Thursday, September 7  
DRACHLER, Superintendent of schools, announced on Wednesday that the Detroit Schools would be "well further notice" and that the Detroit Federation of Teachers to accept the arbitration panel recommended by a state-appointed arbitrator. The children were to return to classes Monday.

FORD MOTOR COMPANY was struck Thursday at 11th-hour bid by the United Auto Workers after the company refused to accept arbitration to their new contract. The strike will idle workers in the country in 93 plants.

FOR CAVANAGH president of the Detroit Plan de-termined the problems of America's other cities on Wednesday and that the current school plant strikes threaten the chances of its success.

Secretary of Defense S. McNamara announced Thursday that an anti-air barrier, equipped with wire and electronic devices, will be erected in North Vietnam to reduce the number of North Vietnamese men crossing the Demilitarized Zone. McNamara said the simple facts of the situation and that any laboration would help.

ROMNEY was blasted by Secretary of State Robert S. McNamara on Thursday. McNamara said, "I don't think you can recognize the fact that he sees it or hears it in a press conference in Saigon. McNamara's comments led a parade of comments about the presidential pros-pect. McNamara's remarks became the brunt of jokes and partisan comment came about McNamara's declaration that he was "brainwashed" by the view of the Viet-Namese during a visit to Hanoi in 1965.

UNION WORKERS threw up picket lines at the Ford Motor Company's plants across the country, shutting down the second largest manu-facturing corporation in a mass-ive strike which Henry Ford said was "totally unjustified and unnecessary."

DETROIT NEWS, long-time backer, dropped a presidential possibil-ity. The "essence" of the making of a presi-dent should be Governor Nelson Rockefeller of New York. The "News" attacked the "in-formation" and "retreat" ha-ving the familiar realm of domestic and foreign affairs.

SUPERINTENDENT of schools Bernard Drachler, who was suspended Friday to place the nation's largest school system Mon- day, September 11, in some of the 28 school districts. Drachler has refused to accept a contract were the outcome of Sat-urday's appeal court hearing. Drachler is on a walkout. School boards can get the force teachers out of the schools. The Appeals Court ordered a circuit court to order the 229 teachers back to school pending the outcome of the hearing on Monday.

### Leaders Announce Torch Drive Goal

Announcing the 1967 Torch Drive goal of \$26,360,595 are (from left, seated) Robert B. Semple, president, Wyandotte Chemicals Corp.; the goal and allocations committee chairman, Allen W. Merrell, Ford Motor Co. vice president, civic and governmental affairs, and the UF president, Wendell W. Anderson Jr., president of Bundy Corp., all Grosse Pointers. Standing are the UF executive vice president, Walter C. Laidlaw, of Birmingham, and the UF board chairman, Max M. Fisher, of Franklin. The goal was recommended by Merrell's committee and approved by the UF board of directors.

### Six Claimants To View Boat Found Adrift

Craft 'Recovered' Second Time After it Disappeared from Shores Municipal Park Beach

Shores police, seeking the owner of a sailboat that was found adrift near the shipping channel in Lake St. Clair on August 28, said that six persons have phoned or written, claiming possible ownership of the craft. The story was in last week's issue of the NEWS.

Dets. Frank Mustazza and William Marshall said on Monday, September 11, that the boat, beached at the George Osius Municipal Park, disappeared from the park during the week, but was recovered from the home of one of the two 16-year-old boys who found the craft and towed it to the shoreline. The youth, the officers said, apparently felt that "finders is keepers" in the mat-

### Memorial Center Holds Annual Meeting Sept. 25

The officers and directors of the Grosse Pointe War Memorial Association are inviting all of the Center's current contributors to the 19th annual dinner meeting to be held in the Fries Crystal Ballroom, Monday evening, September 25, at 7:30 o'clock.

There is a token \$2.50 charge for the banquet and reservations are requested at the Center's office no later than Saturday, September 23.

Following dinner, guests will be entertained by Ronald Scollon, who teaches classical guitar at the Center and who performed in the Summer Music Festival. Also artists from the Center-sponsored Grosse Pointe Chamber Music Players will play.

### United Foundation Sets Top Goal of \$26,360,000 For Annual Torch Drive

Leaders Confident of Success Despite Unexpected Negative Factors; Pointers Play Leading Roles in Big Campaign

The United Foundation, first in united fund raising throughout its 18-year history, has set its sights on a new high. Its goal for the 1967 Torch Drive will be \$26.36 million.

The UF board of directors approved the figure recommended by goal and allocations committee chairman Allen W. Merrell, Ford Motor Co. vice-president, civic and governmental affairs.

The UF directors also approved the recent action of the UF officers disaster relief committee which placed \$1 million in a special fund to provide emergency relief for victims of the July violence as well as services to the military, police and firemen.

In other action, the directors elected two vice presidents and three additional board members to fill vacancies resulting from retirements and deaths.

In submitting his committee's recommendation, Merrell, who

lives in Grosse Pointe Farms, termed the 1967 goal "realistic and attainable."

Reasons for increase Primary reasons for the increased goal, he said, are necessary salary adjustments, the cost of maintaining and improving current programs, and the expanding needs of servicemen assigned to the Vietnam operations and their families.

Max M. Fisher, of Franklin, UF board chairman, presided at the meeting and said:

"It was not easy to set this goal. However, if Detroit is going to meet the minimum needs of our agencies, this figure is fair to our contributors and agencies."

"We can raise it and I am confident we will," he added. He said "a rather rough year" has damaged Detroit's image and declared "nothing would be better for our community than a highly successful Torch Drive."

While noting that "many fac-

### Have Fire Scare At Bon Secours

Bon Secours Hospital authorities called the City of Grosse Pointe Fire Department on Wednesday, September 6, to report the odor of smoke in the hospital.

Firemen thoroughly checked the entire building from basement to roof, with the assistance of the hospital's head engineer, Herb West. They also checked the incinerator and furnace room but could not determine the origin of the odor.

City Firemen advised Sister Joseph Elizabeth to notify them immediately if the odor of

### \$11,484,409 Budget Set For Schools

Board of Education Approves Figure Following Public Hearing; Enrollment Rises

The Grosse Pointe Board of Education approved a total budget of \$11,484,409 for the 1967-68 school year at one of three successive meetings held on Monday, September 11. The sessions were chaired by Mrs. Paul G. Hykes, president.

The unusually busy evening for the trustees, Dr. Theos I. Anderson, Superintendent of Schools, and members of the administrative staff began at 7 p.m. for the purpose of opening bids on a \$3,500,000 Tax Anticipation Loan. The 10-minute meeting, held in the Board Room of the Administration Building at 389 St. Clair avenue, resulted in acceptance of a low bid of 2.78% submitted by National Bank of Detroit.

The loan is a routine financial transaction approved by the State of Michigan to facilitate school district operation. The action is necessitated by the fact that the fiscal year begins July 1 while tax revenues are not due until December.

Move to Maire School For the next round of activity the trustees moved to the gymnasium of Maire Elementary School, 740 Cadieux road, where they held a public hearing on the proposed budget for the 1967-1968 year.

Initial presentation on the budget were provided by a three-man team composed of Superintendent Anderson, Dr. Joe Spagnoli, Assistant Superintendent - Administrative Services, and Ray MacArthur, Director of Business and Finance.

Details of the \$11,484,409 budget reveal that \$7,216,090 or 67.9 percent are earmarked for instruction. Operation, the second largest category, amounts to \$1,027,155, or 9.67 per cent.

Maintenance amounts to \$464,045 or 4.37 percent, community services (including the Grosse Pointe Public Libraries) \$448,825 or 4.22 per cent.

Current local taxes provide 71.8 percent of the receipts, with State Aid amounting to 19.8 percent. Other revenue, delinquent taxes and interest make up the balance.

No Tax Reduction Tax rates for \$1000 of State Equalized Valuation amount to \$22.90 for operation and \$2.59 for debt retirement. Although this represents a decrease of .17 per \$1000, there will be no reduction in taxes because the State Equalized Valuation for the school district has been raised by State Equalization Board in the amount of \$37,642,161.

Reasons given for the increase of \$1,560,490 in the total budget include higher operating costs, including a rise in price of various supplies, staff salary in-

### Juvenile Driver Faces Charges

Farms Patrolman Clarence Reichling, while on routine patrol west of Lake Shore road on Wednesday, September 6, observed a late model car traveling on the road, bearing two different license plates, and arrested the driver, a juvenile.

Reichling said that he took the juvenile, a 16-year-old Detroit boy, to the station when the teenager said he had no operator's license.

At the station, a search of the youth's vehicle disclosed a tire iron and a knife under the front seat, which the boy declared were there for his protection. The items were confiscated and tagged and placed in the property room.

It was found that one of the license plates was properly registered to the car, belonging to the teenager's father, and the other plate belongs to a friend. The car was impounded until the proper plate and title were presented to prove ownership.

The 16-year-old was issued a violation ticket for never having acquired a Michigan operator's license, and for having improper plates on his car. He was released to his parents pending a hearing date in

### Disposal Authority Appoints Pointer As New Manager

Vernon H. Olson Picked to Succeed Murray M. Smith Who Retired After More Than Three Years with Organization

The appointment of Vernon H. Olson, 62, of 19986 Holiday road, as the new manager of the Grosse Pointes-Clinton Refuse Disposal Authority, was announced by Ledyard Mitchell, Jr., Authority chairman, on Monday, September 11. The new manager took over officially on September 1.

Olson succeeds Murray M. Smith of 312 Beaupre lane, who announced his retirement after more than three years as manager of the organization. Smith took over the post following his retirement as the Farms' city engineer.

Smith was appointed city engineer on June 15, 1926, and on April 18, 1955, was granted a two-year leave of absence by the Farms council so that he could travel to Saigon, Indochina. He was sent to that country by the U. S. State Department to help the Indochinese government plan a modern sanitary sewer system.

He returned to the Farms on June 10, 1957, and officially retired from his post on June 30, 1964, and then took over the Authority position.

Is Lone Survivor Smith is the only survivor of three Pointe officials who, since 1951, had dreamed of the formation of such an organization as the Grosse Pointes-Clinton Refuse Disposal Authority. The other officials are the late Park City Manager Everett B. Lane, and the late Grosse Pointe City Manager Norbert P. Neff.

Smith, and his wife, Luella, who delayed their travels while Mr. Smith was manager of the Authority, will spend approximately eight months touring the United States in a trailer. The tour will include visits to their daughter, Mrs. Sally Lind, and her family, of Rockford, Ill., and their son, Murray Smith, Jr., and his family, who reside in Sacramento, Calif.

Olson from Minnesota Olson, who has lived at the Woods address since December 1948, is a native of Minneapolis, Minn., where he received his education. He is a graduate

### Woods Ordinance Declared Legal

The ordinance passed by the City of Grosse Pointe Woods in March 1967 requiring a license to practice cosmetology in the city has been ruled valid by Attorney General Frank J. Kelley.

The attorney general's opinion was presented to the Council by Nicholas J. Rini, who represented the cosmetologists at the September 11th meeting.

The City of Grosse Pointe Woods urges cosmetologists who have as yet not obtained their licenses to contact the city and they will mail the necessary license applications, or if the applicant desires, the license application may be picked up at the Municipal Building.

The ordinance became effective September 1, 1967.

### Park Denies U.S. Hospital's Request for Parking Spaces

The Park council, on Monday, September 11, "regretfully" refused to lease approximately 35 parking spaces in the city-owned parking lot at Alter road and Windmill Pointe drive, badly needed by the U.S. Public Health Service (Marine) Hospital, 14700 Riverside drive, Detroit. The hospital is adjacent to the Park's Waterfront Park. Present at the meeting to plead their cause were Dr. K. K. Wong, medical officer in charge, and Seward Proctor, administrative officer, the latter stating that the hospital needs parking space and is willing to negotiate a contract with the Park, at a mutually acceptable annual rate, for the use of the parking lot.

Proctor informed the council that the reason for the need of parking facilities arose, when last fall, Detroit repaved and widened Riverside drive in front of the hospital. Since that time, parking for patients and visitors has become acute, and many automobiles have been ticketed each day by Detroit police. Every foot of hospital ground

### Reject Second Bond Issue by Small Margin

Pool and Facility Construction Needs Only Clearance from State

At a special election held on Tuesday, September 12, Park taxpayer-electors overwhelmingly gave their approval to a bond issue to raise funds to build a new swimming pool in the Waterfront Park, but rejected a second bond issue for a similar facility at the Three Mile Drive Park.

Proposition 1, which now allows the city to borrow \$580,000 and issue general obligation bonds for the purpose, received the approval of 2,265 voters, as compared to 644 who rejected it.

Proposition 1, which would have authorized the Park to borrow \$280,000 for a swimming pool in the Three Mile Drive Park, was turned down by a vote of 1,555 to 1,323.

There was high hope for the second proposal when all the votes were tabulated from Precincts 3, 4, 5, 6 and 7, and the totaled votes showed that 916 electors favored the second proposition, and 968 were opposed. However, when the ballots from Precincts 1 and 2 were totaled and added to the official count, the totals showed the 1,323 in favor, and the 1,555 against.

City Clerk Charles Heise said that the number of taxpayer-voters who cast their ballots at Tuesday's special numbered 3,054. Apparently, not all qualified electors saw fit to go to the polls, according to the number who voted for and against a one million dollar bond issue last November 3.

At this last election, when the bond issue was presented in a single package, for practically the same reasons as was voted for on Tuesday, a total of 4,656 electors went to the polls. The issue was defeated by a vote of 3,154 against, to 1,502 in favor.

If Proposition II had passed in Tuesday's election, it would have meant that a 12,000-square-foot heated swimming pool and a bathroom would have been constructed in the Three Mile Drive Park.

However, with the \$580,000 to be raised, and as authorized by

### Youth Wounded In Rifle Mishap

Woods police are waiting for the sufficient recovery of John R. Bux, 17, to question him regarding the bullet wound in his chest, apparently fired from a rifle owned by his father. The youth was home alone when he was wounded, it was said.

Det. Lt. Henry Marchand said that Bux, son of Mr. and Mrs. Robert Bux of 1300 Vernier road, was sitting on the arm of a chair in the living room when police were called to the house on Sunday, September 10, holding his hand over a bullet wound on the left side of his chest. He was rushed to St. John Hospital by police ambulance.

Mr. and Mrs. Bux, who had gone out to bowl at the Woods Recreation Center in Mack avenue, were notified of the incident and taken to the hospital.

Mr. Bux said that the fire-arm, a .22 caliber rifle, had been in the corner of his bedroom, unloaded. As far as he knows, no shells for the gun were kept in the house, the father said. His son is familiar with the firearm and has used it for hunting, but mostly for target practice.

The lieutenant said that John was left alone at 8:30 p.m., to prepare for school Monday, September 11. He is a student at Grosse Pointe High School.

Marchand said that the son told his father that the wound was accidentally self-inflicted. However, because of the boy's condition, no formal statement could be obtained for the record, it was added.

Police officers arriving at the Bux residence, in response to the initial call, said they found the rifle upside down behind the bed in the boy's bedroom, and a six-inch by three-inch blood stain on the right side of the bed. A spent shell was found in the room.

### Drive Goal Is \$26,360,000

(Continued from Page One) tors are definitely working against us," Fisher pointed out that Detroit has suffered considerably in the past "but unfavorable conditions never deterred us."

**Semple Is Chairman**  
The campaign general chairman, Robert B. Semple, of Grosse Pointe, called for "all-out support" and assigned the directors "the job of spreading the word that generous support is imperative."

The Wyandotte Chemicals Corp. president said he "had no idea we would be faced with so many negative factors" when he accepted the top campaign post.

He cited seven reasons for believing this year's goal will be more difficult to attain than the \$27.49 million total reported at last November's Victory Dinner. Last year's goal was \$24.95 million.

The reasons listed by Semple include the summer civil disturbance, paychecks pinched by other deductions, the new state income tax, threat of a federal surtax, increased living costs, the motor industry strike and "just plain sour" corporation earnings.

**Praises His Team**  
Despite the obstacles, Semple said the campaign organization has assembled "a great team of Torch Drive workers thoroughly dedicated to an all-out effort."

Merrell reported that allocations for 1968 total \$26,689,621. Included are the anticipated income from this fall's drive and an additional \$329,026 which will be transferred from the UF War Services Fund to underwrite American Red Cross and National United Service Organization (USO) services to the military in Vietnam and their families.

