Forty-nine "Men of the Year" were honored at the Detroit Athletic Club at 7 p.m. Wednesday, January 9.

These men are the leaders in 49 life insurance agencies within the metropolitan area of the City of Detroit. Their managers are playing host to show appreciation for the millions of dollars of life insurance security they helped people obtain.

Students Win High Honors In National Competition

Nine seniors at Grosse Pointe High School have been named finalists in the National Merit Scholarship competition, according to Principal Walter R. Clemenson. The local students are among the 7,500 highest scorers on a nationwide college aptitude examination given to 162,000 seniors in 12,500 high schools on October 24.

The Grosse Pointe High School finalists are Ruth A. Craig, Cora J. Palmer, Patricia D. Hawkins, Mary Jane Smothers, Roger W. Kolvoord, Ronald E. Fine, Warren A. Appel, Richard M. Denise, and Richard M. Hulswit.

The finalists now face a stiff three-hour college board examination on January 12, plus intensive screening of their leadership and extra-curricular records by a selection board.

At stake are more than 700 four-year college scholarships, many of them sponsored by business and industrial corporations. Included are 100 Sears-Roebuck Foundation Merit Scholarships and nationwide programs sponsored by such companies and foundations as Pittsburgh Plate Glass, F. W. Woolworth, Standard Oil (Indiana), International Nickel, and many others.

The January 12 examination will be given in designated testing centers throughout the country, and at least 7,000 of the Merit Finalists are expected to survive this hurdle, according to John M. Stalnaker, President of the National Merit Scholarship Corporation.

"Every member of this group of 7,000 will have the highest potential to benefit from college training, and I wish only that there were Merit Scholarships for each of them. The response of business and industry in establishing Merit Scholarship Programs to help these students has been magnificent. But we will probably have 9 or 10 highly qualified students for every Merit Scholarship available."

In the final phase of the competition, the other accomplishments and the character of the competitors will be evaluated. About April 25, a fortunate 700 will become the Merit Scholars of 1957.

The runners-up will each receive a Certificate of Merit, attesting to their high ability; and all colleges and universities will be notified, enabling these students to be considered for thousands of other awards and prizes.

The 700 Merit Scholars choose the colleges they wish to attend. The value of each scholarship varies with the financial need of the student, ranging upward from \$100 per year (minimum honorary) to \$2,200 per year or more.

The colleges chosen by the Merit Scholars will receive supplemental unrestricted grants averaging \$2,000 per scholarship (over the four years) to help defray the actual cost of educating the students.

The Merit Scholarship Program is now in its second year. It was established in 1955 through basic grants of \$20,500,000 from the Ford Foundation and the Carnegie Corporation of New York. The National Science Foundation and the Old Dominion Foundation have given funds for research work. In the first year, 556 Merit Scholars were named. They are now freshmen at 160 different colleges.

The program is designed to search the nation for those students most able to benefit from a college education, regardless of means. Once discovered, the students are supported in college by funds provided by business and industrial corporations, professional societies, and even individuals interested in helping students of high ability. Some 23 of these groups financed Merit Scholars in 1956, and over 40 business organizations are planning to support Merit Scholars in 1957.

The competition is open to any public, private, or parochial high school in the United States, Alaska, Hawaii, and Puerto Rico; and any high school senior may participate. Today's 7,500 finalists represent one half of one per cent of 1957's high

school graduating classes - the best in each state.

Also receiving similar honors was one student from the Convent of the Sacred Heart. She is Judith Mueller, daughter of Mrs. John H. Mueller of Deming lane.

Two students from St. Paul's High School have also been named to this select list. They are Sean Shaeffer and Terrence Hutton.

Four seniors at Grosse Pointe University School have also been named finalists in the National Merit Scholarship competition, according to Headmaster John Chandler, Jr.

The Grosse Pointe University School finalists are James G. Barnes, Judith A. Diekoff, Julie T. Pearce and James M. Stewart.

Youth Confesses Tire-Wheel Theft

Ronald Hughes, 18, of 8377 E. Outer drive, Detroit, has been charged with simple larceny by Woods police, in connection with the theft of a tire and wheel, and will appear before Woods Judge Don Goodrow on Saturday, January 12. He is under \$500 bond.

Hughes was arrested by Michigan State Police of the Cheboygan Post, on Monday, December 31, for a traffic violation, and when the tire and wheel was found in the trunk of his car, and it was apparent it belonged to a different make vehicle, the youth was held for further investigation.

At the Cheboygan Post station, Hughes admitted taking the tire and wheel from a car belonging to Thomas J. Mauer of 23146 Saxony road, East Detroit, which had been parked in front of a Mack avenue bowling alley.

Woods police called Mauer, who checked his car and found his spare wheel missing. He told authorities he was not aware it was gone.

An uncle went to Cheboygan to return the youth, who turned himself over to Woods police, and admitted the theft. He was released to his parents pending the trial date.

High School Music Groups To Give Concert Jan. 16

The instrumental department of Grosse Pointe High School is presenting the Orchestra, the Second Band and the Concert Band in a grand concert, on January 16, in Grosse Pointe High School's new auditorium-gymnasium at 8:15. Grosse Pointers are going to witness a "First" in musical history.

The orchestra, consisting of 40 members, will play "Andante Contabile," "Symphony in F Major," and a light tune entitled, "If I Loved You" from "Carousel."

The Second Band, made up mostly of new enrollees from the Junior Highs, consisting of 52 boys and girls, will play six numbers. Everyone will recognize Sousa's "King Cotton" and will enjoy to the utmost, "Pinocchio" as the band depicts his antics. For those with a popular ear, "Que Sera" will also be included.

