The exhibit, a tribute to the founder of the International Music Camp and Interlochen Arts Academy at Interlochen, Mich., the late Dr. Joseph E. Blyden, (1891-1966), was arranged in connection with the concert given in Fries Auditorium at the War Memorial Center Tuesday night, by Gizi Szante. Proceeds went to the Joseph E. Blyden Interlochen Memorial Fund. The exhibit will be at the Library through January 18.

Movie-TV Council Taken to Task by Makers of Films

Motion Picture Association of America Answers Attack on Code Launched by Pointe Organization

The Grosse Pointe Motion Picture and Television Council, which recently criticized the new code of the Motion Picture Producers of America, has been sharply rebuked in a letter sent by that organization. A copy of the letter to the local council was also sent to the Council.

The Editor, Grosse Pointe News, Grosse Pointe, Michigan

Dear Editor:—

On the front page of the "Grosse Pointe News" dated December 1, 1966, there appeared a letter from the Grosse Pointe Motion Picture and Television Council. Because it contained many inaccuracies and misinterpretations, it behooves me not only to produce a guide to correct these errors for your many readers I am, of course, sending a copy of my letter to the Council.

To keep this as brief as possible, I will comment, point by point, only where necessary.

The letter states, in reference to the recently revised Production Code, "Now perhaps we'll be able to take the family and movie audiences in mind, for this Code does not understand the basic purpose of the Production Code. The Code Seal was intended as a guide to audiences... just so long as they measured up to Code requirements. Now see, critics are not only producers for family audiences... some are of interest only to adults; and some appeal only to small children, for example. We are fortunate to have this variety in film fare from which to choose... magazines, television programs and the other media."

II. The author of the letter attempts to judge the motives behind the recent Code revision, calling them "divisive." It is difficult for me to comprehend the author's attitude. I understand that the original Code was written in 1930 and, with minor exceptions, has remained unchanged since then. I believe it is unlikable to assume that the death of the public's understanding of people and of social mores is the result of the film, the radio, the television, the press, the magazine, the book, the record, the tape, the film, and the other media, having remained unchanged during these years. The Production Code has been in existence for nearly 40 years. It is inconceivable that anyone could believe that suddenly, some political purpose, the Code has now been changed. In truth, these changes have been necessary and should be fully understood by the past several years so as to be sure to provide a more realistic basis for legislation of laws and regulations. Yes, with this newly revised Code, our films should now measure up to the expectations of today's society, here and around the world.

The author was correct in stating that "producers are aware of laws and regulations seeking more meaningful movies than have been"

Citizens Get Statement as Law Requires

Municipality Operating in Black And Total Debt Amounts To \$33,967

The Park is operating in the black, is nearly out of debt, has no debt service tax, and has a surplus of \$32,746, to be used for unexpected emergencies, according to a 1965-66 annual report sent to all citizens of the city.

The report, compiled by City Manager Robert A. Stone, approved by the city council, and sent to local residents, is a Park City Charter requirement.

The report revealed that the revenues collected for the fiscal year, which ends June 30, amounted to \$1,394,554, and expenditures totaled \$1,411,965.

Total Debt \$33,967.

The Park's total debt, most of which is owed on property acquired on loans, totaling \$1,967, and is expected to be cleared off the books by November 1966.

In his report, Stone revealed that the city's largest source of revenue is received from property taxes, which brought in \$789,900.

The tax rate, which is determined each year when the revenues are received, for the fiscal year, is \$1.50 on \$1,000 assessed local valuation for the past three years. The city has a total assessed valuation of \$59,999,950.

Public Works, including water and sewerage, accounted for the heaviest expenditures, \$430,037, followed by \$456,855 for police and fire protection and \$200,000 for streets.

Other Revenue Services

Other sources of revenue included: fines and penalties from law violations, \$211,000; parking meter collections, \$15,198; boat wheel permits, \$18,639; and license, rentals, and fees, \$12,317.

Tax monies received from the state, as the Park's share from the State Highway 126 bond fund, etc., totaled \$266,742, with the sales tax returned the largest of these items, amounting to \$107,000.

The city's expenditure under its Parks and Recreation Program amounted to \$726,613.

It was brought out at a council meeting held on Monday, January 9, that although annual revenues are modest, a copy of the complete audit for the fiscal year ending June 30, is available for public inspection by all citizens, clerk, or city controller.

The Winner

While thousands cheered and millions more watched on national TV, 12-year-old "Wild Knight" (Webster B. Knight III), sixth grader at Defer School, won the grand championship in his age group at the National Football League's annual, County-Wide Punt, Pass and Kick Competition.

This final contest between the winners of the Western League, which "Wild" had won in Baltimore on December 10, and their counterparts in the Eastern League, was held during half-time at the hotly-contested NFL Playoff between the Philadelphia Eagles and the Baltimore Colts at the Orange Bowl Stadium, January 8.

Best at Kicking

"Wild," who made his highest score in the Western Division Sunday, says his strong point is place kicking. Asked what factor was the greatest help in his winning, he was modestly uncommittal, but 14-year-old John, who went with the family to the Orange Bowl game, said jokingly that the "Wild's" success came from his brotherly advice and the 32 cokes and 13 bowls of potato chips both boys consumed on the trip from Friday afternoon to Sunday.

The hero's mother, Mrs. Webster B. Knight, Jr., of Baltimore, said that "practice-practice" was the thing that gave "Wild" the confidence in himself. "I never had to give suggestions that he prepare himself for the event—he was practicing constantly." About his earlier competitions where he was advanced from one of 850,000 contestants to one of 850,000 constant

Memorial Gets \$65,000 From Fords

Four Branches Of Family Aid To Their Support

Members of the Ford family added to their long-term support of the Grosse Pointe War Memorial with a series of substantial gifts at Christmas time.

Mr. and Mrs. Henry Ford II, Mr. and Mrs. Walter Duell Ford II, Mr. and Mrs. Benson Ford and Mr. and Mrs. William Clay Ford made individual contributions totaling \$65,000.

Thornton Waterfall, president, expressed the War Memorial's deep appreciation for the contributions. He pointed out that they would serve the long-term purposes of the community since they would not be used to meet day-to-day operating expenses but would be held in the investment fund which is designed to meet the future financial needs of the Center.

"Our annual Family Participation Campaign gives us the money we must have to meet the annual operating deficit of the Center," Mr. Waterfall said. "Generous special gifts, like these made by the investment fund at Christmas by the Ford family, help us to prepare for unanticipated major costs and to keep a reserve for the future."

1,286 Traffic Accidents Reported in Pointe During 1966; Two Persons Killed

Marked Decrease Shown Over 1965 With Exception Of Fatalities; Both Deaths Occurred In Grosse Pointe Park

The five Pointes police departments recorded a total of 1,286 traffic accidents during 1966, in which two persons lost their lives and more than 400 others were injured, according to official figures submitted to the respective city councils and city managers, and to the Secretary of the Office of Lansing.

The two deaths occurred in the Park. The latest happened on December 24, when Pvt. Patrick J. Keller, 19, of 12456 Lake Breeze, St. Clair Shores, died of injuries suffered after he crashed into a utility pole at Mack avenue and Bedford.

The soldier, on leave from Fort Knox, Ky., somehow lost control of his car while traveling east on the avenue and hit an Edison pole. There were no witnesses to the fatality.

The first to die in Park traffic was a pedestrian, Harold W. Dool, 58, of 1445 Cadyton road, who was struck by a car while crossing Mack at Graydon, last April 22. He died of injuries in Bon Secours Hospital.

Driver Pleads Guilty

The driver of the death car, Charles T. Lucier of 22601 Sunnyside, St. Clair Shores, entered a plea of guilty to a charge of careless and negligent driving at a hearing on December 12, before Circuit Judge James N. Canham.

Lucier's sentence was deferred pending a report from the Wayne County Probation Department.

The City did not list the total number of persons injured, whereas the total injured in the other four Pointes numbered 430. Injuries ranged from cuts to head bumps, or body bruises.

Dark Houses Paid Visits By Burglars

Two More Residences In Park Entered Last Week; Police Repeat Protection Rules

Two more homes in the Park were forcibly entered by burglars during the dark hours, according to information received from Park Chief Arthur Louwers. In one home, the thief fled when he discovered an occupant asleep in bed.

Entered were the homes of Ted Foster, 78 Trembley; and Dorothy M. Faust, 127 Harvard on Thursday, January 5, and Friday, January 6, respectively.

Other homes entered within the past two weeks, believed done by the same burglar, or burglars, were the homes of Francis Pappas, 718 Middleburg, Richard J. Edin, 64 Pemberton, and Garrett C. VanDell, 646 Lakepointe.

In all break-ins, the houses were reported to be in darkness, which according to Det. Lt. Arnold Hurd, is almost an invitation for burglars to enter the house was done by breaking basement windows.

Burglars Foiled in Two Attempts to Enter Shop

Burglars made two unsuccessful attempts to enter a Park shop on Saturday, January 7, after first breaking into a cabinet-maker's place next door.

According to information received by Park Police Chief Arthur Louwers, the Graphic Cabinetmakers' Shop 15106 Kercheval avenue, was forcibly entered through the rear door. The break-in was not for the purpose of burglarizing the place, it was said, but was made with the intent to break through the wall of the store in an effort to enter the D. McDaniel company store, 15102 Kercheval avenue. The break-in of the store was reported through the rear door of the cabinet-maker's shop was discovered, jammed, and in

Notice Issued To Lot Owners

The City of Grosse Pointe Woods is licensing, regulating the operation and maintenance of parking lots sent out 58 letters to property owners.

Applications and license fees have been received by a number of the property owners and their lots have been approved by the Department of Building Inspection and have been granted approval for issuance of the licenses by the Council.

However, there are still a number of property owners who have not received approval by the Department of Building Inspectors because they have not sent their applications for parking lot license approval back to the City.

Those owners who have not submitted their applications are urged to do so by the Woods Council immediately.

Breakdown of Figures

The traffic accident analysis, as submitted by each of the police beats, are as follows:

Park—346 accidents; fatal accidents, two; non-fatal accidents, in which persons were hurt, 101; property damage, 430; injuries ranged from cuts to head bumps, or body bruises.

Superintendent Reports To Board of Education

J Harold Husband, Acting Superintendent of Schools, presented his January report to the trustees of the Grosse Pointe Board of Education at Monday night's meeting held in the public schools' administration building at 389 St. Clair avenue.

Superintendent Husband reported that enrollment of the public schools at the end of December stood at 12,294, an increase of 412 over the same time a year ago.

Mr. Husband also indicated that the group intelligence testing program for the 1967-68 school year had been completed through the efforts of counselors and psychologists and with the help of Charles Leavitt, principal

Hospitals Report First '67 Babies

The first newborn babies at all three local hospitals were boys!

The first one to herald in the New Year was the son of Mr. and Mrs. Salvatore Aiello of 25236 Ridgeland, Warren, Mich., a 19-month-old baby who weighed 9 pounds 13 ounces, and was born exactly 30 minutes after midnight.

The second hospital's first New Year baby was born to Mr. and Mrs. David Moran of 1181 Grandview, Detroit, a 7-month-old baby who weighed 9 pounds 9 ounces and was 19 inches long. This was the first boy at home. The child was born at 9:20 a.m.

Mr. and Mrs. Edwin Meyer of 1531 McCormick, Detroit, produced a boy of 8 pounds 11 ounces and 19 inches long on Saturday, January 1, at 3:39 p.m. at Bon Secours Hospital.

PHONEY BUSINESS

Leonard Farnese, manager of Chicken Delight, 15411 March avenue, called City Police on Friday, January 6, to report that he had received a large order from a man at 17240 Highland avenue. When he called back to verify the order he discovered that only children were at home. The juveniles would not admit they placed the phony order but did admit that they had made a phony order for the man. Mr. Farnese would not press charges.

INJURED IN FALL

City police answered a call from Mrs. Thomas Roney of 617 Fisher road on Sunday, January 1, Mr. Roney had fallen and possibly broken his ribs. Police took Mr. Roney to St. John Hospital for treatment.

In 1965, the Park traffic accidents totaled 373; one fatal; 111 non-fatal; 170 persons hurt; 263 property damage; two pedestrian-car mishaps, with two injuries; and 13 bicycle-car accidents, resulting in 10 persons injured, and three bikes damaged.

The City's records showed that in the previous year, there were 262 accidents; fatalities, none; non-fatal, 59; and 203 property damage. Pedestrian fatalities were zero, with six non-fatal mishaps on file.

The Farms' 1965 rating showed a total of 349 accidents, of which 90 were non-fatal, 259 resulted in property damage, 142 persons injured; and six non-fatal pedestrian-car accidents reported.

The total number of accidents in the Woods was set at 358, of which 90 were non-fatal; 278 ended with property being damaged, and 113 persons hurt.

Non-fatal pedestrian-auto accidents number 10; and there were 10 bicycle-auto accidents, in which nine people were hurt.

Educators Hear Reports

 leaves of absence and resignations.

The school trustees set the opening bids on the 1966 supplemental bond issue (\$2,750,000 for the construction of Grosse Pointe High School North) for 7:30 p.m. on Monday, January 23, at 389 St. Clair.

The Board of Education approved the bids furnished by the Purchasing Department for general supplies for the 1967-1968 year.

The Board recognized the Grosse Pointe Public School Cafeteria Association as the exclusive representative for purposes of collective bargaining of all cafeteria workers employed by the public schools.

The Board also adopted and approved the contents and provisions of the latest revision of the "Handbook of Professional Personnel Policies."

In addition the school trustees approved an employee insurance plan embracing provisions for medical and life insurance as well as long-term disability for employees for the 1966-1967 year.

The members of the Board authorized J. Harold Husband, Acting Superintendent of Schools, to sign contracts for employees for 1967-1968, to deal with the various employee bargaining agents, and to act under the provisions of the Michigan Teachers' Tenure Act.

The school trustees authorized the schools to participate in two projects to be funded under Title III of Public Law 89-10, the Elementary and Secondary Education Act.

