Study Proposed Improvement to Shores Harbor

ALFRED R. GLANCY JR., right, and JOHN HUETTEFMAN JR., Village President, examine a model of the Grosse Pointe Shores harbor showing the improvements that would be constructed if voters approve a \$290,000 bond issue next Monday, March 6. Glancy is chairman of the village council's harbor and boatwell committee.

Park and Health Officials Discuss Waterfront Pool

New State Law Makes Facility Substandard; Renovation, Including Construction Of New Bathhouse Will Cost Estimated \$500,000

Park officials and representatives from the Michigan and Wayne County Health Departments met yesterday, March 1, in the Park Municipal Building to discuss what steps must be taken if the city is to use its waterfront swimming pool this summer.

A report that the State Health Department might issue a temporary permit for the use of the pool, even though under a new state law, the pool is obsolete and does not meet health standards, might be possible, City Manager Robert Slone said. However, he added, he has received no official word to this effect.

At its regular meeting held on February 13, the city council received and filed a letter from State health officials, in which it was noted that the municipal pool was substandard and does not meet with minimum design standards. If further use of the pool is desired, the letter stated, arrangements must be made to upgrade the facilities.

Representatives Named
Councilman Robert Hutton, mayor pro tem, appointed Councilman George Verdonck, Slone, City Attorney Richard Rohr, Public Service Director Herbert Heger and Thomas Rennold, parks and recreation director, to meet with the state and county health officials.

Slone said that the health representatives have been invited to inspect the pool, which was constructed 30 years ago, and which was once the envy of surrounding communities. It has no filtration system and raw lake water must be pumped into it. Chemicals are added to keep down the bacteria count.

Would Cost \$500,000
Slone said that if the Park is made to comply with the new state law, Act. No. 230 of the Public Acts of 1966, which of course it must, a major renovation of the pool would require voter approval of financing, and the actual overhaul would take about a year. The cost is estimated at about \$500,000.

To meet the new standards, as the law now stands, the city manager said, would require the city to install a new filtration system and build a new bathhouse. The waterfront pool covers 33,000 square feet on Lake St. Clair, and walled on three sides. A sandy beach on the fourth side leads directly into the pool. Because of this, there may be some question as to whether the new State law covers this particular situation, since it applies to "artificial" bodies of water.

TAKES MARINE TRAINING

Marine Private Marvin C. Rieli, son of Mr. and Mrs. Anthony Rieli of 704 Washington road, has completed four weeks of individual combat training at the Marine Corps Base at Camp Pendleton, Calif.

Ready to welcome guests will be the members of the staff, representatives of the Board of Trustees, Parents' Association, and Alumni Organization. The staff will be prepared to answer questions about the program, and there will be an opportunity for tours through the school. Refreshments will be served.

To Present Talk About Vietnam

Relatives of all Grosse Pointe servicemen, who are currently stationed in Vietnam or who have served there, are invited to Grosse Pointe War Memorial Wednesday evening, March 8, at 8 o'clock for after dinner coffee and an illustrated talk by Mrs. Autumn Reed on the Red Cross program in Vietnam and the services available to their families.

Following the program, discussion of a project to be undertaken by the group as a whole will take place. Suggestions and participation will be welcomed. Mrs. Reed, herself, is the wife of a serviceman in Vietnam.

Big Harbor Project Up For Approval

\$290,000 Bond Issue Requested To Carry Out Proposed Improvements at Osius Park

Property owners in Grosse Pointe Shores will vote Monday, March 6, on a \$290,000 bond issue for renovation and improvement of the village's harbor facilities and the addition of an acre of land to George Osius Park.

Polls will be open from 7 a.m. to 8 p.m. in the Vernier School. Absentee ballots will be available until 2 p.m. Saturday, March 4, in the village offices, 795 Lake Shore road.

The harbor project will be nearly self liquidating, according to Alfred R. Glancy Jr., chairman of the village's harbor and boatwells committee. He said rents which will be collected from the increased number of boatwells to be built will pay nearly all the principal and interest on the bonds. No tax increase will be needed.

Has Many Supporters

The proposal has the support of John Huettefman Jr., village president, the six village trustees, the harbor and boatwells committee, the officers of the Grosse Pointe Shores Improvement Association, several subdivision associations and the board of directors and officers of the Grosse Pointe Yacht Club. The club's docks are adjacent to the village harbor. Yacht Club directors urged club members who are eligible to vote in the village to cast ballots in favor of the bond issue. The directors called the harbor project "a further improvement to their (the village's) excellent recreational facilities."

William Dahling, president of the Grosse Pointe Shores Improvement Association, speaking in behalf of the club's officers, also urged a "yes" vote on the bond issue.

Details Outlined

Glancy has outlined the major parts of the harbor project:

1. The construction of a new pier and 142 boatwells, replacing the 72 present boatwells.

2. Dredging of the harbor, with the removed silt to be pumped across the present pier to form an acre of new park and on the north side of the present pier. This will prevent rough water and silt from entering the harbor under the pier.

3. A pump will be installed to maintain a quiet flow of fresh water through the harbor.

Huettefman, in a letter to all village residents this week, assured them that construction will be scheduled to cause minimum interference with use of Osius Park and the harbor this summer. He said most of the work would be done offshore.

Part of Big Plan

He explained that the harbor renovation is part of a general improvement in the village's recreation facilities, which include a swimming pool dedicated last year, an enlarged parking area and a ski slope.

At a recent public meeting Gerald C. Schroeder, a certified public accountant and chairman of the village finance committee, offered figures to show that the principal and interest on the harbor bond issue will be paid almost entirely from funds to be collected from boatwell rents. He said no increase in the property tax rate would be necessary.

Plans for the harbor improvement were drawn up by Marine Design and Engineering, registered engineers, of Detroit. Recommendations were also made by Ernest F. Brater, hydraulic engineering and hydrologist of the University of Michigan.

COIN BOX STOLEN

The City Police received a preliminary report on Friday, February 24, from D. Bearman of Michigan Bell Telephone that a coin box was removed from an outside telephone. The box was picked and the box taken. The damage amounted to \$12 and the estimated loss was \$40. The telephone was located at 17320 Mack avenue.

HEADLINES of the WEEK

Thursday, February 23

DAVID WILLIAM FERRIE, central figure in New Orleans District Attorney Jim Garrison's investigation into the assassination of President John Kennedy, was found dead in Wednesday. The district attorney said that the apparent cause of death was "suicide." The body was found in his New Orleans apartment by a friend.

REBELLIOUS LEADERS of Mansfield, O., UAW local met on Wednesday night to discuss their seven-day wildcat strike against a General Motors plant. The walkout had threatened to idle all of GM's 100 hourly rated workers and production by the nation's No. 1 auto maker.

Friday, February 24

GVERNOR GEORGE ROMAN returned to Michigan Wednesday night after an extremely successful tour through the West and a brief, but politically significant, visit to Goldenshoe, Pa. He said he had a "glorious time" and was more confident than ever that the Republican Party can unite and win in 1968.

1000 U.S. TROOPS and jets of jet bombers hammered Vietnam's Zone C strongly Thursday in the biggest air strike of the Vietnam War. More than 10 percent of all American servicemen in Vietnam were directly committed to drive, centered 60 miles west of Saigon and encompassing a 250-square-mile area in the northern province near the Cambodian frontier. The strike, called Operation Junction City, was launched in the first dawn Wednesday after the first American combat aircraft jump since the start of the war.

Saturday, February 25

PRESIDENT JOHNSON told the press that he will use the back of his hand when the United States Workers president went to the White House to present the president with a UAW plaque. Johnson's treatment of the union left no doubt about the president's stance in the Johnson-Reuther and AFL-CIO fight.

Sunday, February 26

ONE MORE CADET resigned from the Air Force Academy today amid congressional charges that those branded as "cadets" have cracked their helmets in a non-nonsense honor code. The charges were for the space Lt. Gen. Thomas J. Moore, academy superintendent, and 33 cadets have resigned in the second year of the academy. The charges were in the nation's young service school.

Monday, February 27

THE UNITED STATES announced Monday it has begun a major North Vietnam's rivers. Army spokesmen said the operation was aimed at small smuggling craft and "poses a danger to deep-water marine traffic." The action marked the fourth calculated increase in the U.S. war effort since the start of the drive to step up the pressure on North Vietnam in every way short of invasion.

Tuesday, February 28

THE BIGGEST CITY BUDGET ever was sent to Mayor Cavanagh on Monday. The projected budget of \$466 million is \$10 million more than the previous year and calls for spending \$10 million more than the city is expected to collect from taxes. Cavanagh called it "a very tight budget." He said it "pegs" at maintaining current services.

Concert Set For March 12 By Symphony

Inez Redman And David Ireland To Be Soloists On Program in Parcells School

Two distinguished musicians will appear as soloists with the Grosse Pointe Symphony, on Sunday afternoon, March 12, in Parcells School Auditorium at 3:30 o'clock.

Director Felix Resnick has chosen Inez Hollinger Redman, violinist, and David Ireland, violist, to do the solo lines in Mozart's Concerto for Violin and Viola.

Mrs. Redman attended Michigan State University and graduated from Wayne University. She was a pupil of Henri Nicosco and Mischa Mischaoff. A former member of the Detroit Symphony, she is a regular member of the Grosse Pointe Symphony.

David Ireland came to Interlochen from Collins, Colo., in 1947. He studied with Paul Doktor and Robert Counte at the University of Michigan. He has been a regular member of the Detroit Symphony since 1952 and has done considerable solo work and chamber music. David is a member of the Cantata Academy. He played the Hoffmeister Concerto with that group last year. He is a regular member of the Grosse Pointe Symphony.

Sunday's Concert is open to the public. Tickets are available at the box office that day, at program time.

Annual Park Police Report Shows Burglary, Breakin Crimes Increased in 1966

Chief Louwers' Statement To City Officials Reflects Heavy Activities In Most Phases Of Police Operations Last Year

Burglary, breaking and entering crimes in the Park, during 1966, increased 93 percent over the previous year, according to an annual report submitted to City Manager Robert Slone, by Police Chief Arthur Louwers.

The report was received by the Park council on Monday, February 27, and placed on file to become part of the permanent records.

The chief disclosed that last year, personnel of his department cleared a total of 82 burglaries of which 60 were committed during the year, and 22 in prior years. A total of 87 burglaries took place during 1966, the report showed.

In a breakdown of criminal investigations conducted by officers of his department, the chief revealed that the following criminal actions had been cleared for other cities: 62 burglaries, recovered 24 stolen automobiles, cleared 34 larceny cases, captured two escapees, solved 15 miscellaneous cases, and arrested 30 persons wanted on criminal warrants. This represents an increase of 87 offenses over 1965, involving 187 cases and 106 persons.

Last year, the department recorded a total of 346 traffic accidents, an eight percent decrease (none in 1965 and one in 1966).

Non-fatal, or injury-type accidents showed a decrease of nine percent, and property damage was down eight percent last year, as compared to 1965, the chief reported.

Also percentage-wise, pedestrians, saw a young man running from the house, and followed him to his house in the neighborhood. She called police, and the boy was arrested.

At the station, the juvenile confessed to breaking into the house on two separate occasions, including the time he was surprised taking a bath. He said he was looking for money, but found nothing. He returned the third time, he said, because he thought no one was in the house.

The elderly couple entered the home of the Tanners on February 14, to make sure everything was in order. As they walked into the house, they heard the shower in the second floor bathroom running, and assuming it was another friend of the family, who was supposed to do some work in the house, they called out, "Is that you, John?"

The intruder called back, "No," (Continued on Page 2)

Public Cordially Invited to See Newest Additions to Plant in Cook Road

The Grosse Pointe University School, 1045 Cook road, will hold its fourth Annual Open House on Sunday, March 5, from 3 to 5 in the afternoon. The public is most cordially invited.

For more than 67 years the University School has served countless students of Grosse Pointe and, more recently, of Greater Detroit. It offers to pre-kindergarten through grade twelve a college preparatory program which is recognized among independent schools as one of the finest. Seven hundred students are enrolled.

The purpose of the Open House is to give the public an opportunity to know more about the University School and appreciate the special advantages it offers. A year ago, under the leadership of Joseph L. Hudson, Jr., \$2,700,000 was raised not only for the improvements in the physical plant, but also the enlargement of the endowment fund.

The three most recently completed additions are:—a science wing, (one of the finest of any college preparatory school), a library capable of containing 20,000 volumes with a seating capacity of 90, and an artificial ice rink which has been enjoyed by so many hundreds of people in the Grosse Pointe area.

Ready to welcome guests will be the members of the staff, representatives of the Board of Trustees, Parents' Association, and Alumni Organization. The staff will be prepared to answer questions about the program, and there will be an opportunity for tours through the school. Refreshments will be served.

Police Recover Snatched Purse

A purse snatched from the hands of Mrs. Doris Flaton of 1348 Maryland, on Tuesday, February 21, was recovered by Detroit police at Seven Mile road and Gratiot avenue, with money missing, but otherwise intact.

Park Det. James LaPratt said that the purse was grabbed from Mrs. Flaton, as she was walking at the corner of Maryland and Vernor, by a Negro motorist, who stopped his vehicle in the middle of Vernor, got out, ran behind the woman, grabbed her purse and escaped in his car before she knew what had happened.

An approaching motorist, who witnessed the crime, gave chase, but lost the culprit at Alter road and Mack avenue, when the fleeing man turned left through a red traffic signal and sped away.

The get-away car was described as being a 1960 or 1961 model, with a light colored top, possibly white, and a maroon or dark red bottom. There was evidence of damage to the area of the left rear tail light, which appeared to have occurred some time ago.

The purse-snatching victim and the witness said the thief was between 18 and 20 years old, about five feet six inches tall, with five-foot eight inches thin build, about 120 to 140 pounds, clean looking and wearing a three-quarter length maroon jacket, light fitting beige colored pants and a dark cap with a light colored beak.

Prison Escapee Robs City Store

An escapee from Jackson Honor Farm is believed responsible for a theft from Fromm's Hardware, 17037 Kercheval avenue, on Friday, February 24. The escapee fled from the Honor Farm last August. He was serving a sentence for larceny from a building.

Henry Kirstowski, employed at Fromm's reported to City Police on Saturday, February 25, that a brown paper sack containing \$175 in cash, 6 checks and approximately 100 charge slips were missing from the store. He also reported that at closing time on Friday, February 24, a suspicious man was loitering in the store. He described the man as a white male, 145 pounds, 5 feet 9 inches tall and about 45 years of age.

The escapee fit the description and was found by Detroit 13th Precinct Police with the charge receipts in his possession. He was held by Detroit Police pending further investigation.

Services at 885-3808 or 885-0271.

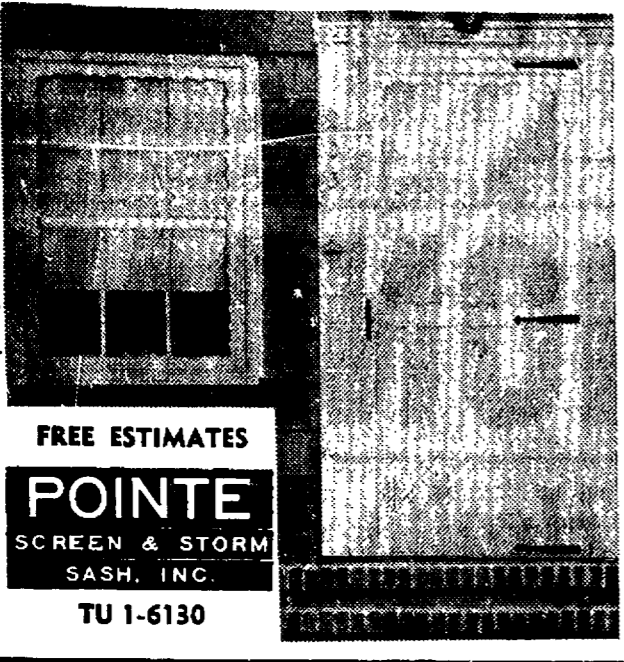

The Wednesday lecture sessions will be conducted by recognized authorities who will present a thorough background of information, and instruction designed to bring greater success and satisfaction to the Grosse Pointe Home Gardener.

pavement. The clinic was secure, he added.
As he continued his routine patrol, Patterson said, starting from the clinic, he observed an automobile traveling south on Mack, at an extremely high rate of speed. He took up pursuit and paced the driver at more than 70 miles an hour.
During the chase, the officer said, the driver, Clyde W. Surrill, 17, of 5648 Lanno, Detroit, changed lanes several times, still at high speed, as he passed other vehicles on the road. The youth made an abrupt turn onto the driveway leading to the parking lot of Blazo's Restaurant, Mack and Bournemouthe.
Patterson said he approached the youth's car on foot, and ordered Surrill out of the automobile. Ignoring the command, Surrill reached inside his glove compartment.
The officer, not knowing what might be in the compartment, warned Surrill not to put his hand inside, but this warning, too, was ignored.
Patterson said he was required to use force to restrain the teenager, and finally handcuffed him and put him in the scout car and took him to the station. Surrill had been drinking, the corporal added.
Surrill was issued a traffic violation ticket for reckless driving, after which his father was called. The father took his son home. A hearing date in court is pending.

University, and was graduated from Wayne State University. A landscape contractor with headquarters in Mt. Clemens, he can claim credit for many beautiful gardens in this area.
March 15 — "Garden Friends and Enemies" — Elmore W. Frank.
The various insects and plant diseases common in this area will be the concern of this lecture. Controlling insects while dormant will greatly reduce the damage they do to our favorite flowers later on. Timing the application is of the utmost importance.
Colored slides will be used to help identify many insects, both friend and foe. The proper use of pesticides will also be discussed.
Mr. Frank is an accredited judge of horticulture of the Men's Garden Club of Grosse Pointe. He is consulting rosarian in the Grosse Pointes for the American Rose Society and is one of the organizers and the first president of the Grosse Pointe Rose Society.

March 22 — "Roses" — J. Arthur Shimmin.
A practical study and analysis of roses for the home garden. This lecture will cover the different types and varieties available with colored illustrations. Also included will be the preparation of the soil, layout of beds, and the planting of your roses. Covered, also will be the choice of plants for beauty and hardiness, and something of the cost involved; their care, maintenance, and fertilization.
Mr. Shimmin is interested in the beautification of the community by attractive landscaping and gardens. He has served as director of the Men's Garden Club of Grosse Pointe and was president of the Club in 1963. A long-time member of the Detroit Rose Society, he was one of the organizers of the Grosse Pointe Rose Society in 1963 and is a past president of this organization. Mr. Shimmin has one of the outstanding rose gardens in this area.
April 5 — "Fruits and Vegetables" — Harold A. Weik.
Mr. Weik will summarize what he considers to be the most important points in the successful growing of prize vegetables and fruits in the home garden.
Mr. Weik consistently grows the finest of vegetables, and in competition in the annual Grosse Pointe Men's Garden Club Show, he has won many ribbons for his fine specimens.
"Bulbs and Annuals for Your Garden" — David L. Swanney.
Whether your garden is designed with formal or informal beds, this lecture will demonstrate the balance of different species of bulbs and tubers to give maximum beauty, form, height, spread, and color effect in spring, summer and fall.
Annual plants for bedding or in the cutting garden, or used in perennial garden to add color or to overcome bare spots. Included is soil preparation and when and how to plant.
Mr. Swanney's experience includes many years as professional gardener, starting in his native Scotland and continuing in the United States. He is now superintendent of the James S. Whitcomb estate in Grosse Pointe Farms.
April 12 — "Hardy Plant Material for the Average Garden — Ornamental Shrubs, Wild Flowers, etc." — Harry Elkins.
Mrs. Elkins is a teacher in Guyton Elementary School and past president of the Men's Garden Club of Detroit. Mr. Elkins, in the space of 15 years and in the area of a moderate lot, has created one of the most distinguished gardens in the Grosse Pointe area. He has assembled an extraordinary collection of dwarf conifers; al-pines; native wildflowers, including particularly, varieties of Trillium and species of Cypripedium; and flowering trees and shrubs, with some emphasis on Rhododendrons.
His correspondence with fellow plantmen embraces growers in the Pacific Northwest, Japan, England, Germany, and Scandinavia, and he spares no effort in adding new gems to his collection nor in solving problems of habitat and design. He will be able to answer many special questions relative to choice and procurement of plants toward gardens of individual interest.

I'm John's son," and after finishing his shower came downstairs and chatted with the man and his wife. The youth was calm and acted as though he had every right in the world to be in the house. He was well-mannered, the couple said.
The man and wife noticed the broken glass of the rear door, and said they were going to call the authorities, and asked the boy if he did not want to wait for the police. The youth replied in the negative, and left the building.
Hough and LaPratt said that the teenager told them that he went through the entire house, looking for money, each time that he broke in, but did not find any. He said that the second time, when his search was unsuccessful, he decided to rest awhile, and laid down on one of the beds. Then he decided to take a shower, which was interrupted by the couple.
The detectives said that the boy had never been in trouble before the breakins.

Burglar Visits Home in Woods

Mr. and Mrs. Jack Kaminska of 1512 Hawthorne, were gone from home for more than six hours, just plenty of time for a burglar to completely ransack their residence, according to information given to Woods police.
The Kaminskas told investigators that they left the house at about 6 p.m. on Sunday, February 26, and returned about 20 minutes after midnight, to find that every room on the first and second floor had been completely ransacked. They said they found all dresser and bureau drawers, doors and cabinets open, and their contents dumped on the floor.
Missing, Kaminska told police, was \$80 from a cabinet in the family room.
The burglar, or burglars, left through the rear door of the building, a report from investigating officers disclosed.

Lawrence Swart Heads U.F. Unit

Former Grosse Pointer Lawrence C. Swart, of St. Clair Shores, has been named director of the United Foundation's Professions Unit, according to an announcement by Walter C. Laidlaw, UF executive vice president.

Swart, a member of Grosse Pointe Memorial Church and a Hillsdale College graduate, joined the UF staff in 1966.

He is the son of Mr. and Mrs. Clark Swart, 955 Crescent Lane, Grosse Pointe Woods, and a graduate of Grosse Pointe High School.

His wife, the former Joyce Dannecker, is the daughter of Mr. and Mrs. Arthur C. Dannecker, 1932 Lennon, Grosse Pointe Woods.

Will Discuss Logic of Love

Dr. Kenneth Boulding of the University of Michigan will lecture on "The Logic of Love," at the Grosse Pointe Unitarian Church on March 3 at 8 o'clock.

Does love have to be taught? What are the many meanings of this oft used, little understood word? Dr. Boulding will discuss the roll of love in the integrative system. It is in this latter social system, which deals with such matters as status, identity, community, legitimacy and loyalty in which love is relevant in all its many aspects.

Professor Boulding, with the Department of Economics at the University of Michigan since 1949, has a rich and varied background in both economics and the behavioral sciences. He was born in England and graduated from Oxford University. His past positions and titles are too lengthy to enumerate. Just a few of these are Prof. of Political Economy, McGill University of Montreal; Fellow, Center for Advanced Study in Behavior, Stanford, Calif.; Visiting Prof. University of West Indies in Jamaica, 1959-60; Visiting Prof. International Christian University, Tokyo, 1963-4; Co-director, Center for Research on Conflict Resolution 1961-64; Research Director 1964 to present.

He has published 12 books. The latest are "Conflict and Defense" (1962), "Disarmament and the Economy" (1963), "The Meaning of the Twentieth Century" (1964).

This lecture is part of the series, "The Direction of Human Development," sponsored by the Grosse Pointe Unitarian Church. Everyone is most welcome. Adults \$1.50, Students \$.75.

Church Offering Lenten Features

The Rev. Edward A. Powers, general secretary of the Division of Christian Education for the United Church of Christ, will be the guest speaker in the fifth of a series of Lenten programs on "Leisure," at the Grosse Pointe Memorial Church, on Wednesday, March 8, at 8 o'clock.

Under Mr. Powers' leadership, the United Church of Christ published, in 1963, a new curriculum for use in its church schools, confirmation classes, and adult Bible classes. The new study materials are the result of a decade's preparation and include teachers' guides and resource books for students from age three through the adult years.

Maps, charts, pictures, recordings of special music and worship services, and filmstrips supplement the books. A special feature of this material is its attempt to combine Biblical insight and contemporary issues. In addition to its educational program for children, young people and adults, the United Church Division of Christian Education conducts programs in occupational counselling, work camps, service projects, and a teen-age overseas exchange program.

The Division also prepares several publications, including "Children's Religion," a monthly magazine for leaders of children; "Church School Worker," a monthly publication for educational administrators of the churches, and "Youth," a bi-weekly magazine for teen-agers. Mr. Powers is a member of key administrative units in the National Council of Churches' Division of Christian Education and the World Council of Christian Education. He is chairman of a committee of the Board for Homeland Ministries dealing with leisure time ministries.

Malcolm M. Johns, Organist and Choir Master at the Grosse Pointe Memorial Church, and Associate Professor of Music at the College of Liberal Arts at Wayne State University, will be the guest speaker at the final program of the Lenten Series on Wednesday, March 15, at 8 o'clock.

Mr. Johns came to Wayne State University as an instructor. He received his present appointment in 1959. Born in Otsego, Mich., he moved to Detroit and graduated from Cooley High School. He received his B.M. degree from Oberlin College and his B.S. degree from Wayne. Wayne awarded him an M.S. degree in 1942. Prior to coming to Wayne, Mr. Johns taught in the Detroit area. He taught at Doty Elementary, Nolan Intermediate, and Foch Intermediate Schools. He served in the Navy from 1942 until 1945.

Mr. Johns belongs to the American Guild of Organists, the Detroit Church Musicians, the Church Music Commission of the National Council of Churches, and Phi Mu Alpha — Sinfonia. From January to August, 1964, he studied in Germany. He and his wife, Marian, live at 414 Rivard boulevard. They have two children, Cort and Kristen.

Check Presented To Peace Corps

Peace Corps Director Jack Vaughn accepted a check for \$1,000 on February 16, from students of Grosse Pointe High School to finance construction of a primary school in Tanzania.

Student Council President Stuart (Stu) Dykstra presented the check to Vaughn in a ceremony at Peace Corps headquarters in Washington, D.C.

The students raised the money through sales of bagels at basketball games, Christmas candy canes and sophomore class buttons in response to Michigan Governor George Romney's urging that they and other Michigan high schoolers participate in the Peace Corps' School Partnership Program.

Started by the Peace Corps in 1964 as the School-to-School Program, the project enables young American school children to aid towns and villages overseas by providing them funds to purchase school construction materials. The villagers supply labor and local materials and build the school under supervision of Peace Corps Volunteers serving in that country.

More than 160 such schools have been completed thus far in Asia, Africa and Latin America. In this case, students at Grosse Pointe High will be responsible for a 90-student addition to an existing primary school—to be known as Grosse Pointe Kidugallo Primary School—in the Kisarawe District 60 miles southwest of Dar-es-Salaam. Interchange between the two schools, as usually happens, is likely to continue after the Tanzanian school is completed.

Awards Given To Cub Scouts

A grand total of 31 awards were presented to 15 members of Cub Scout Pack 86 by Dr. Arthur Johnson, Cubmaster at the monthly Pack Meeting Wednesday, Feb. 22, at Trombly School.

John Templeton of Den 6 was the outstanding award winner with the receipt of a Lion Badge, one Gold and three Silver arrows. This is no small achievement as anyone familiar with Cub Scouting will recognize, as it represents the completion of approximately 50 different projects including working with tools, cooking, plane recognition, woodworking and mastering of other sundry and useful skills.

Pack Committee Chairman Dick Redmond announced that Den 4 was Honor Den for the month and recipient of a flag for Most Awards in Den, Parent Participation Award and the Inspection Award. Den Mother is Mrs. F. Farina.

Best Behavior ribbon was awarded to Den 1. Mrs. John MacLaren is Den Mother.

Other awards were: Den No. 1, Robbie Johnson, Bear Badge, Gold Arrow; Brian Spry, Bear Badge; Den No. 2, William Brownell, Wolf Badge; Roland Vandenbroeck, Wolf Badge, Gold Arrow, Silver Arrow; Den No. 4, Bear Badges, Dennis Kummer, John Farina, Rene Vandenbroeck, Robin Frederickson, Richard Edin and Gary Duemling.

Gold Arrows: Dennis Kummer, John Farina, Rene Vandenbroeck, Robin Frederickson and Gary Duemling. Silver Arrows: Richard Edin, two arrows, Robin Frederickson, Rene Vandenbroeck and John Farina.

Den No. 6: Lion Badges, Robert Riethmiller, Richard Redmond, John Templeton, Neil Callahan and Stephen Peterson; Gold Arrow, John Templeton; Silver Arrows, John Templeton, three arrows and Stephen Peterson.

A Special Adult award, in the form of a plaque thanking him for outstanding cooperation was presented to Mr. Peter Tocco.

SPEEDER TICKETED
City Police were notified on Saturday, January 14, by a Lakeland avenue resident that a red, '67 Chevrolet was squealing tires and racing backwards and forwards between Jefferson and Maumee avenue. The driver of the car, Robert Dale Bracken, 640 Drexel, was issued a ticket for reckless driving and released on a cash bond of \$25.

Farms Police Annual Report Shows Crimes on Increase

The number of calls received by the Farms Police Department, and the number of arrests of adults and juveniles showed a decided increase in 1966, as compared to 1965, according to an annual report submitted to the Farms council by Chief Jack F. Roh, on Monday, February 20.

Last year, the department recorded a total of 2,829 calls, whereas, in the previous year, the number was 2,653.

In 1966, a total of 178 adults and 120 juveniles were arrested, as compared to 131 and 103, respectively, in 1965.

Last year, the chief's report showed, 19 cars were reported stolen. There were 42 burglaries, 164 reports of destruction of property, five armed robberies, two purse snatchings, 36 grand larcenies, 113 simple larcenies, and two rape attempts.

In 1965, there were 13 car thefts, 25 burglaries, 152 reports of destruction of property, no armed robberies, no purse snatchings, 28 grand larcenies, 113 simple larcenies, and no rapes or attempted rapes.

Last year, six assaults with weapons were reported, of which three were actual and cleared, and five persons arrested. Simple assault reports numbered 14, of which seven were actual, and cleared, and 14 persons arrested.

Thirteen automobiles, valued at a total of \$20,300, were stolen and recovered, and 17 persons involved in the thefts were arrested.

Police received 40 reports of homes burglarized, of which 36 were actual, 20 were cleared, 12 persons arrested, and \$20,934 of loot amounting to \$27,380, recovered.

There were 16 actual break-ins of commercial buildings, in which a total of \$2,100 was taken. Twelve cases were cleared, five persons arrested, and \$950 recovered.

Of the five cases of armed robbery, three were cleared, three men arrested, but no loot was recovered. Unarmed robbery reports numbered only two, but there was no loot taken, and neither one was cleared.

Homicidal accident reports numbered two, of which two were cleared and two persons arrested. There were three suicide attempts, and all cleared.

Larceny from dwellings was set at 14, of which nine were cleared, five arrests made, and \$84 of a total of \$484 taken, recovered. Of larceny from business places, the total was 14, of which eight were cleared, 12 persons taken into custody, and \$522 of a total of \$762 stolen, recovered.

There were 10 reports of larceny from automobiles, involving loot amounting to \$776, of which nine reports were actual crimes. None was cleared and no loot recovered.

The department received 68 calls of destruction of property, with the total amount of property destroyed coming to \$1,289, of which \$3,101 was repaid in restitution. Thirteen cases were cleared and 19 persons responsible were arrested.

Thirty-two persons were reported missing and all were recovered, or their whereabouts known.

There were four sex offense reports recorded, all of which actually took place. The four cases were cleared and two persons accused arrested.

Three of five reports of illegal use of narcotics were disclosed of which three were true cases and cleared, and three persons arrested.

Four of six reports of molesting were actual, four were cleared and two culprits arrested.

In uttering and publishing, (bad checks, etc.), there were 15 actual cases, involving an

amount totaling \$882.32, of which \$443.45 was repaid by persons responsible. Two persons were arrested, and nine cases cleared.

Chief Roh's report showed that the total number of 1965 offenses cleared during 1966, came to 14, of which 11 were breaking and entering, and three were grand larcenies.

Throughout all of last year, a total of 360 offenses were reported, of which 28 were un-founded, 332 were actual, 152 cleared, 122 arrests were made, and \$40,261.20 of a total of \$73,309.37 of loot taken, recovered.

Spanish Club Meets March 6

Fun and Fitness Offered Fathers

It would sound terrible to identify a Fun and Fitness for Fathers class as a group for 4-Fers, so we will not. However, if you would be interested in a little physical activity of a reasonably passive nature, then this new class of basketball, volleyball, or whatever, is just what you may want.

Prompted by requests from some dads of the Neighborhood Club Midget Basketball players, this class is offered by the Department of Community Services at Brownell Junior High School on Thursday evenings from 7:30 to 9. The fee for this initial eight-week session is \$5, payable to the Department of Community Services.

See if you can talk one of your fattening friends into joining you in this informal class.

Republican Club Meeting March 10

State Senator Robert J. Huber of Oakland County will be the speaker for the annual Membership Meeting of the Women's Republican Club of Grosse Pointe on Friday, March 10, at the Grosse Pointe War Memorial.

Luncheon will be served at 12:30 o'clock in the Crystal Ballroom.

Membership chairmen, Mrs. Philip Marco and Mrs. Bryan Melvin invite all Grosse Pointers interested in Republican politics to hear Senator Huber's first hand account of "What is going on in Lansing."

Reservations may be obtained by calling Mrs. Paul Gracey, 885-9275, or Mrs. Milton O. Cross III, 886-4838.

Senator Huber is a native Detroit. After graduating from Culver Military Academy and Yale University, he served with the U. S. Army until 1946.

Along with his duties in Lansing, Senator Huber is also president of the Michigan Chrome and Chemical Company and its subsidiaries; a director of the Troy National Bank and of Alloy Steels, Inc.

Among the many other governmental positions he has held, he served two years as Mayor of the City of Troy, and four years on the Oakland County Board of Supervisors. He is now serving his second term as State Senator.

Senator Huber resides in Troy with his wife, Polly.

Four Being Sent To Symposium

Two members of the staff and two students from Grosse Pointe High School have been selected to participate on March 3 and 4 in the Third Annual Southeastern Michigan Junior Science and Humanities Symposium to be held at the McGregor Memorial Conference Center at Wayne State University.

Tom Ouellette, 18, son of Mr. and Mrs. Roy Ouellette, 749 Westchester, and Marshall A. Massey, 17, son of Mr. and Mrs. Marshall Massey, 423 Manor, will attend. Slated as teacher participants are Robert D. Welch, Assistant Principal-Instruction Grosse Pointe High School, and Charles E. Krautz, a member of the English department.

Tom will present a research paper, "The Time-Radiation Factor in Chromosomal Mapping."

Overall theme of the symposium is "Research in Progress—Science in the Making." Theme of the event at Wayne State is "Human Values and Science."

This week-end's activities are sponsored by the Research Office and Tank-Automotive Command of the U.S. Army, and by Wayne State University.

Main objectives of the program are to promote the study of the sciences and mathematics, particularly at the high school level; to demonstrate the part which the humanities play in the development of the scientist; to emphasize the importance of both the sciences and the humanities to the national culture and general welfare.

Other goals are to provide recognition and prestige in the school environment for students who demonstrate an aptitude for and an appreciation of scientific studies and also to assist the career-chosing process by revealing the variety of opportunities in the sciences.

PTA at Mason Meets Tonight

Millard Grell, director of curriculum planning for the Grosse Pointe School system, and a panel of seven associates will examine the concept of "The Middle School" for members of the Mason School PTA on Thursday, March 2, at 8 p.m.

This program includes the use of a film strip and a question and answer period following the formal presentation.

Members of the panel assisting Mr. Grell include the following: John Rohrer, principal of Maire School; Alan Schaefer, mathematics teacher at Grosse Pointe High School; William Mogk, principal of Pierce Junior High School; Neil Curtis, counselor at Brownell Junior High School; Marvin Rants, teacher at Monteith School; Doris Appel, school social worker; Willis Brown, English instructor at Parcels Junior High School.

This evening represents a unique opportunity for parents to participate in the planning stages in what may become a significant change in the Grosse Pointe School System.

Classrooms will be open for parent-teacher visitation between 7:30 and 8 p.m. Refreshments will be served following the program.

Scouts Receive Church Award

Two Grosse Pointe scouts were among those who received the "God and Country Award" at the family service in St. Philip and St. Stephen Episcopal Church, Lakewood at Frankfurt.

The Rev. Paul Curry Armstrong of Neff Road officiated and was assisted in the ceremony by Allan Howey, George Chapman and Lee Oberle, recipients of the award last year, who presented the boys with God and Country lapel pin, and by Scoutmasters Leslie Marhoff, Don Marhoff and Walter Macklem who offered the God and Country medals for blessing and then pinned them on the scouts' tunics.

Those boys so honored were Life Scout John Freeman and Star Scout James Freeman of Troop 156 which meets in Christ Church, Grosse Pointe, and Star Scouts Richard Terhune, Troop 234, and George Macklem, Troop 129, Detroit. Representatives and Color Guards from the three troops attended the service.

The God and Country Award is presented to scouts of First Class rank or above who have rendered 150 hours of service to their Church and have satisfactorily completed a year's course of study based on the Bible and the teachings of their denomination.

To Show Films Of California

Color movies of "California Holiday" will be shown by Stan Midgley, the bicycling humorist, on the Grosse Pointe World Adventure Series program, at 8 p.m., Wednesday, March 8, in Parcels Auditorium, Mack avenue at Vernier road.

As an extra, Midgley will also show color films of the 1967 Tournament of Roses Parade at Pasadena, Calif.

Midgley, noted for his laugh-a-minute movies and narration, mounts his bicycle and films his home state of California and nearby Nevada. He covers King's Canyon, Yosemite, Sequoia, and Mt. Lassen National Parks. He travels up the spectacular Redwood Highway, and along the scenic California coast in Springtime.

Among other highlights of his film are Mt. Shasta, lovely Lake Tahoe, Reno and Virginia City in Nevada, steam vents and muds pots, Squaw Valley, Burney Falls, Mt. Whitney and the High Sierra, the bizarre shoreline of Mono Lake, and the 211 mile John Muir Trail. Midgley also shows sequences of camping out in the back-country and fishing for golden trout.

Following "California Holiday" Midgley will present a special showing of his color movies of the 1968 Pasadena Rose Parade. Included are prize winning floats, flowers, beauty queens, and marching bands with their stirring music recorded-on-the-spot, plus Midgley's humorous antics.

Tickets are available at the World Adventure Series box office, open 12 to 5:30 every afternoon but Monday, in the Detroit Institute of Arts.

Harassed Mother Gives in To Cajolery of 11-Year-Old

By Pepper Whitelaw
To pierce or not to pierce... that is the question in the minds of many Pointe mothers today. It seems the ear-punching "fad" has hit the Pointe by storm. Mothers of girls between 11 and 17 years of age are cajoled daily to allow their daughters to indulge in this barbaric practice.

