HEADLINES of the WEEK As Compiled by the Grosse Pointe News

Thursday, March 27
PRESIDENT NIXON on Wednesday asked Congress to extend the 10 percent income tax surcharge for at least one year. The President said that he plans to submit proposals for tax reforms by next month. White House sources said that Nixon was considering asking for increased Social Security benefits.

AN END TO THE ABUSES of Workmen's Compensation was called for on Wednesday by Burke Dailey, director of the state Workmen's Compensation Bureau. Dailey pressed for state action in what appears to be a multi-million dollar compensation-claims mill involving several Detroit-area doctors and lawyers. While granting that the state bar was entering the investigation, Dailey made it clear that he felt the governing body of the legal profession was slow in entering the investigation.

AIRPLANE HIJACKING was the object of threatened strikes and boycotts by members of the International Federation of Airline Pilots Associations at their 24th conference in Amsterdam. The threats are an apparent attempt to force government action in stopping the mid-air hijackings that have increased so rapidly in the last few years. The Federation has representatives in 54 countries.

A SOUTH VIETNAMESE proposal for a direct Saigon-Vietcong confrontation to settle Vietnam's political future was dismissed on Thursday by the Vietcong as "a maneuver of the Nixon administration." Secretary of State William Rogers, however, said he was still optimistic as the State Department viewed the rebuff as a possible propaganda move.

PRESIDENT NIXON on Thursday gave to an advisory commission the responsibility for developing "a comprehensive plan for eliminating corruption and moving toward an all-volunteer armed force." The commission considering elimination of the draft will be under the direction of former Secretary of Defense Thomas S. Gates, Jr. Nixon has asked that the commission report to him by November.

A SCHOOL FINANCING PLAN was proposed in Lansing on Thursday night by witnesses before the House Education Committee. The plan would lower property taxes and raise state income taxes from 2.6 to 4.1 per cent. The proposal was made in the hopes of combating lower school revenues and the public's refusal to raise property taxes. If adopted, the proposal would supposedly raise more than \$1 billion and would reduce property taxes to 12 mills, or \$12 per \$1,000 of assessed valuation.

DWIGHT DAVID EISENHOWER, one of the most revered figures in American history, died at 12:25 p.m. Friday in Walter Reed Medical Center. He was 78 years old. His death ended a heroic struggle against a long series of major illnesses with a heart weakened by repeated attacks. The funeral service will be Monday in the National Cathedral after the general's body has lain in state in the Capitol Rotunda. Burial will be Wednesday in a chapel of the Eisenhower Library in Abilene, Kan.

ARCHBISHOP JOHN F. DEARDEN of Detroit was one of four Americans among 35 new cardinals named by Pope Paul VI Friday, which enlarged the Sacred College to a record 134 members and significantly shifted church power from Rome to the dioceses of the world. Dearden, 61 years old, is considered one of the leaders among the progressive and liberal forces in the church. He will continue to serve as head of the American bishops and chief administrator of the church in the eight-county, 1.5 million member archdiocese. (Continued on Page 2)

Church Scene Of Vandalism By Juveniles

Five juveniles were arrested by Farms police on Sunday, March 30, for investigation of entering the Grosse Pointe Memorial Church, 16 Lake Shore road, and causing senseless vandalism.

The Rev. Gary Gruber, whose residence is at 621 Fisher road, called the authorities to complain that five juveniles, four of them 14 years old, and the oldest 16 years old, were in the church.

Patrolmen Robert Kraiza, Charles Reichling and Sam Cardella arrived at the scene just as the youths were leaving the building, and rounded them up. The teenagers were identified by the minister.

The officers said that they entered the house of worship to check on possible damage and found hymnals and other books scattered on the pews and floor throughout the entire church, and according to the minister, an electronic metronome was missing. The metronome was found behind bushes near the church. One youth accused another of taking the instrument and tossing it there when police arrived.

The five were taken to the station, where under questioning, they confessed the vandalism. Their parents were called. (Continued on Page 2)

Thief Who Stole \$40,000 In Pointe Awaiting Trial

Information concerning the apprehension and arrest of a burglar responsible for thefts in excess of \$40,000 over a five-year period was released recently by Shores Detective Frank Mustazza and Sergeant Donald Jacob. Arrested was Irving Goldfarb of Detroit whose burglaries occurred in Grosse Pointe, St. Clair Shores, Lathrop Village, Oak Park, Beverly Hills, Bloomfield Hills and Township and Southfield. Five burglaries in Grosse Pointe netted the thief just under \$40,000. The first one was committed on March 5, 1963 at 1017 Yorkshire, the last one on March 19, 1963 at 387 Chalfonte avenue. Goldfarb then moved his area of operation to other suburban areas, totaling even-

Police Ask Help of Public To Cut Thefts from Cars; Many Stereos Being Stolen

Owners Urged to Keep Doors Locked and Make Record of Serial Number of Tape Player to Aid in Recovery

Car stereo-tape playing is becoming increasingly popular, as more and more motorists appear to enjoy this form of listening pleasure and install tape-recorder players in their vehicles. Also enjoying this listening, or do they, are the thieves who are becoming a big headache to law enforcement agencies.

Park Det. Sgt. James LaPratt said that thefts of car stereos are on the increase. Almost daily owners report stereo recorders, and tapes, taken from their vehicles.

In some cases, LaPratt said, the owners practically invite the thieves to help themselves, when the owners fail to lock their automobiles. Losses run into big money every month. To help cut down the number of thefts, the detective said, make sure that all doors of vehicles, particularly those which have stereos, are locked. Of course, all cars should be locked when left unattended, he pointed out.

Also, to help possible recovery of stolen players, owners should jot down the serial numbers, and keep the recorded numbers in some place, perhaps in the glove compartment, or wallet, or a safe place at home, so that in the event the item is stolen, police will have something to work on.

Many appliances, including stereos, have been recovered by police because the owners had the foresight to record serial numbers.

Police agencies everywhere ask the help of the public, requesting that if they see any suspicious person near cars to call their police departments without delay. An investigation might clear a possible car break-in, or even prevent one, or it may be that there is nothing involved. Nevertheless, call and leave this determination to investigating officers.

Youth Attacked, Robbed by Four

Craig Massimino, 12, of 720 Hidden lane, was the victim of an unarmed robbery early Saturday evening, March 29. While walking on Sunningdale, Massimino was approached by four boys, one of whom yelled at him. Massimino ignored the group and continued walking. One of the four came up behind him, grabbed him by the coat and threw him to the ground. The victim got up and again was thrown to the ground. As he got up the second time his wallet was taken, and he was warned not to follow, or he would be beaten up. The wallet contained a \$1 bill and two pictures. Massimino could give only a sketchy description of his attackers.

WINDOWS DAMAGED
Mrs. Gerald VanRiper of 111 Stephens, called police on Sunday, March 23, and disclosed that vandals had shot BB pellets through two separate thermopane windows of the library of her house. The cost of replacing the glass was not disclosed.

News Given 7th School Bell Award

Staff Writer Pepper Whitelaw Also Receives Special Citation at Lansing Ceremony

Twenty-nine Michigan newspapers and broadcasters were honored by the Michigan Education Association on Friday, March 28, for outstanding contributions to community understanding of education.

Presentations of the coveted MEA School Bell Awards were made at a special luncheon attended by some 400 educators, news media personnel and their guests, during the MEA's Representative Assembly being held at the Lansing Civic Center, March 27-29, 1969.

Three daily and nine weekly newspapers were cited for "strong and comprehensive twelve-month coverage of public education" and/or "outstanding features and editorials" on educational trends, specific school problems, and other school-related items.

Daily newspapers were: Petoskey News Review, Grand Rapids Press, and Saginaw News.

Weekly newspapers included: Ovid-Elsie Banner, Romeo Observer, Sanilac Jeffersonian, Tecumseh Herald, St. Clair County Independent Press, Davison Index, Garden City Guardian Review, Grosse Pointe News, and the Mellus Newspapers.

Radio Station WPON, Pontiac, received the award for AM radio stations.

Four FM Stations
In the FM radio category, four educational radio stations, WFBE (Flint Board of Education), WKAR (Michigan State University), WMUK (Western Michigan University), and WUOM (University of Michigan) won a School Bell Award through their joint production, "Michigan Report."

Awards for television went to three stations: WZZM-TV, Grand Rapids; WOOD-TV, Grand Rapids; and WJBK-TV, Detroit.

Special awards were given to nine individuals for their "outstanding contributions" to education. They were Pearl Kastaran, school news editor, and Zane Irwin, reporter, of the Mellus Newspapers; Boyd Conrad, education reporter, WOOD, Grand Rapids; Michael Lloyd, education editor, Grand Rapids Press; Mike Kenny, WPON Radio, Pontiac; Sonny Eliot, WWJ-TV, Detroit; Pepper Whitelaw, news editor, Grosse Pointe News; Christopher Thompson, Saginaw News; and William Bunn, editor, St. Clair County Independent Press.

Open Center Drive With Solicitation Letters to 20,000

All Residents Urged to Contribute to Meet Goal of \$85,000 Needed to Balance Budget for Operation of Memorial

The 20,000 families of the five Grosse Pointes have received letters in Grosse Pointe War Memorial's 20th Anniversary Annual Campaign for contributing members.

As of this writing there has been no chance of returns from this solicitation, but already a few donors have sent in checks or dropped them by the Center.

In 1968, \$85,964 was contributed by 5,487 families. This year's goal is a similar \$85,000 and it is hoped that Pointers will respond by Memorial Day, May 30, with donations to total this amount. The \$85,000 must be received in order to meet the needs of the operating budget for the fiscal year beginning August 1.

Contributing members donate only one-fourth of the Center's needs. The War Memorial is three-fourths self-supporting — the other monies coming from invested endowment and income from those activities and services for which a charge is made. The Center uses no tax monies or United Foundation Funds. All contributions to the Grosse Pointe War Memorial are income tax deductible.

With the passing of General Eisenhower, focus is placed on those who gave so much in way of life. The Grosse Pointe War Memorial Center is dedicated to the men who served in World War II and Korea. It is a unique, living War Memorial carrying on in the community the kind of living for which they fought and died.

David Kendall Quoted
To quote David W. Kendall, who was a member of the Eisenhower administration and is the president of the Grosse Pointe War Memorial Association, the Center is "founded on the twin ideology of service and patriotism — service for the living and remembrance of those who sacrificed that the living might grow and be happy and enjoy old age."

The Grosse Pointe War Memorial provides wholesome family recreation and entertainment, youth programs, free loan of hospital equipment, accommodation for activities of a multitude of community organizations, senior citizens' activities, cultural enrichment, study opportunities, special interest groups and forums on community, national and world affairs.

The magnificent property and buildings were given entirely free to our community. It is hoped Grosse Pointers will continue in 1969 to contribute, as they always have, one-fourth of the annual operating fund. All have been given postage-free remittance envelopes to facilitate returns.

REPORTS THEFT

A woman employe of the Wick and Willow Shop, called Park police on Thursday, March 27, and reported that an unknown person had taken a wicker-basket type purse, valued at \$30, from the store.

The first break-in was reported by Mr. and Mrs. George Nigri of 1351 Berkshire road, who disclosed the burglary breaking and entering was revealed by a maid, (name withheld), employed by the Jack Robbinses, of 1168 Yorkshire, which took place sometime between March 24 and March 31.

At the Nigri residence, the detective said, entry into the place was gained by the thieves by removing a grating from an outside window well, dropping into the well, and smashing a window leading into the basement with a plastic baseball bat.

All Doors Secured
Saifurd said that the intruders, (there had to be more than one), he pointed out, were unsuccessful in trying to enter the first floor of the house because all doors, including the one leading from the basement had been doubly locked and secured.

The burglars in searching the basement, took approximately \$150 worth of fine whiskey, the Nigris said. They told Saifurd that they left home at about 6:30 p.m. and returned at about 10:25 p.m., at which time they discovered the breaking and the loss.

The thieves finding that they were unable to escape with their loot through the window in which they entered, opened another basement window at the rear of the building and cut the screening, then after putting the liquor outside, got out and left.

Public Office Hopefuls Seek Voters' Favor

Farms Electors to Cast Advisory Ballots on Whether or Not Council Should Enact Fair Housing Law

Candidates for public office in the Farms and in the Park, are on the last stretch of their campaigns as they ask electors to cast ballots in their favor on Monday, April 7.

The Farms voters will elect four councilmen and one municipal judge, and will cast advisory ballots on a proposed Fair Housing Ordinance, which could determine whether or not the city council shall enact such a law.

The Park electors will be concerned with electing a mayor, three councilmen, and a municipal judge, the latter to succeed Judge C. Joseph Belanger, whose term expires on July 4, and who cannot seek re-election because of his age. Under an existing State Election Statute, any person holding judicial office must retire from that post on reaching 70 years of age.

Absentee Ballots
The absolute deadline for absentee ballot applications in both communities, as required by State Law, is Saturday, April 5, at 2 p.m. The municipal offices will remain open until that time.

Eight candidates are seeking to fill four seats around the Farms council table. Two of the candidates are incumbents, Richard C. Hudson and Mark C. Stevens.

Others vying for the posts are Mrs. Nancy (William J.) Waugaman, Robert T. Herdgen, Jr., James S. Allor, John P. Cushman, Francis J. Weskel and Fred W. Gerow.

