HEADLINES

of the WEEK

DAVE BECK, Teamsters' president, was ordered by Senate probers to resume his public testimony on May 8, and challenged to make good his threat to "blow the lid right off the Senate." Senator McLellan, (D., Ark.) chairman of the special Senate committee investigating racketeering in the labor unions said that the challenge was made after Beck notified the AFL-CIO he would appear at the hearing before the Senate next Monday to answer corruption charges leveled against his union.

Friday, May 3

SEN. JOSEPH R. McCARTHY (R., Wis.) one of the 20th Century's most controversial political figures, died in the Naval Medical Center at Bethesda, Md., near Washington, D. C. He was 47 years old. Death was attributed to an inflammation which broke down the functioning of his liver. He gained fame during his tenure of office in the Senate in his Red-hunting campaign and then faded into relative obscurity.

Saturday, May 4

DAVE BECK, Teamsters Union president, surrendered to the United States Marshal in Washington, D. C., after being indicted on income tax evasion charges. He posted a \$5,000 appearance bond, which requires him to appear May 13 before the United States Commissioner, either in the District of Columbia or in Tacoma, Wash., where he was indicted. The indictment accuses Beck of evading payment of \$56,420 in Federal income taxes for 1950. If he is convicted, he faces a maximum penalty of five years in prison and a \$10,000 fine.

Sunday, May 5

THE UNITED STATES, as a leader in the fields of nuclear weapons and guided missiles, would be expected to supply these weapons to the North Atlantic Treaty Organization nations. Plans for the arming of these nations were being weighed for wherever needed for the defense of Europe from the Arctic to the Aegean.

Monday, May 6

MOSCOW PLACED emphasis in its warning to the Bonn Government on arming of West German troops with nuclear weapons. In the war of words between the two governments, Russia said that to equip West German soldiers with A-weapons would lead to grave consequences. The Bonn Government immediately labeled the message unsatisfactory and said Russia would better see the cause of peace by agreeing to controlled disarmament.

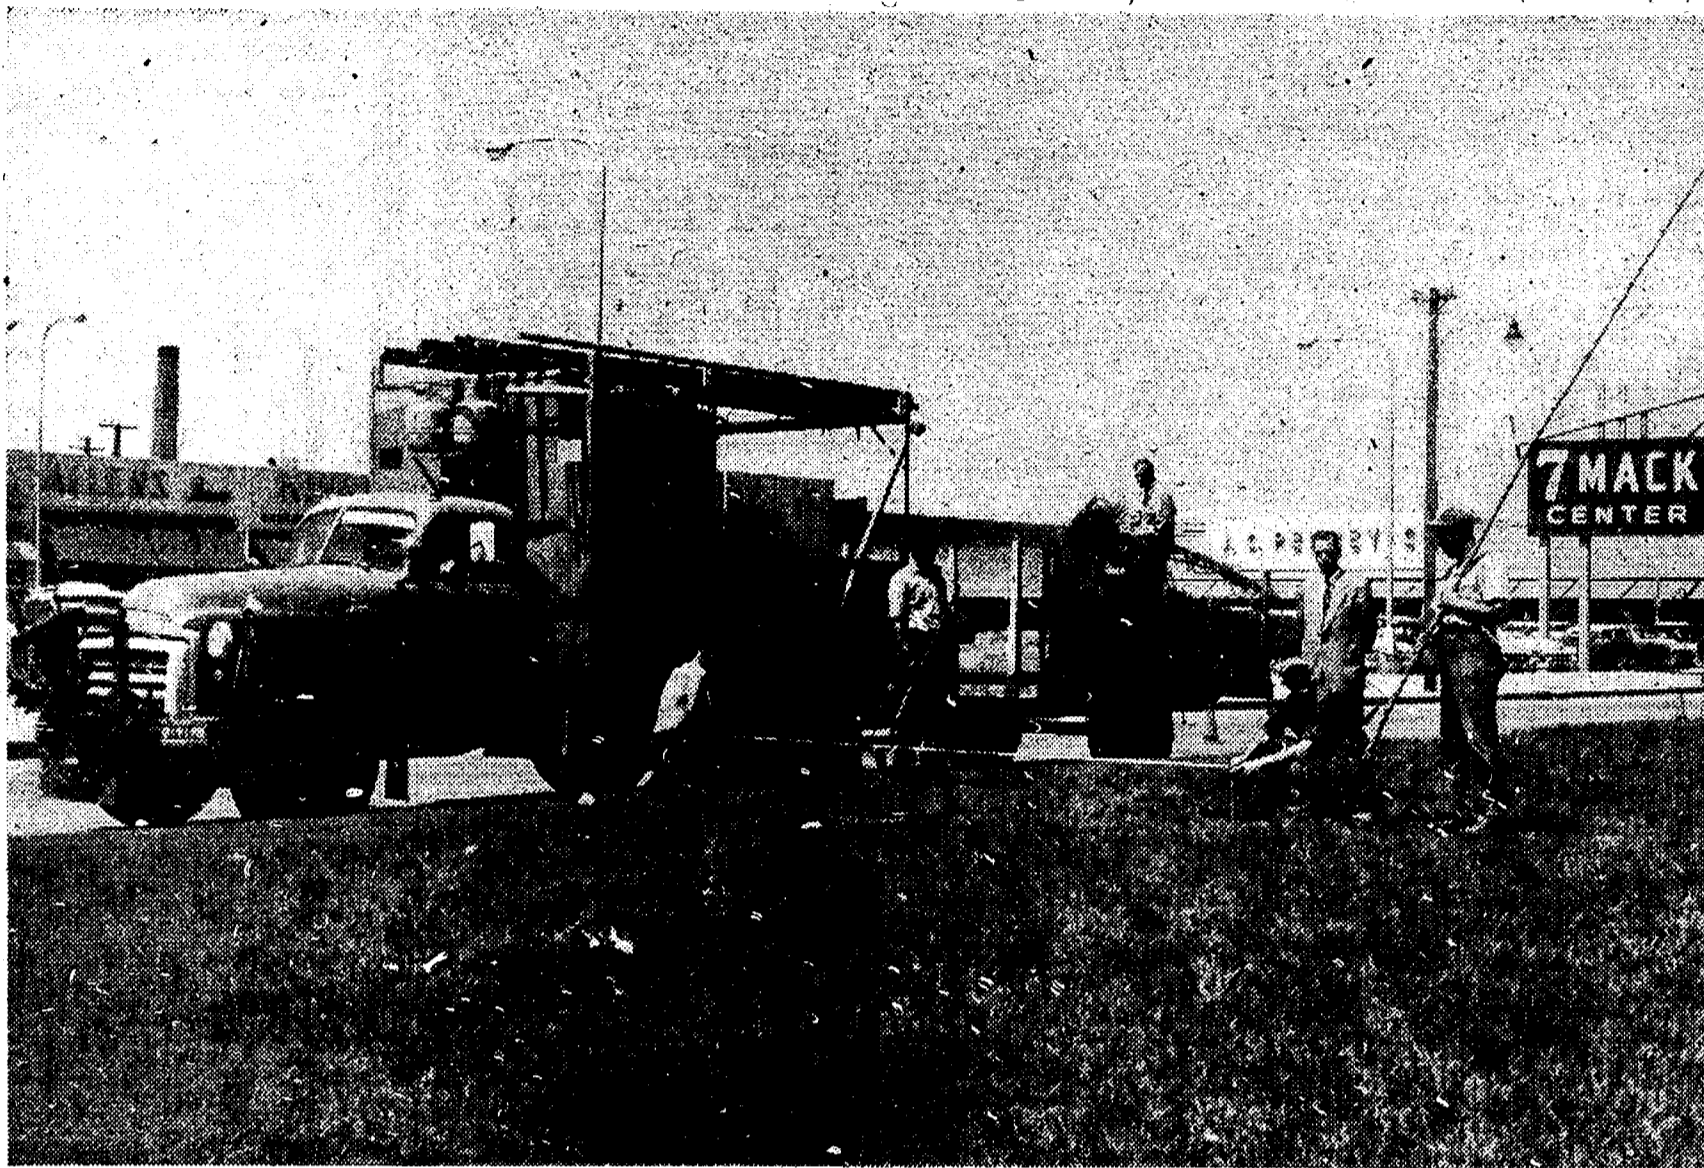

Tuesday, May 7

DAVE BECK, Teamsters Union boss, was "indicted" by the AFL-CIO and given until May 24 to reply. Beck is charged with unethical activities, including the use of \$320,000 of union funds for his own personal needs. He claimed to have returned the money. Beck told the AFL-CIO Ethical Practices Committee, its charges, which could lead to the ouster of the Teamsters from the labor federation, was malicious and unfounded slander of "our membership and our official family, local and national."

Wednesday, May 8

THE STATE SENATE is reported proposing a personal income tax, as a means to surmount Michigan's financial problems. Behind the move is Sen. Frank Andrews, Hillman Republican, who said the State needs 40 to 50 million dollars for schools and general funds in the coming fiscal year, and the only way to get it is to tax wage earners in Michigan. He said he has "lined up eight or nine" other Republican senators in the support of his bill which will be outlined to the GOP caucus sometime this week. "We can't tax corporations any more," he said. "Industry is already leaving the state over taxes." Andrews said he is willing to sacrifice his political future to introduce a personal income tax in Michigan.

Trees and Shrubs to Beautify Mack Avenue

Trees and shrubs will grace the islands of Miracle Mile, from Warren avenue to the County Line of Mack avenue, once the Wayne County Road Commission completes its huge chore in the very near future. Over 250 trees are included in the project and when they reach full growth will provide shade for the busy thoroughfare. The tree planting has been completed and shrubs are being planted as they arrive from the nursery.

Center Drive Lags Behind Other Years

1,651 of Pointe's 15,000 Families Have Made Contributions to Date

For the first time in the 1957 Family Participation Campaign the number of families contributing is lagging behind previous drives. As of the 21st day of the Campaign only 1,651 of the Pointe's 15,000 families have donated.

The Center would be much further than \$10,000 away from its goal were it not for the extremely generous gifts of a certain few Pointers whose special support has been a backbone of the Memorial for the past several years.

Repairs Badly Needed
The Center is faced with some very necessary refurbishment this summer, to keep from becoming downright shabby, but before the work can be scheduled the money must come in. Programming must also await the results of the Campaign. Follow-up letters have just (Continued on Page 2)

Move to Combat Floods in Farms

At the request of the engineering department, the Farms City Council voted Monday evening, May 6, an expenditure of \$350 to balance the storm water concentration at Ridge and McMillan. Two manholes will be cross connected at that intersection to relieve flooding conditions on McMillan between Ridge and Charlevoix.

Change in Cooling Laws Takes Heat Off Tenants

By enacting an amendment to the existing air conditioning and refrigeration ordinance, the Farms City Council, Monday, gave temporary relief to Farms tenants who are presently operating under existing leases. Under Ordinance 126, all businesses, schools, churches, homes, etc., using air conditioning units of over three-ton capacity, were required by May 1, 1957, to provide equipment which would recirculate the water used by the conditioners. In most cases this meant that an expensive water tower would have to be erected on the roof of the building housing the unit. A group of business tenants appealed to the Council, claiming that the expense of installing the towers would create an

Pointe Municipalities Set To Take Part in Annual Michigan Week Observance

Forrest Geary Heads Committee On Arrangements; Mayors Will Exchange Places for Day on May 20

The week of May 19 through May 25 marks the 4th annual celebration of "It's Great to Live in Michigan Week." The Grosse Pointe municipalities and Harper Woods will join other Michigan communities in the program to promote this state-wide observance. The purpose of this observance is to awaken people to the past, present and challenging future of this great state.

The local committee for the Grosse Pointe-Harper Woods Area is headed by Forrest Geary, Director of Community Services for the Grosse Pointe Public School System, who is serving as general chairman. Planning committee for the week's activities are the City Managers of the six cooperating municipalities.

Representing the City is Norbert Neff; the Park, Everitt Lane; Farms, Sidney DeBoer; Woods, William Lange; Shores, Thomas K. Jeffries; and Robert McNutt represents Harper Woods. This committee is coordinating the participation of the various municipalities, churches, schools, public libraries and service clubs throughout the area.

The churches in the area have been asked to make some special mention of the celebration of "Spiritual Foundations Day" which falls on Sunday, May 19. Monday, May 20, has been chosen as "Mayor's Exchange Day." On this day the local communities will be hosts to visiting mayors, while local mayors exchange the day in another area. Among other activities being planned for this day, is a luncheon honoring the visiting mayors.

Fatal Plunge Follows Attack

A 67-year-old Woods resident died of a broken neck, the result of a fall from a tree he was trimming in his back yard on Monday, May 6.

Dead is Floyd Sharp of 1497 Torrey road, who police said suffered a heart attack before the fatal plunge.

Sharp, according to a Woods police report, was trimming a dead branch from the tree, when he suffered the seizure and fell 25 feet to the ground, breaking his neck.

Dr. William P. Curtis of 1570 Torrey road, a friend of Sharp's and a staff member of the Wayne County Medical Examiner's Office, rode to St. John Hospital in the police ambulance with Sharp, and pronounced him dead on arrival. He released the body to the Examiner's office.

The accident was witnessed by Mrs. Elinor Young of 1485 Torrey.

Sharp is survived by his wife, Meda Mae and a son, T. F. Sharp.

Funeral services will be held today, May 9. Burial will be in Woodlawn cemetery.

DOESN'T KNOW HIS LUCK

Not knowing when he is well off, a Wood's resident phoned the police station last week and complained that someone had pruned the trees in his yard without his permission. And he's complaining!

Two Accused Of Burglary To Be Tried

Park Judge Belanger Orders Release of Third Man After Examination

Two men charged with burglarizing a television shop in the Park were ordered retained in custody and one man accused of aiding in the thefts was released following an examination before Park Judge C. Joseph Belanger on Wednesday, May 1.

Still held are Michael Lombardo, 25, of 1207 Dyer, Hamtramck; and Frank Bommarito, 27, no address, both of whom are charged with the breaking and entering of the St. Clair Television Shop, 15007 Kercheval, during the early morning hours of April 17. Both entered a plea of not guilty at the examination.

One Man Released

Judge Belanger ordered the release of Joseph Morebitto, 29, of 5510 Bedford, Detroit, after dismissing charges against him for lack of probable cause.

Bonds of \$5,000 each were continued against Lombardo and Bommarito and they were turned over to the custody of the Wayne County Sheriff to await trial in Circuit Court.

Bommarito was out on bond in connection with a burglary in Centerline, Mich., at the time of his arrest in the Park.

Three men were surprised in the act of burglarizing the TV shop by Park Patrolmen Charles Slusser and John Brosnan at 1:30 a.m. on April 17.

One Caught in Car

Lombardo, who was sitting in a car while two other men loaded television sets into it, was arrested before he could get away. The two loaders escaped on foot after a shot-punctured chase.

Bommarito was arrested by Sgt. Gerard Kesteloot at Charlevoix and Wayburn; Morebitto was taken into custody by Farms Patrolmen Marvin Krebs and William Elworthy, at Chalmers and Mack, on suspicion. His description tallied with that of one of the men given over the police radio.

Four Hubcaps Stolen

Mrs. Ward A. Detweiler of 1009 Three Mile drive, reported the theft of four hubcaps from her 1956 Mercury, May 2. Mrs. Detweiler told police the caps were taken while the car was parked in the City municipal parking lot adjacent to the Village Manor.

20 Census Takers Set to Get Annual Population Figures

Residents Urged to Give All Cooperation to Enumerators Canvassing Area for Tabulation for School District

A team of 20 census takers for the Grosse Pointe School District will begin their annual count tomorrow, May 10, according to Dr. Lynn M. Bartlett, Director of Pupil Personnel for the local school system.

An estimated 2,000 increase is expected over the census taken just one year ago. This would bring the total population figure to an estimated 62,000. The school official pointed out that the annual census is mandatory, being required by state law. He emphasized that it must be taken during the last twenty days of May. Every home in the school district will be visited and all information will be received and kept in strictest confidence.

Mrs. Tennis Will Appear Here Sunday

Jean Hoxie Conducts Clinic and Gives Exhibition at Neighborhood Club at 2:30

Each census enumerator is carefully selected. All will be provided with identification cards signed by Dr. Bartlett, who directs the local census. These cards will be shown to anyone requesting it. Correct birth dates for children, according to Dr. Bartlett, seem somewhat difficult for some parents to recall off-hand; therefore, if citizens will anticipate the need for this census information, the enumeration can go along smoothly.

"The annual census serves many useful purposes," declared Dr. Bartlett. "For instance, part of the money received by local schools from state funds is determined by the number of children in the district. Also, the enforcement of compulsory education laws is simplified."

"Of importance too is the confidential information from parents relative to the handicaps and disabilities of their children," he continued. "There is more help for these boys and girls than ever before," he stressed, "and often parents are unaware of these special services. The schools can offer professional counsel and are quite willing to do so."

By special tabulation a year-by-year picture is obtained which shows the exact growth in each municipality and elementary school district in the Grosse Pointe School System. This provides essential data for a projection of future school building needs as well as personnel to staff them.

Teener Arrested Attempting Theft

A 15-year-old Detroit boy was arrested by Park police on Sunday, May 5, in the act of trying to steal a car from Al Green's parking lot, Beaconsfield and Jefferson.

An attendant of the lot noticed the boy acting suspiciously around the cars on the grounds and notified police.

Patrolmen Henry Coonce and George McDowell answered the call, and arrived as the boy was about to drive a car away, after tampering with the ignition.

Police Chief Arthur Louwers said charges against the lad have been filed with juvenile authorities.

25th Anniversary Observed By Brokers' Association

This week begins the formal celebration of the Grosse Pointe Brokers' Association's silver anniversary. The actual anniversary date will not be until September, when the members will join in an outing to climax the celebration at the Country Club of Detroit.