I used the "when in doubt, procrastinate method," only to be out-manuevered by an 11-year-old! She had thoroughly won her father over with the father-daughter technique that most of us older gals have long since forgotten. So before I knew it, I found myself making an appointment with a doctor who would perform this service. I had heard that many of the girls do the piercing themselves with the aid of ice cubes and an upholstery needle, but not feeling quite up to this approach I made the necessary arrangements.

As the day of the appointment approached, I became less and less eager to accompany my daughter... but mustering up all my courage, I set off on the appointed day... trying lamely to assure her that it was a painless procedure.

As we sat in the waiting room, I thought—What price vanity? My little gal however was very complacent about the whole thing. It was momma who was doing the worrying. Finally, we were ushered into the doctor's inter sanctum. In a very professional voice he asked for the earrings. (For one fleeting moment I thought he had asked me for a scalpel).

The dainty little heart-shaped earrings were then immersed in alcohol. Then to my dismay, he produced a hypodermic syringe that looked like the long cold finger of doom. With an efficient hand he inserted it into each ear lobe... it was at this point that the sound of jungle drums seem to come from out of nowhere and I could envision African natives at their tribal ceremonies.

I remember very little about the rest of the operation except that a very unfriendly looking needle, not dissimilar to an upholstery needle, was then inserted in each ear lobe after which the tiny 14-karat gold earrings were affixed to each ear. After some instructions as to how to care for the ears—we were off.

At this point I was very wobbly, lightheaded and generally not functioning very well. My daughter? She was gaily skip-

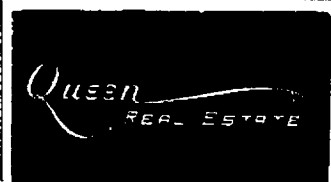

ping along the sidewalk asking me how her new earrings looked.

Conclusion: if any of you readers are anticipating having this done for your little gal, let her go alone... at our age we just can't take too many more of these traumatic experiences!

An interesting P. S. to the story is that now instead of only having to worry about what

dress, shoes and stockings to wear in the morning, your little girl now can add "which pair of earrings" to her list!

City of Grosse Pointe ZONING ORDINANCE

TITLE

AN ORDINANCE to regulate and restrict the use of land and buildings by dividing the City of Grosse Pointe into districts; defining certain terms used therein; imposing regulations, prohibitions and restrictions governing the erection, construction, reconstruction of structures and buildings and lands to be used for business, residence, social, and other specific purposes; regulating and limiting the height and bulk of buildings and other open spaces, regulating and limiting the density of population; limiting congestion upon the public streets by providing for the off-street parking and loading of vehicles; providing for the gradual elimination of non-conforming uses of land, buildings, and structures; establishing the boundaries of districts; creating a Board of Zoning Appeals, defining and limiting the powers and duties of said Board, and setting standards to guide actions of said Board and providing the means of enforcing said Ordinance and providing a penalty for violation of said Ordinance.

PREAMBLE

In accordance with the authority and intent of Act 207, of the Public Acts of 1921, as amended, the City of Grosse Pointe desires to provide for the orderly development of the City, which is essential to the well being of the community, and which will place no undue burden upon developers, commerce or residents. The City further desires to assure the provision of adequate sites for commerce and residence; to provide for the free movement of vehicles upon the proper streets and highways of the City; to protect commerce and residences against incongruous and incompatible uses of land, and to promote the proper use of land and natural resources for the economic well being of the City as a whole; to assure the provision of adequate space for the parking of vehicles of customers using commercial and retail areas; and that all uses of land and buildings within the City of Grosse Pointe be so related as to provide for economy in government and mutual support. The result of such purposes of this Ordinance, which relates to the City's Comprehensive Development Plan, will promote and protect the public health, safety, comfort, convenience, and general welfare of the residents, shoppers, and workers in the City of Grosse Pointe.

ENACTING CLAUSE

THE CITY OF GROSSE POINTE, COUNTY OF WAYNE, STATE OF MICHIGAN ORDAINS:

ARTICLE I SHORT TITLE

Section 1.01. This Ordinance shall be known as the Zoning Ordinance of the City of Grosse Pointe.

ARTICLE II DEFINITIONS

Section 2.01. For the purpose of this Ordinance, certain words and terms used herein shall be interpreted or defined as follows:

Words used in the present tense include the future tense. The singular number includes the plural and the plural, the singular. The word "person" includes a corporation, partnership, association, as well as an individual. The term "shall" is always mandatory and not merely directory.

ACCESSORY BUILDING: A subordinate building or structure on the same lot, or part of the main building, occupied by or devoted exclusively to an accessory use.

ACCESSORY USE: A use naturally and normally incidental to, subordinate to, and auxiliary to the permitted use of the premises.

ALLEY: Any dedicated public way providing a secondary means of ingress to or egress from land or structures thereon, as designated upon the Zoning Map.

ALTERATION: Any change, addition or modification in construction or type of occupancy; any change in structural members of a building, such as walls, partitions, columns, beams, girders or any change which may be referred to herein as "altered" or "reconstructed."

APARTMENT: A room or suite of rooms used as a dwelling for one family which may do its cooking therein.

APARTMENT HOUSE: A residential structure containing three (3) or more apartments.

AUTOMOBILE SERVICE STATIONS: A building or structure designed or used for the retail sale or supply of fuels, lubricants, air, water and other operating commodities for motor vehicles, aircraft or boats, and including the customary space and facilities for the installation of such commodities on or in such vehicles, and including space for facilities for the temporary storage of vehicles not over forty-eight (48) hours, minor repair, or servicing but not including bumping, painting, refinishing, major repairs and overhauling, steam cleaning, rust-proofing, or high-speed washing thereof.

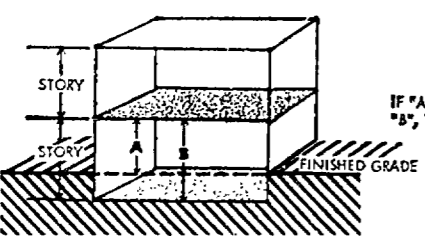

BANK: An establishment for the custody, loan, exchange, or issue of money, for the extension of credit, and for facilitating the transmission of funds by drafts or bills of exchange. A bank shall be construed to mean an establishment wherein all business is transacted with customers totally within a building, and shall not include drive-in teller windows, booths, and accessory structures designed to serve customers while in their automobiles.

BASEMENT: A portion of a building partly or wholly below the finished grade level and so located that the vertical distance from said grade level to the floor is greater than the vertical distance from said grade level to the ceiling. (See illustration.)

BASEMENT & STORY DEFINITION

IF "A" IS EQUAL TO OR LESS THAN 1/2 OF "B", THIS IS A BASEMENT.

IF "A" IS GREATER THAN 1/2 OF "B", THIS IS A STORY.

BUILDING HEIGHT REQUIREMENTS

BILLBOARD: Any construction or portion thereof upon which a sign or advertisement is placed, painted, or otherwise designated for the purpose of making anything known to the general public, but not including bulletin boards used to display official court or public office notices.

BLOCK: The property abutting one side of a street and lying between the two nearest intersecting street or between the nearest such streets and unsubdivided acreage, lake, or between any of the foregoing and any other barrier, to the continuity of development.

BOARD OF ZONING APPEALS: The words "Board of Zoning Appeals" or "Board" shall mean the Board of Zoning Appeals of the City of Grosse Pointe.

BUILDABLE AREA: The buildable area of a lot is the space remaining after the minimum open space requirements of this Ordinance have been complied with.

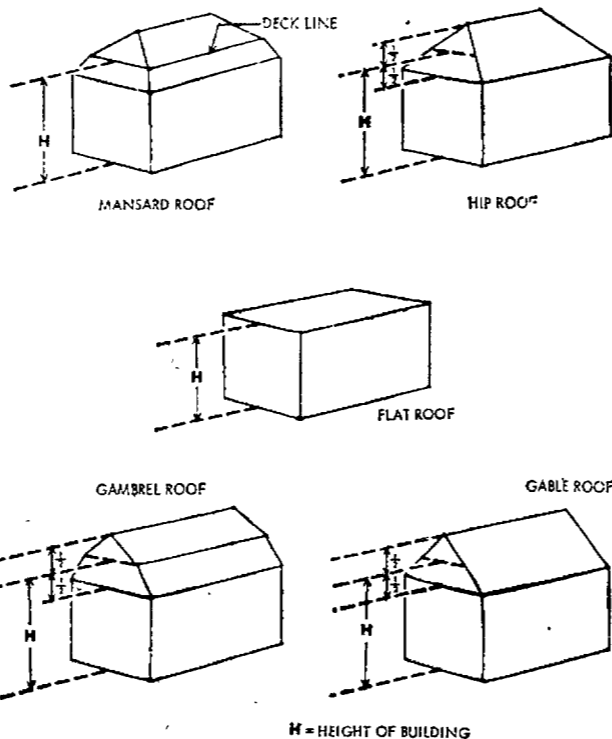

BUILDING: Any structure having a roof, supported by columns or by walls and intended for the shelter, housing or enclosure of any person, animal or chattel.

BUILDING—SEPARATE: Any portion of any structure completely separated from every other portion by masonry or a fire wall, which wall extends from the ground to the roof.

BUILDING—PRINCIPAL: A building in which is conducted the principal use of the lot on which it is located.

BUILDING DEPARTMENT: The Building Department of the City of Grosse Pointe.

BUILDING HEIGHT: The vertical distance measured from the reference level to the highest point of the roof surface if a flat roof; to the deck of mansard roofs; and to the mean height level between eaves and ridge of gable, hip, and gambrel roofs. (See illustration.)

BUILDING INSPECTOR: The Building Inspector of the Building Department or his authorized representative.

BUILDING LINE: A line established, in general, parallel to the front street right-of-way line between which line and the front street line no part of a building shall project, except as otherwise provided by this Ordinance.

CARPORIT: Space enclosed on less than three (3) walls for the purpose of housing or storing motor vehicles.

CATCH TERMS AND TITLES AND ILLUSTRATIONS: Catch terms and titles, and illustrations used in this Ordinance shall not be construed as specific regulations but rather as guides to the various articles, sections, and subsections of the Ordinance.

CITY ENGINEER: The City Engineer of the City of Grosse Pointe or his authorized representative.

CLERK: The Clerk of the City of Grosse Pointe.

CITY COUNCIL: The words "City Council" shall mean the City Council of the City of Grosse Pointe.

CITY MANAGER: The City Manager of the City of Grosse Pointe.

CONVALESCENT HOME: A convalescent home is a home for the care of children or the aged or infirm, or a place of rest for those suffering bodily disorders, wherein two or more persons are cared for. Said home shall conform and qualify for license under State laws.

COURT: A court is an open unoccupied space other than a yard, and bounded on at least two sides by a building. A COURT extending to the front lot line or front yard, or to the rear lot line or rear yard is an outer court. Any other court is an INNER COURT.

DENSITY: The number of families residing on, or dwelling units developed on an acre of land. As used in this Ordinance, all densities are stated in families per net acre, that is, per acre of land devoted to residential use, exclusive of land in streets, alleys, parks, playgrounds, school yards, or other public lands and open spaces.

DISTRICT: A portion of the City of Grosse Pointe within which, on a uniform basis, certain uses of land and buildings are permitted and within which certain yards, open spaces, lots areas, and other requirements are established.

DRIVE-IN ESTABLISHMENT: A business establishment, other than a drive-in restaurant, so developed that its retail or service character is dependent on providing a driveway approach or parking spaces for motor vehicles so as to serve patrons while in the motor vehicle, and may include drive-in banks, drive-in cleaners, and drive-in laundries.

DRIVE-IN RESTAURANT: A drive-in restaurant or other drive-in establishment serving food and/or drink so developed that its retail or service character is dependent on providing a driveway approach or parking spaces for motor vehicles so as to serve patrons for consumption on the premises while in the motor vehicle.

DWELLING, MULTIPLE: A building or portion thereof used or designed as a residence for three or more families living independently of each other and doing their own cooking in said building. This definition includes three-family houses, four-family houses, and apartment houses, but does not include hotels, motels, trailer camps or mobile home parks.

DWELLING UNIT: A dwelling unit is a building or portion thereof, designed or used as a place of residence for a single family.

ERECTED: The word "erected" includes built, constructed, reconstructed, moved upon, or any physical operations on the premises required for the building. Excavations, fill, drainage, and the like, shall be considered a part of erection.

ESSENTIAL SERVICES: The phrase "essential services" means the erection, construction, alteration, or maintenance by public utilities or municipal departments or commissions of underground, surface, or overhead gas, electrical, steam, or water transmission or distribution systems, collection, communication, supply or disposal systems, including mains, drains, sewers, pipes, conduits, wires, cables, fire alarm boxes, police call boxes, traffic signals, hydrants, towers, poles, and other similar equipment, and accessories in connection therewith reasonably necessary for the furnishing of adequate service by such public utilities or municipal departments or commissions or for the public health or safety or general welfare, but not including buildings other than such buildings as are primarily enclosures or shelters of the above essential service equipment.

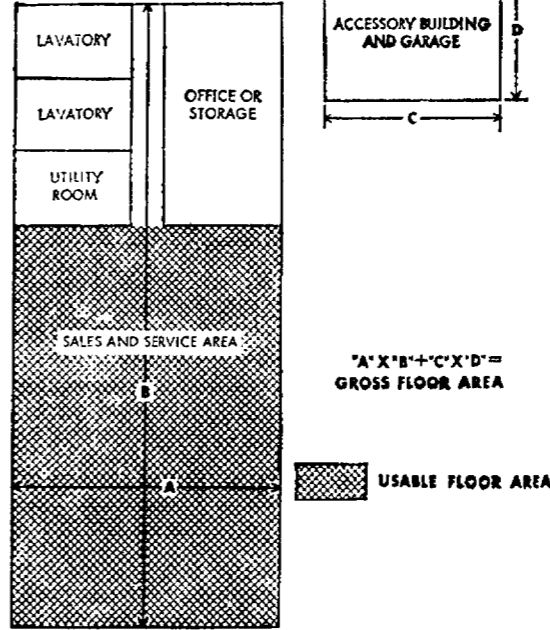

FAMILY: One or more persons living together and interrelated by bonds of consanguinity, marriage, or legal adoption, and occupying a dwelling unit as a single non-profit housekeeping unit as distinguished from a group occupying a hotel, club, boarding house, fraternity or sorority house. A family shall be deemed to include domestic servants, gratuitous guests, and not more than three foster or boarded children whose room and board is paid by a recognized child care agency or organization.

FILLING: Shall mean the depositing or dumping of any matter on or into the ground, except deposits resulting from common household gardening.

FLOOR AREA, GROSS: The sum of the gross horizontal areas of the floors within outside walls of a building including basement, elevator shafts and stairwells at each story, floor space used for mechanical equipment, penthouse, half story, and mezzanine or interior balcony. (See illustration.)

FLOOR AREA, USABLE: Any floor area within outside walls of a building exclusive of areas in cellars, basements, utility areas, unfinished attics, garages, open porches, and accessory buildings. (See illustration.)

FLOOR AREA TERMINOLOGY

FOSTER CHILD: A child unrelated to a family by blood or adoption with whom he or she lives for the purposes of care and/or education.

GARAGE APARTMENT: A room or suite of rooms in an accessory building used as a dwelling unit for one family which may do its cooking therein.

GARAGE, COMMERCIAL: Any premises used for the storage, care, repair or refinishing of motor vehicles, but not including a place where any such vehicles are for hire or sale. (See also definition of Automobile Service Station.)

GARAGE, COMMUNITY: A series of private garages located jointly on a parcel of land under a single ownership.

GARAGE, PRIVATE: An accessory building designed or used for the storage of not more than three (3) motor vehicles owned and used by the occupants of the building to which it is accessory. (See Section 7.02, d.)

HOME OCCUPATION: Any use customarily conducted entirely within the dwelling and carried on entirely by the inhabitants thereof, which use is clearly incidental and secondary to the use of the dwelling for dwelling purposes and does not change the character thereof. Provided further, that no article or service is sold or offered for sale on the premises, except such as is produced by such occupation; that such occupation shall not require internal or external alterations or construction features, equipment, machinery, outdoor storage, or signs not customary in residential areas. No signs may be attached to the building or placed on the premises. Clinics, hospitals, barber shops, beauty parlors, tea rooms, tourist homes, animal hospitals, kennels, millinery shops, and child care day nurseries, among others, shall not be deemed to be home occupations.

HOSPITAL: An institution providing health services, primarily for in-patients and medical or surgical care of the sick or injured, including as an integral part of the institution, such related facilities as laboratories, out-patient departments, training facilities, central service facilities and staff offices.

INSPECTOR: The Building Inspector of the City of Grosse Pointe.

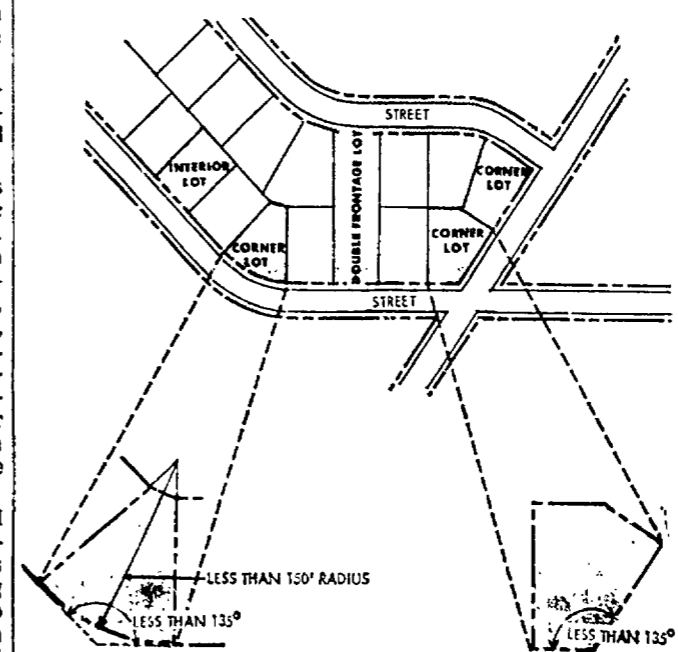

LOADING SPACE: An off-street space on the same parcel of property with a building or group of buildings, for temporary parking of a commercial vehicle while loading and unloading merchandise or materials.

LOT: Land occupied or to be occupied by a use, building or structure and permitted accessory buildings together with such open spaces, lot width and lot area as are required by this Ordinance and having its principal frontage upon a public street or upon a private way used for street purposes. A lot need not be a lot of record.

LOT AREA: The total horizontal area of a lot within the lot lines as defined. For lots fronting or lying adjacent to private street or public alleys, lot area shall be interpreted to be that area within the lot lines measured to the center of the adjacent private street or public alley.

LOT, CORNER: A corner lot is a lot of which at least two adjacent sides abut for their full length upon a street, provided that such two sides intersect at an angle of not more than one hundred thirty-five (135) degrees. Where a lot is on a curve, if tangents through the extreme point of the street line of such lot make an interior angle of not more than one hundred thirty-five (135) degrees, it is a corner lot. In the case of a corner lot with curved street line, the corner is that point on the street lot line nearest to the point of intersection of the tangents described above. (See illustration.)

CORNER, INTERIOR AND DOUBLE FRONTAGE LOTS

LOT COVERAGE: The part or per cent of the lot occupied by buildings or structures, including accessory buildings or structures, and permanent swimming pools.

LOT DEPTH: The mean horizontal distance from the front street line to the rear lot line.

LOT, DOUBLE FRONTAGE: An interior lot having frontages on two more or less parallel streets as distinguished from a corner lot. In the case of a row of double frontage lots, one street

will be designed as the front street in the plat and the lot for a building permit. (See illustration.)

LOT, INTERIOR: A lot other than a corner lot. (See illustration.)

LOT LINES: The property lines bounding the lot.

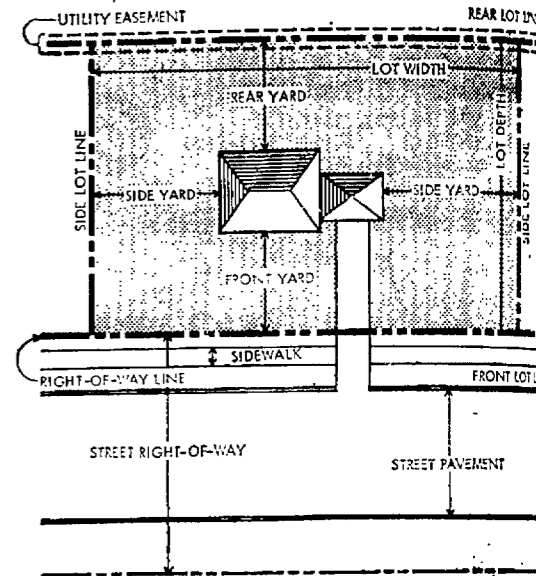

Front Lot Line. In the case of a lot abutting upon one or private street, the front lot line shall mean the separating such lot from such street right-of-way. In the case of any other lot, the owner shall, for the purpose of this Ordinance, have the privilege of electing any street as the front lot line, providing that such choice, in the opinion of the Building Inspector, will not be injurious to the or the desirable future development of adjacent property. (See illustration.)

Rear Lot Line. Ordinarily, that lot line which is most distant from the front lot line of the lot. In the case of an irregular, triangular, or gore-shaped lot, ten (10) feet in length entirely within the lot and at the maximum distance from the front lot line, the lot shall be considered to be the rear lot line for the purpose of determining depth of rear yard. In cases where these definitions are applicable, the Building Inspector designate the rear lot line. (See illustration.)

Side Lot Line. Any lot line not a front lot line or a rear lot line. A side lot line separating a lot from another lot is an interior side lot line. (See illustration.)

Street or Alley Lot Line. A lot line separating the lot from the right-of-way of a street or an alley.

LOT TERMS

LOT WIDTH: The mean horizontal distance between the lot lines, measured at right angles to the side lot lines. Where side lot lines are not parallel, the lot width shall be the average of the width between such side lot lines.

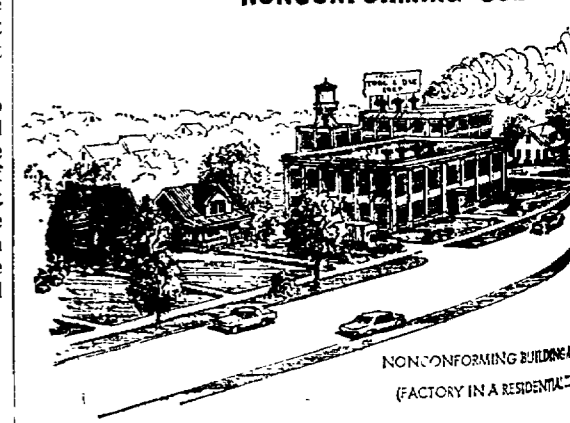

MOBILE HOME: For the purpose of this Ordinance, a "mobile home" shall mean any structure intended for or of human habitation, sleeping or cooking, mounted on wheels or other devices and capable of being moved from place to place, either by its own power or by the power supplied by some other power source. This definition shall not include travel trailers in length as hereafter defined.

MOTOR VEHICLE REPAIR: General repair, engine rebuilding, building or reconditioning of a motor vehicle; collision service as body, frame or fender straightening and repair; overhauling; but not including undercoating of automobiles conducted in a completely enclosed spray booth.

NONCONFORMING BUILDING: A nonconforming building or portion thereof lawfully existing at the effective date of this Ordinance, or amendments thereto, and which does not conform to the provisions of the Ordinance in the zoning district in which it is located.

NONCONFORMING USE: A nonconforming use is a use lawfully occupied a building or land at the effective date of this Ordinance or amendments thereto, and that does not conform to the use regulations of the zoning district in which it is located. (See illustration.)

NONCONFORMING USE

NURSERY, DAY NURSERY, NURSERY SCHOOL OR CHILD CARE CENTER: An establishment wherein three or more children, not related by bonds of consanguinity or foster care, are residing on the same premises, are, for remuneration, for such nurseries or centers need not have a residential use on the premises.

OFF-STREET PARKING LOT: A facility providing parking spaces, along with adequate drives and maneuvering, so as to provide access to and from the parking of more than two automobiles.

PARKING SPACE: A rectangular area of not less than ten feet wide by twenty (20) feet long, for each automobile vehicle, such space being exclusive of necessary drive entrances or exits and being fully accessible for the parking of permitted vehicles.

PERSON: The word "person" includes any firm, corporation or any association of natural persons acting or by a servant, agent, or otherwise.

PUBLIC UTILITY: Any person, firm, corporation, municipal department or board, duly authorized to furnish and furnishing federal, state, or municipal regulations to the public; electric, gas, steam, communications, telegraph, transportation, or other utility.

REFERENCE LEVEL: The reference level for any building within (10) feet of the front lot line is the official established curb grade; for any building more than ten (10) feet from the front lot line, or where a finished grade is established, the reference level is the mean level of the ground across the front of such building. When the mean finished grade abutting any portion of a lot varies five (5) feet or more from that at the front, such mean may be taken as the reference level for such portion of a building.

WASTE: Means the miscellaneous waste materials resulting from housekeeping, mercantile enterprises, trades, manufacturing or offices, including other waste matter such as slag, stone, brick, concrete, fly ash, ashes, tin cans, glass, scrap metal, rubber, paper, rags, chemicals, or any similar or related combinations thereof.

OUTDOOR ADVERTISING: Any card, cloth, paper, metal, plastic, wood, plaster, stone or sign of other material of any kind placed for outdoor advertising purposes on the ground or on a wall, bush, rock, post, fence, building, structure, or on a tree. The term "placed" as used in the definition of "Outdoor Advertising Sign", and "Outdoor Advertising Structure" include erecting, constructing, posting, painting, printing, nailing, gluing, sticking, carving, or other fastening, or making visible in any manner whatsoever. See also "BILLBOARD".

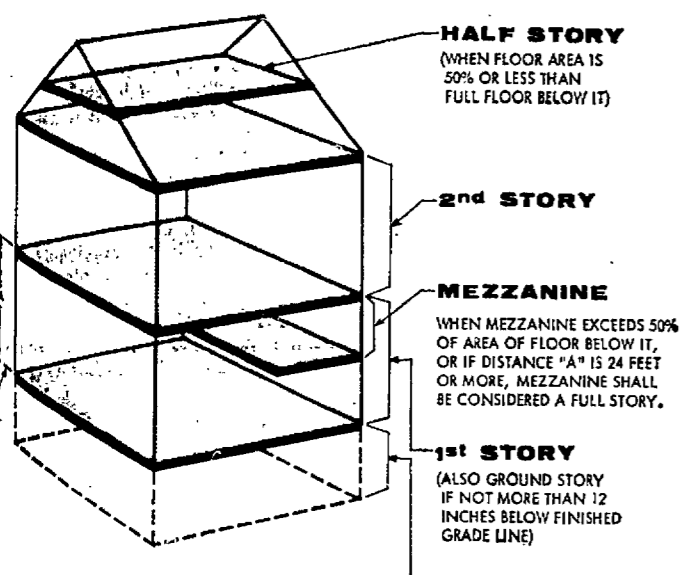

ADJACENT PARCEL OWNERSHIP: Possession of a parcel of property wherein the owner does not own adjoining vacant property or developed property.

SOIL REMOVAL: Shall mean the removal of any kind of soil or earth matter which includes topsoil, sand, gravel, clay or similar materials or any combination thereof, except common household cleaning and general farm care.

EQUALIZED VALUATION: The value shown on the City assessment roll as equalized through the process of State and local equalization.

FLOOR: That portion of a building, other than a cellar or mezzanine, included between the surface of any floor and the floor above it, or, if there be no floor above it, then the space between the floor and the ceiling next above it. (See illustration.)

BASIC STRUCTURAL TERMS

MEZZANINE: Shall be deemed a full story when it covers more than fifty (50) per cent of the story underneath said mezzanine, or, if the vertical distance from the floor next below it to the floor next above it is twenty four (24) feet or more. For the purpose of this Ordinance, a basement or cellar shall be counted as a story if over fifty (50) per cent of its height is above the level from which the height of the building is measured, or if it is used for business purposes, or if it is used for dwelling purposes by other than a janitor or domestic servants employed in the same building including the family of the same.

GROUND STORY: The lowest story of a building, the floor of which is not more than twelve (12) inches below the elevation of the reference level.

HALF STORY: The part of a building between a pitched roof and the uppermost full story, said part having a floor area which does not exceed one-half (1/2) of the floor area of said full story.

THOROUGHFARE: A thoroughfare which affords traffic circulation and principal means of access to abutting property, including avenue, way, drive, lane, boulevard, highway, road, and any other thoroughfare except an alley. A PUBLIC STREET is a street dedicated by dedication or otherwise by the City of Grosse Pointe.

PRIVATE STREET: is a street not so accepted, or any street designated as a private street upon a recorded plat.

STRUCTURE: Anything constructed or erected which requires permanent location on the ground or attachment to something existing at such location.

STRUCTURE, OUTDOOR ADVERTISING: Any structure of any character erected or maintained for outdoor advertising purposes, upon which any outdoor advertising sign may be placed, including also outdoor advertising statuary.

STRUCTURAL ALTERATION: Any change in the supporting members of a building or structure, such as bearing walls or columns, beams, or girders or any change in the width or number of exits, or any substantial change in the roof.

TERRACE DWELLING: A Terrace Dwelling is a series of attached one-family private dwellings separated from one another by a common or party walls of fireproof construction, and composed of three (3) to twelve (12) attached one-family dwellings, not more than two and one-half (2 1/2) stories in height in which each dwelling unit has its own front entrance and rear entrance, except otherwise provided in Article X.

TRAVEL HOMES (ALSO TRAVEL TRAILERS): For the purpose of this Ordinance, the term "Travel Homes" shall mean a structure intended for or capable of human habitation, sleeping or eating, mounted upon wheels and capable of being moved from place to place, either by its own power or power supplied by some other vehicle attached thereto. This definition shall include all such vehicles eight (8) feet or under in width and thirty two (32) feet or under in length. Such definition shall include travel trailers, motor homes, campers, etc.

TREASURER: The City Treasurer of the City of Grosse Pointe.

USE: The purpose for which land or premises or a building is designed, arranged, or intended, or for which it is used or maintained, let or leased.

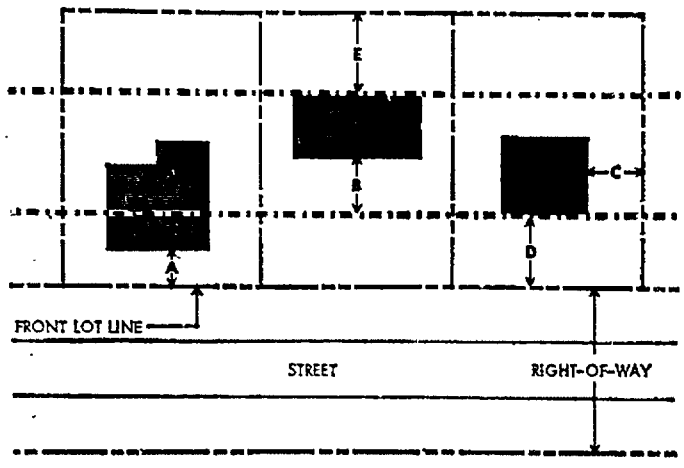

UTILITY ROOM: A room or space, located other than in the basement, specifically designed and constructed to house any utility or laundry facilities.

(Continued on Next Page)

City of Grosse Pointe ZONING ORDINANCE

YARD: An open space on the same lot with a building unoccupied and unobstructed from the ground upward, except as otherwise provided herein. The measurement of a yard is the minimum horizontal distance between the lot line and the building or structure. (See illustration.)

YARD REQUIREMENTS

LEGEND

- A—DEFICIENT FRONT YARD
- B—FRONT YARD IN EXCESS OF MINIMUM FRONT YARD REQUIRED
- C—MINIMUM SIDE YARD REQUIRED
- D—MINIMUM FRONT YARD REQUIRED, ALSO BUILDING SETBACK LINE
- E—MINIMUM REAR YARD REQUIRED

YARD, FRONT: A yard extending the full width of the lot, the depth of which is the minimum horizontal distance between the front lot line and the nearest line of the principal building on the lot.

YARD, REAR: A yard extending the full width of the lot, the depth of which is the horizontal distance between the rear lot line and the rear line or lines of the principal building on the lot.

YARD, SIDE: A yard between the side line of the lot and the nearest line of the principal building and extending from the front yard to the rear yard, or, in the absence of either of such yards, to the front and rear lot lines as the case may be; except that on a corner lot, the side yard adjacent to a street shall extend the full depth of the lot.

ZONE OR ZONING DISTRICT: A portion of the City of Grosse Pointe within which, on a uniform basis, certain uses of land and buildings are permitted and within which certain yards, open spaces, lot areas, and other requirements are established.

ARTICLE III LIST OF DISTRICTS

- Section 3.01. **DISTRICTS.** The City of Grosse Pointe is hereby divided into eight (8) zoning districts known as follows:
- R-1A SINGLE-FAMILY RESIDENTIAL DISTRICT
 - R-1B SINGLE-FAMILY RESIDENTIAL DISTRICT
 - R-2 TWO-FAMILY RESIDENTIAL DISTRICT
 - R-T TERRACE DISTRICT
 - RO-1 RESTRICTED OFFICE DISTRICT
 - C-1 LOCAL BUSINESS DISTRICT
 - C-2 CENTRAL BUSINESS DISTRICT
 - P-1 VEHICULAR PARKING DISTRICT

Section 3.02. **MAP.** The boundaries of these districts are shown upon the map attached hereto and made a part of this Ordinance, which map is designated as the Zoning Map of the City of Grosse Pointe. The Zoning Map attached hereto and on file in the office of the Clerk of the City of Grosse Pointe and all notations, references, and other information shown thereon are a part of this Ordinance and have the same force and effect as if said Zoning Map and all such notations, references, and other information shown thereon were fully set forth or described herein.

Except where references on said Map to a street or other designated line by the dimensions shown on said Map, the district boundary line follow lot lines or the center lines of the street or alley rights-of-way or such lines extended and the corporate limits of the City of Grosse Pointe, as they existed at the time of the adoption of this Ordinance.

ARTICLE IV GENERAL PROVISIONS

Except as hereinafter specifically provided, the following general regulations shall apply:

Section 4.01. **CONFLICTING REGULATIONS.** Whenever any provision of this Ordinance imposes more stringent requirements, regulations, restrictions or limitations than are imposed or required by the provisions of any other law or ordinance, the provisions of this Ordinance shall govern.

Section 4.02. **SCOPE.** No building or structure, or part thereof, shall hereafter be erected, constructed, reconstructed, or altered and maintained, and no new use or change shall be made or maintained of any building, structure or land, or part thereof, except in conformity with the provisions of this Ordinance.

Section 4.03. **STREET AND ALLEY RIGHTS-OF-WAY.** All street and alley rights-of-way, if not otherwise specifically designated, shall be deemed to be in the same zone as the property immediately abutting upon such street and alley rights-of-way. Where the center line of a street or alley serves as a district boundary, the zoning of such street or alley, unless otherwise specifically designated, shall be deemed to be the same as that of the abutting property up to such center line.

Section 4.04. **PERMITTED USES.** No building shall be erected, converted, enlarged, reconstructed or structurally altered, nor shall any building or land be used, designed or arranged for any purpose other than is permitted in the district in which the building or land is located.

Section 4.05. **PERMITTED AREA.** No building shall be erected, converted, enlarged, reconstructed or structurally altered, except in conformity with the area regulations of the district in which the building is located.

Section 4.06. **PERMITTED HEIGHT.** No building shall be erected, converted, enlarged, reconstructed or structurally altered to exceed the height limit hereinafter established for the district in which the building is located, except that roof structures for the housing of elevators, stairways, tanks, ventilating fans, or similar equipment required to operate and maintain the building, and fire or parapet walls, sky-lights, towers, steeples, stage lofts and screens, flagpoles, chimneys, smokestacks, individual domestic radio and television aerials and wireless masts, water tanks, or similar structures may be erected above the height limits herein prescribed. No such structure may be erected to exceed by more than fifteen (15) feet the height limits of the district in which it is located; nor shall such structure have a total area greater than twenty-five (25) per cent of the roof area of the building, nor shall such structure be used for any residential purpose or any commercial purpose other than a use incidental to the main use of the building.

Section 4.07. **ZONING LOT.** Every building hereafter erected or structurally altered to provide dwelling units shall be located on a lot as herein defined, and in no case shall there be more than one such building on one lot unless otherwise provided in this Ordinance.

Section 4.08. **LOTS, YARDS, AND OPEN SPACES.** No space which for the purpose of a building or dwelling group has been counted or calculated as part of a side yard, rear yard, front yard, or other open space required by this Ordinance, may by reason of change in ownership or otherwise be counted or calculated to satisfy or comply with a yard, court, or other open space requirement of or for any other building. In any residential district, the front and rear yard requirements of a double frontage lot shall be the same as prescribed for any single lot in the zone wherein the double frontage lot is located.

Section 4.09. **YARD ENCROACHMENTS.** Outside stairways, fire escapes, fire towers, porches, platforms, balconies, boiler flues and other similar projections shall be considered as part of the building and not allowed as part of the required space for yards or courts or occupied space; provided, however, that this provision shall not apply to one (1) fireplace or one (1) chimney, no more than eight (8) feet in length projecting not more than twelve (12) inches into the allowable side yard space, nor cornices not exceeding eighteen (18) inches in width including the gutter, nor to platforms, terraces, steps below the first floor level, nor to unenclosed porches or ground level unenclosed projections not over one (1) story in height; provided however, that such excepted projections shall not extend more than twelve (12) feet into the required front or rear yard, shall not extend

nearer than four (4) feet from an interior side lot line or nearer than five (5) feet from a side lot line abutting upon a street; provided further that an unenclosed porch shall be interpreted to include porches with screens, and/or removable storm window sash.

The minimum yard spaces, including lot area per family and maximum lot coverage required by this Ordinance for each and every building existing at the time of the passage of this Ordinance or for any building hereafter erected, shall not be encroached or considered as yard or open space requirements for any other building. (See Schedule of Regulations, Article XV.)

Section 4.10. **USE OF YARD SPACES AND OTHER OPEN AREAS FOR STORAGE.** No front or other yard shall be used for the storage or parking of automobiles or any other material or equipment; provided that in residential areas not more than three (3) automobiles with a current license and in operating condition may be parked on an approved service driveway, extending from the street directly to a side yard or a garage. (See also Section 4.18.)

No machinery, equipment, vehicles, lumber piles, crates, boxes, building blocks or other materials either discarded, unightly or showing evidence of a need for repairs, with or without a current license, shall be stored, parked, abandoned or junked in any open area that is visible from the street, public place or adjoining residential property; and should such use of land occur, it shall be declared to be a nuisance. In addition to penalties provided in Section 18.02 of this Zoning Ordinance, if such nuisance is not abated within ten (10) days after the owner of such land is notified by the City Manager, then the City may perform the necessary work to eliminate the nuisance at the expense of the property owner; and in the event the property owner fails to reimburse the City within thirty (30) days after receiving notice of the amount due from the City Treasurer, then the amount shall become a lien upon said property.