The concert Band, made up of 60 more experienced players will present a Latin number called, "Maricombo." For the Dixieland lovers in the audience there will be, "St. Louis." Dick Denise and David Zuehke will present a clarinet duet called, "Nanipe." On the heavier side, there will be the "Romeo and Juliet Overture."

Tickets for this concert are available from any band or orchestra member or may be purchased at the door. The cost is 50 cents for adults and 25 cents for students.

A&P President Sees Big Year

Competition in the food business will reach a new peak in 1957, Ralph W. Burger, president of the Great Atlantic & Pacific Tea Company predicted.

"Intense competition is nothing new in the food business," Mr. Burger said, "and it has helped make Americans the best fed people on earth. It has benefited consumers in the past by leading to better stores, better food offered in more convenient form, and better values. It has benefited efficient retailers by challenging them to do an even better job. Competition can continue to benefit both consumers and retailers in the future if it does not lead to inefficient and wasteful practices."

Pointing out that more stores mean greater competition, Mr. Burger reported that more than 1,500 new super markets were opened in 1956, with about the same number either under construction or planned for 1957. Much of this expansion, he said, was designed to meet the needs of our growing population and to serve the large suburban communities developing throughout the country.

"More good food is available in this country than was ever available to any other people in history. This era of food abundance is one that every segment of the industry should work hard to preserve and improve in 1957."

Shores police are investigating the theft of an expensive coat which was taken during a New Year's Eve party held at the home of A. L. Damman, 842 Lake Shore road.

The theft of the coat, the property of Barbara Beck of 14871 Roselawn, Detroit, was reported by Miss Beck's mother, Mrs. Catherine Beck.

Shores Police Chief Fred Duemling said the party was given by Bud Damman, and that several strangers arrived uninvited at the affair.

The chief said that two other persons at the party, Henry Cornell of 1322 Maryland; and Earl M. Berry of Rochester, Mich., also had their coats stolen, but as yet they have not filed a formal complaint.

Special Issues To Go on Ballot

Woods voters will be given an opportunity to decide on a \$135,000 bond issue, for improvements in Ghesquiere Park, on April 1, date of the biennial spring election.

The city council approved placing the request for the sum before the electors, during a meeting held on Monday, January 7.

The sum represents the estimated cost of construction of a park comfort station, and recreational facilities, such as baseball diamonds and tennis courts and playground equipment.

Another request which might go before the people, is a bond issue for a new municipal hall, a badly needed building.

Mayor Kenneth Koppin called a special council meeting for Monday, January 14, at which meeting council members will sit with the architect and others to study the cost of the proposed new edifice and what steps to take in asking the people for their approval of the issue.

The first program will feature the film, "The Golden Twenties," a highly informative and entertaining documentary produced by Louis de Rochemont for the March of Time series.

The fields of politics, sports, business, entertainment, and just plain daily living are treated with vivid realism.

The moderator for the discussion which will follow the film will be Clark Wells. Mr. Wells is an active member of the Friends of the Grosse Pointe Public Library, serving this year as its program chairman.

Mr. Campbell, a former professor of history, is now dean of boys and field counselor at the Grosse Pointe High School.

Future films for the series will be chosen from the following: "Mahatma Gandhi—Twentieth Century Prophet," "The Pickwick Papers," "Annapurna, The Bicycle Thief," "World Without End," and "Passion for Life."

Friends' Film Forum will be limited to adults and college students only, as the programs will not be of interest to children.

How to Profit Through Tax Exemption

With today's high tax levels, investors in medium and high tax brackets are turning to tax-free Municipal Bonds for income that they can keep.

If you have a taxable income of \$10,000 or more, you may be well repaid by investigating the advantages of tax-exempt State and Municipal Bonds. For instance, if you file a single return on a taxable income of \$14,000, you would have to receive a dividend return of 7.45% on a taxable security in order to equal the yield from a 3.50% tax-free Bond. It's something to think about!

Scout Leaders Plan for Jamboree

The work of the Scout Council's National Jamboree Committee, so far as promoting the affair is concerned, will soon end as the Council quota of 560 boys and leaders will shortly be filled. To date over 500 registrations have been accepted.

The Committee had originally requested a Council quota of 1,000 boys and leaders, but no other Scout Councils across the country have released any of their assignments. The Jamboree, to be held at Valley Forge July 12 through 18 is the fourth affair of its kind. Other National Jamborees were held at Washington in 1937, at Valley Forge in 1950, and California in 1953. District Three leaders attended a dinner meeting as guests of Bohn Aluminum Corporation's president Simon D. Denuyl, Jamboree Committee chairman.

Escapes Injury As Bike Hits Car

Young Jerry Wayne O'Berski of 444 Chalfonte avenue, went into the Farms police station on January 4, to report the accident in which his motor bike and a car were involved.

He told the desk sergeant that he had been riding the bike west on Chalfonte and was approaching Kerby road when he saw a Packard stop at the intersection and then proceed into the intersection.

He applied the brakes of the bike very hard and went into a skid on the gravel along the curb. Jerry said the bike was either brushed by the car or fell over as a result of the skid.

J. A. Hartigan of Roseville, Michigan, driver of the Packard, stopped to see if the boy was injured. Jerry told him he was all right but a little disappointed because the windshield and front fender of the motor bike

were broken. There was no damage to the car.

Water Main Breaks on Hill

The Kercheval-on-the-Hill business district was left without water for about five hours when a water main at Kercheval, near Muir road, broke on Wednesday, January 2.

