cally moved all her belongings, was sleeping there and eating all of her meals there.

In fact Mr. Zastrow was even appointed legal guardian of Jane's estate through Wayne County Probate Court.

Jane's reasons, according to Mr. Driggers, for wishing to be at South High School were both personal and scholastic. His main premise seemed to be that two courses of interest to Jane were either not available or not as advanced at North as they were at South. He said Jane was in Honors-German at South, a course not offered at North High. He also indicated that the physics course at North was not as advanced as the one at South.

Here Dr. Theos Anderson, Superintendent of Schools, interrupted with the comment that although North has no honors German course as such, its German course was an intensive one. He said as for the physics course, it was similar to the one at South High School.

Mr. Driggers indicated that these courses were of extreme interest to Jane because of her desire to become a doctor.

Presently Jane is not attending either high school. Mr. Driggers said she was keeping up with her studies by getting assignments from teachers and students at South.

Here Dr. Anderson asked Dr. Robert J. Hanson, guidance coordinator, if in fact Jane was receiving assignments from

### Trips Planned By Ski Groups

Charter bus transportation north and back plus to and from the slopes, lodging, 5 meals and chaperone are offered for \$37.50. Tows are extra, ski insurance at \$3 is mandatory and trips to the Pontyall are offered as an option. Early sign-up for this trip is requested and advised.

Holly Friday evening, January 24, leaving the War Memorial by charter bus at 4 p.m. and skiing from 5:30 to 10 p.m. and returning to the Center by 11:30. The \$6 charge covers transportation, chaperone, tows and insurance.

The Junior Youth Council and selected parents will take over the Memorial's Boyne Country Ski Haus for the long week-end when public school is out Thursday, January 30-February 2. Parents will furnish transportation. Lodging for all will be \$10 per person. Meals and tows are extra.

The Grosse Pointe Adult Ski Club will spend this week-end skiing Blue Mountain and Georgian Peaks, Canada. Transportation, deluxe accommodations, meals, cocktails and tows included for \$45.

teachers at North. Dr. Hanson said that Jane had received only one assignment from a South High teacher.

The crux of the situation appeared to be just where Jane's residence was, Nottingham or Oxford roads.

The Board also faced the problem here of setting a precedent regarding other requests for transfers.

The hearing was then recessed and went into executive session. Upon its return the Board voted unanimously to refuse Jane's request. According to section 589 of the School Code of Michigan every board is authorized to establish attendance areas within the school district.

### Farms Submits Building Report

The Farms Building Department approved a total of 102 construction permits of all types, including one for a non-assessable building valued at \$3 million, (Coltage Hospital), during 1968, according to a year-end report submitted by Public Service Director John A. DeFoe. The over-all value of the buildings erected last year amounted to \$3,772,300.

Throughout the entire year of 1967, the number of all types of permits applied for and granted, numbered 105. These have a valuation of \$1,115,800, DeFoe's report showed.

During December 1968, only one application was received for a residential construction permit, for a home at 398 Country Club lane, valued at \$45,000; and only one miscellaneous permit for a construction valued at \$1,500.

In December 1967, the record shows that one permit was approved for a residence valued at \$31,000, and three miscellaneous permits were granted for buildings valued at a total of \$13,000.

Throughout the entire year of 1968, no permits were requested for commercial construction, whereas, in 1967, only one was applied for, for a building valued at \$30,000.

From January 1 through December 31 of last year, a total of six permits were granted by the Building Department for homes having a total valuation of \$276,000; and 295 permits were approved for miscellaneous construction worth a total of \$496,300.

During the entire year of 1967, the number of residential permits approved was 10, for homes valued at a total of \$563,000; the one commercial permit; and 94 miscellaneous construction permits, for buildings having a total value of \$522,800.

In 1967, no applications were received for non-assessable buildings (churches, schools, etc.), DeFoe's report revealed.

### HUBCAPS STOLEN

Mendy Kerif of 2190 Vernier road, informed Woods authorities on Sunday, January 12, that while his car was parked in front of his house during the night, an unknown person stole the vehicle's four hubcaps, valued at a total of \$75.

release city manpower for other work in the community.

He pointed out that in 1968, the cost of spraying public and private elms in the Park, with material purchased by the city and using Department of Public Works personnel and equipment, amounted to approximately \$22,000.

The total cost of purchasing methoxychlor, and spreading it over the elms by helicopter, would cost the Park about \$8,500, it was pointed out.

### Does Better Job

"By using a helicopter to spray the elms," the city manager said, "the chemical will penetrate the top of the tree, as well as cover the entire tree. The tree top, which is the most sensitive part of the plant, is rarely touched by chemicals sprayed from equipment from the ground level."

The Agj Helicopter, Incorporated offered to spray 3,500 public-owned elms at a cost of 60 cents each, and 2,500 private-owned trees, at a cost of 75 cents each.

Slone said that if the council approved this method of spraying, signs will be posted three days in advance, warning residents of areas in which spraying is to be done, to remove their cars from the streets. In addition, the next quarterly newsletter will contain a separate message, designating the day and time when each area will be sprayed. The signs and newsletter message, should be ample warning, it was pointed out.

### Mayor Breaks Tie

A vote on tabling the matter for further study was three for and three against, with the tie broken by Mayor Matthew Paterson, who cast his vote with those who favored the study.

Pertaining to the breakwater seawall, Slone said that it was very important that this be constructed. The seawall is needed to protect boats berthed in wells, and to prevent erosion of land area by wave action.

### House Razed

of the stairway leading to the upstairs level of the house, was found in the northeast corner of the attached garage, where the force of the explosion tossed it, firemen said.

