Cousins Join to Make Torch Drive Success

Photo by Benyas-Kaufman

"The 1967 Torch Drive is a family affair," the campaign slogan declares, and so is the campaign's advance gifts committee which includes MRS. JOSEPH B. SCHLOTMAN (right) and her cousin, the JOHN B. FORDS III. The Grosse Pointers got together at the

advance gifts committee's kickoff meeting to admire a table centerpiece symbolizing the "family affair" theme. This year's campaign, October 17 through November 9, will benefit nearly 200 health and community services.

Halloween Parties Scheduled for All Pointe Youngsters

Annual Community Celebrations To Be Held In High School and Three Junior Highs Next Tuesday, October 31

The gobblins are waiting to greet Pointe teens on Tuesday, October 31 at Grosse Pointe High School, Pierce, Parcels, and Brownell Junior High School!

Live bands will be performing at all the schools. At the High School, the "Restless Set", the "Sounds of Night", the "Paradise Jug Band" and the "Pointe Trio" will provide music in the gym and cafeteria. The "Virtues" and "Many Moods" will play for the partygoers at Parcels Junior High and "Meliss Mulch", and the "Present Tense" will keep the Parcels students hopping. Brownell Junior High will dance to the music of the "Midnight Suns" and the "Trespassers."

To Show Old Films

Movies will be shown at all schools and include selected short subjects featuring Laurel and Hardy, the Keystone Cops, Buster Keaton, and Abbott Costello.

They'll be plenty to eat and at popular prices! Hot dogs and hamburgers will be 10 cents, sloppy joes, 15c; and potato chips, pop and ice cream will all sell for five cents.

The police departments of the five Grosse Pointes will furnish police protection at all the schools.

Parents are encouraged to chaperone. Anyone interested from public, private or parochial schools can call the following people at the school of their choice: John Thursty, assistant principal, Grosse Pointe High School, TU 4-3260; William Christofferson, principal, Brownell Junior High, TU 2-8940; William Mogk, principal, Pierce Junior High, VA 1-3883; and Vincent Peterson, Parcels Junior High School, TU 1-8950.

Dancing Hours Set

Dancing at the High School for teens in grades 10-12 will begin at 7:30 and conclude at midnight.

Junior High Schoolers can dance at their schools from 7:30 to 11 o'clock (grades 7-9).

Grab your broomstick and join your teen friends at the Halloween Dance, Tuesday, October 31!

Man's Clothing Taken from Car

City Police Cpl. Duncan MacEachern received a report, while on patrol, from Michael Scott Hedge, 77 Hawthorne, Grosse Pointe Shores, of larceny from his car on Friday, October 20.

Mr. Hedge told the officer that he parked his '67 Ambassador at the curb in front of 17131 Kercheval at about 3:50 p.m., and when he returned to the car at 4:20 he found several articles missing.

One was a man's tweed sportcoat valued at \$50, a man's suit, brown, (new and unaltered), valued at \$85. Both of these items were in Hudson's boxes, and another man's blue suit, in a dry cleaning bag.

Police are investigating.

Park Meets Eighth Payment On Estate Bought in 1960

The Park council on Monday, October 23, approved the eighth payment, principal and interest, amounting to a total of \$7,073, toward the purchase price of the McMillan Estate, located at Bedford road and Essex boulevard.

The estate, comprised of seven and one-half acres, is bounded by the Lake St. Clair shoreline to Essex boulevard, and includes approximately 127 feet at the side fronting on Bedford.

The Park was given title to the McMillan land, but as long as Mrs. James McMillan resides in the house on the property, it will remain on the tax rolls, and Mrs. McMillan will continue to pay the property taxes.

Dr. Anderson Gives Report On Proposals

Large Audience Participates in Discussion Following Presentation of Proposals

Superintendent of Schools Dr. Theos I. Anderson presented his preliminary recommendations for capital improvements to the Public School System to School Board members on Monday evening, October 23.

After the recommendations were discussed by members of the board, the audience of several hundred was permitted to ask questions and express their feelings on said improvements.

The general opinion of those attending was that improvements both in the schools and in the libraries were needed. Just how and where the improvements would be made formed the basis of the discussion.

Many of the speakers from the floor were interested particularly in the library improvement plan. All of them seemed to feel that the public library proposal should be presented as one package to the voters rather than in two parts as recommended by the superintendent.

Mr. Anderson's recommendations follow in full:

In reviewing the report prepared by the firm of O'Dell, Hewlett, and Luckenbach, the Superintendent and his staff wish to acknowledge the thoroughness of the report and its contribution to the many hours of discussion leading to this recommendation.

Although my recommendation to the Board differs considerably in many areas from that recommended by our consultants, it should be emphasized that the analysis submitted by our consultants will continue to be of value as we search for the proper solution to our building needs. Regardless of the direction of the final solution, it goes without question that many aspects of our consultants' recommendations will be a part of the master plan.

However, current data lead us to believe that the recommendation to build simultaneously on to our ten elementary schools, three junior high schools, Grosse Pointe High School, and the Central Public Library, plus new buildings for each of the branch public libraries, needs much more consideration than we have been able to give in the past few weeks.

From our analysis, some of the difficulties of the recommendation of O'Dell, Hewlett and Luckenbach follow:

1. The average class size in the elementary school, exclusive of special education classes, is less than 26. Although we realize that some of the rooms now housing elementary children are less than satisfactory, a partial solution is offered in this report.

A class average at the elementary school as indicated does not make the situation so critical that our elementary schools must be expanded without first exploring other possible solutions.

2. The recommended program of expansion increases the size of some buildings beyond desirable capacities in that special facilities (laboratories and libraries, for example) can be used only on a limited basis. As enrollments increase, the programs necessitated by special facilities are limited even more.

Furthermore, the remodeling of older facilities will present problems regarding current building codes. As desirable as the codes may be for the safety of our children updating older facilities can be expensive and not always feasible.

3. The recommended program does not solve our problem for the next year or two when the need for space will be critical.

4. Our most immediate problem appears to be in the junior high school buildings where we show a design capacity of 2,875. Our present junior high enrollment is 3,067, which is 192 above the design capacity. The proposed expansion program, under the most desirable circumstances, could not be completed before the fall of 1969.

In the meantime, junior high schools would continue to be overcrowded.

Schools Cut COG Hearing Off Agenda

Pending Legislation Might Deny Districts Representation; Await Fate of Senate Bill

The agenda for the November 13 meeting of the Grosse Pointe Board of Education will not include a public hearing regarding the possibility of the school's participation in the Southeast Michigan Council of Governments, as was previously announced.

A spokesman for the schools said the reason for the change is the status of pending legislation which would deny school districts representation. Until the fate of the proposed substitute Senate bill is decided in Lansing, the school trustee will take no further action on the Council of Governments issue.

The next regular monthly meeting of the trustees will be held at 7:30 p.m. on Monday, November 13, in the gymnasium of Maire School, instead of in the auditorium of Parcels Junior High School, as previously announced.

The public is cordially invited to attend meetings of the Board of Education.

SEEN SAWING LOCK

An employee of Fred Sanders Candy Company, 17043 Kercheval, reported seeing a young boy sawing the lock of the coin box on the Free Press newspaper stand, on Wednesday, October 18. When the officers arrived they found a 10-year old boy carrying a hack saw in the vicinity. His parents were notified.

One Thief Steals Stolen Car from Another Thief

A car reported stolen twice, the second time from the first thief, was recovered in Garden City by police of that community, according to information released by Park authorities on Friday, October 20. The initial theft took place on August 27.

Det. Lt. Arnold Hough said that the car belongs to Clement R. Luke of 114 North Ingalls, Ann Arbor, who was visiting relatives at 1043 Yorkshire, on the August date.

Five Homes Burglarized In GP Woods; Police Say One Person Is Culprit

Some Break-ins Reported to Have Occurred While Families Were Still In Home; Investigation Proceeding

Woods police car crews were radio dispatched to five homes to investigate as many burglaries that had taken place the evenings of October 20-22. The break-ins are believed to have been committed by the same person, or persons, according to the authorities.

In one instance, a neighbor of a family that had been victimized, on being asked routine questions by investigating officers, stated that he happened to notice a dark colored automobile cruising slowly past one of the homes burglarized, and after the third trip, the driver parked near one of the homes entered.

The neighbor said she did not think anything was wrong, therefore did not dial police, said Det. Lt. Henry Marchand, who said that a call would have been all that was necessary for police to check out this apparently suspicious action. The call might have possibly prevented the breaking and entering, or the arrest of a possible burglar.

Would Have Liked Call

No matter what the outcome, the lieutenant said, officers would have been very happy to investigate and check out the driver and the vehicle.

Business Group Elects Officers

Reporting that their homes had been invaded were: Paul Schwantis of 1929 Sovern; Sean Schaeffer of 1682 Broadstone; Mr. and Mrs. Thomas Hamlin of 461 Saddle Lane, Lleyd Schultz of 19779 Edshire, and Mrs. Betty Rollins of 19927 West Doyle place.

At the Schwantis residence, it is believed that the intruder

entered the house through an unlocked rear window. Schwantis said that he and his family left the house at about 8 p.m. on October 20, and returned an hour later. They noticed the refrigerator door standing ajar, but thought nothing of it.

Finds Box in Yard

At about 11:30 p.m., the Schwantis son, Joseph, 12, went out into the rear yard, where he found a blue steel security box containing valuable documents, and a broken glass piggy bank.

Schwantis told police that he and his son, Thomas, 16, had been washing windows and left a ladder underneath the rear dining room window, which was unlocked.

He said that the burglar got approximately \$25 in Kennedy half dollars, from a dresser drawer in his bedroom, and (Continued on Page 2)

Charles Heise To Quit Park Post Oct. 31

Clerk-Treasurer Is Oldest Pointe Employee In Number Of Years In Public Life

City Clerk-Treasurer Charles Heise submitted his resignation to the Park council on Monday, October 23, and announced his intention to retire from city service on October 31, after more than 42 years on the job.

Heise's announcement was read by City Manager Robert Stone, and regrettably accepted by the members of the council, all of whom wished him well and expressed appreciation for themselves and on behalf of the people of the community for his faithful service.

Mayor Matthew Patterson said he was sorry to hear that Heise had decided to leave public life, commenting that "no city has had a finer clerk-treasurer than Grosse Pointe Park."

No Definite Plans

Heise said that he has no definite plans when he retires, at least, not at the present time, although he will find something to do. It will be hard, he said, to leave after serving the community for 42 years, something like leaving one's own family.

He said he is grateful to the City of Grosse Pointe Park, and considered it a great privilege to have served the people of the city all those years, during which he has made many, many friends.

The soon-to-be retiree said that he had a chuckle with his wife, Ruth, when he revealed that he began on April 1, 1925, "April Fools' Day", and he will retire on the day of Halloween.

He was born in Perry street in Detroit's Old Corktown on December 12, 1901.

The Heises have lived in the Pointe for more than 45 years, and at their present address, 764 Harcourt, for more than 25 years. They have a daughter, Mrs. Joseph (JoAnn) Wimsatt of Louisville, Ky. There are six grandchildren, Bob, Tom, Kathy, Pam, Julie and Ann.

Was Former Banker

The city clerk-treasurer was employed by the American State Bank in Jefferson avenue, in the 1920s when the Park was still a village, when his employer, the late William D. Baake, suggested that he run for the office of village treasurer, an elective post at the time.

Heise ran and was elected to a two-year term, and when this expired, he ran for re-election and won. (Continued on Page 2)

Business Group Elects Officers

Election of new officers for 1967-1968 was one of the chief orders of business at the meeting of the Grosse Pointe Commerce and Civic Association last Friday, October 20, at Jacobson's Tea Room in Kercheval avenue.

The Association named Al Weed, of S. S. Kresge, to the office of president. Vice-president is William Merritt of Jacobson's Home Decorative Shop; treasurer, Ed Hickey of E. J. Hickey Company; and secretary, Mrs. Florence Lehman of the Village Manor.

Permanent committee chairmen named in the election were: attendance, Mrs. Frances Kirkland of Himehloch; membership, Mel Osborne, of Michigan Consolidated Gas Company; program, Michael Cooney of Best & Co.; public relations, Clarence Wascher of Jacobson's; and beautification and parking, Milt Volkers of The Camera Center.

Plans were discussed for the November 24 helicopter arrival of Santa for his annual visit to Grosse Pointe Village, and for Men's Night of December 4. Both of these Association-sponsored events have become perennial favorites among residents of the Grosse Pointes. (Continued on Page 2)

about \$10 in change from the piggy bank which had also been taken from his room.
Schaeffner said he and his wife and 15-month-old son left the house at about 7:15 p.m. on October 20, and returned at 1:05 a.m., to find the house ransacked. A check of the premises disclosed that the thief took an inexpensive watch, make and value not known; a three-quarter full gallon bottle of whiskey; a 1957 model golf cart, and an unknown amount of medical pills.

No Forcible Entry
Police officers at the scene said there were no signs of forcible entry, and surmised that the burglar probably opened the milk chute at the side of the house and reached in to turn the lock of the side door. The culprit left by the rear door.

It was prior to this burglary that the cruising car was seen by the neighbor, who told police that the car stopped in front of 1689 Broadstone.

At the Schultz home, the thief took a large brown purse containing \$22 and personal papers and credit cards belonging to Mrs. Schultz. The purse was taken from the counter in the kitchen.

The intruder entered the house while the family was sleeping, according to information given to the authorities.

Son Heard Prowler
Mrs. Schultz said that between 4:30 a.m. and 5 a.m., their son, Todd, 5, entered her bedroom and stated that he heard someone walking downstairs. The mother said she told the boy to go back to bed and sleep.

The purse was found the next morning in the corner of the back yard of 19766 Edshire, with the contents scattered on the ground, and the money gone.