Murray Smith, Farms City Engineer, said the break was caused by extremely cold water, which caused the pipe to contract and snap. He said a crew of workers began repair work immediately after the break was discovered, and the water was shut off in the district for five hours, the length of time it took to fix the damage.

He said the cost of the repairs amounted to about \$400.

The pipe, a 12-inch main, was once part of the feeder line which served the City, a water customer of the Farms, Mr. Murray said.

League to Hear Conservationist

"Federal Aspects of Watershed Management, Soil Conservation and Flood Control" will be the topic of the talk E. C. Sackrider will give before members and guests of the League of Women Voters at the first general meeting of the new year in the library of the War Memorial Center on Friday, January 11, at 1 p.m.

Mr. Sackrider was appointed State Conservationist for the Soil Conservation Service for the State of Michigan in 1942. He is a native son of Michigan, and a graduate of Michigan State University. He joined the Soil Conservation Service in 1935, and was the first Project Manager of that agency in Michigan. He is a member of the Soil Conservation Society of America, and is active in the Michigan chapter and on national committees.

Friday's meeting will constitute the first step in a two-year study of "Conservation of Water Resources," one of the study items which was adopted at the League's recent national convention. For the purposes of study the subject has been divided into five parts: 1. How Federal money is spent in this area. 2. Pollution. 3. Water supply—watershed management. 4. Soil Conservation. 5. Forest Management—Flood Control.

Mrs. Clarence Kiebbe, chairman of the League's Conservation Committee, has invited as her special guest of the afternoon, Clarence Messner, Principal of Richard School. Mr. Messner has long been interested in all phases of conservation, and is a prominent member of the Audubon Society.

Mrs. Leonard Slowin, first vice-president of the league, will introduce the guest

Woods to Build Relief Sewer

The Woods council on Monday, January 7, agreed to expend \$2,474 for a relief sewer on Huntington boulevard.

The sum, which was the lowest of several bids for the project, will be taken from the municipal improvement fund. Resident in Huntington boulevard petitioned the city for relief from flooded streets and basements which have been plaguing their area.

The project entails the installation of a 15-inch sewer pipe along Huntington to Chesquerre Park, and will be started as soon as possible.

Following Europe, Mr. Murray played throughout Mexico and Latin-America, a tour which won him not only further praise as a musician, but the gratitude of the United States Congress where he was officially lauded in the Congressional Record for his excellent "good neighbor" services.

Not only had he played in the large cities but in the outlying villages as well, where he frequently played to the public without charge "leaving behind him a deep impression and an atmosphere of friendship."

Mr. Murray was enthusiastically received at Carnegie Hall, this past season. Pointers may purchase tickets to hear Mr. Murray at the Memorial Center, 32 Lake Shore, by mailing in reservations in advance accompanied by check. The cost is \$2.25 including reception refreshments and tax.

Winter Boosts Strain on Heart

Old man winter is with us officially, and according to the Michigan Heart Association, we had better give thought to "winterizing" ourselves...

"Too many people", says E. A. Irvin, M.D., Dearborn, President of the Association "fail to realize that winter can be very hard on hearts..."

Wearing heavy, bulky clothes, overshoes and rubbers, fighting icy winds, slippery sidewalks and snow drifts...

This advice applies particularly to those past 40 who may not be accustomed to strenuous exercise or undue physical exertion...

But, for all of us, young, middle age or elderly, the Michigan Heart Association, a United Fund Agency, offers the following suggestions...

- 1. Have a complete physical check-up by your family physician. 2. Do winter work and play at a pace which will not make you over tired. 3. Keep your weight down to normal. 4. Get plenty of rest. 5. Avoid infections.

POST GRADUATE A college education pays off only after the graduate completes the finishing school of experience.

Scooter and Car Figure in Crash

A 15-year-old Woods boy suffered minor injuries when his motor scooter collided with a car on Jefferson, at Pemberton, on Saturday, January 5.

The boy, a Park accident report said, was traveling east on Jefferson, when traffic came to a stop at a signal light at Pemberton and he slammed into the rear of a car, driven by George Bougis, 25, of 3349 Michael, Hazel Park.

The 15-year-old told police he was too close and could not stop in time to avoid hitting the car. He suffered abrasions of the face and one knee.

The boy was issued a ticket and his driver's license was held by police. He was ordered to appear in Juvenile Court on January 22.

Traffic Safety Program Devised

With the overall theme, "Back the Attack Against Traffic Accidents", a 10-program schedule of traffic safety education to combat traffic accidents in Detroit during 1957 was announced today.

Drawn up by representatives of the Detroit Police Department, the Department of Streets and Traffic and the Traffic Safety Association of Detroit, the various educational programs on the schedule will be linked wherever possible with enforcement efforts of the police and engineering projects of the Streets and Traffic Department.

The overall program is also co-ordinated with educational activities conducted in Lansing, Grand Rapids, Kalamazoo, Grand Rapids and many other Michigan communities.

Donald Slutz, managing director of the Traffic Safety Association, said that the program was devised to meet head-on the most critical accident causes and problems when they are at their peaks. It was drawn up after a careful analysis of Accident Prevention Bureau records and other pertinent traffic accident data, he said.

Slutz served as chairman of the committee which prepared the 1957 program, which is tied in with the "Back the Attack Against Traffic Accidents" theme being used in campaigns throughout the United States.

Windshield Fog Causes Crash

Steam-covered windows were blamed for an accident which occurred in front of 92 Moran road on Thursday, January 3.

