Foundations In for New Library at High School

Things aren't quite the same at the big parking lot on the High School campus. In past years this has been a beehive of activity for the Student Driver Training program as the cars have circled endlessly. Now it looks more like a bombed-out battlefield as work progresses on the new library which will fill a considerable amount of space between the main school building, the annex and the auditorium-gymnasium.

PRESIDENT KENNEDY announced Wednesday that the Nation's railroads and rail unions had agreed to put off the scheduled showdown on work rules until July 29. By obtaining the agreement, Kennedy averted a nationwide railway strike that was scheduled to begin at 12:01 a.m. Thursday. Kennedy said that by the end of the month he would make recommendations to Congress to stop a strike and resolve the dispute. Kennedy has asked a six-man subcommittee of his advisory committee on labor-management policy to review the dispute, so that a report and request for legislation could be submitted to Congress July 22. This would allow a week for Congress to take action before the new deadline.

A **PEKING RADIO** broadcast heard in Moscow Wednesday declared that Red China is the equal of the Soviet Union in the Communist world. This was the first time the Chinese had ever demanded equality to the Russians in the ideological conflict currently raging. In the past they had always regarded Russia as the direct heir to the leadership of Communism, because of the Russian origin of Communism's leading spokesman, V. I. Lenin.

A **POLISH AIR FORCE** Major Wednesday became the first refugee to enter West Berlin by plane. He crammed his wife and two young sons into a small training plane in Nadarsky, Poland, and flew all the way to Berlin at a height of 160 feet, in order to avoid radar detection. After landing, the happy pilot jumped out of the plane, ran up to the base commander, and planted a kiss on each of his cheeks.

A **HIGH LEVEL** Soviet intelligence agent was reported Thursday night to have defected to the West, and is reported to be now in Britain. His name and exact whereabouts are being kept secret to prevent harm to his life by other Russian agents. The defector is said to have brought much information about Soviet espionage operations. A correspondent in Copenhagen said the agent "had operated in London for a long time, and has been chief of the whole Soviet intelligence net in Britain."

RACIAL TENSIONS in the town of Cambridge, Md., exploded into gunplay Thursday night, with at least five white persons, including National Guardsmen and a 12-year-old boy being wounded. Earlier in the day a sit-in at a Cambridge restaurant had erupted into a free-swinging melee. Thursday night's hostilities were touched off by the shooting of three whites who lived adjacent to a Negro area of the town. Moments after the shooting, gunfire erupted in several parts of the town and mobs began forming in both the Negro and white sections. National Guardsmen were ordered into the town Thursday to control the incidents.

DETROIT MAYOR Jerome P. Cavanagh Friday averted the cancellation of the Detroit Symphony Orchestra's 1963-64 season when he offered to increase City financial assistance to the symphony and called on suburbs to help out. Terms of the wage raises were withheld pending approval by the governing boards of the orchestra and the Detroit Federation of Musicians.

THE SOVIET INTELLIGENCE officer who defected to the West was revealed Friday to be Anatoli Dolynitsyn, said to have left 18 months ago. The story was revealed by the London

Top Pianist At Festival This Friday

Bela Szilagi, Symphony Soloist, to be Heard at Fries Auditorium in Chamber Music

The noted Hungarian pianist, Bela Szilagi of New York City, who is appearing with the summer symphony this week, will join leading members of Detroit's Symphony Orchestra to display his virtuosity in chamber music at the Grosse Pointe Music Festival.

With him will appear Paul Schaller, clarinetist, Charles Sirard, bassoonist, and Gordon Staples, violinist. They will present the second of the Festival's three programs this Friday, July 19, at the Grosse Pointe War Memorial, 32 Lakeshore Road in Grosse Pointe Farms.

The concert, which will be given in the War Memorial's beautiful new glass-walled ballroom overlooking Lake St. Clair, will offer a diverse program, including Glinka's Trio Patheque, the Chaconne from Bach's D minor partita, Beethoven's Duo No. 3 for woodwinds, and the Kachaturian Trio for violin, clarinet, and piano.

Tickets for the concert (\$2.50) will be available at the door and the program will begin at 8:20 p.m. For further information call the War Memorial at TUxedo 1-7511.

City Seeking Referendum On Bon Secours Proposal

The Council of the City of Grosse Pointe voted Monday, July 15, to send to the state Attorney General a proposed advisory referendum on the request of Bon Secours Hospital to double its facilities.

The question, if approved by the state authorities, will appear on the ballot in the City in November.

Bon Secours' original petition to expand was received by the Council at the April 15 meeting. The hospital asked for an expansion from 160 to 320 beds.

Since that request, a report from the City's Planning Consultant, Scott Bagby and Associates of Grand Rapids, strongly suggested that the hospital's request be denied.

The City Planners' report said: "... we are convinced that further expansion of Bon Secours

Record Water Pumping Ends as Rains Finally Shatter Long Dry Spell

Saturday Night's Fall First Measurable Amount in 30 Days; Heavy Water Kept Many Pointe Lawns and Gardens Green

The rains finally came to Grosse Pointe Saturday, July 13, after almost a month with no measurable rainfall. The Farms Water Works measured a total of .63 inches for Saturday night and Sunday, the first rain since June 14, when .04 inches were measured.

Some yellow, sun-baked grass was too far gone to be saved by the rain, other grass and plants came back to life; some had been carefully watered during the drought.

Water Consumption High
Watering, in fact, had been going on at a record rate in the days preceding the rain. The Farms Water Plant, which serves the Farms and the City, pumped 9,050,000 gallons on July 12, to mark the second biggest water day since the plant was built in 1930. The previous Saturday, July 6, they had pumped a record 8,750,000. The most water they have ever pumped was on a day in June, 1959, when they set the mark of 9,140,000 gallons.

Water plant operator Wendell Baker said that during the big days this month all intakes from the lake were open, and some water was being drafted from the Highland Park main line, which goes right by the Farms station at Morcus road and Grosse Pointe boulevard.

Still Had Reserves
At no time have all of the pumps been operating, he said. At peak volume times the station's batteries of large pumps replace smaller ones used in slack periods. One large pump

was never used through this month's dry spell, he said. Baker also said that a foul taste and odor that had developed in the water last week subsided greatly with the rain and subsequent decrease in pumping volume. Up to that time, larger than normal amounts of activated carbon had been added to the water to neutralize the foreign matter. "The problem pretty well corrected itself," he said.

City Considers New Parking Lot

The plan to open a new attendant-operated parking lot in the Village between Notre Dame and St. Clair north of Kercheval will receive further attention from the City Council of Grosse Pointe.

The Council on Monday, July 15, asked City Manager-Clerk Lawrence Savage to discuss the matter further with representatives of the Kercheval Merchant's Parking Committee. The chairman of the committee, Milton Volken, sent a letter to the Council recently asking that the area be converted from meter parking to an attended area with store validations.

Charles Wright, City Attorney, pointed out the values of an attended lot. He said the system of parking free with validations from stores saves customers time and money, and provides a full-time attendant to protect the lots from theft and vandalism.

It was also pointed out to the Council that every store in the Village but three has agreed to take part in the validation of parking tickets.

The Council asked that further study be made of the income difference between a meter lot and attendant lot. Indications are, it was said, that the meter lot is more profitable for the City.

YOUNG THIEF NABBED
A Pointe youth was taken by his parents to the City police station on July 4, after they discovered that he had stolen a transistor radio from a parking lot on Mack avenue. City police found the owner of the radio and returned it.

New Traffic Lights Going On Jefferson

Four Years of Negotiations with County Road Commission Ends with Installations

New traffic lights on Jefferson, from Alter road in Detroit to Beaconsfield in the Park, should be completely installed sometime this month, provided there is no delay, it was disclosed by Park City Manager Robert Slone on Friday, July 12.

The city manager said that the Wayne County Road Commission began work on the more modern lights, approximately three weeks ago, after about four years of negotiations with Park officials.

The total cost of the project is estimated at \$15,260, of which the Park's payment share will be approximately \$7,810, Slone said.

The modern lights will be interconnected for a better control of vehicular traffic, and to allow smoother traffic flow, the city manager said.

The old poles and overhead wires will be completely eliminated, and will be replaced by aluminum poles and mast arm supports, with electrical wiring set underground.

The city manager said that the Road Commission will also install a set of modern traffic lights and poles at Jefferson and Bedford at a cost of \$2,360, with the Park paying \$1,180 toward the cost.

The biggest job of the project, Slone said, is the installation of the underground wires.

The Park had petitioned the County Road Commission for the lights in the summer of 1959, Slone said.

Seeking Passer Of Bad Checks

City police are investigating three bad checks circulated in the Village on June 27, by a woman using the name of Gloria C. Vaughn, 212 Ohio Street, Chicago.

The checks were drawn on the Lakeshore National Bank of Chicago, paid to the following: Peter Pan, Inc. \$14.93; Young's Mens Wears, \$19.71; and The Campus Shop, \$14.96. The Chicago bank reported to police that the account had been closed.

The passer was described as a white female, approximately 30 years old.

'Cat Burglar' Robs 3 Woods Homes; Loot Totals \$1,400

Entries Into Two Other Homes Unsuccessful; Thief Invaded Four Other Pointe Residences Last May

A nocturnal prowler, tagged the "cat burglar" by area police, made his seventh strike in the Pointe on Saturday, July 13, when he invaded three Woods homes while occupants were asleep. His attempts to enter two other Woods homes were unsuccessful.

The total loot from the three homes, according to information given to police, amounted to approximately \$1,400 in cash and jewelry.

Entered were the homes of the Albert E. Johnsons, 962 Lochmoor boulevard; Mrs. Otto Lundell, 799 Lochmoor boulevard; and the John Todds, 742 North Renaud.

Other Attempts Made
Attempted entries were made at the homes of William Anderson, 799 Sunningdale; and A. H. Froelich, 762 Renaud.

Det. Sgt. Walter O'Dell and Det. Leroy Tobian said that the three burglaries and the two attempts were committed by the same person. In all but one of the five residences, a pair of vise grip pliers, or pipe wrench was used to snap the lock and handle of rear doors. One house was entered through an unlocked door.

The heaviest loss was reported by Mr. and Mrs. Johnson, who told police that the burglar entered their bedroom between 1 a.m. and 9 a.m., while they were sleeping. The invader took Mr. Johnson's wallet containing \$310, and a jewelry box with a lady's diamond wrist watch, valued at \$350; and an opal, yellow gold dinner ring, valued at \$300.

Find Discarded Items
From Mrs. Johnson's purse on the dresser, the thief took \$190. Police found the wallet and jewelry box in the back yard.

Mrs. Otto Lundell informed police that the burglary of her house must have occurred between 11 p.m. and 6 a.m. The burglar entered through an unlocked garage door.

A nurse companion, Mrs. Grace Pennell of 5036 Pennsylvania, Detroit, was also asleep in the house. The "cat" took approximately \$75 from her purse and Mrs. Lundell's purse. Nothing was taken from Mrs. Pennell's purse.

Vandals Break Store Window

Early morning vandals broke apart a decorative flower pot in front of Jacobsons, 17030 Kercheval in the Village and shattered a front display window in the store on Sunday, July 14.

City police discovered at about 1:30 that one of the large wooden flower pots used for decoration on Kercheval was tipped over and the plant and dirt had been removed from the pot. The pot was then hurled through the front window.

Nothing had been disturbed in the display, and no entrance into the store was made, police found.

The police notified the manager of Jacobsons, and a temporary barricade was made until the window could be replaced, Monday, July 15.

Park Wins Police Chiefs' Traffic Supervision Award

Thirteen states and 53 cities throughout the United States have won the coveted Certificate of Achievement Award in Police Traffic Supervision, according to information released by the International Association of Chiefs of Police.

On Monday, July 15, Park Police Chief Arthur Louwers was notified that his department has won such an honor for his city. The awards were presented to cities of all population groups.

What makes the honor more impressive is the fact that out of the 63 communities that have won this certificate, only four Michigan cities will receive this award, including the Park.

Rejects Offer Of Funds For City Projects

Councilman Henry Bodman Makes Eloquent Plea to Preserve Independence, Sovereignty

The Farms council on Monday, July 15, voted to reject \$149,500 in Federal Government grants, on the grounds that acceptance would tend to destroy "the individuality, independence and sovereignty" of the Farms as a city.

The vote was unanimous in refusing a grant of \$63,000, for additions and alterations to the Municipal Building, 90 Kerby road. The vote was 6-1, favoring the rejection of \$61,000 for the construction of a concrete underground water reservoir at the Water Filtration Plant, Morcus and Lake Shore; and \$25,500 for a roof over the Department of Public Works Garage, Chalfonte and Kerby.

The grants, which were to have been matched by the Farms, had been approved by the government on June 28, under the Accelerated Public Works Act.

Mayor's Plea Refused
Mayor William Connelly, who voted to reject the first grant, sought to persuade the council to accept the grants for the reservoir and the garage, especially the reservoir, which he said, is vital to the water supply.

He said there should be no delay in accepting funds and thereby start work on the reservoir at once. The Water Plant is an independent utility, and should pay for the construction within three years, he said.

A member of the council suggested, that in that case, the city should float a bond issue, which would be paid off by revenue received from water sales.

The mayor voted to retain this grant. Opposed were Councilmen William Butler, who originally opposed applying for any government grants; Leonard Mitchell, Benjamin Warren, Thomas Fisher, Henry Bodman, II, and William Kirby.

Butler Lone Dissenter
Last year, when the Federal grants were first announced, the council, by a vote of 6-1, Butler dissenting, applied for grants for the three projects.

At Monday night's meeting, it was the majority opinion that if the city body turned down the grant for the Municipal Building, then the other grants should also be rejected, "on moral grounds."

It was the consensus of opinion among the councilmen, that as individual citizens, they were not opposed to accepting the funds from the government, since this was tax money paid through income tax, and such monies would be returned to the city and its citizens.

However, it was pointed out that the "moral" issue prevails, in that accepting the grants would tend to take away the "individuality, independence and sovereignty" of the City of Grosse Pointe Farms.

Peebles Named To School Board

Russell Peebles, 44, of 1241 Bedford road, has been named to finish the term of C. Henry Haberkorn, 3rd, states Dr. Robert K. Whiteley, president of the Grosse Pointe Board of Education. Trustee Haberkorn, whose term runs until July 1, 1964, has moved from the district.

Peebles, named by unanimous Board action under statutory provisions that exist for filling such a vacancy, was a candidate in the June 10 school board election.

A designer engineer for Chrysler, Peebles is a graduate of the University of Michigan and a director of the American Society of Body Engineers. He is a past president of the Grosse Pointe Little League and the Babe Ruth League. He is active in the Unitarian Church. Two children, Tom and Jane, attend Grosse Pointe High School.

Park Award

(Continued from Page 1)

"It was a personal pleasure for me to learn that your department earned the Certificate of Achievement Award for 1962 in Police Traffic Supervision." He extended his congratulations, and those of his staff, to Chief Louwers.

"I am indeed proud of this award and of the men and women in the Park Police Department whose efforts contributed so greatly to this attainment," Chief Louwers said. "Only four cities in the State were so honored, and I am extremely pleased that the Park was one of them."

The other Michigan cities awarded the Certificate are, East Lansing, Kalamazoo and Saginaw.

The IACP Certificate of Achievement was given to the Park, based on the following performance: Training, 20 percent; Quality of Enforcement, 20 percent; Amount of Enforcement, 20 percent.

Also additional evaluation based on enforcement of the Drunk Motor Law, Pedestrian Control, Accident Investigation, Bicycle Safety, Department Analysis of Enforcement efforts, and Procedures.

Ford Motor Company was incorporated June 16, 1903, by Henry Ford and 11 associates. Authorized capitalization was \$150,000, but only \$28,000 was paid in. Today, the company has approximately 300,000 shareholders and total assets of more than \$5,000,000,000.

Farms Refuses Federal Aid

(Continued from Page 1)

255 Lake Shore, contractor and unsuccessful bidder in the Farms project, "protesting the awarding of a contract to erect an addition to the city hall."

The councilman pointed out that a copy of the letter was also sent to Congressman Harold Ryan, which indicated, Bodman said, the issue is of no concern to the Farms.

Another phase, which led to the turning down of the grants, was the myriad of red-tape that would be involved, in that the government requires that the contractor must send the government a weekly report of how much has been spent during the week, the hours worked and the amount of wages paid each employee, etc.

This, Bodman said, is an invasion of privacy. What the government is asking is that the contractor, who must absorb the cost of the paper work, reveal strictly confidential information, which is none of the government's business.

Reports Required

The report also demands that the contractor reveal how many Negroes are employed on the projects.

"If you read this weekly report sheet," Bodman said, "you will notice that the government demands to know how many Negroes are employed on projects receiving government grants. I am for the Negroes working on such projects, but if you will notice, there is no demand to declare how many white persons, reds, yellows, or any other color, are employed on any projects."

He cited reasons for accepting the grants, and reasons for refusing, after which he drew a round of applause from the handful of citizens present at the meeting. The citizens were at the meeting apparently to protest the grants.

Bodman cited the following:

Pros—1. The problem of whether or not to accept aid is not a "black or white" decision. As councilman I am obligated to the citizens in the long run. The money is available and the project was approved by the Congress and money allocated to the State, and turning it down would not have any effect on sending it back because it will be given to someone else.

2. The project is of proven necessity and will provide more jobs in the short run because it would accelerate projected plans for the future.

3. The projects are necessary because we had planned building for a number of years, and provided appropriate funds for the job.

4. \$149,500 is a substantial amount of money, and accepting the grants would reduce the tax burden of the community in the future.

