

# PUBLIC SCHOOLS THREATENED

## HEADLINES of the WEEK As Compiled by the Grosse Pointe News

**Thursday, May 1**  
**VIOLENCE AT COLUMBIA** University resulted when 160 members of the campus chapter of the Students for a Democratic Society (SDS) barricaded themselves inside two of the school's buildings. A professor, with his arms pinned behind him, was struck in the face with a club by radical students. University officials have warned the students that they are violating a court order and face criminal contempt charges.

**PRESIDENT NIXON ASKED** Congress on Wednesday for broad authority in consolidating similar federal aid programs. The President said that the overlapping is threatening to paralyze the effectiveness of the overall aid program. Opposition to the request is expected, as its acceptance would give to the President jurisdiction presently held by Congress.

**Friday, May 2**  
**COMMON COUNCIL PRESIDENT** Ed Carey disclosed today that the Council plans to kill Mayor Cavanagh's \$44.9 million increase in property, income and excise taxes and eliminate 1,813 proposed new police positions. Carey and eight other councilmen met privately to consider the Mayor's proposed \$54.5 million budget for the coming fiscal year. This announcement is a crippling blow for the mayor's 1968-70 budget.

**Saturday, May 3**  
**PRESIDENT NIXON** proposed Friday a three-pronged assault on smut material, saying "American homes are being bombarded with the largest volume of sex-oriented mail in history." The president spelled out his plan in a message to Congress and said a three-part legislative proposal would be submitted for early consideration.

**ONE THOUSAND** white students drove 200 militant black students off the Queens College campus in New York City Friday after the Negroes vandalized college buildings for the second consecutive day. Fighting and stone-throwing erupted and about 500 helmeted police surged onto the campus, to the cheers of white students. The college will be closed at least through Monday, according to school officials.

**Sunday, May 4**  
**SPECULATION MOUNTED** SATURDAY that some American troops would shortly be withdrawn from Vietnam and that the long-stalled Paris peace talks would produce some real results soon. In Saigon, the U.S. Command's top planner for troop withdrawals met with South Vietnamese President Nguyen Van Thieu for over an hour and a half and in Washington White House sources said that President Nixon would accept a secret agreement with Hanoi on mutual troop withdrawal as long as it contained tight safeguards against violations.

**Monday, May 5**  
**POLICE FROM BIRMINGHAM,** Bloomfield Hills, Troy and Redford Township combined with State Police to break into the home of Emmett Bull, 11670 San Jose, Redford Township, at 7 p.m., Saturday. They arrested Bull, 34, and discovered more than two truckloads of valuables. Included in the haul were 27 rifles, pistols, shotguns, furs, tape recorders, two outboard engines, lawn mowers, jewelry, coins, typewriters, binoculars, cameras and antiques. Victims of burglaries were trying to identify their belongings Sunday in the parking lot of the State Police post, where the merchandise had been transported. Police declined to say whether Bull was a gang leader or a front for the transfer of stolen goods.

**Tuesday, May 6**  
**THE STATE SUPREME** Court Monday approved in effect the final route of highway I-96 through Oakland County. The court upheld a 1967 law which gave a three-man arbitration panel the power to set highway routes in the state.

## Beautification Council Awards Prizes For Posters

Grand Prize winners in the "Clean-Up, Paint-Up, Fix-Up" poster contest, initiated by the Beautification Council, were entertained May 1 at a luncheon in the Crystal Ballroom of the War Memorial. Winners pictured above are, (left to right), ELLEN RENICK, Mason School; MAUREEN WAGNER, St. Clare of Montefalco School; and VICKI CICHY, Grosse Pointe North High School. The top three Grand Prize winning posters have been retained by the Council to be used in its book presentation for the Cleanest City Award in Washington, D.C. next February.

## Four Prizes Are Awarded For Slogans

**Five Pointes to New Beauty** Selected as Winner in Clean-Up Campaign Contest

The Grosse Pointe Beautification Council offered four prizes for slogans submitted during a two-week period highlighting their Clean-Up Drive. Forty-four slogans entered in the contest were judged by the Publicity Committee of the Council and awards given at the Kick-off Luncheon, Thursday, May 1 at Fries Auditorium.

The first prize of \$25, given by Mr. Richard Krajenke of Richard Buick Agency, was presented to Mr. and Mrs. Durell Richards of Westchester road. Their slogan was "Five Pointes to New Beauty." Mr. and Mrs. Richards are old-time Grosse Pointers. Mr. Richards recalls first coming here 50 years ago while a student at Yale University to be in the wedding party of the late Charles Parcels, Sr. held in the little vine-covered church on the site of Grosse Pointe Memorial Church.

"Be a Pointe Polisher," submitted by Mrs. Donna Ireton, won second prize, a rose bush, given by Meldrum and Smith Garden Supply Company.

Third prize winner, "Clean, Make Green, Beauty in the Scene," was offered by Miss Nancy Van Goethem, a student at the School of the Society of (Continued on Page 4)

## All Pointe Municipal Parks Being Readied for Official Opening on Memorial Day

**Marinas Made Available to Boaters on May 1; Warm Weather Draws Crowds to Family Picnics at Facilities**

All municipal parks in the Pointe opened their marinas to accommodate boating enthusiasts on Thursday, May 1, although the official opening day to the general public has been set for Memorial Day, May 30. Picnickers, however, are taking advantage of warm days and enjoying family outings at all the parks, it was disclosed.

The new facilities at the Windmill Pointe Park, the swimming pool, wading pool, bathhouse, marina, landscaping, etc., will be finished in time for the official opening day, Park City Manager Robert Stone said. The improvements were made through the sale of \$370,000 in bonds, authorized by the city voters early in 1968.

Part of the funds realized from this general obligation bond issue was used to make improvements at the Three Mile Drive Park, including the construction of a wading pool.

**New Pool Filled** Stone said on Tuesday, May 6, that the new swimming pool was cleaned and filled with

## School Meeting Set for Monday

The regular monthly meeting of the Grosse Pointe Board of Education will be held at 7:30 p.m. on Monday, May 12, in the gymnasium at Montefalco School.

The public is cordially invited to attend.

## Three Hospitals to Hold Public Forums on Health

As part of National Hospital Week, three East Side Community Hospitals — Saint John, Cottage and Bon Secours, have joined together to co-sponsor three public forums. The subjects of these forums, which are free and open to the public, are heart attack survival, drug abuse and hospital obstetrical service from family planning through post-natal care.

Specialists from the staffs of the three hospitals will discuss the medical and social aspects of these major health concerns and the related hospital services. Following the presentations, the experts will answer questions submitted from the audience.

The first forum titled "Maternity—1969" will be held at 8 p.m. Friday, May 9, in the Auditorium of Saint John Hospital, in Moross road at Mack in Detroit. Heading the panel will be Panfilo Di Loreto, M.D., Chief of Obstetrics and Gynecology at Saint John Hospital. Also appearing on the program will be Warren E. Moore, M.D., Obstetrician; William Rush, M.D., Pediatrician; Eugene Boyle, M.D., Anesthesiologist; Mrs. Condon, Obstetric nurse, and Mrs. John McHale, Dietitian.

## 3,727 Donate \$60,596.75 to Center Drive

**Three Weeks Remaining to Reach \$85,000 Goal by Memorial Day; All Urged to Contribute**

With just three weeks left in its 20th Anniversary Family Participation Campaign, Grosse Pointe War Memorial still has \$25,000 to go to reach its goal of \$85,000 needed to operate in the fiscal year beginning August 1.

Follow-up letters have been received by all families in the five Pointes for whom the Center has addresses. It is hoped they will include the Memorial's return envelope in the mailing pile when they write the family checks this month.

Grosse Pointe's uniquely beautiful and much used War Memorial Center has never failed to meet its goal of one quarter of the total year's operational costs in its Annual Family Participation Campaign.

## Behind Last Year

Receipts are coming in in the same pattern as previous years. Solicitation was a little slow getting out with results therefore being about a week behind 1968. To date \$60,596.75 has been received from 3,727 families as compared to \$63,197.50 from 4,086 givers as of the same date last year.

The Center wishes to acknowledge with sincere gratitude gifts received recently from the following donors:

## Suspect Arson In Store Fire

Farms firemen responded to an early-morning call on Tuesday, May 6, to the Hughes-Hatcher-Suffrin store at 18920 Mack avenue.

The store had been fire-bombed with gasoline-filled beer bottles thrown through the front window. Either two or three Molotov cocktail-type bombs were used.

Damage to the building was slight due to the prompt response of Farms firemen; it is not known at this time the extent of damage to the contents of the store.

## Residents Divided Over Entrances At North High School

**Woods Council Refuses Request of 625 Residents for Pedestrian Gate at Wedgewood; 77 Hidden Lane Residents' Opposition Enough to Sway Solons**

The Woods Council chamber was filled almost to capacity last Monday evening, May 5, with residents of Hidden Lane and representatives of Grosse Pointe North High School, who were there to present the Council with conflicting petitions.

The first petition presented was one with over 625 signatures signed by Woods residents stating their concern over the safety of students at North High School and the lack of convenient entrances to the grounds of the schools. They asked the council to allow, on a trial basis, another entrance to the grounds particularly at the end of Wedgewood drive.

Superintendent of Schools, Theos Anderson, in a letter to the Council elaborated on this request by asking the Council for approval to install, on a trial basis, a four-foot wide, and six-foot high pedestrian gate at Wedgewood, on the south side of North High School.

**Parents Would Help** He asked that the gate be open one hour before school started, and an hour-and-a-half after school was dismissed, but no later than 4:30 p.m. He added that during this two-month trial period members of North High School's Parents Club would supervise the traffic in the area.

He recommended that the traffic control on Morningside at Hidden Lane, and at Sunningdale and Wedgewood, should be based on the recommendation of the City Safety Director. Dr. Anderson asked that the gate be installed no later than May 12 so the trial period could include (Continued on Page 3)

## Burglars Steal Office Equipment

Three valuable pieces of office equipment, valued at a total of \$1,508, were stolen from the American Data Processing company, 19830 Mack avenue, on Sunday, May 4, while a woman employee of the firm was eating an evening meal at a restaurant.

The woman, name withheld, told Woods Patrolman Albert Abend, that she left the building at 9:45 p.m. to eat, and returned at 11:15 p.m., to discover that a window pane in a restroom at the rear of the place had been smashed and the window was open.

Det. Cpl. Gerald Kensora and Det. Everett Plumb, who were assigned to the case, said that the owner of the firm, Frank Gille of Cook road, was notified of the break-in.

A check of the offices on the premises disclosed that the thief, or thieves, took a Royal electric typewriter valued at \$327; an IBM electric typewriter worth \$756, and a smaller IBM, valued at \$425.

Kensora and Plumb said that the blood was found on the window where the glass was broken, indicating the possibility that the thief might have cut himself.

## Bicycle Safety Inspection Underway in Pointe Area

The annual Bicycle Safety Program in the Pointe and Harper Woods is in full swing, according to an official release by the respective school safety officers. As in previous years, May has been declared "Bicycle Safety Month."

With the full cooperation of the public, parochial and private schools, the safety officers are reviewing and lecturing on bike safety laws to children in school assemblies.

The safety officers of the five communities are: Sgt. George Blair, Park; Sgt. Duncan MacEachern, City; Sgt. Arnold Parsons, Farms; Patrolman Stephen Petrik, Woods; and Patrolman William Maier, Harper Woods. The Shores has no school within the Village limits. Boys and girls of all ages

certainly enjoy riding bikes, and it stands to reason that only bicycles in good operating conditions should be used.

Each officer has set specified dates for each of the schools within his jurisdiction in which he will inspect every student's two-wheeler for proper brakes, pedals, seats, handle bars, tires, light and reflectors, and especially to make sure that each bike has a license plate.

It was pointed out that all bicycles should have license plates, not only because it is the law, but because this may materially assist in the recovery of a lost or stolen bicycle. Prizes will be offered in many of the schools in conjunction with the inspection through the generosity of many local mer- (Continued on Page 4)

## Ask Citizens To Contact Legislators

**Officials Cite Dangers to System Unless Lawmakers Continue Financial Aid**

"The entire community should be aware that events currently taking place in Lansing may greatly affect the future educational climate in Grosse Pointe," Dr. Theos I. Anderson, Superintendent of Schools, said Monday. He urged an immediate grass-roots citizens' campaign to contact legislators in the State Capitol regarding pending school legislation.

The Superintendent of Schools urged interested residents to take advantage of the local machinery available through the Legislative Committee of the Grosse Pointe PTA Council, chaired by Cedric A. Richner, Jr., 713 University Place.

"Our representatives, who blanket the community, are knowledgeable about current legislation as they have been meeting regularly since January to inform themselves of the basic issues confronting Michigan. At our last general session, held Tuesday, April 29, they agreed to help others in the school district understand the local impact of pending legislation," Mr. Richner said.

**No Alternative** "Although it provides neither property tax relief for the citizen nor the financing needed by our schools, at the present time we in Grosse Pointe feel that we have no alternative but to urge passage of the Governor's Bill (House Bill 2176 and Senate Bill 101)," he added.

"We certainly hope that Governor Milliken's School Reform Commission will develop into an action group and work closely with him as a task force to develop recommendations as the basis for his proposals to the Legislature this fall," Mr. Richner declared.

William M. Day, of Winthrop place, chairman of the board and chief executive officer of Michigan Bell Telephone Co. and former chairman of the educational subcommittee of New Detroit, Inc., was picked by Governor Milliken to serve on the panel charged with making recommendations toward solving Michigan's school financing problems.