Mrs. Betty Rollins was not aware that her purse was missing until it was returned by a neighbor. Albert Maisel of 19899 West Doyle, who told the owner and police that his wife found it in their back yard, with the contents alongside it.

Mrs. Rollins said that she had left the purse in her car, which was parked in the garage on her property. The thief forced his way into the building, and took the purse. It was not disclosed if anything was missing. The glove compartment of the family car was opened and ransacked by the thief and the compartment door left open.

Purse Found in Yard
In the fifth burglary, Woods authorities received a call from Shores Police Sgt. Harry Hamilton, who released to them a brown leather purse found by Mary Bruce of 485 Ballantyne, her back yard. The purse was the property of Mrs. Helen Hamlin of 461 Saddle lane, from whose home it has been taken.
Mrs. Hamlin's husband, Thomas, informed police that he, his wife and son, James, 6, were sitting in the family room watching television, when he felt a cold draft on his feet, and went into the kitchen to investigate. He said he found the door leading from the kitchen to the garage, ajar.
Hamlin said he locked the door and turned on the floodlights, but saw no one, and returned to the family room, unaware that someone had been in the house. The purse was not missed until later. It had contained \$5 in currency and 58 cents in change, plus personal papers.

All five cases have been referred to officers of the Detective Bureau for follow-through investigation.

Charles Heise

(Continued from Page 1)
Under an old State Law, public officials were prohibited from being elected to more than two consecutive terms, but prior to the expiration of the second tenure, the law was amended, and about that time the Park's Village Charter was making the job appointive, ah changed, making the job appointive, and he has held that post ever since.
He took over the extra duty of city clerk on May 25, 1953, to which he was appointed on the retirement of the late William Stamman, who officially quit the post on June 1, 1953.
Heise has worked under five village presidents, and since the village incorporated into a city in 1950, under three city mayors.

Stolen Car

(Continued from Page 1)
automobile was returned to the owner.

The lieutenant said that the car was one of five reported stolen in the surrounding area during the month of August, in which the drivers left the keys in the ignitions. The August theft makes eight in the Park, so far this year, in which cars were reported stolen and the drivers confessed that they had not taken, or had forgotten the keys in the vehicles.

Hough displayed a ring with six different keys, taken from a juvenile who was recently arrested in the Park and charged with car stealing. The youngster admitted that he had taken the keys from cars he had stolen and was saving them.

The detective said that there are people, juvenile and adults, who do nothing but prowl and look into cars, on the chance that they might find one with a key left in it, and if lucky enough to find one, they either steal the vehicle outright, or take it just for a "joy ride", abandoning it in some remote spot after driving it around for a while.

These motorists make it so easy to steal a car. Such thefts are on an increase, and leaving keys in the ignitions puts temptation in the way of some people who might otherwise not have taken the vehicle.

It should also be remembered, Hough said, that leaving a key in the ignition of a motor vehicle is a traffic offense, for which the driver can receive a violation ticket.

Planning 'Knights Of Charity' Dinner

At the recent luncheon meeting of the men's committee planning the "Knights of Charity" award dinner to be held Friday, November 17, at the Statler-Hilton Hotel, three Grosse Pointe committee members chatted with Father NICHOLAS MAESTRINI, PIME, presi-

dent of Maryglade College, Memphis, Mich. under whose auspices awards are presented. With Father, (from left), are PHILLIP MARCO, of Oxford road; DALE I. SELLERS, of Trombley road, and FRANK COUZENS, Jr., of Lothrop road.

Three recipients of different faiths will be cited at the dinner for deeds and examples attributed to ideals of "unison in family life with person-to-person charity." They are Stanley S. Kresge, president of the Kresge Foundation and chairman of its board of trustees, a Protestant; Edward C. Levy, president of the Edward C. Levy Company, of the Jewish faith, and Aloysius F. Power, recently retired from the posts of vice-president and general counsel of the General Motors Corporation, a Catholic. Walker Cislis, of Devonshire road, president of the board, Detroit Edison Company, and dinner chairman, will make the presentations on behalf of the trustees of Maryglade, which is under direction of the PIME Missionaries.

Pointe Police, Fire Chiefs Urge Safety Precautions

With fall well underway, and leaves dropping by the millions, to be burned, or piled along the streets for pick-up by municipal equipment and personnel, the dangers involved are counted by the fire and police chiefs of the Pointe.

From the fire chiefs come the warning to residents burning leaves. Do not, they say, add any highly flammable substance, such as gasoline, to hasten the ignition of the leaves, if burning is allowed in their respective communities. Check with your fire departments to see if burning of leaves is permissible.

Never burn leaves, or any combustible material on windy days. Never leave a burning pile, no matter how small, unattended. Have someone keep an eye on the flames at all times to prevent sparks from flying around, and to make sure, when the fire has died out, that there are no glowing embers. Throw some water on the heap to make sure the fire is dead, before depositing ashes in a container, a metal one, that is.

The police chiefs address their warning to the children of the community, and especially to parents, who have a duty to warn their children, and make sure they obey, a very important safety factor, not to play in leaf piles.

This warning was prompted by an incident that occurred in the Woods on October 29, 1966, that could have easily resulted in a fatality.

On that date, Thomas Bertins, now 7, son of the Julian Bertinses of 1659 Anita, was playing with another boy in a pile of leaves 13 inches high and about 10½ feet in length on Hawthorne road. Thomas burrowed into the mound, not seeing a car traveling west on the road.

The driver of the vehicle also failed to see the boy and ran over him, injuring him seriously.

The motorist, who was 16 years old, told Woods police that he felt a bump as he passed over the pile, and looked back to see what had caused it. He saw Thomas unconscious and

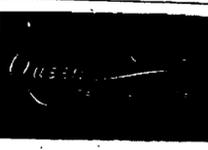

Symposium Set At Bon Secours

William L. Proudfit, M.D. will be the speaker at the Fifth Annual Fall Symposium at Bon Secours Hospital Wednesday, November 1, at 10 a.m. Dr. Proudfit will discuss "Coronary Artery Disease in Young Men" and participate in a panel on the subject.

Dr. Proudfit was born in Connelville, Penn. He attended Washington Jefferson College and was graduated from Harvard University Medical School in 1939. John Paul Jones Society Observes Education Week

The John Paul Jones Society, Children of the American Revolution, of Grosse Pointe Woods, recently concluded the observation of Patriotic Education Week (October 12-19).

The Society displayed pictures of early American patriots in local libraries and places of business and took the opportunity to remind all Americans

to affirm the heritage which is theirs and remind them that the principles upon which this nation was founded are as valid today as when they were first articulated by the statesmen who started this country.

The Society also reminded all American citizens to take time to familiarize themselves with the achievements of their nation, past and present, and to remember that patriotism means not only the memory of past greatness but an interest in current issues and events.

Plan Delta Zeta Alumnae 'Show And Sell' Session

"Show and Sell" will be the theme of the East Side Delta Zeta Alumnae meeting scheduled for 8 o'clock Thursday evening, November 2, at the home of Mrs. William Widger in Warren.

Co-hostesses for the evening will be Mrs. Stanley Singer and Mrs. Paul Jablonski.

Christmas candies, decorations or toys made by members will be donated and auctioned off, with proceeds going to further the group's philanthropic projects.

Grosse Pointe area members planning to attend include Mrs. William Kamm, Mrs. Loretta Gilewicz and Mrs. Roland Schmidt.

Woods Mayor Kenneth R. McLeod proclaimed Patriotic Education Week and urged citizens to take an active interest in the affairs of the nation.

Pointers participating in activities of the Society are George C. Hofmeister, Jr., president; Lisa Hofmeister, vice-president; Marilyn Kriehof, director; and David Coolidge, treasurer.

NAB KID SHOPLIFTER

The manager of Kresge's, 17101 Kercheval, reported a teenage shoplifter to City Police on Friday, October 20. The boy had stolen a pair of fur-lined leather gloves valued at \$4. His parents were notified, and the youth reprimanded.

Future Needs of Schools Discussed

(Continued from Page 1)

crowded and the educational program would be hampered by construction at all three sites.

5. The problems created by attempting to meet staffing needs at all three levels within the same school year are proving to be very difficult. With the present senior high school staff to be divided between South and North, and with some teachers from the junior high schools scheduled to accompany 9th grade students to the senior high schools, staffing problems have multiplied.

6. At the same time it appears that the 6-7-8 enrollment in the fall of 1968 will be less than our present 7-8-9 enrollment. This leads us to believe that the housing situation will be more flexible than we had originally anticipated.

7. Our consultants' recommendation for Grosse Pointe High School needs additional study by the total staff. At the moment it appears that the renovation needed at the high school far exceeds the recommendation to build additional facilities in the area now utilized by the quonset building and the annex.

Other than annual maintenance, the main building has seen very little change since its completion in 1929. The requirements of today's educational program are difficult to meet in a facility which has had little updating for 38 years.

8. Our most pressing problem, crowded conditions at our high school, is about to be resolved. With the movement of all 9th graders into the senior high schools, grades K-8 will gain the spaces presently used by approximately 1,000 students.

Although my recommendations for meeting building needs follow the proposal of our consultants to some degree, they offer a more moderate approach over a longer period of time, particularly in the elementary schools. Deviations unquestionably will be made in the years ahead, but our present best judgment, based on available information, suggests a more

flexible program. Problems and their solutions often change rapidly because of changing conditions.

My specific recommendations for the years ahead follow:

1. I propose that the middle schools for 1968-69 be organized on a modified basis to provide relief where needed in the elementary schools. This recommendation offers the opportunity for a gradual transitional development of the middle school program under more favorable space conditions. Furthermore, it would appear, at the present time, that only one of the temporary buildings at Maire and none at Kerby would require a lease extension.

2. I propose that the administrative staff make a complete recommendation for Grosse Pointe High School South. Some of the apparent needs are more adequate cafeteria facilities, a recommendation on the best utilization of the auditorium, better utilization of classroom space, particularly in the annex, and more adequate teacher work and restroom facilities.

Improved facilities for vocal and instrumental music should be given high priority. Although the staff at Grosse Pointe High School has proposed a plan to develop new spaces for music adjoining the present building, certain inherent problems could conceivably require more cost than equal new facilities.

3. The O'Dell, Hewlett, Luckenbach proposal recommends a total capital expenditure of more than \$11.7 million between now and 1980. This figure represents the total estimated cost of additions to the ten elementary schools, the three junior high schools, Grosse Pointe High School, the Central Public Library and new construction of branch library facilities in the Park and Woods. No reference is made to spiraling construction costs which will have to be taken into consideration.

The estimated cost of the high school and public library program is \$4.8 million. Inclusive of the contingency amount, a

balance of \$6.9 million remains for all proposed work on the elementary and junior high school buildings.

It is my belief that the expenditure of \$6.9 million offers solutions other than those proposed by our consultants. For example, it is conceivable that the \$6.9 million could build a new middle school, and leave a sizeable balance for additional renovation of facilities. At the present time, this appears to be more practical than attempting to build simultaneously onto all of our buildings.

Therefore, I am recommending that the Board of Education make every effort to locate and purchase a site which will ultimately permit the development and construction of a fourth middle school. The construction of the middle school would be dependent upon a continuation of the enrollment trends we have experienced over the past decade. It is our firm belief, however, that we must continue to develop our educational pro-

will continue to pay taxes on the land and maintain the estate.

The estate includes fast and submerged bottom land which the city purchased from the State Conservation Department, shortly after concluding the

purchase of the McMillan property. The submerged land cost the Park \$6,800.

Eventually the estate will become an integral part of the Three Mile Drive Park, which comprises approximately 13 acres. This park is under gradual development, and is located

about three-quarters of a mile from the city's Waterfront Park at the foot of Allen road.

NBD Check-Mate: For people in the Grosse Pointe area who want money when they want it.

How to save your wife and over \$140.00 with a new Gas dryer.

If your wife is drying clothes on a line, she's working for less than 2¢ a load. That's all it costs to do it in a Gas dryer. And that's the thriftiest, easiest way in the world. It's 1/5 the cost of the next best way—with electricity. So when you consider the number of loads dried by an average family, they could save over \$28.00 a year with Gas. In 5 years that comes to \$140—the purchase price of a new Gas dryer. And since installation is free, you can save right from the start. No wonder we say Gas makes the big difference... costs less, too. See the latest models at dealer or Gas Company showrooms. 7 out of 10 families now using dryers have Gas dryers. Care to make it 8?

Isn't it time you bought her a new Gas dryer?

If you've ever wanted money that wasn't there—for an emergency or a bargain—Check-Mate, an exclusive service from NBD was meant for you.

Check-Mate is a personal line of credit with your name on it. It's a cash reserve attached to your regular checking account. It's extra money that's yours when you need it. Here's how Check-Mate works. Just write a check. If it's bigger than your existing balance, the bank automatically transfers money, in multiples of \$100, to your account. Your check is covered. It's like writing yourself a loan: it's completely confidential.

Your reserve doesn't cost you a cent until you actually use it. Then you'll pay for only the amount you've activated and for the exact number of days you've used it. As you repay, via automatic monthly deductions, your reserve climbs up to its maximum and is again available to you. An extra feature of Check-Mate: You'll get an NBD Check Guarantee Card. This will help you cash personal checks up to \$100 at business places all around town: even where you're not personally known.

If Check-Mate sounds like your kind of an idea, stop by any NBD office and ask about it today. If you qualify, you'll never again be without the money you want, when you want it.

The Torch Drive is a Family Affair.

On a cold day in January, 1961, a young man with wind-blown hair stood on a platform in Washington. He spoke of "a torch being passed to a new generation of Americans." He spoke of "the light from that torch truly changing the world." This year, an entire family, the George family, lighted our very special torch - the torch that launched our United Foundation fundraising drive. The Georges are the living symbol of that new generation

Residents Urged To Use Pools

Once again the Grosse Pointe Department of Community Services of the Grosse Pointe Public School System will offer a variety of swimming programs in the pools of the Grosse Pointe Pointe High School and the Grosse Pointe Junior High Schools - Brownell, Parcels, and Pierce.

