### WEEK

As Compiled by the  
Grosse Pointe News

**THE ELEVATION** of Rep. Robert P. Griffin to the U.S. Senate on Wednesday by Gov. Romney to fill the seat of the late Senator Patrick V. McNamara will boost the prospects of the Republican party's favorite candidate for the Senatorial election this fall. The Democratic opponent will be either Mayor Cavanaugh or ex-Gov. G. Mennen Williams. Griffin was in Saigon with a congressional subcommittee investigating port tie-ups and black market operations there when the call from the Governor came through; he will return to Washington on Monday to take his oath of office.

Friday, May 13

**DETROIT SCHOOL OFFICIALS** were accused of "knuckling under" to student pressure by the Michigan Association of High School Principals in an open letter released in Ann Arbor on Thursday, for the removal of Arthur T. Carty as principal of Northern High School. Association president Theodore Southerland asked its membership not to accept positions, including principalships, in the Detroit public schools "until adequate assurance is offered that Detroit administrators will have authority equal to the responsibility of the position," however, those already holding administrative positions were not asked to consider resigning. Brownell insists that Carty is still principal of Northern and only temporarily assigned to other duties.

Saturday, May 14

**THE FOURTH** major appointee by Gov. Romney who has been ousted since the Democrats took control of the state Senate in January, 1965, is Blaque Knirk, a Quincy beef farmer and a Republican, who was appointed Agriculture Commissioner 60 days ago. A legal battle may be in the offing because of the technicality over the start of the 60 days in which action must be taken on appointments. A legal aide of the Governor said the matter of whether the action was taken eight hours before the period ended or 16 hours after will be discussed with Attorney General Frank Kelley. The other appointments, all Republicans, were former Senator Frederic Hilbert, named labor commissioner, former Rep. Wilfred Bassett, named to the Workmen's Compensation Appeal Board, and a Dearborn insurance executive, Frank Padzewski, named to the Employment Security Commission.

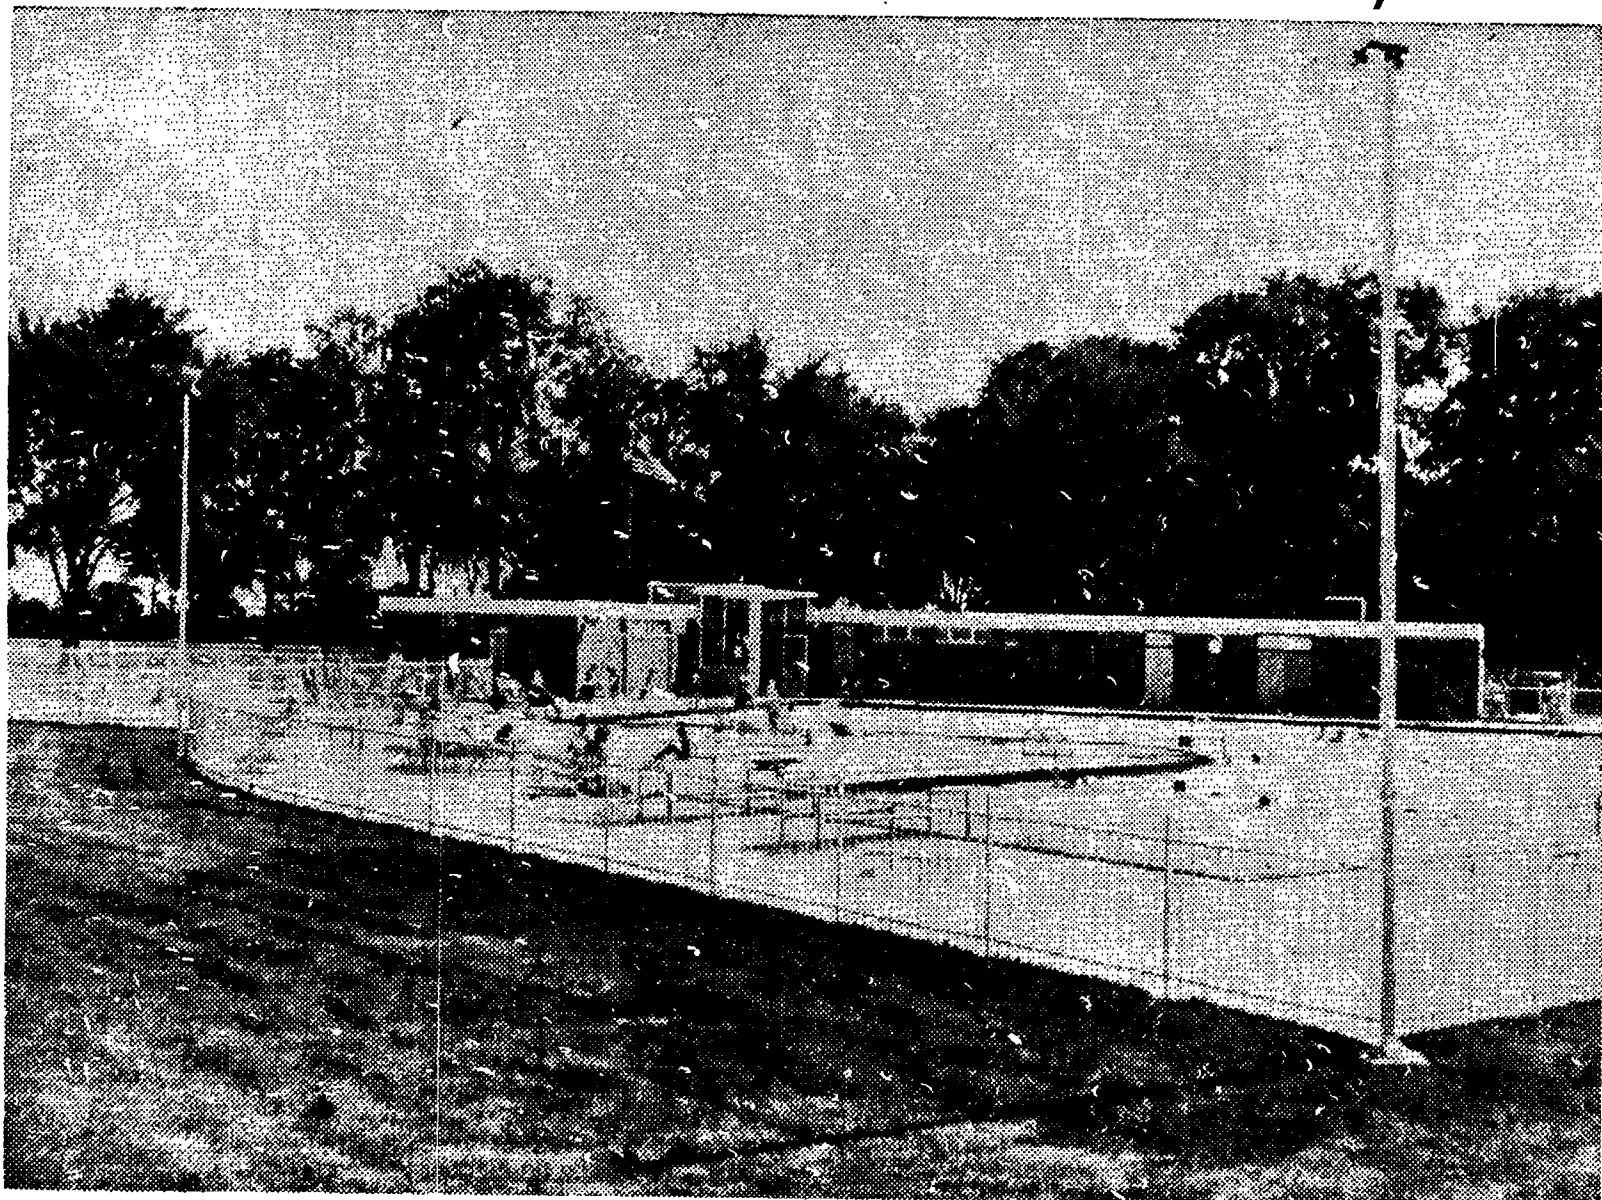

Sunday, May 15

**MORNING SHOPPERS** in London attempted to halt a gang of robbers wearing bandages over their faces who drove up to Kutichinsky's Jewel Store on fashionable New Bond Street, leaped out, and breaking the display windows open with axes, scooped up diamond necklaces, rings and other jewels. Despite the attack led by 79-year-old Frank Feeder, who jumped out of his car carrying "a big stick I carry in the back in case I ever meet up with this sort of thing" and a 58-year-old noblewoman, Lady Isobell Shepherd, the robbers escaped when accomplices blocked off the one-way street with a pickup truck. A tourist from Montreal, Claude Payette, filmed the incident; by which Scotland Yard was able to identify the gang as the same one responsible for a recent bank robbery.

Monday, May 16

**AMERICAN OFFICIALS** were apparently caught unaware by Premier Nguyen Cao Ky's surprise crackdown on anti-government agitators on Sunday. Ambassador Henry Cabot Lodge was in Washington for consultations and Gen. William C. Westmoreland, commander of the U.S. forces in Vietnam, was visiting his family in Hawaii. Arriving at night by airlift, Ky's forces took control of Saigon's city hall, radio station and other strategic areas. The move was denounced by the United Buddhist Church, who said civil war was now unavoidable.