## Asked To Defer Action

The Governor has urged lawmakers to defer school action until after the School Reform Commission surveys the problem and makes recommendations. Governor Milliken indicated that he will call a special legislative session in October to deal with school matters if the lawmakers have adjourned the 1969 session before that.

Asked for his reaction to the Governor's Bill, Superintendent Anderson estimated that it (Continued on Page 2)

## Liggett Alumnae Support Merger

The Associate Alumnae of the Liggett School, at the annual Founders' Day meeting held at the Country Club of Detroit, voted overwhelmingly in support of the trustees of Liggett School in the matter of the proposed merger with Grosse Pointe University School.

A motion that alumnae unanimously support the proposal was made by Mrs. Charles W. Adams, past president of the Alumnae Board, and seconded by Mrs. Edsel B. Ford, Alumnae vote was overwhelmingly in favor. J. Joseph Jennings, Jr., president of the Board, said, "The solid support of this significant group expresses the loyalty and unity which are characteristic of Liggett alumnae. We are grateful for their confidence and wholehearted support of this consolidation."

Officers elected for the coming year are Mrs. Jack W. Wheeler, president; Mrs. Frank S. Seichter, vice-president; Mrs. Roger S. Tuttle, secretary; Mrs. Frederick F. Fordon, treasurer. New Board members are Mrs. Paul F. Jerome, Mrs. Robert J. Marantec, Mrs. R. Cabell Morris, Mrs. Gordon B. Riggs and Mrs. Sigurd R. Wendin.

 owner from his prison, and police were called.  
**Had Been In Before**  
 McLaughlin said that he remembered seeing one of the men in his store several days before, which led Kensora and Plumb to believe the robber must have entered the place to look it over.  
 The proprietor described one man as being white, about 25 years old, six feet tall, and weighing between 180 and 190 pounds, with light brown lengthy hair (possibly a wig), and a brown mustache, which could also have been false. He was wearing horn-rimmed glasses and had on a long black cloth raincoat. This man held his hand in his pocket as though he had a gun, McLaughlin said.  
 The man with the gun was described as being white, about 25 years old, about 180 pounds, six feet tall with a black hair (normal cut and narrow face with a pointed chin. He was wearing dark blue or black, windbreaker, jacket, black trousers and black shoes.  
 Kensora and Plumb said that as of the last report, McLaughlin's truck had not yet been recovered.

You may not be able to judge a man by the company he keeps, but it's a good indicator.

 would provide the local schools with approximately the same amount, or somewhat less, per child in State Aid during 1969-70 than it is currently receiving.  
 "During 1968-69, we have received \$144.18 per pupil in State School Aid. The most we can say for the Governor's Bill is that it does provide some State Aid, which is not true of other pieces of legislation proposed.

**Would Penalize Points**  
 Dr. Anderson said that he agreed with the decision of the local PTA Legislative Committee to oppose House Bill 2722 (State Department of Education) because as it is currently written, it actually contains a financial penalty for school districts with a State Equalized Valuation such as Grosse Pointe's.

There are about 20 school districts in Michigan with a State Equalized Valuation of \$5,000 behind each child, and these are receiving little or no consideration from most of the lawmakers, school officials said.

Contrary to much of what has been said about possible 'reform' in school financing, Ray MacArthur, Director of Business and Finance for The Grosse Pointe Public School System, said that he sees no real relief for the community in the present proposals under consideration.

"In past years I have not been too excited about various State Aid bills. I have always felt that as far as the amount of money we would receive from the State of Michigan (if the changed formula worked out to be less), we would be protected by a 'grandfather's clause' which would give us at least the same amount that we had had in the past. The Governor's Bill contains such a provision, but House Bill 2722, sponsored by the Michigan Department of Education, does not. If it is adopted, we would lose virtually all of our aid from the State of Michigan," Mr. MacArthur said.

**Trustee Is Active**  
 Mrs. Joseph R. Thompson, a trustee of the Board of Education who currently serves as its secretary as well as its legislative chairman, indicated that she has been communicating actively with the area's Senators and Representatives, members of the Education Committees of the House and Senate, as well as the House Appropriations Committee, and with Governor Milliken.

Mrs. Thompson, who was in Lansing last week, commented upon the rapidity with which the legislative situation changes. As a result of her visit, she said that she had concluded that in the current legislative process school districts with over \$30,000 in State Equalized Valuation behind each child are taking a beating, as is special education. She said that she no longer heard mention of the much-publicized Spencer proposals.

Although the Spencer Bills, along with various other concepts of legislation are considered dead at the moment, school officials said that these will probably again receive some degree of consideration when the Governor's School Reform Commission begins its deliberations.

### Two Girls Dart Into Car's Path

Two 10-year-old girls were hit by a car on Wednesday, April 16, across from 17150 Waterloo, as they dashed out into the street between two parked cars and into the path of a car driven by Eunice Kurz, 1234 Audubon.

The girls, Kathleen O'Keefe, 1305 Buckingham and Jody Feola, 3938 Bishop, were taken to Bon Secours Hospital by City police and treated for minor bumps and abrasions, then released. Mrs. Kurz was absolved from any responsibility for the accident by eye witnesses.

**All Pointe Municipal Parks Being Readied for Opening**

(Continued from Page 1)  
 The Three Mile Drive Park will be open from 7 a.m. to 9 p.m.; and the Windmill Pointe Park, from 7 a.m. to 11 p.m.  
 John DeFoe, director of public service and head of the Recreation Department of Grosse Pointe Farms, said that the council recently approved that the Municipal Pier-Park marinas be opened on May 1. In previous years the opening date was May 15.  
 He said that the new date is for this year only, to determine if Farms boaters will avail themselves of the earlier time. If acceptable to the boat owners, the new opening date might be retained.  
 DeFoe said that there are approximately 200 boat wells in the old marina, and about 128 in the new section.  
**New Tennis Courts**  
 The only improvements being done at the park, are the construction of the four tennis courts, and the landscaping of the new area to the north of the park. The courts, which will be completed in time for the Memorial opening date, will be paid mostly by the \$12,000 donated by the Roland Gray Youth Fund, and the balance by the city.  
 The public service director said that the park will remain open from 10 a.m. to 10 p.m., with swimming in the pool to commence with the opening time and cease when the park is to be closed. Admission to the park is by pass.  
 Stoves and tables will be in place before the opening day, and a general sprucing up of the park is presently under way. There are about 250 parking spaces for automobiles, DeFoe said.  
 At the City's Nobert P. Neff Memorial Park, a watchman is already on duty, to check passes presented by residents, and boat owners, who must be citizens of the City, it was revealed by City Manager Thomas Kressbach.  
 Personnel is busy painting the seawall and sprucing up the park and putting up the stoves and tables, preparatory to the official opening. Minor repairs are to be done to the swimming and wading pools, Kressbach added.  
 He also said that flowers and other plants are being placed at different areas of the park as part of the beautification program of the facility. No major improvements are being made in the recreational area, Kressbach said.  
 There are 170 spaces available for as many cars, the city manager said, all within the confines of the park.  
 The Shores opened its 140-well marina at the George Ostus Park to local resident-boat owners on April 15, according to information released by Village Superintendent Thomas Jefferis. There are still a few wells, of varied sizes, still to be rented,

he pointed out. Boaters seeking boat space must be Shores residents.  
 The swimming pool is in the process of being painted and being made ready for the opening day. There are 126 car spaces for parking.  
 The facilities will be in good shape by the time May 30 arrives, Jefferis said.  
 The park will open at 7 a.m. and close at 11 p.m. A time schedule for the use of the swimming pool has not yet been determined, it was revealed.  
 Passes are being sent out as applications are received. A valid pass, to be shown to the gate watchman, is needed to enter the park, it was pointed out.  
 At the Woods Lakefront Park, located in St. Clair Shores, the biggest improvement underway, now, and expected to be completed before Memorial Day, is the \$100,000 worth of sheet metal piling being installed along 1,000 feet of the canal, replacing the dirt embankment, it was announced by City Manager Chester Petersen and Director of Parks and Recreation Don Hallman.  
 The piling is being installed from the Jefferson Bridge to the Milk River outlet into Lake St. Clair. Approximately \$150,000 more will be expended over a period of about three years, on a pay-as-you-go basis, to replace dirt embankments with piling in the park on the waterway, it was said.  
 Last fall, the Woods completed the installation of water and electricity facilities for several boat wells, as part of its continuing park improvement program.  
 Erected in the park was a 40-foot by 60-foot picnic shelter, donated by the Grosse Pointe Woods Kiwanis Club.  
 It was also revealed that a new \$20,000 Little League Baseball diamond is under construction at Ghesquiere Park, behind the Municipal Building in Mack avenue. Also being built is a 50-car parking lot in the park itself.  
 Little League is contributing \$5,000 and the city \$15,000 toward the cost of the diamond, Petersen said. There are three other Little League and one Babe Ruth League diamonds in this park, he added.  
 At the Lakefront Park, there are approximately 500 spaces throughout the park area for automobiles, as opposed to concentration in only one section, it was revealed by Hallman.  
 Hallman said that the park will open daily at 7 a.m. and close at 11 p.m.; and that swimming is scheduled from 10 a.m. until 10 p.m.  
 He said that stoves, tables and other equipment are being erected, and general sprucing

 one month of the regular school year and one month of the summer school period.  
 The petition from Hidden lane residents only, contained 77 signatures, representing 44 houses. Signers asked that the Council refuse permission for the installation of access gates because they felt it would increase traffic and create a neighborhood safety hazard since there are only two entrances into Hidden lane, for large safety vehicles, one from Vernier road, via Morningside drive, and the other from Wedgewood.  
 Jack Thorpe, representing Hidden lane residents, spoke at length regarding a survey he had taken in the area and indicated that according to the results of that survey the proposed gate would not solve the problem. He recommended that access gates be placed on the southwest corner of Vernier road. He indicated that the residents of Hidden lane wanted to help Dr. Anderson, and North High School solve their problem, but that Dr. Anderson's proposal was not the answer.  
 Throughout the evening school representatives indicated a sincere desire to cooperate in any way to make their proposal more agreeable to the Hidden lane residents and Council members.  
 When the vote for approval of the gate at Wedgewood was finally taken, Councilmen Kenneth W. Boerner, Marvin R. Boutin, Thomas E. Leah, and Mayor Kenneth R. McLeod, voted against approval and Councilmen Donald D. Cook, William F. Huetteman and Benjamin W. Pinkos, voted for approval. Approval was denied.

### Pointe Losing Rev. Atwood

The Reverend Bertram del. Atwood will be preaching for the last time as Pastor of the Grosse Pointe Memorial Church on Sunday, May 11. He has chosen for his sermon "On Refusing To Stay Put."

Mr. Atwood leaves next week to become Pastor of the Swarthmore Presbyterian Church, Swarthmore, Penn. Swarthmore, under the care of the Philadelphia Presbytery, has been without a pastor for two years.

The Reverend Ben L. Allman at the meeting of the Detroit Presbytery on April 23 said that under Mr. Atwood's leadership "Memorial Church came alive! Its lay leadership discovered that they were indeed the leaders of the people; and the people soon learned that they are the Church—on either side of Alter Road or wherever they are."

"The outward thrust of the Church kept pace with an inward growth in spirit. To be materialistic about it, Mr. Atwood has taught us that the Christian faith is a very materialistic affair—the benevolence giving of the Church has grown from \$69,755 in 1959 to \$253,939 through the year 1968."

During Mr. Atwood's pastorate, Memorial Church underwent an extensive building program. The Barbour Chapel, the Pitt Library, Fellowship Hall and church school rooms were added to take care of the increased membership.

Mr. Atwood is prominent in the United Presbyterian Church in the U.S.A. He is presently serving on the Board of Christian Education, is one of the nine original delegates to the Consultation on Church Union, and in 1968 was the delegate to the World Council of Churches' Assembly, Uppsala, Sweden. He is a Trustee of the American Church in Paris and a member of the National Missions and Ministerial Relations Committees of the Detroit Presbytery. He also served on the Alma College Board of Trustees and was awarded an honorary doctor's degree from that college.

Mrs. Atwood serves as editor to the Women's Association of Memorial Church; and on the Board of Directors of the Metropolitan Council of Churches as secretary. She is on the Detroit General Hospital Chaplaincy Committee, a member of District Nursing Society, and a volunteer tutor at Keating School.

### Bike Safety

(Continued from Page 1) chants and civic groups.

Parents are urged to insure the present and future safety of their children by making them aware of the importance of knowing the rules of safe riding, and that the rules must be obeyed, not only during the month of May, but every day of every month of the year, the safety officers stressed.

### SPEEDER STOPPED

James D. Christman, 21, of 571 Rivard, was issued a violation for careless driving on Saturday, May 3, by City police. Christman was traveling east on St. Paul from University at a high rate of speed. He went south on Fisher then east on Grosse Pointe boulevard. He was finally stopped at Grosse Pointe boulevard and Lothrop after a chase of between 60 and 80 mph. He was given a Tuesday, May 13 court date.

### Four Prizes

(Continued from Page 1) Arts and Crafts. Her reward was a rose bush given by the William J. Allemon Garden Supply Company.

"Is Litter Your Bag," fourth prize winner, was sent in by Miss Sharon Casey, who received a geranium plant from the Grosse Pointe Florists, Inc.

The Beautification Council hopes all Grosse Pointers will join in the spirit of these slogans and spruce up their yards to keep our community the outstanding one it is. All five municipalities are busy cleaning up winter debris and readying water front parks for summer use. Extra rubbish pick-ups are provided.

Business associations are initiating special projects. "Kercheval in the Park," that section of Kercheval avenue between Nottingham and Alter road, has been planted with 35 beautiful flowering cherry trees by the business group there. Defer School and some of the residents have also purchased these trees. The Commerce and Civic Association of Grosse Pointe Village has purchased a new hand operated vacuum type street sweeper.

