### HEADLINES of the WEEK As Compiled by the Grosse Pointe News

Thursday May 12  
MINNESOTA DEMOCRAT, Senator Hubert Humphrey, conceded the West Virginia primary election to his rival Jack Kennedy of Massachusetts, yesterday, and then announced that he was no longer a candidate for his party's nomination for President. In the early hours Wednesday morning, with 20 percent of the precinct reports in, Humphrey decided to concede. He then went to the Kennedy headquarters, a few blocks away in Charleston, to congratulate the winner.

Friday, May 13  
THE RUSSIAN HANDLING of the U.S. spy plane incident has raised doubt in the minds of U.S. officials as to how ready the Soviet Union is to talk peace at the East Summit meeting, it was said yesterday. President Eisenhower, according to reports, is prepared to co-operate fully with the other nations at the conference in attempts to ease the worldwide tension. The Russians, however, have demanded an immediate halting of the spy flights by the United States. The flights have been branded "hostile" and the Soviets have threatened to retaliate in the future against the planes.

Saturday, May 14  
AN "OPEN SOCIETIES" plan, under which the United States and Russia would open their doors to each other, is the proposal American officials expect President Eisenhower to offer to Soviet Premier Khrushchev at the Paris summit conference. The plan would do away with the possibilities of a surprise attack by either nation.

It would provide mutual inspection of all facilities. The Big Four summit conference will open in Paris on Monday, May 16, between President Eisenhower, Khrushchev, Britain's Prime Minister Harold Macmillan and French President Charles de Gaulle.

Sunday, May 15  
A SPACE SHIP, with a dummy spaceman aboard, was launched by the Russians this morning, it was announced from Moscow. The launching took place on the eve of the opening of the summit conference in Paris. The space ship is reported to be orbiting 200 miles above the earth. There will be no attempt to bring back the dummy spaceman, however.

The U.S. National Aeronautic and Space Administration sent a congratulatory message to Russian scientist.

Monday, May 16  
AMERICAN SPY-PLANE PILOT Francis G. Powers may face the death penalty, according to two top Russian legal authorities. Powers must be "strictly punished as the gravest criminal, spy and war provocateur." The minimum sentence would be eight years imprisonment, under Soviet law, for his flight over Russian territory that ended in his capture.

Tuesday, May 17  
THE SUMMIT Conference, the long-awaited Paris meeting of the Big Four on which the world has based its hopes of peace, crumbled, yesterday, before impossible demands of Soviet Premier Khrushchev. The Russian leader, playing the U.S. spy plane incident to the hilt, demanded of President Eisenhower, a public apology, cessation of the spy flights, and the punishment of all of those involved in the flights. The President announced that the spy flights had been discontinued, but that the other demands were out of the question.

Wednesday, May 18  
STRIKES BY LONGSHOREMEN in five Great Lakes ports has not increased Detroit dock activity too much, yet, according to officials of Detroit Marine, Detroit Harbor and Nicholson terminals. Detroit longshoremen are members of a different union than those in Erie, Buffalo, Cleveland, Milwaukee and Toledo, where strikes are in effect.

"Do you like butter?" asks MARY MARTHA BECK, seven, as she waves a bunch of big golden dandelions under her little sister's, (KRISTEN, two), chin. Last week's drizzly weather, and finally the sun, hustled the blooming of pretty but lawn damaging dandelions all over the Pointe.

### Will Present School Board Candidates

Robert Weber Will Also Be Heard at Rally Sponsored by Women's Groups and P.T.A.

Citizens of Grosse Pointe are marking Wednesday, May 25, on their calendars when they plan to attend the annual Community School Board Candidate Rally at Grosse Pointe War Memorial Center at 8 p.m. that evening.

This annual Community Rally is sponsored by the High School Mothers' Club, the P.T.A. Council, Grosse Pointe War Memorial Center, and the League of Women Voters. Its purpose is to give every citizen of the Pointe an opportunity to meet and talk with the school board candidates and to learn first hand about his school system. (Continued on Page 2)

### Blames Slippery Road for Crash

Wilfred D. Jackson of 19373 Kingsville, Harper Woods, blamed a wet and slippery road for the accident that caused considerable damage to his car on Wednesday, May 11.

The motorist told Farms police that he was driving south on Moross and was making a right turn onto Lake Shore road, when he lost control. The vehicle slid to the south side of the westbound lane of Lake Shore and slammed into a tree. Police estimated damage to the car at about \$500. No ticket was issued. The automobile had to be towed away.

### Pointe Thespians Judged Winners in Play Contest

Arthur Miller's "Death of a Salesman," the Grosse Pointe Community Theater's entry in last week's Community Theater Festival at the Shubert, was judged the best production among the five competitors. The cast has been invited to present the play in the forthcoming International Freedom Festival on Wednesday, June 29, tentatively scheduled for the Shubert. Under Dean Erskine's direction, this moving drama of 20th Century American values won high praise from CBC Drama Producer Murray Edwards, Festival adjudicator, and from the critics. Special mention went to Russell Wenneken's skillful handling of the difficult role of Willy Loman. The G.P.C.T. will complete

### Clean-Up Week Called Big Success as Most Residents Cooperate in Annual Drive

Barnes School and Sacred Heart Convent Tie for First Place in Cleanest Playground Contest; Parcels and Kerby Also Win Prizes

The judging of the Cleanest Playground Contest on Saturday, May 14, marked the last event in the Grosse Pointe Clean-Up Week. The committee made up of members of the Men's Garden Club of Grosse Pointe included J. Arthur Shimmin, chairman; Harold G. Schorr, Abraham Bodycombe, Lynn Zwickey, Gilbert Douglas and Ralph S. Lombard, club president.

Mr. Shimmin commended all the schools for the effort that had been made to have the playgrounds clean and attractive, in spite of the cold and rainy weather that had plagued the area the whole week.

The committee had been most fair and conscientious in judging. The men divided into two groups for a first inspection of the 21 schools, each group bringing in names of the four top-ranking playgrounds. Then a second tour was made by the entire group to consider these eight schools before the final balloting.

#### TWO TIED FOR FIRST

The results were a tie for first prize between Barnes School and the Convent of the Sacred Heart, so each school will receive three flowering crab trees from the Garden Club Council to plant on their grounds.

Second prize goes to Parcels Junior High, which will receive two flowering crab trees and third prize to Kerby School, which will receive one tree.

Honorable mention will go to Mason, Pierce Junior High, St. Clare de Montefaco and Montelite. In many instances the decision was very close, leaves around a bush or debris in a window well, or a pile of leaves

not removed from the grounds made the difference.

More than 60 complaints were received by the Garden Council on the "Sore-Spot" coupons. There were some duplications. Some, such as the appearance of rats, and property litter were reported to the proper authorities. In other instances, alleys and business areas could be taken care of by owners.

Some lots were cleaned by Gold Hi-Y's and Blue Hi-Y's and others were referred to owners for attention. As many "Sore-Spot" coupons were received late in the second week, it has not been possible to cover all complaints to date, but the municipalities are still following up on certain locations.

#### INSPECTED BY COUNCIL

Members of the Garden Club Council personally inspected every complaint and from this observation would suggest that in many neighborhoods the home owners might have a lot Clean-Up day of their own and in the future, might refrain (Continued on Page 4)

### Ask Police Aid In Finding Cape

Mrs. Carolyn E. Young of 416 Lakeland, is asking the aid of Farms police in recovering her brown mink cape, believed taken by mistake from the checkroom of the Country Club of Detroit. She reported the fur gone on Friday, May 13.

Mrs. Young told police that she was at the club at 12:30 p.m. on Thursday, May 5, and put the fur in the checkroom. When she left the club at 4:30 p.m., she said, she forgot to take the cape. On Sunday, May 8, when she was looking for it at her home, she remembered where she had left it, and called the club. A search of the checkroom by employees failed to locate the cape. She believes someone might have taken the piece by mistake.

The cape has a Roberts Furs label and Mrs. Young's initials "KBV", and is valued at \$2,000. The person who took the cape should call Farms police, TU. 5-2100, or Mrs. Young, TU. 5-0462.

### Mutt Show Revival Is Big Success

More than 100 Dogs Are Judged as Their Young Owners and Many Interested Adults Watch

Although cloudy skies prevailed, no dampened spirits were in evidence Saturday morning when the NEWS fourth annual Grosse Pointe Mutt Show was held on the High School grounds.

All went off like clockwork with Master of Ceremonies George M. Black, Jr. ably assisted by Bruce Chalmers and William K. Muir, opening the show at 9 a.m. Judges Robert Everett, Edward A. Skae and H. Gordon Wood were aided by Police Chiefs Jim Furton and Tom Trombly. There was a big job with over 100 entries and nine classes to handle.

Hardly Any at All  
The first event was the judging of the dog with the longest tail. First place winner was Karen Olesik whose collie's tail measured 19 1/2 inches. Marcia Paarup took second, her dog's tail measuring 18 inches, and Katherine Boales' canine, with a 17 inch tail, won third place.

A tie for first place in the shortest tail class was settled with the toss of a coin. Winner of that event was Frank Bernacki with Kristin and Katherine Beck taking a second place ribbon. Both entries had quarter-inch tails. Robert Knudson's dog won third place, his tail measuring just one inch.

The puppy class was the third to be judged, with five entries, all between the ages of three and eight months. Suzanne and Charles Sillery, a brother and sister team, won the class with their poodle "Gigi." Second place winner was the boxer pup belonging to Bill Demore and another poodle, "Tammie" owned by Bradley Smith, took third prize.

Class Has 63 Entries  
The best-groomed class, largest of all with 63 entries, was judged next. Tommy Stanley, Douglas Dossin and Larry Smith won first, second and third place, respectively. Following the judging of the first four classes, there was an excellent demonstration by members of the teaching staff of the Dog Obedience Training classes, held weekly at the High School. Donald M. Carlson narrated the exhibition which included "sit-stay" commands, jumping and heeling. Most popular with the audience was the next class, "Dog Who Most Resembles His or Her Master." Two-year-old Sherman Campbell took the first place trophy. (All the trophies... (Continued on Page 2)

### Need \$8,500 More To Get Memorial Drive Up to Quota

Tabulation Shows 11,874 Who Have Been Solicited Have Still Not Contributed to Annual Maintenance Campaign

"As of this date the Grosse Pointe War Memorial Association drive to raise \$50,000 to support its operating program for 1960 is \$8,500 short," John W. Paynter, president, stated Tuesday. The Fund Raising Campaign has 11 days remaining.

Where can the needed money come from within the next 11 days? Mr. Paynter reported that the big donations are in. These are from Grosse Pointe citizens who have contributed \$100 or more each year since the Association was founded 10 years ago. In fact, many of these loyal supporters increased their support this year. A total of 3,190 persons have thus far contributed to the drive. Ninety-two per cent of these are persons who have contributed in years past.

Simple Mathematics  
There are a total of 15,064 persons in the five Grosse Pointes who have been asked to contribute to the drive who have received the detailed information about the purpose and activity of the Grosse Pointe War Memorial.

