

Big Parking Lot in Woods Gets Approval of Council

The Woods council on Monday, April 22, approved a resolution for a proposed development of Christ the King Lutheran Church lot, Lochmoor and Mach, for off-street parking.

The lot, which will be completely developed at the expense of a food supermarket next to the church, will be used jointly by the customers of the market and members of the church.

The council, convening as a Board of Appeals, heard Daniel Carpenter, of 18674 Lauder, Detroit, representing the food

market, in which he outlined his company's plans to develop the lot, and presented an architect's sketch of the proposed development, which would include planting of trees and shrubs.

The lot, when developed will hold approximately 400 cars. The construction cost has been estimated at about \$30,000.

The property is described as comprising lots 95, 96, 97 and 98 lying westerly of a line which is the boundary line between lots 126 and 127, continued north, representing the food

Lochmoor to the northerly line of lot 98. The entire property lies within the Lochmoor Sub-division.

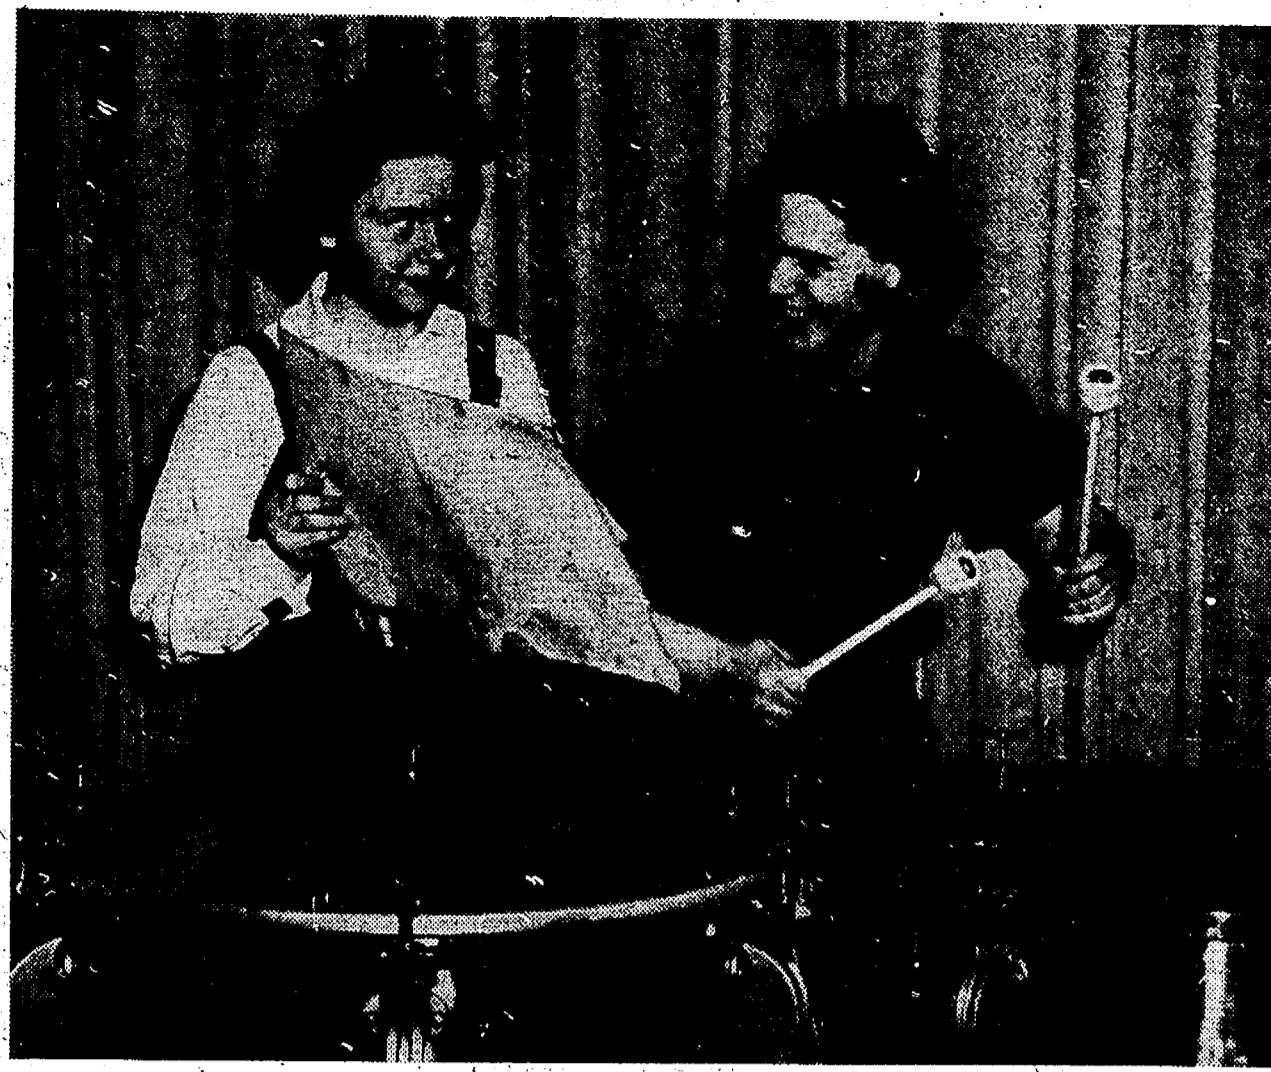

Representing Christ the King Church were the Rev. William J. Geffert of 1702 Stanhope, pastor; and William Borrusch of 22857 Jefferson, St. Clair Shores, an attorney and a member of the church.

Rev. Geffert suggested that to prevent possible future legal action by residents of the subdivision, waivers be obtained from these people. The property in question is zoned as residential, hence the papers must be obtained.

The Board of Appeals gave the parties concerned one year to obtain the waivers, but if additional time is needed, it will be granted.

Without the waivers, the proposed project will be at a standstill.

Practicing Up for School Concert

ROBERTA JAY, left, and DONNA GARBER limber up during one of their rehearsals for the annual Spring Grosse Pointe High School Band Concert, to be held at Parcels Junior High School on May 3. Both will be soloists in the concert.

Realign Administrative Officials at High School

By Elizabeth Turrell
G.P.H.S. Journalism Student
Realigning Grosse Pointe High School's administrative officials, the Board of Education last week made three appointments to take effect next fall.

Charles E. Saltzer, assistant principal, will become guidance coordinator.
D. R. Campbell, field counselor and dean of boys, will become assistant principal.

Howard Case, counselor, will become dean of boys.
These changes in assignments were made possible by the addition of the position of guidance coordinator to the high school administrative staff. This addition is necessary because of the great increase in enrollment—an increase of 66 percent between 1953 and September 1957.

The new post of guidance coordinator will be responsible for some duties now assigned to the principal, assistant principal, the field counselor, the dean of boys, and dean of girls.
Mr. Saltzer requested assignment to this new position, guidance work always having been

his favorite area of work.
As guidance coordinator, Mr. Saltzer will use the field counselor's office now occupied by Mr. Campbell.

The remodeled central office will include the offices of the dean of boys and the dean of girls.

The Board of Education also accepted the resignation of Arthur Dowell, history instructor, and Miss Emilie Camp, science teacher.

Mr. Dowell will go to Indiana State Teachers College in Terre Haute, Indiana, as an assistant professor of political science. He will teach international politics.

Miss Camp, who will be married in July, will make her home in Ithaca, New York.

NEEDS SELF-STARTER

Many a man muffs a golden opportunity because he lacks the initiative to throw the switch.

"HICKEY'S FOR QUALITY — SINCE 1900"

BOY'S IVY SPORT SHIRTS WITH BUTTON-DOWN COLLARS
by McGREGOR

The season's smartest ivy look for boys... miniature tartan plaids and stripes... in authentically styled sportshirts with button-down collars back-button on collar, full-length back pleat. Luxurious woven cotton... washes with ease... won't shrink or fade.

Rotary Honors Pan-Americans

Jose R. Ortiz, president of the Pan-American Export Corporation, was the guest speaker at the Grosse Pointe Rotary Club luncheon-meeting at the War Memorial Center on Monday, April 15.

Senor Ortiz, a native of Puerto Rico, gave an amusing and interesting outline of the various Latin American countries in the Pan-American orbit. His speech had added humor mainly because it was impromptu.

He was asked to speak in conjunction with Pan-American Day, which this year was on April 14, and celebrated by the Rotary Club the next day, a regular meeting day.

Pointe Rotary has made this celebration an annual event since 1940, and has had as guests, consuls and other distinguished persons representing different Latin American countries.

Besides Senor Ortiz, other honored guests were Senor Alberto Sierra, Mexican consul; Senor Daniel Pardo, consul of Panama; and Senor Carlos Toro of the Detroit Board of Commerce, who is in charge of all Foreign Trade matters.

Unable to attend because of pressing business, was Saul R. Levin, consul general of the Republic of Honduras.

An added touch of Latin America was rendered by Antonio Morales, Latin strolling troubador, who sang Spanish songs.

Chairman of Pan-American Day was Rotarian Vincent DePetris, who welcomed the guests in the Spanish tongue.

Park Policeman Wins Promotion

Park Police Sgt. Gerard Kesteloot will be relieved as a platoon sergeant on Wednesday, May 1, and elevated to the rank of acting lieutenant in charge of the uniform division, it was announced by Chief Arthur Louwers.

The chief said he has created the lieutenantancy, which eventually will be a full and permanent rank, to make his department a better and smoother-working law enforcement agency.

As a lieutenant, Kesteloot will shoulder some of the department's responsibilities and in making some of the decisions in the uniform division.

Recently, Chief Louwers disclosed the creation of the rank of corporal, and the promotion of three patrolmen to fill the post, as of Monday, April 15.

The new corporals are: Charles French, Thomas Martin and Gordon Duncan, Jr.

MADRIGAL CLUB CONCERT

The Madrigal Club of Detroit, outstanding women's choral group established in 1915, will present its Annual Spring Concert on Tuesday, April 30, at 8:30 p.m. in the Detroit Institute of Fine Arts Auditorium.

Thespians Set To Do Mystery

Lovers of mystery yarns should enjoy "Ten Little Indians" soon to be seen at the Grosse Pointe High School as a Grosse Pointe Community Theatre production.

One of the world's foremost mystery writers, Agatha Christie wrote the novel from which the play was taken, and called it "And Then There Were None." The plot revolves around a nursery rhyme "The Ten Little Indians" who were murdered, one by one.

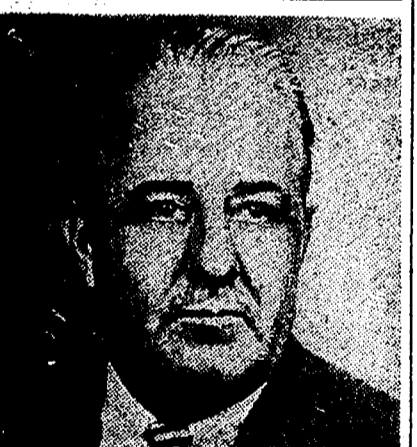

There are, of course, no Indians in the play, but a group of assorted citizens with shady pasts, who are dealt with in the manner of the rhyme. They are invited as house guests to an island estate by a mysterious Mr. Owen. And they all have good reason not to refuse. When it becomes apparent that they have been cut off from civilization and are being murdered one at a time, the suspense is terrific as they try to find the murderer before he kills again.

Members of the cast are: Albert Bertel, newly elected president of the Grosse Pointe Community Theatre and one of its most versatile actors; Mary Jane Clemente, Tom Stein, Gwen Benore, Robert Blow, John Butterfield, Robert Kugel, Lorine Reed, Manning Hathaway, Gene Van Buren and Marvin Pettit.

The play will be presented on Friday and Saturday, May 10 and 11, at 8:30 p.m.

The production is being directed by William Shearer and produced by Glenn A. Kratzet. Tickets are \$1.25 at the door, with a special student rate of 75 cents.

The middle west's first hydro-electric plant was built in Grand Rapids in 1881.

Damman Shows Newest Kitchens

The A. L. Damman Co., 9941 Hayes, has been appointed by St. Charles Manufacturing Co. as the exclusive area representative for residential installations and sales of the famed St. Charles kitchen cabinets.

The newly installed display rooms at the Damman Co. feature cabinets in both modern and traditional styling. Two of the company's 16 colors are featured in the displays, as well as fruitwood cabinets in both modern and traditional designs.

Built-in appliances including Tappan ranges, Revco refrigerators and freezers, Nutone food mixers and Waste King dishwashers and disposers are included in the display.

The budget kitchen, a smart, economical arrangement, features a Frigidaire electric range and refrigerator. Work centers are so arranged that many steps may be saved in the daily preparation of food.

The convenience of arrangement, the lifetime durability, exclusive styling and professional blend of color in the decorations make St. Charles a kitchen to be desired in every home.

