## FAIR HOUSING DRIVE LAUNCHED

### HEADLINES of the WEEK As Compiled by the Grosse Pointe News

Thursday, January 16  
PRESIDENT JOHNSON left Congress and his successor a record \$195.3 billion budget Wednesday. It was balanced, at least on paper, and it contained the first cut in Vietnam spending since the United States entered the war.

THE WIDOW of Martin Luther King, Jr. announced plans Wednesday for a \$15 million memorial center to her husband in Atlanta as religious and political leaders throughout the nation attended ceremonies to observe his 40th birthday anniversary and urge that it be declared a national holiday.

Friday, January 17  
PRESIDENT-ELECT Richard M. Nixon said Thursday he was pleased with the breakthrough in the Paris Vietnam peace negotiations and pledged to "pursue these talks with energy and purpose." The President-elect, who was vacationing in Key Biscayne, Fla., has kept in touch with the developments in Paris through his assistants in Washington and New York and in a telephone conversation with President Johnson.

Saturday, January 18  
A TOP-LEVEL CONFERENCE of United States and South Vietnamese officials "aroused" new speculations Friday that an American troop reduction is likely soon. President Nguyen Van Thieu met in his Independence Palace for nearly two hours with U.S. Ambassador Ellsworth Bunker and General Creighton W. Abrams, United States military commander in South Vietnam.

TWO COLLEGE STUDENTS, members of the Black Panthers, were shot to death at an open meeting of Negro students Friday in a campus building at the University of California, Los Angeles. Killed were John Jerome Huggins, 23, and Alprentice Carter, 26, both studying in UCLA's "high potential" program for minority students admitted under lower standards. No suspects were arrested immediately, nor was the reason for the shooting known at once.

Sunday, January 19  
IN THEIR FIRST SESSION on procedural matters, the four parties to the new Vietnam peace talks reached full agreement Saturday. This cleared the way for discussions to begin within the next few days on the search for settlement of the war.

THREE OF THE SOVIET Union's four orbiting cosmonauts parachuted down on the windswept, snow-covered steppes of Kazakhstan Friday and climbed down from their spacecraft, Soyuz 4, into 31 below-zero weather. Soyuz 5, with cosmonaut Boris Volynov aboard, remained in orbit. The men performed the world's first manned docking in space and crew transfer.

Monday, January 20  
TODAY RICHARD M. NIXON was sworn in as the 37th President of the United States. An estimated 7,000 security men guarded him as he rode in his bullet-proof limousine down Pennsylvania avenue from the swearing-in ceremony to his new White House home. Inaugural officials predicted two million people watched the two and a half hour parade, at which each of the 50 states were represented.

Tuesday, January 21  
COMMANDER LLOYD M. BUCHER, skipper of the USS Pueblo, testified Monday that he had asked for a "destruct system" to be installed in the electronics and code area of the intelligence ship and that his request was refused at the highest level in Washington.

RIOT POLICE, ARMED troops and several hundred demonstrators clashed along the inaugural parade route and within a block of the White House Monday. Sixty-four demonstrators were arrested. Some injuries from flying objects were reported but none serious.

### Pointe Policemen Receive Diplomas

Pictured left to right are DAVE TEOLIS of the City of Grosse Pointe Police Department, Attorney General FRANK J. KELLEY, City CHIEF ANDREW C. TEETAERT, and SAMUEL CARDELLA of the Farms Police Department, on the day the men received their certificates from the Southeastern Michigan Association of Police Chiefs Training Academy.

Not pictured are Ledger Frasad, Bruce Darlington and Robert Bensinger, of the Shores Police, Timothy Morrison of the Farms Police and Dale Van Dale of the City of Grosse Pointe. The graduates were honored at a luncheon at the Dearborn Inn, after having successfully completed 176 hours of basic training.

### Plan Garden In Honor of Robin Porter

Classmates at University School to Create Memorial for Victim of Plane Crash

On her way home on Christmas Eve, Robin Porter, a senior at the Grosse Pointe University School, was tragically killed in the Allegheny Airlines crash near Bradford, Penn.

Her classmates want to keep her memory alive with something that speaks of Robin. As the seniors say, "Robin will always be young and bright to us, and we would like to dedicate something special as a remembrance of her. To us, a garden would seem the most appropriate memorial."

The senior class has assumed the responsibility for building a garden area at the school, a place furnished with a bench and possibly a statue, where one can enjoy quiet beauty.

If anyone would like to make a donation to the memorial, checks should be written to the Grosse Pointe University School and sent to Evelyn Cymbal, senior class president.

When Robin's family moved from The Pointe to Harrisburg, Penn., she requested and received permission to stay here and graduate with her class at G.P.U.S. She was flying to join her family for the holidays when the crash occurred.

### Plastic Bubble Over Pool At Lochmoor Club Subject Of Woods Public Hearing

Neighboring Residents Being Notified of Meeting Scheduled for February 3; Not Covered by Existing Ordinance

The Grosse Pointe Woods Council has set a Public Hearing date of Monday, February 3, for an appeal by William C. Beckenhauer, Jr., director of Future Planning for Lochmoor Club, regarding an extension of the existing permit for the use of the air shelter covering the pool at the Lochmoor Club to May 25.

The covering, which resembles a huge balloon, is made of flexible plastic material, erected and supported with nothing more than a constant supply of low, unnoticeable air pressure. It is some 60 feet wide by 120 feet long by 30 feet high.

Mr. Beckenhauer said the reasons for the use of the shelter were twofold, the first being a safeguard for the area while construction continues on the new clubhouse adjacent to the pool. He said the shelter prevents damaging debris from entering the pool.

He conceded that although the structure was not the most beautiful sight for the surrounding area, it was much more attractive than the piles of dirt, bricks, sand and mortar and scaffolding that now are there and will continue to be there until spring.

Another Reason Cited  
Mr. Beckenhauer cited an additional reason for the use of the air shelter. He said it currently provides some 100 families of the area with a pool in which to enjoy winter swimming under instructional guidance. He said that through this experiment the Club hopefully will be able to construct a beautiful all-weather dome that will permit use of the pool the year around. If this occurs the club hopes to attract some 100 families as social members into the club.

He assured the Council that the club does not intend to use this shelter after May 25 and that it was only a temporary measure to protect the pool during construction on the sight.

No Existing Ordinance  
Much discussion between Mr. Beckenhauer and members of the Council ensued. The fact that there is no existing ordinance which specifically covers this particular type of structure was also discussed. The structure is currently classified by the Building Department under the "tent" classification.

The residents within 300 feet of the Lochmoor Club property will be notified of the hearing date and given the opportunity to attend the hearing and express their views on the air shelter at that time.

CAR STOLEN  
Victor G. Lotto, Canadian Consul, of 421 Rivard, called City police on Thursday, January 18, to report the theft of his '67, black and yellow Dodge Dart. Mr. Lotto said the theft occurred sometime between noon on Wednesday and 7:30 a.m. on Thursday. The vehicle was parked in front of his residence. City police sent our radio information on the theft.

Two Pointe police officers, Farms Patrolman Clarence Reichling and Woods Patrolman Albert Abend, arrested an armed robbery suspect wanted by St. Clair Shores authorities. The suspect was seated in a bus in front of St. John Hospital, where two of his companions were being treated for gunshot wounds.

The wounding of the two in the hospital, and arrest of the suspect, followed an armed robbery of The Shores Gun Shop, 22222 Harper avenue, St. Clair Shores, on Tuesday, January 14, in which the owner of the place, Nick Grebb, 60, of the Harper address, fired 15 bursts from a powerful AR-15 semi-automatic rifle, hitting the pair reported wounded.

A fourth man, St. Clair Shores police said, made good his escape with more than \$1,000 reported to have been taken from the gun shop. This man, said to have been a look-out, forced a 17-year-old youth, parked in his car a short distance from the shop, to drive to Detroit's inner city at gunpoint. Grebb's German Shepherd lunged through the door as the hold-up was in progress, and the robbers fled the store, running to a waiting car. Grebb fired from the hip 15 times, and all shots hit the getaway vehicle.

The car was stopped a few blocks from the shop, and the wounded men got out and requested the assistance of a stake truck driver, who took them to St. John Hospital. Wounded were William J. Bellamy, 22, of 643 Connor, Detroit, who was shot in the arm; and David E. Greer, 20, of 3663 Heidelberg, his escape with more than

### Dog Owners Selected as Drive Target

Woods Resident's Protest to Council Produces Confession of Laxity in Law Enforcement

The Woods Council on Monday, January 21, received, placed on file and discussed a letter from Mrs. Mary Roland, of Anita avenue, regarding the laxity of enforcement, by the Department of Public Safety, of the local dog ordinance.

In her letter, Mrs. Roland indicated that dogs were continuously at large in the Woods area. She also criticized dog owners who walk their animals at night and permit them to litter other peoples' property. She suggested that dog walkers take clean up equipment with them when they walk their animals. She said that certain areas in the Woods have developed into eyesores because of this situation. She particularly cited the fringe of Mason's school yard and the sideyards along Marter road.

The Council members seemed in agreement with Mrs. Roland and Mayor Kenneth McLeod indicated that he has seen many animals at large near his home.

City administrator Chester E. Peterson admitted that the Public Safety Department has been lax in enforcing the Dog Ordinance and promised Mrs. Roland that the department would mount an enforcement campaign immediately.

At its regular meeting held on Monday, January 20, the Farms council approved the reconvening of the Citizens Recreation Committee, under the chairmanship of Councilman Hudson, to discuss the construction of a proposed wading pool in the Municipal Pier-Park.

Hudson said that his committee will meet on February 19, in the Municipal Building, 90 Kerby road, not only to air recreational improvements suggested by the citizens of the community, but also to determine the feasibility of having a wading pool at the park.

Mayor William Butler, with the approval of the members of the council, designated City Manager Andrew Bremer, Jr., to contact W. B. Edwards on the cost of such a project. Edwards, a consultant engineer, designed the Park's waterfront park swimming and wading pool, and

the wading pool in the Park's Three Mile Drive park.

It was revealed that such a pool, including a filtering system, would cost an estimated \$25,000.

It was disclosed at the Council's Monday night meeting, that \$15,000 which had been set aside for the building of a field house in Kerby Field, as part of an over-all recreational facilities improvement, could be transferred to help pay for the cost of the proposed pool. Where the balance of the funds will come from is yet to be determined.

Hudson said that citizens are welcome to attend the coming meeting, and that his committee will be happy to receive constructive suggestions pertaining to recreational improvements. All suggestions will be given consideration for discussion, he added.

### Law Suit Started To Block Sale of Convent Property

'Class Action' Initiated with Peter Mercier in Role of Plaintiff; Hearing Scheduled before Judge Gilmore January 31

The recent announcement by the New York Province of the Society of the Sacred Heart to close its Grosse Pointe School, a landmark in the community since the mid-1800's, has created a flurry of activity among parents of the students.

The most recent development is the institution of a suit to "enjoin the Academy of the Sacred Heart from disposing of, by sale or otherwise, the property now occupied by the school and for such relief as the court will deem proper and equitable."

The suit has been initiated by Peter J. Mercier, 1075 Parker, Indian Village, who has two pre-school children in attendance at the Academy. Mr. Mercier has filed as plaintiff in a "class action" pursuant to the applicable Michigan Court rules.

Represents Many  
According to Mr. Mercier's attorney, the "class action" is one in which his client is one of many persons who have contributed to the school and who are interested in the question of the disposition of the school. Since these people are too numerous to make it practical to bring them all before the court, Mr. Mercier has filed as plaintiff.

The hearing is scheduled for Friday, January 31, at 2 o'clock, before Judge Horace Gilmore of the Wayne County Circuit Court.

Mr. Mercier's attorney added that many people have donated great amounts of money and time in furthering the education of the youth in the vicinity with the quality education that can be provided by the Religious of the Sacred Heart, and that he was hopeful that the parties involved could find a solution to the matter which will mutually benefit all concerned.

Intends To Sell  
The attorney representing the Academy told the NEWS, "Since it has been stated that the Academy and Convent will be closed in June the property will not be in use and it is the intention of the Academy to dispose of (Continued on Page 6)

Woods Increases  
Gasoline Storage

The Woods Council on Monday, January 20, granted the Hawkins Equipment Company, the contract to replace one of the city's two underground gasoline storage tanks located in the Department of Public Works yards, which has rusted out.

This new tank will cost \$2,645, and payment will be made from the gasoline tax revenue received from the State of Michigan.

The size of the new tank was increased from the present 4,000 gallon capacity to 6,000 gallon capacity, giving a total of 12,000 gallons of gasoline storage capacity instead of the current 10,000 gallons. This large quantity purchase would also maintain the low level of per gallon cost for the gasoline.

New Officers Elected  
They are: Lem W. Bowen, senior warden; Charles F. Trapp, junior warden; David Robb, secretary; Charles W. Bowerman, assistant secretary; David H. Ripper, treasurer; and Douglas F. Roby, Jr., assistant treasurer.

At the Organizational Meeting of the Vestry, held immediately following the Annual Meeting, the Vestry elected the officers for the year.

Rev. Maynard Retiring  
The Rev. Erville B. Maynard, a community leader during the 17 years he has served as rector of Christ Church, will retire in April. He and Mrs. Maynard will make their home in Parma, Mich., near Jackson.

Also at the Annual Meeting Andrew W. Barr, Charles W. Bowerman, William Y. Gard, Mrs. Ronald W. Haughton, and Elliott H. Phillips were elected to three year terms as Vestrymen of Christ Church.

At the Organizational Meeting of the Vestry, held immediately following the Annual Meeting, the Vestry elected the officers for the year.