In line with the theme of "Learn To Swim," a variety of instructional classes will be held every evening of the week and on Saturday mornings. There will also be recreational swimming opportunities offered. The instructional classes, which will begin in the second week of November, will cost \$5 for the 10-week period of instruction. Most of the instructional classes will be conducted for children at two main levels: Beginners (7 to 11 years of age) and Intermediates (8 to 13 years of age). However, there will also be classes of instruction for women at the beginners and swimmers levels.

These particular classes will be held at Brownell Junior High School on Tuesday evenings. An addition to the instructional program will be a combined instruction-recreation offering for the mentally and physically handicapped children of Grosse Pointe. This class will be held on Saturday afternoons at Brownell Junior High School.

The family swims are scheduled for Friday evenings at each of the junior high schools. The admission price is 50 cents per person but not more than a total charge of \$1.50 per family. On Wednesday evenings, from 7 to 9 o'clock, an open swim period will be available at Brownell Junior High School. The admission fee for this open swim is 50 cents per person.

There is no advance registration needed for any of the family or open swimming periods, but all of the instructional programs require advance registration. You may make your reservation for the class and time you desire by calling the Department of Community Services at 885-3808 or 885-0271. You are encouraged to make your registration early and get into the swim of things!

NAB YOUNG SHOPLIFTER

City police received a report from George Sassin, manager of Kresge's, 16919 Kercheval, reporting a 15-year old shoplifter. The youth had taken two cartons of cigarettes valued at \$5.42. He was taken to the City Police station then released to his father.

Future School Needs Aired

(Continued from Page 4)

gram for the early adolescent toward a middle school concept. Secondly, I suggest the development of plans and specifications for additions to Barnes, Kerby and Maire elementary schools. Although the space recommendations submitted by O'Dell, Hewlett and Luckenbach are acceptable for Barnes and Maire, the two-phase method proposed for Kerby appears to be somewhat impractical, particularly if phase one is completed and the need for phase two does not materialize. The Kerby School proposal requires additional study by staff and architects.

The development of building programs at the three elementary school sites would offer opportunity for relief of crowded conditions throughout the district. This would, of course, require redistricting of elementary school areas. However, other extensive additions at elementary schools should not be necessary for many years. This does not mean that remodeling at other locations will not be required to meet changing educational program needs.

By completing preliminary plans and specifications considerable time will be saved when a need for these facilities becomes evident. It may be necessary to continue immediately with building and construction of one or more of the three elementary school additions, or the plans may be held until needed.

Preparation should be made for development of middle school facilities in the present junior high schools. For example, development of an adequate Instructional Materials Center in each school, large and small group learning areas, teacher planning facilities, and more adequate facilities for special education are among the more apparent immediate needs.

The staff should be instructed to direct the heating engineers to continue the preparation of bidding documents they began a year ago for the replacement of the Trombly School heating plant. Additionally, an adequate storage area should be included in the Trombly School program. By the acceptance of bids and the awarding of a contract, this project can be completed with the opening of school in the fall of 1968.

To finance the purchase of a site, building construction, and modifications (including architectural services) as recommended, I propose a ten year, one (1) mill building and site levy to be voted upon in a February election. The one mill will provide approximately \$3.3 million over the ten year period.

Presently, the school system's Building and Site and the Capital Improvement accounts contain about \$450,000. These funds may be used in a variety of ways, then replaced from the proposed one (1) mill building and site levy. Additionally, any unmarked funds from the North High School project may be used for improvements at South High School. Although it is presumptuous to make an estimate of the balance at this time, we believe we can rely upon \$400,000 of uncommitted funds. It must be understood, however, that any further extensive program at South High School, such as the replacement of the annex, the construction of a new swimming pool, or the construction of a fourth middle school, will require voter approval.

4. I propose a referendum for the expansion of the public library facilities. It is my belief that the issue should be submitted to the electorate separately from the building and site millage. Furthermore, I recommend that the public library proposal be presented in two parts. The first would provide for the development of branch library facilities in Grosse Pointe Park and Grosse Pointe Woods (as suggested by the O'Dell, Hewlett and Luckenbach report). Approval of the second ballot would permit expansion of Central Library.

The expansion of facilities at Central should be accomplished with as little encroachment as possible on the South High School site. To provide adequate

parking, the property at the northwest corner of Kercheval and Fisher Road might be acquired. Also, negotiations should begin for the acquisition of the site in Grosse Pointe Park for the branch library to be located there.

The total estimated cost of the public library expansion program is \$2,450,000. Included in this amount is \$120,000 for properly purchase.

The amount of millage required to finance the library program is dependent upon the term of the bond issue. To illustrate the point, the \$2,450,000 may be financed in the following manner. The figures submitted are approximate:

| | |
|----------|-----------|
| 10 Years | .55 mills |
| 15 Years | .47 mills |
| 25 Years | .42 mills |
| 30 Years | .40 mills |

In summary, if voters approve the proposed program, total funds will be available in 1968-69 in the following amounts:

| | |
|--|-------------|
| Building and Site Fund | \$250,000 |
| Capital Improvement Fund | 200,000 |
| Uncommitted Balance, North H.S. | 400,000 |
| Balance of Proceeds, 1965 Issue | 100,000 |
| Receipts from First Year Building and Site Levy (1968) | 330,000 |
| Anticipation on 1969 Building and Levy (July 1, 1969) | 330,000 |
| | \$1,610,000 |

Estimated cost of needs as previously outlined, but not necessarily listed in priority order:

| | |
|--|-------------|
| Vocational and instrumental music facilities for South High School | \$ 400,000 |
| Elementary school additions (Barnes, Kerby and Maire, Trombly School heating plant and storage room) | 1,370,000 |
| Junior High School site | 110,000 |
| Facility development at present junior high schools and other elementary schools | 700,000 |
| Appropriation for contingencies | 450,000 |
| Total to be financed from the ten year, one (1) mill building and site levy | 300,000 |
| | \$3,300,000 |

SUMMARY OF RECOMMENDATIONS

1. I propose that the middle schools for 1968-1969 be organized on a modified basis which will provide relief where needed in the elementary schools.
2. I recommend that a complete study be made of Grosse Pointe High School South.
3. I recommend that an additional middle school site be located and purchased at the earliest opportunity.

4. I recommend that plans and specifications for additions to Barnes, Kerby and Maire be developed immediately.

5. I recommend that plans for modifications of facilities at present junior high schools be initiated.

6. I recommend that the replacement of the Trombly heating plant be completed at the earliest opportunity.

7. I recommend the expansion of the public library facilities as follows:

- a. The development of the branch library programs in Grosse Pointe Woods as suggested by the O'Dell report.
- b. The development of the Central library facility as developed by the O'Dell report with a minimum of encroachment on Grosse Pointe South High School site.

8. I recommend a ten year one mill building and site levy to be submitted at a February referendum to finance a middle school site, vocal and instrumental music facilities at Grosse Pointe High School South, elementary additions at Kerby, Maire and Barnes, the heating plant replacement at Trombly, and additional developments for other elementary schools and present junior high schools.

9. I recommend a ten year bond program of .55 mills for the development of the public library program.

Church to Give Morality Play

The Grosse Pointe Memorial Church will present a morality play entitled "Totentanz" (Dance of Death) as part of the Services at 9:30 and 11:15 a.m. on Sunday morning, October 29.

The play will be part of the celebration of All Saints' Day of the church year. The actors are members of the Session, Clergy, and two young people from the Church School. Dr. Bertram deH. Atwood, the Senior Pastor, will play the leading role of Death.

Other roles will be portrayed by the Rev. Gray R. Gruber, the Rev. James O. Handley, Jr., Elving Anderson, Dr. Charles Brake, Thomas Candler, Robert Choje, Hugh Harness, Miss Juliet Mazer, Matt Porter, William Porter, Cedric Richner, and Frank Sladen.

Mrs. Justin L. Giltner is directing the play, with assistance from the Memorial Drama Guild members, Mr. and Mrs. William Porter, Robert Bokram, and Jack Siekman.

The Chancel Choir, under the direction of Malcolm Johns, will sing the choral aforisms that intersperse the dialogue. Members of the Chancel Choir are Jeane Zech, Jeanette Dager, Rosemary Russel, Eleanor Felver, William Kelly, Nicholas Batch, Russell Smith, and William Felver.

The original source of the "Totentanz" stems back to a Fifteenth-Century German legend that over the centuries has been revised and edited many times. In 1934 Hugo Distler, a young organist and composer of church music, was inspired by the stained glass windows in a side chapel of the Lubeck MarienKirche which depict the ancient "Totentanz" scenes to write a contemporary musical setting of the morality play.

Combining some aforisms from the pen of the Seventeenth-Century poet who wrote under the name of Angelus Silesius—the Angel of Silesia—and enlisting the aid of a friend, Johannes Klocking, to write the dialogue, Distler set about to make the choral settings for the aforisms and thus produce a work for All Saints' Day.

The performance at Memorial Church will be the first modernized English version of this ancient theme. Mrs. Brigitte Rauer, German teacher at Grosse Pointe High School and a native of Silesia, has been the translator of the texts. Dr. Atwood has been responsible for the theological editing necessary to make the work relevant to Twentieth-Century concepts, the musical editing of Distler's music to the English texts has been done by Mrs. Marian Johns whose husband found the "Totentanz" while on sabbatical in Europe in 1964.

The "Totentanz" will be performed as the first half of the Service, and Dr. Atwood's sermon title for the morning is "On Learning How to Die."

HS Homecoming Great Success

Grosse Pointe High School's Homecoming was an unqualified success... even the weather cooperated.

There were lots of pretty girls, colorful, original floats and a general spirit of gaiety. Homecoming Queen, Lori Clarke, was radiant as she reigned over her court composed of seniors Margie O'Dell and Linda Haisenleder, juniors Donna McLean and Liz Thompson, and sophomores Joann Luzadre and Cookie Wandersee.

Ten floats entered the float competition. Winning the class competition was the Senior Float, "Burro 'Em Under." The club competition was won by American Youth Hostels with their float "Give Your Honey a Taste of Mountain Climbing."

This year for the first time a group of ninth graders from Pierce Junior High joined the competition.

Another first this year was the attendance of representatives from the Border Cities League.

A large group of spectators attended the festivities. Members of the Student Association especially want to thank the Grosse Pointe Farms and Grosse Pointe City Police Departments for their cooperation and help at the parade, game and dance.

Silence is always golden — really an unspeakable asset.

New \$8,000 Scholarship Being Awarded by D.A.R.

A new scholarship is being offered by the National Society of the Daughters of the American Revolution. The Louisa St. Clair Chapter will handle local applications.

Mrs. Robert Artner of Grosse Pointe, who is State Chairman for Loans and Scholarships, presented the new program recently at the Twenty-Eighth Birthday Luncheon of the Three Flags Chapter of Lathrup Village.

The scholarship, in the amount of \$8,000 for a four year college education will be awarded to a student whose study plan includes a minimum of twelve college hours of American History. Any boy or girl, in the upper fifth of the Senior Class of an accredited high school may apply. No affiliation with the DAR is necessary to qualify.

The judging will be done by a committee of educators on the basis of character, citizenship, scholarship, leadership and need. A number of other recommendations and certificates including a health certificate and transcript of grades must be included with the application. Applications are available from the Louisa St. Clair Chapter by writing Mrs.

Library Offers Family Movies

The second program of the 1967-1968 Family Film Night Series will be presented Friday, November 3, at 6:30 and 7:30 o'clock in the Exhibition Room of the Central Library. Each program has been designed to include something interesting, enriching and entertaining for boys and girls as well as their parents and families are cordially invited to attend.

AIRPORT IN THE JET AGE (11 min.) Brings to vivid life the fascinating activities at a large, busy commercial airport. Instructions are radioed from the control tower to incoming planes; giant airliners land and take off; passengers purchase tickets; food is prepared in the airport kitchen for each flight; and baggage and mail are made ready.

COLONIAL CHILDREN (11 min.) Shows in detail the furnishings, clothing, customs, and events in a colonial family's day from the morning chores to the reading of the Scriptures by the fireside in the evening.

MAN IN SPACE—Color, Disney — (35 min.) A depiction of rocket development from ancient Chinese weapons to modern missiles and future satellites. Dr. Hinz Haber, comments on the problems and weightlessness and other experiences of space travel. Dr. Werner von Braun, illustrates the mechanics of the four stage rocket necessary to accomplish interplanetary travel.

This program is made possible by the Grosse Pointe Library, a Division of the Public School System. For information about our non-book materials please contact Mr. James Titterington at Central Library, Ext. 42.

Construction Site Theft Reported

City Police received a delayed report of a theft from a construction site on Tuesday, October 17, from David Willison of Willison Construction Company.

Mr. Willison said that his foreman, David Davilch, discovered the theft on October 5. Missing were a number of construction materials including a

quantity of plywood.

The thief was apparently frightened away before he completed the theft because some other materials were found piled at the curb near the site.

Found at the site was a wallet with \$13 in cash and a driver's license, belonging to a teen age boy. Police are investigating.

Honor Rating Won by Tower

The Tower for 1966-67, Grosse Pointe High School's student paper, was awarded the International Honor Rating by Quill and Scroll and the National Scholastic Press Association, organizations established to promote and improve high school journalism.

Quill and Scroll awarded the Tower its International Honor Rating for earning 951 of a possible 1,000 points. The Tower also received the George H. Gallup award for "exceptional service to the school or community and sustained leadership through the years."

One of the judges said that "This is probably one of the most sophisticated editorial and special feature jobs in the country."