The Association, whose roster today includes the realty firms doing business in Grosse Pointe, dates its founding back to 1932, when the late Kenneth L. Moore, of the Sweeney & Moore firm, and Paul and Richard Maxon of Maxon Brothers, and other early brokers here, foresaw the need of evolving a strong selling policy that would benefit the community through the protection of property values.

Hence the brokers of that day met and to their satisfaction found that they could work together. The association then became a reality and has functioned with distinction through the ensuing quarter of a century.

Much of the highly creditable work done by the group's members is not only evidenced by the high calibre of families and homes found here, but Grosse Pointe is continually cited as one of America's finest residential communities. Here is the proof of the success of their mission. Values have not only been maintained, but have grown with the years. The Association has been receiving congratulatory letters (Continued on Page 2)

Council Told Of Progress On Program

Work on South Oxford Road Appears Most Pressing Because of Heavy Traffic

The Woods council viewed a progress chart of the city's third phase of a \$500,000-10-year street maintenance and improvement program, during a regular meeting on Monday, May 6.

The chart, presented by City Administrator William Lange, is the current program for 1957, and shows the streets most in need of repair and rebuilding for this year.

The report on the streets most needing road and street construction was prepared by the Public Works department after a traffic survey was conducted this spring.

South Oxford Busy

The report showed that South Oxford, with 1,658 cars driving on it every day, carries approximately three times more traffic than North Oxford, because South Oxford is a direct connection from Lake Shore road to Mack avenue.

Listed second in the heaviest traffic survey, is South Renaud, over which pass an average of 1,308 vehicles a day; followed by Lochmoor with its 969 vehicles and then Sunningdale drive, with 579. Lochmoor is continuous from Lake Shore to Mack.

Since it appears that South Oxford will not be along the route of the city's proposed new water main as regards the Woods' Master Water Plan, South Oxford should rate top priority and then South Renaud, in street maintenance for 1957, the report said.

Must Remove Cap

Improvements on South Oxford will require the removing of some of the existing two, three and four-inch asphalt cap which has been on the road for many years.

Cost of the improvement of the two streets, including the adjustment of man-holes and catch basins, replacement of curbs where needed and capping the streets with two and a half inches of asphalt, totals \$57,100.

A breakdown of this figure shows that South Oxford, from Mack to the east city limits, will cost, \$41,600; and South Renaud, from Mack to the Milk River, \$15,500.

Already mud-jacked, with curbs replaced where necessary, and the cost for each, are the following streets, Van Antwerp avenue, \$3,300; Country Club drive, \$1,150; Lochmoor drive, \$1,089; Hunt Club drive, \$1,247; and Norwood drive, \$297, making a total of \$7,083, which, coupled with the cost for South Oxford and South Renaud, brings the figure to \$64,183.

Sources of Revenue

The proposed source of the fund to carry out this project is the 1957-58 budget of \$50,000 for street improvement; and unappropriated revenue, gas tax funds, budget for 1956-57, of which, of which there is a balance of \$15,000.

At the meeting, Lange pointed out the Roslyn and Hampton roads must be completely rebuilt from Mack to the east city limits, and these will cost an estimated \$90,000 each.

City and Farms To Widen Fisher

The City of Grosse Pointe and the Farms have approved the joint project of widening and recapping Fisher road between Grosse Pointe boulevard and Lake Shore road.

Engineers have estimated the total cost will be about \$15,000, and this expense will be divided equally between the City and the Farms.

Work will begin after plans have been drawn and bids awarded.

TO SEE CARTOONS

Scout Troop 412 of Peace Lutheran Church will present an evening of cartoons this Friday at 7 o'clock in the church auditorium. There will be a 50 cent donation for adults and 25 cents for children.

Clinics are held every Monday, Wednesday and Friday from 3 to 6 o'clock, and on Saturdays from 2 to 4.

Will Explain Program

Mr. Wood will explain the tennis program that has been outlined for the summer, with many special events scheduled.

Mrs. Hoxie has developed 57 national champions during the years she has been coaching. She coached the Michigan State High School champions for eight successive years. She is tennis director for the Hamtramck public schools and for the City of Hamtramck.

The Hamtramck school system was the first in the United States to make tennis a required subject for junior and senior high school students, with credits applied toward graduation.

Well Known Abroad

Mrs. Hoxie has conducted clinics in every capital in Europe. She is a member of the faculty of the University of Madrid, the Sorbonne in Paris and the University of Cairo in Egypt. She has taught at Eton School in England and has worked under the auspices of Franco in Spain for three years, developing a health and tennis program in Madrid, Barcelona and Valencia.

Last month she was the guest of Queen Juliana of the Netherlands and taught tennis to her daughter, Princess Juliana.

ment until May 1, 1958, if they can show the Council that installation of the water conservation unit would work an unusual hardship, and provided that temporary nonconforming permits have been issued and that an annual service charge for such nonconforming use be paid in advance.

The rate is \$7.50 per ton of capacity provided that the minimum service charge per installation shall be \$50. This charge will be in addition to license fees or deposits under the ordinance, and to regular water rates charged for water consumption. The charge will apply during the summer months of June, July, August and September.

Father Albert Melvin of St. Paul's Church on the Lake Shore, requested that his church be exempted from the terms of the ordinance. The Council granted his request but only until May 1, 1958. The church will pay no service charge this summer, but will have to erect a recirculator if it wishes to operate air refrigeration equipment next year.

The amendment to the ordinance is printed in its entirety on page 25.

Third Generation at the Wheel!

"Like father, like son", the poets say.

And never was it truer than in the case of a great many fine Cadillac families.

For there are, in our land today, a number of families that currently boast as many as three generations at the wheel.

We mention this simply to underscore a great and dramatic truth about Cadillac—and we have reference, of course, to the fact of its unchanging goodness and quality.

For fifty-five years, the Cadillac name has signified one and the same thing to motorists everywhere—a motor car created at the highest level that automotive science would permit.

Over that time, Cadillac has attracted to the ranks of its owners the finest list of names to be found anywhere on the American scene.

And it can be said, with equal force of fact, that those who have followed the path to Cadillac in 1957 are enjoying the most abundant blessings of this ceaseless crusade for quality.

The new "car of cars", with coachcraft by Fleetwood, is beautiful and luxurious and pride-inspiring to an unprecedented degree. And its performance and handling ease are a revelation!

Certainly, the Cadillac car has now become an even wiser investment for an even wider circle of America's motorists.

If you have yet to acquaint yourself with these brilliant Cadillac virtues for 1957, your dealer will be delighted to give you the full details on how easily you can make Cadillac a fine family custom of your own!

Pvt. Richard K. Barton Taking Basic Training
Fort Lewis, Wash. (AHTNC) with the 4th Infantry Division at Fort Lewis, Wash.
—Army Pvt. Richard K. Barton, 19, son of George H. Barton, 253 Moran, Grosse Pointe, Mich., is receiving basic combat training at Fort Lewis, Wash. Barton is a 1955 graduate of Grosse Pointe High School and a former student at the University of Michigan.

Wide Turn Sends Two To Hospital

Two Pointe residents were taken to Cottage Hospital early Monday morning, May 6, and treated for head injuries they received when the car in which they were riding ploughed into the rear of a parked car.

Miss Marie Jacobs of 873 University place, and James E. Miller of 759 St. Clair avenue, were turning right from Moross onto Chalfonte, when Miss Jacobs' Ford went out of control and hit a parked 1956 Dodge. The Ford was owned and driven by Miss Jacobs. She suffered a cut on the right side of her head and a lacerated left knee. Mr. Miller received cuts around the mouth.

Gerald W. Murdock of 339 Chalfonte, owner of the parked car, was issued a witness ticket. Miss Jacobs was given a violation ticket for not having her car under control.

Damage to her Ford was estimated at \$300. Damage to the Dodge was put at \$600.

Club to Present Spring Carnival

Grade school age children and parents are invited to attend the Spring Carnival at the Grosse Pointe Woods Community Club, on May 17, from 7 until 9 p.m. The various booths will be sponsored and operated by the afternoon grade school clubs which meet at the Community Club.

There will be game booths, a fish pond booth, a grab bag booth, a bakery goods booth, and refreshments. Participating in this will include groups starting at the Kindergarten group and going through the sixth grade. Proceeds will go to UNESCO to help children in the underdeveloped countries.

Adult leaders who will help include Mrs. Robert Barker, Mr. Joseph Cadariu, Mr. Gerald Bamaugh, Miss Carol Dimitry, Mrs. Margaret Dumaux, Arthur Webb, Miss Helena Dubrinsky, and others.

The afternoon program at the Community Club gives the grade school a chance to belong to a small group under the friendly leadership of an adult. In this group, the child learns the give and take of group life, the meaning of sharing equipment, as well as having a fun experience in group games, crafts, and other activities. The Community Club is a Torch Fund Agency.

Symphony to Close Season With Center Lawn Concert

At a recent board meeting held in the home of Mrs. Winfield S. Jewell, is Washington road, it was announced that the Grosse Pointe Symphony Orchestra will bring its 1956-57 season to a close with an outdoor concert to be held at the Grosse Pointe Memorial Center on June 2, Sunday, at 5:30 p.m. This concert which will be sponsored by the Grosse Pointe Memorial Association will be conducted by Henri Nosco, who will be the musical director for the coming season.

The lakeside terrace at the Center will provide a perfect setting for this "Sunset Symphony" and it is hoped that a large and enthusiastic audience will be present to enjoy the delightful music planned for its enjoyment.

Grosse Pointe music lovers have been most gratified to note the steady growth of their orchestra in musical stature—the past season has been a most outstanding one, both musically and financially. The orchestra has enjoyed the rare opportunity of working under a series of guest conductors, all of whom have been most outstanding musicians in every respect and have been a real inspiration to the orchestra personnel.

The program will be announced at a later date and promises to be a most interesting one. Symphony association members and all lovers of good music are urged to bring a friend with them to share a delightful afternoon of the finest entertainment presented in the beautiful outdoor theatre of the Grosse Pointe Memorial Center beside the blue waters of Lake St. Clair.

The officers and board of directors of the Symphony Society are: president, Thomas V. LoCicera; Executive vice-president, Mrs. Robert P. Armstrong; vice-president, Mrs. Reginald T. Murphy; secretary, Miss Camil-

Tree Sprayers Play Firemen

A tree spraying crew beat the Farms fire department in putting out a window awning fire at Mrs. Lawrence D. Buhl's home, April 30. The sprayers were working at the Buhl estate at 249 Lake Shore road, when the blaze started. The fire department used its equipment to make sure the fire was completely out. Michigan has enjoyed a net gain in population of 2,260,000 since 1940, the fourth largest of any state. The 1950 count was 7,516,000. Today, an estimated 7,516,000 reside in this state.

Scholarships Won by Five

Regents-Alumni scholarships at the University of Michigan have been awarded to 485 graduating seniors in Michigan high schools, it was announced May 8 by Walter B. Rea, dean of men and chairman of the Committee on University Scholarships.

These scholarships carry a stipend equivalent to semester fees for the freshman year and are renewable for the normal length of the degree program in which the student enrolls, provided his academic record justifies renewal.

The award winners were selected from 1,455 applicants representing nearly 300 high schools. At least one scholarship is available for every accredited high school in the state, provided a qualified candidate applies.

These awards made by the Committee on University Scholarships with the assistance and advice of University alumni and alumnae and high school principals and teachers in the communities in which the applicants reside. In evaluating the applications, the committee places special emphasis upon character, citizenship, the high school academic record, financial need, and the scores made on the competitive test written by all applicants.

Five Grosse Pointe High School seniors were awarded scholarships to the university's College of Literature, Science and Arts, and one to the College of Architecture and Design.

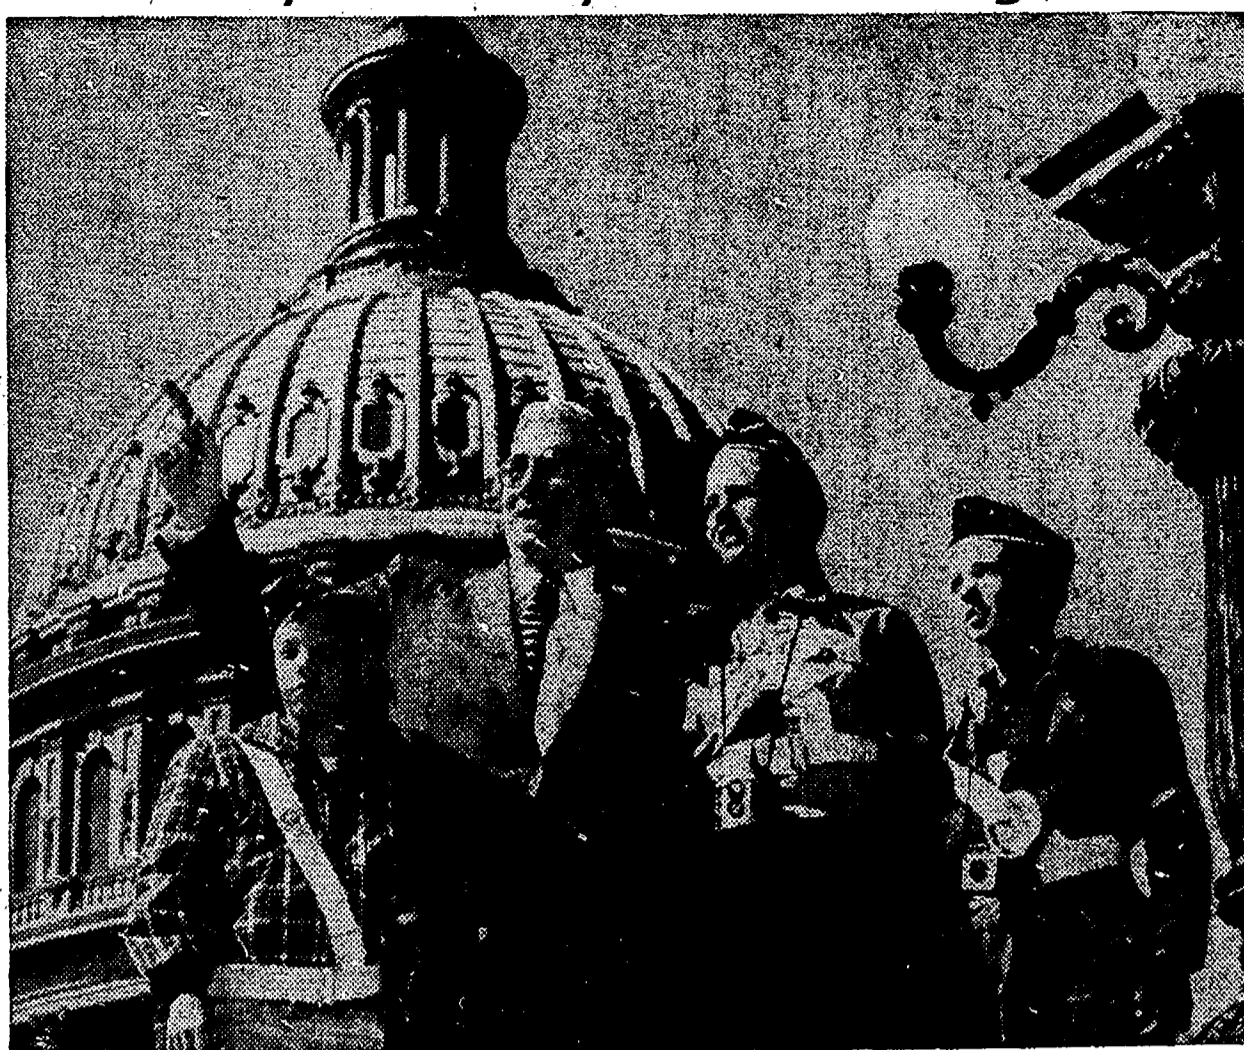

Receiving scholarships to the first college were: Sue Jane Lorimore of 799 Notre Dame; Douglas H. Morgan of 803 Beaconsfield; William C. Quinlan of 378 Fisher road; Nancy Sue Reik of 741 Barrington road; and Joan Ann Rogge of 286 Moran road.

A scholarship to the College of Architecture and Design went to Alice Carolyn Alexander of 1952 Oxford.

CLOTHES ADVICE

Full-fashioned sweaters are knitted, rather than sewed at the underarms, shoulders and neck. These usually cost a bit more but fit better than the usual "cut-and-sewed" sweaters.

Safety Patrol Boys Visit Washington

On a four-day trip to Washington as guests of Automobile Club of Michigan, three safety patrol leaders are presented with passes to the Senate gallery by Senator Patrick V. McNamara at the Capitol Building. They are (left to right) Gary Anthony Colett, Dexter M. Ferry school, and Alton Parker Donnell, Jr., Defer school, Grosse Pointe; and Edward Widlund, Beverly school, Birmingham. The 100-member delegation from Michigan joined 30,000 patrolers from United States and Canada at 21st AAA National Safety Patrol Rally, climaxed by the largest parade held annually in the capital.

Pointe Business Leaders Plan Party at Yacht Club

Holding to tradition, this year's big dinner and dance party of the Grosse Pointe Business Men's Association, to be held at the Detroit Yacht Club, Wednesday evening, May 15, promises to attract another record turnout.

It is the association's annual event when from 300 to 600 business and professional leaders and members of their staffs turn out for a dinner and frolic.

The event also marks the installation of new officers, a short ceremony which lends a bit of extra color to the occasion.

Retiring president Huetteman said early this week that committeemen handling the affair have perfected all details and that the usually splendid banquet and dancing arrangements are nearing completion. Parking and welcoming arrangements have been made to insure easy guidance for guests upon reaching the Yacht Club.

Those in charge of tickets are making certain that groups of all sizes will be seated without being broken up. In cases where couples attend alone, every effort for placing them with other single couples to enhance the spirit of the party, will be made.

Those in charge of tickets and their respective districts are: The Village, John Hannan, of Jacobson's; E. J. Hickey II, of Hickey's Men's Store and Richard Lehman of The Village Manor.

