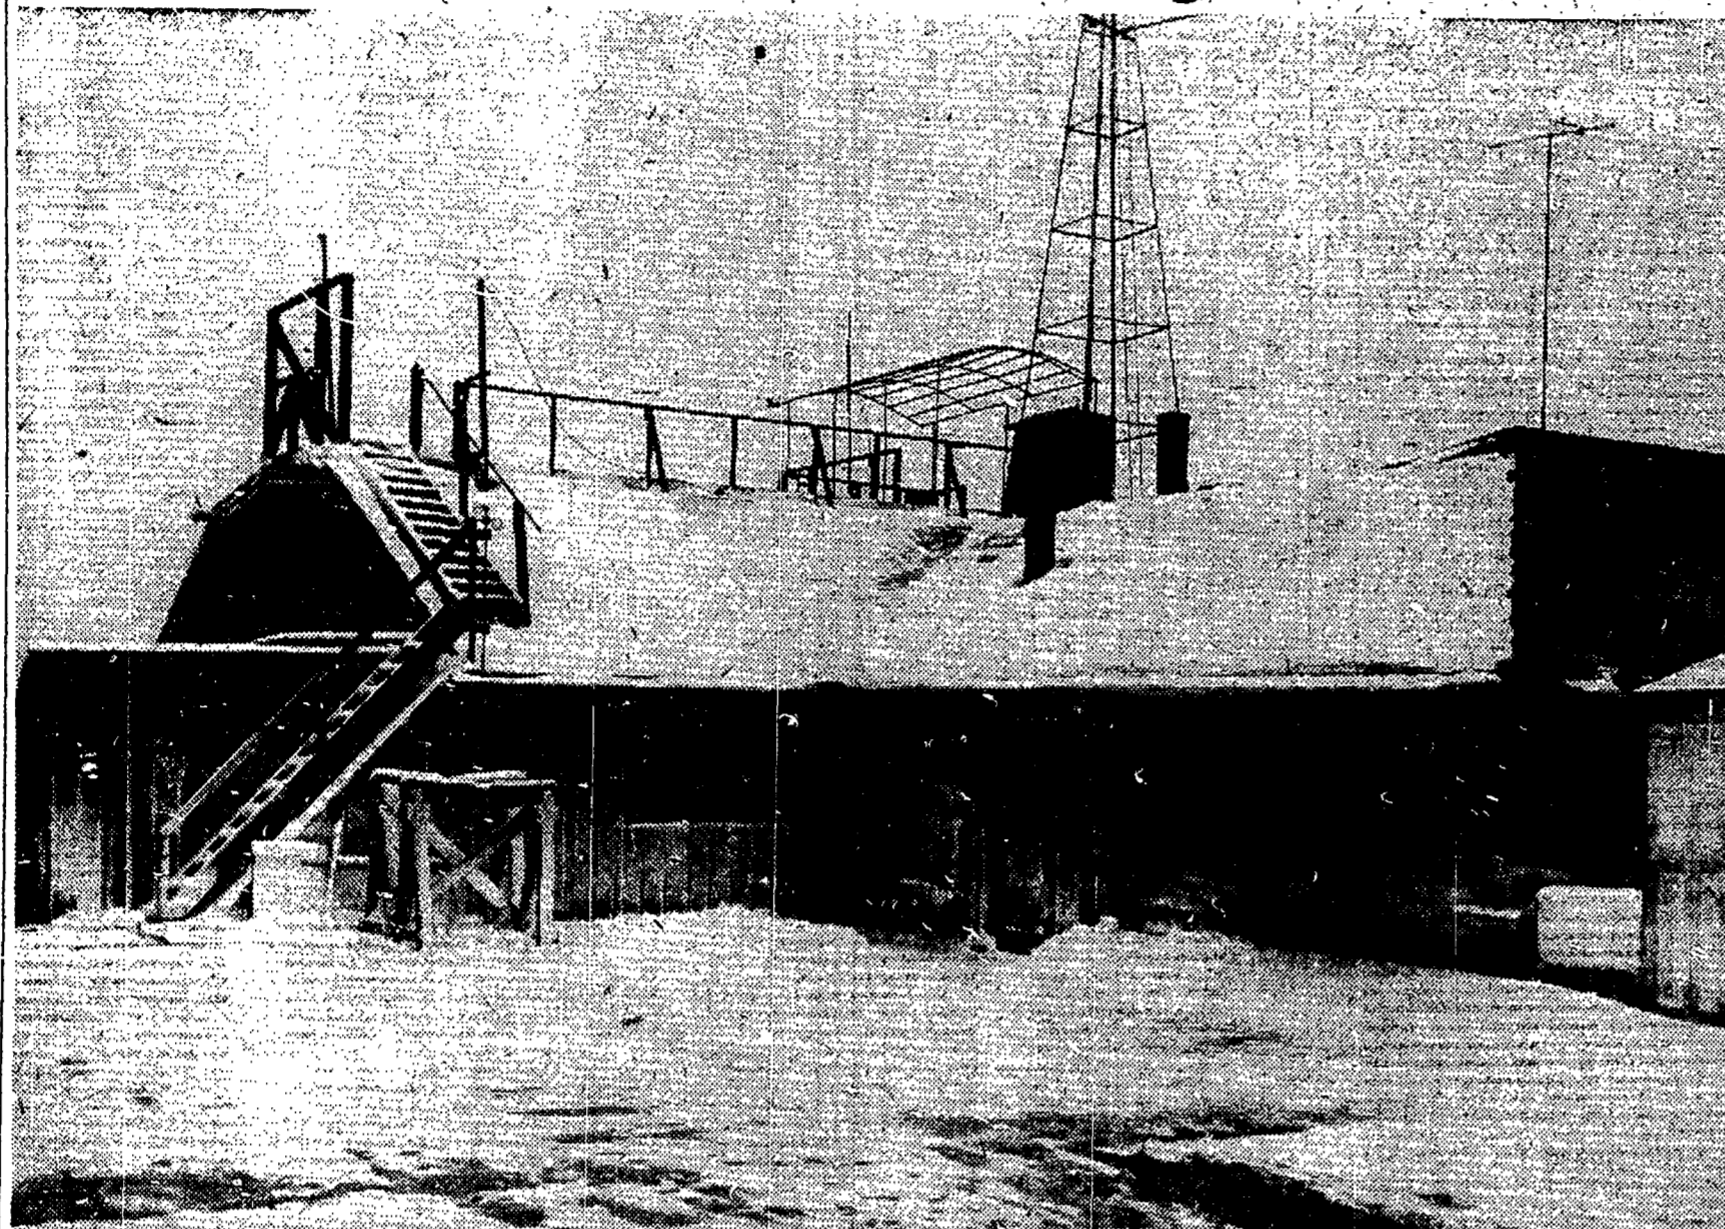

Louis Waldman, counsel for the striking International Longshoremen's Association, said if the injunction is issued, it will be obeyed. The President said the strike will "imperil the national health and safety," if it is permitted to continue. The strike has idled 60,000 longshoremen and tied up an estimated 200 ships.

RUSSIA WOULD PULL its troops out of Eastern Europe if the West would move theirs and close down all its foreign bases, said Soviet Foreign Minister Dmitri T. Shepilov, in a policy speech before the UN General Assembly. He also re-iterated his country's proposal for aerial inspection of disarmament 500 miles on each side of the line between Eastern and Western forces in Europe.

United States Delegate Henry Cabot Lodge, Jr., said the U.S. overseas bases were less a menace to peace than Russia's activities in Hungary. **THE UNITED STATES** is backing a resolution by 21 Asian and African nations in their insistence that Britain, France and Israel withdraw their troops from Egypt. However, an Asian spokesman said, the U.S. would not sponsor the resolution directly. So far, Britain has made with-

Early Snow Storm Halts Boating Season

What could be as bleak as a yacht club blanketed by Mother Nature's winter decorations? The heavy fall of the white stuff on Thanksgiving Day halted the last sailing event of the season at Crescent Sail Yacht Club, shown here bleak and abandoned. In past years the club has been buzzing with the activity of Penguin sailors who have staged their Thanksgiving series as a climax to the season.

High School Clocks Stop For Repairs

Students' Tamperings and Cold Weather Blamed for Throwing Mechanism Out of Whack

A combination of the sudden cold snap and the tamperings of some high school students the past summer, have made it difficult for maintenance crews to keep the four clocks on the High School Tower from slipping out of kilter.

Recently the bells have been striking several hours behind the actual hour, so out of deference to those who might otherwise leap from bed when hearing seven bells, and be half way dressed before they realized it is only 3 a.m., the bells have been silenced until their mechanisms can be repaired.

Cutting Cabbie Causes Collision

Two cars, a taxicab and 1956 Chevrolet owned by Reinhold Thomas, were banged up on Mack avenue Tuesday, November 20.

Mr. Thomas, of 411 Madison, was driving east on Mack, when the cab pulled in front of his car from the south curb. Arthur S. Cambridge, the driver of the cab, assumed all responsibility for the accident. He was issued a violation for cutting in front of moving traffic and causing an accident.

Community Theater Puts Realism into Production

The director of the coming Grosse Pointe Community Theatre's production, "Stalag 17", written by Donald Bevan and Edmund Trzcinski, is installing as much realism as possible in the performance of this wonderful play.

At least three of the cast of 20 are growing their own beards; all hair cuts have been eliminated until after scheduled performances; and John Wilson, the director and his wife, Carol, who is producing, even went so far as to suggest that all men go on a diet in order to look properly gaunt and hungry, results of the food they are supposed to be getting in the prison camp. This, they argue, will just prepare them for the holiday season to come.

Pointe Community Chorus To Present Carol Number At Yule Concert on Dec. 9

Annual Event Will Be Presented at 3:30 O'clock on Sunday Afternoon in Parcels Junior High School

The Grosse Pointe Community Chorus promises one of the highlights of the Christmas season when it presents its annual yuletide chorus at 3:30 p.m. on Sunday, December 9, in Parcels Junior High School, Mack avenue at Vernier road.

Closest to the hearts of the chorus and its conductor, Malcolm MacLean Johns, is a carol composed for and dedicated to the chorus. This lovely song, titled "Bethlehem Pilgrimage," was composed by Miss Wihla Hutson, organist and choir director at the Church of the Redeemer, in Detroit.

A charming addition to this performance will be the accom-

Slush, Snow, Drivers' Foe

The new Mercedes Benz of Thomas A. Garred, 90 Merrilweather road, suffered a few wrinkles when it was involved in an accident with a Chevrolet driven by John T. Huntington, Jr., of 257 Moran road.

The two cars met on slippery Kercheval avenue near Moran, Sunday afternoon, November 25. Huntington crossed Kercheval south on Moran without seeing the oncoming car in time to stop on the snow-covered pavement. Garred was driving west on Kercheval.

Damage to both cars was estimated by police to be about \$300. There were no injuries. Full responsibility for the accident was accepted by Huntington.

Community Theater Puts Realism into Production

The pin-ups are the real thing, featuring the Hollywood stars and girls popular during that period of the war. Letters received by the prisoners are real war-time over-seas mail borrowed from members of the cast.

Many of the members of the cast who were in the services find that their uniforms have shrunk while in storage and replacements from others are necessary. Dr. Homer Twigg, physician at the Public Service Health Hospital, Windmill Pointe, who plays "Dunbar," brought a huge carton of uniforms to rehearsal for try-ons.

The biggest trouble facing the costume committee is enough suits of underwear exactly alike. (Continued on Page 2)

Parking Lot Decision Due On Monday

Farms Council to Hear Arguments on Developing Strip Leased from School Board

The controversial issue of the developing of a parking strip at the rear of the Muir property line, to augment parking in the municipal parking lot, will be debated at a public hearing in the Farms council chambers on Monday, December 3, at 8 p.m.

Opposing such a program is the Gabriel Richard School District Improvement Association, which was organized recently to battle the creation of such a strip.

Lease Announced

The issue came to a head when the Farms council announced it had leased the strip, approximately 70 feet wide, from the rear of the municipal lot to Ridge road, from the Grosse Pointe Board of Education, and would develop it for parking.

On August 20, following the announcement, residents living on Muir and Ridge roads, at (Continued on Page 2)

Toppled Tower Mystery Solved

Three Grosse Pointe High School students confessed to cutting down the wooden football observation tower, on the high school athletic field, November 4.

The trio confessed because of ill consciences and the saw they used was found near the toppled tower.

The cost of supervision of the tearing down and of reconstruction, will be paid for by the boys. They worked on the dismantling between 8 a.m. and 4 p.m. on school days, and received no credit for school work missed.

The tower was donated six years ago by the Russell G. Candler family of Rivard boulevard. It has been used to post scores, to observe the play and to make public address announcements.

The boys responsible for felling the tower will not be allowed in the school except during school hours. They also will be barred from participation or attending any extra curricular activities for the remainder of the semester. Their names were withheld by school authorities.

Volunteers March Tonight for Funds To Fight Dystrophy

Firemen and Policemen Assisting with Campaign to Get Money to Carry on Research Projects and Treat Victims

The March for Muscular Dystrophy will take place tonight, Thursday, November 29, from 7 to 9 o'clock throughout the five Grosse Pointes. Volunteers will call at your home for your contributions to Help Defeat The Killer, so turn your porch light on so the uniformed policeman or fireman, or volunteer will know you wish to help.

Muscular Dystrophy is a progressive disease of the muscle which weakens a child so that within a short period of time he is confined to a wheel-chair then to his bed and then to a final slumber never to awaken again. Dystrophy when it strikes children between the ages of 3 and 7 is always fatal.

When you give your contribution to the volunteer who will call at your home you will be contributing to the support of more than 100 research projects trying to find the cause and cure of this dread disease.

These funds also maintain a Muscular Dystrophy clinic so that every patient may obtain the vitally needed physical therapy treatments plus the many orthopedic appliances such as wheel-chairs, braces, hydraulic lifts, hospital beds, etc. These services and equipment are made available to the patient without financial obligation to the family where help is needed. Your generosity makes it possible for the Muscular Dystrophy Association to continue and extend the services needed by the Muscular Dystrophy victim so that life can be made a little easier until research finds the cure.

200,000 Disease Victims

You will have the gratitude of more than 200,000 victims of this disease for your contribution lies their only hope. Mrs. Arthur L. Brisson is chairman for the drive in the City of Grosse Pointe. She will be assisted by police and firemen and the following volunteers: Mrs. Robert Boomer, Mrs. Motte, Mrs. William Osborn, Mrs. Fred Lewis, Mrs. Robert Busch, Mrs. Richard Durant, Mrs. Walter Meyer, Mrs. Arthur Turgeon, Mr. J. Fralick, Mr. Robert McCarthy, Mrs. William Boydell, Mrs. John King, Mrs. Henry Rousseau, Mr. and Mrs. Richard Brown, Mrs. Robert Trombley, Mrs. William Gorenflo, Mrs. John Glover, and Mrs. K. McGellen.

Mrs. Ernest Dujardin will be assisted by 50 volunteers in the Farms' Muscular Dystrophy Drive. Contributions for memorial funds will be appreciated. Please call Mrs. Arthur Brisson for information. TU 2-1453.

CAR HUBCAPS STOLEN

James Cox of 22446 Englehardt, St. Clair Shores, complained to Woods police on Monday, November 19, that while he watched a movie at the Woods Theater, someone stole two hubcaps from his car while it was parked in the theater lot.

TAKING POLICE COURSE

Park Police Sgt. Anthony Walsh is taking a command officer training course at Michigan State University during the week of November 25, according to Park Police Chief Arthur Louwers.

REPORTS STOLEN PURSE

Chloea Smith of 17185 Anita, Fraser, Mich., reported the theft of her purse from her car while she was shopping in a Mack avenue supermarket on Tuesday, November 20.

Rare Treat Being Planned By Pointe Symphony Dec. 2

A rare treat is in store for all those attending the second concert of the Grosse Pointe Symphony Orchestra on Sunday, December 2, at 3:30 p.m. in the Parcels School auditorium. The program arranged by conductor John S. Sweeney, III, is an outstanding one, and the soloist on this occasion will be John Creighton Murray, a violinist of international repute and an artist of the highest caliber. Mr. Murray, a native New Yorker, has toured extensively in Europe, Canada, Latin America and in the United States; has appeared as soloist with several of the major orchestras and while in the service he played 1,500 perform-

Two Pools, Junior High Being Built

Schedules Being Maintained According to Maintenance Chief Nick Jongens

Work on the two new swimming pools, and the construction of the Chalfonte site junior high school are going along just about on schedule, according to Nick Jongens, chief of maintenance of the Grosse Pointe School System.

Mr. Jongens, who also carries the odd title of Clerk of the Works, in regards to his capacity in supervising the school projects, said that only construction of the Pierce Junior High School Pool has been slightly slowed up because of the cold weather. However, the foundation walls of the pool are up and tunnel walls have been started, he added.

On Ahead of Schedule

The Parcels Junior High pool, he said, is ahead of building schedule; the pool and tunnel walls and the foundation are 85 percent completed. Both pools are expected to be ready by spring.

The S. M. Brownell Junior High School, the official name of the school now being constructed on the Chalfonte site, is going on according to schedule, said Mr. Jongens. The weather does not appear to be slowing up the work.

He said the caissons are already in place, and some tunnel walls have been completed. The boiler room excavation and footings have been completed and the walls are ready to be poured. It is hoped this building will be ready at least by late 1958.

Barnes School in Use

The Barnes School, the latest completed project of the School System, is already in use except for one full-size classroom. It opened its doors at the start of the school semester in September. Named after John R. Barnes, former superintendent of Pointe schools, it was dedicated on October 28.

Approximately 431 students are attending classes in this new building, which has Miss Florence Cumings as its principal.

There are 14 full-time teachers, one of whom takes care of the kindergarten children for a half day session; seven part-time teachers, and a school nurse.

It was pointed out that the new junior high school under construction has been named to honor Dr. Samuel M. Brownell, one time superintendent of the Pointe schools, who at present is head of the Detroit School System.

Pools Cost Half Million

The two swimming pools in the junior high schools will cost over half-a-million dollars of the \$3,475,000 bond issue. The Pierce School pool, including cost of construction and architect's fees, will be \$211,932. The pool at Parcels School will run to \$343,644.40. This figure also includes construction and architect's fees.

Almost \$100,000 was appropriated to replace the coal-burning heating unit at Grosse Pointe High School. The existing furnace was installed in the school when it was built in 1927.

When bids for a new oil burning unit were taken earlier this year, the lowest bidder was way out of line with the sum appropriated. The steel strike and the increasing price of labor and materials was deemed responsible for the high bids. School Board authorities said Tuesday, that additional bids will be asked next spring. **Thanksgiving Ice Causes Skid**

One of the six traffic mishaps in the Farms caused by the Thanksgiving Day snowfall was that of Frances T. Gardella of 520 Renaud. The left front fender of the Gardella car, a 1954 Oldsmobile, was pushed in when it skidded on the Lake Shore road turn opposite 99 Lake Shore. The car jumped the curb and headed for the lake when it struck a speed control sign.

drawal of her troops dependent upon evidence that the United Nations police force is competent to handle all problems faced by the UN, but is preparing to remove a battalion, about 800 men.
France has pulled out one-third of her troops, and Israel has retired for varying distances along the entire Egyptian front. All three served notice the complete withdrawal would be delayed until the UN could take over.

Saturday, November 24
IMRE NAGY, former premier of Hungary, has been reported arrested by the Russians and deported to Romania. Nagy left his refuge in the Yugoslav Embassy in Budapest after he had been promised immunity by the Communist puppet government of Janos Kadar. He was arrested while negotiating a coalition government with Kadar in the Budapest Parliament.

The Hungarian Radio, over which he was to have broadcast the results of the negotiations, announced that Nagy and his companions left Hungary today and have departed for Romania. It said this was because the former premier expressed a wish to "live in a people's democratic country." The Hungarian people refused to believe this. Nagy's actual whereabouts is not officially known, but he is believed still in Russian custody.

BRITAIN DEFIED its critics and refused to pull all of its troops out of Egypt until it is sure the United Nations international police force is capable of handling the situation in the Suez Canal Zone. Criticizing the British and demanding that they withdraw their troops at once, were the United States, the Soviet Union, Latin America, Asia and Africa.
British Foreign Secretary Selwyn Lloyd told the UN General Assembly that one battalion of British troops have been pulled out of Egypt as a token act of faith in the UN. The British-French commander in Egypt, Gen. Sir Charles Keightley, said withdrawal there will take place as fast as the UN troops arrive to take over.

THE ADMINISTRATION announced it is forced to seek an injunction to halt the Atlantic and Gulf Coast waterfront strike, now in its eighth day. The striking International Longshoremen's Association promised in advance to obey such an injunction. President Eisenhower, acting under the Tart-Hartley Law's national emergency procedures can order the Justice Department to take the issue to court and obtain an 80-day injunction against continuing the walkout. The stoppage has paralyzed the East and Gulf Coast ports, and has idled 60,000 workers and 200-ships.

Sunday, November 25
NEW REPORTS from behind the Iron Curtain indicate that the Russian satellites are becoming restless. On the heels of a Yugoslav blast at the Kremlin over the kidnapping of Hungarian idol, Imre Nagy, it is reported that Russia is taking steps to forestall a Hungarian revolt in Romania.
A Romanian Government delegate is said to be racing toward Moscow amid reports the Russian occupation forces are disarming the Romanian Army. Sources said the disarmament has been in progress for two weeks. Soviet Communist Party Boss Khrushchev personally decided the Romanian Army was "unreliable," on the night the Russian forces released their might against the Hungarian nation.