"We are able to provide agencies with a 6.8 per cent increase in 1968 while recommending a 1967 Torch Drive goal which is only 4.4 per cent over the 1967 allocations," Merrell pointed out. He said this was made possible through preplanned use of 1966 surplus for establishment of the War Services Fund earlier this year in anticipation of servicemen's increased needs and also the use of reserve funds.

**Cites Major Increases**  
Major increases in allocations, Merrell said, go to the American Red Cross, Southeastern Michigan Chapter, up \$370,527; Michigan Cancer Foundation, up \$36,900; Michigan United Fund (MUF), increased \$134,952, and United Community Services (UCS), up \$843,300.

Merrell said the Michigan Cancer Foundation increase will provide additional services now requested by Detroiters.

The MUF allocation includes support of a new agency, the Florence Crittenton Association of America.

The Boys' Club of Auburn

Heights and Clinton Valley Council, Boy Scouts of America, formerly budgeted by the UF, have been transferred to UCS.

Campaign and administration costs went up \$56,955, and miscellaneous agencies are allocated \$44,548 more than provided this year.

Merrell said the Rehabilitation Institute requested \$4,080 less than last year because of increased income from other sources.

The directors also approved the goal and allocation committee recommendation that \$500,000 be transferred from reserve funds to the 1968 reserve for collection loss.

**New Officers Elected**  
New officers and board members were elected following the report of the nominating committee headed by James O. Wright, president, Federal-Mogul Corp.

Named vice-presidents were Campaign General Chairman Semple and Judge Wade H. McCree Jr., U.S. Court of Appeals.

Other board members elected were Russell E. Leach, president, Wayne County AFL-CIO Council; Edwin O. George, president, Detroit Edison Co., and Tom Killefer, vice president, Chrysler Corp.

Health and community services benefiting from this year's Torch Drive, scheduled Oct. 17 through Nov. 9, total nearly 200. UCS is the budgeting and planning federation for local services. State and national agencies are funded through MUF.

### Exchange Club Opens Meeting

Jerry A. Zerbe, from the Mott Community School Program of Flint, will be the speaker at the September 25 meeting of the Exchange Club of Grosse Pointe.

The Mott Community School Program has developed a project, backed by community leaders, that is making progress in the prevention of crime and delinquency in the Flint area.

Because of the timeliness of Mr. Zerbe's message, the Club has opened its meeting to interested people in the Grosse Pointe community. The club meets at 7 o'clock in the banquet room of the Golden Lion Restaurant. There is a charge of \$5 for the dinner.

Reservations may be made by calling Charles Marling, president of the Exchange Club of Grosse Pointe, at 886-6210.

City Police arrested Joseph W. Janicki, 3385 Holbrook, for drunk driving on Mack. Lorraine to Rivard, on Saturday, September 9. Janicki was taken to the station and notified of his rights. He was held in cell in lieu of \$50 cash bond.

### Six Claimants

(Continued from Page One) ter, and took the boat without the knowledge of local officials.

Mustazza and Marshall said that since the story appeared in the NEWS, six persons claimed that the sailboat might be theirs. Each claimant will be given an opportunity to view the boat, and to prove ownership, the policemen said.

The detectives said that the boat was found adrift by the 16-year-olds, who were in an outboard, and who were returning from Mitchell Bay, Canada. The boys towed the craft to the park harbor because it was the closest at hand. The teenagers left without identifying themselves. The name of the boy who took the boat was not disclosed, due to the circumstances.

The abandoned sailboat is 12 feet long, with a four and one-half foot beam amidship, and is constructed of plywood, with the interior covered with varnish, and the exterior painted a medium blue. It has an 18-foot mast and appears to be seaworthy. It is in excellent condition, except for a broken steering rudder.

The boat had no serial number, no Secretary of State registration number, name, or anything that might identify it, or its owner. There were no sails, no anchor, cushions or life saving equipment.

### Hospital Plea

(Continued from Page One) has been surveyed for additional parking space, but 25-30 more spaces are needed, he added.

Mayor Matthew Patterson, apparently feeling uncomfortable, told the hospital officials that he sympathized with them because of their predicament, but unfortunately leasing parking space cannot be done.

The mayor cited certain facts, including the use of either the waterfront parking lot, or the lot at Alter and Windmill Pointe drive, for parking of residents' cars during the summer months, while the park is open, and for parking of vehicles of ice skaters in the park during the winter months. Too, city vehicles and equipment are stored on either of the lots during winter.

The mayor also pointed out, even though Proctor stated that he had observed that approximately one-third of the Alter road lot is not in use, including in the summertime, that if the voters approve the bond issue proposals for new swimming pools, especially for the waterfront park, all spaces could possibly be filled.

He said that although not all spaces are taken up during the summer, if and when the new pool is completed and in use, more people will use the new facility, than are using, or have been using, the present one. With more people at the Waterfront Park, using the new pool, it stands to reason that there will be more cars filling the available spaces, he added.

Councilman Warren Cougar presented a motion, "regretfully" denying the hospital's request for lease of the Alter road lot parking spaces. The denial was approved by all members of the council, except Councilman George Verdonck, who was absent.

### TO BUY BREATHERS

The Woods Council at the meeting on Monday, September 11, voted to award to Safeco, Inc. the bid for Scott Air-Pak 30-minute self-contained breathing units and breathing tubes, since their bid included freight charges and terms of 2% 20 days, which made their net bid the lowest received. The breathing units were \$1,605 and the Scott Breathing Tubes \$49.50.

 crements and adjustments, the renovation and remodeling of personnel to meet the needs of the growing system.  
 Time allotted for the formal presentation and question from the audience lasted from 7:30 to 9:45 p.m. When all questions had been answered the trustees cast a unanimous roll call vote for adoption of the proposed budget for the 1967-1968 year.  
 Following a 10-minute recess the meeting resumed at 9:55 p.m. with the Superintendent's Monthly Report.

**Enrollment Rises**  
 Dr. Anderson revealed that the enrollment of the schools stood at 12,447 on the first day of classes, Thursday, September 7. By Monday, September 11, the total had risen to 12,532, an increase of 294 since one year ago at this time.

The largest in enrollment was noted at Grosse Pointe High School, which now has 3,092, or 5.28 per cent more students than last year. As of Monday the junior high schools had gained 102 and the elementary schools contained 37 more pupils than at the same time in 1966.

It was revealed that the construction of the central academic wing of Grosse Pointe

High School is presently ahead of schedule. Although students will not occupy the building until the fall of 1968, it is anticipated that the offices may be occupied this coming November.

**Demonstration Classroom**  
 There is also the possibility that within 10 days to two weeks one demonstration classroom will have been furnished and available for public inspection.

The school trustees acted upon a variety of personnel recommendations, including the appointment of Millard D. Grell as Director of Instruction. They also approved the Report of the Committee on Accounts Payable. Textbooks for the Contemporary English Course at Grosse Pointe High School were approved.

To comply with a recently passed State Law requiring 180 days of instruction, school will be in session on May 10, 1968, previously scheduled for the Schoolmaster's Club Day and the local elementary teachers' institute.

In her opening remarks President Hykes reminded the audience of approximately 150 that in light of teachers' strikes in the Detroit area and throughout the nation Grosse Pointe is fortunate to be able to provide an atmosphere of continuing educational opportunity for its youth.

At the conclusion she thanked the members of the audience for attending the meeting to show their interest in the affairs of public education.

The meeting ended at 11:30.

### Authority

(Continued from Page One)  
 of the University of Minneapolis.

Before coming to the Pointe, Olson was a plant and production manager for the Contour Saw, Division Incorporated, of the Duall company, in Minnesota, from 1934 to 1948. He left this position to become general manager of the Nicholson File, Barnes Saw Division of Warren, Michigan, serving from 1948 until he retired this year.

He is a member of the Grosse Pointe Yacht Club, The University Club, The Detroit Athletic Club, and education chairman of St. Paul Lutheran Church in Chalfonte avenue.

He is married to the former Mabel Bergin of Minneapolis. The couple have a son, Richard, 21, who is a metallurgist technician, and who resides at home.

Olson's duties will be to report to the Authority Board of Directors and to manage all Authority affairs under its direction.

### TRAINING OFFICERS

LTC George E. Zeock, of 1424 Vernier, is busy making final plans for the instruction being given to some 150 officers from the Detroit area. LTC Zeock is the Plans & Training Officer of the 5032nd which is conducting 12 classes for U.S. Army Reserve, National Guard, and Regular Army officers. The 5032nd, with headquarters in Livonia, has the mission of qualifying officers for higher staff and command positions.

### Human Relations Council Holding Riot Discussion

The fall meeting of the Grosse Pointe Human Relations Council will feature a discussion of the needs of the riot area of Detroit by a blue ribbon panel which includes J. L. Hudson Jr., chairman of the New Detroit Committee.

Wayne County Circuit Court Judge Horace Gilmore termed the meeting "a frank discussion of current needs in the Center City by qualified experts who are deeply concerned and committed to the plight of our city."

The meeting is scheduled for 8 p.m., Sept. 21, at the Grosse Pointe Memorial Church, 16 Lakeshore Drive.

Hudson was named by Detroit Mayor Jerome P. Cavanagh to head the New Detroit Committee, which was assigned the task of determining the best way to rebuild the riot devastated areas of the city.

Other members of the panel will be Dr. Sally Cassidy, Ph.D., head of the social science department of Monteith College, Wayne State University; Hubert

Locke, former administrative assistant to the Detroit police commissioner; and Detroit real estate executive William P. Walsh.

"This group will draw on its experience and conduct a frank discussion of the problem and needs of the center city and respond to any questions from the audience," Judge Gilmore said.

"At the same time, the panel will be seeking active volunteers from all professions to aid in the work to be done," Judge Gilmore added. "Presently, there is a need for virtually every profession in the various projects under way to revitalize the core city — lawyers, realtors, insurance men and many more."

Miss Cassidy is one of the initiators and chairman of "Homes By Christmas", a program aimed at resettling families displaced by the recent riots into the suburbs.

Locke, a professor at Wayne State University, served as ad-

ministrative assistant to the Detroit police commissioner for two years. He will provide insights into the background, Judge Gilmore said.

Walsh is president of Urban Dynamics, which helps develop

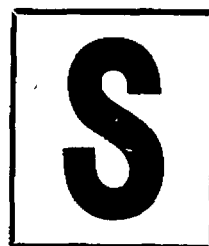

and form organizations to act and solve problems at the grassroots level.

"This meeting was stimulated by the thousands of calls the Grosse Pointe Human Relations Council members re-

ceived from suburbanites during the July riots who wanted to know if there was anything they could do to help," Judge Gilmore said.

"It's apparent that there is much to be done by everyone and it's equally apparent that healthy suburbs depend on a healthy city," he added.

Now in the Village

Last year,  
 over a quarter million owners  
 of other low-price cars  
 were won over to Plymouth.  
 It started a movement, a momentum,  
 a beat.

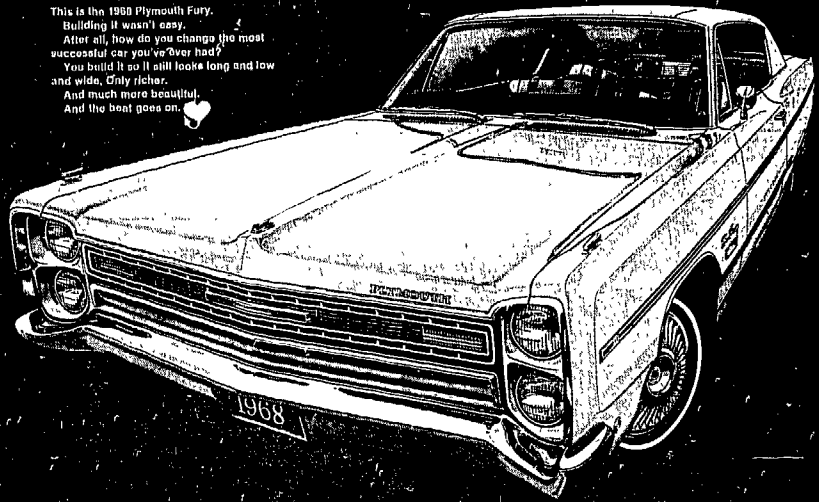

And the Plymouth win-you-over beat goes on.

inside, our stylists kept Fury's options from looking "added on."  
 The new automatic speed control is on the turn signal lever.  
 The new air conditioning has outlets integrated with the instrument panel, and can be regulated by a new automatic temperature control.  
 And the beat goes on.

Fury has the biggest standard V-6 in its class.  
 And the biggest brakes.  
 And the biggest trunk.  
 It's also the heaviest. And the most solid.  
 And the beat goes on.

This is the 1968 Plymouth Fury.  
 Building it wasn't easy.  
 After all, how do you change the most successful car you've ever had?  
 You build it so it still looks long and low and wide. Only richer.  
 And much more beautiful.  
 And the beat goes on.

This is the 1968 GTX.  
 One in a whole new line of mid-size cars for '68: GTX, Sport Satellite, Satellite, Doladoro, Road Runner.  
 They're sized right between our big Fury and our compact Valiant.  
 And the beat goes on.

We gave our Supercar, the GTX, a special new hood with side-facing hood scoops.  
 And we created a new low-cost, high-performance coupe called the Road Runner.  
 And the beat goes on.

Engines range all the way from a standard 225 Six and a V-8 that won its class in the Mobil Economy Run—all the way up to a 383, a 440, and Chrysler's famed 426 Hemi.  
 And the beat goes on.

There are 84 new Plymouths for '68. Full-size, mid-size, sports cars, wagons and compacts.  
 We could build a car a minute for an entire year. And never build two exactly alike.  
 And the beat goes on.

**Pointe Symphony Issues Call for Good Musicians**

The Grosse Pointe Symphony is about to begin another exciting season under the capable baton of Felix Resnick. Known by many music critics as one of the country's most capable and accomplished community symphonies, the Grosse Pointe Symphony will perform as usual at the Parcels Auditorium on November 10, January 29, March 17 and May 5.

Mr. Resnick has announced a need for musicians who might take their rightful place with the orchestra this season. Wednesday night rehearsals at Parcels are about ready to begin, and those who are able are encouraged to call the Department of Community Services at 885-3808 for an introduction into one of the communities' most formidable organizations.

Mr. Resnick has indicated that auditions are not necessary. The Symphony Society has appealed to the entire community

**Woods Will Buy Seven Vehicles**

The Woods Council voted to concur with City Administrator, Chester E. Peterson's recommendations for the purchase of seven vehicles.

All recommendations for purchase, with the exception of a Cargo Van for the Department of Public Safety and a Jeep were the low bids.

The bid for the Cargo Van was recommended although not the low bid, so that all three of the Cargo Van type trucks would be of the same manufacture and thus effect savings in maintenance and stocking parts costs. The Willys Jeep, although more expensive than the other bid, had a tread width of only 48.44", which makes it better adaptable for sidewalk snow plowing.

The total cost of the seven vehicles was \$30,430.00. Bids were awarded to Colonial Dodge, Inc. and Henry V. Moss and Sons.

Use reason as a guide in life, and principle as a safeguard.

the approval of Proposition 1, a part of the money will be used to construct a wading pool and add to recreational and parking facilities at this park.

Also, the money will be used to construct a 12,000-square-foot heated swimming pool; a bathhouse (required by the State); construct a seawall and fill the old marina to create additional parking land; construct a wading pool; a spray pool, to be located in a sandy area, and improve parking facilities at the Waterfront Park.

City Manager Stone said that now that the electors have given consent, no further action is needed by the city council. Everything will be set in motion to start work on the project at once.

He said that plans and specifications have already been drawn up by architects, and have been approved by the council. All that remains to be done is to obtain a construction permit from the Michigan Department of Health; receive the approval of the Michigan Finance Commission in Lansing to sell the bonds; and then advertise for bids and award contracts.

Stone said that work on the swimming pool and other facilities, will be started as soon as everything has been cleared through official channels. Contractors will work through the fall and winter months, and barring complications, the pool and the other projects should be ready by the time the parks officially open for the 1968 summer season.

Park officials practically breathed a sigh of relief, that at least Proposition 1 had gained the favor of a majority of the voters, although they would have liked to have seen the second also approved.

If the first proposal had not passed, the Park would have been without a swimming pool for the next season because it would have been closed down by the State Health officials, under a new law that went into effect on January 1 of this year. The law gives the Health Department jurisdiction over all public-owned swimming pools.