To the homeowner wondering what he can personally do, the following suggestions are offered: clean property of trash and place it at the curb for proper pick-up; repair fences, mailboxes, porches, steps, siding and gutters; paint or wash your home; and plant shrubbery, flowers, trees or grass.

Other ideas include keeping pets properly controlled; keep a litter bag in your car, and use it; and caution your children in regard to breaking glass on the sidewalks.

Let's all get in the act!

Toss your budget away just once—it's surprising what happens when ends don't meet.

### Three Hospitals to Hold Forums on Health

(Continued from Page 1) cuss drug abuse, its effects and treatment in the community hospital. Included will be a frank presentation on "Drugs on the College Campus." Also featured will be the film "Flowers of Darkness."

The principal speaker will be Calter H. Worrell, M.D., Chairman of the Family Living Education Committee on Drugs and Alcoholism. Also appearing will be Eugene Dembicki, chief, Pharmacy Service, Lafayette Clinic, and David Craig, Yale University student.

The final forum will be "Heart Attack Survival—1969." Scheduled for 8 p.m. May 16, it

will also be held at Parcels Middle School. Topics in this forum include heart attack prevention and modern treatment for cardiac problems. Featured will be a description of the new coronary care units now being added rapidly to hospitals to save the lives of heart attack victims. Said Dr. Hugh Henderson, Director of the Coronary Care Unit, at Saint John Hospital and principal speaker, "It has been estimated that as many as 50,000 lives could be saved annually if all heart attack victims could reach a hospital coronary care unit."

Appearing on the program besides Dr. Henderson are Wal-

ter Kujawski, M.D., and Robert Griffin, Cardiologists; Cathlene Mulligan and Miss Shiela Le Sueur, R.N.—Cardiac nurses, and Mrs. Joan McHale, Dietitian.

These forums are part of an increasing effort of your community hospital to serve as a source of authoritative health information. Further information on these forums can be obtained by calling 881-8200—Ext. 541.

### How to send your son to college—without feeling the pinch!

A college education is more than a matter of pride and accomplishment. In today's highly specialized and technical world it is an absolute necessity. But the question is how to finance it?

One of the surest ways of building a fund for the higher education of your son is to plan ahead with Manufacturers Life Insurance.

By investing in a Manufacturers Life Participating Policy you get a double safeguard. Your savings accumulate on a planned basis—and they grow through earned dividends and guaranteed interest. By the time your son graduates from high school, your equity can be large enough to finance his higher education.

At the same time, you know that should you die before your son enters university—there will be sufficient funds available for this purpose.

Talk to a representative from Manufacturers Life about this important ambition of yours. He will be able to show you how you can accomplish your goal without feeling the pinch. Call him today!

### Republican Club Meets May 15

The Women's Republican Club of Grosse Pointe is focusing its attention on law this month by having Edward J. Soronen, attorney, as its speaker Thursday, May 15.

Mr. Soronen represents and speaks on behalf of a group of citizens, many of whom are wives of Detroit Police officers. This is part of an offensive campaign to help raise the morale of the Police Department and seek, through legal means, to

stop the harassment of police officers.

The public is cordially invited to attend the luncheon-meeting which will be held at the Grosse Pointe War Memorial, Crystal Ballroom, at 12:30 o'clock.

For reservations please phone 884-5646 or 886-1386.

# what's a funny place for a phone?

That depends a lot on your sense of humor. If splashing through the house to answer a telephone leaves you a little cold, then perhaps there is nothing funny about an extension telephone in the bathroom or dressing room.

Extension telephones save steps and let you do your telephoning from where you are.

Call your Michigan Bell Business Office or ask your telephone man. For as little as ninety-five cents a month (plus tax) you can have an extension telephone in any funny old place you'd like.

Cadillac

The 1969 Coupe DeVille, Cadillac Motor Division

## If it's the only time you have to yourself, make the most of it.

After a long business day, it's a wonderful feeling to enter the relaxing and luxurious world of Cadillac. For no other motor car so completely insulates its owner from unnecessary distractions and undue demands.

The inherent quietness of a Cadillac is immediately apparent. You sense it in the solid, precise sound of the closing door; in the whisper-quiet response

of the big engine; in the isolation from road noise; in the surprisingly muted sounds of street traffic.

As you lean back, enjoying the comfort of the contoured cushions with the seat adjusted to the position of your preference, you experience a most welcome release from the tensions of the day.

And how reassuring it is, as you blend effortlessly into the flow of the freeway, to have at your com-

mand the precise, sure response of Cadillac's variable-ratio power steering and power front disc brakes.

At the end of your journey you arrive home, pleasantly refreshed and relaxed, ready to enjoy the evening. And, chances are, you'll be looking forward to the advent of another day and to another quiet hour with your Cadillac.

### Bon Secours Will Conduct Full-Scale Disaster Drill

Bon Secours Hospital will marshal its forces to try out its full-scale Disaster Program next Wednesday, May 14. This will be the fourth in a series of annual "dress rehearsals" to test the preparedness of the hospital's health care team in the event this health care institution is called upon to render emergency care on a major scale.

The hospital's Emergency Room copes with daily emergencies of all sorts. What determines that a given set of circumstances be declared a disaster at Bon Secours is defined as a community situation which brings to the hospital seriously wounded persons in numbers greater than the admitting process is normally equipped to handle.

A major automobile accident, an explosion involving a number of people, a large fire, a nuclear disaster, a tornado, or a racial disturbance all qualify.

The Joint Commission for Hospital Accreditation, one of the main accrediting bodies for hospitals, requires that a hospital practice its Disaster Program at least twice yearly in order to assure a smartly-operating program.

Next Wednesday's Drill will be the second Disaster Drill for

Bon Secours this year. However, the first program was held on the 11-7 Shift and did not involve the magnitude of the impending one.

For the past several years, Bon Secours has made it a practice to conduct its major Disaster Drill during National Hospital Week as one of the functions of that week set aside to honor hospitals as a vital operation within each community.

Boy Scouts of Troop 399 will participate in the exercise as "victims." Before arrival at Bon Secours, they will be made-up with realistic-looking wounds

since it has been demonstrated that such "staging" points up the seriousness and increases the effectiveness of the drill. The Scouts' performances are always startlingly authentic and they elicit considerable praise from the doctors, nurses and observers present.

Numbered among the people invited to evaluate the Drill will be observers from Wayne County Civil Defense, Greater Detroit Area Hospital Council, the American Red Cross, Grosse Pointe Ministerial Association, and the mayors, councilmen, police and fire departments of the five Grosse Pointes. Any

local residents interested in observing this Disaster Drill are welcome to do so.

*An old friend of the family can serve as your executor...*

*But your family could lose an old friend.*

To assemble, inventory and protect assets, raise cash, take care of income and estate and inheritance taxes, and otherwise "settle" an estate of moderate value often takes two years. Sometimes longer.

Naming a friend or close relative to bear the burden is no kindness.

He probably couldn't see the job through without neglecting his own business. His inexperience could only heighten your family's worries. And he'd face personal liability for costly oversights or errors.

In NBD's Trust Department you'll find every skill and facility needed to serve your estate and your beneficiaries well—together with an understanding that has earned Friend of the Family status for our trust officers on

many occasions. Talk over your choice of executor with your lawyer and with us. Write or phone Edgar B. Galloway, Vice President (965-8000, ext. 2182).

Wines are a good investment if they are good wines. They increase in Value each year. Some of the great Bordeaux wines of a great year like 1961, Have increased about 25% in price in the last year. Many of the 1964s will keep well if kept properly. The 1966 if kept may surpass the quality of the 64s, but 64s are expected to be longer lived. The 1966 great Bordeaux will possibly keep a decade. We have a very heavy inventory in the 1962s & 1964 and are rated as great, and are a real good buy at Gibb's World-Wide-Wines.

**Maire Holding Arts Carnival**

Maire School, corner of Kercheval and Cadieux, will be the center of interest for art lovers on Saturday, May 17, from 10 a.m. to 4 p.m.

On that date, the Carnival of Arts will be held. It will have two areas of attraction.

The students of Maire will have on display an exhibit of their arts and crafts. They will also be demonstrating their skills during the hours of the Carnival.

Also bidding for the attention of the public will be almost 25 local artists who will be demonstrating their various skills as well as having finished works for sale.

A partial listing of the arts on display includes portraits, landscapes, water colors, caricatures, glass blowing and folk art. Others are sculpture, clay modeling with wheel, wood carving, Ukrainian Egg Art, textile design, silk screening, weaving and mosaics. Although not definite, it is hoped that the skills of a candle maker will be displayed.

If the already-crowded exhibition areas have the necessary space, it is expected that Indians will demonstrate basket making and grass weaving.

Also, Edith Porter, who owns the Portecarr Gallery and Antique Village in Clarkson, is hoping to show her knife and palette technique by painting a complete landscape in 45 minutes. If included, her demonstration will begin at 1 o'clock.

Just to prove that there are still places where you can get your money's worth—and then some—admission to the Carnival of Arts is 10 cents.

**Permit Extended For Pool Bubble**

The air bubble, which covers the swimming pool area at the Lochmoor Club, will remain until May 26. The Woods Council granted the club another extension of its present permit, on Monday, May 5, at the regular Council Meeting.

This is the second extension granted the club. The first one was granted after a public hearing on the matter, Monday, February 3.

Members requested the extension because construction work is still in progress on the new clubhouse and the bubble serves as a protection against debris and is a safeguard against vandals.

A letter to the Council members indicated that normally the pool is open to members for use on Memorial Day and that it will take three to four days to prepare for the opening.

**Medallion Goes To Julie Harris**  
 Julie Harris will receive the fifth annual Alumni Medallion, awarded to a former student of the Grosse Pointe University School, or its predecessors, for an outstanding contribution to the community or to the world, on May 11 at the Country Club of Detroit.  
 Miss Harris will be present to receive the medallion, and is coming from New York, where she is currently starring in the Broadway hit "Forty Carats."

She made her stage debut at age 14 in Grosse Pointe Country Day School's production of "The Hunchback of Notre Dame." She first appeared on Broadway as Atlanta in "It's a Gift" in 1945. Since that time, her appearances on the stage, on television, and in the movies are too numerous to mention, but proof enough of her skill and her contribution to the performing arts is the impressive list of awards which Miss Harris has received beginning with the Theater World Award in 1949.  
 She has received the Donaldson Award twice, first for her performance in "Member of the Wedding" in 1950 and then for her role in "I Am a Camera" in 1952. She received the Sylvia Television Award for "Wind from the South" in 1955 and four years later received the first of two Emmy Awards for "Little Moon of Alban" in 1959 and her 1962 for "Victoria Regina."

Most recently, on April 20, television viewers may have seen Miss Harris receive the Antoinette Perry Award for the best Broadway actress of the year.  
 Miss Harris is the daughter of Mr. and Mrs. William P. Harris, Jr. of Ellair place.

**Mayors Trading Offices for Day**  
 In conjunction with Michigan Week, the Pointes are participating in Mayor Exchange Day to be held on Monday, May 19.  
 City Mayor David Burgess and his wife will be traveling to Lapeer, while Mayor Wellington T. Rowden, of that city, and his wife will come to the City.  
 Farms Mayor William Butler will be accompanied by Councilman William Kirby and City Manager Andrew Bremer and his wife when he goes to Grand Haven. Coming to the Farms will be Grand Haven Mayor Englebright and his wife as well as a council member.  
 The Park is exchanging with Hazel Park, representing the Park will be Councilman George Verdonek, who will be accompanied by his wife. Hazel Park Mayor James Gibson and his wife will be journeying to the Park with councilman Dale Burley and his wife.  
 Woods Mayor Kenneth McLeod will trade places with Warren Mayor Ted Bates.  
 The Shores is not participating in the Exchange Day.  
 In the morning of May 19, the visiting mayors will tour the cities they are visiting and meet the municipal officials.  
 In the Pointe, the Woods is the host city for a noon luncheon at the Grosse Pointe Yacht Club.  
 Weather permitting, the afternoon will find the visiting mayors enjoying a boat ride along Lake St. Clair and the Detroit River.  
 In the evening, each of the cities will host its own program, involving in most cases dinner parties and buffets.  
 Co-ordinating the day's activities in the Pointe is Dick Kay, Director of Community Services.

**Graduation Rites Held in Hospital**  
 Eugene Schulte, an Easter Sunday hit-and-run traffic accident victim, who doctors expected would die of injuries, graduated ahead of his University of Detroit Law School classmates on Wednesday, April 30.  
 Graduation came four days early, with ceremonies taking place in a hospital room in St. John Hospital, Moross and Mack, during which he was presented his juris doctor degree, by the Rev. Malcolm Carron, S. J., U-D president, and Brian Brockway, dean of the University of Detroit Law School. He graduated magna cum laude.  
 Schulte, who resides at 3360 Collidge road, Royal Oak, is the son of Dr. and Mrs. Kenneth Schulte of 1447 Berkshire road. He is a personnel administrator of the Control Data Corporation, Rochester, Mich.  
 The accident victim is married to the former Marilyn Johnson of Farmington, who, proud of her husband's academic achievements, arranged the special ceremony with Father Carron and Dean Brockway. The couple have a daughter, Melissa, who is 15 months old.  
 Schulte had attended night school for four years, five nights a week. He was the only member of the family injured by a hit-and-run driver early Easter morning, when returning from a visit to his family in his car. Surgeons did not expect him to survive his injuries, but he is now successfully recuperating.  
 Nevertheless, it seemed unlikely that he would recover enough to take part in the regular U. of D. commencement exercises on Saturday, May 3, in the university's Memorial Building, along with the other 1,000 graduates.  
 His wife persuaded Father Carron and Dean Brockway to confer the degree on her husband at the hospital.

