## HEADLINES of the WEEK As Compiled by the Grosse Pointe News

**Thursday, June 28**  
THE KENNEDY Administration is maintaining a close watch on the United States economy, and the President will recommend an immediate tax cut if he deems such action necessary. Mr. Kennedy, at his news conference yesterday, admitted that the nation's economy seems to be somewhat lagging, and stated that he has requested standby authority to cut taxes, heading off or blunting recessions before they have a chance to damage U.S. business. This power to act quickly would benefit the economy if it continued to droop, as it would by-pass the time lag caused by legislation moving through Congress.

Commenting wryly on a Research Institute of America poll that revealed businessmen are heavily in favor of his tax and trade bills but consider his Administration generally hostile to business, Kennedy told newsmen: "I think it (the poll) suggests that most businessmen, No. 1, are Republicans, and No. 2, that they realize what is in the best interest of business and the country." The President revealed some time ago that he intends to ask for an over-all income and corporate tax cut effective January 1.

Regarding the re-activation of overt hostility between Mainland Red China and Chiang Kai Shek's Formosa, Kennedy stated that the would continue the Eisenhower Administration's Far East policy of defending the offshore islands, Quemoy and Matsu, from any attack, providing that attack were part of a Formosa invasion. He revealed that the Administration is seriously concerned about the recent Communist Chinese military buildup, but has not yet determined the purpose of the buildup.

**Friday, June 29**  
THE HOUSE of Representatives yesterday approved, by an overwhelming majority, a bill giving President Kennedy greater power to cut taxes than any other chief executive in history. Passage of the President's trade expansion bill is considered the Administration's greatest legislative victory to date, particularly as the lopsided 298-125 vote indicates Congress is backing Kennedy's new tariff program to the hilt. The bill, now before the Senate, is designed to help America meet the European Common Market trade threat, and contains what would, if passed, be the United States' first major tariff policy revision since the reciprocal trade program went into effect in 1934.

There were indications earlier in the week that the Administration might be forced to accept a compromise measure, but Kennedy put trade expansion at the top of his legislative priority list and his lieutenants, refusing to be coerced, succeeded in pushing the bill through without change. The 82-vote victory margin in the House, coming, as it did, only a week after Kennedy's farm bill defeat, is considered a smashing legislative comeback for the President, who promptly expressed pleasure at the outcome, hailing the "very substantial margin" on passage.

The Senate now must decide the bill's fate, and its Finance Committee is expected to start hearings the week of July 8. Among other provisions, the bill gives the President power, for a period of five years, to negotiate and sign tariff-cutting trade pacts and to eliminate tariffs on many items.

**Saturday, June 30**  
THE UNITED STATES Chamber of Commerce and the AFL-CIO both favor an immediate tax cut to prevent the nation's economy from entering into a recession. The business organization yesterday urged the Kennedy Administration to slash individual and corporation income taxes across-the-board, while the union called for a reduction in low and middle income levies only. H. Ladd Plumley, U.S. Chamber of Commerce president, stated that across-the-board tax cuts would encourage business investment needed to "restore

## Business Association Leaders Hold Conclave

Past and present officers of the Grosse Pointe Business Men's Association gathered at a dinner session in the St. Clair Yacht Club on June 28 to discuss a proposed change in the by-laws of the organization. If passed, directors will be elected by districts throughout the Pointe. The recommended change will come before the general meeting of the association in September. Pictured are, front row, left to right:—ZACK MOIR, TOM OFFER, CYRIL VERBRUGGE, president; DR. R. K. O'NEIL, executive secretary; CLAYTON ALANDT and PAUL GACH. ## July 11 Set For Opening Of Festival

Fifth Summer Season of Musical Programs at Memorial Center to Include Three Concerts

The Grosse Pointe Summer Music Festival, now in its fifth season, will open on Wednesday night, July 11, with an unusually varied program and a highly talented group of artists.

The concerts are a highlight of the local summer scene, and will again be presented outdoors in the Fountain Court of the Grosse Pointe War Memorial, Lake Shore road.

Next Wednesday's concert begins at 8:20, as do the two succeeding concerts on July 18 and July 25. Pianist Ruth Meckler-Laredo and cellist Paul Olesky will be heard in the Sonata No. 1 in D minor by Claude Debussy. Clarinetist Paul Schaller and violinist Gordon Staples will join Miss Meckler in "Contrasts" by Bela Bartok.

The programs will continue with Franz Schubert's "The Shepherd on the Rock," sung by soprano Doralene McNelly. Miss McNelly has recently been chosen as a soloist for a State Department tour of Europe by the Robert Shaw Chorale. The concert will be concluded with Johannes Brahms' Trio opus 8 in B major for violin, cello and piano.

## Water Filtration Plant Project Okayed in Farms

The Farms council approved another step in a recommended improvement program for the Water Filtration Plant at Moross and Lake Shore roads. It took this action on Monday, July 2.

The program, designed to increase water capacity, is spread over a 10-year period, 1961-1970, and will cost an estimated \$331,000, including engineering fees and contingencies, according to Hubbell, Roth and Clark, consulting engineers.

The improvements okayed by the council on Monday, will cost an estimated \$42,500, according to officials of the firm.

Two other matters are also under study by the council. One is the proposed construction of a storage garage for chlorine and water department trucks, to cost an estimated \$25,000;

## Lakefront Parks Continue To Attract Large Numbers With Augmented Programs

Swimming Classes Most Popular; Weekends See Attendance Records Soar at All Five Municipal Beaches

Weekends seem to be the only time during the summer months that a majority of the residents of the Pointe find it ideal to attend their respective municipal parks with their families and guests.

According to available records, more than 91,706 persons have used the parks beginning with the weekend of June 9-10. Besides enjoying picnic outings, the people took advantage of every recreational facility. Swimming was the predominant sport.

In all but one of the Pointes, the Shores it appears that the weekend of June 16-17 drew the heaviest attendance. In some cases, cool weather and rain spoiled the day.

### Figures Tabulated

The following attendance figures are totaled for the weekends of June 9-10; June 16-17; June 23-24 and June 30-July 1:

Park—24,002; City—13,370; Farms—20,059; Woods—29,935; and Shores—4,337.

A sport has been added to the program at the Park waterfront park—weight lifting, and according to Tom Rennolds, recreation director, has been received with enthusiasm, especially among the teenagers.

All the parks have instructors teaching children and grown-ups how to swim, and all report that classes are full in the Beginners, Intermediate and Junior Lifesaving programs.

Farms Turned Down Some Swim classes at the Farms Pier-Park have full capacity enrollments, said Ed Lauers, director of recreation, so much so that instructors could not accommodate everyone who sought to join the current session.

Lauers said that because of the tremendous reception given to the sport, new enrollment will be taken on July 13, 14 and 15, for classes beginning July 16.

Diving is also being taught in the parks, for those who are interested.

The Woods officially opened its swim classes on Monday, July 2, and has several hundred persons enrolled, it was disclosed by Recreation Director Don Hallman.

Shores recreational director, Robert Kurvink, said that Red Cross Lifesaving classes started at the George Osius Park on June 25, and will continue through July 30. Lifeguards are the instructors.

Wheeler Handles City Paul Wheeler, Jr., City recreation director, said an effort is being made to get the swimming program off the ground. Lessons are being given to youngsters in the 4-7 age group. Intermediate and advanced classes have an enrollment of 125, he said.

Tennis is another sport that has been received with enthusiasm.

The parks that have tennis courts report that they are being constantly used.

This is especially true in the Park waterfront park, where, according to Rennolds, the courts have been colored two-tone. Amazingly, he said, this has increased the use of the courts 200 percent.

Also, he said, the sport is so well liked that 52 persons have signed up to take lessons.

The consensus among all of the recreation directors is that Pointe residents need not go out of town for their recreation; they have practically everything they need right here at home.

## Drivers Get Heavy Fines For Drinking

One Goes to Jail for 65 Days When He Cannot Pay Penalties Set by Judge Paterson

Two motorists received heavy penalties in the Park court Friday, June 29, imposed by City Judge Douglas Paterson, who presided in the absence of Park Judge C. Joseph Belanger.

Edward J. Grifford, Jr., 53, of 18265 Eleven Mile road, Roseville, was found guilty of two counts of traffic violation, driving while under the influence of liquor, and not having a valid Michigan operator's license on his person.

William G. Brennan, Sr., 62, of 3495 Springdale, Detroit, stood mute on a charge of driving while under the influence of liquor. He was found guilty as charged.

Judge Paterson sentenced Grifford to pay a fine of \$100, or 60 days in the Wayne County Jail on the drunk driving charge; and a 90-day license suspension, with no driving, except to and from work, and one year probation with no drinking, plus a \$50 fine or five days in jail.

Grifford was unable to pay the fines and was remanded to the county jail.

Brennan was sentenced to pay a fine of \$100, or go to jail for 30 days, and had his license suspended for 90 days. He paid the fine.

## 4 Cases Heard In City Court

Four persons appeared before Judge Douglas L. Paterson in Grosse Pointe City Justice Court on Tuesday, June 26, and three were found guilty, one on a traffic violation and two on a charge of larceny from a store.

The traffic violator, Velma J. King, 1179 Chalmers, Detroit, pled and was found guilty of reckless driving and causing an accident. She paid a \$20 fine.

Gertrude E. O'Handley, 1552 Dickerson, Detroit, pled and was found not guilty of larceny from a store, but her husband, Ronald H. O'Handley, of the same address, was not so lucky. O'Handley pled guilty on a similar charge, was found guilty, and assessed \$15.

Dorothy E. Caldwell, 243 McMillan, stood mute when arraigned on a charge of larceny from a store. Found guilty, she received a \$5 fine and was placed on three months' probation.

## Dr. J.W. Bushong To Leave Pointe For Hawaiian Job

Resignation as Superintendent of Schools Regretfully Accepted by Board of Education; To Head Private Institution

Superintendent James W. Bushong has resigned from his post as chief administrator of the Grosse Pointe Public School System to accept a position as head of a private school in Hawaii. The board of education regretfully approved his request for release which will become effective on October 1 or as soon thereafter as a suitable replacement can be found.

Dr. Bushong will head the Kamehameha Schools located in Honolulu. Three boarding and day schools enrolling approximately 2,000 boys and girls, all of whom have some Hawaiian ancestry, make up the system. Income from a large private estate of a great-granddaughter of King Kamehameha I has been used since 1883 to establish and maintain these schools.

"I regret leaving Grosse Pointe immensely," Dr. Bushong said. "We have become very attached to the community in the 11 years I have served as superintendent and the decision to leave has not been an easy one. Only the exciting challenges of Kamehameha Schools could make this move attractive at all."

Flattered By Offer The board of trustees of Kamehameha Schools announced last Friday that they had decided to offer the position to

## School Board Elects Officers

Officers for the 1962-63 school year were elected by the Grosse Pointe Board of Education at its annual organization meeting Monday, Robert F. Weber was re-elected president and will head the school system for the fifth year.

Other officers elected were: Robert K. Whiteley, vice-president; Edward Pongraz, treasurer; and Mrs. Ruth Goebel, secretary. Mr. Pongraz has served as treasurer since the death of Mr. Wicking in February and Mrs. Goebel has been secretary of the board since 1958.

In other action the board re-appointed the firm of Coulter, O'Hara and Coulter as legal counsel for the school district. The appointment of 17 new staff members, largely replacements for departed teachers, was approved also. Information was given the board that six vacancies remained to be filled.

Depositories for school funds were designated also. Commercial accounts were authorized at the Manufacturers National Bank, National Bank of Detroit, The Detroit Bank and Trust Co., and City Bank. In addition, the first two named were approved as depositories for savings deposits which allows the school system to invest excess funds until such time as they are needed for the operation of the schools.

The board moved to continue holding the regular monthly meetings on the second Monday of each month. Meetings will convene at 7:30 p.m. as has been the practice. They are held in the Board Room at 389 St. Clair avenue.

At its regular meeting on Monday, July 2, the City Council, at the request of Councilman David H. Fairless, considered the problem of the park's eroding shoreline and resulting gaps between some of the docks and the land.