When the votes are counted, there will be at least two new faces on the council, since Henry Bodman II, who served on the council for 12 years, did not seek to be returned, and Benjamin Warren resigned in December, for reasons of health.

After the votes are tabulated, the three candidates receiving the highest number of votes will serve on the council for a four-year term; the fourth highest serves a two-year term.

Under the Farms City Charter, the people do not elect a mayor. This is done by the members of the council, who elect one of their own. Mayor William Butler's term in this office will expire on April 7, but he could be re-elected by his colleagues.

Pytell Unopposed
In the municipal judge race, Robert Pytell, presently holding that post, is unopposed. He is assured of four years in the office. He was elected two years ago to fill the unexpired term of Grant E. Armstrong, who resigned.

The Farms voters will be asked to ballot on a Proposed Fair Housing Ordinance, which will be printed on the ballot sheet as follows: "Shall the Council of the City of Grosse Pointe Farms adopt an Ordinance prohibiting discrimination in the sale or leasing of real property in the City; and pro-

Both Brown and Hall pleaded innocent.

SECRETARY OF STATE James M. Hare has ordered his staff to investigate the reasons passenger car owners paid \$20 million more for 1969 license plates than they did for 1968 plates, but truck and trailer owners paid \$2 million less than they did in 1968.

Tuesday, April 1
THE BODY of Dwight David Eisenhower was borne in a flag-draped steel coffin through the streets of Washington to a train which is taking him over famous Civil War battlefields, across the mountains of West Virginia, through Midwestern farmlands and home to Abilene, Kan. The long journey follows the majestic ritual of a state funeral in which the leaders of America and the world paid tribute to the fallen World War II hero and 34th President of the United States. Some 2,000 invited guests attended the moving funeral beneath the gothic tower of Washington Cathedral.

DR. MILTON EISENHOWER, youngest brother of Dwight David Eisenhower, was taken ill at Washington hotel Monday and admitted to Walter Reed Army Hospital for observation. Dr. Eisenhower, 68, is one of two surviving brothers of the former President. He and other family members were waiting to attend funeral services at Washington Cathedral for General Eisenhower.

Mayor Butler has sent letters to the city's electors, asking that they back the ordinance, which has also received support from a number of Pointe civic groups and clergymen and a large number of local citizens.

Two Seek Judgeship
In the Park, two nominees will vie for the post of municipal judge, William E. Speer and Carl Schweikart.

Electors will vote for a mayor and three councilmen. Unopposed for the office of mayor is Matthew Patterson, who presently holds the post, whereas, three incumbent councilmen, George Verdonck, Warren Couger and Douglas Graham, are being challenged for their seats.

Hoping to replace at least two of the incumbents, are newcomers Marco Valente, Jr., and Mitchell Simon.

Under a section of the Park City Charter, a municipal judge is elected in April, and assumes office on July 4.

On retirement from his post, Judge Belanger said that he will concentrate on his private law practice.

Residences are also inspected with regard to proper electrical wiring to prevent the overloading of circuits and improper fusing. Further caution is stressed in the disposal of cigarettes and matches, which are major causes of fire.

In the final analysis, the Beautification Council stresses how the beautification of a city and public safety go hand-in-hand, how the success of one is strongly contingent on the success of the other.

in private homes. The newspapers were a favorite source of information for Goldfarb. From them he would learn who was on vacation, then enter the vacant home and ransack it at his leisure. One such Grosse Pointe burglary resulted in a \$31,700 loss for the occupant.

Another method employed by Goldfarb was to cruise a residential area on, for instance, a Sunday morning, watching for families going to church. When he was sure the family was gone and the house was empty, he would enter and take whatever valuables he could find.

On February 18, 1968, Goldfarb pled guilty before Circuit Court Judge Richard Maher. Sentencing was set for March 14 and Goldfarb was released on \$10,000 bond.

Subsequently, however, Goldfarb changed his mind and decided to plead not guilty. A new trial date, April 21, has been set for Circuit Court. A \$25,000 bond was set and, unable to meet it, Goldfarb has been remanded to the Wayne County Jail.

BATTERY STOLEN

Walter R. Weber, 751 Fisher, called City police on Friday, March 28, to report persons unknown had stolen the battery from his '69 Chevrolet station wagon, which was parked in his driveway. Mr. Weber told officers he parked his car there around 10:30 p.m. on Thursday, March 27, and when he returned the next morning discovered the theft. Value of the battery was \$35. Mr. Weber also told police that on Wednesday, March 26, he had detected an odor of beer in his garage. He believes unknown persons are drinking there.

**Youths Arrested
At Crime Scene**

While on patrol on Mack avenue between Hollywood and Ridgemoor early on Sunday morning, March 30, Woods Cpl. Peter Thomas observed a young man leaning in a window at 20879 Mack.

Cpl. Thomas stopped his scout car on Mack near the remains of the Community Center and got out to investigate.

The officer was spotted by the young man, who started toward the rear of the Center. Cpl. Thomas noticed a light on in the office of the building and that a window appeared to have been knocked out.

The youth was stopped by the officer and told to place his hands over his head and lean on the building. At this time, a second youth looked out through the broken window. He was ordered out of the building but refused and ducked back into the building, at which time the light went out.

The apprehended youth yelled for his accomplice to come out, but his pleas were ignored.

Assistance was asked for and received from other Woods officers and the building was entered. The Prudential Life Insurance Company occupies one of the two offices and Dr. Mark Fine the other.

Inside the rear door, Patrolman Donald Schmalz, who was one of the officers answering the call for assistance, apprehended the second suspect.

Arrested were Michael Kelly, 23, of 1704 Hampton and Thomas Hartley, 19, of 1825 Hampton. They had gained entry to the building by throwing a cement block through a window. Blood was discovered at a number of points, the apparent result of one of the suspects being cut entering through the broken window.

Although Kelly and Hartley had ransacked the two offices, nothing was discovered to be missing.

went to the front part of the house, stepped on a window ledge and pulled himself up to the second story porch. He then opened the storm doors, and broke the glass of the French

doors leading to the master bedroom.

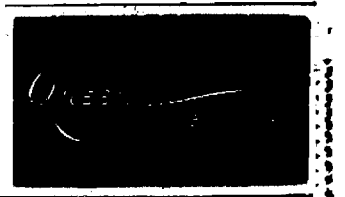

The burglar made a complete search of the bedroom, dumping the contents of a dresser drawer on the bed.

Saifird said that the intruder

searched the rest of the house, including all the rooms of the first floor, which was left extremely neat. The only disorder was the dumped drawer in the bedroom, the officer added.

It is not known what is missing, if anything, but this will be determined when Mr. and Mrs. Robbins, who are out of

town, return home within a few days, Saifird said.

Also offered are Yoga and Karate, French Conversation Salons—both beginning and intermediate—and Ground School Flight Training.

Plan Services On Good Friday

The Grosse Pointe-Northeast Detroit Ministerial Association is sponsoring Good Friday services at two locations again this year.

One service will be held at Grosse Pointe Woods Presbyterian Church, 19950 Mack Avenue, from 1 to 2:30 p.m. The theme of this service will be "The Cross and Human Living." Participating clergy include Rev. Dale Ibric of Grosse Pointe Baptist Church, Rev. John William Estes of Grosse Pointe Congregational Church, Rev. Gerald Blevins of Woods Presbyterian Church, and other local clergy.

Another service will be held at the Eastland Shopping Center Auditorium. Under the supervision of Rev. James Parks of First Church of the Brethren, various area clergy will conduct brief services each hour from 12 noon to 5 p.m.

The public is invited to attend the services.

Special Services At St. Paul Ev.

Next Sunday, April 6, a 7 a.m. Easter Sunrise Worship Service will feature the observance of the day at St. Paul Ev. Lutheran Church, Chalfonte and Lothrop. A breakfast, served by the Luther League, will follow at 8:15 in the Fellowship Hall.

A motion picture will be presented for all departments of the Sunday School at 9:30. The regular worship service will be held at 11 o'clock with Sunday School at the same time. The Sacrament of Holy Communion will be made available at 12:15.

A Tre-Ore Service will be held on Good Friday from 12:30 until 3. Participating will be Pastors Reginald Holle and William Eisenmann, Salem Memorial; Mr. Michael Rothaar, Capital Theological Seminary, Columbus, Ohio; Mr. William Horvath, Luther Theological Seminary, St. Paul, Minn.; Vicar Thomas Andersen and Pastor Charles Sandrock, St. Paul Church. A service with Holy Communion will be conducted at 7:45 p.m.

The Sacrament will be offered also on Holy Thursday at 7:45 p.m. and at 1:30 p.m.

THE PITCH
Strategy is a science—men use it to induce others to walk blindly into their traps.

Portrait Drawing will be taught by Carol Wald, former instructor at the Society of Arts and Crafts, on Wednesdays beginning April 16. For beginners, the class will meet from 9:30 a.m. to noon weekly. She will hold a Portrait Painting class for advanced students the same day in the afternoons from 12:30 to 3:00. Classes continue 10 weeks for a fee of \$35 plus a small model cost.

A Flight Training Ground School will be held at the Center Wednesday evenings from 7 to 10 p.m. beginning April 16. Taught by Wally Coche and Connie Earl for a fee of \$25 for 10 lessons, the course qualifies one to pass the written examination required by the F.A.A. for private pilot's license and with small extra work enables one to take the commercial pilot's examination. In-flight training can follow immediately. A free evening of Introduction to Flying will be held a week prior

to the class at the Center on Wednesday, April 9, at 7:30. At that time, the Regional Director of F.A.A. will present a film and a representative from Cessna will be present to answer questions.

Also beginning their spring term on Tuesday, April 8, are Ray Fleming's painting classes. The Mercy College instructor will teach Beginning Acrylic and Oil Painting each Tuesday morning 9:30 'til noon. From 1 to 3:30 p.m. he will hold a Life Painting class complete with model. Those using the services of a live model share in the additional cost.

A daytime Yoga class also begins Tuesday, April 8, taught by Mrs. Norma Cheff, SRF. The class will meet for eight weeks from 10 to 11 a.m. for a fee of \$20.

Beginning and Advanced Karate classes start the spring term Sunday, April 13. They are held simultaneously from 3 to 5 p.m. under Wayne State University Karate Club members directed by Sang Kyu Shim, who introduced Korean Karate to Detroit. Membership is \$15 for eight weeks.

Bruce N. Tappan Designated Certified Residential Broker

Realtor BRUCE N. TAPPAN has received the designation Certified Residential Broker (C.R.B.), Owen E. Hall, Birmingham, Michigan, President of the National Institute of Real Estate Brokers announced recently. The designation expresses extreme competence in the field of Residential Real Estate Brokerage and is earned by accumulating at least 200 credits out of a possible 350 credits. The National Institute of Real Estate Brokers is the largest professional organization affiliated with the National Association of Real Estate Boards.

In announcing the Designations award, Mr. Hall invited public attention to the fact that "many years of diligent and successful study and practice are normally needed to become a Certified Residential Broker. Those seeking to buy, sell, or trade residential real estate may rely fully on the designee's ability and training."

Mr. Bruce N. Tappan recently announced the addition to his staff of two other experienced and well known persons—Mr. William E. Booth, who is currently serving as President of the Michigan Real Estate Association, and Mr. John A. Moss who is a partner in his other office. Mr. Tappan's long time associate Rita K. Dodge has been elected to continue as office manager of his office operating under the name of BRUCE N. TAPPAN & ASSOCIATES, REALTORS.

will join other Phi Mu alumnae and collegiates from all parts of Michigan for State Day Festivities in Battle Creek on Saturday, April 12. Mrs. George W. Lamb, of Lafayette, Ind., will speak on this year's theme, "Growing with Phi Mu."

Most experts say progress moves in cycles—just a tactful way of saying that most of the time we're running in circles.

Voters of Grosse Pointe Farms

VOTE NO

on MONDAY, April 7th

"Shall the Council of the City of Grosse Pointe Farms adopt an Ordinance prohibiting discrimination in the sale or leasing of real property in the City; and providing penalties for the violation of the provisions of this Ordinance?"

Discrimination in the sale or leasing of real property in Grosse Pointe Farms is already prohibited by the Michigan Fair Housing Law, Act No. 112 of Public Acts of 1968; Civil Rights Act of Apr. 9, 1866, c. 31, 14 Stat. 27, 42 U.S.C.A. Sec. 1982; and by the Civil Rights Act of 1968, Pub. L. 90-284, Ap. 11, 1968, 82 Stat. 73, 42 U.S.C.A. Secs. 3601-3619.

The right of all citizens to buy or lease real property in Grosse Pointe Farms, regardless of race, religion, or national origin, is already adequately protected by existing State and Federal laws which are effectively administered by the Michigan Civil Rights Commission and the Secretary of Housing and Urban Development (HUD). The proposed ordinance in Grosse Pointe Farms is unnecessary—VOTE NO.

Existing State and Federal housing laws are enforced by civil proceedings. The proposed Grosse Pointe Farms housing ordinance will be enforced by criminal proceedings against the residents of Grosse Pointe Farms who may be sentenced to not more than 90 days in jail and/or to pay a fine not exceeding \$500.00. This criminal enforcement of the proposed ordinance far exceeds in harshness and severity the measures that the Congress of the United States and the Legislature of Michigan deemed appropriate for effective enforcement of fair housing legislation—VOTE NO.

