### Important School Appointments Announced

Recently-named appointees to administrative and counseling posts in The Grosse Pointe Public School System for the 1966-1967 year were photographed with DR. CHARLES H. WILSON, Superintendent of Schools. Seated (left to right) are MISS GAIL L. WOG,

Dr. Wilson, RICHARD W. KAY. Standing (left to right) are TED E. JACOBS, RALPH F. HORNER, WILLIAM MOGK, NEIL CURTIS and MARSHALL F. MOSER.

Thursday, January 13  
PRESIDENT JOHNSON last night told a nationwide audience through television and radio of his hopes for progress and peace in this year of 1966. He said that United States commitments to Vietnam could be honored without depriving the citizens of the United States of the benefit of the country's booming economy. Among other requests in his State of the Union message were a new Cabinet-level Department of Transportation; legislation for a truth-in packaging law; a highway safety act to reduce traffic deaths and four-year terms for U.S. House members instead of the present two-year terms.

MEANTIME IN LANSING yesterday, Michigan's 73rd Legislature opened its second session in relative quiet. The first three bills filed to be introduced in the Senate include Senate-proposed insurance fringe benefits for legislators; dropping the lieutenant governor from the legislative salary schedule for technical reasons and banning dog hunting in the Upper Peninsula. Gov. Romney is slated to deliver his State of the State address today.

THE ANNOUNCEMENT Wednesday of French President Charles de Gaulle's forthcoming visit to Russia this year aroused comment among diplomats that de Gaulle and the Soviets might make a new effort together to get Vietnam peace talks started. De Gaulle also pledged to end the seven-month French boycott of the European Common Market.

Friday, January 14  
PRESIDENT JOHNSON stated at a news conference following the early morning announcement yesterday of settlement in the New York City transit strike, that the agreement terms were inflationary and violated the Administration's guideposts for noninflationary wage increases. The new contract between the Transit Workers Union and Transit Authority calls for a wage hike from \$3.46 an hour to \$4. New York's Mayor John Lindsay, however, said that the settlement, formulated by a mediation panel, was within the Administration guideposts and "the Transit Authority had no choice but to accept."

APPOINTMENT of the first Negro to a cabinet post was revealed yesterday when President Johnson announced his choice of Robert C. Weaver to be the Secretary of the new cabinet-level Department of Housing and Urban Development. Weaver has been administrator of Housing and Home Finance Agency since 1961. It is expected that the agency will form the nucleus of the new cabinet department.

U.S. SECRETARY OF STATE Dean Rusk and Ambassador-at-Large W. Averell Harriman are scheduled to begin talks tomorrow in Saigon with Vietnamese officials. They will discuss the various peace proposals with the Vietnamese and listen to their views on problems relating to negotiations. Meantime American forces have agreed to a three-day truce which will start next week in observance of the Lunar New Year.

Saturday, January 15  
RUMORS CIRCULATED in Saigon, that Vietnamese generals are unhappy with the way Premier Nguyen Cao Ky is handling the peace issue and are said to fear a sellout to the Viet Cong. The rumors reached their peak when 30 truckloads of South Vietnamese troops and four armored troop carriers broke through a police checkpoint and refused to stop. Premier Ky, however, said that whatever peace moves are generated, "no other nation is qualified and able to decide our destiny, independently of our own will."

MRS. INDRIA GANDHI, daughter of the late Prime Minister, was in the city.

### Woods to Ask City Charter Amendment

Change to Be Voted On Would Give City Employees Increased Pension Benefits

A City Charter Amendment to be placed on the April ballot for a vote of the citizens, was approved at the Woods council meeting held on Monday, January 7.

The amendment, if approved by the voters, will give the city's general employees and officers of the Department of Public Safety increased pension benefits upon retirement from service.

The amendment would mean that an increased payment into the pension fund for employees will be absorbed by the city, and will not be taken from employees' pay, it was disclosed by City Administrator Chester Petersen.

Under the present plan of voluntary retirement, general employees with 10 or more years of credited service, can retire at age 60; public safety officers, with 10 or more years of service, may retire at 55 years of age.

The section pertaining to general employees will remain the same, but that of the public safety officers, under the amendment, provides that they may retire at age 55, after at least 25 years of credit-services.

The final average salary will be retained in the Charter. This provides that the average of the highest annual salaries received by a member in any period of

### Farms Councilmanic Seats Shifted as Mayor Resigns To Become Municipal Judge

William Butler Elected Mayor; Councilman William Kirby Named Mayor Pro Tem; James Dingeman Appointed to Fill Council Vacancy

A resignation, election and two appointments took place during the regular meeting of the Farms council on Monday, January 17. Oaths of office were administered by City Clerk Peter Caputo.

Mayor William Connolly, Jr., resigned as mayor and councilman. Mayor Pro Tem William G. Butler was elected mayor, Councilman William G. Kirby was elected mayor pro tem, and James H. Dingeman, formerly of the Mayor's Advisory Planning Commission, was appointed to fill the vacancy on the council.

As the first order of business, Butler, as mayor pro tem, assumed the mayor's seat at the council table, and announced the resignation of the mayor, which was accepted "with deep, and reluctant regret" by the council.

Council Picks Mayor  
The council, as provided by the Farms City Charter, elects the mayor, who serves for one year. This procedure was followed on Monday night, when the council elected Butler to fill the unexpired mayoral term. It also elected Councilman William G. Kirby as the new mayor pro tem, after which Dingeman was appointed as the new council member.

Following the election and appointment, the council appointed Connolly to the post of municipal judge, an elective position vacated by Grant E. Armstrong, who resigned January 1, because of pressing personal business.

Armstrong was re-elected to

### Youths Make Disturbance In Hospital

Pair Released On \$50 Bonds Following Arrests As Disorderly Persons

Two Detroit youths were arrested Friday, January 14, by City police for creating a disturbance in Bon Secours Hospital early that morning.

Ronald Lee DeBord, 18, of 1363 Coplin, and John Denny, 17, of 1427 Holcomb were charged with being disorderly persons in the hospital. According to witnesses, they pushed nurses around, used foul language and caused an injury to the right hand of Julia Grzanka of 13416 Gable, Detroit.

Police received a call from Mrs. Mary Stack of 468 Cadioux road, night supervisor at the hospital, about 6 a.m., informing them of the unruly young men. DeBord's wife was in the hospital after giving birth to a baby and he insisted he see her. When he was refused permission, he and Denny became unreasonable and uncontrollable.

By the time the police reached the scene, both youths had left. Don Pasternak of 2519<sup>1/2</sup> Koontz, Roseville, reported they were headed north on Cadioux. They were sighted by officers at Cranford lane but managed to escape capture.

Park police were then asked to assist in tracking down the two. DeBord was picked up by the Park officers on Whittier and more than an hour later Denny was apprehended at East Jefferson and Balfour.

Both were released after questioning, on \$50 bonds.

### Neighborhood Site Becomes Property Of School System

Final Transaction For Purchase of Club Completed; Citizens' Committee to Study Future Uses Expected to Be Appointed

The final transaction for the purchase of the Neighborhood Club by the Grosse Pointe Board of Education was completed on Thursday, January 12. Funds were provided by a gift from the Helen Newberry Joy Fund.

Last July the local school trustees accepted the \$225,000 grant. Shortly thereafter the Board of Directors of the Neighborhood Club agreed to the sale as soon as court approval could be granted.

Henry R. Joy, president of the Helen Newberry Joy Fund, said that the grant was made to the Board of Education because it is the only governmental body serving all the Grosse Pointes. He stated that the acquisition is to be used for public recreation for the community embraced by the area of the school district.

To Name Committee  
J. Harold Husband, Assistant Superintendent - Administrative Services for The Grosse Pointe Public School System, indicated a forthcoming meeting of the mayors and city managers of the Grosse Pointe municipalities with representatives of the school's administration and the Board of Education to discuss the future use of the property.

It is anticipated that a citizens' committee, representing each of the Grosse Pointes, will be appointed shortly thereafter. The representatives will investigate means in which the facilities can best be used to serve the entire Grosse Pointe community.

The arrangement between the Board of Education and the Neighborhood Club permits continued occupancy by the Club of the Thrift Shop on Waterloo Avenue for another year. It is tentatively planned to demolish the larger building on the site during the next few months. Specifications are now being written for the removal of the structure.

Conditions of Gift  
The express conditions of the gift require the Board of Education to hold the property under these limitations:

"The real property to be purchased from The Mutual Aid and Neighborhood Club of Grosse Pointe shall be held and used by the school district for public recreational purposes for the benefit of its residents; provided, however, its Board of Education may, after obtaining advance approval from the Wayne County Circuit Court in a proceeding of which notice has been given to all municipalities located within the School District, use said premises for another purpose, or sell, convey or lease the same, but only if there is then available or provided by the school district a comparable recreational facility, with equal or greater recreational area situated in and located not less centrally with respect to the several Grosse Pointe communities, and which will continue to provide the residents of the school district with the opportunity for essential recreational uses substantial

### Five Retirees Have Served 208 Years

Superintendent Charles H. Wilson Announced Appointments to Replace Veterans

Dr. Charles H. Wilson, Superintendent of Schools, has announced the appointment of six to administrative and counseling posts effective with the 1966-1967 school year. Most of the appointees will fill vacancies to be created by the impending retirement of veteran educators from the schools.

