HEADLINES of the WEEK As Compiled by the Grosse Pointe News

Thursday, April 10
STERLING HEIGHTS UAW local voted Wednesday to halt an eight-day wildcat strike that has idled nearly 30,000 Chrysler Corporation workers at eight plants. Support of the motion to return to work was not unanimous. Angry dissidents threatened to continue picketing the gates of the Chrysler Corporation stamping plant.

THE STATE BOARD of Education declared Wednesday that scores of Michigan public schools are on the verge of financial collapse and cannot wait until this fall for legislative relief. The board urged lawmakers to swiftly enact an \$80 million school aid bill, \$55 million above Governor Milliken's proposal.

Friday, April 11
STUDENTS PROTESTING the presence of the Reserve Officers Training Corps (ROTC) on the campus of Harvard University saw 200 of their group arrested by club swinging police on Thursday. 500 demonstrators had seized the administration building to protest the military training at the University. Following the police raid, 2,000 students called for a three-day strike at the school, amnesty for the protesters and the resignation of Harvard president Nathan M. Pusey.

Saturday, April 12
NEARLY 3,000 HARVARD students protested Friday against the administration's use of police to drive anti-ROTC demonstrators from University Hall.

REPUBLICAN SENATORS walked out on Ted Kennedy's Alaska poverty tour, claiming that it was only a "publicity stunt" and that it would harm more than help the Eskimos. They were Senators Saxbe of Ohio, Bellmon of Oklahoma, and Murphy of California.

Sunday, April 13
PRESIDENT NIXON PROMISED Saturday the largest budget surplus since 1951 and the fourth largest in history to combat inflation. He said his new budget will have a \$5.8 billion surplus, accomplished by a \$4 billion cut in federal spending, the largest part from domestic programs.

STATE SENATOR Coleman Young called for increased aid to the Detroit school system which is in danger of collapsing this year. The Detroit Democrat was one of the speakers Saturday at the New Democratic Coalition, the party's liberal anti-war wing, at Cobo Hall.

Monday, April 14
MIDWEST STATES continue to be menaced by the raging Mississippi River that has already driven at least 8,000 persons from their homes. An unprecedented amount of melting snow caused the Mississippi and other Midwest rivers to swell to record levels.

A NATIVE-BORN AMERICAN, Thomas Glenn Jolley, 24, who fled to Canada to escape the draft was granted a hearing to appeal his deportation from the United States. Jolley allegedly re-entered the country to take up residence in Atlanta. This is believed to be the first case involving the deportation of an American-born citizen who refused military duty.

Tuesday, April 15
GOVERNOR MILLIKEN, in a televised "Report to the People on Urban Affairs," gave his qualified endorsement to Mayor Cavanagh's proposed tax program, including an income-tax increase for Detroit residents and commuters. He said he would be willing to accept legislation on some of the proposals.

SOME HARVARD STUDENTS, in a mass meeting on Monday, voted to strike classes for three more days and request that the school's administration state its position on demands made by the protesters.

Giving Up Pulpit Here to Accept Call to Swarthmore Presbyterian in Pennsylvania

The Reverend **Bertram deH. Atwood** has sent a letter to the congregation of the Grosse-Pointe Memorial Church announcing that he has accepted a call to become pastor of the Swarthmore Presbyterian Church, Swarthmore, Penn.

A congregational meeting has been called for Sunday night, April 27, at 8 p.m. to receive Mr. Atwood's request for the dissolution of the pastoral relationship and to request the Presbytery of Detroit to dismiss Mr. Atwood from the Presbytery of Philadelphia.

Mr. Atwood came to Grosse Pointe Memorial Church in the fall of 1959 from Englewood, N.J. Besides the work in the parish, Mr. Atwood has been a member of the executive committee of the Board of Christian Education, United Presbyterian Church, a Trustee of the American Church in Paris and a member of the National Missions and Ministerial Relations Committees of the Detroit Presbytery.

Mrs. Atwood is presently serving on the Board of Directors of the Metropolitan Council of Churches as secretary of the Council, is on the Detroit General Hospital Chaplaincy Committee, is a member of District Nursing Society, and a volunteer tutor at Keating School.

Residents Express Alarm Over Possible Nuisances Of Planned Charity Event

Question Decision of Farms Officials in Permitting Parenthood League's Three Week Project on Lake Shore Property

The "Designers' Show House," a project of the Planned Parenthood League of Detroit, assisted by the Michigan District Chapter of the American Institute of Designers, has been drawing mixed reactions from Farms residents. The project, which involves the utilization of the home of the late John T. Woodhouse at 325 Lakeshore road, is scheduled for viewing beginning May 5 and running for three weeks.

Mrs. John Withers, 10 Beacon Hill road, expressed in a letter to the News grave reservations about the crowds that will be in the area to view the house. The fact that the visitors will be using the Farms Park to park their cars has also become a point of controversy.

Mrs. Withers raised two additional points: one, that such a use of the Pier for parking would severely handicap, if not stop entirely, the operation of the driver education program of the local schools; and two, that the project is mainly run by a Bloomfield-Birmingham group, in which case, why the "invasion" of Grosse Pointe?

Bremer Has Answers
When contacted, Farms City Manager Andrew Bremer, Jr., pointed out that the Farms park does not open officially until May 31, by which time the project would have been concluded.

Bremer also pointed out that the sponsors of Designers' Show House were asked to secure in writing from the schools an expression that their driver education program would in no way be curtailed by the project. (Continued on Page 12)

Pick May 1 For Clean-Up Drive Start

Will Launch Year-Round Campaign in Attempt to Win National Honors and Trophy

The Grosse Pointe Clean-up drive starts officially on Thursday, May 1, with a kick-off luncheon in the Crystal Ballroom of the Grosse Pointe War Memorial at 12 noon. **Walter W. Fuller,** recently of the Detroit News and Grosse Pointe News, will be the featured speaker.

Mr. Fuller was editor of the Detroit News Fraternal page for many years as well as of the widely-read, "I'm Telling You" column. He is presently director of public relations of the Inland Tool and Manufacturing Company. His subject will be "Slip-shod Americans."

The Beautification Council is that newly formed committee which has organized all the Grosse Pointe communities for a massive year-round drive for beautification and clean-up. It is composed of the four mayors and one president, acting as honorary chairmen, all city managers, representatives of business and service organizations, public and private schools, garden clubs and civic-minded citizens.

The Council has set its sights on the coveted Trigg Trophy awarded yearly in Washington. (Continued on Page 4)

Returns in Time To Halt Burglary

Neil Bondell, 876 Rivard, called City police on Thursday, April 10, to report an attempted breaking and entry at his residence on that date.

Mr. Bondell told officers that he left his home for a few hours that evening and upon his return, saw a car parked across the street. When Mr. Bondell approached his front entrance a youth in the vehicle tooted the horn three times and three youths came out of the adjoining back yard. The three headed toward Mack avenue and the car headed south on Rivard.

When Mr. Bondell entered the house he checked the kitchen and found the glass in the back door had been broken and the storm window taken out of the door.

Apparently Mr. Bondell arrived in time to thwart the entry. Police sent a broadcast to all cars describing the vehicle, and the three youths.

GP Park Council Turns Down Plea For FH Ordinance

Approve Policy Statement Which Cites State-Federal Statutes as Adequate Protection Against Open Housing Discrimination

The Park council on Monday, April 14, adopted a statement of policy by a 4-1 vote, not to enact a local Fair Housing Ordinance, but calling on "all people of good will to follow State and Federal statutes governing fair housing."

The statement of policy, or position, was proposed by Councilman Warren Couger, and favored by Mayor Matthew Patterson, and Councilmen Douglas Graham and George Verdonc. The lone opposition was voiced by Councilman Charles Bowerman. Absent were Councilmen Robert Hutton and William Luedders.

A plea for a local open housing law was made to the council at the March 24 meeting, by representatives of the Grosse Pointe Fair Housing Committee. The matter was tabled for further study, with Monday's date set for a decision.

Leaders Fall To Show
Charles Marston, chairman of the committee, and others of his group, were to have been present to continue their plea to the council, but a member of the organization, who was present at the meeting as a citizen, informed the council that Marston and the committee did not show because it was decided that they wished to give more thought and study to a presentation strategy before approaching the council.

The citizen informed the council that because he had been mentioned as favoring Fair Housing, he and members of his family have been victims of a letter writer who vilified him and his family for their stand in the matter.

The citizen read a line from the letter which was extremely vicious, attesting to the subnormal mind of the writer. The victim of the slanderous missive said he could read more, but would not. He said he gave the letter to police authorities for possible action.

Suggests Round File
Mayor Matthew Patterson said that he has received several such letters in the past, all unsigned, and when told that the letter received by the citizen was unsigned, stated that the best place for it is the waste paper basket.

Couger expressed concern regarding the letter, and pointed out that this does not represent the feeling of the community, which on the whole favors open housing. No matter what law is proposed, or passed, there is always a lunatic fringe that writes such odious letters, he added.

He said that he and other members of the council do not oppose open housing, but he felt that a local ordinance is not needed since there is a State law and Federal law covering the matter.

Three citizens in the audience stated that the enactment of a local law is not necessary because of the State and Federal statutes. One person said that as long as the Fair Housing Committee did not see fit to appear at the meeting, the committee should forget about the matter.

Graham said that the council (Continued on Page 2)

Six Youths Accused; Put Under Bond

Name of Seventh Withheld Because of Age; Police Believe High School Supply Wiped Out

Concerted raids throughout the Detroit area on Thursday, April 10, by Pointe, Harper Woods and other police and federal and state officers, climaxed an extensive two and a half months investigation in the illegal traffic of narcotics which has been flowing into the Pointe, according to information released by Farms Police Chief Jack F. Roh.

The raids, participated in by policemen of the Pointe, Harper Woods, Detroit, Ann Arbor, Royal Oak, Michigan State Police and agents of the Federal Bureau of Narcotics and Dangerous Drugs, is believed to have broken a ring comprised of high school and college students supplying drugs to both the Grosse Pointe South and Grosse Pointe North High Schools and other high schools in the Detroit Metropolitan Area, it was said.

Was Major Supplier
The ring was one of the major suppliers of marijuana, THC, LSD, hashish (concentrated marijuana), mescaline (synthetic marijuana) and even opium, most of which found their way to the Pointe high schools, Roh said.

It was reported that the Pointe and Harper Woods police began the series of raids at 2 p.m. on Thursday, and other raids took place in other sections of the Detroit area from that time until about 4 a.m. on Friday.

The Pointe and Harper Woods police arrested 11 youths, including a 16-year-old Pointe boy, whose name was withheld in raids throughout the Pointe. Detroit police nabbed a large group, including eight Pointers in a raid in the 1600 block of Gray avenue, and Ann Arbor police took two Michigan State University students in custody and are still holding the pair. Shores authorities have placed a hold on these youths.

Six Other Pointers
Besides the 16-year-old, six other Pointe teenagers were arrested, along with four others from different communities, in the raids conducted by Pointe and Harper Woods authorities.

As a matter of convenience, all 10 were arraigned before City Municipal Judge Douglas Paterson, for preliminary hearings, which began at 9:30 p.m. and concluded at 1 a.m. The hearings were held in the City Municipal Court chambers.

The teenagers are charged in warrants, approved by Assistant Wayne County Prosecutor Jessie Aggleston, with either illegal sale, possession or control of narcotics, or conspiracy to violate the narcotic laws.

Those from the Pointe accused, and the bond set against them, are: Daniel J. Griffin, 17, of 111 Cloverly, \$5,000; Bernard Allor, 17, of 459 Manor, \$5,000; Robin Wright, 18, of 323 Moran, \$5,000; Brent Hudson, 1372 Maryland, \$5,000; Michael Bellardi, 20, of 73 Putnam place, \$10,000; and Scot Walri, 19, of 950 Nottingham, \$5,000.

Others Arrested
The non-Pointers are: Juan Tenario, 20, of 748 Van Dyke, Detroit, \$10,000; Greg Sawinski, 20, who gave two addresses, 900 East Jefferson, Detroit, and 16534 Julian, East Detroit, \$10,000; Steve McCormick, 19, who also gave two addresses, 821 Batavia and 2235 Benjamin, Royal Oak, \$10,000; and James McGuire, 19, of 30203 Overdale, Farmington Township, \$10,000.

Being held by Ann Arbor police, with a hold placed on them by Shores authorities, are: Mark G. Connard, 20, and Robert Deresz, 18, both of 1539 Washburn, Ann Arbor, who were taken into custody at the Chi Phi fraternity house on the University of Michigan campus.

Aggleston also approved warrants for the arrest of two John Does, it was disclosed. At the last report, the pair is still being sought by Pointe police.

Follow-Up Letters to Be Sent in Effort to Reach \$85,000 Goal Set for Annual Campaign

"It is a source of very real gratification that the people of the Pointes are responding so generously and wholeheartedly to the need for current operations of the Grosse Pointe War Memorial. This is indicative of the sort of support that makes all of the work of the staff and the planning of the board of directors so worthwhile and so satisfying in this truly community effort," says David W. Kendall, president of the board.

As of Monday, April 14, a total of \$28,131.75 had been received from 1,669 donors. This compares with \$36,158.50 received from 2,270 givers as of this date in 1968. However, mailing was received one week later this year.

Even though returns to date have been gratifying, a further effort will have to be made by the Center to reach its necessary goal of \$85,000 to continue operations in its 20th Anniversary year. To this end, combination follow-up letters and remittance envelopes will be mailed next week to all citizens who have not yet sent in their checks. The Center very much hopes response to this follow-up will be overwhelming.

As one of the chief organizations that unites the Pointes and takes none of their tax monies, all families are urged to give in the measure they can to contribute one-fourth of its operation costs. The Center earns three-fourths of its upkeep. Gifts are tax deductible.

The board of directors wishes to thank the following who have made their contributions thus far:

FLEC Shifts Relationship With Board of Education

Dr. Callier H. Worrell, M.D., president of the Family Life Education Council, (FLEC), has announced that the Board of Directors of FLEC has decided to sever its direct relationship with the Board of Education as its sponsoring authority. It was felt by the board members that since FLEC's current projects are related to drugs, alcohol and sex education, it could function more effectively as a private non-profit corporate agency.

