NEGROES IN BIRMINGHAM, ALA., apparently have been appeased by integration leader Dr. Martin Luther King, Jr.'s release from jail, and the off-again, on-again "truce" in the city's racial battle remains "on"—at least for the moment. Within three hours of the "truce" announcement, made early yesterday afternoon and applauded by President Kennedy, Dr. King had been arrested, convicted and jailed on a month-old charge of leading a segregation demonstration. He and his aide, the Rev. Ralph Abernathy, were released almost immediately on bonds of \$2,500 apiece, but the city's Negro leaders expressed anger at the jailing, some saying it proved Birmingham officials' unwillingness to negotiate a settlement, however much they remonstrate to the contrary.

Friday, May 10

JAMES R. HOFFA has been indicted by a Federal grand jury for the second time. The Teamster Union president is accused of attempting to tamper with a jury in his just-ended million-dollar payoff conspiracy trial. Hoffa, who surrendered to Federal authorities in Philadelphia last night, has been released on \$10,000 bail. He was represented by counsel during his two-minute hearing before United States Commissioner Edward Furla at Furla's home.

Saturday, May 11

NFL STAR GENE (BIG DADDY) LIPSCOMB died yesterday in mysterious circumstances. The 31-year-old Negro giant was found slumped unconscious in a kitchen chair at a friend's apartment in Baltimore, Md. Rushed to Lutheran Hospital, Lipscomb was pronounced dead on arrival. Friends and fellow members of the Pittsburgh Steelers professional football team insisted the 6-foot, 6-inch athlete dreaded "needles" of any kind, even feared taking shots for a physical ailment, but State of Maryland medical examiner Dr. Rutiger Greitenacker reported after conducting the preliminary autopsy: "No other cause of death was found, so that at this point the presumption is that death was caused by an overdose of narcotics. No 'trace of disease or other factors' were found."

Sunday, May 12

THE FISCAL YEAR ending June 30 will find Michigan with a general fund surplus of \$40.5 million, \$7.5 million more than Governor Romney predicted in his budget message to the State Legislature January 30. But this "very good news," the Governor cautioned, "should not lull us into thinking that our financial problems are over." All of the surplus is to be applied to reducing the State's \$85.6 million deficit, and prospects for the future, according to Romney, look bleak without tax revision.

Monday, May 13

FEDERAL TROOPS have been dispatched to Birmingham, Ala., where severe racial riots and bombings caused havoc early Sunday. President Kennedy ordered the U.S. riot-control forces to converge on bases near the strife-torn Southern industrial city, virtually in a state of siege after pre-dawn four-hour-long demonstrations involving thousands of Negroes. The President also promised the Federal Government "will do whatever must be done" to maintain peace, and authorized the drafting of a proclamation and executive order to be used, if necessary, to federalize Alabama's National Guard.

Tuesday, May 14

PRESIDENT KENNEDY has asked Alabama Governor George C. Wallace's "constructive cooperation" to prevent the use of Federal troops in the Birmingham racial crisis. Rebutting Wallace's Sunday night telegram charging the President had no authority to dispatch U.S. troops to Alabama, Kennedy replied, in a 250-word telegram sent directly to Wallace Monday: "I would be derelict in my duty if I did not take the preliminary steps announced last night."

Bicycle Safety Month Being Observed

Safety inspection of all bicycles at public, private and parochial schools is now in progress in the Pointe and Harper Woods. **PATROLMAN JOSEPH MILLER**, Farms school safety officer, is shown with **FARMS POLICE CHIEF JAMES FURTON** and **RICHARD KAY**, principal of Richard School, engaged in a typical inspection on the school grounds. Safety officers, George Blair, Park; Sgt. Douglas Allor, City; Al Abend, Woods; and William Meier, Harper Woods, are conducting inspections in schools in their respective cities during May, designated as bicycle safety month.

Six Seeking School Board Trusteeships

Two Vacancies to Be Filled at Election Scheduled for June 10; Candidates All Men

Six Pointers have formally filed petitions and are official candidates for the School Board Election, to be held June 10. The sextet, all men, are vying for two posts as trustees on the Grosse Pointe Board of Education.

Candidates are Dr. Frank Parcells, Horace Roe, Russell H. Peebles, Hudson Mead, Dr. Robert K. Whiteley and Lionel Bird.

Dr. Frank Parcells, a psychoanalyst with offices in Fisher road opposite the High School, is married to the former Ann Leete and resides at 1014 Buckingham. The Parcells have three children: Jeffrey, 15, and Steven, 12, both students at Pierce Junior High School; and Gretchen, 9, who attends Defer Elementary School.

Father Was Trustee of Board
Dr. Parcells, a graduate of Grosse Pointe High School, Yale University and Wayne University Medical School, is head of the Psychiatric Department at Children's Hospital. He is a member of the Board of Directors of Boys Republic, an advisor to Williams House, and is currently teaching several courses in the psychiatric and social work field.

His father, the late Charles Parcells, was one of the four-

Pupils Start Registering For Sessions in Summer School Next Wednesday

Classes for Elementary and Secondary Students Will Run for Six Weeks Commencing on June 17; Four Buildings to Be Used

Registration of pupils interested in attending The Grosse Pointe Public School System's annual summer school session will begin Wednesday, May 22, for secondary school students. Elementary school pupils will register June 14 and June 17. The session will operate for a six-week period beginning June 17.

Resident secondary school pupils may register May 22, 23, 24 and 27. Non-resident registrants will be accepted, if openings still exist, in the junior high school session, June 14 and in the senior high school session, June 15.

Fees for the summer school will be the same as last year. Resident secondary pupils will pay \$10 per course and non-residents, \$24 per course. Elementary school pupils will pay a resident fee of \$7 for one period of instruction and \$12 for two periods. Instrumental music fees will be \$10 for resident children plus rental for an instrument if one is needed.

Classes in Two Schools
The elementary program will divide between Richard and Mason schools this year. Strengthening work in arithmetic, reading and spelling in grades 3-6 will be offered at both schools. Instrumental music will be offered as well.

William Lutz of the Monteith staff will direct the program at Mason and Richard Olds also of Monteith, will be in charge at Richard.

Brownell Junior High School will again house the junior high school session. Dr. Owen Middleton will be the director.

Award Contracts to Build New High School Library

The Grosse Pointe Board of Education awarded contracts to build a new library at Grosse Pointe High School in a special meeting, late last week. A passageway connecting the main building to the library and to the annex, (former Country Day School), also was decided upon.

Low bidder for the general construction contract was the W. A. Lutz Construction Company. This concern contracted to build the library building and the passageway for approximately \$202,000.

Gillies Plumbing and Heating Company was the successful bidder for the mechanical contract. A bid of about \$73,000 led a field of ten contractors.

Electrical work was awarded to the Maryland Electric Company. The bid of approximately \$35,000 was lowest among five submitted.

The new library will be built

on the high school parking lot midway between the main building and the annex. Its capacity will be approximately 250 students as compared to the 120 who can crowd into the present library. More than 37,000 volumes can be shelved in the new building.

Included in the facility will be two areas that can be closed off for use as classrooms. Instruction in library usage as well as in literature and other topics will be possible in these areas. Other areas will lend themselves to the use of modern instructional materials and equipment such as recordings, films, and slides.

"In most senses of the word, this is more than a school library," Superintendent of Schools Charles H. Wilson pointed out. "A better term would be instructional materials

Farms Approves Changes to Step Up Firefighting

Retired Detroit Fire Chief Makes Survey; City Adopts 18-Point Recommendation for Increased Efficiency

The Farms Fire Department, considered on a par with other departments of its size by an expert who knows, underwent several changes to step up its firefighting efficiency, it was disclosed by City Manager Sid DeBoer.

The expert, retired Detroit Fire Chief Edward J. Blohm, hired by the Farms council to conduct a survey, recently completed the project and submitted his findings and recommendations to the city officials.

The council, after meeting three times as a Committee-of-the-Whole, and holding several special meetings, to discuss the findings and recommendations, adopted an 18-point recommendation suggested by Blohm. The city body spent a total of 16 hours studying the results of Blohm's report, item by item, before making their move.

Praises Department
Blohm stated that it is his opinion that the Farms Fire Department, for a community the size of the Farms, is a very efficient organization, equal to any city in the Farms' population group.

The retired fire official began his survey last May, and completed it in January. The survey included inspection of all major buildings located in the Farms, with recommendations on how to make them more fireproof.

The following are the recommendations made by Blohm, and adopted by the city council:

1. Effective immediately and before any permit is issued for the use of a fire hydrant, approval be obtained from an Officer of the Fire Department;
2. When fire hydrants are found to be out of order, the hydrants in the business districts be repaired within a period of three days and in residential districts within a period of seven days.

The repairs are to be made with the City's manpower as far as possible and if manpower is not available, arrangements be made to have a contractor make the repairs.

3. The Fire Department be notified immediately of all wa-

Shores to Hold Election Tuesday

Five candidates will seek the post of Village Trustees in the Shores at an election to be held on Tuesday, May 21.

Three of the candidates are incumbents, and they will be challenged for their seats by two newcomers.

The incumbents seeking reelection are: Donald R. Plintermann of 890 Lake Shore road; John Huettemann, Jr., of 66 Lake Shore road; and Gilbert T. Jerome of 40 Renaud road.

They will be opposed by Arthur G. Sherman, Jr., of 79 Hawthorne road; and Arnold P. Fuchs of 60 Roslyn road.

The election of a village president is not until next May.

Help Needed in Picking Pointe Citizen of Year

The fourth annual Grosse Pointe Citizen of the Year award will be made by the Grosse Pointe Rotary Club at the regular meeting on June 17.

Residents of Grosse Pointe are asked to mail their nominations to the Rotary Office at 15135 Kercheval, Grosse Pointe 30, by May 31. State as fully as possible the reasons your candidate should receive this award.

The candidate must be at least 21 years of age, and reside within the geographical limits of any of the five Grosse Pointe municipalities. He or she need not be employed in the area.

The basis of selection should be his/her total contribution to society through any of the following areas: family and home, religion and church, community activities, youth activities, cultural efforts, humanitarian work, professional or business, local government, or education.

Center Drive Needs \$8,200 To Hit Goal

Total of 3,502 Donors Contributed \$54,753.94 to Date Toward Quota of \$60,000

"The last \$10,000 of our Annual Family Participation Campaign is invariably the hardest to pull in," says Gerald Schroeder, the Grosse Pointe War Memorial's 1963 drive chairman.

The Board of Directors is "extremely gratified" with the response to the campaign thus far, however. To date \$54,753.94 has been received from 3,502 donors as opposed to \$49,859.98 from 3,072 donors in returns for the same period of 1962.

Memorial Day Deadline
The active campaign's official closing target date is Memorial Day, May 30. The Center's Board of Directors and the many volunteers working on the drive are most eager to get the funds necessary to balance the budget by that time.

It appears there is a good chance of success. To this end, a second follow-up letter has been sent to all donors of record and this week a spot telephone follow-up will begin as well. Board members will also continue to make short talks before community groups.

The Center has recently completed a new sea wall and restored its beautiful lake side lawn. Planting is being made on its adjacent property to insure that the new Fries Auditorium is given a proper setting and made to blend with the beautiful surroundings.

A full schedule of spring and summer events await Grosse Pointers in the Memorial's enlarged facilities.

Thank All Donors

The Center wishes to thank sincerely the following donors for gifts recently received:

and Mrs. Frank G. Raphael, Mrs. Harry C. Rvan, Mr. and Mrs. H. R. Scheinin, Mr. and Mrs. Fay L. Seeley, Mr. and Mrs. S. B. Sherer.

Mr. and Mrs. Gerard R. Slatery, Mr. and Mrs. Robert M. Snow, Mr. and Mrs. Harold A. Strickland, Mr. and Mrs. Arthur D. Sutherland, Mr. and Mrs. Charles E. Three Named To Take Over New Duties

Husband, Kennedy and Eddington Get New Jobs Following Resignation Of Duvall

The Grosse Pointe Board of Education announces reshuffling of the administrative staff, following the resignation of Assistant Superintendent of Schools, Elven Duvall, who will be leaving to become Superintendent of Schools in Jackson, Mich.

The Board of Education formalized the shift on Monday, May 13, and disclosed that the changes will become effective on July 1. Affected by the reshuffle are:

J. Harold Husband, director of Administrative Services, who will become Assistant Superintendent - Administrative Services; Lawrence F. Kennedy, from Administrative Assistant to the newly created post of Director of Professional Personnel; and George T. Eddington, from foreign language teacher, to Administrative Assistant, succeeding Kennedy.

Husband will join Dr. H. Leroy Selmeier, who is Assistant Superintendent in Charge of Instruction, as a co-assistant to Dr. Charles H. Wilson, Superintendent of Schools.

Selmeier Retains Post
Dr. Selmeier will continue to head the Instructional Division of the Pointe School System, with responsibilities for curriculum, personnel and instructional material, whereas Husband will head the other major divisions, business and finance activities, public libraries, building operation and maintenance and community service. Both will report directly to Dr. Wilson.

Kennedy's duties in his newly created post, will cover the recruiting of teachers, salary administration, job analysis and review procedures, teacher certification, and other matters associated with professional personnel.

As administrative assistant to the Superintendent of Schools, Eddington's duties will involve public relations and research, as well as a variety of others, closely related to the work and demands faced by the Superintendent of Schools.

Has National Reputation
Husband, a nationally known administrator, was born in Calumet, Mich., in 1906. He received his AB and MA degrees from the University of Michigan.

He came to Grosse Pointe in 1933 as a teacher of social studies and was made Director of Administrative Services in 1940. He is a past president of both the Michigan Association of School Business Office, and the Association of School Officials.

Grateful Dad Sends Check

Park Judge C. Joseph Belanger was very pleased with a letter sent to him by a Detroit father, whose daughter had recently appeared before the judge on a traffic violation charge.

The letter, dated May 1, was sent with a check in the amount of \$25, with the request that Judge Belanger write in the name of his favorite charity, and send the check to this charity.

The judge promptly returned the check with a letter of thanks, and the suggestion that the donor send the amount to his own favorite charity.

The letter reads: "In behalf of my daughter, I would like to thank you and others concerned for your time and effort. I am sure that she has been impressed with the seriousness of reckless driving and its effect upon the lives and property of other people.

"I believe that had the (arresting) officer been able to legally clock her speed, she would probably have faced a much more severe charge and heavy fine. "Enclosed is a check, which is a slight token of my appreciation and I wish you would kindly fill in the name of any charity, organization, of your choice in the space allotted.

"Again, my sincere thanks to you and my best wishes."

ter main breaks; 4. When installations of hydrants are made, the contractor be required to face the steam connections toward the street; 5. The City Attorney and Fire Chief be requested to revise the rules and regulations governing the Fire Department and to submit their report in connection thereto to the Council on or about August 1, 1963. 6. A full time Sergeant in the Fire Department be appointed and that Warren Schultz be appointed to this position. (This has already been done).

7. The capabilities of officers and men under the Fire Chief be evaluated as often as deemed necessary and performance reports be maintained in the Department; 8. Although Chief Blohm states that to bring the manpower standards of the City to the minimum requirements would necessitate the employment of eleven additional Fire Fighters, it is the opinion of the Committee that with the Mutual Aid Agreement and the Detroit Standby Contract, the City's complement of 21 firemen is adequate and therefore, no additional firemen should be employed.

9. The City Manager contact the Detroit Fire Department to ascertain if arrangements can be made to have one of their mechanics thoroughly inspect and check the fire apparatus at least once annually and to make repairs to the equipment when necessary. Further, that he report his findings to the Council as soon as possible.

10. In regard to Procedure, Research and Planning, the Committee found that the operation of the Fire Department is satisfactory; 11. A policy be adopted whereby the members of the Fire Department be required to attend the City of Detroit Fire School for a period of eight weeks—five days per week and that when permitted by Detroit, the men ride the apparatus to fires.

The members of the Department continue with additional training at various other schools at times when their attendance at the schools will not impair the efficiency of the Department.