BRITAIN, FRANCE and ISRAEL were rebuked for the third time by the United Nations General Assembly, and for the third time were ordered to

remove their troops from Egypt. The Assembly's rebuke came on an Afro-Asian resolution which noted "with regret" that the invasion forces still remain in Egypt. The vote was 63 to 5, with 10 abstentions. The United States and the Soviet bloc voted for the resolution.
The United States, after wavering yesterday toward an abstention, took a firm stand in favor of the rebuke, thereby adding bitterness of the British and French delegates against the United States. The United States contingents are gradually moving into Egypt and taking over their assignments.

PRESIDENT EISENHOWER was successful in obtaining an injunction against the striking International Longshoremen's Association. William V. Bradley, president of the Association, immediately ordered the 60,000 men to return to work, thus ending a nine-day-old dock strike which paralyzed shipping from Maine to Texas.
The injunction, halting the strike for at least 10 days, was obtained under the national emergency clause of the Tart-Hartley Law, and was signed by Federal Judge Frederick Van Pelt Bryan in New York. Federal officials are hoping that both parties in the strike would agree to a 70-day extension of the injunction at the expiration of the 10-day period.

POLAND SIDED with Yugoslavia against Stalinist leaders in Russia and other European nations, but carefully made it known it did not mean that Poland accepts the Yugoslav pattern of socialism. The Polish Red Party's official newspaper, Trybuna Wolnosci, endorsed Yugoslavia's President Tito's call for co-operation between the two countries for a struggle against Stalinism.
Poland's alignment underlined its increasing determination to carry on an independent foreign policy. The party newspaper said that Tito reached the correct conclusion in his blast against Russia's action in Hungary. It deplored the intervention of foreign troops in the Hungarian situation. The Polish Government said that it is sending goods worth \$25,000,000 to Hungary.

RECORD FLIGHTS of 37,000 miles, non-stop, have just been completed by eight B-52 jets, it was announced by the Strategic Air Command. It was disclosed that the planes had finished flights which took them over the barren wastes of the North Pole, demonstrating dramatically that the Air Force can deliver nuclear bombs anywhere in the world.
One mammoth eight-engine craft, a SAC spokesman said, has been flying continuously for 31 1/2 hours over a 16,000-mile course since leaving Castle Air Base in California. He said the plane had refueled several times in flight but exactly how many times is "classified information." The flights were described as routine training missions.

THE UN POLICE will be allowed to enter Port Said by sea, it was announced by British and French military leaders, to permit a speedy buildup in Egypt. Clearing of the harbor has been progressing rapidly. The British and French said a channel 400 feet wide has been cleared of Egyptian-sunk ships which were blocking Port Said.
The request to bring the UN troops in by sea was made by Maj. Gen. E. L. M. Burns, UN force police commander. At the United Nations in New York, Secretary - General Dag Hammarskjold held talks on plans to get foreign troops out of Egypt and the deploying of the international police force and the opening of the Suez Canal.

Tuesday, November 27
Overriding Soviet objections, the United Nations General Assembly voted a grant of 10 million dollars to pay the most of maintaining its police force in Egypt. The vote for the appropriation was 52 to nine, with 13 countries abstaining. The only opposition to the proposal was voiced by the Soviet bloc. The United States, Britain and France approved.
The resolution authorized Secretary-General Dag Hammarskjold to draw on the working capital fund of the United Nations, for the expense of the force, to a sum not to exceed \$10,000,000. How this money is to be repaid to the capital fund will be decided on by the Assembly at a later date.

tended a council meeting and presented a petition bearing 17 signatures which protested any such move by the city.
On August 30, opposition to the development reached such a state, that residents in the vicinity of the school area organized the Association at the home of Dr. and Mrs. D. M. Nelson, 63 Ridge road. Members were recruited from residents in McMillan, McKinley, Muir, Ridge and Beaupre roads.

Storm Council Chambers
Twice, on September 17, and October 15, members of the Association, stormed the Farms council chambers to voice their opposition.
On the October 15 date, the council granted an appeal of the Association's spokesman and chairman, James Jamison of 215 McMillan, to postpone a hearing on the matter, to give him time to study a report made to the council by a committee of councilmen.

The councilmen had met with various groups, including the Association, interested in solving the problem, and made several recommendations, which Jamison wanted to study, and December 3 was set as the next hearing date.
Gate Ordered Closed
While the issue is waiting to be settled, the council ordered the gate leading to the Gabriel, Richard playground closed, and the Farms police were told to enforce the order.
Sidney DeBoer, acting city manager, said that about three weeks ago, someone snapped the lock of the gate and stole the chain, and drivers, assuming the gate had been reopened, parked their cars on the school grounds. It was never found who had done this, he said. This section has since been closed again.

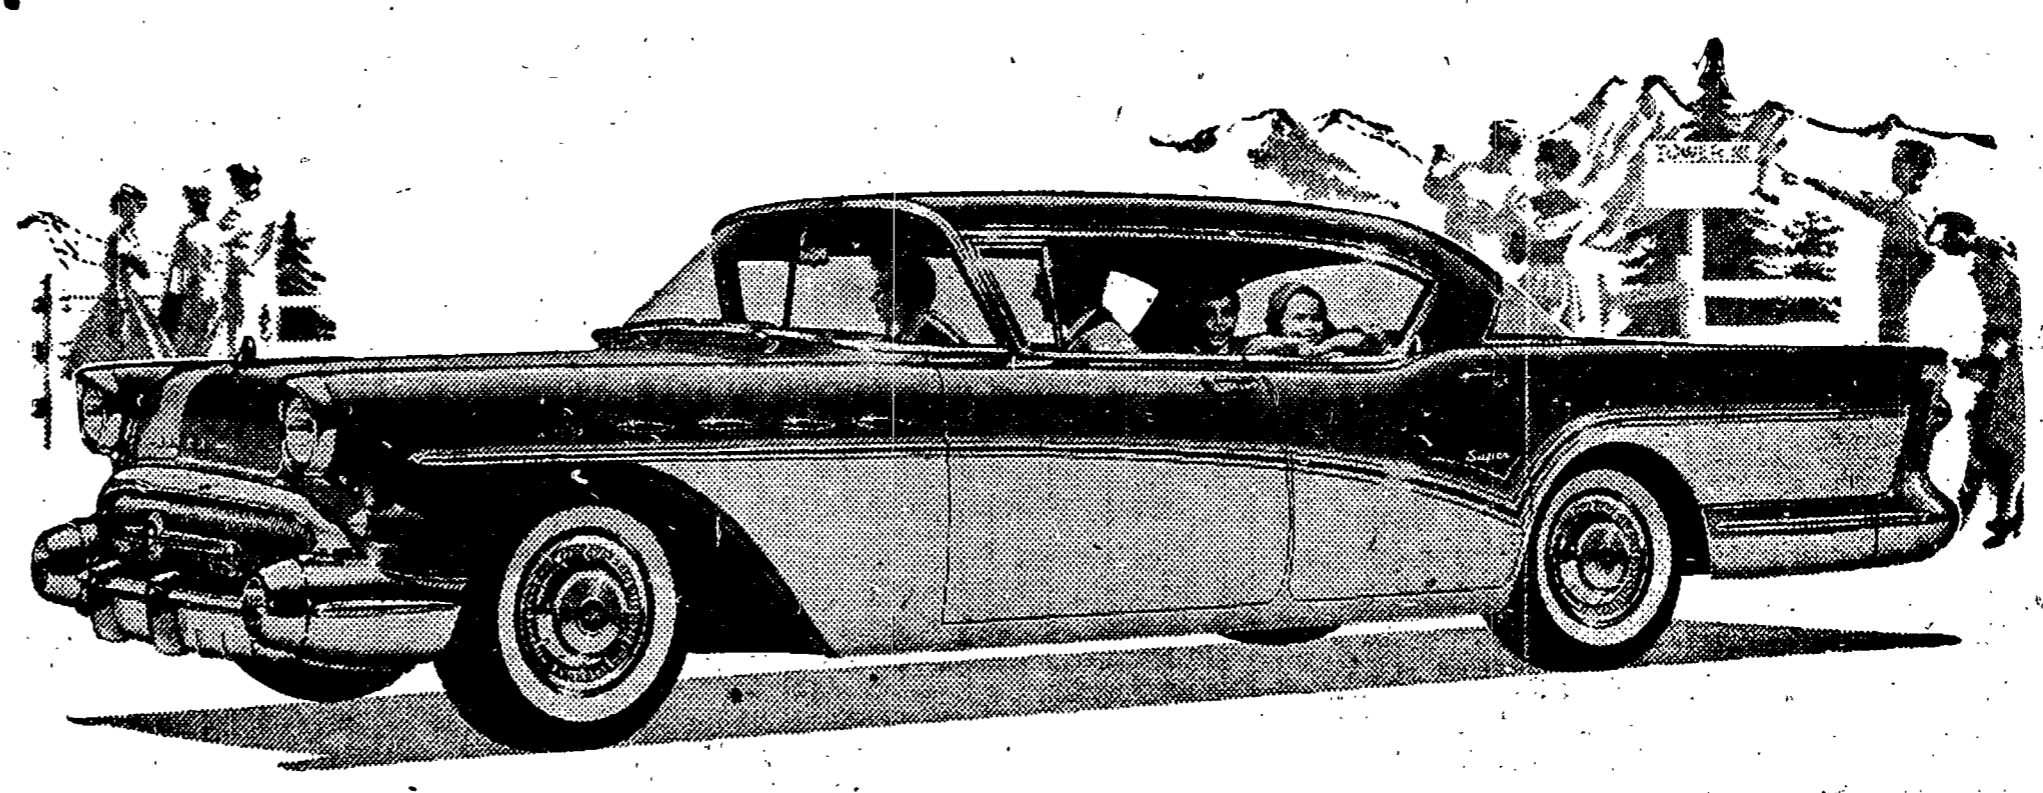

As for parking of cars during the holiday shopping, he added, if the demand is great enough, the council might order temporary use of the leased strip to alleviate the parking problem.

Everything's New including the View in each '57 Buick-SPECIAL, CENTURY, SUPER, ROADMASTER

WHEN we tell you the 1957 Buick is new, we're not kidding. Because we don't mean just new this or new that. We mean new everything. We mean everything you can't see, as well as everything you can. And even the "seeing" is new from both the front seat and the rear seat—for the new, wider, rakishly angled panoramic windshield with its 200 more square inches of glass area widens the forward view of all passengers. Take other examples. Its styling is new. Never before have you seen a Buick like this one—sleek and stunning, and low as a cat-crouch. Its engine is new. Never has any Buick boasted so big, so powerful, so obedient an engine as the purring V8 engine that gingers every '57 Buick. Its performance is new—and right here

we mean new like nothing else you ever experienced before. For now, with Buick's new record horsepower, there's a new advanced Variable Pitch Dynaflo* that's so instant in action, so vividly responsive, so smooth and flexible and full-torque throughout the entire "Drive" range—the need for "Low" is virtually eliminated. But there's even more than all this to the newness of every '57 Buick—SPECIAL, CENTURY, SUPER and ROADMASTER. There's a completely new chassis that gives the car the lowest-center of gravity in Buick history—for a steadier, safer ride. And a new kind of ball-joint suspension for surer handling, safer cornering, and a wonderful new levelized braking.

There are safety features galore—new safety-padded instrument panel, new dip-center safety steering wheel, new controls recessed out of harm's way—even an ingenious new Safety-Minder* that lets you know when you reach the miles-per-hour you've preset for yourself. Of course, the only way to get the whole, new wonderful story is to take the wheel and let this big new car do its own talking. And that's something we'll be most happy to arrange first chance you get. Come in today.

Induction of Tuxis Club Leaders Attended by 500

By Ken Erickson
Over 500 people attended the annual Tuxis Club induction of new members and installation of officers held in the Grosse Pointe Memorial Church sanctuary Sunday, November 11, 1956.

The Tuxis Club is open to any boy or girl or high school age of any faith in the Pointe area. The Reverend Paul F. Ketchum of Memorial Church sponsors the club, and the meetings are held in that church. Parents and friends crowded

the sanctuary to see new members inducted and each presented with a red rose, the symbol of their membership in Tuxis.

Each of the officers took part in the service, and then all four were installed. They are: Dennis Hykes, president; Virginia Thompson, vice-president; Sally Whittingham, secretary; and Andy Penz, treasurer.

The officers and the Reverend Ketchum picked a cabinet to assist in the governing of the organization. Cabinet members are Barbara Brownell, Betsy Buell, Janet Collinson, Ken Erickson, Neil Georgi, Jim Kelly, Sue McKee, Chuck Molyneaux, Gregg Stover, and Foster Winter.

Following the induction and installation, a reception was held in the church gym honoring new members and officers. Parents of former presidents and new officers helped in the serving of refreshments.

Next Sunday, December 2, the club members will bring white gifts to the Tuxis service. Friday afternoon, December 21, the member will take the gift downtown to St. John Presbyterian Church and then hold a Christmas party for the children of that church. This is a traditional program of Tuxis and will be followed that night with the annual caroling project.

Sunday night, December 9, the A Cappella Choir of Grosse Pointe High School will sing for Tuxis in the Memorial Church sanctuary.

Distinguished Clergyman Joins Christ Church Staff

Dr. Sidney E. Sweet

A clergyman distinguished for arbitration of disputes between labor and management and for creating friendly relations between the denominations of Protestant American Christianity, joined the staff of Christ Church, Grosse Pointe this week.

The Very Reverend Sidney E. Sweet, formerly Dean of Christ Church Cathedral, St. Louis, Missouri, came to Grosse Pointe at the conclusion of a ministry which began in Jersey City, New Jersey, 47 years ago.

He has just returned from a three month trip to Europe and the Middle East including Lebanon, Jordan, Israel and Greece, where he witnessed a sample at first hand of the intense world situation there in ferment.

Dr. Sweet said he felt a good part of the dispute between the Israeli and Arabs could be laid to the fact that the Arabs are unwilling to sit down with the Israeli to try to settle the disagreements between them, and to discuss plans which would benefit all who are concerned.

He pointed out there is much to be said for both sides of the Middle Eastern situation. He commented on camps full of displaced Arabs as one of the most "pathetic situations" compelling deep sympathy, but also expressed great admiration for the accomplishments of the Israeli, and their desire for peace.

Dr. Sweet during his long ministry has served his church at both a diocesan and national level. He has at various times through his nearly half century of ministry been a representative of the Episcopal Church in the Conventions of the National Council of Churches, and has served on the Commissions on Religion of the National Conference of Christians and Jews and has been a delegate to nine general conventions of the Episcopal Church.

He has also served at president of the St. Louis Federation of Churches, president of the Missouri Council of Churches, and chairman of the Eighth District, National Labor Relations Board dealing with labor-management problems, many of which he arbitrated during World War II.

He brings to Christ Church the benefit of his long parochial experience and will endeavor to relate the parish more actively to the diocese and to the community.

Dr. Sweet was made deacon in 1948 and ordained priest in 1909 having been graduated with the Arts degree from Yale in 1905. He earned a Bachelor of Divinity degree from the

Episcopal Theological School, Cambridge, in 1908 and later was honored at Illinois College by the presentation of a Doctor of Divinity degree.

He first served as a curate at St. John's Church, Jersey City, New Jersey, with special charge of St. Stephen's Mission. In two years, by 1910, his mission became self-supporting and he was made its first rector.

From 1918 to 1931 he served as the rector of St. Paul's Church, Columbus, Ohio, and during World War I was Episcopal chaplain to the Columbus barracks in that city. From 1931 to the present he has been Dean of Christ Church Cathedral in St. Louis.

He will have as a special concern during his ministry in Grosse Pointe, pastoral work and counseling as well as the wider duties between Christ Church parish, the diocese and community.

Cub Scouts Help In Cancer Drive

The American Cancer Society has again requested local Cub Scouts to assist in the collection of white cloth materials which can be processed into bandages and dressing pads for thousands of needy cancer patients.

Known as Cub Scout "Christmas' Good Turn", the project started nine years ago, has become a "must", according to local Cancer Chapter officials. Without this annual collection by the Cub Scouts, Cancer Society volunteers would run short of materials needed to produce hundreds of thousands of pads and dressings required to treat this dread disease. Usual collections of white salvage materials tend to fall off during the winter months.

Ordinances in some municipalities prohibit boys under 12 from making area-wide, house-to-house visits at any time for any purpose. Thus Cub Scouts are asked to cover only their own homes, and the homes of their relatives and friends.

White cotton goods such as towels, pillow slips, sheets, curtains, napkins, shirt and other personal or household materials are needed. Silk, rayon and rayon items are not practical. The materials need not be starched or ironed, but should be laundered clean.

Individual Cub collections are taken by the Den Mother to the monthly Pack Meeting. Pack leaders will then deliver the various Den bundles to any of the authorized collection depots. Most of the Detroit Edison branch business offices are again serving as authorized centers. In outlying areas some stores and markets are also being used. In certain municipalities some collections are delivered direct to local Chapter Centers for immediate use by their volunteers.

Cub Scout groups are welcome to visit the Detroit Chapter, Cancer Headquarters, at John R. and Hancock. Arrangements may be made by calling TEmple 3-5628.

Offers Unusual Xmas Display

One of the most unusual Christmas displays seen in the Grosse Pointe area, is now being presented by the Detroit Gas Burner Co., 3516 Cadieux road near Mack.

In co-operation with the Detroit Historical Museum, they are offering a rare insight into the past. The display 'entitled "Christmas of Yesteryear" features an authentic kitchen of the 1880's complete in every detail.

As in the past, the special Christmas treat for the children will be the life size Santa Claus just returning from his annual visit to all the good little boys and girls throughout the world. Santa's little helpers and Mrs. Claus are all busy preparing dinner.

Another feature of the display is a Santa Claus mail box where children may mail their letters to Santa. The Detroit Gas Burner Company invites all children and their parents to visit the display.

Library Acquires Four New Films

The Grosse Pointe Public Library will have four films added to the collection of 16 mm. prints for the month of December. These may be checked out by patrons of the Library for use in clubs and organizations, as well as for home viewing, upon presentation of an adult library card for a 24 hour period.

The new films are "Assault on the Eiffel Tower," "Seashore Oddities," "Ski Thrills," and Dickens' "A Christmas Carol." With the exception of the last mentioned film, all are in color, and all four films are equipped with sound.

"Ski Thrills" was taken at the ski lodge at Ostrander Lake in the High Sierras of California. The film opens with the awakening of the skiers. Outfitted in bright skiing apparel, they are shown executing Telemarks, Christianias, and Gelan-desprungs with ease and grace. The film closes as the skiers return to the lodge.

"Assault on the Eiffel Tower" pictures with humorous interludes the ascent and descent of Alpine mountain climbers of the Eiffel Tower. The film records the climb of four men as a stout policeman attempts to stop them. The climbers elude him, finish their ascent and descent, and go for a swim in the Seine. Since the law forbids swimming in the Seine, a newly arrived group of policemen apprehend the swimmers along with the stout policeman for his eccentric behavior.

After showing collectors gathering specimens at Hopkins Marine Station in California, "Seashore Oddities" presents close-ups of the various animals found in tide pools, including members of the hollow-bodied, spiny-sealed, soft-bodied, joint-bodied, and armored types. The film gives many details as to color, structure, eating habits, and locomotion.

Dickens' "Christmas Carol" is a film version of the world famous story of "Scrooge" and the Cratchit family. Patrons are urged to make reservations for any of these films either in person at the Central Library at Kercheval and Fisher or by telephone.

ESTIMATED FIRE LOSSES

Estimated fire losses in the United States during October amounted to \$61,121,000, the National Board of Fire Underwriters has reported. This loss represents an increase of 15.7 percent over losses of \$70,138,000 reported for September, 1956, and an increase of 38 percent over losses of \$58,778,000 reported for October, 1955. Losses for the first 10 months of 1956 now total \$812,324,000, an increase of 11.7 percent over the first 10 months of 1955, when they amounted to \$727,222,000.

GPHS Graduates Honored at UM

Several Grosse Pointe High School graduates from the class of 1953, and now students at the University of Michigan, are recognized leaders in many of the University's student organizations.

Some girls are presidents of their sororities. They are Nancy MacDonald, Alpha Phi; Sue Cleminson, Delta Gamma; and Elizabeth Henderson, Zeta Tau Alpha.

Carol DeBruin has been elected president of the Pan Hellenic, the league that is in charge of all sororities at Michigan.

A year ago, Nancy MacDonald served as general chairman of the Junior Girls' play, and Jeanne Newill was treasurer. Senior Jerry Goebel made his varsity letter as center on the football team in both his sophomore and junior years. He is now treasurer of the senior class in the College of Literature, Science and Arts.

The president of the student legislature is Bill Adams, and Bob Leacock is a member. Six members of the June 1953 graduating class from the High School were elected to honorary societies at Michigan last spring. Bill Adams was tapped by Sphinx, Jeremiah Turcotte by Galens, Jeanne Newill by Motar-board, Bob Leacock by Quadrants, and Daniel Webb and David Cabb by Mimes.

Claudius C. Gage Given Engineers' Certificate

Claudius C. Gage of 819 Notre Dame avenue was one of 178 engineers who with 26 architects and 17 land surveyors received their certificates at a meeting held in the Rackham Building on November 10.

The meeting was sponsored by the Architects, Professional Engineers and Land Surveyors Council on Registration for which Donald Treffy of Cloverly road was chairman of the committee on arrangements. The council provides for the public presentation of certificates to newly registered men by the Michigan State Registration Board.

On hand to congratulate Mr. Gage was Frank Tousey, president of the Lake St. Clair Chapter of M.S.P.E. Chester J. Ordon of Lothrop road received his certificate as land surveyor at the same meeting.

Mr. Gage is now one of the more than 200 registered professional engineers residing in the Grosse Pointes.

Mercury Sales Setting Record

"Encouraged by the enthusiasm of more than 3,000,000 people who inspected the revolutionary new 1957 Mercury cars on introductory day, dealers already have placed orders for enough new models to keep Mercury plants operating at capacity for the next three months," said F. C. Reith, general manager of the Mercury Division and a vice president of Ford Motor Company.

