Thursday, November 10
INFLUENTIAL REPUBLICANS agreed that Gov. Romney is far and away the most popular candidate for the 1968 GOP presidential nomination. More important, Romney's clean sweep in Michigan helped make the nomination a thing to be sought with real hope of defeating Lyndon Johnson, who suffered a great personal defeat Tuesday.

IN A COMEBACK from the 1964's loss of both legislative branches, Republicans wrested control of the Michigan Senate from Democrats and gained a 55-55 standoff in the House. Far exceeding the most optimistic forecasts, GOP forces picked up 18 seats in the House to break the Democrats' tight grip. Five Democratic senators, all freshmen elected in the Johnson landslide two years ago, were defeated giving the Republicans a 20 to 18 edge in the Senate.

THE DETROIT Public Schools were assured by the election, of some money in the bank. With the passage of the millage proposition, the school system will at last have some funds with which to make improvements in the education of the children in Detroit.

It is also the hope of the school officials that the success of the millage proposition will serve as a lever to obtain from the State Legislature income for education more reliable than the property tax. The proposition won, 191,844 to 164,576, providing the schools with an additional \$25 million for the next five years. The new tax will not be levied until July 1, 1967, consequently it will not be available to this year's budget. Acting Supt. Norman Drachler said that he would request the school board to approve some immediate expenditures, even if it means borrowing against next year's income.

NEAR PERFECT ORDER has been achieved in the \$2.5 million monthly child support payment system after a long struggle. The five-member team which has been responsible for this feat said it will watch the court for a year to make certain there are no slips. At the cost of approximately \$29,000 the county got a streamlining of an office which admittedly has been in trouble for decades. This three-month effort by Arthur Anderson & Co., a public accountant firm was the first revamping of the complex payment system in history. Support payments to mothers and children are now being processed in one or two days. Ninety-seven percent of all cashier's business is handled within two working days, and less than one percent of the payments are undistributed after three days.

THE NAVY ANNOUNCED that the nuclear powered submarine Nautilus collided with the aircraft carrier Essex while submerged in the Atlantic Ocean some 360 miles east of Morehead City, N.C. The accident occurred as the Nautilus, the world's first nuclear submarine, was making an approach during an exercise. Only one member of the crew was injured but damage to the superstructure of the submarine was said to be "extensive." The Essex was reported damaged below the waterline and taking some water. No explanation for the accident was immediately available.

A FIRE IN HIS HOME at 22840 Colgate in Farmington Township, killed seven of Harold Polmateer's eight children on Thursday, leaving him only his wife and one daughter. All day township firefighters, police officers and detectives from the Michigan State Police fire marshal division sifted debris trying to discover how the blaze started. Fire Chief Raymond Geary said the fire "appeared to have originated in a couch or chair in the living room." Mrs. Polmateer, and her two daughters, Cynthia and Carol escaped but Carol reentered the

4 Youths Get Stiff Penalties In Float Case

City Municipal Judge Imposes Sentences Against Teenagers For Burning Junior Class Display

In the City Municipal Court on Tuesday, November 15, Judge Douglas L. Paterson sentenced four boys responsible for the burning of the Junior Class Float on Friday, October 28.

The float which was the Junior Class's entry in the High School's Homecoming Parade was parked in the driveway of the home of Mr. and Mrs. William A. Pankhurst of 763 Lorraine road. Michael J. Morgan, 17, of 1014 Yorkshire road, poured gasoline on the float and ignited it.

Only the valiant efforts of the eleven boys attending the float limited the fire to the float itself and prevented the fire from spreading to the garage. Quick action by the Fire Department extinguished the rest of the fire.

The four boys, Morgan, Anthony Roumell, 17, of 706 Lakepointe avenue, David Taylor, 18, of 864 Bedford road and Robert Larson, 18, of 15324 Windmill Pointe drive were each fined \$50 and put on probation for six months. They also must make restitution for the \$467.20 damages to materials and equipment that were on the float. Each must pay \$50 toward the 1966 Junior Class of Grosse Pointe High School Fund, and must attend a lecture of the Arson Squad of the City of Detroit, as well as write a 100-word essay on "Why I Should Obey the Law."

Defeated Candidate Earns Spotlight in Court Tussel

Mike L. Papista, 36, of 907 Washington road may have lost at the polls on November 8, in his bid for Democratic State Representative for the 1st District, but he won on Monday, November 14, in the Friend of the Court's Office in the Old County Building.

Cornerstone for New High School Laid at Ceremony; Many Items Placed in Box

Entire Board of Education On Hand With Crowd. Estimated at 200; Acting Superintendent J. Harold Husband Presides

A milestone in the construction of Grosse Pointe High School North was observed on Saturday morning, November 12. At 10 o'clock the ceremonies marking the laying of the building's cornerstone were held on the site near Vernier road and Morningside drive in Grosse Pointe Woods.

In spite of the cold weather, a crowd estimated at 200 gathered to witness proceedings which included brief speeches by community civic and educational leaders.

J. Harold Husband, Acting Superintendent of Schools, who served as master of ceremonies, read a telegram of good wishes from Dr. Samuel M. Brownell, former Grosse Pointe superintendent, and paid tribute to Joe Spagnoli for his contributions and superintending of the building.

Water Pressure Temporarily Cut

The noticeably lower water pressure in various areas of the City has been due to the installation of a new 20-inch distribution main replacing the old 14-inch main.

The Farms Filtration Department has also been installing a larger recorder to measure the amount of water that is pumped on peak days in the summer, as well as to help maintain a higher pressure on the extreme ends of the City and the Farms.

Pressure is expected to be restored to normal in about a week.

Alert Police Nab Suspect Before Theft

Attempt Made To Pry Open Delicatessen Door And Get Into Parked Van With Tire Iron

Two Farms police officers were lauded for their alertness in preventing a theft from a truck parked next to the Farms Delicatessen, 18660 Mack, at 2:20 a.m. Thursday, November 10. The arrival of the policemen also apparently stopped a forced entry into the store.

Patrolmen James Vitale and James Bliss, while going west in the Mack avenue alley, flashing a light on the rear of the stores, noticed a van truck parked next to the delicatessen, and a figure trying to pry open the rear door of the truck.

The policemen said that as they approached, the figure, on seeing them, laid a tire iron on the bumper of the vehicle, and tried to walk away. The man was ordered to stop.

Pry Marks on Door

The officers said they arrested Walter N. Rowland, 21, of 1307 Drexel, Detroit, on suspicion of attempted breaking and entering of the delicatessen, when they found pry marks on the rear door of the store. The door knob had been pried off, they said.

Rowland was taken to the station, where he was advised of his rights, and was held for further investigation and questioning.

Returning to the scene, Vitale and Bliss, in searching the area, found a 1959 Pontiac, parked about a half block away, and a man asleep on the front seat. The vehicle fitted the description of a car that had been seen in the vicinity of a November 2 burglary committed in the City. The car's occupant was taken to the station for questioning and later released when it was found he was not the perpetrator.

Clothing Stolen From Locked Car

Mrs. Steward Pardee, 16841 Cranford lane, reported to City police that while shopping either at Eastland or in The Village between 7 p.m. and 9 p.m. on Friday, November 11, someone entered her locked car, which was parked in the lots at both stores, and removed some \$413.82 worth of clothing. Harper Woods police were also notified and an investigation is under way. There was no sign of forcible entry.

Records Shattered As Pointers Flock To Polling Places

More Than 75 Percent of Qualified Electors Cast Ballots, With Results As Usual; Vote Is Overwhelmingly Republican

The general election held on Tuesday, November 8, is now past history, with the outcome known to all citizens. It is interesting to note that this off-year voting drew a record number of Pointers to the polls to cast ballots, for and against, candidates and issues.

It is also interesting to note that the number of Pointers who trekked to the polls totaled 26,610, or 75.36 percent, out of a total 35,235 registered electors.

For those who asked to know, this is how the votes went in the five Pointes:

PARK: (6,636 out of 9,000 total voted). Governor and Lieutenant Governor—George Romney and William G. Milliken (R), 5,444; Zolton A. Ferency and John B. Bruff (D), 1,070. Secretary of State—George Washington (R), 4,130; James M. Hare (D), 2,201. Attorney General, Lawrence B. Lindemeyer (R), 4,425; Frank J. Kelly (D), 1,903.

Congressional: United States Senator (full term)—Robert P. Griffin (R), 5,257; G. Mennen Williams (D), 1,240; to fill vacancy, Griffin, 5,176; Williams, 1,218. Representative in Congress, Fourteenth District—William J. Kennedy (R), 4,559; Lucien N. Nedzi (D), 1,724.

Obit Burglar Ransacks Home

A burglar entered the home of Mrs. Adelaide Becker, 1252 Bedford, while she was attending the funeral of a relative, and completely ransacked the house, according to information released by Park Police Chief Arthur Louwers.

The chief said that the burglary indicates that an obituary burglar, or burglars, are operating in the area. These persons check the obituary columns of newspapers and note addresses of homes of persons who have died, and break into these homes when relatives are attending wakes and funerals.

Mrs. Becker discovered the burglary of her home when she returned from funeral services held for her sister. She found that the first and second floors of the house had been completely gone through. She told investigating policemen that the thief took approximately \$184 from a bedroom dresser drawer. The burglary took place between 3 p.m. and 10:45 p.m., at which time she returned, police said.

Glanert was told to call the Farms station by Glanert, who sped back to the tire firm lot, to find the car with its three occupants gone. The officer checked the area without success. An all points police broadcast was sent out, with a description of the men and the car.

Located in Park

Glanert approached two Detroit police car crews to ask if they had seen the wanted men, and as he was talking with them, a Park broadcast revealed.

Bond Issue Proponents Ask Action

See Possibility of Health Authorities Ordering Closing of Swimming Pool

Proponents of the Park's defeated million-dollar bond issue attended the Park council meeting on Monday, November 14, to express regret that the issue did not meet with the approval of the majority of the electorate, and to ask the council to seek another solution for recreational funds.

The bond issue, which was defeated by a 3,154 to 1,502 vote by the city taxpayers on November 8, would have been used to raise money for improvements to recreational facilities at both the Waterfront and Three Mile Drive park, including a new swimming pool in each park.

Mayor Matthew Patterson told the audience that it is his belief that the people were misled in believing that the taxes would be increased by 25 percent if the issue had been approved.

He said that the Park Planning Commission had worked hard for two years in studying the recreational problems of the city, and had come up with plans and recommendations for improvements at both parks. The cost of paying off the bond issue would only have been one and one-half mills, or \$1.50 per \$1,000 of assessed local valuation.

Mayor Surprised

The mayor expressed surprise that taxpayers in Voting Districts Three and Five, who would have benefited most by the upgrading of the parks, voted nearly overwhelmingly against the bond proposal. Most of the homes in these districts are assessed at \$4,000, and owners would have had an increase in taxes of only \$6 a year.

However, he added, the people have made known their wishes in the matter, and their decision stands.

Lilly Coury of 805 Pemberton, who told the council that she was an election worker at one of the polling places during the election, said that she overheard a number of people, who were waiting their turns to cast ballots, comment on the bond issue and expressed fear that taxes would go much higher if the issue is passed. This fear, and the possible fear of inflation

Women Injured As Cars Crash

Two women were injured, one seriously, when their cars collided at Newberry place and Grosse Pointe boulevard Tuesday evening, November 8, according to a Farms police report.

Taken to Bon Secours Hospital with serious chest injuries was Mrs. Ann Mae Quibell of 17301 East Jefferson, driver of one of the vehicles involved.

The second motorist, Mrs. Emily Ann Turner of 33 Hendrie lane, who lost control following the impact with the other auto, crashed into a corner stone pillar and iron fence, knocking them down. She suffered only lacerations of the right leg, a police report showed.

According to police, Mrs. Turner was traveling east on the boulevard, when Mrs. Quibell, who was stopped at Hall place crossed the intersection. The second woman said she did not see the other driver because she (Mrs. Turner) did not have her lights on.

Mrs. Quibell was given a violation ticket for failing to yield the right of way at an intersection, and Mrs. Turner was given one for driving without headlights at night.

Court date was scheduled for Tuesday, November 16. Police said that on Tuesday, November 15, while rechecking the scene, they found the stop sign had also been knocked down and covered by the pillar. Total damage is estimated at about \$400, it was said.

Every year an estimated 500 million people suffer from disabling diseases associated with unsafe water supplies, according to the World Health Organization.

High School Cornerstone

(Continued from Page 1)
Grosse Pointe High School were also included among the items placed in the cornerstone.

The items were placed in the cornerstone by students from the present seventh grade who could conceivably be among the first graduating class from Grosse Pointe High School North.

Student representatives who participated were Susan Cischke, daughter of Mr. and Mrs. Melvin Cischke, 20631 Norwood; Mark Danas, son of Mr. and Mrs. Stanley Danas, 19924 Anita; Wendy Naz, daughter of Mr. and Mrs. Paul Naz, 1624 Hawthorne; Robert Church, son of Mr. and Mrs. Donald Church, 2048 Fleeterwood; Nancy Randall, daughter of Mr. and Mrs. Reed Randall, 855 Avon court; Jay Charvat, son of Mr. and Mrs. Louis Charvat, 21275 River road; Lynn Easton, daughter of Mr. and Mrs. John Easton, 2009 Hunt Club; Gary Marowski, son of Mr. and Mrs. Robert Marowski, 21210 Woodmont; Cheryl Roy Craig, 74 Fontana lane; and Steven Voorhees, son of Mr. and Mrs. Garrett Voorhees, 1081 N. Oxford road.

Personnel Presented
School system personnel introduced during the program included Joe Spagnoli, Assistant Superintendent-Administrative Services; Miss Virginia Downs, president of the Grosse Pointe Education Association; Mrs. Janet Noid, president of the Grosse Pointe Association of Educational Secretaries; John Elder, president of the Cafeteria Workers Association.

Each of the designers and builders also had a representative in attendance. General Contractor for the project is the J. A. Ferguson Co.; John E. Green Co. is mechanical contractor; E. R. Switzer Co. is electrical contractor; E. F. Young Co. is landscape contractor; and Elchstadt and Grissim are landscape architects.

Access to the high school site was made possible by the laying of wooden sidewalks from the end of Wedgewood drive to the site of the cornerstone laying.

Refreshments after the ceremony were provided by Harley, Ellington, Cowin and Stinton. Those attending the ceremonies were invited to use the parking lot of The First English Lutheran Church by Reverend Paul Keppeler.

District GOPs To Hold Party

The official 14th District Republican Committee hailed the effort of Republican workers throughout the District at its regular monthly meeting last Thursday, following the November 8 election.

Improved percentages were reported for all candidates in the District by Richard Durant, Chairman of the Committee. Special recognition was made of the highly successful fundraising job on behalf of all local Republican candidates. Highlighting this effort was "The Final Event," a buffet dinner sponsored by the Committee for the Twelve Republican Candidates the night before the election, at which \$3,000 was distributed among the local candidates from U. S. Congressman down to help them defray their campaign expenses.

The District Committee also announced plans for the annual open-house Christmas Party on December 26, and that the official Headquarters at 18316 East Warren avenue would remain open on a year-round basis, as in the past.

Public School Enrollment Hits 12,285

(Continued from Page 1)
 The first semester of the 1966-1967 year.

The school trustees acted upon a variety of routine staff appointments and resignations, and they accepted the report of Ray MacArthur, Director of Business and Finance.

The trustees set Monday, November 28, as the bid date for the sale of 1966 school buildings.

At the close of the formal agenda there was discussion by members of the audience, the Board and the administration on the timetable for installation

of portable classrooms at Maire and Kerby Elementary Schools. The buildings were occupied by classes on Monday, November 12.

Special guests in the audience included students from Grosse Pointe High School who had been invited to see the Board of Education in action.

Five-Year Tax Comparison Shown in Farms Report

The Farms tax rate for 1966 is lower than in 1962 and 1963, but slightly higher than in 1964 and 1965, according to a five-year tax rate comparison submitted to the city council by City Assessor Carrol Lock on Monday, November 7.

However, the report showed, county and school tax rates have been on an increase during the five-year period.

The Farms rate is based on local real assessed valuation and the county's on county-equalized assessed valuation, and the school rate, on state equalized, but it all events out because these governing bodies must raise only enough to operate during the fiscal year.

In 1962, the city rate was 17.37 mills, or 17.37 per \$1,000 assessed valuation; the county rate, 7.90 mills, or 7.90 per \$1,000 county equalized assessed valuation; and the school rate, 25.10, or 25.10 per \$1,000, state equalized assessed valuation.

In 1963, the city rate was \$17.37; county, \$8.63; and school, \$26.10; in 1964, it was city, \$16.20; county, \$9.24; and school, \$27.90; in 1965, it was city, \$16.70; county, \$9.02; and school, \$29.12; and in 1966, city, \$17.20; county, \$9.65; and schools, \$31.85.

Lock's report also revealed that the total taxes paid by Farms property owners for all three governing bodies, amounted to \$50.37 in 1962; \$52.10 in 1963; \$53.34 in 1964; \$54.84 in 1965; and \$58.70 in 1966.

Total school and county rates also showed an increase. In 1962 it was \$33; in 1964 it was \$34.73; in 1964 it was \$37.14; in 1965 it was \$38.14; and in 1966 it was \$41.50.

Mayor Williams Butler commented that the low tax rate figure of the community speaks for itself, in that the city government is being run efficiently and economically.

Rotarians Hold Big Observance

The Rotary Club of Grosse Pointe have joined more than 12,500 other Rotary Clubs in 123 countries in this week's world-wide observance on "The Rotary Foundation Week," November 13-19.

This year's celebration marks the beginning of a year-long observance by Rotary Clubs everywhere of the 50th anniversary of the Rotary Foundation, according to Rotary Club president Bruce Bockstanz.

The objective of the Foundation is to further understanding and friendly relations between peoples of different nations. Supported by contributions from Rotary clubs and Rotarians around the world, the Foundation received more than \$1 million last year.

Since 1947, when a program for graduate study abroad was begun, the Rotary Foundation has awarded 2,300 Rotary Fellowships at a cost of more than \$6 million. Recent awards for the 1967-68 academic year totaled more than 160 and represent \$500,000 in Fellowships.

To enlarge its work in the field of international relations, the Foundation recently added two activities to its program: Awards for Technical Training to enable young men to improve their skills by studying in another country, and Group Study Exchanges of teams of young business and professional men between different countries. Bob Harrison, International Service Director, reports that more than 450 persons throughout the Rotary world receive awards each year.