Both Mr. Peterson and Mr. Hornfisher indicated that the Bell and Howell Autoload II contained additional features not available in the two other models they had been testing.

Mr. Hornfisher said that the equipment could be put to use immediately to put names and addresses on parking tickets. The state has now put all license plate numbers on film but because of lack of this equipment the Woods has been unable to utilize this labor and money saving service.

The equipment will cost \$2,625 plus \$150 for the accompanying table and accessories. The current budget provides for the purchase of this film.

### HRC Asking Pointes for Ordinances

Farms Council First Approached; Representatives Fail to Appear at Woods Meeting

Representative of the Grosse Pointe Human Relations Council approached the Farms city council on Monday, January 20, to plead for the enactment of a local ordinance on fair housing.

Present to speak on behalf of the HRC, were Dr. Harry C. Meserve, minister of the Grosse Pointe Unitarian Church and president of the Council; Charles Marston, vice president; and Gilbert Hudson, treasurer.

Hudson, an executive of the J. L. Hudson company, but no relation to Farms Councilman Richard Hudson, did most of the talking. He said that his group is petitioning all the Pointe city councils to enact similar ordinances.

Gilbert Hudson stressed that a local ordinance on fair housing would indicate that the Farms and the other Pointe communities, are in support of both the Federal law and State statute, recently passed on fair housing.

Would Follow Birmingham  
He said that his organization would like to see an ordinance passed, similar to that enacted by Birmingham. It is believed that there is considerable community support for this proposal.

Councilman William Kirby pointed out, after scanning a booklet sent to members of the council, that according to what he read in the booklet, the HRC is, or intends to circulate a petition in the Farms to have a fair housing ordinance placed on the April 7 ballot.

The councilman asked why the HRC is approaching the city council for passage of such an ordinance, when the HRC has the intention of circulating a petition to place the issue before the city's voters at the April 7 election.

Hudson clarified the matter by stating that because of the short time remaining before ballots are printed, it was felt by his organization, that a petition might be necessary in the event the Farms council rejected enactment of a fair housing law.

No Pressure Intended  
Marston pointed out that such a petition is not intended to conflict, nor is it intended to put pressure on the council, to pass the ordinance. Rather, it is solely for the purpose of having the matter placed on the ballot in time for the election because of the margin of time remaining before printing of the ballots.

Otherwise, he pointed out further, if the matter is not placed before the people in April, it might be necessary for the Farms to call a special election, which would cost the city more money.

Councilman James Dingeman asked the HRC representatives (Continued on Page 2)

### New Equipment To Help Police

The Woods Council on Monday, January 20, authorized the purchase of microfilm reading equipment, to aid the Public Safety Department in tracking down owners of cars by their license numbers.

The microfilm is furnished by the Secretary of State's office. The recommendation was made by City Administrator Chester E. Peterson and Frederick G. Hornfisher, City Comptroller.

Both Mr. Peterson and Mr. Hornfisher indicated that the Bell and Howell Autoload II contained additional features not available in the two other models they had been testing.

Mr. Hornfisher said that the equipment could be put to use immediately to put names and addresses on parking tickets. The state has now put all license plate numbers on film but because of lack of this equipment the Woods has been unable to utilize this labor and money saving service.

The equipment will cost \$2,625 plus \$150 for the accompanying table and accessories. The current budget provides for the purchase of this film.

At its regular meeting held on Monday, January 20, the Farms council approved the reconvening of the Citizens Recreation Committee, under the chairmanship of Councilman Hudson, to discuss the construction of a proposed wading pool in the Municipal Pier-Park.

**WINDOWS BROKEN**  
City police received a report on Thursday, January 16, from Kenneth H. Maclean, 246 Lakeland, stating that on that date

persons unknown had broken three windows of his garage. He told officers he has had trouble previously with youngsters shooting BB guns at his windows.

(Continued from Page 1)  
what they thought of the placing of a resolution on the ballot asking the people to vote on this, but the representatives held out for the ordinance vote.

**Statement by Mayor**  
Mayor William Butler made the following statement, after he pointed out that Federal and State laws were adequate in the matter of fair housing:

"The adoption of a fair housing ordinance is an issue which goes beyond the normal powers of the council. It involves an issue upon which all of the citi-

zens of this community should vote and express an opinion. "There are several arguments for and against such an ordinance. Proponents will claim, among other things, that the ordinance will tend to insulate this city from further accusations of discrimination and will serve to convince minority group homeowners that they will be welcome here.

**Sees Opposition**  
"Opponents will say that in view of the Federal and State Laws on the subject, there is no need for a local ordinance; that the enforcement of the ordinance would be difficult in our municipal court; and that the adoption of the ordinance would be considered by minority groups as merely an insincere gesture. "All of these arguments have some merit. I therefore recom-

mend that the matter should be submitted to the citizens for a decision vote."

Kerby moved that the matter be put over to the next council meeting on February 3. In the meantime, an ordinance with the proper wording be drafted and presented to the council at this meeting. This was approved.

The HRC representatives agreed not to circulate a petition prior to the next council meeting.

**Will Draft Proposal**  
The mayor appointed himself and City Attorney George McKean to meet with Gilbert Hudson and Marston, to draft the wording of the proposed ordinance, as it might be given to the electors in April.

The HRC appealed to the Woods council to have their plea for a Woods ordinance placed on the council agenda.

A hearing was set for Monday, January 20, but there was no one present from the Human Relations Council to speak for the group. The group had been notified that their petition to be heard had been placed on the agenda for Monday night's meeting, Woods officials said.

### Congregational Ladies To Meet

The Grosse Pointe Congregational Church Women's Association will hold group meetings on Tuesday, January 28.

Groups Six and Eight will gather together for brunch at 9:30 o'clock in the McMillan road home of Mrs. Martin Hawley. Co-hostess is Mrs. Ralph Hoffman.

Mrs. Harold Schall, of Kensington road, will welcome Group Two for luncheon at 12:30 o'clock. Mrs. Clyde Carr, Mrs. Frank Hanika and Mrs. Richard Johnson are co-hostesses.

The Group will hear Grace Marie (Mrs. John) Huetteman, president of the Grosse Pointe Braille Club, speak about braille and the works of her club and other organizations which translate books for the blind.

Also meeting for luncheon at 12:30 o'clock will be Group Three at the home of Mrs. Louis W. Charvat in River road. Co-hostesses will be Mrs. Wayne Wiseman and Mrs. Greydon Worbois.

Group Four will meet at 8 o'clock in the church lounge. A speaker from the Northeastern Wayne County Child Guidance Clinic will tell the group about the services of the clinic.

Mrs. Richard Cooper, Mrs. David Briery and Mrs. Robert Sharot will be the hostesses for the meeting. Mrs. Thomas Rockwell is the new chairman of this Group.

Adversity is a measure—it's a scale for weighing friendship.

### Nab Suspect

(Continued from Page 1)  
Detroit, who suffered a bullet wound in the abdomen.

The wounded pair were in custody of the St. Clair Shores police within the hour, and kept at the hospital as police prisoners.

Woods Police Lt. Roland Synons, while on patrol, noticed the stake truck, driven by William Murphy of 21721 Mack, St. Clair Shores, approaching the emergency driveway of the hospital, and pulled up behind the truck to find out what might be wrong. The driver drove into the driveway and got out.

On seeing Synons, Murphy informed the officer that there were two wounded men in the cab of the truck. He warned that they might be armed.

The lieutenant said that Murphy approached him and said, "These men have been shot. They may be armed." The policeman assisted the men to the hospital emergency room, and remained with them until St. Clair Shores authorities arrived to take charge of the suspects.

In the meantime, the third suspect, got out of the truck cab unnoticed, and left the hospital grounds.

Reichling and Abend, who arrived at approximately the same time, following an all-points alert from St. Clair Shores, drove around the hospital area. As they passed the bus, stopped at the depot in front of the hospital, they observed Albert Bellamy, 18, of 3625 Preston, Detroit, sitting at the rear of the bus. Bellamy, a cousin of William, fitted the description of one of the suspects who took part in the hold-up.

"We boarded the bus," Reichling said. "Besides the driver, there was another passenger, a woman, sitting near the front of the bus. We did not know if the young man sitting at the rear was armed or not.

"We were undecided whether to tell the driver and the woman to leave the bus, just in case there was shooting, but we approached the suspect cautiously, and as we neared the rear of the bus, drew our service revolvers and ordered the suspect to raise his hands, which he did. He offered no resistance, and we informed him that he was under arrest on suspicion of armed robbery."

Abend searched the youth, but found no gun or other weapon, after which Bellamy was handcuffed by Reichling. The policemen escorted him to the hospital emergency room when they noticed blood stains on his coat. An examination showed no wounds.

As the handcuffed Bellamy was directed to the emergency room for the examination, he was identified by a St. Clair Shores detective as one of the suspects. The detective took custody of the man.

Still being sought at the last report, is the fourth suspected member of the hold-up quartet, Willie Bellamy, 20, of 550 Mack avenue, Detroit.

**Prospective Buyer Charges Off with Seller's Charger**

Mrs. Helen M. Crause of 211 Moran road, advertised her car for sale, and on Saturday, January 18, a "prospective buyer" looked the vehicle over, asked for permission to drive it around the block, and he and the auto disappeared.  
Mrs. Crause told police that she had advertised her 1966 Dodge Charger for sale in the Grosse Pointe News, and Saturday, a white male answered the advertisement, giving his name only as "John."  
"John" looked the car over, and asked if it was all right to drive the vehicle around the block. Mrs. Crause handed the

**Budget Amended By City Council**

The City of Grosse Pointe Council met January 20 to consider a budgetary amendment and an application from the Alger Party Store for a permit to erect a sign on top of the store.  
The budget amendment was necessitated as a result of the collective bargaining agreement between the City and the Grosse Pointe Police Officers' Association covering the period July 1, 1968 through June 30, 1970.  
The Council approved the amendment, which will reduce the appropriations for public improvements by \$26,330. This reduction will result in increased appropriations for the police and fire departments.

The Alger Party Store, 17320 Mack avenue, was represented in its application by attorney John M. Chase, Jr. and Richard Chouinard, store manager. They felt that increased competition warranted increased advertising, which they thought could best be accomplished with additional signs.  
The Council expressed its concern with maintaining a consistent policy toward the erection of advertising signs by business in the City. As a result, the councilmen approved the roof-top sign, but tabled the additional request for advertising on the front and side of the store.

Preceding the Council meeting, Mayor David Burgess, on behalf of the City, presented to Robert G. Trombley, 839 Rivard boulevard, a watch in recognition of Trombley's 10 years and eight months of service, with the Public Works Department. Trombley retired on December 31, 1968.

**VICTOR DOE RETIRES**  
Victor E. Doe, who has resided at 1103 Wayburn avenue for the past 11 years, has retired from the Detroit Edison Company. His service record with the electric utility firm extended back for more than 42 years. For more than 30 years, Doe has been assigned to the marketing department as a customer office field representative.

**Judges Busy In City Court**

The City of Grosse Pointe Municipal Court convened on Tuesday, January 14, with Judges Douglas L. Paterson and Malcolm J. Sutherland presiding. The following cases were heard.

William Riemer, 1310 Whittier, was charged with leaving the scene of a property damage accident. He pled not guilty and was found guilty and fined \$55. He was also charged as a disorderly person, but the case was dismissed on a motion by the police officer.  
The cases against the following persons were dismissed: James Whitebread, 20553 Williamsburg, Harper Woods, charged with a meter violation. He pled not guilty and was found not guilty.

Robert Charles Wakely, Jr., 238 Merriweather, was charged with an improper turn, resulting in an accident. He pled not guilty and was found not guilty.  
Milo Bancroft, 604 Notre Dame, was charged with car not under control resulting in an accident. He stood mute and was found not guilty.

William Delanhanty, 442 Barclay, was charged with car not under control resulting in an accident. He pled not guilty and was found not guilty.  
Edward D. Sebumacher, 627 Washington, was charged with harboring a nuisance dog. He pled not guilty.

Norma Kaplan, 10340 Troy, was charged with improper backing, resulting in an accident. Damages were paid.  
Marterine Foote, 3570 Guilford, Detroit, was charged with failure to yield the right of way, resulting in an accident. He stood mute and was found guilty and fined \$25. The sentence was suspended due to a 50-year good driving record.

Douglas Gauerke, 316 Merriweather, was charged with careless driving. He pled guilty and was found guilty and fined \$50.

Kelly Reese, 255 Eastown, and Kent Drysen, 21101 Lancaster, were charged as disorderly persons and minors in possession of alcoholic beverages. Both pled guilty and both were found guilty and fined \$25. Drysen was put on six months probation.  
Martha Evans, 21 Roslyn road, was charged with leaving the scene of a property damage accident. She pled guilty and was found guilty and fined \$100.

Hugh Moran, 8781 Continental, Warren, was charged with reckless driving resulting in an accident. He pled guilty and was found guilty and fined \$100.  
Richard Manthey, 2119 Ashland, Detroit, was charged as a disorderly person. A pre-sentence report was ordered. He stood mute and was found guilty and fined \$75 plus three days in the Grosse Pointe City Jail, and placed on six months probation.

**BOY BITTEN**  
City police received a report on Saturday, January 18, from John Augustine, 896 Rivard, which stated that Gary Augustine, his son, had been bitten on the left hand by a dog owned by a resident of 711 Washington, while he was helping a friend deliver papers there. Officers tried to notify the owner but he was not home at the time. They later contacted him and he was advised to quarantine the dog for 10 days and notify the police if there was any change in the dog's behavior.

Plan Ceremony  
At Bon Secours

The Chapel of Bon Secours Hospital will be the setting for a candlelight ceremony on Friday, January 24, at 7:30 p.m., stressing the ideal of service to humanitarian principles and the concept of non-sectarian unity in religious observances.

