IMC Is Forward Step in Education

This is the Instructional Material Center recently created at Trombly School by converting an auxiliary gymnasium. A bright, comfortable place for study and research has been made available to the students. Standing in the background are MRS. LOIA THOMPSON, fifth grade teacher, and GEORGE GOODWIN, the Elementary Resource Teacher in charge of Center.

Friends of Library Urge Program to Expand Facilities

Recommendation Based On Study Include Doubling Size Of Central Building, New Structure To Serve Park

The Friends of the Grosse Pointe Public Library, headed by president Donald N. Sweeny, Jr., have presented to the Board of Education their recommendations for expansion of facilities. They are based on a study just completed by Ransom L. Richardson, Director of Libraries at Flint, obtained and financed by the Friends, with approval of the Board of Education.

The Board of Education has indicated to the Friends Board of Directors that Public Library expansion plans will be considered. They expect to employ an architectural firm to prepare a master plan to incorporate all school and library facilities.

Expansion Long Overdue
The Friends feel that the Board of Education deserves much credit for their operational support of Grosse Pointe's Public Libraries, but that expansion of facilities is long overdue. For example, there has been no addition to Public Library facilities since the Ferry-Sales Central Library was dedicated in January of 1953, built and furnished with non-tax funds.

Based on the Richardson Study, the Friends recognize present facilities are stretched to the breaking point, with a population increase of almost 50 percent since the Central Library was planned, a 150 percent increase in users and 188 percent increase in circulation. They give the staff credit for making maximum use of present facilities, but feel the community should be made aware of the fact that the high quality of service given in the past can no longer be continued with existing facilities.

Would Double Central
Specifically, the Friends urge the Board of Education to make immediate plans to double the Central Library, to relocate the Park Branch on Jefferson Avenue near the limits with a new building, to double the Woods Branch with an addition, and to lease store quarters in the 7 Mile-Mack area as a pilot project.

President Sweeny says "Grosse Pointe has been called the most ideal library-use community in America. The above program is minimal if our residents are to enjoy the benefits of a fine public library. Our Friends Board of Directors is delighted at the interest shown by the Board of Education, and we hope the community will support us in meeting these urgent needs."

Plan New Honor Roll at Center

Grosse Pointers who have sons, husbands, brothers, sisters, or other relatives in Vietnam are invited to meet at Grosse Pointe War Memorial Wednesday evening, March 8, at 8 o'clock. It is hoped more names at this time can be added to the Vietnam Honor Roll the War Memorial is compiling.

Freezing Victim Reported Out of Danger and Mending

Arthur L. Demings, 51, of 2942 Monterey, Detroit, who was found frozen and unconscious on a breakwall on Lake Shore drive two weeks ago, is resting comfortably in Bon Secours Hospital, although heavily bandaged. Demings, a Negro, was found in the snow on the breakwall on February 6, by Dr. Philip J. Feringa of 867 Westchester, who was driving east on the road, early in the morning when he noticed a prone figure, and stopped to investigate.

The doctor found the man unconscious, with his arms and legs frozen solid, and ice caked on his face and open eyes, and called Farms police immediately. Demings was conveyed to the hospital by the Fire Department ambulance. Det. Sgt. George Van Tien

Zoning Law Amendment Fans Flames

Council Passes Ordinance; Garage Apartment Owners' Restrictions Moderated

The City Council Chamber were the scene of a rather lengthy, heated and legal discussion on Monday, February 20. The discussion centered around the proposed new zoning ordinance's effect on the case of The Sisters of Bon Secours vs Grosse Pointe City, now pending in court.

At no time during the Public Hearing on February 6, was this aspect of the ordinance discussed.

At that time the main bone of contention centered around the part of the ordinance that dealt with garage apartments. On Monday evening the Council presented a revision of that section of the ordinance after giving due consideration to the objections raised at the Public Hearing.

The revision is as follows: "All existing occupied apartments are classified as legal non-conforming uses and may continue to use. They lose the legal right to continue that usage only if the apartment is unoccupied for a period of six months or longer."

Asks For Delay
The attorney for Bon Secours Hospital, Neil Hayes, requested that the passage of the ordinance be delayed two weeks until he could meet with City officials and work out what he called proper language, in regard to Bon Secours Hospital.

The City Council felt that this would only create an unnecessary delay in the ordinance passage and that since the ordinance has been under study for seven months, it should be passed immediately, assuring Mr. Hayes that he and City officials would meet after the ordinance was passed to consider an amendment to the ordinance in regard to Bon Secours.

After a 15-minute recess the Council returned to the council chamber and unanimously voted to pass the new zoning ordinance despite Mr. Hayes' protests.

Statements Obtained
In order to clarify the stand of all parties involved, the News contacted them individually and their statements follow:

Mr. Hayes said: "It is our contention that the ordinance as drawn takes property rights away that belong to Bon Secours Hospital and further that it is unconstitutional for that reason. We are willing to abide by the decision of the Appellate Court and do not want to try another case because of the new ordinance. We offered to meet with the City Attorney and Mr. King (attorney on the Bon Secours case for the City), and the interveners, to try to work out the language... we requested that passage of this ordinance be delayed for two weeks to accomplish that purpose."

"However the Council refused this and passed the ordinance with no imperative reason. "We were under the impression at the Public Hearing that the ordinance was to be studied for five to six weeks and that we would have time to work out the proper language. "I believe that the Council's (Continued on Page 2)

Burglar Invades Park Residence

A burglar broke into the home of David Cooke, 1424 Lakepointe, and ransacked all the rooms in the house, according to a report released by Park Police Chief Arthur Louwers. Authorities received a call from the owner of the house on Saturday, February 18, who discovered the break in when he arrived home at about 5 p.m.

The thief entered the house by kicking in the basement window at the rear of the house and then reaching in to unlock the window. Missing from the house, Cooke told investigating officers, was about \$7.55 in cash, two diamond rings, values not known, and a Sawyer Model "600" slide projector, value unknown. Nothing else appeared to be missing, police said.

HEADLINES of the WEEK

As Compiled by the Grosse Pointe News

Thursday, February 16
PRESIDENT JOHNSON Wednesday ordered "a careful review of any government activity that may endanger the unity and independence" of the nation's educational institutions. Assistant Secretary of Education Nicholas Katzenbach announced Mr. Johnson's action and the disclosure that the Central Intelligence Agency (CIA) had been secretly conducting funds to a U.S. student organization.

Friday, February 17
THE COMMERCE DEPARTMENT of the Federal government unveiled 13 driver standards which it expects states to follow in setting highway safety programs, giving the concern from the automobile to the driver. The standards include an eye and re-examination of drivers at least once every four years. The standards still must be approved by the government, however department officials indicated they are firm and won't be softened. They will be strengthened.

Saturday, February 18
GVERNOR ROMNEY, his and a retinue of speakers, advisers and press men left Detroit's Metropolitan Hotel for a tour opening the state's presidential campaign in the West. Although the trip is called a Lincoln Day trip, it is really a Romney first chance to show his unceremonious leadership. Republican backers that he is a leader worthy of support. He must prove that he is able enough to capture the Republican presidential nomination from his closest competitor, Richard M. Nixon.

APPROXIMATELY 10,000 three automobile workers hit with layoffs notices and work shifts Friday because of lagging new car sales. A strike-caused parts shortage at Chrysler Corporation, Ford Motor Company and General Motors all have laid off workers, shortened shifts.

Sunday, February 19
GVERNOR ROMNEY in Anchorage, Alaska, launched a sharp attack on the administration on Saturday. He said President Johnson's Vietnam policy "stums, ill-timed and poorly coordinated." He said the President and the administration are "locked in this" and have "many of options gone."

DISTRICT ATTORNEY Jim Grayson of New Orleans said today a plan was developed that city which culminated in the assassination of President John F. Kennedy. He said that "arrests will be made." He also said "there are other people besides Lee Harvey Oswald involved," and New Orleans was a factor in planning beyond a shadow doubt."

Monday, February 20
THE U.S. CIVIL RIGHTS Commission has urged Congress to end racial isolation of Negro children in the nation's public schools. The report is certain to stir a fierce debate. The two-week report, released Sunday, recommended that Congress establish a national standard for reducing racial imbalance in the schools, assuring Negroes of a degassed education.

Tuesday, February 21
GENERAL MOTORS Corporation said Monday that some 10 workers will be idled by night if an unauthorized parts plant in Mansfield, Mass., said that 22 of its 23 engine car assembly plants will be shut down as they are out of parts. Included in the six in Michigan: Cadillac, Oldsmobile in Pontiac, Pontiac in Pontiac, Chevrolet in Flint, Chevrolet at Willow Run, said that all plants will be operating at least through Tuesday.

Bloodmobile At Memorial Center Today

Two Units Set Up to Collect Donations to Fill Empty Bank: Hours are 9 a.m. to 9 p.m.

Two American Red Cross Bloodmobile Units will be set up to receive blood donations in Grosse Pointe War Memorial's Crystal Ballroom this Thursday, February 23, between 9 a.m. and 9 p.m.

The community Blood Bank maintained by the War Memorial for free loan to all citizens in case of emergency is empty. Many church blood banks are also nearly dry. Also if friends or relatives in this area want to donate to a particular individual in need this blood collection is a particularly convenient one.

Appointments are greatly appreciated since they enable the line of donors to move ahead smoothly. However an ample professional staff assisted by volunteer nurses and members of the Grosse Pointe Woman's Club insure those who wish to walk in without an appointment a relatively short wait.

Rides can be arranged to the Blood Bank by calling the Center TU 1-7511 and Youth Council and Junior Red Cross Girls act as baby sitters if mothers wish to donate.

All adults up to 60 can donate unless they have had malaria, hepatitis or are in advance pregnancy. Teens can also give with parents permission. Blood donation hurts no one and often saves lives.

Instructional Material Centers Offer Youngsters More Than Old Libraries

Elementary Resource Teacher In Charge Of Program; Auxiliary Gym Converted For Study And Research Use At Trombly School

By Pepper Whitelaw
IMC is run by an ERT... sound like some kind of coding system? Well, it isn't! IMC stands for Instructional Material Center and an ERT is an elementary resource teacher in charge.

Most of our public elementary schools have turned to this new approach to the school library. In days past, oftentimes the library was a cold, silent, bare-floored room, stocked with books that were catalogued so that the immature mind had difficulty locating material. Today the IMC's are quiet places for study and research, in part brought about by the national interest in audio-visual education. IMC's provide a pleasant functional facility.

The books are arranged so that the youngsters have no difficulty locating the material they want. For example, at Trombly School their new IMC is called the Library Center. Here the books are arranged A. (the easy picture books), to F. (more difficult fiction), and on up. They are placed so the children can reach the shelves with ease.

Another New Feature
Another feature of the IMC's are "carrels" which are booths that are used for quiet study, perusing film strips or listening to tapes. In other words, the library has become a research, information, seeing and listening center all rolled into one. The physical aspects of the

center are handled much in the same manner throughout the elementary schools.

At Trombly, with the able guidance of principal, Frank J. Welzenbach, Ted Jacobs (former resource teacher) and Tom La Jolie, superintendent of building and grounds, plans were laid for the conversion of an auxiliary gym into the beautiful center it is today. The entire decor is conducive to study. It has olive carpeting, pastel walls and recessed ceiling lighting. The windows are covered with filmy white draperies and in the far corners of the room are a sorghum and grapefruit tree.

Lonesome Pooch, Owner Reunited

"Orphan," whose picture appeared in last week's NEWS, is home again... reunited with his master... Al Agbay of Somerset avenue, Detroit. It's a toss-up as to who is more delighted in the reunion.

Mr. Agbay explained that "Orphan," whose real name is "Scuffy," was put out to play in the fenced-in yard and apparently climbed the fence, hoping to take a short walk. Unfortunately he couldn't find his way back to his owner. Fortunately Marie Chalmers, a dog lover from way back took Scuffy under her tender loving care and came to the NEWS with her story.

