

'CAT BURGLAR' UP TO OLD TRICKS

HEADLINES of the WEEK As Compiled by the Grosse Pointe News

Thursday, August 22
IN LONDON, the Western nations decided against interfering in the Syrian crisis. The Middle East situation became more acute when Army leftists elements took over the reins of government and began to purge Army officials inclined to lean toward Western policy. In Washington, President Eisenhower said the United States will not intervene in the Middle East.

Friday, August 23
THE STATE DEPARTMENT announced it is lifting the ban on newsmen who want to travel in Red China, provided the Red Chinese Government permits their entry. It was disclosed that 24 full-time American correspondents will be allowed to go for six months or longer on an "experimental basis." If the reporters are permitted to enter Red China, it would lift an eight-year ban on such travel to that country, which the State Department imposed against American newsmen.

Saturday, August 24
THE STATE DEPARTMENT has sent Loy Henderson, veteran diplomat to the Middle East to try to figure out how the Western allies can cope with the Communist threat in Syria. Various world capitals are speculating on the possibility of Syria's neighbors banding together to impose a political quarantine on Syria.

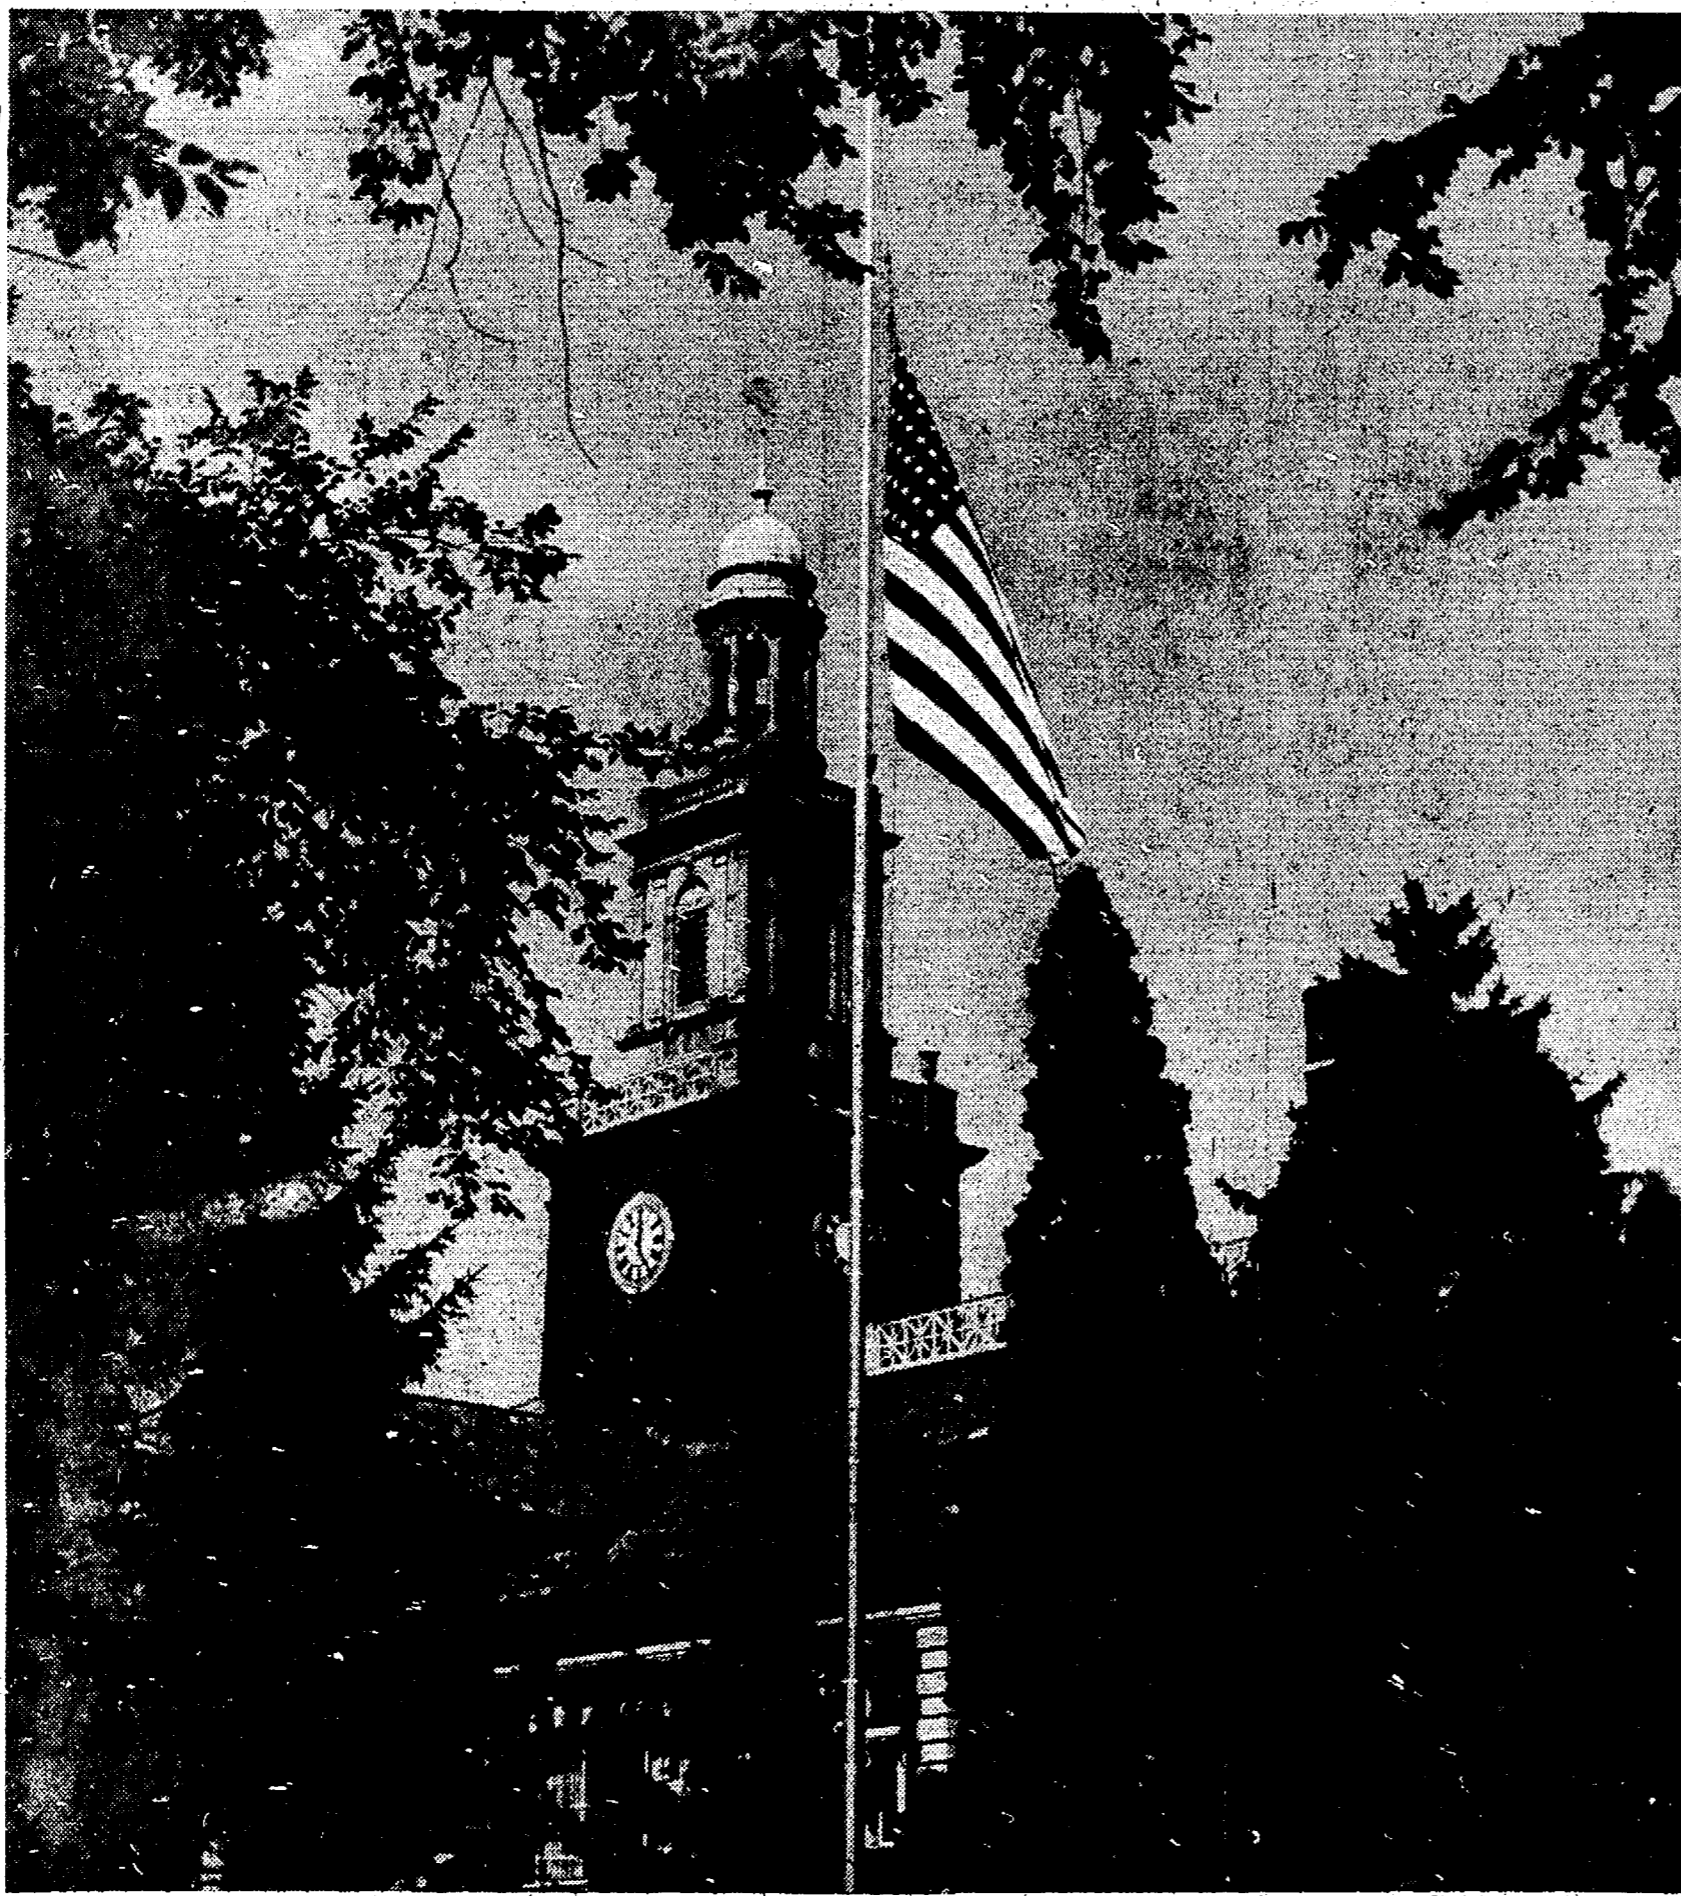

Sunday, August 25
THE UNITED STATES wants the Arab countries to take the lead in dealing with the situation in Syria. Secretary of State John Foster Dulles and his advisers are trying to develop some form of diplomatic strategy, but so far have not come up with anything. Loy Henderson, veteran diplomat, is flying to the Middle East, and has instructions to contact friendly Arab leaders and inform them they will have American backing, but will be on their own in their dealings with Syria.

Monday, August 26
WILLIAM S. GIRARD, Army specialist, was turned over to the Japanese civil authorities, to start his trial on charges of manslaughter. The American GI is accused of luring a Japanese woman onto an American firing range and shooting her to death last January 30. Girard said "it was an accident and I'm sorry it happened." The Japanese will turn Girard over to American custody at the end of each daily session. The GI is appearing before Judge Yuji Kawachi of the Maebashi District Court and is being defended by one of Japan's top trial lawyers, Itsuro Hayashi.

Tuesday, August 27
THE SOVIET UNION, according to the official Tass news agency, has the ultimate weapon, an intercontinental ballistic missile capable of carrying a nuclear warhead "into any part of the world." Such a weapon underwent successful tests, the agency said. The announcement of such a missile was broadcast to the world. Such a weapon as Russia claims, is referred to in the United States as "the ultimate weapon." In Washington, the State Department had no immediate comment. Tass said the test results on the Russian missile "showed it is possible to direct rockets to any part of the world." The U. S. is working on the Air Force Atlas intercontinental missile, now being tested at Patrick Air Force Base in Florida.

Wednesday, August 28
CHARGES WERE FILED against James R. Hoffa by the AFL-CIO Ethical Practices Committee, but the committee did not specify their nature. The announcement, released by AFL-CIO, said the committee served upon the Teamsters Union a "report which includes charges concerning the activities" of Hoffa. It said the charges were based primarily on the evidence and testimony before the McClellan Committee which is investigating rackets in the labor unions.

The beloved and brilliant principal of Grosse Pointe High School was paid final homage on Monday when funeral services were held in Grosse Pointe Memorial Church.

Park Police Investigating Series of Car Robberies

Park police are investigating six larcenies and attempted larcenies of automobiles that occurred during the early hours of Wednesday morning, August 21. Residents who found their cars ransacked notified police within minutes of each other. Most of the crimes were committed along Whittier, Park Police Chief Arthur Louwers said.

Mrs. H. M. Chrysler of 1245 Whittier, the first to call, told authorities that her garage had been broken into and both cars in it had been ransacked. She said that a pair of lady's gloves, valued at \$67, had been taken and the contents of the glove compartments were scattered on the garage floor.

Joseph Kristufek of 1268 Whittier, discovered that his garage had also been broken into. Taken from the car's glove

City Employees' Requests For Additional Benefits To Be Submitted to Vote

Electorate Will Be Asked to Pass on Proposals at Next Regular Election Scheduled for November 5

An amendment to Chapter A of the Grosse Pointe City Charter will be submitted to the electorate for approval at the next regular City election to be held November 5.

The amendment, if adopted, will provide for increased benefits to be included in the Employees Retirement System for the City.

The three-paragraph amendment to the City Charter was written at a meeting of the Board of Trustees of the City's Retirement System, held on August 9. Trustees Alonzo C. Allen, Chester F. Carpenter, Adelbert Gieche, Arthur Brisson, and consulting actuary, A. G. Gabriel, were presented with a letter from the members of the City's police and fire departments, requesting the following provisions in the retirement system:

1. Change service time for members of police and fire departments to 30 years of service or 55 years of age, whichever occurs first.

2. Provide for a percentage raise in membership and prior service from 1.5 to 1.7 percent for policemen and firemen and corresponding increases for the general employe members.

3. Amend the death benefit so that the widow or beneficiary shall receive a pension in case any member should expire with a minimum of ten years service.

