**THE PRO-COMMUNIST** Laotian leader has agreed to negotiate with pro-Western and neutralist princes some time next week, and a political settlement, creating a neutral Laotian buffer state ruled by a coalition government, may be in the offing. Neutralist Prince Souvanna Phouma is slated to return to Laos from Paris this weekend for talks with his pro-Red half-brother, Prince Souphanouvong, leader of the Pathet Lao guerrilla forces, and Prince Boun Oum, premier of the pro-West Government.

This news, coupled with reports that Royal Laotian Army units are finally taking U. S. military advice and regrouping in unoccupied areas they evacuated earlier in the month, plus the fact that the Laotian military front has remained quiet, has left the Kennedy Administration beginning to feel a little less anxious about the entire Southeast Asian situation. The United States is still landing troops in Thailand, and has appealed to other SEATO (Southeast Asia Treaty Organization) member nations to augment the American contingents with at least token forces of their own.

So far, only Australia and New Zealand have indicated definitely that they will commit themselves. The U. S. military buildup in Thailand is seen more as an assurance to the Thai Government that Washington will defend their nation against Laotian Communist infiltrators than as a preparation for all-out war.

**TEAMSTER PRESIDENT** James R. Hoffa faces a possible \$500 fine and a year in jail, if convicted on charges of beating field director of the Teamsters Warehouse Division. Baron claims that Hoffa, arrested yesterday night in Washington, went berserk as the two conversed in Hoffa's office Thursday morning. Accusing his underling of failing to do work properly, Hoffa struck Baron, knocking him to the floor, then picked him up and knocked him down again. Assistant United States Attorney William W. Greenhaigh described Baron after the incident as "pretty well clobbered."

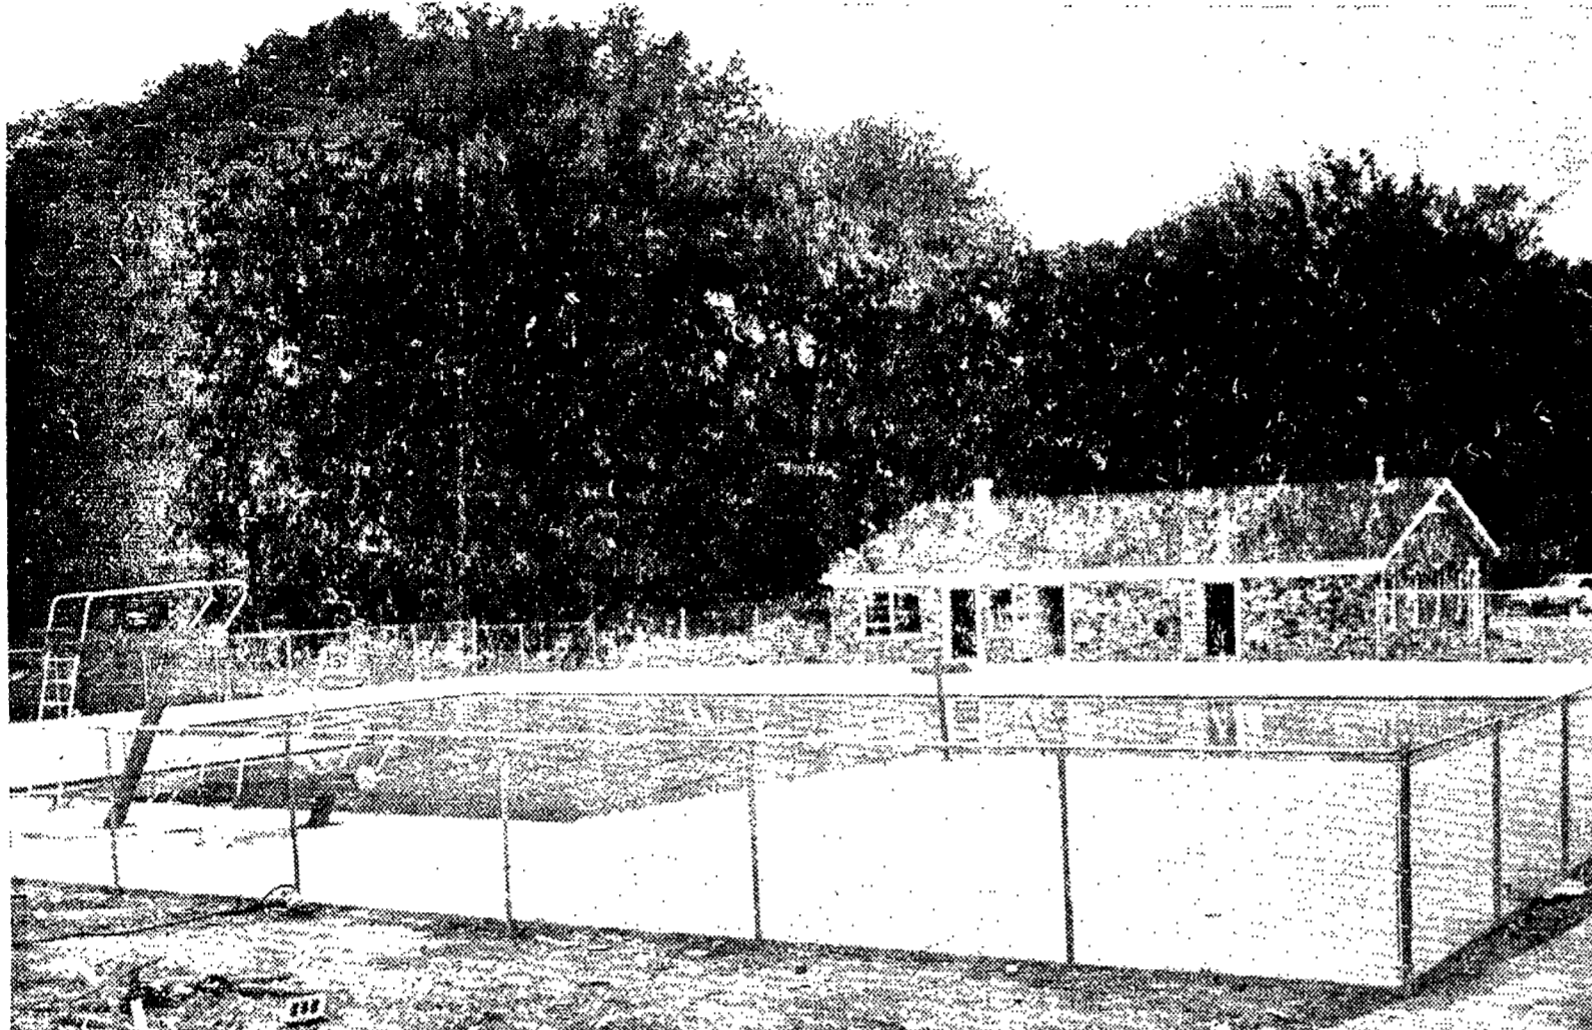

Hoffa quipped with reporters and newsmen as he went through the booking routine at a District of Columbia police station, where he posted \$500 bond. A hearing on the charge of simple assault was scheduled for 9 this morning, with Municipal Court Judge Thomas C. Scallely presiding. According to Baron, Hoffa preceded his attack with curses and abusive language, then "came at me with his fists clenched. . . . I clipped me on the left eye and knocked me down." Stating that he always avoided Hoffa as much as possible, Baron said that he had refused to become "part of a machine," and that he felt the incident was caused by a difference between Hoffa's "conception of the labor movement and mine." Hoffa, acting on the advice of his attorney, refused to make a statement at the time he was booked.

**Governor Swainson** yesterday announced that, for the second year in a row, Republicans have killed any chance of a statewide income tax. "I regret to announce that insofar as I can determine fiscal reform is dead in Michigan in 1962," the Governor told newsmen gathered in Lansing for a special press conference. "It is dead because the Republican Party killed it. And so again, the Republican Party has demonstrated that it is completely incapable of accepting or fulfilling its responsibility to the people of this state."

Swainson's decision to admit defeat on his fiscal reform program breaks the deadlock in the current legislative session, now expected to adjourn within three weeks. Passage of the GOP-backed nuisance tax program is certain, and Michigan seems headed for an exceptionally violent election year as Democrats blame Republicans for another inconclusive legis-

### City to Open New Municipal Pool Memorial Day

Final cleanup is now underway at the City's lakefront park, where a brand new swimming pool and new bathhouse will be officially opened next Wednesday. The new facilities are expected to add a lot to the summer pleasure of the residents during the coming season.

### Durant Files Libel Suit For Million

#### Hits Back at State Senator Stahlin's Charge of Unfair Politicking

Richard Durant of 425 Lincoln road, conservative Republican leader, filed a million-dollar suit on Monday, May 21, against Republican State Senator John H. Stahlin and his press aide, Charles Ferry.

Durant, who filed the suit in Wayne County Circuit Court, charged that Stahlin and Ferry libeled him in a recent complaint the senator made to the Fair Campaign Practices Commission.

In the complaint, the senator said that the Pointe Republican, aided by extremist, right-wing groups, was attempting to take over control of the Republican Party in Wayne County.

**Stahlin Expected Suit**  
Stahlin, a second term senator from Belding, is a candidate for the Republican nomination for lieutenant governor. When informed of the libel

### Break Window In Store Fight

Two angry teenagers began to fight inside the Albert Sheetz Candy Store, 17001 Kercheval, last Saturday, May 19, and their argument culminated in one pushing the other through a plate glass window.

The pusher, a 16-year-old boy, was taken to Grosse Pointe City police station by Patrolman Blair Martin took the other boy, age 15, to Bon Secours Hospital, where he was treated for bruises and lacerations, and released.

Police have the 16-year-old under close observation. An investigation into the incident is pending.

### One in Seven of Shores Voters Cast Their Ballots

Write-in candidates appeared on the Shores Village election ballots on Tuesday, May 15, opposing each of the candidates for local offices, except the Village clerk.

Village President Jack Williams easily won re-election, receiving 175 votes. Write-in candidate for the office was James Wright, who polled four votes.

In the ballot count for village trustees, which was hardly a battle, Benson Ford was given 198 votes; Gerald Schroeder, 147; Alfred Wilson, 142. Three were to be elected.

The write-ins for the trustee posts, and the number of votes received, are: James Wright, 45;

### Residents Battle Shores Trustees on Park Project; Form Association on Spot

#### irate Group Attends Meeting and Forces Delay in Plans; Also Petitions for Publication of Minutes of Sessions

Forty Grosse Pointe Shores residents, disturbed by reports that the Board of Trustees of the Shores was about to begin major changes and construction in the Osius Lakefront Park for the fifth straight summer, attended the meeting of the Trustees on Tuesday, May 15, and forced through action to delay the project.

The group, alerted by Trustee Gilbert Jerome, and Shores resident Howard Haarer, of 73 Hawthorne, said that the Trustees were about to let contracts for relocating the tennis courts, parking lot and boat ramp, a job which would take all summer, organized to prevent the work from starting.

In addition, a petition was presented by William Dahling, of 60 Hawthorne, requesting the Village President Jack Williams, to publish the minutes of meetings of the Board of Trustees in the Grosse Pointe News, as is done by other Grosse Pointe communities in the interest of keeping citizens informed of plans and decisions. Mr. Williams refused to commit himself or the Trustees and instead offered to put the minute book on the police station counter and let the group read it there.

**Charges Bad Judgement**  
Frank Hedge, 77 Hawthorne, charged Williams, the Trustees and the Village Superintendent with poor judgment and pointed out that the lakeside park, designed for the pleasure of residents, had been torn up for the past five summers.

"The advent of warm weather seems to be the signal for the Grosse Pointe Shores administration to begin running trucks around the park and doing repair jobs that could be done in the spring and fall months when no one uses the Park," he said.

He pointed out that in 1958 intensive rebuilding of docks and dredging went on all summer. In 1959 and 1960, dredges and pile drivers disturbed the residents, and in 1961 the Trustees authorized filling in of property north of the park. All these activities muddied the water and made an "eyesore" of the whole park, he said.

He asked that Trustee Jerome make a motion delaying all action in the park until residents had an opportunity to look over the Trustees plans, as had been promised months ago by President Williams.

The motion was made by Jerome and passed after the group demanded its passage despite some delay by members of the Board.

During the meeting the group brought out that the Village Manager, Thomas Jefferis, who is also Village Engineer, had neglected to check the elevation of Willow lane, a new street between Hawthorne and Hampton, with the result that the

**Summer School Now Enrolling**  
Registration for summer school is now under way. An anticipated 1,500 students are expected to enroll in courses offered at elementary, junior high, and senior high levels.

Resident students interested in taking courses at Grosse Pointe High School began enrolling Wednesday, May 23, Thursday, May 24, and Friday, May 25 will see the process continuing, with all registrations being received in the high school auditorium (Room 137) between 3:30 and 5 p.m.

Junior high school courses will be conducted at Brownell Junior High School. Registration was held there May 23. A similar opportunity will be available at Pierce Thursday, May 24. Pupils in the north end of the district may accomplish their registration at Parcels, Monday, May 28.

Elementary school enrollments will be taken Friday, June 15 and Monday, June 18. Courses being offered cover a wide range of academic subjects and are designed to strengthen, enrich, and accelerate. Some students desire to broaden their knowledge while others wish to improve a grade or increase a skill. Still others want to clear the way to take additional credits during the regular school year. The session will begin June 18 and end July 27.

### City to Open New Pool on Wednesday

#### Mayor Allen Will Officiate Facilities at Park on Memorial Day

Mayor Alonzo C. Allen will officially open the City of Grosse Pointe's new community swimming pool at 1 p.m. ceremonies next Wednesday, Memorial Day, in Neff Memorial Park.

Diving and swimming exhibitions will follow, and all residents are invited to an "Open House" tour of the new facilities, including a new bathhouse and renovated wading pool as well as the much-anticipated swimming pool, to begin immediately after the Mayor "cuts the ribbon," officially signaling the summer swimming season has begun.

The entire Waterfront Park project, begun last fall, was completed on schedule. Total cost of all improvements is \$130,430—money that most residents consider "well spent," especially as the weather gets hotter and hotter and the lake dirtier and dirtier.

**Is 100 Feet Long**  
The new pool, 100 feet long and 42 feet wide, with a 42 by 33-foot diving bay, was built by Paddock Pools of Eastern Michigan. Constructed of gunite, it was planned primarily as a recreation pool, and can be roped off into sections, corresponding to the various water levels, to facilitate safe, supervised swimming.

Provision has also been made for an accredited 25-yard swimming course.

Three diving boards have been installed: a one and a three meter board, and a small training board, and the entire area has been fenced to prevent small children from wandering on the edge of the deep water, and perhaps falling in.

**New Pool for Kids**  
These small children have their own completely renovated wading pool, and the new bathhouse, with facilities for the whole family, will be open for inspection during the Open House.

Palombit Construction Co. built the bathhouse for \$38,500. The swimming pool and renovation of the wading pool cost \$91,930, including complete filter systems and brass chrome cantilever equipment.

Residents of the City of Grosse Pointe are invited to come to the Park on Memorial Day, examine the new facilities, and use them throughout the summer.

City Manager Lawrence C. Savage promises that the ceremonies and exhibitions will be very short, so that everyone can get into the water as soon as possible.

### Woods Approves Highest Budget; Tax Rate Is Same

#### Largest Pointe Municipality Still Growing; Expenditures More Completely Listed This Year Than Last

At a special meeting held on Thursday, May 17, the Woods council approved a record budget for the fiscal year 1962-63, which begins July 1. The cost of operating the Woods city government next year calls for \$1,494,173. The cost during 1961-62, ending July 30, was \$1,155,756.

The Woods, the largest Pointe, is still growing, with subdivisions currently being developed.

Expenditures for 1962-63 are as follows: Department of Administration—\$142,856; Department of Public Safety—\$352,597; Department of Public Works—\$397,030; Department of Parks and Recreation—\$111,265; Debt Service—\$81,960; Capital Improvements—\$95,962; Contingencies—\$2,498; Water Utility—\$204,320; Sewer Utility—\$82,680; Parking Utility—\$14,920; and Milk River Utilities—\$8,080.

**Where Money Comes From**  
Revenues to cover the cost of operation come from: City Taxes—\$829,100; State Shared Taxes—\$272,000; Miscellaneous Revenue—\$112,250; Water Utility—\$206,200; Sewer Utility—\$51,000; Parking Utility—\$15,038; and Milk River Utilities—\$8,585.

The present tax rate in the Woods is \$14.55 per \$1,000 city assessed valuation. This rate has been in effect since 1958. Assessed property valuation in the city is \$56,983,860.

