Settle Referendum Wording

(Continued from page 1) The voting residents of the City either favor or does not favor long range planning aimed at maintaining and attempting to improve, against such pressures as are mentioned in the planning consultant's report, the City's position as a primarily single-family residential community.

Scemmes, speaking for the hospital, asked, "If it has already been decided the expansion will have an injurious effect, why bother to vote?" Mayor Allen expressed agreement.

Take Scemmes' Suggestion The new question as accepted at the Monday meeting makes no tie-in between the hospital's expansion plans and any long range negative effect of the expansion. It does, however, state that the expansion will affect the overall land use and development of the City of Grosse Pointe . . .

The new question, as accepted, is almost word for word Scemmes' submitted idea of what the question should say. Councilman Burgess moved the acceptance of the new question. Councilman Fred W. Parker, Jr. seconded the motion, and it was approved unanimously with no one abstaining.

City Attorney Wright told the Council that further re-wording of the question was possible, but suggested that final definitive acceptance be made at the first September council meeting.

Would Double Capacity Bon Secours' expansion plans were first received by the Council at the April 15 meeting. The hospital asked for an increase in size from 160 to 320 beds. This would render the hospital larger, for example, than

the present St. John Hospital, which contains 292 beds.

The City Planning Consultant, Scott Bagby and Associates of Grand Rapids, in suggesting the request be denied, said a hospital of this size "will not be to the best immediate or long range interests of either the City or the Hospital."

The new question, tentatively accepted as the one for the November ballot, reads:

"The sisters of Bon Secours Hospital have petitioned to rezone certain property in the City of Grosse Pointe to permit off-street automobile parking and also to construct in addition to the present hospital buildings requiring exception to the zoning ordinance of the City.

ALARM SCARES PROWLER

A prowler attempting to enter the home of Dr. L. Carl Sultzman, 55 Verdome road, fled the scene when he activated a burglar alarm August 16. Farms police said. Entry had been attempted by removing a storm window on the north side of the home, but the person or persons apparently fled before getting into the home. The Sultzmans were said to be out of town.

Prowler Foiled At Buckingham Road Home

Park police were informed August 14 of a breaking and entering attempt reminiscent of three successful burglaries in the Woods a month ago.

The latest attempt was at the home of George Fitzgerald, 1334 Buckingham road, on the night of August 13.

A prowler tried to force the front door handle with an instrument, police investigators found. Scratch marks were found on the handle, and a portion of the instrument used was found near the porch.

Park police were unwilling to make a definite link between the Buckingham attempt and the recent series of entries in the Woods by a so-called "cat burglar" though they admitted the method of operation appeared similar.

The last successful entries made by a nocturnal prowler were made on the night of July 13 in three Woods homes. The total loot from these three amounted to approximately \$1,400 in cash and jewelry, according to information given Woods police.

Entered on that night were the homes of the Albert E. Johnsons, 962 Lochmoor boulevard; Mrs. Otto Lundell, 799 Lochmoor boulevard, and the John Todds, 742 North Renaud

Three Reckless Drivers Pay Shores \$272 in Fines

Shores Municipal Court Judge Victor De Baekle found three traffic violators guilty of violations and fined them a total of \$272.50.

A Grosse Pointe failed to appear in court and forfeited a \$150 bond.

James Stephen Daker, 21, 10220 Moffat, Detroit, was found guilty of reckless driving on Lake Shore road July 31, and ordered to pay a \$100 fine and \$7.50 costs. It was noted that Daker had been clocked at 100 miles per hour on the 35 mile an hour road.

John Frank Teatzau, 27, 4886 Cooper, Detroit, was found guilty of a July 25 violation of the drunk motor law, also on Lake Shore road. He was ordered to pay \$100 in fines and \$7.50 costs. His license was revoked and sent to the Secretary of State's office.

Harold Meier, 20, 7285 Helen, Center Line, was found guilty of reckless driving on Lake Shore road July 25. He paid a fine and costs totaling \$57.50, and was placed on 40 days probation with no driving during that period.

The lone Pointer on the docket, George Anthony Voight, 50, of 19956 E. Emory Court did not appear to face a reckless driving charge against him, also incurred on Lake Shore.

Judge De Baekle ruled that Voight would forfeit his \$150.

Police Arrest Drinking Driver

Casper C. Ringley, 47, of 22099 Glenwood, Mt. Clemens, was arrested by Shores police shortly after midnight on Saturday, August 17, and charged with driving while under the influence of alcohol.

Patrolman Joseph Vitale, patrolling north on Lake Shore drive, was stopped by a passing motorist at 12:12 a.m., who disclosed that another motorist was driving in an erratic manner, and was coming up behind him.

The officer glanced in the rear view mirror of his cruiser and observed Ringley weaving from lane to lane and forcing other cars to swerve to avoid hitting him.

Ringley was stopped in front of 635 Lake Shore, where he pleaded with Vitale to "give me a break." Ringley admitted to drinking too much and therefore should not be driving.

The motorist was taken to the station where he was issued a ticket for violating the Drunk Motor Law. He was released after posting a bond of \$100 pending a court appearance.

Cyclist Likes To Get Lost

Shores police officer Harry Hamilton sighted a woman riding a bike on Lake Shore road near Oxford August 13 clad in a bright orange-colored dress.

"She would stop her bike and stand in the roadway while holding the bike, and then resume her way," his report stated.

She told police, "I like to get lost on my bike and then find myself again." She said she left her home in Hamtramck that morning and had been riding around ever since.

She said she had been a patient in the Wayne County General Hospital, but had been released about three years ago.

Officers noted that she gave vague answers to most of their questions.

The woman was taken to the Shores police station and she and her bike were picked up by her brother, who lived next door to her in Hamtramck.

Police said the woman was married, age 40, and had several children.

Fish Rodeo Set For August 31

Ten days still remain for young anglers from the Farms and City to register at their respective parks for the Eighth Annual Fishing Rodeo to be held Saturday, August 31, at the Farms Pier.

At the present time and up until the actual Rodeo itself, everyone is competing in the big pre-rodeo contest. Special prizes will be awarded to the boy and girl of both the City and Farms who catch the biggest fish off their respective pier during this contest.

Right now leaders in the City pre-rodeo contest are David Grunewald with a 14" Sheepshead for the boys and Martha Berger with a 10 1/4" Sheepshead for the girls. In the Farms, Ron Miller pulled in an 18" Catfish to lead the pack among the boys. So far not one girl has turned in an entry to the Farms park officials for announcement. The prizes to the winners are valuable rods and reels.

It was announced by Rodeo officials during this week that a substantial contribution was received from the City of Grosse Pointe Farms Boat Club. This generous action by this Club shows how civic-minded this organization has become under its excellent leadership.

Thanks to contributions from many individuals and groups, every youngster who participates in the Rodeo will receive a valuable prize. There are binoculars, minnow buckets, bait boxes and many, many other prizes. In addition everyone will be assured of their full of hot dogs, pop, and potato chips. Get your entry in and don't miss out on all the fun!

Cash Register Stolen in Park

A locked cash register containing \$120 in cash was taken on the night of August 15 from the Hagen Shell Service Station, 15002 Jefferson avenue at Barrington.

The register was later recovered by Detroit police in the 12th Precinct on the west side of the city near an exit ramp of the John C. Lodge Freeway. It had been forced open and all the money taken.

Entry was made to the service station between 10:15 p.m. August 15 and 1:15 a.m. the next morning, police were told. A lower left window pane on an overhead door was broken and the door lock released.

Nothing else was said to be missing, police said. The case is under further investigation by Park police detectives.

Guns and Cash Reported Stolen

A nocturnal burglar entered the home of Paul Long, 1024 Harvard road on the night of August 14. He escaped with two guns, a lightweight Cobra .38 caliber revolver and a .22 caliber Remington bolt action rifle.

Two or three dollars were also said to be missing.

Entry was made through a kitchen door that had been only partially secured by a chain. No one was home at the time.

Park police said it appeared that the house had been only partially ransacked. The two guns were in an upstairs bedroom.

The time of the burglary was placed at between 5:30 p.m. August 14 and 9:31 a.m. the next morning.

CAR, HOUSE DAUBED
Harold Knoll, of 136 Mapleton road, told Farms police August 15 that someone had sprayed his car with yellow paint while it was parked in the side drive of his home the previous night. Large areas of the car were covered, and paint was sprayed on the front side of his home as well. No estimate of damage was available.

Grosse Pointe Home Owners TIME IS SHORT

Is it to be minority rule in this free state? Home owners, the largest majority in Michigan, have not been consulted on civil rights. They must speak up fast or by year's end a State Commission will be administering probable special privileges to minorities. This could rob you of your basic personal freedom to sell your home to anyone as your conscience dictates.