### Shores Pool To Be Dedicated This Sunday

Eleanor Clay Ford Pool in the Village of Grosse Pointe Shores was in partial use in 1965 (when this photo was taken) but will be dedicated formally Sunday, May 22, at an observance of the village's 55th anniversary.

The pool, in Osius Park, was built on land acquired through a gift from Mrs. Ford, the widow of Edsel B. Ford.

### Center Drive Needs \$7,600 To Hit Goal

Results Show More Donors Giving Less Than at Same Time in Last Year's Campaign

The Grosse Pointe War Memorial's 1966 Annual Family Participation Campaign is lagging some \$1,200 behind the pace set in 1965. As of Monday, May 16, \$67,406 had been received as compared to \$68,674 received by the comparable Monday in 1965.

However, on the heartening side, the number of families giving (4,281) continues well ahead of the 1965 number (4,098).

Both Thornton Waterfall, 1966 drive chairman, and Mark Stevens, Grosse Pointe War Memorial board president, are confident that the \$7,600 needed to meet the goal of \$75,000 by the target date, Memorial Day, May 30, will be received.

This same amount was achieved by that date last year and continues without increase to be the estimated amount needed to operate the Center in its next fiscal year beginning August 1, at which time it will be partially closed for refurbishing and major repairs.

The Center staff has completed the mailing of follow-up letters and the last remaining effort on the part of the campaign is telephone follow-up calls by staff members and volunteers. Everyone is urged to give now to help bring about a successful announcement on Memorial Day.

### 'Village' Holding Second International Festival

Kolaches, hibachis, balloons, macaroons, parasols, caracoles—you'll see them all at the Second Annual International Festival in Grosse Pointe Village May 18 through 21.

Sponsored by the Grosse Pointe Commerce and Civic Association, this year's festival promises to be even larger and more colorful than the highly popular initial event of last May. Doug Harris, president of the Association, states that the festival was originated to pay tribute to the rich heritage brought to Pointe communities by various nationalities who settled here.

An atmosphere of a world bazaar, a trip around the world, and a traditional Mardi Gras best describes the scene when this International Festival gets

### Eleanor Clay Ford Pool Being Dedicated Sunday At Osius Park in Shores

Ceremony and Diving Exhibition To Be Part of Observance of 55th Anniversary of Village; Municipal Building Remodeled.

The Village of Grosse Pointe Shores will celebrate a milestone in the development of a lakeshore recreation area that is as old as the village itself, next Sunday, May 22.

The village will dedicate and formally open the Eleanor Clay Ford Swimming Pool and adjoining facilities in Osius Park, Lake Shore Road and Vernier. The dedication is to be the main event celebrating the 55th anniversary of the incorporation of the village.

Mrs. Ford, the widow of Edsel B. Ford, has been invited to participate with John Huettman Jr., the village president, in unveiling a bronze plaque that will dedicate the pool.

Mrs. Ford gave land for the swimming pool, dressing rooms and wading pool were built at a cost of \$225,000. Acquisition of the land upon which they were built was made possible by a substantial gift of funds to the village by Mrs. Ford.

The new facilities are located on a 3-acre tract that enlarges Osius Park, named for the founder and first president of the village, George Osius. A plaque erected in 1932 in Osius' honor has been relocated, refinished and also will be unveiled Sunday.

Osius, at a meeting at his home in 1911, formed a committee to incorporate the Village of Grosse Pointe Shores. In his first communication to the new village council meeting in the summer of 1911, Osius proposed the purchase of the land at Lake Shore road and Vernier for development of a park and as a site for a village hall.

Remodel Village Hall  
The land was purchased and a public pier and harbor were soon constructed. Across Lake Shore road the village hall was built and opened in 1915. The building is being remodeled and redecorated this year and this work will be open for inspection Sunday at an open house for residents and their guests.

Osius, who served as village president from 1911 until 1928 and then as a trustee until his death in 1941, saw the village develop as one of the most desirable residential areas in Michigan.

With 3 miles of frontage on Lake St. Clair, Grosse Pointe Shores now has about 2,800 residents. Its property assessments average about \$30,000, based on assessments at 40 percent of actual value, according to Thomas K. Jefferis, village superintendent.

Carefully Zoned  
With no schools, churches, stores or other commercial establishments, the village is zoned entirely for single-family homes. The Grosse Pointe Yacht Club, adjacent to Osius Park, is a landmark visible to boaters on the lake and to motorists on Lake Shore Road.

Also included on the program will be a high diving show by Micki King and Bruce Brown, two champion divers from the University of Michigan.

### Blood Drive Scheduled For Friday

Red Cross Mobile Unit To Be At Congregational Church from 2 to 8 o'clock.

Grosse Pointers will have an opportunity to give blood at the Red Cross bloodmobile on Friday, May 20, at the Grosse Pointe Congregational Church, Chalfonte avenue.

The unit, sponsored by the Grosse Pointe Community Blood Council will be open between 2 and 8 o'clock. Prospective donors should fill out appointment cards at the church or phone there, TU 4-3075, to make an appointment. Appointments must be made by noon, Monday, May 16, when scheduling will begin.

Pointers between 18 and 59 years of age (18-21-year-olds need parental approval if not married), are encouraged to take part. Blood can be donated to the account of the donor's choice.

Two Share Leadership  
Mrs. Leonard Slowin of Nottingham road, is chairman. Mrs. Paul Kolvoord, of Lakepointe road will work as her co-chairman.

Junior Red Cross Members Julie Scharenberg of Kensington road, and Janet Mullinger of Severn road, will babysit.

For transportation, call the church office. Helping drive donors to the bloodmobile will be Mrs. Joseph Barkley of Morris road, Mr. William Adams of Lothrop road, and Mr. Paul Kolvoord, of Lake Pointe road.

Mrs. Roy Donaldson, of Mt. Vernon road, will provide the dinner for staff and volunteers.

Other Volunteers  
Among other volunteers working will be: Mrs. George Root of Lochmoor boulevard, Mrs. Lee Zeunen of Hunt Club drive, Mrs. Joseph Schwartz of Blairmeor court, Mrs. Greydon Wolbois of Ridge road, Mrs. Robert Lake of McKinley road, Mrs. Sidney DeBoer of Belanger road, Mrs. Kenneth King of Moran road, and Mr. and Mrs. Robert Cooper of Hunt Club drive.

Last February the council collected 225 pints.

THIEF TAKES TOOLS  
Bernard Buselmeier of 1371 Beaconsfield, informed Park police that sometime during the night of Sunday, May 15, someone entered his unlocked garage and removed a tool box containing an assortment of tools. Total loss was set at \$150.

### Council Meeting In Woods Picketed By Safety Officers

Open Hearings on Budget Punctuated by Protests Over Wage Adjustments; Administrator Presents City's Arguments

Ten off-duty public safety officers of the Woods police and fire department marched back and forth through cold winds on Thursday, May 12, in front of the Woods City Hall bearing signs that read, "Two jobs for the pay of one," "Help us keep our good men," "When we lose a man because of low pay, you lose!" "We need a decent wage!"

After about an hour the men paraded from the street into the Council Room, where they joined about 10 more officers to air their objections to members of the council.

It was the first time in the history of Grosse Pointe that municipal employees have picketed a regular council meeting. This meeting was singled out because of the scheduled Open Meeting at which complaints against the proposed budget are heard by the city administrator and the council before the budget is approved for the following year by a vote of the council.

Controlled by Charter  
The Wood's charter states that the budget must be approved by the third Monday of May; this year that date is Mayor's Exchange Day, and Thursday evening was the last scheduled meeting at which the budget could be approved.

Many spoke out, including Patrolman Thomas Kervin, president of the Grosse Pointe Woods Police Officers Association (GPWPOA); Jack Patterson, a member of the association's bargaining team; and their attorney, Ray H. Boman.

Despite the breakdown in wage negotiations between the GPWPOA and the city, the 1966-67 budget was passed, with what City Administrator Chester E. Petersen described as "ample funds provided to give all employees of the City of Grosse Pointe Woods a salary increase on the basis of fair distribution."

Integrated Department  
The Woods has an "integrated" public safety force of 41 men, who are chiefly occupied with police duties but double as fire fighters when needed. For this, they received in 1965-66 a base pay of \$7,400, \$500 of which was for the "double duty."

Only 32 of the 41 men belong (Continued on Page 2)

### Without Doubt - Incumbents Win

It was still too early to count the vote returns in the Shores' regular election, by the time the NEWS' deadline arrived Tuesday, May 17, but there appeared to be no doubt who would be returned to office for another two years—the unopposed incumbents.

The names of expected write-in candidates were unknown at press time, but the incumbents are known to Village residents.

They are: John Huettman, Jr., village president; Gerald C. Schroeder, Alfred R. Glancy, Jr. and C. Bradford Lundy, Jr., village trustees; and Clifford B. Loranger, village clerk.

### Police Hunt Bold Invader Of Three Woods Homes

A bold intruder was surprised in three Woods homes by two women and a baby sitter on Friday, May 13, and one woman reported finding her purse and contents dumped on the floor of the house patio.