Fairless stated that everyone with whom he has talked seems very pleased with the docks themselves, but the citizens are definitely concerned about the safety hazard presented by gaps, in some cases over a foot wide, between the shore and the dock. These gaps, said Fairless, are especially hazardous for women in skirts, children and older people.

Not In Specifications City Administrator Chester E. Petersen told the Council that eventual ramp construction for some of the docks had been discussed at the committee level, but ramps were not

## Woods Boat Problem Due To Erosion

Council Orders Installation of Ramps to Mooring Docks and Study to Correct Situation

Residents of Grosse Pointe Woods who moor their boats at the new municipal dock facility in the community's Waterfront Park have been promised immediate construction of temporary ramp facilities from the shoreline to the docks.

At its regular meeting on Monday, July 2, the City Council, at the request of Councilman David H. Fairless, considered the problem of the park's eroding shoreline and resulting gaps between some of the docks and the land.

Fairless stated that everyone with whom he has talked seems very pleased with the docks themselves, but the citizens are definitely concerned about the safety hazard presented by gaps, in some cases over a foot wide, between the shore and the dock. ## Thief Admits Entering 18 Pointe Homes

Refuses to Tell How He Got Loot into Canada or What Disposition He Has Made of It

Thomas G. White, 24, of 65 Beland, Hamilton, Ont., who confessed to committing 300 burglaries in the Detroit area, admitted nine more Pointe break-ins raising the total to 18 cleared in four Pointe communities, it was disclosed by Woods detectives on Fri., June 29.

White was sentenced on June 19 in Oakland Circuit Court to serve 3-5 years in Jackson Prison, on a burglary charge brought against him by Birmingham police.

He was arrested on May 20, four days after he renewed his activities in Michigan, and 20 days after he was released from Jackson Prison and deported to Canada.

### Caught in Birmingham

On May 20, White was seen leaving a Birmingham home he had broken into, by a citizen who notified police, and was nabbed by Oakland County authorities who had set up a road block as White attempted to get away in his car.

White confessed to 300 burglaries in the Detroit area, and "many, many of them" in Hamilton, from January 19, 1960, to July 14, 1961. He refused to cooperate with Hamilton authorities because, he said, according to Ontario law, he would be prosecuted on all cases cleared.

Woods Det. Sgt. Walter O'Dell and Det. Leroy Tobian said that they questioned White in the Oakland County Sheriff's Office, prior to his being sent to prison, and the convicted man admitted to breaking into and robbing nine Woods homes from 1959 to 1962.

### Had Confessed Others

White had already confessed to nine other burglaries in the Pointe, six in the Park, two in the Farms and one in the City. The Woods detectives said that White told them that he had looted the Detroit area homes of about \$500,000 in cash and valuable items and transporting them to Canada.

However, since his arrest, White steadfastly refused to tell authorities how he transported his loot to Canada, or how he disposed of the valuables.

White confessed that he broke into and robbed the following homes in the Woods, the detectives said: A. E. Cooney, 1526 Lochmoor—February 7, 1959; Joseph Schonefeld, 1595 South Renaud—June 10, 1959; John Gustke, 1947 Emory court—January 2, 1960; Albert DeFever, 1200 North Renaud—July 24, 1960.

Anthony Scaglione, 1956 Wedgewood—July 4, 1961; Neil Murphy, 822 Hollywood—July 6, 1961; and Mrs. M. D. Conway, 2025 Van Antwerp; James Murphy, 2001 Van Antwerp; and Ralph C. Nelson, 2009 Van Antwerp, on May 14, 1962.

### Previously Admitted

Other Pointe homes broken into and looted by White, admitted at the time of his arrest, were: Park: Joseph A. Bouffard, 865 Barrington—June 3, 1959; Thomas Licavoli, 1384 Berkshire—August 29, 1959; Robert Kemp, 1149 Bedford—September 3, 1959; Howard J. Bolton, 1215 Yorkshire, December 21, 1959; Mrs. Mary Nazur, 1379 Balfour—May 20, 1961; and Harry Thomas, 630 Westchester—August 21, 1961.

Farms—Carl Smith, 245 Vendome—March 19, 1961; and the home of Bert Emanuele, 325 Piche, on May 18, 1961; and in the City, the home of Dr. Walter Seegers, 832 Notre Dame, committed on April 21, 1961.

FBI Stepped In When police brought White's illegal activities to a halt on July 14, 1961, the Federal Bureau of Investigation assumed jurisdiction and brought about White's conviction and sentence on July 12, 1961. The burglar was in prison until April 30 of this year, when he was released and deported.

He refused to tell police how he got past American and Canadian immigration authorities when he returned to Michigan. Officials on both sides of the river have posters by which they can identify him, it was said.

## Burglar Robs Gas Station

A thief broke into a gas station owned by Gus Stojke of 8623 Janice, Detroit, during the night of Monday, June 25. Park police are investigating.

The station, located at 17000 Mack avenue, was entered through a window of the garage at the southside of the building.

The burglar took \$51.25 from a cash register. Nothing else was disturbed or taken, according to information given to police.

Det. Lt. Stanley Enders, in charge of the case, checked for latent fingerprints, but with negative results.

Stojke told the lieutenant that he closed the station at 9 p. m. the previous evening.

## Woods' Street Lighting Program Hits Opposition

Grosse Pointe Woods' street light installation program is running into heavy resident opposition. At Monday's Council meeting four petitions, requesting that installation be cancelled, or at least deferred, were received, discussed, and tabled until the entire program can be thoroughly reviewed.

The Council promised the petitioners that no further work would be done on their streets until the review is complete, and that they would be notified and given an opportunity to be heard before the Council if it were decided to go ahead with the installation.

Eight signatures were affixed to a petition requesting that ornamental lights be installed on the center island of Young Lane rather than on a property

### Water Filtration Plant Project Okayed

(Continued from Page 1) subdivision development in the Farms.

A negative approach to increasing the water capacity was taken about five years ago when the Farms discontinued selling water to the shores, which now buys from Detroit, and when the Country Club of Detroit discontinued the use of city water to sprinkle its golf greens.

The club installed its own pipes and pumps raw lake water for this purpose, it was disclosed.

Improvements scheduled for this year at the plant is a new raw water electric flow meter, \$5,700; valve on Highland Park

connection, \$1,600; finished water booster pump, \$30,000; and installation of a 20-inch filter influent line, \$5,200. The costs are estimated.

The filtration plant is jointly owned by the Farms and Highland Park, with the latter owning the biggest share.

In March 1961, George Hubbell of the consultant engineering firm, met with Highland Park Water Department officials to review the February 1, 1954 agreement between the two communities relative to the intake, with regard to possible revisions which would increase the maximum Farms water rates to 14 million gallons a day.

It was pointed out that three meetings have since been held with Highland Park, in hope of revising the agreement for the proposed changes and additional construction, but so far, nothing has been done.

Highland Park officials ventured the opinion that the present agreement is working satisfactorily, and are reluctant about making any changes.

However, in the absence of an amended agreement, the Farms council agreed that the work scheduled for this year be carried out as it will materially increase the efficiency of the filtration plant.

DeBoer said that in view of the proposed expansion program of the plant in the next few years, the continued increase in costs to maintain the plant and the system, and the economic conditions calling for continued increase in salaries, the study for the proposed increase in water rates is necessary.

### Dr. Bushong Leaving Pointe Street Lights

(Continued from Page 1) Dr. Bushong. Upon inquiry in Honolulu, the superintendent is quoted as having told the newspapers, "I am very flattered with the offer from the trustees of the Bishop Estate," he said. "And I am very favorably impressed by the situation here. But it's only fair that I first go back and talk with the people who have been so good to me in Grosse Pointe." He arrived here from Honolulu late Monday evening.

Superintendent Bushong came to Grosse Pointe early in 1951 from Oregon. There he had been in public school work for 16 years other than for military service during World War II when he held a naval commission, seeing duty as a deck officer in both the Atlantic and Pacific oceans.

"Dr. Bushong has been a tower of strength," Mr. Weber continued, "to our schools and community organizations at large. He has brought to Grosse Pointe new vision in education as well as love and understanding of our country."

"Although we will miss him," President Weber said, "his influence will be forever a part of our educational tradition. I'm sure we all wish Dr. and Mrs. Bushong and their fine Christian family the very best of opportunities and success in their new venture."

"Our 50th state, Hawaii, is gaining a man of great stature and ability," Weber concluded, "and he will add immeasurably to their educational systems."

(Continued from Page 1) santly maintained, that they are unsightly and unsanitary.

George Rinaldi, 971 Shoreham, stated that he had lived in his present residence for nine years with no "safety and security" problems, and that he does not believe electric lights will make Shoreham road any safer than it already is.

Mayor Kenneth R. McLeod observed that the Council had no desire to force electric lights on the residents. He noted that the program was not undertaken hastily, had been talked about for several years, and that he feels some sections of the Woods are very poorly lighted.

### Woods Police Find Stolen Car

Woods Patrolman Norman Handley was credited with recovering a car on Monday, June 25, that was reported stolen in Muskegon, Mich., on June 21. The theft of the vehicle was reported by the owner, Dr. William J. Hanley, Jr., of 4140 Harbor Pointe road, Muskegon.

The Woods officer said he was patrolling east on Morning-side drive, when he spotted the car on South Brys drive. No one was in it, he said.

Handley checked with his station and was notified that the car was on the stolen list. Police checked the car for fingerprints, but the thief had done a thorough job of removing prints from the car.

A Detroit traffic violation ticket was found in the glove compartment of the car, dated June 20, 1962, but the car owner, when informed of this, claimed that he had not been in Detroit for several years.

### Tenor to Star With Symphony

Valter Poole will return to the Detroit Symphony Orchestra's podium this week to conduct free concerts next Tuesday, Thursday and Saturday at 8:15 p.m. in the Music Shell at the Michigan State Fairgrounds.

The noted Michigan tenor Joseph Mazzolini will be Tuesday's soloist singing arias from Massenet's "Manon" and Bizet's "Carmen." Mazzolini, now living in St. Johns, has often appeared in movies and on television and made extensive tours in opera throughout Europe and the United States.

Gordon Staples, the Orchestra's summer concertmaster, will be featured Thursday playing Saint-Saens' "Introduction and Rondo Capriccioso." The program will include Schumann's Symphony No. 4 in D minor.

Saturday night the Orchestra will salute the Republic of France as it celebrates Bastille Day with a program of music by French composers. Included will be Ravel's "Pavane pour une infante defunte" with French horn solo by Robert Fries.

The Orchestra's concerts at the Fairgrounds are underwritten by The Detroit Edison Company, National Bank of Detroit, and The Music Performance Trust Funds of The Recording Industries on recommendation by The Detroit Federation of Musicians.

### Erosion

(Continued from Page 1) included in the specifications for boat dock installation because it was felt that they could be installed as the need arose.

In the past few months, however, the problem has become acute. One woman has already fallen between the bank and a dock, luckily with no serious consequences.

In committee level discussions, Petersen and the City Engineers agreed that approximately nine docks would eventually need some sort of ramp approach. Since then, there has been considerable erosion in the dock area, until, at the present time, about half of the existing docks need immediate relief, and the other half will soon be faced with the same problem. At some of the docks, the distance is already two to two-and-a-half feet from shore to dock.

**Want Land Protected**  
George Young, 788 Hawthorne, a boat-owner, told the Council that the residents are very appreciative of the docks, but are concerned about erosion, and asked what was being done to salvage the existing land.

He was informed that the engineers have already consulted the Drainage Board, and the City plans to begin work on a retaining wall to protect the land around the swimming pool next fall. The City is now working on a plan to protect dock area land, and will propose relief measures to the Drainage Board as soon as all details are completed.

The Council authorized immediate construction of temporary ramp approaches, to be paid for out of the Boat Dock Utility Fund, and directed the Parks and Recreation Committee to begin an immediate study of ways and means to construct permanent ramp approaches and prevent further shoreline erosion.

**\$61,676 CONTRACT**  
The Farms council on Monday, July 2, awarded a \$61,676 contract to the Jess M. Gregory Contracting company, for the bituminous recapping of Kercheval, Moran, Moras, Grosse Pointe boulevard and McMillan. The firm was the lowest of six bidding companies that offered to do the job.

