Abend, who helped in the search of the area, observed a man who fit the description of the person who was said to have tried to break into the Vogel residence, as the man was about to board a Lake Shore Coach Line bus, at Mack and Loehmoor, and took him into custody. The man, Howard, was ordered into the scout car and taken to the station, where he denied being anywhere near, or any attempt to break into the Vogel house.

However, according to police, footprints in the rear yard of the house, matched perfectly with the shoes worn by Howard, even to a "V" on the heels. The man was formally placed under arrest and a warrant obtained charging him with breaking and entering in the daytime.

Det. Lt. Henry Marchand said Howard has a police record dating back to 1953, and that the man had been released from prison on March 2, after serving a term for a felony committed in Detroit.

of Park Police, going west on Vernor highway. He stopped the car at Buckingham road and Mack avenue. Officer John Drummond of the City Police was dispatched to the scene and told to hold the car and its occupants.

Another call was made to Walton-Pierce in an attempt to get further descriptions of the thieves. After receiving further information, Officer Benthuyts proceeded to Mack and Buckingham, where he found one of the occupants fitted the descriptions of the wanted party.

The occupants of the car were one male and one female, both Negroes. While talking to the occupants the officers observed new clothing with tags still on them on the back seat of the car.

Find Booster Bloomers

Upon further investigation they discovered new clothing in a bag on the floor of the car. They also found a pair of "booster bloomers," a clever device used by the professional shoplifters. It has a draw string inserted at the waist of the garment, leaving an open area in the front, the potential shoplifter then uses this as a "kangaroo pouch" for stolen items.

The occupants were then told they were under arrest and informed of their rights. The car and its occupants were taken to the Park Police station and released to Officer Benthuyts and taken to the City police station.

Those arrested were Betty Johnson, 13814 Dexter avenue, Detroit, and Lemarck Pleasant, of 3275 Rochester avenue, Detroit. The '65 Pontiac, registered to Roosevelt Jackson, was held and released the next day. The woman who accompanied Miss Johnson was not located.

Both parties were turned over

to the Detective Bureau and charged with larceny from a store. Their court date was set for Tuesday, March 14.

THIEF TAKES CAMERA

Carl Joyner, owner of a camera shop at 20223 Mack avenue, called Woods police on Thursday, March 9, and reported that an unknown person stole an Instamatic camera, valued at \$99.60 from a display counter in the store. He said several teenage boys were standing near the counter, but he could not give authorities accurate descriptions.

GIBB'S WORLD-WIDE-WINES

IMPORTED & AMERICAN, WINES, CHAMPAGNES, BEER & CIGARS

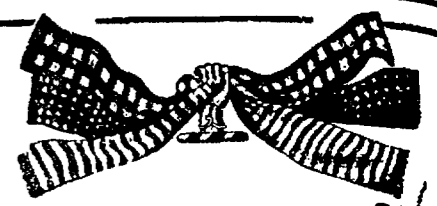

Folks who are interested in wines have been studying the vintages in European wines each year to help them pick the better years and better wines. The 1966 vintage is the most talked about at this time. In Germany the 1964 wines were the best since the 1950s, and still are. The 1965 German wines were the poorest in many years, this of course made the 64s go up in price. The 1966 wines through the growing season appeared to be the makings of a great year. About October the 20th it started to rain and lasted for about a week. This was during the picking days. The harvest was stopped for about a week. The sugar content had dropped. In the Riesling grape high sugar content is hoped for. The 1966 grape crop was about 25% less than the 1964 Harvest in the same yards. The 1966 vintage quality was a little less than the 1964, but more expensive, owing to the smaller harvest. The 1966 German wine is not a great year but the wines are of very good quality. Auslee and Trockenbeerenauslese will be scarce if any for the year of 1966.

So for the rest of this year, the best buys and best quality German wines are the 1959s and 1964s, and the 1966s after they are bottled later this year or next spring.

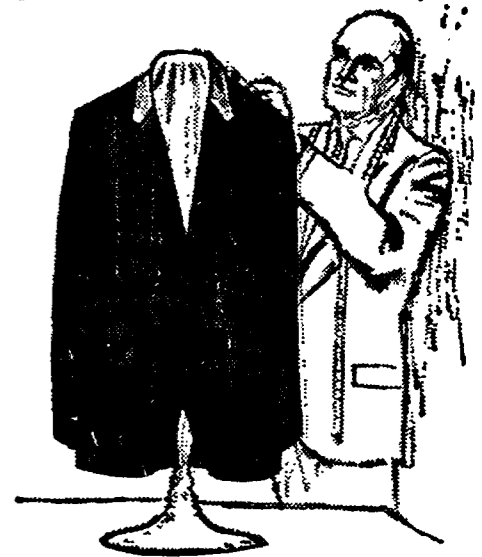

The last 10 years of German wines in order of quality would read as follows: — 1959, 1964, 1966, 1961, 1958, 1962, 1957, 1963, 1956.

German wines are some of the finest white wines in the world. The greater estate bottled wines are grown on steep hillsides where mineral deposits are buried in the stony soil and shale rock. The Riesling grape is the king of grapes in the German yards. The vines follow the rivers. The Rhine, Moselle, Scar, Ruwer and Main are the principal rivers. The two great areas are the Moselle and The Rhine. We specialize the finest German wines from the finest top yards. We carry in stock 96 of these fine white wines, they are excellent with ham, cheese, fish, all sea foods, and poultry. With your Easter ham be sure to try some of these fine white wines. For after dinner select a spotless or auless, they are on the medium sweet side, good for dessert.

Cadillac has an entry in every price range.

High-price.

Medium-price.

Low-price.

No matter what price car you are planning to buy, you owe it to yourself to consider Cadillac. First, there is the great new 1967 Cadillac. Noticeably more agile in its handling, smoother and quieter in its operation, more luxurious in its appointments . . . it is by far the finest Cadillac in history. However, if a new Cadillac is presently not feasible, your authorized dealer now has a wide selection of previously owned Cadillacs at just about any price you wish to pay. And that price will buy more

luxury, distinction and motoring pleasure than a similarly priced car of lesser stature. For example, both the 1965 and 1964 models show you a big 340-horsepower V-8 engine . . . Turbo Hydra-Matic transmission . . . power brakes and steering . . . cornering lights . . . and many other conveniences. So when you think of your next car—think of Cadillac. New or previously owned, in whatever price range you plan to choose, Cadillac is sure to reward you with unsurpassed motoring enjoyment.

Board of Education Holds Meeting with Full Agenda

The trustees of the Grosse Pointe Board of Education faced a full agenda at their March meeting, held Monday at 7:30 p.m. in the schools' administration building at 389 St. Clair avenue. Dr. Frank H. Parcells, president, conducted the meeting. J. Harold Husband, Acting Superintendent of Schools, gave his monthly report to the trustees.

Discussion topics ranged from an innovative instructional program in economics at Barnes School through a variety of routine financial transactions and personnel appointments to the approval of an agreement with an architectural firm to assist the staff in the development of a master plan embracing building needs and population trends. (See related story on Page 1)

Six teachers of grades 1 and 2 at Barnes School discussed their instructional program in economics based upon the materials developed at Purdue University by Dr. Lawrence Senesh. Taking part in the half-hour presentation were Mrs. Anne Bailey, Miss Eleanor Carmody, Miss Clara Hall, Mrs. Irene Lowther, Miss Patricia Danielson and Miss Ellen Lauppe.

In his report of enrollment trends, Superintendent Husband indicated that the public school population now stands at 12,299, an increase of 330 over the same month a year ago. Other statistics, presented by Robert Orr, Director of the Public Libraries, show an increase of 3859 items in the circulation of materials during the past quarter, for a total of 123,251.

The trustees approved the appointment of Robert A. Shover, Pierce mathematics teacher and department head, to the position of Assistant Principal of Pierce Junior High School, effective March 14. Mr. Shover will replace Ralph F. Horner, who has accepted the principalship of Cherry Hill High School. Also approved was the appointment of Dr. William L. Craig as Principal of Grosse Pointe High School North. (See related story on Page 1)

A report on the progress of Grosse Pointe High School North was given by Arthur Lewis, construction superintendent for the J. A. Ferguson Co., and Robert Domke, project coordinator for the architectural firm of Harley, Ellington, Cowin, and Stirton. The academic portion of the

Nedzi's Poll

"On the admission of Red China to the United Nations, 49 percent said No, 39.6 percent said Yes, and 11.5 percent were undecided. These proportions show little change in the responses to the same question in 1966.

"On taxes, 37.6 percent favored a corporate profits tax, 34.5 percent were for no change, 14.6 percent favored an income tax increase and only 13.3 percent a 6 percent surcharge. I believe it is significant that about two-thirds of the people see a need for an additional federal tax of some sort.

"There is a strong feeling for introducing more equity into our selective service system. 39.9 percent favor Universal military training, 24.6 percent favor a continuation of the present system, 23.1 percent call for abolition of student deferments, and only 11.2 percent favor a lottery.

Racial Questions
"There is a hardening of the lines on racial matters. My district is about 94 percent white. "This year 53.2 percent believe integration is proceeding 'too fast,' 38.3 percent think it is 'about right' and 8.5 percent say 'not fast enough.' In 1966, the figures on the same questions were 44.5 percent, 44.5 percent, and 11 percent respectively.

"Our nation is facing some hard-core problems which do not lend themselves to easy solutions. It is understandable that the blame falls on the 'ins' with the 'outs' reaping the benefits even when they offer no constructive alternatives.

"While the situation is gloomy, we should know where we stand, and act accordingly."

BATTERY STOLEN
William T. Benallack of 21421 Sloan, Harper Woods, notified Woods police on Sunday, February 20, that while his car was parked in the Woods Theater lot, someone stole the 12-volt battery from the vehicle. He did not say what the battery was worth.

school plant is on schedule, the gymnasium complex is slightly behind, and the auditorium-instructional center is considerably behind schedule. Reason for the delay was last year's carpenters' strike that prevented the building of wooden forms for concrete work.

The general consensus of representatives of both the construction and architectural firms is that the building will receive its first students in September, 1968, if further prolonged strikes in the building trades do not occur. They indicated that as soon as the weather improves, every effort will be made to speed up the building project.

During the final portion of Monday's meeting members of the audience questioned the trustees regarding the one-year agreement of the local public schools to participate in a six-county organization in southeastern Michigan called the Committee of One Hundred. According to school officials the purpose of the organization is to solve governmental, municipal, and educational problems through cooperative efforts. They said that they do not see the school district's membership as a threat to local control of public education.

The members of the Board of Education took under advisement a request to withdraw from the Committee of One Hundred.

Pointe Garden Club to Meet

The Pointe Garden Club will meet Monday, March 20, at the home of Miss Louise Owen, 334 Lothrop road. Luncheon will be served at 12:30.

St. Paul Writers Win 20 Awards

In the Scholastic Writing Awards this year, St. Paul High School found its number of winners doubled in comparison with last year's record.

The area of general excellence in the high school again came in the field of the historical article sponsored by the history department under the supervision of U.S. history teacher, Sister Marie Jude. Last year the school added up seven wins — one a key award. This year's record was 10, one of which was a key award also.

Winners in the area of the historical article were the following: Key award (regional winner), James Hayes; Honorable mention, Gail Fayad, Dave Fromm and Christopher Renouf; Commendation, Margaret Couzens, Mary Grattopp, Dorothy Davis, Michael Difatta, Lynn Duffield and Mary Ann Igna.

The English and journalism departments received awards also. These areas, sponsored by English department head, Sister Marie Dorothy, and English teachers, Sister Mary Gael and Sister Catherine Camille, and journalism department head, Sister Marie Jude, were the following:

General article, Commendation, Charles Meeker; Poetry, Honorable mention, Thomas Miller, Sally Van Assche and Ann Marie Rowley.

Junior Division: Poetry, Commendation, Sharon Gillette; Short Story, Commendation, Sharon Gillette, Denise Fiedler, George Limburg and Mary Cantwell; Feature Story, Commendation, Mary Zens.

Public Invited To Hear Waldron

Robert E. Waldron, Speaker of the Michigan House of Representatives, will speak on "Education and Fiscal Reform" at the Grosse Pointe Central Library at 8 p.m. on Friday, March 17. The meeting is to be held in the second floor Exhibition Room.