Park Faced With Problem

(Continued from Page 1)
 is probably one reason the proposal was defeated, she said.

Has Become Obsolete
 Douglas Graham of 1035 Bishop road, said that he swam in the pool at the waterfront park when he was 12 years old. At that time, the pool was the envy of surrounding communities. Today, it is being laughed at because it is so obsolete, he added.

Graham and others in the audience, including Arthur H. Getz of 1119 Buckingham, and Mrs. James Graves of 1304 Buckingham, favored finding another solution, perhaps a modification of plans, in order to improve the Park's recreation areas.

Councilman Robert Hutton, in a comment requested by Mrs. Graves, said that the study and recommendation made by the Plan Commission need no changes, that the plan was a good one. But, since it was turned down by the voters, even with the moral support of the mayor, who worked hard to have the issue passed, the city perhaps could save the needed money over a period of maybe 18 years, and then go ahead with the improvements.

Too Long to Wait
 Mayor Patterson thanked the councilman for his remarks, and quipped, "In 18 years I might not be here to give my moral support, but you can be assured of my spiritual support."

It was agreed that if the residents of the Park are to be given the best in recreation, another solution must be arrived at, and one thing that is not in the best interest of the people is the present pool at the waterfront park, which could be closed by the State or County Health Department.

The mayor said that when the pool was built 30 years ago, there was no water pollution

regarding Lake St. Clair and the Detroit River, and there was no health problem when raw water was pumped into the pool.

Today, he added, a federal health officer, investigating the pollution of the lake and river waters, said they are not fit to swim in.

Logan on Carnegie Tech Harrier Team

Brian M. Logan, a sophomore in the department of mechanical engineering, College of Engineering and Science at Carnegie Institute of Technology was a member of the 1966 Carnegie Tech cross-country team, which finished the season with a perfect 9-0 record.

Logan, a 1965 graduate of Austin Catholic Prep, was a member of a team, which over the past six years has been the most successful intercollegiate athletic competitor at the university. Since 1967, when present coach Carl Olson took over, Tech cross country teams have won 53 meets, losing only 4, and tying one.

The Logans reside at 1246 Yorkshire road.

Woods Police Nab Youths In Entering of Orphanage

A former ward of the Protestant Childrens Home in Cook road, and a companion, were arrested by Woods police on Sunday, November 13, for investigation of breaking and entering the Home. Nothing was reported taken, Woods police said.

Patrolman James Davidson, while on routine patrol, observed a parked car with its lights on, and a youth behind the wheel. The vehicle was facing west on Cook road.

The youth, who was identified as Richard Hufford, 20, of 3287 Chamberlain, Detroit, was questioned regarding his presence in the area, and he told the officer that his car had stalled.

While Hufford was being questioned, a radio broadcast was received that the Home had been broken into, and the youth responsible had escaped. Because of the nature of the incident and possible connection with the break-in, Hufford was placed under arrest for investigation.

He told interrogating officers that he was on probation for forgery, and that he admitted this freely because he did not want to get into further trouble. He consented to questioning without an attorney present.

In the meantime, Woods Patrolman Albert Abend, scouting the area for the youth reported to have fled after entering the Home, saw a young man, whose description tallied with that of the person who got away, and placed him under arrest. The arrest took place in front of 19341 Mack avenue.

The second youth was identified as Daniel E. Rogers, 17, of 1110 Lawndale, Detroit, who Hufford said, was dropped off at the Home, after plans were made to break into the building, where Rogers said he could get a lot of money.

Rogers, it was disclosed, had been placed in the Home by Juvenile Court Authorities on June 30, 1961, and according to Hufford, masterminded the attempted burglary.

Det. Sgt. Thomas Kane said that Herbert J. Shanks, administrator of the Home, received a call from a night nurse that she heard the sound of breaking glass at the rear of the building. Shanks in turn called Howard Robinson, turn director, who grabbed a rifle and ran to the location where the sound was heard.

Robinson said he ran out of the building in time to see Rogers running away, and was about to fire a warning shot into the air, but changed his mind. He called police and gave a description of the escaping youth.

The matter is still being investigated to determine what charges should be filed, it was said. Nothing was reported missing from the Home, apparently because of the quick action of the staff members involved.

Trio Nabbed

(Continued from Page 1)
 ed that the trio were spotted going east on Mack.

Park Patrolman Collin LaLonde, who gave the information, said he was behind the suspects, and requested assistance. Park Patrolmen Robert Corey and William Furtaw radioed they were responding.

Glanert and the Detroit police officers arrived at Mack and Chalmers just as the Park patrolmen stopped the suspect car and its occupants.

Three identified
 The Farms patrolman identified the three men and their car, and placed the men under arrest.

At the Farms station, a fur piece, which was said to have been stolen from the delivery truck, was found in the suspects' car, and turned over to Farms Det. George Van Tiem.

LaMar was the person who actually took the item from the truck, and was seen with the package in his hand by Glanert, police said.

 price tag on it. "He looked as if he was delirious or insane. He was a six-footer and pretty strong," Papista said.

When queried as to why he jumped an armed and irrational man, Papista responded, "Why, he was aiming the gun at a lady."

Burney, 44, of 6182 Wabash, a DPW worker was charged with felonious assault. He was enraged because his estranged wife had refused him permission to see their two children, aged 1 and 3. They were to have an appointment with the Friend of the Court employee to talk over child support payments. They separated in June and their divorce is pending.

Christine Cosgrove of 3626 Bedford road, was headed east on Mack avenue Friday, November 11, in the second lane of traffic, when she stopped for the light before making a right turn on Rivard boulevard.

At that point a light blue station wagon, which was parked at the curb, pulled out and hit the right rear fender of the Cosgrove car. The driver of the blue station wagon did not stop to identify himself.

Minor damage was sustained by the Cosgrove car. Police are investigating.

On March 2, 1969, the Kansas Legislature made it "unlawful for any person, company, or corporation to sell or give away any cigarette or cigaret papers." The law remained in force until its repeal in 1927.

The car was stopped on St. Clair at Mack waiting to make a right turn onto Mack avenue when the driver edged out to see if the traffic was clear. At the same time the boy, going west on Mack avenue, tried to pass the car. The boy and car came together, throwing the boy and bicycle to the ground.

He was taken to Bon Secours Hospital and treated for an injured left leg and other minor injuries. The motorist reported the accident to the police and no charges were made.

Woods Amends Plat Ordinance

The Woods City Council voted unanimously to adopt an Amendment of Ordinance No. 8 regarding plats.

The City Council is now going to require that any further platting of subdivisions within the city be required to include a provision for underground wiring and that a bond must be provided by the platator.

Also a provision that all or part may be waived by the Woods Council depending upon the location of the proposed plat with reference to adjacent plats.

VANDALISM REPORTED
 Michael Davis of 19970 Emory court, reported to Farms police that an unknown person broke off the radio aerial on his car, while the vehicle was parked in the Grosse Pointe High School parking lot. The incident occurred on Monday, October 31.

Safe Cracking Cleared in Park

A 16-year-old Detroit boy who was being held by Wayne County Juvenile Court authorities, cleared the September 5, 1965, burglary of the Esquire Theater, 15311 East Jefferson, in which more than \$800 was taken from an office safe.

Park Police Chief Arthur Louwers said that the youth, who had been arrested in Detroit, was suspected of being involved in the burglary by Det. Arnold Hough and Det. James LaPratt, both of whom went to the Youth Home, where the boy was confined, to question him.

The chief said the detectives took custody of the teenager, and took him to the Park station for more questioning.

Hough and LaPratt said that the boy gave exact details of how the theater building was entered through the rear alley door, and how the office safe was pried back, enabling the youth, and three companions, to enter the safe and take the money. The boy also disclosed the breaking into of a coin machine, and removing the money from it.

The teenager described everything in detail, the detectives said, leaving no doubt that he was involved in the crime.

It was brought out that one of the persons with the boy at the time, is presently under sentence in Detroit to go to prison, and the other two companions are being processed against by other law enforcement agencies.

A complaint has been filed with Juvenile Court authorities against the boy for his part in the burglary, Chief Louwers said.

Boy on Bicycle Rams Into Car

A 12-year-old boy riding his bicycle against traffic was hit by a motorist on Saturday, November 12, on St. Clair at Mack avenue.

The car was stopped on St. Clair at Mack waiting to make a right turn onto Mack avenue when the driver edged out to see if the traffic was clear. At the same time the boy, going west on Mack avenue, tried to pass the car. The boy and car came together, throwing the boy and bicycle to the ground.

He was taken to Bon Secours Hospital and treated for an injured left leg and other minor injuries. The motorist reported the accident to the police and no charges were made.

Do electric dryers really cost less to buy?
 Do you really get no-charge service?

Do kids like ice cream?

The answer, of course, is a rousing YES! Model for model, electric dryers cost up to \$20 less than gas dryers. And every electric dryer is backed by Edison's No-Charge repair service. No charge for any electrical parts. No charge for labor. Edison is the only utility company in this area that offers no-charge repair service.

Can you get this kind of worry-free assurance with a gas dryer? Sure—with a manufacturer's repair service policy. But it will cost you up to \$120 over the first five years of operation alone!

One thing more. Edison's No-Charge repair service applies even if you don't buy your dryer from Edison—so long as the dryer is electric and you get your electricity from Edison. And if you buy now from a participating dealer, the low price you pay includes the cost of wiring, if any's needed. So when you add it up, an electric dryer can save you up to \$140 in just a few years. That can keep the kids in ice cream a good long time.

Says Most Users of LSD Probably Sick Beforehand

A University of Michigan psychiatrist stated that of all patients he had examined who had used LSD, the incredibly powerful drug that acts on the mind, most were "probably sick beforehand."

Speaking before doctors, school officials and clergy at the Annual Cottage Hospital Clinic Day, in the Fries Auditorium of the G.P. War Memorial, November 9, Dr. John Pollard stated that reaction to the drug was related to the reason the person was taking it.

"If a person wants to see God, or his inner self, and then takes LSD, he winds up thinking he probably has seen God or his inner self," stated Dr. Pollard.

On the other hand a normal person not knowing what he was consuming would only experience uncomfortable and exaggerated reactions, according to the U-M psychiatrist. Noises are louder, colors more vivid, and attention is more concentrated.

"It doesn't make you smarter or more artistic, or provide special insights," said the doctor.

"I've taken LSD (which is the brief name for "lysergic acid diethylamide") six or eight times in experiments, and I am still as stupid as I ever was," added Dr. Pollard.

LSD is derived from "ergot," a fungus disease of rye, cereals and certain wild grasses. It is so powerful that only one ounce can cause reactions in literally hundreds of people. LSD is now banned by the government, but, according to Dr. Pollard, certain bootleg chemical firms are still manufacturing it and selling it for as much as \$2 to \$10 for a cube of sugar treated with it.

Practicing as well as research psychiatrist at the U-M, Dr. Pollard is author of a recent book titled, "Drugs and Phantasy." He expressed grave concern about drug addiction, particularly LSD.

Dr. Pollard said he believed that when the government banned the manufacture and availability of LSD, it merely drove the drug underground.

"Today," said Dr. Pollard, "there are only four remaining legitimate experiments involving LSD, and these are being dropped."

"This only means," he added, "that experimentation is taking place on high school and college campuses, rather than in laboratories."

He reported that in New York City alone 23 cases of acute reaction to LSD were being seen at Bellevue Hospital each month. He also said he knew young people were getting the drug at Wayne and the U of M,

even in the area of certain east-side Detroit high schools.

Dr. Pollard chided the popular press for exaggerating and glamorizing the effects of the drug, and he cautioned doctors to look for a serious psychiatric disorder in patients who used LSD.

Nearly 100 physicians attended the Cottage Hospital Annual Clinic.

The first vacation Bible school for youngsters was opened in 1801 in New York City by Dr. Robert Boville of the Baptist City Mission.

Police Seeking Would-Be Thief

A Park woman walking past an alley at Kercheval and Beaconsfield thwarted a youth's attempt to grab her purse on Wednesday, November 9, at approximately 8:35 p.m.

According to information released by Park Police Chief Arthur Louwers, Mrs. Jeanny Caracausi of 1119 Beaconsfield, was on the sidewalk, and as she passed the alley, the youth crept up behind her and grabbed her purse. A short struggle ensued for the purse, and the culprit lost.

When he could not accomplish his purpose, the would-be purse snatcher ran east on Kercheval and then south down the Beaconsfield-Nottingham alley to St. Paul where he disappeared. A search of the area

by police was without success.

The youth was described as being white, about 16 or 17 years old, about five feet two inches to four inches tall, and wearing an Eisenhower type jacket and a beret.

Chief Louwers said that because of this unusual type of apparel, the help of citizens is requested in trying to locate the teenager. Anyone having information, or recalling a person wearing such a jacket and headwear, should call Park police, Valley 2-7400. All information will be kept confidential.

Released on Bond

Rowland was arraigned before Farms Municipal Judge William Connolly on a warrant charging him with attempted breaking and entering of a truck. The accused man was released on \$1,500 personal bond, pending a definite date set for examination. He had pled not guilty as charged.

The delicatessen was forcibly entered shortly after midnight on October 31. The burglar escaped with five packages of cigars and \$57 in cash.

Police Chief Jack F. Roh complimented the arresting officers for their alertness and for the apprehension of the suspect.

"The officers, of course, were only doing their duty," the chief said, "but it is a rare incident when a person is found at the scene of a crime. Using restraint

in arresting the suspect, without resorting to the use of firearms, or force, is also a part of a policeman's job under certain circumstances."

And—STOCK MARKET REACTS SHARPLY TO REPORTS FROM EUROPE

Significant developments affecting a businessman's securities often arise when he is least inclined to stop and weigh their impact.

Yet inaction, he knows, could prove costly.

With that knowledge, peace of mind vanishes...and the quest for imaginative, out-of-the-ordinary investment help begins.

Frequently, these days, the quest ends with the discovery of the Investment Management

Service of the National Bank of Detroit.

Among its notable characteristics are personal counsel and objective judgment—backed with continuing study and analysis by an able

and experienced investment staff.

May we explain the practical advantages to you? Write or phone Edgar B. Galloway, Vice-President (965-6000, ext. 2182).

Carthage College Honors Dr. Sweet

KENOSHA, Wis., Nov. 2 — Carthage College's Homecoming football game this year honored 1930 graduate, Dr. Leon A. Sweet, vice-president, research, for Parke, Davis & Company.

Dr. Sweet, who lettered in football as a lineman for the Redmen, was the second such former Carthage athlete to be

honored, since the game dedication award began last year. Dr. Sweet, a native of Polo, Ill., joined Parke-Davis in 1933 as a research chemist and rose through the research department to become director in 1949 and a vice president in 1952. He resides with his family at 1029 Cadieux road, Grosse Pointe.

To Vietnam

The Department Commander of the Veterans of Foreign Wars, BONIFACE R. MAILLE, of 700 Balfour road, left for South Vietnam Wednesday, October 26th to participate in National Day ceremonies, as guest of General Phan Xuan Chieu.

Maile, a Detroit attorney and World War II officer in the Amphibian Command, not only took part in the National Day programs November 3, but will also tour American troop operations in the area.

Upon his return, Maile will deliver a firsthand report to the 60,000 Michigan VFW members who have solidly backed the Administration's action in Vietnam.

Sidewalk Supers Get Good Break

Sidewalk Superintendents need not stand on the "sidewalk" to view the construction of the new Kresge Exhibit Hall at the Detroit Historical Museum, Woodward and Kirby.

By converting a large receiving door opening, the Museum staff has devised a window-overlook to the construction site from inside the present Museum Building.

The "viewing" windows inside the Museum overlook the excavations for the building extension, and as construction proceeds, the entire procedure will be in close view to Museum visitors.

A "warm" inside viewing station is available to Museum visitors from 9 a.m. to 6 p.m. Tuesday through Sunday. The Museum is closed Mondays.

Square Eggs, Low Finance, J.A. Success Ingredients

Does your morning egg run thinly over the pan? You can now solve your runny egg problem with a Handy-Dandy Egg Square, a product of Setip, one of 37 new businesses organized during October at the local Junior Achievement (J.A.) Business Center, 16401 Harper near Cadieux.

After forming their companies, the teen-age Achievers elect officers, choose a product or service to market, then sell stock to the public in single-share sales of \$1. A company usually has a maximum of 20 members and capitalizes for about \$100.

With this money the Achievers take care of incorporation costs, buy materials, pay rent and all the usual expenses of doing business—including taxes. They meet payrolls for their wages, salaries or commissions earned in producing and marketing their output. Products are of surprisingly good quality, value and design.

Each J.A. company is assigned adult advisers to guide it in production, selling and accounting. These men are volunteers; many have been performing this job for J.A. 10 or more years.

Industries lending advisers to the Harper Center this year are: Stamping Group (Mack Avenue Plant) and Car Assembly Group (Jefferson Assembly Plant), Chrysler Corp.; Detroit Forge Plant, Chevrolet Motor Division, General Motors Corp., and Zenith Carburetor Division, The Bendix Corp. The J.A.'ers they counsel meet one evening a week, Monday through Thursday.

A Wednesday afternoon operation is sponsored by the Automotive Division, The Budd Co.; Parke-Davis & Co.; Hiram Walker, Inc., and Fruehauf Corp. Detroit Bank & Trust advises a miniature bank serving the junior firms.

When asked why he kept coming year after year, one adviser is reported to have answered, "It beats bowling—far more fun."

The real benefit is in the experience gained by the Achievers as they learn the pitfalls and exhilarations of business, and how free enterprise works, according to Hugh Matheson, the new Harper Center manager.

A native of Kincardine, Ont., Matheson is a Japanese linguist. He served as a corporal with the U.S. Marine Corps in World War II and as Sergeant 1/C Army Counterintelligence Corps for four years — "the world's only seagoing CIC agent." Subsequently he was an investigator for the District of Columbia Real Estate Commission.

"With more than 600 young people in and out of the center each week, the place is jumping," Matheson said. "Our manufacturing, office and administrative facilities are used by teen-agers from the east side of Detroit, from Harper Woods and the Pointes."

Among the 33 high schools

represented by sophomores, juniors and seniors are: Southeastern, St. Ambrose, Austin, Notre Dame, Servite, St. Thomas Apostle, Osborn, St. Philip Neri, Eastern, St. David, DeLaSalle, Grosse Pointe, St. Catherine, Northeastern, Our Lady Star of the Sea, Denby, St. Charles, Harper Woods, Dominican, Bishop Gallagher, SS. Cyril and Methodus, Finney, Nativity, Lutheran East, and Annunciation.