Chairman Allen asked the actuarial to explain in detail what this amendment would cost the City and if the proposed system would be in line with the pensions in other cities. Following a lengthy discussion, the trustees decided on the three-paragraph amendment which will be submitted to the voters on November 5:

1. That policemen and firemen members be permitted to retire prior to or age 55 upon completing 30 or more years of credited service; that general City members be permitted to retire prior to age 60 upon completing 30 or more years of credited service; provided, that, in either case the said member's retirement allowance shall be reduced to the actuarial equivalent of his retirement allowance

Man Facing Charges Of Robbing Bar

Leonard Beck Identified as Bandit by Waitress in Charlevoix Ave. Cafe

A man arrested by Detroit police on Saturday, August 24, while asleep in his car at Chalmers and Kilbourne, has been identified in a police lineup as the bandit who robbed the Baby Grand Bar, 15222 Charlevoix, on August 14.

A waitress, Mrs. Millie Shockley of St. Clair Shores, pointed out Leonard Beck, 25, of 14234 Kilbourne, Detroit, as the bandit who held up the bar and took \$300 at gun point.

When arrested, Beck had a gun on his person. Police have no information on the gunman's companion, who is believed to have been the driver of the getaway car.

Park Police Chief Arthur Louwers said his department will ask for a warrant against Beck.

The bandit entered the bar (Continued on Page 2)

Walter Cleminson's Death is Shock to Entire Community

High School Principal Had Made Great Impact on Pointe During His 17 Outstanding Years Of Devoted Service

The untimely passing of Walter R. Cleminson, Principal of Grosse Pointe High School for the past seventeen years, has saddened the entire community. The prominent educator died of a heart attack last Thursday morning, August 22, while driving his wife and a daughter near Mt. Clemens on a weekend visit to Toronto. He was 54 years old.

The local school official came to Grosse Pointe High School as Principal in September, 1940, to succeed John R. Barnes. During the seventeen years of his tenure, Cleminson directed the High School through a period of tremendous growth.

The manifold school problems resulting from World War II were solved locally on the High School level under his leadership. The matter of providing qualified personnel to man Grosse Pointe High School during the lengthy emergency was his to share with other school officials.

Post-War Problems Mounting enrollments and continuing building expansion characterized the post-war years. Cleminson helped develop plans for the Industrial Arts Building and the Auditorium-Gymnasium. He also shared the responsibility for renovating the Old Country Day School and for scheduling its facilities for high school classes.

During his tenure the use of department heads was introduced and during his early years here the guidance counselor system was developed. He exercised considerable leadership in the development of courses in creative writing, special honors sections in history, and other challenging classroom experiences for the gifted.

One of his greatest contributions to the local schools was the expansion of the follow up of Grosse Pointe High School graduates into college or on-the-job. Factual reports on the success of these graduates in their first year beyond high school have been released periodically through this newspaper.

Under Cleminson's leadership the High School and the community drew close together despite the increasing size of both. School doors were opened even wider and parents and other interested citizens made welcome. Disliking red tape and unnecessary activity, he simplified staff procedures and reduced demands on their out-of-school time and energy.

Active in Organizations While he continued to exert leadership on the local level, Cleminson was in demand on the state and national levels, too. He was very active in professional and service organizations, serving as member, panelist, chairman, and resource person in a number of outstanding conferences.

Cleminson came to Grosse (Continued on Page 2)

Stiff Law Passed by City Governing Swimming Pools

At its last regularly scheduled meeting, the Council of Grosse Pointe City adopted Ordinance 98 to provide for the protection of the public by the regulation of the construction, maintenance and use of private swimming pools and providing penalties for violations of the ordinance.

The term swimming pool means any structure either above or below the grade level which is useable for swimming and has a depth at any point of one and one-half feet.

The ordinance makes it unlawful for any person to construct or maintain an outdoor pool without first making application to the City Council and obtaining a permit.

All pools must be located within a fenced or walled enclosure of not less than four feet in height which is to be locked at all times when unattended or unless other protection is provided, as may be

Nabbed at Burglary in Birmingham

Ernest Morris, Inexplicably Released on Parole, Goes Right Back to Old Trade

Ernest Morris, 42, of 1785 Seward avenue, Detroit, the "Cat Burglar" who terrorized the Pointe several years ago, and whose "good behavior" rated a parole from prison in November, 1955, is back in police custody.

"The Cat" aided in his own capture when he knocked himself out in the home of H. R. Steding III, 930 Larchlea, Birmingham, while attempting to escape after being surprised in a bedroom of the house.

In his haste to get away, Morris ran toward a stairway and jumped for the landing. His head struck a beam and he was knocked unconscious, and was in that state when Birmingham police arrived at the Steding home to take him in custody.