The appearance of House Speaker Waldron, Representative from the First District and a long-time Grosse Pointe resident, is sponsored by the Grosse Pointe PTA Council and the Grosse Pointe Education Association.

Organization presidents Charles A. Parcels, Jr., and Miss Virginia A. Downs urge as many interested residents as possible to attend the forthcoming meeting because of the importance of pending tax reform to all citizens in Michigan.

At Friday's meeting Speaker Waldron is expected to comment upon the recent recommendations of the State Board of Education. These include an increase in per-pupil allowances, additional support for special education, and the reduction of teacher-pupil ratios in elementary schools.

The proposed formula contemplates providing additional relief for school districts with unusually high total tax burdens for other than school operating purposes.

The State Board of Education's recommendation also notes the rising burden on districts of school construction costs and the need for additional funds in public school employees' retirement systems.

The total proposed budget submitted by Governor Romney to the lawmakers in Lansing amounts to 1 billion, 153 million. It demonstrates the critical need for additional revenue to operate state government effectively. The Governor has proposed a tax program calling for a 2 and one-half percent personal income tax, 8 percent financial institution tax, 5 percent corporate income tax and a 3-cent cigarette tax.

In keeping with the Governor's call for tax reform rather than the addition of taxes, he has also included a request for reduction or repealing of four other state taxes. These include repeal of the Business Activities Tax, a sales tax credit, a 10 percent Property Tax Relief and an increase in exemptions in the intangibles tax.

Patrolman

(Continued from Page 1) According to information released by Chief Louwers, Oram and the service manager at the sales agency's repair shop, had an argument on February 27, over the cost of repairs to the officer's car.

The next day, employees of the dealership discovered that two bullets had been fired through a front window, hitting two cars in the display room.

LaPratt, in speaking to the sales manager, inquired about any possible persons who might have been dissatisfied with any services, in involved in any arguments, and Oram's name was mentioned. The detective tied in the caliber of the gun used with a policeman, and since Oram might have been the person who fired the shots, LaPratt, went to the Seventh Precinct to inform Oram's commanding officer of his findings.

Oram was called in, and ballistic experts compared bullets fired from his service revolver, with those taken from the cars at the dealership. The bullets matched, and the patrolman was promptly suspended.

Chief Louwers said that Oram is charged with malicious destruction of property, a high misdemeanor in this case since damage exceeds \$100.

Park Amends Traffic Code

(Continued from Page 1) violation thereof results in a mandatory suspension of driver's license and six points under the Michigan point system. "Because of the severity of this penalty, many border line cases appeal conviction to Circuit Court and seek to plead guilty to a charge of reckless driving, which may result in a heavy fine, but not loss of license. The court often accepts such pleas.

"The addition of the new offense described by Ordinance 30, should provide for a more flexible enforcement procedure and cut down the number of appeals by permitting the Park Municipal Court to find a violation of Ordinance 30 without mandatory suspension of license in those cases where the court feels this penalty is too severe," the city attorney added.

Aimed at Drag Racers The amendment to Ordinance 29 reads as follows:

It shall be unlawful for any person to operate any vehicle upon any highway, or any other place open to the general public, including any area designated for the parking of motor vehicles within this city, in a speed or acceleration contest, or for the purpose of making a speed record, whether from a standing start or otherwise over a measured or unmeasured distance, or in a drag race here-in defined.

"Drag racing" means the operation of two or more vehicles from a point side by side at accelerating speeds in a competitive attempt to out-distance each other over a common selected course, or where timing devices are used in competitive accelerations of speeds by participating vehicles.

Could Involve Others "Persons rendering assistance in any manner to such competitive operations of two or more vehicles, shall be equally charged as participants. The operation of two or more vehicles, either at speeds in excess of prima facie lawfully established speeds, or rapidly accelerating from a common starting point to a speed in excess of such prima facie lawful speed is prima facie evidence of drag racing, and is unlawful."

Ordinance 30 reads: "It is unlawful for any person to operate a vehicle upon any highway, or any other place

TO OUR EMPLOYEES:

Today an article appeared in the Detroit Free Press stating that our employees had rejected the Company's final offer because it "was contingent on the Company's getting an increase in bus fares."

Frankly, I believe this offer is more than fair, and that your decision to reject it must necessarily be the result of our failure to properly communicate the significance of the offer and what it will, in fact, mean to you and your family.

As you know, the offer represents an hourly increase of forty-two cents (42c) plus cost of living over two (2) years. The offer represents a great deal of additional money to you and your family and, presumably, you have recognized this, because you have accepted the economic provisions of our offer and objected only to the contingency based upon an increase in bus fares.

Please realize that the need for a fare increase is not based solely upon an increase in wages. During the next two years we will have increased costs for salaries, insurance, Diesel fuel, taxes, buses and many other things. As you well know, in your own personal lives, the cost of all items from toothpaste to buses is rapidly going up. If we are to pay these increased costs, plus pay you a fair wage, in accordance with our offer, we must have an increase in bus fares. Otherwise, we will jeopardize the business and I do not believe that any of you want me to do that.

Furthermore, the contract is not really contingent upon a fare increase; only the duration of the contract is contingent. All we ask is a little time, mainly from March 15 to April 15, and further, we agree in the meantime to pay you according to your demand retroactive to February 2. In other words, if you accept our request for a little time, it will not, I repeat, it will not, cost you one penny. You cannot lose by waiting. On the other hand, if you refuse our request and go on strike next Thursday, as indicated in the Free Press article, there is a great deal to lose, not only for you and for your family and the Company, but also the public; and in the end, nothing to be gained. Moreover, many of those patrons who are forced to find alternative means of transportation during such a strike may never be regained for the Company.

Sincerely,
WALTER SCHWEIKART,
President

This offer was rejected by the employees on Monday evening, March 13, 1967, and a strike was ordered to become effective Thursday morning, March 16, at 2 o'clock.

Dogs Let Loose Car Thieves

...that probably started out as a break-in and entering attempt at the home of the William Farquhar, of 618 Rivard boulevard, on Saturday, March 11, resulting in the theft of Mr. Farquhar's 1965 Chevrolet station wagon that was parked, with keys in the ignition, in front of his home, and the disappearance of his two Basset Hounds. One of his Basset Hounds was lost immediately by Farquhar himself as he drove to his home. He stopped the police officer and explained what had occurred. Farquhar said that he left his home around 5:30 p.m. and upon his return at 7:30 p.m. discovered his car and two Basset Hounds gone. He stated that although the doors of the house were closed, they were not locked. What apparently happened was that the burglars approached the house and were frightened by the dogs. In their hurry to escape they left the gate unsecured and the dogs, who enter the house by a special hinged door, apparently left the gate open when they found the gate closed.

Police thoroughly checked the house and found everything to be in order. The stolen car was located by police officer Donald Ludwig on Kensington road at 1:30 p.m. the next day.

The missing, however, is a white female Basset Hound answering to the name Allie. The Farquhars ask anyone sighting Allie to telephone them immediately — do not try to catch her, as she is a stranger. A reward is being offered.

Forum Offering Movies on Art

The fifth program of the 1966-67 Friends Film Forum, cosponsored by the Friends of the Grosse Pointe Public Library and the Grosse Pointe Public Library, will be shown on Friday, March 17, at 9:15 p.m. in the Main Room of the Central Library, 10000 Central Expressway, Grosse Pointe Park. This film series is intended to provide an opportunity to view films of special interest.

The Story of Chinese Art — is a kaleidoscope survey of Chinese art from the unknown past to modern times. The scope of Central Asia, India, Europe on Chinese culture, as well as the influence of Chinese art on her Asiatic neighbors, New East and the West are shown. The use of superb art objects, together with animated slides and graphs, makes this a basic introduction to the history of Chinese art, history, philosophy, religion, etc. and to understanding of China's contribution to world civilization. 20 minutes, color.

Picasso — Directed by Luciano Bregno, original music by Roberto Vignoli. An autobiographical documentary of Pablo Picasso, the man, artist and pioneer — picturing his work, his unique and his manner of painting. Beginning with the fascinating family sketches done in Spain, the film uses Picasso's works to trace his career from 1896 to the present. 20 minutes, color.

The Educational Film Library Association says: "A masterpiece of film reportage. Amazingly informative and sensitive. Flamenco musical background added to impact. Vitality and power of Picasso's inventive genius dramatically filmed." "Clear, intelligent, bright." Herald Tribune. 50 minutes, color.

The general public is cordially invited to attend this showing.

Wayne Alumni Honoring Brake

Charles E. Brake will be the recipient of the distinguished Wayne Alumni Award from the College of Education Alumni Association. The award will be presented to the Wayne County Superintendent of Schools at the annual Faculty Conference on March 18 in Wayne's Community Auditorium.

Brake is presently a consultant to local school districts. He is a member of Memorial Presbyterian Church. He has served as president of the following organizations: Wayne University Alumni Association, Plymouth Rotary Club, Michigan Education Association, Michigan Rural Teachers Association, and Grosse Pointe Human Relations Council.

Brake has also been an advisor to Governor Romney and helped develop the formula for state education.

Mr. and Mrs. Brake, who live at 779 Balfour road, have three children, Elizabeth, Jon and Margaret.

CAR OWNER ROBBED
Grosse Pointe police recorded a complaint from Shirley Jane Hazel on February 16, in which she stated that someone entered her car and stole the right rear door from her car, leaving the door and wheel lugs at the scene.

We'll help put your wife in a home

If your wife has been talking about a new home lately, maybe you'll want to know something about a mortgage. There's a lot more to it than the amount of money you borrow. Where the money comes from is just as important. And so are the things written into your mortgage.

At NBD, for example, we have the people and facilities to give you personal attention when you apply. And because we're a full-service

bank, we can keep on helping you with our range of financial services long after you move in.

Our 90 offices make NBD the most convenient place in town to apply for a mortgage. There's no application fee. Closings take only thirty to forty-five minutes and are often made at the same office. This saves you a special trip downtown. And closing costs are usually less than a hundred dollars, excluding insurance.

When we write your mortgage, we spell out exactly what rate you'll be paying, what you're paying for, and what you don't have to pay for. And we'll write in pre-payment privileges that can save you hundreds of dollars if you sell your home.

Maybe you're thinking about a mortgage loan right now. If you are, be sure to think about this: we can help you.

St. Paul News Magazine Wins

St. Paul High School has received word through the wire service of the Detroit Free Press that the school's first news magazine, LeCrivain, published last year under the direction of the advanced composition class, has won a first place citation in the annual judging by Columbia University Scholastic Press Association.

In the Detroit area, two schools won medalist ratings, 12 received first place ratings, 9 placed second, and one placed third.

Medalist citations are reserved for those publications in the first place bracket that demonstrate the quality judges classify as exceptional in personality and creativity.

St. Paul's yearbook, the Paulite, won the Medalist award in the 1966 judging.

The school hopes the next issue of LeCrivain, published bi-annually, will be able to measure up to Medalist standards. The news magazine moderator is Sister Marie Jude.

Freezing Victim Fully Mended

Arthur L. Demings, 51, of 2942 Monterey, Detroit, who was found frozen on a breakwall on Lake Shore drive, early last month, is home, fully recovered. He was recently discharged from Bon Secours Hospital where he was given excellent treatment.

Demings, a Negro, was found in the snow, unconscious, by Dr. Philip J. Feringa of 867 Westchester, who was driving east on the road early on the morning of February 6, and noticed the prone figure and stopped to investigate.

The man's arms and legs were frozen, and ice was caked on his face and open eyes. The doctor promptly called Farms police, and a Fire Department ambulance conveyed Demings to the hospital.

At first, doctors feared that because of the severe frostbites, Deming might lose one or two of his limbs, or perhaps several fingers, but he recovered so well that amputation was not necessary.

Demings told Det. Sgt. George Van Tiem and Det. Joseph Miller, that all he could remember was that he was given a ride by two men, who dropped him off in the vicinity of Jefferson and Fisher. As he walked toward the breakwall, he apparently was overcome by the bitter cold and collapsed, unable to move, and he lost consciousness.

League to See Western Films

Grosse Pointe Cinema League members will see films of "Idaho Elk Country" and "Colorado, when they meet at the Grosse Pointe War Memorial Thursday evening, March 23, at 8 o'clock.

