High School Students Have New ID Cards

CHRIS LARSEN, age 17, daughter of Mrs. Alida Larsen, was the first of 3,100 students at Grosse Pointe High School to be photographed under the recently instituted Polaroid identification system. A sample of the school's identification card is shown in the lower left of the photograph.

Deer Meet Death After Wandering Streets of Pointe

One Doe Pays Surprise Visit to Store; Plunges Through Window of Ship's Wheel Then Jumps in Lake St. Clair

"Doc" Islets was set for a routine day as manager of the Ship Wheel, at 19605 Mack avenue, on Tuesday, September 19, but the day turned out to be anything but routine.

Around 9:20 a.m., shortly after opening, "Doc" was standing in the rear of the store when he saw a deer appear at the back door. Before he knew it, the deer had jumped through the storm door, traveled down the aisle 70 feet through the store and bounded out the front plate glass window.

The deer then jumped over a car parked on Mack avenue and continued on his way.

That was just part of the Michigan White-tailed deer's adventure in civilization. It is believed that the deer had wandered out of the woods, onto the expressway, through Harper Woods and into Grosse Pointe Woods.

Officers' Opinion
The NEWS found, after talking to Conservation Officer Charles Le Valley, that the deer was a doe, one of two that somehow had come into the area.

Mr. Le Valley said that the does were probably frightened by hunters, tried to get away and somehow found themselves on the expressway, ultimately arriving in The Pointe area. Reports of residents from Detroit, Harper Woods, and Grosse Pointe, who sighted the doe, came in hot and heavy Tuesday morning.

All area police joined to assist the Michigan Conservation Department, in locating the does.

Mr. Le Valley said that both were young does. One weighed about 75 pounds; the other about 55 pounds.

Both does were accounted for within hours of their having been sighted.

One Jumped in Lake
Mr. Le Valley said that one doe, caught on the Dodge property on Lakeshore road, was probably the one that went through the window of The Ship's Wheel on Mack. This animal was bleeding from the mouth and had other injuries on her body.

She jumped into about 10 feet of water and was drowning when the Conservation Department found it necessary to shoot her. Mr. Le Valley said that normally the Department does not shoot animals but tries to catch them alive. In this instance, live capture was impossible.

The other doe was captured in Balfour road with the assistance of a tranquilizer gun. This doe died shortly after capture. Mr. Le Valley explained that the amount of tranquilizer in the dart depends upon the weight of the animal; unfortunately in many instances it is difficult to judge an unknown animal's weight. In this case the doe died.

Will Spend \$56,227 for Varied Jobs

Pier-Park and Marina to Get Fences, Lights, Drainage Improvements, Drinking Fountains

Work and purchasing contracts, which will cost the Farms a total of \$56,227.59, were awarded by the city council on Monday, September 18, following recommendations made by City Manager Andrew Bremer, Jr., who disclosed that the money to be expended is already in the fiscal 1967-68 budget.

The following contracts were approved by the council:

- For additional lighting at the Municipal Pier-Park, to the Maryland Electric company, to cost \$17,719.54; painting of the exterior trim of the remodeled section of the City Hall, to the John E. Cash company, at a cost of \$1,440.
- General Roofing company, for the replacing and repairing of the roof of the Water Filtration Plant, 29 Moros road, to cost \$1,800. The present roof is the original one installed when the plant was constructed in 1928, and had been repaired from time to time, the council was informed.

F. A. Colombo New Trustee Of Shores

Replaces Gilbert Jerome, Elevated to President after Resignation of John Huettjeman, Jr.

Frank A. Colombo, executive vice-president and general manager of the J. L. Hudson Company, has been named a trustee of the Village of Grosse Pointe Shores.

Mr. Colombo, 54, replaces Gilbert T. Jerome, who was recently named village president after the resignation of John Huettjeman, Jr.

Mr. Colombo is a graduate of the University of Arizona and received his master's degree from the Harvard Graduate School of Business Administration in 1937.

He and his family live in 611 Lakeshore drive. He has a son, Richard, who is currently serving in Vietnam, and two daughters, Linda, who attends the University of Michigan, and Sandra, who is a student at our Lady Star of the Sea.

Mr. Colombo is a director emeritus of Goodwill Industries of Greater Detroit, a past president of the Detroit Convention Bureau, and president of the Central Business District Association.

Police Nab Armed Robber Within Minutes of Hold-up In Home of Shores Family

Gunman Terrifies Three Women Alone in House; Is Apprehended Trying to Flee in Car from Adjoining Garage

A Detroit man, father of eight children, was arrested by Shores police within minutes after he robbed 2 Shores family at gun point and sought to flee in the family's car shortly before noon on Monday, September 18. He was apprehended just as he was backing the automobile out of the adjoining garage.

John L. Powers, 37, of 24551 Valley street, according to information released by the authorities, entered the Nehra residence, 791 Lake Shore road, at Vernier road, directly opposite the Shores Municipal Building, on the pretext that he was a postal inspector investigating mail fraud. He drew a snub-nosed revolver and held three women at bay, and took approximately \$5,000 that was in a brown bag. This occurred at about 10:30 a.m., it was said.

At 4:40 p.m., Powers was arraigned before Shores Judge George Beauchamp, on a warrant approved by the Wayne County Prosecutor's Office, charging him with robbery armed.

Waives Examination
The accused man entered a plea of not guilty and waived examination. Judge Beauchamp set bond at \$50,000, and remanded Powers to the custody of the Wayne County Sheriff's Office, in default of the bond, to await trial at the next session of Circuit Court.

Powers was arrested by Sgts. Donald Jacob, Joseph Vitale

Leaf Burning Would Harm New Paving

Farms Officials Request Residents to Refrain from Building Fires on Asphalt

The Farms has completed, or is about to complete, the resurfacing of several thoroughfares in the city, and is requesting that residents do not burn leaves on the new asphalt, or on any asphalt pavement, for that matter. The plea was made by John DeFoe, director of public services.

The heat from the burning leaves and debris causes premature failure of the asphalt material used in the pavement mix, DeFoe pointed out, and considerably shortens the life of the pavement.

He asks that burning be done on concrete driveway approaches, or in metal trash burners.

He said that the Farms is justly proud of its newly paved streets and city officials are of the opinion that local residents are, too. Therefore, he said, it is important that the restrictions be complied with, if the streets are to remain in good condition for years to come.

Residents living in these streets are asked, especially, not to burn leaves on the newly laid asphalt:

Burglars Break into Woods Drug Store and Get \$5,000

Burglars cut through a partition-wall of an adjoining business establishment to enter the Merit Drug Store, 19325 Mack avenue, some time during the night of Monday, September 11, and escaped with thousands of dollars from an office safe.

The break-in was discovered by Marvin Mitteldorf, 32, of 20050 Carol, Detroit, an employee of the store, who called Woods police.

Det. Everett Plumb said that the burglary appeared to be that of professionals who knew exactly what they were doing. The thieves "peeled" and entered a safe located behind the prescription counter, and took approximately \$5,000. The money was the week-end receipts, it was said.

Mitteldorf told the officer that he locked the store at about 10:30 p.m. the evening before, and reopened about 8:16 a.m. Monday, to discover the break-in and theft.

Shortly after police received a call regarding the drug store burglary, Max L. Henry of 24075 Crocker-boulevard, Mt. Clemens, who manages the Maccabees Mutual Life Insurance company branch, 19329 Mack, called and stated that someone had pried open the rear door of his place. However, he said, nothing was disturbed or appeared to be missing.

Plumb said that the burglars only entered through the insurance place to work undetected, by breaking through the wall separating the two establishments.

The thieves chopped away a 14-inch by 20-inch section of the wall, about 10 inches from the floor, and squeezed through to get into the drug store, the detective said.

The burglars knew where to go and what they were after, since they did not disturb anything else in the drug store, Plumb said. The culprits apparently fled the building the same way they entered, he added.

Center Holding Annual Meeting

Grosse Pointe War Memorial's 19th annual dinner meeting, scheduled for Monday evening, September 25, at 7:30, will feature entertainment by duo pianists Helene Nordstrom and Mrs. Eleanor Lorentzen, both of whom are members of the War Memorial-sponsored Chamber Music Players of Grosse Pointe.

Also performing for the War Memorial officials and guests gathered in the Crystal Ballroom will be the Center's classical guitar teacher Ronald Scollin, who was featured at this summer's Grosse Pointe Music Festival.

The dinner and program is open to all War Memorial patrons at a token price of \$2.50 inclusive. Reservations should be made at once at the Center's office.

Burglars Rob GPHS Safe; Amount of Loss Unknown

Farms police are investigating the breaking and entering of Grosse Pointe High School during the night of Friday, September 15, and the robbing of the safe in the main office.

Investigating officers said that the burglars, who appear to be professionals, smashed through a wall alongside a walk-in vault, crawled through and escaped with an undetermined amount of cash. The money was from book sales and tuition, according to Det. Joseph Miller, and had been locked in the safe for the weekend.

The burglary was discovered by Richard D. Barshaw of 20545 Fleming avenue, Detroit, who told police that he arrived at the school at 6:20 a.m., on Friday, to start work, and opened the service entrance, leading from the rear yard.

Barshaw, day custodian of the building, said that this door was the only one in the building that was not chained. He said as soon as he noticed the broken glass on the door of the main office, he called Michael Salmar, head engineer, who then called police.