Dislocated Fingers Birmingham Police Chief Ralph W. Moxley said Morris also suffered dislocation of four fingers of his right hand in his fall down the stairs. He said that the "Cat Burglar" suffered a brain concussion and was in the William Beaumont Hospital for two days, and was in a delirious state the first day of his admittance.

The chief said that when Morris was able to talk, he admitted burglarizing a nearby home and taking \$81, before going to the Steding home.

According to the chief, Morris entered the Steding home at about 5 a.m. through an unlocked door. He went to Steding's bedroom where he removed a blotter from a dressing table, went into another room to check what he had taken, and returned to the bedroom.

Steding hearing a noise in his room, awoke and sat up in bed, but seeing nothing, laid down again. Hearing another noise, he peered into the darkness and observed two white eyes looking at him, and grabbed a lamp to hurl at the intruder who was on his hands and knees.

Before Steding could throw the lamp, Morris begged for mercy, stating he was "just a poor colored boy" who meant no harm.

Mrs. Steding, however, was not easily swayed. She grabbed a picture frame and threw it at the burglar, and it was then the "Cat" tried to escape and knocked himself out in the process.

Chief Moxley said Morris was wearing a blue suit with his coat collar pinned up to hide a white shirt, and that on his person he had a silk mask, which was still in his pocket; a pencil flashlight and a screw driver.

Morris was first arrested in the Pointe October 14, 1944, on a burglary charge. At the time he was known as the "Silk Glove" burglar. This arrest took place in the Shores.

Captured in Farms In December 1951, while still on parole on a 5-16 year sentence for burglary in Detroit, Morris, now the "Cat Burglar" was shot and captured by Farms police while trying to evade arrest after committing a burglary.

Sent back to Jackson Prison, it was believed Morris would (Continued on Page 2)

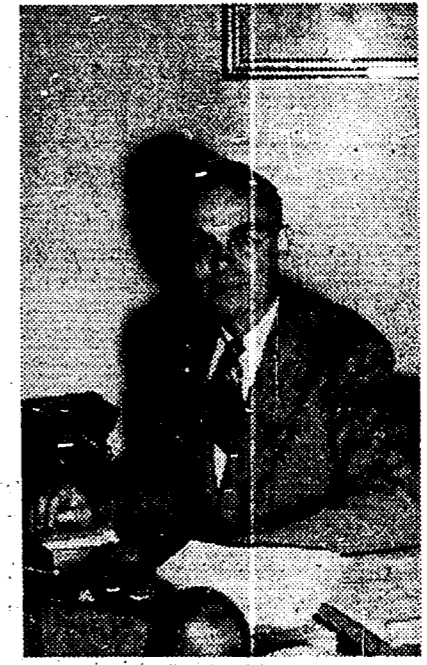

Saltzer Named Acting Principal

Dr. James W. Bushong, Superintendent of the Grosse Pointe Public School System, today announced the appointment of Charles Saltzer to the temporary post of acting principal at Grosse Pointe High School.

The assignment becomes effective immediately and will be continued until the Board of Education appoints a new principal to succeed the late Walter R. Cleminson.

The Superintendent announced at the same time that he has requested Dr. Otis M. Dickey, Assistant Superintendent of Schools, to be his personal representative to assist Mr. Saltzer in the temporary assignment. Dr. Dickey will continue to perform his regular duties while serving in this advisory capacity.

Thief Surprised In Park Home

A Park resident returned home too soon Wednesday evening, August 21, for a burglar who was surprised while in the act of going through the house.

Joseph Moors of 834 Lakepointe, a bar owner, returned home about 9:40 p.m. As he entered his home, he heard noises on the second floor.

Moors turned on the lights and ran to a neighbor's house and called the police from there. In the meantime, whoever was in Moors' house, fled without a trace.

Police arrived at the scene and made a search of Moors' home, and found that the would-be thief went through only one drawer in a bedroom, and that Moors' timely arrival scared him away before anything was taken.

Cleaning Woman Imprisons Self

A cleaning woman employed at the doctors' clinic at 660 Caudeux, spent the night of August 23, locked in the building. It was 7 a.m. Saturday, before police finally came to her rescue.

She accidentally locked herself in a hallway when she let a door to an inner office slam closed and locked. The woman said she flicked the lights on and off most of the night, but neighbors and passing motorists paid no attention.

 Pointe from Port Huron, where he had been Principal of the High School from 1935 to 1940. Prior to that he had been a high school teacher and Principal at East Lansing from 1929 to 1935. Earlier in his career he had also served in a similar capacity at St. Johns and at Baraga, Michigan.

He was a native of Marquette, Michigan. He took his B.S. Degree in 1927 from the University of Michigan and his M.A. Degree two years later from the same school. He also took additional work at Northern Michigan College and Wayne State University.

He is survived by his wife, Pauline, and two daughters, Nancy, age 16, who lives at home, and Sue, age 22.

Also surviving are his mother, Mrs. Robert M. Cleminson, who lives in Marquette, and his sister, Mrs. Herman Wadley who lives in Munroe, Louisiana.

Funeral services were held on Monday, August 26, in the Grosse Pointe Memorial Church, where the deceased was a member. The Rev. Dr. Frank Fitt, pastor, was in charge.

Pallbearers include Dr. James W. Bushong, Superintendent of Schools, Vincent Peterson, Principal of Parcels, Charles Leavitt, Principal of Pierce, Charles Salzer, High School Guidance Counselor, Don Campbell High School Assistant Principal, and Franklin D. Dougherty, who represented the Board of Education.

Final services were held at the White Chapel Memorial Cemetery in Birmingham.

They came from Baraga and St. Johns, East Lansing and Port Huron, these earlier colleagues and old friends, former students and townspeople. They came to pay their last respects to a man who had done an immeasurable service for themselves and their communities. They came to give final homage to Walter R. Cleminson, late Principal of Grosse Pointe High School.

And there were others, of course. There were college professors and classmates, school superintendents, board members, principals, and teachers, and a host of young people. Then there were homefolk too and colleagues and his family.

Memorial Church was crowded last Monday morning. Hundreds who respected and loved the man were there in fitting tribute to his memory.

Associates Pay Tribute To Walter R. Cleminson

"I don't know where I would look in the United States to find his equal," Superintendent James W. Bushong had declared on several occasions. He was referring to Walter R. Cleminson, Grosse Pointe High School Principal for the past 17 years, who died suddenly last Thursday morning, August 22.

Such high praise was hardly foreign to the nationally recognized local principal, yet it seems most appropriate to remember it in his passing.

Members of the Board of Education frequently commended him for outstanding leadership. Board President Bert H. Wickling said on behalf of the Board, "This is one of the greatest losses the local schools have ever sustained. Mr. Cleminson gave so much more to his position than most are willing or able to do. He was always seeking out ways to improve the school program, studying, discussing, conferring with other principals and superintendents. He was full of ideas. Mr. Cleminson was truly a professional educator and we on the Board are proud of his accomplishments."

"Words may seem futile in a time of personal tragedy, yet what was said by those who knew the man will mean so much to those he left behind." These words from a colleague. His reference: Hundreds of personal notes and telegrams from sorrowing friends.

"Honest, warmhearted condolences from those who had been close to him... flowers... a memorial fund to keep his memory green in this community by providing scholarship in his name..."

 serve an imposed 2-5 years plus the remaining 10 years of the old sentence. It was thought that he was out of circulation at least until 1955.

On November 14, 1955, Pointe police and residents were informed Morris was out again, because of his "good behavior" behind prison bars.

The NEWS sought by every means possible to determine by what quirk the "Cat" became a free man again. When no form of reasoning could be figured out, a letter was sent to the Michigan Parole Board.

A letter from Fred C. Sanborn, a member of the board, gave this "explanation." The parole board and the Jackson Prison social workers said, in part, "He (Morris) seemed to have gained an insight into his past 'anti-social behavior.' He seemed an ambitious congenial type of an individual... and it looked as though the man is a good prospect for parole."

This "good prospect for parole" was a three time loser at the time of his latest arrest. If he were to serve time for his three previous crimes, he would be in prison for a total of 25 years, yet of this total, he served only eight and a half years.

City Tests New Fire Truck at Pier

Grosse Pointe City heralded the arrival of a "new baby" this week. The "baby" was a big one weighing several tons and arrived at the city during the Council meeting Monday, August 19. Mayor Parker and Council members Allen, Bergmann, Burgess and Kenower were given a "sneak preview" by Fire Captain Harold Rivard of this new arrival. The new "baby"—as all residents know by now—is a brand new fire truck.

On Tuesday, August 20, Public Safety Commissioner John Mazer, invited members of the Public Safety Committee, Councilmen Bergmann and Burgess, to witness the State Underwriters' test, under the direction of the Michigan Inspection Bureau, for fire fighting duty. The test consisted of pumping 750 gallons of water per minute at 150 pounds pressure, on draft off the City docks with a six foot lift, for two hours; then 30 minutes at 200 pounds pressure, and 30 minutes at 250 pounds pressure. On a spurt test it pumped over 950 gallons per minute at 150 pounds. Captain Rivard received formal notice that the new apparatus had passed the State Underwriters' test satisfactorily with plenty of reserve power. The new truck is equipped with a 750 GPM fire pump, 400 gallon booster tank, hose body for 2000 feet of fire hose, 35 foot aluminum ladder, 28 foot aluminum ladder, and a 16' roof ladder. There are two reels of one-inch booster hose with an electric rewind, which can be put into operation very quickly. With the 400 gallon booster tank and booster hose over 90% of the fires can be handled quite easily. A front end hook-up will save valuable seconds of time in permitting speedier connections with the hydrants. All of the latest features in fire fighting are included, in addition to fog nozzles, and facilities for using the 1 1/2" leader lines as well as the three lines of 2 1/2" hose when required from any hydrant. Councilman Burgess is particularly proud of the fact that the "cost of chassis and fire equipment is less than \$14,000, yet the insurance credit of a 750 pumper is just the same as if the city had spent \$20,000, to \$22,000 for a custom built fire truck". Councilman Bergmann stated

Bar Bandit

(Continued from Page 1) late in the evening of the August 14 date, with a companion. Both looked around, and the other man, said to be older, walked out of the building. The younger man remained and ordered a drink.