Larry E. Sommerfeld, travel cameraman and lecturer, will show the films. Mr. Sommerfeld has been associated with Automobile Club of Michigan for more than 20 years and has covered most of North America in search of subjects for his films.

The Idaho film will take the viewers on a pack trip into the state's virgin white pine forests, following the St. Joe river from its mountaintop source.

"Colorado" includes national forests, the Garden of the Gods, a visit to the Air Force Academy, Mesa Verde and Rocky Mountain national parks, as well as other scenic treats.

Center Offers Hawaii Holiday

The new Grosse Pointe student adventure series master-minded by George Pierrot, and co-sponsored by Grosse Pointe War Memorial Association, the Community Services of Grosse Pointe, Board of Education and the Grosse Pointe Motion Picture and TV Council, presents Saturday afternoon, March 18, at 1:30 "Holiday In Hawaii," a beautiful color film with commentary by Willis Butler.

The show is preceded by lunch at 12:30 for 50c for those who wish it. The menu will be hot dogs, chips, milk and ice cream.

Two more shows are scheduled for the series this spring. They are "Station Wagon to Timbuktu" with Ken Richter narrating in person, which will be presented Saturday afternoon, April 22, and Meri Duesing's recently completed film on "Africa's Big Game" which will be personally presented by him on Saturday afternoon, May 20.

Students may take in all three shows on a \$1.50 season ticket or come to a single performance for 75c. Season tickets for adults are \$2.50 and single admissions \$1.00. Tickets are now on sale at the Center's office.

Sandlin Assigned To Lake Survey

Maj. Malcolm R. Sandlin, a veteran of the conflict in Vietnam, has been appointed Deputy District Engineer of the U.S. Lake Survey in Detroit, Michigan.

Major Sandlin, whose home of record is 1434 Vine Street, Norman, Oklahoma, received his formal education in that city. He earned his BA Degree at the University of Oklahoma in 1954 and served for a time on the faculty of the University. He joined the U.S. Army in 1955.

From December 1964 through December 1965, Major Sandlin was stationed in Vietnam, where he was awarded the Bronze Star, the Air Medal, the Vietnam Service Medal and the Vietnamese Medal of Honor. Upon his return from foreign service, he attended Arizona State University from which he has recently graduated with a Master of Science Degree in Facilities Engineering. He comes to his assignment with the Lake Survey direct from the University.

Major Sandlin belongs both to the Society of Military Engineers and the Society of Industrial Engineers, and during his college days was a member of Delta Kappa Epsilon. He is married to the former Jan McCullough of Tulsa, Okla., and they have four children—two boys and two girls—ranging in age from six through twelve years. Their Michigan address is 1344 Somerset road, Grosse Pointe Park.

Farms Submits Building Report

Two permits for residential buildings, the first issued this year, were approved by the Farms Building Department during February, according to a monthly report submitted by Public Service Director John DeFoe.

The permits were for a \$66,000 home at 18 Waverly, and a \$33,000 residence at 193 Lakeview.

Also, last month, the department granted four permits for miscellaneous construction valued at a total of \$87,000, making the total approved since the beginning of the year, 10, worth an overall total of \$157,000.

For the first two months in 1966, three residential permits, valued at a total of \$105,500, were okayed, one for a commercial building valued at \$325,000; and 12 miscellaneous, worth \$48,000.

During the second month of 1966, two home permits, worth \$68,500, were approved, the one for the commercial edifice; and eight miscellaneous, valued at a total of \$30,000.

Also, in February 1966, the Building Department approved a permit for a non-assessable building, valued at \$200,000. No such permit has been applied for, so far this year.

GPHS to Present Brahms Requiem

The Grosse Pointe High School Choir and Orchestra will perform the Brahms "German Requiem" on Wednesday, March 22, at 8:15 p.m. in the school Gymnasium-Auditorium.

The Requiem, being sung in German, is rather unusual for high school groups to perform. Understanding, maturity, and a high degree of skills are necessary requirements for this performance.

The Choir, under the direction of Herman Clein, has been studying the Requiem since mid-January.

Solo auditions were held recently and three students were selected to perform. They are Karen Heller, '67, Soprano; John O'Brien, '68, Baritone; and Nick Popovici, '67, Baritone.

The orchestra, under the direction of Russell Reed, will accompany the choir in the Requiem. Amidst preparation for the annual District and State Orchestra Festivals, the orchestra has worked diligently to perform the Requiem.

"This will be an unique experience, not only for the students performing, but also for the audience to share in the inspiration of such a great work," says Mr. Clein.

Tickets for the single performance may be purchased from any choir or orchestra member and also at the school prior to the performance.

PTA at Ferry Elects Officers

Parents and teachers of the Ferry School PTA elected new officers Monday, March 13, when the group met at the school gymnasium at 8 o'clock for a most interesting and informative program.

The newly elected officers will serve for the 1967-68 school year and are as follows: president, Charles Eckert; father vice-president, John Momeyer; mother vice-president, Mrs. Kenneth Retford; teacher vice-president, Mrs. David Hea; secretary, Mrs. Richard Lang; and treasurer, Bruce Bockstanz.

Also elected were four new board members. They are William Auck, Mrs. George Crane, Mrs. William Hughes, and James Wright.

The high point of the evening's program was a most enlightening talk presented by Paul H. Stoddard, who is the Special Agent in Charge of the FBI in Detroit. Respect for authority and parental responsibility were among the more important things that he stressed in his remarks. The group had a chance to ask questions at the end of the talk.

Classrooms were then opened for visits. A refreshment period followed in the school gymnasium, where the tables were set with green and white St. Patrick's Day decorations. Mr. and Mrs. Robert Brown were chairmen of the refreshment committee for the evening and were assisted by Mr. and Mrs. Donald Clogg and Mr. and Mrs. Roland Volker.

Michael F. Giffer Awarded Citation

Marine Pfc. Michael F. Giffer, son of Mr. and Mrs. John T. Giffer of 799 Loraine road, was awarded a Meritorious Mast by his commanding officer on January 5, for performance beyond the call of duty.

The citation presented to Pfc. Giffer, reads verbatim:

On October 20, 1966, Pfc. Giffer was assigned duties as Battalion Mail Orderly and detailed to establish a Battalion Mail Room at Dong Ha, Vietnam. All mail addressed to members of the First Battalion, 3rd Marines is received from the Post Office at Dong Ha by Battalion Mail Orderlies and sorted by companies for further delivery to Khe Sanh.

Pfc. Giffer, and one other orderly sorted all the mail, delivered it to the airstrip and coordinated further shipment to Khe Sanh without the direct supervision of officers or non-commissioned officers. Due to the holiday period and inclement weather which at times prevented some scheduled flights, it was not unusual to receive as many as 100 bags of mail in one day.

The marine private is a June 1965 graduate of Grosse Pointe High School, and has been serving with the Third Marines in Vietnam since August 1966.

Thieving Pair Get Stiff Sentence in Circuit Court

Gerald P. Devine, 26, of 763 Newport, Detroit, and Billy Joe Brown, 27, no address given, were found guilty of breaking and entering a building in the night-time, and were sentenced by Circuit Judge Joseph A. Sullivan, it was disclosed by Park Chief Arthur Louwers on Monday, March 13.

The pair had been charged with burglarizing the Grady Roofing Company building, 15135 Charlevoix, last September 3, but were frightened away by approaching Park detectives, who found the loot before Devine and Brown could escape with it.

A palm print at the point of forced entry matched that of Devine's. He was employed by the firm at the time. Brown was his companion in crime.

Chief Louwers said that he received word from the Wayne County Circuit Court that Devine and Brown, after they were found guilty, were placed on probation for three years, with the first six months to be served in the Detroit House of Correction. They were also ordered to pay court costs of \$450 each, and to make restitution of \$20 each for damages to the company building and money taken.

On the September date, the convicted men were seen by Det. Lt. Arnold Hough and Det. James LaPratt coming out of the building, carrying a case of beer. The officers were on a stake-out in connection with another crime.

Figuring Devine and Brown were up to no good, the policemen decided to investigate. Their approach frightened the two men away.

Hough and LaPratt discovered a broken window, through which the convicted men had entered, and in searching the area, found a car a few feet away, alongside of which was

NBD introduces Checkmate: For people who want money when they want it.

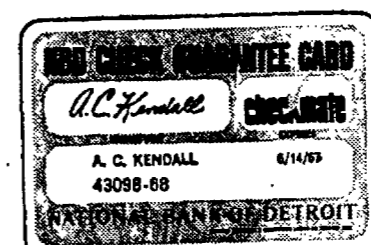

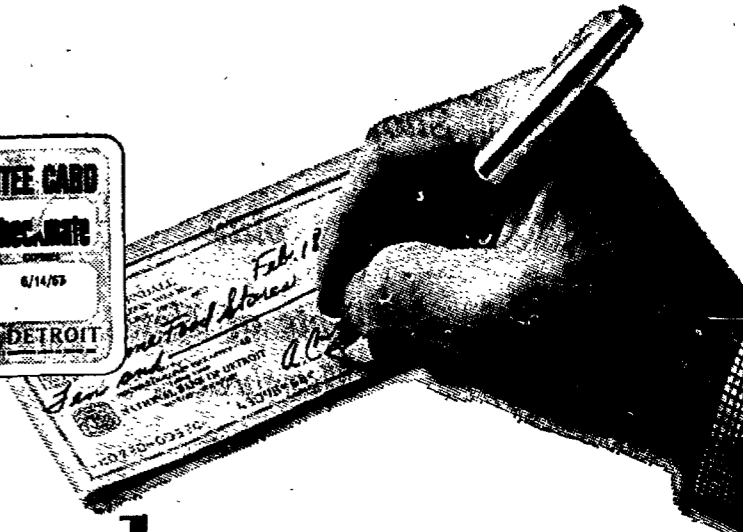

Checkmate lets you write a check bigger than your balance. It also provides you with an NBD Check Guarantee Card.

It's a new banking service that adds a line of credit to your checking account. If you qualify, we establish a cash reserve in your name. Then, whenever you write a check bigger than your balance, we automatically transfer money (in multiples of \$100) into your checking account.

It's an automatic loan whenever you need it. Just write a check for the amount you need. You could be writing a check or a loan, only your banker knows for sure. You pay nothing until you start using your reserve funds.

It gives you a check guarantee card that helps you cash a check anywhere, anytime. Use your NBD Check Guarantee Card whenever you want to cash a personal check. We'll see that your checks are honored for amounts up to \$100.

Visit any one of the 90 NBD offices to find out if you qualify. Be one of those people who have money when they want it.

Grosse Pointe assignment a rich background in secondary education. Currently he is on a two-year assignment in Africa. His official title in Port Harcourt, Nigeria, is Principal and Chief of Party at the Government Comprehensive Secondary School.

While he was working with the staff of the School of Education at UCLA he was asked to take this post in the federal international project under the coordination of the University of California, Los Angeles. During the last 18 months he has been collaborating with the Nigerian Ministry of Education and the local staff in developing the first comprehensive secondary school program in Nigeria.

Prior to accepting his overseas assignment, Dr. Craig held a series of school posts on the West Coast. These included the principalship of Agoura High School in Agoura, Calif., and two vice-principalships in the public high schools of Portland, Oregon.

Teacher and Veteran

Before he began his administrative career in 1954 he was a high school teacher and director of school activities. A veteran of military service in World War II, Dr. Craig has a record of participation in a wide range of community-related service and clubs.

Dr. Craig, a 1948 cum laude graduate of Ohio State University, completed his master's degree there in 1949 and his doctorate at the University of Portland in 1963. He has authored articles for education journals and has also coordinated the development of curriculum materials for two high schools.

The Craigs are the parents of three children, aged 21, 11, and 8. Dr. and Mrs. Craig and the family will arrive in Grosse Pointe in June.

Farms Police Arrest Fast Driver Using Phony Plates

Frank C. Barrow III, 19, of 279 McMillan, was arrested by Farms police on Saturday, March 11, and charged with speeding and driving a motor vehicle with forged license plates.

