Thursday, January 24
RUSSIA ISSUED A WARNING to the United States and other Allied nations against establishing nuclear weapons and missile bases in other countries. It called such bases "bridgeheads for preparation for atomic warfare" which increases the possibility of an atomic war. Moscow said countries permitting the installation of such bases will receive quick atomic retaliation in the event they are used against Russia.

Friday, January 25
AT LEAST FOUR women are known dead in a fire which swept a dusty factory in New Haven, Conn., completely destroying it. Officials fear there may be more dead in the ruins. Frank Looney, city welfare director, said that six families reported loved ones missing. Firemen said that screaming women, some with their clothes and hair afire, blocked the door and fire escapes. One hospital reported 31 persons injured, nine of them critically. Firefighters battled the blaze for two hours before bringing it under control.

Saturday, January 26
HYSTERICAL STUDENTS, 20,000 strong, engaged in a wild demonstration in protest against India's annexation of two-thirds of their state, Kashmir. The rioting broke out when officials in New Delhi announced India had annexed that portion of independent Kashmir which it holds under a cease-fire agreement with the United Nations. Prime Minister Jawaharlal Nehru's Government ignored a resolution adopted by the UN Security Council calling for a vote of the people to determine whether they wish to join India or Pakistan.

Sunday, January 27
THE COST of the St. Lawrence Seaway has gone up, and the United States' share will be \$56,000,000 more than the original figures given. The total investment is likely to exceed 140 million dollars, including 10 million dollars interest in the present construction period. Sources said this figure is important to users of the seaway because they have to repay the American share through tolls charged in shipping.

Monday, January 28
CONSTRUCTION of a joint atomic plant was agreed upon in principle by top diplomats of six nations of the West. Cost of such a project was estimated at 240 million dollars. The plan will unify the nuclear programs of West Germany, France, Italy, Belgium, the Netherlands, and Luxembourg. With its own plant, which will be known as Euratom, French Deputy Foreign Minister Maurice Faure said Europe could use atomic warheads, submarine engines or whatever it liked. The agreement calls only for the formation of a committee, but informants said the plant will certainly be built somewhere.

Tuesday, January 29
THE UNITED STATES backed UN Secretary-General Dag Hammarskjöld in his decision to turn down Israel's terms in withdrawing her troops from Egypt. Chief U.S. Delegate Henry Cabot Lodge, Jr., told the General Assembly the Secretary-General's views were "positive and constructive" and that the United States thinks that Israel should withdraw at once.

Wednesday, January 30
THE STATE LEGISLATURE was informed by Gov. Williams that 75 million dollars must be raised in new taxes in the fiscal year beginning July 1. He said that later he will tell the lawmakers where the money will be found. The Governor is expected to renew his plea for a levy on corporation profits to raise 150 million a year, instead of the present business tax which raises only 70 million annually. His program includes an increase of 40.7 million for higher education. He said that this year's budget represents a determined effort to meet the greatly increased needs of the people without imposing an unreasonable tax burden upon them.

Cub Scouts Set Ready for Blue-Gold Dinner

Cub Scouts of Den 6, Pack 39 of Barnes School, is one of many Dens which will be in attendance at the Blue and Gold dinner to be held at the Grosse Pointe Woods Presbyterian Church on Monday, February 11. SKIPPY KASPOR, left, and RICKY WHITE "ham" it up for the benefit of the group which has been busy building bird houses and feeders at their weekly Den meetings under the guidance of Den Mothers Mrs. Lloyd C. Nyman and Mrs. Al Tapert. Shown left to right: KASPOR, WHITE, JIMMIE DANAHER, DONALD TAPERT, TOM HARTKOP, BILL McCAUGHRIN, TERRY JOHNSON and JIM NYMAN.

Blood Drive At Center Successful

180 Donors Volunteer and Red Cross Mobile Unit Collects Total of 123 Pints

Last Friday's Bloodmobile collection at the War Memorial Center was reported a greater success than the 1956 collection.

A total of 180 persons reported to donate, in spite of the cold weather and snow which were feared would keep many would-be donors at home. Because some 136 people had made appointments, there were relatively little waiting.

Some donors had to be rejected because their blood was not acceptable, but out of the 180 reporting, 123 pints were collected.

The excellent Red Cross staff and the many volunteers who stayed on duty from 2 until 8 p.m., helped the donors go through on schedule. Mrs. William Gibson, general chairman, chairman of volunteers from the Grosse Pointe Woman's Club, Mrs. William Rochelle; Mrs. Eugene Hoelzle, chairman of hostesses; Mrs. C. W. Zentgraf, chairman of the transportation committee; Mrs. Gilbert Partidge, chairman of the Welcome Wagon Club's telephoning committee; and Peggy Johnson, chairman of the Junior Red Cross helpers, together with their committee workers, are to be commended for their efforts.

Mothers to Ring Doorbells Tonight in Fight on Polio

Tonight, Thursday, January 31, from 7 to 8 o'clock, the Mothers' March Against Polio takes place to continue to help the thousands of polio victims still in need of constant care because the Salk vaccine came too late.

Mrs. Donald C. Longyear has announced the mothers who have volunteered to take over the tremendous job of organizing the City of Grosse Pointe are: Mrs. John Mazer, Mrs. William Nelson, Mrs. Donald Strachan, Mrs. Warren Jollymore, Mrs. Edwin D. Clarke, Mrs. Theodore Templeton, Mrs. Paul Hykes and Mrs. Rose Sanders.

Mrs. Louis Clarke, chairman for Grosse Pointe Park has the following mothers as captains in her area: Mrs. Oscar Keller, Mrs. Eugene F. McCafferty, Mrs. Harry Kurtz, Mrs. Guy La-

Annual Report of Cases Heard in Park Submitted By Judge Joseph Belanger

Report Shows 172 More Cases Were Heard, and that Fines, Penalties and Cost have Increased Over 1955

Park Judge C. Joseph Belanger, presented his annual report to City Manager Everitt B. Lane, which showed that the revenue from the municipal court and violation bureau totaled \$30,412.

Judge Belanger's report disclosed that \$9,782.60 were collected from fines, penalties and costs in his court; \$20,499 paid at the Violation Bureau; and that fees paid to the City

Tried 172 Cases "It is interesting to note," said the judge, "that the court tried 172 additional cases over the year 1956, that there was an increase of \$2,532.45 collected in fines, penalties and costs through the Court and an increase of \$4,847 collected through the Violation Bureau."

The report showed the judge heard 643 city violation cases during 1956; that 5,579 traffic violations were paid into the Violation Bureau, including 312 cases for violation of miscellaneous city ordinances; and he heard 35 State cases. The ordinance violators paid fines totaling \$324.

Under the City Charter fines paid in municipal court in State cases are not retained by the judge, but are paid to the city treasurer.

State Cases Are Varied The state cases heard covered charges of manslaughter with a motor vehicle, leaving the scene of an accident, disorderly persons, larceny by conversion, felonious assault, driving under the influence of alcohol, assault and battery, bad checks, possession of an unregistered gun, uttering and publishing, malicious destruction of property, attempted breaking and entering, accosting and soliciting and contribution to the delinquency of minor children.

In eight of these cases, defendants were remanded to the Wayne County Circuit Court (Continued on Page 2)

Crash Interrupts Dash to Hospital

The old adage, "haste makes waste," was made all too real to an excited father who was following an ambulance which was taking his son to the hospital Friday, January 25.

John B. Sharp of Detroit, was driving his 1954 Chrysler south on Cadieux about 7 o'clock on Friday evening. Ahead of him was the 1957 Ford of Richard L. Baker, also traveling south. As the cars approached Waterloo, Mr. Baker began a left turn and was hit by the Chrysler which was attempting to pass in the intersection.

There were no personal injuries and no violations tickets issued.

School Vote Scheduled For March 5

All Qualified Electors Eligible to Cast Ballots On Proposed Increase in Taxes

Public School officials have announced that all qualified electors may vote in the special school election March 5. Voters will vote in the public elementary school serving their particular district. Hours of voting will be from 7 a.m. to 8 p.m.

A resident of the Grosse Pointe School District who has voted for local, state, and/or national officials and who has not moved since the last time he voted, is registered for all elections including school elections.

How to Register A resident who is not registered may do so with the Clerk of the City or Township in which he resides during regular office hours up to and including Monday, February 25, 1957.

Provided that the registrant is a citizen of the United States, is 21 years of age or over, and has resided in Michigan for at least six months and in the school district at least 30 days prior to March 5.

Absentee Ballots Available Absentee ballots may be cast. Arrangements for voting in this manner must be made prior to 2 o'clock, Saturday, March 2. Voters should either phone or see Ray MacArthur, Director of Business and Finance, Grosse Pointe Public Schools, 389 St. Clair Avenue, TUxedo 5-2000.

The Grosse Pointe Board of Education has requested an additional four mills operational levy for the next two years. With the funds raised from the four mills the Board proposes to raise teacher salaries, add new teachers, equip the projects already approved by the voters in the January 1956 election and renovate, equip, and modernize several of the older buildings.

Rotary Accepts New Members

The Grosse Pointe Rotary Club welcomed four new members to the organization during its regular Monday luncheon meeting at the War Memorial Center on January 28.

Welcomed by Past President Glenn Pratt, who presented them with Rotary emblems and pins, were: M. William Mason, Farms fire chief; Jack Reed, Farms building inspector; and Jack Farrell and George Verduck, both Mack avenue businessmen.

Diplomas Presented By High School at Winter Graduation

Audience of 1200 Sees 112 Candidates in Ceremony; Special Honors Winners Announced by Principal Clemenston

By Nancy Reik, GPHS Journalism Student Before an audience of approximately 1,200 friends and relatives, 112 members of the class of January, 1957, were graduated from Grosse Pointe High School last Thursday night.

Diplomas were presented to the members of the class by Dr. James W. Bushong, Superintendent of Schools, who first admonished the graduates to not believe anyone who tries to tell them that the happiest moments of their lives are behind them. "The best moments of your lives are still ahead," he said.

Honors Announced Mr. Walter R. Clemenston, principal, then announced the special honors which the class had received.

There were three senior speakers. "The World of Challenge" was the theme of Dan Bauer's speech. He pointed out to his classmates that the world is full of challenge, now more than ever before, for those who are efficient, who have imagination and courage to recognize and take advantage of them.

Second was Patsy Majeska, who spoke on "The World of Opportunities." "The world is full of opportunities," she said, "but it is up to each individual to realize these opportunities. The only limit is one's self."

"We should use our experiences to better ourselves without letting failure discourage us. Every little accomplishment, no matter how small, is vital as long as it is successful," said the last speaker, Jean Howell, in speaking on the "World of Accomplishment."

Citizenship awards were given (Continued on Page 2)

Center Offering Top Sport Films

Thanks to Sports Illustrated outstanding first run sound pictures of the Pan-American games, prelude to the Olympics and color and sound movies of highlights of the Detroit Lions 1956 season, as well as silent films of the 1956 Pro-Football Championship, will be shown at the Grosse Pointe War Memorial Thursday, February 7, in two showings 7:30 and 9 p.m.

No admission is being charged. Passes for a reserved section may be picked up at the Center in advance.

In order for Pointers to see the films and also the fencers and acrobats performing under the auspices of Sports Illustrated at the High School Gymnasium in behalf of Hungarian Relief, the performances at the high school will coincide with the film showings at the Center, making it possible to go to both by taking in an early performance one place and the later show at the other.

Officers, Trustees, Advisors Named By Cottage Hospital

Mrs. Cameron B. Waterman III was re-elected president of Cottage Hospital Corporation Wednesday night, January 30 at the annual meeting held in the Nurses' Residence.

Mrs. William Dant joins the board of trustees as a new member. Others elected to the board to serve until January 1960, are Mrs. Arthur H. Buhl, Jr., Mrs. Burdette E. Ford, Mrs. Louis B. Hyde, Mrs. William F. Harris, Jr., Mrs. Henry B. Joy, Mrs. John N. Lord, Mrs. Lynn McNaughton, and Mrs. James J. Trudell, Jr.

Officers for the coming year, in addition to Mrs. Waterman, are Mrs. Henry B. Joy, Jr., first vice-president; Mrs. Arthur H. Buhl, Jr., second vice-president; Mrs. Burdette E. Ford, secretary; Mrs. George R. Fink, assistant secretary; Mrs. John N.

Candidates Invited to State Views

League of Women Voters Arranged Town Hall Meeting in Connection with Farms Election

Because of the intense interest in the local elections in the City of Grosse Pointe Farms, the League of Women Voters feels that all of the candidates for office should be given an opportunity to state their qualifications, and their views on the issues.

Accordingly, a Town Hall meeting has been arranged by the League for the evening of February 13 at 8 o'clock, to be held in the Grosse Pointe High School auditorium, and all of the candidates have been invited to be present.

To Discuss Parking It is expected that one of the main topics for discussion will be the views of the candidates on the parking problem in the Kercheval avenue business area.

Robert F. Weber, president of the Board of Education, will also be present to explain the necessity of an increased millage in the school taxes in Grosse Pointe.

All to Get Chance The purpose of the League's Town Hall meeting is to present the candidates equally on the same platform and to hear the pros and cons of the issues. The League is organized to encourage all citizens to participate actively in government—that is, to inform themselves on the issues, to acquaint themselves on the qualifications of candidates, and to vote regularly.

Falling Icicle Starts Alarm

Sergeant Jules Deraedt of the City police department, was quick in solving the mystery of what set off the burglar alarm in the D. J. Healey Shop in the Village, Monday morning, January 21.

A large icicle had formed on a rear-iron grating, then fell and broke through a window, setting off the alarm.

PARKED CAR DAMAGED John Garvey of 18001 May, East Detroit, complained to Woods police on Thursday, January 24, that someone broke the left front window of his car while it was parked in the Woods Theater parking lot.

New Sewer Will Relieve Balfour Area

Council Awards Contract For \$209,761 for Project; No Bond Issue Necessary

The Park will begin a \$209,761 sewer relief project within about 15 days, and will pay for it without resorting to the problems of a bond issue.

The Park council approved the expenditure on Monday, January 28, after awarding the contract for the construction to the Mancini Construction company, one of 14 bidders.

The company was awarded the contract even though its bid was \$3,294 above that of the lowest bidding company, which was disqualified because it did not meet the required specifications.

City Manager Everitt B. Lane said that the installation of the sewer, known as the Balfour Relief Sewer Project, will be completely paid for with monies from the Municipal Improvement Fund, thus eliminating the need for a bond issue.

The contractors stated that the sewer installation will be completed in about 150 days. They will install 4,229 lineal feet of pipes, ranging from 60 inches down to 20 inches, which will tie into the big storm relief sewer south of Jefferson.

It will be constructed along Balfour road, from Jefferson to Avondale, between Trombley road and Middlesex boulevard, and along Avondale, between these two streets.

Many Basements Flooded The authorization of the project climaxed a demand for relief of storm-flooded basements of homes in the area, and is the result of a \$10,000 city-wide sewer survey made by the city engineers last August.

The survey itself was brought about by a flash storm on August 4, which dropped four inches of rain on the Detroit area, and subsequent flash storms which followed the same month.

Heavy rainfalls, recorded since May last year through to the August storms brought out that sewer lines, constructed in the days when the Park was still a Village, were no longer adequate to handle the waste water problem. It is these sewers which will be replaced if and where needed.

Benefiting by the new sewer system will be residents of the Essex-Balfour area.

Chief Submits Police Report

The monthly report of the Farms' police chief, Walter R. Hoyt registered \$612 collected in fines during December. The figure includes \$158 paid for traffic violations; \$226 paid in parking violations; \$20 in fines to violators of the dog ordinance, and \$208 paid by traffic cases which went to court.

In December, two cars were reported stolen and both were recovered. Also, three bicycles were reported missing and all of these were found.

There were nine cases of simple larceny which involved a total loss of \$104.00. Most of these monies were recovered. One grand larceny, yet unsolved, involved \$200.

Driver's licenses were issued to 287 people, while 14 more were issued chauffeur's licenses. There were four juvenile arrests in December. Two boys were released to their parents when they were caught taking Christmas tree lights. Two others made restitution for a broken window, then were released to their parents.

All eight adult arrests were of men. Three were listed as drunks, one for unlawfully driving away an automobile, one for indecent exposure, was arrested for Detroit authorities, and three others were listed as disorderly persons.

VALUABLE WATCH LOST Mrs. Russell Pellegrino of 771 Shoreham, reported the loss of a multi-gem watch, valued at \$500, which she said she lost on Tuesday, January 22. It contained two topaz, six diamonds, and six rubies. She said it was lost somewhere on Mack avenue, between her home and Cadieux road.

trial or further proceedings; in five cases, one defendant received a 90-day jail sentence; two, 30-day terms; one for 20 days, and one for 10 days, all of which were served by the defendants.

In seven cases, orders of probation were entered, while fines and costs were assessed in most matters and in three cases the defendants were found not guilty.

12 Go to Jail
Of the city cases submitted and heard by the court, 12 defendants served jail sentences; one appeal was made; 14 persons were found not guilty; 40 cases were dismissed for lack of witnesses, technical reasons and so on; in 22 cases sentences were suspended; probation orders were entered in 43 cases and in 53 cases, reports were sent to Lansing because of failure to appear.

In ending his report, Judge Belanger said that he continues to owe deep gratitude to Police Chief Arthur Louwers for his continued leadership of the police department and the cooperation of the department. He also paid tribute to Mrs. Delia Monaghan, Mrs. Grace McCracken and other personnel who contribute to the efficiency of the Violation Bureau. Mrs. Monaghan also acts in the capacity of court clerk.

REPAIR SHED LOOTED
Woods police investigating the breaking and entering of a Michigan Bell Telephone Company's repair tool shed, which was in front of the Vernier Apartments, Vernier road. Reported stolen was \$70 worth of lead. The incident occurred on Tuesday, January 22.

Many people are inclined to do good, but they keep putting it off until tomorrow.

Graduation

(Continued from Page 1)
en to Carolyn Alexander, Dan Bauer, Robert Hawley, Philip Herschelmann, Patsy Majeska and Otto Scherer.

Each year the Mothers' Club of Grosse Pointe High School awards a leather-bound, engraved diploma for superior scholastic achievement. Receiving them this year were Carolyn Alexander, John Bennett, Eugenia Eldridge, Gail Friesma, Patsy Majeska and Kathryn Rasmussen.

Otto Scherer was chosen to receive the Bausch and Lomb Award, which is given to a member of the graduating class whose record in science and mathematics is exceptionally high and whose shows the most promise of future distinction in the field of science.

Hawley Wins Scholarship
Mr. Chet Sampson, secretary of the Board of Education, provides for a \$1,000 scholarship to be given each semester. The recipient this semester was Robert Hawley.

Also being graduated with this class were seven boys who completed their work while serving in the armed forces. They are Bruce Frier, Harold Grunewald, Patrick Kenny, David Sharp, Richard Swanquist, Roland Symons and Charles Weiler.

The Rev. Erville B. Maynard, rector of Christ Episcopal Church, Grosse Pointe, offered the invocation and benediction.