In his background comments upon the first of these proposals, a community-wide educational survey, Superintendent Husband commented: "As the trustees of the Board of Education are aware, during the

past two years we have held a number of discussions with the representatives of the Institute for Community and Educational Research of Eastern Michigan University on the possibility of an educational survey of the school district. The proposed survey, if funded, will assist in the development of programs geared to the needs and wishes of the community. It will likewise prove extremely useful in long-range planning. The survey will be financed completely from money earmarked for nationwide educational improvement by the United States Office of Education."

Regarding the second project, Mr. Husband said: "We have endeavored to keep the members of the Board of Education informed about the state-wide Foreign Language Innovative Curricula Study since it was funded by the United States Office of Education on July 1. Grosse Pointe is hosting a series of seminars involving national leaders in foreign language education during the 1966-1967 year. Members of the teaching and administrative staffs have been active in the development of the new curriculum this year. If approved, the proposed program would enable Grosse Pointe to serve as a demonstration center for an innovative and exemplary curriculum."

The school trustees approved the report of the Director of Business and Finance and authorized the Department of Business and Finance to pay various bills connected with the construction of Grosse Pointe High School North, for alterations to the administration building and to Defer School.

The school trustees advanced the date for the next regular meeting to February 6 because of a schedule conflict.

Thieves Visit Dark Houses

 were ransacked from the basement to the second floor.

However, in the Faust home, when the thief attempted to enter a bedroom on the second floor, he discovered Mrs. Faust asleep in bed, and fled the building. The burglar dropped 50 cents in change of his own money, as he ran out the front door.

Nothing has been reported missing from the Faust home, and the Fosters are taking inventory to determine if anything is missing from their house, which was broken into while they were absent for a few hours.

Police Give Warning

The recent breakins prompted a warning from Lt. Hough, who asked that precautionary measures, pointed out in last week's issue of the NEWS, be repeated. Leaving a house in darkness is a mistake, he said.

Never leave your house in darkness, always leave some kind of a light on. A good investment is a timer that can be attached to a lamp and set to go on and off at any given period, to create the impression that someone is home, especially if the family plans on being away for a few days.

NEW POLICE CARS

At its regular meeting held on Monday, January 9, the Park council agreed to purchase two tudor Fords for \$3,113 and one station wagon, for \$2,201, from the Lakeview Ford, for the Police Department. The prices offered were the lowest of three bids submitted.

Warm that extra room with Gas Baseboard Heat.

Talk about cozy. Talk about warm and cheerful. Talk about making an extra room into living room. Talk about low cost and operating economy. That's Gas Baseboard Heat. There's never been such an easy and convenient way to solve a heating problem in a room where heating was a problem. No ducts needed. No unsightly unit taking up floor space. Just modern, attractive baseboard units to complement the room design and provide added living space that we'll care as everyone with cheerful warmth.

Maybe you want to take the breeze out of a breezeway in the winter or maybe you've added a "rec" room or enclosed a porch, no matter. You can make it year 'round living room with Gas Baseboard Heat. And you'll be amazed at the economy. For every dollar you'd spend on similar electric units, Gas costs only 20¢.

Your heating dealer or contractor can give you full details on Gas Baseboard Heat. Call us or him this week. The welcome will be warm. Gas makes the big difference... costs less too!

MICHIGAN CONSOLIDATED GAS COMPANY

Maybe our '67 Pontiac is breaking sales records because people don't want to wait until '68 for a copy.

Our engineers have become used to seeing their ideas show up on other cars. Two years late. And apparently so have a lot of car buyers. Because 1967 Pontiacs are selling faster than 1966 Pontiacs. And more people bought Pontiacs in 1966 than ever before.

When you think about it, why should you wait around for somebody else to come up with innovations like our disappearing windshield wipers? Or for imaginative options like our exclusive hood-mounted tach?

Especially when you consider that our engineers wouldn't turn a Pontiac loose with anything less than a standard 400 cubic inch V-8. Or a Tempest with any-

thing less than our revolutionary Overhead Cam Six. (Not to mention all those new safety features like GM's new energy absorbing steering column and a dual master cylinder brake system with warning lamp.)

And as for the Pontiac features other carmakers have already tried to copy—the our so-called "grille" our stacked headlights, even "Wheel-Track" (is nothing sacred?)—why should you settle for anything less than the real thing?

In short, our engineers seem to have done it again. They may even start asking for royalties on the copies.

SEE THE REAL THING AT YOUR AUTHORIZED PONTIAC DEALERS.

Firemen Subdue Smoking Boiler

City firemen responded to a call from Mr. Fred Schiller on Sunday, January 1, reporting smoke in the house of Mr. and Mrs. J. Sinclair of 17370 East Jefferson avenue.

Mr. Schiller was checking the house of his in-laws, the Sinclairs, who were out of town at the time.

Firemen discovered that the furnace had no water in the

boiler and had become overheated, burning the insulation off of the feed pipes on top of the furnace.

They turned off the furnace and advised Mr. Schiller not to use the furnace until a serviceman could refill the boiler.

A pessimist spends his time looking for sympathy instead of trying to figure a way out.

To Give Papers At Exposition

H. W. Weinberg of 646 Peachtree, and Gerald E. McCarron of 311 Kerby road, will participate in the 1967 SAE Automotive Engineering Congress and Exposition being held January 9-13 at Cobo Hall in Detroit, by the Society of Automotive Engineers.

Mr. Weinberg, Technical Director and Dr. A. F. Reilly, Director of Research and De-

velopment for the Sheller Manufacturing Corporation are co-authors of a paper titled "Is Molded Plastics Meeting Automotive Needs?"

Mr. McCarron, Test and Development Engineer and Bruce Van Deusen, Project Engineer for Chrysler Corporation are co-authors of a paper titled "A New Technique for the Analysis of Random Surface

Roughness."

The SAE Congress and Exposition is the top annual event in automotive engineering circles. More than 22,000 SAE members and others interested in the automotive industries are expected to attend the 1967 Congress and Exposition.

THROUGH THE AGES

The nearest approach to perpetual motion is the older generation fretting over the moral welfare of the younger.

SMOKING CAR COOLED

The City Fire Department responded to a call for assistance on Thursday, January 5, at 17410 Mack avenue. They found a '63 Corvair owned by Lloyd Peacock of 22015 Downing avenue, St. Clair Shores, on fire in the parking lot. They discovered the fan belt had broken, creating smoke. They cooled it with a booster line.

Contentment may be a virtue, but it's death to enterprise.

The Farms' 1965 rating showed a total of 349 accidents, of which 90 were non-fatal, 259 resulted in property damage, 142 persons injured; and six non-fatal pedestrian-car accidents reported.

The total number of accidents in the Woods was set at 368, of which 90 were non-fatal; 278 ended with property being damaged, and 113 persons hurt.

Non-fatal pedestrian-auto accidents number 10; and there were 10 bicycle-auto accidents, in which nine people were hurt.

Educators Hear Reports

(Continued from Page 1)
leaves of absence and resignations. The school trustees set the opening bids on the 1966 supplemental bond issue (\$2,750,000 for the construction of Grosse Pointe High School North) for 7:30 p.m. on Monday, January 23, at 389 St. Clair.

The Board of Education approved the bids furnished by the Purchasing Department for general supplies for the 1967-1968 year.

The Board recognized the Grosse Pointe Public School Cafeteria Association as the exclusive representative for purposes of collective bargaining of all cafeteria workers employed by the public schools.

The Board also adopted and approved the contents and provisions of the latest revision of the "Handbook of Professional Personnel Policies."

In addition the school trustees approved an employee insurance plan embracing provisions for medical and life insurance as well as long-term disability for employees for the 1966-1967 year.

The members of the Board authorized J. Harold Husband, Acting Superintendent of Schools, to sign contracts for employees for 1967-1968, to deal with the various employee bargaining agents, and to act under the provisions of the Michigan Teachers' Tenure Act.

The school trustees authorized the schools to participate in two projects to be funded under Title III of Public Law 89-10, the Elementary and Secondary Education Act.

In his background comments upon the first of these proposals, a community-wide educational survey, Superintendent Husband commented: "As the trustees of the Board of Education are aware, during the

past two years we have held a number of discussions with the representatives of the Institute for Community and Educational Research of Eastern Michigan University on the possibility of an educational survey of the school district. The proposed survey, if funded, will assist in the development of programs geared to the needs and wishes of the community. It will likewise prove extremely useful in long-range planning. The survey will be financed completely from money earmarked for nationwide educational improvement by the United States Office of Education."

Regarding the second project, Mr. Husband said: "We have endeavored to keep the members of the Board of Education informed about the state-wide Foreign Language Innovative Curricula Study since it was funded by the United States Office of Education on July 1. Grosse Pointe is hosting a series of seminars involving national leaders in foreign language education during the 1966-1967 year. Members of the teaching and administrative staffs have been active in the development of the new curriculum this year. If approved, the proposed program would enable Grosse Pointe to serve as a demonstration center for an innovative and exemplary curriculum."

The school trustees approved the report of the Director of Business and Finance and authorized the Department of Business and Finance to pay various bills connected with the construction of Grosse Pointe High School North, for alterations to the administration building and to Defer School.

The school trustees advanced the date for the next regular meeting to February 6 because of a schedule conflict.

Thieves Visit Dark Houses

(Continued from Page 1)
were ransacked from the basement to the second floor.

However, in the Faust home, when the thief attempted to enter a bedroom on the second floor, he discovered Mrs. Faust asleep in bed, and fled the building. The burglar dropped 50 cents in change of his own money, as he ran out the front door.

Nothing has been reported missing from the Faust home, and the Fosters are taking inventory to determine if anything is missing from their house, which was broken into while they were absent for a few hours.

Police Give Warning

The recent breakins prompted a warning from Lt. Hough, who asked that precautionary measures, pointed out in last week's issue of the NEWS, be repeated. Leaving a house in darkness is a mistake, he said.

Never leave your house in darkness, always leave some kind of a light on. A good investment is a timer that can be attached to a lamp and set to go on and off at any given period, to create the impression that someone is home, especially if the family plans on being away for a few days.

During dusk, or dark hours, if no one will be home for a short time, say while visiting or shopping, it is best to leave at least one light burning in the house.

And above all, don't delay calling your local police department, if you observe any suspicious persons in your neighborhood, see any strange cars, or hear strange noises. If an unknown person rings your house bell at night, and you have reason to be suspicious, call police immediately.

Lauve Ends Course As Helicopter Pilot

Second Lieutenant John S. Lauve, 25, son of Mr. and Mrs. Henry S. Lauve, 622 Sunningdale, completed a helicopter pilot course at the Army Primary Helicopter School, Ft. Wolters, Tex., December 16.

During the 16-week course, he was trained to fly Army helicopters and learned to use them in tactical maneuvers.

He next will undergo advanced flight training at the Army Aviation School, Ft. Rucker, Ala. Upon completion of advanced training he may be appointed a warrant officer.

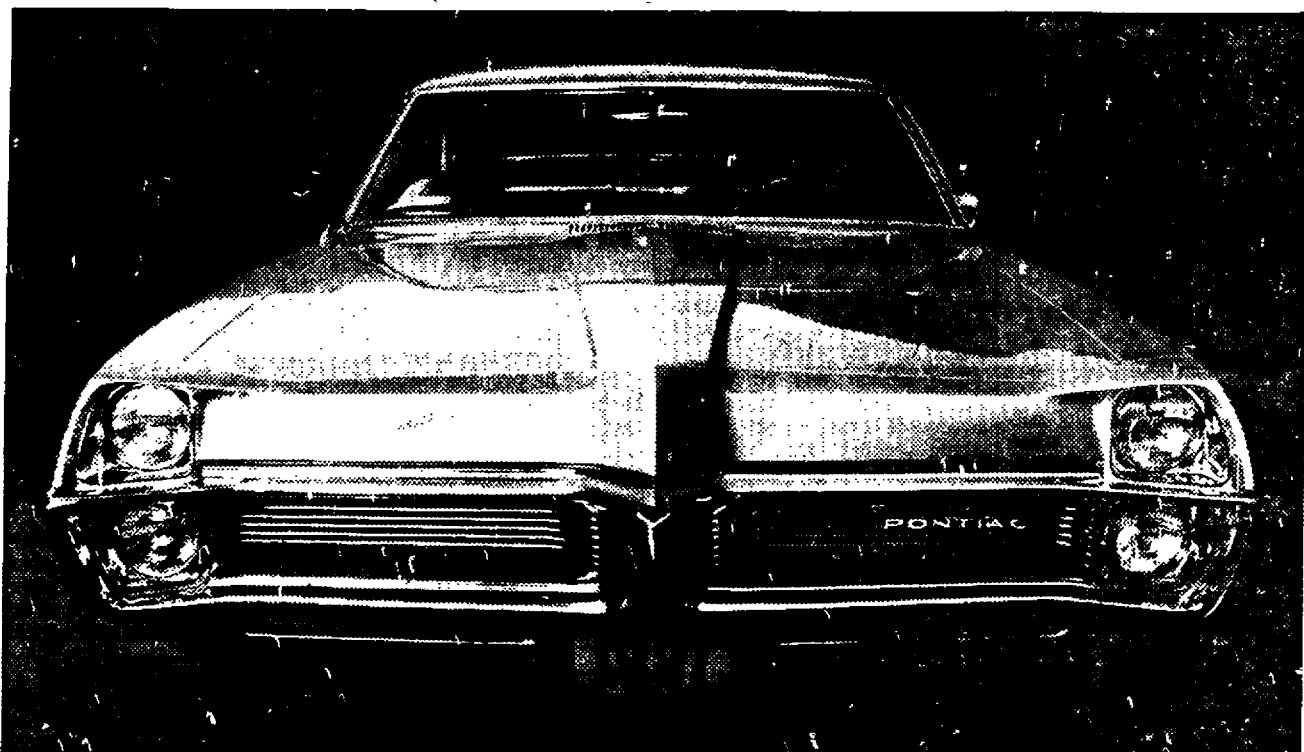

NEW POLICE CARS

At its regular meeting held on Monday, January 9, the Park council agreed to purchase two tudor Fords for \$3,113 and one station wagon, for \$2,201, from the Lakeview Ford, for the Police Department. The prices offered were the lowest of three bids submitted.