Demands Currency
After finishing his drink, the bandit whipped out a gun and turning to Mrs. Shockey, demanded all the currency in the place.

Patrons watching television became aware that something was wrong, but the gunman began waving his revolver and ordered them to continue looking at TV.

Grabbing \$300 in currency, the robber, still waving his gun, backed out of the bar and ran toward a waiting car on Beaconsfield and escaped with the second man driving.

MRS. HOW TO PROFIT THROUGH TAX EXEMPTION

With today's high tax levels, investors in medium and high tax brackets are turning to tax-free Municipal Bonds for income that they can keep. If you have a taxable income of \$10,000 or more, you may be well repaid by investigating the advantages of tax-exempt State and Municipal Bonds. For instance, if you file a single return on a taxable income of \$14,000, you would have to receive a dividend return of 7.45% on a taxable security in order to equal the yield from a 3.50% tax-free Bond. It's something to think about! Our New Booklet, "How to Profit Through Tax-Exemption" explains in plain language your need for tax exemption, tells how much these high-grade investments can be worth to you. There's no obligation. Pointes Approve Health Budget

The health budget of the Grosse Pointes and Harper Woods for the period from July 1, 1957 to June 30, 1958 has been approved by the duly appointed official members of the Health Council made up of representatives from the six communities. The budget of \$12,689.23 breaks down into \$9,500 for doctor's salary, \$500 for miscellaneous expenses, \$250 for administrative costs, \$500 contingent and social security, and \$1,919.23 which is owed to the City of Grosse Pointe, which made a temporary loan to the Health Department as the money was needed to carry the account for 15 months instead of 12 months as was budgeted. The following proportionate shares are based on the 1956 real valuation as equalized: Park, \$2,863.25; City, \$1,456.96; Farms, \$2,951.95; Shores, \$785.49; Woods, \$2,799.90; and Harper Woods, \$1,811.70. This year the City of Grosse Pointe is the managing municipality, for which it will receive a fee of \$250. The figure is listed in the budget as administration cost, and is about 2 percent of the total budget. The Board of Education is continuing to provide the present Health Quarters located in the Defer School including heat, light, water and janitor service without charge as its contribution to the health program.

'Birds of a Feather Flock Together'

A huge flock of martins has been congregating late afternoons in the 500 block of Grand Marais boulevard, presumably rendezvousing preparatory to the annual flight south to warmer climes. It has been estimated that the flock, which at times stretches all the way down to the lake, contains at least 10,000 of the birds. It all started several years ago when Harold Siebert of Grand Marais boulevard threw feed for the birds. The flock increased each year.

Burglar Raids Park Building

A thief who broke into the craft shop at the Park's municipal beach sometime between August 17 and 19, made off with a portable public address system and a small amount of cash.

Park Police Chief Arthur Louwers said the thief entered

the shop by cutting the screen and breaking a window at the side of the building. He said the robber took the address system, comprised of a battery case, a mike and extension cord and a loud speaker, valued at \$66; about \$6 in cash from a coin box that had been forced open.

Arrest of 2 in Montreal Solves Burglary in Park

Two young Toronto men, who were arrested on burglary charges by Montreal, Quebec police on Monday, August 19, have been implicated as the burglars who invaded a Park home on Friday, August 2.

Park authorities placed a hold warrant against Gavin Cowan, 20, and Edward Horgan, 23, both of whom claim they live in Toronto, accusing them of being the burglars who broke into the home of the Charles Records, 1048 Whitier, and took \$2,000 in cash, a \$4,500 man's suitcase diamond ring and two wrist watches valued at \$75 each.

Following their arrests in Montreal, police found a number of pawn tickets issued by a Toronto pawnshop. Two of the tickets were for the ring and a watch.

When they admitted they were responsible for the Park burglary, and that the pawned items were part of their stolen loot, Montreal authorities notified Park police.

Park Det. Lt. Stanley Enders, Cpl. Gordon Duncan and Mr. Record went to Montreal on August 20, the officers to question Cowan and Horgan, and Record to identify the items stolen from his home.

Cowan and Horgan told the Park officers that they pawned the ring for about \$25, and the watch for somewhat less. They did not disclose what they did with the cash, or the other watch.

Record accompanied police to the pawnshop and identified the stolen items as his. The second watch has not yet been recovered.

Cowan and Horgan broke into the Park home while Mr. and Mrs. Record were attending a movie. A daughter of the Records was in the basement of the house watching television at the time.

The two burglars let themselves in through an unlocked back door, and left the same way.

In their haste to escape, the two thieves dropped a woman's handbag, part of their loot, but did not stop to retrieve it.

Park Police Chief Arthur Louwers said Cowan and Horgan committed four burglaries in Montreal, and were arrested after committing the fourth one.

To Give Pointers On College Life

A special college indoctrination conference, the second annual one, for entering freshmen will be held at the Grosse Pointe Memorial Church on Wednesday, September 4, beginning with registration at 5:45 p.m.

Following a buffet supper the evening will be divided into three main divisions: the scholastic side of college life; the social side of college life; and the spiritual side of college life.

Discussion leads will be composed of upperclassmen from colleges in different sections of the country. They include: Martha Hubbard, Judy Morang, Lorna Maguire, Genny Butz, Mary Shenefield, Henry Hubbard, Bill Miller, Charles Col-linson, Ron Rolley, Donald Worley.

Adult speakers will be: Miss Ann Campbell, Mrs. Edward Hanpeter, and the Rev. Paul F. Ketchum.

The conference is designed to be a practical one at which many of the questions on all phases of college life may be answered by those now in college. It is also an occasion when friends may meet after the summer and compare experiences.

All entering college freshmen are invited to attend. Reservations may be made by calling the church office (TU 5-3773). Complete price for supper and the conference is one dollar per person.

The Freshman Planning Committee includes: Dennis Hykes, Phil Warren, Andy Penz, Neil Georgi, Virginia Thompson, Jane Berry and Denny Carne.

City Providing Free Firewood

Free firewood is offered residents of the City of Grosse Pointe along the streets where an extensive tree pruning program is in progress.

Norbert Neff, city clerk, says that the residents are perfectly welcome to take the wood piled in front of their homes. It is far more economical for the city's standpoint, to have the residents use the wood than to have to haul it all the way to the dump at Quinn road.

The city workers even saw the pieces into 20 inch lengths of firewood to entice the residents to make use of it.

Those who wish to avail themselves of this opportunity are urged to be careful not to spread the piles of branches and smaller cuttings all over the neighborhood, making it more difficult for the haulaway crews to collect it for disposal.

Genius begins great work; labor alone finishes them.

Plan Orientation Meeting For New GPHS Students

For the instruction and guidance of students new to Grosse Pointe High School, school officials have announced a special orientation meeting to be held on Wednesday, September 4.

At 1 p. m., all new 9B's and 10B's transferring from Pierce and Parcels Junior High Schools, and all new 9E to 12A students transferring from other schools who will be at Grosse Pointe High School this fall, will report to their home rooms. Each has been mailed a card giving the room number where he is to report. It is exceedingly important that he have this card with him, or a memo of the room number, when he comes for this meeting.

He will meet his home room teacher of the home room. Lockers will be assigned and practice and policies of the school will be explained. Further, there will be a tour of the rooms where classes will meet so that school opening Thursday, September 5, will run more smoothly for these new students.

Also included will be a meeting in the auditorium gym at which the counselors and administrative staff will receive the new students.

The deans have enrolled many new students this week. They will be available again tomorrow afternoon, Friday, August 30, from 1 to 3:30 p. m., after which they will not be available to enroll new students again until 9 a. m. Thursday, September 5.

All staff members will attend faculty meetings and the new students orientation meeting Tuesday and Wednesday, September 3 and 4.

The book store will be open on Friday, August 30, from 9 a. m. to 3:30 p. m. Students are urged to buy their supplies early.

Classes will begin at 8:30 a. m., Thursday, September 5.

Car and Scooter Figure in Tangle

A woman who neglected to look before she drove her car into the intersection at St. Paul and St. Clair, Friday, August 23, was named the responsible driver in an accident which involved her car and a motor scooter.

Muriel Ruby Clifford, of 7720 Jefferson, was traveling south on St. Clair and stopped for the stop sign. She started up and her car was immediately hit by a motor scooter ridden by James M. Wiggins. The boy was riding west on St. Paul. He was taken to Bon Secours Hospital where he was treated for a bruised knee.

A violation was issued to Mrs. Clifford for entering the intersection without proper caution and causing an accident.

Approximately 185,000 Michigan youngsters from the ages of 3 to 13 years inclusive have had fluoride solution painted on their teeth during the 10 summers since 1948 that topical fluoride application programs have been offered in this state.

Drop Injunction Against Shores

The Lake Shore Coach Lines will discontinue its present route to the Eastland Shopping Center and will drop its injunction against the Shores, the Shores, the Woods council was informed at a special meeting on Monday, August 26.

Walter Schweikart, president of the lines, told the council that the bus route east of Marter road will be discontinued because of lack of enough passengers from that section, and that an injunction restraining the Shores from interfering with buses picking up passengers in the Shores will be dropped on September 3.

He said that the only time the route east of Marter will be continued is if the residents of that area demand it.

On September 3, Schweikart said, buses will again use the route granted by the Woods about 14 years ago, that is, buses coming east on Vernier, will turn onto Marter, go north to Brys drive, turn west to Mack, south to Vernier, and west on Vernier to Eastland.

A 30-day trial route terminated on Saturday, August 24, whereby the Lake Shore buses traveled east on Vernier to Lake Shore road, then turning north on Lake Shore to the city limits of St. Clair Shores where they made their loop for a return trip. The bus company ordered its drivers to make this loop at the city limit, even though there was an injunction preventing the Shores from interfering with the activities of the bus line because bus officials wanted to maintain good relations with the Shores.