12. Although Chief Blohm reports that the national trend is to a 56 hour week or shorter for firemen, no change in the present 63 hour week be made; 13. The Chief be requested to obtain a copy of the "Los Angeles City Plan" as to their work week for firemen and submit his recommendation in connection thereto to the Council at the second meeting in April of 1963.

14. In regard to the Fire Prevention Program, it is the opinion of the Committee that in addition to the present pro-

gram, the City Manager be directed to hold a meeting of all department heads together with the heads of other agencies concerned with hazards at frequent intervals to discuss the various ideas which might be offered.

15. In regard to the results of Chief Blohm's inspection of various buildings, the Committee found: a. That in connection with the Grosse Pointe War Memorial, St. Paul Church, Children's Day Nursery, Grosse Pointe Congregational Church, Cottage Hospital and Fire Drills, no additional action was necessary; 8. Regular inspections of the Hawthorne House be made by the Fire Department; c. Every effort be made to have Sears, Roebuck & Company install a sprinkler system; d. The City Manager have an electrical inspection made of the Sacred Heart Convent, the cost therefor to be born by the City.

16. The City Manager direct a communication to the Grosse Pointe Public School System informing them of fire alarm systems which can be installed and operated over leased telephone lines and will provide direct communication with the Fire Department and ascertain if such installations would be made at their own cost.

The Committee found that in the calling of off-duty men to augment the strength of the Department in case of necessity, the off-duty men are called by the Police Department and an average of eight firemen report to the fires.

The Committee also found that with this arrangement and with the Mutual Aid Agreement with the other Pointe Communities, there was never a lack of manpower at any fire.

17. The Committee found that with the radio system between the five Grosse Pointes and Harper Woods, the communications with the other communities were adequate and therefore, no other means of communication were necessary.

18. In connection with the Mutual Aid Agreement with the other Communities, the Committee recommends that the Chief of the Fire Department be directed to meet with the Chiefs of the other Pointe Communities to discuss various problems which in his opinion, are of a special nature, particularly in the area of building inspections and request that the Chiefs complete the inspections of major buildings located in Grosse Pointe Farms.

center for this incorporates not only books, but also a multitude of audio-visual tools. The latter are products of our technological age and vastly enrich the curriculum.

"Library experts from other communities, some of whom enjoy national reputes as such, have commended the school system on this new facility. I can assure the community that the Board of Education and the staff have left no stone unturned in their search for the best possible solution to the library problems that greatly increased high school enrollments have created.

"The study of the problem has been actively pursued for more than four years," Dr. Wilson continued. "When the new structure is completed, I am certain the school system will have taken a giant step ahead in its continuing effort to provide an outstanding educational program.

Medical Society Honors Candler

Dr. Clarence L. Candler of 20040 Mack Avenue, Woods City Physician, was reelected to a fourteenth term as treasurer of the Wayne County Medical Society on Monday, May 13, by the society's board of trustees.

He is a past president of the organization, serving in 1948. The following year he was elected treasurer and has held that post since.

The society has its headquarters in the Wayne County Medical Building, 1010 Andriem, Detroit, which it bought and paid for in three years, with the last payment made last year.

During his years as treasurer of the organization, Dr. Candler disclosed that he has handled approximately two million dollars in various transactions for the society.

Park, Detroit Officials Plan Relief Sewer Talk

Park and Detroit officials will set a meeting date to discuss Detroit's petition for a right-of-way for a multimillion-dollar drainage system that will have to be constructed through a section of the Park.

The Detroit petition was discussed during a regular Park council meeting on Monday, May 13, and Mayor Kenneth Cunningham appointed himself and Councilmen William Oddy and Matthew Patterson as a committee to meet with Detroit officials.

The mayor said that he is in hopes that Detroit Mayor Jerome Cavanagh will participate in the discussion, so that as long as the officials are together, they can discuss a deal regarding the piece of land extending from Alter road into the Detroit River.

The land issue has nothing to do with the drainage construction, it was pointed out, but the Park has sought for some time to either buy the land outright, or lease it from Detroit.

The strip, located on the west side of the Park waterfront park, alongside Fox Creek, is being sought as an addition to the Park's recreation area.

In regard to Detroit's drainage system, Clyde L. Palmer, Detroit city engineer, in a letter to the Park council, stated that his city is faced with a problem in completing the system.

Palmer stated that several years ago, Detroit constructed the so-called Fox Creek Relief Sewer through the Park, roughly paralleling the old Fox Creek enclosure, which runs diagonally through the Park.

The relief sewer provided a means by which Detroit's Bedford and Cadieux sewers could be disconnected from the Fox Creek enclosure and their flows carried to an outlet in Conner Creek, independent of the Fox Creek enclosure.

The Detroit engineer revealed that it has become necessary for Detroit to extend additional storm relief into the Fox Creek area in Detroit, which Detroit is now proposing to do by means of the so-called Mack Avenue Relief Sewer.

Palmer stated that the extension route would run from the Bluehill Pumping Station at Cadieux and Mack, westerly in Mack to Buckingham, southerly in Buckingham to Charle-

voix, westerly in Charlevoix to Manistique. This route lies in the Park in Buckingham and Charlevoix, and along the edge of the Park in Mack, he added.

Back in January 9, 1961, Detroit had petitioned for the right-of-way, but was turned down by the Park because it was felt that the then plans of the project would disrupt Park vehicular traffic and inconvenience Park residents.

Park City Manager Robert Slone disclosed to the council that Detroit is hoping to save an estimated \$246,000, by routing the relief sewer through the Park. The total cost of the drainage system is approximately \$14 million dollars, it was said.

Palmer, in his letter, stated that he would like to call the following to the attention of the Park council, which should erase any objections to the proposed relief sewer route: In addition to the usual indemnification against damage that would be provided for the work, including excavation and placing of concrete, would be carried on through a work shaft, located outside of the Park.

Too, no manholes to the surface will be constructed on the sewer in Buckingham and Charlevoix, but there will be a few in Mack Avenue.

Under these conditions, Palmer stated, none of the contractors' operations would be carried on in the Park, except in Mack Avenue, and the sinking of four six-inch diameter alignment holes would require about one day's work at each location, he added.

He pointed out that the design of the Detroit sewer would be such that it would not interfere or conflict, with any of the Park's utilities.

Honest Finder Returns Purse

Phil DeSutter, 698 Notre Dame, found a black calfskin purse in a parking area in "The Village" late Saturday afternoon, April 27.

DeSutter turned the item over to City police, who located its owner, Ellen Balle, 1244 Maryland, through identification left inside the purse.

The woman, informed by telephone of DeSutter's "find," stated she had not missed the handbag, but remembered setting it down while she loaded groceries into her car.

Nothing was missing, and the purse was restored to its owner at 5:10 p.m.

Friends and admirers of the late Henry Ford urged him to run for President, but the automotive pioneer was not interested and closed the matter by sending President Calvin Coolidge a telegram, praising him for his work and expressing no desire to oppose him.

Driver Rams Utility Pole

Ray Poupore of 26456 Rush, Garden City, suffered cuts about the face on Sunday, May 12, when the car in which he was a passenger, crashed into a utility pole in front of 585 Lake Shore road.

The driver, Nicholas Mercan, 37, of 15472 Northlawn, Detroit, claimed he had taken his eyes of the road for only a few seconds. He said he probably had fallen asleep. Police said he had been drinking.

Poupore was taken to Bon Secours Hospital for treatment of his injuries, and Mercan was taken to the station where he made an accident statement.

Mercan was released without charge because there were no witnesses to the accident, police said.

St. John Hospital Has Busy Week

The pounding of hammers and the roar of giant machinery will soon become familiar sounds to the personnel at Saint John Hospital when construction begins on their new addition. Bids will be taken on May 22 and work will begin by June 10.

Two new floors will be added, providing 200 additional beds. A new chapel wing is also in the planning, along with a separate building for housing the interns and residents.

During Hospital Week employees who have completed 10 years of faithful service were presented with "10-year" pins. They are: Marguerite Mitchell in Nursing Service, Donald Ogg in the Printing Department, Evelyn Gallo in Dietary, Hilda Campbell in Pediatrics, Agnes Capizzo in the Operating Room, Elizabeth Schultz in the Operating Room, James Catalina in Maintenance, Bernard Gregg in Maintenance and William Beger in the Engineering Department.

On Friday, May 10, 33 high school students visited Saint John Hospital for a "career day." They are all considering some phase of hospital work as their future career. Many of them are interested in Nursing, Physical Therapy, X-Ray Technology, Science and Biology, and Medical Technology.

Seven bus loads of Pontbonne Auxiliary Volunteers will be making a pilgrimage to Nazareth, Michigan on May 15. The Sisters of Saint Joseph have

extended an invitation to the volunteers to visit their mother house to show their appreciation for the volunteers' outstanding work.

Saint John personnel also found their "Gray Ladies" taking an active part in "Hospital Week." They sponsored a card party in the hospital cafeteria and over 200 people attended.

The Saint John Hospital Pontbonne Auxiliary chose this time to have the annual election of officers. The Thanksgiving Mass will also be heard during "Hospital Week" at Saint Matthews' Church. A breakfast will follow this Mass and a movie about the Sisters of Saint Joseph entitled "That the Light May Shine" will be shown.

The Men's Guild is not to be left out of "Hospital Week," for they will have their annual stag dinner at this time. The Grosse Pointe Yacht Club will be the site of the festivities.

During "Hospital Week" all hospital personnel are honored. They are people of various backgrounds and skills. Many have a keen business sense, while others have a compassionate understanding of a patient's needs. However, all hospital personnel have one common goal, and that is to give the patients the best service which can be offered.

During "Hospital Week" remember . . . The patient is the most important person in the hospital . . . The patient is not an interruption of work, he is the purpose of it . . . The patient is not just a number on a door—he is a flesh and blood human being with feelings and emotions like those caring for him.

Summer School

(Continued from Page 1) is any guide, school officials state that upwards of 1500 students may be expected again this year. Both 1961 and 1962 exceeded this total and little change is anticipated.

Following are the hours, dates, and places of registration:

Junior High School
Pierce JHS, Wednesday, May 22, 3:30-4:30 p.m., Room A-221.
Parcells JHS, Thursday, May 23, 3:30-4:30 p.m., Room 213.
Brownell JHS, Monday, May 27, 3:30-4:30 p.m., Room B-1.
Brownell JHS, Friday, June 14, 2:30-4 p.m., Room B-1.
Call TU 2-8940 for additional information.

Senior High School
GPHS, Wednesday, May 22, Thursday, May 23, Friday, May 24, 3:30-5 p.m., Room 137.
Friday, June 14, a.m. and p.m. and Saturday, June 15, 9 a.m.-Noon, Room 137.
Call TU 4-3200 for additional information.

Elementary School
Richard and Mason, Friday, June 14, 1:30-4 p.m. and Monday, June 17, 8:30-11:30 a.m., Call TU 5-2000 for additional information.

Regular members of the faculty will make up the summer school staff. Two 2-hour periods will be conducted from 8 a.m. to shortly after 12 noon in the senior and junior high schools. The elementary school morning will be divided into 4 periods of approximately one hour each. Public school students registering in secondary school courses must have a form indicating their counselor's approval of such enrollment.

Payment of fees is due at the time of registration. Checks should be made payable to The Grosse Pointe Public School System.

Six Seeking School Post

(Continued from Page 1) ders of the Grosse Pointe Public School System, a member of the Board of Education for approximately 30 years. Dr. Parcells believes at least one member of the School Board should express the child psychiatry approach to education.

This School Board election will be Horace Roe's first venture into public life. A salesman with Copco Steel Co., Mr. Roe is married to the former Virginia Kerschner and lives at 1032 Lakepointe. The Roes have two children, Leslie, 21, a graduate of St. Ambrose now studying at Central Michigan University, and Michael, 17, who will graduate from St. Ambrose this June.

Mr. Roe is a graduate of the University of Iowa. He decided to run for the School Board because he is interested in education and wants to participate in his community's school affairs.

Russell H. Peebles, 1241 Bedford, is with Chrysler Engineering. He and his wife, the former Carrie Wismer, have two children, Tom, 17, and Jane, 15, both at the High School.

Mr. Peebles, a University of Michigan graduate, is past president of the Grosse Pointe Park Little League and the Babe Ruth League, at present on the Board of Directors of the American Society of Body Engineers, and past treasurer of the Defer PTA. He has been a Park resident for 13 years. He considers membership on the School Board a chance to serve the community.

Mead Is Attorney
Hudson Mead is an attorney with offices in the Guardian Building. Married to the former Frances Alger Boyer, he lives at 420 Washington road. The Meads have three children, Priscilla, 10, and Mignon, 5, both Richard students, and Hudson Alger, 2.

Mr. Mead earned his A.B. degree at Williams College, and was graduated from University of Michigan Law School in 1950. He is a member of the Board of Directors of the Senior Center, Inc., and past president of the Richard PTA. Interested in the Grosse Pointe Public School System as a parent, and willing to devote his time to Board work, Mr. Mead is concerned with maintaining the present high standards of the School System.

Dr. Robert K. Whiteley is the only incumbent running for re-election. An M.D. with offices in the Eastland Professional Building, Dr. Whiteley and his wife, the former Theodora Teal, reside at 216 Lakeland. They have three children, Norman Tufford a graduate of Indiana University, Robert, 16, currently studying at Gow in South Wales, N.Y., and Eugene, 11, at Mair.

Dr. Whiteley is secretary of the Wayne County Medical Society and a member of the Medical Staff of the Detroit Board of Education. He has been on the Grosse Pointe Board for four years, thorough-

ly enjoys the work, and feels it is an excellent way to contribute to the community.

As a father of seven children, Lionel Bird has more than a passing interest in education. He and his wife, the former Ellen Kriehoff, live at 1111 Nottingham. Their eldest child, Dennis, 18, an Austin High School graduate, is currently in the Air Force, Steven, 17, attends the High School, and at St. Ambrose are Ian, 14, Thomas, 11, Peter, 10, and Jamie, 8. Five-year-old Julie plans to enter Defer in the fall.

Mr. Bird, a registered professional engineer with Chrysler Motors, is a native of England, now an American citizen. Upon leaving St. Dunstan's College, he joined the RAF, and was posted to the States, where he met Mrs. Bird, a Grosse Pointe High School graduate.

Very interested in education in America, he believes the individual citizen should be an interested contributor in his community, and feels that, as his field is construction and there is a great deal of construction work currently underway in the public schools, he could be valuable on the Board.

Garden Expert To Talk Tonight

Chrysanthemums will be the subject of a lecture by Vincent DePetris to the Men's Garden Club of Grosse Pointe at their May meeting being held in the Grosse Pointe War Memorial on Thursday, May 16, at 8 p.m.

For 41 years Mr. DePetris has worked with chrysanthemums and in the course of that time has done a great deal of cataloging and classifying species. He has been associated with such pioneer mum fanciers as Smith and Cummings and has made a major contribution to the development of the mum which today is one of America's favorite flowers.

Mr. DePetris is a past president of the American Chrysanthemum Society and an hon-

orary life-member of the National Chrysanthemum Society. He has received two national gold medals, one in 1941 from the Massachusetts Horticultural Society and the other in 1948 from the Garden Clubs of America. In 1961 he was cited by the American Association for the Advancement of Science as one of the leaders in American Science.

Locally Mr. DePetris is also very active, he is a Past President of both the Men's Garden Club of Grosse Pointe and the Grosse Pointe Rotary Club, a founder-member of the Detroit Men's Garden Club and is currently spending a good deal of his time on plans for beautifying the grounds of the Grosse Pointe War Memorial.

Judge Convicts Reckless Driver

George J. Blake, 21, of 1375 Three Mile drive, will not drive for at least one year, it was decreed by Park Judge C. Joseph Belanger on Wednesday, May 8.

Blake pled guilty to a charge of reckless driving and endangering life and property, and was fined \$100, with the alternative of 30 days in the Wayne County Jail. He was placed on probation for one year during which he is forbidden to drive.

Judge Belanger also ordered Blake to pay probation costs of \$35 within 30 days. Blake paid the \$100 fine and agreed to the probation costs.

The youth was arrested at Three Mile drive and Frankfort in Detroit, on May 2, following a speed chase that started in the Park.