**FISHERMAN ROBBED**

Farms police recorded a complaint from Joseph Hipfel of 374 Fisher road, on Tuesday, June 26, in which he stated that someone broke into his 22-foot Sportsman boat, docked at the Municipal Pier-Park, and stole two Muskie fishing reels and other equipment. Total value of the loss is \$68, he said.

Frank Sandusky of 995 Nottinghamham, called Park police on Tuesday, June 26, and stated that someone broke into his garage during the weekend of June 23-24, and took two grass shears and a hedge clipper. Total value of the loss is \$10.

**Two Hurt When Car Hits Ambulance at Crash Scene**

A Farms fireman and a woman were injured in a Lake Shore accident on Saturday, June 30, when a car collided

with the Farms Fire Department ambulance. Hurt were Fireman James MacIntosh, 35, of 19259 Raymond, who suffered cuts about the face and an injured shoulder; and Miss Josephine Joy, 20, of 1615 North River road, St. Clair, who suffered injuries about the face when she struck the windshield of the car in which she was a passenger. Both were taken to Cottage Hospital for treatment.

The driver of the car, Eugene W. Lewis, III, 21, of 1023 Yorkshire, was issued a ticket for not having his car under control and causing an injury accident.

The collision was witnessed by persons, including Farms Patrolmen William Fowler and Marvin Krebs, who were at the scene of another accident in front of St. Paul-on-the-Lake Shore Catholic Church.

The officers said the ambulance was traveling east on Lake Shore and slowed to make a left turn when hit in the right rear by Lewis' car. The ambulance's flasher was on, the officers said.

Damage to the ambulance was estimated at about \$150; and to Lewis' car, about \$200.

The ambulance was returning to the scene of the first accident after taking Roger Taylor, 20, of 2250 Seminole, Detroit, to Bon Secours Hospital, for treatment of a cut forehead. The cut required 11 stitches to close.

Taylor was driving west on Lake Shore and lost control of his automobile, which leaped the curb and crashed into a fire hydrant. He was cut by flying windshield glass.

Damage to the youth's car was estimated at \$300, and to the hydrant, \$100.

MacIntosh, with Fireman Robert Roland, was returning to the scene to check the hydrant, when hit by Lewis. Roland escaped injury.

**Woods Council in Hassle Over Insurance Awards**

The Grosse Pointe Woods City Council Monday night was charged with acting illegally in awarding a "Combined Comprehensive Automobile Liability Insurance and Comprehensive General Liability Insurance" contract to other than the low bidder. After hearing the facts of the case, Council voted unanimously to throw out all bids and re-advertise on the basis of new specifications.

Manney admitted this, but said that his primary concern was to save the City's money and that, under Nationwide's new rating system, savings to the Woods would be considerable. Manney told the Council that, in his opinion, re-advertising would be wasteful, as he knew who would get the contract anyway on the basis of previous bids.

A. D. McCarthy, agent for Michigan Mutual Liability Co., accused the Council and the City Comptroller, Russel Manney, Jr., of violating the City charter by accepting and recommending a bid by Nationwide Mutual Insurance Co., based on specifications other than those advertised and distributed by the Woods' Administrative Department.

McCarthy said he would like to have Manney working for him if he were able, as he said, to predict low bids.

Manney stated that, under a new rating system used by Nationwide, the Woods would save money by accepting Nationwide's bid although, bidding on the specifications as advertised, Nationwide was approximately \$15 higher than Michigan Mutual.

The Council voted to re-advertise, this time including the rating system used by Nationwide in the specifications. Councilman David H. Fairless blamed the entire mix-up on the Insurance Committee's practice of allowing last-minute revised specifications or additions, and requested that, from now on, a Council member be appointed to sit in, as observer, on Insurance Committee meetings.

McCarthy charged that, legally, the Woods was bound to accept the low bid on the specifications as advertised and distributed by its Administrative Department.

Benjamin W. Pinkes, Mayor pro tem, was appointed Insurance Committee observer.

McCarthy claimed he talked with Manney prior to the Council meeting at which the contract was awarded, and was told that the low bid (his own) would be recommended. According to McCarthy, Manney stated there was only one problem: City Attorney Julius Berns felt that the Workmen's Compensation carrier should get the contract. Nationwide is the Woods' Workmen's Compensation carrier.

For lasting progress we must put our schools into life, and life into our schools.

McCarthy also accused Manney of telephoning Nationwide, after the bids had been opened, to verify one bid which seemed high.

**DRIVER ACCUSED**

George Wichman of 29843 Taylor, St. Clair Shores, was ticketed by Woods police on Tuesday, June 26, for driving while his license was revoked. He was stopped by police who observed him driving through the alley behind the Public Safety Building without car lights.

**Shores Traffic Violators Pay**

Mario A. Agosta of 1350 South Renaud, was found guilty of two counts of traffic violation by Shores Judge John Gillis at a court hearing held on Monday, June 25.

Agosta was found guilty of driving 45 miles an hour on Lake Shore, and driving while his license was revoked.

On the first offense, Judge Gillis imposed a fine and court costs of \$20, six months probation with no driving the first 30 days; and on the second, \$50 fine and costs, one year probation, no driving for four months, and two days in the village jail.

Marvin Shelton of 19456 Buffalo, Detroit, was found guilty of speeding 75 miles an hour on Lake Shore, and ordered to pay a fine and court costs of \$50, or spend 10 days in the Detroit House of Correction. The money was paid.

James F. Castly of 12551 Longview, Detroit, was placed on probation for six months during which he must pay \$10 a month until his fine of \$40 is paid. He was found guilty of speeding 60 miles an hour on Lake Shore.

Remo Spica of 2665 Fairview, Detroit, arrested for littering while driving on Lake Shore, was found guilty and paid a fine and court costs of \$35.

Gary J. Krieg of 15562 Chestnut, East Detroit, paid a fine and court costs of \$25, rather than spend five days in jail. He was found guilty of speeding 50 miles an hour on Lake Shore.

Bary Meda of 1069 Canton, Detroit, accused of driving 45 miles an hour on Lake Shore, failed to come to court and his bond of \$20 was forfeited.

**Freak Accident Injures Cyclist**

Sally Detwiler, 11, of 240 Kenwood, narrowly escaped being hit by a panel truck at Kercheval and Fisher, on Wednesday, June 27, but suffered a four-inch gash on the thigh from an eavestrough that slid from the top of the vehicle.

Lomasney said that he applied his brakes, and the gutter broke loose and hit the girl on the left thigh, inflicting the wound.

Driver of the truck, Glenn J. Lomasney, 31, of 31531 Elodie, Fraser, told Farms police that he was starting up, after the light turned green at the intersection, when Sally pedaled into

Witnesses verified his statement, and he was released without charge after making a statement.

The girl was taken to Bon Secours Hospital by police, where 20 stitches were applied to close the gash.

### Rotary Board Okays Projects

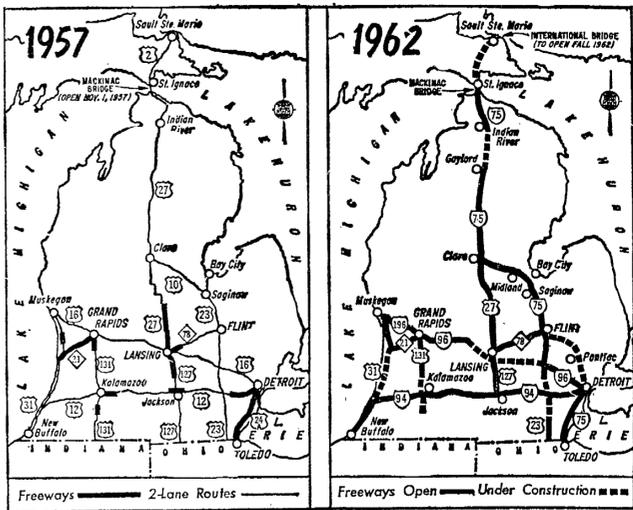

At a recent board of directors meeting, the Rotary Club of Grosse Pointe approved a project establishing a Memorial at Grosse Pointe High School to Kichie, International Exchange Student from Japan.

Other approved projects include High School watch awards for seniors at St. Paul and Grosse Pointe High Schools, and a program through which each club members will send a \$1.00 CARE package to the Rotary Club of Hong Kong for Chinese relief.

New members, Bill Sutter, Automobile Wheels Manufacturing, and Peter Witzky, Orthodontist, were cordially welcomed, and Ernie Korb's resignation was accepted with regret, while Lex Taylor was granted Senior Active Membership.

Knowledge is power only when hatched to the right theory.

### Michigan's Freeway System

THE GROWTH OF MICHIGAN'S freeway system during the Michigan State Highway Department's first five-year roadbuilding program is shown on these two maps. Five years ago (map at left), Michigan had 101 miles of freeway. Today (map at right), Michigan has 803 miles of freeway open and 239 miles under construction. Contracts for modernization of nearly 4,000 miles of other state highways also were awarded during the last five years.

### Spend Billion and Quarter On State Road Program

The Michigan State Highway Department has announced completion of the five-year highway program that began in 1957.

"We have substantially completed what we set out to do five years ago," State Highway Commissioner John C. Mackie said.

Mackie issued a status report to Gov. John B. Swainson to mark the fifth anniversary of the highway program which Mackie announced shortly after taking office in 1957.

The program called for 900 miles of new freeways to be opened to traffic or placed under construction, modernization of 2,900 miles of other state highways and paving of 814 miles of gravel roads that were on the state highway system at that time.

Cost of the five-year program is \$1.4 billion.

"Since July 1, 1957, we have completed 702 miles of freeway and we now have 803 miles open to traffic," Mackie said. There were 101 miles of freeway open when the five-year program started.

In addition, there are 329 miles of freeway under construction and we hope to open our one-thousandth mile of freeway sometime this fall.

"At the same time, we have awarded contracts during the last five years for the modernization of 3,944 miles of other state highways.

"These routes have been widened, paved, relocated or otherwise improved and the more than 800 miles of gravel highways have been paved.

Mackie said the Highway Department has spent approximately \$1 billion since 1957 for construction and right-of-way. The remaining \$250 million will be paid to contractors as they complete work on projects now under contract.

The U. S. Bureau of Public Roads reports Michigan has a greater percentage of its Interstate Highway System completed to full standards than any other state in the nation.

As of April 1, Michigan had 461 miles of toll-free Interstate highways open to traffic and designed to accommodate the anticipated traffic needs of 1975. This represents nearly 43 percent of the 1,079 miles of Interstate highway allocated to Michigan. Nationally, about 17 percent of the 41,000-mile Interstate System has been completed to full standards. Connecticut, with nearly 40 percent of its 293-mile Interstate System completed to full standards, ranked second behind Michigan.

"We consider the first five-year plan successfully completed," Mackie said. "Now, we start on our second five-year program. When completed, it will give Michigan the finest highway network in the nation.

Farmers, tourists, businessmen—all will benefit."

Mackie said the citizens of Michigan deserve a large share of the credit for the success of the first five-year program.

"I want to thank the people of Michigan for their splendid support of the highway program," Mackie said. "At the

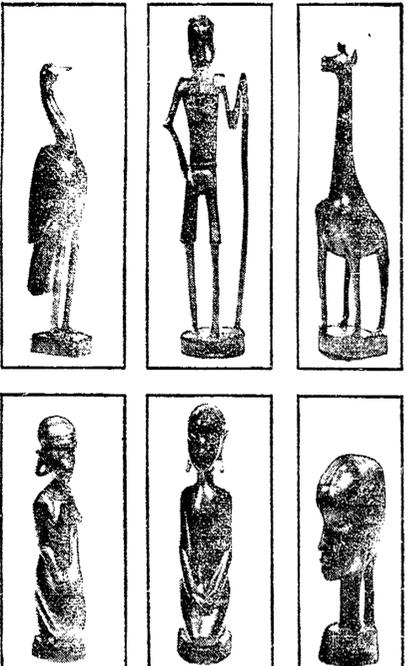

same time, I want to commend Michigan's newspapers and radio and television stations for their support and for keeping the public informed on the status of the program.

Michigan was the first state in the nation to develop a five-year plan and announce a timetable in detail when each project would be put under contract.