Of the staff changes, Dr. Wilson said, "No words of mine could express the gratitude of The Grosse Pointe Public School System for the many services rendered by administrators retiring this year—Forrest Geary, Charles Leavitt, Kenneth Cary, Donald Campbell and Miss Bea Moore. Collectively, these five people have given 208 years of service to the teaching profession, 183 of them in Grosse Pointe.

Approved by Board  
"But in the inevitable course of events we must carry on. In some instances, the Board of Education and I have been considering suitable replacements for over a year. In executive session the Board gave unofficial approval to the following recommendations:

Director of Community Services—Richard Kay.  
Principal of Pierce Junior High—William Mogk.  
Principal of Richard School—Ted Jacobs.  
Assistant Principal (or Adm. Assistant) Brownell—Marshall Moser.  
Assistant Principal (or Adm. Assistant) Parcells—Miss Gail Wog.  
Assistant Principal (or Adm. Assistant) Pierce—Ralph Horner.  
(Mr. Horner is presently Assistant Principal, John Hill Junior High, Cherry Hill, Mich.).  
Counselor at Brownell—Neil Curtis.

"Although the exact titling of assistants at the junior highs has not been agreed upon, the present system of Deanship will give way to a more flexible form of administration. Miss Virginia Hoelze, Miss Warren Rhodes and Leon Engelhart will definitely serve in the capacity of assistant principals. Newer appointees may also be so designated, either in the coming year or in years ahead.

Richard Kay Named  
Named to succeed Forrest Geary as Director of Community Services, currently Principal of Richard Elementary School, is Richard Kay.

Mr. Kay, a member of the administrative staff of The Grosse Pointe Public School System since 1962, was an elementary teacher, principal, and coach in Northville, Mich. for the preceding 13 years.

### Two-Car Collision Causes Damage To Gas Station

Damage to a Kercheval-on-the-Hill District gas station and three cars, which followed a collision of two of the vehicles at Kercheval and Muir road at 9:54 o'clock Tuesday evening, January 11, was estimated at thousands of dollars, according to a Farms police report.

The station was forced to curtail night retail sales because of lack of sufficient lighting, due to the crash of the cars, according to Richard Gruber of 16734 Timberview, Fraser, owner.

### Diner Loses Car Keys to Thief

Raymond F. Farr, 41, of 436 Roland, had the experience of having his car keys taken from his overcoat pocket in a Woods restaurant, and his car stolen from a parking lot.

On Saturday, January 15, Farr informed Woods police that he and his wife went to Blazo's, 19299 Mack avenue, for dinner, and that he hung his coat on the public rack.

When he and his wife finished eating, Farr said, they donned their coats and were returning to the car, in the lot behind the restaurant, when he discovered his keys missing. At the location where the vehicle was parked, he found an empty space, he told police.

A general bulletin was sent over the police teletype, giving a description of the car and the license number.

### Firemen Battle Two-Alarm Fire

Farms and City firemen battled a two-alarm fire at the home of Robert A. Brooks, 85 Cambridge, on Thursday, January 13, for 45 minutes before bringing it under control.

The fire, of unknown origin, started in the ceiling basement, underneath the kitchen sink, according to information released by Fire Capt. Raymond Snay. The alarm was called in at 6:55 p.m., and at 7:06 p.m., the City was called for assistance. City firefighting apparatus was not needed, but the crews assisted Farms firemen in battling the flames.

The City crew and firefighting equipment returned to their station at 8:19 p.m., but Farms firemen remained at the scene for more than three hours. Capt. Snay said the fire shot up through the wall to the second floor and through to the attic, but did not damage the attic roof. Smoke damage was extensive throughout the house, he added. No one was injured.

## Amendment

(Continued from Page 1)

five consecutive years of service contained in the 10 years of service immediately preceding the date of the member's employment with the city terminates, will be the factor.

Under the age and service retirement allowance in the present section of the Charter, it is determined that the total years if credited service times the sum of one percent of the first \$4,200 of final average salary, plus 1.5 percent of the portion, if any, of final average salary in excess of \$4,200, will set the final pension; for public safety members, total years of credited service times 1.5 percent of final average salary.

Under the amendment, it will provide: general members, total years of credited service times the sum of 1.3 percent of the first \$4,200 of final average salary, plus 1.8 percent of the portion, if any, of final average salary in excess of that amount.

Public Safety members: two percent of the final average salary times the number of years of credited service not to exceed 25 years; plus one percent of final average salary times the number of years of credited service in excess of 25 years.

Disability retirement allowance, present plan. Same as present plan age and service retirement allowance. Minimum to age 65 is 15 percent of final average salary. Minimum after age 65 is 10 percent of first \$4,200 of final average salary, plus 15 percent of the portion, if any, of final average salary in excess of that amount; public safety members, same as age and service retirement allowance. Minimum is 15 percent of final average salary.

The amendment will make the minimum to 65 years of age, 18 percent of final salary, and the minimum after 65 would be 13 percent of the first \$4,200, plus 18 percent of the portion, if any, of final average salary above that; public safety members, same as age and service retirement allowance.

Non-Duty death: the present plan provides benefits on account of employees who die after acquiring either 25 years of service, or attaining age 55, and having 10 or more years of service.

An amendment would provide benefits on account of employees who die after acquiring either 15 years of service, or attaining age 55 and having 10 or more years of service.

General employees are covered under the Social Security Act on account of their city employment. Social security benefits are in addition to the city retirement system benefits, whereas, public safety members are not covered under social security.

Petersen said that currently all employees of the Woods must retire at age 60, but can ask for extensions each year for five years, after which retirement is compulsory.

If the amendment is passed, he said, an employee will not be able to ask for an extension after reaching 60, that the administration will determine whether the employee will be retained for further service. If no word is received from the administration, the employee is automatically retired on reaching that age.

### Play To Benefit GP Symphony

Officers and Committee chairmen of the Grosse Pointe Symphony Women's Committee met in the home of Mrs. Lester A. McIntosh in Sheldon road, Friday, January 14, to complete plans for a fund raising project for the Grosse Pointe Symphony.

The immediate project is a Theatre Night at Fries Auditorium, Friday, February 11, featuring the Court Players of the Detroit Institute of Arts.

For this premier performance in Grosse Pointe, the Players are offering two productions. The first is "Children on Their Birthdays" by Truman Capote.

In the second, "Archie and Mehitabel," programmed as a back alley opera, the delightful characters come to life through the collaboration of Joe Darion and George Kleinsinger.

Arthur S. Inman will do the narration, and dance movement is by Annette Winkler. Music accompaniment features the James Hartway Trio. A Soiree with the cast in the Crystal Ballroom is to follow the program.

### Pointe Ski Club To Meet Jan. 27

A regularly-scheduled meeting of the Grosse Pointe Ski Club will be held Thursday, January 27, at 8 p.m. in the Fries Crystal Ballroom of the Grosse Pointe War Memorial Center.

A coffee and social hour will precede the business meeting. Anyone interested in finding out about or joining the club must attend a meeting.

Also at this meeting, reservations will be accepted for the club's two week-end skiing trips to Silver Birch Inn. The trips are scheduled for the week-ends of February 4-6, and 18-20.

The first 39 members and guests to sign up and make payment of the cost in full will ride in a chartered bus. Others will travel in private cars.

Silver Birch Lodge is located about five miles from Boyne Mountain and 15 miles from Boyne Highlands. Food at the Lodge is good, and this is an especially good trip for married couples, since the cost per room remains the same, whether each room accommodates two, three, or four persons.

The cost is \$31.50 for members, and \$34.50 for guests. This includes round-trip transportation, two nights' lodging, and three meals two breakfasts and one dinner.

Both bus and cars will leave from and return to the Grosse Pointe War Memorial Center, where reservations are now being taken.

The dead-line for making payment in full is January 28 for the February 4-6 trip, and February 11 for the February 18-20 trip.

driveaway of the station and slammed into another car parked near the pumps, and owned by George C. Gillfillen of 1215 Runnymede road, Dayton, O.

Gillfillen's vehicle was forced into the two pumps and the lighting fixtures, shearing them from their bases.

Kant and Karpen were both issued violation tickets for not having their cars under control and causing an accident. They are scheduled to appear in Farms court on March 2.

