

# GHOSTS VANISH IN INFERNO

## Abandoned Landmark Guttled By Flames

The former residence of the late Dr. and Mrs. Fred J. Murphy on the lakefront opposite Roosevelt place, was the scene of one of the Pointe's most spectacular blazes on Monday night. This was all that was left of the once-proud mansion on Tuesday morning.

## HEADLINES of the WEEK

As Compiled by the  
Grosse Pointe News

Thursday, September 8  
**SOVIET PREMIER** Nikita Khrushchev told the United States ambassador, Llewellyn E. Thompson, Wednesday night that he had secret information that the North Atlantic Treaty powers were "planning a new provocation in September by sending a plane over the Black Sea." He added that the Soviets were ready and the orders were to shoot it down.

Friday, September 9  
**HUNDREDS OF PEOPLE** FLED north from Key West, Fla. Thursday away from killer hurricane Donna's 150-mile-an-hour winds. Navy sound trucks roamed Key West streets giving hurricane warnings and advice. At Miami most stores stayed open until 9 p.m. as swarms of shoppers cleared shelves of flashlights and batteries, candles, camp stoves, canned goods and lumber for storm shutters. Airline travel slowed out of Miami as most airlines canceled all flights after midnight.

Saturday, September 10  
**FIDEL CASTRO**, prime minister of Cuba, admitted for the first time that guerrillas are active in the Escambray Mountains in Central Cuba. Castro told a television audience that the guerrillas are fighting his revolutionary government and promised they would be wiped out. He said he would not even have to mobilize his army. The guerrilla strength was estimated at 1,000 men. The prime minister also hinted that his government is about through seizing business firms in Cuba—if only because it does not have enough people to manage them.

Sunday, September 11  
**MISS MICHIGAN** was proclaimed Miss America at the annual pageant of talented beauties in Atlantic City. Nancy Anne Fleming, 18, of Montague, literally sewed up the coveted crown, a \$10,000 scholarship and an estimated \$50,000 for personal appearances. She is the first beauty from Michigan to win the title since 1939. Among the first to shower her with kisses were her parents, Mr. and Mrs. Robert Fleming, who have been in Atlantic City for several days. Miss Fleming won the Miss Michigan title last July at Muskegon. She competed as Miss White Lake.

Monday, September 12  
**THE KILLER STORM**, Hurricane Donna, aimed its course at the whole east coast. Hurricane warnings were raised all the way from North Carolina to Portsmouth, N.H. The howler, which has caused 11 American deaths and 120 in the Caribbean, gathered forward speed Sunday night and headed toward the mainland again. The hurricane caused 10 deaths while cutting a multi-million-dollar swath through Florida. East coast states took emergency precautions, especially North Carolina, no stranger to hurricanes in recent years.

Tuesday, September 13  
**THE SITUATION** in the Congo became more chaotic and so confused that the United Nations Security Council in New York adjourned to await clarification. Among the incidents that created the chaos, was the arrest and release of Patrice Lumumba, who was ousted as premier by President Joseph Kasavubu. Lumumba was arrested by troops on a warrant signed by Kasavubu. Two hours later, Lumumba, escorted by a half-dozen military jeeps loaded with armed soldiers, came roaring back through downtown streets shouting "victory, victory."

Wednesday, September 14  
**THE UNITED STATES** was taken to task by Soviet Premier Nikita Khrushchev for restricting him to the Manhattan Island area while he is in New York as head of the Soviet UN delegation. Khrushchev sent a message from the Russian ship, *Baltika*, in mid-ocean, charging the restriction measure unreasonable which "cannot be justified by either ideological or moral grounds."

## Little Loop Footballers To Hold Sale

### Next Week Set Aside to Honor Youngsters Who Will Peddle Candy to Boost Movement

All-American Little Football League is being proclaimed for September 17-24 by the mayors and supervisors of Detroit area cities and townships. A major purpose of the week is to call attention of citizens to a drive by the thousands of young athletes to raise money for their equipment this season. They will begin Sept. 17 selling Sanders candy door-to-door, with a goal of 175,000 boxes of chocolates.

From a beginning five years ago of 18 teams, there are now more than 90 with nearly 5,000 boys participating. Need More Equipment Frank Hendricks, executive secretary, said the number of participants is limited only by the equipment available. "We have probably 1,500 to 2,000 more boys who would be playing in the All-American Little Football League if we could get uniforms for them," he said.

Communities represented in the league are Riverview, Grosse Pointe Farms, Lincoln Park, Roseville, West Bloomfield Township, East Detroit, Garden City, Livonia, St. Clair Shores, Dearborn, Grosse Pointe Woods, Troy, Nankin Township, Madison Heights, Grosse Pointe, Walled Lake, Wyandotte, Royal Oak, Southgate, Northeast Detroit and Oakwood.

## Park Police Smash Gang Of Teenage Bike Thieves

Park police smashed a seven-boy gang of bicycle thieves who were starting a business of stripping bikes and interchanging parts and selling the reassembled two-wheelers. Det. Lt. Stanley Enders and Arnold Hough marked the case closed with the arrest and questioning of the last lad Monday evening, September 12. All the boys, ranging in age from 12 to 15 years old, are from Detroit. The detectives were busy day and night from Friday, September 9, through Sunday, September 11, tracking down leads that led to the arrests of the boys who live in Chalmers and Lakewood, between Jefferson and Kercheval.

Enders and Hough said that their first lead came from a complainant who reported that

## Youth Who Wrecked Fence At Farms Park Avoids Debt By Serving Jail Sentence

### Terrance Brandt, Who Did Wholesale Damage and Also Hit Parked Car, Sent to Prison for Stealing Vehicle

A hard way to keep from paying a debt, is to go to jail and make collection practically impossible. The Farms council on Monday, September 12, canceled a bill for \$146 against Terrance J. Brandt, 18, of 4405 Lemay, Detroit, who last January 2, was sentenced in Detroit's Recorder's Court to one to five years in Jackson Prison for unlawfully driving away an automobile. The car Brandt was found guilty of stealing was the same with which he crashed in the Farms municipal park on July 25, 1959, while trying to get away from Detroit police.