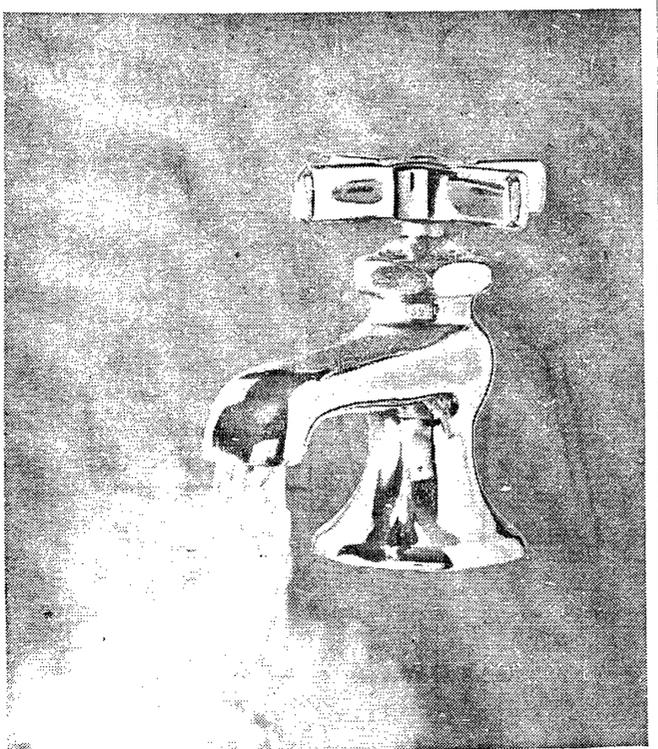

The program was published to let the public know when and where improvements could be expected, to gear the Highway Department for an accelerated

construction program and inform the construction industry so that it too could tool-up to the task and let local units of government know when and how much they would have to share in the cost of projects in cities.

The five-year program called for three major freeway routes across Michigan to be completed or placed under contract by this summer. They included the Detroit-to-Chicago, Detroit-to-Muskegon and Ohio-to-Soo freeways.

Construction of all three routes are either on or ahead of schedule.

Other highlights of the first five-year program included:  
 — Reorganization of the Highway Department to relieve engineering personnel of many administrative details.  
 — Establishment of a 6,000-mile network of all-season highways on which trucks carrying maximum loads are allowed to travel throughout the year. Previously, blanket weight reductions requiring truckers to reduce all loads 25 percent were put into effect each year during the spring thaw.  
 — Construction of an \$11 million "elevator" bridge linking Houghton and Hancock.

— Completion of the Edsel Ford and John C. Lodge Freeways in Detroit.  
 — Start of work on the Walter P. Chrysler and Southfield Freeways in Detroit and its suburbs.  
 — Publication of a comprehensive Highway Needs Study. The study, which took three years to complete, showed Michigan must spend \$11 billion on its state highways, county roads and city streets during the 20-year period from 1960 to 1980.  
 — A national concrete paving record set on Interstate 75 Freeway in Northern Michigan when 8,030 feet of two-lane, nine-inch concrete pavement was placed in one day.  
 — The world's first television traffic control system as a freeway put into operation as an experiment on the Lodge Freeway in Detroit.

**Slams Into Rear Of Stopped Car**

A ticket for reckless driving and causing an accident was issued to George William Parkin, 1547 Sunningdale, on Saturday, June 30, following a two-car collision at the Jefferson-Fisher intersection. Parkin, driving east on Jefferson in a '61 Chevrolet sports sedan, attempted to change lanes to avoid an automobile stopped for a left turn from Jefferson onto Fisher. He did not see a second automobile stopped beside the one he was trying to bypass, waiting for the signal light to change. Parkin's car slammed into the rear of the second automobile, a '58 Chevrolet four-door driven by David R. Thomas, 19702 Lochmoor, Harper Woods. Both vehicles sustained extensive damages, and a passenger in the Thomas' car, Mary Thomas, 130 North Ward, Macomb, Ill., was taken to Bon Secours Hospital when she complained of possible internal injuries. She was released after a check-up.

**Police Remove Driver's Doubt**

A Detroit motorist who told Shores police that he needed no license to drive, will have a chance to explain in court, it was disclosed by Police Chief Fred Duemling. David S. Gunter, 51, of 523 Navahoe, was driving along Lake Shore road, when he was stopped by Patrolman Harry Hamilton, who noticed that Gunter's car had a wobbly front wheel. The wheel was causing the car to swerve in a very erratic manner. The officer asked the motorist for his driver's license, which Gunter could not produce, stating he left it in another wallet. Finally Gunter admitted that his license had been revoked since 1955, when he was arrested by Federal agents for making and selling illegal whiskey. Gunter was taken to the station, where he was reported to have said, "I don't need a driver's license, except when a policeman stops me." He read the charge on the violation ticket which stated, "Driving without acquiring a Michigan operator's license." Besides this, Gunter posted a bond of \$150, before he was released until his scheduled court date.

**Hospital Drive Goes Over Top**

A \$36,000,000 program of enlargement and modernization of metropolitan area hospitals has been assured by the success of the Metropolitan Detroit Building Fund drive, sparked in large measure by Grosse Pointe residents. Donald F. Valley and George Russell, as campaign co-chairmen, announced that the MDBF had succeeded in meeting its goal of \$14,864,000 to defray 40 per cent of the cost of the huge program. There was no solicitation of individuals; the MDBF project was accepted by the business community as its particular responsibility.

William M. Day is board chairman of the MDBF and Ernest Kanzler is vice chairman. Jerome H. Remick, Jr., is executive secretary. Vice presidents include Walker L. Cisler, Walter A. Crow, John H. French, Jr., Harry J. Loynd, Allen W. Merrell, J. Arthur Mullen, Ross Roy and Cleveland Thurber. Wilber H. Mack headed the Major Gifts II group and Joseph C. Standart, Jr., was in formation committee chairman. George Haggarty headed the goals and allocation committee.

Other Grosse Pointers who played important roles in the drive include Roy Chapin, Jr., David T. Marantette, Frederick W. Parker, Jr., Eugene P. Hawkins, Terry W. Kuhn, Walter D. Baldwin, Louis A. Fisher, Arnold D. Freydl, R. T. Johnstone, Fred A. Kaiser, John R. Will, Ross Wilkins, Jr., M. F. McCaffrey, David E. Mitchellson, A. T. Wilson, James McMillan, William J. Croul, Jack M. Cudlip, Chester F. Ogden, Alexander E. LaPointe and Wendell W. Anderson, Jr.

Net effect of the program will be to provide 1,589 acute-care hospital beds, of which 989 will be new, 553 will be relocated and 50—which presently are in obsolete quarters—will be replaced. Participating in the program are seven existing hospitals (two of which will be relocated), one new hospital, the new medical center and several non-medical agencies.

Valley, chairman of the board of National Bank of Detroit, and Russell, executive vice-president of General Motors, said contributions had been received by more than 750 firms, plus several charitable foundations. Gifts generally were based on a formula of \$8 per employee, spread over a five-year period. Valley termed the drive's success "a rousing demonstration of faith in this business community."

**Family Grieves For Lost Beagle**

A boy has lost his dog, "Jeff," a male beagle with black, brown and white markings, has been missing from the William J. Boesch household, 1412 Devonshire, since Tuesday evening, June 26. For more than a week, his master and the whole family have been worrying about him, waiting for him to return. Last week, Mr. Boesch ran an ad asking anyone who had information concerning the dog to telephone. There was one response, and the caller left a telephone number, it was either given or copied incorrectly. Jeff is still missing.

**Car, Motorcycle Figure in Crash**

City police issued a ticket for reckless driving and causing an accident to Edwin Canto, 275 Roosevelt, on Friday, June 22, after a car-motorcycle collision at the St. Clair-St. Paul intersection. Canto, driving a '60 Chrysler south on St. Clair, paused at the stop street, then continued into the intersection without looking both ways. In the meantime, Willie R. Wright, 4124 Burns, Detroit, had ridden his motorcycle half-way across the intersection, going east on St. Paul. Wright's vehicle struck Canto's car, and Wright was thrown to the ground. City police took him to Bon Secours Hospital, where he received first-aid treatment for an injured nose and right leg, and was released. Canto was not injured, but the left side of his car was damaged, as was the front wheel of Wright's motorcycle. Both vehicles were drivable, however, and were removed from the scene of the accident by their owners. Canto is scheduled to appear in Grosse Pointe City Justice Court July 10.

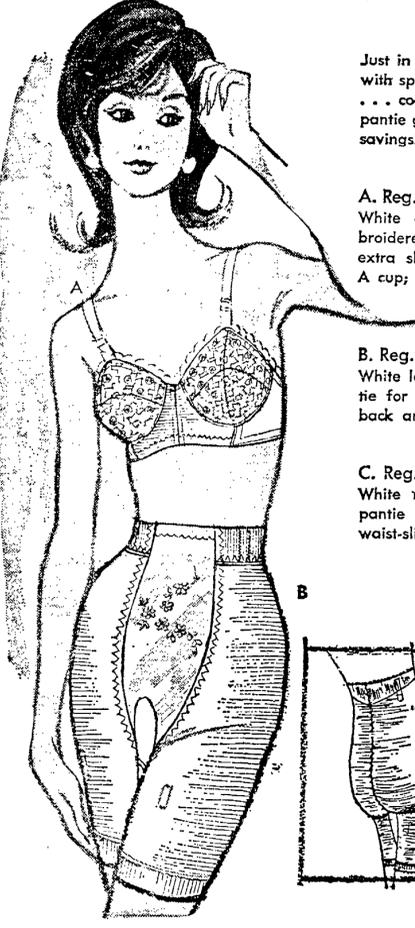

**Swimmer Loses Pass to Park**

Guards at the City park are keeping a sharp watch for anyone who tries to enter on a pass issued to John N. Spain, Jr., 891 Washington road. John told City police on Wednesday, June 27, that his wallet was rifled, the pass and several photos taken, sometime between 11 a.m. and 5 p.m. that day. He had checked his clothes in No. 71 locker. When he returned to the locker room after a day of swimming, he found everything gone. The missing clothes were eventually discovered in the dressing room, but the wallet had been ransacked. Tom Teetaert, on duty at the park, directed the boy to report the incident to City police, who have a complete list and description of the missing articles. TWO BICYCLES STOLEN William Schaefer, 1020 Devonshire, owner of a Firestone red and white boy's 26-inch bicycle, and Patrick O'Grady, 1374 Three Mile, owner of a black 26-inch English racer, reported their vehicles stolen on Monday, June 25. The boys both left their bicycles on the corner of Notre Dame and Kercheval early in the afternoon, shopped for a while in The Village, and returned to find the bikes missing. City police have the matter under investigation.

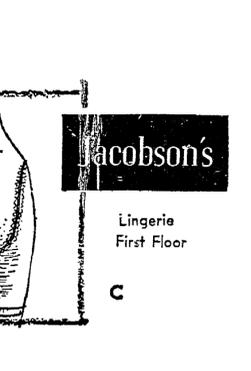

This week, Mr. Boesch is running another ad. It reads: "Will party call again about in-formation who has our dog." The number to call is TU 2-6939.

## Lower Peninsula Offers Motorist Historic Lures

Michigan's lower peninsula is a land of "cross trails" which once zig-zagged across the mighty mitten. Hacked through the forest by Indians, many of these trails today are part of Michigan's lavish network of freeways and state trunklines, but for the imaginative traveler they still add a touch of historic color to the rolling farm and forestlands of this Great Lakes state.

Starting at the southwest border of the state is US-12, the Great Sauk Trail of the Indians which later became the Chicago stagecoach run of the 1800's, stretching from Detroit to Chicago. Today nearly paralleling this highway is the newly-opened freeway, Interstate 94, a 220-mile ribbon of concrete that has made Detroit two hours closer to Chicago than before.

Along this route, either US-12 or M-60 takes the motorist to Niles of the four flags, a town that has been variously under French, British, Spanish and American rule. It was one of the stagecoach stops on the Chicago Pike of the 1830's, and as the site of Fort St. Joseph of 1691 it bears an official marker of the State Historical Commission.

Baldwin's prairie, 23 miles east—still on US-12—is the bed of a long-vanished lake, and six miles east is Motville, from which pioneers shipped lumber to South Bend on the St. Joseph river as early as 1827.