The second-semester Tower was named an All-American by NSPA, earning 90 points more than the 3,800 required.

Bill Morrison, sports editor of the Tower, was asked by the Newspaper Fund, Inc., for permission to reprint one of his columns and a game coverage story for national distribution to more than 5,000 Newsletter readers. His stories were selected as examples of the kind of sports writing more high school newspapers should be producing.

Robert Button, Tower adviser, has been named one of the three-runners-up to his national High School Journalism Teacher of the Year by the Newspaper Fund. The \$500 award was presented for "outstanding performances in scholastic journalism" during the 1966-67 school year.

Offer Lectures On Investments

In cosponsorship with the Investment Banker's Association, the Grosse Pointe War Memorial is holding a series of Tuesday night lectures on "Orientation of Investments" beginning November 7 at 8:15 and continuing weekly through November 28.

These four investment lectures are designed to show people how to intelligently consider the investment market, to make them familiar with investment jargon and investment outlets and hopefully enable them to build a profitable portfolio.

The opening lecture on November 7 deals with "Types of Securities" and will be presented by John P. McDonnell. Tuesday, November 14, John L. Hart, Jr. will take on "Interpreting Business News". John E. Farley will tell "How to Trade Securities" on November 21 and the series will be concluded November 28 by Derrill Mandle speaking on "Buying Securities for the Future".

Peter Logan will moderate the series which is absolutely free.

Pointe Players To Give Classic

The Pointe Players of Grosse Pointe High School will present as their fall selection, "The Man Who Came to Dinner," on November 16, 17 and 18.

Dennis Wickline has the leading role of Sheridan Whiteside, a famous radio announcer, who has been confined to a wheelchair after slipping on a doorstep.

Eileen Duerkop will have the other leading role, that of Maggie Cutler, Mr. Whiteside's secretary who falls in love with Bert Jefferson, played by Bob Taylor.

The Stanleys are played by Julie Gillis, George Brand, George Kappaz, Sue Morgan, and Darby Warner.

Elyce Rush will portray Lorraine Sheldon, a glamorous actress and Zachary Stoubov will play Banjo, a friend of Mr. Whitesides.

Others in the cast include: Bill Harrison, Judy Davis, David Grady, Jerry Wolf, Curtis Alden, Sally Sommler, Irene Cotzias and Frances Platz.

More are: John McCartney, Bob Schwartz, Doug Kalvelage, Matthew Guice, Carl Wohlers, Joe O'Donnell, Doug Dover, Herb Munchausen, Bill David, Mike Hannon and Dale Watkins.

The play will be directed by Fred Nelson, of the English-Dramatics department. Tickets may be purchased at the door the nights of the performances.

Pointers Lead Torch Drive

Grosse Pointers WENDELL W. ANDERSON, JR. (left) and ROBERT B. SEMPLE, JR. assumed leading roles for the kickoff of the 1967 Torch Drive last week.

Anderson, who is the United Foundation president, passed a lighted Olympic torch to Semple, this year's campaign general chairman, with the challenge to meet or surpass the \$26,360,595 goal by the Victory Dinner Nov. 9. Anderson is president of Bundy Corp., and Semple is president of Wyandotte Chemicals Corp. The Torch Drive will provide operating funds for nearly 200 health and community services.

Stolen New Car Found Stripped

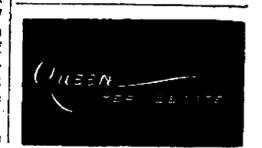

A brand new 1968 Chevrolet, tudor hardtop, reported stolen from the Ted Ewald Chevrolet company at 15175 East Jefferson on Friday, October 19, at about 3 p.m., was recovered later in the day by police officers of Detroit's Jefferson Station, Fifth Precinct.

Park Det. Lt. Stanley Enders said the vehicle, priced at \$4,621, was found in the bushes adjacent to the Fox Creek canal, at Freud and Ashland. The automobile was completely stripped, the detective said, of all equipment, including tires and wheels, battery, and radio.

An investigation in the theft and stripping is progressing and a suspect is being sought for questioning, Enders said.

In another theft, of a private car owned by Joseph Beirne of 1144 Lakepointe, police are still looking for the vehicle, at the last report.

Impala has not yet been found, it should not be hard to locate with its fire engine red body and white top.

Men Gardeners Hosts at Dinner

An active season climaxed for members of Men's Garden Club of Grosse Pointe and their ladies at their annual dinner last Thursday attended by a record crowd and featured by the 1967 award of trophies.

The DePetris Cup for best garden chrysanthemums was won in close competition by Kenneth F. MacKenzie of 5560 Haverhill. Jerry Kula of 53 Stonehurst was awarded the Harry G. Shorr Cup for best garden.

Winners were chosen by a special committee of judges from the top six resulting from inspection and grading of all members' gardens.

Special cup awards were made to Arthur J. Shimmin of 1424 Devonshire for service to the club and David Swanney of 72 Lakeview for excellence in horticulture.

An entertainment feature was the showing of moving pictures of Japan in cherryblossom time, taken and presented by Dr. Robert Pear.

Thief Gets Two Purses in Home

The City Police received another report of a theft of purses from private homes on Friday, October 20. There has been a rash of breakings and enterings for this purpose in the City of late.

In this case the thief entered the home of Mrs. Shirley Reed, 448 Lincoln, and took one purse that belonged to Mrs. Reed's daughter, Jan, containing \$2, and one of Mrs. Reed's purses.

Mrs. Reed later found the purses and some of the contents spilled all over her backyard.

It is believed that the thief jumped the fence in the yard of 423 Fisher. A package of cigars was found at the rear of the Lincoln road residence. Police are investigating.

St. Paul Frosh Float Is Best

St. Paul's freshmen broke tradition during Sunday's Homecoming festivities by walking away with the first place prize in the float contest. The ninth graders' lion sitting beneath a goalpost was beautifully constructed of carnations and papier mache.

The seniors won the second honor with an oriental pagoda under which Homecoming Queen Irene Kearney sat in a floral print gown. Lynn Duffield, Gail Fayad, Melanie McShane and Pat Simmons comprised the rest of the court and wore white coats over their full length dresses.

The juniors' float merited a third place prize. A large strawberry float, complete to straws and a cherry, represented many hours of work by the class.

In fourth place were the sophomores with their old-fashioned telephone.

William V. Shannon

The Heir Apparent

Robert Kennedy and the Struggle for Power

Critics call it the Best of the many books that have been written about Robert F. Kennedy—and you can read it exclusively in the Free Press starting Sunday.

Author William V. Shannon, a member of the editorial board of the New York Times, is often critical, sometimes sentimental, yet always dispassionate in his analysis of the RFK phenomenon.

He tells you about Bobby's youth, his days as "the terror of the bureaucracy" during his brother's Presidency. But most of all, he focuses on RFK's life since his brother's tragic death—his assumption of the role as head of the Kennedy family, his triumphant invasion of New York State, his current struggle for power.

Along the way, he delves into Bobby Kennedy's many-faceted personality, his politics, his appeal to youth. He describes his political associates and adversaries, both in New York and nationally. And he discusses Bobby's chances of ever winning the highest office in the land.

Blue Devils Beat Parkers; Hope for Wyandotte Loss

The Blue Devils of Grosse Pointe High School's football team will be rooting for Fordson to upset first place Wyandotte this Friday so Grosse Pointe can play for a share of the Border Cities League title on Saturday.

"The game is at Fordson, so there could be an upset," says Devil coach Ed Wernet, "but I don't look for it."

If Wyandotte finishes the BCL season with a perfect 5-0 record, the Devil-Royal Oak game will decide second place.

Grosse Pointe and Dondero have identical 3-1 records losing only to Wyandotte in league games. Overall the Acorns are 5-1 while the Devils are 4-2.

"They don't look like the Royal Oak teams in the past, yet they've lost only once," says Mr. Wernet.

Credits Consistency
The Grosse Pointe coach feels consistency has been the key to the Acorn season.

"They aren't flashy, but they're a steady team."

The Devils will enter the Dondero game still wondering whether their offense has reached its peak, despite the 48-6 lashing of Highland Park on Homecoming.

The offense "went real good" according to Mr. Wernet, but he still feels they haven't "jelled" yet.

"It's hard to tell how well we've done after playing Highland Park," he says.

The Devils were the first team to score more than four touchdowns against the Parkers this year, as they scored four times in the second quarter alone.

Devils Shred Defense
Grosse Pointe shredded Highland Park's defense with break-

away runs all afternoon before an overflowing capacity crowd on the Devil's home field. They had three runs longer than 60 yards with Doug Potthoff going 76 yards for the Devils longest run of the year.

The Blue Devils scored on their first series of downs when Woody sprinted around left end for a 31-yard touchdown.

Cox scored again in the second quarter, but an illegal procedure penalty cancelled his 60-yard dash. Jim Montmorency duplicated Cox' run going 65 yards to score just two plays later.

Tackled for Safety

After defensive end Mike Withers tackled the Parker quarterback in the endzone for a safety, the Devils tallied again just 34 seconds later. Rob Zink scored on a 14-yard quarterback sneak making the score 21-0.

With only two seconds preceding the halftime intermission, reserve quarterback Steve Maun hit Potthoff with a 13-yard TD pass.

Woody Cox scored his second touchdown three plays into the third quarter on a 60-yard jaunt. The Devils struck again in the quarter on a 43-yard pass play from Maun to Chuck Gutwald.

Potthoff's 76-yard sprint for his second score ended a field day for Grosse Pointe's offense as they netted over 400 yards either running or passing.

Farms Boaters To Hold Party

The Grosse Pointe Farms Boat Club is again offering an evening of fun at their annual Halloween Party, Saturday, October 28. Tricks and treats will be served promptly at 7 o'clock. Witches brew and harvest table (cocktails and dinner) will be served in the usual fine style of the Allard House.

There will be dancing to the music of the "Ascots," and lots of prizes, including some for the most exciting and original costumes.

Pack up your Hobgoblin or

Cool Cat for Halloween fun and festivity on Saturday and bring him or her to Allard House, 19748 Harper. The price is \$6 per person. Guests are more than welcome. For reservations please call club secretary, Mrs. L. Holmes (Liz) at 881-7716.

St. David Downs St. Paul Lakers

By Ted Remke

A large Laker homecoming crowd saw the St. David Aviators defeat St. Paul 32-7, last Sunday at Grosse Pointe High Field.

The Aviators first scored on a 25-yard end run by fullback J. Caroselli. The extra point made the score 7-0 late in the first quarter.

With eight minutes left in the half, quarterback Tom Whalen scored for St. David on a 36-yard run. The Aviators scored once more in the first half, leading 19-0 at halftime.

Both teams remained scoreless in the third quarter. With four minutes left in the game, Laker quarterback Gordie Piche threw a 10-yard touchdown pass to end Jim Schebil. The extra point attempt was good.

In the last three minutes of the game St. David scored on an interception and again on a 60-yard pass play to end Mike Vickner.

Lion Gridders Thrice Beaten

The Grosse Pointe Little Football Lions lost all three encounters last Sunday when the teams traveled to Roseville. The Freshmen lost by a score of 7-0, the Junior Varsity was shut out 28-0, and the Varsity was outpointed 24-13.

Steve Peterson, playing very well for the Freshmen, ran 63 yards into the end zone only to have the play called back on a clipping penalty. Rene Van den Broeck and Jimmy Gough also looked good on offense. Claude Weiller, Jerry Drolshagen and John Hitchens were standouts in the Freshmen defensive ranks.

The Junior Varsity was unable to pick up a first down against a very sharp Roseville J.V. team. John Chancey and Joe Briggs had a few bright moments on offense. Defensively, Mike Boyle, Tommy Steen, and Billy Tocco broke up their share of Roseville plays.

The Varsity, in probably their best played game of the season, had the Roseville senior team down 13-6 at half time. Christ Mahon passed for both Lions' tallies, once to Donny Briggs for 38 yards, and then to Gordy Morrison on a 65-yard scoring play. Angie Tocco smashed through the middle for the G.P. conversion. Eddie Albert also completed several passes to Morrison and Briggs. Steve Morrison played well on defense as did Bobby Missaut and Todd Leibbrandt.

The Lions will be idle this week and will close their season on November 5 when they will meet the Grosse Pointe Packers at Neighborhood Field.

Pointe Packers Win All Three

By Kent Ogle

For the third week in a row, the Grosse Pointe Packers routed their opponents in all three divisions.

The Packers freshman squad outlasted the Roseville Mohawks 34-20. Bill Crocker started the scoring with a 20 yard end run. Fritz Lehmann tallied twice on pass receptions; first for 50 yards then for 20 yards. Fritz also contributed one point after touchdown.

Scott Leu also chalked up two touchdowns; one on a 10-yard end sweep, the other on a 70-yard kickoff return. Dick Briski added an extra point. Other offensive standouts were Jeff Thiede, Joe Przeslawski and Bob Basnara.

The Junior Varsity team blanked the Mohawks 40-0, allowing only one first down. Phil Simon took a handoff on the first play of the game and scampered 50 yards for the touchdown. Kim Adler outran the hapless Mohawks for the second score on a 35-yard end sweep. Phil Simon added the extra point.

Tom Alschbach knifed 5 yards through the line for the Packers' third touchdown. Kim Adler carried in the point after touchdown. Bob Lambrecht picked up the fourth touchdown with Chris Cotzias adding the extra point.

Fleet-footed Kim Adler sprinted 50 yards and 55 yards for the final two touchdowns. The defense contained Roseville with exceptional performances by Ron Gould, John Calandro, Pete Tocco and Ron Uopleger. The Varsity squad shut out the Roseville Mohawks 25-0 on a brilliant aerial attack. Although the Packers' ground game sputtered occasionally, Ernie Ney connected on four touchdowns passes.