Ordered to Pay \$146 On November 18, 1959, Brandt was arraigned before Farms Judge Grant E. Armstrong, who ordered the youth to pay the \$146 for the damage to the park. The payment has never been received, the council was told by City Clerk Dawson Nacy. Nacy said that all indications are that the amount is uncollectible. The council approved canceling the debt.

On the July date, Brandt was chased south on Moross by Detroit police, who tried to apprehend him for stealing a car from in front of 12400 Frankfort, Detroit. The chase was up to 80 miles an hour.

Hit Parked Car At Moross and Lake Shore roads, Brandt skidded on the pavement, crashing into a car owned by John M. Chase, Jr., of 28 Beverly, veered off and went through the park fence, ripping up 46 feet of link fence and all the posts, ripped out a wooden bumper rail, and knocked down a tree in the children's play area. Farms and City police were

called to assist the Detroit policemen, during the chase.

After smashing up the car and damaging the park, Brandt leaped out of the stolen car unharmed and jumped into the bay between the park and the Crescent Sail Club property, and swam toward the club. He found two City Policemen waiting for him when he got out of the water, and was turned over to the Detroit officers.

Investigating officers said that Mrs. Viola E. Troutman, 55, of 21323 Littlestone, Harper Woods, was driving north on Moross when she lost control of her automobile and it jumped the curb in front of 168. The car smashed into a telephone pole.

Mrs. Troutman sustained shock, and abrasions of the knees and chest injuries, and her husband, Russell W., 54, suffered severe lacerations on his head. Both were hospitalized and treated for the injuries. Police were unable to give Mrs. Troutman a ticket at the scene of the accident because of her condition. At the hospital, when the ticket was given her, she told police she could only remember the bright lights of an oncoming car, which blinded her and she lost control of her vehicle. Damage to the car, right front, was estimated at about \$500. It had to be towed away to a service garage.

THIEF TAKES TOOLS Roy Berry, 21, of 1826 Alford, complained to Woods police on Friday, August 26, that someone stole a black plastic bag containing an assortment of tools, and a flashlight from the seat of his car which was parked at the curb in front of his house. The car was unlocked, he said. Value of the stolen items is \$15.

## Schools Open Smoothly for New Season

### All-System Meeting on September 6 Held Before 10,305 Students Return to Classes

The 19th annual all-system meeting of the Grosse Pointe Public Schools was held at the Parcels Junior High School auditorium on Tuesday, September 6, 1960. In attendance were several hundred professional staff members, many representatives from various Parent-Teacher Associations, and several members of the Board of Education.

Miss Betty Frounfelder, president of the Grosse Pointe Teachers' Association conducted the meeting. The president of the Board of Education, Robert F. Weber, greeted the returning staff and welcomed new employees. He then introduced the main speaker, Supt. James W. Bushong.

In his remarks Dr. Bushong focused the attention of all those present on the serious obligation which educators must accept and fulfill. He called for teachers everywhere to answer the challenge of the next decade with a constructive and vigorous campaign for permanent world leadership in education. He pointed out that Grosse Pointe teachers and citizens must accept additional responsibilities in the years ahead and urged them to intensify their efforts to provide the best possible educational environment for our young people.

School Opened Thursday The opportunities for influencing the country's future in a constructive and meaningful way present themselves, in the form of returning students, at 8:45 on Thursday morning. A total of 10,305 boys and girls reported to their various classes throughout the Grosse Pointe Public School System.

The return of hundreds of children to each of the 14 buildings was accomplished with customary smoothness due largely to the diligent efforts and close cooperation of school administrators, secretaries, maintenance personnel and building custodians. Harold Husband, Director of Administrative Services reports that the extensive summer maintenance and renovation program was completed on schedule and that the physical plant is once again gleaming under new coats of paint and polish.

## Shores Suspension Hearing Delayed For Third Time

### Patrolman Lietke's Attorney Says Important Circuit Court Suit Demands His Full Attention; No New Date Set

The hearing on the suspension of Shores Patrolman John F. Lietke, was postponed for the third time at the request of the officer's lawyer.

The attorney, Sam Prete of 1205 Three Mile drive, said that a pressing circuit court suit, to which he must give much of his time, forced him to ask for a postponement of the hearing at almost the last minute.

The hearing was scheduled for Tuesday, September 13, at 8 p.m., and the postponement information was disclosed on Monday, September 12. Prete said that no definite date has been set for the new hearing, but the delay was agreed upon by Lietke and Village Attorney Joseph Vance.

Suspended July 1 Lietke has been suspended from duty since July 1, for allegedly becoming abusive and using profane language when issuing a traffic violation ticket to a motorist on Lake Shore on June 11.

Eight weeks after the suspension, Lietke's attorney charged, the officer was served with a list of charges, in which he was accused of failing to report damage to a police car last October, which should have been reported by him, as he was the senior officer, the ticket issue; and for allegedly falling asleep on duty on July 1. The latter charge, it is claimed by Village officials, was the cause of Lietke's suspension.

Denies All Charges All charges were denied by Lietke, who counter-charged that the officials were "scraping the bottom of the barrel" to "get him." This was denied by the officials, including Chief Fred Duemling, Lietke's brother-in-law.

If found guilty of all, or any of the charges, Lietke, a veteran of more than 23 years on the force, stands to lose his job and pension, according to Village President Jack Williams.

The case has aroused considerable interest among the residents of the Shores and other Pointes, and especially among officers of the other Pointe police departments.

## To Add Spaces At Parking Lot

The Farms will have metered space for 22 more cars in its Mack avenue business section, when two small parking lots are completed.

Construction of the lots, Calvin at the Mack avenue alley, and Fisher road, at the Kercheval alley, was approved by the Farms council on Monday, September 12.

Floris DeMeulenaere, the lowest bidder, won the contract by offering to do the projects for a total of \$6,388.

According to information given to the council, the lots will have 11 spaces each.

## RADIO STOLEN

Mrs. John O'Gorman of 81 Moran, told Farms police on Saturday, September 10, that a transistor radio was stolen from her while she was at the municipal park. The radio is valued at \$35.

