Car Crashes

(Continued from Page 1) Patrolman Otto Gianert was the first to arrive at the scene. He said the Preson, and a passenger in his car, Deane Malchie, 21, of 791 Fisher, suffered minor facial injuries and were badly shaken up. They were taken to St. John Hospital for treatment and released.

Also at the scene were Police Sgt. Eugene Boylan and Patrolmen Ronald Wooten and Joseph Belanger.

The report submitted by the officers disclosed that the total amount of damage was about \$7,000, with the two cars a total loss.

May, who was not injured, was taken to the station where he was given a violation ticket charging him with violating the Drunk Motor Law. He is scheduled to appear before Municipal Judge William Connolly on Wednesday, December 28.

From the point of impact with the bus to the collision of the two automobiles measured 244 feet, police said.

Methodists Set Xmas Services

Christmas Eve at Grosse Pointe Methodist Church will be observed with two services. At 7 o'clock the Christmas Eve Family Service will feature a service of carols and candlelighting.

The Wesley Choir, a choir of third through ninth grade girls and the new Luther Choir, a choir of third through ninth grade boys will sing. The choirs are under the direction of Mrs. Robert Sutton, choirmaster.

A liturgical dance group will interpret the carol, "O Holy Night" as a feature in this service. The group includes senior high youths, William Chosy, Nancy McGraw, Bill Priest, Wendy Schneider, David Ellis, Ginny Ambrose, David Slone and Dulca Green. The climax of the service will be candlelighting.

The second service will be held at 11:30 p.m. This service will open with the traditional English service of Lessons and Carols. It is based on a service held at Kings College Chapel, Cambridge University.

The Chancel Choir and the Asbury Choir will sing the service. Laymen and women with the pastors will read six lessons from the Prophets and the New Testament Christmas Lessons. The service will conclude with the sacrament of Holy Communion.

On Christmas Day one service of Morning Worship will be held at 11 o'clock. Reverend Perry A. Thomas will deliver the sermon entitled "The Christmas Presence."

Cottage Hospital Plans To Have Alcoholic Center

(Continued from Page 1) of the hospital as well as serve the members of our community as best we can.

"I believe it is obvious that we should not, in fact, cannot imitate the medical center concept which one finds mushrooming in huge metropolitan areas.

"As we examine our future in view of pressures to expand, to specialize and to conduct research, we at Cottage have decided to measure our success against our ability to provide much needed personal, family service."

Community Problem Mrs. Holland also said: "While I am not convinced that alcoholism is any more prevalent on the east side of Detroit than any other area, the fact remains that alcoholism is a community problem which requires concentrated professional attention."

Mrs. Holland said the hospital considered and then dismissed using the Nurses Residence as an extended care facility because it cannot be converted to meet code requirements for in-patient care.

Mrs. Holland concluded by crediting Reverend George Whitney of Christ Church, also President of the Greater Detroit Council on Alcoholism, with bringing the need for such a Center to the attention of the Cottage Hospital Board of Trustees.

The new Cottage Hospital Alcoholism Program Center would have a fulltime professional director, although, according to Wilgarde, no one has yet been selected.

"If the program is finally approved and until a director is appointed," said Wilgarde, "it would be administered through our existing medical staff."

Wilgarde said this meant that until a Director is selected, only patients of staff physicians of Cottage Hospital would be treated.

He added that when and if a Director is appointed, patients might then be referred directly to him by outside physicians.

Daniel Praises Plan A member of the original study group, Ralph Daniel of the State Board of Alcoholism, hailed the Cottage plan as an honest and courageous recognition of an acute social and health problem.

"Whatever else he or she is," said Daniel, "the alcoholic is surely a victim of stress. To be able to live, temporarily, under conditions of minimum stress and yet receive the benefits of professional medical care, is an important phase in the rehabilitation of many alcoholics."

"Since, unfortunately," added Daniel, "our acute general hospitals are not sufficiently geared to the requirements of rehabilitating the alcoholic, and, in fact, are not even able to provide a bed for him during his acute phase, it is a breath of fresh air to find a community institution such as Cottage facing the issue head-on rather than leaving it to someone else."

Nurses Notified Nurses now residing in the Cottage Hospital Residence have been informed of the possible conversion of the building to an Alcoholism Center, and officials of the hospital have met with residents and neighbors within the immediate vicinity of the proposed Center.

Wilgarde said he believed the Center might open in the

early part of Spring, 1967, and that, once the decision is made, an immediate search would begin for a director. However, he emphasized, approval from the Greater Detroit Area Hospital Council and Michigan Hospital Service will have to be obtained.

Cub Pack 39 Has Yule Party

Cub Scout Pack 39 held its annual family Christmas pack meeting in Barnes School on December 13. In the true spirit of giving, each scout brought a wrapped Christmas gift and clean used clothing to be given to the children at the Wayne County Juvenile Court. Arthur Ruhl, from Judge Lincoln's office accepted the gifts and expressed his thanks to the scouts.

The meeting was opened with Den 6 performing the flag ceremony, after which awards were given out. This was followed by a skit by Den 5 about a disillusioned Santa Claus and the first astronauts to land on Mars.

A highlight of the evening was the showing of the movie entitled, "The American Cowboy." The serving of gaily decorated cupcakes, soft drinks and coffee brought the delightful evening to a close for the Cub Scouts and their families.

Damage Extensive There are 32 homes in the two-block area of McMillan affected by the subsidence problem. One resident, alone, received a bid of \$2,600 to repair damage to his house, which has been settling forward.

Citizens in the Charlevoix and McMillan area have met with city officials on several occasions in an attempt to arrive at a solution to this aggravating problem.

To show the people that the city is interested in their problem and is trying to correct the situation, it was decided to hire Stoll, a soil expert, who is considered tops in his field.

Stoll has been asked to make recommendations, for both temporary relief, until next spring when the city will be able to do a better job, and for a permanent ending of the problem, regardless of costs.

It was said that the soil ex-

pert and his U-M colleague might have to make several tests, before revealing their findings and recommendations to the council.

Arthur Neef Resigning As WSU Law School Dean

The Wayne State University Board of Governors, at its monthly meeting, Thursday, December 15, accepted the resignation of Arthur Neef as dean of the University Law School. Dean Neef will retire on July 1, 1967, but will continue at the University in a teaching role.

Speaking for the Board, Governor Leonard Woodcock praised the retiring dean for the guidance he gave the University through the strategic area of its growth.

"Dean Arthur Neef's monument is not just the University's Law School," Woodcock said, "but is instead, this entire campus. Dean Neef should be given credit for being the master planner of this University."

During his nearly 40 years of service at WSU, Dean Neef guided campus planning, served as legal counsel to the Board of Governors and directed legislative relations.

Dean Neef was a practicing lawyer until he joined the Detroit City Law School in 1927 as an administrative secretary and instructor before the school became a part of the University.

He was named assistant dean of the WSU Law School in 1935, dean in 1937, and provost in 1945. The title of vice president was added in 1953.

A graduate of Detroit Eastern High School in 1916, Dean Neef received an A.B. degree from the University of Michigan in 1921; and a J.D. degree from the U of M Law School in 1923.

The Board of Governors honored Dean Neef on April 16, 1964, with a Distinguished Service Award, the first ever presented to a member of the faculty.

An active leader in the cause of equal educational and employment opportunities at WSU and in the community, Dean Neef is executive secretary of the Higher Education Oppor-

tunities Committee. The local committee was formed to enable students of college potential to realize higher education opportunities.

Dean Neef is affiliated with many honorary, professional and civic organizations including the Order of Coif and the Michigan Cancer Foundation which he served as chairman of the board of trustees. He is also a past president of the Yates Memorial Clinic and a member of the board of trustees of the Detroit Institute of Cancer Research.

He also belongs to the American Bar Association, the Michigan State Bar Association, Detroit Bar Association, the American Judicature Society and has been a member of various committees of the Michigan State Bar.

Church Offers Adult Education

Adult education is receiving an enthusiastic response at the Grosse Pointe Baptist Church, with special attention being given to Sunday morning elective courses and a Wednesday evening Bible study course.