Dr. Worrell complimented the Board of Education for the role it has played as coordinator, initiator and instigator of dialogue between the many educational institutions in the community. He said that it was the sincere hope of the board of directors of FLEC that the Grosse Pointe Public School System would continue the recognition of FLEC as a supportive, cooperative agency that stands ready to provide a service to the schools. He added, "There is much that needs to be done, and there is much that can be done. If we are only wise enough to keep our hands joined in a spirit of total cooperative effort."

The purpose of the corporation is to stabilize and strengthen the family unit by providing all interested adults and adolescents in the Pointe communities with educational programs, workshops, services, guidance, counseling and information relating to contemporary sociological issues including sex (Continued on Page 2)

(Continued from Page 1) the various local police chiefs, and by the federal agents and state troopers, without whose help, he said, the investigation would not have gone on as well as it did. The raids were carried out like "clock work," he added.

Participating in the weeks-long investigation, sometimes going several days without sleep, were the following officers from the Pointe area: Park Det. Sgt. James LaPratt and Det. Charles Petrie; City Det. Lt. Robert Van Tiem; Farms Det. Sgt. George Van Tiem and Det. Joseph Miller and Patrolmen Earl Field, Francois Belanger and John Farley; Woods Det. Capt. Henry Marchand and Det. Martin Trombley; Shores Det. Sgt. Don Jacob and Det. Frank Mustazza; and Harper Woods Det. Sgt. James Miglio and Det. Douglas Garascia.

Chief Roh said that Van Tiem and Miller, who were elected coordinators of the investigation by the other officers, and the Shores detectives worked hard in the matter.

Received information The chief said that Miller received information from a source, which prompted a decision that the drug problem in the Pointe area had reached serious proportions, and a meeting was requested of all the chiefs and the officers of the respective Detective Bureaus.

After the first meeting held in February, it was decided that it was absolutely necessary that assistance be requested of the Federal Bureau of Narcotics and Dangerous Drugs, and two agents were assigned, as undercover men, to make contacts, inasmuch as the local police might be well known in the area.

The Federal agents made the narcotic purchases at various locations in the Pointe, and other communities, the chief said. Each purchase was scientifically analyzed and the drugs identified and tagged for future evidence, with the dates of purchases and the names of those from whom they were bought, attached.

Thanks All Involved "I want to thank Park Director of Public Safety William Ellenburg, City Director of Public Safety Andrew Teetaert, Shores Director of Public Safety Thomas Cochill, Woods Director of Public Safety Donald Coats, and Harper Woods Chief of Police Allen Miglio, and the officers of their fine departments for the wonderful cooperation they rendered in bringing this matter to a successful climax," Chief Roh stated.

"Also, my sincerest thanks to the Detroit, Ann Arbor and Royal Oak Police Departments, the Michigan State Police and the Federal Bureau of Narcotics and Dangerous Drugs, for their help."

The chief disclosed that during the raids, police confiscated about \$46 worth of marijuana, 56 mescaline tablets, and eight ounces of hashish, from some of the homes of the youths arrested.

Bought \$480 Worth "During the weeks of investigation," he said, "Federal agents purchased a total of \$480 worth of drugs. It has been

known for some time that drugs were being sold at both Pointe high schools, and in high schools in the immediate area.

"I believe that as a result of these arrests, that a main source of narcotics that has found its way into the Pointe area has been stymied," the chief added.

Judge Peterson informed all the accused teenagers that he was aware of the serious drug problem in the Pointe area, and that he will not tolerate the drug traffic. He also informed the youths, that when they appear before him again on the examination date, that they are all to have hair cuts, wear socks, not to come to court in blue jeans, and to be properly bathed.

Asks Parents' Help The Farms chief urges all parents who might be aware that their children are using any form of drugs, to report the matter to their respective police officials.

"We must stamp out this drug traffic which causes so much human misery," he said. "But, we cannot do this alone. We need the help of our citizens, especially the help of parents, for the information whereby we can act. If we work together, we can accomplish much."

"An information source helped the law enforcement agencies to carry out a successful conclusion of this investigation of the illegal narcotic traffic in the Pointe area. As a result, we have nipped one of the major sources of drug supply coming into our community."

See Source Smashed "The federal agents who acted as our undercover men, who are experts in their field, have stated that it is without doubt, that the ring we smashed was responsible for bringing a large portion of drugs into the Pointe. If the citizens work with their police, we can continue the job and stop this illegal traffic."

Det. Miller said that warrants were requested for three John Does, but two were denied by the Prosecutor's Office because of insufficient evidence.

The detective disclosed on Monday, April 14, that one of the John Does for whose arrest warrants had been approved, has been identified but it is believed that this person has fled to Canada.

Rejects Plea

(Continued from Page 1) calls on all men of good will to abide by the State and Federal laws.

Couger said that in his opinion, the Park, as a municipality, should not take any action in the matter until the laws prove ineffective.

In his statement of policy, Couger presented the following: "We believe these (State and Federal laws) to be well-reasoned laws which thoroughly protect all parties and any complaints of any unfair housing practice, and we, as a council, call upon all men of good will to abide by the State and Federal laws."

No Need Demonstrated "We believe that an ordinance should be enacted only when there is a demonstrated need to protect the public interest. No need for a local Fair Housing law has been demonstrated to the council. In fact, we have no knowledge of any unfair housing complaints against any citizen or property in Grosse Pointe Park.

"We believe that this is an accurate and responsible statement of conditions relating to the subject of fair housing in Grosse Pointe, that any one, regardless of religion, race, color or national origin, who desires to move into, reside in, and enter into the life of our community, can do so at this time, without further legislation."

A motion for adoption of the policy statement was made and passed with the dissenting vote by Bowerman.

It was not disclosed if this closes the door to further petitions for enactment of any fair housing law in the future, but it was pointed out, that citizens

North High Girls Enjoy New York

Bright and early on Saturday, March 29, 15 girls from Grosse Pointe North, plus two chaperones departed from Metropolitan Airport for New York City.

The excited girls included: Karen Bozimoski, Debbie Elias, Nancy Elias, Kay Endres, Jane Francis, Joan Francis, Carolyn Ellis, Shelly Morey, Gail Mousse, Aline Saverno, Marty Schmeltz, Dona Selby, Carol Steiniger, Marlene Vandecappelle and Robin Wilkinson.

The courageous chaperones were Mr. and Mrs. Roger Flowers, who are both teachers in the Grosse Pointe School system.

After arriving safely in New York, and checking into the Penn-Garden Hotel, across from Penn Station, they boarded a Grey Lines Tour Bus. The tour of lower New York City covered Chinatown, Greenwich Village, Times Square, the Bowery and the Statue of Liberty.

The big friendly city found girls from Grosse Pointe at various places during the following week. Mass was attended at beautiful St. Patrick's Cathedral on Palm Sunday. Tours of Rockefeller Center, the New York Stock Exchange, the U.N. Building, and the Metropolitan Museum of Art, proved to be both interesting and educational. There were also stops at the gigantic New York City Library, the Lincoln Center for Performing Arts, Rockaway Beach, and the Empire State Building.

Tickets were obtained from NBC studios for two shows, "Personality" and "Concentration." After passing the qualification test, Mrs. Flowers was selected as a contestant for "Concentration." She will return to New York City during the summer to appear on the show.

Riding on subways, eating breakfast at Tiffany's, dancing on Broadway, shopping and walking were also a large part of the excitement.

The girls were found at such night spots as Mama Leona's, The Lobster, L'Orangerie, and a Chinese restaurant. One evening was spent at Radio City Music Hall viewing the fabulous Easter show and Walt Disney's new movie "The Love Bug." Three Broadway shows, "Mame," with Mary Morgan, "George M," with Joel Grey, and Cabaret, were enjoyed by all.

On Saturday, April 5, 17 tired people returned to Detroit loaded with souvenirs, pictures, clothes, and hopes of some day returning to New York City!

Rotary's Big Antique Show

(Continued from Page 1)
early Great Lakes shipping days have been salvaged from the lake floor and made into beautiful and unique benches, tables, and even jewelry.

Other exhibits will include rare books, statuary, Oriental urns, figurines, china, silver, art glass, textiles, dolls, furniture, primitives, tools, jewelry, and many other collectibles and memorabilia too numerous to list.

Grosse Pointe Rotary depends on its annual antique show to raise funds for its many civic projects, most of which are educational or youth-oriented. The recent gift of \$10,000 to the Family Life Education Council, to further implement the anti-drug program initiated by that group, was made possible through funds raised by the antique show.

CAUGHT WITH LIQUOR
While on routine patrol on Thursday, April 11, City police observed three youths walking south on St. Paul from Neff. Upon investigation they found the trio to have a bottle of Canadian Club whiskey, two bottles of ginger ale and half a bottle of creme de menthe. All three were taken to the station and their parents notified. The boys said they found the Canadian Club. They said the creme de menthe was taken from one of the youth's homes.

The \$25 prize for the best slogan submitted in the slogan contest will be given at the luncheon.

BATHHOUSE DAMAGED
Robert Kubin, superintendent of the City of Grosse Pointe park, called City police on Friday, April 12, to report damage to the bathhouse. The light fixture on the east side of the building had been broken, the shingles torn off the roof, the gutter and telephone damaged. He told police the damage must have been incurred after four p.m. on Wednesday, April 10.

GIBB'S World - Wide - Wines
Imported & American
WINES AND CHAMPAGNES FROM ALL OVER THE WORLD
We specialize in America's finest all leaf, and special imported CIGARS

This year we have the best and largest selection of Bordeaux wines we have ever had in the whole 35 years of our wine business. Early in 1967 we noticed the uptrend in Bordeaux sales, which directed us to order very heavy, this we did, which not only proved to be a good idea, but profitable to us as the wine dealer, and you as the customer. These wines came in October 1968, almost too late to get on sale for the holiday season. Many of these are the great classified growths in 1962-1964. We have tried them all, and many are exceptional good buys at the old prices. They are all on display now for sale at Gibb's World Wide Wine.

Pilot Program Conducted As Scholars Visit Pointe

In its continuing efforts to maintain its high standards of academic excellence and keep abreast of the latest educational developments, the Grosse Pointe School System hosted on Thursday and Friday, April 10 and 11, scholars from the National Humanities Faculty. The purpose of the scholars' visit was "to bring active

scholars and practitioners of the arts into contact with high school teachers to work together in a variety of ways for the improvement of high school teaching in the arts, history, languages, literature, philosophy and the social sciences."

The Grosse Pointe School System is one of five such systems nationally chosen to participate in this pilot program of the National Humanities Faculty, co-sponsored by Phi Beta Kappa, the American Council of Learned Societies and the American Council on Education. The other four school systems chosen are Minneapolis, Minn.; San Francisco, Calif.; Gainesville, Ga., and Utica, N.Y.

This is the first major effort on a national scale to help secondary schools update their teaching of the humanities. Participating school systems were chosen from a large number of petitioning systems seeking to re-focus teaching about man and human values.

Participating scholars were selected for their qualities as individuals and as scholars which enable them to convey to the schools the exciting work and thought in their fields of specialization. The scholars' focus of attention was on helping to develop curriculum materials and teaching approaches related to contemporary urban man, his potential and problems.

The four scholars who met with eight teachers and four administrators were Dr. Saul Alinsky of Industrial Areas Foundation, Chicago; Dr. Cornelius Golightly, University of Wisconsin at Milwaukee; Bartlett H. Hayes, Jr., Director of the Addison Gallery of American Art at Phillips Academy, Andover, Mass.; and Bernard A. Weisberger of the American Heritage Publishing Co., New York.

In discussions best characterized as flexible and free-flowing, the scholars discussed with both teachers and students the various approaches and methods that could be best utilized in the teaching of humanities.

Participating teachers from South High School were Sue Boivin, Robert Bradley, Julia Meighan and Ted Stephens. North High participants were Herman Klein, Ray Gault, John Schwan and Jane Wayne. Frances French, Roger McCaig, Joseph Spagnoli and Robert Welch represented the administration in the discussions.

Present and planned humanities programs were described by the teachers, the purpose of the discussions being to elicit critical responses from the scholars.

Dr. Golightly hit what was perhaps the keynote of the discussions when he emphasized the need for teachers to involve themselves in urban problems. He pointed out that an involved teacher is one who can relate to his students in a meaningful way and one to whom students can turn for direction as they

face the increasingly complex problems of urban life.

The discussions will be evaluated by teachers and staff. The evening of May 4 will then be

devoted to a planning session between representative teachers and administration and Dr. Golightly, Mr. Hayes and Mr. Weisberger. The same group

will meet the following day to draw conclusions to the preceding discussions.

Announcing the first car of the '70s at 1960 prices.

FORD MAVERICK \$1995*

(You don't have to read it all—but it's nice to know it's all there.)

Most new cars look like other cars. But when the word gets out that something really different is on the way, rumors run wild. Few cars have caused as much talk as Maverick. Ford's new entry in the small car field rivals the economy imports in price... but tops them in power, performance, passenger room and luggage capacity. We've been bombarded with questions about Maverick. Now, for the first time, here are the answers.

Q. Why did you build the Maverick?

A. We think of Maverick as another one of Ford Motor Company's answers to the gold drain. Now Americans who want small car economy don't have to send their U.S. dollars overseas. Maverick is Ford's newest better idea. And, like Mustang and Thunderbird before it, it's a car you'd never expect from Detroit... except from a maverick-like Ford.

Q. Why did you call it Maverick?

A. Because our Maverick isn't like any other car... home-grown or imported. You know what a maverick is. A maverick breaks the rules. A maverick is different. Maverick plugs the big gap between the compacts and the imports. It has a wheelbase eight inches shorter than a '69 Falcon, eight and one-half inches longer than a VW 1500. Nothing else like it.

Q. Why did you make it this size?

A. Maverick pinches pennies, not people. After all, in America today, every generation is growing taller. We gave Maverick more room because Americans demand more room. More leg room. More shoulder room. More luggage room. Maverick is built for people with long legs and broad shoulders. Good example: the front seat of a Maverick offers you nine inches more shoulder room than the front seat of the leading economy import.

Q. What do I get for the price?

A. You get your money's worth. A complete, built-for-Americans kind of car. Room. Hot styling. Color-keyed interiors. Even the heater is included. Some economy car interiors are about as luxurious as a park bench. Not Maverick's. You get plush seats. Cloth and vinyl upholstery with unique tartan plaid cloth inserts. You also get safety features like smart pull-out door handles. Strong safety door locks. Two-speed electric wipers. Safety belts. Head restraints. Plus conveniences like armrests, coat hooks, lighted heater controls... important little things that add so much to your driving comfort.