Schweikart said that there has been a considerable drop in passengers and revenue since Eastland came into existence because of the increased use of transfers at interchanging points. Revenue dropped about \$3,300 in 21 days.

The line president said he called Shores Village President Jack Williams and told him of the line's intended actions, and that anytime the Shores residents want the bus service to Eastland, the company will be happy to comply.

FALLS FROM LADDER

Shores' police took Walter C. Harper, 26, of 6410 Steadman, Dearborn, to Bon Secours Hospital on Tuesday, August 20, for treatment of a cut nose and abrasions about the face and knees. Harper fell 12 feet from a ladder while scraping paint from the rear of the home at 41 Colonial court.

Causes Crash Running Light

John B. Beebe of 154 Moros road, was ticketed for running a red light and causing an accident on August 25, when the car he was driving hit another vehicle in the Kercheval-Kerby road intersection.

Margaret E. Moffat of 2138 Marlborough, Detroit, was traveling south of Kerby with the green light. Beebe, who was proceeding west of Kercheval, drove into the Moffat car.

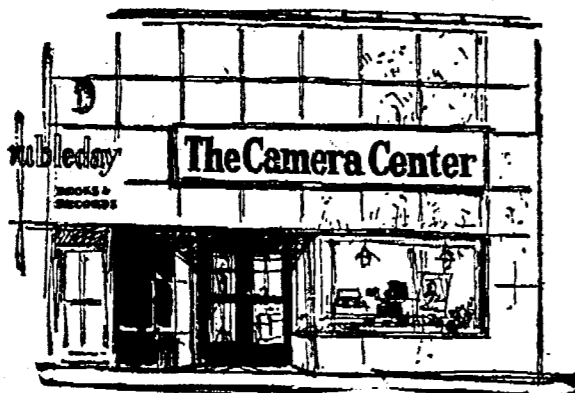

Damage was estimated at better than \$150 to each car. A Farms stop sign was damaged and a street marker also had to be straightened.

FAR FROM TRANQUIL

Two-year-old John Lesky of 1026 Lakepointe, was rushed to Bon Secours Hospital by Park police on Monday, August 19, accompanied by his mother, Helene, where a stomach pump was used. The youngster had swallowed 35 tranquilizer pills at home.

Sailors Brave Steady Rain In Crescent Club Regatta

On a day that was more fitting for a stroll with the famous Sadie Thompson, 129 skippers and their crews answered the starting guns in Crescent Sail Yachting Club's 24th annual regatta Saturday, August 24. This only proves one thing—sailors are a different breed of cats than the landlubbers who run for shelter when the sky dumps H-2-O on Mother Earth.

Just because it was raining it didn't dampen the spirit that accompanies a regular weekly inter-club DRYA regatta. You couldn't have gotten any wetter if you would have fallen in like Alex Allardye and his crew did when Alex capsize his Lightning sloop "LaDeDe" on the spinner run.

Courses Shortened
Because the weather threatened to get worse, race chairman Dick Hill shortened the courses for most of the classes. All except for one—the Privateer class which requested the long 15 mile course. Three of the skippers, Bob Roadstrum, who made the request, Arnold Johnson and Bill Howard sailed the wrong course (the short one) and were disqualified. Sid Marsh sailed his "Indian Drum" to its second first place in two weeks and beat Chuck Haug's "Spirid" in that order.

The Cruising C class had one of the closest races of the day. Jimmy Carlin's "Glory Sea II" was less than four minutes ahead of Henry Dunlap's "Albacore" which squeezed out Tommy Hanson's "Dauntless" by six seconds for second place. Susie Fisher's "Old Rarity" was one minute behind "Dauntless" and just 43 seconds ahead of Karl Ness' "Happi-ness" for fourth place.

Others in this class followed in this order: Bill Bremer's "Balquhider," Hugh Fuller's "Diane," Gerd Schneider's "Radiant," Kurt Keydel's "Grace Note," Frank Taylor's "Mitzi," Don Sucher's "Brujest," Aaron Evans' "Alady V," Paul Goecheus' "Gracie" and Ray DeBlare's "JoDee." All except for the first six places the finishes are on corrected time.

Crew Wins for Skipper
"Falcon" skipper Clare Jacobs was out of town, but his crew went out and won a boat race in Cruising A with Wally Cross at the helm. Nubby Sarns' "Revelry" took second place which didn't hurt her standings for the 1957 season championship. Following "Revelry" came Moon Baker's and Jerry Clements' "Last Straw," Frank White's "Tigris" and Charley Parker's "Tamara." Rile Wigle's "Rowdy" did not finish.

Hank Burkard continued his headlong rush to win the Cruising B title when his "Meteor III" beat Johnny Detwiler's "Vashti," Bobby Ford's "Fleetwood," Llywd Ecclestone, Jr., "Bikini," Skip Grow's "defending "B" champion "Querida," Bill Maul's "Spray," Chuck Coe's and Walt Robinson's "Aquavit" and Al Wilson's "Tzigane" in that order.

Neesley Wins Again
In the schooner-ketch class it was Bob Neesley's "Malabar VI," Frank Krembel's "Lorelei" and Andy Langhammer's "Rambler" in that order.

Henry Anderson, a visitor from Seawanak Corinthian Y. C., took to Lake St. Clair like a duck to water and won the Raven class handsily by beating Al Bortolotti, Boyd Benkert, Carter Sales, Roy Barber, Gordon McCabe, Al Gregory, Bill Nagel and Tom Jefferson in that order. Anderson was one of the early arrivals for the eighth annual Raven Nationals which got underway off the Grosse Pointe Y. P. on Tuesday, August 27. George McCormick padded his season championship lead in the L Class when his "Gael" placed first ahead of Alee Chapman, Guy McNaron, Guy Ireland, Freddie Jensen and Hilary Mi-

cou in that order. Bud Dilks did not finish.

Bob Wins Two Boat Races
Bob Reithmiller's "Para" took first again in a two-boat race in the Star class, beating Larry Kapitanski's "Carol." Bob is trying to revive the once famous Star class around these parts and says there are at least five boats that could race if the skippers would stir their stumps and get the boats away from the dock on Saturdays.

Bayview Yacht Club Junior sailors made a clean sweep in the special race for juniors who sailed in the new 18-foot fiber glass Interlake sloops. Little Peter Ness was first and was followed by Jack Moeller and Chipper Rumnell.

Pete Fortune of the Detroit Boat Club spoiled a four-boat sweep when he squeezed Denny Rummelle out of fourth place. George Chapin of DBC was sixth. Despite the nasty weather the Junior sailors proved they were not just fair weather sailors when they handled the tricky little boats like veterans as they traversed the triangular course. Their seamanship drew praise from veteran judges like Stan Puddiford, Ken Leiprandt, Hal Smith, and Crescent Commodore Harry MacFarlane.

Other Winners
Other winners were: K. Class—Bud Wellman, Bill McGraw.
Thistles—Bill Dennes, Francis Marsh.
Lightnings—Henry Cawthra, Wes Weidrick, Fred Wilhelm, Herm Nickles, Burt Jones, Don Fairchild, Robert Pleu, Meryl Amo, Eddie Grant, Warren Jones, Dick Crandall, Jim Millies, Jr., Dick Dickman, Ralph O'Hara, Dick Westerman, Bob Knop, John Lesene, Carl Arkehan, Art Rautenberg, George Grenzke, Bob Verhelle, Robert Hornzeck.

Vineyard Havens—John Leary, George, Monro, II, John Baude DNF.
CK Free-For-All—Lee Smith, John Dietiker, Bob Palmer, Jim Hughes, Art Bacon.
Club Sloops—A. Beck, J. Madson, M. Demchak, R. Turner, A. Koch.

Luder Class—Ed Shorek, Harry Weintraub.

Boat Banter

Glenn "Skip" Forcier, Grosse Pointe's representative in the first annual Mennen Grand National Outdoor Championship held on Lake Quinsigamond in Worcester Mass., Saturday, August 24, was one of five who did not finish. Skip was forced to drop out of the race with motor trouble on the nineteenth lap.

At the beginning of the third lap Forcier was holding second place behind the winner Bob Robbins, 21, of West Suffield, Conn., who set a sizzling 51.6 m.p.h. for the 100 mile marathon.

But Forcier isn't coming home empty handed. Prior to the 100-mile marathon Skip captured the D Utility class championship and the figures this will be good medicine for his mom who is recovering from a polio attack suffered just two weeks before the Nationals.

Ray Lenk of Detroit placed fourth, four minutes off the winner's pace. Bob Jacobson, winner of the Belle Isle Marathon last spring, took sixth place. Jacobson was the only other Michigan driver to finish.

Ray Johnson and Eugene Aubry, both of Detroit, also experienced hard luck and were among the DNFers.

Henry Cawthra of Crescent Sail Y. C., former National Lightning Class champion, captured the annual three race Kendall series last Sunday, August 25, when he scored 86 1/2 points on two firsts and a second. In second place came Cawthra's nemesis—Wes Weidrick of Bayview Y. C., who took two seconds and a third for a total of 65 1/2 points. Herm Nickles of Fenton Lake was third with 58 points and was followed by Freddie Wilhelm of Bayview with 55 points.

Twenty four boats competed in the series which started with the Lightning class race in the Crescent Sail Y. C. annual regatta on Saturday, August 24. Other finishers were as follows: Bill Goodwin 49, Burt Jones 48, Jim Millies, Jr., 44, Don Fairchild 43, Warren Jones 43, Dick Crandall 40, Charles Grant 38, Dick Dickman 36, Meryl Amo 35, Raiph O'Hara 32, Art Rautenberg 25, Jack Lesene 22, Dick Westerman 22, W. Arkellian 18, G. Grenzke 13, R. Knop 8, Bob McDuff 7, J. Kohls 5, Bob Verhelle 3, and Alex Allardye 0.

Allardye, an old Star boat skipper from way back who is trying valiantly to win a race in the big, hot Lightning class, was the only casualty. He tipped his pretty boat over while on a spinner run in Saturday's race but other than taking a good dunking no serious damage was experienced.