Early in the spring the Department refused to grant the Park a permit to open its Waterfront pool because it was obsolete and did not comply with health and safety standards as defined by the new law.

After many meetings, the Department finally consented to grant the permit for the 1967 season only, with the understanding that the Park construct a new pool. Severe restrictions were imposed while the facility was in use this past summer.

**School Professional Staff  
Enjoyed Varied Vacations**

During the summer of 1967 members of the professional staff of The Grosse Pointe Public School System engaged in a variety of activities during the recess from their teaching responsibilities. Some taught college classes, others served on camp staffs, while still others taught in school-related federal programs.

Andrew Balas of the English staff at Grosse Pointe High School directed the Summer Reading Institute for the Northeastern School District of Springfield, Ohio, this summer. The program encompassed grades 2-12 and Mr. Balas taught reading and study skills for senior high students.

"Even good readers can gain a great deal in reading efficiency as a result of a few weeks of intensive practice," he said.

"There is a strong trend toward the individualized project; this will require the greatest proficiency in reading and study skills," he added.

Robert Button, publications adviser and English teacher at Grosse Pointe High School, had a teaching assistantship at the University of Iowa's School of Journalism this summer.

Miss Mary Lu Eyster, a teacher at Poupard School, was a faculty member at the University of Connecticut. Her on-campus responsibilities from June 25 through August 4 included a course entitled "Teaching Language Arts in the Elementary School" and "Methods and Materials for Teaching Arithmetic in the Elementary Schools."

"I thoroughly enjoyed working with experienced teachers in these two areas," she said recently.

Dr. Robert J. Hanson, Guidance Coordinator, was on the staff of Eastern Michigan University. He taught a graduate seminar, Practicum I, a required course in the master's degree program in counseling and guidance.

Edwin Holmberg, School Social Worker, taught a course in the summer session of the College of Education at the University of Virginia. "I taught the introduction of casework skills at the request of the State of Virginia's Consultant for Special Services," he said.

Marshall F. Moser, Assistant Principal of Brownell Junior High School, was a Visiting Instructor in Vocational Guidance at the University of Louisville. He was also Assistant Director of the General Electric Guidance Fellowship Program.

"Once again I enjoyed very much working with 50 secondary school counselors from 9 Midwestern states. The opportunity to discuss and exchange professional experiences proved to be a most stimulating summer activity," he said.

James Sando of the driver education staff taught Advanced Driver Education and the Psychology of Driver Behavior for Western Michigan University. "Quite a change from high school sophomores to graduate teachers," he commented.

Two members of the staff of Brownell Junior High School worked at the Bay Court Camp in Waterford. Donald Bassett was Assistant Director, an experience he describes as "valuable for a school teacher." Miss

Patricia A. Scheff was an Intermediate Unit Head, in charge of four cabin counselors. "I found this a most interesting opportunity," she said. "I did enjoy working with the youngsters."

Mrs. Brigitte Rauer, German teacher at Grosse Pointe High School, served as a bilingual secretary in the Detroit offices of the Austrian Consulate. Of her position as a vacation replacement, she said, "Through contact with citizens from the former Austrian Empire with its many nationalities and from today's Austria, I received a living review course in Austrian history and culture."

Mrs. Patricia Panzer of the science department of Pierce Junior High School did research at Detroit's Rehabilitation Institute on the blood volume of the arms and legs of normal children. "Not only did we obtain valuable data, but also the children developed a more positive and realistic attitude toward doctors and hospitals," she said.

Russell P. Luttinen, also of Pierce, worked at the National Music Camp at Interlochen for the fifth summer. He served as Assistant Director of its news bureau.

James Cooper of the physical education department of Grosse Pointe High School was Day Camp Director at the Country Club of Detroit. Thomas A. Gauerke, also a physical education instructor, was director of the pool and swimming program at Neff Memorial Park in the City of Grosse Pointe.

Mrs. Linda Southworth of the Mire School staff was a head teacher in Project Headstart conducted at the Orchard Elementary School in Monroe. "After three years' experience in the program I find it improving and worthwhile," she said.

Miss Barbara P. Theophilis of Defer participated in Project Headstart at the Willard School in Highland Park. "This was my third summer working with these children. I found it very gratifying helping children who truly need the extra attention and time," she commented.

Miss Paula A. Luberto of Monteth School was a camp counselor at the Pretty Lake Camp in Mattawan, a field experience related to a course offered through Western Michigan University.

"This field experience brought great insight into the behavior of economically disadvantaged youth. It was an excellent supplement to a graduate class," she said.

Miss Jane A. Thorn, also of Monteth, taught archery at Grosse Pointe University School. "I enjoyed my job very much. I feel that I gained valuable insight into the behavioral patterns of children of varying ages," she said.

And last, but hardly least, Dr. Stanley Cook, head of the English department, worked on his farm. Mowing and spraying the Orchard, picking and grading pears gave him a change from his school duties.

Serving in Vietnam**

Marine Private First Class John T. Griffith, son of Mr. and Mrs. John T. Griffith of 1382 Grayton road, is in Vietnam serving with the First Marine Division just outside Da Nang.

The First Marine Division helps form the ground element of the Marine Corps air-ground team and conducts large-scale search and destroy operations against the enemy in South Vietnam.

The unit is also engaged in a civic action program designed to assist the Vietnamese people in completing self-help projects, such as the building of wells, culverts, small bridges and schools. Equipment and materials for the projects are made available through the Marine Corps Reserve Civic Action Fund. Marines in Vietnam provide the know-how and guide the Vietnamese people in carrying out these projects.

### Lands in Cell For Taking Bike

While on routine patrol, city police observed a young man abandoning a bicycle in the rear of a gas station on Fisher and Maumee, on Saturday, September 9, at 12:45 a.m.

Upon investigation the officer found that Ronald Berli, 20, of 898 Brys, had picked up the bicycle on Roosevelt, while on his way home from a party in the Farms. He had asked friends to drive him to his car, which was parked on Touraine and Chalfonte, but they refused. He had started to walk to the car when he picked up the bicycle belonging to Joan Stevenson.

He was charged as a disorderly person (larceny of a bicycle) and given a November 28 court date.

### Cinema League Meets Sept. 21

The Grosse Pointe Cinema League will meet next Thursday evening, September 21, at 8 o'clock, at the Grosse Pointe War Memorial Center. Refreshments and a social hour will follow the film program, to be presented by Clarence L. Komorowski in Fries Auditorium.

Mr. Komorowski's "Wing Safari of East Africa" was taken in October, 1965. It is a 16mm color with magnetic sound track, featuring narration and background music.

The film was shot in Nairobi, start of most camera and game safaris in East Africa, and at Lake Rudolf, Samburu Game Reserve, Mount Kenya Safari Club, Tsavo, Ngorongoro Crater, the Serengeti Plains and Treetops.

This is Mr. Komorowski's second appearance before the Grosse Pointe Cinema League. He presented his first film, "A Tale of Two Palms," a 16mm color and magnetic sound film on Hawaii and Tahiti, September 23, 1965.

Mr. Komorowski's films have been shown at St. Clair Shores Lions Club meetings, before the Pilots Club, for the Detroit Rehabilitation Institute and the General Motors Ski Club and General Motors Styling Division, where he works as a studio engineer in the Chevrolet Interior Design Studio, employees and their families.

#### FATHER VAUGHN CONCERT

Father Tom Vaughn, a swinging jazz pianist, and the curate at St. John's Episcopal Church, Midland, Michigan, will appear at Parcels Junior High School Auditorium, on Sunday, October 1, at 8 o'clock, sponsored by Young Marrieds, St. Columba Episcopal Church, Detroit. Donation \$3.

### To Give Talks On Alcoholism

Dr. Gordon Bell, Director of the Donwood Institute, Toronto, Canada, will speak in an open meeting on Sunday, September 17, at 7:30 p.m. in Miller Hall of Christ Church, Grosse Pointe.

Well-known for his interest in the problems of alcoholism, Dr. Bell has made significant contributions to the treatment and care of alcoholics and their families. Since the use and abuse of alcoholic beverages is a concern of adults and young people alike, Dr. Bell's background makes him a well-qualified speaker for the entire community.

He will also preach at the 9:30 and 11:15 services at Christ Church on the 17th.

### Convention Pays Kressbach Honor

Thomas W. Kressbach, City Manager of the City of Grosse Pointe, was asked by the director of the Michigan Municipal League Robert E. Fryer, to serve as an "expert" on the Consultation Round Table on Finance Budgeting and Accounting, at the 69th Annual Convention of the Michigan Municipal League.

Also attending the convention in Mackinac Island was Mr. Kressbach's wife, Ellie, Mayor David E. Burgess and his wife, Marie, Councilman George D. Henry and his wife, Betty.

### Ronnie K. Brenaman At Fort Riley, Kan.

Cadet Ronnie K. Brenaman, 21, son of Mr. and Mrs. Ronald H. Brenaman, 855 Hidden Lane, attending Army Reserve Officers' Training Corps summer camp at Ft. Riley, Kan. He is a student at Michigan State University, East Lansing, Mich.

He is receiving six weeks of marksmanship physical conditioning and other military subjects.

Upon successful completion of summer camp and graduation from college, he will be commissioned a second lieutenant in the U.S. Army.

Cadet Brenaman was graduated in 1964 from Grosse Pointe High School. He is a member of the Scabbard and Blade society.

#### NAMED CO-CAPTAIN

Charles McFeely of Grosse Pointe has been elected co-captain of the 1967 St. Lawrence University football team. He is a senior halfback and has won two varsity football letters with the Larries. McFeely was St. Lawrence's third leading ground gainer during the 1966 season and compiled a 3.3 yard-per-carry average.

### Burglars Visit Home in Woods

Burglars broke into the home of two sisters living in the Woods and ransacked three bedrooms, escaping with a small amount of cash and several pieces of jewelry, according to a report released by Woods authorities.

The breaking and entering was discovered by Mrs. Margaret Bunker of 934 Vernier, who told investigating officers that she had left the house at about 5:15 p.m. on Saturday, September 9, and returned shortly after midnight Sunday.

She said that as she pulled into the driveway alongside the house, she noticed that a screen was partially removed from its frame on a bedroom window. Mrs. Bunker said she peered through the window and saw the room in disorder.

She told police she entered the house to find that all three bedrooms had been ransacked, including the room of her sister, Mrs. Constance Hammes. No other rooms were disturbed, she said.

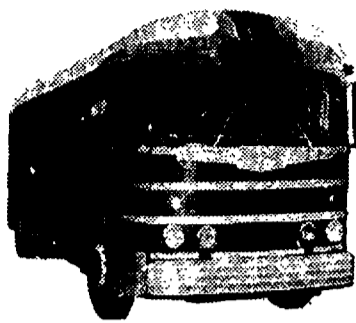

Missing from her room, Mrs. Bunker said, were two diamond rings, and a gold jewelry box,

values not given, and \$18 in currency. Her sister lost a pink silk purse containing \$55 in silver dollars and 50 cent pieces, and a white paper envelope with

\$10 in currency. Investigation of the burglary was referred to officers of the Detective Bureau.

## How to save your wife and over \$140.00 with a new Gas dryer.

If your wife is drying clothes on a line, she's working for less than 2¢ a load. That's all it costs to do it in a Gas dryer. And that's the thriftiest, easiest way in the world. It's 1/5 the cost of the next best way—with electricity.

So when you consider the number of loads dried by an average family, they could save over \$28.00 a year with Gas. In 5 years that comes to \$140—the purchase price of a new Gas dryer. And since installation is free, you can save right from the start.

No wonder we say Gas makes the big difference . . . costs less, too.

Pays Two Fines; Third Suspended

Richard Plopa, of 796 Washington road, appeared before Judge Douglas L. Paterson, on Friday, September 8, in the City Municipal Court. He was charged on three counts. On the first charge, being a disorderly person, Plopa pled not guilty and was found guilty and fined \$40. A pre-sentence investigation was ordered. On the second charge, disorderly person-violation of curfew, he pled guilty and was found guilty and fined \$75 or 10 days. Plopa paid both fines. On the third charge, going through a red traffic signal, he pled not guilty and was found guilty and fined \$25. The sentence was suspended because the defendant was hurt and going to the hospital.

Overnight Bag Awaits Claimant

A flowered, plastic overnight bag, found by Ray Carnaghi of 1415 Cadieux, containing a number of items, including clothing, is in the safekeeping of the Farms police, awaiting a claimant, it was revealed on Monday, September 11. The bag, found in the middle of Kercheval, near Vendome, about two weeks ago, holds a pair of prescription glasses, a dress, a nightgown, and a pair of shoes, among other items. Police believe that because of the contents of the bag, it apparently must belong to some young lady, who can have the property if she can prove ownership. The police station is located at 90 Kerby road, and the phone number is TUxedo 5-2100.

Center to Open Its Art School

Grosse Pointe War Memorial's Art School opens next week with an unusually large list of classes and instructors. Gary Souter, former advertising art director and current art teacher at Grosse Pointe High School, will present, for the first time at the Center, a course in graphic art involving typography, layout techniques and possibly silk screen. The class will be given on Monday evenings from 7:30 to 10 beginning September 25.

Prix de Rome winner Zubel Kachadoorian, who is Francis de Ederly and Carlos Lopez's prize student, will present a mixed media composition class Wednesday evenings beginning September 27. This unique course will cover charcoal with pastels, water color with ink, and acrylics with oil.

A seminar in art philosophy and criticism will be held under the direction of Professor Emil Weddige of the University of Michigan Wednesday afternoons from 1:30 to 3:30. All the contemporary philosophers of art such as Dewey, Maleroux and Herbert Reed will be discussed as well as the structure of art in relation to society. Mr. Fleming and Mr. Souter's classes are offered in 12-week terms for a fee of \$30. Mr. Kachadoorian's class is \$45 for the term and Professor Wed-