NEW CARPETS

The Park council, on Monday, January 9, agreed to purchase carpeting for the council chambers and mayor's office, from Domestic Floor Covering, which offered to prepare floors and install the carpets for the total sum of \$1,946. Bids submitted by two other firms were rejected as being too high.

Maybe our '67 Pontiac is breaking sales records because people don't want to wait until '68 for a copy.

Our engineers have become used to seeing their ideas show up on other cars. Two years late. And apparently so have a lot of car buyers. Because 1967 Pontiacs are selling faster than 1966 Pontiacs. And more people bought Pontiacs in 1966 than ever before.

When you think about it, why should you wait around for somebody else to come up with innovations like our disappearing windshield wipers? Or for imaginative options like our exclusive hood-mounted tach?

Especially when you consider that our engineers wouldn't turn a Pontiac loose with anything less than a standard 400 cubic inch V-8. Or a Tempest with any-

thing less than our revolutionary Overhead Cam Six. (Not to mention all those new safety features like GM's new energy absorbing steering column and a dual master cylinder brake system with warning lamp.)

And as for the Pontiac features other carmakers have already tried to copy—like our split grille, our stacked headlights, even Wide-Track (Is nothing sacred?)—why should you settle for anything less than the real thing?

In short, our engineers seem to have done it again. They may even start asking for royalties on the copies.

SEE THE REAL THING AT YOUR AUTHORIZED PONTIAC DEALERS.

Firemen Subdue Smoking Boiler

City firemen responded to a call from Mr. Fred Schiller on Monday, January 1, reporting a fire in the house of Mr. and Mrs. J. Sinclair of 17370 East Jefferson avenue.

Mr. Schiller was checking the furnace of his in-laws, the Sinclairs, who were out of town at the time.

Firemen discovered that the furnace had no water in the

boiler and had become overheated, burning the insulation off of the feed pipes on top of the furnace.

They turned off the furnace and advised Mr. Schiller not to use the furnace until a serviceman could refill the boiler.

A pessimist spends his time looking for sympathy instead of trying to figure a way out.

To Give Papers At Exposition

H. W. Weinberg of 646 Peachtree, and Gerald E. McCarron of 311 Kerby road, will participate in the 1967 SAE Automotive Engineering Congress and Exposition being held January 9-13 at Cobo Hall in Detroit, by the Society of Automotive Engineers.

Mr. Weinberg, Technical Director and Dr. A. F. Reilly, Director of Research and De-

velopment for the Sheller Manufacturing Corporation are co-authors of a paper titled "Is Molded Plastisol Meeting Automotive Needs?"

Mr. McCarron, Test and Development Engineer and Bruce Van Deusen, Project Engineer for Chrysler Corporation are co-authors of a paper titled "A New Technique for the Analysis of Random Surface

Roughness."

The SAE Congress and Exposition is the top annual event in automotive engineering circles. More than 22,000 SAE members and others interested in the automotive industries are expected to attend the 1967 Congress and Exposition.

SMOKING CAR COOLED

The City Fire Department responded to a call for assistance on Thursday, January 5, at 17410 Mack avenue. They found a '63 Corvair owned by Lloyd Peacock of 22015 Downing avenue, St. Clair Shores, on fire in the parking lot. They discovered the fan belt had broken, creating smoke. They cooled it with a booster line.

Contentment may be a virtue, but it's death to enterprise.

Detroit Bank & Trust

proudly announces

CHECK III

the prestige checking account that's free

Effective now, Detroit Bank & Trust replaces its "regular" personal checking account service with new Check III, the prestige checking account that's free as long as you maintain a monthly balance of \$300 or more. It offers you more benefits than any previously available in the Detroit area.

Check III offers Detroit Bank & Trust personal checking account customers three important advantages:

Free Checking

Write as many checks as you wish, make as many deposits as you wish, there's no charge in any statement-month in which you maintain a balance of at least \$300. If your balance falls below this minimum, monthly charges are modest and easy to figure out . . . just 10¢ a check plus 75¢ for your statement.

Free Individualized Checkbooks

All Check III customers are entitled to free "his and her" checkbook covers, with names imprinted in gold. And when you open your new Check III account, your first fifty imprinted checks are also free.

Bancardcheck.

This exclusive new "universal" check service offers you \$500 worth of guaranteed funds and special loan privileges. It is available to all Check III customers who apply and qualify for this extra prestige service.

It's useful, versatile

Check III, the prestige checking account that's free, is the most useful and versatile checking account ever offered by Detroit Bank & Trust in its more than 117 years of service.

If you are presently a "regular" checking account customer at Detroit Bank & Trust, you have already received a special explanation of these advantages.

If you do not presently have an account with Detroit Bank & Trust, we cordially extend an invitation to visit any of our 72 convenient offices for details.

Thank You!

across the nation to one of six national winners, she had said in an earlier interview:

Only One Chance

"Each contestant punts, passes and kicks with just one chance to show what he can do in each category. It's a contest of accuracy as well as distance, as they are penalized a foot off the distance for every foot off the mark. Competing well under pressure is a big part of the challenge."

Canyon Field, first, then the University of Detroit stadium, and finally Briggs Stadium, where he became the official representative of the Detroit Lions and won a replica of the Lions uniform which he wore for the rest of the competitions, were the scenes of his victories.

"Wid's" father, flanked by daughters, Elizabeth, 17, and Susie, 12, plus "Wid's" uncle and aunt, Mr. and Mrs. Bert H. Wicking, Jr., of Hollywood road, plus a gang of neighborhood kids, was listening to a recap of the victory on the 6 o'clock newscast after the family's return Monday night from Miami Beach.

Great Experience

In commenting on the effect of the experience on her son, Mrs. Knight said: "I think it was a good thing for him and the other contestants, too. The boys we met in Baltimore and Miami all showed the same unusual ability in athletics, and they were finally up against real competition. In sharing their mutual experiences at the banquets, they all mentioned the 'problems' of 'winning easily.'" The other contestants were also tall for their age and good students, she added.

In addition to winning an even larger trophy than the one he brought back from Baltimore, "Wid" received a pen from the victorious Baltimore Colts, a T-shirt from the Philadelphia Eagles and a transistor radio in the model of a Ford car. The trophy was presented by National Football League Commissioner Pete Rozelle and a representative of the Ford Motor Company, co-sponsors of the Pass, Punt and Kick competition.

Protect Amateur Status

It was explained that if the winners received anything but tokens (plus the trips to the com-

petitions for themselves and their families), it would place them in the category of professionals and make them ineligible for school, or any other, teams. And "Wid" isn't even old enough for football practice at school yet! However, he has played three years of Little League baseball and made the All Stars as shortstop last summer.

The Websters were accompanied on the trip, which included a grand tour of Washington, D.C., on the way to Miami, by Mr. and Mrs. Wilfred A. Steiner, of Westchester road, whose agency was the original local sponsor for the champion. Also attending the game were grandparents Mr. and Mrs. Theodore Foster, of Trombley road, who are vacationing in Florida.

A hero's welcome was arranged by Defer School Tuesday morning. Principal Jesse Lowther and Edward J. Pongrac, representing the Trustees of the Board of Education on which "Wid's" grandfather, the late Bert H. Wicking, served for so many years, attended the special assembly in the gymnasium.

Also present was Detroit Lions' defensive back Wayne Rasmussen to add his congratulations to those of the growing host of well-wishers for this talented young athlete.

Art Galleries Receive Permit

The Kenilworth Art Galleries of Birmingham got the nod from the Woods Council on Monday, January 9, to occupy the space of 20651 Mack avenue under the ordinance classification of "a retail business," providing they conform with the provisions of the zoning ordinance.

The Galleries have been in operation in the city of Birmingham for almost four years. They plan to close at the Birmingham location and relocate at the Mack avenue address at the end of January.

The owners of the gallery are Pointers, Mr. and Mrs. Leslie Wrigley of Three Mile drive.

They will handle both European and American artists. Most of the work that will be on display will be oil paintings. All the works will be originals.

John R. Palazzoco With Army's Best

The 9th Infantry Division's 3rd Brigade arrived in Vietnam, December 19. Private First Class John R. Palazzoco, 20, son of Mr. and Mrs. John Palazzoco, 1298 Whittier road, sailed with the brigade when it departed the west coast of the U.S. last month.

The 9th Division, stationed at Ft. Riley, Kan., was formed a year ago from veteran cadre personnel and soldiers considered to be among the best ever trained by the U.S. Army.

Palazzoco is a draftsman for the brigade.

WINDOWS DAMAGED

Jack W. Albright of 21731 Eastbrook court, complained to Woods police on Sunday, January 8, that he discovered BB shot holes in two thermopane windows at the rear of his house. Replacing the windows will cost \$150, he said.

Reports Theft Of Mink Coat

Woods police said on Tuesday, January 10, that they have no clues in trying to recover a valuable mink coat taken from a coat rack in the Original Pancake House, 20273 Mack avenue, on January 1.

The mink, valued at \$4,000, belongs to Mrs. W. J. Kennedy of 962 North Brys, who told investigating officers that she usually drapes the coat over a chair on which she sits, when she eats in any restaurant.

She told police that on January 1, while waiting for a table, she became warm, and decided to place the coat on a hanger and on the rack. When she returned for the mink, it was gone.

The coat was described as a dark ranch mink, full length, with the initials "N. G. K." on the inner right side, and a Robert fur level attached on the inside.

A customer in the restaurant at the time informed police that he noticed a white man, about 40 years old, five feet eight inches tall, slightly bald, with dark graying hair, and dark complexion, loitering near the coat rack. The man was wearing a dark three-quarter length coat and a sport shirt, the customer said.

An investigation of the loss is still continuing, it was said.

Offer Classes For Linguists

Foreign Language classes for adults are scheduled to begin at the Grosse Pointe High School during this next week. Classes in Spanish, French, German, Italian, and Russian are being offered by the Department of Community Services for adults who wish to sharpen up an old skill or who want to begin fresh and new.

The conversational approach employed by the experienced staff of language teachers is designed to make classes both palatable and useful. Many of the students who have been enrolled in these classes find their return to the study of a language stimulating as well as

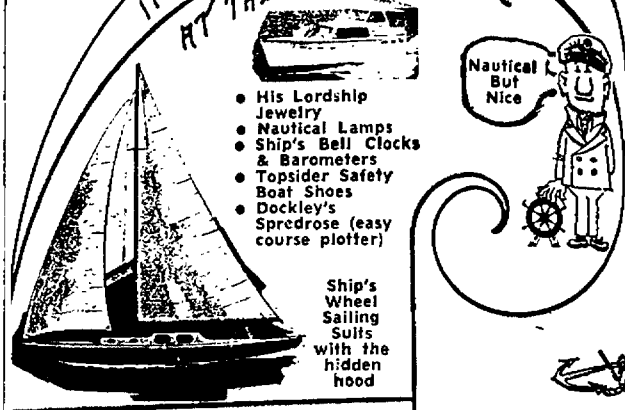

very satisfying. This is an opportunity for doers.

There is also an offering for new Americans who want to learn to speak English. It matters not what native tongue one brings to this class.

Movie-TV Council Rapped

Continued from Page 1

available." Hopefully the new Code will make this possible . . . if I understand her use of the word "meaningful".

III. Apparently the Grosse Pointe Motion Picture Council is even suspicious of the efforts of the film industry, through the Production Code Administration, to offer additional guidance to parents. They belittle the new label, "Suggested for Mature Audiences", which is intended to alert us parents to the fact that certain films require further investigation before we permit our children to see them. The authors of the letter consider that "this means little or nothing" . . . but I must assure you that we in the film industry protest this assumption. We hope this label will be a meaningful guide to parents, who will soon learn to recognize it and understand its meaning. Perhaps the Grosse Pointe Council should endeavor to clarify its meaning for the citizens in your community . . . a worthwhile enterprise!

for shock purposes. So you see, Codes of this type must of necessity be so constructed that they permit a qualified Code staff of six (not just the Administrator, as she states) to make judgments about each situation under the consideration.

V. The author is correct in saying that films can be released in our country without a Code Seal. However, her related statements are so inaccurate and misleading as to require careful clarification.

The 8 largest producing-distributing companies do comprise the membership of the Motion Picture Association of America. These companies have not in the last 10 years released any films which failed to qualify for the Production Code Seal. It should be emphasized that these are the movies seen by approximately 90% of the audiences in our country. An important point!

Protestant Motion Picture Council Schools Motion Picture Committee

In addition, hundreds of magazines and most newspapers publish film information regularly.

VIII. The author was correct in stating that we do have laws guarding against possession and use of liquor by juveniles, and against inadequate driving skills, because these are measurable in terms of specific physical responses. But, in our wonderful democracy, we do not control the law what people should think or believe. Fortunately we are protected by our Constitution against dictators who might wish to impose such controls over the minds and hearts of men. Here we can choose our own "authority" for guidance in these matters . . . be it our church, our favorite critics, our teachers, our parents, or our respected friends.

IV. What the author refers to as "hedging grammar" is not hedging at all. To the contrary, this language was carefully selected so as to permit the application of judgment. As an example, in one film a certain word might be required to develop, with integrity, a given character; but, in another film that same word might be out of place, contrived and used only

I do not know where the author obtained her statistics. She states, "Last year some 5,000 films were made by some 200 companies." Here are the facts: distributors of the United States released 212 feature movies during 1965. Worldwide, possibly between 2 and 3 thousand films were produced by an unknown number of companies. An average of 700 to 800 foreign films are imported into the U.S. per year for distribution here. Over 100 of these are now from Hong Kong, in Chinese; over 75 are Mexican, in Spanish; over 25 from Argentina; etcetera. So, even a quick look at this situation reveals that most foreign films play to infinitesimal audiences, compared to our own movies. Only the above 212 U.S. feature films received distribution worthy of any note; and in 1965, 191 of these were submitted and were granted the Code Seal of Approval.