**Purse Dhieves Victimize Two**  
 Farms police answered two calls to the Kroger store at 18870 Mack on Friday, May 2. Each of the calls concerned the theft of a woman's purse.  
 At 11:17 a.m., a woman reported that her change purse had been taken from her basket purse while she was engaged in examining the merchandise.  
 Contents of the lost purse included a \$5 bill, two \$1 bills, assorted change, a house key and a gold friendship ring.  
 At 11:45, a woman about to pay for her groceries found that her purse had been stolen. She told police that as she was removing her purchases from her shopping cart to be checked out, another woman had come up behind her, apparently to look through the selections on a magazine rack. When the shopper asked the second woman if she would like to check out her two items first, the other woman said no, that she'd wait, but then went immediately to another line and checked out.  
 Stolen was a black oblong clutch purse containing \$144 in bills, two dollars in change, a driver's license and miscellaneous papers.  
**THIEF TAKES RADIO**  
 Park police are investigating the theft of a citizens' band radio from a car owned by Donald Tavoularis, 1178 Beconsfield. The theft occurred between 8 p.m. on April 29 and 7 a.m. of April 30. Entry to the car had been made by unlocking the door on the driver's side. Mr. Tavoularis placed a value of \$300 on the radio.

### Family Education Council Holds Corporate Meeting

The first annual corporate meeting of the Grosse Pointe Family Life Education Council (FLEC) was held on Wednesday, May 7, at the War Memorial.

FLEC acknowledged with gratitude the recent \$10,000 grant from the Grosse Pointe Rotary Club which will be used to implement a program of action against the drug abuse problems in The Pointes.

An action plan, adopted by FLEC, resulted in the appointment, as of May 1, of a part-time professional (Director-Secretary) in the person of Ed Krattli, as head of the Anti-Drug Program and Chairman of the Youth Advisory Committee on FLEC. This committee, which includes experts in the

areas of psychiatry, medicine, psychology, religion, law, business, social and police work, has already been organized and will hold its first joint meeting Thursday, May 15.

Mr. Krattli invites all leaders in the anti-drug field from the police, courts, churches, schools and drug-users themselves, to avail themselves of the assistance of his drug committee immediately. A new telephone "Hot Line For Drugs," direct to Mr. Krattli at his Neighborhood Club office will be installed shortly. Meanwhile he asks that those people interested in help call the present Neighborhood Club number, TUxedo 5-4600.

At this time Mr. Krattli is organizing another Monday evening series of drug counseling group meetings for adults and parents of drug users.

Please phone him at the Neighborhood Club for more details. For those who desire help but fear exposure it is emphasized that the aim of the Drug Committee is to counsel, educate and correct, wherever possible, not to publicize or punish.

### Shoplifters, Bad Driver Arrested

Woods Patrolmen Leroy Tobian and Donald Sabel, after taking a 13-year-old shoplifter into custody, and looking for the boy's two companions, witnessed a reckless driving incident, and chased and arrested the motorist involved.

On Friday, May 2, the officers received a radio call to the Woods Beer Store, 20787 Mack avenue, when the owner, William Matouk, called police and disclosed that he was holding a young boy for stealing beer from his place.

Matouk told the policemen that he was waiting on a customer, when he observed the 13-year-old, and two other young lads outside the building, talking. The trio entered the store, and one of them reached out and grabbed a six-pack of beer and ran out of the place, his companions following, going south on Mack.

The business owner said he gave chase and grabbed the 13-year-old boy on Anita, just around the corner. The boy dropped the beer when he was caught, Matouk said. The youngster gave Tobian and Sabel the name of one of the boys who had been with him, but claimed he did not know the name of the third fellow.

As the officers were searching on Mack, they heard the screeching of tires, and saw a motorist attempting to control his car to prevent hitting several cars stopped for the red light at Mack and Vernier.

Tobian and Sabel gave up their search for the escaped shoplifters and took off in pursuit of the motorist, Allan H. Taylor, 27, of 160 West Cambridge, Ferndale, and stopped him at Hampton.

The patrolmen said that Taylor drove through the right turn only lane on Mack, and raced through the red light at the intersection.

Taylor was arrested and taken to the station where he was issued a violation ticket for reckless driving. He was released for a June 4 court appearance after posting bond of \$100.

The two companions of the 13-year-old shoplifter were picked up later. Charges against the young trio were filed with Juvenile Court authorities.

MUTUAL TRUST Nations will never disarm until a way has been found to disarm suspicion.

### MACLD To Hold Second Session

"Developmental Learning" is the subject of the talk to be given by Mrs. Dorothy Jens, of Grosse Pointe and Diagnostician for the Lakesview Public Schools, St. Clair Shores, at the second meeting of the newly forming Grosse Pointe Chapter of the Michigan Association for Children with Learning Disabilities, Inc.

All parents of learning disability children, professional and interested people are most welcome to come to the meeting to be held on Wednesday evening, May 14, at 8 o'clock, in the cafeteria of the Grosse Pointe North High School.

Mrs. Jens is a knowledgeable and enthusiastic speaker and is deeply interested in children with learning disabilities. She has degrees in science education and psychology from Northwestern University and Purdue University. In 1966, Mrs. Jens received the first degree issued by Wayne State University as Education Specialist in School-Clinical Psychology.

Mrs. Fran King, vice-president of MACLD, will report briefly on the third annual spring conference which is being held at Oakland University Saturday, May 10, and will be available for questions about MACLD.

For any further information call Mrs. Jack DeForest, 884-4552; Mrs. Bruce Pourcho, 884-2362, or Mrs. George Belanger, 881-2571.

### Burglar's Visit Proves Costly

Sometime between 7 and 11 p.m. on the evening of Saturday, May 3, a residence at 1020 Buckingham was entered and burglarized while the owner and his wife were away.

After several unsuccessful attempts to gain entry through first floor windows, the intruder broke the glass in a side door, reached through to the inside and unlocked the door.

The owner of the home estimated the value of stolen goods at \$2600.

Among the items taken were a rotisserie, a number of small kitchen appliances, a man's wardrobe, women's apparel, two portable TV sets, one typewriter and miscellaneous jewelry.

### Pierce School Giving Concert

The talents of over 100 student musicians will combine on Friday, May 9, when the twenty-eighth annual Spring Concert will be presented by the Pierce Middle School Instrumental Department.

Under the direction of Dr. Thomas Moore, the Concert Band will open the program at 8 o'clock. They will play five selections: "Prep Parade," by Buchtel, "Palmar Overture," by Bennett, "Southern Roses Waltz," by Buchtel, "Sun Valley Mountains," by Ogden, and "Star March," by Delamater.

The Symphonic Band will follow, beginning with "Power March," by Bennett, "Allen-A-Dale," by Hanson, and "The Phantom Regiment," by Anderson. The flute is the featured instrument in "Grand Trio Op. 87 (Finale)," by Beethoven. Students Debbie Makos, Joanne Foresman, Drew Beebe, Mortha Dasef, Sue Peterson, and Dr. Moore have been rehearsing together for the flute solo portions.

The program will continue with Dvorak's "Slavonic Dances," "The Music Man," by Wilson, "Ghost Town," by Morrissey, the rousing "Hey, Look Me Over," by Coleman, and the Beatles' popular "Yesterday" and "Michele." As a finale, the Symphonic Band will offer "Sabot March," by Bennett.

Friday's concert is the first public performance of the two bands. There is no admission charge. Everyone is welcome to attend.

### CONCERT

Some self-made men try to leave the impression that they have used up all the worthwhile material in the world.

### Brownell Bands Giving Concert

On Friday evening, May 9, at 8 o'clock, Brownell Middle School's music department will present two bands in concert at the Brownell gym. The school's newly-organized sixth and seventh grade band will perform, followed by the Concert Band. The young band, made up of 23 sixth grade and 31 seventh grade instrumentalists, has been rehearsing before school on Wednesday with an additional meeting in sections during the week. Their part of the program will include the "Ballet Scene" from Swan Lake, "The Lost Chord" by Sullivan and several marches.

The second portion of the evening's concert will feature the Concert Band of 63 eighth graders. This entire group rehearses twice weekly, with an added sectional rehearsal, and promises to produce an interesting show for those who love good band music. Selections include the classics and a Dixieland Jamboree, with several favorite marches interspersed.

The Dixieland Band consists of: Mike Slavik, trumpet; Neil Williams, trombone; Chris Lehmann, tuba; Marianne Dill, tenor sax; Susal Walker, clarinet; and Tom Ferstrum on the drums. All groups are directed by Mr. Dewey D. Kalember.

### Hospital Gives Scouts Training

Thanks to Bon Secours Hospital, the St. Clare School Girl Scouts of Cadette Troop 886 will be better able to cope with emergencies at home, camping and baby sitting.

Mrs. J. Weiffel, Assistant Director of Nurses, gave the girls an introduction to First Aid, how to meet emergencies, the basic steps to take, and basic bandages and treatment.

They then followed this up with a tour of the Emergency Room facilities conducted by Sister Clare Agnes, Supervisor of the Emergency Room. Under the able direction of their leader, Mrs. Andy Welch, this plus a visit by a Red Cross instructor and "Rescue Annie," will enable them to complete their First Aid Badge and Emergency Preparedness.

This is the second year the hospital has given the Girl Scouts of St. Clare this "first-step" training. It has proven so successful that Robert Maurer, the Hospital Administrator, said that as a service to the community, they would include this on the hospital calendar annually and open the program to all Girl Scouts in the Grosse Pointe District. District Chairman will be notified of the dates well ahead of time.

### To Give Awards At Bon Secours

One of the distinguishing features of hospitals and convalescent homes operated by the Sisters of Bon Secours is an atmosphere of friendliness and hospitality and dedication to service to patients and their families. Doctors, nurses and hospital people who come in contact with the Sisters in their work absorb their attitude of caring.

In recognition of this distinguishing feature of Bon Secours Hospital in Grosse Pointe and to stimulate Interns and Residents, the Prewitt and Valerie Semmes Fund has established the Semmes Awards to be given to the Intern or Resident whose overall performance of his or her duties and whose genuine interest in and sympathetic attitude toward patients and their families best exemplifies the spirit of the Sisters of Bon Secours and Bon Secours Hospital. An award of \$100 will be given twice a year on Clinic Day and Fall Symposium Day. Judges have been selected from

among members of the Medical Staff.

Mr. and Mrs. Semmes have been for many years interested in Bon Secours Hospital. They are strong supporters of the program of making available to their fellow Grosse Pointe citizens the advantages of highly qualified doctors and nurses and the latest of medical equipment. Mr. Semmes was active in the erection of the last addition to the hospital in 1954, being in constant communication with the Sisters, advising and supervising the building and financing of the project.

## "TOP HAT"

*award again this year*

Bob Maniere, (left) and Dick Warner, salesmen at Downtown Ford Sales, 1833 E. Jefferson Ave., Detroit, Mich., were two of Ford Division's top salesmen in 1968. Mr. Maniere & Mr. Warner received Ford Division's coveted "Top Hatter" award from Lee Whiteman, Detroit district sales manager, at a banquet in Detroit's Latin Quarter restaurant. Fifteen men were named Top Hatters in the Detroit district and 455 nationally out of Ford Division's 27,000 member sales force. In making the presentation, Mr. Whiteman pointed out that Top Hatters each sold an average of more than one million dollars worth of new cars and trucks to qualify for the award.

**Want To Rent A Boat Well?**

Park City Manager Robert Stone has announced that there are still available a few boat wells in the marina at Windmill Pointe Park (formerly Waterfront Park).

The wells, available to residents of the Park, can accommodate boats up to 30 feet in length. The wells available for rental are all brand new.

Boat owners interested in further information about the boat wells are asked to call VA 2-6260.

**Brownell PTA Meets May 14**

Brownell Middle School officials have sent their monthly newsletter to parents this week, inviting them to attend the school's annual Open House and PTA meeting next Wednesday evening, May 14. Invitations also been extended to parents of elementary school students who will be attending Brownell next year.

**Will Face Trial On Drug Charges**

Three more youths, who were arrested as part of a widespread Detroit area drug ring, were bound over to Circuit Court to face trial on narcotics charges on Thursday, May 1, by Judge Douglas L. Paterson, in the City of Grosse Pointe Municipal Court.

The trio were among 12 youths arrested April 10 after a three-month investigation by local, state and federal police in all five of the Pointes, Harper Woods, Detroit, Royal Oak, Ypsilanti, and Ann Arbor.

They included Juan Tenario, 19, of 748 Van Dyke, Detroit and Gary Sowinski, 19, of 16534 Julian, East Detroit, who was charged with selling, possessing, and unlicensed use of marijuana and Robert R. Deresz, 18, of 4204 East Outer drive, Detroit, on charges of possession and sale of LSD.

**Top Scholars Named at MSU**

Michigan State University honored 390 students, including five from the Pointe, for outstanding academic achievement during the 1969 winter term.

Each student must attain a grade of 4.0 or 4.5 (A or A-plus) in every course to be placed on the honor roll offering "recognition of the highest attainment in scholarship."

The students were feted at an Academic Achievement Dinner on Monday, April 26, by MSU Acting President Walter Adams, and Provost Howard R. Neville.

Those from the Pointe who were honored, are: Pamela S. Molnar of 808 Littlestone, freshman; Linda S. Nisley of 17 Berkshire place, senior; Mark A. Rentenbach of 4 Beverly, freshman; Roger P. Klee of 658 South Brys drive, junior; and Edward W. Knowlton of 28 Westchester, junior.