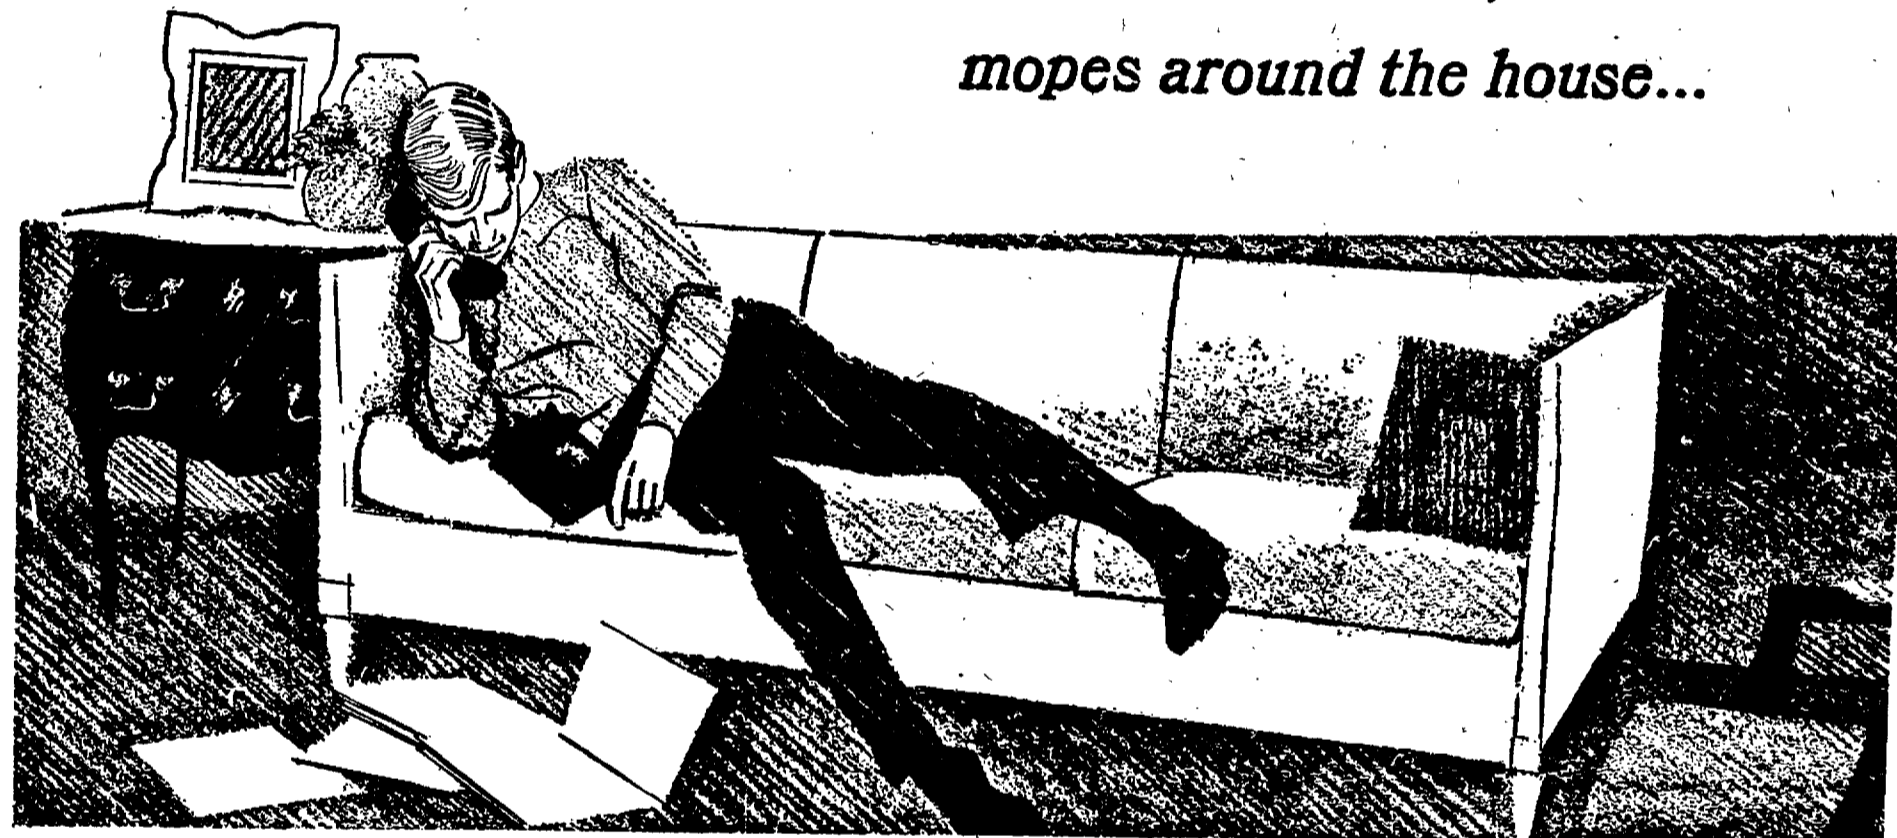

dige's seminar course is \$50. Advance registrations are requested as the classes are limited.

**Name Chairmen For Torch Drive**

Six division chairmen were named this week to direct residential solicitations in the Grosse Pointes during the 1967 Torch Drive.

They were appointed by Mrs. William W. Peattie, of 449 Moran, Torch Drive region chairman for the Grosse Pointes.

Mrs. Peattie announced assignments as follows:

Grosse Pointe Park, Mrs. Rex Ciavola, 1303 Devonshire; Grosse Pointe City, Mrs. Julius J. Huebner, 515 University place; Grosse Pointe Farms, Mrs. John P. Ohaway Jr., 47 Oldbrook lane.

Also, Grosse Pointe Woods, south of Vernier, Mrs. Bernard J. Uhalik, 1838 Newcastle; Grosse Pointe Woods, north of Vernier, Mrs. F. Wallace Bissinger, 915 Hampton, and Grosse Pointe Shores, Mrs. Russell R. Noble, 947 Lake Shore road.

"It will be a pleasure to work with these dedicated community leaders during the coming campaign," Mrs. Peattie said.

"They will be responsible for the important task of recruiting, training and organizing the many volunteers needed to conduct the door-to-door canvass," she said.

Three newly named division chairmen, Mrs. Huebner, Mrs. Ohaway and Mrs. Bissinger, are members of the Junior League of Detroit.

A Torch Drive district chairman last year, Mrs. Huebner has rung doorbells during many United Foundation campaigns "because of my interest in the many worthwhile UF services."

She is a former business administration student in the Harvard-Radcliffe program and holds a bachelor of arts degree in English literature from Northwestern University.

She and her husband, a manufacturers agent, have four children: Jay, 8, Charlie, 6, Peter, 3, and Carolyn, 9 months. Mrs. Ohaway, a Torch Drive volunteer since 1963, has served as doorbell ringer, area and district chairman.

She and her husband, an attorney, have three children: John, 5, Michael, 3, and Andrew, 1.

Mrs. Bissinger has worked in previous campaigns as solicitor, district, area and division chairman.

She received a bachelor of arts degree in economics from Michigan State University and is a member of Phi Gamma Nu.

Her husband is a cost estimator for General Motors Corp. They have three children: Mark, 10, Noel, 7, and Dean, 5 months.

Mrs. Uhalik has been a Torch Drive volunteer for 18 years.

She attended Cleveland College, and her husband is a sales engineer for North American Manufacturing Co.

They have a daughter, Linda, 18, and a son, Dennis, 16.

Mrs. Noble also has worked for the Torch Drive for a number of years and served as solicitor, district chairman and area chairman.

She is active in Faith Circle of the First English Evangelical Lutheran Church.

Mrs. Noble was a history major at Grove City College, Grove City, Pa. Her husband is chief engineer with Chrysler Corp.

The Nobles have a son, Mark, 20, and two daughters, Nancy, 9, and Sandra, 4.

The past is part of life, but it's the todays and tomorrows that really count.

**Invite Singers To Join Chorus**

The Grosse Pointe Community Chorus again opens its doors to all adults past high school age, who are interested in performing in a choral singing group. Rehearsals for the 15th annual Christmas program take place on Tuesday evening, September 12, at 8 p.m., and every Tuesday thereafter, from 8 to 10 p.m., at Parcels Junior High School, Mack at Vernier.

The chorus has been an important part of community life since its beginning in 1953, and performs two concerts each year, one in the spring and the other during the Christmas season.

The chorus will continue under the direction of Richard B. Johns, director of music for the Grosse Pointe Woods Presbyterian Church, and the accompanist will be Jerry Hughes.

Registrations take place Tuesday evenings, September 19, and 26, at 7:30, in Parcels Schools. There are no auditions required of any kind. The only important thing is the enjoyment of singing and the willingness and desire to sing and stage the best possible concert within the capabilities of the group.

For any additional information, please call 886-0710 or 882-0710.

**STOLEN CAR RECOVERED**

**If the thought of buying a new furnace bothers you, read this new Three-Step Protection Plan.**

- 1. First, call Edison. We'll give you the names of electric heat contractors near you. Each has been approved by Edison as qualified—and each is a reputable businessman. (And each will give you a \$150 trade-in on your old furnace if you convert to electric heat.)
- 2. Next, the contractor will check your home, review your needs, and recommend the type of heat best for you. He'll recommend electric heat only if it meets your needs. Electric heat is clean, quiet, comfortable and more economical than you'd imagine. In fact, electric heat rates have been reduced again—this time, by 10%. That's 30.5% in eight years. The contractor will estimate both installation and operating costs and give them to you in writing. All without obligation. We'll check the quotation if you like.
- 3. Then, after your new electric heat system is installed, Edison and your contractor, working together, will make any adjustments necessary to the system if operating cost exceeds the original estimate during the first three years of use. At the end of this time, if operating cost still exceeds the estimate, and you aren't satisfied, Edison will remove the system and refund your original price.

**EDISON**

That's our new Three-Step Protection Plan. What better way to protect your investment during every step of conversion to electric heat? Remember the First Step. Call Edison for names of the approved contractors nearest you.

### Neighborhood Club News

The Neighborhood Club is again offering a varied recreational program to suit all tastes and ages.

Several new activities are being featured including creative dancing for the 5-7 year age bracket under the direction of Mrs. Mercy Shattuck — dance specialist from Wayne State University.

For the field hockey-minded girls the Neighborhood Club is now co-sponsoring the Girls' Hockey Program with William Ehrlich, who will act in an advisory capacity. This activity is open to all Grosse Pointe girls ages 9-14. Arrangements as to time and place for practice have not been completed. Girls interested should call TU 5-4600 to register for further information.

Discussion Groups for Senior Teens is another new innovation offered. These groups are designed to offer opportunities to (1) increase ability to communicate effectively with others.

(2) Gain awareness as to how ones own behavior is perceived by others. (3) Obtain techniques for resolving conflicts effectively. Sessions will be held at Christ Church Parish House from 4-5 p.m. on week days. Discussion groups will be under the direction of Edgar Krattli. To register call TU 5-4600.

Other activities available this fall will be fencing, gymnastics, tumbling, judo, arts and crafts, ballet, baton twirling, basketball clinic, horseback riding for fifth and sixth graders and junior High Teens, trampoline, badminton for adults, and open gym and games room at Brownell Junior High on Saturdays from 9 a.m. to 4 p.m. and teen dances for Senior High 10th, 11th, and 12th graders.

Registration for all these activities is now being taken at the temporary Club office, 710 Notre Dame. For further information regarding fees, time and place please call Miss Masak, Recreation Director, TU 5-4600.

### Men Gardeners To Hold Display

Members of Grosse Pointe Men's Garden Club will display their choice flowers, fruits and vegetables at a flower show in the War Memorial building Thursday evening in Sept. 21, in conjunction with their regular meeting.

Ribbons will be awarded to winners. T. A. Demaire is in charge of arrangements. Members and men guests will attend.

Burt S. Francis, chairman of the club's garden evaluation committee, will speak on culture of various hollies. He is a member of the Holly Society of America and prior to coming to Grosse Pointe in 1966 was active in garden club work in New Jersey. His committee is

now completing its second visit to all members' gardens preliminary to awarding of the annual Schorr Horticultural Award and the De Petris cup for best garden chrysanthemums.

On Sunday afternoon, September 24, club members and their guests will join in a tour of several selected gardens, arranged by T. A. Demaire's committee.

Meantime, completion of judging in the school garden contest conducted by the club under chairmanship of Hugh V. Foley is going forward.

Revenge is like a rusty gun—it kicks harder than it shoots.

### Little Gridders Need Drivers

A record registration September 9 of some 170 youngsters necessitates the call for additional volunteer drivers for the Grosse Pointe Lions Little Footballers' Annual Candy Sale this Saturday, September 16.

Drivers are asked to report to the Neighborhood field, corner of St. Claim and Waterloo by 10 a.m. on Saturday to pick up route assignments and four or five footballers and then proceed to the home of the 1967 Candy Sale Chairman, Bob Brower, 715 Washington, to pick up their candy quota.

In launching the 1967 season last Thursday, September 6 at the Pierce Junior High School Auditorium, Jim Monaghan, president of the Grosse Pointe group sponsoring the local activity, told an audience of 110 parents and 142 youngsters that the cooperation of the parents was essential to the continued success of the program. He pointed out that their only financial assistance came from the yearly Candy Sale and its profits paid for the best equipment available. Each boy is expected to participate in the group sale this Saturday, September 16, and to sell an additional 24 boxes of candy at \$1 each by September 30.

### Hockey League's Teams Forming

With the start of the new 1967-68 hockey season, (approximately September 9 for Travel Teams and December 1 for House Teams), the Grosse Pointe Hockey Association, Inc. will provide hockey for boys between the ages of 7 to 18 years of age in the Grosse Pointe School District. All boys playing in the Association will have qualified supervision and clean balanced competition.

Each boy will be assigned to a team in a division and will remain a member of the same team throughout the year, except by mutual consent, the boy may be moved to the traveling team in his division.

The registration began on September 9 and will continue until December 9. Parent or guardian approval is required on or before this date to allow time to arrange teams and establish a practical season playing schedule. Those interested in registering may contact W. R. Sides, 606 Lincoln, 885-9475; Douglas Donald, Jr., 33 Beaupre, 882-5185 and William Gill, 1977 Hawthorne, 884-6472.

Additional coaches and managers are needed; if you are interested contact any of the divisional managers.

### Warriors Slate First Meeting

The Hannan YMCA Warriors, (Grosse Pointe Nation), is holding its organizational meeting for fathers on Monday, September 18, at 8 p.m. at the Grosse Pointe Central Library, 10 Kercheval.

Warriors is a father-son program for boys in the fourth-to-sixth grades, with their fathers. Its purpose is to foster the companionship of father and son. Members are organized into tribes of six to nine sons and fathers, according to schools. This year's activities include tent camping, camp-crafts, spectator and participant sports, hobbies, etc. The boys are encouraged to assume responsibility under the guidance of their father.

Tony May, 1967-68 Warrior Longhouse Chief, and Douglas R. Sperling, Community Program Director of Hannan Branch YMCA, will be in charge of the program for the organizational meeting.

### Power Squadron Has Free Course

The Grosse Pointe Power Squadron will offer its free course in small boat handling on Monday, September 18, at 7:30 p.m. Registration for this Piloting Class will be held at Grosse Pointe High School Annex.

The United States Power Squadrans course is open to both men and women over the age of 16. Ownership of a boat is not required.

The opportunity for skippers and would-be skippers to learn safe, happy boating through the skillful teaching of this unique organization should not be missed. Roy W. Vorhees, Commander of Grosse Pointe Power Squadron, expressed his conviction that many tragedies and near tragedies could be avoided by participation in the free USPS Piloting Class. For further information call TU 1-0699.

### State Penalizes Pointe Drivers

Two Pointers whose driving records were considered unsatisfactory, were meted the hardest penalty by the Secretary of State's Office in Lansing, by having their operator licenses revoked for failing to appear for re-examination. The disclosure was made known in the latest report submitted by the SOS, dated August 25.

The revocations, according to Secretary of State James M. Hare, were against Frank C. Clifford, III, of 279 McMillan road, as of August 14; and John B. Marchinski of 2024 Van Antwerp, as of August 15.

Hare stated that during the week of the August 25 list publication of names of errant drivers, licenses of 580 Michigan motorists were suspended, and those of 345 were revoked.

### Babe Ruth Loop Slates Election

The Annual Awards Banquet of the Grosse Pointe Woods-Shores Babe Ruth League was to be held on Wednesday, September 13, at Alcamo's Hall. A Cocktail Hour at 6:30 was followed by dinner at 7:30.

The annual meeting of the associate membership will be held on Wednesday, September 20, at 8 p.m. in the basement meeting room of the Woods City Hall. The associate membership includes all managers, coaches, and parents of players now in the league or about to join the league. At this time the board of governors is elected for the next year.

### Teenage GOP Group to Meet

The Teen-Age Republican Citizens of the Fourteenth District (TAR-C 14) announce a meeting to be held at the Grosse Pointe War Memorial Center, Room D, at 7:30 on September 18.

The TAR-C's have not held meetings during the summer to allow the members time to get involved in their community as a whole and prepare for the big '68 campaign. One member of TAR-C involved himself by coaching three Little League teams. Others in TAR-C became involved in the "Detroit Teenagers," to assist in rebuilding the city after the recent riot.

TAR-C's chairman Gary Klueck served on the executive board of this organization which grew to include over 400 teens in the greater Detroit area and recently became a permanent civil service recognized by the city fathers. TAR-C assisted the Metropolitan Action Committee in taking a survey comparing the prices in Detroit's inner city to those of Grosse Pointe and other all white neighborhoods.

Several members of TAR-C worked daily at the State Fair asking the visitors to show their support for Governor Romney by signing a petition. They acquired over 7,500 signatures on registers and a scroll signed by the citizens of Michigan requesting the citizens of New Hampshire to support the governor in the New Hampshire primary in the spring.

Besides involvement TAR-C will stress inclusion. Chairman Klueck says "There is an activity to fit everyone's interest. If you like writing you can work on our bi-weekly newsletter, if you like to plan parties you can work on our involvement committee.

All those interested in joining TAR-C are requested to call Gary Klueck at 839-7506.

### Adults Offered Banjo Lessons

The rhythmic strumming of banjos will be resounding in the evening classes for adults this fall as Ray Terrill provides the entertaining instruction. Ten lessons are offered for a \$10 fee, and for those who cannot provide their own banjo there will be a limited number available for rent at a \$15 fee.

Mr. Terrill, who has been an entertainer and an instructor for over 20 years, is a jovial charter member of the Michigan Ban Joes, and presently provides the entertainment for a nationally syndicated string of restaurants where light-hearted community singing is the format.