Sturgis is at the junction of the Sauk and Notawaseepp Trails and is the heart of an old-worldish Amish country. Coldwater was a main hideout on the "underground railroad" by which fugitive slaves were aided in escaping to Canada. Forty-four miles east is Cambridge Junction, western gateway to the scenic Irish Hills.

At the junction of the old Chicago and Monroe turnpikes is Walker Tavern, a faded way-side inn for pioneers and stage-coach riders. James Penimore Cooper visited here while mak-

ing notes for his novel, "Oak Openings," and there is a "murder room" in the tavern, site of an unsolved murder during Michigan's early days.

An alternate route east is M-60 from Niles to Cassopolis with its Log Cabin Museum. Three Rivers is on a trail called "Plight of the Shawnee," commemorating an incident of inter-tribal war in the Michigan Territory.

Beyond the bur oak plains of Homer is Jackson, situated at the confluence of several Indian trails and site of the founding of the Republican Party "under the oaks" in 1854.

Another alternate route to Detroit is "old US-12," now a series of county roads closely paralleling I-94. Along this route is Coloma, a Civil War recruiting center Watervliet, an old Dutch settlement; and Hartford, near which are ruins of an Indian Mission and a Pottawatomie cemetery.

Paw Paw and Oostemo lead to Kalamazoo and its Bronson Park where Abraham Lincoln in 1856 made his only speech in Michigan. The park also is the site of an old Indian burial mound.

A few miles east of Kalamazoo is Comstock, where in 1844 an experiment in communal living called "Alphadelphia" was tried and failed. Tiny Galesburg has many historic buildings and was a stopover point on the old Detroit-St. Joseph stage route.

Continuing east from Battle Creek, it is just 10 miles to historic Marshall which almost became the capital of the state and is the birthplace of Michigan's public school system. The Brooks House, a stately example of Greek Revival architecture, marks the location. A runaway slave incident in Marshall (alluded to in "Uncle Tom's Cabin") led to the passage of the Fugitive Slave Law of 1850.

Another route into central southern Michigan is historic US-16 (now paralleled by a modern freeway, I-96 and I-196) linking Muskegon (and other Lake Michigan communities) to Detroit. This was the Grand River Trail of the Indians and explorers, and the Grand River Turnpike of wagon trains and stages. Old wayside taverns, abandoned mills and modern factories mark the transitions of a century.

Michigan's capital city of Lansing is on this highway. The city was established in 1847 with the relocation of the capitol there from Detroit. An historic marker on the east side of the capitol commemorates this move.

Grand Rapids was a fur trade center in Michigan's early days; but during the early Christian era it was a center of the Hopewell Mound-Builders culture. A county park preserves the Norton mound group, and numerous mission and pioneer sites also are marked.

And so it goes, the length and breadth of the state; Michigan exudes an historic charm which blends easily with the supersonic present to offer the traveler vacation fare well-seasoned with the old and the new.

A listing of Michigan's historic points of interest, as well as other travel information, is available from the Michigan Tourist Council, Lansing 26.

Faith builds the bridge that carries the average man over the flood of emergency.

## Awards Won By Cub Pack 96

Cub Scout Pack 96, Grosse Pointe Memorial Church, recently received an award for selling the most tickets in the Lakeshore District, to the Paul Bunyan Scouting Exposition at the State Fairgrounds early in June. A special award plaque was presented to Pack 96 for participation in the Pinewood Derby Event at the Exposition. A \$50 check was also given by the Detroit Area Council of the Boy Scouts of America for highest ticket sales in the Lakeshore District. Sandy Sandt was top salesman and won the special Paul Bunyan cap for his efforts. Another top salesman was Lion Scout Mike Walworth. Pack 96 will use the money to buy a new 50-star American flag and a Church flag.

## Pvt. Eric A. Lindquist Takes Army Course

## Long Distance Swim Date Set

Only two weeks remain until the water of Lake St. Clair will be again churned to the boiling point during the Sixth Annual Grosse Pointe Distance Swim, sponsored by the Metropolitan Club of Grosse Pointe. The swim, approximately two miles, will be on Saturday, July 21, and will start at 2:00 p.m. from the Grosse Pointe Yacht Club and finish at the Farms Pier.

Since the beginning of this annual event in 1957, such well known swimmers as John Chase, John Hammond, Chris Kimball, Don Adamski, Harry Huffaker, and Ed Pongracz have taken a great part in making this swim, the only one of its kind in this area, a standout.

Persons of any age who are residents of any of the Grosse Pointes are eligible for this long distance swim. They must represent one of the five city parks.

Suitable awards will be given to first, second, and third place finishers in the Girls Division, Junior Boys Division, and Senior Boys Division. All others finishing will be given special recognition awards.

All entries must be received at the Farms Pier checkroom or gatehouse on or before 6 p.m. Friday, July 20.

Any additional information may be obtained by contacting Jerry Redloff, Farms Pier at TU 4-9806.

**Reports \$2,500 Ring Missing**  
 Woods police are trying to locate a valuable ring reported missing on Thursday, June 28, by Mr. and Mrs. Robert Chesborough of 1224 Elford court. The Chesboroughs told police that they left the house about 7:30 p.m. and returned about 9:30 p.m. to find the garage door window broken. They said the garage, adjoining the house, had been locked.  
 Mrs. Chesborough said that the next morning, she discovered that her diamond dinner ring, valued at \$2,500, was missing from the shelf of the kitchen cupboard.  
 The item is insured, she said.

 (Continued from Page 1)  
 business growth." The Chamber's proposals provide the greatest proportionate relief to those in the upper income brackets, and would cost the U.S. Treasury \$5.5 to \$7.5 billion per year.

The plan calls for a five percent reduction in corporate taxes, dropping them from 52 to 47 percent, and a whopping 26 percent decrease in top-bracket personal income taxes, now set at 91 percent. Lower bracket levies would also be readjusted, the lowest from 20 percent to an average of 17.5 percent. According to Plumley, a deficit in fiscal 1963, which starts tomorrow, is certain, and the U.S. Chamber of Commerce's tax proposals, for the first time in memory, recommend a deliberately unbalanced Federal budget.

The AFL-CIO warned that business recovery might grind to a halt unless the Administration takes immediate action cutting low and middle income groups' taxes. The union, however, opposes across-the-board cuts, saying they would not provide the "shot in the arm" necessary to stir the nation's economy into faster recovery and a high-r growth rate.

**Farms Neutral In Tax Fight**  
 The Farms council will not expend public funds to combat the taxing of Farms residents working in Detroit, a citizen was informed on Monday, July 2.  
 F. L. Congdon of 436 Barclay, asked the council to disclose what action it is taking to fight the Detroit Income Tax, which went into effect on Sunday, July 1, and what, if anything, is the Farms contemplating in the future.  
 Congdon called the Detroit tax "immoral and indecent", and said that he would rather see the Farms getting the money.  
 He said that the council represents people in the highest income group in the state, including Bloomfield Hills, and asked what plans are being prepared to stop Detroit from collecting the tax from Farms residents working in that city.  
 Mayor William Connolly said that he personally opposed the tax, but to use public funds to test the legality of Detroit's income tax ordinance is out of the question.  
 However, the mayor said, the council will keep in touch with developments, and if anything can be done to help Farms citizens, the council will take the necessary steps.

Communist China has been steadily increasing its military strength opposite the Nationalist-held islands of Quemoy and Matsu, but the absence of landing craft necessary for an offensive action seems to confirm the "defensive" interpretation of the buildup.  
 Chiang Kai-Shek, thinking that conditions on the mainland were ripe for an invasion, recently asked Washington for permission to launch an attack, as he was required to do under the terms of 1954's Formosa-U.S. defense pact. The Kennedy Administration denied Chiang's petition, refusing to believe that a token landing would trigger a mainland revolt, but Red China, on hearing that Chiang had contemplated such an invasion, immediately began the buildup opposite Quemoy and Matsu. Some observers are of the opinion that Peking may use Chiang's "invasion threat" as an excuse to attack Quemoy and Matsu, eliminating them once and for all as a "jumping off place" to the mainland, and may even attack Formosa itself in an all-or-nothing attempt to remove the constant shadow

**Exchange Club Set to Install**  
 Charles R. Reinowski will be installed as president of the Exchange Club of Grosse Pointe next Tuesday, July 10, at the Club's regular meeting in the War Memorial Center.  
 Other newly-elected officers slated to begin six-month terms include Kenneth W. Carter, vice-president; Robert W. Scoville, secretary; Gordon W. Roeglin, treasurer; and Board of Control members Robert H. Hawkins, William T. Clement and Raymond J. Lynch.  
 John Zolad, retiring Exchange president, and Bill Berno represented the Grosse Pointe organization recently at the State convention in Cadillac. Robert Regner was elected to the State Board of Control.

**Voters' Guide Made Available**  
 A Voters Guide for the August 7 primary election will be available in Grosse Pointe, according to Mrs. Edward Cox, Chairman of Voters Service of the League of Women Voters of Grosse Pointe.  
 The Guide will include candidates for state and county offices.  
 The final day for registering to vote in the August 7 primary will be Monday, July 9. Registration may be made by application to the Clerk of the City, Village, or Township of one's legal residence.  
 Absentee ballots will be available at the office of the City or Township Clerk after July 18 and may be applied for in person or in writing, up to 2 p.m. on Saturday, August 4. The completed ballot must then be returned to the Clerk's office anytime up to 8 p.m. on election day.  
 A citizen of the United States is qualified to vote if he is 21 years of age, a resident of the state for six months and a resident of the city, township, or village for at least thirty days prior to election, and is properly registered.

**Club Day Camp Gets Under Way**  
 The Neighborhood Club summer Day Camp is off to a wonderful camping trip around Michigan.  
 The camp is divided into four groups — the Vagabonds led by Marion Dettlinger; Rovers with Carol Currin as head camper; Ramblers with Charlene Schlitt in command and the Nomads led by Ann Salisbury.  
 Special event Friday, June 29 was a glider contest.

**Diver Injured At City Pool**  
 City police officers Duncan MacEachern and William Waldecker, Jr., took Scott Hamilton, 16, of 16825 Cranford lane, to Cottage Hospital early Thursday evening, June 28.  
 The boy dove from the high diving board at Neff Memorial Park and hit bottom, cutting the top of his forehead deeply and bruising his face. When admitted to Cottage, he also complained of a sore neck.

Little League Results

WOODS-SHORES

By Max S. Crowder
In just two weeks the 1962 Little League season in the Woods-Shores will be history.

LEAGUE STANDINGS

Table with columns: Team, W, L, Pct. Rows include Braves, Cardinals, Pirates, etc.

The Braves extended their second half streak to six wins against no losses, by thumping the Pirates 5-0, behind an almost perfect performance by left-hander George Griffin.

Columbus

With the start of the third round, "away go those Giants"—Tuesday, 4-1 over the Reds; Wednesday, 4-2 over the Indians; and Friday, 8-1 over the Yankees in a one-hitter pitched by Jim McFarlane.

On Monday, Bart Kennedy, Seattle, pitched a spectacular no-hitter and with only two walks, over Hollywood to win 3-1.

On Monday with Columbus over Rochester, 28-10, "Chips" Dixon made a really spectacular catch in right field.

Three Club Swim Teams Starting Active Season

A season of progress towards the goal of swimming excellence appears to be the prospect for the three Grosse Pointe teams in the Michigan Inter-Club Swimming Association.

Lochmoor Club and Century Club of Detroit are entering their third seasons under the direction of Coach Roy Poulliot and Coach Hal Willard, respectively, and are continuing their upward climb in swimming circles.

Lochmoor has made great progress in the last two seasons. Coach Roy Poulliot saw season with the winning of the dual meet championship of the White League division of the Inter-Club Championships.

Lochmoor promoted
This season Lochmoor has been promoted from the White League to the tougher Blue League for dual meet competition.

Babe Ruth League

This week saw more excitement in the league when Steve Harms of the Red Legs came through with another excellent performance, pitching a no-hitter game against the Sox to defeat Lee Haller 7-2.

The Cards continued their slump as Chuck Kretschmer their pitcher absorbed a 9-7 loss to the Sox.