Patrolman Earl Field said that he made a preliminary investigation, and found that the burglars had broken through a double concrete wall alongside the vault. On the floor outside the safe, were three empty cash boxes, which apparently had contained the cash receipts.

Entry into the school building was gained through a window of the school's clinic. The window glass had been broken.

The burglars, once inside the building, crawled through the clinic office, walked down the hall to the main office and went to work. They must have had experience in committing burglaries, it was said, for when they completed their job, they removed all their tools and took them with them. They left the school the same way they entered, it was said.

Purse Pilfered By Sneak Thief

A sneak thief entered the house of Dr. and Mrs. Donald Shumaker, 251 Kenwood court, during the night of Friday, September 15, and escaped after removing a sum of money from a purse on the dining room table.

According to information released by Woods authorities, Dr. and Mrs. Shumaker went to bed at 11 p.m. At about 2:05 a.m., Mrs. Shumaker came downstairs and discovered her purse missing from the table. The purse was later found on the floor near the side door of the house.

Missing from the purse, police were told, were approximately \$90 in currency and change; a 14-carat gold pen and pencil set, valued at about \$100; and a gasoline station credit card, bearing the doctor's name.

Police said entry into the house was gained by the burglar through the French door of the side porch. Apparently the door was unlocked, since there was no evidence of a forced entry, police said.

Mrs. Evelyn Nehra, daughter-in-law of the elder Mrs. Nehra, said she and the others were in the house and the Messrs. George and Tony were at their store, 10520 East Jefferson, Detroit.

Displayed Badge

The younger Mrs. Nehra said that a man, identified as Powers, came to the rear door, carrying an attache case, and displayed a badge, claiming he was a postal inspector and that he was investigating a case of mail fraud.

Mrs. Nehra said that she allowed Powers to enter the house, and she saw her mother-in-law. He asked if anyone else was in the house, and when informed there was the maid he requested that she be called.

When Mrs. Cherry entered the room, the daughter-in-law said, Powers drew a gun and said, "This is a hold up. Give me George's and Tony's money." Mrs. Evelyn Nehra denied there was any money in the house.

She said Powers ordered the three of them to a second floor bedroom, where he forced the maid to lie face down on the floor, and she and her mother-in-law to lie face down on a bed. As he reached into his pocket and extracted pieces of wire to bind the women, the younger Mrs. Nehra said, Powers again demanded money.

Made Her Mouth Bleed

When she again informed him there was no money in the house, Powers struck her repeatedly about the face, causing her mouth to bleed. She finally consented to giving him the money, Mrs. Nehra said.

While the beating was taking place, the mother-in-law managed to get out of the room undetected. She ran down the stairs and across the street to the Village Building, and incoherently asked for police aid.

Mrs. Cherry, too, managed to flee undetected, and Powers, Mrs. Evelyn Nehra said, dialed a phone and, apparently speaking to an accomplice, told the person at the other end that the two women had escaped and in all probability will call the police. He asked his accomplice to pick him up, and must have received a negative reply, which could account for Powers' attempt to escape in the Nehra car.

Sunday School 50 Years Old

(Continued from Page 1)

A Sunday School Fiftieth Anniversary Service will be held on Sunday, September 24, at 6:30 p.m. at the Lutheran Church of the Reformation, Lakeview and Vernor Highway East.

One of the special speakers will be Rev. Jack Lacey, a graduate of Southeastern High in 1954, who attended Wittenberg University is a graduate of Detroit Institute of Technology, received a Bachelor of Divinity degree from Hamma Divinity School, Springfield, O., and was ordained September 1964 at the Lutheran Church of the Reformation.

Also speaking will be Mrs. Beatrice Marrow Myers who was called as parish worker in 1946 and was very helpful in Sunday School and Luther League activities during her four years at Reformation.

All former teachers and officers of the Sunday School are cordially invited to attend this service to renew acquaintances and receive special recognition.

A social hour with refreshments will be held following the service.

as a result of a tranquilizer overdose and shock.

Mr. Le Valley also cleared up the mystery of why the doe went the length of The Ships Wheel and did not damage any merchandise. He explained that the doe was used to traveling on "deer runs" and consequently treated the aisle in the store as one.

Mr. Le Valley said that this type of incident could occur almost any time of year but is more likely to happen in the fall when more hunters are in the woods.

Footnote to local citizens who were traveling Mack avenue around 9:20 a.m. on Tuesday of this week . . . Yes, you did see a deer!

Car Found in Woods

The arresting officers said that in searching Powers' person, they found a car registration in his wallet made out in his name. Not finding a vehicle, a Chevrolet station wagon, such as described on the registration, in the area, a radio broadcast was made to all stations to be on the lookout for the station wagon.

The car was found at Mack and Anita by Woods police, who had begun an immediate search. The vehicle was unoccupied. It was released to Shores authorities and impounded. Powers refused to name his accomplice, it was said.

The Shores police said that Powers told them that he had served a jail term for armed robbery in Detroit.

continuous leaf pickup program. Public Works Superintendent, Douglas Collinson, says the City will make the frequency of collection as often as manpower and equipment permit.

Leaves which are placed in containers will also be picked up during the regular rubbish collection service.

Burning Leaves Banned in Woods

The City of Grosse Pointe Woods' City Administrator, Chester A. Petersen wishes to remind residents that the Woods does have an ordinance against the burning of leaves out-of-doors, in an effort to make the community smoke-free.

After October 1, the city's leaf vacuum will pick up leaves at the curb, but until then all residents are requested to put the leaves out with their regular rubbish for collection.

The city encourages residents to purchase plastic rubbish bags for this purpose as well as for regular rubbish. After October 1 the city hopes to have these bags available for purchase by residents.

Leon's Visited By Thieves Again

Once again Leon's, 17888 Mack avenue, was broken into, this time on Wednesday, September 13. At 3:05 a.m. City Police officers John Drummond and Donald Steckman were on routine patrol when they observed that the rear door of Leon's had a broken window and that the door was ajar.

A call for assistance was sent to Grosse Pointe Farms and the building was checked, but no one was on the premises.

While investigating, officers found 14 cases of wigs placed just inside the rear door. The cigaret machine had been broken into and the cigarets removed. They were later found hidden in two wig cases near the rear exit.

The Wig Room had been entered. It appeared the intruder at first attempted to force the door but later used a key to open it. All the cabinets in the building had been ransacked.

The candy and coke machine showed signs of pry marks but entry was not gained. No tool could be found that might have been used to force entry.

A number of wigs were taken from the salon as well as some petty cash. Estimate of the loot is not known.

Wounded Boy Recuperating

John R. Bux, 17, son of Mr. and Mrs. Robert Bux of 1300 Vernier road, is home and recuperating from a bullet wound that was accidentally self-inflicted on September 10, according to information released by Woods authorities.

Young Bux was taken to St. John Hospital by police-ambulance after he had been shot, and because of his condition at the time, police were unable to question him regarding the incident. At the hospital, doctors operated and removed the bullet, discharged from a .22 caliber rifle owned by the youth's father. The bullet had penetrated the left side of his chest and lodged near a lung.

On Monday, September 18, police said that they had questioned the youth, a Grosse Pointe High School student, when he recovered sufficiently, and were told that John was cleaning the stock and the barrel of the firearm, and was examining it when it discharged.

The young man said that he was holding the gun by the barrel, and was sighting through the bore, the weapon held high, when it swayed. He said he reached out to grab the rifle stock, and his finger hit the trigger and the gun went off. He said he did not know the gun, a single shot, was loaded.

The boy's father told police that as far as he knew, no shells were kept in the house, and he did not know a shell was in the gun. His son was familiar with the weapon, having used it in hunting and target shooting, Mr. Bux said.

Investigating officers said that the angle at which the bullet entered the boy's chest, substantiated that the shooting was accidental, and marked the case closed.

INJURED IN FIGHT

City Police received a report from Bon Secours Hospital on Wednesday, September 13, stating that a young man was being treated for facial injuries incurred during a fight. Upon investigation officers found Donald Mooney, 645 Lenox, Detroit, 21 years old, who stated that he was hit with a bottle at the East Side Drive In. The information was passed on to Harper Woods Police.

Additions at St. Paul's Offer Improved Education

In an age where advanced education is a must and automation pursues us constantly, St. Paul's has met the challenge by providing its students with new, ample equipment and a cavalcade of new courses for the coming school year.

The business education department, for example, has been the target for much of the equipment additions. With the aim of making graduates better prepared for office jobs, the department has acquired an 8-station, 2-channel table top laboratory for advanced shorthand students.

These additions together with an electric mimeograph machine, a spirit duplicator and a full bank adding machine, thoroughly equip the business and office practice departments. Courses here are taught by Sister Michael Celeste.

In the library, St. Paul's has obtained three carrels, complete with records and tapes. In expanding this listening center, the school also purchased eight sets of microphones. Mrs. Romig is in charge of the library.

Thirty microphones suspended from the ceiling compose the language department's newest addition—the electronics room. The mikes are "Audio-active," meaning that students can speak and hear with them at the same time.

Commenting on the room, Sister John Helen, head of the French Department said, "If teachers and students avail themselves of the opportunities presented by the room, then their proficiency and skill should reach a high level."

Science departments have also seen change. What was once a typing room is now a new Biology lab, complete with cabinets, a stove and refrigerator, and three work areas which will supply future scientists with the tools needed to complete that all important experiment.