**Church Players To Do Comedy**

The Undercroft Players of St. Phillips and St. Stephens will present a comedy, "Two Dates for Tonight," at Cannon Memorial Auditorium, 5020 Cadieux near Warren, Friday, May 16, and Saturday, May 17, at 8:15 p.m.

The comedy, which features many young people from neighborhood high schools, in addition to the regular players, is family fare entertainment, suitable for the young and the young-at-heart. Special rates will be given to students.

Tickets will be on sale at the door; for information, call 881-1553.

**St. Paul Student Council Elects**

The results of the election of St. Paul's Student Council officers for the 1969-1970 school year were announced on Friday, May 2.

They are the following: president, Peter DeGalan; vice-president, Kathie Moran; secretary, Rosemary D'Hondt; treasurer, Sue Smale; girls' social chairman, Paula Shaheen; and boys' social chairman, Alan Weime.

Voting took place earlier in the day and results were announced that evening at the Constitutional Ball.

**Babe Ruth Loop To Pick Queen**

The Grosse Pointe Woods-Shores Babe Ruth League will hold its annual queen contest at the Woods City Hall Council Chambers on Wednesday, May 14, at 8 p.m.

One girl, 13 to 15 years old, will represent each of the league's 19 teams, and a panel of judges comprised of members of the Woods City Council will choose the girl most representative of the age group.

All the candidates will then take part in the opening day ceremonies on Sunday, May 25, which will be touched off by a parade down Mack avenue, led by Miss Babe Ruth and the team she represents.

All people interested in Babe Ruth baseball and the Queen contest are urged to attend on May 14 at 8 p.m.

**WINDOW SMASHED**

On Friday evening, May 2, Elizabeth Gartner of 1098 Beaconsfield, heard a loud noise that she discovered the next morning was a rock thrown through one of the windows of her upstairs flat.

Any \$6,900 car makes you feel secure on a country club driveway. The Mercedes-Benz 280S makes you feel secure on a bustling turnpike. Look underneath, and you'll begin to see why.

At Mercedes-Benz, engineers—not styling geniuses or marketing wizards—have the upper hand.

And these stubborn purists insist that if a man can afford to invest \$6,900 in an automobile he's entitled to get more than a status symbol.

Result: the Mercedes-Benz 280S at right bristles with sophisticated, ultra-performance features that simply do not exist on domestic sedans in the so-called "fine car" field. It steers, maneuvers and stops as if your life depended on it.

This is one reason why Car and Driver magazine, with a world of cars to choose from, concludes that the current Mercedes-Benz line "represents the present pinnacle in safe car engineering."

Racing car suspension

For a clue to the almost uncanny handling and evasive ability of the 280S, scrunch down and look beneath the rear bumper—at the axle. It's not the rigid "beam" axle of most domestic cars. It is articulated.

This Mercedes-Benz low-pivot swing axle permits each rear wheel to move up and down independently of the other, just as the front wheels do. The result is leech-like roadability.

If you know what you're looking for, you can also spot heavy-duty thrust arms, individual coil springs and shocks, and a horizontal hydro-pneumatic load-leveling device.

All in all, suspension ideas more common on 180-mph Grand Prix racing cars than 5-passenger sedans.

Engineering extravagance?

A passenger car doesn't need a suspension fit for a racer, argue some critics. True, reply Mercedes-Benz engineers. For everyday city driving, this is sheer engineering extravagance.

But some day you might have to get off the pavement, onto a stretch of potholed back road. You might have to enter a sharp curve or a turn-off faster than you intended. You might have to change course quickly while cruising at 65 mph on a busy turnpike. And, suddenly, you realize that this engineering extravagance is no extravagance at all.

Sharp reflexes

Occasionally, it is also necessary for a 3,400-pound automobile hurtling along at high speed to stop abruptly.

Of all cars in the "luxury class" field, the 280S is rated the safest, most roadworthy. Read why.

Once more, Mercedes-Benz engineers draw on their experience with World Champion racing machinery. They employ the more expensive, but clearly superior, type of brakes used almost universally on today's professional racing circuits.

Disc brakes. The engineers don't stint, either—by putting disc brakes only at the front wheels, and settling for conventional drum brakes on the rear. They insist on attaching a massive caliper-type disc brake to every wheel of every Mercedes-Benz.

Someday, doubtless, 4-wheel disc brakes will be offered on a domestic "luxury" car.

Accurate steering is vital for maximum control, too. In an emergency, you don't have time for a sweeping twirl of the wheel. The car must respond instantly.

The 280S does. Credit the ingenious Mercedes-Benz recirculating-ball-type steering system. It eliminates sloppy play in the wheel—and blesses you with the "feel" of the road. Suddenly, you are a more confident driver.

Taut, sensitive steering is retained even with Mercedes-Benz power steering—characterized by Car and

Driver as "unquestionably the most precise unit of its kind ever developed."

If trouble comes

The responsiveness which makes the 280S such a joy to drive is its best defense against blundering motorists. However, if the worst happens, the car is designed to shield you. Naturally, it meets all the U.S. safety regulations. But Mercedes-Benz safety goes beyond the letter of these laws.

The entire passenger compartment is built as a sturdy "safety zone." Doors are designed to stay shut on impact. The front and rear of the car are engineered to crumple in a crash at a controlled rate, absorbing shock and reducing the threat of serious injury.

"A fellow hit me when I was stopped at a toll booth," reports one Mercedes-Benz owner. "People in his car were hospitalized. But I just opened my door and stepped out."

Showroom experiments

The 280S is as habitable as it is roadworthy and safe.

Slip behind the wheel, and flex your back. This is no marshmallow seat. It supports you, hour after hour. It should: it was designed with help

from orthopedic physicians. The springs inside are tuned to the car's suspension motions, cancelling out thousands of tiring vibrations every mile.

Check the rear shelf. Carpeted. Feel the underside of the dashboard. There's no spaghetti tangle of wires. It's fully finished off. Finger the wood trim—real walnut, not plastic.

Many cars are designed to win admiration for their owners. Mercedes-Benz cars are designed to win admiration from their owners. Quite a distinction.

No shortcuts

Your 280S is built with uncompromising care, to make it a lasting investment.

Every 280S begins life in a shower of sparks. It is not bolted into being, like a conventional car, but solidified by thousands of welds. After 50,000 miles or so, you may start to wonder if it will ever rattle.

When welding stops, the body is gone over by hand with a soft glove. Bumps and burrs are spotted and smoothed away. Vital seams are packed with solder and buffed to oblivion.

The body is then dunked in a 52-ton primer tank, baked, spray-

painted, hand-sanded, sprayed again, then hand-sprayed. Total primer and paint rust protection: over 44 pounds.

As a final flourish in its armament against road salt, rust and rot, the 280S gets a 24-pound slathering of plasticized undercoating.

The overhead-cam, six-cylinder engine equals the coachwork for longevity. Bearings are delicately machined to within 4/10,000ths of an inch, and pistons and connecting rods are painstakingly matched and balanced. Yet this power plant is about as fragile as a bull. It's built to cruise flat-out indefinitely—and, on Germany's wide-open autobahns, it often does.

An unconventional car? Definitely so. Mercedes-Benz does not make conventional cars—and never will.

24-page brochure

If you'd like more facts on this remarkable motor car—\$6,900\* complete with automatic shift, power steering and electric windows (\$6,133\* without frills)—mail the coupon for a color brochure.

Of course, the quickest way to appreciate the car's virtues is simply to arrange for a test drive.

**Devil Netters Get Two Wins**

The Blue Devil tennis team completed a busy week last Thursday by winning their second match in two days after a loss to Royal Oak Dondero last Monday. After the Devils came back to upset Ann Arbor on Wednesday, 4-3, and then defeat Fordson in a BCL match, also 4-3.

The only victories against Royal Oak were provided by the number one singles player, Terry Crockatt, who won his match 6-2, 6-1, and the doubles team of Gene Turnbull and John Eckenrode, who won 7-5, 6-2. Because of Grosse Pointe's inability thus far in the season to win consistently in the third and fourth singles positions, Coach Donald Zysk said he was "going to shift some players around and see if we can't win more matches in those spots."

The result was playing junior Curt Leibbrand in the fourth singles spot against Ann Arbor and shifting John Miller to the second doubles team with Gary Hughes. Although Leibbrand lost 3-6, 3-6, Hughes and Miller provided the deciding match over the Pioneers by taking a close 9-7, 2-6, 7-5 victory. Also winning for the Devils against Ann Arbor were Terry Crockatt (6-4, 6-2), John Williams (5-7, 6-3, 6-3), and doubles Scott Feringa and John Howard (6-2, 6-3).

Against Fordson the following night, Crockatt was the player most largely responsible for allowing Grosse Pointe to edge the Tractors, 4-3. All the matches had ended and both teams locked on as Crockatt won his match in three sets (4-6, 6-2, 6-4) to give the Devils the win. Other Devils winners were Williams, Eckenrode and Turnbull, and Tom VanLockeren, who won the fourth singles match.

Last night the team played a tough Monroe squad and on Thursday the Devils will go to Wyandotte for another BCL match. The League Meet is scheduled for Saturday at Highland Park at 10 a.m. The next home match will be on Monday against the Parkers.

**GROSSE POINTE CITY Minor League**

The Phillies, managed by Tom Guthat, defeated the Tigers, managed by John O'Hare, by a score of 2 to 0 at the Neighborhood Club Field, Monday, April 28. This game was the opening game for the 1969 Grosse Pointe City Little League Minor League schedule.

John Cantwell pitched the entire game with Web Hudson handling the catching chores for the Phillies and John Tulloch and Tom Bick shared the pitching duties for the Tigers with Dave Kaufman catching.

Jeb Shoemaker got a single and Paul Crane a double for the Tigers. John Cantwell struck out 15 Tiger batters.

The two Phillies' runs were scored in the second inning when John Dunaway hit a single with the bases loaded scoring Alan Bradbury and Dave Hein.

A homerun by Bruce Erickson with F. K. Day and Tom Coles aboard in the bottom of the sixth gave the Pirates a come-from-behind 4-3 win over the Senators on April 30. Glenn Burton, the winning pitcher, gave up runs to Clark Standish, Hemovich and Timmy Forrester in the first two innings and then held the Senators scoreless. Pete Coles scored for the Pirates in the second. Bob Hemovich was the starting pitcher and was relieved in the fourth inning by Clark Standish. Fine jobs of catching were turned in by the Senators' Stewart Brown and by the Pirates' Bruce Erickson and Gordon Waggett.

**GROSSE POINTE CITY Major League**

In the second game of the opening day doubleheader on April 26, the Cubs downed the Braves 6 to 1 behind the strong pitching of Joe Cornille. Neil Blondell and Tom Fetters shared the Cub catching assignment while Bob Holmes paced the batting attack with two hits as Don Chouinard, Dave Frear and Gil Kernan gathered other Cub hits. For the Braves, Dave Hinks' pitching and Spence Gaarder's catching formed the battery. The Braves got hitting support from Gaarder and George Maghielse.

The Cubs spotted the Cards three runs and then came from behind on April 29 to take a close well-played 4 to 3 victory. Don Chouinard pitched out of bases-loaded situations in the last two innings to save the win. Frank Huxley and Paul Bauhof got key hits for the Cubs with Bob Holmes and Joe Cornille assisting in the batting department. For the Cards, Jim Linciau pitched a strong game and Chad Morris did the catching. Mark Emery led the Cards' batting attack.

The Cubs ran their win streak to three games with a 6 to 2 win over the Dodgers on April 30. Bob Holmes pitched the Cubs to the win in spite of some lousy Dodger hitting. The Cubs' batting attack was led by Holmes and Don Chouinard with two hits each. Neil Blondell handled the catching assignment for the Cubs. Don Crane and Steve Coates shared the pitching duties for the Dodgers. Chris Montague, Wyn Fisher and Crane led the Dodger slugs.

**Martin J. Lafave On Assault Ship**

Data Processing Technician First Class Martin J. Lafave, USN, son of Mr. and Mrs. Albert J. Lafave of 365 Moross road, is serving aboard the amphibious assault ship USS Okinawa, off the coast of Vietnam.

The Okinawa serves as a helo-transport base of a helicopter Marine Landing Force whose mission is to seek and destroy enemy infiltrators and strongholds in South Vietnam. It is also equipped with a medical facility capable of handling more than 300 wounded.

Now midway through its present combat deployment, the Okinawa has participated in several combat operations—the most recent one being largest amphibious assault in the Vietnam War.

The ship is scheduled to return to its homeport in San Diego, Calif. early this summer.

**POLICE-URGE CAUTION**  
As warm weather approaches, police are urging Pointe residents to take extra precautions in securing their homes against intruders. Police suggest that garage doors be closed when leaving your home. Pointing out that a thief dislikes noise and light, they also suggest that if you are going to be away from home, turn on a radio, perhaps with a timer, and leave lights on in your home.

**GPUS Defeats South Hi Twice**

The week of April 28 was a fortuitous one for the Grosse Pointe University School as its varsity baseball and tennis teams each defeated Grosse Pointe South High School.

The baseball game, played at G.P.U.S. on April 30, was a tension-filled 3-2 encounter. In the first inning, Marty Wiecek opened the scoring for the Knights when he trotted home on Ralph Kulek's booming double to left field. South tied the game in its half of the first, (it was South's home game, despite the locale) on a walk, an infield out, and an error.

In the sixth, the Knights went ahead by a run as a result of four consecutive walks. They added what proved to be the winner in the seventh when Mike Getz of 1119 Buckingham, and Jim Bolton of 1511 Oxford road, singled, Dale McCarthy reached first on an error, and Gary Francis of 1824 Hawthorne walked, forcing in the run.