"The mathematics are simple; subtract 3,190 from 15,064 and you have 11,874 who have failed to contribute to the drive," Mr. Paynter said. "It is you 11,874 who we are counting on to put us over the top. May we count on your help?"

You may send your check to the Grosse Pointe War Memorial Association, 32 Lake Shore Road, Grosse Pointe 36, Mich. The Association wishes to extend their sincere thanks to the following additional donors whose gifts have been received:

April 28  
Fred E. Duemling, Mr. and Mrs. Odilon S. Damas, Mr. and Mrs. E. Zekstrand.  
Robert G. Eisey, Mr. and Mrs. Benson Ford, Mr. and Mrs. Frank Frischkorn, Mr. E. J. (Continued on Page 11)

### Driver Hits Parked Cars

Howard Havers, 70, of 271 Kenwood court, was ticketed by Farms police on Wednesday, May 11, when he lost control of his car and damaged two others parked in front of 237 Chalfont road.

Police said that Havers claimed someone had run into him and wanted to know what happened. He had been drinking, police said. Havers was driving west on Chalfont, according to police, when he lost control and rammed into the rear of a car owned by Eleanor Banker of 22957 Lee court, St. Clair Shores, which in turn was pushed into the rear of a car owned by Margaret R. Driscoll of 270 Riverside drive, Detroit. Police estimated damage to Havers car at about \$300, the first woman's car, \$200, and the second woman's car, about \$50.

Havers was given a ticket for not having his car under control and causing a property damage accident.

### Services on Memorial Day To Honor Dead of Two Wars

The Grosse Pointe War Memorial Association will honor all Grosse Pointers who gave their lives in World War I and Korea at an 11 o'clock service Monday morning, May 30, the official Memorial Day. The ceremony will be held in the natural amphitheater of the Center's formal Memorial Gardens, weather permitting. In case of rain the service will be held as scheduled, indoors.

Frank Carlo, Commander of American Legion, Alger Post 303, will be chairman of the day. Assisting him will be Theodore Corbett of Post 995 V.F.W. who is arranging for the color guard, firing squad and bugler. Sea Explorer Ship 690 based at the War Memorial will raise and half-mast the colors at 10:45 a. m. prior to the service. The service proper will be

### Statement Issued by Attorneys

Attorney General Adams Charged with Staging Political Circus for Publicity

The "alleged" hearings in the much publicized Grosse Pointe Screening case came to a flamboyant close last week in a setting that had many of the characteristics of a television spectacular. State Attorney General Paul Adams called the practice "immoral" and ordered its abandonment within 30 days.

On Monday the organizations involved issued a joint statement, through their attorneys, blasting the conduct of the hearings and continuing their plea for enlightenment as to just what charges their clients face. The complete statement follows:

The Statement  
The following is a joint statement of the Grosse Pointe Property Owners Association and the Grosse Pointe Brokers Association in connection with the Attorney General's investigation of these corporations and their activities, and the events of last Friday, May 13, 1960.

We have read with a great deal of mystification the reported statement of the Attorney General of the State of Michigan which we understand was made for the benefit of television and radio facilities on Friday, May 13, 1960. This so-called statement, which has never been provided the corporations or their counsel, appears to be an ill-considered collection of disjointed platitudes and deliberate misstatements of fact.

We have the following comments to make:

FIRST: AS TO THE INVESTIGATION AS A WHOLE. These corporations, through their respective attorneys, demanded that they be informed (1) who instigated the hearings and (2) what they were being accused of doing which was illegal. Neither Mr. Adams nor Mr. Gubow would answer these questions, and as of today, they remain unanswered. At the opening of the hearings, we stated that this investigation was purely political and charged the Attorney General with "unfit actions unbecoming the chief law enforcement officer of this state." The manner in which 17 witnesses, 92 exhibits, three minute books, and a bushel basket of other records were handled thoroughly confirmed our original suspicions. On Thursday afternoon, the attorneys for these corporations were informed to have available on Friday, 21 witnesses who had been subpoenaed.

After hearing only two witnesses on Friday morning, it was subsequently learned that during the noon recess, the Attorney General, after agreeing not to do so at the opening of this hearing, called all Detroit radio and television stations to bring their equipment to the hearing room at 3:00 p.m.

When the attorneys for these corporations returned at the adjourned time of 1:30 p.m., they were told to return at 3 without any explanation. On returning, they found the hearing room empty. (Continued on Page 2)

### Woods to Start Bike Inspections

Woods Patrolman Jack Mast, school safety officer, announced that he will start his department's bicycle safety inspection next week. He disclosed the following schedule:

On Monday, May 23—Monteith School, at 9 a.m.; Our Lady Star of the Sea, at 1 p.m. Tuesday, May 24—Barnes School, 9 a.m. Thursday, May 26—Ferry School, 9 a.m.; Parcels Junior High School, 1 p.m. Friday, May 27—Mason School, 9 a.m. Officer Mast said that this year, instead of bicycles being given as first prizes to winners of the inspection contest, baseball gloves and baseballs will be the prizes for boys and badminton sets will be given to girls.

### Candidates

(Continued from Page 1) and the functions of the school board.

Running for places on the school board in the June school board election will be incumbents Franklin Dougherty and C. Henry Haberkorn III, and a new candidate, George R. Wallace.

Robert Weber, president of the Board of Education of the Grosse Pointe Public School System, will talk on the duties of the School Board.

Mrs. Carl J. Fischer, Jr., Voters Service Chairman of the League of Women Voters, will preside at the meeting and introduce the candidates. "Here is a chance for every voter to prepare for the June election by informing himself on the candidates and issues," said Mrs. Fisher.

### Mutt Show

(Continued from Page 1) phies were handsomely done in gold and wood, and engraved. They were donated by Mrs. Lee Meyer. Sidonie Dossin was a close second with Kristin and Katherine Beck taking another ribbon with a third place.

**He Had Biggest Dog**

Rip O'Dell's dog won the largest dog category, measuring 27 inches high. Karen Oleksik's collie was second, at 24 inches and Katherine Boalas won third place, her dog standing 16 1/2 inches tall.

Bill Chope had the smallest dog in the show, with Frank Bernacki taking a second in that class, and Sidonie Dossin a third.

The last event in the show was the "Dog with the Most Doubtful Ancestry." This fun-class had 23 entries, all of

whom might have won. The judges finally decided on "Butch" Monroe for first place, and an interesting note is that this dog, 18 years old, is the only one to have been in all four Mutt Shows. Nancy McDonald's mutt took a second place ribbon and Rob Berkenridge's, third.

Following the distribution of sample dog food to all entrants, the GROSSE POINTE NEWS Mutt Show was wrapped up until next spring.

## Property Groups Defy Edicts

(Continued from Page 1) ing room set up like a television studio with its bright lights and cameras. Without any warning whatsoever, the Commissioner adjourned the hearing and the Attorney General made his statement for the benefit of the press and television, after counsel for these corporations had refused to remain or become a part of this cheap political circus to further the personal political ambition of the Attorney General. No consideration or even the barest courtesy was shown counsel or the remaining 19 witnesses who had been ordered to appear. The public's keen sense of fair play would and should be shocked at such a performance. It reeked of political showmanship and nothing else. By this conduct the Attorney General has succeeded in denying these organizations the right to properly defend themselves in the lawsuits presently pending in the Circuit Courts of St. Clair and Wayne Counties. This, in spite of the Attorney General's

full knowledge of all the facts.

**SECOND: AS TO THE 3 1/2-PAGE STATEMENT ISSUED BY THE ATTORNEY GENERAL:** Several points should be clearly made and understood in connection with that statement:

A. The uncontradicted facts brought out at the hearing are:

1. The reference report program is purely an ADVISORY PLAN to inform sellers to whom they are selling.
2. There is NO committee or group of individuals that refuse or veto sales to anyone.
3. ALL offers to purchase property in Grosse Pointe are delivered to sellers and they alone make the decision to sell or not.
4. Less than 1% of the sales in Grosse Pointe are involved in the Reference Report System.

B. The legal issues are clearly defined:

1. Does a property owner have a right to sell to whom ever he wants?
2. Can a property owner inquire or ask for a reference report on an individual who is making an offer to purchase his property?
3. Can a Michigan corporation composed of property owners in this community pay for such a reference report? These corporations have said and still say that these three questions must be answered in the affirmative under the present law.
4. There is no violation of any law alleged or established on the part of the Grosse Pointe Property Owners Association nor the Grosse Pointe Brokers Association. These corporations again ask and, in fact, demand to be informed of the specific laws which the Attorney General claims have been violated. Unless this is done, it will be an actual impossibility for these corporations to decide what ac-

tion they should take in further considerations of the threats of the Attorney General. "They want," to quote the Attorney General, "to know that of which they have been accused."

D. The Attorney General's personal appraisal of the morality of the citizens of the State of Michigan in this election year is his own right, which cannot and will not be forced upon the public or upon any individual by virtue of his exploiting the high office which he holds. These organizations and individuals categorically reject the Attorney General's personal opinion of "morally corrupt" and "wholly immoral" are only his personal conclusions without reference to the facts and responsibilities of brokers to the sellers and purchasers of property. Does not the broker have a moral responsibility to the seller and his neighbors to protect their property values and not favor one (the purchasers) and hurt the many (the seller and his neighbors)? There are obviously two sides to the issue. Mr. Adams has pointedly avoided the brokers' side, although it was

adequately brought out in the testimony. The use of this half-truth by Mr. Adams is clearly improper.

E. Under threat of further prosecution, the Attorney General has announced a program that must be followed by these corporations. The full analysis of this will have to wait until the corporations are officially notified and the charges specifically stated, and the exact wording studied. Until this is received, no consideration of notification or abandonment of the reference report plan could be contemplated.

In conclusion, the Grosse Pointe Property Owners Association and the Grosse Pointe Brokers Association do not intend to go out of business just because the Attorney General, for political purposes, threatens them with further embarrassment or prosecution without stating in specific terms that they have violated the laws of

the State of Michigan. The continued welfare of the communities in which these organizations function is and will continue to be their concern and reason for existence.