Randy Villareal pulled in a swing pass at the line of scrimmage and streaked 65 yards for the game's first score. Dean Shier took Ney's next pass and fought his way 20 yards for the Packers second touchdown. Jeff DeClaire sputured through the line for the only extra point scored.

Chris Lehmann pulled the Packers out of their only tight spot of the day by snatching a quick pass from Ernie Ney for an electrifying 95-yard touchdown pass reception.

Bob Taylor, Dave Knoll, and Gary Trupp, further sparked the offense. Outstanding performances on defense were turned in by Steve Kratzet, Dean Shier, Tom Ogle, Todd Hughes and Robbie Heidt.

Next Sunday the Packers play the Roseville Apaches at Kirby Field. Kickoff for the freshman game is 1 p.m.

Skate Exchange To Benefit AFS

A skate and hockey equipment Exchange will take place next week at the McCann Rink on Cook road.

Skates that are brought in on consignment on Monday and Tuesday will be on sale Wednesday and Thursday from 2:30 until 5:30 in the afternoon.

The sale is sponsored by the Parents' Association of GPUS and represented by Mrs. Harry Urban of Van Antwerp, Mrs. Peter Logan of Willison, and Mrs. Lawrence French of Lochmoor.

Mrs. Irving Rose of Strathcona and Mrs. Harry Merliss of Chalmers, Detroit complete the committee which will turn all monies over to the American Field Service program. The public is invited to participate.

STEAK OUT
Mrs. Maria Sherwood of 1260 Elford court, informed Woods police on Thursday, October 12, that she left a steak on an outdoor broiler and went into her house for only a few moments. When she returned to the grill, she found the meat missing.

High School's Secretarial Course Revelation to Mom

By Pepper Whitelaw

This reporter has just spent an hour in what appears to be one of the most thorough high school classes in secretarial training available . . . in an atmosphere that was highly conducive to accuracy and clear thinking. The room was 108A in Grosse Pointe High School . . . the teacher, a pleasant, efficient educator, Frances French, who is in charge of the Business Education Department.

If you readers are recalling the secretarial courses of your day . . . forget it! There is absolutely no similarity between the two, except maybe the standard shorthand notebook. To begin with, the class is equipped with some of the finest machinery available. The girls use electric typewriters (although they also have the conventional types). They learn to use the Rotary Calculator, the adding machine and three kinds of duplicating machines: photo copy, ditto and mimeograph. Tape recording and slides are also an integral part of the course.

The class I sat in on was beginning an "Integrated Project." In laymen's terms an "Integrated Project" is one where all the skills, typing, shorthand, duplicating and deciding, are employed. Here Miss French reminds the girls that deciding is an important factor in a secretarial position.

The girls are then expected to be able to take dictation and transcribe a two-page letter, complete the appropriate number of copies and address the envelopes properly. When they make their decision about the manner in which the needed copies are duplicated they must write a short paragraph justifying their decision. The work must be completed and prepared for mailing in no more than three hours of uninterrupted time.

In some instances the "employer" is asked to evaluate the students' work by saying whether he would promote, retain, or dismiss the letter writer.

Before actually beginning their work on the project the girls have a teaching session with Miss French. She answers any questions they might have and points out what problems to watch for. Then the girls practice their spelling and punctuation and work on their own particular weaknesses.

This project idea is part of a plan in which Miss French was an active participant at Michigan State University: The Block-time Laboratory Approach to Office Education.

In the particular class I visited there are about 20 students. Eight of them are on the co-op plan and work in local schools or business offices. The class is composed of seniors who have had at least one full year of shorthand.

A student who has been a part of this course would make a welcome addition to any office staff!

Austin Students Hold Fund Drive

Under the direction of the Austin Student Senate, the students and faculty of Austin staged the annual United Fund Drive on Monday, October 23. This is just one of the many civic, social and cultural activities of the Student Senate.

The Senate meets every other Tuesday to plan school functions. By popular vote in each homeroom, the student body elects the members of the Senate.

Officers of the Senate are seniors Tom Misuraca, president; Paul Beaupre, vice-president; Tony Vohar, secretary; and Chris Benamy, treasurer.

Senior homeroom presidents are Rick Evtaz, Brian Hickey, Vince Peseski and Tim Frederick.

Junior presidents are Tony Ricebone, Mike Oliver, Dan DeClerk and Joe Sealisi.

Sophomore presidents are Joe Difatta, Randall Tallero, George Shea, Ron Deneweth, Bob Cleary and John Leonard.

Freshmen presidents are Chris Tecco, Mark Francis, Don Hanna, Bill Houck, Paul LaCroix and J. Bott.

Also aiding the Senate are the officers of the Lettermen's Club which is made up of Mike Gibson, president; Dan Cohan, vice-president; John Agnone, secretary; and Mark Hodgman, treasurer.

Moderator of the Student Senate is Thomas Bailey, Vice Principal of Activities.

During the past week the senior and junior presidents and the officers of the Student Senate went to the annual conference of Michigan Student Councils in Ann Arbor. At this meeting, members heard students and activities leaders speak of their roles of leadership. After breaking into small groups, the students discussed the many facets of planning and exercising the activities of an active student body.

The Austin Players took to the boards this week at Austin to begin their tenth theatrical season. Under the direction of Mr. Bailey readings and sign-up were held for the two fall plays. The first will be the Genesis one-act on November 19, followed by the three-act play during the Thanksgiving vacation.

Camp-Out Held By Scout Troop

Boy Scout Troop 479 of Parcels Junior High School participated in the Lakeshore District "Camporee" the weekend of October 13, 14 and 15. The site for the camp-out was Algonac State Park, with nearly 500 Scouts participating.

Representing Troop 479 were the following Patrols and Scouts: Tomahawk Patrol, Kevin Yessian, Steve Voorhees, Jim Jerger, Dick Gregg, Dan Peek and Eric Olsen.

Jaguar Patrol: Bill Bentzen, Mike Condit, Mark Veil, Tom Cooper, John Wittmer and Jeff Gries.

Silver Fox Patrol: Bill Wayland, Bruce McGraw, Robert Stein, Bill Duncan and Jim Holmes.

Flaming Arrow Patrol: Brian Nickloff, Scott Veil, Merle Sheftad and Tom Endres.

100% SATISFACTORY GUARANTEE

electric water heater

A good water heater guarantee deserves a good water heater.

Get both. Our electric water heater guarantee. And the electric water heater that comes with it.

An electric water heater doesn't have a flame. So you don't vent it. Or have to stick it next to the nearest chimney. You put it anywhere. Close to where it's used. So your hot water can have a shorter run, stay hotter longer.

Which brings us to the real economy. A 50-gallon size, big enough for most families, operates for about \$3.30 a month in normal use. That's pretty hard to beat.

And here's our guarantee: "An approved-size electric water heater will give you all the hot water you need, when needed, or we'll remove the heater and refund the original purchase price after one year from purchase date." You can't get that kind of water heater guarantee on any but an electric.

This is exclusive with electric, too: No-Charge Repair Service. No charge for electric parts or labor—for as long as you own the heater.

And we also pay for installation* cost! If you're a first-time buyer, this could save almost half the acquisition cost. From 50 to \$90! And that's about half the old cost—before Free Installation.

Visit your plumber, appliance dealer, or any Edison office. And get both. Our electric water heater guarantee. And the electric water heater. They deserve each other.

*On Edison lines—in residences up to and including four-family flats.

What Goes On at Your Library
 By Virginia Leonard

The scope is quite vast for this sort of poem, It can range from LSD and hippies to Jeroboam. And once you've latched on to Odgen Nash's irregular beat, The only problem you have in rhyme, the met—
 Er varies,
 And carries
 You wherever you want to go,
 So—
 Let's tackle the subject of books.
 (Shakespeare said you could find them in running brooks),
 But, from a librarian's point of view, that's no good,
 You really should
 Find drier places to get them, such as your local library,
 Where you don't have to resort to bribery,
 And getting down to a specific point,
 How about the Grosse Pointe
 Public Libraries? They're eager
 As a beaver
 To serve you,
 And deserve to
 Have a go at your request, your questions and your needs.
 When you're tired of pulling weeds,
 Or scrubbing the kitchen floor,
 What could be more
 Appealing or gratifying
 (Not to mention edifying),
 Than to sit down with a good book,
 In your favorite nook
 And let the world go by?
 Try
 It sometime and see how good you feel,
 Let your family go without a meal!
 They'll appreciate you that much more.
 So come and beat a path to our door,
 This we recommend.
 (The End)

We try hard to serve all kinds of people; now we must amend this statement to read "all kinds of people—and animals!" Our Woods Branch now includes a wooly monkey from the Amazon River as one of its patrons. It's owner and teacher, 10-year-old Molly Ballew, is fond of taking her pet to the library. On October 5 the DETROIT FREE PRESS featured a picture of young Molly and Lulu, the monkey, reading (?) together a large book entitled: THE BIG WORLD. We hope you saw it, and we hope that Lulu now knows more about her environment than she did before she was exposed to this volume.

Students Win Commendation

In addition to the 27 National Merit Semifinalists announced two weeks ago, Grosse Pointe High had 31 seniors included among the National Merit Commendation students. These are students who scored just below the semifinalists.

Among these students are: Brian Bedwell, Ted Brown, Wes Burnett, Lois Channell, Richard Claeys, Cythia Clark, Marg Colby, Lynne Cooper, Cathy Curtis, Dean DiBasio, David Fenton, Jim Grace, Jim Hulverson, Mark James and Margie Jensen.

More are: Alice Kennedy, Kyle Kinsey, Eldon Kraft, Maun, Laurie McFadden, McIntyre, Lee McLaughlin, Barb Parsons, Scott Paul, Lynn Schnoes, Alice Simon, Peter Simon, Nancy Teague, Mike Thomsen and Ellen Wilits.

There are 40,000 students in the United States who are commended students. They are the upper two per cent of the graduating class.

The names of these students will be reported to scholarship agencies and college of the students' first and second choices.

WOMEN'S PAGES

From Another Pointe of View

By Janet Mueller

"Camelot Days" begin next Wednesday, November 1, when the much-acclaimed film opens at the United Theatre in downtown Detroit.

The first three evening performances are benevolently sponsored by three organizations in which many of our women have more than a passing interest—in fact, more than one of the sponsoring organizations, which are the Detroit Symphony Orchestra, the Detroit Symphony Chorus, and the Detroit Symphony Orchestra. (Husband to Wife: "You go the first night, I'll go the second, we'll send Great Aunt Tilly the third...")

If you still haven't decided which night's benefit to attend, here's a brief resume of what each group has planned for each night, and a smattering of the you might expect to run into at each performance.

Nov. 1—The red carpet is prepared, the spotlights are polished, the before-and-after-parties are all planned. Everything is ready for "Camelot's" Opening Night benefit, sponsored by the Junior Women's Association and the Detroit Symphony Orchestra.

Richard Mullaney, of Saddle Lane, is general manager of the evening. Her committee includes Mrs. E. Hyde, of Barrington road, and Mrs. Lance and Mrs. O. Brent Moffitt, both of Birmingham.

Mrs. Henry Ford, II, and Mrs. Sixten Ehrling, of the Symphony's conductor, as honorary chairmen of the November 1 benefit promises all the trappings of a glamorous "Hollywood Premiere."

Guests you might spot in the lobby include Dr. Pierce Smith, (She's the Symphony Juniors' (Continued on Page 23))

Exchanging marriage vows in Our Lady Star of the Sea Church Saturday morning, October 21, were ROSALIE CAROL JAMERINO, daughter of the Jasper Jamerino's, of Holiday road, and Mr. Hafner, son of Mrs. Joseph Hafner, of Chelsea, Mich., and the late Mr. Hafner.

where she is majoring in Classical Studies. Paula, now a U. of M. sophomore, was graduated from Grosse Pointe University School.

MISS SUSAN BAYER is among 260 seniors who arrived on campus recently to resume their studies at Colby Junior College for Women, New London, N.H. She is the daughter of Mr. and Mrs. Walter Bayer of Harcourt road, and one of 585 students from 29 states and nine foreign countries registered for the fall term at this 130-year-old college.

WENDY JOHNSON is a freshman at Bennett Junior College, Millbrook, N. Y. Her mother, MRS. PATRICK ADAMSON, of Touraine road, is a Bennett School alumna.

Turner-Smart Vows Spoken

Enjoying a vacation cruise in the Caribbean following their Saturday, October 21, wedding, in First Methodist Church, Dearborn, are Mr. and Mrs. William Stone Turner, Jr. They will return to make their home in Harper Woods.

The bride is the former Sharon Lynn Smart, daughter of Mr. and Mrs. James Stallard Smart, of Dearborn. Her husband is the son of Mr. and Mrs. William Stone Turner, of Newberry place.

A reception at Dearborn Inn followed the afternoon rites, at which Dr. Frederick C. Vosburg officiated.

For her marriage, the former Miss Smart chose a peau de soie gown, styled with an Empire bodice featuring appliques of Chantilly lace, long sleeves and a Sabrina neckline, and a Watteau train accented with buttons and lace appliques.

Her elbow length illusion veil fell from a cluster of peau de soie petals trimmed with seed pearls and crystals, and she carried a cascade of Fuji mums and ivy.

Her honor attendant Nancy C. Carney and bridesmaid Mrs. Henry Peiter wore floor length Empire frocks of cotton blue crepe and carried cascades of blue-tipped white Fuji mums.

Charles Turner served as his brother's best man. Ushering were Richard Strother, of Philadelphia, Pa., Henry Peiter and Roger Smart, the bride's brother.

Mrs. Smart chose, for her daughter's wedding, a coat and dress ensemble of coral chiffon illusion. Mrs. Turner, the bridegroom's mother, wore a two-piece powder blue silk suit. Both mothers selected corsages of white roses.