Cons—1. The providing of public works projects is not a permanent solution to the employment problem, but merely a stop-gap solution. The only solution to unemployment, is that the government provide less control over the economy, instate measures to provide capital and reduce federal income tax in order to stimulate individual incentive to provide more jobs. This will provide

less spending, rather than more spending.

2. Accepting Federal aid of this type, tends to create a great risk to the community and the businessmen of the community, in losing their sovereignty, liberty and freedoms in exercising control over those functions that rightfully belong to them. Palombi's letter to Congressman Ryan already shows loss of control.

3. The money allocated by the Federal Government can be used by unscrupulous politicians to get votes, and the further away the control of money gets from the people, the more danger there is in the "pork barrel."

4. If we agree that this type of legislation is not a long solution, we tend to kid ourselves when we don't recognize what this will do to the future. This is a cause between freedom and individual liberty, as opposed to subjugation of the liberties of a welfare state.

"I believe that the people in the Farms will benefit in the long run, and their interests would better be served by turning down the money and take freedom instead of handouts, at the cost of individual liberty," Bodman said.

He said that he believed that the grants were a vote-getting deal, in that the Farms was notified of the approval of the grants by Senators Patrick McNamara and Philip Hart and Rep. Ryan, and not by the Housing and Home Agency in Washington, D.C.

After Bodman finished, the audience clapped loudly, and the council then voted to reject all three grants.

With the rejection, the council was informed that alterations and additions to the city hall can be started without delay.

The city has lost a full year on the project, while waiting to hear from the government.

The additions and remodeling of the Municipal Building will cost approximately \$249,000.

City Approves Five Resurfacing Projects

Five resurfacing projects, including a new parking lot for the City's Norbert Neff Municipal Lakefront Park, will get underway in the near future, following acceptance of bids by the Grosse Pointe City Council on Monday, July 15.

The low bid of Jess Gregory Contracting Company for three street resurfacing projects was accepted, in the amount of \$23,980.03. The Council asked that the company begin work first on resurfacing the parking lot of the lakefront park, and that they not interfere with the normal activities of the park.

The other two street projects to be begun as soon as contracts are signed are for Maumee from Lakeland to Fisher and Cranford lane from Cadieux to Notre Dame. All three jobs will be asphalt.

The Council also accepted unanimously two miscellaneous project bids. The low bid of Richard Blondell in the amount of \$4,915 was accepted for the replacement of curbs, and the low bid of Demassa Brothers totalling \$5,098 for the replacement of sidewalks was also accepted. Both projects are for small sections scattered all over the City.

The Council also authorized the City Manager to advertise for bids for a new fire truck, to replace the 1937 Seabring model now in service. The truck now in service is a 750 gallon pumper, ladder, and booster unit. Firemen have had some minor trouble with the unit, it was reported, though never

anything serious. The new unit, asked for would be a 1,000-gallon pumper. The present is a Ford model F-800 unit, put into service on December 1, 1937, cost \$10,497.50. The department's other truck purchased in 1957.

City Seeking Referendum On Bon Secours Proposal

(Continued from Page 1) for an advisory vote on the question of the city's future.

The Council desires to ascertain whether a large proportion of the voting residents of the City either favors or does not favor long range planning aimed at maintaining and attempting to improve, against such pressures as are mentioned in the planning consultant's report, the City's position as a primarily single-family residential community.

Mayor Allen stated that he voted against the Attorney's report because he disagreed with the planning consultant's reports and recommendations summarized in it, and not because he took exception to the accuracy of the report.

The actual proposal and ballot to be placed on the question were accepted unanimously with Mayor Allen abstaining. Since the wording of the question may have to be changed again, the Council chose not to release it, verbally at this time.

The question, as it was to be submitted to the Attorney General, ties the Bon Secours request in with the long range plans of the City. It also expressed the Council's position that granting the expansion is not in keeping with these long range aims.

Mayor Allen objected to the wording of the question, and asked the Council, "Why is it necessary to bring in the other question of long range planning?"

Councilman David E. Burgess said that the Bon Secours request should be viewed as a "departure from the community planning program."

Burgess's words echoed the City Planning Consultant's report, which said: "The future of Grosse Pointe and its companion communities lies in maintaining its position as a prestige residential suburban area, the only alternative being to lower its standards and be engulfed by the tremendous pressures of the Detroit area."

"This latter course," the report continued, "while seemingly inevitable, can be prevented through concerted planning action if such action is taken soon enough."

The report said that Bon Secours, which was once regarded as a "community" hospital, has been changing rapidly, and that further expansion will change it even more.

The hospital already draws 77 percent of its patients from outside the Grosse Pointes, and the expansion indicates "an increase in functions ordinarily reserved for large medical centers, and a decreased emphasis on local

5 Fire Chiefs Attend Parley

Five Chiefs from the five Pointes attended the Michigan State Fire Chiefs Convention, at Port Huron July 8 to 11. Attending were Chief M. William Mason of the Farms, Chief William Grout of the Park, Chief George Poupard of the City, Chief Fred Duenkeling of the Shores, and Captain Donald Coats of the Woods.

The chiefs heard discussions on "Cold weather fire fighting," "Smoke Poisoning," and other hot topics.

community services," the report stated.

"The report added that the City can ill afford to reserve large tax-exempt areas, when it has many City needs requiring additional land for City functions."

Granting this expansion, "can only lead to later expansion needs which will be of even less benefit and even greater harm to the City and the Grosse Pointe area," the report said.

It concluded by urging that Bon Secours seek another "adequate" site for an eventual medical center, rather than seek to expend funds at the present site.

BOND CERTIFICATES LOST

Two bond certificates, valued at \$1,000 at maturity in 1960 were reported missing from the home of Harry Taylor, 266 McKinley. Taylor told Farms police on July 9 that they had been missing since June 20.

The certificates were Bay City Municipal Paper Bonds, described as gray paper with black print. They were purchased on May 21 of this year.

Pvt. Robert Nissley At Fort Gordon, Ga.

FORT GORDON, GEORGIA (AHTN)—Army Pvt. Robert H. Nissley, son of Mr. and Mrs. Samuel K. Nissley, 817 Berkshire road, Grosse Pointe, Mich., completed eight weeks of advanced infantry training at the U.S. Army Training Center, Fort Gordon, Ga., June 21.

During the course Nissley received instruction in rifle squad tactics and fired the M-14 rifle and the M-60 machinegun, two of the Army's newest infantry weapons.

The 22-year-old soldier entered the Army in January, 1963 and completed basic training at Fort Gordon, Ga.

He was graduated from Howe (Ind.) Military School in 1959 and attended Michigan State University, East Lansing.

PAYMENT APPROVED

The Farms Council on Monday, July 15, voted to pay Detroit the sum of \$6,404.30, for the use of sewers from July 15, 1963 to July 14, 1964. The amount of \$5,730 is in the Farms' 1963-64 budget, and the council approved transfer of \$640.30 from the Contingent Account to the Sewage Pumping Account to make up the difference.

MICHIGAN BELL

IT'S NEVER TOO EARLY to learn... and that's true where the telephone is concerned, too. That's why it's such a good idea to teach young children how to use the telephone correctly—especially for emergencies. A child can easily learn how to dial the Operator—and, if need be, ask the Operator to call the police or fire department. When children understand what a phone is for and how to use it, they're less apt to regard it as a toy, or "play games" that could interfere with calls from people trying to reach you.

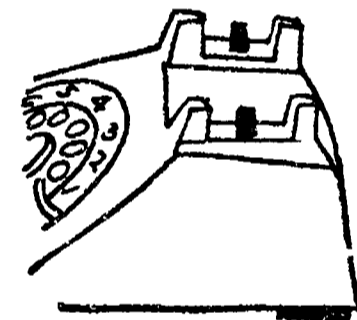

CAREFREE TRIPS

are at your fingertips this summer... when you remember to phone ahead. It's really amazing how many summer problems the phone can solve for you. And how many ways the phone can add to your fun! Like making sure of your reservations, on a two-week trip. Or inviting a friend to join you for a swim on a warm Saturday afternoon. And when you're on the move, Michigan Bell has 45,000 public phones to serve you. You'll find them alongside highways, near the beach, in stores and office buildings.

COST CONSCIOUS?

Costs are on everybody's mind these days. And that goes for your telephone company, too. For example, Western Electric, the manufacturing and supply unit of the Bell System, recently developed a new method of making the familiar "plungers" for the handset cradle on telephones. The new method cuts nearly two cents from the cost of manufacturing each phone—an aggregate saving of over \$100,000 a year. Cost reduction is an everyday part of our job, helping us provide you with telephone service that is high in value, low in cost.

'Cat Burglar' Robs Three Residents in GP Woods

(Continued from Page 1) Mr. and Mrs. Hamilton F. Kotcher of 21 Carmel lane, who lost \$800 in cash and \$3,200 in jewelry; and Mr. and Mrs. Robert Godfredson of 270 Grosse Pointe boulevard, who lost a \$3,000 diamond ring.

Robbed in the Park were the Charles Mandogians of 1117 Three Mile drive, who lost \$40 in cash; and the Sam Pretes of 1205 Three Mile drive, from whom the thief took \$28 in cash and jewelry valued at a total of \$600.

Mrs. Prete almost caught a glimpse of the "cat" as he was about to reenter her room. Her screams frightened away the thief, who fled through the den and out the garage, the way he had entered.

Young Vandals Damage House

Four youngsters, five years old, six years old, seven years old, and nine years old, were rounded up by Woods police on Thursday, July 11, and taken to the station where they confessed to causing \$300 in damage to the house.

The oldest child, a girl, and the young boys, admitted to cutting 30 loops of wall and telephone wiring, pulling off insulation from ceilings, and tearing down bricks from the chimney, and causing other damage. The seven-year-old confessed to cutting most of the wiring and ripping out the insulation. All four children were turned over to their parents, who promised to administer the necessary discipline and to meet with the building contractors to reach a settlement on damage payments.

Congressman Ryan Requests Lakes Water Level Study

Congressman Harold M. Ryan, Democrat of the 14th Congressional District of Michigan, has released the contents of a letter which he has directed to Major General Jackson Graham, Director of Civil Works, Office, Chief of Engineers, relative to the low water levels of the Great Lakes.

In his letter, Congressman Ryan requested a statement covering a general situation with regard to the fluctuation of water levels and their effects on shipping and recreational aspects.

Congressman Ryan stated, "I have asked for this survey and report because the general situation of the Great Lakes indicates a lowering of the water levels which create problems with reference to deep draft shipping and the use of private docks and mooring facilities of individuals who have property abutting the Great Lakes or the Detroit and St. Clair Rivers."

Congressman Ryan further

stated, "It is my hope that after reading the report of the Corps of Engineers, some remedial action may be taken to alleviate the difficulties which small boat owners have in attempting to launch their boats from their present docks and mooring facilities."

The text of the letter follows:—

Dear General Graham:

I have been receiving many complaints and queries from constituents in my District, the 14th District of Michigan, about the exceptionally low water levels which have been prevailing primarily in the Great Lakes.

As you know, this has a very detrimental effect on deep draft shipping by reducing the amount of cargo which can be carried, and it also has other effects, particularly on those who own use small boats and have difficulty with their present docks or other mooring facilities.

It would be helpful to me if you could furnish me with a statement covering the general situation with regard to the fluctuation of water levels, particularly with respect to those which have occurred over the years. I realize that you have under way, and will probably complete next year, a comprehensive study on this matter, but the pressure has been so great that it is absolutely vital to me to get all the information on this subject that I can at this time. A discussion of any remedial measures that are being considered or might be taken would also be of value to me in replying to my constituents.

I would appreciate as expeditious a reply as possible with sufficient information to cover the points I have mentioned, and any others which you think might be of assistance to me.

Thank you very much.

Sincerely yours,

HAROLD M. RYAN, Member of Congress

Mrs. Horace Ford Hurt in Crash

Mrs. Horace C. Ford, of 25 Fair Acres drive was injured in a traffic accident at the corner of Moran road and Grosse Pointe boulevard on Wednesday, July 10.

Mrs. Ford was heading west on Grosse Pointe boulevard in mid afternoon when a car driven by Dr. Robin C. Buerki, 70, of 205 Lake Shore started out from Moran heading north and struck her car. The left side of her car was struck, and the car spun and hit a light pole on the northwest corner.

Mrs. Ford was taken by firemen to Bon Secours Hospital where she was treated for a bump on the head and cuts on the face and back.

Damage to Buerki's car was estimated at \$200 and the damage to Mrs. Ford's car was believed total.

Buerki was issued a ticket for entering an intersection without due care and caution. Court date was set for September 4.

Farms Submits Building Report

The value of homes built, or to be built in the Farms, during the first six months of this year, exceeds the same period of 1962 by \$565,000, according to a monthly report released by City Engineer Murray M. Smith.

From January 1 through June 30, 1963, a total of 17 permits were approved for homes having a total value of \$1,097,000, as compared to 14 permits for homes worth \$532,000 granted during the first six months of 1962.

The total number of permits of all types granted so far this year is 63, for buildings valued at a total of \$1,570,500; whereas, for the same time in 1962, the number of permits was 61, for constructions valued at a total of \$873,700.

From the beginning of the year to the end of June of this year, besides the residential construction permits, one permit was for a business place valued at \$11,000; 44 permits were for miscellaneous buildings, valued at \$187,500; and one permit was for non-assessable construction valued at \$275,000.

Besides the residential building permits last year, one was for a business establishment worth \$33,000; 44 permits were for miscellaneous buildings, valued at \$158,700; and two permits were for non-assessable buildings, worth a total of \$150,000.

Last month, a total of 12 permits were approved by the Building Department, for property valued at a total of \$381,300, including the one non-assessable; and for June 1962, the number of permits approved was 15, for property valued at a total of \$370,000, including the two non-assessable buildings.

According to Smith, last month's report disclosed that two permits were issued for residential buildings valued at a total of \$64,000, and nine for miscellaneous construction worth \$22,300.

Foundation Volunteers Get Unforgettable Experience

About 190 Grosse Pointers ranging in age from eight to the mid-twenties but mostly in the junior and senior high, are sharing in an unforgettable experience this summer at the Foundation for Exceptional Children, 61 Grosse Pointe boulevard, located behind Christ Episcopal Church.

More than just a nice way to fill the summer, the service work the teens are doing is a wonderful chance to explore an interest in working with children, and opportunity for service at a young age, and a highly self-rewarding endeavor, according to the foundation's director, Mrs. Ruth Hall Govostes.

Mrs. Govostes was pleased this spring when she was enlisting volunteers to work in this summer's program, and found over 60 Pointers willing to give their time. The workers are mostly girls, although about 10 boys are helping. Each works at least one day a week from 8:30 a.m. to 1:30 p.m., and some work as many as three days.

The foundation conducts the only five-day program in the area for exceptional children, who range in age from two to 20. At present there are 42 children in the summer program, though over 30 can be accommodated. With over 30 volunteers helping each day, almost every child can be given the kind of individual attention he needs, Mrs. Govostes said.

Children at the program possess I.Q.'s ranging from 10 to 70, with an occasional one even higher than that. Causes of their mental deficiencies are varied: some have suffered disease, others are Mongoloids.

most suffer from simple retardation. About half of the children cannot talk, and have short attention spans. Many will never be able to gain the ability to read, though some are taught elementary reading.

An average day in the program might include supervised play outdoors in the Church School playground or in the playground of the Foundation's Miller Hall, immediately adjacent to Christ Church. Then there is supervised use of educational toys, such as color matching, coloring, and other projects planned by the supervisors. Children might be engaged in coloring a "Bug Book," a three dimensional school house, or a seasonal turkey, Easter bunny, or Christmas tree.

The aim of the Foundation's instruction is to increase the child's interest span, develop good habits, and in some cases to improve minimal reading skills.

The more than 30 volunteers who help out each day closely supervise one or two children, and in every case, Mrs. Govostes says, are able to see real advancement of both social conduct and learning during the summer.

The summer program at the foundation has only three weeks to go, but regular winter sessions will begin on September 9. For this program other volunteers will be needed, and young married women and high school age students. Over 60 students from Grosse Pointe High School helped out during last year's session one hour a day during free periods at the high school.

The only physical reward given out to volunteers is a small diploma to high school seniors. But the intangible rewards of working with these children, Mrs. Govostes testifies, are infinite.

Playfield Named To Honor Butler

A permanent tribute will be offered this month to Michael H. (Dad) Butler, a life-long friend of professional and amateur athletes, just a year after his death.

A plaque to be unveiled on July 31 on the playfield at St. Aubin and Pointer, near Conant and South of Eight Mile road, will read:

"This recreational area dedicated as a memorial to Michael H. (Dad) Butler, Parks and Recreation Commissioner (1949-1958) for his outstanding interest and participation in civic affairs, July 31, 1963. City of Detroit, Department of Parks and Recreation."

"Dad" Butler died just a year ago on August 1, after a long bout with cancer. He had lived the last nine years of his life with his daughter and son-in-law, Mr. and Mrs. James H. Quello, of Berkshire road.

Mrs. Quello will be presented with a special plaque, just before the unveiling of the plaque to her father by, Detroit Mayor Jerome P. Cavanagh.

At the dedication ceremonies will be representatives of the U. of D., the U. of D. "D" club, the Ford Motor Company, where he served on the recreation department, the Detroit Police Department, city officials, and "Dad's Bunch," a group of men with whom he met for lunch every Thursday and who annually celebrated his birthday (March 25) with a massive gathering. Invitations have gone out to many others.

Principal speaker will be Federal Judge Thomas P. Thornton and master of ceremonies will be Peter Sweeney of the Parks and Recreation department and Howard Crowell, superintendent. All three were closely associated with Dad Butler during his years on the Parks and Recreation Commission.