The final half inning saw South come back to within one run, and the tying and winning runs were in scoring position when pitcher Getz bore down to strike out the last two batters.

The tennis match, played on April 29, resulted in a 5-2 G.P.U.S. victory. Competing without number one singles player Topher Ware, the team had to win two three-set matches to insure the victory. Craig Dickson of 400 Lincoln road and Bill Dance of 470 Washington

two important BCL contests. On Thursday they go to Wyandotte to face the Bears, and on Monday play at home against Highland Park.

**Devil Nine Wins One, Drops Two**

Left-hander Bill Bailey proved once again to be the stopper for Grosse Pointe's baseball team as he fired a three-hitter last Thursday and beat Fordson, 4-1, after the Blue Devils had lost to Royal Oak and GPUS in two previous games last week.

Larry Griffin led the Devils' attack against the Tractors by belting a sixth-inning two-run triple, and later scoring on an error, to provide the winning margin. Until that point Bailey had protected a 1-0 lead on the strength of a first inning triple by Ken Rem and an RBI single by Danny Menzo. The importance of Griffin's blast was emphasized by the fact that Fordson tallied an unearned run in the top of the seventh.

Grosse Pointe dropped an 8-2 decision to Royal Oak in another BCL contest last Monday. Ten errors proved to be the downfall of the Devils while Grosse Pointe used four pitchers in an unsuccessful attempt to halt the powerful Acorns.

On Wednesday the Devils lost to GPUS, 3-2, in a game that was up for grabs for seven innings. GPUS, though, finally took advantage of the situation and scored a run on four walks in the sixth to break a 1-1 tie, and again in the seventh on two singles and an error. The Devils got a run back in the bottom of the seventh on Tom Reghanti's RBI single, but couldn't push another one across as the Devil's last two batters struck out with men in scoring position.

This week the team plays

### What Goes On at Your Library

By Virginia Leonard

Do you have any children? Are they young? Are they of the teen-age variety? Or do you have some of each? If so, you may want to reserve the evening of May 8 to come and listen to Dr. Haim G. Ginott, who, under the sponsorship of the Grosse Pointe Citizens for Education, will be speaking at the Parcels Middle School at 8 o'clock. The title of his lecture is certainly provocative: "How to Drive Your Children Sane."

We can't believe you haven't heard of Dr. Ginott. He's a graduate of Columbia University with a B.S. in education and a Doctorate, Ed.D. in clinical psychology. He is adjunct associate professor at New York University, Graduate Department of Psychology, and clinical professor at Adelphi University, postdoctoral program in psychotherapy. He has lectured and led seminars in child psychotherapy and parent guidance in the United States, Europe and Israel.

If none of this rings a bell up to this point, I think if we mention his BETWEEN PARENT AND CHILD (1965), you may recall this man. This book was on the best-seller list for some time, and has been translated into many languages. Here Dr. Ginott explored the real meanings of children's conversations, which the parent must learn to answer; problems such as discipline, jealousy, anxiety in children, and sex education. In his epilogue, the author summed it up: "The new solutions offered in this book, can lighten the task of parenthood only when applied selectively and appropriately. Children vary in their responses to demands. Some children are complainers; they easily change in routines and relationships. Others, more conservative, accept change only under protest and after prodding. Still others are more reactionary; they actively resist any 'new deal' in their lives. A wise application of the new approach will not ignore the basic grain of the child's temperament and personality."

Dr. Ginott has just written a new book for parents of teenagers, entitled BETWEEN PARENT AND TEENAGER, providing specific advice and demonstrating essential skills for handling the endless series of events and crises that enter into the relationship between the adolescent and his parents. Using somewhat the same techniques as were in the first book, Dr. Ginott here suggests solutions for many problems which

### What's New on THE HILL

By Sibyl

One Of The Nicest Ways . . . to spend a spring afternoon is to stroll on-the-hill. The charming displays in the stores make window shopping an experience not just a habit. In the attractive block that runs from Hall Place to McMillan, you can find anything from fresh strawberries to cherry blossoms within an atmosphere of personal and friendly service. Don't be surprised if you suddenly find walking on-the-hill a happy custom.

A Springtime Special . . . Elizabeth Arden's Blue Grass kit at Trail Apothecary, 121 Kercheval. Beautifully packaged, it contains both cologne and fluffy milk bath . . . a five dollar bargain at this time of year only.

Drop In . . . at Denier, 77 Kercheval, and see one of the most unusual antique chairs around . . . a barber's chair handsomely made from glowing wood of the yew and oak trees. It dates back to circa 1800 and was really used for barbering.

Fashion Interview . . . Margaret Rice says, "We have big plans for our choice of knitwear for Fall '69. Most important is the fact that knits have found their place as a fashion must. This was accomplished by the soft styling and a very definite feminine look. The fashion colors for Fall '69 will be winter white, bright tomato reds, earthy browns and a brand new color combination of aubergine and wine which will blend beautifully with contrast colors. Tweeds, stripes and skinny rib designs . . . and many in mix-matching patterns. For our way of life . . . they are divine."

A Perfect Companion . . . to the delicacies of springtime asparagus and strawberries is Harth's May Wine . . . to be enjoyed in the gentle breezes of this month. It can be found at Hamlin's, 89 Kercheval. TUxedo 5-8400.

Imported From England . . . exquisite china animals can be found at the League Shop, 98 Kercheval. The figurines are done with such detail and so distinctively by Basil Mathews that you must see them to believe them. A gift of one from the collection of dogs would be the perfect present this Sunday for a mother who loves dogs.

A Fashionable Date . . . next Tuesday, May 13th . . . when gourmet specialties join with high style clothes. Touch of Elegance has planned a fashion show to be shown during luncheon at the Bronze Door, 123 Kercheval. Do plan to lunch there with your friends . . . but remember to call 886-1932 for reservations.

May At The Mermaid . . . features attractive clear plastic umbrellas, each bedecked with an assortment of gay artificial flowers. A thoughtful but-luxurious gift for Mother on Mother's Day . . . and the cost is only eight dollars.

Lay Your Cards On The Table . . . on a terrific round card table, that is, from the Card Rack, 93 Kercheval. The table, along with its four matching chairs, is perfect for summer living whether it be by the pool or on the porch. The set is made from wrought iron, painted white, and is, of course, rust-proof.

Gifts Are Bustin' Out All Over . . . At Virginia Williams, 79 Kercheval. Whether you're looking for just the right present for a bride, a graduate or a mother, you are sure to find something unique and attractive from her newly arrived gifts.

Mister Sheridan-Books . . . 81 Kercheval, invites you to an exhibit of local artist Michael Derbyshire's watercolors. His land and seascapes are done in the mood of Andrew Wyeth and a pleasure to behold. For more information . . . call 881-1671 or 881-2916.

### Public Schools in Focus

By Dr. Theos I. Anderson, Superintendent of Schools.

It seems to me that at some point in time the public must begin to gain an appreciation of the magnitude of public education in the State of Michigan, if for no other reason than to try to understand why it receives such a share of publicity in the press and on the radio and television. Therefore, I have selected some facts and figures which were provided by the Michigan Department of Education covering the 1967-68 year, the last year for which such detailed statistics are available, to illustrate.

During the last school year, for example, enrollment in Michigan's public elementary and secondary schools reached 2,079,675, and the population of the state's non public schools was estimated at 333,000.

The teaching staff in Michigan's public elementary and secondary schools numbered 85,586 while the non public schools employed about 11,500 teachers.

Last year in Michigan we had 729 local school districts with 4,685 public schools and about 960 non public schools. (During 1966-67 approval was obtained from the Michigan Department of Education for the construction of 4,480 new classrooms, in 688 building projects.)

Throughout Michigan in 1966-67 public elementary and secondary education costs totaled \$1,502,422,071. The federal government's share of this was 4.7 per cent, and the local district's 55.8 per cent.

As you might imagine, the major share of all expenditures was for operating purposes, with \$1,177,067,573 of the total going for day-to-day operation of public schools. Of this amount, the federal government provided 5.4 per cent, the state 44.7 per cent, and 49.8 per cent from local sources.

It might interest you to learn that approximately 70 per cent of all operational expenditures went for teachers' salaries and approximately 85 per cent for salaries and wages of all personnel.

Vocational education is a growing field, with 456 programs in secondary schools and 23 in community colleges throughout Michigan which affected 265,480 students.

Expanding adult education programs in Michigan enrolled a total of 317,087 people in 1966-67, the last year for which full information is available. Of this number, 15,260 were enrolled in basic education, (grade 1 through), and 82,054 were in high school completion courses.

arise at this period in life such as rebellion and authority, conflict and crisis. He offers helpful hints on how to maintain communication (and what parent doesn't know how important this is?).

New approaches to praise, criticism and the expression of anger are also explored. Teenagers are urged to express their feelings about their parents. Social life, sex education, driving, drinking and drugs are also considered. Once again let me quote the epilogue from Dr. Ginott's new book, "Life is so daily. Parenthood is an endless series of small events, periodic conflicts, and sudden crises which call for a response. The response is not without consequences; it affects personality for better or for worse. Our teenager's character is shaped by experience with people and situations. Character traits cannot be taught directly; no one can teach loyalty by lectures, courage by correspondence, or manhood by mail. Character education requires presence that demonstrates and contact that communicates. A teenager learns what he lives, and becomes what he experiences. To him, our mood is the message, the style is the substance, the process is the product."

Dr. Ginott finally concludes by saying that parents need more than love and insight — they need skill. The author feels that the means of attaining and using this skill is the main theme of his new book.

One of my sons has left the teenage bracket; the other is very near the end; thus these years of communicating with them as adolescents are still very close. In reading Dr. Ginott's book, I was pleased to find that I had used many of his suggestions, but had probably failed miserably in many directions. It is indeed a challenging thing to raise a teenager — would that the author had written the book a bit sooner so that I might have profited from his experiences, insights and opinions!

So—if raising children is one of your obligations and pleasures, we would suggest that you go and hear Dr. Ginott speak at Parcels on May 8. If this is impossible, how about reading one or both of his books? You will find both titles in your Grosse Pointe Public Libraries; and shall we make any bets as to whether BETWEEN PARENT AND TEENAGER also becomes a best seller?

There were 2,824 high school diplomas issued in 1967 for these students. The remainder of those enrolled in adult classes were attending for no academic credit.

Special education programs served a total of 108,225 students last year, including 295 at the Michigan School for the Blind in Lansing, 420 at the Michigan School for the Deaf in Flint, 2,364 in state-operated hospitals, training schools, and other such institutions for school aged children, and 105,146 youngsters in local or intermediate school district programs.

And, as you know, the elementary and public schools are not the whole picture. Higher education is a vital part of the state's educational system. Last year there were a total of 317,867 students enrolled in all 93 Michigan colleges and universities. Of this number, 79,708 were students in the state's two-year colleges and 187,708 were in the 11 four-year public institutions. An additional 50,461 students were enrolled in the 54 non public colleges and universities in the state.

Although much of the cost of higher education is supplied by the tuition of students, the State of Michigan, provided \$303.1 million for higher education last year. Indeed, education in Michigan is a tremendous enterprise.

### CHARGED WITH LOITERING

A 16-year-old youth was charged with loitering on Friday, May 2, when City police attempted to disperse a group of 20 teenagers from the front of Schettler's Drugs, 337 Fisher. The youth was the only one who refused to leave after two warnings by police. He was taken to the station and charged.

## From Another Pointe of View

By Pepper Whitelaw

There was a time when art lovers would attend art shows, walk away feeling a bit cheated, yet unable to do anything about it, except feel disappointed. Well, Dr. and Mrs. Volland J. von Berg, of North Rosedale court, decided it was high time individuals did something about that feeling.

After attending a disappointing art show purportedly representing the works of Michigan artists, most of which was Op Art, they decided they did not fairly represent the talents in our state. None of the conservative type of art that the Vonbergs have always loved was represented.

So taking their cue from the Founder's Society Previews, they decided to present an art exhibit of their very own, with an artist that was more typical of the art they and their friends enjoyed.

They decided on Howard Nordlund, a self-taught, native Michigan artist, who according to Mrs. von Berg, "puts his soul into his work, painting not just a scene but a feeling of that scene."

The von Bergs contacted Mr. Nordlund, who said he would be delighted to display his work for them. Then the von Bergs began setting the wheels in motion.

They contacted a number of their Pointe friends and enlisted their help in addressing some 1500 invitations. Willing helpers included Mrs. Michael C. Burke, of Cloverly road, Mrs. Robert J. Jay, of Lincoln road, Mrs. Roger Rinke, of Woodland Shores drive, Mrs. James K. Kennan, Jr., of Moran road, Mrs. Roland Rinke, of Barclay road, Mrs. William Urbancic, of Putnam place, and Mrs. Keith Shreve, of Westchester avenue.

Still more were Mrs. James E. Fisher, of Anita avenue, Mrs. Frank Piku, of Woodland Shores drive, Mrs. Paul Rizzo, of Warner road, Mrs. William Harrity, of Devonshire road, Mrs. Robert Reising, of Lakeland court, Mrs. Ralph Woodbury, of Blairmoor court, Mrs. Robert Borchak, of Renaud road and Mrs. Carroll Treder, of Saddle lane.

All the invitations have been sent. Everything's ready to go, and Impressions by Nordlund will be presented by Dr. and Mrs. von Berg on Wednesday, May 14, and Thursday, May 15, between 6 and 9 o'clock, in the Grosse Pointe Yacht Club. The viewing will be preceded by a champagne reception.