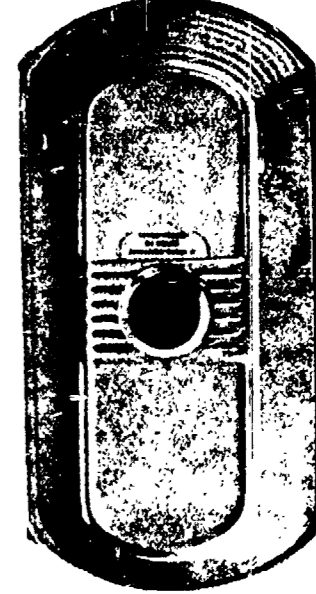

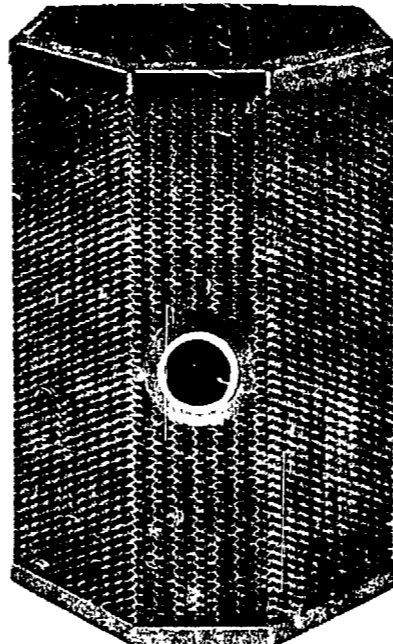

Farms firemen were called to hose down the station driveway and street and flush escaped gasoline into street sewers, as a precaution against fire.

YOU ARE CORDIALLY INVITED TO ATTEND

## OUR OPEN HOUSE AND DEDICATION PROGRAM

Sunday, January 23, 1966, 2 p.m.

Georgian East is a convalescent home—a very special one. It provides professional care and 24-hour nursing services of the highest quality. In addition, as a residence for men and women of refinement, we believe it is the finest of its kind anywhere.

You will find a visit and tour interesting for several reasons.

The building is one of the most outstanding examples of Georgian architecture in the country. The furniture is Eighteenth Century throughout, either genuine antique or authorized reproductions of the rare pieces in the Henry Ford Museum. Every interior detail is in keeping.

Thus all the elements of America's Colonial age of elegance are brought together in balanced authenticity, the atmosphere of the finest homes of that period recreated.

## State Police Investigating Death of Park Fireman

Michigan State Police are probing the mysterious circumstances surrounding the death of Park Fire Lt. James Sullivan, who was found unconscious alongside his car with a crushed skull on Monday, January 3, in Oscoda, Mich., according to information released by Park city officials.

Lt. Sullivan, 52, of 915 Beaconsfield, was taken to an area hospital, where he remained in a coma until he died on Friday, January 14. He and his family were visiting relatives in Oscoda, when the tragedy occurred.

A native of the Pointe, the lieutenant was a member of the Park Fire Department for more than 30 years. He joined the department on September 1, 1935; became a sergeant on October 1, 1954, and was elevated to lieutenant on May 1, 1963.

Funeral services were held at the Verheyden Funeral Home, Mack and Whittier, on Monday, January 17. The funeral cortege passed the Park Fire Station, where police and firemen stood at attention and saluted, on its way to burial services at White Chapel cemetery. A military graveside service was conducted by firemen of the Park and other area fire departments.

Lt. Sullivan is survived by his wife, Grace; three daughters, Sharron, Nancy and Barbara; two brothers, Francis and John; and two sisters, Mrs. Mary Crosby and Mrs. Elaine Steffes.

## William Butler New Mayor of Farms

(Continued from Page 1)  
 citizens of a city, and Connolly was named its first mayor, and up to the time of his resignation, was the city's only mayor, a testimonial to the respect in which he is held by his fellow citizens in the community.

**Is Active Lawyer**  
 During his years of public service, he has maintained an active law practice. He was graduated from the University of Detroit High School in 1926; Georgetown University in 1930, and the Georgetown University Law School in 1934.

For eight years he worked as an associate in the office of his father, the late Judge William F. Connolly, Sr., and during this time, he also served as Michigan Assistant Attorney General on a part-time basis. From 1942 to 1944, Connolly was an Assistant Wayne County Prosecutor, where he acquired extensive knowledge and experience in the trial and procedural aspects of criminal law. In 1944, he became associated with the law firm of Beauchamp, Potter and Louisell; and in 1947, he helped establish the partnership of Connolly, Moynihan and Connolly, which continued until his partners became judges. Thereafter he practiced alone, and now enjoys an extensive private practice.

**Will Be Missed**  
 "The City of Grosse Pointe Farms will miss not only the knowledge, experience and judgment, but also the patience and humor which Mr. Connolly brought to the council table," Mayor Butler said. "He leaves with the gratitude and best wishes of the entire council and staff and, we feel sure, all the

citizens of the Farms. "It is the unanimous opinion of the council that the Farms is fortunate to have available, a man of Mr. Connolly's experience and knowledge in civil and criminal law, judgment and temperament, to assume this difficult and important assignment."

Butler lives at 191 Touraine. He was graduated from Yale University in 1934; and received his law degree from Harvard Law School in 1937. He is a veteran of World War II, joining the U.S. Army Air Force as a second lieutenant in 1942, and was honorably discharged with the rank of major in 1946.

**Elected in 1955**  
 He was elected to the Farms council in April 1955, and since 1959 has been continuously elected mayor pro tem. He is a practicing lawyer and is a partner in the firm of Miller, Canfield, Paddock and Stone, with offices in the Detroit Bank and Trust Building in Detroit. He is interested and active in the Little League Baseball and Babe Ruth Baseball League.

Kirby resides at 61 Moross road. With the resignation of Connolly, he becomes the senior member of the council with his 22 years service. He is a partner in a firm that does management consultations.

He attended Assumption College, Windsor, Ont. He is a past president of the Michigan Municipal League, and has served a total of five years on the League's Board of Directors, before and after his tenure as president.

**Was on County Board**  
 Kirby is a past member of the Wayne County Board of Supervisors, representing the Farms; served on the Wayne County Board of Institutions for seven years, and has served as the Farms' Legislative contact man in Lansing, a post he still holds.

His most recent appointment was made by Gov. George Romney, who named him a member of the Governor's Committee on Local Government.

Dingeman, an attorney, lives at 4 Radnor circle, with his wife and four children. He has been a resident of the Farms for many years. He is associated with the Federal-Mogul Corporation, as legal advisor, assistant director of industrial relations, director of organizational planning and executive development. He is presently corporate secretary and director of Organization Planning.

**Interested in Sports**  
 Always interested in local affairs, Dingeman has served with distinction and dedication on the Mayor's Advisory Planning Committee since its inception

in 1957. He is still active in Little League Baseball, which he helped found in 1952, and has served as its president for two years.

He is one of the initiators of the Intercity Tournament in which all of the Crosse Pointe Leagues participate.

A member of St. Paul's Parish, he was chairman of its Cub Scout Committee in 1954 and 1955.

## Police Arrest Errant Driver

Philip D. Grieve, 25, of 4025 Hereford, Detroit, was arrested by Woods police on Tuesday, January 11, for exceeding the speed limit on Mack avenue.

Patrolmen Peter Thomas and Lee Cochill, on routine patrol on Mack, observed Grieve traveling north on the avenue at a high rate of speed. The officers said they paced him at 45 miles an hour, and stopped the motorist at Mack and Lancaster.

The policemen called in a warrant check to their station, and were informed that Grieve was wanted by Detroit authorities on traffic warrant, for failing to pay a \$100 fine.

The motorist was taken to the station where he was given a violation ticket for speeding, and was released to Detroit police after posting a bond of \$14 with Woods authorities pending an appearance in the Woods Municipal Court.

## New Horizons Head to Talk

Charles Nelson, executive director of New Horizons, an Oakland County sheltered workshop, will address the January 26 meeting of the Grosse Pointe Association for Retarded Children, at 8 p.m. in the Grosse Pointe Memorial Church, 16 Lakeshore road.

He will tell about how the workshop was organized, how it has progressed up to the present time, and what kinds of work these retarded teens and adults are doing.

New Horizons is sponsored jointly by a 3-year grant from the Junior League of Birmingham, Mich., contributing memberships and newly established State-County funds handled through the Community Mental Health Services Board. (Act 54).

The Grosse Pointe area does not as yet have such an opportunity for its retarded teens and adults and for those children growing towards that stage of their lives.

All parents are invited to attend and support the Grosse Pointe Association's efforts to obtain such vitally needed services. In order that they may

succeed, persons other than parents must join so that this is a community-wide endeavor. Call David Hyde, president, 821-4875 to discuss means of supporting these endeavors.

THE ACTION PAPER

A cast of 42 will take the stage of the Erie Auditorium Friday for the Grosse Pointe Theater's second show of its 1965-66 season, "Inherit the Wind." All performances start at 8:30 p.m.

This successful, high-powered drama is a vivid re-enactment of the famous Scopes Monkey Trial of 1925, which pitted William Jennings Bryan against Clarence Darrow in a headlined fight over the origins of man.

The production will star John O. Peters, of 16812 Cranford Lane, and Robert McKenna, of 580 W. Hollywood, in the title roles of Matthew Harrison Brady and Henry Drummond.

Mr. Peters, a long-time Grosse Pointe resident, has lent his fine acting talent to the Grosse Pointe Theater in key roles ever since his appearance in the group's first production—"Clarence"—in 1948. He is a past president of both Fine Arts and Players.