Before his service on the Commission, "Dad" Butler led a life filled with sports achievements. He was a track star in his own right, being the first American to run the half-mile in less than two minutes. From 1897 to 1907 he was track coach of the Chicago Track Club, from whence he went to Portland, Ore. to establish a training school for athletes. From there he went to Oregon State Agricultural College, and then to the University of Detroit, where he served for 17 years as track coach and football trainer. After leaving the U. of D. he served in many advisory and honorary athletic posts.

Renamed Head Of Foundation

Elmer C. Van Tiem, of 1058 Whittier road, has been re-elected president of University of Detroit's Gus Dorais Memorial Foundation, which helps provide scholarships for Titan athletes. Other Foundation officers are Jack W. Teubert, vice-president; John K. Teahen Jr., secretary; and the Rev. Father David E. Meier, S.J., treasurer. Elected to three-year terms on the board of directors were Emerson J. Addison, Edward J. Gehring and Joseph McCormack, Teahen and Edmund T. Nolan were re-elected to the board. The Dorais Foundation is named for the late Charles E. (Gus) Dorais, Titan football coach and athletic director from 1925 to 1942.

Traffic Safety Committee Reports on 717 Accidents

A monthly report submitted by the Grosse Pointe Safety and Traffic Committee disclosed that a total of 717 property damage accidents were recorded in the Pointe area during the first six months of 1963. Of this number, 162 were non-fatal, (accidents in which injuries occurred).

From January 1 through June 30, Harper Woods reported 188 accidents, of which 34 were non-fatal; the Farms, 164, of which 22 were non-fatal; the Park, 148 accidents, of which 47 were non-fatal; the Woods, 118 accidents, of which 30 were non-fatal; City, 77 accidents, of which 21 were non-fatal; and the Shores, 24

accidents, of which eight were non-fatal.

The total number of property damage accidents last month in the six communities was set at 117, including 23 non-fatal.

During the one month period, the Farms recorded the highest number, 29, of which two were non-fatal; followed by Harper Woods, with 26 accidents, including five non-fatal.

The Park recorded 24 accidents, including seven non-fatal; the Woods, 18 accidents, including three non-fatal; the City, 15 accidents, including four non-fatal; and the Shores; five accidents, including two non-fatal.

To date, the Farms is the only community to report a fatality for 1963.

Library Movies Also Move Books

Those sneaky librarians! They get kids in the library to see a movie, and the first thing you know they're checking out books . . .

This appears to be one result of the Public Library's Summer Film Program for boys and girls, being held weekly at all three Pointe libraries.

Miss Harriet Helms, chief of the children's service at the Central library, reports that not only are hundreds of youngsters coming to the movies, but books circulation usually takes a big jump shortly after the movies let out.

Last week at the Woods branch, for example, 343 children watched the movies, and 200 of them stayed and checked out books afterwards. Similar rushes on the book checkout counter have been observed at the Central and Park branches.

The movies are shown weekly,

at 10:30 a.m. Thursdays at the Park Branch, 2 p.m. Thursdays at the Central library, and at 10 a.m. Friday mornings at the Woods Branch.

All three branches show the same movies, but the Woods has been drawing the biggest crowds since the movies began June 20. The Woods uses the Parcels auditorium, seating over 800; Central branch shows the movies upstairs, and the Park uses the Pierce auditorium.

Last year the total attendance for the free films was 4,275. So far this year 1,040 have already been in.

Movies coming up are: July 18 and 19: "Chairmaker and the Boys," (color) and "Korochan, the Little Bear," total time, 32 minutes.

July 25 and 26: "Niok," and "Bird Island" at the Park and Central (67 minutes), and "Fiddle" (color), and "Tale of the Fiords," Total time: 36 minutes.

August 8 and 9: "Emperor's Nightingale," (color), 60 minutes.

August 15 and 16, final presentation of the season: "The Red Balloon," and "Scatterbrain," both in color, 44 minutes.

The films were selected by the Children's Department, with the help of the acting film counselor, Miss Gerda Bielitz.

Prowler Enters Home in Farms

Alvin Sherman of 40 Oldbrook lane reported to Farms police July 8 that someone had broken into his home between June 25 and that date. He said, however, that he could find nothing missing.

The prowler had gained entrance by breaking a hole in the screen door of the terrace and then breaking the glass in the den room door. In addition, several screens on windows had been pulled out of their sashes and basement windows had been broken, he reported. The glass on the kitchen door had also been broken.

Nancy Dykstra To Light Torch

Nancy Dykstra, of 1322 Beaconfield avenue, who will be five years old on August 24, was named as "torchlighter" for the 15th annual Torch Drive, to be held October 15 through November 7.

The torchlighter is one of 44 Grosse Pointe youngsters to receive treatment at Children's Hospital, a Torch Drive agency, during the past year.

Nancy, the daughter of Mr. and Mrs. James Dykstra, was chosen to represent the tens of thousands of persons of all ages who are benefited by the annual "give once for all" fund-raising campaign. She has been an out-patient at the hospital's Physical Therapy Clinic since March, 1960.

When she presses the button which sets a flame roaring from the top of the 54-foot torch at the top of Woodward avenue in downtown Detroit, on the night of October 15, Nancy will be a universal symbol of the drive. She will appear on all campaign literature and advertisements, in the campaign films and on television.

The torchlighter's father is a tool and die maker at the General Motors Tech Center. He and his wife have three other children, none of whom has any disability. They are Ruth, 16; Jim Jr., 14; and Donna, nine. Ruth and Jim attend Grosse Pointe High School, Donna studies at Grosse Pointe Christian Day School.

Nancy is a spastic paraplegic. That means that she does not have the ability to use her lower extremities adequately because of abnormal tension in the muscles. Both of her legs are involved, although her arms are not. She cannot walk or stand in an upright position.

The torchlighter wears full-length leg braces with a pelvic belt. Recently, she has learned to walk slowly with the aid of crutches.

In addition to therapy at the hospital, Nancy is treated by her parents at home every day. Nancy's doctor and therapist believe she will eventually walk without crutches and, quite likely, without braces. She will start school this fall at one of the orthopedic schools where physical therapy will be continued as a part of her daily program.

Nancy's weekly visits to Children's Hospital last year were among 100,567 visits to the hospital's out-patient clinics.

Children's Hospital, at 5224 St. Antoine in downtown Detroit, cares for all children, sick or injured, under the age of 12 who need hospital in-patient or outpatient care, regardless of race, residence, or financial ability to pay.

All diseases and accidents of childhood from birth through adolescence are treated. Referral arrangements are made for communicable diseases.

The hospital is open 24 hours a day. Fees are charged when parents are able to pay. Services, however, are made available to all who need them through allocations from the Torch Drive.

KICK-BACK Usually the man who lends his influence on any matter expects big interest on the loan.

Shores Traffic Violators Pay

Frankie Carr of 410 East George, Hazel Park, pleaded guilty to reckless driving on Lake Shore drive, reduced from drunk driving, and paid a fine and court costs of \$100 rather than spend 15 days in the Detroit House of Correction. The matter was heard by Shores Judge John Gillis.

Judge Gillis also found James D. Rambus of 600 East Webster, Ferndale, guilty of driving 45 miles an hour on Lake Shore, and fined him \$5.

Joseph H. Thibodeau of 1723 Broadstone, was found guilty of driving 30 miles an hour on Ballantyne road, a 25-mile zone, and paid court costs of \$7.50.

William F. Lomasney of 21339 Severn, Harper Woods, paid a fine of \$20, after he was found guilty of speeding 55 miles an hour on Lake Shore.

John S. Lachman of 28229 Roy, St. Clair Shores, was found guilty of reckless driving on Lake Shore. He was placed on probation for one year and forbidden to drive for six months, and fined \$35. A report was sent to the Secretary of State's Office in Lansing, recommending Lachman be re-examined before his driving rights are restored.

Richard A. House of 19232 Brandt, Roseville, was found guilty of going 45 miles an hour on Lake Shore. He was placed on probation for three months and ordered to attend a special traffic school, paying his own cost. He also paid court costs of \$7.50.

Richard F. Gordon of 469 Drexel, Detroit, paid a fine of \$10, after being found guilty of speeding 45 miles an hour on Lake Shore.

Blaze Blamed On Firecrackers

A small fire erupted in the garage of a flat owned by Mrs. Conway Arms and Mrs. E. A. Conway, at 16908 Cranford lane July 12.

The fire damaged a trunk and two screen doors in the garage before firemen arrived and put it out with a garden hose in a matter of minutes. Mrs. Arms told firemen she had seen some boys playing with firecrackers near the garage.

Mrs. Conway and Mrs. Arms are mother and daughter, both widowed, living in adjacent apartments.

if the ROSE MAN wants to plan your vacation trip... hide the map!

... he can't find his way out of town. Yet, to your neighbor, your neighbor's neighbor and families everywhere, this fellow is an outright hero.

In fact he's almost becoming a legend. Strange? Not when you think about it. For instance. After he shows up, there's no more need to keep paying out good money for those "kill 'em quick", by guess and by golly insect-powders you've been futilely using.

Rose Home Service lets you relax and enjoy your home without sharing it with nasty ants in the kitchen, moths in the closet or mice in the basement.

And, no more worries about the dog or the kids sampling any highly toxic pest powders that might be spread around.

Even in homes clean enough to eat off the floor, roaches smuggle their way in. And unless you're smarter than they are, they stay.

That's where the Rose Man shines! He's a skilled, professional pest control expert. On regular inspections he provides preventive protection as well as immediate control, all for only pennies per day. You just can't buy his knowledge, his scientific methods and modern materials at the corner store!

Thieves Clip Mayor of Park

One hundred and fifty dollars in cash held in a gold money clip which bore the initials "K. W. C." was stolen from the locker room of the Country Club of Detroit June 13. The money belonged to Park Mayor Kenneth W. Cunningham, of 936 Berkshire road.

Cunningham told Farms police that the money was taken from a pants pocket while he was showering somewhere between 3:50 and 4:05 p.m.

Police questioned and searched three employees, with no positive results. They plan further questioning and investigation.

Plan Discussion On Atomic Bans

"Last Chance Politics" is a dramatic title for a scheduled meeting which indicates the seriousness with which the Fourteenth District Citizens For Peace view the statement made by President Kennedy at The American University: "If we don't get an atomic test ban now, I would think perhaps the genie is out of the bottle and we'll never get it back in again."

In order to gain information and to assess the possibility and desirability of a test-ban agreement now, at a time in history when the major powers are in consultation, the Fourteenth District has brought to Detroit national and local authorities who will provide information citizens need in order to make

Exchange Pupil Learning Fast

Jay Humphreys of Cadieux road, Michigan Council of Churches exchange student in Erlenenbach, Switzerland, has written to his parents, the James A. Humphreys, more details of his stay in the small Swiss town.

Jay, who is 17 and will be a senior at St. Paul's School, Concord, New Hampshire, is staying with the family of a postal official.

He writes: "After dinner... Ruedi and I went for a walk by Simme, helped a woman get a cow and her calf who got on opposite sides of the railroad tracks in the wrong pastures. It was dark and my shoes got all soaked up — took us two hours to get them both in a barn and tied up. The cow kept walking into the wrong pastures."

Jay's Swiss "brother" is playing in a soccer tournament, he reports, so Jay has been playing and watching soccer recently. He went to the beach with his brother Ruedi and others and "got the worst sunburn of my life."

He reports about a dance... "Ruedi and I left for a dance at the Schadau, an old mansion now used as a restaurant and a place for dances, with large gardens and woods cut by many paths. Met Sami, Edi, Hans Urs and Beal there. Had a blast — had to talk to the girls I met in French. Four piece band, 1 franc — 23 cents admission."

"Everyone asking strangers to dance and no yelling, swearing or hoods. Everyone really friendly."

He observes about the Swiss school, "Ruedi's class is the most attractive — girlwise — I have seen. Five out of eight! Really attractive!"

Rotarians Hear Labor Mediator

The Grosse Pointe Rotary Club heard an interesting talk Monday on some of the problems in labor-management negotiations by Daniel Gallagher, mediator with the Michigan Labor Mediation Board.

Mr. Gallagher's background includes service as Director of Workmen's Compensation with the U.A.W. and with the War Labor Board during World War II.

His theme was that basically labor and management too frequently view each other with unfounded suspicion when they sit down at a bargaining table. This suspicion comes from the fact that each have most definitely different objectives. Management is interested in a profit, in protecting the owner's rights, and labor on the other hand is interested in bettering their members position through better earnings and better conditions.

One might say this situation has existed almost since feudal times with the master and serf, he said.

Another area in which confusion and distrust exist is in the area of actual wording in contracts and in agreements. Frequently, according to Mr. Gallagher, when he is called in to work with the two parties he finds that the terms are agreeable in a settlement to both yet for some reason they could not agree among themselves on the wording which he as mediator had presented to each party separately. An interesting question and answer session followed his talk.

THINK! Don't drink and drive—too many joy-rides begin with a bottle and end at the morgue.

BIG RISK Trust some people with your money if you wish, but never with your reputation.

Driver Guilty On 3 Counts

Charles E. Teague, 34, who gave his address as 1044 Concord, Detroit, was stopped by Shores police shortly after midnight on Monday, July 15, for driving without tail lights and speeding.

Patrolmen Frank Mustazza and James Jurcak were patrolling south on Lake Shore when they observed Teague driving at a high rate of speed. The officers stopped the motorist in front of 575 Lake Shore.

Teague told the policemen that he was arriving from Chicago, where he had been living, and was going to the Concord address where he was going to make his home.

Mustazza and Jurcak could not believe their eyes when they saw the Chicago license plates, which had expired in 1962.

Teague, who produced a bill of sale, showing that he had purchased the car in Chicago, told the officers that he had been driving with the expired plates since he bought the car last March.

Teague was taken to the station where he was issued a ticket for driving with expired license plates; one for driving without tail lights; and another for not having a valid license for his person.

He claimed he had an operator's license, but lost it with his wallet.

He appeared before Shores Judge John Gillis Monday evening, and was found guilty on the charges and paid a total of \$30 in fines.

Police Thanked For 'March' Job

City Managers Lawrence E. Savage of the City and Sidney DeBoers of the Farms sent a joint letter last week to the City Managers and police officials of the Pointes, Harper Woods, and East Detroit, thanking them for their assistance in handling the NAACP freedom march in Grosse Pointe on June 29.

Savage commented, "A great deal has been said about the City of Detroit police in the handling of their recent freedom march. I feel that the job our police did on June 29 was every bit as good, and we had not one incident to report."

The letter said, "We feel that a real professional job was accomplished in controlling this very sensitive activity and that your help contributed greatly to accomplishing the best results possible."

Thanks were also written to nine amateur radio operators who established lookout spots along the parade route, reporting to a "communications center" at the City municipal offices, to keep constant tabs on the progress of the parade.

The Michigan State Police also were thanked for their part in the flawless production by police, in controlling traffic and being ready for any incident. For the latter capacity they were never needed.

PLAYS DAMP PRANK A prankster placed a sprinkler owned by Mrs. Russell M. White, Sr. of 257 Mt. Vernon, on her porch, turned the water on and watered the inside of her house, she told police July 9. Mrs. White was in another part of the home watching television that evening. The water did damage to a rug and to basement walls, she said.

GPYC Conquers Oakland Hills

Grosse Pointe Yacht Club swimmers defeated the Oakland Hills Country Club team last Thursday at Grosse Pointe 15:14 to 14:12 in an excitingly close meet.

The largest point spread of the evening was only 13 points as the teams exchanged the front running position three times.

Co-captains Chlp Rohde and Chris Wood led their team to victories in six of the eight relay events. In addition, the Grosse Pointers took the following first places: Jeff Black, 50-yard freestyle (9 and 10) 32.5 secs; Steve Mason, boys' 50-yard backstroke (13 and 14) 41.4 secs; Bruce Black, 50-yard backstroke (11 and 12) 35.5 secs; Steve Mason, boys' 50-yard backstroke (13 and 14) 38.5 secs; Terry Gostow, girls' 50-yard freestyle (13 and 14) 29.6 secs; Bruce Harper, boys' 50-yard backstroke (15 and 16) 21.1 secs; Bruce Black, boys' 50-yard freestyle (11 and 12) 30.4 sec.

The Grosse Pointers will swim the Detroit Yacht Club in an inter-club meet on Belle Isle Sunday afternoon, July 21.

On Tuesday, July 9, the Braves beat the Cards by a score of 9-5. The Braves displayed a balanced hitting attack in which eight different players got the nine Brave hits. Jim Hayes and John Walsh both hit doubles while Tom Marcupoulos, Dave Harrison, Chris Marcupoulos, Mark Walker and Mike Ware all added singles. Chris Marcupoulos and John Walsh split the pitching duties for the winning Braves.

The Cardinals were led by Matt Devine who banged out three straight doubles. Ernie Schmatz, Steve Guba and Keith Cunningham also helped. Dave McLeod also had three walks.

On Wednesday, July 10, the Dodgers set a new Grosse Pointe City Little League record by winning their 18th straight game of the season. This also gave the Dodgers the distinction of being the first team in Grosse Pointe City ever to complete an undefeated season.

However, the Dodgers really had to scramble to win this one against a fired up Cardinal team. After four innings the Cardinals enjoyed a 4-0 lead. Ernie Schmatz, Paul Price and Matt Devine all got key hits for the Cardinals while Keith Cunningham was doing an excellent job on the mound. In the 5th inning, however, hits by Joe Elwart, Skip Bancroft, Ralph DiDominico and Vince McDonald tilted the score. That brought to bat Bill Doyle and Mike McMillin who got their 29th and 30th hits of the season respectively and also gave the Dodgers a 7-4 lead. The Cardinals staged another rally in the bottom of the 6th inning but a fine fielding play by Jay Renouf on a hard grounder by Matt Devine saved the Dodgers.