**Easier to Understand**  
The new budget listing is more self-explanatory than the last budget, as the cost of each service is itemized. In the 1961-62 budget listing, certain services were lumped together with others. This is the 1961-62 budget, as compared to coming year:

Department of Administration—\$180,029.20; Department of Public Safety—\$324,538.60; Department of Public Works—\$325,756.40; Building Inspections and Storm Water Pumping—\$32,114; Department of Parks and Recreation—\$111,471.60; Capital Improvements—\$114,516.24; and Debt Service—\$67,330.

### Burglar Robs Woods Dairy

A Woods dairy store was broken into by a thief Saturday morning, May 19. Entry was gained by breaking the glass on the front door.

Entered was Ira Wilson and Sons, 21035 Maek avenue. The burglary was discovered by an employe of the store, Robert Deane of 17434 Sprenger, East Detroit.

Police said that the thief smashed the door glass with a large piece of concrete. Approximately \$98 in currency was taken from the cash register. It was said the robber ignored \$5.69 in change that was in the register.

Police said that the thief apparently left by the rear door, as the bolt was open and the lock unlatched. The dairy was closed at 10:45 p.m. Friday night, and all the doors were secured, according to information given to police.

### Best Annual Mutt Show Sees Champions Crowned

The 6th-annual Grosse Pointe Mutt Show, sponsored by this paper, will be remembered as the finest yet given—despite the fact that, after a week of history-making hot and sunny weather, there were intermittent raindrops and cloudy skies throughout the three-hour program.

The attendance, including entrants, families and friends, was estimated at an all-time high of 300 and, as before, the show officials were greatly impressed by the good conduct of some 85 dogs and their young masters and mistresses.

Master-of-Ceremonies William E. Lane, "Subbing for Bob Hope," opened the judging with the largest dog class, in which there were 10 entries. Taking the "first first" was three-year-

### Center Drive Faltering; Need \$8,000

#### Residents Urged to Get in Their Donations to Reach Goal of \$60,000 by Wednesday

The Grosse Pointe War Memorial's 1962 Annual Family Participation Campaign has faltered just when the \$60,000 goal seemed to be in sight. After reaching the \$50,000 mark, daily contributions suddenly fell last week from approximately \$1,000 a day to a very few hundred. The present total is \$52,023, received from 3,273 donors.

Memorial Day, May 30, is traditionally the closing date of the active campaign and the Memorial's Board of Directors is still hopeful that this week will see a large number of generous contributors sending in their gifts. Telephone follow-up will continue.

Unless donations snowball in the next few days, the Memorial's volunteer workers will be forced to extend their efforts into June, for the \$60,000 is absolutely necessary to operate in the fiscal year beginning August 1. Thomas Munson, chairman of this year's drive, wishes to make a plea to all prospective donors to send in their contributions now if at all possible so that the volunteer effort may be brought to a close. Volunteers get tired and he feels they have earned a rest.

The Center wishes to gratefully acknowledge the following gifts received during the past week:

### Case of Bottles Tossed at Tree

William Delbridge, 696 University, heard a noise in the front of his home shortly before 2 a.m. on Saturday, May 19.

Someone in a passing car had thrown a case of empty beer bottles against a tree in his front yard, littering it with broken glass. Sergeant Douglas Allor and Patrolman Virgil G. Beupre of the City police cleaned up the mess. Delbridge saw neither the car nor the occupants.

### Center Plans Memorial Day Service

#### Residents Asked to Pay Tribute to 136 Heroes of World War II and Korea

A special Memorial Day Service will be held at the Grosse Pointe War Memorial, Wednesday, May 30, at 11 a.m. to honor Grosse Pointers who gave their lives in World War II and Korea.

The service will be held on the lakeside bowling green of the Memorial by the flag pole next to the Trial Gardens. It will be moved indoors in case of rain.

The ceremony will be brief but very meaningful and it is hoped that as many Pointers as can will take this half hour from their holiday to pay their respects to those for whom the day is set aside.

The order of service will be as follows:—  
Raising and Half-masting of the Colors, Boy Scout Troop 96 of the Grosse Pointe Memorial Church.

Advancing and placing of colors led by Lawrence W. Light, Alger Post 995, V.F.W. Opening Prayer by Rev. Father David E. Weisner, St. Ambrose Roman Catholic Church. Introduction of officiating dignitaries, by Lewis Hyde, Commander, American Legion Grosse Pointe Post 303.

Reading of the Gold Star Honor Roll by Kenneth W. Cunningham, Mayor, City of Grosse Pointe Park.

Address by Rev. Marcus Johnson, Minister, Grosse Pointe Congregational Church.

Placing of wreaths by Auxiliary, Alger Post 995, V.F.W., Auxiliary, American Legion Grosse Pointe Post 303; Girl Scout Troop 302, Pierce Junior High School.

Volley, Taps, and Echo by Firing squad, Alger Post 995, V.F.W. Bugler, Michael Bradley.

Retiring of colors, led by Lawrence W. Light, Alger Post 995, V.F.W.

Benediction by Rev. Father David E. Weisner, St. Ambrose Roman Catholic Church.

Those who made the supreme sacrifice in World War II include:—

### Burglar Returns To Restaurant

A burglar broke into the La-Coppola Family Restaurant for the second time in a little more than three weeks, helping himself to approximately \$50 in currency and change from a cash register.

The breaking and entering was discovered by Woods Patrolmen Gerald Kensora and Donald Sun, who while on patrol at 2:55 a.m., noticed the glass door on the side of the establishment was broken.

They checked the inside of the restaurant and found that someone had taken the cash in the register.

The officers called the owner, Joseph Coppola, Jr., of Detroit, who went to the restaurant to see what was missing. He said that the robber took about \$50. On April 28, a burglar broke into the eating place and stole \$75 from the cash register.

### Center Opens Rose Contest

Persons wishing to enter the Rose Garden Competition sponsored by the Memorial Garden Committee of the Grosse Pointe War Memorial must submit their entry blanks by June 11 in order to be in the judging on June 12. There is no cost to the exhibitors.

Entry blanks are available at the Garden Center, 32 Lake Shore road. They should be returned to Mrs. F. H. Curtis, 1122 Yorkshire road, TU 5-3020, or to Mrs. Lem Bowen, 34 Elm court, Grosse Pointe Farms 36, TU 2-5509, before the deadline.

All entrants must have at least 40 rose bushes and only residents of the Pointe are eligible. There will be two classes, broken down into three categories each for persons, 1) with gardener, 2) without gardener, and 3) with part time help.

Class A will include all gardens having fewer than 75 rose plants and Class B will be for those with more than 75 plants. First place winner in each class will be awarded three rose plants of his own selection.

### Durant Files Libel Suit

(Continued from Page 1) action, he said he expected it, stating that the "old timers tell me that you've always got to expect some screwball to sue you when you're in politics."

Durant said Stahlin's charge of unfair politicking was "a filthy piece of libel and a scurrilous attack" and he and his attorney, Larry S. Davidow, will fight the case "all the way." However, he would withdraw it if Stahlin "retracts and apologizes," Durant added.

Durant, an investment counselor, is an active member of the John Birch Society and a long-time leader of the ultra-conservative Republicans in Wayne County.

"Proud To Be Member"

He said that he remains "proud to be a member of the John Birch Society," and that it is "a patriotic, anti-Communist group which is doing excellent work around the country."

Although he was denounced by George Romney, who suggested that he resign from his position of leadership in the 14th Congressional District, Durant said he is still supporting Romney as the Republican candidate for governor.

Durant said that the charges of attempting to gain control of the Wayne County GOP organization are false. He also denied trying to run friendly precinct delegates in other Congressional districts in the county.

But he admitted that he has "friends in other districts actively engaged in running."

Waldron In Picture

Last week, State Representative Robert E. Waldron, also a Pointer, came to Durant's defense, when Stahlin called for a state investigation of the extremist charge.

Waldron, who was defeated for the Congressional seat held by the late Louis C. Rabaut and won by Democrat Harold Ryan in a special election held in February, repudiated connection with Durant and the John Birch Society during the campaign.

The State Representative announced on May 12, that he would challenge Durant to a fight for the delegate post in Grosse Pointe's Second Precinct.

Gust In Background

In the background of the intra-party squabble is Rockwell T. Gust, another Pointer, one of Stahlin's two rivals for the lieutenant governor's nomination. The other candidate is former Lt. Gov. Clarence A. Reid of Detroit.

Waldron charged that Stahlin's request for an inquiry by the Fair Campaign Practice

Commission was "politically inspired" to embarrass Gust.

Stahlin who has been identified with the "moderates" in the State Senate, has charged Durant as the "acknowledged leader" of right-wing groups using racial and religious appeals to expand their control.

Takes Snap At Gust

Although Stahlin reserved most of his charges for Durant, he said Gust's "consistent refusal to disavow support" from extreme elements "cast serious doubt on the integrity of his candidacy."

"The senator is trying to smear his opponents when Gust has nothing to do with this situation," Waldron explained.

Bishop Marshall Reed, Methodist Bishop of Michigan, and chairman of the Fair Campaign Practices Commission, on Monday, May 21, appointed Attorney Lester Oodd and Edward Turner, president of the Detroit Branch of the National Association for Advancement of Colored People, to make the preliminary investigation of Stahlin's charges that some of the proceeds from the February 15 Detroit speech of Senator Barry Goldwater (R., Ariz.) found its way into right-wing causes.

Durant said that Stahlin's implication is wrong.

### Shores Trustees Battled

(Continued from Page 1)

back yards of property owners on the north side of Hawthorne road were being flooded.

Mr. Jefferis, Mr. Williams and various members of the council all refused to take responsibility for the error and

Mr. Jefferis finally said it was the fault of consulting engineers.

Advised To Organize

President Williams advised the group to form a property owners association to protect themselves against builders who were constructing houses on Willow lane and grading the lots higher than the Hawthorne road property.

Mr. Hedge promptly got the signatures of all the group and formed the Grosse Pointe Shores Improvement Association on the spot.

The group then demanded that the Village Attorney investigate to see what protection could be afforded the Hawthorne Road plaintiffs.

The group reminded the Trustees and President Williams of their duty to keep the citizens informed and urged them not to forget who had originally elected them.

The G.P.S.I.A. asked William Heller, of 84 Hawthorne, to represent them in a meeting with the Trustees in six weeks to present an acceptable park plan at low cost which would preserve the 60-year-old trees, fine lawn, and general charm of the area. They want construction delayed until after the season of the park's greatest use.

### Bike Inspection Program Ending

The Bicycle Inspection Safety Program in the Farms will end on Saturday, May 26, according to Patrolman Joseph Miller, school safety officer.

The policeman said that for the benefit of students of Kerby School, St. Paul School and Sacred Heart Convent, who for reasons were unable to have their bikes inspected at school, a special inspection will be held at the police station, 90 Kerby road.

He said that inspections will be held Saturday from 9 a.m. to 12 noon, and waiting children who have their bicycles at the station before the deadline, will have them checked.

Bicycle safety inspections were held in all schools in the Pointe and Harper Woods. Winners of the contest will be announced later.

### Youth Ticketed For Bad Driving

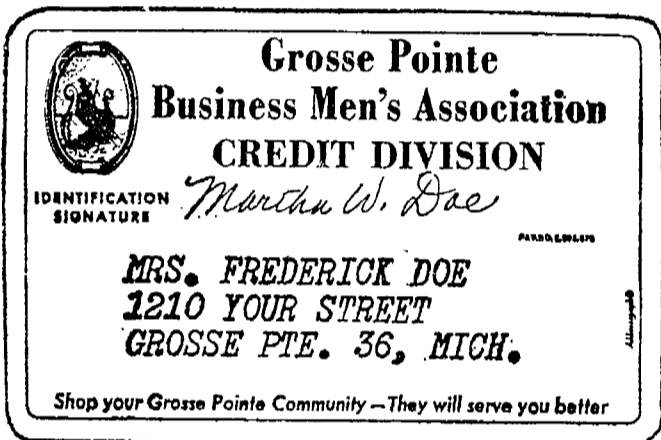

Patrolman Duncan MacEachern of the Grosse Pointe City police ticketed a 16-year-old boy for reckless driving shortly after 9 p.m. on Friday, May 18.

The juvenile was observed travelling at an excessive rate of speed on Charlevoix from Rivard to Lewiston, zig-zagging his car back and forth across the road, with a passenger sitting on the outside of the vehicle. Both car and driver were taken to the City police station, the youngster's parents were notified, and the boy and his automobile were turned over to his (the boy's) father.

### Carillonneur Plans Recital

Dennis Jones, 17-year-old carillonneur of the Grosse Pointe Memorial Church, will give a recital at the church, 16 Lake Shore drive, on Sunday, May 27, at 4:30 p.m.

The recital will mark the tenth anniversary of the dedication of the carillon which with its 47 bells, ranks among the finest on this continent. Two of the selections—Bach's famous "Jesu, Joy of Man's Desiring" and the classic 18th century "Cuckoo" Preludium—will be the same as in the original dedication.

Included among the other compositions the brilliant young carillonneur will play are Mendelssohn's "Consolation" and Playel's "Sonature."

The parking lots of the church and the Grosse Pointe War Memorial next door will be available to those who wish to enjoy the recital from their cars. Others may want to bring folding chairs and sit on the church lawn.

Following the recital, which will last around 45 minutes, there will be a reception in Fellowship Hall, at the church, for all in attendance.

### Blood Collection Yields 147 Pints

In spite of temperatures that soared into the nineties, the Red Cross Bloodmobile's visit May 18 to Christ Church, Grosse Pointe, proved a spectacular success. One hundred and forty-seven pints of blood were given by 214 donors to replenish the community blood supply.

"Our experiment in setting up appointments ahead had a most favorable reception," reported Mrs. George Root, chairman of the Blood Bank. "The donors made a point of telling us how pleased they were with the new system that resulted in no waiting and quick processing. The workers, too, were delighted with how smoothly the day ran."

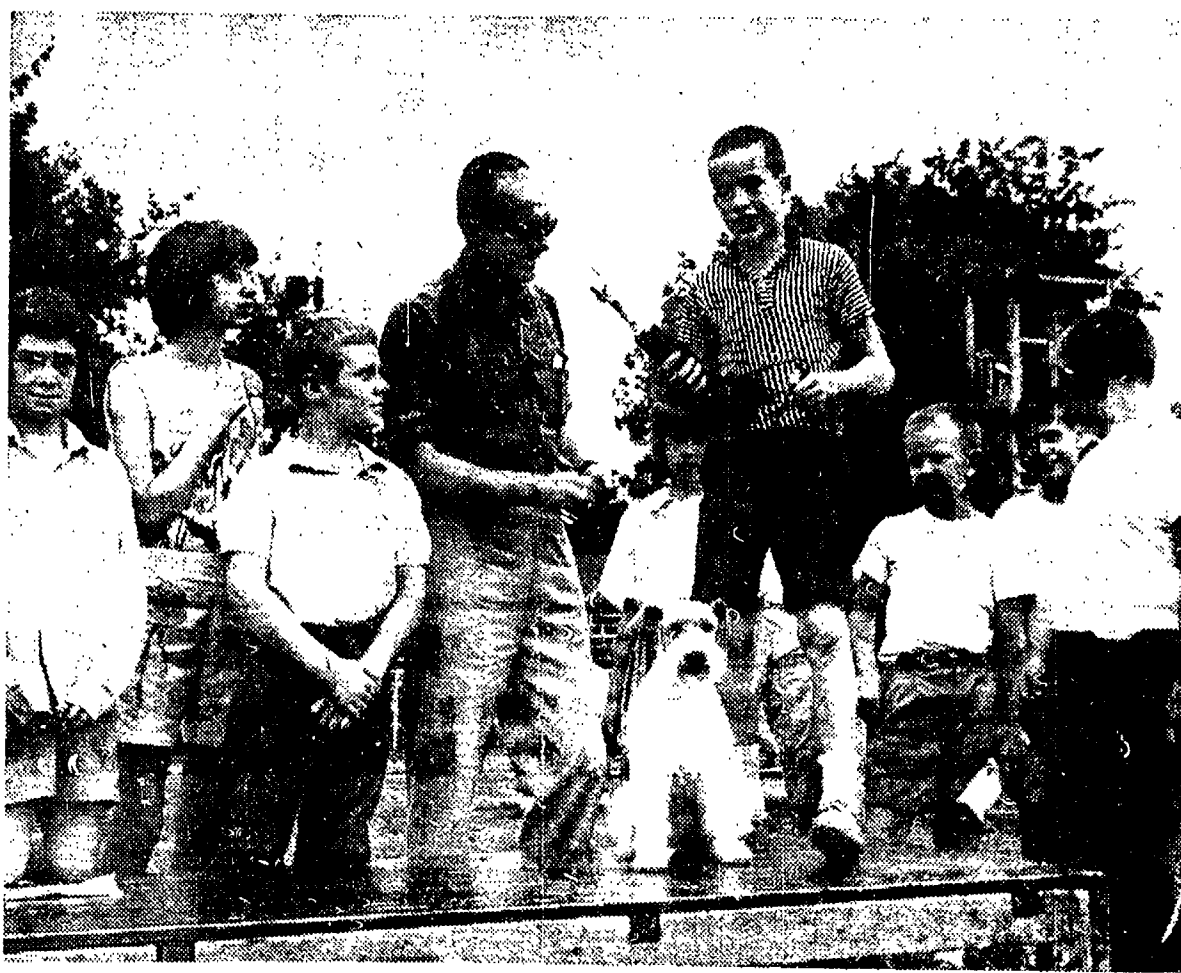

Dr. William T. McAlonan was

the acting physician in charge of the Red Cross Bloodmobile Unit. He was assisted by Alma D. Hunt, R.N.