Orchestra Plays
The processional, recessional, and the national anthem were played by the high school orchestra under the direction of Mr. Dewey Kalembur, instrumental music instructor.

Directed by Mr. John Finch, vocal instructor, the A Cappella Choir sang "The Halls of Ivy" and "Calm as the Night." At the commencement ceremonies, an informal reception was given by the Mothers' Club for the parents and friends of the graduates.

Since June, 1925, when 24 were graduated, 8,101 students have been graduated from Grosse Pointe High School.

Sometimes the good man who goes wrong is just a bad man who has been found out.

Teeners Facing License Deadline

By Diane Dickey, 11B

Grosse Pointe High School February 2 is a date all non-driving teens should have down on paper. After that, no one under 18 years of age will be able to obtain a driver's license without a certificate showing that he has passed an approved high school driver education course. This law applies also to those under 18 who want a renewal of their license.

In compliance with the law, Grosse Pointe High School has evolved a system that differs in one big respect from other communities. The driver education program in most school systems is incorporated as a part of some other course already required by students.

In Grosse Pointe, however, the program is an additional experience in high school training. Boys and girls may elect when and at what age they want to be enrolled in the course, as long as they stay within the legal requirements of the law.

When the new driver training program was started a year ago, private and parochial schools in the district were invited to join. Many students from these schools participated

in the summer school program. Scheduling of students from the same schools for the fall courses was also worked out. The last period of the school day, beginning at 2:30, is reserved for them, and those wishing any other time are accommodated whenever possible.

The program still has problems, but with the combined efforts of the Administration and the driver training teaching staff, headed by Mr. Ray Watling, all are being worked out.

Cadillac

His Golden Anniversary at the Wheel!

In Texas, there is a gentleman who is currently driving out his fiftieth year at the wheel of a Cadillac car.

In New Jersey, there is another gentleman who has purchased every yearly model that Cadillac has produced over the past fifty-three years.

These are simply dramatic examples of one of the most remarkable traits in all motordom: *that once a man takes the wheel of a Cadillac, he usually remains at the wheel of a Cadillac!*

To be sure, a motor car would have to offer many unique virtues in order to win

so generous a place for itself in the affections of so many.

And, in the case of Cadillac, we think these virtues are self-evident.

There is, first of all, quality. No effort of design or craftsmanship is ever spared to make Cadillac the finest possible motor car.

There is beauty and luxury. The car's magnificent styling and interior coachwork have, over the years, brought Cadillac an inbred majesty and elegance that are entirely its own.

Then there is performance. In fact, Cadillac engineering has served as the indus-

try's constant inspiration and taskmaster.

Finally, there is reputation. Never in automotive history has another motor car sustained such an abiding public conviction in its own goodness.

And, without question, all of these basic Cadillac ingredients have this year reaped their richest harvest.

So whether you've been at the wheel of a Cadillac for half a century... or have yet to spend your first hour in the "car of cars"... you should see and drive this newest of Cadillacs.

Give Retirement Party for Pratt

Department heads an executives of Buhl Sons company of Detroit, honored Glenn Pratt at a retirement-farewell party at the Stockholm Restaurant on Thursday, January 24.

Pratt, who lives at 515 Neff road, retired after 40 years with the firm. He was a general manager and a member of the board of directors.

In his farewell speech, Robert Sweeney, president, lauded the retiree for his interest and untiring services with the company.

Pratt, who was born and raised in Grand Rapids, came to Detroit and began with the firm shortly after his marriage to the former Mabelle Stewart in 1916, in his native city.

In 1936, he was made general manager of the firm's Automotive Division, and in 1950, became a member of the company's Board of Directors.

The Pratts have been Pointe residents for the past 20 years. Mr. Pratt has been an active member of the Grosse Pointe Rotary Club, and was its president during the fiscal year 1955-56.

He and his wife, jointly announced that they will leave for Sarasota, Fla., today, January 31, where they will make their permanent home.

The couple have two children, Robert Pratt of Royal Oak, Mich., and Mrs. Elizabeth Ann Beltz of Yardley, Pa.

Grant Loses Ice Boat Trophy

POINTIER EDDIE GRANT, left defending DN International champion, turns over the trophy he won last year to the new 1957 champion, SKIP BOSTON of Mount Clemens, who won the title last weekend, January 26-27, on Lake St. Clair. But for a bit of hard luck in the first race when a fitting on Eddie's "Joker" let go, the former champion could have repeated. The DNF knocked Grant down to tenth place in the final standings. Boston is the son of a well known sail maker and has been sailing both ice and sail yachts practically since the time he could walk.

Club Installs New Officers

Grosse Pointe Spirit 20 of the Metropolitan Club of America, held its annual installation of officers on Tuesday evening, January 22, at the Harper Hall. The following men were installed as officers for the coming year.

President, Edward F. Leahy; 1st vice-president, Robert Van Tiem; 2nd vice-president, Francois Belanger; treasurer, Duncan MacEachern; recording secretary, Harold Zeeb; financial secretary, Edward Behrend; sergeant-at-arms, Albert Yaklin; three year auditor, Donald Coats; two year auditor, Richard Prietz; and one year auditor, Leonard Johnston. The party was well attended

by Pointe officers and their chiefs. A sizeable delegation from Harper Woods and other nearby communities also visited the meeting.

INJURED IN FALL

Four Movies Being Shown During Family Film Night

February's Family Film Night is to be presented tomorrow, February 1, at the Grosse Pointe Public Library. Scheduled for 7:30 in the Meeting Room on the second floor of the Central Library at Kercheval and Fisher, the program will offer an hour of color films which the entire family can enjoy together.

The Central Library is open both before and after the program to enable patrons to exchange books and to browse through the collection.

First on the program will be "Coral Wonderland," showing the fabulous coral growth of the Barrier Reef Islands coming to life under the microscope, and the reef's unique fish and underwater creatures.

"Johnny Appleseed—A Legend of Frontier Life" pictures and tells by narration the legend of Jonathan Chapman, known as Johnny Appleseed, and depicts his personal characteristics and deeds. He is shown at his cider mill; his fondness for apples is revealed; his fondness for the Bible disclosed; and his experiences throughout youth and old age—planting apple seeds and resetting the seedlings as he travels about, living with and helping frontier families—are related. The film includes several folk songs.

The third film on the program is entitled "Fable of The Peacock." This film shows an Indian girl, Lakshimi Waba Singh, as she narrates the fable of the peacock phrase by phrase, demonstrating the stylized hand gestures and body movements common to East Indian ceremonial and entertainment dances. Close-ups of her face, hands, and feet emphasize the subtle characterizations of the animals involved.

The story concerns the judgment of the peacock for his vanity. The other animals humble him by contesting his singing skill against that of the nightingale.

Completing the program will be "Snowdonia," showing the

scenery in Northern Wales, including Carnarvon, the inland mountain roads, Telford's Bridge, the University of Bangor, Shelley's home, and Lloyd George's home.

Patrons of the Library, both regular members of the Family Film Night audiences and newcomers, are invited to come to the Central Library on February 1 to enjoy the showing. Neither tickets nor reservations are required, and children accompanied by a parent or other responsible adult are especially welcome.

A man may lose his money and get more — if he loses his nerve it is gone forever.

Blue Devil Seniors End Prep Swim Careers

—Picture by Fred Runnels

Six seniors closed out their prep swim careers with a winning performance as Grosse Pointe High tumbled Highland Park on Friday, January 18, in the latter's pool, 56-40, to give the Devils a perfect 6-0 mark for the first half season. This puts the Pointers all alone at the top of

the Border Cities League race. Departing seniors, from left to right: TOM KETZLER, BOB GALE, MIKE COLLINS, EDDIE PONGRACZ, JOHN BENNETT, DAN BAUER and student manager ROLAND AUSTIN.

New Councilman Seated in Park

The Park's newest councilman, Thomas McCormick, was administered the oath of office on Monday, January 28, by City Clerk Charles Heise.

Mr. McCormick, an executive vice-president of Ross Roy, Incorporated, an advertising firm, succeeds Robert McKean, who resigned when he moved to the Farms. The new councilman will serve McKean's unexpired term which runs to April 1959.

Mr. McCormick lives at 1126 Audubon road, with his wife, Jeannette, and two children, Mary Ann and Terry.

The McCormicks have been residents of the Park for 18 years.

Salesmanship Movie Made at Stein Store

The S. Stein & Co., Men's Store in the Village was recently the setting for a commercial movie being made by the Jam Handy organization for the retail clothing trade.

The movie depicts how to and how not to serve customers. Featured in the cast as the "How-Not-To" was Sonny Eliot whose weather news lingo over Station WWJ has won him unusual popularity.

The Stein Store is one of the largest and finest in Michigan.

Friends of Library Donate New Color Television Set

Among its many services to the Community, the Grosse Pointe Public Library this week adds a new and unique feature. Filling a long-felt need in the Library, and in answer to great public demand, the Friends of the Grosse Pointe Public Library recently presented the Library with a television set.

The set is an RCA model, equipped for receiving programs in both color and black and white. The Library is emphasizing the fact that the set is also equipped to receive programs telecast over Station WTVS, better known as Channel 56, Detroit's ultra-high frequency education station.

The television set has been installed in the Meeting Room on the second floor of the Central Library at Kercheval and Fisher, and any patron may view Channel 56 at any time when the Meeting Room is not otherwise in use. (1) Monthly schedules of Channel 56 broadcasts will be prominently displayed at the Library's Park Branch, located in the Pierce Junior High School, and the Woods Branch, located in the Parcels Junior High School, as well as at the Central Library. (2) A weekly schedule of color broadcasts will be posted on the Central Library's bulletin board.

The special color broadcasts may be attended by any adult, and by children who are accompanied by a parent or other responsible adult. Groups such as clubs, classes or other organizations are invited to make use of the set whenever there is a program of interest to them. Information concerning reservation of the Meeting Room for this purpose may be obtained by calling Mrs. John Helfrich at TUxedo 4-2200.

Friends of Library Donate New Color Television Set

The Library's television set was installed by the Perkins Radio and Television Service. It is placed in the southeast corner of the Meeting Room on a raised platform, so that the screen can easily be seen from any seat in the room. About 135 persons can be seated in the Meeting Room at one time.

The television set has been a project of much interest to the Friends of the Library for some time. The Appropriations Committee of that organization, under the chairmanship of C. T. Ballantyne, deserves much credit for their efforts in obtaining the set.

It is the wish of Robert M. Orr, Director of the Grosse Pointe Public Libraries, that the new television set be used to the fullest extent by all citizens of the five Pointes, and that it may help to supplement the Library's collections of books, periodicals, records, films and various other services in the quest of continuing the educative process.

Truck-Car Crash Injures Driver

Joseph LaMarre, 36, of 4151 Lakepointe, Detroit, suffered injuries when his car collided with a truck at Mack and Wayburn on Wednesday, January 23.

A Park police report said LaMarre was taken to Bon Secours Hospital for treatment of chest and abdominal injuries, as well as for bruised knees and a cut above the right eye.

Ticketed for the accident was Edward J. Piscopink, 20, of 12709 Hampshire, Detroit, who was driving a Wayne County Road Commission truck, which was being used to spread salt on the icy streets. He is charged with making a U-turn into moving traffic.

Piscopink told police that the light had turned green at the Alter road intersection and that he thought he would have ample time to make a turn. Just as he did make the turn, LaMarre, who was traveling east on Mack, had arrived at Wayburn, but

was unable to stop because of the slippery street and crashed into the left rear wheel of the other vehicle.

The report said there was no damage to the truck, but the front end of LaMarre's car was smashed.

Student Driver Training Program Aired at Meeting

The December meeting of the Grosse Pointe Traffic and Safety Committee was highlighted by an illuminating discussion of the Driver Training Program of Grosse Pointe High School.

Guest speaker was Mr. N. Ray Watling, who heads up the driver education program at the school. Mr. Watling reported that there are approximately 185 students now enrolled in the driver training course. Next semester 250 students are expected. He said all indications show that in the near future, 500 students or more will have to be absorbed into the driver training program each semester.

Mr. Watling said that beginning the February semester, nine cars will be used for driver training. He added that the school system contemplated the continued use of the behind the wheel portion of the program largely in the Grosse Pointe Farms Pier Parking Lot.

Park police chief Arthur Louwers inquired as to the status of the parochial school participation in the driver training

program at the high school.

His question was answered by Dr. H. Leroy Selmeier, Director of Instruction for the Grosse Pointe School System. Dr. Selmeier said he had contacted each person in charge of a parochial school in this area, advising them the high school would be happy to hold the last class now available for their students, and set it aside for the training of parochial students. He further offered that if the enrollment necessitated, an additional class could be organized after school.

He requested that the schools arrive in his office not later than the last week in December, in order that they might be able to properly arrange the class schedule. By the 10th of December he had received not more than 10 applications from all the parochial schools. In his contacts he said he sensed a certain resistance from the heads of the parochial schools of integrating their students in driver training at the present time. It seems the teachers in the schools have the opinion that their students should receive driver training in the summertime.

Dr. Selmeier also mentioned that from the meetings he attended in Lansing, he felt that next year, the driver training law will be so changed that it will not be necessary for the student to apply to his local police department to get a learner's permit. If the new program is initiated, after successfully passing a series of tests, he would be allowed to drive under a restricted driver's license which requires a parent in the front seat with him whenever the student operates the car.

John Mazer, Commissioner of

Public Safety of the City of Grosse Pointe, and an assistant Prosecuting Attorney for Wayne County, said that under no circumstances did he think boys and girls of 16 were prepared to drive a car. He further stated that, in his experience, it appeared that the automobile and its use by underaged people was probably the greatest single factor in the amount of juvenile delinquency we now are faced with.

Reckless Drivers Fined in Court

Ten traffic law violators were taken before City Justice Court Judge Joseph P. Uvick on Tuesday evening, January 22.

Harold C. Beck of 2223 Alter road, pled not guilty of reckless driving at excessive speed. He was found guilty and paid a fine of \$40.

Vera L. Sharrow of 1580 Ford court, pled not guilty to a charge of not having her car under control and causing an accident. She was fined \$20 after being found guilty.

A fine of \$20 was levied on David H. M. Holihan of 435 Philip, Detroit. He was guilty of speeding 35 m.p.h.

Carol E. Peez of 374 University place, paid a \$15 fine after being found guilty as charged of not having her car under control and causing an accident.

A reckless driving charge was reduced to violation of the stop law, and Rose Joseph of Detroit was fined \$5.

The case of Alice Mae Hunt of 781 Westchester was dismissed.

Vernon Roosevelt Egan of Detroit, had a reckless driving charge reduced to car not under control. He was fined \$5.

Charles E. VanSickle of Roseville, paid a fine of \$25 after he was found guilty of not having his car under control and causing an accident.

Cleto Di Geovanni of 4627 Bedford, had his case dismissed. He was also charged with not having his car under control.

Roland Yee of Roseville, pled not guilty to a car not under control charge. His case was also dismissed.

Woods Advisory Group Formed

A civic group, to be known as the Citizens Advisory Committee, was formed in the Woods on Monday, January 28.

The committee was authorized by the Woods council at a recent meeting, for the sole purpose of making a study and to publicize the need for the three bond issues which will be presented to the electors at the April election.

The group will make a continuous study and report to the people so that the voters will be given an opportunity to vote for a \$475,000 bond issue, for a new municipal hall; a \$135,000 issue, needed to build a comfort station and develop recreational facilities in Ghesquiere Park; and an \$118,000 issue, which will be used to purchase and develop a park site in the northeast section of the city.

The group, which comprises of 15 civic-minded citizens appointed by the council, the chairman of the Recreation Board and the nine members of the Planning Commission, indicated that they will meet at least once a week.

Appointed chairman of the committee was Herb Savage, a former Woods councilman, and named as vice chairman was Mrs. Eugene Most.

Selected for the sub-committee to handle publicity, were: Lars Anderson, chairman; and Dr. Anthony Glazko, Marvin Boutin, Albert Siegmund and Vern H. Dumas, members.

HUBCAP STOLEN

Woods police recorded a complaint of Elaine Stephens of 1613 Prestwich, in which she stated that someone stole a hubcap from her car on Sunday, January 27, while the vehicle was parked in the Woods Theater lot.

Step into the wonderful world of AUTODYNAMICS

You have never seen, felt, owned anything like it!

You watch it sweeping by, this low-slung Swept-Wing Dodge, and you know in an instant that nothing you have ever seen before can compare with it.

"Can this be real?" you ask yourself.
"Can a car be so long and low and daring? So brilliantly styled?"

And what you see is matched only by what you'll feel when you actually put this beauty in motion.

The feel of the 310 hp. V-8 as you eat up the road. The feel of Push-Button Torque-Flite that packs a silk-smooth 1-2 punch. The feel of Torsion-Aire Ride and Total-Contact Brakes that give you a new mastery of every driving situation.

And just imagine owning this Swept-Wing Dodge. The pride and pleasure you'll experience every time you take the wheel is something that simply can't be measured in dollars and cents.

So stop in at your Dodge dealer's and ask for the keys to a Swept-Wing Dodge. A few minutes behind the wheel will convince you: *You have never seen, felt, owned anything like it!*

It unleashes a hurricane of power
It breaks through the vibration barrier
It is swept-wing mastery of motion

Pie Baking Champion

BARBARA BOYLES, 16, 1915 Van Antwerp, Grosse Pointe Woods, Grosse Pointe High School Cherry Baking Champion, represented her school in the Wayne County Finals which will be held in the Home Service Department of Michigan Consolidated Gas Company on Monday, January 28. Her home science teacher, MRS. IRMA MANN of 2033 Oxford road, Grosse Pointe, is coaching her for the County contest.

Barbara acquired her baking skill at home while cooking and baking for her family. Her Grosse Pointe High School teacher, Mrs. Mann, polished up her home training and is now coaching her for the county event.

If Barbara's home training and experience pays off in the county contest, she will win \$25 and a free trip to Grand Rapids. All her expenses, and those of her chaperone will be paid by the sponsors, the Michigan Canners and Freezers Association. In Grand Rapids, if she passes the Wayne County test, she will compete against other county champions on February 14 for a \$200 scholarship and the State crown.

If her skill still holds out in the State event, she will win a trip to Chicago for the National finals in March and a chance at the National Crown and a \$500 scholarship.

In Wayne County, 14 Detroit High School and several 4-H Clubs will send their champions to bake for the county title. During the past month, hundreds of Detroit high school students and 4-H members have been competing in preliminary tilts.

Peggy Lewis, Assistant Home Service Director of Michigan Consolidated Gas Company, is setting up a battery of gas ranges for the county event. Contestants entry blanks and recipes are being checked. Miss Lewis is also selecting a group of highly skilled judges who will spend the day judging entries, one by one. Names of the judges will be announced before the contest.

Barbara will face a rough test in the county contest. All contestants have to be good to qualify, but someone is going to win. We hope it will be Barbara. But even if she doesn't win, she can be proud that she won her school title and qualified for the county championship.