## Spectacular Blaze Kills Old Mansion

### Abandoned Residence of Late Dr. and Mrs. Murphy Guttled in Fiery Final Performance

Ghosts of the Pointe's "Haunted House" were laid to rest in a fiery ceremony during the night of September 12-13, when flames completely gutted the once-stately, long deserted mansion of the late Dr. and Mrs. Fred J. Murphy, on the lakefront opposite Roosevelt place.

The blaze, one of the most spectacular in Pointe history, put on an awesome show for more than four hours. The first alarm was turned in at 11:28 p.m. Monday night by Peter Wilhelmson, watchman employed by the Harold R. Boyers of 17700 E. Jefferson avenue.

It was 6 o'clock Tuesday morning before the weary 40 firemen who battled the blaze returned to their headquarters with equipment sent by four fire departments.

Hundreds See Show Despite the late hour, hundreds of residents, many wearing bathrobes over their nightclothes, circled the inferno, wading through the tangled, deep grass and neglected shrubbery of the deserted estate, seeking the best vantage points for watching the frightening spectacle.

The fire had made tremendous headway before it was discovered. By the time the first equipment arrived from the City of Grosse Pointe just a few blocks away, the flames were eating through the roof, and within minutes had swept through the entire house.

For several hours every room in the huge mansion was ablaze, and the watchers were treated to a real-life reproduction of the movie scene of the burning of Manderley from the film "Rebecca."

Two Aerial Trucks Aerial ladder trucks from the Park and Farms, stationed on either side of the sprawling structure, spewed tons of water on the seemingly unquenchable holocaust, sending up fearful showers of sparks and clouds of steam and smoke. There was fear that the flames might spread to the Harry Rust mansion on the west side, or to the abandoned Fred M. Alger residence directly to the east. Fortunately there was no high wind to augment this danger. Had the fire jumped to the Alger home it would quite probably have also taken the Boyer house next door.

Mr. Alger and his sister, Mrs. Boyer, sold the two properties to William C. Ford some years (Continued on Page 2)

## Elderly Woman Injured In Park

A 75-year-old Detroit woman suffered a fractured skull when she was struck by an automobile on Friday, September 9, while crossing Mack avenue at Bedford road.

The woman, Mrs. Matilda Sanders of 330 Brush, was crossing from the south curb to the north curb, according to Park police, when she was hit by a car driven by Frank W. DeCook, 60, of 15302 Kercheval, going west on Mack.

Witnesses called Detroit police of the 13th Precinct, who took Mrs. Sanders to Saratoga Hospital, where X-rays showed that her skull had been fractured. Detroit authorities then called Park police, since the accident was said to have occurred on the Park side of Mack.

Park Police Chief Arthur Lowers said that the woman was caught on the sideview mirror, which was extended from the side of the car, and hurled to the pavement. The mirror was torn loose from the car, the chief said.

Mrs. Sanders was on her way home from the Thomas V. LoCicero residence, 1105 Three Mile drive, where she is employed, when the accident happened.

DeCook was issued a ticket for failure to stop within an assured clear distance and hitting a pedestrian.

## Spectacular Blaze Guts Deserted Murphy Mansion

(Continued from Page 1) ago. He contemplated tearing both down and building a new residence on the combined estates. This plan was abandoned and the two old landmarks has since been empty, neglected and increasingly lonely.

**Nuisance to Neighborhood**  
The Murphy mansion has long been known as the "Haunted House" and has been a favorite rendezvous for gangs of youngsters and trespassers of all ages. It has been a thorn in the side of the City police for years and a nuisance to the neighboring residents.

Under the mutual fire assistance pact which was entered into by all five Pointes and the City of Harper Woods, the blaze was a four alarm event. Equipment was sent by the Park, City, Farms and Harper Woods. Six pieces of equipment were pressed into service to battle the blaze.

In the early hours of the morning the copper roof fell in, leaving the bare brick and stone outer structure standing ghost-like in the glimmering final sputters of flame. The smoldering embers, protected from the pouring hoses by the copper

roof blanket, gained new confidence and twice burst back into life after it was thought the fire was ended. Equipment had to be sent back to the scene at 8 o'clock Tuesday morning, then again at 11 a.m.

What was once a proud showplace had been allowed to decay and wither into an ugly eyesore. Vandals had repeatedly desecrated its interior, and the windows which once looked across the spacious, perfectly groomed lawns to the lake, had had their eyes removed and bandaged with boards.

Despite the many insults she has endured during recent years, the old mansion clung fiercely to life. She died gallantly in a final blaze of glory that night. There was sadness in those last hours of blazing splendor and many of those who watched the death-throes must have been harking back to the years when the great halls and spacious rooms were full of activity and love and joy and every manifestation of gracious living.

This fire also had a pointed lesson to leave in its flaming wake. The same thing could happen in the abandoned Alger mansion next door. It is to be

hoped that this, and the charred ruins of the Murphy residence will be torn down quickly before there is a repeat performance.

The Murphy mansion was originally built around the turn of the century by a Baldwin family. In 1908 it was bought by the late Russell Alger and his brother, the late Col. Frederick M. Alger, for their mother, Mrs. Russell A. Alger, widow of the late General Alger.

Following her death it was purchased from her estate by Dr. Murphy. He later married the widow of Col. Frederick Alger, who was the mother of Mrs. Harold R. Boyer and of Frederick M. Alger, Jr., now living in Lincoln road.

Cause of the fire is not

known, but it is a safe guess that it was started by marauding youngsters. Three youths are known to have appeared at the Boyer home about 9 o'clock. They told a maid they wanted to get in the "Haunted House". She told them to go away, but they came back again about buying an old car they had seen behind the garage. They were again sent away.

Whether or not there is any connection between the boys' visit and the fire is anyone's guess at this point.

Thursday evening new teachers were guests of the Grosse Pointe Board of Education at a dinner held at Brownell Junior High School. At this occasion all members of the board were present and each spoke briefly to the new staff members.

One of the highlights of the busy two-day schedule was an address entitled, "Education—Hope for the Future," delivered by Mr. Weber, president of the board, which climaxed the evening's activities. In his inspiring message President Weber clearly stated the problems, responsibilities, and opportunities which face education and the free world. He called upon lay citizens and educators across our nation to answer the challenge posed by the communist world with a renewed dedication to cherished American ideals.