The house, valued at between \$40,000 and \$50,000, was contracted for by Dr. Helen Nutting of 1047 Somerset. The construction of the building was under the supervision of Walter V. Kniessel of 22 Sunset lane.

The workmen in the house at the time of the explosion, were employees of Joe Quartuccio of Detroit, plastering contractor.

They are Norman Kamper, 43, of 18742 Thomasine, Mt. Clemens; George Miller, 50, of 22713 Stephens, St. Clair Shores; and Frank Borchman, 42, of 13163 Sherman, Warren.

Handicapped by no telephone in the house, one man went next door to turn in the alarm, while the other two made futile attempts to put out the blaze.

Two GP Woods Business Places Visited by Thieves

A Woods policeman, dispatched to investigate the breaking and entering of the Roslyn Market, 21020 Mack avenue, discovered that the Woods Delicatessen, 21016 Mack, had also been burglarized, believed by the same persons.

The burglary of the market was discovered on Tuesday, December 31, by Paul and Gerald Corbat, sons of Joseph Corbat of 6128 Hessen, Anchorville, business owner. The sons discovered the crime when they opened for business at 8 a.m.

Patrolman Douglas Dosmas, dispatched to take a report of the break-in, discovered that the delicatessen had also been entered, by the same method of entry as at the market. In both instances, the thieves smashed the glass of the front doors.

Dosmas' report revealed that the burglars, on entering the market, went to a metal cabinet which contained a tray of assorted coins. The intruders went through the cabinet, but did not touch the money.

A preliminary examination of the place, by the owner and his sons, failed to disclose any items or money missing, it was said. Dosmas, and then Dets. Everett Plumb and Gerald Kensora,

in checking the outside of the building, discovered the burglary of the delicatessen, from where the robbers took approximately \$175 in currency and change from a cash register. The business is owned by Thomas Tong of 28365 James street, Warren, who was called and notified of the robbery of his place. Tong reported the money missing from the cash register.

The policemen, in questioning neighbors in the area, spoke to a woman witness, who told the officers that at about 12:13 a.m., she saw a car, with three young men seated in it, parked on Roslyn road, near Mack. She said she saw a fourth youth walking east on Roslyn, as though carrying a heavy object, possibly a cash register, or an adding machine.

The witness said that this youth got into the vehicle with the other youths and the group drove away.

Plumb said that the method of entry in both business places, was the same as was done to the Woodcraft Tailors, 20792 Mack avenue, last November 1, witnessed by a young man, at 4:50 a.m. A description of the car, also tallied, he said.

The vehicle was described as being a 1963, or 1964 Chevrolet two-door Impala. The color was not given.

An automobile of that type was used by burglars in the Park Woods and Harper Woods, early in November of 1968, the detectives said.

In all of these burglaries, the time was set at between 3:05 a.m. and 6 a.m., Plumb added.

Police Arrest Wanted Driver

If Michael J. Ripley, 26, of 601 Piper, Detroit, had had the proper lighting on the automobile he was driving, he might have continued operating a motor vehicle indefinitely.

On Friday, January 10, Ripley was traveling south on Mack avenue, when he was spotted by Woods Patrolman Donald Schmaltz. The officer's attention was attracted by the single headlight on Ripley's vehicle.

The policeman said he saw Ripley turn west onto Vernier road, and then again make a turn into the east bound lane of the road. Ripley was motioned to the curb and brought to a stop at Marter road. The motorist was informed of the single light on the car, and asked for his operator's license and car registration, but could only produce his license.

Schmaltz radioed for a check on the alleged violator, and the reply was received that Ripley's license had been revoked by the Secretary of State's Office, and that the man was wanted on a traffic warrant by St. Clair Shores police, for a \$50 violation.

Before his release to St. Clair Shores authorities, Ripley was issued a ticket for driving while his license was revoked.

Would Increase Tax Exemptions

The Michigan State Legislature has passed Public Acts providing for tax exemption for senior citizens, certain veterans and unmarried widows. The current exemptions are based upon state equalized property valuation of \$10,000.

In October, 1967, the City Council of the City of Grosse Pointe Woods, by resolution, requested the State Legislature to increase the property limitation from \$10,000 to \$15,000 on the state equalized valuation and to give other considerations to the senior citizens, veterans and unmarried widows.

No consideration was forthcoming from the 1968 Legislature, so the Council on Monday, January 6, reaffirmed its request that the State Legislature increase the property limitation.

It also requested the Legislature to increase the income limitation to \$6,000 as a basis for exemption of senior citizens, and \$8,500 as a basis for exemption of veterans.

Copies of Monday night's resolution and of the resolution of October 1967, are to be mailed to State Representatives, State Senators, and all municipalities in the County of Wayne.

Tony Giacalone Hears Sentence

Alleged Mafia leader Anthony (Tony Jack) Giacalone, 701 Balfour, was sentenced on Monday, January 6, to four-and-a-half to five years in prison for illegal possession of a blackjack.

Judge Joseph Moynihan of the Wayne County Circuit Court allowed Giacalone to post a \$20,000 appeal bond and remain free until the Michigan Court of Appeals rules on the case. Giacalone was convicted on November 8 on the blackjack charge.

Both Anthony and his brother Vito Giacalone, 87 Webber place, were found guilty of illegal possession of a blackjack. Both were given similar sentences although the handling of the cases differed.

Vito was sentenced by Judge Victor Baum of the Wayne County Circuit Court for four years and nine months in prison on December 6. However, Judge Baum did not allow Vito to post an appeal bond and sent him directly to prison.