The Department of Community Services of the Grosse Pointe Public Schools will accept reservations for those who would like to give it a try. Just call 885-3808 or 885-0271. Classes are scheduled at the High School on Tuesday evenings, beginning September 26.

To The Editor:

It's wonderful living and working in a community which has such fine police protection. Chief of Police Andrew C. Teetart and his officers set a fine example daily with vigilant patrolling and instant response to a call for help. During the recent riots, they worked tirelessly for the City of Grosse Pointe. In business there have been numerous occasions in which I've needed them. They have never failed to be on the spot in minutes to help.

A very grateful businessman wishes to say thank you.  
**LEON SEHOYAN**

Dear Sir:

While it is amusing to see the brouhaha that seems, inevitably, to follow proposals to fluoridate water in a community, it is, on the other hand, disappointing to find that citizens of these communities are opposed to fluoridation out of fear, suspicion, ignorance and selfishness.

The simple facts are that fluorine is an element of a nature chemically similar to chlorine; and while fluorine is indeed a poison, chlorine is also a poison yet it makes up more than half the weight of ordinary table salt.

It is further known that the addition of fluorides to drinking water does a great deal to strengthen growing teeth against tooth decay and that no toxic results of fluoride result even where it occurs naturally in water in much higher concentrations than are planned here.

Nothing is simpler, safer, or cheaper to prevent tooth decay in the children of this community than the fluoridation of our water. There are still, unfortunately, those among us who would deny our children this service for the supposed saving of a few dollars a year. Those same persons would likely have our water polluted for lack of chlorination, our milk contaminated for lack of pasteurization, and endemic goiter for lack of iodine in our salt. They could better spend their time working to keep Lake St. Clair free of their own refuse.

Very truly yours,

To the Editor  
Grosse Pointe News

One of those small do-gooders special interest pressure groups, that appear on the political stage from time to time, are attempting to dig up that dead horse fluoridation, which was buried by an aroused and spirited public opinion against compulsory fluoridation, in Grosse Pointe Farms and the City approximately 12 years ago. How Merry!

They have petitioned The Establishment; who presently control Grosse Pointe City, asking them to pressure the Power Structure in the Farms, and have them fluoridate the municipal water supply system, which furnishes drinking water to both cities.

It is not my intention to minimize the efforts of any group, but in the interest of fairness certain facts should be made public. Science has gone ahead more in the last 15 years than in the last 1,000 years. Furthermore, according to the

March - April 1967 issue of National Fluoridation News, and I quote: "Many renowned scientists in the realm of medicine, dentistry and biochemistry, including a number of scientists of Nobel award stature, are also deeply concerned or oppose fluoridation, because fluoridation is the opening wedge to mass medication." In the same issue Mrs. Jane Wassung of Westport, Connecticut "favors offering people a free choice. We don't want to deprive anyone of the right to use fluorides, but give those of us who don't want to use it the same chance."

In this connection sodium fluoride tablet programs are in operation where you are furnished with accurate quantities in regard to water intake. The tablets are dispensed through dentists and physicians.

Purchasing the necessary equipment to fluoridate a public water supply system, plus cost of fluorides operation, etc., costs money. Residents of Grosse Pointe City are now smarting over the increase reflected in their latest water bill. They are not happy over the 55c per 1,000 cubic feet of water increase, which incidentally was made retroactive back to January 1st.

Meanwhile, the great brain-wash regarding compulsory fluoridation goes on and on. They are now attempting to have the legislature of our states pass laws making fluoridation mandatory in cities of over 10,000 population. Many professional people have other ideas on this subject. The September, 1967 bulletin of the Michigan Pure Water Council of Lansing prints the following: "Fluoridation is a planned program based on half truths and complete falsifications \$20,000 Reward Offer to the first individual who can provide one copy of any controlled experiment that shows that poisonous fluorides are safe and will cause no future body harms. This offer has been valid since 1954. Robert J. H. Mick, D.D.S., 915 Stone Rd., Laurel Springs, N.J."

Holy water!

Dear Mr. Edger:

This is sent to you to set the record straight concerning the Liggett playground which was the subject of your recent editorial. Regrettably there have been rumors and reports which have greatly distorted the relationship which was contemplated by the school and the administration at the time the

school came to Grosse Pointe Woods.

The facts are that as early as 1962 the parttime use of the Liggett playground was discussed with representatives of the City and in the year 1963 representatives of the School and the City tentatively agreed on a draft of a written agreement defining the rights and responsibilities of each of the parties. Subsequently, in the year 1965, such agreement with one revision which related to bathroom facilities, was signed on behalf of the School and filed with the City. The provisions of such agreement are those which from the very beginning were considered necessary by those responsible for the affairs of each of the parties. In summary, these include a use during the summer months with the City responsible for the maintenance and restoration of the premises with supervision during use, and indemnity to the school for

any liability to the public arising out of such use. For details, see the first draft prepared by the Clerk of Grosse Pointe Woods on August 8, 1963.

Your broad statement that the School offered its playground facilities for recreational purposes for the citizens of that

With Our Blessings

This is the time of year when we say goodbye to you young men and women who are leaving for college. Some of you who attend institutions close by will be back with us often; others will not return until the Thanksgiving or Christmas vacation periods.

If your powers of perception were abnormally keen, you could find, tucked away in that outrageous assortment of luggage and duffle which is always affected by the college crowd, things other than the equally absurd collection of personal items which go everywhere with you. You would see a million tiny, unuttered thoughts, bits of advice which we never quite got around to passing on to you. There would be a trunk full of fervent wishes and bright hopes, a generous sprinkling of prayers, and those myriad stains would be the remnants of tears, dropped mostly by the mothers of the youngsters who are leaving home for the first time.

So much of us goes with you, it is just as well you do not know. Accepted with the seriousness with which it is sent, it would constitute a burden that young people should not be called upon to carry.

It is an unchanging law of life that the younger generations grow constantly further away from their parents. And it is, for us, a sad truism that just the reverse holds with the oldsters. Our interests turn inward and focus sharper with every passing year on the events which make up the lives of our children and grandchildren. But it is equally true that we would have it no other way.

Advice is easy, and there are so many things we think we could and should have told you, to make things easier. Looking back, we are so prone to think of these years through which you are now passing as a painless period of enchantment and frivolity. Time is a great eraser and most of us have forgotten that all things are relative; that the troubles of youth, though they may seem negligible to us, may be just as bitter to swallow as our own most devastating trials. If we are lacking in understanding, we ask your forgiveness.

The shyness of youth, if such a thing still exists, is surely equalled by the shyness of a parent who is afraid to bare his soul to his own children lest he appear weak, or in fear that he may embarrass the youngster with a display of maudlin sentiment. In removed repose, it appears to us that a great deal more of this interchange of inner feeling would be a healthy and highly satisfying experience.

We wish we had not hesitated to tell you how proud of you we are, and what tremendous boons you have granted us through your accomplishments. We are sorry about the beratings we felt at the time were merited, and we wonder fearfully whether they were harmful or helpful.

We are so mindful of our own first days in college, and of little incidents and soul-shaking experiences, which followed in quick succession through all those wonderful years. We are going through them again with you now, and hoping that something we have imparted is helping you, either to get the utmost enjoyment or the least sorrow out of them as they come along.

College is such an immense hodge-podge of opportunities and pitfalls, with so many doors that should be opened and entered, and so many others that should remain closed; so many roads that should be explored, and endless turns that should never be taken. Now, infinitely more than ever before, you are going to have to rely on your own judgment. But we want you to know that if you err, and if help is needed, we want to be given the first chance to provide the help.

There is so much said about our "future citizens," the "leaders of tomorrow," the "hope of the world," that we trust you will pardon us for mentioning these old cliches. We like to remember the college president who told the entering freshman class: "If by the time you have been graduated from here you have learned how to educate yourselves and can use a library intelligently, we shall consider that we have done a good job."

These years are but preparatory ones for the many, many which lie ahead, each pregnant with possibilities for broadening your education. The truly wise man is the one who continues to learn every day of his life, who is always honest enough to admit he does not know the answer, but then makes a point of finding out.

Your education has to do not only with classrooms and textbooks and lecture halls, but with mixing with your fellow students and faculty members, both socially and intellectually. Understanding is an attitude to be devoutly cultivated.

Let religion be a large part of your lives and be thankful that there is a noticeable surge today in the movement back to the Greatest Teacher. There will be many times when you find yourselves in need of His instruction and you will find it helpful to be on close terms with Him.

These are the golden years and yours is the privilege to make of them what you will. If we have helped you walk across the threshold with confidence, we are grateful. If we have failed you, forgive us.

What Goes On at Your Library

By Virginia Leonard

By Virginia Leonard Next week we will be celebrating League of Women Voters' Week—to honor a very fine group of women. I wonder if you know about this organization—its purpose, its origins, its types of programs? Let me quote and paraphrase here and there from one of their own publications entitled, "Facts About the League of Women Voters, 1920-1966"—one of many they have given me in an effort to show their diversity of interests.

"The League of Women Voters of the United States is a nonpartisan organization open to all women citizens of voting age who believe in representative government. The purpose of the League of Women Voters is to promote political responsibility through informed and active participation of citizens in government."

This group was created in 1920, the year that woman suffrage was incorporated in the Constitution of our country. It was originally part of the National American Woman Suffrage Association, and was formed primarily to help 20 million newly enfranchised women to make the most of their newly acquired opportunities.

When you join the League you work through your local group on local, state and national governmental issues. There are roughly 148,000 members, with over 1,000 local organizations in 50 states, Puerto Rico and the District of Columbia.

Although nonpartisan regarding politics, the League does select certain measures for study, decision and action. The members choose their Program; they work on governmental issues which arise out of the needs of the community. This Program is divided into Current Agenda and Continuing Responsibilities. For example, the Current Agenda for 1966-1968 contains the Development of Human Resources, Foreign Policy, and Water Resources. As for Continuing Responsibilities, the brochure lists Apportionment of State Legislatures, District of Columbia, Loyalty-Security, Tax Rates, and Treaty Making.

The League is a non-profit, volunteer organization; about a third of its income comes from dues assessed by local Leagues, two-thirds from contributions made by members and interested nonmembers. The expenditures amount to about \$2,480,000 a year. No salaries are paid to any officers or directors.

It is interesting to note the booklets, brochures, pamphlets and leaflets which were given me to illustrate these points. One, for example, is called: "Lake Erie? Requiem or Re-prieve," and is a study of Lake Erie problems put out by the Lake Erie Basin Committee of the League. It has an attractive blue cover, contains many illustrations and diagrams, a good table of contents and a bibliography. Several issues of FACTS & ISSUES deal with such problems as "Home Rule for the District of Columbia?" "Washington: the Nation's Show-place?" and "Who Pays for a Clean Stream?"

Of local interest would be "Know Your Wayne County Government." It is well con-

structed, covers logically all services, and has many charts, tables and diagrams.

There is an extremely handy and succinct pocket reference for the United Nations, another leaflet on "The UN Today," a compact "Citizens Handbook" (1967), and one nicely titled "From Precinct to President."

An entire book is issued by the Education Fund of the League, called THE BIG WATER FIGHT, dealing with "trials and triumphs in citizen action on problems of supply, pollution, floods, and planning across the U.S.A." In the preface, the league states that this is a very complex problem and can only be solved by a combination of wise planning and intelligent cooperation action.

"This book contains accounts of many of its (the League's) instructive experiences along the way and the productive results. It is published in the hope of stimulating and guiding to purposeful action all citizens who share the League's growing concern about the nation's dwindling water resources."

Other titles are "The China Puzzle," "Is Politics your Job?" "The Role of Political Parties, U.S.A.," "Choosing the President," and "Foreign Aid at the Crossroads." They only serve to illustrate even further the many facets of the activities of this worthy organization.

We hope you will come in our libraries next week (and the other 51 weeks for that matter), and see our exhibits, perhaps borrow some materials in these above-mentioned fields, and increase, deepen and enlarge your own knowledge and vision. I, who am a woefully non-political animal, have learned a great deal just from perusing these booklets which the League was kind enough to give me to help write this article. We salute the League of Women Voters—long may they flourish!

area is simply not true and your comparison to the use of public school playgrounds by members of the public is not fair. We are informed that not only in the Woods but in the other Pointe communities private premises are considered private unless a written agreement is reached, permitting an express use. An example is the McCann rink at Grosse Pointe University School which, for a consideration, has an agreement with the City permitting residents of Grosse Woods to use the rink at stipulated times after identifying themselves and subject to supervision.

The Liggett School is operated by a Board of Trustees who serve without compensation but are responsible to its student body, faculty, alumnae and benefactors. The Board has no right to risk loss or damage to the property entrusted to it and, in fact, as Trustee has a duty to protect and conserve the same. These are the purposes of the reasonable provisions contained in the proposed agreement. As an all girl private school Liggett has a legal existence which is essentially different from that of public schools

## Mrs. Jack F. Chrysler, Jr.

Photo by Bradford Bachrach

Married Friday, September 8, in Our Lady Star of the Sea Church, were JUDITH ELIZABETH FISHER, daughter of Mr. and Mrs. Alfred J. Fisher, Jr., of Lakeshore road, and Mr. Chrysler, son of Mrs. F. William Carr, of New York, and the late Jack Forker Chrysler.

## Cousins Bow At 'Lady Tea'

Christine and Deborah Johnson, first debs of the short September season, were presented to society Thursday, September 7, at a tea given by their grandmother, Mrs. Charles B. Johnson, of Washington road.

Chris, daughter of the Dan Lee Johnsons, of Beverly road, wore a sleeveless frock of azalea pink Alaskine. Debbie, daughter of the Charles B. Johnsons, Jr., of Rivard boulevard, chose a dress of ice blue ribbed silk.

The cousins carried arrangements of pink rosebuds and trailing ivy. Their mothers chose pale blue sheath frocks.

The debutantes' gift bouquets were used as decorations throughout the house, and the girls, their mothers and grandmother, who wore a print gown, received in Mrs. Johnson, Sr.'s drawing room.

Chris, who spent the summer working as a counselor at the Grosse Pointe University School Day Camp, has already left for Endicott Junior College, where she will study Interior Design.

Debbie attended the University of Colorado last year, took courses this summer at Wayne State University and is entering the University of Detroit this fall.

## Judith Fisher Weds Jack F. Chrysler, Jr.

Judith Elizabeth Fisher, daughter of Mr. and Mrs. Alfred J. Fisher, Jr., of Lakeshore road, became the bride of Jack Forker Chrysler, Jr., son of Mrs. F. William Carr, of New York, and the late Jack Forker Chrysler, at a 4:30 o'clock ceremony Friday, September 8, in Our Lady Star of the Sea Church.

The new Mrs. Chrysler is the granddaughter of the late Alfred J. Fisher, automotive pioneer and one of the seven Fisher brothers, founders of the Fisher Body Company, and Mrs. Alfred J. Fisher. The bride's maternal grandparents are Rex C. Jacobs and Mrs. Frances Jacobs, of Grosse Pointe.

The bridegroom is the grandson of the late Walter P. Chrysler, founder of the Chrysler Corporation, and the late Mrs. Walter P. Chrysler. His maternal grandparents are the late Mr. and Mrs. Frederick C. Backus, of New York.

The bride's father escorted her to the altar down an aisle lined by eight-foot candle arrangements covered with white carnations. The Reverend Father William Palmer officiated, assisted by the The Reverend Ralph Warren, of St. James Episcopal Church, N.Y.

The bride's gown was of antique Belgian and Alencon lace. The classic, high-necked bodice was distinguished by a small Medici cape attached to the shoulders and falling below the waist.

Mrs. Chrysler is the third Fisher bride to wear this gown,

designed by Phillip Mangone 25 years ago.

Christine Fisher, sister of the bride, was maid of honor. Bridesmaids were Mrs. Walter B. Ford, III, Laura Ford, Virginia Regan, of New York, Mrs. Arthur S. Reynolds, Jr., of Philadelphia, Pa., Helen Chrysler, sister of the bridegroom, Mrs. Richard Humphreys, Jr., of Beverly, Mass., and Katherine Collins, of Winnetka, Ill.

They wore long, slim-lined larkspur blue dresses fashioned with Cardin mandarin collars and natural straw leghorn hats accented by matching velvet streamers. They carried beige orchids.