This punitive ordinance gives absolutely no rights, remedies, or benefits to either residents or non-residents of Grosse Pointe Farms. It is certain to create disunity, dissension and resentment in the community and to obstruct seriously the ultimate solution of social problems—VOTE NO.

The provisions of the ordinance are not on the ballot. Why? How can a voter make an intelligent decision when he does not know specifically what he is voting for—or against?—VOTE NO.

This is an advisory vote ordered by the Council of Grosse Pointe Farms for an expression of an opinion. You must vote to express your opinion if you want the Council informed on this issue—VOTE NO.

Do not allow a small number of voters to determine the outcome of this important election. Contact your friends and neighbors and remind them to vote on Monday, April 7—VOTE NO.

A concerted effort is being made to have all five Grosse Pointe municipalities adopt similar housing ordinances. All Grosse Pointers who oppose the adoption of these proposed ordinances are invited to join our association. We remain the only organization in Grosse Pointe which represents the individual property owner. We have no rival organizations; the job is too hard and the rewards are too few. The economic, social and political problems of Grosse Pointe are rapidly increasing. However, Grosse Pointe—and your home—need not suffer premature deterioration. Both can be maintained for many years to come, but only if you are willing to support organized efforts to preserve them.

We are proud of Grosse Pointe. Are you?

We, the undersigned residents of Grosse Pointe are proud of our community. We believe Grosse Pointers are fair minded and respect the rights of others. On April 7 a fair housing ordinance will be on the ballot in Grosse Pointe Farms. We believe that it is natural for a community of this character to demonstrate its willingness to pass this ordinance which we consider morally and ethically right.

Even though only Grosse Pointe Farms residents will be able to vote for this ordinance on April 7, we urge other Grosse Pointers who share our concern to join with us by adding your name to this roster of Grosse Pointe residents and organizations who support Fair Housing.

Even though the election in Grosse Pointe Farms is only a few days away, additional funds are required to continue our efforts in the other Grosse Pointe communities. If you have not yet made a contribution to Fair Housing, please send whatever you can give.

If you are proud of Grosse Pointe, take a minute to fill out the coupon below. And add your name to the list. If you live in the Farms, vote "Yes" April 7.

TEST DRIVE SCRAMBLER

As seen on TV

Find out for yourself what this new concept in mobility is all about.

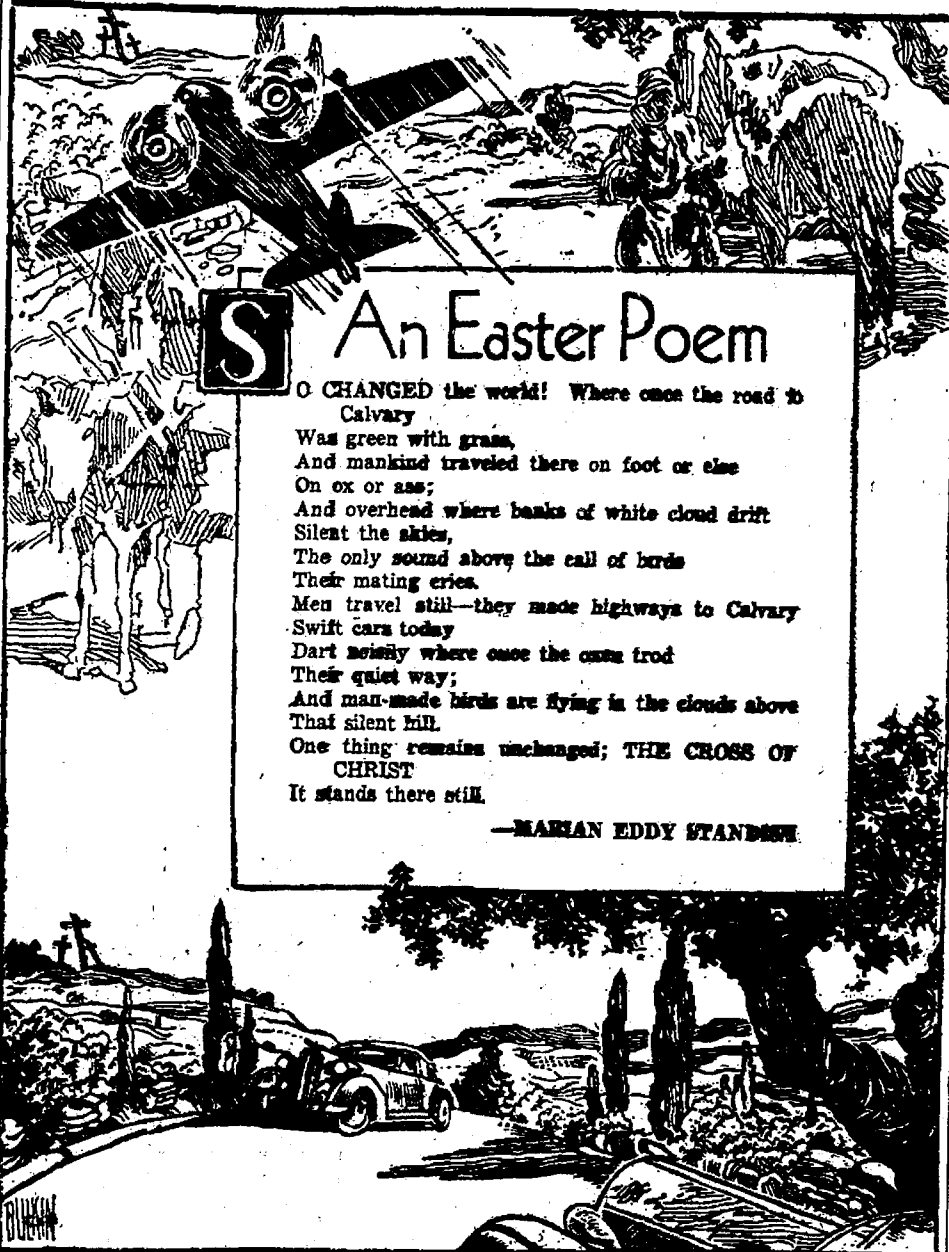

Scrambler is six wheels of go-anywhere, year-round fun for the whole family. An ideal vehicle for hunters and sportsmen.

Climb 45% grades. Romp through a swamp. Ford a stream. Scramble over a dune. In snow, out-manuever anything on skis. You won't believe it till you've driven it.

An Easter Poem

SO CHANGED the world! Where once the road to Calvary

Was green with grass,
And mankind traveled there on foot or else
On ox or ass;
And overhead where banks of white cloud drift
Silent the skies,
The only sound above the call of birds
Their mating cries.
Men travel still—they made highways to Calvary
Swift cars today
Dart nimbly where once the oxen trod
Their quiet way;
And man-made birds are flying in the clouds above
That silent hill.
One thing remains unchanged; THE CROSS OF CHRIST
It stands there still.

—MARIAN EDDY STANDISH

This poem first appeared in the Detroit Times in 1939. It is reprinted here with the permission of the Detroit Times, which subsequently purchased the Times. The author, Mrs. W. Colburn Standish, lived for many years in Lakeland avenue. She is now a resident of The Whittier Hotel and at 85 recalls with great charm the years she spent writing for all three Detroit dailies. When the Grosse Pointe News was very young, back in the early 40's, it carried, serially, "Sarah Was So Sensible," one of her novels with a Pointe background.

Week to Speak To Garden Club

The fourth of six lectures offered by the Department of Community Services in cooperation with the Men's Garden Club will be held on Wednesday, April 9, from 7:30 to 8:25 p.m. Harold A. Weik will present a talk titled "Fruits and Vegetables," in which he will summarize what he considers to be the most important points in the successful growing of prize vegetables and fruits in the home garden.

Weik consistently grows the finest vegetables, and in competition in the annual Men's Garden Club Show he has won many ribbons for his fine specimens. He is an active member of the Club and was its delegate to the Men's Garden Club of America National Convention the past three years.

The lecture will be presented at 43 Grosse Pointe boulevard.

Latin Students At Convention

Eleven Latin students from St. Paul High School attended the Michigan Junior Classical League convention at Michigan State University in Lansing on Saturday, March 29.

The convention is held annually, alternating between Michigan State University and the University of Michigan. Its main purpose is to help Latin students expand their knowledge. It is held just as a political convention but the students take full control of the project.

This year there were two guest speakers at the convention, Dr. Robert Green and Dr. William Szeman. The speakers are an associate professor of the James Madison College at Michigan State University and the chairman of the Department of Classical Languages of Michigan State University.

There were contests in classical mythology, vocabulary, derivatives, seminars on "A Day in Old Rome," "Classical Art," "The Roman House" and other subjects related to the language of ancient Rome and its culture. Immediately following were elections for the League's new officers.

A LOT OF STAMPS
The Detroit Post Office sold 202,714,200 six-cent stamps and 39,063,300 one-cent stamps in 1968.

If the six-cent stamps, alone, were placed singly, end-to-end, they would form a ribbon of stamps long enough to extend from Bangor, Maine to San Diego, CAL., with enough left over to string a streamer from San Diego to Disneyland and back to San Diego.

A man can't be judged by what other people say about him, but he can be judged by what he says about others.

Erratic Driving Leads to Arrest

While on patrol early Sunday morning, March 30, Woods patrolmen Ted Hinz and Robert Setchell observed on northbound Mack avenue at Cook road a vehicle in the center lane suddenly make a sharp right turn into the parking lane.

The driver then straightened out his car, turned the wheel to the left and continued to use the far left-hand lane. He then re-entered the center lane of traffic.

While the police officers continued their observation, the vehicle continued to veer from the right to the left lane, the driver apparently unable to stay in one lane.

The erratic driving continued onto Fairholme as the driver drove on the left side of the street. The officers stopped the car. When the driver got out, his car, left in reverse, rolled back a few feet into the scout car, causing no damage to the police car and only minor damage to the suspect's car.

The driver was staggering and could not remove from his billfold his license and registration when asked to do so.

Arrested for driving while under the influence of liquor was Otto Reinhold Ehrlich of 1520 Fairholme. He was released after posting a \$70 bond.

Clergy Support Housing Group

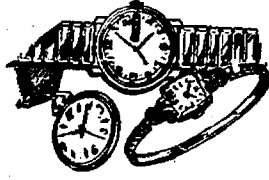

Local ministers have given support to the efforts of the Fair Housing organization in Grosse Pointe.

During the recent meeting of the Grosse Pointe-Northeast Detroit Ministerial Association, the ministers present gave approval to urging Grosse Pointe residents to support in whatever way possible the April 7 election in the Farms. The group also seeks to encourage other areas of Grosse Pointe to take a positive stand with respect to fair housing.

Sunday, March 23, was observed as "Fair Housing Sunday" in many of the churches of Grosse Pointe.

Babe Ruth Loop Tryouts Slated

Dates for final registration and tryouts for Babe Ruth baseball in the Farms, City and Park have been announced.

Tryouts for the 13-15-year-olds will begin on Saturday, April 5, and continue on Saturday and Sunday, April 12 and 13. Final registration will be on Saturday, April 12.

Boys from the Farms and City should report to Kerby Field, boys from the Park to the Neighborhood Club field. The times are 10 a.m. on Saturday and 1 p.m. on Sunday.

Boys who participated in Babe Ruth last year do not have to try out, but they must register by April 12 to be eligible to play.

Net Team Hurt By Graduation

By Craig Carr '68

Last year the Blue Devil tennis team tied with Monroe for first place in the BCL, but defending that championship this season, says Coach Donald Zysk, is going to be an extremely difficult task.

"We lost eight of last year's ten starters," Mr. Zysk pointed out, "and the only returning lettermen we have are Terry Crockett and Gene Turnbull."

"Through graduation we lost Rick Ferman (the number one singles player), Ernie Kelly (number three), Rick Scarvada (number four), and our first two doubles teams." Last season's number two singles player was a sophomore, Tom Keller, but he goes to North this year.

"He would have been a solid number one singles for us this season," Coach Zysk commented.

As it stands now, the absence of last year's top eight players will certainly hurt the team. Crockett and Turnbull, who were the number three doubles team in 1968, must form the nucleus for this year's squad.

"We also have some guys like John Miller, Gary Hughes, and Mike Stewart who obtained some experience in competition last year," said Mr. Zysk.

These players will most likely fill some of the gaps, but there may also be some good players in the "45 to 50 boys" who went out for this year's team.

Because of this unusually large number of tryouts, Mr. Zysk, at this point, does not know who his starting ten players will be.

"We're holding a tournament to find out who the best players are," he said, "and we'll probably take the 20 best for the team. Then they'll have to fight it out for the top ten spots."

There will actually be three tournaments, one for seniors, another for juniors, and a third for the ninth and tenth graders. The top finishers, then, will play each other.

"You never know," Coach Zysk added, "we may have some great ninth-grade tennis players."

Mr. Zysk isn't counting on any superstars, but his team will have to be constantly strong to keep up with the other teams in the BCL.