Although J.A. companies are already in operation, there is room for a few more members on Wednesday evenings. Business-minded high school students, 15 to 19, who wish to participate may contact Matheson on Wednesdays by calling TU 1-0740 at 6:45 p.m.

Active since 1949, J.A. of Southeastern Michigan now has 20 centers in its six-county area, giving 8,000 young people the opportunity to go into business for themselves. The program is entirely supported by business and industry.

De-Feet Win At The Polls

By Pepper Whitelaw

While patiently waiting my turn at the "mystic monster" on election day, I was struck with the view of the voter, those outside of the voting booth get. I realized that never have feet and legs been more expressive.

The "never had a doubt whom I was going to vote for" type stand erect, feet at attention, firmly and confidently planted on the ground. He exits from the booth before the next person can blink an eye. Then the "bewildered" type . . . he wasn't even sure he was registered . . . this one stands first on his left and then on his right. Mentally he is doing exactly the same kind of gymnastics. He takes quite a bit longer in the booth.

The "fashionable gal" complete with 4-inch heels and gossamer sheer hosiery stands in that unbelievable models' stance . . . incidentally she is a delight to all the waiting-wary men voters outside the booth.

The "sensible shoe" type enters, no nonsense, pulls all the right levers and when departing stomps her foot, putting her seal of approval on her vote.

"Tiny-footed," lavender and lace" elderly ladies are a delight to watch. Their little feet strut into the booth and in little dance steps they tap off their candidates one by one with their toes.

"Undecided Umbert's" feet are something else. He looks like he is ready to leave the booth three or four times before he actually does. He does a box step with a touch of the tango thrown in, making it mighty tough on the waiting voters, who have braced themselves for entry three or four times before they actually make it.

The "shoe polisher" is the most practical. He polishes while voting . . . rubbing each shoe against his trouser leg very systematically.

But look as I might, I didn't see one pair of "lazy feet" . . . the lazy ones were at home curled in houseslippers. They never made it to the polls. So I guess you might say DeFeet won that November 8.

Honesty and integrity are truly name-brands on any market.

Reckless Driver Nabbed in Woods

Thomas E. Griffin, 35, of 907 Royal, Royal Oak, was arrested on Friday, November 4, and charged with driving while intoxicated.

Woods Patrolman James Davidson said he was patrolling Mack when he observed a car going south on the avenue and swerving from lane to lane and traveling at about 50 miles an hour.

The driver, Griffin, continuously applied his brakes and then speeded up, the officer said. The motorist was stopped at Frestwick and Mack, and asked for his operator's license.

Griffin, ordered out of his car, appeared unsteady on his feet, the patrolman said. Griffin was taken to the station where he was given a violation ticket for driving while under the influence of alcohol, and after he sobered up, was released after posting bond of \$150, pending a hearing before Municipal Judge Don Godrow.

Pointe Garden Club To Meet

When you love your work, it shows.

And we love our work. So much that we couldn't bear to stop with the slickest-looking split grille ever to grace a Wide-Track. (Or any other car, for that matter.)

We went ahead and made the windshield wipers disappear. The car not only looks cleaner, but the wipers are less subject to icing and freezing, too.

Then we got rid of the vent windows on all Grand Prix hard-tops. We replaced them with nifty monograms and a flow-through ventilation system.

We even designed a rather unique hood-mounted tachometer option that's available on all Pontiacs. As are our other new options like stereo tape and stereo radio.

And, of course, our handsome interiors have to be seen to be believed.

All Pontiacs have standard safety features that include a dual master cylinder brake system with warning light, outside rear-view mirror, and GM's energy absorbing steering column.

Isn't it time you decided to see your Pontiac dealer? If you love our work the way we do, it's the least you can do.

Fire Reported By Patrol Boy

Dr. and Mrs. Robert Skau of 577 Washington road can be proud of their son Greg, a sixth grade student at Richard School.

Greg, who is a safety patrol boy, spotted a bush fire at the corner of Lincoln and Kercheval, while returning to his post from lunch Friday, Nov. 4. He hurried to the Farms Drug Store and told a clerk there about it. She gave him a dime to call the Police Department. Greg did not wait to hear the telephone conversation as he was heard to remark, "I have to go to my duty." From his post he saw the fire truck on its way to the fire.

Greg is in Mr. James Neville's sixth grade class.

Silver Jubilee Bazaar To Be Held At St. Jude

A Silver Jubilee Bazaar, honoring the 25th anniversary of St. Jude Parish, will be held from 12 to 8 o'clock on Sunday, November 13, at the St. Jude Gym in East Seven Mile road, Detroit.

This annual bazaar, sponsored by the St. Jude Rosary Altar Society, promises to be the best ever with all parish societies participating. In addition to the Rosary Altar Society, Ushers Club, Rapport Club, St. Paul Guild, Dads Club and Teen Club, for this 1966 Jubilee affair the Choral Club and Pre-School Program Mothers will contribute time and talents. General chairman is Altar Society president Mrs. R. E. MacDonald.

MACP Backs Safety Program

A Safety Enforcement Emphasis Program, sponsored by the Michigan Association of Chiefs of Police, was begun on Friday, November 11, and continues through February 12, 1967, it was disclosed by Park Police Chief Arthur Louwers, president of the Association.

The chief also revealed that pamphlets and news releases have been distributed outlining the program, developed in the interest of traffic accident prevention.

Motorists stopped for a traffic violation in Michigan during the four-month period, can expect an inspection and report on the condition of their vehicles.

Patrol officers of cooperating departments will check the following major safety items: steering, brakes, horn, mirrors (inside and outside), windshield and windows, visibility equipment, headlights and other lights, tires, and exhaust system.

Policemen will also indicate the status of the driver's operator's license in their report.

Taking part in the special enforcement program are organizations united with MACP, including the Michigan State Police; The Michigan Sheriffs Association; The Michigan State Safety Commission; The Michigan Federation of Safety Organizations; Traffic Safety for Michigan, Inc.; and the Michigan State University Highway Traffic Safety Center.

Officials of MACP point out that stepped up enforcement, under such a program, has produced favorable results in the past, and that it is intended as an immediate and effective attack upon the continuing worsening trend of our traffic toll over the past five years.

"Enforcement and the public must cooperate now, if we are to keep the next few months from becoming the worst on our highways in Michigan's history," the officials said.

Reports filled out by the officers will be tabulated and analyzed to provide facts to:

1. Demonstrate the effects of increased violator contacts and emphasis upon safe vehicle condition upon improved driving behavior and safer vehicles.

2. Provide information on improper vehicle maintenance and driver's license status to encourage the development of needed legislation to make Michigan streets and highways safer.

In a pamphlet distributed by the MACP, it is pointed out that the need for more effective and immediate traffic accident prevention, is indicated by an accident toll that is becoming more frightening every year.

Between 1961 and 1965, it is stated, motor vehicles in Michigan increased 20 percent; estimated travel increased 27 percent; deaths increased 36 percent; casualties jumped 66 percent; and reported accidents, up 55 percent.

The trend is continuing and the next four months threaten to be the worst in Michigan's history.

Chief Louwers said that it is the hope of the Association, that

the State Legislature will realize the need for periodic compulsory vehicle inspection, and will enact a law to that effect. Such a law will receive the endorsement of the MACP, which is recommending such legislation, he added.

Drive Launched To Aid Retarded

Mrs. Rita Charron, president of the Michigan Association for Retarded Children, launched the Grosse Pointe area Fund Drive in support of National Retarded Children's Week, November 13 through 24, at the November 16 meeting of the Grosse Pointe Association for Retarded Children.

Mrs. Charron related how volunteer efforts have worked hand in hand with leadership to establish most of the meaningful action and legislation at the state level providing for the "new world" for retarded citizens. Adequate tax funds for public schools' programs and needed social services are allowing more and more of the retarded to remain in their own homes.

Michigan Association efforts will continue to provide full citizenship for the retarded with such things as mandatory school laws being one of their goals for the near future.

Area Fund Drive Chairman is Dr. Charles Brake. Contributions may be made out to the Grosse Pointe Association for Retarded Children and sent to their headquarters in the Neighborhood Club at 710 Notre Dame.

Funds are sought for nationwide research projects to eliminate the present incidence of 3 out of every 100 children being born retarded. Funds are also needed to promote still needed services for Grosse Pointe children and adults such as lifetime parent counseling, home nursing care, day care center for profoundly handicapped children and the very young, older youth activities center and sheltered workshop.

Library Friends Offering Films

The second program of the 1966-1967 Friends Film Forum movies, co-sponsored by the Friends of the Grosse Pointe Public Library and the Grosse Pointe Public Library, will be shown November 18, at 9:15 p.m. in the Main Reading Room of the Central Library, 10 Kercheval.

This Film Series is planned to provide an opportunity to view films of special merit. The Friends Film Forum series is presented the third Friday of each month, October through April. There is no showing in December.

GREEN MAGIC — (Brazil Film — English narration) — Produced by Count Leonardo Bonzi, leader of the expedition, Director of photography, Mario Craveri, narrated by Brett Morrison and Carlos Montalban — in English.

An expertly-made, superior documentary color film record of the expedition made by Count Leonardo Bonzi and a crew of professional movie-makers across South America from Rio de Janeiro to Lima, in 1952. Few travel or adventure films have ever offered such unusual material. Not only was much of the terrain uninhabited or hitherto unphotographed, most of the filming was done by men who knew how to present extraordinary subjects in cinematically exciting style.

Authentically and effectively captured is a blend of topographical magnificence (strange foliage, monumental waterfalls, swift, and also slow but dangerous rivers, dense jungles, giant trees, and mountains); native customs and animal life (colorful birds, insects, snakes, iguanas, armadillos, and the deadly piranha fish). Many scenes are unforgettable for their natural beauty and stark realism. GREEN MAGIC has great educational value, for it provides information authoritatively, entertainingly, and with dignity. The intelligent commentary written by James Agee is far above the level of the usual travel film. — 85 minutes, color.

The general public is cordially invited to attend this showing.

HIT-RUNNER HITS POODLE

"Prinket," a poodle owned by Mr. and Mrs. William Nienetta of 647 University was struck by a passing car on Thursday, November 10. The driver did not stop. James Weyhing of 629 University place called and reported the incident to the police. "Prinket" was immediately taken to a veterinarian and treated for a broken pelvis and other injuries.

RESIGNS WOODS POST

The Woods City Council accepted with regret the resignation of Bayard A. Clark, 1969 Van Antwerp, as a member of the Citizens' Traffic and Safety Commission. Mr. Clark has served on the Commission since its inception in October of 1962.

Hospital Auxiliaries To Consider Finances

A most interesting program was held by the Michigan Association of Hospital Auxiliaries Southeastern District meeting on Tuesday, November 15, at the David Whitney House, Anlietam boulevard, Detroit.

Arnold Carlson, of the firm of Peat, Marwick and Mitchell, spoke. He chose the topic: "Learn How to Handle Auxiliary Monies."

Since all auxiliaries are involved with finances, he it does or funds raised from projects, gift shops, coffee shops or donations, the information he brought to the meeting was very worthwhile.

Reservations are being taken by Mrs. Martin Mix, TO 7-7831, and Mrs. Franklin Quinkert, TU 5-6391.

Mrs. William Nagel presided at the general meeting following the noon luncheon and the Board meeting at 11 o'clock.

LWV Reports Election Results

Members of the Grosse Pointe League of Women Voters and their husbands participated in ABC-TV's Election Reporting Project on November 8.

At stated intervals, they telephoned American Broadcasting Company headquarters in New York to give voter turn-out information and election returns from four previously selected Detroit precincts.

The following individuals served as "reporters": Dr. and Mrs. Kenneth Pitts, Mr. and Mrs. Lee Johnson, Mr. and Mrs. George Brown and Mr. and Mrs. Paul Eagan.

Standby alternate teams included Mr. and Mrs. James Webers, Mr. and Mrs. Philip Davis, Dr. and Mrs. Douglas Sargent and Mr. and Mrs. William Kessler.

The League is to receive \$80 from ABC for the services its members rendered.

Awards Given By Cub Pack 19

The October 20 meeting of Cub Scout Pack 19, Maire School, was highlighted by the presentation of awards and advancements from last year and new awards including Bobcat pins to 16 new Cubs.

Lyman Larrabee, Cubmaster, and David Bogle, assistant, presented last year's awards to Todd Adams (Denner and Gold Arrow-Wolf) and Jeffery Donat (Gold Arrow-Wolf) both of Den 4; and David Beitel (assist. Denner and Gold Arrow-Wolf) of Den 3.

Jim Sandt of Den 7 achieved Bear Cub Scout rank and the Gold Arrow (Bear) award.

The new Cubs receiving Bobcat pins were, Den 1: William Nichols, Patrick Michels, Jim Michels, George Dufour, Kurtis Yeager, Edward Cole, David Larrabee, and Ralph Mann. Den 5: Drew Peterson, David Jaglois, Douglas Potts, Glenn Eisenbrey, David Grylls, Bobby Stroh, George McMullen, Norman McBrien.

Den 4 welcomed one new Cub, Mike Faber, who was transferred from another district.

Stars Booked For Auto Show

Professional stage shows, after a 10-year absence, will be featured at the 51st Detroit Auto Show, November 26 through December 4 at Cobo Hall.

This is announced by Boyce Tope, show manager and executive vice-president of the sponsoring Detroit Auto Dealers Association.

Show will be presented at 4 p.m. and 8 p.m. daily at no extra charge to auto show visitors.

Appearing for the entire nine-day run will be the popular Si Zentner and his orchestra of 16 musicians. They will present their own show and play for the various visiting stars.

Here are the featured acts:— The Four Lads—Saturday and Sunday, November 26 and 27. Vikki Carr—Monday, Tuesday, Wednesday, November 28, 29, 30.

The Marvelettes—Thursday and Friday, December 1 and 2. Margaret Whiting—Saturday and Sunday, December 3 and 4. Also a first at this year's Auto Show will be a huge exhibit of more than 200 campers, motor homes and travel trailers for the sportsman and outdoorsman.

This year's show will be the largest auto show ever presented anywhere with an area of 400,000 square feet occupying the entire exhibit space of mammoth Cobo Hall.

PARK GIVES HAND At its regular meeting held on Monday, November 14, the Park council approved appropriation of \$400, to materially assist the Grosse Pointe All American Football League, most of whom are Park children, aged nine to twelve. Arthur H. Getz of 1119 Buckingham, who is associated with the organization, told the council the group is similar to Little League Football, but there is no connection between the two.

SPECIAL SERVICE Thanksgiving will be observed at a 10:30 o'clock service on Thursday, November 24, by First Church of Christ, Scientist, Grosse Pointe Farms, in the William Fries Auditorium, Grosse Pointe War Memorial, 32 Lakeshore road.

MR. and MRS. ROBERT... MRS. ALBERT K...

As citizens of the Grosse Pointes and member of the Grosse Pointe Human Relations Council, we support the statement of purpose herewith from our By-Laws.

STATEMENT OF PURPOSE

"As residents of the Grosse Pointes who are proud of their community and desire to maintain its high standards, we affirm our belief that:

The dignity of the individual is the basis of our ethnic and community life.

The continued life of our community is dependent upon the recognition by all of us of the individual rights of each neighbor.

For our community to continue to flourish and prosper, we must learn together to recognize dramatic changes that are taking place in our nation and their effect upon the rights of all citizens in this, our community. And each of us acknowledges the fact that one's desirability as a neighbor does not depend upon his race, color or creed.

We expect: To promote goodwill, understanding and respect for human dignity as well as respect for the law among present and future members of this community, regardless of race, color, religion or national origin;

To create discussion, disseminate information and offer opportunity for people to become more knowledgeable and effective in inter-group relations;

To cooperate with other groups or organizations of similar purpose; To become reconcilers in our community, a voice of calm and reason, a group uniting all people of good will prior to and during integration, with the goal of making our community a place where men of all races will have equal opportunity in education, housing, employment and total community life."

Gay Life at Turn of Century Recalled by 90-Year-Oldster

By Elizabeth Stephens Life would have been full indeed if you had been an eligible young bachelor at the turn of the century like Charles E. Delbridge who celebrated his ninetyeth birthday November 11 with his family and a few friends at his home in Hendrie lane. And just to show what excellent condition Mr. Delbridge is still in, the party didn't break up until 2 a.m.!

Mr. Delbridge recalled: "It gave a great boost to a young man's social life to be on the good side of Miss Ella Liggett, who gave monthly dances for her students, many of whom were boarding. I couldn't hear music without dancing, and she knew she could rely on me to be first on the floor and last off. She was also interested in the Woodward Avenue Congregational Church that I attended and used to put on the social functions. One time she needed ferns for decorations. I remember borrowing a small wagon from Dexter Ferry, to which I hitched my horse, to gather the ferns from the outskirts of the city, which were then around East Grand boulevard.

Because of these favors she never scolded me the night a group of the boys spiked the punch at the Liggett School dance, although I had brought my four ounces for that purpose along with the others."

Mr. Delbridge also recalled meeting his wife, the former Florence More, of Springfield, Mass. He had been invited to a dinner party at the Detroit Boat Club to meet Miss More and two other visiting young ladies, given by Mrs. Ida Schmidt Moran. He had missed the dinner because he had impulsively decided earlier in the day to accompany his brother-in-law, Herbert W. Noble, on a 100-mile endurance race in one of the first White Steamer automobiles in the area.

The endurance was mostly on the part of the automobiles, although he came back with a bad sunburn, having only the light straw hat he had worn into the city that morning for protection.

The White Steamer had to refill its water tank every 20 or 30 miles, but the object of the race was not to finish fast but just to finish. And finish they did—just in time for him to go to the dance—sunburn and all.

That was how he met and danced with the attractive Miss More. It is not surprising that he was invited to attend another party for the visiting trio the following day. This he was

forced to decline, as he had promised to spend the week-end sailing to the Flats aboard the Genessee, but he said he would signal as the ship sailed by the Karl E. Schmidt home on the corner of Kerby and Lake Shore roads, where Miss More was staying.

Fate becalmed the boat near the Schmidt property on the return trip. Remembering his promise to signal, Mr. Delbridge hailed the figures of a man and three girls at the edge of the lake. Time hanging heavy, he launched the power dinghy and made for shore. As he drew close, he realized the figures who had waved back were strangers, but by then he could see the Schmidts on their porch with their guest.