"Four times more people visited Mercury dealers showrooms to see the 1957 car compared to the first day showing of the 1956 models."

Engineers Hold Student Parley

One thousand students from metropolitan Detroit public and parochial high schools attended the Engineering Society of Detroit's 22nd annual Vocational Guidance Conference, Wednesday, November 28, at Society Headquarters, 100 Farnsworth Ave., Detroit.

The specially planned conference, which is one of the largest and most successful of its kind in the country, is designed to open up the wide vistas of engineering and science that are available to the students and assist them in selecting a career in the engineering profession.

The conference is sponsored in cooperation with the City of Detroit's Board of Education, and is planned to further the

interest of 10th, 11th and 12th grade students in the profession of engineering to help alleviate the present and future shortage of engineers.

Pointe students attending included: Mason Ferry, David Marentette, John Scherer, Hermann Schunck, Michael Krieg, Gary Rembacki, David Zuehke, Richard Hakwit, Philip Herschelman, Dan Dyer.

Dan Bauer, Walter Carrier, James DeKorse, Lloyd Schultz, William Cusenza, Otto Scherer, Ed Pongracy, Robert Brockous, Richard Murray, Hugh McKee, John Struthers, Derr Moser, Price Watts, Dennis Hykes.

Rotarians Hear Head Librarian

Rotarian Robert Orr presented members of the Grosse Pointe Rotary Club with "thumbnail sketches" of the most recent books acquired by the Pointe Library System.

Mr. Orr, head of the System, addressed the club during a luncheon-meeting held in the War Memorial Center on Monday, November 26.

His sketches included recommendations as to which books would make appropriate Christmas presents, and which would not.

He told members of the club that one of the functions of the library system is to review all books contemplated for purchase, to determine their worth

and whether they are fit for adult or children reading. "The facilities of the Grosse Pointe Library are available to all residents of the Pointe," he said. "If anyone has any question regarding reading matter, they need only to contact the library and the staff will be more than glad to assist them."

Mr. Orr presents an annual talk to the Rotary Club to discuss books for current reading and gift-giving.

How to Profit Through Tax Exemption

With today's high tax levels, investors in medium and high tax brackets are turning to tax-free Municipal Bonds for income that they can keep.

If you have a taxable income of \$10,000 or more, you may be well repaid by investigating the advantages of tax-exempt State and Municipal Bonds. For instance, if you file a single return on a taxable income of \$14,000, you would have to receive a dividend return of 7.45% on a taxable security in order to equal the yield from a 3.50% tax-free Bond. *It's something to think about!*

Our New Booklet, "How To Profit Through Tax-Exemption" explains in plain language your need for tax exemption, tells how much these high-grade investments can be worth to you. There's no obligation. Send for copy today, or phone

Thistle Club Youths Ready For Bake Sale

The aroma of home made baked goods will soon be drifting about in the Grosse Pointe Woods Presbyterian Church at Mack and Torrey road. The Thistle Club of the church (Senior High School group), is sponsoring a pre-Christmas bake sale on Saturday, December 1. Cakes, bread, candy, pies, plum pudding and coffee cake will be attractively prepared by the Women's Association. A snack bar will be one of the main attractions. For the convenience of housewives the sale will be open from 10 a.m. to 3

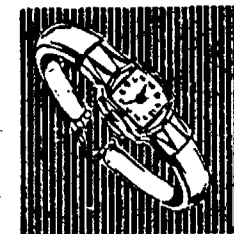

Two Cars Tangle At Intersection

City police received a minor auto-accident report by telephone on Friday, November 23. The collision occurred at the Waterloo-Washington intersection when Gladys H. Scott, of 23rd Street, in Detroit, drove her 1951 Ford into the side of a car driven by Lucien J. Hage of 175 Muir road.

proceeded into the intersection when she believed it to be clear. The Hage car was headed east on Waterloo.

Mrs. Scott was issued a violation for entering an intersection without proper caution and causing an accident. There were no personal injuries.

MEET RED WING HOCKEY STARS AT JACOBSON'S

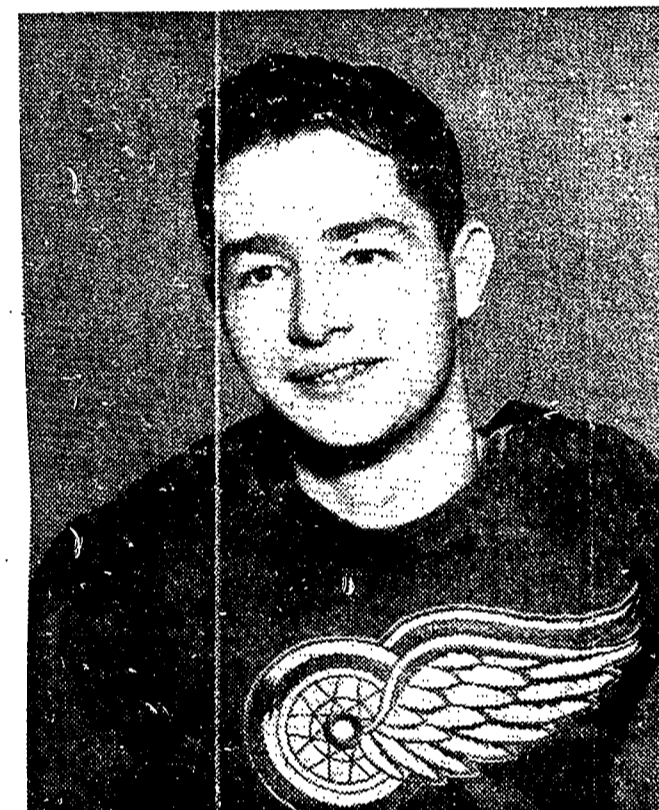

MEN'S NIGHT MONDAY, DEC. 3

Meet the celebrated players of our famed Red Wings when you shop at Jacobson's on Men's Night. They'll be on hand to greet you, provide autographs, and talk sports. If you wish, we'll be happy to provide you with a Polaroid photo of you taken with either Gordon Howe, or Glenn Hall... a wonderful souvenir of Men's Night to take home.

GLENN HALL—Goaltender

Born in Humboldt Saskatchewan, this twenty-five year old goalkeeper finished last season with highest honors, winning the Calder Trophy as the league's best first year player, and being named to the goaling position on the second All Star Team. Hall led the team in shutouts and tied the team mark in doing so. He replaced Terry Sawchuk in 1955 when that player was traded to Boston. Glenn began goaling for the Windsor Spitfires in 1949 and in two years was a standout when he won the Red Tilson trophy as the most valuable player in 1951. His first professional season was with Indianapolis, and his big opportunity came in 1952 when he was called to fill in for a six game span while Sawchuk recovered from an injury. Married, and with one son, Hall makes his native Humboldt his permanent home.

GORDON HOWE—Right Wing

This colorful Red Wing veteran of eleven seasons is the third highest goal scorer in all National League history, with a total of 309 goals, just 14 less than Nels Stewart. He was the youngest player ever to come into the National League, having first appeared in a Red Wing uniform at a bare 18. Seven times Gord has been named right wing on the All Star Team. He has topped the club in goal scoring for the past six years, leading the club in points as well in five of those seasons. The big fellow seems indestructible, having missed only six games in seven seasons. He suffered a grave head injury in the 1950 play-offs which threatened his entire career, but he overcame it to report back the following season stronger than ever. He is 28 years old, married, and the father of two sons. His permanent home is Detroit.

We're doing everything possible to make Men's Night shopping an enjoyable and long-remembered experience for you. Our skilled people will assist in every way with suggestions, demonstrations, gift-wrapping—in fact, everything but placing the gift under her tree on Christmas morning! Dads' Club Plans Annual Roundup

The Grosse Pointe High School Dad's Club will hold its annual All Sports Roundup on Tuesday, December 4, at the school with dinner in the cafeteria scheduled for 6:30 p.m.

This is an annual affair which was started many years ago to honor the Blue Devil athletes of all teams. All fathers who have sons in Grosse Pointe High are urged to attend this sports highlight of the year.

A program in the auditorium will follow the dinner and feature the introduction of the coaches of the various teams and the awarding of school monograms to varsity competitors.

Mercury Introduces New Motoring Concept

Mercury's new Turnpike Cruiser with its low-profiled roof introduces an entirely new concept of motoring enjoyment through such exclusive features as the industry's first power-operated, retractable rear window and unique roof-level fresh air intakes on each side of the windshield — both part of a remarkable new ventilation system. A skylight, dual-curve windshield wraps upward as well as around for extra light and vision. To provide a better highway illumination pattern, the Turnpike Cruiser has "Quadri-Beam" headlamps with dual 5/8 inch headlamps placed side-by-side under wide hoods on each front fender. The Turnpike Cruiser series has been added to Mercury's Montclair, Monterey and Station Wagon series.

Winter Driving Advice Offered

Snowfalls have brought a warning from the Grosse Pointe chiefs of police.

"Heavy snow means twin trouble for drivers — reduced visibility and insufficient traction," they said. "This usually means more work for police officers, investigating accidents and helping to untangle traffic tie-ups."

The chiefs urged motorists to assume their civic personal responsibility by being fully prepared for bad weather.

"We know winter comes every year, so let's be ready for it this time."

They emphasized that the thoughtfulness of one driver can prevent a hundred headaches when the weather goes bad. A set of good tire chains in the trunk of one car can make the difference between smooth-flowing traffic and a hopelessly blocked roadway. A good battery can prevent hours of frustration and embarrassment. One effective set of windshield wiper blades may prevent an otherwise "unavoidable" collision.

They urged each driver to make sure his car doesn't lack the equipment necessary for safe and efficient operation. He also listed the following rules for safe winter driving:

1. Get the "feel" of the road when staring out. Don't wait for a narrow escape to warn you that the road is slippery.
2. Drive at reduced speed, allowing plenty of distance between cars.
3. Anticipate stops. Don't jam on the brakes at the last instant, even if you have a good set of tire chains working for you.
4. Let other drivers and pedestrians know what you intend to do by giving appropriate signals, because you need the cooperation of others to prevent accidents.
5. In a snow storm, avoid parking for a long period of time on main streets, and obey restrictions on overnight parking. This way you will help speed up snow-clearing operations, and will avoid becoming plowed in and marooned in a curbside snow bank.

A man on the downhill road seldom looks at the speedometer.

Helped Needy Families on Thanksgiving

Two members of the Women's Auxiliary of the Grosse Pointe Junior Chamber of Commerce had help from their offspring in packing some 80 pounds of food for each of two needy families in the Pointe, who were assured of a hearty Thanksgiving dinner. Shown, left to right, are: MRS. HERMAN F. ZERWECK, JIMMY ZERWECK, aged 2½ years old; MRS. DON E. KELLY and MICHELLE KELLY, 16 months old. Dr. Kelly made the deliveries.

Policemen Pass Training Course

Thirty-one Pointe and neighboring communities' police officers have successfully completed another course in the Service and Recruit Training School held recently in the Park Municipal Building, under the direction of Park Police Chief Arthur Louwers.

A few of the officers have completed their first 30 hours of training, some have finished 60 hours, and a majority, the full course of 90 hours. The latter will be given diplomas, along with other officers who have finished the 90 hours this year, sometime in January, said Chief Louwers.

The patrolmen who took part in the session which ended this month, are: Park: John Carroll, Charles Cloar and John Trombley, 90 hours; James LaPratt, 30 hours; City: W. G. Beaupre, 90 hours; and Richard Elworthy, 60 hours; Farms: Eugene Thomas, 90 hours; Woods: Jack Patterson, 60 hours, and John T. Holiday Snows Hinder Drivers

One of the six minor traffic accidents in the Farms on Thanksgiving Day, involved the cars of Anthony H. Deisenger, 312 Ridge road, and Harold D. Ernst, 1659 Hollywood.

Mr. Deisenger was driving his 1956 Ford station wagon south of Moross and stopped for the traffic signal at Chalfonte. Ernst made a right turn from Chalfonte onto Moross and his car slid across the center line and into the side of the station wagon.

There were no violations issued. Mr. Ernst accepted full responsibility for the mishap.

New Book Offers Ski Information

A 48-page book describing in detail facilities at ski resorts and ice fishing centers of West Michigan has been published by the West Michigan Tourist and Resort Association. Distribution started this week.

The book is mailed free to anyone who requests it and also is available at tourist information offices at Grand Rapids, Lansing, Detroit, Chicago and other midwestern cities.

Four new ski areas are listed in the publication this year, increasing to 21 the number that will be operated in West Michigan this winter. The new areas are Harbor Highlands at Harbor Springs, Brady's Hill between Lakeview and Amble in Montcalm county, Mount McSaub at Charlevoix and Ward Hills in northwestern lake county, north of US-10, midway between Rudington and Baldwin.

Also listed in the publication are Avalanche at Boyne City, Boyne Mountain Lodge at Boyne Falls, Frier Hill at Mesick, Brock Park at Ionia, Caberfae Winter Sports Area at Cadillac, Echo Valley at Kalamazoo, Elbert Mountain at Elberta, Glacier Hills at Bellare, Hickory Hills and Holiday Hills at Traverse City, Lake Valley at Kalkaska, Manistee Ski Area at Manistee, Missaukee Mountains at Lake City, Mount Mancelona at Mancelona, Newaygo County Park at Newaygo, Petoskey Winter Sports Park at Petoskey and Sugar Loaf Mountain of the Leelanau peninsula.

Extensive improvements and expansion of facilities are described at Boyne Mountain, Caberfae, Manistee Ski Area, Mount Mancelona and other areas.

One section of the book is devoted to ice fishing, Michigan's most popular winter recreation. Information on facilities for fishermen at many of the West Michigan ice fishing centers is described.

Designs for suit skirts this year are breaking away from the slick straight line to introduce easy gored fullness, according to Mrs. Nina Lou Baird, Wayne County Home Demonstration Agent. In fact, she adds, some designers consider a pleated skirt the correct style to wear with a belted jacket.

As for suit fabrics, black broadcloth is important among the polished fabrics. Gray flannel is taking a new lease on fashion in suitings. And, chiffon worsteds and fine tweeds will continue their popularity.

Little Football Loop Plans Bust

The third annual "Football Bust" of the Grosse Pointe Little Football will be held Thursday, December 4, at the Disabled American Veterans Hall, 1360 East Jefferson, at 7 p. m. The organization's officials would like to have held the "Bust" in the Pointe but efforts to obtain a suitable site at this late date, proved fruitless.

The chicken dinner (family style) will be supervised by George Verdonck, a member of the coaching staff. George promises plenty of chicken plus all the milk and ice cream the lads can handle.

The highlight of the evening will be the awarding of team monograms and squad pictures as mementos of a very successful season.

Several local football notables will be on hand for the occasion. Dr. Hunk Anderson, ex-Notre Dame and Detroit Lion coach, will fly in from Chicago to be on hand as guest speaker.

The "Bust" will also be the scene of the annual meeting and balloting among the parents to determine the Board of Directors for the 1957 season.

Lakepointe Club Has Big Plans

Plans for a ten-year program of development at Lakepointe Country Club have been announced by Louis G. Palmer, president of the club. Extensive improvements made at the club this year are only the beginning of his plan to enlarge the facilities and increase the membership, he said.

Most recent addition to the clubhouse is the entrance portico which will add to convenience and comfort during the elaborate winter social season which has been planned. The underground water system was completely renovated during the summer and a booster pump added to assure adequate water supply during the driest season. The club is one of the few in the area to have its own system.

A program of rebuilding all of the greens during the past years was completed during the recent months and the club is said to have the finest in Metropolitan Detroit. Golf course improvements also included the construction of a practice putting green and driving range.

What was formerly a screened porch has been closed in to become a plush year round dining room and makes it possible to handle four parties at a time in separate rooms, varying in seating capacity from 100 to 300. Rearrangement of the kitchen has made it possible to serve each of the dining areas conveniently.

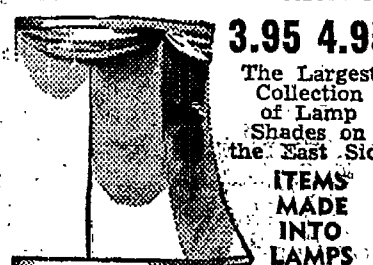

Barnes School Selling Books

In conjunction with Book Week, the John Barnes School PTA is sponsoring a two-day book sale on Thursday and Friday, November 29 and 30, in room 107 of Barnes School, 20090 Morningside drive.

Shopping Can Be Pleasant

With Thanksgiving carefully tucked away, the frenzy of another Christmas shopping season descends upon us with full impact. We can count among our blessings the fact that progress in the Pointe has taken a lot of the turmoil out of this annual period of getting ready to celebrate the year's greatest holiday.

We don't have to search our memories very deeply to recall the days when shopping facilities in the community were sparse, to put it most mildly. One had to go into Detroit to make even commonplace purchases, all year long, and the yuletide saw a mass migration into the big city, fighting the crowds of shoppers through a long and tedious gift-buying spree.

The years have seen tremendous increases in traffic as well as in the surging human tide which invades Detroit at this time of year, forming a combination which is terrifying to many. We can be thankful that the growth in the Pointe has been accompanied by a steady and well-controlled development of its shopping facilities which has added immeasurably to the convenience afforded the residents.

There have been literally hundreds of new stores constructed here during the last decade. Older, established businesses have expanded in most cases, some of them to a fantastic proportion. Many of Detroit's leading stores have opened branches here and some of them have moved to the Pointe, lock, stock and barrel.

It would be difficult now to think of any items that are not available in these fine stores which have added so much to the Pointe district. The necessity for fighting the metropolitan crowds and traffic jams has been virtually eliminated.

A very important part of this commercial development has been the large expansion of off-street parking space provided by alert city officials. Conveniently located throughout the main shopping areas, they take the sting out of transportation problems.

Streets are gaily decorated and the walks and stores are teeming with friends and neighbors. There is a bright atmosphere about the whole adventure of Christmas shopping. The merchants have given every thought to making things as pleasant as possible for the customer. Men's Night, being observed in "The Village" next Monday, is a good example of this. Extra help has been hired to help with selections and take care of the gift-wrapping chore, and the Pointe males will cruise through the shops untrampled by their wives, mothers and sisters.

So get your lists in shape, all of you, and sally forth, not with a spirit of frantic frustration, but buoyed up by the knowledge that everything possible has been done to make this shopping season a pleasant one, right here at home.

Letters to the Editor

468 Cloverly Road, November 24, 1956

To The Editor:

The people of the Farms and Grosse Pointe City owe a debt of gratitude to the Grosse Pointe News for having given liberally of its space to publish letters on both sides of the fluoridation controversy.

Opponents objected to use of police power of government, with coercive taxation, for alleged benefit of children's teeth, regardless of possible injurious effects to older children and adults. We concede the right of proponents to use fluorides as medicaments at their own expense. We do not want fluorides forced upon everyone, at public expense.

Mayor William F. Connolly and the Farms Council are to be commended for opposing mass medication, with its implications of further extension.

Opponents of fluoridation do not understand why the tax-supported U.S. Dept. of Health and Michigan State Board of Health should use their positions and prestige to support only one side. Should not such bodies carefully investigate all sides of the fluoridation controversy, and report their findings, with special reference to long-term effects of fluorides?

According to Leo Spira, M.D., Ph.D., of New York City, many people already show effects of fluoride poisoning, even where water has not been artificially fluoridated. Fluorides used in sprays and in other insecticides, in preservatives, fungicides and

rodenticides, and in commercial fertilizers are, or may be, consumed with food.

Opponents of fluoridation of the Farms water have won a battle, but the war for pure clean water, and for pure unadulterated food goes on.

Respectfully,
George M. Zimmerman

TO THE EDITOR:

Your courtesy in publishing the many letters regarding fluoridation the past several weeks, is indicative of your interest in the affairs of your community, and as President of the Detroit District Dental Society, I commend you.

It is lamentable that the Council of Grosse Pointe Farms chose to ignore the wishes of more than 3000 voters, as it refused to reinstate fluoridation of the communal water supply, but, as stated previously, the official policy of the D.D.S. is to recommend fluoridation on the basis of scientific evidence, not to discuss the political and emotional aspects of the procedure in the communities involved.

Let it be entered as a matter of record, that organized dentistry in this area, along with all other responsible health agencies, continues to recommend fluoridation as a safe and proven measure for the reduction of dental decay in the children and future adults of this community. Yours truly,
Alfred E. Seyler,
President, The Detroit District Dental Society.

Grosse-Exaggerations

A. PRYOR

"Since Christmas time when God touched man,
When the ice reached deep and the snow began,
The weathervane at twilight feels
A strange wind snatch at his golden bells.
The fences tramp the fields all night
To keep the winter whole and white,
But round each door at dawn's grim stare
Are tracks of doubt that have trespassed there.
Now the young men watch the new flame climb
From candles fat with unburned time,
But the old men listen with twitching cheeks
Each time the uneasy wind-name speaks."
(F. R. McCreary)

In the mail box... "Dear Auntie Pryor, This one you should appreciate. For weeks a young matron from Detroit has been trying to see or talk to one of her favorite people, a veddy social matron from Grosse Pointe, whom she has met quite a few times, but to no avail.

The Grand Dame from Grosse Pointe is always too busy to answer phone calls or to receive a visitor... (two of the excuses we LOVED)... the hairdresser was there and or she was watching a favorite t-v program! But today... AH, TODAY... the young matron at last received a phone call from Grosse Pointe. Was it her favorite character? No it was not... but it WAS her social secretary, who said: "Madame would like to know where you have your poodle clipped. We've lost our pooddresser!" Oh Brother! How doggie can you get???"