"Monroe is good again," said the Devil coach, "eight of their last year's ten starters are returning." As for the other teams, though, they are experiencing the same problem as

Grosse Pointe—"They have all lost some boys."

The Devils play two non-league matches in their 12-match season, one against Ann Arbor, and the other against Cranbrook on April 16 in the season's opener. "The non-league matches are always tough," said Mr. Zysk, "so we'll be concentrating on the league matches."

"I couldn't even project how we would finish in the BCL," he added. "It's all a problem of developing our full potential by the time the season starts. The weather wasn't too good early in the season and I'm afraid we haven't had enough time outside."

Hockey Banquet Attended by 550

Over 550 hockey enthusiasts attended the Grosse Pointe Hockey Association's Annual banquet at the Gourmet House last week. This was the largest turnout ever assembled for this annual event and it was a tremendous testimonial to the popularity of minor hockey in Grosse Pointe.

Guest speakers for the evening were Bill Gadsby, head coach of the Detroit Red Wings, and Gary Bergman, the Wings' All-star defenseman. Also in attendance was former Wing great, George Gee, and Ron Kramer, the recently retired All-Pro football star of the Detroit Lions.

All four of these athletes were invited to the banquet by Joe Mink of the Hydro-Pierce Corporation as his special guests and they all enthusiastically endorsed Grosse Pointe's rapidly expanding hockey program.

The entire program, including all the many pre-arrangements were under direction of Don McCubbin who spent a tremendous amount of his personal time to see that all the countless details were in order. Also assisting with the program were Jeff Welsber and Doug Donald. This function as with all the Association's activities was strictly on a voluntary basis and they all, without exception, are carried out in a very professional-like manner.

A large part of the program involved the presentation of the various player and team awards won during the past season. Unfortunately some of the trophies had not arrived in time for the banquet but they will be given out later by the Divisional Managers involved. There was however one special trophy on hand which was awarded to the top team in the newly created Mite League, and that was the Jim Costello family's Memorial Trophy.

Before the banquet was formerly adjourned and the youngsters permitted to seek autographs, a special award was made to retiring president Wilton Henderson. This award was made by the Association as a tribute to the leadership and effort put forth by Wil during the two years he served as president.

If the enthusiasm shown at this banquet by youngsters and parents alike is any indication of the tremendous support of minor hockey in Grosse Pointe it seems inevitable that this community will soon have its own public artificial ice arena.

Bantam Hawks Capture Crown

The Godin Tool and Die Hawks, Grosse Pointe's entry in the Southeast Michigan Hockey League, won the League Championship last Sunday night in Port Huron, as they downed Royal Oak by a 3 to 0 score. The Hawks were one of eight teams playing in the Bantam Division and they finished the season one point ahead of runner-up Fraser.

The game was a "must" game for the Hawks since a loss would have left them in second place. From the very out-set of the game they served notice that they fully intended to win as they out-hustled Royal Oak at almost every turn. The Hawks were playing without three of their regular players and most of the team had to put in double duty.

The first period of play ended without either team being able to score and both goalies, Dave Versical for the Hawks and Bill Ergo for Royal Oak, were called on to come up with some fine defensive plays. There were four penalties handed out in the first period, two to each side.

There were only four minutes gone in the second and final period when Ben Jones of Grosse Pointe banged in a goal from close in as he was set up perfectly by Marty Griffin, who out-hustled two Royal Oak players in the corner and threw out a perfect pass to Jones who made no mistake on the play.

The Hawks' second goal of the game came at the 10-minute and thirty second mark of the same period when Chip Lenahan took another perfect pass from Dave Sicklesteel at center ice and as he broke in over the Royal Oak blue line he unleashed a tremendous slap shot from 30 feet out that completely beat the goalie.

The final goal of the game came with only two and a half minutes left to play as Dave Sicklesteel slammed the puck home from close range. Drawing the assists on the goal were Jay Henderson and Clay Purdy.

This league championship, won by the Hawks, was the first such one for practically all of the players and bedlam broke out as the final buzzer sounded and the Hawks poured onto the ice to congratulate goalie Dave Versical, who played a tremen-

Pair Get Jacket Valued at \$885

A mink jacket, valued at \$885, was taken from Jacobson's, 17030 Kercheval, on Tuesday, March 25. On that date a young Negro couple entered the fur salon and asked to see some furs.

The clerk showed the pair a few styles then went into the storeroom to find another fur. While in the storeroom she heard the sliding glass door of the showcase being opened. She immediately returned to the floor in time to see the man heading for the rear exit and the woman heading for the front exit.

The clerk notified the assistant store manager who notified the police.

The pair were described as about 30 years of age. The man was about five feet five inches tall, 130 pounds, with fine features. He was wearing a snap brim hat and a lightweight black overcoat.

Life today is a tug-of-war, and outgo wins over income.

HOW DOES THE MAYOR OF GROSSE POINTE FARMS FEEL ABOUT FAIR HOUSING?

Dear Friends:

On Monday, April 7, you will have an opportunity to register your vote on a proposed Fair Housing ordinance for Grosse Pointe Farms. This issue is an extremely important one to our community; and you should know why this proposition has been placed on the ballot and what factors speak in its favor. I hope you will consider these facts and vote "yes" on the proposition.

Petitions were being circulated by a group of concerned citizens requiring the Fair Housing ordinance to be placed on the ballot. Rather than have the issue tried by door-to-door solicitors on this procedural point, the City Council decided to avoid this divisive community debate and voted unanimously to place the question on the ballot for an advisory vote. By this direct approach, the Council reasoned, every resident could register his opinion.

Federal and State law already require the same nondiscrimination in real estate transactions that will be embodied in the proposed ordinance. Why, then, since the ordinance will not place any new restrictions on property owners, should you be asked to vote in favor of a proposal that can have little practical effect? The answer is that an affirmative vote will be positive proof that the citizens of Grosse Pointe Farms are concerned about this sensitive problem and are willing to support the prevailing law on the subject; whereas, a negative vote will seriously hurt Grosse Pointe Farms and the entire Grosse Pointe community. A "yes" vote on the measure (which merely repeats policy already written into State and Federal law) will establish our citizens as people of good will and will go a long way towards combating the unjust accusation that Grosse Pointe is a center of wealthy reaction; a "no" vote on the measure will, of course, have the opposite effect. We all know how much of this negative publicity—prejudicial to our City—has already been published in the local and national press.

This, then, is a real opportunity for the voters of Grosse Pointe Farms to assert their traditional leadership on this sensitive issue within our community, the Metropolitan Detroit area and, perhaps, even the entire nation. Hence, this unprecedented letter urging your "yes" vote on the Fair Housing question next April 7.

Yours very truly,
William G. Butler

University School News

The winter athletic season, marked by successes and has ended for the Grosse Pointe University School. It was a season of dramatic moments, too.

The wrestling team won its first match in several years and narrowly missed winning at least two others.

The hockey team finished second in its division of the International High School League and produced one of the dramatic moments in the first round of the play-offs. Trailing St. Ambrose 3-2 with less than three minutes to play in the game, the team scored three times to win going away. The team finished with an overall record of 7 wins, 10 losses, and 1 tie.

The basketball team, which found itself an easy winner or a close loser throughout most of the season, continued true to form in post-season play by winning the Class D district championship handily, and by moving to the finals of the regionals with a decisive win over Almont High School. On March 15, however, the pattern was abruptly ended as a very strong Detroit St. Martin's team eliminated the Knights from further tournament action by an emphatic 22 points. This left GPUS with an overall 14-7 record.

The girls' varsity teams in volleyball and basketball were not so successful, however, if one is primarily interested in scores. But each team did win at least one game, and there are still those who maintain that, after all, it's how you play the game and not whether you win or lose! So much for post-mortems.

Pre-season practices have begun in almost all varsity sports. The balmy weather was welcomed by baseballers and tennis players in particular. Coach William Hinde anticipates a strong baseball squad this year having lost only one starter through graduation. Mark Kulek, Kevin Bolton, and Meredith Jackson should give the team plenty of offensive power. Pitching will be the unknown quantity this year. A strong mound corps could make the Knights a team to be reckoned with.

Coach Robert Wood looks for another powerful tennis team, bolstered by the return of two-time Class C-D State doubles champion Tophar Ware, and Craig Dickson, runner-up in last year's state singles tournament. For the third consecutive year, Coach Wood is taking three members of his squad to Florida for two weeks of concentrated tennis.

The track team, coached by Samuel Shreeman and Tony Elliot, will blend youth with experience this year. Returning stars from 1968 are seniors Kirk Stanfield, who finished fifth in the state in the 220-yard dash last year, and Del Dillingham, another dash man. Several sophomores will be second-year men on this year's varsity, and more young talent is expected to come from a fine group of ninth graders who are trying out for the first time.

The girls' varsity teams in lacrosse and tennis also face busy seasons. The lacrosse team will play 10 interscholastic games and the tennis team has scheduled 11 matches.

Lt. William P. Clark Wins Wings of Gold

Marine First Lieutenant William P. Clark Jr., son of Mr. and Mrs. William P. Clark of 80 Kenwood road, received his "Wings of Gold" as a designated Naval Aviator and Helicopter Pilot. He completed flight training with Helicopter Training Squadron Eight at the Naval Air Station, Ellyson Field, Pensacola, Fla.

End Basketball Season at Club

The Neighborhood Club basketball program finished its most successful season recently with an exciting championship game between the Warriors and Royals. The final score, 22-20 Warriors, reflected the closeness of the game, which was not settled until the final second.

Tim Quinn scored 14 points in the second half to pace the Warriors' attack, offset by fine playing of Jim Fisher, Stew Thiede and Dick Borland of the Royals.

Earlier, the North (5th and 6th graders) pro league defeated the South League in the annual All-Star Game. Quinn and Dennis Livingston paced the South Stars with 8 points each, but the well balanced North attack proved the difference. Drew Miller helped the cause with 6 points in the last half. South made a desperate comeback but fell short 24-21.

In the Collegiate League, (4th graders), Princeton took the championship with an 18-10 win over Kentucky. Langs and Smith paced Princeton, while Conlan played outstanding ball in a losing cause. Kentucky controlled the ball through much of the game but could not get the ball to fall when it counted. Princeton, however, controlled the boards and made their shots count.

The Collegiate All-Star Game

was won by the South, 13-8. Conlan scored 3 and was supported by a well balanced South attack. The North Stars, paced by Nordy with 4 points were always in the game but missed the break they needed.

The 7th and 8th grade league was won by a group of boys from Parcels Middle School, who dominated the league with a 9-0 record. Constantine, Clark, and DeMars played fine ball for the Greens.

The Adult League ended in a tie which will be played off March 28 at Brownell Middle School at 8:45 p.m.

Lieutenant Martin Named Top Student

Second Lieutenant Jerry L. Martin, son of Mr. and Mrs. James C. Martin, 1526 Hawthorne road, was the top academic student of his class, which completed flight training at the Army Primary Helicopter School March 14.

He completed the course with an academic average of 98.7 to earn the "Outstanding in Academic Achievement" award sponsored by the Fort Wolters Chapter of the Army Aviation Association of America.

Lieutenant Martin is now at Hunter Army Airfield, Georgia, where he is taking 16 weeks of

advanced flight training. He is a 1964 graduate of Grosse Pointe High School and a 1968 graduate of Michigan State University. His wife Glee is the daughter of Mr. and Mrs. Vern Nelson, 61 Washington street, Cadillac, Mich.

Judge Belanger Hears 35 Cases in Court in Park

Forty-three persons received summons to appear before Park Municipal Judge C. Joseph Belanger on Wednesday, March 26, to answer for law violations, and 17 failed to appear. Warrants for the arrests of the 17 were signed by the judge.

Jerome Verschate of 22749 California, St. Clair Shores, accused of driving a motor vehicle while his ability was impaired, pled guilty and was fined \$90, or 20 days in the Wayne County Jail. He paid the fine. He was placed on probation for one year, during which time he can drive to and from work only.

Roger Ruble of 14766 Collinson, East Detroit, entered a plea of guilty to reckless driving, and was sentenced to pay a fine of \$50, or 10 days in jail, and placed on probation for 30 days. He surrendered his operator's license to the court for the period of probation, and paid the fine rather than serve the jail term.

Marvin Chaney of 1342 Lakeview, Detroit, charged with reckless driving, (speeding, passing and cutting into traffic), pled guilty. He paid a fine of \$40, rather than serve a 10-day jail term. The court ordered Chaney to surrender his license to his mother for a two-month period, during which time he will be permitted restricted driving only.

Billy Hensley of 2135 Newport, Detroit, pled guilty to having no Michigan operator's license. He was fined \$85, which he paid rather than go to jail for 20 days. He must produce a birth certificate from Kentucky before he can apply for a Michigan license.

51 Seek Berths On Track Team

By Brad Anderson

The Grosse Pointe South High School Varsity track team is "guardedly optimistic" concerning this season. With only four lettermen returning, it will be tough for the team to match last year's BCL championship team, led by Rick Gross, who holds the state two-mile record.

Unfortunately for the head coach Al Moebus, Gross graduated and the school split hasn't helped either. The team lacks depth in nearly every event.

"We should have one or two good performers in every event," said assistant coach Clark Lawrence, "but we have no one to back them up."

The Devils seem to be strongest in the distance and sprint events.