To negate Atty. General Kelly's recent arbitrary sweeping interpretation of the indefinite civil rights provisions of the new constitution, which plainly state that implementing legislation is required, a petition is being circulated throughout your state. Nearly 300,000 signatures will be needed. Petitions can be picked up at any of the real estate offices named below.

Suggestions:

- 1.) Read the proposed new law on the reverse side of the petition and the instructions on its face. Note that all signers must be registered voters in the same municipality. There must be a separate petition for each of the five Grosse Pointes.
- 2.) It is not necessary to secure 20 signatures. The petition is valid with only one signature, but of course the more the better—at least the house holder and wife (with her given name).
- 3.) The deadline is August 30th, but time is needed for processing. The Circulator should get his or her petition notarized by a convenient Notary Public and mailed not later than August 28th to Greater Detroit Home Owners Council, 14900 Heyden Avenue, Detroit 23. Most real estate brokers have Notaries in their offices, including the following members of Grosse Pointe Brokers Association:

He said tentative studies have indicated that income for the

He pointed out that all but three of the Village merchants

in the St. Clair-Notre Dame block have agreed to the validation system.

Cancer Patients In Need of Help

(Continued from Page 1) Taking a vacation this summer? So is practically everyone. But vacations pose a problem for services such as the Michigan Cancer Foundation's transportation program.

There are countless cancer patients in the Greater Detroit area whose only chance for cure lies in daily treatments at local hospitals. Many of these patients have no relatives or friends able to take them to and from the hospital in a car; they haven't financial means to hire a cab and are physically unable to use public transportation.

Throughout most of the year, Michigan Cancer Foundation volunteer drivers fill this need, using their own cars or one provided by the Foundation. But even volunteers take vacations in the summer, and this time of year finds many of these cancer patients in dire need of help.

If you have a car, and can spare any time during these summer months, won't you call the Michigan Cancer Foundation and volunteer your services — if only for a limited time? The telephone number is TEmple 3-0710. Your assistance this summer could very well save a life.

Home Owners Woods Council Shatters Hopes of Liggett School Urged to Act

(Continued from Page 1) handle their own property as they wish, and the choice of persons with whom they may share or occupy property, or to whom they may sell or rent.

The Real Estate Association initially sent out about 20,000 petitions to members, requesting that they be circulated for signatures. Before any petitions can be presented to the Legislature they must be signed by at least 8 percent of the total vote cast for governor in the last election. Since about 2.8 millions voted in the November 1962 election, about 222,000 signatures are required.

The Grosse Pointe Brokers Association announces in an advertisement in this issue of the NEWS that all of its members have petitions and urges property owners to obtain them and get them signed. It is not necessary that the petitions be completely filled. Every name will be counted and the Brokers Association will see that they are processed and returned.

Must Be Notarized
The petitions must be notarized and it is also pointed out that all the local real estate offices have notaries public in them.

The time is very short and property owners are asked to act immediately to help get the required number of signatures to Lansing on time.

Any law proposed by initiative petition must be either enacted or rejected by the Legislature without change or amendment within 40 session days from the time it is received by the Legislature.

If the law is not enacted, the Constitution requires that it be submitted to a vote of the people at the next general election.

(Continued from Page 1) dence and recreational areas, as representing and constituting a subdivision of property within the meaning of subdivision procedure.

At a recent meeting, the Woods Planning Commission approved Liggett School's application to develop the Briarcliff area as a school site.

In a letter dated July 23, William D. Gilbride, president of the Liggett Board of Trustees, applied for a permit to install buildings for the school building.

The city council, meeting after a special session of the Commission on Monday, August 12, referred the letter to City Building Inspector Herman Lauer for further action.

The issue was placed in the lap of the building inspector, following an opinion by City Attorney Berns on the legal aspects of the matter, after which the council then determined that Lauer has the prerogative to grant a permit without council interference.

Berns interpreted an ordinance, adopted in 1950, giving the Planning Commission the right to determine, with or without a public hearing, whether or not the erection of an institution, such as the proposed Liggett School is necessary for the public convenience and welfare, if it is in accord with the spirit and purpose of the Zoning Ordinance.

Then it would be up to the building inspector, after a study of plans and specification, to determine if a permit should be issued, without council having a say in the matter.

At Monday night's meeting, the council reversed its previous decision of leaving the issuance of a permit solely in the hands of Lauer.

It decreed, by majority vote, that not only shall the ordinance be amended to treat the issue as a subdivision procedure, but also that it shall be left to the discretion of City Administrator Chester Petersen and Lauer to determine whether a permit, "partial or otherwise," for the school shall be approved, provided Liggett School complied with the installation of sewers, water mains and paving.

In a call for passage of the amendment to the Zoning Ordinance, the vote was 4-2 favoring its adoption. Opposed to the amendment were Mayor Kenneth McLeod and Councilman Lathrop Morse.

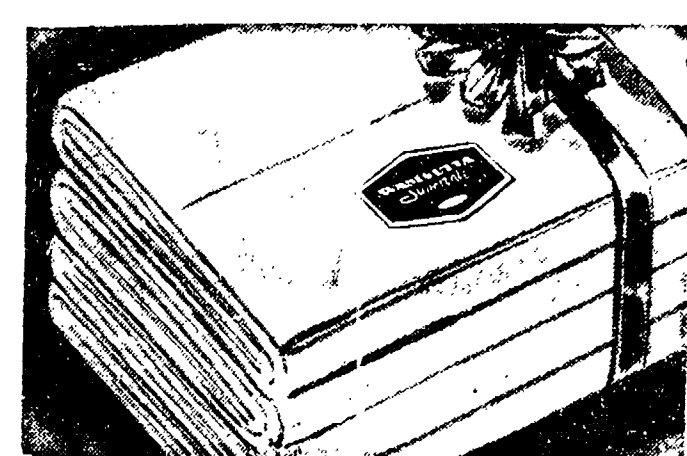

For the amendment were Councilmen Kenneth Boerner, Benjamin Pinkos, Marvin Boutin and Thomas Leah, Councilman Fred Maddock was absent.

The council also adopted a resolution calling on the Planning Commission to submit to the council, and to the city taxpayers, its reason, or reasons, why it has determined such a construction as Liggett School, is a necessity, or convenience to the city.

Battling Drivers Arrested in Park

Two men were arrested at 3:30 a.m. August 14 for fighting on a public street in the Park at Jefferson avenue and Westchester.

The two were Kenneth Seignurie, 31, 23609 Twenty-One Mile road, Mt. Clemens, and George Hammond, Jr., 21, of 57 Cloverly road.

A witness to part of the fight, Jack Lindquist, of 15400 E. Jefferson, summoned Park police to the scene after he heard auto brakes squeal and saw the two fighting. He said he did not know which one started the fight.

Police arrived shortly after 3:18 a.m. and found the two rolling in the street. Each told police the other had attempted to cut the other off in his car on Jefferson.

One of the fighters, Seignurie, told police that he and his wife had just driven straight through from New York after flying home from Iceland.

Interview 1,800 Candidates In Selecting 74 Teachers

With the final list of staff appointments for the 1963-64 school year being readied for the approval of the Board of Education, it might seem that Lawrence F. Kennedy, Director of Professional Personnel for the Grosse Pointe Public School System, could officially

close the books on this phase of his work for a short while, at least.

"Many people do not realize that teacher recruiting has become a year-round activity," he said. With our present staff set, we must review our procedure to ascertain whether we should chart new approaches as we consider possible staff additions, resignations and retirements that will occur during the coming winter and spring. Then we begin over in earnest."

In surveying the problems he has faced, Kennedy noted that professional staff additions and losses requiring replacements totaled 73. Of this number, 29 left to take positions in other school systems, as compared to 11 the year before, and to a previous high of 24 in 1959. Kennedy asserted that at that time the school system was not in a favorable position salary-wise to attract and keep personnel, and the same situation may be looming up again.

In a further breakdown of the 29 who left, Kennedy noted that nine took administrative posts and two others took quasi-administrative positions, while five or six went to college posts.

These 29 represent more than 50 per cent of the turnover for this year. In other years it is more typically 20-25 per cent of the total loss. Usually losses to "home duties" are double losses to "other teaching" and always greater, but this year it is reversed with "other teaching" being more than double "home duties."

Summarizing the 1962-63 year, Kennedy said, "Our median experience dropped off significantly this year indicating that a greater percentage of inexperienced teachers were being hired. We're down from 9.3 to 7.9 years for elementary teachers and from 12.2 to 11.1 years for secondary teachers. Overall, the staff came down 1.7 years in experience or about a 15 per cent drop."