Q. What about options?

A. You can get 'em if you want 'em. You can order integral air conditioning. (It's built in, not hung on.) Or dress up your Maverick with full wheel covers, and special body trim. Other options include 3-speed automatic or low-cost semiautomatic transmission, and a hefty 200 CID Six. But lots of people won't put an extra cent into this car. Because it's all there. A complete car all ready to drive home.

Q. What kind of gas mileage can I get?

A. That depends on you as well as the car. You can get as much as 25 or 26 miles per gallon—if you have an educated toe and the right road conditions. If you have a lead foot, or do a lot of city driving, you will get a lot less. In tests by professional drivers at our tracks, where we do our best to duplicate actual driving conditions, Maverick averaged 22.5 mpg. All the drivers had their shoes on. They didn't nurse the car. It was stop and go, uphill and down, over pavement, dirt and gravel. And 22.5 was their average.

Q. What kind of power does Maverick have?

A. Maverick's Six lets loose 105 galloping horses. That's 52 more than you get in the 4-cylinder VW 1500. Maverick can cover 417 feet in ten seconds from a standing start. That means you can get up to highway speed in a hurry. When you enter a 70 mph turnpike, you won't feel like a retired bookkeeper thrust into the middle of a pro football game. More good news: Maverick has a cream-smooth 3-speed all synchromesh transmission tough enough to handle three times as much horsepower as the engine turns out.

MAVERICK TAKES LESS TIME GETTING UP TO HIGHWAY SPEED

Q. How much trunk space does Maverick have?

A. Nearly twice as much as the leading import. 10.4 cubic feet. And all in one place—not separate nooks and crannies. Maverick will handle all the luggage for a family of four, including a set of golf clubs. You won't be trailing laundry from your roof. Or going off half-packed, either.

Q. If it has an eight inch longer wheelbase than the leading import, does it still handle and park easily?

A. Maverick can U-turn in a tighter circle (35.6 feet) than the leading economy import (36.0 feet). Maverick can slant through traffic like a halfback. It can turn on a dime and give you nine cents change. If you've been driving any other American car, you'll find Maverick's neat size adds up to 5½ feet to any parking space. It makes a better driver out of every wife

and teen-ager because of the nimble way it handles in traffic, goes around corners and slides into tight parking spots.

MAVERICK'S SMALLER SIZE ADDS UP TO 5½ FEET TO ANY PARKING SPACE.

Q. Can Detroit really build a small economy car that's tough and long lasting?

A. It's not easy, but we did it. Maverick's unitized body construction makes it light, strong and durable. It's welded like a battleship. Rustproofing compound goes into deep crevices that never even see the light of day. Then all that strength is covered with four coats of paint for lasting beauty. Result: one tough little car that's put together to stay together. (The service schedule in the Maverick owner's manual goes up to 108,000 miles or nine years; that ought to tell you something about its rugged durability.)

Q. Are you putting us on about the colors like Original Cinnamon?

A. No. Everything's bolder, brighter these days. Maverick has the colors to go with the times—and the names to go with the colors. Like Hulla Blue, Anti-Establish Mint, Freudian Gilt, Thanks Vermillion and Original Cinnamon.

Q. How about parts and service?

A. Maverick is designed to be unusually easy to service. You're dealing with made-in-America parts and 6,000 easy-to-find Ford Dealers. Fast repairs and easy replacements mean extra savings in both time and money.

Q. Is Maverick really easier and less expensive to maintain than an economy import?

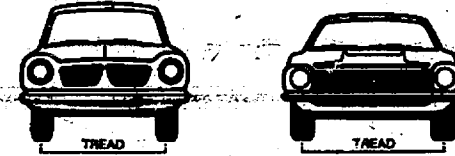

A. Definitely. Maverick oil changes come only every 6,000 miles and chassis lubrication once every 36,000 miles. The leading economy import recommends oil changes every 3,000 miles (twice as often as Maverick) and chassis lubrication every 6,000 miles (six times as often as Maverick!). The import also recommends brake adjustment every 6,000 miles. Maverick's brakes are self-adjusting. Those are just a few examples of the many ways Maverick lessens inconvenience and lowers operating cost.

Q. Can I do my own maintenance work?

A. Yes, if you have an average amount of mechanical ability. The Maverick owner's manual contains 24 pages of detailed diagrams and easy-to-follow instructions for routine maintenance jobs you can do yourself, if you wish. You'll find it easy to change spark plugs, replace ignition points, adjust engine timing, replace fuel filter, adjust idle speed, replace bulbs and adjust headlamps... plus many other do-it-yourself repairs and replacements.

Q. Can a small car be safe? And how safe is safe?

A. This small car incorporates the latest advances in engineering. Compare it to the economy imports. Most of them are higher than their treads are wide. Maverick's tread, on the other hand, is wider than the car is high. That means it's better balanced and designed to provide greater stability when the big winds blow or the going gets rough. Maverick's brakes are as big as a standard compact's—designed to stop cars weighing hundreds of pounds more. Hit the brakes on this one and it's like throwing out the anchor. Maverick gives you weight... power... stability. Designed for greater peace of mind on high-speed turnpikes where many Americans spend so much of their time at 70 miles per hour.

TYPICAL IMPORT IS HIGHER THAN TREAD IS WIDE. MAVERICK IS LOWER, WIDER, BETTER BALANCED.

Q. How does Maverick ride?

A. Here's where Maverick's longer, wider stance really pays off. You get a smoother, quieter ride. Maverick's tight, strong, unitized body helps eliminate squeaks and rattles. Special insulation blocks out road noise. The people who brought you a Ford that was quieter than a Rolls-Royce now bring you a small car that doesn't sound like a power mower.

Q. Is there an advantage in the fact that Maverick is really a 1970 car?

A. Slower depreciation is one money-in-the-pocket advantage. Maverick's 1970 model designation means it keeps its trade-in value higher, longer. (Maverick is built to be a good investment from the minute you buy it to the minute you sell it.)

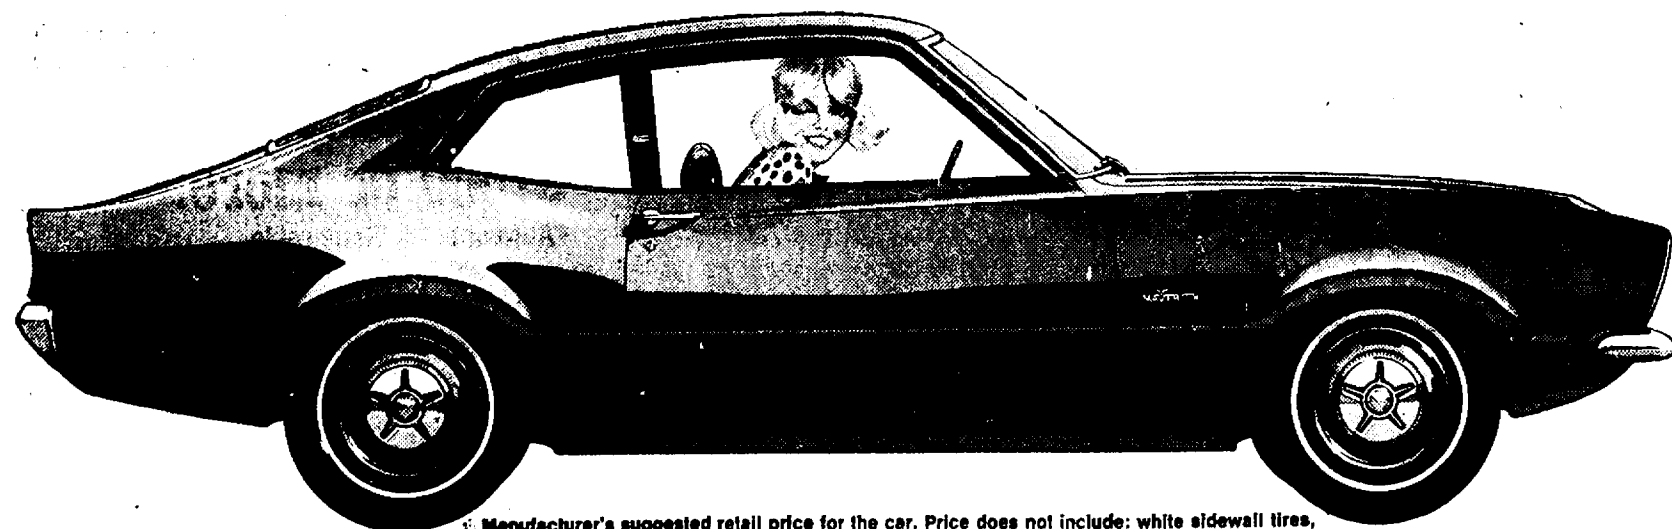

Q. Who do you think will buy Maverick?

A. Maverick isn't the kind of car you buy simply because you can't afford more. It does a lot of driving jobs better than any other car... and with a certain style. It's a great little first car for newlyweds. A great little car for the campus. A great little suburban car. City car. Fun car.

Better come take a look at this one. You'll find it where the action is... right in there with other great Ford values like specially equipped Ford Galaxie 500's... Fairlanes... Mustangs and Falcons.

You'll find them at your Ford Dealer's... the place you've got to go to see what's going on.

For an authentic 1/25 scale model of the new Ford Maverick, send \$1.00 to Maverick, P.O. Box 5397, Department N-9, Detroit, Michigan 48211. (Offer ends July 31, 1969.)

SIGNS MUST GO
City police received a report on Friday, April 11, that a number of merchants were displaying advertising signs on city property. The owners were notified to remove the signs immediately.

Windows Broken At Maire School

City Municipal Court convened on Tuesday, April 8, with Judge Douglas L. Paterson presiding. The following cases were heard: Ronald Gregory, 4304 Woodhall, Detroit, and Daniel Roemer, 4210 Woodhall, Detroit, were charged as disorderly persons. Both pled guilty and were found guilty, and fined \$100 and put on six months probation. Gregory was put on a 12 p.m. curfew for 30 days and Roemer was told not to drive for 30 days. Thomas Sanger, 1045 Wayburn, was charged with careless driving. He pled guilty and was found guilty and fined \$50. He was put on six months probation and no pleasure driving for 30 days.

Three Teenagers Arrested Looting Cars at Theater

Three 16-year-old boys were arrested by Woods police on Saturday, April 12, and charged with breaking and entering of, and larceny from cars. The arrests followed a close surveillance of the Woods Theater parking lot, when a number of complaints were received of autos being ransacked. Assigned to the stake-out were Patrolman Leroy Tobian and Donald Sabel, and Auxiliary Officers Russ Livermore, Don Boddy and Max Umbarger. A decision to keep an eye on the lot was decided when a number of car owners complained of items, including tape players, tapes and other property, had been stolen from their vehicles. In their report, the officers said that they took up different positions, surrounding the lot, where they could see any movements and be able to converge at one spot if necessary. Tobian said that at 10:45 p.m., he observed three juveniles moving in and out of the lot of the rows of cars at the north side of the lot, and that each youth tried the door handles of the cars they passed. The patrolman contacted Sabel, Livermore, Boddy and Umbarger, to be on the alert.

The watchers said that they observed the teenagers trying the doors, and enter cars when they found the doors unlocked. One boy was seen to enter an automobile and leave it with something in his hand, after remaining in the vehicle for several minutes. The officers closed in on the youths, arresting them at different spots. One boy was seen peaking over the dash of a car he had entered, and where he had tried to hide. The object held by the youth seen carrying something in his hand as he came out of one of the cars, was a transistor radio, which the policemen said was later identified as the property of Michael D. Casey of 27844 Bohn, Roseville. At 11:10 p.m., the policemen called for assistance in conveying the boys to the station, and Patrolmen James Davidson and Ronald Hayden were dispatched to help. Tobian and Sabel remained at the lot until the theater closed and the patrons came out, and all whose cars had been entered were notified. Casey informed the policemen that his radio was missing from his glove compartment, which had been pilfered. He identified the radio at the Woods station, where it was kept after it was confiscated from the teenager. Other cars entered, were those of John F. Walters of 1878 Bournemouth, who said the glove compartment had been opened and rifled, but nothing appeared to be missing; Robert Lee Graville of 3913 Grayton, Detroit, and nothing was missing, but the side view mirror of his vehicle was reported broken off; and Nance Joan Brisbois of 15498 Patton, Detroit. The woman reported that her purse had been taken from beneath the front seat of her auto, and the contents dumped on the pavement. Missing she said was only 30 cents, but the frame of her glasses had been broken. Her operator's license, car registration and other papers were recovered. The parents of all three youths were notified of the arrests and informed that charges have been filed against their sons with Juvenile Court authorities.

Stained Glass Festival Theme

"Stained Glass" will be the theme of the fourth annual Religion and the Arts Festival at Jefferson Avenue Presbyterian Church, 9625 East Jefferson Avenue, April 20-27.

The magnificent facade window, 40 feet high, memorial to Thomas and Janet Berry will be featured on Sunday, April 20th at the 11:00 a.m. service. Henry Willet, son of the window's designer and head of the largest stained glass workshop in America will come from Philadelphia to share the pulpit with the minister, Dr. Allan A. Zau. Frederick L. Colby, Jr., of Merriweather road, grandson of the Berrys, will be in the congregation with his wife. Members and guests are invited to bring binoculars to observe the window during Mr. Willet's talk. His studio has designed and fabricated many outstanding windows including those in the new National Presbyterian Church in Washington (the late President Eisenhower's church), and the chapel at West Point Military Academy.

Another major event of the Festival Week will be a dinner on Wednesday, April 22nd at 6:30 at the church followed by a talk with slides given by Glenn M. Coulter, of Merriweather road, who has pictures of many of the finest windows in the Detroit area. Prior to the dinner a display will include stained glass loaned by the Detroit Stained Glass Works, a business in continuous operation since 1861.

There will be books and pictures of stained glass loaned by the Detroit Public Library, among them prints of the famous Marc Chagall Jerusalem windows. Mr. and Mrs. Harry L. Hauschild, of Lake Shore road, have seen these windows and will comment on them. William J. Nixon, of Lakeland Avenue, has mounted some pictures of famous stained glass windows in Europe in his art studio.

Sunday, April 27, the sermon by Doctor Zau at the 11 a.m. service will continue the Stained Glass theme, and a Coffee Hour will follow with stained glass decor. The display will be on view for those who have not had the opportunity to see it.