Three Park and seven Detroit police cars chased Blake for 25 minutes through Park and Detroit side streets at speeds up to 100 miles an hour.

Blake, who ignored stop signs during the chase, was finally stopped when he ran into a police car driven by Park Sgt. Charles French, who sought to block off Blake at Three Mile and Frankfort.

The officer received neck injuries and a minor injury to his left hand as a result of the collision.

Lutherans Buy Turners Club

Detroit area Lutherans can now boast of the only Lutheran Family Club in the nation since the purchase of the former Detroit Turners at 8731 E. Jefferson.

An Open House Tour on April 28 drew over 2000 enthusiastic potential members to view the bowling alleys, swimming pool, gym and entertainment facilities of the club.

The steering committee, headed by Vern Linsdeau of St. Clair Shores and Jim Lekander of Birmingham, signed an option to purchase recently.

Activity began at once with a clean up day on May 11 when people from all over the Detroit area and Grosse Pointe arrived at the club, laden with mops, pails and cleaning equipment.

Saturday evening, May 18 at 5:30 p.m. will see the club open for smorgasbord supper. An organizational meeting will follow to elect a board of directors and club officers.

Grosse Pointers interested in information regarding membership, fees, etc. can obtain it from R. J. Blank of St. James Lutheran Church by calling TU 2-5244.

Reveal Winners Of Scholarships

Successful applicants for the University of Michigan Regents-Alumni Scholarships from the Grosse Pointe area were announced on April 18, as follows.

Grosse Pointe High School: Vincent Cerutti, William Chasteen, Donald Kosy, Marcia Lindley, Kathleen Maun, Kurt Olzmann, and Thomas Peebles. St. Paul High School: Stephanie Arms.

Grosse Pointe University School: Albert Blix.

Austin High School: Frederick Calcetti.

The University of Michigan Club of Grosse Pointe also announced that it plans to award a scholarship to a Grosse Pointe area student entering the University of Michigan as a freshman in the fall of 1963. The scholarship will be an amount equal to the full yearly tuition at the University and contingent on the applicant's future performance may be continued for the full four years.

Information will be available at high schools in the Grosse Pointe Area about May 6 or can be obtained from the scholarship chairman, William J. Adams, TU 6-1927 or WO 1-8100, or from the president George Cherpelis, TU 1-2945 or WO 2-8808. Applications for this scholarship must be submitted before May 31.

This scholarship is in addition to the one previously announced for students now in their first year at the University. The deadline for applications for this scholarship has been extended until May 1.

Club Enrolls 1000th Junior

The Neighborhood Club celebrated a happy occasion on April 18 when Miss Sheri Prince, age 15, of 1440 Bishop, paid her dues and became Junior Member No. 1000 for the year 1963.

Miss Prince, a ninth grade student at Pierce Junior High, joined the Club mainly to use the tennis courts and take part in the Tennis Clinic which will be held from June 17 through July 19.

The event was a happy one for the new member too, when Mr. Edgar Krattil, Director of the Neighborhood Club and Miss Pauline Masak, Assistant Director refunded the cost of the membership in honor of the occasion.

Pat Nash Winner Of Scholarship

Grosse Pointe High School has a fifth Merit Scholarship winner. She is Pat Nash, notified of her Chrysler Corporation Fund Merit Scholarship several days after other Grosse Pointers received word of their success in the nationwide scholastic competition.

Pat's award boosts the number of 1963 Merit Scholars to 10—four other GPHS students, Robert L. Hudson, Philip J. Pratt, Donald W. Kosy and Barbara Kerber; three from GPUS, Leslie M. Rein, Margaret VanDeGraaf and David W. Hughes; St. Ambrose's Michael H. Roe; and Cass Tech's Keith B. Shoaps.

Pat received her letter from the National Merit Scholarship Corporation April 25, at first couldn't believe she had won. The daughter of the Paul Nashes, of Roslyn road, Pat is vice president of the GPHS Student Association, a reserve cheerleader, and will be one of two student speakers at the High School's commencement exercises June 13.

She plans to use her scholarship at the University of Michigan.

Fire Damages Shores Home

A fire of unknown origin damaged a utility room in the home of the William Bufalinos, 79 Webber, on Wednesday, May 8. The alarm was phoned in by Mrs. Bufalino.

All firemen were called to the scene, according to information released by Chief Fred Duemling.

The chief said that the Farms was called to assist, and sent a pumper to help the Shores fight the blaze, which was confined to the utility room.

A fan was used to clear the smoke from an upstairs bedroom, the chief said. The total amount of damage is not known, pending an insurance report.

Hospitals Offer Careers To High School Graduates

The nation's hospitals are marking National Hospital Week May 12-18, centered this year on the theme, "Today's Hospital—Career Center for America's Youth."

Hospitals have far more jobs open to high school graduates than is generally realized, according to Carolyn M. Wicks, Administrator of Cottage Hospital of Grosse Pointe.

"These jobs require a variety of trades and skills, many of which are learned on the job. To keep the hospital running, we need engineers, cooks, clerks, maids, typists, nursing aides, business machine operators, technicians — to name only a few."

"The hospital is a business organization as well as a service institution and therefore requires a number of people in

the administrative areas. There is an amazing amount of paperwork required—patient records, employe records, payroll records, correspondence, insurance forms, and accounting records. These require typists, stenographers, bookkeepers and file clerks."

These jobs are usually filled by graduates of high school business courses. Many, after experience, move into more responsible positions, such as admitting clerk, credit manager or cashier. A number of administrative service workers do not deal directly with patients or the public, but those who do—admitting clerks, cashiers, receptionists and switchboard operators—play a major role in creating good will and explaining the work of the hospital, Miss Wicks said.

Voluntary short-term hospitals have an average of 240 employees per 100 patients. Over half of these employes are directly concerned with the professional care of patients.

Hospitals offer many career opportunities for persons of all types—those with a sense of business, those with a desire to help their fellow man, those who work well with people, those who prefer the quiet of the laboratory or library, those who enjoy housekeeping, and those who like to teach. Whatever a person's interest, the hospital field has a position to match it.

The opportunity in a hospital is a unique one—a chance for a young person to do what he likes and does best and at the same time contribute to the well-being of his community.

We urge every young person as he looks to his future to consider the hospital as the center for his career, Miss Wicks said.

In recognition of National Hospital Week, Cottage Hospital is providing the Principals and Student Councilors of the Public and Parochial Junior and Senior High Schools of Grosse Pointe and adjacent communities with a handbook on Careers in Hospitals. This booklet lists career opportunities in the hospital and other health fields together with qualifications and educational requirements. It is our hope that it will be of value to the youth of our community in the choosing of careers in which they will find great satisfaction, Miss Wicks said.

Hospital Plans Sports Seminar

The pediatric staff of St. John Hospital will hold a seminar on children in sports in the auditorium of the hospital on Wednesday evening, May 22 at 8 o'clock. The evening will be devoted to a general discussion of all phases of children in school and community sports programs including selection of children to participate in the various sports, the effects of athletic injuries on growing structures, the psychological effects of competitive sports and first aid care of injuries.

A medical panel consisting of Benjamin F. Haddad, M.D., neurosurgeon, Paul Rizzo, M.D., surgeon, Callier H. Worrell, M.D., pediatrician, Loyal W. Joder, M.D., orthopedic surgeon, and Frank Parcells, M.D., neuropsychiatrist will present brief discussions of the various aspects of children in sports and these presentations will be directed to the interests of all coaches, trainers and managers of teams which deal with children. Alexander C. Peat, M.D., will serve as moderator.

All persons participating in any school or community program are cordially invited to attend the seminar and bring their problems and questions on all medical aspects of children in sports for presentation to the panel for an open discussion.

Woman Injured In LS Accident

A 54-year-old Detroit woman was seriously injured in an accident on Thursday, May 9, when she lost control of her automobile and hit a tree on an island at Lake Shore road and South Deeplands.

The woman, Mrs. Gene Clara Hartung of 2152 Burns, was taken to Bon Secours Hospital by Shores police. She suffered internal injuries, and a possible fractured leg. Several of her front teeth were broken, it was said.

Patrolmen William Marshall and James Jurcak, who were dispatched to the scene, said Mrs. Hartung crashed into a tree 98 feet north of South Deeplands.

Mrs. Hartung lost control of her car after hitting one driven by Mrs. Rose A. Kurtz, of 695 Bedford, who had pulled out into the north bound lane of Lake Shore, from South Deeplands.

Police Chief Fred Duemling said that doctors at the hospital performed an emergency

operation on Mrs. Hartung for an internal injury, and at the last report she was doing fine. There was slight damage to the right front fender of Mrs. Kurtz's car, but Mrs. Hartung's vehicle had to be towed away. The chief said there were no witnesses to the accident, and no violation tickets were issued.

School Census Takers at Work

School census takers are already at work taking the annual school census. They will contact each residence within the next few weeks and it is expected the count will be complete by the end of May.

Residents may verify the census takers by asking to inspect their credentials. Cards signed by Paul E. Mawhinney, Director of Pupil Personnel for the school system, are the official identification each carries.

MICHIGAN BELL

MICHIGAN WEEK is next week, May 19 through May 25. Throughout the State, activities are planned to publicize Michigan's unlimited assets, resources and advantages for industry, business, agriculture, education and recreation. The purpose? To help every Michigander become a better-informed spokesman for our State. This year's MichiganWeek theme is "Science and Research for our Future." A good choice, because there are more than 200 active research units in Michigan. They do an estimated \$750 million worth of research and development work annually—assuring a better future for each of us. Current projects range from work on the atom to the structure of society, from poison ivy preventatives to new nutritional products. Their fine efforts add up to a skyrocketing activity that shows no signs of leveling off.

RESEARCH IS THE KEY to more and better telephone service, too. For example, the hard-working transistor, developed by Bell Telephone Laboratories, is basic to new transmission and switching systems that will lead to new and improved services. Just last month telephone company operators began dialing calls direct to Great Britain, Germany, Italy, France and Switzerland. Some day we may enjoy such convenience as television telephones that let you see as well as talk to the person you're calling. This continuing research means telephone service that is high in value, low in cost—now and in the years ahead.

Barnes School Head Retiring

Miss Florence Cumings, principal of Barnes Elementary School, has announced her retirement from the public school system, effective at the end of the school year. Her resignation was accepted with regret by the Board of Education in its regular monthly meeting last Monday.

A veteran of 31 years service with the Grosse Pointe schools, Miss Cumings joined the staff in 1931. Prior to that she had taught in Hillsdale and Ann Arbor.

She taught at Richard School for eight years before moving to the Vernier School in Vernier road. Here she was appointed first assistant teacher in 1948, a position she held until appointed principal in 1953.

When the John Barnes Elementary School was opened in 1955, Miss Cumings became the new school's first principal. She has occupied this position to date. The school's enrollment is about 440 pupils.

Miss Cumings is a graduate of the University of Michigan. Both the AB and MA were earned there. She also has attended Michigan State Normal, now Eastern Michigan University.

At the present time Miss Cumings' future plans are indefinite. However, she does plan to do some traveling, she states. Her absence from the professional staff of the public school system will be noted by many who have valued her counsel and her leadership.

Church to Show Disputed Films

On Sunday, May 19, the controversial films, "Operation Abolition," "Operation Correction" and "Communist Encirclement" will be shown at the Grosse Pointe Unitarian Church, East Jefferson at Rivard. The showing of the films will commence at 7:30 p.m. The public is invited.

"Operation Abolition" is an official document of the House Un-American Activities Committee. It deals with events culminating in a mass demonstration of various groups during the three-day hearing conducted by the House Un-American Activities Committee in May of 1960 in San Francisco. "Operation Correction" was produced by the American Civil Liberties Union of Northern California to "correct" the alleged omissions and erroneous impression created by "Operation Abolition." "Communist Encirclement," which was produced by the National Educational Program, an Arkansas organization, deals with the rise of world communism. "Communist Encirclement," which runs for about 30 minutes, will be shown first.

School Census Aids Retarded

Parents of all handicapped children are reminded that the school census is now being recorded. The Board of Directors of the Grosse Pointe Association for Retarded Children makes a special appeal to these parents to be absolutely certain that the census taker registers the nature of their child's handicap—whether retarded, emotionally disturbed, or physically handicapped in any way—for any child 0-21 years of age.

This confidential information is important to local and state officials, regardless of whether the child now attends or ever expects to attend Grosse Pointe Public Schools.

GPARC Directors would also like to ask parents without handicapped children: to take no offense if the census officials ask about "any other" children in the household. This question is not one of curiosity, but of necessity to better ascertain the number of children in the community who need special services.

Parent members of GPARC fully appreciate the reluctance on the part of many parents to divulge to a stranger in the form of a census worker the existence of a severe and often misunderstood problem within the family. However, they point out that the most benefit to the child and indirectly to his family occurs only if community authorities know of their handicapped residents.

School and other tax programs cannot be planned sensibly without recognizing their needs. In addition, action by private and social service agencies is often based on school census statistics, although personal data recorded in the census is confidential.

"The handicapped child may not find the varied services he so desperately needs, either today or 10 years hence, unless the community knows of his problems and counts him among its special statistics. One of the simplest ways to inform city officials is via the school census," report GPARC directors.

Camera Club Meets May 21

The Grosse Pointe Camera Club will meet in the Fries Auditorium on Tuesday evening at 8 p.m., May 21. There will be a monochrome and color slide competition with Dr. C. J. Marinus FPSA and Gil Lehmbek AFSA, assisted by club members in analyzing entries.

In anticipation of the annual awards banquet on June 8, members are asked to submit four prints and/or slides for the annual competition. The May 21 meeting is the deadline for submitting these.

At the May 21 meeting there will be a short program "Use of ferrocyanide and spotting, in making prints." This will be presented by Gil Lehmbek AFSA.

At the last meeting Frank Taugner was awarded a silver pin for having received 25 honors in slides and prints. Guests are always cordially invited to meetings.

OBITUARIES

ERNEST R. WILSON

Ernest R. Wilson, 80, died Monday, May 13, at his residence, 1217 Bedford road.

Born in Bay City, Mich., he was a founder and pioneer in the Overhead Door Co., in business from 1923 to 1958. He was a member of the Detroit Yacht Club.

At the age of 47, Mr. Wilson took up golf and, at age 56, was playing at a Kingsville, Ont., course when he scored two holes in one on the same day.

Mr. Wilson is survived by a son, Robert C. Wilson; a daughter, Mrs. James Garza; a sister, Mrs. Earl Halderman; a brother, Thomas; and seven grandchildren.

Services are at 1 p.m. this afternoon at the Verheyden Funeral Home, and interment will be in Forest Lawn cemetery.

MRS. MAURINE WILSON

Maurine Wilson, of 1308 Vernier road, died Tuesday, May 7, at her residence. She was 52.

A native of Mansfield, O., Mrs. Wilson attended the University of Kansas. She was an active participant in the Panhellenic organization and the Gamma Phi Beta alumnae association.

Survivors include her husband, A. R. Wilson, purchasing agent for Parke, Davis & Co.; a son, A. R. Wilson, Jr., of Perryburg, O.; her parents, Mr. and Mrs. Herbert Hoadley, of Joplin, Mo.; a sister, Mrs. Nancy Kirkland, of New York; and a brother, Richard Hoadley, of Oregon.

Services were Thursday, May 9, at the A. H. Peters Funeral Home, Mack and Vernier.

League Offers Prize Movies

The Grosse Pointe Cinema League will hold its final program of the season on Thursday evening, May 23, in the Fries Auditorium of the Grosse Pointe War Memorial.

This program will be a combination dinner and the showing of the International prize winning movies of the Photographic Society of America. The Grosse Pointe public may purchase tickets at the office of the War Memorial.

Starting at 7 p.m. in the Crystal ballroom, dinner will be served. The complete cost of the movie program and dinner will be \$3.95 per person.

The series of short prize winning movies includes one on Japanese Wood Block Printing. Another is called "Italian Marble." It opens in Florence, Italy with the statue of David by Michelangelo in marble. Quickly moving to a marble quarry one sees the complete processes of shearing off a piece from the huge mountain of marble, then visits a studio to see the marble carved into a statue of Abraham Lincoln for the city of Boston.