Participating in the service will be Father Charles Krause, Chaplain at Bon Secours; Reverend B. Tallman of Grosse Pointe Memorial Presbyterian Church; Dr. Richard C. Connelly and Dr. Wilfred A. Huegeli, of Bon Secours Medical Staff, and Jessie Pearson, lay reader of the Oak Grove Methodist Church.

A highlight of the program will be a collective rededication ritual of nursing personnel. They will recite the International Congress of Nurses' version of the Florence Nightingale Pledge.

At the conclusion of the service, a coffee hour will be held in the Science Hall to provide an opportunity for informal dialogue and fellowship.

The ceremony is open to anyone from the health services or the community at large, who is interested in this type of interaction.

### State Highway Department Admits Error Over Signal

The Grosse Pointe Woods Council won one of its battles with the State Highway Monday, January 20, when the department's acting district traffic safety engineer, Walter Washington, admitted an error on the part of the department regarding the initial estimate of costs for installation of a stop and go traffic signal on M29 (Verrier road) at the drive to Grosse Pointe North High School. At that time the State Highway Department indicated that the costs of the installation would be shared on a 2/3-1/3 basis, the city paying 2/3 and the state paying 1/3. This would make the city's share \$1,418 and the state's \$2,836.

letter dated December 5, Mr. Washington indicated a cost of some \$6,442 with the city paying half of the cost, or some \$3,221, instead of the 1/3 as originally estimated.

Monday night Mr. Washington agreed to the original 2/3-1/3 split, but added that due to rising costs the 1/3, or the city's share amounts to approximately \$2,147, which Council members agreed to.

The signal will be a semi-actuated type with the detector located beneath the pavement of the school exit drive with pedestrian signals on each of the pedestals located on the west side of the school drive. The push buttons will allow pedestrians to cross Verrier when traffic existing from the school is very light.

Mr. Washington indicated that the light would be installed as soon as Edison workers could be secured to do the work. He said a work order has been issued. He added that Edison has been so busy of late that it may be May or June before the light can be installed. However, if Edison were to act promptly the work could conceivably be completed within three or four days.

### Woods Parking Lots Licensed

The City of Grosse Pointe Woods Council on Monday, January 17, licensed pine parking lots. This completes the licensing of all parking lots in the city with the exception of the Amvet Posts on Harper avenue and the Grosse Pointe Board of Education schools, which include Barnes, Ferry, Grosse Pointe North High, Mason, Monteith and Parcels.

The matter of licensing the schools has been a controversial issue for some time and has not been settled to anyone's satisfaction at this writing.

If the schools were to be licensed under the city's parking lot ordinance, it would obligate them to maintain the parking lots under the city's jurisdiction and it would also force the schools to hire regular attendants at the lots if continued problems arose there.

To date the matter has not been discussed by the attorneys of the School Board or the City of Grosse Pointe Woods.

At Monday's meeting the Council recommended that George Catlin, city attorney, meet with Thomas Coulter, attorney for the Board of Education, and discuss all the ramifications, of licensing the school lots.

### Potvin Seeking Park Judgeship

John F. Potvin is a candidate for the office of Municipal Judge for the City of Grosse Pointe Park. This is a non-partisan office. Primaries will be held on February 17.

Mr. Potvin, who resides at 1012 Bedford road, is a practicing attorney. He graduated from DeLaSalle Collegiate, received his Bachelor of Science Degree from John Carroll University and his Doctorate of Laws from University of Detroit Law School. He has been active in civic, church and fraternal affairs in the Grosse Pointe area.

He is presently serving as chairman of the committee for Advancement of Boy Scouts in the Lake Shore district, is a Special Assistant State Attorney General for Michigan, and an officer Judge Advocate United States Army Reserve. He is a member of the Detroit Bar Association, the Michigan State Bar Association, and Delta Theta Phi National Law Fraternity. His hobbies are sailing and gardening.

**Harold J. Meinke Named Lutheran Layman of Year**

Harold J. Meinke, well known in the Lutheran Church Missouri Synod, has been named "Lutheran Layman of the Year" by the Lutheran Luncheon Club of Detroit. He will be honored and receive his award at a testimonial dinner to be held on February 5, at 6:30 p.m. at the Harmonie Club, 267 East Grand River.

Often referred to as "Mr. LLL," Mr. Meinke has served the Lutheran Laymans League in various capacities; president of Michigan District, National Board of Governors, chairman of Membership Services Committee, Arcadia Retreat Committee, chairman and treasurer of District Lutheran Hour Rallies.

He also served for eight years on the Missouri Synods Television Production Board which was responsible for the "This Is The Life" program.

He is now serving his fourth year on the Lutheran Center Board of Governors and the second year as Chairman of the Board. During the interim after Pastor Lindsay left and Pastor Mehl accepted the position of Director, Mr. Meinke and his Board did a remarkable job in carrying on.

When Dr. Ettinger turned over Great Lakes College to Michigan Lutheran College, Mr. Meinke served on the original committee that handled the acquisition, after which he was elected and served on the Board of Regents for six years.

He was appointed to the President's Advisory Council at Valparaiso University.

He is a member of the Highland Park Chamber of Commerce Board of Directors and served one year as its President.

He has been employed by the Fred Sanders Confectionery Co. for 45 years. At the present time he is Executive Vice President, Secretary and Treasurer.

**Mail Carriers Need Your Help**

The Detroit Post Office has issued an urgent appeal to local residents to clear their walks, steps, and porches of ice and snow if they want their mail delivered.

According to Postmaster Edward L. Baker, the situation has become extremely serious during the past month. His mailmen have suffered 60 falls on slippery pavements and steps, 10 of which have resulted in disabling injuries.

Baker said conditions have been particularly hazardous for the mailmen in those residential areas where the carriers have to walk considerable distances on snow covered pavement that has not been cleared since our earlier heavy snow-falls.

"We are making every effort to accomplish delivery of all mail," the Postmaster said, "but we urgently need the cooperation of our patrons if service is to be maintained and painful injuries to our postmen reduced."

He added that new carriers, many of whom are women, are particularly vulnerable to the hazardous walking conditions, because of their inexperience in the field.

**TAPES STOLEN**

City police received a report of larceny from a car on Sunday, January 19 from Frederick L. Proctor, 290 Rivard. Mr. Proctor told officers that sometime between 6 p.m. on January 18, and 3:40 p.m., on Sunday, January 19, person unknown pushed an object through the rubber molding of his car door and unlocked it, then entered the vehicle and forced open the glove compartment. The intruders took one tape head cleaner, one tape dispenser, and nine tapes. Police are investigating.

**Harold J. Meinke Named Lutheran Layman of Year**

His education consisted of a parochial grade school education at Bethany Lutheran School where he was also confirmed; graduated from Eastern High School in 1926; and received a Business Administration Degree in Accounting from Detroit Institute of Technology.

Mr. Meinke was a member of Bethany Lutheran Church until he married Lydia Kurg, a member of Iroquois Ave. Christ Lutheran Church, where they were married and he became a member. In 1942 he transferred to St. James Lutheran Church brother-in-law Rev. George Kurz was installed as Pastor.

Pastor George Kurz was delighted at the selection of Harold as Lutheran of the Year and said he was most deserving of the honor. Mr. Meinke has served St. James at various times as Elder, Trustee and Treasurer.

Mr. and Mrs. Meinke have three married daughters, Barbara, Mary and Margaret, and six grandchildren.

**Burglars Invade VT Health Club**

Wood police are investigating the breaking and entering of the Vic Tanney Health Club, 20835 Mack Avenue, during the night of Thursday, January 16.

Paul Christopherson, manager of the Pointe branch office, informed police that he opened the place at 9:30 a.m. at the northeast corner of the building, where his office is located, he discovered that someone had entered the office and ransacked the desk drawers. Contents of the drawers were scattered on the floor, he said.

The burglar, or burglars, took a tuner and amplifier. Also taken was a silver mike, which had been broken from its mount.

The intruders pried open the cigarette machine and took an unknown amount in coins. Attempts to break into the coffee and juice machine were unsuccessful, police said.

The cost to replace the tuner, amplifier and mike, was not estimated.

check a month  
 time deposit savings

NATIONAL BANK OF DETROIT

Now we guarantee you the highest possible earnings... and a check every month.

Leave it to the National Bank of Detroit to find the most flexible way for you to earn by the minute and get paid by the month.

It's called Check-a-Month, and it's for everyone who wants both maximum interest and a regular monthly income. Income for retirement; to care for a dependent; or for college expenses.

Here's how it works:

Say you want to provide \$100 a month to help cover expenses of a student in college. All you do is open a Check-a-Month Time Deposit Savings Account for \$5000 or more. Tell us who is to receive the payments and how you want the money paid. On the 20th of each month we'll make the \$100 payment as you have designated. You can have the money deposited automatically to the checking (or savings) account of the person you designate or we'll send a check for the amount. It's that simple.

You can get a monthly check for interest only. Or for interest plus part of the principal. Or for

whatever amount you need. You can even have the monthly checks discontinued and still have your balance earning maximum interest.

You want this amount each month	For this number of months	Make an initial deposit of	And have this amount left*
\$ 50	48	\$ 5,000.00	\$ 3,508.78
100	40	5,000.00	1,812.58

500	24	25,000.00	15,286.06

\*Assuming first payment is made 90 days after initial deposit.

Money that has been on deposit at least three calendar months may be withdrawn during the first ten days of any calendar quarter without notice or at any other time with 30 days written notice.

You will earn 5% annual interest, continuously compounded and guaranteed by NBD up to four full years from date of initial deposit. And you'll receive a statement of your Check-a-Month account every quarter.

Right now we are guaranteeing the 5% interest rate for four years. The monthly checks can continue beyond this period and your account will earn at the then prevailing rate.

If you want to receive a guaranteed monthly retirement income or want to provide an automatic payment each month for some special obligation... check on Check-a-Month now.

**Dr. Griffin Heads Medical Staff**

The Medical Staff of Bon Secours Hospital, on Friday, January 17, at the annual meeting, elected Robert Griffin, M.D., President of the Staff. In this capacity, Dr. Griffin, of Crescent lane, will be Chief of the Medical Staff. He shall call and preside at all meetings, shall be a member, ex-officio, of all the Staff Committees, and shall have general supervision over all professional work of the hospital.

Other officers elected were Vincent Adams, M.D., of Warner road, as vice-president; Denis Luz, M.D. of Yorkshire road, secretary; and James Kackley, M.D., of Bishop road, treasurer. In addition to the election, departmental and committee reports which reflected the various activities of each group during the previous year were made.

Medical Staff meetings are held quarterly. Departmental meetings of the various departments and divisions of general practices are held monthly. Records and reports of these meetings are kept and submitted to Executive Committee monthly. Some 24 reports were submitted at Friday's meeting.

**PTA Sponsors Theater Party**

Because there will be no school all day Friday, January 31, for all Grosse Pointe Public School children, the Defer P.T.A. has planned an afternoon Theater Party on that date at the Esquire Theater, 15311 Jefferson, especially geared for children aged 5-12.

There will be two performances of the movie, "And Now Miguel." The first performance is scheduled for 1 o'clock and the second at 3. Tickets can be purchased for 50c each at the Esquire at 12:30 and 2:30, half an hour prior to each performance, or ahead of time by contacting Defer School. For further information, call 886-5454.

Parents, teachers, Boy Scouts and the Grosse Pointe Park Police will be on hand to insure a safe, orderly time for all who attend and the candy counter will be open to accommodate all children suffering from low blood sugar.

The movie receives the "Grosse Pointe Motion Picture and T.V. Council's" highest rating.

Blue Devil Cagers Beat Fordson for 7th Straight

By Craig Carr, '69

The Grosse Pointe South Blue Devils extended their winning streak to seven straight last week-end by winning a hard-fought game with Fordson and a somewhat anti-climatic contest with Ann Arbor.

It was the second of three consecutive back-to-back weekends which are always tiring for the players, especially when they are played on the road as they will be this week. The two games this week, though, should prove considerably less trying for the Devils as they take on Monroe and Port Huron, the weakest teams in their respective leagues.

Monroe Always Tough Devil Coach Hollosy commented, "Monroe always gives us a hard time in their gym. They always shoot well against us." The Trojans, however, are currently in the BCL cellar, having lost all ten games they've played this year. Last Friday Royal Oak trounced them 80-36 to end their two-year losing spree.

On Saturday night the Devils play a struggling Port Huron team that is at the bottom of the Eastern Michigan League. The largest crowd of the year turned out last Friday evening to see Grosse Pointe defeat Fordson, 60-48, in a game that was marred by a fourth quarter brawl that delayed the game almost 20 minutes.

With Fordson's BCL title hopes possibly riding on the outcome, tensions were stretched to the limit and chaos broke loose with two minutes left in the game and the Devils ahead by 14 points.

Who Was To Blame? It is impossible to determine who instigated the fight, but once it got started the court was flooded with players and spectators.

Eventually the melee was broken up by police, cheerleaders, and concerned fans. When play resumed each team was given a technical foul. No one was injured seriously in the fight.

The game, which was slightly calmer but just as exciting, saw Fordson get off to a fast start by taking a 19-10 first period lead. Their outside shooting was fantastic but when they cooled off in the second quarter, and the Devils changed defenses, they fell behind 27-24 by the half.

Never Regain Lead The Tractors never regained the lead after that disastrous five-point period and the Devils, led by Larry Ulmer with 22 points, insured the victory by maintaining a steady margin. Other top Devil scorers were Chris Malafouris and Jim Humes who had 10 points, and Curt Mumaw and Bill Roberts, who had 9 each.