The first to report her house invaded was Mrs. Virginia Adams of 519 Saddle lane, who told Woods police that she returned home from shopping at 9:30 p.m., and found her husband and children asleep, and the door to the family room partly open.

The housewife said that as she was about to close the door, she saw her purse, which had been on the kitchen counter, on the floor of the patio. The contents of the purse were strewn across the floor, she said, but nothing appeared to be missing.

### Ferguson Co. In Charge of Big Project

Low Bids Ordered In All Areas; Total Cost Of Development Is \$9,803,218

The trustees of the Grosse Pointe Board of Education held a special meeting at 8 p.m. on Monday to award contracts on Grosse Pointe High School North. The action was taken as soon as possible after the May 9 election which gave the trustees authority to sell bonds in the amount of \$2,750,000 needed to complete the construction of the proposed structure.

It was moved by Dr. Frank H. Parcels, vice-president, and seconded by Mrs. Paul G. Hykes, secretary, that an overall contract in the amount of \$9,803,218 and the responsibility for all the divisions of the work on the project be assigned to the J. A. Ferguson Construction Company, general contractor. It was the unanimous decision of the trustees to award contracts to the low bidders in all areas.

Five Firms Set Jobs

The contract includes mechanical work in the amount of \$2,442,000 to be done by the John E. Green Plumbing and Heating Company. Electrical work amounting to \$1,159,806 will be handled by the E. R. Switzer Electric Company, while supplementary equipment costing \$124,489 will be supplied by Royal School Laboratories, Inc. Landscaping by the George F. Young Nursery will cost \$262,923. The building will be constructed by the J. A. Ferguson Company for \$5,814,000.

The school trustees authorized the writing of a letter of intent to the J. A. Ferguson Company requesting certificates of insurance and performance bonds. It further authorizes the firm to enter into contracts with the bidders and it requests that the company begin the project as soon as possible.

To Act On Bonding

The trustees expect to act on a bonding resolution in the near future. After it passes, it will be approximately two months before approval is granted by the Municipal Finance Commission and the bonds are advertised for public sale. The trustees anticipate that the bonds will be sold sometime in August.

In other business, the trustees approved the appointment of Joe Spagnoli, currently Secondary Planning Director, as Director of Administrative Services, effective immediately.

The members of the Board of Education also received the minutes of the meeting of the Board of Canvassers held to review the returns of the special election held May 9, 1966. The meeting was adjourned at 10 p.m.

### Friday 13 Thief Collects \$1,300

Friday, May 13, was a bad day for Henry Wibbelmann of 24436 Sherbeck drive, Mt. Clemens, owner of Henry's Cleaners, 20119 Mack avenue. Burglars broke into Wibbelmann's place -- and stole about \$1,300.

Woods police said that the money represented a week's receipts and was kept locked in a box in the counter of the establishment.

The burglars broke into the place through the roof by prying up an aluminum cover over a wooden grate, and dropping down into the store.

Wibbelmann told police that the thieves rifled papers and other items after prying open drawers in the counter. Contents of some of the drawers were scattered on the floor. A filing cabinet in his office was also pried open and the papers rifled, the store owner said.

Originally, it was not known that the money was missing. However, late, when the cash was sought, it was found to be gone.

REPORTS THEFT

Lloyd Goodrich of 1045 Lakepointe, called Park police on Friday, May 13, to report that someone had broken into his garage and had stolen his rotary power mower, valued at \$40.

### Woods Council Meeting Picketed

(Continued from Page 1)

to the GPWPOA, because it does not include officers above the rank of patrolman. The GPWPOA, represented by their attorney, had contacted the Michigan State Labor Mediation Board to step in after five meetings with Woods city representatives had failed to produce a satisfactory wage agreement.

A meeting with the mediation board had been arranged on May 20, but not in time for the open hearing on the budget.

#### Cite Briefing Periods

Issues revolve around the 15-minute briefing period public safety officers are required to attend every day in addition to their 40-hour work week. Members of the GPWPOA claim they want a \$8,300 base pay plus fringe benefits (including \$500 for the integrated jobs) and that the city came up as high as \$8,000 in the preliminary meetings before negotiations broke down, and the labor mediation board was called in.

Many claims were heard that the city's version of the salary and fringe benefit package was "blown up" with benefits rarely received, like payment for instruction of other men in fire fighting duties and time off due to a death in the family.

#### Gives City's View

The city's point of view can be summed up by the following paragraphs taken from a statement prepared by Chester E. Petersen, city administrator, on May 11:

"Significantly it should be pointed out that the tax rate for the City of Grosse Pointe Woods has NOT been increased since 1953! The estimated population at that time was approximately 11,500, and the combined total budget for that year was \$607,154.81, whereas the present population is approaching the 23,000 figure, and the proposed combined total budgets of \$1,811,001.00 for the fiscal year of 1966-67 is almost triple that for the year of 1963.

"Furthermore, a sound personnel administration program has maintained the salaries, wages and fringe benefits of the municipal employees, for the most part, to the extent that such are classified as being within the upper quartile for not only the State of Michigan but also for the Detroit Metropolitan area. A recent survey contained in the nationally recognized "Municipal Year Book" has indicated that only those comparable cities in the State of California are exceeding the salary and fringe benefits currently being paid this city's municipal employees.

"This budget therefore proposes to continue the current high level of municipal services

and to incorporate other additional services and likewise to improve present services which will provide our citizens with the finest of municipal services at a very low cost. Also, for the second straight year, the proposed City budget incorporates a salary and fringe benefit "package" increase exceeding \$1,000 and \$700 respectively for the personnel of the Department of Public Safety and the other General Employees which should continue the further development of this city's most valuable asset — its loyal and dedicated city employees, who, in the opinion of this office, make possible one of the most efficient Municipal Operations to be found anywhere."

#### Budget up \$59,572

Comparing the Woods city budget for 1966-67 passed at the May 12 meeting with the previous year's budget, the total increase in expenditure is \$59,572. The sum set aside for public safety expenditure (pending settlement of the wage dispute) is \$552,386, or an increase of \$74,760.

This sum includes increased, scheduled pension payments and the reason it is larger than the total increase figure is that the capital improvements allocation was drastically cut this year, thus reducing the total figure.

### Mason School's Playground Wins

The Grosse Pointe Garden Council in connection with their Anti-litter Campaign, sponsored the Cleanest Playground Contest for all Grosse Pointe schools.

Mason School won first place, Monteith School second, and Richard School third.

Honorable mention for merit ribbons was awarded to Parcels Junior High, Poupard School and St. Paul School.

Academy of Sacred Heart, whose grounds are maintained by hired groundskeepers were again found in beautiful condition.

Members of the Grosse Pointe Men's Garden Club who donated their services for the judging were Fred Shepherd, president; Phil Baker, Marshall Collins, Charlie Cooke, Bill Collingford, Gil Douglas, Ross Fazio, Harry Hagley, Dan Hodgman, Al Tapert, Herman Voigt and Hal Weik.

#### KUBCAPS STOLEN

Richard McCloskey of 393 Mt. Vernon, notified Farms police on Friday, May 13, that while his car was parked in front of his house during the night of Friday, May 13, someone stole the four hubcaps. He said he looked out of the window at midnight, and the hubcaps were still on the car. The theft was discovered at about 5:40 a.m. They were valued at between \$80 and \$100, he said.

### Engineers Honor Robert J. Kelly

Robert J. Kelly, of 1923 Van Antwerp street, was elected president of the Detroit Chapter of the Society of American Military Engineers at the 23rd annual meeting Tuesday, May 10.

Kelly, a staff assistant in the civic and community affairs department of the Detroit Edison Company, has been an active member of the Society for the past six years and was the vice-president of the Detroit Chapter during the past year.

A non-profit organization, the Society is an association in which engineers from all services of the armed forces, and from all fields of civilian engineering practices, assemble to exchange information of mutual interest. Many distinguished civilian engineers have made significant contributions to the society, including Walker L. Cisler, chairman of the board of the Detroit Edison Company, who has served as the local past president and later as national president.

Kelly, born in Port Huron, completed his public schooling there and attended Port Huron Junior College. He received his BA degree in business administration from Michigan State University in 1935.

Married to the former Doris Young, of Marine City, Mich., the Kellys have three children including a son, James, who is also employed by Detroit Edison as a line design technician, and two grandchildren. Their daughter, Patricia, attends Michigan State University and the other

son, Robert, attends Michigan Tech.

Kelly is also noted for his participation in a number of civic organizations, including memberships on the Greater Detroit Board of Commerce, the Detroit Central Business District Association, the Council of National Defense, the board of directors of the Boys' Committee of Detroit, the educational committee of the Warren Chamber

of Commerce, the Greater Detroit Area Hospital Council, and the Inter-County Highway Committee.

Wise car buyers are discovering that they can get more performance, luxury, distinction and pride of ownership in a previously-owned Cadillac than in many new cars of lesser stature. For example, Cadillac engineering has always been so advanced that many features of Cadillacs several years old are just now finding their way into new cars of other makes. And Cadillac has for years provided as standard equipment automatic transmission, power steering, power brakes and many other conveniences that even now cost extra on most new cars. Accused Speeder Denies Charge after Wild Chase

A 17-year-old Woods motorist, accused of reckless driving, denied the charge, but was not released until he posted bond of \$100, pending a hearing date in court.

