Reciprocal aid was first instigated by Park Police Chief Arthur Louwers, who, at the time, based his arguments for such aid on the fact that the Pointe and Harner Woods departments are similarly faced with a problem of flexibility.

On March 28, 1960, he pointed out to the members of the Park council that the six cities various police departments, like are confirmted with problems, varied in nature, but equal in "gentlemen's agreement" to as- their need to sometimes place more manpower at a given location than they are able to supply.

GP Woods Police Nip Extortion Plot Budget Hike Of \$260,660 Is Proposed

Rubbish Collection Service Charge Being Considered As Alternative To Tax Boost

A record combined proposed budget of over \$2,-113,311 was presented to

Petersen on Monday, May 1. The proposed budget and recommendation would require an additional \$260,660 over last year's budget. This would mean that the Council has two alternatives. It either can vote for a tax increase of \$2.65 per thousand of city assessed valuation or it can consider the possi-bility of imposing a rubbish collection service charge of approximately 50c a week, or \$2 per month, to offset the anticipated tax increase needed.

Rubbish Costs Up About 70 percent of the needed funds can be attributed to the tremendous estimated increase in rubbish collection and disposal. At present the and disposal is \$92,981; the increase the cost to \$209,100.

The Council rejected the bid received on rubbish collection and authorized the City Administrator to readvertise for new bids to be received on May 24. The bid was made by the current collector, whose five year contract with the City of Grosse Pointe Woods expires June 1967. The Woods has had no increase in collection rates

in that five year period. The service charge would not cover the entire cost of collection and disposal of rubbish but it would balance the budget.

Other Increase Factors The other 30 percent of the budget increase will cover salary increases for city employes, purchase or repair of operating equipment and increase of monies to the municipal improvement program by \$20,000 dollars.

Mr. Petersen stated that Assessed Valuation as is currently required by the State Constitution.

This would mean an assessment of 50 percent of the present market value, on both personal and real property. The Woods City Valuation is presently \$64 million, the State's is approximately \$106

Mr. Petersen said in his

opinion, "By next year the

City of Grosse Pointe Woods

and all the other Pointes will be forced to go to the State Equalized Valuation." The present tax payments to the Grosse Pointe Board of Education and Wayne County are already under the State Equal-

ized Valuation. A Public Hearing on the proposed budget is scheduled for May 15, at 7:30 p.m. at the Woods Municipal Building.

Caught In Car After 20 Years

A Woods resident, who is reported to have told police that his operator's license had been revoked 20 years ago for drunk driving, was ticketed by Woods police on Thursday, April 27, for driving while his license was revoked.

The owner of the automobile, a passenger in the front seat of the vehicle, was also issued a violation ticket for permitting an unlicensed driver to drive.

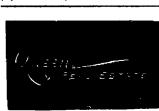

Patrolman Thomas Podeszwik, the arresting officer, said he was on routine patrol on Mack avenue when he observed Frank W. Shepherd, 48, of 406 South Ashley, Ann Arbor, make a left turn from Vernier road onnto Mack avenue, then make a prohibited left turn from Mack onto Vernier, from a far right lane. In making this turn, the policeman said, Shepherd drove in front of two cars, almost

causing collisions. Podeszwik said that when he stopped Shepherd and asked for his operator's license, the man stated that it had been revoked 20 years ago after he was convicted of drunk driving.

(Continued on Page 3)

(Continued from Page 1)

On Monday Shammas received more calls, ordering him to bring \$10,000 in \$100 bills in three packages, two containing \$3,000 each, and one with

\$4,000, to the parking lot in Gratiot avenue. He called Woods authorities, who in turn notified Detroit police.

Shammas called Marchand from his office, stating that the person who had called him had voiced an intention of calling back again in an hour, and Detroit detectives of the CIB, who were to have set up a recording device to monitor the conversation had not yet arrived.

went to Shammas' office with a recording device from their station, but when they arrived, Detroit officers were already there and had their own instrument ready for operation.