When explanations had been made all around, it occurred to the young man to invite the visitor to finish the voyage to the Boat Club and stay for supper. The invitation was accepted and the necessary chaperone found. Mr. Delbridge remembers that his friends on the boat drifted back and forth at least six times before the ladies made themselves ready.

He escorted Miss More and chaperone back to the Pointe that evening, returning on the Inter Urban, one of many trips during the courtship.

A lawyer for 50 years before his retirement, Mr. Delbridge is the father of Mrs. Thomas Little II, William M. Delbridge and Charles F. Delbridge, Jr.

Camera Club Meets Nov. 22

The Grosse Pointe Camera Club will hold a social and educational evening on Tuesday, November 22, at 8 p.m. in the Fries Ballroom of the Grosse Pointe War Memorial.

Featured speaker will be Phillip Coleman, APSA, of Lansing, Mich., this star exhibitor and past president of the Lansing Camera Club will speak on "Abstracts." Mr. Coleman finds many of his colorful slides inspired by his laboratory work. Everyone interested in photography is invited to attend.

Cancer Expert At Symposium

"Our statistics indicate that the best method of treatment of cancer of the neck and nasopharynx is a combination of x-ray therapy and surgery" stated Richard A. Jesse, M.D., Associate Professor of Surgery, University of Texas, College of Medicine in Houston at the fifth annual Symposium at Bon Secours Hospital on Wednesday, November 2, before a group of over 75 physicians and surgeons.

Dr. Jesse went on to describe the necessity for individual treatment of each tumor. Varying amounts of x-ray and radium exposure are used sometimes before and sometimes after surgery.

The treatment of this disease requires the painstaking efforts of Internist for the control of nutrition, Surgeon for the biopsy and removal of the tumor and Radiotherapist for the application of the precise amounts of radiation that are indicated for the individual tumor.

Dr. Jesse is a graduate of the University of Nebraska College of Medicine and is at present Associate Surgeon at the M. D. Anderson Hospital and Tumor Institute in Houston. He is a member of the American College of Surgeons, the American Radium Society, the James Ewing Society and the Society of Head and Neck Surgeons. He is the author of many papers dealing with various aspects of his subject.

Dr. Jesse was the guest speaker and later served as a member of a panel moderated by Richard Royer, M.D., and including Harry Saltzstein, M.D., and Nelson Taylor, M.D. Many points of interest were brought out in the discussion by the panel both before and after a luncheon served by the Sisters of Bon Secours.

The annual symposia of which this was the fifth are conducted by the Staff of Bon Secours Hospital. This symposium was under the direction of the Department of Surgery. Following the meeting Dr. Jesse made rounds of the patients in the hospital with Dr. Roger McNeill, Chief of Surgery, and interns and residents and members of the attending staff.

Two Appealing Court Sentences

Two accused traffic violators sentenced by Park Municipal Judge C. Joseph Belanger on Wednesday, November 2, were granted the right to appeal, and were released on separate bond pending a hearing in circuit court.

Daniel Healy, 25, of 13072 Wade, Detroit, posted a \$100 bond on his case, hoping to reverse a sentence of \$50 fine, or 10 days in the Wayne County Jail. He is accused of reckless driving.

Leon McWilliams, 36, of 6653 Vinewood, Detroit, who had entered a plea of not guilty, and was found guilty of driving while under the influence of alcohol, posted a \$200 bond, pending a circuit court hearing on his sentence of a fine of \$85 or 20 days in jail, and a suspension of his operator's license for six months.

It was disclosed that the high bond was set because McWilliams had appeared in court on a previous occasion on a similar charge and had been convicted.

According to testimony given by Park Sgt. Henry Coonce, who arrested Healy on September 19, Healy was driving a car at a speed of 60 miles an hour in a 25-mile residential zone, and ran through two red traffic signals.

Testimony in McWilliams' case was given by City Patrolmen Gerald DeBoever and Donald Ludlow, who stated that they followed McWilliams into the Park, from the City, and arrested him for violation of the Drunk Motor Law. They signed a complaint with Park police. The alleged offense took place October 2, it was said.

Cottage Hospital Holds Clinic Day

Over 75 physicians participated in Cottage Hospital's Annual Clinic Day, Wednesday, November 9.

In what is becoming an annual medical tradition at Cottage, the doctors gathered at the hospital in the morning to participate in a "clinic" led by president of the medical staff, David H. Barker, M.D.

A clinic is group-discussion of difficult or especially interesting cases at the hospital. The patient's record is read by a resident physician on the hospital's staff, the patient is examined by two outside experts, and the cases are then discussed.

The guest experts this year were Henry K. Hanson, M.D., Professor of Surgery of the University of Michigan Medical Center, and Bernard A. Eercu, M.D., also of the U-M and Director of the Department of Internal Medicine at the Wayne County General Hospital.

Doctor Barker acted as the program chairman, and participation in the Clinic results in academic credit in Postgraduate Medicine, since the Clinic is held in association with the U-M Medical Center.

Following the Clinic, the physicians gathered at the Grosse Pointe War Memorial Center for lunch. Following lunch they heard a lecture on "LSD" by John Pollard, M.D., Associate Professor of Psychiatry of the U-M Department of Psychiatry. Only physicians participated in the morning portion of the clinic, but the lecture was open to the public.

Baldwin Wins Glidden Award

Paul R. Baldwin, of Whittier road, won the Pepsi-Cola Award for Oldest Driver Completing Entire 1966 Glidden Tour.

Baldwin's 1918 Packard Touring completed the 585-mile 21st annual revival of the tour, originated by J. C. Glidden in 1904, to prove the reliability of a new device called the automobile. The 1904 tour ended in Jacksonville, Florida.

Baldwin was one of 237 pre-1931 models entered in the five-day Tampa meeting. Each of the antique cars ventured on daily runs from Tampa to most of West Central Florida's tourist attractions.

Dusters and goggles were the style as many now-extinct products of the auto industry made their appearance. From garages all over the country came models like the first Rolls-Royce

produced in 1905, a 1919 Locomobile Sportif, 1913 Lozier Runabout, Jackson Simplex, Brush, Hupmobile, and Stevens-Duryea.

In June, 1968, the Veteran Motor Car Club of America plans to re-enact the New York to Seattle segment of the great 1908 "Race Around the World." The "race" will be open only to cars manufactured prior to 1913.

It is anticipated that 75 to 100 cars will make the cross-country trip including the 1908 Thomas Flyer, winner of the original race. The original German and French automobiles entered in the 1908 race will also participate in the 1968 version.

At least 22 per cent of the nation's annual perfume sales occur in December.

McCann Skating Rink at University School

Skating Club Has Openings

The Grosse Pointe University School McCann Rink in Cook road opposite the school, plans to open the day after Thanksgiving, November 25.

Because of the curtailment of last year's community skating activity, the University School Skating Club is offering a limited number of additional memberships to people in the Grosse Pointe Community.

If you are interested in a program which includes adult figure, dance, and general skating on weekdays and a full weekend schedule of basic instruction, boys' hockey and family skating, contact Mrs. Betty Martens, TU 4-4444, between 9 a.m. and 12 noon, Monday through Friday, or drop a card to the University School Skating Club, 1045 Cook road, Grosse Pointe Woods 48236, and membership information will be sent to you.

Parents Guests Of St. Paul High

St. Paul High School observed National Education Week by opening its doors to parents on the evening of November 9. On that evening parents were asked to visit the homerooms of their high school students and then to follow a typical day's schedule.

Class periods differed from a regular day's schedule with each class a mere eight minutes long. A 10-minute interval between classes allowed not-so-nimble parents to negotiate the hall space stretching out to the next class.

In each of the classes they visited, parents learned what the overall aims of each course were, what instructors demanded from students by way of homework and class work, and how best they might help their high school student to take advantage of the facilities and programs planned by the school.

Several parents lost their way in the maze between classes; other parents with several teens in school found it hard to decide which classes to visit. These and other minor crises resolved, parents agreed that they understood better, after an evening at school, the aims of the school and the means used to implement these aims.

Members of the Student Council and the National Honor Society helped parents to find the proper classes.

Masonic Temple Ground Broken

The Pointe Masonic Temple Association, which consists of three Masonic Blue Lodges (Composite #499, Eastgate #508 and Acacia #477) broke ground for a new Masonic Temple to be located at Mack avenue and Vernier road in the city of Grosse Pointe Woods, on Sunday, November 6. The building is scheduled for completion by September, 1967.

The following Masonic bodies will meet in the new temple: Eastgate Lodge #508, Composite Lodge #499, Acacia Lodge #477, Laurel Lodge #575, Grosse Pointe Lodge #584, Composite Royal Arch Chapter #178, Grosse Pointe Chapter O.E.S., Eastern Chapter O.E.S., Composite Chapter O.E.S., and Lakeshore Chapter O.E.S.

The officers and Board of Directors of the Pointe Masonic Temple Association are: James Greenfields P.M., President; Roland J. Gilbert P.M., vice-president; Graham Dick P.M., secretary-treasurer; Forrest E. Carr P.M., Wesley Roberts P.M., Jack Shimonishi W.M., Edward Brodzick, Edmund J. Davis, Leroy B. McInally P.M., Paul Eriksen, Donald Schwedler P.M. and Clifford Bothwick P.M.

Attending the ceremonies were the following Woods officials: City Administrator, Chester E. Petersen, Mayor Kenneth R. McLeod, Councilmen Kenneth Boerner, Marvin Boutin, Thomas Leah and Benjamin Pinkos.

Also present were officers of the Grand Lodge of Michigan; Most Worshipful Grand Master, Robert A. Hockstad; Right Worshipful Deputy Grand Master, Ivan E. Addis; Right Worshipful Junior Grand Deacon, Charles Solmo and Worshipful Grand Tyler, Robert D. Hart.

Worshipful Masters of the three lodges building the Temple were also present. They are Jack Shimonishi, Composite #499; Bernard Loyd, Acacia #477; and William Stephens, Eastgate #508.

Invocation and benediction were given by Reverend Holmes Walker, Chaplain of Eastgate Lodge #508. Robert W. Brown, Junior Warden of Acacia #477, served as Master of Ceremonies.

The Audio-Visual Department of the Grosse Pointe Public Library, a Division of the Grosse Pointe School System, is planning its second Travel and Sports presentation for Friday, November 28. The films will be presented at 7:30 p.m. in the Exhibition Room of the Central Library.

The November program includes NEW ENGLAND CALLING—30 min. color. The Land of the Pilgrim Fathers in all its timeless beauty. The tumbling streams and whispering pines, quiet spots rich in thrilling history, lobster fishermen and the oft-painted seacoast, famous summer and winter sports areas, and more. Recommended for adult and teenage groups.

SKI COUNTRY, USA — 28 min. color. Brilliant sunshine—light powder snow—a variety of slopes—thrilling action—expert skiing—beautiful lodges. Excitement is high as some of the nation's top skiers perform sensational feats. Features eight major ski areas near Denver.

The general public is cordially invited to attend this series and there is no charge, of course.

The new 8MM Film Service, a gift of the Friends of the Grosse Pointe Public Library, is proving to be very popular for family use. All you need to take advantage of it is a Library Card. For further information call James Thierington, Head of the Audio-Visual Department at the Central Library, TU 4-2200, extension 51.

Film-Flam Artist Cheats Cashiers

A fast-change artist film-flamed cashiers employed by two business places in the Park on Tuesday, November 8, and in each case left before he could be stopped, it was disclosed by Park Police Chief Arthur Louwers.

The cashiers, both women, whose names were withheld, reported the incidents to their respective supervisors, who in turn called police, but the culprit made good his escape.

The first incident was reported by the Grosse Pointe Branch of the Automobile Club of Michigan, 15425 East Jefferson, at 3:00 p.m., where, it was reported, a man entered and approached the cashier's cage and requested two \$20 bills for four \$10 bills.

The cashier made the change, and while putting the four bills in the register, the suspect claimed that a mistake had been made, that he received a \$20 bill and a \$1 bill, and showed them to the woman, who promptly gave him another \$20 bill. It was not until after the man had left, that the girl realized that she had been short-changed and reported it.

At 3:15 p.m., the same man entered Richards Buick Motor Sales, 15101 Kercheval, and made the same request for four \$10 bills.

However, the chief said, the man operated a little different in this case. After receiving the two \$20s, he appeared to change

Pointe Players Season Opens

Pointe Players, the Grosse Pointe High School dramatic group, under the direction of Frederick Nelson, will open its fall season with a series of three one-act plays.

The curtain will rise at 8:15 o'clock in the High School auditorium on the evenings of Thursday, Friday, and Saturday, November 17, 18, and 19.

Entitled "A Trio Drama," the one-act plays, "The Pot Boiler," "The Woman" and "The Valiant," have been chosen to demonstrate the histrionic ability of the students as well as to provide something of interest for every taste.

Proceeds from the ticket sales for the opening night performance are turned over to the Scholarship Fund of the Grosse Pointe High School Mothers' Club. Benefit performances may be exchanged for reserved seats for either the Friday or Saturday night performances.

The price of tickets is 75 cents, or 25 cents for students with Student Association cards. Holders of \$5 memberships in

the Mothers' Club may present cards at the door and be admitted free.

Mrs. Webster Knight is in charge of ticket sales for the benefit performance; her committee has tried to reach all Mothers by phone.

Mrs. Gordon R. Sorenson, Hospitality Chairman of the Mothers' Club, will provide pizzas and cokes for all members of the productions at a cast party following the opening night performance.

WORRIES DRIVERS

Mrs. Emory Ford of 2 Woodland place notified City police that a dummy lying in the street at Kercheval avenue and Washington road was causing motorists considerable anxiety. Officers Virgil G. Beatpre and William Plumb disposed of the dummy immediately.

Movie to Show French Holiday

A candlelight procession at Lourdes, sight-seeing in Paris, and a cable car ride into the French Alps are among the highlights of Curtis Nagel's color film, "Holiday in France," on the Grosse Pointe World Adventure Series program Wednesday, November 16.

Program time is 8 p.m. at Parcels Auditorium, Mack avenue at Vernier road.

Nagel, Academy-Award-Winning Cinematographer from California, brings to the screen the enchantment, romance, and history of France including among others all of Paris, from the Eiffel Tower to the Left Bank, Chartres Cathedral, the Loire Valley's famous chateaus, picture-book towns in Alsace, the Pyrenees and Basque country, gay resorts on the Riviera, Normandy, and fishing villages on the coast of Brittany.

Ticket and illustrated program information for this and other Grosse Pointe World Adventure Series programs is available at the World Adventure office, open 12 to 5 every afternoon except Monday, in the Detroit Institute of Arts.

Hospital Adds Improvements

Ralph L. Wilgarde, administrator of Cottage Hospital, announced that nearly \$50,000 has been spent so far this year on new equipment and capital improvements at the hospital.

The largest single item purchased, costing over \$12,000, was a urological x-ray table.

Of the total expenditures so far this year, the Women's Auxiliary of Cottage Hospital contributed more than \$10,000. Specifically, the Auxiliary's contribution was used to purchase a new EKG machine, a Coulter Counter, (for blood work in the laboratories), a new electro-surgical unit, and a surgical light.

Mr. Wilgarde reported that approximately \$3,000 was used to purchase new furniture for patients' rooms.

A Chance to Pay Tribute

With the cornerstone of Grosse Pointe's second high school now laid, and reams of copy being produced in connection with this latest and greatest facility of the Public School System, it occurs to us that the name being used for this educational complex is an inadequate appellation. And taking a practical slant from the journalistic angle, we are wondering about fitting this into a headline. It is often necessary now to resort to GPHS to get the present high school into a one-column head. And we are going to have to put up with GPHSN to designate Grosse Pointe High School North? Hasn't the government given us enough initials to last a score of lifetimes?

While the taxpayers are spending this much money, wouldn't it be most fitting and proper to name the new structure after someone who has made a great contribution to the ever-growing excellence of the Pointe's educational system? All of our junior high schools and elementary buildings have been so designated to honor such persons. All over the country many senior high buildings have been named after outstanding persons, for many years.

We're not presuming to suggest any individuals, but we think the Board of Education should give some thought to the matter. As a matter of fact, why not pay tribute to two while we're at it, and give the Fisher road campus a surname or two? The new library there was named in honor of the late Bert Wicking, who did so much for our public schools, but this shouldn't interfere with tying a new monicker onto the lovely colonial main building and its surrounding structures.

Good Reasons To Be Proud

Members of the local contingent which recently attended dedication ceremonies at the airport jointly promoted by the twin cities of Benton Harbor and St. Joseph, Mich., returned full of admiration for the tremendous enthusiasm and dedication of the citizens they met there.

The leaders of this metropolitan area which is headquarters for the Whirlpool Corporation, have so much confidence in the future that they have placed themselves fairly deep in hock to insure the completion of their fine aviation facility.

They are fiercely proud of their accomplishments and dead certain of a brilliant future. But guess what it is that makes them happiest of all... their apples. Michigan is a great fruit state, but like most of us, the local visitors thought of the Traverse Bay area and cherries and peaches when fruit was mentioned. They were straightened out in a hurry on this trip. The southwestern corner of the state produces some of the finest apples found anywhere in America, and an abundance of samples were sent back to prove it. Some came our way, and every time we eat one, (with the utmost pleasure), we face reverently toward Benton Harbor and St. Joseph.

Know Your Schools

QUESTION: I hear a lot about the "growth" of the Grosse Pointe Public School System in recent years. Can you give me some specific examples of the expansion of the student population?

ANSWER: The most recent figures that are available are those prepared by the Department of Pupil Personnel for the meeting of the Board of Education on October 10. At that time the total student enrollment of The Grosse Pointe Public School System had reached 12,274, an increase of 412 over September of 1965.

A further breakdown of these figures shows that the total elementary school attendance of 6,350 represents a gain of 137 over September of 1965. The enrollment in the three junior high schools stood at 2,978 and included a rise of 103 students over the preceding year. Grosse Pointe High School's student body numbered 2,946, a gain of 172 over September of 1965.

We have available many other data that reveal the growth of the system since 1925. For example, a comparison of our enrollment figure for May of 1966 represents a 610.7% increase in students over the 1685 in membership in the district in 1925.

In 1925 we had 360 students in secondary school classes. This total grew to 1085 in 1930, to 1552 in 1935, to 2305 in 1945, to 3193 in 1955 and to 5415 in 1965.

From our available sources of comparative data it is possible

to show similar dramatic rises in the growth of other aspects of the operation of the school district as well.