"It is never hard to find a warm body to put into a classroom, but it appears to be becoming increasingly difficult to find the quality candidate whom we seek for the bright boys and girls of Grosse Pointe. Not only are we in competition

with the better suburban school systems in the midwest and throughout the nation, but when we interview on the college campuses, we are on the appointment schedule with business and industries that offer attractive fringe benefits such as profit sharing, stock options, paid hospitalization and the like. We have no such thing as this for our people," he continued. "Often we do not interview the outstanding teacher candidate—he interviews us."

Further commenting on the recruitment process, Kennedy remarked that during the spring and summer, he and other staff members had reviewed the credentials of some 1800 candidates to fill 74 jobs available.

It has long been Grosse Pointe's policy to attempt to draw to this community top quality teachers from throughout the nation. Kennedy mentioned that a recent study by the Institute of Administrative Research at Columbia University has reconfirmed his belief that this is a sound personnel procedure which benefits boys and girls and which should be continued.

Kennedy quoted the summary: "More good things happen to children educationally when a school staff with a wide variety of origin is brought to bear on the local school enter-

prise." Kennedy said that the IAR draws this conclusion: Lack of a strong program to recruit teachers from outside the immediate geographic area could be grievously detrimental to educational quality.

The Director of Professional Personnel expanded on the system's policy. One of the guidelines for recruiting is this: the teacher is second in importance only to the girls and boys of the Grosse Pointe Public School System.

Listing the qualities sought in the Grosse Pointe teacher Kennedy mentioned as important a genuine love for children, a genuine enthusiasm for being of service to mankind through teaching, a thorough knowledge of the subject matter area, (the average educational level for the total of 486 classroom teachers in 1962-63 was 4.97 years) an ability to present this knowledge in an understandable manner. In addition, the teaching candidate is evaluated in terms of his understanding of child growth and development, his possession of the qualities of good citizenship, his interest in his own professional growth, his physical stamina in order to withstand the rigorous demands of teaching as well as the ability to maintain good relationships with colleagues and parents.

The Board of Education has

authorized the Superintendent of Schools to recruit and enter into contract with professional staff personnel. The responsibility for conducting a nationwide search for top-quality teachers rests in the office of the Director of Professional Personnel. Recommendations for employment are made by the building principals or directors through the Director of Professional Personnel to the Superintendent of Schools who in turn presents them to the Board for official approval.

Many prospective teachers are recruited as candidates for vacancies. However, through the screening process only the best of the group are selected to be offered employment. The actual procedures for hiring a new teacher involve 16 distinct steps between initial contact through receipt of letter, telephone contact, individual referral or through personal interview in the placement office until his appointment has been approved by the Board of Education.

"During the early fall of any given school year, we select a list of approximately 35 to 40 of the outstanding colleges and universities, located primarily in the Midwest and eastern states, and begin making arrangements for interview schedules with their prospective candidates," Kennedy stated. "The interview schedules are arranged so that our administrative teams of build-

ing principals and Central Office administrators can visit these campuses during the months of February, March and April.

Queried about the much-publicized teacher-shortage, Kennedy answered, "While it is true that this June, some 158,000 men and women were granted standard teaching certificates in this country (an increase of 11.3 per cent over the number produced by teacher training institutions in 1962), the problem is still a long way from solution. The distribution of the new supply of teachers is not in balance with the need; there will be an oversupply in some fields, a continued shortage in others. For example, most acute shortages at the secondary level are found in science, mathematics, English and women's physical education."

He said that the teacher shortage was driven home to him most dramatically during July when he experienced several unexpected resignations in critical fields.

Looking at the calendar, Kennedy said, "At our experience workshop for new personnel which will be held August 28-30, I'll be getting my first glimpse of the new staff members as a group. As I have recently reviewed their preparation for their various assignments throughout the system, I feel we've done a pretty good job of recruiting—again."

OBITUARIES

HERBERT V. BOOK

Herbert V. Book, the last remaining of three brothers who played a major role in molding the face of downtown Detroit, died Monday in Henry Ford Hospital.

Mr. Book, who resided at 100 Kenwood road, was a descendant of two of Detroit's oldest and most prominent families. He and his brothers, the late Frank P. and James B., gave the family a distinguished position in Detroit history.

Mr. Book, at 68, was the last living son of the late Dr. James Burgess Book, a noted Detroit physician. The first Books, of German descent, settled in Ontario at the end of the 18th century. Dr. Book came to Detroit soon after his medical education, just after the Civil War.

Dr. Book was married in 1869 to Clotilde Palms, daughter of Francis Palms. Herbert V. Book was the youngest and last remaining of their three sons.

Mr. Book and his two brothers began in 1918 extensive real estate projects in Detroit. The brothers erected the Book-Cadillac Hotel (now the Sheraton-Cadillac), the Book Building, the Washington Boulevard Building and the Industrial Bank Building, all on Washington boulevard.

They were largely responsible for creating an area which has been called "Detroit's Fifth Avenue."

At the time of his death Mr. Book was vice president of the Development Corp. of Detroit, through which the brothers conducted their real estate ventures.

Mr. Book was a veteran of World War I, and member of the Country Club of Detroit, the Greater Detroit Board of Commerce, the Seaboard Club and the Pontiac Club of Wolverine, Mich.

Surviving are his wife, Eleanor; three daughters, Mrs. Taylor J. Kennedy, of Westmount, Quebec, Mrs. Donald E. Jahncke, of Birmingham, and Mrs. Julian P. Bowen, of Cloverly road; and two sons, Herbert V., Jr., of Birmingham, and Eleanor; three daughters, Mrs. 13 grandchildren.

Funeral services were held Wednesday, August 21, at the William R. Hamilton Co. Chapel. Interment was in Roseland Park Cemetery.

MARY VERDONCKT

A pointer with an active interest in charity and public service, Mrs. Verdonckt died Friday, August 16 in St. John Hospital. She resided at 732 Harcourt road.

Mrs. Verdonckt played an important role in local activities of the United Foundation Torch Drive and the Red Cross. She was a past secretary of the Trumbly elementary school PTA, and was a leader in Cub Scouts.

She is survived by her husband, George; a daughter, Michael; her father, Stanley Renauf, and a brother.

Funeral services for Mrs. Verdonckt were held Tuesday Church. Burial was in Mt. Olivet Cemetery.

HENRY G. TOTZKE

A prominent Detroit attorney since 1935, Mr. Totzke died Monday, August 19, in his home at 970 Shoreham road. He was 58.

Mr. Totzke, past assistant prosecuting attorney for Wayne County, had lived in Grosse Pointe since 1952.

He was a member of the Detroit and Michigan Bar Associations, the Judge Advocates' Association, the University of Michigan Alumni Association, the U. of M. Club, Delta Theta Phi fraternity, and the Detroit Boat Club.

Among many military distinctions, he served as a Lieutenant Colonel in the Marine Corps Reserve, was a member of the 17th Infantry Battalion, the Detroit Chapter of the Marine Corps Officers Assn., the Marine Corps League, and the

Three Drivers Lose Licenses

The month-end report of the Michigan Department of State issued July 26 revealed that three Pointers lost their drivers' licenses during the last half of the month.

They were: Barry Colombo, 17, 2142 Lancaster, July 15 to September 15; Anthony J. Corrado, 28, 630 Pemberton road, July 19 to September 18; and Charles Richard Riley, 19, 1148 Nottingham road, July 19 to August 19.

Mary, a daughter, Mrs. Charles Bach, of New Canaan, Conn.; a brother, Donald, of Wooster, Ohio; and two sisters, Mrs. J. R. Weiner of Wooster, Ohio, and Mrs. Owen Patterson, of Millersburg, Ohio.

Funeral services and interment were held Wednesday, August 21 in Wooster.

Allen N. Sweeny, of Merriweather road, manager of the Microbore Division of DeVlieg Machine Co., Royal Oak, Mich., as been elected a vice-president of the company.

Donald J. Dolen, creative director for the Detroit office of Young & Rubicam, Inc., has been elected a vice-president of the advertising agency. It was announced jointly by Edward L. Bond, Jr., president, and Joseph G. Standart, Jr., vice-president in charge of the Detroit office.

Dolen rejoined Young & Rubicam earlier this year after nine years with aBiten, Barton, Dursline & Osborn. He first joined Y&R in 1949, as a trainee and later a merchandising writer.

Services were held Tuesday, August 20 in St. Colomba Episcopal Church. Interment was in Forest Lawn Cemetery.

Mr. Senff, who resided at 800 Lincoln road, died August 18 at the age of 64. He was born in Wooster, Ohio.

Before his retirement Mr. Senff was with the R. P. Scherer Co., a Detroit pharmaceutical firm.