### College Courses Offered At War Memorial Center

To meet the need for day time instruction on a college level in the neighborhood, the Grosse Pointe War Memorial Association in cooperation with the Adult Education Division of the University of Michigan and Wayne State University is offering on a trial basis a limited number of classes this fall. The three courses chosen to

test Grosse Pointe interest in this program are: 1. A Workshop in Creative Writing, 2. A Course Reviewing Present Day Fiction and Non-Fiction Writing and, 3. A brush-up class in Conversational French.

The Workshop in Creative Writing will be held on Monday morning, beginning September 19, 9:30 to 11 a.m. Jeanne Torosian will be the instructor. She was featured as "Pointer" of the week and is regarded as one of the best people of the Wayne State University faculty.

Mrs. Torosian, a recognized author herself, will give instruction in the planning and organizing of the short story, poetry and the novel. In classes, students will read their manuscripts for criticism and discussion and Mrs. Torosian will lecture on the various forms and techniques of narrative fiction. Eight weeks of 1½ hour instruction is offered for a total of \$13.

Review of Fiction and Non-Fiction Writings will be offered Tuesday morning, beginning September 20 and continued through November 8. Class meetings will be held from 9:30 to 11 a.m. Seymour Riklin will be the instructor and his choice of works and authors to review will be based on class interest. As a guide for selection, Professor Riklin has suggested the following authors: William Faulkner, Aldous Huxley, Julian Huxley, Boris Pasternak, William Carlos Williams, Gilbert Highet, Eric Hoffer, Isaiah Berlin, Vance Packard, Malcolm Cowley, Meyer Levin, Vladimir Nabokov and Jean-Paul Sartre. The fee for the course will be \$13 for eight weeks.

Conversational French, the third offering, is the course thus far most needing recruits. This course is scheduled to meet Wednesdays, beginning September 21, for a period of 16 weeks, from 9:30 to 11 a.m. The course is being outlined for a period twice as long as the others because the University advises that this is the minimum amount of time that any true progress can be made in a language.

The course is being offered because many Grosse Pointers have expressed the need for a better working knowledge of a second language when they travel abroad. It is planned for those who have had an acquaintanceship in school with the language previously, but who need to strengthen their vocabulary and review their conversational ability.

Because enrollments in this

class have frankly been quite slow Pointers are encouraged to attend the first meeting on September 23 without obligation to meet Professor Lakich and determine whether or not the course will be of interest to them.

I'm Buying Income Securities...

### HERE'S WHY!

"At first I didn't know what to do with the money John left me. I set some aside for insurance and savings, but I felt I wanted my extra money to work for me—you know, give me a regular income. Friends suggested I look into real estate and investment securities. I looked into both and found the stock and bond market offered me many advantages.

"The ease of investing was one thing. Another was the expert advice and assistance I got from Watling, Lerchen & Co. The securities I bought give me a steady income and may increase in value the longer I hold them. Also, if I ever change my mind and wish to buy different securities, I can do so very easily and quickly."

Investment objectives are many and varied. Let a Watling, Lerchen & Co. representative help you attain yours through a planned investment program. Phone or mail the coupon for more information.

### Emil Weddige To Teach Here

The Grosse Pointe War Memorial Association is very happy to announce that Professor Emil Weddige of the University of Michigan has returned from his sabbatical year's leave in Paris and will come to Grosse Pointe one day a week to offer three classes in Adult Art. Classes will begin Friday, September 23. There will be three groups, advanced at 9:30 a.m., intermediate at 12:30 and apprentice at 3 p.m. Twelve weeks of 2 hour classes are offered for \$36. Advance enrollment is urged as classes are limited.

Emil Weddige is recognized as one of the foremost color lithographers in the world. He chooses to spend time in Paris every few years because it is there only that he can obtain the fine quality of paper necessary for his work. Weddige lithographs are prize collector's items both in this country and abroad and he has had one man shows in the principal cities of both Europe and America.

Professor Weddige is one of those rare individuals who is not only a great artist himself but is also a great teacher. He is extremely dynamic and a well organized individual able to take any student from the beginner, who needs the most basic kind of training to the very advanced pupil, who needs fresh ideas, and to both he is equally inspirational.

The Grosse Pointe War Memorial Association counts itself very fortunate that it is able to draw Professor Weddige from his busy University of Michigan schedule for an entire day of classes each week. All those who studied with Professor Weddige prior to his leaving for France have eagerly been awaiting his return, so that places in his classes are somewhat at a premium. It will be a challenging experience for those who are able to enroll.

SIMCA ETOILE

The sleek and sporty Simca is right at home on any campus. Not a true sports car (it's larger than any, costs much less than most), yet Simca handles like a sports car, out-corners many that go by the name. Its peppy 4-cylinder engine is the largest in its price class. It can accelerate from 0 to 50 miles per hour

in just 13.9 seconds. And for safety's sake, there's panoramic vision, oversized brakes, and the famous Simca UniGard body—a virtual fortress of steel. So send them back to school in safety—and style—in Simca. With no strain on your pocketbook, either. For Simca is just as easy to own as it is on the eyes.

## Park Employs New Patrolman

Henry A. Wilson, Jr., 24, of 5211 Lannoo, Detroit, was appointed to the Park Police Department as a probationary patrolman on Friday, September 2, it was disclosed by Police Chief Arthur Louwers.

The new patrolman is a graduate of Southeastern High School, and was formerly employed at Cottage Hospital, with duty in the surgery room. He is not married.

He served with the United States Air Force from April 12, 1957, to January 24, 1960. He was with the 867 Medical Group at Selfridge Field, where he was in charge of Central Sup-

plies and the Emergency Hospital Service.

Wilson's commanding officer, and the desk communication officer of his shift, have been instructed to relay all emergency birth cases to Wilson, when and if they occur while Wilson is on duty, Chief Louwers said.

## League to See Winning Film

The Grosse Pointe Cinema League will present a 16 mm film entitled "White Mane," a masterful photographic achievement, having won seven international awards, on Thursday, September 22 at 8 p.m.

Filmed by Elbert Lamorisse in southern France, this movie has beauty, tenderness and rare beauty.

It is the story of a young boy's friendship with a proud, wild stallion, and how together they resist the efforts of men to capture the horse and break his spirit.