Library Acquires Four New Films

Film users of Grosse Pointe will have a selection of new titles available for their use during the month of February. The film collection of the Grosse Pointe Public Library, as part of its program of having new films available each month, announces four new titles.

The film collection is circulated from the Central Library at Kercheval and Fisher, where inquiries may be presented in person or by telephone to TUxedo 4-2200. All films are 16 millimeter and require a sound projector for their use.

No charge is made for the use of any films in the Library's collection, and an adult library card is the only requirement for borrowing.

The titles included in the consignment available during the month of February are:

"Legend of the Pied Piper" (11 minutes, color). The popularity of this puppet film was so great when the Library had it in December that it has been booked again. It tells the familiar story of the Pied Piper and the children of Hamelin.

"Life in the North American Desert" (11 minutes, color). Beautifully photographed evidence that though the desert may seem harsh, it abounds in life and beauty. Shows a variety of desert plant, animal, and bird life. Explains the causes and nature of desert conditions. Stresses the cooperation of plants and animals which make life possible, and the adaptation of both to their environment.

"The Civil War" (14 minutes, color). Chronologically follows the most important military events of the war between the North and South, stressing social, economic, and geographical factors which ultimately forced the South to capitulate. Portrays in an imaginative and realistic way the strategy and geographical setting on which the war was fought. (Note: This film will be available February 18-28 only).

An Opportunity to Serve

Now is the time of year when plans are being laid for the tenth year of American Field Service Scholarships. In 1947, the same organization which was founded in 1914 as a volunteer ambulance service, began its peacetime program of bringing European teenagers to this country to live with American families.

Ten years ago 17 youngsters came to America and were afforded the opportunity of attending an American school for a year. As an extra dividend to their year, the American Field Service in cooperation with the Greyhound Corporation, organizes each summer a 4,000 mile bus trip which takes the teenagers through a large portion of America. The program has grown to such proportions that this year, 453 European youngsters are now enjoying a year experiencing what the typical American teenager's life is like.

Eddie Metral from Switzerland, is attending Grosse Pointe High School under the sponsorship of the Grosse Pointe Rotary Club. Herman Schunck was brought here from Germany and is now attending Grosse Pointe University School. He is being sponsored by a private family.

The American Field Service International Scholarship is an open door which leads to understanding and friendship among the peoples of the world. It brings students from abroad to attend American secondary schools for a school year, and during the summer, sends American teenagers abroad to live with European families. In this way, future citizens of the world learn to respect the similarities and differences, among those who may live in different countries, but whose dreams and efforts are directed toward a single goal of a peaceful and useful life.

The minimum cost to a community to bring these teenage ambassadors is \$650 each. To send one of our students abroad for the summer costs \$415 plus \$125 for spending money. Broken down, the money represents ocean travel, U.S. travel, chaperone expense, orientation period, insurance, field trips, arrival and departure care, and administration here and abroad.

The American Field Service is dependent upon the community to find homes for these students. A student must live with the same family for one year. The foster parents exercise the same authority over him as they do over their own children. The parents, too, are responsible for giving him the understanding and affection that all teenagers require.

The family receives no remuneration for the upkeep of the student. Care is also taken to place the child in an American family. This is understandable inasmuch as the student is here to learn to speak the English language more fluently and to study American customs. It is mandatory that the exchange student be placed in a family which practices the same religion as he.

In 1950 the AFS program became an exchange program in the true sense of the word. Because of economic conditions in Europe following the war, it had been necessary for the program to function only one way with Europeans visiting America. Since that date approximately 700 American high school students have traveled to Europe under the auspices of the AFS program.

A candidate for the summer program must be at least 16 years old by June of the year he applies. His school must also be participating in bringing over an exchange student from Europe.

Homes in Europe are found for the American students by AFS committees composed of foreign students who have studied for one year in the United States and have returned home. The European foster parents, like the American foster parents, receive no financial assistance.

Students at the High School have been interested enough in the program to formulate plans for the sponsorship of another AFS exchange student in September.

Birmingham High students are sponsoring two of the four AFS students attending their school.

It is believed that there are some families in Grosse Pointe who would welcome the opportunity of taking one of these exchange students into their homes for a year, but they are not enthusiastic about providing the \$650 to bring the student here. This is where service clubs, churches, and the schools enter the picture. The Grosse Pointe Rotarians have pointed the way. The time is ripe for others to follow their lead.

Letters to the Editor

To the Editor:—

I hope you'll permit me to take this opportunity to congratulate all those who helped make last Saturday's "Peanuts for Polio" Drive such a huge success.

Thanks to everyone who took the time and trouble to dig down in their pockets for a coin or a bill while trying to balance an armful of packages, to the young men and women who handled the collections on such a nippy cold day, to Jacobsons who patiently and courageously served as headquarters, to Captain Rivard of the City Fire

Dept. whose fire engine kindled such enthusiasm and to the U.S. Army and driver Richard Weber whose bus was a godsend, to the merchants who bore with the inconvenience on so busy a day and to "Francois" who donated dinners to the winning team and their dates! The lucky winners were Sue Ooongo and Jackie Pawsat. Contributions totaled \$531.67, enough to buy two iron lungs for the unfortunate boy or girl whom the Salk vaccine could not save! Sincerely, Winifred M. Longyear (Mrs. Donald C.)

Grosse-Exaggerations

A. PRYOR

"If you hear a kind word spoken
Of some worthy soul you know,
It may fill his heart with sunshine
If you only tell him so.
If a deed, however humble,
Helps you on your way to go,
Seek the one whose hand has helped you,
Seek him out and tell him so!"

(Unknown)

Received a letter from a woman visiting in Arizona in a small town somewhere between Phoenix and Tucson. She sez most of the people there live just as luxuriously as the "erl" men live in Texas . . . in spite of the fact that many homes still have no phones and sport hitching posts outside their front yards. BUT when it comes to food . . . they are way ahead of most of us. In browsing through one of the local chainstores there, she came across the following items on the shelves:

Smoked Octopus . . . Smoked Frog's Legs . . . genuine Diamond Rattle Snake meat with sauce supreme . . . hard boiled quail eggs . . . fried grasshoppers with added salt . . . baby bees, seasoned with soy sauce and sugar . . . one oz. cans of Agave worms from Mexico . . . canned muskrat with spices, in gelatine . . . and fresh from France, canned natural snails with the shells in a separate package!

If you are a snail fancier (ugh!) the following recipe is printed on the can: "Open can and wash shells. Put a snail in each shell and put in casserole, covering with: melted butter, chopped parsley, garlic, echelo (chopped fine), salt, pepper and a dash of nutmeg.

Boar's hearts, anyone???

In case you've missed it (as we had), someone told us they either heard or read the following true tale. A gent who had recently bought a new house . . . was horrified when he got his first month's electric light bill which read "NINETY DOLLARS." Being on the naive side and figuring the electric company cannot be mistaken . . . he got so mad he tore to his basement and pulled the main electric switch out of the socket and advised his family that from now on they would use candles and kerosene.

Shortly thereafter, he received a personal visit from a representative of the power company. It seems that when he pulled his switch, he turned off the street lights for five surrounding blocks. By some error, the switch that controlled said lights was attached to his private line . . . hence the bill. All is now well and everyone loves everyone else!

And speaking of love . . . the woman who called us last week about her trouble with the Express Company . . . called again to tell us that all is now sweetness and light. The company finally settled the whole business and is making an extra effort in her behalf to get to the bottom of the mystery of the lost package . . . which incidentally has been miraculously found after 6 weeks.

From Florida comes the story of the fiasco which took place on the opening day of the race meeting at the Hialeah track outside of Miami.

The state's new super-duper highway which is supposed to cut hours off the drive between Miami and places further north like Palm Beach, is in the final stages of completion. Guard rails and signs have not been erected, but the road itself is finished, but not open to the public.

So as a special gesture to a select few, it was arranged to let a deluxe bus use the new road to get the invited guests from Palm Beach to the races and back. Among the party were the president of the bus company and the contractor who had built the highway.

On the return trip from Miami the driver used the proper cloverleaf turnoff not far out of West Palm Beach, but then took the wrong turn. The bus was some 25 miles out in the wilderness on a narrow, ancient road before the highly embarrassed driver and the slightly inattentive president and contractor realized that all was not right. The honored guests arrived at their destination several hours after the underprivileged motorists who had had to use the old route between the two cities.

Two items came our way concerning Elvis Presley. One is that now he has started his new picture at Paramount, "Something for the Girls" (whoo-who) . . . the studio has installed an extra switchboard to take care of HIS calls exclusively; also they've put two extra guards on the studio gates to keep his more avid fans from scaling the walls.

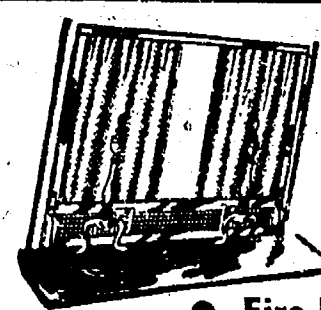

Another tidbit is that "What's My Line" got in touch with Presley's agent to get the star to appear as a mystery guest on that wonderful panel show. The agent asked \$10,000 for Elvis' appearance . . . so "What's My Line" decided to mystify the audience with a cheaper guest!

Overheard on the bus:

"A Grosse Pointe man is known by the company he owns."

"I slept like a log last night . . . a travelogue, that is."

"Wonder why some beer manufacturer doesn't call his outfit the "Storm Brewing Company?"

Exchange Club Benefits Many

The Grosse Pointe Exchange Club expended \$1,676.21 in carrying out good works during the calendar year 1956, it was reported by President J. F. Jannuzzi.

The organization's president listed the following: Sea Scouts, \$928.56; Little League Baseball, \$250; Christmas Party for children at the Delray Center, \$232.65; donation to the War Memorial Association, \$125; Korean Or-

phans, \$15; Grosse Pointe Hal-loween Committee, \$25; and donation to the Exchange Club Council for Metropolitan Detroit to help defray expenses of the annual Model Aviation Meet, \$100.

Jannuzzi said that the expenditures covered the most important contributions made by the club, and that every Exchange member deserves special commendation for this outstanding record.

What Goes On at Your Library

By Jean Taylor

Guest Columnist: Virginia Leonard

When you pass through the portals of your library—or any library—just what do you expect from the professional assistant who comes to your aid?

First of all, I think you would hope to be received with courtesy, friendliness, tact and understanding. For the shy or retiring individual particularly, a sympathetic atmosphere is essential for him to be able to explain his problem.

Next, without realizing it, you assume that the librarian can find whatever you are seeking, regardless of subject matter. This in itself means that this same librarian must have at his mental fingertips a vast and varied knowledge of what his library contains. He cannot be expected to know what precisely is in each book, pamphlet or periodical, but he should know, conceivably, what type of information the above contain.

Also, if his is a small library, he should know when he has exhausted the information contained in his own book collection. At this point, you, the patron, should be sent on to a central library, or to one that specializes exclusively in your field of interest.

A teacher's field usually is limited to one subject or one grade; a professional assistant in a general library has almost a limitless field. He can expect a question of any magnitude in any subject at any time. His questions may range from some trifling answer to settle an idle bet, to an important statistical

breakdown vital to some business tycoon. In either case, it represents an intellectual challenge to the librarian.

Is it any wonder that he frequently feels like the many-faceted Figaro of the Barber of Seville, who was constantly kept on the qui vive because of his ability as a general factotum?

Let no one speak disparagingly of the librarian's jack-of-all-capacity; he must of necessity be versatile in many fields, or you, the patron, would often leave your library with your questions unanswered!

Ford Scholarship Won By John Stuart Jaquish

John Stuart Jaquish, son of Mrs. Charles R. Jaquish of Mounsee avenue, has been awarded a scholarship by the Ford Foundation for his sophomore year in the Art Center School, Los Angeles, Calif.

A graduate of Grosse Pointe High School, John attended the Detroit Institute of Technology before entering the Art Center School. He has won many prizes in auto design competition and was known for his interest in art and design in high school years. His outstanding ability has given him the signal honor of receiving the Ford scholarship for his sophomore year, which has usually been awarded only to junior or senior students.

When Children Won't Eat

By FRED M. KOPP, R. PH.

Few doctors advocate forcing a child to eat. Still there are minimum requirements of certain foods that must be consumed daily if the child is to grow and be healthy.

When your children bypass all your schemes to get those necessary vitamins into their systems daily, the best thing to do is consult your doctor. There are many drug forms of food chemicals which will adequately make up the deficiency.

If your doctor prescribes one or more it will be to your advantage to secure them from a quality pharmacist.

Reservists Off For Mock Battle

Reservists of Michigan's own 10th Infantry Division (Reserve) are off to fight a mock battle at Fort Sheridan, Illinois.

Exercise Big Blast VI, scheduled February 2 and 3 at the Army post 35 miles north of Chicago on Lake Michigan, will provide a "refresher course" for provisional corps, division, and other unit commanders and their staffs assembled from the eastern sector of the 13-State Fifth Army Area.

Forty general officers plan to participate in this, the biggest of the Big Blast exercises to date.

The Fifth Army Commander, Lieutenant General William H. Arnold, will be the Exercise Director, and the Exercise Control Group will be appointed from his staff at Fifth Army headquarters here.

Top local Reservists from the Grosse Pointe area are part of this exercise. Their names are: Lt. Col. Morton C. Pearson, 1319 Three Mile Drive; SP/3 James A. Lafer, Jr., 53 Oxford; Major Walter K. LaFond, 1915 Hunt Club.

A typical "Field Army Headquarters" will be established at Fort Sheridan for the two days of Big Blast VI. There General Arnold will control the fast-moving theoretical maneuvers of three Army Corps against an Aggressor Army Group.

Play of the exercise will be confined entirely to the Fort Sheridan command post. There will be no actual troop movements.

The purpose of the exercise, its planners said today, is to provide training for commanders and staffs in tactical, intelligence and logistical operations under assumed conditions of extensive atomic, chemical, bacteriological, radiological and electronic warfare capabilities. Both the "friendly" and the "enemy" forces are assumed to have these capabilities.

Play of Exercise Big Blast VI will serve to bring participants up-to-date on latest developments in organization, concepts, procedures and techniques, headquarters staff planning officers explained.

The combat situation assumed for Big Blast VI is one developed from the previous Big Blast series, and will involve continuation of an army's large-scale offensive operations as they develop during a 24-hour period.

The worth of a man is measured by his everyday actions, not by an occasional good deed.

How to Profit Through Tax Exemption

With today's high tax levels, investor in medium and high tax brackets are turning to tax-free Municipal Bonds for income that they can keep.

If you have a taxable income of \$10,000 or more, you may be well repaid by investigating the advantages of tax-exempt State and Municipal Bonds. For instance, if you file a single return on a taxable income of \$10,000, you would have to receive a dividend return of 7.45% on a taxable security in order to equal the yield from a 3.50% tax-free Bond. It's something to think about!

Our New Booklet, "How to Profit Through Tax-Exemption" explains in plain language your need for tax exemption, tells how much these high-grade investments can be worth to you. There's no obligation. Send for copy today, or phone.

Red Cross Needs More Volunteers

"Detroit chapter Red Cross will continue to recruit volunteers until the end of the first week in February," said Mrs. J. Dwyer Kinnucan, chairman of volunteers for the chapter.

"There are still many openings for women in all of our services. These services are varied and include serving in hospitals, as Gray Ladies, performing non-medical duties for the patients; driving chapter-owned cars, station wagons and buses on chapter business and mercy assignments; helping in the chapter canteen or on blood-mobile units; performing clerical duties in chapter and volunteer offices; working in many capacities in the blood program. We feel that any prospective volunteer will find one service that will provide her an opportunity to use her particular skill and interest in service for others.

"Most of our volunteers spend one day a week . . . but our services are round the clock and round the calendar—so we must have many people to cover the assignments."

Mrs. Kinnucan said new volunteers will be given a training course which enables them to perform the duties of their chosen service. Mrs. E. K. Wilson, vice-chairman of volunteers, will provide instruction for staff aides and blood center volunteers on Thursday, February 7, at 1 p.m. in the chapter headquarters, 153 E. Elizabeth. New canteen volunteers will start their training on Tuesday, February 5, at 10 a.m., and continue on February 12, 19 and 25 at the same hour, also in the chapter headquarters, under the direction of Mrs. John Hering, canteen chairman.

Motor service training classes will be announced later. Mrs. Cameron Ryckman, chairman of Gray Lady Service, said new Gray Ladies will be notified prior to their training classes, starting in mid-February.

Interested women are invited to call Woodward 1-3900, between 11 a.m. and 3 p.m., any week day and talk with the chairman of the service in which they are interested.

Kids Send Help To Hungarians

Because of the spirit of giving displayed by a group of school children, Hungarian relief has been enriched by a 100-pound CARE package. Dexter M. Ferry Elementary school children, like those in the other Grosse Pointe schools, have been filling gift boxes for Hungarian relief. Caught up in the spirit of the program, parents of a second grader at Ferry sent teacher R. berta Zajick's room the following letter:

"Dear Second Graders:
"This is to let you know that a 100-pound CARE package has been sent to the Hungarians in the name of your second grade class of Dexter Ferry School.
"We think your plan to help other people is very good and we would like to help too."

Each box is packed with a variety of small items such as a bar of soap, a toothbrush, a handkerchief, shoe laces, a small doll, and a little toy or trinket. Mrs. Mary Jane Better, teacher-sponsor of the Junior Red Cross work at the school, reports that to date some 150 boxes have been packed by the Ferry School young people.

Cars Mix It Up At Intersection

The combination of one driver driving too fast, and another piloting her car into an intersection without due caution, resulted in a two-car collision at the junction of Charlevoix and McMillan, Sunday, January 27. Mrs. Juanita MacDonald of 262 McMillan, was driving south on that street in a new Chrysler. She stopped the car at Charlevoix, then proceeded across.

Louise E. Seyler of 954 Bal-four was going east on the through street. When she saw the MacDonald car she attempted to stop her 1956 Dodge station wagon, but the car skidded on the snow-covered pavement and hit the Chrysler in the right side.

Seven-year-old Melinda Seyler suffered a cut lower jaw and bit her tongue. Estimated damage to the Dodge was \$300, and to the Chrysler, \$600.

Violations were issued to Mrs. MacDonald for entering the intersection without due caution. Mrs. Seyler was ticketed for not having her car under control.

Any man would a lot rather be knocked down by a stranger than be double-crossed by a friend.

Motorists Pay For Bad Driving

Rather heavy fines were levied against traffic violators who appeared before Park Judge C. Joseph Belanger on Wednesday, January 23.

The biggest fine, \$35, was paid by Yim N. Leong of 6636 Kercheval, after he entered a plea of guilty to running a stop street at St. Paul and Buckingham, and causing an accident.

Reckless driving, which resulted in an accident on Mack avenue, brought a fine of \$25 against Raymond Wollensiefel of 29702 Rosebriar, St. Clair Shores. He pled guilty to the charge.

Also ordered to pay a \$25 fine was Michael S. Hertzler of 3817 Pulford, Detroit, who was found guilty of a stop street accident at Cadieux and Jefferson.