The blackjacks were found by police in each of the Giacalone brothers' homes when they were arrested for conspiracy to commit extortion on May 14.

REPLACE MANHOLE COVER City police officers John Drummond and Dave Teolis, while on routine patrol on Thursday, January 9, observed a manhole cover off at Neff and Kercheval. Officers replaced same.

**Human Relations Council  
Wants Fair Housing Laws**

The Board of Directors of the Grosse Pointe Human Relations Council, at its meeting on October 29, voted unanimously to propose enactment of local fair housing ordinances by the five Grosse Pointe city governments.

Charles Marston, Human Relations Council board member and chairman of the effort to obtain local ordinances, noted that during the past year state

and federal governments and the Michigan and United States Supreme Courts have declared racial discrimination in housing unlawful. "There are, however, several important reasons for local communities to speak for themselves in this matter," he said.

"Local ordinances provide clear evidence of local support for state and federal laws. They thereby release the natural human inclinations toward fair and equal treatment of all people, which may be inhibited in many local citizens by what they feel their neighbors and community believe. In the same way local ordinances provide some guidance for local real estate agents," Marston continued.

He also said: "The committee also observes that local commitments to equality and justice are necessary to achieve a just and orderly society. They feel that local fair housing ordi-

**Burglar Invades  
Business Office**

Hugh A. Davis, owner of Mico Grosse Pointe, 19637 Mack avenue, had an expensive lunch on Friday, January 3, when a burglar broke into his place and stole a sum of cash from a metal box atop an office file cabinet.

At 1:05 p.m., the business owner said, he returned to discover that an unknown person had jimmied open the door of his office, entered, and taken about \$50 in cash, and a check amounting to \$2.29, from the box above the cabinet.

Investigating officers said that the thief entered the multi-office building, either through an unlocked front door, or through a locked but not latched rear door.

The burglar used a flat, hard object to force the bolt of the door leading into the office, police said.

At Inauguration**

CULVER, Ind.—Three Grosse Pointe students, George and Paul Simon, and James Vlasic, will ride with Culver Military Academy's Black Horse Troop in the Inaugural Parade honoring Richard M. Nixon Jan. 20 in Washington, D. C. This will be Culver's sixth Presidential Inaugural appearance.

The local students are three of 93 members of Culver's colorful Troop chosen for the three-day trip. Selections from the 165-member Black Horse Troop were made on the basis of academic standing, horsemanship and citizenship.

The Academy cavalry group, accompanied by Lt. Col. Floyd W. Townsley, director of horsemanship, and his staff, will fly to Washington aboard a chartered jet January 18. Arrangements are being made to entertain the Culver cadets while they are in Washington. They will return to the Academy after the parade January 20.

The Black Horse Troop, the largest remaining mounted military organization in the United States was selected to ride in the parade to point up the theme of "Forward Together." The Culver unit plans to carry 54 state and territorial flags as it presents "The United States on Review."

George Anthony Simon is the son of Mr. and Mrs. George Simon, 211 Vendome road. He is a sophomore and on the varsity jumping team.

Paul Jerome Simon is also the son of Mr. and Mrs. George Simon and is a freshman and new student this year.

James Joseph Vlasic, son of Mr. and Mrs. James Joseph Vlasic, 33 South Deeplands, is a senior, captain of the varsity polo team and holds letters in varsity jumping. Vlasic is a member of Blue Key Society, national honorary academic organization for juniors, and has received Gold and Silver A's for exceptionally high academic achievement.

# Do You Want to Go Down in History?

— *John Harvard did*

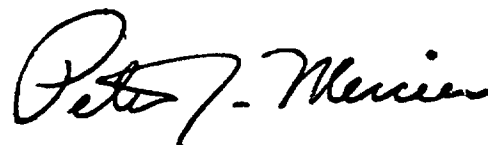

The Religious of the Sacred Heart have announced that they will be closing the Convent School in Grosse Pointe. They leave us with a fine heritage of devoted service. The Campau Committee has been formed to find a way to continue this heritage.

At a meeting held on January 9, 1969, the Religious of the Sacred Heart indicated they are willing to assist us in any way they can to help us establish a new era of Catholic-orientated education in our area. We hope to utilize the facilities and grounds to continue an independent Catholic education for boys & girls. The school will be lay-owned and administered.

What is needed now is a new name for the school and the funds with which to operate it. Experts estimate such a school would require a generous endowment of two million dollars to survive. Yes, it is a lot of money. But a place in history is not necessarily measurable when compared with the good it will accomplish for generations to come. Could you give your money and your name to continue this great work in the education of today's and tomorrow's children?

If you are interested in such a history-making decision for the future, your inquiry should be handled through your attorney and your identity withheld. Address your inquiry to the Campau Committee, 1724 Guardian Building, Detroit, Michigan 48226. Or you may phone us at 961-8845.

*Sincerely,*

Peter J. Mercier  
Acting Chairman

**Chorus to Give Spring Concert**

The Grosse Pointe Community Chorus held its first registration and rehearsal Tuesday night and found the music being prepared for the 17th annual Spring Concert a welcome escape from the winter around town.

Director Richard B. Johns has selected a program ranging from Schubert's "Omnipotence" to a Swingle arrangement of Bach's "Air for the G-String" titled "Breezy Bach." Bound to be a favorite is a selection of the lovey melodies from the

prize-winning French movie "The Umbrellas of Cherbourg." New singers are always welcome in the mixed adult chorus which requires no auditions for entrance. Registrations will be accepted prior to the next two rehearsals on Tuesday, January

21 and 28. A fee of \$5 is charged for a single member and \$9 per couple.