Section 4.11. **SUBSTANDARD LOTS.** Any residentially zoned lot which was of record at the time of the adoption of this Ordinance that does not meet the requirements of this Ordinance for yards or other areas of open space, may be utilized for single residence purposes, provided the area for such yard or court in width, depth, or open space is not less than eighty (80) per cent of that required by the terms of this Ordinance, excepting that vacant lots having in the aggregate a continuous frontage of one hundred twenty (120) feet or more, regardless of ownership, shall not be subject to this exception. The purpose of this provision is to permit utilization of recorded lots which lack adequate width or depth as long as reasonable living standards can be provided.

Section 4.12. **STREET ACCESS.** No dwelling shall be built, moved or converted upon a lot having a frontage of less than twenty (20) feet upon a public street, or upon a private street or other permanent easement giving access to a public street. No building permit shall be issued for any construction located on any lot or parcel of land in the City of Grosse Pointe that does not abut on a public street or highway or upon a private street fully improved according to Section 8, entitled Minimum Improvements, of Ordinance No. 67, adopted August 25, 1953, relating to new Subdivisions; provided that this Ordinance shall not be the basis for preventing the issuance of a building permit for ordinary repair or maintenance of any building that is already erected on the date of the adoption of this Ordinance upon a lot or parcel of land that does not so abut such a street or highway. For the purpose of this Ordinance, no lot or parcel of land shall be constructed to abut on such a street or highway unless it includes title to a minimum frontage of twenty (20) feet on such a street or highway and title to land providing access not less than twenty (20) feet in width from such street or highway to the proposed construction.

Section 4.13. **VISIBILITY.** No structure, wall, fence, shrubbery or trees shall be erected, maintained or planted on any lot which will obstruct the view of the driver of a vehicle approaching an intersection, excepting that shrubbery and low retaining walls not exceeding two and one-half (2½) feet in height above the curb level and shade trees where all branches are not less than eight (8) feet above the street level will be permitted. For residential corner lots, this unobstructed area will be a triangular section of land formed by the two street curb lines and a line connecting them at points thirty (30) feet from the intersection of said curb lines, or in the case of a rounded corner, the unobstructed area shall be construed to be an area formed by the curved curb line and an arc with a radius of thirty (30) feet measured from the mid point of the rounded corner at the curb extending from one street curb to the other street curb (e.g., said area being a "football" shape with two arcs facing each other, connected at each curb line).

Section 4.14. **DWELLING IN NON-RESIDENTIAL DISTRICTS.** No dwelling unit shall be erected in the C-1 and C-2 Districts. However, the sleeping quarters of a watchman or a caretaker may be permitted in said districts in conformance with the specific requirements of the particular district.

Section 4.15. **DWELLINGS IN OTHER THAN MAIN STRUCTURE.** No residential structure shall be erected upon the rear of a lot or upon a lot with another dwelling, other than servants' quarters serving the principal building on said lot in accordance with requirements of Section 7.02, d.

Section 4.16. **NUMBER OF BUILDINGS ON LOT; RESTRICTION.** Each dwelling hereafter erected or structurally altered shall be located on a lot and, except in the case of a terrace housing project, there shall be not more than one (1) main building and an accessory building on any single lot. In order to permit the assembly of two or more adjoining lots by the owner of said lots for the purpose of erecting or constructing a principal building on said lots, there shall be required a declaration of restrictions running with the land executed by the owner and recorded with the Wayne County Register of Deeds, executed by the owner, consolidating the lots into one single parcel which shall henceforth be deemed by the Building Inspector as a single lot and subject to all of the provisions contained in this Ordinance. The location of said dwelling and its accessory building on said lot shall conform with the general plan and scheme of the subdivision in which the lot is located.

Section 4.17. **ACCESSORY BUILDINGS.** Accessory buildings, except as otherwise permitted in this Ordinance, shall be subject to the following regulations:

a. Where the accessory building is structurally attached to a main building, it shall be subject to and must conform to all regulations of this Ordinance applicable to main or principal buildings.

b. Accessory buildings shall not be erected in any required yard except a rear yard, providing further that in no instance shall such a building be nearer than three (3) feet to any adjoining lot line except that on a corner lot the entrance to a garage shall not be less than eight (8) feet from the lot line adjacent to the side street, and except as provided in paragraphs g and h below.

c. An accessory building, not exceeding twelve (12) feet in height, may occupy not more than twenty-five (25) per cent of a required rear yard, plus forty (40) per cent of any non-required rear yard; provided, that in no instance shall the accessory building exceed the ground floor area of the main building.

d. An accessory building shall be located in the rear yard except when structurally attached to the main building.

e. No detached accessory building shall be located closer than ten (10) feet to any main or principal building.

f. In the case of double frontage lots, accessory buildings shall observe front yard requirements on both street frontages wherever there are any principal buildings fronting on said streets in the same block or adjacent blocks.

g. When an accessory building is located in the rear yard area on a corner lot, the side lot line of which is substantially a continuation of the required front yard setback of the lot to its rear, said accessory building shall be set back from the street side at least as far as the required front yard setback of the lot at the rear of the subject corner lot.

h. Garages in any residence zone, no garage shall be erected closer to the side lot line than the permitted distance for the dwelling unless the garage shall be completely to the rear of the dwelling in which event the garage may be erected three (3) feet from the side lot line. No garage or portion thereof shall extend into the required front yard area.

Attached garages of fireproof construction may be erected to extend beyond the front line of the house in those areas which are being developed according to a common plan that includes the construction of attached garages extending beyond the front line of the house, except that such garage shall not encroach in or upon the minimum front yard area as required by this Ordinance, and provided, the cornice, eaves or overhand shall not extend more than six (6) inches into the required side yard area.

Section 4.18. **PARKING AND STORAGE OF MOBILE HOMES, TRAVEL HOMES, BOATS, TRUCKS, AND OTHER ITEMS.** Mobile homes, travel homes, boats, trucks, and other items shall be subject to the following requirements:

a. No mobile home may be stored or parked on any lot.

b. No more than one (1) travel home, and no more than one (1) boat may be parked on any lot which is zoned or used

for residential purposes.

c. Travel homes and boats, where parked or stored, shall be located only in the rear yard, and in addition shall conform to the required yard space requirements for accessory buildings in the zoning district wherein located.

d. On lots zoned for residential use, the maximum permitted lot coverage of all buildings, including travel home or boat storage space, shall not be exceeded.

e. All travel homes and boats shall be locked or secured at all times when not in use so as to prevent access thereto by children or others.

f. A suitable covering (e.g., tarpaulin) shall be placed over all boats and travel devices whenever they are not enclosed, in order to prevent vandalism or injury to children.

g. Commercial trucks and trailers shall not be parked or stored on residentially zoned property at any time, except as provided for under Section 7.02, d.

h. It shall be a prohibited use in all residentially zoned districts to park or store power driven construction equipment, used lumber or metal, or any other miscellaneous scrap or salvageable material.

i. It shall be a prohibited use in all zoned districts to park or store wrecked or junked vehicles.

Section 4.19. **AUTOMOBILE SERVICE STATIONS AND PUBLIC GARAGES.** In order to regulate and control the problems of noise, odor, light, fumes, vibration, dust, danger of fire and explosion, and traffic congestion which result from the unrestricted and unregulated construction and operation of automobile service stations, and to regulate and control the adverse effects which these and other problems incidental to the automobile service station may exercise upon adjacent and surrounding areas, the following additional regulations and requirements are provided herein for automobile service stations located in any zone. All automobile service stations erected after the effective date of this Ordinance shall comply with all requirements of this section. No automobile service station existing on the effective date of this Ordinance shall be structurally altered so as to provide a lesser degree of conformity with the provisions of this section than existed on the effective date of this Ordinance.

a. An automobile service station shall be located on a lot having a frontage along the principal street of not less than one hundred forty (140) feet, and having a minimum area of not less than fourteen thousand (14,000) square feet.

b. An automobile service station building housing an office and/or facilities for servicing, greasing and/or washing motor vehicles shall be located not less than forty (40) feet from any street lot line, and not less than twenty-five (25) feet from any side or rear lot line adjoining a residentially zoned district.

c. All driveways providing ingress to or egress from an automobile service station shall be not more than thirty (30) feet wide at the property line. No more than one (1) curb opening shall be permitted for each fifty (50) feet of frontage or major fraction thereof along any street. No driveway or curb opening shall be located nearer than twenty (20) feet to any corner or exterior lot line, as measured along the property line. No driveway shall be located nearer than thirty (30) feet, as measured along the property line, to any other driveway giving access to or from the same automobile service station.

d. A raised curb six (6) inches in height shall be erected along all street lot lines, except for driveway openings.

e. The entire lot, excluding the area occupied by a building, shall be hard-surfaced with concrete or a plant-mixed bituminous material, or, if any part of the lot is not so surfaced, then that area shall be landscaped and separated from all surface areas by a low barrier or curb.

f. All lubrication equipment, motor vehicle washing equipment, hydraulic hoists and pits shall be enclosed entirely within a building. All gasoline pumps shall be located not less than fifteen (15) feet from any lot line, and shall be arranged so that motor vehicles shall not be supplied with gasoline or serviced while parked upon or over-hanging any public sidewalk, street or right-of-way.

g. An automobile service station located on a lot having an area of fourteen thousand (14,000) square feet shall include not more than eight (8) gasoline pumps and two (2) enclosed stalls for servicing, lubricating, greasing and/or washing motor vehicles. An additional two (2) gasoline pumps and/or one (1) enclosed stall may be included with the provision of each additional two thousand (2,000) square feet of lot area.

h. Where an automobile service station adjoins property located in any residential zone, a masonry wall five (5) feet in height shall be erected and maintained between the station and required yard space, or if separated from the residential zone by an alley, then along the alley lot line. All masonry walls shall be protected by a fixed curb or barrier to prevent vehicles from contacting the wall. (See also Section 4.31.)

i. All exterior lighting, including illuminated signs, shall be erected and hooded or shielded so as to be deflected away from adjacent and neighboring property.

j. No automobile service station or public garage shall be located nearer than five hundred (500) feet as measured from any point on the property line to any public or private school or playground.

k. Outdoor storage or parking of vehicles other than private automobiles shall be prohibited between the hours of 10:00 p.m. and 7:00 a.m.

l. No fuel tank shall be filled at an automobile service station except through a hose connected to a pump of a type approved by the Underwriters Laboratories, Incorporated.

m. No gasoline or inflammable liquid shall be kept or conveyed in open receptacles or in glass bottles or other breakable containers on the premises of an automobile service station, except in glass bottles of not more than eight (8) ounce capacity used for sample purposes, and shall not be used for cleaning purposes on such premises. No gasoline pump shall be installed in any building.

n. All combustible waste and rubbish, including crankcase drainings shall be kept in metal receptacles fitted with a tight cover until removed from the premises. No gasoline, oil, grease or inflammable liquid shall be allowed to flow into or be placed in the sewer system. Oil and grease shall not be allowed to accumulate on the floor. Sawdust shall not be kept in any automobile service station or place of storage therein, and sawdust or other combustible material shall not be used to absorb oil, grease or gasoline.

o. All automobile service station proprietors and attendants upon being notified by the Building Inspector of the presence of gasoline or volatile liquids in sewers shall cooperate in ascertaining the reason therefor. There shall be constantly maintained in good working order at least one (1), two and one-half (2½) gallons fully charged, portable foam type fire extinguisher at each automobile service station.

Section 4.20. **OCCUPANCY: GARAGE APARTMENTS, BASEMENT APARTMENTS, MOBILE HOME DWELLINGS, AND ACCESSORY BUILDINGS USED FOR RESIDENTIAL PURPOSES.** No garage, basement, accessory building, temporary building or mobile home now existing or in the future erected or placed on a lot after the effective date of this Ordinance shall be occupied or used for dwelling purposes. Expressly excepted from this regulation are living quarters for members of the family occupying the principal building located on the same lot and domestic servants employed by said family.

Section 4.21. **BUILDING GRADES.** Any building requiring yard space shall be located at such an elevation that a sloping grade shall be maintained to cause the flow of surface water to run away from the walls of the building. A sloping grade, beginning at the curb level as determined by the Building Inspector shall be maintained and established from the center of the front lot line to the finished grade line at the front of the building. The rear and side yards shall be sloped to allow for the flow of surface water away from the building without creating a nuisance. However, this shall not prevent the grading of a yard space to provide sunken or terraced areas, provided proper means are constructed and maintained to prevent the run-off of surface water from creating a nuisance on the adjacent properties. When a new building is constructed on a vacant lot between two existing buildings or adjacent to an existing building, the reference level shall be used in determining the grade around the new building, and the yard around the new building shall be graded in such a manner as to meet existing grades and not to permit run-off of surface water to flow onto the adjacent properties. Final grades shall be approved by the Building Inspector who may require a "Certificate of Grading and Location of Building Within the City of Grosse Pointe" in accordance with the approved grading plan on file with the Building Department, which has been duly completed and certified by a registered Civil Engineer or Land Surveyor.

Section 4.22. **BUILDINGS TO BE MOVED.** Any building or structure which has been wholly or partially erected on any premises shall not be moved to and be placed upon any premises in the City.

Section 4.23. **EXCAVATIONS OR HOLES.** The construction, maintenance or existence within the City of Grosse Pointe of any unprotected, unbarriered, open or dangerous excavations, holes, pits or wells, or of any excavations, holes or pits which constitute or are reasonably likely to constitute a danger or menace to public health, safety or welfare, are hereby prohibited; provided however, this section shall not prevent any excavation under a permit issued pursuant to this Ordinance or the Building Code of the City of

Grosse Pointe, where such excavations are properly protected by warning signs posted in such manner as may be approved by the Building Department and, provided further, that this section shall not apply to streams, natural bodies of water or to ditches, reservoirs, or other major bodies of water created or maintained by authority of the State of Michigan, County of Wayne or the City of Grosse Pointe, or other governmental agency.

Section 4.24. **EXCAVATION, REMOVAL AND FILLING OF LAND.** The use of land for the excavation, removal, depositing of any type of earth material, topsoil, garbage, rubbish or other wastes or by-products, is not permitted in any zoning district except under a certificate from the supervision of the Building Department in accordance with a topographic plan, approved by the City Engineer, submitted by the fee-holder owner of the property concerned. The topographic plan shall be drawn at a scale of not less than fifty (50) feet to one (1) inch and shall show existing and proposed topographic features and such other data as may from time to time be required by the City Engineer. Such certificate may be required in appropriate cases upon the filing with the application bond or Surety Bond by a surety company authorized to do so in the State of Michigan running to the City in an amount established by the City Engineer which will be sufficient to rehabilitate the property upon default of the contractor of such excavating or filling operation, and to cover the cost of other reasonable expenses. This regulation does not apply to normal soil removal for basement or foundation work, and a building permit has previously been duly issued by the Building Department. Costs of a permit to fill or excavate shall be established in accordance with Section 16.06 of this Ordinance.

Section 4.25. **RESTORING UNSAFE BUILDINGS.** This Ordinance shall prevent the strengthening or restoration of any unsafe condition of any part of any building or structure which is unsafe by the Building Inspector or the required compliance with this lawful order.

Section 4.26. **CONSTRUCTION BEGUN PRIOR TO ADOPTION OF ORDINANCE.** Nothing in this Ordinance shall be deemed to require any change in the plans, construction, designed use of any building upon which actual construction was lawfully begun prior to the adoption of this Ordinance and upon which building actual construction has been carried on, and provided further, that such building completed within one (1) year from the date of passage of this Ordinance.

Section 4.27. **VOTING PLACE.** The provisions of this Ordinance shall not be construed as to interfere with the temporary use of any property as a voting place in connection with a municipal or other public election.

Section 4.28. **APPROVAL OF PLATS.** No proposed subdivision shall hereafter be approved by the Council unless the lots within such plat equal or exceed the minimum size and width requirements set forth in the zoning districts of this Ordinance, and unless such plat fully complies with the statutes of the State of Michigan and the ordinances of the City of Grosse Pointe.

Section 4.29. **ESSENTIAL SERVICES.** Essential services defined in Section 2.01 shall be permitted as authorized by law and other ordinances of the City of Grosse Pointe, it being the intention hereof to exempt such services from the application of this ordinance.

The Board of Zoning Appeals shall have the power to grant the erection and use of a building or an addition to a building, of a public service corporation or for public purposes, in any permitted district to a greater height than the district requirement herein set forth, and permit the location in any use district of a building, structure or use, if the Board shall find that such building, structure or use, if the Board shall find that the public convenience and service, provided such structure, or use is designed, erected and landscaped to harmoniously with the general architecture and plan of the district.

Section 4.30. **SIGNS.** The erection, construction, maintenance of all outdoor advertising structures, billboards, other notices which advertise a business, commercial or name of a person or persons shall be approved by the Building Inspector as to compliance with all applicable regulations and ordinances and all requirements of this Ordinance.

Section 4.31. **PROTECTIVE SCREENING.** In order to provide adequate protective screening for residentially zoned areas or near non-residential areas, the following shall apply:

a. **Adjacent Residential Property.** Where a C-1 or C-2 abuts directly upon a residentially zoned district, either a greenbelt not less than twenty (20) feet wide shall be provided and maintained along the entire length of the boundary of the said C-1 or C-2 used property; or a masonry wall, approved by the Building Inspector, not less than four (4) feet or more than six (6) feet in height shall be constructed along the building setback line as established by Article XV between the properties residentially zoned area; or a building constructed building setback line between the properties and the area, with an unpierced masonry wall, having a brick facing of other material meeting the approval of the Building Inspector.

When either the wall or the building is constructed, the building setback line, the yard area required by Article XV shall be landscaped and maintained by the owner of the C-1 or C-2 used properties.

The planting plans for the required yard or greenbelt shall be subject to the approval of the Building Inspector to the suitability of planting materials and arrangements. Planting shall be so designed and arranged and shall be maintained that within two (2) years after it is planted, it shall form a complete screening not less than four (4) feet in height. Where vehicles or open air display exceed a height of four (4) feet, the wall or screening shall be increased to a height to exceed twelve (12) feet to completely screen the area for commercial purposes.

Where a greenbelt is provided and it is not sufficient to properly maintain, the City Manager, after five (5) days notice sent by regular mail to the owner thereof as shown on the latest assessment rolls, may take whatever steps necessary to suitably maintain a greenbelt area and charge costs, plus a fee of twenty five (\$25.00) dollars to the business or commercial property owner responsible for maintenance.

b. **Residential Property Across Alley.** Any C-1 District on which a drive-in business, open air display, or other use is conducted shall be along its entire length from any adjacent residentially zoned district, located across a public alley of not less than twenty (20) feet wide, by either a building housing a permit or by a solid ornamental masonry wall four (4) to six (6) feet in height above grade located, preferably, on the side of said public alley. Greater wall height may be required in accordance with paragraph a above.

Section 4.32. **ANIMALS.** No livestock shall be maintained in any zone except that for each dwelling occupant may keep for his personal use domestic pets which they are not kept or used for commercial or breeding purposes, subject to all applicable City ordinances.

Section 4.33. **TRASH CONTAINERS.** Outside trash containers shall be permitted in R-T, RO-1, C-1 and C-2 provided that they comply with the following requirements:

a. Adequate vehicular access shall be provided to trash containers for truck pickup either via a public alley or access aisle which does not conflict with the use of parking areas or entrances to or exits from principal buildings.

b. A solid ornamental screening wall or fence shall be provided around all sides of trash containers which shall be provided with a gate for access and be of such height as to completely screen said containers, the maximum height of which shall not exceed six (6) feet.

c. The trash container(s), the screening wall or fence, and the surrounding ground area shall be maintained in a neat and orderly appearance, free from rubbish, waste paper or debris. This maintenance shall be the responsibility of the owner of the premises on which the containers are placed.

d. There shall be compliance with all City, County and State health ordinances and statutes.

ARTICLE V NONCONFORMING USES AND NONCONFORMING BUILDINGS

Any lawful use of the land or buildings existing at the time of passage of this Ordinance or amendment thereto which is in a district in which it would not be permitted as a use under the regulations of this Ordinance is hereby designated as a "nonconforming use" and any building which does not conform to the provisions of this Ordinance, as to setbacks, height, street parking, or other requirement is hereby designated as a "nonconforming building," and such uses and buildings shall not be considered in violation of this Ordinance.

(Continued on Next Page)

City of Grosse Pointe ZONING ORDINANCE

...that all nonconforming uses and buildings shall be subject to, and the owner shall comply with, the following regulations...

Section 5.01. CERTIFICATE OF OCCUPANCY FOR NON-CONFORMING USES. At any time after the adoption of this Ordinance should a nonconforming use shall be notified by the Building Inspector of the provisions of this Section, and that his property interest in the nonconforming use. Within thirty (30) days after the date of said notice, the owner shall apply for and be issued a Certificate of Occupancy for the nonconforming use. The application of such Certificate shall designate the location, nature, and extent of the nonconforming use and such other details as may be necessary for the issuance of the Certificate of Occupancy.

Section 5.02. NONCONFORMING USE OF LAND, CONTINUATION OF USE. The nonconforming use of land, where the building or structure is involved, which exists when this Ordinance becomes effective or amendments thereto, may be continued provided that:

a. No such nonconforming use of land shall in any way be extended or altered either on the same or adjoining property.

b. No such nonconforming use of land shall be moved in whole or in part to any other portion of the lot or parcel occupied by such use.

c. If such nonconforming use of land or any portion thereof is discontinued or changed for a period of more than thirty (30) days, any future use of such land shall be in conformity with the provisions of this Ordinance.

d. Any sign, billboard, commercial advertising structure or other object which lawfully existed and was maintained at the time this Ordinance became effective may be continued although such use does not conform with the provisions of this Ordinance; provided further, that all such nonconforming signs, billboards, commercial outdoor advertising structures and other objects and their supporting members located in R-1A, R-1B, and R-2 Districts shall be completely removed from the premises within five (5) years of the passage of this Ordinance and amendments applicable to the property in question.

Section 5.03. CHANGE OF NONCONFORMING USE. A nonconforming use may be changed to another nonconforming use of the same or greater restriction provided no structural changes are made in the building and provided that the Board of Zoning Appeals shall determine that the proposed new use is equally appropriate or more appropriate to the particular neighborhood than the existing nonconforming use. When a nonconforming use has been changed to a conforming use or to a use permitted in a district of greater restriction, it shall thereafter be changed to a conforming use. For the purpose of this Ordinance, the R-1A District shall be considered the most restrictive district, followed in turn by the R-1B, R-2, R-3, C-1, and C-2 Districts.

Section 5.04. EXTENSION PROHIBITED FOR A NON-CONFORMING USE IN A BUILDING. A nonconforming use shall not be expanded or extended throughout other portions of the building; if such nonconforming use or portion thereof is discontinued or changed to a conforming use, any future use of such building or portion thereof shall be in conformity with the regulations of the district in which such building is located.

Section 5.05. MOVING. No building in which a nonconforming use exists may be moved to any other part of a parcel and upon which same was located at the time of the adoption of this Ordinance. No nonconforming building shall be moved for any reason unless it shall then conform to the regulations for the zoning district in which it is located after said move.

Section 5.06. ALTERATIONS. No nonconforming use in a building or nonconforming building shall be enlarged or structurally altered except to make it comply with requirements of health and safety laws or ordinances; provided further that the cost of such work shall not exceed fifty (50) per cent of the State equalized valuation of such building or structure at the time such work is done. All alterations made to a nonconforming building shall be in compliance with all requirements of this Ordinance and other codes and ordinances of the City.

Section 5.07. RESTORATION. Any nonconforming use or nonconforming building which has been destroyed or damaged by fire, explosion, Act of God, or by public enemy to the extent fifty (50) per cent or more of its State equalized valuation, or the foundation at the time such damage occurred, shall thereafter be made to conform with the provisions of this Ordinance. Where such destruction or damage has occurred, the nonconforming use status of the land on which said building is located. If such damage is less than fifty (50) per cent of its State equalized valuation before said damage occurred, the same nonconforming use or nonconforming building as existed before such damage, provided that such restoration is subject to the approval of the Board of Zoning Appeals. Restoration shall be commenced within one (1) year of the date of such partial destruction and shall be diligently carried to completion.

Section 5.08. DISCONTINUANCE OR ABANDONMENT OF A NONCONFORMING USE OF A BUILDING. Any nonconforming use of a building which has become vacant or remains unoccupied owing to abandonment or discontinuance for a period of six (6) months shall thereafter conform to the regulations of this Ordinance. See also Section 5.02, c for nonconforming use of land.

Section 5.09. RECORD OF NONCONFORMING USES. Within one (1) year after the adoption of this Ordinance, or any amendments thereto, the Building Inspector shall prepare a record of all known nonconforming uses of buildings and of such ordinance or amendment.

The record shall contain the names and addresses of the owners of such nonconforming use and of any occupant, the nature and extent of the use, the legal description of the land, and the date and extent of use. Such list shall be available at all times in the office of the Building Inspector.

Section 5.10. REMOVAL OF NONCONFORMING USE, BUILDING OR STRUCTURE. The City Council may acquire, purchase, condemn, or otherwise private property as not conforming in use or structure to the regulations and provisions of the various districts defined in this Ordinance; and cause the removal of such use or structure.

The City Council may, in its discretion, provide that the cost of such acquisitions and of the removal of the nonconforming use, less the probable resale price, be assessed to the owner of the property. In assessing such costs and expenses, the City Council shall also establish the assessment district, the proper amount to be assessed and a basis or formula for the distribution of the amount to be assessed against the benefited properties.

ARTICLE VI PARKING AND LOADING REQUIREMENTS

Section 6.01. PARKING REQUIREMENTS. In all zoning districts off-street parking facilities for the storage and parking of self-propelled motor vehicles for the use of occupants, employees and patrons of the buildings hereafter erected, altered or moved after the effective date of this Ordinance, shall be provided as herein prescribed.

Required parking areas or loading zone areas, a plan shall be submitted showing the areas set aside for parking or loading with a legal description of such lands and a statement signed by the legal owners of the property that such lands are irrevocably set aside and maintained for the parking of automobiles or other motor vehicles for the purpose required, unless an equivalent number of such spaces are provided elsewhere in conformance with this Ordinance.

Such plan shall be on a form to be furnished by the Building Inspector which shall include a certificate by the Building Inspector that the parking areas or loading zone requirements of this Ordinance have been met as of this date. Said form shall be kept on file in the City Clerk's Office during the life of the required use.

a. **Area for Parking Space.** For the purpose of this Section, three hundred (300) square feet of lot area shall be deemed a parking space for one (1) vehicle, including access aisle, except that one hundred and eighty (180) square feet of lot area which has a direct means of ingress and egress from an alley or street may also be deemed a parking space.

b. **Fractional Requirements.** When units or measurements determining number of required parking spaces result in requirement of a fractional space, any fraction up to and including one-half shall be disregarded and fractions over one-half shall require one (1) parking space.

c. **Loading Space Limitations.** Loading space as required in Section 6.03 shall not be construed as supplying off-street parking space.

d. **Location of Parking Space for One and Two-Family Dwellings.** The off-street parking facilities required for one and two-family dwellings shall be located on the same lot or plot of ground as the building they are intended to serve, and shall consist of an enclosed garage served by a paved driveway from said garage to the access street or alley. Carports are specifically prohibited.

e. **Location of Parking Space for Other Land Uses.** The off-street parking facilities required for all other uses shall be located on the lot or within three hundred (300) feet of the permitted use requiring such off-street parking, such distance to be measured along lines of public access to the property between the nearest point of the parking facility and the building to be served.

f. **Usable Floor Area.** For the purpose of this Section, Usable Floor Area in the case of offices, merchandising, or service types of uses, shall mean the gross floor area used or intended to be used by customers, patrons, clients, patients, owners, and tenants, less twenty (20) per cent thereof.

g. **Seating Capacity or Seats.** As used in this Article for parking requirements, shall mean that each twenty (20) inches of seating facilities shall be counted as one (1) seat, except that where specifications and plans filed with the Building Department specify a certain seating capacity for a particular building, such specified seating capacity shall be used as the basis for required parking space.

h. **Bed.** Wherever the term "Bed" is herein referred to, it shall mean such beds as are occupied by the patients or guests of the hospital or building in question, provided however, that bassinets and incubators shall not be counted as beds.

i. **Similar Uses and Requirements.** In the case of a use not specifically mentioned, the requirements for off-street parking facilities for a use which is so mentioned, and which said use is similar, shall apply.

j. **Existing Off-Street Parking at Effective Date of Ordinance.** Off-street parking existing at the effective date of this Ordinance which serves an existing building or use, shall not be reduced in size less than that required under the terms of this Ordinance.

k. **Collective Provisions.** Nothing in this Section shall be construed to prevent collective provisions of off-street parking facilities for two or more buildings or uses, provided such facilities collectively shall not be less than the sum requirements for the various individual uses computed separately in accordance with the table under Section 6.01.

l. **General Use Conditions.** Except when land is used as storage space in connection with the business of a repair or service garage, the time limits for parking in off-street parking areas shall prevail as specified under Section 6.02m; it being the purpose and intention of the foregoing that the requirements of maintaining vehicle storage or parking space is to provide for the public safety in keeping parked cars off the streets, but such requirement is not designed to or intended to provide, and it shall be unlawful to permit the storage or parking on such open land of wrecked or junked cars, trailers, mobile homes, travel homes, boats, boat trailers, or for creating a junk yard or nuisance in such area.

m. **Restriction of Parking on Private Property.** It shall be unlawful for any person, firm, or corporation to park any motor vehicle on any private property or use said private property for vehicle storage, or use any portion of any private property as parking space, without the express or implied consent, authorization, or ratification of the owner, holder, occupant, lessee, agent or trustee of such property.

n. **Exemption from Parking Requirements.** All existing buildings and uses and all buildings erected and uses established after the date of adoption of this Ordinance shall be exempt from the requirements of Section 6.01 and 6.02 provided that the following conditions are met, and that no land now used for off-street parking in the Exempt Area is used for other than parking without provision of alternate parking area within three hundred (300) feet of the building the parking serves.

(1) That such buildings and uses are located within areas as illustrated on the Zoning Map as Parking Exempt Area.

(2) That such buildings and uses are located within a special assessment district or other district established by the City Council for purposes of providing off-street parking facilities and provided that such parking facilities are completed and accepted by the City Council.

o. **Table of Off-Street Parking Requirements.** The amount of required off-street parking space for new uses or buildings, additions thereto, and additions to existing buildings as specified above shall be determined in accordance with the following table, and the space so required shall be stated in the application for a building permit, shall be irrevocably reserved for such use and/or shall comply with the initial part of this Section, and shall be provided in the City of Grosse Pointe.

p. **Joint Use.** Parking spaces already provided to meet off-street parking requirements for auditoriums and other places of public assembly, stores and office buildings lying within five hundred (500) feet of a church as measured along lines of public access, and that are not normally used between the hours of 6:00 a.m. and 6:00 p.m., on Sundays, and are made available for other parking, may be used to meet not more than seventy five (75) per cent of the off-street parking requirements of a church.

Section 6.02. OFF-STREET PARKING DEVELOPMENT REGULATIONS. All lands and areas now or hereafter user for the parking of more than three (3) vehicles shall be developed and constructed in accordance with the following general requirements; provided that lands now in use for parking purposes shall be improved to meet the following requirements within two (2) years after the passage of this Ordinance. (See illustration.)

DESIRABLE PARKING LAYOUTS

a. The construction of any parking lot shall be in accordance with the requirements of the Building Code and the provisions of this Ordinance and such construction shall be completed and approved by the Building Inspector and the City Engineer before actual use of the property as a parking lot. Plans for the development of any parking lot must be submitted in triplicate to the Building Inspector, prepared at scale indicating existing and proposed grades, drainage, water mains and sewers, surfacing and base materials to be used and the general layout of the proposed parking lot. The plans are to be prepared in a presentable form by person or persons competent in such work. No land shall be used for parking purposes until approved by the Building Inspector; provided whenever the lot does not meet the specifications set forth in this Ordinance, the Building Inspector shall give notice to the property owner to repair the same within a specified time, and if such repairs are not made in accordance with such notice, he shall obtain the necessary Court warrants and enforce the Ordinance and shall order the lot closed forthwith; and such land or lot shall not be used for parking until repairs are made and approved by the Building Inspector.

b. All such parking lots, parking spaces, driveways, approaches or aprons shall be hard-surfaced with a pavement having an asphalt or concrete binder which shall be equivalent to or better than a double seal bituminous penetration surfacing on a gravel base, and shall be graded and drained so as to dispose of surface water which might accumulate within or upon such area. No surface water from such parking area shall be permitted to drain into adjoining private property or across a public sidewalk. All plans must be approved by the City Engineer. Such parking lots shall be continuously maintained with a hard, smooth, dust-proof surface at all times.

c. Adequate lighting facilities shall be provided and so arranged as to reflect light away from any adjacent residential areas. When the parking lot is closed at night so that no vehicles may enter or leave, then no lighting need be maintained. No sign shall be illuminated by other than electrical means and electrical devices and wiring shall be installed in accordance with the requirements of the National Electrical Code and all City ordinances. Illumination shall be white and indirect with the lighting source concealed.

d. Side yards shall be maintained for a space of not less than ten (10) feet between the side lot lines of adjoining residential lots and the parking area. The depth of the front yard or setback line from the street as established for houses in any block in any given residential area shall be continued and made applicable to parking space in such residential area and it shall be unlawful to use the space between such setback line and the sidewalk for the parking of motor vehicles; provided however, that the barrier specified in Section 6.02, e shall be located on the setback line as herein required.

e. Whenever such parking area adjoins residential property and/or a residential street or alley, an ornamental, uniformly colored solid masonry or brick wall not less than four (4) feet or more than six (6) feet in height, shall be erected and maintained between the required yard space and the area to be used for parking. Dense shrubbery in lieu of a wall may be permitted by the Building Inspector. Location of said wall or dense shrubbery facing a residential street shall be determined with due regard to side yard and building setback requirements adjoining the commercial district as may be required in the particular residential zoning district. Bumper guards of a type described in Section 6.02, f shall be provided to prevent vehicles striking said wall or shrubbery.

f. In all cases where such parking lots abut public sidewalks, continuous concrete curbing, at least six (6) inches high, shall be placed so that a motor vehicle cannot be driven or parked with any part thereof extending within two (2) feet of a public sidewalk. In all cases where necessary for the protection of the public and the adjoining properties, streets and sidewalks, curbs as described above, shall be installed.

g. Adequate means of ingress and egress shall be provided

and shown on plan submitted which must meet the approval of the Chief of Police and the City Engineer. No entrance or exit from any parking lot shall be nearer than twenty (20) feet to any residentially zoned district.

h. Where street setback lines are provided by ordinance or established through the adoption of a Major Street Plan, such setback lines shall be maintained.

i. All land between the boundaries of the parking lot and the barriers referred to in this Section, as well as the surface of the parking area, shall be kept free from tall grass, weeds, rubbish, refuse and debris, and shall be landscaped to conform with the neighborhood.

j. No repairs or service to vehicles and no display of vehicles for purpose of sale shall be carried on or permitted on such premises.

k. No building or structures shall be hereafter built or permitted, except necessary buildings for attendants of not more than fifty (50) square feet each in area and not more than fifteen (15) feet in height.

l. One (1) sign may be erected at each point of ingress and egress indicating such access, the name of the operator and the enterprise it is intended to serve. Further, signs of an advertising nature concerning the conditions of use, and name of the owner or uses of the parking lot shall be permitted with approval of the City Council when so arranged and proportioned as not to create a wall effect on any side of said lot.

m. It shall be unlawful to park or store motor vehicles for continuous periods of more than forty-eight (48) hours.

n. A parking lot may not be used for the storage or parking of trailers, mobile homes, travel trailers, boats, boat trailers, junked or wrecked vehicles of any type or used as a storage area for industrial equipment or material, or used as a dump for refuse of any description.

Section 6.03. OFF-STREET LOADING REQUIREMENTS. On the same premises with every building, structure or part thereof, erected and occupied for storage, good display, department store, market, hospital, laundry, dry cleaning or other uses similarly involving the receipt or distribution of vehicles, materials or merchandise, there shall be provided and maintained on the lot adequate space for standing, loading and unloading services in order to avoid undue interference with public use of the streets and alleys.

Such loading and unloading space, unless otherwise adequately provided for, shall be an area twelve (12) feet by fifty (50) feet, with fifteen (15) foot height clearance, and shall be provided according to the following schedule:

Gross Floor Area (In Square Feet)

Loading and Unloading Spaces Required

In Terms of Square Feet of Usable Floor Area

0 - 2,000	None
2,000 - 5,000	One (1) space.
5,000 - 20,000	One (1) space plus one (1) space for each 5,000 square feet in excess of 5,000 square feet.
20,000-100,000	Four (4) spaces plus one (1) space for each 20,000 square feet in excess of 20,000 square feet.
100,000-500,000	Five (5) spaces plus one (1) space for each 40,000 square feet in excess of 100,000 square feet.
Over 500,000	Fifteen (15) spaces plus one (1) space for each 80,000 square feet in excess of 500,000 square feet.

No loading space shall be located closer than fifty (50) feet from any residentially zoned district unless located within a completely enclosed building or enclosed on all sides facing a residential zoning district by a solid masonry wall or ornamental fence of a type approved by the Board of Zoning Appeals not less than six feet (6) feet in height.

ARTICLE VII R-1A, SINGLE-FAMILY RESIDENTIAL DISTRICT

Section 7.01. STATEMENT OF PURPOSE. The R-1A, Single-Family Residential District is established as a district exclusively for single-residence purposes and municipal uses. This district is tailored to certain residential estate areas having characteristics of planned residential developments, larger lot sizes, and relationship to the Lake. The specific interest of this district is:

a. To encourage the construction of, and the continued use of the land for single-family dwellings.

b. To prohibit business, commercial or industrial use of the land, and to prohibit any other use which would substantially interfere with development or maintenance of single-family dwellings in the district.

c. To encourage the discontinuance of existing uses that would not be permitted as new uses under the provisions of this Ordinance.

d. To discourage any land use which would generate traffic on minor or local streets, other than normal traffic to serve the residences on those streets.

e. To discourage any use which, because of its character or size would create requirements and costs for public services such as fire and police protection, water supply, and sewerage, substantially in excess of such requirements and costs if the district were developed solely for single-family dwellings.

Section 7.02. PERMITTED USES. In the R-1A district, the following uses are permitted:

a. Single-family detached dwellings.

b. Municipal buildings and uses.

c. Municipal parks, municipal recreation areas, and municipal community centers.

d. Accessory buildings or uses customarily incidental to any of the permitted uses, when located on the same lot and not involving any business, profession, trade or occupation. One (1) private garage for each residential lot in which there are housed not more than three (3) automobiles, not more than one of which may be a commercial vehicle not larger than a regularly manufactured pick-up or panel truck of three-quarter (¾) ton capacity which shall be housed within a garage and provided said commercial vehicle is owned and operated by a member of the family who resides in said living unit. Provided, further that all accessory buildings shall conform and be located as required in Section 4.17, and shall not exceed six hundred (600) square feet in floor space and fifteen (15) feet in height.

e. Servants' quarters shall be considered an accessory use if located in a building separate from the principal building on the lot.

f. The growing of vegetables, fruit, flowers, shrubs and trees provided such uses are not conducted for commercial purposes.

g. Home occupations as limited and defined in Article II.

h. Temporary buildings for use incidental to construction work as approved by the Board of Zoning Appeals for a period to exceed six (6) months, subject to renewal, which buildings shall be removed upon the completion or abandonment of the construction work.

i. Private swimming pools as regulated by Ordinance No. 96.

j. Off-street parking in accordance with the requirements of Article VI.