**Wayne Professor Guest at GPHS**

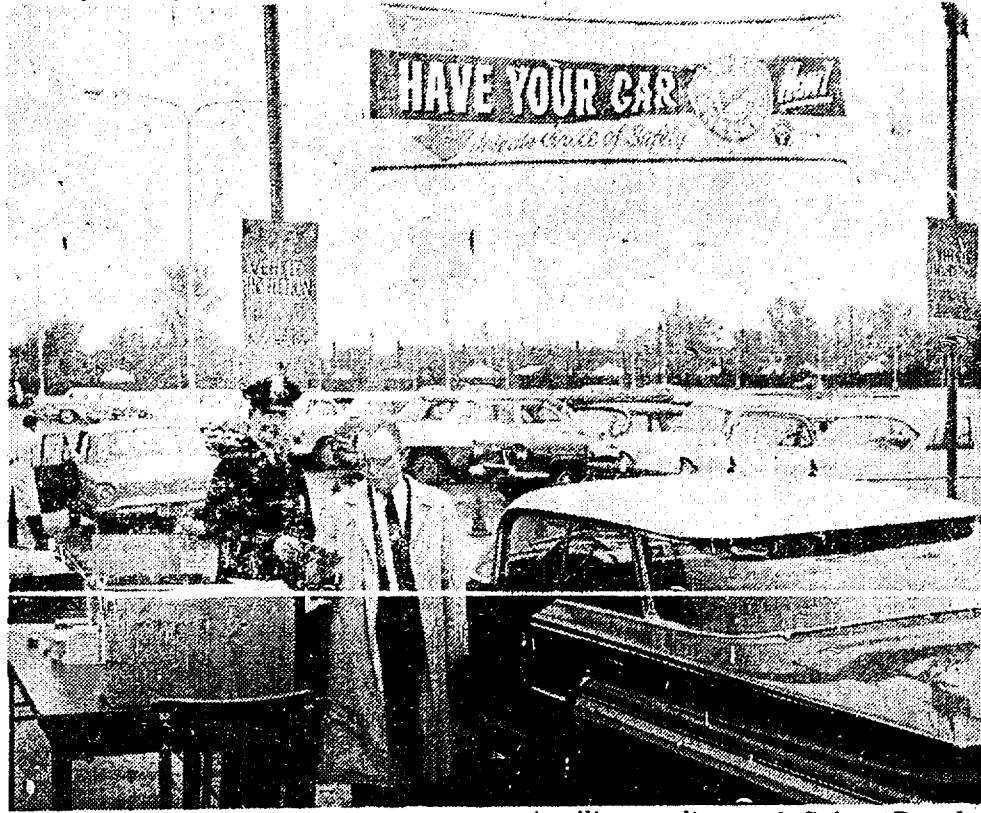

"Professor H. Linn Edsall of Wayne State University served as a member of the foreign language staff at Grosse Pointe High all of one day recently. He met with most of the classes studying French.

This visit is another of a series arranged annually wherein college teachers visit the local school system and teach classes much as they would their regular college sections. Dr. Edsall met with Grosse Pointe pupils studying at all levels — honors class, 2nd year French sections, beginners, and others. At the end of the day he met with the High School teachers for about an hour to discuss and evaluate the experience.

High School principal Jerry J. Gerich reported the following reaction from Dr. Edsall, "I want you to know that I was most impressed with the attitude and achievement of your students. I felt that the honors class was a particularly outstanding group."

Mr. Gerich stated that he and his staff felt the experience was a most worthwhile one for all concerned in view of the fact that a large percentage of such students go on to a college career.

**They Opened Woods' Car Safety Program**

WOODS COUNCILMAN KENNETH McLEOD and PATROLMAN JACK MAST, city safety officer, started the car safety checking program behind the Woods Theater, on Saturday, May 14. Officer Mast supervised the work of three mechanics in checking a total of 968 vehicles, of which 194 failed to pass the 10-point inspection. Motorists, mostly from the Pointe, shopping in the Mack-Seven Business area, voluntarily brought in their cars for the inspection, which lasted from 9 a.m. to 5 p.m. Pointe

Auxiliary police, and Safety Patrol boys from Woods schools aided in passing out safety literature to the motorists who were lined up waiting to have their cars gone over. Prizes, donated by the area businessmen, were given to every 100th driver in line. The program was under the sponsorship of the National Vehicle Safety Check Communities, Washington, D.C., of which the Woods is a member. "Safety Checked" stickers were attached to cars that passed the inspection.

The new patrolman completed his high school education while in the service. He is married. Chief Louwers said that LaLonde will be a probationary employe for a period of two years before he becomes a regular.

Clean-Up Called Success

(Continued from Page 1) themselves or instruct those who cut their grass, from dumping clippings or trimmings in the adjacent lot.

Council members also saw some lots which would make attractive little parks or recreation areas with a bit of neighborhood interest and co-operation, adding further to the general beauty of the Pointe.

The Litterbags, made by the League for the Handicapped, will continue to be sold at the bargain price of 39 cents for a limited time in the three Wrigley stores, the Farms Market and Harkness Pharmacy. So there is still opportunity to equip your car and home with these handy catch-alls.

**LITTERING BIG PROBLEM**  
In spite of the beauty and cleanliness in general in the Pointe, "Littering" still remains the number one problem. The municipalities have promised more containers for strategic spots, such as main bus stops and drug store corners. However, what use is container if it is not used for litter? Continued education for both the

young and old still seems to be needed.

Among the complaints the Council received from residents were the following:

1. The movie goers who scatter paper, bags, cigaret wrappers, gum wrappers, etc., on the side-walk as they leave the theater.
2. The same carelessness in front of drug stores and the tendency of school children who stop at a store on the way home, then shed candy and gum wrappers or ice cream papers a block away on residents' lawns.

3. Shops sweeping debris from sidewalk into street early in the morning. Before it can be cleaned up, cars are parked at the curb and rubbish remains under cars. (If sidewalk litter were put immediately into containers, this could be avoided.)

**COUNCIL IS GRATEFUL**  
The Council wishes to express its gratitude to all who participated in the Clean-Up effort; the youngsters, the service groups, the municipalities, Police and Fire Departments, Health Department, merchants, and all the unsung heroes among the homeowners, who raked and spaded and cleaned to keep Grosse Pointe increasingly beautiful and a community of which to be proud.

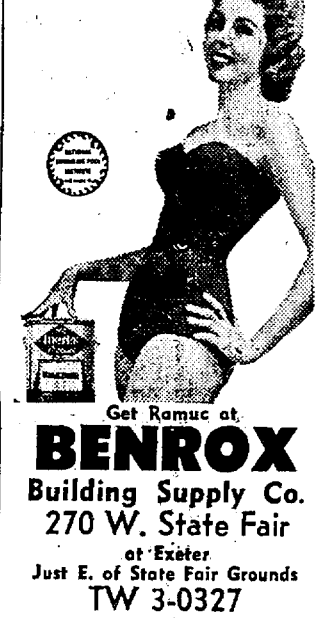

"Good Humor man" Frank Garner is an example to all. Not only does he admonish each small purchaser to be sure to put the papers in the proper place, but if he finds any debris from his truck, he carefully picks up not only that, but other nearby paper.

Last week as an additional personal contribution to the drive, he brought a leaf rake and cleaned up the grounds of the Central Library.

Center to Hold Display of Art

Grosse Pointe War Memorial art pupils who have been studying at the Center under Professor Jerome Kamrowski from the University of Michigan, Professor Marco Nobili of the Society of Arts and Crafts, Margherita Loud, and Mrs. Chris Komp of the Extension Services of the Detroit Institute of Arts will exhibit their paintings and art work in the second floor display rooms of the Center beginning Saturday, May 21, and continuing through June 4.

Though the Center is open days and evenings except Sundays when the hours are noon to 5 p.m., it is always wise to call the Center before coming to view the exhibits as the rooms are sometimes occupied by meetings. There is, of course, no charge.

This exhibit will offer a wide range of work from the professional paintings of the prominent internationally known instructors to the fanciful expressions of the youngest preschooler in Mrs. Komp's class. Jerome Kamrowski, whose students comprise the advance painting class and are for the most part recognized artists in their own stead, is decided by avant garde and one of the leaders of the surrealist movement in the world. His students work on display. Together with abstracts.

Marco Nobili, who teaches the intermediate painters and an evening class of beginners, is of the Italian school of art of gentler expression. His students will have the largest number of works on display. Together with their master's works there will be 35 of their paintings on display.

Margherita Loud, formerly of the Cocoran Galleries in

Washington D.C., conducts very popular children's classes at the Center and her students, ages 7 through 14, will display some highly imaginative work in all sorts of media from oils to wire sculpture.

Work by pre-school infants, ages 3-5, and their mothers will be displayed by Mrs. Chris Komp and the Extension Services of the Detroit Institute of Arts who twice a year hold pre-school classes at the Center in

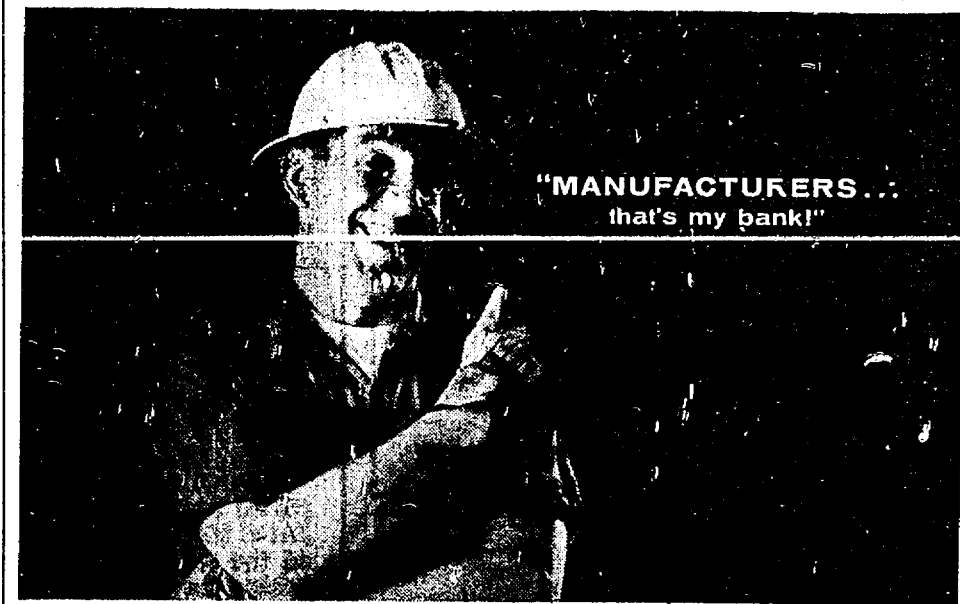

Richard Scouts Plant Shrubs

Arbor day was observed by nine Girl Scout and Brownie troops from Richard School, last Tuesday, May 19, at the troops each presented a shrub for planting in McMillan field, across McMillan road from the school.

The sixth grade color guard presented the colors and the groups joined together to sing cooperation with the Memorial Association.

"America the Beautiful." Then, each group in turn read a poem or sang a song to dedicate their particular shrub. The unison singing of "Taps" concluded the ceremony, and the same 125 girls, all in uniform, paraded back to classes.

Arbor Day is observed in every state in the Union and is an official day in six states. Nebraska was the first to hold an Arbor Day, on April 10, 1872. (Continued on Page 10)

### Businessmen's Association Holds Installation Party

Approximately 170 persons attended the 12th Annual Installation Party of Grosse Pointe Businessmen's Association held at the Lochmoor Country Club Saturday evening, May 14.

Businessmen and their guests witnessed the installation of the organization's officers for 1960-61, and heard the oaths of office administered by David E. McCarron, past president and master of ceremonies.

Guiding the association for a year will be Robert J. Wilcox, president; Albert D. Thomas, vice president; Margaret Rice, secretary; and Clayton Alandt, treasurer.

The Board of Directors includes Norman Kopperschmidt, who as retiring president is automatically a member of the board; Ted Ewald, Ralph Kirchner, Thomas Offer and Cyril Verbrugge.