The Kercheval Hill district—Mrs. Alice Carraher of Farms Drugs; lower Kercheval—Angelo Petracci of Belding Cleaners; Fisher Road—William Moir of Farms Market. Lower Mack avenue—Al LaRose of Acme Press; Mack—Moross district—Walter Allard of Allard Hardware and Howard Poppen of Metropolitan Life; Outer Mack—Russell Harkness of Harkness Pharmacy and Marion Bachman of Bachman Hardware; lower Jefferson avenue—Claude Jorgensen of A.A.A.; Mack-Cadieux district—Cyril Verbrugge of Verbrugge's Market. Tickets may be obtained from any of these committeemen.

In addition to inviting their own personnel, many members invite neighboring businessmen and their wives. And in this manner, the Association has grown in size and importance through the years.

With the installation of new officers, the group enters its tenth anniversary year, one in which it plans to expand, enrolling at least one hundred additional members.

Following are the officers to be installed: Russell Harkness, president, David McCarron, vice-president, Dr. Clifford Loranger, secretary, Norman Kopper-

Student Drivers Given Reminder

Local students who expect to qualify for a Driver Education certificate this summer in the Grosse Pointe High School program should get their special enrollment forms filled out and turned in immediately, parents were reminded today.

Deadline for returning this form for the 1957 summer session, according to Dr. Selmeyer, Director of Instruction, is Wednesday, May 15. The completed forms may be turned in either prior to or on the deadline date at the Grosse Pointe High School District or at any local police station.

In TB Society**

Grosse Pointers are prominent in the work of the Tuberculosis and Health Society.

At the annual meeting held April 30 at the Veteran's Memorial Building, Detroit, Robert E. Forbes of 949 Nottingham, was re-elected vice-president, and Dudley W. Apps of 1305 Nottingham, was re-named treasurer.

Mrs. Carl Zimmer of 930 Lake Shore drive, co-chairman of the Society's Women's Committee, was elected to the Board of Directors.

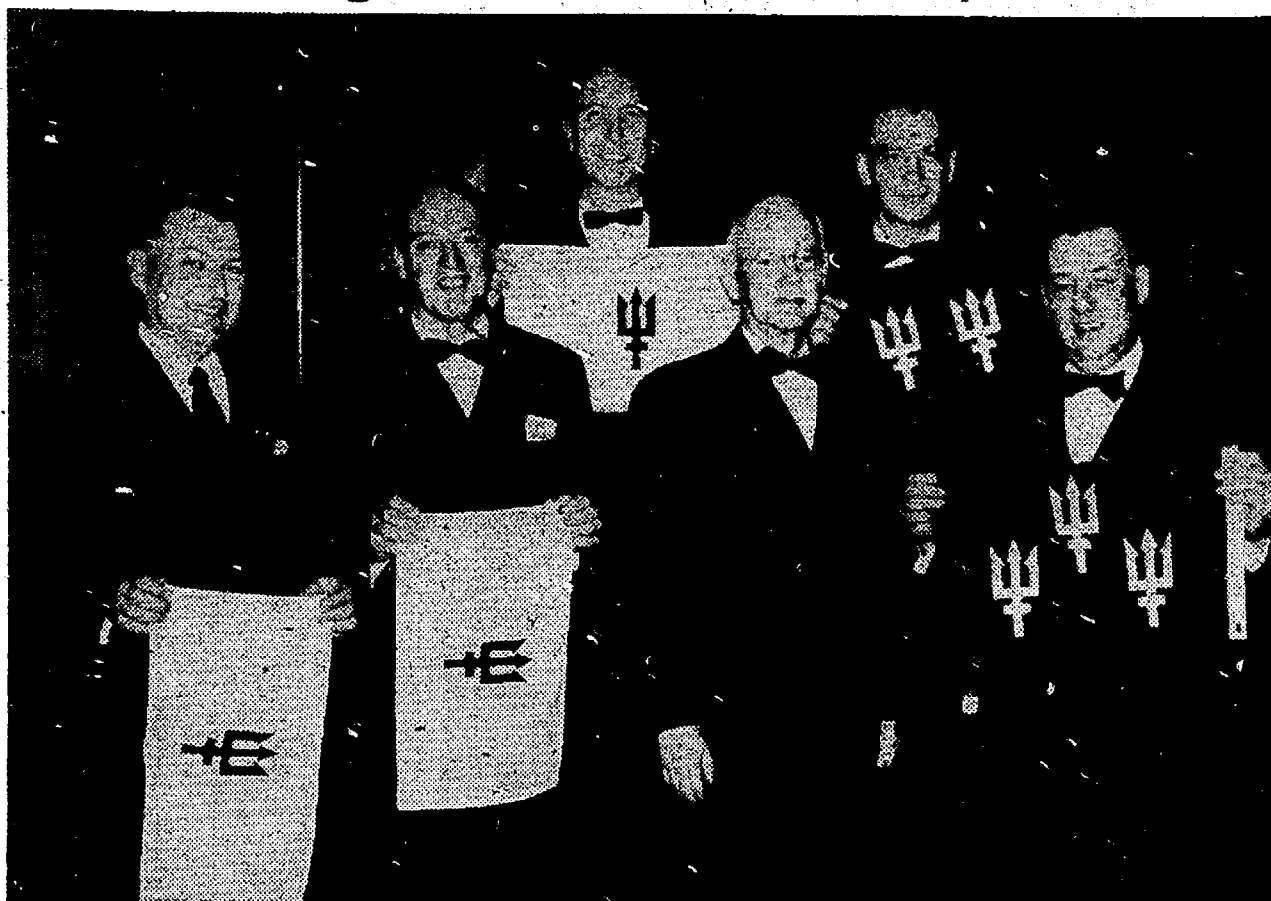

Mrs. Charles A. Dean, Jr., of 221 Lewiston, served on a panel on "What's My Service" which revealed the Society's work in tuberculosis control.

Detroit and Wayne County has 62 per cent of all the tuberculosis in Michigan, T. J. Werle, executive secretary of the Michigan Tuberculosis Association, revealed at the annual meeting.

"We cannot say that TB is licked. If we turn our backs on the dangers of the disease we are like the sailor who turns on an open seacock in his ship. The ship will sink. So TB will increase rather than decrease if we underestimate its continued threat," Mr. Werle said.

Last year there were 289 deaths from tuberculosis here. The TB and Health Society's tuberculosis control program, which is supported through the annual sale of Christmas Seals, supplied services in medical social work, education, rehabilitation and research.

There is No Other Place Quite Like Grosse Pointe!

And some men work overtime trying to make a dishonest living. Many a straight man goes on a bender when luck works against him.

The Pointe Already Has Newest Fords

A number of the new Ford Skyliners, with retractable hardtops, have already been delivered to Pointe families. Dick Warner, of Adam-Simms, Inc., one of Detroit's top salesmen, is shown here as the swank car does its disappearing top act. It is easy to detect the sturdiness

of this new, sleek automobile. Seated in the car, and beaming while the transition takes place, are Warner's two children, Billy and Kathy, who just returned from classes at Mason School in time to get in the picture.

Life is hardly worth living for the man who hand-picks his own critic, and then told the truth.

The self-made man is never finished until some woman takes over and polishes off the rough edges.

Burglar Escapes Police; Takes Cash, Leaves Loot

A burglar who broke into a Mack avenue gas station was surprised in the act by Woods police, but made good his escape in a shot-punctured chase in the early hours of Friday morning, May 3. The bandit abandoned his car and escaped on foot, leaving his loot behind.

According to a police report, a call came into the station at 2:30 a.m. from a citizen who stated that he heard a suspicious noise at the gas station, Prestwick and Mack, owned by Andrew Genova of 6015 Pennsylvania, Detroit.

Patrolmen Russ Allard and Tom Kane responded, and as they pulled into the alley from Prestwick, they saw a car stopped next to the service station. The burglar spotted the police, turned his car around and drove off, just as the officers got out of their car. Allard shouted a warning to halt, and when this was not obeyed, fired one shot at the fleeing vehicle, hitting the trunk.

The thief, with Allard and Kane in pursuit, sped toward Newcastle, turned east on Newcastle, drove across Mack and

into Elizabeth court in the Farms.

The burglar drove into the driveway of 464 Elizabeth court, and got out and continued his flight on foot, and escaped before the officers could stop their car and apprehend him. The police did not know in which direction the thief had gone.

The bandit's car contained the following loot, six new tires, a number of tools, a battery charger, and several items of clothing taken from a cleaner's truck parked on the gas station premises.

Genova, called by police, immediately went to see the authorities, and identified the articles stolen from his business place. A check of the gas station revealed that \$50 in cash, \$10 of it in silver, had also been taken.

Det. Sgt. Walter O'Dell and Det. Leroy Tobian traced the license number of the get-away car to a Michael Schneider of 1690 Broadstone, who told the officers he had sold the car to a Frank J. Hathaway of 1206 Beniteau, Detroit.

Hathaway is being sought for questioning.

Hospital Inmates Need Clothing

Clean and serviceable clothing is badly needed for patients at Wayne County General Hospital. Anyone having any items which may be of use to some of these people, is urged to contribute them. They may be dropped at the Farms Fire Department in the Municipal Building at 90 Kerby road, or at the Neighborhood Club.

With 6500 patients in this great institution, no provision is made to clothe them and the need of many is desperate.

Pointe Girls Share National Swim Record

POINTERS EILEEN CROSS, left, and MARY MEASEL, right, are members of the Detroit Turners' Club which shattered the National AAU Women's Junior 200-yard free style relay record in a meet held in the Patton Pool on Sunday, April 29. Misses Cross and Measel combined their efforts with MAUREEN JORDAN, second from left, and LINDA SCHULTE to post the new mark of 1:55.4 breaking the old mark of 1:57.3 set in 1955 by the Providence Rhode Island Swim Club.

Twenty Traffic Offenders Go Before Judge in Shores

Some twenty offenders were taken before Judge Victor DeBaeke in the Shores Traffic Court during the evening of Monday, April 29.

The majority of drivers were arrested for speeding violations. Four were charged with reckless driving. One was caught driving on a sidewalk on N. Deeplands, and another was arrested for being a disorderly person when officers stopped his wife for speeding.

Speeding fines are based on so much per mile over the established speed limit, plus an additional \$2 per unit. Units are extra factors which may increase the danger involved by speeding. A unit may be added for speeding after dark, speeding on snow covered streets, or during rain or fog.

Arthur Anthony of St. Clair Shores was arrested for reckless driving while under the influence of alcohol. His license was suspended for 60 days and he was fined \$107.50.

Edward Barko of 2720 National forfeited a \$50 bond when

he failed to appear in court on a speeding charge.

Mary Ann O'Hare of St. Clair Shores was fined \$57.50 when convicted of a reckless driving charge. She posted a \$150 bond and appealed to circuit court. John J. O'Hare had a disorderly persons charge dismissed.

The fourteen speeding fines ranged from \$7 to \$17.50.

Walter R. Monreal of 1465 Lakepointe, was fined \$32.50 for driving over a sidewalk on N. Deeplands.

Good Literature Group to Meet

The Grosse Pointe Council of Better Literature for Youth, will hold its regular monthly meeting Monday, May 13, at 8 p.m. at the Main Branch of the Grosse Pointe Library at Kercheval and Fisher.

Mrs. G. Riford Johnston, will give a report on the recent hearings of the state legislature in Lansing, regarding obscenity laws.

Candidates Get Final Warning

Residents interested in becoming candidates for the Grosse Pointe Board of Education were given a final reminder today. Petitions for candidacy must be filed in the office of Ray MacArthur, Director of Business and Finance, 389 St. Clair avenue, by 4 o'clock, Saturday, May 11.

In order to file for the annual school election to be held on Monday, June 10, a candidate must return a petition signed by at least 50 qualified and registered voters. Further information may be obtained by calling Mr. MacArthur's office, TUxedo 5-2000.

Two positions are to be filled on the seven-member board. These are presently held by Robert F. Weber and Chet Sampson, both of whom are expected to run for re-election.

Cinema League Meets Tonight

"Movies with a Plot or Theme is the topic to be discussed at the Grosse Pointe Cinema League's regular meeting to- night, Thursday, May 9 at the Grosse Pointe War Memorial Center at 8 o'clock.

Don Russell, Cinema League member, is in charge of the

program and will show several short movies, both commercial and amateur, illustrating how much any movie can be im- proved if it is shot around a central theme.

This program should prove of great interest to all amateur photographers, coming just prior

to the summer vacation period when the greatest majority of amateur filming takes place.

Cinema League meetings are open to anyone interested in any of the various phases of amateur movie making - further infor- mation may be had by calling the War Memorial Center.

Top Scholar

JUDITH DIEKOFF, a senior at Grosse Pointe University School, has been named a winner in a coast-to-coast competi- tion by the National Merit Scholarship Corporation. She is the only winner from the whole Grosse Pointe area.

From the United States at large only 800 high school seniors have been awarded these coveted scholarships in what has been described as "the largest and most rigorous schol- arship competition in our his- tory." Over 12,500 high schools entered 162,000 of their best stu- dents in the nationwide compe- tition.

Each Merit Scholarship is an honor accorded to about one high school senior in every 1,800. Each Merit Scholarship is a four-year award, and each Merit Scholar is free to attend any accredited college in the United States and to choose any course of study leading to a baccalaureate degree. Miss Diek- off will attend Wellesley.

The funds for all Merit Scholarships come from private sources. The sponsors include over 55 business and industrial corporations of all sizes, founda- tions, professional associa- tions, and other groups.

Miss Diekoff is the youngest of three daughters, all of whom have been students of distinc- tion. The other two girls are Miss Jean Diekoff, who has won a scholarship to study music next year at Cornell, having graduated from Wellesley in

1955, and Miss Donna Diekoff, who is a Dean's List student (Durant Scholars), at Wellesley.

The parents are Mr. and Mrs. Arthur E. Diekoff. Mr. Diekoff is the assistant principal of Denby High School in Detroit. Mrs. Diekoff is a Wellesley graduate and before her mar- riage taught mathematics at Central High School, Detroit.

The selection process for the award began in the fall when 162,000 students in all parts of the country took the first test. Of this number some 7,500 stu- dents qualified as finalists, who then took another examination. 7,200 of these finalists repeated their previous high test and be- came qualifiers for the Merit Scholarship.

In the latter group were James Barnes, Julia Pearce, and James Stewart, all of Grosse Pointe University School. They were awarded "certificates of Merit." Such highly qualified students are, of course, logical candidates for other schol- arships.

The final selection, down to the 800, of whom Miss Diekoff

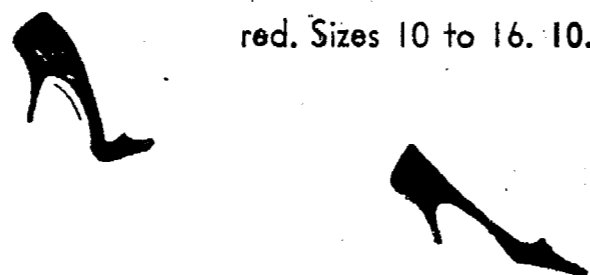

was one, was made by a na- tionally selected panel of ex- perts. Consideration was given to each student's demonstrated qualities of leadership, school and community citizenship, es- tracurricular activities, and high school grades as well as test scores.

Last Saturday, May 4, at the Grosse Pointe Farms Pier over 15 teenagers competed in the local Jaycee Road-e-O. The contest consisted of a written test and four driving tests.

Taking until noon, the children puzzled over the written test and then demonstrated their driving abilities on the serpentine, straight line, parking, and offset courses.

Winners were Ken Erickson, first place; Bruce Butler, second place; and George Wilson, third place. Ken Erickson will compete in the state Jaycee Road-e-O in Detroit. If Ken can win there, he will go on to Washington, D. C. to compete in the national Road-e-O.

The Jaycees are indebted to the Grosse Pointe Farms Council for allowing use of the Farms pier parking lot for the driving course and to the police departments of the five Pointe communities for their active cooperation in the Road-e-O.

Committee for the Jaycees handling the Road-e-O were Pat Cusick, chairman; George Cherpelis, judges; Paul Grubbs, course; Dick Rush, prizes; Gene Stebbins, eligibility; and Bob Powers, publicity.

Woods Police Department Starts Bike Safety Drive

The Woods Police Department began its Bicycle Safety Contest on Tuesday, May 7, and will continue to May 29, it was announced by Woods Director of Public Safety Vern C. Bailey.

The contest will cover five schools in the city and St. Joan of Arc School in St. Clair Shores, where it is estimated that about 800 Woods children are attending.

Patrolman Jack Eberst, Woods safety officer, will give a short safety talk and show a bicycle safety film at each school, preceding inspections.

The safety officer said it is not necessary for students wishing to participate in the contest to wait for a visit to the school, but they may take their bikes to the police station for inspection.

Visited on the opening day of the contest was Our Lady Star of the Sea School.

St. Joan of Arc's inspection began yesterday, and will continue through today, May 9.

Director Bailey and Patrolman Eberst said these schools will be taken care of on the following days: Montclair, on May 21; Mason, May 23; Barnes, May 28; and Ferry, May 29.

Winners in each of the schools

will be presented brand-new bicycles, it was disclosed. The Safety Contest will be carried throughout the Pointe and Harper Woods, but not as a joint project as in previous years. Each department will conduct its own drive.

Sleepy Driver Runs into Pole

A Royal Oak driver apparently fell asleep at the wheel of his car early Wednesday morning, May 8, and piled the car against a Detroit Edison pole on Lake Shore.

John B. Padget was driving west on Lake Shore and had just rounded the turn at the Wayne-Macomb County line. His 1952 Cadillac went over the north curb and struck the light pole in the center island.

Shores police took Mr. Padget to Bon Secours Hospital with a badly cut wrist. His car could not be driven from the scene of the accident.

Detroit area uses over 10% of the nation's output of finished steel. Detroit's consumption of this essential raw material tops that of any other area by 14%.

Imports and exports passing through the Customs District of Michigan, of which Detroit is the principal city, amounted to approximately \$2.14 billion in 1956. Detroit is the second largest port in the value of trade entering or leaving the United States, being exceeded only by New York.