Section 7.03. AREA, HEIGHT, BULK AND PLACEMENT REQUIREMENTS. (In accordance with the attached Schedule of Regulations, Article XV.)

ARTICLE VIII R-1B, SINGLE-FAMILY RESIDENTIAL DISTRICT

Section 8.01. STATEMENT OF PURPOSE. The R-1B, Single-Family Residential District is established as a district in which the principal use of land is for single-family dwellings and related educational, cultural and religious uses where found appropriate and harmonious with the residential environment. For this single-family residential district, in promoting the general purpose of this Ordinance, the specific intent of this Section is:

a. To encourage the construction of, and the continued use of the land for single-family dwellings.

b. To prohibit business, commercial or industrial use of the land, and to prohibit any other use which would substantially interfere with development or maintenance of single-family dwellings in the district.

c. To encourage the discontinuance of existing uses that would not be permitted as new uses under the provisions of this Ordinance.

d. To discourage any land use which would generate traffic on minor or local streets, other than normal traffic to serve the residences on those streets.

e. To discourage any use which, because of its character or size would create requirements and costs for public services such as fire and police protection, water supply and sewerage, substantially in excess of such requirements and costs if the district were developed solely for single-family dwellings.

Section 8.02. PERMITTED USES. In the R-1B district, the following uses are permitted:

a. Any principal or accessory use permitted in the R-1A District.

b. Churches and other facilities normally incidental thereto, provided that the proposed site for a Church is not less than five (5) acres, that there is adequate access to all required off-street parking areas, that there is no parking in the required front yard, that the church site is adjacent to a major thoroughfare as defined on the City's Comprehensive Development Plan, and that approval is secured from the City Council.

City of Grosse Pointe ZONING ORDINANCE

c. Public, parochial and private elementary, junior, and/or senior high schools offering courses in general education and libraries, not operated for profit, provided that approval is secured from the City Council.

d. Off-street parking in accordance with the requirements of Article VI.

Section 8.03. AREA, HEIGHT, BULK AND PLACEMENT REQUIREMENTS. (In accordance with the attached Schedule of Regulations, Article XV.)

ARTICLE IX R-2, TWO-FAMILY RESIDENTIAL DISTRICT

Section 9.01. STATEMENT OF PURPOSE. The R-2, Two-Family Residential District is established as a district in which the principal use of land is for single- and two-family dwellings based upon a plan to make the most appropriate use of land within neighborhoods or on major thoroughfares. The specific intent of this Article is to insure that only such residential uses as can be properly designed and built will be allowed in this district so as not to overcrowd the land, cause parking or traffic congestion, or to have injurious effects on adjacent single-family and two-family residential dwellings.

a. To encourage the construction of, and the continued use of the land for single-family and two-family dwellings.

b. To prohibit business, commercial or industrial use of the land, and to prohibit any other use which would substantially interfere with development or maintenance of single-family and two-family dwellings in the district.

c. To encourage the discontinuance of existing uses that would not be permitted as new uses under the provisions of this Ordinance.

d. To discourage any land use which would generate traffic on minor or local streets, other than normal traffic to serve the residences on those streets.

e. To discourage any use which, because of its character or size would create requirements and costs for public services such as fire and police protection, water supply and sewerage, substantially in excess of such requirements and costs if the district were developed solely for single-family and two-family dwellings.

Section 9.02. PERMITTED USES. In the R-2 district, the following uses are permitted:

a. Any use permitted in the R-1B, Single-Family Residential District.

b. Two-family dwellings, including two-family income dwellings.

c. Accessory buildings or uses customarily incidental to any of the permitted uses in accordance with regulations in Section 4.17.

d. Private swimming pools (as regulated by Ordinance No. 88), designed and operated only for occupants of the principal building and their personal guests.

e. Public utility buildings, telephone exchange buildings, electric transformer stations and sub-stations, and gas regulator stations, but not including service or storage yards, when operating requirements necessitate the locating within the district in order to serve the immediate vicinity, subject to the approval of the Board of Zoning Appeals.

f. Off-street parking in accordance with the requirements of Article VI.

Section 9.03. AREA, HEIGHT, BULK AND PLACEMENT REQUIREMENTS. (In accordance with the attached Schedule of Regulations, Article XV.)

ARTICLE X R-T, TERRACE DISTRICT

Section 10.01. STATEMENT OF PURPOSE. The R-T, Terrace District is designed to permit residential use of land with terrace types of multiple dwellings and related uses. These areas would be located near major streets for good accessibility and be designed to complement adjacent single-family areas. Various types and sizes of residential accommodations for ownership or rental would thereby be provided to meet the needs of the different age and family groups in the community without over-taxing existing community facilities, utilities, or services.

Section 10.02. PERMITTED USES. In the R-T district, the following uses are permitted:

a. All uses permitted in the R-2 District, subject to all requirements for such uses in zoning districts where first permitted.

b. Terrace dwellings.

c. Hospitals and nursing homes, provided that the proposed site for a hospital or nursing home is not less than five (5) acres, that there is adequate access to all required off-street parking areas, that there is no parking in the required front yard, that the site is adjacent to a major thoroughfare as defined on the City's Comprehensive Development Plan, and that approval is secured from the City Council.

d. Semi-private, non-profit clubs.

e. Signs, as regulated by Ordinance No. 89, and when located on the same lot pertaining to the use of the particular building or buildings, provided that they shall not overhang any public right-of-way; shall not be illuminated; shall not exceed six (6) square feet in area; shall not project higher than four (4) feet above the level of the ground; and shall not indicate any other information except the name or address of the building or management thereof. For community facility uses as enumerated in subsections c and d above, signs shall be in accordance with Ordinance No. 89. Signs for off-street parking areas, open or enclosed, are permitted providing they do not exceed two (2) square feet in area and are not higher than seven (7) feet above curb level.

f. Community garages and carports serving the principal residential building, containing space for no more than two (2) passenger vehicles for each dwelling unit in the principal building on the lot, and having common and unplastered dividing walls between every two (2) contiguous private garages or carports.

g. Private swimming pools (as regulated by Ordinance No. 88) designed and operated only for occupants of the principal building and their personal guests.

h. Off-street parking in accordance with the requirements of Article VI.

In order to clarify the type of permitted uses in a R-T District, the following uses, among others, are specifically prohibited:

1. Apartment house.

2. Rental offices, as accessory to a terrace dwelling unit project.

3. Tourist home, lodging house, or boarding house.

4. Motel, hotel, or mobile home park.

5. A residential structure for a home for children of other than those residing therein, or for the aged, indigent, or physically handicapped; or a rest or convalescent home.

Section 10.03. SITE PLAN REVIEW. For all uses permitted in a R-T District, a site plan must be submitted to the City Council showing all buildings, parking areas, and landscaping at a scale sufficient to permit study of all elements of the plan. Typical elevations and floor plans of the building must also be provided. If the plans meet the required standards and design and indicate no adverse effects which in the opinion of the City Council cause injury to adjoining property or the City as a whole, the City Council may approve or disapprove the plan and shall determine whether required standards have been met. Plans so approved shall regulate the development on said premises unless modified in the same manner as the plans were originally approved.

Section 10.04. AREA, HEIGHT, BULK, AND PLACEMENT REQUIREMENTS. (In accordance with the attached Schedule of Regulations, ARTICLE XV.)

ARTICLE XI RO-1, RESTRICTED OFFICE DISTRICT

Section 11.01. STATEMENT OF PURPOSE. The Restricted Office District is intended to permit those office and restricted business uses which will provide opportunities for local employment close to residential areas, thus reducing travel to and from work; and which will provide clean, modern office buildings in landscaped settings; which will provide, adjacent to residential areas, appropriate districts for use which do not generate large volumes of traffic, traffic congestion, and parking problems; and which will promote the most desirable use of land in accordance with the Comprehensive Development Plan.

Section 11.02. PERMITTED USES. In the RO-1 district, the following uses are permitted:

a. Uses resulting from any of the following occupations: executive, administrative, professional, accounting, banking, clerical, stenographic and drafting.

The above uses shall not be construed to eliminate offices of recognized manufacturers' agents, provided that no display will be in an exterior show window, and the total area devoted to display including both the objects displayed and the floor space set aside for persons observing the displayed objects, shall not exceed fifteen (15) per cent of the usable floor area of the establishment using the display of an actual product for sale as a sales procedure; provided that there shall be no outdoor storage of goods or material, irrespective of whether or not they are for sale, and provided further, that there shall be no warehousing or indoor storage of goods or material, irrespective of whether or not they are for sale, and provided further, that

there shall be no warehousing or indoor storage of goods or material beyond that normally incidental to the above permitted office type uses.

b. Medical or dental centers, not including veterinarian hospital or any type of medical facility permitting overnight patients.

c. Professional office of a medical doctor, osteopath, chiropractor, dentist, architect, lawyer, professional engineer, land surveyor, or city planner.

d. Publicly owned building and public utility offices, transformer stations and sub-stations but not including storage yards.

e. There shall be no accessory structures in a RO-1 District except that signs may be permitted, providing they pertain to a use conducted within the main building and shall be displayed flat against the side of the building and not project above the roof line. Such signs shall not have flashing illumination and shall not exceed twelve (12) square feet in area for any one building.

One (1) sign shall be permitted for each office or clinic use in a building; such sign shall not exceed ten (10) square feet in area.

Section 11.03. OFF-STREET PARKING FACILITIES.—LOCATION. Off-street parking facilities shall be provided as hereinbefore specified in ARTICLE VI of this Ordinance, with the further condition that no parking be permitted in the required front yard, said front yard area being the twenty (20) foot yard space abutting the front property line and the street right-of-way, nor within twenty (20) feet of any side or rear property zoned R-1A, R-1B, R-2, or R-T, or which is adjacent to any property or lot used for residential purposes. (Refer to Section 6.02 for off-street parking development regulations.)

Section 11.04. LANDSCAPING. Along any property line of an RO-1 District abutting a residentially zoned district, the area between the required setback and the property line shall be sodded, planted and shrubbed to form a permanent screen which shall be maintained at a height of not less than four (4) feet or more than seven (7) feet.

Section 11.05. ARCHITECTURAL PLANS. In RO-1 Districts, all architectural plans for buildings shall be presented to the City Council and received their approval prior to submitting plans to the Building Inspector for approval and issuance of a building permit. It is intended that such buildings, when located adjacent to a residential area, shall take on the appearance of residential buildings in order to preserve the general character of the residential neighborhood.

Section 11.06. AREA, HEIGHT, BULK AND PLACEMENT REQUIREMENTS. (In accordance with the attached Schedule of Regulations, ARTICLE XV.)

ARTICLE XII C-1, LOCAL BUSINESS DISTRICT

Section 12.01. STATEMENT OF PURPOSE. The C-1, Local Business District as established in this Article is intended to be that permitting retail business and service uses which are needed to serve the nearby residential areas. In order to promote such business development so far as is possible and appropriate in each area, uses are prohibited which would create hazards, offensive and loud noises, vibration, smoke, glare, heavy truck traffic, or late hours of operation. The intent of this District is also to encourage the concentration of local business areas to the mutual advantage of both the consumers and merchants and thereby promote the best use of land at certain strategic locations and avoid the continuance of encouraging marginal strip business development along major streets.

Section 12.02. PERMITTED USES. In the C-1 district, the following uses are permitted:

a. Automobile service stations subject to the requirements of Section 4.19.

b. Bake shops, providing that at least seventy-five (75) per cent of all baked goods produced on the premises are sold on said premises at retail and further provided that floor area used for bakery production shall be limited to five hundred (500) square feet per establishment.

c. Bank, savings and loan, or other type of financial institution.

d. Barber shop.

l. Repairs—electrical or other household appliances, locks, radios, television and the like, shoes, time pieces.

m. Restaurants, except those having a drive-in facility.

n. Shops or stores for the retail sale of art supplies, beverages including package liquor outlets, confections, delicatessen, drugs, dry goods, flowers, food stuffs including meats, gifts, hardware, household appliances, jewelry, leather goods, music, notions, paint, periodicals, radio, television and the like, sewing machines for households only, sports goods, stamps or coins, stationery, sundry, small household articles, tobacco or wearing apparel.

o. Accessory structures, uses, and signs customarily incidental to the above permitted uses in accordance with Section 4.17, subject to the following restrictions:

(1) Outdoor advertising signs, only when attached to the face of the building, and when pertaining to the sale, rental or use of the premises on which it is located or to goods sold or activities conducted thereon, provided that any such signs shall conform to the requirements of Ordinance No. 89.

(2) Garages to be used exclusively for the storage of passenger motor vehicles and/or commercial vehicles of less than one and one-half (1½) ton capacity, which are to be used in connection with a business or other use permitted and located in a C-1 District.

p. Off-street parking and loading, in accordance with the requirements of Article VI.

Section 12.03. SITE PLAN APPROVAL. For all uses permitted in a C-1 District, a site plan must be submitted to the City Council showing all buildings, parking areas, and landscaping at a scale sufficient to permit study of all elements of the plan. Typical elevations and floor plans of the building must also be provided. If the plans meet the required standards and design and indicate no adverse effects which in the opinion of the City Council cause injury to adjoining property or the City as a whole, the City Council shall determine whether the required standards have been met and then may approve or disapprove the plans. Plans so approved shall regulate the development on the said premises unless modified in the same manner as the plans were originally approved.

Section 12.04. PROTECTIVE SCREENING. Protective screening for C-1 Districts adjacent to or near residential districts shall be in compliance with the regulations set forth in Section 4.31.

Section 12.05. AREA, HEIGHT, BULK AND PLACEMENT REQUIREMENTS. (In accordance with the attached Schedule of Regulations, Article XV.)

ARTICLE XIII C-2, CENTRAL BUSINESS DISTRICT

Section 13.01. STATEMENT OF PURPOSE. The C-2, Central Business District is intended to provide major shopping facilities to serve the City and surrounding regional area. As such, it should permit a sufficient size site for integrated off-street parking, landscaping and loading and be located adjacent to major thoroughfares to permit safe and efficient vehicular traffic circulation. These districts and the traffic which said shopping centers therein may generate, must be planned so as not to cause adverse effects on adjacent residential property. Retail business uses are primarily intended for this district so as to concentrate shopping activities into a planned area catering to both vehicular service and pedestrian needs.

Section 13.02. PERMITTED USES. In the C-2 District, the following uses are permitted:

a. Advertising signs subject to the requirements set forth in Ordinance No. 89.

b. Bake shops, providing that at least seventy-five (75) per cent of all baked goods produced on the premises are sold on said premises at retail and further provided that floor area used for bakery production shall be limited to five hundred (500) square feet per establishment.

c. Bank, savings and loan or other types of financial institutions.

d. Barber shop.

e. Beauty shop.

f. Building and facilities for furnishing utility services, including heat, light, water and power.

g. Carpet, rug, linoleum, or other floor covering stores.

h. Clothing or costume rental establishments.

i. Department stores.

j. Furniture stores.

k. Interior decorating establishments.

l. Office or business machine stores, sales or rental.

m. Offices, either business, professional or governmental, including stock broker office.

n. Off-street parking and loading in accordance with Article VI.

o. Photographic establishments.

p. Repairs—electrical or other household appliances, locks, radios, television and the like, shoes, time pieces.

q. Restaurants except those having a drive-in facility.

r. Shops or stores for the sale of art supplies, beverages, including package liquor outlets, confections, delicatessen, drugs, dry goods, flowers, food stuffs, including meats, hardware, household appliances, jewelry, leather goods, music, notion, paint, periodicals, radio, television and the like, sewing machines for households only, sports goods, stamps or coins, stationery, sundry, small household articles, tobacco or wearing apparel.

s. Television, radio, or household appliance repair shops.

Section 13.03. REZONING AREA REQUIREMENTS. No district shall be zoned as a C-2 unless said zone shall contain several or all of the uses in Section 13.02 and satisfies the objectives of Section 13.01. Such zones shall provide off-street parking facilities within its own area as specified in Article VI and an internal system of roads and walks which will effectively separate pedestrian and vehicular traffic.

Section 13.04. SITE PLAN REVIEW. For all uses permitted in a C-2 District, a site plan must be submitted to the City Council showing all buildings, parking areas, and landscaping at a scale sufficient to permit study of all elements of the plan. Typical elevations and floor plans of the building must also be provided. If the plans meet the required standards and design and indicate no adverse effects which in the opinion of the City Council cause injury to adjoining property or the City as a whole, the City Council shall determine whether the required standards have been met and then may approve or disapprove the plans. Plans so approved shall regulate the development on the said premises unless modified in the same manner as the plans were originally approved.

Section 13.05. PROTECTIVE SCREENING. Protective screening for C-2 Districts adjacent to or near residential districts shall be in compliance with regulations set forth in Section 4.31.

Section 13.06. AREA, HEIGHT, BULK AND PLACEMENT REQUIREMENTS. (In accordance with the attached Schedule of Regulations, Article XV.)

ARTICLE XIV P-1, VEHICULAR PARKING DISTRICT

Section 14.01. STATEMENT OF PURPOSE. The Vehicular Parking District is intended to permit the establishment of areas to be used for off-street vehicular parking of private passenger cars, so as to serve business and commercial area. This District is also designed to afford maximum protection to next adjacent residential areas by providing landscaped setbacks, fences, and well designed parking lot facilities. It is also intended that this District act as a transitional area between commercial and residential areas, thereby permitting private developers as well as public agencies to provide needed off-street parking.

Section 14.02. PERMITTED USES. In the P-1 district, the following uses are permitted:

a. Vehicular parking subject to requirements in Section 14.03.

Section 14.03. LIMITATION OF THE USE.

a. Parking areas shall be used only for parking of passenger vehicles operated by the management, the employees, customers and guests of the enterprise doing business in the City of Grosse Pointe.

b. Parking may be with or without charge.

c. No business involving the repair or services to vehicles, trailers, mobile homes, travel trailers, boats or boat trailers, or sale, display, or storage of same shall be permitted from or upon property zoned in a P-1 District.

d. No buildings other than those for shelter of attendants shall be erected upon premises, and there shall be not more than two (2) such buildings in the area, and each such building shall be not more than fifty (50) square feet in area nor shall exceed fifteen (15) feet in height.

e. No advertising signs shall be erected on the premises except that not more than one (1) directional sign at each point of ingress or egress may be erected which may also bear the name of the operator of the lot and enterprise if it is intended to serve. Such signs shall not exceed six (6) feet in area; shall not extend more than ten (10) feet in height above the nearest curb and shall be entirely upon the parking area.

FOOTNOTES TO ARTICLE XV, SCHEDULE OF REGULATIONS

a. A fifty (50) foot front yard setback for all buildings in any zoning district is required on Jefferson Avenue. In addition, in R-1A, R-1B, R-2 and R-T Districts on a lot occupied by any building which is permitted in said Districts, other than solely for residential purposes, the required front yard shall be fifty (50) feet. Except in the circumstances noted above, where fifty (50) per cent or more of the frontage in any one (1) block between two (2) adjacent streets has been built upon, the minimum front yard shall be established by using the average depth of the front yards provided on the lots built upon.

b. In R-1A, R-1B, R-2 and R-T Districts on a lot occupied by any building which is permitted in said Districts other than solely for residential purposes, the width of each side or rear yard shall be not less than twenty five (25) feet.

c. The distance between buildings, or between any building and the nearest lot line shall not be less than the height of the building, nor less than twenty (20) feet whichever is greater. No more than ten (10) per cent of the required distance may be used for off-street parking area.

d. No front, side or rear yard required where fifty (50) per cent or more of block is built-up with structures not providing any front, side or rear yards.

e. For all C-1 and C-2 Districts, the following yard requirements shall apply:

1. On the side of a lot which abuts a property located in any residential zone, a side yard of not less than twenty (20) feet in width shall be provided.

2. In all cases where a building has a wall not of fireproof construction or a fireproof wall pierced with windows or other openings, the building shall be accessible on at least two (2) sides by public street or alley or by a passageway, open above ground, not less than ten (10) feet wide, measured to the lot line, extending to a public street or alley.

f. Required lot area, lot width and other regulations for single-family residences in a R-2 and R-T District shall be the same as required for the single-family district abutting or said R-2 and R-T District at the nearest distance from the lot or lots in question. The requirements for two family dwellings built in a R-T District shall be the same as required as if the property in question were zoned R-2.

g. Attached single family dwellings or terraces may be erected and rented or sold as individual units regardless of the side yard, lot area and lot width requirements of the residential zone classifications, subject to the following provisions:

1. The building containing the attached houses must meet all use, height, yard and parking provisions of its zone district.

2. The sale of any individual unit must include rights to a common open space for access to a common required parking area, unless the individual unit has a built-in garage in connection therewith.

3. No terrace shall contain more than six such attached dwelling units unless provided with outer courts of at least 20 feet in two directions.

4. Each unit shall have utility services.

Section 14.04. LOCATION. All P-1 Districts shall be contiguous to a business, commercial or industrial district cases, lots which are used for parking shall be the adjacent side lots from the business or commercial property.

Section 14.05. INGRESS AND EGRESS. Adequate ingress and egress shall be provided for vehicles to premises used for parking and shall be in accordance with the plan which shall be in triplicate for approval in accordance with Section 14.01.

Section 14.06. SURFACE OF THE PARKING AREA. The parking area shall be provided with a pavement in accordance with Section 6.02, b.

Section 14.07. FRONT YARD. Where a P-1 District is contiguous to a residentially zoned district which has a frontage on the same block with the P-1 District, and residential structures have been erected, there shall be a yard space equal to the average setback of homes in the same side of the street.

Where the P-1 District is contiguous to a residentially zoned district which has a common frontage in the same block with the P-1 District, and wherein residential structures have been erected, there shall be provided a front yard of greater than twenty (20) feet in depth, and a protective wall as set forth in Section 14.09.

Section 14.08. SIDE YARDS. Where a P-1 District is contiguous to side lot lines of premises in a residentially zoned district, there shall be provided a side yard not less than ten feet in width between the side lot lines and the parking area. Where the P-1 District lies across a street and oppositely zoned district where the side lot lines are contiguous such street, there shall be provided a yard space not less than ten (10) feet in depth.

Section 14.09. PROTECTIVE WALL. Where the P-1 District adjoins or fronts upon residentially zoned or used property, a protective wall shall be provided around the parking area between the yard spaces and the actual parking area a wall in accordance with Section 6.02, e.

Section 14.10. BUMPER RAIL. There shall be provided a bumper rail in accordance with Section 6.02, f.

Section 14.11. LANDSCAPING. Wherever such wall is required, all land between said wall and the boundaries of the District shall be kept free from refuse or debris, and landscaped. The landscaped area adjacent to the wall shall be planted with deciduous shrubs, evergreens, and/or trees.

Fruit trees shall not be used. Where the arrangement of materials will result in exposure of the walls, said walls shall be covered with ivy, spirea border or similar plant material. The remainder of the landscaped area which is not planted with the aforementioned stock shall be in well-kept lawn. All lawns shall be maintained in a healthy growing condition, and orderly in appearance.

All planting plans shall be first submitted to the Building Inspector for approval as to suitability of planting materials and area thereof in accordance with the provisions of the preceding graph and requirements of Section 6.02.

Where required landscaping is not sufficiently and properly maintained, the City Manager may, after five (5) days notice given to the property owner as shown on the latest assessed order whatever steps are necessary to suitably maintain landscaped area and charge all of the costs plus a five (\$5.00) fee to the property owner.

Section 14.12. LIGHTING. Where lighting facilities are provided, they shall be so arranged as to reflect the light on all residentially-zoned properties which are adjacent to the District, and shall be in accordance with Section 6.02, g.

Section 14.13. APPROVAL. All plans for the development of any P-1 District must be first approved by the Building Inspector before construction is started.

Section 14.14. MODIFICATION OF REQUIREMENTS. The Board of Zoning Appeals upon application by the property owner of the parking area may modify the yard, wall, and ingress requirements where in unusual circumstances, and such modification would be suffered or no good purpose would be served by compliance with the requirements of this Article. In any case where such a protective wall extends to an alley which means of ingress or egress to a parking area, it shall be possible to end the wall not more than ten (10) feet from the line in order to permit a wider means of access to the area and better visibility.

Section 16.01. ENFORCEMENT. The provisions of this Ordinance shall be administered by the Building Department and the Building Inspector and his deputies.

Section 16.02. DUTIES OF BUILDING INSPECTOR. The Building Inspector shall have the power to grant zoning compliance and occupancy permits, to make inspections of the premises necessary to carry out his duties in the enforcement of this Ordinance. It shall be unlawful for the Building Inspector to approve any plans or issue a zoning compliance permit for any excavation or construction work unless he has inspected such plans in detail and found them in compliance with this Ordinance. To this end, the Building Inspector require that every application for a zoning compliance permit for excavation, construction, moving or alteration of type of use or the type of occupancy be accompanied by statements and plans or plats drawn to a scale of not less than one (1) inch equals fifty (50) feet, in duplicate showing the following in sufficient detail to enable the Inspector to ascertain whether the proposed work is in conformance with this Ordinance.

a. The legal description, actual shape, location, and dimensions of the

City of Grosse Pointe ZONING ORDINANCE

The Building Inspector is, under no circumstances, permitted to make changes to this Ordinance nor to vary the terms of this Ordinance in carrying out his duties as Building Inspector.

The Building Inspector shall record all non-conforming uses at the effective date of this Ordinance within twelve (12) months after the adoption of this Ordinance for the purpose of the provisions of ARTICLE V.

Section 16.03. PERMITS. The following shall apply in the issuance of any permit:

Permits Required. It shall be unlawful for any person to commence excavation for, or construction of any building structure, or moving of an existing building without first obtaining a building permit from the Building Inspector. No permit shall be issued for the construction, alteration, remodeling of any building or structure until an application has been submitted in accordance with the provisions of this Ordinance, showing that the construction proposed is in compliance with the provisions of this Ordinance and with the Building Code.

No plumbing, electrical, drainage or other permit shall be issued until the Building Inspector has determined that the plans and designated use indicate that the structure and premises, if constructed as planned and proposed, will conform to the provisions of this Ordinance. "Alteration" or "repair" of an existing building or structure shall include any changes in structural members, stairways, basic construction, type, kind or class of occupancy, light or ventilation, means of egress and ingress or any other changes affecting or regulated by the Building Code, or this Ordinance, except for minor repairs or changes not involving any of the aforesaid provisions. (See also definition of term "Alteration" in Article II.)

Permits for New Use of Land. A building permit shall also be obtained for the new use of land, whether presently vacant or a change in land use is proposed.

Permits for New Use of Buildings or Structures. A building permit shall also be obtained for any change in use of an existing building or structure to a different class or type.

Section 16.04. CERTIFICATES OF OCCUPANCY. It shall be unlawful to use or permit the use of any land, building or structure for which a building is required, and to use or permit any building or structure hereafter altered, extended, repaired or moved, until the Building Inspector shall issue a Certificate of Occupancy stating that the provisions of this Ordinance and the Building Code have been complied with.

Certificate Validity. The Certificate of Occupancy as required for new construction of, or renovations to existing buildings, structures, in the Building Code, shall also constitute Certificate of Occupancy as required by this Ordinance.

Certificates for Existing Non-Residential Buildings. Certificates of Occupancy shall be issued for existing non-residential buildings, structures or parts thereof, or existing uses of land under inspection it is found that such buildings, structures or parts thereof, or such use of land, are in conformity with the provisions of this Ordinance.

Existing Non-Residential Buildings. If an existing non-residential building has been occupied without the issuance of a proper Certificate of Occupancy, the Building Inspector shall, as soon as possible, issue a temporary Certificate of Occupancy which shall set forth all of the alterations and changes necessary to bring the structure or use to meet the requirements of this and other ordinances of the City of Grosse Pointe. Such temporary Certificate of Occupancy shall specify by which the building or use shall be made to conform to this Ordinance and other ordinances of the City of Grosse Pointe. The said date for bringing the structure or use into conformance with the requirements of the Ordinance shall not be more than six (6) months later than the date of the temporary Certificate of Occupancy.

Structure or Use Cannot be Made to Conform. If the structure or use cannot be made to conform with the requirements of this and other ordinances of the City of Grosse Pointe, then the structure or use shall be vacated within the time period. This order may be subject to alteration or extension by the Board of Zoning Appeals.

Temporary Certificates. Temporary Certificates of Occupancy may be issued for a part of a building or structure prior to the occupation of the entire building or structure, provided such temporary Certificate of Occupancy shall not remain in effect more than six (6) months, nor more than five (5) days after building or structure is fully completed and ready for occupancy and, provided further, that such portions of the building or structure are in conformity with the provisions of this Ordinance.

Records of Certificates. A record of all Certificates of Occupancy shall be kept in the office of the Building Inspector. Copies of such Certificates of Occupancy shall be furnished upon request to a person or persons having a proprietary or other interest in the property involved.

Certificates for Accessory Buildings to Dwelling. Accessory buildings or structures to dwellings shall not require a separate Certificate of Occupancy, but rather may be included in the Certificate of Occupancy for the principal dwelling, building or structure on the same lot when such accessory buildings or structures are completed at the same time as the principal use.

Application for Certificates. Certificate of Occupancy shall be applied for coincident with the application for a building permit. The Certificate of Occupancy shall be issued within ten (10) days after the erection of such building shall have been completed in conformity with the provisions and requirements of this Ordinance. If the Certificate is refused for cause, the applicant therefor shall be notified of such refusal and the cause thereof within ten (10) days.

Certificates for Nonconforming Buildings and Uses. Reference is made to Section 5.01.

Section 16.05. INSPECTIONS; NOTICE REQUIRED; DUTIES. In order to insure compliance with the provisions of this Ordinance, the Building Inspector will be notified as construction or other work reaches the following stages:

- Prior to completion of the footings and prior to the erection of any foundations.
- Upon completion of all work authorized by the building permit. Until inspection is completed, no further work shall be accomplished. At each inspection, the Building Inspector shall insure that all work accomplished complies with the applicable provisions of this Ordinance. If he determines that any provision of this Ordinance has been violated, he shall immediately suspend the building permit, and such suspension shall remain in effect until correction of all violations shall have been approved by the Building Inspector.

Section 16.06. FEES. Fees for inspections and the issuance of permits or certificates or copies thereof required or issued under the provisions of this Ordinance shall be collected by the Treasurer in advance of the issuance of such permits or certificates.

Amount of such fees shall be established by the City Council, from time to time, and shall cover the cost of inspection and the provision for the enforcement of this Ordinance. The fees shall be paid to the General Fund of the City of Grosse Pointe.

Section 16.07. AMENDMENTS. The City Council of the City of Grosse Pointe may amend, supplement or change the regulations of the district boundaries of this Ordinance as established in, subsequently pursuant to the authority and procedure set forth in Act 207 of the Public Acts of 1921, as amended. Any person desiring to have any change made in this Ordinance shall file his petition for such change, deposit the sum of fifty (50) dollars with the City Treasurer at the time that the petition is filed to cover the publication and other miscellaneous expenses of the change.

Section 16.08. PERFORMANCE BONDS. Where in the Zoning Ordinance there is delegated to the City Council or the Board of Zoning Appeals the function of establishing certain physical improvements as a contingency to securing a zoning amendment, special approval or variance, the Building Inspector shall insure strict compliance with any regulation contained herein required as a condition of the issuance of a permit, require the applicant to furnish a performance or surety bond, or cash at the discretion of the Board of Zoning Appeals, executed by a reputable surety company authorized to do business in the State of Michigan in an amount determined by the City Council of the Board of Zoning Appeals to be reasonably necessary to insure compliance hereunder; provided, however, that in fixing the amount of such performance or surety bond, the City Council or the Board of Zoning Appeals shall take into account the size and scope of the proposed improvement project, current prevailing rates for insuring the premises upon default of the applicant, estimated expenses to compel operator to comply to the satisfaction of the City Council, and such other factors and conditions as might be deemed to be relevant in determining the sum reasonable in the light of all the circumstances surrounding such application.

ARTICLE XVII BOARD OF ZONING APPEALS

Section 17.01. CREATION OF BOARD OF ZONING APPEALS. There is hereby established that the City Council shall act as a Board of Zoning Appeals, which shall perform its duties and exercise its powers as provided in Section 5 of Act 207 of the Public Acts of 1921, as amended, in such a way that the objectives of this Ordinance shall be observed, public safety secured, and substantial justice done.

Section 17.02. OFFICERS OF THE BOARD OF ZONING APPEALS. The Chairman and Vice Chairman of the Board shall be elected annually by the members of the Board.

Section 17.03. MEETINGS. All meetings of the Board shall be held at the call of the Chairman or, in his absence, the Vice Chairman, and at such times as the Board may determine. All meetings of the Board shall be open to the public. The Board shall keep minutes of its proceedings, showing the vote of each member on each question, or, if absent or failing to vote, indicate such fact, and shall keep records of its findings, proceedings at hearings and other official actions, all of which shall be immediately filed in the office of the City Clerk and shall be a public record.

The Board shall have the power to subpoena and require the attendance of witnesses, administer oaths, compel testimony, and the production of books, papers, files and other evidence pertinent to the matters before it.

Section 17.04. APPEALS AND REVIEW. An appeal may be taken to the Board by any person, firm, or corporation, or by any officer, department, board, or bureau affected by a decision of the Building Inspector. Such appeals shall be taken within such time as shall be prescribed by the Board of Zoning Appeals by general rule by filing with the Building Inspector and with the Board a Notice of Appeal specifying the grounds thereof. The Building Inspector shall forthwith transmit to the Board all of the papers constituting the record upon which the action appealed from was taken.

An appeal shall stay all proceedings in furtherance of the action appealed from unless the Building Inspector certifies to the Board, after the Notice of Appeal has been filed with him that by reason of facts stated in the certificate, a stay would, in his opinion, cause imminent peril to life or property, in which case the proceedings shall not be stayed, otherwise than by a restraining order, which may be granted by a court of record.

The Board shall select a reasonable time and place for the hearing of the appeal and give due notice thereof to the parties and shall render a decision on the appeal without unreasonable delay. Any person may appear and testify at the hearing either in person or by duly authorized agent or attorney.

Section 17.05. FEE FOR APPEALS. A fee of fifty (\$50.00) dollars shall be paid to the City Treasurer at the time notice of the appeal is filed, unless payment of such fee is waived by the general rules adopted by the Board.

Section 17.06. POWERS OF BOARD OF ZONING APPEALS CONCERNING VARIANCES. The Board, as herein created, is a body of limited powers. The Board shall have the following specific powers and duties:

- Purpose.** To hear and decide appeals where it is alleged there is an error of law in any order, requirement, decision or determination made by the Building Inspector in the enforcement of this Ordinance, and to hear and decide appeals where there are practical difficulties or unnecessary hardship in the way of carrying out the strict letter of this Ordinance so that the spirit of this Ordinance shall be observed, public safety secured and substantial justice done.
- Authorization.** In hearing and deciding appeals, the Board shall have the authority to grant such variances therefrom as may be in harmony with their general purpose and intent, so that the function of this Ordinance be observed, public safety and welfare secured, and substantial justice done, including the following:
 - Interpretation of Zoning District Boundaries.** Interpret the provisions of the Ordinance in such a way as to carry out the intent and purpose of the plan, as shown upon the Zoning Map fixing the use districts, accompanying and made part of this Ordinance, where street layout actually on the ground varies from the street layout as shown on the map aforesaid. In cases of any question as to the locations of any boundary line between zoning districts, the Board shall interpret the Zoning Map.
 - Height, Yard Spaces and Area Requirements.** Permit such modification of the height, yard space, and area requirements as may be necessary to secure appropriate improvement of a lot which is of such shape or so located with relation to surrounding development or physical characteristics that it cannot otherwise be appropriately improved without such modification.
 - Additions to Buildings.** Permit modification of zoning requirements for additions or enlargements to existing buildings provided that all requirements for the particular use in the zoning district where such use is first permitted cannot be met without extreme physical hardship owing to the shape of the lot, adjacent land uses, or topography.
 - Off-street Parking and Loading Requirements.** Permit the modification of the off-street automobile parking space or loading space requirements where, in the particular instance, such modifications will not be inconsistent with the purpose and intent of such requirements.
 - Off-street Parking Lot Development Requirements.** Permit a variation, modification or exception in the required regulations, specified in Section 6.02, Off-Street Parking Development Regulations of this Ordinance, if after investigation by the Board, it is found that such variation, modification or exception is necessary because of peculiar existing conditions and that such variation, modification or exception will not be inconsistent with the purpose and spirit of this Ordinance.
 - Greenbelt and Wall Screening Requirements.** Permit the modification or waiver of greenbelt and/or wall screening requirements as specified in Section 4.31, a and b where such screening would serve no good purpose, where other methods of screening would be suitable, or where it is necessary to provide entrances to and exits from required off-street parking and loading areas.
 - Temporary Buildings.** Permit temporary buildings and uses for periods not to exceed six (6) months.
 - Public Utilities.** Permit the erection and use of a building, or an addition to an existing building, of a public service corporation to be used for public utility purposes, in any permitted district to a greater height or of larger area than the district requirements herein established, and permit the location in any use district of a public utility building structure, or use, provided the Board of Zoning Appeals shall find such use, height, area, building or structure reasonably necessary for the public convenience and service, and provided further, that such building, structure, or use is designed, erected and landscaped to conform harmoniously with the general architecture and plan of such a district.
 - Community Garage.** Permit a community garage in any district or a public garage in a R-T District provided that any such garage shall not be located within fifty (50) feet of any street lot line, and provided further that no such use shall be permitted unless there are on file with the Board the written consents of the owners of eighty (80) per cent by frontage of all lots lying within one hundred and fifty (150) feet of any point on the lot for which such use is proposed. Any lot which lies more than fifty (50) per cent by area within such radius shall be deemed to lie wholly within for the purpose of computing the frontage herein specified. In computing the percentage of consents required under this provision, the frontage of lots already used for public garages shall be counted as consenting.
 - Performance Bonds.** Establish performance bonds to insure compliance of any requirement which may be deemed necessary for approving any variance. (See Section 16.08.)
 - General.** Where there are practical difficulties or unnecessary hardships in complying with the provisions of this Ordinance, the Board of Zoning Appeals may in specific cases adjust any such condition in harmony with the general purpose and intent of this Ordinance so that the public health, safety and general welfare may be secured and substantial justice done, and general welfare may be secured and substantial justice done.

Application. The concurring vote of two-thirds (2/3) of the members of the Board shall be necessary to reverse any order, requirements, decision or determination of the Building Inspector in favor of the applicant on any matter upon which it is authorized by this Ordinance to render a decision.

The power or authority to alter or change the Zoning Ordinance or the Zoning Map is reserved to the City Council of the City of Grosse Pointe in the manner hereinafter provided by law.