Among the new courses added at St. Paul's has been an advanced Placement English IV course which will give students an in-depth look at the great literary works of the past and present.

A course in Drama has also been added so that the students will grow in their appreciation of the arts. Sister Marie Doro-

thy will supervise both these areas.

Advanced art and clothing classes will give students a chance to develop their creative talents. In the art course, Paulites will learn the basic skills behind advertising, textile designing, portrait composing and silk screening. During clothing class, girls will create their own patterns and adapt these patterns to their needs. Courses in art and clothing will be conducted by Miss Maryann Eichman.

HAD SHIFTY LOOK

City Police officer William Plumb observed three suspicious juveniles, on two bicycles looking over the bicycles parked at Maire School. When he approached, the boys fled north on Cadieux. The boys were later apprehended by Cpl. Duncan MacEachern and officer Virgil G. Beaupre at Warren and Cadieux and taken to the station, where their parents were notified.

Kiwanis Club Selling Nuts To Help Underprivileged

Heart operations, purchases of eye glasses, hearing aid repairs, food for needy families, shoes for bare-foot children are just a few of the many projects in which the Grosse Pointe Kiwanis Club has participated in the past years. This year they are hoping to surpass all previous records and help many more needy and underprivileged children.

The Club is having its annual National Kids Day peanut sale Friday and Saturday, September 22 and 23. Members of the club, who are local business and professional men, will be at Mack and Vernier, Mack and Moross, and other major traffic intersections from 6 a.m. to 9 p.m. both days.

A proclamation declaring Saturday, September 23, as National Kids Day, has been issued by Mayor Kenneth R. McLeod and approved by the City Council of Grosse Pointe Woods. This

day is observed by Kiwanis International nation-wide.

National Kids Day function, through the sale of salted-in-the-shell peanuts, is to raise funds to aid underprivileged children. Grosse Pointe Woods business and professional men have generously and willingly contributed toward underwriting the cost of the peanuts.

All contributions from the sale go directly into the Underprivileged Children's Fund. Moreover, the Grosse Pointe Kiwanis Club has in operation three 50-seat buses to transport children to and from Lake Front Park. The Grosse Pointe Kiwanis Club wishes to express thanks and appreciation for the kind and generous with their donations this year.

According to the three chairmen, Warren DeCook, Philip Patanis and Don White, this promises to be a record year for sales.

Hospital Holds Doctors' Course

The Wayne State University School of Medicine, department of psychiatry, is presenting a course in continuing psychiatric education for physicians at Cottage Hospital of Grosse Pointe this fall.

The course, "Psychiatric Aspects of Family Medicine," is taught by Dr. James Graves, Clinical Associate Professor in the department of psychiatry. Dr. Graves, a resident of Grosse Pointe, is the former director of the Detroit-Wayne County Community Mental Health Services.

The class is held every Wednesday, from 10:30 a.m. to 12 noon, starting September 20 through December 6.

The course is open to all physicians. Further information can be obtained by calling Dr. Henry Krystal at 872-5440, or by writing to: 1151 Taylor Avenue, Detroit 48202.

P.T.A. Council Meets Sept. 25

Postal Services Being Honored

Postmaster Edward L. Baker announced that today, Thursday, September 21, has been designated as Postal Services Day in Detroit.

The day, which will highlight those services offered to the community by the local post office, has been set aside to focus attention on the Detroit Post Office, its 8,600 employees, and the public service they perform.

On Postal Services Day, letter carriers will begin delivering to every householder a kit of eight postal cards which can be mailed back to the post office to obtain ZIP-Codes for "zip-less" addresses.

Each completed card will be sent to the post office which services the address needing a ZIP-Code. There the proper five-digit number will be added before the form is returned to the sender.

"Delivery of the ZIP-A-LIST kit during the celebration of Postal Services Day is in keeping with the event," Postmaster Baker said. ZIP-Code is the key to better service and we want to make it as easy as possible

to obtain the codes needed to fill out personal mailing lists."

Other Postal Services Day activities will include an open house at each postal station and branch; tours of the General Post Office throughout the day; an outdoor noon-day concert of the Detroit Post Office Male Chorus on Washington Boulevard; and observance of the occasion at the Detroit Race Course, where the feature race will be designated the "Pony Express Handicap", and track and postal officials will participate in appropriate recognition ceremonies.

Purdue Women To Meet Oct. 5

Women of Purdue University Club will meet for luncheon at 12:30 o'clock Thursday, October 5, at the Walled Lake home of Mrs. A. C. Wheat. The program will feature a speaker from the Federal Bureau of Investigation.

Church Holding Workshop

The Sunday School teachers and officers of St. Paul Evangelical Lutheran Church, Chalfonte and Lothrop will meet for dinner on Thursday evening (September 21) at 6:30 p.m.

Following the dinner, a workshop will be conducted on the new materials to be used in the coming quarter.

The new superintendent of the Sunday School is Dr. Raymond Henry. The teachers will be inducted at the 11 o'clock service on Sunday.

Teen Democrats Meet Sept. 24

The 14th District-East Teen Democrats have announced that their September meeting will be held on Sunday, September 24, at 2 o'clock, at 14th District Headquarters, 14931 E. Warren.

The coming year of activities will be discussed by the group, as well as plans for working with the young Democrats and relations with the Michigan Federation of Teen Dems. Elections will be held for four vacancies on state central.

The Teens have just completed a very active summer program climaxed by the Michigan Federation's convention held at Hotel Pontchartrain on September 8, 9 and 10. The local club held a rummage sale and candy drive in order to help cover the cost of the rooms for its delegates to the convention.

Katie Killeen was in charge of the convention and was elected president of MFTD. President of the 14th, Jerry De Grieck, was the convention co-chairman and publicity chairman. Pat Kowalski was in charge of the program booklet and Dan Sienkiewicz of the 14th was responsible for advertising. Mike Killeen was given the credit for bringing the convention to Detroit.

Besides the convention activities, the group found time for a great deal of volunteer work. After the Detroit riots many members, including Jeanne Dorik, Sharon Killeen and Dan Welch, worked with the Detroit Urban League in distributing food and clothing. Members of the 14th also helped out at Brewster Project and joined the Leukemia March.

Anyone interested in attending Sunday's meeting, joining the club, or helping with precinct work should contact Jerry De Grieck, 1535 N. Renaud, or call 881-2721.

Helpers Needed by Red Cross

Men and women are still needed to serve in the blood program, transportation service, service to military families and for office volunteer work.

A basic training class will be held on Monday, September 25, at the Red Cross Chapter House, 153 E. Elizabeth in Detroit between the hours of 9:30 a.m. and 2 p.m. Men, women and recent retirees interested in becoming Red Cross volunteers are encouraged to attend.

For further information call Red Cross, Office of Volunteers, 961-3900.

what's the second most important name on your mortgage?

your bank.

There's a lot more to a mortgage than the amount of money you borrow. Where the money comes from is just as important. And so are the things written into your mortgage.

If you apply for a home mortgage at NBD, for example, you'll find we have the people and facilities to give you personal attention. And because we're a full-service bank, we can keep on helping you with our entire range of financial services long after you move in.

Ninety-five offices make us the most convenient place in town to apply for a mortgage. There is no application fee.

Closings take only thirty to forty-five minutes and are often made at the same office. This saves you a special trip downtown. And closing costs are usually less than a hundred dollars, excluding insurance.

When we write your mortgage, we spell out exactly what rate you'll be paying and what you're paying for. And we'll write in pre-payment privileges that can save you hundreds of dollars if you sell your home.

If you're considering a mortgage loan right now, be sure to consider a very important thing: the name of your bank.

Old Horse Barn Proves Fine Setting for Entertainment

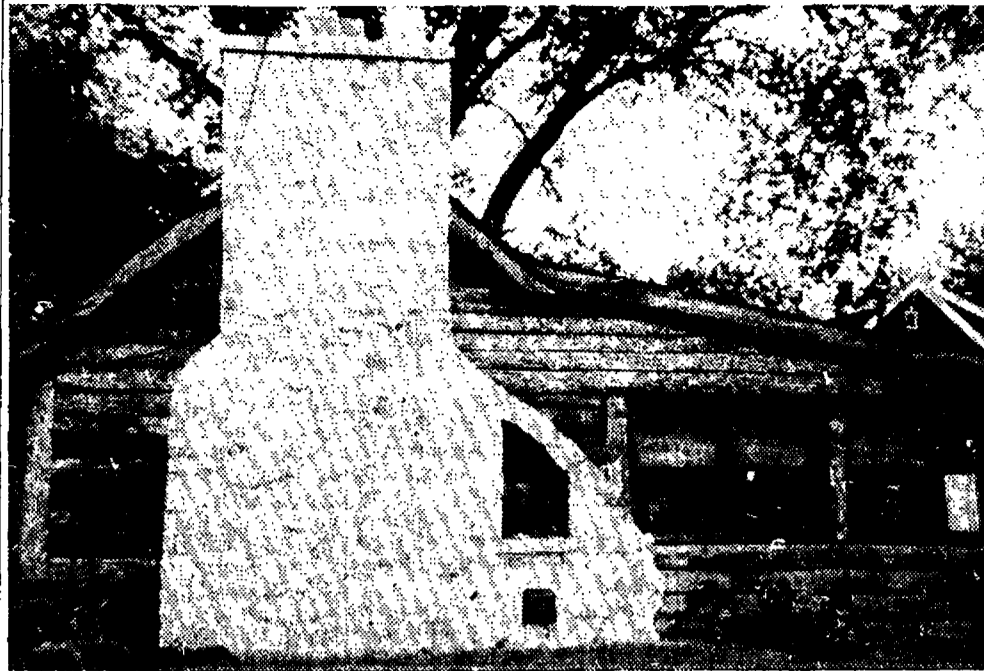

Photo by Brian Whitelaw

By Pepper Whitelaw An old horse barn... a far-sighted gentleman... a lot of hard work and a great deal of ingenuity, resulted in a wonderful family fun center for the Clarence Schwartzes in the 40's and currently for the Gene Stovers, of Kercheval avenue. About two years ago the Stovers purchased the horse-barn and the apple orchard in which it is located, from Mrs. Kathleen Schwartz, whose husband Clarence moved it from the Andrew Greene estate, (which was located where Earl court is today), in 1940 to its present location in Lakeview avenue.