Heart Disease Fight Pays Off

The fight against heart disease is being won, the president of the Michigan Heart Association said as Heart Month drew to a close.

In reporting on progress which has been made in the fight against the country's number one health problem, E. A. Irvin, M. D., Dearborn, said the risk of dying from heart disease has been reduced by 70 percent for persons under 24 years of age, and by 35 percent for those between 24 and 44.

"Thousands of lives have been saved as a result of heart research," Dr. Irvin reported.

In reporting on other phases of progress, he said that new drugs which lower blood pressure are helping thousands of patients and that recurrent attacks of rheumatic fever may be prevented. "Just a few years ago, rheumatic fever was 'child-hood's greatest enemy.' It still is dangerous but research is beating it," he said.

The Heart Association president pointed out that antibiotics are saving 80 percent of patients with subacute bacterial endocarditis (inflammation of the lining of the chambers of the heart)—once invariably fatal.

New diagnostic tools, he added, have effected dramatic advances in surgery.

"Surgeons can now repair heart valves, congenital defects, remove clots from blood vessels, and graft sections of arteries," Dr. Irvin said.

"These are victories that have already been earned in our battle against heart disease," he added, "but today three great questions remain unanswered."

These three questions, he said, are (1) What causes arteries to thicken and become narrowed, interfering with blood flow and leading to heart attacks? (2) What causes the abnormal constriction of the tiny ends of arteries, leading to high blood pressure? (3) What can be done to completely prevent and control rheumatic fever?

"Hardening of the arteries, high blood pressure and rheumatic fever account for nearly 90 per cent of all heart disease and they caused more deaths in Michigan last year than the next five leading causes combined," the Heart Association president said.

"This is the challenge, and it is a challenge that should be accepted by us, our friends and neighbors. It is a challenge that belongs to all of us," Dr. Irvin concluded.

The Michigan Heart Association receives its funds from United Fund Raising Campaigns in many Michigan communities.

Driver Sleeps; Causes Crash

Reil Maynard, 33, of 3636 Ravenswood, Port Huron, was ticketed by Shores police on Saturday, May 4, for not having his car under control and causing an accident.

Sgt. Earl Wakely said that he was cruising along Lake Shore road, when he noticed a car parked in front of 866 Lake Shore, and turned his scout car around to investigate.

As he approached, Sgt. Wakely noticed that a wooden Edison pole had been sheared at the base and was flat on the ground and a city-owned speed limit sign was broken. As he came closer, Maynard, who was in the other car slowly pulled away and then began to gather speed.

The sergeant took off after Maynard, and motioned him to the curb in front of 950 Lake Shore.

Maynard told the sergeant he had fallen asleep prior to the accident.

Air Raid Warning System Improved

The new air raid system by which the country can be alerted in eight minutes as compared to 20 minutes under the former plan has been cut in with a test that proved a success.

Under the former system, Michigan received its alert form two different points. The state was divided into eight districts, the first six receiving the alert from the 30th Air Defense installation at Belleville, while districts seven and eight in the north received theirs from Truax Field, Madison, Wis.

The new system divides the country into three sections, the western, central and eastern. Michigan is in the eastern section, as are 25 other states. All warnings come from a central point at Colorado Springs, Colo. Communication to Michigan is by a telephone circuit kept open on a 24-hour basis.

When the warning from Colorado Springs is given to East Lansing headquarters of the State Police, this headquarters will then be polled from a headquarters point in the eastern air warning circuit, as will other states in the area, to make certain it has been received.

With a foot control the connection is broken between East Lansing and the eastern station, and the way is clear for the State Police to poll all eight districts in the state to determine if they have received the alert. During this period, communications with the central installation at Colorado Springs remain intact, and Michigan is able to monitor any information from that point.

If an attack occurs in Michigan, the East Lansing headquarters will notify the eastern air warning circuit headquarters, which in turn will notify the national center at Colorado Springs.

Drainage Project Story

The Woods council on Monday, May 6, praised City Administrator William Lange for the time and effort he put into the compilation of the story of the Grosse-Gratiot Drain.

Mr. Lange spent several weeks checking back into old records for information to piece the story together, so that old and new residents in the Woods will have an idea of the events which led to steps taken for the construction of the multi-million-dollar project, and why.

This is the story: The Black Marsh Drain, commonly called the Milk River Drain, begins on the north side of Cook road at Chalfonte. From here it flows north and at the south edge of the Lochmoor Subdivision it actually does become the Milk River Drain. Continuing to flow northward, the Milk River joins with the Girard Drain just east of Marter Road at the north edge of Grosse Pointe Woods. From this junction the Milk River, now composed of both the Black Marsh and the Girard Drains, flows into Macomb County and through a part of St. Clair Shores, including our Lake Front Park and into Lake St. Clair.

All storm water from rain and melting snow over the entire area of the City of Grosse Pointe Woods has always flowed into one of these drains. The elevation of the land area and the location of existing sewers will continue the entire city's dependency on the Milk River for carrying its storm water into Lake St. Clair. Three storm water pumping stations were constructed prior to 1930, one located near the intersection of Mack avenue with Cook road, one near Oxford road at Milk River and one near the intersection of Hollywood boulevard and Marter road. The first two stations were small and there are no records of capacity readily available. Two pumps were installed in the Marter Road Station near Hollywood boulevard, each pump having a capacity of about 30 cu. ft. per second.

The population of the City (then the Village of Lochmoor) in 1930 was 961. This relatively small population indicated that a large proportion of the City's area was undeveloped land covered with growths of vegetation. All of the area of the City is very flat land. Flat lands which are partly of a sandy nature and covered with vegetation retain rainfall. A large proportion of this rainfall water seeps into the ground and is later evaporated directly from the earth, or through transpiration from vegetation, or slowly seeps into streams.

About the year 1940, it became apparent that additional facilities for removing storm water and sanitary sewage were necessary. Prior to this time the sanitary sewage which, during storms, was discharged directly into the Milk River had not created objectionable conditions.

In 1944, a deep sanitary intercepting sewer 72" in diameter was constructed through the city by Wayne County, into which sanitary sewage from the city is diverted. This sanitary sewer extends southward through the other Grosse Pointe municipalities and discharges into the Detroit sewerage system for disposal.

A new pumping station was constructed at Torrey road on the Milk River where the sanitary sewage was delivered by gravity into the new 72" Wayne County sanitary intercepting sewer. Three storm water pumps were installed in this new Torrey Pumping Station having a combined capacity of 275 cubic feet per second. In a similar manner the city's sanitary sewage which flowed to the Marter road storm water pumping station was delivered by gravity into the new 72" Wayne County sanitary intercepting sewer. A third storm water pump was installed, bringing the capacity up to approximately 200 cubic feet per second.

Since the Torrey Pumping Station was completed in 1945, the city's combined sewers have been operated as follows: During dry weather the combined sewers in all parts of the City carry only sanitary sewage to either the Torrey or Marter Pumping Station. At each station, the sanitary sewage is delivered by gravity into the 72"

Grosse Exaggerations

A. PRYOR

"O Nightingale that on your bloomy spray Warblest at eve when all the woods are still, Thou with fresh hope the lover's heart dost fill, While the jolly hours lead on propitious May, Thy liquid notes that close the eye of day, First heard before the shallow cuckoo's bill, Portend success in love." (John Dryden)

The first thing that greeted us on our return from a so-called vacation was a clip from the Grosse Pointe News of a few weeks ago... which read as follows: "It is evident to me that schools need additional money with which to operate more efficiently. Growing enrollment means that more teachers are needed. Higher LOVING-costs and stiffer competition for their services... etc., etc., etc." Well, the News always believes in adding a dash of romance in everything they print, wherever possible!

One of the things we did while on vacation was to visit London East... not once but many times. We discovered what we had been missing and this is no paid "ad." From the doormen to the girls at the front door to the captains to the waiters to the chefs and to one Gussie Berry who presides over the cute powder room... there isn't a room for anything but compliments for their solicitude and never-failing courtesy. Old Pryor has been around a lot in her day... covering many night spots and restaurants in New York and other large Cities... but London East need take a back seat for no one.

From the minute the doorman opened the door of our car, not knowing us from a hole in the ground, to the time we left the place, we felt like the Queen of the May. We could write reams of copy about the food... which fortunately is IN this world... and the entire atmosphere of the place is relaxing, quiet, and genteel. We noted that "Soupy Sales seems to be a fairly steady customer, by the way."

The last two times we were there, a charming young French Canadian girl of "pixie" personality, name Mae Sagan... sang delightfully. Her husband, Leon Norris plays piano intermittently... and delightfully. He even plays "requests" and seems to know everything about the PY-ANNER. All in all, we never had a better time... and Oh yes, we also toured the kitchens and made like an inspector! The gleaming copper pots and pans, the freezers, the various shining and polished stoves and ovens, the chefs in neat white aprons and hats... all behind the scenes but all so beautiful they ought to be out front! You just GOTTA go sometime and you'll find yourself a steady customer. Wanna bet???

Another thing we did while "resting" was wallow in television just in case we get fired from Grosse Exaggerations and have to earn a living being a radio and TV critic. We've been sorely disappointed in some of the big shows and agreeably surprised by some of the lesser talent... and the improvement generally in the commercials. Being a night owl at heart, we catch every show from 11 p.m. on and act like a whirling dervish with the dials.

One new late thing we caught that is GOOD is a newscaster called Lou Gordon on channel 7. He goes on at midnight with news that is not read from an idiot sheet. He just sits calmly at a table and talks as if he were in the room with you and doesn't miss a smidgen of news. Very pleasant and different.

Following Mr. Gordon is a comely Miss named Rita Bell who presents an unusual weather report. It is difficult to describe but is a complete departure from what we have been looking at and we suggest you late stayer-uppers take a look. After all, there is no reason why a weather report can't be good to look at!

Another new thing on channel 7 is their morning show from 9:30 a.m. until 11:30. If time change has you confused on the Godfrey show and Garry Moore, this is a welcome change. Two half hour short plays are presented and we've yet to see a bad one.

Channel 9 seems to have suddenly developed a series of really good movies shown at various times during the day and night. We have only one "beef" with them and that is a miserable commercial called "Robert Curly" NEW CURL which is almost revolting. However, it does give one a chance to feed the dog or powder the nose or call the butcher while it is on. UGH! On the other hand, on the Bill Kennedy Show at 1 p.m. every day, there is a commercial for RCA VICTOR... for a tiny portable radio, that is a honey. No pocket (that's where it fits) should be without one. It has a little ear plug attached in case you want to hear something no one else is interested in. It is as dreamy as Kennedy himself, of which there is no dreamier on television.

The BIGGEST kick we got out of TV during the past three weeks was the night Edward R. Murrow had Mike Todd and Liz Taylor on "Person to Person." Murrow first asked Todd what he thought of Liz. Silly question, but he DID ask it. Todd launched into an adjective orgy over Liz, which was sweet, complimentary and affectionate. Then he asked Liz what she thought of her brand new husband Mike. Liz giggled and giggled and came up with: "He's just the nicest man I've ever lived with." Emily Post would have liked THAT one!

Wanna stop smoking???. We have the real answer to that one. Just carry a pack of wet matches in your pocket or purse. Okay?

petitioned the Wayne County Drain Commission to finance, construct and operate:

- (a) the Girard Drain, draining the major area of Harper Woods and a part of Grosse Pointe Woods, and
(b) the Black Marsh Drain, draining a major portion of Grosse Pointe Woods and a part of the south end of Harper Woods, and
(c) the Milk River Drain, draining a part of Grosse Pointe Woods and St. Clair Shores while conducting all of storm water from the Girard and Black Marsh Drains to Lake St. Clair.

The Girard Drain and the Black Marsh Drain are intra-county drains which means each drain originates and flows only within Wayne County. The State Drain Acts provide that an Intra-County Drainage Board be created to finance, construct and operate these drains. In a like manner, the Milk River Drain originates in Wayne County within Grosse Pointe Woods and flows into Macomb County and, through

and George Jerome, Engineer for the Girard Drain.

On August 11, 1955, the three drainage boards held public hearings at the Grosse Pointe Woods City Hall, at which time the necessity of the three drains was established. Following this the engineers prepared detailed plans and specifications for the three drains, and in August and October of 1956 public hearings were held at the Grosse Pointe Woods City Hall, at which time the apportioning of costs of the three drains was established.

As cited earlier, all parties involved, including the cities, the County Road Commission and the State Highway Department all contribute to the cost

of construction and operation of the drainage facilities in direct proportion to the amount of storm water which they discharge into the drains. The percentage share of costs as established following the public hearings are listed below:

Black Marsh Drain: State of Michigan, 00.861017 per cent; County of Wayne, 1.867492 per cent; City of Grosse Pointe Woods, 96.084779 per cent; City of Harper Woods, 1.188712 per cent. Girard Drain: 7.616832 per cent; County of Wayne, 1.355950 per cent; City of Grosse Pointe Woods, 1.775042 per cent; City of Harper Woods, 89.232776 per cent. Milk River Drain: State of

Bone Fractures And Dislocations By Fred Kopp, R. Ph. In the spring and summer when there is more outdoor activity, fractures and dislocations happen frequently. These injuries are usually very painful and until the doctor arrives the patient should not be moved unless a splint is first applied. Swellings usually occur in this type of injury. If hot or cold cloths are applied immediately the swelling can be limited considerably. Even if the fracture or dislocation seems slight consult a doctor at once; you can lose partial use of limbs if they are not set properly. Let a conscientious pharmacist supply your drug needs. What Goes On at Your Library

By Jean Taylor

Recently Miss Roemer and I had the interesting assignment of manning a library exhibit at the American Personnel and Guidance Convention at the Hotel Statler. There were booths to publicize every manner of vocation. Certainly the young people of today have a wide variety of interesting fields from which to choose a career. With the countless opportunities beckoning him, the student will do well to make a careful survey before making a decision.

There is the occasional fortunate soul who knows in his very early years what he will be when he grows up and never deflects from his goal, but if you are the average student, the procedure is not so simple. The counselors in the schools do a splendid job of advising and helping you in this decision. The library too can be of assistance. It has many books and pamphlets to direct you toward your goal. You will find here material on various occupations to show the training you will need in the field you wish to follow.

While you are casting about to discover which vocation will best suit you, don't forget to Michigan, 2.849781 per cent; County of Wayne, 1.673702 per cent; City of Grosse Pointe Woods, 60.070139 per cent; City of Harper Woods, 34.987445 per cent; City of St. Clair Shores, 00.418933 per cent. Also on October 5, 1956, bids were received and contracts were let—subject to the sale of bonds—on the following projects: Girard Drain Sewers, \$838,332.96. Black Marsh Drain Sewers, \$519,550.00. Milk River Drain Sewer (to pumping station), \$1,936,480.00. Pumps and Motors only, \$752,556.00. To the above costs must still be added the purchase price of the land and building structures for the pumping station; the cost of additional right of way through St. Clair Shores to Lake St. Clair and the cost to deepen, widen and straighten this portion of the drain; the cost of widening the bridge at Lake Shore road and the costs of engineering, legal, advertising, etc., to cite some of the major items. If all of the costs were known at this time it would still be hazardous to estimate the ultimate cost of the drains to the taxpayer because the inter-

take a long look at the library profession. There are exciting possibilities here to comply with individual tastes. Librarians are needed everywhere, in this country and abroad. If you think of librarians in terms of the one in A Tree Grows in Brooklyn, please know that the stereotyped librarian of yesterday who spent most of her time guarding the books from the public, and shushing anyone who spoke above a whisper is as dead as the dodo. Opportunities today for both men and women in the library field are unlimited, and the wide diversity of positions makes it possible to find one that is right for you.

You may prefer work in a public library or in the school, college or university. You may choose the field of special libraries. Such libraries are confined to some special interest, or to the literature of one business or one subject. There are openings for such specialized services in every field of activity, in the manufacturing, engineering and advertising world, in the newspaper office, in the scientific and technological fields et al. Perhaps you will be a specialist in a large metropolitan library, in charge of audio-visual aids, the order librarian, cataloguer or administrator. You may be an archivist, an adult education specialist, a public relations expert, a music or a law librarian.

County, regional and state libraries have much to offer too, or you may choose to be a librarian with the armed forces or in an overseas library. For the librarian who likes travel, these positions are attractive. If you like to be on the go, a bookmobile may be to your liking. And we leave the best to you in later years. To spend the most fun of all, Space does not permit us to mention all the many special fields in library work. They are endless.

Whatever work you choose, it is important to select a school whose standing will be helpful to you in later years. To spend time and money and find your Alma Mater's not accredited, is disheartening. Ask at your library for a list of accredited library schools. As a librarian, you will have a choice of positions, a variety of duties, a salary comparable to one in the other professions, stimulating work, contact with ideas and information in many forms, personal satisfaction in service to others, contact with people.

"Oh, no, not again!"

(she needs an Automatic Gas Dryer)

How many times have you moaned "Oh, no!" as the rain drenched your just-hung wash?

Chances are—very often. Weather Bureau statistics show that, on a yearly average, you can expect about three good drying days out of ten.

You'll find that every day is a sunny day with a modern, automatic Gas Dryer. These dryers dry clothes in minutes—safely and economically. In fact, you can run a Gas Dryer for about two cents an hour—one fifth the cost of operating other automatic dryers.

Drainage Project Picture

(Continued from Page 12)

est rate on the bonds are unknown, as are the annual operational and maintenance costs of the drains and pumping stations.

The State Drain Acts provide that the Wayne County Drain Commissioner, acting with the Drainage Boards, handles the bonding procedure whereby the faith and credit of the County is used to support the bonds. Annually, the Drainage Boards will bill the cities, townships and the State of Michigan for their percentage share of the cost of building and operating the drains as apportioned above. The cities, in turn, will spread the cost of this drainage bill over the entire city on the basis of the assessed valuation of the property. The Drainage Boards cannot, at this time, indicate when the cities will be billed, accordingly the cities are not able to advise their residents when the Drainage Tax will be levied.