On Thursday, July 11, the Braves defeated the Cubs by a score of 12-3 to end regular season play. The game was decided in a matter of minutes when the Braves roared out and scored 9 big runs in the first inning. John Walsh had a fine night for the Braves getting three hits (including a double). Jim Praught also gathered a couple of singles and Tom Marcupoulos a double. Jim Praught, John Walsh and Dave Harrison pitched for the Braves.

In this game the Cubs got only two hits but they were big ones. Brian Hickey finished his Little League career with a homerun and Gene Whitley had a double.

WOODS-SHORES
By Dave Marstiller
In our last week of the season the scores were:

Monday night: Jim Causley Pontiac dropped Wood Motors Volkswagen 12-0 with Grayfield the winner over Martin, Dick Green Chrysler-Plymouth the winner over Dick Shalla Chevrollet 12 with Miles taking the win from O'Brien and Tom Rousseau Buick 12-3 as Chouhine and Roy O'Brien Ford and Dick Green Chrysler-Plymouth with Shakotko getting the win over Meyers.

This set the stage for the play-off of a second half between Wood Motors Volkswagen and Roy O'Brien Ford that was played Thursday night.

Mike Martin was the starter for Wood and O'Brien countered with Dick Keller. They allowed nothing in the first inning but Perkowski singled, stole second, and raced me to score on a throwing error. In the third inning O'Brien scored again, stole second and scored on Frankland's single. In the fourth Dick Keller led off with a double and scored on Perkowski's second single to give O'Brien a 3-0 lead.

Wood was far from dead as Jim Allen and Ray Steffes, singled, and Mike Martin doubled them home. O'Brien reliever Paul Shakotko who was greeted by Bill Hahn's single that brought Martin home. Shakotko then retired the next two batters to end the inning.

Bill Delmege led off the O'Brien half of the seventh with a base on balls, stole second and scored on Davenport's single. Ray Steffes who had been catching, then took over the pitching chores for Wood. He retired the first man he faced but Davenport stole second and third, came home on Ron Frankland's perfect squeeze bunt. Delmege pitched the sixth inning for O'Brien then set Wood down in the seventh to preserve the victory and to win the game for the boys from Roy O'Brien Ford.

By winning this game O'Brien won the second half of the season and as they had already won the first half they became the

Saturday afternoon at 12:30 the first class "Cruising E" will cross the starting line off Gratiot Beach in Lake Huron as the 30th Annual Bayview Yacht Club, Port Huron to Mackinac Island Sailing Race gets underway. A class will cross the starting line each half hour through 2:30 when the big boats in "Cruising A" start.

Race Committee Chairman Richard L. Brand closed the entries on Monday evening with 120 yachts from all five Great Lakes. This is a new all time high.

The fleet will begin to rendezvous in the Black River at Port Huron on Thursday with the majority of the boats expected on Friday. The best time for spectators to view the fleet of the Great Lakes finest sailing yachts is Friday afternoon or Saturday morning. If you are planning on going to Port Huron Saturday morning, it is suggested that you arrive by 9 a.m. as the boats begin to leave the river for the start about 10.

The starting line is located on the Canadian side of the ship channel off Gratiot Beach. The only way to see much of the start is from a boat. The line is so far off shore that it will be difficult to see much from shore.

The scratch boat will be GREAT LAKES owned by Hans Warnke of the Grosse Pointe Yacht Club. The 56 ft. cutter carries the highest rating in the fleet. BLITZEN owned by the Schoendorf brothers of Milwaukee is another 56 ft. cutter, but rates on handicap slightly lower than GREAT LAKES. BLITZEN which is rated as a top contender for honors was formerly owned by Grosse Pointers Murray Knapp and Ernie Grates.

TeeTaert Wins Distance Swim

Jack TeeTaert repeated his victory of last year as he captured top honors in the Seventh Annual Two-Mile Swim sponsored by the Metropolitan Club of Grosse Pointe last Saturday. The grind starts at the Grosse Pointe Yacht Club and ends at the Grosse Pointe Farms Pier.

Despite a fierce wind which blew from the south and whipped the water into white-cap condition a record number of entries, 57 in all, answered the starter's gun. An amazing 55 swimmers managed to complete the course either via swimming or just bouncing along in shallow water.

Unfortunately the 13-inch drop in the level of the water of Lake St. Clair made many spots on the course less than knee deep making it next to impossible to take an ordinary Australian Crawl stroke.

TeeTaert's winning time of 59 minutes was more than 13 minutes over the course record of 46 minutes and 20 seconds set in 1959 by Chuck Backoek which demonstrates how rough the water was.

Grosse Pointe Shores' 15-year-old Tom Mertz, who is 14, won the junior boys division for the second consecutive year as he paddled the distance in 65 minutes and 21 seconds. Tom will enter Grosse Pointe High this fall and he should be a big help to Coach Kinner's varsity squad. Dave Quinlan and Kit Tennison, both from the Farms, won second and third respectively in this division.

The Senior Women's division was Annette Wibleman's race all the way. The former star and captain of the St. Paul Mermaids left all of her competition in her wake as she roared home an easy winner. Donna Jean Pope placed second in this category.

Top honors in the girls' junior division were won by Debbie Dodd. Shelly Shaw was second and Chris Everett third behind Debbie. It was a two mile hop for this group as no one swam the complete course, but all covered the distance by doing surface dives pushing off the lake bottom.

Nick Stroh plunged into the water of Lake St. Clair at 2:30 p.m. and was gone so long it was feared he was lost at sea. However, at 5:30 p.m., exactly three hours later, Nick touched the Farms Pier and staggered forward to claim his trophy as senior men's champion.

In the overall results, Jack TeeTaert, Bob Sherwood, Ed Pongraz and Steve Selander placed in that order. Jack may continue to win this event for several more years running since he is about to enter the University of Wisconsin on a swimming scholarship and will obviously remain in first class condition.

All contestants who finished the course were awarded a plaque by the Metropolitan club of Grosse Pointe in recognition of their achievement.

Soccer to Help Rebuild Church

A Canadian team from Tillsonburg, Ontario, will meet the local Belgia Team of Detroit at Mack Park, Mack and Fairview, Sunday, July 28, at 4:30 p.m.

Admission is \$1.00 per person and car parking within the park is 25c per car.

A gala parade, starting at the Cadieux Cafe in the early afternoon, will bring on a "Queen" who will officially open this International Game. The Belgian American Band will be on hand to add lustre to the occasion. Festivities will conclude at the Belgian Hall (admission free), at Hurlbut and Gratiot, immediately after the game.

Proceeds of the day's activities will go to the re-building of Our Lady of Sorrows Church, recently destroyed by fire.

Detroit Golf Club Beats Lochmoor Club Tankers

By Bill Bullard, Jr.

Lochmoor Club swimmers were defeated for the second time in as many meets this season when the Detroit Golf Club beat their hosts 154-140 last Thursday.

Coach Roy Pouliot's team will try to avenge last season's beating by the Country Club of Detroit in a meet this afternoon. The two teams are scheduled to begin the first event at 5:30 p.m. in the Lochmoor pool.

In the Detroit Golf Club meet, Lochmoor had two double winners. Bob Schaltenbrand and Leslie Beckenhauer (15-16 years old) in the 9-10 girls' freestyle and breaststroke races. Skip Sherwood accomplished the same thing in the boys' 9-10 class.

The only other Lochmoor first place was won by Cheryl Gardner in the girls' 13-14 freestyle race. Her time of 31.5 was the best posted by a girl swimmer in an individual event during the meet.

Three swimmers scored double victories for the Golf Club. In the 11-12 age group, Terry Sullivan and Lynn Sherwood took both the freestyle and backstroke races. Skip Sherwood accomplished the same thing in the boys' 13-14 freestyle race.

Girls 100-meter medley relay (10 years old and under): 1. Lochmoor (Leslie Beckenhauer, Clarke, C. Gardner, Lisa Beckenhauer, 2: Detroit Golf Club; Time: 2:11.1.

Boys 200-meter freestyle relay (total age limit 56 years): 1. Detroit Golf Club (S. Sherwood, B. Sneathamp, D. Duffield, Tim Sullivan); 2. Lochmoor; Time: 1:59.5.

Girls 50-meter freestyle (9-10 years old): 1. Lisa Beckenhauer (L); 2. M. Ambrose (L); 3. S. Sneathamp (DGC); Time: 35.4.

Boys 50-meter freestyle (9-10 years old): 1. Heholt (L); 2. T. Sherwood (DGC); 3. L. Sullivan (DGC); Time: 35.9.

Farms Swim Meet Saturday

Entries will still be accepted until tomorrow evening at the 6 p.m. deadline for the 13th Annual Grosse Pointe Farms swimming meet to be held at the Pier on Saturday at 2 p.m.

There are 32 races on the program covering all age groups and all types of strokes. The first and second place winners will qualify for the Inter-City Swimming Championships to be held Saturday, August 3, at the Woods waterfront park.

The race has been open all week and the Farms guards have been giving instruction sessions on racing starts and other fine points of competitive swimming. This instruction will continue to be available during swimming hours right up to starting time.

On Monday, July 8, the Dodgers won their 17th straight game by defeating the Cubs 21-4. This game was featured by Bill Doyle's grand slam homerun and his 10 RBIs for the night. John O'Brien also had a homerun while Mike McMillin and Vince MacDonald each had two hits. Jay Renouf scored five times as he collected four walks and a single. Ralph DiDominico and John O'Brien shared the pitching duties for the Dodgers.

Legion Nine Retains Lead

By Fred Haines

The Grosse Pointe American Legion Post 303 team continued to lead the East Side Division of the Detroit District American Legion Baseball League. They played only one game last week because of the All-Star game played at Tiger Stadium on Friday night and a postponement on Sunday.

In that game 303 scored three runs in the fifth inning to win over the Hamtramck Falcon Post 3-2. Grosse Pointe had numerous opportunities to score in the early innings but failed to take advantage of them.

However, in the fifth, following a single and a walk, John Reynolds was intentionally passed to fill the bases. Terry Kasiborski, who already had two hits to his credit, drew a walk to force in the first run. Then Bob Gierman, one of 303's All-Star selection, drove a line single to left field to score the tying and winning runs. Bob Critchfield picked up the win, his sixth against no losses, when he relieved Jay Yeckley in the fourth.

John Reynolds distinguished himself and Grosse Pointe as well Friday night at Tiger Stadium. John was the starting catcher for the Detroit District against the 16th District. He caught a fine four innings, throwing out an attempted steal of second in the first inning.

However, he will be most remembered for his hitting. In the first inning he drove a line-double to left field, bouncing off the wall on two hops, and in the third he hit a towering triple to dead center and produced the first and second runs for a 3-1 victory for his team. Bob Gierman, the other selection, played defensively the sixth and seventh innings.

This week 303 plays Northwest at Belle Isle Tuesday at 5:30, Edison Post Wednesday at Northwest at 5:30, and the first game of the season at the latter has not been set.

Chorus Giving Center Concert

Selections from "The Music Man" and "The Sound of Music" will highlight the second annual concert by the Grosse Pointe Summer Chorus at the Fries Auditorium on Thursday, July 25.

In addition to the show tunes the concert will include fine choral music from the standard sacred choral literature, folk songs and other "pop" tunes.

The Chorus, under the sponsorship of the Grosse Pointe War Memorial Association, was founded last summer by its current conductor, Donald Simmons, as a family participation activity.

Tickets are available for the concert from any singer in the Chorus or at the War Memorial. They will also be sold on the evening of the performance.

Further information may be had by calling TU 4-5964.

The prospective bridegroom is the son of Mr. and Mrs. Francis E. Reynolds, of Ardsley, N. Y. He was graduated from the University of Detroit where he affiliated with Delta Phi Epsilon fraternity.

Miss MacFarlane attended Eastern Michigan University, where she affiliated with Sigma Sigma Sigma sorority, and Michigan State University.

Jameson Writes True Confession

"Wrong Turns We've Taken" is the title of a short article authored by Dr. Marshall Jameson, Monticello School head. Described as a "true confession," the account appears in the May-June issue of "The Michigan Elementary Principal."

Dr. Jameson writes with candor of the efforts of his staff over seven years in "attempting to design and move into what is being roughly described as the "Nongraded School'". This goal has not yet been attained, but the principal states that he and his teachers are striving for the implementation of it as a means of individualizing and improving instruction.

Dr. Jameson states that the purpose of his writing so frankly is to alert educators throughout the state to the problems he has encountered. In so sharing his pitfalls as well as his successes, he has sought to give other the benefit of his total experience in the "nongraded school."

half hours Monday. On the same day the Soviet newspaper Izvestia charged China with trying to set up a rival center of Communism and of drawing on racial prejudice to establish their faction.

Three Cheers for Farms

The City of Grosse Pointe Farms has decided not to stick its snout into the federal money trough and suck off any of the funds which have been made available to help carry out planned municipal projects. We greet this decision with three rousing cheers.

Action of the council Monday night was an auspicious reversal of opinion as demonstrated in previous meetings where this subject has been under discussion. When it was first proposed that the Farms apply for financial help under the Accelerated Public Works Act, to carry out plans for enlarging and altering the Municipal Building, building an underground water reservoir and putting a roof on the Municipal Garage, the proposal was greeted with enthusiasm by all the councilmen, excepting William Butler, who vigorously opposed it.

Official notification that the requested funds had been made available, was received on June 28. The amount to be provided by the government was \$149,500, to be matched by city funds. Action was required at Monday night's meeting to accept or reject the offer, and it is understood that a majority of the councilmen were ready to accept. Credit for the big switch is being handed Councilman Henry Bodman. Complete coverage of the meeting is provided in the lead story of this issue and we strongly recommend that our readers give it a thorough study.

It should be highly embarrassing to residents of this greatly favored community to have their municipal leaders put them in the position of begging for handouts to carry out projects that we should be perfectly capable of taking care of on our own. We would like to see the City, Woods and Park turn down the similar offers which the government has made to them.

And we particularly object to the official messages of thanks which have been sent to Senators Patrick McNamara and Philip Hart and Congressman Harold Ryan for their help in expediting the largesse. We can see nothing commendable on the part of our elected representatives when they attempt to make us cast away our pride and put on the shackles of government subservience by leading us to the pork barrel.

Letters to the Editor

Dear Mr. Editor:

The National 4th. (Ivy) Division Association, Veterans of World Wars One and Two is having its National Reunion at the Fort Shelby Hotel on August 1, 2 and 3. Inasmuch as many former members of this outfit now live in the Grosse Pointes an article in your paper may help the Detroit Reunion be a greater success.

The 4th. a regular army division is currently stationed at Fort Lewis in Washington State.

During World War Two the (Ivy) Division became quite famous. On "D" Day June 6, 1944, the assault waves of the 4th were led ashore at "H" hour under the personal supervision of General "Teddy" Roosevelt. Assistant Division Com-

mander, who had to receive special permission from his superiors to land with the shock troops. This action is depicted in the motion picture "The Longest Day," in which screen star Henry Fonda portrays General "Teddy."

The 8th Regt. of this Division under the command of Col. James A. VanFleet was the first unit to land and contact the enemy on Utah Beach. Col. Van Fleet later became a famous general.

The principle speakers at the Detroit Reunion will be U. S. Senator Philip Hart, and General S.L.A. Marshall, Detroit News Military Analyst and Writer.

Sincerely, Thomas E. Connolly Detroit Chapter

Film Festival Offers Winner

"Ballad of a Soldier," acclaimed internationally by press and public and garlanded with numerous awards, including two prizes at the Cannes Festival and two top prizes at the San Francisco Film Festival, is the second offering in the three-week Grosse Pointe Foreign Film Festival at the Fries Auditorium.

Considered one of the finest motion pictures ever made in the Soviet Union, the film will start at 8 p.m., Monday, July 22. It will be introduced by Ralph Deal, Russian Language Instructor at Grosse Pointe High School, who will discuss briefly the present state of the movie industry in Russia. Tickets for the performance are on sale at the door for \$1.50.

A simple story, "Ballad of a Soldier" follows a 19-year-old soldier across Russia as he returns home from the war front on a brief furlough. Hitching rides on trains and trucks, he comforts a maimed homeward-bound veteran, delivers two cakes of soap to the family of a comrade, falls in love with and then loses a young migrant girl, and arrives home only in time to embrace his mother and depart for the front again.

The romantic drama co-stars Shanna Prokhorenko and Vla-

dimir Ivashov, a team whose youth, fine looks and acting abilities have enraptured audiences and critics.

With Grigori Chukhrai directing, "Ballad of a Soldier" was filmed in the ancient town of Vladimir, near Moscow, with special units of the Red Army participating. Vladimir Ivashov, the young soldier, Alysha, in "Ballad of a Soldier," was the seventy-third candidate to be interviewed and tested at the Mosfilm Studios. Young and pretty Shanna Prokhorenko was found by Chukhrai in an acting school.

Chukhrai, who wrote the script with Valentin Yashov, met his collaborator at the Institute of Cinematography in Moscow. Studying together, they became deep friends.

Yashov served in the Navy in World War II; Chukhrai was a paratrooper, in writing "Ballad of a Soldier," they drew upon their own war experiences. Chukhrai was wounded five times, three times seriously.

A hero of the defence of Stalingrad, who later was a member of the units which pursued the Germans across Austria, Chukhrai was awarded medals several times for his unusual bravery.