Thief Finds \$205 In Locked Car

A St. Clair Shores resident, who is a Livonia businessman, lost a large sum of money, apparently to a thief, it was reported to Woods police on Thursday, November 10. Joseph E. Straube, 47, of 22701 East Nine Mile road, told police that he parked his car at the rear of the Nightingale Lounge, in Mack avenue, at about 10:10 p.m., and entered the bar to look for a friend.

About 15 minutes later, Straube said, as he entered his automobile, he discovered a cloth money bag containing \$205, missing from beneath the front seat. He said he placed the money under the seat when he closed his place of business, the Livonia Beef House in Plymouth road.

He told investigating officers that he had locked the car before going into the bar, and when he returned, he noticed that a vent window had been pried open.

The matter was referred to officers of the Detective Bureau for further investigation.

The U.S. Public Health Service monitors the nation's air, water, soil and foods throughout the year for traces of pesticide poisoning.

Thomas Bailey Receives Honor

Thomas E. Bailey was installed as Regional Director of the National Catholic Theatre Conference for the Midwest States on Friday morning, November 11, in the Actor's Chapel in West 49 St. in New York City. Mr. Bailey is Vice Principal of Activities and Chairman of the English Department at Austin Prep School. For the past two years Mr. Bailey has served as Unit Chairman of the active Detroit Genesians. The Genesians, as a part of the National Catholic Conference, arrange and direct drama and speech festivals throughout Michigan. Under his new post, Mr. Bailey will supervise drama and speech events for the Midwest. He will take an active part in the national office of the NCTC which is located in Washington. Mr. Bailey received his commission from Rev. Gilbert Hartke, O.P., national NCTC President and director of the Theatre Department of the Catholic University, Washington. Following this impressive ceremony was a banquet in the Americana Hotel.

What Goes On at Your Library

By Virginia Leonard

At judicious intervals, it seems worthwhile to mention new faces, and old faces in new positions, in our Grosse Pointe Public Library System. Checking back to July 1, 1966, we have "gathered" the following candidates.

A hardy perennial (and she may hate me for saying this!) is Mrs. John Barr, known as Phyl to her friends and associates. As of the above date, she became Secretary to the Director of the Grosse Pointe Libraries, but had been Assistant Secretary to the Director since 1956 (working half-time until about three years ago). Efficient, understanding and ebullient, she has truly been a "right-hand man" to Mr. Orr. Phyllis hales from Canada, near Toronto, but came to Detroit and Grosse Pointe in 1934. Her two children are Robin, married, with two small sons, and living in Jackson; and David, married, with one and one-half (!) children, and living in Oak Park. David is a rapidly-rising young artist, who teaches art at Macomb Community College and Wayne State University, and has two pieces in the permanent collection in the Detroit Institute of Arts. When not on the balcony, ministering to the wants and needs of staff and public, Phyl pursues her hobbies of reading and attending the theater. Her favorite color? Blue. Her favorite food? Chocolate!

Across the desk from Mrs. Barr is Mrs. Thomas E. Morris, whom we all call Ruth. She now holds the position of Assistant Secretary to the Director, and has been with us since October 3. Ruth also has two children—both daughters. One is a freshman at Nazareth College in Kalamazoo; the other a sophomore in high school. She is a native Detroit, but now lives in Grosse Pointe. She held several interesting positions prior to coming to us. She was secretary for the legal department of the Automobile Club, and also worked as secretary to the president and the chairman of the board for Beauty Counselors. What of her free time? She enjoys knitting, reading and playing bridge. We are happy to have Mrs. Morris on our team. She is capable, calm and productive. But when you talk to her, she sparkles, showing a quiet sense of humor.

A brand new happy face at the Woods Branch is Mrs. Harold Lesse—Marilyn to us. She is a professional assistant, replacing Barbara Harrison, and seems to handle her job with great competence. She is a native Detroit, and currently lives in the Palmer Woods area. She is the mother of three children; Karen aged seventeen, Steven, aged almost-fifteen, and Tina, aged eight. I suspect her interest in working for our System was started about a year ago when she took Mr. Orr's course in public library administration at Wayne State University. Mrs. Lesse confesses to a great interest in books and reading, drama, concerts and the ballet. She seemed to feel that this enumeration might sound dull to some (but not to me!), and sounds like an ideal avocational background for a librarian. She also mentioned, most emphatically, how much she enjoyed working at the Woods Branch, where both staff and patrons have been most friendly and helpful.

Mrs. Michael David, half-time secretary to Mr. Titterington, Audio-visual head, felt she really shouldn't be mentioned in this column, since I had "written her up" some time ago when she was working at the Park Branch. The ubiquitous Bobby David does seem to bob up frequently. A native Detroit, she has lived in Grosse Pointe about 25 years, and has held various positions in the Grosse Pointe Public School System. She can boast of four children. Two, Bill and Robin, are respectively a sophomore and senior at the University of Michigan. Ann teaches in Warren, and Michael teaches in Detroit. Some of you may remember hearing the brilliant piano performances of young Bill last year when he played for the Grosse Pointe Symphony Orchestra. Mrs. David is also a grandmother—of one and 8/9's grandchildren. Perhaps with this active life behind her, it is quite natural that her answer to "what are your hobbies?" was succinctly: "reading and sitting".

There you are—personalities new and old—to our Library system. People come, and people go. This is natural, healthy, and makes life more interesting.

Letters to the Editor

Gentlemen: After reading the sad news about little Thomas Bertins, 6, who was injured while hiding under a leaf pile, I have a suggestion that will help prevent more of these kind of accidents. About three years ago, I raked my leaves onto the street and the pile was about two feet high and 50 feet long. A little later the children on our street had a ball hiding in the leaves. It then flashed through my mind, what would happen if a car should go through the pile of leaves? When the children went home, I took the water hose and soaked the leaves. I have been doing this ever since. Every time I rake leaves I have the hose there. It may not be 100 per cent cure, but I find the children will not hide in wet leaves. E. ULMER 1939 Broadstone road

To the Editor: Please let me express my appreciation to the drivers of the two cars who stopped when my Collie dog ran in front of them last Wednesday, November 9, about 5 p.m. at Mack and Balfour. The blanket which one of the drivers took from his car and wrapped around the dog help prevent serious shock. I have laundered the blanket and would like to return it to you. I wish to thank the young Grosse Pointe Park police officer who brought the dog home in the police car and then drove her to the veterinarian's office. Thank you, you wonderful people. Clara D. Quinn

News Staff Joins OBie's Grievers

It is with extreme sadness that we report to our readers that OBie the beautiful black mixture of dachshund and beagle (in the News November 10), that belonged to the James H. Dingemans of Radnor circle, is dead.

OBie was at the veterinarian's on a routine check-up when it was discovered that she had a defective pancreas. She died Thursday, November 10. The Dingemans did manage to get back one of her puppies. All had been given away.

School Stresses Raising of Flag

Monteith School has a wonderful tradition of flag raising ceremonies. Each class is given an opportunity to participate in these ceremonies at different times during the year.

Principal John Hammel mentioned that the two flag raisings they have held this year were indoors and conducted by Mr. Norman DuCoin's and Mrs. Charlotte Gorming's rooms. One stressed the United States Air Force Academy and the other the 80th birthday of the Statue of Liberty.

Besides emphasizing information and patriotism these ceremonies give the children an opportunity to speak and perform before their fellow students.

Toys, Please?

Cleaning out toy closets in preparation for the Christmas influx? Whatever you do, don't just toss those old toys out the window!—the Neighborhood Thrift Shop NEEDS them!

The annual Thrift Shop Toy Drive is on now, Mrs. Eric Stroh and her committee are working hard to fill the shelves to capacity with all the goodies children love, the Toy Sale starts November 29, the Tuesday after Thanksgiving.

Proceeds from the Sale will help the Neighborhood Club carry on its many activities in the community.

Academy Holiday Dance

Classes at the Academy of the Sacred Heart in Lakeshore road will recess for Thanksgiving, and Academy high school students will exchange uniforms for party dresses Friday evening, November 25.

The Academy Mothers' Club, (Janet Stuart Association), is sponsoring a dance for the girls at Lochmoor Club.

Mothers helping the young ladies plan the festivities are Mrs. Robert Goffredson and Mrs. Addison Bar-tush. Merrill Casgrain is student party chairman; she's being assisted by reservations chairmen Denise Cassidy and Julie Coyle, and decorations chairmen Mary Goffredson, Mira Seski and Mary Susan Murray.

Scheduled Tomorrow

Ibex Club members and their husbands will gather tomorrow evening, at the Renaud road home of the David Gambles, to view a Burton Historical Society film on the History of Detroit.

Tomorrow's the day of the St. Joseph Mercy Hospital Auxillary's annual Holiday Fair, featuring toys, boutique and baked goods, at the Hospital auditorium in East Grand boulevard. Funds raised will be used to complete an Intensive Care Unit Project. Mrs. Henry Weiten-berner, of Moorland drive, is general chairman.

The Fine Arts Society of Detroit opens its 61st season tomorrow evening, presenting "The Mad Woman of Chollot" at the Players Playhouse in East Jefferson avenue.

Mrs. Donald W. Kuhn is directing, and Eleanor Wardell is starring as the Mad Countess, with Clifford K. Badger as the Rag Picker.

In the large supporting cast are Mrs. Badger, Mike Mikos, David Kludt, Mrs. John Denler, Mrs. Donald Bliss, Earl Meyer and John Peters. The play will be performed again Saturday night.

Fine Arts has scheduled its annual Christmas Party December 17, at the Grosse Pointe Yacht Club. The James B. Dolls are chairmen.

To Be Wed

The engagement of LINDA MARIE DeMARIO and Thomas Dowland Rogers has been announced by the bride-elect's parents, Mr. and Mrs. John De-Mario, of Roslyn road.

Miss DeMario, a graduate of Grosse Pointe High School, has been affiliated as a stewardess with Northwest Orient Airlines for the past two years.

Her fiance, son of Mrs. Frank S. Rogers, of St. Paul, Minn., and the late Mr. Rogers, is a graduate of St. Thomas College, St. Paul, Minn.

A January 7 wedding is planned, in St. Luke's Catholic Church, St. Paul.

Try relining drawers with adhesive backed paper. It's easy to clean with a damp rag and will last indefinitely.

Center Holding Night in Paris

Grosse Pointe High School's newly formed French Choir and the charming director and instructor, Mme. Sandra Boak will be featured entertainers at Grosse Pointe War Memorial's "Evening In Paris" Friday, November 18, at 7 o'clock. Mme. Boak will accompany the group on the piano and will offer a group of Parisian songs herself. Color films of the "City of Light" and the other attractions of France will also be shown.

Mrs. Charity Sucek and Mme. Lucille Tyree are conferring with the Center's caterers on the menu which promises to be mouthwatering. Because it is Friday both meat and a delicious fish dish will be served. Patrons are asked to indicate their preference when making reservations.

The cost is just \$4 for dinner and the evening's program, including service and tax.

Linda Fogt To Be Bride

Dr. and Mrs. R. G. Fogt, of Neff road, have announced the engagement of their daughter, Linda Louise, to Jack Krause, son of Mr. and Mrs. Willard Krause, of Hampton road.

Miss Fogt is a graduate of Grosse Pointe High School and Grace Hospital School of Nursing. Her fiance, also a Grosse Pointe High School graduate, is presently attending Wayne State University.

A July wedding is planned.

Miss Anderson Wed To Thomas Brown

Bride Wears Ivory Hand-Corded Alencon Lace And Silk Satin Gown; Attendants' Frocks Fashioned Of Turquoise And Peacock Crepe

Mr. and Mrs. Thomas Stewart Brown are vacationing in Acapulco, Mexico, following their Saturday wedding in Grosse Pointe Woods Presbyterian Church.

The Reverend Paul Winchester officiated at the noon rites, which were followed by a reception at the Gourmet House.

The bride, the former Shirley Jean Anderson, daughter of Mr. and Mrs. Clarence Anderson, of Moorland drive, wore a gown of ivory hand-corded Alencon lace and silk satin, fashioned with a fitted bodice and detachable Watteau train.

Satin panels, accented by small waistline bows, formed her over-all skirt effect. Alencon lace motifs and a tiny fabric pom-pom accented her pillbox headpiece, from which fell her bouffant veil of imported silk illusion.

She carried a cascade of white snocrystal mums, stephanotis, white Amazon lilies and ivy.

Serving as her sister's honor attendant was Mrs. Michael Handren, of Bloomfield Hills. Bridesmaids were Mrs. Eduardo Fraute, of Toledo, O., the bridegroom's sister, Carol Schram and Carolyn Cooper.

Their floor length frocks were fashioned of turquoise and peacock crepe, styled with portrait necklines and controlled skirts. Swiss lace motifs circled their Empire bodices.

They wore matching powder-puff hats, tied with velvet ribbon, and carried ivy balls featuring light and deep turquoise Elegance carnations.

The bridegroom, son of Mr. and Mrs. Fayette Stewart Brown, of Pleasant Ridge, asked William Mooney to act as best man.

In the usher corps were Eduardo Fraute, Bernard Wozniak and Gary Schuster.

For her daughter's wedding and the reception, Mrs. Anderson chose a champagne silk cocktail suit, accented with bodice beading, and a French hat of coral feathers. Her corsage was fashioned of phalaenopsis orchids.

Mrs. Brown, the bridegroom's mother, wore a light mint silk jacket dress and a small moss green flowered hat, accented with velvet ribbon. She chose a corsage of cymbidium orchids.

Lt. J. G. Peterson Will Take Bride

Mr. and Mrs. C. Earle Joseph, of El Paso, Tex., announced the engagement of their daughter, Karen Jouree, to Lieutenant Joel Gregory Peterson, of Corvallis, Ore., son of Mr. and Mrs. William J. Peterson, of Prestwick road, at a tea given by the mother of the bride-elect Saturday, November 12.

The late December wedding will take place in The Easter Chapel of St. Clement's Episcopal Church, El Paso.

The bride-elect attended Radford School for Girls, El Paso, was graduated with honors from El Paso High School and received her B.A. degree in Art from Lake Erie College, Painesville, O.

She attended the Lake Erie Winter Term abroad during her junior year, at the Facultad de Filosofia y Letras, Valencia, Spain, at which time she was Student Center Head. At Lake Erie, she received Faculty Citations for Scholarly Distinction and the College Seal.

After receiving her M.A. degree from the University of Denver, Colo., she served as Art Librarian at the University of Texas, Austin. She was Art Director and Educational Curator for the University Art Museum this past year.

Lieutenant Peterson was graduated from Grosse Pointe High School and received his B.S. degree in Package Engineering from Michigan State University. He was active in Air Force R.C.T.C., Intramural Athletics and Arnold Air Society, A.F.R.O.T.C. honorary, in which he held office.

He did post-graduate study in Meteorology at the University of Texas.

He is currently serving in the United States Air Force as a weather officer at Adair Air Force Station, Corvallis.

GEORGE H. BURGESS, son of MR. and MRS. GEORGE M. BURGESS, of Severn road, was recently pledged by Chi Psi Fraternity at the University of Michigan. George, a Grosse Pointe High School graduate, is a freshman in U. of M.'s College of Literature, Science and the Arts.

Mrs. Thomas S. Brown

Setting for the Saturday wedding of SHIRLEY JEAN ANDERSON and Mr. Brown was Grosse Pointe Woods Presbyterian Church. She is the daughter of the Clarence Andersons, of Moorland drive. He is the son of Fayette Stewart Browns, of Pleasant Ridge.

"Lighter Side" Series Begins

Grosse Pointe War Memorial's fourth "Lighter Side of Life" series bows in Monday evening, November 28. Guests will be taken from the Memorial in relays by charter bus for cocktails at the Lincoln road home of Mrs. Gerald Schneider who will be assisted in receiving by Mr. and Mrs. Alger Sheldon.

Then it's back to the Crystal Ballroom at the Memorial for dinner and a performance by The American Folk Ballet Company in Fries Theater.

Some of those who will enjoy this black-tie gala are Mr. and Mrs. Thornton E. Waterfall,

Mr. and Mrs. James A. Lafer, J. Lawrence Buell, Jr., Mrs. Stephen T. Stackpole and Stephen M. Stackpole, Mr. and Mrs. Malcolm R. Stirton, Mr. and Mrs. Charles R. Beltz, Mr. and Mrs. John J. Egan, Mark C. Stevens, Mr. and Mrs. Henry S. Young, Jr., Rear Admiral and Mrs. Leon J. Jacob and Mr. and Mrs. J. Bryan Putnam.

The "Lighter Side" series will continue in 1967 with cocktails and dinners followed by performances by Earl Wrightson and Lois Hunt in February and by the Varel and Billy Company, Chanteurs de Paris, in April.

Riglin-Lazar Rites Planned

Mrs. Leo Lazar, of Penrod avenue, Detroit, announced the engagement of her daughter, Marjorie Ann, to Peter Michael Biglin, son of Mr. and Mrs. Peter E. Biglin, of Robert John road, at an informal dinner party at the Detroit Yacht Club.

Miss Lazar, who is also the daughter of the late Mr. Lazar, is "Miss New Center of 1966." Her fiance is a graduate of Eastern Michigan University and is affiliated with Alpha Sigma Phi fraternity.

Mr. and Mrs. Robert Schiller, of Grayton road, aunt and uncle of the bridegroom-elect, complimented the couple with a shower on Wednesday, November 16. Several other showers have been given for the bride-to-be.

A winter wedding at St. Lucy's Church is planned.

JOHN A. ENTENMAN, son of MR. and MRS. ALFRED M. ENTENMAN, JR., of Bedford road, was recently pledged by Theta Delta Chi Fraternity at the University of Michigan. John, a freshman in the College of Literature, Science and the Arts, is a Grosse Pointe High School graduate.

Thanksgiving Plans Are Festive At DAC

Families Will Celebrate Together At Athletic Club; Dancing Is Scheduled From 3:30 Until 6:30 O'Clock

No need to be frazzled this Thanksgiving because Chef Moresi of the Detroit Athletic Club has the answer for busy homemakers.

It comes in the form of an invitation to ignore menu planning, shopping, preparation, cooking and serving the holiday bird by dining out at the Club. A plus is his reminder that this adds up to no dishwashing afterwards.

Besides, there will be dancing Thursday afternoon from 3:30 to 6:30 o'clock.

In addition, if it's a bit of cold bird you look forward to before bedtime—just arrange to have a whole turkey served at your table—then take home the leftovers.