Mr. Agbay had just about given up hope of ever recovering "Scuffy," (he had driven over 40 miles in search of him) when he happened upon his pet's picture on the front page of the NEWS.

Incumbents Top Primary In GP Park

Mayor And Three Councilmen Face Opposition In April 3 Election; Only 1,704 Persons Voted

Incumbent candidates for city offices in the Park led in the primary election on Monday, February 20, with the mayor receiving the largest number of votes, according to an official count released by City Clerk Charles Heise. A total of 1,704 persons, out of approximately 9,000 qualified electors, went to the polls.

Mayor Matthew Patterson, who seeks re-election, will face William R. Filbin at the regular election on April 3. Patterson received 1,201 votes, and Filbin, 336.

Defeated in his bid to become a candidate for the number one spot, was Theodore F. Feldman, who polled 117 votes.

In the councilmanic race, Bruno Domzalski lost out as a candidate. Only 221 ballots were cast in his favor.

Leading the primary were Robert J. Hutton, with 1,061; Charles W. Bowerman, with 1,023; and William R. Luedders, with 993 votes. Hutton and Bowerman were appointed to the council to fill vacancies, and are seeking election in their own right. Luedders is asking a return to a second term.

Challenging the incumbents for their seats, are Paul C. Gracey, who polled 512 votes; John Frederick Polvin, who received 387 votes; and Donald P. O'Keefe, who trailed with 385 votes.

The mayor is elected for a two-year tenure, and councilmen, for four years. They all serve without pay.

Reports Hitting Boy on Bicycle

Philip Culmore of 5795 Guilford, Detroit, reported to City Police on Monday, February 13, that he hit a boy on a bicycle on Charlevoix.

He said he had stopped for the stop sign, then proceeded forward, when a boy about 14 years old, on a bicycle, came out of nowhere and Culmore's car hit him.

He approached the boy and suggested they go to Bon Secours Hospital to check the young's condition but the lad jumped on his bicycle and drove off, apparently uninjured.

GP Woods Holdup Suspect Found Dead in Mass. Hotel

Woods police closed the case of the July 27, 1966 holdup of the Nightingale Cocktail Lounge, 20791 Mack avenue, when official word was received that a second suspect sought for investigation in the crime had died in a Malden, Mass., hotel.

The suspect, Mahlon Cornwall, wanted on a Federal warrant for unlawful flight to avoid prosecution, and a Woods warrant, for armed robbery, was registered at the hotel under the name of Frank Gianfermi, according to information received from Malden police, Kensora said.

Malden authorities found papers on the body that identified the dead man as Cornwall, and a check by Detroit police and the Federal Bureau of Investigation, of fingerprints (Continued on Page 4)

questioning Demings about the men who gave him a ride. Van Tiem and Miller said that Demings told them he had never met the pair who had given him the ride, before, but he would recognize them if he should see them again. He said he was not forced into the car, nor did the men display weapons of any kind. Unable to establish the identity of the frozen man when he was first found, the detectives traced down possible persons who might be able to identify Demings, and one of the persons contacted, it turned out, was his aunt, Mrs. Cleveland Thomas, of the Monterey address. The aunt came to the hospital to see her nephew, and gave his name and address to the detectives. At the time Demings was admitted, doctors were not sure if it would be necessary to amputate his arms or legs because of the condition of the flesh of these limbs. The Farms detectives said that at the last report, so far such an operation is not necessary, but at the worst, Demings might lose a few fingers, and even this, doctors are hopeful might not take place. The man's arms and legs are encased in heavy bandages, and he is as comfortable as conditions permit, the officers added.

Zoning Law

(Continued from Page 1)

suggestion of the amendment approach only means more delay than if we had proceeded in the manner in which we recommended." Mayor's Opinion Mayor David Burgess made the following statement for the City: "The zoning ordinance which was passed by the City Council on Monday, February 20, is a significant forward step in city planning. It comes after several years of study which culminated in a Public Hearing held on February 6. Following the Public Hearing the next logical step was the formal adoption of the ordinance by the Council which was accomplished at the regular meeting held Monday." Representatives of the hospital requested that final action be deferred for two weeks to permit discussions with representatives of the city in an effort to develop language acceptable both to the hospital and to the city. Hospital representatives likewise presented proposed language to be incorporated into the ordinance which had been studied by Dean Charles H. King, counsel for the City in the hospital litigation.

"King advised the City against the adoption of the proposed changes. The Council therefore declined to grant the delay requested pointing out that whatever terms might be agreed upon would involve a substantial change in the ordinance. This in turn would require another Public Hearing and result in many weeks of delay in the adoption of the entire zoning ordinance.

Suggests Other Way

"Representatives of the hospital were advised that it would be much simpler and more desirable from the standpoint of both the City and the hospital to undertake the suggested discussion after the adoption of the ordinance with the objective of amending it. It was pointed out that the ordinance was subject to amendment immediately upon adoption and that the City was receptive to the receipt of a petition from hospital representatives and would enter into discussions with them as soon as they desired to do so."

Another aspect of the zoning ordinance was touched on with the interchange between Council members and John H. Brennan. Mr. Brennan, who represents an heir of the old Bartlett estate, objected to the rezoning of the area from Jefferson to St. Clair as a single family residence instead of the old classification of terrace apartments. The Council felt that the rezoning suited the present nature of the area since single family dwellings were predominant. The Council stressed that they were interested in maintaining the present atmosphere of the area which was one of the single family dwellings.

The new zoning ordinance will become effective 10 days after publication.

DBE Chapter Elects Officers

The Daughters of the British Empire in Michigan, St. Lawrence Seaway Chapter, have elected Mrs. Fred M. Cousins regent, Mrs. Clifford Cardwell first vice-regent, and Lady Anna Easton second vice-regent for the current year.

Other officers are Mrs. Robert McBride, recording secretary; Mrs. Brandon Rogers, corresponding secretary; Mrs. Jerry Bresser, treasurer; Mrs. Ronald V. Juchau, wife of the new British Consul, historian; and Mrs. Eric Melmer, delegate to the State Board.

The Chapter's first 1967 activity will be a card party at Hospitality House, Kercheval avenue in "the Village," tomorrow, Friday, February 24. Hostesses will be the Mesdames Harry Breitenbach, Clifford Cardwell and Al Menninger.

Mrs. Brandon Rogers opened her Moran road home February 20 for a members' meeting.

WOMAN HURT IN FALL
George Sassin of the Kroger store, 16919 Kercheval, called the City Police on Saturday, February 18, to report that a woman had fallen down in the alley at the rear of the store. Virgil G. Beaupre and Sgt. Foster Mauck of the City Police took Henrietta Howell of 1437 Yorkshire road to Bon Secours Hospital for an injured right arm. She was released after treatment.

phone number, the detective said, but what was written down was obviously fictitious. As the three walked toward the kitchen, the older people noticed that the glass of the rear door was broken, and asked the young man if he had seen this when he entered the house. To this, the answer was, "Why, no, I did not."

The friends of the Tanners informed the youth that they will have to call police to investigate, whereupon, the young man headed for the rear door.

his IMC which will be created during the spring vacation. At that time carpeting will be laid and the book shelves will be relocated providing more floor space. They too will have "carrels" for individual use.

Mr. Rohrer feels that IMC is "one of the strongest features in the elementary school level of the Pointe system." He pointed out that only 20 percent of the elementary schools in the United States have libraries and of these only a small percentage have initiated the IMC program. He emphasized the importance of the ERT and explained how an ERT can give the teacher more time to teach by getting the enrichment material she needs through an ERT. At Maire, as at Trombly, George Goodwin is the ERT and his contribution to this program has been one of the factors that have made IMC so successful at both schools.

Program at Defer

In Defer's IMC we happened upon a program in progress of the Midwestern Program for Airborne Television. This type of programming for young students was instituted by the Ford Foundation in an effort to improve education at the elementary school level. This is but another use for the IMC.

Defer too has made some physical changes in what was their old library. They purchased new furniture, replaced the old shelves with new and added handsome brown tweed carpeting. Jesse Lowther, Defer's principal, said that he was delighted with the success of IMC in his school and was especially fortunate in having so capable an ERT as Mrs. Mary Jo Dillman.

Trombly, Maire and Defer are just three examples of the IMC's throughout our elementary schools. IMC... another step forward in The Pointe's educational system.

If you thought Pontiac was coming out with just another sports car, you don't know Pontiac!

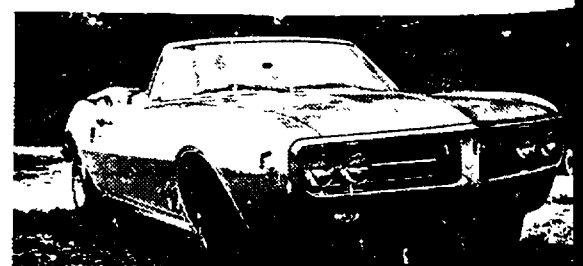

Pontiac announces not one, two, three or four, but five magnificent new Firebirds for every kind of driver.

Now you can choose from five new Firebirds with the same advanced Pontiac styling, but with five entirely different driving personalities. And they all come with supple expanded vinyl interiors, wood grain styled dash, exclusive space-saver collapsible spare, bucket seats and wide-oval tires.

Firebird HO. HO stands for High Output. As a split second behind the wheel will attest to. The Firebird HO boasts a 285-hp V-8 with a four-barrel carburetor, dual exhausts and sport striping. Standard stick is a column-mounted three-speed. Naturally, all Firebird options are available.

Firebird 400. Coiled under those dual scoops is a 400-hp V-8 that shrugs off 325 hp. It's connected to a heavy-duty three-speed. On special suspension with redline wide-oval tires. This could be called the ultimate in grand touring. After this, there isn't any more.

Firebird Sprint. Now you don't have to go to Europe for a sophisticated road machine. This is the 215-hp version of our eager Overhead Cam Six. It's mounted on special suspension that practically welds it to the road. (Any road!) With a floor-mounted all-synchro 3 speed.

Firebird 326. Is there room for a family in a sports car? There is now. The excitement of a sports car with the practicality of a 326 cubic inch V-8 that delivers 250 hp on regular gas. Standard transmission is an all-synchro three-speed, but you can order an automatic.

Firebird. This is our economy Firebird—with the same exciting options and interiors as the more exotic ones. It's Overhead Cam Six squeezes 165 hp from regular for inexpensive fun driving. See them all at your Pontiac dealer's.

The magnificent Five are here!

Success is an essential that people find they cannot do without or within. Say nothing if you've nothing to say—fast-thinkers are more successful than fast-talkers.

Six Cases Heard In City Court

The City Municipal Court convened on Tuesday, February 14, with Judge Douglas E. Paterson presiding. The following cases were heard:

Michael Burkard, 6860 Plainfield, Dearborn Heights, was charged with driving while his license was suspended. He pled guilty and a pre-sentence report was ordered. He was found guilty and fined \$75 or 30 days plus two days in the Municipal Jail and one year probation. He also must attend four sessions in drivers safety school. He is permitted to drive to school and work. He has a curfew of 11:30 p.m.

Charles Angell, 780 Neff road, was charged with reckless driving. He pled not guilty. The case was dismissed due to no eye witnesses.

Philip Forgerty, 21700 Sunnysdale, St. Clair Shores, was charged with reckless driving. He pled not guilty and was found not guilty and his case was dismissed.

Thomas Hada, 1550 Oxford road, was charged with reckless driving resulting in an accident involving a pedestrian. He pled not guilty and was found guilty of careless driving and fined \$15., with three months probation and four sessions at drivers safety school.

Hada was also charged with driving on an expired license. He pled guilty and was found guilty and fined \$10.