Realizing the importance of creating films of skill and beauty, the League has set up

a workshop where these points can be observed and studied throughout the year. Mrs. Mary Mullarky, the president, states there is a great need for this among amateur movie makers and hopes that filmers in Grosse Pointe and vicinity will participate.

Membership in the League includes both advanced and beginners. Meetings are held at the War Memorial Center, 32 Lake Shore road.

The man who boasts most about the qualities of his ancestors is usually the descendant of a non-blooming family tree.

## Five Pointers Taken Off Road

Five Pointe motorists were deprived of their driving privileges by the Michigan Secretary of State Office, according to the latest report, dated August 26.

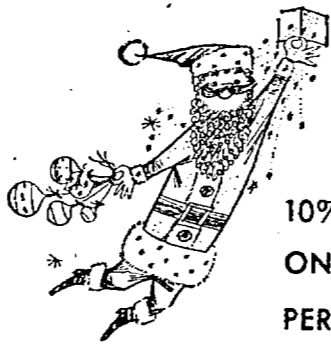

Two drivers had their operator's licenses suspended under the Financial Responsibility Law, for driving while under the influence of alcohol. The licenses cannot be returned until proper liability insurance is obtained.

The drivers are: Robert D. Maples of 44 Montana, whose license was taken away on July 27; and Cornelius Kuypers of 980 Beaconfield, who had his

taken from him on August 9. Robert Wedyke of 220 Country Club drive, had his license suspended from August 5 to November 4, for having an unsatisfactory driving record.

Unsatisfactory driving records brought about the revocation of the operator's license of the following: Chacuri A. Riff of 1169 Berkshire, on July 27; and Robert Yeomans of 1869 Berkshire, on August 11; and Robert Yeomans of 1869 Stanhope, on August 11.

The turnout of customers and friends for the grand opening of the new Mack-Moross Standard Station, one of the largest in Metropolitan

area, exceeded all expectations and resulted in the sale of more than 80,000 gallons of gasoline, according to owner Ed Kuczynski.

The station, as its name indicates, is located at Mack and Moross. It adjoins the property now under rezoning consideration for a branch of the National Bank of Detroit.

**Men's Chorus Being Formed**  
John Finch, Head of Vocal Music at Grosse Pointe High School, is calling upon all men in the Grosse Pointe Communities who are interested in male chorus work to join the Grosse Pointe Men's Chorus, meeting at the War Memorial Center, 32 Lakeshore road, this Monday evening, September 19, at 8:30.

Singers are accepted regardless of age or training. No audition is needed but Mr. Finch will test voices and place them appropriately in the group line up.

The Grosse Pointe Men's Chorus was originally organized many years ago to meet the demands for a community outlet for Grosse Pointe's many fine men's voices. When World War II came along this chorus made it a point to rise early whenever there were departures of draftees. They always gave them a rousing send off.

Down through the years their singing has enlivened and been featured on many civic, church and community occasions.

The chorus is more than a singing group; it is a wonderful way of fellowship and is a

**Verbrugge Buys Prize Steer**

This prize Whiteface 4-H Club steer, award winner at the recent Michigan State Fair, was purchased by the Verbrugge Market, 898 St. Clair avenue. Allen Verbrugge, shown here with the prize bovine, says that the deal was consummated mostly to help the 4-H club program for youth, but his customers will naturally also be greatly benefited by being able to buy this extra fine beef.

**Plan Dinner For Waldron**

A Republican get-together will be held at the Grosse Pointe Hunt Club, Wednesday evening, September 21, beginning at 5:45 p.m.

A committee spearheaded by George McMullen, president, has organized the testimonial dinner to honor Robert Waldron, state representative from Grosse Pointe and Harper Woods. Waldron has served the community in the State Legislature for six years and is now running for his fourth term of office.

The chief purpose behind this unique dinner and get-together is to sharpen interest in the Republican party among Grosse Pointe and Harper Woods voters as well as to raise money for Waldron's campaign and those of his fellow Republican candidates in the same voting area.

As a high point of the evening Mr. Waldron will be given a chance to express his political views and also introduce key Republican party leaders including Paul Bagwell, Alvin Bentley, Lois Nair, Candidate for U.S. Congress, Bill Kennedy, candidate for State Senator, and several others.

**Police Seeking Owner of Ring**

Park police have a yellow gold ring, found on August 24, and still unclaimed, according to Police Chief Arthur Louwers.

The ring was found on Barrington, between Jefferson and Fairfax, and bears the inscription "W.H.L. to M.L.G. Deus Vobiscum".

Chief Louwers said it is not known whether the ring was stolen in a burglary and discarded, or if it was just lost.

The owner may have the ring. He or she can give other details regarding it, and proper identification, the chief said.

and economy, too—  
a gas dryer dries this big wash for less than 2¢

When it comes to making molehills out of mountainous loads of wash, nothing beats a modern gas dryer. Many things that otherwise need ironing come out fluffy and wrinkle-free, ready to fold. No lugging heavy baskets, no weather worries, when you own a gas dryer. And the ultraviolet sanitizing lamp gives the wash a fragrance like sunshine.

Savings? Plenty! A 9-lb. load, including heavy items like towels, dries for under 2¢. Dry at just 1/5 the cost—See the new gas dryers at your Gas Company or dealer showrooms.

Show Patrons Lunch at DAC

Many Grosse Pointers went down to the Detroit Athletic Club to lunch in festive groups before going over to the J. L. Hudson Auditorium for the fashion show sponsored by the Junior League to benefit the League's project for elderly citizens, the Senior Center, Inc., which is partly a Torch Drive agency, too.

On Tuesday, September 13, the first day of the pair of shows (the second took place Wednesday), Mrs. Kendrick B. Brown honored her sister, Mrs. Chester Stockpole of New York, at luncheon at the DAC, her guests including Mrs. James E. Atkinson and her sister, Mrs. Laurence Leinbach of Wellsboro, Pa.; Mrs. Walter F. Rockwell and Mrs. Charles L. Jacobson.

Mrs. Hugh Daly's Tuesday luncheon at the DAC, (before the group went on to the fashion show), was a dual bon voyage party to honor Mrs. Joseph A. Vance who is going to Europe later this month, and for Mrs. Lee Hill who is to leave on a trip to South America.