In closing this too-long reply, I must add one or two comments on both the approach and the spirit of the message submitted by the Grosse Pointe Motion Picture Council. It is understandable that this Council is genuinely interested in improving the film fare which is brought to your beautiful community. And, there are many things this Council could do to be constructive . . . more constructive than writing an inaccurate diatribe against the revised Production Code, which has yet to prove its worth.

VI. The author is incorrect in her statement, "Foreign films are not reviewed by them (the Production Code Administration)." Of course foreign films can be and are reviewed by the Production Code Administration! This service is available to all film producers who choose to use it. Movies are submitted voluntarily. Many foreign movies receive the Code Seal every year. Those that do not can either be those which, for economic reasons (i.e. the anticipated income from the film does not justify the cost of the Code Seal services), have not been submitted; or those which the producer knows would not measure up to Code requirements. Or, in some cases the producer is just not interested in our American self-regulatory practice . . . even though the film could qualify easily for the Seal.

I would like to know, for instance, how many of the Council members actually worked hard to rally public support for some of the following fine films of 1966, when they were showing in Grosse Pointe: **SMOKEY, THOSE MAGNIFICENT MEN IN THEIR FLYING MACHINES, THE RARE BRED, AND NOW MIGUEL, THAT DARN CAT, THE GREAT RACE, THE BIBLE, BORN FREE, THE TROUBLE WITH ANGELS, FANTASTIC VOYAGE, KHARTOUM . . .** and many more. The businessman (the local exhibitor) could have been reassured by such action that the Council does indeed represent a strong constructive force for obtaining good films for Grosse Pointe citizens.

The Production Code is not, as she says, "a trickle in the ocean". It is applied to the great majority of films which the great majority of U.S. audiences view!

VII. It is distressing to think that the Grosse Pointe Motion Picture Council is critical of the MPAA for what they call "dumping full responsibility for children's entertainment in the laps of parents". Far from "dumping" anything, the MPAA believes wholeheartedly in the prerogative and the responsibility of parents for their own children's behavior, and for their own children's well being. You bet we believe in parental supervision and guidance!

My good friends, it is really quite simple . . . U.S. filmmakers, operating without government subsidy (available in almost every country around the world) risk countless thousands . . . even millions . . . of dollars, to produce films which people will want to see. If the public is inclined to support one type of picture more than another, these businessmen will understandably provide that type of entertainment. You see, the public does have "the last word", doesn't it? Criticisms, warranted or unwarranted, will do little to change this. But attendance, or lack of same, will do a lot!

And what's more, we assume our responsibility for providing information about the content of current films so as to make parental responsibility in this area as simple as possible. We now send information about the content of current films free of charge to every public library, every movie theatre, every daily newspaper in the country (and many reprint it for their readers); and to thousands of community leaders and institutions. This is not promotional material . . . it is descriptive information, written by volunteers who represent 10 important national organizations. Representatives of the following comprise the Film Board of National Organizations which publishes this free monthly service, known as THE GREEN SHEET:

To return briefly to the Code, admittedly this Code is not infallible. As with all such Codes . . . it is a human document, written by knowledgeable people in good conscience, and when administered, the judgments made will not always please everyone. In this country we are fortunate to enjoy a pluralistic society, one which includes people of all faiths, of all colors, of all educational levels . . . of diversified heritage and customs. We live together in a free society, one which grants us certain inalienable rights and privileges.

- American Jewish Committee
- American Library Association
- Daughters of the American Revolution
- Federation of Motion Picture Councils
- General Federation of Women's Clubs
- National Congress of Parents and Teachers
- National Council of Women of the U.S.A.
- National Federation of Music Clubs

But, living in this "climate" is not always easy because it requires that we take responsibility for how we act, for what we read and for what we believe. To some this "comes easy". To others, it is difficult. But, "difficulty" has never been a rational excuse for relinquishing these rights. It only means we must learn better.

Blue Devils Split Pair Of Basketball Contests

By Dale Eichbauer

Resuming play following the holiday break, the Devils lost a tight game to Monroe last Friday night, but bounced back to defeat Kimball the following night.

The Monroe game started out as a defensive battle, with neither team scoring until play was well into the period. Once started, however, Monroe shot to a wide 17-7 first period lead.

The Devils managed to slow down the Trojans' pace in the second period as the Devils scored 18 to the Trojans' 20 points, leaving the Trojans ahead 37-23 at the half. High scorer for the Devils in the period was Jacobs with six.

The Devils began a comeback effort in the third period and were able to cut the lead to eight points, as they trailed 51-43 after three quarters. Jim O'Donnell was top scorer for the Devils in the period with eight points.

Rifles Checked By Woods Club

Becomes Real Duel

The final period became a real duel as the Devils were determined to come from behind and the Trojans were equally determined to stop them. The Monroe lead was cut to only two points with 3:41 left in the game. For the next minute baskets were traded and the Devils still remained two points behind the Trojans. Then Monroe pulled ahead and completely controlled the ball, leaving the Devils far behind. By the end of the game, the Trojans held an 11 point, 69-58 lead.

Zink, Pike, and Ferman each had four points for the Devils in the final period. Top scorer for the Devils was O'Donnell with 13.

Take on Knights

On Saturday night the Devils played their second away game of the weekend as they travelled to Royal Oak for a non-league encounter with the Kimball Knights. Jumping off to an early lead, the Devils almost doubled the Knights at the end of the first period, 13-7. Both Jacobs and Pike had five points for the Devils in the period.

The Devils defense held the Knights firmly in the second period as Kimball was unable to score until the 5:17-point in the period when they sank two foul shots. Meanwhile, the Devil offense maintained the scoring pace. They led the Knights at the half with a 33-16 score.

The Devil scoring pace slackened in the third period, while that of Kimball picked up, but they were unable to get any closer than eight points to the Devils lead and trailed 50-41 at the end of the period.

Jacobs was high in the period for the Devils with seven.

The final period saw the scoring fairly even and the Knights never seriously threatened the Devils, who went on to win with a 12-point, 68-56 lead. Zink had seven and Ferman six for the period and Jacobs was the highest scorer of the game with 17 points.

Preceding the varsity games the Grosse Pointe junior varsity defeated Monroe's 87-63, but went down to Kimball 69-58.

The Grosse Pointe Woods Junior Rifle Club recently held its NRA Sighting-In Day to allow area sportsmen to prepare themselves for a safe and rewarding hunting season.

More than 38 hunters used the available facilities and participated in the club's activities.

Their shooting club is one of hundreds throughout the country which holds the NRA Sighting-In Day program each year. As a service to the nation's hunters, NRA clubs open their ranges to sportsmen who may receive assistance in checking their shooting equipment and, by reviewing the fundamental principles of hunter safety, increase gun safety and accurate field shooting.

The club has received a National Rifle Association Public Service Award for participating actively in this vital community service designed to help the nation's more than 14 million hunters.

NRA offers hunters technical and informative services. One of the informative services is the annual "Uniform Hunter Casualty Report," which presents factual information from thirty-eight states and five Canadian provinces on the causes of hunting accidents. Another service is the "Hunter Safety Training Program" which has graduated more than 3 million students and has reached a point where 400,000 participates complete the course each year.

'SPIRIT WILLING'

If all the good resolutions that are kept were placed end to end they wouldn't reach very far into the new year.

Laker Cagers Stay on Top

By Doug MacEachern

The St. Paul Lakers overcame a tough opponent as they downed the Thorns of Sacred Heart 35-32 in two overtime periods Tuesday, January 3. Dan Sutherland took St. Paul's scoring honors with 11 tallies while Mike Ferrell carried 8 points.

The two teams struggled through the initial contest to terminate regulation time in a 29-29 tie. Each team sank only 3 points in the following 3-minute overtime, winding up in another tie 32-32. In the second overtime the Lakers finally broke through with two foul shots to overcome the Thorns.

St. Paul chalked up another victory the following Friday as it disposed of the only other unbeaten club in its league, St. Catherine, 48-40. Doug Dziuba led the Laker scoring column with 15 points while Don Dillake paced the Warriors with 22 tallies.

The Lakers jumped to an early 5-0 lead as they held a 23-16 margin over the Warriors at halftime, coasting to a 48-40 final score. Midway through the final quarter St. Catherine pulled ahead by 3 points.

However, with about a minute and a half remaining in the hard fought encounter, Doug Dziuba stole the ball from the Warriors and brought the Lakers within 1 point of their opponent.

Co-captain Mark Smolenski then clinched the game for St. Paul as he sank a pair of free throws.

Ronald P. Willard Arrives in Vietnam

The 9th Infantry Division's 3rd Brigade arrived in Vietnam Dec. 19. Private First Class Ronald P. Willard, 21, son of Mr. and Mrs. Harold E. Willard, 2159 Beaufait, sailed with the brigade when it departed the west coast of the U.S. last month.

The 9th Division, stationed at Ft. Riley, Kan., was formed a year ago from veteran cadre personnel and soldiers considered to be among the best ever trained by the U.S. Army.

Willard is a mechanic in Company A of the brigade's 9th Supply and Transport Battalion.

His wife, Petrea, lives at 24371 Grove, East Detroit.

Woods Boat Club Elects Officers

The following officers and directors were elected at the December 14 meeting of the Grosse Pointe Woods Boat Club, to serve during 1967.

Elected as Commodore was Don Endres, 19932 West Doyle; vice-Commodore Fredrick L. Metzler, 1852 Kenmore; treasurer Chester Homuth, 529 Shoreham road; and secretary John Burke, 1292 Anita avenue.

Directors are J. Wesenberg, 1362 Hampton road; G. Voorhees, 1081 North Oxford; N. Strobl, 1830 Kenmore and R. McArthur, 2008 Hawthorne.

They assumed their new duties the first of the year, and will be installed at the Commodore's Ball on February 4. All members and friends are cordially invited to attend the installation.

Warriors End Losing Streak

The Grosse Pointe Warriors hockey team ended a losing streak by defeating Madison Heights 4 to 1.

Madison Heights scored their only goal at 4:00 of the first period. It took only a minute and a half later for Jim Bahnke to pass to Mike Lindhurst and tie the score.

At the 15:30 mark Tim Conn scored the first of his two goals assisted by Jim Allen. Tim scored his second goal midway in the second period, this time assisted by John Conn.

The goal that locked up the decision was scored by Jim Bahnke at 17:32. He was assisted by Art Renny and Mike Lindhurst.

The defensive play by Roy Dobson, Roger Giza and Mike Stahl helped to win the victory. Jeff Fuller and Bill Harlan shared goal tending duties and did a spectacular job.

The Warriors' next game will be Sunday, January 15, at 9:30 a.m. at Port Huron against Mt. Clemens.

Mermaids Drop Season Opener

By Elaine Quinn

St. Paul's Mermaids lost their first meet of the season last Thursday, 50-37, at the hands of Mercy High. Though St. Paul never led in the contest, the score does not indicate the closeness of the meet. One St. Paul record was broken and another tied.

In the first event, St. Paul's medley relay made up of Ann Farnam, Brenda Stout, Kathy Wahlstrom, and Chris Duffy lost out to a tough Mercy combination.

Lynn Duffield showed the form that helped her place high in the finals last year by finishing first in the 50-yard free style, with Kathy Thomas coming in fourth.

In the 50-yard butterfly Ann Farnam came in third with Elaine Quinn getting the fourth place spot.

There are some new faces on the team this year, among them Chris Batchelor and Joan Hollerbach. Chris and Joan didn't waste any time getting into the swing of things: Chris finished first in the 50-yard backstroke, within one second of St. Paul's record, and Joan placed fourth.

Sue Simon and Ann Cottrell gave a good performance in the diving event and nailed down second and third spots respectively.

In the individual medley, a new St. Paul standard was set by Lynn Duffield as she rolled in first, and Kathy Wahlstrom finished fourth.

The 50-yard breast stroke has been one of the weak spots on the team. Never-the-less Brenda Stout and Mary Ann Snyder gave it their all. Brenda came in third and Mary Ann rounded up fourth.

Chris Batchelor tied the record set last year for the 100-yard free style by taking second place. Patsy Turner finished one second behind Chris for third place.

Finally, the 100-yard free style combination made up of Kathy Thomas, Chris Duffy, Peggy Quinn and Elaine Quinn managed to get by Mercy for first place.

St. Paul Girl Wins Contest

The Grosse Pointe branch of the Lions Club has announced that the winner of the Peace Essay Contest sponsored by the Lions Club is Mary Ann Igna. Mary Ann is a junior at St. Paul High School. She is secretary of the junior class, a candidate for the National Honor Society, and a member of both the newspaper and yearbook staffs.

Mary Ann is also the chairman of St. Paul's delegation to the Model United Nations. This organization will represent Nationalist China and Libya at the Model United Nations Assembly to be held in March at the University of Detroit.

Runner-up for the Peace Essay award was Dave Fromm, also a junior at St. Paul High School.

Disorderly Pair Hear Sentences

Richard N. Habib, 17, of 5093 Iroquois, and Carlo Parker, 23, of 8842 David, both of Detroit, arraigned before Farms Municipal Judge William Connolly on Saturday, January 7, on charges of being disorderly, entered pleas of not guilty and were found guilty, and were given suspended sentences.

The pair were accused of hitting Mario Provenzavo, 17, of 4223 Bishop, Detroit, about the face, following an accident at Vendome and Kercheval, on Friday, January 6, in which Habib ran into the side of a car driven by Provenzavo.

Police said that following the collision, Habib jumped from his automobile, and pulled Provenzavo from behind the wheel of his vehicle and struck him in the face. Parker also got out of the car and rained several blows about Provenzavo's face, according to a complaint signed by the victim.

Officers who arrived at the scene said Habib was holding a chair leg, with one end taped, in his hand. The club was taken from him. A similar club was found with other youths riding in Habib's car and this also was confiscated.

Habib and Parker were given violation tickets charging them with being disorderly persons, and released on \$25 bond until court the next day.

Republican Club To Hear Bork

The Women's Republican Club of Grosse Pointe will hold its regular monthly luncheon meeting next Thursday, January 19, at 12:30 o'clock in the Crystal Ballroom of the Grosse Pointe War Memorial.