Rosalie C. Jamerino Marries Mr. Hafner

Morning Rites Are Followed By Reception At Whittier; Newlyweds Are Vacationing in Jamaica and Nassau.

A gown of ivory peau de soie and Venice lace, styled with a Mandarin collar, long sleeves and controlled skirt, was Rosalie Carol Jamerino's choice for the Saturday, October 21, ceremony at which she became the bride of Conrad Martin Hafner.

A wide band of Venice lace circled her hemline, and a Puritan bonnet of matching peau de soie and lace held her Cathedral veil of imported illusion.

The Very Reverend Leo J. Burke, O.S.A., officiated at the 11 o'clock rites in Our Lady Star of the Sea Church, during which a Papal Blessing was bestowed upon the couple.

The bride is the daughter of Mr. and Mrs. Jasper Jamerino, of Holiday road. The bridegroom is the son of Mrs. Joseph Hafner, of Chelsea, Mich., and the late Mr. Hafner.

Honor attendant Carol Kuzon and bridesmaids Janet Burgio and Joyce Jamerino, cousins of the bride, wore cranberry velvet cage gowns and matching petal headpieces. Each carried a single pink rose.

James Hafner served as his brother's best man, and Gary Jamerino, brother of the bride, Duane Satorrthwaite, William Cox and Kenneth Kuzon seated the guests.

For her daughter's wedding and the reception at The Whittier Hotel following the ceremony, Mrs. Jamerino chose a pale gold Alaskine and chiffon dress. The bridegroom's mother's ensemble was fashioned of Navy blue crepe.

The newlyweds will make their home in Chelsea when they return from a vacation in Jamaica and Nassau.

Among the out-of-town guests were Mr. and Mrs. Morgan Burke, of Hoosick Falls, N.Y., Mr. and Mrs. Henry Bromirski, of Rensselaer, N.Y., and Mr. and Mrs. Jack Tierney, of Schenectady, N.Y.

Gilian Shallcross Will Say Vows

Wedding plans are being made by Gilian Ford Shallcross, daughter of Mrs. Clifford B. West, of Bloomfield Hills, and John Shallcross, of Columbia, Md., and granddaughter of the late Dr. and Mrs. Henry Norton Torrey, of Grosse Pointe, and the late Mr. and Mrs. Cecil Fleetwood Shallcross, of New York City, and Dr. Peter F. Wohlauer, son of Dr. and Mrs. Valentin Wohlauer, of Englewood, Colo.

The bride-elect, an alumna of Kingswood School, Cranbrook, was graduated Magna Cum Laude from Radcliffe College and received a Masters degree from the New York University of Fine Arts.

Her fiance was graduated from Harvard College and the Columbia College of Physicians and Surgeons and is presently an intern at Greenwich Hospital, Greenwich, Conn.

Van Goethem-Peters Nuptials Celebrated

Couple Will Live In Roseville When They Return From Vacation in Bermuda; Pearl-and Crystal-Beaded Lace Accents Bride's Ivory Satin Gown

St. Maron Cathedral was the setting for the Friday evening, October 20, wedding of Kathleen R. Peters, daughter of Mr. and Mrs. Fred Peters, of Nottingham road, and Robert L. Van Goethem, son of Mr. and Mrs. George Van Goethem, of St. Clair Shores.

A reception in the Church Social Hall followed the 7:30 o'clock ceremony, at which Monsignor George Abdo officiated.

Atencom lace with pearl and crystal beading accented the bride's ivory satin gown, and her silk filusion veil fell from a pearl-trimmed lace pillbox. She carried an arrangement of white roses and stephanotis, centered with a white orchid.

Honor attendants Janice K. Mooney and bridesmaids Mrs. Robert Richardson, Barbara Peters, sister of the bride, Paula Dinverno, Emily Sharkey and Patricia Sansonne wore floor length frocks of green and gold brocade and carried bouquets of gold and yellow-tipped white baby carnations.

Michael Van Goethem acted as best man for his brother. In the usher corps were Anthony and Frank Peters, brothers of the bride, Gerald and Dennis Van Goethem, brothers of the bridegroom, Mark Hart, Nestor Kosmal and Thomas Shellabarger.

Pamela Richard was flower girl, and Edward Peters, another brother of the bride, was ring bearer.

For her daughter's wedding, Mrs. Peters selected a floor length gown of yellow crepe, styled with a beaded bodice. The bridegroom's mother's pink crepe floor length gown featured a lace bodice.

The newlyweds will return from a Bermuda vacation to make their home in Roseville.

RALPH McELVENNY, of Cloverly road, who scored a hole-in-one recently at the Country Club of Detroit, has been entered in the annual Rusty Nail Hole-In-One national competition for acers.

Doxiadis Talks Here Tomorrow

"In a generation's time, while driving from Detroit to Chicago, you will drive within the same city as expanding Detroit meets expanding Chicago. And dangers, similar around the world, will be created."

This is the prediction of Constantinos A. Doxiadis, internationally known architect and city planner who will speak at the Liggett School Lecture Series on Friday, October 27, at 10 o'clock in the Kresge Auditorium.

Mr. Doxiadis presides over Doxiadis Associates International with headquarters in Athens, Greece. The firm has carried out extensive research in urban problems for the Urban Detroit Area Research Program sponsored by the Detroit Edison Company and Wayne State University.

It is noted for the planning and development of new cities in the renewal of existing cities throughout the world, the development of special university and industrial communities, and entire regions.

With offices in London, Paris, Madrid, Washington, D.C., Detroit, Miami, New York, Munich, Rio de Janeiro and cities in Asia and Africa, Doxiadis Associates International has been engaged in 32 countries in Africa, North and South America, Asia and Europe and has rendered services to governments, international public and private organizations, municipalities, research and educational institutions, larger companies and individuals.

Mr. Doxiadis founded the Athens Technological Institute, an international facility for research and education in Ekistics which he explains as "the science of human settlements embracing all the disciplines."

The Institute is staffed by specialists in town planning, transportation, engineering, computer sciences, economics, mathematics, geography, sociology and psychology. In 1966 the Institute received a \$1,000,000 grant from the Ford Foundation, and Doxiadis himself became the third winner of the Aspen Prize for Humanities.

In 1965 he was given the Award of Excellence by the Industrial Designers Society of America.

Mrs. Robert Van Goethem

KATHLEEN R. PETERS and Mr. Van Goethem were married Friday evening, October 20, in St. Maron Cathedral. She is the daughter of Mr. and Mrs. Fred Peters, of Nottingham road. The bridegroom is the son of the George Van Goethems, of St. Clair Shores.

Thomas Tracy To Claim Bride

The engagement of Erma Jean Livingstone, daughter of the late John Penman Livingstone, to Thomas Joseph Tracy was announced by her mother, Mrs. John Penman Livingstone, of Bloomfield Hills, at a family dinner recently at Orchard Lake Country Club.

Mr. Tracy is the son of Mr. and Mrs. Emmet Eugene Tracy of Provenal road.

Miss Livingstone is an alumna of Kingswood School, Cranbrook, and the University of Michigan where she affiliated with Kappa Alpha Theta sorority. She is also a member of Tau Beta.

Her fiancé was graduated from Portsmouth Priory School, Portsmouth, R.I., and from Regis College, Denver, Col. He served as a member of the Air Force in both the Wyoming and Michigan Air National Guards.

A December 30 wedding is planned, at St. Hugo in the Hills.

Plan New Cafe At Memorial

Cafe Pick'n Strum featuring the best in Coffee House talent in metropolitan Detroit will open in Grosse Pointe War Memorial's Ballroom Wednesday evening, November 1, at 8 o'clock. In addition to the professional acts some of the best young amateur acts in the area will get a chance to perform on the stage too.

Jan and Lorraine will be headliners in the entertainment. They appear all over the country but when in town are usually appearing at "The Wisdom Tooth" or the "Living End". There is a tremendous folk singing duo and they play practically every known instrument including ukelele, dulcimer, guitar, and zither to name a few.

From the "Poison Apple" popular banjo player Bill Rutledge is being imported for some real fast and wild numbers.

Ron Scollon and Alex Sucek will combine on guitars to offer Latin American rhythms. They are the Center's guitar teachers.

Grosse Pointes' own popular Jug Band with the officialdom of Grosse Pointe High School among the players will be an added attraction.

The Center's ballroom will be filled with small tables with checked cloths and candles for the cafe opening. Both coffee and cokes will be served.

Cafe Pick'n Strum will mostly appeal to the high school set who will start a long weekend Wednesday evening, November 1, while the teachers go to conferences. However, others of more mature age are welcome too. Admission is \$1.

The Trowel and Error Garden Club will meet today, Thursday, October 26, at 12:30 o'clock, in the Bournemouth road home of Mrs. Norman Summers. Guest speaker will be the well-known dahlia grower Mrs. Christopher Bottom.

Goucher Grads To Meet Prexy

Alumnae of Goucher College and guests will meet the new president when he is the guest of honor at an informal dinner on November 1, 1967, at the University Club, Detroit, at 6:30 p.m. According to Mrs. Frank E. Standish, of Grosse Pointe, chairman of the Goucher Club of Southeastern Michigan, Dr. Marvin B. Perry is making his first trip to the Detroit area since his installation last July as seventh president of the college.

Dr. Perry will be accompanied by Mr. Frederick T. Wehr, Director of Development for the college.

Among Grosse Pointers expected to attend the informal dinner are Mrs. John N. Failing, Mr. and Mrs. Frank E. Standish and Mr. and Mrs. Henry Ruitrok and Mr. and Mrs. James A. Humphreys, whose daughters, Carolyn Ruitrok and Dorothy Humphreys, are members of the Goucher freshman class.

Dr. Perry will discuss current developments and future plans for the women's college of 1,000 students located outside Baltimore. He has said: "Like all human institutions, Goucher is primarily people. Its history and achievements, its standards and values, its reputation and its hopes are all compounded of the thousands of women — and hundreds of men — whose lives have touched it in some measure. Its future, too, like its past and present, will ultimately be measured in human terms."

AAUW Groups Slate Meetings

Approximately 25 members of the Grosse Pointe Branch of the American Association of University Women started working in October as volunteers in a tutoring program at Lingenman School in Detroit. Each volunteer spends two hours a week at the school, working on a one-to-one basis with children who need help.

On Wednesday, November 8, the AAUW volunteers will go to Berry School to tour the Communications Skills Center there, which serves as a language diagnostic clinic for one area of the Detroit School System. This is the third consecutive year that the AAUW's Education in Action Study Group has sponsored the tutoring program at Lingenman.

Other AAUW study groups have scheduled a wide variety of topics for the month of November. The International Relations Group will meet with Mrs. Watson Ford, of McKinley avenue, on Thursday, November 2, at 1 o'clock to hear Mrs. Edgar Hahn give a talk on India.

Two Writer's Workshops are scheduled. The first will meet on Wednesday, November 1, at 12:30 o'clock at the home of Mrs. Richard S. Kray in Aline drive. The evening group will meet with Miss Lois Mamer, of Mt. Vernon road on Tuesday, November 7, at 7:30 o'clock.

The Art Appreciation Group will meet at 9:30 o'clock on Friday, November 3, at Mrs. Watson Ford's home. Mrs. Paul Gaboriault will show slides and will discuss Picasso and Cubism.

A three-member panel will discuss different aspects of Indian before the group studying

"The Growing Gap Between Rich and Poor Nations" on Wednesday, November 8. The meeting will be held at 7:45 o'clock at the home of Mrs. Edward Bunn in Balfour road.

Members of the panel include Mrs. David Taylor, who will discuss the geography and economics of India; Miss Theckla Adhloch, who visited India last summer and will talk on cultural life; and Miss Virginia Hoelzle who will present slides depicting everyday life in India. Members of the Samplers Group will be guests at this meeting.

"What is a Lawyer's Reaction to Situation Ethics?" will be the topic of Robert Tomlinson before the Values Group, which is studying current philosophies, on Wednesday, November 15, at 7:45 o'clock at the home of Mrs. John Schonenberg in McMillan road. Mr. Tomlinson, an attorney with Parke Davis and also a teacher at Wayne State University's Law School, will discuss situation ethics from an historical and modern viewpoint, touching on morals and medicine, civil disturbances and the proposed simplified legal code.

The American Folk Music Group will study and experiment with Indian Music at a meeting on Monday, November 13, at 1 o'clock at the Balfour road home of Mrs. Edward Bunn. Mrs. K. Douglas MacLennan will present a paper on the background of the music of the North American Indian.

Mrs. Robert Snyder, of Balfour road, will be hostess to the Book Review Group on Monday, November 27, at 1 o'clock.

Mrs. Edgar Hahn will review "If the Sun Dies" by Oriana Fallaci.

Contemporary Literature Group members will continue their investigation of current authors with a program planned by Mrs. Robert Snyder and Mrs. Frederick Gelling. They will discuss contemporary novelists including Samuel Joseph Agnon and Uwe Johnson.

ORT Antique Show

Oakland Hills Chapter of ORT is having its Fifth Annual Antique Show November 7 and 8 at Congregation Enai Moshe in Ten Mile road between Coolidge and Greenfield, Oak Park. Doors will be open from 11 to 10 o'clock daily. Tickets can be obtained by telephoning Mrs. Sander Schiff at LI 5-9058; they are priced at \$1 pre-show and \$1.25 at the door.

MRS. STEPHEN F. BRIGGS, the former JOAN NICHOLS, daughter of the late MR. and MRS. JOHN T. NICHOLS, who has been making her home in Nassau for the past nine years, has moved into a house in Vendome road.

Overlooking The Hunt Club

This unusually fine 8 year old "Colonial" is in a residential area of equally fine homes. The glassed and paneled family room overlooks the training and show circle of the Hunt Club; and the grounds are enclosed and screened by shrubbery and an attractive redwood fence.