BANISTER
Urban Tie

The Froudest name in footwear... since 1845

Bright Comet Now Visible

The rare opportunity of seeing a bright comet will be possible during the month of April, a University of Michigan astronomer declares.

"A comet discovered by Arend and Roland in Belgium last November is in the spring sky," says Hazel M. Losh, U-M associate professor of astronomy. "Comet Arend-Roland is expected to be visible to the naked eye from about April 16 to May 15."

"During its period of greatest brightness between April 16 and May 25," the astronomer continues, "it might equal the spectacle provided by the famous Halley's Comet in 1910."

From April 22 on the comet will be visible above the northwestern horizon for longer and longer periods after sunset on successive nights." After April 30, the professor says the comet will become circumpolar—that is, it will be visible throughout the night.

Describing comets, Professor Losh says they are sometimes called "a bag full of nothing." A well developed comet consists of a small bright nucleus, surrounded by a diffuse, misty envelope or coma. A tail develops and always extends in a direction nearly opposite that of the Sun—sometimes attaining a length of many degrees and a real length of many millions of miles.

Another astronomical event during the month is the visibility of the ever-hard-to-locate planet, Mercury. For a period of two weeks, from April 8 to 21, Mercury may be observed above the west horizon after sunset. "On April 15, it hung in the sky for one and three-fourths hours after the Sun," the professor points out. "It will be situated in the northwest sky not too far from where the comet may be observed a few nights later."

Popular Postman Ready to Retire

After 31 years of delivering the mail, the last 19 of which have been spent in Grosse Pointe Farms, J. STANLEY "BUDDY" FARNUM will hang up his mail satchel and turn in his keys for the last time on April 30.

Mr. Farnum's career started on May 6, 1926, at the Old Fox Creek station shortly after it opened in the Sherman Labora-

tory Building at Philip and Jefferson. He carried a route situated partly in Grosse Pointe Park and partly in Detroit before coming to the Farms in early 1938.

In 1941 Fox Creek Station was closed, being unable to handle the rapidly growing volume of mail for the Grosse Pointe territory. The new Kercheval Station located at Marlborough was then to take over the territory with the personnel from Fox Creek and added carriers and clerks.

Pointes Get Own Office
With the building of new homes and the rapidly growing population of the Pointes, the Farms, Woods and Shores were to have their own Post Office in the fall of 1952.

So with each new change Mr. Farnum was also to make the change to the new office. The territory first serviced by him in the Farms the past 19 years was originally from Moran road to Kerby road bounded by Grosse Pointe boulevard and Ridge road. He has carried to the City Hall through all these years. The area recently carried by him is bounded by Vendome and Morose and Charlevoix to the lake.

Formerly of Beaconsfield avenue, Mr. Farnum and Mrs. Farnum have lived at 36530 E. Jefferson, Mr. Clemens, for the past nine years. On retiring he and Mrs. Farnum are moving to their Cape Cod cottage on Buzard's Bay near Wareham, Mass., for the summer months. They plan to spend about three months each winter in their trailer in Florida.

He extends an invitation to

all his good patrons, friends and fellow-workers to visit him on the Cape and to go for a fishing trip on his cruiser. He is taking his cruiser from Detroit to Cape Cod via water to the New York Barge Canal with the assistance of "First Mate" retired letter carrier, Lester Lathrop of the Kercheval Station.

Born in Boston, Mass., on October 5, 1898, Mr. Farnum has planned his retirement carefully. He is sure that time will not hang heavily on his hands. His hobbies are boating and showing movies. He will be helping Mrs. Farnum with her garden of flowers, and wishes that the day was 36 hours long instead of 24 so he can do all the things he likes.

Peg the man as no good if he can't see good in others.

Church Offers Film for Youth

"Seventeen," a Christian movie filled with everyday drama and typical life among the teen-agers of today, will be presented at the Young People's meeting of the Grosse Pointe

Baptist Church at Mack and Baseline road, on April 28 at 7:30 p.m.
The film shows scenes of the average high schooler when he or she comes in contact with

Christian young people and Jesus Christ, and the changes that will occur in the lives of those affected.
There is no admission charge and everyone is welcome.

M Club to Hear Hi-Fi Program

A few tickets still remain for the Hi-Fi-Rama sponsored by the University of Michigan Club of Grosse Pointe, to be held Friday night at 8:15 at the Grosse Pointe War Memorial, according to John M. Chase, of Lewiston road, president of the alumni group.

The program will consist of the history of recorded music from earliest times down to the modern Hi-Fi. A social and coffee hour will follow the program.

Tickets may be obtained by telephoning Miss Virginia Becker at TU. 4-4251 after 7:00 p.m., or Mrs. A. D. Rueggeger at VA. 2-4994.

Obituaries

NORMAN L. WOLFE
Mr. Wolfe, 54, of 1977 Norwood, retired supervisor for the Packard Division of Studebaker-Packard Corp., died on Monday, April 15, in Saratoga Hospital. He had been with the Packard organization for 25 years.

Mr. Wolfe is survived by his wife, Mavis; two sons, Norman L., Jr., and Lowell B.; and three brothers, Ernest, John and Adolph.

Funeral services were held on Thursday, April 18. Burial was in Cadillac Memorial Gardens East.

WEBSTER H. LOAFMAN
Mr. Loafman, formerly of 950 Pemberton, died on Wednesday, April 17, in Lake Worth, Fla., General Hospital, after a short illness. He had been retired for two years.

A native of Bowling Green, Ky., Mr. Loafman was a resident of the Detroit area for 38 years and was engaged in the contracting and construction business. For 10 years before his retirement, he was superintendent for the Campbell Construction company.

Surviving him are his wife, Myrtle, Lake Worth; two sons, Frank William and Arthur Kagle, both of Detroit; and six grandchildren.

Funeral services were held on Friday, April 19, in Lake Worth. Burial was in the city.

CHRISTINE B. PERKINS
Mrs. Christine Betzner Perkins, 51, died on Thursday, April 18, at her home, 760 Grand Marais.

Mrs. Perkins, long active in fraternal, civic and charitable affairs, served as regent of the Louisia St Clair Chapter of the Daughters of the American Revolution in 1955 and 1956.

She was also active in alumnae affairs of Alpha Xi Delta Sorority, serving as adviser to chapters at the University of Michigan and at Eastern Michigan State College, Ypsilanti; and as president of the Detroit Alumnae Chapter twice.

She was alumnae editor of the sorority's magazine from 1937 to 1939.

A native of Detroit, she was a 1926 graduate of U-M, and taught mathematics in the Detroit Public Schools until her marriage to Earl Perkins in 1933.

Mrs. Perkins was a member of the Grosse Pointe Memorial Church, the Detroit Boat Club, and the Women's City Club, and an associate member of the Theater Arts.

Besides her husband, she is survived by a daughter, Christine Ellen; and a brother, Wilson G. Betzner.

Funeral services were held on Monday, April 22. Burial was in Woodlawn cemetery.

MRS. ROY D. CHAPIN

Mrs. Chapin, 66, prominent Detroit society matron and widow of automotive pioneer Roy D. Chapin, Sr., died on Friday, April 19, at her home, 457 Lake Shore road.

Mrs. Chapin had suffered a stroke last July and had been hospitalized for a month. A second stroke is believed to have caused her death Friday.

Throughout her life, Mrs. Chapin maintained an intense interest in the arts, travel, gardening and athletics.

She was always vivacious and charming. Her home was the scene of many society gatherings and parties, including the debuts of her daughters.

Her Georgian-American residence was constructed in 1929, only seven years prior to the death of her husband.

Mr. Chapin was one of the organizers of the Hudson Motor Car company and its president, and also served as Secretary of Commerce under President

Hoover.
Born Inez Tiedeman, she was the daughter of a long-time mayor of Savannah, Ga., her birthplace.

She was a 1913 graduate of Smith College, and met her future husband that same year. They were married in 1914, and came to Detroit to make their home.

Mrs. Chapin was actively interested in the Detroit Symphony Orchestra, the Detroit Artists Market, the Garden Club of Michigan and the seven Eastern Women's College Committee.

She was a member of Christ Church in the Pointe, the Junior League, Country Club of Detroit, Grosse Pointe Club, and a number of other organizations.

Prior to her death, she had completed the sale of her home to Henry Ford II, and had planned to move to a smaller house.

She is survived by three sons, Roy D. Chapin, Jr., John C., and Daniel; three daughters, Mrs. Hugo Higbie, Mrs. William E. Hutton, and Miss Sara Ann (Sammy) Chapin; a brother, Carsten Tiedeman; and 16 grandchildren.

Funeral services were held at the family residence on Lake Shore on Monday, April 22. Burial was in Woodlawn cemetery.

LEWIS A. SMITH

Mr. Smith, 64, 621 Middlesex, financial advisor to D. M. Ferry, Jr., of the Ferry-Morse Seed company, died on Monday, April 22, while being taken to a hospital from his home.

A native of Marine City, he is a graduate of the Michigan State University and was a member of the board of the MSU Development Fund.

He leaves his wife, Bernice; a sister Mrs. Helen Schueler; a brother, William W.; a daughter, Barbara, and a granddaughter, Deborah.

Funeral services will be held today, April 25. Burial will be in Woodlawn cemetery.

MARY EDITH FRANK

Mrs. Mary E. Frank, 73, mother of Mrs. E. Larson of 512 Pemberton road, died on April 15. She made her home with her daughter, and son-in-law, Dr. Larson.

Other survivors are another daughter, Mrs. Frank Sandeaus of Dayton, Ohio, and a sister, Mrs. Pearl Sparks of Toronto, Ont.

Funeral services were held on Wednesday, April 17 from the Verheyden Funeral Home, 16300 Mack avenue. Burial was in Lakeside Cemetery, Port Huron.

Mother 'Koko' Also a Hunter

"Koko," the 21-month-old Irish setter who made Page One a few weeks ago with her 13 puppies, has proven she can take motherhood in her stride and still go about the more serious activities for which she thinks she is intended.

Just six weeks after giving birth to the queen-size litter, she was entered in the big field trials at Milford, Mich., and came away with flying colors. "Koko" took second in the Derby Stake, competing against top dogs from seven states and Canada.

When the competition was ended, her owners, Mr. and Mrs. Earl Morrison of Hollywood boulevard, had to take "Koko" from the field, she was having

so much fun being serious about her business.

The Morrissons also own the father of this tremendous litter. The venerable papa, "Mike,"

is now 10 years old. He was entered in the Open Gun Stake, and proved to be the best Michigan dog entered and fourth in the whole competition.

Painters Plan Center Exhibit

The women studying portrait painting at the Grosse Pointe War Memorial under the direction of Pauline Field are having an exhibition of their work done in the past year in the second floor galleries of the War Memorial from April 27 through May 7.

Some of these painters have had little previous training. All are realizing the ambition of most painters to do portraits. Each in his own way has a distinct conceptual artistry and interpretation of the character of his subject. All are done in the accepted manner of portrait painting that can be hung in a

home or public buildings as a truthful representation of the subject.

Mrs. Field is ambitious that all will eventually work with a security of her own technique, and that an honest statement of character of the subject will win over an attempt of glamorizing the subject to the point of prettiness, which has turned modern critics against portraits as a form of art expression.

She believes that portraits have been cherished more than other types of art through the ages. They are historical documents telling us about past civilizations.

INTERNATIONAL BABY WEEK

at

Jacobson's

In tribute to all these littlest citizens, Jacobson's has planned an International Baby Week... a gala affair extending from Thursday, April 25 through Wednesday, May 1st. Each day will highlight a different nation—displays of children's costumes, dolls and art objects from that country, special national refreshments all deliciously typical, served from 2 to 4 p.m.

Country	Date
Denmark	Thursday April 25
Poland	Friday April 26
Greece	Saturday April 27
Hungary	Monday April 29
American	Tuesday April 30
Italy	Wednesday May 1

Our infant-sized orchard of dainty little apples-and-blossoms, growing in pink and blue profusion on white "magic crepe" cotton... adorable way to tell your baby about National Baby Week.

- Terry-lined bathrobe 3.98
- Dacron-filled crib comforter 8.98
- Kimono lined in cotton pisse 3.25
- Plisse-lined sacque 2.25

Building Treatments EXHIBIT Focuses Attention on Pointe Homes and area Office Buildings Erected by Albert D. Thomas, Inc., Local Builders

Winter lent a lacy backdrop for this home of traditional styling as above photo was taken. Located at 91 Stephens, it has a roomy circular drive and attached garage. Thomas Company constructed the building during the winter months.

A newly completed clinic building erected by Albert Thomas, Inc., for Dr. Joseph Carp. It is located at 8717 Van Dyke, Detroit.

Some of Thomas Firm's Buildings Shown Here

Company Exhibits Permanent Exhibit

Beautiful homes... and beautiful office buildings are definitely made so because their design and construction reflect the taste of prominent persons who choose well before they proceed. So says Mr. Albert D. Thomas, president of the Grosse Pointe building firm which bears his name.