A Farms police accident report revealed that Margaret Mary Meilink of 58 Moran, while driving north on the street, pulled over to permit traffic to pass, and struck a car owned by Katherine O'Connor of 16855 Livernois, Detroit.

The O'Connor car, which was parked, was hit in the rear left fender and the trunk.

The driver of the first car told police that her car windows were steamed, and that she had moved over to the right to avoid blocking traffic and to wipe the windows, when the mishap occurred. She did not see the other car, she said.

She was issued a ticket for not having her car under control and causing an accident. No injuries were reported.

Police estimated total damage to both cars at about \$550.

Don't Let Salt Kill Off Shrubs

Icy, snowy weather means that home owners will be looking for ways to prevent slippery walks and steps, yet avoid damage to nearby shrubbery.

Richard Pfister and Joe Cox, extension specialists in farm safety and landscape architecture at Michigan State University, say there are ways to have safe doorsteps and yet not "pickle" nearby landscape plants.

Sprinkle walks with finely ground salt mixed with sand. This will break up ice and prevent slipping while the ice is melting. Fine salt will be diluted quicker and as a result not be as injurious to plants as will concentrated rock salt.

When shoveling snow, dump it on the lawn rather than around shrubs, particularly if the salt content is high. It will cause less harm to grass than to shrubbery or evergreens.

If you have some leftover granular lawn fertilizer, it may be sprinkled on slippery walks to help make them safe. This fertilizer will be available to plants in the spring. However, be careful not to get this fertilizer too thick or on the foliage of plants as it will burn severely. Also, this fertilizer may track into the house and do damage to rugs. A shoe-cleaning mat at the door will prevent this from happening.

Of course, when possible prompt sweeping of snow from sidewalks will prevent ice formation, the specialists point out.

Another tip for reducing danger from icy steps is to leave porch lights turned on during times that visitors might be arriving.

March of Dimes Workers Needed

In spite of the effective work done by the Salk vaccine the fight against polio is not over. Grosse Pointe mothers are asked to walk for the ones who cannot walk on January 31 from 7 until 8 o'clock.

Volunteers are needed for the Mothers' March on Polio and chairmen in the various Pointes may be contacted immediately.

In the Park call Mrs. Louis E. Clarke, TU 2-2044; in the City call Mrs. Donald C. Longyear, TU 5-5798; in the Farms call Mrs. William Bowman, TU 1-9440; in the Woods and Shores call Mrs. G. W. Behling, TU 1-2518.

On January 24 there will be a peanut sale for the March of Dimes fund.

SOROPTIMISTS TO MEET

Soroptimist International of Grosse Pointe will hold its first luncheon and meeting of the new year on Monday, January 14, at 12 noon, in the War Memorial Center, 32 Lake Shore road.

Seat Officers At St. James

The men elected to serve the congregation of St. James, Lutheran Church, McMillan and Kercheval, during 1957 were installed before the altar during the 11 o'clock service by Rev. George E. Kurz on Sunday, January 6.

The new officers are: president, Lemuel H. Stephenson; vice president, John Egan; recording secretary, Harold Barthel, Jr.; financial secretary, Cyril Tyler; treasurer, Marshall Noecker; elder, Arthur Wible; trustees, Irving Bopp and Fred Schriever; and Sunday superintendent, Thomas Couser.

Retiring officers are: president Frank Mann; vice president, Barney Tyler; recording secretary, Ernest Baker Jr.; elder, Warren Dilloway, and trustee, Earl Miller.

Men remaining in office, having been elected for three-year terms are: elders, Kenneth Michel, Harold Meinke, and Paul Roth; and trustees, Milton Pawsat and Douglas Graham.

HONESTY STILL RULES

The League of Women Voters in Louisville, probably has conceded Hen. D. Barker was being perfectly honest when he signed his name four times at a voting place in the Nov. 6 election.

Just shortly after the election, a league representative checked the signature books at the Fifth Ward's 16th Precinct and found a man had signed his name on one line and dotted it on three others.

Mr. Barker gave this explanation: He's a voting-machine repairman, and he went to the polls to investigate a report the machine wasn't working.

He pulled the lever four times to test the machine. He fixed it up so no votes actually were registered, but the machine still showed that four persons had "voted."

When he finished his test, poll officers told him to sign his name four times so there wouldn't be a discrepancy. What was wrong with the machine in the first place? "Nothing," Mr. Barker said. "The people who complained didn't know how to use it."

From Another Pointe of View

January, usually dubbed the month of social doldrums, is crammed with those necessary annual organization meetings and even a gay tea dance for the stay-at-homes who won't be traveling South.

The tea dance is under the auspices of Tau Beta, which will call out the clan and their husbands to frolic at the Hunt Club from 5 until 8:30 o'clock on January 19.

Mrs. Edward Wunsch and Mrs. H. James Gram are hoping the turnout will be a large one as the dance benefits the Tau Beta camp, which they chairman.

Mrs. Murray Fowler is agitating her committee to get busy, and Mrs. Charles Wright III is the one to see about tickets. Also lending their talents to assure a successful party are Mrs. James McMillan, Mrs. Charles Stewart Mrs. B. Courtney Rankin, Mrs. John N. Lord, Mrs. Wendell Goddard, Mrs. Alfred Marks, Mrs. Edgar B. Galloway and Mrs. Charles A. Ducharme II.

Susie Sisman, president of the junior Tau Betas, has organized her sorority sisters into a rehearsal and they will star in the floor show.