In 1956, a group of cities in another county had joined together to finance, construct and operate a drain under the authority of the same State Drain Acts; however, in the litigation that followed their inability to agree on apportioning of costs, the validity of the State Drain Acts was challenged. Naturally the financing of our three drains would not be approved by the Municipal Finance Commission, a State regulatory agency, until the constitutionality of the Drain Acts had been reestablished. Claude Stevens, the bond counsel, proposed to do this by carrying a friendly suit to the Michigan Supreme Court and in April 1957, the Supreme Court heard his pleas. The Court's findings are expected within a month or two.

Concurrent with the above legal problem, it was deemed to be in the best interest of the public to amend certain chapters of the State Drain Acts. One such amendment would permit the Drainage Boards, at their discretion, to prohibit prepayment of assessments for a ten-year-period after the sale of bonds and to make bonds callable after ten years. This would make the bonds more readily saleable and should insure a lower interest rate to the

cities and to the taxpayers who ultimately pay the bill.

A second amendment to the Drain Acts would permit the assessments to be made on a sliding scale basis so that the annual payment of principal plus interest, like a house mortgage, would remain approximately the same throughout the life of the bonds. This is a more equitable method of payment for our growing community which does not expect to attain its ultimate population and tax base until sometime after the drains have been installed and are operating.

The third amendment relates to assessments to townships where only a portion of the township would benefit from the large land area of the township and because of the likelihood of future drains being needed for other parts of the township.

These amendments have been included in Senate Bill No. 1210 which was passed by the State Senate April 18, 1957, and which now must be passed by the House in turn. Favorable action is anticipated on this Bill at any time.

Accordingly, as of the end of April 1957:

(a) contracts have been let for constructing the sewers for the Black Marsh, the Girard and the Milk River Drains as far north as the new pumping station, subject to the sale of bonds.

(b) Contracts have been let for the pumps for the new pumping station at the north end of Grosse Pointe Woods.

(c) Plans are substantially completed for the pumping station building, for the deepening, widening and straightening of the Milk River from the pumping station to Lake St. Clair, and for the new bridge over Lake Shore road near the lake-front park.

(d) As soon as the Michigan Supreme Court rules favorably on the legality of the State Drain Acts, and as soon as the Michigan legislature amends the State Drain Acts; then the three Drainage Boards will be able to sell bonds, the contractors will start construction, and completion of the project is anticipated within a period of twelve to eighteen months thereafter.

It would be well to note that the size and capacity of the drainage structures which will be installed in these three drains and the pumping station are based on a "ten-year storm." The Engineers define a "ten year storm" as one of such intensity that it occurs only on an average of once every ten years. This is the accepted size and capacity which the Professional Engineers have determined to be adequate for this part of Michigan. However, in order to further protect the residents of Grosse Pointe Woods the council will continue its policy of restricting catch basins and thereby storing a part of the storm water in the streets during the heights of the storms.

For a continuing report on this drainage project may we suggest that you follow the news reports in the local papers following the City Council Meetings on the first and third Mondays of each month.

Zoning Proposal Tabled in Farms

At a regularly scheduled Farms Council meeting, Monday, May 6, a proposed amendment to the zoning ordinance to rezone a 65-foot strip of land proposed to be used for additional parking in the Kercheval business district, was tabled for 30 days.

This action was in accordance with the usual legal procedure regarding all proposed ordinance amendments. They are laid on the table for 30 days, then, following a public hearing they are adopted and published.

The area to be rezoned extends along the rear of the Richard School playground between Ridge road and the municipal parking lot. It is presently zoned for Resident A Dwellings. The amendment calls for the narrow strip to be zoned to provide for off street parking.

The Farms expects to learn this week if the Gabriel Richard School Improvement Association will take its grievance against the Grosse Pointe School Board and the Farms, to the State Supreme Court.

Wears Classic French Bridal Gown for Saturday Afternoon Rites in Christ Church; Reception Followed At Parents' Lincoln Road Home

Sally Ann Meader's classic French bridal gown of palest ivory peau de soie was designed by Chanel for her Saturday afternoon wedding in Christ Church to Thomas Arthur Garred.

The bride is the daughter of Mr. and Mrs. F. Rankin Weisgerber, of Lincoln road, and her bridegroom's parents are the Lewis Arthur Garreds, of Merriweather road.

Her gown was designed with a snugly fitted neckline, the deep yoke accented with re-embroidered lace lightly en-

crusted with seed pearls and iridescent paillettes. This motif was repeated on the front of the gown's gracefully full skirt and at the end of the cathedral train.

A Juliet cap of matching lace held her full length veil of illusion and she carried a bouquet of stephanotis, Eucharist lilies and ivy.

Mrs. Greene Fenley III, of Old Greenwich, Conn., was her sister's matron of honor. Dorold Almqvist, of Naugatuck, Conn.; Paula Cyphert, of Needham, Mass.; Cythia Keydel and Jane Ottaway were the attendants.

They were gowned alike in blue silk with traceries of white, the small waistlines emphasized by gathings of material at the back. Their head-dresses were bands of ivy and they carried cerise geraniums.

Robert Coulon, of St. Clair Shores, was best man, and seating the guests were Donald Stumph, Robert Sutton, of St. Clair Shores; Robert Gore, of Grosse Ile; Greene Fenley III, of Old Greenwich, Conn., and Alan Week, of Windsor. William Greene Fenley, the bride's nephew, was ring bearer.

For her daughter's wedding and the reception which followed in her Lincoln road home Mrs. Weisgerber chose a re-embroidered Alencon ivory be-ige lace sheath with matching jacket. Her tiny hat was of imported Swiss straw and she pinned shaded beige cymbidium orchids to her taffeta bag.

Grosse Pointe News

From Another Pointe of View

Browsing about in other cooks' kitchens always has great appeal. So the Women's Auxiliary to Cottage Hospital has arranged some visits to eight of the Pointe's most irresistible culinary strongholds.

General chairman of this season's Kitchen Tours on May 24 is Mrs. George W. Christiansen. On her committee are Mrs. William C. Russell, Mrs. Wilfred Steiner, Mrs. Howard Parsons, Mrs. William McLeod, Mrs. Lyndle Martin and Mrs. William F. Heyd.

The purpose of this fund raising project is to assist in equipping the new emergency room and laboratory. Proceeds will buy new examining tables, stretchers and instruments.

Along with viewing the kitchens' ticket holders may stop in at the Nurses Home for punch and take home some goodies from the bake sale and kitchen counter of gifts. The tours will be held from one until five o'clock.

On display will be Mrs. Robert B. Evans' oak pine kitchen on Lakeshore road, the all blue dream kitchen of Mrs. Joseph A. Vance, Jr., on South Deeplands, and Mrs. Clarence E. Bessert's contemporary cook room on Chalfont road.

Then it will be on to that elegant avenue, Tonnancour road, to glimpse Mrs. Carroll Boutells' kitchen with a view. Mrs. Henry Bodman's kitchen on Vendome boasts unusual built-in equipment.

For the men chefs is Mrs. Ray Morrissey's Cloverly road kitchen and Mrs. A. Richard Stanny has a country kitchen built in her Lewiston road home.

Last but far from least is Mrs. M. C. Redfern's cleverly remodeled kitchen in her Lakepointe avenue home.

Pink Party

Pink is a most popular hue, lending to delicate rose arrangements and the most harmonious of feelings. So this is the color decided upon by the ladies planning the Garden Center annual party at the War Memorial.

The committee heads met last week at the Center to marshal details for the grand lawn fiesta. Mrs. Wood Williams reported that among the hostesses for the garden party will be Mrs. Russell Alger and the 16 presidents of the garden clubs in the Pointe area.

Mrs. W. S. Teetzel and Mrs. Valentine Guenther are supplying the artistic and glamorous touches to the scene and Mrs. Robert S. Barie and Mrs. Benjamin Stockwell are spreading the word about the lawn gala.

Also attending the recent planning meeting were Mrs. Donald C. Stevenson, general chairman; Mrs. J. Crawford Frost, president of the Garden Center; Mrs. Eugene Hawkins, Mrs. Thomas P. Henry, Mrs. Alfred D. La Ferte, Mrs. Richard Forsythe, Miss Christine Edwards and Miss Mary Louise Anderson.

Leather needs lubricating or softening such as your skin needs a good hand lotion. Waxing leather will polish, lubricate and protect leather from rain spotting. Most good polishes contain the necessary waxes, or you can use any good paste wax. Saddle soap does a nice job of cleaning and polishing leather, too.

Memorial Church To Hold Fair Sale

Preview of Christmas Fair Items to Go on Sale May 14
The Same Day as the Women's Association's Annual Tea and Program; Workers to Hear Foreign Mission Speaker

Those industrious workers of the Grosse Pointe Memorial Church Women's Association have planned a Pre-Sale of their beautiful Christmas Fair merchandise for Tuesday, May 14.

The day of the Pre-Sale is also the date of the Women's Association's annual tea and program so the ladies will take a break at 2:30 o'clock to hear Mrs. Paul Moser, vice-president of the Board of Foreign Missions of the Presbyterian Church USA.

Since a great deal of money raised by the Fair is earmarked for the Board of Foreign Missions this talk should further spur the efforts of the Fair workers. Pre-Sale hours are from 11 to 2:30 and 3:30 to 5 o'clock.

Mrs. Harold Diegel, chairman of the doll booth, will offer a doll fashion show. Outstanding figure here will be the bride doll, dressed in pink satin and tulle with her bridesmaids, all in pink too. There will be mother-daughter combinations, playpens with baby dolls and tiny dolls with a complete wardrobe in their accompanying suitcases.

Monogrammed blanket covers and lovely knitted nylon dress hangers are the most important items at the House Beautiful Booth, chaired by Mrs. Ben Beyer.

Mrs. Paul Porthland will feature timely porch accessories and California ferns in her Garden Booth. Mrs. Julius Peter, chairman of the knitting Booth, has over 80 women working for the Fair. Beautiful decorated sweaters are the eye-catching products here.

Special knitted goods for the young set will be displayed by

Mrs. Albert Dickson, Jr., and her committee.

Also working for the kiddies' pleasure is Mrs. Robert Eckhart and her group. Gay clowns and pillows shaped like animals will go on sale.

The Christmas Decorations Stall is always a popular one and Mrs. William Denler will have white ice buckets trimmed with summer designs just for the pre-sale as well as the Yuletide items which can be ordered.

Manning the Concoly Booth is Mrs. Charles Peabody. All kinds of ware, ash trays, mirrors, picture frames, bottles and boxes are decorated with shells for the sale.

Mrs. Julius Bowen has antiques which are choice and not seasonal. Mrs. Arthur Buhl, Jr., has the Accessories Booth. Monogrammed terry cloth beach robes, reversible skirts, blouses and purses may be ordered here.

To Give Talks To Gardeners

The Grosse Pointe Farm and Garden Club will hold its monthly meeting at the home of Mrs. Conrad Smith, 301 Lake Shore road, on Monday, May 13, at 2:30 p.m.

Mrs. Standish Backus and Mrs. Benjamin Warren will talk on "Ground Covers." Hostesses will be Mrs. Smith, Mrs. Benjamin E. Young and Mrs. S. Wells Utley.

Kristin Beck Marks 4th Birthday at Annual Luncheon Last
Saturday; Sixty Maypoles and Sprays of
Daisies Deck Club

Small Kristin Beck celebrated her birthday at Grosse
Pointe Yacht Club's Mother-Daughter Luncheon last Sat-
urday and she couldn't have had a prettier party setting.
The birthday girl, four years old that May 5th day, came
into a garden scene of daisy-covered white trellises and
innyriad yellow and white Maypoles.

With her mamma, Mrs. Daniel R. Beck, and little
sister Katherine, her two
grandmothers, Mrs. Daniel

Patricia Ann Potvin Marries Mr. Moran

Pair Speak Vows Saturday Morning in St. Clare of Montefalco Church; Following Trip to Cuba and New York Will Live in San Francisco.

At a morning ceremony Saturday in St. Clare of Montefalco Church Patricia Ann Potvin, daughter of the Frederick J. Potvins, of Bedford road, was married to Moore Michael Moran, son of Mrs. Edward Joseph Maron, of San Francisco, Calif., and the late Admiral Moran.

For her wedding Patricia Ann chose ivory peau de faille designed with an oval scooped neckline with a small turned down collar effect, long tapered sleeves and princess lines.

Her cathedral length veil was of heirloom lace and silk tulle and held by a lace Juliet cap. Both her mother and aunt had worn the veil for their weddings. Her bouquet was of stephanotis, orchids and variegated ivy.

Peggy Roney was maid of honor and the other attendants were Ann Lynn Elliott, of Sturgis, Mich., the bride's cousin, and the flower girl, Diana Hand.

The two attendants wore embroidered white cotton batiste over pale yellow taffeta with streamers of yellow grograin. Their pale yellow picture hats had open crowns circled with tiny yellow flowers and ivy and they carried blue corn flowers, pale yellow carnations and miniature ivy.

The flower girl wore floor length white cotton batiste over yellow taffeta and a tiara of ivy foliage. She carried a basket filled with the same flowers as the attendants.

The bride's brother, John Potvin, was best man and the ushers were Thomas Gilleran, Thomas A. Rowe, Donald Shearn and James Weitzmann.

For her daughter's wedding and the reception at the Detroit Yacht Club Mrs. Potvin chose a mist blue peau de soif frock with matching hat. The bridegroom's aunt, Mrs. Josephine Moore Dillman, of San Francisco, came for the wedding.

When the couple left on a wedding trip to Cuba and New York the bride was wearing a navy suit with a natural straw hat circled with pink roses. They will make their home in San Francisco.

At a double ring ceremony Saturday morning in St. Clare of Montefalco Church, Barbara Mary Lemke, daughter of the Joseph Lemkes, of Bishop road, spoke her marriage vows to Albert Joseph Charron, Jr.

Her Chantilly lace wedding gown was designed with a sabrina neckline and chapel train. A cap trimmed with sequins held her fingertip illusion veil and she carried stephanotis and white spray orchids.

Rosemary Lemke was her sister's maid of honor in pale blue organdy over taffeta with a matching headband of flowers. She carried pink carnations.

The attendants, Betsy Burr and Janet Fournier, wore pink organdy over taffeta and carried blue carnations.

Hugo Fuchs was Mr. Charron's best man and seating the guests were Theodore Lemke, the bride's brother, and Richard Noth. The bridegroom is the son of Albert Joseph Charron,

Miss Reitz To Wed May 18

Alice Anne Reitz, daughter of the Edgar M. Reitzes, of Beacon Hill, is enjoying a round of pre-nuptial parties before her May 18 wedding, to William B. Mondry, of St. Clair Shores.

The couple will speak their vows at a candlelight ceremony in Christ Church with a reception to follow at the Detroit Athletic Club. Mr. Mondry is the son of the late Mr. and Mrs. William Bernard Mondrys.

Mrs. William Gillett, of Country Club drive, began the entertaining for the bride-elect and her fiancé with a buffet supper and shower.

A quartet of the engaged pair's friends gave a cocktail party and bar and linen shower. Mr. and Mrs. Truman Schneider, of Grand Marais boulevard, were the hosts with the assistance of the Harold Lightbodies, the A. S. Voorheeses, and the Charles Cruikshanks.

Mrs. Russell M. White and Mrs. G. D. Baker were co-hostesses at a luncheon and kitchen shower at the Detroit Boat Club.

Roland Ricard and Robert Starnes were hosts at a party in the latter's home on Washington road and Mrs. Carter Laitner and Mrs. Robert Stewart will give a luncheon and shower Saturday as the Grosse Pointe Yacht Club.

Also in the future is the shower planned by Mrs. E. A. Burns in her Pemberton road home.

The rehearsal dinner will be May 17 at the Grosse Pointe Yacht Club.

TOUGH JOB
A good diplomat has to learn to overlook the unreasonableness in people's reasoning.

Income paid to individuals in Michigan totaled \$15,632,000-000 in 1955, according to the United States Department of Commerce. This was \$2,134 per capita, or about \$7,600 per family in this state. Only 5 states topped Michigan in total income.

Count's Niece Speaks Vows

Christine Dunin, niece of Count and Countess Alfred Nieszchowski, of Neff road, was married last Wednesday morning in St. Paul's on the lakeshore to Jan Ziska, Jr.

For her wedding she wore embroidered white organdy, opera length, and an heirloom Brussels lace veil. She carried Easter lilies.

The Countess Kasha Dunin was her only attendant in a pale grey ensemble and matching hat. Charles Belant was Mr. Ziska's best man.

The bride's uncle and aunt gave a reception in their Neff road home following the ceremony. The Countess Nieszchowski received her guests wearing a cocoa raw silk frock and matching hat with beige orchids.

Following a wedding trip to Washington and Florida the Ziskas will make their home in Dearborn and travel to Paris this summer to meet the bridegroom's parents, the Jan Ziskas.

Catholic Women's League Holding Meeting May 24

To Tell Republicans About Kohler Story

"Can a free economy tolerate union violence?" will be the subject of an address by Lawrence E. O'Neill, public relations department of the Kohler Co. of Kohler, Wisconsin, to be given at the monthly meeting of the Women's Republican Club of Grosse Pointe on Thursday, May 16, at the Grosse Pointe War Memorial.

Mr. O'Neill is a native of western Pennsylvania; attended the University of Pittsburgh, and graduated from the University of Wisconsin. During World War II he flew 27 missions with an 8th Air Force heavy bombers group over Europe and was awarded the Distinguished Flying Cross and Air Medal with three Oak Leaf Clusters. Prior to his association with the Kohler Co. he was in the advertising department of the West Bend Aluminum Co. He is married and has four children.

When the UAW-CIO strike against Kohler Co. began on April 5, 1954, Mr. O'Neill was given the assignment of helping to coordinate the activities of the company's Photographic Department with the requirements of the Industrial Relations Department.