Now is as good a time as any to correct a couple of errors in last week's regatta story. The mistakes were no fault of this reporter. We just reported the finishes as they were given to us by DRYA.

The correct order of the first three place finishers in Cruising "C" class were: "Dauntless,"

Entries in Long Distance Swim Race

Eleven stalwart and strong Grosse Pointe youngsters vied for top honors in the City of Grosse Pointe Long Distance Swim held Saturday, August 17. Only ten made it. Shown from left to right, front row: NORBERT OLZMAN, LESLIE

Tommy Hanson; "Radiant," Gerd Schneider; and "Mitzi," Frank Taylor. Susie Fisher's "Old Rarity" was disqualified for barging at the starting line and Karl Ness' "Happi-ness" was disqualified for port tacking. Cliff Gray's eight meter "Pintail."

Because of the Silver Cup regatta the Detroit River will be closed on Saturday, August 31, so consequently Edison Boat Club officials have moved the finish of their annual inter-club

Fleet Review in Farms Again Almost Rained Out

For the second time in as many weeks, the Grosse Pointe Farms Boating Club nearly had to cancel its annual Fleet Review and regatta. It was the sail boats that saved the day when they competed in three classes despite the rough water that forced the power boaters to postpone their races.

John Sauer won the Universal B class; Dick Hall captured the Crescent Class and Bob Wood won the Folkboat class.

The judging of the boat decorations went off as planned except that the boats paraded in the basin between the Farms pier and Crescent Sail Y.C., instead of parading outside the Farms dock.

In the outboard class Mary Ann Benham took first prize with Betty Sheehan, Jim Ailor and Del Ryan following in that order.

In the inboard class it was Bill Heals, Frank Foguth, Francis Labadie, Vic Verhaeghe and Carroll Loveless. Bill Laifner and Harry Carson took first prize in the sailboat class to win the Aldeide Lodge perpetual trophy. Paul Collins and Frank Taugner took second and third, respectively.

The best decorated boat of the entire affair was owned by Ray Flieger which carried the Queen in the parade. The prizes were

awarded prior to the dance at 8 o'clock that evening.

According to eyewitness accounts the dance was the largest ever held at the Farms pier. It was named the first annual "Jazz at the Pointe" and hundreds enjoyed the music of three Pointe bands. During intermission the Wendigo dance group entertained with a full dress ceremonial Indian dance.

The power boat races, both inboard and outboard, have been re-scheduled for Sunday, September 1. If at that time the lake is too rough the races will be run on Monday, September 2. Any power boat Farms resident interested in entering these races can still do so by contacting Ed Lauer at the Farms Park.

Be alert to detect any unusual actions of a pedestrian warns the Institute for Safer Living. He may have been drinking and may weave right into the path of your car without seeing you. Nearly 1,400 drinking pedestrians were killed by automobiles last year.

Walter R. Cleminson

The community has suffered an irreparable loss in the death of Walter R. Cleminson, principal of Grosse Pointe High School. He was a dedicated educator whose contributions over the 17 years he served here were beyond measure.

His influence was tremendous through his broad contacts with young people and old. The lives of thousands of students who came under his supervision were greatly enriched by his never-failing personal interest in their welfare and progress and his understanding of and sympathy for their problems.

His unquenchable ambition for constant improvement in the school system, earned him the respect and admiration of the teachers under him and the administrators with whom he worked. His judgment always commanded attention.

His devotion to duty and his keen sense of responsibility were undoubtedly contributing factors to his untimely death at a relatively early age. Last week's fatal attack was not Mr. Cleminson's first encounter with heart trouble. He had suffered another attack some years ago, but he never let this interfere with the carrying out of his job as he saw it. At the time of his death he had accumulated 34 weeks of earned sick leave. He never had either the time or inclination to avail himself of additional periods of recuperation or rest.

Walter Cleminson was a man of great personal charm as well as ability. He never lost the common touch and was intensely interested in everything that went on about him. He always had time to listen to others or to entertain his associates with a story that appealed to his great sense of humor.

Dr. James W. Bushong, superintendent of schools, has announced: "I don't know where in the United States to look for a replacement who can equal him."

Walter Cleminson will never be completely replaced. The mark he left on the community he so loved will remain indelible through the years. He will live on in the hearts of all those whose lives he made richer through a constant sharing of his great attributes.

Anemia Occurs in Pregnancy

By Fred Kopp, R. Ph.

One of the reasons medical attention is so important in the early stages of pregnancy is to make certain that the mother's health remains consistently good.

More than a third of all pregnant women suffer some degree of anemia. By prescribing additional blood-building foods or drugs a doctor can correct the condition.

Certain drugs do a remarkable job of building blood in a very short time. Have prescriptions filled by a pharmacist who can be relied on for quality products and service.

What Goes On at Your Library

By Jean Taylor

The first week of September brings mixed feelings to most of us. There is regret that summer is gone and vacation is over, but mingled with this is a desire to get things rolling again, and anticipation of active days ahead. So... we take a deep breath and muster our strength for the busy fall days.

The summer weeks, however, have held no dull moments at the Library. Both July and August show a substantial increase of business at Central and the Branches.

During the holiday period, movies selected for boys and girls were shown each week at the three Libraries. On Thursdays and Fridays, long lines of children formed well before the time of the film showings, and satisfied viewers returned week after week.

To date over 6000 children have enjoyed these programs. This week concludes the film showings for the summer.

Thanks to the cooperation of Mr. Vincent Peterson, the Principal of Parcels School, the crowds of children arriving each Friday morning at the Woods Branch viewed the pictures in comfort in the Parcels auditorium.

Our thanks go also to Chief Hoyt, Chief Louers and Chief Bailey of the Farms, Park and Woods Police Departments for providing the children police protection before and after each program.

It is not only the children who have used the library this summer. More and more adults in our community, who have not previously been library users, are finding their way to one or other of our libraries.

"My children can find their own material in the library, and I can't," commented a mother somewhat ruefully at Central. "I wish I had been taught how to use a library, when I was a youngster." More than once some such remark has been made, by an adult who is unfamiliar with the library resources. If you echo these sentiments, why not learn NOW how to locate a book on the shelves; how to find that elusive magazine article through the use of the Reader's Guide to Periodical

On September 15, Mr. and Mrs. Ernest Wunsch will give a late afternoon buffet party for Jody at their Birmingham home. Some 40 young guests will attend the indoor-outdoor (depending on that weather again!) affair.

Party Honors Navy Skipper

Capt. Marshall T. Martin, currently commanding officer of the aircraft carrier U.S.S. Leyte, and Mrs. Martin were honored Friday evening at a dinner given at the DAC by a group of civilians of this area.

The hosts included Grosse Pointers Mr. and Mrs. H. Lynn Pierson, the Herbert J. Woodalls, the Frank W. Keyzers and Mr. and Mrs. Joseph Vlasic. Others were the George S. Goodells, of Birmingham; the Charles E. Boyds, of Pleasant Ridge; Mr. and Mrs. O. Dewey Marks, the Herbert Whites, Mr. and Mrs. Charles H. Welch and Mr. and Mrs. C. Olaf Talla.

The festivity was a reunion with Capt. Martin of the 10 men hosts, who had been on an orientation cruise (one group in May and one in July) aboard the Leyte at the invitation of Navy Secretary Thomas J. Gates Jr., to see what the Navy is doing in its training program.

The Leyte was the admiral's flagship in a task force including submarines, destroyers and aircraft, the unit rendezvousing out in the Atlantic with two other task forces for practice in submarine detection.

Capt. Martin had been commanding officer at Grosse Ile Naval Air Base for two years before assignment to the Leyte. He came on from Quonset Point, R.I., for a short visit with his family at Grosse Ile, preliminary to taking the aircraft carrier August 27 for a cruise in Mediterranean waters.

She made her debut in December, 1954, and is a provisional member of the Junior league.

Mr. Lafer is attending the Wayne State University College of Engineering. He served 18 months in Germany with the G-2 Section of the Fourth Infantry Division.

A December wedding is planned.

Children's Theater Set To Launch New Season

Grosse Pointe Children's Theater will begin its third season of activities with enrollment on Saturday, September 14, from 10 a.m. to 3 p.m. at the Grosse Pointe War Memorial Center.

The children will receive training in voice, diction, bodily poise, characterization, makeup for stage, construction of stage set, painting scenery, lighting and use of sound effects for theater.

Two 15-week semesters will meet from 10 a.m. to 12 noon and from 1-3 p.m. on Saturdays. The youngsters will present a play at the end of each semester.

Children from seven to 15 years of age may enroll. For further information, call Grosse Pointe War Memorial Center or Mrs. Syd Reynolds, TU 5-6219.

Lakepointe Club Has Big Plans

Lakepointe Country Club has scheduled a four day program to give its members probably the busiest weekend in the history of the club.

The Labor Day weekend will actually start at the regular buffet Thursday evening, as there will be planning to do for unofficial matches to be played on the course and the two big dinner affairs slated for Saturday and Sunday evenings.

The Saturday dinner will bring out all of the golfers, both men and women who will draw for pairings in the big club tournaments on Sunday. There won't be any trophies at stake, but this Labor day meet annually arouses as much competitive spirit among the golfers at the club as any event on the calendar.

The Sunday night dinner will be a testimonial affair in honor of Gene Woodard, Lakepointe who won the Detroit District Golf championship on August 4. Officials of the district association and other ranking golfers will be on hand to salute the club's champion.

On Friday morning the eight St. Clair Shores high school boys, two from each of the community's four high schools, who were given ten-weeks golf scholarships will complete their course in a tournament.

While golf is not yet on the schools' athletic programs, the tournament will no doubt be considered the city's first high school golf championship, even if unofficial. School athletic officials and Mayor Tom Welch will attend a luncheon in honor of the winners following the meet. Awards will be made for the top scorer and for the boy who has shown the most improvement during the lessons.