Ibex Interests

Ibex is astrir with activity which will begin this Friday at Mrs. Henry Ewald's lovely white home off the Country Club golf course. Mrs. E. will hostess a tea honoring the drama group of Ibex (who are in the throes of exciting rehearsals) but there will be business to discuss first.

Leonard Leone, director of the Wayne State University Theatre, will talk to the ladies. Mrs. Milton Volkens is in charge of tea arrangements.

The Women's Auxiliary of Cottage Hospital will gather on Tuesday at the War Memorial for their annual luncheon and election of officers.

Regretfully they will say goodbye to Mrs. Henry Klein, who pioneered the group three years ago and has served as the president ever since.

Last Monday the nominating committee met at the Touraine road home of Mrs. Lester M. Elliott to draw up a slate of officers and at the noon gathering the members will elect the new heads. Mrs. William Krieger has the responsibility for the get-together.

After the election the ladies will discuss the upcoming annual spring bridge party. This fund-raising event will be held at Lochmoor and Mrs. David Lowe, head of the

Mothers Club To Hear Panel

The Mothers' Club of the Grosse Pointe High School is going to present a most interesting program on January 14 at 8 o'clock in the High School Auditorium for parents of high school students.

It will consist of a panel discussion "Living Situations in Home, School and Community," moderated by Prof. John M. Trytten, of the University of Michigan who is eminently qualified for that role.

During Prof. Trytten's lecture, he has served as an educator in many different fields: teacher, supervisor of direct teaching, principal of the University High School, lecturer, writer and professor at the University.

Other members of the Panel will be: Mr. Walter Cleminson, principal of the High School, Mrs. Fred Flom, Dean of Girls, Mrs. Mrs. Daniel Murphy and Mrs. Thomas Dusef, who will represent parent opinion.

For the past two years, student panels have been offered for parents and this is an outgrowth of that idea, with hopes that it will prove even more beneficial for parental understanding of school and child.

The excellent response to the Open House presentation last Fall, indicated that parents are eager for information about school activities, school problems, etc., and are also eager to express themselves as to improvements and possible constructive programs.

Therefore, it is hoped that all parents will avail themselves of this opportunity which is offered by the Mothers' Club.

Stag Dinner at DAC To Follow Elections

After Tuesday Night's Party for Members There Will Be A Dinner Dance and Floor Show on January 18; Fathers and Sons Party the Following Day

Important and merry matters are on Detroit Athletic Club's agenda to interest the club's many Grosse Pointe members as well as those in the entire Metropolitan area.

On the important side is the election followed by buffet dinner and stag show gala, opening January 18, and the annual Fathers and Sons Party on Saturday, the 19th.

Leo J. Fitzpatrick, Frank W. Keyser and George P. Suliburk are the Grosse Pointers on the entertainment committee in charge of the social festivities.

Starring the dinner-floor show to continue through Jan. 26 will be singer Lucille Norman, charmer of movies, radio and television, and Normand Hudson, caricaturist and drawing board comedian.

Before their opening night show in the main dining room, they will make an early appearance at the past and present directors' annual stag dinner in the club's Georgian Room.

They'll also entertain at the fathers-sons fete the next afternoon, when "The Busy B's" animal act will be added especially for the young set.

The dads' party will start at noon with swimming events for boys and an aquatic exhibition. Luncheon will be at 1 o'clock with 500 in the gymnasium and 200 in the Pontchartrain Room—the fete is limited to 700 and there's always a capacity crowd.

Paul H. Henning of Lakepointe avenue, Grosse Pointe, will be in charge of distribution of the souvenir gifts to sons and will be in the corps of DAC Beavers serving as ushers.

The eight-night dinner dance and floor show gala will be a party each evening for the members and their guests attending on the respective nights—annually this January festivity proves to be a "farewell" get-together for many before the winter vacation exodus to the South and Southwest.

Among the Pointers who have early reservations for one or another of the evenings are the Marshall V. Noecker, the J. Edgar Duncans, the Arthur G. Kirchners, the Lawrence I. Rubys, the Herbert F. Siewerts, Dr. and Mrs. A. D. Ruedemann, the Howard J. Elys, the C. M. Wallace, the Frederick A. Kaisers, and the H. A. Bokrams.

Recent Deb To Be Married

At a birthday-cocktail party Saturday afternoon Mr. and Mrs. Marshal E. Templeton, of Kenwood road, announced the engagement of their daughter, Annette Crosby, to Richard Merle Newkirk.

The bride-elect, who made her debut during the Christmas holidays at a dance at the Country Club, attended Grosse Pointe Country Day School and was graduated from The Masters School.

She is now a student at Bradford Junior College. Her fiancée, of Roslyn road, was graduated from the Detroit University School and will be graduated from Dartmouth in June. He is a member of Sigma Chi.

Guests learned of the engagement at the party by a cupid holding garlands of green and gold suspended a golden heart with the young couple's names inscribed.

Annette was presented to society at a ball with three of her sister debs, all of whom share the January 5 birthday. They are Cherry Powers, Carol Henry and Sally McHenry, and all bowed together at the December 22 ball.

There are 19,000,000 doses of polio vaccine now commercially available in the United States. There are no restrictions on the use of this vaccine. It will be valueless unless used in the next few months.

Center Offers Bridge Lessons

Many bridge players seem to shy away from playing duplicate simply because they have never tried it and feel that they will be up against real sharks.

Because of this, Mr. and Mrs. Andrew Walron, the directors at the War Memorial Center are encouraging novices to come on Friday nights of every week, when they will meet folks in the same boat and competition will be friendly and equal.