A short movie called "The Storm" won four top awards. It depicts the gathering of a storm, shows its fury, its effect on the little animals and the nearby countryside; and the quiet after the storm has passed. The use of sound in the movie is tremendous.

Abstract photography is represented in a fantasia of color configuration and music. Floating, bubbling, revolving, darting, forming, superimposing, projecting, swirling, blending colors upon colors in synchronization with jazz music.

MELANIE BECKAERT

A native of Belgium, Melanie Vanpoelvoorde Beckaert, 83, wife of the late Heclor Beckaert, formerly of 1475 Maryland, died Monday, May 13, in Detroit. There are no immediate survivors.

Mrs. Beckaert was a member of the Women's Century Club and the Square Deal Bien Club. Services were this morning, Thursday, May 16, at the Verheyden Funeral Home and St. Bonaventure Monastery. Burial was in Mt. Olivet cemetery.

HARRIET S. OYLER

Services for Mrs. Oyler, wife of the late Ralph H. Oyler, are this afternoon at 1 p.m. at the R.G. and G.R. Harris Funeral Home in Harper avenue. Interment will be in Neptune, N.J.

Mrs. Oyler, 73, of 776 Neff road, died Monday, May 13, in a Detroit convalescent home. She is survived by a son, Franklyn H. Oyler; a sister, Mrs. John E. Shafo, of Spring Lake, N.J.; a brother, Harold Sanford, of Los Angeles, Cal.; and a grandson, Franklyn Barr Oyler.

CYRIL T. HUCKLE

Cyril T. Huckle, 72, died Monday, May 13, at his residence, 456 Roland road. He is survived by his wife, Jean M. Huckle; a daughter-in-law, Mrs. Clifford J. Huckle; a brother, Charles Smart; and a sister, Mrs. Mabel Melick.

Services will be tomorrow morning, May 17, at the Verheyden Funeral Home and Our Lady Star of the Sea Church, with interment in Holy Sepulchre cemetery.

FRANCIS P. PARKER

President and executive secretary of the Michigan Brewers Association Francis P. (Frank) Parker, 47, of 1487 South Renaud road, died Tuesday, May 7, in Henry Ford Hospital.

A founding member of the Detroit Chapter of Ex-FBI Agents, Mr. Parker served in the Detroit office of the Federal Bureau of Investigation from 1940 to 1945, part of this time as resident agent for Port Huron.

He was associated with the Pfeiffer Brewing Co. and an automobile agency between 1945 and 1950, when he joined the Brewers Association as assistant to the president. He was named president in 1951.

Mr. Parker was a member of the Michigan Sheriffs Association, the Southeastern Association of Chiefs of Police, the Detroit Yacht Club, Detroit Press Club, Harmonie Club, Rutgers University Alumni Association and the Greater Detroit Board of Commerce.

He is survived by his wife, Rosemary Schuster Parker; three daughters, Joan, Mary Ellen and Judith; two sons, Patrick and Steven; his father, Frank H. Parker; and a brother, Paul.

Services were Saturday, May 11, at the Verheyden Funeral Home, followed by a requiem mass in Our Lady Star of the Sea Church. Burial was in Mt. Olivet cemetery.

WINIFRED DAUGHTON

Services for Winifred Daughton, of 430 Cloverly road, were Friday morning, May 10, at the Verheyden Funeral Home, followed by requiem mass in St. Philomena Church. Burial was in Mt. Elliott cemetery.

She died Wednesday, May 8, at the age of 83, in St. John Hospital, and is survived by a nephew, William J. McGraw.

Garden Center Receives Books

The Grosse Pointe Garden Center Library Committee has reported the addition of the following new books given the Center as memorials or honorariums: "New Horizons in Flower Arrangements," Myra J. Brooks; "Japanese Flower Arrangements," Norman J. Sparnon; "Design for Flower Arrangers," Dorothy Riester; 14 Volumes Garden Encyclopedia — "The Gardeners Directory," compiled by J. W. Stephenson; "Tiffany Table Settings"; "Color in Flower Arrangements"; "Establishing a Nature Center"; "A Nature Center for your Community"; Rachel Carson's "Silent Spring."

The Garden Center room has had special attention where

fresh paint was needed, etc. and offers always a charming atmosphere in which to browse through the books and latest seed catalogues. A visit there is highly recommended to all gardeners for "The pause that refreshes." You and your gardening problems are ever welcome in that second floor corner room in the Grosse Pointe War Memorial — the one with the million dollar view of the lake that you enjoy at any time for just a \$2.00 membership in the Grosse Pointe Garden Center. Books are loaned to members of the Garden Center, when the librarian is in attendance Tuesday through Thursday from 10 a.m. to 4 p.m.

GPHS Musicians Giving Concert

Margery Homfeld, Cheri Burns and Philip Pratt will perform solos with the award winning Grosse Pointe High School Concert Band and Symphony Orchestra this coming Sunday, May 19, at 4 p.m. in the Parcels Junior High School Auditorium.

Margery Homfeld (12th grade) will lead off as she plays her cello in a performance of the Faure "Elegie." Cheri Burns (11th grade) will follow as piano soloist in "A Symphonic Paraphrase on Blue Moon" for piano and orchestra. This is a first performance of a work recently completed by Richard H. Snook, director of the high school band and orchestra.

Philip Pratt (12th grade) will play with the concert band as he performs the very difficult "Carnival of Venice" by Arban. This is a work that is usually played on a cornet or baritone. It is seldom performed on an instrument as large as a bass tuba because of its technical problems.

In addition to the above, the audience will hear the "Chorale from the Easter Cantata" by Bach as arranged by Leopold Stokowski and "Selections from Camelot" by Lerner and Loewe.

The dynamic and forceful "Festival Prelude" by Alfred Reed will lead off the band portion of the program, followed by the contemporary "Chester Overture" by William Schu-

mann. March Time on the program will present the Sousa National Fencibles March and a new march by Leonard Smith, conductor of the Detroit Concert Band, entitled "Roundtable." The concert will close with the Cumberland Gap Overture by the modern Joseph Willcox Jenkins.

Pierce P.T.A. Meets Tonight

The final meeting for 1962-1963 of the Pierce Junior High School P.T.A. will be held tonight, Thursday, May 16, in the auditorium at 7:30 p.m. Dr. John Gajewski, the president, will preside at the business meeting.

The annual reports of the standing committees will be given briefly as well as the election of incoming officers for the next school year. The nominating committee was composed of LaVerne Biassil, chairman, Dr. Norman W. Brey, Mrs. Allan D. Pearsall and Mrs. William Coddington.

The program will be provided by the ninth grade students. Robert Rathbun, program coordinator, will be assisted by Herman Clein, director of the ninth grade chorus, and Mrs. George Boan, producer of the ninth grade fashion show.

Following the auditorium performance parents are to be invited to the boys' gym to view the science projects completed by the Pierce students this year.

Social hour arrangements have been planned in the cafeteria by Mrs. Merrill Honderich and her committee composed of Mrs. John Arndt, Mrs. Alexander Peat and Mrs. E. Mark Maun to conclude the evening's entertainment.

Plan Discussion Of School Costs

Robert Weber, president of the Grosse Pointe School Board is to discuss district school costs with the Grosse Pointe PTA Council on Monday, May 20, at the Grosse Pointe Central Library.

Mr. Weber said: "We know the present costs of the school district but are having difficulty estimating the future costs. Discussion is needed now in order to evaluate our present high educational standards and to maintain these standards in the future."

Some operating revenue from taxes expires in June 1964 and we must have another vote by the taxpayers to replace this revenue and such additional revenue as may be required to

keep our salaries competitive. No date has been set for this vote, but the earliest possible time is the fall of 1963."

The Council will also hear from Dr. Charles Wilson, who will give additional information on Grosse Pointe school needs as he now sees them after seven months as Superintendent of Grosse Pointe Public Schools.

According to Arthur Sherman, Jr., president of the Grosse

Pointe PTA Council, the meeting will conclude with presentations by the candidates for the School Board Election to be held June 10, 1963.

Discussion Groups
A new service for parents of children served at the Neighborhood Club of Grosse Pointe began on March 22. Nine mothers whose children are participating in weekly activity groups at the Club are meeting for a series of six discussions on the subject of child rearing. Discussion leaders of the series are Edgar Krattil, ACSW, Executive Director of the Neighborhood Club and Mrs. Lois Pettit, ACSW, both social workers. Mrs. Pettit received her Master's Degree in Social Work for the University of Chicago and a Master's Degree in Sociology from the University of Michigan. She now teaches social work at the University of Detroit.
Additional groups will be organized in response to the needs of Grosse Pointe parents.

Registration
Registrations are now being taken at the Neighborhood Club for the annual Tennis Clinic, sponsored by the Neighborhood Club, Gray's Sport Shop and Detroit Tennis Patrons. The Clinic will be held from June 17 through July 19 and four groups are scheduled in beginners, advanced players and adults. Hours are as follows:
Ages 9-12, Monday, Wednesday, Friday, 9:10-10:30, Fee, \$2.50.
Ages 13-16, Monday, Wednesday, Friday, 10:30-12, Fee \$2.50.
Advanced, Tuesday, Thursday, 9-10, Fee, \$3.
Adults, Tuesday, Thursday, 10-11:30, Fee, \$4.
For further information on Tennis Clinic, contact the Neighborhood Club, Tuxedo 5-4600.

To Hear Reports Of Delegates

Members of the Grosse Pointe League of Women Voters will be treated to personal accounts of their experiences by delegates returning from the state convention in Ann Arbor. The delegates, who are spending May 14 through 16 helping to decide on the new state study item, are Mesdames J. Robert Jessup, Louis Duesen, Lee Johnson, Leslie Pressel and Hamilton Stillwell. These League representatives will expound at the various Unit meetings on convention decisions concerning such items as Civil Service, Taxation, Apportionment, Executive and Judicial Branches of Government, and Public Welfare Services. Unit meetings will take place at the following times and places: Monday, May 20, 1 p.m., at the home of Mrs. Ralph Kimble, 557 Fisher road; Tuesday, May 21, 8 p.m., at the home of Mrs. Delmar Robertson, 25 Radnor circle; Wednesday, May 22, 1 p.m., at the home of Mrs. Henry O. Eujen, 1073 S. Bays drive; Monday, May 27, 9:30 a.m. at the home of Mrs. Walter Jensen, 852 Whittier road.

Memorial Center Drive

Memorial Day will be here in two weeks and that is the day by which the Grosse Pointe War Memorial Association hopes to have reached its \$60,000 goal in the annual Family Participation Campaign. Latest available figures indicate there is still some \$8,200 to be raised, and, as the drive leaders point out, "The last \$10,000 is always the most difficult to obtain."

We have long been baffled about the relatively small percentage of the residents who donate to these annual campaigns. The Memorial Center is unquestionably one of the very finest properties of its kind in the country. To the magnificent gift by the Russell Alger family of the beautiful Italian Renaissance mansion and its lovely grounds, has now been added the William H. Fries Memorial Auditorium, a veritable jewel of a structure with facilities which completely round out the physical plant to take care of every manner of community activity. Despite this new addition the quota of this year's campaign remains the same as last year.

Just take a look at the Memorial Center Schedule printed on this page, and see the varied program of activities being carried on there within the next week. There is something which should appeal to every citizen of every age. And if you don't take art lessons, or look funny in ballet tights, or aren't particularly interested in any event coming up this week, give a thought to the thousands who are going to derive education, culture, entertainment, or participate in some charitable or civic activity there. Or you may find, as we do, an inordinate pride in taking an out-of-town guest on a tour of this incomparable asset which so many of our residents enjoy.

Every Pointer should have a part in its maintenance and operation. The size of the gift doesn't matter. Fortunately a very few of our wealthier families have always come through with substantial donations which allow the programs to be carried on and expanded. But those who do not give anything should correct this situation and share the pride of being part of the association. One of the nicest things that could happen this Memorial Day would be the announcement that this year's campaign has gone far over the top, and that a record-breaking number of residents had contributed to the Center, which is a living memorial to those who served and particularly those who died in World War II and Korea.

Letters to the Editor

Dear Sir:

In this day when a car rental agency advertises they are second best so they have to try harder, perhaps, it is not too unusual for a novice politician to claim he is third best and will work three times as hard. However, that is the case. I am a candidate for trustee in the Tuesday May 21, 1963 election in Grosse Pointe Shores and would like to urge votes for incumbents Donald Flintermann and John Huettnerman, Jr., and if your readers desire to cast any further votes—vote for the remaining " . . . man" on the ballot i.e. Sherman. There are five candidates for the three positions to be filled.

My interest in the affairs of Grosse Pointe Shores goes back to my building a home on Hawthorne Road in 1950. In 1954 I was appointed to the Village Pension Commission, in 1955 I was appointed Freeholder on the Taxation Board of Review, in 1956 I was appointed to the Harbor Committee and I continue to serve these village organizations today.

I have been active in other community activities as well with emphasis on the schools having served as P.T.A. Treasurer, Vice President and President at Ferry School, as a member of the Building Needs Committee of Ferry School and presently as President of the Grosse Pointe P.T.A. Council.

I have also been active in the educational program of the Grosse Pointe Power Squadron, a local unit of the United States Power Squadron, which is dedicated to increasing the aware-

ness of our great natural resource—the lakes and rivers—and the safe recreational use thereof.

Elected or not I pledge to continue to work for the village and to continue to urge all residents to participate in its affairs insofar as they are able. Your support in publishing this letter is a tribute to your interest in making the affairs of the village of Grosse Pointe Shores public knowledge.

Very truly yours,
 Arthur G. Sherman, Jr.

To the Editor:

Just a note to express my deep appreciation, on behalf of the Grosse Pointe Rotary Club, for your cooperation and assistance in publicizing the Antiques Show.

The Grosse Pointe News did an outstanding job of publicity, playing no small part in making this the most successful Antiques Show yet.

Thanks again, and best wishes.
 Cordially,
 Ralph M. Burke, M.D.
 President

Dear Sir:

Being a gardener of sorts, I personally wish to thank you for your excellent Clean Up Week editorial content.

The article telling about the activities at the Garden Center was interesting and instructive. The picture of the test garden was excellent. I was not aware that it really was a test garden. The articles by A. Lynn

What Goes On at Your Library

By Virginia Leonard

The morning paper of May 7 announced the Pulitzer Prize winners for 1963. Winner of the fiction award is William Faulkner for his "The Reivers," a comic recital of a young boy's adventures in 1905. Lucius Priest, together with two adult pals, one a Negro, embark on a stolen car on a mad series of adventures, including an episode with a stolen horse which lands them in jail. The term "reivers" is an archaic one and refers to stealing and destruction; here Faulkner uses it both literally and symbolically. It would seem that this is deliberately a minor work, but one that is relaxed, amusing and well-done. We are glad to see Faulkner recognized again, even if posthumously.

A woman historian, Barbara Tuchman, won the general non-fiction prize for her "The Guns of August," an intensive study of the background of World War I, and the battles of Liege, Tannenberg, Mons and others fought during the first 30 days of the conflict. This is a fine combination of valuable historical material and excellent literary style. Barbara Tuchman is also the author of an earlier work: "The Zimmerman Telegram."

Another person deserving of mention in the field of awards is our Director, Robert M. Orr, who served as Library and Building Consultant for the West Bloomfield Township Library Building. This Library was cited in April as one of 10 public library buildings in the United States (and the only one in Michigan) to receive a National Architectural Award for public libraries. This award was granted as a part of the First Library Buildings Award Program sponsored jointly by the American Institute of Architects, the American Library Association and the National Book Committee. We are indeed pleased that Mr. Orr has been so recognized.

Mr. Orr has also taken on another responsibility this spring—that of teaching a course in general reference service at Wayne State University during the spring term. His class meets twice a week, Mondays and Wednesdays, for a period of 11 weeks.