This assignment placed him at the scene of all the illegal union conduct, including the massed picket lines across the Kohler Co. driveways, the home picketing demonstrations and the clay boat riot at Sheboygan. He took photographers to hundreds of homes to make a picture record of vandalism and violence. Mr. O'Neill is now assigned as personal secretary to Herbert V. Kohler, president of Kohler Co. The significance and importance of the UAW-CIO strike against Kohler Co. has become a subject of national concern. Reverend Edward A. Keller, C. S. C., professor of Economics, (Continued on Page 21)

Miss Roll Wears Blue for Wedding

Was Married Saturday Evening to Richard Elliott Scott in Grosse Pointe Woods Presbyterian Church; Will Travel to Tennessee Naval Base for Re-assignment

Blue was the predominant color at the Saturday evening wedding of Mary Dell Roll, daughter of the Everett Edward Rolls, of Kenwood court, to Richard Elliott Scott. The pair spoke their vows at a candlelight ceremony in Grosse Pointe Woods Presbyterian Church. The bridegroom is the son of the Walton Scotts, of Niagara Falls, New York.

The bride's ice blue satin wedding gown was fashioned on princess lines with a cuff of applied satin and lace and seed pearls outlining the square neckline and continuing into two panels at the back of the gown.

A mantilla of matching blue tulle and lace completed the bridal gown and she carried white roses tinged with blue.

The maid of honor, Jacqueline Newell, of Grand Rapids, was in sky blue chiffon and her bouquet was of American Beauty roses. Also in blue chiffon were the attendants, Jean Rassbach, of Cleveland, O., and Jane Baldwin, of Marquette. All three were Delta Gamma sor-

ority sisters of the bride. The best man was David Roll, the bride's brother and the ushers were Donald Pais, of Birmingham; Fred Ahborn, of Saginaw and Donald Brauer. The bride's mother welcomed guests at the reception at the Plantation wearing a deep blue floral printed chiffon gown with a matching hat. Mrs. Scott was in beige chiffon with a matching hat. Both mothers wore cymbidium orchids.

Coming from out of town for the wedding were Mr. and Mrs. Ralph Kelson, of Macomb, Ill.; Mr. and Mrs. John Folks, of La Harpe, Ill.; Mr. and Mrs. Peter Roll, of New Haven, Conn.; Mr. and Mrs. Edwin Byrnes, Jr., of Glenview, Ill.; Mr. and Mrs. Walton Kramp, Mr. and Mrs. Roland Harding, all of Olcott Beach, N.Y., and Mr. and Mrs. Donald Bissell, of Tarpon Springs, Fla.

Reception at DAK Followed Morning Ceremony in St. Paul's on the Lakeshore; Newlyweds Will Make Their Home on Somerset Road After They Return From a Canadian Wedding Trip

At 11:30 o'clock Saturday morning in St. Paul's on the lakeshore Mary Elizabeth Conlisk, daughter of the Joseph Jerome Conlisks, of University place, was married to Arthur Louis Bruce.

For her wedding the bride chose a gown of antique satin fashioned on princess lines with a Peter Pan collar, long sleeves and a full cathedral train falling from unpressed pleats on each side of the bodice.

A cap of matching satin held her full length illusion veil and she carried gardenias, stephanotis and pale green ivy. Her traditional "something old" was a rope and medallion of matched seed pearls, a gift from her mother.

Evelyn Schrage was maid of honor in a princess gown of heaven blue silk shantung with a scooped neckline, cap sleeves and a bouffant skirt. Her headband and slippers were of matching blue and she carried white daisies and delphinium.

The attendants, gowned like the honor maid, were Marcia Byrnes, Janet Mueller, Beverly Janes, of Richmond Hill, N.Y., and Kathleen Bruce, the bridegroom's niece.

Mary Kay Bruce, another niece was flower girl in heaven blue organdy smocked in baby pink rosebuds. More rosebuds fashioned her headband and she carried a white basket filled with buds.

David O. Bruce was his brother's best man. They are the sons of Mr. and Mrs. Charles Leo Bruce, of Iroquois avenue.

Seating the guests were Charles L. Bruce, Jr., and Marshall Bruce, brothers of the bridegroom; John S. Blay, of New York; Sheldon S. Daum, Jr.; Harry F. Oderman, James R. Magg, James J. Sylvain and M. John Moroun.

For her daughter's wedding and the reception which followed at the Detroit Athletic Club, Mrs. Conlisk chose a costume suit of mist grey silk. Her hat was mimosa yellow and she pinned yellow orchids to her bag.

When the new Mrs. Bruce left on their wedding trip to Canada she was wearing a costume suit of wet sand wool with matching accessories and a sable jacket.

Libri will meet Monday, May 13, in the Bloomfield Hills home of Mrs. George Trumbull. A visit to Cranbrook Art Museum is on the program.

Assisting the hostess will be Mrs. Alvin Lambert, Mrs. Edward Stark, Mrs. Richard Wagner and Mrs. John Wood.

Woman's Club To See Show

For the last monthly meeting of the year, members of the Grosse Pointe Woman's Club, gathering at the War Memorial Center on Wednesday, May 15, at 1 o'clock, will enjoy club talent.

Under the direction of Mrs. Murray Young, a club member, six fellow members will give a one act comedy, "Three Cents a Day." Mrs. Daniel M. Corson, Mrs. Donald B. Leahy, Mrs. Alfred Mitschke, Mrs. John G. Scales, Mrs. Daniel A. Schaitberger and Mrs. Woodrow Wilson, with Mrs. Richard Stoner holding script, have given hours of their time but enjoyed rehearsals for weeks.

Mrs. Young has been active in the "Little Theatre" group in Cleveland, Ohio, doing both acting and directing for them. Since moving to Grosse Pointe she has been an active member of the Detroit Theatre Arts.

Chairman of the Tea is Mrs. J. Harold Husband, with Mrs. Stanley Kenn as co-hostess. Assisting them are: Mrs. Emerson M. Braden, Mrs. Daniel M. Corson, Mrs. John E. Hearst, Mrs. Philip B. Hopkins, Mrs. Richard Hughli, Mrs. Edward V. Luss, Mrs. Walter R. McArdow, Mrs. Harold Nofz, Mrs. Lawrence Ruby, Mrs. Howard Simon and Mrs. L. J. J. Smith.

FASHION HINT

A woman with a very round face should avoid hats with many circular lines, this will emphasize the roundness of the face.

St. Joseph Auxiliary To Hold Brunch

The St. Joseph Mercy Hospital Auxiliary will hold a special mass followed by a brunch meeting at 11 o'clock at the Detroit Boat Club on May 16.

Mrs. Albert Wassler, of Moran road, is chairman, and will take reservations at TU 2-1949. Mrs. Francis Wantland, of East Outer drive, may also be called at DR 1-2946. Mrs. Charles J. McKenna, of Sunningdale Drive, will preside at the meeting.

Young Adults To Hold Dance

The monthly dance for young single business and professional people at the Grosse Pointe War Memorial will take place the third Friday of the month, May 17 at 9 p.m. instead of the usual second Friday. The orchestra will be Roston Clark's, instead of Bill Knicy's as previously announced.

Every Grosse Pointer has the privilege of bringing a guest and is urged to use it, but all guests must accompany their Grosse Pointe hosts or hostesses.

In addition to the usual dances, mixers and refreshments the lake side Terrace and Formal Gardens will be flooded for intermission strolling.

Bob Gall, president, and Joan Merrill, secretary, will be on hand to welcome all comers to this "May Mixer." They hope to see all the regulars and a host of new faces.

Attend Garden Meeting In National Capital

Miss Marie Louise Anderson of Bedford road, recently returned from an annual meeting of the Women's National Field and Garden Association, held at the organization's headquarters in Shoreham Hotel, Washington, D. C. She is a member of the National Executive Committee.

Those who attended the meeting visited the Dogwood Overlook in the National Arboretum, planted in honor of the organization's founder, Mrs. Francis King.

Also visited was the Dumbarton Oaks Estate, and members were received at the Netherlands Embassy, and at the White House by Mrs. Eisenhower, wife of the President.

Included among those who attended from the Pointe, are: Mrs. Harold K. Smith, president of the Pointe branch; Mrs. Lynn McNaughton, Mrs. Henry P. Williams and Mrs. James B. Ogden.

Miss Anderson has been asked to pour for the 31st Anniversary Tea, at the annual meeting of the Michigan Division of the W. N. F. G. Association, to be held in Ann Arbor on Wednesday, May 22-23, at the home of the president of the University of Michigan, where members will be the guests of Mrs. Harlan Hatcher the afternoon of the second day of the meeting, from 3 to 5 p.m.

HOUSEHOLD HINT

Breakfast oatmeal becomes more attractive when chopped dates or raisins are added during cooking. Other good toppings are maple syrup, brown sugar, fruit or jelly.

HOW TO PROFIT THROUGH TAX EXEMPTION

With today's high tax levels, investors in medium and high tax brackets are turning to tax-free Municipal Bonds for income that they can keep.

If you have a taxable income of \$10,000 or more, you may be well repaid by investigating the advantages of tax-exempt State and Municipal Bonds. For instance, if you file a single return on a taxable income of \$14,000, you would have to receive a dividend return of 7.45% on a taxable security in order to equal the yield from a 3.50% tax-free Bond. It's something to think about!

Our New Booklet, "How To Profit Through Tax-Exemption" explains in plain language your need for tax exemption, tells how much these high-grade investments can be worth to you. There's no obligation. Send for copy today, or phone.

Republicans To Hear Kohler Story

(Continued from Page 18) University of Notre Dame, in his article, "Can Reuther's Boycott Bring Kohler to its Knees?" in HUMAN EVENTS, issue of February 23, 1957, stated: "The UAW boycott of Kohler products is a significant modern development in the American labor movement. Union boycotts have generally been a weak weapon in the union's arsenal, but since the merger of the AFL and CIO the boycott may prove to be a potent weapon in forcing an employer to grant the demands of a union when strike and picket line have the full weight of the combined AFL-CIO with us."

"The open declaration of intention by the UAW-CIO 'to wreck the (Kohler) company'—which employs some 3,000 workers, supplies products of which customers highly approve, and furnishes the nation with vitally needed defense products—poses the question of why a union feels it has the right to 'wreck' a company

which it has been unable to force to accept its demand by a strike. Only one answer, apparently, is indicated: the UAW is making the Kohler boycott a test case to prove its power of compelling obedience by a threat of destruction."

"The importance of victory to the UAW in this dispute is indicated by Emil Mazey, secretary-treasurer of the UAW-CIO, who in December, 1956, at a meeting of civic clubs in Detroit, stated that the Kohler strike, now in its 34th month, had cost the UAW ten million dollars; he further stated: 'If the more than 2,000 Kohler strikers paid dues to UAW for 250 years it would not make up for the amount the union has spent on Kohler.'"

"Meanwhile, the UAW has conducted a legal counterattack against Kohler. On July 12, 1954, the union filed charges before the N.L.R.B., accusing the company of a variety of unfair labor practices. The N.L.R.B. hearings, which opened on February 8, 1955, have not been

terminated because they wait upon the testimony of a witness (John G. Ina) who fled to Michigan to avoid standing trial in Wisconsin on a charge of felonious assault. Michigan's Governor Williams has refused to extradite this witness to Wisconsin to stand trial. The N.L.R.B. subpoenaed Gunaca to testify in the Kohler case about a year after he went to Michigan and now agrees to take his testimony somewhere in Michigan."

Mrs. Irving Ingraham, president of the club, announced that luncheon will be served at 12:30 in the main reception room followed by the meeting at 1:30 in the library. Luncheon reservations must be made by Tuesday noon, May 14, by telephoning Mrs. J. Hilliard Hicks at TU 1-4986 or Mrs. Fred Kaess at TU 4-5378. All Republican women and their husbands are invited.

Sgt. Raymond Allor, Jr. Due Home on Furlough

Technical Sergeant Raymond W. Allor, Jr., enroute from Ellsworth Air Force Base, South Dakota for a tour of overseas duty in the Middle East, is due to arrive at his home on May 19 for a 30 day furlough.

Sergeant Allor, a Radio Traffic Analysis Technician, has been a member of the United States Air Force for the past eight years. Early in his career he attended the USAF Radio Operators School at Keesler AFB, Mississippi and the Army Radio Traffic Analysis School at Carlisle Barracks, Pennsylvania.

After the outbreak of the Korean conflict he was sent to the Far East, returning in July 1952, in July 1953, spending the interval at Brooks AFB, Texas. Sergeant Allor volunteered for an overseas tour in England, returning in May 1956. He has since been stationed at Ellsworth AFB, in South Dakota.

His decorations include the Air Force Outstanding Unit Award, the National Defense Service Medal, the Korean Service Medal with three bronze battle stars, and the United Nations Service Medal awarded for service in the Far East. He also has been awarded the Good Conduct Medal with two bronze loops.

He attended St. Paul School and was graduated with the Class of '48.

During his stay in Grosse he and his family will make their temporary home with his parents, Mr. and Mrs. Raymond W. Allor, Sr., of 170 Muir road.

Mrs. Allor, Jr., the former Mary A. Casbeer of San Antonio, Texas, plans to make her home in Grosse Pointe Farms while her husband is overseas. They have four daughters, Rose Mary, age 6, Michelle Dianne, age 4, Catherine Marie, age 2, and Barbara Lenn, age 5 months.

Church Club Prepares for Dance

The Thistle Club of the Grosse Pointe Woods Presbyterian Church is now in the final stage of preparing for its second annual spring dance. The theme for this year's dance is "Davey Jones Locker." The dance will be held at the Grosse Pointe War Memorial on Saturday, May 11, from 9-12 o'clock. Tom Meek's band

will be on hand to play. The price per couple is \$1.50. Shown making a final check list are, L. to R., sitting: DOROTHY McCARR, VIRGINIA CONZLEMAN, and BARBARA BOYLES; standing: VERNE ISTOCK, president, and ERROL FOSS, vice-president.

This Thursday, the Michigan Society, Dames of the Loyal Legion, will celebrate its 50th anniversary at a luncheon at the University Club of Detroit.

Mrs. Morris Frame Kennedy, the newly elected president is in charge of arrangements, and will preside.

The other officers of the Michigan Dames are Senior vice president, Mrs. Carl D. Macpherson; junior vice president, Mrs. Richard Webber Allen; recorder, Mrs. Wm. I. Erringer; treasurer, Mrs. Campbell Symington, Jr.; Registrar,

Mrs. A. Benjamin Kennedy and chaplain, Miss Sophie C. Bachmann.

Historian, Mrs. H. J. Crain; Chancellor, Mrs. Henry H. Kerr; board of management: Mrs. W. H. Hemingway, Mrs. H. G. Wilmers, Mrs. Harlan, Mrs. E. B. Goodnow, Miss Rebecca Jeffries, and past president, Mrs. Thomas E. Currie, Mrs. N. B. Goodnow, Mrs. Julian Dickinson, and Miss Frances Curtiss, the only surviving Charter Member, who is chairman of program committee.

Shores Nursery School To Host Open House

The Grosse Pointe Shores Co-operative Nursery School will hold a spring open house at the school on Lakeshore and Vernier roads this Sunday afternoon from 3 until 6 o'clock.

The Grosse Pointe Shores Village trustees, the husbands and families of the present students and the parents of the candidates for next year's group have been invited.

The school is limited to children from 3 to 5 years old and residents of the Shores. Mothers of the present students will be on hand to report on this year's accomplishments.

Among metropolitan areas, Detroit ranks third in factory payrolls and value of manufactured products. Average wage or salary of all persons covered by Social Security is higher than that of any other major area.

Voters League To Hold Parley

Delegates from 28 local leagues will converge on the Durant Hotel in Flint, Michigan on May 14, 15, and 16, 1957, to attend the convention of the League of Women Voters of Michigan.

Mrs. Frank W. Hausmann, Jr., president of the Grosse Pointe League, will head the group of Pointe women, which will include Mrs. Leonard Sloan, Mrs. John Mylroie, Mrs. John Remillet, Mrs. George Brown, Mrs. Leonard Stewart, Mrs. Edgar Hahn, Mrs. Harcourt Caverly, and Mrs. Verne Sidnam.

Six Latin American women visiting the United States under the sponsorship of the State Department will be the guests the convention on Tuesday, May 14. Community leaders in their respective countries, Mexico, Bolivia, Cuba, Venezuela, Brazil and Guatemala, these women follow such varied professions as: attorney, freelance writer, designer and arts and crafts teacher, leader of civic groups, professor of History and Chief of Women's Police Division.

Also guests of the Convention, but working guests, are six members of the Grosse Pointe League who will appear on the program of the convention in a skit based on the league's study

of Loyalty-Security, entitled, "Are We Sensitive or Non-Sensitive?" Chairman of the group of players is Mrs. Alden Thomas. In the cast will be Mrs. Willard Solenberger, Mrs. Earl Ratzler, Mrs. Joseph Thompson, Mrs. William Elmer and Mrs. James Graves. They will dramatically portray the procedures followed in getting clearance under the Federal Loyalty-Security programs.

Two distinguished league speakers will be featured at the convention: Mrs. Basil Young of Hibbing, Minnesota, president of the League of Women Voters of Minnesota, and Mrs. Walter H. C. Laves, international relations chairman on the national board of the League of Women Voters of the United States.

Spaghetti Luncheon

A spaghetti luncheon and card party is being given by St. Philomena's Altar Society on Tuesday, May 14 at 12:30 o'clock. It will be held in the church hall on Marseilles near Mack.

From The Mail Bag

From Manchester, England, comes a fascinating postcard from the Thomas Demetrys, of Yorkshire road, who are enjoying a spring tour of the Continent.

Mr. D. traveled over first and his wife joined him to spend April in Paris. They will cover Brussels, Frankfurt, Hamburg and London in their tour. Charming note admitted that they missed home but their curiosity was driving them on to foreign fabled scenes.

Also in the mail bag was a note on the Southern doings of the James Mutschalls, of Kenwood court. They are vacationing in Delray Beach and last week daughter, Pam, celebrated her 13th birthday at a gala dinner in an exotic Fort Lauderdale Polynesian spot.