According to Patrolman Otto Glanert, the arresting officer, Barrow was traveling east on Kercheval at faster than the speed limit. The youth turned south onto Touraine, then west onto Grosse Pointe boulevard, Glanert in pursuit. The chase ended at Lewiston.

The policeman said that he observed that Barrow's automobile had 1965 plates, FB 2607, with the five covered over with blue paint and a yellow seven painted over the five. In the glove compartment of the youth's car were found false identification cards, including a draft card and a University of Illinois student card, and a fraternity card with the birth date July 29, 1944.

The officer found that Barrow was on probation to St. Clair County authorities, and his probation officer, James Putnam, was contacted in Port Huron. Putnam stated that he is holding a bench warrant against the youth, and that the youth is to be sentenced soon on a charge of carrying a concealed weapon.

The false identification cards and forged plates were released to the St. Clair County Sheriff's Office, to be given to Putnam, Glanert's report disclosed.

Barrow was given a violation ticket for speeding.

City of GP Sign Taken from Pole

The City of Grosse Pointe is missing . . . or at least the sign indicating the City of Grosse Pointe, located at the northwest corner of Waterloo and Fisher, has vanished.

While making his rounds, on Saturday, March 12, officer Donald Steckman discovered that the sign was missing from the light pole. Marks around the base of the pole indicated that a ladder was used for the theft. Police are investigating.

PTA at Parcels Meets Mar. 21

"Exploring the Middle School Concept" is the theme of the Parcels Junior High Parent Teacher Association meeting to be held on Tuesday, March 21, at 8 o'clock in the school auditorium.

Millard Grell, Director of Curriculum Planning, will chair a panel discussion of Middle School Committee members including: Neil Curtis, Brownell; Marvin Rants, Monteith; John Rohrer, Principal of Maire; Alan Schaefer, High School; Willis Brown, Parcels; and William Mogk, Principal of Pierce.

Special invitations have been sent to the parents of the fourth, fifth, and sixth grade students of Ferry, Mason, and Poupard elementary schools.

Prior to the presentation, the Ninth Grade Chorus under the direction of Leonard Ricento will perform a number of choral selections including: "O Death, None Could Conquer Thee" with Roman Lawrence as feature cellist, "Jesus Walked This Lonesome Valley" with alto soloist, Cynthia Nyquist, and "Tom Dooley" featuring Anne Martin on the guitar. A Social Hour will conclude the meeting.

St. Paul Group Receives Awards

Though St. Paul's junior dramatists didn't exactly come home from Sunday's Genesian interpretative reading contest at Marygrove covered with laurels, they did have a considerable number of silver medals to tote.

The greatest triumph for St. Paul's came in the multiple reading contest in which the senior group, coached by Sister Marie Dorothy, presented a cutting from Arthur Miller's "The Crucible." The group received a first in both the first and second rounds, thus eliminating all opponents except for U of D High.

In the final reading all the Genesian contestants watched as these two schools presented their readings. St. Paul's came out a strong second and all members of the cast received silver medals for their character portrayals.

In the individual readings, two seniors, Sally Van Assche in lyric poetry and Terri Wisman in religious poetry, received first in the opening round and thus avoided elimination. Both of these students received medals for placing in the first round.

English instructors who assisted the students are department head Sister Marie Dorothy and Sister Mary Cael and Sister Catherine Camille.

Cub Pack 74 Holds Dinner

Pack 74 Cub Scouts held its annual Blue and Gold Dinner at the Grosse Pointe War Memorial on February 22. Nearly 150 attended the dinner, which was followed by awards presentations and a magic show.

Hank Peabody, pack committee chairman, has announced that Pack 74, already eight dens strong, will add a ninth den this spring to accommodate the ever-growing roster.

The cubs will visit Ft. Wayne Military Museum Saturday, March 18, and already are looking forward to their annual trek to Tiger Stadium to see a ball game in April.

Revival of Spelling Bee Fills Mom with Nostalgia

By Pepper Whitelaw

Twenty-nine serious faced children sat on the stage. The air was charged with electricity as the gym slowly filled with friends and classmates of the contestants. The First Monteith Spelling Contest was about to begin.

Then, breaking through the tension, came the calm, reassuring voice of principal and pronouncer, John Hammel. He congratulated the contestants for qualifying and welcomed the audience. He then explained the rules of the game to the children. At his side was the judge, David Ehler, and at Mr. Ehler's side was the verifier, Webster's Dictionary.

As the contestants were called, they shakily approached the microphone and identified themselves. In order to make them feel more relaxed, Mr. Hammel had arranged for the first round to be a practice round. After the practice round, the contest was under way.

One of the most interesting aspects of the spelldown was seeing 29 different types of children all with one thing in common... the ability to spell. Gradually the number of contestants began to dwindle. It was almost like a countdown, 10, 9, 8, 7, 6, 5, 4, 3... they had their third place winner! It was Jeffrey Lenz from Miss Dougherty's sixth grade class. Now we were at the wire...

Two lone contestants battling it out for first place. At last it was over! The first place winner was Kathleen Kennedy. Second place winner was Kris Abrahamson, both of Mrs. Gornings' sixth grade class.

The three winners were then awarded their prizes... three books on patriotism. They floated triumphantly off the stage. It seems to this reporter that

good students, in this case good spellers, should be given more opportunities such as this to show their abilities. Making a game out of spelling is a tried and true method of developing children's interest in spelling. Hats off to all the participants and to Mr. Hammel for initiating this contest at Monteith.

In my day a competitive spelling bee (at the risk of dating myself that is what we called them), was a usual practice. It didn't take too much conjuring on my part to remember standing on a stage, shaking from head to toe, awaiting my word. To this day I remember the word that disqualified me from the Busy Bee Spelling Contest sponsored by a local newspaper... the word was pneumonia.

GPHS Musicians Earn High Praise

Russell D. Reed, instrumental music instructor at Grosse Pointe High School, today released the results of the District Orchestra Festival held on Saturday, March 11, at Cherry Hill School in Inkster.

Grosse Pointe High School's Symphony Orchestra received First Division ratings from all four judges. On such aspects of performance as tone, intonation, rhythm, technique, and overall performance, the adjudicators awarded the Grosse Pointe group 29 grades of "A" and one of "B plus."

One judge wrote, "You have a well-trained orchestra. I enjoyed hearing you very much. Keep up the good work!" Another commented, "This orchestra is so fine that it does not need criticism. The suggestions are therefore geared to continuing to advance already fine techniques."

The next scheduled appearance of the Grosse Pointe High School Symphony Orchestra is at 8:15 P.M. on Wednesday, March 22. The orchestra will combine with the Choir in a performance of Brahms' "German Requiem" in the school's Auditorium-Gymnasium.

Key Club Holds Big Convention

Key Club International, a boys' honor service organization, has concluded its three-day Michigan Convention. Lawson Duenweg of Devonshire road, Governor of the 80 Michigan clubs, comprising over 2,000 boys, presided.

Some 500 delegates were elected to attend from various parts of the state and from Canada. Those from Grosse Pointe included Tom Verbeke, Dan Lee, Herb Manhausen, David Stone, Lawson Duenweg, Irving Ingraham and Mr. Richard Beach, their advisor.

At the Governor's banquet on Sunday, Robert F. Weber, international vice-president of Kiwanis and former president of the Grosse Pointe Board of Education was the honored speaker and presented the awards to outstanding officers.

Forum Offered By Unitarians

Dr. Eli Rubin and Dr. Laurence Lang III will be speaking at the Grosse Pointe Unitarian Church Sunday evening Forum on March 19, on "Topics that Concern Parents" in building the lives of their children.

They will discuss helping children to acquire a sense of their own identity in terms of sex-based roles, and parental responsibility in helping the child learn self control, motivation for achievement, and concern for others.

Dr. Rubin is head of the Division of Psychology at the Lafayette Clinic and on the Board of Directors of the Northeastern Wayne County Child Guidance Clinic. Dr. Lang is a member of the Faculty of Family and Society Program at Merrill-Palmer Institute.

The forum will begin at 8 p.m. and will be followed by coffee. All in the community who are interested are urged to come. Ample parking is available in back of the church which is located at 17150 Maunee avenue.

GPUS Bows Out Of Tournament

By David Jones After capturing their second consecutive Class D district title in the Michigan High School Basketball Tournament, the Grosse Pointe University School Knights went on to the Regionals played at Bownes Fieldhouse in Ypsilanti, last week.

In their first encounter, the team out fought a rugged, spirited Detroit St. Theresa quintet, 75-63. The game was close throughout the first three quarters with the score at half-time, 33-31, GPUS holding the lead.

The finals of the Regional tournament were played on Saturday March 11 at Bownes. The Knights foes were a formidable Adrian Catholic Central five which sported an 18-game winning streak.

The Warriors' next game will be on Sunday, March 19 at Port Huron against Mt. Clemens at 10:30.

Farms League's Registration Set

Grosse Pointe Farms Little League Baseball will have another registration period. The registration will be held at Brownell Junior High School on Saturday, March 18, from 10 a.m. to 12 noon.

Registration cards may be obtained from Doug Donald, 33 Beaupre avenue, 882-5185, or Frank Kelley, 269 McMillian road, 882-0777.

Registration Set For Babe Ruthers

Attention all boys 13-15 who are interested in playing organized baseball. The Grosse Pointe Woods-Shores Babe Ruth League will hold its registration for the 1967 season on Saturday, March 18, from 9 a.m. till 12 noon and on Monday, March 20, from 7-9 p.m. at Parcels School in Room 125.

If you are a resident of Grosse Pointe Woods or Grosse Pointe Shores and 13-15 years of age, bring your birth or baptismal certificate and \$7.50 registration fee.

There is also a need for managers and coaches to teach the boys the principles of sportsmanship and fair play, as well as increasing their knowledge of baseball.

Warrior Goalie Earns Shut-Out

The Grosse Pointe Warriors Hockey Team's Goalie, Jeff Fuller earned his first shut-out of the season when they defeated Madison Heights by the score of 2 to 0.

Madison Heights kept the pressure on but the Warriors' defense and the magnificent goal tending of Jeff proved to be too much for them.

St. Paul Lakers Drop Regional

By Doug Mac Eachern The Lakers of St. Paul were defeated in a desperate bid for regional championships March 9 by All Saints 61-48.

Behind the fine shooting of All Saints' Stan Grayson, they were able to grab a safe margin at halftime 25-17.

The Lakers wound up the season with a 17-4 win-loss record.

Honor Society Induction Set

St. Paul's National Honor Society chapter will hold its annual induction ceremony on Monday, March 20, at 10:30 a.m. in the school's auditorium.

Ten percent of the members of the junior class are also eligible for membership at this time.

All newly-elected members will receive the official membership pin of the National Honor Society plus the membership card and a certificate of membership.

Seven other students in the junior class were named as candidates, and from these students the remaining five percent of the N.H.S. will be chosen.

YOUR EASTER HAM

It's SO GOOD it will HAUNT you til it's gone because we planned it that way

by using only fresh hams from Iowa's corn-fed porkers; slow dry curing method, real Wisconsin hickory and Michigan apple wood smoking; 30-hr. oven baking; honey 'n' spice glazing and yes even "spiral sliced if you wish. (35c extra). We wouldn't know how to improve this product we have been making for the past 40 years. Chief Teetaert Submits Police Report to City

The annual police report received from City Police Chief Andrew C. Teetaert showed a decrease in the number of accidents in 1966 as compared to the preceding year. In 1965 there were 262 accidents; in the past year there were 237.

However, the number of persons injured exceeded the '65 figure by 39 persons. The report also showed a decrease in motor bike accidents. There was only one such accident in '66 as compared to four in the preceding year. Once again the City can boast of no fatalities as a result of accidents. There have been no fatalities in the City since 1963—at that time there were two.

Statistics on crime in the community include 114 cases of vandalism, six of which were cleared by arrest; five cases of assault, two of which were cleared by arrest; 26 cases of burglary, 12 cleared by arrest; 26 cases of larceny involving thefts over \$50, of which five were cleared by arrest.

In cases of larceny under \$50, the report shows 30 of the 134 cases were cleared by arrest.

There were seven automobile thefts, two cleared by arrest; two sex offenses, both cleared by arrests; 11 cases of drunkenness, all cleared by arrests; one case of fraud and it was cleared

by arrest, and two cases of forgery, both cleared by arrests.