The following night the Devils played at Ann Arbor and Ulmer, again with 22 points, paced the way to a 70-50 victory. Grosse Pointe was never behind as they charged to a 44-27 halftime lead and were able to substitute freely. Chris Malafouris netted 13 points for the Devils and Jim Humes had 12.

The J.V. Blue Devils dropped their two games last weekend by losing to Fordson 67-51, and to Ann Arbor 52-49. The team has suffered six losses in seven starts as they are consistently plagued by bad breaks and mistakes.

Paul Shirar had 17 points to lead the attack against Fordson and Pete Farmer was tops with 14 against the Pioneers. The freshman basketball team also lost their third straight last Wednesday when they were defeated by Highland Park, 78-69.

ROTOR TAKEN

City police received a report from Gerald Boyd, 11810 Highland, Warren, of larceny from his wife's automobile, which was parked in area seven parking lot in Grosse Pointe City. He told officers his wife, who works at Maier-Werner, 373 Fisher, parked her '67 red Volkswagon, in the lot on the morning of Monday, January 13. When she returned to her car that evening, someone had taken the rotor from her distributor. Mrs. Boyd told officers that she had overheard customers in the store state that their cars had also been tampered with. A special watch was placed in the area.

Norsemen Divide Honors In Two Basketball Games

By John Edwards '71

The Grosse Pointe North Norsemen cagers had an easy game January 17 as they romped to victory over the Cougars of Roseville Bralac by a score of 65 to 51.

It was no contest from the start as the Norsemen jumped to an early 8 to 0 lead in the first quarter. Several baskets were on steals, and by the end of the first quarter the Norsemen had a comfortable 25 to 7 lead.

Gary Bennett put four points on the board to start the second quarter and give the Norsemen a 29 to 7 lead. Roseville then started to use the press but the Norsemen still had control of the boards and Roseville could only close the gap by two points. The first half ended with North holding a commanding 39 to 23 lead.

Roseville continued the press in the third quarter and narrowed the gap at one time to seven points. But then Grosse Pointe was able to break the press and started to drill their shots. The Norsemen built up a 17-point lead and were on top at the end of the quarter 54 to 37.

The substitutes of the Norsemen started to come in early in the fourth quarter. Grosse Pointe kept a sizable margin and ended the game whipping the Cougars, 65 to 51.

Gary Bennett took scoring honors, putting in 19 points. Teammates Rick DiCicco and Glen Hilger had 11 points each. Roseville's top scorers were Will Aman with 18 points and Ernie Whitt with 15.

Lose to Lakeview Grosse Pointe went over to Lakeview January 14 and was whipped by the Huskies 63 to 53. The Huskies were a tough team and one of Lakeview's co-captains, Jim Stabile, a rugged little guard, was impossible to stop on steals. Having speed and muscle, he bulled his way to the layup with people all over him.

The first quarter was close all the way, as the score was tied several times. Grosse Pointe had control of the rebounding but traveling forced them to turn over the ball several times.

The lead changed hands several times during the second quarter. But at the 2:47 mark, Lakeview pulled away for good. Grosse Pointe was in the rest of the quarter, and with a basket at the buzzer by Gary Bennett '71, the score was 35 to 31 at half-time.

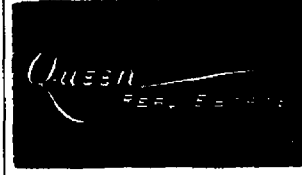

With a combination of cold shooting by Grosse Pointe and good playing on Lakeview's part, the Huskies blew the game open, expanding their lead continuously. The quarter ended with Lakeview holding a commanding 55 to 42 lead.

The Norsemen closed the gap to six points early in the fourth quarter, but Lakeview turned on the gas and whipped them 63 to 53.

Gary Bennett led the Norsemen with 18 points and was followed by Rick DiCicco with 12. Jim Stabile and Gary McIlroy of Lakeview shared scoring honors with 19 points apiece. The Huskies' Rick Prehn had 10 points.

Too often the man who aims to do good fails to take good aim.

Good vision is a FAMILY AFFAIR at Van Dyke!

We count with pride the many Michigan families who entrust their precious vision to our care. Usually, parents who have been our patients bring in their children for an eye examination. Often, Junior or Sis become the initial "goodwill ambassadors." And, sometimes, the whole family shows up to have their eyes checked! However it happens, we're delighted. We know how very important professional eye care and quality eyewear are to a family's visual health and happiness. That's why nothing makes us prouder than to be counted "a friend of the family."

CARL SCHWEIKART

Native-born Detroit and resident of Grosse Pointe Park for the past 33 years, has announced his candidacy for the office of Municipal Judge of Grosse Pointe Park.

Schweikart has been a practicing attorney for the past 33 years in Grosse Pointe Park and has the necessary qualifications to give the Park the judiciary administration it deserves.

Schweikart, well known in Grosse Pointe for his many civic activities, resides at 1018 Bedford Road with his wife Gertrude.

A vote for him as Municipal Judge at the Spring primaries on Tuesday, February 17, is a vote for good government.

### Devil Natators Defeat Fordson

Victorious in their toughest BCL meet of the season, the Grosse Pointe Blue Devil swim team swamped the Fordson Tractors by a score of 61-44 giving them a 3-0 record.

The tankers won eight out of eleven events losing the diving and both the 100-yard butterfly and the 200-yard individual medley in which Fordson's John Sherk took first.

Kris Cassell and Bill Heller each took two firsts for the tankers. In the 50-yard freestyle, Kris swam his fastest time of the year, 23.5 seconds, to take first with Mark Goodheart a close second.

After establishing a good lead in the 100-yard freestyle, Kris had a bad last turn resulting in a neck and neck race in the last length between Kris and Fordson's Pistor. With an extra surge of energy, Cassell beat Pistor by .2 of a second to take first.

After a tight race in the 200-yard freestyle, it looked as though Fordson took first until a correction in the times showed that Bill Heller held first place. Bill obtained his other first in the 400-yard freestyle, a close race throughout its 16 lengths.

The tankers won both relays, the 200-yard medley relay, consisting of Mark Boerner, Max

Gardner, John Fraser, and Jim Frede, and the 400-yard freestyle relay, consisting of Lincoln Lee, Dave Grynewald, Steve Spitzley, and Jim Frede.

Mark Boerner and John Walters slammed the 100-yard backstroke with Boerner taking first and Walters second.

In the 100-yard breaststroke, Max Gardner got the time he was looking for, 1:05.9, to take first.

So far, both relay teams have qualified for the State Meet. Mark Boerner in the 100-yard backstroke, Kris Cassell in the 50-yard freestyle, and Max Gardner in the 100-yard breaststroke have also qualified.

The reserves hand an extremely close contest which was not decided until the last relay. The Devils chalked up 52 points to Fordson's 51 points.

Next Friday, the tankers swim their first home meet against Monroe at 4:00 p.m. Everyone should plan to watch the defending State Champs sink Monroe.

### Bantam Hawks Beat Royal Oak

The Grosse Pointe Bantam Hawks won their seventh straight South East Hockey Association league game last Sunday at the GPUS rink as they defeated Royal Oak by a 1 to 0 score. By so doing, they moved into sole possession of second place in league standings and are now only one game out of first.

Play in the early stages of last week's game was relatively even until midway in the second period when Dave Johnson banged home a perfect pass from team Captain Dave Sicklesteel to give the Hawks their margin of victory.

As in all of the Hawks' close scoring games, goalie Dave Versical was one of the main factors in this important win. This time, Dave stopped 28 shots on the net and was spectacular on several of his saves. As a result of his continued superb goal tending, Dave has now allowed only 10 goals in nine league games for a game average of 1.11.

Assisting Versical in a fine display of defensive hockey were his regular defensemen Hank Finkenstaedt, Clay Purdy, Tom McGraw and Dennis Godin, who kept the Royal Oak offense off balance during most of the game.

In less than three weeks the South East Hockey League will declare a league winner to represent them in the state finals and it appears that the Hawks will definitely be in contention. The line-up for the Hawks is as follows: Goal, Dave Versical; Defense, Clay Purdy, Dennis Godin, Tom McGraw and Hank Finkenstaedt.

Forwards Dave Sicklesteel, Capt.; Marty Griffin, Alt. Capt.; Ben Jones, Alt. Capt.; Rick Linnell; Dave Johnson, Chip

Lenahan, Jay Henderson, Bryan Lane, Peter Earl; Trey Henkel; Walt Albrecht.

As of last week's activity the team scoring is as follows:

Player	Goals	Assists	Total
Sicklesteel	5	9	14
Godin	8	3	9
Jones	6	3	9
Griffin	5	4	9
Henderson	5	2	7
Lenahan	3	4	7
Johnson	5	1	6
Lane	2	3	5
McGraw	1	5	6
Albrecht	0	3	3
Earl	2	1	3
Finkenstaedt	0	2	2
Linnell	1	1	2
Henkle	0	1	1
Purdy	0	1	1

### Two Commissioned As Ensigns In Navy

Navy Ensign Joseph M. Garrison, son of Mr. and Mrs. Willard Garrison of 1321 Harvard road, and John H. Neale, son of Mrs. Marjorie Neale of 175 Muir road, have been graduated from the Naval Officer Candidate School at Newport, R.I.

They were commissioned ensigns after successfully completing 18 weeks of intensive training in the military and academic subjects of naval organization, tactics, naval engineering, seamanship, weapons, and navigation.

Naval Officer Candidate School, now in its eighteenth year, has graduated over 60,000 students from over 120 classes since 1951. The school is currently undergoing a building program scheduled for completion in 1973. The campus complex will consist of eight modern buildings, two drill fields, a small craft facility, a swimming pool, and two gymnasiums.

Adversity has never been a character builder—it just places the real you on exhibition.

### Pee Wee Hockey League Active

On Monday, January 13, two games were played at the McCann Rink, by the Pee Wee Hockey League. A very fast paced game was played between the Dolphins and Radke. Both teams were "out to win" and the parents were caught up in the enthusiasm. It was a high-scoring game with the score seeing back and forth before ending in an 8-6 victory for Radke.

Richard Huefner scored a three-goal "Hat Trick" for his team. He was assisted by Dave Austin on his first goal, with a second assist from Dennis Austin and the third assist by John Farina. Joe Gorey scored two unassisted goals. Sam Sherer and Bruce McDavitt each made an unassisted goal and Wally Levick scored from John Farina.

Joe Schiavi, of the Dolphins, playing exceptionally well, scored an unassisted goal, his first of the season. Joe Schiller scored twice with assists from Bruce Robb and Jim Bradley. Ted Dance accounted for two more goals, one unassisted and the other with an assist from Joe Schiller. Tom Michaels scored, unassisted.

The next game played was between Trans-American and the Firebirds which ended in a 2-0 shut-out for Trans-Am goalie Jay McCullagh, his first of the season. Both teams played a tight game with Trans-Am scoring in the first period, Jim Klimchuk assisted by Dave Baratta. In the second period Bill Dawson scored with an assist by Mob Morris.

Jim Earl, right wing, played extremely well, fore-checking in the corners. Due to the roster being short, Steve Sickelsteel, R. defense, performed double duty, playing both his defensive position and R. wing—he played strongly in both positions.

### Hockey Tourney Feb. 15 and 16

During the weekend of February 15 and 16 the Grosse Pointe Hockey Association will host their second annual hockey tournament at McCann Rink. This year the opposition will be furnished by teams from Ridgeway Ontario. During the tournament, no less than seven teams from Ridgeway will be on hand to challenge an equal number from Grosse Pointe.

The tournament will involve teams from the Squirt, Pee Wee, Bantam and Midget Divisions with approximately 100 youngsters from both Ridgeway and Grosse Pointe participating. This will be the largest tournament ever undertaken by the Association and it is hoped that interested parents and hockey fans will be on hand to lend their support.

In addition to the many exciting hockey games that will be played at the GPUS rink, the Grosse Pointe Hockey Association will host a brunch at the GPUS Field House during the Sunday morning activities for their out of town guests.

Interest in Minor League Hockey in The Pointe continues to grow and there are now over 300 youngsters registered to play in league competition. As a result of this ever-increasing interest in Minor Hockey in Grosse Pointe it is hoped that this Tournament will further the growth of the Association's activities and that even more hockey enthusiasts will participate in developing and enlarging the program.

Tournament activities get underway at 5 p.m. on Saturday, February 15, when three games will be played. The remainder of the games will be played on Sunday morning, February 16 beginning at 8 a.m. Further information will be forthcoming at a later date.

### North to Have Musical Program

Grosse Pointe North High School's bands and orchestra will give their first combined program on Wednesday, January 29, at 8 o'clock, in the auditorium of Parcels Middle School.

The performance will be under the direction of Nathan C. Judson, 1968 director of Musical Youth International and newcomer to the Grosse Pointe School System.

The program will begin with the Symphony Orchestra, playing "Sheep May Safely Graze" by Bach, "Symphony in B Minor" by Schubert, and "Sea Songs" arranged by R. Vaughan Williams.

The Concert Band will perform three numbers. These include, "Die Meistersinger" by Wagner, "American Folk Rhapsody" by Grundman, and "Amaparito Rica" by Tuxidor.

After a short intermission, the Symphony Band will continue with "Eisa's Procession to the Cathedral" by Wagner, "Corcoran Cadets" by J. P. Sousa, "Allerseelen" by Strauss, "Chorale" by Nellyhybel, and "Profession of Nobels" by Rimsky Korsakov.

Tickets for the concert can be obtained from members of the musical groups or at the auditorium on Wednesday evening. Prices are 50 cents for students and \$1 for adults.