Mr. McKenna, who has been active in show business nearly all his life, most recently directed "Oklahoma!" for the GPT last May. He was active for 19 years in the Midtown Players, at the Detroit Institute of Art.

Directing "Inherit the Wind" will be Mrs. David Hadden, of 54 Meadow Lane. Mrs. Hadden has been a busy member of half a dozen theater groups around the country, and last directed for the GPT in "Send Me No Flowers" three years ago.

Other principals in the cast include Al Berteel, of 45 Radnor Circle, as E. K. Hornbeck, a caricature of H. L. Mencken; Clarke Scholes, of 32 Lake Shore, as Bertram Cates, the schoolteacher on trial for teaching evolution; Arnold Magnuson, of 22527 Gordon, St. Clair Shores, as the local minister, and Mrs. Raymond Trudel, of 32428 Woody Lane, Fraser, as the minister's daughter and schoolteacher's girl friend.

The Grosse Pointe Theater, now in its 18th consecutive season, is considered by many observers to be one of Detroit's most outstanding amateur theater groups. "Inherit the Wind" is the 66th production staged by the organization.

Performance dates for "Inherit the Wind" are January 21, 22, 27, 28 and 29.

The remainder of this season will feature "My Three Angels," in March, and "Can-Can" in May. Ticket information is available at 886-1458.

Two persons are believed to have been responsible for the breaking and entering of the home of Dr. Walter J. Bernard, 1009 Buckingham, while the doctor and his family were absent from the home for several days.

Det. Lt. Stanley Enders and Det. James LaPratt, who have been assigned to investigate the burglary, disclosed that the thieves attempted to force open the rear storm door of the Bernard residence with a pry bar, but when this failed they forced open the door of the milk chute at the side of the house, reached in and opened the side door.

The detectives said that the entered house was ransacked, and that the burglars took \$42 in currency, and seven half dollars from a dresser in the master bedroom.

The thieves also took three bottles of whiskey from a closet in the hallway, Dr. Bernard said.

**Garden District Meeting Slated**

District One of The Federated Garden Clubs of Michigan, Inc., will hold its mid-year meeting next Tuesday, January 25, at the Women's City Club.

Presiding will be the District director, Mrs. Robert Palmer. Mrs. John Hering will show slides of the recent Charles W. Warren Company-Federated Garden Clubs' exhibition, and Mrs. Merle Dixon, of Ann Arbor, will give a talk: "A Lady Gardener Discusses Horticulture."

Mrs. Vera Sullivan will show a film, "Landscapes for Daily Living." Mrs. Raymond J. Hodgson is accepting reservations.

### Thief Loots Car To Tune of \$189

Don VanDame, 45, of 1693 Brys drive, lost items to a thief, valued at a total of \$189, from his automobile, according to information given to Woods police on Friday, January 14.

VanDame, owner of Pointe Electronics, 19755 Mack, told police that his car was parked in the lot alongside his place of business, and when he returned to it, he discovered that an unknown person had forced open the left window vent to enter the vehicle and take several items from the rear seat. Stolen, the store owner said, were a soldering iron valued at \$8; an electric drill valued at \$50; a flashlight worth \$3.50; a saber saw valued at \$50; and a walkie-talkie, which retails at \$70.

The matter was referred to officers of the Detective Bureau for investigation.

### P.T.A. Council Meets Jan. 24

Walter J. Seyffert, President of the Grosse Pointe P.T.A. Council, has announced that the January 24 meeting has been scheduled for 8 p.m. in Clemons Hall of Grosse Pointe High School.

Jerry J. Gerich, Principal of Grosse Pointe High School, and staff members, will show council representatives the results of the recent renovation program during a tour of the premises.

The second portion of the program will consist of a brief presentation by Grosse Pointe's representatives on the Citizens' Participatory Study Committee of the Wayne Community College Study.

### Offering Classes On Investments

Two classes on "Investment Procedures" will be offered by the Department of Community Services, Grosse Pointe Public School System in the Winter Term of Adult Education classes scheduled to begin this month.

### Denies Switching Licence Plates

Donald Somerville, of 629 Manistique, Detroit, was ticketed by Grosse Pointe City police Saturday, January 15, for not having a driver's license on his person and for improper usage of license plates. He was stopped on Mack avenue for driving without headlights.

Somerville was also unable to produce papers showing the ownership of the car. After questioning by police, the 1965 license plates on the car he was driving were found to belong to Joan England of 5256 La-Fontaine, Detroit. Miss England informed police that she had taken her car to a service station on Mack avenue at Gateshead to have her 1966 plates put on and the 1965 plates disposed of. Somerville admitted that he worked at the service station but denied installing the old plates of Miss England on the car he was driving.

He was released by City police on a \$25 bond.

### Devils Conquer Parkers To Capture League Lead

By Dale Eichbauer

In a very close game, the Devils of Grosse Pointe High outscored the Highland Park Polar Bear basketball team last Friday night in the Grosse Pointe High gymnasium.

The Parkers took an early lead which the Devils managed to check by the end of the first quarter of play, however, they trailed by five points, 10-15. Then the Devils took the offensive. With both Bob Miller and Bob Czarnicki getting five points in the quarter, the Devils outscored Highland Park 19 to 12 and took the lead, 29-27.

#### Pace Slows Down

In the third quarter, the pace slowed down as both teams concentrated on defense. Missing most of the time of this quarter were Grosse Pointe's Czarnecki and Highland Park's star center Trapp. High scorers for the quarter were Grosse Pointe's co-captain Mike Conti and Highland Park's Dixon, both with six points. Again Grosse Pointe outscored Highland Park, this time 13 to 9, with Grosse Pointe leading by a slim, six point, 42-38 margin.

The final quarter was most important to both teams, as the final decision and the Border Cities League lead could go either way. The attention, however, was drawn to Bob Czarnicki, who put on a one-man show. Highland Park's Trapp scored two points before fouling out and the Parkers were substituting, desperately trying to fill the void he left. Meanwhile, Czarnicki, who had scored four points in the first quarter, five in the second, and missed the third, opened up the game and sank 16 points.

#### Couldn't Increase Lead

This was double the eight by the Parker's high scorer of the quarter, Dixon. With only two other players scoring only six more points in the period,

### St. Paul Lakers Capture Two More Cage Games

By Don Amez

St. Paul's Lakers took their second non-league basketball victory on Tuesday, January 11, by toppling Harper Woods, 67-42. Undeclared in league competition, the Lakers found Harper Woods an easy prey.

A 6-point effort by Bill Bigham pushed St. Paul to a 16-12 margin in the first quarter. Bill's effort was matched by Don Amez in the second quarter as the Lakers moved to a 31-22 halftime lead.

St. Paul's usual big third quarter put the game on ice. The Lakers hit for 20 points in this period as they held Harper Woods to 9. Don Oliver led this attack with a 10-point scoring burst.

St. Paul's bench finished up the final quarter to post a 67-42 final tally.

Don Amez and Don Oliver shared the scoring honors with 15 points each. Bill Bigham followed with 12. Leo Ikmas led the losers with 17 points.

#### Also Beat St. Clement

In league competition, the Lakers had to struggle to post their 58-50 conquest of the St. Clement Crusaders. St. Paul found themselves at the bottom of a 12-9 score at the end of the first quarter, but a 20-point effort in the second segment gave the Lakers a slim 29-26 edge over the Crusaders.

Identical 16-point third quarters kept the 3-point difference as the score moved to 45-42. Don Amez led the Lakers' action in the third quarter with 8 points.

Bill Bigham kept the Lakers alive in the fourth period as two of the St. Paul ball players fouled out. Bill's 8-point effort came when needed most to keep the Lakers out of trouble and in the winning column.

#### Bigham Leads Attack

Bigham led the attack against an improved St. Clement squad with 14 points. Don Oliver and Don Amez followed with 12 counters each. Gary Chapp led the Crusaders with a 19 point output. Joe Zelmanski was next with 13.

### Ski Clubs Plan Weekend Trips

The Grosse Pointe War Memorial's Ski Hi for students in grades 9-12 is planning a ski weekend to their northern lodge at Wolverine this weekend. Leaving at 4 p.m. Friday, January 21, they will ski Boyne Highlands or Nubs Nob on Saturday and Boyne Mt. Sunday.

Charter bus transportation throughout, two nights lodging, five meals, ski insurance and chaperone are included for a fee of \$28.50.

This same weekend the Center's Adult Grosse Pointe Ski Club is going to Traverse City where they will stay at the Park Place Motor Inn with its Top of the Park Night Club and huge indoor swimming pool. They will ski at Sugar Loaf. Lodging, three meals, and charter bus transportation is included at \$29.35 for members (depending on accommodations) and \$31.38 for guests.

### Devils Receive State Ranking

By Ed Gruca

As a result of two close weekend victories over strong opponents the Devil cagers are now ranked sixth in the state by the Free Press poll.

Grosse Pointe now has a record of 7 wins and one loss. Neither the 64-58 win over Highland Park nor the 63-61 decision over Mt. Clemens was assured until the final minute of play.