Before the City discontinued issuing drivers' licenses on March 1, 1966, it had issued 332 renewal of operators licenses, 36 original operators licenses, 13 chauffeur licenses, 17 duplicate licenses, five corrected licenses.

The City issued 421 bicycle licenses in 1966.

Another important function of the City Police is conveying residents to the hospitals. In '66 they made 157 hospital runs, many of which may have saved the lives of the persons involved.

Pointe Players To Do Comedy

Pointe Players, the Grosse Pointe High School dramatic group, will present its spring production "Curious Savage" in the High School auditorium on the evenings of Thursday, Friday, and Saturday, March 16, 17 and 18 at 8:15 o'clock.

The proceeds from all tickets sold for the opening night performance will be turned over to the Scholarship Chairman of the Grosse Pointe High School Mothers' Club to provide college scholarship monies for worthy high school students.

Following the benefit performance the entire cast will enjoy a pizza and coke party provided by the Mothers' Club under the direction of the Hospitality Chairman, Mrs. Gordon Sorenson.

Tickets are 25 cents for members of the Student Association, or 75 cents if purchased at the door or through the Mothers' Club. Holders of \$5 Mothers' Club membership cards will be admitted free. Persons purchasing tickets for the benefit night performance and unable to attend on Thursday night may exchange their tickets for any other night by presenting them at the school any day this week.

"Curious Savage," under the direction of Mr. Frederick Nelson and Mrs. Patricia Lipski of the High School English department, is billed as a light comedy.

NEED CHAPERONES
The Neighborhood Club is requesting the assistance of parents to chaperone the Friday night Senior High Teen Dances, which are held at St. Paul's Lutheran Church at Chalfonte and Lothrop. Any parents who could chaperone now and then on Friday nights please call TU 5-4600.

To Confirm 29 At St. James

Largest confirmation class in the history of St. James Lutheran Church of Grosse Pointe, McMillan and Kercheval, will take its vows on Palm Sunday, March 19, at the 11 a.m. service.

Mr. and Mrs. Lawrence Schmidt, sponsors of the class, will be present with the 29 confirmants.

The 1967 confirmation class of St. James includes: Deborah Lee Anne Adams, Judene Mary Anderson, Thomas Leonard Anton, Janet Carol Asmus, Michael Edward Baker, Grady Allen Bowden, Janice Lynn Dooley, Douglas Paul Dossin, David Rudolph Evans, Sherri Louise Green, Jay Scott Jeffrey.

Also: Anne Marie Kachman, Beth Ann Kackley, Bruce Alan Kavanagh, Susan Elizabeth Kurth, Kathryn Elaine Mast, Frank Leslie Mumford III, Sharon Ann Neuder, Nancy Ann Nixon, Gary Charles Ohlson, Heather Young Ramsay, Robert Ogden Reisig, Jr., Thomas Leonard Roellig, Douglas Arthur Ruthven, Susan Jane Schmidt, Tawn Cabot Ulbrich, Richard Jon Van Riper, Lisa Jan Von Gruenigen and William Wesley Watts.

Henry Beyster, Jr. With Coast Guard

Seaman Apprentice Henry E. Beyster Jr., USCG, son of Mr. and Mrs. James D. Beyster of 523 Barrington road, is studying the personnel, administrative and clerical duties of the Coast Guard, as a student in the 16-week Yeoman School at the Coast Guard Training Station, Groton, Conn.

As a prospective yeoman, his studies include the typing and preparation of letters, forms and reports, and maintenance of office records. Because a major part of his responsibilities will be within the personnel field of the Coast Guard, he will receive a thorough grounding of the upkeep of personnel service records, as well as other administrative areas which may affect the morale of a man, or that of his family.

Folks who live double lives find neither is to be commended.

FAMILY DAY
Sunday from 10 to 3 is Family Day at Kimberly General Store... a miscellany of old fashioned Easter Imports... Mack at Lochmoor.

We can keep you in hot water.

In fact, we guarantee it!

An electric water heater is for the people who don't like to run out of hot water. We're so sure you'll like one, we guarantee your satisfaction—for a whole year! What do we mean by satisfaction? Simply this: If you don't get all the hot water you want, when you want it, you get all your money back, including any you may have spent on installation. And it doesn't matter where you bought your electric water heater. The Edison guarantee still applies. No strings attached. Fair enough?

EDISON

P.S. Average-size families with electric water heaters pay as little as \$3.88 a month—a standard rate—for hot water. How much are you paying?

Why some men sleep better... than others

The worries of the night run deep. For questions pursue a man even in his sleep. "What will happen to my family if something happens to me?" he asks. "Will there be enough money for college, a daughter's wedding, enough for my wife's basic needs?"

Chairmen Plan 'Spring Fling' Comedy to Aid Flood Victims

Admiring some of the decoupage items and handmade articles made by members for the "Spring Fling" bridge luncheon which St. Clare of Montefalco Archconfraternity will hold April 5 at Grosse Pointe Yacht Club are (left to right) MRS. LOUIS RABAUT, Archconfraternity president; MRS. JOHN GALBO, chairman, and Mrs. FRANK McDONALD, co-chairman.

Comedy to Aid Flood Victims

Proceeds from the March 22 performance of Bernard Shaw's comedy "You Never Can Tell" at Meadow Brook Theatre will go to the Oakland University Aid to Florence Committee. The committee was formed earlier this year following the disastrous floods which ravaged Florence destroying a large portion of Italy's art treasures.

The funds raised by the Theatre benefit and by other means will not be used to help restore the art treasures, but will be allocated to helping the citizens of Florence. The students became aware of the plight of the people of Florence when they received letters from friends traveling in Italy during the floods. The letters described the horror of the flood and the gigantic clean up task that faced Florence. Many artisans and small businesses were completely wiped out. The damage done to private homes was incalculable.

Tickets to the March 22, Wednesday evening performance of "You Never Can Tell" are available at the Oakland University Student Activity Desk or by calling 338-7211, extension 2182. Tickets are also available at the Meadow Brook Theatre box office on Oakland University's campus.

Trip to Bahamas Follows Wedding

Leslie Marie Adams Marries Gary Alton Smith in Grosse Pointe Memorial Church; Pair Will Make Home in Midland

Grosse Pointe Memorial Church was the scene of four o'clock rites Saturday afternoon, March 11, at which Leslie Marie Adams became the bride of Gary Alton Smith.

An empire style gown of white silk linen was the bride's choice, with a chapel train falling from the shoulders. Her veil was an imported elbow length manilla, and she carried a cascade arrangement of stephanotis and ivy.

Mrs. Gerald Wilkerson, of Warren, Mich., was her sister's matron of honor. They are the daughters of Mr. and Mrs. Alexander Adams of St. Clair avenue.

Priscilla Webb and Julie Marshall attended as bridesmaids.

The three attendants wore floor-length empire gowns of Venetian rose trimmed with

matching lace. They had matching lace hatlets and carried cascade bouquets of pink carnations and violets.

Melinda Pelon, cousin of the bride, was flower girl, wearing a floor length rose and white embroidered batiste frock.

The bridegroom, son of Mr. and Mrs. Wilbur A. Smith, of West Finley, Pa., asked T. Richard Outland, of Miami, Fla., to be his best man. Ushering were Gerald Wilkerson, of Warren, and Victor Thomas, of Flint.

Rev. Ben L. Tallman heard the exchange of vows. After a Revere Hall reception, the couple left on a wedding trip to the Bahamas.

Many Pledged By Fraternities

The largest class of freshmen in Michigan State University's history have now had their chance to decide if Greek life is to their liking.

Because the school operates on a deferred rush system, freshmen males must have completed at least one term at MSU and have attained a 2.2 overall grade point average to be eligible to join a fraternity. First term women need only a 2.0 average to be eligible.

Fourteen Grosse Pointe students are now pledging fraternities. They include: Gary Gerds, John Rentenback and Mike Mullen, Psi Upsilon; Lynwood Polrick, Cameron Piggot and Robert Bonahoom, Delta Upsilon; Ken Wilson and Stu Leslie, Beta Theta Pi; Rick Kramer and Tom Schildhammer, Phi Delta Theta; Bill Campbell and Rick Zapala, Sigma Chi; Jim Olmstead, Sigma Alpha Mu; and Bill Blaiksee, Delta Tau Delta.

Paray to Give Final Program

Conductor-Emeritus Paul Paray will make his last appearances with the Detroit Symphony Orchestra this season on Thursday and Saturday, March 16 and 18, at 8:30 p.m. in Ford Auditorium. A single work will be performed: Beethoven's "Missa Solemnis."

Featured in the performance will be soprano Elinor Ross, contralto Florence Kopleff, tenor Walter Carringer, bass-baritone McHenry Boatwright, and the Rackham Symphony Choir, Maynard Klein, conductor.

Paray last conducted the "Missa Solemnis" in Detroit in 1960, at which time the work was given its first performance with the Detroit Symphony. Boatwright was one of the soloists at that performance.

Miss Ross and Miss Kopleff have also sung with the Symphony. Miss Ross was a soloist in a 1966 performance of Benjamin Britten's "War Requiem" and Miss Kopleff, who has made six appearances with the Orchestra, was last heard in 1965 in Bach's B-minor Mass. Carringer will be making his first appearance with the Orchestra.

Sweat on the home front may save blood on the battlefield.

LESLE MARIE ADAMS, daughter of Mr. and Mrs. Alexander Adams of St. Clair avenue, was married on March 11 in Grosse Pointe Memorial Church, to the son of Mr. and Mrs. Wilbur A. Smith of West Finley, Pa.

Princeton Grads Present Check

A Country Club dinner preceded by cocktails in the Lake Shore road home of Mr. and Mrs. Alfred R. Glancy, Jr., honored Princeton President Robert F. Goheen and Mrs. Goheen Thursday evening, March 2.

Some 200 local Princeton alumni were on hand for the festivities, which included presentation of a \$1,000 check to President Goheen to be used in the Princeton Club of Michigan scholarship fund.

Club officers and their wives present were President and Mrs. Richard J. McCarthy, Jr., Vice President and Mrs. Howard H. Robinson, Jr., Treasurer and Mrs. Joseph L. Fromm, and Secretary and Mrs. Walter G. Huber.

The Alfred Glancys III, Mr. and Mrs. Herbert I. Lord, the W. Bruce Kraggs, Mr. and Mrs. J. Lawrence Buell III, Mr. and Mrs. William Croul, David Kendall, Mr. and Mrs. Emory Ford, Mr. and Mrs. Will Brucker, Jr., the Andrew W. Barrs, and Mr. and Mrs. Fred Osann also attended.

Bridge to Help Men in Service

Shamrocks and paperback books play an important role in the planning of the benefit bridge luncheon to be held on March 17 at 12 noon in Fries Ballroom of the Grosse Pointe War Memorial.

Tables decorated with potted shamrocks will set the scene for the two fashion shows which are part of the program. "Swing into Spring" coiffures presented by Joseph's Fashion Door and "Rich Furs" by Dittich will be the highlights of the afternoon.

The luncheon is sponsored by the Detroit Women's Council of the Navy League of the United States. Proceeds will be used to buy paperback books for the hospital ships and Navy ships in Vietnamese waters. According to some of the latest surveys by the Department of Defense, the men in the war zone list current reading matter on their "Most Wanted" list.

Chairman of the bridge benefit is Mrs. James E. Forrester of Loraine road. Mrs. H. Weston Burnett of Westchester road is assisting her. Mrs. Lynne Knach is decorations chairman and Mrs. Frank B. Nair, ticket chairman. The president, Mrs. George A. Weaver will greet guests as they arrive.

New Study Launched By Women Voters

Equal Education and Employment Opportunities Probed by League; School Leaders, Municipal Officials Quizzed

The Grosse Pointe League of Women Voters launched an intensive study of equal education and employment opportunities in Grosse Pointe.

Members of the Human Resources committee have been meeting with leaders of the Grosse Pointe School System, and interviewing mayors or city managers of all the Pointes. The aim is to ascertain education and hiring policies and to determine what support the League might give to equality of opportunity in employment.