Margery Scott, 17525 Maumee avenue, was charged with reckless driving resulting in an accident. She pled guilty and was found guilty of the reduced charge of driving without due care and caution and fined \$25.

Richard Waddell, 381 Rivard boulevard, was charged with reckless driving resulting in an accident. He stood mute and was found not guilty. His case was dismissed due to no eye witnesses.

John S. Pingel, 582 Peach Tree lane, president of Ross Roy, Inc., was the recipient of one of Scouting's most distinguished honors, the Silver Beaver Award, before a crowd of nearly 6,500 persons attending the 1967 Scoutleaders Potluck Dinner at Cobo Hall, Saturday evening, February 11.

Presented in recognition of outstanding service given on behalf of youth, the award is the highest that can be bestowed on a volunteer leader by the local Scout council. Only one leader in a thousand receives such recognition.

Pingel, who is active in many community, business and fraternal organizations, received the Boy Scout's Silver Beaver Award from Detroit Area Council president, Wallace E. Wilson.

Pingel is a member of the Economic Club of Detroit, a Director of the Detroit Athletic Club, and was regional chairman of Michigan Week in 1964. He currently serves as chairman of the Organization and Extension Committee of the local Scout council, giving leadership to the growth of Scouting throughout the area of Wayne County and the southern portions of Oakland and Macomb Counties.

Half-way measures are adequate only if you double the dose prescribed.

Family Movies Set for Mar. 3

The sixth program of the 1966-1967 Family Film Night Series will be presented Friday, March 3, at 6:30 and 7:30 p.m. in the Central Library Exhibition Room.

Family Film nights are always held on the first Friday night in each month, October through April. Families are urged to attend these showings as a group. Each program has been designed to include something of interest and enrichment for boys and girls as well as adults.

The program for March 3, follows: **RAPUNZEL** — Timeless in its appeal, this is the Grimm's story of Rapunzel of the golden tresses, imprisoned in a tower by a wicked old witch — 11 minutes, color.

ADVENTURES OF A CHIPMUNK FAMILY — How chipmunks live throughout the year. Shows baby chipmunks at the age of three weeks in their underground den — 11 minutes, color.

MAN IN FLIGHT — Brief history of the development of aviation and the men responsible for it, from kites and balloons to today's rocket age. Early attempts in China, Italy, France and England; the Wright brothers; European flights; transcontinental flights; the airplane in war; postwar development; commercial aviation, and the future of flight. **DISNEY** — 27 minutes, color.

The next offering of the Friends Film Forum on March 17, will include two very fine and unusual films: The story of Chinese Art and Picasso. They will be shown at 9:15 p.m. in the Main Reading Room of the Central Library and the public is invited.

The Audio-Visual Department would like to remind you again of its 8MM film collection. Three that have been very well received are "The Music Box," a Laurel and Hardy; "The Pawn Shop," a Charlie Chaplin classic; and Jack Dempsey's greatest fights. All 8MM films are on display with the records in the main reading room. Look them over the next time you are in the Library.

City Approves Tree Program

The City Council voted to accept the recommendations of City Manager, Tom Kressbach regarding an extensive tree trimming program on trees located on city-owned property, at the meeting on Monday, February 20.

It has been several years since the City has carried out an extensive program of this nature. A large portion of the trees in this area contain substantial dead wood. This not only constitutes a potential hazard, but serves as a breeding place for Dutch elm beetles.

This new program calls for trimming 328 trees at an estimated direct cost of \$3,608. The entire City was surveyed in an attempt to select blocks where trimming needs were considered most critical, and the following areas were selected: Rivard, Kercheval to Mack; Charlevoix, University to Washington; Cranford Lane, Notre Dame to Cadieux and Washington, Kercheval to Goethe.

This trimming program will consist of elevating and thinning all trees where necessary and removing all dead wood 3/4 inch in diameter and larger. Since the trees should be trimmed during the dormant season, the work will be started as soon as the present tree storm damage has been cleaned up.

Trombly P.T.A. Meets Feb. 27

"How Do You Know Who You Are? The Development of the Child's Self Image" is the timely and significant topic Dr. Douglas Sargent will explore with the Trombly P.T.A. on Monday, February 27, at 8:15 p.m.

A clinical professor of psychiatry and a research associate, Dr. Sargent is eminently identified with the nature of the child's learning and is renowned for his lively presentations.

Parents are cordially welcome to visit in the classrooms and to talk with the teachers prior to the general meeting. Refreshments will be served in the gymnasium following the auditorium program. The informal social hour is hosted by Mrs. George Gray and Mrs. J. Lee Schoenith together with Room Mothers Mrs. John Fleck, Mrs. Robert Stone and Mrs. George Roumell.

Little trouble will come to the man who lives on the theory— "When in doubt, don't."

Pointe Drivers Taken Off Road
 The operator's licenses of two Pointe motorists were revoked by the Secretary of State's Office in Lansing, one because of drunk driving and the other because of an unsatisfied judgment.
 According to a weekly report submitted by Secretary of State James M. Hare, and dated February 3, taken off the road were Joseph M. McElligot of 655 Hampton, who lost his license because of drunk driving; and Elba A. Scott, Jr., of 17000 East Jefferson, for the unsatisfied judgment. They are forbidden to drive until they comply with the State's Financial Responsibility Law.
 McElligot's license was revoked on December 27, and Scott's, on January 23, it was disclosed.
 Hare's statement revealed that during the week the report was printed, the drivers' licenses of 614 Michigan motorists were suspended and those of 102 were revoked.

Pointers To Be Luncheon Hosts
 Three Grosse Pointers, William M. Day, Robert M. Surdam and H. T. Johnstone, will be hosts at a luncheon March 2 at Merrill-Palmer Institute when representatives of business and industry hear how findings of unique research carried on at Merrill-Palmer can be applied to their personnel problems.
 Dr. Irving Sigel, chairman of research, will relate his findings on what psychological tests show, what they mean, and what are some of their shortcomings.
 Chief personnel officers of 26 companies have been invited to the luncheon by the Merrill-Palmer committee on business and industry.
 "The problems of employing, training and motivating people are among the major problems that business faces today," Mr. Day says, "and research done at Merrill-Palmer has direct application to some of these personnel problems."
 "Merrill-Palmer's staff is composed of internationally renowned experts in the study of people, their families, and their problems," he explains, "and the findings of their studies are thoroughly tested by applying them to real life problems and by working directly with people in their normal surroundings."
 Members of the business and industry committee also helping to plan the luncheon are Edwin O. George, president, Detroit Edison Co., and Abraham Borman, chairman, executive committee, Borman Food Stores, Inc.

Toby David Gets State Fair Post
 The Michigan State Fair Authority has approved a contract with Toby David of Grosse Pointe Woods to be its planning coordinator—a new position created by the Michigan Department of Agriculture to facilitate development of the Detroit fairgrounds for greater year-round use.
 David, former radio and television star who was chairman of the Michigan State Fair Authority in 1963, will assume his duties March 1 at \$18,000 per year.
 The announcement was made by Delmont L. Chapman of South Rockwood, acting Authority chairman in the absence of Chairman William L. Brittain of Williamston who is in Japan on business.
 Chapman, vice-chairman of the Authority and also chairman of its salary and personnel committee, said David will become liaison officer with the Michigan Department of Agriculture, the State Fair Authority, the State Fair Development Committee, and State Fair management.
 He said David's immediate assignment is to rush to completion the State Fair's new administrative building and to carry forward the Authority's plans for a sports stadium and an automotive exhibits center.
 For a number of years the Authority's future building program has been the concern of a development committee of non-salaried members of the Authority headed by Chairman Alfred R. Glancy, Jr., of Lake Shore road.
 Glancy welcomed the move to assist his committee stating that David's appointment is the most important single step that has been taken to bring the Authority's plans to fruition.
 "David has extensive business administrative experience as well as a record of success in the entertainment world and he has boundless energy to carry forth," Glancy said. "Our committee's work has been running behind schedule because of the lack of just such a person of management level to coordinate our activities."
 Chapman, who has been a livestock exhibitor at the State Fair since 1924 and a long-time member of the Fair's governing body from 1945 to 1949 and more recently since 1964 was most enthusiastic about the new appointment.
 "For years I've heard about State Fair development—plenty of talk but no program," he said. "Now we have the program and someone to carry it out. I personally am pleased that we will have a

full-time individual to further the development of the fairgrounds in Detroit which is the perfect location and acreage for such development."
 David resigned as a member of the State Fair Authority in 1964. He became administrative assistant in the State's Department of Licensing and Regulation, a position he now holds.
 Under the State's new constitution, the Michigan State Fair Authority operates as a division of the Department of Agriculture whose previous approval of the new position of State Fair planning coordinator was mandatory.

Last night Harold Bender awoke with the startling realization that he owed the government \$1500.

Then he remembered he had Ready Money.

Harold is in business for himself and has to estimate his income and prepay his taxes. The trouble is, his income doesn't come in on a regular monthly basis, and at the end of the year he owed more than he had estimated.
 That's why he's glad he opened a Ready Money account.
 Ready Money is a personal line of credit, an account with anywhere from \$400 to \$4000 in it, earmarked for you. It's yours to use as you wish: for major expenditures, insurance premiums, taxes, home emergencies, unexpected purchases, almost anything. And it costs you nothing until you use it. If something does come up and you write a Ready Money check, you pay the amount back in small budget-size monthly installments. Ready Money is less expensive than many other forms of credit. And as you repay the amount you've spent, your account builds up again, so you can use it over and over. The checks, by the way, are free. And they're good anywhere.
 Have you ever had a major expenditure like Harold Bender's staring you in the face? He paid his today.

Lawrence Tech Honors Bregi

Ben F. Bregi, president of National Broach & Machine Company, has been named to the Lawrence Institute of Technology Board of Trustees, it was announced by Dr. Wayne H. Buell, LIT president.

He becomes the ninth member of the Board in control of the college at Southwestern and Ten Mile in Northfield.

Bregi, a Grosse Pointe Shores resident, is one of Lawrence Tech's most distinguished alumni. He was graduated in 1937 with a bachelor's degree in mechanical engineering and received the college's first Alumni Achievement Award in 1952.

After joining National in 1933, Bregi rose through various engineering and administrative positions and was named president last year. The firm is the world's largest manufacturer of gear shaving and honing machines, with design and manufacturing facilities in Detroit and Coventry, England.

Bregi's executive ability and talent as an inventor helped National's rise to world prominence. He is also a prolific writer and lecturer in his field.

The new trustee is a member of many professional societies and has received the Gold Medal of the American Society of Tool and Manufacturing Engineers.

Bregi is a 32nd degree Mason and a member of St. Paul's Lutheran Church, the Lochmoor Country Club, and the Hidden Valley Club. The Bregis live at 78 Fordcroft road. They have two grown children.

Park Policeman Wins Promotion

Patrolman James LaPratt, who has been assigned to plainclothes duty with the Park Detective Bureau since August 1, 1961, has been recommended for promotion to the permanent rank of detective, it was disclosed by Police Chief Arthur Louwers. He has been with the force since August 6, 1956.

The appointment, approved by City Manager Robert Slone, will become official on Sunday, February 28, the chief said. The salary for this rank is equivalent to that of a uniform corporal, it was stated.

LaPratt placed first in competitive written and oral examinations given under the auspices of the Michigan Municipal League, for the post.

Chief Louwers disclosed that up to January 1, 1966, at which time the practice was discontinued, LaPratt had received 18 departmental commendations for excellent police work.

The detective has received major training in criminal investigation, criminal law, fingerprint identification and homicide investigation.

He is married to the former Mary Ann Walter of Detroit. They are the parents of six children.

PTA at Kerby Meets Feb. 27

The Kerby Parent-Teacher Association will hold its third meeting of the school year on Monday evening, February 27. All classrooms will be open for parent-teacher visitation between 7:30 and 8 o'clock.