On this page are shown several of the local residences and area office buildings which for the most part were designed and their materials selected from visual displays before actual work was ever begun. Today in the new Thomas offices at 18232 Mack avenue, Grosse Pointe Farms, there is a Permanent Exhibit of Modern Building Treatments going on for customers and the interested public. And since the firm engages in much of the rebuilding and modernization work that is being done on stately Pointe homes... from modern kitchens to recreation rooms, patios and swimming pools—the exhibit includes samples of an abundance of materials and equipment.

Open House

Last week the company announced an Open House running

Wayne Stamp Society Will Hold Exhibition

The Wayne Stamp Society will hold its Annual Exhibition of postage stamps this weekend at the Cannon Memorial Center, 5104 Guilford (near East Warren and Cadieux road). The hours on Saturday are 11 a.m. to 9:30 p.m.; Sunday, 12 noon to 5:30 p.m. The public is invited and the admission is free.

through June 1, during which period staff members, designers and craftsmen are remaining on hand a part of each day to meet interested and prospective customers and to explain "how to

choose well to live well." In addition to the buildings shown in picture on this page, the Thomas company did many other local homes and commercial buildings, including the Village Building, Fisher road at St. Paul; the remodeling of the Monday Cleaners offices and plant and the erection of Sam's Barber Shop, all of Fisher road; the building of the new banquet

room at the Howard Johnson Restaurant on Mack avenue in the Woods, and the erection of the new addition to the Grosse Pointe News offices at 99 Kercheval in the Farms. Mr. Albert D. Thomas, Jr., head of the firm, began his building operation in 1941 and has been located and specializing in the Pointe for the past seven years.

GPUS News Notes

One of the major events of the spring season at Grosse Pointe University School was the faculty show called "Faculty Faces." The work of a writing team made up of John Graham, William Bellows, Don Roberts, and Philip Perkins, the show took a most enthusiastic student audience on an imaginary world tour showing how the faculty might occupy its summer vacation.

Paris, Hawaii, Russia, Scotland, and Hongkong were among the exotic places visited. Headmaster John Chandler, Jr., played the role of a travel agent who ends up in a cannibal stew. Mr. McCann is seen strutting a Hawaiian guitar. Mr. Schreeman is the director of a Chinese driver training school, not to mention being a Russian devotee of rock 'n roll. Mr. Trim is cast as a toreador. Virtually all the faculty were cast in some role before the lights or in the wings.

Mrs. Eleanor Munger, teacher of speech and dramatics at G.P.U.S., was herself cast in a leading role in the play "Ladies in Retirement," presented by The Fine Arts Society of Detroit. A group of G.P.U.S. students who saw the play report that Mrs. Munger's performance as a murderess was very convincing. In the stage crew also was Athletic Director William Yeager.

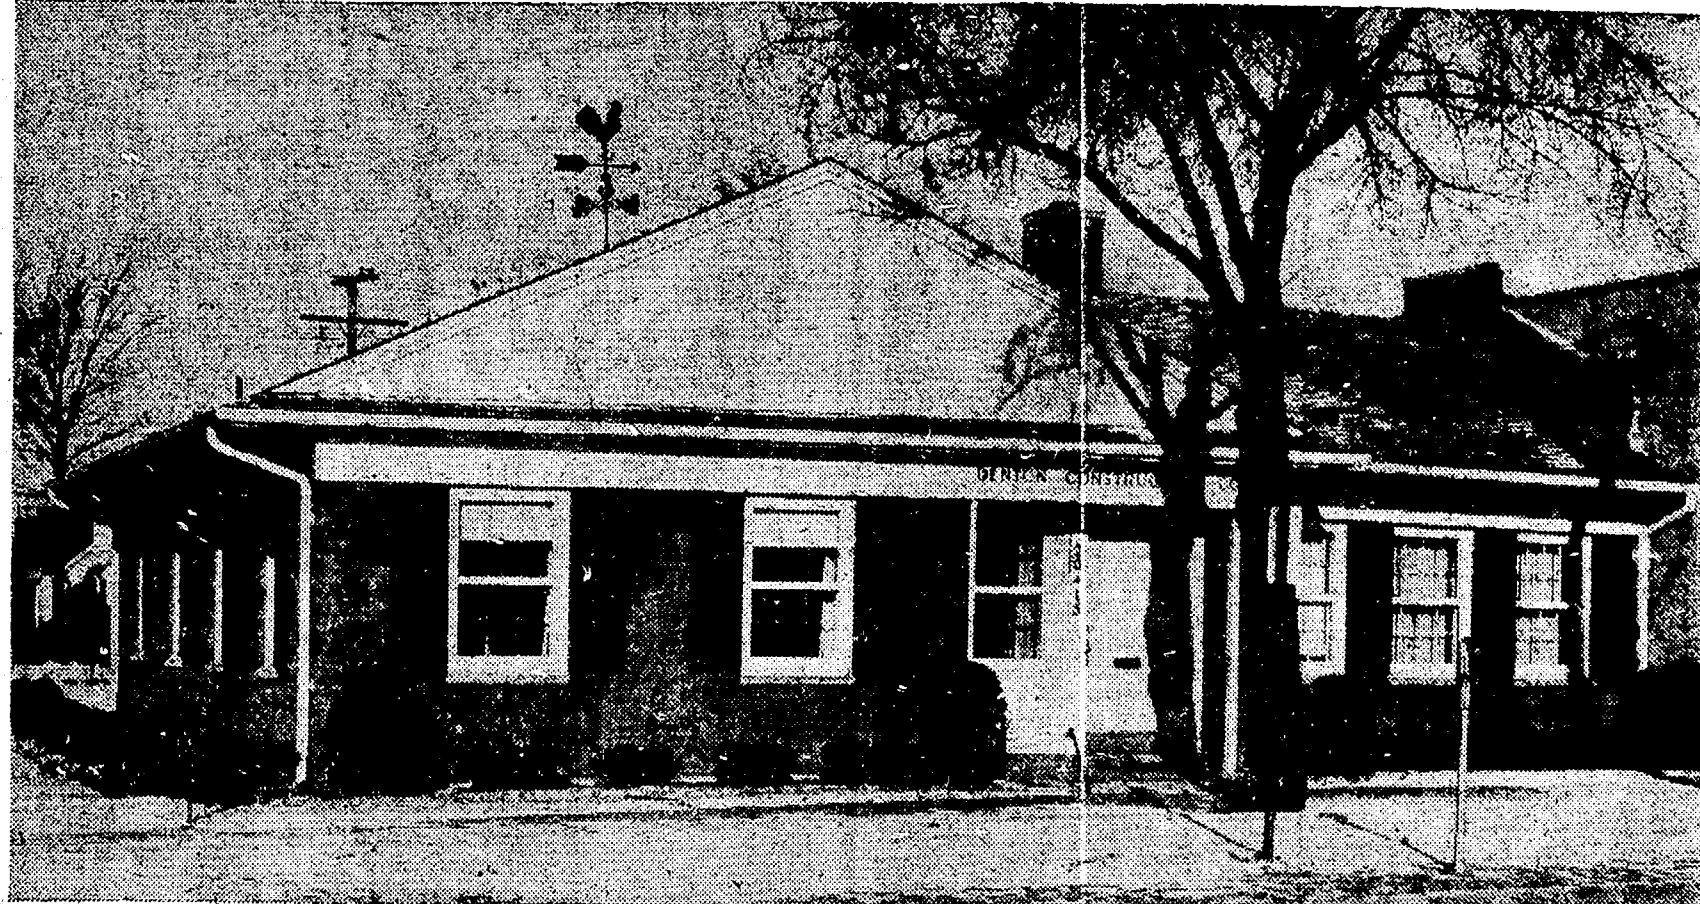

A large number of boys and girls reported for the scholarship and placement examinations offered by Grosse Pointe University School last Saturday morning.

The annual Hobby Show will be this Friday, April 26, in the afternoon and evening. All friends of GPUS are cordially invited.

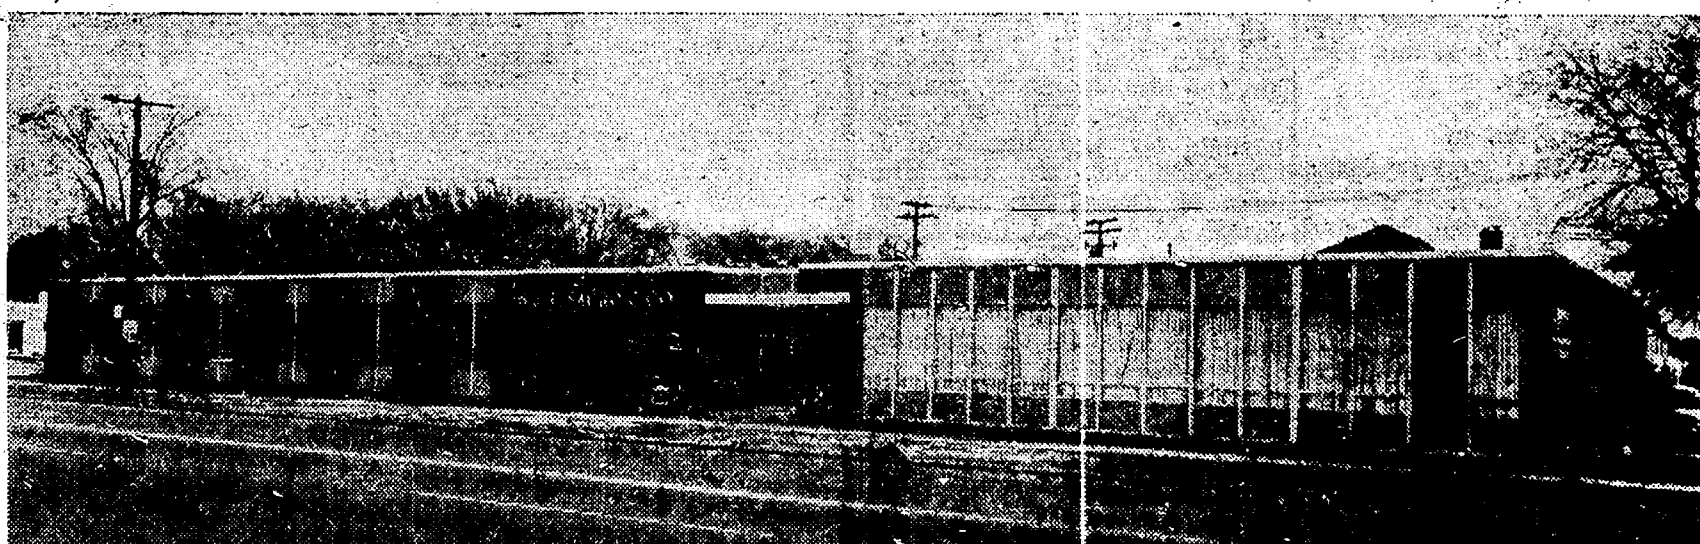

Rev. Max Pearce, curate at Christ Church, was chapel speaker at GPUS, Tuesday, April 16.

A visitor to GPUS last week was Dr. Richard Kogel of Vienna, Austria, superintendent of Vienna high schools and also a leader of Junior Red Cross activities there. With Dr. Kogel was Mrs. David L. Vivien, Director of the Junior Red Cross in Detroit. They had lunch at GPUS, attended a meeting of its Red Cross Council, and took a tour of the school and grounds.