There are 4 bedrooms, sharp kitchen with breakfast area, 2 1/2 baths and a 2-car attached garage. Considerable carpet and draperies are included.

can't a good mechanic be arty?

When some buyers look at our line, they're so dazzled by our Garden of Edens that they never see our Deep Springs. If we hid our decorator flair, they might see us for what we are. Technicians. Inventors. Experimenters. Good mechanics. Our newest technical triumph? We're taking the shock out of nylon—out of Deep Springs. Tanglewood, River-sun and other nylon carpet classics. The kind that perform—and will perform more with static reduction and also greater dirt repellency • DuPont "501" with N-2 is the name of our exclusive process. And that's what we've done for you lately.

All Systems Are 'Go' For Mistletoe Mart

Holiday Fair Sponsored By Congregational Women Now Less Than Month Away; Booth Samples On Display At Church

Gathered in the Lounge of the Grosse Pointe Congregational Church recently were the various chairmen and co-chairmen of the Church Women's Association for the November 8 red-letter Mart Day exuded an atmosphere of enthusiasm and excitement.

Presiding were general chairman Mrs. W. C. Poter and co-chairmen Mrs. W. Colburn, Jr., Mrs. David Lindsay, Jr. and Mrs. Robert Crory. The Association's Mart Day was also present.

A search is presently on for one of the Church's more senior ladies to play Mrs. Santa Claus. She will have the "fun" task of handing out children's gifts at the "Toy Box" booth. Mrs. Robert Crory, Mart Purchasing

chairman, made all the gift selections personally.

Mrs. Allan Neef recently returned from globe-trotting to Hawaii, Hong Kong and Japan reported on the shopping she did for the "Foreign Flair" booth. Mrs. Kenneth Wheeler, chairman of this booth, will offer a varied selection of import items selected abroad by church family members.

Mrs. Neef, acting as chairman of her own booth which features items of left, is excited by the news that three elegant tree skirts designed by her group are already on their way to Europe to be presented there as Christmas gifts.

And so as the big day approaches the secret word at 240 Chalfonte avenue is "volunteer."

Among those who received diplomas for completing the Leadership Training Seminar of the Women's Division of the Jewish Welfare Federation at a graduation tea held recently in the Detroit home of MRS. NORMAN H. ROSENFELD was MRS. NED IRA CHALAT, of Middlesex boulevard.

Windmill Pointe Club To Meet

Members of the Windmill Pointe Garden Club will gather next Wednesday, November 1, at the Lexington road home of Mrs. Frederick Hillger, for a 12:30 o'clock luncheon and meeting, followed by a program to be presented by foreign students now enrolled at Grosse Pointe High School.

"Christmas In Many Lands" is the theme. Speakers will be Martine Harslar, from France, Christine Nielson, from Sweden, Paul Megallo, from Italy, and Timo Toffela, from Finland.

People should be thankful that they don't go broke as easily as their good intentions.

MIMA Auxiliary Party

Members of the Woman's Auxiliary to the Michigan Industrial Medical Association and their husbands will be the guests of Dr. and Mrs. Thornton Boileau, of Hamilton road, Birmingham, at a Halloween costume party this Saturday evening, October 28.

Questers Plan For Field Trip

The Fox Creek Chapter of the Questers will meet at 9 o'clock on November 9 at the home of Mrs. Thomas James, 1170 Harvard road.

They will go from there to Kensington Antique Village for a field trip.

Members please note the meeting is a week later than usual.

Dr. and Mrs. Scovell M. Hopkins, of Doyle court are announcing the engagement of their daughter, MAUREEN DIANE, to Geoffrey Webster Emerson, son of Dr. and Mrs. George F. Emerson, of Hingham, Mass.

Miss Hopkins was graduated from the Academy of The Sacred Heart in Lakeshore road and will be graduated in June from Newton College of The Sacred Heart, Newton, Mass., where she is a member of Phi Alpha Theta, the national history honor society.

Her fiancé was graduated from Hingham High School and Harvard University, where he was a member of the Hasty Pudding Institute of 1770, the Bat Club and the Varsity Club. He is presently attending Boston University School of Medicine. A June 29 wedding is planned.

MR. and MRS. WILLIAM R. BURKE, of Charlotte, Mich., announce the birth of a son, MICHAEL WILLIAM, October 12. Mrs. Burke is the former JEANNE ABBE, daughter of the KENNETH ABBES, of Saginaw. Paternal grandparents are the PATRICK J. BURKES, of Lakepointe avenue.

Slate Christmas Fair At Memorial Church

Doors Open November 9, At 10 O'Clock; Special Bus Service Scheduled To Assist Shoppers; Project Sponsored By Women's Association

Operations of the "Grosse Pointe Memorial Church Fair Bus Line" begin and end Thursday, November 9. All during Fair hours, (10 until 5 o'clock), the Pontchar-All during Fair hours, (10 until 5 o'clock), the Pontchar- by a fleet of three mini-buses, will travel the streets of Grosse Pointe, picking up and depositing shoppers at their parked cars.

This special service is designed to ease the parking situation at the Church in Lakeshore road and adjacent War Memorial lot, and to serve as an "insurance" measure in case of bad weather.

The buses will travel along East Jefferson avenue, Edgemere, Grosse Pointe boulevard, Rivard boulevard and Fisher road.

They'll carry many passengers — for this Memorial Church Fair, held on an every-other-year basis, alternating with the Christ Church Christmas Fair, is one of the largest Church Fairs in the country.

It is sponsored by the Memorial Church Women's Association. Mrs. Raymond W. Eddy, of Pemberton road, is the Association's current president.

Honorary Fair chairman is Mrs. Bertram deHeus Atwood, of Beverly road, wife of the Memorial Church pastor. General chairmen are Mrs. Del S. Chalmers, of Cadieux road, and Mrs. Gordon R. Matland, Jr., of Merriweather road.

Mrs. Frank D. McIntyre, of Washington road, serves as recording secretary. Mrs. Robert B. Batten, of Lincoln road, as corresponding secretary, and Richard Roth, of Notre Dame avenue, and Walter Dailey, of Hillcrest road, as treasurer and assistant treasurer, respectively.

Featured in special booths and departments will be Knit Goods, Jewelry, Smocked Dresses for Children, Knitted Hangers, Children's Clothes, Aprons, "Pick-A-Pretty Package," a Children's Fair, "Wise Men," the "Little Gift Box" and "Children's World."

There will be hundreds and hundreds of Christmas and Patio Decorations, each exquisite, and a special section for Gourmet Foods.

Baked Goods will be sold, too. Several booths will be devoted to decoupage work, featuring everything from baskets, (some of these have been hand-painted), to key chains.

One department is devoted to "Crafts International." Another is called simply "The Boutique."

Felt and Egg Ornaments will be displayed in booths of their own, and — naturally! — there will be a White Elephant department.

There's to be a Candy Bar, a Children's Portraits Room, sections for Heirlooms and Church Plaques, a Lunch Room for hungry shoppers... in short, anything and everything will be available at the Memorial Church Fair, including, (for those of us who tend to be bewildered by a abundance), Guides!

Among the ladies who head separate Fair committees and departments are the Mesdames Thomas G. Hallock, Melvin H. Erickson, Paul R. Erickson, Perry A. Penz, Harold Fisher, Henry E. J. Pringham, George L. Schlaepfer, Henry F. Eckfeld, Edwin S. Ross, Jesse C. Hurley, David B. Hinchman, Carl E. Meyering, John H. Wood, Peter A. Dow, Charles E. Kelly and Bill O. Brink. More are the Mesdames

Volunteer Program Seeks Teen Aides

Grosse Pointe And Inner City Projects Need High School Assistants; Inner City Bus Tour Scheduled Next Thursday

The Neighborhood Club is sponsoring a Volunteer Program for High School students interested in doing something above and beyond the call of duty.

Mrs. Perry TeWalt, of Lincoln road, Neighborhood Club Staff Volunteer coordinator, has set up a schedule which offers many opportunities for work in several different areas and categories.

In the Grosse Pointe area, Recreation Aides are needed at Brownell Junior High School Saturdays, between 10 in the morning and 4 in the afternoon, to assist in the Games Rooms, open gym, table pool and ping-pong programs.

Arts and Crafts Aides, (students with some art background are preferred), are also needed at Brownell, between 1 and 3 o'clock Saturdays.

Aides for Retarded Children are needed between 5 and 6 o'clock Tuesday evenings, in the Brownell Gym, and between 4 and 5 o'clock Thursday afternoons, to assist with the bowling program at Grosse Pointe Woods Bowling Alley.

Aides are also needed in the Near East Side Inner City area, to work at Scripps School, Lillibridge and Kercheval avenue, between 3:30 and 5 o'clock weekdays.

The Scripps Monday afternoon program calls for Special Ability Math tutoring in Grades Four through Seven.

Science Club, arts, story telling, drama, puppetry, (ages six through eight), remedial and reading tutoring sessions need assistants Tuesday and Thursday afternoons.

Also on Thursdays, ROTC Aides who will help drill the Scripps Safety Patrol Team are being sought, and Aides for a Monday-Tuesday-Thursday after-school Sports Program are needed.

At the Brewster-Douglas Pro-

ject, Chrysler Freeway at Vernor Highway, Aides are required between 4 and 5 o'clock Mondays through Fridays, to tutor in Math, Spelling, Social Studies, Reading and Language. Adults are welcome to help drive and tutor this project in conjunction with Neighborhood Service Organization.

All these volunteer jobs are supervised by Neighborhood Club Staff in cooperation with school principals, reading coordinators and social workers. City projects travel to and from assignments in teams and park in supervised areas at their assignment locations. All volunteers receive training orientation and supervision.

Interested High School students may secure applications for the programs at the Neighborhood Club Office in Notre Dame avenue, or call Tuxedo 5-4600 for further information.

Students who would like to "take a look around" before committing themselves are invited to join the United Community Services Agency Tour, sponsored by the Neighborhood Club and Grosse Pointe Memorial Church, next Thursday, November 2, (Public Schools will be closed that day).

Cost of the 9-to-noon tour is 50c per person. Tour participants will board buses at 8:45 o'clock at the Grosse Pointe High School parking lot, and will be returned to the lot promptly at 12 o'clock.

Guides will accompany the Tour, with agency personnel boarding the buses at Riverside Lutheran Church, Scripps School, Brewster-Douglas Housing Project, the Fifth Police Precinct and Franklin Settlement.

Slate Welcome Wagon Meeting

The next meeting of the Welcome Wagon Club of Grosse Pointe will be held Thursday, November 2, at the War Memorial. Coffee and sandwiches will be served at 11 o'clock.

Hostesses for the day will be Mrs. J. H. Burnett, of Westchester road, president, will conduct the regular business session, after which members and guests may enjoy an afternoon of bridge and canasta.

Those interested in reservations for the coming meeting may call Mrs. R. J. Abbott, 882-8363, or Mrs. J. E. Blackburn, 884-2428, by October 31.

president, and lady you've seen modelling Vanessa Redgrave's \$12,000 "Camelot" bridal gown, Dr. and Mrs. Arthur Johnson, Dr. and Mrs. James Murphy, Mr. and Mrs. Hugh Harness, Dr. and Mrs. Ramfis Dahim, the John McGoughs, Dr. and Mrs. Donald R. Briggs, (she's scheduled to serve as next year's Symphony Juniors' president), the William Queens and the Jack Roneys. More are Television Personality Bill Kennedy, the Thomas Fifes, the Albert Trowells, the Kirk Warrens, the James MacPhersons, the Bert Treibers, the Thomas Coulters and the Michael Gaskins. An afterglow in the Statler Hilton Hotel's "Camelot Room" will conclude these black tie-preferred festivities.

"Camelot" Two

The Northeastern Wayne County Child Guidance Clinic is the agency benefitting from "Camelot's" Second Night performance Thursday, November 2. Mrs. J. Lee Schoenith, of Balfour road, is general chairman of the "Camelot Two" evening. Mrs. Horace E. Dodge and Miss Florence Sisman have pledged their assistance, and Mrs. Alfred R. Glancy, Jr., president of the Clinic's board of directors, is naturally very much involved with the project.

Among committee members who, with their husbands and friends, one is likely to come upon in this audience are Mrs. Armin Grams, Mrs. Benjamin Haddad, Mrs. William Beckenhauer, Mrs. George Bashara, Mrs. Murray W. Sales, III, Mrs. Calier Worrell, Mrs. Toby David, Mrs. Darwin D. Martin, Jr., Mrs. William H. McGraw, Mrs. Thomas J. Burke and Mrs. Edward Langs.

"Camelot" Three

It was just over a year and a half ago that Father Richard J. Ward, sitting in his usual corridor seat in the Women's Section of the City Jail, thought, "There must be something beyond these walls and bars for these young women, most of them still in their teens." Thus was born a program of rehabilitating and re-directing the lives of girls and young women picked up on Detroit's streets—and thus was born the Sancta Maria Home, which in one year has cared for 83 residents. Father Ward brought his plan to Mrs. William P. Brennan, president of the League of Catholic Women. The League agreed to become Sancta Maria sponsors. The "Camelot Three" performance Friday evening November 3, is a League of Catholic Women-sponsored Sancta Maria Home benefit.

Past LCW presidents, Mrs. Joseph A. Murphy, Mrs. Gerrard R. Slattery, Mrs. G. William Goering and Mrs. Bernard M. Segner, are acting as honorary chairmen. General chairman is Mrs. Sherman FitzSimons, Jr., of Stephens road, with Mrs. Emmet E. Tracy and Mrs. Daniel Byrne serving as co-chairmen.

In this audience, look for committee members Mrs. G. Patrick O'Connell, Mrs. A. D. Freydl, Mrs. Joseph F. Flaherty, Mrs. Brian J. Molloy, Mrs. C. Bradford Lundy, Mrs. Edward O'Donnell, Mrs. Dallas Kelsey, Mrs. Richard Foley, Mrs. Robert H. Taylor, Mrs. Don Galvin and Mrs. John Hastings, sitting with husbands and friends.