Standings for the Week
Cards 2 0
Red Legs 1 1
Indians 1 1
Yankees 1 1
Bosox 1 1
Phillies 0 2

Had Good First Year
Last season was the first for the Country Club as a full member in the Inter-Club League.

### Couple Speak Vows in Christ Church, Cranbrook with Reception in the Birmingham Home of Bride's Grandparents; Will Live in Harcourt Road

In Christ Church Cranbrook Saturday afternoon Henry Bourne Joy III, son of the Henry B. Joys, of Provençal road, claimed Patricia Jean Shile, daughter of the Edward E. Shiles, of Birmingham, as his bride.

For the rites the bride chose a cameo ivory peau de soie gown accented with Alencon lace, pearls and iridescent paillettes. Garlands of the jeweled lace embellished the bell shaped skirt which fell into an empress train.

A wide petalled rose caught her bouffant illusion veil and she carried stephanotis and ivy centered with a white orchid. Carrying white delphinium and blue cornflowers was the maid of honor Susan Shile, the bride's sister. Her cornflower blue silk sheath had a petal overskirt and she wore a wreath of corn flowers, white delphinium and ivy in her hair.

Dressed like the honor maid were the attendants Josephine Joy, Nancy Knorr, Jane Ensign, D. Lynn Dawson and Sally Wenzel, of Lees Summit, Mo. Leigh Tracy Scott the bride's cousin was flower girl in a white organdy over blue frock with a small bouquet like the attendants. George N. Monro IV was best man and in the usher corps

The bride's grandparents, Mr. and Mrs. E. Ray Shile, were hosts at the reception following the ceremony in their Birmingham home.

The bride's mother greeted guests wearing a pale pink chiffon and pink lace gown with matching accessories. Mrs. Joy was in a pink silk sheath. When the couple left on their wedding trip the bride was wearing a three piece beige silk suit with matching accessories. After a motor trip to the Seattle World's Fair they will make their home in Harcourt road.

## Mr. Iacobell Claims Bride

In Our Lady Queen of Heaven Church Saturday Frank P. Iacobell, son of Dr. and Mrs. Peter H. Iacobell, of Lakeshore road, claimed Glenna Gaye Blevins, of New Richmond, W. Va., daughter of the late Mr. and Mrs. A. B. Blevins as his bride.

The bride wore a silk peau de soie gown with an Alencon lace bodice on princess lines. A matching pill box caught her bouffant silk illusion veil and she carried white orchids and stephanotis with her rosary. Rosemarie Aciero was maid of honor and the bridesmaids were Eileen Rice, Belva Kiser and Helena Powers, all of Washington, D.C., and Jane Hildreth, of St. Clair Shores.

On the esquire side were Lucian Iacobell, Paul Becker, of Baltimore, Md., Alvin Powers, of Washington, D.C., Robert Aciero, and Stanley Kubicki. A reception at Lochmoor followed the ceremony.

OUR FLAG

With a smile on your lips, prayer in your heart Gaze towards the rising sun. Where high in the air, proud those stars and stripes Fearless still weather the storm. It's the same old flag our fathers hailed Swaying in the morning light. While tilling their dark rich ground You guard their firesides. Cornfields, meadows, mountaintops Crowned with dusty pines Caves sleep down in the dark earth Where coal, our black gold is mined. Brooks gaily hurry on Swift over hard rocks spring To meet the mighty ocean waves Whose booming voice of adventures ring. You stars and stripes always welcomed To this our great blessed land Strangers begging for refuge To escape the cruel dictator's and Guard sacred freedom, keep flying high Proud over our trees Homes blessed by this unscen hand Lord help to keep our country free. Send your heavenly star to brighten every heart in despair And where our flag's stars are flying, let there be heralds of peace everywhere.

Letters to the Editor

To the Editor: We Americans are accused of becoming a nation of spectators. If so, we are certainly vocal ones. We applaud, we cheer, we boo, we whistle, we scream, we sing our Alma Maters with gusto. Millions and millions of people gather each year to watch every kind of sport or public event, most of which are officially opened with our National Anthem. But do we sing it? No. There is a piped-in organ rendition or an orchestral version, or a well-known professional singer. The audience observes the proper re-

## From Another Pointe of View

By Patricia Talbot

Carol Dunwoodie, daughter of the Robert Dunwoodies, of University place, has been accorded a royal welcome in England where she has been visiting these past few weeks with Joan Scott, of Jackson.

The two girls were guests at Joan's cousin, Barrie's coming of age party in Worcester, a ball under a marquee in the gardens of their hosts, the A. A. Maxwells, of Worcester. They were received by the mayors of Gloucester, Worcester and Hereford at a reception in the guildhall and inspected the city charters which are only brought out usually for royal visits.

The Bishop of Worcester received the two girls at his home in Hartlebury Castle and they made a flying visit to Scotland to see Drumlanrig castle where Carol's Scotch great grandparents lived. They also toured the Lake district, the Sir Walter Scott country and Edinburgh as well as Durham and York.

After the English visit, the girls will tour Switzerland, Austria, Italy and Germany before returning home in September.

### Goodbye to Cincinnati

Back in Grosse Pointe after four and a half years in Cincinnati are Mr. and Mrs. Peter Paddock, who have moved to a home in Grand Marais boulevard.

Last week the Paddocks entertained her mother, Mrs. Frederick S. Gilbert, of New Canaan, Conn., and her stepdaughter, Annis. Mr. Gilbert joined them over the week-end.

On Tuesday the Paddocks welcomed a quartet from Cincinnati, the Bradford von Weises and the William Santens. Then the Paddocks left with their guests for a long week-end at Harbor Point, where the von Weises have a summer home and were entertaining a group from Cincinnati.

Last Thursday Mr. and Mrs. Paddock were honored at a welcome back cocktail party by his parents, the Benjamin Paddocks, of Ridge road.

In Christ Church Saturday, ANN LITTLEPAGE MACAULEY, daughter of the Alvan Macauleys, Jr., of Kenwood road, was married to Mr. Watson of the Harrison T. Watsons, of Lincoln road.

## Dance Ends Deb Season

Cynthia Beeman and Diana Maiullo shared honors last Wednesday as the 1962 debutante June season came to a close.

Mrs. Ellsworth R. Beeman, of Lakeland avenue introduced her daughter at a luncheon at Lochmoor. The buffet and small tables were covered with white cloths and centered with arrangements of yellow and white flowers.

Cynthia wore a white linen dress with a bolero top and sashed in turquoise. She carried her father's gift bouquet of stephanotis. Mrs. Beeman's dress was a short champagne shantung sheath trimmed in satin.

The University Club was scene of the tea, dinner and then dance at which Diana Maiullo was presented by her parents, the Joseph A. Maiullos, of Moran road.

The afternoon tea table was covered with an heirloom Italian lace cloth and centered with a silver bowl filled with pink and white flowers.

Diana wore a pale pink organza gown with a full bell skirt. She carried pink and white roses and blue bachelor buttons. Mrs. Maiullo chose a pale peach hand embroidered organza gown and wore the imperial jade jewelry which her mother, the late Mrs. John O'Connor, had given her for her own debut.

WINS, of Cadieux road, are spending the summer at their farm in Tunbridge, Vt. Mr. Baldwin is at present on a tour of duty with the Army at Ft. Leonard Wood, Mo., as executive officer of the 330rd Regiment, 70th Infantry Division. He will return to Detroit in mid-July and join his family in Vermont in August.

## Watson-Macauley Vows Exchanged

Bride Wears Brussels Lace from Mothers Wedding Gown for Rites Saturday in Christ Church; Reception in Home of Dr. and Mrs. J. Stewart Hudson

Belgian lace from her mother's wedding gown and her grandmother's Duchess lace veil were worn by Ann Littlepage Macauley, when she spoke her wedding vows Saturday to Charles Francis Michael Watson

The daughter of the Alvan Macauleys, Jr., of Kenwood road, carried a bouquet of stephanotis and Eucharist lilies with her de-heirloom gown, which was signed with a low rounded neckline, a cummerbund of rosepoint lace and a cathedral train. Her long veil was worn madonna fashion.

Mrs. Arthur J. Thomson was her sister's matron of honor and the bridesmaids were Michael Ann Mullen, Karen Christensen, Josephine O'Brien and Mrs. James R. McKenry, of Virginia Beach, Va.

They wore short dresses of blue Italian silk with high, wide necklines and A-shaped skirts. Their bouquets were of white carnations and ivy.

The maid of honor, Mary Macauley, wore a similar dress in gold and carried blue delphinium. All the attendants

wore ivy wreaths in their hair.

Harrison T. Watson, Jr., of New York, was his brother's best man. They are the sons of the senior Watsons, of Lincoln road. In the usher corps were James J. Trudell III, John W. Wressell, R. Scott Daugherty, Arthur J. Tomson, John McCaffrey, Edward Sisson, Michael Rollins and Joseph Schwarz.

The bride's godparents, Dr. and Mrs. J. Stewart Hudson, of Lohrop road, gave the reception in their gardens. Round tables were covered with yellow and peach cloths centered with white grill work baskets filled with ferns.

For her daughter's wedding Mrs. Macauley chose a floral chiffon dress. Mrs. Watson was in a dahlia blue raw silk and Alencon lace gown with a matching floral hat.

After their wedding trip the newlyweds will live in East Jefferson avenue.

## Newlywed Warrens Honeymoon in North

Former Ann Kirk Haggarty Speaks Vows Saturday in Our Lady Star of the Sea Church with Reception Following in Renaud Road Home

A reception in her Renaud road home followed the Saturday wedding of Ann Kirk Haggarty, daughter of the George Haggartys, and William Gerald Warren in Our Lady Star of the Sea Church.

The bride wore white silk organza gown fashioned with a bateau neckline and detachable square chapel train. Appliques of Alencon lace accented the belled skirt and bodice. A spray of net leaves caught her bouffant veil of illusion and she carried white roses and stephanotis.

A. Petrie, of Cleveland, the bride's sister. Edward L. McDermott was best man for the bridegroom, who is the son of Mrs. W. Grant Warren, of McMillan road, and the late Mr. Warren. Ushering were Joseph F. Maycock, Jr., and George A. Haggarty, the bride's brother.

The mother of the bride wore a white imported Irish linen dress appliqued with white satin roses and white beads. Mrs. Warren was in teal blue with white accessories. For traveling to Northern Michigan the bride wore a navy blue and white costume suit with navy accessories. They will make their home in East Detroit. Kenyon and Mrs. John

Trip Through New England Follows Saturday Ceremony in Grosse Pointe Memorial Church; Newlyweds Will Live in Schenectady, N. Y.

A trip through New England followed the Saturday rites which joined Mary Grace Young and Robert Alvin Lorenson in marriage at Grosse Pointe Memorial Church.

The daughter of the Henry Sheene Youngs, of McKinley avenue, wore her sister's wedding gown of ice blue peau de soie designed with an Alencon lace bodice, bell shaped sleeves and a chapel train.

A circlet of tiny flowers caught her illusion veil and she carried miniature white carnations, orchids and stephanotis.

Mrs. Philip Johnson, Jr., of Syracuse, N.Y., was her sister's matron of honor. Bridesmaids were Jane Whitmore, of Sumner, Ia.; Patricia Field and Sue Schutte.

They wore aqua silk gowns with chiffon overskirts and carried miniature pink carnations.

David Arthur Lorenson, of Marmora, was best man for his

brother. They are the sons of the C. Alvin Lorensons of Marmora, Ont. Ushering were James Young, the bride's brother; Richard Lasher, of Troy, N.Y., and Peter Van Esch, of Syracuse.

Mrs. Young chose an imported beige silk sheath and flowered hat for her daughter's wedding and reception in the church Fellowship Hall. Her flowers were pink cymbidium orchids.

Mrs. Lorenson was in a white embroidered linen sheath with a white pillow hat and pink cymbidium orchids.

When the newlyweds left for their wedding trip the bride was wearing a jacketed beige linen sheath with beige accessories. The couple will live in Schenectady, N. Y.

Pair Speak Vows Saturday in St. Paul's on the Lakeshore with Reception Following at the Detroit Yacht Club; Pair Traveling to Canada and East

A Papal Blessing was read at the Saturday ceremony in St. Paul's on the lakeshore which united Sarah Ann Marie La Ponsa and John Louis Bowles in marriage.