Gen. Lester Skene Bork, president of the Economic Club of Detroit since 1962, will be the speaker. The title of his address is "Our Trouble Spots in Southeast Asia."

General Bork was graduated from West Point in 1929. He attended the University of Virginia Law School and the Command and General Staff School at Fort Leavenworth, returning to the United States Military Academy in 1942 as Acting Professor of Law.

His many wartime and post-war assignments carried him throughout the South Pacific to Japan, where he became the Acting Judge Advocate of the 8th Army and Chief Defense Counsel for the Japanese military war criminal trials, and from Hawaii to Washington, where he was Chief of Plans for Foreign Military Aid and then Chief of Distribution for the Army.

General Bork's more recent assignments include Assistant Division Commander of the 8th Division at Fort Carson, Colorado, Chief of U.S. Army Military District, Michigan, and in June 1958, he became senior army advisor to Generalissimo Chiang Kai-Chek.

Movie-TV

(Continued from Page 5)

ter how to enjoy, use and appreciate them.

One suggestion . . . wouldn't it be wonderful if the Grosse Pointe Picture and Television Council would undertake a community education program, possibly in cooperation with the Board of Education, the Parent-Teacher organizations, and/or other interested groups in Grosse Pointe, aimed at educating parents and young people alike on how to select good film entertainment? This, in my humble opinion, would serve your community well and would indeed provide a worthwhile raison d'etre for this organization which professes by its title to be constructive and actively interested in the welfare of two of the most important media in all of history.

Our department in the Motion Picture Association of America "stands by", ready to be of help to any and all organizations who wish to contribute in this way to their communities. At the moment we are working with over 1,000 such organizations, all of whom have learned that these efforts are constructive and rewarding . . . and what's more, great fun!

Sincerely yours,
 Mrs. Margaret G. Twyman

Brownell P-TA Views 'Change'

Members of Brownell Junior High School's Parent-Teacher Association will meet the challenge of President Douglas Krieger to reflect on "problems and potential of change" next Thursday evening, January 19.

Beginning at 8 o'clock in the auditorium-gym, the group will view a short film strip in which various guidelines for the Middle School are presented. Following this, parents and teachers will divide into smaller groups conducted by resource people within the organization.

Later, significant responses will be reported to the group as a whole before adjourning.

Typical of the question to be used to stimulate reappraisal of present school programs are these:

1. Is the school too strict or not strict enough in meeting the challenge of non-conforming students?
2. How valuable to parents are parent-teacher conferences, written comments on report cards, and telephone conferences with school personnel?
3. Is the two-year cycle plan now utilized in the elementary schools, where a student remains with the same teacher more than one year, appropriate for intermediate school children?
4. What is the extent of the intermediate school's responsibility in providing extra-curricular activities?
5. How can the intermediate school do a better job of orienting students from one school to another?

6. How can the Brownell P-TA promote better understanding of the school's role in our community?

7. In consideration of the rationale for the Middle School, would the best organization be 6-7-8, or 7-8? What benefits exist in either plan above the other?

"While no definite answers are expected from these group discussions," Mr. Krieger says, "a meeting of this sort can be a meaningful experience as we reflect the changes taking place at Brownell."

Police Checking Shotgun Blast

Park police are investigating the firing of a shotgun blast at the home of Mrs. Seward Biggs, 1079 Balfour road, shortly after midnight of Wednesday, December 28.

Police Chief Arthur Louwers said that the incident occurred at about 12:15 a.m. Pellets from the fired gun shattered the top window pane of a bedroom at the southeast corner of the house, and several lodged into the ceiling of the room.

Mrs. Biggs, who was in the room at the time, was not injured. She called police immediately.

Investigation of the incident has been assigned to Det. Lt. Arnold Hough and Det. James LaPratt, the chief said.

Trespassing Tabbies

Requests have been received from readers to say something about cat owners who allow their pets to roam at large. The complainers are not animal haters...

The ground has been covered with snow most of the time for weeks, making it more important than usual to provide our feathered friends with sustenance.

The cat can't be blamed for the instinct which makes him a bird killer. But the cat's owner can certainly be the target of criticism for letting him or her roam.

Added to these dangers now is the threat of bird lovers who are goaded into concrete action to stop this stalking business.

Some have asked why cats shouldn't have to be licensed, like dogs, so predators could be identified.

Cat owners take warning. If you really care for your trespassing tabbies, give thought to all the dangers to which you expose them every time you let them out.

Know Your Schools

by J. Harold Husband, Acting Superintendent The Grosse Pointe Public School System

Those having a question about The Grosse Pointe Public School System are urged to contact my office at the schools' administration building, 389 St. Clair Avenue.

Question:

How will the varsity athletic program be affected by the opening of Grosse Pointe High School North?

Answer:

Grosse Pointe High School North will undoubtedly begin a regular varsity program when it opens. However, the school will probably not be committed to conference competition during the first year.

Letters to the Editor

Dear Sir:

Over one of our Detroit radio stations this week, a member of the clergy interested in organizing a school for draft dodgers, according to one newspaper, spoke out again on Vietnam.

Would you not think that men, especially those in the clergy, would know that as long as we have goddess leaders, goddess nations and goddess men in this world, MEN OF GODLY PRINCIPLES IN A NATION CREATED UNDER GOD, WILL FREQUENTLY HAVE TO FIGHT TO MAINTAIN FREEDOM AND DECENCY?

WOMEN'S PAGES

From Another Point of View

By Janet Mueller

That big Cheshire Cat smile on the face of Terry (Mrs. Bert) Treiber, of Whittier road, is there for a good reason.

Terry — you'll recall she was "Pointer of Interest" a few weeks before Christmas — has successfully included almost a year's work as chairman of the hand-made souvenir program created by the Junior Women's Association for the Detroit Symphony Orchestra.

The 140-page program will be presented at the January 14 Detroit Symphony concert, which features pianist Andres Segovia.

Terry, along with co-chairman Ann (Mrs. W. Gerald) Warren, of Saddle Lane, headed a committee which contacted advertisers throughout the greater Detroit area to find community support "really gratifying."

To celebrate a job well done, the Junior Women, their husbands and guests, will gather at a post-concert reception in The Whittier Hotel.

Organizational chairmen for the souvenir program included Mrs. Gould Flagg, Jr., Birmingham sales, Mrs. Thomas Loewe, Detroit and Birmingham sales, Mrs. William Peattie, Grosse Pointe sales, Mrs. John Fife, Irons chairman, and Mrs. James Mooney, billing chairman.

Short and to The Pointe

In New York City Tuesday to attend Mayor and Mrs. John Lindsay's Gracie Mansion reception for the New York Shakespeare Festival committee was MRS. JOHN WENDELL ANDERSON, II, of East Jefferson avenue, a member of the group which sponsors free Shakespeare performances in New York's parks, city playgrounds and schools.

MICHAEL H. POWELL, a senior at American University, Washington, D.C., has been a guest at the home of his cousins, the WILLIAM G. BUCHINGERS, of McMillan road.

MARGERY HOMFELD, of McKinley avenue, is among the 70 members selected to be in the Concert Band of Lawrence University, Appleton, Wis. Under the direction of Fred Schroeder, this group presents three major concerts each year. During the second, (current), term of the academic year, the group will make a weekend musical tour of several Wisconsin communities.

ANN NOECKER, daughter of the MARSHALL NOECKERS, of Handy road, sailed this week aboard the SS United States for England. Ann is one of 15 students from the University of Michigan who were chosen to represent the United States in a new student exchange program at the University of Sheffield, Sheffield, England. She was the American Field Service representative from Grosse Pointe High School in 1963, living with a family in Brussels, Belgium, and during the summer of 1965 was a member of the Wayne State University touring geographic group, which visited 13 countries in East and West Europe.

Among those attending a one-day "Conference on the Arts" sponsored by the Michigan State Council for the Arts, scheduled today, January 12, at the Lansing Civic Center, are MRS. CURTIS C. CARMICHAEL, of Bishop road, MRS. DOUGLAS SMART, of Westchester road,

Preview Draws Pointers

Discussing with MRS. LEONARD LEONE, (right), wife of the founder and director of Wayne State University's Hilberry Classic Theatre, the virtues of the opening night performance of Hilberry's production of Richard Brinsley Sheridan's "The Rivals" are MR. and MRS. ARTHUR NEEF, of Lincoln road. Mr. Neef is dean of the WSU Law School. The Neefs were among many Pointers who attended the fourth annual Hilberry Classic Theatre's Preview last Saturday evening, January 7, which raised a record \$52,000 in fellowship funds for the theatre's 34-member resident student company.

MRS. HUBERT GOEBEL, of McKinley avenue, and MRS. WATSON FORD, of McKinley avenue. Purpose of the conference is to inform representatives from Michigan communities of opportunities for services and programs available through the State Council for the Arts and to provide conferees with information and assistance necessary in forming community arts councils.

Enjoying a holiday visit to the Bahamas, (they've been winter visitors there for the past 10 years), were the ALBERT J. BERSHBACKS, of Renaud road.

Guests from several different countries who visited Our Lady Star of the Sea School January 6, during the School's first "International Day," included FATHER JOSEPH THOPPIL, of India, CHAO NAN LU, of China, BHARAT SHRESTHA, of NEPAL, BROTHERS VICTOR and BRUNO, of Uganda, MARTIN RAS, of Aruba, FRANK DE SOSTOA, of Venezuela, ZIYAD ZAIDAN, of Saudi Arabia, GEORGE WOJITOWICZ, of Poland, RICKY ALVAREZ, of Cuba, LEE JOHNSON, of South Africa, KUMHOL WARAPITAYUT, of Thailand, AHOY BANERJEE and KAMESWAR KAZA, of India, CYRUS MOTLAGH, of Iran, and PAULA CISCO, of Finland. The day opened with exhibits

and displays from countries around the world, after which the international visitors dropped in on classrooms, holding informal interviews with students throughout school hours. An assembly featuring "international" entertainment, including a Greek dance presented by the sophomores and juniors, a recitation of "The Night Before Christmas" by the French III class and a program of songs from around the world, performed by the senior girls, concluded the day's activities.

Rene Jacques Claims Bride

Rene Robert Jacques, son of Mr. and Mrs. Robert B. Jacques, of Fairford road, claimed Mary Forbes Shoemaker, daughter of Mr. and Mrs. Herman F. Shoemaker, of Southgate, as his bride on Saturday afternoon, December 31.

Setting for the wedding, at which The Reverend Joseph J. Bahr officiated, was St. Joseph's Roman Catholic Church in Wyandotte.

For the noon rites the bride chose a white peau de soie gown with reembodyered Alencon lace. Her illusion veil fell from a seed pearl medieval caplet, and she carried white roses and carnations with pink rosebud accents.

In floor length frocks of forest green velvet and beige, covered by forest green velvet floor length coats, were honor attendants Susan O'Callaghan and bridesmaids Sandra Jacques, sister of the bridegroom, and Ann Crowley. They carried matching green velvet muffs covered with gardenias.

Peter Palombi, Jr. served as the bridegroom's best man and ushering were Robert Shoemaker, brother of the bride, Gary Jacques, brother of the bridegroom, Peter Ronan and Wallace Feedold.

The mother of the bride wore a cinnamon beige silk suit with mink accents. The bridegroom's mother chose a suit of pink crepe with beaded accents.

Both mothers chose gardenia corsages.

The newlyweds will make their home in Romeo after a vacation trip to Denver, Colo.

Junior League Holds January 10 Meeting

Address On "Challenges Of '67" Given By Robert J. McBride; Reports Presented By Mrs. F. James Robinson, II, And Mrs. William Y. Gard

The Junior League of Detroit met Tuesday, January 10, at the Country Club of Detroit at 9:30 o'clock. Guest speaker was Robert J. McBride, Director of News and Community Affairs for WJBK-TV since December, 1963.

He spoke to the League on the "Challenges of '67."

Mr. McBride attended Cornell University, and did graduate work in political science at George Washington University. He started in journalism in 1944 as a copy boy "United States News and World Report" in Washington. He served as White House and State Department correspondent for 40 radio stations. He also worked in news and management capacities in WGH, Norfolk, Va.

In 1953 he was named Virginia's outstanding news commentator. Two year later, he became Director of Research and held various other positions with the Detroit Free Press until he joined WJBK-TV as Program Manager in 1961. He and his wife and their two daughters live in Birmingham. Following Mr. McBride, there (Continued on Page 12)

Pre-Nuptial Parties Honor Miss Smith

Festivities Began In November For Bride-Elect Daughter Of Frank Sanders Smiths, Who'll Wed Barrett Osborne Brink January 28

Enjoying a round of pre-nuptial parties is Ann Christina Smith, who will speak her marriage vows to Barrett Osborne Brink January 28, in Grosse Pointe Memorial Church.

She is the daughter of Mr. and Mrs. Frank Sanders Smith, of Middlesex boulevard. He is the son of Mr. and Mrs. Bill O. Brink, of Edgemere road.

Festivities began November 25, with a "his and her" shower given for Miss Smith and her fiancé by Mrs. William Adams and her daughter, Mrs. Carl Haller, at their University place home.

A recipe shower on November 29 was given by Mrs. Robert Weber and Mrs. Charles Gauss

at Mrs. Gauss' home in Whittier road, and on December 3 Mr. and Mrs. Calvin Gauss, Jr., Mr. and Mrs. Rex Brophy and Mr. and Mrs. Thomas Fox joined forces to honor the bride and bridegroom-elect at an "Around the World" shower. Party scene was the Foxes' Radnor circle home.

A December 15 miscellaneous shower was given by Mrs. Wallace Harper and her daughter, Mrs. Carl Laukhuf at their Lakepointe avenue home. Mrs. Laukhuf is to be Miss Smith's matron of honor. Guests at this

T. W. Graham Claims Bride

At an evening ceremony December 27, in St. Mary Magdalen Church, Melvindale, Sylvia Sharon Murdzia and Thomas Walton Graham exchanged marriage vows.