Standards. In consideration of all appeals and all proposed variations to this Ordinance, the Board shall, before making any variations from the Ordinance in a specific case, first determine that the proposed variations involve exceptional circumstances not found in other areas of the same district; will not in any other respect impair the public health, safety, comfort, or welfare of the inhabitants of the City of Grosse Pointe; and in addition meets the following general standards:

- The proposed use will be of such location, size and character that it will be in harmony with the appropriate and orderly development of the surrounding neighborhood.
- The proposed use will be of a nature that will make vehicular and pedestrian traffic no more hazardous than is normal for the district involved, taking into consideration vehicular turning movements in relation to routes of traffic flow, proximity and relationship to intersections, adequacy of sight distances, location and access of off-street parking and provisions for pedestrian traffic, with particular attention to minimizing child-vehicle contacts in residential districts.
- The location, size, intensity, site layout and periods of operation of any such proposed use will be designed to eliminate any possible nuisance emanating therefrom which might be noxious to the occupants of any other nearby permitted uses, whether by reason of dust, noise, fumes, vibration, smoke or lights.
- The location and height of buildings or structures and the location, nature and height of walls and fences will be such that the proposed use will not interfere with or discourage the appropriate development and use of adjacent land and buildings or unreasonably affect their value.

Conditions. The Board of Zoning Appeals, in acting on any appeal in connection with a request for waiver, may attach any conditions to its approval which it finds necessary to accomplish the reasonable application of the foregoing standards.

In exercising the above powers, the Board may reverse or affirm wholly or partly, or may modify the order, requirement, decision or determination appealed from, and may make such order, requirement, decision or determination as ought to be made, and to that end shall have all the powers of the Building Inspector from whom the appeal is taken.

Section 17.07. NOTICE OF HEARING. The Board of Zoning Appeals in conducting any public hearing shall fix a reasonable time for the hearing of the appeal and shall give due notice to the parties concerned including all owners of record of property and residence within three hundred (300) feet of the premises in question. Such notices shall be delivered personally or by mail addressed to the respective owners of the address given on the last assessment roll at least five (5) days before the date set for the hearing. The Board shall decide the appeal within a reasonable period of time. Upon the hearing, any party may appear in person or by agent.

Section 17.08. APPROVAL PERIOD. No order of the Board permitting the erection or alteration of a building shall be valid for a period longer than three (3) months unless such use is established within such period; provided, however, that where such use permitted is dependent upon the erection or alteration of a building, such order shall continue in force and effect if a building permit for said erection or alteration is obtained within such period, and such erection or alteration is started and proceeds to completion in accordance with such permit within twelve (12) months after the order of the Board. The Board may upon application in writing stating the reasons therefor, extend either the three (3) month or twelve (12) month period for an additional three (3) month period.

ARTICLE XVIII INTERPRETATION, APPLICATION, VIOLATIONS, VALIDITY, CONFLICT AND EFFECTIVE DATE

Section 18.01. INTERPRETATION, PURPOSE AND CONFLICT. In interpreting and applying the provisions of this Ordinance, they shall be held to be the minimum requirements for the promotion of the public safety, health, convenience, comfort, prosperity, and general welfare.

It is not intended by this Ordinance to interfere with or abrogate or annul any ordinance, rules, regulations, or permits previously adopted or issued and not in conflict with any of the provisions of this Ordinance, or which shall be adopted or issued pursuant to law relating to the use of buildings or premises, and likewise not in conflict with this Ordinance; nor is it intended by this Ordinance to interfere with or abrogate or annul any easements, covenants or other agreements between parties; provided, however, that where this Ordinance imposes a greater restriction or requires larger open spaces, or larger lot areas than are imposed or required by such Ordinance or agreements, the provisions of this Ordinance shall control.

Section 18.02. VIOLATIONS AND PENALTIES. Any person violating or neglecting or refusing to comply with any of the provisions of this Ordinance shall, upon conviction thereof, be deemed guilty of a misdemeanor and shall be punished by imposition of a fine not to exceed five hundred (\$500.00) dollars or by imprisonment for a period not to exceed ninety (90) days, or by imposition of both fine and imprisonment in the discretion of the court. Each day that a violation exists shall constitute a separate offense.

Section 18.03. VALIDITY. This Ordinance and the various articles, sections, paragraphs, and clauses thereof, are hereby declared to be severable. If any article, section, paragraph or clause is adjudged unconstitutional or invalid, it is hereby provided that the remainder of the Ordinance shall not be affected thereby.

Section 18.04. CONFLICTING PROVISIONS REPEALED. All other ordinances and parts of ordinances in conflict with this Ordinance, to the extent of such conflict and no further, are hereby repealed. Ordinance No. 96, adopted March 18, 1957, as amended, and known as the Zoning Ordinance for the City of Grosse Pointe, Michigan is specifically repealed in its entirety.

Section 18.05. EFFECTIVE DATE. The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the public peace, health, safety, and welfare of the people of the City of Grosse Pointe, and are hereby ordered to take effect ten (10) days after publication as required by law.

Accident Victim Back in School

The Kienle home is once again a happy place... Catherine is home again. Catherine is the 7-year-old girl who was trapped beneath the garage door in her Washington road home last January 27.

At that time the combined efforts of the City Police and the emergency room nurses at Bon Secours Hospital saved her life.

Her arm was broken in such a way as to necessitate an operation. It is still in a cast, but Catherine will be back in school by the time this article is published.

Mrs. Kienle is a very happy mother and Catherine was glad to return to her third grade classmates at Richard Elementary school.

Three New Cars Stolen; All Recovered in Detroit

Three 1967 Chevrolets, stolen from the Ted Ewald Chevrolet Company, 15175 East Jefferson on Tuesday, February 21, were recovered by Detroit police. Two of the vehicles had been stripped.

Park Det. James LaPratt said that the three automobiles were stolen from the company lot, at the rear of the building, apparently by a gang, since all three were recovered in the same area in Detroit. An adult and a juvenile, so far, have been arrested for questioning in the thefts. The adult has been released pending further investigation, and the juvenile was remanded to the Juvenile Home in Forest avenue, Detroit.

On Wednesday, February 22, LaPratt said that he was notified by the Detroit Police Auto Recovery Squad, that the stolen cars had been found, and two persons arrested.

The detective who he went to the area, Mt. Elliott and McNichols (Six Mile road), and found one of the vehicles had been stripped of its tires and wheels and battery. It was damaged on both sides, approximately \$400 worth, the officer added.

Two of the automobiles were still intact, the policeman said, and he called the company to pick up the cars without delay, noting that to leave them would mean that they, too, might be stripped.

LaPratt said that it took about four hours before a wrecker was able to be sent to pick up the stripped car, and personnel sent to drive the others. In the meantime, during the four-hour wait, some one removed and stole the two tires and wheels from the left side of one of the two cars left intact.

The total amount of the loss, other than the damage cost, was not disclosed.

Tour of Lakefront Parks Taken by Roving Reporter

By Betty Stephens

While "The Eternal Summer" was playing to crowds at the Punch and Judy Theater, the eternal winter was attracting its own audience at the Pointe parks last week-end.

Last Sunday, the NEWS visited the six areas. There are many places to skate at each park, and almost all were being used by residents of all ages. Each park, also, has its huge piles of broken branches left from last month's storm. Tim Crowley, Ice Monitor at the Park park, told us that workmen estimate that it may be a month before all the debris can be cleared away.

Shalimar, a gentle Afghan hound, had come down with her owner, Mrs. Frank Hedge, to watch the skaters at the Shores park. "Shally" has seen a lot of skaters in her 11 years and was disappointed to find the last skaters leaving as she arrived Sunday. All to be seen were two teen-age boys playing hide and seek out on the docks. There was a lot of space to hide.

Skating Rink Ruined

Shores Gate Guard Granville Wiedyke said that until January's storm, the end of the parking lot nearest the buildings had been frozen by building up a ridge to contain the water. But the heavy snow and numerous broken branches had destroyed it, and now residents must go down to the lake.

"When I was a kid, we could skate all the way to Canada—the ice was sometimes three feet thick." So said Douglas J. Moran, of Moross road, in answer to comments made by John Gajewski, 181 Lakeview road, about the mushiness of the ice at the Farms from Sunday's high of 39 degrees. Despite less than perfect conditions, lots of use was being made of the rubber-covered ramp that leads down from the warming room to the many areas conveniently close to the buildings and sheltered by the complex of docks.

Mr. Moran also volunteered the information that in about 10 days perch will come into shore, and the fishing will start picking up.

Grills Go Begging

Did you ever have to wait to use a grill at the City park last summer? You can have your choice now, and the pavilion is standing there empty and cleared of snow. Sunday we witnessed a lively snowball fight on the wading-pool turned skating rink, inland, while out on the lake a youngster, unaccountably riding a bike, and two ecstatic dogs with their skating owners were having a ball.

The Park's controversial swimming pool with the retaining wall that encloses it, makes a great place to skate. Hot chocolate and cookies sold by a couple of enterprising teenagers in the warming room were an added attraction, in our opinion.

A completely unscheduled lesson in tire-changing was being given by one father in the parking lot. "I'd certainly hate to wait for a garage to get all the way down here today," said T. W. Ramm, of 841 Lakepointe avenue, as he pumped his jack. Young Ramms, who were learning a lot were Charles, 11, Mike, 10, and Laura, 5. Also part of the emergency crew were 12-year-old Timothy and 8-year-old

Andrews Elected By Police Chiefs

Woods Director of Public Safety Allen Andrews was elected vice-president of the Wayne County Chiefs of Police on Tuesday, February 21.

The group was organized approximately 10 years ago, mainly to better the cooperation and to standardize police procedures between departments throughout the county. Recently, the group decided to formally organize for greater effectiveness, and Tuesday held its first election of officers.

Elected president was Inkster Chief of Police Robert Henry; and secretary-treasurer, Garden City Chief of Police Robert Behrendt, who has held this post continuously by appointment, but now by virtue of the election.

Nathan A. Johnson
On Ammunition Ship

Seaman Nathan A. Johnson, USN, son of Mr. and Mrs. Ralph A. Johnson of 853 Neff road, has returned to the ammunition ship Virgo after attending a three-day Public Affairs Seminar at the Naval Station, Subic Bay, Philippines.

The seminar was designed to familiarize Public Affairs officers and staff members from ships and stations in the Western Pacific with procedures for disseminating news from the fleet.

The conference included presentation and workshop sessions on news writing, tape-recorded interviews for radio use and the Navy's hometown news program.

Patrick Petz, of 827 Lakepointe.

The Park's Three Mile drive park was almost deserted by the time we got there, but mittens and a cap under the benches indicated that the rinks had been used that day. There are two good rinks recessed in the snow, and the cement tennis courts have also been frozen.

Where the action really was on Sunday was the Woods' park. Young and old were skating and pulling sleds on a rink near the buildings, and there were a couple of serious hockey games on the surrounding canals.

We found just as many people, especially grown-ups, inside the buildings in front of a fireplace that was hopefully about to blaze. "The wood is still wet," explained Nick Lemich, 614 Perrien place, who was "lodging it," in ski parlance, because of an injured ankle. He informed us that we had crashed a party organized by the Grosse Pointe Boat Club and invited us to share coffee, cocoa and a large variety of doughnuts. (Anyone who has a boat and the \$5 dues can join this happy crowd, incidentally.)

Sleeping It Off

Bundled into a pale blue snowsuit, two-and-a-half-year-old Mark Homuth lay sleeping, oblivious to the merriment, on top of a wooden table at the edge of the room. Several large pieces of kindling insured his not rolling off. Mark is one of five children of the Chet Homuth family, of 529 Shoreham road, were told by his older brother, Scott, and Marcia Pogdanski, 1239 Lochmoor boulevard.

Forty days of skating is considered a good year, and there have already been 33, according to Park records. From the tenacity of the ice that clings to driveway and road like chunks of cement, we surmise that it may be a good year — for skaters.

DOWN AND OUT

The lost and found columns have no meaning for the people who have lost their nerve.

CITY OF Grosse Pointe Park INVITATION TO BID

Sealed bids will be received by the City Clerk of the City of Grosse Pointe Park, Michigan until 10 A.M., March 6, 1967, in the Municipal Building at 15115 E. Jefferson Ave., for the trimming, repair of storm damage and removal of approximately 420 trees in the City of Grosse Pointe Park.

All-Coin Heist Made by Burglar

The home of David Gabhart of 45 Radnor, was forcibly entered and looted by a burglar on Friday, February 24, who apparently seemed to know where to look.

Gabhart personally appeared at the Farms station to make a report of the break-in and theft, and informed Sgt. Marvin Krebs, that the thief, or thieves, took 30 silver dollars that were in a German beer stein, \$10 in loose pennies from a glass vase, and about \$2 in assorted silver coins, from a room in the house.

The burglar entered the house through a rear door, reaching in through a broken pane and unlocking the door.

Investigation of the burglary has been assigned to Det. Sgt. George Van Tien and Det. Joseph Miller.

Ransacks House; Takes 50 Cents

The intruder who broke into the home of Mr. and Mrs. James Marshall, 20033 Holiday, on Saturday, February 25, did not get much loot for his trouble.

Mr. Marshall, who called Woods police, said that he and his wife left the house at about 6 p.m. to do some shopping and returned at 9:10 p.m., to find a front bedroom ransacked. The burglar gained entry into the house by forcing the rear porch door and going through to the dining room. The door leading to this room was unlocked, authorities were informed.

The investigating officers said that evidence disclosed that the thief left via the Fenestra window at the north side of the building.

Marshall said that nothing seemed to be missing except 50 cents.

Devil Cagers End Season With Defeat by Parkers

By Dale Eichbauer

The Grosse Pointe High School Blue Devils closed a Border Cities League basketball schedule with a loss to Highland Park. The Parkers' victory ended them of a tie for first place in the BCL and left the Devils in fifth place with a 3-7 won-lost record.

The first quarter started with the Devils leading 17-13 when Highland Park gained possession of the ball, after which they scored three more points to raise the score to the final 61-55 total. Pacing the Devils in the game was Rick Ferman with 12 points.

Preceding the varsity game, the Grosse Pointe junior varsity defeated that of Highland Park 45-42 in overtime. Coming from behind to tie the score 40-40 with only 1:15 to play in regulation time, they went on to outscore Highland Park in the three minute overtime that followed.

Border Cities League Standings (Final)

Head of Swim Program So GPHS Track Coach

By Betty Stephens

Although he was named to the new position at the beginning of the school year, the track season just opened Monday, February 27. "Our league has a rule that you may not start organized practice until the week in which March 1 falls," said Gauerke. "The rule was probably made with the idea of avoiding conflict for students competing in overlapping sports."

GPHS belong to the BCL — Border Cities League (cities bordering on Detroit) — which consists of teams from high schools in Monroe, Highland Park, Wyandotte, Dondero High School (Royal Oak), Fordson High School (Dearborn) and Grosse Pointe.

"Eight years ago no one in the league could touch Monroe," commented Gauerke. "But in the last two years Highland Park hired a former graduate as coach who is sharpening up their team. Fordson hired away the coach from Monroe, and their team is coming up. Monroe is still doing well, and Wyandotte has made an exceptional record, winning either state champion or runners-up. The BCL is a real balanced league now."

Some observers have noted that Grosse Pointe suffers a slight disadvantage in being the only team in the league without a cross-country program. About one-quarter of competition points come from distance events for which cross-country is the best preparation. However, the team is strong in other ways. With versatile, resourceful Tom Gauerke at its head, Grosse Pointe is sure to do well when it meets its first test this year at the April 1 Spartan Relays at Michigan State University.

Lakerettes Beat St. Elizabeth's

By Karen Scheele

The St. Paul Lakerettes beat St. Elizabeth's quite handily last Sunday, February 26, in the first basketball game of the CYO varsity city tournament, 42-13. The Lakerettes led all the way, but a fourth quarter press allowed St. Paul's to pull the game out of reach.

Jan Gilbert was high scorer with 11 points, followed closely by Karen Scheele and Kathy Walstrom hitting 10 and 9 respectively.

Plagued by fouls the Lakerettes lost their first team guard, Linda Crea, near the end of the third quarter, but Ellen Kennedy came in and did the job, keeping the left hand side of the basket free from St. Elizabeth's invaders.

The Lakerettes will play St. Ladislaus Wednesday night and if victorious they will meet the highly rated St. Anthony Tonettes on Sunday, March 5, the start of the semi-finals.

Capture Crown For Star of Sea

Our Lady Star of the Sea 5th-8th grade team beat St. Juliana in a 15-11 thriller for the Southeast CYO Basketball League Championship, on Sunday, February 26. For the season Star of the Sea had a 14-0 record as compared to 12-2 for second place St. Juliana.

High scorers for the championship game were Mark Promack, 7 points; Kim Mahoney, 3 points; and John Phillips, 3 points. They also contributed great defensive play and were ably assisted by fellow teammates Chip Doyle, who scored 2 points, and Rick Walker.

Head Coach Nick Poillard and assistant Mike Merz were congratulated on the excellent coaching which brought this championship to Our Lady Star of the Sea.

This week the 5th-8th grade team will compete in the district CYO tournament at Our Lady of Good Counsel starting this Thursday.

Star of the Sea 7th-8th grade boys basketball team also had a fine season with a 12-2 record, finishing second to Holy Name.

Regular players were Jim Ney, Ed Ahee, Tom Herron, Ed Doyle and Ken Zavella. They also will be competing this weekend in the CYO district tournament.

Barry A. Trombly Wins CG Promotion

Barry A. Trombly, son of retired City Police Chief and Mrs. Thomas V. Trombly of 532 Notre Dame, was recently promoted from seaman first class to bo's'n's mate third class.

The new petty officer is stationed aboard the Coast Guard Cutter, the USS Elderberry, berthed in Petersburg, Alaska. The promotion was disclosed by Lt. Cmdr. R. W. Raynor, Jr., in Juneau.

BM3/c Trombly, enlisted in the Coast Guard shortly after his graduation from St. Paul High School in 1964. He joined the service for four years.

He and his shipmates patrol Wrangell Narrow, said to be the most lighted ship channel in the world.

Mermaid Beat Star of the Sea

By Elaine Quinn

Taking seven out of a possible nine events, St. Paul stormed past Our Lady Star of the Sea Tankers last Tuesday, February 21, at the Tunas' home pool.

St. Paul started off with a bang when the medley relay combination of Chris Batchelor, Kathy Wahlstrom, Ann Farnam and Elaine Quinn turned in their best time of the season by taking first.

In a close and exciting race, Lynn Duffield finished first in the 50-yard free style, with Patsy Turner coming in fourth.

Ann Farnam showed why she will be a threat in the finals, as she came in first in the 50-yard butterfly. Betsy Cerre got the fourth place spot.

In the 50-yard backstroke, it was Chris Batchelor finishing a strong first and Peggy Quinn coming in fourth.

Sue Simon gave an excellent performance in the diving and wound up first. Ann Cottrell was nosed out of second place, finishing third. In the breast stroke it was Brenda Stout and Mary Snyder finishing 2-4.

The individual medley saw St. Paul pick up the only slam of the meet. Kathy Wahlstrom turned in her best time of the season as she came in first and just two seconds behind her was Lynn Duffield.

Patsy Turner picked up the seventh first for the Mermaids as she came in first in the 100-yard freestyle. Barbe Eldredge was touched out for second but finished a strong third.

St. Paul's free style relay made up of Kathy Thomas, Barb Eldredge, Chris Duffy and Elaine Quinn lost to Star of the Sea's combination. Nevertheless the Mermaids had all the points they needed to secure a 50-37 victory.

This was the last meet of the regular season. The record for the '67 season is 4-2. The Mermaids now hope to retain the city championship. The finals will be held at Oakland University on Sunday, March 12.

St. Paul Enters Drama Festival

It's Gedeonian Dramatic Festival time again, and at St. Paul's the English teachers and librarians have just about exhausted their repertoire of clippings.

The test of ability in the dramatic line comes on Saturday, March 5, at Marygrove College when the parochial high schools of the city will compete in a day-long, three-round reading in a host of subject areas.

The following students will represent St. Paul's in these subject areas: Lyric Poetry—Sally Van Assche; Humorous Prose—Marie Robert; Shakespeare—Dan Wieme; Dramatic Interpretation—Phil Gerlach.

Bible Reading—Dave Fromm; Oratorical Declamation—Tom Sullivan; Children's Literature—Michele Osner.

Serious Prose—Tara Carver; Narrative Poetry—Peter DeGalen.

A cutting from "The Crucible" by Arthur Miller will be the multiple reading choice of a group of seniors who will be St. Paul's entry in this subject area.

Little Leaguers Must Register

Registration for the Woods-Shores Little League teams will be held on Wednesday, March 8. Any boy between the ages of 8-13 in the Woods-Shores area who is interested in playing organized baseball during the coming season is welcome to register.

Bring your birth certificate and \$5 to Ferry School, located at Roslyn and Morningside, between 6-9 p.m. on Wednesday night if you wish to register.

If you have any questions concerning this registration, call Mr. John Matthew at 881-7407.

Babe Ruth Loop Registration Set

The Grosse Pointe Woods-Shores Babe Ruth League will hold its registration for the 1967 season on Saturday, March 18, from 9 a.m. till 12 noon and on Monday, March 20, from 7 p.m. to 9 p.m. at Parcels School in Room 125.

All boys from 13-15 and residents of Grosse Pointe Woods or Grosse Pointe Shores are invited to come out and register. Bring your birth or baptismal certificate and \$7.50 registration fee. All new boys registering for the first time, must have a parent with them.

The baseball season is fast approaching and the League is in need of sponsors. There is tremendous expense involved in outfitting and equipping these boys so if you, or your company, are interested in helping them out as a sponsor, please call Bob Palmer, 886-1564 or Jim Lynch, 886-4314.

You may wish to help with an ad in the Opening Day Program or as a parent sponsor. All contributions, whether large or small, are equally welcome and appreciated and are tax-deductible.

Opening Day is May 15 and the league cordially invites everyone to the games.

Indian Guides Hold Camp-Out

The Hannan YMCA Indian Guides, Grosse Pointe Nation held its largest and most successful Winter Camp-Out recently, at the YMCA residence camp, Obiyesa. One-hundred-seventy-five fathers walked through the knee-deep snow carrying their sleeping bags and other equipment to the cabins. Hot chocolate and coffee helped to keep the little and big braves warm.

The two activities were the toboggan run and sledding. Other activities were indoor basketball, movies and snack, ice fishing and hiking. Fred Altman assistant longhouse chief was in charge of this activity.

The next two activities for Indian Guides are Sunday, February 26, 1 to 5 p.m., a family outing at Camp Obiyesa, and on Monday, February 27, 7:30 p.m. the Hannan YMCA Grosse Pointe Indian Guide Nation will host the District Workshop at the Grosse Pointe Congregational Church. Indian Guide fathers will be attending from Livonia, Farmington, Dearborn, Northwest Detroit, Royal Oak, St. Clair Shores and Birmingham. This program is under the direction of Bill Queen, assistant longhouse chief. For further information on Indian Guides, contact Longhouse Chief Jack Westphal or YMCA secretary Kenneth Isherwood.

Farms Submits Building Report

Only six miscellaneous construction permits were issued the first month of the year, and none for residences or commercial buildings, according to a monthly report submitted by John A. Defoe, Farms Director of Public Service. The six are valued at a total of \$70,000.

From January 1 through January 31, 1966, one residential and four miscellaneous permits were granted, the former valued at \$37,000, and the latter, \$18,000.

One permit was approved for the demolition of a home at 10 Moross road, last month. No applications were received for construction on non-assessable buildings, the report showed. There were none for the same period in 1966.

Italy's Tragedy Also Ours

The art world has been shocked as the distressing record of damage caused by the recent flood in Italy receives publicity throughout the Western World, for the Renaissance belongs to all.

Dollar estimates of damage seem insignificant beside descriptions of a Cimabue lost, of medieval manuscripts ruined, of oil-soaked paintings, sculpture, and of priceless works of architecture weakened. The artistic toll is despairing.

The worst flood since 1300 caused more destruction than all the wars of centuries, including World War II.

Officials and scholars estimate that 30 years may be needed to restore the havoc caused in Florence, the jewel of the Renaissance.

The problem of restoration is complicated by the debris of mud, garbage, sewage, moveable objects of all sorts. An oily film caused by the disruption of fuel storage tanks disfigured everything it touched, and this oily flood caused more damage to art, especially the frescoes, than the water.

A tentative estimate of damage sustained in Florence (the city of Giotto, Michelangelo, Leonardo da Vinci, Raphael and Donatello) is \$150,000,000. Innumerable precious books, documents, collections of ancient arms and musical instruments and some frescoes are considered totally lost.

And then there is Venice! And Padua, Grosseto, Arezzo, Siena and Trento. And Bolzano, the area around Vicenza, Treviso. The restoration laboratory of

the Uffizi Galleries in Florence was destroyed along with many works of art under care. Severely damaged on the ground floor were works by Giotto, Botticelli, Filippo Lippi, Masaccio and Simone Martini. At Santa Croce, the Cimabue Crucifixion was turned into a relic by the disaster; and in the National Library where the water was chest high, thousands of books and manuscripts were lost, badly damaged or destroyed, including the entire collection of periodicals complete for the last 100 years.

The list grows as the survey teams compile their initial notes and sound the distress. A world wide response — money, equipment, experts — is now being organized. There is a shortage of technicians capable of dealing with the problems, but students are being rallied for crash help in the expertise and tedious detail which will salvage the patrimony of our civilization.

Florence — the soul of the Renaissance — and Venice, gem of the Adriatic, are preparing to save their heritage and need the help of all who have benefited from it.

Financial donations may be made to the Michigan Committee, CRIA, Inc., P.O. Box 50,000, Detroit, Mich. 48202. CRIA stands for the Committee to Restore Italian Art.

Letters to the Editor

Dear Sir:

I know you have received a lot of letters regarding the Star of Sea subject. I am a freshman there and I feel as everyone else in our school does. I have read your article and maybe you are right. I don't know how polite the girls were and if they weren't, please don't blame us.

It is just that we all think our school is great and take pride in seeing its name in the Grosse Pointe News, where it can be seen. Many times we are put on the other side of the Obituaries or somewhere where the story can't be seen. When this happens you disappoint over 200 teenagers from our school and many public school teenagers who read and are interested in articles from our school.

I will ask that your article in the NEWS be read for Student Council or an assembly.

I believe it is a misunderstanding but we will try if you do. Maybe we can get something going soon.

Sincerely, A Concerned Freshman of O.L.S.S. Yeah! G. P. News Yeah! Star of the Sea!

Dear Sirs:

Yesterday I had such a happy experience. I want to relate it to all Grosse Pointe residents who must feel as I do, constantly upset and worried with

the accounts of the actions of the young generation.

In early December I was writing a letter near a window. It was night time and suddenly, to my horror, there was a crashing noise and someone had thrown a raw egg against the window. As you can imagine it was a terrific mess to clean off the next day. The task was accomplished and almost forgotten.

Yesterday afternoon the most beautiful boy, I had never seen before, rang our doorbell. He was about 10 years old—huge black eyes were popping as he nervously said, "I want to confess, I threw an egg at your window, it has troubled my conscience ever since and I want to do any job around your house that I can, to make up for the worst, meanest thing I have ever done. Can I wash your windows now? The boy I was with called me 'chicken' if I didn't throw the egg."

I asked him if his mother had sent him here and his reply was, "No, she doesn't know and would feel awful if she knew I was so mean and bad—will you really forgive me?"

I felt so sorry for the little boy, but it has made me think the world of the younger generation still has its bright hopeful side and his parents must be alert and are being repaid for their love and guidance.

Sincerely, Sara M. Hickey. (Mrs. Joseph L.) 877 Edgemont Park

What Goes On at Your Library

By Virginia Leonard

Do you know which one of your neighbors is celebrating a centennial this year? All of us live near her, as a matter of fact. It's our friend across the river—Canada. And so in honor of her and what she represents it seems fitting that I should devote a column to recent books which we have in our libraries pertaining to this nearby country.

For reference work, we would recommend two titles: CANADA, put out by the Canadian Bureau of Statistics and subtitled: "The official handbook of present conditions and recent progress;" the second, put out by the same government organization, is CANADA YEAR-BOOK, an "official, statistical annual of the resources, history, institutions, and social and economic condition of Canada."

Books in a sociological and political vein would be ones such as Gerald Clark's CANADA: THE UNEASY NEIGHBOR, wherein the author discusses the rising nationalism of French Quebec and the separatist movement in the Province. There are other stresses permeating the fabric of Canadian society; paramount among these are relations with the United States—political, economic and cultural. Another book in this category is Lester B. Pearson's THE FOUR FACES OF PEACE AND THE INTERNATIONAL OUTLOOK, which contains the political credo of the Prime Minister of Canada. Still another is G. W. Wilson's CANADA: AN APPRAISAL OF ITS NEEDS AND RESOURCES. This latter is the third in a series of publications dealing with the needs and resources of the North Atlantic nations. This volume assembles background date on the Canadian economy—past, present and future. Its purpose is to provide a picture of this facet to the citizen of this country, to provide him with some of the economic knowledge he needs to make political decisions on the problems his country faces.

In the 917.1 grouping; i.e., description and travel, in our libraries, we would like to call your attention to R. S. Kane's CANADA A to Z; one of a series of pleasantly informal and informative travel books. It gives descriptions of the high spots of Canada's provinces and territories plus practical data about when to visit, where to stay, what to explore, where and what to buy, etc. The "Life World Library" series has a column

on CANADA by Brian Moore. This is an attractive introduction to Canada, with a relaxed, informative text by an Irish-born writer who has lived in Canada for eleven years. E. A. McCourt has given us THE ROAD ACROSS CANADA. Here are recorded impressions and experiences of the author and his wife while traveling across this country on the Trans-Canada Highway. Hugh MacLennan's THE RIVERS OF CANADA deals with seven Canadian rivers; the author is a professor of English literature at McGill University and is a native of Nova Scotia. And finally, Peter Varley's CANADA is a survey of "the biggest small nation in the world," with an introduction in English and English-French captions accompanying the 176 photographs.

In the field of literature, an interesting item is A BOOK OF CANADA, edited by William Toye. It is one of "Collins national anthologies," a series of writings that portrays the nature of the country.

A title which is both our adult and juvenile collections is A. M. Peck's THE PAGEANT OF CANADIAN HISTORY. This is an older book, but was updated in 1963, with new material added in the last two sections to bring it up-to-date.

Other pertinent juvenile titles would include E. P. Meyer's THE FRIENDLY FRONTIER, the story of the Canadian-American border; F. A. Ross' THE LAND AND PEOPLE OF CANADA, one of the "Portraits of the nations" series; and F. D. Wood's CANADA, one of the "Enchantment of America" series.

We have made no effort to delve into Canadian fiction—this would really be a whole column in itself. We would call your attention, however, to a brand-new title which I very recently handled, entitled: TAKE HANDS AT WINTER by John Peter. This is a first novel by a man who was born in South Africa but who has lived for 16 years in Canada, and who now teaches at the University of Victoria in British Columbia. This is a sensitively written novel, with a setting in a midwestern Canadian city in winter.

I think this random sampling of "Canadiana" will show both Grosse Pointers and friends across the border who might be reading this that we have a soft spot in our hearts for our neighbors and a great interest in her history and well being. Happy birthday!

Ens. James Flowers Aboard Fleet Oiler

Navy Ensign James R. Flowers, USN, son of Mr. and Mrs. James C. Flowers of 1308 Yorkshire road, is helping the U.S. Pacific Fleet Service Force (SERVPAC) celebrate its 25th anniversary this month, while serving aboard the fleet oiler Ashtabula.

Begun in February of 1942, the force is now 45,000 men strong, and operates 117 ships of 21 different types, as well as 13 shore bases in the Western Pacific.

SERVPAC units supply Naval forces afloat and ashore within an area equal to nearly half the earth's surface, with food, fuel, ammunition and other essential needs.

In addition to the Force's supply duties, it offers salvage assistance, and ship repair services. Headquarters for the U. S. Service Force, Pacific Fleet, is at Pearl Harbor, Hawaii.

CRIA Chairmen Issue Report

A progress report on the two-month-old Michigan fund-raising for the Committee to Rescue Italian Art, Inc. is issued by co-chairmen Mrs. Henry Ford II and F. Hartz Cinelli.

A total of \$67,000 has been contributed throughout the state, representing acknowledgments through January 16. "The campaign is still underway," Mrs. Ford said. "The public appeal for donations to Box 50,000, Detroit, continues. Many benefits for CRIA are still to be scheduled."

The drive for money to salvage, repair and restore the Renaissance documents and works of art damaged in the disastrous November floods in Florence and Venice is expected to continue for a generation.

The generosity of Michigan citizens in helping Italy may be measured, Mrs. Ford said in

thanking donors, by that the state has already distributed 16.5 per cent \$410,000 raised among states.

First year goal for the States is \$2,500,000. Mr. Cinelli said that Michigan committee is sulking with Italian and state conservative archivists to explore possibility of Michigan's one of the important projects in Florence, Venice.

"Our thought," he that we would then be to accomplish in the ahead. It would also long-range fund drive to realize the specific project watching its dramatic progress."

Along with Robert Browning, "The best is yet to be," will be the continuing theme of the Grosse Pointe Celebrity Series. The final program of the 1966-67 series is still a ways away, and the progressive thinkers who do the writing are ready to announce six tempting programs next year's fare. Diminutive psychologist, Dr. Joyce Brothers, will discuss "New Things We Have Just Learned About Men and Women" on Thursday, March 9, at the Esquire Theater 10 o'clock. Dr. Brothers, known to thousands via her radio series, television series, and weekly newspaper column, came nationally known in 1955 when she parlayed her knowledge of boxing into \$134,000 on the \$64,000 Question.

Mrs. Toby David is chairman for the series just concluding. Sponsors of the annual Celebrity Series are members of the Bon Secours Hospital Assistance League, and proceeds naturally benefit the hospital.

Miss Cawthra Says Vows to Mr. Wood

Third Generation of Brides Selects February 24 For Wedding Day; Pair Will Reside in New York After Honeymoon Trip

February 24 is an important day and date to the Henry Jordan Cawthra family of McKinley avenue. Friday evening Carol Ann Cawthra became the third generation to choose February 24 for her wedding day, when she became the bride of John Stuart Wood, in St. James Lutheran Church.

The daughter of Mr. and Mrs. Cawthra wore an ivory satin gown with high-rise waistline. Reembroidered Alencon lace beaded in crystals and seed pearls formed the yoke and deep hemline of the gown and was repeated on the hem of the chapel train.

Seed pearls outlined the satin bonnet which held her full length veil of French illusion. She carried a shower bouquet of white gardenias and ivy.

Rev. George Kurz heard the exchange of vows between Miss Cawthra and the son of Mr. and Mrs. Loren T. Wood, of Essex Fells, N.J.

JoAnn Odgers, of Chicago, Ill., was honor maid. Bridesmaids were Mrs. James A. Ward, of Flint; Mrs. Lawrence S. Baker, of Royal Oak; Jacquelyn Kasabach, of Chicago, and Marian L. Dimehoff, of Dearborn.

The attendants were gowned

in deep plum velvet, the waists and sleeves accented in antique gold bullion braid. Each one carried a single ivory rose.

Howard W. Wood came from New York, N.Y., to be his brother's best man.

Ushering were another brother, David F. Wood, of Essex Fells; William W. Olmsted, of Rochester, N.Y.; David W. Quarrier, of Saranac Lake, N.Y., and Arthur Mohr, of Farmington.

Mrs. Cawthra chose a mauve pink silk suit for her daughter's wedding. Her corsage was purple hyacinths and pink roses.

The bridegroom's mother wore a fitted ice blue silk coat over a matching dress, and a corsage of brown orchids.

A reception at the Detroit Boat Club followed the candle-light service.

After a Bermuda honeymoon, the couple will live in New York City.

MRS. WILLIAM K. HOWENSTEIN of Merriweather road, and MR. and MRS. GEORGE B. HEFFERAN, Jr., and their three children of Lincoln road. The visitors converged on Basking Ridge, N.J., for the christening of CHRISTOPHER ROLLINSON, baby son of MR. and MRS. SIMEON H. ROLLINSON III (JULIA BACKUS HEFFER-

AN). Godparents for the grandson of the senior Hefferans were Mrs. Howenstein and George Hefferan, Jr.

Just back from a cruise to Nassau aboard the S.S. Bahama Star are MR. and MRS. GEORGE KOPKE of Roslyn road.

Planned Parenthood Sale Slated April 13

White Elephants Being Sorted And Marked In William C. Tosts Cloverly Road Home; Mrs. Robert Duff Is '67 Chairman

The snow and ice storms slowed but never stopped collections for the Detroit Planned Parenthood League's 11th annual White Elephant Sale, scheduled Thursday, April 13, at Christ Church, Grosse Pointe.

Date for the sale is earlier this year because three members of the committee and their husbands are planning a spring trip to Europe.

Going are the William C. Tosts, the Theodore Buttricks, Jr., and the Ethan Prewitts.

Mrs. Robert Duff, of Stephens road, is chairman for this year's sale, profits from which go to support the Birth Control clinics which the League operates in Wayne and Oakland counties.

Collecting, sorting, polishing and marking are being done as in other years in the Tosts' recreation room in Cloverly road. Donations are appraised for income tax purposes.

Persons having articles to contribute should contact Mrs. Tost at TU 2-1252.

One of the group's most dedicated volunteers, Mrs. John Herrmann, of Kenwood road, will be leaving after this year's sale to make her home in Philadelphia.

Others working on sale preparations are Mrs. Byron Nichols, who is just back from Palm Springs; Mrs. Emory M. Ford, Mrs. Ross Wilkins, Mrs. William P. Harris, III, Mrs. Frank Cotter, Mrs. Walter Crowe, Mrs. Robert Valk, Mrs. Richard Turner, Mrs. Wilbur Elston, Mrs. Frederick Kross, Mrs. James Kilpatrick and Mrs. Miriam Hewlett.

Takes Big Job In Torch Drive

A woman who assumed a variety of volunteer roles on moving here from Canada seven years ago, was named chairman of the United Foundation Recruitment Corps for the 1967 Torch Drive.

She is Mrs. Robert F. Sullivan, of 578 Neff road, who will coordinate the recruitment activities of five units in the tri-county (Wayne, Oakland and Macomb) area.

Mrs. Sullivan, whose appointment was announced by Robert B. Semple, Torch Drive general chairman, will work with the leadership of civic, service and religious groups to enroll more than 60,000 volunteers for the 1967 campaign benefiting nearly 200 UF health and community services.

A Torch Drive district chairman from 1960 through 1966, Mrs. Sullivan was recruitment chairman for Eastern Wayne County for the last three years. She is a board member of Women for the United Foundation (WUF).

She also serves on the United Community Services (UCS) board of directors, the organization's budget panel and its group work and recreation federation.

Mrs. Sullivan has been a board member of Senior Center, a Torch Drive service, since 1960 and is a past president of the Center.

She is a member of the Junior League of Detroit, the Detroit Industrial School Board and Christ Episcopal Church, Grosse Pointe, where she is chairman of the special projects committee and a member of the vestry outreach committee.