### Robert Carden, USN, Photographer's Mate

Photographer's Mate Airman Apprentice Robert C. Carden, USN, son of Mr. and Mrs. Robert C. Carden of 76 Lincoln road, has been graduated from Photographer's Mate School at the Naval Air Technical Training Unit, Naval Air Station, Pensacola, Fla.

The school, which is the first formal training for most Naval and Marine Corps photographers, consists of 15 weeks of instruction. The course covers aviation fundamentals, basic photography, specialized photography, photojournalism, aerial and motion picture photography.

Students are given instruction with various types of cameras and equipment, training in photographic theory, and indoctrination in laboratory procedures.

Speak to please yourself—and you'll have a captive audience.

### Laker Cagers Still Unbeaten

St. Paul's Laker basketball team remained undefeated and championship-bound by defeating Centerline's St. Clement Friday, their eighth straight win.

The Lakers dominated the game, holding the Centerline team to four points in the third period. St. Clement was outscored by the Lakers in three of the four periods.

The 56-43 victory was paced by Mike Corcoran who led the scoring by racking up 23 points. He was followed by Mike Ferrrell with 14.

The fellow who shirks his responsibilities is following the line of least resistance.

### Rotary Club Contest

This week's winner in the Grosse Pointe Rotary Club's Youth Forum Contest, is Cindy Ashton, seventh grader at Parcels Middle School. Cindy was awarded \$25 for her entry entitled, "Who Are The Citizens?" Her entry follows.

Our community is definitely one to be proud of. The damage to the buildings and natural beauty of our city is something that needs serious thought.

Who are the citizens? That is something to think about. The young adults that are making this destruction most likely have papers saying they are citizens of this country, but you can't tell from the way they act. Our guests from other countries don't damage our private property and they aren't citizens.

I am a middle school student and as far as I can see there is no excuse for the damage being done right before our eyes. I definitely think this destruction should be stopped! There is a reason but never an excuse for this type of behavior. Teenagers think that destruction is a game to see how much you can destroy. They think it's a good way to get attention, to show their friends how "cool" they are.

I think the schools are doing a great job in controlling this but our parents are undoing what is being taught by teachers and students at school. If parents would learn to say "no" when they think something is wrong and to say "yes" when they think something is all right, we teens would know where we stand. We don't want a negative answer all the time, but a positive answer can get boring too if it is used too much!

If we had to earn what we want we would appreciate it much more. We would know how hard adults work for what is given or thrown at us.

I also think there is a general lack of respect going both ways. Young adults should have respect for older adults but at the same time, older adults should have respect for teens. We also are human beings who have ideas and ideals the same as anyone else. If we did have this respect for each other, there would not be a lack of communication between us which is the main problem in this world. This is also the cause for our "generation gap trap."

Taking part in building our community would be good experience for us. We would be able to tell better how much time, effort and money goes into our community. There would not be time to ruin other people's property.

No one, I'm sure, thinks that

**Neighborhood Club News**

**Classes for Girls**  
The Neighborhood Club is offering a new Decoupage Class for Teenage girls which will start Saturday, February 1, and will be held at Brownell Middle School from 10-11:30 a.m. A few openings are available. Any girls interested in this fascinating hobby are urged to call as soon as possible for their reservation. For further information call TU 5-4600.

**Sewing**  
Two classes in Sewing will start Thursday, February 6, at Brownell Junior High from 4-5:30 p.m. One class is for 6th, 7th and 8th graders and the other is open to mothers and their daughters who are in 6th, 7th, or 8th grade.

Openings are also still available at this time, but it is suggested early reservations be made as classes are necessarily limited. Call TU 5-4600.

**Modern Dance**  
For girls, all ages, from 8-10 a.m. at Brownell Junior High on Saturday mornings. Class will start as soon as sufficient reservations are received.

**Tournaments**  
The All-Points Pool and Ping-Pong Tournament was recently completed at the Grosse Pointe Neighborhood Club. The competition, open to all residents of the Pointes, was held at the upper level of the Club.

The Pool Tournament provided many thrilling matches for enthusiastic spectators. Surviv-

ing from earlier elimination, Dean Alan battled Dan Caramago and Randy Moreland took on John Shank. Competition will meet for the winners would meet for the championship. The upset pulled off by Caramago and Moreland's victory brought them together in the finals.

Moreland emerged victorious and captured the coveted champion trophy. In the consolation round, Dean Alan came out on top of the best of three series. Randy Moreland, Dan Caramago and Dean Alan finished first, second, and third respectively.

The Ping-Pong Tournament supplied observers with many an exciting moment. Remaining from the field of original entrants, Doug Maxwell and Frank Colby paddled it out. Tom James' defeat of Kevin Crowther guaranteed him a spot in the finals. Maxwell's victory set up the battle for first place and the championship.

In a close series, Maxwell's hard forehand shots proved to be a formidable counter to James' ability to place the ball where he wanted. Maxwell's "slams" provided him with a 21-18 victory in the deciding game of the series. The final results saw Doug Maxwell in first, Tom James in second, and Frank Colby taking third.

Trophies for first, second, and third place were awarded by Edgar Krattli, Director of the Club.

**Driver Trapped By Wrong Turn**

Bobby A. Hodges, 23, of 2149 Fairview, Detroit, was arrested by Woods police on Thursday, January 16, for a traffic violation and was found to be wanted by Detroit authorities on a traffic warrant.

Hodges was observed crossing the bridge at Harper and Allard, and driving onto Allard, going east, during the time this action is prohibited, between 3 p.m. and 6 p.m., when bridge traffic must turn left except on Sundays.

Patrolman Bruce Marone, the arresting officer, said that he stopped Hodges in front of 2307 Allard, and asked the man for his operator's license. The motorist produced a license that had expired on May 31, 1968.

The policeman checked with his station by radio, and the reply showed that Hodges was wanted by Detroit authorities on a warrant.

At the Woods station, Hodges was issued a ticket for driving with an expired license, and another for disobeying a traffic sign direction.

At the request of Detroit, Woods police collected a bond of \$11 from Hodges before releasing him.

**Globe Girdlers Elect Stevens**

The Michigan Chapter of the Circumnavigators Club held its annual meeting and election of officers recently at the University Club in Detroit. Elected president for the coming year was Circumnavigator Mark C. Stevens, a Farms councilman.

Circumnavigator George F. Pierrot, television personality and travel commentator, was elected, honorary president.

The Circumnavigators Club is a national organization, which lists such famous personages as General Douglas MacArthur, Buffalo Bill, Admiral Perry, Francis Cardinal Spellman, Lowell Thomas and President Theodore Roosevelt, among the list of its members.

Stevens and Pierrot made their first Circumnavigations, separately, in 1929, well before the airplane was used for this type of travel.

Most trips around the world have been made latitudinally, but Thomas K. Kisher, a resident of the Farms and a former councilman of that city, who has just completed an interesting and pioneering north-south trip around the globe, recently applied for membership in the organization.

The shortest known Circumnavigation was made by a newsman who walked around the North Pole on the ice. His application for membership in the Club was turned down.

Too many people are guided by the leaps of impulse, rather than the bounds of reason.

**Austin Prep School News**

The Austin Prep Academy sponsored its first Coffee House program of the New Year on Sunday, January 19, at Austin from 7 to 10 p.m. The Coffee Houses are programs of folk music, poetic readings or dramatic interpretations done by students from Austin and other high schools. There is no admission charge and students interested in participating should contact John Denomme or Mike Maurice or the school to have their program added to the evening. The event, which happens monthly, is open to all high school students.

Activities of the Austin Senate have recently been the suggestions to the faculty on the styles and lengths of the students' haircuts. Also discussion has been on the subject of awarding Activities Letters to students who have been outstanding in activities competitions throughout the state. Such fields as music, glee club, forensics and dramatics were considered. The Senate Fiesta Committee has been formed to spirit the student's end of the big fiesta.

With Tim Garvey, Senate President, are E. Jan Welch, Tim Kasper, Rick Berschback and Frank Leto.

On Tuesday evening, January 7, at Cobo Hall, Tim Garvey, son of Mr. and Mrs. Paul Garvey, of Kensington road, received the Detroit Police Youth Award for Outstanding Citizenship. Tim has been most active as president of the Senate and Senior Class, a team manager, a member of the Lettermen's Club, National Honor Society, Homecoming Committee and the Austin Players. He received a plaque for his services to his school and to his community.

a standing ovation from the students. The invitation to sing came from the Office of Activities which schedules assemblies and rallies throughout the year.

**Orr to Review Popular Books**

'Books America is Reading and Why' is an intriguing Adult Education course offered once again this year with Mr. Robert Orr, Director of the Grosse Pointe Libraries, bringing his fascinating reviews into view for stimulating, thought provoking discussion.

Thousands of people have been intellectually "fired up" by the comprehensive reviews presented by Mr. Orr over the many years of his service to the community. His rare talent for putting the written word into a form that allows reaction and dialogue has had adults returning year after year to keep abreast of what books are being read and why.

"No need to read the book before this class," says Mr. Orr. "By the time we finish the review and the discussion, your appetite will make that decision for you." Starting his twentieth class for the Department of Community Services, Mr. Orr's class this winter promises to be another exciting adventure in the literature Americans are reading today.

There are two sessions of this course which are held on Thursdays at the Central Library. The afternoon session is scheduled for 1 to 3 o'clock, the evening class from 8 to 10, beginning February 6. The fee for the eight week session is \$10. Reservations may be made by calling the Department of Community Services at 885-3808 or 885-0271.

**Report Teen-A-Car Stopping Cars**

Two incidents of teenage boys interfering with moving traffic were reported to City police by Neff road residents within a two day period.

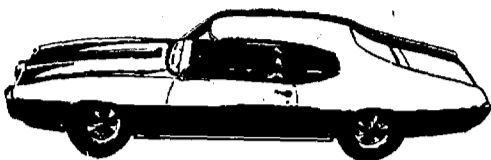

The first incident was reported at 9:45 p.m., on Wednesday, January 8, when a woman motorist told police that three boys attempted to stop her car at Neff road and Charlevoix.

The second case was reported

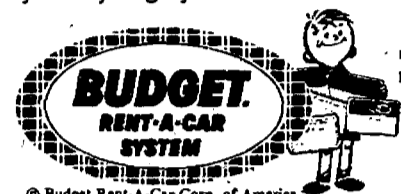

at 9:45 p.m., on Thursday, January 9. At that time three boys attempted to stop another woman motorist at the same location. She told police the boys kept running in front of her car.

Officers checked the area after both incidents. They located three boys in the area on evidence after the second disturbance.

Letters to the Editor

To the Editor: I am sending you a copy of an open letter to the Woods city council in the hope that this year we might be able to get some help in controlling thoughtless dog owners who expect everyone in the community to put up with their animals. I think it is about time that in the interest of sanitation and the safety of small children the city council put some teeth in law enforcement.

isfactory manner indicates that the school system is not what it pretends to be or what it should be. The experts in personnel, guidance, administration, special service, even the School Board were next to worthless in this situation.

After all, the people should not have to live with filth and odor left by dogs, nor should we have to protect our little ones from roving strange dogs. The loose dog is always a traffic hazard and yet the owner of a dog killed by a car always blames the driver.

During the confrontation such fancy phrases in the policy as "The Grosse Pointe High School favors an open, innovative, problem-solving approach to education" or "It is committed to the democratic process in education, and stresses the development in students of a capacity for self-direction and for independent study" or "These strategies are those best calculated to individualize instruction, to utilize material and human resources best, and to involve students in the learning process" as shown in the Curriculum Guide (1969-70) were abandoned when work and effort on the part of paid professionals was required. It was easier to say "No," to cite the state code #589 and maintain status in a sort of mutual protective pact along with the School Board. There was too much unanimity. "Ganging up" is not the educated mind at work.

An open letter to the Grosse Pointe Woods City Council: Spring will soon arrive with a couple of annual problems which could be eliminated by action taken now.

The school code in Michigan is in many instances permissive in delegating authority to school boards to enhance local control. For example, code #156 is, always cited in support of corporal punishment. However, the code merely states "Any teacher or superintendent may use such physical force as is necessary on the person of any pupil for the purpose of maintaining proper discipline over the pupils in attendance at any school."

All of our immediate neighbors (except one), keep their pets under strict control and their dogs are healthy, lively and alert. Many dog owners, however, feel that their pets are welcome guests for everyone—even blocks away. I found one of their dogs in our back yard some time ago, so I closed our gate and called the police. Upon his arrival the officer asked what owner's name was on the dog tag.

Obviously the code does not say corporal punishment is to be used, or even approved, but that is the way it is misused.

Code #589 as cited by the Board is probably another permissive code. As everyone knows, the Board makes exceptions to the school boundaries by accepting non-resident students. For example, on page 24 of the 1966-67 Grosse Pointe School Annual Report the table indicates that during that year there were an average of 13.9 non-resident students in the Grosse Pointe School System. Further, classes in Special Education for retarded children, for example, generally ignore school boundaries within or without the school district. In other words, the School Board, along with the state, manages to make appropriate adjustments without too many restraints. It is unfortunate that the School Board did not make an adjustment for Jane Ladney. Her actions alone would justify special consideration in her request to continue with her program at the South High School.

In contrast, Mr. Orr came to the School Board with a specific plan to improve the library operation with existing equipment well within the normal operation. However, the Board was not satisfied. Apparently the efforts that should have been used in behalf of Jane Ladney were displaced on the whims of Mr. Orr's book arrangements.

A second dog owner habit is that of walking their pet, (usually after dark), for the purpose of depositing its litter in other people's yards. They think everyone enjoys cleaning up their mess. The fringe of the Mason school's yard and the side yards along Marter road are favorite deposit grounds. We have a litter ordinance in this city and such germ-ridden filth should head the list of litter. My home community, (Whitefish Bay, Wis. a suburb of Milwaukee), has so ruled and enough dog owners have been fined that now they all carry a wide variety of clean-up equipment on their dog walks. This should happen here as well.