There is no one really outstanding in the distance events, but there is some depth. Jim Brines returns from last year's team and Mike Bellitos performed well on last fall's Cross Country team. However, the transfer of Rick Schott to North will hurt. Schott undoubtedly would have been South's strongest distance runner.

The Sprinters, led by Rick Mayer, Jeff Matheus, and Henry Schmidt, have looked adequate in practice, but they must improve if they are to do well in the regular season. Forrest Brown, a transfer student from Pennsylvania, should help give a little more depth to the sprinters.

Doug Hammel in the hurdles and Bob Thrie in the high jump should be good, but once again these events lack real depth. The quality of the long jumpers is questionable because there are no returning lettermen in this event. Chris Penoyer and Bruce Lockhart, both returning lettermen, will handle the shotputting.

"We have 51 boys out for the team this year," said Mr. Moebus. "Choosing from that many people, we should be good enough to be in the running for the BCL title. We got in an extra week of practice and the weather hasn't forced us indoors too often. So the team has had a good opportunity to get in condition."

Mr. Lawrence added, "Unless the other teams in the league are particularly strong, we can have three or four kids win their events in the league meet, it could pull us through." The Devils will have an intra-squad meet tomorrow, weather permitting. Then South will have a practice meet with Notre Dame and South Lake before they begin their regular dual meet season April 17 against Lincoln Park.

BUSY POST OFFICE

The Detroit Post Office handles, on the average, 7 1/2 million pieces of mail a day. The letters alone, if stacked one on top of another, would form a tower of mail 3 1/2 times the height of the Penobscot Building.

Chester Kulaski of 934 Westchester, had no complaint taken against him at this time, since the other motorist failed to appear. Kulaski is accused of causing an accident on February 11.

Gary Alton Smith of 6203 Woodhall, Detroit, showed up in court to answer for an accident he is accused of causing on January 30. The witness against him failed to appear, and no complaint was taken against Smith at this time.

Michael Callanan of 14344 Ardmore, Detroit, a defendant in an accident on January 1, was in court, but his accuser was not, and no complaint was taken.

Private Dean F. Fox At Training Center

Army Private Dean F. Fox is assigned to Company D, 15th Battalion, 4th Brigade, at Ft. Knox, Ky., in the United States Army Training Center, Armor (ASUTCA).

He will spend the next two months learning the fundamental skills of the soldier in today's modern Army — firing live ammunition under simulated combat situations, learning protective measures and first-aid for chemical, biological and radiological attacks, as well as being schooled in the use of modern arms.

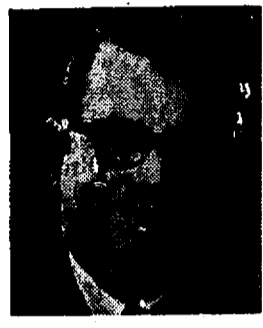

Interspaced with constant emphasis of proper physical conditioning, diet, rest and health habits, will be ample opportunity to utilize USATCA's many and varied recreational

and religious facilities. Following the completion of basic training, Pvt. Fox, who is the son of Mr. and Mrs. Robert E. Fox of 853 Neff road, will receive at least an additional eight weeks of either advanced instruction or on-the-job training to qualify him in a specialized military skill.

What Goes On at Your Library

By Virginia Leonard

Now that I'm back from a hasty trip to Florida, (where the weather was sunny, cool and breezy) — let's see what's been happening in the world of books.

For one thing, the National Book Awards were announced. Norman Mailer's THE ARMIES OF THE NIGHT won him the prize for arts and letters, and interestingly enough, his MIA AND THE SIEGE OF CHICAGO had been one of the nominees in the category of history and biography. In the field of children's literature, the prize this year went to JOURNEY FROM PEPPERMINT STREET by Meindert DeJong. For poetry, John Berryman walked away with the award for HIS DREAM, HIS REST.

In the field of sciences, Dr. Robert J. Lifton picked up his \$1,000 for DEATH IN LIFE, a psychological study of the survivors of Hiroshima.

An article in the March 14 issue of TIME magazine tells us that our old friend, writer of the psychological and detective novel, George Simenon, has just compiled his 200th novel. Of these, 74 are maigrets and 126 are simenons, and these have appeared in 43 languages. If this astounds you, he has also written some 300 other works under nineteen noms de plume!

What is a maigret? It is a detective story whose hero is a Parisian police inspector named Maigret. A simenon is any novel that is not a maigret.

The author, 66, has become, as you might suspect, a millionaire. His house at Epalinges, near Lausanne, has 26 rooms, 21 telephones, and is shared by his second wife, Denise, their three children, and a retinue of servants. He has survived a period of restlessness which drove him to acquire 30 residences around the world, as well as a sloop. He even lived for five years in Connecticut, at which time he shared a barber with James Thurber.

Simenon now writes in intense spurts, but he doesn't seem to be as prolific as he was in 1928 when he turned out 40 books in one year. Now the yearly output would be more like four, and an electric typewriter has replaced the pencils that usually only lasted for three lines each.

According to TIME, Simenon begins his books by christening his characters from a pile of international telephone books which he keeps around for just this purpose, providing each character with his own dossier. Then his subconscious takes over and the plot evolves. He can write a book in eight days, crossing off each day on the calendar as he moves along. When a manuscript is finished, it is tossed in a pile for later revision.

And which does this prolific author prefer—the maigret or the simenon? "Personally I prefer the straight novels to the maigrets. But I don't want to just drop Maigret. So now I do the maigret for fun, when I'm tired but want to write something."

It is heartening to note that our card catalog reveals quite a long list of Simenon titles. Some may be familiar to you. How about BELLS OF BICETRE? OR THE CAT? OR NEW LEASE ON LIFE? Maigret appears in many of the titles, such as FIVE TIMES MAIGRET, INSPECTOR MAIGRET AND THE BURGLAR'S WIFE, INSPECTOR MAIGRET AND THE DEAD GIRL, INSPECTOR MAIGRET AND THE KILLERS, MADAME MAIGRET'S OWN CASE, MAIGRET AND THE HEADLESS CORPSE, MAIGRET IN NEW YORK'S UNDERGROUND, MAIGRET RENTS A ROOM, MAIGRET'S DEAD MAN, MAIGRET'S PICKPOCKET, and NONE OF MAIGRET'S BUSINESS.

Simenon himself wonders how long interest in his books will last. Many readers, in discovering Inspector Maigret, eventually discover what he calls his "hard" literature. "The great drama of writers is that we always die without knowing whether we're a success or not. After death, there's always a period of purgatory for a writer's reputation, when it's uncertain what the final judgment will be. Maybe I'm a writer who counts, maybe not." At any event he has added two words to the English language—maigret and simenon. And their validity lies in the fact that they are lower-case!

I've never been a great mystery buff, but I'm now reading one a week, (always started under the hair dryer) — so perhaps I'd better do some backtracking and find out exactly what kind of man Inspector Maigret is.

A Message for Teenagers

Attention, you ever-increasing number of teenagers who have already yielded, or are considering giving in to the temptation to experiment with drugs. Despite all the publicity in local and national publications and exposure by other communications media of the dangers of drug use and abuse, the ranks of the weak and misguided continue to swell.

A recent public information pamphlet prepared by The Youth Bureau-Bloomfield Township Police Department and substantiated by a report by Louis Relin and Robert L. Sharoff, M.D., entitled "A Doctor Discusses Narcotics and Drug Addiction" includes a table entitled "Drug Dangers." The table lists eight drugs and the dangers each can produce. They follow.

Marijuana, (Hallucinogen):—loss of coordination, reduces reaction time, accident-prone, (ability to judge speed and distance is impaired), panic and fear, confusion, loss of ambition, deep depression, hallucinations, paranoid reaction, (someone's out to hurt him), inability to concentrate, lowering of inhibitions, mental disorganization, brain damage, concept of time and space is altered, reality distorted, increase in appetite, bizarre behavior, cellular damage, aggressiveness and dependence.

Speed, (amphetamines):—mental derangement, tends to ignore one's one health and safety, neglects responsibilities, reckless behavior, accident-prone, knock out nature's danger signals, (sleep and fatigue), high blood pressure, abnormal heart rhythm, even heart attack, brain damage, violent, bizarre behavior, hepatitis, panic and fear, delusions and hallucinations, psychosis resembling paranoid) builds physical tolerance and dependence.

LSD, (Hallucinogen):—hallucinations, confusion, panic and anxiety, violence (murder) accident-prone, suicide may result, psychosis and mental breakdown, chromosome damage, altering of birth patterns, depression, recurrences of the effects after the drug has been used and dependence.

Glue, Cleaning Fluids, (delirants):—confusion, brain damage, destruction to kidneys and liver, injury to blood cell production, irritation to eyes, nose and lungs, loss of appetite, personality change, (irritable, violent behavior), loss of memory, and unconsciousness.

Relaxers, (tranquilizer):—weight gain, damage to white blood cells, lower resistance and accident-prone.

Barbs, (Depressants):—mental and emotional confusion, loss of muscular coordination, faulty judgment, reaction time is off, can't think straight, accident-prone, suicide and dependence.

Heroin, (opiates):—brain, nerves, digestive system are upset, loss of weight, neglects food, loss of appetite, resistance to disease lowered, sexual sensations dulled, accident-prone, in a daze, loss of will power, unable to concentrate, think, or reason, ambition, personal pride and honesty disappear, pays little attention to appearance, turns to crime or vice and dependence.

Aerosol Products, (Refrigerants):—freezing of the larynx causing paralysis of the respiratory system and death by asphyxiation, brain cell damage and dependence.

Not a pretty picture is it? How about trying a lap around the school playground, a coke and some "way-out" records . . . ? They're a lot more fun!

Letters to the Editor

Dear Sir:

Please, may a dissent be heard in a free country?

I help teach, train, and employ about as many colored people as anyone in the Grosse Pointe area. I vigorously disagree that passing the Fair Housing Ordinance will prove anything that the "bleeding hearts" or "social do-gooders" infer.

If the Federal and State laws aren't enough do we also need, a local minimum wage law, a local unemployment bureau, a local civil rights commission, local social security, a local income tax, or a local internal revenue department? Will a local ordinance prove that we sanction these too?

Is it possible that some people have a guilty conscience, or are just hypocrites? In my opinion, if they really want to do something, break the "no room renting" ordinances and let some of the single people who work out here find a place to live near their work.

Search your heart and see if you really need such a big house. Do you need all of the

relics and worldly goods filling unused rooms? Do you really want to help someone? Or shall we all just sit and write platitudes?

Respectfully,
 Richard P. Lehmann

To the Editor:—

The Grosse Pointe North High School Discussion Group met at the home of Mrs. John Hastings, Roslyn road, on the afternoon of March 18 to hear our G.P.N.H.S. liaison officer, Detective Martin Trombley, speak to us about the problem of Drug Abuse by our young people.

It was a highly informative and most interesting meeting. Detective Trombley is to be commended for his work and should be given all the support he needs to make parents and young people aware of drug abuse in the Grosse Pointe area and our Councilmen would be wise to show some positive action on this problem.

Public Schools in Focus

By Dr. Theos I. Anderson, Superintendent of Schools

How well trained are today's professional educators employed by The Grosse Pointe Public School System?

In the elementary schools 56.7 percent of our teachers have had at least four years of college, 22.3 percent have had five years, and 21 percent have had six or more years of post-high school training.

How do these figures compare with our secondary teachers' preparation?

During 1967-68, for example, 34.2 percent have at least a Bachelor's Degree, 33.9 percent a Master's Degree in addition and 31.9 percent have six or more years of training to their credit.

How does the administrative staff rank in this comparison? No administrators have fewer than five years of college (20.5 percent) and the vast majority (79.5 percent) have six or more years.

The combined total of teachers and administrators shows that 42.6 percent of the staff are at the four-year level of training, 27.7 at the five-year point, and 29.7 percent at six years or beyond.

The statistics cited above may not seem important unless we compare them with past years. During 1935-36, for example, 10 percent of our professional staff had only two years of college, 17.1 percent had three years, 48.6 percent had four years, and 24.3 percent had five years or more of college training.

How times have changed! Members of the education profession have been making a concerted effort to improve their standards. And it looks as if they are succeeding in Grosse Pointe—and elsewhere across the country.

Past mistakes can be corrected.

What's New on THE HILL

By Sibyl

Hooray! . . . We'd like to welcome two new members . . . Angel's of Mackinac Island and the Card Rack-to-the Kercheval on the Hill Association. Will you be next? Call Tony Morse, who is president of the Association, at TUxedo 2-1610 and join the following members who work to make the Hill a block of distinction:

Frank Adam Inc., Bronze Door, Champion Real Estate, Colonial Federal Savings, William Denler & Co., Francesco Beauty Salon, John S. Goodman, Gray's Racquet & Sport Shop, Grosse Pointe News, Hamlin's Market Inc., Higbie Real Estate, T. Raymond Jeffs, Johnston Optical Co., Johnstone & Johnstone, The League Shop, Marilyn Shoppe, Max-on Bros., Inc., Mr. Dan's Beauty Salon, Mister Sheridan Books, National Bank of Detroit, Paskel, Picard-Norton, Pongrazc Jewelers, Purdy & Edgar Associates, Margaret Rice, Ruth Associates, Chet Sampson Travel Service, Sign of the Mermaid, the Carl Sterr Co., Tappan Real Estate, C. W. Toles Real Estate, Touch of Elegance, Trail Apothecary Shop, The Village Store, Dr. Carl R. Von Gruenigan, Virginia Williams Gift Shop, Maurice Wood, Inc., Wrigley's Super Market, Young Clothes and State Farm Insurance.