At another luncheon table, a get-together group included Mrs. Edward F. Guenther, Mrs. Plant McCaw, Mrs. Carter Mulaly Jr., Mrs. William D. Byron Jr. and Mrs. Clinton Scharff.

What Goes On at Your Library

by Jean Taylor

Dave Garroway's book "Fun on Wheels" arrived on our shelves too late for the family motorists on long vacation jaunts. However, there are still those Fall week-ends ahead when you fill the family car and take to the road.

Mr. Garroway's book stems from his own experience, and it suggests a variety of games, puzzles, riddles and crafts to keep children from being restless while traveling in a car. These have been tested and pronounced worth trying by the Garroway family, Pete and Mere as well as the younger members.

Emphasis is placed on the kinds of behavior, to be expected in a party situation at various ages. Parents are warned what to guard against, what disturbances are to be anticipated, what the general temperament of each group is—all in all a valuable text for the bewildered parent.

Don't forget, if you do not have Channel 56 on your home television, that the color TV at the Central Library is equipped with this, and it is available for viewing to all library users at any time during library hours, unless a meeting is scheduled in the meeting room.

A series of weekly televised discussion hours, "Conversation About Literature," over WTYS Channel 56, will begin Wednesday, September 21 at 8:30 p.m. and will continue each week through December 14.

This is being co-sponsored by the Detroit Public Library, Wayne State University and the Division of Adult Education of Wayne State University and the University of Michigan.

Letters to the Editor

To The Editor: There are such beautiful fences of all heights in Grosse Pointe Farms, some lending privacy for outdoor barbecuing, others offering backdrops for landscaping, that one wonders why the Park is saddled with the 4-foot fence ordinance.

don't have the advantage of less crowded schools any more; we have the old schools, dear to us, of course, but far from the glamorous new ones in other areas. Why may newer neighborhoods than the Park enjoy privacy for outdoor entertaining which becomes more the summer custom every year by building such fences as suit their needs?

Why should this apply also to backyards where surely no view of motor is impeded? The ordinance is the sillier for rear yards because one may plant a hedge that may grow 8 feet high if the householder lives long enough or remains in one house long enough to see it that high.

MOTORIST SENTENCED Lyle Martin, 59, of 4890 Courville, Detroit, was found guilty of driving with an expired license and fined \$10 or five days in the Wayne County Jail. The fine was paid. The case was heard by Park Judge C. Joseph Belanger on Wednesday, September 7. Martin was turned over to Detroit authorities, who had four outstanding traffic warrants against him.

In case you think you might be stung

By Fred Kopp, R. Ph.

Some people seem to feel that prescriptions are outrageously priced. The truth of the matter is this: Last year the average American bought about 3 prescriptions for a total cost of around \$7.50. An average of less than \$3.00 per prescription. Sure, some drugs cost a lot. So do television tubes — for the same reason. They're expensive to manufacture. New and improved production methods, however, bring prices down. Penicillin, for example, costs only a small fraction of what it did when it first came out. Your pharmacist has a professional knowledge of drugs and can tell you this. They are fairly priced. You get what you pay for. We are always pleased to serve you.

SINCE SEPTEMBER is the month to be up and doing you'll love the brisk trading atmosphere of the hill.

IT'S EARLY FALL and they're extolling the coffee coats at Martha Lawrence. Done in the rich jewel tones of purple, blues, as well as lighter shades these robes are either quilted or made from soft, soft material. ## DAC Prepares Full Fall Party Calendar

Seymour Hoffman's Band Will Begin Nightly This Thursday; Young Marrieds Party Friday and Floor Show September 23 and 24; Stag Party September 30

Detroit Athletic Club has a full calendar of entertaining events for members during the second half of September, with the return of a dance band this Thursday, September 15, as the inaugural of the social season.

Seymour Hoffman and his orchestra will play nightly (except Sunday) for dinner and dancing in the main dining room for the next several weeks. The popular Hoffman group, which has played for extended stays at the DAC several previous times, will be on the bandstand at 7 o'clock.

A "Young Marrieds Party" is slated for the following evening, Friday, Sept. 16, and this fete is not pinned down to any specific age group—it's for the DAC's young-of-heart.

Starting at 9 o'clock, the party will be a matter of dancing, entertainment by talented amateur members, as well as a professional singer, and a mid-night buffet breakfast served in the club's spacious, shining kitchens.

DAC's entertainment program for September 23 and 24 will be a Terpsichorean exhibition by three couples, all professional dancers, with the timely theme, "What's New in Social Dancing."

Last event of this month will be a Sept. 30 stag fete for new members. It's to be a reception, cocktail hour and open house beginning at 4:30 o'clock, with tours of the clubhouse as a highlight.

Grosse Pointe members of the entertainment committee in charge of all the events are Joseph E. Bayne, Leo Fitzpatrick and David C. Gillis, and

they are working on plans with Chairman Martin C. Callahan.

## Errant Drivers Warned By Park

Motorists who fail to have a driver's license on their person, or who drive while their licenses are suspended or revoked, will get no sympathy in the Park court and will receive the maximum sentence prescribed by law.

The warning was issued by Park Judge C. Joseph Belanger, and Park Police Chief Arthur Louwers.

Both officials stated that a driver must be in possession of a valid driver's license. Failure to be in possession while operating a motor vehicle, authorizes the arresting police officer to take the motorist into custody.

"The driver will be brought into the station and held until such time that State records disclose the operator's status," the chief said. "If the records indicate the operator's license is in a valid state, police will release him from custody, after issuing him a ticket for not having the license on his person."

However, failure to having obtained a license or driving while a license is suspended or revoked, will require further custody and an immediate court appearance, it was said.

Judge Belanger said, "The operator of any motor vehicle who drives without having obtained, or while under suspension or revocation, who appears in my court shall certainly be penalized by severe fines and jail sentence. It has been the policy of this court to sentence all such

violators to terms up to 90 days in jail.

"This court has no sympathy for the person who disregards the laws of this State and our city in the operation of a motor vehicle," the judge added.