How it all began is an interesting story. It seems Clarence wanted the old horse barn for both sentimental and practical reasons. The sentimental reason was that his father, Frederick B. Schwartz, a prominent builder in The Pointe at the turn of the century, had remodeled the estate and built the barn.

The practical reason was that the Schwartz clan, who all lived in the neighborhood, was a large one and needed a place for family parties as well as a place in which their son Jack could play.

Clarence got the help of two Belgium brothers and set to work immediately. But it was a slow process. Clarence wanted something unusual.

First he put log siding on the barn... then he built a gray stone chimney. He collected the stones for it piece by piece. He then built a steel frame and set the stones in it... he added an outdoor and indoor grill.

Then he needed something special for a mantel. That's

when fate stepped in and gave Clarence a hand. Into the Detroit River shore floated a log which was just the right size. Friends of Clarence's had spotted it and told him about it. He went down and got the log and brought it home and installed it. Around the fireplace he set large wrought-iron fireplace fixtures. From there he looked for just the right kind of lighting and found the perfect fixture,

an old wagon wheel. He converted the wheel into a beautiful rustic ceiling light. Next he purchased an old coal and wood burning stove, now over 100 years old. The old horse barn was left intact and since then has been the setting for many a party picture.

Eventually Clarence added a glassed-in-porch in front of the horse barn, taking its design from the barn.

Today, the Stovers are using

the horse barn just as the Schwartz family did, for parties for both young and old. They have two children, Lindell, 14, and William, 12, and they are enjoying it as much as the Schwartzes did.

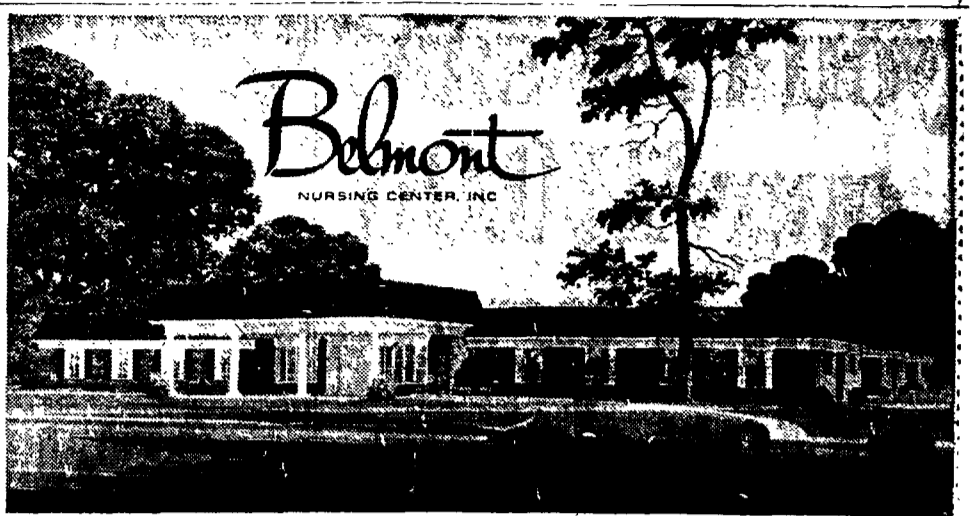

The Stovers plan to build a house in front of the horse barn

... "a simple but modern one," says Mrs. Stover. "We'll leave the horse barn intact. We wouldn't think of changing anything, it has so many memories for so many people. Why, just recently, one of the boys who attended Lindell's party said his dad recalls the parties his friends had here when he was a boy."

So the Stovers are carrying on the Schwartz tradition of

filling the horse barn with laughter of both young and old and at the same time retaining a little bit of yesterday in Lakeview avenue.

Little League Candy Sale On
 The Grosse Pointe Little League Footballers launched their advance candy sales last Saturday, September 16, when more than 150 youngsters canvassed homes in Grosse Pointe Park and Grosse Pointe City selling candy at \$1 per box.
 The proceeds from this sale, which is the only source of income for the group, will continue to provide the boys with first class equipment.
 Bob Brower, 1967 Candy Sale Chairman, said that this year's sale shows every indication of setting a record. "We have more boys this year than ever before and the residents of Grosse Pointe have been most cooperative in their response."
 The boys will continue to sell candy throughout the month of September. Many youngsters will sell enough candy to earn attractive football sweaters and jackets for their efforts.
 The first game of the 1967 season will be played at Lincoln Park on Saturday, September 23. Don McKenzie, athletic director for the sponsoring group, has announced that only part of the 83 on the freshman squad will travel to Lincoln Park. A scrub game will be scheduled for the youngsters who don't make the trip.

Thom Historical Prints Available
 Famous events and people who have played important roles in Michigan history are depicted in color prints available to the public from the Michigan Historical Commission.
 There are six sets of color prints, each print 11 by 16 inches with full historical text on the back. Artist is the well-known Michigan historical painter, Robert Thom, and the text was written by F. Clever Bald, Director, Michigan Historical Collections, University of Michigan.
 Thom was commissioned by the Michigan Bell Telephone Company to produce the original paintings. Distribution is handled by the Michigan Historical Commission through the John M. Munson Michigan History Fund. Each set of prints sells for \$1.
 According to Dr. Harry Kelsey, director of the Michigan Historical Commission, the prints are "colorful and graphic illustrations of Michigan in history."
 The six sets are: (1) Before History, Michigan Indians, Sieur De La Salle and the "Griffon," and Massacre at Michillimackinac; (2) Madame Cadillac Arrives in Detroit, The Americans Take Over Fort Mackinac, Perry and Lewis Cass Expedition; (3) Douglass Houghton Finds Copper, Charles Harvey Builds the Locks, Capital Moves to Lansing, and Putting the World on Wheels; (4) Fur Trappers, Traders, The Detroit Fire, The Boy Governor, and When Pine Was King; (5) Detroit-World Port, Joliet and Marquette, Pageant at the Sault, and The One-room School; and (6) Michigan in the Civil War, Riches Underground, The Iron Horse, Michigan Fever, and Arsenal of Democracy.
 Proceeds go to the Munson Fund which is used to make available printed materials on Michigan history to schools, libraries, and individuals, Kelsey said.
 Persons wishing to purchase these prints which are suitable for framing are asked to send in \$1 for each set to: Historical Prints, Michigan Historical Commission, Lansing, Michigan 48918. All checks or money orders should be made payable to the State of Michigan.
 Dr. Kelsey said that other materials such as filmstrips, pamphlets, booklets, and publications are also available. For a listing, please write to the Historical Commission.

Pontiac announces the great American sport for '68

Le Mans Hardtop Coupe

Wide-Tracking has never been farther removed from just plain ordinary driving. One look at our stylish '68 Pontiac should tell you that. One ride will convince you!
 Our sporty new Tempests and Le Mans are new from the wheels up. There's a new 175-hp Overhead Cam Six. New sports car feel. Smoother ride. Superior stability and response. Disappearing windshield wipers on all GTOs and Le Mans. Even wider Wide-Track. And you can choose from two new regular- or premium-gas 350 cu. in. V-8s!
 Our fabulous GTO boasts the newest engineering innovation of the year—an exclusive revolutionary new bumper. It's the same lustrous color as the car. But it won't chip, fade

or corrode. And you won't believe what this bumper does until you see it with your own eyes!
 Naturally, our new Bonneville's, Grand Prix's, Catalinas, Executives and Venturas won't take a back seat to anyone! Especially with their bold new integral bumper-grilles that are nearly twice as strong as before. There's also new Wide-Track ride. Improved handling. Smoother engines. And more new features for your protection, like a buzzer that warns you when you forget your ignition key.
 Isn't it about time you decided to give up plain ordinary driving? Don't fritter away another hour. See your Pontiac dealer today and start Wide-Tracking!