Hamlin's Recommends . . . a special delectable creamy white dressing for salad fanciers. It's called Swiss Chalet and comes all the way from Colorado Springs to 89 Kercheval. A pint is eighty-nine cents . . . TUxedo 5-8400.

Fashion Interview . . . with Margaret Rice . . . "Are waistlines back?" We asked. Margaret Rice says, "Waistlines can be created by the season's newest belts. Many silhouettes show signs of waists through seaming. Waistlines are not necessarily flattering to the figure. In fact, I have found the no-waistline dress will give you a far better figure and a greater degree of comfort. If a waistline is your choice, create it with a handsome belt. It will hold the body and skirt together. The belt will find its way to any spot between the hip and the midriff. There is a beautiful variety of belts, jeweled for after five, leather and many chain belts for daytime. All are meant to give your costume a new change in the look of today."

A Set Of Six . . . antique English chairs, circa 1820, are at Denler, 77 Kercheval. They are of simulated bamboo with rush seats and are very unusual.

Ted Pongrazc . . . has secured a few loose diamonds from the famous diamond cutter Lazarre Kaplan. The range is from 40 points to a carat. One would be perfect for an engagement ring to be set in a mounting of your own choice. See them at Pongrazc Jewelers, 91 Kercheval.

Exotic Oriental Birds . . . have alighted on boughs, greenery and rocks at the League Shop, 98 Kercheval. These shiny metal winged decorations are in an atmosphere of color and design subtleties.

Spring Weather . . . really brings out the golfers and tennis players. We're sure the fine sports equipment from Gray's Racquet and Sport Shop brings out the best in their game. Remember, 106 Kercheval, is the convenient sports supply headquarters in Grosse Pointe.

Mr. Fred Ashton . . . owner of Angel's of Mackinac Island, recently opened a new fashion boutique at 115 Kercheval and joined the Hill Association. He told us he is interested in and wants to support the business community. Angel's will be presenting three style shows . . . April 9 at the Detroit Boat Club, April 19 at the St. Clair Yacht Club and April 23 at the Jefferson Yacht Club. From our point of view, Angel's is off to a good start here on the Hill.

Beautiful Bunnies . . . of French porcelain . . . hopped into the window of the Mermaid. Also lending atmosphere are porcelain eggs, scattered with flowers and winged with butterflies. Inside the Mermaid delicious Bissinger chocolate eggs and bonnets are tasteful treats for Easter gifting.

Bridge Buffs . . . have a special shop, the Card Rack, 93 Kercheval. Not only is there an extensive selection of beautiful playing cards, table covers and accessories, but apropos prizes and gifts are a long suit. There's a box of scented soap. Each white square is decorated with red hearts and diamonds, black spades or clubs, (three fifty a box). In the gift collection are card-decorated ice buckets, towels, bottle openers.

Mister Sheridan-Books . . . 81 Kercheval, suggests you reserve Mary Martin's, "Page From My Needlepoint Book." April first was the publication date and already there's a backlog of orders. Call 881-1671 or 881-2916.

Note The Change . . . Touch of Elegance will be doing a style show the third Tuesday, April 15, at the Bronze Door, 123 Kercheval. Spritely spring and sunny summer fashions will be modeled. Reservations, please . . . 886-1932.

WOMEN'S PAGES

From Another Pointe of View

By Janet Mueller

'Tis spring at last—and how does your garden grow? There's a generous garden growing in Grosse Pointe right now, tended by some 34 local ladies, and it will blossom into "A Garden Party of Fashions" two Thursdays from today, April 17, at the Country Club of Detroit.

This luncheon-fashion parade is being sponsored by the Fontbonne Auxiliary of St. John Hospital to raise funds for new X-ray equipment for the Hospital's Emergency Service.

And how does such a garden prosper? First, Fontbonne president Louise (Mrs. Robert) Knop acquired an experienced "gardener," party chairman Maria (Mrs. Mark, Jr.) Valente.

Assisting her are Bettie (Mrs. Charles) Dawood and Gladys (Mrs. Vernon) Johnson, both noted for their Green Thumbs in benefit party cultivation.

There'll be flowers, flowers everywhere . . . giant tissue blooms and clusters of daisies in painted pots, fresh from the artistic hands of a decorations committee headed by Ann (Mrs. Andrew) Falbo and Lila (Mrs. Jay) Tahnoose.

But the most elegant blooms in the garden are sure to be the professional models who will show Walton-Pierce's spring collection. This will be Walton-Pierce's only spring fashion show this year.

Party Gowns and Daisy Baskets

Among hostesses who'll don garden party gowns to greet the guests are Kay (Mrs. Anthony) Bagnasco, Jean (Mrs. James M., Jr.) Kennary, Evelyn (Mrs. James J.) Aiuto and Carol (Mrs. Clement) Pollina. They'll each carry a daisy-filled basket.

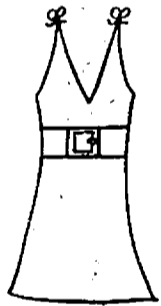

The patron committee, designed to help increase the "green" foliage to aid St. John's Emergency Room, is led by Sally (Mrs. Robert) Kazmarek and Helen (Mrs. John) White.

Irene (Mrs. J.R.) McCarthy is in charge of the program, which will include credits to Special Awards chairman Pauline (Mrs. Leonard) Claffone, "gift wrappers" Joyce (Mrs. Philip) Mabarak and Dolores (Mrs. J. Dennis) DeSantis, club arrangements liaison chief Barbara (Mrs. John H.) Luzadre, publicity chairman Floramae (Mrs. Edward, Jr.) Kliber and reservations chairmen Kate (Mrs. John) Madison and Martha (Mrs. Martin) Weitzel.

And after the flowers comes the fruit . . .

The X-ray equipment, for which this benefit is being held, will include an automatic chest unit, specialized

This is a new dress.

You bought it yesterday. To go to something special in. Now shouldn't you think about a new hair-do to go with it. Maybe it should involve curls. Or waves. Or maybe it should be something all new and side-swept. The possibilities are limitless, because today's hair isn't the everybody-look-the-same thing it used to be. So c'mon. Explore. With us. And get yourself a brand new hair-do. To go with your brand new dress. It deserves it.

Nancy Peterson Wed To Stephen B. Richey

Grosse Pointe Hunt Club Reception Follows Afternoon Rites; Pair Will Make their Home in Ann Arbor

Nancy Lynn Peterson and Stephen Bentley Richey exchanged marriage vows Saturday, March 29, at a 3:30 o'clock ceremony in the Barbour Chapel of Grosse Pointe Memorial Church.

Following the family rites at which The Reverend Richard Mitchell officiated, the bride's parents, Mr. and Mrs. Vincent Leroy Peterson, of Moran road, entertained at a large reception at the Grosse Pointe Hunt Club.

For her wedding the former Miss Peterson selected a gown of ivory peau de soie styled with a controlled A line skirt and Chapel train. Alencon lace formed her Empire bodice and sleeves, and a peau de soie headband secured her imported silk illusion veil.

She carried a cascade of Eucharis lilies, stephanotis and ivy.

She was attended by her sister-in-law, Mrs. Robert V. Peterson, of Birmingham, whose floor length frock of lime green ottoman featured matching lace defining her Empire waistline.

She wore a petalled headpiece and carried a cascade of narcissus and ivy.

David Richey acted as his brother's best man. They are the sons of Mr. and Mrs. Clarence Bentley Richey, of Royal Oak. Usher was Robert C. Peterson, the bride's brother.

Mrs. Peterson chose, for her daughter's wedding and the reception, a yellow and silver Alaskine coat and dress ensemble and a matching flower hatlet. She pinned a small cluster of white Amazon lilies to her handbag.

Mrs. Richey, the bridegroom's mother, selected a pink A line costume with deeper pink accessories and a purse corsage of pink-cymbidium orchids.

When the newlyweds left for a vacation in Jamaica, the bride was wearing a yellow and white muted plaid dress with a yellow coat. They will return to make their home in Ann Arbor.

'Air Ministry' Talk Scheduled

The Women's Association of Grosse Pointe Memorial Church will present The Reverend Edward Willingham in a talk, "Transistorized Christianity," at 12:30 o'clock next Tuesday, April 8, in Fellowship Hall.

The Reverend Willingham is the director of the Office of Communication of the Metropolitan Detroit Council of Churches. This unit seeks to interpret all aspects of the Council's work. Over 25 broadcasting stations give public service time for Council programming.

"Transistorized Christianity" is an intriguing topic touching on communication education, "specials" and "spot announcements," cooperative programming through the newly created Interfaith Broadcasting Commission of Greater Detroit which represents four faith positions and inspirational music with a beat that The Reverend Willingham disc jockeys for young people.

He plans to bring film strips and examples of current offerings on radio and TV.

Mrs. William Bokram, program chairman, invites all interested women to attend the program.

BARB KIMBALL, daughter of the HORTON KIMBALLS, of Harvard road, was recently chosen as a member of Mortar Board at Western Michigan University, one of 22 WMU junior women selected for their high scholarship and outstanding leadership abilities. Barb is serving currently as president of her sorority, Delta Zeta, as a member of the campus woman's discipline committee and chairman of her dormitory discipline committee.

The lines are graceful. The unexpected is intriguing

There are many appealing features in this Grosse Pointe Farms house. As to the floor plan, please note the 5 main Bedrooms with 4 1/2 Bathrooms, the exceptional closet space, and the first floor utility room. It's a fun and functional house. Note the grouping of the Activities Room (it has barn siding), the Barbecue Room (complete with grill) and the Bar Room. If you have a family of lively kids, the Junior Dining Room is a feature. The Kitchen is unusually charming with many built-ins. The heat is radiant hot water, gas fired. There is a 9-ton central cooling system. But this house must be gone through to be really appreciated. We would be glad to arrange it.

Biggs To Solo With Symphony

The internationally famous organist E. Power Biggs will be featured with the Detroit Symphony Orchestra in an Easter Sunday afternoon concert April 6 in Ford Auditorium at 3:30 o'clock.

The event will be one of the Symphony's popular-priced Kresge concerts, which are presented in conjunction with a Kresge Foundation grant. Sixteen Ehrling will conduct.

Biggs, whom Time magazine called "the leader of the organ revival and the United States' most famous organist," is widely acknowledged as the person most responsible for creating a 20th Century renaissance of interest in great organ music.

His 16 years of Sunday morning concerts over the CBS radio network, which originated in the Busch-Reisinger Museum at Harvard beginning in 1942, were heard by millions of regular listeners. He also has recorded some 60 record albums, pressings of which number in the millions.

He'll be heard with the Detroit Symphony in the Poulenc concerto for organ, strings and timpani and will perform a group of organ solos by J. S. Bach.

Ehrling also will conduct the orchestra in Richard Wagner's Prelude and Good Friday Spell from "Parsifal" and in Franz Liszt's symphonic poem "Les

J.D. Owens is planning a hunt in Kuala Lumpur. Want to go along?

Mr. J. D. Owens of Buckingham Road, Grosse Pointe Park: former news correspondent, ex-columnist, world-famous raconteur, professional PR consultant and patron of the Grosse Pointe War Memorial Association.

There's nothing Mr. Owens would rather do than stalk the wily Malay tiger or Africa's elusive dik-dik, especially from the safety and comfort of a theatre seat in the Grosse Pointe War Memorial Center.

Mr. Owens is an avid fan of George Pierrot's Adventure Series, a recent addition to the Center's regular program schedule. He and his family have discovered an almost unlimited variety of cultural, social and recreational activities at the Center, ranging from legitimate theatre and chamber music through bridge-clubs and French classes. Mr. Owens is checking into the Gourmet Club and, of course, the Adult Ski Club. He's a War Memorial contributor.

You see, the Center earns about three-quarters of its operating expense, but that just isn't enough; so each year people like you and Mr. Owens—from all the Pointes—join in a Family Participation Campaign

to meet the rest of the budget, so we can continue our full schedule. This year our goal is \$80,000. Any size gift is greatly appreciated.

Want to go along on one of Mr. Owens' "trips"? Great. You've probably already received a Free Activities Pass in the mail. It includes five excellent programs for every member, every age group of your family. This Pass is good only through April 19th, but there are worthwhile events every day of the week, no matter when you come. See for yourself.

We think that once you get acquainted you'll agree a contribution to the Grosse Pointe War Memorial Center is just another way of supporting your own family.

Right J. D.?
Indubitably.

Flowers For A Moonscape

Six creations of "Space in Bloom" were displayed at a press preview Thursday, March 27, at the Village Women's Club in Birmingham. These and scores of other exhibits are being prepared by members of the Michigan Division of the Woman's National Farm and Garden Association for their ninth annual flower show at Wright Kay and Company in Woodward avenue, Detroit, April 23 and 24. "Moon Shot," exhibited by Pointer MRS. ROLLIN ALLAN (left), is viewed by MRS. C. E. McGUIRE, of Lochmoor boulevard, assistant entries chairman.