On Friday, May 13, Patrolman Albert Abend reported that he was patrolling Mack avenue, heading south, when he observed a car traveling north on the avenue at what appeared to be excessive speed.

The officer said that he stopped and arrested Dorian P. Griffin of 490 Dornmouth, after a chase of between 80 and 85 miles an hour through city streets.

Abend said that when he saw the car, he gave immediate pursuit. He said the driver of the speeding car made a sharp left turn onto Van Antwerp, continued down the street then turned off the car lights after which he ran a stop street at Jackson.

The driver of the car then turned south on Jackson, the policeman said, toward Lochmoor boulevard, east to an alley, north down the alley to Fleetwood, west on Fleetwood to Jackson, where he ran another stop sign, turned south on Jackson to Country Club, with the car lights still out.

The patrolman said that in making the turn onto Jackson, the driver of the pursued car nearly struck a car headed east on Jackson, turned west onto Lochmoor, and made a right turn into a driveway alongside number 1968.

Abend said he walked up to

the car and found a 17-year-old boy slouched down on the passenger side of the vehicle, and Griffin behind the wheel.

The patrolman said that he ordered both boys into the scout car and took them to the station, where Griffin denied that he had been driving the vehicle. He claimed that he had been asleep all the while during a drive from Toledo.

He was given a traffic violation ticket after he was charged with reckless driving, and released when the bond was posted.

Burglars Nabbed in Car Dealers

Two experienced burglars were caught in the act again by two alert City policemen about 2 o'clock Monday morning, May 16. Corporal Duncan MacEachern and Patrolman William Plumb, following the order of Patrolman Richard Lanski, checked out the O'Leary Cadillac office, 17153 Jefferson avenue. They found Brian Arthur McCurry, 23, and Peter Joseph Thomas, 25, in the building.

The men had apparently entered through a forced window. The patrolmen ordered the two to come out. They complied. Weapons were not found on the men nor inside the building. Thomas' auto was found

parked in the next block. Both men live in Detroit. McCurry lives at 658 Coplin road, and Thomas lives at 951 Dickerson road. Both have records of previous breaking and entering.

Assisting the City policemen were Sergeant Henry Coonce and Patrolman Henry Wilson from the Park, and Patrolmen Otto Glanert and James Vitale from the Farms.

City Police Chief Andrew C. Teetsart commended his men on their good work, and added, "This is another case where inter-Pointe co-operation really paid off." Wayne County Assistant Prosecutor John W. Coury recom-

mended the warrant on charges of nighttime breaking and entering of a place of business with the intent to commit larceny. Assistant Prosecutor Sam Brenner approved the recommendation.

The two defendants were arraigned Monday, May 16. Teetsart said bond will be set pending examination.

Dr. Robert King Drowning Victim

A body identified as Dr. Robert King, Jr., a prominent physician missing since March 4, was found on Wednesday, May 11, washed ashore on Fighting Island in the Detroit River.

Dr. King, who recently moved to 273 Lakeland avenue with his wife Myrta, is the father of Robert R. King III, Myrta Christina, Margaret Carole and Joanne Elizabeth.

The body was found on the east side of the Canadian-owned island which is just north of Grosse Ile, by a caretaker for the Wyandotte Chemical Co., which leases the island. Identification was made by means of fingerprints and dental work.

An autopsy report showed death by drowning and Canadian police could find no evidence of foul play.

Memorial services were held on Monday afternoon at All Saints Episcopal Church.

## 'Village' Holding Second International Festival

(Continued from Page 1) The three days of the festival. Spokesmen for the participating groups will explain the significance and history of costumes worn and handicrafts displayed. In some countries, each province has its identifying costume; in others, certain style variations tell at a glance whether the wearer is single or married.

Among the items to be seen at the Armenian booth will be a unique type of lacework, similar to crochet in finished appearance but done entirely with a sewing needle rather than a crochet hook. Handkerchiefs edged with a particular pattern of this lace were used by early Christians to identify themselves to each other, while avoiding detection and possible persecution from outsiders. Examples of this historically significant pattern will be on display.

Ancient musical instruments will be used to add both visual and aural interest and color. From time to time, traditional dances to the accompaniment of instruments typical of the country will be featured. Many of the instruments have changed little, if any, during several centuries.

Those who have an international palate, or just a plain old-fashioned sweet tooth, will enjoy taste treats with pleasing flavors and out-of-the-ordinary names. At least one group, the Serbians, will sell recipes for many of their culinary specialties. And if you would like to find out how a round wooden flask is used as part of a personal invitation to a Serbian wedding, this information will be available, too!

Festival visitors interested in taking up a new hobby will find both instructions and special materials and tools for arts and crafts indigenous to several of nations represented. Proceeds from a large part of these sales will go to scholarship funds, religious organizations, and other philanthropic uses. The Ukrainian exhibit, for example, will be sponsored by the Ukrainian Graduates, an organization of Ukrainian professionals of Detroit and Windsor. All proceeds from Ukrainian items sold will go into their scholarship fund.

Additional color will be provided by appropriate window displays in the Village stores. A popcorn wagon and a clown with balloons will delight the small fry, while an outdoor shoeshine stand in front of the barber shop will bring a smile to the face and a shine to the shoes of many a visitor.

The drawing for the vacation cruise tickets will be held at 4:00 p.m., Saturday, in front of Day Travel Agency. Mr. Ervin A. Steiner, Jr., coordinator of special events for the festival, lists the following locations for displays: American Indians will be at McCourt

Shoes, the Armenian group at Kresge's, Chinese at Day Travel Agency, Japanese at Peter Pan Shop, and Mexican at E. J. Hickey.

The French will serve coffee and French breads and have a display of French dolls in Michigan Consolidated Gas Company's Hospitality Center; the Polish exhibit will be at Jacobson's Home Decorating Shop, the Serbian at Best & Company, and the Ukrainian group at Kay Baum.

## Brownell School Having Concert

Approximately three hundred Brownell Junior High School students will join in a combined orchestral-vocal concert tomorrow evening, May 20, beginning at 8 o'clock in the school's auditorium-gym.

The program will begin with the mass chorus and orchestra joining in a rousing rendition of "Oh What a Beautiful Morning", under the direction of vocal music instructor Daniel Evola.

Following this, the 40-member Boys' Ensemble will be featured in a patriotic medley which will have the audience tapping their feet to its stirring rhythms: "Chester," "Johnny Come Marching Home," "You're a Grand Old Flag," and the current favorite, "Green Beret." This medley will be accompanied by snare drum and string bass soloists Rod Rose and Sue Turner.

The Select Girls' Ensemble (consisting of Betsy Cantine, Laurie Graybiel, Judy Meloy, Penny Masouris, Gigi Graham, Martha Schraschun, Susan Imhoff, Becky Lake, Julie Childress, Tammy Munger, Cheryl Roy, and Sara Via) have prepared two lilted numbers appropriate to their voices: "Softly as In a Morning Sunrise," and "Happy Talk." A larger girls' vocal group, the Girls' Ensemble, will follow with the well-known "Exodus Song," and "Bali Ha's", in addition to the technically difficult "Michigan Morn."

Other vocal groups performing tomorrow evening include the seventh grade girls' glee club with "The Bee and Me", and "In a Little Dutch Kindergarten"; the ninth grade double quartet (consisting of Judy Meloy, Becky Lake, Neil Sweeney, Herb Munchausen, Tammy Munger, Sara Via, Chris Malafouris and Rod Rose) in "Shangri-La"; and the ninth grade glee club in "Younger Than Springtime", "One God", and "Sweet Potatoh", with Sue Turner accompanying on string bass, Sara Via on guitar, and Rod Rose on maracas. Bill Savage is also providing special sound effects for this number.

Ninth grade students of distinct vocal ability have been scheduled during the school year for the Select A Capella Choir, and their numbers in this program are considered "special." They include "Choose Something Like a Star", "Heather on the Hill", and Gavotte for Back", with Rod Rose accompanying on drums and Sue Turner on string bass.

Piano accompanists for all numbers will be Cindy Hassig, Kathy Krieger, Martha Schmelz, Barbara Brown, and Wendy Nelson. Others are Annette Kaspov, Kathryn Mast, Sue Buttrey, Merrill Watson, Jane Edson, and Ellen Kitzul.

Other numbers on the program will be presented by Brownell's symphony orchestra, under the direction of Dewey D. Kalember, instrumental music instructor. These include: Scarlatti-Piccini's "La Buona Figliuola", Bach's "Prelude and Fugue", Rimer's "Perpetual Motion", and Whitney's "Variations on a Theme by Handel".

The school's annual spring concert will then conclude with mass chorus and orchestra combining in Williams' rousing "Born To Be Free".

Students who have volunteered to serve as ushers for the evening are Kristin Beck, Cindy Candler, Amy Clark, Diane Cooper, Sandy DiMaso, and Alice Knapp.