'Pryor's Own Incidental Intelligence'

We could tell the railroad why so many passengers are switching to planes. Two people within two days told us of their experience in trying to get the N.Y. Central depot on the telephone. One woman wanted to make a reservation and finally had to fly because the station didn't answer. Another was expecting a sick child home from an Eastern school. She called every half hour from early morning until 8 p.m. and either got a busy or no answer! Not so with the airlines.

Boris Karloff's real name is Bernie Pratt. No wonder he changed it. We can just see on the marquee in neon lights, "The Coffin Marked X" starring Bernie Pratt.

In the first ad for the "Love Me Tender" movie... over Elvis' picture was this high class information: "In the barber shop in the lobby, FREE Elvis Presley haircuts will be given from 1 to 9 p.m."

Wonder what the teen-aged fans would do or where they would end up... if Elvis and Marilyn Monroe made a personal appearance TOGETHER in Madison Square Garden????

A group of beauty experts were asked to name their choice of outstanding glamour gals... and all of them vetoed Marilyn Monroe, Jayne Mansfield and Doris Dors. They chose such girls as Mrs. John Kennedy, Chief Justice Warren's daughter, Virginia, Marlene Dietrich (after ALL these years?)... Jinx Falkenburg and Ilona Massey... to name a few.

Ex-night club entertainer and maker of good recordings... Billie Holiday... has startled the populace with the opening sentence in her biography, which reads: "My mother was 16 and my father was 18 and I was three years old when they got married." Interesting beginning at that.

Nowadays when a man invents a new mouse trap... the only ones who seem to beat a path to his door are the rats...

One of the most promising writers (of newspaper columns) in these here now parts is a gent named James Limbacher, who writes a "Seen and Heard" column on movies, plays and t-v for the Dearborn Press. His wordage is terrific, his reporting accurate and we think the boy will go places.

There is a fairly new gimmick on the market... chocolate and strawberry flavored straws through which junior and his sister can sip their milk and get either flavor while doing so. We tried them and they aint bad at all... especially if the kids turn their noses up at plain milk.

Johnny Johnson, the singer movie star, is the inventor. Which reminds us that when he was here at the Statler a few years ago with Hildegarde... we had the pleasure of meeting him and his beautiful wife. When we told him we thought his bride was "lovely"... he looked across the room at her and said: "Well, she's all right... if you like women!"

We hear the definition of an "Egg Head" is a man who doesn't understand what he knows all about.

What Goes On at Your Library

By Jean Taylor

Among the books for boys and girls currently on display at the three Grosse Pointe libraries, is something for every age from pre-school through junior high.

The small fry and their elders too will chuckle over "Anatole" by Eve Titus. Anatole is a conscientious little mouse who lives on the outskirts of Paris. Deploring his scavenger habits, he determines to find an honorable way to earn food for his family and become a taster in a cheese factory. This results in benefit for everyone.

The cheese company is happy because business booms. The customers are delighted because the cheese is better than ever before, and Anatole's wife and six children are proud indeed that their beloved pere is now a clever and respected businessmouse. Paul Galdone's pictures capture the humor of the story and the mood of Paris as well.

William Fene du Bois is the author and illustrator of one of the most striking of this year's picture books, "Lion." High in the sky, one hundred and four earnest angels are at work creating new animals to send to the planets of the universe. How Lion is created as a tiny animal with a weak little "peep" and develops into the large regal beast with a roar like thunder, makes a humorous entertaining fantasy. The handsome illustrations in bold bright colors will captivate all ages.

Boys from eight to ten years especially will enjoy "Ride On the Wind" by Alice Dalgliesh. This is a retelling of The Lindbergh story, The Spirit of Saint Louis, which captures the essence of the older book and has been approved by Mr. Lindbergh. The pictures in color carry out the feeling of the story.

Books on pre-historic animals are constantly in demand. "The Enormous Egg" by Oliver Butterworth is the story of a young boy in Freedom, New Hampshire, who nurtures along an enormous egg laid by one of the family's hens, only to have it hatch out as a dinosaur. The entire community is agog and before the story ends several learned men of science and even members of the U. S. Senate become involved in the many problems attendant on rearing a dinosaur in modern times. Ridiculous nonsense, it is told in such a straightforward manner that it appears most plausible. It is a funny story to take its place with Homer Price and Mr. Popper's Penguins.

"The Stranger" by Stella Weaver tells of a brother and sister vacationing in a wild mountainous part of Ireland. This is a well constructed mystery centering about a deserted castle. There is an air of enchantment about it which makes Ireland come alive for boys and girls from eleven to fourteen.

"Up Periscope" by Robb White and "Castle On the Border" by Margot Benary-Isbert will be read with enthusiasm by junior and senior high school students. The latter is set in post-war Germany and centers about a young girl, orphaned by the war, who aspires to be a great actress like her mother. She goes to live with an aunt and uncle in an abandoned castle on the East-West border. There, she is reunited with her brother and becomes a member of the theatre in this teen-age novel, which has both a seriousness and a geyety about it.

In "Up Periscope" Robb White has written a fast-paced story of World War II which older boys will not put down until they have reached the last

page, and we think more than a few fathers will be enthralled with it too.

You will find other suggestions for Christmas gift books in lists available at the desks of the Central Library and the Branches.

We are extremely sorry to announce that the television play, "Mary of Scotland," which the Library was to have presented over Channel 56 on December 3 at 7 p.m., will not appear as scheduled. Because of "difficulties beyond our control," the play had to be postponed until a later date. This column will carry further news of this interesting project as it develops.

Don't forget the Book Week program when the Grosse Pointe libraries present Mark Taylor, the American troubadour. Mr. Taylor tells marvelous tales to the accompaniment of his guitar. This is fun for all ages from the fourth grade up.

There will be three performances, at the Central Library on Saturday, December 1, at 10:30 a.m.; at the Woods branch, Friday, November 30, at 4 p.m.; at the Park branch, Friday, November 30, at 7:30 p.m.

Scientists Make Natural Rubber

Creation of natural rubber outside a living plant by two scientists, one a Michigan State University staff member—may be used to considerably boost the yield of rubber trees.

Working last spring at the Federal Experimental Station in Mayaguez, Puerto Rico, Dr. Robert S. Bandurski, M.S.U. associate professor of botany and plant pathology, and Dr. Howard J. Teas, now at the University of Florida, made the discovery.

The two made natural rubber by using the same enzymes found in the rubber tree. It is hoped the discovery will aid in selective production of high yield rubber trees, a slow laborious process in the past.

The Department of Agriculture felt that if the mechanism by which a tree makes rubber were understood then the amount of rubber making enzymes in the seedling tree could be measured. Dr. Bandurski commented. The theory must be verified over a long period of observation.

Nearly all die of their remedies, and not of their illnesses. —Jean Baptiste Moliere.

Calcium Needs

By FRED M. KOPP, R.Ph.

Calcium is the greatest chemical element present in the normal, healthy body. Ninety-nine per cent of it is found in your bones and the other one per cent is in your blood stream.

A great deficiency of calcium results in poor bone structure which is very evident; not so evident are the minor deficiencies that nevertheless impair health. These are discernible only to the experienced physician.

To maintain normal calcium content in the body your physician may find it necessary to prescribe additional amounts in medicinal form.

This can be obtained from an able pharmacist who carries quality drugs.

Marines Collecting Toys

Marine Reservists Staff SERGEANT THOMAS P. KANE, a member of the Grosse Pointe Woods Police Department, and recently enlisted PRIVATE CHARLES R. WILLIAMS, JR., of 860 Shoreham road, are making preparations for the collection of toys for the Detroit Marine Corps Reserve 1956 "Toys for Tots" Program. Hoping to make Christmas day a little brighter, new and like new toys will be collected and distributed to needy children of the Greater Detroit Area.

The Detroit Area Marine Reserve Unit located at the Naval Armory and commanded by Lieutenant Colonel W. J. Weinstein has announced the kick-off date for 1956 "Toys for Tots" as December 1, 1956.

Since 1948 when "Toys for Tots" was started by a California Marine Reserve Unit, the program has spread coast to coast. This program is endorsed by Headquarters Marine Corps for the benefit of needy children of local areas where Marine Reserve Units are stationed. The members of the Marine Corps Reserve volunteer their services to execute this program. After the new and like new toys are collected they are distributed to needy children

through local accredited welfare agencies. Last year the "Toys for Tots" program collected and distributed over five million toys throughout the United States.

Early contributions are urged so that distribution of the toys may be made prior to Christmas Eve. When the gifts are wrapped it is requested that the wrapping designate whether the gift is for a boy or girl, and for what age group the gift is intended. Financial contributions cannot be accepted.

The new and like new toys may be deposited between December 1 and 15 at all Shell Oil stations in the Pointe area.

Ballet Russe Coming Dec. 6

The Ballet Russe de Monte Carlo, appearing on December 6, 7 and 8 at the Masonic Temple for four performances, is unquestionably America's most popular ballet company and its name has become synonymous with the word "ballet."

"Variety" the trade publication of the entertainment world, attests this fact by listing Ballet Russe de Monte Carlo as the leading box office concert attraction in this country. Sergei J. Denham, director of the Ballet Russe de Monte Carlo since its inception in 1933, firmly believes that the reason ballet is the most popular form of entertainment is that it brings together for its productions the greatest artists in the world of painting, design, music and writing as well as the dance.

Each year Mr. Denham commissions news works by outstanding choreographers and talented newcomers in order to show the contemporary development of the art of ballet.

Agnes de Mille, whose dances have been the high spots of many musicals on Broadway as well as in movies, choreographed her first ballet, "Rodeo," for the Ballet Russe de Monte Carlo.

Ballerina Ruthanna Boris got her first chance to do a ballet from Mr. Denham and the result was the charming "Cirque de Deux."

Last season the company presented for the first time in North America "La Dame a la Licorne," a ballet by the famous Jean Cocteau, and this season audiences everywhere will see Leon Daniellan's first ballet, "Sombrosos," a brilliant and gay piece set in a Mexican village.

Hence, in addition to the classical favorites that people want to see again and again, Ballet Russe audiences are always assured of seeing something new and different.

Other new productions scheduled for this season are Boris Romanoff's "Harliquinade" and "Tragedy in Calabria," with choreography by Salvador Juarez, a member of the Ballet Russe' company, based on the opera "Pagliacci" by Leoncavallo.

Just as new ballets are added to the repertoire each season so, too, are new stars. These stars may be dancers like Alan Howard, Miguel Terekhov, Eugene Slavin and Deni Lamont who have come up through the ranks of the Ballet Russe or the company's newest star, Kenneth Gillespie, a most talented newcomer from Australia whom Mr. Denham saw and signed for the company because of his outstanding ability.

The Ballet Russe de Monte Carlo's leading ballerinas this season are the beautiful and brilliant Guest Prima Ballerina Alicia Alonso, Nina Novak, Yvonne Chouart and Irina Borowska and the premier danseur of the company is Igor Youskevitch, hailed as the world's greatest classic dancer. The Regisseur of the company is Michel Katcharoff.

BOND PURCHASE TOTALS

October purchases of Series E and H Savings Bonds by residents of Michigan were \$24,976,000, bringing to \$267,044,000 the total for the first 10 months of 1956, it was announced today by Delmar V. Cote, State Director for the Treasury's U. S. Savings Bonds Division.

Fungus Could Yield Secrets

A lowly fungus which appears to have a unique way of using the sun's energy may yield clues about the development of life's patterns to a Michigan State University botanist.

Dr. Edward C. Cantino believes "the strange creature opens up new vistas, for certain aspects of its behavior are not quite animal or plant, but apparently in between the two." The fungus lacks chlorophyll, yet grows faster in light than in dark, a phenomenon found in no other non-green plant.

Parents Honor Little Football League Coaches

A strange twist developed at the third annual banquet of the Grosse Pointe Woods Spartans Little Football League banquet at the Memorial Center last Monday, November 19, when the parents of the young gridders honored the coaches of the varsity and freshman teams by presenting them with trophies. The surprised recipients of the awards are from left to right, front row: DOMINIC VALLAN, head freshman coach; AL SCHICK, president; and PETE PALOMBIT, head varsity coach. Back row: assistant coaches, FRANK BIDIGARE, RUSS GRAMER, JOE RAVETTA, LOU KRAEYKE and JIM LAW.

Engineers Hear Murray Smith

Murray M. Smith, for thirty years City Engineer for Grosse Pointe Farms, gave a very interesting talk at the monthly meeting Monday, November 26, of the Lake St. Clair Chapter, M.S.P.E., regarding his experiences as sanitary engineer while on leave-of-absence from his city position. The talk was illustrated with colored slides of scenes of his travels through the countries of Southeast Asia.

After the French left Viet-Nam our State Department sent a commission to this country to provide technical assistance. Mr. Smith was assigned to serve with this commission. He said that most of the people with whom he worked there would most strongly welcome an opportunity to serve in our country as he was serving in theirs as they were appreciative of the great advances of our country as compared to theirs.

These countries include Viet-Nam, Cambodia, Laos, Thailand, the Malay Peninsula and neighboring China and Burma. Saigon in Viet-Nam, was the base for the assignment given to Mr. Smith.

American dollars are going into the buffer states of Communism now to combat infiltration, to which the Communists are giving considerable effort. The improvements made in Viet-Nam previously by the French were largely for their own benefit rather than for the benefit of the people as a whole.

There was little or no technical training in Viet-Nam and to this plus the difference in languages was added the problem of convincing the people that the Americans had no ulterior motive in trying to help them.

Portable water supply was the first and most difficult problem. Some existing filter plants were rebuilt to secure up to six times their previous rate of operation. There were very few mechanical supplies in the country which were needed to do the work undertaken by Mr. Smith and so it will take years to complete this work.

Mr. Smith read a few pages from his note book to indicate some of the difficulties of working there, such as the problem of getting food safe to eat as well as getting suitable drinking water.

There was also the experience of the strange sights and sounds of the multitude of insects and animals, including tigers. South Viet-Nam is a very wet country full of swamps and streams which require numberless bridges and ferries. There were also Communists and war lords in this area not too favorable to the central Government.

In conclusion Mr. Smith said that we should not judge these people by our standards as they have so little of the technical training and background which we expect to find as the usual things among our people.

Dance Club
 The weekly Friday night Dance Club is featuring a special dance to be held Friday, in the way of a "Bermuda Bop". All boys and girls ages 10 and over who are members of the Club are eligible to belong to this group. A special committee meeting headed by Sharon Mehl and Judy Carrier will be held this Friday at 4 p.m. to make plans for future dances and start work on the Hilady Hop, a special dance to be held Friday, December 28.

Pinochle
 Any elderly gentlemen who might enjoy a weekly game of pinochle are cordially invited to attend the Friday afternoon get-togethers of the Neighborhood Club Old Timers.

The members are most anxious to meet new friends and share with them the pleasures of a good game of pinochle and conversation over a good cup of coffee. Please feel most welcome to join the Old Timers.

If you have transportation difficulties call Miss Masak TU 5-4600 for arrangements.

Needy Helped By Crisis Club

A small group of Grosse Pointe and Detroit-business and professional men joined together to form the Grosse Pointe Crisis Club, one year ago.

CHARLES A. J. KOTCHER

The purpose of the club is to promote funds for the support of charitable cases in the area.

The organization, which has now grown to 100 members,

makes a thorough investigation of all requests. When two club officers or trustees approve a request, immediate aid is rendered.

Since the inception of the Crisis Club, seven families have been helped and some of these are receiving weekly assistance. Plans are now being completed for a party for 100 needy children who might otherwise have an uneventful Christmas.

The original officers of the Crisis Club are: C. A. J. Kotcher, president; Arthur J. Schultz, vice-president; J. Cullen Kennedy, secretary; and Edward W. Ryan, treasurer.

The board of trustees is comprised of: Wilfred P. Whyte, Henry J. Oldenkamp, Charles B. Hannaman, William E. Besancon and Hamilton F. Kotcher.

A teacher affects eternity; he can never tell where his influence stops.—Henry Adams.

POUPARD SCHOOL

With cold weather approaching our patrol boys look forward to the hot chocolate which is served them each morning. Parents at Poupard, not necessarily mothers of the boys, have volunteered to make the hot

chocolate and serve the boys.

Mothers who have offered to help are: Mrs. David Foster, Mrs. Romeo DiRita, Mrs. Jack Skardina, Mrs. Stanley Jeza, Mrs. Wallace Markham and Mrs. Jesse Carson.

Mr. Key, Patrol Sponsor, supervises a basketball session from 2:30 to 3:30 once a week with the assistance of Mr. John Brubacher, sixth grade teacher.

Chrysler 300-C Has Record 375 Horsepower

The Chrysler 300-C, America's highest performing automobile, is introduced with 375 horsepower, dual headlights, advanced torsion bar suspension for flat cornering, and a height of only 54.7 inches. It smashed the stock car record at the Chrysler Proving Grounds at Chelsea, Mich., November 7, by averaging 145.7 m.p.h. over the 4.7-mile oval. The 300-C is the newest version of powerful Chrysler cars which have won the NASCAR Grand National Stock Car Racing Championships in 1954, 1955 and 1956, and both men's and women's NASCAR Measured Mile Championships in 1955 and 1956.

Local Teachers Paid High Honor

Two local schoolmen have been selected for positions of leadership by an organization of four thousand teachers. The men are Humphrey Jackson, Parcels Junior High School instructor-counselor, and William Hoover, Richard Elementary teacher. The organization is Region II of the Michigan Education Association.

Jackson is the new president and Hoover the executive secretary of the association. Region II embraces all school systems in Wayne County excepting Detroit and is second to Detroit in membership.

The president's duties include representing the organization at various conferences, conducting monthly meetings of the regional delegates from each chapter, and presiding at the meetings of the executive board, who are the committee chairmen and officers.

The executive secretary is responsible for education exhibits by educational supply firms, correspondence, organization of programs, and assignment of conference rooms.

The Parcels teacher is an authority on mathematics for junior high school students. His article, "Method Computation Answer," appears in the November issue of the "Mathematics Teacher," a professional magazine. In the article, Jackson

This life-size tableau of the Nativity is one of the main attractions for both adults and children at the annual Christmas Fantasy in the Ford Rotunda, Dearborn, Mich. The Nativity scene this year will be in the Rotunda's center court, the front of which will be temporarily made over to resemble a cathedral. Other exhibits which annually attract more than 600,000 children and grown-ups include animated characters from fiction and fairy tale—Hansel and Gretel, Puss-in-Boots, Robin Hood, Wee Willie Winkle and Snow White and the Seven Dwarfs. There are also doll displays, a moving toy assembly line, a French pastry shop, electric trains and toy automobiles. The Christmas Fantasy this year will open on November 24 and continue through Christmas Eve.

From Another Pointe of View

By Patricia Talbot

Sigma Gamma members are stretching out their Christmas contributions to the small patients who attend their Orthopedic Clinic until the day after the Yule celebration to enable all the gifts to be wrapped and every set of youngsters to receive their presents and lemonade and cookies.

The junior Sigma Gammas will be coming in from Bloomfield on December 8 to begin the preparations under the direction of chairman Mrs. Thomas Baumgarten. Mrs. William Kerr, Mrs. David Jansen, Mrs. Richard Kern, of Bloomfield Hills, and Mrs. Charles W. Casgrain II are all helping.

The tots will enjoy the huge tree that the Sigma Gammas decorate, lap up lemonade and cookies besides tucking away their holiday prize on three successive Mondays, December 12, 19 and 26, when the children make their usual visit to the clinic.

Sigma Gamma's Bulletin editors, Mrs. Wilbur Brucker, Jr., and Miss Elizabeth Prescott, have very cleverly organized a whole raft of news on non-resident members just in time for pre-Christmas reading.

Very fascinating it is too to read that Mrs. John Carson (Elsbeth Herbert) is painting in the wilds of Vancouver when her six children allow . . . that Mrs. Hugh Bullitt (Laura Sherrard) has a full time job as principal of a girls' school in Louisville, Ky., but is still able to trek to Europe . . . that Mrs. James Darling II (Christina Newberry) is a Nurses Aide in Coral Gables, Fla. . . that Mrs. John Davies (Sara Tiedeman) is taking ballet lessons while her husband edits the Princeton Alumni Weekly . . . that Mrs. Parker Montgomery (Jan McMillan) is attending art courses and working at the Lighthouse for the Blind in New York.

Young Dancers to Party

The sub-sub-deb set, who have been dancing at classes all around the Pointe since October, are shining up their waltzing shoes for a series of Christmas parties, where they will display their skill.

Every other Friday night throughout the fall the Junior Assembly has been meeting at the Little Club to instruct the seventh and eighth graders in the intricacies of gliding around the ballroom.

On December 21 there will be a gala Yule party at the club for the dance pupils. Among those attending will be

Mart Opens Doors Today

Today is the big day for the women of the Grosse Pointe Congregational Church. The doors of their "Mistletoe Mart" will open at 10 o'clock and myriad goodies will be available until 9 this evening.

Mrs. Kenneth Koppin, of S. Renaud road, is general chairman of the bazaar, and she urges every shopper to come early to buy their Yule gifts.

There will be three floors of shopping featuring aprons, attic treasures, baked goods, candied fruits, Christmas decorations, Christmas tree skirts, cookies, doll clothes and fruit cakes.

A children's center, a woods and garden boutique, a delicatessen, a jewelry counter, a knitting booth, everything from pecans and pickles to linens and toys will go on sale.

Home made sweet rolls and brownies will be served with coffee and tea to the shoppers in the morning and the afternoon and there will be a full scale luncheon starring home-made chicken pies and a dinner featuring roast beef.

Proceeds from the mart are earmarked for the new youth building on the church property at Chalfonte and Lathrop so come early and help the Women's Association who have been working for the past year, put the mart over the top.