From Another Pointe of View

(Continued from Page 17) radiographic head and skull unit and a complete dark-room facility with an automatic film processor. The equipment will be available to give prompt diagnostic studies on a 24-hour basis.

Ibex Discovers Bonsai Bonsai, the centuries-old Japanese art of dwarfing trees for ornamental use in homes and gardens, has been "discovered" by literally hundreds of pointe ladies in the past year or so.

Now Ibex members will have an opportunity for en masse Bonsai "discovery" when they gather Wednesday, April 16, at 1 o'clock in the Lakeshore road home of Mrs. David D. Williams.

William Bray, of Frank's Nursery, will present a Bonsai lecture-demonstration. Hundreds of years ago tiny trees, naturally dwarfed by conditions of soil and climate, were collected from fields and mountains, planted in special containers and pruned and trained to become part of exquisite miniature landscapes highly prized by generations of Japanese families.

In today's "hurry-up" world young trees, raised for two or three years in nurseries, are pruned, wired and trained to look like naturally dwarfed trees. This "instant Bonsai" technique will be demonstrated by Mr. Bray.

Mrs. Thomas C. Burke, Ibex house-and-garden chairman, will preside at the meeting.

You've Come A Long Way, Ladies . . . You've got the vote, and you have your own women's programs at the local (Hannan Branch) Young Men's Christian Association and you're even sometimes PUBLICLY appreciated . . .

Consider the case of Rae (Mrs. James) Webers, of Lakepoine avenue, member of the Grosse Pointe League of Women Voters, elected chairman of its Recreation Study Item in 1966; member in 1967 of the Grosse Pointe Park Parks and Recreation Citizens Advisory Committee, whose purpose was to consider plans for the new swimming pool and other park facilities; Swimming and Exercise Instructor at the Hannan "Y";

Partly as a tribute to Rae, the Hannan YMCA, in its women's program, is hosting a morning of "gym and swim" for the Grosse Pointe LWV Tuesday morning, April 15.

Now THAT, we think, is a nice bit of news . . .

Postsript To Jere's Farewells Last week, we listed a series of parties honoring Jere (Mrs. Patrick J.) Burke, before she moves from Lakepoine avenue to Florida—and, inadvertently, omitted the gathering given by Mrs. J.B. Hill, of Neff road. Like all Jere's other good-bye get-togethers, it was delightful . . . Just ask any of the Dolphin Swimming Club members who were there . . .

All Systems Are 'Go' For Space In Bloom

Heavenly Journey Promised Visitors to Ninth Annual Michigan Division WNF & GA Wright Kay Flower Show April 23 and 24

Embodying man's journey into the cosmos of the solar system and the celestial elements of unlimited galaxies, "Space in Bloom," an exhibition of flower arrangements and table settings, will be staged April 23 and 24, Wednesday and Thursday, at Wright Kay and Company in Woodward avenue, Detroit.

Presented by the Michigan Division of the Woman's National Farm and Garden Association, the ninth annual show will transcend three floors as well as display windows of Wright Kay's downtown store.

The public is invited to attend without charge.

The first floor entranceway to "Space in Bloom" will be lined with yellow mums. The visitor will travel from the "Roar of the Rockets" at "Blast Off" to "The Dark Side of the Moon" and "Through the Canals of Mars."

Attached to the balcony of the mezzanine will be a 90-inch model of the spaceship Apollo Eleven. Forced branches in bloom will peek through the balcony railing, giving an illusion of blossoms in space.

Dominating the second floor will be the "Zodiac Trail," along which visitors may pass constellations on their way to the "Twelve Houses of Heaven."

The "Celestial Navigation Arrangements," also on the second floor, will brighten the course.

AN ORDINANCE GRANTING PERMISSION TO THE DETROIT EDISON COMPANY TO TRANSMIT, TRANSPORT AND DISTRIBUTE ELECTRICITY FOR PUBLIC AND PRIVATE USE AND TO TRANSACT A LOCAL ELECTRIC BUSINESS WITHIN THE CITY OF GROSSE POINTE.

SECTION 1 - Permission is hereby granted to THE DETROIT EDISON COMPANY, incorporated under the laws of the State of Michigan and New York, its successors and assigns, to construct, maintain and operate in the public streets, highways, alleys and other public places in the City of Grosse Pointe, Wayne County, Michigan, all needful and proper poles, towers, mains, wires, pipes, conduits and all such lines and other apparatus requisite for the transmission, transforming and distribution of electricity for public and private use, and to transact a local electric business within said City, subject, however, to all conditions and restrictions hereinafter contained.

SECTION 2 - The conditions of the foregoing grant are as follows:

A - The grantee shall do no injury to any street, highway, alley or other public place, or to any shade trees, or in any manner disturb or interfere with any water or gas pipes, or with any public or private sewer, now or hereafter laid or constructed by any authorized person or corporation.

B - The City may, in its discretion, grant permission for the trimming of trees when necessary to make the lines safe and accessible, such trimming to be done under its supervision.

C - The construction of the said lines shall be in accordance with the rules and regulations of the Michigan Public Service Commission or its successor.

D - The said grantee, before entering upon any street, highway, alley or other public place for the purpose of erecting and constructing any poles, mains, wires, pipes, conduits, or other apparatus, shall in writing notify the City of the proposed construction and shall first obtain approval from the City before performing any of said acts, and shall, if the City so requires, file with them a sufficient plan and specification, showing the nature and extent of the proposed erection and construction.

E - No street, highway, alley or public place shall be allowed to remain open or encumbered by the construction work of the said grantee for a longer period than shall be necessary to execute the said work, and the grantee shall at all times conform to all ordinances and regulations of the City, now or hereafter in force, relative to the fencing and lighting of obstructions and excavations.

F - No permit to make any opening or excavation in or under a paved street shall be granted to the grantee within a period of four (4) years after the completion of any paving or resurfacing thereof. If a street opening is necessary as a public safety measure, the Building Inspector may suspend the operation of this paragraph, as to such street opening.

G - The grantee shall save the City harmless from any judgment that may be recovered against the City by reason of the wrongdoing or negligence of the said grantee in the erection, maintenance and operation of said poles, mains, wires and other apparatus or construction.

H - Said grantee shall make due provision upon forty-eight hours' notice in writing by raising its wires or otherwise, for the passage of any building or other structure on or over any street, highway, or public place occupied by the mains, wires, poles and apparatus of said grantee.

SECTION 3 - In consideration of the granting of this franchise, grantee agrees that its rates and charges for electric service in the City of Grosse Pointe shall not exceed its rates and charges for like service elsewhere in its service area, evidenced by its uniform rate schedule at the time on file with and approved by the Michigan Public Service Commission. It is understood that the grantee is subject to regulation by the Michigan Public Service Commission and that any order, rule, or regulation by that Commission, or its successor, will prevail over any regulation herein contained or provided for in case of conflict.

SECTION 5 - This Franchise and Ordinance shall be and remain in force for thirty (30) years from and after the date of its confirmation by the electors of the CITY OF GROSSE POINTE, Wayne County, Michigan.

SECTION 6 - Nothing in this grant shall be construed to alienate the title of the public in and to any street, highway, alley or public place or any portion thereof, neither shall anything herein be construed in any manner as a surrender by the CITY OF GROSSE POINTE of its legislative power with respect to the subject matter hereof, or with respect to any other matter whatsoever; nor in any manner limiting the right of the said CITY OF GROSSE POINTE to lawfully regulate the use of any street, avenue, highway or public place within its jurisdiction.

Grosse Pointe

LIKE EVERYONE else, Purdy & Edgar has something new to parade for Easter. This new listing is a spacious, larger house with four family bedrooms on the second floor. There is an extra room off the living room, which catches the morning sun, and would be an ideal place to stowaway the kids in the evening. This is a good one, so make like a rabbit and hop to it, before someone else does.

FOR SOMEONE who doesn't want to put all his eggs in one basket, this single story house with maintenance could be the answer. Two bedrooms with two baths, and a library, and a screened terrace are all a couple really needs. After buying this one you'll have plenty of bullion left over for your golden years.

PAMPERS OVER by its particular owner, and looks every inch a prima donna. This white colonial could be the modest-sized house with large rooms you've been seeking. Four family bedrooms and a large family room which opens onto a secluded patio with swimming pool. Just a pitch and putt to a bus stop, and a par five to the Country Club grounds or Lake Shore Road.

FOR THE MAN who thought he had everything, take a look at just a few of the particulars of this estate offering and you'll see what you've been missing. Placed imposingly on more than an acre of ground which was once the "far turn" of a race track frequented by the Pointe's earlier residents, this Virginia mansion was built to withstand the ages... all ages. The house has plenty of room to "escape" from the wife and kids. There is a large library, dining and living rooms, and billiard room all with fireplaces. In a few weeks the swimming pool will be filled with water, then all that will be required is several vans of furniture and your family.

A HOT ITEM during the past few years and we'll venture that this kind of house will be just as attractive a package to sell in the Spring of '69. The town house condominium is no longer a new thing in Grosse Pointe, but in the past they have been snapped up by eager buyers within days after being offered. On Rivard Boulevard we will be happy to show you one of the best examples of what we are talking about. In this terrace there are five bedrooms and three baths. Come see all the "house" you can buy for \$34,000.

This retired executive's custom home on a 120' lot in the Shores is available only because the owner is moving from the city. At \$72,500 it is considerably less than duplication.

Fashion's Something Else... It's "the" new thing to do with a designer scarf. At Walton-Pierce select one of the very new specially designed wide open link belts in tortoise, white, tobacco, or silver and gold. Then pick one of the newly arrived designer scarves meant to be woven through the links. This gives the newest fashion look to the waistline. You can imagine how great it is for the seasons ahead with bright or dark or white linen, silk, or cotton dresses or pant costumes. They were designed as go-togethers and shown in this striking way in the New York market.

Who... is the "in" hair stylist in Grosse Pointe? Tony Caputo. You've been reading about him recently. He was mentioned in a special feature story in the Detroit News. Although he has two assistants, Tony, himself, is a worker. His customers can come to Leon for an appointment with him at seven a.m. Saturday mornings. Seven a.m.! They do! They really do! Tony told us after his trip to Europe, he definitely turned to the natural crown and to movement in hair. He recommends hair very short or very long. Book an appointment with Tony at Leon, 17888 Mack... TUxedo 4-9393. He won't take standing appointments, so although he's an extremely busy stylist you can find an opening.

Travelers From Sweden... The rain or shine coats in Michelle's Boutique at Leon, 17888 Mack, are neatly shaped. Double or single breasted and semi-belted in back. Navy, bone, or beige are the color choices for the city-hopping, continent-spanning all weather coats.

Expert Advice... business and individuals have consulted Mr. Mozena, president of Mutschler when planning either exhibit or home kitchens. He is a well known authority who can help you express your own ideas. As for style and decor, the new models at 20227 Mack Avenue are beautiful examples.

In Martha's Closet... 373 Fisher Road, you'll find sunny raincoats. They span time, time zones and serve all purposes. Black and white, or navy and white prints, gray and pink or charcoal and white stripes... pink, blue, green or white solid colors... your choice of belted or flared or A-lines.

White Tie... black tie, formal daytime wedding, semi-formal... whatever the occasion Valente's has the information about what to wear and the attire from suspenders and studs to a good fitting quality fabric suit. Valente's convenient location in Grosse Pointe is 17944 Mack Avenue... TUxedo 6-5330.

The Easter Bunny... comes in many chocolate sizes at the Notre Dame Pharmacy... so do chocolate Easter eggs. Goody gifts by Whitman are embellished with colorful wrap and pretty wisps of spring.

"Unimount"... is the name of the singularly easy to use photo albums at the Sphere, 19849 Mack Avenue. Magnetic filler sheets are protected with plastic. The album covers are in simulated leather and come in white, olive, red, or brown... all with gold trim... six dollars.

The Kaleidoscope... sees you serving sodas, sundaes and banana splits in old fashion glasses and dishes. These bits of nostalgia are sixty-nine cents each at 16135 Mack Avenue.

Innovation... for an ancient Mexican art is the use of decorator colors such as lime green, orange, gold and sapphire blue for hand-wrought painted tin decoratives. At 16237 Mack, see examples of candle holders, hand and footed framed mirrors, accent butterflies and doves.

A Large Selection... of new lamps have arrived at Wright's Gift and Lamp Shop, 18650 Mack Avenue. If it's a new shade you need for that lamp you can't part with, bring it in for the best selection and fit. TUxedo 5-8839.

Shibui... is the name of a colony of authentic Japanese cottages atop a beautiful mountain overlooking the Caribbean at St. Thomas. There is a swimming pool in a setting of oriental gardens and tea houses. Your charming cottage has a sunken bath, a kitchenette and maid service. From May 1 through December 20, the rate is thirty-five dollars a day double. Call Mr. Q Travel, TUxedo 6-6590 or stop by 15587 Mack Avenue for more delightful details.

Points Of Interest... in Detroit and suburbs have been graphically captured by Jean Harding Brown. Her series of drawings include the Hunt Club, the Players, the Alger House, churches and many downtown buildings. These limited edition reproductions are matted and cost six dollars. See the series at the Grosse Pointe Studio, 395 Fisher Road.