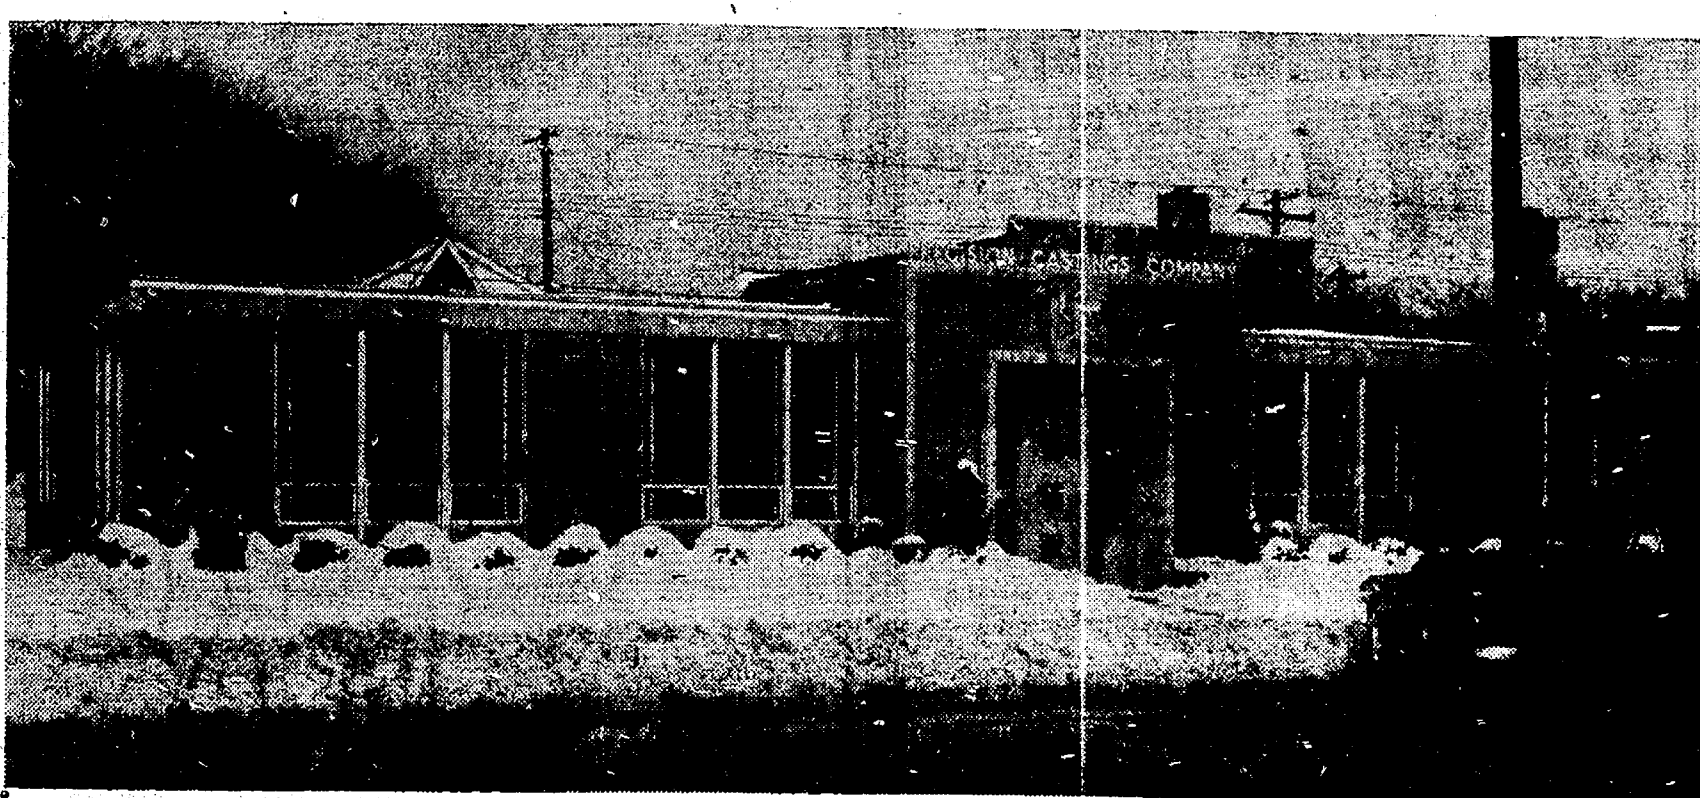

Guest pianist for a special assembly was Frederic Sjobiarn,

This beautiful office building on Mack avenue built by the Thomas Company for Raladam Corporation has unusual charm. The Denton Construction Company occupies the building as the name above the doorway indicates.

Long and well-lighted is this office building done by Albert D. Thomas, Inc., for Grosse Pointer E. F. Wunsch. It is fast nearing completion and is located at 14501 West McNichols road.

The offices of the Precision Casting Company occupy this new imposing structure at 1230 East McNichols road. For the convenience of the company's pilot, the building contains roof-top living quarters of the penthouse type. The construction work was completed last fall by Albert D. Thomas, Inc.

Two of Firm's Earlier Pointe Homes

This residence at No. 10 Beacon Hill in the Farms is unique in that it is much more spacious than it appears from the street. It has a charming family room (sometimes called Florida Room) and a fully-screened upper veranda looking to Lake St. Clair and graced with New Orleans iron grill work.

Strictly modern, this Bedford Lane home built by the Thomas Company also faces toward Lake St. Clair and has a second floor library which commands a wide vista of lake and land. The great living room is equipped with Thermo pane all along one entire side. Indeed, it is found to be quite functional.

Students Hear Explanation Of Co-Operative Education

By Nancy Nagelkirk
G.P.H.S. Journalism Student
Mr. Albert Lewis, a training department coordinator for Ford Motor Company, recently explained the cooperative education program to interested students at Grosse-Pointe High School. Ford is one of many companies which sponsor co-op programs.

He pointed out the practical advantages of co-op education. A student receives experience in a work situation that will be similar to the jobs he will hold after graduation. Or, through the co-op program, a student may learn that engineering or business administration is not the field for him—before he spends four years working in a classroom.

According to Mr. Lewis a co-

op student learns the newest techniques in industry. He becomes acquainted with company policy and personnel.

Many universities participate in co-op programs. The University of Detroit, Massachusetts Institute of Technology, Georgia Institute of Technology, Purdue, Northwestern, and the University of Minnesota all have co-op programs. The usual co-operative program, Mr. Lewis said, arranges for two students from the same school, to hold one job. While one is attending classes the other works. Most colleges alternate class and work experience in shifts of three months. It takes five years to obtain a degree.

Mr. Lewis said that Ford can place students interested in industrial engineering, mechanical engineering, electrical engineering, ceramic engineering, and experimental engineering.

Mathematics Teachers Holding Conference

The annual conference of the Michigan Council of Teachers of Mathematics will be held at St. Mary's Lake, near Battle Creek, on May 3, 4 and 5.

The speaker-consultant will be Professor Henry Van Engen of Iowa State Teachers College, Cedar Falls, Iowa. The theme of the conference will be "The Evolving Curriculum in Mathematics."

Miss Margaret Lingo, as secretary of the Michigan Council of Teachers of Mathematics, is busy receiving advance registrations and reservations. She is a mathematics teacher at Pierce Junior high school, Don Verkes, mathematics teacher at Grosse Pointe High School, has arranged for a display of multi-sensory teaching aids.

Mathematics teachers from all over the state at all levels of instruction, from elementary school through college, will attend.

State President

Mrs. A. H. Smith of 428 1/2 Roland road was recently elected president of the Michigan State Chapter of P. E. O. Sisterhood at the annual convention held at the Fort Shelby Hotel, April 15-17.

Mrs. Smith, a member of Chapter AO of Grosse Pointe, has been president of her local group and has served on the State Board for five years.

Two daughters, also P. E. O.'s, are Mrs. Samuel Fittes of Birmingham; a member of Chapter CO, and Mrs. J. V. Richard of Grosse Pointe, a member of Chapter AO.

P. E. O. is an international educational and philanthropic organization. There are 92 Michigan chapters, 47 in Metropolitan Detroit. The organization maintains an Educational Loan Fund for girls in this country and provides International Peace Scholarships for women from foreign countries who wish to attend colleges throughout the United States.

The Sisterhood also owns and operates Coitce College for Women in Nevada, Missouri.

Youths Prefer Daylight Time

According to a City police report, two youths were successful in turning back the hands of time last Friday, April 19. The boys used a long stick

to turn back the hands on a large outdoor clock on a local jewelry store.

The pranksters skeddaddled out of the neighborhood when the police arrived.

HOUSEHOLD HINT

Use mattress-pads on your beds to protect the mattress and also to protect your sheets from abrasion against the mattress.

Education has its drawbacks—it's hard to point out the faults of other nations when you know the history of your own.

Woods Club Plans Special Program

The Grosse Pointe Woods Community Club will conduct a special program for its afternoon groups this Friday. Special movies will be shown at 1:30 p.m. and all grade school children who are members of the Club are invited.

This is one of the special programs being conducted during the school holiday season. Trips, hikes and regular group meetings or other affairs to be conducted. The Community Club is a Torch Fund Agency.

National Hearing Week Designated

The American Hearing Society has designated the week of May 5-11 as National Hearing Week. The national campaign is designed to inform the public of the hearing problem directly affecting an estimated 15 million men, women and children in this country, and to publicize ways of serving them.

Mayor Cobo has endorsed the observation of National Hearing Week in Detroit. Ronald H. Houle, 1605 Fair court, Grosse Pointe Woods, President of the Detroit Hearing Center, which sponsors the campaign in Detroit, stated that the Center seeks to alert the families, friends and employers of Detroiters with a hearing loss to the fact that there is much that can be done for them. The Center carries on an active program for the rehabilitation of hard of hearing people. Special activities during National Hearing Week at the Center highlight its continuing program to prevent deafness, conserve hearing and rehabilitate those who face a lifetime of silence in a sound-filled world.

Mr. Houle will preside at the Open House to be held at the Center, Sunday, May 5 at 3 p.m. The program will feature Dr. Bruce Graham, Speech and Audiology Department, Henry Ford Hospital.

Some people don't open the door when opportunity knocks because they are afraid the wolf is trying to get in.

Plenty of hot water with DETROIT EDISON'S NEW ELECTRIC WATER-HEATING SERVICE

New, more efficient water heaters—built to Edison's specifications. New water-heating plan from Edison. Together they make the finest hot water service ever offered in Southeastern Michigan.

Completely new, completely different, the electric water heaters for 1957 are not only the safest kind you can buy—they're the most practical, too. Built to Detroit Edison's own rigid specifications, dollar for dollar these new electric water heaters last longer than any other heater you can buy.

higher wattage heating units that operate completely automatically. As your hot water supply goes down, one unit automatically goes on—quickly heating up more water for you to use when you need it. No waiting, no worries. There's always plenty of hot water on tap. And because of this unique new design, you can get more hot water than ever before from the same size heater. Then, too, since it's built to Edison's own specifications, you know you can rely on the quality and depend on it to operate better, last longer.

For still greater economy—Edison's new Super-Supply Plan. To make the new electric water heaters even more economical, Detroit Edison has introduced its Super-Supply Plan. This simply means that now, for a surprisingly low flat monthly rate, you can get much more hot water than ever before for just pennies per day.

Safer... no flame, no fumes. There's automatic safety always built into an electric water heater. No flame, no fumes. It's even safe enough, and good-looking enough, to go right in your kitchen or utility room. Because of its excellent insulation, it's cool to the touch—top to bottom. And only electric water heaters are so clean, noiseless and odorless.

Here is new proof that you always live better, electrically.

Reddy Kilowatt invites you to inspect these tremendous advantages of ELECTRIC water heating before you buy.

During the thirtieth year of its existence, the A. J. Meyer Pharmacy, in order to keep up with the rapid population increase in the Grosse Pointe area, has opened a second pharmacy on Mack avenue at the corner of Torrey road in Grosse Pointe Woods.
The new pharmacy is exclusively devoted to the preparation of prescriptions, the dispensing of drugs, and the sale of all products for maintenance of health and hygiene. A staff of registered pharmacists trained in the original pharmacy at Mack avenue and Courville, will be in charge during a 12 hour period daily.
A night telephone answering service will handle calls after closing and assure early morning delivery by the pharmacy's own delivery service.
The idea of a professional pharmacy devoted entirely to supplying the doctor and his patient with the therapeutic agents used in medicine, was originated for the first time on the East side of Detroit by Mr. Meyer in 1934. His decision to handle only drug items resulted in a quiet, efficient and streamlined laboratory type of pharmacy and the rapid growth of the business bore out the approval of the medical men of this community.
The maintenance of the pharmacy's own delivery service, which embraces five delivery trucks, made it possible to control deliveries and assure clients among the public and

the medical profession of prompt delivery of drugs and other supplies. "Although this service is maintained at a great expense, we feel that it has contributed in a great measure to our success," says Mr. Meyer.
In addition to approximately 40,000 drug items necessary for compounding the modern prescriptions, the A. J. Meyer Pharmacies stock all the commonly used and rarely used biologicals such as polio, rabies, cholera and yellow fever vaccines.
Antidotes for poisons are recognized by the American Medical Association to be of vital importance to the extent that special divisions on toxicology have been set up in Washington, D.C. and many medical centers around the nation. Both Meyer pharmacies have set up new departments containing the antidotes and up to date recommendations for management of cases of poisoning.

Admits Driving Into Parked Car

A Woods resident claimed full responsibility for causing a rear end collision early Wednesday evening, April 17.
James T. McIntosh of 19259 Raymond, was driving his 1955 Chevrolet station wagon north on Moran, and the car struck the rear of a 1954 Ford, parked at the curb. The Ford was owned by Marvin Ortwein, and was parked in front of his home at 468 Moran.
Police estimated damage of \$100 to each car.

Trust services are for lots of people
... for people like this sophomore, for example. He's going to college on the income from the estate his father left in trust for him at National Bank of Detroit. And he'll get his start in business, too.
A testamentary trust maturing when the boy is 30, was our suggestion to his father. It keeps the bulk of the estate in good hands, growing right along with the young man's ability to eventually take it over. He'll probably continue his trust relationship at that time, but in a different way. For our investment management—the detailed handling of his portfolio—will free his time and energies for the job and family he'll have to think about.
We'll be glad to talk to you about the many advantages of a trust relationship with National Bank of Detroit.