Questions which the committee are asking include: Is the fact that Grosse Pointe is a homogeneous community taken into consideration when planning curriculum? What is being done to broaden the horizons of students in such subject areas as English and history? To what extent are Grosse Pointe students made aware of the history of the various people who make up America?

How are teachers chosen? How are teachers' salaries set? How is our school system helping the child who is disadvantaged? Who is disadvantaged? Unit meetings to be held weekly are open to League members and the public. "Superfluous People," shown at all the meetings help give perspective to discussions.

Meetings will be held Monday morning, March 20, at home of Mrs. A. C. P. 1207 Berkshire road at 9 o'clock; Tuesday evening, March 21, Mrs. Harold Jinks, 2211 pointe avenue, 8 o'clock; Wednesday afternoon, March 22, Mrs. Ralph Kimble, 1207 Berkshire road, 1 o'clock.

Benefit Concert Stars Peter Nero

Peter Nero will join the Detroit Symphony Orchestra and Sixteen Ehrling for a gala Symphony Pension-Maintenance Fund Benefit Concert in Ford Auditorium Monday evening, April 3, at 8:30 o'clock.

The noted pops personality—a pianist, arranger, composer and musical commentator—will spend most of the evening at stage center.

Nero will be featured as piano soloist with the Symphony and Ehrling during the first half of the concert. After intermission, the Peter Nero Trio, consisting of Nero at the piano, a bassist and a drummer, will present a variety of pops works in the unique Nero style. Nero will serve as musical host for this portion of the program, introducing his own specialties to the audience.

Tickets for the benefit concert are priced at \$10, (patrons), \$5 and \$3.50 and may be ordered now by mail addressed to the Detroit Symphony Orchestra at Ford Auditorium, (telephone 961-0700).

Remaining tickets, (and student tickets at \$2), will be placed on public sale at Ford Auditorium Box Office on Monday, February 20.

The concert is being presented under auspices of the Symphony's Special Activities committee, Mrs. Joseph A. Vance, Jr., of South Deeplands road, chairman, and Mrs. R. Alexander Wrigley, of Bishop road, co-chairmen.

Proceeds will benefit both the pension plan and the Symphony's annual maintenance fund drive to help meet operational costs. Duke Ellington, Thomas Schippers, Danny Kaye and Jack

Alpha Chi Omegas Plan Meeting at Boat Club

Detroit area alumnae chapter of Alpha Chi Omega will hold their annual spring luncheon on March 16, in the Island Room at the Detroit Boat Club at 12:30 o'clock.

The program for the afternoon will be a book talk, "What America Is Reading," by Miss Virginia Leonard of the Grosse Pointe Library.

Miss Leonard also writes the column "What Goes on at Your Library" which appears in the Grosse Pointe News.

The meeting will conclude with the installation of officers: Mrs. J. S. Ladendorf of Sunningdale drive, as senior Panhellenic delegate; Mrs. Norman Dodge of Berkshire road as junior Panhellenic delegate, and Mrs. C. R. Lewis, of St. Clair Shores, as vice-president.

Others from the Grosse Pointe area who have served on the Detroit Alpha Chi Omega board this year are: Mrs. Nelson C. Frolund of Hawthorne road, Mrs. Arthur Schmidt of Lakecrest lane, Mrs. B. D. Tock of Yorkshire road, Mrs. David Rentschler of Roslyn road, Mrs. R. A. Arrnbruster of Berkshire road and Mrs. John C. Krato of Chalfonte avenue.

Legion Ladies Seek Members

Mrs. Shirley Kraft, chairman of the Membership Committee of Grosse Pointe Unit # 303, of the American Legion Auxiliary said that there never has been a time when it has been more important to increase their membership and enroll every eligible wife, mother, sister or daughter of a Legionnaire in their ranks.

"With our hospitals filling with a new generation of veterans, those returning from Vietnam, we will need many more Hospital Workers and Field Service Volunteers," she said. "We will need you to work with The American Legion on its program of enforcement of Law and Order, which the National Commander, John E. Davis, is stressing this year. The women of this nation are distressed at the rapidity of increased crime incidents. Are concerned about the lack of safety on city streets — of acts of vandalism, and all the other rebellions against Law and Order."

Mrs. Kraft said that they are striving to enroll women to participate in all the philanthropic and worthwhile activities of the Auxiliary and to enlarge their circle of friends while attending the many social functions sponsored by the Units of the Auxiliary. Women everywhere welcome the opportunity to share the rewarding experience of service to others, particularly to our veterans who have given so much of their lives for us, that we may continue to live in a Free America

Over 800,000 members have enrolled for 1967—which is encouraging this early in the year. If anyone in the area is interested in joining our organization, please call her at PR 6-5577.

Vows Unite Pair At Evening Rites

Mary Elizabeth Blake Marries Mr. Serafano Friday in St. Clare of Montefalco Church; Couple Leave for East After Reception

Mary Elizabeth Blake, daughter of Mr. and Mrs. George E. Blake of Three Mile drive, became the bride of Donald N. Serafano Friday evening in St. Clare of Montefalco Church.

Her floor length sheath gown of cameo silk peau de soie was styled with a jeweled lace peplum, skirt applied in lace and removable train edged with a deep border of lace.

The bride designed her own headpiece of imported silk illusion bordered in French lace. She carried white carnations, stephanotis and ivy.

Mrs. Theodore Wortman was her sister's matron of honor. The bridegroom's sister, Mrs.

Kenneth Kuzon, was a bridesmaid.

The two attendants were in floor length powder blue sheath gowns with navy velvet bodices. They wore matching navy pill-box hats and carried baskets of daisies, carnations and ivy.

Kenneth Kuzon was his brother-in-law's best man. Ushers were Richard Pine, George Blake, and Thomas Blake, both brothers of the bride.

The bridegroom is the son of Mr. and Mrs. Dominic Serafano

Beers-Carlen Troth Is Told

Mr. and Mrs. Bernard A. Carlen of Rosedale Park, announce the engagement of their daughter, Dorothy Anne, to William Allen Beers, III, son of Mr. and Mrs. William Allen Beers, Jr., of Maison road.

The bride-elect is a senior at the University of Detroit and president of Phi Gamma Nu.

Mr. Beers received his bachelor and master's degrees from Michigan State University where he affiliated with Sigma Chi.

of Devonshire road.

For her daughter's wedding, Mrs. Blake chose a cocktail length sheath dress and matching coat in aqua silk slaskine. Mrs. Serafano wore a powder blue cocktail dress with high jeweled neckline, the jewel motif repeated at the hemline.

After a reception at the Detroit Yacht Club, the couple left on a wedding trip to Philadelphia and New York City.

The bridegroom will graduate from Villanova University in May and expects to enter Wayne State University medical school in the fall.

Nancy Williams To Wed April 1

Nancy Williams and Theodore Ketterer III have moved their wedding date from June to April 1.

The wedding will take place at the Cathedral Church of St. Paul, with reception following in the Tonnancour place home of her parents, former Gov. and Mrs. G. Mennen Williams.

Nancy has asked her sister, Wendy, and Julie Ketterer, sister of the prospective bridegroom, to be her bridesmaids.

Mr. and Mrs. Theodore Ketterer, Jr., were here last weekend from their home in Pittsburgh, Pa., as guests of the Williamses.

The W. Bruce Klags and Frederick Colbys entertained for the visitors.

The bride-elect was feted yesterday at a shower given by Mrs. John Lincoln and Mrs. John Schneider.

HS Club Slates Benefit Buffet

The Grosse Pointe High School Foreign Exchange Club, which supports two American Field Service Exchange Students and many of the school activities of all the exchange students, is having a "Make Your Own Sandwich Buffet," at the new Potpourri Restaurant and Delicatessen, located at Harvard road and Mack avenue, on Sunday, March 19, between 2 o'clock and 7 o'clock.

Proceeds will be for the benefit of Youth for Understanding, American Field Services and Americans Abroad. The donation is \$2.50.

Currently 14 American student are scheduled to go abroad beginning early this summer to live with foreign families as representatives of this country.

Money is never a problem—as long as you don't have it.

Announce Met Opera Casts

Casts for the 1967 visit of the Metropolitan Opera Company to Detroit have been announced by Mrs. William M. Walker, Jr., of Eclair place, chairman of the Detroit opera season.

Under the sponsorship of the Detroit Grand Opera Association, the Metropolitan will present seven operas in six evenings and one matinee performance at the Masonic Temple Auditorium, Detroit, May 22 through May 27.

Included in the repertory will be Verdi's "Un Ballo in Maschera" at 8:30 o'clock Monday, May 22, with Bruno Prevedi, Sherill Milnes, Leontyne Price, Nell Rankin and Joy Clements; Puccini's "Turandot" at 8 o'clock Tuesday, May 23, with Birgit Nilsson, Anna Moffo, Franco Corelli, Frank Guarrera and Bonaldo Giaiotti; Wagner's "Lohengrin," with Sandor Konya, John Macurdy, Walter Cas-

sel, Ron Bottcher, Leone Rysaneck and Irene Dalis, at 8 o'clock Wednesday, May 24; and Johann Strauss' "Fledermaus," with Phyllis Curllair, Joy Clements, Kitty Carlisle, John Reardon, Arturo Sergi, Donald Gramm and Jack Gilford, at 8 o'clock Thursday, May 25.

Others are Ponchielli's "La Gioconda," with Renata Tebaldi, Rosalind Elias, Ruza Pospinova, Franco Corelli, Cornell MacNeil and Bonaldo Giaiotti, at 8 o'clock Friday, May 26; "La Traviata," with Anna Moffo, Barry Morell, and Mario Sereni, at the Saturday matinee, May 27, at 1:30 o'clock; and Verdi's "Otello," as the concluding performance at 8 o'clock that evening. The principals include James McCracken, Tito Gobbi and Gabriella Tucci.

Conducting the performances will be Thomas Schippers, who will be in the pit on opening night; Zubin Mehta, who will conduct "Turandot;" Joseph Rosenstock, who will conduct "Lohengrin;" Jan Behr, "Fledermaus;" Lamberto Gardelli, "La Traviata;" and Fausto Cleva, who will conduct "La Gioconda" and "Otello."

Woods Church Group to Meet

The Grosse Pointe Woods Presbyterian Church Women's Association will gather in the chapel, on Tuesday, March 21, at 10 o'clock, to hear a Communion preparatory message by Dr. Bertram de H. Atwood from Grosse Pointe Memorial Church.

Mrs. Paul Winchester will be in charge of the meeting and lead the worship service. Mrs. Chalmers Zech will present a solo, and Mrs. Neil Van Oostenberg will conduct a Bible meditation. Dr. Atwood will be introduced by Mrs. Zach.

Mrs. Harry Watson will give the noon day summons after which a luncheon will be served in Fellowship Hall by the Abigail and Mary Circles, under the direction of Mrs. Richard Fellows and Mrs. Alan Bradbury.

Chapel-Goosen Troth Revealed

Mrs. Harriet Chapel of Grayton avenue announces the engagement of her daughter, Isabelle Jane, to Edward Charles Goosen, son of Mr. and Mrs. Edward Goosen of Muir road.

The prospective bridegroom graduated from Wayne State University.

A September wedding is planned.

MR. and MRS. ARTHUR O. A. SCHMIDT, of Lakecrest lane, have been vacationing with their daughter and son-in-law, DR. and MRS. RICHARD L. Zuehlke, in Santa Monica, Calif., where Dr. Zuehlke is serving his internship. Enroute home, Mrs. Schmidt stopped at Vail, Colo., for a ski weekend with their son, TOM who is a junior at the University of Colorado and an avid ski enthusiast.

Girardin's Aide To Speak Here

Crime in the streets, charges of police brutality, and questions about the role of the Church in the city will be discussed in the meeting of the Episcopal Church Women of Christ Church, 61 Grosse Pointe boulevard, on Tuesday, March 21.

Throughout Lent the program topic has been "Poverty and Affluence—Wealth and Want in One World."

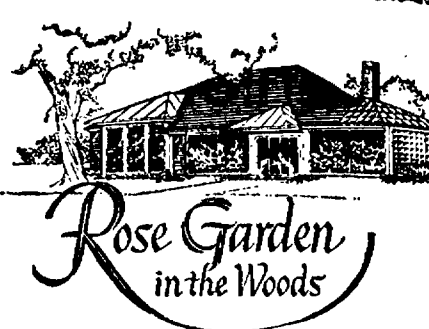

To conclude the series, The Rev. Hubert Locke, Special Assistant to the Commissioner of Police of the City of Detroit, will speak on his experiences and the relationship of the churches to the problems of the metropolitan community.