Adult Ski Club Has Big Plans

The Grosse Pointe War Memorial's Adult Ski Club begins a busy season with a kick-off program and social in Fries Auditorium this Sunday afternoon, September 24, at 3 o'clock when all former members and prospective members are invited to get acquainted over refreshments and enjoy Doc Tanay's slides and commentary on the club's trip to Sun Valley last season.
 A very active schedule of events and trips will be announced by president Bill Adams starting with the club's sponsorship of the dean of ski film commentators John Jay, who will give one show only in Fries Auditorium the night of Wednesday, October 25, at 8:15. Other fall highlights include a ski school for members run by Bill Bokram and Rex Clavola, a cocktail dance at Grosse Pointe Hunt Club and a Black Cat ball at St. Clair Yacht Club.
 Ski trips begin with a long and short New Years' trip staying at the Cliffdwellers. Then there are weekends to the Highlands and Nubs staying at Petosky's Perry Davis and Birchwood, a weekend to Sugar Loaf utilizing Traverse City's plush Park Place and a Canadian trip to Georgian Peaks and Blue Mt.
 The piece de resistance is the trip to Vail and Aspen, Colo., via charter jet which is scheduled March 1-10 for 96 lucky souls. Club membership is just \$5 (married couples both \$8).

St. Paul Beaten By St. Florian

A good sized crowd watched the St. Florian Lancers defeat the Lakers of St. Paul in the season's opener at Grosse Pointe High Field Sunday, September 17.

Martin Thomas of St. Paul grabbed the opening kick off and carried the ball to the Lancers' 31 yard line. St. Flo-

rian's quarterback Trakul made the initial tackle. Laker half back Doug Dziuba, in a run around end attempt, was stopped and knocked out of bounds in the first play.

The ball switched hands and Lancer quarterback Trakul attempted a run and gained 12 yards. Freshman Mike Nally of St. Paul's made the tackle but a penalty of 15 yards was pinned on the Lakers for a personal foul.

In the next two plays quarterback Trakul carried the ball. Laker Captain Kotz and Tom Nally were in on both tackles.

New Laker head coach Jerry Smith alternated full backs Corbett and MacEachern. Continual yardage was stacked up by Corbett who plowed through the line for many a first down. Laker quarterback Browning sneaked for a first down also.

Until the whistle sounded marking the end of the first half the Lakers controlled the ball and dominated the field.

After a 40-yard boot by Doug Dziuba at the start of the second half, St. Paul regained the ball for more yardage by Corbett and Dziuba.

When the ball switched control, Lancers' Popowski made a 30-yard run around the end. Immediately, Mike Makowski, Lancer fullback found a gap for a 20-yard run to a touchdown. The Lakers stopped an extra point attempt.

After the kick off, quarterback Browning of St. Paul's handed off to Dziuba who went back to pass. Finding no one open, Dziuba dashed 20 yards through an open hole.

At four minutes remaining the Lakers scored again and again the extra point failed. The Lakers held St. Florian for the rest of the game but remained scoreless. Final score was 12-0 in favor of St. Florian.

Pointe Packers Hold Scrimmage

The Grosse Pointe Packers football team had a practice scrimmage at East Detroit Sunday. No score was recorded as the teams alternately ran the ball 10 times.

Scott Leu, quarterback of the Freshman, showed real poise as he guided his team with able help from Thiede, Cammett, Carolan, Lehmann, Elliott, Bashara, Westphal, and Simon, to name a few. Coaches Jack Bierline and Jack Carlson will miss Coach Al Herman, who went

back to Michigan State. Packers Junior Varsity defense to a man didn't allow anyone past the 50-yard line. Coaches John Burns, Rick Moore and Paul Trupp, and helpful father Chris Cotzias Sr. were glad to see Kim Adler show the same form as he did last year as a freshman. He outran East Detroit defenders three times for the distance. Simon, Steel, Cotzias, Boyd, Padilla, Severson, Trupp, Tocco, Grimaudo, Karpaz and

others made the coaches happy. Varsity Coaches Jim Ney and Frank Quinn missed the services of Coach Werner Lueckhoff, but did a nice job all the same. Everybody got in the game. Some familiar faces were Ogle, Thomason, Quinn, Carlson, Declair, Heidt, Mindelli, Ney, Lehman, Shier, De Cook, Trupp and Bloomquist.

New High School Complex Has Unusual Auditorium

A new acoustical auditorium at the school will be able to at least triple the number of hours the facility would be in use if left undivided. At many schools auditoriums stand idle except when used for periodic assemblies, musical or theatrical productions because the auditoriums are either too large or too poorly equipped to serve as instructional centers.

At the Grosse Pointe High School North, however, two classes will be able to meet simultaneously and still leave a third section of the auditorium and the stage free for other uses.

The school's architects, the Detroit-based firm of Harley, Ellington, Cowin and Stirton Inc., were faced with the problem of creating an auditorium, audio-visual facilities for large classes, and space for theatrical rehearsals and instruction.

To avoid constructing separate facilities for each function—a procedure ruled out by cost—the architects made use of a

new construction development—a giant sound-proof, Y-shaped steel beam that acts as a door, opening and closing vertically, dividing the 800-seat auditorium into a 400-seat auditorium and two 200-seat audio-visual instruction centers.

The beam, around which the rest of the auditorium building is being constructed, was put into place this week. It is believed to be the first use of a Y-shaped, sound-proof divider in an auditorium.

This movable, sound-proof beam will solve the problem that has up to now limited the usefulness of divided rooms. Many earlier attempts at creating multi-purpose space in schools failed because sliding or rolling doors were not adequate to stop sound from penetrating from one room to another.

Cafeteria-auditorium combinations, which avoid the acoustics problem, have proved high in maintenance costs—demanding a large amount of janitorial time to re-arrange furniture once or twice during the day. When used as auditoriums or large classrooms, these "cafetoriums" offer inadequate visibility because of their necessarily level floors.

By making use of the newly-developed steel divider, Harley, Ellington, Cowin and Stirton Inc. working with theater consultant George C. Izenour of New Haven, Conn., are creating an auditorium-instructional center in the Grosse Pointe School that will be a pace-setter in the educational field.

In a recent study financed by the Ford Foundation, the Educational Facilities Laboratories (EFL) referred to the plans for the Grosse Pointe High School North as a dramatic breakthrough in auditorium construction.

James E. Gibson, vice president in charge of design for Harley, Ellington, Cowin and Stirton Inc., explained that the architectural staff had conducted a thorough study of schools with various types of divided auditoriums. They found that the increased instructional uses to which the rooms were put significantly outweighed installation costs.

He said that in one school studied, the divided auditorium

was expected to save the cost of building five additional classrooms.

Gibson explained that the Y-shaped girder in the Grosse Pointe School will be housed, half in the ceiling of the auditorium, half inside a three-foot-high wall separating the main floor of the auditorium from a gently-sloping balcony.

The 40-ton girder, coming together somewhat like the blades of a pair of shears when operated, will span a 15-foot-high opening. Two arms of the girder are 49-feet long each and the shorter section, which will divide the balcony into two parts, is 25-feet long.

The girder will be operated electrically. The bottom half is slightly heavier than the upper portion and in the event of a power failure the girder will open automatically because of the action of its counterweights.

When the girder is in the closed position a pneumatic seal around its edges will inflate tightly against the joints and stop any leakage of sound.

A cross section of the girder resembles a giant I beam with the vertical part of the I seven feet high and the horizontal top and bottom each one foot wide.

On the side of the girder toward the stage will be placed wooden panels, baffled to prevent reverberation of sound. A sliding curtain also will cover the panels as further sound-deadening when needed.

The balcony side of the girder will be covered with a type of surface that will facilitate its use as a background for lectures or films.

The girder is supported at each of its three ends and will ride in channels of rollers. The three legs of the Y are bolted together at the center.

The acoustical consultants for the new hall, Bolt, Beranek and Newman, of Cambridge, Mass., specified that the auditorium seats, made by the American Seating Company, have holes beneath the cushions to absorb sound when the auditorium is empty and the seats are raised, as during a rehearsal. This acoustical device will simulate an audience even though the auditorium is empty.

Seating in the auditorium has been planned for comfort and a clear view of the stage. Every seat will have an unobstructed line of sight to stage-center. In the main floor section the rows will be spaced 40 inches apart, allowing ample room for latecomers to walk to their seats without forcing earlier arrivals to rise.

In the balcony sections, because there will be more aisles and the rows of seats shorter, the rows will be 36 inches apart.

To keep the height of the building low in keeping with the neighborhood, and to make the balcony seem a unified part of the auditorium, the last row of balcony seats will be only 12-feet above stage level and only 85-feet from the front of the stage.

Gibson said, "When the auditorium is divided and the balcony sections are used as lecture rooms or audio-visual centers, the gentle slope of the floor will give every student excellent visibility, and create the impression of an intimate room, even though there are 200 seats."

Above the balconies, will be booths housing sound, lighting and movie projection equipment and controls.

To increase the capacity of the auditorium, 32 seats will be permanently fastened to a rolling frame that will be stored under the auditorium and will slide into position on an elevator. The elevator will have

Planned Parenthood Christmas Mart 1967 workers are keeping busy, busy, busy as the Mart itself draws near, nearer...

Opening Night is only a month away now, Tuesday, October 24, at 5 o'clock. Thirty out-of-town specialty shops will display their wares in Detroit's Veterans Memorial Building for a total of three days.

Hours October 24 are 5 to 3 o'clock. Wednesday, October 25, the Mart will be open from 10 in the morning to 10 in the evening, and on Thursday, October 26, it will be open again at 10 and close-for-good at 5 o'clock.

Cocktails and meals will be available on all three days.