A Visit to "Avalon"

Avalon, the island where King Arthur and his Knights spend their happy eternity, is described as "an earthly paradise in the Western Sea"—and that, as far as Dr. and Mrs. Clifford Loranger, of Lakeshore road, are concerned, could double as a description of Sea Island, Ga. (yes, we know that Sea Island is East of us... but it's West of Camelot...).

Dr. and Mrs. Loranger, with the Al Hermans, of Dearborn, flew down October 13 for a 10-day vacation. On the island, they ran into the Taylor Seebers and the Richard Lambrechts...

The weather was delightful, the entertainment varied, the golf course superb, the beach perfection, the foliage lush. Birds sang, butterflies fluttered. In the evening there were plantation suppers, in the afternoon, jeep train rides.

We hope King Arthur is having it as good.

Hold Pear Tree Quester Meeting

Hostess for the October 19 meeting of the Pear Tree Chapter of the Questers was Mrs. John Prince, of Bishop road. Mrs. Oscar Teague, of Rivard boulevard, address the group. Mrs. Teague's topic was, "Caveat Emptor" (let the buyer beware). Mrs. William Heglin, president of the Chapter, extended

To Hold Training Session Nov. 1

Members of the Grosse Pointe Memorial Church Women's Association are invited to attend Detroit Presbyterian Society's annual training session for officers and key women next Wednesday, November 1, beginning at 10 o'clock in the morning, at the Lake Shore Church in Jefferson, avenue, St. Clair Shores.

The Reverend Peggy Way, social welfare consultant and program director at the Chicago City Missionary Society, will speak on a "New Breed of Volunteer," emphasizing guidelines set for United Presbyterian Women at their national meeting held last June at Purdue University.

Transportation and luncheon reservations may be obtained by contacting Mrs. Walter Pattee by Sunday, October 29.

Elections Held By Hunt Club

At the annual meeting of the Grosse Pointe Hunt Club held Wednesday evening, October 18, Lincoln E. Wurzer of Broadstone road was elected president for the coming year. Vice president will be J. Henry Smith Jr. with William John Lilly assuming the duties of club treasurer. William C. Beardslee will be the new secretary, assisted by Kenneth F. Kahn. Re-elected to the board of directors for three-year terms were Joseph W. Schwartz and Walter H. Schmitt. Newly elected to that body was Charles ("Chuck") Bachrach.

Mrs. Mark Valadez

In St. Clare de Montefalco Church Friday evening, September 22, VIRGINIA ANN TROMBLEY, daughter of Mrs. Courtney Trombley, of Notre Dame avenue, and the late Mr. Trombley, and Mr. Valadez, son of Mrs. Paul Valadez, of Detroit, and the late Mr. Valadez, exchanged marriage vows.

Short Portrait (in words) . . . of Pointer Robert B. Semple, who heads the current United Foundation Drive for \$26,360,595, which will continue through November 9 . . .

President of Wyandotte Chemicals Corporation . . . he plays the role of high-power executive in a low key . . . maintains his calm composure despite a rigorous schedule . . . often sandwiches United Foundation meetings and speeches between breakfast in Boston and a late dinner in San Francisco . . .

His list of responsibilities . . . is lengthy: Director of the National Bank of Detroit, American Natural Gas Company and its subsidiary, Michigan Consolidated Gas Company, and of the Economic Club of Detroit . . . Trustee of Atlantic Mutual Insurance Company, the National Industrial Conference Board, Citizens Research Council of Michigan, Harper Hospital and the Committee for Economic Development . . . past chairman of the Board of Directors of the Manufacturing Chemists' Association and a member of the Corporation for the Massachusetts Institute of Technology, from which he received a Masters degree in Chemical Engineering in 1933 . . .

He arrived on the Detroit scene . . . in 1949, the same year the first Torch Drive made its appearance . . . quickly earned the reputation for excelling in whatever he undertakes which continues to place increasing demands upon his time . . .

The Detroit Symphony . . . has experienced a period of growth since he assumed its presidency in 1961 . . . annual contributions have more than doubled, a permanent conductor, Sixten Ehrling, has been installed, the orchestra has grown to more than 100 musicians . . .

The Symphony . . . under Semple's guidance, inaugurated the Meadow Brook Festival series of open air concerts at Oakland University during the summer and the lighter winter: Cabaret Concert series . . .

Semple joined actively . . . in the annual Torch Drive shortly after coming to Detroit, and was named to the Board of Directors of the United Foundation in 1963 . . . during last year's record-setting Drive, he served as chairman of the Chapter Campaigns which accounted for more than 90 percent of the \$27.5 million total raised . . .

How does one man . . . assume and successfully fill so many leadership posts in business, industry and civic affairs? If the man is Bob Semple, there is no single answer. There are many . . .

For one thing . . . Semple has formed the habit of excelling, of handling his responsibilities with dispatch, of being efficient and making every moment count . . . his home in University place is an hour's drive from Wyandotte Chemicals, but his traveling time is never wasted; while the chauffeur drives, Semple uses a dictaphone and accomplishes considerable work before reaching the office . . .

He has mastered the art . . . of Relaxing: He gives his all to the job at hand, but when his work is done he turns his energies to one of his favorite hobbies . . . he enjoys bird hunting, fly fishing, tennis, bridge and music . . .

He holds a Gold Card . . . from the American Federation of Musicians, proof that he earned his way through college playing clarinet in a dance band . . . he still enjoys a "jam session" but is equally happy joining the woodwind section of the Detroit Symphony occasionally during summer programs at the State Fair Grounds or on Belle Isle . . .

And whenever . . . the executive whirl permits, Semple enjoys a quiet evening in The Pointe with Mrs. Semple, the former Isabelle Ashby Neer . . .

The Semples have a daughter . . . four sons and six grandchildren . . . One son, Lloyd, is a Detroit lawyer . . . twins Nat and Bill are in college . . . Robert B. Semple, Jr., is a member of the New York Times Washington Bureau . . . and the Only Girl, Betsy, is now Mrs. William Gardner Knight and lives in New York City.

MRS. WILLIAM C. POTTER, (LEFT), OF FAIRHOLME ROAD, AND MRS. W. COLBURN STANDISH, JR., OF RIVARD BOULEVARD.

By Janet Mueller

Some things just naturally go together. There's coffee and cream . . . sun and sand . . . pearls and "little black dresses" . . . Ann, (without the "e"), Standish and Marian, (with an "a"), Potter . . .

Those last two "items" leave you a bit puzzled? Read on—and learn how one of Grosse Pointe's most successful Working Partnerships operates . . .

The team of Potter and Standish are collaborating on their third major project: Co-Chairmanship, (and the "co-" in this chairmanship REALLY means "equal"), of the 1967 Grosse Pointe Congregational Church Mistletoe Mart.

Two years in the planning, the Mart is scheduled for Wednesday, November 8, from 10 in the morning until 5 in the evening, at the Church in Chalfonte avenue, corner of Lothrop road.

Divide Responsibilities Ann and Marian split their responsibilities right down the middle when they accepted the Mart co-chairmanship, with Ann responsible mainly for crafts and publicity, Marian in charge mainly of foods and personnel.

Together, they planned the decor and handled Mart money matters. Separately, each made her own special contributions to the Mart.

For Marian, these "separate" contributions included: Making strawberry and peach jam, helping can dil pickles, wrapping toy gifts, covering cookie boxes with "Contact," collecting pine cones, making Christmas gift toys (at least 1,000), making apple pie and fudge for the Foods committee, helping with cheese pastry, cutting out felt pieces, writing classified ads, hand-writing invitations for last May's Mart Preview, making cheese-appetizer spread, selling cookbooks at the beauty shop, baking a cake in a basket, selling geraniums for the Church Men's Club Sale held concurrently with the Preview last May . . . et cetera . . .

A Few Other Jobs Among Ann's "separate" contributions were: Preparing instruction sheets, decoupage work (including 24 wall hangings for children), learning how to work a band saw so as to cut out many, many wooden tree ornaments, ("my husband," she reports, "did more,") painting five dozen ornaments, handling the business production of the new Congregational Kitchen Cook Book, making out-of-town antique hunting forays, providing a continual supply delivery service for the various booths . . . et cetera . . .

She needs her time off. Employed professionally for over 12 years in the field of Public Relations, she still carries on free lance work at home. She's a sailor, ("pleasure, teaching and racing"), and this past summer won both the Detroit Boat Club women's trophies and was runner-up for the Detroit River Yachting Association 1967 inter-club championship.

Interested in all phases of decoupage, (she's received more than 90 hours of tutoring), she plans to start repousse "after the Mart."

She's good at golf, bowling and gardening, cooks marvelous Greek dinners, takes care of the two Standish cats, (their

names are Myles and Priscilla—naturally!), and throws herself into do-it-yourself projects around the house, ("anything from graining kitchen cabinets to hanging wallpaper") . . .

She's compiled a 25-year history for the Grosse Pointe Congregational Church records, edited a pamphlet about the Church for general distribution, served for one year on the Church Prudential Committee and for three years on the Church Public Relations Committee.

Ann and Marian's first combined effort was the launching and editing of a weekly Church newsletter, "Congregational Comment." The newsletter was a success . . . and Potter and Standish discovered they were "made for each other" . . .

Next, they collaborated on "Twenty-Five Years of Meat Loaf," a mixed media extravaganza celebrating the Church's 25th anniversary, staged at the Grosse Pointe War Memorial in June, 1965. Potter handled the writing and directing, Standish the publicity and production.

The program was split into three parts: Old movie films of the Church under construction, charter members, dedication ceremonies, etc.; a skit on how a Congregational committee operates; and many colored slides with comic captions of different Church activities.

"The production nearly evaporated as our top narrator came down with laryngitis the night before," Marian recalls, "but he did croak through the performance . . ."

"At the end of the show, as the writer was taking her bow, she was presented with a thank-you gift that touched her deeply: A plate of cold leftover meat loaf and a bowl of fruit jelly, staples of any Church potluck dinner . . ."

Now Potter and Standish were obviously ready to go forward together, to scale new heights, conquer new obstacles . . . Enter the Mistletoe Mart.

Is All-Church Project "It is," Ann and Marian both emphasize, "an ALL-Church project." The Church men work for it, through their Geranium Sale, carpentry services, volunteered manpower.

The Church women have been hand-crafting items for more than a year. The Senior High School Church group has hand-fashioned tack boards, spool boards and toy giraffes, and the Junior High Schoolers are collecting books and records.

In all, there'll be more than 200 different types of items available at the Mart, all moderately priced, (the Standish-Potter rule-of-thumb for pricing is to double the cost of materials—then, if this results in a price higher than the traffic will bear, to knock off a few dollars and/or cents until the price is competitive), all made-by-hand.

Several of these items will be featured in next year's Christmas Issue of "Better Homes and Gardens."

"We've found that people will work very hard," Ann and Marian say. "We haven't applied any pressure, haven't given out any quotas . . . But we HAVE put a lot of faith in our sub-chairmen . . ."

Faith Is Justified And that faith has been justified: Grosse Pointe Congregational Church Women's basements, attics and recreation rooms are bulging with merchandise. Now all that remains is to "set up" the Mart itself.

"Christmas In The Town And Country" is the 1967 Mart theme, and the entire Church will be turned into a backdrop for 18 different booths and departments.

CHINESE CHICKEN

Contributed by Mrs. Foster H. Barrows

4 chicken breasts (8 halves) 3 oz. Kikkoman Soy Sauce Lawry's Seasoned Salt Lawry's Seasoned Pepper 1 1/2 sticks butter.

Sauce: In top of double boiler, place butter, soy sauce, salt and pepper. Add salt and pepper to taste, although sauce should be very spicy.

Place chicken breasts in baking pan. Sprinkle with Accent. Baste with sauce. Place in broiler oven and broil until sauce bubbles. Turn off oven, leaving chicken in. Repeat in one-half hour, adding more sauce and broiling until it bubbles. Turn off oven. The chicken may then be left in turned off oven all afternoon, if so desired.

Just before serving, add remainder of sauce, broil until it bubbles and serve hot. The chicken is also good served cold the following day.

On the top level, "Sophisticated City." On decor is being featured on Mart Street and Mart Court where "Top of the Mart," (imports and a variety of exotic items), "The Bookmark," (something for everyone), "Aprons," (12 kinds), "Stocking Stuffers," (low cost items for children of all ages), and "Knit Wits" will be located.

In the main level "Victorian Town" visitors will walk along Gaslight Common and turn into the Emporium to purchase all sorts of Christmas decorations, decoupage and hand-painted objects, pressed flower pieces, then continue on to Jinglebell Junction, especially for children, and the Gallery, a unique department of the Mistletoe Mart.

To Feature Paintings Featured in the Gallery will be original watercolors by the talented Achsah (Mrs. Paul) Mathewson, Edna (Mrs. Charles) Kreichelt, Betty (Mrs. Leslie) Lowery, and Charlotte (Mrs. William A., Jr.) Evans.

"The exhibit has been in the preparation stages for more than a year," Marian Potter notes, "and we think it is one of the finest things our Mart has ever initiated."

On the lower level "Country Yesteryear" will be an attic treasure Bargain Barn, a General Store featuring baked goods, party and pantry items and piles of Congregational Kitchen Cook Books, the "All Inn," (a lounge for weary shoppers), a Sweet Shoppe for light refreshments and the Manor Tea Room where luncheon will be served from noon until 1:30 o'clock.

And that about covers it . . . unfortunately, neither Ann nor Marian could think of a way to utilize the Church roof as a Mart Shopping Area.

Not that they wouldn't have tried—the team of Potter and Standish is willing to tackle anything—but they just didn't think it was necessary.