The organization is co-sponsored by the Grosse Pointe Board of Education and meets in the music room of Parcels Middle School at 8 Mile road and Mack avenue from 8 to 10 p.m. each Tuesday until the

April 13 concert. For further information call TU 6-0710.

120 years ago, on March 5, 1849, Detroit Bank & Trust opened for business at the rear of historic Mariner's Church. We've had many good years since then and 1968 was among the best.

Our growth last year included the addition of three new offices, to provide a total of 82 offices to serve you in metropolitan Detroit. 1968 also saw the completion of plans for the opening of our first overseas office in London, England.

How do we account for this continued growth? We think it's just a matter of serving you better.

With 120 years of uninterrupted experience behind us, we believe we know Detroit as no other bank—and Detroiters know us.

MR. HUMIDIFIER

Electronic Cleaning, Humidification, Heating, Air Conditioning

Don't We Have Plenty Of Humidity Indoors?

by ROBERT A. "Doc" WILLIAMS

The answer to our question above is an emphatic "No." Outside—yes, inside—no—not during the long heating season. There is a definite need for a humidifier to supply moisture to indoor air because of the artificial heating process. The heating process robs moisture from the air indoors and relative humidity levels fall very low—so low in fact that the average American home during the heating season has a reading of just 13%—lower than the reading of 25% in the Sahara Desert and Death Valley's 23%.

Faces Charges As Drunk Driver

William A. Twyman, 28, of 23432 Liberty, St. Clair Shores, was arrested while driving in the Woods on Saturday, January 11, and charged with operating a motor vehicle while under the influence of liquor.

The arresting officer, Patrolman Douglas Dosmas, said that he was on routine patrol on Mack avenue at 2:43 a.m., traveling south, when he observed Twyman driving in the opposite direction, sans headlights on his car.

The policeman said he turned and gave chase, and pulled up behind the motorist, whose vehicle was swaying back and forth in the lane. Twyman ignored the flasher and horn, Dosmas said.

The patrolman said that he attempted to get alongside the other car, but was prevented from doing so because of the man's erratic driving. Twyman was finally forced to the curb at Lennon, and asked for license and car registration, which, it was said, took several minutes to produce.

Dosmas said that he detected a strong odor of alcohol on the man's breath, and ordered Twyman out of the vehicle. On looking at the license, the policeman said, he saw that it had an expired date, and directed Twyman to get into his own car until a check was made to see if Twyman was wanted on warrants by any police agencies.

The patrolman said that Twyman got behind the wheel, started up the engine and drove off. Dosmas leaped into the scout car and chased and stopped him north of Vernier road, and placed him under arrest for drunk driving.

Dosmas' report of the arrest revealed that at the station, Twyman refused to take a breathalyzer test.

Twyman was issued a violation ticket for driving without headlights, and another for driving while under the influence of alcoholic beverages. A court date is pending.

Camera Club Meets Tuesday

The Grosse Pointe Camera Club will meet on Tuesday, January 21, at 8 o'clock, in the War Memorial.

The print and slide competition assignment is "Gates and Doorways," three prints and two pictorial or assignment slides plus two nature slides. Visitors are cordially invited.

Girl Scouts Busy At Maire

Girl Scout Troop 820 of Maire Elementary School has had an active fall and winter schedule of both service and fun projects. Under the leadership of Mrs. Donald Unger and Mrs. Philip Wettengil the girls went tent camping at Metamora, baby-sat for voting mothers on election day, hiking to Cadieux Cottage while working on their community badge and took a trip to the Detroit News.

Christmas projects included making gifts for the people at St. Joseph's Home and gathering gifts for children in the inner-city.

The troop's spring schedule will include a bike hike when weather permits, baby sitting during Maire School's Parent-Teacher Conference, making puppets for its very own puppet show and a Court of Awards.

Service and fun continue hand in hand in the true spirit of Girl Scouting in Troop 820.

Brownell Looks Ahead To Fall

Looking ahead to September 1969, Brownell Middle School students, parents, and counselors will soon be making plans for beginning the senior high school program of studies.

Because all factors cannot be presented in printed form two informal question and answer meetings for eighth grade students and parents will be held next week at Brownell.

On Wednesday, January 15, at 7:30 o'clock in the boys' gym, principal Jerry Gerich and others on his staff will present information for enrollment of students scheduled to attend Grosse Pointe South High School next year.

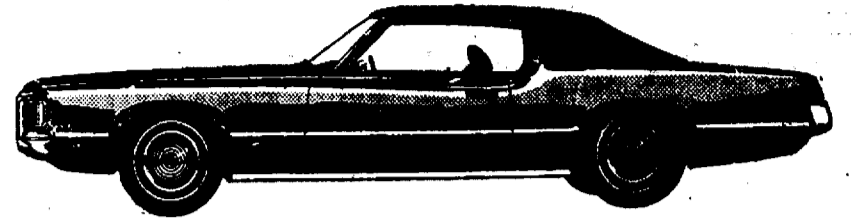

On Thursday, January 16, at 7:30 in the boys' gym, Grosse Pointe North High School Principal Dr. William Craig and others on his staff will discuss enrollment and orientation procedures. They will also answer questions from parents and Brownell students who will be attending Grosse Pointe North High School next year.

At Daytona: Plymouth and Dodge cars just won six of nine classes in the most sensible performance tests ever.

Chrysler Corporation cars won tests that mean a great deal to you when buying your car: fuel economy, acceleration and braking.

They won them at the Union/Pure Oil Performance trials, sanctioned and supervised by NASCAR/FIA.

NASCAR couldn't care less whose car won. The tests were supervised that impartially.