Henry Willet will be on J. P. McCarthy's Focus, WJR on Monday, April 21, and Glen Coulter will be on WXYZ's Morning Show, April 23. Dick Osgood of WXYZ, member of the committee planning the Stained Glass Program has arranged the interview.

The public is invited to all of these events. Dinner reservations may be made by calling Mr. and Mrs. Alfred F. Taylor, of Handy road, chairmen of the program, for further information, 882-4448.

GP Camera Club Meets Tuesday

Group To Study School Issues

A new organization, established for the purpose of maintaining quality education in Grosse Pointe public schools, has been formed in the community, its Board of Directors announced recently. Called Friends of the Grosse Pointe Schools, its members are dedicated to excellence in the intellectual, moral, and civic development of the children.

The new group will concern itself with school related issues such as curriculum content, the Middle School concept, millage, student problems, and maintaining the autonomy of the school district. It will issue position papers from time to time.

Mrs. Marilyn Patterson, one of the directors, said that "the organization came into being almost spontaneously. So many parents are concerned about so many problems, from the new concept in the High School English curriculum to the upcoming request for millage renewal. We intend to study these problems and take action which will result in the highest standards of education for our children."

Besides Mrs. Patterson, the Board of Directors consists of Frank MacLean, Mrs. Dorothy Bryant, Arthur Getz, Mrs. Victoria Urban, Mrs. Wilma Ingalls, Henry Mistle, Dr. Alfred Eyles, and Mrs. Clarice Sass.

These persons were elected to the board at a meeting of the general membership held on March 6. It was also decided at this meeting that there will be no general chairman of the organization; meetings will be chaired by various members of the board according to the topic under discussion.

Friends of the Grosse Pointe Schools has an initial membership of 120. The organization invites participation by any interested resident of the Grosse Pointe School District who is of voting age and supports the group's purposes. Dues are \$5.00 per couple a year, \$2.50 single membership, and \$1 for retired persons.

Reginald Sienkiewicz, Director of Pupil Personal of the Grosse Pointe Public Schools will speak on "Services Available for Children with Learning Disabilities in the Public School System." Mrs. Francis King, vice-president for questions will speak about the aims of the association.

Available for questions in addition to the speakers will be two other experts from the public school system, Mrs. Ethel R.

Gray, Teacher Consultant for the Grosse Pointe Perceptual Development Program, and Russell Jones, chief psychologist.

Any questions regarding the meeting will be gladly answered by Mrs. Jack DeForest, 884-4852, Mrs. Bruce Pourcho, 884-2382, or Mrs. George Belanger, 881-2571.

PTA At Maire Meets Tonight

Maire School will present its fourth PTA meeting today, Thursday, April 17. Principal Donald Bassett announces that this is a change from the previously announced date.

An important evening has been planned for parents. Room visitation will begin at 7:30 o'clock.

Detective Martin Trombly of the Woods Police Department, who has participated in national seminars on the misuse of drugs, will show a film and answer questions at 8 o'clock.

Youth Accused As Bad Driver

Steven F. Farrand, 18, of 11767 Camden, Detroit, was arrested by a Woods policeman on Wednesday, April 9, and released to Harper Woods authorities for prosecution on a charge of reckless driving. A red flasher atop the youth's car was confiscated and held as evidence.

According to a police report, Patrolman Theodore Hinz, while on radar patrol on Vernier road, was approached by an unknown motorist, who complained of a youth driving a car with a red flasher, who was stopping motorists.

Hinz, driving west on Vernier, observed the vehicle crossing Harper avenue into Harper Woods. The driver was swerving from lane to lane, and periodically turning on a flasher on the car.

The officer said that he saw the driver, Farrand, veer left then straighten out to normal driving, after the young man crossed Harper. At about the same time, another motorist was making a left turn crossing Vernier, to travel to Eight Mile road, and was on the west bound lane of Vernier, when the driver was forced to veer sharply to avoid hitting Farrand, who aimed his auto at the other vehicle.

Hinz said that Farrand barely missed striking the rear end of the other car. Farrand was motioned to the curb at Vernier and Kelly roads, after which the policeman called Harper Woods for assistance.

Hinz informed Farrand that he was under arrest for reckless driving and released him to the Harper Woods policemen who arrived at the scene.

The Woods officer accompanied the Harper Woods patrolmen to their station, where he signed a formal complaint against Farrand. The flasher was taken off the youth's auto and confiscated.

A check with Detroit police disclosed that Farrand was wanted on several traffic warrants, and he was released to Detroit authorities after he was booked for the latest traffic violation.

SO TRUE Air travel will be a lot safer when the ride to and from the airport has been eliminated.

HRC President Views Election

Dr. Harry C. Meserve, president of the Grosse Pointe Human Relations Council, in commenting on the recent election in Grosse Pointe Farms, said: "The Grosse Pointe Human Relations Council naturally regrets the recent vote whereby a request to the Grosse Pointe Farms Council to enact a local fair housing ordinance was defeated. The defeat of the proposal does not change the legal situation and leaves enforcement of fair housing practices at the state and federal level. In this instance, at least, a majority of the voters apparently do not want local level autonomy and responsibility.

"We feel that the vote was close enough to indicate that there has been substantial change in attitudes within our community within recent years. It is heartening that a significant minority, 41 per cent of those voting, understand the issues that are at stake, not only in Grosse Pointe but in the larger metropolitan community and the nation. We believe that this change in attitudes is bound to continue as more and more people realize that no community can isolate itself from the problems of the larger community that includes it and from the major currents of change in our time.

"The significant issues have always been moral rather than legal. What the Human Relations Council seeks through its educational programs and other activities is the creation of an atmosphere of openness and friendliness to people of all races, creeds, and nationalities. We thought that passage of the proposal would be one way to indicate the presence of this atmosphere in Grosse Pointe. But there are many other ways in which it can be indicated. Perhaps the most effective way is for each individual to examine his own motives and purposes, in order to make sure that no vestiges of white racism remain in him. After that there are many things he can do to reconcile himself and his neighbors to the realities of the late twentieth century.

"We shall, of course, continue to seek this goal by all reasonable means of education and persuasion. In this effort we invite the help of all interested citizens and urge them to join and support the work of the Council." Applications for membership should be addressed to: Mrs. Donald McPhail, Membership Chairman 774 Washington Grosse Pointe, Michigan 48230

REPORTS MISSING MONEY Rose Marie Joseph of 1392 Fairholme, asked Woods police to investigate the possible theft or loss of \$175, from the Joseph Service Center, 20700 Mack avenue. She reported the money missing from a cash register drawer on Friday, April 11. It could have been taken sometime between April 4 and 5, she said.

Public Invited To Film Forum

WORLD WITHOUT SUN — directed by Jacques-Yves Cousteau will be the last film shown in the current Friends Film Forum Series. It will be shown on April 18, in the Exhibition Room of the Central Library and the public is cordially invited to attend this program.

THE SILENT WORLD which was included in the Friends Film Forum Series a few years ago was very well received and WORLD WITHOUT SUN, a follow-up film, should be just as popular. The photography was done by Pierre Goupil and there is English narration.

Cousteau, utilizing a new type of undersea craft which took years to develop, and his crew set out to probe that Man can live under the ocean for prolonged periods of time. They spent a month living on the bottom of the Red Sea, invading a realm never before accessible to man. This is a fascinating spectacle of human beings adjusting successfully to life in the deep, dark world of the unknown. Color — 93 min.

The showing is co-sponsored by the Friends of the Grosse Pointe Public Library and the Grosse Pointe Public Library and will be shown at 8 p.m. It is hoped the public will take advantage of this opportunity to see an Academy-Award winning documentary film.

Its membership exceeds 2,000 and has served Tempary Masonry with honor and distinction for more than 115 years. The late Wilbur W. Brucker was a Past Commander of Detroit No. 1 and served as Grand Master of the Grand Encampment of Knights Templar, U.S.A. when they celebrated their 50th Triennial in Detroit in August of 1967.

Sir Harry Brown's staff of officers for the ensuing year include: Sir Ralph Dawson, Generalissimo; Sir Roy Edwards, Captain General; Sir Frederic Piggins, Senior Warden; Sir John Coulson, Junior Warden; Leo I. Perry, Prelate; Robert Roehm, Treasurer; Ross De Guerre, Recorder; Marvin Buyers Standard Bearer; Kenneth Salisbury, Sword Bearer.

Sir Knight Brown announced that Dr. Kenneth McFarland, the renowned orator, will be the guest speaker at the September Red Cross Dinner. In January, Astronaut Wally Schirra will be the honored guest.

The first big event of the Commander's year will be to lead 16 platoons of Sir Knights to the State Conclave of Michigan's Grand Commandery of Knights Templar in June. Detroit Commandery No. 1, K. T. has enjoyed the reputation of being the finest Exhibition Drill Corps in the world of Tempary.

Plant A Tree For Arbor Week

A woman started it all. Almost 100 years ago Mrs. Julius Sterling Morton, lonesome for the wonderful trees she had enjoyed in Michigan, suggested that her husband plant a tree on the prairie near their home in Nebraska. Everyone said it couldn't be done, but the tree did thrive and grow. This was in 1872.

A year later Mr. Morton suggested that Nebraska set aside a special day for tree planting. Mr. Morton's birthday, April 22, was decided as the date, and on that first Arbor day one million trees were planted.

The idea spread all over the United States. Michigan proclaimed an Arbor Day four years later, in 1876, and soon

the planting of trees on a special day became a national project; some states made the day a legal holiday.

The Grosse Pointe Beautification Council invites all citizens, young and old, to join in celebrating Arbor Week, April 20-26, by replanting where trees have been removed and planning an entire new garden of trees.

Many people plant trees to commemorate the birth of a child, the memory of a leading citizen, the services of a public official, the development of a new area, the opening of a new school, or the building of a new home.

Scrip On Display At Main Library

Lawrence B. Falater of the Grosse Pointe Numismatic Society heads a committee that will have an exhibit of banknotes, scrip and Michigan medals on display during National Library Week at the Central Library.

Some of you may remember back in the early 1930's that many of our government employees were paid with scrip, as there was little money in the coffers.

On the evening of Tuesday, April 22 at 8 o'clock the Numismatic Society will present a program of "The History of U.S. Money." Young coin collectors will find this a particularly interesting evening. Slides of the new mint in Philadelphia are scheduled.

MINIBIKE STOLEN
Joseph P. Miller of 550 Saddle Lane, complained to Woods police on Friday, April 11, that someone entered his garage and stole his minibike. He did not give the value of the loss.

Residents Express Alarm

(Continued from Page 1)
ect's use of the parking facilities.
The City Manager says that he has such a letter on file in his office, signed by Dean Balcarak, co-ordinator of driver education for the high schools. According to Bremer, the driving program can restrict its driving to the north end of the Pier for the duration of the Show without hardship to the students in the program.

Has Hired Parkers
Bremer added that the Planned Parenthood League has at its own expense hired off duty policemen to park the cars of those coming to view the newly-decorated house. The expense of hiring these men is expected to amount to \$970.

As to the "invasion" question, League members pointed out that all of the monies earned from their projects go toward the maintenance of the nine Planned Parenthood clinics in the state of Michigan. Thus, regardless of which chapter of the League sponsors a project, the proceeds from that particular project help support clinics on a state-wide basis.

League members who commented were Mrs. John Coe, vice-president in charge of special projects; Mrs. Edward Lawrence, co-chairman of the Designers' Show House project; and Mrs. Eliot Robinson, co-chairman.

Emphasizing that the League is a non-profit organization sustained entirely by the various projects of the League, they felt that much of the problem was simply a misunderstanding. They pointed out that there are 400 hostesses involved in this project.

Watchman on Duty
They countered the implication of vandalism in the area by saying that, in addition to the off-duty policemen, there will be a night watchman on duty for the duration of the Show.

They also felt that parking at the Pier would avoid traffic congestion and hazard on the nearby side streets.

In a relevant addition to the above, the three members of the Planned Parenthood League said that projects similar to the Show House have been held with great success in Seattle, Philadelphia, San Mateo and Pasadena, Calif. Denver, Honolulu, and Lake Forest and Winnetka, Ill. Some of these projects are in their twelfth year of successful operation.

How Much Nuisance?
To Mrs. Withers' concern for the nuisance that the Show would supposedly create, the three League members questioned how much of a nuisance people who will be paying \$2.50 a ticket will cause.

When asked who had given the Planned Parenthood League permission to hold its Show in the Farms, Mrs. Coe, Mrs. Lawrence and Mrs. Robinson confirmed City Manager Bremer's reply that he and Farms Mayor William Butler had sanctioned the event.

Mrs. Withers urges all concerned citizens to attend the next Farms Council meeting, on Monday, April 21, to express their opinion.

Accident Story Correction

In last week's issue of the NEWS, it was reported in an accident story, that Martin J. Frasar, 53 of 3917 Neff, Detroit, driving a panel truck east on Mack, was hit by a car driven by Paul W. Strain, 71, of 3602 Chatsworth, Detroit, going north on Bedford. The accident occurred on April 2.

The story read that Strain lost control of his car and crashed into the north wall of a garage at 1432 Bedford, whereas, it should have read that it was Frasar who hit Strain and who lost control and ran into the building after hitting Strain's auto.

Witnesses told Park police that Strain failed to yield the right of way. They said that he ignored a stop sign and entered the intersection. The collision followed.

Frasar suffered minor facial cuts, but refused medical treatment, according to police.

Strain was issued a violation ticket for entering an intersection without due care and caution and causing an accident.

He is currently assistant professor of medicine at Cornell University Medical College; president of the New York State Council on Drug Addiction; chairman of the Public Health Committee of the New York County Medical Society; professor and chairman of the Department of Public Health and Preventive Medicine of the New Jersey College of Medicine.

He is the author of several well known books and over 100 articles and scientific papers in national periodicals. Among his best known books are "Nightmare Drugs" and "The Drug Scene."

Plan Concert For Children

The Grosse Pointe Symphony will hold its Sunday, April 20th Concert for School Children at John D. Pierce Junior High School. The theme of Sunday's program is the theme of Sunday's program.

Jerry Hodak will make his second appearance with the Orchestra narrating the music appreciation notes.

Director Felix Resnick will present violinist Charles Everett as soloist of the day. Mr. Everett is Concertmaster of the Grosse Pointe Symphony.