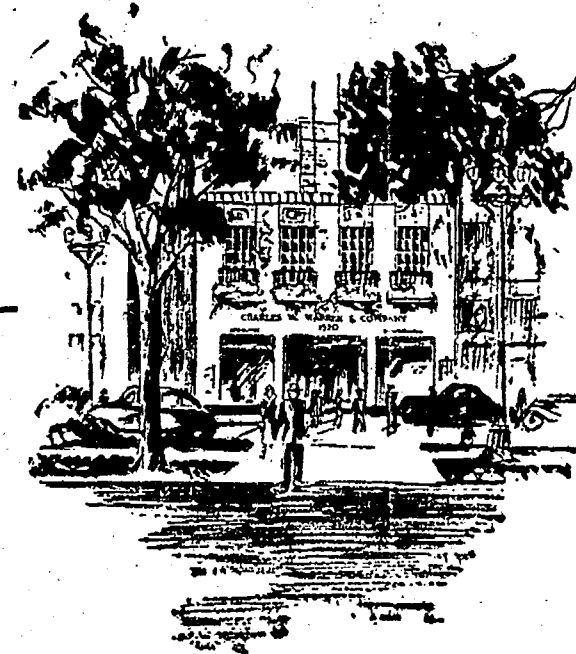

The club will be open on Monday for relaxing and getting back to normal and will be closed Tuesday.

Pointe Yacht Club Holds Award Dinner

Presentation Event Followed by Visit to Aqua Follies To See Olympic Stars; Swimming Teams Paid Honor

Grosse Pointe Yacht Club hummed with activity this past Tuesday, August 27, when members and their children, including sons and daughters on the swimming team, gathered for the Sports Committee's Annual Presentation Dinner honoring the team.

For days, anticipation had run high, particularly with the young set. There were the awards to be given swimmers at the end of dinner, and the highlighted following trip to Belle Isle to see such top aquatic stars as Olympic champions Patricia McCormick, Joquin Capilla, and Bruce Harlan in the third annual "Aqua Follies."

Promptly at 5:45 p.m. everyone was seated in GPYC's main dining room, with the 50 swim team members in the center. Dinner was served swiftly—departure of chartered buses for Belle Isle was scheduled for 7 o'clock.

Commodore Stark Hickey and Mrs. Hickey were at the head table with Billy O. Brink, sports chairman; Dr. Harold E. Cross and Wilfred P. Whyte, co-chairmen of the party; Mrs. Brink, Mrs. Cross, Mrs. Whyte, and other members of the sports committee and their wives.

The chairmen had arranged the date so the honor fete would follow almost immediately after Sunday's conclusion at Oakland Hills of the Inter-Club competitive swimming season.

Commodore Hickey made the award presentation to the high point team member who was Eileen Cross, and praised the entire team. Speeches had been ruled out—it was important to be in the GPYC box seat section on Belle Isle in good time for the Follies "curtain."

Each team member received an award—for the girls were silver bracelets with pendant charms bearing the individual's initials, the GPYC crest, and "1957"; for the boys were silver cuff links with the club crest. The swimmers were guests of the club for the entire party.

Mrs. Peter J. Paulus, of Dallas, Tex., attended as honor matron. Bridesmaids were Marilyn Jackson, of Ionia; Lesley Torcom, of Chicago, Ill., and Phyllis Boccia, Linda Bendlin

The attendants wore identical white lace sheath dresses over forest green taffeta, trimmed with white sheer to match the bridal gown. Their headbands were of green velvet and horse-hair.

The honor matron carried green and white baby mums, while the other bridesmaids had green baby mums.

The bridegroom, whose parents are Mr. and Mrs. William H. Monteith, Sr., of Cuyahoga Falls, O., asked his brother, Bruce, to attend as best man.

Groomsmen were Donald Canada, of Pontiac; John Guyeska and John Toomey, of Cleveland, and Gerald Whitman.

The bride's mother donned rainbow nylon chiffon shading from light blue to royal blue, blue velvet chapeau covered with iridescent blue sequins and orchid corsage.

Mrs. Monteith chose a sapphire blue lace gown, matching accessories and corsage of orchids.

After a reception at the Grosse Pointe War Memorial Center, the pair left for the Pocomo Mountains. They will live in Ann Arbor, where both attend the University of Michigan.

Proof that alcohol and gasoline do not mix lies in national fatality records, which show that at least 30 per cent of traffic deaths are charged to drinking drivers. However, the Institute for Safer Living advises that on holidays and weekends drinking drivers may be involved in as many as 50 per cent of the fatal accidents.

Mrs. Leonard R. Franseen

August 24 rites in Grosse Pointe Woods Presbyterian united in marriage KAREN JACOB, daughter of Mr. and Mrs. Theodore A. Jacob of Lochmoor boulevard, and Leonard R. Franseen, son of Mrs. L. E. Franseen, of Dallas, Tex., and the late Mr. Franseen.

Leonard Franseens Speak Their Vows

Mr. and Mrs. Leonard R. Franseen will make their home in St. Louis, Mo., when they return from a honeymoon in Canada and Northern Michigan.

They repeated their vows at 4 o'clock Saturday afternoon in Grosse Pointe Woods Presbyterian Church. Rev. Andrew Rauth officiated at the double ring service.

The bride was Karen Jacob, daughter of Mr. and Mrs. Theodore A. Jacob of Lochmoor boulevard. Mr. Franseen is the son of Mrs. L. E. Franseen, of Dallas, Tex., and the late Mr. Franseen.

A ballerina length gown of Chantilly lace was worn by the bride. Her matching lace crown held a waist length veil of pure silk illusion, and she carried a bouquet of amazon lilies, stephanotis and ivy. The three bridal attendants were attired in frocks of white silk netting sashed with pink cummerbunds, and carried pink rosebuds and ivy.

Mrs. Robert Buckner of Knoxville, Tenn., was honor matron. The bride's twin cousins, Barbara and Beverly Cutler, came from Grand Rapids to be her bridesmaids.

Richard Franseen was best man for his brother, Dan Bauer, Harold Drinkaus; Capt. Robert Buckner of Knoxville, and Ted Jacob escorted guests to their places.

For the wedding and reception which followed at the Grosse Pointe Yacht Club, Mrs. Jacob wore a dusty rose silk peau de soie sheath with bodice of Alencon lace. Mrs. Franseen chose beige silk organza with accessories in a deeper shade of beige.

Out of town guests included Mr. and Mrs. Ed Koontz and daughters, Doree and Tottee, of Ashville, N. C.; Gen. William Bunker, of St. Louis, Mo.; the L. W. Cutlers, of Grand Rapids; Lt. and Mrs. Joseph Burns, of Carmel, Calif.; Mrs. L. J. Vacek and Mrs. A. T. Jacob, of Park Rapids, Minn.

Mother Learns While Kids Nap

Children's nap time can be mother's school time!

She'll tuck the kids in, grab her books and paper, and turn on the TV set for her daily University of Detroit lectures.

In September, U. of D. will offer a complete freshman curriculum over WTVS, Detroit's Educational Television.

Of special interest to the housewives, are the day school courses: History, English, Introductory Psychology, Spanish, and The Life of Christ will be telecast Monday through Friday from 1 p.m. to 4 p.m. Mothers can get an education while their children take a nap.

The five TV classes are the same as those offered to students who came to the campus.

However, there are several differences.

The first big difference is the cost. Those who take the courses via television can save as much as \$127. The student can apply part of the saving toward the television equipment needed to receive the Ultra High Frequency over which WTVS broadcasts.

A second difference is in time. By attending U. of D. credit courses via television, the student saves up to 2 hours in traveling to and from the campus.

These two savings are especially important to the housewife. She does not have to leave her children nor does she have to leave a hole in the family budget.

City of Grosse Pointe Notice of Ordinance Adoption

Ordinance No. 98

An ordinance providing for the protection of the public by the regulation of the construction, maintenance and use of private swimming pools and providing penalties and remedies for violations thereof:

THE CITY OF GROSSE POINTE ORDAINS:

SECTION 1 It is hereby determined that outdoor swimming pools may endanger the public safety unless carefully regulated and supervised.

SECTION 2 Definition: The term swimming pool as hereinafter used shall mean a structure either above or below grade, useable for swimming which has a normal water depth at any point in excess of one and one half (1 1/2) feet.

SECTION 3 It shall be unlawful for any person to construct or maintain an outdoor swimming pool without first making application to the City Council and obtaining a permit therefor.

SECTION 4 Such application shall show the name of the owner, the location of the proposed pool, the manner in which its use shall be supervised, the safety precautions to be made to protect those making use thereof, or who might be endangered thereby, and shall be accompanied by such other information necessary for the protection of the public health and safety as may be required by the City Council.

SECTION 5 No swimming pool shall be constructed, operated or conducted out-of-doors unless it is located within a fenced or walled enclosure of not less than four feet in height which is to be locked at all times when unattended or unless such other protection is provided as may be determined by the City Council to be reasonably expected to prevent trespassing children or adults from entering upon the premises and being injured, and which shall be of such construction as is approved by the City Building Inspector.

SECTION 6 No person shall maintain an outdoor swimming pool on his premises without providing adequate supervision at all times when the pool is in use so that no person may be injured or drowned therein.

SECTION 7 No outdoor swimming pool shall be used unless adequate public health measures are periodically taken to insure that the use thereof will not cause the spread of disease. The water of all pools shall be sterilized by chlorinated water. The current standards set by the State Department of Public Health and the Wayne County Department of Public Health to protect public health in the use of such swimming pools are hereby adopted and made a part of this ordinance. During water shortages, the filling of swimming pools shall be regulated by the standards for lawn sprinkling.

SECTION 8 Any person violating any of the terms or conditions of this ordinance, on conviction thereof shall be punished by a fine of not to exceed \$100.00 or imprisonment of not to exceed thirty days or both such fine and imprisonment or one in lieu of the other, in the discretion of the Court, and every day of violation shall constitute a separate offense.