He is survived by a wife,

Heavy Smoke Damages Home
Smoke from a burning overstuffed chair in the living room of the upper flat occupied by Dick M. Hunter, 1052 Beaconsfield, caused considerable damage on Sunday, August 18, according to information released by Park Fire Chief William Graul.
The chief said that although the fire was confined to the chair, firemen had to use all available gas masks to enter the flat to put out the smoldering fire. The smoke was black and heavy, he said.
"The fire is believed to have been started by an accidentally dropped cigaret."
The extent of the damage is not known.

4 Cases Heard In City Court
Four persons appeared before Judge Douglas L. Paterson in Grosse Pointe City Justice Court last week. Cases against two—Russell D. Van Houton, Jr., 286 Vincennes place; and George G. Michaelenko, 2975 Gray, Detroit—were dismissed.
Both had been charged with reckless driving, causing an accident, but in neither case could an eyewitness be found.
Richard Howard Beach II, 667 University, pled not guilty to a charge of excessive speed. The judge found him guilty of careless driving, and ordered him to pay a \$5 fine.
A \$100 fine was levied against Buford R. Southerland, 20876 Hollywood, Harper Woods. He was charged under the Drunk Motor Law. The judge ordered his license suspended for 90 days, and placed him on six months probation with no drinking.

Torch Drive Leaders Named
Roland Gray, 432 Calvin, Torch Drive Community Business chairman for all the Grosse Pointes, and his co-chairman, Edward Hickey, 514 University, today named the division chairmen who will assist in recruiting, organizing, and training volunteers to canvass business establishments during the 1963 campaign.
They are Robert Brown, 1699 Severn; Paul Short, 808 Barrington; John Williams, 30 Oldbrook; Thomas Jeffers, 801 Lake Shore; Ralph Sandt, 1161 Grayton; and W. A. Bailey, Jr., 1372 Balfour.
Brown and Jeffers will head the drive in the Woods section, which is bounded by Eight-Mile Road and Ballantyne. Williams was named chairman of the Farms, from Ballantyne to Fisher. Sandt will lead the campaign in the City of Grosse Pointe, bounded by Fisher and Lorraine. Short named Bailey as his co-chairman in the Park, between Lorraine and Alter road.

Mediterranean Holiday Offered
"See Naples and Die" — a cliché but, like all clichés, with a grain of truth in it. Naples is a beautiful city, modern, alive, yet tinged with the "dolce far niente" atmosphere of Southern Italy.
Lufthansa Airlines Mediterranean Holiday, a three-week, leisurely tour of the Riviera from Majorca to Sicily, stops in Naples. Travelers will have a chance to explore the city and drive out to Vesuvius before boarding a ship for Capri, across the bay, and several days of relaxation and sight-seeing on Europe's famous, fabled island in the Sun.
Other highlights of the Mediterranean Holiday itinerary, departing October 11 with G.P. News staff writer Janet Mueller as tour escort, are Positano, Nice, Rapallo and, of course, Rome. The tour will spend its final night in Europe at Schloss Reinhartshausen, a castle on the Rhine recently converted into a luxury hotel.
October is the perfect time to travel the Mediterranean coast, weather cool enough for swimming at mid-day, and a perfect time for shopping, with Christmas only two months away.
Linebacker Ernie Clark of the Detroit Lions from Michigan State lists "beating Michigan and Notre Dame three straight years" as his biggest sports thrill.

CLASSROOM STRIFE—Police remove demonstrators from path of a tractor in Chicago, where the demonstrators, white and Negro, are attempting to halt installation of mobile classrooms. The integrationists claim the purpose of the mobile classrooms is to prevent Negro pupils from spilling out of crowded Negro schools into white schools.

SPACE DOMES FORMED BY EXPLOSION—These photos illustrate the Martin Company's unique technique of forming one-piece tank domes for space boosters by underwater explosion at its Denver, Colo., plant. Conventionally, the dome is made of five segments formed mechanically and welded together. Explosion technique took three years to perfect.

"AMERICAN BEAUTY"—Joyce Bryan, 20, Miami, Fla., gives you a dimpled smile after being chosen "The American Beauty" at the International Beauty Pageant in Long Beach, Calif. She's 5-feet-5, weighs 112, tapes 34-22-35.

TAR AND FEATHERS HOAX BARED—Mrs. Katherine Harwell, 26, lies in a hospital in Los Angeles, suffering from burns after a tar and feathers arson hoax in Walnut, an L.A. suburb. She admitted permitting Mr. and Mrs. Robert Lewis, shown under arrest, to pour tar and feathers over her body in a condemned house owned by Lewis. Then the house was set afire. Firemen arrived later than expected, and Mrs. Harwell was burned. She at first told police that three men entered the house and tarred her because Lewis employed Negroes and a Negro handyman was working there with her. Finally she admitted the Lewises trumped up the whole business because Lewis was having a real estate dispute with the municipality.

NARROW ESCAPE—Safe in Miami, Fla., Mr. and Mrs. Juan Hernandez and daughter Maura, 8, still look a bit frightened after their narrow escape from a Cuban patrol boat. They are among 10 Cuban refugees who managed to escape when the Castro men rounded up 19 others on Angulla Cay in the Bahamas. Pilots of U.S. planes witnessed the capture.

From Another Pointe of View

By Patricia Talbot

So often theater evenings benefit some worthy cause, a charitable institution or school, but Vanguard Theater is having a benefit for itself.

Invitations are out for a black tie premier of Vanguard's "Skin of Our Teeth," the Thornton Wilder comedy, on September 10. Chairman of the sponsoring committee is Mrs. Julian G. McIntosh with Mrs. Sidney E. Chapin, Mrs. Henry R. Klein, Mrs. George J. Jay, Mrs. Henry deSegur Lauve and Miss Joan LeGro as her assistants.

There will be a champagne afterglow following the play.

Fire Arts, Theater Arts and Players, three of Detroit's oldest amateur dramatic groups are again combining talents for a festival, October 4, 5 and 6.

"A Thurber Carnival" will be presented at the Players those three evenings and the casting call have already been sent out to the three groups.

Fine Arts will open its 58th season November 15 and 16 and on the latter evening will honor all Silver Anniversary members at a special reception.

He Met The Earl

Returning this week from a nostalgic trip to the land of his forefathers is Ed Picard. He traveled back to Shelburne, Vt., to attend the 200th birthday of that New England town.

Ed stayed with his aunt in a home built when the first shots were heard at Lexington and Concord. Also among the illustrious guests in Shelburne for the week's festivities was the young Earl of Shelburne, heir to the Marquis of Lansdowne, who came from his home in Wiltshire, England to see the town his ancestors founded.

Alaska's A Favorite

Alaska is becoming a favorite vacation spot for Pointers. Last week we reported on three couples visiting the 49th state and this week another Pointer has joined the travelers.

Miss Irene Freden, of Barrington road, is on a two week air and boat trip through Alaska. With her mother, Mrs. Henning Freden she drove first to California to visit Dr. and Mrs. Karl Freden and Mr. and Mrs. Ray Knowles.

Mrs. Freden has already returned home but her

Former Pointers MR. and MRS. RICHARD B. STEINHOFF, who now live in Boca Raton, Fla., have been summering here at the Whittier. They left this week for 10 days at Shanty Creek Lodge on Lake Bellaire.

Among those to be awarded a summer degree this Thursday from Michigan Tech at Houghton will be JAMES H. DREHER, son of the HOWARD DREHERS, JR., of South Edgewood road. He is married to the former Mary Lenzon.

At the Homestead, Hot Springs, Va., is MRS. PHELPS NEWBERRY, of Cloverly road. She will be away until late September visiting her son-in-law and daughter, the JAMES D. DARLINGS II, of Ithan, Pa.; the PHELPS NEWBERRYS, JR., of Radnor, Pa., and the T. HANDY NEWBERRYS, of Wayne, Pa.

MR. and MRS. H. KENNEDY NICKELL, Jr., of Darien, Conn., have been visiting her parents, the ROBERT E. MCKEANS, of Ridge road.

MR. and MRS. GEORGE C. EHRNSTROM, of Ann Arbor, announce the birth of a son, Peter George, on August 14. Mrs. Ehrnstrom is the former Patricia Johnson, daughter of the GEORGE J. JOHNSTONS of Lakeland Avenue.

Noon time TV viewers recently enjoyed seeing SOUPY SALES for five appearances on the panel show "First Impressions." Soupy, attired in an array of lively sport coats, delivered some excellent ad lib lines.

A week later, the same show had as guest, TONY SALES, son of Soupy. Former school mates at Richard School will remember him. Tony, now 11, strongly resembles his comedian father.