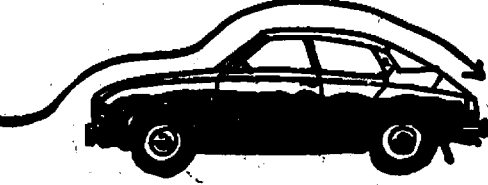

Admission is \$1 per person. Tickets are available at Central Library, Punch and Judy Toyland, Peter Pan Inc. and all public and parochial schools.

BIKE THEFTS BEGIN
Spring has come and with it a rash of bicycle thefts. Three thefts were reported to City police within three days. The first of these was reported on Tuesday, April 8, by Mary Geist, 597 Neff. Her 26", green and chrome bike was stolen from her home. Tom Fetters, 886 Lakeland, reported his Stingray stolen from Mair School on April 9. Mrs. John Fife reported the theft of her sons 20" silver bike from Mair School sometime after noon on April 10.

City police received a report on Sunday, April 13, of youngsters breaking windows at Mairé Elementary School. On arrival officers found four windows on the west side of one of the portable classrooms broken. They apprehended three juveniles up a tree in front of the school.

Two of the juveniles told police they walked to Mairé School after having been to the drugstore. They decided to listen to their portable radio up in the tree. The third boy approached them. Just as the officers arrived.

The trio was released with warnings to stay off of school grounds during off hours.

White Cane Week Set by Governor

Governor William Milliken has proclaimed April 19-26 to be White Cane Week, a time when all citizens are urged to become familiar with the meaning and purpose of the White Cane.

The person di-playing a White Cane is either partially or totally blind. Michigan law states that a blind person carrying a White Cane or using a leader dog, has the right of way.

For more than a quarter of a century, the members of the Lions Club have nourished and sustained the White Cane movement as one of its service projects. The Lions provide the canes for the blind for their safety in traffic.

Lions Club members have also conducted special programs to acquaint the public with its obligations to people carrying the White Cane. The Club has provided the leadership in giving the White Cane a permanent legal status that demands the constant cooperation of every motorist and pedestrian.

There are more than 16,000 blind people in Michigan. For further information, contact a member of the local Lions Club.

Detloff Winner At Science Fair

Paul Detloff, son of Mr. and Mrs. Lane J. Detloff of 230 Dean Lane, won a special award in botany for the science project he exhibited at Cobo Hall in the Twelfth Metropolitan Detroit Science Fair. The fair, which was held from April 10 until April 15, included 1400 entries from public, parochial and private schools in Wayne, Oakland and Macomb counties.

On Thursday, April 17, Paul and his parents will be guests at a dinner given by the Detroit Engineering Society to honor the students' achievements. As an additional award, Paul will join the winners in each category in visits to research facilities in the metropolitan Detroit area on Monday, April 21.

Pointer Elected To MSU Board

Harry Chancey, son of Mr. and Mrs. H. J. Chancey of 746 Grand Marais, has been elected Senior Member-at-Large at Michigan State University. The election was held on April 9 after an intensive campus campaign lasting one week.

Chancey brings to the Board a wealth of experience as a result of his long association with student government and student problems.

Among his accomplishments this past year, Chancey has set up the Student Defender Association, an office which resembles a student ombudsman.

Chancey has held many other responsible positions on campus. He served as vice-president for student services and was a member of the sub-committee on campus disorders. He also served as Director of Legal Aid and was President of Fee Hall.

He is in his third year as a member of the Honors College at Michigan State University.

Church Honors 'Music Couple'

The Grosse Pointe Memorial Church April 6 bulletin announced a new director of Youth Choirs, Malcolm M. Johns.

To say "thank you" to Mr. Johns for his 30 years of service to the church both as Youth Choir director and for the last 23 years as choirmaster and organist, he and Mrs. Johns were honored last Sunday, April 13, at the two coffee hours following both regular church services.

Mrs. Johns is current director of Youth Choirs and will complete her 13th year in this position in June. With their son, Cort, Mr. and Mrs. Johns received their Sunday guests.

In July, Mr. and Mrs. Johns leave for Europe. They plan to visit Norway, Sweden, Russia, Poland, Germany and England.

Mr. Johns will spend a week in Poland with eminent choral conductors and composers to secure the music for Wayne State University's "Salute to Detroit's Polish Community" which will be held next year in St. Stanislaus Church in Detroit.

In Germany and England, the Johns will visit music publishers for new works for the choirs at Memorial Church.

Choir Sponsors 'Oliver' Benefit

The musical film "Oliver!", which had its Michigan premiere at the Esquire theater, will be sponsored by the Grosse Pointe North High School Concert Choir at a benefit performance on Sunday, April 20, at 7 p.m. All tickets are reserved and the cost is \$3 per seat.

Proceeds from the performance will be used to purchase student or professional works of art which will be placed in the Performing Arts building.

Anyone wishing to purchase tickets may contact any Concert Choir member at North High School.

The School Board Hassle

An excellent example of the classic trick of the debater who, finding himself on the defensive, takes the offensive by obscuring the issue at hand with irrelevance, has presented itself in the actions of the Grosse Pointe Board of Education.

Presented with recommendations from the Superintendent for approval of 43 new courses, Board vice-president Calvin Sandberg and trustee Arnold Fuchs diverted attention from a critically-pertinent issue with innuendo and time-wasting rhetoric.

It is interesting to note that of the 43 courses, only one was questioned by these two Board members. That course was titled "Literature in Shades of Black." Perhaps the other recommended courses will be dealt with in such depth in time. Perhaps.

Surely, good literature, whether its authors be black, white, yellow or red, is educational. And has there ever been as great a need for communication and understanding between the races than at this critical point in our nation's history?

And yet attitudes which, while never acceptable had a certain tolerance 25 or 50 years ago, are being resurrected and put forth in the guise of duty and responsibility. Duty and responsibility to one's community, or duty and responsibility to one's outmoded and subjective views?

We are told that the description of the Negro literature course was inadequate. The adequacy of the length of description of the other 42 courses was never questioned. Yet, the description of each of the 43 courses was roughly the same.

Further diversion was occasioned in a recent Letter to the Editor from Mr. Sandberg in reply to a letter from Mr. Alfred Glancy. Mr. Glancy had exercised the traditional responsibility of the citizen by expressing his concern as to the real motives behind the unwillingness of certain Board members to accept the recommendations of professional educators.

In his letter, Mr. Sandberg accused Mr. Glancy of "misunderstanding" the responsibility of a Board member. Mr. Glancy, we're sure, needs no defenders. We would only comment that it seemed to us that Mr. Glancy's concern did not stem from any misunderstanding of Board responsibility but from a misuse of that responsibility.

Another objection to the proposed course was that one of the authors under consideration was at present a fugitive from justice. Since when has our acceptance of literature been predicated on adherence to our own subjective moral and ethical codes? If acceptance were based on such a standard, we would most certainly not have Shakespeare, Stephen Crane, Thoreau, Galileo, Marlowe, Pasternak, Hemingway and Steinbeck. We all have a lot to learn—if we will only listen—from those with whom we disagree. It is really not a question of what we gain by a study of those with a perspective other than ours but of what we lose by deleting them from our course of study.

It is unfortunate that some Board of Education member feel compelled to inject into what should be an issue strictly pertinent to education, side issues that are both not pertinent and serve only to obscure the issues.

It is more than unfortunate, however, it is tragic that the obstructionists do not see their own responsibility for, to quote Mr. Sandberg, the "kind of violence that characterized last year's national scene," and by not seeing, or refusing to see, must continue to repeat over and over again the same mistakes.

This is a time in our history when we should be making every effort to open new avenues of dialogue and communication; it is most surely not a time to be blocking these avenues.

On Monday night, April 7, the Board accepted Dr. Anderson's recommendation. Board president Alice Mary Hykes and trustees Barbara Thompson, Edward Pongraz, Lee Allen and Dr. Robert Whiteley voted "Yes." Vice-president Calvin Sandberg abstained from voting and trustee Arnold Fuchs was absent.

Letters to the Editor

Dear Sir:

I was very interested in your article in this week's News about the need of an ice arena in Grosse Pointe, and would like to add a comment or two.

There are in Grosse Pointe a large number of curlers, present and former members of the Detroit Curling Club. These people would furnish a great deal of financial support if curling could be included in plans for an ice arena.

Any projected ice facility would have a larger appeal to all age groups, if it included hockey, ice skating and curling. Many of the members of the Detroit Curling Club would be

glad to assist in setting up this kind of operation.

Yours truly,
 Harold G. Phelps
 Past Pres. Detroit Curling Club

To the Editor and the People of Grosse Pointe:

I look with sadness on the results of the fair housing advisory vote. As an eighteen-year-old, my opinion may not matter much to some who read this, but it is my obligation to speak. The results of this vote can only speak of the hypocrisy and unreason of at least 2,271 citizens of Grosse Pointe Farms and the apathy of a large remainder of the Farms population.

It is stylish today to talk about the sickness of our country, to lament crime in the streets, kids smoking dope, and "unwashed" revolutionaries subverting the country. The real sickness is in minds that hate, in minds that don't recognize that people have to start getting together and actually care about each other. The time of distrust and suspicion is past; three men on the other side of the moon realized that we all live together on one planet, a planet that is all we have, a planet that we are responsible for, a planet inhabited by men who can only be as brothers, and a planet inhabited by too many men who reject this. But still there is this sickness called hate, a sickness that can only destroy those infested with it, and tragically, the very planet on which we live.

There are those who speak of law and order, but confuse law with repression and justice with damnation. There are those who claim to be patriots by their belief in bombing one race back to the Stone Age, and keeping another race "in its proper place." There are those who talk about property rights who deny others their human rights. There are those who preach love of country, and then show their contempt for it by refusing to support a statute affirming State and Federal statutes, the Constitution of the United States, and the spirit that this country has conceived in the Declaration of Independence, which begins with the words, "We hold these truths to be self-evident: that all men are created equal..." And there are those who ask what's wrong with this country who are perhaps too afraid to look at themselves and discover what is there. There are those who claim to be religious who have forgotten about love and a Man hanging on a cross, even though they got a few hours off work, and celebrated a holiday known as Easter the day before entering a voting booth. There are those who have forgotten a man with darker skin, whose anniversary of death fell this year on the same day as the Man on the cross. There are those who have forgotten two brothers who gave their lives and lived their lives for the same idea.

There are those who can grow and there are those who are dead. There are those who see that a new world must come from the present dying one, and there are those who can't see at all.

A young man with scruffy hair, a peculiar voice, and the name of Dylan says it for me: "Your old road is rapidly aging, please get out of the new one if you can't lend your hand, for the times they are a-changin'." Remember that many hands are needed: yours could be helping.

Sincerely,
 Lincoln Lee

April 12, 1969

Dear Sir:

I would like to commend you for your fine editorial advocating a public indoor artificial ice arena for Grosse Pointe. I speak as a parent of two boys participating in the Grosse Pointe Hockey Association minor league. The impressions I've had are undoubtedly shared by others as they view the need for a community facility.

As you indicated, the growth of this sport has been tremendous, due in large part to that exciting transition that occurs when a wobbly-ankled seven-year-old all of a sudden starts to move down the ice on strong ankles, handling a stick with newly gained confidence.

I saw this and much credit is due the coaches and players for what they've accomplished with minimum ice time. But I also saw a 23-0 slaughter handed the Mite Division by a Canadian team and feel that the progress achieved during the last nine years is already in jeopardy. The spirit of competition and the desire to win, although only a part of this activity, should not be thwarted by the lack of facilities.

Hockey skills and life skills combine and we must provide an opportunity for every boy who wants to participate.

I have been involved with several community projects and would be eager to devote time and energy to a formal drive to make this sorely needed community facility a reality.

Julie Tobin
 885-5089

Editor's Note: The editorial referred to was the combined effort of a number of adults who have been active in the Pointe Hockey Association. Knowing the great interest in the sport and the rapid growth in the number of participants, we suggested that we would be glad to devote space if the leaders of the movement would like to present their arguments concerning the need of such a facility.

April 15, 1969

To the Editor:

Since the NEWS granted Dr. Charles Marston of the Fair Housing group front page coverage of his post-election regrets, may we hope for a bit of space on your Editorial page.

On Saturday, April 5, the Fair Housing group was quoted in the Detroit Free Press as follows: "The ordinance is not on the ballot because it is too long, but it will be posted at the polls."

Mr. Wayne King, Metropolitan Bureau Chief of the Free Press verified that Mr. Gilbert Hudson is responsible for issuing that statement to the newspaper.

As Farms residents and voters, we are disappointed that such erroneous information was released to the mass media. May we point out that in reality, THERE WAS NO SUCH ORDINANCE... IT HAS NOT BEEN WRITTEN... IT HAS NEVER BEEN PUBLISHED.

The purpose of the election was to decide whether the Farms Council should create an open-housing ordinance. It was NOT a question of voting for a specific ordinance, as the mass media were led to believe.

Making a personal tour of the various voting places, we asked the election workers where a copy of the "fair housing ordinance" could be seen. Some of the election workers made an effort to look for the non-existent ordinance. Others told us that a copy was posted at the Farms City Hall. Still others told us they had read the ordinance in the Grosse Pointe News.

Farms voters who went to the City Hall looking for the ordinance were told by City Manager Andrew Bremer, and City Clerk Peter Caputo, that the ordinance did not exist, and would only be created in the event of a positive vote.

Even the Detroit Free Press stated in its April 5th editorial that "The full text of the proposed ordinance will not be on the ballot. The reason it is not simple—it's too long. But the voters in Grosse Pointe Farms have had plenty of opportunity to study the full text."

If any citizen of Grosse Pointe Farms, or any member of the Fair Housing Association saw even one sentence of an official proposed fair housing ordinance, let him come forward and tell the rest of us, where it was. We are both disappointed and embarrassed that such misinformation, bitterness, and reflection on the credibility of the Farms Voters.

We are further disappointed that Farms Mayor Butler felt compelled to send each voter a letter trying to sway their vote in the Farms election. He also placed ads in the Grosse Pointe News urging voters to vote for two incumbent councilmen.

May we point out that Mr. Butler was elected Mayor by his fellow-councilmen, and NOT the voters of this community. The Farms City Charter does not give the Farms voters the right to elect their own Mayor.

We think it is time to make a change in that charter. Perhaps the Mayor will then feel a more personal obligation to the voters. And perhaps the prestige of the mayorship will not be used so freely to make endorsements, and to influence the outcome of elections.

In conclusion, may we voice our disappointment at seeing the list of "People Who are Proud of Grosse Pointe", which was put in the Grosse Pointe News by the Fair Housing Association, just before the Farms election.