And speaking of reference

books— we wonder just how conscious the public is of the many and varied uses of our own reference collection at the Grosse Pointe Public Library. In addition to the general encyclopedias and quick, potpourri reference books such as the "World Almanac" and "Information Please Almanac," we have materials and volumes in many specialized fields. Do you want to clean tarnished silver, concoct fireworks, or remove rust? Then "Henley's 20th Century Formulas" will serve the purpose. Hardly a day goes by but what we are asked to locate an elusive quotation; usually it can be tracked down in Bartlett, Stevenson, or one of the other books on this subject.

If you need information on newspapers and periodicals, Ayers Directory is your answer. Here is a guide to publications printed in the United States and its possessions, listing such information as name, frequency, date of foundation, subscription price, and circulation figures. Again, dealing with periodicals, you are doubtless familiar with the heavily-used "Readers' Guide to Periodical Literature," with entries under author, subject, and title when necessary.

In this era of fast-moving scientific discoveries, we were glad to add the "McGraw-Hill Encyclopedia of Science and Technology" to our collection a few years ago. This is the first modern, multi-volume encyclopedia to give an authoritative and comprehensive coverage of the field of physical, natural and applied sciences; supplementing this is the "Yearbook." Another very recent addition to our reference collection is the "Oxford English Dictionary," in 12 volumes and supplement; its most important use is for the historical information about a word.

We could continue into the specialized fields of art, religion, music, business, and education (to name a few). But perhaps you would prefer to come in and just browse through our reference collection. I spent a fascinating hour doing just that this week. The most interesting fact I came up with (and this I found in "Current Biography") was that the "U" of U Thant means, roughly, "Mr."—and completely translated, he becomes "Mr. Clean!"

To the Editor:

May 10, 1963

In view of the calls I have had regarding a Robert Weber being named as an individual working for the Bon Secours Hospital Extension, I think it should be made clear that the person named is Robert C. Weber, who lives in the City of Grosse Pointe, wherein the decision has to be made, and is not the Robert F. Weber, who resides in Grosse Pointe Shores and is President of the Grosse Pointe Board of Education.

I sincerely believe that this is a problem for the Citizens of the City of Grosse Pointe to decide.

I would appreciate it if this correction could be made to the article covering this matter, as it has caused considerable confusion and many letters and phone calls to me.

Thanking you, and with every good wish, I remain,
 Most cordially,
 Robert F. Weber

What to do till the doctor comes

By FRED KOPP, R. Ph.

Emergencies strike with sudden swiftness. A slip, a fall, a collision is seldom announced. So be prepared. At least one member of every family should have a working knowledge of first aid. There are books on the subject and the American Red Cross gives classes where such information and training can be acquired. We recommend that you, or someone in your household, acquire the know-how. Another worthy recommendation is to maintain a supply of first-aid medications on hand at all times—antiseptic, gauze bandages, adhesive tape, alcohol, soothing creams, etc. The cost is small and we'll be glad to assist you in your selection.

As a change of pace from the usual spring fashion show the Grosse Pointe Yacht Club ladies will see an exhibition of diamonds and precious jewels at the May 22 luncheon.

Modeling the diamonds will be Mrs. William E. Calder, Mrs. Herbert W. Hart, Mrs. Wayne E. Long, Mrs. Emmett J. McNamara, Mrs. Paul I. Moreland, Mrs. John H. Mueller, Mrs. William M. Schmidt, Mrs. Herbert J. Smith and Mrs. Earl D. Thompson.

Mrs. John F. McNamara is chairman of the party with Mrs. O. James Gagne, Mrs. James A. Herrington and Mrs. Glenn E. Walker on the committee.

Cocktails will be served at 11:30 o'clock with luncheon at 12:30 o'clock. This is an opportunity for GPYC guests to see an unusual collection of exquisite jewelry.

Fine Arts Dinner

Fine Arts Society is winding up another successful season this week-end with the annual dinner dance and election of officers at Lochmoor Country Club.

Chairmen for the evening are the Malcolm McLellan with the John Denlers, the Burt Lords, the William Evanses, the Lee Hanselmans and the John Benfields on their committee.

The George R. Wilsons, of North Oxford road, are entertaining at cocktails before the dinner dance.

From the Horticulturists

All winter long the Grosse Pointe Garden Clubs have been preparing just for this season of planting and tours. The Grosse Pointe Garden Pilgrimage, sponsored by the Detroit Garden Center, June 15 and 16, will show off nine elegant local gardens to the public.

Mrs. Bert Luther Lindzay is chairman of the pilgrimage with Mrs. David C. Lowe co-chairman. When Mrs. Allan Shelden III returns from a brief trip to New York she will announce the nine gardens.

In Boston this week for the 49th annual meeting of the Woman's National Farm and Garden Association are Mrs. Lynn McNaughton and Mrs. Henry P. Williams, national officers. Also representing the Pointe are Mrs. Clarence E. Maguire, Mrs. J. Crawford Frost, Mrs. James B. Ogden and Mrs. Benjamin E. Young.

To Toast Met Stars At Gala Opera Week

The Frank W. Donovans and Theodore O. Yntemas Will Give Dinner at Detroit Club Preceding 'Otello'; Stars Honored at Luncheons

Stars of the Metropolitan Opera Company of New York will be honored during their week's appearance here beginning Monday evening after the opening of "Otello" at the Masonic Temple.

Before the opening night curtain Mr. and Mrs. Frank W. Donovan and Mr. and Mrs. Theodore O. Yntema will give a dinner at the Detroit Club. Mr. Donovan is president of the Detroit Grand Opera Association and Mrs. Yntema is general chairman of the Met's appearance here this season.

Also entertaining at the Detroit Club before the performance will be Mr. and Mrs. John F. Gordon. Mrs. Gordon is co-chairman with Mrs. Yntema.

After the performance the Croatian Board of Trade will honor star Zina Milanov, singing the role of Desdemona in "Otello" at a party.

Met stars and officers will be honored by the Detroit Kiwanis Club at luncheon on Tuesday. That same day Mrs. A. D. Wilkinson will give a luncheon in her Lakeshore road home for 30 members of the company.

Mrs. Robert Fisher will also give a luncheon in her Bloomfield Hills home.

Mayor and Mrs. Jerome C. Cavanagh will entertain at luncheon for the Met company next Wednesday in the Veterans Memorial Building. Also on Thursday Mrs. Allan Shelden III, of Provincial road will be hostess at a luncheon. Mrs. Robert Chambers, of Bloomfield, will be a luncheon hostess on Wednesday.

On Thursday the annual opera luncheon at the Women's City Club will be held. Mrs.

Among the out of town guests here for opera week will be the Lowell Wadmonds, of New York. He is vice chairman of the board of the Metropolitan Opera Association. The Wadmonds will be the house guests of the Yntemas. Other out of town guests will be the assistant manager of the Met, Francis Robinson, artistic administrator, Robert Herman, and the assistant artistic administrator, Paul Jaretski.

Following the candlelight supper in the Fries Auditorium Ballroom, all members of the supper party will meet the principals and be regaled with anecdotes relating to the personalities and productions they will enjoy all week at the Masonic Auditorium.

Invariably opera seen through the eyes of the singers and producers takes on new meaning and becomes much more alive for the viewers. Also because some lesser known works are included in this year's schedule, the panel discussion will be especially valuable in bringing an easier appreciation and understanding to the opera goer.

Those wishing reservations should call the Center, TU 1-7511 immediately. They are \$4 a plate.

Prior to dinner, Mrs. William D. Laurie, Jr., will give a cocktail party for the Metropolitan stars and the panelists in her Merriweather road home. Included will be Mary Curtis-Verna, Morley Meredith and Robert Herman of the Metropolitan and Frank Donovan, Donald M. D. Thurber and Mrs. Theodore O. Yntema of the De-

troit Grand Opera Association.

Maureen Catherine Loranger, daughter of Dr. and Mrs. Guy L. Loranger, of Moross road, was married Saturday in St. Paul's on the lakeshore to Arno Frank Neumaier, son of the Frank Neumaier, of Detroit.

She wore a gown of white silk shantung with a beaded skirt extending into a chapel train. Her mantilla was of white illusion bordered with Alencon lace and she carried white roses with stephanotis and ivy.

The attendants were Ellen Dee Loranger, sister of the bride, and Mrs. Robert Verhelle. They wore frocks of soft rose linen with matching headbands and carried bouquets of blue iris and white daisies and ivy.

Robert Verhelle was best man and the ushers were Edmund Neumaier, brother of the bridegroom, Bernard Van

Church Women Meet May 28

The May meeting of the Women's Association of the Grosse Pointe Woods Presbyterian Church promises to be of interest to all church women in this area, who are cordially invited to this event.

The program is entitled, "People United in Christian Fellowship." The guest speaker will be Mrs. Leroy Walcott of Grand Rapids, the president of United Church Women of Michigan.

Other special guests will include the following: Mrs. Richard Dykstra, president of United Church Women of Detroit; Mrs. Lathrop Morse, president of Metropolitan Board of United Church Women; Mrs. James Covert, president of Michigan Synodical; and Mrs. Stephen Grace, president of Detroit Presbyterial.

This luncheon meeting will be held at the church on Tuesday, May 28, at 12:30 p.m. Reservations may be made by calling Mrs. Tew at TU 4-8810. There will be a nursery available on that day.

Anybody who feels that money grows on trees is likely to get caught out on a limb.

DYC to Hold Tropical Night

The month's gala doings at the Detroit Yacht Club will include the annual Tropical dinner dance and the Ladies Bridge Luncheon and fashion show.

Momi Lani, a life-size electric hula dancer, will greet the DYC members and guests arriving for their May 18 Tropical Party. "Gala Nite in Hawaii" is the theme, and many of the members will don summer clothes and pretend they're on that island paradise.

The upper lobby, ballroom and East Lounge will be transformed into a tropical island setting featuring bamboo huts, palm trees and flowers. Shell-trimmed fish nets and hurricane lamps in jewel colors will decorate the dinner tables. There'll be favors of beautiful leis and orchids.

The gala includes cocktails and hors d'oeuvres at 7 p.m., a Luau dinner at 8 p.m., and dancing to music by Paul Mendoza and his Musical Toppers. In the late evening, he will present a complete, authentic Hawaiian Revue.

In charge of all this is Edward Dahmer, the club's entertainment chairman, and his committee members. With the Dahmers will be past Commodore and Mrs. Edward Zerbe, Mr. and Mrs. George Kretschmar, Mr. and Mrs. E. S. Wallace, the A. M. McCarters and the Steve Hurlocks.

Among others with reservations are Commodore and Mrs. Carl Schweikart, the Harry Shorts, W. H. Melchers, John Aikens, Louis Luchtman, Herbert Nettes, Kurt Kremlicks, O. U. Theuerkorns and the Herbert Joyces.

The Ladies bridge luncheon and style show on the 21st will have "The Good Old Summer Time" as its theme and Hughes-Hatcher-Suffrin will provide the summer fashions.

There'll be a summer garden at the top of the stairway, willow branches and southern moss covering the ballroom ceiling, a tandem bicycle on the club stage, and centerpiece of summer flowers.

DYC members who will parade the fashions are the Mesdames Warren Garvey, Carl Lamparter, Eric Novak, Robert Yeager, Samuel Nicholl, Joseph Van Deweghe, William Ort, Jack Aderholdt, Edward Start, Lloyd Gladwin and George Timco.

Mrs. Timco and Mrs. E. Eric Daniels, card committee co-chairmen, appointed Mrs. George Menendez chairman of the day. Assistants are Mrs. Edward Zerbe and Mrs. Frank Walker. Mrs. Menendez will entertain a group including Mrs. Juan Morales, wife of the Nicaraguan consul; Mrs. Norman Birkkrant, wife of the Austrian consul; Mrs. Blair Birkett, wife of the Canadian consul; Mrs. Sebastian Rodriguez, wife of the Colombian consul; and Mrs. Harold Davis.

Among others with table reservations are the Mesdames Carl Schweikart, L. V. Ansel, Donald Hutchins, C. Joseph Belanger, Donald Gifford, Raymond Sitzman, M. C. Marriott, Bernard Farnell and Charles Oakman.

An excellent thing to get off your chest is your chin.

Monday, May 27, at 2:30 o'clock in the Lakeshore road home of Mrs. Richard H. Webber.

Speaker of the afternoon will be Mrs. David Ives Mackie, first vice president of the Garden Club of America, who will talk on "Around the Calendar with Flowering Shrubs and Trees."

The Pointe Garden Club will meet Monday, May 20 in the Rivard boulevard home of Mrs. Paul G. Hykes, who has finished her Federal Grand Jury stint.

On the program is an auction of plant material from the members' gardens and assisting the hostess will be Mrs. Sterling S. Sanford and Mrs. V. Foster Hutchins. Mrs. Harold B. Tyree, who has just returned from four months in Europe, reports that the Grosse Pointe Garden Club will hold its annual meeting Tuesday in the Lewiston road home of Mrs. William F. Black.

Russian Report To Smith Club

"My summer in Russia" will be reported to Smith College Club members this Friday by GPUS teacher, Jean Harris, at the Ridge road home of Mrs. Albert Dickson, Jr.

Mrs. Robert Peirce, president of the club, will preside over the election of officers and annual reports by Mrs. Whitney McCutcheon, Mrs. Perry TeWalt, Mrs. Gerard Mooney, Mrs. Dwight Black and Mrs. Harry Jewett II.

Among those attending will be Mrs. Frederick Fordon, Mrs. James P. Williams, Mrs. Joseph Buell, Mrs. Robert Rains, Mrs. George Wilson, Mrs. William Savage, Mrs. John Hastings, Mrs. Brace Krag, Mrs. Allen Lomax, Mrs. Waterman Hamilton, Mrs. Karl Kiefer, Mrs. George Nicholson and Mrs. A. W. Gallup.

For Tennis Exhibition

Tennis fans, anticipating the Little Club's annual invitational match week-end beginning May 24, will see members of the Canadian Davis Cup Squad compete against two from the University of Michigan Tennis Team on Empire Day, May 26.

Several members are entertaining at cocktails before the Friday night dinner dance at the club. The James McClellands, of Beacon hill, and the Paul Fishers, of Lakeland avenue, have both invited groups before the club event.

On Sunday before the brunch and game the Lawrence Gottfredsons of Washington road and the Jeremiah Jenks, of University place, will entertain.

Mr. Fischer is chairman of the committee which has arranged the tennis exhibition week-end.

GP Newcomers Have Steak Fry

The Grosse Pointe Farms Waterfront Park was the setting for the annual Steak Fry and Election Party of the Newcomers Club of Grosse Pointe, Saturday, May 11.

Serving as president couple for the 1963-64 season will be Dr. and Mrs. Arthur Johnson; vice president, Mr. and Mrs. William Abrams; and treasurer, Dr. and Mrs. Gene Fry; and Mr. and Mrs. Peter Weisse will remain on the board of directors as advisors.

The president elect made the following appointments: social chairman, Mr. and Mrs. Robert Stauffer; co-social chairman, Mr. and Mrs. Larry Haller; membership chairman, Mr. and Mrs. William Peeler; and publicity chairman, Mr. and Mrs. Leslie Shick.

Annual reports of the standing committees were presented to the membership. Following the business meeting the crowd enjoyed charcoal grilled steaks and a delicious buffet in the atmosphere of a German May Party. The walls were cleverly decorated with posters depicting comic German aphorisms. Music for dancing was provided by Hal Newman's "Deutschland" band.

The committee chairmen were Mr. and Mrs. Clyde Vadner. They were assisted by Mr. and Mrs. Jerry Egan, Mr. and Mrs. John Gilmore, Mr. and Mrs. Mac McCracken, Dr. and Mrs. Larry Savage, Mr. and Mrs. Don Shaw, Mr. and Mrs. Robert Vivers, and Mr. and Mrs. Arthur Voigt.

Center to Hold Riviera Night

Dinner and an Evening on the Riviera will be featured in the Crystal Ballroom and little theater of the Grosse Pointe War Memorial's Fries Auditorium Monday, May 27, at 7 o'clock.

Guests will be greeted with games tables in a Monte Carlo casino setup. They will later be seated at tables for eight in the air conditioned ballroom overlooking the lake. A special menu of choice recipes featured on the French and Italian Riviera will be served. Each guest will receive a copy of the recipes.