Make laundering as easy  
as laundering can be—get a flameless  
**ELECTRIC CLOTHES DRYER**

**WHY A FLAMELESS ELECTRIC DRYER IS BETTER FOR YOUR WASHABLES.**  
Whites stay white, colors stay bright. There's never any sun fading or fume yellowing. Since it's electric, there are no products of combustion. Freshly washed clothes stay clean all the way. There are models which have a temperature for every fabric, from delicate synthetics and wools to the heaviest work clothes. Detering cycles make ironing unnecessary for much of today's laundry.

**TRULY A WORK-SAVING TEAM—AN ELECTRIC DRYER AND AN AUTOMATIC WASHER.** Pre-selected, accurately controlled washing cycles and drying temperatures take the guesswork out of laundering. Gentle agitating and tumbling help fabrics last longer, stay fluffier. Drying the electric way is fast, too, because gentle radiant heat begins right away.

**TAKE THE WORK OUT OF LAUNDERING AND THE LAUNDRY OUT OF HIDING.**  
Electric laundry appliances are so clean, good looking, and easy to operate that you don't need to hide them any more. Many homemakers want them handy in the kitchen. And that's easy when they're electric because flameless electric dryers and water heaters can be put where you want them.

### Award Winning Garden

The matchless beauty of this prize-winning Moraine Locust tree-lined drive with its breathtaking Fashion Floribund rose beds was done by the Charles F. Irish Co., Inc., which cares for many of the Pointe's fine trees. It was basis for a Certificate of Merit from the Men's Garden Club of America. The grounds

are a part of the newly landscaped Parke, Davis and Co. properties. Working in conjunction with Charles F. Irish Co. were Vincent T. Lauer, Landscape Consultant for Parke, Davis and Edward A. Eichstedt, Grosse Pointe, Landscape Architect.

### Jim Causley Pontiac In New Home

Jim Causley Pontiac, one of the area's largest dealerships, has moved into its own new quarters at 17677 Mack, at University. Owner Jim Causley entered the Pontiac agency field in 1957 through purchase of the McLean Motor Sales, which he then continued under his own name at the Mack-Lakepointe location. The new home with its separate bump and

paint shop and expansive parking grounds is more than 3 times greater than the original property. The agency now ranks with the largest in the Pontiac family, having reported the sale of more than 1,300 car units during the past twelve months. Its grand opening celebration will be announced soon.

### Howard Johnson's Celebrating New Look

The new look at Howard Johnson's has arrived! To celebrate the occasion the management has set aside four days of this week, Wednesday through Saturday, for an elaborate celebration, featuring selected food specials as well as souvenir gifts for the children. The new decor, shown above, features dark walnut formica walls and booths with upholstery and draperies in turquoise, white and gold accents. The new carpeting in both dining rooms stresses turquoise, coral, brown and gold accents.

The main dining room fea-  
tures additional booth seating  
along with planters and decor-  
ative grille work. The fountain  
counter and backbar have also  
been completely redone in wal-  
nut formica. The restaurant's  
merchandise area has been  
tripled in size and features  
such Howard Johnson products  
as ice cream, frozen foods,  
candy, canned goods and novelt-  
ies.

The local Howard Johnson  
"Host of the Highways," is op-  
erated by franchise from the  
parent company, with Grosse  
Pointe Alvin G. Sherman as  
owner. Richard Bochenek is  
manager and Marshall Stacey is  
assistant manager. The restaur-  
ant was opened in 1951, and the  
job of refurbishing brings it as  
up-to-date as any of the newest  
of the 600 Howard Johnson  
restaurants and motor lodges  
which spread over the eastern  
half of the nation.

The Pointe's famous road houses were among the many amusements offered to make Detroit gay in the gay nineties but oldsters remember many other amusements of that long ago era.

The fathers and mothers, grandmothers and grandfathers of current Pointe residents had a wealth of entertainment to choose from although there were no television sets; no motion pictures, no radio.

Bicycles built for two were favorites and for the adventurous there was a trip to St. Clair Flats to eat a frog leg dinner that cost 50 cents. From the foot of Third street to Woodward and then to the old dock at Belle Isle there was an all day ferry boat ride which cost just 10 cents. The first electric sign on the riverfront was "Queen Anne Soap".

Belle Isle was a popular resort with its band concerts and canoe rides. Thousands crossed the old plank bridge to enjoy these treats. Local vocalists starred at the band concerts. Homer Warren, who later became postmaster of Detroit, would sing "The Sword of Bunker Hill" which made patriots' hearts swell during the Spanish-American War.

Policemen ticketed bicycle riders who did more than 15 miles an hour. Daring lady riders wore divided skirts in order to ride men's cycles, which were considered much faster. The gentlemen wore knickerbockers and hose.

On the site of the new City-County Building was the Wonderland Theater which offered such attractions as George M. Cohan; the Chamber of Horrors and the Crystal Maze.

For ten cents a theater lover could buy a gallery seat in the Whitney Grand Opera House, up three flights of winding wooden stairs. Here you could see "The Great Train Robbery" or "Bertha, the Sewing Machine Girl."

At the Lyceum on Randolph street stock companies played melodramas and the Detroit Opera House on the Campus Martius offered such stars as Ellen Terry, Julia Marlowe, Maude Adams, Henry Irving and Richard Mansfield. In 1897 after a performance of "A Lady of Quality" the great theater caught fire and burned to the ground.

There was an art museum on Jefferson avenue and Hastings street where Prof. Arman H. Griffith lectured about his travels to the Far East. By 1901 sports fans could see the Detroit Tigers with Hughie Jennings and Ty Cobb play at Bennett Park. As many as 10,000 turned out for this.

McMillans, Newberrys, Brushes, Russells, Warrens, Lothrop's, all these famous families enjoyed these gay nineties amusements, which were located in the heart of the city, all within carriage ride of one another.

Editorial note: This information came from George Stark's pamphlet "Detroit At The Century's Turn".

In the ladies swimming locker at the Little Club on a shelf below the mirror is a comb clearly lettered on a strip of white adhesive with its identification — MINE.

Mrs. Carroll M. Boutell advises that all garden lovers visit the War Memorial Trial Gardens this week, sponsored by the Garden Center and the work of all the Pointe Garden Clubs. The yearly award winning gardens are aglow with early autumn blooms.