Parents of the couple are Mr. and Mrs. Roy J. Murdzia, of Allen Park, and Dr. and Mrs. Walter L. Graham, Jr., of Ridgemoor road.

Debra Murdzia attended her sister, and Terry P. Graham served as his brother's best man.

The newlyweds are making their home in Ann Arbor while the bridegroom continues his studies at the University of Michigan.

Party included the bride-elect's girl friends.

Mrs. Bruce McDougall entertained December 22, with a kitchen shower in her Canterbury road home, and on December 27 a tea, honoring the bride-elect, was given by Mrs. Willard S. Smith, of Colonial road, the bride-elect's aunt, at the Grosse Pointe Hunt Club.

On Miss Smith's up-coming agenda are an around-the-clock shower, to be given January 14 by Mrs. David Leach and her daughter, Elizabeth Leach, who'll be a bridesmaid, at the Leaches' Colonial road home, and a January 19 bedroom and bathroom shower, to be given by Mrs. Earl Krieg in her Middlesex boulevard home.

Mrs. Frank Smith and her daughter will entertain those who have been hostesses at showers January 21, at a tea in their Middlesex boulevard home.

Bridesmaid Jessica Markley will be hostess at the January 22 Spinster Dinner, in her Lakeshore road home.

Smith-Baksis Vows Spoken

Vicki-Ann Baksis and John Wallace Smith were married at 7 o'clock on December 30 in St. Isaac Jogues Church.

The bride, daughter of Mr. and Mrs. Eugene J. Baksis, of St. Clair Shores, was attended by her sister, Linda Marie. The bridesmaids were Mary Meyers, Madeline Imperiale and Sharon Taggart.

The bridegroom, son of Mrs. John W. Smith and the late Mr. Smith, of McKinley avenue, asked Glenn Keoplin to serve as best man. Ushers were Ted Timmerman, Thomas Grabowski and James Ferguson.

After a trip to New York the couple are making their home in St. Clair Shores.

To Turn U. of D. High Into Fantasyland

It's to be a Fantasyland theme for this year's University of Detroit High School Gala Nite, scheduled Saturday, January 28, at the School. Getting an assist in sewing a huge Fantasyland canopy for the party from MRS. JOHN STARRS, of Kensington road, and her

son THOMAS STARRS, a U. of D. High senior, (left), is MRS. ARTHUR McFAWN, of Moorland drive, (seated), president of the U. of D. High Mothers' Club, which sponsors the annual Gala Nite, and her son, JOE McFAWN, also a U. of D. High senior.

Junior League Meets

Continued from Page 11 was a report from Mrs. F. James Robinson, II, chairman of the Detroit League for the Handicapped Christmas parties.

The parties were held Thursday, December 15 and Tuesday, December 20, at the Detroit League for the Handicapped building in Ash street, Detroit. Entertainment was provided by the Junior League of Detroit Glee Club, which sang some favorite selections, and by the Joe Vitale Trio, which provided some fine music.

Many Junior Leaguers supported this party, and Mrs. Robinson was backed by a fine committee, including Mrs. William J. Cudlip, donations; Mrs.

Foster H. Barrows, public relations; Mrs. Walter B. Fisher, favors (Santa's Gifts); and Hilary H. Micou, Jr., secretary.

Before the close of the year, the president of the League of Detroit, Mrs. W. Y. Gard, presented a few special highlights from "The Association of the Junior Leagues of America Survey."

AJLA is composed of leagues in the United States, eight in Canada, and one in Mexico. The AJLA Survey is a breakdown of the year's Community Service Projects, i.e., the Arts, Health and Welfare, Education, etc.

Miss Tousey is a graduate of Marygrove College, Detroit, and at present is a Teaching Fellow in Philosophy at the University of Detroit. Her fiancé is a graduate of NYC Community College, N. Y., and is continuing his studies at New York University.

Center Giving Femmes Break

"Pour Les Femmes", Grosse Pointe War Memorial's new program for Pointe wives, widows, and single women has had great response. More than 200 have indicated their interest by returning the coupon of inquiry on the Center's December activity card.

The program plans evenings of interest and fun around the town and even weekends afar. For openers, a trip will be made on Friday evening, January 20, at 7:30, to Half Pints in Amsterdam avenue. Enroute, cocktails will be enjoyed on the charter bus.

At Half Pints, a Bull Tail dinner will be served consisting of filet of beef and lobster tail. After dinner, the fast-paced hilarious live revue "You Gotta Be Kiddin'" will entertain the group during an after dinner drink.

From Half Pints, the group will move to the Plum street area of quaint restored houses and shops. They will congregate in The Wisdom Tooth for folk show and coffee.

The whole package including transportation, cocktails, filet of beef and lobster tail dinner, live revue and after dinner drink, folk show and coffee is \$14.50. Only 50 can be accommodated.

Members And Guests To Gather At Grosse Pointe Yacht Club; Maria Roumell To Sing At Musicales Following Luncheon

Members and guests of the Grosse Pointe Symphony Women's Committee will attend the annual Winter Luncheon Meeting at the Grosse Pointe Yacht Club, Lake Shore road and Vernier, on Thursday, January 19. The meeting will be called to order in the Card Room of the Club promptly at 11 a.m. It will be given over to the annual reports of the officers and chairmen and to the Committee's first election of officers. The retiring officers were the original Steering Committee.

Thanks and appreciation for work well done, go with them. In less than two years, the Committee has become a thriving, smooth working organization, continuing to increase its own membership and creating a greater interest in the Grosse Pointe Orchestra.

After the meeting there will be a social hour in the Terrace Room and luncheon will be served in the Venetian Room at 1 o'clock.

Table decorations will be the artistry of Mrs. Harold V. Brinker and Mrs. Bernard Whitely.

Mrs. Hixie Boykin Hatten is chairman of the day.

Mrs. Hatten announces that Maria Roumell is to be the artist for the musicale following luncheon.

Mrs. Roumell, lyric soprano, was the pupil of Pietro Cimara of the Metropolitan Opera Company. She studied at the Cincinnati Conservatory of Music and

Art Classes Being Started

A new term of art classes is beginning at Grosse Pointe War Memorial. This Friday afternoon, January 13, from 1 to 5 o'clock, Zubei Katchadorian, Prix de Rome winner recently returned from Europe will begin teaching class in Oil Media. Star pupil of Picasso, Mr. Katchadorian is one of the most renowned painters and teachers in this area.

Tuesdays beginning January 17, art classes will be held morning, afternoon and night at Grosse Pointe War Memorial. They will be taught by Ray Fleming, Cranbrook M.F.A. and member of the Mercy College Faculty. Especially for beginning and intermediate students, these classes are held from 9:30 to noon, 1 to 3:30 p.m. and for the benefit of those employed, from 7:30 to 10 p.m.

Basic drawing and oil painting from still life models are taught in the morning and evening classes. The afternoon class is devoted to more advanced techniques in oil painting.

The War Memorial appreciates advance registration for the art classes so that no time is taken from teaching at the first class. The fee for Mr. Katchadorian's term of classes is \$45; for Mr. Fleming's, \$30.

Set Pro Musica Concert Jan. 20

The Zurich Chamber Orchestra, under the baton of Edmond de Stoutz, will be heard at Pro Musica's second concert of the season. The concert will take place on Friday, January 20, at 8:30 o'clock, in the main auditorium of the Detroit Institute of Arts.

In recent seasons, the extraordinary performance of the Zurich Chamber Orchestra have placed it among the top few of its kind in the world today. Its uncommon esprit de corps, its repertory, which ranges the masterworks of the classic, romantic and contemporary periods, and the virtuosic talents of its individual members are the primary elements which have earned the ensemble its celebrity and special place in the hearts of European concertgoers.

During its first American tour in 1955-56, the orchestra made an indelible impression on music lovers here. That the

Zurich Chamber Orchestra will perform this month for the Detroit Pro Musica is a signal of jubilation for all who delight in hearing great works superbly performed.

What Pro Musica members and their guests will hear is an ensemble with few if any peers on the international scene today.

Mrs. Mary Mamebach Lawrie, chairman of the hosts and hostesses, has asked the following to assist at the coffee tables in the Crystal Room during the social hour after the program:

Mr. and Mrs. Harold Arnold, Miss Gladys Hamilton, Mr. and Mrs. Philip Baker, Dr. and Mrs. Richard Jaynes, Mr. and Mrs. Terrance Bannan, Mr. and Mrs. Arnold Lungershausen, Mrs. Cyril Barrett, Mrs. Richard Lutey, Mrs. Walter Burczyk, Mr. and Mrs. Frank Murch, Miss Gladys Cahoon and Mr. and Mrs. John Nelson.

Betrothed

Mr. and Mrs. Joseph C. Cox of McKinley avenue are announcing the engagement of their daughter, **DOLores CATHERINE**, to Patrick Henry Blohm, son of Mr. and Mrs. Norman W. Blohm of Lancaster avenue.

Miss Cox is a graduate of St. Mary's College and received her Masters degree in Education from Marygrove College. Her fiance attended the University of Detroit.

A July wedding is planned.

Bernacki-Christie Betrothal Is Told

Planning a June 23 wedding are Karen Christie and Edward Bernacki, Jr., whose engagement has been announced by her parents, Mr. and Mrs. Barton Christie, of Harper Woods.

The bride-elect is a graduate of the University of Detroit. Her fiance, son of the senior Bernackis, of Torrey road, attended the University of Detroit and is presently studying at the Wayne State University School of Medicine.

From Another Pointe of View

(Continued from Page 11)

Afterglow chairmen are Mrs. Brandon Rogers and Mrs. Richard Wehrman.

Four Days "Rest"

And after the Afterglow, Junior Symphony Women will take a four-day "breather," resting up for their next scheduled activity. "A Critic's View of Music" panel discussion, scheduled next Wednesday, January 18, at 10 o'clock in the morning, at the Detroit Institute of Arts.

This program will be third in the "Symphony Kaleidoscope" series, co-sponsored by the Women's and Junior Women's Detroit Symphony Associations.

Panelists are to include Jay Carr, drama and music critic for the Detroit News, Collins George, music critic for the Detroit Free Press, and Kurtz Myers, head of the Music and Performing Arts Department of the Detroit Public Library.

Moderator will be Les Martens, WWJ symphony broadcast commentator.

The series is open to the public. Tickets, (they're \$1.50 per lecture), may be obtained by contacting Mrs. Herbert Zurstadt, of Berkshire road, 886-5223, or at the door.

Anyone For Ice Skating?

Leave it to the Northeastern Wayne County Child Guidance Clinic Assistance League to come up with a really "fun" mid-winter activity idea!

Now they're planning an ice skating party — PLUS an Italian dinner and an evening of dancing, all scheduled to begin at 7 o'clock Friday, January 27, at the Grosse Pointe Hunt Club.

It's to be an informal event, a "get-acquainted party" for old and new Assistance League members, under the chairmanship of Mrs. Garland M. Knight, Jr., of Fairford road, who invites everyone interested in supporting the Clinic to contact her for reservations.

Ladies: Be Prepared!

Members of the Women's Auxiliary to Cottage Hospital, planning to gather Friday, January 20, at the Nurses' Residence in Ridge road, should be prepared for a general meeting with several new "twists."

Guest speaker will be Shores Police Officer Douglas P. Kalish, who'll describe and demonstrate "What A Woman Can Do — The Art of Self-Defense."

In conjunction with the lecture, Officer Kalish will present a 30-minute slow motion movie depicting potentially dangerous situations women might encounter. Both lecture and movie are devoted to teaching women the defenses to be used in meeting these situations.

The meeting will start at 11 o'clock. Luncheon will be served at 12:30 o'clock. Mrs. William O. Bradley, Jr., 886-0079, and Mrs. Arthur W. Hanigan, 823-0832, are accepting reservations through January 18.

Did You Save YOUR Wine Bottle?

If you're a member of the Garden Club of Michigan, and you're planning to enter the competition for next Tuesday's meeting, you'd better have: Competition arrangements MUST incorporate wine bottles from last October's session.

Hostess for the coming meeting, slated to begin at 2:30 in the afternoon, will be Mrs. William C. McMillan, of Kenwood road. Co-hostesses are Mrs. Ford Ballantyne, Jr., Mrs. E. McMillan Caulkins and Mrs. William W. Wotherspoon.

All competition arrangements, (as long as there's a wine bottle somewhere in evidence, "anything goes" in the way of materials), must be in place by 2:30 o'clock.

"Flying Dutchman" To Speak

"Trouble Spots in Focus" is the title chosen by Celebrity Series speaker Willem I. Oltmans, outstanding journalist whose peregrinations back and forth across the globe have earned him the nickname, "The Flying Dutchman."

Fourth speaker in this season's Series, sponsored by the Ron Secours Hospital Assistance League, he'll appear at the Esquire Theater at 11 o'clock this morning.

Book Review Group To Meet

The January 20 meeting of the Friday Book Review Group of the Grosse Pointe Memorial Church will be held in Fellowship Hall. The 1 o'clock tea will be followed by a review of the book "The Secret of Santa Vittoria" by Robert Crichton.

Mrs. Virginia Leonard, Chief of Processing of the Grosse Pointe Public Library, will be the reviewer. Mrs. Leonard

writes the news column "What Goes On At Your Library."

Mrs. Ralph B. Netting will give the devotions, and the tea chairman will be Mrs. Walter E. Pattee. Serving on her committee are the Mmes. Glenn L. Clark, T. J. Hennecke, D. J. Hodges, George W. Johnson, John H. Marshall, William C. Morrison, Harold W. Quackenbush, Maurice A. Roberts and Manfred G. Wittingham.

Betrothal Told

Former Governor and Mrs. G. Mennen Williams' Tonanour Place, announce the engagement of their daughter, **NANCY QUIRK WILLIAMS, JR.**

She will become the bride of Theodore Ketterer, III of Pittsburgh, June 24 at the Cathedral Church of St. Paul, Detroit.

Nancy, Jr. was graduated from Smith College, Northampton, Mass., and is living in Cambridge, Mass. She is working for a Master's Degree in teaching at Tufts College and is also studying at the Boston Museum of Art.