MISS SUSAN KARKONEN, daughter of MR. and MRS. R. L. HARKONEN, of Kerby road, was one of the representatives from her chapter of Sigma Kappa Sorority at University of Michigan to the fourth Sigma Kappa Chapter Officers Training School, which was held August 16-18 at Utah State University, Logan, Utah. Miss Harkonen, who is president of her chapter, is a senior at the University and is majoring in Mathematics. She is a graduate of Grosse Pointe High School.

Mrs. David C. Gillis

JUDITH ANN GRAFFIUS, daughter of Mr. and Mrs. John Andrew Graffius, of Harbor hill, was married Saturday in St. Paul's on the Lakeshore to Mr. Gillis, son of Mr. and Mrs. George Malcolm Gillis, of Lincoln road.

Roll-Spindle Rites Read

Nancy Elizabeth Spindle and David Lee Roll exchanged wedding vows Saturday afternoon at the First Presbyterian Church of Ann Arbor. A reception at the Washtenaw Country Club followed the ceremony.

The bride is the daughter of Mrs. Richard S. Spindle and the late Mr. Spindle, formerly of Severn Road, Grosse Pointe, now of Ann Arbor. She was given in marriage by her brother, Richard Lee Spindle, of Grand Rapids. Mr. Roll is the son of Mr. and Mrs. Everett E. Roll of Kenwood Court.

The bride wore a gown of Italian Silk Linen, fashioned with a detachable court train. Venice lace accented the fitted bodice and controlled skirt. A petite pill-box in matching linen and lace held a bouffant veil of French silk illusion. She carried white roses, stephanotis and ivy.

Maid of honor was Linda Burkman, of Birmingham. Bridesmaids were Jill Crawford of Detroit, Elizabeth Leete, of Grosse Pointe, Mrs. Richard L. Spindle, of Grand Rapids, and Mrs. Richard Scott of Royal Oak; sister of the bridegroom. They wore floor length gowns of yellow silk organza, with detachable floral trimmed panels.

John Ward of Clarendon Hill, Ill., was best man. Ushers included the brother of the groom; Peter Roll, of Princeton, N.J.; Richard Scott of Royal Oak; Porter Wheeler of Anniston, Ala.; James Kelly and Michael Hammond of Grosse Pointe.

The newlyweds will live in Ann Arbor where Mr. Roll will continue his studies at the University Law School.

Potters Move To Cape Cod

Mr. and Mrs. John C. Potter, of Cloverly road, will be moving September 15 to Yarmouth, Mass., on Cape Cod.

This past week-end the Potters entertained her brother and sister-in-law, the Goode P. Davises, of Nashville, Tenn.

On Saturday evening the C. Henry Buhls, of Vendome road, gave a farewell dinner for the Potters, who will be feted again on August 28 at the Little Club by the Ned Jewetts, and on September 4 at a dinner at the Grosse Pointe Yacht Club given by Mr. Potter's business associates.

The A. Frederick Kammer, Jr., will move into the Potters' home.

Home from three weeks at Crystal Lake are MR. and MRS. ARTHUR W. KLEINSCHMIDT, JR., of Lochmoor boulevard, with ARTHUR III, BILL and CHERIE, who will be a freshman at Alma College this fall. The Kleinschmidts will leave the first of September for a stay at the Homestead, Hot Springs, Va.

Judith Ann Graffius Wed Saturday in St. Paul's on the Lakeshore in White Italian Silk and Alencon Lace; Reception at Grosse Pointe Yacht Club

In Florida for three weeks following their Saturday wedding in St. Paul's on the Lakeshore and reception at Grosse Pointe Yacht Club, are Mr. and Mrs. David Campbell Gillis.

The bride is the former Judith Ann Graffius, daughter of Mr. and Mrs. John Andrew Graffius, of Harbor hill, and her husband's parents are Mr. and Mrs. George Malcolm Gillis, of Lincoln road.

She wore a gown of white Italian silk accented with Alencon lace on the empire bodice. A lace pillbox caught her antique illusion veil and she carried white roses, stephanotis and ivy.

Maid of honor was Linda Burkman, of Birmingham. Bridesmaids were Jill Crawford of Detroit, Elizabeth Leete, of Grosse Pointe, Mrs. Richard L. Spindle, of Grand Rapids, and Mrs. Richard Scott of Royal Oak; sister of the bridegroom. They wore floor length gowns of yellow silk organza, with detachable floral trimmed panels.

John Ward of Clarendon Hill, Ill., was best man. Ushers included the brother of the groom; Peter Roll, of Princeton, N.J.; Richard Scott of Royal Oak; Porter Wheeler of Anniston, Ala.; James Kelly and Michael Hammond of Grosse Pointe.

The newlyweds will live in Ann Arbor where Mr. Roll will continue his studies at the University Law School.

The flower girl wore an organdy frock with a soft yellow sash and a crown of yellow daisies. She carried a white basket of daisies and ivy.

John Hamilton Graffius, the bride's brother, was best man. Ushering were Robert M. Hunt, Christopher L. Kincade, of Hudson, O.; Lewis L. Smart III, John A. Slattery, Jr., and Robert S. Tutag.

For her daughter's wedding Mrs. Graffius chose a bone Italian silk dress with inserts of Alencon lace and a matching hat. Her flowers were green cymbidium orchids.

Mrs. Gillis was in delphinium blue silk with a beaded over-bow and a small blue flowered hat. She wore white orchids.

The newlyweds will make their home in New Haven, Conn., where the bridegroom is attending Yale University.

Gretchen Gildner Marries Mr. Brian

Couple Exchange Vows in St Ann's Chapel, Palo Alto, Calif. Then Travel to Honolulu; Will Make Their Home in Berkeley, Calif.

In St. Ann's Chapel, Palo Alto, Calif., Saturday Gretchen Anne Gildner, daughter of the Henry C. Gildners, of Lincoln road, was married to Darrell Kay Brian, son of the Dow P. Brians, of Salt Lake City, Utah.

The bride wore a white silk organza gown and a lace mantilla. Her bouquet was of white gladioli.

Constance E. Gildner was her sister's attendant in an ice blue silk frock. She carried deep pink gladioli.

Dow V. Brian was his brother's best man.

The bride's mother chose an American Beauty linen dress and Mrs. Brian was in light blue silk.

After a garden reception at the Alpine Hills Swim and Tennis Club, Portola Valley, Calif., the newlyweds left for Honolulu. They will live in Berkeley, Calif.

Society Plans Benefit at GPYC

How do you meet other single people in the city? Well, a committee of 16 single men and women think they have the answer... a party. And, at the same time, why not "do something constructive?" In fact, why not raise funds for charity?

This is precisely what the First Society of Detroit has in mind for Sunday afternoon, September 8, at the Grosse Pointe Yacht Club. Invitations have been sent to several hundred young, single career people in Detroit and the surrounding areas.

There will be dancing to the music of the Jack Qualey orchestra, hors d'oeuvres, champagne and beer. To break the monotony of the same old "I'm John Doe, what's your name?" a new and interesting method of meeting people will be introduced.

The Society is patterned after a Chicago organization of the same name that began a little over a year ago. Chicago's First Society raises funds for the Allendale School for Boys in Lake Villa, Illinois. The Society has been so successful that it now hosts four parties a year!

Funds raised from the Detroit Society's first party will benefit the New Children's Hospital Building Fund.

Acting as Honorary Chairmen of the first event are Mr. and Mrs. Charles T. Fisher, III, Mayor and Mrs. Jerome P. Cavanagh are among the special guests who were invited.

Serving as a consultant for the Modern Language Association of America, GEORGE E. EDDINGTON, Administrative Assistant of the Grosse Pointe Public School System, has organized a workshop for teachers in the Livonia Public Schools Working with Edwin Jamson of the University of Michigan and Charles Lectka of the Livonia system. Eddington is conducting three sessions the week of August 19-23. Foreign language teachers slated to attend are from the elementary, junior and senior high school level.

MRS. H. VER LINDEN PEEZ is back in her Neff road home after a month's vacation in Southern France.

Fontbonne Auxiliary To Meet September 4

The Fontbonne Auxiliary of St. John Hospital will hold its first meeting of the new season on September 4 at 2 o'clock at the hospital.

Mrs. S. J. Tutag To Give Tea

Mrs. Stanley J. Tutag, of Cloverly road, will open her home September 5 for a Bundle Tea from 3 to 5 o'clock to aid the Lapeer Parents Thrift Shop.

Guests are requested to bring used clothing, jewelry, and household items. Proceeds from the sale of these items are used to purchase and maintain repairs of new television sets which the patients and children of the Lapeer State Home enjoy.