Last Thursday, Mart committee members gathered for a meeting at the Beverly road home of general chairman Gilbert Hudson, and next Tuesday and Wednesday, Mrs. Emory Moran Ford will open her Woodland home for sessions at which the East Side Mart will finish mailing assignments.

Honorary chairman of the Mart is Mrs. Joseph B. Lyons, of Lakeshore road. Chairman ex officio is Theodore Buttrick, of University place, and East Side Mart co-chairman is Mrs. John W. Coe, of Meadowbrook.

Shops at this year's Mart will be many and varied, presenting handmade Belgian shoes, hats and apres-ski clothes, English antiques, gourds and much, much more... and including, of course, the Detroit Planned Parenthood League's very own "Madness" booth which features those delightful handmade wooden ornaments and Christmas decorations by volunteers working exclusively for the Mart.

Miss Kipka Married To K. H. MacLean, Jr.

Following Virginia Vacation, Pair Will Remain in Washington, D.C., for a Few Months Before Returning to Make Home in Pointe

A reception in the Fries Ballroom of the Grosse Pointe War Memorial followed the Saturday, September 16, wedding of Nancy J. Kipka, daughter of Mr. and Mrs. Donn George Kipka, of Kensington road, and Kenneth Hugh MacLean, Jr.

Setting for the evening service, at which The Reverend Ben L. Tallman officiated, was Grosse Pointe Memorial Church.

The Empire bodice of the bride's ivory peau de sole gown was heavily appliqued with Alencon lace. The dress featured a matching trumpet-shaped train of silk-faced peau de sole.

Her elbow length silk illusion veil fell from a cluster of Alencon lace petals, and she carried an arrangement of white roses, ivy and stephanotis.

In cherry pink crepe Empire gowns were Catherine Kipka, who served as her sister's honor attendant, and bridesmaids Mrs. Robert Orr, Mrs. Bruce H. MacLean and Mrs. George Moeller.

They carried bouquets of deep pink sweetheart roses, Elegance carnations and ivy.

Bruce H. MacLean served as his brother's best man. They are the sons of Mr. and Mrs. Kenneth Hugh MacLean, of Rivard boulevard.

Ushers were Donn G. Kipka, Jr., the bride's brother, John H. Davis and Gary P. Leddick.

For her daughter's wedding and the reception, Mrs. Kipka selected a floor length Empire gown of pink Alaskine. Mrs. MacLean, the bridegroom's mother, wore a floor length gown of blue chiffon, accented at the bodice with seed pearl beading.

Both mothers chose cymbidium orchid corsages.

When the newlyweds left for a vacation in Virginia, the bride was wearing an apple green knit dress and matching coat, with black accessories.

After a stay of several months in Washington, D. C., the couple will return to make their home in Grosse Pointe.

Out-of-town guests included Mrs. Van R. Kipka, Sr., of Elkhart, Ind., the bride's grandmother, Mr. and Mrs. Albert Arko, also of Elkhart, the Van R. Kipkas, Jr., and Dr. and Mrs. J. Raymond Dunwell, both of Grand Rapids.

Mr. Sherwood Weds In East

Mr. and Mrs. Robert Owen Sherwood, who vacationed in Martha's Vineyard, Mass., following their Saturday, September 2, wedding in First Church of Christ, Congregational, Woodbridge, Conn., are making their home in East Lansing while he completes work on his Master of Business Administration degree at Michigan State University.

Mrs. Sherwood, the former Susan Paramore Wilson, daughter of Mr. and Mrs. Holden Fancher Wilson, of Woodbridge, is teaching at Okemos High School.

The bridegroom is the son of Mr. and Mrs. Orville Filkins Sherwood, of Lakepointe avenue.

For the 11:30 o'clock ceremony, at which the Reverend Curtis J. Patterson, of Pittsburgh, Pa., officiated, the former Miss Wilson chose a gown of white silk organza and re-embroidered Alencon lace, designed with a bateau neckline and full Court train.

Her bouffant illusion veil fell from a double crown of crystals and pearls, and she carried a cascade of phalaenopsis orchids, stephanotis and ivy.

Honor attendants Martha Jo

Wilson, sister of the bride, and Mrs. Philip G. Stinson, of Athens, Ga., and bridesmaid Nancy Lee Aylesworth, of Alexandria, Va., wore A line gowns of pink organza, fashioned with Empire bodices trimmed with green velvet ribbon and embroidered pink flowers.

They carried baskets of pink and green glamelias accented with green velvet bows.

Acting as best man for his brother was Richard W. Sherwood. Ushering were James Kennedy Todd, H. James Schulte, III, and Thomas Holden Patterson, of Valley Stream, Long Island, N.Y.

For her daughter's wedding and the reception at Les Shaw's in New Haven following the rites, Mrs. Wilson chose a blue silk and wool worsted ensemble. She pinned a white orchid corsage to her purse.

Mrs. Sherwood, the bridegroom's mother, selected a sea foam silk and wool worsted costume and a corsage of gold-toned orchids.

Opening Night For Symphony

Sixteen Ehrling will conduct the opening concerts of the Detroit Symphony Orchestra's 1967-68 season in Ford Auditorium on Thursday and Saturday, September 21 and 23, at 8:30 p.m.

Tickets are now on sale at 22 box office locations throughout the metropolitan area, including Ford Auditorium, all Grinnell's stores, and Hudson's.

The works to be performed are Berlioz's Overture to "Benvenuto Cellini," Mendelssohn's Symphony No. 4 ("Italian"), Ernest Bloch's Concerto Grosso No. 2, and Leos Janacek's Sinfonietta.

There will be 40 subscription concerts during the new season—22 on Thursday nights and 18 on Saturday nights.

Subscriptions for series of 6, 11, 12, 18 or all 22 of the programs may still be obtained at the Symphony office (phone 961-0700). Subscriptions represent savings averaging 25% in comparison with box-office

prices for individual concerts. Subscribers also keep the same seat locations.

The season will extend through April 13, 1968.

Van Cliburn, Elizabeth

Schwarzkopf, Zino Franceschini, John Browling, William Stein, Marilyn Horne, Hollander and some of the musical stars will appear in the series. The Symphony itself has 103 members.

Inside The Mothers' Club

The September meeting of the Executive Board of the Grosse Pointe High School Mothers' Club, held at the home of president Mrs. William Ludwig, was highlighted by the attendance of Faculty Advisor-Principal Gerry Gerich.

With an enrollment of 3,085 students, 20 new staff members, two new counselors and a dozen pilot programs underway, Mr. Gerich enlarged upon specific changes as follows: A new identification card program, several team-teaching programs, Industrial Arts Department changes, (involving cooperation of business and industry), a program for teaching educable mentally handicapped students and a Food Service program already in action.

Touching on the new high school, Mr. Gerich estimated enrollment at 1,600 to 1,700 students, keeping the senior class intact at GPHS South, with enrollment at 2,700 to 2,800.

In her presidents' Report, Mrs. Ludwig welcomed and thanked the new board members and commented on her summer project, the school calendar, which was distributed in the students' kits.

Mrs. James Mayshard, vice-president, reported that 12 of the 14 students receiving scholarships have been given their first of two checks. The committee was also recently able to help in an emergency situation.

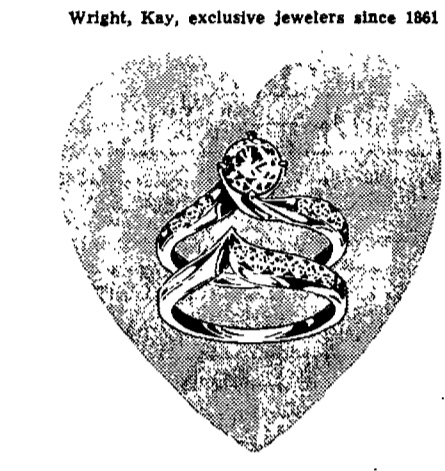

Treasurer Mrs. Leland Symons distributed copies of the new budget, reporting an increase of \$700 over last year. The scholarship fund is budgeted at \$5,400.00.

Committee reports were heard from corresponding secretary Mrs. Roger Smith, faculty representative Mrs. Benson McClure, Newsletter chairman Mrs. William Montgomery, mailing chairman Mrs. William Westhoff, hospitality chairman Mrs. Gordon Sorenson, membership chairman Mrs. Kenneth Adler, Neighborhood Groups chairman Mrs. Phillip Buckminster, program chairman Mrs. Robert Priest, publicity chairman Mrs. Joseph Reed, social chairman Mrs. Alton Donnell, bus chaperones chairman Mrs. Ben Hubbard, Christmas Tea chairman Mrs. Edward Devine, Spring Benefit chairman Mrs. Douglas Smith and Halloween chairman Mrs. Robert Shannon.

Other committee members include president-elect Mrs. Joseph Perry, GPHS North president-elect Mrs. Robert Brines, Tenth Grade chairman Mrs. A. J. Ricca, Senior Activity chairman Mrs. Robert Ambrose, PTA Council chairman Mrs. Warren Moore, Board of Education representative Mrs. Arthur Sherman, nominating committee chairman Mrs. Perry TeWalt, motion picture and TV council delegate Mrs. Willard Smith and Health Education Council delegate Mrs. Bruce Reynolds.

Future meetings of the Executive committee will be held the first Monday of each month in the Board of Education Building.