A notable addition to the University of Michigan's services to the state was made possible during the past year when the new Psychiatric Unit of the Children's Hospital was completed. This unit provides for the care and treatment of disturbed children, for teaching of medical, nursing, and other students, and for a broad program of research on the causes and treatment of psychiatric problems in childhood and adolescence.

Party to Open Art Exhibition

Members of the Founders Society of the Detroit Institute of Arts will be entertained at a mid-morning coffee and private showing of the current 47th Annual Exhibition for Michigan Artists on Wednesday, December 5.

The program is one of the special privileges offered members of the organization who help to support the Institute by joining the Society which is open to all persons interested in the arts.

Sponsored by the Society's Activities Committee under the chairmanship of Mrs. Albert M. Mackey and Mrs. Walter Guler of 15812 Windmill Pointe drive, the program will coincide with the monthly picture and sculpture rental service, another Founders Society activity. More than 400 framed reproductions of great paintings and 45 sculpture reproductions are offered for rental to members on the first Tuesday and Wednesday of each month from 11 to 10 p.m. in the Founders Lounge on the ground floor.

Each member may bring one guest to Wednesday's program which will start at 11 a.m. Mrs. Harold Browne of 504 Neff road, will arrange decorations for the coffee table to be set in the Great Hall adjoining the exhibition galleries.

Picture and sculpture rentals will start at 11 o'clock on this day, with Mrs. Walter E. Simons of 157 Merriweather, Mrs.

Roy Stringer and Mrs. John Shenefield on hand to help members make their selections. On Tuesday, the service will be open from 1 to 10 p.m. as usually scheduled.

Other members of the committee are: Mrs. Herbert D. Allee of 1119 Bedford road; Mrs. James M. Barnes, Mrs. Joseph E. Bayne of 75 Touraine road; Mrs. Hardee Bethea of 279 Kenwood court; Mrs. William A. Bostick, Mrs. Edward Bryant, Mrs. Frank Chapman, Mrs. John C. Frost, Jr., of 229 Merriweather road; Mrs. Frank E. Hagan of 576 Neff road; Mrs. Arthur E. Hammond, Mrs. John F. Keys of 605 Lake Shore road; Mrs. Eugene Konstant, Mrs. James Lofstrom of 265 Williams; Mrs. Cecil W. Gay Holiday Ball Attracts Pointers

Red, White and Blue Deck GPYC for Formal Thanksgiving Dance; Localites Entertain at Cocktails Before Grand Formal Event

Party-goers poured into Grosse Pointe Yacht Club around the hour of 8 last Saturday evening for the club's annual Thanksgiving Ball. From then on, the event was one of glamour and enjoyment for members and their guests.

The festivity was staged in the big ballroom-lounge where official dress blues of the commodores mingled with feminine silks and satins and the formal black and white of the non-officer esquire side.

Flowers in shades of red, white and blue, the club colors, decked dinner tables arranged conveniently around the ballroom floor, and there was a hint of the coming Christmas season in wide red satin bands centering the length of the snowy-white table cloths. Twinkling pairs of tapers at intervals on the tables threw their shining glow over the scene. Dinner was served at 8 o'clock.

GPYC's Commodore Mervyn G. Gaskin and Mrs. Gaskin opened the ball when Arthur Quatro's orchestra struck up the music for the first dance, the commodore's lady wearing emerald green satin, floor-length, designed with skirt-fullness at the back and fitted bodice with tiny shoulder straps.

Vice Commodore Stark Hickey and Mrs. Hickey, together with Past Commodore Warren H. Farr, were hosts at a table for eight, and Rear Commodore Charles L. Jacobson and Mrs. Jacobson were guests of the Eugene A. Casarolis who also entertained Mr. and Mrs. E. C. Row and the Alexander D. Blackwoods.

During the evening, there was an entertainment in the lounge when the Lutheran Choralists, a group of 16 men, were presented in a program of songs.

With the John G. Bannisters was Mr. B.'s sister, Miss Kathleen Bannister of New York, who had come for Thanksgiving with them. They were at the ball in a subscription group including the Peter J. Gallettes, the Fred A. Hoods, Jr., and the Jack W. Hoopers.

With Mr. and Mrs. Joseph W. Caskey (she was stunning in a short-length ball dress of honey-beige satin) were the Howard A. Shaws, the George C. Gillfills, Jr., the E. M. Gregorays, Jr., the Morton Crocketts, and

Mr. and Mrs. George M. Brooks. Mr. and Mrs. Brooks joined the Caskey party at the club after attending the cocktail fete at which Mr. and Mrs. Rex L. Brophy entertained 12 couples in their Hampton Road home. Mrs. Brophy received in the white satin brocade dress she wore to the ball.

Going on GPYC's festivity with the Brophys after the cocktail party were Mr. and Mrs. William A. Ternes, the Robert F. Webers, Allman J. Cooks, Calvin J. Gausse, the Charles Gausse II, Donald Ashleys, and the Paul L. Barkers. Mrs. Barker in a waltz-length dress of heavy blue silk brocaded in cream hue, created for her in Honolulu by noted Designer Merla.

Those at the cocktail fete whose following engagements took them in different directions were Mr. and Mrs. Thomas C. Fox, the Bill O. Brinks, the Douglas Adais, and the Arthur P. Bartholomews, Jr.

Mr. and Mrs. Kendrick B. Brown's guests at the beautiful Thanksgiving Ball were Mr. and Mrs. Erwin H. Haass, the Ross Roys, the J. Crawford Frosts, and the Otis U. Walkers.

In a get-together group were Dr. and Mrs. Karl W. Weber, the Jack P. Pedersens, Mr. and Mrs. Forrest R. Old, the James Mutschalls, and the Carl A. Berndts — the Berndts were hosts at cocktails in their Westchester Road home before the group went to the club.

Dr. and Mrs. Clifford B. Lorange and the John Goodmans were a foursome, and with the Leroy J. Wallace (she was in a stunning bronze silk sheath-style evening dress) were Mr. and Mrs. Ned Zalkins and Mr. and Mrs. Willard A. Giddens.

Mrs. Arthur H. Wrock, in a full-skirted black velvet of elegant simplicity, was with Mr. Wrock, Dr. and Mrs. Emil Probst and the Walter Probsts, former Grosse Pointers now living in Fort Wayne, Indiana.

A few other who headed groups were the Russell D. Van-Houtens, the David Meekers, the Alphonse DePaepes.

Huetteman-Smith Rites Solemnized

Pair Exchange Vows in St. Paul's on the Lakeshore Saturday With a Breakfast Reception Following At the Grosse Pointe Yacht Club

A breakfast reception at the Grosse Pointe Yacht Club followed the 11 o'clock wedding of Laura-Louis Smith and Ensign William Francis Huetteman at St. Paul's on the lakeshore Saturday.

The bride is the daughter of Dr. and Mrs. Stanley Lawson Smith, of Sunningdale drive, and the bridegroom's parents are the Raymond T. Huettemans, of Ridgmont road.

Italian silk taffeta fashioned the bride's gown. The scoop neckline was outlined with seed pearls which also defined the empire waist. The gored princess skirt swept into a chapel train.

Her fingertip veil of silk illusion was held by pill box edged with seed pearls. She carried Eucharist lilies and stephanotis. Mrs. John Huetteman, sister-in-law of the bridegroom, was matron of honor. She wore emerald green velvet made with brief cap sleeves and a scoop

neckline. A band of matching silk satin outlined the empire bodice forming a bow and long streamers at the back.

She wore a matching pearl trimmed cap and carried ivory roses. The bridesmaids, dressed like the honor attendants, wore Peggy Ann Moreland, Carol Lundgren and Graechen Becker.

John Huetteman was his brother's best man and seating the guests were Stuart Smith, the bride's brother, Gerald Murdock and James Shane.

The bride's mother chose a champagne sheath fashioned with a lace yoke and long sleeves. She wore cocoa brown accessories and pinned beige orchids to her purse.

Mrs. Huetteman was in a jacket dress of waist crepe with bead trim and matching accessories. Her flowers were green orchids.

For traveling to Washington, D. C., the bride wore a beige wool dress with brown accessories. They will live in Chevy Chase, Md., while the ensign is stationed in the capitol.

AAUW Plans Yule Party

The American Association of University Women will give its annual reception and program for its members, husbands and guests Sunday, December 2, at 2:30 o'clock at the War Memorial Center.

Headlining the Christmas party will be a costumed presentation of Maxwell Anderson's play, "Mary Queen of Scots," by Mrs. William H. Grasse and Mrs. Donald Worley.

An original introduction blank verse has been written and will be read by Mrs. Anthony J. Glasko.

Harry A. Friesema, accompanied by John Marshall, will sing. The program is sponsored by the Creative Writing, Music, Play Reading and Studio Arts groups of AAUW. The latter group is making the programs and decorating the table.

Mrs. Edward F. Suits is general chairman of the Christmas party with Mrs. Edgar B. Cooper, Mrs. Edward F. Gehrig, Mrs. M. L. Van Dagens, Mrs. Eugene Klaver, Mrs. Watson I. Ford and Mrs. Glenn D. Curtiss assisting her.

Nursing College to Hold Second Christmas Fair

On Thursday, December 6, from 9 a.m. to 9 p.m., the junior and senior nursing students of the Mt. Carmel Mercy Hospital unit of the Mercy School of Nursing of Detroit, will sponsor their Second Annual Christmas Fair at the unit's Nurses' Home, 6131 West Outer Drive.

There'll be games, raffles and fun for all and everyone is invited. Candy, toys, baked goods, Christmas candles, aprons, slippers, etc., will be on sale and all the proceeds will be used to further the Junior and Senior Class activities throughout the year.

Worry, the interest paid by those who borrow trouble. —George Washington Lyons

Miss Knoch Sets Date

Marilynne Knoch, whose engagement to Mr. John Bryant II was announced last March, has chosen December 29 as the date for her wedding.

Her parents are Mr. and Mrs. Elmer E. Knoch, of Norwood drive. Her fiancé is the son of Mr. and Mrs. William Robert Bryant of University place.

For the afternoon ceremony in St. Michael's Episcopal Church, Mrs. Paul A. Weston will be her sister's matron of honor. Donna Graham, Judith Nelson, Jana Sue Kaler, and Marcia Elise of Perrysburg, O., will be the bridesmaids. Sally Odell, of St. Louis, Mo., will be flower girl.

Mr. Bryant has asked his brother, William Robert Bryant Jr., to be his best man. His ushers include A. Thomas Waterfall, Charles R. Jaquish, Daniel Schaitberger, Jr., A. Herman Gorenflo Jr., and Roger Soderberg.

Several parties have been scheduled during the holiday season. On December 1 Mrs. James B. Kaler will honor her niece at a tea in her Stanton lane home.

Marcia Elise has invited Miss Knoch's former classmates to a powder room shower December 2 in East Lansing.

A luncheon will be given by Mrs. Leslie W. Miller and Mrs. Robert Waldron, December 5. Mrs. Raymond F. Littley is planning a luncheon for the bride-elect on December 8 in her Vendome Road home.

A luncheon and linen shower is scheduled for December 14, given by Mrs. Harrison Sadler and Mrs. Thomas L. Lott.

Charles R. Jaquish is entertaining the bridal party at a buffet supper and bar shower December 22.

Donna Graham will be hostess at a kitchen shower at 1 o'clock December 23. And Mr. and Mrs. Albert D. Thomas will give a cocktail party that same evening.

A. Thomas Waterfall will give the bachelor dinner at the Grosse Pointe Yacht Club on December 26. The bridegroom's parents have planned the rehearsal dinner at the Grosse Pointe Club on December 28.

"The great lesson of our war is that they must be carried to a conclusion by citizen soldiers and these soldiers must be trained. To trust untrained citizens into the field is nothing short of death by government order."—Elihu Root.

Mrs. William F. Huetteman

LAURA LOUISE SMITH, daughter of Dr. and Mrs. Stanley Lawson Smith, of Sunningdale drive, was married Saturday in St. Paul's on the lakeshore to Ensign Huetteman. He is the son of the Raymond T. Huettemans, of Ridgmont road.

Coterie Club To Hold Dance

The Grosse Pointe Coterie Club is getting the pre-holiday season off with the proverbial bang by holding its December dance at the Grosse Pointe War Memorial on Saturday Evening, December 1, from 9-12 p.m.

Among those who are joining in the festivities are Mr. and Mrs. William Frutig, Mr. and Mrs. William Tate, Mr. and Mrs. George Pomeroy, Mr. and Mrs. Robert Cann, and Mr. and Mrs. Fred Dillman.

For the benefit of those not familiar with the Coterie Group, it was organized about three years ago for the purpose of providing the young married folks in the Grosse Pointe area an evening of dancing and entertainment amid pleasant surroundings and enjoyable company for a very nominal cost. The \$3 a couple fee also includes refreshments.

All couples in the Grosse Pointe area are cordially invited to attend and bring their friends. Music will be supplied by Bill Knicely and his Melody Men, and everyone is looking forward to another successful party.

Incidentally, these dances are held the first Saturday of every month, October through May, with the exception of January, so be sure and mark the dates on your calendar pad.

Dinner Dance Planned By Hospital Auxiliary

Members of the staff and auxiliary of the Detroit Memorial Hospital will hold their 7th Anniversary dinner-dance in the Grosse Pointe Yacht Club on Saturday, December 1.

Mrs. Elwood Jenkins is chairman of the party; Mrs. Werner Schmidt and Mrs. Lee Carrick are co-chairmen.

Among the Grosse Pointers who have made their reservations are Mr. and Mrs. Franklin D. Carr, Mr. and Mrs. Thorn Conner, Dr. and Mrs. Edward Eldredge, Dr. and Mrs. Harold Jarvis, Dr. and Mrs. Jason Hodges, Dr. and Mrs. John Glees, Dr. and Mrs. Gordon Rentenbach, Dr. and Mrs. J. D. Langston, Dr. and Mrs. T. H. Heenan, Mr. and Mrs. Eugene McCafferty, Dr. and Mrs. John Pandy and Mr. and Mrs. Simpson Leonard.

Through the wholesome-chastisements of Love, nations are helped onward towards justice, righteousness, and peace, which are the landmarks of prosperity. —Mary Baker Eddy.

Benefit Ball Dec. 8 at GPYC

Members of the women's groups of St. John Hospital have recruited staff members and husbands to work on their third annual White Christmas Ball, December 8 at the Grosse Pointe Yacht Club.

Proceeds from the party this season will go to furnish the outpatient building, now only a shell on the grounds of the hospital.

Mrs. Arthur D. Kerwin, president of the Fontbonne Auxiliary, is active chairman of the ball, with Mrs. Ray M. Whyte, honorary chairman.

Eight of the 180 staff physicians have been named to the arrangements committee. Dr. George E. Fritz is chairman with Dr. John P. Ottoway, Dr. Herbert W. Devine, Dr. Eugene L. Freitas, Dr. Karl W. Weber, Dr. Vernon P. Johnson, Dr. Clarence Candler and Dr. George Staryk assisting him.

Others on the arrangements committee are James N. Motchall, Earl D. Thompson, Thomas K. Fisher, John C. Griffin,

George L. Cassidy and Thomas Del Giorno.

Chairman of other committees are Mrs. Thomas K. Fisher, and Mrs. George E. Fritz, patrons; Mrs. George L. Cassidy and Hugh Sheehan, publicity; Mrs. Claude A. Greiner and Mrs. Hamilton F. Kotcher, tickets and table arrangements, and Mrs. Franklin Quinkert, finance.

Mrs. John C. Griffin and Mrs. James N. Motchall are in charge of the program while Mrs. Benson Ford will be responsible for the entertainment.

Mr. and Mrs. Lewis F. Brown are arranging for special gifts and a quartet, the Edward J. Schoenhers and the Howard Shaws are doing the decorations. Mrs. James E. Scripps III is beverage chairman.

The weakest among us has a gift, however seemingly trivial, which is peculiar to him, and which worthily used, will be a gift to his race forever.—John Ruskin.

16 Debs to Bow At Holiday Parties

First Bud of the Yuletide Will Be Jean Dodenhoff, Daughter of Dr. and Mrs. Charles F. Dodenhoff, of Vendome Road; to Be Presented at Tea in Her Home

Sixteen young misses will make their traditional bow to society during ten party-packed days of Christmas vacation with several of the buds sharing a date.

First debutante of the holiday season will be Jean Dodenhoff, daughter of Dr. and Mrs. Charles F. Dodenhoff, of Vendome road, who will be introduced by her mother at a tea in her home on December 21.

That evening Mr. and Mrs. Clayton Morse, of Handy road, are giving a dinner for their daughter, Suzanne, at the Country Club. At the same time at the DAC twin debutantes, Annette and Suzanne Gagnier, daughters of Mrs. George F. Gagnier, Jr., of Bloomfield Hills will be welcoming guests to dinner.

All the buds and their friends will go on to Julie Cudlip's dance at the Country Club being given that night by Mr. and Mrs. Merlin A. Cudlip, of Lakeshore road.

Barbara Beam is the dinner debutante on December 22 when her parents, Dr. and Mrs. A. Duane Beam, of Lincoln road, will introduce her at the Country Club.

Four sets of parents are giving the debutante ball that evening at the Country Club. Mr. and Mrs. Robert Powers, of Rivard boulevard, for Cherry; the Marshall E. Templetons, of Kenwood road, for Annette; the Alan T. McHenry, of Grayton road, for Sally, and Mr. and Mrs. T. Jack Henry, of Sunningdale drive, for Carol, will be the hosts.

There will be the usual lull over Christmas Day but on the 26th Mr. and Mrs. George E.

Schenck, of Lakeland avenue, will introduce their daughter, Georgia, at a dinner in their home.

The E. Lwyd Ecclestons, of Lincoln road, are giving a dance at the Country Club that evening to introduce their daughter, Lolly.

Avery Lynn Kimerly will be the star of December 27 when her mother, Mrs. Harvey L. Kimerly, of Renaud road, will present her at a tea.

The Little Club will be the scene of the tea dance December 28, at which Virginia Penrose, daughter of the Clement A. Penroses, Jr., of Birmingham, will bow.

The last two debutantes of the season will be Donna Wartena, daughter of the Donald Wartenas, of Edgemont park, and Suzanne Wiggins, daughter of Mr. and Mrs. Richard A. Wiggins, of Clairview road.

They will be introduced together by their parents at a tea dance at the Hunt Club on January 2.

It was no secret to my neighbor Gulliver that his second-hand tractor was a heavy gas-eater.

But the other day he pulled into a fillin' station and left the motor running while the feller filled the tank, and after about ten minutes the feller said,

"Would you mind shuttin' the motor off, buddy? You're gettin' ahead of me!"

Hamiltons Having Nassau Honeymoon

Susan Coleman Whitehead Wed to William Robertson Hamilton III Saturday Afternoon in Christ Church Will Make Home in Grosse Pointe Woods

At a double ring ceremony Saturday afternoon in Christ Church Susan Coleman Whitehead, daughter of the James Frazer Whiteheads, of Stephens road, became the bride of William Robertson Hamilton III.

She chose a gown of white silk Baratheia with a softly draped scoop neckline which extended over the shoulder. The skirt was pulled from a basque bodice into shirred poufs in the back and fell into a court train.

Her Carrickmacross heirloom lace veil was worn in Madonna fashion. Tiny clusters of orange blossoms adorned the train of the long veil. She carried a small bouquet of white butterfly orchids and stephanotis.

Elise Fink, maid of honor, was in emerald green crystal-lette with a shirred scoop neckline, empire bodice and full skirt with a back panel which fell to the hemline. Her bandeau was of green velvet with a tailored back bow and streamers.

The attendants, gowned like the honor maid, were Mrs. Clarke Murphy, Jr., of Baltimore, Md., and Mrs. Woodruff B. Crouse, sisters of the bride; Heather Whitehead, Winifred Booth, the bride's cousin, and Constance Aldrich, of Columbus, O.

They carried small bouquets of white carnations. Miss Fink's

bouquet was of Eucharist lilies and white carnations.

David Mitchell Hamilton and John Millis Hamilton, the bridegroom's twin brothers were his best men. They are the sons of Mr. and Mrs. William R. Hamilton II, of Lakeshore road.

Ushering were the bride's brother, George Whitehead, the bridegroom's cousin, Michael Millis, J. Howard Kay, Gary Symington, Merritt Jones, Jr., Thomas G. Whittingham and Daniel D. Jackson.

For her daughter's wedding and the reception which followed at the Country Club, Mrs. Whitehead chose a Balmmain afternoon dress of Kelly green peau de soie with brown accessories. Mrs. Hamilton was in cocoa brown-peau de soie with brown accessories.

Both mothers carried cymbidium orchids.

For traveling to New York and Nassau the bride wore a brown tweed suit with black accessories. The couple will make their home in Grosse Pointe Woods.

Remember, it takes as much energy to wish as to plan.

Girls to Usher For Symphony

Students from the Convent of the Sacred Heart will be ushers for the next concert of the Grosse Pointe Symphony which will be held in the Parcels School auditorium on Sunday afternoon, December 2, at 3:30 o'clock.

Seating concert guests will be Sharon Meier, Patricia Murphy, Mary Rossmann, Beth Verbiest, Karen Christensen, Antonia Barnes, Betty Ann Alter, Jeanne McKinnon, Mary Ellen Molloy and Elaine Bejin.

Among the mothers of the above young ladies who will assist the tea hostesses which will follow the concert are Mrs. J. C. Murphy, Mrs. James Merriam Barnes, Mrs. Frank Alter, Mrs. Bryan Molloy, Mrs. Joseph Bejin and Mrs. David Richardson.

Mrs. Gerald Stoetzer, hostess for the tea, will be assisted by Mrs. William Adams Russell, Mrs. Edward Evidand and Mrs. Harvey L. Kimerly.