The Highland Park victory was the most significant of all Grosse Pointe triumphs so far this season because the Parkers have a powerful squad which was previously unbeaten in league play and tied with the Devils for first place.

Now, as undisputed leaders of the BCL, Grosse Pointe will be favored to take its first Border Cities basketball crown in years. However, much can happen in the six games remaining in the BCL schedule.

This weekend Grosse Pointe will play Royal Oak Dondoro on Friday night in an away game and Port Huron at home the following night.

Royal Oak has an experienced squad and compensates for its lack of height with a lot of hustle. The Acorns have beaten Wyandotte and Fordson in league play while losing to Monroe and Highland Park. According to Coach Hollosy they are a team that must be watched particularly carefully to avoid an upset.

The game with Port Huron will be non-league. Port Huron has lost all three of its conference games so far this season as it has been greatly handicapped by a school district split.

Attendance and cheering over the weekend were excellent. Cheering specialist Moos Matka commented that our cheering at the two games was "the best in the state."

#### Varsity

In the Saturday game with Mt. Clemens, in which the lead saw-sawed back and forth, the final buzzer came at just the right time—when Grosse Pointe had its turn out in front. The game was so close that it went down to the final second, when a Mt. Clemens shot which could have tied the game fell away from the basket.

Grosse Pointe's big punch came early in the fourth quarter when the Devils were trailing 49-46. First Bob Czarnicki put in two free throws. Then after a Mt. Clemens player hit the roof with a wild throw, Jim O'Donnell sank a layup shot. Czarnicki followed with another layup basket and Bob Miller quickly converted an intercepted pass into another bucket.

Seconds later Czarnicki dropped in two more free throws and the score was 56-49.

Mt. Clemens came back and narrowed the difference to two points with 3 1/2 minutes left in the game and eventually came within one point of tying with 14 seconds left. Two free throws by Tom Schildhammer in the last 26 seconds proved to be the winning margin.

Bob Czarnicki was the high scorer with 22 points and Miller followed with 13.

Grosse Pointe 24 19 13 17-63  
Mt. Clemens 15 15 17 14-61  
Reserves

In contrast to their two thriller wins the previous weekend, the reserves decided to play it safe last weekend by salting their games away early.

Both games were all Grosse Pointe's as the little Devils played good, consistent basketball in beating Highland Park 57-38 and Mt. Clemens 81-49. The reserves now have a 7-1 record.

The reserves broke the game against Mt. Clemens wide open at the start of the second quarter when Chris Slowik, Dave Diccio, Rick Ferman, and Rob Zinc put in 10 straight points to make the score Grosse Pointe 24 and Mt. Clemens 9.

Getting hot again the Devils put together another string in which they outscored Mt. Clemens 20-4 and increased their lead to 49-22. The Mt. Clemens' Bathers still couldn't seem to do anything right and kept falling farther behind as their bench was outclassed by the Grosse Pointe bench, too.

With the score 77-39 the Devil lead reached its peak — 38 points.

Grosse Pointe 14 25 25 17-81

### Mother Mary Gertrude

A great and gallant lady was the target for a testimonial last week, and it was difficult to determine who enjoyed the occasion most, the honored guest or those paying her tribute. Mother Mary Gertrude of Bon Secours Hospital was the reason more than 400 admirers, friends and associates filled the grand ballroom at the Grosse Pointe Yacht Club to capacity for a dinner that proved to be one of the very nicest events it has ever been our privilege to attend. It was amazingly evident that everyone there was inordinately happy to be included among the fortunate company. Conspicuously absent was any hint of a trace of falseness which can usually be detected at affairs of this kind. The atmosphere was one happy chunk of admiration, exuberance, friendliness and devotion.

Mother Mary Gertrude is a very remarkable person. Born Jane A. McGonegal in Wilmington Del., on October 21, 1891, she attended St. Ann School there from Grade 1 through a two-year commercial course, and then went to Beacon Business School. After graduation she was employed by the Chemical Division of E. I. duPont de Nemours and Company, even then a big leaguer in the business world.

She entered the Bon Secours Convent in 1915 and was graduated from Mercy Hospital of Nursing in Baltimore. One of her first nursing assignments was caring for soldiers at Camp Meade during the flu epidemic of World War I. She went to the Motherhouse of the Sisters of Bon Secours in Paris, France, in 1923 and made her final vows there on January 24, 1924.

Detroit has been blessed with her presence, her friendship and her ability ever since 1920, with the exception of that one year abroad. From 1920 to 1942, from the original convent in McClellan avenue, she went forth to care for the sick in their homes. She was named Administrator of Bon Secours Hospital in 1944 and in 1961 she became Provincial Councillor and received the title of Mother. She has guided and directed the hospital's growth and progress through more than two decades.

The imposing dimensions of this growth and progress are well known to the community, but it is not these that prompted the profuse praise heard at the dinner. It is, rather, the manner in which Mother Mary Gertrude has carried out her various assignments, the magnificent influence she has exerted upon all with whom she has had contact, her amazing capacity to mix administrative ability with devotion, tenderness and complete understanding.

It was hoped that the occasion could be kept a complete surprise, but this is a pretty difficult accomplishment, especially when so many are involved. Mother thought she was having dinner at the club with a handful of close friends, her associates at the hospital. There was no way she could have been prepared for the host of enthusiastic admirers who greeted her, but she took the whole thing in stride, as she always does.

Michael J. Kearins was chairman of the dinner committee. Vice chairmen included Rt. Rev. Frank J. McPhillips, pastor of St. Paul's Church; Frank Couzens, Jr., chairman of the advisory board of Bon Secours Hospital; Mrs. Charles D. LaFond, president of the Bon Secours Assistance League; Mrs. Raymond J. Laige, president of Bon Secours Guild; and Dr. Edward F. Eldridge, chief of staff at Bon Secours.

Members of the committee included: Alonzo C. Allen, David A. Burnett, Mrs. Arthur A. Cerre, Frederick K. Cody, Dr. Richard C. Connelly, Dr. Nelson W. Diebel, Hugh J. Ferry, George A. Gardella, Hans Gehrke, Mrs. Hamilton F. Kotcher, Theodore H. Mecke, Jr., George A. Naumann and Mrs. Edward W. Wilberding.

A check for \$14,000 was presented to Mother Mary Gertrude, collected from her friends to be used to further the interests closest to her heart, in any way she chooses. It was stated there would be more to follow. Tributes were paid the guest of honor as a religious, a nurse, an administrator, a citizen, an advisor, and a kind and dedicated friend. The principal speaker was the Most Rev. John A. Donovan, D.D. and his address was a magnificent and touching tribute of great beauty.

It was a lovely evening. We think the community is extremely lucky to have Mother Mary Gertrude. Individuals with her extraordinary endowments are rare indeed. To be one of those numbered among her friends is a privilege beyond measure.

### What Goes On at Your Library

By Virginia Leonard

Happiness is finding the answer to an involved reference question for a frantic patron. Happiness is locating a "thin" biography or novel for a harassed high school student. Happiness is getting to a Staff Meeting on time; or, walking in one minute late with the Director. Happiness is remembering the author and title of a book - both of which have been given to you incorrectly. Happiness is finding the book in, when it is sorely needed by a member of the community. Happiness is mirrored in the eyes of the little girl whose security blanket has been found in the lost and found department of the library. Happiness is seeing the blissful look on the face of a junior miss or young scientist, both existing from the library with a load of books under their arms. Happiness is the warm bond of friendship and communication which can be formed with someone who likes the same author or book that you do - and for many of the same reasons. Happiness is finding the "red book with gold letters" for a customer (the book in the interim having been rebound in blue with white letters). Happiness is giving a book review, and feeling a glow of response and understanding from the group, as you communicate your enthusiasm and interpretation to them. Happiness is 48 small, intent eyes, and 24 slightly opened mouths, drinking in the events of a tale, as you conduct a preschool story hour. Happiness is handing the power saw or sander to the carpenter-builder-patron for a week-end of creative production. Happiness is helping to select books for shut-ins, and getting a warm feeling of satisfaction from being able to provide this service. Happiness is being in a position to tell the program chairman, that, yes, the film she wants for a certain date will certainly be available. Happiness is in tracing a line of poetry, a stray quotation, a treasured thought of prose - and orienting it by author and/or title. Happiness is in locating a book at one of the branches which is temporarily out at the Central Library. Happiness is noting both the young and old, departing from the library with desired records and tapes tucked under their arms, and thinking of the days of musical delight that lie ahead for them. Happiness is in showing the gauffered and fore-edged books, as well as the Lewis Carroll Collection from the Friends Room, to the aficionados of rare books. Happiness is hearing a child's clear treble: "Hey, can I join the library?" Happiness is in being able to return a treasured letter or document to its frenzied owner who used it as a book mark and neglected to remove it on returning the volume. Happiness is in watching a whole bevy of small fry, sprawling in concentrated absorption over brightly colored "easy" books. Happiness is in having available art prints to rent, and in watching their constant flow in and out of the library. Happiness is the knowledge that as you answer questions, help to solve problems, do book selecting, you, yourself, grow in knowledge, stature and experience. Happiness is in writing a library column, and having it flow easily, saying what you really want to say. Happiness is the fringe benefit of making new friends, both among the staff and the patrons. Happiness is in serving the community. It really is!