Prior to moving to Detroit in 1960, Mrs. Sullivan, a graduate of the University of Toronto, was the regional director representing New York and Ontario leagues in the Association of Junior Leagues.

Both she and her husband, who is director of marketing for Robin Products Co., are natives of Hamilton, Ontario. They have one child, a daughter, Shelagh, 10.

Delta Kappa Gammas Discuss Future Plans

Officers of Delta Kappa Gamma International Honorary Society for women educators discussed future plans for the local, state and national chapters when 300 members from eight chapters of the newly formed Metropolitan Council gathered for luncheon at Fries Auditorium. Shown here (left to right) are

Pair Exchanges Vows in East

Beatrice Sweney and Malcolm Read Lovell, Jr., of Kercheval avenue, exchanged vows Saturday afternoon in Memorial Chapel of Middlesex School, Concord, Mass.

The bride wore a white wool dress and antique lace mantilla. Her flowers were white roses and ivy.

A reception was held in the Concord home of the bride's mother, Mrs. Richard Borden. Her father was the late William H. Sweney, Jr.

Patricia Sweney was her sister's honor maid. Thomas T. Hart served as best man. Ushering were Charles D. Orthe III, Eric W. Strickland and Ross Hanson.

The new Mrs. Lovell is a graduate of Summit School, Paul, Minn., and Briarcliff College. She attended the University of Utrecht in the Netherlands.

After a wedding trip to the Bahamas, the couple will live in Grosse Pointe.

Book Admiral At Town Hall

Admiral James Calvert, author of "Surface at the Pole," the story of the sub-polar voyages of the U.S.S. SKATE, will be Detroit Town Hall's speaker Wednesday, March 8.

The program, "On the Threshold of a New World," will be held at 11 a.m. in Fisher Theatre, followed by luncheon at The Rathskeller.

Admiral Calvert is currently stationed at the Pentagon as Director of the Politico-Military Division of the Office of the Chief of Naval Operations. As such, he is concerned with the Navy's international dealings all over the world, and he is the chief point of contact with the Department of State.

As commander of the Skate, which made military history by first breaking through the ice at the North Pole, he was twice awarded the Silver Star and Bronze Star. He was then put in charge of all our nuclear submarines in the Atlantic Fleet and subsequently became head of the Navy's European Desk at the Pentagon.

BRADFORD LUNDY, JR., of Ballantyne road, area chairman for the March 2 Inforama which will feature baskets and other items made in the crafts classes at the Senior Center, a Torch Drive service for older citizens.

Inside The Mothers' Club

The regular meeting of the Executive Board of the Grosse Pointe High School Mothers' Club was held in Cleminson Hall at 12:45 o'clock Monday, February 6. Twenty-three members were present.

President Mrs. Perry TeWalt commented on the success of the College Information Night panel discussion held in January. It was so well received that it was felt it would be worthwhile to repeat it next year.

Mrs. TeWalt emphasized that the panel program is an excellent means of achieving communication between school, parents and the community.

Faculty Advisor, Jerry Gerich discussed the rowdiness in the parking lot which was apparently set off by the anger of a small minority of students at not having a semester break. He explained that there have been no semester breaks since 1958 when the school went on a year-long schedule. Sensationalism by the press and TV coverage was blamed for giving too much importance to the affair. At the suggestion of past-president Mrs. G. Gordon Cook, letters of commendation and support will be sent to assistant Principals Chief Jack Roh of the Grosse Pointe Farms Police Department.

Faculty Representative Mrs. Benson McClure reported that tribute funds have been started by the Teachers' Club for Mr. George Harding and Mrs. Gillespie, and that this will be extended to Mr. Orris Nagle who died recently. A motion was made and carried that the Grosse Pointe Mothers' Club make a \$10 donation as a tribute to any deceased faculty member, with the money to be used at the discretion of the Teachers' Club in conjunction with the faculty representative.

President-elect Mrs. William Ludwig reported that families are now being selected for housing for next year's foreign exchange students, and requested that interested parents contact her. She also thanked the Mothers' Club for continuing their customary \$200 donation on behalf of AFS.

Mrs. Walter Griffith, vice-president, reported that 46 copies of Ruget's Thesaurus will be awarded to the top five percent of the graduating class at the Honors Assembly.

Neighborhood Groups chairman Mrs. John Fralick recommended that an assistant chairman be appointed to her committee for next year. There are 44 bridge groups, 10 sewing groups, two pinocle groups and seven discussion groups this year.

Program chairman Mrs. Robert Priest read a letter from Dr. Clyde Vroman, Director of Admissions at the University of Michigan, expressing his enthusiastic approval of the College Information Night program.

Play Tickets chairman Mrs. Webster Knight reported a profit of \$981.50 from the benefit night performance of the Pointe Players' fall production. This money has been turned over to the Scholarship committee.

Mrs. Edward Heglin, president of the Motion Picture and TV Council, reported the deep concern of the Council with the inadequate decency code of the Motion Picture Producers of America. At the request of the Council some of the community theaters have agreed to a lower admission price for children 15 years of age or younger.

Also at the request of the Council, the Punch and Judy Theater will offer the outstanding surfing film "The Endless Summer" beginning February 15.

New Business: The following members have been named to serve on the nominating committee: Mrs. G. Gordon Cook, chairman; Mrs. Arthur Sherman, Mrs. Walter Griffith, Mrs. Joseph Perry and Mrs. Hunter Comly.

Announce Troth Of Dolores Cox

Mr. and Mrs. Joseph C. Cox of McKinley avenue announce the betrothal of their daughter, Dolores Catherine, to Patrick Henry Blohm.

The bride-elect was graduated from St. Mary's College, Notre Dame, Ind., and Marygrove College.

DAC Planners Set Miami Beach Party

Detroit Athletic Club Members Hasten to Make Reservations For Annual Southland Evening of Gaiety

With all of the snowy weather around town, it's little wonder that DACers, who have not already headed toward the Southland, have plans to leave town in time to attend the Detroit Athletic Club's annual "Miami Beach" party in March.

The Bath Club at the Beach is again the focal point for this traditional event set for Monday, March 6, with George Cavanaugh, who with Mrs. Cavanaugh now makes his home in Ft. Lauderdale, playing the part of chairman.

With only 350 reservations available, party bids have been snapped up in a hurry. Now, there is only the interim wait for the cocktail hour reception at 6:30 p.m. on the big evening

and dinner at 8, plus the ensuing entertainment and gaiety.

A party of 20 will be hosted by Mr. and Mrs. Jay W. Smith. Their guests: Dr. and Mrs. R. S. Stubbs, Mr. and Mrs. R. O. Artner, Mr. and Mrs. R. D. Kemp, Mr. and Mrs. W. A. Kurtz, Mr. and Mrs. J. T. McCullough, the D. M. Mullens, Mr. and Mrs. A. H. Hess, the Charles Fourniers, Mr. and Mrs. Hans Lovisa, the J. H. Nolans and Mr. and Mrs. T. J. Newton.

Mr. and Mrs. Harold W. Lightbody will have eight at their table. Joining them will be Mr.

Ziegler-Stovall Troth Revealed

The engagement of Susan Louise Stovall and Gilbert Leroy Ziegler is announced by the bride-elect's parents, Mr. and Mrs. Donald O. Stovall of Littlefield avenue.

The bridegroom-elect is the son of Mrs. Alice Becker of Wayburn avenue, and I. J. Ziegler, of Jackson.

Miss Stovall graduated from Ferris State College. Her fiancé is a graduate of Northern Michigan University.

An April wedding is planned.

and Mrs. A. C. Munderloh, the Otto Milbrants and Mr. and Mrs. and Mr. and Mrs. Harold Meloche.

The Frank McCaffreys will be six and Joe and Millie Schoenith will seat 18 at their table. Another of the larger parties will be that of Mrs. Chauncey R. Pelton, who will have places marked for 30.

Guests of Mr. and Mrs. Gaylord Hulbert will be Mr. and Mrs. Clement Pennell, Mr. and Mrs. Alfred L. McCarthy, Mr. and Mrs. William G. Siebert. The Eugene Casarolls will join Mr. and Mrs. W. J. Athanson.

Other area hosts are Mr. and Mrs. H. F. Verbiest, who will have Mr. and Mrs. C. M. Verbiest, Mr. and Mrs. E. S. Grumbache and Mr. and Mrs. M. C. Fields with them.

DAC President Jervis C. Webb and Mrs. Webb will entertain the former's mother, Mrs. Jervis B. Webb, and among the many twosomes will be the Senior J. C. Finneys and Mr. and Mrs. G. H. Zimmerman.

Looking Ahead to Festival

Among those who gathered recently at Bloomfield Hills Country Club to begin planning the 1967 Meadow Brook Music Festival souvenir program were MRS. RAYMOND T. PERRING, (left), chairman of the Festival advertising committee, and Pointe committee members MRS. JOSEPH A. VANCE, JR., of South Deeplands road, (center), and MRS. R. ALEXANDER WRIGLEY, of Bishop road. The committee hopes to raise \$20,000 via the sale of program ads.

Speaking of Easter Bunnies . . .

There'll be an Easter Bunny Party Saturday, March 18, according to advance alert from the Assistance League to the Northeastern Wayne County Guidance Clinic.

A show for the children will follow 12:30 o'clock luncheon in Room A at Eastland Concourse auditorium, and the Easter Bunny will present each and every "believer" with an Easter favor.

Party chairman is Mrs. Richard Campbell. Her committee of Easter Bunny "helpers" include Mrs. George Shammass, Mrs. Allen Flacone, Mrs. John Brabb and Mrs. Richard J. Langs.

Tickets are \$1.75. Call Mrs. Michael Gaskin, 772-5272, for reservations.

Seven College Night Coming Up . . .

Pointe alumnae are hard at work preparing for the Seven College Night at the Pops. The Seven College Night will feature a Pops Concert with Arthur Fiedler conducting the Detroit Symphony Orchestra Saturday, April 15, at the Light Guard Armory.

Proceeds will benefit scholarship funds of Barnard, Bryn Mawr, Mount Holyoke, Radcliffe, Smith, Vassar and Wellesley.

Mrs. Keith A. Leibbrand of Fisher road is general chairman for the Detroit Committee for Seven Eastern Women's Colleges.

General chairman for the Pops Concert is Mrs. H. Curtis Wood, of Birmingham. Her able assistants include Mrs. Maurice A. Longworth of Lothrop road patroness chairman (Mrs. Longworth attended Smith); Mrs. Bruce Steinhauer of Bishop road, general ticket chairman (Bryn Mawr), and Mrs. H. James Gram of Moran road, program vice-chairman (Vassar).

Individual club ticket chairmen are Mrs. G. William Duffield of Rivard boulevard (Bryn Mawr), Mrs. James P. Williams of Mt. Vernon road (Smith), and Mrs. John North of Yorkshire road (Wellesley).

Mrs. Gerald C. Mooney of Washington road, president of the Smith-Detroit Club, and Mrs. Herbert P. Bartlett of Ridgmont road, Wellesley-Detroit Club prexy, are also actively interested in the project.

Parents Reveal Betrothal News

The Rev. and Mrs. I. K. Bruhn of Oak Park, Ill., announce the recent engagement of their daughter, Rebekah, to William John Roth, Jr., of Hillcrest road.

Rev. Bruhn is the minister of Euclid Avenue Methodist Church in Oak Park. Mr. Roth is the son of Mr. and Mrs. William John Roth, Sr., former residents of Flossmoor and Park Forest, Ill., now at home in Grosse Pointe Farms.

Miss Bruhn is a senior French major at Illinois Wesleyan University in Bloomington, Ill. She is affiliated with Sigma Kappa sorority.

The bridegroom-elect attended Illinois College in Jacksonville, Ill., and graduated from the American Institute of Banking. He is now employed with a manufacturing company in Detroit.

An October wedding date has been set. They plan to live in Grosse Pointe after the wedding.

Alpha Gamma Deltas To Hold Reunion Day

Reunion Day for Michigan Alpha Gamma Delta will be Saturday, March 11. Members from chapters all over Michigan will journey to the University of Michigan campus to celebrate their sixty-third Founder's Day. Similar events will mark International Reunion Day all over U.S.A. and Canada.

Miss Marjorie Becker, Physical Therapist of the University of Michigan Hospital will speak on "The Physically Handicapped Child."

On Tuesday, March 7, Mrs. Byron Phillips will host the local Alpha Gamma Deltas at a luncheon at her Sheldon road home, when final plans will be made for I.R.D.

New York Wedding Attracts Pointers

of Samuel H. Bells, Jr., Married Susan Beardslee At Afternoon Rites in Church of the Transfiguration (Little Arch Around the Corner), in New York.

Grosse Pointe was well-represented February 18, when Samuel H. Bell, Jr., claimed Susan Beardslee as his bride in the Church of the Transfiguration (Little Arch Around the Corner), in New York.

The bridegroom is the son of Mr. and Mrs. Samuel Bell, of LaJolla, Calif., and Mrs. Chandler, Ariz. His bride, the former Virginia Ford, is the daughter of Frederick C. Ford of the late Ford, who was a member of the Alfred family, pioneer Detroiters.

Mr. Ford, his son and daughter-in-law, Mr. and Mrs. Walter Ford II and their son, and daughter, Jo, and Mrs. C. Ford, Jr., attended the Saturday afternoon wedding reception which followed at the Plaza.

Alexander L. Wieners and Mrs. Arthur H. Buhl also went east for the ceremony.

Three Meetings Set for Women

The first major off-campus women's conference sponsored by Oakland University's Division of Continuing Education will be held March 8 at Grosse Pointe War Memorial.

Entitled "If Women Choose to Choose", the all day session is one of three major women's conferences planned by Conference Director Priscilla Jackson and her staff. The trio of meetings, "Three Days in Spring", will explore first the woman's role in different stages of her life and the avenues open to her for deeper enjoyment of living and more active participation in the world outside her home.

The second conference, to be held April 12, on the Oakland University campus near Rochester, will explore the meaningful aspects of a homemaker's life in "Every Woman Has A House".

The third and final conference, entitled "The Dual Role", will be an all day meeting on May 6 for working mothers and will also be held at the university.

Participants will wear fusion veils and they carried pink sweetheart roses and violets.

Robert S. Colman served as best man. Ushers included the bride's brother, William R. Beardslee, Jr., A. Jay Hughes, Jr., Peter Bell, James H. Perry and Thomas Corn.

Following a wedding trip abroad, the pair will live in Minneapolis.

Speech Contest Winner Named

Mrs. Carl Nolte of Clairview drive was judged best speaker in a contest held on February 21, by the Mid-Century Toastmistress Club.

The winner of this contest will represent Mid-Century Club at the Council Number Four speech contest in April.

The judges were Michael Case, English teacher at Finney High School, Mrs. Joseph Cirko, Harper Woods, Mrs. Joseph Haya, Harper Woods, and Mrs. Alfred Fincham of Grosse Pointe boulevard.

The invocation was given by Mrs. Louis Nolan of Edgewood drive, who also led the pledge of allegiance to the flag.

Timers were Mrs. William G. Self of Berkshire road and Mrs. Thomas Bleet of Harper Woods.

Following the contest refreshments were served.

The March meetings will be held on Tuesdays, the 7th and 21st at Cannon Recreation Center, 5103 Guilford, Detroit, from 10 o'clock until noon. For information call 886-3969.

Betrothed

The engagement of VIRGINIA TROMBLEY to Mark Valadez is announced by the mother of the bride-elect, Mrs. Courtney Trombley of Notre Dame avenue. Miss Trombley is also the daughter of the late Mr. Trombley.

The prospective bride is a graduate of the University of Detroit Dental School.

The bridegroom-elect is the son of Mrs. Paul Valdez of Hurbin avenue, and the late Mr. Valadez.

A September wedding is planned.

Featured at the meeting will be slides from Detroit Edison called "Light for Landscape Beauty."

Henry Huvaeres Wed 50 Years

Fifty years ago Henry C. Huvaeres claimed Madeline Verbrugge as his bride in Our Lady of Sorrows Church. His brother and sister-in-law, the Victor Huvaeres of Maryland avenue, attended the couple.

Sunday morning the two were present in St. Ambrose Church to mark the fiftieth anniversary of that wedding day. The Rt. Rev. Msgr. Lawrence F. Gaven officiated at the 10 o'clock high mass.

The golden wedding celebrants, who live in Maryland avenue, were breakfast hosts at Eddie Pawl's for their family, which includes the five Huvaeres offspring and their spouses, 24 grandchildren and three great-grandchildren.

Mr. and Mrs. Raymond C. Loeffler, the Henry L. Huvaeres, Mr. and Mrs. William J. Kerby, the Paul Kerbys and Mr. and Mrs. Donald Huvaere, all of whom live in the Grosse Pointe area, entertained Saturday evening at a Gourmet House reception honoring their parents.

The senior Mr. Huvaere, an excavating contractor, was born and raised in the Pointe, attending St. Paul's School. His father, Henry H. Huvaere, had a dairy farm, where Jefferson and Balfour now intersect, and served as Grosse Pointe highway commissioner for a number of years.

Wayne Women Plan Bridge-Tea

"Travel Around the World" is the theme of Wayne's bridge-tea set for 12:30 o'clock Saturday, March 4, in the Crystal Ballroom of Grosse Pointe War Memorial's Fries Auditorium.

Travel fashions will be modeled by 10 women of Wayne from the Grosse Pointe, South Macomb and Detroit Chapters. Wigs and hair styles will also be featured.

The benefit party has 100 women ticket sellers from Women of Wayne's member clubs sure of filling 100 tables for Wayne State's centennial fund to commemorate the University's 100th year in 1968.

Pourers at the tea reception will be Mrs. Charles Huber, president of the Grosse Pointe Women of Wayne, and Mrs. Alexander Wescott, president of the National Council.

Fashion models will include Mrs. William Vanderhoef, Mrs. Harry W. Spencer, Mrs. George Gardner, Mrs. George Menendez and Mrs. Allen Schaedel of Grosse Pointe.

Mrs. Mary Ball, of Rosedale Park, and Mrs. Robert E. Jones, of Fairway drive, are co-chairmen of the bridge-tea committee which includes Pointers Mrs. Russell Carter, Mrs. Paul Diederick, Mrs. Harold Jinks, Mrs. Oscar Noren, Mrs. Wescott, Mrs. John Bylund and Mrs. Marion Ferry. For ticket information call Rita Wescott, TU 5-9274.

Woman's Club Groups to Meet

The Discussion Group of the Grosse Pointe Womens Club will meet on March 8, at 1 p.m., at the home of Mrs. John H. Carter of Cloverly road.

Book reviews of current new books will be given by Mrs. R. L. Sheppard. A tea hour will follow.

Please call Mrs. Lee W. Garrett or Mrs. John Carter no later than March 6 for reservations.

Tuesday, March 14, the Service Group will meet at the home of the Service Chairman, Mrs. Vene Whims.

"Operation Clown Dolls" needs your help to meet their quota. Won't you please join the girls for an afternoon of cutting, sewing and chatting?

Luncheon Fetes Home Officers

Mrs. Martin S. Hayden of Merriweather road was honored Tuesday at a Country Club luncheon. Mrs. Hayden is outgoing president of Thompson Home.

Also feted were new board members, Mrs. Frederick S. Ford, Jr., Mrs. Ayers Morrison, Mrs. J. Jenness Newcomb and Mrs. Ford Ballantyne.

Elected president of the home at the 50th annual meeting was Mrs. G. Thomas McKean of Touraine road.

Other new officers are vice presidents Mrs. George E. Cartmill, Mrs. John Van Zile and Mrs. Ford; Hope Whitten, recording secretary; Mrs. Warren S. Booth, assistant recording secretary; Mrs. Benjamin H. Long, treasurer, and Mrs. M. Rivard Klippel, assistant treasurer.

To Be Bride

Picture by Gene Butler

Mr. and Mrs. Vincent E. Buttery of Moross place have announced the engagement of their daughter, CYNTHIA ECHLIN, to Thomas Allen Staats.

Miss Buttery attended Hathaway Brown in Shaker Heights, Ohio, and graduated from Grosse Pointe Convent of the Sacred Heart and Moore College of Art, Philadelphia. She is a member of Tau Beta.

The prospective bridegroom is the son of Mr. and Mrs. Harold W. Staats of Ballantyne court. He is an alumnus of Austin Preparatory School and the College of St. Thomas, St. Paul, Minn.

The couple have set an October 6 wedding date. A reception at the Country Club will follow the ceremony at St. Paul's on the Lakeshore.

Pair Say Vows At Notre Dame

Dianne Kay Duncan and George John Armbruster were married at a recent nuptial mass in Our Lady Chapel, the University of Notre Dame.

Tuesday Musicales Hosts Final Artist

Basso Ara Berberian, Rising Young Star, to Conclude Season With March 7 Performance in Rackham Auditorium

Climaxing their 1966-67 Musicales Season, the Tuesday Musical of Detroit will present Ara Berberian, Basso, in its annual Artist Concert, to be held on the evening of Tuesday, March 7, in the Rackham Memorial Auditorium at 8:30 o'clock.

A prelude subscription dinner will be held in the Engineering Society quarters in the Rackham Memorial Building for 250 guests.

In 1888 when Tuesday Musicales was three years old, besides its own members' concerts, it inaugurated an annual Artist Concert. The first artist concert featured Fannie Bloom-

field, pianist, assisted by Mrs. Charles Wright, contralto. Down through the years, many famous musicians have appeared in its artist concerts, including Ignace Paderewski, Walter Damrosch, Ernestine Schuman-Heink, Ossip Gabrilowitsch, Fritz Kreisler, Winifred Heidt, Claudette Sorel, Mischa Mischakoff and Cesare Siepi. Most of the artists appeared under the auspices of Tuesday

Shores Garden Club to Meet

The Grosse Pointe Shores Garden Club will hold its annual international meeting Friday, March 3, with Mrs. Hazel M. Boltwood, assistant foreign student advisor, Wayne State University, and three foreign exchange students attending the University as guests.

The meeting, preceded by luncheon, will be held at the home of Mrs. Paul Hamman in Oxford road. She will be assisted by Mrs. M. K. Zwolinski, of Lochmoor boulevard, and Mrs. Glenn P. Gessell, of Lakeshore road.

Mrs. Clarence E. Maguire, of Lochmoor boulevard, is in charge of program arrangements.

Musicales early in their career when they were on the way up rather than after they became distinguished artists.

Basso star, Ara Berberian, is still young in his career but has already achieved fame as an artist. He has sung leading roles in more than 50 operas with major companies in New York, San Francisco and across the country. His vast oratorio repertoire has made him a favorite oratorio singer and his appearances at Lincoln Center's Philharmonic Hall alone have averaged six a year since the hall was dedicated.

Last year Ara Berberian performed several roles with the New York City Opera and portrayed the Commendatore in "Don Giovanni" with the Baltimore Lyric Opera. At the San Antonio Opera Festival he took part in the southwestern premiere of Beethoven's "Fidelio." The San Francisco Spring Opera's opening production of Bartok's "Bluebeard" featured Berberian in the starring role. He returns again to San Francisco for the fall season.

Mr. Berberian appeared last season with the Boston Symphony Orchestra, and was immediately re-engaged for next season.

Mrs. Kenneth S. Person, first vice president of the Tuesday Musicales of Detroit, is chairman of the artist concert.

Bride Elect

Mr. and Mrs. Edward Gruca of Lakepointe avenue are announcing the engagement of their daughter SUSAN MARIE, to Al Maziarz, son of Mr. and Mrs. John Maziarz, of Chicago, Ill.

Miss Gruca is a graduate of Little Company of Mary School of Nursing Chicago, Ill. Her fiance is a graduate of Saint Mary's College, Winona, Minn., and is presently doing graduate work at Wayne State University and living in The Pointe.

A June 17 wedding is planned.

Pianist To Play For Pro Musica

The American music world is taking note of a new piano virtuoso: Jean Paul Sevilla, born of Spanish parents in Oran, Algeria. Pro Musica presents him in his Detroit debut Friday evening, March 3, at 8:30 o'clock at the Detroit Institute of Arts. The program is for members only.

Mr. Sevilla won his first recognition at the Oran Conservatory, The Prize of Honor, in 1947. He began his studies in Paris with Marcel Ciampi and Madame Bascourret de Guerardi, at the National Conservatory.

He was also a pupil of Madam Suzanne Roche for some years. In 1952, the Conservatory awarded him both the First Prize and the Prize of Honor, a double award no one had merited in the previous 10 years and which no one has merited since.

During the years 1954 through 1958, Mr. Sevilla gave concerts in seven European countries and in Morocco, Algeria and Egypt. His first international success was winning the Geneva Prize in 1959. Among his many awards is the Schilling Prize.

Mr. Sevilla made his debut in Canada and the United States in 1962 and in Mexico in 1964. He has taught Master Classes every summer in Canada since his debut there. He joined the faculty of the International Academy of Fine Arts, Anchorage, Alaska, in 1964.

Convent Boards Meeting Today

There will be a joint dessert Alumnae Board meeting between the Bloomfield Convent of the Sacred Heart and the Grosse Pointe Convent on Thursday, March 2 at 12:30 o'clock. Mrs. Robert J. Fisher and Rev. Mother P. Donovan will drive to greet the Vicar Rev. Mother Helen Fitzgerald from the Albany Sacred Heart Convent. Rev. Mother Helen Healy and Mrs. Robert Mason of Touraine road will be the hostesses.

Travelers Aid Board Elects

Three Grosse Pointers, Mrs. Alvan Macauley Jr., Mrs. Ernest Rushmer and Malcolm R. Lovell, Jr., were named to the Board of Directors of the Travelers Aid Society of Detroit recently according to David L. Gamble of the Pointe, who was re-elected to the presidency at a February 21 meeting at the Press Club.

Mrs. David Whitney Jr. of Vendome road was reelected secretary of the Torch Drive agency, and Peter Van Osdol of Lake Shore road was re-elected as a vice president.

The Society which has offices in the United Foundation Building, the Greyhound Bus Terminal and Metropolitan Airport served more than 60,000 people in 1965; 50 percent of these came from Michigan while the others came from every State, 8 Canadian provinces and 69 foreign countries.

Variety Club Women's Fashion Luncheon Today

Irene Chargot Bien, of Hillcrest road, has been elected new president of Variety Club Women of Detroit Tent Number Five.

Variety Club concentrates in Detroit on the Variety Club Growth and Development Center at Children's Hospital. A fund-raising event will take place Thursday, March 2, in the Grand Ballroom of the Sheraton-Cadillac Hotel.

Mrs. Gerard R. Slattery, of Lake Shore road, will be honorary chairman of the day for the club's ninth annual luncheon and fashion show.

Mrs. Woodrow R. Praught, of Lincoln road, is chairman and Mrs. Martin Shafer is co-chairman. Tickets are \$8. Tables of 10 are being reserved.

Northeastern Woman's Club Plans Meeting

The Northeastern Woman's Club will meet Monday, March 27, at 1:30 o'clock, at St. Phillip and St. Stephen Episcopal Church Parlor on Frankfort avenue.

Robert Orr, of Grosse Pointe Public Library will present a program on "What America is Reading."

ACADEMY AWARD NOMINEES for the April presentations in Hollywood are something of a family affair, with Richard Burton and wife Elizabeth Taylor being nominated for "Best Actor" and "Best Actress" for a film in which they co-starred, and the Redgrave sisters being nominated for "Best Actress." The sister nominees are the first since sisters Olivia De Havilland and Joan Fontaine were nominated in 1941. The Burtons are first husband and wife nominees.

NEARLY A WHITE HOUSE BABY—Rep. Richard S. Schweiker, R-Pa., and wife Claire proudly introduce their new son Richard Jr., who came pretty close to being a White House baby. They were attending a reception there when Mrs. Schweiker became aware of labor pains. They made a hasty departure to George Washington University Hospital.

NEED TWO HANDS IN MY WORK, Russell G. Stratton, 27, shown in West Quincy, Mass., with wife and daughter, told doctors at Massachusetts General Hospital when he arrived carrying his sawed-off left hand. After 10 hours of surgery he felt a tingling and was hopeful. He's a carpenter.

WAR ZONE C CASUALTY—A soldier of the 196th Light Infantry is stretchered to aid in War Zone C in South Viet Nam, where nearly 50,000 U.S. troops are making a big attack on the Viet Cong's South Vietnam headquarters area. It's the biggest offensive so far.

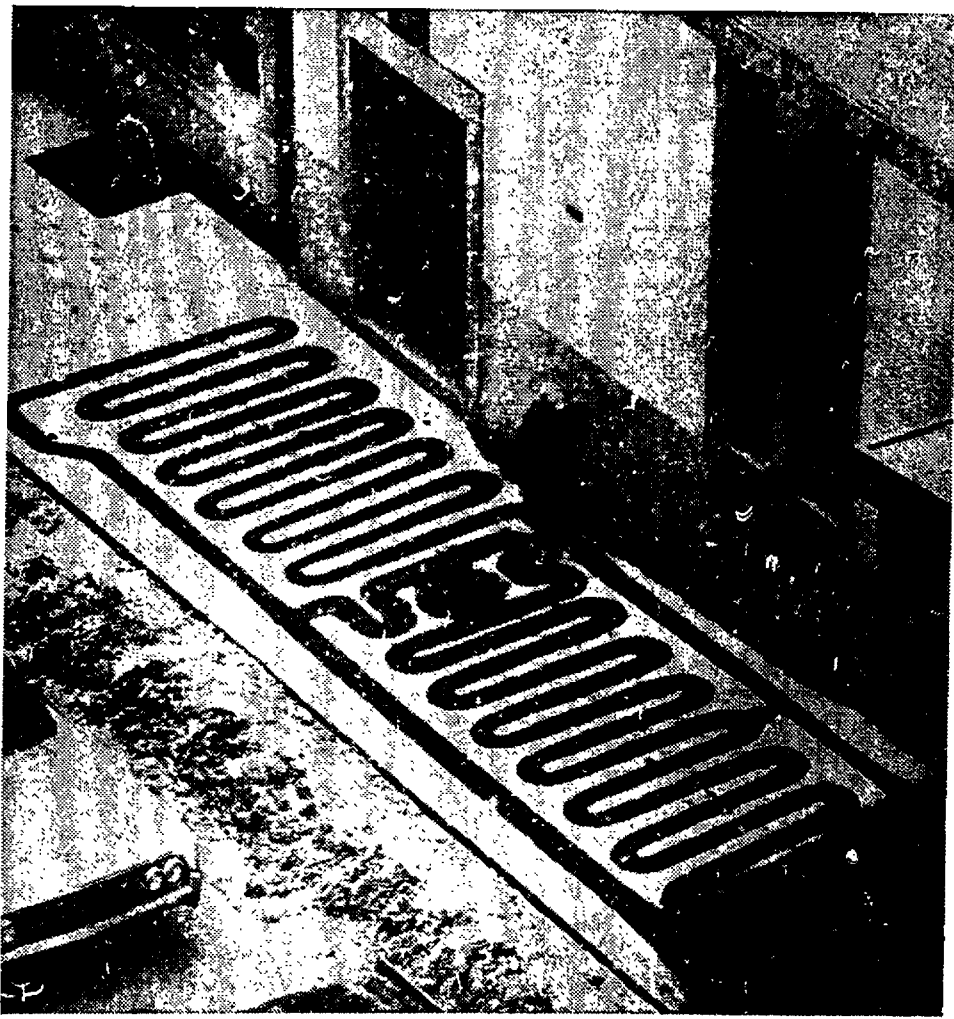

DEATH ROW RITE—Martin Tajra, 35, kisses his bride, former Mrs. Frances Beatte, 25, in Chicago's Cook County Jail, where he is appealing a death sentence in a 1961 murder. Then he went back to death row and she went home to her two children. It was a 12-month courtship via steel screen.

CAN SPRING WEATHER be far behind when Deborah Morsey (left) and Maureen Murray find pussy willows in full bud along Old Colony Road at Westport, Mass? In snow, too.

MUC RIDICULE—This blurry photo published in the Soviet paper Pravda purports to show Lo Jui-ching, former chief of the general staff of the Red Chinese army, being subjected to public ridicule in Peking. He is held by Chinese soldiers and a big nameplate hangs from his neck. Photo and caption are from an official Communist source.

PIPE DREAM?—No, it's for real—a pattern made by snow-melting coils under the sidewalk in front of a chapel in New Bedford, Mass. Pedestrian doesn't seem to mar design.

STILL MISSING — Mrs. Jo Anne Williams, 32, whose banker husband disappeared coincident with disappearance of \$500,000 from the bank last July, says in Rialto, Calif., that she and her four children are "barely getting by on \$250 a month state aid." Two of the children are daughters Rochelle, 6, and (right) Kelly, 4. The FBI is looking for the husband and father.

SCENT BY TELEGRAPH—Actress Joey Heatherton sits before a big heart being signed by John Weber of Lompoc, Calif., at St. Albans Hospital, where he and others wounded in South Vietnam are being treated. Joey, who was with the Bob Hope troupe in South Vietnam at Christmas time, is underwriting Perfume-by-Wire to girlfriends of a dozen servicemen at the hospital.

"MINKETS" FROM HANOI—Russell Johnson, a member of American Friends Service Committee newly back in Philadelphia from a trip to North Vietnam, holds two types anti-personnel bombs which he said were given to him in Hanoi. He said the North Vietnam government claims U.S. bombs are dropping them in residential areas. They are filled with shot and explode on contact.

PRESENT CHARTER PROVISIONS

PROPOSED CHARTER PROVISIONS

Chapter 16

General Employes Retirement System

Definitions:

Section 16.2. The following words and phrases wherever used in this chapter, unless a different meaning is clearly indicated by the context, shall have the following meanings:

- (a) "Commission" shall mean the Retirement Commission provided for in Sections 16.3 and 16.4.
- (b) "Member" shall mean any person included in the membership of the Retirement System.
- (c) "Original member" shall mean any member with prior service credited to his service account.
- (d) "New member" shall mean any member without prior service credited to his service account.
- (e) "Service" shall mean service rendered to the Village or city, or the Village and city, as an employee of the Village or city.
- (f) "Prior service" shall mean service rendered prior to March 1, 1945.
- (g) "Membership service" shall mean service rendered on and after March 1, 1945.
- (h) "Regular interest" to March 1, 1950 shall be interest at three per cent per annum, compounded annually. For each five year period subsequent to March 1, 1950, regular interest shall be such rate of interest as the Commission may determine.
- (i) "Accumulated contributions" shall mean the sum of all amounts deducted from the compensation of a member and credited to his individual account in the Annuity Savings Fund, together with regular interest thereon.
- (j) "Average final compensation" shall mean the average of the highest annual compensations received by a member during a period of five consecutive years of service contained within his ten years of service immediately preceding his retirement; if he has less than five years of service, then his average final compensation shall be the average of the annual compensations received by him during his total years of service. In case a member's compensation is not received all in money, the Commission shall fix the value of that part of his compensation not paid in money.
- (k) "Final compensation" shall mean the annual rate of compensation of a member at the date of termination of his last employment with the city.
- (l) "Annuity" shall mean an annual amount payable in equal monthly instalments for life derived from the accumulated contributions of a member.
- (m) "Pension" shall mean an annual amount payable in equal monthly instalments for life derived from money provided by the Village or city or any instrumentality of the city.
- (n) "Retirement allowance" shall mean the sum of the annuity and the pension.
- (o) "Beneficiary" shall mean any person in receipt of a pension, annuity, retirement allowance or other benefit provided by this Retirement System.
- (p) "Annuity reserve" shall mean the present value of all payments to be made on account of any annuity, or benefit in lieu of any annuity, computed upon the basis of such mortality and other tables as the Commission shall adopt and regular interest.
- (q) "Pension reserve" shall mean the present value of all payments to be made on account of any pension, or benefit in lieu of any pension, computed upon the basis of such mortality tables as the Commission shall adopt and regular interest.
- (r) "Eligible retirement age" shall be age sixty years; provided, that subject to the provisions of Section 16.15, the Commission may, during time of war engaged in by the United States, or other national emergency, extend the age at which any member is eligible to retire.
- (s) "Policemen" shall mean employees of the Police Department holding the rank of patrolman (including probationary patrolman), or higher rank, but it shall not include (1) privately employed policemen, nor (2) persons temporarily employed during emergencies, nor (3) civilian employees of the Police Department.
- (t) "Firemen" shall mean employees of the Fire Department holding the rank of fireman (including probationary fireman), or higher rank, but it shall not include (1) privately employed firemen, nor (2) persons temporarily employed during emergencies, nor (3) civilian employees of the Fire Department.

Service Retirement Allowance:

Section 16.16. Subject to the provisions of paragraph (e) of this section, upon retirement from service, a member shall receive a service retirement allowance, which shall consist of:

- (a) Annuity. An annuity which shall be the actuarial equivalent of his accumulated contributions standing to his credit in the Annuity Savings Fund at the time of his retirement; and
- (b) Basic Pension. A basic pension of one hundred dollars per annum; and
- (c) Membership Service Pension. A membership service pension of one-one hundred thirty-fifth (1/135) of his average final compensation multiplied by the number of years and fractions thereof of membership service credited to his service account; and
- (d) Prior Service Pension. A prior service pension of one-ninetieth of his average final compensation multiplied by the number of years (and fractions thereof) of prior service credited to his service account, not to exceed thirty years;
- (e) Limitations. To be eligible to receive the pension portions provided in paragraphs (b), (c) and (d) of this section, a member must have ten or more years of service credited to his service account, except in the event he becomes eligible for benefits provided in Sections 16.19 and 16.20. In no case shall the total of the pension portions provided in paragraphs (b), (c) and (d) of this section, payable to any member, exceed eighteen hundred dollars per annum.

Deferred Service Retirement Allowance:

Section 16.17. Should any member who either (1) has twenty-five or more years of service credited to his service account, or (2) has attained age fifty-five years and has fifteen or more years of service credited to his service account, have separated from the service of the Village prior to the effective date of this charter or thereafter from the service of the city in either case prior to his attainment of his eligible retirement age, for reasons other than his death or becoming a beneficiary, he shall remain a member during the period of his absence from Village or city service for the exclusive purpose only of receiving a service retirement allowance provided for in section 16.16; provided, that if the said member withdraws all or part of his accumulated contributions from the Annuity Savings Fund he shall thereon cease to be a member and he shall forfeit all his rights in and to a deferred retirement allowance. Upon attaining his eligible retirement age, or later, the said member may retire upon his written application to the Commission as provided in Section 16.14.

Optional Retirement Allowances:

Section 16.18. (a) Within ninety days preceding the effective date of his service retirement, any member may elect to receive his service retirement allowance payable throughout his life (called a regular retirement allowance), or he may elect to receive the actuarial equivalent, at the time of his retirement, of his regular retirement allowance in a reduced retirement allowance payable throughout his life in accordance with the provisions of Option I, II or III, as hereinafter set forth:

Option I. Cash Refund Annuity. If a beneficiary (retired member) dies before he has received in payment of the annuity portions of his reduced retirement allowance payments an aggregate amount equal to the amount of his accumulated contributions credited to him in the Annuity Savings Fund at the date of his retirement, the remainder shall be paid in a single sum to such person or persons, having an insurable interest in his life, as he shall have nominated by written designation duly executed and filed with the Commission. In the event there be no such designated person or persons surviving, then said remainder, if any, shall be paid to his (retired member) legal representative; or

Option II. Joint and Last Survivorship Allowance. If a beneficiary dies, his reduced retirement allowance shall be continued throughout the life of and paid to such person, having an insurable interest in his life, as he shall have nominated by written designation duly executed and filed with the Commission at the time of his retirement; or

Option III. Modified Joint and Last Survivorship Allowance. If a beneficiary dies, one-half of his reduced retirement allowance shall be continued throughout the life of and paid to such person, having an insurable interest in his life, as he shall have nominated by written designation duly executed and filed with the Commission at the time of his retirement.