### Church Offers Vesper Service

The Grosse Pointe Memorial Presbyterian Church will hold its Spring Vesper Service this Sunday afternoon, May 22, at 3:30 p.m. in the church sanctuary. The newly formed Adult Vesper Choir will make its first appearance singing from the rear balcony.

The service will open with a new work by Theron Kirk, "O Come, Let Us Sing," (1959) using the combined voices of the Junior, Senior, Vesper and Chancel Choirs which number about 200 singers. A brilliant accompaniment for this anthem will be provided on the new Sheldon Memorial organ augmented by a brass quartet, tympani and cymbals. Max Davey, John Shev, James Byrnes, and Ronald Grabke of Wayne State University comprise the quartet with Greg Taubeneck and Patricia Henry, members of the Senior Choir, playing tympani and cymbals.

The Junior and Vesper Choirs will sing antiphonally two Bach chorales "O Savior Sweet" and "Thee With Tender Care I'll Cherish". Faure's "Sanctus" for two-part treble voices has been selected for the Junior Choir. The Senior Choir girls will sing a typical Handelian work "O Lovely Peace" with organ accompaniment making use of the baroque tonal color of the new Sheldon Memorial Organ. "A Hymn of Freedom" by Thiman will give contrast with its stirring counterpoint lines divided between the energetic voices of the treble and bass of the Senior Choir.

The eight-voice professional Chancel Choir has prepared a group of three anthems representing the Hebrew, Catholic and Protestant faiths. These are Bloch's "O Lord, May the Words of My Mouth," "O Sons and Daughters," by Leising, and "Jesus Christ Our Strong Salvation" by Jan Hus. From the contemporary idiom the brass quartet will play the dramatic "The March and Siege of Jericho" by Robert Sanders. Mendelssohn's "He, Watching Over Israel" has been prepared by the Vesper Choir. For the active participation of the congregation a responsive reading and hymns with accompaniment of the instrumentalists have been included in the service.

Fingerprint files begun by the Michigan State Police in 1921 now contain more than four million sets of prints. A little more than half of these are classified as criminal. The state bureau was set up before the FBI's file was established.

What Goes On at Your Library

by Jean Taylor

This is Michigan Week and we find there is much to learn about the Water Wonderland, which cannot be gleaned from the travel folders.

A knowledge and understanding of a country, state or city comes, frequently, not from books which dwell on dates or dry-as-dust facts, but rather from the legends, folklore, biography and fiction which brings a certain locality to life in a way that the purely factual book fails to do.

Dana T. Bowen has written three books of the Great Lakes region including Michigan, "Lore of the Lakes," "Memories of the Lakes," and "Shipwrecks of the Lakes." After traversing the new Seaway via such books as Frederick Whitlark's "Introduction to the Great Lakes and St. Lawrence Seaway," or viewing the Mackinac bridge through L. A. Rubin's "Mighty Mac," it is interesting to return to Dana Bowen's books about the early shipping days.

"Years of Eden" by Gordon Webber is a beautifully written recording of a Michigan farm boy's adolescent years, in the 1920's.

War-time Detroit is the setting of Harriette Arnow's powerful novel "The Dollmaker," a best seller of a few years ago.

Present-day novels about Michigan are not numerous, although we have a good crop of current Michigan authors.

More than half the Great Lakes shore line in the United States belongs to Michigan; Lake Michigan is the only one of the five Great Lakes that lies entirely within the border of the United States.

Several books which give a good picture of Michigan in an earlier era are now out of print, but your library still has some copies.

Stewart Edward White's "Blazed Trail" gives a realistic description of life in a logging camp at the turn of the century.

Between the two world wars, Arthur Pond wrote "Once a Wilderness," a family chronicle set against the backdrop of a large Michigan farm.

Letters to the Editor

Dear Sir: Concerning the Grosse Pointe point system, I agree completely with John G. Conley and Mary Joanne Perkins whose letters you printed on May 12.

When there is a great divergence in one's daily living from avowed beliefs, happiness cannot result no matter what the cultural backgrounds of the neighbors may be.

Sincerely, Donna Hodgman 579 Neff Road

To the Editor: By clamor and by censure and by letters to the press, many have heaped condemnation upon the Grosse Pointe Property Owner's Association.

I do not believe this condemnation would exist if the true nature of the situation were generally understood.

We have only to look around us to see many residents of widely varied backgrounds, incomes, social interests and national origins, and we have managed to maintain a degree of excellence that makes Grosse Pointe one of the most beautiful suburbs of the Detroit area.

This is not so of many once beautiful sections of the City of Detroit. Friends from California who are former residents of Detroit, recently visited their former home-sites and came away sick at the sight.

I have always believed, and I have been told by clergymen, that the churches everywhere are struggling with other phases of the same problem that the real estate brokers are involved with.

I believe one of the main objectives of the Christian Church is to dispel human prejudices by application of the Christian principle, kindness. The abuse recently heaped on the real estate brokers by persons having motives of their own seems to me like an unfair, unkind attempt to ignore the widely recognized issue in order to unload the sins of the world on the real estate men's shoulders.

There are other attractive suburbs beside Grosse Pointe in the Detroit area and it is generally known that each has at least one organization as well as watchful realtors whose purpose is to guard the sale of property in those locations.

What's New on THE HILL...

By ROBERTA

IT DOESN'T TAKE much imagination to know that fruit punch and "the hill" have something in common... so many different ingredients. Read on and see what we mean.

IT'S THOSE SIREN travel posters AND Chet Sampson that make us want to rush in and book passage to anywhere. That world traveler, we are told, has just returned from Jamaica and will be off to Russia shortly. And it's true you can book passage to anywhere. Right now they're planning a Sea Safari that will travel four continents and 19 ports. Lasts for sixty-one days. Covers South America and the Mediterranean. Begins September 29. Ah-h-h-- that's the life.

CONVERSATION PIECE... the fragile looking white organdy linen appliqued dinner cloth... three yards in length... sparkled with muted shades of pink carnations... matching napkins... in the window at 104 Kercheval, Top 'O The Hill. One hundred and ten pieces of your folding money will purchase the set.

HOW CHIC you'll look as you float off to the dance in a lush print or checked cotton gown from Irving's, Little Shop. Take heart. The fashions you find in the Little Shop are moderately priced.

WAITING... impatiently, of course, for the opening of Al Greens.

FAN FARE. The old collection of fans in Maurice Wood's are real antiques. Mother of pearl and gold lace decorate the Louis XVI one. Semi-precious stones adorn others. Most are ball fans. And, speaking of antiques, he has a collection of ivory elephants and a 1815 vintage of a tea caddy of inlaid satin wood. All lovely to see and to own.

FERNS, MONEY-PLANTS, and butterflies decorate the foam rubber black plastic mats we saw at the Top 'O The Hill. Interesting plastic serving bowls and trays match some. Colors to match almost every decor in both the place mats and serving pieces are available.

WE'RE HEISTLING today... the weather's warmer... and there she goes. She is a Pointer. She is the woman other women copy... she is flaunting her hair-do, in a nice way, of course. She came from Anthony's, on the hill... perfectly groomed.

CHERRY BLOSSOMS always make a pretty picture... they are good patterns on materials. We saw a duster, oh, so lightly, sprinkled with them at Martha Lawrence, above the National Bank Bldg. Along with a hostess robe... nightgowns (darling, and just eight ninety-five)... a drip dry cotton slip for the same price caught our eye, too.

THAT HUGH PIG TUREEN... the Jack Shepard pitcher... the lamps... the picture frames... the breakfast trays... the handsome glass pitchers that are Williamsburgh Reproductions make wonderful wedding and shower gifts. These are just a few wonderful things for brides in the League Shop. They want to remind you to make use of the Bridal Registry for your china, crystal, and silver patterns.

MR. KLEEN, our handyman on the hill, is suffering from arthritis. Sorry.

IT'S A FACT... the Maple trees are in bloom, on the hill.

IF YOUR CAR RIDES like an antique this might be the time to change. The place to buy it is at Frank Adam's, on the hill, where courtesy and integrity, is so common. Whether you love the luxury of a Lincoln or prefer the popular compact, Comet, you will find them here.

A VOTRE SANTE! TO YOUR HEALTH! We are toasting the Frenchmen because one in seven earns a living making wine. Let's toast his father, and his father's father, for way back in time men have been tending vineyards on the sunny soil of France. The Rose wines are those popular warm weather ones. They are so-o-o light and should be served chilled. Hamlin's, on the hill, feature Rose wines from the Rhone Valley, Bordeaux, Portugal, and Italy.

DREAMS COME TRUE when you buy or sell a home from one of the Real Estate Companies on the hill.

### Safety Patrols to Attend Tiger-Yankee Ball Game

More than 500 Safety Patrol Boys from the public, private and parochial schools of the Pointe and Harper Woods will be treated to their annual reward for performing an excellent job during the school year.

The reward will be the attendance at Briggs Stadium on Wednesday, May 25, to see the game between the Detroit Tigers and the New York Yankees. Added to this, the event will be on a school day, to give more zest to the outing, and the train of buses will be given an escort all the way to the stadium by Detroit motorcycle police.

Tickets for the game were obtained by Patrolman George Blair, Park school safety officer, who with the cooperation of the safety officers of the other Pointes and Harper Woods, made the affair possible.

The other safety officers are: City Police Sgt. Douglas Allor; Farms Patrolman Joseph Miller, Woods Patrolman Jack Mast, and Harper Woods Patrolman William Maier.

Nine DSR buses have been chartered to take the Safety Boys and the officers to the stadium by Detroit.

### League to Hear Admiral Dodson

Rear Admiral Oscar H. Dodson, USN (Retired) will be guest speaker at the banquet and annual meeting of the Grosse Pointe Cinema League, which will take place at the Grosse Pointe War Memorial on Thursday, May 26, at 6:30.

Admiral Dodson's talk, "Where is the Soviet Union Going?" will be illustrated with his own colored slides.

Since his graduation from the United States Naval Academy at Annapolis in 1927, Admiral Dodson has served with the Navy in China, Japan, Philippines, and Malaya, and for two years was Chief of Staff in the Navy Section, U.S. Military Aid Group, in Greece.

During World War II, he participated in 13 major Pacific engagements, including the Battles of Midway, Santa Cruz, Guadalcanal, and Philippine Sea.

He was communications officer on the USS Hornet, which launched the famous Doolittle Raid, and was on the Hornet when the carrier was sunk at Santa Cruz. Admiral Dodson was awarded the Silver Star Medal, in addition to three Presidential Unit Citations.

Since his retirement from Naval Service in 1957, the Admiral has not been idle. He was appointed Assistant Professor of History at the University of Illinois, where he lectured on Greece, Rome and modern Europe.

A favorite hobby of coin collecting, which began at the early age of 13, has led to his becoming an international authority on the subject. He is now serving his second term as president of the American Numismatic Association, and at present is director of the unique new Money Museum, which opened to the public May 2, on the mezzanine floor of the National Bank Building of Detroit.