Mrs. G. M. Worbois, volunteer nurse representative of the Grosse Pointe Community Blood Council, recruited the following nurses from the Grosse Pointe area who volunteered their services the day of the Blood Bank: Mrs. Robert Wiley, Mrs. Fred Granville, Mrs. Sarita Butcher, Mrs. C. W. Sandrock, Mrs. Anne May, Mrs. William Briscoe, and Mrs. Bert McCollum.

### 'Best of Show' Poses With Proud Master

WILLIAM E. LANE, of Hall place, was master-of-ceremonies at Saturday 6th Annual Grosse Pointe Mutt Show held on the high school football field. He is shown above awarding the "Best of Show" trophy to TOM CLARKE and his wireheared Fox Terrier "PERRY", who both live in Rivard boulevard. Surrounding them are assorted admirers, some of whom sport ribbons of their own, earned earlier in the show. For more pictures of the event, see page 12.

### Suspect Admits Woods Burglary

Detectives of Detroit's Hold-up Bureau notified Woods police on Tuesday, May 15, that they had arrested a suspect who confessed to a burglary and three attempted burglaries in the Woods.

Arrested and held for investigation of a breaking and entering in a Detroit store was William B. Cameron, 20, of 14597 Piedmont, Detroit, who not only admitted the Detroit breakin, but also confessed to the crimes committed in the Woods.

Woods Det. Sgt. Walter O'Dell and Det. Leroy Tobian said that Cameron told the Detroit detectives that he broke into the Grosse Pointe Beauty Salon, 21006 Mack avenue, on February 20, and escaped with \$50 in currency and change from a cabinet safe.

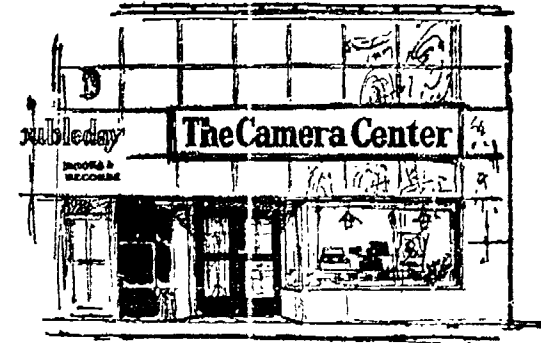

Cameron also confessed to trying to break into Rosemary Fashions, 20950 Mack; Rogers Electrical Center, 20962 Mack; and The Spinning Wheel, 20102 Mack, all on February 20.

O'Dell and Tobian said that they will combine the Woods' complaints with that of Detroit, since the authorities of that community will handle the prosecution.

### Woods Plans Safety Check Of Vehicles

Annual Program Which Won National Recognition Twice to be Repeated on May 26

The Woods Department of Public Safety will conduct its third annual Vehicle Safety Inspection program at the Mack-Seven Shopping Center on Saturday, May 26, from 9 a.m. to 6 p.m.

Director of Public Safety Vern C. Bailey announced the appointment of Police Sgt. Jack Mast as coordinator of the program.

Mayor Kenneth McLeod signed a proclamation designating

### Rides His Bike Into Moving Car

Young Michael Kawcheck, age 10, of 1646 Aline, was taken to Bon Secours Hospital last Saturday, May 19, for treatment of injuries received when he rode his bicycle into a moving automobile.

Michael's blue bike darted out from the Northeast corner of the Neff and St. Paul intersection just as James Ferguson, 3426 South Beatrice, Detroit, pulled his '59 Buick into the intersection. The boy hit the right side of the car and fell to the ground. The front wheel of his bicycle was damaged, and the handlebar bracket broken off.

Michael's bike was held at the rear of Grosse Pointe City's police station until a friend picked it up, and the boy himself was released from the hospital after being checked for cuts and bruises. No violations were issued.

Saturday, May 26, as Vehicle Safety Check Day in the Woods. The inspection is being held in conjunction with the National Vehicle Safety Week sponsored by the National Vehicle Safety Check Committee.

**Won Two Awards**  
In 1960 and 1961, the Woods received national recognition for carrying out its program. Mast was coordinator each time.

Mast disclosed that last year, 1,051 cars and commercial vehicles were inspected during an eight-hour period. He said that this year, it is hoped that or exceeded.

The sergeant said that as in previous years, local car dealers will provide trained mechanics to assist police in making the inspections.

He said that merchants in the Mack-Seven Shopping Center will donate prizes to be presented to the driver of every 100th car that goes through the inspection line.

**All Will Be Checked**  
Among the things that will be checked over, Mast said, will be the brakes, front and rear lights, turn signals, steering equipment, tires, exhaust pipes and mufflers, window glasses, windshield wipers and horns.

Mast said that members of the Public Safety Department, Civil Defense officers, auxiliary

firemen, and Safety Patrol boys, will be working to make this year's program bigger and better than ever. The Safety Patrol boys will be on hand to direct motorists to the inspection spots behind the Woods Theater.

### Dr. Rutledge Heads Marriage Counselors

Dr. Aaron L. Rutledge of the Merrill-Palmer Institute was elected president of the American Association of Marriage Counselors at the annual meeting of that professional organization in Philadelphia May 18-20.

For several years Dr. Rutledge has served on the board of directors and on the committee on training and standards of AAMC. He also serves as chairman of the Midwest Association of Marriage Counselors.

Dr. Rutledge is leader of the Counseling and Psychotherapy Program at the Merrill-Palmer Institute where professional people from around the world are trained in individual psychotherapy and in marriage counseling. Merrill-Palmer is one of only two post-doctoral training centers approved by the American Association of Marriage Counselors.

### Saturday Ball To Aid ALSAC

The Annual ALSAC (Aiding Leukemia Stricken American Children) Inspiration Ball will be held this Saturday evening, May 26, beginning at 7:30 o'clock. Honorary chairman of the affair is the Honorable Jerome P. Cavanagh, Mayor of Detroit.

Mrs. Thomas A. Boutrous is serving as chairman, and her assistants include Mrs. Charles Dawood campaign director. Mrs. Rose Gostine, Miss Phyllis Scarfano and Miss Angela Meli. Proceeds from the Ball will be donated to St. Jude Leukemia Research Hospital, dedicated to the poor, the helpless, the hopeless, and offering its facilities free of charge regardless of race, creed or color.

Over 6,000 metropolitan Detroit teen-agers have answered the appeal from TV star Danny Thomas to help fight Leukemia by volunteering to take part in a door-to-door drive Sunday, May 27.

The teen crusaders will march against Leukemia from noon to 2:30 p.m. and then proceed to Cobo Hall where they will be guests at a giant teen hop from 3:30 to 7 p.m.

#### THE PATTERN

Bear in mind that children of all ages have one thing in common—they close their ears to advice and open their eyes to example.

### Two Revered Educators Retiring

Picture by Eddie McGrath, Jr. ing almost all of our national parks.

Grosse Pointe's children will be streaming through the doors of Mair and Richard Schools very soon now, chanting the traditional "No more pencils, no more books, no more teacher's dirty looks."

Summer vacation will have begun, every child's dream time (at least for the first week or so, after which, as harried mothers are fond of telling their psychiatrists, the inevitable dry sets in, and "What can I do now, mom?" replaces "But mother, the teacher didn't GIVE any homework tonight!" is the phrase most likely to drive parents mad.

For these children, summer is recess, a pause in the process of formal learning. For their principals, DR. CLARENCE J. MESSNER (right above), of Pere Gabriel Richard Elementary School and HERBERT L. HOBART of Lewis E. Mair Elementary School, this summer is more than a recess. It is an ending—and a beginning.

Dr. Messner and Mr. Hobart, who both joined the Grosse Pointe Public School System in 1930, within five months of each other (Dr. Messner claims the seniority), will not be returning to their desks next fall. But it would be a mistake to use the term "retirement" in connection with either of these men, whose lives will, in the future, be even more crowded than they are now.

Mr. Hobart, for example, plans to travel. He and his wife, Helen, have scheduled a trip to New England this fall, to tide them over that difficult period of temptation when the school bell rings, recalling vacationers to classes.

They have also scheduled a return trip to Berlin, where they will visit their daughter, Cynthia, married to United States Army Captain William Davies.

Mr. Hobart, born in Potter, N. Y., spent much of his early life in Jackson, Mich. He received his A.B. and M.A. degrees from the University of Michigan, attended Albion College, the University of Chicago, Wayne State and Columbia Universities, and came to Grosse Pointe in 1930 to teach Social Science at Grosse Pointe High School.

He was appointed principal of Mair School in 1939, and has continued in that position to the present time. He is a member of the Grosse Pointe, Michigan and National Education Associations, the Methodist Church and the American Historical Association.

He and his wife plan to maintain their Grosse Pointe home at 740 Cadieux road. Mr. Hobart considers his decision to join the Grosse Pointe Public School System "one of the most fortunate of my life."

Dr. Messner, this year elected chairman of the Michigan Department of Conservation, will be leaving Grosse Pointe for Ann Arbor.

He plans to devote much of his time to conservation work, perhaps teach on a college level and, like Mr. Hobart, travel whenever possible. His wife, Hazel W. Messner, who has been teaching in a special education program here, will also teach in Ann Arbor.

The Messners recently purchased a Volkswagen "camper" and may tour the country "carrying their house on their back"—if they can find the time. When their children, Robert, now a physician who begins his residency in Denver Presbyterian Hospital this summer, and Mrs. Diana Joy Siefer, now living in Alma, Mich., and the mother of the Messner's two grandchildren, were young, the entire family often travelled around America, visit-

ing almost all of our national parks.

Dr. Messner's interest in conservation, beginning as a hobby more than 25 years ago, led him to establish one of the area's finest elementary school conservation education programs at Richard.

For the past 10 years he has been a member of the Michigan Department of Public Construction, and is affiliated with the Michigan Audubon Society, Michigan Wildflower Society, Cranbrook Institute of Science, Detroit Academy of Natural Sciences, and a counselor for the Boy Scouts of America.

Born in Point Hills, Mich., he received his A.B. from Michigan State Normal College, his M.A. from Colorado State Teachers College, his Ed. D. from the University of Michigan, and an honorary S. D. from Eastern Michigan University.

He has been Richard School's principal since it opened in 1930.

Dr. Messner is a member of the Grosse Pointe, Michigan and National Education Associations, Phi Delta Kappa, the Detroit Metropolitan Science Club, the Unitarian Church of Grosse Pointe, and the Detroit Philosophical Society. He and his wife live at 308 McKinley avenue.

### Memorial Nursery Names Officers for Next Year

The Memorial Nursery School, a co-operative nursery which meets at Grosse Pointe Memorial Church, has elected Mrs. H. Richard Fruehauf, Jr., new president.

Other officers include Mrs. Gerald Warren, Mrs. William H. Race, Mrs. Joseph L. Cobane, Mrs. Harry Stutt, Mrs. Daniel L. Johnson, Mrs. Malcolm Sutherland, Mrs. Ralph Burton, Mrs. Richard P. Lyman III, Mrs. S. Douglas Sands and Mrs. Robert Wheeler.

#### THE SQUEEZE

People don't worry about taking their money with them today—the problem is to make it stretch while they are here.

Any mother interested in enrolling a three-year old for the fall term should contact Mrs. W. Pierce Smith, ED 1-5387.

Contracts for Additions Awarded By School Board

Construction contracts were awarded last week by the Grosse Pointe Board of Education...

The low bidder on the combined Richard and Brownell jobs, two rooms at each school, was Albert D. Thomas...

Two classrooms will be added to the north end of Richard School. The addition will ease the overcrowding the building has experienced for many years.

Emergency quarters for the chorus and orchestra have been used since Brownell opened. Part of the cafeteria, for instance, has been used as an instrumental music room.

The low bidder for the remodeling work at Grosse Pointe High School to create a counseling center was the Palomita Construction Company at \$11,800.00.

As an alternate to this job, bids to update the main electrical service of the high school was awarded also. Modern demands for electrical power have severely strained the circuits in the building...

The work accepted. The Grosse Pointe Education expressed hope that all of these jobs would be completed before school opens next September.

Grosse Pointe High School junior Jim Klock will represent Wayne County at the Red Cross Friendship Training Conference...

Jim is one of two local representatives chosen by the downtown Red Cross Council, which pays all trip expenses. His fellow delegate will be a boy from Cass Technical High School...

This is the third year in a row that a Grosse Pointe High School student has been chosen to attend the national conference.

Another member of Grosse Pointe High School's Red Cross Council, Judy Dallaire, has been selected to represent Wayne County at a teacher-sponsor-student seminar at Lake Forest, Ill., June 17 to 21.

Judy served as president of GPHS Council this year, and has been elected next year's treasurer.

In all, Grosse Pointe High School students have been selected to represent Wayne County at Red Cross functions five times in the past three years.

Senior Betsy Wunsch, 1960 delegate to the Wichita Conference, was also chosen to attend the National Conference of Red Cross members in Cincinnati last year.

Pointe Police Chiefs Back Burglary Prevention Week

The police chiefs of the Pointe jointly back a proclamation for Burglary Prevention Week, May 27 through June 2, in hopes the Pointers will become more alert to this type of crime.

According to a report submitted by the Federal Bureau of Investigation, burglary in 1961 increased three percent. Although this figure seems nominal, it comes on top of a record-breaking increase recorded in 1960.

Statistics show that four of every 10 burglaries are committed in homes, and in many instances the burglars' chief allies are their victims.

The police chiefs ask the cooperation of citizens of their communities by adhering to these simple suggestions, especially residents who plan on leaving home for an extended period of time:

- 1. Cancel all daily deliveries; 2. Leave a lamp or two connected to an automatic timer; 3. Turn off again at bedtime to create a "lived-in" look; 4. Notify your police department and a neighbor as to the date of your departure...

It is better to have police check anything that might appear suspicious and find nothing wrong, than not have anything reported and later find that a crime has been committed.

### Things Are Looking Up

Encouraging signs are emanating from Grosse Pointe Shores which indicate that official goings-on in the community's only village may be subjected to more spotlighting than they have received in the past. For many years there has been considerable reticence on the part of the municipal solons to let anyone, including their own residents, know much about what was happening within official circles.

Some years back, when reporters from this paper were refused access to the police plotter, it was necessary to take up the matter with the Prosecuting Attorney's office. The village president and chief of police were informed in no uncertain terms that this was strictly against the law and told that if there were any more such complaints, action would be taken.

It has always been much more difficult to get official information out of the Shores than any of the other Pointes. The trustees have long chosen to run their bailiwick more like an exclusive country club than a municipality where all proceedings are matters of public record under law. Charges have been made that if there was a possibility of too much interference from the interested public, meetings of the board of trustees will be moved from the council chambers to private chambers in the Grosse Pointe Yacht Club or Lochmoor Club.

Last week, reportedly on a tip from one of the trustees, a group of citizens learned that the board was contemplating final action on extensive plans for a project at the municipal lakefront park. A large contingent got together and descended on the meeting and raised such a howl that the trustees were forced to delay action. They formed an organization on the spot and made it evident that they will demand more enlightenment in the future on all matters which pertain to all residents of the village. This is a healthy stride in the right direction.

Another encouraging development came with the announcement that Benson Ford was willing to be a candidate to fill one of the vacancies on the board of trustees. He was elected last week when less than one out of every seven voters in the Shores bothered to go to the polls. Some slight excuse for the paucity of the turnout can be made by the fact that none of the candidates had any position, but every election provides a privilege that should not be overlooked. It also affords the electors a chance to say thanks for a job well done to their officials. Evidently those who felt this way were far outnumbered last week by those who just plain didn't care.