Frank C. Marchand of 1748 Anita, accused of driving at night without lights and causing an accident at Charlevoix and Berkshire, entered a plea of not guilty and was found guilty. He paid \$20.

Leo J. McGough of 3550 Edgewood, Walled Lake, denied any guilt in making an improper left turn into traffic and causing an accident at Berkshire and Charlevoix. He was found guilty and ordered to pay a \$20 fine.

Leonard L. James of 853 Beaconsfield, pled guilty to reckless driving and causing an accident at Beaconsfield and St. Paul. His fine was \$15.

Edward Charged of 3544 Bagley, Detroit, charged with causing an accident at Cadieux and Jefferson, was found guilty, but the payment of his fine was suspended. However, he was ordered to pay \$5 court costs.

Theodore J. Hall of 675 W. Willis, Detroit, accused of a reckless driving accident, had his case dismissed, when Judge Belanger found no probable cause.

Agnes Nichols of 4240 Audubon, Detroit, who appeared in court to answer an accident charge on a citizen's complaint, was found not guilty.

Edward Fay of 15004 St. Paul, did not appear in court to answer a charge of being drunk and disorderly and forfeited a \$25 bond.

New York Girl to Wed Mr. Schauer this Summer

From Jamestown, N.Y., comes news of the engagement of Helen Joann Bargar, daughter of Mrs. Thomas Bargar, and the late Mr. Bargar, to Peter Alan Schauer.

He is the son of the William Schauers, of Harvard road, and is at present studying at Michigan State University where the bride-elect is also enrolled.

The pair plan to exchange vows in the late summer.

Dominican High Parents To Sponsor Card Party

Dominican High mothers and fathers are planning their social event, to be held on Wednesday, February 6, at 8 o'clock.

Mrs. Terrence Barden, general chairman, has announced the party will take place at Dominican High School. Mrs. Barden will be assisted by Mrs. E. P. Hanafin as co-chairman and Mrs. John H. Verlin as ticket chairman.

Tickets may be reserved by calling Mrs. William Yott at TU 4-2088 or TU 4-2254.

POOL FIRE DOUSED

A Woods police car crew spotted a small fire at the Parcels School near the new pool construction project on Saturday, January 26. Woods firefighters who answered the call extinguished a blaze which destroyed two canvas covers and damaged several wooden cement frames. Damage was estimated at \$100.

To Speak Vows

Mr. and Mrs. John Mathieson, of East Kings Court, announce the engagement of their daughter, ISOBEL, to Eugene L. Marvin, son of the John W. Marvins, of Three Rivers, Mich. The couple are studying at the University of Michigan.

Movie Council To Give Party

The Grosse Pointe Motion Picture and Television Council is giving a desert, bridge and fashion show on Monday, February 11, at 12:30.

The party is being held at the Grosse Pointe University School Gymnasium. A large selection of spring clothes will be seen in the fashion show, and there will also be numerous prizes.

Mrs. Robert Swanson is chairman of the party, assisted by Mrs. Minard Mumaw.

History Month To be Observed

Due to emphasis of the importance of American History by the National Society Daughters of The American Revolution—February is again being proclaimed American History Month throughout the country.

Governor Williams has issued a proclamation intended to focus attention on all phases of American History in Michigan during February.

Locally, The Elizabeth Cass Chapter, D.A.R. of Grosse Pointe Farms has assumed the responsibility of the promotion of this project.

The City of Grosse Pointe and the Woods took the lead in responding to the local D.A.R. Chapter's request for local recognition of the need for citizens of the community to have a knowledge of the history of our cities, our state and our country.

Mayor Frederick W. Parker, Jr., of the City, and Mayor Kenneth Koppin of the Woods, have issued proclamations marking February as "American History Month" in their respective communities.

Children especially should be taught their heritage through schools, youth organizations, their churches and especially their homes.

An awareness of the things that have gone into making the United States of America, will certainly serve to help all of us (whether native born or recent arrival) to be vigilant in maintaining "a government of the people, by the people and for the people."

The objectives of the National Society, D.A.R., are historical, patriotic and educational. The theme adopted for 1956-57 is Cherish and Maintain American Freedom. Members of the Elizabeth Cass Chapter are encouraged by the fine support they have received from public officials, schools, libraries, the press and many individuals who contribute toward achieving the goal of cherishing and maintaining American freedom.

Sodality Plans Big Conference

The largest conference of its kind will be held at the University of Detroit Saturday and Sunday, February 2 and 3 when more than 5,000 high school, college, and nursing school sodality members and their moderators arrive for the Training School for Sodality Action, according to Arthur S. Ludwig, general chairman.

Three of the speakers who will address high school sodalists are from this area. Dorothy Mae Little, daughter of Mr. and Mrs. Raymond F. Little, 89 Vendome, is a senior in the College of Arts and Sciences, as is Donald R. Galvin, son of Mr. and Mrs. Stephen M. DuBrul, lives at 900 Sunningdale.

The third speaker is Gail E. Garvey, daughter of Mr. and Mrs. Paul P. Garvey, 1386 Bishop. She is a sophomore in the Arts and Sciences College.

Sponsored by the U. of D. branch of the Sodality of Our Lady, a national youth group of the Catholic Church, the TSSA presents ways and means of attaining spiritual perfection.

Among the outstanding figures in the field of the lay apostolate who will be guest speakers are Baroness Catherine DeHueck, Doherty. Baroness friend of Madonna House and Friendship Houses in Canada and the United States, is the author of "Friendship House," "Dear Bishop, Dear Seminarian," and the subject

Schedule Annual Easter Tour to Glorious Hawaii

Mr. and Mrs. Harry W. Short of Harvard road, will again escort a tour to Hawaii during the Easter vacation.

The tour will leave Detroit by plane Thursday evening, April 18, and return Sunday, April 28. A longer stay in Hawaii can be arranged for those who wish to extend their vacation period.

A very low rate of \$539.00 for the 10-day trip and \$569.00 for the 15-day trip has been arranged. Upon arrival in Hawaii the members of the tour will be welcomed at the airport with the usual presentation of leis for each member before being transferred by limousine to the hotel.

The beautiful Princess Kalanani, the newest of the Matson Line hotels at Waikiki, has been selected for the party's stay in Honolulu.

Included in the features are a sumptuous dinner at the Royal Hawaiian Hotel and numerous sightseeing trips around the island. A boat cruise to Pearl Harbor is also included in the tour.

For those who wish to take advantage of this low rate it is necessary to make immediate reservations because of the heavy demand for space at this season of the year.

Information can be obtained from the Paul Henry Travel Service in the Washington Boulevard Building, WO. 1-7075.

In 1955, an appropriation of the State Legislature made it possible to organize The University of Michigan's Mental Health Research Institute, which is seeking general theories and laws governing human behavior and mental health.

To Wed

Mr. and Mrs. Curtis W. Miller, of Hunt Club drive, announce the engagement of their daughter, SUE BETH, to Edmond W. Brouillet, Jr., son of the Edmond W. Brouillet, of Muskegon Heights, Mich.

Miss Miller attended Hillsdale College, where she was affiliated with Chi Omega.

The engaged pair are presently attending Michigan State University, where Mr. Brouillet is a member of Delta Chi. They will be married this summer.

Find a man who is perfectly contented in this world and he's probably too good for it.

Engaged

Mr. and Mrs. Stanley L. Fildew, of Harvard road, announce the engagement of their daughter, JANET, to Jack R. Harvey, son of Mrs. Roy Harvey, of Newcastle, Pa., and the late Mr. Harvey.

The bride-elect, a senior at the University of Michigan, is a member of Tau Beta and Kappa Alpha Theta.

Her fiancé was graduated from the University of Indiana and took his masters degree at the University of Michigan. The pair will be married April 9 in Melbourne, Fla., where her parents are wintering.

From Another Pointe of View

MR. and MRS. HARVEY F. GAMAGE of South Bristol, Maine, announce the engagement of their daughter, HARRIET ALICE, to DANIEL B. MORONEY, son of MR. and MRS. CLARENCE C. MORONEY of Harvard boulevard. An April 28 wedding is planned.

DAVID L. SEEBER, formerly of Merriweather road, and MRS. SEEBER, have announced the birth of a son, EDWARD KEMP, on January 25, in Fairfield, Conn. The paternal grandparents are the TAYLOR H. SEEBERS of Merriweather.

JAN JOLLEY, daughter of MR. and MRS. FOSTER WINTER of Berkshire road, has been active in many fashion shows on the Michigan State University campus this winter. Jan recently modeled J. Hop fashions in a Jacobson's show. She also serves on the Union Board Fashion Panel.

AMY JO WHITEHEAD, daughter of the JAMES F. WHITEHEADS, JR., of Country Club drive, celebrated her eighth birthday Sunday afternoon with a skating party at the Country Club.

MR. and MRS. WENDELL W. ANDERSON, JR., of Kerwood road, will travel to Milwaukee on February 8 for the wedding of Mrs. Anderson's brother, DONALD WALFOUR WARREN and BARBARA WENZELL.

MRS. EDWARD I. BOOK, of Oxford road, will leave sometime this month for a vacation in Delray, Fla.

MR. and MRS. WILLIAM J. ROSS, II, of Middlesex boulevard, have taken a house in Pompano, Fla., for a few weeks. They will also take a trip to Havana.

SUMMARY OF MINUTES

Regular Meeting
January 21, 1957

Meeting was called to order at 8:00 P.M.

Present on roll call: Mayor William F. Connolly, Jr., Councilmen William G. Butler, George S. Lang, Richard L. Maxon, Neil S. McEachin and Edward C. Roney, Jr.

Absent: Councilman William G. Kirby.

Minutes of the regular meeting held on January 21, 1957, were approved with minor changes.

After consideration by the Council of the petition of Mr. Frederick Eger, of 160 McMillan Road, requesting the rezoning of his property, Lot #212-Radnor Park Subdivision, from a residential district to a local business district, the Council requested the City Attorney to prepare a proposed amendment to the zoning ordinance to be presented to the Council for consideration at its meeting to be held on February 4, 1957.

The reports of the Police and Fire Departments for the month of December 1956, were received and ordered filed.

Approval was given to purchase the necessary materials to rebuild a 10 inch pump at the Sewer Station at a quoted price of \$2,288.00.

The Acting City Manager was authorized to take bids on the following:

- (a) 1-3/4 Ton Express Pickup Truck for the Public Works Department.
- (b) 1-1 Ton Truck for the Water Distribution Department.

(c) For the necessary pruning of trees at various places in the City where there are low branches and hazardous dead limbs.

(d) For the planting of new trees to replace losses caused by the installation of new sewers on Kercheval, Beaupre and Charlevoix.

Authority was given to return to the owners or destroy all private building construction plans with the exception of those filed during the last five years ending December 31, 1956.

The Acting City Manager was given approval to contract for painting in the City Offices made necessary by the installation of the air conditioning system.

The City Attorney presented a proposed amendment to Section 3.10 of the City Charter which would bring this section into conformity with the provision of the Michigan Election Law relative to voting machines. A resolution was adopted that the proposed amendment be submitted to the electors at the Regular City Election to be held on April 1, 1957.

The meeting adjourned at 9:35 P.M.

From Another Pointe of View

This Thursday afternoon Franklin Settlement House Board members will have one of those experiences warming to the hearts of all who devote so much time to social work in distressed areas of the city.

Oscar Graves, a former Franklin boy, will return to the House to present a sculptured plaque he designed himself. His first interest in the arts was fostered by settlement workers and after the war he was brought to the attention of the famed sculptor, Marshall Fredericks.

Mr. Fredericks designed the stunning sculptures in the Ford Auditorium and Mr. Graves helped him with these masterpieces.

At this regular annual meeting, which the staff of Franklin gives for the board members, new officers will be inducted.

Mrs. Joseph A. Vance is the new president with Mrs. Leonard T. Lewis, first vice-president, and Mrs. David D. Williams, second vice-president.

Other officers are Mrs. Richmond W. Smith, recording secretary; Mrs. Edward B. Caulkins, Jr., assistant recording secretary; Mrs. Reginald MacArthur, corresponding secretary; Mrs. Henry E. Bodman, assistant corresponding secretary; Mrs. John W. McEachren, treasurer, and Mrs. John H. Stephenson, assistant treasurer.

Symphony Keeps Them Home

Mr. and Mrs. John B. Ford, Jr. would have been off to their winter home in Cat Cay long before this if it were not for their deep devotion to the Detroit Symphony Orchestra.

The Fords will wait for their southern journey until after the Friday, February 15, concert of the orchestra in honor of symphony contributors.

They will be back and forth between their Grosse Pointe residence and their winter home during March however, because conductor Paul Paray will be directing a recital of chamber music in the Art Institute on March 23 and on the 28th of that blustery month will be the final symphony concert of the year.

More symphony notes . . . the children's concert, set for March 2 at 11 in the morning is completely sold out so that an afternoon program is now promised. The Severa ballet will perform Tchaikovsky's "Sleeping Beauty".

Fine Arts and Frapperies

Island hopping for three weeks in March will be Mr. and Mrs. Raymond J. Duffy, Jr., of Radnor Circle. All the exciting spots in the Caribbean are on their itinerary.

They will wait to sail until after the Fine Arts performance of Cole Porter's "Anything Goes", which is now in rehearsal for March 8 and 9. Mrs. Duffy will be in the chorus.

Fine Arts hardly caught its thespian breath after last weekend's successful "Bell, Book and Candle" before plunging into this new effort, a musical yet!

Determined to try skin diving, the Frederick W. Peaces Jr., will be off South, too. Their destination is the Florida Keys for this aquatic effort.

Then they will motor back to Maimi and fly over to Havana, then back to Pompano, Fla., say the reservations. All in all they will be away from their Chalfonte road home three weeks from departure date, set now for February 6.

Ibex members and their husbands are in a fever of anticipation over their upcoming gala week-end of theater. They are presenting "Wake Up, Darling" at the Grosse Pointe University School Auditorium on February 8 and 9.

The gay comedy promises to be a sell-out, what with proceeds going to the Foundation for Exceptional Children, Inc., in Grosse Pointe. To insure professional performances from the amateur actors Bill Merrill has been directing rehearsals.

Ushers for the two evenings will be Mrs. Thomas Green, Mrs. Harry Burnett, Mrs. Robert Weber, Mrs. Charles Gauss, Mrs. Richard Gushee, Mrs. Daniel Bowen and Mrs. John Bockstanz.

The James Harlands have invited a group to take pot-luck with them in their Radnor circle home before opening night curtain. Ibex prexy Mrs. Joseph Caskey will of course be on hand for all the doings Friday night, but directly from the theater will dash off to catch a plane for Mexico City for a brief vacation.

Events Enjoyed By Newcomers

The Grosse Pointe Newcomers Club members enjoyed an evening of square dancing last Friday to the expert calling of Dave Taylor.

The committee, headed by the John Masons, with the Richard Davies and the Ken McMills, assisting served punch and sandwiches.

The newcomers who were introduced at the party were Mr. and Mrs. Les Cowling, Dr. and Mrs. Hunter Comly, of Lake-pointe-avenue, and Mr. and Mrs. Richard Thomas, of Bishop road.

On Saturday, February 9, Newcomers will gather at the American Legion Hall on Mack avenue at 8:30 o'clock for a different type of party, titles a "Trademark" gala.

Each couple will come dressed to represent the husband's profession or occupation. Prizes will be awarded for the cleverest costume. There will be dancing.

Working on this festivity are Mr. and Mrs. Edward Rose, chairmen, Mr. and Mrs. Douglas Willey, Mr. and Mrs. James Snyder, Mr. and Mrs. Stuart Moreton, Mr. and Mrs. Donald Bays, Mr. and Mrs. Larry O'Donnell and Mr. and Mrs. William Hoffman.

Young Adults To Hold Party

Two famous Presidents, of course, were born in February. But more important by far to the young single adults of the Grosse Pointe Women's Society is the fact that February means Valentine's Day. They are saluting the famous Saint the weekend preceding the 14th.

On Friday, February 8, at 9 o'clock, Bill Knicely's orchestra will begin the dancing.

If anyone is nursing a current ski injury there will still be plenty of fun informally in the lower lounge and around the refreshment table. A warm welcome awaits everyone around the Center's big fireplace.

Rotary to Hold Ladies' Night

Grosse Pointe Rotary will hold its annual Ladies Night at Al Green's, Jefferson and Beaconsfield, on Monday, February 11, it was disclosed by Bruce Bockstanz, program chairman.

He said last year's affair was successful, bringing out 97 persons, 48 married couples — and one bachelor.

Mr. Bockstanz said that there will be plenty of refreshments, and that tickets will be only \$3 a person.

The Townsmen, a string trio, will furnish the dinner music.

For reservations, Rotarians are asked to call Mr. Bockstanz at TU. 1-5342, or obtain tickets from him at the regular meeting on Monday, February 4.

Motion Picture Council Plans Party

GENERAL CHAIRMAN MRS. ROBERT G. SWANSON, right, shows the tickets for the Grosse Pointe Motion Picture Councils Dessert Bridge and Fashion Show, to be held at the Grosse Pointe University School, to PRESIDENT MRS. ROLOSON WILCOXSON, right, and membership chairman MRS. WILLIAM H. CODDINGTON. The party is planned for Friday, February 11.

Church Society Plans Luncheon

The Woman's Society of the Grosse Pointe Methodist Church announces a General Society Luncheon to be given Tuesday, February 5, at 12:45 p.m., at the church in Moross road.

The guest speaker will be Miss Pearl McCain, head of the Department of Christian Education of Seiva College for Christian Workers in Nishinomiya, Japan. The college is one of the Methodist Women's Society Schools, now a part of the United Christian Church of Japan.

Miss McCain, a native of Little Rock, Ark., is in the United States on her furlough and has been attending Scarritt College and Vanderbilt University in Nashville, Tenn., and her alma mater, Columbia University in New York, for further study in her field of Christian Service. She will be a housewife for the few days and will join the ladies of the church at luncheon to tell of her work in Japan.

Miss McCain has an impressive background of work in the Orient. She was a missionary in China for 12 years prior to World War II, five of these years under Japanese domination. For six months she and her co-workers were placed under "house arrest," which meant absolute confinement to quarters. She was finally repatriated on one of the famous Gripsholm crossings and after her return to the States, taught in several re-location camps. After the war she was assigned to her present post in Japan.

The Doris White Circle, under the direction of Mrs. Robert E. Nelson, will serve as hostesses for the luncheon. Mrs. Philip Hart of the circle is in charge of the decorations, which will follow a Valentine motif. Mrs. Thomas Estes will present the devotional program of the meeting.

There will be two nurseries provided free of charge, one for infants and one for toddlers. All church women are urged to attend and to bring guests. For reservations, call Mrs. Nelson, TU. 4-5104.

Scenic vacations give some people a lot of pleasures just in saying they have been there when they get back.

Vets Auxiliary Elects Officers

The Allied Veterans Council Auxiliary of Wayne County recently held its annual election of officers.