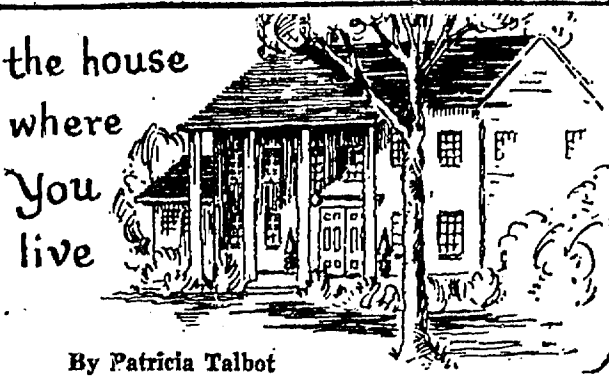

Admiral Dodson is a member of the Hobbies Committee of President Eisenhower's People-to-People Program, as well as numerous professional and fraternal organizations in Europe and the United States.

Another hobby, photography, will be evidenced by the colored slides Admiral Dodson will show to the Cinema League, which were taken during a three week tour of the Soviet Union.

The Grosse Pointe public is cordially invited to attend this banquet. Dinner reservations at \$2.75 each are necessary three days in advance for admission to the program.

This meeting will close the Grosse Pointe Cinema League's program season until September. New officers for the coming year will be elected, and the financial report for the past season will be read.

Further information as to the Cinema League and its activities may be had by calling the Center, TUxedo 1-7511.

Every Monday and Thursday in Mrs. Lowrey Kammer's Lothrop road home talented ladies of Christ Church meet to work on objets d'art for the big Fair scheduled for November 10. Currently Mrs. Elliott Phillips is painting china, that old fashioned art. She transfers designs from rare Lowestoft to modern white china, creates quite an effect. . . . At Miller Hall on Tuesday morning members of the House Beautiful booth are working on needlepoint. . . . latest idea, needlepoint bindings for desk blotters.

A reminder to those matrons who want a peek at some splendid kitchens. . . this Friday the Cottage Hospital Women's Auxillary is sponsoring a tour of seven culinary departments as we have mentioned before. Tickets are available from Mrs. Tom Zurschmiede, of Whitcomb drive. . . one of the "party perfect" kitchens is the blue-green room in Mrs. Byron B. Phillipps' Sheldon road home. . . fruitwood cabinets, and a desk and table to match. . . stainless steel throughout for appliances, and a charming blue-green provincial print for the wallpaper. . . The Phillipps' Georgian home has a soothing beige monochromatic living room scheme.

The Carter Sales have been building a new home in the Deeplands subdivision. . . Mr. S. is quite a sailor and the tiles about their blue and white bedroom fireplace are all momentoes of his various races and trophies.

An old French Canadian door with its panes of bubbly glass is the keynote in the French provincial living-dining room of the Wilfred S. Teetzel home in Sunset lane. The room, done in creamy green with rose accents, boast two fireplaces. . . Mr. T. grills steak all winter long in the waist high fireplace at one end of the living room. . . both fireplaces are faced with old brick.

Grosse Pointe's fame as the site of lovely homes has spread far and wide. . . in the hills of Vermont near Middlebury lives Mrs. Charles Swift, widow of a cousin of the late Mrs. Fred T. Appropriately enough Mrs. Meredith Randall, president of the Garden Center, has designed a lovely green walled garden in her Kenwood court home, the whole scene may be viewed from her glass enclosed terrace.

So many appreciative readers were interested in the lovely picture in last week's issue of the gardens of the Allan Sheldens III, of Provencal road. . . many wondered who the landscape architect was. . . none other than E. (Continued from Page 8)  
already in Massachusetts, Connecticut, Colorado, New York and Oregon. It was introduced in thirteen state legislatures (including Michigan) last year and would have passed in Rhode Island except for the vigorous opposition of a great Constitutional lawyer (Robert E. Dresser) in Providence. Watch for it in the next session of your legislature."

These so-called Civil Rights bills have been introduced in the last four sessions of the Michigan State Legislature and were narrowly retained in Committee each time. Knowing Michigan politics, one can imagine what would have happened if they had reached the floor.

Understanding this, one can readily see how the "screening process" provided not only a convenient SMOKE SCREEN but also a cause celebre' to discredit Grosse Pointe and to cause farm-minded people unwittingly to join in a conspiracy against themselves.

The Grosse Pointe News has dealt fairly with the case, but other newspapers have seized

upon those aspects which could be easily distorted in order to "stir up the people" thus furthering the possibility of legislation that would be restrictive even to the newspapers themselves, for these bills contain a clause regulatory as to the mentioning of race, color, national origins and religion, in the Press.

I feel confident that when the ulterior motives of the pressure groups behind this attack are widely known, people everywhere will rally to the cause of those who are only trying to protect their Constitutional rights of property.

AVALO B. PETRI,  
Handy Road.

To the Editor:

An article in the May 12th edition of your newspaper incorrectly reported the results of the last election on fluoridation in Grosse Pointe Farms. The article also incorrectly stated that the vote "forced" the Farms council to discontinue the fluoridation of their water supply.

For the record the last election in Grosse Pointe Farms concerning fluoridation had a majority of the voters favoring the continuation of the fluoridation of their water supply.

However, the petitions asking for this election on fluoridation lacked a sufficient number of signatures to put the issue on the ballot and thereby make the election results mandatory. The Farms council allowed the issue to be put on the ballot only as an advisory vote. The election results could not be binding to the Farms council because of the lack of sufficient signatures on the petitions.

The Farms council reserved the legal right to make the final decisions regardless of the advisory election results.

The majority of the election vote favored the continuation of fluoridation. After the election the Farms council used its legal right to go against the advisory majority vote and discontinue the fluoridation of the water supply. The Farms council apparently took this action because of the high emotional feelings created by the election. When people become emotionally biased on an issue no amount of logical reason will convince them of the benefits and good health of any public health program.

As it stands today the Farms council has the legal right to start fluoridating the com-

munity water supply at any time in the future.

While speaking of legal rights it is interesting to note that all court cases involving fluoridation have always had a final verdict by State Supreme Courts favorable to fluoridation. It would seem that the statements by anti-fluoridation dissenters cannot stand up to knowledgeable cross examination in a court of law.

Most sincerely,  
Richard E. Pear, D.D.S.

# Mutt Show Offered Little Bit of Everything

Those who missed the renewal of the Grosse Pointe News Annual Mutt Show last Saturday on the High School football field missed a lot of fun and laughs.

As shown in the top row of pictures from left, it drizzled a little bit but it didn't dampen the action or spirit as shown in the over-all scene. One smart pooch took cover under his owner's raincoat.

The second row from left shows it was a family affair like the D A N BECKS, whose mutt lost out on the shortest tail prize by a flip of a coin. High jumpers highlighted the dog obedience exhibition as seen in the second picture. CHRISTINE and BOBBY EVERETT agreed their English bulldog LORD BYRON OF BRYSDRIVE was so homely that he is cute. Master of Ceremonies G E O R G E M. BLACK, JR., had his hands full trying to get kids and dogs assembled for the numerous events and Police chiefs JIM FURTON (Farms) and TOM TROMBLY (City) express anxiety as they attempt to find the shortest tailed dog.

The third row from left shows a remarkable resemblance between freckle faced, red headed SIDONIE DAWSON and her carrot topped pooch CHIP. BILLY MONRO almost keeled over when the judges awarded his 18-year old mutt BUTCH the prize for having the most doubtful ancestry. Butch already held the distinction of being the only veteran to appear in all the shows. He was in the first show in 1948. RICKY TRAFTON and CORKY, right, learned the value of punctuality when they arrived too late for the judging of the resemblance event.

Bottom row from left MRS. CAMPBELL and SHERMAN and his Bassett hound carried off a trophy for looking so much alike. And the dogs in the obedience exhibition were marvelous the way they carried out commands. COLLIE ROBIN gives a great big kiss to PAMELA OLESIX as her sister holds the trophy and looks on. WENDY JOHNSON drew a lot of attention with her rare English Pug dog named ANTHONY (TONY) EDEN.

## GPHS Students Good Spellers

Twenty business education students of Grosse Pointe High School have qualified for spelling certificates on the National Office Certificate Association Spelling test, it was announced by Miss Frances French of the business education department of the high school.

Winners of both the Spelling Certificate and the Proficiency Certificate were: Margaret Bell, Shirley Brey, Sharon Brey, Joann Bazzo, Joanne DeGraeve, Marilyn English, Nancy Forsythe, Barbara Jordan, Lellani Reinhold, Sandy Ring and Delores Watts.

Winners of Spelling Certificates were: Claire Adams, Sally Hanson, Jan Hunter, Barbara Norris, Lynn Record, Sharon Plotzka, Donna Vermeersch, Janice Rodeck and Karole Wenclas.

## Parcells Plans Spring Concert

The Music Department of Parcells Junior High School will present a special program on Wednesday evening, May 26, at 8 o'clock in the school auditorium. For this annual Spring Concert more than 270 students of vocal and instrumental music have prepared a wide variety of musical selections. The vocal groups, under the direction of Donald Simmons, will open this evening of melody. A combined chorus of 140 voices will sing "Sanctus," by Schubert; the stirring "Battle Hymn of the Republic"; "Poor Man Lazarus," a spiritual; and "Wonderful Copenhagen." Their concluding selection will be "Old Abram Brown," by Benjamin Britten.

The Girls' Glee Club will present "I Whistle a Happy Tune," and the A Chorus will be featured in "Who's That Tapping?" The sixth grade chorus will offer their version of the melodious song "Peace of the River."

The Boys Quartet will step into the spotlight to sing "Aura Lee" and a familiar spiritual. Members of the quartet are Tom Zell, first tenor; Alan

Stallard, second tenor; Ed Messner, baritone; and Scott Shaw, bass. The two student accompanists for this part of the program will be Jacqueline Lang, ninth grade, and Joan Gray of the eighth grade.

As the instrumental musicians take their places on stage, the baton will shift to Donald McNew. The second portion of the program will be presented by 65 members of the Parcells

Junior High School orchestra. The numbers chosen for this part of the program include "Intermezzo," from Georges Bizet's "L'Arlesienne Suite," "Lyric Overture" by Otis Taylor. Merle Isaac's arrangement of "Reveries," written by Claude Debussy, a comedy sketch entitled "The Three Bears" arranged by Newell Long, and Ernesto Lecuona's "Siboney," Miss Mary Lou Nigro, winner

of the annual oral reading contest at Parcells, has been selected as narrator for the story of the "Three Bears." As the featured piano soloist Barbara Stauffer, sixth grade pupil at Parcells, will present "Polonaise," Opus 26, No. 1, by Frederic Chopin.

The concert band will open the final part of the program with "Hostrauser's March," by Paris Chambers. For its second

number, the band, also directed by Mr. McNew, will play an overture based on "Themes from Beethoven's Third Symphony," followed by a tone poem entitled the "Painted Desert," by Olivadoti; Dale Eymann's "Poco Acapulco"; and a novelty number, "Joshua Fit De Battle of Jericho" as arranged by Paul Yoder. Their concluding selection will be John Phillip Sousa's immortal "Stars and

Stripes Forever." The public is cordially invited to attend the eighth annual Spring Concert presented by Parcells' young musicians. Tickets will be on sale at the box office.