Following the room visitation period, the parents and teachers will assemble in the gymnasium for an address by Dr. J. Clayton Lafferty, psychological consultant to the Wayne County Board of Education. His topic will be "Motivation For Achievement."

The general meeting will be followed by a social hour for parents and teachers in the gymnasium. Mrs. Don Kelly and Mrs. James Teetzel, social committee co-chairmen, have appointed Mrs. Gerald Mahoney to prepare the table arrangements.

Refreshments will be served by Mrs. Carlheinz Bothe, Mrs. Howard Fellows, Mrs. Irene Kollogg, Mrs. Ralph Simonds, Mrs. Roger Burnham, Mrs. Joseph Kinney, Mrs. Fred Kreiger and Mrs. Samuel Laux.

Austin Players Slate Comedy

The Austin Players will present the second production of their ninth season Saturday, February 25, and Sunday, February 26. The comedy with musical arrangements is "Tom Jones, A Story of a Foundling."

The play will be staged at Pierce Junior High School, Kercheval avenue at Balfour road, with Saturday performances at 2 and at 8 o'clock. The Sunday performance is at 8 only.

Tickets are available at the door for \$1. Tickets may also be purchased from any of the 70 members of the cast.

The cast is made up of 40 men from Austin and 30 young ladies from Our Lady Star of the Sea High School.

Seven Officers Awarded Promotions in Woods, Park

Woods Director of Public Safety Allen Andrews and Park Fire Chief William Graul announced recent promotions in their respective departments.

Andrews disclosed the elevation of a sergeant to the rank of lieutenant, and the creation of the post of corporal, and the promotion of three uniform patrolmen to that rating.

Graul announced the promotion of a sergeant to Lieutenant, to fill a vacancy caused by death, a corporal to fill the sergeant post, and the raising of a pipeman to corporal.

According to an official release from Andrews, Public Safety Sgt. Allan Selby was made public safety lieutenant, and placed in command of the department's second platoon, replacing Lt. Henry Marchand, who has been assigned to head the Detective Bureau.

Selby was appointed a public safety officer on July 1, 1951, and was made a sergeant on February 19, 1962.

Promoted from public safety officers to corporals, were: Jackson Patterson, who has been with the force since April 1, 1956; Bernard Kelly, who joined the department on September 1, 1959; and Donald Collins, who was appointed on September 20, 1952.

All promotions became effective on Wednesday, February 15, the director said, following approval by City Manager Chester Petersen.

The Woods Department of Public Safety is an integrated police and fire department, wherein members of the force are both policemen and firemen.

In the Park Fire Department, which is not integrated, Chief Graul announced the promotion of Sgt. Philip Costa to the rank of lieutenant, filling a vacancy caused by the death, last year, of Lt. James Sullivan.

Costa was appointed to the department on April 3, 1949, and became a sergeant on May 1, 1963.

Blue Devil Cagers Beaten By Wyandotte Bears, 72-63

By Dale Eichbauer

The Devils played a fine basketball game last Friday night but were unable to come up with a victory as they lost to the Wyandotte Bears, 72-63. Wyandotte, playing its final game at home, assured itself of at least part of the BCL crown with this victory.

The Devils got off to a fast start and by the end of the first period led the Bears 18-14. Moore had eight and Ferman had six for the Devils.

In the second period the roles were reversed as the Bears outscored the Devils 24-16 and took a 38-34 halftime lead. O'Donnell and Moore each had five for the Devils.

Coming back for the third period, the teams were evenly matched as the Devils were outscored by only one point, 16-15, and at the end of the third period trailed 54-49. Moore

led the Devils in the period with six.

In the final period it appeared as if the Devils could catch the Bears, but they were never able to outscore the Bears for any length of time.

A final surge by the Bears near the end of the game put the lead out of reach for the Devils.

As the final buzzer sounded, they trailed the Bears 72-63. Moore led the Devils in the period with eight and in game totals with 27, followed by Ferman with 14.

Laker Mermaids Again Victorious

By Elaine Quinn

St. Paul's Mermaids perked up for their second victory in a row as they defeated Bishop Gallagher at Harper Woods High School last Thursday with the final score standing at 52-34.

The medley relay made up of Chris Batchelor, Betsy Cerre, Brenda Stout, and Elaine Quinn started things off right by giving St. Paul an early 8-0 lead.

In the 50-yard freestyle it was Lynn Duffield coming in first with Kathy Thomas getting the third place spot. Ann Farnam and Betsy Cerre finished 2-3 in the 50-yard butterfly.

Ann Cottrell and Sue Simon gave strong performances in the diving, finishing 1-3.

The 100-yard individual medley was a close race as Lynn Duffield was touched out for first, but finished a strong second with Kathy Wahlstrom coming in third.

In the next two events St. Paul turned in slams to assure the Mermaids a victory. Chris

Batchelor and Brenda Stout finished 1-2 in the 50-yard breaststroke and in the 100-yard freestyle Elaine Quinn finished first and Barb Eldredge came in second.

Lakers Defeated In City Tourney

By Dave Fromm

For its ninth consecutive year, the Laker varsity basketball squad participated in the annual city tournament at the University of Detroit, a feat unparalleled in league history.

One of the components leading up to this great accomplishment was the Lakers' first defeat of the season against St. Clement Crusaders on January 31. However, as Coach Lauer put it, "... Every team has its downs; we'd had ours and now it's all over with."

The team bounced back the following Friday to down arch-rival St. Thomas in a heart-stopping spectacle, 50-47. Led by Jeff Ploen's 17 counters, the Lakers played solid defensive ball, holding the usually high scoring Bluebreaks to 13 points in the first half.

An easy victory over St. Florian on February 3 served only as encouragement to the Lakers in their bout against the Eagles of Visitation, A-West divisional champions, at U of D on Sunday.

With little hope of victory, the Lakers were not about to let the Eagles win easily. Held to only a 10 point deficit in the first quarter and 9 at half time, St. Paul rallied in the fourth period, limiting Visitation to only a 7 point marginal victory of 65-58.

Undaunted by its second defeat of the season, the varsity anxiously awaits the district playoffs with the intention of a state championship for St. Paul. In the meantime, the team has its A-East Divisional trophy to gloat over.

Certainly most of the credit for the Lakers' commendable success this year lies in the proficient coaching and management of Edward Lauer (the Old Gray Fox), now in his 29th year of devotion to St. Paul.

Babe Ruth Loop Set to Register

The Babe Ruth League will hold its player registration on Monday, March 6, at 7:30 p.m. at Grosse Pointe High School. All 13, 14, and 15-year-olds who expect to play baseball in the League this year are requested to be at this meeting. Each boy should have his birth certificate with him and also have one parent present to sign necessary forms.

Ernie Bauer will show films and have some helpful hints for the players.

Indian Guides Plan Workshop

The Hannan YMCA Grosse Pointe Indian Guides will host the 1967 District Workshop at the Grosse Pointe Congregational Church, Monday, February 27, at 7:30 p.m.

Bill Queen, Assistant Longhouse Chief, is the general chairman. Other assistant chiefs participating in the program are Fred Altman, Lee Kitchen, Bob Elvidge and the Milk River, Mohawk and Ottawa. Other federations participating are Dearborn, Livonia, Farmington, Royal Oak, South Macomb, Wyandotte and Birmingham.

All Grosse Pointe Indian Guide farmers should register with Bill Queen. Jack Westphal is the Hannan YMCA Grosse Pointe Longhouse Chief.

Little Leaguers Must Register

Registration for Grosse Pointe Farms Little League Baseball for boys 8 through 12 years will be held March 7 and March 8 from 7 p.m. to 9 p.m. at Brownell Junior High School.

All boys in this age group are urged to register and participate in this activity. Additional information regarding Farms Little League Baseball will be available shortly at the various schools located in the Farms.

City Increasing Boat Well Fees

The City Council, at its meeting on Monday, February 20, approved the revision of present fees charged for boat wells at the Neff Park Marina.

The revision was needed because the present fees did not produce adequate revenue to carry out a satisfactory maintenance program and support a reasonable portion of the marina's operating costs.

The additional funds were also necessary in order to replace pilings, just to keep the marina safe and usable, and if any other improvements, many of which were requested by boat owners, were to be made.

It was felt that the marina should be self-supporting in terms of annual operating and maintenance costs should support a satisfactory level of repair and maintenance of the marina at all times, and that the fees should also support a gradual improvement program on a pay-as-you-go basis.

It was emphasized that the present boat fees were low as compared to surrounding marinas. In the past the dockage fee for a 20-foot boat in the City would cost \$44; under the new increase it will cost \$70. However, for the same size boat in some of the surrounding marinas, the rates are as much as \$30 to \$80 higher than the City's new increase.

St. Paul Tankers Score Victory

By Tom Teetaert

Led mainly by sophomores, the St. Paul Tankers posted an easy 63-37 victory over Sacred Heart of Dearborn recently. The squad slammed eight firsts and six seconds for a fine team victory. Outstanding sophomore performances by Bob Hurley, Jim Webb, Pete Peacock, Bob Doman, and Bob Urtel greatly contributed to the success of the meet.

In the first event, a combination of Bob Hurley, Fritz Kramer, Bob Doman, and Geoff Browning placed the Tankers on top, 8-0, by taking the 200-yard medley relay. Senior Marty Thomas placed first in the 200-yard freestyle to give the team an 11 point marginal lead over its opponent.

In the 50-yard freestyle event, Pat Murphy nailed down the number one position while Geoff Browning placed second. Co-captain Mark Nowicki supplied a second in the 200-yard individual medley as the Tankers progressed to a 25-10 lead.

Tom Meier and Pete Peacock teamed up for a 1-2 combination in the 100-yard freestyle, while Bob Hurley placed first in the 100-yard backstroke. Junior Dave Fromm swam a fine 400-yard freestyle for a first, placing him closer to the school record. Holding down the first and second spots in the 100-yard breaststroke event, Fritz Kramer and Jim Webb brought the score to 58-33.

St. Paul's 400-yard freestyle relay team, composed of Tom Meier, Pete Peacock, Marty Thomas and Mark Nowicki easily outdid Sacred Heart's combination as it bettered the standing school record by two seconds.

The Tankers' state now stands at three victories and two defeats. Coach Tom Teetaert was looking for an all-out effort against Detroit Cathedral at Brownell Junior High on February 22, at 5:30 p.m. Cathedral leads the division.

Little League Season Nears

By Cindy Tew

With spring only 26 days away, it's time to start thinking about the many pleasures spring brings. There's green grass and the Easter Bunny and a new Little League Baseball season.

Now is the time to start planning if you, or someone you know, wants to register for one of the Grosse Pointe Woods-Shores teams. Start looking for your birth certificate and \$5.

On Wednesday, March 8, the potential little leaguer and a parent should bring the two above mentioned items and go to Ferry School, located at Roslyn and Morningside, any time between 6 and 9 p.m. to register.

Now, from American Motors, the car that wasn't there.

This may well be the most important news to come out of Detroit this year.

A major gap has developed in today's automobile market—a gap that no American-built car is filling.

Because this gap exists, over 1,000,000 car buyers a year have not been able to get the car they wanted: a car for the American motorist at a list price competitive to foreign imports.

Today, American Motors' new management and nearly 2,500 American Motors/Rambler Dealers are filling that gap.

As of today, we are limiting future changes in our Rambler American line to essential changes that will further enhance the safety and reliability of these cars.

This will save us millions of dollars—and we and our dealers are passing the savings along to you now. This means that the Rambler American 220 two-door sedan that yesterday listed at \$2,073 now lists at \$1,839! It means that today, your American Motors/Rambler Dealer has put new price stickers on all nine Rambler American models.

For years, Rambler American has been the best value in an American automobile. Today, priced competitive to imported cars, it is the best automobile value in the world.

This week on television, we promised you exciting news from American Motors.