Dorothy Frick, Veterans of Foreign Wars, was elected president; Agatha Schulte, Catholic War Veterans, first vice-president; Sonnie Sharp, American Legion, second vice-president; Clyde Trangmar, Veterans of Foreign Wars, secretary; Ethel VerHeul, Cootiettes, treasurer; Ida Hamming, American Gold Star Mothers, chaplain.

Edith Bryan, American Legion, parliamentarian; Rose Cowan, Jewish War Veterans, historian; Marie Michaels, American Legion, sergeant-at-arms; Mary MacDonald, Blue Star Mothers and Elizabeth Pleske, Polish Legion of American Veterans, trustees; Mary Domke and Iva Stringer of Blue Star Mothers, hospital co-chairmen.

The Auxiliary is comprised of representatives from 13 veterans organization auxiliaries, and since its founding in May 1954, members have assisted the men's council in many of their major programs. These include such projects as the Old Mariners' Church window; the veterans' booth at the State Fair; monthly visits to the Dearborn Veterans Administration Hospital; annual Christmas party for children of hospitalized veterans in Dearborn and Ann Arbor.

Installation of officers, will take place this evening, January 31, at 8 p.m., in the Veterans Memorial Building, Detroit. The public is invited.

An interesting program has been arranged. Frank McDonald, president of the Allied Veterans Council, Inc., will install the officers.

If a man expects his day dreams to come true he can't afford to spend his nights trying to work them out.

DAC Members Fete Wives at Two Parties

Bowlers Entertain at Saturday Night Dinner Dance
Beavers, DAC Swimming Team Plan Gala Around Pool for February 9

Detroit Athletic Club's distaff side is being much feted. Ahead is the annual mixed party of the Beavers, DAC's swimming group, who will honor their ladies on February 9, and just past is the DAC Bowlers' party which honored the keglers' wives last Saturday.

Grosse Pointers Eugene A. Garagaro, Herbert W. Hart, Edward J. Schoenherr, and Arthur D. Sutherland are on the Beavers' entertainment committee, chaired by Hilton M. Grier, making mighty plans. Other assisting members are William N. Flemming and William A. Frew.

Party locale will be DAC's natatorium and gymnasium. There'll be cocktails around the pool at 7 o'clock; an 8 o'clock aquatic exhibition; a sumptuous buffet dinner, and dancing, in the gym at 9 p.m.

Aquatic stars diving and swimming will be Olympic winner Patricia Keller McCormick of Los Angeles; Jeanne Stunyo and Barbara Gilders of this area; Nancy Simons of Chicago, and others.

The party will be limited to 175 couples. Dancing will be to music by the Arthur Quatro orchestra.

Reviewing the Bowlers' party last Saturday—it was festive, beautiful, and loads of fun.

Bowling at 11 o'clock was a highlight, despite formal dress (they do change to bowling shoes)—and it's only at this party that the distaff side has the coveted once-a-year privilege of kegling on the DAC alleys.

Tim G. Meulenberg, bowling chairman, and Mrs. Meulenberg greeted throngs at the 6 o'clock cocktail hour (some 600 attended). Dinner was in the Georgian and Pontchartrain rooms and gymnasium. League members and wives sat at their respective league tables.

Entertainment and dancing were in the gym. In addition, there was music by a combo in the Abbey grill, adjoining the bowling alleys, after 11 o'clock for the fun of alternating kegling with dancing.

Grosse Pointer league chairman and wives present were the Boyd H. Armigers, Mr. and Mrs.

Louis A. DeHayes, the Frank R. Dimonds, the Howard J. Elys, and the Murray J. MacDonalds.

In the big Grosse Pointe contingent were the E. D. Flintermanns, the Knox Hearnes, the J. Edgar Dumcans, the Arnold E. Hofmanns, the Peter J. Koenigs, Harold W. Scotts, Peter J. Galletts, George E. Lotts, the A. J. Wettlaufers, Elmer F. Wagners, James C. Finneys and Mr. and Mrs. George W. Parkin.

More were the Fred A. Rohms, James S. Eldridges, Dr. and Mrs. Don S. Graham, Mr. and Mrs. Robert J. Byrnes, Mr. and Mrs. John E. Giles, Mr. and Mrs. Ralph E. Cross, the C. Ray Davissons, the Harvey E. Macks, the Leslie G. Kortes, William G. Siebarts, the Joseph H. Ryalls, and the George B. Wests.

St. Clare Group To Hold Party

Mrs. Basil Cunningham and Mrs. R. M. Hoffman are co-chairmen for the February 10 Buffet Supper and Card Party sponsored by the Archconfraternity of St. Clare in their parish auditorium.

A Valentine motif has been chosen by Mrs. Roland Loweke and Mrs. Clayton Alandt for the decorations. Mrs. Ernest Clark will head the kitchen committee and is busily preparing turkeys, hams, scalloped potatoes, varieties of salads and relishes, cake and coffee.

Seating arrangements will be handled by Mrs. John Slevin and Mrs. Earl Ploof, while the table and door prizes are being secured by Mrs. Leon Verhaeghe and Mrs. Joseph Martin. Tickets may be obtained through Mrs. Edward Schott, TU. 2-4960.

Janice Marie Judge Weds Mr. Henning

Pair Exchange Vows at Morning Ceremony in St. Paul's on The Lakeshore; Will Make Their Home in Sturgeon Bay, Wis.

Janice Marie Judge, daughter of the Aaron Judges, of Muir road, became the bride of William C. Henning, Jr., Saturday, January 19, at a morning ceremony in St. Paul's on the lakeshore.

For her wedding the bride chose a gown of mirror-mist taffeta fashioned with a sabbina neckline delicately outlined with embroidered Brussels lace. A very full skirt formed a circular train which could be caught into a bustle.

Her fingertip veil of illusion was held by a double tiered pearl crown. She carried a white missal with an orchid.

The maid of honor, Ellen Dansbury, and the attendants, Betty Gooßen and Wanda Jean Utt, wore empire princess frocks

of pavanche blue velveteen with matching satin streamers and accessories. Their colonial bouquets were of roses and carnations.

The bridegroom asked his father, William C. Henning of Lincoln road to be his best man. His mother is Mrs. Paul Kent, of Balboa Island, Calif. The ushers were Robert Gullickson and Ray Rose.

For her daughter's wedding and the reception which followed at the Roma Hall, East Detroit, Mrs. Judge chose an emerald green silk faille dress with matching hat.

The couple will make their home in Sturgeon Bay, Wis.

MSU Players Coming Feb. 26

"Land of the Dragon," a romantic adventure play, will be presented Saturday, February 16, at Pierce Junior High School auditorium by the Michigan State University players. There will be two performances, at 10:30 a.m. and 2 p.m.

The Grosse Pointe branch of the American Association of University Women is sponsoring these fine players as it has for the past five seasons, much to the delight of Grosse Pointe youngsters. The MSU players presented "Peter, Peter, the Pumpkin Eater," to packed houses last fall. Other outstanding productions of theirs included "Heidi," "Huckleberry Finn" and "Cinderella."

"This beautiful play, 'Land of the Dragon,' is laid in an exotic setting and promises to be a great treat for children in the eight to 12 age bracket," said Mrs. Walter R. McAdow, chairman of the Children's Theater group of AAUW.

Tickets at 50 cents will be sold by AAUW members and at the following stores: Fromm's Hardware in the Village; Funch and Judy Toyland on Kercheval on the Hill; and Harkness Pharmacy, 23315 Mack, Grosse Pointe Woods.

JANICE MARIE JUDGE, daughter of the Aaron Judges, of Muir road, was married in St. Paul's on the lakeshore on Saturday, January 19, to Mr. Henning. He is the son of William C. Henning, of Lincoln road, and Mrs. Paul Kent, of Balboa Island, Calif.

Coterie Club To Fete Wives

Coterie, the young married group at the Grosse Pointe War Memorial, thinks every husband should give his favorite Valentine (his wife, of course) a treat following the holidays and the mid-term vacation (?) with the kids.

Coterie is assembling for the first fling since before Christmas. Snow bunnies Marge and Bob Cann are coming back from their ski trip to Quebec to receive folks at the Center.

Al Ross' orchestra will play in the great hall and warm refreshments and a roaring fire will welcome all comers in the candlelit dining room.

Everyone is bound to enjoy this first dance of 1957 at the Center where your friends and a host of new acquaintances await you.

Luncheon to be Held By Detroit Sorosis

Detroit Sorosis will meet for luncheon at 12:30 on Tuesday, February 5, at the home of Mrs. Ira Reindell in Berkshire road, with Mrs. Ralph Sickles, Mrs. W. G. Eversman, and Mrs. Donald Draper serving as assistant hostesses.

Mr. M. L. Van Dagens, as chairman of the day, will present Miss Pat Seaman, the speaker of the afternoon. Miss Seaman's program, is entitled "The Magic Suitcase".

Boys Register For 'Y' Camp

Detroit's YMCA North Woods Camp, Nissokone, near Oscoda, Mich., will have a new director for the 1957 season.

Arden F. Detert, named to the post, has been principal of the Theodore Roosevelt School in Ferndale and director of Youth Fellowship at St. Luke's Episcopal Church in Ferndale. He is now working on his doctorate degree at Michigan State University.

Among the Pointe boys registered for the summer camp season are Charles Adams, Bill Bailey, Michael Bertrand, Robert Butler, Kenneth Chamberlain, Allen Crow, William Dennis, David DuRocher, Bruce Fox, Edward Hermann, John H. Jacobs IV and Richard Johnson.

Others are Bill Lescolieu, George Lewis, John Lewis, John Little, Antone Lott, John Os-

good, Donald Owens, Hervey Parke, Ben Parsons, Michael Redlin, George Roof, Ephraim K. Smith, Jr., Joel Stieb, Donald Walker, David Wells and Robert Wingerter.

Other parents desiring to register their boys may call John Stone, camp executive of the Detroit Y, at the Metropolitan Offices, WO 2-1590.

Brownies Sponsor Children's Theater

Wayne University Group to Give Two Performances of "Jack and the Beanstalk" at Parcels School on Saturday

As their fund raising project for the year, the Brownie Troops of the Grosse Pointe District, Metropolitan Girl Scouts of Detroit, will sponsor three showings of "Jack and the Beanstalk," a Wayne State University Children's Theater production, on Saturday, February 2, at Parcels Junior High School Auditorium.

There will be three performances, at 10 a.m., 12:30 p.m., and 2:30 p.m. The tickets are 60¢ and may be obtained from any Brownie in the Grosse Pointe District.

"Jack and the Beanstalk" is the familiar story of the boy who climbs a magic beanstalk above the clouds to search for gold to save his poor mother's home for her. At the top of the beanstalk he comes to the home of a Giant who likes to eat children. After some narrow escapes he manages to outwit the Giant, rescue the Giant's kind wife, and save his mother.

The play is directed by Russ Smith, who has become well known as an actor in the Children's Theater. He is also assistant technical director and makeup artist on the theater staff, and directed "A Full Moon in March" on the theater's regular season last year.

The settings are designed by Richard D. Spear and the costumes by William Bruch, both of the University Theater staff. The entire production is under the supervision of Leonard Leone, Director of the theater. It is designed especially for a children's audience, and runs about an hour in length. The company carries with it specially constructed equipment to enable the magic beanstalk to grow on stage and the actors to climb it.

The cast includes Jack Franko, Fred Bassoff, Kathleen Carothers, Dorothy Goldstick, Yvonne Doolittle, Lorine Reid, Wayne Martens, Russell Paquette, Shirley Levine, Clifford Ammon, Lawrence Lerew and William Unger.

The production is part of a fifteen-year-old project of the Wayne State University Theater. Each year it tours a dramatization of a children's classic to the schools of the Detroit area. Playing each week-end for about three months, the theater has one of the largest children's audiences in the country.

Play chairman of the Grosse Pointe District, Mrs. Robert Bradley, assisted by Mrs. M. S. Daletsky, and Mrs. John Stewart, last year's Play Chairman, have been responsible for the details of this Brownie project.

The posters, announcing the play were made by Intermediate Girl Scout Troops in the district, as troop projects. Girl Scouts from Tween Age Troops of Parcels will serve as usherettes during the performances.

DAR Chapter Plans Meeting

The service committee of the Fort Pontchartrain Chapter, DAR, will meet at noon this Friday in the Pleasant Ridge home of Mrs. Rea Gripman for a luncheon and bridge.

Assisting as co-hostesses will be Mrs. Neil A. Cameron, of Parkside avenue; Mrs. Milbert A. Ellman, of Berkeley; Mrs. Harold Harrison, of Royal Oak; Mrs. Robert Henderson, of Ferndale, and Mrs. D. G. Robinson.

Mrs. Colin Bain, chairman of the group, will preside at a short business meeting. Mrs. William M. Perrett, regent will speak briefly.

The executive board of the chapter will meet in February 8 at the Glastonbury road home of Mrs. James Flickinger with Mrs. William Spurrier as co-hostess.

After the noon luncheon Mrs. Perrett will conduct a business meeting.

TO HONOR POET BURNS

A host of fine artists will be present in concert on Saturday, Feb. 2 at St. Andrew's Hall, 431 E. Congress street when the St. Andrew's Society holds its annual celebration of the birth of the national poet of Scotland. The lyrics of Robert Burns are sung the world over.

Youth Council Planning Dance

The first Youth Council Dance since the holidays will be held at the Grosse Pointe War Memorial Saturday evening, February 9, at 9 o'clock. It will be called "The Sweetheart Swing" and will feature the music of Al Ross and his orchestra.

General chairman of the dance is outgoing Youth Council president, Ted Harris. Inviting chaperones, are Sue McKee and Sally Whittingham. Decorations are in charge of Barbara Thorpe, Shiela Regan, Marion Clark, Norma Evans and Jill Totty.

Publicity is in the hands of Dick Adams, Cindy Buell and Al Keir. Roger Shortz, Karen Hubbard and Sharon Prietz are handling the refreshments and clean up is under Bob Wachter, Russ Everett and Tony Hermann.

Regular date dress will be worn and admission is by couples only. Any Grosse Pointe students in the private, parochial or public schools in grades 9-12 are welcome. The admission is 75¢ per person including refreshments.

To Be Hostess To Garden Club

Mrs. Otis U. Walker will be luncheon hostess for the Windmill Pointe Garden Club on February 6th, 12:30 o'clock in her home on Balfour road.

Mrs. Ray E. Venderbush, program chairman, has promised an interesting garden program of slides on roses and the three seasons.

Alumnae of Chi Omega To See Travel Pictures

The Detroit Chi Omega Alumnae Junior Group will join the senior alumnae for a dinner meeting on Wednesday, February 6, at the home of Mrs. Earl Zuehlke, of Balour road.

Dinner will be served at 6:30 o'clock after which Miss Virginia Hoelze will present her colored 3-dimensional slides taken during a recent European tour.

Mrs. Ralph Pehrson is chairman of the event and further information may be obtained by calling her at TU 2-6950.

It's Spring 1957

A new season has never looked fresher, more completely young and feminine than it does this Spring! Thanks to Mr. Mort, 'the bird is on the wing' the minute you see his newest collection which is being featured in a special showing at Jacobson's Grosse Pointe store Friday, 10:00 a.m. to 4:00 p.m. Hemlines are definitely longer.

Paris inspired but adapted by our talented young man with American know-how. Skirts feature the new magnet tucks at the waistline, delightful refinements of the peg-top skirt and most flattering for all figures. Frosted white touches add sweetening and flavor to the new flannel neutrals. His costumes are designed for town and enroute, daytime into evening in wool checks that are crisp, in carefree cottons that take to their contrasting short stop jackets in complete harmony!

Crepes are supple, with understated elegance that belies their modest prices. Suddenly capes crop up for the smartest silhouette on the Fashion scene. Plaids go from glen to glamorous and the blouson is newly shaped to look younger than Springtime above pencil slim skirts.

All in all, the entire collection spells romance in every line, in every color, in every fabric. . . the kind of clothes for which Mr. Mort is famous and the kind of clothes that girls love to wear from coast to coast, for Spring and then some!

Plan Car Pool To Help Aged

Anyone interested in a car pool for elderly ladies whose only enjoyment is going for a ride is asked to contact Miss Masak of the Neighborhood Club, TU 5-4600.

Many elderly ladies would enjoy an outing a few times a week and the club is endeavoring to set up an organization of women who would be interested in helping in this project. With enough cars in the pool drivers could take turns each outing.

Any elderly ladies or persons concerned with them who would like this service, please contact Miss Masak, or Mrs. Connie Ebers, TU 4-1072 and arrangements will be made.

A great many motorists never stop to think—and others never think to stop.

Wayne University Gets Many Gifts

Gifts and grants totaling more than \$2,500,000 have been reported for Wayne State University during the fiscal year 1955-56.

Olin E. Thomas, University vice-president for business and finance, reports that this is the largest amount received in any year. The number of contributions he said, increased from 193 to 257. Government contracts for research exceeded \$161,000 while other research grants approximated \$489,000.

Thomas' report further states that while two capital gifts totaling \$1,270,000 represented 50 percent of the total, the balance received for other purposes was greater than in previous years.

Mr. and Mrs. Elmer W. Froehlich of Bishop road announces the engagement of their daughter, ARLENE FLORENCE, to Leo J. Hawk, son of Mr. and Mrs. Henry J. Hawk of Lima, Ohio.

Miss Froehlich is a graduate of the Katharine Gibbs School in Boston, and Mr. Hawk is a graduate of the University of Notre Dame.

The couple plans a September 14 wedding.

Luncheon Meet Planned By Alpha Gamma Delta

The East Side Group of the Alpha Gamma Delta Sorority Alumnae will have a luncheon meeting at the University place home of Mrs. Fred Holder on Tuesday, February 5. All members are invited. For reservations call Mrs. Holder at TU 1-9478.

Club Marks 58th Birthday

Louis J. Colombo, Jr., cut a birthday cake with 58 candles Friday evening to mark the anniversary of the University Club.

Many Pointers were on hand for the dinner dance which marked the founding of the club. They dined at individual tables decked in blue and white, the club colors.

Among those present were Dr. and Mrs. A. H. Whittaker, Mr. and Mrs. Kenneth Drake, Mr. and Mrs. Richard Van Deusen, Mr. and Mrs. C. M. Verbiest and Mr. and Mrs. Joseph W. Caskey.

Others were the George Bushnells, the Hunter Hendees, the Franklin Carrs, Dr. and Mrs. Ralph Johnson, the M. F. Kennedys and the William Newmans.

Susan Baker Appointed College Program Head

At the Semester Day Assembly of the Detroit Commercial College Wednesday of this week, the faculty announced the appointment of Susan Baker to the chairmanship of the Field Trips Committee.

In accepting the appointment, Susan said she would announce early next week her committee's plans for the semester, February 4 to June 12.

Susan is the daughter of Mr. and Mrs. Gerald D. Baker, of 768 Trombley road. She is in her first year of business training at the College.