## Miss Steyer Bride Of Frederick Noble

Couple Leaves for an Undisclosed Vacation Following Candlelight Service in Grosse Pointe Woods Presbyterian Church

Grosse Pointe Woods Presbyterian Church was the setting for the Saturday, May 3, candlelight marriage of Lynne Dell Steyer and Frederick Alan Noble. Parents of the couple are Mr. and Mrs. George F. Steyer Jr., of Westchester road, and Mr. and Mrs. Grey M. Noble, of Roslyn road.

The Reverend Paul A. Winchester officiated at the 6:30 o'clock ceremony which was followed by a reception at the Pompeian Room of the Whittier Hotel.

The bride chose an Empire gown of ivory organza over taffeta, with a wedding ring collar, a bodice of beaded Alencon lace and a detachable train. Her illusion veil was secured by a cluster of beaded Alencon lace. She carried a small nosegay of Lily-of-the-Valley and white sweetheart roses.

Kathleen Warner was the bride's honor attendant. Bridesmaids were Maureen Ryan, of Fremont; Sandra Bayer, of St. Louis, Mo., and Cheryl Noble, the bridegroom's sister.

Bridesmaids wore apple green dresses with linen skirts and chiffon bodices and sleeves. The maid of honor wore a dark

er shade of green. They carried May baskets with yellow spring flowers.

Best man was Robert L. Cavallieri. Ushers were William Brown Jr., James M. Shirilla, Roger Steyer, the bride's brother; Glenn Wendela, J. Russell MacMullen, of Green Bay, Wis., and Kenneth M. Czubay.

For her daughter's wedding, the bride's mother selected a chiffon and silk coat and dress ensemble of multi shades of blue and yellow floral print, and pale blue accessories. She wore blue flowers in her hair.

The bridegroom's mother chose a light pink silk shantung Empire dress and jacket ensemble, and matching pink accessories. She wore a corsage of pink and white sweetheart roses.

After an undisclosed wedding trip the newlyweds will make their home in Ann Arbor.

## David K. Fuger To Claim Bride

Mr. and Mrs. Douglas S. Moore, of New York City, have announced the engagement of their daughter, Victoria Stuart, to David King Fuger, son of Mr. and Mrs. Pierce G. Fuger, of Merriweather road.

They will be married Saturday, August 9, at St. Thomas More's Church, in New York City.

Miss Moore is a graduate of the Dana Hall School, Wellesley, Mass.; Bradford Junior College, Bradford, Mass., and the University of Michigan, where her sorority was Collegiate Sororitas. She is a research technician at New York Hospital, Cornell University. Miss Moore's father is vice-president of marketing and public affairs for the General Electric Company.

Mr. Fuger is a graduate of the Gow School, South Wales, N.Y., and is presently a student at the University of Detroit. He served three years in the Army. His father is manager of national accounts for the Wyandotte Chemical Corporation.

## Club To Install New Officers

The Grosse Pointe Yacht Club will be the setting for the installation luncheon of the Welcome Wagon Club of Grosse Pointe and Harper Woods, next Thursday, May 15, at 12 o'clock.

Mrs. John Heamon, president, will turn her gavel over to incoming-president, Mrs. Richard Smith of Trombley road. Other officers include first vice-president Mrs. George Cameron, second vice-president, Mrs. Thomas Malloy, secretary, Mrs. H. J. Morales, and treasurer Mrs. Jerome Shulec.

THOMAS J. MERTZ, son of MR. AND MRS. RICHARD C. MERTZ, of Hampton road, was awarded his letter in swimming at the University of Michigan at a recent ceremony there.

## Gross-Peebles Vows Spoken

In a candlelight ceremony on Friday, May 2, in the Grosse Pointe Unitarian Church, Jane Ellen Peebles, daughter of Mr. and Mrs. Russell H. Peebles, of Bedford road, became the bride of Ronald Howard Gross, son of Mr. and Mrs. Robert M. Gross, of Tewksbury, Mass.

The Reverend Dr. Harry C. Meserve officiated at the 8 o'clock ceremony, which was followed by a reception in the church gallery.

Susan Shafer, of Findlay, O., served as maid-of-honor. Bridesmaids included Mrs. Roger Piehl, of Ann Arbor and Sharon Hoy, of Dearborn.

Charles Goodrich, of Huntington, Va., served as best man. Ushers were Thomas Peebles, brother of the bride, and Mark Schalte of Dearborn Heights.

The newlyweds, both recent graduates of the University of Michigan, plan a vacation in the Great Smoky Mountains. Upon their return they will make their home in Ann Arbor.

CANDY VANDENBERGHE, daughter of MR. AND MRS. JULIAN VANDENBERGHE, of Notre Dame avenue and a junior at Albion College, was among the five students recently initiated in Alpha Omicron, Home Economics Honorary Society.

## Park Garden Club To Elect

The Grosse Pointe Park Garden Club will hold its annual meeting and elect new officers on Wednesday, May 14, at the Detroit Boat Club.

Annual reports are due also. The luncheon will be at noon, hosted by Mrs. Frederick E. Gould.

An interesting extra to be added to the meeting and luncheon will be a field trip through the Belle Isle Conservatory.

DWIGHT HAVENS, of Robert John road, president of the Greater Detroit Chamber of Commerce, was recently appointed as co-chairman of the Labor and Business Board of Michigan Week 1969.

# SCRIPTS

Dear Pat;

I passed that dear, little church on Madison Ave., just as a Dresden like bride and groom were being flower-petted aboard a horse-drawn coach following the nuptials. She smiled demurely. He beamed broadly. I cried loudly. I'm a triple A slob about these things. (Yesterday I shed a tear at the bowling alley opening.) I immediately envisioned the pre-wedding festivities — the guests deciding on the absolutely different something for the young couple. I do hope there was a T.O.E. handy for selections. We do have some nifty gifts for the "Oh Promise Me" set. Must dash — Laundramat on Second Ave. debuting tonight. Mascara already running.

## Fink-Clute Vows Exchanged May 3

Trip to Pompano Beach, Fla., Followed Morning Nuptials in Our Lady Star of the Sea Church

A sitdown luncheon at the Georgian Inn with music furnished by Mike Quatro and Quartet followed the Saturday, May 3 wedding of Lynda Anna Fink and Charles M. Clute. Parents of the couple are Mr. and Mrs. Vernon R. Fink, of East Aurora, N.Y., formerly of Pemberton road, and Mr. and Mrs. Minton M. Clute, of Whitcomb road.

The Reverend Finnigan officiated at the 10:30 o'clock nuptials in Our Lady Star of the Sea Church.

Following a two-week vacation in Pompano Beach, Fla., the newlyweds will be at home in Harper Woods.

The bride chose a gown of silk organza accented with lace appliques, and a built-in train.

Her three-tier short silk illusion veil fell from a lace and pearl headpiece. Her cascade bouquet was made up of white sweetheart roses, carnations and pale blue daisies.

Matron of honor was Mrs. Keith Bertrand, of Detroit. Bridesmaids were Connie Stevenson, Linda Heikkiaien, of Birmingham, Mrs. Robert Spreckell, Jr., of Lapeer, and Marcia Stokely, Mary Ellen Fink, the bride's sister, was flowergirl.

The attendants wore pale blue

chiffon A-line gowns with Empire waists, and pale blue picture brimmed hats trimmed with daisies. They carried white carnations and blue daisies.

Richard Clute served as his brother's best man. Ushers were Michael Fink, the bride's brother, of Jeffersonville, Ind., Arthur Socia, Arthur Hansen Jr., and Robert K. Spreckell.

For her daughters wedding the bride's mother chose a pale green A-line dress with a jeweled hemline, and accessories to match. The bridegroom's mother wore a pale green dress accented with lace, and matching accessories. Both mothers wore orchid corsages.

ALICE L. SESSIONS, daughter of the CECIL R. SESSIONS, of Hampton road, was named to the Freshman Dean's List at Oberlin College, Oberlin, O. recently.

## Library Friends Dinner Tuesday

Donald Hall will be the featured speaker at the Friends of the Grosse Pointe Public Library annual dinner meeting to be held on Tuesday, May 13, at 7:30 o'clock, in the Fries Auditorium of the Grosse Pointe War Memorial.

Mr. Hall, who is Associate Professor of English at the University of Michigan, is well known as a poet, critic, short story writer, and playwright. He is also much in demand as a public speaker.

His books of poetry are: "Exiles and Marriages," "The Dark House," and the latest "A Roof of Tiger Lilies." His prose works include "Andrew the Lion Tamer," "String Too Short to be Saved," and a biography of Henry Moore. His "An Evening's Frost," a play about Robert Frost, opened in New York in October, 1965. In addition he has made numerous contributions to magazines, periodicals and literary journals.

Born in Connecticut, Mr. Hall received his B.A. degree from Harvard University and B. Litt. from Oxford University. From 1953-1962 he was poetry editor of the "Paris Review." He resides in Ann Arbor with his wife and children.

In addition a special exhibit will be displayed in the lobby of the auditorium. It will include all the materials from the handwritten manuscript to the finished book, "Lyonel Feininger, Caricature in Fantasy" by Ernest Scheyer. The materials have been loaned to the Library by Mr. Richard Kinney, art director and production manager of the Wayne State University Press. This display will then be available for the general public to view at Central Branch of the Library from May 13 until May 31.

Presiding at the dinner will be William Y. Gard, president, who will be retiring after two years as head of the organization. The speaker will be introduced by Dr. Hamilton Stillwell, a member of the Friends Board. The invocation will be given by the Rev. John McLoughlin, pastor of St. Clare of Montefalco Roman Catholic Church.

NAVYMAN EDWARD M. SMITH, son of MR. and MRS. EDWARD A. SMITH JR. of 177 Beaupre avenue, was graduated recently from the 14-week basic Hospital Corps School, San Diego, Calif.

## Mrs. Charles M. Clute

Our Lady Star of the Sea Church was the setting for the Saturday, May 3, marriage of LYNDA ANN FINK and Mr. Clute. Parents of the couple are the Verron R. Finks, of East Aurora, N.Y., and the Minton M. Clutes, of Whitcomb road.

## Meeting Slated At Thrift Shop

Volunteers and board members of The Thrift Shop will hold their annual meeting on Monday, May 12, at 12:30 o'clock, in the Neighborhood Club Lounge. Board members of the Neighborhood Club are also invited to attend.

Mrs. Frederick Pritchard and Mrs. Alfred Reuther, Jr. are in charge of arrangements.

Planning to attend the meeting are Mrs. Theodore Foster, president of the Thrift Shop Board and Mrs. Murray Sales, president of the Neighborhood Club Board.

New Thrift Shop board members include Mrs. Robert Boomer and Mrs. Albert Dickinson, Jr.

BARBARA BROMAN, a freshman at Augustana College, Rock Island, Ill., has been pledged to Chi Omega Gamma, a social sorority. Barbara is the daughter of the ROY BROMANS, of Lemon avenue.

## Liggett School Fetes Founders

Each year on the first Friday in May, the Liggett School celebrates Founders' Day, one of the oldest and fondest traditions of its 91-year history. It marks the birthdays of Miss Ella and Miss Jeannette Liggett. The occasion is shared equally by students and alumnae combining the ceremonial crowning of the May Queen and the annual luncheon meeting of Liggett alumnae.

At this year's ceremony flower girls Amy Bodman and Lee Ford scattered rose petals in preparation for Queen Eugenia Huler's entrance. Donald Eaton and Peter Jacobell cared for her train while Sandra Noble bore the crown. Heralds Marlene Hontz and Chris Shmyr proclaimed the entertainment. Queen Eugenia's attendants were Carol Marr, Nancy Sherman, Karen Smith, Eileen Rosin and Ann Osborn.

Following the coronation, alumnae gathered at the Country Club of Detroit for luncheon and business. Duly elected officers of the alumnae association are Mrs. Jack W. Wheeler as president, Mrs. Frank S. Seichter, vice president; Mrs. Roger

S. Tuttle, secretary; Mrs. Frederick F. Fordon, treasurer. New Board members are Mrs. Paul F. Jerome, Mrs. Robert J. Marantic, Mrs. R. Cabell Morris, Mrs. Gordon B. Riggs, Mrs. Sigurd R. Wendin.

MICHAEL J. MURRAY, son of MR. and MRS. JACK MURRAY, of Balfour road, will receive his BA degree from Michigan State University, Sunday, May 8. Michael is graduating magna cum laude. He will join the Public Relations division of Ford Motor Company upon his graduation.

## THE MYSTERIOUS MEANING OF "OPEN STOCK"

Let's have a wide-open definition of Open Stock.

An immeasurable amount of disappointment and dissatisfaction has stemmed from the fact that those who sell and those who buy put totally different meanings on this term.

To customers, "open-stock" almost always means that they can fill in, replace, and add to this pattern whenever they wish, and for as long as they wish.

To stores, "open-stock" usually means no more than that they sell this pattern by the piece rather than by the set.

Certainly these two ideas are far apart, and this has caused a lot of ill will.

Maxine Hill, of Grosse Pointe Shores, has for 20 years been associated with "Fine Arts," creators of the finest in fine table appointments.

They make beautiful silver, fine china, crystal and linen. They guarantee "PERMANENT" stock. You can fill in, replace and add to your pattern whenever you wish for as long as you wish. Isn't that a comforting feeling?

Mrs. Hill will personally help you coordinate your patterns and custom assemble your place settings. You can relax and enjoy your fine things knowing that should you have an accident, the piece can be replaced (and at half-price also) in the written Guarantee. So if you're thinking of new table appointments why take chances? Call TU 4-0073 for more information.