Mr. and Mrs. George Tris, former Pointers who now live in Delray, were hosts for their granddaughter's celebration. Also in the sunshine site are Pam's brothers, Jim and Jon.

City of Grosse Pointe Farms Official Notice Ordinance Adoption Air Conditioning and Refrigeration Ordinance Ordinance No. 126

Notice is hereby given that at a meeting of the City Council of the City of Grosse Pointe Farms held on Monday, May 6, 1957, the following amendment to the Air Conditioning and Refrigeration Ordinance was enacted.

Code No. 11-06 Air Conditioning and Refrigeration Ordinance Ordinance No. 126

AN ORDINANCE TO AMEND SECTION 10 OF THE AIR CONDITIONING AND REFRIGERATION ORDINANCE, BEING ORDINANCE NO. 119 OF THE CITY OF GROSSE POINTE FARMS, BY ADDING PARAGRAPH 10.3.

The City of Grosse Pointe Farms ordains: Sec. 1 "Section 10—Existing Installations" of the Air Conditioning and Refrigeration Ordinance, being Ordinance No. 119 of the City of Grosse Pointe Farms, is hereby amended by the addition of a new paragraph 10.3 to read as follows:

10.3 If on May 1, 1957 there exist installations not conforming to the provisions of this ordinance and operated by tenants under existing leases, the terms of which expire not later than May 1, 1959, such nonconforming installations may be maintained and operated until May 1, 1959, or upon a showing to the Council by any other person operating existing nonconforming equipment that installation of water conservation equipment would work an unusual hardship, such nonconforming installation may be maintained and operated until May 1, 1958, provided in each case that temporary nonconforming permits have been issued as provided in paragraph 10.1 hereof and provided further, that an annual service charge for such nonconforming use be paid in advance, at the time of issuance of such temporary permit, to the City of Grosse Pointe Farms as follows: \$7.50 per ton of capacity provided that the minimum service charge per installation shall be \$50. Such service charge shall be in addition to license fees or deposits under this ordinance and to regular water rates charged for water consumption. The said service charge shall apply with respect to water furnished for nonconforming air conditioning and refrigeration installations during the summer months of June, July, August and September. In the event of the installation of conservation equipment during this four-month period, the service charge shall, upon application of the temporary permit holder, be reduced by prorating such charges on the basis of a four-month period, to the first day of the month closest to the date such conservation equipment is fully installed and activated. Before any temporary nonconforming permit is issued, a security deposit of \$25.00 shall be paid to the City, which is refundable upon final inspection and approval.

Sec. 2. All ordinances or parts of ordinances in conflict herewith are hereby repealed only to the extent necessary to give this ordinance full force and effect.

Sec. 3. This ordinance shall take effect twenty (20) days after its enactment or upon its publication, whichever is later.

This notice is given pursuant to direction of the City Council, and in accordance with said ordinance and the statutes in such case made and provided.

Devil Nine Stays in Race By Splitting Two Games

Grosse Pointe High School's baseball team split a pair of games last week but remained very much in contention for the Border Cities League title along with Fordson and Royal Oak, which shared the title in 1956.

The Devils nipped Monroe 3-1 on Monday, April 29, on the latter's field and then dropped a 7-1 decision to Fordson, Thursday, May 2, on the local diamond.

Pitcher Dick Dumas nearly duplicated Bob Marcereau's no-hit performance in the season opener as he chalked up the Devil's second win in as many BCL starts with a one-hitter. The Trojan's lone hit came in the fifth inning with two out. Barcarella drove a line drive right back at the box which Dumas broke down but was unable to field in time to get the runner at first. Dumas then got the next seven men to face him to win his game.

Forces In Run

The Trojans' lone run came in the second inning without the aid of a hit and was the direct result of Dumas' early wildness when he walked three men to fill the bases with two out and then handed Trezze the fourth walk of the inning to force in the run.

The Devils jumped on starting pitcher Scheneaur in the first inning for all three runs. Mike Herrick, first up, grounded out to first. Gil Cox and Ron Wortman walked. Nick Genova singled Cox home from second with Wortman stopping at third. Price Watts struck out and Chuck Tyrus walked filling the bases.

Walt Harper singled, scoring Wortman and Genova and sending Tyrus to third. Marty Andrews kept the rally alive with the fourth walk of the inning to fill the bases again. Dumas popped to second to end the inning.

Only One Error Made

The Trojans committed one error which did not figure in the scoring and the Devils fielded flawlessly.

Lefty Bob Marcereau, making his first start since hurling his no-hit master piece in the opener against Highland Park, ran into a six hit barrage by the Fordson Tractors and lost his first game in two seasons for the Devils.

Fordson opened the scoring in the second inning when Duke Davis drove a triple deep to left center between Price Watts and Ron Wortman. Skaisgir brought him home with a long fly ball to Wortman in center. Marcereau then struck out the side. Grosse Pointe tied the score

Austin High Nine Blanks Four Teams

By Friday afternoon, May 3, Austin Catholic High School's highly-rated baseball team had met and defeated its first four opponents. The total number of runs scored by and against the Friars in the four contests was exactly 41 and 0, respectively.

In 23 innings, Austin pitching allowed but 6 hits, striking out 42, while the Friar hitters pounded 49 base knocks. These few pertinent statistics show just how Austin has fulfilled thus far, the lofty pre-season predictions of success made by the so-called experts.

Austin, looked upon as the team to beat in the race for the coveted Catholic league championship, racked up four consecutive shut-outs, two in league play, to grab an early Central division lead. After warming up with Dave DeBuschere's 9 to 0 no-hitter against Lakeview, the Friars opened their regular season on Tuesday, April 30, with high respected St. Joseph.

The Blue-jays were fired up and considered the team that would give Austin the most trouble. However, with the towering 6 foot 5 DeBuschere again turning in a masterful pitching performance, the Friars came out victorious, 5 to 0.

There was no score until the fourth inning when Austin pushed across 4 runs on 3 hits, two walks and an error. DeBuschere pitched easily, making the Bluejays hit the ball. He allowed 3 hits while striking out four and walking 2. The Friars backed him up with near perfect fielding and collected 7 hits off loser Roger Kramer.

One day later, Austin swamped St. Catherine's, 13 to 0 in a non-league skirmish. Six foot, 185 pound Dick DeLamiellieu, who regularly plays first base, took the mound for the first time this season and had a field-day.

In the six inning contest, he gave up just one hit and used primarily a good fast ball to personally account for 7 Friar runs, hitting for the cycle, with a single, double, triple, and homerun in four tries.

On Friday, Austin engaged a weak Salesian club. Friar sluggers had a chance to fatten their average and did so with a total of 15 safeties. Second baseman George Schmentowky and left fielder Ray Wojtalk connected for circuit clouts.

Lefty Gary Mettie, back after two weeks of the measles and other ailments, was in command all the way. He allowed two hits and struck out 11. The game was called after five innings because of cold weather and the score was 14 to 0, Austin.

St. Paul Wins Quadrangular

Taking seven firsts and finishing in the money 20 times in 12 events, the St. Paul Lakers easily took St. Bernard, St. Catherine and Annunciation in a quadrangular track meet at Grosse Pointe High Field Sunday, May 5.

The Lakers showed good speed and team balance, especially in the running events, totaling 81 pts., compared with 40 for St. Catherine, while St. Bernard and Annunciation collected 22 and 4 points, respectively. Individual high honors for the day went to St. Paul's Terry Hutton and St. Catherine's Cal Frank, each of whom collected 11 1/2 points.

St. Paul's seasons thus far, consists of one first, 2 seconds and one third in four meets. The Lakers' next outing will be this Saturday, May 11, when they will participate in the Regionals at the U of D stadium.

U of M Retains Bayview Intercollegiate Cup

RACE CHAIRMAN JOSEPH TAPERT, second from left, presents the Bayview Intercollegiate trophy to Bruce Goldsmith who led the University of Michigan Sailing Club to victory in the second annual Bayview Y.C. Michigan Intercollegiate Sailing championship series held at Bayview Y.C. Saturday and Sunday, May 4-5. Goldsmith was the individual high point scorer with 35 points. Shown left to right; series chairman PETER GOEBEL, BYC race chairman JOSEPH TAPERT, BRUCE GOLDSMITH, NANCY WEHNER, OTTO SCHERER, JR. and DEXTER THEDE. Kneeling: JUDY ELDEAN and GEORGE WESTON.

Blue Devil Tennis Team Wins Three League Meets

Grosse Pointe's undefeated tennis team continued to roll toward the Border Cities League title last week with a crucial win over powerful Monroe and a routine win over weak Fordson April 29 and May 2, respectively.

Currently, the Devils are riding on top of the heap with 3 wins in as many starts in BCL competition. Monroe and Royal Oak are tied for second place with 2 wins and one loss. Highland Park holds third with 2-2 and Fordson is fourth with a 1-2 record. Wyandotte trails with 0-3.

Devil coach Bud Kurvink re-

gards the Monroe match as the possible breaking point in the race, but quickly pointed out that if the Devils are to take the title, they must defeat the Trojans in the return match on May 16 on the local courts. He also fears Royal Oak, who suddenly has developed into a tennis power. The Acorns hold the key to the throne room for both Grosse Pointe and Monroe.

In the Monroe match, the Devils suffered what looked like a "death blow" when its number three doubles team of Elliott and Refior dropped their match to Franks and Gray 6-3; 2-6; 5-7.

The Devils held a commanding 5-0 lead in the first set and finally won. This match was figured to be a sure win for the Pointers. The loss put the Devils in a hole from which it didn't seem they would emerge. However, the number one doubles team of Nicholson and Sparks turned in a thrilling performance to defeat Beason and Zion 6-8; 6-2; 8-6 to give the Devils the 4-3 margin needed for victory.

The Trojans and Devils split the single matches. Champion took the number one singles from McPeck 6-4; 6-4 and Linclau beat Lenington in the number three singles 6-1; 6-1.

The Trojans took the two and four singles with Pierce winning over St. Amour 6-4; 7-5 and Asher taking Everts 7-5; 6-4.

Against Fordson the Devils had no trouble as they swept to a 7-0 slam in straight sets, losing only 16 games.

Champion won the number one singles from Lewis 6-2; 6-1. St. Amour beat Bazovich 6-0; 6-0. Linclau tumbled Gajda 6-2; 6-3 and Everts tripped Davis 6-1; 6-0.

In the doubles it was Sparks and Nicholson over Laurence and Wysocki 6-0; 6-1. Granse and Harriett over Oberg and Lange 6-2; 6-1 and Ryan and Davies over Pucilowski and Zaswa 6-1; 6-2.

Already the teams have started practice and managers report plenty of spirit and the old college try by the youngsters. Some managers are making predictions with tongue in cheek while others are letting their pre-season enthusiasm push them far out on the limb.

Come the last week in July all but one manager will see his dreams realized. There can be only one champion.

City League officials and managers are requesting of all fathers who have boys playing in the league, either Major or Minor, to volunteer help in order to make the league operate successfully.

As president Dhooge pointed out, the committees are made up of fathers who are the backbone of any Little League. A special meeting is being called for all fathers on Sunday, May 12, at 1 p.m.

At this meeting there will be special reports and final plans in the selection of teams. Other business will be the selection of score keepers and managers and coaches for the Minors which will be under the direction of John Montgomery and "Con" Cavallo.

Maintenance work must be completed on the diamonds and this chore has been set for Sunday, May 12. Dads are urged to aid in this important work.

Church Bowlers In Stretch Drive

The wind-up in the second half of the Grosse Pointe Presbyterian Bowling League, which has come to a read hot climax, finds Ed. Radium's Radio Rascals carrying a half point lead over Ray Ashfield's Ash-pickers and a one point lead over Marl's Marlborough-men. The winner meets Ernie Korb's Korb-pickers on the following week.

Fritz Bloy's 599 series, with games of 235 and 216, came just short of landing among the top three individual stars. His efforts helped Roy Dettmer's team take three points from Mills Millionaires.

Korb's Korb-pickers and Radium's Rascals scored a clean sweep over Rutter's Rouse-touts and Fisher's Fishermen respectively.

FASHION ADVICE
A costume is not complete without gloves. For all costumes, except formal ones, either leather or woven fabric are suitable. For most women, fabric gloves are more practical since they can be easily laundered and can be worn the year around. They are always in good taste.

GPHS Track Team Averages Only Loss of 1956 Season

Grosse Pointe High School's title bound undefeated track team scored an impressive 57-52 victory over powerful Royal Oak, Tuesday, April 29, on the local cinder path. It was sweet revenge for the Devils as it was the Acorns who denied them the Border Cities League title last year when they won 55-54 on a controversial disqualification in the final 880 relay.

Although the contestants kidded one another about the 1956 meet one could tell this was a grudge rematch for track supremacy in the BCL.

Pre-meet calculations by Devil coach Howard MacAdam had his team winning Tuesdays meet by one point, 55-54. And as the meet progressed it appeared MacAdam's paper work would prove out and the meet would be decided on the final 880 relay as it was last year.

Price High Point Scorer
The Devils opened the meet by slamming the high jump event with Todd Price, who was high point individual performer with 18 points, taking first with a leap of 5 feet 6 inches. Mike Frobotta and Dennis Hykes tied for second with jumps of 5 feet 5 inches.

Royal Oak roared back in the shot put to tie the score at 9-all as it slammed the event on winning tosses by Bob Walsh, Randy Uren and Fred Wasen. Walsh missed the track record but tossed the iron ball 50 feet 7 inches.

The Pointers soared back into the lead when Bob Gilbert took the broad jump with a leap of 18 feet 11 inches and was followed by teammate Todd Price who was a quarter of an inch behind in second place. John Kennedy gave the Acorns third place but the Devils held a 17 to 10 lead.

Meanwhile the pole vault event was progressing slowly but in favor of the Devils as Ken Gutow and Paul Alcott dueled the Acorn lads as the bar rose to 10 feet 5 inches. At this point the event was halted while the running events took place.

Todd Wins Hurdles
Grosse Pointe added to its lead when Todd Price won the 120 yard low hurdles but Royal Oak kept within striking distance when Dennis Carter and Norwood Hamilton placed second and third, respectively.

Grosse Pointe tossed away five points when they messed up the baton passing in the three quarter mile relay which the Acorns won going away with its quartet of Bob Williams, Frank Sturgell, Dick Collins and John Erickson in the slow time of 2:42.7. This brought the Acorns within three points of tying the meet, 22-19.

Ken Gutow was brilliant in the 100 yard dash as he edged the Acorns' Chuck Weithoff for first place. Kit Fisher gave the Devils' another point with his third place finish.

Rem Purdy, obviously suffering from the long Easter vacation layoff, was bested in the mile run as Evans Webb roared to an easy victory over the under-trained Purdy who placed second just ahead of Acorn Mike Terry. This left Royal Oak just four points off the Pointers pace, 31-28.

Boardman Takes Quarter
Bothered by the closeness of

the score Bruce Boardman and Mel Vandenburg placed one-three in the 440 thriller which Boardman won with a brilliant kick in the stretch to beat out Hewitt Hornbeck.

Todd Price scored the final five points of his 18 point meet effort when he captured the 180 yard low hurdles, but the Acorns hung on by placing second and third on the efforts of Dennis Carter and John Kennedy.

Kenny Gutow turned in another sparkling performance in the 200 and beat out Chuck Weithoff and Dick Collins, who placed in that order. This victory gave Gutow 13 points for the meet.

The clincher came in the 880 run which was won by Royal Oak's Tom Harris in 1:11.5. But Pete Fitzpatrick's and Bob Schneider's second and third places boosted the Pointers' total to 51 points which meant the Devils only needed four more points for victory and revenge. The Devils were assured of these points as Gutow and Alcott were still in the pole vault event and couldn't miss getting the necessary points as Royal Oak had only one boy left in the event.

Both Acorns Miss
Both Alcott and Royal Oak's Al Mitchell faltered at 11 feet on all three tries. Gutow missed his first attempt but still had two more tries left which he denied to take and forced a three-way tie giving the Devils 6 points and the Acorns 3. As Gutow explained "We had already won the meet so there was no need for another first place."

In the final 880 relay Grosse Pointe was well on its way to victory when leadoff man Gutow managed a slight lead, Bruce Boardman stretched it to six feet as he laid the baton in Terry Donovan's hand. But Donovan let it slip from his fingers and while he scrambled around in the cinders the Royal Oak lad raced down the straightaway and into the first turn to clinch the final event, which the Pointers did not actually need.

Sale of Peanuts To Help League

Little League will hold its annual peanut sale in both the Woods and Shores on Saturday, May 18, from 1 to 5 p.m.

Boys with their managers and coaches will call from door-to-door. Donations for the peanuts will be used for the purchase of equipment, uniforms and insurance to protect the boys.

The Little League board of governors announced that on the opening day, Sunday, May 26, two diamonds will be available at Ghesquiere Park. Two games played simultaneously will open the season, on diamond No. 1, Charleston vs. Tigers at 2 p.m. and Tigers vs. Athletics at 4 p.m. On diamond No. 2, Columbus vs. Buffalo at 2 p.m. and Braves vs. Cardinals at 4 p.m.

George Heidisch, president of Woods-Shores Little League made an urgent plea that Little League boys stay off equipment boxes and dugouts. The roof of the dugout at Ghesquiere has been seriously damaged and also extensive damage to equipment boxes has resulted.

It's a lot easier to be a critic than it is to draw a big salary for being one.

Hockey Expert

Fred Huber, publicity director of Detroit's Red Wing Hockey Club, will make a personal appearance before Gold Hi-Y Club, at the Grosse Pointe High School, Monday, May 13, at 7:30 p.m.

The program will include film highlights of the 1957 Detroit Red Wing Stanley Cup Playoff games, plus interesting sidelights of hockey. A round-table discussion will be held following the presentation.

M. J. May, of 851 Fairford, Grosse Pointe Woods, is chairman in charge of the arrangements for the special sports program.