Both the Wednesday and Friday night duplicate games, which begin at 7:30 o'clock, are open to men and women alike. It is not necessary to come with a partner, though of course, if you so wish that's fine.

Monday afternoon at 1 o'clock there is a pleasant game strictly for ladies.

Lynette Oelz Weds During Holidays

Marries Fellow Grosse Pointe High School Teacher, Loren H. Houtman in St. Joseph, Mich. Pair to Make Home on St. Clair Avenue

In St. Joseph, Mich., one holiday afternoon two Grosse Pointe High School teachers exchanged marriage vows when Lynette R. Oelz became the bride of Loren H. Houtman.

The former Miss Oelz is the daughter of Mr. and Mrs. Ralph H. Oelz, of Benton Harbor, and her bridegroom's parents are Mr. and Mrs. Henry L. Houtman, of East Grand Rapids.

For the rites in the Saron Lutheran Church in St. Joseph the bride chose a Dresden like gown of snowy rose patterned Chantilly lace over shimmering taffeta. Tiny pearls in spray motif frosted the tulle bordered portrait neckline and the bouffant skirt flared from a princess waistline to waltz length.

A lace toque, outlined in pearls and paillettes held her tiered veil of illusion. She carried white camellias, stephanotis and ivy.

Mrs. Donald Pearson, of Coloma, Mich., was matron of honor in a princess blue velvet waltz length gown with a matching headband. She carried pale pink carnations.

David C. Warren, of Grand Rapids, was best man and ushering were Frederick R. Pickard and Arthur Van Heulen of Grand Rapids, and Robert L. Keeler, of Lansing.

At a recent ceremony in Grosse Pointe Congregational Church, Sally Ann Steinfeldt, daughter of the Russell H. Steinfeldts, of Hollywood avenue, spoke her marriage vows to Earle L. Horrocks, Jr.

For her wedding the bride chose a white satin gown with a princess bodice accented with seed pearls and a bouffant nylon net skirt. A crown of seed pearls held her fingertip veil and she carried a white prayer book with white orchids and stephanotis.

Gail Horrocks was maid of honor in red velvet. Her colonial bouquet was of white carnations and holly. The bridesmaids, in emerald green velvet and carrying red carnations and holly, were Mary Ellen Speier and Mrs. Hugh Pike.

Mr. Horrocks, who is the son of the Earle L. Horrocks, of Springfield, Pa., asked Louis De Santis to be his best man. The ushers were Mr. Pike and Dale Nevison.

Following a reception in the church parlors the couple left on a trip through the East. They will make their home in Lincoln, Neb., where the bridegroom is on duty with the Air Force.

Among the out-of-town guests were Mrs. Julia Steinfeldt, of Jamestown, N. Y.; Mr. and Mrs. Fred Scherborn, of High Point, N. C.; Mrs. Maude P. McLean and Mr. and Mrs. LeRoy Gustafson, of Bradford, Pa.; and Mr. and Mrs. Dale Caverly and Earle Dale, of Hamilton, O.

G.P.U.S. News Notes

The editors of the "Parents' Bulletin," Mrs. John J. Bradley and Mrs. Charles L. Jacobson, may justly feel proud of the very gala Christmas edition of their publication, mailed out to Grosse Pointe University School parents.

The cover was designed by Patti Dockson, '58, and staff members were Mrs. Henry Drettmann, Mrs. Paul Dumke, Mrs. George W. Johnson, Mrs. Reuben Waterman, and Mrs. John E. Webster.

In his Christmas message to "Bulletin" readers Headmaster John Chandler, Jr., says of the school term just completed, "I feel that it has been in many ways a term of unusual accomplishment. Perhaps the fine weather we enjoyed right up to Thanksgiving help to create an atmosphere conducive to cheerful endeavor. In any case, I can cite with pleasure and gratitude the many contributions made by parents during this period. More time and effort has been given by more people than ever before to insure the success of a great variety of Parents' Association activities."

The Headmaster goes on to point out that increased parent interest has paid "dividends of an intangible nature. I refer to the very noticeable effect the participation of his parents in school activities has on the attitude of any child. Your children place a very high value on your interest and although they may not admit it, are tremendously pleased and proud when you take an active part in any school affair. . . . We sense a surge of enthusiasm for cooperative enterprise which has brought about a new sort of 'School Spirit'—that elusive and indefinable quality which reflects the group attitude of the students towards their school."

Under the direction of Mrs. Eleanor Munger, teacher of dramatics at the Grosse Pointe University School, the pupils of the 4th, 5th, and 6th grades presented a very effective Christmas program just before their vacation.

Their play was "When the Little Angel Sang" and had the following cast:
The Little Shepherd—Ralph Pressel (Understudy: John Buell)
The Lost Old Man—Wendell Goddard (Understudy: David Hughes)
The Little Angel—Laura Ford (Understudy: Karen Bambas)
The Thief—Bayard Blessing (Understudy: Allan Shelden)
Mary—Susan Grace (Under-

study: Susan Ford)
After the play the choir, directed by Miss Marie Sansone and with Mrs. Hortense Robinson as accompanist, sang these Christmas songs: "Joy to the World," "Angels We Have Heard on High," "Shepherds, Their Flocks A-Keeping," "Jesus Bambino," "Russian Sleigh Ride," and "Silent Night."