This is only the beginning.

St. James Church Holding Seminar

Origin of the universe, life, and man will be one of the controversial points to be covered in the topic of "A Christian Interpretation of Time, Life and Man" in the second of a series of Sunday seminars at St. James Lutheran Church of Grosse Pointe, McMillan and Kercheval.

Scheduled for February 26 at 3 p.m. in the Green Room of the church, the community is invited to hear the speaker, Rev. Harold F. Roellig of New York, and to participate in an open discussion afterwards.

Paleontology, the science of the study of life of past geological periods — particularly as studied through the fossil, will be given Christian implications by the well-qualified Rev. Roellig, who is in final preparations of obtaining a doctorate in Paleontology from Columbia University. He is presently the campus chaplain for four universities in the metropolitan New York area.

Under discussion also will be a survey of the creative acts of God in history, an account of the origin of religion, and the direct relationship between God and man as it is experienced in the Judeo-Christian tradition.

This seminar is an effort to present the meaning of the Christian Gospel in the setting of the modern, scientific world view, and promises to be especially pertinent and meaningful to high school youth.

A question and answer period will be followed by a coffee hour. Further information may be obtained by calling the church office, TU 4-0511.

OKAY FOR BUSINESS

At its regular meeting held on Monday, February 20, the Farms council approved the renewal of the liquor license and dance permit of the Country Club of Detroit for the year 1967. It was pointed out that the license is issued by the State with the consent of the council.

Guest Speaker At Memorial

Former Pointer of Interest, The Rev. Perry Thomas will be the guest speaker at the fourth Lenten program at the Grosse Pointe Memorial Church, Wednesday evening at eight o'clock. Mr. Thomas will present "Leisure and the Arts."

Rev. Perry A. Thomas was born in Pontiac, Mich., May 29, 1925 and educated in the Pontiac schools. He attended Asbury College at Wilmore, Kentucky receiving a Bachelor of Arts degree in 1949. He did graduate study at the University of Chicago in the Division of Humanities. Then he attended Graduate School of Theology at Oberlin College, Oberlin Ohio receiving the Bachelor of Divinity degree in 1954. He is a member of the Detroit Annual Conference of the Methodist Church. He has pastored the Commerce Methodist Church, Mich., and the Asbury Methodist Church in Flint, Mich.

Mr. Thomas is married and has five sons. A family interest is camping. The Thomas family has camped all over the United States and in Europe. He is interested in the arts, being a sculptor. He has entered a number of pieces in the local Flint Artist Show.

In the summer of 1964 Rev. and Mrs. Thomas were selected to exchange with a British Methodist Minister. They took their family and after the five weeks spent in England, camped one week in England and four weeks on the continent. They visited many of the art centers of England and Europe. They enjoyed especially the ancient city of Florence and the city of Rome.

Mr. Thomas has been active in the arts doing sculpture. He had a show in Flint at The Left Bank Gallery in May of 1966. The show was very favorably received and was given an enthusiastic review by the art editor of the Flint Journal. He has been interested in drama and its use in the church. He has directed medieval and modern plays for use in his own parish programs.

Camera Club Meets Feb. 28

The Grosse Pointe Camera Club will hold its social and educational evening on February 28 in the Fries Ballroom of the Grosse Pointe War Memorial.

The president of the camera club, Gilbert Lehmbek, APSA, with the assistance of his wife, Effie, will present a program on their recent photographic tour of Europe. Mr. Lehmbek is widely known for the excellence of his camera work. He and his wife are both salon exhibitors.

All those interested in photography are cordially invited to attend the program "Countries of Europe" and the coffee hour which follows.

Open New Real Estate Company

Hugo S. Hiebie and his associates, Frank D. Colter, C. C. "Joe" Wilkerson, John E. Mendonhall and Don Smith, have this week opened a new real estate company named the Higbie Realty at 84 Kercheval—"On The Hill"—Grosse Pointe Farms.

Mr. Hiebie has been in the real estate business for the last 18 years, associated with Sweeney & Moore, Inc., specializing in residential sales in the Grosse Pointe area. Along with improved sales, Mr. Hiebie has been involved in the development of many of the new subdivisions that have been created in the Grosse Pointe area in the last 20 years.

The new firm offers the residents of Grosse Pointe and its surrounding area all phases of real estate services.

FISH SHANTY GONE
Robert Pincham, 17, of 76 Muskoka informed Farms police on Thursday, February 16, that someone had stolen his portable fish shanty, valued at \$50, from the south side of the Crescent Sail Club. The shanty was approximately 40 feet from the breakwall, he said.

Tardy Thanks for Great Job

A bit tardy, perhaps, but it's really never too late to pass out a bit of praise. And praise is certainly due all of those storm troopers who have taken part in the long, drawn-out battle against the woes of winter, which have been handed to us in overflowing measure this year.

The usual snow-removal chore was not only augmented by the unusual amount of the white stuff, but by its character. Freezing rains and sleet mixed with the fluff, heaped burdens which could not be sustained on trees and shrubbery.

Despite the great obstacles thrown up by repeat performances of the capricious weather which extended over weeks, the Pointe's thoroughfares, both main arteries and side streets, have remained practically wide open continuously.

Letters to the Editor

Dear Editor:— My husband and I have lived in a carriage house for two and a half years and we'd like to say we think "carriage house living" is just great!

people from being able to rent carriage houses. My husband and I love Grosse Pointe and hope some day to buy a home here. Meantime, we're able to enjoy the many advantages of Grosse Pointe where we're now living.

Know Your Schools

by J. Harold Husband, Acting Superintendent
The Grosse Pointe Public School System

QUESTION: Since the defeat of the Community College Proposition last May, what hope is there for the establishment of two-year colleges in this area?

ANSWER: At a special meeting on February 1, the Wayne County Intermediate Board of Education approved a resolution calling for a North Wayne County Community College District and a South Wayne County Community College District.

The South Wayne Community College District would consist of 28 school districts including Allen Park, Ecorse, Gibraltar, Grosse Ile, Lincoln Park, Melvindale, River Rouge, Riverview, Trenton, Van Buren, Wayne and Wyandotte.

The North Wayne County Community College District would include the City of Detroit, Harper Woods, Fairlane, Grosse Pointe, Hamtramck, and several others.

The South Wayne Community College District would call for the following three proposals to be submitted to the electorate in 1967 at a regular or special school election:

a South Wayne Community College District.

A levy of 1 1/4 mills for buildings and operation of the college.

Election of the first board of seven trustees.

The North Wayne Community College District would call for the following three proposals to be submitted to the electorate in 1967 or 1968 at a regular or special school election:

Establishment of a North Wayne Community College District.

A levy of 1 1/2 mills for buildings and the operation of the colleges.

Election of the first board of seven trustees.

The two resolutions now go to the State Board of Education accompanied by an official application from the Wayne County Board of Education for State approval.

Election dates for both resolutions will be set at a subsequent meeting of the Wayne County Intermediate Board of Education for State Board approval.

What Goes On at Your Library

By Virginia Leonard

If this column could have a special title, I think it might well be called: "Lament of a Book Worm."

My washer is broken, I've burned the ragout, But I've just discovered Albert Camus!

My curtains need cleaning, I should light the fire, But I'm devouring the books Of Georgette Heyer.

I don't regard housework, As any great challenge, When I'm deep in the pages Of J. D. Salinger.

I can't bother with ironing, My hands have no blisters, Since I started to read The Bronte sisters.

The dishes need washing, We've run out of food. I'm a whodunit buff Of John Creasey, pseud.

Our clothes have no buttons, My dresses need hemming, But I've GOT to finish This Ian Fleming!

There are leaks in the faucets, (Not singular but plural), I'm on book number seven Of Lawrence Durrell!

My walls all need washing, Their filth seems to mock us, While I'm busily absorbing Nikos Kazantzakes.

The silver's quite tarnished And covered with jelly, But I'm learning the precepts Of Machiavelli.

You could break my front windows, While throwing a bomb, I'd douse it, and continue Reading Somerset Maugham.

My children are shoeless, And out in the snow, But I'm beginning to conquer The thoughts of Thoreau.

So you see — I'm quite hopeless, Go call the police, But I'll go to jail reading Dumas, pere et fils!

Ambassador's Ball Date Is Announced

Proceeds From May 13 Party Will Help Support Work Of Globe-Girdling Hospital Ship HOPE In Many Countries

The second Project HOPE Ambassador's Ball will be held May 13, at the Statler-Hilton Hotel. The announcement was made by Mrs. Edward N. Cole, chairman of the Ball, and Mrs. John H. Ganschow, vice-chairman, at a luncheon last Thursday at the Detroit Club.

The '67 Ball promises to be one of the most beautiful and glamorous events ever held in Detroit, and will feature a gourmet dinner plus dancing to the music of the Glenn Miller Orchestra.

Sponsor of the party is the Detroit Women's Division for Project HOPE, whose chief officers are Mrs. Alexander E. LaPointe, president, and Mrs. Herman P. Sattler, first vice-president.

Pointe members of the '67 Ambassador's Ball honorary executive committee include Mrs. Horace Elgin Dodge and Mrs. Benson Ford.

Among other Pointers working on behalf of the project are the Mesdames Walker L. Cislser, Frank A. Colombo, Alfred J. Fisher, Jr., Oscar L. Olson, Vic-

tor W. Wertz, James H. Quello, Troy W. Mascheyer, Langerman Sullivan, Carl M. Weideman, Paul D. Bagwell, Robert O. Teeg and Russell E. Bauer.

March is a mellow month, good for reminiscing, and it's precisely what members of the District Nursing Society plan to do next Wednesday, at the Country Club home of Mrs. Vernor Davis.

Special guests will be Honorary Life and Associate members. President Mrs. John Van Zile and his wife, Mrs. Joseph Cobane are arranging a remembrance program to commemorate the group's early days. Such beloved "grandes dames" of the Society as Mrs. A. Devlin, Mrs. Albert A. Griffiths, Mrs. Charles F. Ward, Mrs. Charles Morgana, (a three-time president), Elva Umphray and Mrs. Donald Van Zile, (she's acting as Mrs. Davis' co-hostess), will share scrapbooks and recollections of early DNS doings with the younger members.

Among Honorary Life members invited to attend are Mesdames Norman Anderson, Edward S. Evans, Wilfrid H. Gage, Prewitt Semmes, Wilfred S. Thompson and Irving Walker.

Of Background

The actual founding date of the District Nursing Society of Detroit has been lost in the mists of time, but available records show a membership numbering 100 in October, 1899—so the organization is at least 67 years old.

The number of active members is limited at any one time to 75 women who are interested in the two service projects conducted by DNS: Bay Court Camp and needlework.

Bay Court Camp, located in Waterford, was founded by the Society to give vacations to underprivileged children. (Continued on Page 14)

Turich-Rolf Vows Exchanged Feb. 18

Bride's Peau de Soie Gown Features Yoke of Crystal and Pearl-Beaded Re-embroidered Alencon Lace; Pair to Live in Royal Oak

St. James Lutheran Church was the setting for the Saturday evening ceremony at which Rae Nell Rolf, daughter of Mr. and Mrs. Arthur Bernard Rolf, of Newcastle road, became the bride of Edward Martin Turich, Jr.

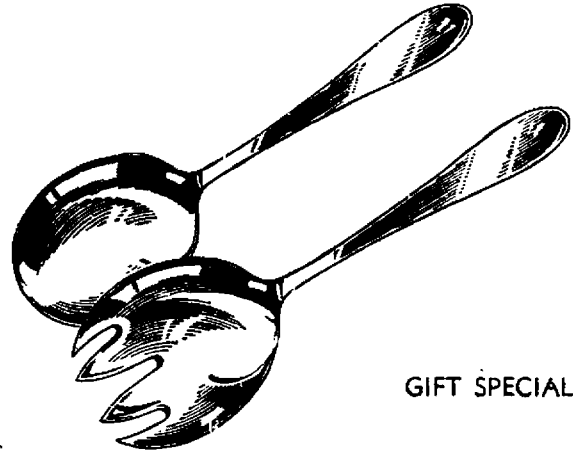

Officiating at the 7 o'clock rites, which were followed by a reception at the Detroit Yacht Club, was Pastor George E. Kurz.