This is an attempt to make a fresh approach to adult needs in a field where heretofore children and young people have been the major subjects of concern, according to Dr. Edwin Potts, the church's minister of Christian Education.

Seven courses of study are being offered, including such subjects as "Where in the World," a study of the changing forms of the church's witness in these times of rapid change; "A Taste of New Wine," a study of a search for an honest relationship with Christ; "The Christian Faces His World," a discussion of the problems of our rapidly changing society in terms of family tensions, leisure, government, missions, and other current issues; "Basic Christianity," a view of some of the important doctrines of the Christian faith made relevant to contemporary life.

There are also some training courses in teaching techniques, and studies in the book of Ephesians and Luke's Gospel.

The Wednesday evening sessions are devoted to a two-year course called the Bethel Bible Series. This is sponsored by the Bethel Lutheran Church of Madison, Wisconsin, and has been used by several thousand churches of all denominations in the United States. It has been preceded by a two-year training course for the teachers.

A noteworthy aspect of this entire adult program is that the teaching is done entirely by trained laymen and laywomen who have been prepared over a period of years by the ministers of the church.

This emphasis on Christian training and education has been accompanied by a development program which includes several new class-rooms now nearing completion, a remodeling of the sanctuary to make provision for a new pipe organ, the acquiring of a new church bus and several other major improvements to be achieved within the next two years.

Police Graduates Win Certificates

The Eleventh Graduating Class of the Basic Police Training School, which included officers from the Pointe and surrounding areas trained at the Park Municipal Building, received certificates of graduation following a luncheon at the Devon Gables, Long Lake at Telegraph, on Wednesday, December 14.

The graduates also included five Pointe policemen who attended special classes at the Hamtramck Detective School, East Detroit Fingerprint School, and the Wyandotte Fingerprint School.

All the schools are sponsored by the Southeastern Michigan Association of Chiefs of Police and the Federal Bureau of Investigation.

Besides the Park, basic training schools are located in Lincoln Park, Royal Oak and Inkster, all directed by local police authorities.

Certificates were awarded to 14 officers who completed a total of 136 hours of training at the Park School, directed by Police Chief Arthur Louwers. They are:

City Patrolman Donald Ludlow; Farms Patrolman James E. Vitale; Shores Patrolmen Thomas Dettmer and Thomas Zoia; East Detroit Patrolman Thomas Coopman, William D. Johnson and Donald Placke; Roseville Patrolmen Roger A. Cass, Robert L. Doetsch, Stephen Rinaldi, Richard Sparks, John A. Stovel and Robert A. Young; and St. Clair Shores, Patrolman Verling J. Gentile.

East Detroit Fingerprint School; Farms Det. Joseph Miller; and from the Wyandotte Fingerprint School, Shores Police Sgt. Joseph Vitale.

Assisting Chief Louwers in teaching courses at the Park School was Park Det. Lt. Arnold Hough.

Directors of the Hamtramck School are Det. Lts. Wallace J. Wilson and Peter Supina; East Detroit, FBI Special Agents David Nesbitt and Frank Knoth; and Wyandotte, the same two agents.

ONION REIGNS FOR DAY

BERNE, Switzerland — In a tradition that dates back to 1408, the modest onion reaches the rank of nobility and reigns for a day—the last Monday in November—at Berne's Onion Market. The event originated more than five centuries ago as the housewife's last chance to stock up on winter vegetables. Now it is a festival for young and old, featuring a confetti battle in the streets, shopping, and indulging in onion soup and onion pie. Onions are offered by the knots to wear as boutonnières, and as onion and fir wreaths and table centerpieces.

As traditional at Mason School as holly and tinsel, trees and presents, a Christmas play, "The Birds' Christmas Carol" by Kate Douglas Wiggin, was presented by Mrs. Jacobs' fifth grade class to their parents and the children at Mason on Thursday, December 22, just before dismissal for Christmas vacation.
 The play repeats the Christmas themes in a form that children enjoy again and again.
 And as Miss Wiggin says in her book, "As the old years, fraught with memories, die, one after another, and the new years, bright with hopes, are born to take their places; Carol (Bird) lives again in every chime of Christmas bells that peal glad tidings, and in every Christmas anthem sung by childish voices."
 A very Merry Christmas to all!

John F. Geml Trains At Ft. Leonard Wood

Army Private John F. Geml, 19, son of Mr. and Mrs. Joseph Geml, 1785 Roslyn road, completed advanced training as a combat engineer December 16 at Ft. Leonard Wood, Mo.

During his training, he received instruction in combat squad tactics, use of infantry weapons and engineer reconnaissance.

He also was trained in the techniques of road and bridge building, camouflage, and demolitions.

Motorist Hurt In LS Crash

A Shores policeman who heard a loud noise, went to the scene to find a car had smashed into a tree and the driver suffering from serious injuries.

Patrolman Ronald Forth was patrolling north on Lake Shore road, at 10:50 p.m., on Wednesday, December 14, when he heard a noise that sounded as though a vehicle had struck an immovable object.

The officer said he sped on the road toward where he heard the sound, and found a car had smashed into a tree on the island in front of 707 Lake Shore, and the driver, Charles Verhultz, 42, of 8669 Warren, Detroit, still behind the wheel, unable to move, and bleeding about the face.

Forth called for assistance, and Patrolman Thomas Zoia

arrived and took the injured man to Bon Secours Hospital. Woods police sent two scout cars to the scene to help, but were not needed.

At the hospital, Verhultz was taken to the emergency room, where x-rays taken showed that he suffered a broken right leg and a fractured pelvis. His condition was listed as fair.

Verhultz was unable to make a statement, police said, but it is surmised that he failed to negotiate a slight curve in the road. The left front wheel of his vehicle struck the curb and he lost control, and his vehicle went over the curb and smashed into the tree.

Verhultz, a plumber and on his way to making a night service call, was alone in the car.

Four Injured In 4-Car Crash

Failure to stop at a stop sign caused a four-car accident on Wednesday, December 14. Gerald R. Hanba, 18, of 29570 Northbrook, Southfield, received a court order to appear for reckless driving.

Hanba, driving north on St. Clair, failed to stop at the stop sign, causing Mrs. Louise Primeau, 15 Christine court, who was driving west on St. Paul, to hit him on the right side. Hanba's car continued north on St. Clair and struck one driven by James Palenchar, 20064 Wedgewood, who was stopped on St. Clair at St. Paul, causing Palenchar to crash into a '61 Mustang driven by Dorothy Lyons of 12 Alger place.

Both Palenchar and Mrs. Lyons were stopped at the stop sign for southbound St. Clair.

Three of the vehicles had to be towed from the scene. The fourth car had damages of less than \$100. Palenchar's car had over \$750 damage. Mrs. Primeau's car had between \$750-\$800 damage. No estimate of the damages to Hanba's car was available.

Hanba, his passenger Alicia Marcerau, 771 St. Clair, Mrs. Primeau and her 12-year-old daughter, Julie, were taken to Bon Secours Hospital. Hanba and Mrs. Primeau sustained minor head injuries. Alicia Marcerau suffered lacerations of the face and scalp and Julie Primeau had a knee injury.

FERTILIZER FACTS
 Potash fertilizer originally was obtained by running water through wood ashes, and boiling down the solution in large open kettles. The residue, a white solid, was called "potash" because it was made in pots from ashes. Largest producing area of potassium salts in the world today is around the Dead Sea in Israel.

Private John H. Mertins, 22, son of Mr. and Mrs. Henry E. Mertins, 35 Newberry Place, Grosse Pointe Farms, Mich., completed a social work procedures course at the Brooke Army Medical Center, Fort Sam Houston, Tex., December 9.

During the eight-week course he received instruction in interviewing patients and assisting professional staff members in treating persons with various social problems.

MODERN RUSTLERS

DENVER, Colo.—Horse stealing has changed a bit from frontier days. Thieves stole a one-ton pickup truck and four-horse trailer from Miss Jean McHarg's home, then drove to her ranch and stole four of her prize horses. Miss McHarg valued the horses at \$25,000 and the truck and trailer at \$8,000.