Voters League To Hear Panel

By Mrs. George J. Brown

The present crisis in the world situation today has brought home to everybody the possibility of a third world war and the destruction of everything we value. Events are moving so swiftly that the pattern changes from day to day.

Momentous decisions must be made by our government with each shift in the pattern, and these decisions are put into effect so quickly that there is hardly time for citizens to be informed of them, to say nothing of expressing their approval or disapproval.

Must we then accept the role of mere spectators as the drama is played out before us? Or is there some point at which our efforts can be applied to help resolve the current emergency and bring about an enduring peace?

The League of Women Voters is equipped both by its organization pattern and by its program to promote public understanding of the deep-lying causes of international conflicts, and to encourage the examination of the present situation with a view to arriving at long-range solutions of problems that are the source of recurrent crises.

At a combined general and unit meeting to be held at the home of Mrs. Clarence Koebbe, 543 Pemberton, on Monday evening, December 3, at 8 o'clock, the Grosse Pointe League will present a panel of league members who will discuss the present world situation in the light of the accepted positions of the League of Women Voters, re-

ferred to as "Continuing Responsibilities."

Mrs. Taylor Seeber will act as moderator and discussion leader for panel members: Mrs. Frank Hausmann Jr. and Mrs. C. G. Turrell, who will discuss the United Nations, its limitations, its resources, and its strength in keeping the peace through co-operation with other nations.

Also slated to appear on the panel are Mrs. John Pear, Mrs. Donald Jennings, and Mrs. William Krebs, each of whom will, discuss one aspect of the League's program, either in the international or domestic field. Panel members will key their talks to a deepened understanding of the economic and political conditions that bring conflict, a more realistic understanding of the United Nations, and some constructive measures to help dispel the sense of frustration and helplessness that afflicts us all, by showing how citizens can influence their government in the direction of sound policies for the future.

Mrs. Ralph Pulliam, and her five unit leaders will act as co-hostesses for the evening. Guests and friends are always welcome.

The young clergyman had just concluded his first funeral service. He decided to ask the mourners to view the remains. A trifle confused, he looked over his teetotal congregation, and croaked, "We will now pass around the bier."

Working on the party committee are Mr. and Mrs. Kirby, Mr. and Mrs. George Brand, Mr. and Mrs. Kenneth L. Kimmel, Mr. and Mrs. Fred Steiner, and Mr. and Mrs. Clarence Slocum. For further information call TU 1-2771 or TU 1-2019.

Party Planned By Methodists

A gala holiday dancing and card party is being planned by members of the Grosse Pointe Methodist Church for Saturday evening, December 8, at the Grosse Pointe War Memorial Center from 8 to 12 o'clock.

Planned as a send-off for the holiday season immediately this marks the third annual party to be held by the Methodists at the Center. Christmas-time decorations will fill the War Memorial's first floor and music will again be supplied by Russ Carney's band.

Early reservations indicate that there will be a capacity crowd as in previous years according to W. J. Kirby, chairman of the event.

Jingle Bids Moms To Christmas Tea

Grosse Pointe High School Mothers' Club Holding Annual Event in Gymnasium on December 6

Every mother of a High School Student received an attractive invitation recently with this jingle:—

*"We want you to come to the Xmas Tea
On December the 6th, as the clock chimes three.
We'll do our best to make the gym look gay,
Mr. Finch and his choir will add charm to the day.*

*The space for cars will really be loaded
So fill up your with mothers' devoted.
Grosse Pointe High is the place to be
As the clock chimes three for the Xmas Tea."*

This event, which is sponsored each year by the Mothers' Club is eagerly anticipated by the mothers. It is a wonderful "mood setter" for the Christmas season.

Mr. John Finch and his well-trained choral groups always give a thrilling program of Christmas music and the students who participate in the music are as inspired as those who listen.

Makes Bow At Debut Party

Marilyn Brywa, daughter of Mr. and Mrs. John Brywa of Lexington avenue, was one of several young women who made their debuts on Friday evening, November 23, in the Grand Ballroom of the Sheraton-Cadillac.

The annual event is sponsored by the Polish Woman's Alliance, Group 807, and similar debuts are held each year by its members throughout the country.

Marilyn was escorted to the Debut Ball by her brother, Robert Brywa, who was home for Thanksgiving from his studies in Villanova University.

Among the Grosse Pointers who attended the party besides Marilyn's parents, were Mr. and Mrs. Stewart Davidson, Mr. and Mrs. Stanley Evantz, Mr. and Mrs. Charles Zboril, Mr. and Mrs. Henry Jasky and Mrs. Anna Winichi.

The gymnasium will be decorated with a theme of green and gold and will lend an appropriate background for the music and sociability.

Mrs. Russell Croweneth is the chairman for this year's tea. She is assisted by Mrs. Watson Beach, who was the chairman of this event last year.

Her other able workers include: — Mrs. Lawrence Ruby, Mrs. Martin Hutchinson, Mrs. Robert Kimbell, Mrs. Rose Sanders, Mrs. A. Duane Beam, Mrs. John Millis, Mrs. Richard Kurtz, Mrs. Rex Regan, Mrs. H. Peetz and Mrs. Haford Kerbawy.

Famed Ohio Lecturer Sponsored by Center

Grosse Pointe Garden Center Invites Public to Hear Mrs. Schulke Speak on December 6 at Pierce Junior High on Holiday Decorations

Returning by popular demand to give a lecture on Christmas decorations is Mrs. Pynhold G. Schulke, of Cleveland, O., sponsored by the Grosse Pointe Garden Center.

The famed lecturer will speak Thursday, December 6, at 2:30 o'clock at the Pierce Junior High School Auditorium on "The New and Different in Holiday Decorations."

A teacher, writer and TV performer as well as lecturer she has done Yule programs in 15

states and is at present preparing for a full publication date on holiday decorations.

The Garden Center feels the honor of hearing Mrs. Schulke and is offering tickets for \$1.50 at the Garden Center in the War Memorial. All Grosse Pointe Garden Club presidents also have tickets.

Mrs. Donald C. Stevenson is general chairman of the lecture arrangements with Mrs. William G. Eversman and Mrs. Richard Forsyth doing the staging.

Mrs. Stanley F. Dolega is in charge of tickets and Mrs. Burdette E. Ford and Mrs. W. S. Teetzel are handling the financial affairs.

A special note of thanks from Garden Center members goes to Miss Mary Louise Anderson, who is personally writing to all the Garden Clubs in the Detroit area to invite them to attend this special event.

Mrs. Robert F. Barie is spreading the news of the lecture while Mrs. Edward Grace, president of the Junior League Garden Club, is marshaling the usher corps.

The University of Michigan Medical School is the first in the country to install compatible color television as a teaching aid.

Unitarians To Hold Dance

The Grosse Pointe Unitarian Church will hold its monthly square dance for all who have mastered the fundamentals of the dance, on Saturday, December 1, at 8:30 p.m.

Wes and Julia Rea will do the calling, at Monteith School, Cook road and Chalfonte. Donation will be \$1 a person.

Women's Club Plan Recital

Clark Women's Club will have a double attraction for their annual holiday tea on the afternoon of December 1 at the afternoon of Fellowship Hall of Christ Methodist Church.

In addition to the tea table laden with delicacies the guests will enjoy a program of selections from Tchaikovsky's "Nutcracker Suite."

This will be directed by Mrs. Fred Brufoot with Mrs. Bayard Clark as accompanist. The Orchid Diane Ballet dancers will also perform, and Mrs. W. G. Stohrer will narrate the story.

Mrs. Harry Sainsbury is program chairman with Mrs. William Laird, music chairman. Hostesses for the day will be Mrs. Clarence Smart, Mrs. Milton D. Vokes, Mrs. C. W. Newman, Mrs. Herman Williams and Mrs. Sol Vasil.

Others will be Mrs. W. G. Storrer, Mrs. O. A. Tellis, Mrs. G. G. Reid, Mrs. C. B. Leonard and Mrs. W. W. Ament.

A new and relatively inexpensive "baby racket" has been developed in University of Michigan laboratories to be used in extensive investigations of the upper atmosphere.

Mrs. Conrad P. Bouthillier

MARGARET ANNE LYNCH, daughter of Mr. and Mrs. John E. Lynch of 1882 Norwood drive, was married to Conrad P. Bouthillier recently in St. Joan of Arc Church.

For her wedding the bride chose an ivory satin gown with a Cathedral train. A pearl crown held her full length veil of French imported illusion. She carried a cascade bouquet of roses and stephanotis.

The bride's sister, Mrs. Murlin Vellequette of Fort Wayne, Ind. was matron of honor and the bridesmaids were Miss Brenda Bannan of Springfield, Mass.,

In 1955-56, more than 22,000 persons were admitted as bed-patients to University of Michigan hospitals and 210,636 out-patients visits were recorded.

Palmer Heenan Wed To Jayne Houseal

The Rev. Paul Ketchum Officiated at the Afternoon Ceremony at Grosse Pointe Memorial Church: Reception Followed at the Country Club

Jayne Houseal, daughter of the Edward Bennet Houseals, of Covington drive, was married Friday afternoon at Grosse Pointe Memorial Church to Palmer Tracy Heenan.

He is the son of Mrs. Earl I. Heenan, of Bishop road, and the late Mr. Heenan. The Rev. Paul Ketchum officiated at the 4:30 o'clock ceremony.

The bride chose a pale champagne colored French jersey costume suit for her wedding. Her hat was three brown velvet leaves on a satin stem with a tiny veil. She carried three small beige orchids on her purse.

Following a reception at the Country Club the couple left for a wedding trip to New York and the East.

American-Belgian Band To Give Musical Hour

A Musical Hour, comprised of all accordion music, will be held in the Belgian Hall, Hurlbut and Gratiot, Saturday evening, December 1, sponsored by the American-Belgian Accordion Band.

The band, composed of youngsters ranging in age from nine to 17 years old, will be under the baton of Jules Jodts.

The evening will include dancing for teenagers, and an occasional waltz and fox trot for the older guests.

A "preview" of the show was staged at the St. Joseph Home in Cadeux road on Sunday, November 25.

A similar type of program was presented a year ago and was highly successful. Many of the youngsters show exceptional talent and are in great demand on festive occasions.

Yule Recipes In Free Book

A new book of prize Christmas recipes for 1956 is being offered to homemakers as a gift by the Michigan Consolidated Gas Company.

Colorfully illustrated, the book is designed to be hung on the kitchen wall for easy reference.

It also contains a handy loose leaf calendar for 1957, with special recipes listed for each season.

Heading the variety of holiday treats is a recipe for poinsettia coffee cake. This delicious pastry, patterned after the traditional holiday flower, will give a gay touch to your Christmas breakfast.

Baked to a golden brown in a gas oven and sprinkled with red sugar, poinsettia coffee cake will provide the perfect start to Christmas festivities.

Other goodies which will make a family's eyes sparkle include Swiss biberli cookies, coconut cream candy, sugar plum dreams, Christmas confetti and a "super" fruit cake.

All recipes were tested thoroughly at the Gas Company's Home Service Department, which prepared the book.

"We recommend this Christmas book as our finest, since it can be used all year," said Miss Frieda Barth, Company home service director.

As a special feature, each page of the calendar lists recipes which will be used most frequently during that particular month.

To obtain a free copy, telephone the Home Service Department at the Michigan Consolidated Gas Company, WO. 5-8000, extension 6127.

Copies also are available at any Company branch office.

Here is the recipe for poinsettia coffee cake, one of the many holiday delights to be found in the gift book.

POINSETTIA COFFEE CAKE (2 cakes)

- 1 package active dry yeast or 1 cake compressed
- 2 tablespoons lukewarm water
- 1 cup scalded milk
- 1/2 cup shortening
- 1/3 cup sugar

- 1 teaspoon salt
- 2 eggs
- 4 cups sifted all purpose flour
- 1 cup chopped mixed candied fruit
- 1/2 cup chopped nuts
- 16 small yellow gumdrops

Dissolve yeast in lukewarm water, allow to stand until bubbles form which indicate yeast is active. Add shortening, sugar and salt to scalded milk. Stir until lukewarm. Beat eggs, add milk mixture and yeast. Add 2 cups flour, beat well. Add candied fruit and nuts; mix. Add remaining flour, blend well but do not knead.

Place dough in large greased bowl, brush with melted shortening, cover and put in gas refrigerator at least 4 hours before shaping or dough may be refrigerated several days before using.

Divide dough and put one half back in bowl, keep covered while you shape the first half. Cut off piece of dough about size of small egg; round into ball and place in center of greased baking sheet; flatten with fingertips. Form remainder of dough into a roll 12 inches long and cut 12 equal pieces. Roll each piece into strips 4 inches long and set on cookie sheet radiating out from center. Use fingertips to flatten and shape each to look like a petal.

Brush with melted shortening, cover and allow to rise until double in bulk, about 40 minutes. Bake in gas oven at 375 degrees F., about 20 minutes. Frost while warm with confectioners' sugar icing. Sprinkle with red sugar, then decorate center with small yellow gumdrops.

For icing, combine 1 1/2 cups sifted confectioners' sugar, 2 tablespoons milk and 1/4 teaspoon vanilla. Beat until smooth. Spread on warm coffee cake.

A smooth sea never made a skillful mariner; neither do uninterrupted prosperity and success qualify men for usefulness and happiness.—Richard E. Burton.

Candidates for President and Vice President of the United States and members of the press covering their respective campaigns flew more than 720,000 plane miles on American Airlines during the final two months of the campaign, according to District Sales Manager, Jack A. Tompkins. He added that American flew candidates and newsmen to more than 75 cities from coast to coast during the campaign.

Every man is useful to his kind by the very fact of his existence.—Thomas Carlyle.

For Mother's Christmas

How about an "Executive Corner" for mother's Christmas this year? A portable typewriter from dad, a portable radio from sis, a 2-drawer filing cabinet from brother, a recipe card file from baby sister and a portable TV from Uncle Ben, in colors to match her kitchen. Recent research reveals that the woman with a family today is a business manager as well as cook, nurse and general cleaner-upper. She needs a definite place, functional, cheerful and comfortable, from which to direct her family's affairs, for the trend today is to make more and more of the family's business her responsibility.

G.P.U.S. News Notes

Headmaster John Chandler, Jr., returned last week from a two week trip to visit colleges in New York and New England. Mr. Chandler visited a number of the smaller colleges in which seniors at Grosse Pointe University School may become interested in the coming years of intense competition for admission to all kinds of colleges, big and small alike.

Among those that Mr. Chandler visited were Hobart, William Smith, Hamilton, Union, Rensselaer, Middlebury, Colby, Trinity, Dartmouth, and his own alma mater, Yale.

Miss Blanche Richardson and Wellington Grimes, principals of the girls' and boys' divisions of the Upper School, attended a conference last week at the University of Michigan, Ann Arbor. The conference was one at which heads of schools interviewed freshmen who had attended their schools last year and discussed with them how their school preparation fitted them for their college work.

Among last year's G.P.U.S. seniors, now U. of M. freshmen, with whom Miss Richardson and Mr. Grimes talked, were Melissa Collins, Sam Daume, George Mack, Tom Purdy, Dave Strother and Ronnie Wilk. They were all most complimentary about the kind of preparation that they had received at G.P.U.S.

Two other G.P.U.S. representatives at an Ann Arbor conference were Robert "Skip" Johnson and Ann Forster, co-presidents of the Student Council, who attended the Twelfth Annual Citizenship Conference at the University of Michigan.

Last week could have been called "Julie Harris Week" for the drama classes at G.P.U.S. At the invitation of Mrs. Eleanor Munger, teacher of dramatics, Miss Harris, who once attended the old Grosse Pointe Country

Day School, came to speak to the students who are taking dramatics. The fact of Miss Harris's coming created much excitement and interest on the part of students and teachers alike, and everybody watched her move along the corridor with that special kind of attention accorded only to the great and famous.

Miss Richardson, who used to teach Julie at Country Day, introduced her to the group, and present in the audience was Julie's brother, Mr. Bill Harris of Grosse Pointe, who teaches 5th grade Boys' classes in the Lower School at G.P.U.S.

On Friday night Mrs. Munger took a large number of her pupils down to the Shubert to see Miss Harris perform in *The Lark*. They enjoyed their evening tremendously, and a very special feature of it was the chance they had to go backstage after the show to say hello to Julie and to see the members of the cast.

Among the students who attended the performance were Kathy Engelhard, Alice Gage, Jean Bambas, Suzanne Buttrick, Anne Collins, Patti Dockson (who was in charge of buying tickets and arrangements) Joyce Green, Lyn Hallett, Lyn Robinson, Julie Schneck, Wendy Colby, Bruce Gillis, Frank Munger, Glynn Conley, James Barnes, Robert Kraus, David Maren-tette, Wilson Murphy, Barry O'Brien, and John Scherer.

The winter schedule began last Monday, November 26, at G.P.U.S. bringing with it a number of revisions in the daily program, the coming of basketball and (when the weather is right) of skating, and preparation for the winter show.

A guest who will be speaking to seniors and other interested students this week will be Dean W. Howie Muir of Trinity College, Hartford, Conn. Dean Muir attended D.U.S. and is married to Ann Hartzell, a G.P.U.S. graduate.

The Junior Red Cross Council of G.P.U.S. has voted to make

Woods Garden Club Has Party

The Grosse Pointe Woods Garden Club held their Christmas party luncheon Tuesday in the Faircourt road home of Mrs. Cecil Pollard.

Gifts were exchanged and also presents prepared for the children and patients at the Sister Kenny Home.

Mrs. Lowell Montgomery, president of the club, headed the hostess list which included Mrs. Fred Rising, Mrs. Arthur Swanson and Mrs. Clyde Dease.

Italian Women's Club Holds Meeting and Tea

Many Grosse Pointe members of the American Italian Professional and Business Women's Club attended a meeting and tea in the International Institute on Sunday evening, November 25.

Honored guests were Dr. and Mrs. Gabriele Paresce of Washington, D.C. Dr. Paresce is the press advisor to the Italian Embassy. Mrs. Paresce is the former Degna Marconi, daughter of Guglielmo Marconi, inventor of the first wireless set. This was the couple's first visit to Detroit.

Dr. Paresce spoke on "Italy the Country of Eternal Renaissance." Mrs. Paresce spoke briefly about her famous father. Mrs. Thomas Lo Cicero, co-ordinator of activities for the club, was among the hostesses at the tea.

Other Pointers attending the event were Dr. and Mrs. Antonio Carloni, Mrs. Ferdinand Friedenburg and Mr. and Mrs. Jean Paul Desparmet of the Detroit Consular Corps; Dr. and Mrs. Dominic Pucci, Thomas Lo Cicero, Mrs. Frank Rizzo, her daughter and son, Bridget and Frank Rizzo, Dr. and Mrs. Benedetto Pugliesi, Mr. and Mrs. Louis Rossetti and Dorothea Rossetti; Mr. and Mrs. Frank Colombo, Mr. and Mrs. George Allison and Mrs. C. C. Jenks.

Circle to Hold Yule Luncheon

The Woman's Society of the Grosse Pointe Methodist Church will hold its traditional Christmas luncheon on Tuesday, December 4, at 12:45 p.m.

The program chairman for the event, Mrs. Kenneth Cook, has announced an unusual and different Christmas worship service starting at 1:45 p.m.

The decorations, planned and executed by Mrs. Lawrence Kennedy and Mrs. Walter Kann, will be in green and gold and will carry out the religious theme of the program.

Rebecca Circle is hostess of the event and the circle women, under Mrs. Thomas Estes, will serve a delicious buffet style luncheon.

Two separate nurseries, one for infants and one for older children, will be available free of charge.

All church women are urged to attend and to bring guests. For reservations, call Mrs. Thomas Estes, PR. 8-9413.

Brig. Gen. David Sarnoff, USAR (Ret.) was recently appointed Chairman of the National Security Training Commission by President Eisenhower. Library Group Hears Blessing

Charles A. Blessing, Director of the Detroit Planning Commission, was the speaker Sunday afternoon at the first program in the 1956-57 series sponsored by the Friends of the Grosse Pointe Public Library.

Mr. Blessing was presented to the group in the Central Library Meeting Room by William L. Newman who outlined the speaker's outstanding background and experience in urban planning and development.

Mr. Blessing introduced his subject by showing colored photographs of outstanding examples of beautiful and functional urban planning from all over the world, illustrating the principles followed by city-planners today.

He outlined the special problems faced by Detroit in its long-range program and gave his audience a most interesting insight into the breadth of the changes we may see in our city as the plans become reality.

In quick succession, Mr. Blessing showed in drawings and photographs, the Civic Center, new building, The Cultural Center, the Medical Center, the Gratiot Re-Development Project, conceptions of how the downtown shopping district may develop, Michigan avenue re-building, neighborhood residential developments, and other examples from the seemingly endless ideas and projects of the Planning Commission.

Questions from the audience

were answered by Mr. Blessing after his presentation and then the group adjourned to the Main Reading Room of the Library for tea, coffee, and sandwiches served by the Friends' Social Committee, chaired by Mrs. Russell H. Lucas, who was assisted by Mrs. Jay W. Sorge, Miss Melitta E. Roemer and Miss Jacqueline Hosking.

Dominican High Mothers To Hear Lecture Dec. 5

Dominican High Mothers' Club members will hear a lecture on Therese Neumann on Wednesday evening, December 5, at 8 o'clock in the High School cafeteria.

Fr. Rudolph Hodik of Casco, Wisconsin, a personal friend of Therese Neumann, will show colored slides, (of which he has 8,000), depicting the life of the 58 year old stigmatic.

Miss Neumann, who was born in Bavaria, Germany in 1898, has refused solid food since April 25, 1933, and exists only on Holy Communion and water.

Following the business meeting and lecture, Mrs. A. J. Marshall, sophomore vice-president, will serve refreshments, assisted by the sophomore mothers.