Are we to assume that everyone NOT on the Fair Housing Association is ashamed of our city, or is a bigot because they don't contribute money to Mr. Marston's group?

It would take an entire issue of the Grosse Pointe News to print a list of Grosse Pointers who are proud of their community. We are deeply disappointed that it appears you have to belong to an organization to vote intelligently. We had always assumed that belonging to the Christian faith would be inspiration enough to form a right conscience in such matters.

The Fair Housing Association has had much to say about the affairs of our community. We regret that a group that professes to speak for the people of Grosse Pointe has not always been meticulously accurate in their statements. As a comparatively new group, they say they will continue to be active in Grosse Pointe elections. In that case, may we point out that "Honesty is the best policy." It keeps everyone from being disappointed.

Mr. and Mrs. Charles Reinowski.

POPPY SALES

The Park council on Monday, April 14, granted the Veterans of Foreign Wars - Alger Post No 995, and any other veterans' organizations, the right to sell poppies on public streets within the city on Thursday, May 22 only. Veterans will be selling the traditional flowers in all communities, either on May 22, 23 or 24, which have been proclaimed as Poppy Sales Days.

What Goes On at Your Library

By Virginia Leonard

Hey! Do you know what's happening this month? Aside from April Fool's Day and Easter—and possibly Great-Uncle Jonathan's birthday—we will be celebrating National Library Week April 20-26, which is next week, and we hope you will all come to our three Branches and help us make merry.

During the entire week the Grosse Pointe Numismatic Society will have a display at the Central Library, showing banknotes, scrip and medals struck in Michigan's history. On April 22, at the Central Library again, there will be a lecture "The History of United States Money" with slides and commentary presented by the Grosse Pointe Numismatic Society at 8:00 p.m. So—if money is your bag (it certainly is mine—I only wish I had more of the stuff!), do visit us on this date.

At the Woods Branch there will be a week-long display of decoupage and repousse, under the sponsorship of the Department of Community Services of the Grosse Pointe Public Schools. In the lecture hall, Mrs. Louise Hoyt will be talking about "New Dimensions in Decoupage" on Wednesday, April 23, at 8 p.m. Ladies, if you aren't talented in this field—or if you are and want to learn more—come out, come out and become a better expert.

And what's going on at the Park Branch? First, an exhibit of monochrome prints by members of the Grosse Pointe Camera Club. Second, a lecture on Thursday, April 24, at 8 p.m. will feature a fine display of color slides: "Come to Poland," presented by Miss Danuta Stypinski of this same Club. I'm sure many of you are photography buffs, so come one, come all to the Park Branch on this date.

I suspect that many of you automatically associate National Library Week with the Saturday revelries and the almost proliferous, many-hued balloons which tend to fill the entire library. Have no fears, we'll have them again this year, and a new first—they'll also have them at the branches! Also, there will be a magician at all three agencies on Saturday to enhance (to a greater degree) the children's happiness. Magician Ted Johnson will present four shows: one at the Woods Branch at 10 a.m., two at the Central Library at 1 p.m. and 2 p.m., and one at the Park Branch at 4 p.m. So—circle your calendar and alert your children—they certainly won't want to miss these treats.

Another innovation will be inaugurated during National Library Week. Mr. James A. Passanante recently took out a Life Membership in the Friends of the Grosse Pointe Public Library. At that time he specified that this money be earmarked for books for young people. With this money, the Grosse Pointe Public Library decided to buy paperbacks of interest to our teen-age patrons. The books are still being processed (have you any idea how many paperback books you can buy for \$1,000?), but we will have enough completed by April 20 to put out our new racks which will be filled with many of these volumes. Their covers are bright and cheery, their titles are well-known and provocative, and we expect them to be a popular item with our young adults.

National Library Week is sponsored by the National Book Committee, Inc., in cooperation with the American Library Association, with various other national organizations participating in the program. The National Book Committee, Inc., was formed in 1954; the American Library Association was founded in 1876. The first National Library Week was planned in April, 1957, and the program for the first year was concluded in March, 1958. Its purpose: a long-range goal of stimulating meaningful lifetime reading habits, increasing the use of libraries, and expanding and improving the reading and library resources of the nation.

So—don't forget. Be sure to visit us. Our slogan this year is: "Be all you can be: read!" We have colorful mobiles, psychedelic posters, other colorful ones depicting a small happy redheaded boy riding high in the sky sitting on an open book, accompanied by a violet plane. The American Library Association is really on the ball—they even provided bumper stickers which read: FOLLOW ME TO THE LIBRARY. So follow me!

Si... The classical candle sconces, small mirrors and graceful candlebra at Virginia Williams are romantically Spanish in feeling. See them in soft antiqued olive green and subtle color accents at 79 Kercheval.

Fashion Interview... we asked Margaret Rice, "Are we in for the nude look?" Margaret answered, "This is sensationalism and while many midriffs and navels are exposed, it will never become an accepted fashion. In direct contrast to the pantsuit, this is too feminine. The nude look, as it is called, is created by a nude lining. It is most effective creating the midriff in an after five dress or a low plunge look. In any event, it will never be accepted as a sheer nude look by the discriminating. The bare midriff is beautiful in casual sportswear fashions such as beach wear, culotte costumes and general outdoor sportswear for summer fun."

Antique-ing... for interesting wood molds to use to decorate walls? You'll find an unusual selection of antique hand-carved wood molds at Denler, 77 Kercheval.

From Another Pointe of View

By Janet Mueller

June is always a busy month in Grosse Pointe, but it's also always a "fun" month, filled with things to do, things to see, weddings and long, lazy Sunday afternoons in the sun.

It's the month of Grosse Pointe's Big Three annual events: The Grosse Pointe University School Carnival, Liggett School's Antiques Show and Sale and the Grosse Pointe Hunt Club's June Horse Show.

We'll leave a detailed report on the latter event until later, saying only that it's GPUS's most important show of the year, that the dates this year are June 19 through 22 and that the Horse Show dinner-dance, that colorful, wonderful evening get-together of exhibitors and localities, will be held on the 21st.

But we'll give you a preview of the other two of the Big Three, beginning with . . .

The Carnival

The first Grosse Pointe University School Carnival was a relatively modest affair, held on the grounds of the old Grosse Pointe Country Day School, (now known as Grosse Pointe South High School's "annex"), before Country Day merged with Detroit University School to become GPUS.

The 19th annual Grosse Pointe University School Carnival will be presented Friday and Saturday, June 6 and 7, on the GPUS grounds in Cook road.

The Carnival has grown until it provides fun and excitement for thousands in the community, (approximately FIFTEEN THOUSAND last year!).

It's believed to be the biggest fund-raising carnival in the country. Its proceeds will be used to finance 27 scholarships: Each year, a limited number of GPUS scholarships are awarded to students in the Metropolitan Detroit area who possess outstanding ability and would be unable to attend the school without such financial assistance.

In the past 19 years, the Carnival has assisted 440 students and raised approximately \$332,000.

General chairman this year is Jim Danaher, assisted

Set GPSHS Mothers' Scholarship Benefit

"Flower Power" is This Year's Party Theme; Four Mothers of Students and Four Professionals to Model in Fashion Show

The annual Mothers' Club Tea, a scholarship benefit featuring bridge and a fashion show, will be held at Grosse Pointe High School Wednesday, April 30, at 12:30 o'clock, reports Mrs. T. James Maurer, general chairman.

All proceeds from the sale of tea tickets (at \$1.50 each) will be added to the Mothers' Club Scholarship Fund.

Mrs. James Mayshark, vice-president of the Club and scholarship chairman, has been working with Dr. Robert Hanson, guidance coordinator of South High School, selecting deserving students, in need of financial aid, as recipients of scholarship money.

Twenty-two 1968 graduates received from \$100 to \$700 to help pay expenses to Michigan tax-supported institutions of higher learning. Proceeds from Pointe Player productions also are used for scholarship money.

The Decorating committee, with Mrs. William Montgomery as chairman, is creating a colorful Mod Garden in the gymnasium, complete with daisies and poppies in black pots, ladybugs, bumble bees and butterflies, illustrating the theme "Help Scholarships Grow with Flower Power."

A cascade of multi-color poppies against a background of white linen and silver tea services will be used as a centerpiece for the tea table.

The stage, with a large "fond du Sol," (the modern "sun" used in Mod art), shining down on a row of huge daisies between two large antique urns filled with colorful poppies, with a flower-filled bird cage as focal point will serve as a background for the fashion show by Martha's Closet, accompanied by a musical trio. Four mothers of GPSHS students, the Mesdames Theodore Stedman, Robert Mathers, Joseph Reed and

John Denler, together with four professionals will act as models, with Marnie Fessenden as commentator. Hairdos are by Maier Werner.

Mrs. Joseph Perry, Mothers' Club president, has announced that an interesting feature of the tea will be a linen shower for Mother Waddles, who is establishing a Family Care Home for recently discharged patients of the Mental Health Program of Northville State Hospital.

To help furnish the Home, all mothers and guests are asked to bring a new article of linen as a donation.

Special needs are towels, wash cloths, single sheets, single bedspreads and pillow cases, which will be given to Bill Pace, chairman of the Campaign to Aid Mother Waddles Perpetual Mission, a Senior Class project, for delivery to Mother Waddles.

Fifty-five prizes have been donated by Grosse Pointe merchants.

Others assisting chairman Mrs. Maurer are co-chairman Mrs. Philip Dickinson; ticket chairman Mrs. Lewis Slater and Mrs. Thomas Coulter; food chairman Mrs. Edward Fine; silver chairman Mrs. William Fritz; service chairman Mrs. Robert Peebles; bridge chairman Mrs. Arthur Eisenbrey; publicity chairman Mrs. Forb Henderson; donations chairman Mrs. George Cotichio, clean-up chairman Mrs. Robert Dice, and prizes chairman Mrs. Paul Long.

Mothers' Club advisers are Mrs. Perry, president-elect Mrs. Douglas Smith and Mrs. Bruce Reynolds, treasurer.

GPSHS Room Mothers are assisting in the sale of tickets.

Miss Jennings Wed To Thomas Ramsay

Bride Wears Paternal Great-Grandmother's Necklace of Seed Pearls and Gold; Carries Bridegroom's Mother's Wedding Handkerchief

A reception in Alger House of the Grosse Pointe War Memorial followed the Saturday, April 12, marriage of Martha Mimi Jennings, daughter of Dr. and Mrs. Charles G. Jennings, II, of Hillcrest road, and Thomas Warburton Ramsay.

For the 12:30 o'clock rites in St. Paul's-on-the-Lakeshore, the bride selected a traditional gown of white silk organza accented with re-embroidered Alencon lace, styled with long Bishop sleeves, a wedding ring neckline and a Chapel train.

Her elbow length illusion veil fell from a high lace bonnet. She wore her paternal great-grandmother's necklace of seed pearls and gold and carried a handkerchief carried by the bridegroom's mother, Mrs. Alex Ramsay, of Farmington, at her wedding.

Her Victorian bouquet was fashioned of white roses and stephanotis.

In floor length frocks of moss green peau, designed with A

line skirts, high necklines and long sleeves edged with ruffles, were honor attendant Terry Kogl and bridesmaids Jane Grubb, Mary Ramsay and Anne Ramsay, sisters of the bridegroom, and Ellen Ramsay, a cousin of the bridegroom.

They wore wreaths of white daisies and English ivy in their hair and carried daisy-and-ivy-filled baskets.

Alex Ramsay served as his brother's best man. They are the sons of Mrs. Ramsay and the late Mr. Ramsay. Seating the guests were Malcolm Ramsay, another brother, Curt Barker, of Washington, D.C., Dennis Thornton and Blackburn Callahan.

A dress and coat ensemble of green and blue silk brocade and a green cymbidium orchid purse corsage was Mrs. Jen-

nings' choice for her daughter's wedding and the reception. The bridegroom's mother selected a dress and coat of crystal-embroidered blue peau and a white orchid corsage.

The newlyweds will return from a vacation in Acapulco to make their home in Sarko Apartments East.

Miss Keegan Bride Of Carter Allen Hix

Peau d'Ange Lace Accents Bride's Organza Gown; Attendants' Ruffle-Necked Frocks Are Fashioned of Azalea Pink Ottoman

A home in Warren awaits Mr. and Mrs. Carter Allen Hix, who exchanged marriage vows Friday evening, April 11, in Our Lady Queen of Peace Church, upon their return from a vacation on St. Thomas in The Virgin Islands.

The 8 o'clock ceremony, at which Father Richard Dorr officiated, was followed by a reception in Allard House.

The bride, the former Kathleen Ann Keegan, daughter of Mrs. William Keegan, of Broadstone road, and the late Mr. Keegan, wore an Aline silk organza gown, styled with a peau d'ange lace bodice and chapel train.

Matching beaded lace appliques accented her skirt, and her bouffant illusion veil fell from a pearl-trimmed petal headpiece.

She carried a Colonial arrangement of small Jack Frost roses, white daisies, stephanotis and ivy foliage.

Mrs. Timothy Martin Ruen served as her sister's matron of honor. Bridesmaids were Patricia Keegan, another sister, Denise Plait, Janice Strobbe and Mrs. Theodore Trefzer, III.

Their A line frocks, styled

with lifted waists and ruffled necklines, were fashioned of azalea cotton ottoman. They carried baskets filled with pale pink daisies, pale pink roses and ivy foliage, the honor attendant's accented with stephanotis.

The bridegroom, son of Mr. and Mrs. Harry Hix, of Detroit, asked Gerald Campbell, of Chicago, Ill., to act as best man and John Kettler, Richard Spencer, Donald Curtis and Theodore Trefzer to usher.

A pale pink silk worsted dress and coat ensemble, accented with rhinestone buttons, was Mrs. Keegan's choice for her daughter's wedding and the reception. The bridegroom's mother selected a blue silk dress and coat, with matching accessories.

Both mothers pinned purple-ribboned white orchid corsages to their purses.

Weapons may come and go, but the most potent weapon will always be public opinion.

Mrs. Carter A. Hix

KATHLEEN ANN KEEGAN and Mr. Hix were married Saturday evening, April 11, in Our Lady Queen of Peace Church. She is the daughter of Mrs. William Keegan, of Broadstone road, and the late Mr. Keegan. The bridegroom is the son of the Harry Hixes, of Detroit.