Report Scarcity Of Big Brothers

A combined effort to recruit more Big Brothers—adult men who will volunteer to become friends on a one-to-one basis of young, fatherless boys in the Grosse Pointe area — has been launched by three Torch Drive services.

The drive for additional volunteers coincides with plans to observe "Big Brother Week" January 8-14.

The Torch Drive services involved are Big Brothers of Oakland County, a secular group; Catholic Charities of the Archdiocese of Detroit, and Church Social Services, a Protestant-affiliated organization.

"Adult men, 21 years of age and over, who wish to enroll in either of the three Big Brother programs may do so by telephoning 321-1666," according to the Rev. Chenoweth Watson, director of Church Social Service.

"Our office at 51 W. Warren will be the clearing house for the three Big Brother programs in the tri-county area," he said. The common dialing system would be in effect only for Big Brother Week.

Watson said the shortage of Big Brothers is so great presently that each month his agency alone receives from 60 to 80 more referrals than the staff can match with volunteers.

"The number of Big Brothers in the tri-county area is now 450," he said, "but the number of boys desperately needing this service has climbed to more than 1,500."

He indicated this estimate is probably extremely conservative since the metropolitan area included some 20,000 fatherless boys.

Watson emphasized that not all boys referred to the Big

Brother program are juvenile offenders.

"The principal criteria is that they be between eight and 16 years of age and lacking a father figure in the home," he said.

"They need an adult friend, a mature man to whom they can relate in order to grow into well-adjusted, responsible citizens."

Boys are referred by churches, parents, visiting teachers, police youth bureau or other social agencies.

Each boy is matched with a Big Brother by trained social workers. After being screened, volunteers are given an orientation program.

Commander Karsten Aboard Enterprise

Commander Herbert G. Karsten, USNR, son of Mrs. H. E. Karsten of 201 Lakeshore drive, is one of more than 3,000 crewmen helping to celebrate the 5th birthday of the nuclear-powered aircraft carrier USS Enterprise, the world's largest warship, during a port visit to Hawaii.

The 90,000-ton attack carrier departed her homeport at the Alameda, Calif., Naval Air Station in mid-November and has been undergoing operational readiness exercises in the vicinity of the Hawaiian Islands.

Operations at sea included fire fighting, navigation, flight operations, weapons handling and seamanship drills designed to keep the crew in a state of combat readiness. After intensive at-sea training, visits were made to Pearl Harbor, giving crewmen a chance to see the Honolulu area.

The Spirit of Christmas

Christmas is a happy, joyful time with special meaning to everyone. It is a time for exchanging and sharing the good things in life with loved ones — and a time for reflection on the true meaning of Christmas.

The spirit of giving extends beyond the passing of gifts. Giving of oneself to help others be happy is an expression of the kind of love for mankind taught by our Creator whose Nativity we celebrate.

Christmas is a time for the youngsters to expect. It is a time for the oldsters to reflect, and for the rest of us to collect — memories of some of the happiest hours we'll ever spend with our children and loved ones.

On behalf of all of us here, may I wish you and your family a very Merry Christmas and may you share in all the joys of the true spirit of Christmas.

Catch Juveniles With Stolen Car

Two Detroit juveniles, who were riding in a stolen car, were arrested by a Farms policeman Saturday evening, December 17, at Lake Shore and McKinley place.

The vehicle, registered to Marcelle Lubeski of 277 Ridgmont, had been reported stolen earlier in the day.

The juveniles, one 15 years old and the other, 14 years old, both boys, were taken into custody by Patrolman Ronald Wooten. He was cruising east on Lake Shore, at 8:02 p.m., when the teenagers passed him, going about 45 miles an hour.

Wooten said he pulled up behind the speeding auto, but the driver, the older boy, ignored the flashing dome light and siren. Instead, the boy turned north onto Warner to Grosse Pointe boulevard, turned right on the boulevard, and drove over the center line, almost causing a collision with an oncoming car.

The driver then turned left onto Stanton lane, stepping up his speed, but was forced to come to a halt when he turned onto Handy place, a dead-end street. The fleeing youths ended up on the lawn of number 707, causing slight damage to the lawn.

The boys were taken into custody and taken to the station where they were released to Det. Sgt. George Van Nien and Det. Joseph Miller for further investigation and questioning.

The owner of the car was notified that it had been towed to a service station. The front end of the vehicle had been damaged. Charges of car theft were filed against the two boys with Juvenile Court authorities, the detectives said.

GALS GOOD WITH MONEY
MINNEAPOLIS, Minn. — Nearly two-thirds of the employees in banks today are women, and half the officers in your local bank are likely to be women by 1975, the president of the National Association of Bank Women told Minnesota members of the association at a meeting here.

Miss Eleanor A. Kropf, second vice-president of the Chase Manhattan Bank in New York City, reported that women have been entering banking, which was once completely "man's work," very rapidly since World War II.

Supreme Court Decision Shackles Law Enforcers

By James J. Njalm

If at any time you see a policeman, cap in hand, talking to someone, it is not because the officer is being polite, but in all probability he has placed that person under arrest and is reading off the "Miranda Warning."

Most police officers place a card, with the imprinted warning, inside their caps because it makes for easier access. Reading is a lot better than memorizing, since there is less chance of a slip up.

"The Miranda Warning" is what every federal, state and local lawman must be absolutely familiar with, for every time he makes an arrest for a serious crime, or takes anyone in custody on suspicion of committing a crime, that person must be advised of his constitutional rights.

That is what the warning is about. Failure by any policeman to notify an arrested person of these rights, could result in having the case against that person nullified by the courts.

The warning takes its name from Ernesto A. Miranda, in the case of Miranda vs Arizona, who appealed a conviction of a major crime he was accused of committing.

Miranda appealed his conviction to the United States Supreme Court in October 1965, on the grounds that a confession he had made pertaining to the crime, was obtained without his being represented by an attorney, and therefore his constitutional rights had been violated. An attorney would have informed him of the right, it was said.

On June 13, 1966, the Supreme Court, by a 5-4 decision, threw out Miranda's conviction. The majority decision stated that Miranda had been deprived of his rights and that he had not been informed that he need not make any statement unless an attorney was present to advise him.

Instead of rendering its decision only in this particular case, the majority of justices stated that such an obtained confession is illegal in ALL cases, which set a precedent in American justice.

No matter how foul the crime, even if witnessed by a police officer himself, the person accused and arrested must be informed, from the moment he is taken into custody, of his constitutional rights.

Such an incident occurred in the Park on November 30, when a youth was apprehended in the very act of committing a vicious crime on the person of a young woman.

From the moment police placed the youth under arrest,

they were obliged to read off the "Miranda Warning," and as a result, the accused absolutely refused to make any statement whatsoever.

Read to the youth, as to others who have committed crimes, is the following:

1. You have the right to remain silent;
2. Anything you say can and will be used against you in a court of law;
3. You have the right to talk to a lawyer and have him present with you while you are being questioned;
4. If you cannot afford to hire a lawyer, one will be appointed to represent you before any questioning, if you wish one.

After the warning and in order to secure a waiver, the following questions should be asked and an affirmative reply received to each question:

1. Do you understand each of these rights I have explained to you?
2. Having these rights in mind, do you wish to talk to us now?

These questions are asked at the scene of an arrest, and repeated when the accused is in the station, and must be repeated again, if he is interrogated by officers of the Detective Bureau.

This is only one way in which our policemen are hampered in enforcing our laws, by the U.S. Supreme Court.

The International Association of Chiefs of Police have distributed hundreds of reprints to police departments throughout the nation, of an article in the December issue of the Readers Digest, written by Eugene H. Methvin, entitled "Let's Have Justice for Non-Criminals, Too!"

A legend on the first page, just over this story, reads: "By handing down increasingly unreasonable police procedures, the Supreme Court threatens to make a disgraceful farce of American law enforcement."

Methvin's article is worth reading, it pin points what the law abiding citizens of the nation, and their police agencies, who enforce their laws, are up against in the never ending battle against crime.