What Goes On at Your Library

By Virginia Leonard

With the recent visit of John Fitzgerald Kennedy to the home of his ancestors, Ireland has suddenly come into greater prominence. A spring issue of HOLIDAY magazine, resplendent with shamrock cover, is entirely devoted to this island; a July copy of LIFE has a story on Kennedy's Irish kin; the July 12 number of TIME bears the picture of Ireland's Prime Minister, Sean Lemass, plus a lead article pointing up the "new spirit in the 'Auld Sod.'" Many other articles on the fair Isle have appeared in various newspapers and other periodicals. Truly it is Ireland's time to howl!

In view of this publicity, it occurred to me that some of our patrons might be interested in reading some of the recent material our Library has on Ireland, either of the fiction or non-fiction variety.

Of a general nature, let us first consider Kate O'Brien's MY IRELAND. Here, a well-known Irish author writes warmly about her homeland. A recent history of this country is C. M. Garner's A POPULAR HISTORY OF IRELAND, a compact little volume which seems to cover the subject competently. George Potter's TO THE GOLDEN DOOR presents a picture of the Irish people, their folkways, customs and history, as well as their impact upon the culture of the United States. Bob Conidine has given us ITS THE IRISH, telling of the Irish immigration to America and the contributions and activities of these people through the years. It is written with Gaelic verve—is fast-moving and fascinating.

We must, of course, hear from George Bernard Shaw. His THE MATTER WITH IRELAND is an anthology of some of his writings, giving his insights on Eire, still relevant today. This collection is shrewd, searching, provocative, pithy—true Shawiana. (I feel justified at this point—since the lady in question is Anglo-Irish—to mention the new biography of Mrs. Shaw—MRS. G.B.S.—by Janet Dunbar, which I have just read and found most interesting and rewarding.)

A narrative of the struggle for Irish independence from 1916 to 1922 is PROTEST IN ARMS by Edgar Holt. This is a readable, comprehensive book of this chaotic and emotional situation. A book on the best-seller list right now is Mrs. Woodham-Smith's THE GREAT HUNGER. Here is the story of one of the worst disasters of all times—the Irish potato famine of the 1840's, skillfully written and of first-rate research.

Leonard Wibberley must have his say in THE LAND THAT ISN'T THERE. Wibberley took his small American son and daughter back to Ireland to learn something of their father's heritage; here the author displays a fine appreciation of the Irish disposition and temperament.

In the fiction field, we can start out with a Wibberley offering too. His STRANGER AT KILLKNOCK is a tale dealing

with the coming of Christ in the guise of a friendly stranger to a small West Ireland fishing village. H. M. Fowler's THE BLAZING STRAW, published in 1962, tells of I.R.A. activities in contemporary Ireland. Flann O'Brien's THE HARD LIFE is an anecdotal comic novel revolving around the lives of two Irish orphans—the time is the turn of the century.

A suspense novel by Andrew Grave—THE HOUSE OF SOLDIERS—centers on a Dublin hill where a professor of archeology is conducting his researches. A collection of short stories by Sean O'Faolain—I REMEMBER! I REMEMBER! deals with the lives of the modern Irish on the Emerald Isle and in other countries. Sentimental and sensitive.

We could never conclude without hearing from Brian Moore. His latest—AN ANSWER FROM LIMBO—is concerned with the Irish in New York City. Here one finds powerful, unforgettable characters (especially the women). You may remember that his earlier novels also had Irish backgrounds. THE LONELY PASSION OF JUDITH HEARNE and THE FEAST OF LUPERCAL had Belfast settings; THE LUCK OF GINGER COFFEY concerned an Irishman living in Montreal.

Almost every American has a dash of the Irish in him. As the editors of HOLIDAY point out: "... we have all grown porous to the romantic and violent legacy of Ireland. As we have to all those qualities persuasively Irish—wit, charm, imagination, a mocking tongue, fistic combativeness, loquacious camaraderie." So—why not come in and renew your acquaintance with the Sons of Erin. Faith, and it might be fun as well as instructive.

Plan For Medical Care

By Fred Kopp, Ph.

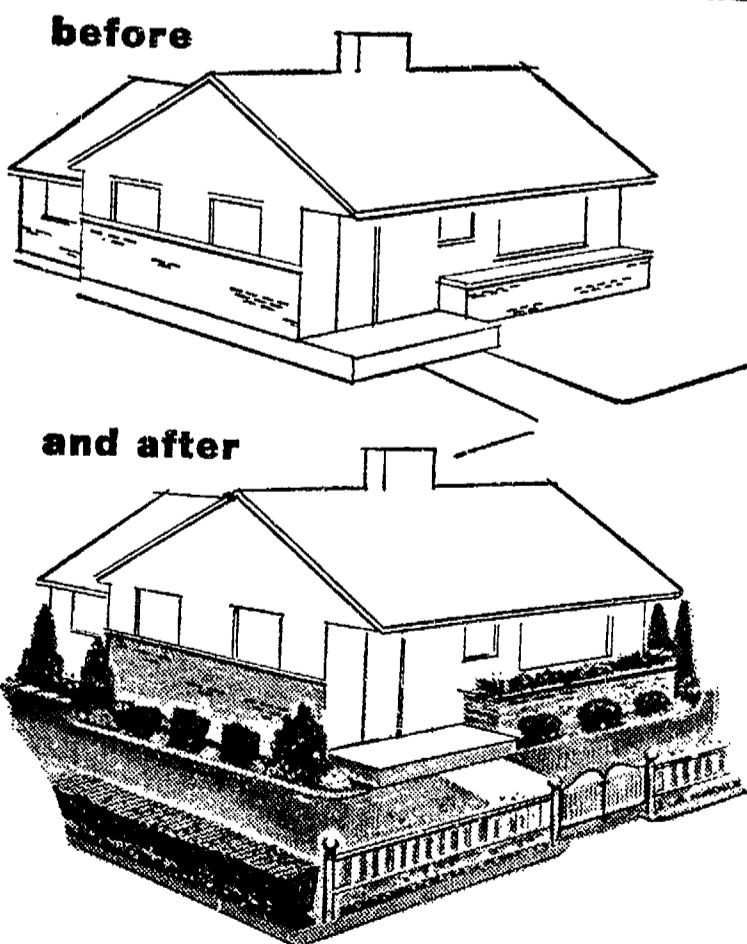

If sickness is regarded not as something to be cured, but as something to be prevented, we have finally become educated in the matter of health.

Knowing what to do is not enough, action is needed also; and provision of time and money to secure medical advice.

By setting aside a small amount each month in our budget we can take care of the expense; by making an appointment with the doctor well in advance we can find the necessary time.

Quality drugs, carefully compounded are important to health protection. Secure them from a pharmacist with a reputation for excellent prescription service.

This is the 1622nd of a series of Editorial advertisements appearing in this paper each week.

From Another Pointe of View

By Janet Mueller

The Detroit Boat Club, oldest boat club in the world, has scheduled a whole series of midsummer events to celebrate its 125th Anniversary year.

"Quasiquicentennial Week" begins Tuesday, July 30, when Jacquelyn Jeanne Mayer, Miss America for 1963, crowns Miss Detroit Boat Club at a "Swing With the Queen" dance.

This Interclub party for senior-high students and recent graduates starts at 6:30 o'clock, with pool-side buffet supper. Selection of Miss DBC will be announced at 9, and there will be dancing under the stars until 11 in the evening.

Fireworks, a powerboat review, outdoor steak roast and sailboat regatta are only some highlights of the Anniversary week's crowded agenda, culminating Saturday evening, August 3, in the Quasiquicentennial Follies.

The First Lady's favorite, Lester Lanin, will be on hand to dispense his own pre-eminently danceable brand of music; but first comes the traditional Aqua Follies water show from 7 'til 9, with strolling musicians set to wander the grounds during cocktail and dinner hours.

Then, at 9:30, Lester Lanin arrives, and the next four hours will be devoted to dancing, dancing, dancing! (DBC is building an extra dance floor especially for the occasion.)

Kenneth E. Staley, of Sunset lane, DBC director and chairman of the club's Public Relations Committee, is responsible for producing Quasiquicentennial Week's array of talent, with Entertainment Committee chairman Milton C. Selander, of Hidden lane, co-ordinating all phases of the program.

Ball committee members include Daniel M. Carne, of Berkshire road, chairman; Mr. and Mrs. Robert Barrett, Mr. and Mrs. Arthur Schmidt, Mr. and Mrs. John

Short and to the Pointe

JOHN I. LLEWELLYN and his daughter, JACKIE, are vacationing on Harsen's Island while son, LOUIE, remains at the family home in Ridgmont road.

The JAMES W. STANDARTS, of Hillcrest lane, were hosts at a buffet supper party and dance in the garden of their home Saturday evening, honoring Mrs. Standart's niece, MARJORIE ROGERS, of Winnetka, Ill., who with her parents, MR. and MRS. C. MARSHALL ROGERS, JR., spent the weekend visiting the Standarts.

REV. and MRS. PERRY R. WILLIAMS, of Geneva, Switzerland, are visiting her mother, MRS. JOHN E. COULTER, of Lothrop road.

New freshmen at Western Michigan University are getting a pre-taste of campus life in a two-day exposure during July as the special orientation program is in full swing. Some 2,500 students are expected to take part in the program of counseling, testing and advance registration. University residence halls are opened for them, with new groups registering on four days of each week. A social program is also planned.

Among those participating in the orientation program are those from the Grosse Pointe area: KATHLEEN CIAMBELLA, WILLIAM WALSH, JR., SUSAN TAYLOR, GARY LANDLESS, PAULINE LU-

Mrs. Robert H. Watson Jr.

In Christ Church Saturday evening, JEAN ROB-INSON PERRETT, daughter of Mr. and Mrs. William Montague Perrett, of Kensington road, was married to Mr. Watson, son of Mrs. Robert Henderson Watson, of Grayton road, and the late Mr. Watson.

BERTO, GENESE A. METRY, JAMES SCHUELER, PAUL STUART, DAWN WILLIAMS, BARBARA GAYEK, THOMAS CLARK, FRED CUTLER, JUDITH ST. JOHN, KATHLEEN KEFEGAN, JEANNE LUBER, RICHARD AIKEN, JOAN THORN, EDMOND KILBOURN, JAMES STUART and LINDA PARNELL.

MRS. EDWARD S. PIGGINS, of Ballantyne road, and her son, JOHNNY, are back in the Pointe after a week's vacation in Traverse City.

BRUCE A. McCONACHIE, son of MR. and MRS. DONALD L. McCONACHIE, of Mt. Vernon road, is one of 51 freshman students at Grinnell College who completed special projects in connection with regular course work during the second semester. He earned his grade "with distinction" in historical studies. A grade of B or better in

the regular course work was also required for this citation. McConachie is a 1962 graduate of Grosse Pointe High School.

CPL. RONALD E. GOUIN of Belanger road and PFC DOUGLAS W. HARMON of South Oxford road are among 160 Marine Air Reservists from Michigan and Ohio who are taking summer field training at Jacksonville, N.C. They are members of Marine Air Group 46, a unit of the reserve Fourth Marine Air Wing headquartered at the Naval Air Station on Grosse Ile. They will return home on July 28.

ANNE SCRIPPS, of Loudenville, N. Y., and MARGIE SLOAN, of Duval road, are visiting their grandmother, MRS. WILLIAM H. Parties Honor Carolyn Benzin

Parties for bride-elect Carolyn Louise Benzin, who will marry Tymon Clarence Totte in Our Lady Star of the Sea Church next Saturday, began last May, with a kitchen shower given by Mrs. Van Patrick and Mrs. Gordon Buehrig in Mrs. Buehrig's Dearborn home, and a miscellaneous shower by Mrs. Theodore Koski.

In June Carolyn, daughter of Mrs. Elmer Benzin, of Lochmoor boulevard, and the late Mr. Benzin, was honored at a brunch and miscellaneous shower in the Balfour road home of Mrs. George Baer. Mrs. Alton Wheeler was co-hostess.

Mrs. Clarence J. Totte, Carolyn's prospective mother-in-law, gave a tea in her Hampton road home to introduce Carolyn to her friends, and Mrs. Gladys Randolph and Mrs. William Gmeiner were also hostesses at a tea, while Mrs. John Wilt scheduled a bathroom shower.

Mrs. Paul Marco's Oxford road home was the scene of a tea and linen shower, given by Mrs. Marco and Mrs. Edmund Brady. Mrs. Howard Kissane and Mrs. Rodger Hasty were hostesses at a closet shower, and early in July, Mrs. Stanley Ernst and her daughter, Christine, entertained the bride-elect and her friends at luncheon in the Lochmoor Country Club.

Carolyn was also honored at a luncheon and recipe shower given by Mrs. Thomas Gibney in her Lakepointe home, and Mrs. Ira Grinnell was hostess at a swimming and dinner party at her home in Williamston.

On Tuesday, July 9, Mr. and Mrs. Walter Wood, Mr. and Mrs. Charles Brown and Mr. and Mrs. Arvid Lundell, the bride-elect's uncles and aunts, gave a cocktail and dinner party at the Grosse Pointe Hunt Club, and last Tuesday Carolyn's grandmother, Mrs. Otto Lundell, Mrs. Hira Herrington, Martha Brown and Barbara Wood were hostesses at a Spinsters dinner in Mrs. Lundell's Lochmoor boulevard home.

Tonight Dr. and Mrs. Clarence J. Totte will host the rehearsal dinner at their home in Hampton road, and Mrs. Benzin will be hostess at a reception in the Grosse Pointe Yacht Club following the noon Saturday ceremony.

Mr. and Mrs. C. Henry Buhl III left yesterday to continue their wedding trip to Japan, after spending a long weekend in the Pointe. They occupied the E. Jefferson avenue home of his mother, Mrs. Thomas J. Morrison. The Morrises are still in Europe, but are expected in the Pointe for a long stay about the middle of August.

Mr. Buhl and his bride, the former Marie-France Engel, of Geneva, Switzerland, arrived last Friday. Among those who entertained the couple, married June 15 in the Catholic Church of Compensieres near Geneva, were Dr. and Mrs. J. Stewart Hudson, Mr. and Mrs. Arthur H. Buhl, Jr., and the bride groom's father, C. Henry Buhl of Vendome road, and Mrs. NEFF, Sr., of Fisher road.

FREDERICK DE SANTIS of S. Renaud road, will appear in two of three plays this summer at the University of Colorado's sixth annual Colorado Shakespeare Festival. He will portray Friar Peter in "Measure for Measure" and Clarence in "Richard III."

Leaving this weekend for their summer home at Harbor Point are MR. and MRS. FREDERICK S. FORD, JR., of Renaud road. Mrs. Ford and the children will remain at the northern resort throughout the summer. Mr. Ford commuting weekends.

Watson-Perrett Vows Exchanged

Pair Travel to Northern Michigan After Candlelight Rites in Christ Church Saturday Evening; Reception at War Memorial.

At a candlelight ceremony in Christ Church Saturday evening, Jean Robinson Perrett spoke her marriage vows to Robert Henderson Watson, Jr.

The bride is the daughter of Mr. and Mrs. William Montague Perrett, of Kensington road. Her husband is the son of Mrs. Robert Henderson Watson, of Grayton road, and the late Mr. Watson.

A reception supper with dancing at the Grosse Pointe War Memorial followed the evening ceremony.

The bride wore a floor-length bouffant gown of French candlelight satin, fashioned with a detachable Cathedral trail flaring into French folds of satin, and trimmed with Rosepointe lace and jeweled silver sequins on the bodice and skirt.

Her veil was a floor-length heirloom Honiton lace mantilla designed in a tiara effect, embroidered in seed pearls. She carried a cascade of white carnations with white satin ribbon and tulle.

Mrs. William M. Perrett, Jr., sister-in-law of the bride, was matron of honor. She wore romance blue and carried a cascade arrangement of deep pink carnations.

Bridesmaids were Mrs. James D. Eastin, of Southfield; Barbara Frederick, of Detroit; Mrs.

Raymond Kentro, of San Diego, Cal.; and Ann Marie St. Louis, of Garden City, Mich.

Their gowns were mousseline de soie, fashioned with crescent-curved decolletages and French bowknots at the waists. Similar to the matron of honor's gown, but in ballet blue. They wore matching silken circlets with halo veils of sheer illusion, and carried light pink carnations.

Clark T. Wells was best man, and in the usher corps were William M. Perrett, Jr.; Eugene R. Cadieux, George E. Gerow, and Cameron Lombard.

For her daughter's wedding, Mrs. Perrett chose a champagne-colored dress of re-embroidered lace over satin with a portrait neckline. She wore a matching hat, white accessories and a white orchid corsage.

Mrs. Watson was in cerulean blue lace over taffeta with a square neckline, a matching hat, white accessories and a white orchid corsage.

For traveling to Northern Michigan, the new Mrs. Watson chose a three-piece teal blue suit and white orchid corsage. The couple plan to make their home in Hollywood avenue.

C. H. Buhls, III, Feted on Visit

Mr. and Mrs. C. Henry Buhl III left yesterday to continue their wedding trip to Japan, after spending a long weekend in the Pointe. They occupied the E. Jefferson avenue home of his mother, Mrs. Thomas J. Morrison. The Morrises are still in Europe, but are expected in the Pointe for a long stay about the middle of August.

Mr. Buhl and his bride, the former Marie-France Engel, of Geneva, Switzerland, arrived last Friday. Among those who entertained the couple, married June 15 in the Catholic Church of Compensieres near Geneva, were Dr. and Mrs. J. Stewart Hudson, Mr. and Mrs. Arthur H. Buhl, Jr., and the bride groom's father, C. Henry Buhl of Vendome road, and Mrs. NEFF, Sr., of Fisher road.

Other visitors at the Buhls' Vendome home during the early part of the summer included Mr. Buhl's daughter, Mrs. Frederick Melhado, of New York, and Mrs. Buhl's daughter, Mrs. Robert B. Fox, of Greensboro, N.C.