So it was a gas mileage to gas mileage, acceleration to acceleration, brake to brake affair.

In the chart at the right, you can see for yourself which Chrysler cars won what, in what classes. (For the record, all the cars that entered—the winners and the losers alike—were showroom models purchased at random by Pure Oil officials.)

This is the result of Chrysler engineering. And this is what Chrysler engineering means to you: Value. Starting with the basics, then designing and building a better car for you.

The same kind of cars that won at Daytona are at your Chrysler, Plymouth or Dodge dealers now. Go down and buy a winner for yourself.

**St. Paul Lakers Dream of Title**

This could be the year of the basketball championship at St. Paul's High School, as the Lakers won their seventh straight last Friday over the Teutons of St. Anthony, 59-40. The victory leaves St. Paul one of the only two unbeaten teams in the Catholic League's first division.

At half time the team had only a five point advantage 25-20, but in the third quarter it was able to rack up a 38-28 lead. A 21 point outburst in the fourth quarter assured the outcome of the game.

Mike Ferrell led the Lakers in scoring with 17, followed by Jim Martin with 12. The defeat left St. Anthony with a 4-3 record. St. Pauls will play second place St. Clements this Friday.

**Moroccan Trip Subject of Talk**

Morocco by Minibus" is the title of the color slide travelogue to be presented by Dr. Hugh Stalker on Grosse Pointe War Memorial's "Meet the Travelers" program which is presented free of charge to the Grosse Pointe public and their guests. The date is Monday evening January 20, at 8 o'clock in Fries Auditorium.

Dr. Stalker will appear, (if his wife lets him), in the native garb of North Africa, the jellaba, a loose fitting, voluminous robe with long full sleeves and an ample hood which can keep out both cold and heat. These are worn by both men and women in North Africa.

In this colorful travelogue, Dr. Stalker will accompany his excellent pictures with a fascinating account of his 1200-mile travels from Rabat along the North African shore to Fez. Interesting stops include Volubilis with its Roman ruins dating from 200 A.D. and Moulay Idriss which is the second Mecca for the Mohammedan people.

A summer resort hotel was specially opened in the Atlas Mountains for the Stalker party even though it was winter; and viewers will see some beautiful pictures of the snow capped peaks. Then it's on to sophisticated Marrakech, a favorite spot of Winston Churchill where in one day, one can see the mountains above and enjoy swimming, golf and riding below.

**Youth Accused In LS Accident**

A 17-year-old motorist, traveling north on Lake Shore road on Sunday, January 12, slid into and damaged a Shore police car and was arrested by the officer driving the vehicle.

Cpl. Chester Said said that he arrested Joseph E. Muleavy of 1222 Berkshire, and gave him a violation ticket for careless driving and causing an accident. Three other persons were in the youth's car, including the owner of the auto. No one was injured, the officer said, but Muleavy appeared to be extremely nervous because of the collision.

Painter said that Muleavy tried to make a left turn from the right lane, while the police car was abreast of the other vehicle, as both cars neared 1000 Lake Shore. The policeman said that he veered to avoid a collision, and that his car headed toward the cross-over south of the Lake Shore address.

Muleavy, who claimed he did not see the police car, until it was too late, applied his brakes and swerved to the right to avoid contact, but his car slid on a patch of ice and struck the right rear of the scout car, damaging this car's rear tail light assembly and fender. The youth's car was damaged on the left rear quarter panel.

Painter said that the youth became highly nervous at the scene, and asked if he was hurt, and seemed relieved when informed that he was not. Muleavy was taken to the station, where after he had calmed down, he made a statement, and was released to appear in court on February 11.

**Minors Pay Up For Beer Party**

City of Grosse Pointe Municipal Court convened on Tuesday, January 7, with Judge Douglas L. Paterson presiding. Denis Nicolai, 1432 Bedford, Detroit, was charged as a disorderly person. He pled guilty and was found guilty and fined \$25.

Twenty-two minors, who were charged as disorderly persons, after having been found at a beer party in University place on November 15, also appeared.

All the teenagers involved offered pleas of guilty. Judge Paterson accepted the pleas and took them under advisement. All paid \$25 costs. The cases were continued for six months. During that time Judge Paterson cautioned the youths about good behavior and recommended that all of them surrender their drivers' licenses to their parents for a period of 60 days.

He requested that all of them copy the laws of the state of Michigan relating to minors and intoxicating liquors and that they all make two appearances before him during that time. They were also instructed to write essays of 200 words on "Why I Must Obey the Law." None of the youngsters involved had police records. Final disposition of the cases will be made after the six month period.

Mrs. Lillian Shanbeck, 592 St. Clair, called City police on Friday, January 10, to report an injured woman in front of her home. Upon arrival officers found Margaret Des Rocher, 83, of 503 St. Clair, had cut her head in a fall in front of the above address. She was taken to Bon Secours Hospital for treatment.

## Devil Cagers Make It Five In Row; Now Ninth In State

By Craig Carr, '69

The Grosse Pointe Blue Devil varsity basketball team, ranked ninth in the state last week by the Detroit Free Press, will probably move up in the ratings after winning their two games last weekend over Royal Oak and Mount Clemens.

However, they will have to defeat Fordson, ranked fifth last week, this Friday evening to maintain their position. Although Devil Coach Chuck Hollosy called the Tractors "a very tough ballclub," Fordson was upset by Wyandotte, 58-52, in a sub-par performance last Friday.

More important than rank in a poll, though, is the fact that the race for the BCL title is an extremely tight one. At this point Grosse Pointe and Highland Park are in first place with 2-0 records while Fordson and Wyandotte have identical 2-1 marks.