Municipal Parks Humming To Get Set for Openings

The five Grosse Pointe Municipal Parks hummed with activity this week with the shouts of children enjoying their spring vacation.

As the kids romped the playing areas and dangled their fishing lines, park crews were busily finishing up projects to ready the parks for the thousands of residents who will use them this summer.

The dredging of the diving area at the Farms municipal pier was completed on Tuesday, and the rig moved over to deepen the harbor at the Crescent Sail Yacht Club. In May, the dredger will return to the Farms and scrape the boat channel and also scoop out some sand bars in the harbor.

Plans are in the mill to resurface the large parking area at the foot of Moross road, with a layer of black top. Additional outdoor stoves and tables have been purchased for the use of picnickers. The landscaping is being spruced up and new bicycle racks have been installed.

Between June 9 and September 4, of 1956, 162,000 people used the pier-park. In the City Park in E. Jefferson, opposite University, buildings and docks are being cleaned. Several evergreens, the gift of an anonymous donor, have been planted. There can be no diving at the pier until the area has been dredged. Now the

water is only six feet deep and at least three more feet are needed. The lake level is almost 15 inches below last summer's high. Park Director Vern West expects that all 188 boat wells will be utilized for the first time since the harbor facilities have been improved.

New paint has brightened stoves and benches at the Park at the end of Ailler road. Grosse Pointe Park has also purchased a dozen new tables, and is preparing new flower beds near the park entrance.

The tennis courts are going to be resurfaced before the May 1 opening. All 35 boat spaces have been spoken for, and there is a tentative plan for increasing the docking facilities sometime in the future.

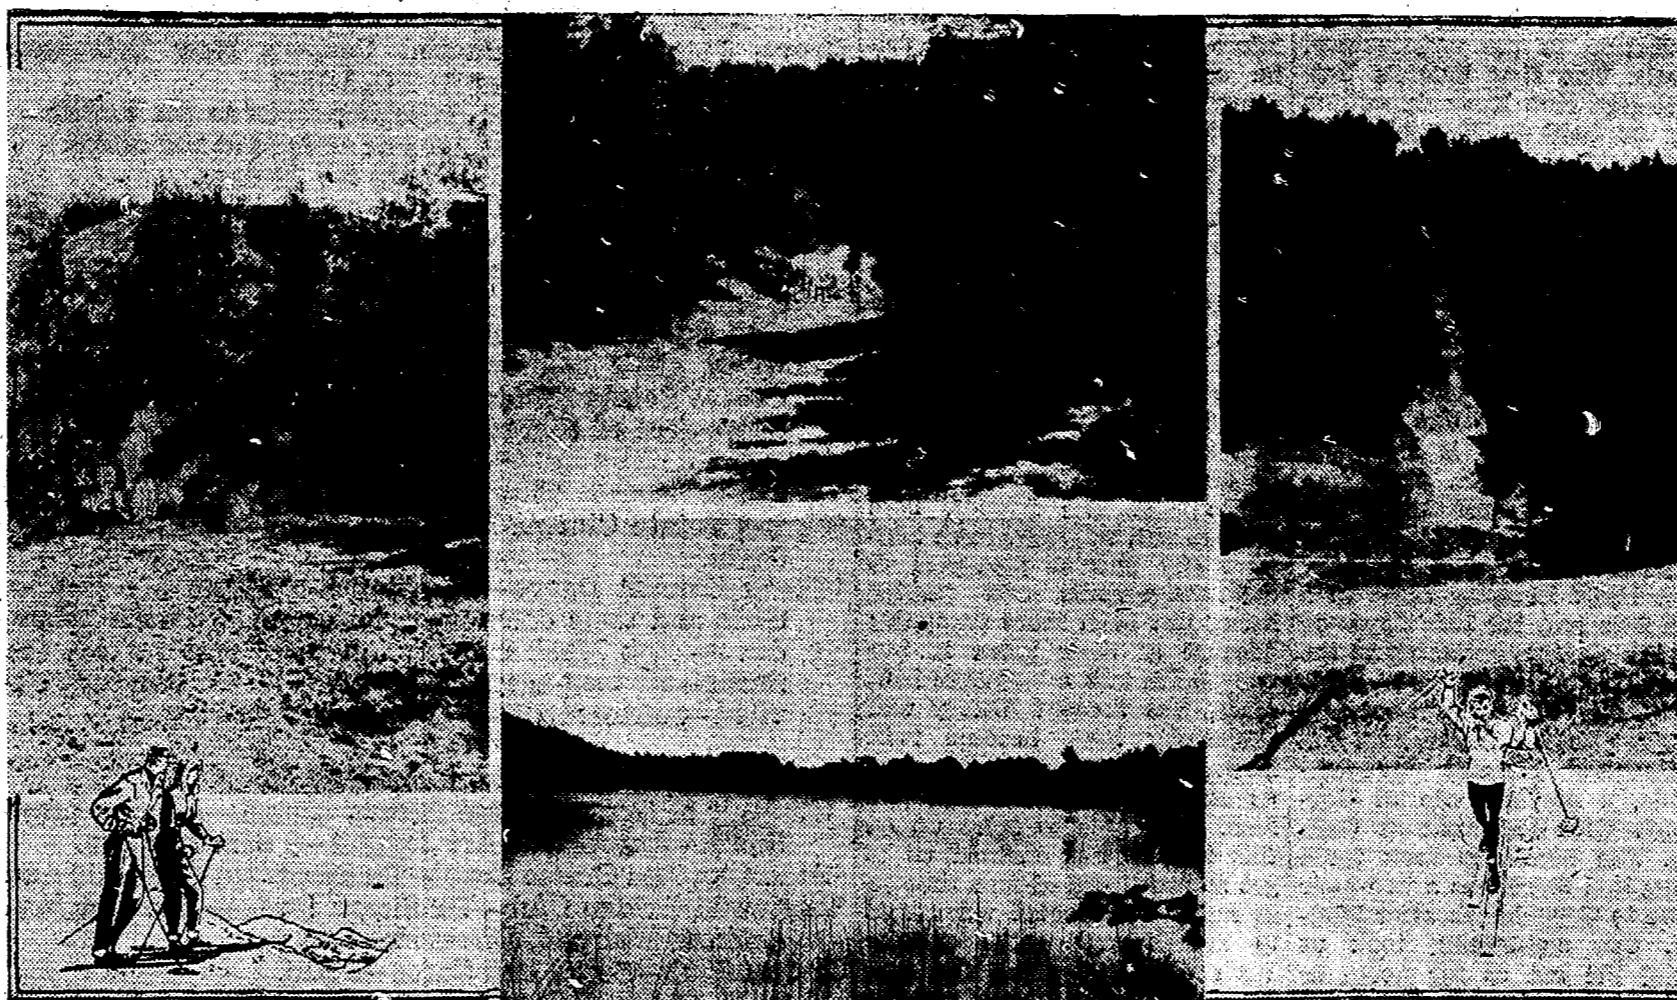

Last year between May 1 and Labor Day, 180,000 visited the park.

The Shores has made improvements on its boat launching ramp, and has plans to take out some sand bars which are harbor hazards. Permanent supports for the life lines have been set. The beach area has been slightly enlarged. A few boats have already been launched, and soon all 30 boat wells will be filled. New tables and grills have been acquired and the shuffle boards have been painted in anticipation of the summer crowds.

The new filter plant at the Woods park is nearing completion. The contract was let in early February, and the plant will be in operation for the June 15 opening. The addition to the swimming pool and the modification of the bath house and hot water heating plant will also be completed by June.

All 94 boat wells were spoken for the first week the applications were mailed.

Views Show Advantage of Proposed Ski Club

Of particular interest to Grosse Pointers are these photos of the property for a new ski club to be located at Houghton Lake, Michigan, only 175 miles from the Pointe. The property has been proven to be of the finest in the state. Its natural skiing slopes range from five to 45 feet in steepness and from 300 feet to one-quarter mile in length. The site consists of 168 acres, has its own lake and streams and adjoins a 16,000-acre state forest. The Young-Daye Sports Enterprises, Inc., are developing the property and laying the ground-work for the club, which is to be owned by the members. A number of lake frontage sites are available for early subscribers. Skiing was

begun here a year ago. Rope tows were designed with varying speeds to match the skill of the skiers, and tow paths are contoured to eliminate any rope contact with the snow—all equipped with the latest safety devices. In addition to skiing the property is an ideal spot where one can ice skate, hunt, fish, swim and engage in other year-round sports. Memberships are now available through the owners, YOUNG-DAYE SPORTS ENTERPRISES, Inc., of Houghton Lake, Michigan, and will be processed through their Detroit office at 20260 Sherwood Avenue. Information can be obtained by writing or by telephoning TWInbrook 1-8900.

Car Borrower Gets in Trouble

A young Park resident was arrested by City police Thursday, April 18, for speeding 40 mph on Fisher road. The street is zoned for 25 mph.

The young lady, a high school student, was also issued a violation ticket for never having acquired a driver's license.

Two days later, the same girl was again stopped on Fisher road. She admitted taking the family car without her parents' consent.

The vehicle was impounded and the girl's father was summoned. He assured the desk

sergeant he would attend to the matter.

How to Profit Through Tax Exemption

With today's high tax levels, investors in medium and high tax brackets are turning to tax-free Municipal Bonds for income that they can keep.

If you have a taxable income of \$10,000 or more, you may be well repaid by investigating the advantages of tax-exempt State and Municipal Bonds. For instance, if you file a single return on a taxable income of \$14,000, you would have to receive a dividend return of 7.45% on a taxable security in order to equal the yield from a 3.50% tax-free Bond. *It's something to think about!*

Our New Booklet, "How to Profit Through Tax-Exemption" explains in plain language your need for tax exemption, tells how much these high-grade investments can be worth to you. There's no obligation. Send for copy today, or phone.

SELF-INFLICTED

Most of the troubles some people have can be attributed to the fact that they don't keep enough of their thoughts to themselves.

Athletes Live Just as Long

College athletes live just as long and die from the same causes as non-athletes, according to findings of a Michigan State University research team. Former athletes neither burned themselves out in strenuous activity nor did they live any longer on the average than their less active brethren, reported Dr. Henry J. Montoye and Dr. Wayne D. Van Huss, associate professors of health, physical education and recreation.

The scientists said they found no significant difference in the number of former college athletes who died from heart disease compared with non-athletes.

The study, now in its seventh year, has taken a detailed look at 628 M.S.U. sports lettermen and 563 non-athletes, all of whom graduated before 1937. Of those deceased, it was found that the average age of former athletes was 73.8 compared with 74.2 for non-athletes. Excluding accidental deaths, however, longevity for both groups was about the same, 74 years.

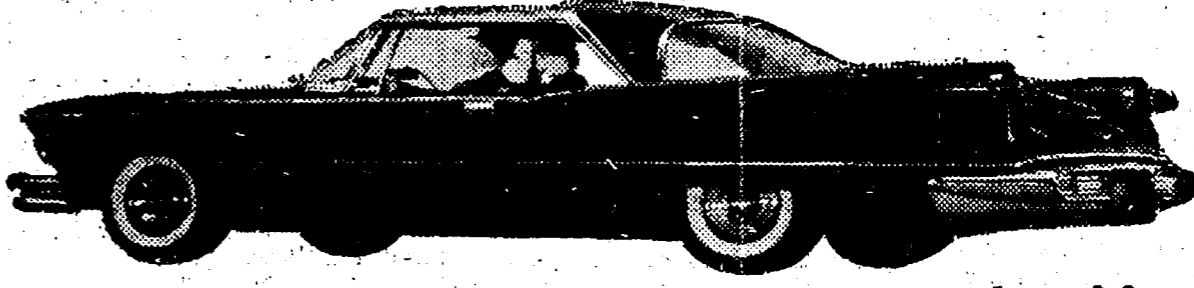

The researchers found a higher percentage of drinkers and smokers among the athletes, with the exception of tennis players, they tended to come from larger families than those not engaging in varsity sports. Wrestlers came from the largest families.

The majority of athletes and their relatives felt that athletes are beneficial.

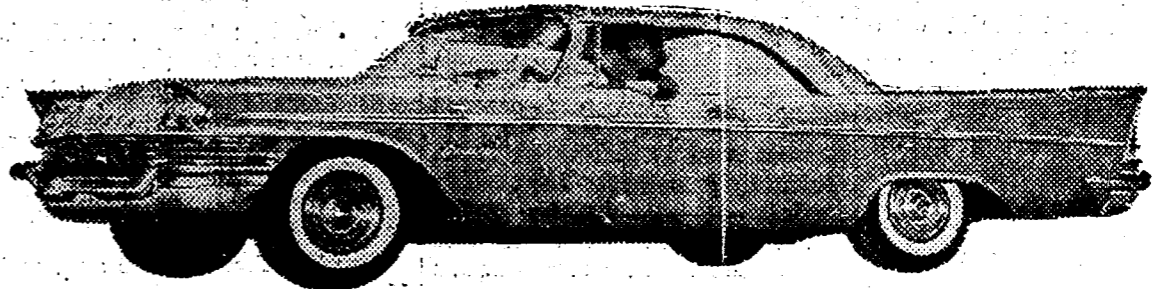

CHRYSLER CORPORATION SWEEPS ECONOMY RUN!