Following dessert, Joan B. O'Connor, owner and manager of Detroit's excellent French restaurant, The Pontchartrain Wine Cellars, will talk briefly on the Wines of Provence, an excellent selection of which she will have with her.

Mrs. O'Connor has the distinction of being the only woman in the world admitted to membership in the select society of wine experts, the Commanderie de Bon Temps de Medor. She just this week returned from Southern France and Italy where she has been tasting wines, checking vintages, and making selections. Adjoining to the little theater, guests will view a show-ell residence, 801 Lincoln, was lectured from two stores of the Board of Pointe's exclusive shopping area

LITTLE GIRL BITTEN

Katherine Andrews, age 7, 846 University place, was bitten on the finger of her right hand in front of 942 University shortly after 4 p.m. Thursday, May 9. She received treatment at Bon Secours, and City police began a search for the dog, described as a brown and white collie with a faded red collar. The animal, eventually located at the Robert J. Brownell residence, 801 Lincoln, was impounded, and the Board of Health notified of the bite.

Pair Speak Vows Saturday in St. Joan of Arc Church With Reception Following at Village Manor; Trip to Irish Hills and Chicago

Carol Ann Endres, daughter of Mr. and Mrs. Francis F. Endres, of Hampton road, was married Saturday in St. Joan of Arc Church to Paul Charles Matejick, son of Mr. and Mrs. Edward J. Matejick, of Detroit.

The bride wore a silk organza gown accented with Alencon lace and a crown of seed pearls and lace caught her short illusion veil. She carried stephanotis and ivy.

Kathleen Endres was maid of honor and the bridesmaid was Estelle MacFarland. They wore pink satinette gowns and carried flower balls of pink carnations and ivy.

Thomas Kufchock was best man and seating the guests was Gerald Flood.

For her daughter's wedding and reception at the Village Manor Mrs. Endres chose a sea mist silk shantung gown. Mrs. Matejick was in blue silk. Both mothers chose white orchids.

When the newlyweds left for the Irish Hills and Chicago the bride was wearing a periwinkle blue silk suit. They will live in Detroit.

Theater Night To Aid Camp

The Broadway musical, "How to Succeed in Business Without Really Trying," is making fresh tracks towards success in both New York and London.

Now Detroit-area theatergoers will have an opportunity to witness this pace-setting play—and at the same time help send diabetic children to camp next summer.

The musical, which opened a run at the Fisher Theater in Detroit on April 22, has been selected for the third annual benefit of the Lay Society of the Michigan Diabetes Association.

The benefit will be staged exactly one month after the Detroit opening on Wednesday, May 22.

Tickets for the camp benefit may be obtained in this area by calling Mrs. Ronald Wells, PR 1-3127, Mrs. Donald C. Beckley, 771-1287, or Mrs. Fred Olmstead, TU 4-4534.

MD Solicitation Set for June 4

A plea was issued today by the local headquarters of the Muscular Dystrophy Association for some 2,000 volunteer marchers to assist the Southeastern Michigan Chapter in its annual drive to raise funds with which to combat one of our nation's most dreaded crippling diseases.

The campaign, for contributions to finance treatment for the victims of muscular dystrophy, as well as to pay for a medical research program, will run from May 1 thru June 15. In past years, the drive has always been held during November and December. However, local M.D. officials decided to change the 1963 drive to the spring of the year in hopes of meeting a much inflated budget.

The door to door solicitation, a highlight of each Annual Muscular Dystrophy Drive, will fall on the night of June 4.

Inasmuch as many of the organization's volunteer workers will be on vacation at this time of the year, at least 2,000 additional workers must be enrolled in the 1963 campaign.

Any person, male or female, 18 years or older, was urged by Paul Miltello, the Muscular Dystrophy Association's Regional Director, to contact his office by calling WO 1-5400 or writing M.D. Headquarters at 205 Fine Arts Bldg., Detroit 26, if they are interested in assisting with the charitable organization's fund raising activities.

Area chairmen for the drive in the Pointe are Mrs. David Wigton, of Neff road, City of Grosse Pointe; Mrs. F. A. Lauppe, of Cloverly road, Grosse Pointe Farms; Mrs. L. Pappas, of Greenbriar lane, Grosse Pointe Shores; Mrs. Fred Baker, of Somerset road, Grosse Pointe Park.

Co-chairmen of the Grosse Pointe Woods drive are Mrs. Walter Kuehnel, of Clairview court, and Mrs. Albert Scholl, of Anita road.

Cub Pack 147 Plans Carnival

Cub Scout Pack 147, sponsored by the Defer School P. T. A., will present a big carnival on Saturday, May 25, from 1 to 5 p.m.

There will be many entertaining features, among which will be games of skill and the tunnel of horror. Plenty of amusement for the children, prizes for all and refreshments. This project, to help finance their activities for the coming year, will be the main fund raising event of Cub Scout Pack 147.

REPORTS THEFT

Four hubcaps, valued at \$25 each, were stolen from a car owned by William Jackson, 44, of 1269 Aline, according to a report given to Woods police on Tuesday, May 7. Jackson said that his car was parked alongside his house at the time of the theft.

Mrs. Paul C. Matejick

In St. Joan of Arc Church Saturday, CAROL ANN ENDRES, daughter of Mr. and Mrs. Francis F. Endres, of Hampton road, was married to Mr. Matejick, son of Mr. and Mrs. Edward J. Matejick, of Detroit.

Meeting Slated By Book Club

May 20 will see the final meeting of the season for the Pointe Book Club.

Members are anticipating Mrs. Edgar Hahn's review of the complete works of Robert Frost, with special emphasis on the poet's last book, "Within the Clearing."

The luncheon will be held at the home of Mrs. George Burgess of Severn road. Mrs. Gordon Roeglin is co-hostess.

COMBINE

The main ingredient to success is to be a good mixer—mix brain power with tireless energy.

AAUW Slates Study Exhibit

The final meeting of the year for the Grosse Pointe Branch of AAUW will be held at the Grosse Pointe War Memorial Thursday, May 16.

The luncheon meeting will begin at 12:30 in the Fries Auditorium. The AAUW Choral Group headed by Mrs. Harold E. Misteale, and directed by Mr. Mendel Lucatsky will present musical selections.

An exhibit from each of the study groups showing their work of the year will be on display. It will be coordinated by Second Vice President, Mrs. C. G. Turrell.

The program will be presented by a committee of members who are world travelers, Mrs. Taylor H. Seeber, Chairman, Mrs. Hubert G. Goebel, Mrs. Alfred F. Taylor, Mrs. Harold W. Merrill and Mrs. Wallace A. Temple.

For reservations call Mrs. Oswald M. Robbins, VA 2-6304 or Mrs. Robert L. Starnes, PR 2-3708.

Fortnighters to Travel For Dinner this Friday

The Fortnighters Club will meet this Friday for a progressive dinner with the first course to be served at 7 o'clock at the Lakepointe avenue home of Jim Gunther.

They will wind up the menu with dessert at the South Renaud road home of Myron Ranney and complete the evening with cards and dancing. For reservations call Judy Satter, TU 1-9056 or Carole Thompson, TU 1-6247.

DAC to Inaugurate New Dance Gala

Will Fete Intermediate Members at Party this Friday Evening; Squash and Handball Teams Entertained Wives on Tuesday at Dinner Dance

Detroit Athletic Club will inaugurate a "DAC 21 Club" dancing fete this Friday night, May 17, the "21 Club" being a festivity especially designed for the DAC's intermediate members, an age group of 21 to 30 years.

It will bring together young married intermediates and their wives with the single members in this group and their dates. Aims are to get acquainted, and to enjoy an evening of dancing. The party-goers may bring guests of the same age group.

The time is 9 p.m. and the place is the spacious cocktail lounge area on the second floor mezzanine. Jerry Richardson's five-piece orchestra will play for dancing from 9:30 to 12:30. Dress is informal.

On the party-steering committee are Bartholomew A. Seymour Jr., Henry G. Gildner Jr., Norman J. Fredericks Jr., J. Michael Sullivan, Don D. Andreae and James M. Blankenhagen.

Plans are to schedule "DAC 21 Club" fiestas at intervals through the year.

Another group making merry at the club this week were the DAC Blackbatters who honored their wives this past Tuesday, May 14. Dinner and dancing in the main dining room followed squash and handball matches by the esquire side while the feminine contingent watched, and a cocktail hour.

The May 14 date was chosen so the party would have the advantage of the DAC's floor show which continues through the 20th, the entertainers being Lucille and Eddie Roberts, comedy-mentalists, and Zippy the Chimp.

At the Blackbatters party were Grosse Pointers Mr. and Mrs. E. Dawson Fisher, Mr. and Mrs. Joseph C. Cox, the Fred J. Schumanns, Mr. and Mrs. Keith Manglos, Mr. and Mrs. Joseph Mack, and the Rex Aubreys of St. Clair Shores.

At the DAC's gala floor show opening last Friday, May 10, were Mr. and Mrs. Henry C. Weidner who marked their wedding anniversary by entertaining six close friends. Their guests were Mrs. Frank R. Dimond, Mr. and Mrs. Tom H. Bartel, Elving Anderson, and Mr. and Mrs. Cleon Althaus.

Mrs. Edward Henkel Sr. was hostess that evening to the Milton Henkels and the Charles Chapmans; the Charles Frischkorns and George Frischkorns were a foursome, and Mr. and Mrs. John D. Benfield were guests of the Fred J. Menos II.

GPYC Plans Opera Party

Mr. and Mrs. J. C. Griffin and Mr. and Mrs. Frank Calkin have arranged an opera party for Grosse Pointe Yacht Club members on Thursday, May 23.

Antipasto and cocktails will be served at the club from 5:30 to 7 o'clock. Carmen and his strolling troubadours will provide music.

Then the guests will board buses for the Masonic Temple to see the Metropolitan Opera's performance of "Tosca." After the curtain the buses will take guests back to the club for an Italian supper.

Among those with reservations are Mr. and Mrs. Earl Fraser, Dr. and Mrs. Edward James, Mr. and Mrs. Don Ford, Mr. and Mrs. Ed Roney, Mr. and Mrs. Ed Stringari, Mr. and Mrs. Roger Smith, Mr. and Mrs. Paul Moreland, Mr. and Mrs. Ed Schoenherp, Mr. and Mrs. E. A. Chaplow, Mr. and Mrs. Joel Bremers and Mr. and Mrs. E. D. Thompson.

Mr. and Mrs. Richard Campau, of Ridgemoor road, announce the engagement of their daughter, MARY CATHERINE, to Richard C. Paschke, Jr., son of the senior Paschkes, of St. Clair Shores. An August wedding is planned.

Mr. and Mrs. William Montague Perrett, of Kensington road, announce the engagement of their daughter, JEAN ROBINSON, to Robert Henderson Watson, Jr., son of Mrs. Robert H. Watson, of Grayton road, and the late Mr. Watson.

The bride-elect attended Meredith College, Raleigh N.C., and was graduated from Highland Park Junior College. She is a member of the Louisa St. Clair Chapter, Daughters of the American Revolution, and the Daughters of Colonial Wars.

Her fiancé is an alumnus of Detroit University School, Harvard University and the University of Michigan Law School. He is a member of Delta Theta Phi, Barristers Honorary Society, Harvard Varsity Club, Harvard Club of Eastern Michigan and president of the Chapter Sons of the American Revolution. The wedding is planned for July 13 at Christ Church.

Teachers Slate Benefit Party

The Grosse Pointe Federation of Teachers will sponsor a benefit party for the Grosse Pointe School for Exceptional Children tomorrow evening, May 17, at 8:15, at the Grosse Pointe War Memorial.

Proceeds from the card party will help to pay for the tuition for some students and to buy needed equipment for the school.

Serving as co-chairmen for the benefit are Miss Betty Frountelner and Elmer Lepp. Tickets may be obtained at the School for Exceptional Children, from any American Federation of Teachers member, or by contacting Miss Frountelner at TU 2-7236 or Mr. Lepp at 293-3762.

Delta Kappa Gammas To Celebrate Founding

The Grosse Pointe Chapter of Delta Kappa Gamma, an international honor society composed of women educators, will commemorate the founding of the fraternity on Saturday, May 18, at the Detroit Yacht Club.

Laura Mackeben, president of the Grosse Pointe Chapter, will preside over the Founders' Day ceremonies, following which a panel will present "New Horizons in the Professions." Virginia Hoelzle will act as moderator. Various professions will be represented.

Chairman for the event will be Warren Rhodes; and Gladys Gies, Rachel Brake, Ruth Curtis and Leona Weier will serve as hostesses for the occasion.

To Be Wed

Mr. and Mrs. Richard Campau, of Ridgemoor road, announce the engagement of their daughter, MARY CATHERINE, to Richard C. Paschke, Jr., son of the senior Paschkes, of St. Clair Shores. An August wedding is planned.

Yoga Pageant At Institute

A "Pageant of Yoga" will be presented in the Main Auditorium of the Detroit Institute of Arts on May 16 at 8 p.m. by a group of teachers and students of Yoga from the Self-Realization Fellowship, Detroit's own Yoga center.

The Pageant was previously given at the Bloomfield Hills Art Association on March 15 of this year, with so much demand that this repeat performance has been arranged.

George Johnston of 16940 East Jefferson, is one of the stars of the Pageant, and for the past year Mr. Johnston has been conducting classes in Yoga at the Grosse Pointe War Memorial.

The program on May 16 will include Yoga postures that are symbolic of the spiritual nature of Yoga, as well as a group of postures that artistically suggest sculpture, with rhythmic sequence and poised balance.

The last portion of the demonstration will blend the holding of Yoga postures with movements of the ballet. Mrs. Helen Swan of Royal Oak, head instructor of the Yoga health and exercise classes of the Self-Realization Fellowship in Detroit, will narrate the program which has been under her supervision and arrangement.

There will be no admission charge for the program, but a free will offering will be taken.

The Devils were to travel to Highland Park (May 13) and Cranbrook (May 15) before returning home on Thursday May 16 to host Royal Oak.

Babe Ruth Loop Opening Sunday

By Dave Marsteller

Last Thursday evening was the big night for 12 of the community's prettiest teen-age girls as the Third Annual Woods-Shores, Miss Babe Ruth League Contest was held. The Board of Governors had their usual almost impossible task of selecting one of these girls to be Miss Babe Ruth League for 1963.

After all the votes were counted the girl chosen as Miss Babe Ruth for this season was Leslie Geldart — Miss Roy O'Brien Ford. Leslie is a ninth grader at Brownell Junior High and plans to enter the teaching field after she leaves school. Congratulations to Leslie and may her reign be a happy one.

Leslie and all of the other Queens will be present to reign over our Opening Day festivities this Sunday, May 19. The parade will start at Parcels Junior High, Vernier at Mack, at 1 p.m. and will proceed down Mack avenue to Cook road into the playing fields at Grosse Pointe University School where the Opening Day ceremonies will be held. A full schedule of games will be played with the Automotive League teams playing at 2:30 and the All-American League at 4:30. All games will be played at GPUS.

Souvenir programs will include schedules, player rosters, queens' names and much other interesting information on the Woods-Shores Babe Ruth program. We are indebted to Whit Ballow and his Mulford Printing Company for their help in making this program possible.

We will be holding a fund raising drive on Saturday, May 18, between 11 and 1 for the purpose of obtaining the necessary funds to carry on our program. Even though we have done everything in our power to cut our expenses, and even with the wonderful assistance of our sponsors, an increase in players and increased costs have placed our league in trouble. We desperately need over \$1,200 to complete our budget.

On the 18th players in uniform with canisters will knock at your door asking for your help. Please contribute whatever you can to keep our program going to help the Board of Governors provide this organized recreation for the teenage boys of our area. The entire area of the Woods and Shores will be canvassed and if no boy calls at your house and you wish to contribute please send your check to Bill Fredericks, 1344 Torrey road, Grosse Pointe Woods.

Little League Results

WOODS-SHORES
By Mel Snyder

With the largest roster of players in its history assigned to 42 teams, the 1963 Woods-Shores Little League biggest season got into full swing this week. Some rain and cold weather had held most practice sessions down to a minimum but extra hard work by both managers and coaches got all the teams off to a good start for another successful year, the tenth in the league's history.