### From Another Pointe of View

By Patricia Talbot

You've all heard the story about the do-it-yourself boat builder, who constructed his ship in the basement but couldn't get it outside without knocking out a wall.

Warren Trafton, 15-year-old son of the Warren Traftons, of Westchester road, built his boat entirely by hand during the long cold days of this past winter. Now he has moved it into the back yard, and the next move will be to a boat well at the Grosse Pointe Park pier.

The sail boat is Warren's handwork from bow to sails, he even went shopping to the yard goods counters for the sail material, finally decided on muslin for his mother to run up on the sewing machine.

This sail boat was not Warren's first effort. He built a catamaran several seasons ago. After school, and a few weeks of sailing, will come the biggest treat of all for Warren, his two brothers, Richard and Robert and the senior Traftons.

They will be off to Puerto Rico and some island hopping in the Caribbean, and they will sail of course. The Traftons have chartered a schooner for their island visits.

### Music Festival

A violinist who won the Paganini Award in Milan last season and a full chamber opera; these exciting musical offerings are just a few of the program notes from the Third Annual Grosse Pointe Music Festival.

The concerts will be presented on June 29, July 6, July 13 and July 20, all Wednesday evenings in the fountain court of the Grosse Pointe War Memorial.

Chairman of the series will be Mrs. David Sutter, of Pine court, with Mrs. Frank Coolidge honorary chairman and special advisor. Secretary is Mrs. William H. Katzenmeyer and treasurer is Gerald F. Meadows.

## Girl Scout News

A variety of spring-time activities are keeping Grosse Pointe Girl Scouts, Brownies and their leaders going at a fast pace this season—

On Tuesday, May 17, three Intermediate and six Brownie Scout Troops from Richard Elementary school held a tree planting ceremony on the McMillan Playfield. All the troops contributed money for a tree which is being planted where the Girl Scout and Boy Scout Council Ring will be located when the field is completed. Each troop took part in the ceremony.

Six Intermediate Scout troops (fifth and sixth grade girls) went to Holland this past weekend to take part in the annual Tulp-Time Festival there. Troop 424 from Mason School furnished their own transportation to the festival. The other five troops took part in an all Girl Scout special train-bus trip along with other troops from the Detroit area. They left early Saturday morning, taking a train to Grand Rapids and a bus on to Holland, returning late Saturday evening. These troops were No. 2366 from St. Clare, 868 from Richard, and 537, 209, and 1459 from Ferry School.

Fifteen girls, members of the Mariner's Girl Scout troop from Grosse Pointe High School, took part in a co-ed jumping weekend at Camp Metamora along with about 200 other Senior Girl Scouts and Explorer Boy Scouts. This was a conservation project in which the groups worked in an effort to correct soil erosion — they planted pine seedlings, put in leg steps, blocked off eroded paths and the like. Each group set up their own tents and did their own cooking. Accompanying the Grosse Pointe troop were Mrs. Edward Kay and Mrs. Paul Blackburn.

Brownies of Troop 156 from Richard School will entertain their parents at a dinner in the school on Wednesday, May 25. Feature of the program will be a "fly-up" ceremony at which the girls will become Girl Scouts. Their leaders are Mrs. Fred Lewis, Mrs. Leonard Jensen, and Mrs. John Barlow.

## Mothers Club Plans Annual Meet May 26

### Prominent Advertising Woman, Miss Genevieve Hazard to Show Couturier Fashions at Grosse Pointe Yacht Club Following Luncheon

Business and pleasure will combine on Thursday, May 26, when the Mothers' Club of the High School holds its annual meeting. Members and their guests will gather in the circular foyer of the Grosse Pointe Yacht Club where colorful flower arrangements and singing birds in ornamental cages will dress the final meeting of a busy year.

Luncheon tables, laid with pink cloths, will be decorated with wrought iron bird cages filled with greens, and places will be marked by individual nosegays of fresh flowers. Members of the executive board will act as hostesses for the various tables.

A brief business meeting will follow the 12:30 luncheon, Mrs. Fred Adams will preside. The meeting will then be turned over to Mrs. Edward Kennedy, program chairman.

Those who heard Miss Genevieve Hazard, a member of the Campbell-Ewald staff and account executive on Chevrolet women's programs, when

Others named at the luncheon meeting were Mrs. Richard Cross, Mrs. Frederick Compton, Mrs. Robert Hutton, Mrs. James Blaine, Mrs. Thomas Lott, Mrs. Edward Guenther, Mrs. James Hirschfeld, and Mrs. Jerome Howard.

One June 8 a luncheon meeting will be held in the Bloomfield Hills home of Mrs. Graham John Graham.

she presented a showing of fashions by leading European designers at last year's meeting, will applaud Mrs. Kennedy's announcement that she returns this year to present a collection by American couturiers.

This presentation, called Chevrolet's All-American "Round-the-Clock" show was prepared under Miss Hazard's supervision for the Dinah Shore Show and features creations by Hannah Troy, John Moore, Monte-Sano and Pruzan, Sydney Wragge, Pauline Trigere, Bud Kilpatrick, Greta Platry, Arnold Scassi and Detroit's own Ruth Joyce.

Miss Joyce began her career training as early as grammar school years. Patient apprenticeship and hard work have rewarded her with her own shop from which about 1,000 custom fashions go out a year to earn her the reputation of one of America's top designers.

Miss Hazard, whose humor and spontaneity, have earned her such recognition as Past President of the Toastmaster's Club of Detroit, was selected by Detroit's 1960 "Salute to Women Who Work" as one of the ten women so honored. Anecdotes of her personal experiences in supervising the collection as it was prepared, her wide acquaintance with the fashion world and her personal charm add a new dimension of enjoyment to such a program. Reservations should be made with Mrs. Howard Gandelot, TU 1-8484; Mrs. Minard Mumaw, TU 1-0116 or the school officer, TU 4-3200 by Monday, May 24th.

In charge of decorations for the luncheon is Mrs. Victor Craig who is being assisted by Mrs. Roberta Pickup, Mrs. Thomas Pearsall and Mrs. Anthony Colett.

Well-adjusted people expect to get the best out of life, but are prepared for the worst.

## Book Group To See Films

Friday Book Review Group members will see Jack Grenard's color film of Western Britain at Grosse Pointe Memorial Church May 20 at 2:30 p.m.

Grosse Pointers last had a chance to see the 90-minute travelog when Grenard showed it at the War Memorial Center January 7, 1959, as part of the Center's "Meet the Travelers" series.

Shortly after that showing, Grenard (son of the Edward M. Grenards of Somerset road) began publication of Detroit Yachtsman with his brother-in-law, Jack Leverenz. The local boating magazine now circulates to about 5,000 boat owners.

The magazine led the way to a Saturday radio show, "Detroit Waterfront," on CKLW.

The film, "Western Britain from Loch Lomond to Land's End," was made by Grenard during a lone bicycle trip in 1955. Shown locally on George Pierrot's "World Adventure Series," it also was featured on television programs in Los Angeles and Chicago.

Because of a beard he grew while making the film, Grenard was the subject of Jane Schermerhorn's final "Pointer of Interest" column in the Grosse Pointe News before she went to the Detroit News in 1955.

Grenard received his B.A. in journalism from Michigan State University in 1958.

The film, which will be narrated by him, shows Scottish youth hostels and a border fortress, the English Lake District, a rail trip up the highest mountain in Wales, the Isle of Man, Shakespeare country, and Devon and Cornwall.

The devotions will be given by Mrs. Lawrence Ruby. The tea hostesses are Mrs. W. T. Krebs, chairman; Mrs. C. W. Fargo, Mrs. Harold Heyer, Mrs. Arthur Hillegas, Mrs. Rudolph Hirt, Mrs. R. Ford Johnston, Mrs. G. J. Kastenberg, Mrs. Roland Postel, Mrs. David Sickelsteel and Mrs. C. William Sullivan.

Too many people who carry a chip on their shoulder try to blame it on the family tree.

## Youth Council Holding Dance

Linda Libbey is general chairman for this affair to which students in grades 8-12 of the Pointe's public, private and parochial schools are invited. Admission is \$1.00 per person and couples only.

Pat Haglund is publicity chairman and Tom Swaney and Arthur Miller are in charge of the door committee. Peggy Carpenter has arranged for six sets of parents to chaperone the dance. They are Mr. and Mrs. Bramky, Dr. and Mrs. William V. Taylor, Mr. and Mrs. David C. Turner, Mr. and Mrs. W. P. Thorpe, Jr., Mr. and Mrs. Russell C. Haglund and Mr. and Mrs. Howard Jacobsen.

## Garden Club To Take Tour

A conducted bus tour of Metamora houses and gardens has been planned for the May 25 meeting of The Garden Club of Michigan.

The buses will leave the Country Club at 10 o'clock in the morning. Luncheon hostesses will be Mrs. William Reeve Clark.

Co-hostesses will be Mrs. Wilfred Casgrain, Mrs. Henry Ledyard and Mrs. Jerome Remick. The next meeting of the club will be June 14.

ed on the bandstand, providing continuous and wonderful dance music.

Everyone took to the new room so completely it seemed impossible to pry them away—result was that dinner, slated for 8 p.m., hardly got under way before 9:30 either night.

The room is most inviting with chairs grouped around low tables. Its 70-foot length is something to see. Exciting is the ceiling structure in a series of deep arches; exciting the floor-to-ceiling window in each arch—all so skillfully designed that it forms a wall of glass overlooking Lake St. Clair. At one end is a small dance floor; at the center, and looking toward the lake, is a de-luxe cocktail lounge bar.

White urn vases holding wonderful arrangements of flowers in white, deep pink and flame tones were placed at each side of the bandstand in the ballroom, and in deep niches. One standout bouquet in a vase seemingly held by a graceful statue was featured in the big bay window against a background of gold-hued draperies.

Skirtings of the gold-colored fabric hung high overhead in horizontal rows to create a lower-ceiling effect in the great room. Clear glass bowls holding flowers in white, deep pink and peach colors centered dinner tables. Haford Kerbawy was the party chairman who saw to all these things, assisted by Arthur Stringari—they and their attractive wives came in Friday night to see everything under way, and then were there Saturday evening to really enjoy the party.

Stunning cocktail dresses were worn by the distaff side, featuring a great deal of black frosted with white, and various floral printed taffetas; pastel silks and some white.

Como. and Mrs. William A. Ternes and Vice Como. and Mrs. John R. Wilt arrived early both nights to welcome capacity party crowds. When the Terneses went in to the ballroom for dinner Friday, their eightsome included Past Como, and Mrs. Robert F. Weber, the J. Douglas Adairs and Como. Ternes' brother and sister-in-law, the Donald Terneses. Vice Como. and Mrs. Wilt's guests Saturday evening were the Dean Conways, John Majors and Joseph Spitzleys. Also present both nights were

## District Dems Meet Tonight

The official woman's group of the 14th Congressional District Democratic Organization—the Women's Activities Committee, will be in the limelight at the organization's monthly meeting. The meeting will be held at 7:30 p.m., Thursday, May 19 at Hudson Local Hall, 4850 Conner near East Warren.