FORWARD LOOK ENGINEERING AND DESIGN
WRITE PERFORMANCE HISTORY—
WIN EVERY CLASS IN TOUGH MOBILGAS TEST!

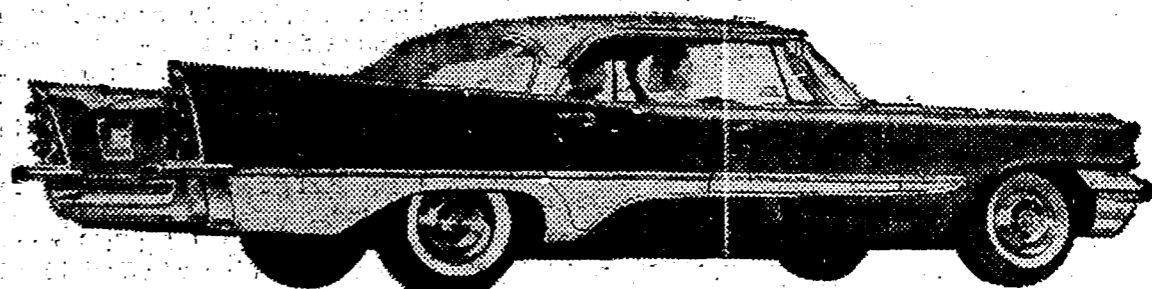

Never before in the history of the Mobilgas Economy Run has one car-making corporation swept all competition aside in every event, in every price, weight and displacement class—right across the board! An unprecedented display of engine and car performance! Here's positive proof that Chrysler Corporation cars with their exclusive and winning combination of functional stabilizer fin styling, revolutionary Torsion-Aire Ride, Pushbutton TorqueFlite transmission, full-time power steering and Total Contact Brakes, are far and away the best buys on the American road today!

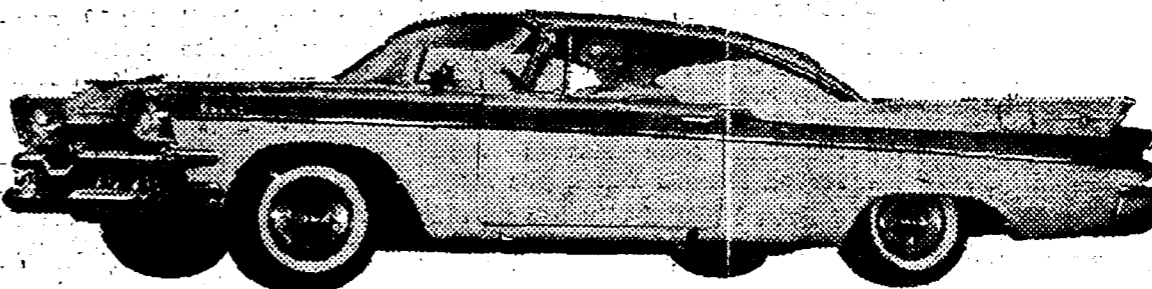

Imperial

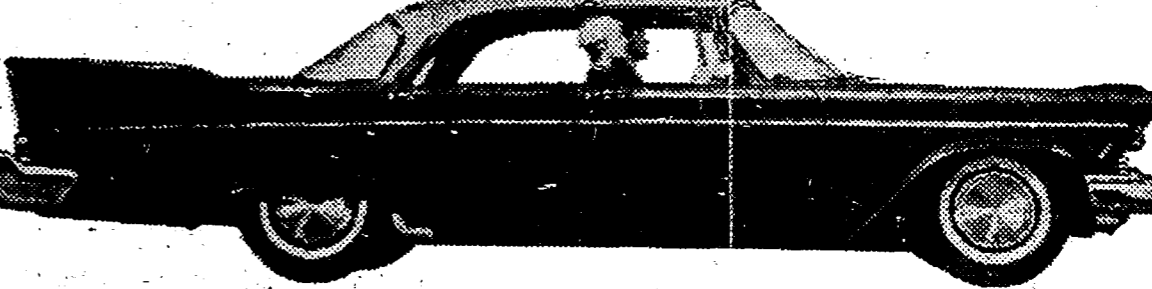

Chrysler

De Soto

Dodge

Plymouth

- Class D and Overall Winner**
IMPERIAL—64.51 TON-MILES*
For the second straight year, an Imperial walked away with the top honors in the grueling Mobilgas Economy Run. This year a Crown Imperial won by the widest margin in the history of the event—12.17 ton-miles more than the next best car.
- Class C**
FIRST CHRYSLER SARATOGA—56.71 TON-MILES
SECOND DE SOTO FIREDOME—56.44 TON-MILES
A Chrysler Saratoga and a De Soto FireDome dominated the medium price and weight class. Chrysler won the event with an average of 56.72 ton-miles with De Soto a close second. No competitive car was even close!
- Class B**
DODGE CORONET 500—55.89 TON-MILES
Dodge ran away with all the honors in Class B. A Dodge Coronet 500 negotiated the grueling 1500 mile run with a ton-mile average of 55.89.
- Class A**
PLYMOUTH BELVEDERE—52.62 TON-MILES
Plymouth topped the big low price and weight class. A Plymouth Belvedere 8 swept the field with an average ton-mile rating of 52.62.

*Miles per gallon multiplied by weight of car in tons. This is the official method used by the United States Automobile Club... and figured this way so that all cars, regardless of make or size, may be judged on an equal basis.

Books On

Library

Distinguished writers and experts in special fields have contributed to the Landmark Books. By and large there is historical accuracy here and many worthwhile books as Prehistoric America by Anne Terry White and a recent one, Sterling North's Abraham Lincoln.

Simon and Schuster in the Golden Books answered the real need for inexpensive books for children. Some of these are very good for the money but others are cheap in content with poor illustrations.

How Is Time to Plant Trees

From now until leaves appear is the ideal time to plant trees, according to Harold Shick, extension specialist in park management at Michigan State University.

April 26 has been designated Arbor Day in Michigan to emphasize tree planting and care. Many communities will have special programs on that date.

The MSU specialist lists these as suitable for planting in Michigan: large size (over 60 feet tall maturity) — sugar maple, Norway spruce, and London plane.

Medium size (40 to 50 feet) — Norway maple, little leaf linden, English oak, pin oak, white oak, mountain ash and Norway spruce.

Small size (20 to 35 feet) — Norway maple, tatarian linden, flowering crab and Norway spruce.

NO PROBLEM people never really understand how easy it is to fly until they see their money doing it.

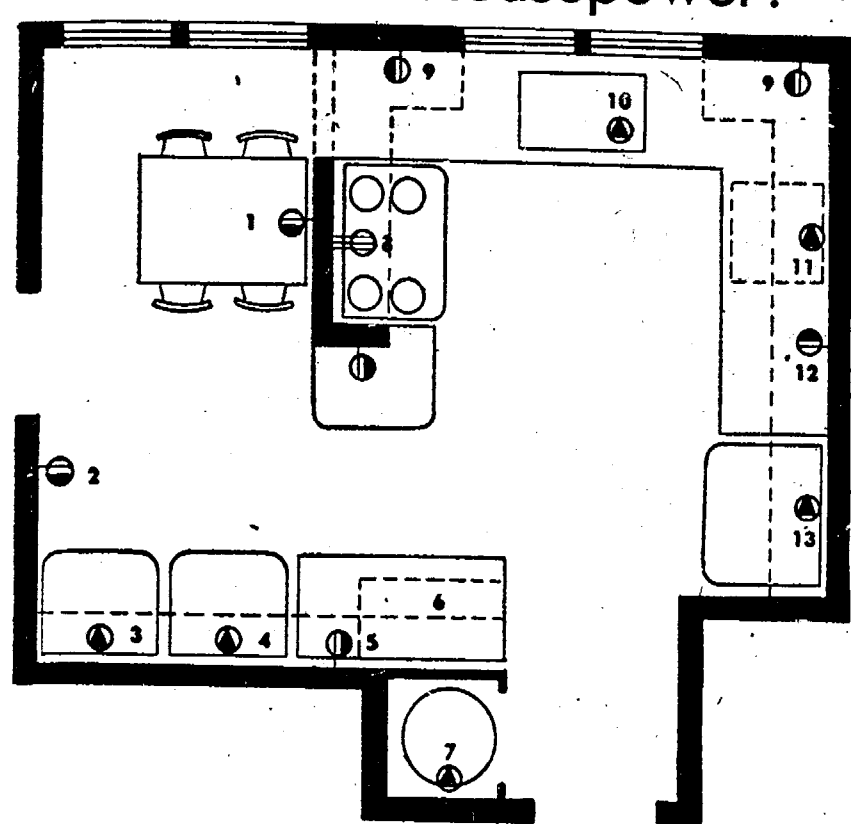

protect your property Furnishings when you move

Our household goods are safe and clean in a United Van Sanitized van. Sanitized is an exclusive hygienic process which inhibits the development of bacteria, mildew, mold and odors that could be harmful, especially to upholstered pieces, rugs, bedding, draperies and clothing.

How Is Your Housepower?

- SPECIAL PURPOSE OUTLET
RANGE OUTLET
DUPLIX CONVENIENCE OUTLET

FULL HOUSEPOWER is featured in this modern kitchen and laundry area. (1) and (2) convenience outlets on kitchen appliance circuit; (3) automatic washer on separate circuit; (4) clothes dryer on separate circuit; (5) convenience outlet on kitchen appliance circuit; (6) ironer storage; (7) water heater on separate circuit; (8) electric range on separate circuit; (9) convenience outlets on separate circuit; (10) waste disposer under sink has separate circuit; (11) dishwasher on separate circuit; (12) convenience outlets on kitchen appliance circuit; (13) refrigerator and freezer on separate circuit.

In spring many a home owner's fancy turns to thoughts of modernization—new porch, remodeled kitchen, finishing-off the basement and the like. For best results and a truly modernized home, remodeling should begin between the walls where the electric wiring is, according to Matthew R. Dowd, District Manager for The Detroit Edison Company.

Modern homes use modern electric appliances and more are added every year. In order to get the most pleasure and best efficiency from these appliances, there must be sufficient wiring to feed them all the electricity they need.

While other remodeling work is being done is the best time to have wiring modernized, too. Four out of five homes in this area, Dowd points out, suffer from inadequate wiring or low HOUSEPOWER.

Prospective home owners can benefit from the HOUSEPOWER Rating Sheet, too, according to Dowd. It will help persons contemplating the purchase of a home to make sure all their present electrical equipment can be used.

If the builder or real estate firm cannot provide such a HOUSEPOWER Rating Sheet, he said, the prospective buyer should ask that one be obtained from the electrical contractor who wired the house, the Electrical Association of Detroit or Detroit Edison.

You may have already noticed symptoms of low HOUSEPOWER. Fuses blow, or circuit breakers trip, with disconcerting frequency. Lights dim when the vacuum cleaner is turned on. Refrigerator starts with an asthmatic wheeze, the toaster is slow to toast and the mixer doesn't mix as fast as it should.

Two Cars Tangle At Intersection Two girls were shaken up in a rear-end collision at Kerby road and Mack avenue, Sunday afternoon, April 14, but they refused a police offer to take them to a doctor. Elizabeth V. Willershausen of 4677 Berkshire, and her passenger, Sharon Carick, of 5232 Marcellines, were thrown against the windshield of Elizabeth's car when she ploughed into the rear of a 1950 Chevrolet stopped at Kerby waiting for a red light.

The driver of the Chevy was Thomas Rowley, of Roseville. He was not injured, but his car was damaged to the extent of \$150.

The approximate damage to Miss Willershausen's car was \$250. She was ticketed for not having her car under control.

Society News Gathered from All of the Pointes

DAC Fathers Fete Daughters at Party

Many Pointers Throng Club for Annual Event on Easter Eve; Aquatic Show Followed by Luncheon and Debut of Holiday Floor Show

Daughters of Grosse Pointe members of the Detroit Athletic Club took home tangible reminders of last Saturday's fun at DAC's annual Fathers and Daughters Party. With other lasses of the metropolitan area, they are treasuring their souvenir gifts—charm bracelets, which brought delighted squeals when received at the party luncheon.

The bracelets' pendant medallions have the DAC insignia in bas relief on one side, and inscription of the date and event on the other.

Hundreds of Pointers came to the Easter Eve fete. Feminine beauty was on parade, the bonneted and gloved charmers (some only three years old, others grown-up and mothers themselves) enjoying this very special date with dad.