NEW HOPE FOR PALSY VICTIMS — The promise of a new world of communication for victims of cerebral palsy is contained in this experimental typewriter device being assembled by Bernard Gibrick in the back room of a San Francisco novelty company. Consisting of a converted pinball machine linked to an electric typewriter, the invention will permit palsy victims to type-write by merely nodding their heads. Each letter on the converted pinball machine lights up in succession for a period of six seconds, as the person operating the machine sits before it, wearing a pair of special earphones containing a mercury switch. When the letter appears that he wants, he drops his head forward, setting off an electrical impulse which activates a special coil over the corresponding typewriter key and printing the letter on the paper. The device was built at the request of E. A. Lown, superintendent of the State School for Cerebral Palsied Children of Northern California.

NOT "AS IS" — Here's proof again that signs can be misleading. Judging from above photo you'd guess that trim Hollywood actress Vikki Dougan appears "as is" in the new movie, "The Great Man." Her lack of attire, however, is only temporary since the wardrobe blackboard merely serves to identify a performer's costume change between scenes. Actually, Vikki fills her debut role in the movie as a well-dressed office receptionist.

STARS IN STRIPES — Reminiscent of the loud blazers of the '20s is this striped blouse, dubbed the Copacabana, displayed at London's St. Joseph Fashion Show. Designed to be worn with a white skirt, the blouse's bold black and white stripes are accented by yellow collar and pockets.

NOTHING BUT HOUND DOGS — Britain's Prince Charles and Princess Anne, bearing themselves with proper royal dignity at the beginning of a fox hunt, chat with Maj. Robert Hoare, master of the West Norfolk Fox Hunt. They had just made friends with the noisy, energetic hounds. The event was held at Harpley Dams, not far from the royal estate at Sandringham.

SWING SHIFT — Looks like Cary, two-year-old son of Washington Senators' outfielder Karl Olson, wants to make quite sure it's Dad who lends two helping hands during a swing session at the Olson home in Pleasant Hill, Calif. Outfielder Olson does off-season work as a milk salesman and finds more time to take a swing at fatherly chores.

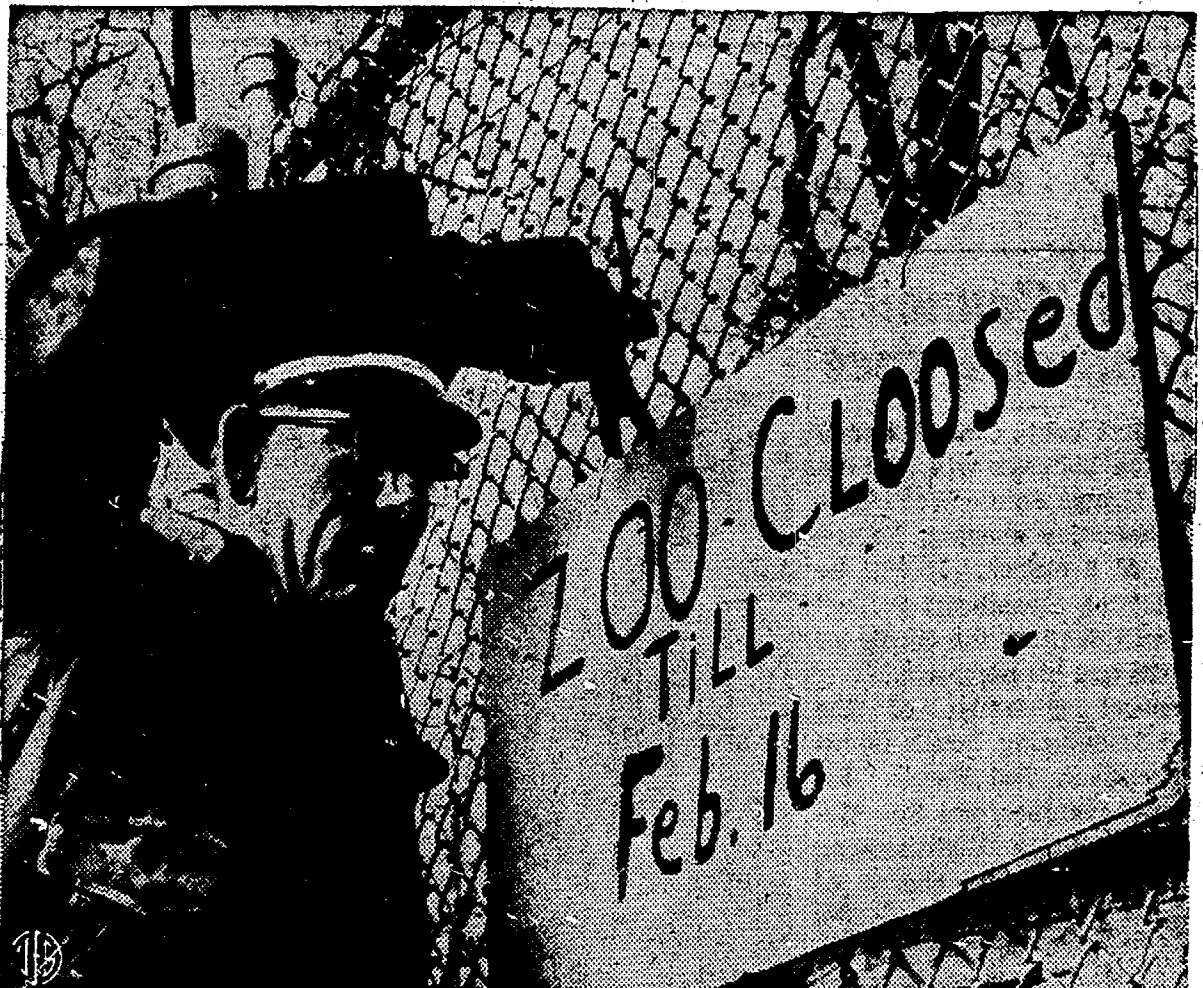

CROWDS JAM WARSAW CHURCH — Kneeling in prayer, a Polish woman listens to Sunday Mass at the jam-packed St. Alexander's Catholic Church in Warsaw. At top left is one of the loudspeakers of the public address system used to transmit the Mass to the crowds outside. Despite years of Communist rule, the Poles still maintain their long religious tradition.

BESSIE THE BAKER — Colorful Bessie Braddock, large and lovable Laborite member of Britain's Parliament, sports a chef's hat and coat as her latest affront to governmental decorum. Bessie, outspoken champion of smarter clothes for large women, donned the hat at a Liverpool vegetable oil firm where she baked cakes in the company's new research kitchen.

DEMURE JUNIOR — The junior sheath goes demure under a brief cape and little round collar in the spring collection of Mr. Mori of New York. Done in lilac silk shantung, the short-sleeved dress has a matching cape with dainty pleated trim. A white plique collar and a little bunch of violets complete the ladylike picture.

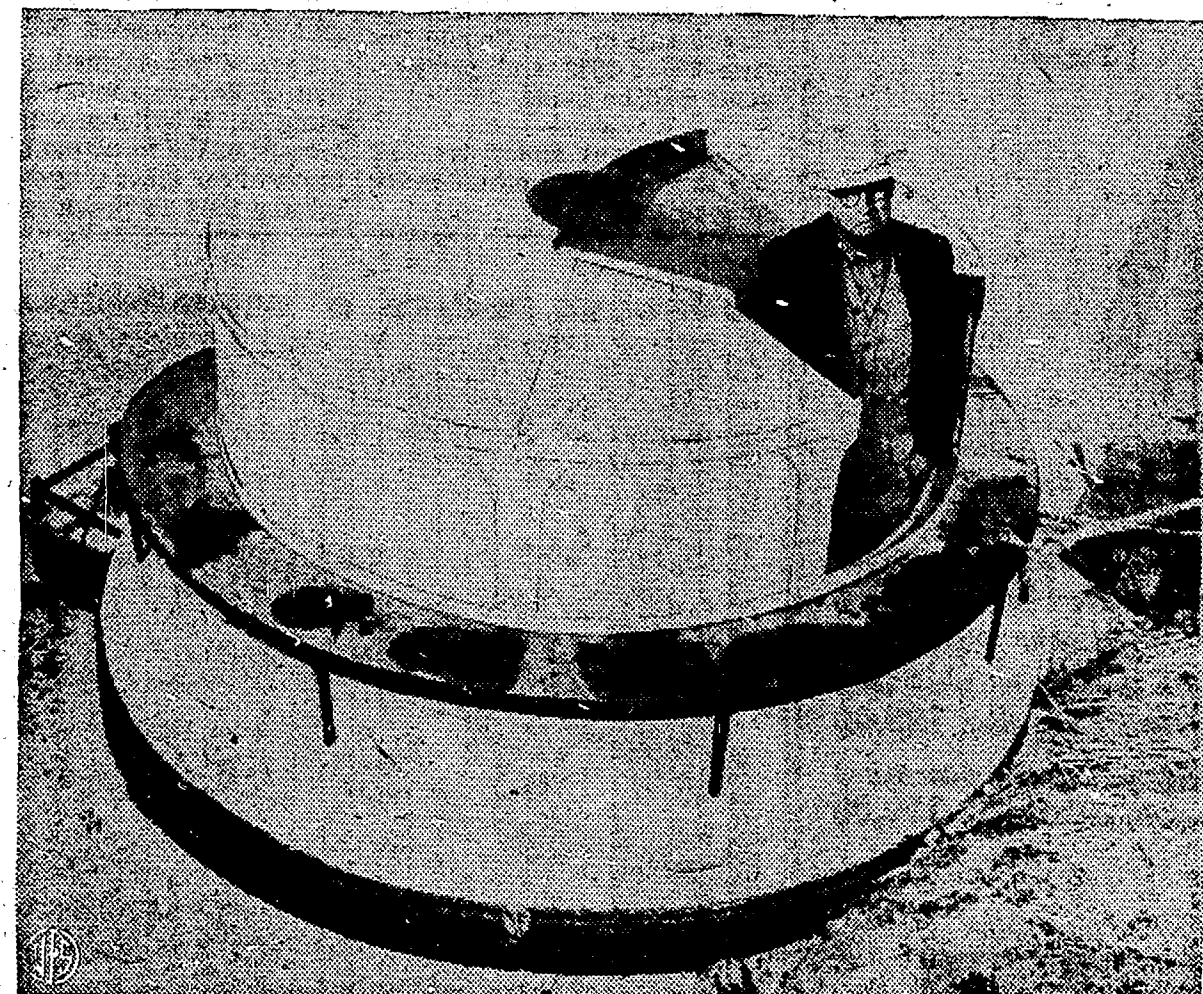

"CLOSED" FOR GOOD — A "closed" inaccuracy is about to be closed for public view as an attendant of the Overton Park Zoo in Memphis Tenn. removes a sign painter's faux pas which had gone unobserved for several days. The sign was to announce the closing of the zoo during the animal handlers' annual vacation.

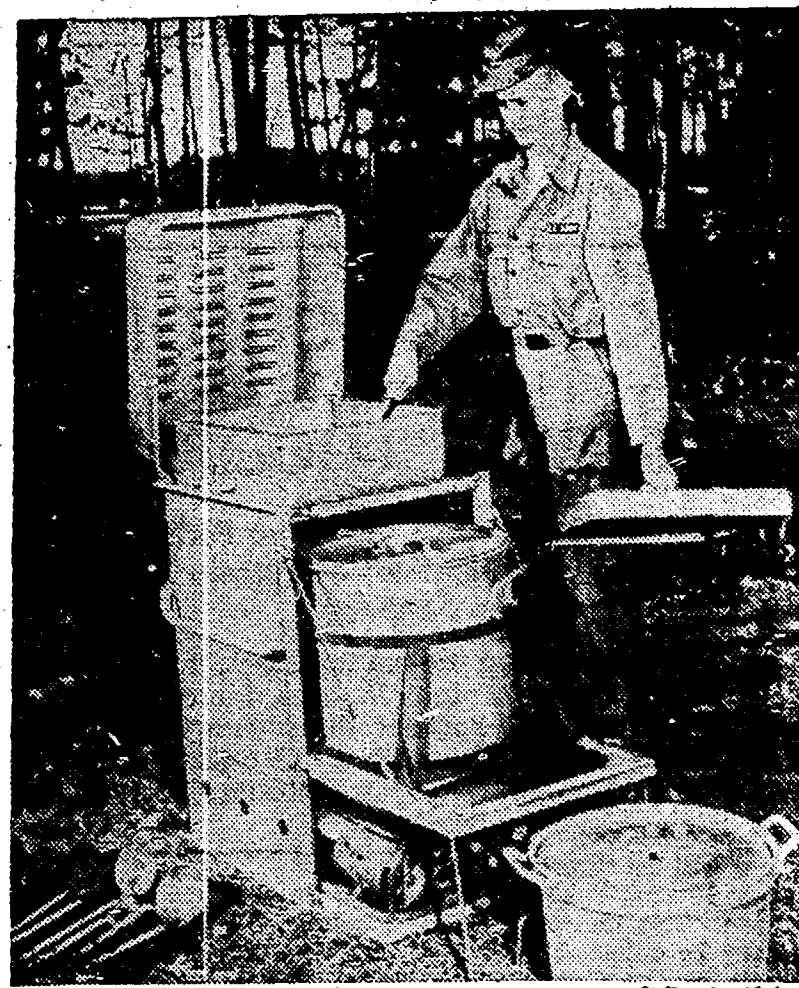

ON THIN ICE — In midstream on the ice-covered Missouri River, 16-year-old Dick Willhardt (arrow) steps gingerly on the slick surface as he makes a dangerous crossing at Leavenworth, Kan. A photographer taking pictures of the ice-clogged river spotted Dick and made this shot from Leavenworth's Terminal R.R. bridge. Dick crossed to the other side and then retraced his steps without incident. He said he thought the ice was thicker than it actually was before he attempted the stunt.

VIDEO VIGIL — Seated in his office, Paris department store detective Rene Monnier keeps an eye on eventual shoplifters as part of the interior of the store appears on his closed-circuit television set. Skillfully concealed at various locations inside the store, television cameras transmit a constant view of everything that goes on at the counters. When a shoplifter is spotted, the detective telephones his description to the information desk. The suspect is then nabbed by other detectives. Installation of the apparatus costs about \$10,000 but helps save up to \$25,000 of pilfered merchandise annually.

FLOATING SAUCER — Any boat designers who got around to building round boats will find that they are about 30 years late, as evidenced by 85-year-old Bert Ross of Ottawa, Kan., and the round boat he built 30 years ago. Pictured as it is moored in a frozen lake, the circular craft is made of light steel, is powered by a 5 h.p. motor and seats 11 persons. It's the third round vessel Mr. Ross built and it cost about \$300. In view of his creation, the saucer-shaped boat being displayed at the National Motor Boat Show in New York seems just a bit outdated. This new one costs \$14,000 and was believed to be the first circular craft ever built.

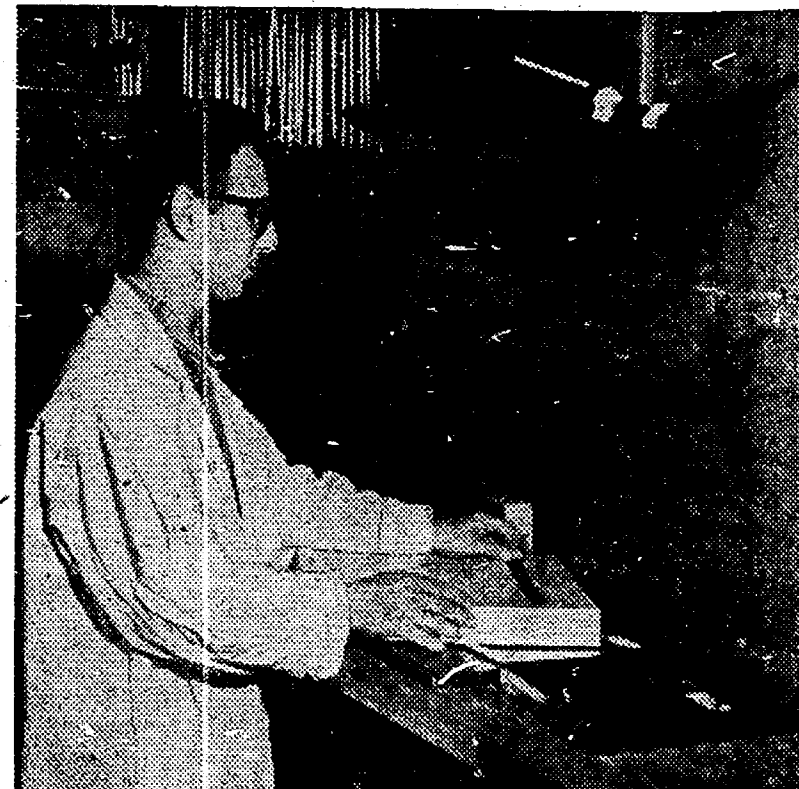

FOOD FOR FIFTY — Good news for hungry G.I.s is this 50-man cabinet cookset developed by the Army Quartermaster Research and Development Command at Natick Mass. Employing a gasoline-burning fire unit, the 114-pound cooking unit replaces the Army field range which has been in use since 1937. Designed to simplify the job of feeding 50 men at one meal in the field, the new unit can be operated while in transit by truck or rail.

PAY SQUAWK — Luscious Kim Novak, star of "Jeanne Eagels," hands a peace offering of a cracker to a parrot after the bird figured in a pay squawk on the set of the Columbia film in Hollywood. The script called for the parrot to let out a series of squawks when Kim and Agnes Moorehead walked by it. Everything went along fine until the question of pay came up, and the bird's trainer claimed that squawking is talking for a parrot; therefore, the studio should foot the bill for a speaking part, which is about \$80 more than a silent bit. After arbitration, that theory was ruled "for the birds," and the parrot squawked for the "silent" fee.

PLAYING 'POSSUM — Showing off the new trick taught them by their owner, Evelyn Brown of Champaign, Ill., canaries Wilhelmina (left) and Max play dead for the cameraman. But just 1/1,000 of a second after the flash went off, the two birds came back to "life" with a bang, streaking for the safety of the cages.

BLINDNESS NO HANDICAP — Sightless since the age of five, 22-year-old Ed Laskie works as technician developing X-ray films at Danbury (Conn.) Hospital. Expertly trained, Laskie needs no sight for his work in the dark-room. The young technician walks half a mile unaided each day to and from his job. More than 10,000 X-ray plates are processed each year at the 171-bed community hospital.

Devils Come Out of Slump; Defeat Favored Port Huron

The Grosse Pointe Blue Devils bounced out of their three game slump with a sparkling 74-59 victory over heavily favored Port Huron last Tuesday, January 22, on the local court, amid the frenzied screams of a mediocre bipartisan crowd that braved the rain, sleet and snow that swirled outside.

A decided underdog, based on Port Huron's earlier (73-57) victory over them, the Devils surprised the overconfident Hurons with a brilliant display of shooting, by Tommy Woodruff, Gordon Sachs and Bruce Boardman who paced the Devils' attack with 26, 16 and 14 points respectively.

Makes Surprise Move
In a surprise move, Coach Howard MacAdam gave substitutes Boardman and Sachs their first starting assignment of the season and it was this strategy that paid big dividends throughout the upset, particularly in the first quarter when this duet paced the Pointers to a six point, 8-2 lead early in the period.