The bride's white peau de soie gown was styled with a high-rise waist, jewel neckline and elbow length sleeves. Re-embroidered Alencon lace beaded in crystals and pearls formed the yoke of her gown. A detachable train fell from

her shoulders and a tiara of Alencon lace held her long veil of imported illusion. She carried a cascade of phalaenopsis orchids, stephanotis and English ivy.

Her four attendants, maid of honor Rosalyn M. Collins and bridesmaids Cathy Nelson, Grace Thomas and Mary Turich, chose floor length frocks featuring white crepe skirts and emerald velvet bodices trimmed with Venetian lace.

Set St. Michael Guild Meetings

The Day Guilds of St. Michael's Episcopal Church will hold their February meetings next Tuesday, at 12:30 o'clock.

Gathering for luncheon at the Putnam place home of Mrs. John Mason will be St. Anne's Guild. St. Catherine's Guild will meet at the Littlestone road home of Mrs. C. A. Gunn and St. Cecelia's Guild will meet at the Moorland drive home of Mrs. B. E. Regan.

The Night Guilds, St. Agnes, St. Hilda and St. Martha, will meet Monday evening, at 8 o'clock, at the Church.

Their headpieces were circlets of velvet and lace accented with emerald fingerup veils. Their flowers were semi-cascades of white Fuji mums, miniature white carnations and podocarpus leaves.

The bridegroom, son of Dr. and Mrs. Edward M. Turich, of Washington, Pa., asked Jay C. Miller, III, of Pittsburgh, Pa., to act as best man.

Ushering were William Burroughs, of Pittsburgh, Richard Rolf and Thomas Turich.

For her daughter's wedding and the reception, Mrs. Rolf chose a floor length gown of shell pink alpaca, featuring a bodice of silver and pink brocade beaded with pink iridescent sequins and silver drops. She wore a pink velvet headband and pinned a corsage of pale pink cymbidium orchids to her handbag.

Mrs. Turich, the bridegroom's mother, chose a floor-length dress of pale yellow silk-and-worsted, designed with a beaded Mandarin collar, and a Dior headband of yellow silk and net. She pinned pale yellow cymbidium orchids to her purse.

The bride's maternal grandmother, Mrs. Clarence Grigg, wore an apricot chiffon gown with a cluster beaded bodice.

The newlyweds will make their home in Royal Oak when they return from a vacation in San Francisco, Calif.

Among the out-of-town guests were Mr. and Mrs. Walter Huntley, III, of Scarsdale, N.Y., Mrs. James Steel and her daughter, Katherine, of Pelham Manor, N.Y., and Dr. and Mrs. Julius M. Meyer, of Milwaukee, Wis.

Busy Ladies' Agenda At English Lutheran

Variety Of Activities Will Occupy Church Women's Group During 1967; Work Has Begun On Christmas Fair Preparations

With five coffee hours, two Stewardship dinners, mother-and-daughter banquet, a party to honor past presidents and several "minor" dinners and smorgasbuds, 1967 promises to be a very busy year for the First English Lutheran Church Women.

Current president of the group is Mrs. Martin Nielson, installed by Pastor Al Keppler at a recent meeting.

Other officers include Mrs. Miller, first vice-president; Mrs. George Gellash, second vice-president; Mrs. Oscar Nelson, council woman for the Lutheran Social Services; Mrs. Rea York, representative to the United Church Women; and chairman of members.

in the Armed Forces, Mrs. Carl Kilwinski, audit chairman, Mrs. Ernest Strack, nominations and election chairman, Mrs. Erwin Linsenman, music chairman, Mrs. John Eggert, attendance chairman, Mrs. Herbert Gould, special activities chairman, Mrs. Lester Deck, constitution and by-laws chairman, and Mrs. Pfannenschmidt, Christmas Fair chairman.

There are eight Church Women Circles, including members of every age group, which meet once a month.

Ruth meets the second Monday of each month in members' homes at noon. Priscilla meets the second Monday evening of each month in members' homes. Unity meets the second Tuesday evening of each month in members' homes and Faith meets the second Tuesday evening of each month in the Church Lounge.

Hope meets the second Wednesday of each month in the Church Lounge at noon, Esther meets the second Wednesday of each month in members' homes in the evenings and Dorcas meets the second Thursday of each month in the Church Fellowship Hall at noon.

The Women of the Church gather for a general meeting the first Wednesday of each month, except July and August.

Luncheon, served at noon, is followed by a 1 o'clock meeting, a half-hour of Bible Study, (this year's study is John), conducted by Pastor Keppler and a short business session.

There is also an hour of entertainment, arranged by the different Circles, featuring speakers, book reports or films.

The Church Women have accepted a proposed 1967 budget of \$3,133. Nearly all items in the budget are concerned with missionary, charitable and educational work, including support of the Evangelical Lutheran Theological Seminary, Columbus, O., assistance to the campus ministry of the Lutheran Church at the University of Michigan, Michigan State University and Wayne State University, and support for Lutheran Social Services of Michigan, Lutheran Orient Mission, the Vellore Medical College in India, the Luther Home of Mercy, Williston, O., and the Lutheran Institute for the Deaf.

The Church Women met their 1966 budget of \$3,147.50 in full and presented a check for \$1,500 to Church president Vincent Rodeck, to be used toward alleviating Church indebtedness.

Under the aegis of the Christmas Fair chairman, women are meeting every Monday morning in Fellowship Hall at 10:30 o'clock to sew for the Fair.

Preparing to Launch Clinic Campaign

Photo by Jerry Dempnack

Reviewing thousands of file cards and envelopes in preparation for the annual membership drive of the Northeastern Wayne County Child Guidance Clinic, which opens today, Thursday, February 23, are MRS. DONALD A. BLOMQUIST, of Canterbury road, and GLENN G. ENGEL, of Lannoo avenue.

Mrs. Blomquist, vice-president of the Clinic's board of directors, and Mr. Engel, a board member and chairman of the membership committee, head the 1967 campaign — the most extensive effort to obtain community support ever conducted by the Clinic.

Pointers Paid Honor by Clinic

Five Grosse Pointe women were elected officers of Detroit Orthopaedic Clinic at the annual meeting of the Torch Drive service and three were presented volunteer awards.

Named officers were Mrs. John N. Bockstanz, 62 Radnor circle, second vice-president; Mrs. Gerard C. Mooney, 848 Washington, corresponding secretary; Mrs. James E. Robertson, 257 Vendome, treasurer.

Also, Mrs. Wyman D. Barrett Jr., 250 Fisher road, assistant secretary, and Mrs. Henry M. Kuhlman, 80 Lochmoor road, assistant treasurer.

Presented pins in recognition of five or more consecutive years of service to the clinic were Mrs. E. D. Spalding, 75 S. Edgewood drive, for 20

years; Mrs. Carroll T. Ballantyne, 424 Washington road, for 10 years, and Mrs. Kuhlman, for five years.

Other officers named were Mrs. John M. Booth, Birmingham, president; Mrs. Leroy B. Bornhauser, Birmingham, first vice-president; Mrs. Richard C. Kern, Franklin, third vice-president, and Mrs. John F. McLean Jr., Birmingham, secretary.

Following the meeting, the board of trustees held a reception for the clinic's physicians, their wives, and husbands of board members.

Enjoying a recent Caribbean cruise aboard the "Europa" were DR. and MRS. L. P. RAHM, of Audubon road.

Clinic Is Launching Membership Drive

All Contributions Matched on Three to One Basis by Funds from Public Agencies; Campaign Is Largest Ever Undertaken

The Northeastern Wayne County Child Guidance Clinic launches its annual membership drive today, Thursday, February 23, with a massive mailing program to present and prospective members.

More than 6,000 residents of the seven communities served by the Clinic—East Side Detroit, Harper Woods and the five Grosse Pointes—will receive a special edition of the Clinic's newsletter containing an appeal for continued support of the Clinic's work.

Mrs. Donald A. Blomquist, of Canterbury road, vice-president of the Clinic's board of directors, and board member Glenn G. Engel, of Lannoo avenue, Detroit, are heading the membership drive.

In announcing the campaign, Mr. Engel emphasized three points about the community support for the Clinic:

Contributions from the public are matched on a three to one formula by funds from public agencies.

The average cost per interview is currently \$30.25 for which the average fee collected is \$1.98.

Although membership is formally set at \$5, all contributions are welcome.

Mrs. Blomquist noted that this year's membership campaign is the most extensive undertaken by the Clinic since its founding in 1964. She observed that each member of the board of directors has been asked to secure at least 25 additional members to broaden the Clinic's base of community support.

Located at 17000 East Warren in Detroit's far East Side, the Clinic provides diagnostic and therapeutic care for children 18 and under in seven Eastside Wayne County communities.

The staff has been expanded from four part-time persons to

10 full-time and 13 part-time persons in a little more than two years.

To meet the demand for interviews and for treatment, the Clinic has opened its Night Clinic on Monday as well as Tuesday evenings. Seven social workers, a secretary and two psychiatric consultants serve on the Night Clinic staff.

AAUW Groups Set For March Meetings

"Artisans," International Relations and Art Appreciation Sessions Scheduled In Members' Homes; Creative Stitchery Group Being Formed

The Studio Arts Group of the Grosse Pointe Branch, American Association of University Women, will begin March with the installation of a new kiln.

The "Artisans" purchased a power-driven potter's wheel in January and are now set to begin firing.

The group meets every Thursday evening at 7:30 o'clock at the home of Mrs. Ralph Kimble in Fisher road.

In addition, the group will hold afternoon sessions March 9 and 23 from 1 to 3:30 o'clock for members who find they are unable to attend evening meetings.

A Creative Stitchery section of Studio Arts is in the planning stages. Interested members may

call Phyllis Rabbideau, 884-1633, for further information.

International Relations Group meets Thursday, March 2, at 1 o'clock. Mrs. G. A. Kuechenmeister will discuss "South and Central America in General, and Argentina in Particular."

A resident of Argentina for three years, Mrs. Kuechenmeister is well-versed in her subject and has a vast array of interesting slides.

Mrs. Norman Gehlar, of Vernier road, Harper Woods, will entertain with the assistance of

Harmonie Holds President's Ball

Many Pointers were on hand Saturday evening, Feb. 11, for the Harmonie Club's 1967 President's Ball, one of the 120-year-old Club's social highlights of the year, honoring William F. Miller, beginning his second year as Harmonie president.

Club officers for 1967 include Pointers Wilbur C. Thompson, secretary; Arthur Giesking, treasurer; and Carl Raab, vice-president.

Among the party hosts were past Harmonie president Gerald C. Schroeder and Mrs. Schroeder, of Shoreham road, and Mr. and Mrs. Erhard Dabringhaus, of Pear Tree lane.

co-hostess Mrs. Hennell S. P. Art Appreciation Group will hear the conclusion of a study of Nineteenth Century Artists Friday, March 3, at 9:30 o'clock. Mrs. William T. Krebs will discuss England's James Abbott McNeill Whistler and America's Winslow Homer, John Singer Sargent and Thomas Eakins.

The Group will meet at the home of Mrs. J. Robert Jessup in Lakepointe avenue.

JERRY KEITH, teacher at Monteth School, and JACK FORD, teacher at Grosse Pointe High School, will be among the more than 300 educators attending a three-day political action clinic February 24 through 26 at the Jack Tar Hotel in Lansing. The clinic is designed to promote a greater political awareness and involvement among members of the teaching profession.

mothers and children. Today it's a United Community Service member agency, administered by DNS and supported partly by the Torch Drive and partly by the Society.