Occasionally a grandfather squirmed a young miss—for instance, Howard H. Lawrie with nine-year-old Lawrie Kimbrough; again it was mother with grandfather and dad with the girls, such as Mrs. Frank Couzens, Jr., with her father, William J. Ulrich, and Mr. Couzens escorting daughters Joan Marie and Margaret Mary.

A fast-moving aquatic show was the noontime kick-off. After watching spectacular diving, a water ballet, and swim comedy antics, the 700 party-goers surged to gymnasium and Pontchartrain room for lunch.

Finale was a preview of DAC's Easter floor show which opened the same evening—singer Carl Ravazza and the comedy act of Walter Dare Wahl.

Frederick K. Cody brought Mary Lou, Fredericka and Angela; Albert C. Dickson and Julie were there; Paul C. Conrad's three dazlers were Mrs. Raymond E. Lawrence (the former Sue Conrad) and Carol and Kathleen; LeRoy Payne and Marguerite; H. J. Bolton and Joyce.

Bert Creemers and Donal were in a foursome with Maryvarene Gray and Cynthia, of Birmingham. There were Robert E. Milligan, Jr., with seven-year-old Jane; Dr. John E. Webster and Gail; E. P. Horan with Gail and

Kathy; Frank C. Wade and Linda; Paul C. Munkholm, Christine and Catherine; Hans Gehrke, Jr., and Susan; S. S. Hall and Stephanie.

In the long, long list of Pointers were Charles B. Gorey, Jr., and Lynn; John B. Mills, Pat and Dorothy; Robert L. Goffredson and Mary Pat; Dr. Don S. Graham and Donna; Hamilton F. Kotcher, Kay Marie and Linda; Daniel J. Tindall, Jr., and Mary Ann; David Marante and Ann; Dr. William B. McIntyre, Margaret Mary, Catherine and Mary Elizabeth.

Edwin Kriehoff was surrounded by feminine loveliness—his daughters, Mrs. Lionel Bird and Mrs. Charles Hikes of Adrian, and Mrs. Gilmore Van Hamm of Grosse Pointe, and four of his granddaughters, Judy, Kendra, Krista and Mary Van Hamm. With them were Edwin Kriehoff, Jr., and his young lady, Katherine Ann.

W. Harold Lightbody's winsome pair were Nancy and Sharon. There were Edward N. Hartwick and Clare; Ralph E. Keller and Julie; W. W. Horn and Marilyn; William T. Kriehoff with Karolyn and Marilyn; and E. L. Long with Belle and Helen.

Dr. Robert Schneck and Julia; William J. Rewoldt with daughter and granddaughter, Mrs. Joseph Whelan and Jennifer; George L. Cassidy with Denise and Sheila; Cecil H. Brown with Brenda and Susan; Walter A. Bayer and Susan were others.

The cost of instruction at the graduate and graduate-professional level is four times the cost of instruction at the freshmen-sophomore level at the University of Michigan.

Short and to the Pointe

To Show New Collection

MISS ELIZABETH A. MOLL, daughter of JUDGE and MRS. L. S. MOLL, of Moross road, and a junior at Smith College, recently was elected vice-president of her college dormitory.

B. BRUCE CHAMBERS, graduate of Grosse Pointe High School, a sophomore civil engineering student at Purdue University, has been notified of his election to the Skull and Crescent, national honorary activities fraternity for campus leaders. He is a sports reporter on "The Exponent," the Purdue daily campus paper and pledge chairman of Tau Kappa Epsilon fraternity. He is the son of MR. and MRS. BYRON J. CHAMBERS of Lakeview.

MR. and MRS. LARRY J. McDONOUGH, of Algonac, announce the birth of a daughter, MICHELE LEE, on April 1. Mrs. McDONOUGH is the former DOROTHY LIMBROCK.

MRS. WILLIAM G. KIRBY of Moross road and her daughter, DIANE, are spending the week in New York. It is the first trip for Miss Diane. Before returning to the Pointe they will visit MRS. HENRY GRIPEKOVEN in Bronxville.

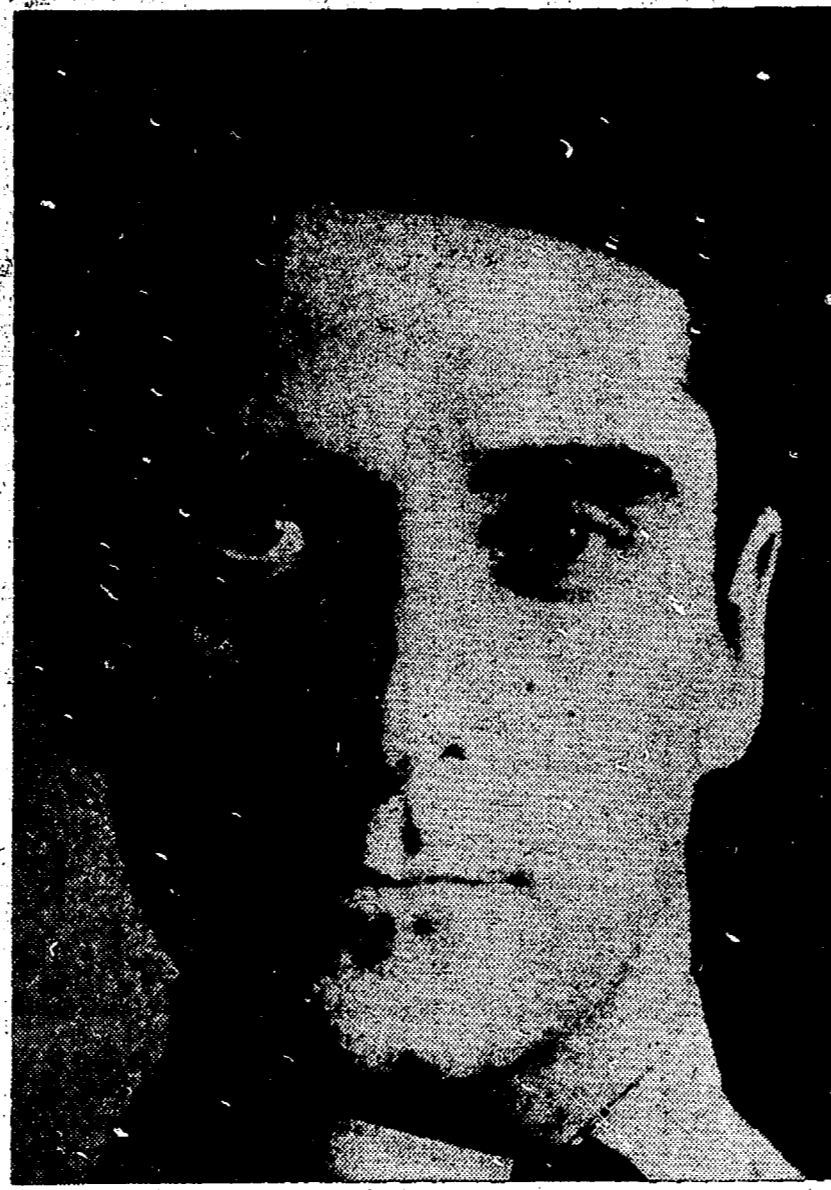

MR. and MRS. GORDON ARTHUR BICKLE of Santa Maria drive, announce the birth of their second son, JEFFERY PAUL. Mrs. Bickle is the former ROSE MARIE MARCO.

The grandparents are the MELVIN A. BICKLES of N. Renaud road.

ELEANOR JONES, daughter of MRS. RALPH J. JONES of Cloverly road was recently installed as an officer in South Campbell dormitory at Michigan State. Eleanor is a sophomore majoring in home economics.

MR. and MRS. HAZEN SCHUMACHER of Ann Arbor and their infant son, JOHN, spent Easter with the latter's mother, MRS. HAROLD DAVIS of Harcourt road.

House guests entertained by the J. FRAZER WHITEHEADS of Stephens road, over the week-

The incomparable KASPER of ARNOLD FOX has designs on the women of Grosse Pointe! For Jacobson's is bringing his new collection to this area—the only complete Kasper showing to be presented in Michigan this summer—giving women a unique opportunity to select a wardrobe of superb couturier dresses and ensembles at considerably less than couturier prices.

Kasper found inspiration for this new collection in beautiful New Orleans: boulevardier jackets from the French Quarter, pirate reds reminiscent of Lafitte, southern lights and shadows captured in black and white, roses and raspberries warm as a Louisiana sun. Viewers will see summer-frosted or-

gandies and glazed cottons, marvelous linens, soft whispors of silk chiffon . . . striking outfits for town or travel and delicious prints for evening. Kasper's "New Orleans" collection, charming, exciting, and ever elegant, will be informally modeled at Jacobson's Grosse Pointe store tomorrow, April 26, from 10 o'clock until 4.

LIAM R. HAMILTON III, of Columbus, O. On April 30 they will welcome their own daughter, MRS. CLARKE MURPHY, JR., of Baltimore, Md.

SYLVIA MELMER, daughter of MR. and MRS. E. O. MELMER of Yorkshire road was re-

cently installed as sports chairman of the South Campbell dormitory at Michigan State University. Sylvia is a freshman majoring in retailing.

MR. and MRS. DIAMOND T. PHILLIPS of Radnor circle with their children, Gail and Douglas, have been spending their Easter vacation at The Homestead in Hot Springs, Va. (Continued on Page 22)

Guild Sponsors Film Premier

Reservations are piling up for the glamorous world premier sponsored by the Grosse Pointe Guild SS of Peter and Paul Mission Auxiliary on April 29.

The films, one of which is a secret until the curtain time, will be shown at 8:30 o'clock at the Esquire Theater with an afterglow party at Al Green's. Mr. and Mrs. George L. Cassidy have bid a group to buffet dinner in their Sunset

lane home before the film showing.

Among the guests will be Mr. and Mrs. Neil Patterson, Mr. and Mrs. Claude A. Greiner, Dr. and Mrs. Philip W. Sloan, Dr. and Mrs. Lawrence Kelly, Mr. and Mrs. Sydney Reynolds and Mr. and Mrs. Alex La Pointe.

Dr. and Mrs. S. J. Moroun, Mr. and Mrs. Edwin Bower, Mr. and Mrs. Robert A. Sullivan, Mr. & Mrs. Ralph Genter, (Continued on Page 22)

Mauve and fern green cotton print with a ruffle of white pleated organdy. A charming dress for a spring or summer evening.

Dozen Clubs Plant GP Trial Gardens

Mrs. Alan Beebe and Mrs. Dexter Ferry Supervising This Year's Planning of Gardens on Grounds of Grosse Pointe War Memorial

The beautiful Trial Gardens located on the edge of Lake St. Clair and on the grounds of the War Memorial Grosse Pointe Garden Center.

The planting and planning of these unique gardens is supervised by Mrs. Alan Beebe and Mrs. Dexter Ferry, and the Trial Garden Committee of the Center.

This year 12 Garden Clubs will each have an individual plot to plant and care for. The Grosse Pointe Park Club, Garden Club of Michigan, Grosse Pointe Garden Club, Village Garden Club, Pointe Garden Club, Grosse Pointe Woods Club, Windmill Pointe, The Grosse Pointe Shores, Junior League Gardeners, Grand Marias Garden Club, Grosse Pointe Farm and Garden, and Subur-

Winners Listed By Bridge Club

Memorial Center Bridge Club results have been announced as follows:

April 15—North and South, Ethel Cardozo and Myrtle Harkins, Carol Priehs and Ethel Harris.

East and West—Emma Harvey and Edna Bruce; Kay Salerno and Vivien Champion.

April 17—North and South, Beulah Cress and Andrew Walrond; Gerry Windisch and Yvonne Young.

East and West—Mrs. Frank Coolidge and Ellen Walrond; Dr. and Mrs. R. W. DeBusk.

April 19—North and South, Mr. and Mrs. Andrew Walrond; Mr. and Mrs. S. Salerno.

East and West—Mr. and Mrs. Curtis Schuppe; Ivan Hina and William Champine.

Public to Visit Carmelite Hall

Ardent supporters of the cause of Carmel Hall, 2550 Woodward Avenue, both in the Grosse Pointe area and throughout the City of Detroit, will have the opportunity they have awaited, when the Carmelite Sisters for the Aged and Infirm again open the doors of the former De troiter Hotel to the public on April 28 for a specially conducted tour throughout the building.

An initial open house was held on April 21 when more than one thousand persons showed their interest in the unifying work of a small group of sisters who are providing the aged, retired and infirm with a new kind of living on the largest scale of any project of its kind throughout the country.

Guides trained in the details of the building project escorted groups of two from a typical residence floor, through the completed hospital floors, where all of the finest and latest equipment is available for the treatment of the infirm.