WATCH THE BIRDIE

BELGRADE—Two teen-agers played an endurance game of badminton in a Belgrade street. They batted the ball back and forth for 99 minutes—a total of 3,135 strokes—before it touched the ground. They said they could even have done better, if a huge refrigerator truck had not come along the street between them. They said they could not bat the ball over it as they did over other passing cars.

Peace, Good Will

That's the message from us to you, as we take this opportunity to thank you for another year of being a valued customer!

St. James Plans Yule Services

St. James Lutheran Church announces the following special services for the Christmas season:

Christmas Eve will herald the traditional, festive Candlelight Carol Service, which will begin at 11 o'clock. The meditation by Pastor George Kurz will be based on Psalm XXIV, 4-10, and entitled, "Christmas Eve in Grosse Pointe."

Choir Director Carl Munzel announces that the Choir will sing Sateren's, "Love Came Down at Christmas"; Andersen's, "Lift Up Your Heads"; "Sing Gloria" by Katherine Davis; Kessel's "Glory to God"; Harry Simeone's "Do You Hear What I Hear?"; and "O How Beautiful the Sky" by Christian. Soloist, Mrs. William Heller will sing "O Holy Night" by Adams.

The Annual Traditional Children's Christmas Program will be presented at the 9:30 a.m. service on Christmas Day. Sunday School boys and girls will tell the Salvation story in song and drama. There will be no sermon at the early service.

Pastor Kurz's sermon at the 11 o'clock Christmas Morning Festival Service will be "The Prince of Peace," based on Isaiah, Chapter 9, verse 6. Holy Communion will be celebrated. There will be a nursery for small children.

St. James will hold a New Year's Eve Candlelight Vesper Service, with the sermon topic being "Forgetting-Remembering," based on Philippians, Chapter 3, vs. 13-14. Holy Communion will be celebrated. This service begins at 7:30 o'clock.

Arrest Accused Man in Woods

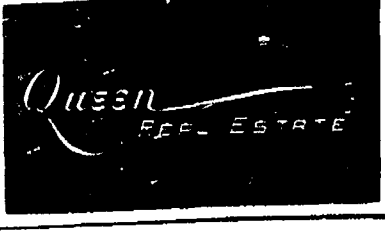

Donald C. Clement, 23, of 128 Clinton road, Mt. Clemens, is in police custody because an alert Woods policeman saw him driving on Mack avenue, on December 15.

Patrolman Charles Hamel said he was cruising on the avenue, when he observed Clement driving south, and called for a check of the vehicle, to determine its ownership. It was disclosed that the vehicle belonged to Clement.

The officer stopped the motorist at Newcastle and demanded his operator's license and car registration, and after establishing that the man behind the wheel was Clement, the officer informed him he was under arrest.

Clement, it was said, was wanted by Roseville authorities on a bad check warrant. The police of that city were notified that the man was in custody. He was released to Det. Sgts. Robert Perter and Arthur Young.

BABY'S THROAT CLEARED
City Police took an unconscious, 1 1/2-year-old boy, Steven Peacock of 333 University place, to Bon Secours Hospital on Saturday, December 17. He was treated for an obstruction in his throat and released.

SPREAD THE HOLIDAY JAM
And enjoy it!

Christmas is a time for tradition. One tradition is calling family and friends Long Distance on Christmas Eve and Christmas Day. Always exciting but sometimes frustrating—when you experience delays because almost everybody calls at the same time.

This Christmas, you've got two extra days to call Long Distance... all day Saturday and all day Monday when low evening rates apply. No need to wait for the peak holiday Long Distance jam.

On Sunday (Christmas Day), the lowest night rates apply all day so there's no need to wait until evening. Pass the jam and have a Merry Christmas. (Lower rates do not apply on person-to-person calls within Michigan.)

Plan Services At Memorial

The Grosse Pointe Memorial Church will begin its Christmas celebrations with two services on Christmas Eve. At 5 o'clock the traditional family service will hear the Junior Choir sing "Willie, Bring Your Little Drum" and the Junior High Choir sing "Hark, Now, O Shepherds." The Reverend Gary R. Gruber will tell a Christmas story, "Good Tidings of Great Joy."

At 9 o'clock the Reverend Bertram deHeus Atwood will preach on "Waiting For Godot" and there will be a celebration of Holy Communion. The Chancel Choir will sing carols as a prelude beginning at 8:40, and the music will include: a Christmas Motet by Jacobus Clemens, non Papa; and Brahms' "Slumber Song."

Eighteen members of the Detroit Symphony will play the accompaniment of Bach's "Christmas Oratorio," Parts III and IV with Malcolm Johns, organist and choirmaster, conducting. Soloists will be Jeane Zech, Roma Riddell, Joan Irwin, Eleanor Felver, William Kelly, Charles Fantazzi, William Roche, and William Felver.

Over 150 voices will sing and the Oratorio will be sung twice, at both the 9:30 and 11:15 a.m. services.

Memorial Church is devoting its Christmas Offerings to Church World Service, Children's Fund. The Church is attempting this year to equal its giving to mission causes to that for its own current expenses, in order to extend its witness and influence.

Eighteen weeks of advanced tactical flight training, further academics and survival techniques were completed at the U. S. Army Aviation School, Fort Rucker, Ala.

Two Close Ones Dropped By Blue Devil Cage Team

By Dale Eichbauer

The Blue Devil basketball team lost two tight defensive battles last weekend, to Fordson, 63-57, on Friday and to East Detroit, 66-63, on Saturday night.

The Fordson game, a Border Cities League contest, was a seesaw battle all the way, with the outcome not positive until the final buzzer. Taking an early lead, the Devils led at the end of the first period 19-14, paced by O'Donnell with eight and Pike with five.

By the end of the second period the Tractors had overcome this lead and gone ahead 33-31. Pike led the Devils with four additional points.

Lead Changes Huddle

During the third period the lead was exchanged several times, but at the end of the period the Tractors again led, now 50-46. Ferman and Jacobs each contributed four as high scorers for the Devils for the period.

The fourth period again saw the lead exchanged several times, but as the final seconds of the game ebbed, the Tractors pulled ahead for a six-point, 63-57 lead by the end of the game.

High scorer for the period was again Pike, with four, who was also top Devil for the game with 15.

Preceding the varsity game, the junior varsity defeated that

Hockey Chiefs Still Unbeaten

By William A. Gill

The Grosse Pointe Chiefs won two games this past week to remain undefeated in the S.E.M.H.A.—Juvenile Division. They beat Pontiac 6 to 1 and Royal Oak 4 to 1.

In the Pontiac game the Grosse Pointers took charge as soon as they stepped on the Cranbrook ice, with two quick goals by Jay Gill and Tom Buckman. Gill's goal was unassisted and Buckman's goal was on a pass from George Mercer.

Five minutes later Gill scored again on a tip-in from Greg Carpenter.

In the second period Steve Maxon scored at the eight-minute mark unassisted on a slap shot from the blue line. Four minutes later Maxon passed in front of the net to Bob Schmitt, who pushed the puck in.

In the final minute of play George Mercer passed to Tom Buckman who outsmarted the Pontiac goalie to make the score 6 to 1 in favor of the Chiefs.

On Saturday, at McCann Rink, the Grosse Pointers met Royal Oak and defeated them by the score of 4 to 1.

In the first minute of play Doug Kalevelage scored on a pass from Tom Buckman. Then at the nine minute mark Royal Oak scored to tie the game at 1 to 1. Kalevelage came through again at the 15-minute mark to put the Chiefs ahead and to remain ahead for the rest of the game.

The "Scooter Line" took over with Marv Larivee and Bill Acker passing to Randy Neil who put the puck into the net, making the score 3 to 1.

Fourth goal was unique on a pass from goalie Bill Bockstanz to Jay Gill to "Big Sam" Orlando, who blasted the puck past the Royal Oak goalie. This was Orlando's first goal of the season and brought a rousing cheer from the Chiefs' bench. This play will probably make Bockstanz the highest scoring goalie in the South East League.

Theodore D. Raphael Sets Hockey Records

Theodore D. Raphael, senior center on the hockey team at Oberlin College in Ohio, has earned two letters in the sport. He holds nearly every Oberlin scoring record, led the team to a 9-1 record and the Association championship in 1964-65, scoring 11 goals and 10 assists.