Pointer of Interest

TOM OMALEV, OF ST. CLAIR AVENUE

By Janet Mueller

Tom Omalev is an early riser. Up between 5 and 6 o'clock each morning, he's out at the Godin Tool and Die Company before most of his co-workers' alarm clocks signal, (to them), the start of a new day.

There, in the hours before he's due to go on the job, Tom does his Own Thing, in his studio at the back of the shop, carving free-standing figures, bas-relief panels, portraits and abstract objects out of wood.

Tom Omalev is an artist. It follows, therefore, that he is a Happy Man.

If your children are Grosse Pointe Central Library users, they know Tom's work. His is the Whale on the wall of the Library's Children's Room.

Happy About That Tom's delighted that his Whale is part of the Library's art collection, not just because it's in good company — an Alexander Calder mobile shares with the Whale the distinction of being permanently on display — but because the Grosse Pointe Central Library is Tom's art teacher.

"The study of Anthropology, the physical and mental condition of man in certain times and places, has always fascinated me," he explains.

"Art is, of course, related to this. I'm very interested in the study of art in the study of man." "My wife is an avid antique collector," (Cecelia Omalev, amasser of patchwork quilts, big and little and all-sizes-in-between bottles, resurrector of thrown-out cabinets from chicken coops, furniture stripper and restorer, describes herself as a "Pack Rat")

All Study of Man "Our traveling—we like to go to actual sites and observe—is all related to my study of man," Tom continues. "We've been all over the United States. We've watched the woodcarvers in Arkansas, we've been to Williamsburg—you're not an American until you've been to Williamsburg—we've traveled through the South... They've been all over Europe, too, meandering the way they like, by car, with no set itinerary, stopping where they want to stop, going when they want to go, visiting museums, cities, relatives.

Tom's ancestry is pure Serbian, Cecelia's is half-Serbian and half-Russian. They both were born here, both firmly identify themselves as Americans, but they still have family in Yugoslavia.

"America," Tom muses, "is a great country, a wonderful country. But it will be at least another 200 years before we're one single, solid ethnic group. This evolution we're going through is very interesting.

Respect for Tradition "I'm very proud to be an American, very proud to be part of this American Evolution. But I also have a great respect for tradition." Tom's respect for tradition is not limited to Europe. The Omalevs are, if anything, even MORE interested in America's traditions than they are in Europe's.

Cecelia combs the New York Times' Travel Section every Sunday, searching for paragraphs on Extant Shaker Villages, articles on What To See in Pennsylvania Dutch Country.

no baggage to carry and you'll save one-half the price of a cab. Call TUxedo 6-1322.

Meeting Someone Downtown? You don't want a two car home-coming. So call TUxedo 1-1111. A nice driver and a new Royale Carriage Cab will pick you up and deliver you to your destination without traffic nerves or parking problems.

Every Wednesday... at Potpourri, 16624 Mack at Harvard, you can enjoy K. Lefkowsky Co. corned beef and cabbage with mixed bean salad, hot biscuits with butter... all for a dollar fifty-nine... Phone 882-1800.

He became fascinated with Oriental Art, copying a primitive Chinese horse, a Chinese lion, working more and more in bas relief.

"Bas relief, (sculpture in which the figures project slightly from the background; Tom's holding one of his bas relief carvings in the photograph above), is a technique that goes back to the Assyrians, six thousand years before Christ," Tom explains.

"It's very difficult because you have to give the illusion of depth even though you're working with a relatively flat surface."

Starts Carving People He began to carve people. He did a bas relief portrait of his father-in-law, walking along with his cap on his head, cane in his hand. Cecelia's family own Milo's Bar, the only bar with the original swinging doors left in Detroit. Tom carved a bas relief mural of the bar, complete with swinging doors, leaded glass cabinets, customers—and his mother-in-law in her accustomed place behind the counter.

He recently completed a bas relief portrait of President Nixon.

He's back to working more in the round now. He's continuing to style of art in the study of man. "I began about four years ago, hoping to please her, to make reproductions of objects we couldn't find. I'd never done any wood carving in my life..." Books were his instructors. For two years, he haunted the Grosse Pointe Public Library, studying every art book he could get his hands on, digesting an average of 10 volumes a week.

And he began to carve, starting out with simple objects: Basic tools, utensils... He carved an apple butter scoop, a flour scoop. He carved spoons and forks, a shovel, a complete set of wooden kitchen tools—including a buffalo steak tenderizer—for Cecelia.

His Tools Are Simple He carved things that had a practical purpose, things that would work. He used the simplest tools because, for him, one of the joys of creating in wood is to work as the earliest woodcarvers worked, with the most primitive equipment.

He learned how to use that equipment, learned what his hands could make a knife do. He learned discipline.

"I'm a graduate of Henry Ford Trade School," Tom says, "one of the finest trade schools in the history of the world, in my opinion. And one thing that school always emphasized is discipline."

So Tom spent hours, days, months learning control, mastering the techniques of wood carving. Only when he was sure of his skill did he begin to experiment.

Starts To Stylize He started to stylize. He began to curve the handles of his spoons curiously, to make each spoon a different "idea."

He moved on from purely functional objects. He began to carve animals.

He learned how to make the grain of the wood work for him. A block with a pattern suggesting wings became a bird. He learned how to incorporate imperfections in his designs, to let, in some cases, the imperfection determine the design. A knothole became a fish's eye.

Intrigued Librarians The librarians became intrigued by this quiet gentleman who seemed determined to devour every art book in their building.

"Finally," Tom recalls, "after I'd been going there about a year, one of the librarians—those are wonderful women!—said to me, 'What do you DO with all those books, Mr. Omalev?'"

"So I told her." And the librarian, now even more intrigued, told Robert Orr, the Library director, and Tom brought in samples of his work, and everyone agreed that the work should be exhibited and pretty soon Tom's carvings were spotlighted in the Library's display case.

One of the spotlighted carvings was the Whale. The Library acquired it for its permanent collection.

RIPE OLIVE FIESTA CASSEROLE

A "Ripe Olives From California" Recipe

- 2 lbs. ground lean beef
- 1/2 C. olive oil or salad oil
- 1 (No. 300) can pitted California ripe olives
- 3 Tbsp. chili powder
- 3 Tsp. salt
- 1 Clove garlic minced
- 1 1/2 C. chopped onion
- 6 C. cooked or canned pinto beans
- 4 C. tomato juice
- 6 C. water
- 3 Tbsp. butter
- 1 1/2 C. yellow cornmeal

Preheat oven to 370°. Heat oil. Add beef and cook until browned. Drain olives; save 8 or 10 for garnishing. Crumble remaining olives and add to meat. Stir in chili powder, 1/2 tps. salt, garlic and onion. Cook together for 5 minutes. Remove from heat. Add beans and tomato juice. Bring 5 C. water to a boil. Add remaining 1 1/2 tps. of salt and butter to water. Stir remaining 1 C. water into cornmeal. Stir moistened cornmeal into boiling water. Cook, stirring constantly, for 5 minutes. Cool slightly. Line bottom and sides of a three-quart casserole with two-thirds of cornmeal mixture. Spoon in the olive-meat-bean mixture. Spoon remaining cornmeal mixture in circle around edge. Bake for 30 minutes. Garnish with whole ripe olives. Makes 8 servings.

a board and gave it to Mr. Orr. "My credo," says Tom, explaining his philosophy as an artist, "is the same as that of the Greeks: Elegance in simplicity."

Room for Everyone

"I also believe in that old Chinese saying, 'In every garden a thousand flowers grow.' In art, there is room for everything, and for everyone. Art doesn't belong to any one person, any one group. So many people feel that artists have to be 'kooks.' That's just not true!"

"I don't think you can criticize art—it's too personal a thing—but I would love to teach it. Too many people worry about selling... An artist's first love has to be creation, his first concern must be to try to create."

And Tom, warming to his subject, goes on. He subscribes to the theory that there's no evolution in art, only periods. "Dignity," the respect a man has for himself and his work, and "Limitations," those points in each man's life when he must recognize that he can no longer go on alone, when he must turn for help to others, are the two words he lives by.

"Knowledge Is Recorded Experience" is another of his favorite phrases. The repository of recorded experience is, of course, the library.

He's always been a library buff. "When I was a boy," he explains, "my father told me, 'You're better off to hang around the library than the pool room.'"

Turns out that was pretty good advice.

Grosse Pointe High School graduate PRUDENCE ANN WHITELOCK, a freshman at Central Michigan University, daughter of MR. and MRS. RAYMOND WHITELOCK, of Trombley road, has been pledged to CMU's Gamma Psi chapter of Delta Zeta sorority. Upon receiving her college degree, she plans to teach school on the elementary level.

"Quiet on the set... Roll 'em... ACTION"... Almost everyone dreams of being a famous movie star—and almost everyone goes through life limiting his histrionics to home movies, but Fred Kirchner, son of Mr. and Mrs. Richard Kirchner, of Severn road, will never be content with home movies again... Fred, a Grosse Pointe High School Graduate, is an Aircraft Mechanic stationed at the United States Naval Air Station, Cubi Point, Subic Bay, Philippines—and, in his off-duty hours, an ersatz British soldier, circa World War II, one of more than 250 sailors from the U.S. Base working as extras on the set of "Too Late the Hero," starring Michael Caine and Cliff Robertson. The movie, story of a small company of British soldiers who find themselves isolated on a Japanese Island, is being filmed on the Naval Base and in the surrounding jungle areas.

He can't solo for a few years yet... but Roy Martin, Jr., son of the Roy Martins, of Lakeview avenue, is ready for the sky... Twelve-year-old Roy, a Sixth Grader at St. Paul's School, is one of the youngest people in Michigan ever to take—and pass!—the Federal Aviation Administration Private Airman's written exam. He studied for the exam at the Grosse Pointe War Memorial, in a course conducted by Skylark Flying Service whose owner and operator, Woody Coche, is currently in Florida instructing Tiger pitcher Denny McLain...

We rather like... the Grosse Pointe Yacht Club's plot to involve Fathers in its Children's Easter Party this Saturday... While the youngsters admire a menagerie of baby animals adorning the GPYC Rotunda, the "hares" will be happily attended to in the Crow's Nest by a special Playboy Bunny... Among the things the gentlemen will miss (?):

A Full-Course Children's Luncheon... A Magician... The Balloon Man... The committee for the festive event is headed by Mrs. William Lozelle, chairman, and Mrs. Joseph Mayer, co-chairman, assisted by the Mesdames James E. Fisher, Frederick Lepley, Stuart Smith and G. Sheldon Veil. General chairman is Mrs. William Schmidt... Phil Skillman will provide music from noon to 2 o'clock, when baby bunnies, hares, Mama Rabbits—and the Playboy Bunny—are due to depart...

And, while we're over at GPYC... April 12, (in case you didn't know), is the date for this year's Grosse Pointe Yacht Club Clambake A-Go-Go, with chairmen Mr. and Mrs. Keith Shreve promising more clams, more fun—more of everything in fact at the 1969 edition of this annual party... Mr. and Mrs. Robert Fraser are assisting the Shreves as co-chairmen... Their committee members include the James Fishers, Tom Roneys, Frederick Lepleys, Robert Wakeleys, Don Curtises, Jerry Kalens and Messieurs Sloane Barbour and John Kettler...

Grosse Pointe's own Ruth Burezyk... will appear as soloist with the Detroit Symphony Orchestra, Sixteen Ehrlich conducting, in the Fourth Annual Benefit Concert in behalf of the Riverside Civic Fund to be presented Friday evening, April 11, at 8 o'clock in Ford Auditorium... Ruth, (in private life she's Mrs. Walter J. Burezyk, of Littlestone road), will play Grieg's Piano Concerto in A minor... Concert proceeds will be used to support The Reverend David Eberhard's Riverside Civic Fund, Inc., a community-involvement program designed to serve the physical, emotional and spiritual needs of Detroit's Lower East Side community via Riverside Lutheran Church, an Inner City Community Clinic, Riverside Community Housing Projects, Lutheran Youth Village, a Day Care Center, a Co-op Store and Neighborhood Youth Services...

PILFERINGS

In Philadelphia an official of the AFL-CIO Transport Workers Union received this letter: "My sister, who lives in New York City, wrote me that you had a strike against the bus lines there. For five days she had to walk to work and because of that she lost seven pounds, which makes her look a lot better. Not only that, but she met a guy walking to work one day, and he was a bus driver on strike. Now they are going to get married. Why can't you have a strike here in Philadelphia?" —The Union

In his autobiography, "Cellist," Gregor Piatigorsky tells about a time he was soloist at a concert conducted by Arturo Toscanini: "The maestro paced the dressing room in which I practiced, repeating, 'You are no good; I am no good.' Please, maestro, I begged, 'I will be a complete wreck.' Then, as we walked onstage, he said, 'We are no good, but the others are worse. Come on, caro, let's go.'" —Published by Doubleday

We had been discussing saints, naming our favorites among them. "Which saint would you like best to be?" I asked our daughter, expecting the usual platitudes about the vivacious Teresa or the modest Clare.

"Oh," she said firmly, "I'd choose to be a martyr." We evidently gaped unbelievably—but she had her reasons marshaled. "You see," she explained, "you only have to be a martyr once."