A tour of the chapel, to be ready for dedication within another month, the fine all stainless steel kitchens, dining room, little theater, the boiler room and finally into the lobby where refreshing punch and freshly baked cookies from the bakery were available to the visitors, completed the tour.

A committee headed by Mrs. Arthur Fleming under the general direction of Mrs. Arthur Kerwin, president of the auxiliary, assisted the Sisters in extending hospitality throughout the afternoon.

Grateful visitors swelled the building fund bowl with their offerings to assist the Sisters in carrying out the vast plan of rehabilitation still in progress which will make Detroit the center of the finest care for the aged in the country.

Following the second open house on April 28 from one until five o'clock, one more Sunday afternoon will be set aside when the Sisters will again welcome outsiders for a pleasant visit on May 5.

In their dedicated interest in the welfare of the aged the Sisters invite the support and approval of the citizens of the Detroit area and wish them to share in the knowledge of the methods used in carrying out the details of their project. The Carmelite auxiliary includes many of Grosse Pointe's leading women residents who have joined in supporting the various activities in the past and will assist the Sisters in their future program.

Van Upholstering Open Shop in Grosse Pointe

In the interest of better service to their many fine customers in the Grosse Pointe area, Van Furniture and Upholstering Company has taken a store at Country Club drive and Mack avenue.

After disposing of the present inventory in the new store, they will announce the opening of a complete studio of custom built upholstered furniture. Their decorative and manufacturer services offer the opportunity of having your home furnished in the custom manner, your choice of measurements, cover and colors built to suit individual needs.

St. Michael's Summer Arcade Set For May 23

Members of the Garden Group of St. Michael's Episcopal Church are seen above putting finishing touches on the many articles that will highlight the garden shop at St. Michael's Summer Arcade which will be held on Thursday, May 23. Busy with paint brushes are: left to right, MRS. THOMAS RICHARDS,

MRS. WILLIAM E R R I N G E R, MRS. HOWARD WOLFF, MRS. VERNON BROWN and MRS. WILLIAM GOODSON. The sale will be held in the church on 20475 Sunningdale avenue and will feature famous annuals, perennials and vegetable plants grown by Weber Brothers Nursery in Oak Park.

School to Hear Carlos Romulo

The School of Government at its Annual May Luncheon, which is noted for outstanding programs, will again present a famous speaker, a man of many and varied experiences in world affairs, and internationally recognized as a forceful and fluent orator—General Carlos P. Romulo.

He will speak on "Communism in the Far East." This is a subject about which he has a great store of first-hand knowledge.

The luncheon will be held on Tuesday, May 7 at 12 noon, at the Sheraton-Cadillac Hotel, with the president, Mrs. Claude M. Cocanougher presiding. Mrs. Wilber M. Brucker, founder and educational director of the organization, will come from Washington for the event. Mrs. Sterling S. Richhart will act as mistress of ceremonies.

General Romulo, born in the Philippines in 1900, educated in the University of the Philippines (B.A. 1918) and in Columbia University, N. Y. (M.A. 1921), is now serving for a second time as Ambassador of the Philippines, his credentials having been received by the President on November 14, 1955. He resigned from his first position as ambassador to this country

United Nations at San Francisco

and again in June, 1955, he led the delegation to the United Nations Tenth Commemoration. He served as chairman of the Tenth United Nations General Assembly in New York, beginning on September 20, 1955.

From these vantage points, General Romulo has been able to look over the whole world of affairs, and to sense the currents and cross-currents between nations. He has consistently and vigorously championed the United States and the rest of the free world in the struggle against communism.

A limited number of tickets for the luncheon are available. For information, call Mrs. George Barton, Ticket Chairman, L.O. 7-5035, or Mrs. Claude M. Cocanougher, President, UN, 4-7794.

BOY BITTEN ON CHEEK

Eight-year-old Mark Caldwell of 97 Vendome, was bitten on the left cheek by a female Weimaraner Saturday afternoon, April 20. Mark was playing with the dog in its owner's yard, the Blackburns of 88 Touraine.

Mark was treated by his family's doctor. Farms police instructed the Blackburns to keep the dog under surveillance for the ten-day quarantine period.

Mothers, Daughters To Party at GPYC

May Poles and Balloons to Decorate Grand Ballroom For Annual Spring Luncheon; Marionettes and Special Gifts on the Program for Gala

There's a favorite party coming up at the Grosse Pointe Yacht Club. The Mother and Daughter luncheon has the red letter on the calendar for May 4. In the annual scheme of things, it will gather together as much femininity as the clubhouse walls allow—or practically so.

Tiniest ladies, age reckoned only in months, are quite apt to attend. So are great-grandmothers. In between, there's every age of lovely maids and matrons.

Mrs. Charles W. Gauss II, chairman, and assisting party-planners Mrs. Calvin Gauss, Jr. and Mrs. Paul Barker have Maypole magic in mind in the refreshing colors of yellow and white.

Enchanting Maypoles of appropriate size, and rings of soaring maize and white balloons are to grace tables in the ballroom-lounge.

Meredith Bixby's marionette show, "The Magic Stalk" is the chosen entertainment, the stage canopied with spiraled streamers in the decor hues.

Mrs. Stark Hickey, Mrs. Charles L. Jacobson and Mrs. Robert F. Weber, wives of GPYC's commodores, are to be honor guests at the speaker's table.

A heart-warming address of welcome annually expresses the sentiment of this party, always slated close to Mother's Day.

When luncheon and show are over, when small daughters have toddled around to heart's con-

HOUSEHOLD HINT

Since most of the wear of bed sheets comes under the shoulders of the sleeper, regularly reverse your sheets and put the top hem at the foot of the bed and the bottom hem at the top. This will insure longer, more even wear.

House. He was first elected in 1944 and served in the 65 session. After sitting one term Carey was re-elected to the House in 1948 and has been there ever since.

He quickly rose to a position of leadership in the House and he had climbed to the top of his local union, Local 7, UAW, after long years in the trade union movement. Carey moved from the national union—a post he held when not serving in Congress.

A dance is being planned by a committee headed by Miss Mary Menzies, club secretary at 469 Manor, Grosse Pointe Park. Tickets for the affair, to be held at the door or by mail at L.A. 1-2412.

Bambi Wigton Feted Before May 3 Rites

Will Wed John Palmer Frazer, Jr., in Grosse Pointe Memorial Church; Already Honored at Thirteen Parties; Luncheon Today at Country Club

Thirteen parties have already been given for bride-elect Serie Elizabeth Wigton, daughter of the Oliver L. Wigtons, of Lochmoor boulevard, who will be married on May 3 to John Palmer Frazer, Jr.

The pair will exchange their vows on that evening in Grosse Pointe Memorial Church with the bride's parents hosting a reception at the Grosse Pointe Yacht Club following the ceremony.

This Thursday the popular "Bambi" will be honored again at a luncheon at the Country Club, co-hosted by Mrs. Otis U. Walker and Mrs. VerLinden Peetz.

Ann Thomson, of Cincinnati,

will give the spinster dinner on May 1 at the Grosse Pointe Yacht Club. She is the niece of the prospective bridegroom.

Mr. Frazer's brother-in-law, Charles D. Thompson, will give the bachelor dinner that same evening at the Country Club.

Mr. and Mrs. John Palmer Frazer, the bridegroom-elect's parents, will give the rehearsal dinner in their Washington road home.

Family Attends Easter Services

—Detroit Times Photo
One of the many family groups arriving at St. Paul's on the lakeshore Easter morning for divine services were MR. and MRS. PAUL J. DETTLOFF and their small son, PAUL JR. Mrs. Dettloff's holiday ensemble was a slim lined black dress collared in white, and her white straw was abloom with snowy flowers.

Zabriskie-Anderson Engagement Revealed

Mr. and Mrs. Harry P. Anderson of San Benito, Texas, and Harrisville, Michigan, announce the engagement of their daughter, Catherine Gail, to Charles Zabriskie, Jr., of Grosse Pointe.

Miss Anderson is a graduate of the University of Texas and attended the University of Colorado and the University of Geneva. She is affiliated with Zeta Tau Alpha.

Mr. Zabriskie is the son of Mr. and Mrs. Charles Zabriskie of Ridgewood, New Jersey. He is a graduate of the University of Vermont where he was a member of Phi Delta Theta, and is presently associated with the Manufacturers National Bank of Detroit.

They will be married on July 6.

Teen Fashions To Be Shown

Miss Connie Sage, New York designer of subteen fashions, will present a trunk showing of her collection Saturday, April 27, in the Debutee Shop at Himelhoch's Grosse Pointe store.

Summer dresses, skirts, blouses and sports coordinates will be modeled at 4 p. m. Her own teen-age daughter was the inspiration of Miss Sage's (Mrs. Shirley Conheim), designing career. Realizing the great need for fresh, exciting fashions for subteen girls, she decided to do something about it. The spontaneous reaction of the girls when the new fashions appeared, proved she was right in anticipating their needs.

Miss Sage travels from coast to coast talking to subteens to learn their current interests so her collections are continually just what a subteen girl wants to wear.

The real conquering hero is the man who succeeds in conquering his bad habits.

Complete Plans For Day Camp

Spacemen and Spacewomen will be ruling the Neighborhood Club Playground this summer at which time "A Trip to the Moon" will be the featured theme of the Summer Day Camp program.

Starting June 24 on Mondays, Wednesdays and Fridays, two hundred boys and girls will have the time of their lives. The Camp will be divided into four groups — Mar Meteors, Jupiter Jets, Venus Rockets and Satellites.

The program will be built around the geophysical year with one of the highlights a special trip to Cranbrook's Science Museum and Planetarium. Also included in the program will be Handcraft, Softball and Newcomb Leagues.

Tennis Instruction, Ballroom and Square dancing, Track events, Nature hikes and weekly special events.

Because Day Camp is so popular and the numbers attending must necessarily be limited registration has been set for Tuesday, May 14 at 7 p.m. An evening registration has been set to accommodate the many mothers who encountered difficulties in morning registrations, and as usual it will be first come - first served.

Day Camp will be held from June 24 through July 26.

will be her first trip to her old home town without children, Sherry, Bill, John and Janice.

Ibex Interests

While she's away Ibex will carry on with their full agenda of May merriment. There will be a general meet-

On May 14 the Ibex members will travel to the Cranbrook Academy of Art and as a special treat watch the students at work.

Mrs. Bockstanz will fly home on the late afternoon of May 18 in time to prep up for the Ibex dinner dance...

Journey Jottings

Most Pointers arrived home from winter vacations in time for the Easter parade. The Gage Coopers arrived at their Buckingham road home last week from ranching in Arizona.

Mr. and Mrs. George Monroe Endicott also checked in in Merritweather road last week from a holiday at Key Biscayne, Fla.

Mr. and Mrs. Richard W. Lambrecht didn't mind missing the annual fashion parade because they left Wednesday for a European tour.

They sailed from New York on the SS Constitution last Thursday and first port of call will be Cannes on the French Riviera.

Traveler Returns

Arriving in town this weekend from New York will be Mrs. Lydia M. Buhl. Following soon after will be a trio of friends from New York to be her house guests in her East Jefferson avenue home.

The guests will be Mrs. Erdman Burton, Pierre Barbey and Edward Bertram. While they are here, there will be a number of small dinner parties for Mrs. Buhl and her visitors.

Entertaining in their homes will be Mr. and Mrs. T. D. Buhl, Mr. and Mrs. Harold R. Boyer, Mr. and Mrs. George O. Johnston, Mr. and Mrs. George Schenck, Mr. and Mrs. John T. Woodhouse and Dr. and Mrs. Charles C. Merkel.

Dominican High Mothers To Hold May Election

Dominican High Mothers' Club will hold the final meeting of the year on Wednesday evening, May 1, at 8 p.m. in the cafeteria.

All members are urged to attend as election of officers for the 1957-58 season will take place. Refreshments will be served following the business meeting with Mrs. Walter St. John, freshman vice-president, as hostess, assisted by freshman mothers.

Mrs. Leroy Lucas, junior vice-president, will honor the senior girls and their mothers with a tea to be held on Sunday, May 26, from 2 p.m. until 4 p.m. in the school.

Catholic Study Club To Help Deaf Children

The deaf children of the parochial schools will benefit from the proceeds of the next social gathering of the members of the Catholic Study Club and their guests.

It is a card party to be held in the auditorium of the Women's City Club on Monday afternoon, April 29, at 1 o'clock, and is sponsored by the Philanthropic Department of the club with Mrs. Frank B. Donohue as chairman.

There will be prizes, and many of the women may go a little earlier and have lunch in the dining room of the City Club.

FAIR STAR INN

New Hours: Mon. thru Wed., 11:00 to 11:00 Thurs., Fri. and Sat., 11:00 to 3:00 a.m.

Starlighters To Hold Dance The Starlighters of Our Lady Star of the Sea parish will sponsor an Open House Dance on Friday, May 3, from 9 p.m. to 12:30 a.m.

Damman Showing Newest Kitchens