The Home serves 3800 mentally retarded children. The Thrift Shop is located at 8690 Grand River avenue and is under the management of Mrs. Edward Fillion and her group of volunteers.

Clements-Broughton Engagement Revealed

At a family dinner in their St. Clair Shores home Mr. and Mrs. Julian A. Broughton, formerly of Grosse Pointe, announced the engagement of their daughter, Mary Ellen, to Martin Edward Clements, son of Mr. and Mrs. Martin J. Clements, of Detroit.

The bride-elect attended Western Michigan University where she was affiliated with Alpha Chi Omega. He is an alumnus of the University of Detroit and is now at Detroit Law School. A spring wedding is planned.

CLAWED BY CAT

Farms police patrolman Otto Glanert received treatment at Cottage Hospital August 17 for multiple scratches on his hands—but he succeeded in his assigned task of removing a stray cat from the garage of the home of Frances M. Jacobs, 123 Moran. Police impounded the cat for rabies observation.

The easiest way to be frightened is to move to the heights.

Miss Turner Says Vows to Lt. Beaupre

Garden Reception in Bride's Washington Road Home Follows Saturday Rites in St. Paul's on the Lakeshore; Will Live in North Carolina

On her parents' twenty-fifth wedding anniversary Sharron Agnes Turner, daughter of the David Charles Turners, of Washington road, was married to Lt. Russell Joseph Beaupre, Jr., son of the senior Beaupres, of Roland road.

Her beau de soie gown of cameo ivory was fashioned with a crescent curved neckline and bodice accented with pearl and crystal embroidery. Garlands of jeweled sprays were trimmed with semi-belled skirt which fell into an empress train.

A beaded court cap caught her tiered veil of illusion and she carried her mother's prayer book with white roses, stephanotis and ivy.

Susan Turner was her sister's maid of honor in coral chiffon with a matching picture hat. She carried sweetheart roses.

Deborah Allor was the flower girl in a short white embroidered organdy over ivory taffeta

frock. She carried a white basket filled with pink rose petals. The bridesmaids, carrying pink carnations and ivy, were Patricia Turner, the bride's sister, Mrs. Richard Allor, of St. Clair Shores; Sharon DeVos, and Kathleen Keenan, of Fond du Lac, Wis.

David Beaupre was his brother's best man and the ushers were Richard Allor, Ens. David Turner and James Turner, the bride's brothers; Harry Echlin, Hugh Strong and Barry Van 'Tiem, of Brighton.

For her daughter's wedding and the garden reception Mrs. Turner wore a yellow embroidered tunic dress and matching accessories. Mrs. Beaupre was in a shell pink sheath. Both mothers wore cymbidium orchids. The newlyweds left for North-

Ciagne-Korleski Vows Repeated

Pair Wed Saturday in St. Joan of Arc Church; After Trip to Northern Michigan and Pacific Northwest Will Live in Corvallis, Ore.

On a wedding trip in Northern Michigan and the Pacific northwest are Mr. and Mrs. Arthur M. Ciagne, Jr., who were married Saturday in St. Joan of Arc Church.

The bride is the former Patricia Ann Korleski, daughter of the Walter G. Korleskis, of Anita road. Her husband is the son of the senior Ciagnes, of Birmingham.

She wore a silk organza gown fashioned with a bolero of Swiss embroidery with more of the 'embroidery repeated on the semi-belled skirt. A double wreath of flowers caught her elbow length veil of illusion and she carried white roses.

Barbara Korleski, her sister's maid of honor, wore a white ribbed pique frock white, white and yellow daisies embroidered on the cummerbund and back panels, which were edged with yellow. Her headdress was yellow and she carried daisies.

The bridesmaids, dressed like the honor maid with green accents, were Carolyn Ciagne, Janice Brezenski, of East Detroit, and Janet Knoblock, of Port Austin.

Jack Monaghan was best man and seating the guests were William Cron, John Dunn and Ronald Knoblock, of Port Austin. Mrs. Korleski chose a pink

Joanne Hedge Returns From Visit to Illinois

After completing courses in history and economics at Wayne State University, Joanne Hedge, of Hawthorne road, visited for a week in Winnetka, Ill., with a Michigan State University classmate.

Her brother, Mike, joined her in Chicago after a week's vacation in New England. Next week Joanne will leave for a stay in Boston until after Labor Day.

The LESTER RUWES, of Touraine road, are home from a round of visits. Mrs. Ruwe spent some time in Bermuda and then met her granddaughter, ANNE SCRIPPS, in New York. Mrs. Ruwe and Anne spent some time in Coopers-town, N.Y., and Cape Cod before she met Mr. Ruwe in New York on his way home from a fishing trip in Iceland. Mrs. Ruwe stayed on in New York a few days to see her sister, VIRGINIA DEVOY, who arrived back from Paris.

Garden Party To Aid Sisters

The last of the summer luncheon bridge parties is being held in the beautiful patio and garden of St. Anne's Convent, 700 W. Boston boulevard, on August 28, at 12:30 p.m.

The chairmen, Mrs. Carl Habermas and Mrs. Forest Waincott, urge members and friends to attend, as support of these nursing Sisters helps keep them ministering Detroit's sick, poor and aged. No call goes unheeded when immediate help is needed, regardless of creed, race or color, and continued care of the patient's needs, both spiritual and temporal, continues, until no longer needed or other help is found. They have served the community 35 years.

Area members, Friends of the Sick Poor, working on this party are Mesdames C. Joseph Belanger, Harry Dunn, Harold Groff, Brennan Gillespie, L. Verne Ansel, Laurence Walsh, among others. Calling the Convent or members of the committee is urged.

City of Grosse Pointe Farms

Notice of Proposed New Zoning Ordinance

To the Residents of the City of Grosse Pointe Farms:

Notice is hereby given that a PUBLIC HEARING will be held in the City Hall, 90 Kerby Road, Grosse Pointe Farms, Michigan, on

Monday, September 16, 1963 at 8:00 P.M. for the purpose of hearing any taxpayers, residents, or citizens of the City of Grosse Pointe Farms on the following proposed new Zoning Ordinance:

Code No. 12-03—Zoning Ordinance

AN ORDINANCE TO ESTABLISH DISTRICTS IN THE CITY OF GROSSE POINTE FARMS WITHIN WHICH TO REGULATE THE USE OF LAND AND STRUCTURES THEREIN; TO REGULATE AND LIMIT THE HEIGHT, THE AREA, THE BULK AND LOCATION OF BUILDINGS; TO REGULATE AND RESTRICT THE LOCATION OF TRADES AND INDUSTRIES AND THE LOCATION OF BUILDINGS DESIGNED FOR SPECIFIED USES; TO REGULATE AND DETERMINE THE AREA OF YARDS AND OTHER OPEN SPACES; TO REGULATE THE DENSITY OF POPULATION; TO PROVIDE FOR THE ADMINISTRATION AND ENFORCEMENT OF THIS ORDINANCE; TO PROVIDE FOR A BOARD OF ZONING APPEALS, AND ITS POWERS AND DUTIES; TO PROVIDE A PENALTY FOR THE VIOLATION OF THE TERMS THEREOF; AND TO REPEAL ORDINANCES NO. 34 AND 80, AS AMENDED.

THE CITY OF GROSSE POINTE FARMS ORDAINS:

ARTICLE I. SHORT TITLE.
Section 1.1 This Ordinance shall be known and cited as the "City of Grosse Pointe Farms Zoning Ordinance," and shall be referred to herein as "this Ordinance."
Section 1.2 INTERPRETATION AND PURPOSE.
In interpreting and applying the provisions of this Ordinance, they shall be held to be the minimum requirements for the promotion and protection of the public health, safety, comfort, convenience, and general welfare. Whenever the provisions of this Ordinance require lower building heights, more square footage of building area, a lower percentage of lot area that may be built on, or require a greater set-back or open spaces than are imposed or required by other applicable laws or Ordinances, the provisions of this Ordinance shall govern. Where, however, the provisions of the State Housing Code or ordinances and regulations of the City of Grosse Pointe Farms impose more stringent requirements than the provisions of this Ordinance, the provisions of the State Housing Code or such other ordinances and regulations shall govern. It is not intended by this Ordinance to interfere with or abrogate or annul any easements, covenants or other agreements between parties, provided, however, that where this Ordinance imposes a greater restriction upon the use of buildings or premises, the provisions of this Ordinance shall control.

ARTICLE 2. DEFINITIONS.
Section 2.1 DEFINITIONS PERTAINING TO GRAMMATICAL USAGE.
Words used in the present tense include the future tense. The singular number includes the plural, and the plural the singular.
The word "person" includes association, firm, partnership, corporation or an individual.
The term "shall" is always mandatory.
The word "occupied" and the word "used" shall be considered as though followed by the words "for intended, arranged, or designed to be used or occupied."
Words and terms not herein defined shall have the meaning customarily assigned to them when used in connection with zoning.