Mr. Ford is certainly one of our more stalwart, conscientious and capable citizens. The services he has performed on county, state and national levels in myriad movements for the benefit of mankind are well known. It seems most doubtful that he will countenance any shenanigans or subterfuge in the governing of the municipality in which he makes his home. Things indeed seem to be looking up in the Shores, for which the residents should be very grateful.

### Letters to the Editor

To The Editor: In behalf of the Grosse Pointe High School Mothers Club, I wish to thank the Grosse Pointe News for its generous publicity and the entire community for its support of our Benefit Scholarship Card Party and Tea held on May 11. Our thanks also to the merchants who generously donated and the hard working committees who gave so much time to make this affair such an outstanding success. Approximately 1,500 tickets were sold and our profit toward the scholarship fund from this event will run well over twenty-one hundred dollars. This is a party with a purpose.

Our thanks to all. Verneta R. Law, President (Mrs. Albert D. Law)

HOLIDAY TRAFFIC PATROL Increased Memorial Day traffic patrols are scheduled by the Michigan State Police from noon Tuesday May 29 through midnight Wednesday May 30, with an assist from the National Guard.

In the 102-hour Memorial extended weekend period last year, there were 34 killed, an average of one death every three hours. This year's holiday for traffic statistics purposes will be 30 hours in duration. When the state last had a midweek Memorial period of that length in 1956 there were 10 killed, also a rate of one death every three hours.

### What Goes On at Your Library

by Jean Taylor

As we write this, the mercury is hovering around 90 degrees, when only mad dogs and Englishmen are found in the noontime sun. This happens to be Straw Hat Day in the United States, considered in far off times to be the official date on which it was permissible for gentlemen to start wearing straw hats for the summer season. "But what," asks Junior, "is a straw hat?"

Michigan Week is here, and in saluting our state we are proud to add to our list of Michigan authors, two local writers, Mrs. Sterling S. Sanford and Mrs. Edward S. Wunsch. Mrs. Sanford's book AT THE HEMINGWAYS: A FAMILY PORTRAIT, is to be published in August. This has been serialized in the Atlantic Monthly, December 1961 through February 1962. For this literary accomplishment, Mrs. Sanford received a "Writer of the Year Award" from the Detroit Women Writer's Club and her book has been chosen as the Young Adult Literary Guild selection for August.

Mrs. Wunsch's junior novel FLYING SKIS, released a few weeks ago, will be welcomed by teen agers. It is a lively tale of young people in Northern Michigan centering about a sport which the author knows inside and out from first hand experience. Mrs. Sanford and Mrs. Wunsch have been good friends of the library for some years, and our staff members congratulate them both, and hope our shelves will boast other books by these good library users, in the near future.

Before another issue of this paper rolls around, we shall have observed Memorial Day. Originally intended as a day to honor the memory of those who fell in the War between the States, it is now solemnized in memoriam for the nation's dead in all wars. On this day at 11 a.m. a service will be held at the Grosse Pointe War Memorial, on the lakefront, weather permitting. It was forty years ago on

May 30th, that Chief Justice William Howard Taft of the Supreme Court dedicated the Lincoln Memorial in our National Capital with 100,000 persons standing by. How many thousands of Americans have since viewed this magnificent memorial and found it a moving and unforgettable experience!

Using a library can be frustrating at times, when the book which you want in a hurry is already in circulation. We attempt to provide enough copies to meet the demand, but obviously there are times when it is necessary to wait. Even in the streamlined business world of today, with all its computers and magical methods, frustrations do creep in—as the Columbia University Press found, when it naively imagined that, by telephoning a certain publisher in the morning, it could pick up the desired title in the afternoon.

This is what happened, according to "The Pleasures of Publishing." "We called the publishing house in question, and asked for the Order Department. We explained what we wanted, and the next thing we knew, we were switched to the Main Office Receptionist, then talked in succession to the Main Office Receptionist, the head of the mail room, the mail room of an affiliated subsidiary company, an irascible Vice President, whose extension we had been given by mistake) and finally, the Mail Order Department again. In the course of our search we discovered that the book we wanted was published by this company, was in print, was in stock, and was totally unavailable. Although the stock was apparently kept in New York City, it was in a place inaccessible to "customers." How could we buy it? We could order it by mail, which would take ten days. Regrettably, we picked up the phone again, and called an editor we knew at the publishing house in question. In thirty seconds we had arranged to obtain the book we wanted. But we still couldn't buy it. He gave it to us free!"

### Education and Michigan's Future Called Inseparable

The attached statement was prepared by Superintendent of Schools James W. Bushong of the Grosse Pointe Public School System for use during Michigan Week, May 20-26.

"Education and Michigan's future are inseparable. One cannot be divorced from the other. Michigan's future is dependent on its educational program. If education suffers our future will be dark and dismal. Conversely, an ever improving educational system, at all levels, will cast a beam of human resources that will brighten Michigan's future and enable us to reach a potential in progress that would otherwise be impossible. Electronics, nuclear energy, automation and all the rest beckon to us and promise great rewards if we but rise to the challenge. Evidence of this is to be found in other sections of our nation where vast new industries have clustered around institutions of higher learning. We can have a similar renaissance here if our universities and public schools receive the support we are capable of giving them. "The future holds vast and sweeping improvements for education. First of all the teacher, through his own professional efforts and dedication, will gain in prestige and importance. This will result in even better education for our people. There will

be more sophisticated educational research; broader and better use of teaching materials. There will be improved ways to evaluate and determine student needs, concerns, potential and achievement. Thus we will be better able to spot and correctly deal with the truly gifted, the bright, the ordinary, the handicapped and the troubled. We

### One up, but two down

By FRED KOPP, R. Ph.

When a brand new drug is introduced, its price is usually high. That's because initial sales may be low, and the price must cover production costs—which are generally as high for small quantities as for big quantities. But once many doctors begin writing prescriptions, the manufacturer steps up production, and is thus able to bring the price down. A survey in our own store shows that, in the past 10 years, for every drug that rose in price because raw materials or labor costs went up, two came down in price because demand increased. That's why we say... Today's prescription is the biggest bargain in history. This is the 26th of a series of editorial advertisements appearing in this paper each week.

### What's New on THE HILL...

### Brownies at Trombly End Very Busy Season

Brownie Troop 777 of the 3rd grade at Trombly school made the good use of their Easter Vacation by taking a train trip to Durand, Mich. via the Grand Trunk Railroad under the leadership of Mrs. Ted Angott, Mrs. Paul West and Mrs. George Squires.

A picnic lunch was eaten aboard the train and the sightseeing and picture taking. At Durand, the girls were invited by the chief dispatcher to observe the sending and receiving of messages in the telegraph office.

The troop also attended the Easter flower show at King's Flowers and saw flower arrangements being made up. On May 7 the girls entertained their mothers at a tea. A highlight of the tea was a troop picture each girl received. The annual Mother-Scout Banquet of Trombly school will again be held at Hudson's Eastland on May 19.

Sunday, May 20 Troop 777 demonstrated "Yam-Hang-Its" at the Golden Panorama of Girl Scouts at the Michigan State Fairgrounds. Monday, May 21, the troop crowned their activities with a cookout at the park.

**Need Volunteers To Visit Lonely**

Volunteers—men and women with a feeling of responsibility for the unfortunate—are being sought in large numbers by the Friendly Visitors Committee of the United Community Services of Metropolitan Detroit. The widespread, ever increasing need of nursing homes, hospitals, and many other social agencies for volunteer visiting service makes expansion imperative.

These volunteers need no special skill. They are asked only to serve as friends to the lonely. If this sounds super-sentimental in this problem-ridden age—consider who these lonely are. In the files of the Friendly Visitors office you will find on card after card these entries: Arthritis, confined to wheelchair; double amputee; crippled by stroke; heart ailment, can not leave home; blind; bedridden, due to fractured hip; injured in accident; cataracts; muscular dystrophy; chronically ill; and on one—"short of breath—has only 7/8 of a lung." On each card is the word "lonely."

The files give ever-recurring pictures. In nursing homes and hospitals are widows and widowers who have outlived their families, or whose children live far away—or simply neglect them. They have no relatives. Friends, if any, almost never come to see them. Day after day passes in unrelieved monotony, with the resulting depression of spirit that further complicates their infirmities.

In private homes or rooming houses, men and women confined by physical handicaps live

**To Hold Rally Of Candidates**

Candidates for election to the Grosse Pointe School Board of Education will offer voters of the area an opportunity to meet and talk with them on June 1 at a candidates' rally at the War Memorial.

Mrs. Paul Hyks and Richard C. Hudson, who are vying for the school board vacancy, will participate in a program which will involve informal talks and a question and answer period.

Master of ceremonies will be Mrs. Edward Cox, chairman of Voters Service of the Grosse Pointe League of Women Voters.

The meeting, which will be at 8 p.m., is being sponsored by the League of Women Voters, the Mothers Club of the High School, the PTA Council, and the War Memorial.

Mrs. Cox, in announcing the meeting, stated, "All interested voters are invited to attend and ask whatever pertinent questions are in their minds. This is their chance to meet the candidates, one of whom will be elected on June 11 to a position of importance to our children."

# Regional Title Captured By Blue Devil Trackmen

By Rikk Stocking '62

The Blue Devil trackmen completed a highly successful week last Saturday by winning their second straight regional title at the University of Detroit. Four days earlier they had clinched another BCL title by beating Fordson 83 1/2 to 25 1/2. Despite the 90-degree heat the Fordson meet produced one record when Tom Raven beat the varsity quarter mile record with a 51.4 timing.

This afternoon the Devils meet Pontiac and Cranbrook in a triangular meet. This promises to be a very tough meet. Several weeks ago Pontiac crushed all opponents at the U of D relays. Grosse Pointe did not compete in this meet.

Saturday the Devils will travel to Ann Arbor for the State Meet. Last Saturday the Devils repeated as regional champions at the University of Detroit. Coach Jim Curlett had expected a tough battle with Eastern High School, but the Devils won 65-40.

**Break Fine Records**  
In the process of winning nine of the thirteen events the Devils also cracked six records. In the morning shotputter Tom Spiewak and pole vaulter Jerry Brennan ignored the drizzling weather to smash varsity records. Tom broke his week-old record by 14 inches with a 53'2 1/2" heave. This toss gives Tom a good chance of placing in the state meet.

Jerry Brennan broke the pole vault record. Now in his third year on the varsity, Jerry blitzed the old record with a leap of 12'2 3/4". This vault places Jerry fourth in the Detroit News track and field listings.

# Austin Nine Splits Two

By Bob Moore

Austin Prep almost threw away its chance for a Central League baseball championship when the Friars, after walloping U-D High, were edged by Catholic Central, 4-3. But Detroit Cathedral upset first place Notre Dame last Monday to knock the Irish into a tie for the lead with Austin.

The 7-2 shelling of U-D last Tuesday ended a two-game Austin losing streak. Mike Kingsley, who won his fourth game without a loss, pitched all the way.

Kingsley was backed up by strong hitting as the Friars snapped out of a cold streak of losses to Notre Dame and Salesian. The Austin baseballers left no doubt of their intention to win as they scored two runs before U-D could make an out in the game. A walk, a double by Denny Marchand, and a single by Dan Steffes gave Austin a 2-0 first inning lead.

U-D retaliated and put Kingsley into trouble in the second and third innings, leading the bases twice. But Kingsley fought his way out, allowing the Cubs only two runs to tie the score 2-2.

Austin went ahead for good in the bottom of the third on Marchand's double, an error, and Tom Engel's single. The Friars widened the slim lead in the fifth with four tallies. Dan Steffes singled, Harry Brinsden walked, and Tom Engel doubled, scoring Steffes and Brinsden. Then Paul Tryloff singled to let Engel score, stole second, took third on Doug Winkworth's sacrifice fly, and scored on a fielder's choice. The final out saw Austin leading the league with a 7-2 record.

Last Friday the Austin luck changed. Catholic Central edged the Friars, 4-3, with an unearned run in the sixth to quell an Austin rally.

Austin took a quick lead in the third inning on Steffes' single and Marchand's third double in two games. CC came back to take a 3-1 lead in the fifth inning on a triple, two walks, and three singles.

But Austin retaliated with a two-run homer by Harry Brinsden to tie the game up in the top of the sixth.

Then the Austin defense fell apart. CC took advantage of three walks, a stolen base, and a passed ball to take the victory. The loss put Austin in second place, one game behind Notre Dame. But little Detroit Cathedral pulled that big 4-0 upset last Monday to give Austin a chance for the league crown. Now in a tie for first, Austin will have a playoff to decide who should wear the Central Division laurels. The time of the playoff game is not as yet announced by the League office.

# Flagler Hurls Perfect Game

History was made in the Neighborhood Club's Senior Slow Pitch League last Wednesday, as Harley Flagler, pitcher for Majestic Pattern Company, hurled a perfect no hit, no run performance against Seneca.

Flagler retired 21 consecutive hitters in the seven inning contest as his teammates shelled Seneca for 24 hits, including 12 for extra bases, in a 19-0 rout.

This was the first such pitching performance in the four-year history of the league. Joe VanTiem led Majestic's extra base hit barrage with a double, a home run and two singles in five trips to the plate.

# Grosse Pointe Wins Regional Track Meet

Picture by Walter X. Brennan

BARRY BRINK, of Grosse Pointe High School sails over the last of the high hurdles in excellent form, well ahead of the Eastern runners, to win the event Saturday in the Michigan Regional track meet held at U. of D. Stadium. Grosse Pointe won the meet

with 65 points, taking nine firsts and failing to score in but two of the 13 events. Eastern was second with 40 points and Cass Tech third with 18. The first three to finish in each event will compete Saturday in the Michigan Championships at Ann Arbor.

We hope you watched some of the first games... the season is off with a bang. Six home runs in the majors in the first week including those by Boekstanz, Pirates; Bidwell, Athletics; McEachern, Red Sox; Noecker, Yankees; Fralick, Red Sox; and the first grand slam of the season by Kirechner of the Reds. The heat may have bothered them in school... but not outside. Another first was registered when the first double play came along with the Tigers producing on May 15 against the Reds. Further the Phillies on Friday went nine innings to win finally over the Indians... and at 90 degrees in May that is a long time. On Tuesday the Giants came through with a three-run rally in the last inning to win over the Yankees. As we told you... it isn't going to be a dull summer in the Farms Major Division.

In AAA the season started off, with a week of real thrillers including a 4-4 tie on Tuesday between Portland and Sacramento which resulted in a playoff of the tie on Friday ending in a 10 to 10 tie... tune in next week, I'm sure one will win. In this latter game incidentally Mike Sepic of Portland hit a home run with two on. In Saturday's game between Hollywood and San Diego ending in favor of Hollywood 7-4, Rick Clute hit a home run and also the winning pitcher. At the end of the week we had a three way tie for first between Denver, Hollywood, and Seattle.

In Class "C" the excitement is just as great as in the other leagues and in addition these boys have done something unheard of in recent years in Little League in the Farms. In a game between Rochester and Buffalo the game ended in a 0-0 tie with no hits and no errors. Rochester had 16 strikeouts and Buffalo 15. In the Columbus-Rochester game Bob Kulka pitched for Columbus and won 8-4 and to insure his win hit a home run too. In the Syracuse-Richmond game Fraser pitched and hit a grand slam for the winning Syracuse. Final score, 13-10. On Saturday Columbus beat Miami 12-8 with four home runs, Bob Kulka hit two in one game and Joe Caskey and Terry Allard each hit one. Mike Godfredson, Columbus pitched one inning and threw 10, nine of which were strikes and retired the side.

### WOODS-SHORES

By Max S. Crowder

With weather in the 90's and all teams with two full weeks of play on the records, it's obvious the '62 season of Shores-Woods Little League will have another hot baseball season. None of the players are com-

plaining about this perfect baseball weather, but hard-charging base runners prove we have dry, dusty diamonds.

Manager Ed Evatz and Tigers continued their winning ways, stretching their league leadership to two games over the second place Athletics and Indians. The Indians, managed by Mr. Pete Juratovic, played their strongest game of the season with the Athletics to force a second place tie with that team. Paced by strong pitching of Paul Needham, who faced 19 batters and struck out 14, the A's won this important game 16 to 0. Dick Burns contributed to this win with four hits out of five times at bat and Bill Gould coming through with a home run.

The Athletics, managed by John Crane, have started to make their move with tight pitching and strong bats. In their encounter with the Senators Tom Ozar pitched a no-hitter, with strong support at the plate from his teammates who hit six home runs - two home runs for Ron Danewitz, one home run each for John Shrader and Jim Larivee; Tom Ozar contributed to his own win with two home runs.