Deeply involved in the metropolitan problems, Mr. Locke is pastor of the Conant Gardens Church of Christ, and is connected with the Religious Affairs Office of Wayne State University. Appointed as a Special Assistant by Ray Girardin, Detroit's Commissioner of Police, Mr. Locke rarely speaks outside of Detroit.

The meeting offers an unusual opportunity to men and women of Grosse Pointe to hear and talk with an outstanding community leader. The meeting will be held at 10:45 a.m. in the Undercroft of the Church, following a 10 o'clock celebration of the Holy Communion in the Church.

A luncheon will follow Mr. Locke's presentation. Reservations for the luncheon may be made by calling the Church Office, TU 5-4841.

Named to the dean's list for the past fall semester at Western Michigan University were, CHRISTINE A. CAMERON, the daughter of the NORMAN J. CAMERONS of Shoreham road, and GEORGE E. ZEOCK, JR., son of the GEORGE E. ZEOCKS, of Vernier road.

AAUW Fellowships Named for Pointers

Grosse Pointe Branch Contributes \$2,000 to National Fellowship Fund; Awards to Be Presented Today at Annual Luncheon

The Grosse Pointe branch of the American Association of University Women has contributed two thousand dollars in fellowships to the National Fellowship Fund. Two \$500 scholarships were named for two local members and \$1,000 was given in the name of the Grosse Pointe branch to the Edgar Shain International Fellowship Endowment Fund. Certificates announcing the awards are being presented today, March 16, at the annual luncheon meeting at the Detroit Boat Club. An international gift of \$500

Meeting Slated By Book Club

Members of the Pointe Book Club will meet at the Moross road home of Mrs. Summer J. Gurney, Monday, March 20. Co-hostesses will be Mrs. Keanard Jones and Mrs. Edward Friemuth. Mrs. Shepard will review, "Madam Sarah," by Cornelia Otis Skinner at 11:30 o'clock preceding luncheon.

dent of the branch from 1964-1966. Her community activities include the presidency of the Grosse Pointe Motion Picture and TV Council and serving as Teacher's aid at Marcy School. Mrs. Bersey graduated from Wayne State University with a B.S. in education. She joined the Detroit AAUW in 1941 and transferred to the Grosse Pointe branch in 1952, where she has served as chairman of Newsletter, Social Arrangements, Ways and Means, Studio Arts and has held the office of third vice-president.

Mrs. Bersey's community commitments include College Women's Volunteer Service, publicity chairman and chairman of the Radio Station Committee of Herman Kiefer Hospital; Government Board of the Women's Committee of United Services of Metropolitan Detroit from 1959-1967; manual chairman for the Program Planning Institute of Detroit in 1964 and 1966; Friends of the Detroit Public Library; vice chairman of the Library Committee of the Women's City Club of Detroit; national corresponding secretary of Quester's, Inc. 1966-1968; president of the Grosse Pointe chapter of Alpha Xi Delta, 1963. Last year over half-a-million dollars was contributed by Michigan AAUW branches, gifts and bequests making it possible this year for 104 women, 52 American and 52 foreign, to do further research in their chosen fields.

Don't despair — the less you have, the more there is to get.

Honored by Scholarships

Photo by Eddie McGrath, Jr. Grosse Pointe branch of American Association of University Women has contributed two \$500 scholarships in the name of local members to the National Fellowship Fund. Shown receiving certificates announcing the awards are the recipients, MRS. DOROTHY FACKLER BERSEY of Harbor Island, left, and MRS. ROBERT H. SNYDER of Balfour road. Presentation is being made today at the group's annual luncheon meeting at the Detroit Boat Club.

Austin Mothers Have Fiesta

The Austin Catholic Prep Mothers' Club held a meeting, Wednesday evening, March 15, at 8 o'clock, in the school cafeteria. The St. Jude Choral Group, under the direction of Mrs. Cyril Eckenrod, entertained with popular ballads and show tunes. Mrs. Mark Vermilion, corresponding secretary of the Mothers' Club, was a member of the mixed group.

The Spring Fiesta, scheduled for April 22, was one of the main topics on the agenda. Plans were outlined by chairman, Mrs. Merko Sepic. Co-chairmen were Mrs. Anthony Tocco and Mrs. Robert Whitty.

Mrs. Gerald Watson and Mrs. Robert Walters reported on the March 5 Freshman-Sophomore Communion breakfast. Sunday, March 12, was the date of the Junior-Senior Communion breakfast. Mothers and sons attended 8 o'clock mass in the Student Chapel.

Toastmistress Club Sets Birthday Meeting

Mid-Century Toastmistress Club will hold its 17th birthday meeting Tuesday, March 21, at 10 o'clock in Carnon Recreation Center, Warren and Cadieux.

Helping with arrangements are Mrs. Louis Nolan of S. Edgewood drive, Mrs. William G. Self of Berkshire road and Mrs. John A. Kirsch of Whit-tier road.

Vice-president Mrs. Clyde Sutton of Brys drive will be toastmistress of the day. Mrs. Carl Nolte of Clairview road will repeat her February winning speech. Mrs. George Wellman of Colonial court is club president.

Try to remember, always, that the key to success is never hidden under the welcome mat.

Moon Dictates Easter's Date

The date of Easter, shortly after a full moon, was probably established in early times to give pilgrims as much moonlight as possible for travel on roads to the Holy City.

According to University of Michigan astronomer Hazel M. Losh, Easter is one of the few things in modern life that goes strictly by the moon. This year it is March 26.

The date of Easter, Prof. Losh reports, was fixed in 325 A.D. when the church fathers gathered in council at Nicea. They set it as the Sunday after the first full moon after the sun enter the equinox.

Speaking of the equinox, which signals the start of spring, Prof. Losh said: "Contrary to what many believe, day and night are not exactly equal on the day of equinox."

"Because of the refraction or bending of the sun's rays by the earth's atmosphere, the sun may be seen a few minutes before it actually comes over the horizon, and also be visible by a similar length of time after it drops below. The day and night are more nearly equal three or four days before the equinox."

However, when spring does arrive at 2:37 a.m. next Tuesday (March 21), it will be six hours later than it was last year. The delay, according to Prof. Losh, comes from the difference in our calendar, 365 days, and the time used by the earth in traveling around the sun, 365 days, 5 hours, and 49 minutes.

On the first day of spring, the sun will seem to cross the equator on its way north and both hemispheres will share sunshine about equally.

One stellar constellation reminding us that spring is just around the corner is Virgo, said Prof. Losh. The Virgin, rising in the southeast, is a long constellation with stars roughly outlining a human figure. "Its brightest star is Spica and is unmistakable, as no other bright stars are in the immediate vicinity."

"Bright as Venus is," said Prof. Losh, "it is hoped that it will not be mistaken for a U.F.O."

Dining Is Delightful At **Georgian East** . . . Here's Our Menu For Tonight

Dining is important to everyone, but it's especially important to the convalescent, the chronically ill, the geriatric patient. Every detail of Georgian East's food service — the china and silver, the linen, the atmosphere of the dining room itself — is designed to make dining a highlight of the day. And above all, of course, is the food. Nutritious, attractive, appetizing . . . these are apt words, but they are inadequate. Our food is simply delicious. Here's our menu for tonight:

Juice or Soup de Jour
Cornish Hen on Brown Rice
Buttered Parsnips • Creamed Corn
Bibb Lettuce Salad, Choice of Dressing
Hot Rolls • Rice Pudding • Coffee, Tea or Milk

It is not surprising that so often we have so many for lunch and dinner — families and guests of our guest-patients. They offer the best possible testimonial and, of course, are very welcome. The quality of our cuisine is another of the many things that make Georgian East exceptional . . . that enable us to offer care that meets only one standard — the best. We welcome visitors. Please phone or just stop by when you are in the neighborhood.

Symphony 'Pops' Concert Slated

Arthur Fiedler, Donald Voorhees and Yuri Krasnopolsky will conduct the Detroit Symphony Orchestra's first spring-time presentation of Cabaret "Pops" Concerts.

The concerts, eight in all, will be given April 11 to 22 in Detroit's Light Guard Armory.

Fiedler will lead performances in the familiar mold of his Boston Pops programs on April 11, 12, 14 and 15. Voorhees will present a program in the format of his historic "Bell Telephone Hour" broadcasts on April 18 and 19. Krasnopolsky will conduct works from the musical theater on April 21 and 22.

Vocal and instrumental soloists, yet to be named, also will participate.

Both Fiedler and Krasnopolsky will be making their first appearances with the Symphony. Voorhees, who conducted a privately sponsored Detroit Symphony concert in 1960, will appear through special arrange-

Hospital Group Will Hold Sale

The Fonthonne Auxiliary of Saint John Hospital will hold an Easter Bake Sale at the hospital, 22101 Moross road, on Saturday, March 25, from 7 a.m. to 3:30 p.m.

All kinds of home-made baked goods will be available, in addition to jams and jellies, candy, etc. All proceeds will go to the hospital.

Engaged

Dr. and Mrs. Robert C. Monson, of North Renaud boulevard, announce the engagement of their daughter, ROBERTA, to Thaddeus M. Stawick, son of Mr. and Mrs. Theodore S. Stawick, of Franklin Village.

Both Miss Monson and her fiancé will be graduated from Michigan State University in June.

A July 1 wedding is planned.

Hughes-Buehling Betrothal Told

Mr. and Mrs. Norman Dirks Buehling of Glenview, Ill., are announcing the engagement of their daughter, Suzanne, to David W. Hughes, son of Mr. and Mrs. Jerry S. Hughes of McMillan road.

Miss Buehling attended Pomona College and Seven Seas College. Her fiancé was graduated from Grosse Pointe University School and will be a June graduate at Yale University.

The wedding will take place on June 16 in the gardens at the Cheshire, Conn., home of the bride's aunt and uncle.

Baroque Music Concert Slated

A program of Baroque music will be held in the Crystal Ballroom of Grosse Pointe War Memorial's Fries Auditorium on the evening of Palm Sunday, March 19, at 8 o'clock. Artists will be Susan Fries, flutist, and Alice Lungershausen, harpsichordist.

The program will include works by Bach, Scarlatti, Ingolf Dahl and Telemann.

Alice Lungershausen trained as a pianist with advance study in Vienna under Franz Schmidt, became interested in the harpsichord in 1940, and after studying with Phillip Mannal in Chicago and Rudolph Dolmetsch in England, she has devoted herself to that instrument.

Mrs. Lungershausen is the official harpsichordist of the Detroit Symphony and has played with the Philadelphia Orchestra besides her many appearances as a solo artist and with the Baroque Ensemble which she founded in 1959. She is listed in the Who's Who in American Women.

In this concert Mrs. Lungershausen will be performing with guest artist Susan Fries, a flutist of note who concertizes extensively and is a member of the faculty of the Oberlin College Conservatory of Music.

Admission to the concert is \$2.50 for adults, \$1 for students.

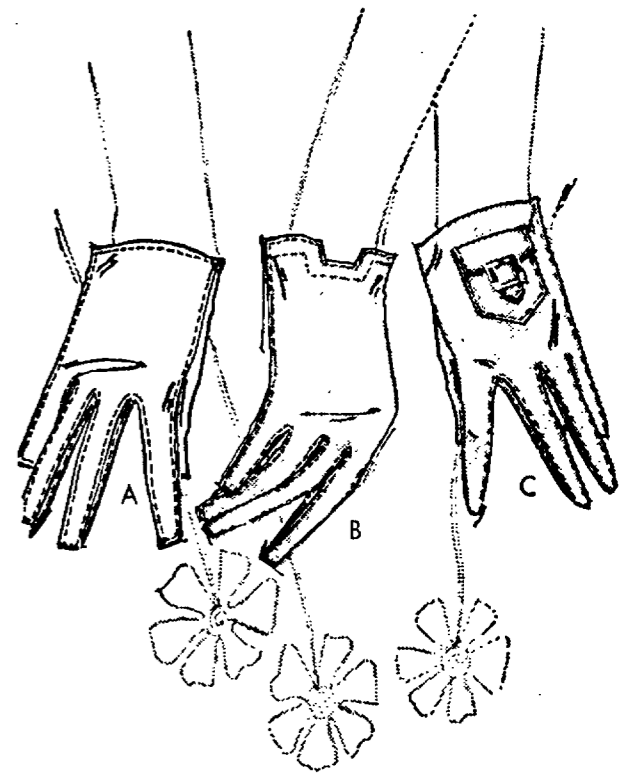

Society to Give Artists' Festival

Fine Arts Society will hold its Honor-Artists Festival March 17 and 18 at Players Playhouse.