Mrs. Melhado and Mrs. Fox both arrived in the latter part of June, each bringing children, Christian and Peter Melhado from New York, Thomas, Christopher and Leslie Fox from Greensboro.

Mrs. Melhado and her sons returned home last Sunday, but Mrs. Fox and her husband, scheduled to arrive tomorrow, with son Christopher and daughter Leslie—Tommy is in Camp Nissokone—plan to travel north with the Buhls next week for a short vacation at their summer lodge at Mikado.

Miss Berschback Weds Mr. Faubert

Bride Wears Silk Organza for Rites Saturday In St. Clare of Montefalco Church; Couple Will Live in Boston, Mass.

A Papal Blessing was read Saturday morning in St. Clare of Montefalco Church at the marriage of Barbara Marie Berschback and Gerard Richard Faubert.

The bride was escorted to the altar by her oldest brother, Donald Berschback. She is the daughter of Mrs. Donald F. Berschback, of Whittier road, and the late Mr. Berschback.

Parents of the bridegroom are Mr. and Mrs. Gerald R. Faubert, of Parkside drive, Detroit.

Re-embroidered Alencon lace defined the neckline of the bride's gown, and banded her princess line, chapel-trained skirt of silk organza. Her headpiece was a Swedish pearl crown with French illusion veiling, and she carried phalaenopsis orchids and stephanotis with ivy.

Her attendants wore floor-length white organza dresses with bands of blue defining the waistline and back panel. They carried baskets filled with blue and white daisies and ivy.

Susan Marie Scheich, the bride's cousin, was maid of honor. Another cousin, Mrs. Thomas A. Gilligan, of Royal Oak, served as matron of honor. Bridesmaids were Linda Mary Dunn, of Buffalo, N.Y., and

Bernadette Faubert, sister of the bridegroom.

Michael Faubert served as his brother's best man, and in the usher corps were Michael Brennan, Richard Brennan, Thomas Berschback and James Berschback, brothers of the bride.

"Chip" Berschback was his sister's ring bearer.

For her daughter's wedding and the reception at the Whittier, Mrs. Berschback chose a silk organza sheath in aquamarine blue. Mrs. Faubert was in champagne summer brocade.

Following a wedding trip through the New England states, the newlyweds will make their home in Boston, Mass., where Mr. Faubert plans to do research work for the Massachusetts Institute of Technology.

GOOD THINKING

Many a man displays good judgment by showing a lack of it in some of his friends.

The people who cause most of the trouble in the world seldom produce anything else.

Daughters' Reunion

Mr. and Mrs. Bartholomew A. Seymour are spending this summer in the Pointe, and the Seymours' married daughters have taken advantage of the situation, scheduling dove-tailing visits "home" during the latter part of July.

Mrs. John R. Lilly, the former Marcella Seymour, flew in from the East last Saturday, bringing Muffet Lilly, 4, and John R., Jr., 2½ months.

Mrs. Lilly has just built a new home in Riverside, Conn. She plans a 10-day stay with her parents, and will be on hand to greet her sister, Mrs. William J. Froelich, Jr., of Wichita, Kan., who arrives tomorrow with four-year-old daughter, Kitsy.

Mrs. Froelich (Kathleen Seymour) and Kitsy are scheduled to stay with the Seymours until the end of the month, when they go on to the senior Froelichs' summer lodge in Minocqua, Wis.

Mr. and Mrs. Seymour and daughter, Dorothy, have organized an informal reunion in Edgemont Park this weekend, with Mrs. John W. Fitzer, Jr. (Mrs. Fitzer is the Seymours' fourth daughter, the former Isabel Seymour, bringing her husband and daughter, Mimi, 1½, from Bloomfield Hills to complete the family party.

Cottage on the Dunes

The Philip Weisses, of Kenwood court, have spent vacations in the sandy resort colony near Grand Haven for several years.

Last February, Mr. and Mrs. Weiss finally decided to acquire their own cottage on the dunes overlooking Lake Michigan. Expressways make cross-state commuting exceptionally easy, and the Weiss family began visiting their new summer home early in the spring.

These first weekends were devoted to painting and renovation, with guests, including the Frederick K. Codys, of Stratford place, son Kip, and daughters Ricky and Mary Lou, invited to join in the house-cleaning.

Mr. and Mrs. Weiss and daughter, Cindy, a June graduate of the Academy of the Sacred Heart who plans to enter Garland Junior College in Boston this September, now commute to Grand Haven every weekend, usually with friends in tow.

Last weekend's guests, the Terry Snowdays, of Harcourt road, report inside renovations just about completed, and the Weisses have decided to wait until their eldest daughter, Suzanne, returns from a European trip early in August before tackling the major project of painting the cottage's exterior.

They plan to "surprise" Suzanne, who left the States immediately after her graduation from Newton College and had envisioned a leisurely month of sunning prior to enrolling in graduate school at the University of Michigan this fall.

Other Pointe members of the Grand Haven cottage colony are the William G. Kirbys, of Moross road, who with their children spend much of the summer on Michigan's southwestern coast.

Sand in Her Shoes

Friends of Mrs. H. Ver Linden Peez claim she has "the sandiest shoes in Grosse Pointe."

No sooner had Mrs. Peez returned to Neff road after her spring trip "Round the world than she began to make plans for a European summer holiday.

Currently, Mrs. Peez is "at home" in a villa near Bayonne, France. With five other travel-minded women, she has taken a six-bedroom house overlooking the Pyrenees, and will remain in the Basque country until August 1.

Bayonne, on France's Atlantic coast, is only a few

Bride Claimed By Frank Thorn

Frank Thorn, son of Mrs. Frank A. Thorn, of Mr. Vernon road and the late Mr. Thorn, claimed Carol Haider as his bride June 22 in St. Faith, Hope and Charity Church, Winnetka, Ill.

A reception at the Sunset Ridge Country Club followed the Saturday afternoon ceremony.

The bride, daughter of Mr. and Mrs. Donald Haider, of Winnetka, wore her sister's Victorian ivory satin wedding gown. A crown of seed pearls caught her tulle veil, and she carried Amazon lilies.

Mrs. Joseph Migely of Northbrook, Ill., sister of the bride, served as matron of honor, and the bridegroom's sister, Mary Thorn, was maid of honor. They wore pastel yellow silk sheaths with two yellow tulip petals home in Chicago.

miles from Biarritz and very near the Spanish border, so Mrs. P. has promised herself a series of day-long excursions, with the Spanish resort towns of San Sebastian and Santander two "must" visits.

Before departing for the Continent last week, Mrs. Peez was feted by Mrs. Joseph E. Burke in her York-shire road home.

Guests at the bon voyage luncheon included Mrs. Otis U. Walker, Mrs. Elmer A. Benzin, Mrs. Oliver L. Wigton, Mrs. Edmund M. Brady, Mrs. Richard J. Martin, Mrs. Paul Marco, Mrs. John H. Mueller and Mrs. Edward D. Barrett.

McOmber-Thomas Rites Observed

Reception At The Hunt Club Follows Double-Ring Ceremony in St. James Lutheran Church Saturday; Newlyweds Will Live in Kalamazoo

At an afternoon ceremony in St. James Lutheran Church Saturday, Betsy Lane Thomas, daughter of Mr. and Mrs. Byron R. Thomas, of Fisher road, became the bride of Gene Leslie McOmber, son of the Clair McOmbers, of Allegan, Mich.

For the double-ring ceremony, the bride chose an organza gown designed with a sheath skirt and partial overskirt falling into a slight train in back, and trimmed in Venetian lace.

Her French illusion veil fell from a crown of matching Venetian lace and seed pearls. She carried a cascade of white carnations, stephanotis and ivy.

Maid of honor Judith Jay wore a dress of apricot taffeta with a bell-shaped skirt and hat of apricot ostrich pom-poms. In identical gowns were the bridesmaids, Mrs. David Comfort, of Berkeley; Mrs. Richard Staunton, of Birmingham; and Mrs. Ross Bulloch, of Kalamazoo.

Their flowers were cascades of tangerine carnations, chrysanthemums and ivy.

George R. S. White, of Grand Rapids, served as best man, and the ushers were Terrell E. Thomas, of Birmingham, brother of the bride; Roger R. Corey, of Plymouth, the bridegroom's cousin; and Warren M. Mix, of Kalamazoo.

For the ceremony and reception at the Grosse Pointe Hunt Club, Mrs. Thomas chose a Nile

Park Holding 'Tennis Ball'

The Park's lakefront park at the foot of Alter will hold a dance—all ages invited—on July 27.

The event will be the "Tennis Ball," held, appropriately enough, on the lighted tennis courts. A live band will provide the music, and the dance is free to Park residents only.

It will begin at approximately 9 p.m. If the winners of the annual Park tennis tournament are determined by then, they will be announced at the dance. The dance will also follow the Park's Intra-City swim meet, to be held that day at 2 p.m.

Symphony Sets Free Concerts

The Detroit Symphony Orchestra will play free concerts Tuesday, Thursday and Saturday evenings at 8:15 next week in the Music Shell at the Michigan State Fairgrounds. Valter Poole will conduct.

Tuesday's All Beethoven program will feature violinist Gordon Staples playing the Concerto in D major. The entire Symphony No. 8 in F major and the Overture to "Egmont" will be included.

Staples will also be heard Thursday night playing the solo violin line of Tchaikovsky's "Theme and Variations" from the Suite No. 3 on a program which will include the entire Mendelssohn Symphony No. 4 in A major ("Italian").

Saturday's "pop" concert will include the Dances from Tchaikovsky's "Nutcracker," Suite and a work written by the orchestra's percussionist—librarian, Arthur Luck, entitled "Marche Harmonique."

This will be the seventh of nine weeks of free concerts underwritten by The Detroit Edison Company, National Bank of Detroit, The Music Performance Trust Funds of The Recording Industries on recommendation by The Detroit Federation of Musicians, and The Michigan State Fairgrounds.

Mrs. Gene L. McOmber

BETSY LANE THOMAS, daughter of Mr. and Mrs. Byron R. Thomas, of Fisher road, spoke her marriage vows to Mr. McOmber Saturday in St. James Lutheran Church. He is the son of the Clair McOmbers, of Allegan, Mich.

Tour Includes Visit to Sicily

Sicily — that island where "mythology and history blend naturally into the landscape" — is only one of the many highlights of Lufthansa Airline's Mediterranean Holiday, departing October 11 with G.P. News staff writer Janet Mueller as tour escort.

Purposely, the two-day, three-night stop at Taormina has been left "free." Keynote of the entire three-week Mediterranean tour is leisure, and visitors to Taormina, "the Pearl of Sicily," are encouraged to do just as they please.

Honeymooners may want to laze on the magnificent beach, or ramble through rocky Castel Mola. Persons interested in history can explore the ruins of a Greek Theatre built in the 3rd century before Christ or, if they prefer the Middle Ages, visit the lava-built Palazzo Corvaia, the Palazzo del Parlamento with its Arab tower, and the Badiazza.

For the athlete, there is skin-diving for the shopper, bargaining; for the gourmet, magnificent food.

Bridesmaids were Mrs. Paul Garvey, of Stamford, Conn.; Mrs. Thomas Haider, of Chicago; Theresa Tierney, of Chicago; and Judy Kerber, of Winnetka. The bride's niece, Muffy Miegely, was flower girl.

Frank McBride, Jr., served as Mr. Thorn's best man, and ushering were Charles Thorn, Willard Kerr, David Rodenkirch, Thomas Haider and Donald Haider, Jr., the bride's brothers, and John Galvin.

For the wedding and reception, Mrs. Haider chose a gown of cocoa and beige chiffon over silk, and Mrs. Thorn wore egg-shell lace over pastel green.

The couple left on a wedding trip to Spain, returning in time for Mr. Thorn to sail on board the "Victory" in the Mackinac races. They will make their home in Chicago.

GREG TAUBENECK has
been recently selected Senior
Personnel Manager of the Uni-
versity of Illinois Star Course,
one of the leading activities on
the Champaign, Ill. campus.
The organization brings an
outstanding and diversified
series of concerts by profes-
sional artists to students and
townspeople every year.

Greg, a graduate of Grosse
Pointe High School, is a
senior in the college of Jour-
nalism and Communications
majoring in radio-television
and is the son of MR. and MRS.
GEORGE F. TAUBENECK, of
University place. As Personnel
Manager, one of the two senior
positions, he acts as the general
coordinator of the organization
and as the official representa-
tive for Star Course on Univer-
sity boards.

Star Course is an entirely
student-oriented organization
with an advisory board of six
faculty members. Its personnel
gain experience in many fields,
from publicity and advertising

to concert arrangements and
tickets, plus having the oppor-
tunity to meet and talk with
the performers. Among the
Star Course concerts scheduled
for next year are Robert
Peters; Chicago Symphony;
Bach Aria Group; Peter, Paul,
and Mary; Philadelphia Orches-
tra with Eugene Ormandy; Nat
"King" Cole; and the Canadian
Players.

Greg is also a member of
Delta Phi fraternity and Sigma
Delta Chi, Star and Scroll,
Sachem, and Ma-Wan-Da
honorarys.

Marine Private First Class
JOSEPH A. MACY, son of MR.
and MRS. S. A. MACY of Lan-
caster road, recently reported
to the Marine Corps Air Sta-
tion, Cherry Point, N.C., for
duty with the Second Marine
Aircraft Wing. The air wing
provides aerial support for At-
lantic Fleet "force-in-readi-
ness" operations.

MRS. CECIL GRIGGS, of
Washington road, and her
daughter, DOROTHY, have just
returned from a month's motor
trip to San Francisco and Lake
Tahoe, Cal. En route they visit-
ed relatives at Boone, Iowa, and
stopped for a few days with an-
other daughter, SHIRLEY, at-
tending a Guidance Institute
summer session at the Univer-
sity of Minnesota in Minnea-
polis.

Benefit Party To Aid Sisters

The patio and beautiful gar-
dens surrounding St. Ann's Con-
vent in Boston boulevard,
Wednesday, July 24, at 12:30
p.m., will be the scene of the
second in the series of summer
luncheons and benefit card par-
ties given by the Dominican
Sisters of the Sick Poor Auxil-
iary.

At this mid-summer party
"Friends of the Sick Poor" will
celebrate the 35th Anniversary
of its organization. They assume
the financial support for the
services rendered by these sis-
ter-nurses.

It's not a usual sight at a con-
vent to see the door open every
morning and the entire congrega-
tion of sisters, in this case 11
of them, come out and scatter in
different directions.

Yet this is what happens daily
at the Convent of St. Ann, 700
W. Boston boulevard, the con-
vent of the Dominican Sisters of
the Sick Poor.

Some of the sisters who al-
ready have their RN degrees
are going to take care of pa-
tients; other sisters are on their
way to nursing schools or hospi-
tals to complete the special-
ized training required for their
apostolate.

These professional nurses
with public health orientation
are dedicated to nursing the
needy in their own homes. They
extend their services free, re-
gardless of religion, race or
color.

Patients are referred to them
by doctors, pastors, social work-
ers, families or friends of the
patients.

The only requisite for the sis-
ter's services is that the patient
must be under medical super-
vision. They go into the home,
evaluate the personal needs of
each case and nurse the injured,
the young, the geriatric, acute or
chronic patient.

The sisters do perform some
household tasks when it is ne-
cessary in connection with the
nursing care. Food, medicine
and sick room equipment are
provided when necessary.

No financial assistance is ever

accepted from the patients, not
even a voluntary donation if it
is offered.

These sister-nurses are to-
tally dependent on the gener-
osity of the women's organiza-
tion that assumes their financial
support, the Friends of the Sick
Poor, also known as the Auxil-
iary of the Dominican Sisters of
the Sick Poor.

Funds are raised annually by
dues paid by over 900 members
—some 500 living in the Grosse
Pointe area, including the auxil-
iary president, Mrs. Walter E.
Tomicic, and seven past presi-

dents. Various social functions
throughout the year are money
raising events... such as their
recent successful theater party,
the annual spring and fall teas
held in the members' homes, the
Christmas open house at the
convent. Besides these garden
luncheon-bridge parties are held
every summer at the convent, on
the fourth Wednesday of June,
July and August.

The 35th Anniversary Patio
Party is being chairmanned by
vice-presidents Mrs. James M.
Roche and Mrs. Aloysius F.
Power and president Emeritus
Mrs. Jerry T. Flanigan of Bloom-
field Hills and Birmingham. The
North Enders and suburbanites
are hostesses for the July event
and extend a special invitation
to the Grosse Pointers.

The committee have planned
the decor and menu on the
theme of outdoor living—the an-
niversary celebration promises
to be a real fun old fashioned
picnic with all the trimmings.
Donation \$2 and reservations
must be made in advance by
calling Auxiliary President Mrs.
Walter E. Tomicic of Balfour
road or the Convent.

at a personal shower honoring
bride-elect Paula DeWitte next
Sunday.

Miss DeWitte, daughter of
William DeWitte, of Fairlake
lane, and the late Mrs. DeWitte,
will wed Dennis DeClerk, son
of Mr. and Mrs. George De-
Clerk, of Sheldon road, in St.
Lucy's Church July 27.

Purdy-House Betrothal Told

Mr. and Mrs. Erwin M. House
of Lafayette, Ind., have an-
nounced the engagement of
their daughter, Karen Anne, to
Remington James Purdy, Jr.,
son of Mr. and Mrs. Remington
James Purdy of Beaupre road.

The bride-elect was gradu-
ated from Michigan State Uni-
versity where she was affiliated
with Kappa Kappa Gamma so-
rority. Her fiancé is attending
Michigan State University and
is affiliated with Psi Upsilon
fraternity.