Manager Jim Parise and his Wichita aggregation have now made it four straight to take the lead in the American Association. It's much too early to make any predictions, but we are sure this is going to be another tight race.

One of the most exciting games of the young season was between Omaha and Minneapolis. Trailing Minneapolis thirteen to eight in the top of the fourth, Omaha came to bat in their half of the fourth, scored five runs and held Minneapolis in their half of the fifth. The big hit was a bases-loaded double by Craig Weaver,

# GPHS Tennis Team Moves Closer to Crown in BCL

By Allen Crow '62

The Blue Devils moved two victories closer to a BCL tennis title last week, beating Royal Oak 6-1 and Fordson 7-0. The crucial meet with Monroe was held at Grosse Pointe yesterday (too late to be covered in this article).

A victory over Monroe would tie the two teams for first place. The Devils lost their first meet with Monroe, but this time they had the advantage of home courts.

Ron Burns, number one singles player, predicted two weeks ago the Devils should beat Monroe if they worked hard. Just before the meet, he said, "The team has improved quite a bit, especially in doubles. We have a good chance of winning."

**IN NON-LEAGUE** action, three Devil racketmen each won two matches in the Trenton Invitational Tournament. Burns playing in the first flight, got four points by beating opponents from Allen Park and Ypsilanti.

Rick Brydges earned three points by second flight victories over players from Austin (by default) and Dearborn. Vic Dhooge picked up two more points by downing third flight players from Austin and Ypsilanti.

The three singles players are scheduled to play a third and final match Wednesday. The doubles competition was rained out and will probably take place tomorrow, also.

**IN THE MEET** with Royal Oak, the Devils won all three

doubles matches. Mike Lynch and Greg Bielawski defeated their opposition 6-2, 6-1.

Jeff Mason and Mike Bielawski came through 6-4, 6-2. Greg Short and Rick Kendall won their first set 6-2, and then had to fight to an 8-6 victory in the second.

Burns, Brydges and Dhooge won their singles matches in two sets and each had a shutout set.

Ken Long, playing in his first match, lost in two sets. The Fordson meet was no contest. The first three singles matches went to Burns (6-1, 6-2), Brydges (6-4, 6-1), and Dhooge (6-1, 6-1).

Rick Allison teamed up with Greg Bielawski to win 6-2, 6-2. Rick usually plays singles, but he and Greg played together to practice for the Trenton Invitational.

Mason and Mike Bielawski crushed their opponents 6-0, 6-1. Short and Kendall followed with 6-1, 6-4.

The Devils play Wyandotte here today. Two meets with Highland Park will close the BCL season.

Assuming the Devils beat Monroe, they can finish alone in first place if Monroe loses to some other team.

# Sails and Skis

By Frank McBride

The sailing season gets underway officially next week when the Detroit Yacht Club sponsors its annual Memorial Day Regatta. This regatta annually opens the Detroit River Yachting Association season. The following Saturday St. Clair Yacht Club will sponsor a regatta. This will include the race to the Thames River Light for the cruising boats. The smaller classes will use the regular DRYA course.

The Cruising Club of Detroit will hold its Annual Spring Meeting Wednesday, May 23rd, 8:30, at Bayview Yacht Club. Commodore Bob Ford and Secretary Avery Macklem are urging all cruising class skippers to attend as the agenda calls for some serious decisions on a number of important subjects.

One of the main items is the adoption of the Cruising Club of America 1962 Measurement Rule for Racing. This rule will take into consideration the inflation factor in figuring the ratings. Locals boats will not be sailed under the new rule until the 1963 season.

When boats are remeasured as required by the new rule either the skipper or his representative must be aboard or the measurer will not do the job. This is a change from the former way of doing it.

# Police Baseball Team Asks Help

The Woods-Farms baseball team of the Suburban Police Softball League needs a sponsor, either for the entire team, or for individual players, so that they may be properly uniformed.

Lack of sponsors, however, did not prevent the team from beating Harper Woods Police, 11-12, on Thursday, May 17, at the Pointe University School playground. Nor did it keep them from winning against Warren Police, 5-3, on Monday, May 21, at Warren Field.

In previous years, all Pointe police officers were included in one team, but this year, the Park Department went its independent way and formed its own team.

The League is comprised of teams from the Woods and Farms, Park, Harper Woods, East Detroit, Highland Park, Roseville, Warren and St. Clair Shores. The Woods-Farms team also includes a few members of the St. Clair Shores Fire Department since they have no team of their own.

All Woods-Farms home games are played in the GPUS playground every Monday night; postponed games are scheduled for other days in the week. Anyone interested in sponsoring the Woods-Farms team, as a team or any individual member, is asked to contact Farms Patrolman Frank Kerbrat, Tuxedo 5-2100, or Woods Patrolman Donald Sun, Tuxedo 4-6300.

# Babe Ruth League

PARK-CITY-FARMS

By John Bruce

The first full week of league play provided the balanced competition that earmarks Babe Ruth League baseball.

In the National League the Phillies became the league's only unbeaten team by winning two close games. The Phillies beat the Braves 3-2 with Mike VanDeGinste throwing a two-hitter for the Phillies. The second win for the Phillies came over the Giants with Fred Jaeger receiving the 6-4 win.

The Braves won their first game on Thursday, setting back the Dodgers in eight innings, 6-5, with Paul Schwikert getting the win in relief.

The Cardinals won their first game by beating the Dodgers 4-1. Mike Renaud was the winning pitcher.

The fifth game of the week between the Cardinals and the Giants was called because of darkness and will be replayed on Friday, May 25.

GPHS Musicians To Be Honored

The Parents Club of the Grosse Pointe High School Band and Orchestra will hold its annual recognition banquet, honoring both the band and orchestra, Thursday, May 31, at 6:30 p. m. in the high school cafeteria.

As in the past, scholarships to various music camps and "Oscars" for outstanding service will be awarded.

Mrs. Kenneth Kimmel, chairman of the decorations committee, has announced the theme will be "The Music Man". Original posters from the "Music Man" are being flown from New York for the decorations. Assisting Mrs. Kimmel are: Mesdames Arthur Watts, Ernest Collins, Phillip Gibbs, L. Roddis, Arthur Heim and J. Nyboer.

Co-chairmen of hostesses for the dinner are Mrs. Sam Thorne and Mrs. Robert Herdeman, Jr. Hostesses will include: Mesdames C. Adams, H. Anderson, Robert Bailey, Carl Carlson, Dwight Chaiten, Ernest Collins, J. H. Downie, K. Eckert, J. S. Henderson, J. Husk, H. Kyzvat, W. R. Lenz, J. Mazur, T. Rocheford, R. Roddis, J. Stoetzer, G. Theuerkorn, S. Thorne, W. Yukin, D. Webb, H. Carnes, B. Clark, H. Comly, M. Homfeld and G. Schroeder.

Reservations are being taken by Mrs. Alton Donnell and Mrs. John Mazur. Other members of the committee are: Mrs. Louis Carbone, Mrs. William Swingle, Mrs. Harry Kyzivat, Mrs. Fred W. Adams and Mrs. Kenneth Eckert.

Everett G. Moeller is president of the group and John Mazur treasurer. Mrs. Fred W. Adams has served as vice-president this year and Mrs. John M. Klock as secretary.

Award Made at Dinner Of Howe Alumni Club

Jonathan K. Howard, son of Mr. and Mrs. Wilfred F. Howard, of Williams avenue, has been recognized as the outstanding Howe Military School senior from the Detroit Metropolitan area, and is winner of the Eugene O'Brien Trophy.

The award was made at the annual dinner of the Howe Alumni Club last Wednesday at the Detroit Yacht Club. The school, located in Howe, Ind., is a fully accredited college preparatory school rated as an "honor military school" by the Department of the Army.

Cadet Howard, now a master sergeant in the Battalion Staff, has attended Howe for the last seven years, and was selected for the honor by vote of the military school faculty and staff, based upon academic, military and extra-curricular achievements. He has been on the staff of the school paper for three years, is photography editor of the yearbook, and a member of the Quill and Scroll, national journalistic society, and Alpha Delta Tau, national academic society. He has been a member of the school marching band for four years, is a letterman on the varsity swimming team, and holds an expert medal in marksmanship. He is a member of the Order of St. Vincents and head acolyte. He will enter Brown University this fall.

His cup was presented by Andrew G. Brodie, of Birmingham, president of the Howe Alumni Association.

Also honored at the Alumni Club was Howe Cadet James W. Anderson, son of Mr. and Mrs. Clifford Anderson, of Orchard Lake, who received a second-place cup for all-around excellence. Cadet Anderson received his cup from George M. Ryerson, of 1030 Balfour, Grosse Pointe, a former member of the Howe Board of Trustees.

Pick Winners At Art Show

The Grosse Pointe Artists Association's 24th Annual Exhibition opened May 19 at the Grosse Pointe War Memorial, 32 Lakeshore road.

The show, smaller than usual this year, was juried by Miss Doris Smith, of Eastern Michigan University and Mrs. Charles Culver, of Detroit Society of Arts and Crafts.

The first prize for the best oil was awarded to Mrs. Elizabeth Duimague for a very unusual oil named "Red Rock, White Moon."

The second prize oil, "Girl with a Lute," was won by Mrs. Donald R. Newell. Mrs. M. Sterling Loud was awarded third prize for her oil, "Young Khmers."

First prize for watercolor was awarded to Mrs. Lee Carrick for her "Search," which also won the Lillian Pear Award. In addition, Mrs. Carrick also won the second prize watercolor for her Haitian "Cockoo House."

An exciting abstract, "Bridge Session," by Ruby Peslar won the Agnes Lindemann Award.

The Palette Shop prize was given to the Popular Award Winner, Mrs. E. C. Bowen, for her oil, "Young Girl."

Viewing the art show was made even more enjoyable by the beautiful and unusual flower and table arrangements by the social committee, Mrs. Ed-

Pointe High Choral Groups Giving Concert on Monday

The Grosse Pointe High School gymnasium will be filled with the sound of music when the combined choral groups, under the direction of Mr. John Finch, present their annual spring concert next Monday evening.

Selections will be given by the mixed chorus, the girls' glee club, the boys' chorus, the A Cappella choir, and the Choraleers.

The group of 350 has been preparing the music for this concert since Christmas. The choir took time out to learn the music for the Easter concert.

Pierce Junior High School students were given a preview of the program when the choir performed for them last Thursday.

One of the numbers the choir will sing is "At Times My Thoughts Come Drifting." This will be sung in German. Another number by this group will be "Tico, Tico," to which Dennis Nahat '63 will do an interpretive dance which he has composed.

The Choralers, who are a select group of choir members, will sing selections from "Carols."

gar Flinterman and Mrs. Harold Phelps.

The exhibition is open to the public and will continue at the War Memorial Center through June 2.

Questers Help In Restoration

As a national organization, the Questers has made important contributions to Sturbridge Village, Mass., following their disastrous flood; to the restoration of Independence Hall, Philadelphia; and for the restoration of paintings in the Stephen Decatur House in Washington, D.C.

This year the Grosse Pointe branch had a challenging project to help furnish the lobby, which corresponds to a common room in an old inn, of the Martha Washington Building of the Freedom Foundation at Valley Forge, Penn.

Branches were not asked to furnish it with museum pieces, but with practical, well made reproductions of the period when our "First Lady" lived and worked at Valley Forge in the winter of 1777-1778. To this end, the Grosse Pointe Branch with 10 other branches in Michigan, held an Antique and Auction Sale at the Green Lake Community House. The profits made will provide the funds for the reproduction of a hutch cabinet in the Henry Ford Museum at Dearborn, Mich.

At its annual meeting held at the home of the president,

Mrs. Albert Conkey on May 11, the following officers were elected for the year 1962-63: president, Mrs. John R. Pear; vice president, Mrs. Pierre Palmentier; secretary, Mrs. Harry Hauschild; treasurer, Mrs. Ivan Kirlin; historian, Mrs. Fred Studer.

# Annual Mutt Show Proves Great Success

Saturday's 6th Annual Grosse Pointe Mutt Show is captured, in part, in the above pictures by C. B. (Pat) Murphy. The top row of shots, reading left to right, shows Officer Tony Hosang with "Minnie Mouse" during the mid-show entertainment; Robert and Howard Maxwell straining to control their 3-month-old pup "Nina"; and master-of-ceremonies Bill Lane talking to three-year-old Mike Cobane, with show officials Mrs. John R. Gordon and Dr. William Bailey in the background.

The second row pictures Kristine Beck and "Tallec" taking the "Most Look Alikes" trophy; the four just judges: Messrs: Joe Cobane, Dan Beck, Roland Gray, and Fred Murphy; and Sue Tusa's magnificent Collie, "Tim". "Most Doubtful Ancestry" title went to Anthony Komerska's "Corky", pictured with his trophy; and the next two shots in the third row show some of the spectators participating in the half-time show; and the "Best Costumed Resemblances" class with

Chris Bayer, first-place winner, in the middle. The bottom row of pictures features Rip O'Dell and "Ginger", third-place winners in the "Look Alikes" class; Lauren Sargent, her mother, and their Dalmatian "Dominoe", who placed second in the Best-Name'd category; and—last but not least a pair of bruised knees framing an unknown entrant! Incidentally, that's Judge Fred Murphy in the middle keeping a close eye on all contestants!

## From Another Pointe of View

By Patricia Talbot

The fifth season of the Grosse Pointe Summer Music Festival is about to be launched. This trio of concerts is played under the stars on the lawn of the War Memorial and has proved to be a great success.

On Wednesday, June 13, members of the committee will meet at Mrs. Francis E. Brossy III's home in Fisher road for a planning session in the garden. Alex Sucek, who will star as a troubadour in the second concert, July 18, will entertain the committee. Also invited to sing for the group is Doralene McNelly, soprano, who will be featured in the first concert, July 11.

The final concert is scheduled for July 25 and will star William Dopppman, pianist. Stalwarts of the summer concerts are Gordon Staples, violinist, and Paul Olefsky, cellist.

Mrs. William H. Katzenmeyer, chairman; Mrs. Frank Coolidge, honorary chairman; Mrs. Brossy, secretary, and Gerald F. Meadows, treasurer, are the steering committee. Others include Mrs. Carl Blanchard, Mrs. Forman S. Johnston, Jr., Mrs. Stewart E. McFadden, Mrs. John Lesesne, Mrs. Robert Peabody, Mrs. Robert Sucek, Mrs. Frank Werneken and Mrs. Smith Willmore.

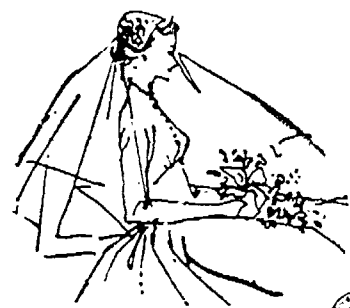

## Visitor from New Zealand

Mrs. Edward Tutag visits her former home in New Zealand as often as possible, but that happens about every three years. This month she was delighted to welcome her mother, Mrs. William Huse, from Wellington, for a six month visit. On June 6 and 7 Mrs. Tutag will entertain at tea for her mother, to introduce her many Pointe friends.

The airplanes between the Pointe and the Continent are crowded with vacationers this summer. The Lem Bownes, of Elm court, are taking their children to Europe for a July visit. John Benfield, who with Mrs.

## Supper Given By Ecclestones

When the final curtain fell on the Metropolitan Opera's performance of "Lucia di Lammermoor" 150 of the first night audience drove to the E. Lwyd Ecclestone's gracious white mansion in Lincoln road to meet the cast and have supper.

Rudolf Bing and Francis Robinson, top executives of the Met company, and most of the cast of "Lucia" appeared with the exception of diva Anna Moffo who fainted during the third act curtain call of the opera at the Masonic Temple.

Mrs. Ecclestone greeted her guests wearing a pink floral print gown, which she covered with a deep pink satin coat for the opera.

A supper of chicken tetrazzini, tomato aspic with artichoke hearts, pate, caviar and French pastry was served from a buffet table covered with a white point de Venise cloth and centered with a silver epergne filled with white carnations and roses.

Vases filled with multicolored spring flowers banked the hall and on one table was the Steuben crystal basket given the Ecclestones by Cleveland Amery after his visit to the Bal Moderne last December, filled with spring blooms.

Among the guests who danced to Jack Qualey's orchestra were Mr. and Mrs. George Romney (she was chairman of the Met's opera week), the John Gordons, the George Trumbulls, the George Walkers, all of Bloomfield. Others were the Alger Sheldens, the Robert Semples, Dr. and Mrs. J. Stewart Hudson, the Frank W. Donovans, the Hugh Dalys, the Lester Ruwes, the Robert McKeanes, Mrs. John Anderson and Mrs. Eleanor Schneider.