Woods Presbyterian Rummage Sale Set

"There's no value like an old value" might well be the motto for the annual rummage sale of the Grosse Pointe Woods Presbyterian Church. The event is sponsored by the Women's Association of the Church, and this year marks the 26th chapter in its history. Sale dates are Friday and Saturday, October 6 and 7.

Two worthwhile objectives guide the conduct of the big sale, according to officers of the Women's Association.

The rummage sale provides an opportunity for low-income families to buy clothing and other quality merchandise at a fraction of original cost. Income from the sale is used to help further the many-faceted program of the Association.

President of the Women's Association is Mrs. William Elliott.

Co-chairmen of the rummage sale, which is the Association's largest fund-raising project of the year, are Mrs. Alexander Gill and Mrs. Bernard Kirk.

Church women assisting with the sale include furniture chairman Mrs. Arthur Drummond, jewelry chairman Mrs. Richard Johns, linens chairman Mrs.

Richard Piper, toys chairman Mrs. Stanley Maples and Mrs. William Shaffer, ladies' wear chairman Mrs. William Frederick, hats and purses chairman Mrs. James Fournier, Quality Shop chairman Mrs. Edgar Netherton, men's wear chairman Mrs. George Miles, lingerie chairman Mrs. Frank Kaufman and housewares chairman Mrs. Tom Clark.

More are: shoes chairman Mrs. Donald Koch, electrical chairman Mrs. Robert Goodhand, Books chairman Mrs. Frederick Tew, children's wear chairman Mrs. Martin Schnurr, publicity chairman Mrs. Frederick Olmsted and Mrs. Malcolm Jolliff, and kitchen chairman Mrs. William Elliott.

Contributions are welcome and may be brought to the church the week of the sale. Heavy items will be picked up; call TU 4-2396 or TU 1-4165 for this service.

Engaged

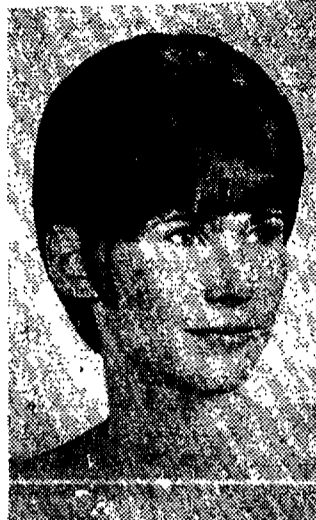

The engagement of DENISE LENNANE, daughter of Mr. and Mrs. Edwin P. Lennane, of Neff road, and Lieutenant Theodore J. Padden has been announced by the prospective bride's parents.

Miss Lennane was graduated from the Academy of the Sacred Heart in Lakeshore road, attended Newton College of the Sacred Heart, Newton, Mass., and received her Bachelor of Arts degree from the University of Michigan. She did post-graduate work at the University of Keele, Staffordshire, England, and is currently teaching in Montgomery County, Md.

Lieutenant Padden, son of Mr. and Mrs. E. LaSalle Padden, of Erie, Pa., is a graduate of Cathedral Preparatory School, Erie, Pa., Georgetown University School of Business and Georgetown University Law Center. Admitted to the bar in Washington, D. C., he practiced with the United States Foreign Claims Commission. He is currently serving with the United States Marine Corps, stationed in Quantico, Va.

A December wedding is planned.

Betrothed

Mr. and Mrs. William E. Tily, of Yorkshire road, are announcing the engagement of their daughter, CONSTANCE BROOK TILY, to Jack Walter Qualman, Jr., son of Mr. and Mrs. Jack W. Qualman, of Ann Arbor.

Brook was graduated from Grosse Pointe High School in 1963 and received her Bachelor of Arts degree in Elementary and Special Education for the Mentally Retarded from the University of Michigan, where she affiliated with Chi Omega sorority, last April. She is currently working at Poupard Elementary School.

Her fiance attended the University of Michigan, where he affiliated with Phi Kappa Psi fraternity, and received his BBA from Eastern Michigan University last June. He is currently serving with the Michigan Air National Guard.

A November 18 wedding, at Christ Church, is being planned.

Party Proceeds Given To Clinic

As the result of a charity benefit staged August 20, the First Society of Detroit has presented a check for \$2,500 to the Northeastern Wayne County Child Guidance Clinic.

Together with matching state funds that double any contribu-

tion of this kind, the gift means a total contribution of \$7,500 for the Clinic.

The executive committee of the First Society handed over the check to Mrs. Alfred R. Glancy, Jr., chairman of the board of directors of the Clinic. The benefit was held at her

home in Lakeshore road. The Northeastern Wayne County Child Guidance Clinic deals with the emotional and behavioral problems of children. The First Society is a Detroit metropolitan area stage three benefit party to charity.

AAUW Is Preparing Used Book Sale

Thousands of Books, Magazines and Records Sought; Mrs. John MacKay Is Chairman of Two-Day Event Scheduled First Week in October

Thousands of books are being collected, sorted and packed in Grosse Pointe garages this week in preparation for the annual American Association of University Women's Used Book Sale, October 5 and 6.

The sale, to be held at the Grosse Pointe Unitarian Church in Maumee avenue, is sponsored by the local chapter of the AAUW.

"We need books of all kinds," Mrs. John MacKay, book sale chairman, announced this week. "We are wishing to donate books to have them picked up and taken to the collection center at 459 Rivard, 557 W. 21st Street."

Books and magazines are being collected in garages, which actually are under the direction of Mrs. MacKay. The books are being collected in garages, which actually are under the direction of Mrs. MacKay.

Books — best selling, non-fiction, mystery, reference and juveniles — are being collected in garages, which actually are under the direction of Mrs. MacKay.

Planning Benefit Champagne Tea

MR. and MRS. JANUARIUS A. MULLEN, who will open their Lake court home for the Jesuit Seminary Association's 1967 Champagne Tea, discuss the Association's work with MRS. EMMET E. TRACY, (left), party chairman, and MR. TRACY, (seated, center), of Provençal road. The benefit is scheduled Sunday, October 1, from 2 until 6 o'clock.

JOHN R. ARMSTRONG, of Handy road, has entered Dickinson College, Carlisle, Pa., as a freshman.

Ferguson-Engel Rites Are Read

David Lee Ferguson, son of Mrs. William Ferguson, of Hollywood avenue, and the late Mr. Ferguson, claimed Ann Marie Engel, daughter of Carl Engel, of Bloomfield Hills, and the late Mrs. Engel, as his bride Saturday afternoon, September 16, in Grosse Pointe Woods Presbyterian Church.

Following a reception at Lochmoor Club, the newlyweds left for a vacation on the East Coast.

The bride's gown was fashioned of cameo ivory dulcette satin and peau d'ange lace. An ivory bow, accented with seed pearls, held her fingertip veil of French illusion. She carried a cascade of glameias and white roses.

Honor maid Barb Wengel and bridesmaids Fran Whinnery and MaryAnne Hall wore frocks fashioned with rose velvet bodices and pink crepe skirts, and

carried single shocking pink glameias.

Best man was William Ferguson. Ushering were Louis Fox,

James Eckel, Gary Engel and William Jewell.

Mrs. Ferguson, mother of the bridegroom, wore an aqua silk ensemble and selected an orchid corsage.

Society News Gathered from All of the Pointe

LWV Unit Meeting Invitations Issued

During the past, nationally-proclaimed League of Women Voters Week, the Grosse Pointe League has initiated its community into the highlighting programs for the 1967-68 season.

A warm invitation is now extended to all interested women to participate in the League's Unit Meetings to further their knowledge, to take an active part in the

community and to keep mentally alert.

Mrs. William Tilly, of Yorkshire road, a League Board member in charge of "Continued League Responsibilities,"

has arranged three meetings to accommodate the varied schedules of Grosse Pointe women.

The first meeting will be held at the home of Mrs. A. C. Fortinski in Berkshire road Monday morning, September 25, at 9:30 o'clock and will be chaired by Mrs. J. Robert Jessup, of Lakepointe avenue, an active past-president of the League.

For those who prefer evening meetings, the home of Mrs. Harold E. Jinks in Lakepointe avenue, will be open Tuesday, September 26, at 8 o'clock and Mrs. Vernon Beitel, of Kensington road, will be chairman for the evening.

The afternoon session will take place Wednesday, September 27, at 1 o'clock at the home of Mrs. Bruce Miller in University place. Mrs. Thomas R. Mason of Harvard road, will greet members, guests and newcomers.

National, State and Local programs will be explained; but the Local Items, such as Children's Services, School Finance, Recreation and County Home Rule, will be presented in depth so that the membership and newcomers to the League will understand fully the needs, the courses of study and the action to be taken.

Mrs. Joseph R. Thompson, secretary of the Grosse Pointe Board of Education, will explain the League's position on School Finance, which reads "Support and encourage the public schools to (1) continue their ef-

orts toward keeping maximum classroom size of about 25 pupils, (2) reduce the size of the physical education classes to a more manageable number, and (3) obtain funds to meet future building needs. Encourage the establishment of a publicly-supported Community College System in cooperation with other school districts."

Mrs. Howard Hush, of Allard avenue, will clarify the ramification of County Home Rule, which "provides flexible, adequate and efficient government in Wayne County."

"This Study has gone through many stages of development, and Mrs. Hush will bring the League up-to-date on an important government item which persists in headlining the news.