The season itself started off with a bang — in the Red-Giants game. Though the final score was 7-1 it wasn't decided until the final inning. The Red's G. Messar made two spectacular catches and a triple. Tad Turner had a triple and Parker "pulled one from the clouds" but Giant Tim Allard's homer with two on in the final inning settled the game in favor of the Giants.

Byron Stuck pitched the entire game for the Reds while Dave Beaufait started but Pete Wittstock ended up as winning pitcher for the Giants. In addition to Tim hitting the winning home run he also assisted in a double play earlier.

In the Indians-Red Sox it was 6-0 for the Red Sox even though Dave Harris of the Indians pitched a fine game and struck out 14 batters.

In a 7 inning duel the Tigers took the Phillies 4-3 helped by a home run by Skip Olden and a triple by Ken Rem. Bob Lehman even with 9 strike-outs was the losing pitcher.

The Yankees took the Pirates 3 to 1 with George Hodges pitching 8 strike outs and aided by Curt Mumaw's two doubles.

In Triple A it was Sacramento 11 Denver 7 with Heaphy the winning pitcher aided by a beautiful triple play.

In the other game Seattle took Hollywood 9-6 with Koste the winning pitcher having 11 strike outs.

In Class "C" Buffalo apparently heard about our recent Tiger-Indian game as they took the measure of Richmond 15 to 1. Ralph Booth pitched a fine game and went 4 straight innings before even allowing a hit by Richmond.

In this league's other game Miami beat Syracuse 3 to 0. Ed Moran was winning pitcher and Jeff Moran losing pitcher — how is that for confusing things.

In both Triple A and Class C the other two teams open their part of the season on Monday. Next week we'll have their results as well as the others of course.

We are pleased to report that those helmets for the batters paid off again. One of the boys got hit real solid — took him to hospital — NO ILL EFFECTS. They may not be the handiest things to wear but here is another case. Also your writer noted quite a few with sun glasses — WE SURE HOPE THEY ARE SAFETY GLASSES BOYS???

GROSSE POINTE PARK

By P. A. Tscholl

Amidst the sound of the national anthem at a colorful flag carrying ceremony the Grosse Pointe Park Little Leaguers launched their tenth annual baseball season. All the teams, coaches and managers as well as the officers and directors were introduced. Following this the battery of Councilman Ives and Mayor Pro Tem Oddy officially started the season by throwing and catching the first ball.

Opening day for the 1963 Little League season started with typical Little League action with three no hitters and a one hitter. In the Yankee-Indian game, three pitchers, Robin Jacobs, Ricky Royer, and Danny O'Keefe fashioned the first no-hit game of the season with Jacobs getting the victory. Even with this fine pitching the Indians managed only to squeeze out a 3-2 victory over the Yanks as Chuck Howe, the losing pitcher, only allowed 5 hits with Danny O'Keefe slugging the only extra base hit of the contest.

The Orioles' Jim Zakem, Nicola Balderi, and Leon Nahat also combined to pitch a no-hitter but lost to the White Sox and Bill Bailey 10 to 4. Eileen walks led to the Orioles' downfall.

The Athletics easily defeated the Senators in their first game 9 to 3. They won it in the first inning when the Athletics collected seven runs on 4 hits and 5 walks. The big blow was Rick Worrell's double to center field scoring two runs. Bill Ehrlich was the winning pitcher giving up three hits and three runs all in the first inning.

The National League got underway as the Giants edged the Braves 3 to 2 in extra innings. Steve Parcels pitched a fine game for the first six Giant innings. Katsaros was credited with the victory. Mike Reno was the victim of the Giants' third run when he walked Tim McMillan. Tim promptly stole second and third base and scored on Reese Larson's grounder to first. The Braves had tied the game in the bottom of the sixth to make a very exciting game.

The third no-hitter of the day was pitched by Dave Schnur of the Dodgers. The game ended 2 to 0 as the Pirates could do nothing with his deliveries. Gary Hughes received the loss.

The Cardinal-Red Leg game was anything but close. The final score was 10-4 as Tom

Also awarded were trophies to last year's winners and runner-up teams. A prize also went to Bill Carey, John Devoe and Bob Knudson for the first 3 places in sales of tickets.

David Hughes, fireballing righthander, pitched a four-hit shutout last Friday and Nels Olson, junior southpaw, tossed a no-hit, no-run game on Saturday to give the Grosse Pointe University School ball team a sweep of a two game series with the Mohawks of Maumee Valley Country Day School, Maumee, Ohio.

The Knights collected 17 runs in support of their moundmen, racking up scores of 12-0 and 3-0. Hughes, who has not given up an earned run in 21 innings, mastered both the 40 degree weather and the Ohio batters as he fanned eight and walked only four.

The Knights parlayed eight hits, 12 walks and several errors into 12 big rallies after dropping two of their last three games by 1-0 margins. Two errors in the field nearly cost Hughes his shutout but putouts at the plate by catcher Bob Thorpe thwarted the Mohawks' only real chances.

Jim Gardner went all the way for the Mohawks on Saturday and allowed only three runs on three hits but his performance wasn't good enough, as Nels Olson handcuffed the visitors which had been playing .700 ball and batting .350 against Ohio competition, to achieve the first no-hitter of his high school career.

He struck out 12 of the 24 batters he faced while walking three. Centerfielder Charlie McPeely swung the big bat for the Grosse Pointers as he collected two run-scoring doubles, one in the second and one in the fourth to put the game on ice. Alan Hartwick, agile shortstop, picked up the only other hit of the day, a single, and scored the third run in the fourth when he came home from third on a throwing error.

The Knights now have a 5-3 record. The pitching staff, however, composed of Hughes, Olson, and junior Marsh Moser has given up only two earned runs in 56 innings of play for an earned run average of 0.25.

Sanger grabbed his first victory of the year. Earl Estes and Tom Sanger had 5 hits together in leading the Card sluggers. One bright spot for the Red Legs appeared when ten year old Fred Rohn held the Cards scoreless after Marty Vertrecht departed in the second inning.

In the minor league action, Michigan overpowered Michigan State 14-2 as Dave Oliver granted only one hit to Richard Ripper of MSU.

Northwestern beat Illinois 12-4 in a free hitting battle. Tom Bird went all the way on the mound for Northwestern. Tom DuFour was charged with the loss. John Tompkins finished up on the mound for the losers.

Devil Trackmen Winners In Hard Edsel Ford Meet

By Bill Hagman

On Tuesday, May 7, at Edsel Ford High School of Dearborn, the Grosse Pointe Blue Devils had the battle of their lives for the first 10 events of their dual meet with Edsel Ford. With only three events remaining the Devils led by the slight margin of 45 1/2-44 1/2. However the Pointers swept the mile and won both the 880 and mile relays to take a hard-earned 64 1/2-44 1/2 triumph.

John Gerich equaled the school record when he was timed in 20.0 seconds in the 180 low hurdles. Terry Raven tied his fastest time of 10.1 seconds in the 100 yard dash. Doug Schulte ran the fastest GP varsity time for the mile this season when he turned in an effort of 4:46.5.

On May 14 the Devils traveled to Royal Oak and on May 16 they will be at Monroe for a make-up meet.

Jean Hoxie Will Speak At GPUS Sports Banquet

Famed Jean Hoxie, Hamtramck tennis coach, will tell what it takes to be a champion when she speaks to Grosse Pointe High athletes and their fathers at the Spring Sports Roundup banquet at 6:30 p.m. on Tuesday, May 28, at the High School cafeteria.

Jean Hoxie, who has coached tennis in almost every country of the world, will be the highlight of the event: that will honor Grosse Pointe athletes in baseball, track and tennis, as well as intramural stars of softball, golf, water polo and badminton.

According to Minard Mumaw, Dads' Club president, the group sponsoring the banquet, the cost per person will be approximately \$3.50. This includes cost of a delicious roast beef dinner as well as the trophies. It is expected that donations will cover these expenses.

Advance reservations can be made now to Athletic Director Frank Banach, Grosse Pointe High School, 11 Fisher road, Grosse Pointe Farms 36, or make reservations by phone to Frank at TU 4-3200.

Jean Hoxie, the main speaker, is a member of "Who's Who" and was recently given the Knute Rockne award. Her teams have won 194 national championships.

Devil Nine Loses Third Straight BCL Contest

By Bill Hagman

Last week was a hectic one for the Grosse Pointe Blue Devil ball players as they had to play four games. The fourth one was called on account of rain.

On Monday, the Monroe Trojans traveled to Grosse Pointe for a BCL game. Jay Yeckley was the Devils' starting pitcher while Drinkhahn started for Monroe.

The game saw both teams out in order in the first inning. However, with two down in Monroe's second, Wilkie hit a tremendous homer into the tennis courts to give the visitors a 1-0 lead. That one run proved to be the winner as it was the only run of the game.

Drinkhahn moved down Devil after Devil and when the game was over he had pitched a no-hitter. Only three base runners got on base against him. Devil catcher John Reynolds walked twice and Mike Nolan was safe when the Trojan second sacker muffed his grounder.

Yeckley was replaced by Danny Paull after being injured in the bottom of the third while running out a grounder. Paull pitched nicely, allowing only two hits in four innings.

Hitting again was the big problem in the Devil loss although they have gotten at least one hit a game before this no-hitter. Pitching is very creditable but no pitcher ever won a game without good hitting support.

On Tuesday, the Pointers traveled to Royal Oak Dondoro for a make-up game against the Acorns. The game went into extra innings when after the regulation seven innings the teams were tied 2-2. The Devils punched over a run in the top of the ninth but Royal Oak scored two and sent the Devils down to their third straight BCL loss.

The Devils scored two runs in the first inning. Mike Ballew opened the game with a walk. Larry Link singled to score. Ballew after the latter had stolen second, Tom Thompson singled, sending Link to third. A walk to John Reynolds filled the bases and then an infield out by Marc Lonesk scored Link.

Royal Oak scored one run in its second inning when a single scored a runner from third. The Oaks scored another in the third to tie up the game when a double pushed across a runner from second.

The game from that point remained scoreless until the 9th when the Pointers scored a run when a hit and then three walks were coupled together.

Royal Oak tallied twice in the bottom of the ninth to seal the game. An error placed the first runner on base and the other another error, a walk and a single pushed one run across. The next batter smashed a triple to finish the Pointers.

At Grosse Pointe last Wednesday, the Devils came out of their three game losing streak

when they scored a come-from-behind victory over Port Huron. The visitors helped the Devils along by committing six errors. The seven runs scored by the Pointers were their highest output of the year while the six scored against them are the most an opposing team has scored.

The Big Reds bombed starting pitcher Bob Critchfield when a walk, a triple and a smashing homer put three runs across before Jeff Von Schwarz came in and retired the side.

The Devils scored two in their first inning when John Reynolds hit a single up the middle which was misplayed by the center fielder resulting in both baserunners scoring.

The Devils picked up a run in the third when Mike Ballew singled and took second on a bad throw. He scored when Larry Link was safe on an error.

In the fourth inning, the Pointers got three more tallies. Marc Lonesk poled out a homer to start the rally. Terry Kasiborski doubled and scored when Nolan was safe on an error. Nolan scored later when Ballew singled.

Port Huron came back to life in the sixth when three singles and a walk pushed across a run.

In the Grosse Pointe sixth a double by Bob Gierman was wasted as he died on third.

The Big Reds tied the game up in their half of the seventh when two errors and a single chased Von Schwarz. Jay Yeckley came in and retired the side but not before two runs had scored.

The Devils won the game in the seventh when a walk, a double and another walk filled the bases. Bob Gierman laced a single to left which sent Link and the winning run across the plate.

Sailors Prepare For Steak Roast

The Grosse Pointe Sail Club will hold its annual steak roast for members and guests this Saturday, May 18, at the Grosse Pointe Park clubhouse. Activities are slated to begin at 7 p.m.

There are only about a 100 members in the Grosse Pointe Sail Club, but already it has made quite a mark in Great Lakes sailing activities. The Club is a member of the Detroit River Yachting Association and, in sailboat races sponsored by this organization in 1962, won three championships: the "Flying Scot" class, with skipper John Sauer; the "L" boat class, with skipper Al Whittaker; and the "K" class, with skipper Tom Disinger.

As a matter of national interest, the Club's past commodore, William McGraw, won the 1962 Nolan (ss) 2 0 0 0 North American Folkboat championship.

Currently, in addition to hosting the D.R.Y.A.'s July 13 regatta, the Grosse Pointe Sail Club also sponsors night races every Tuesday at 7 p.m., beginning June 14.

Ecorse Wins Water Relays

By Bill Hagman

Last Saturday at Monroe's track, the Devils managed to tie for fifth in the Dick Waters Relays although they won the relays last year. The Pointers compiled 12 points which was the same amount accumulated by Romulus and Thurston.

Ecorse won the meet with 27 points. Birmingham Seaholm was second with 17 1/2 points; Toledo Scott was third with 15 points; Ann Arbor took fourth with 14 points. Some of the other schools entered were Toledo Woodward, Monroe, Roseville, Hazel Park, Inkster Robichaud and 14 others.

The Pointers won the 880 Relay with a time of 1:31.9. Members of the team were Doug Minge, Pat Richardson, Bob Pryor and Terry Raven.

Carl Rea took a second for the Devils in the High Jump when he cleared the bar at 5' 11".

Terry Raven placed fourth in the 100 yard dash when he was clocked in :10.4. Raven's time was hampered by a bad start.

The Pointe Mile Relay team finished fifth in the event. Members of the team were Tom Raven, Bob Breen, Bill Simson and Brian Davis, a last minute starter when regular Greg Theokas came down with the measles which are currently raising havoc in Grosse Pointe High School.

Gary Emmett Utz Rows on Wayne Crew

Gary Emmett Utz, of 1585 Aline, Grosse Pointe Woods, is a member of what Wayne State crew coach Jud Ross calls "my best team in ten years."

On Saturday, Utz was in WSU's eight-man shell which upset traditionally strong Wisconsin on Wolverine Lake in Oakland County. The Tartars also defeated Fordham that day to bring their season record to five wins and two losses.

Utz, 19, is a sophomore majoring in engineering at Wayne State. He graduated from Grosse Pointe High in 1961.

He rowed on Ross' freshman crew last year, and earned a spot on the No. 1 varsity boat this spring with fine improvement during winter practice.

The University of Michigan was the first U.S. university to maintain a commercial airport, Willow Run, in 1947.

This year, as in years past, the Grosse Pointe War Memorial Center needs your help. We appeal to your pride in your community and we appeal to your generosity for assistance in meeting a portion of the operating costs of the War Memorial. Last year the War Memorial had one of its most active years, with more than 100,000 men and women, boys and girls, using its facilities. This year, with the Fries Auditorium in full use, the program of the Center will reach an even larger portion of the population of the Grosse Pointes. The

Grosse Pointe War Memorial belongs to all of us. All of us share in its benefits to our area. The Center receives no United Foundation money. Contributions to it are deductible for tax purposes. All of us have an obligation to protect and to further this fine asset.

Your personal invitations will arrive shortly.

13—REAL ESTATE FOR SALE

WITH A FOUR IN MIND. You, with a four bedroom home requirement. You who must stay in the middle twenty thousand dollar range. You who want to be near schools and transportation, better see this one in the Farms forthwith.

PRICED WITH THE SHARPEST pencil. A roomy home on Berkshire Road, which offers elbow room galore. Bedrooms and baths to accommodate a large family at low cost. The small price of \$35,500.

STEP RIGHT IN. Sit right down. We'll bet you'll agree it's the best buy in town. A four bedroom 2 1/2 bath on Whittier Road, which boasts three fireplaces, pegged floors, and a beamed ceiling rathskeller. Recently reduced to \$36,500.

PAST PERFECT. And the past has been perfectly incorporated in this early American colonial on Cloverly Road. Your prized possessions, even your furniture will look marvelous in this five bedroom beauty in the heart of the Farms.

TAKE ADVANTAGE of this unusual purchase opportunity where a newly decorated terrace apartment can be bought with a minuscule down payment. Monthly costs are less than most rentals. Four bedrooms, and 3 baths in each apartment.