We must put an end to this pattern of rewarding professionals who do not do their job, as in the case of Jane Ladney, and punishing the professional who does his job, as in the case of Mr. Orr.

People have the right to own a dog in this city, but along with that right goes the responsibility to keep their pets under strict control or pay stiff penalties. In this way the rest of the neighbors, small children, and the traffic in the street will not have to put up with these roving pests or their litter.

Gentlemen, it is your duty to enact and demand enforcement of such laws.

Sincerely, Mrs. Mary Ann Roland 1499 Anita

Dear Sir: Recently you published a letter from Robert M. McKenna concerning the school system. Later, my reply was also published. Still later, you published a second letter by McKenna and I now answer.

All taxpayers were amused that Brother McKenna confessed that progressive education has been a failure. His reasons and alibis are shallow nonsense. "Those whom the Gods would destroy, they first make mad." All readers know that the youth of today seem lost and it is probably a coincidence that many of them were educated under the rotten notions of progressive education.

It is probably also a coincidence that Russians, after fifty years of experimenting with Lyssenko, have burned all of his books. The taxpayers have a simple request of the teachers such as McKenna, which I repeat. Please get busy and stop all the fancy nonsense!

What Goes On at Your Library

By Virginia Leonard

I do not really intend to specialize on demises, (having just done a necrology of important writers who died during 1968). However, I do feel it worth noting, with regret, that on February 8, you will be receiving your last issue of THE SATURDAY EVENING POST. Have you read this magazine recently? Did you read it in your younger days? Except for a chance pick-up in a doctor's or dentist's office, I don't believe I've really sat down and read THE SATURDAY EVENING POST for many years. But I do have nostalgic recollections of now-famous Norman Rockwell illustrations, favorite authors and cartoons, all encompassing a world which is gone. Is THE SATURDAY EVENING POST that we all knew in our youth the same one that is about to die? I think not, really.

The original story was that this periodical was a direct descendant of the one Benjamin Franklin founded in 1728. Really, the only connection was that the PENNSYLVANIA GAZETTE, which Franklin had published, was printed in the same shop that THE POST used for its first issues which appeared in 1821. During the years of 1831 to 1845, this new magazine was published under five different titles, and in 1942 the legend "Founded in 1728 by Benjamin Franklin," disappeared from the cover. In 1897 Cyrus H. K. Curtis purchased the magazine for \$1,000; at that time it was a small thing—with only 16 pages, five small ads, and illustrations of a lady with a bustle and a man with a bald head.

Until April 11, 1942, the SEP sold for a nickel and its circulation was about four million. In 1959 it was over six million. When the price went up, it went up to 10 cents, and then eventually to 50 cents.

Who were some of the authors we can recall as "regulars" for this magazine? Characters such as Mr. Moto, Alexander Bots, and the Clarence Budington Kelland's hero Scattergood Baines come to mind. Stories by such well-known authors as Jack London, Theodore Dreiser, Joseph Conrad, Stephen Crane, Thomas Wolfe and William Faulkner appeared in print. Do you date back to Ring Lardner's baseball stories, Booth Tarkington's Little Orvie, Ruggles of Red Gap or Owen Johnson's Lawrenceville stories? Still more authors: Fannie Hurst, Sinclair Lewis, Sir Arthur Conan Doyle, O. Henry, Edna Ferber, John Galsworthy, Harriet Beecher Stowe, Rudyard Kipling, Edgar Allan Poe and J. P. Marquand.

Except for Warren G. Harding, every President from William McKinley on wrote for THE POST. In 1964, it published contributions by four Presidents: Harry S. Truman, Dwight D. Eisenhower, John F. Kennedy and Lyndon B. Johnson. Other

We've often, in the past, wound up our column with "Garden Club News Notes," brief reports on what local Green Thumb-ers are doing and thinking and planning, but this week Garden News seems, to us, to be The Big News in Grosse Pointe.

So this week we invite all Green Thumb-ers to start reading at the BEGINNING of the column . . .

### Bonsai, Everybody!

A "Japanese Adventure," starring nationally famous Bonsai expert Kaneji Domoto on Friday, February 7, will be the second EVENING spring lecture in the history of the Grosse Pointe Garden Center — and the Center certainly hopes Mr. Domoto WON'T be the only man in the room.

Mrs. Charles Parcells, Jr., general chairman of the project, is working closely with the Grosse Pointe War Memorial, co-sponsor of the function. The evening will (Continued on Page 24)

### This is a permanent wave roller.

It's a wonder or a terror, depending on how it's used. Too much time and it can frizz hair. Too little time and it won't do its work properly. Just enough time and it will give hair the body it needs to look lovely and hold a set longer. We give it just enough time. And we get beautiful results. Like to see? We'd love to show you.

## Joan Buysse Bride Of Kenneth Spencer

Our Lady Star of the Sea Church is Setting for Morning Rites; Bride Designs and Makes Attendants' Frocks

An A line skimmer of satin faille, fashioned with a Chapel train and long sleeves ending in pearl-beaded cuffs, was Joan Louise Buysse's choice for the Saturday, January 18, ceremony at which she became the bride of Kenneth James Spencer.

Matching bead trimming circled her high collar. Her floor length French silk illusion veil fell from a Camelot cap, and she carried a bouquet of white Sweetheart roses and stephanotis.

She is the daughter of Mr. and Mrs. Richard L. Buysse, of Roland court. The bridegroom is the son of the James Spencers, of Rochester.

Officiating at the 11 o'clock rites in Our Lady Star of the Sea Church, which were followed by a reception in the Grosse Pointe War Memorial's Crystal Ballroom, was Father Thomas J. Finnigan.

Honor maid Celeste Buysse, sister of the bride, and bridesmaids Bernadette Faubert and Diana Cogo wore frocks designed and made by the bride, fashioned of American Beauty silk moire, styled with high

necks, long sleeves and floor length A line skirts, trimmed at their necks and sleeves with ribbon embroidered in two-toned roses with gold accents.

They carried arrangements of pink Sweetheart roses and baby's-breath tied with gold streamers, and wore matching flowers in their hair.

John Reuter served as the bridegroom's best man. Seating the guests were Philip Giardina, James Nulty, Kenneth Ura and Timothy Buysse.

For her daughter's wedding, Mrs. Buysse selected an A line skimmer of candlelight ribbon-over-lace and a corsage of pink cymbidium orchids. The bridegroom's mother chose a coat and dress of pale aqua silk and a green cymbidium orchid corsage.

The newlyweds are vacationing in the Bahamas. They will be at home in Detroit after February 3.

## Gail McEachin Wed To Terry Lee Miller

Pair Exchange Vows in St. Paul's-on-the-Lakeshore; Will Make Home in Beaconsfield Avenue after New York Vacation

A reception in Buckingham Hall followed the Friday, January 17, wedding of Gail Marie McEachin, daughter of Mr. and Mrs. Neil McEachin, of Hillcrest road, and Terry Lee Miller, son of Mr. and Mrs. Dominic DiAngelo, of St. Clair Shores.

Setting for the evening ceremony was St. Paul's-on-the-Lakeshore.

The bride's beau taffeta gown was accented with peau d'ange lace and fashioned with a Chapel train falling from her shoulders.

A matching headpiece caught her triple-tiered illusion veil, and she carried an arrangement of small white Elegance carnations, small Jack Frost roses,

stephanotis and ivy foliage, centered with a white orchid.

Honor attendant Janet Kauczek, of Memphis, Tenn., and bridesmaids Marilyn Heihowski and Geri McEachin wore floor length Empire frocks of azalea velvet and matching velvet headbows.

They carried cascades of small white Elegance carnations, pink garnet roses,

## Woman's Club To Hold Bridge

## Burgess-Kerr Vows Spoken December 13

### Bride Wears Mother's Wedding Gown and Veil, is Attended by her Sister-in-Law; Newlyweds Planning Florida Vacation

At home in East Jefferson avenue, Detroit, are Mr. and Mrs. Laurence C. Burgess, who exchanged marriage vows Friday, December 13, at a ceremony in the Yorkshire road residence of the bride's parents, Mr. and Mrs. John S. Kerr.

The Kerrs entertained some 60 guests at a buffet supper in their home following the early evening rites, at which Mr. James Timmons officiated.

The bride, the former Mary Jane Kerr, wore her mother's wedding gown of heavy white satin and veil of antique lace.

She carried a bouquet of tiny white carnation and roses.

She was attended by her sister-in-law, Mrs. James H. Kerr, who wore a blue velvet gown and carried a bouquet similar to that of the bride, fashioned of melon and white flowers.

The bridegroom, son of Mr. and Mrs. Vern Burgess, of De-

troit, asked Victor Papakian to act as best man.

The mother of the bride wore an ensemble featuring a beige lace redingote over white crepe. The bridegroom's mother selected a melon chiffon dress. Both mothers chose white gardenia corsages.

The newlyweds, graduates of Wayne State University Law School and practicing attorneys in Detroit, plan a Florida vacation.

During the reception, the bride received a call from her brother, Robert, serving with the United States Marine Corps in Vietnam.

MR. and MRS. LYNN EDMONDS, of Walled Lake, announce the birth of a daughter, HEIDI KAY, December 23. Mrs. Edmonds is the former CONSTANCE YORK, daughter of MR. and MRS. REA YORK, of Roslyn road.

## Mrs. Laurence Burgess

MARY JANE KERR and Mr. Burgess were married Friday, December 13, at an evening ceremony in the Yorkshire road home of her parents, the John S. Kerrs. The bridegroom is the son of Mr. and Mrs. Vern Burgess, of Detroit.

## French Cooking Classes Offered

French Cooking classes open once again for adults who are not just "meat and potatoes" people. The artistry of delicate, exquisite food preparation in the style of French Chef Charles Marchand has been a delight to all those who have been students of Mr. Marchand. Men and women alike, find the savory delicacies prepared in this class something that brings rave notices at home, where meals become dinner parties.

Visitors to South High School on the Tuesday nights of this class are tantalized by the delicious aromas that drift and float through the halls. Each class meeting provides a new and exciting cooking adventure, and as the ten week session draws to a close, class members discover they have acquired a new art and a repertoire of recipes that will satisfy the most discriminating connoisseur.

While it may be assumed that this is a class natural to the interests and needs of ladies, it cannot be denied that the world renowned cooks are men. This is an excellent opportunity for either men or women to take up the challenge and enjoy the wonderful world of French Cooking with Mr. Marchand. This course, scheduled for Tuesday nights from 7 to 10 o'clock, begins January 28. The fee for the 10 week session is \$25.00.

Cooking for two people can be a problem. It can also be a surprisingly exciting and interesting experience. The newlyweds, the mother and father whose children have flown the nest, any partner combination where meals are only for two, will find the "Cooking for Two" courses offered by the Department of Community Services just what they are looking for.

Ruth Engle brings her home economics expertise to the cooking classroom in a series of practical, creative lesson of food preparation to the one who is responsible to see that the two can find elegant meals at home. Mrs. Engle has a widely recognized reputation for bringing happiness to the kitchen, for providing unique and refreshing new ideas to the hundreds of students she has served for many years.

"Cooking for Two" is scheduled for Thursday nights from 7:30 to 9:30 o'clock beginning January 30. The eight week course costs \$10.00.

Reservations for either of these two classes may be made by calling the Department of Community Services at 885-3808 or 885-0271.

## Pointe 'Alliance' Meeting Slated

A Grosse Pointe meeting of the Alliance Francaise de Detroit is scheduled for next Tuesday evening, January 28, in the Grosse Pointe War Memorial Center.

Actor-comedian-French poetry specialist Pierre Viala will present a One-Man Show.

M. Viala has given over 2,000 recitals in cities throughout the world. His repertoire of Classic French poetry spans the period from the Middle Ages to Modern Times, and he adapts his program to suit his audience's cultural background and knowledge of the language.

Among Pointe Alliance members who've made early reservations are Robert Tannahill, Mr. and Mrs. Frank Kruse, the Peter Strohs, the Matthew J.

Hudsons, Mrs. James Vernor and Mr. and Mrs. Oliver Dewey Marcks.

To be content men must have a poor memory and no imagination.

WOODY COX, son of MR. and MRS. WILLIAM COX, of Grayton road, end on the New Mexico Military Institute Bronco football team, has been named to the Empire Junior College All-League Offensive Team for the 1968 season.

A cool look at the family budget reduces the vacation fever.

### Correct Amount Of Humidity Indoors Just As Important As Temperature Control

by ROBERT A. "Doc" WILLIAMS

The old adage that "it isn't the heat, it's the humidity," just isn't true. Neither one, alone is responsible. They're both in it together.

In the summertime it's high humidity that makes temperatures unbearable. But, during the winter-time, it's indoor heating that causes the trouble and makes humidity act up.

We're taking about relative humidity, of course. And during the wintertime, because warm air can hold more moisture than cold air, indoor heating increases air's capacity to hold moisture and quite naturally reduces relative humidity. And there's quite a reduction. Air that is brought inside the house from outside where it might be 70 to 80% relative humidity can drop to only 5% relative humidity when it is heated to 70 degrees.

And that's dry. Furniture and wood trim dry out, become unglued, and often require extensive repair. The delicate membranes in the nose and throat lose their natural moisture, become less capable of repelling viruses, bacteria and other airborne organisms and excessive colds and sinus infections can occur. As the warm "thirsty" air evaporates moisture from the skin, there is a cooling effect... requiring higher indoor temperatures to keep you warm

and causing more fuel consumption.