### Nab Juveniles As Car Thieves

Three juveniles were arrested in a stolen car, while they were parked in the Woods Theater lot on Saturday, May 14. Two of the boys had been reported as runaways, Woods police said.

The trio was arrested by Patrolmen Thomas Podeszweit and Charles Hamel, while on routine patrol, spotted a car in the west end of the lot at about 11:45 p.m. The officers approached to investigate.

They said that as they neared the vehicle, they observed a boy slouched down on the passenger side, and another boy behind the wheel. The third boy was in the rear of the car.

The policemen ordered the boys out of the car, when, on calling for a check on the license plate number, it was disclosed that the automobile had been reported stolen in Detroit.

The Detroit Police Youth Bureau was notified of the arrest of the juveniles, but because of lack of transportation, officers of the Bureau recommended that the youngsters be released to their parents, and that the juveniles be advised to report to Detroit's Conner Station, Fifteenth Precinct, for questioning.

Arrested were two 15-year-olds, and one 14-year-old. One of the older boys, and the younger lad, had been reported missing by their parents.

At the Woods station, the juveniles confessed that they had stolen the vehicle from a driveway at Audubon and Southhampton, in Detroit, on Friday, May 13.

They said they found the motor running and the key in the ignition and got into the car and drove it away.

girl, the intruder turned and fled into the back yard and jumped over a fence and disappeared.

Police said there appeared to be no signs of forced entry. Nothing seemed to be missing from the house, it was reported.

A short time later, Mrs. JoAnn Wilson of 12818 Edshire, called police to report that she surprised an intruder in her family room; he had entered the house through an unlocked rear door.

She said that as she walked into the family room, she startled a young man, who turned and ran out the rear door and escaped. She called police immediately. She was not able to give police a good description of the person, but did say that it was a young man about five feet ten inches tall; with dark hair and wearing a waist-length green jacket.

Mrs. Wilson said that nothing was taken from the house. She must have frightened the intruder away before he had an opportunity to search for anything, police said.

Two suspects, seen driving away from the area, were taken into custody by police for questioning. They were not connected with either of the incidents, and were released.

An all-points bulletin was sent to area police agencies to be on

the lookout for a person answering to the description of the invader.

While investigating the three incidents in the Woods, Police Sgt. Walter O'Dell found a purse, with its contents scattered on the ground, in the rear yard of 516 Thorn Tree lane.

In checking the identification papers, it was determined that the purse was taken from

the home of Mr. and Mrs. Ray Lynch, 529 Ballantyne. It is believed to have been stolen by the same intruder who entered the three Woods residences.

The Lynches, who were home were not aware that it was missing. They told Shores police that the purse was on a chair in the breakfast room.

Mrs. Lynch said that missing from the purse was about \$30

in cash. Shores Dets. Frank Mustaza and James Jurcak said that this was the only incident reported in their community.

### How clean is electric cooking?

### Here's a shining example

Cooking with a modern electric range keeps your kitchen cleaner. No flame, no fumes, no fuss. Your pots and pans stay cleaner. Curtains and woodwork, too.

Electric ranges are also more efficient. Because the heat transfers directly from the heating element to your cooking utensils, there's no waste in heat. All the electricity you use goes to work for you in your cooking.

And because there's no wasted heat, electric cooking is cooler. It cooks the food, not the cook.

And there's more. All electric ranges are backed by Edison's exclusive no-charge service. No charge for electrical parts. No charge for labor. And this applies no matter where you bought your electric range. So live the cool, clean life—electrically—with a modern electric range.

**Pointe's Share from State Highway Fund Is \$154,738**

The Department of State Highways has started distributing Motor Vehicle Highway Fund collections, for the third quarter of the fiscal year ending June 30, 1966, it was disclosed by Howard E. Hill, department director. The collections are distributed to Michigan counties and incorporated cities and villages.

Hills said that gross collections during January, February and March of this year, amounted to \$89,239,115, from which collection costs of \$2,025,237 and the Waterways Commission's share, amounting to \$219,762 were deducted before distribution.

He revealed that the net amount of the Highway Fund revenues available for distribution amounted to \$86,994,116, an increase of \$8,097,792 over that for the same period in 1965.

According to Hill's report, the Pointe is due to receive a total of \$154,738, of which the Wood's

share will be \$50,716; the Park's, \$41,981; The Farms', \$35,781; City's, \$19,371; and the Shores', \$6,889.

All state gasoline and diesel fuel taxes and license plate fees, and a small amount of miscellaneous fees are deposited in the Motor Vehicle Highway Fund.

After deductions, the money is distributed under provisions of State Law, which provides that 47 percent, which in this quarter amounts to \$45,587,234, will go to the Department of State Highways, as its share, for use on state highways; 35 percent, or \$33,947,941, will go to the counties, for their roads; and 18 percent, or \$17,458,941, will be the share of the incorporated cities and villages for their roads and streets.

Wayne County's share in the third quarter distribution is set at \$8,715,670.

Cottage Hospital happily greeted one of its most frequent patients Friday, May 13, as MRS. FRED J. WOELKERS entered to give birth to her 15th baby. All 15 have been born at Cottage Hospital. The newborn, CHRISTOPHER, weighed 8 pounds, 4 ounces and brings the family to 11 boys and four girls. "We have enough boys now for a full football team," Mrs. Woelkers said. Fred, the sports-minded father agreed. He is recreation director for the city of St. Clair Shores.

Mrs. Woelkers said, "I have been at Cottage Hospital so many times now that I feel like one of the family. I know most of the nurses and the other workers. I keep coming back to Cottage for each birth because everyone is so pleasant and the care is so good."

The whole Woelkers family has set some kind of a record for admissions to the hospital. The latest visit raises the count for the family to 21. That includes the 15 births, one operation for the mother and five illnesses among the children.

Dr. Roy E. Craig delivered Mrs. Woelkers' last six babies. The first nine, and 37-year-old Mrs. Woelkers herself, were delivered by Dr. Kenneth M. McColl, a former chief of staff at Cottage Hospital.

the telephone," Mrs. Woelkers said.

Getting the children off to school in the morning is quite a task, though, the mother admitted. The youngsters go to five schools, Our Lady Star of the Sea, Lakeview High, Chippewa Junior High, Ardmore Elementary and St. Isaac Jogues. The oldest girl, Peggy, 16, hopes to enter nurse's training when she graduates from high school. The other children haven't yet decided on careers.

The youngsters in addition to Christopher are Fred, 17; Peggy, 16; Roland, 15; Michael, 14; Stephen, 13; Joseph, 12; Peter, 11; David, 10; Mary Sue, 9; Timothy, 8; William 6; Elizabeth, 5; Ann, 3 and Jay, 2.

While she has seen her own family grow, Mrs. Woelkers has been a close spectator to the growth of the hospital. Her first baby was delivered when the obstetrical department was in the present main building.

During a later birth she could hear construction work going on as the obstetrical facilities were being remodeled and expanded. On her latest visit she was in the newest section of the 107-bed hospital.

The Woelkers family lives in a six-bedroom house at 22304 Lakeland, St. Clair Shores. With 15 children, the family has developed a system for getting all the household chores done, Mrs. Woelkers said. The older girls have taken on enough of the work so their mother has been able to work part-time as a manager for a women's fashion firm that sells through neighborhood parties.

### Mark Lawrence Top Trombonist

Mark Lawrence, son of Mr. and Mrs. Howard Lawrence of 2208 Hampton, was a winner in the Michigan Youth Arts Festival auditions on April 30 in Lansing. Mark was the only brass player selected from the state of Michigan as a finalist.

This honor will entitle him to perform a solo at Interlochen on May 21, 1966 with the Interlochen Arts Academy Orchestra accompanying him. This program will be broadcast live over radio on that date. Mark plays first chair trombone in the Grosse Pointe High School Band and Orchestra.

The auditions on April 30 consisted of performing for three adjudicators in a morning session. The winners of this audition were then required to perform for all adjudicators in the afternoon. It was in this afternoon session that all other brass performers were eliminated except Mark.

## Education Association Holds Banquet

The Hunt Club was the scene of the annual banquet of the Grosse Pointe Education Association held on Tuesday, May 10. Principal speakers shown above (left to right) are DR. WILLIAM P. SOSNOWSKY, retiring president; MISS VIRGINIA DOWNS, president for the

1966-1967 year; DR. FRED J. VESCOLOANI, Professor of Education at Michigan State University who gave the main address of the evening, and J. HAROLD HUSBAND, newly-appointed Deputy Superintendent of The Grosse Pointe Public School System.

"Education is for the professional educator," Dr. Vescolani, told members of the Association.

In his retiring remarks, Dr. Sosnowsky observed that the past year, the thirtieth anniversary of Michigan Education

Association activity in Grosse Pointe, had been the most active in history.

The GPEA, among other things, won sole bargaining rights for Grosse Pointe teachers with the Board of Education in an election last November, completed the negotiation of the Master Agreement with the Board in April, and worked actively to support the May 9 High School Bond Issue. Dr. Sosnowsky recognized the work of many individual members of GPEA in these accomplishments.