YES... you can buy a newer three bedroom home in the Farms for under twenty thousand dollars. We offer a gem of a ranch home which has been maintained in mint condition. Just a minute's walk to Hill Shopping, Richard School, and 2 bus stops.

A SHOWPLACE in every detail. Center hall floor plan with paneled library off the living room. Knockout kitchen with built-ins. Four honest-sized bedrooms. South of Jefferson in the Park. Now at \$49,500.

BEST RANCH HOME buy offered in this neighborhood. Boasts 2 baths, and a library, plus a large family room which is paneled and features a sloping, beamed ceiling. Attached garage and secluded yard.

ONE WOULD EXPECT to find four bedrooms in this larger colonial on Whittier Road, but the owner decided on three immense rooms and two large baths. Center hall plan provides for a separate dining room and library. In the thirties.

A STATELY HOME located in one of the Pointe's newest addresses, Webber Place, where a fine subdivision was laid out preserving the large old trees on one of the better known Lake Shore Estates. This home is just two years old, and offers all the extras you would expect to find in a house of its calibre. Four family bedrooms, plus a maid's room and bath. Magnificent foyer which opens all the way to the second floor.

FIRST CHURCH OF CHRIST, SCIENTIST

City of Grosse Pointe ORDINANCE No. 113 AN ORDINANCE ADOPTING A FIRE PREVENTION CODE PRESCRIBING REGULATIONS GOVERNING CONDITIONS HAZARDOUS TO LIFE AND PROPERTY FROM FIRE OR EXPLOSION, AND ESTABLISHING A BUREAU OF FIRE PREVENTION AND PROVIDING OFFICERS THEREFORE AND DEFINING THEIR POWERS AND DUTIES.

Section 1. Adoption of Fire Prevention Code. There is hereby adopted by the City of Grosse Pointe for the purpose of prescribing regulations governing conditions hazardous to life and property from fire or explosion, that certain code known as the Fire Prevention Code recommended by the National Board of Fire Underwriters, being particularly the 1960 edition thereof and the whole thereof, save and except such portions as are hereinafter deleted, modified or amended, of which code not less than three (3) copies have been and now are filed in the office of the Clerk of the City of Grosse Pointe and the same are hereby adopted and incorporated as fully as if set out at length herein, and from the date on which this ordinance shall take effect, the provisions thereof shall be controlling within the limits of the City of Grosse Pointe.

Section 2. Establishment and Duties of Bureau of Fire Prevention. The Fire Prevention Code shall be enforced by the Bureau of Fire Prevention in the Fire Department of the City of Grosse Pointe which is hereby established and which shall be operated under the supervision of the Chief of the Fire Department.

Section 3. Definitions. "Municipality" is used in the Fire Prevention Code, it shall be held to mean the City of Grosse Pointe.

Section 4. Establishment of Limits of Districts in which Storage of Flammable Liquids in Outside Aboveground Tanks is to be Prohibited. The limits referred to in section 16.22a of the Fire Prevention Code in which storage of flammable liquids in outside aboveground tanks is prohibited, are hereby established as the corporate limits of the City of Grosse Pointe.

Section 5. Establishment of Limits in which Storage of Liquefied Petroleum Gases is to be Restricted. The limits referred to in section 21.6A of the Fire Prevention Code in which storage of liquefied petroleum gas is restricted, are hereby established as the corporate limits of the City of Grosse Pointe.

Section 6. Establishment of Limits of Districts in which Storage of Explosives and Blasting Agents is to be Prohibited. The limits referred to in Section 12.6b of the Fire Prevention Code, in which storage of explosives and blasting agents is prohibited are hereby established as the corporate limits of the City of Grosse Pointe.

Section 7. Modifications. The Fire Marshal shall have power to modify any of the provisions of the Fire Prevention Code upon application in writing by the owner or lessee, or his duly authorized agent, when there are practical difficulties in the way of carrying out the strict letter of the code, provided that the spirit of the code shall be observed, public safety secured, and substantial justice done. The particulars of such modification when granted or allowed and the decision of the Fire Marshal thereon shall be entered upon the records of the department and a signed copy shall be furnished the applicant.

Section 8. Appeals. Whenever the Fire Marshal shall disapprove an application or refuse to grant a permit applied for, or when it is claimed that the provisions of the code do not apply or that the true intent and meaning of the code have been misconstrued or wrongly interpreted, the applicant may appear from the decision of the Fire Marshal to the City Manager within 30 days from the date of the decision appealed.

Section 9. New Materials, Processes or Occupancies which may Require Permits. The City Manager (municipal governing official), the Chief of the Fire Department and the Fire Marshal shall act as a committee to determine and specify, after giving affected persons an opportunity to be heard, any new materials, processes or occupancies which shall require permits, in addition to those now enumerated in said code. The Fire Marshal shall post such list in a conspicuous place in his office, and distribute copies thereof to interested persons.

Section 10. Penalties. a. Any person who shall violate any of the provisions of the code hereby adopted or fail to comply therewith, or who shall violate or fail to comply with any order made thereunder, or who shall build in violation of any detailed statement of specifications or plans submitted and approved thereunder, or any certificate or permit issued thereunder, and from which no appeal has been taken, or who shall fail to comply with such an order as affirmed or modified by the City Manager or by a court of competent jurisdiction, within the time fixed herein, shall be guilty of each and every such violation and noncompliance respectively, be guilty of a misdemeanor, punishable by a fine of not more than \$100.00 or by imprisonment for not more than 90 days or by both such fine and imprisonment. The imposition of one penalty for any violation shall not excuse the violation or permit it to continue; and all such persons shall be required to correct or remedy such violations or defects within a reasonable time; and when not otherwise specified, each ten days that prohibited conditions are maintained shall constitute a separate offense.

Section 11. Repeat of Conflicting Ordinances. All former ordinances or parts thereof conflicting or inconsistent with the provisions of this ordinance or of the code hereby adopted are hereby repealed. Section 12. Validity. The City of Grosse Pointe hereby declares that should any word, paragraph, sentence, or section of this ordinance or of the code hereby adopted be declared for any reason to be invalid, it is the intent of the City Council that it would have passed all other portions of this ordinance independent of the elimination herefrom of any such portion as may be declared invalid.

Section 13. Date of Effect. This ordinance shall take effect and be in force ten days from and after its publication and posting as required by law. Adopted: 3-25-63. Published: 5-16-63. Effective: 5-26-63.

Section 14. Date of Effect. This ordinance shall take effect and be in force ten days from and after its publication and posting as required by law. Adopted: 3-25-63. Published: 5-16-63. Effective: 5-26-63.

In the midst of Campus Martius across from the site of old City Hall is a 60-foot monument to the 6,000 Detroit men who fought in the Civil War.

One hundred years ago departing Michigan regiments marched down Woodward to the cheers of the crowd as they set out for the South and the battles which now are echoes in history books.

Detroit's population of 45,000 were for the most part passionate Unionists and this city was one of the last depots of the Underground Railroad, which helped escaping slaves into Canada. One of the largest of these depots was a large livery stable owned by Seymour Finney at Griswold and State street. Many of the run-aways were so grateful they adopted the name Finney when they reached Windsor.

It was in William Webb's home in Congress street, now marked by a placard near the expressway, where John Brown met in August, 1859 to plan his Harper's Ferry raid.

As tension grew between the states General Lewis Cass, then Secretary of State for President Buchanan, resigned in protest because John B. Floyd, Secretary of War, a Southerner, sold arms from the Dearborn arsenal to aid the Confederates.

Governor Austin Blair, who took office in 1861, wanted to respond to Lincoln's call for 75,000 militia after the firing on Fort Sumner but there was not \$100,000 in the state treasury to equip a regiment. The governor appealed to Detroit businessmen and received \$23,000. The first militia companies were organized at Fort Wayne, April 24, 1861, named the First Michigan Infantry Regiment, and commanded by a popular Detroit lawyer, a West Point graduate, Orlando B. Willcox.

This regiment was among the first to reach Washington in response to Lincoln's call and fought at Bull Run, where Col. Willcox was captured and sent to Libby Prison in Richmond. In 1862 the first Michigan Colored Regiment was organized. There were three Detroit training camps, Fort Wayne; Camp Backus, carved from the farm of Joseph Campau on Elmwood avenue; and Camp Blair on Vernor Highway near Adams. Here part of the famous "Iron Brigade" which suffered heavy losses at Gettysburg was formed, mostly of Wayne County and Detroit boys.

In 1861, although Detroit had a population of 45,000, Indians were still seen in the streets. The city limits extended as far as Mt. Elliott on the east side, and the first street car line was built. The need for transport for soldiers to the front made railroad car fortunes for tycoons such as McMillan, Newberry, Hecker, Hendrie and Muir.

Henry Duffield was a general with Thomas at Chattanooga while his sister, Mrs. Morse Stewart, organized the first Ladies Soldiers Aid Society in her Grosse Pointe home. The steamer E. A. Bush patrolled the river and a conspiracy to release Confederate prisoners was foiled.

In 1864 a new government hospital was opened to care for the wounded. 800 patients were tended in the 11 one-story buildings on Woodward avenue which became Harper Hospital, under the management of Dr. O. D. Farrand.

The fall of Richmond, April 3, 1865 was celebrated with a 100 gun salute in Detroit and the capture of Robert E. Lee was the occasion of a five day holiday. Willcox, now a general, paraded under a huge arch across Woodward when he returned from prison camp.

On April 19 Detroit, shocked by the death of Lincoln, held a day of fasting and prayer, with funeral services in all the churches proclaimed by the governor, Henry H. Crapo.

But there were happy celebrations, too, when Gen. U. S. Grant visited Detroit in the summer of 1865 and welcomed prominent Detroiters at a reception in Sen. Zachariah Chandler's house at Fort street and the July 4, 1866 parade when 123 battle-stained and bullet-marked battle flags were presented to the state.

A quartet of Pointe teen agers will be spending the summer abroad. Mary Waterman, daughter of the Cameron Watermans III, of Touraine road, will be serving in Kenya, Africa, as a member of "Operations Crossroad," sponsored by church and individual groups. Mary is a junior at Smith College.

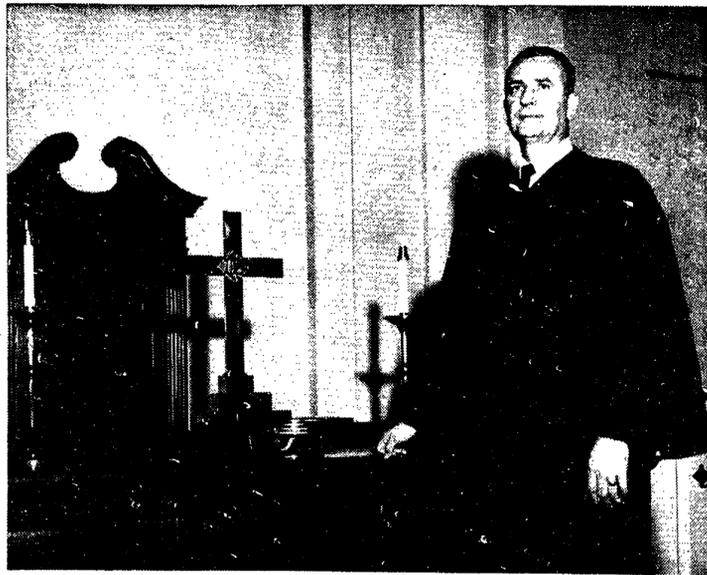

Wendell Goddard, Jr., at Exeter, and Dan Johnson, Jr., at Andover, will both leave in June for Thailand where they will receive a salary of \$25 a month to teach English at Prince Royal College. Dan is the son of the Dan L. Johnsons, of Moran road, and Wendell is the son of the senior Goddards, of Provençal road. Sponsored by the Michigan and Ann Arbor Council of Churches, Jane Johnson, daughter of the George W. Johnsons, of Berkshire road, will spend her vacation from GPUS in Sweden acting as a good ambassadress.

There is barely one can of black hair spray left at the Pointe's cosmetic counters. Last week-end the Academy of the Sacred Heart presented the Chinese classic, "Lute Song" and all the tow heads, brownettes and red heads in the cast were scouring the town for spray to turn their locks into jet for their Oriental roles. Among the sprayers and actresses were Paula Fisher, Susan Wright, Elizabeth Mary Thurber, Mary Ann Tindall, Patricia Ternes and Martha Beattie.

Polar bears and monkeys out for their first breath of spring at James Holden's preview of the annual opening of the Detroit Zoo last week had to share laurels with another celebrity. The preview party, scouting about the zoo in the brand new trains, stopped visiting the animals when they glimpsed film star Cary Grant, also entranced by the animals. The veteran romantic star was in town unofficially all last week and strollers at the Art Institute and patrons of the Fisher Theater were goggling.

Also at the zoo last week before opening day, part time model Mrs. Bruce Bartsch was filming a sequence among the animals for an industrial movie. Mrs. B. had been alerted for an 8 o'clock call and spent most of the previous night pressing her wardrobe of beige and

"I'm not a crusader," says the new pastor of Grosse Pointe Congregational Church, John William Estes, Jr. But this Alabama born boy must have some of the rebel's spirit, for he is the first of his family in two hundred years to become a Congregationalist. Both his grandfathers were Baptist ministers.

"The two careers I always insisted I would never have were teaching and the ministry. But I've done both," recalls Mr. Estes. He was educated in Alabama and attended Teach's College in Florence, Ala. Then he studied at a Quaker school in Pennsylvania, Cozer Seminary in Philadelphia, Johns Hopkins University and Harvard. He worked in Quaker rehabilitation camps and has great admiration for the Friends.

Before coming to the New England church on Lothrop road he was for 12 years in Duxbury, Mass., on the south shore of Boston, and before that he had a parish in Baltimore.

Southern Heritage
A pleasant easy manner and traces of a Southern twang are Mr. Estes' heritage from his past. He admits that he is glad he isn't living as a Christian in Alabama today. He believes it is easy to pass resolutions affecting Christian behavior but matching performance to ideals is the real problem. He sees his job as a pastor "to help each individual to develop for himself a working, sustaining faith."

brown outfits. The film company kept her at the zoo until mid afternoon and then suddenly decided that she looked so brightly in her jade green slacks that the carefully nurtured wardrobe was abandoned. Mrs. B. is accustomed to modeling vagaries as she was among the "Sunny Seven" girls on a local television channel before her present chores.

Let us be thankful for the fools. But for them the rest of us could not succeed... Mark Twain.

"I was at the doctor's today," a wife told her husband, "and he ordered a change in climate."
"That's fine!" the husband exclaimed, "According to the weather report, it's coming tomorrow."

GOP Women Hear Panel

The Women's Republican Club of Grosse Pointe held its annual spring membership tea, May 9, in the Lakeshore Drive home of Mrs. Frederick S. Ford. Two hundred Grosse Pointers turned out on the sultry, rainy spring day to hear a panel briefly discuss the functions of Republican organizations for women, as they enjoyed tea and coffee.

After a welcome and introductions by Mrs. F. L. Congdon, president of the Grosse Pointe club, Mrs. G. Sam Zilly, program chairman of the Michigan Federation of Republican Women, discussed Republican women's groups at the local level.

Schleicher-Goff Rites Revealed

At a recent candlelight service in the Kenwood Presbyterian Church, Baltimore, Md., Carol Fay Goff, daughter of the Robert Goffs, of Baltimore, spoke her marriage vows to Lt. Richard George Schleicher, son of the George Schleichers, of Washington road.

The bride wore a white silk organza gown with re-embroidered Alencon lace appliques and a cathedral train. A white silk organza rose held her veil of French illusion accented with lace and she carried white chrysanthemums and carnations.

Marjorie Goff was her sister's maid of honor and the bridesmaids were Mrs. Victoria Hose and Mrs. Linda Green. They wore gowns of Nile green silk organza over taffeta with matching veils and carried spring flowers.

Harold Farquhar was best man and the ushers were David Zimmerman, of Washington, D. C., and William Brese, of Miami, Fla.

Lt. and Mrs. Schleicher left on a motor trip to California where he will be stationed at the US Army Base at Monterey.