Premiere Detroit Showing of Salzburg Festival Film, in Color, Sponsored by Women's Association for Detroit Symphony Orchestra

The color film opera spectacular "Der Rosenkavalier" will be given its Detroit premiere and exclusive showing at Ford Auditorium tomorrow, Friday, January 21, at 8 o'clock.

Presented by the Women's Association for the Detroit Symphony Orchestra as a benefit for the Orchestra Maintenance Fund, the film is a full presentation of the Richard Strauss opera staged in the Salzburg Festival Theatre. The cast includes Elisabeth Schwarzkopf as the Marschallin, Sena Jurinac as Octavian, Anneliese Rothenberger as Sophie, Otto Edelmann as Baron Ochs, and Erich Kunz as Faninal.

Also in the production are the Vienna State Opera Chorus, the Mozartium Orchestra, the Vienna State Opera Ballet, and, in the pit, the Vienna Philharmonic conducted by Herbert Von Karajan. Details that could never be seen in an opera house are presented through camera close-ups. The film was produced and directed by Paul Czinner as a J. Arthur Rank presentation and will be shown on wide screen.

All seats are reserved. Good tickets at \$7.50 and \$10 are still available at Ford Auditorium Box Office. Also, a limited number of patron tickets at \$25 and a few student tickets at \$2.50 may still be obtained from reservations chairman Mrs. Murray Young, of Lakeland avenue.

A supper party for patrons, also under the auspices of the Women's Association for the Detroit Symphony Orchestra, will be held in the Pontchartrain Hotel immediately after the showing.

Mrs. Phillip R. Flanders is general chairman of the entire gala evening, with Mrs. Robert J. Hesse as vice chairman.

Mrs. Cecil Akroyd is president of the Women's Association, which is a major source of support for the Detroit Symphony.

## Church Women Slate Meetings

The Friday Book Review Group of the Women's Association of Grosse Pointe Memorial Church will have Miss Kay Britten, an English Balladier, as speaker at its January 21 meeting.

Miss Britten was born and educated in Somerset, England. She studied voice in London at the Royal College of Music, intending a career in musical theatre.

Her interest in Elizabethan and early English music, which she performs self-accompanied with the classical guitar, led to the discovery of folk songs.

She soon found herself so absorbed in the study and collecting of the traditional ballad that she decided to devote herself to it, using this material in concerts throughout England

and with the company of the Players' Theatre in London.

She brought her British folk songs to the United States, presenting them to clubs and concert audiences throughout the country, including several concerts in New York City.

In Detroit, where Kay lives with her physician husband and two children, she has made many TV and radio appearances on a show "mostly for women."

Hostess for the 1 o'clock tea in Fellowship Hall preceding the program will be Mrs. J. Ross Bush, with Mrs. Leland F. Carter, Mrs. Karl R. Crawford, Mrs. Harold Meyer, Mrs. Stanley Kenn, Mrs. A. F. Lecklider, Mrs. John Lovrenz, Mrs. Maurice A. Roberts, Mrs. E. R. Romine and Mrs. Arthur O. A. Schmidt serving as co-hostesses.

## Busy Week Ahead For DAC Members

January Floor Show Opens Tomorrow Evening; Annual Father-Son Luncheon Scheduled Saturday Afternoon

It's a jolly January for Detroit Athletic Club members what with so many events, all slated for this one week — elections of directors and officers, the opening floor show coming up and the annual Fathers and Sons "do."

The directors were named on Tuesday and will meet with the current directorate Friday evening, January 21, to elect the DAC's new officers for 1966, after which the annual formal dinner for past and present directors will be held in the Club's Georgian Room.

That same evening, Molly Bee and Jimmy Joyce will open the January floor show which will continue through January 28 except for Sunday, January 23.

Long identified with country music which she still favors, Molly Bee has appeared around

the world, having traveled with Bob Hope through Europe. Known nationally on TV, she was first with Pinkie Lee, then with Tennessee Ernie Ford.

Jimmy Joyce is a very funny man, a true comedian, who will also appear on the show. Though he first became known as a singer on radio and later as a member of the New England Opera Company he does a stint telling delightful anecdotes and intersperses them with operatic arias.

They'll both be on hand Saturday afternoon as a part of the entertainment for the annual Father-Son luncheon, January 22, a sell-out as usual,

## Wednesday Book Club To Meet January 26

The Wednesday Book Club of Detroit will meet at the Women's City Club January 26, for a 12:30 o'clock luncheon followed by a 1:30 o'clock program. Speaker for the afternoon will be Professor Thelma G. James, who has chosen as her topic: "Book Chat."

Mrs. Fred Walker, of Whitcomb drive, is co-chairman of the Club's membership committee.

with more than 600 reservations made.

Following tradition, the day's events will begin at 12 noon at the pool with exhibition swimming and diving in addition to water games in which the boys will participate. Then, there will be the "man-type" luncheon in the gym followed by the floor show.

Among the many DAC dads, sons and grandsons from the Pointes looking forward to the fun are Nathan B. Goodnow and Daniel, P. V. Hefner and Peter, Fred W. Hughes and Gregory, F. B. Hillger and Glen, George D. Gray and John, Walter D. Jensen, Jr., and Daniel, Henry J. Keane and Mark, Fred R. Keydel with William and Thomas, C. E. Lundy with Brad, Ed and Larry and C. B. Garey, Jr., with Chick and their American Field Service visitor, Oguz Tatis.

Others are Januarius A. Mullen and Frank, Judge Theodore Souris with Christopher and Stephen, Gordon D. Skinner and John, R. E. Milligan, Jr., and Ted, James Quello and Richard, J. ## Could be the clincher . . .

If you think you've seen them all but still can't make up your mind, then you had better make arrangements to see this one inside. If you are looking for this type of house, which provides the convenience of a first floor master bedroom, yet offers two more dormitory-sized rooms upstairs, then 20043 W. Ballantyne Court should head your list as a "must see". Also, if you are distraught at seeing house after house which was originally built for speculation with little regard for quality workmanship and materials, then you'll be delighted to find yourself in a home where only the best of everything was demanded by the original owner. If you have placed yourself in that thirty thousand price bracket, then this one should not be overlooked.

# Classes in Cooking Offered by Schools

From pate de foie gras to hamburgers for two, your culinary talents—and taste—will be satisfied by one of the many cooking classes offered by the Department of Community Services, Grosse Pointe Public School System.

Cooking classes offered for the winter semester will include French Cooking, Cooking for Two, Party Cookery and Food Decoration. In all classes, students will not only be instructed in different types of meal preparation, but will be able to sample the fruits of their labor at the conclusion of each class period.

**FRENCH COOKING** (Beginning) is scheduled to begin on Tuesday evening, February 8. The 10-week class will be taught by Chef Ronald Zabkiewicz. Mr. Zabkiewicz was the manager chef for Cork and Embers, a local eating establishment in this area; he is currently chef at the Detroit Osteopathic Hospital, and was presented awards at the Culinary Arts Exhibit. This class will meet for three hours each class period, and the preparation of entrees and side dishes will be featured.

**COOKING FOR TWO** is especially designed to help the bride or new homemaker become familiar with the preparation of basic foods, as well as to assist the more experienced homemaker, whose meal planning must be scaled down to the needs of a smaller family.

Mrs. Ruth Engle, who received her master's degree from the University of Wisconsin in Home Economics and Foods and Nutrition, will instruct the eight-week course beginning Thursday, January 27, from 7:30 p.m. to 9:30 p.m.

**PARTY COOKERY AND PLANNING** is a six-week course covering short cuts to simple and successful preparation of menus and foods for entertaining a group, whether large or small. Festive buffets or elegant sit-down dinners may be given with ease, with the help of the instructor, Mrs. Julie Green. Mrs. Green will cover party menus, table settings, and "quickie" foods. Mrs. Green has been associated with the Detroit Edison Company as a

home service advisor. This class will begin Thursday, January 20, for two hours each evening.

**Food Decoration** is an eight-week class scheduled to begin Wednesday, January 19, from 7:30 to 9:30 p.m. Mrs. Arlean Kost, the instructor, has taught with the Detroit Public School System for 11 years.

She will cover the techniques of decorating canapes, sandwiches, and many foods for such special occasions as cocktail parties, birthday celebrations and showers.

## August Bride

The engagement of CAROLYN ANN SPIES to Craig Edward Thomson is announced by her parents, Mr. and Mrs. Robert C. Spies, of Stanhope avenue. The prospective bridegroom is the son of Mr. and Mrs. Charles Thomson, of Pontiac.

Miss Spies is attending Western Michigan University. Her fiancé was graduated from Western Michigan University, where he affiliated with Pi Kappa Alpha.

Plans for an August 18 wedding are being made.