She was joined by Sigma Gamma Juniors Anne Fisher, Helen Jenks, Barbara Day, Lynn Gorey, Kathy Brady, Linda Firth, Angie Bayne, Elaine Gravelle, Sally Leisen, Baba Gage, Cathy and Martha Bicknell. Sympathetic knitters gathered around Mrs. Harry Russel at the Boat Club the other afternoon. Mrs. R. had cast on 600 stitches for a new dress, knitted about two inches and discovered she had the wrong number of stitches after several friends counted carefully.

### PILFERINGS

A Dallas business man tells how one rule of etiquette was written indelibly on his mind. At a dinner he once asked the lady on his right: "Pardon me, but am I eating your salad?"

"Honey," she said, "it's very simple. Youse eats to your left and youse drinks to your right."

It was language, says the man, that youse don't forget.

To Bill Gold, Washington Post and Times Herald columnist, came this announcement: The publicity chairman of the Fairlington Players resigned today, after finding that she had mimeographed and distributed 5,000 flyers advertising their next production—and omitted the name of the play, the date, the time and the place.

## Pointer of Interest

WILLIAM H. KESSLER, OF CADIEUX ROAD

By Patricia Talbot

An architect should be a sculptor, an artist, a photographer a musician and a writer, William H. Kessler believes. This accumulation of the arts has proved successful for him in his profession. Practicing his profession for a brief five years he has won three awards from the American Institute of Architects.

The Kesslers live in a cedar wood angled roof and yellow brick modern home in Cadieux road and he works in a cool white modern office in Mack avenue. The Kessler home is a showcase for his architectural ideas. A national magazine dropped in last week to take color shots of the house, which tall, blond, soft voiced Mrs. K., always keeps picked up, for she never knows who will visit.

Modern Oasis  
Guests are greeted from a purple door and seated in a living room which is sparsely furnished with a couch, lamps and tables, which Mr. K. designed himself. From the glass doors there is a lovely view of the planted and paved courtyard, protected by a high cream brick wall, a tranquil garden in the midst of a busy street.

## Center Plans Teens' Dance

First function of the Grosse Pointe War Memorial's Youth Council will take place this Saturday evening, September 17, 8:30 to 11:30 p.m. It will be a parent-chaperoned party open to all students of the Pointe's public, parochial and private schools enrolled in grades nine through 12.

The Center's Youth Council is composed of representatives from Grosse Pointe High School, Pierce, Brownell, Parcells, St. Ambrose, St. Paul's, and the University School. Working on this opening function will be Chairman Bill Penz, assisted by Bill Taylor, Sherry Bockstanz, Barry Brink, Sue Brown, Nancy Brownell, Jean Cook, Ross Kogel, JoAnne Kordas, Warren Kridler, Barbara Luss, Fran Martin, Kathy Mawhinney, Charles Munson, Don Owens, Marcie Pierre, Janet Schram, Pat Warren, Chuck Zentgraf, Sue Shaw, Karen Hubbard, Paul Trigg, Anne Adams, Ed Hermann, and Jim Large.

Weather permitting this back to school party will take place on the Center's lakeside terrace and lawn as well as the main floor. However, dancing will be permitted outdoors only until 11 o'clock. For the last half hour of the party couples will be permitted indoors only in the main floor and in the west side lighted formal garden.

Admission is \$1.00 per person and the dance is for couples only. Admission includes dance music, entertainment and refreshments. Dress will be regular date clothes appropriate to the weather.

Although Mr. Kessler works and lives in the Pointe he is not a dedicated suburbanite. He has very interesting ideas about the metropolitan area as a huge future home site, in the manner of Lafayette Plaisance. Detroit's future must be as an apartment town he believes. There will be a great return from the suburbs to the city in the next decade. There is something about the vitality of a city, a cultural and governmental center, which will attract residents.

Brings Outdoors In  
Mr. Kessler is a modernist to his fingertips. He is a great advocate of the design which blends with the site and with the temperaments of the people who will use his buildings. Many traditionalists advocate colonialism in the Pointe because the land is flat but Mr. Kessler doesn't. He likes to bring the outside indoors, even a snowstorm in the winter can be an asset to a resident of one of his houses.

Modern architecture is not just glass. All the old fashioned materials are used today, such as marble, plaster, wood, but most often in their natural form.

The Kesslers are vital individualists with courage to express their ideas. Their small daughter's unusual name, Chevonne, is an original spelling of the name of an Irish actress. But the family call the three-year-old, "Chevy" for short. Both the Kessler daughters show artistic talent, are given free rein in a basement playroom for painting.

So popular has the Kessler's courtyard become with their friends that now they are enlarging the gravel paths and tropical planting so that more guests may enjoy this unusual setting. Although a hospital is the Kesslers neighbor, little of the noise and traffic distraction invades the oasis behind the cream wall.

When he was at Harvard Mr. Kessler was warned that the mid-West was not a stimulating climate for his type of artistic work. He has proved this is a fallacy and is wholehearted in his enthusiasm for Detroit and its suburbs as a vital cultural center in the near tomorrow. He is contributing his own impressive work to this dynamic future.

The Price Is Right... in fact much less than you would expect to pay for personalized beauty care by expert hair stylists. Marie Bird's prices with few exceptions have been held at the level established when she opened her salon on the Hill eleven years ago. For example, a shampoo and hair style including a creme rinse for a mere three dollars (and that means a GOOD shampoo with your choice of Breck, Vita-Fluff or creme at no extra cost). Regular hair cuts, two dollars... the Intra-Curl-Cut a top value at three dollars! How is this possible in an era of rising prices? The answer can be found in Marie Bird's knowledge of sound salon management... plus a steady repeat business of satisfied clients.

Fait Accompli... in your home and very much to your liking... the carefully planned expertly crafted Mutschler Kitchens! It's a beautiful kitchen, custom tailored to your needs. Here is a compact package for portable use or custom installation. See and hear it at Audio Center, Kercheval in The Village... open Thursday and Friday nights.

Shape Up... the best way is through diet and exercise. If you're considering such a program consult your doctor and then check into the many fine diet aids at The Notre Dame Pharmacy... especially Metracal... it's delicious and nourishing.