Women Prove Best Hunters In Camp

Feminine Deerlayers Bag Three Bucks While Menfolk Only Sit and Wait

It seems that two women led the field in hunting at the Little North Hunting Club, located west of Hubbard Lake, this season. They not only turned out to be the camp meat provider, but also, each got a buck to bring home for the family larder.

Mr. and Mrs. William Goodson of Country Club drive drove up to the club on opening day of the hunting season, November 15. Mr. Goodson returned home a few days later, deerless—Mrs. Goodson stayed on. She tracked and shot a 6-point buck one day. On the following

day she spotted a spike buck and shot it for the camp.

Miss Jean Marson of Kensington road was the other lucky woman hunter in the camp who came home with a buck she shot.

The 22 men at the camp are still trying their luck, but so far—no buck.

The doctor's telephone rang insistently, and when he answered it a man on the other end said excitedly, "This is Bill Reese. Come quick. My wife has appendicitis."

"Nonsense, Bill," retorted the doctor. "I took your wife's appendix out three years ago, and I never heard of anyone having a second appendix."

"Yeah?" said Reese. "Ever hear of anyone having a second wife?"

"I found a rare coin."
"What others are there?"

Did you ever stop to think what might have happened to American history if the British soldiers at Bunker Hill had bloodshot eyes?

Quote from a young mother: "I don't think you should ever spank a child unless you have a definite end in view."

People who throw dirt always lose ground.

The bird chooses its tree, not the tree the bird . . . Confucius.

Did you ever wonder exactly what the phrase means, "Eternally feminine"? Well, here's the answer in this story.

An eight-year-old girl complained to her father that every day when she started home from school some boys grabbed her and kissed her.

"Why don't you try to run away from them?" suggested her parents.
"I did try it," she said. "But they won't chase me."

Little Mary had been reproached for her bad table manners and was placed at a little table in the corner of the room by herself. Her astonished parents looked up when they heard her saying grace: "Thank Thee, Lord, for preparing for me a table in the presence of mine enemies."

A little girl was showing her playmate her new home. "This is my daddy's den. Does your daddy have a den?" Said her friend. "No, he just growls all over the house."

The more things a man is ashamed of, the more respectable he is.

Lost time was like a run in a stocking. It always got worse.—Anne Morrow Lindbergh.

Doing what is right is no guarantee against misfortune.

A housewife picked out six small apples and handed them to the grocery clerk. "That'll be 75 cents," he said. She handed the clerk a dollar and started to walk out. "Wait. You forgot your change." "That's all right," she said sweetly. "I stepped on a grape on the way in."

Santa Greets Kids at Rotunda

Santa Claus in his castle is one of the chief attractions for children at the annual Christmas Fantasy in the Ford Rotunda, Dearborn, Mich. Among the hundreds of other fascinating exhibits are animated characters from the land of fiction and fairy tale, such as Hansel and Gretel (right, above), Puss-in-Boots, Wee Willie Winkie, Robin Hood and Snow White and the Seven Dwarfs. The show also features a French pastry shop, a toy assembly line, and scenes of animated animals scampering through their woodland homes. More than 600,000 children and grown-up visited the 1955 Christmas Fantasy. The 1956 show opened November 24 and closes on Christmas Eve.

Dominican High Father To Meet Football Stars

The Dominican High School Fathers' Club will hold their next meeting on December 5, at 8 p.m. in Buckingham Hall, 15917 Harper avenue.

During the short business meeting an election will be held to elect three new board members. After the meeting the group will be entertained by Les Bingham with a film of Detroit Lion football games. A group of Lion football players including Bobby Layne, Harry Gilmer, Jug Girard, Gene Gedman, Joe Schmidt, and Don Middleton will also be present. In addition to the above entertainment, refreshments will also be served. The Fathers' Club extends a cordial invitation to all fathers of Dominican students to attend this meeting and social.

You're looking at a mighty surprised man. Almost all of his adult life he has owned Cadillac cars. And so, when he came in to see and drive the new 1957 Cadillac, he thought he knew about what to expect. Well, here he is—barely under way in the city's traffic—and already he is learning the startling truth. He is learning that *nothing* could prepare a man for the new "car of cars"—not even Cadillac ownership itself! He suspected it, in fact, the instant he caught his first glimpse of this newest

Cadillac creation. This was an entirely new kind of Cadillac beauty—brilliantly fresh in line and in contour. And then he opened the door and swung into the driver's seat. On every side were new miracles of interior beauty and comfort and convenience. And when he turned the key and put his foot on the accelerator, his sentiment grew to conviction. The car was incredibly nimble and quiet and smooth of ride. Surprised, did we say? Well, just wait until he hits an open stretch of highway.

That great new engine is incredibly responsive. There is marvelous new balance and ease of motion. And the car is so easy to handle that it seems almost to know the road. No question about it—*this is the Cadillac that surpasses its own great reputation!* We suggest that you come in soon to see and drive this most surprising new Cadillac in fifty-four years. It's an experience you shouldn't postpone—and one you'll not soon forget.

Notice of Public Hearing
Vacation of a Portion of Edgewood Road

You are hereby notified that the Council of the Village of Grosse Pointe Shores will hold a Public Hearing at the Municipal Building, 795 Lake Shore Road, Grosse Pointe Shores, Michigan, on December 18, 1956, at 7:30 p.m., in accordance with the following resolution that was offered, supported and unanimously carried at the regular meeting of the Council of the Village of Grosse Pointe Shores, held November 20, 1956.

WHEREAS, it appears advisable and in the best interest and for the public safety and welfare of the Village of Grosse Pointe Shores to vacate, discontinue and abolish that portion of Edgewood Road 60 feet wide, lying between and immediately adjacent to Lots 93 and 113, Lake Shore Grove Subdivision No. 2, a subdivision of part of P.C. 184, in the Village of Grosse Pointe Shores, Wayne County, Michigan, according to the plat thereof recorded in Liber 75 of Plats, Page 99, Wayne County Records, extending from Ballantyne Road in a westerly direction to the boundary line of the City of Grosse Pointe Woods and the Village of Grosse Pointe Shores, a distance of 100.00 feet on the southerly side and 100.58 feet on the northerly side;

Reserving, however, to the public from such vacation proceedings an easement 6 feet wide in, upon, along and across the westerly portion of the above described portion of Edgewood Road, the same being an extension of the easement shown on Lots 93 and 113 of the plat of said Lake Shore Grove Subdivision No. 2, and reserving, however, to the public from such vacation proceedings, an easement 30 feet wide in, upon, along and across the northerly portion of the above described portion of Edgewood Road, from Ballantyne Road extending westerly to the 6 foot easement hereinbefore described, for public utility purposes, and does hereby fix and appoint a time for Public Hearing to be held in connection with the proposed vacation of that portion of Edgewood Road above described, to be held on December 18, 1956, at the Municipal Building in the Village of Grosse Pointe Shores, at the corner of Vernier and Lake Shore Roads, at 7:30 p.m., Eastern Standard Time, when they will meet and hear any objections.

BE IT FURTHER RESOLVED that notice of such meeting, with a copy of this resolution, shall be published in the Grosse Pointe News, a paper of general circulation within the Village, twice prior to such hearing and that a copy be mailed to the City of Grosse Pointe Woods.

Clifford B. Loprang, Clerk

SUMMARY OF MINUTES
REGULAR MEETING
 November 19, 1956

Meeting was called to order at 8:00 P.M.

Present on roll call: Mayor William F. Connolly, Jr., Councilman William G. Butler, William G. Kirby, Richard L. Maxon, Neil S. McEachin and Edward C. Roney, Jr.

Absent: Councilman George S. Lang.

Minutes of the following meetings were approved as submitted:

Regular Meeting November 5, 1956.

Adjourned Hearing-Zoning Board of Appeals, Case No. 83, November 5, 1956.

Board of Canvassers Meeting November 8, 1956.

The Council meeting adjourned to sit as a Board of Appeals to hear the cases of (a) E. A. Romska, Jr. and (b) Albert D. Thomas, Inc.

The Council meeting was reconvened.

After hearing from citizens and considering letters for and against the fluoridation of the City's water supply, it was moved and supported that fluoride not be added to the City's water supply.

A communication was received from Mr. Joe Cox, 280 McKinley Avenue, relative to sewer trouble apparently caused by blockage at the main sewer. The Acting City Manager was authorized to excavate for the purpose of inspecting the sewer, and if the blockage is found to be between the property line and the owner's house, the owner would be responsible for the repairs, otherwise the City would assume and make necessary repairs.

Reports of the Police and Fire Departments were received and ordered filed.

The auditors financial report of City funds for the period ending June 30, 1956, was received and ordered filed.

Action on the Acting City Manager's recommendation to employ Mr. Benjamin Long, for the continuance of the codification of City ordinances, was deferred pending an opinion by the City Attorney.

The bill of Dykema, Jones & Wheat, covering professional services from October 12, 1953 to September 30, 1956, was approved.

The claim of Mr. Emmet E. Tracy, 54 Kerby Road, covering cost of repairs to his sprinkling system, damaged by the installation of the Grosse Pointe Blvd. sewer, was approved.

Action on the installation of street lights in Convent Subdivision No. 2 was deferred pending a further review by the Detroit Edison Company.

The installation of street lights in the Fuger Subdivision was approved.

An offer to sell to the City the northwest corner of McMillan and Kercheval for parking purposes, was rejected.

Refund of a deposit for the completion of the improvement in the Richard M. Kimbrough Subdivision was approved.

The final bill of Ward & Van Nuck Inc., for recapping and sealing certain City streets, was approved.

The Acting City Manager was requested to meet with Mr. Stranahan, representative of certain Public Works employees, relative to their request for a reconsideration of the Council's action on wages and to report to the Council.

Approval was given to prepare plans and specification and obtain bids for certain dredging at the Pier Park.

The Council determined that employees who left the employ of the City after July 1, 1956, were entitled to the retroactive pay increase adopted by the Council, November 5, 1956.

An amendment to the Firearms Ordinance, read at the meeting, was laid on the table pending a public hearing to be held on December 17, 1956.

The promotion of George Van Tien and Ignatius Backman to the rank of Sergeant, and the employment of John J. Farley on a probationary basis in the Police Department, was approved.

The meeting adjourned at 10:00 p.m.

DAWSON F. NACY, WILLIAM F. CONNOLLY, JR.,
 Acting City Clerk. Mayor.

EX-PREMIER IMRE NAGY of Hungary, was accused by the Soviet puppet Government of Janos Kader of condoning the killing of the Communists and the resistance of the Hungarian people against the Soviet Army. Kadar said that because he had promised Nagy immunity, the former premier was permitted to seek asylum in Romania. Kadar said it is better that Nagy "disappear for a while." The Belgrade (Yugoslavia) news paper, Politika, said that Kadar's attempt to make the Hungarian people believe that Nagy had gone to Romania at his own request was "naive."

City of Grosse Pointe Notice of Public Hearing Proposed Zoning Ordinance Amendment and Codification

Notice is hereby given that, by direction of the City Council of the City of Grosse Pointe, a public hearing will be held at The Grosse Pointe Neighborhood Club, 17145 Waterloo, Grosse Pointe 30, Michigan on December 17, 1956 at 7:30 p.m. for the purpose of considering the following proposed amendments to the Zoning Ordinance of the City of Grosse Pointe:

1. It is proposed to amend Section VII of said Ordinance, which is entitled "Local Business Districts" to permit, in addition to the uses therein provided, the erection and use in Local Business Districts of modified terrace dwellings, by which term is meant a series of attached private housekeeping units separated from one another by common or party walls and composed of three (3) to twenty (20) attached one-family housekeeping units, not more than two (2) stories in height.
2. It is proposed that in the development of that portion of the property between Neff and University known as the Staelens Farm and which lies within the Mack Avenue Local Business District with modified terrace dwellings as defined in the Zoning Ordinance, such modified terrace dwelling development may be permitted, in the discretion of the City Council upon presentation of final plans and specifications to extend not more than 20 feet into the Open Public Parking District immediately adjoining such property on the south, provided that adequate provision is still made for off-street parking of automobiles and provided that water and sewage services are not endangered.
3. It is proposed that the Zoning Ordinance of the City of Grosse Pointe, as amended to date, be codified and re-adopted, after a public hearing, by the City Council, with such further amendments as the City Council may deem appropriate and may duly adopt after further public hearing. The proposed codification eliminates provisions for stables and livestock within the City limits; clarifies certain existing provisions to conform to administrative interpretation; redefines automobile parking spaces to accommodate current enlarged automobiles; increases certain off-street automobile parking requirements for new buildings to be constructed; imposes some minimum space requirements for new residential construction and eliminated kindergartens and day school uses from those currently permissible among special uses for certain properties in Residence B. Districts. Copies of the proposed codification are on file at the office of the City Clerk and may be inspected there at any time during regular business hours.

Set Exam Dates For Coast Guard

Representative Louis C. Rabaut (D. Mich.) has announced that the competitive examination for entrance to the U.S. Coast Guard Academy will be held nationwide on February 25 and 26, 1957. This examination will be given in Detroit.

Representative Rabaut emphasized the opportunity offered young men who choose this four-year course which leads to a bachelor of science degree and a commission as a career officer in America's oldest sea-going service.

"There are no appointments or geographical quotas for entrance to the Coast Guard Academy," he said. "I urge all qualified young men who are interested in a worthwhile profession to write for details and applications as soon as possible to U.S. Coast Guard Headquarters, Washington 25, D.C. Applications must be postmarked on or before January 15th."

A candidate for the next examination must be single, must have reached his seventeenth birthday but not his twenty second birthday by July 1, 1957 and must be in excellent physical condition.

A high school diploma is the minimum educational requirement, although high school seniors assured of being graduated by June 30 are eligible to take the examination if they will have at least 15 credits by that time. All applicants must have three units of English, two of Algebra, and one in Plane Geometry by graduation.

Devil Basketball and Swim Teams Set To Open Seasons

The winter sports program is just around the corner at Grosse Pointe High with the Blue Devils set to play host to a couple of non-league opponents.

Coach Howard MacAdam's Blue Devil cagers will tackle Dearborn on Friday, November 30, and Coach Alex Canja's swimming team will host Birmingham. Both opponents were the lead-off candidates on the Pointers' schedules last year and both suffered defeats. Coaches MacAdam and Canja are hoping for a repeat performance this season.

Two Veterans Injured

Coach MacAdam is keeping his fingers crossed and rightly so. Two of his veterans, Mark Murvay and Kenny Gutow, have suffered injuries during recent practice sessions and may miss the opener.

A full scale practice game last week between varsity members, who made up the Blue and Gold teams, was won by the Blues, 72-60. The score at half-time was in favor of the Blues, 35-33.

The Blues' starting five consisted of Mark Murvay at center, Tom Woodruff and Bruce Boardman at forward positions, Ronnie Fine and Kenny Gutow at the guards. All are veterans from last year's varsity except Woodruff, who has shown up well in practice and stands a good chance of gaining a starting berth.

Price to See Action

Playing for the Gold team was Todd Price at center who, because of his height, will see plenty of action as Murvay's

Club Cage Loops To Open Season

The Midget and Giant Basketball Leagues will open the 1956-57 season next Monday, December 3, with a triple header. The Midget League will get underway at 6:45 p. m. with the Kiwanis and Lions meeting. This game will be followed at 7:30 and bring together Rotary and Exchange.

The Giant League competition will commence at 8:15 with the Falcons and Celtics matching wits and talents.

The combined Midget-Giant Leagues will be under the able direction of George Neirinek.

Grosse Pointe Lions Win Chick Bowl Thriller

Staging a Frank Merriwell finish, the Grosse Pointe Lions squeezed out a 13-6 victory over the home team, Clayton, in the "Chick Bowl" game played at Vineland, New Jersey, last Saturday, November 24. Members and coaches of the victorious Pointe Little Football League team were, from left to right, top row: Coaches—WOODY WILSON, GEORGE VERDONCKT, MURRAY ROBERTSON, KEN BALDWIN, TONY BRANOFF, WALT LUDEKE, 2nd from top: MARK LONESK, student manager; ED. HARRISON, PAUL KEISWETTER, ED OLDANI, KEN BALDWIN, BILL STOCKARD, JOHN NAGELY, CARL HALLER, JACK STEPHENSON, BOB CRAIG, BILLY LYNN, BOB SMART, LAR-

RY ZASTROW, TOM MULLEN, BOB SHERWOOD, 3rd from top: LARRY LINK, BILLY TAPERT, TOM PHILLIPS, BOB MOORE, DANNY TELEP, BILL STEVENSON, TOMMY THOMPSON, CRAIG THOMAS, JOE REED, DELMAR HURD, RON BOLDEN, DAN COOK. Bottom row: WAYNE SHEHAN, RICK KENDALL, JOHN GUILLAUMIN, PETER ALANDT, JAY BUYSE, TOM BROWN, co-captain; JEFF GARBERSON, co-captain; LEN GEORGE, TOM PEEBLES, WOODROW WILSON, GERALD YOUNG, WALLY AUCH. Missing from picture: Stan Landau and Carl Vertregt.

Genova Picked For Star Eleven

Big Nick Genova closed out his high school football career with a flourish when he gained a berth on the All Suburban "Dream Team" selected by The Detroit Times last Saturday, November 24.

Genova comes by his honor through his stellar play in the Blue Devil forward wall which was one of the best Class A defensive units in the State this past season.

A smart, alert, strong tackle, Genova was what one might call the bell cow of the Blue Devil line. It was he who repeatedly rallied the Devil linemen in crucial defensive stands which was the hallmark of the Pointers' successful 7-1 season which gave them third place rating behind co-suburban champions East Detroit and Fordson in the State class A standings.

Nick was also selected on the All-Border Cities League team along with teammate Ron Wortman, a guard.

Probably the most underrated and overlooked player in the State was halfback Kenny Gutow. If anyone was deserving of honors it was Gutow. Not a flashy player Gutow could be depended upon in the clutch and time after time rose to the occasion to thwart serious threats to the Devil supremacy in both league and non-league contests.

Of the eleven players selected, four were from the tough Border Cities League. Fordson placed end John Peretto and guard Peter Peponis along with tackle Nick Genova. Highland Park placed fullback John McMeekins on the team. Others selected were: guard Jim Larkin of Waterford; center Jerry Morrow of Allen Park; tackle Howard Hollister of Livonia; Bentley; end Eugene Picard of East Detroit; backs Gary Ballman of East Detroit; Willie Fleming of Hamtramck and Ronald Brewer of Southfield.

The All Border Cities League team was comprised of: ends John Peretto, Fordson, and Frank Jaciuk, Wyandotte; tackles Nick Genova, Grosse Pointe and Don Russell, Royal Oak; guards Ron Wortman, Grosse Pointe and Pete Peponis, Fordson; center Wesley Davis, Fordson; backs John McMeekins, Highland Park; Dan Galecki, Wyandotte; Ed Perpich, Fordson; Jerry Snider, Royal Oak.

Lions Win Game In Film Finish

The Grosse Pointe Lions borrowed their plot from a Hollywood script in winning their Vineland, New Jersey, "Chick Bowl" game over Clayton, New Jersey 13-6, on Saturday, November 24. Although they had played Clayton on at least seven terms throughout, the Grosse Pointers were on the short end of a 6-0 score with two minutes remaining in the game. Two quick touchdowns and a conversion followed to save the day.

Clayton scored in the second period when Victor Jackson passed for seven yards over center to Eddie Williams. With five minutes remaining in the game, Clayton threatened again when they drove to the Lions' three yard line.

Skip Bolden met a Clayton attempt to turn his end with a thundering tackle, producing a fumble that Linebacker Carl Vertregt recovered on the two. On the first play following the fumble recovery, Fullback Craig Thomas raced to midfield. Thomas alternated with Tailback Jeff Garberson in consistent gains to carry to the three yard line. Thomas punched over for the touchdown to tie the game. The attempt for the extra point failed by inches and the game seemed certain to end in a tie.

Grosse Pointe kicked off and Clayton took to the air in an effort to regain the lead. Their passing backfired, however, when Wingback Tom Brown intercepted at midfield. Craig Thomas fired a long pass to Brown to put the ball on the Clayton 15 yard line. After grinding to the seven yard line it was apparent that time would run out on the Grosse Pointers if they kept to the ground game.

With two seconds remaining the Lions pulled a double reverse with Tom Brown to Larry Link pass in the end zone for a touchdown and the 13-6 victory. Stalwarts of the defensive team were Ends Skip Bolden and Kenny Baldwin, Guards Gerry Young and Tom Phillips, and Linebacker Bob Sherwood.

The coaching staff reports the 41-man squad had a most enjoyable experience in Vineland and are most grateful for the hospitality they enjoyed there. The lads were the guests in the homes of local football players and were supervised by the five man coaching staff and about a dozen Grosse Pointe parents who made the trip.

Recreation Pin Team Picks Up

In the Grosse Pointe Business Men's Bowling League, only one team made a sweep of its match. G. P. Recreation was the victor over the C. Miller team. Jack Baker led with a 597 series and nary a 500 score for Miller's.

The Bruce Wigle team continued their winning ways as it edged the Cox and Baker outfit. Wigle won the first game by 6 pins, tied in the second, won the third by 13 pins and total

by 19. Bob Kehrer rolled 588 for the winners and Pete Gracey the night high of 602 for the losers.

The remaining matches all resulted in three-to-one margins as Lochmoor took the measure of Adam Simms, Belding over City Glass; and Revere whipped Marv Boutin.

200 scores included Pete Gracey, 226, 209; Dee Williams, 219; Russ Blauser, 218; Tom Kelley, 214; Jack Baker, 211; Bob Kehrer, 209; Al Bell, 206; Herb Miller, 206; John Payne, 202; Chas. Nash, 201; John Blough, 201; Don Bayhan, 201.