Miss Downs, the twenty-ninth president of GPEA, pledged that the Association, with dignity and professionalism, will continue to seek educational improvements in Grosse Pointe next year. Miss Downs presented the other members of the Executive Board, who will direct the activities of the Association next year: vice-presidents, Ernest Alden, Donald Richards, and

Stanley Smith; corresponding secretary, Katharine Mullaney; recording secretary, Vorita McCloze; treasurer, James Hunt; delegates to MEA Representative Assembly, Donald Keith and Marvin Rains.

Dr. Vescolani, who was introduced by the new president, described the activities of the GPEA in the past year as "re-vitalizing" to professional education, and called the group "keeper of the corporate conscience" of the Michigan Education Association.

Prior to the addresses, those in attendance at the banquet were entertained by the Choraleers, under the direction of Herman Clein. This singing group, composed of Grosse Pointe High School students, has been meeting before school in the mornings to rehearse.

The banquet arrangements were made by social chairman Olive Wandener and her committee. Special guests included Deputy Superintendent and Mrs. Harold Husband, Mayor and Mrs. Kenneth McLeod of Grosse Pointe Woods, Mr. and Mrs. Lawrence F. Kennedy, and members of the Board of Education.

## Parcells Play Set for Friday

The spirit of Gilbert and Sullivan will be reborn in the Parcells Junior High presentation of "Trial by Jury" on Friday, May 20, at 8 p.m.

Mrs. Leonard Riccinto, Music Department Choral Director, is in charge of the production that will be staged, costumed, and performed by 122 students in his eight and ninth grade vocal music lessons. The operetta is the first such production in the history of Parcells.

Admission price will be 40 cents for adults at the door. After auditioning for parts, the entire cast has been working for two months in preparation for this production. The plot of "Trial by Jury" is a satire on the English court system. The plaintiff, Debbie Porter or Carol Steketee, bring suit for breach of promise against the defendant, Greg Kieren or Lloyd Switzer. The role of the judge is sung by Dennis Wickline or Fred Killbride.

In the Gilbert and Sullivan tradition, the commentary of the choruses of bridesmaids and jurist add humor and wit to the main courtroom drama. Other roles in the operetta are the counsel; Dan Leeds or Kris Warner; usher, Andy Price or George Curran; and foreman, John Poulter or Rick Hendricks.

The production, a combined effort of various departments, was presented on Wednesday for the students as a school assembly. The second performance will be open to the public in the Parcells auditorium Friday, May 20, at 8 p.m.

## Cyclist Rides Into Trouble

Failing to properly display a motorcycle license plate brought trouble for James W. Tomes, 18, of 5810 Marseilles, Detroit, on Sunday, May 15.

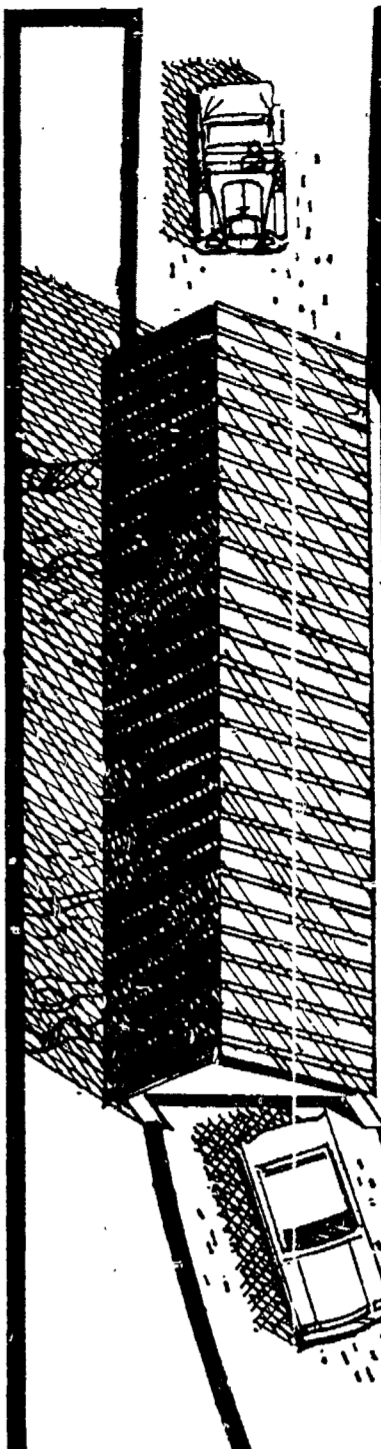

Tomes was arrested by Woods Patrolman Theodore Hinz, who observed the cyclist traveling north on Mack avenue. The motorcycle did not show a license plate at the rear, the officer said, and he stopped Tomes at Ford court.

As he approached the cycle, Hinz said, he saw that the motorcycle did have a plate, but it was wired to the side of the two-wheeler. Tomes could not produce a registration to prove ownership.

The policeman called the station for a warrant check, and it was disclosed that Tomes was wanted by Detroit police on a traffic warrant, plus four violation tickets, worth fines totaling \$70.

Tomes was taken to the station where he was issued a violation ticket for improper display of a license plate, and then released to Detroit authorities.

St. Paul Students Receive Awards

The Detroit Association of Phi Beta Kappa held its eighteenth annual presentation of certificates awards and honors convocation at the Ford Auditorium on Thursday, May 12.

The Detroit Association recognized those students of high character and scholarship in the high schools of Detroit by giving them certificate awards on the basis of their high character and scholastic standing.

In order to qualify for an award, a student must be a senior averaging 2.6 points in his four years of high school. To earn the 2.6 average, a grade of "A" earned 3 points; "B" 2 points; "C" 1 point.

Before the conferring of awards, the Notre Dame High School Concert Band under the direction of Mr. Larry Egan presented musical numbers. Following a welcome by Phi Beta Kappa President, Dr. Charles E. Feinberg, an address was delivered by the Honorable G. Mennen Williams.

Seniors from St. Paul High School receiving awards were the following: — Leslie Brilowski, Cynthia Carter, Judith Demusiak, Beth Hollerbach, Darryl Hutchins, Kathy Loeher, Susan Lykins, Nicholas Robert and George Wilson.

Cadette Troop 1595 After many months of talking and planning, Cadette Troop 1595 left for Camp Metamora April 12. The main funds were earned through Girl Scout cookie sales. Leaders were Mrs. George Betzing, Mrs. David Monahan, Mrs. Joseph Krause and Miss Susan Zemenick.

Babe Ruth League

NATIONAL LEAGUE PARK CITY

By Dave Marshall Rain and cold weather played havoc with the Babe Ruth schedule last week. Despite frigid temperatures however, the Phillies managed to overcome a first inning 5-run deficit on Tuesday to defeat the Braves 9-6. Winning pitcher was Tom Bolton, loser, Robin Jacobs.

Thursday, along with a steady drizzle, the Giants took a 3-1, five inning game over the Braves. Curt Mumaw collected a double and a single for the Giants; Bob Gilmarten two singles and Robin Jacobs a double for the Braves. The winning pitcher, Bill Ehrlich, loser Humphry Abriginhi.

The L.A. Dodgers came from behind to down the Cards in a 7-4 ball game Saturday. Marty Vertregt slugged a double and triple, and Gary Richardson a double for the Dodgers. Skip Lauth won his first game of the season, Tom Baulch was on the losing end.

Sunday afternoon on the High School diamond the Phillies and the Cardinals played a seesaw game. Ken Badger's two-base hit for the Cards with the bases loaded tied the game in the sixth, but it wasn't enough because the Phillies, helped by Jim Bolton's bat emerged victorious to the tune of 11-6. Bill "Beetle" Bailey chalked up his second win, and Tom Hummel was the losing pitcher.

Meanwhile, at the Neighborhood Club field, the Giants and Dodgers provided the action in a close 2-1 game for the Dodgers. Skip Lauth clouted a double for the Dodgers and Gary Richardson recorded his second win of the season. Losing pitcher for the Giants was Curt Mumaw.

Standings table with columns Won, Lost for Dodgers, Phillies, Giants, Cardinals, Braves.

WOODS-SHORES Automotive League

The Woods-Shores Babe Ruth League opened Sunday under sunny skies with a fine parade. The Opening Day Ceremony was graced by Miss Bate Ruth League, Dawn Piper and her Court.

After the ceremonies ended, Mayor Pro-Tem Bill Huetteman pitched two perfect strikes to Councilman Marv. Boutin as Umpire W. E. Lueckhoff, president of the Woods Little League, looked over Huetteman's fine pitching style to open the season.

The first game on Diamond 1 was a real cliff-hanger as Grosse Pointe Rambler edged Shalla Chevrolet 4-3 in 10 innings. Jeff Matheus was the man of the hour for Rambler as he not only drove in Paul Naz with the winning run, but also pitched a three-hitter, striking out 16 to record the win. Brian Walch was the other big hitter for the winners as he had 2 hits and drove in a run. For the losers, Chris Malafouris pitched a fine game in defeat as he allowed only 4 hits and struck out 15. Craig Brown was the hitting star for Shalla with two hits.

On Diamond 2 Roger Rinke Cadillac took the measure of Dick Green Chrysler-Plymouth 5-3 with Bob David taking the win with a nifty 4-hitter. His brother Bill had the big blow of the day with a home run. Don Blomquist chipped in with two hits to help the cause. Dan Menzo took the loss even though he allowed only 4 hits. Dan also tripled to help his cause. Joe Tringali had a single and RBI to help Green.