Mrs. Henry Ford II, for three years chairman of the Opera Week, was absent with Mr. Ford, attending a White House dinner of top executives at the invitation of President Kennedy.

Detroit's mayor Jerome P. Cavanagh attended the Ecclestone supper with his wife, as did Police Commissioner George Edwards.

On Wednesday Mrs. Allan Shelden III will give a luncheon for some of the Met company. Mrs. Ecclestone will leave at the end of the week with Mrs. Schneider for a trip to New York to visit her daughter.

## DYC to Mark 94th Birthday

The Detroit Yacht Club has two major events slated for May, their 94th Birthday Celebration on the 27th and the Memorial Day Races on the 30th.

The present and fourth Clubhouse, built on its own island was officially dedicated in 1923 as the "Finest Yacht Club in the World." It has also been acclaimed as the largest and most beautiful.

Gar Wood was Club Commodore that year. He won the Harmsworth in 1920 and defended it for eight exciting years.

The D.Y.C. has been the scene of many thrilling Gold Cup, Harmsworth and Silver Cup Regattas and has won worldwide fame for its racing prowess.

Edward Dahmer, entertainment chairman, is in charge of the complimentary "Coffee Hour" from 2 to 4 p.m. in the East Lounge for members and their families.

Commodore Paul Roth, the Club's 58th Commodore will cut the 6-foot tall birthday cake and Mrs. Roth and wives of past commodores will pour.

The second event is D.Y.C.'s 47th annual Memorial Day regatta and Avery Macklem Day that begins at 10:30 a.m.

Commodore Edward H. Zerbe, the Regatta Chairman, is expecting some 175 sail yachts to participate. This regatta traditionally opens the sail yacht racing season in the area.

The Club's Commodore Paul Roth will head the Honorary Judges that include Commodores of area boat and yacht clubs and commodores of the Detroit River Yachting and Inter Lake Yachting Associations. They'll be aboard Commodore Alfred F. Steiner's "Aiolga," the Observers' Boat.

Commodore Sidney Warner is chairman of Judges Committee and Commodore William P. Connolly is chairman of Starters, Timers and Observers.

The William Sullwoold's yacht "Jus-Mi-Bill" is the regatta Judges Boat. Bernard Farnell aboard his "Farnell's Polly" is in charge of all committee boats running the regatta.

There'll be a cocktail party at 6:30 p.m. in the East Lounge and dinner in the ballroom for D.Y.C.'s Flag Officers, past commodores, visiting commodores, committee members and their ladies.

Avery Macklem, veteran yachtsman for many years will be honored as the "DYC Sailing Man of the Year." Commodore Paul Roth will present Avery Macklem with a resume in book form in acknowledgment and appreciation for his years of active participation in sailing activities under the colors of the D.Y.C.

In the Grill at 10 p.m. Commodore Roth will also present the awards to the Memorial Day Race winners.

## Hooker-Sidles Betrothal Told

The engagement of Sharon Wells Sidles to Lloyd Garrison Hooker, Jr., has been announced. The bride-elect is the daughter of Mrs. Fred S. Sidles and the late Mr. Sidles, of Scottsdale, Ariz.

Her fiancé is the son of Mrs. Lloyd Garrison Hooker, of Grosse Pointe and Scottsdale, and the late Mr. Hooker.

Miss Sidles attended Mt. Vernon Academy and Washington Brownell Hall, in Omaha, Neb. She is an alumna of the University of Nebraska and a member of Kappa Kappa Gamma.

The wedding will take place the first of June in the Scottsdale home of Mrs. Hooker, followed by a reception at the Paradise Valley Country Club. The young couple will live in Scottsdale.

## Harper Aides Raise \$5,000

At the recent annual luncheon meeting of the Harper Hospital Auxiliary held at the Detroit Boat Club, the new officers for 1961-62 were announced.

The president is Mrs. John R. McDonald and the other officers are the Mesdames: William Nagel, Lyle Waggoner, Russell C. Nankervis, Richard S. Werner, Paul Halling, Howard W. McFarlane, Harold E. Mistele, Edgar E. Martner, and Albert D. Ruedemann, Sr.

The highlight of the meeting was the presentation to George Cartmill, director, of \$5,000.00 for the purchase of additional wheel chairs for Harper Hospital from the auxiliary.

This is a total of \$10,000.00 in 2 years time for wheel chairs—which is derived from the sale of calendars—a special project of the auxiliary.

## Shores Garden Club Elects

The Grosse Pointe Shores Garden Club held election of officers on May 11 in the Lochmoor boulevard home of Mrs. Clarence Maguire.

Mrs. Carl Johnson has been named new president and the other officers include Mrs. Arthur Hirt, Mrs. Bernard Whitley, Mrs. A. Whittington, Mrs. A. T. Wilson, Mrs. L. G. Hubert and Mrs. Clifford Loranger.

On June 3 the annual husbands and wives candlelight dinner will be held in the Oxford road home of Mr. and Mrs. Paul E. Hamman. Among those serving on the committee are Mrs. Kenneth Strang, Mrs. Earl Failor, Mrs. Hubert, Mrs. Hirt, Mrs. Whittington, Mrs. Loranger, Mrs. Johnson and Mrs. Glenn Gessell.

## Weaver-Goodsmith Rites Read in Woods

Pair Exchange Vows Saturday with Reception Following At War Memorial; After Trip to Bermuda Newlyweds Will Live in St. Clair Shores

Sally Lynn Goodsmith, daughter of the Herman Carl Goodsmiths, of Roslyn road, was married Saturday in Grosse Pointe Woods Presbyterian Church to James Upon Weaver, son of Mrs. Harry Lewis Weaver, of Lansing, and the late Mr. Weaver.

For the rites the bride chose a bouquet taffeta gown with a fitted bodice and scooped neckline. Seed pearl embroidery accented the waist and skirt. A cluster of flowers caught her bouffant illusion veil and she carried white roses, stephanotis and Amazon lilies.

Jane Miles was the maid of honor in an azure blue organza over taffeta frock with a short lace jacket. She carried miniature white carnations, cornflowers, stephanotis and ivy.

Dressed like the honor maid were the bridesmaids Mrs. Forman L. Mueller, Jr., cousin of the bride and Carol Kennedy.

Brooke Jolliff, in white organza over azure blue, was a junior attendant.

Edward Klasny was best man. Ushering were Roger Ward, Norman Robison, Charles Mathaler and William Bishop.

For her daughter's wedding and the reception at the War Memorial Mrs. Goodsmith wore a rose organza over taffeta sheath and orchids. Mrs. Weaver was in moss green lace with orchids.

When the couple return from Bermuda they will live in St. Clair Shores.

The fellow who accepts free advice must be willing to suffer the consequences.

## Marlene Kustusch Married in Paris

Weds Michel Jean Petit on May 2 at Church of the Cite Universitaire, Paris; After Wedding Trip to Spain Newlyweds to Live in Paris

In the Church of the Cite Universitaire, Paris, on May 2 Marlene Louise Kustusch, daughter of Mr. and Mrs. Paul W. Kustusch, of Grosse Pointe Farms, was married to Michel Jean Petit, son of M. and Mme. Roger Petite, of Chars, France.

The bride wore a white Swiss organdy gown with embroidered appliques detailing the skirt which fell over a skirt of slipper satin. A cluster of organza flowers caught her fingertip veil of illusion and she carried white roses and lily of the valley.

Nancy Eileen Dike, of Hillsdale, was her attendant in pale yellow Swiss organdy over yellow satin. She carried a straw basket filled with white daisies.

Veronique Tremblay was flower girl in a similar gown. She was escorted by her brother, Christophe Tremblay. They are the niece and nephew of the bridegroom.

A small family dinner and later a reception was held at the Cercle Militaire after the ceremony. After a wedding trip to Spain the couple will make their home in Paris.

**TELLS OF LARCENY**  
Daniel McCarron of 476 Touraine, reported the theft of two coats to Farms police on Tuesday, May 15. They were stolen from his car parked at the rear of 18666 Mack avenue. He told police that one was a suit coat valued at \$65, and the other, a black linen sport coat, worth \$22.50.

## Mrs. Michel Petit

MARLENE LOUISE KUSTUSCH, daughter of Mr. and Mrs. Paul W. Kustusch, of Grosse Pointe Farms, was married May 2 in the Church of the Cite Universitaire, Paris, to Mr. Petit, son M. and Mme. Roger Petit, of Chars, France.

## From Another Pointe of View

(Continued from Page 13)

B., was in four capitals around Christmas, will be making a return visit in July. As the new president of Junior Goodwill Mrs. Benfield will stay home to plan for the fall Antique Show.

Currently visiting the land of his forefathers are Mr. and Mrs. Nicholas S. Aagesen, touring about the Scandinavian countries with emphasis on Denmark.

### Sentimental Journey

This Friday evening the John Denlers will entertain all the parents of Cradle children in the area at a get-together in their Pine court home. The Cradle is the Chicago adoption agency which is such a boon to childless couples.

Every summer the score or so of parents in the Pointe have an all day outing with their children in the reunion spirit.

The Denlers, incidentally, will be taking a sentimental trip in mid-June. After showing their children Washington, D.C., and appropriate near-by historical sites they will travel to Harrodsburg, Ky., which they visited on their wedding trip 20 years ago.

### In Academic Circles

Members of the Detroit-Birmingham Vassar Club will gather at the Cranbrook Academy of Art Monday at 1 o'clock for the annual meeting and buffet lunch with Mrs. W. C. McLaughlin taking reservations.

On Tuesday Mr. and Mrs. Ross Roy, of Sheldon road, entertained at a Liggett Tomorrow cocktail party, to keep the school's friends up to date on the giant fund drive to move the school.

### On the Move

In the fall one of the Pointe's most popular couples will be on the move again. About six years ago Mr. and Mrs. James Phelps, of Elm court, came here from Bethlehem, Pa., and before school opens they will be moving again to a suburb of Chicago.

Last Saturday Mrs. P., drew raves at the Fine Arts spring dinner dance at Lochmoor when she took off her high heels, donned gold mesh slippers and did a prize winning version of the Twist. She has already planned to look up former Pointer Mrs. Hall Lippincott in Chicago to discover the latest word on theater groups. The blond Mrs. P. starred recently in the Fine Arts comedy, "Send Me No Flowers" and even did a professional bit for Vanguard.

Before the final exodus the Phelps will be feted by Mr. and Mrs. William D. Byron, Jr., Dr. and Mrs. Alfred Large, Mrs. Stirling Loud and Mr. and Mrs. Howard Kates at good bye parties.

Helping them to house hunt in Chicago are former Pointers the David Crawfords and the Neal Olivers who recently made the same move.

**Hostesses in 9 Gardens**  
This Saturday and Sunday nine Grosse Pointe gardens will be open to the public, sponsored by the Detroit Garden Center.

Gardens starred for the pilgrimages include those of the Robert Powders, the E. H. Heaton, the William Kerbers, the John C. Potters, the Frederick A. Kambers, the Allan Sheldens III, Mrs. Sidney T. Miller, the Ross Roys and Mrs. Standish Backus.

Hostesses for the two day tours have been rounded up by Mrs. Earl Hodges and include Mrs. Clifford Lorange, Mrs. Warren Trafton, Mrs. Clarence Maguire, Mrs. Henry Walker, Mrs. Fred Newmann, Mrs. Elmer Rolley, Mrs. Ferdinand Steteluh, Mrs. Albert D. Law and Mrs. C. Bayard Johnson.

Mrs. Sheldon will serve punch and cookies to the garden tourists who visit her Provencal road home.

## Met Opening Night Draws Fans at DAC

Patrons of "Lucia di Lammermoor" Dine at Club Before Metropolitan Opera Opening at Masonic Temple; First Performance Benefits Detroit Symphony

The Metropolitan Opera season again has provided a tremendously gala atmosphere all through this area, and heightening the spirit, on opening night particularly, were early dinner parties, many of them slated at the DAC.

Before "Lucia di Lammermoor", the Monday opener at Masonic Auditorium (the premium "Lucia" benefited the Detroit Symphony Orchestra), some 300 dined at the DAC. They were all early, to enable the opera-goers to have a leisurely dinner, a dance or two at the club and to make sure of getting to Masonic in good time for the curtain.

Especially festive was one table in DAC's main dining room where the Alfred C. Munderlohs were toasted in champagne by the others of their group, the reason being the Munderlohs' thirty-sixth wedding anniversary.

For the dinner and opera Mrs. Munderloh wore a floor-length gown of turquoise and white brocade with low back décolletage. In the party were the Harold Lightbodies, Judge and Mrs. Carl Weideman, the John Cooleys and George Jays. Mrs. Jay wearing a Harvey Bernin floor-touching dress of yellow satin brocade and white fox stole.

Mr. and Mrs. Philip C. Baker entertained at 5:30 o'clock cocktails in a DAC private dining room, Mrs. Baker in French blue satin, beaded in crystal and silver around the scoop neckline, with full, floor-length skirt. From the cocktail hour, they went to the main dining room for dinner.

Their guests were the Walter Gehrkes, the Samuel J. Langs, the Edward S. Wellocks, Dr. and Mrs. Herman Scamey, the Howard Harringtons, the Hans Gehrkes Jr., and the hosts' son-in-law and daughter, the David Gambles, Mrs. Gamble wearing chiffon shading from orange to palest beige.

Mr. and Mrs. Joseph A. Vance Jr. wore a black silk theater coat over her long slim sheath dress of black and white print; were dinner guests at the DAC of the Herbert O. McNiernys before "Lucia".

Mrs. Alfred J. Fisher Jr., was in a Larry Aldrich beaded sheath and American Beauty satin stole. She and Mr. Fisher were in a foursome with the Hilary Micous, Jr., Mrs. Micou stunning in a long slim white dress with aqua satin in stole effect. The Charles T. Fishers III were with the Lynn A. Townsends of Birmingham, and others noted were the Sumner Gurneys as they chatted with friends.

## Charbonneau Claims Bride

Frank L. Charbonneau, son of Gen. and Mrs. Louis H. Charbonneau, of Kensington road, claimed Muriel Elizabeth Miller as his bride Saturday in St. Clare of Montefalco Church.

The daughter of the George Millers, of Southfield, wore a Bianchi silk taffeta gown trimmed in seed pearls at the waist and fashioned with a rounded neckline and short sleeves. A crown of seed pearls caught her bouffant illusion veil and she carried cymbidium orchids and carnations.

Mrs. Bernard D. Freeman was her sister's matron of honor and the bridesmaids were Margaret Alice Jeeke an. Mrs. Michael J. Charbonneau, sister-in-law of the bridegroom.

They wore powder blue taffeta under white silk organza dresses sashed with olive green and powder blue. Their picture hats were of powder blue trimmed in blue velvet. They carried white carnations and ferns.

Louis H. Charbonneau, Jr., came from Malibu Beach, Calif., to be his brother's best man and the ushers were L. Bruce Mellett, Michael J. Charbonneau, Stephen J. Pobutsky, John C. Miller and Bernard D. Freeman.

Gabrielle Mellette and Laurie Mellette were flower girls in white organdy frocks embroidered with blue for-get-me-nots and lace. They carried white carnations.

Following a reception at the Detroit Yacht Club the couple left for Ft. Lauderdale, Fla. They will live in Royal Oak.

When the RUSSELL A. McNAIRS, JR., move into their new home in McKinley avenue June 1, they will take with them their new son, RUSSELL A. McNAIR III, born May 11. Mrs. McNair is the former ROSEMARY CHESBROUGH, daughter of the WILLIAM J. CHESBROUGHS of Yorkshire road, with whom the McNair family is staying until "moving day."

### Optimists Lend a Hand

LON O'CONNOR, president of the Grosse Pointe Optimist Club, is shown presenting MRS. MARVIN R. BOUTIN, treasurer and executive board member of the Michigan League for Crippled Children, Inc., with his Optimist Club check in the amount of \$1,000, which will provide a two week vacation for 33 orthopedic and cardiac children at Grace Bentley Camp this summer. Camperships are one of the very worthy projects undertaken by the Grosse Pointe Optimist Club each year. Funds for their many charities are raised primarily by the Optimist Annual Show held each fall. President O'Connor reports plans are already under way for the 15th Spectacular this coming season.

### Police Recall Jail Breaker

One of three men who overpowered three guards and escaped from Cook County Jail, Chicago, Ill., has a juvenile record and is well known to Park police, it was disclosed by Police Chief Arthur Louwers. The escape took place on Wednesday, May 16.

Sought, along with the other escapees, is Michael A. Huntington, 19, of Chicago, whose parents still live in the Pointe. The youth also formerly lived at 1138 Lenox, Detroit. He was being held in the Cook County Jail on a charge of rape, according to a teletype from Chicago authorities.