Last season Ted added 17 goals and 11 assists. Four times he has had the 3-goal hat-trick and twice, he has scored four goals.

He is the son of Mr. and Mrs. Frank G. Raphael, 490 Renaud road.

Power Squadron Elects Officers

The Grosse Pointe Power Squadron elected its officers for 1967 at their annual meeting at the Grosse Pointe Yacht Club.

The new officers are: Roy W. Vorhees of Hampton road, commander; Fred G. Schriever of Clairview road, lieutenant commander-executive officer; Edward Kimmen of Clairview road, lieutenant commander-administrative; Howard E. Stoneback of Ballantyne road, secretary; John H. Elected to the executive committee were: Robert C. Robison, Christian A. Hanneman and Donald G. Strand.

Elected to the Audit Committee were Ward F. Diehl and Foster F. Gerlach.

Club Planning Two Ski Trips

A very few places remain for Grosse Pointe War Memorial's Adult Ski Club's three and four-day ski trip to Boyne Highlands and Boyne Mountain over New Year's.

Travelling by charter bus, one group will leave at 8 o'clock, Thursday, December 29, the other at the same time on Friday evening, December 30.

The Club will stay at Weatherly Lodge in Charlevoix, two, three and four in a room depending on rate selected. The lodge has a fine indoor heated pool in which to relax after skiing.

A special New Year's Eve party will be held. Trip costs vary from \$28.75 to \$40.50 depending on length of trip and accommodation. Guests of members are \$3 extra. Paid reservations are necessary in advance. Charter buses are used throughout, to and from the slopes included.

St. Paul Cagers Stay Unbeaten

By Dave Fromm

Sparked by Dan Sutherland's 12 points, the St. Paul Lakers varsity basketball team trounced the Crusaders of St. Clement on Friday, December 9, on the Laker home court.

The victory marked the team's fifth straight win out of three league and two non-league contests.

The Lakers jumped to an early 11-5 lead and paced the Crusaders 20-14 at halftime. A 6-point margin over St. Clement marked the end of the third quarter as St. Paul coasted to a 39-30 final score.

Sutherland was backed up with sophomore Mike Farrell's 11 counters. The top shooter for St. Clement was Zelanski.

Before the varsity game, Dennis Hayes clinched the game for the Laker J.V. squad 32-31 as he sank a pair of free throws in the final 20 seconds of play.

To Hold Exhibit Of Sports Cars

Greenfield Village's 15th annual "Sports Cars in Review" show will be held in the Henry Ford Museum starting on Friday, January 13, and running through February 5.

The 1967 show will combine the latest in sports cars alongside classic machines of the past, according to Dr. Donald A. Shelley, executive director of the Museum and Village. This contrast of styles provides an unusual opportunity to trace the development of racing cars from their earliest days to the sophisticated machines of today.

The 50 plus sports cars, both American and foreign, will be displayed along the picturesque Street of Early American Shops, nearby the Museum's outstanding transportation collection.

In addition to the cars themselves, three noted speakers, a fashion show and racing movies will be featured during the three-week event.

In keeping with the old and new concept of the show, Peter DePaolo, winner of the 1925 Indianapolis 500 race and the first man to achieve a racing average over 100 m.p.h. and West Coast builder and designer, Carroll Shelby, manager of the victorious American racing team at Le Mans in 1966, will speak on racing as it was and as it is now. Ralph Stein, automotive editor of This Week Magazine, author and racing authority, will also speak.

Neighborhood Club Sponsors Ski Trips

The Neighborhood Club is sponsoring five ski trips to Mt. Christie for 7th and 8th grade junior high students.

The first trip is scheduled for Wednesday, December 28. The bus leaves Brownell Junior High parking lot at 7:30 a.m. and returns at 4 p.m. The cost is a \$3 annual membership to the Neighborhood Club and \$3.00 for transportation and insurance. Lift fee is \$2.25 and rental of equipment if needed is \$2.25 payable at Mt. Christie. It is requested that registrations be made at the Club office, 710 Notre Dame.

Motorist To Face Charges of Drunk Driving

A motorist who ignored a police car flasher and siren, and who became belligerent while under arrest, was given a violation ticket for driving while under the influence of liquor.

On Wednesday, December 14, Woods Patrolman Thomas Podeszwick, while cruising on Mack avenue, observed Edward D. Shelton, 41, of 2315 Arthur court, St. Clair Shores, driving

a car in an erratic manner, going from lane to lane, at a high rate of speed. As Shelton approached the Cook road intersection, he drove through a red signal light without slowing down or stopping. At the Broadstone intersection, the motorist's car went over the curb of the island and back onto the road.

At Mack and Moross, Shelton ignored another red light, and was stopped by the officer on

the south side of Moross. Podeszwick was assisted by two Harper Woods policemen, who were on Mack at the time, and who witnessed and took part in the chase.

The Woods officer said that

when he ordered Shelton into the scout car to take him to the station, Shelton became belligerent.

In the station, Shelton again became uncooperative and antagonistic, it was said. He was

given a violation ticket charging him with violating the State Drunk Motor Law.

A court date is scheduled for January 14.

NO DECISIONS
Investigations may bring out a few unknown facts, but if they were all placed end to end they'd never reach a conclusion.

An Affront to Christmas

Reactions far removed from those which should be associated with the Christmas season, assailed us when we learned that the very earliest of outdoor yuletide decorations had once again produced the annual outcry of anguish.

This is a vicious and senseless display of atrophied adolescence. The mentally stunted disgruntleds who are responsible for these senseless exercises in exhibitionism, should be smacked down in a hurry and with convincing methods of punishment.

The cooperation of all in helping the police to eliminate this menace is urgently requested. Let's not have the lovely sound of Christmas music shattered by the ugly discord of exploding bulbs.

Letters to the Editor

Gentlemen:
As per your request we are sending the following statement we discussed on the 16th.
I understand that some of the neighbors of Cottage Hospital have some fears about the proposed program to treat alcoholics.

dedicated article that Grosse Pointe youth are hell-bent-for-election is unmitigated nonsense. I am sure the people quoted, including even Armin Grams, would admit as much. Vince Peterson is perhaps the community's most ardent defender of its youth.

No one denies that alcoholics sometimes get drunk. Getting drunk for the alcoholic is like an epileptic having a seizure. It is a symptom of the illness.

The point is that alcoholism cannot be treated while the individual is intoxicated. The Cottage Hospital project cannot help people who are drunk. It is not geared for people who are drunk.

It is not uncommon for people to have this misconception. As a matter of fact this kind of objection frequently occurs. It never lasts. Neighbors lose their fears after programs get operating because they realize that the people being treated present no problems to the neighborhood.

Of the many regrets I had in leaving Grosse Pointe, none was more poignant than removing my own children from such a pleasant environment. Of course, there are good things everywhere, but rarely in such abundance as one finds in Grosse Pointe.

Its schools, both public and private, are superb. Its churches are led by many courageous and intellectual giants. Its streets, its stores, its homes are uniformly pleasing to the eye.

Dear Mr. Edgar:
I have read your excellent editorial and followed with much interest the commentary on Grosse Pointe youth. Needless to say, I took a lot of good-natured kidding from acquaintances in this area when the "Grosse Pointe Story" appeared in the Los Angeles Times.

As an outsider, although perhaps not an entirely objective one, I salute Grosse Pointe and its most wholesome asset — its youth.

I think it is fair to say that one of the prices to be paid for distinction is occasional abuse. Americans love to kick the "top dog," whether the "top dog" is a person, a baseball team or a community.

Editor's Note:—The writer, Dr. Wilson, former Superintendent of the Grosse Pointe Public Schools, is now Superintendent of the North Orange County College District, with headquarters at 1000 North Lemon Street, Fullerton, Cal.

Know Your Schools

by J. Harold Husband, Acting Superintendent
The Grosse Pointe Public School System

QUESTION:
Acting Superintendent of Schools, the Grosse Pointe School System.

Why are children in physical education classes in the junior high schools of The Grosse Pointe Public School System required to wear uniform dress?