These boys and girls were the singers: Sibley Johnson, Danielle Harris, Laura Ford, Susan Parnell, Karen Bambas, Gloria Grace, Dodo Whitehead, Linda Barwin, Sally Granger, Vicki Conley, Tina Conley, Betsey Webber, Lynn Holley, Quinton Hallett, Sharon Lightbody, Kathy Viger, Mimi Edwards, Susan Upham, Sally Waterman, Elizabeth Goodenough, Julie Munger, Toni Slotkin, Lisa Shelden, Stuart Pittman, John Lewin, Jim Jennings, Harry Garland, Ricky Perkins, Ricky Peterson, Jon Cavallo, Allan Shelden, David Hughes, Wendell Goddard, Bayard Blessing, Mark Matthews, Douglas Stair, Douglas Veech, Bill Rembachi, Ralph Pressel, John Mozena, Nils Roosen.

Members of the stage crew were John Evans and John Hoffmann.

An annual event much enjoyed by all the faculty, faculty wives (and husbands!) and children is the Headmaster's Christmas Party at which Santa Claus appears and gives presents to the children and grandchildren of the teachers. This year the party was held on Wednesday, December 19, at Mr. Chandler's home, and there were some very wide-eyed youngsters looking up at Mr. Santa Claus. That jolly gentleman had made a special trip in from the North Pole but spoke with a distinctly Eastern accent.

Their daughter, KAREN SUE, who is a senior at Wellesley College, flew down and spent the holidays with them. Christmas Eve was spent at Ft. Lauderdale, Florida, and New Year's Eve was spent at the Tropicana, Havana's most fabulous night club. While deep sea fishing off Marathon Key, Mr. Temple successfully hauled in a seven foot sail fish.

DR. and MRS. FRED O. LEPLEY, of Three Mile drive, entertained at a breakfast last Sunday at the Grosse Pointe Yacht Club. Among the 100 guests were MR. and MRS. JOHN W. HENDERSHOTT, of Cuyahoga Falls, O., and MR. and MRS. FRANCIS TAIT, of Alpena.

JUDY KANE of McMillan road, entertained at a luncheon Saturday in honor of her house guest, ANN DEVINE, of Grand Rapids. The girls have both resumed studies at Marymount College in Arlington, Va.

Notes From Dixie

A large segment of Pointers travels to and from the sunnier climes at this season. The George Dickeys have returned to their Hall place home from a short stay at Del Ray and the Robert Duffs are back from Sarasota at their Stephens road.

Georgia has its own special charms in January and Mrs. Edward T. Ives, Jr., with daughter, Ginna, went down to sample them. They were the guests of Mrs. I's brother and sister-in-law, the James Garards, of Winnetka, Ill., at their winter home on Sea Island. The Ives family is now unpacking on Merriweather road.

The Louis Dahlings, of University place, and the W. S. Teetzels, of Sunset lane, banded together to drive a new car to the West Coast. While they were there they saw the Rose Bowl game in Pasadena. The Dahlings have already flown home but the Teetzels will stay until the middle of the month.

Shopping for Southern styles are Mrs. John T. Allman and Mrs. Irving Haass, who will take off for Ft. Lauderdale with their husbands shortly. The Allmans have sold their Touraine road home and are temporarily on Neff road while their new home is abuilding.

Wedding News

It will be an intimate family wedding for Pamela Hale Sattley and Charles Wilson Morris, Jr., who will exchange their vows, January 19 in Christ Church with the Rev. Erville B. Maynard officiating.

A small reception will follow the afternoon ceremony in the Vendome road home of the bride's parents, Mr. and Mrs. Hale V. Sattley. Charles' parents, the Charles W. Morrises, of Yorkshire road, will host the rehearsal dinner at the Country Club on the eve of the wedding.

Martha Sattley will be her sister's attendant and the best man will be Charles' brother, Cabell Morris. Because she is having a small wedding Pamela has asked her special friends to stand by as honorary attendants.

With sisters Joan Sattley and Mrs. Laurence Higbie there will be Barbara Leonard, Thayer Bodman, Sally Beardslee and Mrs. William Shoew.

More Travelers

Mrs. George Vawter has bid goodbye to Lincoln road and gone off to Ft. Lauderdale to spend the rest of the winter at her luscious new home there. Lauderdale seems to be the favorite Florida site for Pointers.

The Robert Hunters will wave adieux to their offspring on Handy road and check in at Boca Raton, for a five day convention. Then they will journey on to other Florida spots for a two week vacation. None of this until February 1 rolls around, though.

Not everyone is Southern minded. The Burdette E. Fords have just returned to Sunningdale drive from an Eastern stay.

All plans are being completed to the last detail at Grosse Pointe Yacht Club for the Commodore's Ball on Saturday, Jan. 19, to honor the newly-elected commodore, Stark Hickey, and Mrs. Hickey. Arrangements are in the charge of Russell D. VanHouten, general chairman for the festivity.

Flowers and decorations in the club colors of red, white and blue will set the theme for the formal party, GPYC's most glamorous function of the winter season.

The evening will start with a cocktail party in the main dining room at 7:30 o'clock, with the officers and directors and their wives as hosts and hostesses.

Assembly for the grand march will be in this same room at 8:30 o'clock. Led by Commodore and Mrs. Hickey, the march will proceed up the wide staircase and through the ballroom-lounge and Venetian Room.

While members and their parties are being seated at tables, the officers and directors and wives will be gathered in the ladies card room, from which they will be formally announced by Chairman VanHouten—he'll be the evening's master of ceremonies.

As they are introduced, each couple will be conducted to their chairs by special ushers George A. Gardella, Jr. and Charles Jr. Gardella.

The new commodore and his lady will be in the honor places at a huge U-shaped table where places will be marked for club and flag officers, directors, past commodores, and their respective feminine partners.