Whole birds will be a family fare at the tables of more than a dozen DACers, among them that of the Frederic McGraw, where places will be marked for six.

Others planning family parties include Mr. and Mrs. Gerald

W. Chamberlin, who will host 15, Mr. and Mrs. Joseph T. Reader with a table for 11 and the Robert W. Crawford, who will seat 16 in their party.

Also with reservations are the William Pringles, Robert W. Reas and Denis J. Brackens.

Artists Market Exhibit Slated

An exhibit of paintings, by King Calkins; prints, by Frank Cassara, and pots, by LoRee, opens at the Detroit Artist Market in Randolph street Tuesday, November 22, with a 4 to 7 o'clock reception.

Weekday gallery hours are 10 to 5 o'clock Monday through Saturday.

New Deeplands Garden Club Members

The October meeting, first of the 1966-67 season, saw four ladies voted into Deeplands Garden Club membership. Mrs. Vernon E. Landry, Mrs. Leslie M. Lowry, Mrs. Pierre Pal-

mentier and Mrs. John A. De-morest were welcomed into the group. Congratulations were extended to Mrs. Lowry for her red ribbon won at the Women's

Club Flower Show. The next meeting of the club, now entering its second year, was on November 14, at noon, at Mrs. John Marshall's Vendome road home. Co-hostesses included Mrs. Fred Kaess, Mrs. Edward Weber and Mrs. Allen Whittington.

Members came well armed with notebooks and pencils, prepared to make copious notes from a talk titled "The Delights of Christmas," which was given by Mrs. Richard Gerathy, well-known to Grosse Pointes and garden club members for her courses in flower arranging and as a flower show judge.

Jesuit Benefit Dance Planned

The University of Detroit High School Unit of the Jesuit Seminary Association is planning a buffet supper dance in the Cabaret Boheme of the Hotel Pontchartrain on Sunday, November 18.

Proceeds from the affair will help defray the expense of educating Jesuit scholastics at Colomiere College. Honored guest at the party will be Father Leo G. Sullivan, S.J., who was Detroit Provincial at the time Colomiere College was established. Father Sullivan is now on the faculty of the University of Detroit.

Mrs. John E. Young of Grayton road, is general chairman of the affair with Mrs. Francis Patrick as her co-chairman.

Grosse Pointes planning to attend the party include Mr. and Mrs. David A. Richardson, Dr. and Mrs. Edward Shumaker, Mr. and Mrs. John Griffin, Mr. and Mrs. Arthur McFawn and Mr. and Mrs. Walter Keenan.

One of the worst fires in the nation's history occurred Oct. 9, 1871, when a forest in Pesto, Wis., burned, resulting in 1,152 deaths.

To Wed in February

Mr. and Mrs. Frank Kiper, of Deeplands road, are announcing the engagement of their daughter, MARILYN ANNE, to MANSOUR LAVI, son of Mr. and Mrs. YOUSSEF LAVI, of Teheran, Iran.

'The Stolen Prince' At Brownell

Eighth grade students at Brownell Junior High School will become Chinese princes, fishermen, soldiers and executioners tomorrow evening, November 18, when the eighth grade drama group presents "The Stolen Prince," by Dan Toheroh, beginning at 8 o'clock in the school's auditorium-gym.

Under a huge pagoda constructed under the direction of Harold Fisher, (assisted by students Steven Kogler, March Schroeder and Tom Sheppard), and using appropriate props, including a large red fish, prepared by Saralae Pearl and her art students, (Kathy Krieger, Liz Johnson, Debbie Adams, Ann Kachman, Cece Book and Lynn Keral), 11 actors will portray these parts: Long Fo and Wing Lee — Camille Borowicz and Chris Graham; Hi Tee and Li Mo — Bill Seemler and Liz Ankey; Nurse — Betty Luberto; Joy, the Prince — Mike Baker; Soldiers — Audrey Butki and Cheryl Huckins; and

Executioner — Rick Alcorta. Paul Sikorski, cast as Chorus, serves as a narrator for the action of the play, while Chris Daniela plays the part of the traditional Property Man who supplies properties when needed, in full view of the audience.

To indicate a change of mood or scene, six students from Dewey Kalembert's instrumental music department have prepared a series of orchestral selections to add to the fun. They are: Nancy Homfeld, Linda Ahee, Pam Frisbie, Kathy Simon, Willane Krell and Jim Taylor.

The play is based upon the kidnapping of a Chinese prince, but the case of mistaken identity is solved when the chief clue, a chain of jade, is discovered, and all ends well. Faculty director Sylvia Kasey has had the assistance of promoter Colette Gilewicz, manager Sue Neeb, stage assistants Jane Johnson and Becky McCoy, plus the helpful cooperation of parents who made the attractive costumes.

An additional performance will be given in an assembly Thursday morning for all eighth grade students. Tickets for tomorrow's staging will be on sale at the door, under the direction of Mrs. Mary Taliani. Ushers include Peggy Anderson, Chris Boruta, Geri Gabori-ault, Joann Knippenberg and Dee Meyer.

Makeup is being handled by Chris Lock, Barb Maurer, Judy Jasper and Nancy Nixon.

Josiah Harnar DAR To Hold Birthday Tea

The General Josiah Harnar Chapter of the Daughters of the American Revolution will have a Birthday Tea at the Women's City Club Saturday, November 19, at 1:30 o'clock.

Miss Bertha Daubendiek, executive secretary of the Eastern Michigan Nature Association, will speak on "Preservation of Native Wild Life" and show slides on the Lakeville Swamp Sanctuary.

Bridge Planned By Newcomers

The Grosse Pointe Newcomers Club will be holding another bridge party Saturday, November 19, starting at 7:45 o'clock sharp.

The progressive "Turkey Trot Bridge" will be held at the homes of Mr. and Mrs. Wallace Ernsberger, Mr. and Mrs. Harry Hardy, Mr. and Mrs. John Heaman, Mr. and Mrs. Jack Renfro and Mr. and Mrs. Lee Terrill.

Chairmen of the event Mr. and Mrs. Charles Walton have arranged a light meal and drinks at the Gold Crest Lounge following the bridge.

Friends and members of the club are reminded to mark two additional dates on their social calendars. Lochmoor Club will be the scene of Newcomers annual Christmas dinner dance December 10. Cambridge Hall will be the place to go December 31.

Early reservations are the best assurance of an enjoyable time during the coming holiday season.

Catholic Highs To Give Plays

The Genesian Unit of Detroit affiliated to the National Catholic Theatre Conference is preparing for its ninth annual one-act drama festival.

Each fall students from Michigan Catholic High Schools present 15 to 25-minute one-act theatrical presentations in competition with each other.

The first round of dramatizations is called "Festival!" while the final round is entitled "Showcase."

The Festival will be held on Sunday, November 20, in the afternoon. Since there are 25 schools entered, there will be five centers of plays on that day: Immaculate High School, Dominican High School, Mercy High School, Visitation, and Girl's Catholic Central.

The final round of "Showcase" is scheduled for Rosary High, Sunday, November 27, at 1 p.m.

Grosse Pointe High School graduate RICHARD H. WINSLOW is aboard the floating campus of Chapman College's Seven Seas Division for the fall '66 semester, as a junior student majoring in Sociology. During his 107-day voyage, he'll visit 17 ports around the world and study aboard ship, which is equipped with classroom, laboratory and studio facilities.

Skrowaczewski With Symphony

Staislaw Skrowaczewski, music director of the Minneapolis Symphony Orchestra, will make his first appearances as guest conductor of the Detroit Symphony Orchestra on Friday and Saturday, November 25 and 26, at 8:30 o'clock in Ford Auditorium.

Due to the Thanksgiving holiday, the regular Thursday subscription concert will be given on Friday.

Skrowaczewski will conduct the Berlioz overture "Le Corsaire," the Haydn Symphony No. 92 ("Oxford"), Prokofieff's "Romeo and Juliet," Suite No. 2 and Stravinsky's "Firebird" Suite.

Skrowaczewski has been music director of the Minneapolis Symphony since 1960. Born in Poland in 1923, he received his early musical training there but studied in Paris with Nadia Boulanger and Paul Kletzki.

Skrowaczewski concentrated on composing, as well as conducting, and won international

recognition with his "Prelude and Fugue" while studying in Paris.

In 1948 he was appointed music director and conductor of the National Philharmonic in Katowice, Poland, and in 1955 he became conductor of the Krakow Philharmonic.

His fame as a conductor grew, and in 1957 he became conductor of the Philharmonic Orchestra of Warsaw. That same year George Szell, on tour with the Cleveland Orchestra, invited Skrowaczewski to conduct the Cleveland Orchestra in the United States. He made his American conducting debut in 1958.

The Detroit Symphony Orchestra, Valtter Poole conducting, the University of Detroit Chorus, Don Large, director, and Dominic Cossa, baritone, will be featured in a concert sponsored by the University of Detroit Alumni Association on Sunday, November 20, at 7:30 o'clock in Ford Auditorium.

Foley-Michael Rites Read In St. Ambrose

Newlyweds Will Live In Lincoln Park When They Return From New York City Vacation; Bride Wears Satin And Lace Gown

A reception at The Whittier followed the Saturday afternoon ceremony, in St. Ambrose Church, at which Jan Michael spoke her marriage vows to Dr. Robert Emmet Foley.

The bride, daughter of Mr. and Mrs. Donald Walter Michael, of Nottingham road, wore a white satin gown with a lace Empire bodice.

Her illusion veil fell from a head-trimmed satin crown, and she carried an arrangement of white carnations, white roses and pink Sweetheart roses.

She was attended by maid of honor Judi McKee and bridesmaids Mrs. Neal Hakken and Robin Lou Michael, her sisters, who wore floor length, Empire-waisted frocks of deep green velvet and carried bouquets of feather mums and pink Sweetheart roses.

Michael Foley served as his brother's best man. They are

the sons of Mr. and Mrs. Robert Emmet Foley, of Starthmoor boulevard, Detroit.

Ushers were George Hieronymus, Chris Michael, brother of the bride, and Michael Drew.

For her daughter's wedding and the reception, Mrs. Michael chose an off-white costume and a corsage of olive green orchids. The bridegroom's mother wore a turquoise ensemble and a corsage of pink-and-white orchids.

When they return from a vacation in New York City, the newlyweds will make their home in Lincoln Park.

Artists' Group Planning Tour

Professor William Woodward, chairman of the Printmaking Department in the Art and Art History Department at Wayne State University, gave the critique for the November 14 meeting of the Grosse Pointe Artists' Association.

Mr. Woodward's work includes woodcut, engraving, serigraphy, etching and stone lithography. He is currently exhibiting at the Forsythe Gallery in Ann Arbor.

On the Artists' Association agenda for November 29 is an "Afternoon of Art" at the Detroit Institute of Arts. Luncheon will be followed by a tour of the Institute's new South Wing.

At a recent membership meeting the following new members were accepted: Mrs. Robert E. Balfrey, Miss Jean Elizabeth Cook, Miss Dennie Denton, Mrs. Robert M. Featherstone, Mrs. Webster E. Gilman, Mrs. Ray Harter, Richard S. Kray, Miss Sara Lee Pearl, Mrs. Emily Scott and Gary Souter.

LWV Discusses Water Pollution

Ask a member of the Grosse Pointe League of Women Voters for a glass of water and she is likely to serve it with ice—and a rundown on America's water resources and their nationwide misuse.

League members agree that the pollution of water everywhere in the United States is a disgrace and a national shame, and that it is time for a major pollution control program to be undertaken across the country.

Water pollution will be discussed at the Pointe League's unit meeting November 21, at 9:30 o'clock in the morning, at the Berkshire road home of hostess Mrs. A. C. Fortunski, (chairman: Mrs. James Websters).

Mrs. Robert E. Foley

In St. Ambrose Church Saturday afternoon, JAN MARY MICHAEL, daughter of the Donald Walter Michaels, of Nottingham road, was married to Dr. Foley, son of the Robert Emmet Foleys, of Detroit.

Detroit Review Club Holds Tea

Antique tea gowns, circa the Gay Nineties, and Parisian dresses from the Roaring Twenties were worn by several Grosse Pointers at the 75th anniversary and President's Day tea of the Detroit Review Club Monday, November 14, at the Women's City Club.

Mrs. Robert Kales, of Cloverly road, DRC 1966-67 president, welcomed the guests and introduced the club's past presidents as well as presidents from other clubs and the State, District and Detroit Federations. DRC has the unique distinction of belonging to all three as a charter member.

Among the past presidents and Life members who were honored are three Grosse Pointers: Mrs. Marvin C. Dahneke, DRC president from 1964-66; Mrs. Aaron E. Wilcox, president from 1957-58, and Mrs. Raymond Berry, Life member.

Among the hostesses who were seen wearing clothes from the turn of the century or the twenties, were Mrs. John Dieters, of Barrington road, Mrs. Jack Wheeler, of LaBelle road, Mrs. Thomas Walworth, of Moross road, and Mrs. Emil Traum, of Harvard road.

The clothes included a sheer red wool, circa 1890, a tea gown, with basque waist, high-necked bodice and long sleeves, trimmed with embroidered panels down the front, and black lace on the cuffs of the sleeves, (this dress belonged to the mother of past-president Mrs. Robert Harris, Jr.).

A brown taffeta dress, part of the trousseau of her late mother-in-law, and belonging to past-president Mrs. William Bachman, has a fichu of cream lace at the neckline and the long full skirt of the nineties. Several other gowns of this period were worn by members.

Two Paris dresses from the twenties, belonging to the late

Mrs. Frank Talbot McCormick, mother of Mrs. Emil Traum, are also part of the collection.

Mrs. Harold Knoff, of Barrington road, and her committee were in charge of the decorations for the tea table.

Grosse Pointe members who were assisting with the tea are Mrs. Charles Brundie, Mrs. William Bundesen, Mrs. Harold Kahl, Mrs. William O'Reilly and Mrs. Earl Walke.

Grosse Pointe members of DRC include Mrs. Arthur Abbott, Mrs. J. I. Bell, Mrs. Louis Clarke, Mrs. Louis Charvat, Mrs. Beulah Crockatt, Mrs. L. W. Forrester, Mrs. James A. Gwatkin, Mrs. R. B. Koehler, Mrs. William O'Neill Kronner, Mrs. William Lehman and Mrs. Howard Morse.

Pals Surprise Owen Keelers

The type of party that many read about but few see came true for the Owen F. Keelers, Jr., on the evening of November 6.

Hearing cars pull up in front of the house and the doorbell start ringing while they were dressing for a pseudo party, the Keelers peered over the banister of the home they purchased this June to see nine couples troop in with all the trimmings for a feast—and the surprise housewarming was on!

Cocktails, hors d'oeuvres, ham, salads, a casserole of vegetables, dessert, coffee—the works—were what their friends, organized by the ringleaders, the Joseph W. Caskeys, Richard F. Tompkins and Thomas C. Foxes, provided.

All traces of the festivities were removed that evening except one. The Keelers were presented with a new brass fender for their hearth which is paved in lovely Old Pewabic Pottery tiles.

GIBB'S WORLD - WIDE - WINES IMPORTED & AMERICAN, WINES, CHAMPAGNES, BEER & CIGARS

If you are entertaining friends for Thanksgiving dinner, a little thought to keep in mind, in the years past in America turkey was the main topic of conversation before and at the dinner table. A wine was served in many homes traditionally, and just one wine seemed to do. This is no longer so, for folks are learning, and have learned a lot more in the past few years about wines, and many have become good judges. You may be asked to prepare an excellent dinner, but to select the right wine you may need help, as many customers like to leave this up to the qualified personnel of a wine shop. This is no problem for us, for we have been selecting and improving the sale of fine wines for over 32 years. The sure way to select wines correctly, first of all the shop must have the right wines you may request, and know and understand what he is selling you. The shop should have a wine reputation. The shop inventory must be large, so a variety of fine wines are well displayed, the prices easy to read, and find.

Again I repeat our shop is not the most elaborate, there's no fancy glass doors, no expensive lighting, no knee deep carpeting, etc. But instead we have just a plain store on Gratiot Ave. with 4,000 square feet of floor display devoted to wines, 1 block from the Edsel Ford expressway, paved parking lot well lit up at night, plain old fashioned wooden floors filled with huge displays of the finest wines in the world, manned by well informed personnel on wines, qualified to help you with your wine questions and selections. Take advantage of FREE folders, and booklets on wines from all over the world. There's a large display of wine information and literature all FREE. Help yourself, (possibly 100 different pieces). Please don't guess on wines, to be sure visit our wine shop for your holiday selections of wines for your dinner, or for gifts. Case lots always available here in our air-conditioned cellars. GIBB'S-WORLD-WIDE-WINES copied by many, equalled by none.

Grosse Pointe Braille Workers Are Appreciated

The Grosse Pointe Braille Club held a luncheon at the Grosse Pointe War Memorial Center October 28. Thirty-eight members and guests were present.

Mrs. Barbara Gray was the speaker. Mrs. Gray is a graduate of the University of Minnesota and the Library School of St. Catherine's College. She has served in all departments of library work, from children's librarian to her present position as director of the Division for the Blind of the Wayne County Library.

She informed those present that volunteer transcribers are badly needed, that the role of

a transcriber cannot be underestimated. It is not a glamorous job. The work must be very accurate. It must be checked and rechecked for errors.

Time is also an element. A volunteer must be available for an assignment at any time. Deadlines must be met on school textbook assignment . . . but to the transcriber a real reward is the pure joy a blind person derives from reading the book the transcriber has made possible.

Through the generosity of the Grosse Pointe Rotary Club, the Pointe Braille Club was able to purchase its own

bindery equipment. Currently, the Pointe transcribers have completed, (brailled and bound), 22 books for the children at the Marquette School, 11 volumes for the Tri-County Braille Association, three books for Cleveland Intermediate High School and over 1,500 pages of telephone and directory work.

The transcriber works constantly, moving from the completion of one book to the beginning of another.

There are two local classes for braille transcribing again this year. One meets at the Library on Fisher road and the other at the War Memorial.

MEADOW BROOK THEATRE

PROFESSIONAL RESIDENT THEATRE

The John Fernald Company

is the first Michigan-based professional resident theatre and as such promises to quickly establish itself as one of the leading theatrical companies in the country. Under the direction of John Fernald, who for the past ten years has been head of London's famed Royal Academy of Dramatic Art, the season of five plays offers superb professional productions of the highest quality.