ANSWER:
Among the boys at Brownell Junior High School, for example, the teachers have found that uniformity in dress adds immeasurably to the successful conduct of the class.

May Not Have Been 'Star' That Guided Three Wise Men

The "star" said to have guided the Wise Men to Bethlehem may have been a conjunction of the planets Mars, Jupiter and Saturn, according to University of Michigan astronomer Hazel M. Losh.

Adding to this array will be Jupiter coming over the eastern horizon about three hours after the sun sets. It rises below and almost in line with Castor and Pollux in the constellation Gemini.

WOMEN'S PAGES

From Another Pointe of View

By Janet Mueller

A merry, merry Christmas to you all! Now at last, with our presents bought and wrapped, our tree up, our house trimmed, (it looks rather as if the Spirit of Christmas Present entered into the decorators with a vengeance: Would you believe THREE trees—including, of course, a Partridge in a Pear . . .), we're relaxing a bit, allowing ourselves to wax mellow, sentimental . . .

We even, (Yetch! How schmaltzy can you get!?), managed a slow drive down Lakeshore one evening at the beginning of the week, to "see all the colored lights." And it was "just like we remembered it"—except we weren't 10 any more, sitting in the back seat, exclaiming, as each house came into view, "O-o-oh! Look at THAT one!"

We left the exclamations to another 10-year-old, seeing Lakeshore at Christmas for the first time, whose eyes grew rounder and rounder as she viewed the azure lights outlining windows and door at the Alfred Glancys, Jr., and the Glancys' huge red tree, crowned by a white star . . . the garden of twinkling white trees surrounding the G. Mennen Williams home . . . the Star poised over the water atop the Grosse Pointe Yachte Club's tower . . .

We swung into Deeplands, where every house is a Christmas Card, and paused for a moment before the almost-life-sized creche outside the C. Bradford Lundy's, Jr., home in Ballantyne road . . .

Then back down to Lakeshore again . . . more lights . . . more trees . . .

And before we knew it, we heard ourself saying, right there in the front seat, "O-o-oh! Look at THAT one!"

A Degree For Christmas

Helen (Mrs Joseph S.) Markey has already received her Best Christmas Present Ever.

No more is she the only "degree-less" adult member of the Markey family. Tuesday evening, in Cobo Hall, she received her very own Bachelor of Science from Wayne State University's College of Education.

It took a bit of doing, and it took a bit of time. Mrs. Markey was graduated from St. Joseph Academy, Adrian, in June, 1925. She went on to get a diploma from the old Detroit Teacher's College, and taught for awhile before her marriage to Dr. Markey.

Then she "settled down," and had some babies: Three girls, Mary Ann, Margaret and Kitty. But always, at the back of her mind, was a determination to "get her degree."

When the girls were old enough to start school, Mrs. Markey went back to school—but on a VERY part-time basis. She staggered her WSU courses so she'd always be home to greet the children when they came home . . .

Honored recently on the occasion of their fiftieth wedding anniversary were Mr. and Mrs. Eugene C. Hoelzle of University place.

A family dinner for out-of-town relatives was held at the Lochmoor Club, and another for their many friends, at the Grosse Pointe War Memorial, both sponsored by their daughter Virginia, (assistant principal of Brownell Junior High School), and son Eugene II, of Claremont, Cal.

A series of holiday open houses are also being planned in their honor by Edwin F. Dietz, also of University place.

Mr. Hoelzle was formerly vice-president of Packard Motor Car Company, and following retirement, served on the United States Renegotiation Board.

Fete Miss Carpenter Before Wedding

(Continued from Page 14) That same evening, the John J. Endres, of Oak Park, Ill., houseguests of the Carpenters for Thanksgiving, feted the senior Carpenters and a group of Jeanne's young friends at a dinner party in the Carpenter home.

Thanksgiving Day, the Endres, Whittingtons and Mrs. Whittington's mother, Mrs. Charles Dunn, joined the Carpenters for Thanksgiving Dinner and toasts to the engaged pair, whose young friends dropped in for impromptu visits during the evening.

A champagne luncheon and miscellaneous shower was given by Mrs. Philip K. Mebus and her daughter, Erika, in their Whittier road home November 25.

The next day, Jeanne, her mother and sister Nancy, journeyed to Coppersville, near Grand Rapids, to meet the Conley family. The bridegroom's sister, Mrs. Bruce Van Haver, of Coppersville, gave a luncheon and miscellaneous shower. The bridegroom's aunt, Mrs. Jack Canley, of Lowell, was co-hostess.

Classes and examinations for Jeanne and Pat, both seniors at the University of Michigan, demanded a temporary cessa-

tion of parties, but tomorrow festivities will resume with a cocktail party, honoring them both, to be given by Mary Peabody, of University place, and Sue Cherry at Sue's Stratford place home.

Christmas Eve and Christmas Day, the young pair will divide their time between family gatherings of Conleys and Carpenters.

Marcia O'Connor will entertain at a tea and miscellaneous and practical shower: December

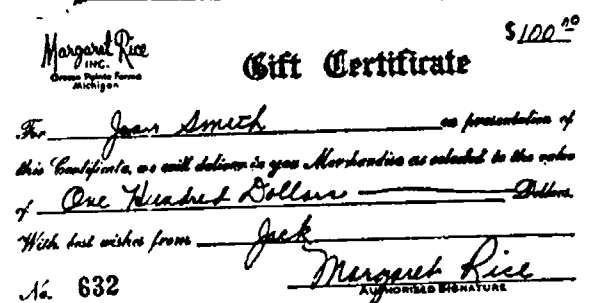

26, in her Muskoka road home. The bride-elect will be hostess December 27 at a champagne luncheon for her attendants and friends in the Carpenter home. While the young ladies are closeted in the dining room, the bridegroom-elect and his friends will be enjoying their own Bachelor party, in the Carpenter library.

Children Make Artful Carvings

Plaster-vermiculite carvings have been beautifully made by Miss Karen Brower's fourth grade class at Kerby School. The sculptures tended to be interpretations or suggestions of realistic things or graceful free-form creations.

Plaster, mixed with vermiculite, a garden preparation, is a readily available material which provides an excellent introduction to three-dimensional art for children.

It can be easily poured into milk cartons for either sculpture in the round or relief. The natural surface of the plaster can be finished with oil, water colors, varnish, shellac or wax.

Special tools are not required

for working in plaster. Knives of any kind will do. Linoleum or wood carving tools are easily adapted to this project, and sandpaper serves nicely for a fine finish.

Hold Tau Beta Camp Reunion

Tau Beta campers gathered for their annual mid-winter reunion and Christmas party December 17, at St. John's Church, Detroit.

A magician entertained between 150 and 175 youngsters as Tau Beta Juniors passed out colorful octopi made by the Birmingham group and marble bags made by Grosse Pointe Juniors.

Counselors and camp director Leonard Pinko led the children in songs. Highlight of the day was a showing of camp slides.

The fellow who is his own best friend always has to be blind to a good many faults.

From Another Pointe of View

(Continued from Page 13)

Eventually, Mary Ann got her degree, from the University of Michigan. Then Margaret got her degree from the University of Detroit. Mother applauded them at their graduations—then back she went to her own classes.

Tuesday, it was Mary Ann and Margarets' turn to applaud. The former flew in from Minneapolis, Minn., where she works as an Educational Consultant for a publishing firm. The latter arrived from Palo Alto, Calif., where she teaches.

Kitty was there, too, but she didn't have so far to come; at 13, Kitty's still a homebody, studies at Sacred Heart Academy in Lakeshore road.

And, proudest of all, was Dr. Markey... The two older girls will stay in The Pointe for Christmas, which the Markeys are celebrating at their home in Birch lane. After the holidays, it's "back to work"—for mother, too.

Helen has been substitute teaching at Detroit's Marquette School, and plans to continue to teach as long as she's needed. She likes teaching. And she liked studying.

"At first, when I started down at Wayne, I was worried that I'd be the 'Old Lady' in my classes," she reminisces, "but you'd be surprised how many older women are taking courses down there; I was..."