A fall wedding is planned.

Joan Lingeman Married in West

Daughter of Harvey F. Lingemans Weds Anthony Eli
McCullough Saturday in St. Ignatius Church,
Sacramento; Pair to Live in Sacramento

Mr. and Mrs. Harvey F. Lingeman, of Beaconsfield
avenue, traveled to California for the marriage of their
daughter, Joan Mary Lingeman, to Anthony Eli McCul-
lough, in St. Ignatius Catholic Church, Sacramento, last
Saturday.

The bride wore a street-
length gown of silk organza
over taffeta, with a fitted
bodice and square neckline.
Her elbow-length illusion veil
fell from a fabric rose and bow
trimmed with velvet leaves, and
she carried a cascade of white
mums.

Mrs. Roy McKinnon, of Car-
michael, Cal. the bride's
cousin, was matron of honor
in a street-length dress of
Copen blue silk organza over
taffeta. Her headpiece was a
single fabric rose with a cir-
cular veil, and she carried gold
mums.

They are the sons of Mr. and
Mrs. S. M. McCullough, of
Albuquerque, who also attended
the wedding.

The newlyweds plan to make
their home in Sacramento,
where both have recently been
living.

Holly Jane Fischer Weds Mr. Sudemann

Bride Wears Ivory Silk Peau De Soie for Rites
Saturday in St. Peter's Church; Couple
Travel to Smokey Mountains.

In St. Peter's Church Saturday, Holly Jane Fischer,
daughter of Mr. and Mrs. Stanley A. Fischer, of Van
Antwerp road, spoke her marriage vows to Herbert
William Sudemann, son of Mr. and Mrs. William Sude-
mann, of North Brys drive.

She wore a Bianchi gown
of ivory silk peau de soie
trimmed in re-embroidered
Alencon lace and seed
pearls. A matching pillbox
caught her bouffant silk
illusion veil, and she car-
ried white sweetheart roses.

Josephine Galasso was maid
of honor, and bridesmaids were
Beverly Humphrey and Frances
Auito. They wore frocks of moss
green silk peau de soie covered
with white eyelet, and matching
pillbox hats. Their flowers were
yellow Fuji mums.

Ronald Wittenberg was best
man, and the ushers were Vic-
tor Groeb and Ronald Alberts.

The morning ceremony was
followed by a wedding break-
fast and an evening reception at
the St. Clair Shores Civic Cen-
ter. Mrs. Fischer chose a beige
chiffon gown for the morning,
a yellow and white lace dress

for the evening, and wore a
beige orchid.

Mrs. Sudemann chose a pink
gown trimmed with seed pearls
for both the morning and eve-
ning reception. She also wore
an orchid corsage.

When they return from their
wedding trip to the Smokey
mountains, the newlyweds will
live in Detroit.

Friday Evening

Mr. and Mrs. Robert Frank Morrison are in
Honolulu, Hawaii. The couple were married Friday
evening, at a candlelight ceremony in Grosse Pointe
Woods Presbyterian Church

The bride is the former
Kathleen Yvonne Pritzel,
daughter of Mr. and Mrs.
Alan Pritzel, of Fisher road.

She chose a sheath gown of
white peau taffeta, its scooped
neckline outlined in crystal
beads and pearls, for the dou-
ble-ring ceremony. Her full chap-
el-train was held in place by a
large cabbage rose, and a tiny
pearl and crystal crown secured
her short illusion veil. Her
flowers were white orchids and
stephanotis.

Maid of honor Bonnie Carle-
ton, and bridesmaids Jean
Thierry, Linda Underwood and
Sharon Van Tornhout wore
identical floor-length gowns of
pale pink silk organza over taf-
feta, with beaded bodices and
semi-belled skirts.

For the ceremony and recep-
tion at the Whittier, Mrs. Prit-
zel chose a blue crepe and lace
dress with matching accessories.
Mrs. Peters was in a blue and
green silk print with misty
chiffon overskirt, and white ac-
cessories. Both mothers wore
cymbidium orchid corsages.

For traveling to Honolulu,
the bride wore a three-piece
white cotton suit, trimmed in
pink, with a pink and white
print overblouse. The couple
plan to make their home in
Detroit.

Plans were formulated for a Luncheon-Fashion Show, to be held in Jacobson's Tea Room, on September 23. It is to be the Council's only fund raising project this year, and proceeds will help in work of curtailing the sale of obscene magazines to the children and youth of the community.

The public, as well as friends of the Literature Council, are cordially invited to the Luncheon-Fashion show. Since there are only 100 tickets, early reservations are suggested.

For tickets or donations, please contact Mrs. Richard Jones at TU 6-0863, or Mrs. Rolf Donath at TU 6-1579.

The next meeting of the Literature Council's Board of Directors will be held July 26 at 12:30 p.m. at Mrs. Riford Johnston's home, 246 Beaupre.

Troth Told

A reception at the home of the bride's aunt and uncle, Mr. and Mrs. Ernest F. Henderson III, of Wellesley Hills, followed the ceremony.

Mr. and Mrs. Ranney are currently residing in Natick, while Mr. Ranney completes his final year at Northwestern University in Boston.

DEFECT FROM POLAND—Polish test pilot Maj. Ryszard Obacz, 34, waves happily in West Berlin, where he flew his family in a two-seater training plane, 150 miles from Nadarzewice at near tree-top level to escape detection, to seek a life "where people are not pushed around." With him at Tempelhof Airfield are his wife Maria, 27, and sons Lestow, 9, and Krzysztof, 5.

HER \$250,000 RING HEISTED—Mrs. Mary Alice Firestone, 26, looks at rogues gallery photos with Sgt. Maurice English in Chicago, trying to find a face matching one that took her \$250,000 diamond ring in a holdup in Arlington Heights, Ill. At right she is shown with her husband Russell, wearing the ring at their wedding in 1961.

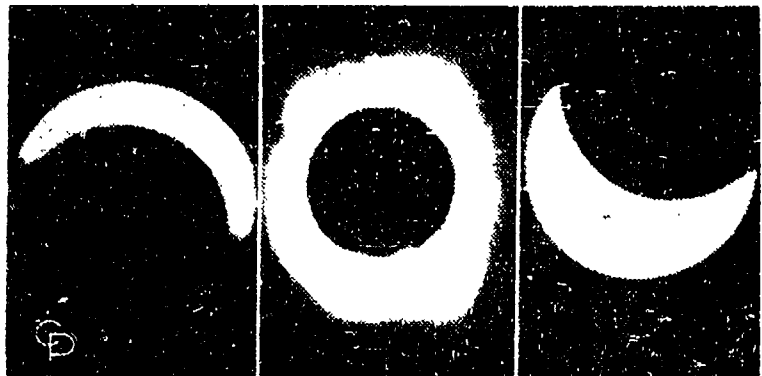

SEARCH MINE FOR MISSING BOYS—Rescue workers are shown at entrance of the abandoned Castle Shannon No. 2 mine in the Pittsburgh, Pa., area during search for three boys whose bicycles were found at the entrance. Missing are Billy Burke, 13, Daniel O'Kane, 13, and Robert Abbott, 14.

PRATTFALL—Susan Pratt, 20, "Miss England" in the "Miss Universe" contest in Miami Beach, Fla., rests in hospital after being struck down by an auto. She is recovering from a slight fracture of her lovely left leg.

METALLIC BROCADE—Beverly Pascal models Sally Victor's off-facè Renaissance turban as the millinery designers flaunt their fall '63 wares in New York showings.

WHAT TO EXPECT—This is how the 1959 solar eclipse looked from a plane at 21,000 feet. The Moon is halfway across the Sun (right), followed by total eclipse (middle), then moves away (left). The July 20 sight will be similar.

DRAGGED OUT OF RESTAURANT—Three Negroes who entered the Dizzyland Restaurant in racially-explosive Cambridge, Md., to be served are ejected by police. In tow at left is Johnny Weeks, 22. Being held on the pavement is James Lewis, 28. Being dragged through door is Dwight Campbell.

WEIGHS 419, AIMS FOR 200—Michael Hughes, 20, reads between light meals in Faith Hospital, St. Louis, where he went from St. Paul's College, Concordia, Mo., to get his weight down from 419 to 200. He was studying to be a Lutheran minister, and the seminary suspended him because of weight. He hopes to re-enter next year.

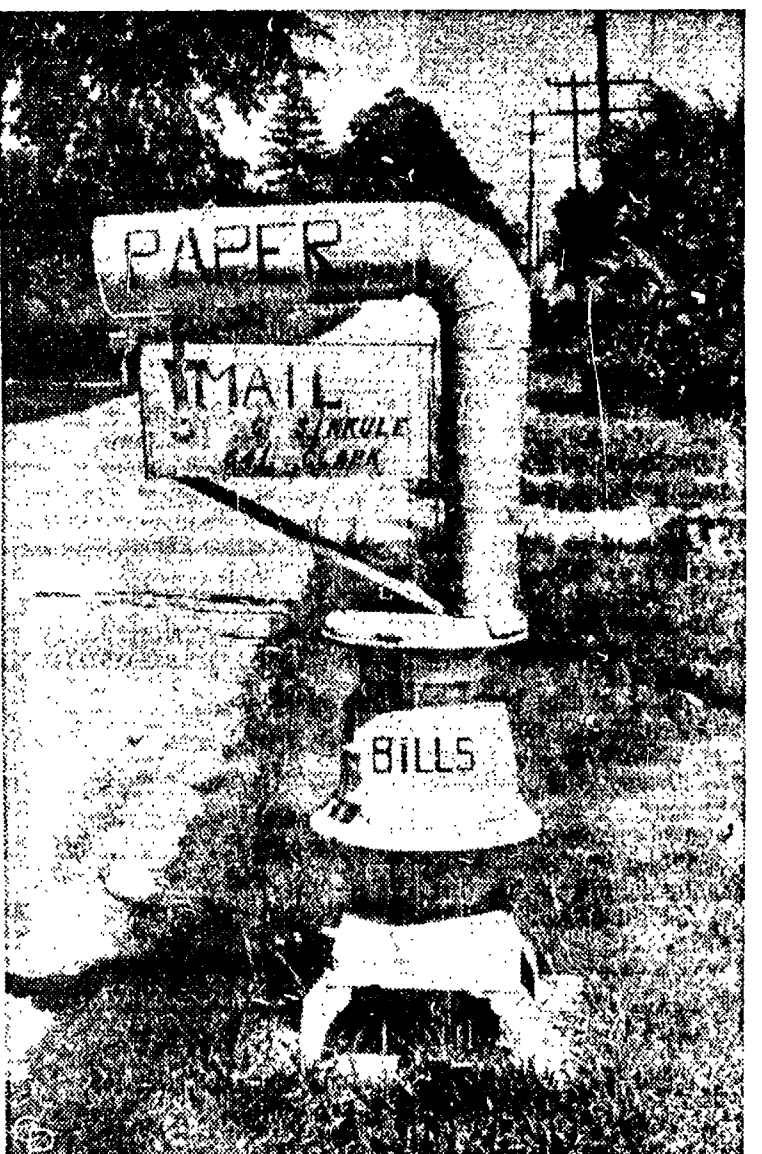

'SLUG IT OUT'—H. E. Gilbert, president of the Firemen and Enginemen's Union, tells the union's convention in St. Louis, Mo., that if the federal government will let the railroads and the unions "slug it out" in the work rules dispute, the argument will be settled in 24 hours.

COULDN'T HELP IT—Reserve Marine Capt. John Butler, 30, demonstrates in Willow Grove, Pa., how he signaled his wingman that he was in trouble just before he bailed out of his jet, which crashed down on a bathhouse in Willow Grove, killing seven persons and injuring 15. His controls jammed.

EVEREST CLIMBERS HONORED—In a ceremony in the Rose Garden at the White House, President Kennedy presents the National Geographic Society's Hubbard Medal for Exploration to members of the American expedition who scaled Mt. Everest last May. Expedition leader Norman G. Dyhrenfurth accepts. Bearded member is Barry Bishop. And in turn (lower), Sherpa guide Shri Nawang Gombu presents the President with a "friendship scarf."

MAIL SORTER—The Glenn Sinkule home near Ypsilanti, Mich., has its own special mail sorter at edge of the front lawn.

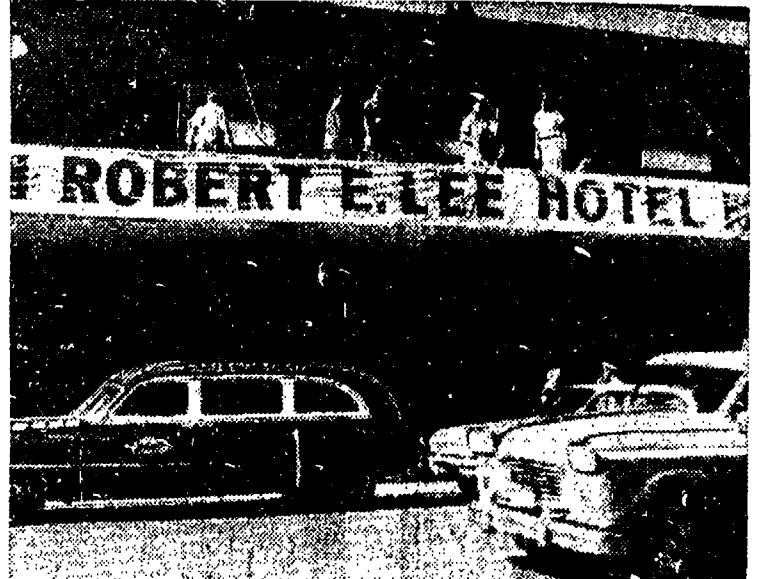

'WAR' IN STATE DEPARTMENT—There's a personal war on in the State Department's Bureau of Security and Consular Affairs, and Foreign Service veteran Wilson Clark Flake (lower right) is trouble-shooting the situation. It seems the bureau's administrator, Abba P. Schwartz (upper right), and Frances G. Knight (left), director of the bureau's Passport Office, don't feel diplomatic about each other at all. It is reported that Schwartz has tried to oust Miss Knight. It is reported that Miss Knight refused to be photographed with Schwartz at a passport function. Miss Knight opposes, and Schwartz supports, regulations giving suspected Communists the right to be confronted with evidence against them in passport cases.

BEHEADER—Thomas Bean, 18, who admitted the decapitation slaying of British Olympic skier Sonja McCaskie, 24, is led from courtroom in Reno, Nev., where his attorney is trying to cop an insanity plea for him.

GAS CHAMBER—Thomas Lee Bean, 18, leaves court in Reno, Nev., facing a gas chamber death for the criminal attack, strangulation and dismemberment murder of British Olympic skier Sonja McCaskie, 24.

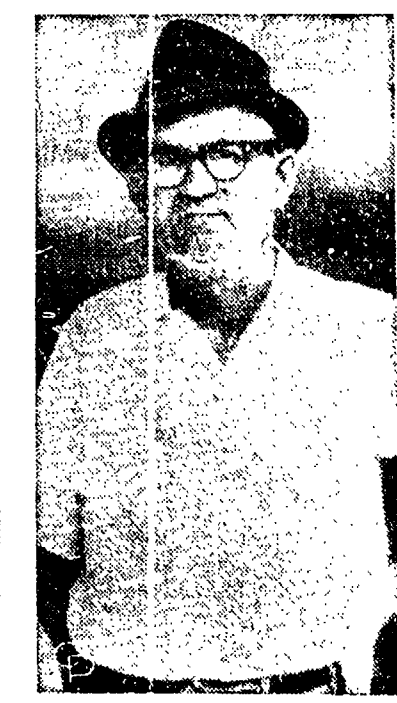

MAKING THEMSELVES AT HOME—Members of Yaarab Temple of Atlanta, Ga., make the marquee of the Sherman House in Chicago "like home" at the Shrine convention.

BUCK FEVER—Atlantic City, N.J., postal employe Sam Michael looks at the gooped printing job on a dollar bill that came across his counter, figuring it's worth a whopping price to a collector. When he received it he promptly swapped one of his own for it.

YOUNG HOUK HELD—Richard Houk, son of New York Yankess manager Ralph Houk is shown handcuffed in Jefferson City, Mo., where he faces a federal charge of interstate transportation of a stolen auto. Young Houk drove the car from Los Angeles to Roach, Mo. He said he borrowed it.

SEARCH ENDED—This is Welby Lee, 50, who spent 19 years searching for the hit-run driver whose auto killed his father near Moss, Tenn. He thinks he's got his man. Grover Jones, 54, found in Indianapolis, Ind.

DEFECTS TO CUBA—A/1 Roberto Ramos Michelena, 29, is reported to have flown a T34 training plane from Tyndall Air Force Base, Fla., to Havana in a defection from the U.S. to Cuba.

TEST BAN TALKERS—Leaders of the nuclear test ban talk team in Moscow are W. Averell Harriman (left) for the U.S. and Lord Hallsham, British minister of science. On the agenda will be arrangements barring the spreading of nuclear weapons and measures to prevent war by accident.

FOREI—Former President Eisenhower inaugurates the new Eisenhower Golf Course at the U.S. Air Force Academy near Colorado Springs, Colo., with a drive off the first tee.

NOTHING COULD BE FINER And we can't find a rhyme 'er reason why this four bedroom home in the Farms hasn't been snapped up. Consider a house with modernized kitchen and that all important extra room and down first floor lav, and accessibility to schools, transportation and what not... and priced in the middle twenties.

TECHNICOLOR and panvision still won't do justice to this foaler we offer on Newberry Place. Attractive from the curb, but come inside and prove to yourself that this Cape Cod really has five bedrooms and four full second floor baths. Yes, there is a separate dining with its own fireplace, and another wood burner in the living. Family room, air conditioned, and modern kitchen.