Champagne will be served from 7 to 8:30 o'clock, while members are admiring their artists' displays in the board room. Buffet dinner is set for 8:30 o'clock in the lobby.

"The Partition," a one-act play directed by Jack Petz and starring Mrs. Jac E. Purdon and Peter Rettig, will be presented at 9:30 o'clock.

Dancing will follow, with Dr. Chet Bogan and his ensemble providing the music.

third presentation of pops concerts in the Light Guard Armory.

Arthur Fiedler has been conductor of the Boston Pops concerts since 1930. He is a native Bostonian and joined the Boston Symphony as a violinist under Kark Muck in 1915. He formed the Boston Sinfonietta in 1924 and launched Boston's now-famous outdoor Esplanade Concerts in 1929.

Fiedler's conducting career has taken him to all quarters of the globe. He is a fire buff and an honorary fire chief in almost every city he has visited. At home, his car is equipped with a short-wave radio and siren to keep him in constant touch with his revered fire fighters.

Conductor Donald Voorhees has been associated with the Bell Telephone Hour on radio and television since the popular broadcast series was begun 28 years ago. The list of artists who have appeared under his direction reads like a "Who's Who" in music, including such names as Heifetz, (54 Telephone Hour appearances), Pinza, Sutherland, Nilsson, Fritz Kreisler, Isaac Stern and, among the popular stars, Maurice Chevalier, Ethel Merman, Carol Lawrence and Ray Bolger, to name a few.

It is estimated that Voor-

hees has conducted with more soloists than anyone else on today's musical scene. Voorhees began accompanying musicians when he became organist and choirmaster in his church in Allentown, Pa., at the age of 11. Later, he distinguished himself as the youngest leader on Broadway, conducting the hit "Broadway Brevities of 1920" and more than a dozen successful musical comedies in the following decade.

Yuri Krasnopolsky is musical advisor and guest conductor with the Florida Symphony. Formerly, he held posts as associate musical director of the St. Louis Municipal Opera, music director of the Los Angeles Civic Opera, conductor of the American Ballet Theatre, assistant conductor of the New York Philharmonic and musical director for a cultural exchange tour by the Joffrey Ballet Company.

He twice toured Russia, once each with the Ballet Theatre and the Joffrey Ballet, and both times accepted subsequent invitations from the Soviet Union to return and conduct leading Soviet orchestras. Krasnopolsky made his debut as guest conductor with the Philadelphia Orchestra and Baltimore Symphony in 1964. He studied piano at the Curtis Institute of Music at an early age, though delayed decision on a music career until completing service in the U.S. Army and obtaining a medical education.

Theater Ready To Start Casting

Everyone's talking about "Never Too Late," that fantastically funny comedy playing at Fries Auditorium and there are still three performances this coming weekend. Tickets are still available by calling 882-5538 for the evenings of March 16, 17, 18.

For those who would like to actually participate in the production of a Grosse Pointe Theatre show, "Most Happy Fella" will hit the boards in June. Preparations are already under way and casting will be March 19 at 2 p.m. at the Grosse Pointe War Memorial and March 21 and 23 at 7:30 p.m. at the Grosse Pointe War Memorial.

Many, many hands are needed to put on a major musical. Why not stop by at the castings and volunteer your services?

SUDDEN DEATH

of 702 Birch lane, on February 19. Dets. Frank Mustazza and William Marshall said that at the time, the vehicle was driven by the Browns son, David, 20, who was home from Michigan State University, and who parked the automobile in front of 80 South Deeplands, white attending a party.

The detectives said that the original report was made to Woods police, who advised that the complaint be registered with Shores authorities since the larceny occurred in their jurisdiction.

It was explained that the reward is offered because insurance on the car does not cover any theft.

Taken from the car, it was said, was a black plastic top and clear side curtains.

Patrolman John Kendall, who was appointed to the force last December 10, was graduated from the Metropolitan Police Academy after six weeks of intensive training, it was disclosed by Police Chief Arthur Louwers on Monday, March 6.

Kendall was listed among the first five with the highest grades, in a class of 72 police officers from 26 communities in the Detroit Metropolitan area, the chief said.

The patrolman, who must serve a probationary period before becoming a regular, has completed the requirements of full basic training for rookie officers, equivalent to the 120 hours of basic instructions given new policemen in the Park Police Training School, directed by Chief Louwers, and two other training schools in the Detroit area.

The chief said that if a new man is hired at about the time the Police Academy is ready to start a new class, the recruit is sent to this school, where all elements of training are completed within six weeks.

Otherwise, training must be had in the area schools, where two sessions are held each year, and to which recruits must attend until they complete a total of 120 hours of training.

1966 Called Turning Point For The Mackinac Bridge

According to Bridge Authority Chairman, Prentiss M. Brown, in his annual review of Mackinac Bridge facts, figures and unusual events, 1966 was the "turning point" year for the Mackinac Bridge.

"Revenues reached an all time high with \$6,200,400 in round figures having been collected from bridge crossers. This is 6.5 per cent over last year's previous high of \$5,824,090. The traffic increase over last year's 1,328,641 vehicle crossings will be 6.5 per cent," said Brown.

The Chairman also pointed out that 1966 marked the fifth consecutive year of traffic increases over the preceding year.

"In 1959, 1960 and 1961, succeeding yearly decreases were recorded in annual Straits crossings as traffic receded from the curiosity-stimulated record of 1958. The trend was reversed in 1962 and has continued upward in each succeeding year. It would be most optimistic on our part to predict a continuance of this trend. Yet, we are not so pessimistic as to predict a decrease.

"Also notable was the fact that in 1966 the Bridge Authority was able to purchase and retire Mackinac Bridge Bonds for the first time and in the amount of \$560,000, thus reducing outstanding indebtedness from \$99,800,000 to \$99,240,000. It is expected that another one half million dollars worth of bonds will be purchased in the open market immediately after the first of the year.

"The January purchases will be made out of revenues for the first time in the history of the bridge. The funds used to make the bond purchases this past year came from interest earned on Bridge Authority Sinking Funds. Due to stringent requirements of the Trust Agreement between the Authority and the bondholders, the Authority is required to have in reserve more than \$12.5 million before bonds can be called or purchased for redemption. This goal was achieved during 1966 and from now on all revenues over and above costs of operation, maintenance and repair and interest will be funneled into the Redemption Fund for bond retirement.

"Bridge traffic never reached the high predictions made by the traffic engineers. By the same token revenues were never so low that they were not amply sufficient to meet the obligations of operation, maintenance and repair and interest costs. Notwithstanding allegations about the toll being high, it is the same for a car with two couples as was the ferry which the bridge replaced a little over nine years ago. The Authority actually commenced operations with a toll slightly lower on the average than the ferry charges, but was required by the traffic engineers under authority of the Trust Agreement to increase the tolls by approximately 15 per cent in 1961. There have been

no other increases despite burgeoning increases in wages and other items all along the line during the past nine years. Compare prices generally since 1958 with our tolls and you will find we are not out of line.

"In fact, the Authority managed to reduce tolls for two classes of vehicles. When the bridge opened, pickup trucks were charged \$4.25. The toll on this type of vehicle was raised to \$5.00 in 1961 and lowered to \$4.25 on August 1, 1966. House-cars, which were relatively unknown in 1957 but have since enjoyed increased popularity, were reduced from \$7.50 (six tires, two axles) to \$4.25 and from \$5.00 (four tires, two axles) to \$4.25. It is interesting to note that despite the reductions in these two classes, the rate of increase in their crossings dropped off after their toll was decreased.

"The past year was also marked by the fact that pursuant to an Opinion of the Attorney General, Authority personnel are now under Civil Service and the Authority operations, insofar as maintenance and other housekeeping responsibilities are concerned, are under the supervision of the Department of State Highways, under which the Authority was placed by the State Legislative Organization Act," said Chairman Brown.

As usual, 1966 had its share of events requiring assistance or action by bridge patrolmen. Seventy-three motorists had flat tires on the bridge, eighty-six had mechanical trouble, and forty-nine ran out of gas. All were cheerfully assisted—without charge—by bridge maintenance men and patrolmen, who also found and returned seventeen assorted lost purses, clothing and eyeglasses, sometimes pursuing and stopping surprised patrons who did not know they had lost the items.

Aid was also given after ten collisions on the bridge and four at the toll plaza, including two personal-injury accidents. Eight accidents during brief windy periods involved boats insecurely lashed to car tops, lightweight camper units not securely attached to pickup trucks, and two housetrainers. Authority personnel spared no efforts to keep damage and losses to the minimum.

Drivers were furnished for ninety motorists who were afflicted with unreasonable fears of crossing a huge structure. Most found themselves happily settling back to enjoy the bridge and the beautiful views of the Straits area.

Escorts were provided for 1,038 overwidth and overweight vehicles, for 74 trucks carrying explosives, and for 11 authorized groups.

Some sterner measures were required: 27 motorists were warned for speeding and 13 for parking on the bridge, and 15 drivers were stopped for failure to pay tolls. Innocent errors

250,000 Chickens Help Fight Flu

There's a firm in Detroit that has purchased 240 million eggs during the past eight years, yet didn't cook, bake, fry, poach or boil a single one.

Its name is Parke, Davis & Company and the officials of the internationally-known drug firm will be the first to assure you that their huge "food" purchase didn't go to waste.

Even now, countless persons throughout the world are free from the discomfort of influenza thanks to a vaccine manufactured by Parke-Davis from the eggs. The intricate and well-timed production process that makes it all possible is one that's measured in days and weeks—but also in success.

To begin with, specialists in the Parke-Davis purchasing department are responsible for seeing that an uninterrupted supply of fertile eggs flows from the farms to the firm's manufacturing site at the Parkedale Research Laboratories, 35 miles north of here in Rochester, Mich.

They explain that the almost astronomical 240 million figure has resulted from a daily purchase rate of as many as 52,000 fertile eggs for up to 21 weeks each year. The buying program has been in effect since 1958.

Between 250,000 and 300,000 hens scattered throughout Michigan and the Midwest are needed to meet the drug company's demands. The eggs are securely placed on sliding trays stacked one atop another on a movable cart. The devices are then wheeled onto incubated trucks for the trip to Rochester.

Once there, the fertile eggs are incubated for 11 days, injected with a live flu virus and then put back into the incubator for another three days. Skilled workers then cut off the tops and draw out the liquid portion through a syringe.

The harvested fluids are then subjected to a series of technical processes and tests to assure their purity, safety and efficacy. When all tests are completed satisfactorily, the vaccine is bottled, packaged, labeled and subjected to further tests before it is shipped to doctors and hospitals throughout the world.

As smoothly as the entire operation runs, it needs the close cooperation of a worldwide influenza surveillance organization to insure its success.

The group monitors any new outbreak of flu and attempts to identify the strain that caused it. If the virus is different from any of those known previously, the Public Health Service is authorized to order additional strains be included in the Parke-Davis vaccine formula that will be used in inoculations that particular year.

This often necessitates a tight production schedule since the period between Public Health Service notification and when the inoculations are needed is often a relatively short one.

caused patrolmen to stop 15 motorists, some of whom were surprised to be handed overpayments they had made at the toll plaza.

Authority personnel assisted in the apprehension of three airplane pilots who had flown under the bridge.

TIP TO MOTORISTS Don't push the law of averages too far when it comes to taking chances on the highway.

CAR TOP SLASHED Thomas Andris, 25, of 2050 Stanhope, reported to Woods police that while his convertible was parked at the curb in front of his house, on Sunday, February 19, an unknown person slashed the top in two places. The amount of damage was not disclosed.