14th District Chairman Marvin Taormina has announced that Miss Adelaide Hart, vice chairman of the Democratic State Central Committee, will be a guest at the meeting. Miss Hart will be presented a check for over \$450 by WAC Chairman Mrs. Estelle Wegert.

The money, raised at the March 15 fashion show, represents the first payment on a pledge of \$1,000 that the 14th Women's Activities Committee has made to the State Democratic party. The money will be used in this fall's statewide Democratic party campaign.

Mrs. Wegert, the first woman vice chairman ever to serve the 14th District Democratic party organization, said that the more than 400 persons who participated in the fashion show made it possible for WAC to meet almost half its pledge at this early date.

She praised Miss Hart for her long and devoted service to the party and for her successful enlargement of the role of women in Democratic party affairs. A substantial number of delegates and alternates to the Democratic party national convention will be women.

Included in that list are two from the 14th District — Mrs. Marilyn Bartholomew, a delegate, and Mrs. Catherine Wag-

enlander, an alternate. Both women are active in the Women's Activities Committee.

The win marked the third consecutive year the Pointers carried off the Fitzgerald title and the sixth time in nine years since MacAdam took over the coaching reins. The six years the Pointers won were 1952, 1953, 1955, 1958-59 and 60. In 1954 and 1956 they finished second and in 1957 were third. Over the same period the Devils won the Border Cities League dual meet crown in 1956-57 outright and tied for first in 1953-55. In 1952-54 they were fourth and finished second in 1956 and 1959.

**Ties Track Record**  
Hamilton Brown tied the track record when he won the second heat of the 440 in 52.3. His brother Holmes Brown won the first heat of the same event with a 53.2. Ron Harper was third in this heat.

Milt Secor and Mike "Mighty Mouse" Towson were the only double winners of the meet. Secor won both the high and low hurdles in 15.9 and 20.9, respectively. Towson won the 100 yard dash in 10.3, the broad jump with a leap of 21 feet 4 inches, placed second in the 220 and ran on the winning 880 relay team.

Terry "Steamboat" Donovan was entered in only the track events and won the 220 with a 22.6, was second in the 100 yard dash and also ran on the winning 880 relay team.

**Other Devil Scorers**  
Other Blue Devil points were scored by Ken Squires in the shot put with a heave of 48 feet 3 inches; Bill Penz third in the first heat of the 880; Chuck "Slim" Clark second in both

hurdle events; Paul Krogh fifth in the low; Jerry Spiewak first in the second heat of the 880 with a 2:06.9 clocking and the winning medley relay team of Brian Mumaw, Hamilton Brown, Bob Sherwood and Grant Kurtz. Holmes Brown and Ron Harper ran on the Pointe 880 relay team with Donovan and Towson.

Jim Carney took the high jump with Clark second and Bob Elone locked in a five-way tie for third place.

The only event the Devils didn't place in was the pole vault.

All winners qualify for the State meet to be held this year at Ann Arbor, Saturday, May 21.

Grosse Pointe can win the Border Cities League title by beating Highland Park Thursday, May 19. This meet was supposed to be the first meet of the season but was postponed because of bad weather. On team performances against common opponents the Devils should turn back the Parkers easily. If Highland Park should win, the Pointers will share the title with defending champion Monroe who is in second place with a 4-1 record.

The Skyway Patrol of the Michigan State Police is a valuable asset in general law enforcement and for mercy and other emergency missions. The department's three planes flew a total of 95,898 miles in 1959.

## Woods-Shores Little League Holds Openers

Sunday, May 15, marked the opening of the 1960 season for the Grosse Pointe Woods-Shores Little League. A parade of more than 500 boys and their managers was led by the V.F.W. Drum and Bugle Corps and City Councilmen, Canfield, Pinkas, Johnston, McLeod and Boutin. Two of the past presidents of Little League, George Herdich and Bob Kefgen were in attendance.

The parade extended down Mack avenue to the City Hall onto the main diamond at Ghesquiere Park where opening day ceremonies were conducted.

Opening games were played by the Cardinals and the Cubs, the Indians and Kansas, the Pirates and Browns, and also Louisville and Omaha. Jack Conley pitched a beautiful no hit game for the Cardinals, striking out 13 of the 19 boys he faced, giving his team a 6-0 win over the Cubs. Dick Meyers

was on the mound for the Cubs. The Indians took a 14 to 5 victory over Kansas with Buckler hurling for the Indians and Kennedy doing the pitching for Kansas.

The first home run of the season was hit by young Schirilla of Kansas.

The Browns could do no wrong Sunday as they ran over the Pirates with a 20-0 win. Omaha won 3-1 over Louisville in a close game right down to the last out.

## Blooper Loop Being Formed

A Blooper Ball League is now being formed at the Grosse Pointe Neighborhood Club, according to athletic director Bill Carlson, who can be reached after 1 p.m. daily at TU 5-4600 for further information.

Blooper Ball is played pretty much the same as soft ball. The only exception is that the ball must be pitched slow

enough so as to achieve an arc ten feet high in its course to the batter.

Many think this is an old man's game but from past experiences this has been proven to be false. One can be just as active as he wishes. In past years the league has been made up mostly of men over 21-years of age, which is the minimum limit.

## BABE RUTH LEAGUE

A lively opening day parade down Mack avenue with marching music and featuring "Miss Babe Ruth" and her court of beautiful girls will mark the opening of the 1960 baseball season in the Grosse Pointe Woods-Shores Babe Ruth League next Sunday afternoon.

More than 225 boys, ages 13, 14 and 15, will start parading from Lochmoor and Mack at 1 p.m. They will proceed down Mack to Cook Road, turn left and march to the Grosse Pointe University School diamonds, scene of the formal opening ceremonies.

James H. Lincoln, newly appointed Probate Judge of the Juvenile Division, has been invited to speak following the flag-raising ceremonies, the in-

ocation by The Reverend Arnold D. Johnson, of Grosse Pointe Congregational Church, and introduction of the many distinguished guests expected.

Ken Koppin, mayor of Grosse Pointe Woods, and Jack Williams, president of the Shores council, have been invited to attend. The opening day batters will consist of Vern Bailey, Woods director of public safety, and Fred Duemling, Shores Police and Fire chief.

"Miss Babe Ruth" chosen especially for this occasion, will be Miss Margaret Findlay of Grosse Pointe High School. Her court will consist of Miss Bonnie Harlen and Miss Hilary Slach.

The opening day schedule of games follows:

## Boat Banter

By Fred Runnels

Clayton Ewing's big yawl "Dyna" quietly slipped into Bayview Yacht Club's harbor last Sunday night, May 15, in time to attract an admiring crowd of sailors before dark. "Dyna" is on her way to the East coast where she will compete in the Bermuda race and the race to Sweden.

She will be the only Great Lakes entry in the latter. "Dyna" basically is the same as when she won both the Bayview and Chicago Mackinac races in her first year 1957 and then repeated in the Bayview race the following year. The only change skipper Ewing has made was to cut down the mainsail hoist four feet and install a deep freeze unit in the beautiful efficient galley where Nubby Sarns will hold forth during both races.

Pointer Carter Sales joined the crew to help take the yacht as far as Buffalo. He will return in time to take delivery of Jack Price's yawl "Comanche" which will race on the Great Lakes this summer under Sales' capable hands. "Comanche" will arrive by trailer from the southland.

The Coast Guard Auxiliary reports that one out of six class (A) outboards, under sixteen feet, fail to meet the safety requirements. Coast Guard Auxiliaries are available to inspect your boat and award you the Auxiliary decal if your boat meets the requirements. Any boat carrying this decal probably will not be boarded by enforcement officers of the Detroit Police Department Harbormaster division or the Coast Guard in this area.

The requirements are simple to meet and absolutely necessary to the safety of passengers in the craft. All boats, regardless of size must be equipped with one approved life preserver for every passenger aboard; have the state certificate of ownership aboard at all times; three inches high and of a contrasting color painted or fastened to each side of the bow; one approved fire extinguisher; a red and green combination bow light for boats under 26 feet and one white stern light mounted enough to be seen 360 degrees.

In addition class (A) boats must have at least one paddle; distress flare; adequate pump or bailing equipment; an anchor and line at least six times the depth of the water the boat

may be anchored in.

Walter Sahll, District Director of Immigration and Naturalization Service in Detroit announced that inspection of all persons arriving by pleasure water craft from Canada will be enforced again this summer. The department has established four ports of entry, three of which will be open seven days a week and in operation through October. Between May 15 and June 15 the hours will be from 2 p.m. to 10 p.m. After June 15 the stations will open at 9 a.m. and close at 1 a.m. The full time ports of entry are: Ecorse Boat Basin; Kean's Detroit Yacht Harbor and Grosse Ile Yacht Club in Grosse Ile. The Immigration station at the Jefferson Beach Marina will be open only on weekends to handle the heavy weekend traffic.

All stations are easily identifiable as they will be a small white building on the dock with appropriate signs and flags.

Mr. Sahll didn't say what kind of a flag to look for and our experience with these so-called ports has been pretty sad, especially if it is raining when you want to check in. We have yet to check into one of these ports and find the docking facilities adequate or good.

We agree Mr. Sahll and his men have a job to do which is essential to our country's welfare, but must a boat owner risk busting up his yacht trying to get into a ramshackled dock that isn't fit to tie a barge to? We suggest Mr. Sahll get an appropriation from his boss and acquire facilities to make the boatmen want to check in upon returning from Canada.

Eva Peabody tells us one of our favorite sailors, Carlisle "Doc" Wilson is going to sail aboard Dick Nye's two-time Bermuda winner in the Sweden race this coming June. Undoubtedly, "Doc," and he really is a doctor, has put more water, fresh and salt, under his feet than any other sawbones in the Midwest. There's a reason for it—he's a good sailor and an expert at splicing the mainbrace.

Raven class fleet captain Tom Jeffris, Grosse Pointe Shores superintendent, wants it known the Detroit Raven class will have a go at it next weekend, May 21-22, in the annual Spring Series. Al Bortolotti, National champion, is the defending series titlist.

## Cub Scout Pack Adds Webelo Den

Something new has been added to Mason School Cub Scout Pack 290. After many months of discussion and planning, Cubmaster Robert McKenna announced the formation of a Webelo Den within the Pack.

This special den is for those scouts who have received their major awards in cub scouting and who have not reached 11 years of age, the age required to become a Tenderfoot in the Boy Scouts.

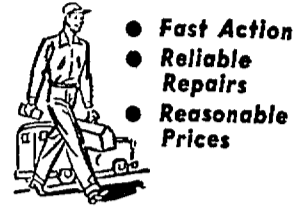

At the monthly pack meeting held on April 29, the following young men were installed as charter members of the Webelo Den: T. Allison, E. Engelhart, K. Ingraham, J. Leahy, R. McKenna, J. Peck, S. Sasser and D. Williams.