There's only one solution to this dry air problem that we know. It's a humidifier. And, the best humidifier we know of is the Carrier humidifier. It's installed on your furnace system and induces enough water into your home to maintain the proper relative humidity level of about 35% indoors at all times. It features trouble-free performance and a method of extracting the lime and other mineral deposits from the water before they can be spread as a fine powder to the rooms of your home. A humidistat controls the amount of humidity you want from upstairs.

The Carrier will help solve those problems we mentioned and will also help lower your fuel bills by keeping you warm at lower temperatures. If you're in the market for a new furnace system, we'll recommend both the Carrier furnace and the Carrier humidifier to you as a complete winter temperature and humidity control system.

Carrier furnaces are noted for their long life, outstanding fuel economy, and consistent performance. We'll be glad to offer you a free survey for a new Carrier furnace for your home.

Whether it be for more information on the Carrier humidifier or a free survey of your home for a new Carrier furnace, why not give us a call today at Williams. Call 372-5500.

## Schedule Talks On First Ladies

Mrs. Dwight Struthers will present a series of four talks on "First Ladies of the White House" at the Grosse Pointe Woods Presbyterian Church during the coming months.

The first of the luncheon-lecture sessions is scheduled for Thursday, February 6, at 12:30 o'clock, and the Church Women's Association cordially invites all members and friends to attend. The series will continue on March 6; and April 10 and May 1.

Mrs. Struthers has researched her facts about each of the First Ladies carefully, and her talks include descriptions and anecdotes designed to bring each of her subjects to life for her audience.

Mrs. Joe B. Craig, Women's Association Finance chairman, has appointed a committee of four members, Mrs. Carl W. Asmus, Mrs. Thomas A. Dewey, Mrs. William J. Elliott and Mrs. James Fournier, to act as general chairman for the series.

Decorations for each luncheon will be arranged by a committee headed by Mrs. James U. Weaver.

Hostess Circles for the January talk will be Elizabeth and Naomi; for February, Hannah and Miriam; for March, Lydia and Mary; and for April, Abigail and Martha.

Tickets can be obtained and reservations made immediately for all four dates by calling Mrs. William Hill, 881-0139, or by contacting any Circle leader.

Treat criticism like charity — let it begin at home.

MRS. ARTHUR G. TER-IUNE, of Trombley road, and her daughter MRS. MICHAEL B. DISSER, of Littlestone road, are vacationing in Palm Springs, Calif.

## New Chairman For Symphony

Mrs. Waldo E. Fellows, of Bishop road, is the new chairman of the Grosse Pointe Symphony Women's Committee. She was named chairman at the Committee's annual meeting and election of officers, held January 16 in the Grosse Pointe Yacht Club.

Again the Committee has chosen a personality eminently qualified for the position of chief executive.

Mrs. Fellows, a graduate of the University of Michigan, is actively interested in community affairs, particularly in the field of music, and has held offices in both the Grosse Pointe Symphony Society and Women's Committee during the past three years.

Mrs. William E. Barry will serve as vice-chairman, Mrs. Robert P. Armstrong as treasurer, Mrs. Clarence J. Williams as recording secretary, and Mrs. Lester A. McIntosh as corresponding secretary.

Completing the slate are directors Mrs. Jerome W. Benson and Mrs. Winfield S. Jewell, Jr.

After the serious business of

annual reports and vote tallying, the ladies celebrated the fourth birthday of their organization at a luncheon and musical for members and their guests. Soprano Barbara Bailey was presented by Mrs. O. B. Nordstrom.

## David A. Black Weds In West

The Chapel of the Missouri Military Academy was the setting for the Saturday, January 11, ceremony at which David Avery Black, son of Mr. and Mrs. Joseph Black, Jr., of McKinley avenue, claimed Carol Ann Bailey, daughter of Mr. and Mrs. Joe Dean Bailey, of Mexico, Mo., as his bride.

Officiating at the 2 o'clock rites, which were followed by a reception at the Air Park Motel, Mexico, was The Reverend Robert Collins.

The bride's floor length gown of white sheer wool was fashioned with a Peter Pan collar piped in white satin and tiny satin buttons.

She carried a Colonial bouquet of white roses and wore matching white roses in her hair.

In floor length frocks of taffeta in shades ranging from

turquoise to bright green, carrying sprays of mimosa, were honor attendant Jane Brown, of Sedalia, Mo., and bridesmaids Missy Morris, of Mexico, and Karen Witte, of Boston, Mass.

Joseph L. Black acted as his brother's best man. In the usher corps were Tim Bailey, brother of the bride, Doug Rogers, John McCandless and Terry Mullen.

The mother of the bride wore a bright green dress and a jacket ensemble. The bridegroom's mother selected a turquoise sheath and matching coat. Both mothers chose bronze-green cymbidium orchid corsages.

Following a vacation in Chicago, the newlyweds will make their home in Ann Arbor while the bridegroom continues his studies at Eastern Michigan University.

Traveling to Mexico for the ceremony were the bridegroom's uncle and aunt, Mr. and Mrs. James Black, of Northbrook, Ill., Pointers Seiden B. Daume and Pat and Cathy Fleming and Mr. and Mrs. Jack Milder, of the Shoreline East Apartments.

THOMAS G. ARNDT, C.P.A., of Fisher road, has been elected a member of the American Institute of Certified Public Accountants.

Two Pointe cadets returned to Kemper Military School and College, Boonville, Mo., after a 16-day Christmas furlough.

Back at Kemper are Cadet THOMAS C. GERBER, son of Mr. and Mrs. ROBERT E. GERBER of Roslyn road; and Cadet ROBERT R. DURANT, son of Mr. and Mrs. ROBERT M. DURANT of Fleetwood drive.

## Music's Number One On Their Minds

Music remains paramount in the mind of MRS. STERLING S. SANFORD, (left), out-going chairman of the Grosse Pointe Symphony Women's Committee, despite the fact that she's handed over her gavel of office — in this particular musically-oriented group — to MRS. WALDO E. FELLOWS. Music's para-

mount in Mrs. Fellows' mind too, of course. The ladies are pictured admiring a "music cake" at the Committee's Changing of the Guard ceremonies, the annual meeting and election of officers held January 16 in the Grosse Pointe Yacht Club.

**BY APPOINTMENT FOR YOU WHO** want to own an income property, we have one of the few remaining lots in the Pointe which is zoned for two family dwelling. Live in one unit and let your tenant make the payments which will amortize your investment.

**IF YOU'VE BEEN peeking** about looking for something with tremendous curb appeal, and only require three bedrooms but must have two baths and a first floor lavatory, then this southern colonial could be the solution. This compact offering has a comfortable extra room with access on either side of the living room fireplace. There is a separate dining room and attached garage.

**THE ONLY ONE** offered in this condominium complex on Rivard Boulevard. Three bedrooms and two baths on the second floor and two more bedrooms and a third bath on the third. Isn't that a lot of brick and mortar for \$34,000?

**ALMOST A NEW center hall** colonial with four bedrooms and three baths up. Fireplaces in both the living room and family room. Attached garage, kitchen with fantastic built-ins and room for a banquet table. All this just a few steps from GPHS. Star of the Sea, and the Hunt Club.

**WE RESOLVE** to offer in this majestic, southern colonial, the most house for the money in the Windmill Pointe area. There are three master bedrooms and two more over the attached garage. If you like both the "feel" and appearance of a large entrance foyer with a spiral staircase curling up to the two-story hall, then you might be an easy "touch" for this one.

**ON DEEPLANDS, 55 North,** to save you looking... we think this is a must for the family which requires many bedrooms and baths for the emerging family. There is a library and a family room in the addition to the large living and dining rooms on the first floor. Two bedrooms down and five more upstairs, serviced by five full bathrooms.

CENTER HALL COLONIAL ELEGANTLY DECORATED

4 BEDROOMS, 2 full baths, 2 half baths, Early American kitchen. Separate breakfast room. Paneled study and luxurious recreation room, 2 fireplaces. Gas hot water heat with concealed Fin-type radiators, 2 basement stairways, glassed-in porch. Heated garage. Convenient to all schools including St. Paul's. Shown by appointment only. Owner. TUxedo 5-2591.

**Shoreham Road**

Custom built home with the quality and warmth that you seldom find in the new homes. With a large living room, and a warm, big, mahogany paneled library, this home offers a bedroom and bath on the 1st floor, as well as 2 bedrooms and 2 baths on the 2nd floor. This very flexible home offers many possibilities, including making the library into a large bedroom with connecting bath, thus making a 4 bedroom 3 1/2 bath home. Situated on a 120' sprinklered lot within walking distance of schools and public transportation, we believe that this is a good value at \$72,500.

**OPEN SUN. 2-5**

## From Another Pointe of View

(Continued from Page 13)

begin with a hearty, (designed to appeal to male as well as female palates: THE GARDEN CENTER WANTS THE MEN TO KNOW THEY'RE WELCOME), Japanese dinner in the Crystal ballroom preceding Mr. Domoto's lecture-demonstration in Fries Auditorium.

Reservations for the 7 o'clock dinner, at \$5.50 per person, must be mailed with checks included, by February 2, to the Grosse Pointe Garden Center, 32 Lakeshore road. There's no charge for the program . . .

For those who'd like to "brush up their Bonsai" before Mr. Domoto arrives, there's another in the series of Garden Center-sponsored Bonsai Workshops scheduled for next Thursday, January 30, in two sessions: 10 o'clock to noon and 1 to 3 o'clock.

Materials that can be kept in the home all winter will be used to create Bonsai, (miniature trees in the Japanese manner).

By reservation at the Garden Center Office, prospective Center members and current members may make plans to have subscription luncheon between the morning and afternoon classes.

## An Important Date For Gardeners

Wednesday, January 29, is an important date on 1969 Garden Calendars, with meetings of BOTH the Board of Directors of the Michigan Division, Woman's National Farm and Garden Associations, AND District One, Federated Garden Clubs of Michigan, scheduled.

Pointers Mrs. Benjamin Young, National Council representative, Mrs. Theodore A. Foster, Mrs. Clarence E. Maguire, Mrs. J. Crawford Frost, Jr., and Mrs. Harold R. Smith will be among ladies gathering at Devon Gables for the former session.

They'll discuss plans for the February 26 Winter Council meeting, to be held at the Raleigh House, and the April 23 and 24 Wright Kay Flower Show before adjourning for luncheon at 1 o'clock.

"Imagination Unlimited" is the theme of District One's mid-year meeting at the Women's City Club of Detroit. This will be an all-day affair, with registration opening at 9:30 o'clock and a morning devoted to business before a showing of slides from "A Time For Flowers," the September exhibition presented by the District in conjunction with Charles W. Warren and Company.

Following luncheon, representatives from various member clubs will demonstrate their own imaginative use of plant material and other objects.

Among them will be Mrs. Robert G. Palmer, of the Grosse Pointe Park Garden Club, who's promised to fashion two traditional arrangements: A colorful mass design and a more stylized massed-line creation.

## A Sentimental Farewell

When David Boggess heard, about six months ago, the Herbert Shanks was to retire after 25 years as Director of the Protestant Children's Home, he started having some thoughts . . . thoughts about the time he (David) had spent at the Home, and what a good friend Mr. Shanks had been to him . . .

But thinking wasn't enough for David. He decided to try to contact as many as he could of the boys and girls who had been at the Home and known Mr. Shanks, to organize and invite them to a farewell dinner honoring the about-to-leave Director.

It wasn't easy — these alumni are grown men and women now, and many of them have moved from the Detroit area — but with the help of Mrs. Horace Carpenter, a Case Work Aide at the Home, he sent letters to about 300 former residents, using their last-known addresses . . . and, on Saturday, January 11, at the U.A.W. Hall in Eight Mile road, a totally surprised Mr. and Mrs. Shanks arrived to find all the Home staff who were not on duty, plus about 100 young men and women, some of whom they had not seen for 20 years, gathered to greet them and with them well.

One "grad" even came all the way from California for the party!

Climax of the evening of speeches and reminiscences was the alumni presentation of a color television set to the Shankses, a material tribute to a man who devoted his life to the care of children who didn't have adults to care.

But the real "tribute" were the alumni themselves: Men and women now involved in all sorts of occupations who are trying to pass along to their children the feeling of stability they gained and the friendship they experienced through their contact with Herbert Shanks.

As a further memento, the group presented Mr. Shanks with a book of candid photographs taken at the dinner, with signatures of all the guests.

## Craig B. Dever Will Take Bride

Mr. and Mrs. Kenneth Nord Ryden, of Milan, O., formerly of Birmingham, have announced the engagement of their daughter, Lynne Alicia, to Craig Breen Dever, son of Mr. and Mrs. Forbes Kent Dever, of Whittier road.

Miss Ryden was graduated from Birmingham Groves High School and her fiancé was graduated from Grosse Pointe South High School. Both attend the University of Michigan, where she is a junior and he is a senior.

Miss Ryden is a member of Chi Omega sorority. Her fiancé is affiliated with Sigma Alpha Epsilon fraternity.

A June 7 wedding is planned, in St. Paul's Episcopal Church, Norwalk, O.

## Pointer of Interest

RICHARD W. KAY, DIRECTOR OF COMMUNITY SERVICES AND CHIEF NEGOTIATOR, GROSSE POINTE PUBLIC SCHOOL SYSTEM

By Janet Mueller

He looks like an ex-football player, (he is). He talks like a man who loves his job, (he does). He's got a double title—"and Chief Negotiator" added to "Director of Community Services" this school year—and under this double title he operates in all directions. (No, we don't just mean he operates PROGRAMS that range in all directions, although that in fact is what the Department of Community Relations does; we're speaking personally now: We mean HE operates in all directions.)