The game will be played on Grosse Pointe's home court, which may be a Blue Devil advantage. On Saturday night the Devils will meet a strong Ann Arbor team in an away game.

### Devils Were Sloppy

The effect of not playing a game in 27 days showed last Friday night when the Devils had a hard time defeating Royal Oak Dondero 70-52. Only a late scoring spree by the Devils in the fourth quarter made the final score sound like a romp.

Actually, Grosse Pointe was usually ahead by only five to ten points in a game they should have wrapped up early. Royal Oak has not won since December 20, 1966 (33 straight losses), and was obviously outclassed. However, it was generally agreed upon by the fans, players and Coach Hollosy that the Devils were sloppy and did not play well.

In the game itself, Mike Boruta sank the first basket 15 seconds into the initial quarter and after that the Devils never lost the lead. The Acorns outscored Grosse Pointe in the second period, 21-15, and at the half were behind by just seven points, 35-28.

Chris Malafouris led the scoring with 19 points and Boruta added 18 for the Blue Devils.

### Reverse Their Form

The following night the Devils took on highly touted Mount Clemens and the result was an exciting 63-62 Grosse Pointe victory. The Devils seemingly reversed their sloppy ways of the previous evening to edge the troublesome Big Reds.

Chris Malafouris sank two pressure-packed free throws with 20 seconds left in the game to put the Devils ahead 63-60. The wild crowd, believing the victory was then wrapped up, held their breath as a technical foul was called on Grosse Pointe with three seconds remaining. A three-point play by Mount Clemens was highly possible.

Fortunately, however, the Mount Clemens player who shot the free throw was so nervous he missed the rim. The victory assured, the Devils let the Big Reds score as the final buzzer sounded.

Grosse Pointe got off to an early 10-3 lead but Mount Clem-

ens came back to take a 27-26 lead at the half. At the close of the third period the Devils were behind 49-42 and had to outscore the visitors 21-13 in the last quarter to win the game.

Jim Humes was tops in scoring with 22 points and Larry Ulmer scored 17. Curt Munaw probably played his best game of the year and although he had only five points, three of them came on free-throws that gave Grosse Pointe a 61-58 lead in the final minute.

## Pee Wee Hockey Teams Active

On Sunday, January 5, Trans-Am and Radke played a make-up Pee Wee Hockey game. (They were "rained-out" on December 27th). Radke shut-out Trans-Am 3-0, giving goalie Peter Black his first shut-out and Zero? Club patch. Goals for Radke were scored by Wally Levick, unassisted; Bruce McDavitt assisted by Joe Gorey, and Joe Gorey, unassisted. Dennis Austin, playing defense for the first time, played a very good game.

Doing some strong skating for Trans-Am were Cliff Dirksen on left wing and Steve Sikesteel on defense.

Monday, January 6, saw two games played—Firebirds 2 vs. Radke 1 and Trans-Am 3 vs. Dolphins 1.

Joe Gorey, assisted by Mike Andary scored Radke's only goal. Firebird goals were scored by John Tulloch, unassisted and Jeff Butcher assisted by Peter Costello and Mark Santi. All the goals in this game were made during the second period.

In the game between Trans-Am and the Dolphins, Joe Schiller, made the goal for the Dolphins. Bruce Robb played a good game on forward and Jim Bradley was strong in defense.

Trans-Am goals were scored by Doug Bidigare on Cliff Dirksen, Bill Dawson, unassisted and Bob Morris from Jim Carbone. Chris Piku played a strong game on left defense and Larry Slocum, through his alert play on defense, foiled several Dolphin break-aways.

With only two practice sessions behind them the Pee Wee "B" Team had their first game Friday night, 1-10, in Port Huron's Sports Arena against the T&M Builders from St. Clair Shores. The T&M Builders won 7-1. Our only goal was made by Bill Dawson, unassisted.

The Pee Wee "B" Team is comprised of boys from each of the four teams in our division. Two men, who devote much time and energy to our Pee Wee Division, are guiding the "B" Team, they are, Ed Brady, coach and Ken Frankland, asst. coach.

## Hockey Chiefs Keeping Winning

By William A. Gill  
The Grosse Pointe Chiefs Juvenile Hockey Team did it again. They beat the St. Clair Shores Firebirds by a score of 2 to 1 in a game played at 11 o'clock Sunday night at Gordie Howe Hockeyland.

Bill Ehrlich scored Grosse Pointe's first goal at the 16-minute mark of the first period assisted by Bill Rider. This lead held up until the 12-minute mark of the final period when Mike Dietz scored for the Firebirds tying the score. Then with only nine minutes left in the game Doug Maxwell scored the winning goal assisted by Bill Rider. These two assists by Bill Rider makes him the Chiefs' high scorer so far this season with seven goals and six assists.

Curt Patterson, high scoring right wing, was hurt earlier this week and will be out of the lineup for one month with a dislocated shoulder injury.

This victory kept the Grosse Pointers in first place and contenders to represent the Southeast Michigan Hockey Association in the state playoffs in February.

The Grosse Pointe Juveniles next league game will be played at the McCann Rink, Sunday, January 19, at 10 a.m., against Roseville.

## Devil Natators Defeat Dondero

Winning their second BCL meet of the season, the Grosse Pointe Blue Devil swim team, in an away meet, overcame the Royal Oak Dondero Acorns by a score of 85-40.

The tankers took nine firsts out of eleven events. The 200-yard medley relay, comprised of Mark Boerner, Max Gardner, John Fraser, and Kris Cassell, and the 400-yard freestyle relay, made up of Mark Goodheart, John Fraser, Max Gardner, and Dave Grunewald, were overpowering against Dondero.