## From Another Pointe of View

(Continued from Page 11)

tively, Mrs. Marrion U. Scott, Mrs. Roy Tolleson and Mrs. John F. McLean, Jr. Mrs. Charles R. Whitney is recording secretary, Mrs. Boyer Candler serves as corresponding secretary and Mrs. William Harris, III, is treasurer.

Reports from the Grosse Pointe and Bloomfield Hills Junior presidents will highlight the meeting, and the Juniors, with a busy year behind them, have a good deal to talk about, including their Bazaar benefit for the furniture pool at Detroit Orthopaedic Clinic, a Torch Drive Agency founded and sponsored by Sigma Gamma.

The Juniors made seasonal decorations for the Clinic, too, entertained Clinic patients at a Christmas party and thoroughly enjoyed their just-for-fun gathering during the holidays, a dance at the Grosse Pointe Yacht Club.

### Theatre Arts' Second Performance

Two plays will be presented tomorrow afternoon, at The Players' Playhouse in East Jefferson avenue, as Theatre Arts Club of Detroit stages its second performance of the current season.

In the cast of "The Weir Sisters" by Roland Parr are the Mesdames Eric C. Schneider, J. Charles Markley, Jr., Walter E. Willard, Thomas C. Miller, Rex Brophy, John W. Nelson, Helen VerLinden Pez and Mayne Glock.

Mrs. Frank W. Haussman, Jr., Mrs. Richard C. Lutey and Mrs. Mary M. Laurie will appear in Srsan Glaspell's "Suppressed Desires."

Producers are Mrs. Joseph N. Jennings and Mrs. Don Galvin, Jr., and guest director is Erwin Foersterling. Sets have been designed by Mrs. Justin Giltner.

### Bennington Dancers, Bennett Day

Mrs. Pierce Smith, of Pemberton road, is busy-abee these days, taking ticket orders, planning a program and preparing to open her home to members of the Bennington College Dance Tour Group.

The young terpsichoreans will appear February 7 at Wayne State University's Community Arts Auditorium, in a performance co-sponsored by WSU and the local Bennington Alumnae. Fifty per cent of the net proceeds will be given to the Bennington College Scholarship Fund; the other half will go to Wayne State University's Dance Workshop Revenue Fund.

Mr. and Mrs. Donald M. D. Thurber, of Neff road, have planned a dinner party preceding the February 7 performance, and a pot-luck dinner, for alumnae and dancers, is scheduled February 6, at the Birmingham home of Mrs. Eliot Robinson, following the Group's afternoon performance at Oakland University's Gold Room.

Local Bennett College Alumnae will sip tea tomorrow, at the Provencal road home of Mrs. James F. McDonnell, Jr., joining, in spirit, alumnae groups in 40 cities there and abroad, gathered to celebrate Bennett's 75th anniversary.

Among those helping to plan the "Bennett Day Around the World" program in this area is Mrs. Roy L. Tolleson.

### Just For Fun . . .

the Sacred Heart Academy, Lakeshore road, Alumnae Association is inviting fellow alumnae, parents and friends to gather at the Grosse Pointe Hunt Club for a few hours of pleasure and relaxation.

The occasion is the Association's annual tea dance, a wonderful excuse for renewing old acquaintances and making new friends.

Date is Saturday, January 29; hours are 5 to 7 o'clock. Phil Cole will supply the dancing music. Party chairman is Mrs. Thad Joos, of South Oxford road. Mrs. Robert Grambo, of Kerby road, and Mrs. John King, of Lakeland avenue, are handling reservations.

### Cinderella Ball Chairman

At a meeting of the Women's Committee of the Tuberculosis and Health Society Monday, at the Detroit Athletic Club, Mrs. J. D. Richardson, Jr., Society president, announced the Mrs. Victor W. Wertz, of Moross road, will be chairman of the 15th annual Cinderella Ball, to be held this fall.

It's a perfect chairman choice, as far as we're concerned, as we've always been in awe of Lucille Wertz's ability and energy.

She's worked for the Michigan Association for Emotionally Disturbed Children, is a member and past patroness chairman of the Detroit Symphony Orchestra Women's Association Fashionscope project, past chairman of St. John Hospital's White Christmas Ball and a Project Hope Board member.

The Cinderella Ball committee couldn't have found a more delightful person to work for and with . . . and they couldn't have picked a more capable chairman.

### 13—REAL ESTATE FOR SALE

#### I'D LIKE MY FAMILY WITH ME...

That's why I'm anxious to sell our home.

It's a charming two-story brick colonial at 419 Moross Road in Grosse Pointe Farms.

Until we sell it, my family can't join me in Indianapolis... where I've taken a new job.

We've enjoyed our house during the past eight years.

Its three bedrooms (with the luxury of 2 1/2 baths), kitchen eating area plus formal dining room and a lovely fenced backyard with trees are just a few of the things we've liked.

We're selling the house fully carpeted and draped, upstairs and down at \$28,900. That includes a G.E. dishwasher, G.E. refrigerator and Norge range, too!

And we can help you obtain your mortgage.

If you like low taxes (under \$390 a year) with the advantages of Grosse Pointe schools, access to the lovely Farms park for water sports and 20 minute commuting to downtown Detroit, you'll like our house and its location.

Why not drive by and see it? If you like the outside and want to see the inside, just stop and ring the bell. We'd love to show you the inside.

Monday, January 17 NIGERIA Loyalist TROOPS have almost succeeded in putting down a revolt in that country by junior officers who attempted to take control on Friday. The federal cabinet after meeting yesterday, handed over power to the army led by Maj. Gen. Aguiyi (Johnnie) Ironsi. Prime Minister Balewa and a top aide, however, were still missing and it is thought they may be used as hostages in peace negotiations. Political rioting has evidently been going on for weeks in Nigeria, based on domestic grievances.

RELIABLE SOURCES SAID yesterday that the Johnson Administration is planning to end its Vietnam peace offensive after the lunar new year's cease-fire unless some favorable response from the Communists is received by then. Observers feel that the White House cannot wait much longer for signs that North Vietnam is willing to make a move toward peace. Vice President Hubert Humphrey said, "I don't think that we should be overly optimistic. As yet, Hanoi has not given any direct indication that it seeks peace. I think it still suffers from some euphoria of its so-called inevitable victory."

St. Lucy's Slates Anniversary Fete Jazz musician and banjo artist Father Joseph Dustin, CSSR, will be the chief attraction at St. Lucy's Church Tenth Anniversary Party Friday, February 4, in Roma Hall, Gratiot avenue. Festivities begin at 8:30 o'clock. Refreshments will include a buffet supper, and there'll be dancing and prizes

## who, where and whatnot

by whoozit

We knew winter . . . had finally arrived, when we passed Kerby School while the snow was falling last Thursday morning, and were delighted to observe several hundred children making several hundred snowmen while the white flakes drifted down from the sky.

Everyone's still saying . . . what a truly delightful evening it was—the Tribute to Mother Mary Gertrude, of Bon Secours Hospital, honoring 45 years of devoted service, at the Grosse Pointe Yacht Club January 12. We've never seen GPYC's Grand Ballroom so crowded, and we've never seen such a genuinely delighted-to-be-there crowd. We're sure there are many more "heavenly" rewards in store for the Guest of Honor, born Jane A. McGonegal October 21, 1891, in Wilmington, Del. . . . and we're in complete agreement with Mrs. Daniel J. Tindall, Jr., of Audubon road, as far as the Hospital is concerned.

Among young musicians . . . appearing in St. Clair Shores Symphony's first Special Children's Concert this Sunday afternoon, at Lakeview High School, will be Seventh Grade soloist Ramon Lawrence, a student at Parcels Junior High School and a pupil of Mario Di Fiore, of the Detroit Symphony Orchestra, who will perform Squire's "Tarantella." Concertmistress Lois (Mrs. Howard) Lawrence, of Hampton road, is responsible for setting up the program and arranging for the appearances of all the young "guest artists"—she instructs youngsters in the Warren Consolidated School System and, incidentally, is Ramon's mother.

Looking very spring-ish indeed . . . as she wished her brunch guests a "Happy New Year" and congratulated them upon "surviving" the holidays, was Alice (Mrs. Patrick J.) Crowley, of Stephens road, in a bright pink wool, fitted suit, with a pink ribbon sash accenting her high-piled, blond coiffure.

A suggestion . . . from one of our readers, on how to cut down the accident rate along Lakeshore road: Why not put "cat's-eyes" or some other reflecting device along the lake side of the road, so that drivers on dim, foggy nights could gauge their distances from the curb with complete accuracy?

Good luck to the "stalwart dads" . . . of Grosse Pointe Woods Cub Scout Pack 39, who'll participate in the Pack's first overnight expedition of the year, a 24-hour adventure at Greenfield Village. Fathers and sons check into the Village's hostel facilities tomorrow. Supervised swimming and a hayride are planned for the first evening; on Saturday, breakfast at Clinton Inn will be followed by a tour of the Henry Ford Museum, then luncheon, back at the Inn, then the trip home . . . Heading this "men-only" safari is Cubmaster James Hammer. Fred Teninity will handle the finances, and among the other Big Boys making their own beds in the Village dormitory tomorrow will be Richard Kageff, J. F. Gorey, Bruno Hassick, Denis Leuahan, Arnoldi Kargentan, Allen Wear, Donald Curtis, Thomas Wayde and Simon Dunn.