Port Huron, stunned and desperate by this sudden turn of events, fought back to take the lead and move to a 14-9 margin before the Devils found the range again, with Sachs tying the score at 14-all with a couple of free throws with seconds remaining. The Hurons recaptured the lead in the final seconds when their star, big Ken Martin, who scored 12 of his 19 point game total in the first period, dumped in a field goal and free throw to give the Hurons a 17-14 margin in the first stanza.

Murphy Sends Them Ahead
It wasn't until halfway through the second period that the Pointers regained the lead on a field goal by center Mark "Moose" Murvay. Once back in the lead, the Devils were never headed again, but the Hurons constantly threatened until the start of the final period when they appeared to fall apart of the seams before the Devils devastating attack.

Grosse Pointe held a 35-30 margin at the half time intermission and padded their total in the third quarter to lead 55-48 going into the last period. In that, the third quarter, Tommy Woodruff ended his two-game scoring slump, as he paced the Pointers' 20 point attack with 12 points, on four field goals and four free throws. Woodruff hit on everything he tossed at the basket. All of his field goals were made from far out on the court, which thrilled the Devil fans and kept the Huron defense loose.

Devils Best from Floor
The Devils outshot the Hurons from the floor, 25 to 19, but the Hurons had the best of it from the foul line, making 21 of 29 charity tosses, as compared to the Devils' 24 to 35. It was the Hurons' free throws that kept the score somewhat respectable. The Hurons' last two points came after the final whistle, when Bruce Myles was fouled at the final horn.

Myles calmly dunked two free throws despite the confusion created as Devil fans crowded on the floor to congratulate their victorious team. It was all proper for the Devil fans to be on the floor as the game was over. But Myles was entitled to his shots, regardless. Had Myles missed his foul shots the Devils would still have beaten the Hurons worse than they had been beaten in the earlier game this season. But Coach MacAdam and his players would have been satisfied with the victory if it had been by only one point.

Salved Their Wounds
The victory was salve to the three wounds inflicted on the Devils by Fordson, Wyandotte and Highland Park in the three previous games. All of those losses were against Border Cities League opponents which dropped the Pointers far down in the league race.

Nothing could have been better to bolster the Devils' sagging morale. The Hurons are top dog in their league and are regarded by the experts to go far in State competition come March and the Regionals.

Already the Devils are looking forward to their return date with Highland Park, which trounced them soundly recently. The Port Huron game proved to the Devils they have the potential power to end the long Parker reign which has extended over the past eight years and 19 games. If the Devils continue to play as they did last Tuesday, they could sweep every team left on their schedule and wind up with a respectable season record.

New York Theater Tour Organized by Bureau
World-Wide Travel Bureau, 215 Majestic Building, in Detroit, is announcing its ninth New York Theater Tour, which they call "Seven Nights on Broadway." The tour will run from February 16 to 23.

Top hits will be included, such as Ethel Merman in "Happy Hunting," Tallulah Bankhead in "Eugenia," Judy Holiday in "Bells Are Ringing," Edward G. Robinson in "Middle of the Night," and Anna Massey in "Reluctant Debutante."

Popular television shows will also be included in the tour.

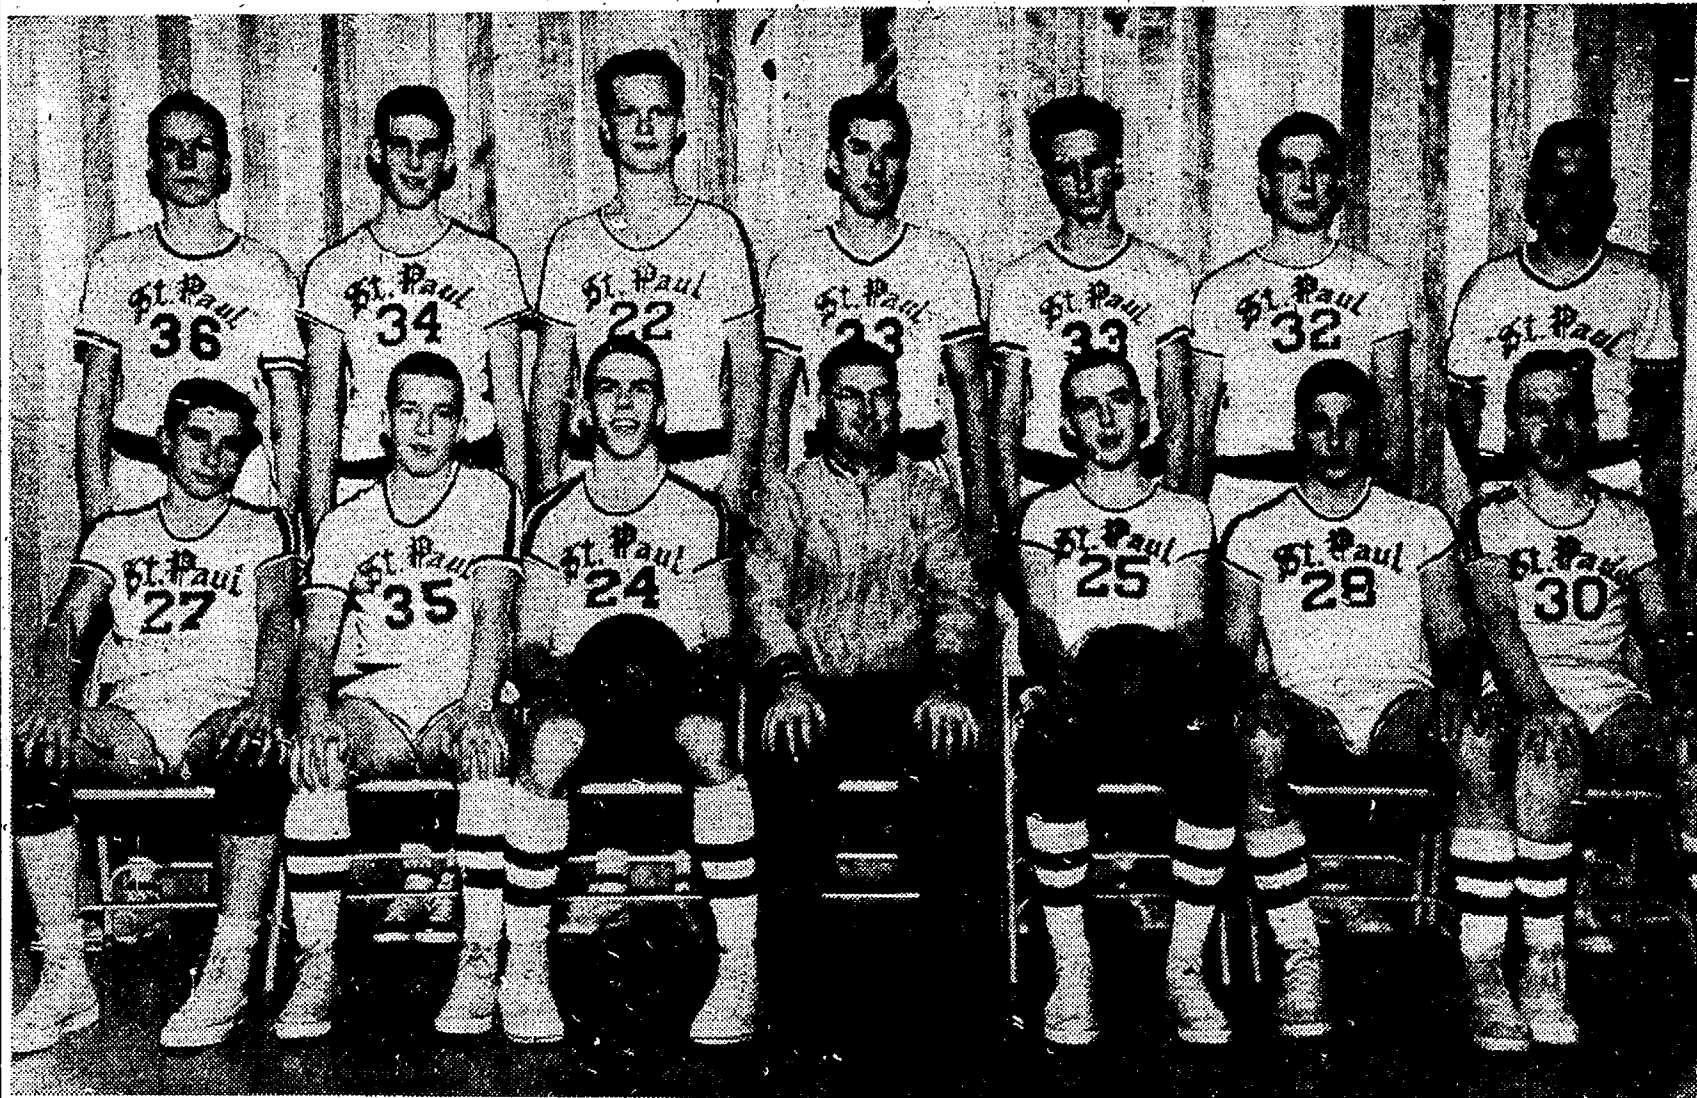

had chopped the Devils' margin to 3 points, 36-28, in the third quarter. Kelly hit for six of the Pointers' 10 last period points to ice the game.

Bob Herrick was the big scorer in the first quarter with 8 of his 9 point game total to give him third place scoring honors behind his teammate Istock who tied for runner-up honor with Fred Reid who paced the losers with 10 points.

Grosse Pointe outshot their rivals from the floor, 20-11, but looked sad at the free throw line making only 6 of 17 as compared to the Hurons' 13 of 23 successful charity tosses.

St. Paul Lakers Near East Side Cage Crown

Racing along undefeated, the St. Paul Lakers appear to be within an eyelash of locking up the East Side Second Division Parochial League cage title with 8 straight victories, making them the only undefeated varsity team in Grosse Pointe. Barring upsets the Lakers will qualify for the City Championship playoffs the middle of February, which will pit the division champions of the Parochial League. Shown left to right; first row — LARRY SZNAIDER, TOM KOLOJESKI, TERRY Y HUTTON, COACH ED LAUER, DAN SHERIDAN, RUSS BEAUPRE and LYNN MURPHY. Back row; — DAVE AYRAULT, TOM PARKER, BILL VERMEULEN, JIM SZNAIDER, BOB MAHERN, JOE BRISSON and BOB BILNER. Missing from picture is Gary Anderson.

Plenty of Action In Club League

First place Exchange remained in a two-way deadlock with the Lions in the Midget cage league at the Neighborhood Club by beating Post 303, 26-18, in the first game of Monday, January 21. In the second game that night the third place Lions defeated winless Metro, 30-16.

On Tuesday, January 22, Optimists forced a show-down for the first half season title next Tuesday, January 29, by whipping Rotary, 36-17, behind the sharpshooting of Jim West, who caged 16 points for scoring honors.

In the second game Kiwanis broke a two-way tie with VFW for fifth place by beating the latter, 29-17. The victory enabled Kiwanis to move into a two-way tie for fourth place with Rotary.

In the Giant League on Tuesday, January 22, the second Place Celtics moved into a two-way tie for first place by beating the league leading Eagles, 57-43. The Celtics won this game at the foul line, making better than fifty percent of their charity tosses.

On Monday, January 21, the Lakers dragged the Falcons down into the basement with them with a thrilling 39-38 victory. In the first meeting between these two teams earlier in the season the Celtics tripped the Falcons in overtime. These are the only two games the Falcons have lost and they have beaten both league leaders.

Boat Banter

By Fred Runnells

The Detroit River Yachting Association will hold its annual "Gripe Meeting" at Com. Hal Smith's home club, the St. Clair Y.C., tonight, Thursday, January 31. But this meeting will not get underway until after the delegates from the member clubs conclude the business of the special meeting which will get underway at 8 p.m.

At the special meeting the delegates, two from each DRYA club, will discuss and vote on the proposed raise in dues for member clubs, sustaining memberships and a new boat registration fee for yachts competing in local weekly inter-club regattas.

DRYA officials will suggest club membership fees be boosted from \$50.00 to \$60.00, sustaining membership fees from \$2.00 to \$3.00 and a new \$2.00 yacht registration fee.

The reason for the proposed dues raise is because the DRYA has been barely getting by for the past few years and, currently, is faced with red ink for 1957 because of the higher cost of operation. Also the Association is faced with the prospect of replacing the fast deteriorating race course markers which, originally, were built and donated to the DRYA by the late Mit Cross, Sr., who also maintained them at no cost, when he was alive.

There is little doubt the club delegates will vote in favor of the proposed price changes. To quote one of our more popular skippers, Nubby Sarns, "if you wanta play you gotta pay."

At the "Gripe Meeting" all sailors, and all are welcome, will undoubtedly discuss a possible change in location of race courses on Lake St. Clair and a less confused method of starting boat races.

DRYA officials have given thought to placing all race marks on the Canadian side of the ship channel to eliminate the hazard of racing yachts crossing this busy commercial thoroughfare. Too many times, skippers have endangered their yachts and the lives of their crews by squeezing past the bow of freighters to maintain their position in a race. Under Federal law the freighters have the right of way and would not, in any court of law, be held responsible if they held their course and became involved in a collision with a racing yacht. To date we have not lost a boat, but it has been a miracle.

Possibly the sailors should discuss the elimination of all downriver finishes. For the most part sailors don't like to finish a race downriver because of the ever-increasing power boat population and the fact current and tricky offshore winds doesn't make for good racing. And powerboat traffic makes it dangerous, particularly, for little boats. The fact an airline is using the upper part of the river for a landing strip doesn't help the matter either.

Four Teams Tie In Church Loop

After two weeks of play in the Grosse Pointe Inter-Church Basketball League the "B" Division, created somewhat of a spectacle as the four teams found themselves in a four-way deadlock for first place.

League-leading Woods Presbyterian dropped a 47-36 decision to Memorial and St. Paul found itself pulled from sole possession of first place when it lost the second game of the Saturday January 26, competition to St. Michaels, 32-23.

In the "A" Division league-leading Woods and Memorial continued in a deadlock when Woods defeated Christ Church by a 2-0 forfeit and Memorial trouncing St. James, 40-15.

St. James, which has two teams entered in the three division league, had only eight boys show up and coach Bob Evans elected to "shoot-the-works" in the "A" division which forced him to forfeit his game in the "C" division to St. Paul. The forfeit left St. Paul as the sole leader in that division.

In the other "C" game Christ Church came from behind to whip Methodist, 25-22, and move into a two-way tie with Methodist for second place.

Standings as of January 26

"A" DIVISION		W	L
Woods	2	0
Memorial	2	0
Christ Church	0	2
St. James	0	2

"B" DIVISION

St. Michael	1	1
Woods	1	1
St. Paul	1	1

Let's face it—the powerboat has taken over the river, so the best bet would be to move our sail regattas out in the lake where there is more room, better sailing and less hazards. We haven't lost a life yet but before we do let's eliminate all possibilities before this happens.

Probably the biggest boating news to hit this town since Henry Burkard brought his new "Meteor III" to town last spring was the announcement that Horace "Bobby" Ford has purchased Nick Geib's fabulous yawl "Fleetwood."

Bobby is no "Johnny-come-lately" to sailing circles. Prior to last summer Bob was a winning skipper in the Lake St. Clair Luder fleet and represented that fleet in the Luder Nationals on two occasions.

Bob's daddy was quite a sailor himself and once owned the 58-foot yawl "Evening Star," top winner of the 1938 Bayview - Port Huron-Mackinac race. Bobby's uncle, J. B. Ford, was the owner-skipper of the famous yawl "Royono" which made history

St. Paul Lakers Five Gets Closer to League Crown

The St. Paul Lakers romped to their eighth consecutive win in defeating a hapless Annunciation quintet 62-19 on the Grosse Pointe High court, Friday, January 25.

The game was never in doubt as the Lakers completely dominated the play through-out and, except for the first quarter which ended 8-2 in St. Paul's favor, the game was no contest.

With the win the league-leading Lakers kept possession of first place in the East Side Parochial League second division standings. Their nearest competitor, Detroit St. Thomas, is one full game behind.

As a result of the loss Annunciation was virtually eliminated from the race with a 1-4 record and has dropped to seventh place leading only the winless St. Martins.

For St. Paul star center Gary Anderson again was high point man with 19 points, Tom Kolojeski collected 9.

Austin High Grabs Crown

Austin Catholic, owners of the ninth spot in the State class A basketball ratings, looked calm, collected and extremely hot as it swept past Cathedral Central 76 to 38 last Friday, Jan. 25th on the latter's home court. It was the ninth straight triumph for the Friars who dropped in shots from all angles and never gave the weak Cathedral "five" a chance.

The impressive victory was a complete turn-about from the dismal performance which the Black and White had given in practice sessions all week and made Austin the first Catholic league team this year to clinch at least a tie for its division title.

Two Top Stars
Leading the high-powered attack were guard Don Messing and forward Dave DeBusschere. Each sparkled with 22 point totals. Don hit well from outside, making 4 long two-handed sets in five attempts. DeBusschere put on his usual spectacular show of jumpshots and tips. Dave's average now hovers around 20 points per game despite the fact that in many of

the Friar's earlier contests he played only about half the time. Austin rolled up 40 points to C.C.'s 9 in the first half as Messing, playing probably his finest game of the year, racked up 16 of his points over the same span.

Reserves Do Well
The second half was highlighted by the good work of centers Warren Carr and Bob Schecky. They filled in for the injured Dick Ruprich who is sidelined along with guard Tom Stumb with knee injuries. Stumb should return in a week or so but it is feared Ruprich might be lost for the season. However, Dick contends he will be back in the lineup in less than a month.

DeBusschere collected 11 field goals for his 22 points while Messing tossed in 7 baskets and 8 foul shots for his production. Pete Nestor led the losers with 15 points.

Ajax Bowlers Leading League

Ajax continued to lead the Grosse Pointers Bowling League by beating Heidi-Hi out of two points last Friday, January 25, and held on to its two point margin over the 12 team league.

Second place Stewart stayed hot on the heels of the leaders by taking two from Fox and Jim's Barbers remained in a two-way tie for the runner-up spot by taking two from Lusch who dropped to third place.

The rest of the teams remained in their same positions as the week before despite the fact Redwood took two from Kopp's, Custom nicking Piche for two and Rightenburg two from the 5 X's.

Reserve Five Wins No. 24

Coach John Thursby's undefeated Blue Devil reserves added Port Huron to their list of victims to boost their victory streak to 24 last Tuesday, January 22, with an impressive 46-35 win on the local court.

With every player except three, who played only the last minute, hitting the scoring column the Devils moved to a 18-11, lead in the first quarter and were never threatened.

Showing a good defense, which limited the Hurons to 11 field goals, featuring the rebounding of Verne Istock, the Devils had no trouble handling the determined Hurons. Istock, particularly, was a tower of strength as he gathered in rebound from taller opponents and enabled the Pointers to leave the floor at halftime holding a 28-19 lead.