F. William Carr, stepfather of the bridegroom, served as best man. Escorting the guests to their seats were Alfred J. Fisher, III, brother of the bride, William Randolph Hearst, III, of San Francisco, Calif., Gertrude L. Lansing, Anthony Moulton and Kim Masters, of New York, Arthur S. Reynolds, Jr., of Philadelphia, Pa.; Stewart Williams, of Houston, Tex., and Emory Moran Ford, Jr.

Honorary ushers were Walter P. Chrysler, Jr., and Col. Edgar (Continued on Page 16)

## From Another Pointe of View

Once again we've starred on our Coming Events page the not-to-be-missed annual Donation Tea sponsored by the Women's Auxiliary to Cottage Hospital.

Henry B. Joy, Jr., of Provencal road, will open the home for the autumn party, one of the important of the Auxiliary's fund-raising affairs, Friday, September 27, between 2 and 5 o'clock. General charge of the event are co-chairmen Mrs. A. Meikle and Mrs. Albert W. Ley. Mrs. William Carr, chairman of pourers at the tea table, has members of the Board of Trustees to pour and assist at the silver donation punch bowl.

Ernest C. Gentleman is chairman of hostesses, Mrs. Arnold M. Davidson will hand out name tags outside at the guest register. Meeting guests at the door will be Mrs. Meikle, Mrs. Joy and Mrs. Clinton R. Amluxen, current president.

## To Plan More Parties

Mrs. William R. Evans, of Wellington road, has invitations in the mail bidding 45 guests for their home for cocktails and a buffet supper Sunday.

"Invited" are members of The Fine Arts Society of Detroit who'll be helping Helen and Bill Evans plan for the candlelight supper which follows the performances at the Players Playhouse in Jefferson avenue.

Chairmen of the House committee for Fine Arts' dinner, the Evanses will be adding a new dimension to their wide range of interests and talents. For years they've been familiar figures in the dimly-lit regions of the Playhouse, toiling with stage properties.

As they're coming out into the open—if not into the glare of kilig lights, at least into candlelight.

Planning them with Fine Arts' supper plans are the Bundsens, James B. Dolls, Robert E. Sholtys, W. Wieries, Donald W. Kuhns, Frank E. McDonnell, Neefs, Bernard P. Pearse, Mrs. Raymond J. (Continued on Page 23)

## Diane Stewart Wed to Douglas Magary

Bride's Sister, Bridegroom's Brother are Honor Attendants; Two Other Sisters are Among Bridesmaids

Speaking their marriage vows Saturday evening, Diane Campbell Stewart, daughter of Mr. and Mrs. James Stewart, of Kenwood court, and Douglas Kirk Magary, son of Mr. John Mayher, of Litchfield, Conn., and Alan Magary, of Woodbury, Conn.

The Reverend Bertram DeSmyter officiated at the ceremony at 7:30 o'clock.

At the wedding, the former bride chose an Empire gown with a deep pink silk and seed pearls. The bridegroom wore a tuxedo with a white shirt and a Chapel train. Her flowers were French lilies and roses.

The newlyweds will make their home in Boston while he continues his Law studies at Boston College and she completes her senior year at Boston University. Out-of-town guests included Admiral and Mrs. Roger Heimer, of Bryn Mawr, Pa., the bride's cousins; Mrs. Edward H. Cutter, of Elgin, Ill., the bridegroom's grandmother; Mrs. Charles F. Cutter, of Chicago, Ill., the bridegroom's aunt; and Mr. and Mrs. William W. Stewart, of Farmington, Conn., and Mr. and Mrs. Louis M. Stewart, of Webster Groves, Mo., uncles and aunts of the bride.

## W. S. Turner, Jr. To Claim Bride

Mr. and Mrs. James Stollard Smart, of Dearborn, have announced the engagement of their daughter, Sharon Lynn, to William Stone Turner, Jr., son of Mr. and Mrs. William Stone Turner, of Newberry place. An October 21 wedding is planned.

## LWV Names New Advisors

The Grosse Pointe League of Women Voters is proud to announce the addition of two prominent Grosse Pointe citizens, Lawrence F. Kennedy and Brandon M. Rogers, to its list of advisors. Mr. Kennedy, of Three Mile drive, and Mr. Rogers, of Moran road, will serve as consultants to the programs of the League.

Mr. Kennedy started in Grosse Pointe as a Social Studies Instructor at Pierce Junior High School in 1953 and then was appointed as Grosse Pointe Public Schools' Administrative Assistant in 1957. He continued in that capacity until 1963 when he was appointed the Schools' Director of Professional Personnel. In 1966, he was appointed Assistant Superintendent Personnel, which is his present title.

Mr. Rogers is presently the Executive Vice President of the Planning Consultant Firm of Parkins, Rogers Associates, Inc. Prior to this, Mr. Rogers was Senior City Planner for the Detroit City Plan Commission from 1955 to 1959; and since 1953, he has been a City Planning Consultant to Grosse Pointe, Harper Woods and other cities, and also has served as a Consultant to Counties, School Districts and developers nationally.

The role of the League's Advisory Board and the forthcoming activities of the League were discussed by League Board members and advisors at a recent breakfast meeting at the home of Mrs. Erville Maynard in Christ Church Lane.

In addition to the newly appointed Mr. Kennedy and Mr. Rogers, Ken Brown, Walker L. Cislak, Dr. Nelson W. Diebel, James Farquhar, John Hannan, George H. Helm, Edward Hickey, Jr., Miles M. O'Brien, Robert M. Orr, Dr. George Rieveschl and Charles Verheyden complete the Advisory Board.

## Premier Benefit For Northwood

When "Gone With the Wind" returns with its new wide-screen Metrocolor and stereophonic sound, Mr. and Mrs. Frederick K. Cody, of Stratford place, and Mr. and Mrs. Paul M. McKenney, of Bloomfield Hills, will be staging the Detroit premier on behalf of Northwood Institute.

A special committee of Northwood Institute supporters is assisting the co-chairman with the premiere, set for 8 o'clock Wednesday, October 18, at the Madison Theater.

The film classic's opening night is the kick-off of a campaign headed by Mr. and Mrs. Robert Vanderkloot. Their goal is to raise funds to build an advertising-marketing building at the Midland campus of Northwood Institute.

The eight-year-old liberal arts college trains its students for specific careers such as advertising, retailing and automotive marketing. Helping with the return of Scarlett O'Hara and Rhett Butler are Pointers Mr. and Mrs. Roy D. Chapin, Jr., Mr. and Mrs. David J. Gillespie, Mr. and Mrs. Oscar L. Olson and Mr. and Mrs. Joseph G. Standart, Jr.

To add a touch of Hollywood to their opening night, the Northwood group is arranging for Klieg lights and a red carpet, and selecting a pretty miss to portray Scarlett O'Hara and greet arriving guests.

## Faculty Wives Seek Members

The Faculty Wives' Club of Wayne State University is staging an intensive membership drive this fall under the leadership of its president, Mrs. George Bohman, and its membership chairman, Mrs. Sidney Dillick. The Club's goal is a minimum of 100 new members in token of the University's 100th anniversary.

Honorary chairman of the campaign is Mrs. William Rea Keast, wife of Wayne State's president, who launches the membership drive with a briefing tea at her home today, September 14.

Letters of invitation to membership in the Faculty Wives' Club are going from Mrs. Keast to all wives of full-time and part-time faculty members who have not already joined the club, with a special welcome going to newcomers. Each letter will be followed up by a personal invitation from one of the campaign's co-captains.

The drive will end with the first fall meeting of the Club on October 16.

## To Be Wed

Mr. and Mrs. Alfred D. Moran of Prestwich drive announce the engagement of their daughter, PATRICIA MARIE, to John H. Calder, son of Mr. and Mrs. William Calder.

Miss Moran is a former student of the University of Michigan, and her betrothed, formerly a United States Marine, is now a merchant marine traveling the Great Lakes.

## Church Ladies Plan Activities

## Sheila Slimon Bride Of John P. Meade

Newlyweds, Vacationing in New York, Will Make Their Home in Birmingham; Family Dinner at Rotunda Country Inn Follows Rites

Sheila Marie Slimon and John Philip Meade were married Saturday, September 9, in the Chapel of Kirk in the Hills, Bloomfield Hills, at a small family ceremony.

Officiating at the double ring rites was The Reverend Dr. Harold C. DeWindt.

The bride is the daughter of Mr. and Mrs. Albert J. Slimon, of Maison road. Her husband is the son of Mr. and Mrs. William C. Meade, of Springfield, Va.

For the wedding, the former Miss Slimon chose a candlelight silk dress, its neckline circled with a collar of crystal beads, and a mantilla of embroidered Brussels lace.

She carried a cascade of small Jack Frost roses, stephanotis and ivy.

She was attended by her sister, Mrs. Thomas F. Gibson, of Pleasant Ridge, who wore a sapphire blue silk frock and

carried a bouquet of blue and white daisies.

John Meade, of Birmingham served as his father's best man. A family dinner at the Rotunda Country Inn, Pine Lake, followed the service.

For her daughter's wedding Mrs. Slimon chose an aqua lace dress and a corsage of pink cymbidium orchids.

When they return from a vacation in New York, the newlyweds will make their home in Birmingham.

Out-of-town guests were Mrs. Charles J. Corey, of Langley, Va., and the bridegroom's sister, Mrs. William M. Thompson, and her daughter, Kay, of McLean Va.

## Kit And Christi Are Presented

The second pair of debutantes to bow this fall season, Kathleen Eddy "Kit" Armstrong and Valeria Christian "Christi" Hodges, were presented to society Friday, September 9, by their parents, Mr. and Mrs. Aikman Armstrong, of Washington, D.C., and Mr. and Mrs. John C. Hodges, of Washington road, at an afternoon reception in the Grosse Pointe Club.

Bouquets of pink and yellow flowers were placed at the fireplace in the Club lounge, where the girls and their parents received their guests.

Christi, who is majoring in History at Connecticut College for Women, wore a white linen sheath with yellow accents and carried an arrangement of Eucharis lilies, yellow and white miniature carnations and ivy, gift of her grandfather, Theodore R. Hodges.

Kit, a Smith College sophomore, chose a white linen dress styled with a linen scrollwork-embossed organza yoke, and carried her great-uncle Henry Irwin Armstrong, Jr.'s gift bouquet of pink rosebuds and ivy.

Mrs. Hodges chose an A-line frock of aqua Alaskine, and Mrs. Armstrong wore a bright yellow ribbon crepe dress.

Kit, escorted by Christopher Gofredson, had as her ushers her brother, Henry I. Armstrong, III, her cousins Peter Aikman and John Ripley Armstrong, Philip T. Van Zile and Hugh Riddleberger, Jr.

Christi, whose escort was Peter Monroe, had her brother, John Jeffrey Hodges, her cousin, Clement A. Penrose, III, John Kretzschmar and George Coulton, of Itudson, O., as her ushers.

The One-Eyed Jacks played for dancing.

## GOP Women Meet Sept. 21

The Women's Republican Club of Grosse Pointe will hold its regular monthly luncheon meeting next Thursday, September 21, at 12:30 o'clock in the Crystal Ballroom of the Grosse Pointe War Memorial.

Mrs. Jane Ingraham, long active as a Republican Party worker, will speak on Regional Government.

Mrs. Ingraham has been a member of the District Executive committee, a Precinct delegate, a delegate to District and State Conventions and is a past president of the Women's Republican Club of Grosse Pointe.

Reservations may be obtained by calling Mrs. Paul Gracey, 885-9275, or Mrs. Milton O Cross, III, 886-4838.

All interested Grosse Pointers are cordially invited to attend.

## Mrs. John Philip Meade

Speaking her wedding vows to Mr. Meade, son of Mr. and Mrs. William C. Meade, of Springfield, Va., at a small family ceremony Saturday, September 9, in the Chapel of Kirk in the Hills was SHEILA MARIE SLIMON, daughter of the Albert J. Slimons, of Maison road.

## Gary A. Hagans Wed August 12

Following the Saturday, August 12, wedding of Nancy Louise Lemons, daughter of Mr. and Mrs. Ivan Lafayette Lemons, of East Detroit, and Gary Allen Hagans, son of Mr. and Mrs. George Allen Hagans, of Lewiston road, the bride's parents entertained at a reception in the Crystal Ballroom of the Grosse Pointe War Memorial.

The Reverend Ben Tallman presided at the 1 o'clock ceremony in Grosse Pointe Memorial Church.

The bride wore an ivory peau de soie gown and an English illusion mantilla, accented with re-embroidered Alencon lace. She also wore a single strand of pearls, the bridegroom's gift.

Her flowers were white Sweetheart roses and stephanotis.

Honor attendant, Mrs. Kenneth Lemons, and bridesmaids, Joy Louise Hagans, the bridegroom's sister, Lucy May Talley and Mrs. Philip Klump wore frocks of yellow chiffon over crepe, accented with daisies at their Empire waists.

They carried bouquets of white daisies and baby's breath and wore triple-tiered, tulle accented headbows.

Junior bridesmaids, in frocks of white cotton lace over yellow crepe, similar in style to those of the senior attendants, were the bride's nieces, Connie Lemons and Colleen Lemons.

## Mary B. Ward Weds In West

Mary Bridges Ward and Walter Reynolds spoke their wedding vows Friday evening, August 18, in the Drawing Room of Richards Ranch Estate near Chandler, Ariz.

The bride, daughter of Mrs. Ernest Paul Hirt, of Hollywood avenue, who flew west with Mr. Hirt for the ceremony, wore a short ivory crepe dress, fashioned with long sleeves cuffed with seed pearls and crystal beads, and a corsage of small pink roses.

Matron of honor was Mrs. Ray Harralson, of Mesa, Ariz., and Richard Atterberry, of Chandler, acted as best man for the bridegroom, who is the son of Mr. and Mrs. Walter Reynolds, of San Diego, Calif.

A reception at Rancho Bienestar followed the service.

## Woman's Club Meets Sept. 20

Austin Wheatley will be the speaker at the regular meeting of the Grosse Pointe Woman's Club on Wednesday, September 20, at 1 o'clock in the Grosse Pointe War Memorial's Crystal Ballroom.

Jr. Wheatley is a member of the editorial board of The Detroit News, specializing in world and national affairs.

Mrs. Charles Bick will be hostess, assisted by co-hostess Mrs. J. Alex Gordon.

A schoolhouse will center the tea table, for the meeting theme is "Back to School."

Tea committee members are Mrs. Melvin Kail, Mrs. John J. Kelly, Mrs. Alex Kennedy, Mrs. L. V. Kimbrell, Mrs. Alexander J. King, Mrs. L. W. Kirby, Mrs. Leonard Klaasen, Mrs. William Krieger, Mrs. Harold B. Lee, Mrs. Donald B. Leahy, Mrs. Kenneth P. Locke, Mrs. L. A. Lotgering, Mrs. Otto Mann, Mrs. John McClain, Mrs. John H. ## Marilyn Schwartz Wed September 9

Speaks Vows to Robert Warren Olson at Evening Service in Faith Lutheran Church; Pair to Live in Grosse Pointe

A dinner reception at the Grosse Pointe Hunt Club followed the Saturday, September 9, wedding of Marilyn Joan Schwartz, daughter of Mr. and Mrs. Frank Schwartz, of Kensington road, and Robert Warren Olson, son of the Warren Olsons, of Beloit, Wis.

Officiating at the evening service in Faith Lutheran Church was the Reverend Ronald Schmidt.

The bride's Empire gown was fashioned of white peau de soie and Alencon lace, accented with seed pearls and iridescent paillettes, and featured a Court train appliqued with matching lace.

Her tiered illusion veil fell from a pearl-trimmed lace Court cap. She carried a cascade of carnations and mums.

Kathleen Schulte, maid of honor, and Kathleen Geymann and Donna Marsh, bridesmaids, wore identical azalea rose crepe frocks and carried cascades of carnations and ivy.

Charles Olson served as his brother's best man. Frank Schwartz, the bride's brother, and Stephen Moore, of Marblehead, Mass., seated the guests.

Kathy Konstanzer, wearing a white organza dress and carrying a basket of pink and white carnations, was flower girl. Keith Konstanzer was ring bearer. Both are cousins of the bride.

The bride's mother wore a turquoise silk worsted ensemble, while the bridegroom's mother selected a rose beige silk worsted costume. Both mothers chose embidium orchid corsages.

The newlyweds plan to make their home in Grosse Pointe.