Mr. Ketterer is the son of Mr. and Mrs. Theodore Ketterer, Jr. of Hamilton road, Pittsburgh, Penn., and is a graduate of Amherst College, where he was on the football and rugby teams. He is associated with the International Business Machine Organization at Springfield, Mass.

Better Listening Course Offered

"Meet the Masters—A Design for Better Listening" is an adult education course offered by the Grosse-Pointe Symphony Society, the Grosse Pointe Public Library, and the Community Service Department of the Grosse Pointe Public School System, and is being continued by popular request.

Representative "giants" in music, their lives, their techniques and styles of composition will be studied. As before music of these composers will be played on record and piano, analyzed and discussed during a "coffee break." "Theme sheets," illustrating important melodies of the compositions to be played will be distributed at each class. This will be a new addition, and will be a help to the novice and musically educated alike.

The instructor, Ruth Kaiser, is a graduate of the Eastman School of Music of the University of Rochester, with advanced study at the Cleveland Institute of Music, and the Oberlin Conservatory, Oberlin, Ohio, where she taught theory. In addition to many years experience teaching Music Appreciation in connection with the Cleveland Orchestra programs, Cleveland, Ohio, Mrs. Kaiser conducted the "Pre-View Concert Series" at the Grosse Pointe Central Library last year.

Alice Lungershausen, founder of the Detroit Baroque Ensemble, is the outstanding harpsichordist of the Detroit area. Mrs. Lungershausen will share her knowledge of that instrument with the class on "Bach" and demonstrate on a harpsichord brought in for the occasion.

Ruth Burczyk, concert pianist, soloist with numerous symphony orchestras (including the Grosse Pointe Symphony), will play portions of the Tchaikovsky Piano Concerto which she will perform with the Grosse Pointe Orchestra on May 7.

Join in this venture into better listening. If you cannot attend all the classes, share your series with a friend!

Call the Department of Community Services at TU 5-3808 or TU 5-0271 for a reservation in this exciting musical adventure. The fee is \$5 for meetings to be held on January 25, February 8 and 22, March 8 and 22, at the Central Public Library, Grosse Pointe, from 10 to 11:30 a.m.

AAUW To Hear Talk By Lutheran Pastor

The Reverend David Eberhard, of Riverside Evangelical Lutheran Church, will discuss "Riverside and Its Projects" at a general meeting of the Grosse Pointe Branch of the American Association of University Women on Thursday, January 19.

Members are urged to bring guests to hear this dynamic young pastor at 1:30 o'clock in the Reception Room of the Grosse Pointe War Memorial. Tea will be served by hostesses Mrs. George Brown, of Birch Lane.

National newspaper and magazine articles have acclaimed Reverend Eberhard's ministry as responsible for reviving his inner-city congregation on the lower east side of Detroit and developing a dynamic parish program, which is thoroughly community oriented.

Riverside Lutheran Church is an everyday, useful entity for the needy. The parish has been expanded to include an Inner City Community Clinic with medical-dental care, legal aid, and social, psychiatric and psychological counseling.

The parish includes Lutheran Peace Corps workers, The Youth Work Corps; a Youth "drop-in" Center, A Welfare Center for clothing and food, The Riverside Children's Summer Program, the Riverside Academy and the Lutheran Youth Village.

In 1963, Pastor Eberhard was honored with "The Liberty Award" for leadership in community life.

He is the son of the Reverend Dr. Carl A. Eberhard and his wife, Clara. One of seven children, he attended a parochial school for primary grades and a public high school in Louisville, Ky., where he was born.

Pastor Eberhard is a graduate of Concordia College, Wayne, Ind., and Concordia Seminary, St. Louis, Mo. He holds a Bachelor of Arts and Bachelor of Divinity degree.

He presently serves on the Lutheran High School Board; Directors; sub-committee of the Detroit Youth Commission; Board of Directors of Greater Home; and the Board of Directors of the Lutheran Home for Girls.

Pastor Eberhard is married to the former Beverly Jacobs, of Louisville, and they have four sons: Michael, Mark, Timothy and Paul.

Pastor Eberhard holds membership in the Riverside Kiwanis Club, the Harmonie Club, the Economic Club of Detroit and the Detroit Yacht Club.

Engaged

At a family dinner at the Detroit Boat Club, Mr. and Mrs. Norman J. Cameron, of Shoreham road, announced the engagement of their daughter, CHRISTINE ANN, to James Richard Strobl, son of Mr. and Mrs. Joseph Strobl, of Rosemary avenue, Detroit.

Miss Cameron is a graduate of Western Michigan University where she affiliated with Alpha Chi Omega and Alpha Lambda Delta sororities. Mr. Strobl is also a graduate of Western Michigan University where he was a member of Sigma Phi Epsilon fraternity. A spring wedding is planned.

July Bride

Mr. and Mrs. Donald Schneider, of Berns court, are announcing the engagement of their daughter, CAROLE MARIE, to Paul Lloyd Fitzgerald, son of Mr. and Mrs. Edmund Fitzgerald, of St. John, New Brunswick, Canada.

Miss Schneider is a graduate of the University of Detroit and is teaching school in East Detroit. Her fiancé is a graduate of St. Francis Xavier University, Nova Scotia, and received his Masters degree in Chemistry from the University of Windsor. A July wedding is planned.

Pointe Questers Meet Tomorrow

The Grosse Pointe Chapter of Questers will meet at the Art Haven Doll Hospital in East Grand boulevard at 10:30 o'clock tomorrow, Friday, January 13. The hospital is owned by the four Meloche sisters who are well-known collectors and authorities on the art of doll restoration.

The members will meet for luncheon at the Detroit Athletic Club after the tour. Hostesses will be Mrs. Robert Palmer, Mrs. Frederick Schumann, Mrs. Samuel Shenefield and Miss Mary Coyne.

Serving as Hospitality standing committee chairman for the Women's Committee of the Tuberculosis and Health Society is MRS. FREDERICK K. CODY, of Stratford place. The TB and Health Women sponsor the annual Cinderella Ball, scheduled this year October 7, at the Sheraton-Cadillac Hotel.

To Hold Square Dance Evening

For the sixth consecutive year, the Council of Grosse Pointe Square Dance Clubs will offer a free dance for novice couples as well as experienced dancers.

The purpose of this annual affair is to give couples who have never square-danced an opportunity to try this popular activity.

Couples with no previous experience find it very easy to follow local caller Wes Rea, who has a well-deserved reputation for his skill in teaching. With each call explained before the music starts, the new dancers are amazed at their success!

This free dance will start promptly at 8 o'clock on Wednesday, January 18, at Monteith School, Cook road and Chalfonte avenue. Residents and their friends from surrounding communities are invited. Many couples who attended the free dance in other years and enrolled in the class for beginners are now dancing regularly.

Lessons in square dancing will be offered this year at Monteith School starting Wednesday evenings, January 25, at 8 o'clock.

The lessons are taught by Wes and Julie Rea, Woods residents, who have been teaching in this area for many years. Additional information may be obtained by calling TU 4-2958.

MR. and MRS. DAVID W. COURTNEY (Marcia Vernor Mower), of Mapleton road, announce the birth of a daughter, CATHERINE MOWER COURTNEY, December 31.

Woman's Club Group Meets

The Discussion Group of the Grosse Pointe Woman's Club met on Wednesday, January 11, at 1 o'clock, at the home of Mrs. W. J. Nixon, of Lakeland ave.

Mrs. J. E. McCaughey, chairman of the day, arranged for a speaker from the Better Business Bureau to talk on "Credit Abuses." Reservations may be made by calling Lee W. Garrett and Mrs. Frank Seydler.

Dental Auxiliary Having Benefit

The Detroit District Dental Auxiliary's annual benefit dinner dance will be held Saturday evening, January 21, at the Statler Hilton Hotel.

Dance proceeds will go to the Detroit Orthopaedic Clinic and Dental Aid programs.

In an atmosphere of French splendor, featuring gold tablecloths adorned with green and variegated gold topiary trees, the doctors, their wives and guests will dance under the sup-

ervision of round caller Al Hards, who will be assisted by Sam Maltese and his orchestra.

Tickets for the black-tie party are being handled by Mrs. Chester Perry, of Balfour road, chairman, and Mrs. Charles Seth, of Stanhope avenue.

Assisting auxiliary president Mrs. Edward Borninski as committee heads are Mrs. Henry Herpel, Mrs. William DeLand, Mrs. Charles McDonald and Mrs. Roy Brooks.

U-D High Gala Nite Scheduled Jan. 28

Proceeds From Fantasyland Party Sponsored by Mothers' Club Will Be Used For Athletic Field Bleachers and Teachers' Professional Centers

What better way to forget January's blizzard weather than to be whisked off into Fantasyland! That's just what is in store for University of Detroit High School parents and teenagers on the last Saturday in January, when the 30th annual Gala Nite family party will take place.

The Mothers' Club is busy transforming the gymnasium into a fairyland where the young and the young-at-heart can make their dreams come true. All who enter this happy

place will be welcomed by Snow White, journeying through the black forests to the diamond mine of the Seven Dwarfs. Storybook Land will unfold as Alice tumbles through Wonderland, Cinderella retrieves her glass slipper, and Dumbo, the

Wayne Women Slate Meeting

Guest speaker at the Thursday, January 19, meeting of the Grosse Pointe Women of Wayne Alumnae Club, scheduled to begin at 7:30 o'clock in the evening at the Michigan Consolidated Gas Company Hospitality Center in Kercheval avenue, will be Mrs. Gordon Torrance, of Riverview, Mich.

Mrs. Torrance, who will be introduced by program chairman Mrs. Peter Youngers, of Manchester boulevard, will give a Ukrainian egg-painting demonstration. Egg-painting kits will be available.

flying elephant, is seen in the stars overhead.

Parents will dance through the clouds that swirl around Sleeping Beauty Castle to the music of Dave Farley and his Orchestra.

Off in Tomorrow-Land, (the Library), the boys and their dates will explore the mysteries of the future in adventuresome surroundings created by seniors Bill Richards, Mark Pezda, Chuck Kronk, Tom Hustoles and their talented crews.

Realizing that even guests in Fantasyland do get hungry, Captain Hook, ever pursued by the crocodile, will stand guard over Peter Pan's cafeteria for the students, while Pinocchio and the Blue Fairy await the adult guests in the Swiss Village lounge.

Though this is the land of make-believe, chairman Mrs. Richard O'Hara and co-chairman Mrs. William O'Brien state that Gala Nite has a real purpose. Proceeds from this year's party will be used to double the size of the athletic field bleachers and to equip the teachers' professional centers in the library.

The Mothers' Club, now in its 35th year, is the oldest adult organization connected with the school. Much that is seen inside and outside the school building is due to the efforts of the Mothers' Club.

Funds were raised to obtain land on which the school could expand. Throughout the years a public address system was installed; a Hammond organ, station wagons and six silver table services purchased. The student and faculty chapels were furnished and decorated, the Little Theatre completed, and in its most ambitious project, the old gymnasium was converted into the present library, including all equipment, drapes and furnishings.

Members of the planning committee include Mrs. Lawrence McCartin, Mrs. Richard Brennan, Mrs. Lawrence Adams, Mrs. Marr Taylor, Mrs. John Morrow, Mrs. Edmund Gallagher, Mrs. Allen Fosdick, Mrs. Robert Giblin and Mrs. Peter Amatangelo.

Area parents attending include the Arthur McFawns, of Moorland drive, the James Brophys, of Berkshire road, the John Starrs, of Kensington road, the Lawrence Marantettes, of Oxford road, the Joseph Louissells, of Three Mile drive, the Robert Connors, of Berkshire road, the Mullen Barretts, of Touraine road, the Lionel Birds, of Whittier road, the Louis Palombits, of Sunningdale drive, and the Carl Henrichs, of Berkshire road.

Fifty Golden Years' Later...

It's been 50 years since the ladies above were graduated from "Detroit Teachers' College," precursor of today's Wayne State University College of Education, and the WSU Education Alumni Association thought it was about time somebody got excited over this Golden Anniversary group. So, a few weeks before Christmas, the Alumni invited all the "Golden Grads" to a reception at

Alumni House on Wayne's campus. It was a lovely party, and each honoree received a special citation, including Pointers MRS. ROBERT SMYTHE, of Van Antwerp road, (left), MRS. ELLA YUERGENS, of Neff road, receiving her citation from WSU College of Education Alumni president DR. ALBERT SCHIFF, and MRS. LEDGER CHAUVIN, (right), of University place.

LWV To Study Public Welfare

Evan W. Martin, consultant in Family and Children's Services with the Detroit United Community Service, spoke to the members of the Grosse Pointe League of Women Voters at their January 11 luncheon-meeting at the Pointe War Memorial Center.

His topic was "Children's Services—the Unmet Needs." Mr. Martin belongs to the American Academy of Certified Social Workers and has held positions in family counseling, mental health and Red Cross work. He holds a Masters degree in Sociology from Washington University, St. Louis, Mo.

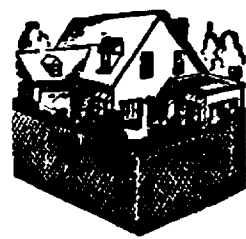

During January, League unit meetings will be devoted to discussing Public Welfare to determine consensus on the questions: (1) Should treatment of the child involve treatment of the whole family? (2) Are services in Michigan adequate to meet the children's needs? (3) Are juvenile court services adequate to meet the children's needs?

Sharing leadership of the various unit meetings will be members of the resource study group on public welfare. These include Mrs. Howard Kay, chairman; Mrs. Douglas Graham, Mrs. Jack Still and Mrs. Forman Johnston, Jr. Interested persons are welcome to attend unit meetings as guests.

The January meetings will be held in the homes of the following members: January 17, at 9 o'clock, hostess, Mr. Harold Jinks, of Lakepointe avenue; January 18, at 1 o'clock, hostess, Mrs. Joseph F. Thompson, Radnor circle; and January 20, at 9:30 o'clock, hostess, Mrs. A. C. Fortunski, of Berkshire road.