John Fountain and Lincoln Lee slammed the 200-yard individual medley while Jim Frede and Mark Goodheart easily took the 50 yard freestyle from the Acorns.

Bill Heller took firsts in both the 200 and 400-yard freestyle, winning both events on his strong last two lengths.

A close race in the 100-yard backstroke provided excitement. Mark Boerner put up a good fight against Sherman losing by only .8 of a second.

Other firsts were provided by Kris Cassell in the 100-yard freestyle, Brian Ferry in the 100-yard breaststroke, and Barry Van in the 100-yard butterfly.

The reserves also won their meet by a score of 63-28.

The tankers will be looking forward to a challenging away meet with Fordson on Friday. The following week, the team will swim their first home meet against Monroe.

## Hockey Squirts In Two Games

By Dr. T. W. Kelly  
The Squir Division Hockey Teams played their second games on Saturday morning, January 11. It was another cold morning and the boys were eager to play after practices on Tuesday and Friday.

The Jets played the Pros at 8 a.m. and the Wolves played the Comets at 9 a.m.

The Pros beat the Jets 2 to 0. They scored early to lead 2 to 0 and then held on as the Jets tried everything to score, but Gunnar Walton the Pro goalie was solid in the nets and earned the first shut-out of the season.

Etan Jurisick scored twice for the Pros, the first goal unassisted and the second assisted by Harry Jewett and John Hastings. Ken Hayden, Jeff Otting and Tim Kelly played well for the Jets.

The Comets won 1 to 0 over the Wolves in another tight game, with both goalies Scott Sante and Karl Ketchum of the Wolves and Cab Morris of the Comets starting in the nets.

Fred Massad of the Comets scored the only goal, assisted by Robb Danaher. Mike Cadieux of the Comets' defense played an outstanding game.

The Squirts teams play again Saturday, January 18.

## JVs Beat Acorns For First Victory

The Grosse Pointe j.v. basketball team split their two games this weekend by beating Royal Oak on Friday and losing to Mount Clemens the next night. Their record now stands at 1-1.

Dan Ireland scored 14 points in the 53-48 victory over Dondero in a game which the Devils led most of the way. Mark Saber scored 10 points and Paul Shirar added 8 to the cause.

In the 56-44 loss to Mount Clemens the Devils were never far behind until the fourth quarter. Shirar and Mark Metry both scored 10 points for Grosse Pointe.

THE FROSH cage team was also beaten in their last two starts, and both defeats were heartbreakers. They lost to Kelly Junior High December 18 on a technical foul at the end of the game, 70-69, and to Grant Junior High, 54-53, last week. Pete Farmer led the Devil scoring in both games.

## Beltemps Get Second Shutout

For the second time this season, the Grosse Pointe Beltemps' hockey goalie was given credit for a shutout as they defeated Fraser's Mcelli by the score of 5 to 0.

This game was played Sunday at the McCann skating rink before a crowd of cheering parents and on-lookers. "It was team effort and excellent goal-tending," Coach Jim Glowhey said. The team is part of the Grosse Pointe Hockey League and a member of the Southeast Michigan Hockey Association.

Goalie Craig Pemberton did a marvelous job stopping the Fraser team. "The kids were really skating today; that's the difference," Coach Mike Belloli stated.

Joe Marasco scored his first goal of the year with help from Rob Batten and Dave Peters. Seventeen seconds later, Defenseman Bob Scarfone took a pass from Joe Baratta and put it behind Fraser's goalie.

Grosse Pointe's third goal was scored by Dave Peters at 18:45 of the first period. He was assisted by Tom Carbone and Rob Batten.

It was a hard-played game and the Beltemps kept the pres-

**Picnic Shelter Starts Argument**

The dispute over interpretation of architect's plans continued on Monday, January 6, at the Woods Council meeting, between members of the council and Lee A. Walker, owner of the Lee A. Walker Company, of Harper avenue.

The discussion is centered around the construction of a picnic shelter in the Woods Lake Front Park. Mr. Walker contends that his installation of one half inch marine plywood and two coats of paint, was in compliance with the plans.

The city contends that the picnic shelter was not constructed in accordance with the plans as prepared by the city's architectural firm and that the final \$2,000 payment will be withheld until such plans have been completed with, either directly by Mr. Walker's firm or directly through the employment of a third party to finish the said contract.

The city said the plans called for an aluminum ceiling, which would facilitate maintenance. With an aluminum ceiling, a plywood base would still be necessary, but not of the quality Mr. Walker installed.

The Council suggested to Mr. Walker on Monday night that he consider installing a roll aluminum ceiling.

## From Another Pointe of View

By Janet Mueller

Artists, "Sunday Painters" and dilettanti of The Fine Arts Society of Detroit will bask in the limelight Sunday afternoon, January 26, when the Arts committee of the 63-year-old theater club present an art exhibit and champagne reception in the "salon" of the Grosse Pointe War Memorial.

Co-chairmen of the event, for Fine Arts members and their families, are Ann Curtis and Joe Maniscalco.

Represented in the collection will be all types of visual and graphic arts, as well as two short film subjects: Mr. Maniscalco's award-winning educational movie, "Progress of a Portrait," depicting the evolution of a blank piece of canvas into the finished portrait of Governor George Romney, and "Leaves."

"Leaves," as you'll recall, is the work of one of our last summer's "Pointers of Interest," Ron Phillips, and his family.

It features Mr. and Mrs. Phillips' youngest son, Alex, pondering the mysteries of creation.