Pointers Second In Monroe Relays

Sometimes truth is stranger than fiction and that was the case in the first annual Monroe Relays held last Saturday night, May 4, when Highland Park captured the team title with league-leading, undefeated Grosse Pointe taking second place.

Highland Park, which has already completed its 1957 BCL schedule without a victory, came through on the strong legs of Eugene Lawson and Mike Fitzgerald to annex 2 1/2 points to beat out the Blue Devils by two points for the crown.

It was truly an upset win as Grosse Pointe earlier in the season had swamped the Parkers in dual meet competition 73% to 23%.

Ford's, which had also turned back the Parkers during the regular dual meet season, placed third with 18 points to give the Border Cities League schools the first three places in the 16-team relays in honor of the Trojans' veteran coach Dick Waters.

The weather, 42 degrees, held the expected crowd of 3,000 down to 1,000, but those on hand saw two outstanding individual performances they will not soon forget.

Highland Park's Eugene Lawson and Grosse Pointe's star, Todd Price, battled for individual point honors throughout the five-hour and fifteen minute meet. Lawson finally won out with 9 1/2 points, while Price settled for second place with 7 1/2 points.

Lawson annexed his points with a second in the 120-yard high hurdles, a tie for first in the high jump and as a member of the winning 120-yard shuttle relay team.

Price earned his points with a victory in the broad jump, a fifth in the 120-yard high hurdles and a tie with four other boys for third place in the high jump event.

Grosse Pointe's remaining points came on the efforts of its 880 relay team of Ken Gutworn, Dan Brown, Bruce Boardman and Dave Mawhinney, which took second place.

This same quartet placed second in the mile relay. Bob Gilbert placed third in the broad jump and Pete Fitzpatrick, Dennis Hykes, Dick Adams and Rem Purdy placed fourth in the two and a half mile distance relay. In this event, Rem Purdy, who anchored and ran the mile leg, was clocked at 4:48.0 and it was this sparkling effort that gave the Devils their place in the event and the meet. Purdy was fully 130 yards behind when he took the baton from Adams. He proceeded to churn his way through his opponents to win the flight by 50 yards.

Two hundred and fifty eight prep thincads participated in this, the first nocturnal relays held in that section of the state. Monroe officials indicated their pleasure over the success of the relays by promising to stage them annually.

235 Park Boys Take Try-Outs

The Grosse Pointe Park Little League Baseball has completed the annual try-outs for registrants with great success. On the past three Saturdays, 235 boys were given the opportunity to display their talents as baseball players for the many managers who were on hand.

The managers were aided this year in their appraisal of the boys by the distinctive numbers each candidate wore on his back.

Elmer Van Tiem has announced all preparations have been completed for the selection of players to fill vacancies in the Major League teams, and Ed Scallen, secretary of the league, plans to notify each boy registered advising him of which team he has been assigned to play on. The notification will be made by mail within a few days following the players auction.

The league this year will field eight Major League teams, and based on the number of boys registered, tentative plans are being made to have 10 Collegiate League teams.

Plans are proceeding nicely toward conditioning the playing fields, and with the addition of new fencing and an underground sprinkling system the diamonds should be ready for the official opening which has been set for Saturday, May 26.

It's odd, but true that the same stuff that makes a man tight frequently loosens his tongue.

A strong northeastern wind is blowing in from Lake St. Clair across Windmill Pointe and on the wings of the wind comes the smell of sulphur, a fiendish laugh, and through the mists the image of a hairy horned figure trying to repair the old mill to grind the devil's grist.

So says the legend of one of the Pointe's most historic landmarks. The only full scale Indian fight of Pointe history took place on the land jutting out into the lake at the bottom of Lakepointe avenue.

In 1712 The Sacs and the Fox tribes, beaten at the siege of Fort Pontchartrain, retreated to the Pointe where the French and the friendly Hurons beat them badly. Joseph Guyon du Buisson, commander of the Fort, reported 1,000 Indians killed. The women and children were taken back to the Fort and their Indian captors allowed to kill them at the rate of 4 or 5 a day.

Later in the 18th century a French settler named Jean and his sister, Josette, built the mill to grind grain for the pioneers, many of whom paddled their canoes from Canada. Josette fell ill and, in her delirium, when her brother asked her to whom she deeded her share of the grist mill, she said "to the devil." She recovered, but a few months later died mysteriously and on the night of her death, on the heels of a terrible storm, the devil came to claim his share, says the legend.

William G. Moran owned the land in 1865 and the stones from the old mill were used for the foundation of his home. Another Moran, Charles, went on to found the first Windmill Pointe Realty Co. in 1880. The foundation of the mill stood in a grove of cherry trees and two majestic pears. It was Mr. Moran who uncovered the story of the skeleton of the English soldier on Windmill Pointe, buried with his musket and equipment. Indian tomahawks and skinning knives were discovered along with bones in 1916 when the lands on either side of the promontory were filled in by a development company. The mill foundation was finally removed.

But there is a sequel to the thrilling history of the land once known as Presque Ile. In the gardens of the War Memorial stands one of the old grist mills from the famous site.

From G. H. Lauhoff comes the story. In 1885 a very old man drove up in front of his family's mill machinery shop in Detroit. On his wagon were two green mill stones. He claimed his father used to run the mill on Windmill Pointe and this loyal American of French ancestry so hated the British that during the War of 1812 rather than grind the British grain he dismantled the mill and pushed the stones into the water, where the son had retrieved them. He sold them to the Lauhoff family for ten dollars apiece and the Lauhoffs gave the one which remained to them to the War Memorial in 1952.

who, where and whatnot

by whoozit

Some bang-up carnivals have been arranged in the past for worthy Pointe causes but this June will see the grandest of them all, presided over by the champion organizer, Mrs. Alfred R. Glancy, Jr.

No amateur stuff for the jamboree at Grosse Pointe University School on June 7 and 8, says Mrs. G. On the Midway will be real circus people, and there will be at least seven rides for the kiddies. Innovations this year are the Parakeet Pitch and the Crazy House.

Mr. and Mrs. Jerome C. DuCharme are manning the refreshment stand and all hot dogs, hamburgers and such will be grilled before your very eyes on the fanciest of charcoal braziers.

The committee has invested in some very lavish red canvas street banners, which will be waving overhead the week before the Carnival and Mrs. Glancy's basement is filling up with white elephants... mostly choice antiques which are not standard fare at most carnivals.

The Charles M. Reiks Jr. are searching for the names of a Pointe family they met on their recent trip to the Jamestown Festival. While stopping in a Williamsburg motel they had a charming chat with a couple, who just before they left informed the startled Reiks they lived here in Audubon road. Now who are they?

Flossy and bizarre coiffures may come and go but the most soignée and stunning Pointe women glimpsed have been wearing their hair in their own inimitable fashion for eons. There is Mrs. Alfred L. Marks, whose glossy blond page boy is a delight... Mrs. Elliott H. Phillips whose Madonna features are flattered by her severe brunette chignon... Mrs. Henry H. Ewald, Jr. whose dark bob is accented with a vivid blond streak... Mrs. Forbes Howard, who confesses she goes to the beauty salon to have her crop of riotous blond curls, always worn clipped very short, a la Bergmann in "For Whom the Bells Toll," straightened.

Mrs. James I. McClintock's formula for the perfect dry martini: Put in gin and ice, stir well, and face France.

Shopping on the hill... Joan Henry in the smartest bold green and black plaid raincoat... Mrs. Phelps Newberry pondering over the vegetables while from her wrist, on a delicate gold chain, hung the loveliest of embroidered beige needlepoint bags. Needlepoint is again the rage as milady's fancy work and for novices who aren't up to working chair covers a good beginner's piece is a glasses case cover.

PILFERINGS

"Pay attention to this problem, Ikey," said the teacher. "If you had ten pennies and lost three, how many would you have left?"

"But, teacher," said little Ikey, "why should I lose three pennies?"

In Edinburgh they tell the story of the two burglars who smashed a jeweler's window and were arrested when they came back for the bricks.

"Really?" whispered the gushing girl to the ardent actor. "Really, if I refuse to marry you, will you really commit suicide?"

"That," said the actor with great dignity, "has been my customary procedure."

BERT H. WICKING, OF TROMBLEY ROAD

It's a man-sized job spear-heading the Grosse Pointe War Memorial's drive for \$35,000, and Mr. Wicking is a happy choice to head the fund raising effort, for his record is an amazing one.

Not only is he chairman of the War Memorial Drive but he is treasurer of the Board of Education and was four times its president in the past.

The yearly drive for support of the civic center began April 12 and will be climaxed during Memorial Week at the former Alger House. From May 26 to June 2 the War Memorial will be ablaze with activity culminating in an outdoor concert by the Grosse Pointe Symphony on the afternoon of Sunday, June 2. At this time Mr. Wicking hopes to announce the end of the campaign.

Today is the 25th of the drive and well over two-thirds of the total has been collected. Mr. Wicking is elated that the coverage is more widespread this year, proving that more and more citizens are realizing the value of their unique center.

"Mr. Lake does an outstanding job," says Mr. Wicking of the War Memorial's director. "Support of the Center this year has been wonderful."

Assisting the president of the board in the drive are James Lee II, Alger Sheldon and C. Henry Haberkorn. Mr. Haberkorn is also chairman of Memorial Week which will include the climax of the Pointe Artists' Exhibition, a Hot Rod Show, the GP Community Theater's repeat performance of "Ten Little Indians" and garden ceremonies on the morning of May 30.

What impels Mr. Wicking to his tremendous community work? Love of the Pointe and the realization of the unusual opportunities we have here. Now that he has retired from his job as vice-president of an important trust company he feels the greatest contribution the Center makes is the setting it provides for the Pointe's young people.

He understands the younger generation; their scholastic as well as their social problems. His two daughters, now Mrs. Webster Bonham Knight III and Mrs. William Pittman Blackmon, studied and were graduated from the Pointe school system. His son, Bert Harrison Wicking, Jr., is now studying law here after graduating from the University of Michigan.

In spite of his demanding community work, Mr. Wicking finds time for all types of hobbies. Trout fishing on the Au Sable fills many of those leisure hours and he skis in the winter, hunts partridge in the fall at Gaylord and deer around Alpena.

For seasons the Wickings summered on the Au Sable but recently they sold their summer home, for now that their children are grown they find the July and August days particularly enjoyable here at home.

Since his retirement he has been able to do that much dreamed about reading, so often postponed. From his early beginnings he was a member of the Friends of the Library and the construction of the Central Branch was one of the projects to which he devoted his considerable skills.

The annual children's program will highlight the PTA meeting tonight. This year it is following a United Nations theme and some 300 children, in song, story and dance will attempt to bring the idea of the United Nations to the front.

Officers for the 1957-58 term, elected at the March 18 meeting, are: president, Gerald L. Stoetzer, 1949 Littlestone; mother vice president, Mrs. Fred Tew, 20074 Holiday; father vice president, Edwin D. Rose, 19786 E. Ida Lane; teacher vice president, Jack Darvill, 22918 Gary Lane, St. Clair Shores; secretary, Mrs. John Bradley, 1862 Severn; treasurer, Harry Lyle, 1821 Kenmore; directors: Mrs. Kienle, 1890 Oxford road, and Charles Scott, 19243 Raymond.

Mrs. Irving Bopp, 1520 Torrey and William H. Lehman, 1854 Huntington, having been elected last year for a 2-year term, will remain in office as directors for the ensuing year.

The Annual Spring Concert of the combined glee clubs of the Mt. Carmel Mercy Hospital Unit and the St. Joseph Mercy Hospital Unit of the Mercy School of Nursing of Detroit will be held on Saturday, May 11, at 8 o'clock, and Sunday, May 12, at 3 o'clock.

The concert, under the direction of August Maeklebergh, Mus. M., F.A.G.O., will be held in the auditorium of the St. Joseph Unit's Nurses' Home, 2217 East Grand Boulevard.

The featured guest artist at the concert will be Otto Koch, the noted bass virtuoso. Accompanying Mr. Koch will be Isabel Miller, Mary Schwartz, of Essex boulevard, is a member of the Glee Club.

Wayne Women Sing Music that is "off the beaten track" will characterize the Wayne State University Women's Club spring concert at 8:30 p.m. Friday, May 17 in the Art Institute Auditorium. Malcolm Johns is the conductor of the group. Miss Wilma Fisher of Brys drive, Grosse Pointe Woods, is student conductor and president of the glee club.

Favorite Recipes of People in The Know

SLOPPY JOES

By Mrs. H. G. Brilmayer
2 lbs. hamburger
1 chopped onion
2 T shortening
1 bottle ketchup
2 Tb dry mustard
2 Tb vinegar
1 Tb sugar
2 Tb pickling spice (re-moye red peppers) salt and pepper to taste

(Editorial note: This recipe comes from the Grosse Pointe Memorial Church cookbook, "Recipes to Remember," but there was an error in the original listing so we are reprinting it correctly).

Mix hamburger and chopped onion, salt and pepper. Brown in shortening. Add remaining ingredients with the pickling spices in a cheesecloth bag and simmer for three hours. Serve on halves of plain or toasted hamburger buns. Serves 6.

Monteith PTA Holding Sale

The Monteith PTA is holding a bake sale today, Thursday, May 9, at Monteith School starting at 1 p.m. The sale will continue throughout the afternoon and evening until the PTA meeting begins at 8 o'clock.

Mrs. Richard Fernstrum, co-chairman of the Ways and Means committee, is in charge of this event and she states that the Monteith mothers have promised a wide variety of home baked goods. Proceeds from the sale will go toward payment of the new milk cooler which the PTA purchased for the school and had installed last week.

The annual children's program will highlight the PTA meeting tonight. This year it is following a United Nations theme and some 300 children, in song, story and dance will attempt to bring the idea of the United Nations to the front.

Pointe Counter Points

By Pat Rousseau

Orchids to Mother on her day... or any other flower she prefers... cut roses, pink or scarlet geranium, these with variegated foliage... beautiful azalea... to decorate her home now... her garden later... at Charvat the Florist... 18590 Mack.

Short Story... by Margaret Rice. The plot? Two zip-pers... aside AND front, assure a perfect fit for all figure types. Bermudas... in madras, arnel, imported English cotton, striped pique, Irish linen and wonderful checks. Jamaican and short lengths... in Irish linen, polished cotton, striped denim and a silk blend, that's jolly lined... finis to the story... Margaret Rice on the Hill has them all.

Mother will adore... a bit of whimsy from the Village Store. Gay colored scarfs... fun jewelry... distinctive belts and bags. Don't forget the gloves that complete her outfit... She never does.

The gift of beauty is a precious thing. Mother will love the wonderful gift you select at Trail Pharmacy. Her favorite cosmetics... for instance... or her special perfume... accompanied by stunning atomizers to adorn her dressing table.

Mother, young or young in heart... loves to look her loveliest. A sure delight comes Mother's Day, would be a gift certificate from her favorite salon, Marie Bird's... atop the hill. Priced for every budget, from five to twenty-five dollars. Even the small fry could dip into their piggy banks for this v-e-r-y special gift... P.S.—If Mother is a shut-in what nicer gift than to bring a member of Marie Bird's staff into her home to refresh her with new beauty?

The lady hath charms... so add to her collection... perhaps an antique one... or a lovely suspended jewel... maybe a sentimental charm. Find the RIGHT one at the League Shop. Note also... the jeweled and gold wallets for a dress-up evening... smart tailored ones for day wear. For the fragrant and fastidious closet... there are padded regular and stole hangers, each with aromatic sachet.

White... light... right for any warm day. Every woman knows the merits of imported voile and will be delighted to find a selection of the lightest of white shirts at Higgins and Frank... elbow and full length sleeves... French and barrel cuffs. One more reason why Higgins and Frank is the Man's store where women shop for men.

Of course give Mother a six-shooter! But be sure it's the NEW Kodak Rotary Flash holder at the Camera Center... lets her fire six flashbulbs with one loading... fits most any camera... ideal for taking a fast series of pictures of her family... about ten dollars.

Truly a Mother's Day delight... to reflect all her lovely perfumes... give her a beautiful mirror tray mounted in gold plated and white washed frames. D. J. Healy has dresser sets to match... also perfume taloons... clocks... jewel boxes... powder cases... all scattered with roses and touched with glamour.

At the wonderland of the League Shop, you'll be charmed by the beautiful, antique teacups... abloom with delicate bouquets... saucers overflowing with old fashioned nosegays... and roses you have to touch... to know for sure they weren't just picked from the garden. Since they are all permanent arrangements; they have unlimited days.

The English touch has come to The Wanamaker's Studio... in the person of Captain Bob Blick. He brings with him a vast experience in decorating fine homes in England. So if gracious living in the English tradition is your preference, be sure to discuss your decorating plans with him... at Wanamaker's Studio... on Mack Avenue.

Club Prepares For Big Rodeo

The Big Rodeo, Friday night, May 10 at 7:30 o'clock will be held in the Neighborhood Club gym. Wear your Western tops and come prepared for the dancing contests between the four ranches - Circle Star - Boots and Saddle - Bar X and Diamond Horseshoe.

Winning teams in each contest will receive points for their ranch and at the end of the evening the ranch with the highest score will receive prizes! Then there will be a big stage show featuring tap dancing, songs, "Elvis Presley," "Jerry Lewis," cowboy and girl tumblers and then square and social dancing for all. Everyone is invited - No Admission Charge!

Millin School PTA To Hold Benefit Bridge

The PTA of Millin School is planning a benefit bridge party for Tuesday, May 14, at 8 o'clock at the St. Clair Shores Civic Center.

Tickets will be \$1.00 and are available from any parent or at the door. The funds raised will go to augment the building fund.

Mrs. Robert Ambrose heads the committee in charge with Mrs. Arthur Ames, Mrs. Donald Beganess, Mrs. Clarence Connors, Mrs. Eugene Coe, Mrs. Louis Pranger and Mrs. Allan Rutter, Jr., assisting her.

There would be a shortage of worms if every bird was early.