"Working for my degree has been a challenge, but a really 'fun' challenge... I think university study is the best tonic any woman can take. Regular doses of it would put all the psychiatrists out of business..."

P.S.: If you happen to see Helen Markey, and stop to congratulate her on her degree and wish her "Merry Christmas," be sure to take a quick peek at her hands. Twinkling on one finger is a perfectly elegant ring, Dr. Markey's Graduation-Christmas present to his wife.

Christmas Coffee

The Mount Holyoke College Alumnae Club of Detroit will have its annual Christmas Coffee at the Ridge road home of Mrs. Elliott Phillips next Wednesday morning, beginning at 10:30 o'clock.

Interested juniors and seniors from area high schools will have an opportunity to meet local undergraduates, who'll discuss life on Mount Holyoke's campus. Pointe girls who've promised to speak are Barbara Branat and Lynn Kreighoff.

Don't Forget...

... Those three special film matinees for children, featuring the full-length "Outlaw Stallion" and cartoons, are scheduled next Wednesday, at 10, 1 and 3 o'clock, at the War Memorial's Fries Auditorium.

Dance Classes To Hold Party

Grosse Pointe War Memorial's young people's dance classes directed by Ted and Lillian Forrest will hold their annual Christmas Ball in Grosse

Pointe War Memorial's crystal ballroom Thursday evening, December 29, at 7:30 o'clock.

All students in all three classes are invited. The youngest boys and girls in the Thursday afternoon class will be dismissed at 9:30 p.m., the 7 o'clock, Friday class at 9:45 and the alternate Friday class of older students at 10 o'clock.

All guests will enjoy dancing to a live band in the holiday decorated ballroom. Each will be given a favor and all will enjoy punch and ice cream furnished by the Center and sandwiches and cookies contributed by a committee of mothers.

Mothers making sandwiches include Mrs. George Detwiler, Mrs. L. Murray Thomas, Mrs. Louis Mushro, Mrs. Richard Marr, Mrs. Richard Edwards, Mrs. Robert Hughes, Mrs. Alexander Kelly, Mrs. Joseph Markey, Mrs. R. J. Mason and Mrs. Samuel Trupiano.

Cookies are being furnished by Mrs. Warren Cougar, Mrs. Wm. Greer, Mrs. Norman Rogers, Mrs. Earl Allard, Mrs. Roy W. MacDonald, Mrs. LaVerne Biasell, Mrs. Clinton R. Scharif, Mrs. John H. Williams, Mrs. Paul Safran, Mrs. L. W. Angott and Mrs. Daniel Brown.

Parents chaperoning the dance will include Mr. and Mrs. George Krise, Mr. and Mrs. Guy Willetts, Mr. and Mrs. George Johnson, Dr. and Mrs. James Danforth, Dr. and Mrs. Thomas Gahagan, Mr. and Mrs. Edmund Bayma, Mr. and Mrs. Douglas Smith, Mr. and Mrs. James Rose, Mr. and Mrs. Robert Hughes, Mr. and Mrs. Edward Schmid, and Mr. and Mrs. Carl Ruebelman.

March Bride

Photo by Eddie McGrath, Jr.

Mr. and Mrs. David R. McDonald, of Allard road, are announcing the engagement of their daughter, DIANE CAROLE, to Carl James Bennett, son of Mr. and Mrs. Richard V. Bennett, Sr., of Plymouth.

Miss McDonald attended Central Michigan University and is presently studying at Wayne State University. She is affiliated with Alpha Gamma Delta.

Her fiancé, who also attended Central Michigan University, is presently serving with the United States Air Force, stationed at Vandenberg Air Force Base in California.

A March 31 wedding is planned.

Holiday Party At Montessori

A Christmas party was held for the 90 children of the Barat Montessori School of the Sacred Heart on Tuesday, December 13.

Mothers of the children, under the chairmanship of Mrs. Robert Peabody, worked many hours with the two Montessori teachers, Miss Marieke Boereboom and Miss Deirdre Carrick, to bring about the fairyland world of Christmas that greeted the children on their arrival at 5 o'clock in the evening.

Each child was asked to bring a loved possession as a birthday gift for the Infant Jesus. These the children placed under a Christmas tree to be given to the poor, (this custom has been followed for many years in the Academy of the Sacred Heart).

A huge birthday cake, made by Mrs. Samuel Cracchiolo, was in the center of the room, in front of the Christmas tree and creche. The many small tables

that the children work at each day were set together banquet-style and decorated with white tablecloths, red ribbons and Christmas candles.

While the children sang Christmas carols, sandwiches, cookies, tangerines and hot chocolate were served by girls from the Upper School of the Sacred Heart.

The story of the first Christmas was related by Father Brower of Our Lady of Sorrows Parish. The party ended with a movie of "The Littlest Angel," a story of a little child who gave up his most beloved possession as a gift to the Christ Child.

Among the mothers assisting Miss Boereboom and Miss Carrick with the food and decorations were Mrs. Carl Allison, Mrs. Walter Robinson, Mrs. Paul Casey, Mrs. George Van Walleghan, Mrs. Walter B. Fisher, Mrs. Edward Marande, Mrs. Rankin Peck, Mrs. Michael Burke and Mrs. William O'Brien.

College Players To Have Party

Mr. and Mrs. Leo Vanassche, of Bournemouth circle, have invited the College Players to a Christmas gathering at their residence this Friday evening, and have agreed to put up their famous roof display for the party.

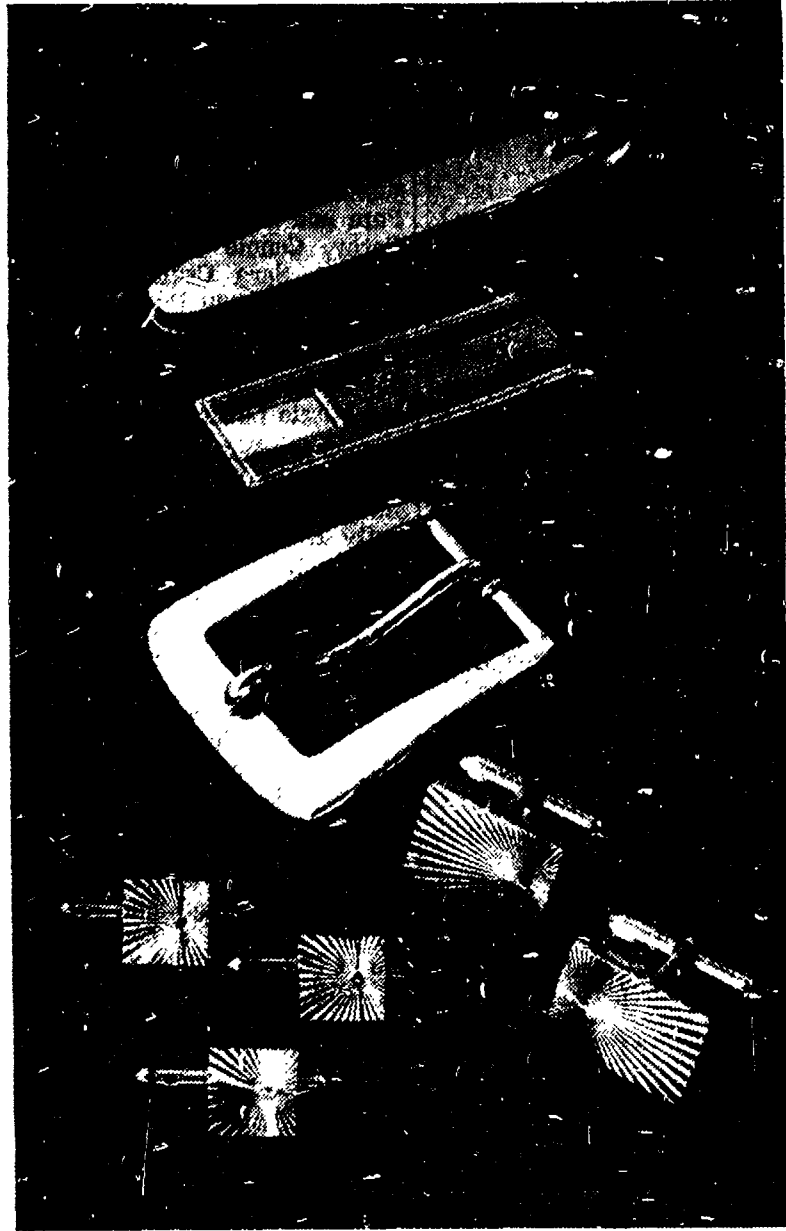

Their daughter, Marie, is vice-president of the group as well as social chairman.