Section 2.2 DEFINITIONS PERTAINING TO ACCESS.
Street: A dedicated and accepted public street, or a permanent unobstructed private easement of access with a roadway suitable for vehicular travel at least sixteen (16) feet wide which affords the principal means of vehicular access to abutting property; such private easement shall have a minimum right of way of thirty (30) feet unless an easement of access of lesser width existed prior to the adoption of this Ordinance.
The City Council has adopted a master plan for the development of Lakeshore Road properties upon which is shown the exact location of proposed future new or extended streets and such plan shall be followed as closely as is practical in the future development in that area.
Alley: A public thoroughfare other than a street which affords a secondary means of vehicular access to abutting property.

Section 2.3 DEFINITIONS PERTAINING TO A BUILDING:
Structure: Any constructed or erected material or combination of materials the use of which requires location on or connection to the ground; including, but not limited to, buildings, fences, and signs.
Building: Any structure having a roof.

Section 2.4 DEFINITIONS PERTAINING TO A LOT:
Lot: A platted lot of a recorded subdivision, or a parcel of land shown in a request for a Certificate of Compliance, occupied or intended to be occupied by a principal and/or accessory building or use. (See Section 5.2)
Corner: A lot where the corner interior angle at the intersection of the two streets is less than one hundred thirty-five (135) degrees. A lot abutting upon a curved street or streets shall be considered a corner lot for the purpose of this Ordinance, if tangents to the curve of the two points where the lot lines meet the curve form an interior angle of less than one hundred thirty-five (135) degrees.

Section 2.5 DEFINITIONS PERTAINING TO LAND USE:
Principal: The primary and chief purpose for which a lot is used.
Accessory: A subordinate use which is customarily incidental to the principal use on the same lot. In case a question arises as to the degree of incidentalness or length of custom, the Board of Zoning Appeals shall rule.
Section 2.6 DEFINITIONS PERTAINING TO MEASUREMENT OF LAND USE AREAS, AND REQUIRED OPEN SPACE:
Lot Lines: The lines separating a distinct portion or plot of land from abutting lands, streets or bodies of water.
Lot Line, Front: In the case of a lot abutting upon only one street, the front lot line is the line separating such lot from such street except those lots with frontage on Lake St. Clair upon which the front line is a line separating such lots from the lake. In the

case of any other lot one such line shall be elected to be the front lot line for the purpose of this Ordinance, and shall be so designated on the application for a Certificate of Compliance.

Lot Line, Side: A side lot line is any lot line not a front lot line or a rear lot line. A side lot line separating a lot from a street is an exterior side lot line. A side lot line separating a lot from another lot or lots is an interior side lot line.

Lot Line, Rear: The lot line opposite and most distant from the front lot line. In case of an irregularly shaped lot, it shall be an imaginary line parallel to and farthest from the front lot line, not less than ten feet long and wholly within the lot.

Lot Line, Street: Any lot line separating said lot from a street.

Lot Width: The length of a straight line drawn between the points where the front setback intersects the side lot lines.

Required Setback: The distance required to obtain the required front, side, and rear open space provisions of this Ordinance.

Required Open Space: The open space established between the lot lines and the required setback open, unoccupied, and unobstructed by any building or part thereof, from the ground to the sky, except as otherwise provided in this Ordinance. (See Section 5.4)

Required Front Open Space: The required open space extending the full width of the lot and of a depth equal to the required setback measured horizontally at right angles to the front lot line. On a lot with an irregular front line or on which the front of the residence is at an angle to the front lot line, no part of the residence shall extend into the minimum required open space at its narrowest point.

Required Rear Open Space: The required open space extending the full width of the lot and of a depth equal to the required setback measured horizontally at right angles to the rear lot line.
Required Side Open Space: The required open space extending from the front open space to the rear open space, of a width equal to the required setback measured horizontally at right angles to the side lot line.

Section 2.7 DEFINITIONS PERTAINING TO BUILDING USE:

Principal Building: The building in which is conducted the principal use of the lot on which said building is situated.

Accessory Building: A subordinate building, whether attached or detached, the use of which is customarily incidental to the permitted use of the principal building.

Family: An individual or two or more persons related by blood, marriage or adoption.

Dwelling Unit: A group of rooms including closet space, bathrooms, and cooking facilities (not more than one

complete kitchen) designed as a unit for occupancy by one family and its domestic employees.

Dwelling, One-family: A building containing only one dwelling unit.

Garage, Private: An accessory building not over one story or fifteen (15) feet in height and having not more than seven hundred fifty (750) sq. ft. of usable floor area, to be used only for the storage of non-commercial motor vehicles. A second story not exceeding thirty (30) feet in height (including the first story) may be placed thereon for the private use solely of the owner or occupant of the principal building, his family or domestic employees.

Filling Station: Buildings or premises or portions thereof arranged or designed to be used for the retail sale of oil, gasoline or other fuel for the propulsion or lubrication of motor vehicles and which may include facilities for changing of tires, tube repairing, polishing, greasing, washing, or servicing such motor vehicles; but excluding so-called high speed automotive washing, steam cleaning, body repairing, bumping or painting.

Section 2.8 DEFINITIONS PERTAINING TO MEASUREMENTS:

Building Height: The vertical distance from the finished grade to the surface for flat, gable to the deck line for

Story: That portion of a building above any upper surface of any floor above the ground level, between the topmost of the usable floor area and the ceiling is more than the average contact walls of the building.

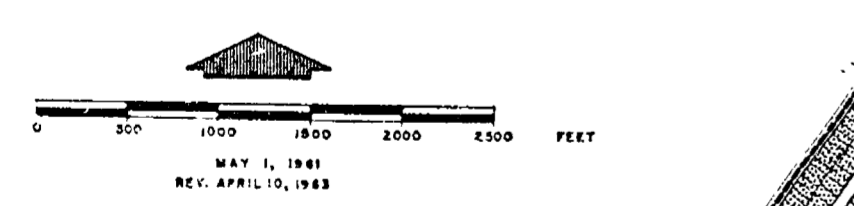

Usable Floor Area, Residential: The measurement of residential uses shall be the first story measured together with the area of attics and top half of a fixed stairway or human habitation, not counted has a height of one-half (1/2) feet over of its floor area and (5) feet in height; but enclosed porches.

Usable Floor Area, Non-Residential: The measurement of non-residential uses shall be intended to be used as customers, patrons, for display or sale of mean floors or parts for non-public purposes.

In keeping with this intent, development is regulated to a low density. This district is applicable to areas where planning has or is expected to create lots typically with a minimum of 11,000 sq. ft. of land area.	7.1	7.2 1. One family dwelling, etc.
R1-A ONE FAMILY RESIDENTIAL DISTRICT The intent of the Regulations of this District is similar to the R1-AA District, except that the minimum lot area will be 6,000 sq. ft. to reflect prevailing lot sizes, previously platted in the District. Certain other uses, such as, churches, schools, parks, and playgrounds are allowed. The area, height, bulk and placement Regulations are modified to reflect the prevailing lot size.		1. Same as R1-AA. 2. Churches, schools, parks and playgrounds, for use of neighborhood residents.
R1 ONE FAMILY RESIDENTIAL DISTRICT The intent of the regulations of this District are the same as the R1-A except that the minimum lot area will be 5,000 sq. ft. to reflect prevailing lot sizes, previously platted in the District. The area, height, bulk and placement regulations are modified to reflect the minimum lot size.		1. Same as R1-AA. 2. Hospitals for use of neighborhood residents.
B1 LOCAL BUSINESS DISTRICT The intent of this District is to provide suitable locations for those commercial activities which primarily serve the residents of the surrounding neighborhood and are compatible within themselves and are not detrimental or injurious to contiguous residential areas.		1. Convenience and non-service type stores and shops, such as grocery, drugs, hardware, variety, clothing, furniture, barber and beauty. 2. Office uses resulting from any of the following occupations: professional, brokerage, real estate, insurance, drafting and similar uses. 3. Eating establishments. The above uses will be permitted, provided there is not in connection therewith the operation of any machinery or the conduct of any process or activity or the storage or display of goods in such a manner as to be obnoxious or offensive by reason of the emission of odor, fumes, dust, smoke, waste, vibration or noise.
B2 COMMERCIAL DISTRICT The intent of this District is to provide suitable locations for those commercial activities which function relatively independent of intensive pedestrian traffic and proximity of other firms. These activities, primarily because of their relation to one another, require direct auto access and visibility from the road. These activities, however, may share common parking areas directly accessible to each.		1. Any use permitted in B1-1 above. 2. Shoe repair, clothes cleaning or laundry. 3. Any retail business whose principal activity is the sale of merchandise from or related building. 4. Eating and drinking establishments. 5. Appliances sales and repair shops, including heating, plumbing, and electrical supplies. 6. Filling stations, except if garages in which the principal use is auto repair. The above uses will be permitted, provided there is not in connection therewith the operation of any machinery or the conduct of any process or activity or the storage or display of goods in such a manner as to be obnoxious or offensive by reason of the emission of odor, fumes, dust, smoke, waste, vibration or noise. Conditions: 1. Any principal use which serves a customer while the automobile is prohibited, except filling stations. 2. Temporary structures, storage sheds, storage of junk, scrap, iron or rags are prohibited. 3. Open air sales of any kind, storage of goods, merchandise or material in the open are prohibited. 4. Bowling alleys, pool rooms, auto wash, dance halls, self service laundry or a cleaning places, and hotels are prohibited.
P1 PARKING DISTRICT The intent of this District is to provide specific locations for public or private off-street parking, in those situations where it is in the public interest that parking be specifically so located. This public interest includes relief of traffic congestion, a balance between parking and commercial land use, and enhancing the intent of B1 and B2 Districts.		1. Off-street parking lots in accordance with Article 10. 1. Shelter for other and ten (10) feet. 2. Signs in accordance with Article 10. 3. Fences in accordance with Article 10. 4. Outdoor display temporary permitted.