## Couzens Sisters Bow Saturday

At a Saturday afternoon reception in her Lakeshore road home, Mrs. Gerard R. Slattery introduced two of her granddaughters, Margaret Mary and Jean Marie Couzens, daughters of Mr. and Mrs. Frank Couzens, Jr., of Lothrop road, to society.

Both girls wore lime green frocks and carried bouquets of Eucharis lilies. Mrs. Slattery chose a chiffon gown printed in green and yellow shades.

Joan, who will be a sophomore this fall at St. Louis University, had as her special guest a classmate, Sue Sorenson, of Chicago, Ill. Margaret is currently a freshman at Western Michigan University.

Other special guests were the sisters' maternal grandparents, Mr. and Mrs. William J. Ulrich, of Hidden lane, and their aunt, Mary Couzens, of Freeport, Ill.

Mrs. Couzens, the debutantes' mother, wore a yellow silk dress, and very much in evidence were the five younger Couzenses, Ann Marie, 16, Carol, 14, Frank, III, 12, William Ulrich, eight, and John Manning, six.

Background music was provided by a string ensemble as guests moved from the patio of the Slattery home to the garden overlooking Lake St. Clair.

Joan and Margaret's grandfather, the late Frank Couzens, was a former mayor of Detroit. Their great-grandfather, the late James Couzens, also served as mayor of Detroit and as United States Senator from Michigan.

## Swaney-Nash Vows Are Said

Dr. Harold C. DeWindt officiated at the Saturday afternoon, September 9, service in Kirk-in-the-Hills, Bloomfield Hills, at which Patricia Louise Nash spoke her marriage vows to Thomas Edward Swaney, son of Mr. and Mrs. Robert E. Swaney, of Anita avenue.

A reception at the Birmingham, home of the bride's parents, Mr. and Mrs. Paul M. Nash, followed the 4 o'clock ceremony, for which the bride chose a candlelight chiffon crepe gown, styled with an Alencon lace yoke defined by a narrow velvet ribbon, long Bishop sleeves and a Chapel train.

Her Cathedral length mantilla was fashioned of matching lace and net, and she carried a crescent-shaped arrangement of gardenias and stephanotis.

Honor attendant Eileen Schiller, of Hershey, Pa., and bridesmaids Diana Gornick, Catherine Pottle and Sophia Maxon, of Muncie, Ind., wore floor length frocks of antique gold crepe, with avocado green and ivory accents, and matching gold Dior headbows.

Their crescent bouquets were fashioned of blended daisy mums in bronze, gold and butterscotch shades. Acting as best man for his brother was Robert E. Swaney, Jr., and ushering were C. Robert Emerson, of West Lafayette, Ind., Daniel C. Molhoek, of Grand Rapids, Charles V. Thornton, of Forth Worth, Tex.,

Ronald Schram, of Ann Arbor, and Douglas Denise.

The mother of the bride wore a champagne satin and lace ensemble, while the bridegroom's mother selected a pale gold silk-and-worsted costume. Both mothers chose green cymbidium orchid corsages.

The newlyweds are traveling to London, England, where they will live for a year while the bridegroom pursues post-graduate legal studies at the London School of Economics. They will return to make their home in Chicago.

## Pointe Garden Club to Meet

The Pointe Garden Club will hold its first meeting of the fall season on Monday, September 18, at the home of Mrs. Ferdinand Stetekuh, in Handy road. Officiating for the first time will be the new officers for 1967-68.

They are Mrs. Adam Cook, president; Mrs. Harold Love, vice-president; Mrs. Paul Hykes, recording secretary; Miss Louise Owen, corresponding secretary; and Mrs. Byron Phillips, treasurer.

The program for the afternoon will feature a talk by John Carroll, of the Detroit Free Press, whose topic will be "Behind the Scenes With Action Line." Assistant hostesses will be Mrs. Gaylord Hubert and Mrs. Clarence Wachner.

## G. M. Hales, Jr. Weds In East

Bette May Guppy, daughter of Mrs. Gertrude E. Guppy, of Cranston, R.I., and Grant Maguire Hales, Jr., son of Mr. and Mrs. Grant Maguire Hales of Sunningdale drive, spoke their wedding vows Saturday, August 12, at a 2 o'clock ceremony in Phillips Memorial Baptist Church, Cranston.

The bride, given in marriage by her brother, Harold C. Guppy, Jr., wore an A line gown of silk organza and peau de soie, styled with a portrait neckline, Empire bodice, belted sleeves and a detachable train, and a lace mantilla veil.

She carried a spray of small Sweetheart roses twined around the stem of a single long-stemmed white rose.

Karen Lee Guppy was her sister's honor maid, and bridesmaids were Deborah F. Smith, of Warwick, R.I., the bride's cousin, and Susan M. Hales, the bridegroom's cousin, of Orlando, Fla.

The honor attendant wore a yellow organza frock, and the bridesmaids wore frocks of pale green organza. They wore matching veil headpieces and carried arrangements of yellow Sweetheart roses.

Peter J. Lesheka, of Glenridge, N.J., acted as best man for the bridegroom. Ushering were Peter Van Pelt, Hugh John Hales, II, the bridegroom's brother, Michael Dow and Brian Gallagher, of Portsmouth, R.I.

The bride's mother wore a pink lace ensemble. The bridegroom's mother selected a costume of aqua silk shantung. Both mothers' corsages were fashioned of Sweetheart roses.

The newlyweds vacationed at Cape Cod and Expo '67. The bridegroom is presently serving with the United States Air Force at Lackland Air Force Base, San Antonio, Tex.

## GPARC to Hold Dinner Meeting

The Grosse Pointe Association for Retarded Children will hold a dinner meeting to begin its year's activity. The dinner meeting is scheduled for Wednesday, September 20, at 7 p.m. at the Golden Lion Restaurant.

The evening's speaker is Thomas Tucker, past president of the Michigan Association for Retarded Children and member of the President's Panel on Mental Retardation. Robert E. Brown of 643 Rivard boulevard, GPARC president, will outline the objectives of the Association for the coming year.

The GPARC is an association of parents, friends, and others interested in the education, training, and welfare of the mentally retarded. Its parent organization, the National Association for Retarded Children, has been very active in obtaining services and research for the nation's 6,000,000 retarded persons.

The community is invited to this and other activities of the Association. Reservations, at \$5.50 per person may be made through Mrs. Robert Johnson at 701 Westchester road.

## Junior League Meets Tuesday

The Junior League of Detroit will hold its first general membership meeting of the 1967-68 season on Tuesday, September 19, at the Country Club of Detroit.

The meeting will be called to order by the president, Mrs. William Y. Gard, at 9:30 o'clock. Guest speaker will be Councilman Mel Ravitz, City of Detroit. His speech, "Where Do We Go From Here?", concerns the summer riots in Detroit, their causes, and what can be done to prevent future riots.

Councilman Ravitz was first elected in 1961 and re-elected in 1965. He holds a doctorate in Sociology from the University of Michigan. He teaches 68 classes in Sociology evening classes at Wayne State University. He is also chairman of the Wayne County Board of Supervisors.

League president Mrs. Gard will also introduce the new Board of Directors of the League of Detroit to the general membership. Included in the new Board of Directors will be Mrs. J. Armistead Brown, Jr., who is assuming her duties as the new first vice-president. Also on the agenda will be a report on the recent Fall Show by Mrs. J. P. Warren.

## Miss Fisher Marries Herbert Dunmeyer

Wears Alencon Lace-Accented Peau de Soie Gown, Lace Cap and Illusion Veil; Carries Ivory Roses

Stoneham, Mass., awaits Mr. and Mrs. William Dunmeyer, who exchanged wedding rings Saturday, September 9, in the Barbour Chapel of the Pointe Memorial Church, upon their return from St. Thomas, the Virgin Islands.

The ceremony, at 3 o'clock, was officiated by the Reverend Edgar Yeoman. The bridegroom, son of Mr. and Mrs. William Dunmeyer, of Bergenfield, N.J., asked Dr. Joseph Edgar, of Portland, Me., to act as best man.

The bride's gown was styled with an A line skirt of white peau de soie and an Empire bodice of Alencon lace. Appliqued lace motifs and seed pearls were scattered over her skirt and chapel train.

Her elbow length, triple-tiered illusion veil fell from a Dior headband, and she carried a Colonial arrangement of Sweetheart roses, centered with a gardenia corsage.

The dress, train and veil were designed and made by the bride's mother, and the bride also wore her mother's strand of pearls for the double ring ceremony.

Matron of honor Mrs. John Frederic Jacobs, Jr., bridesmaids Linda Sue Stoner, cousin of the bride, and Janet Graham, and flower girl Patsy Haverner, the bridegroom's niece, wore identical floor length starlight blue Empire frocks, fashioned with three-tiered short sleeves shading from starlight blue to purple.

Their silk illusion headpieces were attached to triple flower circlets, matching their sleeves. The senior attendants carried bouquets of pom-pom mums and stephanotis in shades of blue and purple; the flower girl carried a small basket filled with matching flowers.

The bridegroom, son of Mr. and Mrs. Joseph Russel Poma, of Beaufort road, Harper Woods, asked his cousin, Michael Tumbarella, to act as best man.

Seating the guests were John Frederic Jacobs, Jr., brother of the bride, Gilbert Kepner, Angelo Milana and Lawrence Ferrin.

For her daughter's wedding and the reception, Mrs. Jacobs chose a frock of lilac re-embroidered Alencon lace over a matching peau de soie underdress.

Mrs. Poma, the bridegroom's mother, wore a rose-colored dress, fashioned with a lace bodice and chiffon skirt. Both mothers chose white corsages.

The newlyweds are vacationing on Mackinac Island and will make their home in Inglewood, Calif., where the bridegroom will be attending Northrop Institute of Technology.

Out-of-town guests included Mary Poore, of Birmingham, Ala., the bride's great-aunt and godmother.

ROBERT F. WEBER, of Lake Shore road, treasurer of Kiwanis International, and a member of the Detroit No. 1 Kiwanis Club of Michigan, will be the official Kiwanis International representative at the annual convention of the Carolinas Kiwanis District at Winston-Salem, North Carolina, September 24-26. Weber will also be a principal speaker at the convention.

## Mary J. Jacobs Weds Mr. Poma

Setting for the Friday evening, September 1, wedding of Mary Joyce Jacobs, daughter of Mr. and Mrs. John Frederic Jacobs, of Indian Village Manor, formerly of Grand Marais boulevard, and Samuel Joseph Poma was St. Jude Church in East Seven Mile road.

Officiating at the 6:30 o'clock rites, which were followed by a reception in the Crystal Room of The Whittier Hotel, was Father Gaston Des Harnais.

The bride's gown was styled with an A line skirt of white peau de soie and an Empire bodice of Alencon lace. Appliqued lace motifs and seed pearls were scattered over her skirt and chapel train.

Her elbow length, triple-tiered illusion veil fell from a Dior headband, and she carried a Colonial arrangement of Sweetheart roses, centered with a gardenia corsage.

The dress, train and veil were designed and made by the bride's mother, and the bride also wore her mother's strand of pearls for the double ring ceremony.

She is the daughter of the Frederick L. Fishers, of Bedford road. The bridegroom is the son of the William Dunmeyers, of Bergenfield, N.J.

## William Kalbs Speak Vows

Mrs. Robert Brownscombe, of Roslyn road, and William P. Kalb, of Bishop road, exchanged marriage vows Saturday, September 9, in St. Michael's Episcopal Church, at an 11:30 o'clock ceremony.

The Reverend Edgar Yeoman presided at the morning rites, which were followed by a reception at the Grosse Pointe Yacht Club.

The bride, daughter of Mr. and Mrs. Edward C. Bell, who came from their Ormond Beach, Fla., home for the ceremony, wore a pink and white ensemble and carried a nosegay of garden flowers on a white prayerbook.

She was attended by her daughter, Martha Brownscombe, and given in marriage by her son, William Brownscombe.

The bridegroom, son of Mrs. Lewis P. Kalb, of Washington road, asked his son, Edward Kalb, to act as best man.

Ushers were George Kalb, the bridegroom's brother, William Ludwig, Gary Johns and Brian David.

The newlyweds are vacationing in Nassau. They will return to make their home in Bishop road.

Among the guests were the bridegroom's children, Kathryn, Barbara, William and Mary Louisa Kalb, and Mrs. William T. Brownscomb, of Orlando, Fla.

## Church Women Plan Meetings

"Something Old and Something New," a collection of books to be read, will be presented by Mrs. Harry C. Markle, a former librarian in Detroit and Ferndale, at a meeting of the Grosse Pointe Memorial Church Women's Association's Friday Book Review Group tomorrow, September 15, at 1 o'clock at the Church.

Devotions will be led by Mrs. Ben Tallman. Mrs. Jerome A. Brichter will serve as hostess, assisted by the Mesdames Everett Bowyer, Harvey A. Burr, Donald L. Castle, S. G. Ellason, Fred Flom, D. P. Lotgering and Harold W. Quackenbush and Miss Winifred Ellason.

The Church Women's Evening Group members will gather for their annual dinner meeting in the Church Fellowship Hall Tuesday, September 26, at 6 o'clock.

Mrs. Emily Beardslee will give a book review. Everyone is welcome. Reservations must be made by contacting the Church office by Friday, September 22.

Many of the Church Women are making plans to attend the annual retreat and conference at Walden Woods on Saturday and Sunday, September 23 and 24. Mrs. Bartlett Hess, of Ward Presbyterian Church, will give a Bible Study Preview on the Book of Mark, after which Mrs. Howard Cottman, a member of the National Board of Presbyterian Women, will introduce the mission study, "Christ, and the Faiths of Men."

Mrs. Grant Hales is chairman of this project. Reservations must be made by September 15. Further information may be obtained by contacting Mrs. Charles D. Todd, Jr.

## LWV Week To Run September 18 To 23

Grosse Pointe Public Libraries' Director Robert M. Orr Will Speak at League Luncheon September 20 at War Memorial

Governor Romney's proclamation, declaring the period of September 18 through 23 as League of Women Voters Week in Michigan, emphasizes that "The League of Women Voters of Michigan has consistently demonstrated that our form of government can only work properly when citizens are informed and take an active part in it."

"Dedicated and zealous, the women of the League toil long hours to bring responsible and effective government to Michigan. The Michigan League has now grown to a membership of more than 4,500 women of all races and creeds who share a common devotion to preserving and strengthening our representative form of government."

Governor Romney concludes by urging "all our people to recognize the innumerable and meaningful contributions to more effective and responsible citizenship, government and public affairs that have been made by the League of Women Voters throughout Michigan during its 47 years of service."

For the Grosse Pointe League of Women Voters headed by president Mrs. Carl J. Fischer, of Notre Dame avenue, this proclamation means an initiation of activity to bring the League of Women Voters to all Grosse Pointers, the beginning of a new season of informative programs open to the public and the promotion of the League's Finance Drive, which is under the direction of Mrs. George J. Brown, of Birch lane. The League of Women Voters of the United States is a non-partisan organization open to all women citizens of voting age who believe in representative government.

The purpose of the League is to promote political responsibility through informed and active participation of citizens in government. The programs of the League, National, State and Local, are varied and include such topics such as Human Resources, Water Resources, Foreign Policy, Civil Service, Taxation, School Finances and Children's Services.

The League is headquartered at the War Memorial and further questions can be answered and more information obtained by calling TU 1-7511.

## Miss U'Ren Married To Thomas Marshall

Couple Will Make Home in Mt. Pleasant while Bridegroom Completes Studies at Central Michigan University

Kathryn Mary U'Ren, daughter of Mr. and Mrs. Harry L. U'Ren, of Hawthorne road, and Thomas Robert Marshall, son of Mr. and Mrs. Donald E. Marshall, of Roslyn road, spoke their marriage vows Friday, September 1, in Grosse Pointe Woods Presbyterian Church.

Officiating at the 7:30 o'clock double ring candle-light ceremony was Dr. John Olert, Jr.

The bride wore an Empire gown of white crepe styled with a Chantilly lace bodice and a Cathedral train edged with white crepe. Her bouffant illusion veil was held in place by a crown of organy petals accented with seed pearls.

She carried a cascading bouquet of miniature carnations and ivy centered with a white orchid.

Francis Gilmore was maid of honor. Bridesmaids were Susan U'Ren, sister of the bride, and Susan Marshall, sister of the bridegroom.