His mind is open, curious, flexible. He's done a lot, observed a lot already. He's anxious to do and see a lot more.

First, his professional background: Dick Kay was born in Detroit, educated in Detroit Public Schools, attended Michigan State University, served as an Ensign in the Navy Air Corps, flying a carrier-based dive bomber, during World War II, returned to college, to Wayne State University, after the War.

He received his Bachelor of Science degree from WSU in 1949, his Master of Education in 1954. He's completed about 25 hours of post-degree work.

Teacher and Coach He taught the sixth grade, (all subjects), and coached high school varsity football and basketball in Northville from 1949 to 1954. He received the "Teacher of the Year Award" in 1954.

He was appointed Elementary School Principal in Northville in 1954, served on the Executive Board and as president of the Michigan Education Association Principals Association Region II, was appointed Principal of Grosse Pointe's Richard Elementary School in 1962, Director of Community Services in 1966 and Chief Negotiator of Employee Contracts in 1968.

Second, his current responsibilities: Dick Kay, as Director of Community Services, is involved in several basic assignments, including Adult Education and After-Hours Swimming and Recreation Programs as well as other services and special projects that are school-community related.

"We seem," he says, discussing Adult Education in Grosse Pointe, "to be maintaining a status quo, despite the many new things we are trying to introduce: Sailing classes, classes in Income Tax, Auto Mechanics for Women, Oceanography . . ."

Classes for Everyone This worries Mr. Kay. "We're attempting, we WANT to bring more people into our programs," he says. "Our aim is to provide school services for ALL the people of the community, whether they have children in the public schools or not."

As Chief Negotiator, he's responsible for the resolution of contracts with the Public Schools' four organized bargaining employee units: Teachers, Secretaries, Plant Personnel and Cafeteria Workers.

He is, in his own words, "working feverishly" with FLEC (Family Life Education Council).

For the past year-and-a-half, his office has coordinated the Board of Education-sponsored FLEC, composed of highly influential members of the Grosse Pointe School District. FLEC's purpose is to serve as an "umbrella" committee to organize, coordinate and give direction to representative groups of citizens who study specific social problems and make recommendations to appropriate community institutions or agencies.

Sex Education He's particularly interested and involved in the work of FLEC's Sex Education Committee. "We've had generally a pretty wide acceptance of our Sex Education programs," he notes. "What we're trying to do now, under the general title of Sex Education, is that we've always tried to do in our schools, I think: To develop good attitudes between boys and girls. A knowledge of Anatomy is an important part of the devel-

opment of these good attitudes, but it is by no means the WHOLE part . . .

"I'd like to emphasize that FLEC is not just Sex Education; the Council deals with other problems, drugs and alcohol . . . The whole purpose of FLEC, as we keep saying, is to strengthen The Family, the basic educational unit . . ."

In Grosse Pointe's Sex Education programs, as in its Adult Education programs, Dick Kay hopes to achieve more. "We've had," he says, "a limited amount of success."

On National Council For Mr. Kay, recently appointed to the Advisory Board of SIECUS (Sex Information and Education Council of the United States) and just back from his first national SIECUS Board meeting in New York, "a limited amount of success" is a spur to greater efforts, better results.

Third, his family: Dick and Alice Kay sold the home in Northville they "built to retire in" and moved into a house in Rivard boulevard two years after he accepted the Richard School Principalship.

It was a wrench: Their Northville home was situated on two-and-a-half acres of land; they had a barn . . .

"My one daughter had a horse when we were there, and we boarded other horses," Dick recalls. "We always had a lot of animals around. But we gave it up to become City People again . . ."

Soon to Be Grandfather The Kays have two daughters. Pamela, 23, is Mrs. Charles Rosenberg now, lives in Oak Park and is about to present Dick with his "first grandSON!"

A Michigan State University graduate, she was trained in a special MSU Pilot Program to teach in the Inner City and did so for one year, last year, taking a first grade class in Detroit.

Nineteen-year old Cynthia is a student at Northwood Institute's Dallas, Tex., campus. Interested in Banking, Cindy, (that's the way Dick spells her name—she prefers to sign herself "Cyndee Kay"), works for the National Bank of Detroit during school vacations.

Cindy/Cyndee is the family's animal lover; this Christmas, she arrived home accompanied by a German Shepherd that had strolled, sick, onto the Northwood campus and that she had nursed back to health.

The Kays, since the advent of Duffy—"The greatest mutt you ever did see! A floppy, fuzzy, fluffy ball of fur!"—last July, a Complete Household spent part of their holidays searching for a home for the stray.

Also Loves Horses Cindy/Cyndee's the family horsewoman, too. Dick, despite his part-time Gentleman Farmer background and a stint as Admissions Manager at Northville Downs, isn't really an equine fancier, never really encouraged his daughters' interest in riding . . .

"I suppose I've seen too many kids fall off," he says. "I know Cindy's riding quite a bit down there, (in Texas), but she's 2,000 miles away, I can't see her . . ."

Fourth, his hobbies, interests: "I like to sail. And I like to play bridge. I don't own a boat, but I DO own duplicate boards."

Summer Saturdays, Dick's almost always out on the water,

crewing for friends. He's sailed in the Mackinac Race. "The principles of flying," says the former dive bomber pilot, "can be directly applied to sailing. There's a terrific carryover."

Loves Athletics He has always been interested in athletics. "Football was my sport," he notes. He played on the Iowa Seahawks, Number Two-ranked team in the country, when he was 19 and in the Navy. He played for WSU. On both teams, he earned varsity awards.

### HOT SWISS 'N RYE

Contributed by Mrs. H. Rollin Allen

1 loaf party rye

2 small onions sliced very thinly

½ lb. Swiss cheese cut in squares

½ C. Mayonnaise

Toast party rye slices on cookie sheet in the oven. Dot each slice with ½ teaspoon mayonnaise, then a thin slice of onion, then a square of Swiss cheese. Keep cheese slightly smaller than bread. Bake at 400 degrees for about 10 minutes until cheese bubbles. May be made in the morning and heated before serving.

## Cinema League Meets Tonight

The Grosse Pointe public is cordially invited to the Grosse Pointe Cinema League meeting tonight, Thursday, January 23, at 8 o'clock in the Alger House of the Grosse Pointe War Memorial.

Those interested in improving their picture taking and getting new photography tips are especially welcome. Sherman Willson, professor of Photography, Fine Arts Department of Wayne State University, will be the guest speaker. Mr. Willson will show pictures illustrating his lecture.

## Baptists Offer Organ Recital

Margaret Kautz, well-known organist, will present a recital of sacred and classical music at the Grosse Pointe Baptist Church on Sunday, January 26 at 3 p.m.

Miss Kautz was the winner of the Young Artist Award presented by the Society of American Musicians in Chicago at their annual meeting in 1962. Since then she has won prizes in several competitions sponsored by the A.G.O. She has been guest professor at several colleges and is a member of Pi Kappa Lambda, the national honorary music fraternity.

The 25 rank Moehler pipe organ installed last year at the Grosse Pointe Baptist Church is recognized as one of the finest in the Detroit area.

The church is located at 1805 E. Eighth Mile road (Baseline) in Grosse Pointe Woods. The public is invited to attend Miss Kautz' concert recital.

## Brake Failure Causes Crash

City police officer Richard Lanski and Farms police officer William Furtaw, escorted two persons to Bon Secours Hospital on Saturday, January 18, after they were injured in an accident at Woodhall and Mack.

The injured were Rene Longeville and Charles Palazzola, age 12, a passenger in her car. Charles was believed to have sustained a broken nose.

Nicholas J. Ruggero, 17148 Munich, was driving his '64 Rambler station wagon south on Woodhall when his brakes failed.

His car then ran into the rear of the Longeville's car, which was stopped at the stop sign.

The impact sent Mrs. Longeville's car across Mack, into the front of the Packer Foods, 17410 Mack.

The information was turned over to Precinct 15—Detroit Police Department.

## PESSIMISTIC

People who complain most that life isn't worth living act as if they're trying to prove it.

## Carl's Corner

I think everyone who lives in Grosse Pointe is aware that not all of us are millionaires—as a matter of fact it may come as a shock to some of us but WE actually have several people on WELFARE.

Fashion Preview In Muslin . . . We were chatting with Mrs. William Rust Pierce in the Salon the other day and from the workrooms came muslin models of the Walton-Pierce Made-to-Order collection for spring. They were tried on the custom model. With a creative eye for line and detail, Mrs. Pierce made precise modifications. Necklines were decided upon, sleeve widths and skirt lengths were determined. Fabric selections from unfurled rolls of colorful French, Italian and Swiss textures and patterns were finalized. The collection was on its way. It will be ready soon. The details and sketches will be released. There are many beautiful new ideas and as always, a few fashion surprises.

The Fabulous Forties . . . That's what they're calling an era not an age group. It's "the" influence in fashion for spring '69. You'll see it in fashion collections. You'll also see it in today's version of the Egyptian page boy, the Hedy Lamarr and Veronica Lake looks. At Leon's, 17888 Mack Avenue, many fashionable heads are already wearing the look styled by Jeff. As we recall in the forties there were no across-the-counter falls and wiglets to help these looks along. You had to grow your own. Now it is all so easy and really quite inexpensive particularly with Leon's very special prices on hairpieces. TUxedo 4-9393.

The Fashion Mix . . . is an interesting combination of surprise, imagination and taste. At Michelle's Boutique at Leon's, 17888 Mack Avenue, you'll find a great new group of culottes, pants, boleros and skirts, tunics, blouses and chains for neck or waist. Try your hand at mixing separates for a newer more individual fashion look.

IF . . . you like to mix talking and cooking, you need a kitchen that allows room for extra people. OR are you the "stay out of my way so I can get something done" cook? You'll delight in a compact work area, isolated from traffic spots. Mutschler Kitchens, 20227 Mack Avenue . . . plans for personalities.

Lily-Look-Alikes . . . are found in a colorful arrangement in Martha's Closet, 373 Fisher Road. Some of the new styles sport a sleeve . . . some a lace bib. Prices range from twenty-two dollars to thirty-six dollars.

You're Invited . . . to see the showing of Bridal Couture's new spring and summer wedding gowns and bridesmaids dresses at Jacobson's, January 29. One of the beautiful gowns is a full page feature in the spring issue of "Modern Bride" page 241. There will be informal modeling from 9:30 a.m. until 5:30 p.m. Refreshments including wedding cake will be served.

Valen-timely Scent Specials . . . at the Notre Dame Pharmacy include Miss' Balmalm cologne, 1.6 ounces for three-fifty. Lanvin's Arpege or My Sin cologne: 1½ ounces is three dollars. Coty's falcon is two-fifty, your choice of Emeraude, L'Aimant and L'Origan.

Your Valentines . . . "will go to pieces over you," if you give Love Thingsies. These delightful jigsaw puzzles are fun to put together and when you do there's a message. Love Thingsies are a dollar and a quarter at The Sphere, 19849 Mack Avenue.

The Kaleidoscope . . . sees hearts and flowers and fun in their selection of special gifts and cards for special valentines. If you're planning to entertain cupid . . . appropriate napkins and paper plates are also at 16135 Mack at Bedford.

A Perfect Hair Cut . . . is the basis of a perfect hair style. At Edward Nepi Parrucchiere, 19463 Mack Avenue, you'll find both. Edward's flawless technique in hair cutting is well known and you'll be delighted to know that each of his stylists is trained intensively by him . . . TUxedo 4-8858.

Shags Show Off . . . your floors. Ed Maliszewski has more shags to show you than most carpet companies. See the luxurious decorative colors and the plush finishes at 21435 Mack Avenue.

Fish Fry . . . all you can eat! Every Friday! Fresh lake perch with french fries, cole slaw, fresh roll and butter . . . just a dollar forty-nine at Wesfields, 25506 Mack at Somerset. TUxedo 5-1003.

Light Up Your Life . . . you can afford it because of Wright's sale on lamps. At least 20% off . . . a few 50% off! Wright's Gifts and Lamps is conveniently located at 8650 Mack Avenue next to the Grosse Pointe post office.

Come In . . . and see the new Hotpoint built-in appliances at Kitchen Remodelers, 15281 Jefferson. Let one of their experts show you how to save money on kitchen remodeling through proper planning. Their interior decorator will do a color rendering of your proposed new kitchen so you can see how it will look before you decide to go ahead . . . LO 7-2400.

V.I.P.'s . . . Very Important Packages travel on the Royal Coachman Limousine to and from Metro. Besides the reliable pickup and delivery service, the RCL can be chartered for transporting groups to ski resorts, proms, and the like. Call TUxedo 6-1322 for the probabilities and possibilities.

TUxedo 1-1111 . . . is the easy number to remember of the Royle Carriage Cab. You'll also remember it because it will supply you with a new cab, a nice driver and very dependable service . . . TUxedo 1-1111.

Meet The Artist . . . Lennon Thompson will be at the Grosse Pointe Studio, 395 Fisher Road, Friday afternoon, January 29th from 2:00 until 4:30 p.m. If you're interested in the techniques of copper plate etching, he's the man to see. He'll be happy to answer your questions.

The Key . . . to that certain someone's heart is at Sylvia's Arts 'n Antiques where hand-painted key chains and crewel miniatures are perfect for Valentine's day . . . 19869 Mack near Huntington.

Specialty of the Hanover House of Beauty is electrolysis by Irene Wordman. There are other beauty services which include eyebrow and eyelash tinting, facial, pedicure and of course, hair styling. The Hanover House of Beauty is located at 20951 Mack between 8 and 9 Mile Roads . . . TUxedo 4-4308.

Sale-ing . . . out of the General Store at Mack and Lochmoor is all the merchandise you've admired . . . including taste treats and Christmas items . . . all marked one half off!