Serving as co-hostess for the January 18 luncheon of the Women's Auxiliary of Children's Hospital, scheduled at 12 o'clock in the Rivera Court of the Detroit Institute of Arts, is MRS. PAUL SHORT, of Birmingham road. A tour of the museum's new South Wing will follow the luncheon.

Pointe Book Club To Meet

The Pointe Book Club will meet at the Balfour road home of Mrs. Wilfred Harrison next Monday, January 16, for luncheon at 12 o'clock noon followed by Grosse Pointe Public Libraries director Robert M. Orr's review, "What America Is Reading," at 1:30 o'clock.

Mrs. Harrison's co-hostesses will be Mrs. George Baer and Mrs. Ralph Lagerfeldt.

Kappa Kappa Gamma Will Meet January 17

The East Side Kappa Kappa Gammals will gather Tuesday, January 17, at 11 o'clock, at the Lakeshore road home of Mrs. Gale Beardsley, for cancer pad sewing to be followed by a 12:30 o'clock luncheon and meeting, chaired by Mrs. Charles Monahan.

The committee in charge of the affair includes Mrs. Hunter Comly, chairman, Mrs. Louis J. Asmus, Mrs. Manfred C. Wittingham, Mrs. J. Douglas Patterson and Miss Etta Jean Craig.

The Junior East Side Kappas have scheduled a meeting the evening of the same day, at 8 o'clock, at the Anita avenue home of Mrs. Richard Roland. Serving as Mrs. Roland's co-chairman is Mrs. Thomas A. Christensen.

A special event on the horizon for all Detroit area Kappas and their husbands is a buffet supper Saturday, January 21, at 6:30 o'clock. Party scene will be the Indian Village home of Mr. and Mrs. Donald K. Barnes.

Volunteer work in the Rehabilitation Institute, under the direction of Elizabeth V. Miller, is a steady project of all Detroit Kappas.

Southeastern Hospital Auxiliaries Will Meet

The Southeastern District Michigan Association Hospital Auxiliaries have scheduled a meeting next Tuesday, January 17, at Wayne County Medical Society headquarters in Antietam street, Detroit.

Following a noon luncheon, the Auxiliaries' pilot program MAHAMobile will be dedicated, and Mrs. William P. Greenberg, president of the Michigan Association of Hospital Auxiliaries, will describe how the MAHAMobile will function.

A question-and-answer period will follow a panel discussion on "Area-Wide Community Planning," featuring E. Eugene Sibery, executive director, Greater Detroit Area Hospital Council; Dr. Julian Priver, M.D., executive vice-president, Sinai Hospital, Detroit; and H. Dale Palmer, chairman of the Planning committee, Greater Detroit Area Hospital Council.

Mrs. William Nagel, president of the MAHA Southeastern District, will preside.

Center Offers Crewel Course

A brand new course in Contemporary Creative Crewel and Wall Hangings will bow at Grosse Pointe War Memorial Wednesday, January 25, from 1:30 to 3:30 p.m.

This is a fascinating art form created by Mrs. Marie Massey. Anyone can learn and the effects and results are fabulous. Samples of this art are hanging in the foyer of Alger House for all to view.

Many will remember their vibrant and colorful originals at the Center outdoor art festival where they framed the lions at the entrance of the fountain circle.

The course continues weekly on Wednesday afternoons through March 1, with a fee of \$25. Mrs. Massey suggests that students should bring to the first class a yard of natural burlap, a bottle of glue, scissors, paper and pencil, a number-one crewel needle, yarn, knitting scraps or crochet cotton or string.

OBITUARIES

VERNON R. DONNELLY
 Funeral services for Mr. Donnelly, 72, of 612 Shore Club drive, St. Clair Shores, formerly of Neff road, were held on Friday, January 6, at the Verheyden Funeral Home. He died on Tuesday, January 3, at St. John Hospital.

A native of Walkerville, Ontario, he lived in the Detroit area for over 50 years.

He was a life member of the Detroit Boat Club and a member of the Farmington Country Club, Charlottesville, Va.

He is survived by his wife, Ione; a daughter, Mrs. Paul Land; a son, David H.; one brother, Harold; and six grandchildren.

Interment was in Mount Olivet Cemetery.

ROBERT MARTIN HAYS
 Memorial services for Mrs. Hays, 64, of 1004 Whittier road, were held on Saturday, January 7, in Barbour Chapel of Grosse Pointe Memorial Church.

Mr. Hays, a vice-president of the Rockwell-Standard Corp. since 1953, died on Wednesday, January 4, in Jennings Memorial Hospital.

A native of Pittsburgh, Mr. Hays attended Penn State College and played varsity football there. He was a member of Phi Kappa Sigma fraternity.

He entered the automotive business in Pittsburgh in 1927. He joined the Timken-Detroit Axle Company, which later became a part of Rockwell-Standard, 1944.

Mr. Hays was a member of the Detroit Athletic Club, Lochmoor Club, and the Hidden Valley Club. He once was an officer of the Truck-Trailer Manufacturers Association. He had served as an official of the U.S. Department of Commerce.

He is survived by his wife, Emily; a son, Robert, Jr., a daughter, Mrs. Matthew Davison III; a granddaughter, two sisters and two brothers.

Memorials may be made to the Michigan Cancer Foundation and the Grosse Pointe Memorial Church.

Interment was in Woodlawn Cemetery.

ROY E. (Pappy) SUTTON
 Funeral services for Mr. Sutton, 84, of 700 Balfour road, were held on Tuesday, January 3, at the Verheyden Funeral Home. He died in Cottage Hospital on Friday, December 30.

He was the husband of the late Mary. He is survived by his daughter, Mrs. Boniface R. Maile.

Interment was in Forest Lawn Cemetery.

Death Takes Fred Alger

Fred M. Alger Jr., 59, former U.S. ambassador to Belgium and former Michigan Secretary of State died in his home at 294 Lincoln road on Thursday, January 6, after a comparatively short illness caused by a serious liver ailment. He had been under the care of specialists in a Philadelphia hospital last month.

Mr. Alger was a native Detroit and a member of one of Michigan's pioneer lumber families. He gained a national reputation in Republican politics and was narrowly defeated by G. Mennen Williams in the 1952 governor's race.

His parents were social and cultural leaders of Detroit. His grandfather, Gen. Russell A. Alger, served as Michigan senator and governor and was Secretary of War in President McKinley's Cabinet.

Mr. Alger was educated at private schools in the East and at Harvard University. In his youth he was a polo player and became known as a racing stable owner. His horse Azucar won the \$100,000 Santa Anita Handicap in 1935.

He served 4½ years as a Navy officer during World War II. He was elected Michigan Secretary of State in 1946 and served three two-year terms. Known as a moderate Republican, he was one of the first Michigan GOP leaders to back Gen. Eisenhower for president. For years he engaged in a running battle with the more conservative elements of his party in his home 14th District and elsewhere.

President Eisenhower appointed him Ambassador to Belgium where he served with distinction for four years until his replacement in 1957.

Mr. Alger maintained a winter home in Palm Beach as well as his Lincoln road home. He was an officer of several business firms.

He is survived by his wife, the former Mrs. Katherine Sutton Topping, whom he married in September, 1963; a daughter, Mrs. Reese Evans Howard; two sons, Frederick M. III and David D.; a sister, Mrs. Harold R. Boyer; and six grandchildren. His first wife, Suzette, died in March, 1963.

Services were held in the Grosse Pointe Memorial Church on Saturday, January 7. He was buried in the family mausoleum in Elmwood Cemetery.

Farms Fireman Fatally Stricken

Lt. Ralph W. Snay, died while on his iceboat in Lake St. Clair on Saturday, December 31.

Lt. Snay and Lt. Edward Beaupre and his son, Edward Beaupre Jr. had been iceboating together on Beaupre's boat. Then Lt. Snay went to his boat. Edward Beaupre Jr. noticed that Snay's boat had stopped and went over to investigate. They found Lt. Snay unconscious on his boat. After pushing the boat ashore, they called for assistance and the Harrison Township Fire Department responded. They took Snay to Clinton Valley Hospital where he was pronounced dead on arrival. Death was apparently due to a heart attack.

Lt. Snay was appointed to the Farms Fire Department on October 16, 1940. He was promoted to Lieutenant in September of 1957. His brother, Raymond is a captain with the Farms Fire Department.

The lieutenant was a member of the Grosse Pointe Metropolitan Club, Spirit No. 20; National Firefighters Association; Farms Boat Club; and The Detroit Ice Yacht Club.

Services for Lt. Snay were held on Wednesday, January 4, in St. Paul's on the Lakeshore Church. He was 49 years old and lived at 354 Hillcrest avenue. A rosary was held in the Verheyden Funeral Home on Tuesday, January 3.

He is survived by his wife, Kathryn; three daughters, Mrs. Susan Whittaker, Mrs. Sherry Chivas and Sybil Snay; a son, Ralph Jr., a brother Raymond and a grandson.

Interment was in Mt. Olivet Cemetery.

Sealed bids for the purchase of the above bonds will be received by the undersigned at the offices of the Board of Education, located at 389 St. Clair Avenue, Grosse Pointe, Michigan, on Monday, the 23rd day of January, 1967, until 7:30 o'clock p.m., Eastern Standard Time, at which time and place said bids will be publicly opened and read.

Said bonds will be dated September 1, 1966, will be coupon bonds of the denomination of \$5,000.00 each, will be numbered consecutively in direct order of maturity from 1 to 550, inclusive, shall bear interest from their date at a rate or rates not exceeding five percent (5%) per annum, expressed in multiples of ¼ or 1/20 of 1% or both. Said interest will be payable on May 1, 1967, and semi-annually thereafter on November 1st and May 1st of each year, both principal and interest to be payable at a bank or trust company qualified to act as such under the statutes of the State of Michigan or of the Federal Government, to be designated by the original purchaser of the bonds, who may also designate a similarly qualified co-paying agent. The interest rate on any one bond shall be at one rate only and all bonds maturing in any one year must carry the same interest rate and each coupon period shall be represented by one interest coupon. The difference between the highest and lowest interest rates bid shall not exceed 2%. Accrued interest to date of delivery of such bonds shall be paid by the purchaser at the time of delivery.

Said bonds will mature serially as follows:

\$ 50,000.00 May 1st of each year from 1968 to 1972, inclusive;
 \$ 75,000.00 May 1st of each year from 1973 to 1979, inclusive;
 \$100,000.00 May 1st of each year from 1980 to 1983, inclusive;
 \$125,000.00 May 1st of each year from 1984 to 1988, inclusive;
 \$150,000.00 May 1st of each year from 1989 to 1992, inclusive;
 \$175,000.00 May 1st of each of the years 1993 and 1994.

Bonds maturing in the years 1968 to 1976, inclusive, shall not be subject to redemption prior to maturity.

Bonds maturing in the years 1977 to 1994, inclusive shall be subject to redemption prior to maturity, at the option of the School District, in inverse numerical order, on any interest payment date on or after November 1, 1976, at par and accrued interest to the date fixed for redemption, plus a premium of 3% of the principal amount of each bond redeemed, if redeemed prior to May 1, 1984; 2% if redeemed on or after May 1, 1984, but prior to May 1, 1988; 1½% if redeemed on or after May 1, 1988, but prior to May 1, 1992; and 1% if redeemed on or after May 1, 1992, but prior to maturity.

Notice of redemption shall be given to the holders of bonds to be redeemed by publication of such notice not less than thirty (30) days prior to the date fixed for redemption, at least once in a newspaper or publication circulated in the State of Michigan, which carries, as part of its regular service, notices of sale of municipal bonds, and in case of registered bonds thirty (30) days notice shall be given by mail to the registered holder at the registered address. No further interest payable on bonds so called for redemption shall accrue after the date fixed for redemption, whether presented for redemption or not, provided the School District has money available for such redemption with the paying agent.

For the purpose of awarding the bonds the interest cost of each bid will be computed by determining, at the rate or rates specified therein, the total dollar value of all interest on the bonds from February 1, 1967, to their maturity and deducting therefrom any premium. The bonds will be awarded to the bidder whose bid on the above computation produces the lowest interest cost to the School District. Each bidder shall state in his bid the interest cost to the School District, computed in the manner above specified. No proposal for the purchase of less than all of the bonds or at a price less than 100% of their par value will be considered.

The bonds of this issue may be registrable as to principal only on books kept by the paying agent.

The bonds are to be issued for the purpose of providing additional funds to complete the erecting, furnishing and equipping of a new senior high school in the school district, and of completing the erecting, furnishing and equipping of an auditorium (having a seating capacity of approximately 800 persons) to be erected in conjunction with and adjacent to such proposed new senior high school.

In accordance with the requirements of the Constitution and laws of the State of Michigan, the School District is obligated to levy annually sufficient ad valorem taxes to provide for the payment of the principal of and interest on the bonds as they mature. Such taxes are not subject to limitation as to rate or amount.

A certified or cashier's check in the amount of \$55,000.00, drawn upon an incorporated bank or trust company and payable to the order of the Treasurer of the School District must accompany each bid as a guaranty of good faith on the part of the bidder, to be forfeited as liquidated damages if such bid is accepted and the bidder fails to take up and pay for the bonds. No interest will be allowed on the good faith checks, and checks of unsuccessful bidders will be promptly returned to each bidder's representative or by registered mail.

Bids shall be conditioned upon the unqualified approving opinion of Miller, Canfield, Paddock and Stone, attorneys of Detroit, Michigan, a copy of which opinion will be printed on the reverse side of each bond and the original of which will be furnished without expense to the purchaser of the bonds at the delivery thereof. The School District shall furnish bonds ready for execution at its expense. Bonds will be delivered without expense to the purchaser at New York, New York, or Chicago, Illinois. The usual closing documents, including a certificate that no litigation is pending affecting the issuance of the bonds, will be delivered at the time of the delivery of the bonds. Payment of the bonds must be made in Federal Reserve funds.

The right is reserved to reject any or all bids.

Envelopes containing the bids should be plainly marked "Proposal for School Funds."