SECTION 9 Any swimming pool installed, operated or maintained in violation of any provision of this ordinance shall constitute a nuisance, and the City may, in addition to the penalties hereinbefore set forth, maintain any proper action for the abatement of such nuisance.

SECTION 10 Anything in this ordinance to the contrary notwithstanding, an existing swimming pool that is not enclosed by fence or wall as herein required shall be so enclosed within sixty days of the effective date of this ordinance.

SECTION 11 The several provisions of this ordinance are declared to be severable and the holding as invalid of any section or provision hereof, shall not impair or invalidate the remaining sections or provisions hereof.

SECTION 12 This ordinance shall become effective ten days after publication and posting as required by law.

When the POINTE was growing up

BY PAT TALBOT

Our bustling and thriving shopping-center known as "The Village" began with one country store in 1900 before Kercheval avenue was even in existence.

An enterprising merchant, Max Weivemueller, built a big frame store, behind where Best's stands today. When patrons opened his door, a bell tinkled to announce their presence, and they could purchase anything from kerosene to the new salted crackers just produced.

There were always townfolk sitting on the three or four old cracker barrels swapping yarns and sipping Jersey cream or Wegner's and Vernor's ginger ale. Bread was delivered daily there by a wagon from Detroit and the great wheels of cheese were waiting to be sliced.

The latest in harnesses, horse collars and calico yard goods were also on display. Mr. Weivemueller delivered orders in his horse and buggy, too. During World War I Kercheval was paved and he sold his property to other merchants with an eye to the Pointe's future. But he was the first.

In Jefferson avenue in the early 1900's on the land where the Dodge estate, near Memorial Church, stands today, there was a notion store run by Mrs. Henry, and her shop was also the waiting room for the interurban which turned there for the run up Fisher road and out Grosse Pointe boulevard to the Weir switch station.

About this time, too, Pine Woods, planted on the land Lothrop estate, and stretching through Ridge and Moran roads today, was the home of William Dobson. Mr. Dobson cut quite a figure in the days of the roadhouses, running several different ones. He retired to an old frame home in the midst of the woods which the youngsters believed was haunted.

There he lived with his housekeeper, Anna Messiah, who in her spare time was circulation manager for the newspapers in the Pointe. The newsboys hated to go to her house to pick up their deliveries for they feared her stern visage, her black garbed gauntness, and her "evil eye." Often she sent Mrs. Dobson's niece, a pretty little gold haired lass, with a pony cart to deliver the papers.

Mother and daughter duo, Mrs. Joseph J. Conlisk and daughter, Mrs. Arthur Bruce, lunched together last week at the DAC; Mrs. C. wearing handsome navy light silk suit with tiny conventional print in it, small navy chapeau and two-strand pearl choker. Tailored navy cotton frock with green print design effected in vertical stripes was Mrs. B.'s choice, and a small red hat sat atop her dark locks.

Mrs. Edward J. Moinet in silk navy suit and small round matching hat, joined three bridge-playing friends for luncheon before adjourning to the DAC card-room. Her companions were Mrs. Sherwin A. Hill, Mrs. William L. Davis and Mrs. Dudley Frick, of Birmingham.

Mrs. Philip K. Coe and Mrs. John D. Benfield were a noontime twosome at Grosse Pointe Yacht Club. Hairless Mrs. Coe wore a Florida ensemble, a candy-striped silk sheath with matching shoes and bag topped by pansy-colored sweater tied at the waist. Stuffed several packages she was carrying (and had room for loads more) into intriguing big Spanish wicker toque bag which she had acquired in San Francisco. The oblong-toque, decorated on one-side with pot of bright red geraniums outlined in bulgy bead, was actually designed to carry a poodle . . . so, you know just how much wonderful space it has to fill.

Mrs. Benfield, also minus chapeau, was attired in full-skirted beige linen . . . lovely with her blond curly hair . . . and turquoise sweater.

Mrs. Howard Parsons was a summer picture in sleeveless square-necked white-pique frock, sashed by wide band of pink polished cotton with two streamers reaching the hemline in back.

For recent "do," Mrs. Martin W. Oetting donned pretty wheat batiste dress, its large sailor collar edged in wide white braid . . . the braid repeated at hemline of full-skirt with unpressed pleats. White braid also edged front of her matching short-sleeved sweater.

Mrs. Fred McIntyre chose powder blue fine linen shirtwaist dress with inverted pleats from yoke to waistline in back. Wore white summer jewelry with it and navy and white spectator pumps.

Attractive number in Mrs. Stanley Ernest's wardrobe is her royal blue tissue taffeta with light blue polka dots, short sleeves, V-neckline, and wide crushed cummerbund of matching polka dots.

Mrs. Ralph R. Genter complements a yellow linen dress with lovely little yellow and white straw hat . . .

Subdeb Judy Malmberg looks awfully cute in hand-stitched navy linen frock which she made herself.

Steve Allen was walking down in the clothing district one day when a pair of hands came out of a doorway and dragged him into a shop. Before Steve knew what was happening a little man was selling him a suit.

"Just try it on," the little man said. "Just try it on; it's just right for you. I tell you, you look like a different man. Your best friend wouldn't recognize you in that suit. Just take a walk outside for a minute and get the feel of it."

Steve, dazed, went out of the shop for a second and came back in. The little man came up to him: "Good morning, stranger," he said. "What can I do for you?"

MR. AND MRS. ROBERT J. MCINTOSH OF BEDFORD ROAD

By Kitty Marriott

"Antiques can really be quite practical," says Mary Jo McIntosh, and the comfortable, livable quality of the Bedford road home which she and her husband, Bob, have furnished almost completely with antiques demonstrates the truth of her assertion.

Only recently the McIntoshes completed the move from Alden Park Manor to the spacious English style home, and they're pleased to find that their treasures show off to advantage in the new setting.

Lincoln Sets Tone
The framed and softly lighted picture of Abraham Lincoln which centers the entrance hall directly in front of their vestibule, sets the tone for the McIntosh home. This is the latest piece in Bob's Lincoln collection; a typed note on the marble shelf beneath the picture identifies it as the "June 3, 1860 Campaign Photo of the Presidential Nominee," and the note is flanked by small Lincoln objects.

An old ship's lamp fits perfectly into the wall niche over the fireplace in the McIntosh living room which extends the length of the house. Beside the fireplace stands a huge old copper kettle, in which 19th century families stirred up a year's supply of apple butter.

A huge square pine blanket chest serves as the coffee table. Thereon, candy dishes are balanced atop an old-time iron scale, an iron biscuit mold serves as ash tray, cigars are stashed in the drawer of an old wooden coffee grinder, and an iron candlestick with white candle is the cigar lighter.

One end table used to be a dough trough, and another Bob fashioned from an old log from the Squire Pate home, a historical Lincoln spot in Hancock County, Ky.

Because modern lamps looked almost indecent in the company of so many antiques, Bob designed their lamps himself—bases of living room lamps, for instance, include an old store for coffee grinder, a black iron tea kettle and a railroad switchlight.

White Ironstone Dishes
Walls in the house are antique white, which fits in well with the McIntosh scheme of things.

Sole reproduction in their collection, a magnificent five-foot cherrywood Welsh cupboard which Bob designed from one they saw in Williamsburg, dominates the dining room.

This cupboard holds Mary Jo's new collection of white ironstone dishes with copper luster tea leaf design. The set

is complete, and they treasure most highly the big tureen complete with handles and ladle because it is a difficult piece to obtain intact.

Coin Silver Spoons
Strangely enough, Mary Jo was gathering the ironstone dishes with the tea leaf design long before she discovered that the same dishes are set on the table of the Lincoln home in Springfield.

Her coin silver spoons are suspended from the notched edge of the cupboard shelf.

The big harvest table in the dining room still bears the scars where the pig was butchered upon it for the feast.

The lady of the household did a complete about-face in her kitchen, making it a pink and white confection "like a French ice cream parlor." Pink woodwork against white walls, and pink and white striped awnings above the kitchen windows give a charming effect.

Revise Upper Story
Instead of four bedrooms upstairs, the McIntoshes now have a master bedroom, a guest room, a TV room, and of course, a Lincoln room.

Very novel in the master bedroom is the nine feet wide bed, which Bob and Mary Jo made from two full sized beds with a single headboard of white iron picket fence from New Orleans. A full dimension red spread topped by a colonial white scallop covers the wide, wide bed.

Tables on either side of the bed are supported by the same fencing, and the lamps are fashioned from big old white water pitchers.

Antique Pieces
An antique tone pervades the other bedroom too, with its white iron bedstead, and old spatter cloth tacked to the wall.

Starlighters To Hold Dance

The Starlighters of Our Lady Star of the Sea parish are sponsoring a dance "A Nite in Monte Carlo" in their clubroom in Fairford Road, Friday, September 6, from 9-12.

Johnny Lambert's orchestra will play. There will be refreshments. Donations \$1.

History colors many facts of the McIntoshes' life. Come fall, for instance, they won't give the usual housewarming party.

Instead, they already have the little iron stove set up on the patio whereon they'll cook and ladle up for their guests "burgoo," a steaming stew-like soup, when they hold a real down-to-earth Kentucky style "Burgoo."

Antique Fashions
Mary Jo first realized the practical beauty of antiques when she spent several years in New England. Now besides enjoying the antiques in her own home, she loves to model antique clothes.

Interest in things historical lead her to join the Detroit Historical Museum Guild, where she serves as program chairman.

She is chairman of the September 23 tea and fashion show which the guild is presenting, in which fall 1957 styles will share honors with those of yesterday. She is also a loyal Torch-Drive worker.

LAPSE OF MEMORY

A Lincoln road housewife complained to City police on August 21, that someone had stolen two lead figurines which were standing in her backyard garden. She phoned back several hours later to report that the figurines had been located. She had forgotten that they were sent to be repaired two weeks prior.

She is chairman of the September 23 tea and fashion show which the guild is presenting, in which fall 1957 styles will share honors with those of yesterday. She is also a loyal Torch-Drive worker.