The other escapees, since captured, are William Triplett, 37, of Detroit, a gunman held in the ambush killing of a Chicago union leader; and Paul Muhlrig, 19, of Chicago, awaiting trial for the bombing of a synagogue in Chicago's north side.

The trio armed with five .38 caliber revolvers, and an assortment of blackjacks, escaped in a guard's car with nearly \$200 taken from three guards and an elevator operator. A teletype from Chicago authorities stated that the men were believed

DONALD REED, a student at the University of Detroit, received the Psi Chi Award at the 1962 U. of D. Arts and Sciences College Honors Convocation Sunday, May 20. The award consists of a plaque awarded by Psi Chi, national honor society in psychology, to the psychology major maintaining the highest average in psychology courses.

Reid, son of MR. and MRS. ANDREW C. REID of Pear Tree Lane, is a senior majoring in psychology in the College of Arts and Sciences. He is secretary-treasurer of the U. of D. chapter of Psi Chi, and a member of the board of directors of the Friends of the (U. of D.) Library. He is a 1954 graduate of St. Paul's High School.

The ERNEST KANZLERS, of Lakeshore road, left after the opening of the Metropolitan Opera Monday evening for New York. Next Tuesday they will entertain at a dance in their home, for which Lester Lanin's orchestra will play. Coming from New York for the party will be the HORACE FLANIGANS and the JOSEPH THOMASES. On Saturday Mr. Kanzler's son and daughter-in-law, the ROBERT KANZLERS, of Lothrop road, will give a cocktail party to mark Mr. Kanzler senior's birthday.

Robert, a 1959 graduate of Austin Catholic Prep, is a junior, majoring in accounting in the U. of D. College of Commerce and Finance.

Among those receiving their diplomas from Wellesley College on June 4 will be ELIZABETH ELLIOTT, daughter of the LESTER M. ELLIOTT, of Touraine road.

Sharon RILEY, daughter of the JOSEPH J. RILEYS, of Buckingham road, has been nominated by Kappa Sigma Kappa as a candidate for queen of the graduation ball to be held June 1 at Ferris Institute. Big Rapids, Mich.

A traffic warrant is outstanding against Huntington in the Park, the chief said. As a juvenile, Huntington had been in trouble with Park police and other law agencies in the Detroit area, Chief Louwers said.

It takes a bit of thinking

The Congress of the United States is under extremely heavy pressure from the national Administration to adopt the King-Anderson Bill, commonly called "medical aid to the aged"—a false title with heavy emotional appeal.

If this Bill is adopted, Social Security taxes will be raised 17%, to start with, so that a multi-billion-dollar program can be financed which will pay part of the hospital bills of the elderly and provide some nursing home care.

The provisions of the King-Anderson Bill are so limited that they would barely cover 25% of the average health care costs of the ill aged. But—making these inadequate provisions available to all regardless of need would cost a fantastic amount of money. In terms of Michigan

alone, the beginning tax hike would take \$119,000,000 out of our wage-earners and employers—roughly \$2 for every \$1 it could possibly return to this State's economy.

By contrast—Michigan's own Kerr-Mills medical aid to the aged law, which provides complete hospital and doctor care without any personal cost for all who need help in paying the bill, cost \$12,000,000 last year. It didn't pay out a penny of taxpayer's money for medical aid to the large percentage of our senior citizens who have adequate income, funds and insurance coverage.

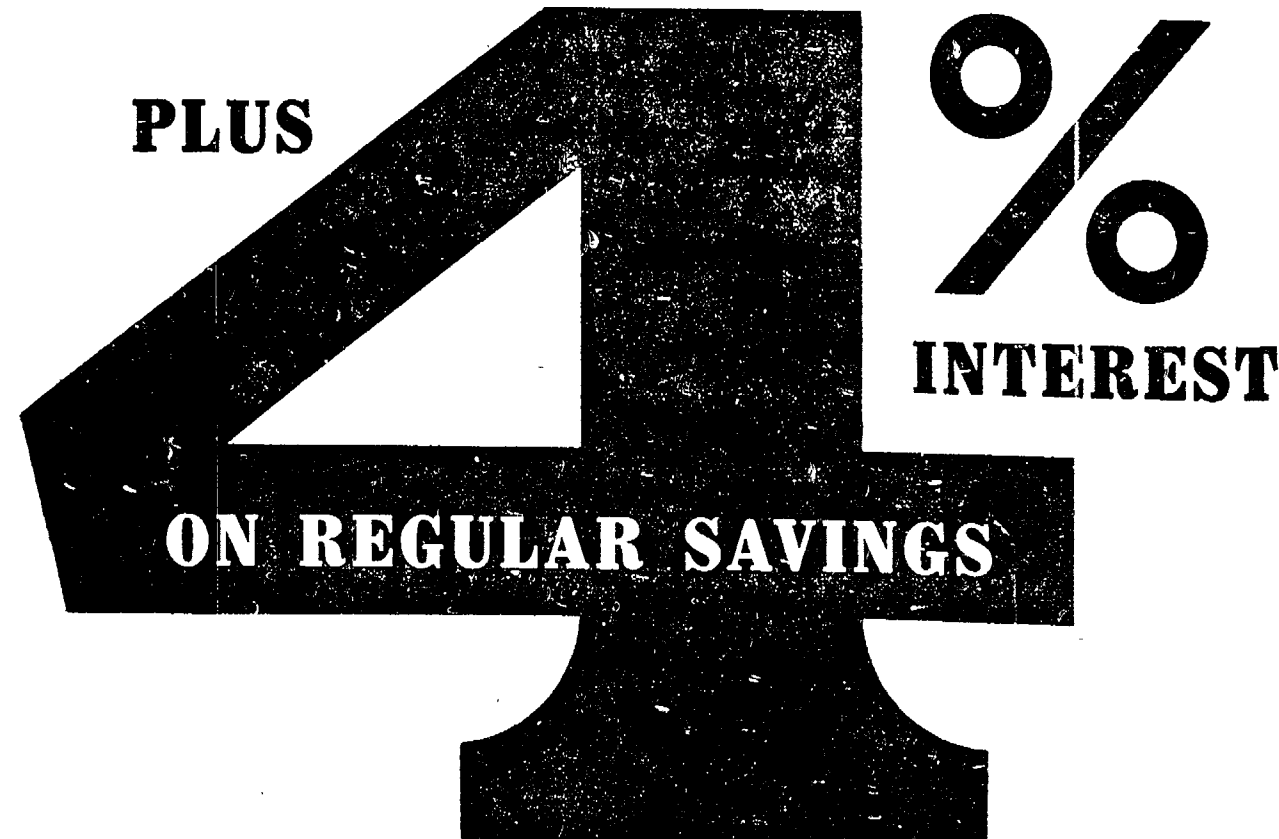

Think it over... should Congress be pressured to adopt a needless, unfair, inadequate and extremely costly program... or should the Congress reject this King-Anderson Bill, with the Kerr-Mills Law already on the books and sensibly providing total help to those who need help?

Think it over... and then write your Congressman and tell him what you think.

Art Students Plan Exhibit

The War Memorial students of Ann Arbor's Professor Emil Weddige will open an exhibit of 45 paintings at the Center, 32 Lake Shore Road, beginning with an opening tea on Sunday afternoon, June 3.

The show will remain open through June 17, from 9 to 5 on week days and from 12 to 5 on Sundays. It is wise, however, to telephone before coming as the upstairs galleries are sometimes occupied by meetings.

Professor Weddige remarks that the styles displayed range from the abstract to the figurative with emphasis on symbolism. A few non-objective pieces are included. The show includes the work of beginning, intermediate, advanced and even professional students. Mr. Weddige is pleased that even the beginners are becoming more aware of the plastic problems of composition in paint and are less involved with figure communication.

Some of the paintings on view will include Susan Fruehauf's waterscape, Lorraine McCarty's Allegro and Dorothy Westphal's Sunset which Professor Weddige refers to as a ravishing work in classic naive style.

Also in the exhibit will be Cecile Eisenbeis' abstract impressionistic landscape with myriad translucent shapes interlocking blues and earth colors. There is the young French teacher, Mary Weaver who has painted a romantic landscape of Venice which combines juxtaposition of color and planes in a staccato relationship to the subject. Also there is Elizabeth Jefferis' painting of water and boats where the motion of the sea combines with that of the air all worked in transparent

Maire to Honor Herbert Hobart

Maire School will honor its retiring principal, Herbert L. Hobart, May 26, from 3 to 5 o'clock at the War Memorial.

A committee headed by Mrs. Max Gardner and Mrs. T. Jack McCullagh has invited school board members, parents from Maire and interested guests to bid farewell to the man who has supervised teaching at Maire School since its opening in 1936.

Mr. Hobart is revered by students and teachers alike. In his years at Maire he has seen many changes take place with perhaps a crisis now and then that his calm reasoning has successfully resolved. Those who know him best find Mr. Hobart most likeable, agreeable, but always ready to express his opinion when controversial questions arise.

MINOR ACCIDENT

A minor accident occurred at Mack and Rivard on Monday evening, April 30, when a '60 Buick driven by Frank McCormick, 3682 Havenhill, Detroit, collided with a '60 Chevrolet driven by Ralph E. Flyter, 3117 Lenox, Detroit. Damage was minimum, and no tickets were issued.

Library Friends Hold Election

W. Howard T. Snyder was re-elected president of the Friends of the Grosse Pointe Public Library, and two men were elected officers of the organization for the first time, at a meeting of the Friends' board of directors.

Allied Youth Plans Luncheon

Allied Youth of Michigan, Inc., will hold its annual luncheon at the Grosse Pointe War Memorial, 32 Lake Shore drive, at 12:30 p.m. on Thursday, May 24.

Mrs. Caroline Glenn, luncheon chairman, promises a most enjoyable afternoon, with a program highlighted by Orville Stone's entertaining movies and music by Mrs. Nancy Williams.

Executive board members who plan to be present include Mrs. George E. Raymond, president; Mrs. Paul Hoffman, recording secretary; Mrs. LeRoy Abing, corresponding secretary; and Mrs. Gordon W. Kingsbury, treasurer. Mrs. Kingsbury also serves as chairman for the Allied Youth Essay Contest.

Others are Mrs. James E. Hancock, a charter member of Allied Youth, Mrs. Lloyd Beemer, Mrs. William Witt, and Mrs. Floyd Radike who is the sponsor for a west side Detroit Allied Youth post.

Mrs. Witt, Mrs. Glenn, and Mrs. Raymond have served as sponsors for past Allied Youth meetings at the War Memorial.

Choral Concert To Help Blind

The Blind Service Center of Metropolitan Detroit will benefit from a choral concert to be presented by the St. Jude Choral Club at Parcels Auditorium Sunday evening, May 27, at 8:15 o'clock.

The 31 choral club members, under the direction of Mrs. Cyril Eckenrod, will present a varied program, including Don Large's arrangement of "When the Saints Go Marching In," "Holy City," "Come to the Fair," "Battle Hymn of the Republic," "Moon River," and Handel's "Hallelujah Chorus."

Miss Ann Corozalla, blind soprano, will sing several solos, and St. Jude Parish's organist, John Eck, will present the St. Jude Boys' Choir in selections. The Cathedral Four will bring nostalgia with yesterday's tunes.

Robert Mahoney, blind state representative, will give the welcome and introduce the Blind Service Center's president, Father Raymond Ellis, who will explain the Center's aims and needs.

Facts show that Michigan ranks 50th in nationwide Federal facilities and accommodations for the blind. The Center serves some 7,000 blind of all faiths in the Tri-County area.

WAYNE STATE THEATER

Mozart's "Don Giovanni," produced by the Wayne State University Theatre and Department of Music, continues its run at the University Theatre, 3424 Woodward, Thursday, Friday and Saturday, May 10, 11 and 12, at 8:30.

Tickets are on sale at the Wayne State University Ticket Office, Temple 3-1400, extension 265, or Temple 3-7386, and at Grinnell's in downtown Detroit.

Parcels School Having Concert

"All kinds of music to please everyone," could be the slogan for the annual Spring Concert to be presented by the music students of Parcels Junior High School on Friday evening, May Twenty-fifth, at eight o'clock.

Classical or popular, vocal or instrumental, waltzes or marches, the talented young musicians of Parcels have a wide variety of selections all prepared for pleasant listening. The one hundred and forty vocal music students, under the direction of their teacher, Mr. Donald Simmons, will open the program in the school auditorium.

The Combined Choirs will salute everyone's spring wanderlust with "The Happy Wanderer." Four ninth grade boys will be featured as soloists including Dave Clifford, Rick Glanz, Ron Kefgen, and Chuck Pappas. The Girl's Glee Club will sing three familiar melodies: Schubert's "Cradle Song"; the spiritual "He's Got The Whole World in His Hands," and the Czech folk song "Over the Meadows."

A special group of vocalists, the Boys Ensemble, will reminisce with some favorite songs from the past: "In My Merry Oldsmobile," "Aura Lee," and "Stouthearted Men." The Eighth and Ninth Grade Chorus will sing "Tea for Two," and "Erie Canal," featuring four soloists: Jack Kennealy, Jeff Tulley, Bill Heyd, and Art Pillen.

The combined Chorus will sing "Old Abram Brown" and close the vocal portion of the program with the patriotic reminder, "This Is My Country."

Donald McNew's instrumental students will be on stage for the next portion of the concert. An unusual French Horn Quartet composed of Stephen McNew, Janice Dietz, James Poole, and Stephen Pepper will play "Mood Pensive" by C.W. Johnson. Next, members of the Parcels Orchestra will take their places to play "Gavotte" from the Second Unaccompanied Violin Sonata by Bach; "Zigany"; Leroy Anderson's "Promenade"; and selections from "The Music Man."

The sparkling Parcels Band will conclude the program. Their section of the evening will start with a march, "Scepter of Liberty," this will be followed by "Deep River Rhapsody," and a Spanish overture, "Ensenada." For their finale they will play hit tunes from the Rogers and Hammerstein success, "Flower Drum Song."

Such a varied and attractive musical program, presented by approximately three hundred junior high musicians, should attract an enthusiastic audience.

DRIVER ARRESTED

Woods police arrested Donald C. Clement, 19, of 1737 Anita, and charged him with driving while his license was suspended. The arresting officer, Harold Lanstra, said he saw Clements driving north on Holiday Wednesday, May 16, took him in custody after informing him of the charge, then drove him to the station where the youth was issued a ticket. Clement posted a bond of \$150 pending appearance in court on Saturday, May 26.

J. Lawrence Buell, Jr., 69 Vendome, and Alfred W. Massnick, 1217 Bishop, were recently named to the board of directors of Omni Spectra, Inc., a newly formed microwave components manufacturer located at 8444 Puritan avenue, Detroit. Microwave components are used extensively in radar, communications, missiles and space exploration equipment.

Mr. Buell is president of the Formsprag Company of Warren, Mich., manufacturer of precision power transmission equipment. Mr. Massnick is a partner in the law firm of Butzel, Eaman, Long, Gust & Kennedy, Detroit.

Balas Awarded Fulbright Grant

Andrew J. Balas, English teacher at Grosse Pointe High School, has been notified of his selection as an exchange teacher by the U. S. State Department. He will teach in Greece during the 1962-63 academic year.

The award of this Education Exchange Grant under provisions of the Fulbright Act is one of approximately 450 made to teachers and seminar participants throughout the country. Mr. Balas will teach English in a National School abroad.

Brewer, 15, was diving in Whit
house Quarry, 15 miles south
Toledo, when his suit puncture
at a depth of 40 feet. Wat
flooded in, increasing the boy
weight and causing him to
into shock. He rose to the su
face, split out his mouthpiece
and sank. Richard's divin
bud dy. 16-year-old Dougl

The second-largest class
was "Most Original Name" in
which the judges asked to see
all entries in order to pick the
best-fitting as well as most-origi
name. Pamela Patton's bulldog,
"Hard Rock," took the trophy
with Lauren Sargent's Dalmat
ian, "Domino," second, and a
tie for third between Mark
Johnson's "Scotch" and Cam
eron Gordon's "Flash Gordon."

The final class was the trick
class, in which there were 15
entries. Most of these unfortu
nately suffered from "stag
fright" but the veteran actors,
in one-two-three order, were
asked to parade around the ring
and the audience participated
in picking the "Best of Show"
dog by their applause. Tom
Clarke's wirehaired Fox Terrier
"Perry," who also won the
Best-Groomed class, was given
the magnificent "Best of Show"
trophy donated by Burt Weh-
ing, Sr.