Lion Badges were presented to T. Allison, E. Engelhart, J. Peck, S. Sasser and D. Williams. The Bear Badge was awarded to R. Rosenbush and Wolf Badges earned by P. Naz and J. Hoyt. Arrow Point awards were presented to B. Czopek, J. Peck, R. Rosenbush, L. Tellerico and L. Yessian. Cubmaster McKenna on behalf of the committee members extended congratulations to these scouts who have been busy accomplishing the achievements necessary to earn these awards.

The monthly awards for attendance, inspection and yells were earned by Den 8, Den 1 and Den 2 respectively. Den 7 was awarded the Gold Cup for the best skit presented during the evening.

Parents interested in enrolling their sons in the Cub Scouts are asked to contact Tom McBrien, TU 4-1717. They are also encouraged to plan on attending monthly pack meetings.

Ed Wasner Jr. Host at Bon Voyage Dinner
Edward J. Wasner, Jr., was host at a formal dinner party, Saturday evening, May 14, in his Berkshire road home, honoring Mr. and Mrs. John Pierce Hacker of Bloomfield Hills, who are sailing next month on the "United States" to spend the summer in Europe.

The long table in the dining room was gaily decorated with a center-piece of white stock, blue daisies and pink rosebuds with silver candelabra at either end holding white cathedral candles.

Before dinner, champagne cocktails were served to the guests who included the host's date, Harriet Hunt, the Edward J. Wasners Sr., parents of the host, Mr. and Mrs. Richard H. Johnson, Mr. and Mrs. Charles Carson, the John Pierce Hackers Jr., Robert Mackay, Carolyn Booth and the Robert E. Vedders.

Coach Wheeler appears to be making it a habit of winning State, Regional and League titles. His most recent accomplishment was the first State Class A swimming championship in the history of the school on Fisher Road.

The other schools represented were: Highland Park, Catholic Central, U. of D. Austin, De La Salle, Oak Park, Mount Clemens, Southfield, Salesian, Thurston and Berkley.

Devil Golfers Win Regional
Regional golf championships are few and far between for Grosse Pointe High, but last Friday, May 13, Coach Paul Wheeler's quartet compiled an aggregate 344 to win the crown from fifteen other schools competing.

Second place went to Livonia Bentley with 347 strokes, followed by Ferndale with 350 and 1959 champion Farmington taking fourth with 351. These teams qualified for the State tournament to be held Saturday, May 21, at the Jackson Country Club.

Pointer Bill Lee paced the Blue Devil squad with a sparkling 79 to win medalist honors. His feat placed him in the select Blue Devil golfing group which includes Joe Belfore, Jr., who was the State medalist in 1958, and the late Bob Olson, who earned the distinction of being the first Grosse Pointe to ever win the State individual championship back in the middle twenties.

By Pat Talbot

Playing manager of a late nineteenth century baseball nine about Detroit, and ardent cricketer, this was sportsman Dexter M. Ferry, who is better known as a seller of seeds and accident insurance.

Ferry, born in New York state in 1833, was the son of a wagon maker and blacksmith. He began his career in Rochester, N. Y., and moved to Detroit in 1852 where he progressed from porter in a bookstore to salesman and then bookkeeper.

During these early years he formed the connection with the baseball team. On one occasion his club went all the way to Cleveland to play a game, which they lost, but had a gay weekend outing.

He first thought of seeds in connection with Detroit farms, when he realized that all the important seed companies were in the east, far from many of the Michigan farms. He left the bookstore and joined with M. T. Gardner and Co., to package seeds. From this successful venture which became the Ferry Seed Co., he passed on to the Standard Accident Insurance Co., in which he was associated with C. C. Bowen.

Because of an accident on the cricket field he had to give up athletics and as his business prospered he became a solid citizen. He married in 1867, Addie E. Miller, and their son, Dexter M. Ferry, Jr., was born in 1872.

The future Detroit Institute of Arts, Harper Hospital, Grace Hospital, the Detroit Board of Education, the Woodward Avenue Congregational Church and Olivet College, all were supported by Mr. Ferry.

An upright and highly moral citizen he led a serious but unsuccessful fight to forbid the sale of alcoholic beverages on Belle Isle, but his big interest was the Republican Party.

In the midst of an election year it is significant to look into the past and realize how many prominent Pointers and their fathers were vitally involved in the political struggles on an earlier era.

Dexter Ferry believed only the GOP could correct the difficulties which resulted from the severe financial crisis of 1893. From 1892-1896 he served as chairman of the Republican State Committee and was a delegate at large to the conventions held in Minneapolis and Chicago.

In 1900 Mr. Ferry was defeated for the Republican nomination for governor of Michigan. In that same year his son, Dexter M. Ferry, Jr., was elected to the state legislature. In 1902 father and son tried again. Ferry senior announced his plans to run for the U. S. Senate but when his friend Russell Alger also announced, he withdrew his candidacy, but his son was re-elected to the legislature.

The senior Mr. Ferry died in 1907 at 64 years of age, but his son carried on the family business successfully. He was the Ferry to build the mansion in Grosse Pointe. He had served in the first World War as a colonel, married Jeanette Hawkins, became president of the insurance company and a large stockholder in Packard Motor Company.

Dexter M. Ferry, Jr., gave land for the Grosse Pointe Public Library and the Neighborhood Club, worked hard in all Grosse Pointe civic interests. His large English Tudor home on the lake is empty now. Mr. Ferry died last year leaving two sons, Hawkins Ferry and Dexter Ferry.

## who, where and whatnot

by whoozit

In spite of the gray skies and the mud underfoot, the 100 pooches and their owners, plus assorted spectators had a rousing good time at the Grosse Pointe News Mutt Show Saturday morning on the high school athletic field.

Mrs. Jack Stephenson, bundled up in a yellow corduroy raincoat, came alone because her daughter Carol was home sitting with their own dog, a new mother of four puppies. Mrs. Roy D. Chapin brought her own springer spaniel trainer, Preston Mann, who helped with the judging. . . Mrs. C., defying the elements in a loden green coat and fur-lined boots.

Mrs. Charles Potter had no dog to enter but brought her young son, Johnny, and pinned a green ribbon on his jacket and she piloted him among the entries in his stroller. . . also Mrs. Eric Stroh with, son Bobby in stroller only briefly and between captures. He covered more ground than the visiting English walking fiends.

The spectators bleachers had quite a sprinkling of viewers but most of the crowd lined the track rails. . . one of the judges Dr. Robert Everett held his English bull dog on a tight leash as he performed his duties. . . his dog incidentally, dubbed "Lord Byron of Brys drive", surely the most elegant of titles for one of the ugliest of dogs.

Two red headed youngsters were a sensation with their dogs most like the master, Sidonie Dossin, a real carrot top with freckles, had a mutt also red headed and spotted. . . Rip Odell, another red head with a dog to match.

Bill Monro entered his 18-year-old mutt, Butch, the only dog to have been entered in all four Grosse Pointe News shows. . . in 1950 he won the dog with the longest tail. . . Bill, his master now 13, was but three years old at the last show. . .

Such a disappointment for Mrs. Emery Kovach, who had the most adorable Hungarian sheep dog puppy and arrived just too late for the judging in that class. . . a small sadness for James Cherry, too, whose white poodle came in second in that class.

Sherman Campbell, just two years old, wore silk stocking ears and a tail, to most resemble his basset hound, and took away first place.

Strolling in the field where the most well groomed dogs had difficulty staying that way were Mrs. Ferdinand Cinelli, Mrs. Donald Winn, Mrs. Clune Walsh, Mrs. Charles LeB. Homer, Mrs. William Coddington (in a cherry cherry coat).

### CARSTEN TIEDEMAN, QF KENWOOD ROAD

Re-elected president of Ducks Unlimited which held its national convlave here earlier this month, Carsten Tiedeman, believes that conservation is of vital interest to all sportsmen and hunters.

Since its founding more than 20 years ago Ducks Unlimited has raised \$6,500,000 to restore and build duck breeding grounds in Canada, where more than 65 per cent of North America's waterfowl are raised each year.

Mr. Tiedeman began hunting when he was a young boy near his home town, Savannah, Ga. "Unfortunately, I shot anything that moved then. I didn't know about conservation or legal limits." He shot squirrel, coons and possums in Georgia. Now when he returns to his native state it is to shoot dove and quail.

He began shooting ducks in 1941 in a marsh reclaimed from a cow pasture on the Thames river in the southeast corner of Lake St. Clair. Mr. Tiedeman shares the ownership of the duck marsh with John Stroh, Peter Stroh, Alger Sheldon, Frederick S. Ford, T. D. Buhl, Joseph S. Sherer and Alvan Mauseley, Jr. Nearby is the marsh owned by Henry Ford II, Roy D. Chapin, Jr., and Robert B. Evans. This marsh has

### Tinted Poodles In NYC Show

Tinted poodles will march in the fashion show at the Detroit Yacht Club this Saturday given to honor mothers and daughters.

Pastels poodles will parade with NYC young models, Marianne and Suzanne Burgess, Nancy Barraco, Kathleen Farnell, Mrs. Patrick McKenna and Patricia, Mrs. Sidney Adaman and Sue, Mrs. Edward C. Start and Joanne, Mrs. Frank A. Lerminey and Diane and Mrs. Joseph Fogarty.

There will be a poodle act, songs and favors following luncheon. Each table will have a French poodle centerpiece trimmed with pastel balloons.

Mrs. Alfred F. Steiner, wife of Como. Steiner, will be among the honor guests. Mrs. Donald Burgess is chairman of the party.

sportsmen and when Mr. Tiedeman was fishing and hunting off the Isle of Pines last year he found the great resorts empty.

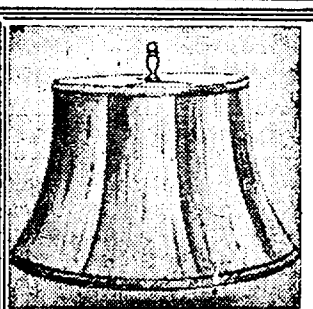

A true sportsman, he has shot all kinds of game, including a wild boar in Georgia with a bow and arrow. In spite of the heavy bags of duck, quail and dove he brings home he doesn't like to eat the birds, "prefers steak or chicken. When he does eat duck he likes it rare."

Mrs. Tiedeman doesn't shoot but often accompanies her husband on these trips, remains in the lodge and knits. The Tiedeman's three daughters, now all married, could shoot, but didn't really like it. Mr. Tiedeman's favorite gun is a 20 gauge double barreled shotgun which once belonged to one of his daughters. Mrs. Tiedeman would probably go along on the big trip he would like to take to Africa. No water buffalo for this hunter; he wants to shoot only African birds.

Although he loves the sport involved, being out in the duck marsh, or on the trout stream, he likes results. If he doesn't get his limit or catch his fish he can get bored.

Mr. Tiedeman urges the many duck hunters around the country to join Ducks Unlimited, (cost of membership is nominal), so there will continue to be birds to shoot. Conservation has become of paramount concern to the hunter, who in pioneer days had unlimited access to birds long gone from the American scene now. Mr. Tiedeman and Ducks Unlimited are doing their best to insure there will be plenty of mallards, canvas backs and blacks flying south next fall.