NOT JUST ANOTHER Colonial with three bedrooms and 1 1/2 baths. This home on McKinley Avenue is the one to see first, and we're sure you'll come back when you've seen the rest. Do yourself a favor and call before it gets away.

PAST PERFECT. And the past has been perfectly incorporated in this early American colonial on CLOVERLY ROAD. Your prized possessions, even your furniture will look marvelous in this five bedroom beauty in the heart of the Farms.

YES... you can buy a newer three bedroom home in the Farms for under twenty thousand dollars. We offer a gem of a ranch home which has been maintained in mint condition. Just a minute's walk to Hill Shopping, Richard School, and 2 bus stops. Now at \$17,100.

A SHOWPLACE in every detail. Center hall floor plan with paneled library off the living room. Knockout kitchen with built-ins. Four honest-sized bedrooms. South of Jefferson in the Park.

ONE WOULD EXPECT to find four bedrooms in this larger colonial on WHITTIER ROAD, but the owner decided on three immense rooms and two large berths. Center hall provides for a separate dining room and library. In the thirties.

STEP RIGHT IN. Sit right down. We'll bet you'll agree it's the best buy in town. A four bedroom 2 1/2 bath on WHITTIER ROAD, which boasts three fireplaces, pegged floors, and a beamed ceiling rathskeller.

CITY OF Grosse Pointe Farms

NOTICE OF PROPOSED ZONING ORDINANCE AMENDMENT

To the Residents of the City of Grosse Pointe Farms:

Notice is hereby given that a PUBLIC HEARING will be held in the City Hall, 90 Kerby Road, Grosse Pointe Farms, Michigan on

MONDAY, AUGUST 5, 1963

at 8:00 P.M. for the purpose of hearing any taxpayers, residents or citizens of the City of Grosse Pointe Farms on the following proposed amendment to the Zoning Ordinance.

AN ORDINANCE TO AMEND PARAGRAPH 4.01 (i) OF "SECTION IV—RESIDENTIAL DISTRICTS" OF THE ZONING ORDINANCE OF THE CITY OF GROSSE POINTE FARMS, BEING: AN ORDINANCE TO REGULATE AND RESTRICT THE LOCATION OF TRADES AND INDUSTRIES AND THE LOCATION OF BUILDINGS DESIGNED FOR SPECIFIED USES, TO REGULATE AND LIMIT THE HEIGHT AND BULK OF BUILDINGS HEREAFTER ERRECTED, TO REGULATE AND DETERMINE THE AREA OF YARDS, COURTS, AND OTHER OPEN SPACES, TO LIMIT AND RESTRICT THE MAXIMUM NUMBER OF FAMILIES WHICH MAY BE HOUSED IN DWELLINGS HERE-AFTER ERRECTED OR ALTERED AND FOR SAID PURPOSES DIVIDE THE VILLAGE INTO DISTRICTS, TO PROVIDE A METHOD OF ADMINISTRATION, AND TO PRESCRIBE THE PENALTIES FOR THE VIOLATION OF ITS PROVISIONS, AND TO REPEAL ORDINANCE NO. 34 AS AMENDED;

The City of Grosse Pointe Farms Ordains: Section 1. Paragraph 4.01 (i) of "Section IV—Residential Districts" of the Zoning Ordinance of the City of Grosse Pointe Farms, being Ordinance No. 80 adopted October 25, 1948, as since amended, is hereby amended to read as follows:

4.01 (i) No land shall be extended by fill or otherwise and no structure shall be built beyond the existing breakwater along Lak. St. Clair as established by the Wayne County Road Commission in the year 1929, without the approval of the Board of Appeals. Under this section, the word structure is intended to include, but not by way of limitation, boat hoists, or boat launching or storage facilities, docks, boat wells and boat houses. Further, in keeping with the provisions of Section 1.12 (supra) it shall be unlawful to construct a boat house or a boat docking, launching, storage or mooring facility inside the breakwater on the front yard open space required by this Ordinance.

Section 2. All ordinances or parts of ordinances in conflict herewith are hereby repealed only to the extent necessary to give this ordinance full force and effect.

Section 3. This ordinance shall take effect twenty days after its enactment or upon its publication, whichever is later.

This notice is given pursuant to direction of the City Council in accordance with said ordinance and the statutes in such case made and provided.

Mrs. John H. Gillis is interested in research concerning Julia Anderson, wife of the Colonel Anderson mentioned in Pat Talbot's history column several weeks ago. Colonel Anderson lived in Judge Solomon Sibley's house at the northeast corner of Jefferson and Randolph street during the winter of 1813, when the British were occupying Detroit. His wife, Julia, and Mrs. Gillis are both natives of Wilmington, N.C. Judge Gillis, unfortunately, has a bit of trouble following his wife's hobby—the Judge, who graduated sixth in his class at West Point, simply cannot understand Colonel Anderson's atrocious spelling! (Sample sentence, taken from a letter Anderson wrote to Sibley in 1813: "I am sorey to find that the prospects is so gloomey for your progressing in your journey home, I was in grate hopes that you would have arrived to take possession of your house and property before we left.")

Grosse Pointers are laughing about the signs in a well-known (and high-priced) downtown Detroit restaurant. Lunchers at the popular spot report the following printed message on every table: "Attention . . . INTERNAL Revenue Service—THIS IS A BUSINESS MEETING!"

White and bone are the traditional—and beautiful—summertime shoe colors, but what woman hasn't returned from a Garden Tea or at-home wedding reception, her high heels coated with mud, her fashionably pointed toes splattered with grass stains? Mrs. Edward A. Kleefuss, of Ridgemont road, recently discovered a way to give new life to "old," (five times worn outdoors), white and light-colored footwear. Experimenting with son, Mike's, airplane paints one day, Mrs. Kleefuss began to "doodle" floral designs on the high heels of a pair of "ruined" white shoes. The shoes looked good. Encouraged, Mrs. K. tried repeating the design on the toes. The shoes looked even better. Now, Mrs. K. has an entire wardrobe of hand-painted "Kleefuss originals," some with matching handbags. She claims anyone can think up a design, advises those who really aren't able to draw a straight line to try ABSTRACT art.

Latest craze to hit the Pointe's teenage set is The Elephant Joke—an exercise in absurdity with its central figure invariably and inevitably that most dignified of beasts: the elephant. Examples, contributed by Nancy Newton and Carol Rosenbusch, include these gems of logic: "How can you tell when you have an elephant in your refrigerator?"—"When you can't close the door." . . . "Why do elephants have wrinkled feet?"—"They lace their tennis shoes too tight." . . . "How do you tell an elephant from a grape?"—"Who ever saw a purple elephant!"

PILFERINGS

The wife who boasts she can read her husband like a book is usually a critic.

Interesting, if useless, information: An old Ozark superstition on the proper procedure to take when meeting a cross-eyed woman at a place where the road forks advises "Spit in your hand, cross your fingers, and count ten backwards."

My daughter was attending a Girl Scout leaders' meeting in one of Manhattan's large hotels. As she passed through the lobby, a young marine officer was signing the register at the desk. His uniform was obviously new; his insignia shined to perfection.

Pen still in hand, he caught a fleeting glimpse of my daughter's green uniform, which rather resembles that of the women's marine corps.

"Don't you know you should salute an officer?" he called to her.

"Certainly, sir," she replied. "Which would you prefer, sir, the Brownie or the Girl Scout salute?"

Beauty By Line

Vacation Time is Reunion Time in our salon at 117 Kercheval

as former Grosse Pointers make a bee-line to keep appointments in our haven-on-the-Hill.

Typical excerpts from our mail . . . from New York, "I expect to be in the Pointe for a brief visit next week and thought that if anyone in your salon had some free time on July 18 or 19th I would come in for a permanent. If not I shall be back again in November and have it at that time." From Montoursville, Penna. "I do hope you can give me a morning appointment as I have luncheon dates both days and I am badly in need of a good Intra-Curl-Cut before seeing my friends."

From California . . . "It will be fun to have you create a new color formula and Classic Form Coiffure for me during our visit home." Even tiny charmers of the International Set such as Patty and Lorene from Mexico . . . and Frannie and Jemmy from Buenos Aires, have a gay time as their hair is artfully shaped . . . and we enjoy every minute of it, too!

Pointers of Interest

MR. AND MRS. ROBERT F. RONEY, OF LAKE SHORE ROAD

by Janet Mueller

"Every house should be a frame or structure. A house is four walls; the people who live inside determine what sort of house it is, and what sort of house it should become."

Briefly, this is the architectural philosophy of Robert F. Roney, a man with ideas, and his wife, Sheila, a woman with faith, inventiveness, and—from the female point of view—just plain courage.

The Ronneys know what they are talking about. For more than a year, they have been living at 840 Lake Shore, building (or perhaps it would be more correct to say "re-building") their home around them. It hasn't been easy, but it has been interesting (always), amusing, (often), and satisfying, (from beginning to end).

Sheila and Bob Roney were both born in Indian Village. Both come from large families—eight children in the Roney clan, 10 in Sheila's family—and both these families eventually made their homes in Grosse Pointe.

Man of Many Trades

They were married in Our Lady Star of the Sea Church three years ago. Bob, who took his State and National Architectural Board Examinations this June, is a painter and sculptor as well as an architect.

As an artist, he had certain definite ideas about the type of home he wanted for his family; as an architect, associated with Smith, Hitchman and Grylls, he had the technical ability to carry out these ideas himself.

"I felt we were young, we should invest our own talents, use the gifts we have."

Ideas were no problem. Finding a suitable property was.

Like most young couples, the Ronneys were in no position to buy Blenheim Palace and staff it with a complete set of indoor and outdoor servants.

Saw All the Old Ones

But they wanted a home. And they were willing to start with an old house, work on it, and make it into the sort of home they wanted.

They began looking at property before their marriage and, in Sheila's words, "We looked at every old, dirty, dilapidated house in the Grosse Pointe area; if it's old, we looked at it."

They kept passing the house at 840 Lake Shore.

Built by Mr. and Mrs. George Marsh at the turn of the century, the house was pseudo-Georgian in style, dark, gloomy and abandoned. It has an interesting history: the Grosse Pointe Yacht Club was founded in its basement, and Mr. Marsh eventually became the club's first Commodore.

He died in the late 1930's, but Mrs. Marsh lived on there alone until her death, at the age of 96, in 1957. The house then stood vacant for four years, during which time the last vestiges of plumbing and heating slowly disappeared.

"The first time I walked into the house, I turned right around and walked out again," says Mrs. Roney.

The structure she walked in and out of in the fall of 1961 had not been renovated since the 1920's. It was very small, three rooms upstairs and three down, with front and back, up-and-down porches accounting for 40 percent of the floor plan.

Had Been Condemned
It had been condemned, abandoned as a possible house, and the property—very desirable, as

GROSSE POINTE NEWS

it fronts directly on the lake—was being sold as vacant real estate.

The wooden supports inside the stucco columns holding the porches had rotted away, leaving only a hollow outer shell, but the heart of the house, its six-room inner core, was sound.

Mr. and Mrs. Roney bought the property December 29, 1961. Mrs. Roney's first baby was scheduled to arrive Easter Sunday, 1962.

The weekend after they closed the sale, the Ronneys invited members of their families and friends to "tour the estate."

During this Open House, part of the upstairs back porch collapsed, (luckily, no one was standing on the portion that gave way). General consensus of opinion after the "tour" could be summed up in one 2½-word phrase: "You're crazy!"

Renovation Starts

In January, renovation began in earnest. Bob spent every night at the "new" house; Sheila arrived from their temporary apartment headquarters with dinner; friends who came to commiserate found themselves working.

"People would walk in out of sheer curiosity and feel so sorry for us, they stayed to help."

Bob posted a schedule of items that had to be completed in order to get the house ready for occupancy by Easter; one by one, the items were checked off.

It took three weeks and 18 gallons of paint remover to clear the living and dining rooms. By the beginning of February, all varnish had been removed from the rich oak paneling, and the interior was beginning to have habitable possibilities.

Then the furnace blew up. For the rest of the month, the living room fireplace and a pot-bellied stove in the upstairs master bedroom were the sole sources of heat at 840 Lake Shore road.

Wood Stokes Fires

The Ronneys settled down to a regular working schedule. They and their friends laid brick, removed brick-a-brac, hammered, nailed and painted. Seventeen truckloads of trash were carted away—everything wooden was saved, and used for fuel.

Deirdre Roney arrived, as predicted, on Easter Sunday. Her mother left for the hospital from the apartment. One week later, she came "home" to Lake Shore.

The Ronneys' project is still by no means completed. One of this spring's big feats was the casting—in their own basement—and setting in place of 8-by-3 foot brick steps, each weighing approximately 800 lbs. The steps now form a "floating carpet" from driveway to front door.

Eventually, Bob plans to continue this brick carpet into the entrance hall and down one side of the living room, leading into the kitchen.

Grateful to Friends

Without their friends, the Ronneys don't know how they would have managed all the necessary work. "If brick needed to be laid, we'd have a brick laying," they explain.

People would turn up and go to work, while Sheila prepared pot-luck supper for everyone.

SUGARY APPLE MUFFINS

Contributed by Mrs. Victor H. Wehmeier

¼ cup sugar
4 tsp. shortening
1 egg, beaten
3½ tsp. baking powder
½ tsp. nutmeg
½ tsp. cinnamon
2¼ cups pastry flour
1 cup milk
1 cup finely chopped apples
½ tsp. salt

Cream shortening and sugar. Stir in beaten egg and add milk and sifted dry ingredients alternately. Stir in apples. Pour into greased muffin tins and sprinkle with following topping: 2 T. sugar, ¼ t. nutmeg, ¼ t. cinnamon.

Bake at 400° for 25 minutes.

MOLLIE REID, daughter of DR. and MRS. J. G. REID, of Windmill Pointe drive, will return to Monticello College in Alton, Ill., this fall. Monticello, a two-year liberal arts college for women, was founded by Captain Benjamin Godfrey in 1835 and has been in continuous operation since that date.

Pointe Counter Points

By Pat Rousseau

A Glance . . . through "Harper's Bazaar" and "Vogue" will acquaint you with the beautiful hair fashions of Enny of Italy. Leon is delighted to have on his staff the former styles director of the famous salon. His name is Miguei and this talented stylist will help you select one of the lines that will not only be very new but very flattering. Call TUxedo 4-9393 for an appointment.

For Travelers . . . a cribbage set or a set of two decks of cards with score pad . . . both come in good looking compact leather cases and you can find them along with other gifts at The Top Drawer, 17007 Kercheval in the Village. By the way, their Christmas in July Sale is attracting so many new customers who are buying children's toys and clothing at a real savings and putting them away for Santa to bring. Some may be given sooner . . . because they are so delightful for birthdays, too!

Within Reach . . . keep your Notre-Vite bottle right on the kitchen table, where you'll be reminded to take one-a-day. The Notre Dame Pharmacy recommends them as a well balanced formula of vitamins and minerals.

Gallery Gazing . . . we saw several paintings that would be perfect for executive offices. Did you know that you can commission paintings if you have a special theme or color preference? Two nautical subjects in tawny tones were specially created for a yacht. More information about this . . . hand finishing of frames . . . and the restoring of old paintings will be found at Les Galleries de Renee, 14944 East Jefferson.

While Dashing . . . past a window in The General Motors Building, we saw a handsome kitchen that looked like Mutschler had designed it. We stopped and asked if this was so. "Yes . . . Mutschler did install our Frigidaire display kitchen." You do see Mutschler in the finest homes and displays and you can see seven models, conveniently, at 30489 Mack avenue.

Gourmet Chefs . . . enjoy using Le Creuset utensils. The Doufeu cooks food in their own juices. Coquelle "au gratin" dish and the French oven seem to bring out the best in casseroles. All Le Creuset cookery is so good looking and easy to clean. It is exclusive on the Eastside with The Village Wine Shop, 15228 East Jefferson.

The Combination . . . of a profession and a family hobby has resulted in Hunter's Pharmacy and Coins, a unique establishment . . . new at 19603 Mack Avenue, corner of Littlestone. Mr. Lloyd Hunter, long experienced in the pharmacy business, has designed the appointments. If you wait for your prescriptions, you can sip a cup of coffee and enjoy the coin collection. Mr. Hunter's wife, Phyllis, his daughter, Jan and his son, John have joined in with enthusiasm and talent.

Walk On Air . . . or at least feel like you are. Roman Walks, the fashionable thigh sandal of soft leather comes in white, red and black . . . sizes five to nine and costs two forty-nine. Find them at The Grosse Pointe Shoe Repair, 597 Fisher road.

So Popular . . . was the idea of opening early that D-J now will take appointments at seven thirty in the morning. They start you off and the hair style they create . . . keeps you going beautifully. The number to call is TUxedo 2-6300.

Mr. Leo, of Leo's European Hair Fashions in the Punch and Judy block, just back from Florence, Italy, brings you soft permanent waves with oil base for summer glamour. Call 885-8851.

Marquette Univ. Honors Wright

Joseph Wright, 255 Kenwood court, was recently named to the newly-formed alumni advisory council for the Marquette University College of Journalism in Milwaukee, Wis.

Appointed by Donald McDonald, dean of the college, Wright will serve on the 64-member council which will advise the dean on problems in journalism education and opportunities open to the college to extend nationally its influence in the practice and teaching of journalism.

The council, to meet once or twice a year, includes alumni engaged in news reporting and editing, photography, public relations, broadcasting, advertising, education and research.

Wright, a 1935 graduate of Marquette Journalism college, is publisher of the Dodge News Magazine, Prince and Co., Inc.