(b) Election of Option Prior to Retirement. Any member, with ten or more years of service credited to his service account, who continues in the employ of the city on and after his attainment of his eligible retirement age, may, at any time within a period of six months after his attainment of his eligible retirement age or prior to January 1, 1951, whichever is later, by written declaration duly executed and filed with the Commission, in the manner and form prescribed by the Commission, make any election provided for in paragraph (a) of this section with regard to his retirement allowance provided in Section 16.16, in the same manner as if he were then retiring from service. Any election so made may be revoked prior to the effective date of the said member's retirement only upon the death of, or divorce or legal separation from, the person nominated as joint beneficiary pursuant to the provisions of Option II or III of the said paragraph (a) of this section. In the case of the death of, or divorce or legal separation from, the said joint beneficiary prior to the effective date of the said member's retirement the said member may either finally revoke his previous election or substitute another joint beneficiary at any time prior to the effective date of his retirement. If any member who shall have made an election and nominated a joint beneficiary, as provided in this paragraph, shall die prior to the effective date of his retirement, then the said joint beneficiary shall immediately receive the same retirement allowance as the said joint beneficiary would have been entitled to receive, under the option elected, if said member had been regularly retired at that time pursuant to the provisions of this chapter. If a member who shall have made an election of an option under the provisions of this paragraph subsequently retires pursuant to the provisions of this chapter, his said election shall then take effect in the same manner in all respects as if at the time of his retirement his said election had been made pursuant to the provisions of paragraph (a) of this section. This paragraph shall not apply in the event any benefits are payable under the provisions of Section 16.25 on account of the death of said member.

Duty Disability Incurred:

Section 16.19. Upon the application of a member or his department head, a member who has become or becomes totally incapacitated for duty in the service of the Village or city by reason of a personal injury or disease which the Commission finds to have occurred as the natural and proximate result of causes arising out of and in the course of his employment by the Village or city shall be retired by the Commission; provided, that after a medical examination of the said member, made by or under the direction of the Medical Director, the Medical Director certifies to the Commission (1) that the said member is mentally or physically totally incapacitated for duty in the service of the city, and (2) that such incapacity will probably be permanent, and (3) that the said member should be retired; and provided further, that the report of the Medical Director is concurred in by the Commission.

Definitions:

Section 16.2. The following words and phrases as used in this chapter, unless a different meaning is clearly required by the context, shall have the following meanings:

- (a) "Commission" means the retirement commission provided in this chapter.
- (b) "Member" means any person who is included in the membership of the retirement system.
- (c) "Retirant" means any member who retires with a pension or retirement allowance payable by the retirement system.
- (d) "Beneficiary" means any person, except a retirant, who is in receipt of, or who is designated to receive, a pension or retirement allowance, or other benefit, payable by the retirement system.
- (e) "Service" means personal service rendered to the village or city, or village and city, by an officer or employee of the city.
- (f) "Credited service" means the number of years and months of service credited a member to the extent provided in this chapter.
- (g) "Regular interest" means such rate or rates of interest per annum, compounded annually, as the Commission may determine from time to time adopt.
- (h) "Accumulated contributions" means the sum of all amounts deducted from the compensation of a member and credited to his individual account in the members savings fund, together with regular interest thereon.
- (i) "Compensation" means a member's salary or wages paid by the city for personal services rendered by him to the city. In case a member's remuneration is not all paid in money the Council shall fix the value of the portion of his remuneration which is not paid in money.
- (j) "Final average compensation" means the average of the highest annual compensations received by a member during any period of 5 consecutive years of his credited service contained within his 10 years of credited service immediately preceding the date his city employment last terminated. If he has less than 5 years of credited service his final average compensation shall be the average of his annual compensations for his total period of credited service.
- (k) "Annuity" means an annual amount payable by the retirement system throughout the future life of a person or beneficiary, and shall be derived from the accumulated contributions of a member, and shall be paid in equal monthly instalments.
- (l) "Pension" means an annual amount payable by the retirement system throughout the future life of a person or beneficiary, a temporary period, as provided in this chapter. A pension shall be derived from money provided by the city and shall be paid in equal monthly instalments.
- (m) "Retirement allowance" means the sum of the annuity and the pension payable to a retirant or beneficiary.
- (n) "Annuity reserve" means the present value of all payments to be made on account of any annuity. An annuity reserve shall be computed upon the basis of such mortality table and regular interest as the Commission shall adopt from time to time adopt.
- (o) "Pension reserve" means the present value of all payments to be made on account of any pension. A pension reserve shall be computed upon the basis of such mortality and other tables of experience, and regular interest, as the Commission shall from time to time adopt.
- (p) "Retirement" means a member's withdrawal from the employ of the city with a pension or retirement allowance payable by the retirement system.
- (q) "Workmen's compensation period" means the period a member, retirant, or beneficiary, is in receipt of workmen's compensation on account of a member's disability or death arising out of and in the course of his city employment. If he is paid a single sum in lieu of future workmen's compensation his "workmen's compensation period" shall be the period, if any, he was in receipt of weekly workmen's compensation plus the period arrived at by dividing the single sum by his weekly workmen's compensation award.

Retirement Allowance:

Section 16.16. (a) Upon a member's retirement, as provided in this chapter, he shall receive a straight life retirement allowance and he may elect to receive his retirement allowance under an option provided in section 16.18 in lieu of a straight life retirement allowance. His straight life retirement allowance shall consist of the benefits provided below:

- (1) An annuity which shall be the actuarial equivalent to his accumulated contributions standing to his credit in the members savings fund at the time of his retirement; and
 - (2) A pension which when added to his annuity shall provide a retirement allowance equal to the number of years of credited service of a member multiplied by the sum of 1.2 per cent of the first \$4000 of his final average compensation, plus 1.7 per cent of the portion, if any, of his final average compensation which is in excess of \$4000.
- (b) According to such rules and regulations as the Commission may from time to time adopt, a member who retires before his attainment of age 65 years may elect to have his straight life retirement allowance actuarially equated to a reduced retirement allowance payable to his attainment of age 65 years and a reduced retirement allowance payable thereafter. His increased retirement allowance payable to his attainment of age 65 years shall approximate the sum of his retirement allowance payable after his attainment of age 65 years and his estimated social security primary insurance benefit.
- (c) In the event a retirant dies before he has received in straight life retirement allowance payments an amount equal to his accumulated contributions standing to his credit in the members savings fund at the time of his retirement, the difference between his said accumulated contributions and the said aggregate amount of retirement allowance payments received by him shall be paid from the retirement reserve fund to such person or persons as he shall have nominated by written designation duly executed and filed with the Commission. If there be no such designated person surviving the retirant's estate, if any, shall be paid to his estate. No benefits shall be paid under this subsection on account of the death of a retirant if he elected option I, II or III provided in section 16.18.

Deferred Retirement:

Section 16.17. Should any member who either (1) has 25 or more years of credited service, or (2) has attained age 55 years and has 15 or more years of credited service, separate from the employ of the city prior to his attainment of age 60 years for any reason except his retirement or death, he shall be entitled to a retirement allowance computed according to section 16.16, as the section was in force at the time he last left city employment. His retirement allowance shall begin the first day of the calendar month next following the month in which his application for same is filed with the Commission on or after his attainment of age 60 years. If the member withdraws his accumulated contributions from the members savings fund he shall thereupon forfeit his rights in and to a deferred retirement allowance provided in this section. For the period of his absence from city employment (1) he shall not receive service credit unless otherwise provided in this chapter, and (2) his balance in the members savings fund shall be accumulated at regular interest.

Retirement Allowance Options:

Section 16.18. (a) Prior to the effective date of his retirement, but not thereafter, a member may elect to receive his retirement allowance as a straight life retirement allowance payable throughout his life, or he may elect to receive the actuarial equivalent at that time of his straight life retirement allowance in a reduced retirement allowance payable throughout his life and nominate a beneficiary, in accordance with the provisions of option I, II, or III set forth below:

Option I — Cash Refund Annuity: If a retirant dies before he has received in payment of the annuity portions of his reduced retirement allowance an aggregate amount equal to his accumulated contributions standing to his credit in the members savings fund at the time of his retirement the difference between his accumulated contributions and the aggregate amount of annuity payments received by him shall be paid to such person or persons as he shall have nominated by written designation duly executed and filed with the Commission. In the event there be no such designated person surviving the retirant such difference, if any, shall be paid to the retirant's estate.

Option II — Joint and Survivor Allowance: Upon the death of a retirant his reduced retirement allowance shall be continued throughout the life of and paid to such person, having an insurable interest in his life, as he shall have nominated by written designation duly executed and filed with the commission prior to the effective date of his retirement.

Option III — Modified Joint and Survivor Allowance: Upon the death of a retirant one-half of his reduced retirement allowance shall be continued throughout the life of and paid to such person, having an insurable interest in his life, as he shall have nominated by written designation duly executed and filed with the Commission prior to the effective date of his retirement.

(b) If any benefits become payable under section 16.25 on account of the death of a retirant, (1) no retirement allowance shall be paid his beneficiary under option II or III provided in subsection (a) of this subsection, and (2) if he dies before he received in retirement allowance payments an aggregate amount equal to his accumulated contributions standing to his credit in the members savings fund at the time of his retirement the difference between his accumulated contributions and the aggregate amount of retirement allowance payments received by him shall be paid to his designated beneficiary if living, otherwise to his estate.

Amend section 16.19 for consistency with the other amended sections of Chapter 16; and to correct.

Non-Duty Death Benefit:

Section 16.19. (a) Any number who continues in the employ of the city after the date he either (1) acquires 25 years of credited service, or (2) attains age 55 and has 10 or more years of credited service, may by written declaration, duly executed and filed with the Commission, elect option II provided in section 16.18, and nominate a beneficiary whom the Commission shall be dependent upon the member for at least 50 per cent of his financial support, in the same manner in all respects as if he were then retiring from the employ of the city, notwithstanding that he might not have attained age 60 years. Prior to the effective date of his retirement the member may revoke his election of option II and nomination of beneficiary and, upon doing so, again, prior to his retirement, elect the said option II and nominate a beneficiary as provided in this subsection. Upon the death of a member who has an option II election in force his beneficiary, if living, shall immediately receive a retirement allowance computed in the same manner in all respects as if the member had retired the day preceding the date of his death, notwithstanding that he might not have attained age 60 years. If a member has an option II election in force at the time of his death

NOTICE OF PROPOSED PRESENT CHARTER PROVISIONS

CHARTER AMENDMENTS PROPOSED CHARTER PROVISIONS

Duty Disability Incurred:
 Section 16.21. Upon the application of a member or his department head, a member who (1) is in the services of the Village or city, and (2) has ten or more years of service credited to his service account, and (3) has become or becomes totally and permanently incapacitated for duty in the service of the Village or city as the result of causes occurring otherwise than in the actual performance of his duty in the service of the Village or city, may be retired by the Commission; provided, that a medical examination of the said member, made by or under the direction of the Medical Director, provided, that the Commission certifies (1) that the said member is mentally or physically totally incapacitated for duty in the service of the city, and (2) that such incapacity will probably be permanent, and (3) that the said member should be retired; provided further that the report of the Medical Director is concurred in by the Commission.

Duty Disability Benefits:
 Section 16.22 (a). Retirement After Eligible Retirement Age. A member who retires on or after his attainment of eligible retirement age on account of disability as provided in Section 16.21, shall receive a service retirement allowance according to the provisions of Section 16.16, and he shall have the right to elect an option provided in Section 16.18(a).
 (b). Retirement Before Eligible Retirement Age. Upon retirement for disability as provided in Section 16.21, a member who has not attained his eligible retirement age shall receive benefits provided in sub-paragraphs (1), (2) and (3) of this paragraph.

(1) A cash refund annuity which shall be the actuarial equivalent of his accumulated contributions standing to his credit in the Annuity Savings Fund at the date of his retirement. In the event he dies before the total of the cash refund annuity payments received by him equals or exceeds the amount of his accumulated contributions at the date of his retirement, the remainder shall be paid in a single sum to such person or persons, having an insurable interest in his life, as he shall be nominated by written designation duly executed and filed with the Commission. In the event there be no such designated person or persons surviving, then such remainder, if any, shall be paid to his (retired member) legal representative.

(2) A disability pension consisting of one-one hundred thirty-fifth of his average final compensation multiplied by number of years (and fractions thereof) of service credited to his service account plus a basic pension of one hundred dollars per annum; said disability pension shall begin as of the date of his disability, but in no case more than six months after the date his application for disability retirement was filed with the Commission, or the date his name last appeared on Village or city payroll, whichever is later, and shall continue to his attainment of his eligible retirement age. Said disability pension shall not exceed eighteen hundred dollars per annum, and shall be subject to the provisions of Sections 16.23 and 16.24.

(3) Upon attaining his eligible retirement age, he shall receive a service pension computed according to the provisions of Section 16.16, paragraphs (b), (c), (d) and (e); provided, that no service credit shall be given for the time he was receiving a disability pension provided for in sub-paragraph (2) of this paragraph. Upon attaining his eligible retirement age he shall have the right to elect an option provided in Section 16.18(a).

Death Occurring in Line of Duty:
 Section 16.25. In the event a member dies as the result of a personal injury or disease arising out of and in the course of his employment by the Village or city, and such death, injury or disease resulting in death, be found by the Commission to have been the result of his actual performance of duty in the service of the Village or city, the benefits provided in paragraphs (a), (b), (c), (d) and (e) of this section shall be paid; provided, that any benefits payable under paragraphs (b), (c) and (d) of this section shall be subject to the provisions of paragraph (f) of this section and to Section 16.26.

(a) Accumulated Contributions. The accumulated contributions standing to the said deceased member's credit in the Annuity Savings Fund shall be paid in accordance with the provisions of Section 16.26.

(b) Widow's Pension. A pension of one-third the final compensation of said deceased member shall be paid to his widow to continue during her widowhood.

(c) Children's Pensions While Widow is Living. If, in addition to a widow, a child or children under age eighteen also survive the said deceased member, each child under age eighteen years shall receive a pension of an equal share one-fourth of the said deceased member's final compensation. Upon the marriage, death or attainment of age eighteen years of any child his pension shall terminate and there shall be a redistribution by the Commission to the remaining children under age eighteen years.

(d) Children's Pensions If Widow Dies or Remarries. In event there be no widow, or if the widow dies or remarries the youngest surviving child of said deceased member shall have attained age eighteen years, then his child or children under age eighteen years shall each receive a pension of one-fourth of the said deceased member's final compensation; provided if there be more than two surviving children under age eighteen years, each child under age eighteen years shall receive an equal share of one-half of the said deceased member's final compensation. Upon the marriage, death or attainment of age eighteen years of any child his pension shall terminate and there shall be a redistribution by the Commission to the remaining children under age eighteen years, but in no event shall any child receive in any year more than one-third of the said deceased member's final compensation.

(e) Dependent Parents' Pensions. In the event there be neither a widow, nor children under age eighteen years, surviving said deceased member, then there shall be paid to his dependent father and dependent mother, or either of them, as the Commission after investigation shall find to have been actually dependent upon said deceased member through absence of power due to physical or mental disability, a pension of one-sixth of said member's final compensation; provided, that the event shall be the pension payable to either parent exceed six hundred dollars a year; and provided further, that payment of such pensions shall be subject to the provisions of Section 16.23.

(f) Limitation. The total of the pensions provided in paragraphs (b), (c) and (d) of this section, payable to a widow and children of any deceased member shall not exceed eighteen hundred dollars per annum.

Refund of Accumulated Contributions:

Section 16.26 (a). Prior to Retirement. Should a member cease to be an employe of the city (1) before attaining his eligible retirement age, for reasons other than becoming a beneficiary or dying, or (2) after attaining his eligible retirement age and not being entitled to a pension, he shall be paid all or part of the accumulated contributions standing to his credit in the Annuity Savings Fund as he shall demand in writing on forms furnished by the Commission.

(b). Upon Death of Member. Should a member die, the amount of his accumulated contributions standing to his credit in the Annuity Savings Fund, at the time of his death, shall be paid to such person or persons, having an insurable interest in his life, as he shall have nominated by written designation duly executed and filed with the Commission; if there be no such designated person or persons surviving, his accumulated contributions shall be paid to his executor or administrator.

(c). Installment Refund. Payment of refunds of accumulated contributions may be made in monthly installments according to such rules and regulations as the Commission may adopt.

Annuity Savings Fund:

Section 16.27 (a). The Annuity Savings Fund is hereby created. The Annuity Savings Fund shall be the fund in which shall be accumulated, at regular interest, the contributions from the compensation of members to provide for their retirement.

(b). Contributions of Members. The contribution of a member to the Annuity Savings Fund shall be five per cent of his compensation paid to him by the city. The officer or officers responsible for making up the payroll shall cause the contribution to be deducted from the compensation of each member on each and every payroll for each and every payroll period, so long as he remains a member in the employ of the city. The members' contributions provided for herein shall be notwithstanding that the minimum compensation provided for by law for any member shall be changed thereby. Every member shall be deemed to consent and agree to the deductions made and provided for herein and shall receipt for his full compensation and payment of his compensation less said deduction shall be a full and complete discharge and acquittance of all claims and demands whatsoever for the services rendered by such person during the period covered by such payment. The officer or officers responsible for making up the payroll shall certify to the Treasurer, on each and every payroll, the amount of contribution to be deducted from the compensation of each member, and each of said amounts shall be deducted by the Treasurer, and when deducted shall be credited by the Secretary to the individual Annuity Savings Fund account of the member whose compensation said deduction was made.

(c). Deposit of Contributions Previously Refunded. In addition to the contributions deducted from the compensation of a member, as hereinbefore provided, any member may deposit in the Annuity Savings Fund, by a single payment, or by an increased rate of contribution, an amount equal to the total amount, or any part thereof which may have previously been drawn by him from the Retirement System established by chapter 17 of the Village Charter or from the Retirement System established by this chapter.

(d). Transfer of a Member's Accumulated Contributions. Upon retirement of a member, his accumulated contributions shall be transferred from the Annuity Savings Fund to the Annuity Reserve Fund. At the expiration of a period of three years from the date an employe ceases to be a member, any balance of accumulated contributions standing to his credit in the Annuity Savings Fund, unclaimed by such member, shall be transferred to the Pension Reserve Fund.

Investment of Funds:

Section 16.31 (a). The Commission shall have full power to invest and reinvest the funds of the Retirement System subject to all terms, conditions, limitation and restrictions imposed by the law of the State of Michigan upon life insurance companies in the making and disposing of their investments, except that notes, bonds or obligations of any county, city, village or district in the State of Michigan shall not be subject to said restrictions or limitations. The Commission shall have full power to purchase notes, bonds or other obligations of the City of Grosse Pointe Farms at any legally conducted public sale.

(b). The Commission shall have full power to hold, purchase, sell, assign, transfer and dispose of any of the securities and investments in which any of the funds of the Retirement System have been invested, as well as the proceeds of such investments and any moneys belonging to the Retirement System. There shall be kept on deposit available cash not exceeding ten per centum of the total assets of the Retirement System. All funds of the Retirement System shall be held for the sole purpose of meeting disbursements for pensions, annuities and other payments authorized by the provisions of this present system and shall be used for no other purpose.

(c). The description of the various funds of the Retirement System shall be interpreted to refer to the accounting records of the Retirement System and not to the segregation of moneys in the funds of the Retirement System.

Allowance of Regular Interest:

Section 16.32. The Commission annually shall allow regular interest on the mean amount of assets credited to the Annuity Savings Fund, Annuity Reserve Fund and the Pension Reserve Fund; provided, however, that interest on contributions made following the first day of the fiscal year shall begin on the first day of the fiscal year, and shall be computed and credited at the end of the fiscal year. The amounts of interest so allowed shall be due and payable to said funds of the Retirement System and shall be annually credited thereto by the Commission from the funds and other earnings on moneys of the Retirement System. Any additional amounts necessary to allow regular interest on the funds of the Retirement System shall be paid from the Pension Reserve Fund and all interest and other earnings, deposits and investments of the funds of the Retirement System, not required for the allowance of regular interest, shall be credited to the Pension Reserve Fund.

Transfer of Assets:

Section 16.35. Upon the adoption and taking effect of this chapter, the Treasurer shall transfer all assets of every fund credited to the Annuity Savings Fund, Annuity Reserve Fund, Pension Reserve Fund, Expense Fund and other funds of the Retirement System established by chapter 17 of the Village Charter, from the said Village Chapter 17 Retirement System to the Retirement System established by this chapter of this charter. When so transferred, the said assets shall be credited to the corresponding Annuity Savings Fund, Annuity Reserve Fund, Pension Reserve Fund and other funds of the Retirement System established by this chapter of this charter.

Provisions of This Retirement System:

Section 16.39. Whenever an actuarial valuation of the assets and liabilities of the Retirement System shows that the total of the assets credited to the Pension Reserve Fund equals or exceeds the total of (1) the pension reserve covering the pension benefits payable to beneficiaries, and (2) the pension reserves covering pensions which might be payable on account of accumulated contributions to members, the Council may, by ordinance, (1) increase the amount of pension benefits provided by the Retirement System, or (2) add new pension benefits provided, that no such increase in pension benefits or new pension benefits shall be made if the city's total annual contribution to the Retirement System, for all pension benefits paid or which might be payable by the Retirement System, shall by reason thereof exceed seven per cent of the aggregate salary or compensation received by members during the preceding fiscal year.

his said election of option II and nomination of beneficiary shall thereafter continue in force, unless prior to the effective date of his retirement he elects to receive his retirement allowance as a straight life retirement allowance or under another option provided in section 16.18. No retirement allowance shall be paid under this subsection on account of the death of a member if any benefits are paid or will become payable under section 16.25 on account of his death.

(b) Any member who continues in the employ of the city after the date he either (1) acquires 25 years of credited service, or (2) attains age 55 years and has 10 or more years of credited service, and in either case does not have an option II election in force as provided in subsection (a) of this section, and (1) dies while in city employment, and (2) leaves a widow, or in the case of a female member leaves a widower whom the Commission finds to be totally and permanently disabled and to have been dependent upon the female member for at least 50 per cent of his support due to lack of financial means, the widow or widower shall immediately receive a retirement allowance computed in the same manner in all respects as if the member had (1) retired the day preceding the date of his death, notwithstanding that he might not have attained age 60 years, (2) elected option II provided in section 16.18, and (3) nominated his widow or widower as beneficiary. No retirement allowance shall be paid under this subsection on account of the death of a member if any benefits are paid or will become payable under section 16.25 on account of his death.

Disability Retirement Allowance:

Section 16.21. Upon his retirement on account of disability, as provided in section 16.20, a member shall receive a disability retirement allowance computed according to section 16.16, exclusive of subsection (b). Prior to his attainment of age 60 years his disability straight life retirement allowance shall not be less than 17 per cent of his final average compensation. After his attainment of age 60 years his disability straight life retirement allowance shall not be less than the sum of 12 per cent of the first \$4200 of his final average compensation plus 17 per cent of the portion, if any, of his final average compensation which is in excess of \$4200. His disability retirement allowance shall be subject to section 17.24. During his workmen's compensation period his disability straight life retirement allowance shall not exceed the difference between his final average compensation and his weekly workmen's compensation award converted to an annual basis. Upon his retirement he may elect to receive his retirement allowance under an option provided in section 16.18 in lieu of a straight life retirement allowance.

Disability Retirement Allowance Adjusted:

Section 16.22. If a disability retiree is in receipt of workmen's compensation on account of his disability arising out of and in the course of his city employment, upon termination of his workmen's compensation period, or at his attainment of age 65 years, whichever occurs first, he shall be given service credit for the period he was in receipt of a disability retirement allowance and his retirement allowance shall be recomputed to include such additional service credit.

Death in Line of Duty:

Section 16.25. (a) In the event (1) a member dies as the result of a personal injury or disease arising solely and exclusively out of and in the course of his employment by the city, or (2) a disability retiree who has not attained age 60 years dies during his workmen's compensation period as the result of the same injury or disease for which he was retired, and in either case (1) or (2) such death, injury or disease resulting in death, be found by the Commission to have been the result of his actual performance of duty in the employ of the city, the applicable benefits hereinafter provided in this subsection shall be paid, subject to subsection (b) of this section, and subject to the condition that the beneficiaries eligible to pensions apply for and are granted workmen's compensation on account of the death of the member or retiree.

- (1) In the case of a deceased member his accumulated contributions standing to his credit in the members savings fund at the time of his death shall be paid in accordance with section 16.26.
- (2) His widow shall receive a pension equal to her weekly workmen's compensation converted to an annual basis. The widow's pension shall begin upon termination of her workmen's compensation period and shall terminate upon her remarriage or death.
- (3) His unmarried child or children under age 18 years shall each receive a pension equal to the child's weekly workmen's compensation converted to an annual basis. A child's pension shall begin upon termination of his workmen's compensation period and shall terminate upon his adoption, marriage, attainment of age 18 years, or death, whichever occurs first. If a widow's pension is terminated as provided in paragraph (2) of this subsection each such child's pension shall be increased by an equal share of the said widow's pension.
- (4) His parents shall each receive a pension equal to such parent's weekly workmen's compensation converted to an annual basis. The parent's pension shall begin upon termination of his workmen's compensation period and shall terminate upon his remarriage or death.

(b) As used in this section the term "widow" means the person to whom the member was married at the time his employment by the city last terminated. It shall include a widower whom the Commission finds to be totally and permanently disabled and to have been dependent upon the member for at least 50 per cent of his support due to lack of financial means.

Refund of Accumulated Contributions:

Section 16.26. (a) Should any member cease to be an officer or employe of the city, for any reason except his retirement or death, before he has satisfied the age and service requirements for retirement provided in section 16.14, he shall be paid his accumulated contributions standing to his credit in the members savings fund upon his written request to the Commission.

(b) Upon the death of a member, if no retirement allowance becomes or will become payable on account of his death, except as provided in section 16.25, his accumulated contributions standing to his credit in the member savings fund at the time of his death shall be paid to such person or persons as he shall have nominated by written designation duly executed and filed with the Commission. If there be no such designated person surviving the member his accumulated contributions shall be paid to his estate.

(c) In the event a member dies intestate, without heirs and without having nominated a beneficiary as provided in subsection (b) of this section, his accumulated contributions standing to his credit in the members saving fund at the time of his death may be used to pay his burial expense, not to exceed a reasonable sum to be determined by the Commission: Provided, that he leaves no other estate sufficient for such purpose.

(d) Payments of refunds of accumulated contributions, as provided in this section, may be made in a single sum or in installments as the Commission shall from time to time determine.

Members Savings Fund:

Section 16.27. (a) The members savings fund, also called annuity savings fund, is hereby created. It shall be the fund in which shall be accumulated at regular interest the contributions deducted from the compensations of members, and from which shall be made refunds and transfers of accumulated contributions, as provided in this chapter.

(b) A member's contributions to the retirement system shall be the sum of 3 per cent of the first \$4200 of his annual compensation plus 5 per cent of the portion, if any, of his annual compensation which is in excess of \$4200. The officer or officers responsible for making the payroll shall cause the contribution of each member to be deducted from his compensation on each and every payroll, for each and every payroll period, so long as he remains a member. The members' contributions shall be made notwithstanding that the minimum compensation provided by law for any member shall be changed thereby. Every member shall be deemed to consent and agree to the deductions made and provided herein and payment of his compensation less said deduction shall be a full and complete discharge and acquittance of all claims and demands whatsoever for the services rendered by the member during the period covered by such payment, except as to benefits provided by this chapter. The said contributions when deducted from the compensation of a member shall be paid to the retirement system and shall be credited to his individual account in the members savings fund.

(c) In addition to the contributions deducted from the compensation of a member, as hereinbefore provided, he shall deposit in the members savings fund by a single contribution, or by an increased rate of contribution as approved by the Commission, the amount he might have withdrawn from the fund, together with regular interest from the date of withdrawal to the date of repayment. In no case shall any member be given credit for service rendered prior to the date he withdrew his accumulated contributions until he returns to the members savings fund all amounts due the fund by him.

(d) Upon the retirement of a member his accumulated contributions shall be transferred from the members savings fund to the retirement reserve fund. At the expiration of a period of 3 years from and after the date an employe ceases to be a member any balance standing to his credit in the members savings fund, unclaimed by the member or his legal representative, shall remain a part of the assets of the retirement system and shall be transferred to the pension reserve fund.

Retirement System Investments:

Section 16.31. (a) The Commission shall be the trustees of the assets of the retirement system and shall have full power to invest and reinvest the moneys and other assets of the retirement system subject to the provisions of Act No. 314 of the Public Acts of 1965, as amended, and as same might from time to time be amended.

(b) The Commission shall have full power to hold, purchase, sell, assign, transfer and dispose of any of the securities and investments in which any of the moneys of the retirement system have been invested as well as the proceeds of such investments and any moneys belonging to the retirement system. There shall be kept on deposit available cash not to exceed 5 per cent of the total assets of the retirement system. All assets of the system shall be held for the sole purpose of meeting disbursements authorized by this chapter and shall be used for no other purpose.

(c) The description of the various funds of the retirement system shall be interpreted to refer to the accounting records of the system and not to the segregation of assets in the funds of the system.

Amend section 16.32 to permit retirement allowance assignments for group life, hospitalization, and medical coverage.

Assignments Prohibited:

Section 16.32. (a) The right of a person to an annuity, a pension, a retirement allowance, to the return of accumulated contributions, the annuity, the pension, or the retirement allowance itself, any optional benefit, any other right accrued or accruing to any person under the provisions of this chapter, and any moneys belonging to the retirement system shall not be subject to execution, garnishment, attachment, the operation of bankruptcy or insolvency law, or any other process of law whatsoever, and shall be unassignable, except as is specifically provided in this chapter.

(b) If a member is covered by a group insurance or prepayment plan participated in by the city and should he be permitted to, and elect to, continue such coverage as a retiree he may authorize the Commission to have deducted from his retirement allowance the payments required of him to continue coverage under such group insurance or prepayment plan. The city shall have the right of set off for any claim arising from embezzlement by or fraud of a member.

Repeal section 16.35. The section has served its purpose and is no longer needed.

NOTICE OF PROPOSED CHARTER AMENDMENTS

PRESENT CHARTER PROVISIONS

PROPOSED CHARTER PROVISIONS

(b) Converting to Service Retirement Pension Upon attaining his voluntary retirement age, said disability retiree shall receive a service retirement pension computed according to the provisions of Section 17.16, and the said disability retiree shall be entitled to elect one of the options provided for in Section 17.18. In computing the amount of his service retirement pension, service credit shall be given the said disability retiree for the period he was receiving a disability retirement pension provided for in paragraph (a) of this section; provided, that the sum of the said service so credited to him and of the service previously credited to him shall not exceed twenty-five years.

(c) Duty Disability Retirement Pension. During the period a disability retiree is receiving a disability retirement pension, as provided in paragraph (a) of this section, his contributions to the Pension Savings Fund shall be suspended and his balance in the Pension Savings Fund, at the time of his retirement, shall remain in the said fund and shall be accumulated at regular interest until his attainment of the voluntary retirement age. Upon attaining his voluntary retirement age his accumulated contributions standing to his credit in the Pension Savings Fund, at that time, shall be transferred from the said Pension Savings Fund to the Pension Reserve Fund. In the event a disability retiree dies before attaining his voluntary retirement age, the amount of his accumulated contributions standing to his credit in the Pension Savings Fund, at the time of his death, shall be paid in accordance with the provisions of Section 17.28.

Duty Disability Benefits: Retirement After Voluntary Retirement Age:

Section 17.23. Upon retirement for disability as provided in Section 17.22, a disability retiree who has attained his voluntary retirement age shall receive a service retirement pension computed according to the provisions of Section 17.16, and the said disability retiree shall be entitled to elect one of the options provided for in Section 17.18.

Duty Disability Benefits: Retirement Before Voluntary Retirement Age:

Section 17.24. (a) Upon retirement for disability as provided in Section 17.22, a disability retiree who has not attained his voluntary retirement age shall receive a disability retirement pension of one and one-half per cent of his average final compensation multiplied by the number of years (and fractions thereof) of service credited to his service account not to exceed twenty-five years; said disability retirement pension shall begin as of the date of his disability but in no case more than six months before the date his application for disability retirement was filed with the Commission, or the date he last appeared on a Village or city payroll, whichever is later; and shall continue to his attainment of his voluntary retirement age or prior recovery; provided, that the said disability retirement pension payable in any year shall not exceed fifty per cent of the average final compensation of a full time patrolman or fireman, as the case may be, at the date of his retirement. Benefits payable under this paragraph shall be subject to the provisions of Section 17.26 and 17.27.

(b) Death Occurring Prior to Voluntary Retirement Age. In event the said disability retiree dies before the aggregate amount of his disability retirement pension payments received by him equals the amount of his accumulated contributions standing to his credit in the Pension Savings Fund at the time of his retirement, the remainder, if any, shall be paid in a single sum to such person or persons as he shall have nominated by written designation duly executed and filed with the Commission. In event there be no such designated person or persons surviving, then said remainder, if any, shall be paid to the executor or administrator. The provisions of this paragraph shall apply only in case of the death of the said disability retiree prior to his attainment of his voluntary retirement age.

(c) Converting to Service Retirement Pension. Upon attaining his voluntary retirement age, said disability retiree shall receive a service retirement pension computed according to the provisions of Section 17.16; provided, that in computing the amount of his service retirement pension no service credit shall be given the said disability retiree for the period he was receiving a disability retirement pension provided for in paragraph (a) of this section. Upon attaining his voluntary retirement age, said disability retiree shall be entitled to elect an option as provided in Section 17.18.

Death Occurring in Line of Duty:

Section 17.25. In the event a member dies as the result of a personal injury or disease arising out of and in the course of his employment by the Village or city, and such death, injury or disease resulting in death, be found by the Commission to have been the result of his actual performance of duties as a policeman or fireman in the service of the Village or city, the benefits provided for in paragraphs (a), (b), (c), (d) and (e) of this section shall be paid; provided, that any benefits payable under the provisions of paragraphs (b), (c) and (d) of this section shall be subject to the provisions of paragraph (f) of this section and to Section 17.26.

(a) Accumulated Contributions. The accumulated contributions standing to the said deceased member's credit in the Pension Savings Fund shall be paid in accordance with the provisions of Section 17.28.

(b) Widow's Pension. A pension of one-third the final compensation of said deceased member shall be paid to his widow to continue during her widowhood.

(c) Children's Pensions While Widow is Living. If, in addition to a widow, a child or children under age eighteen also survive the said deceased member, each child under age eighteen years shall receive a pension of an equal share of one-fourth of the said deceased member's final compensation. Upon the marriage, death or attainment of age eighteen of any child his pension shall terminate and there shall be a redistribution by the Commission to the remaining children under age eighteen years.

(d) Children's Pensions If Widow Dies or Remarries. In event there be no widow, or if the widow dies or remarries before the youngest surviving child of said deceased member shall have attained age eighteen years, then his child or children under age eighteen years shall each receive a pension of one-fourth of the said deceased member's final compensation; provided, that if there be more than two surviving children under age eighteen years, each child under age eighteen shall receive a pension of an equal share of one-half of the said deceased member's final compensation. Upon the marriage, death or attainment of age eighteen years of any child his pension shall terminate and there shall be a redistribution by the Commission to the remaining children under age eighteen years, but in no event shall any child receive in any year more than one-fourth of the said deceased member's final compensation.

(e) Dependent Parents' Pensions. In event there be neither a widow nor children under age eighteen years surviving said deceased member, then there shall be paid to his dependent father and dependent mother, or either of them, as the Commission after investigation shall find to have been actually dependent upon said deceased member through absence of earning power due to physical or mental disability, a pension of one-sixth of the said deceased member's final compensation; provided, that in no event shall the pension payable under this paragraph exceed six hundred dollars a year; provided further, that payment of said pensions shall be subject to the provisions of Section 17.26.

(f) Limitations. The total of the pensions provided for in paragraph (b), (c) and (d) of this section payable to a widow, children or widow and children of any deceased member shall not exceed sixty per cent of the average final compensation of a full time patrolman or fireman, as the case may be, at the date of the said member's death.

Benefits Offset by Compensation Benefits:

Section 17.26. (a) Any amounts which may be paid or payable under the provisions of any workmen's compensation, or similar law, including any pensions allowed and payable by the Federal or State Government on account of service performed in the armed forces of the United States to a member or retiree, who has not attained his voluntary retirement age, or to the dependents of a member or retiree, on account of any disability or death shall be offset against the amount of any benefits payable out of funds provided by the Village or city under the provisions of this section on account of the same disability or death. In case the present value of the total amounts payable under the workmen's compensation, pension or similar law, or the said Federal or State pension, is less than the pension reserve benefits otherwise payable from funds provided by the Village or city under the provisions of this chapter, then the present value of the said amounts shall be deducted from the pension reserve covering benefits payable from funds provided by the Village or city under the provisions of this chapter and such benefits as may be provided by the pension reserve so reduced shall be payable under the provisions of this chapter.

(b) Subrogation Rights. In the event an employee of the Village or city becomes entitled to pension benefits as the result of an accident or injury caused by the act of a third person, the city shall be subrogated to the rights of the employee against such third person to the extent of benefits which the city pays or becomes liable to pay.

Re-examination of Disability Retirees:

Section 17.27. (a) Once each year during the first five years following the retirement of a member with a disability retirement pension, and at least once in every three year period thereafter, the Commission may, and upon the disability retiree's application shall, require any disability retiree who has not attained his voluntary retirement age to undergo a medical examination to be made by or under the direction of the Medical Director. Should any disability retiree who has not attained his voluntary retirement age refuse to submit to such medical examination in any such period his disability retirement pension may be discontinued by the Commission, and should such refusal continue for one year, all his rights to his disability retirement pension may be revoked by the Commission. If upon such medical examination of a disability retiree, the Medical Director reports that the said retiree is physically able and capable of resuming employment in the department in which he was last employed, he shall be returned to duty in such department with compensation not less than the pay of the rank he held at the time of his retirement and payment of his disability retirement pension shall be resumed; provided, that the report of the Medical Director is concurred in by the Commission.

(b) Adjustment of Disability Pensions. Should the Secretary report and certify to the Commission that the said disability retiree, who has not attained his voluntary retirement age, is engaged in a gainful occupation, business or profession, and the sum of his pay or earnings from such occupation, business or profession, and his disability retirement pension provided by this Retirement System exceeds his final compensation, then the amount of his disability retirement pension shall be reduced to an amount which when added to the amount so earned by him shall equal his final compensation; provided, that the report of the Secretary is concurred in by the Commission. Should said disability retiree's earnings be later changed, his disability retirement pension shall be correspondingly adjusted.