Located on the campus of Oakland University, Rochester, Michigan, Meadow Brook Theatre follows in the pattern of the famed Meadow Brook Festival and brings to Michigan all the excitement and spectacle of the world's great theatre.

January 4 thru January 29 THE CAUCASIAN CHALK CIRCLE

Bertolt Brecht
Set in the rough-hewn region of the Caucasus—a free-wheeling story of love and adventure underscored by a delightful and penetrating satire on politics and justice. Full of Brecht's wise observations on the human dilemma.

February 1 thru February 26 LOVE'S LABOR'S LOST

William Shakespeare
King Ferdinand's compact with three courtiers to shun women collapses into hilarious disarray when the forces of nature and the clever plotting of the father set us to work.

March 1 thru March 26 YOU NEVER CAN TELL

George Bernard Shaw
One of Shaw's most affectionate plays in which the witest of English playwrights plunges into the contest between heart and mind and concludes, finally, that the heart does have something to say.

March 27 thru April 2 CHILDREN'S EASTER PLAY THE IMPERIAL NIGHTINGALE

Nicholas Stuart Gray
(not included in season subscriptions)
A delightfully wise and witty play based on Hans Christian Andersen's fairy story. The addition of sub-plots and hilarious complications make it appealing to children of all ages.

April 5 thru April 30 THE WALTZ OF THE TOREADORS

Jean Anouilh
The antics of a lecherous old general and the outrage of his homely invalid wife are principal ingredients for a gasty comedy with poignant overtones.

May 3 thru May 28 THE THREE SISTERS

Anton Chekhov
Three sisters who long for the romance of a big city find renting rooms in their house to officers of their father's Russian Army regiment provides considerable drama of its own. A story in which tears and laughter hang in a delicate balance.

Plan Christmas Fair At St. James Church

Hand Knits, Holiday Ornaments and Monogrammed Blouses Among Many Items To Be Offered For Sale December 1

Women of St. James Lutheran Church are busily engaged in preparations for their Christmas Fair to be held December 1 from 10 to 5 o'clock at the Church, McMillan road and Kercheval avenue.

A wide selection of gift items will be on display for holiday shoppers, including the decouped and painted baskets so popular with Grosse Pointers. Knitting needles have been

adult and children's books especially selected for Christmas giving.

The Country Store will be laden with homemade treats: Apple butter, raisin sauce, ham glaze, coffee cakes, cookies and much, much more.

Antique collectors and bargain hunters won't want to miss the Attic Treasures Booth.

Aprons of all kinds will be on display, including children's, men's barbecue, cobbler and organdies. Monogrammed blouses and shells in easy-care Dacron are sure to be a popular

feature; these can be purchased on special order with delivery in 10 days.

In the Boutique department are jeweled handbags, unusual tote bags, sewing baskets and felt gifts.

Table centerpieces, felt tree skirts, net Christmas table cloths and ornaments are just a few of the holiday trimmings in the Decorations Booth. Cards and wrappings in a wide variety will be offered.

The children have not been forgotten: For them there are bibs, beanbags, doll clothes, clown dolls and clothes. And the young people of the Church have entered into the spirit of Christmas by contributing their time and talent to "decking the halls with boughs of holly."

Luncheon will be served from 11 to 1:30 o'clock.

The Fair committee, under the direction of Mrs. Franklin Quale, includes Mrs. John Morrow and Mrs. Norman Reynolds, finance; Mrs. James E. Kackley, invitations and publicity; Mrs. Randall Kamischke and the St. James Seniors, decorations; Mrs. Francis Schulze and Mrs. Emil Schultz, luncheon.

Chairmen of the various departments are: Mrs. Roland Blank, aprons; Mrs. Joe Martin, religious art; Mrs. Arthur Wible, attic treasures; Mrs. Erwin Stoetzer, bakery and country store; Mrs. Earle Miller and Mrs. John Fraser, baskets; Mrs. Irving Bopp, blouses; Dorcas Circle, books; Mrs. Harold Reith, boutique; Mrs. Frank Mumford, cards and wrappings; Mrs. Franklin Quale, Christmas decorations; Mrs. Louis Neuder and Mrs. Gordon Faust, hand knits; and Lydia Circle, school records books.

DETOUR PITFALLS
Smart men turn the mistakes of the past into guide posts for their future endeavors.

Inside The Mothers' Club

The regular meeting of the Executive Board of the Grosse Pointe High School Mothers' Club was held in Cleminson Hall at 1:15 p.m. November 7. Twenty-three members were present.

President Mrs. Perry TeWalt reported on the busy schedule of meetings and program planings which took place during the month of October, and complimented the school and the students on their active participation in the United Fund drive.

She called attention to a French dinner to be held at the War Memorial on November 18. The French Choir from the High School will be featured in the evening's entertainment. A plea was made for chaperones for Youth Council dances held at the War Memorial. This will be discussed in a future newsletter in hopes of bringing it to the attention of a large number of parents.

Mrs. George Thom, Jr., reported that the mailing committee, with the help of 10 students, had sent out 2,718 newsletters and "Back to School Night" announcements to all high school families.

Faculty Advisor Jerry Gerich suggested that an evaluation of "Back to School Night" would be advisable, and asked for suggestions for improvement. He initiated a discussion of the recent Homecoming Day which has long been a tradition and provides constructive participation and healthy competition on the part of the students.

The destruction of the Junior Class Float, termed a stupid and malicious act, involved only three members of the Senior Class, and the student body was credited with great maturity for not condemning the Senior Class as a whole.

Mrs. William Montgomery, editor of the Mothers' Club Newsletter "High Pointes," asked for cooperation in submitting copy before the deadline on the 15th of each month. She asked for understanding if editing of news releases is necessary due to limited space.

Membership chairman Mrs. Michael Madarasz asked again for prompt payment of yearly dues which are vital to the working budget of the Mothers' Club.

Mrs. Webster Knight, chairman of Play Tickets, reported that her committee has tried to reach all Mothers by phone in an effort to sell tickets to the opening night performance of the Pointe Players' fall production. The money raised from this benefit performance is turned over to the Scholarship committee and provides scholarship money for worthwhile students. Holders of \$5 Mothers' Club memberships have not been called but may present their cards at the door for free admission.

Mrs. Carl Norman, Acting Neighborhood Groups chairman, reported that 14 new discussion groups have been formed this year, and that four discussion groups have requested school-oriented speakers for their meetings.

Mrs. Alton Donnell reported that the Social committee served cider and doughnuts to 350 parents on Tenth Grade Parents Night. Following the meeting, cider, doughnuts and chrysanthemum plants were sold. Bus chaperone Mrs. Ben W.

Hubbard reported that three buses were used for the afternoon football game at Highland Park, and seven buses were needed for the game with Dondoro High School in Royal Oak. The chaperones and students were commended by Dondoro's principal for their fine behavior.

Mrs. Joseph Perry, chairman of the 10th Grade Party, reported that the evening was a huge success. Four bands played throughout the evening, and there were door prizes and prizes for dance contests. Free pretzels, potato chips and pop were provided and everyone had an unusually good time.

Christmas Tea chairman Mrs. C. Cleon Althaus announced that plans are well under way for the Christmas Tea to be held in the Gymnasium on December 1. Work by students in the Art, Homemaking, Wood Shop and Industrial Art departments will be on display, following an excellent choral program.

Mrs. Arthur Sherman, Board of Education representative, announced there are 19 Merit Scholarship Semifinalists at the high school this year which is three percent of the total from the entire state of Michigan. The Board has decided against split sessions at the high school next year, and in spite of very crowded conditions will continue as a single unit the new high school is ready for occupancy.

Mrs. Edward Hegin, president of the Motion Picture and T.V. Council, called attention to a special matinee, "The Outlaw Stallion," to be held at Fries Auditorium on December 28. The world premier of "Brightly of the Grand Canyon," produced by Detroit's Stephen Booth, will be held at the Alger Theater during Thanksgiving week. Good movies need publicizing and both of these offerings are outstanding.

Berries Lure Birds to Death

By Elizabeth Stephens

Why does a flock of birds wait until mid November to start stripping berries that have been standing for weeks on the bushes in the back yard belonging to the Owen F. Keelers, Jr., 390 Merriweather road, and why do they dart so swiftly against their picture windows that 12 of them have been killed?

"These are the ingredients of a mystery that was discovered Friday morning that so alarmed Mrs. Keeler that she called Farms police. She thought the birds lying dead at the back of the house had been poisoned, but Patrolman Ronald discovered the blood and feathers on the large thermopane windows under which the birds were found.

Some of the bodies were damp with dew, he told Mrs. Keeler, from which he surmised that they had died earlier, lying hidden in the shrubbery and leaves.

"I heard a few thumps," said Mrs. Keeler, "but I thought it was something the children were doing. I came downstairs to find our cat crouched in the yard making strange noises. She didn't touch the dead birds just stared, then dashed wildly from the scene."

Saturday Shadow was sleeping off, curled up by baseboard register in a silky black heap.

Two of the birds were apparently just stunned and later flew away, although one sat on the ground for half an hour, the Keelers said.

All varieties of birds are eating the berries but the dead ones are all Cedar Waxwings, small and graceful, about halfway between the size of a robin and sparrow. They have black masks, soft gray-brown heads and backs, and lemon yellow breasts. The tips of the tail feathers look like they have been dipped in bright yellow paint. According to the Audubon Society they travel in flocks of six to 60, their favorite food is Mountain Ash berries.

Their flight is swooping, according to the Keelers, which may explain their proclivity for hitting the windows with such force. The windows are on the east side of the house near the bushes the flock is stripping of their thickly clustered bright red berries.

"One bush has no berries left, and the birds have half finished the one next to it," said Mrs. Keeler.

"We moved into the house in June. I asked neighbors if this happened before. They couldn't recall anything like it but said the large thermopane windows had been installed only that spring by the former owners.

"Another thing that seems strange is that the berries have been on the tree for weeks without attracting any attention."

Although the birds have returned every day, apparently with the purpose of consuming all the fruit, there has been no traumatic recurrence. The reason may be that the Keelers have drawn the curtains across two of the large panes, and 10-year-old Cathy has put strips of tape in the center of each large pane on the sun porch.

Money Shortage Subject of Talk

The national shortage of loan money will ease in the near future only if the government makes more money available, Donald P. Mandrich, Detroit Bank and Trust vice president International Department, told the Senior Men's Club of Detroit at its meeting November 8. His subject was "The World Shortage of Money."

More mortgage money for homes at lower than current interest rates is likely to be a subject before Congress soon after 1967 begins, Mandrich noted.

He added that several Western European nations already with labor shortages and inflation problems, have become cool to United States industry putting additional plants into their countries.

Brian DeFour To Take Bride

Planning a December 29 wedding in St. Cecilia Church, Houston, Tex., are Joanne Schneider and Brian M. DeFour, whose engagement has been announced by her parents, Mr. and Mrs. Walter Schneider, of Houston.

Miss Schneider attended Marjorie Webster Junior College, Washington, D.C. Her fiance, son of Mr. and Mrs. Morris R. DeFour, of South Renaud road, was graduated from Austin Catholic Prep School and is currently studying at Georgetown University.

Memorial Church Women Plan Tea

The traditional Christmas Tea, sponsored by the Women of Grosse Pointe Memorial Church, scheduled this year December 13, is occupying the minds of many local women at present — especially the minds of Mrs. E. R. Romine and Mrs. L. Eugene Kelly, co-chairmen of the annual event.

The Oakland University Singers, under the direction of John Dovaas, will present a program of Christmas music in the sanctuary at 1:30 o'clock.

Mrs. Wilbert Brucker, Jr., will lead the devotions.

In charge of the tea goodies are Mrs. Harold Davis and Mrs. Henry Eckfeld, while Mrs. J. Alfred Grow, Jr., will supervise the dining room service.

Decorations are the responsibility of Mrs. Gilbert Shelton and her assistant, Mrs. Edward F. Suits. Mrs. James Beyster is chairman of ticket sales.

Among those pouring will be Mrs. Bertram deHous Atwood, Mrs. Richard W. Mitchell, Mrs. Gary Gruber and Mrs. Ben L. Tallman, wives of the Memorial Church ministers.

Also pouring will be Mrs. John B. Clark, Mrs. Raymond W. Eddy, president of the Church Women's Association, Mrs. Edwin Ross, Miss Agnes Crow, Mrs. Emory C. Douglass, Mrs. Frank G. Raphael, Mrs. Richard Dykstra and Mrs. Orvil R. Aronson.

Living a double life is like burning the candle at both ends.

 Funeral services for Mrs. Taube, 48, of 576 Hidden lane will be held in the Verheyden Funeral Home on Thursday, November 10, at 11 a.m.

She died suddenly at St. John Hospital on Monday, November 7. She is survived by her husband, Ed; two daughters, Janice Wheeler; Joyce Zwirchitz; her mother, Florence Gardner; one sister, Thelma Henderson; a brother, Ronald Gardner and one granddaughter.

Mrs. Taube was a member of the Theater Arts Club, Detroit Curling Club and the Detroit Yacht Club.

Interment was in White Chapel Cemetery.

FLORENCE L. MARTIN
 Funeral services for Mrs. Martin, 78, of 1405 Three Mile drive were held on Monday, November 7 at St. Clare of Montefalco Church and the Verheyden Funeral Home. She died Thursday, November 3 in Bon Secours Hospital.

She was the wife of the late John Martin. She is survived by her four sons, Raymond, Donald, John and Thomas; a daughter, Mrs. Martha A. Campbell, and 15 grandchildren.

Mrs. Martin belonged to the Detroit Chapter of the American Red Cross, Michigan Cancer Foundation, the Bon Secours Guild and the Archcon-

fraternity of St. Clare of Montefalco.

Interment was in Mount Olivet Cemetery.

FRANK MORRIS
 Funeral services for Mr. Morris, 61, of 418 St. Clair, were held at the William R. Hamilton Co. Funeral Home on Wednesday, November 9. He died Monday, November 7 in his home.

Mr. Morris was born in Pictou, Nova Scotia in 1905. He moved to Windsor in 1914 and then in 1922 became a reporter on the Windsor Star. From the Star he went to the Lexington (Ky.) Leader then to the Louisville Courier-Journal. He came to Detroit in 1925 as a rewrite-man for the Free Press. In 1926 he was sent to Lansing to cover the capital and remained there until 1934. In 1934 he was hired to write politics for the Times. He wrote for the Times until 1959.

He won the Detroit Newspaper Guild award for the "best written story of the year," three times. His stories about the Grand Rapids tornado, the Noronic fire, the Kerns hotel fire, Henry Ford's obituary, his exclusive stories on what happened to the ransom money in the Greenleaf kidnapping case, to name a few, made him known as a great digger of facts. Stories under his by-line were written with fine style and distinction.

Since 1959 he became a public relations counsel with his base chiefly in Lansing. His work ranged from having a hand in political campaigns to being Lansing representative for the Michigan Consolidated Gas Co.

Surviving him are his wife, Leone; one daughter, Mrs. Jan Heinrich; one brother, William; two sisters, Mrs. Charles Barry, Mrs. Jack Martin; and three grandchildren.

Interment was in Woodlawn Cemetery.

Chorus to Give Yule Program

On the streets and in the shops and markets are signs that the joyous holiday season is rapidly approaching. Members of the Grosse Pointe Community Chorus have been getting ready for Christmas for many weeks as they rehearse for the annual Christmas program.

This community choral group of 115 men and women will give its 14th Annual Winter Program on Sunday afternoon, December 4, at 3:30 in the auditorium of Parcels School, Mack at Ver-

nier. The program has music for all the family to start this great season of warm hearts and good spirits. Among the featured

numbers are the Fred Waring arrangement of "Deck the Hall with Boughs of Holly" and "Americana," a folk song suite of three American folk tunes. At intermission time, it has become a tradition for the audience to have a chance to sing some of the loved carols.

The chorus is directed by Richard Johns and the accompanist is Jerry Hughes. Tickets are available now from any of the chorus members or will be sold at the door. The price is \$1 for adults and 50c for students.

Carpeting, draperies. \$99,000. 886-0768. AND WHY SHOULDN'T your family enjoy it? Thanksgiving dinner in the magnificent dining room of this stately home on Lincoln Road? The house has plenty of room to stretch out in after the feast. A step-down library for lounging in front of the fireplace, and a living room large enough for the clan's gathering. Upstairs are six bedrooms and four baths. Better check this one before you pull that wishbone. HELP YOURSELF to four bedrooms, two second floor baths, a playroom for the kids, and all nestled in the heart of the Farms. So close to elementary and junior high schools the children and you can sleep an extra fifteen minutes every day. This one won't stay around very long at \$57,500.00. DOWN TO \$45,900 came the price this week on this sprawling, center hall colonial on popular Bishop Road. Another one which has just been done over to be the owner's "forever house" when the boss dictated a move and a promotion. The word "spacious" really doesn't do the house justice. This one we will roam through, because it's not a short walk to the end of the living room. There are two extra rooms on the first floor, and a completely redone kitchen. Upstairs are four large bedrooms and two baths, and there are stairs to a full attic. The heating system is new, as is the sparkling white paint job... What else is left for you to do? See it Sun. aft. 3-5-1112 Bishop. LIKE TO REVEL among large rooms with high ceilings, fireplaces, and enough bedrooms and baths to accommodate a scout troop? Then this could be the place. Located south of Jefferson just two minutes from the City's lakeshore park, and settled nicely on a lot big enough for a tennis court, swimming pool, a small orchard, and a few large dogs. Priced to be picked up pronto by a new proud owner. FOUR FLOORS of comfortable living in this town house terrace located on Cranford lane. A basement room has been done over so well that it conveys the impression that you are in the family room. The large living room has a natural fireplace, and there is a separate dining room off the center hall. One bath serves the second floor and there is another bedroom and bath on the third floor. We should have mentioned that there is a lavatory on the first floor and that the kitchen has been updated. IN THE Farms is this "little house" with large rooms. The large living room with its natural fireplace leads to a well proportioned porch which is screened and covered. Only two bedrooms, but there are two bathrooms and a paneled den. All this is a convenient one story house. COME BY SUN. 3-5. OFF LAKESHORE 67 COLONIAL RD. ANOTHER ONE-OF-A-KIND, is also colonial by design, with four bedrooms up. There is a den on the main floor, and a large living room and separate dining room. In the Shores, and tagged to go in the middle forties. "What people need and what they want may be very different."