Last summer, more than 600 campers were accommodated during two-week sessions at the camp.

Needlework occupies a goodly portion of the present members' spare time. Each season, dozens of sweaters are provided for the campers, and the Sewing committee works all year preparing layettes. In 1966, 23 layettes were given to the Visiting Nurse Association and 12 to the Frontier Nurses of Kentucky.

Remember The Bal Poudre?

All during the early years of the century, a highlight of Detroit's social seasons was the District Nursing Society's annual "Bal Poudre," given on Thanksgiving evening to raise funds for the Society's work.

Most of the monies contributed were used to support Visiting Nurses. In 1901, DNS was subsidizing two Visiting Nurses and producing many layettes and "pneumonia jackets," necessities in those pre-penicillin days.

The Bal Poudre came to an end in 1917, when the Community Union, forerunner of the United Foundation, was formed for charitable fund-raising.

Now, Let's Look Ahead

It's great fun to wander backwards in time, but it's delightful to look ahead, too, as members of the Detroit Chapter, United Nations Association, are doing . . .

The UNA group has its sights set on fall and Canada's fabulous Expo '67. Detroit UNA's own special Vanguard plane leaves Windsor for Ottawa October 23.

Next day, there'll be a motorcoach trek along the St. Lawrence Scaway to Montreal . . . then three heavenly days enjoying the wonders of Expo . . . then it's on to New York for a special reception at the United States United Nations mission . . .

No wonder such knowledgeable travelers as Mrs. George R. Fink, of Tonnanour place, Dr. and Mrs. J. Stewart Hudson, of Lothrop road, and Mr. and Mrs. Joseph A. Vance, Jr., of South Deeplands road, are already signed up for the six-day excursion!

Want to know more? A call to the local UNA office, 963-2688(will bring reams of information . . .

And before we end these paragraphs on Detroit UNA activities, we'd like to report that the Chapter met for its annual luncheon February 17.

Dr. Harold K. Jacobson, associate professor of Political Science, University of Michigan, gave a stimulating talk on the Influence of Developing Nations, Now and In The Future.

Among those on hand to hear him were Pointers Mr. and Mrs. Paul D. Bagwell, Selden B. Daume, Jr., Mrs. Andrew W. Barr, Mrs. Walker L. Cisler, Mrs. Jack Sinclair and Mrs. Joseph A. Vance, J.

Good-Bye For A While

Speaking of Developing Nations . . . By the time you read this, I'll be in Cairo, preparing to board a plane for Kenya and Tanzania . . .

During the next month, Kitty Marriott will be handling society-women's items for the NEWS. See you after Easter!

Slate Welcome Wagon Meeting

The Welcome Wagon Club of Grosse Pointe will meet Thursday, March 2, at 11 o'clock in the War Memorial for coffee and sandwiches. Bridge and canasta will follow the meeting. Newcomers who have received a Welcome Wagon hostess call are invited to attend. Reservations must be made with either Mrs. J. J. Schnieder, TU 6-4992, or Mrs. Noel W. Fry, VA 3-4405, by the preceding Minday evening. Members may bring articles for the White Elephant sale to this meeting or make arrangements with Mrs. Hillyard Pierce, TU 6-0753, to leave them at her house. Mrs. Darwin Tuttle, president, will officiate at a meeting of the board scheduled for 9:30 o'clock the same morning.

To Be Bride

Mrs. Thomas Neil Horan, of Handy road, is announcing the engagement of her daughter, ROSEMARY CURTIS, to Mark Ashley Lowry, son of Professor and Mrs. Robert J. Lowry, of Ann Arbor. The bride-elect is also the daughter of the late Dr. Thomas Horan.

Her fiancé's father is Professor of Botany at the University of Michigan.

Miss Horan attended West Virginia University and Middlebury College Language School. She was graduated from the University of Michigan and is presently employed at Widener Library, Cambridge, Mass.

Her fiancé attended the University of Freiburg, Germany, and the Free University of Berlin, and was graduated from Harvard University. He is currently a Woodrow Wilson Fellow completing graduate studies at Harvard University.

An early June wedding is planned.

MARILYN ANN WALKER, of Kenwood court, a Purdue University student working toward her Bachelors degree in Home Economics, made all-A grades in her major field during the Purdue fall semester.

DRC Will Hear Talk on Roses

A special luncheon honoring Amy Duke Harris, (Mrs. Ivor David Harris), of Provencal road, is being planned by Mrs. Raymond Berry, of Lakeview court, garden chairman of the Detroit Review Club.

Mrs. Harris, a past-president of the Grosse Pointe Farm and Garden Club and president of the Grosse Pointe Garden Center, will be the Review Club's guest speaker Monday, February 27, at 1:30 o'clock at the Women's City Club. The luncheon will precede her talk on: "A Rose is More Than a Rose!"

A graduate of Duke University with a Bachelor of Arts degree cum laude in English, plus a Master of Arts degree in English Literature from the University of Virginia, Mrs. Harris has a partial Doctorate which was interrupted by her marriage to Dr. Harris. She is a member of Beta Kappa, Kappa Delta sorority and Zeta Phi

Alpha national literary fraternity.

Her interest in flowers started at an early age as she followed her maternal grandmother and mother around their large gardens in Fort Valley, Ga.

Botanical terms became a part of her pre-school vocabulary and made it easier for her to do serious research on the history of flowers and their uses in medicine, food, and perfume. Roses, she says, have a particularly fascinating history.

Guests at the pre-lecture luncheon will include Mrs. Robert Kales, DRC president, her officers and board of directors. Other Grosse Pointers who will attend include Mrs. Charles Brundle, Mrs. James Gwatkin, Mrs. Marvin Dahne, Mrs. William Oddy, Mrs. William O'Reilly and Mrs. Aaron E. Wilcox.

People who talk to themselves must hear a lot of compliments.

June Bride

Mrs. Hubert William Frohn, of Nottingham road, is announcing the engagement of her daughter, DONNA LEE, to Raymond W. Doyscher, Jr., son of the senior Doyschers, of Detroit.

Miss Frohn, who is also the daughter of the late Mr. Frohn, is a Wayne State University Occupational Therapy graduate.

Her fiancé was graduated from Eastern Michigan University and is presently teaching and working toward his Masters degree at Wayne State University.

A June wedding is planned.

Stair-Claser Troth Is Told

The engagement of Gail Elizabeth Claser to E. Douglas Stair, III, has been announced by her parents, Mr. and Mrs. Marshall Claser, of Birmingham.

Care of Sick Class Offered

"Care of the Sick and Injured" has a foreboding connotation as a course title for an adult education program but the fact remains that sickness and injury enter every home at one time or another.

It is usually the mother of the house who is put to the test. How she makes the best use of her time, energy, and materials; how she carries out the doctor's orders; and how she complies with public health regulations are not only critical to her, but to her entire family.

And, woe be the day when poor mother is ill! In some families it is just against the rules for the mother to be bedridden. "Care of the Sick and Injured" can be made easier and it can be successfully applied when the home nurse is down for a short count.

Maintaining a healthy family, recognizing symptoms, providing services to a bedridden patient, and giving medication and simple treatment are the basic elements of the Red Cross Class which begins on Wednesday, February 22, and will be held in the Community Services Building evenings from 7 to 9 o'clock. Because the Red Cross is able to provide the services at no cost, the Department of Community Services is able to offer this class at no cost to the participants.

There is an immediate need for nurses or home economic graduates to volunteer their services as instructors to maintain this course in the future. If you are interested in taking the Red Cross training to qualify as an instructor, it is available at the same time the class is offered, (with an additional hour added for each session).

Whether you are a nurse, a home economics major, or a full-time practitioner in the art of homemaking, this is a six-week course that can be of great value to you, your family, and the community.

Call the Department of Community Services at TU 5-3808 or TU 5-2721 for your reservation today.

July Bride

Mr. and Mrs. James Darling, of Roslyn road, have announced the engagement of their daughter, SUSAN, to Richard A. Schultz, of Dearborn, son of the late Dr. and Mrs. Julius F. Schultz.

The bride-elect attended Michigan State University, where she affiliated with Gamma Phi Beta sorority. Her fiancé attended the University of Michigan and affiliated with Sigma Phi Epsilon.

A July wedding is planned.

Named to the Walsh Institute President's Honor List for the fall '66 semester is GORDON ROEGLIN, JR., of South Oxford road.

Paray Returns To Symphony

Conductor-emeritus Paul Paray, soprano Bethany Beardslee, mezzo-soprano Rosemarie Murch and a women's chorus from the Rackham Symphony Choir will appear with the Detroit Symphony Orchestra in a Debussy program Thursday and Saturday, March 2 and 4, at 8:30 o'clock in Ford Auditorium.

Paray will conduct the "Petite Suite," "The Blessed Damozel" and "Le Mer." "The Blessed Damozel," to be performed for the first time on a Detroit Symphony subscription series concert, will feature Miss Beardslee, Miss Murch and the chorus.

Paray last conducted "La Mer" in January 1953. This will be the first time he has conducted the "Petite Suite" with the Orchestra.

Miss Beardslee, a recent recipient of a Laurel Leaf Citation for Modern Music and a Ford Foundation Grant for Concert Soloists, has become internationally known as a result of premiering works by Stravinsky, Berg, Babbitt, Schoenberg, Webern, Krenek; and many major American composers.

She has been a featured soprano with the New York Pro Musica and has sung with the Boston Symphony at Tanglewood. Miss Beardslee has also performed many major oratorio works of Handel and other masters of the baroque period. Her career began at Michigan State University, and she studied

music for three years on a scholarship at the Juilliard School of Music.

Miss Murch, who last sang on a Detroit Symphony subscription series concert in 1961, has also appeared with 11 symphony orchestras in Michigan, Ohio and Indiana. She has toured extensively throughout the Midwest in recital, opera and oratorio programs and has made frequent appearances with Festivals, Inc. in Baltimore, singing the music of the baroque period.

Miss Murch is a member of the Detroit Baroque Ensemble and leading mezzo-soprano with Detroit's Piccolo Opera Company. She is a native Detroit.

EVE COTTER, daughter of MR. and MRS. FRANK D. COTTER, of Merriweather road, was named to the Dean's List at the recent Honor's convocation at Pine Manor Junior College, Chestnut Hill, Mass. Eve was one of 18 freshmen to receive honors. Before going to Pine Manor she was graduated from the Liggett School.

We Have Many Other Grosse Pointe Houses

Are you in the early, time consuming stages of house hunting? The Maxon Plan for sifting out the inappropriate by means of small, simplified floor plans coupled with photographs can lighten your burden (and ours) of preliminary inspections. Drop in at 83 Kercheval Avenue and go through one of our catalogs.

Footnote to Home Owners—The Maxon Plan can save you too the inconvenience of inappropriate, unnecessary interior inspections. If your house is for sale, we'd be glad to inspect it and suggest a price suitable to the current market. We usually sell our listings quite promptly at market prices.

Remember . . . a few years back, when June (Mrs. Clinton) Amluxen, of Whittier road, described in rhyme her three-teen-age daughters and the "kooky" things that happened to them? The girls are out of their teens now, and all married within a year-and-a-half, but Mrs. A. doesn't find her life too changed — except now, at family gatherings, there are three fine sons-in-law to join in the fun . . . Here's her up-to-date report on Sue, Karen and Chris:

NUMBER ONE DAUGHTER, SUE

Susan and Lauren are doing just fine. Susan is teaching — Engineering's his line. A darling apartment — they're out on their own. Real independent — but hark, there's the phone. Sue asks: "Are you going to be busy next day?" "I have some ironing to get out of the way." "We could visit and iron and have lots of fun." "And before we would know it, the work would be done." Over I go with ironing board in the rain. We tackle the "pile" with a might and a main. EIGHT hours late I walk out her door With a warm, glowing feeling: I was needed once more.