(c) Status of Disability Retirees Returned to Service. A disability retiree who has been or shall be returned to service in the employ of the city shall again become a member of the Retirement System and he shall contribute to the Pension Savings Fund thereafter in the same manner as he paid prior to his disability retirement. Any prior service and membership credit shall be restored to him at the time of his retirement shall be restored to full force and effect. He shall be given service credit for the time he was receiving a disability pension provided in Section 17.21 (a); provided, that the sum of the service credit for the time he was receiving a disability pension provided in Section 17.24 (a).

Refund of Accumulated Contributions:

Section 17.28. (a) Prior to Retirement. Should any member cease to be an employee of the city before attaining his voluntary retirement age, for reasons other than becoming a retiree or dying, he shall be paid all or part of the accumulated contributions standing to his credit in the Pension Savings Fund as he shall demand in writing on forms furnished by the Commission.

(b) Death of Member. Should any member die, the amount of his accumulated contributions standing to his credit in the Pension Savings Fund, at the time of his death, shall be paid to such person or persons, having an insurable interest in the life, as he shall have nominated by written designation duly executed and filed with the Commission. If there be no designated person or persons surviving his accumulated contributions shall be paid to his executor or administrator.

(c) Installment Refund. Payment of refunds of accumulated contributions may be made in monthly installments according to such rules and regulations as the Commission may adopt.

Members Savings Fund:

Section 17.29. (a) The Pension Savings Fund is hereby created. The Pension Savings Fund shall be the fund in which shall be accumulated at regular interest the contributions from the compensation of members and from which shall be paid the accumulated contributions to members and beneficiaries.

(b) Member's Contributions. The contributions of a member to the Pension Savings Fund shall be five per cent of the compensation paid to him by the city.

(c) Members' Contributions Deducted From Pay. The officer or officers responsible for making up the payroll shall deduct the contribution to be deducted from the compensation of each member on each and every payroll, for each and every period, so long as he remains a member in the employ of the Village or city. The members' contributions provided herein shall be made notwithstanding that the minimum compensation provided for by law for any member shall be less than the amount of his contribution. Every member shall be deemed to consent and agree to the deductions made and provided for herein and to the discharge and acquittance of all claims and demands whatsoever for the services rendered by such person during the period covered by such payment. The officer or officers responsible for making up the payroll shall certify to the Treasurer, on each and every payroll the amount of contribution to be deducted from the compensation of each member and each member's accumulated contributions shall be deducted by the Treasurer and when deducted shall be credited to the individual Pension Savings account of the member from whose compensation said deduction was made.

(b) Any member who continues in the employ of the city after the date he either (1) acquires 15 years of credited service, or (2) attains age 55 years and has 10 or more years of credited service, may be written declaration duly executed and filed with the Commission, in the manner and form prescribed by the Commission, elect option II provided in subsection (a) of this section and nominate a beneficiary whom the Commission finds to be dependent upon the member for at least 50 per cent of his financial support. The election of option II and nomination of beneficiary may be revoked by the member at any time prior to the effective date of his retirement and he may, prior to the effective date of his retirement, again elect option II and nominate a beneficiary as provided in this subsection. Upon the death of a member who has an option II election in force his beneficiary, if living, shall immediately receive a pension computed in the same manner in all respects as if the member had retired the day preceding the date of his death, notwithstanding that he might not have attained his voluntary retirement age. If a member who has an option II election and nomination of beneficiary in force subsequently retires pursuant to the provisions of this chapter he may prior to the effective date of his retirement elect to receive his pension as a straight life pension or under another option provided in subsection (a) of this section. No pension shall be paid under this subsection on account of the death of a member if any benefits are paid under section 17.25 on account of his death.

(c) Any member who continues in the city after the date he either (1) acquires 15 years of credited service, or (2) attains age 55 years and has 10 or more years of credited service, and in either case does not have an option II election provided in subsection (b) of this section in force, and dies while in the employ of the city as a policeman or fireman, the following applicable benefits shall be paid, if no benefits are paid under section 17.25 on account of the member's death:

- (1) If the deceased member leaves a widow, or in the case of a female member leaves a widow whom the Commission finds to have been dependent upon the female member for at least 50 per cent of his financial support due to mental or physical disability, the widow or widower shall receive a pension equal to 75 per cent of the member's straight life pension computed according to section 17.16 in the same manner in all respects as if the member had retired the day preceding the date of his death, notwithstanding that he might not have attained his voluntary retirement age. Upon the widow's or widower's remarriage or death the pension shall terminate.
- (2) If the deceased member does not leave a widow or widower eligible to receive a pension provided in paragraph (1) of this subsection, or if the widow or widower remarries or dies before the member's youngest unmarried child attains age 18 years his unmarried child or children under age 18 years shall each receive a pension of an equal share of 75 per cent of the member's straight life pension computed according to section 17.16 in the same manner in all respects as if the member had retired the day preceding the date of his death, notwithstanding that he might not have attained his voluntary retirement age. Upon a child's adoption, marriage, attainment of age 18 years, or death, whichever is first, his pension shall terminate and there shall be a redistribution by the Commission to the deceased member's remaining eligible children under age 18 years.
- (3) In the event the pensions provided in paragraphs (1) and (2) of this subsection are terminated before the total of the pensions paid on account of the death of a member equals his accumulated contributions standing to his credit in the members savings fund at the time of his death the difference between his said accumulated contributions and the total amount of pensions paid shall be paid to the member's estate.

Duty Disability Pension—Retirement After Voluntary Retirement Age:

Section 17.20. A member who retires at or after his voluntary retirement age on account of disability, as provided in section 17.19, shall receive a straight life pension computed according to section 17.16. During his workmen's compensation period his straight life pension shall not exceed the difference between his final compensation and his weekly workmen's compensation award converted to an annual basis. Upon his retirement he may elect to receive his pension under an option provided in section 17.18 in lieu of a straight life pension.

Duty Disability Pension—Retirement Before Voluntary Retirement Age:

Section 17.21. A member who retires prior to his voluntary retirement age on account of disability, as provided in section 17.19, shall receive a straight life disability pension computed according to section 17.16, exclusive of subsection (b), and he may elect to receive his pension under an option provided in section 17.18 in lieu of a straight life pension. In computing his pension the credited service used shall be the sum of (1) his credited service in force at the time of his retirement, and (2) the number of years, and fraction of a year, in the period from the date of his retirement to the date he would attain age 55 years. During his workmen's compensation period his straight life pension shall not exceed the difference between his final compensation and his weekly workmen's compensation award converted to an annual basis. His disability pension shall begin as of the date of his disability, but not prior to 6 months before the date his application for disability retirement is filed with the Commission, nor prior to the date his name last appeared on a city payroll with pay, whichever is later; and shall be subject to section 17.27.

Non-Duty Disability Pension:

Section 17.23. Upon a member's retirement, as provided in section 17.22, he shall receive a disability pension computed according to section 17.16, and he may elect to receive his pension under an option provided in section 17.18 in lieu of a straight life pension. During his workmen's compensation period, if any, his straight life pension shall not exceed the difference between his final compensation and his weekly workmen's compensation award converted to an annual basis. His disability pension shall be subject to section 17.27.

Death in Line of Duty Pensions:

Section 17.25. (a) In the event a member dies as the result of a personal injury or disease arising out of and in the course of his employment by the city and such death, injury or disease resulting in death, be found by the Commission to have been the result of his actual performance of duty as a policeman or fireman in the employ of the city, the applicable benefits provided below shall be paid:

- (1) The member's accumulated contributions standing to his credit in the members savings fund shall be paid in accordance with the provisions of section 17.28.
- (2) A pension of 1/3 of the member's final compensation shall be paid to his widow, subject to subsection (b) of this section. Upon his widow's remarriage or death her pension shall terminate.
- (3) If, in addition to a widow, an unmarried child or children under age 18 years also survive the member each such child shall receive a pension of an equal share of 1/4 of the member's final compensation, subject to subsection (b) of this section. Upon a child's adoption, marriage, death, or attainment of age 18 years, whichever is first, his pension shall terminate and the Commission shall redistribute the shares of 1/4 of the member's final compensation to his remaining eligible children under age 18 years.
- (4) In the event the deceased member does not leave a widow, or if his widow dies or remarries before his youngest surviving unmarried child shall have attained age 18 years, his unmarried child or children under age 18 years shall each receive a pension of 1/4 of the member's final compensation subject to subsection (b) of this section. If there be more than 2 such surviving children each such child shall receive a pension of an equal share of 1/4 of the member's final compensation. Upon a child's adoption, marriage, death, or attainment of age 18 years, whichever is first, his pension shall terminate and the Commission shall redistribute the shares of 1/4 of the member's final compensation to his remaining eligible children under age 18 years; provided, that no such child's pension shall be more than 1/4 of the member's final compensation.
- (5) In the event the deceased member leaves neither a widow nor children eligible to receive pensions provided in this section, there shall be paid to his dependent father and dependent mother, or either of them, as the Commission after investigation shall find to have been actually dependent upon the member through absence of earning power due to mental or physical disability, a pension of 1/6 of the member's final compensation. A parent's pension shall not exceed \$600 a year and shall be subject to subsection (b) of this section.

(b) During the workmen's compensation period of a widow, child or parent his pension provided in subsection (a) of this section shall be reduced by his weekly workmen's compensation award converted to an annual basis.

Subrogation Rights:

Section 17.26. In the event an employee of the city becomes entitled to a pension payable by the retirement system as the result of an accident or injury caused by the act of a third party, the city shall be subrogated to the rights of the employee against such third party to the extent of benefits the city pays or becomes liable to pay.

Re-examination of Disability Retirees:

Section 17.27. (a) Once each year during the first 5 years following the retirement of a member with a disability pension, and at least once in every 3 year period thereafter, the Commission may require any disability retiree who has not attained his voluntary retirement age to undergo a medical examination to be made by or under the direction of the medical director. Should a disability retiree refuse to such medical examination in any such period his disability pension may be discontinued by the Commission. Should such refusal continue for 1 year his disability pension may be revoked by the Commission. If upon such medical examination of a disability retiree, the medical director reports that the retiree is physically able and capable of resuming employment as a policeman or fireman he shall be returned to duty in the employ of the city with compensation not less than the pay of the rank he held at the time of his retirement, and his pension shall terminate.

(b) If a disability retiree who has not attained his voluntary retirement age, becomes engaged in a gainful occupation, business, or profession, or employment his disability pension, while he is so employed, shall be adjusted so that it shall not exceed the difference between his final compensation and his salary or wages for services rendered in such occupation, business, or profession.

(c) A disability retiree who returns to the employ of the city as a policeman or fireman shall again become a member of the retirement system. His credited service in force at the time of his retirement shall be restored to full force and effect. He shall be given service credit for the period he was receiving a disability pension provided in section 17.21. He shall not be given service credit for the period he was receiving a pension provided in section 17.23.

Refund of Accumulated Contributions:

Section 17.28. (a) If a member leaves the employ of the city before he has attained his voluntary retirement age, for any reason except his retirement or death, he shall be paid his accumulated contributions standing to his credit in the members savings fund upon his request in writing filed with the Commission.

(b) Should a member die and no pension becomes payable by the retirement system on account of his death, except as provided in section 17.25, his accumulated contributions standing to his credit in the members savings fund at the time of his death shall be paid to such persons or persons as he shall have nominated by written designation duly executed and filed with the Commission. If there be no such person surviving the member his said accumulated contribution shall be paid to his estate.

(c) Payment of refunds of accumulated contributions may be made in a single sum or in installments according to such rules as the Commission may from time to time adopt.

Members Savings Fund:

Section 17.29. (a) The members savings fund, also called pension savings fund, is hereby created. It shall be the fund in which shall be accumulated at regular interest the contributions deducted from the compensations of members; and from which shall be made refunds and transfers of accumulated contributions as provided in this chapter.

(b) A member's contributions to the retirement system shall be 5 per cent of the compensation paid him by the city. The officer or officers responsible for making the payroll shall cause the contribution of each member to be deducted from his compensation on each and every payroll, for each and every payroll period, so long as he remains a member. The members' contributions shall be made notwithstanding that the minimum compensation provided by law for any member shall be less than the amount of his contribution. Every member shall be deemed to consent and agree to the deductions made and provided herein and payment of his compensation less said deduction shall be a full and complete discharge and acquittance of all claims and demands whatsoever for the services rendered by the member during the period covered by such payment, except as to benefits provided by this chapter. The said contributions when deducted from the compensation of a member shall be paid to the retirement system and shall be credited to his individual account in the members savings fund.

CITY OF GROSSE POINTE FARMS

NOTICE OF PROPOSED CHARTER AMENDMENTS PRESENT CHARTER PROVISIONS PROPOSED CHARTER PROVISIONS

(d) Deposit of Contributions Previously Refunded. Any member who has withdrawn his contributions pursuant to Section 17.28(a) and who has been re-employed by the city within a period of two years following the date of his last separation from city service shall in addition to the contributions of a member as hereinbefore provided deposit in the Pension Savings Fund all amounts of contributions previously withdrawn by him from the Firemen's and Policemen's Pension and Retirement Fund established by chapter 16 of the Village Charter, the Village of Grosse Pointe Farms Policemen and Firemen Retirement System established by chapter 18 of the Village Charter and the Retirement System established by this chapter, together with regular interest thereon from the date of withdrawal to the date of repayment; provided, that he has not forfeited his prior service and membership service credit as provided in Section 17.10. Such payments shall be made prior to his retirement from service and no pensions shall be paid out of city funds to the said member until such amounts, including regular interest thereon, have been fully repaid. Such payments may be made in a single sum or in periodical installments as the Commission may determine.

(e) Transfer of Accumulated Contributions. Except as otherwise provided in this chapter, upon the retirement of a member his accumulated contributions shall be transferred from the Pension Savings Fund to the Pension Reserve Fund. At the expiration of a period of three years following the date an employee ceases to be a member any balance of accumulated contributions standing to his credit in the Pension Savings Fund, unclaimed by said member, shall be transferred to the Pension Reserve Fund.

Pension Reserve Fund:

Section 17.30. (a) The Pension Reserve Fund is hereby created. The Pension Reserve Fund shall be the fund in which shall be accumulated reserves for the payment of all pensions and other benefits payable from contributions made by the Village or city, and from which shall be paid all pensions, and benefits in lieu of pensions, to retirants and beneficiaries as provided in this chapter.

(b) Contributions by City. Upon the basis of such mortality and other tables as the Commission shall adopt, and regular interest, the Actuary shall annually compute the pension reserve liabilities for pensions and other benefits payable or which might be payable from the Pension Reserve Fund to members, retirants and beneficiaries. The pension reserve liabilities for prior service pensions shall be amortized in such manner as the Commission shall determine subject to the approval of the Council. The pension reserve liabilities for (1) membership service pensions payable or likely to be payable to members and (2) pensions payable to retirants and beneficiaries, shall be financed in such manner as the Commission shall determine subject to the approval of the Council, but not beyond the natural lifetime of the members, retirants and beneficiaries. The Commission shall report in writing to the Council on or before the fifteenth day of March each year the amount of contributions to be paid by the city for the next fiscal year and the Council shall appropriate and the city shall pay such amounts of contributions to the Retirement System during the next fiscal year. When so paid, the amounts of such contributions shall be credited to the Pension Reserve Fund.

(c) Deficiency Appropriations. If the amount appropriated in the budget for any year is not sufficient to pay in full all amounts due in the said year to all retirants and beneficiaries under the provisions of this chapter, the amount of such insufficiency shall thereupon be provided out of city funds by the appropriating authorities of the city.

Management of Funds:

Section 17.32. (a) The Commission shall have full power to invest and reinvest the funds of the Retirement System subject to all terms, conditions, limitations and restrictions imposed by the law of the State of Michigan upon life insurance companies in the making and disposing of their investments, except that notes, bonds or obligations of any county, city, village or district in the State of Michigan shall not be subject to said restrictions or limitations. The Commission shall have the power to purchase notes, bonds or other obligations of the City of Grosse Pointe Farms at any legally conducted public or private sale. The Commission shall have full power to hold, purchase, sell, assign, transfer and dispose of any of the securities and investments in which any of the funds of the Retirement System have been invested, as well as the proceeds of said investments and any moneys belonging to the Retirement System.

(b) Minimum Cash Balance: Limited Use of Funds: Accounting. There shall be kept on deposit available cash not exceeding ten percentum of the total assets of the Retirement System. All funds of the Retirement System shall be held for the sole purpose of meeting disbursements for pensions and other payments authorized by the provisions of this chapter and shall be used for no other purpose. The description of the various funds of the Retirement System shall be interpreted to refer to the accounting records of the Retirement System and not to the segregation of moneys in the various Funds of the Retirement System.

Allowance of Regular Interest:

Section 17.33. At the end of each fiscal year each member's Pension Savings Fund balance shall be credited with regular interest computed on the balance standing to the said member's credit at the beginning of the said fiscal year. The amounts of interest so allowed and credited shall be payable from interest and other earnings on the funds of the Retirement System. Any additional amounts required to credit regular interest to the Pension Savings Fund shall be charged to the Pension Reserve Fund, and all interest and other earnings on the funds of the Retirement System in excess of such requirements shall be credited to the Pension Reserve Fund.

Assignments Prohibited:

Section 17.34. The right of a person to a pension, to the return of accumulated contributions or to any other benefit, the pension itself, any optional benefit, any other right accrued or accruing to any member, retirant or beneficiary under the provisions of this chapter, and the money belonging to the Retirement System, shall be unassignable and shall not be subject to execution, garnishment, the operation of bankruptcy or insolvency law, or to any other process of law whatsoever, except as is specifically provided in this chapter; provided, that the city shall have the right of setoff for any claim arising from embezzlement by or fraud of a member.

(c) In addition to the contributions deducted from the compensation of a member, as hereinbefore provided, he shall deposit in the members savings fund, by a single contribution or by an increased rate of contribution as approved by the Commission, the amount, if any, he withdrew from the fund, together with regular interest from the date of withdrawal to the date of repayment. In no case shall any member be given credit for service rendered prior to the date he withdrew his accumulated contributions until he returns to the members savings fund all amounts due the fund by him.

(d) Upon the retirement of a member his accumulated contributions shall be transferred from the members savings fund to the retirement reserve fund. At the expiration of a period of 3 years from and after the date an employee ceases to be a member any balance standing to his credit in the members savings fund, unclaimed by the member or his legal representative shall remain a part of the assets of the retirement system and shall be transferred to the pension reserve fund.

Pension Reserve Fund:

Section 17.30. (a) The pension reserve fund is hereby created. It shall be the fund in which shall be accumulated reserves for the payment of all pensions payable for moneys provided by the city. Upon the basis of such mortality and other tables of experience, and regular interest, as the Commission shall from time to time adopt, the actuary shall annually compute the pension reserves (1) for pensions being paid retirants and beneficiaries, and (2) for service rendered and to be rendered by members. The said pension reserves, less the portions financed and to be financed by members' accumulated contributions shall be financed by annual appropriations, to be made by the Council, which shall be determined according to paragraphs (2) and (3) of this subsection.

(1) The appropriations for members' current service shall be a percent of their annual compensations which will be sufficient to pay the portions of the pensions to be paid thereon upon their future service.

(2) The appropriations for members' accrued service shall be an amount which if paid annually by the city over a period of years, to be determined by the Commission, will amortize at regular interest the unfunded pension reserves for the portions of the pensions to be paid thereon upon their accrued service.

(3) The appropriations for pensions being paid retirants and beneficiaries shall be an amount which if paid annually by the city over a period of years, to be determined by the Commission, will amortize at regular interest the unfunded pension reserves, if any, for pensions being paid retirants and beneficiaries.

(b) Upon a member's retirement the difference between his pension reserve and his accumulated contributions shall be transferred from the pension reserve fund to the retirement reserve fund. Upon the death of a member, if pensions provided by section 17.25 become payable on account of his death, the pension reserves for such pensions shall be transferred from the pension reserve fund to the retirement reserve fund. If at the end of any year the balance in the retirement reserve fund is less than its actuarially computed liabilities the amount of the deficiency shall be transferred from the pension reserve fund to the retirement reserve fund.

Retirement Reserve Fund:

Section 17.30.1. The retirement reserve fund is hereby created. It shall be the fund from which shall be paid all pensions payable as provided in this chapter. Should a disability retirant return to the employ of the city as a policeman or fireman his pension reserve at that time shall be transferred from the retirement reserve fund to the members savings fund. The pension reserve fund in the same proportion as the pension reserve was transferred to the retirement reserve fund at the time of the member's retirement.

Investment of Assets:

Section 17.32. (a) The retirement commission shall be the trustees of the assets of the retirement system. It shall have full power to invest and reinvest the moneys and other assets of the system, subject to the provisions of Act No. 311 of the Public Acts of 1965, as amended, and as same might from time to time be amended.

(b) The Commission shall have full power to hold, purchase, sell, assign, transfer and dispose of any of the securities, investments in which any of the moneys of the retirement system have been invested as well as the proceeds of such investments and any moneys belonging to the retirement system. There shall be kept on deposit available cash not in excess of ten percent of the total assets of the retirement system. All assets of the system shall be held for the sole purpose of meeting disbursements authorized by this chapter and shall be used for no other purpose.

(c) The description of the various funds of the retirement system shall be interpreted to refer to the accounting records of the system and not to the segregation of assets in the funds of the system.

Allowance of Regular Interest:

Section 17.33. At the end of each fiscal year the members savings fund balance of each member shall be credited with regular interest computed on the balance standing to his credit at the beginning of the fiscal year. At the end of each year regular interest shall be credited on the mean balance in the pension reserve fund and the mean balance in the retirement reserve fund. The earnings from investments of the retirement system in excess of the amounts necessary to credit regular interest to the funds of the system may be used to maintain contingency reserves or to satisfy the needs of the funds of the system, as the Commission shall determine. If the said earnings are not sufficient to satisfy the regular requirements the amount of the insufficiency shall be charged to the pension reserve fund.

Assignments Prohibited:

Section 17.34. (a) The right of a person to a pension, to the return of accumulated liabilities, the pension itself, any optional benefit, any other right accrued or accruing to any person under the provisions of this chapter, and any money belonging to the retirement system, shall be unassignable and shall not be subject to execution, garnishment, the operation of bankruptcy or insolvency law, or to any other process of law whatsoever, except as is specifically provided in this chapter.

(b) If a member is covered by a group insurance or prepayment plan participated in by the city, and should he be permitted to, and elect to, continue such coverage as a retirant, he may authorize the Commission to have deducted from the pension the payments required of him to continue coverage under such group insurance or prepayment plan. The city shall have the right of setoff for any claim arising from embezzlement by or fraud of a member, retirant, or beneficiary.

JUST THE FACTS
CLOVERLY—Surprisingly with bedrooms on first and second floors. New kitchen with built-ins. Deep, wooded lot. Reduced.

EDGEWOOD DRIVE —Center hall ranch, 3 bedrooms, 2 baths. Full dining room and Florida room. Half-block to Lakeshore bus.

HOLLYWOOD, 3-bedroom, 1 1/2 baths. Den and sunroom. 70' ft. lot. Updated condition. Under \$30,000.

RIVARD —Ranch, 3 bedrooms. Library and family room plus large recreation room with fireplace. Two blocks from Village shopping. 100' lot.

Cranford Lane —Duplex with 3 bedrooms in each house. Walking distance to schools, shops and transportation.

HARCOURT—The most elegant flat on Harcourt Road. The circular drive leads to a wide marble foyer, 3 bedrooms, 3 baths. Walled patio on first floor. 2 bedrooms, 2 1/2 baths on second.

SHELBOURNE —Sunny ranch, conveniently arranged for easy living. 3 bedrooms, 2 baths, utility room. Unusually large, glassed family room.

HAWTHORNE, 857—Center entrance Colonial. 3 bedrooms, 2 1/2 baths. Mutschler kitchen. First floor utility room. Full basement. New carpet.

WESTCHESTER, 814—Colonial, 3 bedrooms, 2 1/2 baths. Den. 2 1/2 car garage. 70' lot. 5 1/2% mortgage can be assumed. Immediate possession.

A LARGER, older house which is located in a neighborhood where the average house market value is at least \$20,000 higher. If this is the kind of "deal" you've been looking for certainly warrants looking into. Can you see your family in a rambling home with a center foyer large enough for a concert grand? Do you insist on having at least three baths on the second floor and five or six bedrooms are a must? Do you want a minimum of 100 feet frontage and a backyard large enough for the kids and a couple of dogs? Let us romp you through this one before someone else collars it.

TWO first floor bedrooms with a full bath, make this the perfect smaller house for the couple or growing family which must make use of the second floor. Now a full staircase leads upstairs but the rooms have not been finished. Priced at \$28,900.

FOUR ROOMS of comfortable living in this town house terrace located on Cranford Lane. A basement room has been done over so well that it conveys the impression that you are in the family room. The large living room has a natural fireplace, and there is a separate dining room off the center hall. One bath serves the second floor and there is another bedroom and bath on the third floor. We should have mentioned that there is a lavatory on the first floor and that the kitchen has been updated.

HELP YOURSELF to four bedrooms, two second floor baths, a playroom for the kids, and all nestled in the heart of the Farms. So close to elementary and junior high schools the children and you can sleep an extra fifteen minutes every day. This one won't stay around very long at \$37,500.

THE Real Chinese Puzzle is "China."

Mexico beckons Sheila Smith this summer...not the lush vacationland Mexico, but remote Mexican villages and unpaid hard work in "Project Encounter"...

Today's collegians not only study hard...they vacation hard. Sheila, daughter of the John J. Smiths of Hillcrest road and a sophomore at Oakland University, Rochester, will join a score of students from Mercy and Marygrove colleges, Sacred Heart and St. John's seminaries traveling to Mexico for "Project Encounter"...

Sheila's interest in Latin America dates back to high school, where after three years' language study, she placed first in the state in a competitive test administered by the American Association of Teachers of Spanish and Portuguese.

The students will spend the summer as catalysts for community development, helping the Mexican people construct roads, set up dispensaries, and hopefully form themselves into self-initiating and self-improving communities...

We're in the midst of fund-raising right now," Sheila says. "The students work during the school year to raise money and materials as a group to provide for their stay in Mexico."

Former Shores police officer Doug Kalish has made a bit of a name for himself locally teaching the art of self-defense to women... Now Doug has come forth with a common sense booklet illustrating his Yusei-Gachi methods of self-defense... In Japanese Yusei-Gachi literally means "Win by Decision"... that's why he chose the name...

From Albuquerque comes the story of the little girl named Carmen Cohen. Her mother naturally called her Carmen, but her father, for reasons of his own, called her by her last name, Cohen.

DRC Celebrates 75th Birthday

Two antique tea gowns, circa 1891, modeled by Grosse Pointe members of the Detroit Review Club, gave a touch of nostalgia to the Club's Diamond Jubilee benefit party, held at the Fries Auditorium, Grosse Pointe War Memorial, Tuesday, February 7, at 12 noon.

Other highlights of the gala celebration were a luncheon a fur fashion show, a tableful of exciting prizes and an afternoon of bridge.

Hostess for the party was Mrs. Robert Kales, of Cloverly road, DRC president.

Mrs. Harold Knoff, of Barrington road, was in charge of table decorations. Mrs. Aaron E. Wilcox, in charge of the fashion show, asked several Grosse Pointe members to model; they were Mrs. John Dieters, of Barrington road, Mrs. Emil Traum, of Ilarvard road, Mrs. Jack Wheeler, of La-Belle road, and Mrs. Thomas Walworth, of Mross road. Other models included Mrs. Robert Boone, Mrs. John Lavrakas, Mrs. William Johnson, Mrs. Cameron Lombard, Mrs. Steven Figiel and Mrs. William Robertson. Mrs. Nile Lombard was general chairman.

Mrs. Nathaniel Banks, president of the Federation of Women's Clubs of Metropolitan Detroit, presided at Mrs. Kales with

a special memento from the Federation in honor of DRC's charter membership to the Federation.

Before showing the latest in fur fashions, Mrs. Traum modeled a gown designed in 1891 for the late Mrs. Samuel Kingston. The dress had been loaned by Mrs. Kingston's daughter, Mrs. Floyd Straith.

Typical of the high-necked, long-sleeved, sweeping hemline dresses of the period, it features a fitted bodice with tucks, lace, ribbon insert; and exquisite hand detailing. The sweeping train is held off the floor by a series of petticoats.

The second authentic 1891 tea gown was modeled by Mrs. Wheeler and was worn by the late Mrs. Samuel Thomas when she was Mary Elizabeth Hummel. Her daughter, Mrs. Robert Harris, Jr., a past president of the Detroit Review Club, had loaned it for the 75th anniversary party.

It is made of sheer imported wool, has a fitted bodice, long sleeves and high collar and unusual back train. It is trimmed with hand embroidered panels. Funds raised at the benefit will be used for several DRC philanthropic projects, including the club's long-time project, the Salvation Army's Childrens Home.

Parents to See Typical Classes

The faculty of Dominican High School is presenting "A Typical Day in Their Daughters' Life" Wednesday evening, March 8, from 7 to 9 o'clock. Students will attend sessions at night, enabling the parents to observe classroom procedure. At 8 o'clock, a brief business

meeting of the Dominican High Mothers' Club will be held in the cafeteria, under the direction of Mrs. Neil Patterson, president.

Refreshments will be served by Mrs. John Cook, senior vice-president and her hostesses. All mothers are cordially invited to attend.

GROSSE POINTE FARMS POLICE CHIEF, JACK F. ROH

By Pepper Whitelaw

We will never call a police officer a cop again! Not after talking to chief Jack F. Roh of the Grosse Pointe Farms Police—it would be a sacrilege!

Chief Roh has snapping dark eyes and a forthright, honest manner. He is a man with an understanding of his job and the determination to see it through.

He is the father of four very active boys: William, who is 12; Jack, Jr., 11; Robert, who is 7; and Tom, who's 3 1/2 years old... and he hasn't given up hope of a girl yet either, he smilingly admits. The Rohs live on Dorthen avenue in the Woods.

The Chief has been with the Farms Police since August of '66 when he replaced James Furtun, who was retiring. Asked just exactly when in his life he decided to go into law enforcement the chief admits that he never thought about doing anything else.

Runs in Family

His father is Chief Probation Officer and Friend of the Court for Kent County and has been with the County for 30 years... 27 years as Chief. His uncle, John VanderWal, is Circuit Court Judge in Kent County and his other uncle, Charles Wogvel-mouth, is a retired detective lieutenant in the Grand Rapids police department.

With a little more probing, we found that the Chief's training and experience in the field of law enforcement is extensive, so extensive that it is difficult for a layman to comprehend the amount of training that has gone into the career of one Jack F. Roh.

He took a Police Administration course at Grand Rapids College. In 1951, he went on the Police Department in Grand Rapids as a rookie. They in turn sent him to the University of Louisville where he was graduated from the Southern Police Institute and received his degree in Police Administration.

He also attended the Federal Bureau of Investigation's Law Enforcement Officers Training School in Grand Haven, Mich., and was graduated from the Traffic Institute at Northwestern University in Evanston, Ill.

And Still More

He is also a graduate of the Federal Narcotics School in Washington, D.C., and attended the Municipal Police Administration School, which was conducted by the International Association of City Managers. Smiling he asks if that is enough background or do we want to know about the rest of the training he's had?—Hardly believing that there could be any more classes to take, we nod and he continues... "I completed a course in Scientific Investigation, and Police Administration courses at Michigan State University... courses in criminology and sociology at the University of Michigan and a course in Industrial Safety in Benson, Maryland."

He stresses that all police administrators today are trying to bring about the professionalization of law enforcement. No longer is a police officer given a gun and a badge and sent out on the streets.

All-Around Expert

Today a regular policeman has to have extensive training. He must know about the Constitution, about police administration, search and seizure, laws of arrest, scientific investigation of crimes and be able to understand the sexual psychopath—he must have a knowledge of both sociology and psychology and be a near expert in the field of Juvenile Delinquency.

"One of my fondest hopes is that eventually the police forces will pay enough to demand two years of college and/or an associated degree in Police Administration."

The way hasn't been easy for the Chief. He started out as a recruit police officer walking a beat in the "ghetto area" of Grand Rapids, then as a scout

car officer, then was assigned to Special Investigation Burglary Squad. This was a small group of men who dressed in old clothes and drove unmarked cars and tried to detect burglars in progress—their hours were from 9 p.m. until 5 a.m. daily. While on this special duty Chief Roh and his partners received 14 citations.

In one 28-day period alone, they apprehended 11 burglars without receiving one call. Looking across the desk at this apparently mild mannered gentleman it is difficult to picture him in old clothes, stealing through the night and surprising would-be-burglars.

After this assignment he took over as Commanding Officer of the Rackets, Gambling and Vice Squad Bureau—he broke up a numbers racket that was grossing over a million dollars a year in Grand Rapids. From this duty he went on as Street Sergeant in charge of a platoon of Street Lieutenants... to Commanding Officer of the Training Section at the Police Academy; (this consisted of a three-month course for patrolmen in the Grand Rapids and surrounding areas).

Trained First Cadets

While on this duty he was responsible for training the first Police Cadets in the city of Grand Rapids.

Police Cadets are boys who, upon graduation from high school, are sent to a Junior College by the city... after three years they receive an Associate degree in Police Science then come on to the force as patrolmen.

This Cadet program was initiated by Superintendent William A. Johnson of the Grand Rapids Police Department. Chief Roh says of Johnson, "He is one of the finest police administrators in the country. I owe most of my knowledge of Police Administration to him."

While in Grand Rapids, Chief Roh took part in giving instructions with the FBI in schools throughout the area. He conducted first aid training classes for the Holland police department and conducted Police Science classes for the Kent Sheriff reserves. In his career with the Grand Rapids force he received 19 departmental commendations and citations.

Real Reorganization

When he was considering coming to the Farms, he carefully studied the department and its potentialities. He says, "I was very proud that they wanted me." He joined the Farms police as Chief in August of '66.

Since his arrival a real reorganization has taken place. He has initiated "in-service training," he has given his men 15 hours of riot control training, he prepares monthly training bulletins, he has revised the system for reporting crimes.

He proudly escorted us to the room that is to serve as a library, (the policemen are building the shelves themselves). This will be a place where the officers can study law or prepare themselves for future promotional examinations.

The Chief adds that any old law books that may be lying around homes in The Pointe could certainly be made use of here in the new police library! He has also inaugurated a program in which patrolmen will be assigned to the Detective Bureau for on-the-job training for three or four months so the men will have a better idea of what goes on in the Detective Bureau.

Added Traffic Signs

In the field of traffic engineering the Farms has added more speed limit signs as well as more traffic safety signs on

all main thoroughfares. During 1966 there has been a reduction in traffic accidents of 5.7 percent. There have been 54 percent more moving violations than in 1965, however.

Chief Roh has 26 able men on his force... he's the strong 27th. He says that very few men who have been in the law enforcement field ever leave it... they may go to other departments but they rarely leave their "first love."

Since the Miranda amendment has been publicized so much of late, we queried the Chief as to his feelings on it. "There is not that much of a change. The difference is that now as soon as the suspect is apprehended he is appraised of his rights. In the past, conversation en route to the station was not considered interrogation; today it is.

"I believe the amendment is good for law enforcement. In the past officers would get a confession and there the investigation would end. Today they must go far beyond the confession and come up with other evidence to submit to the courts."

Doesn't Stop Police

"With any well trained, thoroughly educated, professional police department this decision may add a few more problems but it certainly doesn't stop the policeman!"

He says sometimes people forget that the police do not fine people guilty—their peers do... the police do not punish elected officials do... the police don't issue warrants... the judges do.

"Our pyramid of responsibility is in this order: To protect life and property, to prevent crime, to detect crime and to apprehend criminals. Then all we do is testify in court—the jury passes the sentence and decides who is guilty."

Would you believe that this man has time for any hobbies? Well, he makes time for hunting in Canada with his two older boys. "I can hardly wait until my other two boys are old enough to join us," he says.

He hunts bear in Canada and deer in the Upper Peninsula. "I am about 80 percent lucky most of the time. One of my luckier days, I shot a black bear in Canada that weighed over 300 pounds."

The Chief has been married to Norrine Roh for 15 years... of Norrine he says she's very understanding. "When I worked on the Vice Squad she was threatened a number of times and just took it in her stride... her dinners often grow cold and she attends many a P-TA meeting alone... but she understands."

At 39, Chief Roh has quite a list of accomplishments—achieved by real dedication to his work. Of the Farms Police Force he says, "I am very impressed with the men in my department and the enthusiasm they have shown in my stepped-up training program. They show a thirst for knowledge that's unbelievable."

"Give us a few more months and with the ability and initiative of my men the force will be one of the finest group of officers in the state of Michigan."

DAR Members to Hear Gourmet Table Program

The monthly meeting of the Stars and Bars Chapter of the United Daughters of the Confederacy will be held at the Harcourt road home of Mrs. Robert Putz, Friday, March 3, at 12:30 p.m.

Assisting the hostess will be Mrs. William G. Buchinger. A home economist from the Detroit Edison Company will present the program, entitled "Set a Gourmet Table."

Big Celebration For Oakland U.

Oakland University held a unique celebration on January 3 marking the anniversary of one dream come true and the unveiling of another.

The double celebration was occasioned by the coincidence of the 10th anniversary of the founding of the University and the gala premiere of the John Fernald Company of the Meadow Brook Theatre.

Dignitaries hosted by Chancellor D. B. Varner were invited to a dinner in Vandenberg Hall on campus, followed in turn by the premiere performance of Bertolt Brecht's "The Caucasian Chalk Circle" and a gala reception at baronial Meadow Brook Hall. Varner's remarks at the dinner, which was attended by about 120 persons who have participated directly in the development of Oakland, centered on the 10th anniversary of the announcement by Mr. and Mrs. Alfred G. Wilson of the gift of their 1400-acre estate and \$2 million for the creation of a new university.

Invited to the dinner were members of the Michigan State University Board of Trustees, the Oakland University Foundation, the Chancellor's Club, and the Policy Committee of the Meadow Brook Theatre, and a few special guests. The Foundation was set up, initially as a committee of 50 community leaders, shortly after the announcement of the gift. Its purpose has been to give form and shape to the new institution. The Chancellor's Club is made up of major contributors to the University.

All of the opening night play-goers in the intimate 600-seat theatre plus a few other special guests were invited to the gala reception following the play. Mrs. Wilson and Mrs. George Romney served as co-hostesses.

On September 17, 1959, two and a half years after the announcement of the gift by Mr. and Mrs. Wilson, the first convocation of students was held on the new campus. Five hundred and seventy freshmen were admitted as members of the charter class.

In the seven and one-half years which have followed, the enrollment has grown to more than 3,100, the teaching faculty has grown from 22 to approximately 155, and the physical plant has grown from two buildings, which were not yet completed, to a cluster of 15 buildings which now form the discernible outlines of a college campus.

A new School of Engineering building and the University's seventh dormitory, which will cost a total of \$8,800,000, are now under way.