Johnson Vies for Berth On Beloit Cage Team

Dave "Stretch" Johnson, former Blue Devil cage star, is currently making a determined bid for a varsity starting berth with the Beloit College basketball team.

Johnson will best be remembered for his stellar rebound ability when he was a member of the 1952-53 Blue Devil varsity.

Since leaving Grosse Pointe High the 6-foot 6-inch Johnson has played with the Beloit freshman team and has been a member of the varsity for the past two seasons as a reserve player.

Boat Banter

By Fred Rumrells

Now that the sailing season has definitely reached its climax, the "wheels" are beginning to roll in preparation for the 1957 season. Meetings, elections, meetings and a couple of parties tossed in just to break the executive monotony are on the upcoming schedule of events in the clubs of the Detroit River Yachting Association.

Starting it all off was the election of flag officers at the Detroit Yacht Club early in November which we reported in an earlier issue. However, just to refresh your memory Howard Cook became commodore; Charles "Tommy" Freddie Jensen, rear commodore.

At Windmill Pointe Yacht Club Bob Warren was elected commodore; Jack Conley, vice commodore; and Douglas Gladstone, rear commodore. Ray Hohl is still treasurer and Homer Alverson became club secretary at the annual election meeting held November 6. DYC Commodore and Mrs. Howard Cook along with the other flag officers were hosts to the members of the press, radio and TV at a dinner held at the club on Tuesday, November 20. It was just a good old fashioned informal get-together and everyone had some sort of a speech during the evening.

A couple of the guests really let their hair down and publicity director Hubert Roy made note of the constructive comments. It was a really good party and vice commodore Tommy Tompkins, a Pointer incidentally, promised another party when he becomes head man at the big club on Belle Isle.

Bayview Yacht Club will honor its 1956 champions at its annual Winners Dinner at the Club on Thursday, December 6. The Detroit River Yachting Association will hold its annual election meeting at the Detroit Boat Club, Friday, December 7, at 8 p.m. Dinner reservations are available by calling the Boat Club manager.

Inter-Lake Yachting Association annual election at the Mayflower Hotel in Akron, Ohio, on Saturday, December 8, holds particular interest for the local tars this year. Frank Martin, past commodore of Edison Boat Club and the DRYA is slated for commodore and Buell Doelle, past commodore of the Detroit Boat Club is reported to be one of the candidates for rear commodore.

As one non-commodore remarked "The way the constitution is set up it's the only democratic way to perpetuate past commodores."

Others are of the opinion that the present practice does not pick the best of the past commodores because the constitution dictates that the nominating committee (composed of one delegate from each member club and the executive committee of past DRYA commodores), must, whenever practicable, follow the rotation of clubs.

Genlemen, there are rumblings on the horizon and this might be a good time for the executive committee to sit down and analyze the situation before it's too late.

Men's weaknesses are often necessary to the purposes of life. —Maurice Maeterlinck.

Austin High Expects Big Court Year

By Thomas V. LeClerc
Austin-11th
As the exciting game of basketball takes over the sports spotlight, followers of Austin

Catholic are expecting big things from their team which is favored to capture the Central Division title for the second straight year.

Having lost only two players through graduation from last year's squad, which reached the finals of the Catholic City Championship tournament, Friar coach Charles Hollosy is also looking forward to a very successful season.

In Seniors Tom Stumb and Don Messing, Hollosy has probably the finest pair of guards that can be found on any team in the city. Stumb, who has been elected co-captain along with Messing, made practically every All-City team that was chosen last year. Messing, a tremendous play maker, was

selected on the All-Catholic second team. They are capably backed by Senior letterman John Brecht, and Juniors Paul Miller, Paul Kasper and Ted Hinz, who were members of last year's junior varsity, which was the Catholic J.V. City Champion.

At one of the forwards is another boy with great potential, Dave DeBusschere, who last year, as a tenth grader, made All-State honorable mention. In his junior year, DeBusschere stands 6 feet 4 1/2 inches tall and can dunk the ball with either hand. He is an outstanding rebounder, and possesses an almost unstoppable jumpshot.

Five Seniors are waging a spirited battle for the two remaining spots on the first team which were vacated by Kip Anderson and Leon Felcyn, now members of Austin's first group of alumni. Dick Ruprich and Bob Sheehy have height in their favor; both are 6-5.

Ruprich played an abbreviated schedule last season, missing about half of the games because of a broken kneecap. However, he seems as strong as ever now and along with Sheehy, who has been developing very rapidly, should give the Friars good rebounding strength.

Tom Denome is a strong-legged sharpshooting six-footer and 6:1 Gary Mettie, better known as one of the best pitchers in prep baseball circles, has a very effective left-handed jumpshot. Warren Carr, 6:3 and weighing over 200 lbs., provides the team with good weight under the boards. The Friars are also fortified by Juniors Mike Yellich, Russ Schoenher, and Dan Dryer, and Senior George Nickson, all J.V.'s last year.

Two new non-league opponents have been added to Austin's schedule this year. Both Hamtramck and Catholic Central should provide powerful opposition. The Friars open their season at home on next Tuesday, December 4, against a non-league team, Servite, who last year upset them, 47 to 42, their only regular season loss.

December 7 marks Austin's first league contest, at De La Salle.

Wayne State University's Tartar Field is getting a good workout these days. In addition to the regular afternoon practice sessions of the Tartars, the Detroit Lions are also using the field in the morning. The Lions will stay at the field until the end of the football season.

Upsets Feature Church Pin Loop

Many upsets took place when the Grosse Pointe Presbyterian Bowling League last met, with the lower placed teams taking the upper half and bunching the standings.

Clint Smith, B. Bockstanz, Al Ritters, and Oscar Richards scored four-point sweeps over their luckless opponents.

Turkeys were awarded to Russ Livermore, Jim Alexis, Joe Schwen, Russ Neary, Joe Rouse, Ed Radius, Jim Mari, Clint Smith, Theron Taylor, Ben Bockstanz, Win Lancaster and Oscar Richards.

'Chalk Garden' Coming to Cass

One of the most brilliant and distinguished successes of last season on Broadway, and currently repeating its triumph at the Haymarket in London, is Enid Bagnold's play, "The Chalk Garden," starring two great American actresses, Judith Anderson and Ruth Chatterton, which will open a six-day engagement at Detroit's Cass Theatre on Monday evening, December 3, with matinees on Wednesday and Saturday at 2 p.m.

This is the first original play of Miss Bagnold's to be seen in this country. Two of her novels not only attained fame here: "Serena Blandish" and "National Velvet," but the former was adapted by S. N. Behrman into the stage hit of the same name, and the latter became a hit film which introduced Elizabeth Taylor to the screen.

Produced last season in New York by Irene Mayer Selznick, "The Chalk Garden" was greeted with acclaim, and it is by arrangement with her that Choate & Rosen and Randolph Hale are guiding the transcontinental tour.

To Miss Anderson, known heretofore mainly for her highly dramatic and tragic roles, falls the part of the provocative, fascinating Miss Madrigal, who not only knows about gardens but people as well. An unusual role for Judith Anderson, perhaps, but she plays it with her usual brilliance and stresses the comedy aspects of the play. Miss Chatterton is playing the role of Mrs. St. Maugham, the mistress of the manor who is frustrated in her attempts to raise flowers in chalk soil.

Featured in the company are Frederic Worlock, Stanley Bell, Deirdre Owens and Rosemary Murphy. Albert Marre, who directed the New York presentation, guided this company, and the scenery and costumes are by the gifted Cecil Beaton. "The Chalk Garden" will play here from Monday, December 3 through Saturday, December 8.

BRUCE COLEMAN HEADS AFROTC PROGRAM AT UM
Bruce Coleman has recently been appointed to the position of group commander in the Air Force ROTC program at the University of Michigan.

This position carries the rank of cadet lieutenant colonel and entails organizing and leading the drill activities of over 100 cadets. It is his job to maintain high standards of military learning, courtesy, discipline, and personal appearance of the cadets in his group.

Cadet Coleman, a senior in the engineering school, is majoring in industrial engineering. Upon graduation he will receive a commission in the Air Force as a second lieutenant. He will then enter the service and go into flight training.

Bruce is the son of Mr. and Mrs. Kenneth Coleman, of 1263 Hampton road.

Some food fanciers will go to any lengths to wrap their tongues around the tasty morsels they remember from childhood. While MR. and MRS. ROBERT HAYES, of Whittier road, were vacationing at the Homestead in Hot Springs a week or so ago Mr. H. sampled some old fashioned Philadelphia scrapple.

Determined to enjoy his long sought favorite breakfast fare at home he negotiated with the hotel chef to wrap him up five pounds of the stuff. This was duly transported, carefully preserved in ice, on the long train ride home. After tipping the chef for the scrapple, paying the not inconsiderable freight charge, the Hayes discovered on arriving home they had forgotten the toothsome food.

Off went a taxi to the station to pick up the precious parcel. All in all that five pounds of scrapple cost some \$57, so let's hope Mr. H. really savors it.

TRACY HEENAN, young daughter of the EARL I. HEENANS, of Touraine road, stole all eyes at the wedding last week of her uncle PALMER HEENAN to JAYNE HOUSEAL. A very Vogue-like miss she was, in her severely smart black velvet frock collared in white lace with a plain black velvet band securing her shoulder length blond tresses. The very picture of what the well dressed seven-year-old is wearing this season.

The wedding was also the meeting place of three devoted young Republican politicians, ROCKWELL T. GUST, ROBERT WALDRON and RICHARD DURANT.

Now that Little League football heroes have hung up their spikes till next fall, the SYDNEY TERRY'S Cambridge road home can settle down to normal. Young MARK was a gridiron favorite these past months and football came first. When the phone rang he was heading the lineup to answer, then mamma and daddy and four sisters and brothers had to observe absolute silence when the awesome words were heard, "Yes, Coach."

Look alikes in younger editions . . . Henry Earle for conductor Leopold Stokowski. He's an avid classical record fan too. Mrs. Robert Koebel, a dead ringer for Joan Bennett when she appeared here on stage in those summery bouffant frocks in "Janus."

PILFERINGS

The reporter yelled into the phone to the editor. "This storm is something awful. The wind velocity is almost 100 miles an hour. The rain blinds you. The floods are high. Boss, I tell you it's no night for man or beast."

"Great!" shouted the editor. "I'll send two photographers to cover it."

You may as well expect pears from an elm . . . Cervantes.

No man ever wetted clay and then left it, as if there would be bricks by fortune . . . Plutarch.

The lady walked haughtily into the restaurant with her dog and sat it down on the chair beside her. Then she started talking baby talk to it. "Mama tisy, bitsy, baby, mamsy won't hurt you."

The waiter asked, "Your first dog, madam?"

Some men make their mark in the world, while others learn to write their names.

Telling a modern bride what a wife should know is like giving a fish a bath.

Nowadays everything in the modern house is operated by switches except children.

After a hard day at the office, a man went home to his wife and cute little three-year-old daughter.

"Have you a kiss for Daddy?"

"No."

"I'm ashamed of you. Your Daddy works hard all day to bring home a little money and you behave like that. Come on, now, where's the kiss?"

Looking him right in the eye, the three-year-old said, "Where's the money?"

Hubby sneaked home at 3 a.m. His angry wife met him at the door. "So . . . home is the best place after all," she snorted.

"I don't know about that," the mate replied, "but it's the only place open."

Pointer of Interest

JOHN SWEENEY III, of Mack avenue

By Pat Talbot

It takes courage to remake a life that has been dedicated to the concert pianist's stage and find satisfaction and success in another musical role. John Sweeney is doing just this and spending little time raging against an unkind fate.

When five years old, his teacher realized he was a prodigy and at 13 he was giving his first piano recital. A student at the old Grosse Pointe Country Day School he shared dreams with classmate Julie Harris, destined to be a Broadway star.

When he was 17 he played with Karl Kraeger, then conductor of the Detroit Symphony Orchestra and the future looked very bright for this young artist who had developed his talent in the rough and tumble atmosphere of a normal growing schoolboy.

Concert Pianist

In 1946, after wartime service in the Navy, Mr. Sweeney became a staff pianist with the Detroit Symphony, a position he held for six years, as well as appearing frequently as a soloist on radio and in the concert hall.

Detroit critics' reviews of his worked are topped by the acclaim of experts from Paris and London where he was also hailed as a brilliant performer.

While traveling on the Continent in 1952 this glowing world was shattered when he suffered an attack of polio which affected his left hand.

Since that heart breaking summer he has spent months in therapy but has never been able to play again. After some months convalescence, with quiet determination, he began his life again right on the pages of the Grosse Pointe News as a columnist.

Reporter's Life

From our editorial offices he went on to the Times and became a reporter on general assignment, a job he handled with competence and enjoyment for two years.

He covered most of life's everyday tragedies, murders, hold-ups, desertions, and some of the happier moments as the story of Mrs. Charles Diehbel, of Mt. Pleasant who received floods of money in the mail, as a result of comedian Gary Moore suggesting on his TV show that everyone send her a nickel.

Reportorial success was not the final answer and he began studying with Victor Kolar, believing that his real life was in music, and wanting to conduct.

This past year he has worked diligently to organize the Mt. Clemens Symphony Orchestra which he will conduct in its first concert January 26.

We will be able to hear Mr. Sweeney conduct our own Symphony in a performance at Parcels School Auditorium December 2.

Unique Studio

The artist lives and works fittingly in one of the historical landmarks of Grosse Pointe, the old red brick schoolhouse on Mack avenue, which is the oldest public school standing in Wayne County.

It also served as a church and has an interesting steeple with a bell. In this studio he teaches piano and conceits gourmet masterpieces for his guests.

His favorite menu is entrancing; escargots (those are snails

and invites more local musicians to the rehearsals at Pierce High School every Wednesday night at 7:30 o'clock. The orchestra is always looking for players, and right now there are no trombones. They need a tuba player badly, too.

His plans for the future include more study, more teaching and more conducting. His enthusiasm for the newly formed symphony in Mt. Clemens is infectious and his warmth and sincerity are tremendous evidence of the inspiring battle he has fought to continue in the musical world which he loves.

He urges us all to attend the December 2 concert where we will hear artist of great talent, John Creighton Murray, violin soloist from New York, fresh from triumphs in Mexico.

It is as rewarding as it is rare to find an artist such as Mr. Sweeney who has sub-merged his own personal

Continues Writing

Mr. Sweeney continues his writing career with a weekly column for the Times on recorded music and hi-fi, called "Sound Waves."

He is very pleased by Pointer's interest in the symphony

LEMON ANGEL HALOS

Sift together: 2 cups flour
1 tsp. salt
1 tsp. soda

Cream: 3/4 cup shortening
1 cup brown sugar

Add: 1 tsp. vanilla
1 egg; beat well

Blend in dry ingredients and mix well. Chill while preparing meringue and filling.

Beat 3 egg whites until foamy. Add 3/4 cup sugar gradually, beating thoroughly after each addition until meringue will stand in peaks. Blend in 2 tsp. lemon juice, beating again until meringue forms peaks. Shape chilled dough balls, using one level teaspoon of dough for each ball. Place on ungreased baking sheets. Flatten to 1/8 inch thickness. Place one rounded teaspoon of meringue on each cookie. Hollow the center of each with back of teaspoon dipped in water. Bake in slow oven (300 degrees) 10 to 12 minutes until cream colored. When cool fill each meringue nest with 1/2 teaspoon of lemon filling.

Lemon Filling

Combine 3 slightly beaten egg yolks, 1 cup sugar, 1/4 cup lemon juice and 1 tsp. grated lemon rind in saucepan. Heat to boiling, stirring constantly. Remove from heat, add 3 tbs. butter; cover and cool.

In our opinion, Herb's, George's and mine, the finest game for all the family - ages 10 to 109. A GAME OF SKILL! 14.95

A fast game in which any of the individual players can drive the steel ball into the opponent's goal, unless good defensive play blocks the shot. The rink is 36" x 14" and set in a 4" wood frame. Players manipulate knobs to make players shoot. Goalie slides back and forth to protect entire goalmouth. As in real hockey, it takes dexterity and fast reactions to score.

Pointe Counter Points

By Peggy Mesritz

For under the mistletoe or any other happy occasion, Healy's would clothe you in a swirling skirt . . . flattering circles of orange and gold or white and gold . . . a gay, bird of paradise pattern on white . . . a swish of quilted black taffeta or a brown wool embroidered with silken chess pieces in ecru. For the upper story there are black and white blouses a—sparkle with silver threads, black velvets or silks in a variety of styles or the ever-adaptable trimmed cashmeres. Just across from that gay counter of coordinates is a please-every-taste assortment of tailored sport shirts—prints, stripes, solids and plaids—button down, button up, unbutton—short, three quarter or long sleeved, cotton, dacron or viyella. They are definitely stocked in style at D. J. Healy's in the village . . . don't forget men's night Monday, December 3 from 7 p.m. until ???

Double attraction: Magnetic money clips, a handsome pair of diamond shaped bars made of gold fill, linked with a gold chain and ready to receive the initials of any man with a dollar to cherish. To be found at S. Stein & Co. in the village (another men's night drop in center).

When an ex-marine and a booted Texan decide to tackle your problem—it gives a girl confidence. Leon, of the Farms, and his assistant, Lee Russell, attacked the permanent problem. After long experimentation with various methods, they have brought the synco-jet permanent to the Farms. Invented in the West, this new technique reproduces a natural curl by applying nature's methods. The hair is rolled from the scalp out rather than from the ends up. The winding is done with alternating tension on specially constructed plastic cylinders with tiny bristle inserts. For investigating this innovation, — the telephone number is TU. 2-6160.

While whuffling among the perfumes at Trial pharmacy, we tracked down a mysterious new scent. A strictly expensive way to say Merry Christmas but guaranteed to overwhelm. Another delightful new comer to the perfume world is an eau de cologne by Christian Dior, Fleur Fraiches . . . at Trail's on the hill.

The cyclamens at Charvat's greenhouse are patiently waiting for the holidays. The plants are a speciality of the shop and this year's crop are heavily budded beauties in the deep pink shade. For Christmas all year long, you might think of part-ridge berries; self supporting plants of red fruits and compact leaves that bloom and bloom inside of covered bowls. Charvat's headquarters are . . . 18590 Mack Ave.

In the wishful thinking corner of every woman's heart there is a bag, a handsome, leathery, important bag. Margaret Rice on the hill has a collection of them, tailored to every taste. For the traveler, there's a large, black, square carryall with efficient compartments and a hand tooled look . . . elegant navy or black purses with time pieces cleverly fitted into their hides . . . others of antiqued leather or alligator in all colors and unusual laces with gold chain handles and gold monograms . . . at Margaret Rice's on the hill.

Merry-go-round music sets the Christmas pace at Irving's. In among the candy canes and snow bells you'll find a bountiful boutique of gift ideas. For those little remembrances on your list there are tiny decorative purses of plastic covered brocade in gold, blue, grey and black . . . A vast array of perfumes and colognes, Hattie Carnegie colognes, pink, blue, and green are beautifully packaged to match their names. Dior's line includes Diorama, Miss Dior and Fleurs Fraiche. There's an amusing hangerover bottle (refers to the shape) of sandalwood, a light, casual scent that comes in soap and bottle gift sets . . . Raphael's, Replique and Secon's Pique are in the line up . . . for the stars on your list there are jewelry ideas . . . pins and matching earring sets in simulated sapphire, turquoise, rhinestone, gold and pearls. Crystal, rhinestone and pearls combine to make an unusual necklace. Watches are there in a profusion of styles. One notable charmer has a band of gold and pearls and is tagged at thirty-five-dollars. P.S. Saturday, December 8 will be men's day at Irving's on the hill. Models from Leif Bergan's modeling school will animate the wares from 9:30 a.m. to 7:30 p.m. P.S.S. Women will be admitted as steering committee members.

Whether a man owns a ski-going wife or a walk-the-baby type, the Village Store on the hill has some warming ideas for men's night December 3. Hand knitted caps and sweats, some with Swiss embroidery, some with Austrian ski sweater motifs and some stocking caps with horizontal stripes to match the store's collection of long jean lingerie. There are embroidered sweaters and blouses with matching belts plus many snug styles in the glove cart.

As you know, Sidney Krandall recently opened a new headquarters of fine jewelry at Walton Pierce in the village. It is a place to find a really spectacular kind of present. Many of the pieces have an old world look, with more intricate details and fuller settings, these make perfect companions for this year's severe styles of bare tops and sheaths. For example, there's a pendant set, earrings, necklace and pin created of gold in a Tiffany settings with sapphires and pearls. One shelf holds collection of gold watches with plain and fancy bands, some with tailored faces others circled in pearls, all of them bearing conservative tags . . . at Walton Pierce in the village.

There's something in the air at the League Shop. An inviting fragrance called Trefle. It comes in atomizers or (as they use it in the shop) in a little cone shaped font to hang in any room for permanent perfumery. Another exclusive of the shop is a pattern of oven-to-table ware. True-color vegetable designs on casseroles, shirred egg dishes, many-sized platters and a sectioned hors d'oeuvre tray. Different, too, are the old fashioned glasses embellished with colorful emblems of old English taverns.

Kilgore & Hurd's window is geared to the outer and inner man this week. A pair of ski sweaters squared at the neck and decorated down the sleeves and at the pockets with a black bordered Austrian design . . . another in a grey knit with turned down collar and a touch of red . . . fleece lined boots for after skiing comfort. For the inner man there's a portable bar encased in leather that totes a pair of gay nimites quart bottles, there are glasses to go with it and a black, silver and gold tray to carry them on.

Miss Santa Claus will welcome the male population on men's night at the Camera Center. Under the Christmas costume will be Miss Detroit of 1955 equipped with a smile and a Land camera to take your picture-in-a-minute.—Milt Voken's Christmas gift to you and you and you.