The detective said that while one burglar was in the offices next door, another broke the glass of a front door of the Dr. Kroha's office, but when he could not enter that way, tried to open the door itself. This set off the alarm that frightened the thieves away, Enders said.

A successful entry was made into the offices of Dr. Austin Neeb, and Dr. Robert Maunz, both dentists, 15120 Kercheval, avenue, by the second thief, who entered by breaking a window glass on the west side of the building.

When the alarm sounded, the detective said, the burglar grabbed an electro-mallet machine, used in gold filling operations, and fled the building. Dr. Neeb said the machine is valued at \$175.

Nothing else appeared to be missing from the doctor's office, and nothing was reported taken from Dr. Maunz's offices.

Dr. Kroha lives at 652 Middlesex boulevard. Dr. Neeb's home is at 303 McMillan road and Dr. Maunz resides at 767 Fisher road.

In the third game Richard Buick and Roy O'Brien Ford hooked up in a tight one with Richard getting the win in the bottom of the seventh as Danny Lynch singled home the winning run. Bob Hutchinson took the win with a three hitter—striking out 6. Dan Dykstra provided some timely relief pitching. Hutch was also his team's hitting star with a double and single for two RBIs.

Mike Pastor took the loss for O'Brien although he struck out six and only walked two. Gary Bennett had a nice stint in relief. The hitters for O'Brien were Doug Perry with a single and RBI and Larry Ulmer with a single and double.

We want to add our special thanks to Phil, Ed, Bob and Vince of the Woods D.P.W. for their fine work Sunday morning in getting the diamonds ready for play.

ALL-AMERICAN LEAGUE

By Bob Kutscher

City Messenger defeated Boutin Realty Sunday as Gerald David scored the only run of the game in the bottom of the tenth inning.

City Messenger had fine pitching from Brian Marone, who allowed only four hits while striking out 15 in 10 innings. Losing pitcher Bob Zillman turned in a strong pitching performance, too. He allowed only three hits, and he struck out 13.

Kiwanis Club of Grosse Pointe lost to Midland Mutual by the score of five to three. Winning pitcher Cass Michaels pitched the full seven innings. He struck out 12 and granted only 9 hits.

The big hitter for Midland was Bob Roose. He made a double and a single in four trips to the plate. Ed Eroo started the game for Kiwanis and was relieved by yosing pitcher Bill Houck. In all, the two allowed only seven hits. Mike Stevens tallied three hits in his four times at bat.

Palmer Moving defeated Maccabees Mutual 8-4 behind the seven-hit pitching of Jim Otto. Otto struck out 12 and walked only three in seven innings.

Bob Cochell hit a double, a single, and drove in four runs for the winners. Brian Fausone, the losing pitcher, let eight hits pass him by while striking out three Palmer batters.

Alarm Scares Burglars Away

Burglars were apparently frightened away by a siren-type alarm in the office of Dr. Lawrence Kroha, 15124 Kercheval avenue on Wednesday, May 11, when one thief attempted to enter the doctor's office, and a second man was in a dental clinic next door.

Park Det. Lt. Stanley Enders said that the attempted burglary, and the burglary, was committed between 6 p.m. on April 10, and 8:30 a.m. the next morning.

The detective said that while one burglar was in the offices next door, another broke the glass of a front door of the Dr. Kroha's office, but when he could not enter that way, tried to open the door itself. This set off the alarm that frightened the thieves away, Enders said.

## From Another Pointe of View

By Janet Mueller

That lovely, lovely party, the Laurel Ball, at which the most recent graduates of the Academy of the Sacred Heart in Lakeshore road are "presented" to their fellow alumnae, parents and friends, (in short, at which they formally take their places as adults in the Family of the Sacred Heart), will be held June 11, at the Grosse Pointe Yacht Club.

Chairman is Mrs. Frank Couzens, Jr., whose daughter, Jean, a fourth generation Sacred Heart Girl, will be among the white-gowned honorees.

Another fourth generation SHG is Mercedes Barcia, and third generation graduates include Jean Griffith, whose mother, Mrs. William H. Griffith, shares the Ball Music chairmanship with Mrs. Howard A. Shaw whose daughter, Patricia, represents the second generation of her family to join the ranks of Sacred Heart alumnae.

More third generation SHG's are Georgina Posada and Mary Ann Tindall, (her mother, Mrs. Daniel J. Tindall, Jr., is in charge of Ball "printing").

### Young Girl Graduates

Sponsors of this sixth annual Laurel Ball and the Academy's Alumnae Association and Janet Stuart Association.

Among those working especially hard to assure the success of the '66 Ball are the Mesdames Leo J. Fitzpatrick, Jr., William B. McIntyre, Brian Molloy, Edward J. Hickey, III, Robert L. ## Jane Meyers Weds James L. Townsend

Bride Wears Great-Grandmother's Necklace, with Symbols for Faith, Hope and Charity; Carries Heirloom Lace Handkerchief.

Our Lady Star of the Sea Church was the setting for the Saturday wedding of Jane Ellen Meyers and James Lynn Townsend.

She is the daughter of Mr. and Mrs. Earl Joseph Meyers, of Lochmoor boulevard. He is the son of Mr. and Mrs. Lynn A. Townsend, of Bloomfield Hills.

A reception at Lochmoor Club followed the 1 o'clock rites, at which The Reverend William R. Palmer officiated.

The bride's gown of alabaster white silk linen was accented with point de Venice lace, which bordered the mid-length Angelica sleeves of her ruffled, oval-necked bodice.

A spray of lace marked her lifted waistline, and the lace was repeated in a wide garland circling her skirt and in motifs strewn on her paneled train.

She designed her mantilla veil of silk illusion, outlined in point de Venice. Her flowers were Amazon lilies and stephanotis.

She was the fourth generation member of her family to wear an heirloom necklace, with symbols for faith, hope and charity, and carry a Brussels lace handkerchief, both mementos belonged originally to her great-grandmother.

Maid of honor Ann Elizabeth Meyers and bridesmaids Mary Jo Meyers, Martha Lynn Meyers and Frances Ann Desmond wore floor length frocks of opaline blue linen, fashioned with Empire bodices, underscored with moss green velvet ribbon, featuring squared necklines and short, flared sleeves frosted with Schiffli embroidery and edged in Irish lace.

Their headpieces were circles of fresh green foliage, and they carried bouquets of Mary Jo roses and assorted foliage.

Flower girl Lori Ann Sheridan, the bride's godchild, wore a white organdy dress, sashed in green, and carried a basket of assorted miniature flowers. Her headpiece was an ivy ringlet.

The bridegroom asked John W. Welsh to act as best man. Guests were seated by Charles Stanley Townsend, Richard John Townsend, Earl Joseph Meyers, John C. Sterritt and Gary A. Wickham.

The mother of the bride wore a yellow silk dress with a matching jacket. The bridegroom's mother's ensemble was fashioned of champagne silk. Both mothers chose cymbidium orchid corsages.

The newlyweds will make their home in Battle Creek when they return from an Hawaiian vacation.

## Mrs. James Townsend

In Our Lady Star of the Sea Church Saturday, JANE ELLEN MEYERS, daughter of Mr. and Mrs. Earl Joseph Meyers, of Lochmoor boulevard, spoke her marriage vows to Mr. Townsend, son of the Lynn A. Townsends, of Bloomfield Hills.

## Mrs. Edmund M. Brady, Jr.

At a morning ceremony Saturday, in Our Lady of the Sea Church, MARIE PIERRE WAYNE, daughter of the Peter H. Waynes, of Woods lane, was married to Mr. Brady, son of Mr. and Mrs. Edmund Matthew Brady, of Sunningdale drive.

## Marie Pierre Wayne Says Vows May 14

At a Nuptial Mass at 11:30 o'clock Saturday, May 14, in Our Lady Star of the Sea Church, Marie Pierre Wayne and Edmund Matthew Brady, Jr., exchanged marriage vows.

Reverend Leo J. Burice, O.S.A., officiated at the rites, which were followed by a reception at the Detroit Yacht Club.

The bride is the daughter of Mr. and Mrs. Peter H. Wayne, of Woods lane. Her husband is the son of the Edmund M. Bradys, of Sunningdale drive.

For her marriage, the former Miss Wayne chose a gown of silk-faced peat, trimmed with Alencon lace. Her erched Empire bodice featured elbow length lace sleeves and a portrait neckline, and her slim skirt was fashioned with a lace-paneled floor length train over a removable Watteau Chpel train.

Her illusion veil fell from a lace-encrusted pillbox, and she carried an arrangement of stephanotis, white orchids and ivy.

Kathleen Brady, sister of the bridegroom, was honor attendant. Bridesmaids were Ann Versical, Carole Connors, Mrs. David G. Barthel, Mrs. Robert E. Gesell, Sharon O'Laughlin and Pat Rambasek. Mrs.

Thomas H. Bejin was honorary matron of honor. Their Ceil blue linen gowns were accented at their Empire waistlines and sleeves with matching lace, and their hats were tiny catwits of shredded blue linen entwined with violets. They carried violet nosegays.