"A survey and evaluation of recreational programs and facilities available to the public in the Grosse Pointes" opens many avenues of study since communities are becoming more aware of the importance and the lack of adequate recreational facilities.

Mrs. James Webers, of Lakepointe avenue, will explain the direction the League is undertaking in "This Study, present the results of interesting surveys and report on the success of the "Go-See" trips conducted for Grosse Pointers.

Children's Services will be discussed by Mrs. Douglas A. Sargent, of Grand Marais boulevard, who will emphasize the support and the encouragement needed for the public school, as soon as funds and teachers are available, to "(1) expand the slow-to-learn classes, (2) count typical children diligently, (3) expand the Visiting Teacher Program and (4) to continue classes for the trainable, the emotionally handicapped and the neurologically impaired."

Mrs. Sargent, presently a Clinical Psychologist and a founding member of the Northeastern Wayne County Child Guidance Clinic, knows the importance of the rest of the Study which reads "Support the Northeastern Wayne County Child Guidance Clinic," a development resulting from League study and action.

No attendance arrangement needs to be made for any of these meetings since guests and newcomers are always welcomed by the League and its members. In the midst of discussion and questioning, coffee is always served.

Back in their Hendrie lane home after a vacation at the Huron Mountain Club are MR. and MRS. RICHARD H. TURNER.

Married

Photo by Bransby Studio
SARAH ANN McCRACKEN, daughter of Mr. and Mrs. Neil P. McCracken, of Yorkshire road, and Michael Joseph Butler, son of Mr. and Mrs. Robert M. Butler, of Detroit, were married August 19, at a morning ceremony in Grosse Pointe Congregational Church.

They are making their home in Lakepointe avenue.

June Bride

Photo by Bransby Studios
Mrs. Joseph H. Kilian, of Muir road, and Jack L. Burnett, of St. Clair Shores, announce the engagement of their daughter, PAMELA GLEE BURNETT, to Dominic Monastiere, son of Mr. and Mrs. Vincent Monastiere, of Harper Woods.

The bride-elect and her fiancé both were graduated from Grosse Pointe High School. Mr. Monastiere attended the University of Michigan and is currently attending Detroit Institute of Technology.

A June 21 wedding is planned.

Byrd To Conduct Festival Concert

Donald Byrd, one of the area's most versatile musicians, will make his debut as a symphonic conductor Sunday evening, September 24, when he will conduct members of the Detroit Symphony Orchestra in an outdoor concert at Detroit's Civic Center.

There is no admission charge for this, the third in a Music Festival Series sponsored by the Metropolitan Educational and Cultural Activities Association, an organization dedicated to cultural enrichment of the community and providing deserving artists.

The Symphony Concert program opens at 7 o'clock with William Grant Still's "De Panama." Other works to be featured are Stravinsky's "Suite for Two," Aaron Copland's "City," Claude Debussy's "Swan Lake" and Byrd's own "Suite for a Small Orchestra."

Lucia Queen Sought by Swedish Council

The Detroit-Swedish Council has announced plans for the third annual selection of Lucia Queen of Michigan. Mr. and Mrs. Carl Johnson, of Windmill Pointe, general co-chairman of the 1967 Michigan Lucia Queen contest, state that all Michigan girls of Scandinavian descent, between the ages of 19 and 23, are being asked to enter the contest.

The entrants will be chosen to appear at the annual Lucia Banquet. The contest will be judged by a jury of prominent Michigan citizens headed by Mrs. Sixten Johnson on the basis of personality, character and appearance. Additionally, each entrant will give a two-minute talk on "The Meaning of Light."

The winner will be crowned the Lucia Queen of Michigan, while the runners-up become her "Luceas."

The Lucia Queen will be flown to Sweden for a two-week tour, highlighted by an appearance at the annual December Lucia Day Festivities in Sweden. She will join Lucia Queens of Sweden and other

countries for a celebration which begins Sweden's Christmas season. Lucia is known as the Queen of Light, according to Mr. and Mrs. Johnson. On December 13, the day of her martyrdom, she is celebrated throughout Sweden in homes, hospitals, offices, plants, wherever people gather. Mr. and Mrs. Johnson, who have just returned from Sweden where they purchased mementos to be awarded to Lucia contestants, add that following the Michigan Lucia's visit to Scandinavia she will appear before service clubs, children's hospitals and other civic organizations to carry on the Lucia tradition of goodwill to all.

"We are extremely happy to continue the selection of a Michigan Lucia Queen," Mr. and Mrs. Johnson concluded, "and we hope this lovely Swedish tradition will become a part of Michigan's yule season festivities."

Members of the Lucia Committee from Grosse Pointe include Mr. and Mrs. James Barker, of Kensington road, Mr. and Mrs. Charles D. K. Brown, of Sunningdale drive, Mr. and Mrs. Carl Cassman, of Kensington road, Mr. and Mrs. Joseph Hadley of Yorkshire road, Mr. and Mrs. John B. Olson, of East Jefferson avenue, Mr. and Mrs. Phillip L. Rahm, of Grosse Pointe boulevard, Mr. and Mrs. Charles R. Moore, of Balfour road, Mr. and Mrs. Charles J. Koebel, of Sheldon road, Mr. and Mrs. Robert S. Peebles, of Westchester road, and Mr. and Mrs. Elving N. Anderson, of Fairford road.

Pointers Work For Meadow Brook Theater

Young PAULA HANPETER, seated on the lap of her mother, MRS. EDWARD HANPETER, Grosse Pointe Area Meadow Brook Theater chairman, admires a newly printed Theater poster held by MRS. DAVID COOLIDGE, Farms Meadow Brook chairman, while Mrs. Hanpeter discusses Theater "business" with Park chairman MRS. ARTHUR JOHNSON. The three "grown-ups" were among area workers for Meadow Brook Theater who gathered recently to sip coffee and listen to Theater staff members explain their Second Season plans at the Cloverly road home of Mrs. Alfred Glancy, III.

Goosen-Chapel Vows Spoken

Exchanging wedding vows Friday evening, September 15, in St. Clare de Montefalco Church, were Isabelle Jane Chapel, daughter of Mrs. Harriet Chapel, of Grayton road, Detroit, and Edward Charles Goosen, son of Mr. and Mrs. Edward Goosen, of Muir road.

The 5 o'clock rites, at which The Reverend Edward Sweeney officiated, were followed by a reception at Geiz Hall.

The bride's Princess gown of antique white peau de soie featured lace appliques, belled sleeves and a high, gathered train. She wore a floor length illusion veil and carried an arm bouquet of roses and stephanotis, tied with a velvet bow.

In floor length frocks of pale yellow crepe, carrying arrangements of orange starflowers and mixed green foliage tied with yellow bows, were Virginia Chapel, who served as her sister's honor attendant, and bridesmaid Lorraine Kolczynski.

Flower girl Gina Carter, the bride's niece, and godchild, wore a floor-length yellow dress embroidered with tiny roses and carried a wicker basket filled with Sweetheart roses.

Marvin Goosen acted as best man for his brother, and Charles McCarron ushered. Bobby Carter, the bride's nephew, was ring bearer. Lucius Carter, the bride's eldest brother, gave his sister in marriage.

The mother of the bride wore a yellow green silk suit with matching accessories, while the bridegroom's mother chose a brown lace sheath, also with matching accessories. Both mothers selected corsages of yellow Sweetheart roses.

The newlyweds will make their home in Beaconsfield avenue when they return from a vacation in Canada.

Unusual Auditorium

(Continued from Page 11) five positions: stage level to enlarge the performing area, floor level to enlarge seating area, 7½-foot below stage level to form an orchestra pit, the level where the seat carrier will be stored when not in use, and basement level where heavy equipment may be rolled onto the elevator from below stage storage.

The school being built as three connected buildings, is expected to accept its first students in September 1968. The exterior brick has nearly all been enacted on the academic unit and interior work is proceeding.

Smoke Engulfs Sanders Store

City Fireman responded with all apparatus to the Fred Sanders Candy store, 17043 Kercheval, on Friday, September 15. Police had spotted smoke coming from the rear doors of the building.

Upon investigation fireman found that the door of the incinerator had been left open by an employee. The entire store was filled with smoke.

Firemen used an ejector fan to ventilate the store.

You'll buy a new furnace maybe once in your life. Here's how to do it right.

Use this new Three-Step Protection Plan to guard your investment before and after you convert your furnace. First, call Edison. We'll give you the names of electric heat contractors near you. Each has been approved by Edison as qualified—and each is a reputable businessman. (And each will give you a \$150 trade-in on your old furnace if you convert to electric heat.)

Next, the contractor will check your home, review your needs, and recommend the type of heat best for you. He'll recommend electric heat only if it meets your needs. Electric heat is clean, quiet, comfortable and more economical than you'd imagine. In fact, electric heat rates have been reduced again—this time, by 10%. That's 30.5% in eight years. The contractor will estimate both installation and operating cost and give them to you in writing. All without obligation. We'll check the quotation if you like.

Then, after your new electric heat system is installed, Edison and your contractor, working together, will make any adjustments necessary to the system if operating cost exceeds the original estimate during the first three years of use. At the end of this time, if operating cost still exceeds the estimate, and you aren't satisfied, Edison will remove the system and refund your original price.

That's our new Three-Step Protection Plan. What better way to protect your investment during every step of conversion to electric heat? Remember the First Step. Call Edison for the names of the approved contractors nearest you.