The Players will vote on a new constitution and view a slide history of their organization. Plans for next summer will be discussed.

A feature film produced by members of the group will be shown for the first time.

All past members, prospective members and friends are invited to the dress-up affair.

A word to the wise may be sufficient, but few are willing to let it go at that.

For Underwater Exploration... The Future Looks Bright With Aquastar...
"the underwater watch company"

Aquastar is the only company in the world that specializes in underwater watches and instruments. Aquastar watches, depth gauges and instruments are made in Geneva, Switzerland. They are meticulously assembled on a production line that moves at a snail's pace. It takes a full three months to build an Aquastar watch.

Out of experience has come Aquastar's approach to underwater products. Extreme accuracy and extreme simplicity.

The need for accuracy is obvious. At 200 feet a tank of air can be gone in five minutes. A diver's life can depend on his timepiece.

The need for simplicity is obvious only to someone who has dived himself. Says Fred Robert, a diver since 1948, "The sea is a strange environment. It can blot out your memory and completely change your sense of time, distance and direction. Every diver knows he must plan his exact movements in advance, on the surface."

Aquastar... meets the challenge of underwater exploration. See our complete line of Aquastar sea watches and instruments... on display now at Valente Jewelers.

NMU Delta Zeta Chapter Has German Christmas

The Zeta Omega Chapter of Delta Zeta Sorority, Northern Michigan University, has once again spread the holiday spirit with its annual German Christmas Party. But this year the sorority girls invited children from the Vandenberg School, Marquette, to share their party with them.

On the evening of December 9, the children were picked up by a bus from their homes and brought to the basement of Marquette's First Methodist Church, where they were greeted by Delta Zetas and their dates—and of course, Santa Claus.

Everyone shared the excitement of decorating a tree, caroling and reading Christmas stories. Each child received a Christmas story book.

Dr. Helmut Kreitz, assistant professor of Languages and Literature, helped the Delta Zetas give this party a real German flavor. The Delta Zeta Mothers' Club served refreshments. After the party, the children once again boarded the bus, homeward bound.

Then Delta Zetas and their dates traveled on to the Chalet Dining Room, where they were served a special German buffet dinner. Dr. Kreitz gave instructions in German cuisine and original Christmas carols. Pledges of the sorority entertained with their class songs; scholarship recognition was extended to those actives who achieved their semester goals, and the evening ended with the singing of German Christmas carols, games and dancing.

Delta Zeta member from The Pointe is Mary Frances Ernberger, of Pemberton road.

Crafts At Christmas

Christmas gifts and decorations made at home were things to treasure years ago. Greenfield Village brings history back to life with its special holiday exhibit of the "Crafts at Christmas," now through Dec. 31. The Yule log, boxwood greens and other colorful home decorations of the type that have been used during the past 300 years in American can be found in many of the historic Village buildings during the holiday season.

A group of 10 craftsmen is at work each day, except Christmas in the Henry Ford Museum producing delicate ornaments of glass, pottery, candle holders, hand carved toys, bayberry candles, hand-sewn dolls and other items, recalling Christmas of the past.

An old fashioned printing press turns out copies of an early Christmas picture that the youngsters can take home to remember their visit. A special family film program will be presented twice daily in the Museum theater from Dec. 28 through Jan. 2.

In adjoining Greenfield Village visitors can see many of the homes decorated in the spirit of the holiday season. Candles, wreaths, ornaments, festive table settings, lighting and other decorations relating to the period of help to tell a visual story of each building and the famous Americans who once worked or lived in them. A tour of the Village is climaxed by a stop at century-old Clinton Inn, where visitors are served a hot cup of old fashioned cider.

The Henry Ford Museum and Greenfield Village are open seven days a week from 9 a.m. to 5 p.m. on Weekdays and from 9 a.m. to 6 p.m. on Saturdays and Sundays. On Christmas Day and New Year's day both the Museum and Village will be closed.

Ehrling, who has been conducting in his native Sweden and cities in Europe, and who inaugurated the "Concerto Night" concerts, will lead the Orchestra and soloists in Benjamin Lees' Concerto for String Quartet and Orchestra, Marcello's Concerto for Oboe and String Orchestra, Donald Erb's Concerto for Percussion and Orchestra and Bela Bartok's Concerto for Orchestra.

Four women of the Orchestra will be featured in the Detroit premiere of the Lees work. They are Virginia Hoffmann and Lillian Downs, violinists; Eugenia Staszewski, violist; and Susan Richter, cellist.

Arno Mariotti, Symphony principal oboist, will be soloist in the Marcello concerto. Mariotti joined the Orchestra in 1952, and had previously been a member of the Indianapolis Symphony, the Philadelphia Orchestra, the Pittsburgh Symphony and the Chautauque Orchestra.

Symphony principal percussionist Robert Pangborn will be soloist in the Erb concerto. The work, which was written especially for Pangborn, will be given its world premiere.

The composer, who completed the work in August of this year, has written: "In our time, a new and, I think, peculiarly American virtuoso, the percussionist, has made an appearance. We live in an age of great percussion players, and it is only fitting that virtuoso pieces

ets may be purchased at the school or at the door, \$6 per couple. This includes refreshments and dancing.

The time of the dinner dance is 8:30 o'clock.

Christmas Week at Austin has also included basketball games. Austin played Catholic Central on December 20. Future games are with Notre Dame at Austin on January 3 and Austin at Cathedral January 6.

To promote spirit, the Austin Student Senate has run a "Spirit Contest." In this contest, each class is asked to cheer at rallies. The class which cheers the loudest receives the "Spirit Cup." The first rally saw the Senior Class receiving the cup.

The vacation period will end with classes beginning on the morning of January 3.

An open dance is planned for the first Saturday of the new year, January 7. This dance will be "The Welcome 1967 Dance." Tickets will be sold at the door for \$1.

Daughters of Culture Feted by Mrs. Shannon

Again this year, Mrs. George Shannon opened her Bishop road home for the annual Christmas party of the Daughters of Culture, a club organized in 1901 by girls at the old St. Charles School.

Over the years, the membership has dwindled to 17 faithful members, all of whom enjoyed the holiday luncheon in Mrs. Shannon's Christmas-decorated home.

\$1.50, (\$1 for students in groups), and may be purchased at the Ford Auditorium Box Office. Proceeds go to the Orchestra members' supplemental pension fund.

We Have Many Other Grosse Pointe Houses
Are you in the early, time consuming stages of house hunting? The Maxon Plan for sifting out the inappropriate by means of small, simplified floor plans coupled with photographs can lighten your burden (and ours) of preliminary inspections. Drop in at 83 Kercheval Avenue and go through one of our catalogs.

Footnote to Home Owners — The Maxon Plan can save you too the inconvenience of inappropriate, unnecessary interior inspections. If your house is for sale, we'd be glad to inspect it and suggest a price suitable to the current market. We usually sell our listings quite promptly at market prices.

Statement of Policy

ON

Civil Rights In Private Housing

We hold steadfastly to the principle that the right to own, occupy, administer and dispose of real property is inherent to the American tradition, guaranteed by the Bill of Rights, and indispensable to the maintenance of a free society of free men.

We reassert our support of the principle of equal opportunity in the acquisition and enjoyment of real property and the right of individuals to determine the disposition of that property.

Our members impose no restrictions, but believe that aggressive programs to force this issue, by inviting and attempting to hasten the purchase of homes in Grosse Pointe by minority groups, will tend to increase rather than decrease prejudice, the actual cause of the problem.

Such programs, in our opinion, will therefore do a disservice, not only to home owners but to minority groups as well.