Charles M. Watts served as his cousin's best man. Ushering were Peter H. Wayne, III, brother of the bride, Thomas H. Bejin, Robert E. Gesell, Theodore M. Barthel, Jr., David G. Barthel, Joseph H. Thibodeau and Ronald J. Mastel. Mrs. Wayne chose, for her daughter's wedding and the reception, a blue-crystal Duoponi silk dress and coat, and a hat of blue and violet maline. She pinned a single orchid to her purse.

Mrs. Brady, the bridegroom's mother, wore a mauve pink costume suit and a small hat of miniature flowers. Her corsage was fashioned of cymbidium orchids.

Following a wedding trip to Bermuda, the newlyweds will reside in Lakeshore Village.

The remaining programs will consist primarily of all-time favorite classics interspersed basic symphonic repertory. In all, some 90 works will be performed.

**Compromise**

Once upon a time there were two kinds of bathing suits. One was black, shapeless, and worn by Olympic swimmers. The other was flowered chiffon, looked divine, and if you fell in, you had to go home and change. The VILLAGER® collection has worked out a compromise. They look good . . . fresh, distinctive. But they don't mind getting wet. Sizes 6 to 16.

## 'Can-Can' Opening At Center on Friday

Directed and produced by the same husband and wife team that brought "Guys and Dolls" to Grosse Pointe Theater audiences in 1964, Cole Porter's immortal "Can-Can" will open Friday evening in the Fries Auditorium.

Mr. and Mrs. Arthur C. Brownell, 897 Washington road, after long weeks of rehearsal with a cast of 60, expect great things of the show, which will run for eight performances.

The Brownells know well that past successes never guarantee later ones, but if their previous efforts are any indication, great things may indeed be in store. "Guys and Dolls" played to record audiences, and drew glowing critical praise.

"This show is a difference kind of musical," director Brownell says. "There is more dancing, and more songs. But in one respect, the shows are similar—they're both exciting productions."

In contrast, the leading man—Dean Erskine, of St. Clair Shores—is a veteran of more than two dozen GPT produc-

Brownell and his wife, Doris, have been with GPT for five years. They have served on the group's board, and have won their share awards (including Best Director and Best Producer in 1964—for "Guys and Dolls").

Their cast includes some newcomers to Grosse Pointe as well as some old hands. The most notable newcomer is Mrs. Lois Bendler, of Mt. Clemens, who plays the leading role of La Mome Pistache. Mrs. Bendler has also been an active member of the Windsor Light Opera Company for several years.

While falling in love with Pistache, the straight-laced judge meets a large array of

## Noted Kingsmen To Appear Here

All Grosse Pointe teens will want to see and hear the Kingsmen, who are being brought to Grosse Pointe War Memorial's Fries Auditorium by the Center's Youth Council for two shows Friday evening June 10.

Just 500 people can be accommodated at each show so the young people are warned to get their tickets now. The first show will be at 7:30 for the theater where all will get to listen to The Kingsmen and get a good unobstructed view of them.

The second show will be at 9:30 in the Ballroom where in addition to listening some may want to dance, but they will not

see The Kingsmen as well as down on stage. Tickets to each show are \$3 while they last.

At first, The Kingsmen became well-known in the northwest, having done personal appearances, local television shows, dances and one-nighters. As their popularity grew, The Kingsmen developed a unique and individualistic style, molding elements of blues, jazz, and rock 'n' roll into a thoroughly distinctive sound.

Currently earning approximately \$500,000 a year with recordings, television appearances and concert tours, The Kingsmen have begun a new career in the motion picture field.

The setting is Paris, 1893. Aristide, in his first day as a judge, decides to wage a personal battle against the loose morals and near-sighted law enforcement of the city. He goes to Montmartre, to investigate the cafe where Pistache's "laundresses" perform the outlawed Can-Can.

The Grosse Pointe Theatre is proud to announce its first summer show, the musical "Fantasticks," which will run in the Fries Auditorium July 21, 22, 23 and 24. The Grosse Pointe War Memorial is co-sponsoring the performance, and will accept ticket orders by mail or telephone after June 1.

Open casting for this show will be held at 7:30 p.m., June 6 and 8, at the Grosse Pointe War Memorial.

wonderfully improbable characters—all creations of the whimsical and witty writer, Abe Burrows.

There is the only Bulgarian sculptor in Paris, Boris Adz-nidzinadze, played by Jack Petz, 827 Lakepointe. His mistress and supporter, Claudine (Mrs. Dolly Owens, of St. Clair Shores) is ardently pursued by art critic Hilaire Jussac (Al Berteal, 45 Radnor Circle). Boris and Hilaire finally resolve their rivalry in an absurd duel, which ends abruptly when Boris faints.

His sidekicks in the artists colony all have equally comfortable arrangements with girls from the Can-Can chorus line. Playing this group of high fivers are Donald Bliss, 187 Ridgemont; James Egan, of Detroit; Jacqueline Ellis, 897 St. Clair; Joseph Maniscalco, of St. Clair Shores; Marion Consiglio, of Detroit; Jacqueline Ellis, 897 St. Clair, and Ruth Mayhall, of Detroit.

Twenty well-trained dancers perform four major numbers, under the choreography of Mrs. B. J. Sholtz, of Livonia, and to the music of the GPT's gifted musical director, Dr. John Percin, of 559 Ballantyne.

Other members of the staff are James Fielding, 1244 Three Mile, stage manager; Jeanne Hurst, of St. Clair Shores, choral director, and Harry Stutz, 936 Rivard, technical director.

## Fete Meadow Brook Festival Committee

Special Busses to Leave Grosse Pointe War Memorial for Friday Night Concert Series at Oakland University this Summer

That most glamorous and delightful addition to the community, Mrs. Sixten Ehrling, opened her new home in Trombley road for the first time last Thursday to honor the busy Meadow Brook Music Festival committee for all Grosse Pointe.

Joining her as hostesses were Mesdames Andrew L. Malott and Richard H. L. Malott and Richard H. Campbell, Grosse Pointe chairman and co-chairman, and their sub-chairmen, Mesdames R. Alexander Wrigley and Hugh G. Harness.

The event served to kick off The Pointes' part in the city-wide season ticket campaign for this year's glittering Meadow Brook Festival opening June 30 on the campus at Oakland University.

Pointers are focusing in on the Friday series with special cocktail-dinner busses sponsored by the Grosse Pointe War Memorial.

Mrs. Ben D. Mills, who serves with her husband as general chairman of Meadow Brook, announced at the party that all Pavilion seats are sold for the Thursday series and that Friday, Saturday and the new Sunday "Twilight" season tickets are going fast.

Mrs. Fred K. Cody, general

area chairman, reported that grounds tickets for all 31 concerts are available now at the University.

Daughters of Grosse Pointe committee members are gilding the stunning Meadow Brook poster by hand, painting the distinctive Festival insignia. They will blossom out all over The Pointe during the weeks ahead and eventually become keepsakes of committee members.

Among those seen at the Ehrling tea were Mesdames John B. Ford, Walter E. Simmons, Harry H. Whittingham, Edwin D. O'Leary, James McMillan, Hans Gehrke, William Ternes and C. Henry Buhl.

## Happy Birthday, Mr. Ford

His birthday was ACTUALLY April 19—so Emory Moran, Ford was completely surprised when he arrived at the Little Club Saturday evening, to find a life-size picture of himself in the foyer and some 130 friends, plus children Thomas, (from New York), and Emory, Jr., and Mrs. Matthew Spitzley, Jr., Laura, (from Ann Arbor), all gathered to wish him a very "Happy Birthday!" The Ford sons and daughter were the hosts at the gala event.

George Feyer flew in from Manhattan to play his world-famous piano music, and everyone cooperated to provide the Birthday "present" — a donation to Mr. Ford's favorite Olivet College, in his name. Jack Qualey's orchestra played for dancing, with many of the younger set invited to attend following the birthday dinner.

## Opera Week Parties

As always, this year's Metropolitan Opera Company's visit to Detroit, May 22 through 28, is an occasion for rejoicing, at large and small parties all around the town.

Locally, Mrs. Charles T. Fisher, Jr., will entertain members of the "Supper With The Stars" committee and Supper panelists at a cocktail party in her Lake Court home preceding the Supper itself, at the War Memorial this evening.

The Frank Donovans, of East Jefferson avenue, Mr. and Mrs. Wilber H. Mack, of Country Club drive, Mr. and Mrs. Henry Ledyard, of Lewiston road, and the Lynn A. Townsends, of Bloomfield Hills, will be co-hosts at a pre-opening night dinner party at the Detroit Club Monday.

## "Pop Art" From The Garden

There should be a good deal of laughter at the Garden Club of Michigan's horticulture meeting and election of officers, scheduled at the Ridge road home of Mrs. Joseph G. Standart, Jr., next Tuesday afternoon.

The ladies have been asked to bring "Pop Art" arrangements, using living material, and to title their own works!

Assisting Mrs. Standart as hostesses will be Mrs. Gaylord W. Gillis, Jr., Mrs. John M. S. Hutchinson and Mrs. Ledyard Mitchell, Jr.