Plan Strategy three Woods detectives met in Detroit Police Headquarters with CIB detectives to plan

strategy. Marchand was assigned to a CIB car with Detroit detectives, Plumb was assigned to another car, and Kensora, with other Detroit officers, was staked out

in the Ramona Theater. At about 10:30 p.m., April 24, Shammas arrived at the parking lot, Marchand said, "wired for sound." As Shammas entered the lot, Habib approached and took the packages away from him, telling him not to do anything because there were two men in a nearby truck

Make Arrest

The policemen converged on the lot and placed Habib under arrest. The youth was very co-operative, it was said, and directed the officers to his car. In the glove compartment were surgical tape, similar to that used to tape the bullet to the Park Judge Sits threatening letter sent to Shammas, and two rifle shells, one of which was of the same caliber sent in the letter. These were confiscated by Detroit police as evidence.

Marchand said that the original threatening call was traced to the 1500 block of Iroquois avenue, in Detroit. Habib lives with his parents at 5093 Iroquois.

Habib claimed that he had been paid \$10 by an unknown person to pick up the packages from Shammas.

Charged With Extortion

A warrant charging the youth with extortion was obtained from the Wayne County Prose-cutor's Office on Tuesday, April 25, and Habib was taken before Detroit Recorder's Judge Donald S. Leonard and pled innocent to the charge, conviction of which carries a maximum sentence of 20 years in prison on conviction.

The youth claimed he did not know Shammas, but Richard's father, James, 57, said that his wife, Josephine, and her family have been long-time friends of the Shammas family.

Habib was to have been among 90 Detroit honor high school students to receive a Detroit Police youth citation May 16, in recognition of his scholastic achievements and good citizenship. His name has been scratched from the list.

A senior at St. Catherine's High School in Detroit, Habib was scheduled to graduate in June with honors.

Little League Opens In City

By George Coticchio

The 1967 City Little League season officially opened Saturday, April 29, with the annual Little League Parade. This was followed by opening day cere-monies at Grosse Pointe City Little League Field, Neff and Charlevoix avenue.

Tradition held true as Mayor David Burgess threw the first pitch of the new season, a perfect strike to the catcher, Councilman Kelly.
Officers for the 1967 season

are George Coticchio, president, Jack Leidy, vice-president, Robert Klumpp, treasurer, and Lee Kitchen, secretary.

The highlight of the opening game between the Braves and Cubs was the fine base running on the part of the Braves which helped the Braves to go

on to win 4-2. Pat Duffield was the winning pitcher for the Braves and Scott Ralph was the losing pitcher for the Cubs.

A real thriller for the fans came when Bob Quigley of the Braves hit a long ball to left field which bounced off the top of the left field fence back on to the playing field just missing the first home run of the

The second game between the Dodgers and the Cardinals was a real cliff-hanger going into extra innings. Bruce Cassell of the Dodgers broke a 5-5 tie with the first home run of the season, a long drive over the center field fence in the seventh inning, permitting the Dodgers to go on to win 6 to 5.

GROSSE POINTE WAR MEMORIAL CAMPAIGN IS UNDER WAY

We wish we had room to list the many, many activities and benefits proceeding from the Grosse Pointe War Memorial Center. We know you are aware of most of them and probabily take part in a few yourself. That's why we are counting on a simple REMINDER of the once-a-year Family Participation Campaign to do the work of a long plea for the \frac{1}{4} of the Center's running expenses you are being asked to contribute. (The remaining \frac{3}{4} of the expenses are self-generating.)

We are counting again this year on the spontaneous generosity of the Grosse Pointe community for support of their own recreational, cultural, social and educational fountainhead. Give all you can; and remember — your contributions help the Center to serve YOU!

When ordering fish for chow der, have it skinned. Cut all fish off bones. Put bones on with 1½ cups cold water and let cook slowly for 25 minutes, (if you can get extra bones from the fish dealer, it makes a better stock). Remove from fire

and strain stock.

Fry pork with onion, being careful to cook slowly - if it becomes brown it will darken the chowder. Cut fish into small pieces. Wash fish and let drain. Put stock in ketile, add fish, salt pork and potatoes. Cook very slowly 25 to 30 minutes, being careful not to burn. Add milk, which you have scalded, and butter. Serve at once, seasoning with pepper and salt if desired. A dab of whipped cream may be placed on each serving.