Plan Pre-Follies Pair of Parties

Members of the Junior League of Detroit are busily preparing for their Spring Follies, to be presented May 23 and 24 in Ford Auditorium — and what better way to make one's preparations "painless" than by spicing them with parties?

So the League has scheduled two pre-Follies get-togethers, a "Jog-Up" session, subtitled "Spring Training for Follies Ticket Teams," to be held Monday morning, April 21, at 9:15 o'clock in the Grosse Pointe University School Field House, and a Curtain Time Dinner at the Country Club of Detroit at which Howard Miller, director, will inform the membership of the parts to be filled and give a rundown of different scenes, slated for Wednesday evening, April 30.

Acceptable attire for the joggers is slacks and tennis shoes. The 6 o'clock dinner group will be a bit more formal.

MRS. KENNETH KOPPIN, of South Renaud road, chairman of the 35th national T.T.T. convention to be held in Detroit October 9 through 11, will report on convention plans and progress at the sixth annual Michigan State convention of the National T.T.T. Society to be held Saturday, April 26, in Southfield.

Will Wed

Mr. and Mrs. Richard Kindred Amerson, of Roosevelt place, have announced the engagement of their daughter, MIRIAM RUMNEY AMERSON, to Gerald Allan Roosa, son of Mr. and Mrs. Max B. Roosa, of Birmingham.

The bride-elect attended the Grosse Pointe University School and was graduated from Grosse Pointe High School and Michigan State University, where she affiliated with Alpha Chi

Omega. She is presently teaching at Lakeview High School in St. Clair Shores.

Industrial Nurses

Members of the Detroit Industrial Nurses' Association will gather this evening, Thursday, April 17, at Carl's Chop House for their monthly dinner meeting. Dr. Milton Green, orthopaedic surgeon, will speak on "Back Injuries." Jane Crippen, 825-4600, Extension 2011, is taking reservations.

"Signs of Spring" is the theme of the Grosse Pointe Faculty Wives spring luncheon to be held this year on Saturday, May 3, at noon in Huck's Lakeshore.

The traditional first sign of spring, the robin, predominated the luncheon invitations, and other feathered friends and apple blossoms will carry out the theme in name cards, table centerpieces and prizes.

Faculty Wives have asked one of their own group to be guest speaker for the afternoon. Mrs. William Craig, of Ridge road, will speak of "Life and Art in Nigeria."

Her knowledge of Nigerian culture stems from her two-year residence there with her husband and family just prior to Dr. Craig's joining the Grosse Pointe Schools' staff in 1967. Mrs. Craig will supplement her talk with slides and examples of various types of handicraft.

Co-chairmen of this annual event are Mrs. James Haskell and Mrs. John Wargelin. Their committee includes Mrs. Richard Alexander, Mrs. Thomas Buyze, Mrs. Norman DuCoin

and Mrs. Gordon Morlan. Faculty wives are reminded to send their reservations to Mrs. Haskell prior to April 23.

Tuxis Show Set For Next Week

The 1969 Tuxis Show, "For Heaven's Sake" is scheduled for production on April 24, 25 and 26 in Fries Auditorium at the Grosse Pointe War Memorial, 32 Lakeshore road. It is an adaptation of a Broadway-style revue in two acts. The sketches and scenes communicate something of the essence of contemporary religion in most contemporary terms. Man's idolatrous condition is explored through such production numbers as "A Mighty Fortress is Our Church" where complacent churchgoers mount the battlements to keep out the rest of the world; "Some Career" in which two "successful" businessmen apply the popular measures of success to the life of Jesus and conclude, "He Was a Flop at 33."

Pointe Garden Club To Meet

A program on "Interesting Herbs," including information on the famous gardens at the Cloisters and the National Cathedral, will be presented by Mrs. Robert Winter.

Slate Dental Auxiliary Annual Lunch April 22

Members of the Women's Auxiliary to the Michigan Dental Association will gather for their annual luncheon Tuesday, April 22, at noon in the Versailles Room of the Hotel Pontchartrain.

Other numbers and short sketches round out this show which is both raucy and sobering. Directed by Dennis Wickline, staged by Becky Littler, and produced by Tuxis, "For Heaven's Sake" promises to be an entertaining and provocative production.

Tickets are available at the Grosse Pointe Memorial Church, 16 Lakeshore road, phone 882-5330, or from Mrs. Fred Lewis, 881-9442. Special group rates are available upon request.

It's scheduled for June 19 through 21, at the School in Briarcliff drive. It's sponsored by parents and alumnae, with all proceeds benefitting Liggett's Endowment Fund.

It's just that the Ferrari Club of America is holding its national annual get-together in Detroit this year, and between 150 and 200 members will converge on the Grosse Pointe Yacht Club for two major events: Their banquet and annual meeting Saturday evening and a Sunday "concours d'elegance" on the lawn, with at least 40 Ferraris competing for honors.

Among competitors will be John J. Egan, of Provençal road, showing his yellow GTB Berlinetta Ferrari.

LAST WEEK announced the opening of the 1969 Baseball Season, and Purdy & Edgar's first pitch heralds open season on this new listing on Bishop Road. Our colonial has three bedrooms and a bath on the second floor and a center hall plan on the first floor offering separate dining room and lavatory. We think you'll be tempted to take a swing at this one when you see the low tag we have put on it. If you connect we'll show you how easily you can slide home.

THE STRAIGHT FITCH on this next listing is sure to catch your eye. We delivered a "low ball" in the form of a price reduction on this Southern colonial in the Windmill Pointe area. Five bedrooms, three of which are classified as master suites. The oval entrance foyer's main attraction is a spiral staircase and its entrance to an unusually shaped family room. Well tagged at \$89,900, this one is waiting to be gathered in.

THE OWNER of this one has been caught in the old squeeze play. He's the proud possessor of two club houses, which is one too many. Take a swing at this five bedroom with three baths. If you make a hit, with imagination you might stretch it into a home...

YOU'LL BE MAKING the catch of the year if you can pull this one in. This rangy English manor house sprawls over a ball-park-sized lot. There are enough bedrooms for each member of the team to have his own. Definitely a house for a Big Leaguer.

AFTER ALL the votes have been tabulated our Oscar for the Best House in the four bedroom category goes to this American colonial in the Deeplands area. This star of the first magnitude rises just a few feet from a lake shore setting, and is sure to please all audiences. There is generously proportioned family room complete with fireplace, barbecue and home entertainment center, and is perfect for lying in summer or Lion in Winter.

OUR AWARD for Best Supporting Property goes to this vacant lot on Trombley Road. Build a two family house on this rare lot which is zoned for multiple dwelling, then live in one unit while your tenant pays your mortgage and taxes.

PREVIEW of Coming Attractions, which will be in your Grosse Pointe Neighborhood next week, two new releases by Purdy & Edgar: Both colonials, one with five bedrooms and three baths and the other a low budget featurette with three bedrooms. Call for a sneak preview.

"Children stand more in need of example than criticism."

Michigan Weaver's Guild Slates April 17 Meeting

Members of the Michigan Weaver's Guild will gather Thursday, April 17, at the Women's City Club. Speaker Gail Redfield will discuss "Weaving in the Orient."

Met Will Open With 'Rigoletto'

Mail orders for the 1969 Metropolitan Opera Detroit performances are now being accepted, according to Mrs. Ernest A. Jones, of Bloomfield Hills, general chairman of the 1969 opera season.

Seats are available in several price categories for all operas and may be ordered from the Detroit Grand Opera Association, 20 East Jefferson Avenue, Detroit, Michigan.

The Metropolitan will make its 11th annual visit to the Masonic Temple Auditorium and offer evening performances from May 26 through May 31 and a Saturday matinee on the latter date. The visit is sponsored by the Detroit Grand Opera Association.

On Monday evening, May 26, the opera will be Verdi's "Rigoletto," with Roberta Peters as Gilda, Gianni Raimondi as the Duke, Cornell MacNeil as Rigoletto and Batyah Godfrey as Maddalena. Fausto Cleva will conduct.

Tuesday, Renata Tebaldi will sing the title role in Cilea's "Adriana Lecouvreur," with Franco Corelli as Maurizio, Nell Rankin as the Princess of Boillon and Anselmo Colzani as Michonnet. Cleva will again conduct.

Strauss' "Der Rosenkavalier" will be presented on Wednesday, with Regine Crespin as the Princess of Werdenberg, Otto Edelmann as Baron Ochs, Rosalind Elias as Octavian and Judith Raskin as Sophie. Franz Allers will make his Detroit Metropolitan debut on the podium. This is one of two new productions.

The other new production is the Thursday performance of Verdi's "Il Trovatore," featuring Gabriella Tucci as Leonora, James McCracken as Manrico, Sherrill McInnes as Count di Luna and Irene Dalis as Azucena. Carlo Franci will make his Detroit Metropolitan Opera debut as conductor.

Barry Morell will sing the title role in Gounod's "Faust" Friday evening, with Anna Moffer as Marguerite, Bonaldo Giaiotti as Mephistopheles, Ron Botcher as Valentin and Marcia Baldwin as Siebel. Alain Lombard will conduct.

The Saturday matinee, Rossini's "The Barber of Seville," will offer Mario Sereni as Figaro, Roberta Peters as Rosina, Luigi Alva as Count Almaviva, Fernando Corena as Dr. Bartolo and Cesare Siepi as Don Basilio. Lombard will again conduct.

Puccini's "La Boheme," the evening performance, features Gianni Raimondi as Rodolfo, Radmila Bakocevic as Mimì, Frank Guarrera as Marcello, Giorgio Tozzi as Colline and Colette Boky as Musetta. Carlo Franci will again conduct.

VANDAL STEALS EAGLE Douglas Ludwig of 15725 Dugan, Roseville, custodian of Christ Church, 61 Grosse Pointe boulevard, informed Farms police that an unknown thief pulled down a 15-foot aluminum flag pole on the church property, snapping it at ground level, and stole the eagle emblem atop the pole. The staff is valued at \$100, he said.

Public Schools in Focus

By Dr. Theos I. Anderson, Superintendent of Schools
Three unrelated topics, (local vandalism, a recent decision by the United States Supreme Court, and student rights), that I discussed briefly at the March meeting of the Board of Education are of sufficient importance to the community-at-large that they merit repeating.

Recently I was asked about the cost of vandalism for our school system. It is difficult to be exact, but I have some fairly close estimates. Our glass replacement annually costs approximately \$8,000. Most of this may be attributed to vandalism.

To this cost we must add the labor for replacement. We collect a small amount (about 10 percent or approximately \$600 from students who have been involved in acts of vandalism).

Damage to plumbing fixtures (usually toilets) is probably one of the most expensive items. Fixtures that are broken, damaged or removed are usually the result of pure vandalism.

Roof damage, (most often of the flat roof type where students climb and do damage by running, skating or having bicycle races), is also a potential vandalism cost.

Damage to school furniture due to carving initials or actually dismantling of parts is also a cost factor.

These are not all of the areas which are vulnerable, but they are representative and are probably the most costly. Our best total estimate of cost is \$30,000 to \$35,000 annually, not too different from the \$2 to \$3 per student costs I have heard about in other studies.

My second topic concerns the United States Supreme Court opinion supporting a form of orderly student protest in the Des Moines, Iowa, school system. My loose interpretation of the decision is that as long as students use a form of protest that does not interfere with the educational program, it is legal.

A statement from the context of that decision is that "School officials do not possess absolute authority over their students. Students in school as well as out of school are persons under our constitution." I do not think this is news to most of us, but there have been times and conditions under which we have violated this authority. We will have to make a very serious study of the decision and its ramifications.

Finally, there is under study by the State Board of Education regulations concerning student rights. Although many of us are not very sympathetic to certain activities at the college level that cannot be considered in the "orderly protest area," I think it is time that we re-examine our philosophy to be certain that we have rules and regulations that are constitutional and do serve the purpose for which they were intended.

GROSSE POINTE CHILDREN'S LIBRARIANS (LEFT TO RIGHT) SUE NEFF, PAULA PREUTHUN AND BEA ADAMS WITH COORDINATOR OF CHILDREN'S SERVICES HARRIET HELMS.

By Janet Mueller

I don't know whether a "reader" is born or made, but I do know that I am one—the sort of person who's only happy when she has three books "going" and at least one "waiting in the wings"—and I can remember what created (?) fostered (?) the tendency.

We lived, for a part of the time when I was growing up, in Moran road, a few houses "down" from the conjunction of Moran, McMillan, Charlevoix and Williams. It was a good neighborhood for kids. Just about every home had at least one under-12 resident, and the average per home must have been considerably higher.

We (the under-12's) moved pretty much in a pack. We set up a Hobo Jungle in a vacant lot (there were a few still left in that area, then). We put our radios in the milk chutes on Saturday mornings so we could listen to "Let's Pretend" without having to go inside.

And every week, when the Public Library Bookmobile came around, we laid siege to it!

Mobile Librarian The Bookmobile Lady was my first librarian. I've been a librarian—and a librarian—fan ever since.

So, learning that National Library Week would begin next Sunday, I thought to myself, "Wouldn't this be a perfect time to do a 'Librarian' Pointer of Interest?" And, as it had been a while since I'd had anything to do with the image of the Bookmobile Lady still green, I began to wonder if today's "Library Ladies" were

happy ending. Last week we told you the Grosse Pointe Studio's lease was up and they would have to move, thus a great reduction on custom and regular framing. Well the Grosse Pointe Studio will be moving to 121 Kercheval on the Hill, upstairs over Trail Apothecary. They tell me they will be in by April 29th. However, the sale on framing will continue at 395 Fisher Road . . . until they move.

The Golden Butterfly . . . is the name of the new boutique opened by Dorothy Wagner in Peter Morri Salon d' Elegance, 20902 Mack Avenue. Besides up to the minute fashions to wear, there are gift items with flair. You'll love the charming miniature oil paintings, some three inches by four inches by Helen Lee. Prices start at seven dollars.

There's A New Look . . . at Perini's, 10721 Whit-tier. They have taken out a wall and redecorated. The new Harvest Room is one of the results. It is monochromatic and very relaxing. Enjoy the same good food for which Perini's is famous in a beautiful new atmosphere . . . DR 1-2484.

Did You Realize . . . Calico Corners is now on our side of town. Well, it is and has been at 25008 Little Mack at Ten Mile since October. Many of our friends used to travel all the way out to Pontiac to select those gorgeous imported and domestic fabric seconds at famous bargain prices. Now Calico Corners is conveniently here . . . 775-0078.