NUMBER TWO DAUGHTER, KAREN

Karen's the bride and Bill is her groom. They're staying with us — so she CLEANED UP her room. Breakfasts she makes and washes their clothes. My unconcerned Karen is up on her toes. In a month they'll be leaving for Dallas to stay. While Bill gets his Masters out of the way. The wedding was lovely — the sun shone all day; Then, off to Florida for their honeymoon stay. We'll miss these two young folks, but not their pet, "Gus," (A St. Bernard puppy's as big as a bus). And when we get lonesome for Karen and Bill Will we get to see them? I KNOW that we will.

NUMBER THREE DAUGHTER, CHRIS

Christine and Gary live very close by. He's awfully patient — and I'll tell you why: My lively daughter — I must confess — Loves any pet . . . Once a boa, no less! They've had two dogs, a bird and some fish And a dumb little pollywog who dived out of his dish. Gary's at night school, but he made no fuss When asked by Karen if they would board Gus. Tending a St. Bernard puppy while he's studying his courses

Should be easy for Chris, who used to train horses. But their best little "pet" — not counting their cat — Is my very first grandson: The Incomparable Pat.

PILFERINGS

Once upon a time you stepped up your standard of living when you got a raise. Now you just step up your withholding. —Changing Times

A sportsman went to a hunting lodge and bagged a record number of birds, aided by a dog named Salesman. Next year he returned and asked for Salesman again. "Hound ain't no durn good now," the handler said.

"What happened?" cried the sportsman. "Was he injured?"

"No. Some fool came down here and called him 'Sales Manager' all week. Now all he does is sit on his tail and bark." —Capper's Weekly

A man who survived the Johnstown flood talked about it endlessly all his life. When he finally died and went to heaven, St. Peter greeted him and said, "If you think of anything that will make you happier here you have only to mention it."

"Well, there is ONE thing," replied the man. "I'd like to tell a group of people here about my terrible experiences in the Johnstown flood."

"There must be a number who would be interested," replied St. Peter. "It will be arranged. The following evening a large group gathered. As the flood survivor was about to speak, St. Peter touched him on the shoulder and whispered, "Perhaps I should tell you that Noah is in the audience." —Reader's Digest

MRS. JAMES A. HUMPHREYS, JR., OF CADIEUX ROAD

By Janet Mueller

Shirley Humphreys has TWO very special "Happiness Is" books. One's her own personal Recipes for Joy, a limited, (to a single copy), edition prepared and edited by daughters Debbie and Paget.

The other, "Happiness Is Helping," tells the story of Women for the United Foundation (WUF).

Put the two together, and you get a pretty good picture of Shirley's private and public lives.

They're good lives, interesting lives, both of them. The Saga of Shirley begins in Bermuda, where she was born, raised, met and married Jim Humphreys when he was stationed there with the Navy during World War II.

Their first son, Jay, was born in Bermuda; when Jay was about seven months old, the Humphreys moved to the Pointe.

Was No Stranger

For Jim, born in Highland Park, the move back to Michigan was "coming home." Shirley wasn't exactly a stranger to the area either; her parents had been Detroiters before they became Bermudians. She'd made many trips here to visit her grandmother, her mother had been active in Sigma Gamma Association . . . Her Detroit ties stretch generations back.

Since becoming Pointers, the Humphreys have doubled. Jay, 20 now, is at Yale, where he's active in Naval ROTC. He spends his summers either on the high seas or taking special Navy training, (last summer, he was at Corpus Christi, Tex., for flight training).

Debbie, 18, is a senior at Chatham Hall in Virginia, and Paget, (guess what SHE's named after!), 16, is a Chatham Hall sophomore.

Shirley, area chairman for the Chatham Hill Alumnae Association, is delighted to have both her daughters studying and thoroughly enjoying life at her own "old school."

Only One at Home

Fourteen-year-old John, the youngest Humphreys and only one still at home. ("The house DOES seem a little deserted," Shirley admits), is in the Eighth Grade at Grosse Pointe University School.

John will probably be going away to Prep School soon, too. Shirley and Jim Humphreys are in favor of Prep Schools "if the child wants to go"—and each of their children clearly DID want to go.

They're a happy, healthy, independent lot. Jay and Debbie both spent summers in Europe as Youth For Understanding high school exchange students. Jay living with a family in Switzerland. Debbie spending last summer with a German family and going along on their vacation in Spain.

Paget and John are interested in the YFU program now. "I hope Paget and John will both be able to take advantage of a student exchange," their mother observes. "I think programs like YFU are marvelous opportunities for our kids . . ."

Is Gallant Sport

Temporarily, Shirley Humphreys is an "outdoor" person. She likes all sports—"I'm not really good at any, but I make a gallant try"—especially tennis in the summers and skiing in the winters.

She does most of her skiing locally, occasionally, with Jim, is able to manage a long weekend up north. Earlier this month, during the GPUS semester break, the Humphreys took John and a friend to Michigan's Crystal Mountain-Walloon Hills area. They all had a fabulous time, each on the slope specifically suited to his/her ability. ("I'm just a little bit beyond the VERY baby hills," Shirley confesses.)

Reading's one of Mrs. Humphreys' indoor delights. "I

would really love to spend much more time reading," she notes, "but I can't seem to find the hours for it: I'm already three issues behind on my Reader's Digest Condensed Books!"

She enjoys "dabbling with needlepoint, a skill she picked up as co-chairman of the Christ Church Christmas Fair Needlepoint Belts and Kits department a few years back, and has done a bit of decoupage, (most of the latter in conjunction with Christ Church Fairs, too).

Active in Church

All the Humphreys are active members of Christ Church, including Jim, whose ecumenical involvements include serving as chairman of the Grosse Pointe Memorial Church Boy Scout Troop.

Shirley's a firm believer in the Boy Scout program, thinks "it's great that fathers have a chance to do things with their sons;" Jim's been active in Boy Scouts for some time now; Jay is an Eagle Scout and John hopes to make Eagle Scout this May.

At vacation time, the Humphreys head naturally for Bermuda. Shirley comes from a large family, (she's the youngest of five children), recalls many Easter reunions when she and her family, her brothers and sisters and their families, all descended on her parents' home for the spring holidays.

This year, the Humphreys are working a Solit-Shift Bermuda visit. Debbie and Paget are going down over Easter. Shirley and Jim will spend two weeks there in May.

Jim To Graduate

The May trip will be in the nature of a "graduation present" for Jim who, after five long years of Night School at the University of Detroit, will receive his Masters degree in Business Administration this April. (and that, we think, takes quite a sense of dedication on the part of a man who's already Administration Manager of Ford Motor Company's Transmission and Chassis Division.)

"My family's always been my 'main interest,'" Shirley notes. "I've been involved with the kids at all stages, in schools and at church." Typical of the "routine" parent jobs she's held is that of Christ Church Choir Mother. ("I remember THAT involved going to Church on Tuesdays and mending the music")

Currently, she's a member of the GPUS Parents' Association Executive Committee.

But she's always found time for community activities. She's done "spot jobs" for the Junior League, singing in the Glee Club, helping out at the Senior Center, working on the Poison Control Project.

Republican Worker

She's been a Republican Party Block Worker. And, since she first came to live in Detroit, she's made Sigma Gamma Association and the Detroit Orthopaedic Clinic, a Torch Drive Agency founder and sponsored by Sigma Gamma, her special volunteer province.

She's served as treasurer and public relations chairman of the Clinic and has been a Clinic trustee for the past 10 years. She's served as treasurer and second vice-president of the Association.

It was her Sigma Gamma Clinic involvement that led to her work with WUF and her present job, the "biggest," (in size and scope), she's ever attempted: General Chairman of the WUF "Inforamas," a series

of six programs at various locations in the Metropolitan Detroit area designed to thank all of last year's lady Torch Drive volunteers and recruit new volunteers for the coming Torch Drive campaign.

The first Inforama, Macomb County's is scheduled today, at Hillcrest Country Club. Macomb Unit Inforama chairman, (the Tri-County Metropolitan Detroit area is divided into United Foundation "units," Mrs. Thomas Morgan.

Four County Units

Wayne County, because of its size, is divided into four separate units. The Eastern Unit's Inforama will be held at Fries Auditorium next Thursday, March 2. Mrs. C. Bradford Lundy is chairman.

The Downtown Business Inforama, one that will not be televised, (the others each will be seen on "The Living Show"), is scheduled March 15, under the chairmanship of Mrs. Don Ball, at the National Bank of Detroit Building.

Then there'll be the Central Wayne Inforama March 16, at Marygrove College's Cadillac Hall, under the chairmanship of Mrs. Clarence Krajenke; the Western Wayne Inforama April 3, at Ford Glass House, under the chairmanship of Mrs. Michael Tink; and the Oakland County Inforama April 20, at the Town and Country Club, under the chairmanship of Mrs. John C. Maddox.

For all of these except the Downtown Business District program, Shirley Humphreys is ultimately responsible.

And what, exactly, is an Inforama? "The invitations to last year's workers read: 'Come and bring a friend,'" Shirley explains. "While we have them; there, we 'inform' them about the work of the United Foundation and its agencies."

TV Gets In Act

"The television people pick individuals they want to interview, agencies—we ask them to take the specific agencies within each Inforama area—they want to spotlight. "We try to get the audience 'in place' by 1 o'clock in the afternoon. Taping starts at 1:30. The whole show lasts one hour."

"We send out about 2,000 invitations for each Inforama and expect between 500 and 600 people to show up. We don't serve any food—we'd never get everybody seated for the taping if we did—but we do hand out two pieces of literature to each guest: A Volunteers' Handbook, which gives a bit of background on all the UF agencies, and "Happiness Is Helping," the story of WUF done in the "Poanits" motif.

"We also hand out a little thank-you-for-coming gift and a Recruitment Card which the ladies can use to sign up as next year's Torch Drive volunteers."

"Television is a TREMENDOUS advantage. Without TV, we'd reach only the 500 or so women who attend each program. With TV, the exposure is fantastic: I know, because last year the Detroit Orthopaedic Clinic was televised, and the switchboard was lit up for DAYS afterwards . . ."

Shirley began her WUF work as a member of the Speakers' Bureau, representing the Detroit Orthopaedic Clinic. "Sigma Gamma volunteers and Board members take turns showing groups through the Clinic," she says. "From that, it's only a short step to going out to talk before people."

Uses Kids As Props

"I'm not generally bothered by Stage Fright—though I've found I'm much more liable to be nervous if I'm talking in front of people I know—but I really can't lose: I take chil-

dren from the Clinic and a therapist with me, and as soon as I come on with a couple of kids, the audience is 'with' the kids . . ."

From Speakers' Bureau volunteer. ("I'm a trustee of the Detroit Orthopaedic Clinic, and I can tell you how your dollars are working in one Torch Drive agency . . ."). Mrs. Humphreys progressed to WUF Board member and received her WUF Inforama assignment.

"Inforama's a 'big' job, but it's one of the easiest I've ever had," she claims. "That's probably because the United Foundation is such a professional organization, so extraordinarily helpful . . . I can call on it for anything, any time . . ."

"Actually, Inforama unit chairmen do all the dirty work, arranging for a place where the program will be held, lining up hostesses, getting telephone recruitment follow-up committees . . . All I do is check to see that everything is being done . . ."

Shirley Humphreys frankly finds her association with WUF fascinating. Public Service-conscious before she became a WUF Board member, she's become more aware of needs and opportunities for community service.

"I think, if you serve on either the United Foundation, Women for the United Foundation or United Community Services Boards, you're bound to get a much bigger picture, community-wide, of what's going on," she says.

"And this, after all, is the whole purpose of Inforama: To get a picture of what's going on in several agencies, not just the one for which you happen to work, in which you happen to be interested . . ."