The daughter of the Peter Alfred La Ponsas, of Stephens road, wore a crystal white duchess taffeta gown fashioned on Renaissance lines with an Alencon lace bodice, a sabrina petalled neckline and an empress train.

Her long tiered veil of illusion was gathered by a court cap of mousseline de soie and jeweled lace. She carried her mother's silver rosary with white roses, stephanotis and ivy.

Maria Digiovanni was maid of honor in a shell pink linen sheath accented with deeper pink roses at the empire waist and a matching court cap. She carried deeper pink roses with white roses and ivy. Dressed like the honor maid were the bridesmaids Mrs. Eugene Bowles, of Scarborough, Ont., sister-in-law of the bridegroom; Marilyn McMillan, cousin of the bride, and Shirley Young, of Toronto, a cousin of both the bride and bridegroom.

Bernard Bowles was his brother's best man. They are the sons of Mr. and Mrs. Louis Bernard Bowles, of Scarborough, Ont.

Ushering were another brother, Eugene Bowles, James Mahoney, of Toronto, and Kenneth Ross, of Chatham, Ont.

Mrs. Harry T. Echlin

In St. Paul's on the lakeshore Saturday, MARGARET ANN NIGRO, daughter of the Ray Nigros, of South Oxford road, was married to Mr. Echlin, son of the Lewis H. Echlins, Jr., of Merriweather road.

Mrs. George A. Schulte, Jr.

In Our Lady Star of the Sea Church Saturday, CAROL THERESA KIEFER, daughter of Edgar F. Kiefer, of Wedgewood drive, and the late Mrs. Kiefer, was married to Mr. Schulte, son of the senior Schultes, of Harvard road.

## Carol Kiefer Weds George A. Schulte, Jr.

Pair Speak Vows Saturday in Our Lady Star of the Sea Church with Reception at Grosse Pointe Yacht Club; Newlyweds Travel to Nassau

Carol Theresa Kiefer, daughter of Edgar F. Kiefer, of Wedgewood drive, and the late Mrs. Kiefer, was married Saturday in Our Lady Star of the Sea Church to George Anthony Schulte, Jr., son of the senior Schultes, of Harvard road.

For the rites the bride wore a gown of silk organza with Alencon lace. The open neckline of the fitted bodice was outlined in lace and appliques of lace trimmed the bouffant skirt.

A rose petal cap held her elbow length veil of silk illusion and she carried a white orchid and stephanotis with her prayer book.

Janet Lee Morketter was the honor attendant and the brides-

maids were Barbara Jean Kiefer and Mary Ellen O'Brien. They wore pale blue organza trimmed with white lace and floral wreaths in their hair. Their bouquets were of yellow daisies, carnations and ivy.

Joseph Schulte was his brother's best man and the ushers were James Racine, William Kiefer, and Ronald Morketter.

Following a reception at the Grosse Pointe Yacht Club the couple left for Nassau. They will live in St. Clair Shores.

## Pointe Teacher Wed In Milwaukee Rites

Katharine Sue Kinne Married Robert D. Law, Jr., Saturday in St. Mark's Episcopal Church in Laurentians Will Live in Dearborn

A former teacher in the Grosse Pointe School System, Katharine Sue Kinne, became the bride of Robert D. Law, Jr., son of the senior, of Maryland avenue, Saturday in St. Mark's Episcopal Church, Milwaukee.

The bride, daughter of Horace M. Kinne, of Milwaukee, and the late Mrs. Kinne, wore a silk mist taffeta gown fashioned with a scooped neckline, oblique and chapel train. White silk organza petals edged in seed pearls caught her illusion veil and she carried butterfly orchids.

stephanotis, and ivy. Margaret Kinne was her sister's maid of honor and the attendant was Susan McKown. They wore yellow silk organza and matching veiled bows. Their bouquets were of white caisies.

Bruce B. Allen, of Chicago, was best man and the ushers were James M. Allen, of Chicago, and William Allen, of Chicago. (Continued on Page 20)

Mrs. John Louis Bowles

In St. Paul's on the lakeshore Saturday, SARAH ANN MARIE LA PONSA, daughter of the Peter Alfred La Ponsas, of Stephens road, was married to Mr. Bowles, son of Mr. and Mrs. Louis Bernard Bowles, of Scarborough, Ont.

Mrs. Robert D. Law, Jr.

In St. Mark's Episcopal Church, Milwaukee, Saturday, KATHERINE SUE KINNE, daughter of Horace M. Kinne, of Milwaukee, and the late Mrs. Kinne, was married to Mr. Law, son of the senior Laws, of Maryland avenue. The bride is a former teacher in the Grosse Pointe School System.

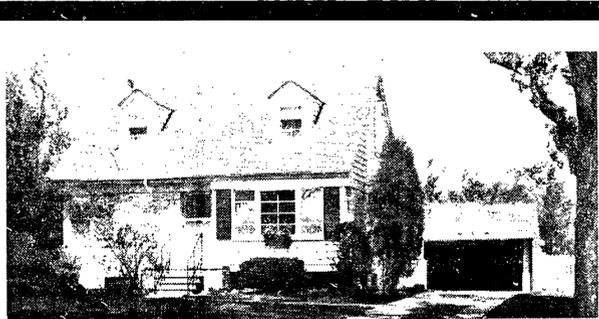

### Detroit Garden Club To Meet on July 11

Members of the Detroit Garden Club will meet for a picnic luncheon at 12 noon next Wednesday, July 11, in Grosse Pointe Shores' George Osius Park. The afternoon program will be devoted to reports on the recent State convention.

### SWIMMER HURT

Hallis Moody, 17, of 1411 Beaconsfield, cut her left foot while swimming in the pool at the waterfront park at the foot of Alter road on Saturday, June 29. She was taken to Bon Secours Hospital by Park police ambulance for treatment and released.

The political pranz which nobody seems to want is the joy of balancing the budget.

State:

**TILT**—Two girls in an adjoining building stare at a scaffold dangling gruesomely high on the Empire State Building in New York. The scaffold tilted when Walter Palmer, 60, opened the wrong clip on the line holding it up. He slid 80 feet down the line and was hauled to safety through an 11th-floor window. His co-worker, Michael Merren, 56, held on to the upper end of the scaffold until he was pulled to safety through an 18th-floor window.

**PRESIDENT'S BIGGEST LEGISLATIVE VICTORY**—These three House Democratic leaders gave President Kennedy his biggest legislative victory, a thumping, 298 to 125 passage of his hotly-disputed trade expansion bill. The bill, still facing Senate action, gives the Chief Executive greater tariff-cutting power. The three are (from left) Reps. Hale Boggs, La., whip; Wilbur Mills, Ark., floor leader for the bill, and Carl Albert, Okla., majority leader.

**ON TRIAL AT HIS OWN REQUEST**—Texas tycoon Billie Sol Estes (right) walks from the courtroom in Pecos, Tex., during a break in his trial on charges of stealing \$827,577 in fertilizer tank deals. He was brought to trial on the eight-count indictment at his own request. His brother, Word Estes, is walking with him.

**SUPREME COURTING**—Washington observers are expecting Secretary of Labor Arthur J. Goldberg (left) to be appointed to the United States Supreme Court by President Kennedy when Justice Felix Frankfurter, 79, retires. They also expect Undersecretary of Labor Willard Wirtz (right), to succeed Goldberg in the top Department of Labor post.

**YOUTH ADMITS 'MAD' KILLING OF GIRLS**—Breaking down after 16 hours of questioning, Jerrill Ray Howell, 200-pound, six-foot 18-year-old, confessed he kicked and beat two little girls fatally because he got "mad" when one of the girls resisted his sexual advances near a stream in Mansfield, O. The victims were Connie Lynn Hurrell (top), 7, and Jean Marie Bertoch, 9. Howell, released from Boys Industrial School in Lancaster, O., last February after serving a term for molesting a 12-year-old girl, was charged with two counts of first degree murder.

**RECESS**—Billie Sol Estes' attorneys, John Coffey (left), Hume Coffey (center) and John Dennison leave Reeves County Courthouse in Pecos, Tex., for a brief recess in Estes' trial on state charges that he bilked a farmer out of \$162,144.

**MISS ISRAEL 1962**—Judith Mazor puts in at New York International Airport after arriving from Tel-Aviv, Israel. She will represent the State of Israel in the forthcoming Miss Universe competition to be held in Miami Beach, Florida.

**WHAT'S THE DELAY?**—En route to new parents in Massachusetts, Wong Ching Sun, one of 49 orphans from Hong Kong going to new homes in the U.S., sets off a howl at a stopover in Los Angeles. Arrangements were made by WAIF, the inter-country adoption program that has helped find new homes for more than 10,000 orphans since it was founded in 1954 by Jane Russell.

**DEFENDS ENTERTAINERS**—Comedian Joey Adams, president of the American Guild of Variety Artists, tells the probing Senate Rackets subcommittee in Washington that he believes with all his heart that AGVA's membership measures up to the highest standards of decency, morality and patriotism. He said it is the fault of the FBI, local law enforcement authorities and state liquor boards if certain night clubs harbor vice.

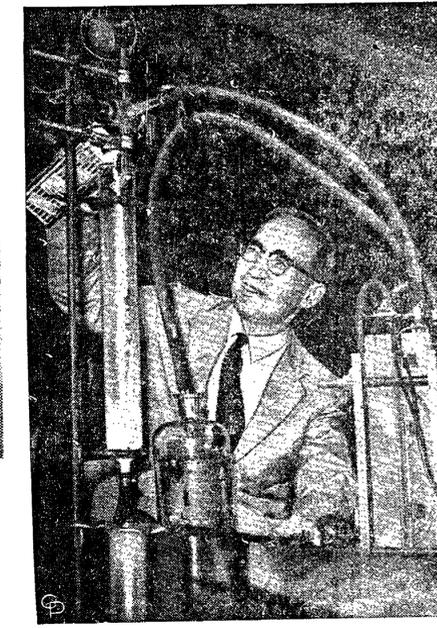

**PREMIER PARTY**—Romy Schneider, one of the stars of "Boccaccio '70", and Carlo Ponti, producer of the picture, look at a telegram she burned at a New York restaurant after the premiere of the film. Ponti and his actress-wife, Sophia Loren, who stars in the movie, have been ordered by Rome magistrates to stand trial on bigamy charges because of their Mexican proxy marriage.

**PRINCESS ROYAL IN CANADA**—Mary, the Princess Royal of Great Britain, visits Ottawa while on a three-day stay in Canada. The only daughter of the late King George V also planned a stop in Quebec before she returned to London.

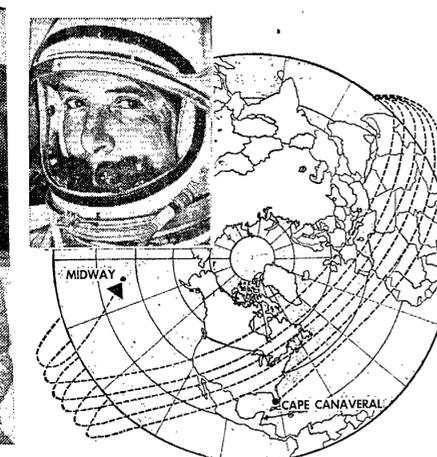

**A HUG FOR A HEROINE**—David Gamble, 3, of Chattanooga, Tenn., and his best friend, boxer Bup-Pup, exchange a hug for a kiss after the boxer turned tiger and fought a battle to the death with a rattlesnake that had threatened David. The dog barely survived three snakebites.

**DECONTAMINATING MILK**—A new device for removing radioactive contamination, including Strontium 90, from milk is demonstrated by research chemist Dr. Harry P. Gregor at the Polytechnic Institute of Brooklyn, N.Y. An electric current draws the radioactive materials via membranes which allow only positive ions to flow through.

**OUR 'STAUNCHEST' ALLY**—In the United States for a series of meetings with U. S. leaders to lead to a better understanding between the two countries, Emmanuel Pelaez, vice president of the Philippines, tells President Kennedy the Philippines is "stauncheest" of U.S. allies in Southeast Asia.