Easy Come . . . Easy Go! The easiest way we know to get to and from Metropolitan Airport is via Royal Coachman Limousine. Only Five-Fifty one way and Nine-Fifty round trip. Call TUxedo 4-8800 or TUxedo 6-1322 for reservations. Scheduled on the hour, every day six a.m. to one a.m.

It's Posh . . . A hair stylist is one of the talented ones who constantly learns all that's new concerning his profession. The latest in hair-shaping, color, permanent waving, wigs and hairpieces. A hair stylist goes to see other artists perform. He will travel the States to see innovations . . . then bring the best ideas back to his salon for you. We are hair stylists at the Posh Studio of Beauty, Inc., 18700 Mack Avenue . . . 886-1377.

Dial TUxedo 1-1111 . . . what will you get? Not a poetry reading! But dependable service of the Royale Carriage Cab Company which includes a new cab and a nice driver.

Monday Special . . . at Westfield's, Mack & Somerset, Swiss steak topped with tomato sauce, served with whipped potatoes, vegetable of the day, fresh roll & butter . . . only \$1.29.

She's a new bride, married last July to native Pointer Arthur F. Neff, Jr. They honeymooned in Hawaii and are planning a First Anniversary trip to Europe this summer.

She's an avid Tiger baseball fan and a dedicated homemaker who successfully combines being a housewife with holding a full-time job as the Park Branch Children's Librarian.

Story Hours Are Best She enjoys School Age Story Hours best of all her library work. The Story Hours are presented in eight-week, one-per-week fall and spring sessions.

"The children just come," Sue explains. "This year, we've averaged about 60 children per Story Hour. We tell them old folk tales and some modern ones."

For the past two years, she's coached a group of children, helping them put on a play. "It was bedlam," she admits, "but fun!"

There are a few places in this world Paula Preuthun has not visited—a very few.

The Woods Branch Children's Librarian has been to the Orient, South America, Europe (several times), has visited relatives in Denmark, traveled through Alaska before it became a state.

"Maybe," she muses, "I'll go to Brazil this summer. I have a niece there in the Peace Corps."

She finds everything she's learned and observed in her peregrinations helps her to help her young library patrons.

Served by Memory

"Not too long ago," she notes, "a boy came in and wanted to find out something about the Auracanian Indians. No one knew anything about them . . . But I thought I recognized the name. When he told me they lived in Tierra del Fuego, at the tip of South America, I remembered where I'd heard of them. I found most of the information he wanted under 'Chile.'"

(Here, Sue interjects a comment: "What Paula says about 'using' everything you've ever learned in your work is very true. The more you know about just general things, the better. We get asked everything under the sun.")

Paula, born in Montreal, received her Bachelor's degree from Queen's University, King-

ston, Ont., her Library Science degree from the University of Toronto and her business training at Detroit Commercial College.

She joined the Clerical Staff of the Grosse Pointe Public Library in 1951, became secretary to the Director, remained in that position until 1955 when she left to study Library Science and became a Children's Librarian on the staff of the Detroit Public Library in 1956.

She returned to the staff of the Grosse Pointe Public Library in 1961 as Woods Branch Children's Librarian.

Has Several Hobbies Her hobbies include "a little gardening in season," photography (she has beautiful pictures, mementos of her travels, which she enjoys showing to children when they're studying a particular country; she took a photography course at the Banff School of Fine Arts one summer), reading and "brushing fur" (her dog, a Shih Tzu, resembles "a mop without a handle").

Class Visits are a favorite facet of her library work. The Grosse Pointe Children's Librarians visit all the schools in their areas, public and parochial, at least three times each year.

Paula has the most schools, eight in all. "We go to classes to talk about our Story Hours, more or less announce our programs, tell a bit about them, answer questions," she explains. "Then, later, the children come into the library with their mothers and we see them recognize us, hear them whisper, 'Mother! She was in our room!'"

Grandfather Started It When Bea Adams was "about 15," she read a newspaper article on her great-grandfather. He sounded so fascinating she determined to find out more about him.

That was how she became interested in Genealogy. The subject still intrigues her.

She belongs to the Detroit Genealogical Research Society. Her apartment in St. Clair Shores is bulging with "old pictures, charts, the whole works." Genealogy is a hobby that demands space.

"I keep everything divided up in different drawers, filed under separate covers," Bea smiles. "Of course, I don't really have enough room. But if you're interested in Genealogy, you MAKE room."

Bea, born in Michigan, raised in Chesaning (west of Flint), received her Bachelor's degree from Albion College and her Masters in Librarianship from Western Michigan University. Before joining the Grosse Pointe Public Library staff, she worked as Children's Librarian at the Niles Public Library in Niles, Mich. She's Grosse Pointe Central Branch Children's Librarian.

Also a Traveler Like Sue and Paula, Bea's a traveler. She went to Europe two years ago and is planning a trip to the British Isles this spring. She's done quite a bit of meandering about the United States, too, including last summer's visit with a sister who lives in Denver.

Her interests are catholic, ranging all the way from ice-boating to teaching a fourth grade Sunday School class at Grosse Pointe Methodist Church.

Pre-School Story Hours are her favorite library assignment. The pre-schoolers, aged three-and-a-half through five, come to the library each week for a half-hour program.

"We read them stories that are suitable for their age group, do finger games, go over a few nursery rhymes," Bea explains. There's a Children's Libra-

GREEN RICE (Contributed by Mrs. Charles B. Marks (From The Grosse Pointe Unitarian Cookbook)

1/2 cup Mazola oil
1 cup green chili (ortega)
2 eggs, well beaten
1/2 lb. nippy cheese

1 large can milk salt

One fresh green pepper may be used in place of chili. Put cheese, onion, garlic, parsley through food grinder; also chili. Add to rice. Add milk. This can be done earlier. ston, Ont., her Library Science degree from the University of Toronto and her business training at Detroit Commercial College.

She joined the Clerical Staff of the Grosse Pointe Public Library in 1951, became secretary to the Director, remained in that position until 1955 when she left to study Library Science and became a Children's Librarian on the staff of the Detroit Public Library in 1956.

She returned to the staff of the Grosse Pointe Public Library in 1961 as Woods Branch Children's Librarian.

Has Several Hobbies

Her hobbies include "a little gardening in season," photography (she has beautiful pictures, mementos of her travels, which she enjoys showing to children when they're studying a particular country; she took a photography course at the Banff School of Fine Arts one summer), reading and "brushing fur" (her dog, a Shih Tzu, resembles "a mop without a handle").

Class Visits are a favorite facet of her library work. The Grosse Pointe Children's Librarians visit all the schools in their areas, public and parochial, at least three times each year.

Paula has the most schools, eight in all. "We go to classes to talk about our Story Hours, more or less announce our programs, tell a bit about them, answer questions," she explains. "Then, later, the children come into the library with their mothers and we see them recognize us, hear them whisper, 'Mother! She was in our room!'"

Grandfather Started It

When Bea Adams was "about 15," she read a newspaper article on her great-grandfather. He sounded so fascinating she determined to find out more about him.

That was how she became interested in Genealogy. The subject still intrigues her.

She belongs to the Detroit Genealogical Research Society. Her apartment in St. Clair Shores is bulging with "old pictures, charts, the whole works." Genealogy is a hobby that demands space.

"I keep everything divided up in different drawers, filed under separate covers," Bea smiles. "Of course, I don't really have enough room. But if you're interested in Genealogy, you MAKE room."

Bea, born in Michigan, raised in Chesaning (west of Flint), received her Bachelor's degree from Albion College and her Masters in Librarianship from Western Michigan University. Before joining the Grosse Pointe Public Library staff, she worked as Children's Librarian at the Niles Public Library in Niles, Mich. She's Grosse Pointe Central Branch Children's Librarian.

Also a Traveler

Like Sue and Paula, Bea's a traveler. She went to Europe two years ago and is planning a trip to the British Isles this spring. She's done quite a bit of meandering about the United States, too, including last summer's visit with a sister who lives in Denver.

Her interests are catholic, ranging all the way from ice-boating to teaching a fourth grade Sunday School class at Grosse Pointe Methodist Church.

Pre-School Story Hours are her favorite library assignment. The pre-schoolers, aged three-and-a-half through five, come to the library each week for a half-hour program.

"We read them stories that are suitable for their age group, do finger games, go over a few nursery rhymes," Bea explains. There's a Children's Libra-

Here's a lovely April . . . or any-month-at-all thought from Grosse Pointe's Poetess-in-Residence, Carolyn Hubbard Lucas:

THE GIFT

Imagination is that magic thing That makes all times and seasons seem like spring. The rivers flow—the sky is high and wide— And with them all the earth is glorified. And by his token hearts that hold the dream May see the barest branches sheathed in green.

Footnotes . . . Re the Decorating Committee working to turn Grosse Pointe South High's Gymnasium into a "Mod Garden" for the GPSHS Mothers' Club April 30 Scholarship Tea: The lady who taught the committee how to make all those mad, Mod flowers—it's a process that involves baking crepe paper—is Mrs. Joseph Proctor . . . Mrs. George Squiers, sister of general Tea chairman Mrs. James Maurer, dropped by to watch the committee at work—and became so intrigued she joined it! . . . This crew of 18, under the direction of Mrs. William Montgomery, is EXCEPTIONALLY experienced . . . Mrs. Alexander Peat and Mrs. Lawrence Kennedy have worked on many past Mothers' Club Tea Decorating Committees . . . Mrs. Thomas Munson painted scenes from around The Pointe used to decorate the walls for a former Mothers' Club Tea . . . The Mesdames Kenneth Kimmel, Philip Gould and George Renaud all have decked hall at the Detroit Boat Club . . . Mrs. Renaud's done a good bit of Junior Women's Association for the Detroit Symphony Orchestra decorating, too . . .

As promised . . . we now present a few glimpses of some of the things we noted at last week's Paint Pot Picnic Luncheon in the Lakeshore road home of the late John T. Woodhouse, now undergoing a transformation into Grosse Pointe's first "Designer's Show House" . . . We absolutely LOVED the high-raftered third floor loft, where specialty shops and craft demonstrations will be headquartered, (you can't miss the entrance to this: Just look for the bright red hobby horse mural at the top of the stairs) . . . And BE SURE to take a GOOD look at the light fixtures in the second floor family sitting room: They're the original fixtures, "discovered" under several layers of paint, now buffed up and shining in all their gold-plated French brass glory . . . The "Show House," a project sponsored by the Planned Parenthood League of Detroit, assisted by the Michigan District Chapter of the American Institute of Designers, is being renovated by 12 interior decorators . . . It opens with a champagne preview Sunday afternoon, May 4, and will remain on display for three weeks . . .

Funniest story of the month . . . comes to us courtesy of a gentleman just returned from Florida, where he and his wife relaxed at a favorite hotel noted for its excellent accommodations, superb service and year-after-year returning clientele, most of whom have by now reached A Certain Age . . . To this Over-50's Nirvana came two bachelors, men in their 30's, intent on having a Swinging Time . . . They cased the pool, cased the dining room, retired to their room and rang for the bell-boy . . . "Look," said one, "Here's \$10. Do you think you could find us some girls?" . . . The bellhop nodded, took the money, turned to go and then—struck by a sudden attack of conscience—turned back . . . "Here," he said, holding out the bill, "is your money. If I DO find you some girls, they'll be 78 and 82—and they'll pay me!"

rian "dividend" that Bea especially enjoys. "Some of the children just like to come in and talk to us," she says. "I think that's kind of nice."

Grosse Pointe Public Library Coordinator of Children's Services (translation: Head of the Library's Children's Department: Sue, Paula and Bea's "boss"), Harriet Helms, speaks on Harriet Helms:

"Sometimes I think I'm a very dull person. Then I don't know where the time goes . . ."

Children and Dogs "You might say I like children and dogs. I've always had a dog; I have a Yorkshire now, 'Ha'penny.' I don't dislike adults. I just like children better. I'm fond of swimming, and I like to ride my bike when I have the time. I'm a member of the Soroptimist Club of Grosse Pointe; in June, I'll have completed two years as president. I've enjoyed the Soroptimists; I think it's important to be involved with all kinds of people, in all walks of life, to get other people's points of view. I like librarians. But I don't want to be around librarians only . . ."

"Mine is not exactly a nine-to-five job. That's true of all librarians. We have to keep up on library journals, books . . . If I haven't read children's books, I feel cheated . . ."

Harriet (naturally) — this seems to be a Grosse Pointe Children's Librarian prerequisite) is a traveler. She's been all over the United States, up to Canada, down to Mexico, over to Europe.

Last summer she spent a week in London and the rest of her vacation in Ireland. Half-Irish, she got to see the town where her great-grandmother had been raised, "Ireland," she says, "is everything people say it is. But it's changing. I hope to go back someday, before it changes too much."

Native of Nebraska Born in Nebraska, Harriet always wanted to work with children. She received her Bachelor of Science degree in Education from the University of Nebraska, spent a rather un-

happy ("I wasn't any good at it") year as an elementary school teacher, switched careers and started in as an apprentice at the Lincoln City, Neb., Public Library for \$25 a week—with a college degree! ("It was," she explains, "during The Depression.")

She earned her Library Science degree at Case Western Reserve University. She's worked in Nebraska, as assistant to the Head of Children's Work and Head of Children's Work for seven years at the Lincoln City Library, as Children's Librarian at the Detroit Public Library's Duffield Branch and as Children's Librarian at the Woods, Park and Central Branches of the Grosse Pointe Public Library before becoming Grosse Pointe's Coordinator of Children's Services in 1962.

"I've liked all of it," she says. "I wouldn't do anything else. Now that I'm an administrator, I do miss the direct contact with the children—and with the parents. My favorite assignment before I went into administration was what we call 'Floor Work.' Working directly with the children, trying to find the books they'd like."

There's a Difference "I love story-telling, too; I love to watch the children's faces. We don't READ stories in our School Age Story Hours; we TELL them. I think this—story-TELLING—is a part of our children's heritage, and I think it's up to us to see that they get it."

Busy now with essential administrative tasks, planning programs, selecting books, supervising special activities, conferring with the Children's Librarians, searching always for more ways to reach more children, Harriet never loses sight of the children themselves, the individuals she's working for.

"I'll tell you," she says, "what really makes my day: When a child for whom I've found a 'special' book comes in and says, 'I want another book just as good as the last book you gave me . . .'"

That's what we always used to say to The Bookmobile Lady.