At a nearby table will be the visiting commodores from other

yacht and boat clubs of the area and their wives.

In tradition, the formal flag-presentation ceremony will follow dinner. Commodore Hickey will be presented with his official burgee and commodore's pin by the immediate past commodore, Mervyn G. Gaskin.

Commodore Hickey then will present a leather-bound volume of the club's 1956 official magazines (The Grosse Pointer) to Commodore Gaskin, and in turn will present the club and flag officers with their respective burgees.

From then on, it will be dancing, with an interlude of entertainment by the Winged Victory Chorus. Alternating on the bandstand will be the Warney Ruhl and the Art Quatro orchestras.

Commodore and Mrs. Hickey will be hosts to a large number of close friends at the ball. Among others with early reservations are the John D. Kennel-lys, the Richard Dykstras, Dr. and Mrs. Edward J. Zabinski, the Alphonse H. DePaepes. Receiving their flags will be the newly-elected Vice Commodore Charles L. Jacobson, Rear Commodore Robert F. Weber, Secretary William A. Ternes, Treasurer John R. Wilt, Fleet Captain Harley F. Riley, Fleet Surgeon Dr. Harold E. Cross, Fleet Messuruer Gilbert Pingree.

Bride-To-Be Feted at GPYC

Mr. and Mrs. Joseph T. Wanamaker, of Hollywood road, entertained at a cocktail and dinner party at the Grosse Pointe Yacht Club last Saturday evening, January 5, with two reasons for the beautiful fete.

First, it honored their newly-engaged son, E. George Wanamaker, and his bride-to-be, Maxine Elizabeth Skelton. Second purpose was the celebration of the hostess' sixty-fifth birthday anniversary and also the fiftieth anniversary of her arrival here from her native Austria.

Miss Skelton is the daughter of Mrs. Homer Warren Skelton of Lincoln Ave., Detroit, and the late Mr. Skelton.

Announcement of the couple's betrothal was made by the prospective bride's mother to close friends at a Christmas Eve party in the Skelton home.

Last Saturday's combined honor and birthday festivity took place in GPYC's ladies card room, Mrs. Wanamaker receiving in a floor-length gown of peach-hued chiffon designed on long, simple lines.

For the occasion, the bride-elect chose a waltz-length dress of champagne-colored peau de soie, and Mrs. Skelton was in black silk sheer with jet bead embroidery at the low neckline, and skirt distinguished at the back with long floating panels.

Arrangements of pink roses and fragrant white blooms, and lighted tapers, decorated the U-shaped table where the party was seated for dinner.

Sharon Fathers Wed To Bernard Rothgery

Pair to Make Home in East Lansing Until Bridegroom Graduates from Michigan State; Will Take Wedding Trip to Florida in March

Making their home in East Lansing, Mich., where the bridegroom is a student at Michigan State University, are Mr. and Mrs. Bernard Hal Rothgery, who were married recently in Grosse Pointe Congregational Church.

For the afternoon ceremony the former Sharon Mae Fathers wore an ivory peau de soie gown fashioned on princess lines with a portrait neckline outlined in Alencon lace.

A Juliet cap held her fingertip illusion veil and she carried white roses, stephanotis and white orchids.

JoAnne Moffet was maid of honor and the Kay Rothgery and Mrs. Rudy Schneider were the attendants. They were gowned in ballet blue peau de soie with darker blue panels. They wore seed pearl and blue crowns and carried American Beauty roses. The maid of honor's bouquet was accented with stephanotis.

Lynn Brown came from Toledo to be best man and the ushers were Albert Jenes, of Bay Village, O., and Fred Lamb, of Cadillac, Mich.

The bride is the daughter of Mr. and Mrs. Wendell Fathers, of Neff road, and her husband's parents are Mr. and Mrs. Hal Rothgery, of Grafton, O.

For her daughter's wedding Mrs. Fathers chose a Siam blue

peau de soie sheath and Mrs. Rothgery was in French lace over mauve faille. Both mothers pinned camellias to their purses.

Following a reception in the church parlors the newlyweds left directly for East Lansing. They will take a belated wedding trip to Florida in March.

Combine 1 cup grapefruit juice with 1/2 cup orange juice and 1/2 cup fresh lime juice. Blend together 1/2 cup liquid honey and 1/2 cup warm water. Mix honey-water with fruit juices.

For a tomato-sauerkraut cocktail, combine 1 pint each tomato and sauerkraut juices, 1 small onion, and 1 teaspoon Worcestershire sauce. Chill several hours; strain.

Bridge Classes Being Offered

Cannon Recreation Center, Warren and Cadieux, began registration for Contract Bridge Classes on Tuesday, January 8.

Mrs. Marie Boschart, who has been offered the Goren Franchise for the new Charles Goren School, will instruct. She is the holder of the coveted "Blue Ribbon" as the foremost bridge teacher in the middle states.

This is not a lecture course, but one of actual play, and after 10 lessons, those under instruction may become seasoned contract bridge players.

A simple Goren count is used with all the latest rules simplified, so that the rankiest beginner may easily follow the game and also be able to score.

All players are asked to register early, as this is a popular recreational course and will fill rapidly, to cover the overflow of last year.

The Center created an additional class on January 8, which will be from 9:30 to 11:30 a.m.; and a closed class on this date, from 1 to 3 p.m., for members of St. Matthews Church; and a class today, January 10, from 1 to 3 p.m., for beginners and intermediate groups. All players must bring their cards and score pads.

For further information call the instructor, Vermont 6-2581. Hannan Y.M.C.A. is also holding evening classes, which began yesterday, January 9.