They wore identical floor length gowns of deep rose. Venetian lace edged their short sleeves. Their bouquets were pink miniature carnations and

roses. Albert Von Drasek, of Chesaning, Mich., served as best man. Seating the guests were Robert Lueckhoff and Joseph David. Harry U'Ren, younger brother of the bride, served as an honorary usher.

The bride's mother wore a pale pink silk A-line dress with a matching jacket. The bridegroom's mother chose a turquoise A-line dress with matching coat. Both mothers wore white orchid corsages.

After a reception at the home of the bride's parents, the new Mr. and Mrs. Marshall left for a wedding trip to Montreal and Niagara Falls.

On their return they will make their home in Mt. Pleasant while the bridegroom completes his studies at Central Michigan University.

### Slate Welcome Wagon Meeting

The next meeting of the Welcome Wagon Club of Grosse Pointe will be held Thursday, September 21, at the Grosse Pointe War Memorial. Brunch will be served at 11 o'clock prior to the business session which will be followed by bridge and canasta.

Mrs. J. H. Burnett, president, reminds all officers and board members to attend a planning meeting at her home Monday, September 18, at 10 o'clock. The complete program of activities for the year will then be readied for presentation to the group at the Thursday meeting.

Plans are being made for "out" luncheons at the Art Institute, Country Club of Detroit, Detroit Boat Club and various restaurants, in addition to the monthly brunch meetings.

### Ask Volunteers To Help Blind

Free instruction to enable volunteers to transcribe reading materials into Braille for the blind will be given at Grosse Pointe War Memorial Center Thursday mornings between 10 and 11 o'clock beginning September 21 and continuing through the year until June.

Mrs. Gerald Fitzgerald and Mrs. John McNamara of Grosse Pointe devote their time to teaching sighted people to perform this service for a wide variety of organizations ranging from the American Red Cross to Leader Dogs Inc.

While there is no charge for instruction, the materials and texts which are issued by the Library of Congress cost about \$10. Braille Transcribers receive certification from the Library of Congress upon completion and correction of manuscripts at the end of the term.

This is a most worthwhile way to donate one's time and effort and the ladies in charge are so jolly that the class is a barrel of fun as well as being satisfying.

Braille Transcription can be mastered by any sighted person with reasonable diligence.

The bridge benefit for nursing scholarships, held annually in March, will also be discussed at the September meeting. Members present will have a chance to sign up for bridge marathons sponsored by the Club to raise additional scholarship money.

These bridge groups also provide an excellent opportunity for women and couples to get acquainted.

All newcomers who have received their Welcome Wagon hostess calls are invited to attend this meeting. Members and guests may make reservations until Tuesday, September 19, by calling Mrs. R. J. Abbott at 882-8363 or Mrs. George Read at 886-0836.

### GP Newcomers Plan 'Bridge-In'

The Grosse Pointe Newcomers Club will start a season full of activities on Saturday, September 16, at 7:45 o'clock with the first progressive bridge party of the fall season.

The bridge will be a Pro-Am event. The amateurs will be separated from the pros to encourage beginners to come out and enjoy an evening of bridge. Free instructions will be available for the "Ams."

The "Bridge-In" will be held at the homes of Mr. and Mrs. Clide Carr, chairman, Mr. and Mrs. Jack Shattuck, Mr. and Mrs. Art Schwartz, Mr. and Mrs. Marshall Collins, Mr. and Mrs. Dale Cunningham and Mr. and Mrs. Jack Renfro.

An afterglow will be held at Captain Shumways in East Jefferson avenue.

Couples who live in The Pointe and are new to the Detroit area are invited to contact Tut or Mary Lou Tuttle, 882-9251, for further information on club activities.

MISS JOAN GRAY, daughter of MR. and MRS. LEWIS H. GRAY, of Hawthorne road, will begin her junior year at William Woods College, Fulton, Mo., when classes open September 14.

Nineteen Hundred and Sixty-Seven . . . is Something Special in the history of St. John Hospital. The Hospital's Fontbonne Auxiliary was organized 20 years ago, in December, 1947 . . .

. . . To commemorate the occasion . . . a Mass of Thanksgiving will be celebrated Tuesday, September 26, at 6 o'clock in the evening, in the Hospital's St. Edward Chapel. It will be followed by a dinner at 7:30 o'clock, in the Grosse Pointe War Memorial . . .

. . . Honorary chariman . . . of this 20th anniversary celebration is Mrs. Arthur D. Kerwin, who served as first president of the Auxiliary when it was organized on December 3, 1947, with Sister Mary Carmella as prime motivator. At the initial meeting, those attending voted to designate the first Wednesday of every month as an assembly day . . .

. . . Prior to the official opening of the Hospital . . . Reverend Mother Colette, of Nazareth, Mich., conceived the idea of the Fontbonne Auxiliary to aid the Hospital spiritually, physically and financially by its prayers, membership and voluntary activities . . .

. . . The Auxiliary was named . . . for Reverend Mother St. John Fontbonne, who after the French Revolution restored and re-founded the Congregation of the Sisters of St. Joseph and, in 1836, sent the first six Sisters of St. Joseph to the United States. The Sisters staff and operate St. John Hospital . . .

. . . The Auxiliary . . . in the beginning, had a membership of 5,000 women. Its primary objective was to give impetus to St. John Hospital Guild, a men's sustaining organization, and to supply Hospital rooms with equipment, furnishings and linens . . .

. . . In the past 20 years . . . members of the Auxiliary have served the Hospital in many ways, through volunteer service in the Gift Shop, sewing, working in Central Service, the Admitting Department, at the Information Desk and Out-Patient Clinic, on the Medical and Surgical Floors, in Maternity, Pediatrics, the Nursery . . .

. . . They've done office work, too . . . and through their volunteer activities have eased the tasks of nurses and aides and have answered the needs of the Hospital by giving more attentive care to patients when they require it most . . .

. . . Over the past two decades . . . Fontbonne Auxiliary members' hours donated to the Hospital total 133,036 . . .

. . . They have also . . . worked to raise funds for new equipment and building expansion, again to assure that each patient receives the very best in hospital care at St. John . . .

. . . And now they're going to celebrate . . . with a Mass and festive dinner on the 26th. General chairman of the festivities is Mrs. Franklin G. Quinkert, of York-shire road. General co-chairmen are Mrs. Thomas K. Fisher, of Lothrop road, and Mrs. Emmett T. Tracy, of Provencal road . . .

. . . Current president . . . of the Fontbonne Auxiliary is Mrs. John H. Madison. Chairman of hostesses for the anniversary dinner is Mrs. Jerome A. DeSantis; hostess co-chairman is Mrs. Wallace Burns. Assisting hostesses will be Mrs. John C. Griffin, Mrs. J. Dennis DeSantis, Mrs. George Hartemayer and Mrs. Alfred Fingham . . .

. . . Others working . . . on the anniversary celebration committee are Mrs. Paul Schwanitz, Mrs. James N. Mutschler, Mrs. Robert M. DuRoss, Mrs. Homer Potts, Anne Borkowski, Mrs. Cyril P. Lundy, Mrs. Robert Knop, Mrs. John McCallum, Mrs. Stephen Zielinski, Mrs. Alexander Jursek, Mrs. Laurent H. Chauvin, rs. Edward P. Letscher and Mrs. Robert Fannon . . .

. . . These ladies . . . would like as many people as possible to join them at Fontbonne Auxiliary's anniversary party. Reservations for the dinner may be obtained by contacting the Fontbonne Office, 881-8200, Extension 204 . . .

. . . We'd like to be the first . . . to wish Fontbonne Auxiliary a very "Happy Birthday"—and many, many more . . .

### PILFERINGS

On a flight out of Washington, D.C., I was sitting next to a Catholic nun. When lunch was served, she offered me the small package of cigarettes that was on her tray. I said facetiously, "Are you sure you won't have one?"

"Oh, no, thank you," she answered. "One habit is enough."

### MRS. H. JUSTIN DAVIDSON OF LAKELAND AVENUE

By Pepper Whitelaw

If you want something done and done well ask a busy person . . . so the saying goes, and that's just what the League of Women Voters did when they were looking for a Voters Service chairman. The woman they asked was Shirlee Davidson.

Mrs. Davidson has been in the Pointe for only a year but she hasn't lost any time putting down roots, (of more than one kind). She is an avid gardener, a master at woodworking and an active member of the League of Women Voters.

The Davidsons' garden must be seen to be believed! When Shirlee took us on a tour we were astonished to see just what she meant when she remarked, "Gardening is our hobby."

The garden is like a small truck farm. It is filled with peppers, tomatoes, lettuce, pole beans, lima beans, snap beans, — you name the bean, they grow it, — potatoes, onions, Brussels sprouts, cauliflower, raspberries, strawberries, currants . . . and an herb garden with thyme, oregano, rosemary, mint, basil . . . and flowers . . . five foot dahlias, marigolds . . . and those are just some of the growing things! Shirlee freezes a lot of the produce they grow, in her spare time. (How she has any spare time is a real mystery!)

### Have Four Children

The Davidson family consists of four children, (all very active), Charles, 12, Clinton, 10, Chris, 9, and Jenny, 6, and husband Justin, who also leads a very busy life. He's a partner in a firm of Certified Public Accountants and an active member of the Grosse Pointe Men's Garden Club.

Shirlee met her husband while attending Carnegie Tech, where they both received their BS and MS degrees in 1935. They were married in Pittsburgh, Pa., in 1934. Then their travels began . . . they moved to Arlington, Va., Mobile, Ala.,

### Ashley-Tuttle Vows Spoken

Mary Evelyn Tuttle and Kenneth Joseph Ashley were married Saturday, August 26, at Saint James Methodist Church in Detroit. A reception at the Detroit Athletic Club followed the ceremony.

The bride is the daughter of Mr. and Mrs. George Tuttle, of Detroit. Parents of the bridegroom are Mr. and Mrs. Alexander Ashley, of South Oxford road.

Lynn Puffer was maid of honor. Bridesmaids were the bride's cousins, Joan Lester and Susan Newell, Patricia Ormond and Margaret Joseph, a cousin of the bridegroom.

The bridegroom asked his brother, Duane, to be best man. Ushers were Thomas Newell, cousin of the bride, Ralph Cerny, Dr. David Joseph, the bridegroom's cousin, and Alan Ashley, another brother of the bridegroom.

After a wedding trip to Canada and New England, the couple will reside in Rochester, N.Y.

### Jourdan-Koss Betrothal Told

The engagement of Sandra Lee Koss and William Jourdan has been announced by her parents, Mr. and Mrs. Michael Kazerski, of Harper Woods. Mr. Jourdan is the son of Mr. and Mrs. Cecil Jourdan, of Torrey road.

The bride-elect and her fiancé, both of whom are graduates of Grosse Pointe High School, are making plans for a February wedding.

23). During this time the League tries to bring itself to the attention of all Pointers. This is also the beginning of the new season of informative programs which are open to the public as well as the season for the League's Finance Drive.

### Other Activities

Shirlee modestly says that she has a few other activities. Then with a twinkle in her eye she adds, "I'll be working on the American Association of University Women's Book Fair this year . . . that will be lots of fun . . . and then I'm a member of Great Books, sponsored by the Friends of the Library . . . I love this discussion group . . . I help at our church, the Grosse Pointe Unitarian . . . and one of the most fun things I've ever done was being a Room Mother at Maire School last year . . . I am a Room Mother again this year and really looking forward to it! The children are delightful."

### She's A Chairman

The Voters Service, of which Shirlee is chairman, is one of the two major areas through which the League works to carry out its purpose. It involves, in a broad sense, basic citizenship training. Voters Service activities are designed to help the busy citizen to vote; to help make it possible for him to cast an informed vote; to increase his understanding of government and politics so that he may be encouraged to participate even more actively in public affairs.

Many of the activities of Voters Service are closely concerned with elections. The League works to inform the public about registration and voting procedures; urges citizens, particularly new citizens, to register and vote . . . always emphasizing an informed vote; explains proposed amendments and referenda which appear on the ballot; makes available factual information on the candidates based on their records and their expressed opinions on various issues; holds candidate meetings and supplies voting records.

### Education Program

In addition to work relating to elections, the League undertakes educational work to provide the citizens with an understanding of the structure and operation of government and particularly the role of the political parties . . . how they are organized, how they function and the opportunities for party work.

Shirlee is especially busy now preparing for League of Women Voters Week in Michigan, (September 18 through September 23).

### Loved The Bahamas

"Justin and I try for a week or two away by ourselves each year. I think my very favorite trip of this sort was our trip to Andros in the Bahamas . . . it was a real paradise!"

Shirlee is also full of enthusiasm for the family's recent trip to Expo 67. "One of the nicest things about this trip was the friendliness of the people who attended Expo . . . you didn't mind waiting in line because there was always someone interesting with whom to chat."

When we queried Shirlee as to some of the interesting pieces of modern furniture in her living room she answered, "I made them. Woodworking is my hobby." Shirlee has fashioned a beautiful, long, low coffee table in walnut, a walnut bookcase and base seven feet high, complete with grass-cloth doors. "It took only three months to do the bookcase and Justin did the fine fitting."

### Real Outdoor Girl

Shirlee is a real outdoor girl. Besides camping she loves to bicycle. (She laughingly calls her "Varsity Racer" the family's second car), took tennis lessons at the High School, and because of the Davidsons' proximity to the Lake has become quite interested in ice skating. "It's great exercise . . . I did it last winter during the day when the fancy-footed five-year-olds weren't around," she laughs.

If Shirlee ice skates as well as she handles her other ventures, we'll bet that she gives those five-year-olds a run for their money!

### Woods Approves Bike Experiment

The Grosse Pointe Woods Council, on Monday, September 11, voted to give A.H. Andrews, Director of Public Safety, the authority to experiment with limited bicycle cuts on Mack avenue.

The matter was brought to the attention of the Council by William W. Queen, of 19459 Mack avenue. Mr. Queen suggested curb ramps for bicycles similar to those found on Lakeshore. He added that his suggestion was prompted by the recent bicycle fatality in the Woods.

### Sub Launching Happy Affair

Pointers past and present had a happy and stimulating reunion on Saturday, September 9, in Groton, Conn. The occasion was the launching of the nuclear submarine Narwhal, in the yards of the Electric Boat Division of General Dynamics.

Proudest of the proud gathering were Mr. and Mrs. John G. Scales of Washington road, and Mr. and Mrs. Ralph Netting of Lincoln road. The Scales are the parents of the Executive Officer, (second in command) of the new killer-type sub, Lt. Com. Richard H. Scales. The Nettings' daughter Cynthia, is the equally proud Mrs. Richard Scales. Both are graduates of Grosse Pointe High School.

Dick is the first member of his class of 1937 at the U.S. Naval Academy at Annapolis to be given an executive command post. Skipper of the Narwhal is Com. Willard A. Matson, II, Annapolis '50.

An interesting sidelight is that Dick's father-in-law, former City of Grosse Pointe Mayor Netting, is also an Annapolis graduate and took submarine training aboard a previous Narwhal. This is the third sub with the same name, and for those who aren't up on their submarine-naming lore, a Narwhal is an Arctic mammal.

Among others present at the launching were Dick's sister, Beverly Scales, Mr. and Mrs. Hugh Dill, Jr., formerly of Neff road, and Mr. and Mrs. Raymond Schumann, formerly of Balfour road.

The payoff came in the form of a \$50 government bond, won by Cynthia Netting Scales when her insignia design for the new vessel was acclaimed the best submitted in a contest. Her husband, the new executive officer, also had cause to be proud.

Mrs. Glynn Donahoe, widow of Vice Admiral Donahoe, who was in command of a previous Narwhal at the time of the Pearl Harbor attack, was the sponsor of the launching ceremonies.

### TO DISCUSS GREAT BOOKS

A Great Books Discussion Group will meet at the Grosse Pointe Public Library, Kercheval at Fisher during the second year reading, the first and third Wednesdays of each month, commencing September 20 at 8 p.m., under the leadership of Henry Masky. New members will be most cordially welcomed.

## Carl's Corner

I think that the picking up of a word of a politician by the daily newspapers — and deliberately twisting it for ridicule is despicable — whether he's a Democrat, Republican, or Prohibitionist.

It's too bad a man can't say what he thinks or even make a foolish remark once in awhile without having his future depend upon it — after all, politicians are human even though today they are a pretty sorry lot . . . the hounding and baying of an asinine press is reprehensible and certainly not conducive to frankness.