Special recognition for out-
standing volunteer help should
be given to Bill Lane, who M-
ceed the entire show and the
four judges: Dan Beck, Fred
Murphy, Roland Gray, and Joe
Cobane. Also in line for a vote
of thanks are Mrs. Lee Meyer,
owner of the This 'n That For
Pets Shop, for contributing all
11 first-place trophies, Roland
Gray for donating three gift
certificates for dog collars, and
the Lang Dog food for their
gift of dog food for each con-
testant.

Dr. William Bailey was again
on hand, from the Michigan Hu-
mane Society, as acting vet
for the show and, of course, the
Grosse Pointe Board of Educa-
tion provided the football field
and platform and P.A. system
and chairs for the third consec-

ative session, resulting in more patches on Michigan's crazy quilt tax system.

The nuisance tax package, now before the House, calls for an additional two cents per bottle beer tax, two cents more per pack on cigarettes, and a four percent hike on liquor and telephone and telegraph services. It is expected to bring an additional \$69 million in revenue into the state's coffers.

TEXAS WONDER-BY Billie Sol Estes has been enjoined not to leave the country, according to information released Saturday by the United States Justice Department. The magistrate was served with a "departure control" order Friday night at his home in Pecos, Tex., and all international traffic carriers as well as immigration officers were alerted to the ban on Estes' foreign travel. The Immigration Service order informed Estes, under indictment for alleged fraud, that any trips he may have contemplated outside the territorial United States "were not in the best interests" of the United States.

The Estes case comes before Senator John L. McClellan's Senate Investigation Subcommittee Monday. It is the first major scandal of the current Administration, and McClellan's inquiry is expected to be political dynamite, four high government officials having already lost their jobs following exposure of Estes' grain elevator, fertilizer and cotton land empire as a myth. Agriculture Secretary Orville L. Freeman, who only last November appointed Estes a member of the National Cotton Advisory Committee, which advises the government on the United States cotton program, is reported to have visited top-ranking subcommittee Republican, Senator Karl E. Mundt of South Dakota, last Friday. Freeman gave Mundt his personal pledge that "the department he heads personally" will cooperate fully with the subcommittee investigation.

A YOUNG SKINDIVER is alive today because someone remembered that, in an emergency, certain chambers in a submarine can be sealed off and turned into makeshift decompression chambers. Richard Brewer, 15, was diving in Whitehouse Quarry, 15 miles south of Toledo, when his suit punctured at a depth of 40 feet. Water flooded in, increasing the boy's weight and causing him to go into shock. He rose to the surface, spit out his mouthpiece, and sank. Richard's diving buddy, 16-year-old Douglas Long, immediately dove in after his friend, recovering him at 15 feet, but the boy (Richard) had risen to the surface too quickly, and his body was saturated with nitrogen. Doctor's at Maumee Memorial Hospital in Toledo recognized symptoms of the "bends." Richard was rushed back to the lake, pulled into a suit, and taken back down, but after 2 1/2 hours in the water his temperature had fallen to 94 degrees, and treatment had to be discontinued. Then someone remembered the submarine. A low-flying helicopter transported Richard to Detroit, landing in the parking lot behind the Veterans Memorial a little after 7 a.m. Sunday, and minutes later Richard was inside the Navy sub, used as a training vessel in the Great Lakes. Decompression proceeded without incident. Richard is being kept in the hospital under observation for a few days, but doctors are sure he will be all right.

A SECRET ARMY PLOT to assassinate French President Charles de Gaulle has been foiled, according to official Paris sources, and 15 persons connected with the attempted murder are now under arrest. Leader of the alleged assassins is said to be an army lieutenant named Blanchy, once aide to former paratrooper Roger Degeldre, head of the Secret Army's Delta group, an Algiers squad of killer commandoes. Degeldre was seized several weeks ago.

French police spent most of last week playing a deadly game of cat-and-mouse as they followed de Gaulle on a grass-roots tour of Central France, finally trailing the OAS suspects to Paris. They made their arrests Sunday morning, with de Gaulle safely ensconced in the Elysee Palace under reinforced guard. If carried to its conclusion, the assassination attempt would have been the second made on de Gaulle since he took over as president 3 1/2 years ago. His car was scorched last fall when a gasoline bomb hurled at the vehicle exploded in flames, but did no interior damage. De Gaulle, who had been driving to his country home east of Paris, escaped without injury.

Meanwhile, hundreds of European Algerians, defying a Secret Army directive to hold their ground, were fleeing their North African homes, obviously fearful of Moslem reprisals after months of OAS terrorism.

## When the POINTE was growing up...

By Pat Talbot

(Editorial note: Excerpts from an article on "The First Families of Detroit," printed in the now defunct Detroit Journal, July 11, 1896.)

"Detroit is remarkably fortunate in the number of its old families which are still flourishing and prominent in the business interests of the city. Many of these are sprung from the most influential families of the old world, and one, at least, the Navarre, is sprung from a race of kings. This name appears no more in Detroit records, for the reason that it is represented only upon the mother's side. The founders of several of these families are known to have come with Cadillac; and the founder of one, in fact, is fabled to have been here already and to have been one of the Indian traders who met Cadillac on the banks of Detroit."

... Zacharie Chiquot was the founder in 1736 of the Cicotte family. This family was famous in the early days for the fine collection of silver plate in its possession.

Remnants of this fine property are still owned by the descendants. . . It is related that Jean, son of the founder Zacharie, at one time, when by royal edict, liquor had been forbidden to be sold or traded to the Indians, and they in consequence, had threatened to sell their fine winter's gathering of furs to the English, he was sent secretly to De Tonty, the commandant, with the purpose of intoxicating the natives and then buying their furs. His errand was successful, but as he was returning to the fort he was set upon by goblins and the Loup Garou, the devil in the form of a wolf, and his ill-gotten load taken from him."

This Loup Garou was a favorite legend in the Pointe during French pioneer days and there was a stone which marked his plunge into the lake on Lakeshore road by the former Ford estate.

Another Loup Garou legend concerns one of the Moran clan and is related in this "Journal" story.

"One branch of the Moran family was distinctly related to the wife of Cadillac. It is told how, long ago, Jacques Morand, as the name was spelled then, met and loved the daughter of an Indian trader who pitched his camp with the Indians on the shore of Lake St. Clair. But the maiden was already consecrated to her God. She had just wished to enter a convent, and the wish had just been granted. This only served to madden her lover, who, at the price of his soul, assumed the form of the Loup-Garou, the phantom wolf. In this form he persuaded the pious girl, who saved herself by a prayer which turned the monster to stone."

Some old settlers recall this as the stone which rested for many years on the Lakeshore road.

Residents of Washington, Rivard, Neff, McKinley and Fisher have a call out for Alfred Hitchcock. It will take the maestro of mayhem and mystery to discover the whereabouts of the screaming woman who woke sleepers after midnight last Tuesday, May 15. Several residents called the police when they heard the screams but when the officers arrived they saw and heard nothing. All the callers claim she sounded somewhere nearby but none could pin point the location of the screams. Police are now waiting for the midnight screamer to perform again.

From Frederick W. Pearce comes this latest addition to the vocabulary of geriatrics. In Minneapolis older couples who became apartment dwellers when their offspring leave home to be married are called "empty nesters."

Nancy Gould, 15 year old driver training student, is among the teen agers featured in a recent story in Look which surveys the current crop of young student drivers. Look's survey reports that most teen agers are considered safer drivers than adults. So there Dad!

Recently elected board members of Williams House (refuge for troubled girls) applaud beautician Ann Louise who has volunteered to perk up the residents of the House. On consecutive Tuesdays she and her staff are giving the girls free permanent, glamour treatments for morale. Mrs. Harrison Sadler, Mrs. Thomas L. Lott and Mrs. Robert Hutton are the new Pointe members of the Williams House heard.

Although their mothers claim they are not yet in a class to rival Lester Lanin, several ninth graders from Pierce's band have developed a very popular combo. They will play at the Detroit Boat Club dance this Friday evening. "The Interlopers" as they have styled themselves include Bill Misteck, John Clarke, Craig Dykstra, Bill David, John Barlow, Dave Hookanson and Greg Hykes.

Last week the sponsors of Michigan Week released 5,000 balloons over the Detroit area. About 600 of them have been captured by Pointers, among them Allan Belcher of Beaconsfield road. He rescued his balloon while fishing in Lake St. Clair and sent in the card which may entitle him to a free week's vacation in some resort of the Water Wonderland.

### PILFERINGS

A young lady who had been going out with a young man for more than a year was asked by her parents what she thought his intentions were. "I'm not quite sure," she replied. "He's been keeping me pretty much in the dark."

The late Secretary of State Cordell Hull liked to say that a lie could run around the world before truth could get its pants on.

A secretary was asked by a young stenographer if she ever became nervous when she had to meet the important businessmen who came to see her boss. "No," she laughingly replied. "I always think of them as just some woman's husband."

Charm is a way of getting the answer yes without having asked any clear question . . . Albert Camus.

### JOHN LACKNER, WINDMILL POINTE DRIVE POSTMAN

by Patricia Talbot

When John Lackner began delivering mail in 1924 down Lakepointe and Pemberton to Windmill Pointe drive there were but a dozen houses on his route. When he retired last month after 38 years service he had 225 stops on his daily march.

"There are still a few old timers on my beat," he said. And many of them remembered John with cards and presents. The postoffice in Kercheval, Zone 30, will remember him with a big stag party on May 31. His retirement was forced by his doctor who has warned him he must take it easy, but not lead a rocking chair existence.

In his flat on Lenox road he is whiling away the time helping his wife with some housework before she goes off to teach school at St. Philip's. He watches television and in spite of doctor's orders drives to his daughter's in Harper Woods where he mows the lawn and plays with four strenuous grandchildren. Still tanned and fit from his long daily postman's walk he doesn't look like a semi-invalid, and he doesn't act like one.

### Recalls Roaring Twenties

John likes to chat about his memories of those 38 years. He recalls the day when Windmill Pointe was a haven for rum runners. He saw the "roaring twenties" touring cars, forever enshrined by television's "Untouchables," screech up to the lakeside road to pick up a con-

### Most Students Always Hungry

A recent survey of Grosse Pointe High School students' eating habits reveals a rather large proportion of "always hungry" boys and girls attending classes in a state of semi-starvation.

Of the 240 students queried, 124 answered yes to the question, "Are you always hungry?" The fact that 42 of the boys and girls (18 percent) eat no breakfast, and another 76 (32 percent) grab only a piece of toast and some fruit juice before setting out for school may explain the ravenous feeling many of them get around 11 in the morning.

All but eight of the students polled eat lunch, however, though another eight qualify their statements by explaining that they eat a "diet" lunch. Still another eight lunch only on dessert.

For 168 students, milk, pie, and a sandwich constitutes an average "lunch." Thirty-seven students regularly eat the High School cafeteria's 43-cent special.

With one exception, everybody eats dinner—and the one person who doesn't is probably among the 196 who have after-school snacks. Another 172 are after-dinner snackers.

Despite their admittedly miserable eating habits the students seem a healthy lot, with nearly 40 per cent having perfect attendance records as of February and only two percent absent more than 10 days this year.

Asked if they smoked, 37 percent answered "yes," and 58 students, nearly one-fourth of the total 240, said they drink.

signment of bootleg booze. But he has other memories too. In those long ago days when the Pointe had a quarter of the residents it now boasts he was sometimes called upon to perform acts of mercy far beyond the call of duty. He climbed in a bathroom window to rescue a locked-out matron one morning. Another time a distraught housewife pleaded with him to open a can of cherries for a pie she was baking. He never tasted the pie, though.

### A Pal for Ten Years

But most fondly does he recall a ten year companion of his delivery route. A mongrel dog, Skippy, owned by the Partridges, of 524 Lakepointe, would wait for him every morning and follow him faithfully from house to house. When the mailman's substitute appeared Skippy would trail mournfully home and often on Sundays churchgoers would see the dog waiting hopefully for his friend, never realizing that this was his day of rest. Skippy has been dead many years but John still remembers him with affection.

Windmill Pointe's favorite postman has nothing but praise for his job. "It's good, healthy work. No strikes, no lay-offs, good pension and sick pay. More young men should consider taking the Civil Service exams for the postal service," testifies this mailman, who gave 38 years service.

### Began in Copper Mine

He began his working life in his home town of Calumet, in Upper Michigan, where he still vacations in the summer. For some time he worked in the copper mines, which have now been almost exhausted. Then he went to Toledo and worked in a factory, but that job, like mining, was unsteady, so he took the postal tests. ("You need to know your math"). He began work from the old Fox Creek station and at one time had not only Windmill Pointe but Ashland and Alter road, which during the twenties were well built up. He remembers watching the building of the Park municipal hall and when the small frame houses along Jefferson were torn down for business buildings. He saw the children of a generation ago trudge to the old Trombly School, where the Pointe Bar is today, and he remembers when the mansion builders began their palaces along the lake.

He used to play golf, a tiring sport for a mailman, but now is more of a sports spectator, takes the Tigers very seriously, is worried about this season's pitchers. Retirement is still not a reality to John, although he thinks of traveling

back to Calumet, or even working as a landscape gardener. But he will miss his daily stops at the homes along his route and his patrons will miss him. Several have already called to thank him for his devoted 38 years of service.

## Arctic Travel Program Slated

In answer to the recent heat wave, the Grosse Pointe War Memorial is programming an illustrated talk on Arctic Travel by Madame Donat Gauthier on Thursday, May 31, at 8 p.m. In addition to her fascinating account of her experiences within the Arctic Circle Madame Gauthier will show colored slides and movies.

Madame Gauthier, a French Canadian by birth, can converse with the Eskimos in their own language. Her experience in traveling among them recently was most interesting and she has many tales to tell. Also her pictures show the rare and unique beauty of the country within the Arctic Circle which few travellers penetrate.

Madame Gauthier travelled by plane, canoe and on foot. Her pictures dwell on the interesting tundra, the unusual flowers and the magnificent fish—particularly the arctic char, a combination of salmon and trout. There is excitement aplenty with a whale rearing up under the canoe on Wager Bay and an attack by a rabid fox which Madame Gauthier mistook for one of the Huskie dogs.

There is adventure too in an Eskimo cemetery where the skin wrapped bodies are placed under cairns of stones above ground. The Grosse Pointe public and their friends are invited free of charge.

## Pointe Counter Points

by Pat Rousseau

Michigan Week . . . signals vacation time! To keep in the swim of things . . . a new swim suit from Walton-Pierce would be a beautiful way to plunge in . . . (the perfectionist can have her's custom fitted). On dry land, casual fashions by Glen of Michigan and the Pucci look . . . take you from dawn to dark in fashion.

Soft Summer Breezes . . . call for the beautiful cover-ups to be found at Irving, 82 Kercheval on-the-Hill. Graceful silk stoles come in heavenly colors. White jacket-sweaters are scattered with iridescence . . . and there are many other suggestions from the boutique.

Hairdos . . . and don'ts . . . DO investigate the convenience and flattery of the lovely wigs at Leon's, 17888 Mack! DON'T put off calling to book an appointment to have your own hair styled in the most beguiling way! TUXEDO 4-9393.

Time Study . . . Have you figured out how much time you spend in the kitchen? Experts have approximated the average for different families and know the value of area planning with equipment placed conveniently. Mutschler Kitchen specialists excel in giving you the kitchen you need that is also beautifully decorated. See the model kitchen at 20489 Mack Avenue.

SCENTS-ible . . . attitude to take this summer. Try one of the refreshing bath oils you'll find at The Notre Dame Pharmacy. There's a cool . . . crisp pine fragrance . . . or you can use the French floral scents in the bath or as a lasting perfume, applied directly to the skin. For a wonderful skin conditioner . . . there's Sardo that helps keep a tan soft and glowing.

## Teens March Against Leukemia

On Sunday, May 27, 550 Farms, Grosse Pointe Woods, Grosse Pointe area teen-agers, Grosse Pointe City and St. Clair answering the appeal of TV Shores.

star Danny Thomas, will march door-to-door against leukemia. Following the march, from noon to 2:30, Grosse Pointe teens will proceed to Cobo Hall where they will join over 5,000 other teen marchers at a giant teen hop.

The enthusiastic army of teen crusaders have been given their "marching orders" by members of the Young Adults Club of St. Paul's Church, who selected the St. Jude Research Hospital Project as their 1962 charitable activity.

Bucking 90 degree heat, members of the club met nightly at the home of Marilyn Macrsten, 324 Cloverly, to handle the tremendous task of mailing out collection kits and of assigning each of the 550 teens to his two-block marching area in which supports and maintains Grosse Pointe, Grosse Pointe St. Jude Hospital.