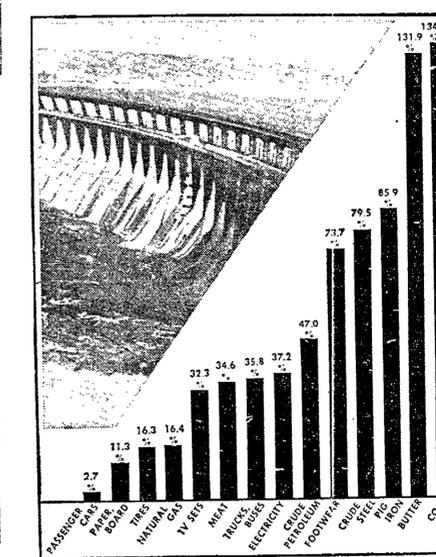

**LARGE RECOVERY FLEET WILL BE NEEDED**—When American astronaut Walter M. Schirra, 39-year-old Navy commander, orbits Earth six times late this summer, NASA, the Navy and the Air Force will have to mobilize a large recovery fleet, because he will be landing in the Pacific Ocean, about 300 miles northeast of Midway.

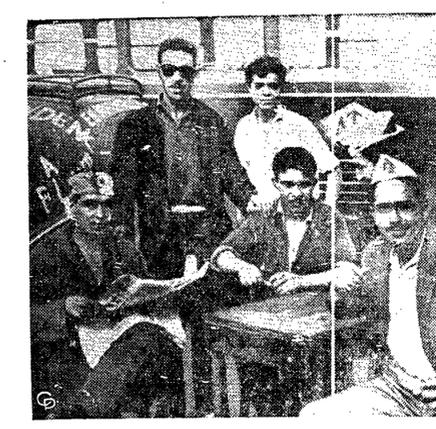

**FEEDING AN ORPHAN**—One of four baby parakeets orphaned when their mother died is fed with a doll baby bottle by Dixie Lee Heafner, 17, in Paramount, suburb of Los Angeles.

**NEW SURGICAL 'COLD KNIFE' EXHIBITED**—Using a radically new surgical freezing technique called a "cold knife," Henry J. Smith, Union Carbide engineer, creates a tiny ball of frozen gelatin on the tip of a steel tube at the American Medical Association convention in Chicago. The "cold knife," which freezes and destroys brain tissue, has been used to treat Parkinson's and other diseases successfully.

**U.S. STILL OUT-PRODUCING U.S.S.R.**—The United States again out-produced Soviet Russia last year, according to a National Industrial Conference Board's "Road Map of Industry" chart. The Soviets (that's their famed Dnieper Dam in the background) outclassed us only in the production of butter and coal, the latter because we rely more on oil and gas for fuel.

**MOSLEMS SHOW ALLEGIANCE IN ALGIERS**—Moslem workers wear the crescent and star insignia on their caps in Algiers to show allegiance to the rebel nationalist FLN. Meanwhile, Secret Army Organization terrorists continue to bomb targets in Algiers and the port of Oran. The latter city, where an estimated 150,000 persons from the original European population of 300,000 have left for France, was recovering from the terrorist act here that raged through a railroad oil storage area.

By Pat Talbot

While James E. Pittman was building up his coal and coke business in the mid nineteenth century his heart was with the army. He fought for Texas when that country was struggling for independence from Mexico and led Michigan's drive for troops during the Civil War.

He was born in Techumseh, Mich., September 5, 1826 of English and Quaker ancestry. His father had originally been a Philadelphian but had pioneered in Kentucky before coming to Michigan. In 1834 the family moved to Austin, Tex., where the father fought against the Mexicans but found life in Texas not to his liking. The family returned to Tecumseh.

James attended the University of Michigan and then entered a grain merchant's house in Detroit. When the Mexican War came in 1848 he was among the first to enlist in the famous Brady Guards, which later became the Detroit Light Guard. He served under Col. Alpheus S. Williams and marched with the regiment to Cincinnati where the men boarded boats for the long trip down the Mississippi. The Brady Guards served under General Bankhead, (an ancestor of the redoubtable Tallulah), at Vera Cruz and Cordova.

After the war and back in Detroit Pittman entered into a partnership with Edmund Trowbridge as a merchant and in 1855 established his coal business with Dr. E. M. Clark. Dr. Clark subsequently left to make the Grand Tour of Europe and his partner bought him out and continued to expand the business until 1885 when he abandoned coal and coke to become Detroit's Superintendent of Police.

Because of his Mexican War experience and his friendship with Gen. Williams, when Lincoln called for troops in 1861, Pittman was immediately consulted by Governor Blair. As a result of this conclave Gen. Williams was appointed to organize troops for the state and Pittman was named a staff officer, later paymaster, with the rank of colonel. He served as second in command of the quickly organized officer's school at Fort Wayne and when Williams left for the front was appointed Inspector General. In 1865 he was in Washington with Governor Crapo to watch the return of the victorious Union Army.

Today in Grosse Pointe two descendants of the coal and coke baron continue the family tradition, Lansing M. Pittman and Amy Pittman Whitehead.

The national Powder Puff Derby, which involves some of the nation's most skilled aviatrixes, will be exciting event of this week-end and Mrs. Donald E. DuPerow, of South Oxford road, has a special interest. She will fly to California this week with her sister, "Sammy" Mackay, who will enter the West Coast to Delaware marathon this Saturday. After wishing her sister luck at the take-off Mrs. DuPerow will visit on the coast.

On Saturday, July 14, members of the English Speaking Union in the Pointe, headed by the Mark Stevens, will gather at the Grosse Pointe High School at 8 o'clock in the morning. They will board a bus which will take them to Stratford, Ont., to see at the Shakespeare Festival, "The Tempest" and "The Taming of the Shrew". Big event of the evening will be dinner with British star Christopher Plummer.

The famous Black Horse Troop of Culver Military Academy will have an alumnus instructor this summer John Lafer, son of the James A. Lafers, of Oxford road, who was graduated from the troop in 1960 and the academy, will report at Culver to teach equitation to the cadets until August.

The audience which attended the premier of "Advise and Consent" for the Tribute Fund of the United Foundation last week at the United Artists were delighted with producer Otto Preminger's on stage long distance call to Senator Phil Hart in the cloakroom of the Senate. . . . ### PILFERINGS

Asked how his countrymen distinguish between an optimist and a pessimist a German replied, "It's very simple. The optimists are learning English; the pessimists are learning Russian."

An American youngster was fascinated by London's double decker buses. "Ours", he explained, "are all ranch type."

A tourist stopped to ask the distance to Smithville. Came the reply: "it's 23,966 miles the way you're goin', but if you turn around, it aint but four."

The great turn of the century author Henry James was praising the work of a fellow author to his friend William Dean Howells. "You are very kind to him", said Howells, "for he says some very unpleasant things about your work."

were Frederick E. Metry and Clark Handley, of Royal Oak. For her son's wedding and reception at the Woman's Club of Wisconsin, Mrs. Law wore a rose beige lace gown with blending accessories and a white orchid.

When the newlyweds left for the Laurentians the bride was wearing a mint green sheath with harmonizing accessories. They will live in Dearborn.

### Reports Attempt To Enter Home

Jarvis Harriman, 333 University, told City police that someone attempted to break into his home sometime between June 23 and June 24.

Harriman discovered that the screen door opening into the kitchen in the rear of the building had been deliberately cut, but apparently the prowler did not succeed in gaining entry, as nothing inside the house was disturbed.

## Pointer of Interest

SUSAN HYKES, OF RIVARD BOULEVARD

by Patricia Talbot

Ten hours a day under the sun and in the water when you are getting paid for it is about as ideal a job as a college co-ed could find, and Susan Hykes is in this enviable position. As one of the two regular girl life guards at the new City Park pool she keeps watch over the tots and enjoys all the benefits of resort life.

Susan has had several seasons of experience for her job. When she was still at the Grosse Pointe High School the lithe, brown-haired miss with the enchanting smile superintended a small day camp at the City park for six small girls, taught swimming to private pupils. She was a camper of some skill herself at Cavell, Metamora and Camp Stonycraft, has her senior life saving certificate and is an accomplished water skier.

### Long Day on Guard

Her day at the park begins at 9 or 10 in the morning and she closes up the bath house at 10 in the evening. She shares duties with Joanne Phillips, a Michigan State student, and five boys, Tom Teetaert, Bill Haynor, John Johnson, Steve Selander and John LeBlond. Paul Wheeler, who is the high school swimming coach in the winter, and is teaching at the park this summer, hired them all.

"There were lots of applications. I thought my experience would be the deciding factor but I really believe it was because I was tall," admits Susie.

Susan was a counselor at a camp in Maine a few seasons ago and last summer worked as a waitress aboard the Aquarama, Detroit's luxury lake cruising ship.

### Half Hour Shifts

The guards at the park take half hour shifts on their perches above the new regular pool and beside the baby pool. Since she began early in June Susie has made no heroic rescues but she has pulled some spluttering tots from over their depth and wields her whistle to warn youngsters who are apt to wander beyond their strength.

In the morning she teaches three classes for beginners, non-swimmers and intermediates. After the park closes in the evening the least attractive part of her job calls. The guards

must clean the spanking new pool and bath house, hosing down the floors and clearing the drains.

Although the hours are long Susie believes she has ideal working conditions among her friends beside beautiful Lake St. Clair. In the fall she will return, a richer girl, to her studies at the University of Michigan where she is studying to be a high school English teacher. The guards at the park earn \$1.25 an hour, a munificent sum for teenagers.

### Delivers Hot Meal

Since there is no food served at the park, Susie must bring her lunch and her parents, Mr. and Mrs. Paul Hykes, or brother, Greg, bring her a hot meal in the evening. Now that the guards have worked out a schedule with three stand-bys, Jack Teelaert, Mark Lonesk, and Jean Cook, there will be more time off for Susie's favorite sport, water skiing, and a few evening dates.

The guards have to keep on the alert for these hot days the new park pool is crowded to capacity. A few Sundays ago 2500 used the park facilities and stretched the guards' care to the utmost.

In her leisure hours at home Susie is reading for a survey English course she will take this fall, and keeps on with her knitting. She will return to Ann Arbor soon after Labor Day to participate in orientation week for freshmen as a representative of her sorority, Kappa Alpha Theta.

The future holds a teaching position for Susie, which she would like to find in the Pointe. Although her mother is on the school board, she asks for no favors, fears she may not be good enough for the Pointe's high standards.

In the meantime she has a job any young co-ed would enjoy, with lots of sun and water to send her back to school healthy, with a Riviera sun tan, and with a fat bank balance for all those kilts and Shetland sweaters so beloved to the collegienne.

### LEMON TEA CAKES

Contributed by Mrs. Ernest P. Lamb

- 1/2 tsp. vinegar
- 1/2 cup milk
- 1/2 cup butter or margarine
- 1 cup sugar
- 1 egg
- 1 tsp. shredded lemon peel
- 1 1/4 cup sifted flour
- 1 tsp. baking powder
- 1/4 tsp. soda
- 1/4 tsp. salt

Stir vinegar into milk. Cream butter and sugar until fluffy. Add egg and lemon peel; beat well. Sift dry ingredients and add alternately with milk. Drop from teaspoon, 2 inches apart, on ungreased cookie sheet. Bake 12 to 14 minutes in 350 degree oven. Remove from pan at once and brush tops immediately with Lemon Glaze — 3/4 cup sugar and 1/4 cup lemon juice. Makes 4 dozen.

## Hampton-Seed Rites Spoken

Dorothy Ann Seed and David Richard Hampton were married in the Grosse Pointe Memorial Church at 7:30 p.m., Friday, June 29.

The bride is the daughter of George A. Bender, of Barrington road, and the bridegroom's parents are the William John Hamptons, of Royal Oak.

Following the ceremony, a reception was held at the Village Manor.

The bride is an alumna of Radcliffe College and has a master's degree from the Graduate School of Education at Harvard University. She has been teaching in Claremont, Calif., and this fall will teach in Pelham, N. Y.

A graduate of the University of Michigan, Hampton received a master's degree in business administration from the University of Southern California. Presently, he is studying for his doctorate degree from the Graduate School of Business at Columbia University, New York, where he also holds assistantships in teaching and research.

The couple will make their home in Pelham, New York.