Paced by big Jim Kelly, who notched 13 points for scoring, the Devils spurred away in the final period after the Hurons

John Eidt Graduated From Ordnance School

ABERDEEN PROVING GROUND, Md. (AHTNC)—Pvt. John R. Eidt, son of Mrs. Herbert F. Eidt, 765 University place, Grosse Pointe, Mich., recently was graduated from the Ordnance School's parts specialist course at Aberdeen Proving Ground, Md.

Eidt entered the Army in June 1956 and received basic training at Fort Hood, Texas. The 23-year-old soldier was graduated from Salesian High School, Detroit, in 1953, and was employed by the Family Publications Company, Detroit, before entering the Army.

Boston Winner In Ice Sailing

Skip Boston, 18 year old son of a well known Mount Clemens sailmaker and representing the Detroit Ice Yacht Club, walked off with the 1957 DN 60 International iceboat title on Lake St. Clair last weekend, January 26-27. Boston scored two firsts, two seconds and a fourth for 145 points to beat 20 other competitors in the event which was sponsored by the North Star Sail Club. Leon Templin of St. Clair Shores placed second with 141 points and Jack Wesenberg of Detroit took third with a total of 134 points. Defending champion, Grosse Pointe's Eddie Grant, suffered a damaging blow to his chances of repeating when he broke a fitting in the first race and was forced to withdraw. However, Eddie made a good comeback on Sunday, winning both races to place tenth in a red hot field of 21 skippers from all over the state. The five race series was held over snow covered rough ice that gave the little DN's a rugged beating but few broke down, which eased the job of the race committee comprised of chairman, Remi DeBlaise; vice commodore, Ralph Templin; starter, Ed Ochs; scorer, Ellen Kowitz; and secretary, Bill Sarns. The final standings are as follows: Skipper Points Skip Boston 145 Leon Templin 141 Jack Wesenberg 134 Bill Sarns 132 Paul Eggert 131 Ed Tickner 118 Carl Teschendorf 112 Paul Koller 109 Harold Kowitz 107 Ed Grant 107 Nick Spilto 84 Ralph Templin 83 Ed Ulrich-Wathen 88 Jim Quigley 67 James Hoffman 58 Phil Patterson 48 Cliff Miller 46 Clarence Harmon 45 Bob Tickner 43 Fran Marsh 40

Activities are offered for the purpose of providing informal recreation experiences to the youth and adults in the community under the supervision and assistance of helpful and friendly adults. For the children of pre-school age, groups are opened on a limited basis and provide children with a play-group experience each week. Grade school age children each have one afternoon of activities per week and are engaged in games, sports, crafts, hikes and woodworking with children of like ages and sex. Each activity is supervised and conducted by college students, adults in the community, and Community Club staff. Junior high and senior high students have activities in the evening hours, and activities include Co-ed groups, sports, and crafts. Group activities at the Community Club provide children and youth with the opportunity to meet new friends, engage in recreational activities, improve old skills and learn new ones, and enjoy the fun of participating with others in fun activities. Enquiries into the Club program and the fees may be made by calling TUxedo 4-2050 or by stopping in at the Club, which is located at 20883 Mack Avenue. Little League Prepares Plans

The Board of Governors of the Woods Little League announced this week that the registrations would be accepted for the 1957 season at Mason School, Saturday, April 6, from 10 a.m. to 12 noon; Monday, April 8, through Friday, April 12, from 6 to 7 p.m.; and on Saturday, April 13, from 9 to 12 noon. The registration fee this year will be \$2.00 per boy to cover increased cost of insurance and equipment. Players auction this year will be April 22, which will give the managers two more weeks to work with the players. Bill Boyd, in charge of managers, announced that 12 new managers have been accepted and four more new ones are needed. Lists of the managers are to be published later. Anyone interested in becoming a manager is urgently requested to get in touch with Bill Boyd at TU. 4-0021.

Church League In Second Half

The Grosse Pointe Presbyterian Bowling League began the last half of their schedule in commendable fashion. Ed Radium's Rebels set a pair of new highs in the team honors, hitting 968 in a 2682 total. Fred Matchless Match-folders took over second place with a 2623 total. Several members gave their all when they entered the March of Dimes Sweepstakes. Including their handicap, the most note-worthy scores were Don Miller, 1641; Don West, 639; and Ed Brown, 612.

Gene Hawthorne Wins High Honor

Gene Hawthorne, Jr., Detroit's National B Utility outboard champion received his highest honor on Saturday, January 19, when he was one of five outboard drivers selected to the Gulf Hall of Fame at the Belmont Plaza Hotel in New York. It marked the first time a local outboard driver had ever been selected to this honor. Gene will receive another high honor on February 1, when he will receive the Silver Prop Award from Tracy Ogden of the Outboard Magazine. The award is given to the driver who has turned in the most outstanding performance in a marathon race during the year. Gene captured six of eight marathons he entered and drove a total of 387 miles in the eight events. He amassed a total of 10,617 points in races in which he drove A, B and C Utility class boats. Hawthorne will be honored at the Belle Isle Outboard Club's annual awards dinner which will be held next Saturday, January 26. Every man who lives right sets an example for the good of others.

New BIOC Flag Officers Seated

The new Belle Isle Outboard Club Flag Officers were formally installed at the club's annual dinner held last Saturday, January 26, as incoming commodore Gale Cummings took over the gavel from retiring commodore Nick Kerns. Kerns, who has held the job for two years, congratulated the membership on their selection for 1957 and stated "These men are well qualified for the duties for which they have been elected and they will continue the fine spirit which is so vital to every club and to every sport." Assisting Commodore Cummings in his new duties will be vice commodore Eddie Zerbe, secretary Roland Lambert, treasurer Ralph Hippler, who is serving his third term, and directors Henry Forcier, Nick Kerns, Leroy Scott, Dick Beers, Nick Bucurestean and Tom Wloaka. George Van of the Detroit Times Marathon may be run around Belle Isle in a four lap long distance feature. The purpose of moving the race around Belle Isle instead of from Memorial Park to Trenton and back is to afford a gigantic grandstand for spectators on Belle Isle. Gene Hawthorne was introduced as the newest member of the Gulf Hall of Fame and winner of the Silver Prop award and Edith Forcier received acclaim for being awarded the All Risks-APBA Good Sportsmanship Award which was given to her in Chicago a few weeks ago.

who, where and whatnot by uboozit

All the faithful young theater fans turned out for the Saturday matinee of "The Secret of the Jade Goddess," the Junior League opus presented at the High School.

There were Mrs. Edward R. Grace, Jr., and Mrs. Elliott H. Phillips taking tickets. And pixie-like blond Suzie Tolleson with her father, Roy Tolleson, pecking back stage where her mother was stage crewing.

Coming down the aisle just before the lights went down was Mrs. McClintock Ford, her fire-engine red short greatcoat collared in raccoon, and her entrancing light shaded hair tucked into a severe black jersey hood (on her it looked like a Vogue illustration). She was wearing slim black flannel trousers tucked into new snow boots.

Mrs. Jean F. Mesritz, in the intermission, was backed against the wall explaining the intricacies of the plot to young Georgie as her daughter Ann relayed it to her. Ann had seen the play when it debuted at the Art Institute.

Also in the audience were Mrs. Charles W. Casgrain II with an entourage, Mrs. James Allen, Mrs. Herbert Lester, Mrs. William P. Herbert, Mrs. Cleveland Thurber and Mrs. Earl I. Heenan.

Now for the stars . . . Leaguers all. Special applause to Mrs. George T. Hall as the old Mayan peasant man . . . she's real talented gal with all sorts of starring roles in Grosse Pointe Community Theatre productions to her credit . . . Mrs. Henry T. Ewald, Jr., usually so stunning and well-groomed, was a very fetching Mayan juvenile, as were Mrs. David Harbison, Mrs. John Park and Mrs. Russel Nutter.

Mrs. Edward B. Metzner had the plummy role, an evil old king, with very imposing feathered headpiece. When the small audience was invited on stage after the last act all the tots loved trying on the kingly headgear.

PILFERINGS

Producers of the screen version of "Mourning Becomes Electra" were advised that they'd probably insure bigger grosses by renaming it "Oh Boy, Do I Remember Mama!"

A diplomatic publisher complimented a socialite from Richmond on her splendid appearance and added, "Do you feel as well as you look?" She answered, "There are only two things the matter with me: Dandruff and a badly spoiled stomach." "Aren't you lucky?" commented the publisher, "that only one shows?"

The lady reported the conversation faithfully to her husband a moment later. He nodded slowly and asked, "Honey, did you have your hat on at the time?"

She had a musical face. Sharp in some places . . . flat in others.

Some men don't leave their wives nearly as much when they die as they do when they're alive.

Life is not long, and too much of it must not pass in idle deliberation on how it shall be spent . . . Samuel Johnson.

A virtue, to be serviceable, must, like gold, be alloyed with some commoner but more durable metal . . . Samuel Butler.

A browbeating lawyer was demanding that a witness answer a certain question either in the negative or the affirmative.

"I cannot do it," said the witness. "There are some questions that cannot be answered by a 'yes' or a 'no,' as any one knows."

"I defy you to give an example to the court," thundered the lawyer.

The retort came like a flash: "Are you still beating your wife?"

League to Hear Talk On Presidents' Wives
The regular meeting of the Michigan League for Crippled Children will be held Friday, February 8 at 2 o'clock at the Women's City Club. Mrs. Dwight Struthers will speak on "Presidents' Wives in the White House." There will be a board meeting at 11 o'clock followed by luncheon. Reservations may be made with Mrs. H. C. Smith, TU 2-6777 or Mrs. A. Wilson, TU, 5-7297.

Pointers of Interest

MR. and MRS. JAY McCORMICK of LAKEPOINTE AVENUE

The perfect literary team are Joyce and Jay McCormick; he produces the novels and she circulates them over her library desk.

He is a modern writer with two books to his credit, "November Storm," which won an Avery Hopwood prize, and "Nightshade," both sensitive portrayals of today's problem living. She has been associated with the Grosse Pointe Public Library system for over ten years.

They live in an old-fashioned apartment typically cluttered, although neatly, with stacks of books, and bold bright furnishings. Unusually, Jay looks just like a writer, lean, tweedy and intellectual. Their hours are flexible, a way of living which lends to long leisurely breakfasts, romps with 10 month old Molly who fits into this casual routine with delight, and hours for ice skating and tennis, their favorite sports.

His current writing is also set in a Lakes locale, but he admits it is more difficult to write the third novel than the first. He occasionally writes commercial movie scripts, (to pay off the butcher, baker, and primarily the tailor) and has had short stories in Mademoiselle and American.

Another Novel Coming
Jay, who is under contract to a publishing firm for a third novel on which he is now working, is also an assistant professor at Wayne, where he teaches creative writing.

He wrote his prize winning novel about the Great Lakes when a senior at Ann Arbor. His father is a former lakes skipper and as a lad he spent a great deal of time on freighters. After graduation he worked as a copywriter, free lanced and spent a year doing features and covering the courts for a downtown newspaper.

He has returned to writing because he believes it is the only fulfilling life's work for him and his teaching is both an inspiration and a challenge. Sur-

prising enough most of the more talented students in his classes turn to advertising when they graduate, and make a fine job of it.

Discipline, self-imposed, is the key to successful writing and living for the talented artist. Discipline not only to the work on hand, but discipline to resist the material gains offered by surrendering the creative work to pay for the new car.

Once the decision is made life still presents problems, even with a working wife, for only ten or eleven writers in America today live on the earnings from their books. Courage and dedication bring the writer and his family lasting rewards if not Cadillac and minks, so say the McCormicks.

Popular Request at Library
Joyce, who is an attractive serene brunette, says proudly that his Hopwood novel is still in demand by library patrons.

She is a real pioneer in library work in the Pointe, beginning at the small branches and now in charge of the circulation desk at the Central Branch.

She was born in England, perhaps that's why her own literary tastes run to Jane Austen rather than James T. Farrell, but their home library shows a catholic, tolerant reading bent. Joyce is not a professional librarian but after a few years at Wayne went into library work because she enjoyed the contact with people, which she says she finds increasingly more

exciting as the Pointe has grown.

Teaching an Inspiration
Her schedule is a rotating one which leaves her time to spend with her husband in his off teaching hours. Jay hopes to pattern his life after a famous-writing professor at Michigan, who taught for the security and delights it offered and was still able to write creatively and successfully.

Famous Airman's Daughter Visitor from Virginia
Mrs. Kenneth N. Gilpin, Jr., of Boyce, Va., is here as the guest of Mr. and Mrs. Howard Freeman Smith, Jr. Mrs. Gilpin is the former Lucy Mitchell, daughter of the late Billy Mitchell, Air Force general.

Journeying with Mrs. Gilpin from Virginia was Mrs. Thomas B. Byrd, her mother. Mrs. Byrd is staying with her sister-in-law, Mrs. Sidney T. Miller, of Irvine lane.

HEAVENLY BARS

Contributed by Mrs. Everett Bauer
Cream: 1 cup butter or margarine. Gradually add and cream until fluffy, one-half cup confectioners' sugar.
Add:
2 tsp. vanilla;
Sift together,
2 cups flour,
1/2 tsp. salt.

Add to creamed mixture, mixing thoroughly. Stir in, mixing until blended 1 cup quick rolled oats, uncooked.
Dough will be quite stiff. Spread in greased 7x11 inch baking pan. Bake at 325 degrees 25 to 30 minutes. Sprinkle top with one 6 oz. package of chocolate chips. Return to oven until chocolate melts, about three minutes. Spread chocolate evenly then sprinkle with half cup chopped nuts. Chill and cut into bars. Makes about 24.

47th Birthday For Boy Scouts

Scouting's 47th Birthday Anniversary Week, February 6-12 inclusive, will inaugurate the second year of a Four-Year Program with its theme of "Onward for God and My Country." The Four-Year Program, "Onward for God and My Country," initiated last year, is designed to help prepare America's boys of today to effectively carry out their responsibilities in the years ahead.

During 1956 the new Four-Year Program added great stimulation to Scouting all across the nation. Locally, the Detroit Area Council had the largest increase in membership (over 7,000 more boys and leaders) ever recorded. As of December 31, 1956, the Council had a registered total of 80,679 boys and leaders, a record never before achieved.

Scouting in America officially dates back to February 8, 1910, when the Movement was incorporated in Washington, D. C. Worldwide recognition was given on June 15, 1916, when Scouting was granted a Federal Charter by Congress.

Highlighting many church and synagogue services during Scout Week will be the presentation of Religious Awards to Scouts of Catholic, Jewish, Lutheran and Protestant faiths. To assist the clergy and others in announcing special programs, an unusually colorful and attractive cover is available from the Council Trading Post.

Printed in full colors, showing a Cub Scout, a Boy Scout, and an Explorer against a stained glass window, these folders can be used for Religious Award Ceremonies, Parents Nites, Father-Son Dinners, Blue and Gold Banquets, Open House programs and Courts of Honor. They fold to 5 1/2"x8 3/4"—the popular size used by churches, schools and Service Clubs.

Other highlights occurring during the Scout Week period include flag raising ceremonies at municipal flag poles, Lincoln Pilgrimages on February 12, and issuance of proclamations by municipal authorities.

Many Service Clubs are sponsoring Recognition programs at their regular weekly meetings during the Scout Week period. Some are requesting five or 10 minute speakers or programs of longer duration. A special Speakers' Bureau has been developed by the Council comprising older Scouts and Volunteer Leaders.

Come see the brand-new world for baby . . . UPSTAIRS . . . at Peter Pan's, 17015 Kercheval, in the Village. Everything, but EVERYTHING for your littlest one's room in this just-opened furniture department. Cribs . . . chests . . . bassinets . . . bathinets . . . strollers . . . jumpers . . . pads and spreads and tables and high chairs. Everything. All nationally advertised, come see!

We wish we were travelling in one of those wonderful dacron and wool suits, spied at Margaret Rice's. They shed wrinkles, resist spots . . . pack and wear beautifully. Bound South we'd also take along a slender sheath, plotted in linen by Oleg Cassini . . . punctuated by small brass buttons . . . its square neckline framed with contrasting collar. Hard to choose between toast and beige, blue and white. Around fifty dollars at Margaret Rice's, 76 Kercheval, on the hill.

Ab, hut lucky you! You're off to Florida . . . Cuba . . . points south, east, north, west. And lucky you, you'll live that vacation over . . . and over . . . and over in brilliant color slides. Into your gadget bag you've tucked an Argus 35mm camera . . . rolls and rolls of color film . . . maybe an accessory lens or two. All from the Camera Center, 17114 Kercheval, in the village.

If it's north you're headed for a week or weekend on skis, head first for the Village Store! Just in is a new shipment of those wonderful Lodoceno's. Wind . . . rain . . . sleet repellent. All with hidden hoods . . . most in the wanted three-quarter length. You'll wear them around town, too, you know! 88 Kercheval, on the hill . . . headquarters for all your ski wear.

Where, oh where, in all the Pointes can you find cotton cruise casuals by Lynbrook. Only at Yarncraft! Seabreezes seem woven into their fresh, good looks. Picture easy-to-wear shirt-waist dresses of shimmering everglaze or tissue cotton. Picture pastels, iced with white. Now picture YOU . . . cool and comfortable in them! Yarncraft, 343 Fisher Road.

Noted at Charvat's and seen in the finest Pointe homes: Big, beautiful decorator plants. Dramatic in a hard-to-fill corner . . . bold and elegant against a backdrop of drapes . . . graceful anywhere! These are nourished to a lush, green beauty in Charvat's own greenhouse, 18590 Mack P.S. For just a touch of poppy color, add a tiny kalanchoe plant to kitchen or nook, featured this week at Charvat's.

Stunning sheaths . . . for the special moments of your resort life, are in the know . . . in the news at Healy's. For women: Excellent white linen, whitening inches with accents of turquoise in a bold sash . . . under a diagonal overlay of lace. About seventy dollars. For misses: Exquisite blue chiffon . . . with chiffon folds that drape a cowl neckline, frame a V-cut in the back, fall gracefully to the hem. A must in your travels and under sixty dollars. D. J. Healy's, in the village.

Just a call to TU, 1-7252 will reserve time for you to enjoy the skillful hairstyling of Mary Parrinello Kappaz. You'll find her at her new headquarters, the Lochmoor Salon of Beauty, 20335 Mack, every Tuesday, Friday and Saturday.

Time for Valentines! What would please her more than a gift of lasting beauty from the Bric-a-Brac Shop? For instance, famous Kensington trays . . . bowls . . . dishes in the miraculous metal that blends so well with silver, never shows a mark. Or imported dresser sets of frosted glass. Or tall, terrific table lamps with tempting prices. See them at Bric-a-Brac, 20439 Mack, across from Howard Johnson's.

Tender, splendid, frivolous, ambivalent. Valentines from the Dants, of course! And such a selection. Cards of gold embellished with scroll and filigree . . . cupid's sporting red hearts in unexpected places . . . lots, lots more. 98 Kercheval, on the hill.

P.S. for women on the go—How did we ever live without the NEW Grosse Pointe business directory? Especially the back-pages classifieds. Ours is thumb-worn, so soon. And yours? Good to know that extra copies are as close as the nearest drugstore.