DR. HARRY C. MESERVE, OF THE GROSSE POINTE UNITARIAN CHURCH

By Janet Mueller

A coastal dweller all his life, Dr. Harry C. Meserve "always used to fly over" the great mid-section of the United States. Now he's come down to earth in Michigan, to make his home in Moran road and serve as minister of the Grosse Pointe Unitarian Church.

He's been here less than six months, but he's very much "at home," especially in his Church office, wood paneled except for one brick outer wall, with its deep green carpet and comfortable furniture. Seated behind a wide desk, crowded bookshelves rising to the ceiling behind him, the inevitable pipe smoldering in an ashtray near his hand, Dr. Meserve looks extraordinarily "right." It's as if he'd always been there.

In point of fact, he arrived last fall, assumed his duties at the Unitarian Church September 1.

He brought with his his new wife, the former Katharine Mann Briner, of Philadelphia, Pa., daughter of Mrs. Horace Mann, of Southwest Harbor, Me. The Meserves were married June 10 in All Souls Unitarian Church, New York City.

### Have Five Children

They have five children between them, two Briners and three Meserves. All of the young Meserves live on the West Coast, including a daughter, Mrs. Melvin Wright, who makes her home in San Francisco, and two sons, 23-year-old Harry Meserve, Jr., a student at UCLA, and 20-year-old Peter L. Meserve, also a student, at the University of California's Davis campus.

Winifred Briner makes her home in California, too, in San Francisco. David Briner is in his senior year in Prep School; he attends Germantown Friends School in Philadelphia.

Dr. Meserve is an Easterner, born in Rye, N.Y. He attended Phillips Academy, Andover, Mass., Haverford College and Harvard Divinity School. He has an honorary degree from Meadville Theological School, University of Chicago.

He chose to return to parish ministry after nearly 10 years of working in an office in New York. He is not "new" to parish work—actually, he has spent most of his career in parishes.

His past ministries include eight years at the Unitarian Church of San Francisco, Calif., seven years at the First Parish Church in Buffalo, N.Y., and four years at the First Parish Church in Cohasset, Mass.

### Comments and Edits

He is devoting himself full-time to the Grosse Pointe Unitarian Church, but has kept some of his prior responsibilities with the Academy of Religion and Mental Health, serving as an Academy consultant and editor of the "Journal of Religion and Health," published by the ARMH.

Before he joined the Academy of Religion and Mental Health as Director of Program, Dr. Meserve worked for the Rockefeller Fund, serving on the executive staff of the Humanities and Social Sciences section.

"I was a 'philanthropist'" he explains, (a 'philanthropist' is Dr. Meserve's term for someone who works for a philanthropist, helping to give the philanthropist's money away).

He found 'philanthropism' "extraordinarily difficult and frustrating—because one naturally formed one's own opinions, and found, when the chips were down, the Board of Directors made the decisions." If Dr. Meserve had to choose between being a philanthropist or philanthropoid, he'd be a philanthropist . . . and hire philanthropoids!

While based in New York City, he served a Unitarian Fel-

lowship in Northern Westchester County.

### Is Prolific Writer

Author of two books, "Faith in the Making," published in 1946, and "Peace of Mind," published in 1958, plus articles, editorials and reviews in the "Atlantic Monthly," "Saturday Review" and numerous religious publications, he is still writing regularly for the Journal of Religion and Health, and is under contract for a new book.

Normally, he writes a few hours each morning, but in the last few months, what with getting married, getting settled in a new job and a new community, he's pretty much picked up his pen whenever he's found time.

So far, Dr. Meserve likes his new community very much, describes Grosse Pointe as "a delightful place to live," and finds few differences between mid-Westerners' and Easterners' outlooks, although he thinks the East is "somewhat more cosmopolitan, better integrated . . . a bit more affected by the currents of influence of different races, religions and cultures."

### Likes New Building

He's delighted with the new, very modern Unitarian Church building in Maumee avenue: "I think it's fine—and I'm by birth and upbringing a Bostonian; I'm deeply fond of the old forms of architecture.

"But I think this (the new Church) building, it has the qualities of dignity, intimacy and warmth that a Church should have. I think one of the difficulties of modern architecture is that so much of it is cold; this Church is not cold."

It's fortunate, these below-freezing winter days, that Dr. Meserve finds a "warm" building awaiting him at the end of his morning walk from Moran road to the Church office.

He's fond of hiking and walking, likes a good game of tennis, has enjoyed sailing on the Atlantic Coast. ("My wife is a far better Skipper than I"), looks forward to taking a boat out on the lakes, ("I've never sailed on the lakes—I haven't found anybody out here yet with a boat!")

### Likes Every Place

Dr. and Mrs. Meserve hope to vacation on the West Coast this summer. "I liked the West Coast very much indeed," Dr. Meserve says, "but then I've lived everywhere I've lived, and I've lived in a good many places.

"My kids all grew up in San Francisco, and they became the most chauvinistic Californians! They don't think there's any place else TO live! Of course, Californians are like that . . . I don't think there's any other city in the whole country except San Francisco where major columnists write daily on the theme of how wonderful it is to live in their town."

Dr. Meserve has traveled extensively outside, as well as inside, the United States. Almost all his traveling has been done in conjunction with his ministry.

Ten years ago, he visited the Middle East with a group invited by the Jewish community and government to observe conditions in Israel.

### Has Covered World

He has been to Europe many times, visited South America, and several years ago traveled through Hawaii, Japan, Korea and Southeast Asia, conducting seminars for Army Chaplains on Pastoral Counseling and Psy-

## Carl's Corner

Wow! Judging by the letters I received on last week's column, I sure used the wrong comparison by putting the President against Julie Andrews!

Here are a couple of answers I received:

"What do you think he's worth, Carl?"

and . . .

"Dear Carl Joyner,

Good for Julie—she is the loveliest thing that has come our way for many a moon. "Let's Be Jolly" can't sing, nor is he pretty—nor is he even a very talented Prez. So—no comment!"

## Pointe Counter Points

by Pat Rousseau

Exploring . . . the Walton-Pierce sale to see what treasures we could uncover . . . we found a delightful red ensemble . . . delightfully priced. Then we checked for friends. There was a pastel printed chiffon cocktail dress and an orange sherbet shift for the one going South. For a size eight we know . . . a plaid cocktail dress with a deep blue silk-satin jacket. Oh yes, we mustn't forget the long black wool evening coat, lined with sapphire. It's fine to rely on friends to tell you . . . but it's more fun to explore the Walton-Pierce sale yourself!

Top Drawer Topics . . . Don't drag your feet because the Top Drawer sale is not dragging on. Those goodies are going . . . so scamper up the stairs at 17007 Kercheval in the Village and get your share!

Pack Sunshine . . . in your suitcase and head South. Choose bright yellow and warm high colors in linen, cotton and silk. You can also reap the fashion advantage of the grain and wheat tones gathered for you at Claire Pearone, 397 Fisher Road.

Whatever . . . your personal style may be, Mutschler Kitchens, 20227 Mack Avenue, can help you express it. Each of their designs is distinctive enough to carry a single decorating theme but be adventurous. Mix styles and periods as the mood strikes you. The "individualist" touch is what counts in decorating today. Let Mutschler help you custom plan an "individualistic" kitchen.

Not Content . . . to string along with the herd? Then take a look at the handsome big Polaras at Riverview Dodge, 15205 E. Jefferson. Your first thought may be "Great . . . but out of my class." Don't you believe it. For that's what the Dodge Rebellion is all about. So, march down to Riverview . . . the Dodge Rebellion wants you and makes joining real easy.

Short Cut . . . to hair beauty? Nonsense! Even fashion can't make up her mind. At Edward Nepe, "Parrucchiere" 19463 Mack Avenue, hair . . . long or short, is skillfully and meticulously trimmed and shaped with strategic styling . . . just for you. Call TUxedo 4-8858.

Make It A Point . . . to discover at least one new beauty aid. We suggest Notre Dame Pharmacy's bath oil because it's such a good conditioner and their hand cream . . . an excellent protector before and after chores.

Sid Erwin Says . . . "Modern, busy women love service! Fashion Two Twenty, 20445 Mack Avenue, provides a tremendous service. Trained beauty consultants come to your home, where you get professional instruction in cosmetic techniques, skin and beauty care . . . all for free! Besides they provide delivery to you, gift suggestions, bridal assistance and other wonderful services . . . because they are wonderful people!"

Of Course . . . you've noticed the Country Fair Carry-Out at 9 Kercheval in the Punch and Judy block . . . but have you tried their delicious fare? Chicken, fish, shrimp or barbecue ribs . . . and they're reasonably priced. Call TUxedo 6-0800 between 4 p.m. and 9 p.m.