Sunday, November 13
IN MESA, ARIZ., a laughing 18-year-old boy, named Robert B. Smith, shot to death four young women and a three-year-old girl in a local beauty parlor. He told police he had planned the crime for three months. Smith shot each of his victims twice in the back of the head. He was arraigned immediately before Justice of the Peace L. M. Mullineaux on five counts of murder and two counts of assault with intent to commit murder. He was ordered held without bond in Phoenix, 15 miles west of here, pending a preliminary hearing December 15.

IN A RECORD TWO hour and nine minute space walk, Edwin (Buzz) Aldrin, the nervous rookie of Gemini 12, proved that man can work in space without being crippled by fatigue. He and James Lovell, the command pilot, brought their drifting space capsule under control so it could whirl around the world linked by gravity and a 100-foot tether to its Agena target rocket. They cut loose from the Agena Sunday night and settled down for the night at the end of one of man's most successful days in space.

Tuesday, November 15
THE SUPREME COURT sharply limited the freedom of peaceful civil rights demonstrations on Monday. This ruling was a departure from a five-year permissive policy toward civil rights demonstrations. The court upheld the trespass conviction of 32 Negroes who demonstrated outside a jail in Tallahassee, Fla., saying "The United States Constitution does not forbid a state to control the use of its own property for its own lawful non-discriminatory purpose." This 5-4 decision, written by Justice Hugo L. Black, long a free speech advocate, marked the first time the high court, after a full review, had upheld conviction of civil rights demonstrators.

OFFICIAL NOTICE OF SALE

\$2,750,000.00

THE GROSSE POINTE PUBLIC SCHOOL SYSTEM WAYNE COUNTY, MICHIGAN

1966 School Building Bonds

Sealed bids for the purchase of the above bonds will be received by the undersigned at the offices of the Board of Education, located at 389 St. Clair Avenue, Grosse Pointe, Michigan, on Monday, the 28th day of November, 1966, until 7:30 o'clock p.m., Eastern Standard Time, at which time and place said bids will be publicly opened and read.

Said bonds will be dated September 1, 1966, will be coupon bonds of the denomination of \$5,000.00 each, will be numbered consecutively in direct order of maturity from 1 to 550, inclusive, shall bear interest from their date at a rate or rates not exceeding five per cent (5%) per annum, expressed in multiples of 1/8 or 1/20 of 1% or both. Said interest will be payable on May 1, 1967, and semi-annually thereafter on November 1st and May 1st of each year, both principal and interest to be payable at a bank or trust company qualified to act as such under the statutes of the State of Michigan or of the Federal Government, to be designated by the original purchaser of the bonds, who may also designate a similarly qualified co-paying agent. The interest rate on any one bond shall be at one rate only and all bonds maturing in any one year must carry the same interest rate and each coupon period shall be represented by one interest coupon. The difference between the highest and lowest interest rates bid shall not exceed 2%. Accrued interest to date of delivery of such bonds shall be paid by the purchaser at the time of delivery.

Said bonds will mature serially as follows:

- \$ 50,000.00 May 1st of each year from 1968 to 1972, inclusive;
- \$ 75,000.00 May 1st of each year from 1973 to 1979, inclusive;
- \$100,000.00 May 1st of each year from 1980 to 1983, inclusive;
- \$125,000.00 May 1st of each year from 1984 to 1988, inclusive;
- \$150,000.00 May 1st of each year from 1989 to 1992, inclusive;
- \$175,000.00 May 1st of each of the years 1993 and 1994.

Bonds maturing in the years 1968 to 1976, inclusive, shall not be subject to redemption prior to maturity.

Bonds maturing in the years 1977 to 1994, inclusive shall be subject to redemption prior to maturity, at the option of the School District, in inverse numerical order, on any interest payment date on or after November 1, 1976, at par and accrued interest to the date fixed for redemption, plus a premium of 3% of the principal amount of each bond redeemed, if redeemed prior to May 1, 1984; 2% if redeemed on or after May 1, 1984, but prior to May 1, 1988; 1 1/2% if redeemed on or after May 1, 1988, but prior to May 1, 1992; and 1% if redeemed on or after May 1, 1992, but prior to maturity.

Notice of redemption shall be given to the holders of bonds to be redeemed by publication of such notice not less than thirty (30) days prior to the date fixed for redemption, at least once in a newspaper or publication circulated in the State of Michigan, which carries, as part of its regular service, notices of sale of municipal bonds, and in case of registered bonds thirty (30) days notice shall be given by mail to the registered holder at the registered address. No further interest payable on bonds so called for redemption shall accrue after the date fixed for redemption, whether presented for redemption or not, provided the School District has money available for such redemption with the paying agent.

For the purpose of awarding the bonds the interest cost of each bid will be computed by determining, at the rate or rates specified therein, the total dollar value of all interest on the bonds from December 1, 1966, to their maturity and deducting therefrom any premium. The bonds will be awarded to the bidder whose bid on the above computation produces the lowest interest cost to the School District. Each bidder shall state in his bid the interest cost to the School District, computed in the manner above specified. No proposal for the purchase of less than all of the bonds or at a price less than 100% of their par value will be considered.

The bonds of this issue may be registrable as to principal only on books kept by the paying agent.

The bonds are to be issued for the purpose of providing additional funds to complete the erecting, furnishing and equipping of a new senior high school in the school district, and of completing the erecting, furnishing and equipping of an auditorium (having a seating capacity of approximately 800 persons) to be erected in conjunction with and adjacent to such proposed new senior high school.

In accordance with the requirements of the Constitution and laws of the State of Michigan, the School District is obliged to levy annually sufficient ad valorem taxes to provide for the payment of the principal of and interest on the bonds as they mature. Such taxes are not subject to limitation as to rate or amount.

A certified or cashier's check in the amount of \$55,000.00, drawn upon an incorporated bank or trust company and payable to the order of the Treasurer of the School District must accompany each bid as a guaranty of good faith on the part of the bidder, to be forfeited as liquidated damages if such bid is accepted and the bidder fails to take up and pay for the bonds. No interest will be allowed on the good faith checks, and checks of unsuccessful bidders will be promptly returned to each bidder's representative or by registered mail.

Bids shall be conditioned upon the unqualified approving opinion of Miller, Canfield, Paddock and Stone, attorneys of Detroit, Michigan, a copy of which opinion will be printed on the reverse side of each bond and the original of which will be furnished without expense to the purchaser of the bonds at the delivery thereof. The School District shall furnish bonds ready for execution at its expense. Bonds will be delivered without expense to the purchaser at New York, New York, or Chicago, Illinois. The usual closing documents, including a certificate that no litigation is pending affecting the issuance of the bonds, will be delivered at the time of the delivery of the bonds. Payment of the bonds must be made in Federal Reserve funds.

The right is reserved to reject any or all bids. Envelopes containing the bids should be plainly marked "Proposal for School Bonds."

Good luck to . . . Waveaways Wilderness Maeve, who'll be competing in the fourth running of the National Amateur Championship for English Springer Spaniels November 18, 19 and 20 at Idle R's Farms, Jerome, O. Maeve was 1963 National Open Springer Champion and finished a strong second in the 1965 National Amateur Championship. She's the pride and joy of William E. Lane, of Hall place, who's chairman of the 1966 National Amateur Executive Committee.

And congratulations to . . . the "Crafty Ladies," who, we understand, are putting finishing touches on the sequin-studded Christmas tree skirts they started LAST January.

The "animals" . . . take over Grosse Pointe this weekend, starting tonight, when a contingent from the Ark arrives onstage in "Noah," being presented by Memorial Players in Grosse Pointe Memorial Church Fellowship Hall, (there'll be two more "Noah" performances, one Friday evening and one Sunday afternoon) . . . and on Saturday, a "dog's" entrance (barking) at Pierce Junior High School Auditorium will herald the beginning of the "Golden Goose," staged by New York's Traveling Playhouse, sponsored by Grosse Pointe's Branch of the American Association of University Women which annually brings the professional theater group here to help raise monies for AAUW's Fellowship Fund, dedicated to giving financial aid to college women for postgraduate study and research. Among Golden Goose special devices aimed at drawing youngsters "into" the play will be The King's invitation to the audience to try to make his enchanted daughter laugh. The Golden Goose will be presented twice, at 1 and 3 o'clock. Tickets are 75 cents each; they may be purchased at the box office on the day of the play or in advance at Punch and Judy Toyland "on-the-Hill," Harkness Pharmacy in Mack avenue, Peter Pan, Inc., and Doubledays in "the Village."

Bright Sight on a Dull Day: . . . Mrs. Leo James Fitzpatrick, Jr., of Touraine road, in a heavenly-shade-of-blue wool coat, clutching a gold folder brimful of notes and papers on St. John Hospital Fontbonne Auxiliary's 13th annual White Christmas Ball, scheduled December 10 at the Grosse Pointe Yacht Club.

Seems like everybody wants . . . "The Wanted." Did you know that this local rock-and-roll group, (three of its five members, Bill Montgomery, Dave Fernstrum and Chip Steiner, go to Grosse Pointe High School; the other two, Tim Shea and Arnie De Clark, attend Austin; all the boys are juniors), served as headline band at the "Teen World" exhibition at Cobo Hall November 4 through 6, (their hit record, incidentally, features the theme song "Teen World") . . . has appeared on television and is the only band whose members are under 18 ever to perform at the Roostertail's Upper Deck . . . is booked solid through January 1, 1967? (We must have belonged to a peculiarly dull, talent-less generation — all we can recall doing a high school is going to the movies, eating pizza, attending private parties, studying . . . We DID have one friend who played the piano . . . badly . . . and upon occasion we'd raise our voice in song — madrigals, rounds, anybody remember "White Coral Bells?" — but nobody EVER offered to record our efforts . . .)

Prettiest Place at the Junior Group . . . of Goodwill Industries' 19th annual Antiques Market and Sale: The Gay Nineties Ice Cream Parlor, where, behind an old-fashioned soda fountain, Junior members dressed in gay pink and white costumes took orders for sandwiches, sodas and similar snacks.

Our intrepid NEWS reporter . . . James Njaim, came chucking into the office Election Day afternoon, after an atypical early morning exchange with his teenage daughter. Seems the young lady rose early November 8, dashed to the kitchen, cooked her father a magnificent breakfast, positively hovered over him as he ate, asking solicitously, at regular intervals, "Is it all right? . . . Can I get you anything else?" Pleased by the (unaccustomed) attention, but a bit apprehensive — "What," he thought, "has she DONE!" — Jim finally demanded an explanation. Daughter smiled sweetly, poured papa more coffee, and observed with just the right ingenuous touch: "Well . . . I know you're voting today . . . and there's this amendment to lower the voting age to 18 . . ."

PILFERINGS

A messenger came into the personnel office of a department store, and asked for Miss Carpenter. His boss, he said, had sent him to pick up a package she was holding, and he was so sure of the name that he hadn't written it down.

Since there was no "Miss Carpenter" working at the department store, he was asked if he was sure he had the right store. He insisted he did. To convince him that he had made a mistake, one of the office staff started reading off the names of employees in the department he wanted: Smith, Jones, Shepard —

"That's it!" he interrupted. Then he added with a sigh of relief, "Right store, wrong astronaut!"

MRS. ADOLF ROSSEL, OF SOUTH RENAUD ROAD

By Janet Mueller

"Over the river and through the woods" . . . and there's Grandma, rosy-cheeked, bright-eyed, waiting to welcome the family home for Thanksgiving Dinner. She's been baking all week, basting all day, preparing for a Big Event in her rather limited life, (living "over the river and through the woods," she doesn't get to see too many people): The Annual Thanksgiving Return . . .

Pretty picture, isn't it? That is, if you don't happen to BE Grandma — that baster, baker, semi-recluse of 50-or-so years ago, who lived only for her family and thought her work was done, (except for a once-a-year Thanksgiving party), when her last chick left the nest to make his own way in the world.

Well, Grandma, we're pleased to report, has changed! She's still rosy-cheeked, still bright-eyed, still bakes a darn good cookie . . . but she's through sitting quietly at home, watching life drift softly by; she's running here, running there, doing things, going places, swirling along in the mainstream of modern living.

Better Phone First
If you plan to go "over the river and through the woods" for a visit with Grandma today, you'd better telephone first. Chances are, if you don't, she'll be out . . .

Now Olga (Mrs. Adolf) Rossel is very much a Grandma, very proud of her children and grandchildren.

She's delighted when the four young Dunaways, Steven, 13, Debra, who'll be 12 in December, David, eight, and Johnny, two, children of her daughter Jean (Mrs. Robert) Dunaway, of North Brys drive, or the three young Haydens, Danny, who'll be nine November 31, Kenneth, six, and Julie, four, children of her daughter Marlene (Mrs. Frank) Hayden, of Greenbrier lane, come, singly or in groups, to spend some time with Grandma and Grandpa Rossel.

She's delighted to have the grandchildren stay overnight — but only one at a time, please.

Always A Surprise
"I love to have them stay, but one at a time is enough. They take turns. We usually plan some 'surprise,' a special treat, like a trip to a store or a cookie-baking session—Debbie LOVES to help me make little, fancy cookies—when one of them stays.

"I like to have them around in the daytime, too; if one of my daughters calls up and asks me to take a grandchild for the afternoon, I usually say, 'Sure, I'll take him/her,' but at MY house. I think it's such a waste of time for me to simply sit with the children. There are so many other things I could be doing. If they're over here, I can do some of those things AND watch them, or take them with me when I go out . . ."

"Once in a great while, if one of my daughters and her husband want to get out for an evening, I'll fix dinner for the children at their house—but after dinner, the regular babysitter comes in, and I go home . . ."

Always Keeps Busy
At home, Olga Rossel has more than enough to keep her busy. There's her sewing, one of her main hobbies. She does everything from needlepoint to dress-making, made all her bathroom and bedroom curtains and the charming, flower-gathered green curtain in her powder room, likes to try her hand at different, difficult designs, ("You can buy the simple things").

There's her garden, ("I love my garden and I love to see things grow"), her indoor plants, ("I like to start them young and give them away when they get growing—otherwise, they'd fill the house!").

There's her work for Grosse Pointe Baptist Church. She's a very active member of the Grosse Pointe Baptist Women's

—and everyone has a wonderful letting-the-hair-down time!

Mrs. Rossel delights in making new friends, and in keeping old ones. For 35 years, she's belonged to a Sewing Club, "The 12:30 Club," which meets every two weeks. Each member brings her own sewing, the hostess makes lunch, the sewers make conversation. Every year, at Christmas, the group gives a donation to the Good-fellows.

Thirty years ago, four sisters from three families, four Lutheran, four Catholic and four Baptist, formed a "Sisters Club." Olga was among the Baptist contingent.

The group is still meeting, for sewing, visiting, sharing ideas and recipes, one evening each month . . . "and," Olga reports proudly, "we've NEVER had an argument about religion!"

With Christmas coming up, most children and grandchildren are racking their brains, wondering what to do about Grandma's gift. The Dunaways and Haydens have no problem, as far as Olga is concerned: Just give her a new piece for her Hummel collection, or a china figurine, and she's delighted.

She's doubly delighted if the grandchildren include a recent snapshot with their gifts, something to add to her Family Gallery, a bulletin board, centered with a charming picture of Adolf and Olga on their wedding day, (they celebrated their 40th anniversary two years ago), dotted with individual and group photos, ranging from a formal portrait of Olga's grandmother to the latest "snap" of little Johnny Dunaway.

"Family is very important to Olga. She's 'used to crowds,'" she has remained close to her own sisters and their families, couldn't imagine a life without children, (Jean and Marlene are both adopted, "Chosen Children" who rejoice in, and are a joy to their parents).

Summers, the Rossels often have "everybody" up to their summer home on Lake Chemung, between Brighton and Howell. It's a big place, with six bedrooms. "We can sleep 19," Olga boasts proudly, and often, on holiday weekends, all 19 beds are occupied.

"The children just love it," Olga exclaims. "We're right on the water, and we have a motorboat; the children like to run it around the lake."

Temporarily, Olga Rossel is a bit of a wanderer. She's driven to West Coast and back, dreams of visiting Hawaii . . . but Adolf, preferring solid comfort with his beauty, likes to "tour" courtesy of George Perrot. Adolf does his vacationing in the northwoods.

And Olga heads north with him. The Rossels have a small cabin near Houghton Lake, where they go to relax—and to hunt deer.

It's not just Adolf who does the hunting, either. Seventeen years ago, Olga agreed, if her husband built a cabin, to try her hand at hunting. Now, she wouldn't miss a Deer Season.

So far, she's gotten three deer, (she's hoping to make it four this year). Mr. Rossel has been luckier. "But then," Olga readily admits, "he's a better shot than I am."

Thanksgiving and Deer Season coincide . . . so, naturally, the Rossels celebrate Thanksgiving in the north. Children and grandchildren are most welcome to come "over the river and through the woods" to spend the day with them, but if they can't make it, Olga understands. They have other things to do—and so does she.

She'll see the children soon, be seeing them often, back in Grosse Pointe. Right now, she's busy hunting her fourth deer. Grandma, HOW you've changed!

Hold Career Day At St. Paul High

By Jim Hayes

Students of St. Paul High School enjoyed an afternoon of conferences with prominent businessmen and representatives of major public services in the area in what turned out to be a most successful Career Day at the school, on Thursday, November 9.

Earlier in October students were given a list of professions and types of jobs and were to designate their first three preferences. The choices were then compiled and the major profession categories were assembled. Within these divisions a panel of men connected with the general topic was selected.

The term artists, was given to the panel which included a draftsman, commercial artist, architect, and architectural engineer. Each of these men provided a slice of a career in which many fields of study are open to students in college.

Another career open to the choice of students was manufacturing and industry. The panel consisted of a product engineer, mechanical and electrical engineer, printer, and executive manager. Members of this group supplied information on every phase of industrial work and opportunities available to young men and women.

Computational, selling, social service, and teaching careers were presented by men and women proficient in this line of work. They named the requisites for would-be secretaries, accountants, social workers and teachers.

Board members of the larger hospitals in the metropolitan area, doctors, and nurses composed the panel in the field of medicine. Inquisitive students requested information on internship and residency of doctors in major hospitals.

Two practicing lawyers from the city and men in the field of writing combined to form the persuasive phase of Career Day.

These men stressed the importance of Latin, not only as a means of precision in the language, but also as a means of logical thought.

All of the representatives of the various careers seemed to feel it was necessary for people to do what they enjoyed doing. "Working long hours is enjoyable work if you like your work," one of them said. As far as salaries go, people make money according to their ambition and their ability.

Two informative hour-long sessions gave students deeper insight into careers they could choose.