Ordinance

complete kitchen designed as a unit for occupancy by one family and its domestic employees. Building containing only one dwelling unit.

Necessary building not over one story or fifteen feet in height and having not more than one hundred fifty (750) sq. ft. of usable area, to be used only for the storage of non-motor vehicles. A second story not exceeding thirty (30) feet in height including the story may be placed thereon for the private use of the owner or occupant of the principal building, his family or domestic employees.

Uses of premises or portions thereof arranged to be used for the retail sale of gasoline or other fuel for the propulsion or operation of motor vehicles and which may include facilities for changing of tires, tube repairing, greasing, washing, or servicing motor vehicles, but excluding so-called high automotive washing, steam cleaning, body painting, bumping or painting.

Section 2.8 DEFINITIONS PERTAINING TO BUILDING MEASUREMENTS:

Building Height: The vertical distance from the main elevation of the finished grade to the highest point of the roof surface for flat, gable, hip and gambrel roofs; and to the deck line for mansard roofs.

Story: That portion of a building included between the upper surface of any floor and the upper surface of any floor above; or any portion of a building between the topmost floor and the roof having a usable floor area equal to at least fifty per cent of the usable floor area of the floor immediately below it. A top floor area under a sloping roof with less floor area is a half story. The first story shall be considered the lowest story of which the ceiling is more than four (4) feet above the average contact ground level at the exterior walls of the building.

Usable Floor Area, Residential: The measurement of usable floor area for residential uses shall be the sum of the area of the first story measured to the exterior walls together with the area of any upper story, including attics and top half stories, which is connected by a fixed stairway and may be made usable for human habitation, provided that the part to be counted has a height of not less than seven and one-half (7½) feet over more than one-half (½) of its floor area and is at no point less than five (5) feet in height; but excluding basements, garages, accessory buildings, breezeways, and unenclosed porches.

Usable Floor Area, Non-Residential: The measurement of usable floor area for non-residential uses shall be the gross floor area used or intended to be used for service to the public as customers, patrons, clients or patients, including area occupied by fixtures and equipment used for display or sale of merchandise. It shall not mean floors or parts of floors used principally for non-public purposes, such as the storage and

Section 2.9 DEFINITIONS PERTAINING TO OFF-STREET PARKING:

Parking Space: A space constituting a net land area of at least one hundred eighty (180) square feet. When a parking space is in conjunction with a public or private off-street parking lot, each parking space shall contain at least two hundred seventy (270) square feet of land area including access lanes except when such parking spaces abut on an alley, in which case each parking space shall be a minimum of one hundred eighty (180) square feet in area.

Seat: In the case of churches and other places of assembly in which patrons or spectators occupy benches, pews, or other similar seating facilities "seat" shall mean each twenty (20) inches of such seating facilities for the purpose of determining off-street parking requirements.

Section 2.10 DEFINITIONS PERTAINING TO ESSENTIAL SERVICES AND NON-CONFORMANCE:

Public Utility: Any person, firm, corporation, municipal department or board duly authorized to furnish and furnishing under state or municipal regulation, to the public, electricity, gas, steam, communication, telegraph, transportation, water, or sewer.

Essential Service: The erection, construction, alteration or maintenance by a public utility of underground, surface, or overhead gas, electrical, steam or water transmission or distribution systems, communication, supply or disposal system, poles, wires, mains, drains, sewers, pipes, cables, and other similar equipment and accessories in connection therewith, reasonably necessary for the furnishing of adequate service by such public utilities for the public health, safety, or general welfare, but not including buildings, electric substations, and transmission towers.

Non-Conformance, Type A: A use lawfully existing at the time of enactment

Non-Conformance, Type B: A building or structure, lawfully existing at the time of enactment of this Ordinance or an amendment thereto, that does not conform to the provisions of this Ordinance.

The City of Grosse Pointe Farms shall be and is hereby divided into Districts as enumerated in ARTICLE 7, SCHEDULE OF REGULATIONS.

Section 3.1 CLASSIFICATION OF DISTRICTS:

Section 3.2 REQUIRED CONFORMITY TO DISTRICT REGULATIONS: Except as otherwise provided in this Ordinance, no structure or land shall hereafter be used or occupied and no structure or part thereof shall be erected, moved, or altered unless in conformity with the regulations herein specified for the District in which the structure or land is located.

Section 3.3 DISTRICT BOUNDARIES SHOWN ON ZONING MAP:

The boundaries of said districts are hereby established as shown on the ZONING MAP, which accompanies this Ordinance as ARTICLE 8, and which ZONING MAP with all notations, references, and other information shown thereon shall be as much a part of this Ordinance as if fully described herein. The ZONING MAP shall be certified as the official copy by the City Clerk and shall be kept on display in the City Clerk's office. Maps and descriptions accompanying enacted amendments shall be displayed adjacent to the official copy until such time as the official copy is corrected. When so ordered by resolution of the City Council, the official copy shall be corrected to show all amendments and the accuracy and completeness of such corrections shall be certified thereon by the City Clerk.

Section 3.4 INTERPRETATION OF ZONING MAP: Where, due to the scale, lack of detail, or illegibility of the ZONING MAP accompanying this Ordinance, there is an uncertainty, contradiction, or conflict as to the intended location of any district boundary as shown thereon, interpretation concerning the exact location of any district boundary line shall be determined by the Board of Zoning Appeals. The Board, in arriving at a decision on these matters, shall apply the following standards:

A. District boundary lines are intended to follow center lines of alley or streets, rights-of-way, water courses, or lot lines, or be parallel or perpendicular thereto, unless such district boundary lines are otherwise explicitly indicated as shown on the ZONING MAP.

B. Where district boundaries are so indicated that they approximately follow lot lines, such lot lines shall be construed to be such boundaries.

C. In unsubdivided property, or where a district boundary divides a lot, the location of any such boundary, unless the same is indicated by dimensions shown on the ZONING MAP, shall be determined by the use of the map scale shown thereon. Where the boundary lines of the districts divide property under common ownership or a lot under common ownership, the Board of Zoning Appeals may permit the extension of the use permitted on the less restrictive portion of such lot or lands, for a distance of not more than fifty (50) feet from the district boundary line as determined by the Board.

D. If, after the application of the foregoing rules, uncertainty exists as to the exact location of a district boundary, the Board of Zoning Appeals shall determine and fix the location of said line from the historic facts available and by using its best judgement concerning the intent of the persons drafting this Ordinance.

Section 4.1 GENERAL: Except as otherwise provided herein, regulations governing land and building use are hereby established as shown in ARTICLE 7, SCHEDULE OF REGULATIONS. Any use not expressly permitted is prohibited. Uses requiring a Board of Zoning Appeals Exception are permissible only if in the opinion of the Board of Zoning Appeals adequate conditions exist or can be imposed that will make such uses compatible with the purposes of this Ordinance and intent and principal uses of the district. Otherwise such uses are prohibited.

Section 4.2 USE OF ACCESSORY BUILDING PRIOR TO USE OF PRINCIPAL BUILDING PROHIBITED: No accessory building may be used prior to the construction and use of the principal building or use except as a facility of construction of said principal building or use. This exception is a temporary one which shall lapse one year after the issuance of the Certificate of Compliance for the accessory building.