Papa Phillips wrote, directed and produced the film; Mama Phillips appears in it briefly; Number One Son Christopher Phillips composed and recorded the sound track musical background — all of which proves, we've concluded, that talent, like grapes, comes in bunches.

### This is yesterday.

Once upon a time, there was a hair-do known as the bouffant and it was very chic and lots of famous ladies wore it and the only trouble is that lots of ladies still wear it and it isn't at all chic anymore. Today's hair is far more natural. And softer. And prettier. Even curly. It may be teased, but it doesn't announce it. If you'd like a new very-today do, see us. We can make it happen. Tomorrow.

St. Paul's-on-the-Lakeshore was the setting for the Friday, January 10, wedding of Madelyn Coe Cummiskey, daughter of Mr. and Mrs. Charles Edward Cummiskey, of Lincoln road, and Lieutenant (j.g.) Richard Alan Law USNR, son of Dr. and Mrs. Albert Law, of Harcourt road.

The bride's portrait gown of French silk gabardine, designed for her by Victor Costa, was fashioned with a high banded neckline, closely fitted Empire bodice and deep cuffed sleeves.

Her skirt swept from deep side and back pleats into a Court train. Her illusion veil fell from the crown of a silk gabardine Medieval Court cap, designed by Frank Olive, the full length of the train, and she carried white roses.

Her attendants wore pearl grey moire frocks, styled with pouffed skirts falling from close, Directoire bodices, long narrow sleeves and deep V necklines. White mink dome caps completed their ensembles. Their bouquets were fashioned of garnet roses and ivy.

Mrs. Rufus King Barton, III, was matron of honor. Bridesmaids were Cynthia Coe, the bride's cousin, Mrs. Charles Watts, Mrs. John Frank, Deb-

orah Carr, of Boston, Mass., Paula Fanning, of Washington, D.C., and Kathleen Gelinias, of San Francisco.

The bride's mother wore a dress of pewter grey silk serge with taupe accessories. Her corsage was fashioned of brown orchids. The bridegroom's mother selected a yellow and silver brocade ensemble and a green orchid corsage.

After a reception at the Country Club following the 4:30 o'clock rites, the newlyweds left for a Bermuda vacation. They will be living in Apponaug, R.I.

## THEY'VE ARRIVED

### DEAR PAT,

A fellow named Mr. Mortimer has the lines of the Krause girls. He tells us when to sleep — when to awaken — when to dine — when to play — when to do everything excepting when to put him outside. But, alas, our silly orange poodle puppy (with affection we call him Mort) is swiftly learning the paper bit. Last night I foolishly dropped my paper on the floor when the phone rang. Before I realized the zest of his education he had sauntered over and made a comfort stop. He was so pleased — his little fluff tail wagging wildly. He had no idea what he had done to Ann Landers.

Never, never will I attempt to train a pet at any time but summer. This poor guy may not see a tree until June.

June in January is the feeling that permeates in our shop right now. The resort selection for both men and women is colorful and fun.

There are several things I'd like to pack in my own "going south" suitcase. For instance a white and green puckered cotton costume that I'm positively mad about. The dress has princess lines and a V shaped bodice, the most beautifully constructed jacket I've ever seen completes it. It's a real Jo dress.

Aren't these polyester things great for comfort, look and travel. I know you'll want a few of them for your trips.

I try to think "practical" until I see something like the heavenly silk paisley coat with white dress beneath. The coat will be smashing over so many things and the dress with a tan will be a knockout by itself. No, of course, it's not washable. It is terribly elegant.

We are having the best fun with the hand screen print Jeans. Just like you know whose, but priced nowhere near—and the fit is superb. These are done with a drip-dry bush shirt coordinated to match.

These cotton knits for men are something else, too. I'm wild for the colors. Bright and exciting and ready to go.

To complete the whole resort story — white handbags in ostrich (unbelievably handsome), patent alligator in white and black that look for real — larger sizes and small.

We are ready to send them all on their happy vacation ways.

I have really got to dash. We are finding that the local papers are not enough to handle our Mort emergencies. I'm stopping on my way home to pick up the out of town publications. It will give him some diversification.

Best Love,  
**JO**

## Brother Pianists With Symphony

Duo-pianists Aloys and Alfons Kontarsky will join the Detroit Symphony for concerts Thursday and Saturday, January 16 and 18.

The concerts will also feature the world premiere of American composer Benjamin Lees' Symphony No. 3, a work commissioned by the Detroit Symphony Orchestra.

Sixteen Ehrling will conduct, beginning at 8:30 o'clock in Ford Auditorium.

The Kontarskys, whose repertoire includes all music for two pianos and for four hands on one piano, will play Mozart's Concerto for Two Pianos and Orchestra, E-flat major, K. 365.

Also on Thursday's program are Tchaikovsky's "Romeo and Juliet," Overture, Dukas' "The Sorcerer's Apprentice," and the Lees work.

Saturday's program will have Weber's Overture to "Euryanthe" in place of the Tchaikovsky and Hindemith's "Symphonic Metamorphosis" instead of the Dukas.

The Kontarsky Brothers studied piano separately but teamed up to win the International Music Competition in Munich in 1955. Since then they have performed only as a team.

These concerts will mark their first Detroit appearances. They have performed throughout the world and have recently completed a South American tour.

Lees, an American of Russian and Chinese ancestry, became noted in 1963 when Henryk Szeryng and the Boston Symphony performed his Violin Concerto. Since then his works have been performed widely.

His Concerto for String Quartet and Orchestra was on the Detroit Symphony program of December 29 and 30, 1966.