## Mary G. Petz Wed To Dennis Aubert

Bride Wears Mother's Wedding Gown For Evening Nuptials in Our Lady Star of the Sea Church

Wearing her mother's ivory wedding gown of imported Italian lace and Venetian satin, a matching ivory veil, and carrying a bouquet of gardenias, stephanotis and ivy, Mary G. Petz became the bride of Dennis M. Aubert Friday, May 2 in Our Lady Star of the Sea Church.

Parents of the couple are Mr. and Mrs. James L. Petz, of Ballantyne court, and Mr. and Mrs. Joseph Aubert, of Holland, Mich. The bride is also the granddaughter of Mr. and Mrs. Ervin Morley, founders of the Morley Candy Company.

The Reverend Father Ralph V. Barton officiated at the 6:30 ceremony which was followed by a reception at the Revere Hall.

Maid of honor was Donna J. Petz, sister of the bride. Bridesmaids were Susan L. Petz, Janice Petz, Julie J. Petz, all sisters of the bride, and JoAnn Aubert, the bridegroom's sister.

The attendants wore orchid chiffon Empire gowns, trimmed with orchid lace at the neck and waist. They wore picture brimmed hats and carried white daisies in baskets which were trimmed in lavender.

Lawrence Aubert served his brother as best man. Ushers were Donald Ireland, Lawrence Busch, both of Roseville, James L. Petz, the bride's brother,

and James Aubert, the bridegroom's brother.

The bride's mother selected a lime green dress, a matching pill box hat, and matching accessories. The bridegroom's mother wore an aqua coat and dress ensemble with matching accessories. Both mothers wore corsages of cymbidium orchids.

The newlyweds are now vacationing in Florida.

MRS. DENNIS M. AUBERT

## Bride-Elect

Mr. and Mrs. James A. Belanger, of Audubon road, announce the engagement of their daughter, MARGIE ANN, to Gregory Jon Hall, son of Mrs. Clem Hall and the late Mr. Hall, of Brys drive.

The bride-elect and her fiancé both graduated from Grosse Pointe High School.

A late June wedding is planned.

Three Pointers are among the Concert Prelude Committee members who will be attending a reception, and dinner prelude, followed by a free concert by the Military Airlift Command Band in Ford Auditorium, May 13. They include co-chairman, MRS. VICTOR WERTZ, of Moross road, MRS. JACK A. TOMPKINS, of Tonnacour place, and MRS. OSCAR OLSON, of Renaud road. The event highlights the 20th Annual Armed Forces Week in Detroit, May 12 through 18.

**Here's To More Qualified Women in Public Office**  
For those of us who have always thought that there should be more qualified women in public offices, it was delightful to hear from Nancy LaTouf, president of the Inter-Group Council For Women As Public Policy Makers, last week.

Nancy told us that the aims and purposes of the organization, which is made up of delegates, both men and women, from clubs around the Metropolitan Detroit area, is to educate men and women to the need of having qualified women in public offices. To place women in policy-making positions in government and in public agencies and to emphasize high standards for both men and women in government positions with real regard to their ability, training, experience, and attitudes. ("Musts" in order to give good public service).

The organization is planning an open luncheon meeting on Saturday, May 10, at The Hotel St. Regis, Provençal Room, West Grand boulevard at Cass, at 12 o'clock. Tickets are \$5. Those attending will hear Irene Kampden, noted author and journalist, speak on "Due To Lack of Interest Tomorrow Has Been Cancelled." Reservations may be made by sending your check, payable to the Inter-Group Council, to Dr. Florence Williamson, 3511 W. Jefferson, Detroit, Mich., 48218, or by calling 259-2570 or TASHMOO 6-100.

Pointers planning to attend are Mrs. Robert Kales, of Cloverly road, Mrs. Aaron E. Wilcox, of Loraine avenue, and past-president of Inter-Group Council, Mrs. Zaio Woodford Schroder, of Bishop road.

#### FAINT PERFUME

The daisy is a favorite flower  
Of gentle maids in love—  
For it can tell at any hour  
What swains are thinking of.  
Its first frail petal says "He loves"—  
Its second "He loves not"  
Its third "He cares all else above"  
Its fourth "He has forgot."  
If at its poor disheveled end  
"He loves me not" forsooth,  
The flower is a fair false friend  
Who cannot tell the truth.

## St. Paul Ev. Women Busy

The Women of the Church of St. Paul Ev. Lutheran Church, Chalfont and Lothrop, will present a Family Night program tomorrow evening, May 9, at 6:30. Featured on the program will be Irene Burns and her bird act "The World's Funniest Feathered Hams."

Mrs. Arlene Nagel, 1748 Severn is chairman assisted by members of the Mary Circle. A light dessert will be served.

Members of the church and their friends are invited to enroll in a golf league which will play each Friday evening at Oakridge Golf Course, Route 94 and 26 Mile road, from May 9 to August 22. The tee-off time will be 5:30.

Members of the committee are Lawson Potter, chairman; Steve Kapilla, Harold R. Matz, Ellen Dern and Ruth Ritscher. Elmer Herschelmann and Rob-

ert Gibson have been chosen to represent the congregation at the annual meeting of the Michigan District at Western Michigan University, Kalamazoo, May 11 to 14. Vicar Thomas Anderson and Pastor Charles Sandrock will also attend.

## Pharmacy Topics

Sun worshippers who are on medication must take care. Side reactions include severe, painful sunburn, or an itchy eczema. Photosensitivity may be created by some diuretics, a n t i b a c t e r i a l s , antibiotics, tranquilizers, coal tar derivatives, antiseptics, sun-screening or hypoglycemic agents, and antihistamines. Check with your doctor or your pharmacist.

Otologists (ear specialists) have discovered actual deafness resulting from the rock 'n' roll sounds issuing from electrical amplifiers! Ordinary conversation is about 60 decibels; a jet plane a hundred feet away is 140; rock 'n' roll is about 125.

Whereas normal heart beat is between 70-85 per minute, researchers have learned that driving during rush hour in a metropolitan city can increase it to 140.

Since 1900, average life expectancy has increased almost as much as during the entire previous 2,000 years. Better diet, improved medical care, and newly discovered drugs have contributed.

Children can be immunized against measles. As a result, this disease has come down in the past two years to 1/10th its former incidence. Nevertheless, seven million unvaccinated infants and children remain susceptible.

## Church Ladies Meet Monday

The biennial evening meeting of the Episcopal Churchwomen of St. Michael's Church, will be

held at 8 o'clock Monday, May 12. It will begin with choral Evensong by the adult choir, under the direction of Philip LaRowe.

Following the service in the church, members will adjourn to the parish house, where following a brief business meeting, Mrs. James F. Davis will turn over her gavel to Mrs. Edward Knoll, who will be president of the organization for the next two years.

The program speaker for the evening will be Jane Towater, program coordinator for the Metropolitan Detroit Y.W.C.A.

Miss Towater is a graduate of Lambuth College, and has done advanced work at both the University of North Carolina and Memphis State University. She has received training also at Michigan State University, Eastern Michigan, United States Military Academy, the Office of Economic Opportunity, and at national and regional conferences, courses and seminars. Her current job experience was preceded by service with the U.S. Department of Labor, the Girl Scouts of the U.S.A., the Department of Parks and Recreation, and as a secondary school teacher and a college teacher. Her talk for the evening will be based primarily on her familiarity with the problems of an urban society.

Following the program, refreshments will be served by the members of St. Agnes Guild, Mrs. Gene Fry, chairman. Also at this meeting, members will be assigned to new guilds for the following year.

ers, and she carried a bouquet of stephanotis and ivy.

Mrs. Kim Cook Anderson was matron of honor. Maid of honor was Michele Wood Fisher. Mrs. Steven Curtis Pruette was bridesmaid. They wore gowns of yellow organza with a jewel neckline and a chiffon train, and a crown of ivy on their heads.

Gary W. Haberkorn was best man. Ushers were Jere Jay Hodges and Jeff C. Jones.

The bride's mother wore a beige and white dress and coat ensemble. The mother of the bridegroom wore a turquoise costume suit. Both mothers had orchids pinned to their purses. Both of the newlyweds were

GERMAN STEIN FINDS A WAY TO DEARBORN FOR ROTARY'S ANTIQUE SHOW-SALE.

Melanie Lewis studies the inscription on a signed Mettlach 6-liter stein from the 1890's, shown by Carriage House Antiques of Rochester, N.Y., in the Dearborn Rotary Antique Show-Sale, May 9 through 11 at Dearborn Youth Center, Michigan at Greenfield.

The show, Dearborn Rotary's sixth annual, will present fifty leading antique dealers from seven states. There will be door prizes and the public is invited to come in, browse and buy. Food service is available on the premises, and two of the area's outstanding artists, Nancy Ulvang and Chuck Kohl, will be on hand to do portraits and caricatures in pastel.

Proceeds of the annual Antique Show-Sale help make possible Dearborn Rotary's support of many worthwhile educational and youth-oriented projects.

Tickets are available from Dearborn Rotarians or at the door. Antique show hours are from 1:00 to 10:00 on Friday, Saturday and Sunday, May 9-11, at the Dearborn Youth Center.

## Boat Club Plans Busy Weekend

Mother's Day will be stretched out over the weekend at the Detroit Boat Club.

On Saturday, May 10, the club's Women's Committee will stage a "Boutique 'n Blossom" luncheon and fashion show for mothers and daughters of all ages. Sunday, marking the official celebration, the club will be jammed again, with families dining out to give mother a reprieve from the kitchen.

Mrs. William H. Miller, chairman of Saturday's fete, has done some talent scouting throughout the club roster and has come up with a member of the Women's Committee, Mrs. Roger K. Bailey, as pianist for the style show.

Boat Clubbers, adult-sized and mini-sized, will do the modeling for Kay Baum's array of summertime fashions. They include Mrs. Earl G. Meyer, Sue Henkelman, Leslie Dawber, Mary Ann Miller, Mrs. William J. Champion, Sue Champion, Mrs. Andrew R. Basile, Holly Gorman, Lynn Engstrom, Mary Doetsch, Mrs. Don W. Miller and Trudy Miller.

The only import for the day will be Marji Kunz, fashion columnist for the Detroit Free Press, who has promised to be on hand with her breezy comments.

Red and pink geraniums have been ordered to light up the luncheon tables and wrought-iron flower carts in the ball-

room. Thrift-minded gardeners may buy them by the flat after the party, Mrs. Miller promises.

A mountain of prizes — for the oldest mother, the mother with the youngest daughter and the like — will be dispensed by the committee, which includes Mrs. Champion, Mrs. David Courtney, Mrs. Harold Davis, Mrs. Eugene Dawber, Mrs.

George Derr, Mrs. Walter Drollet, Mrs. Arthur Engstrom, Mrs. James Gibbs, Mrs. Henry Gildner, Jr., Mrs. Donald Henkelman, Mrs. Robert Hodge, Mrs. Robert Kennedy and Mrs. Steven Whittlesey.

Carrying out one of Mrs. J. Ross Bush's innovations, there will be a Friendship Table for guests who plan to attend the party alone. After all, as one mother pointed out, some families have only SONS.

AN ORDINANCE TO AMEND SECTION 18(A) OF ORDINANCE No. 239 entitled "AN ORDINANCE TO LICENSE AND REGULATE THE OPERATION AND MAINTENANCE OF AUTOMOBILE PARKING LOTS, AND THE CONDITIONS UNDER WHICH THE SAME MAY BE CONDUCTED IN THE CITY OF GROSSE POINTE WOODS, MICHIGAN", as amended, adopted on August 17, 1964

THE CITY OF GROSSE POINTE WOODS ORDAINS:

Section 1. That Ordinance No. 239 entitled "AN ORDINANCE TO LICENSE AND REGULATE THE OPERATION AND MAINTENANCE OF AUTOMOBILE PARKING LOTS, AND THE CONDITIONS UNDER WHICH THE SAME MAY BE CONDUCTED IN THE CITY OF GROSSE POINTE WOODS, MICHIGAN" be amended as follows:

Section 18(A), ATTENDANT. When in the opinion of the Director of Public Safety of the City of Grosse Pointe Woods, Michigan a hazard to the welfare and safety of any person or persons, or to the property of any person or persons exists in or adjacent to any Parking Lot licensed under this Ordinance, or proposed to be licensed under this Ordinance, the Director of Public Safety shall certify such fact and reasons for such opinion to the City Council of the City of Grosse Pointe Woods, Michigan. The City Council, acting upon such written certification of the Director of Public Safety, and after due notice to the Licensee or proposed Licensee of the nature of the complaint, shall hold a Public Hearing at which time the Licensee shall be given the opportunity to be heard. After a finding by the City Council that in fact such hazard exists, the Council may as a condition for granting or continuing an existing License, or any renewal thereof, require the Licensee to provide sufficient attendants and/or uniformed private security guards licensed under Act 330 of the Public Acts of 1968 at such Parking Lot during the hours of operation of such Parking Lot, or any portion thereof. Further, to insure compliance with such condition, the Licensee may be required to post a Performance Bond in the amount of One Thousand Dollars (\$1,000.00) in favor of the City of Grosse Pointe Woods, Michigan for the period for which such License is granted or continued.

Section 2. EFFECTIVE DATE. This Ordinance shall take effect twenty (20) days after the date of its enactment.

## Pointe Counter Points

by Pat Rousseau

While You're Enjoying Spring . . . the Walton-Pierce buyers are in New York previewing Fall. The advance designer showings promise a beautiful season with feminine fashions. The hemline is short. Sleeves for evening. Delicious peach is a favored color, used solid, brocaded and in tweeds. Brown is "the" dark and there is a rich deep green running through the collections from morning 'til night. It is fabulous in velvet and velvet is everywhere. Pant costumes for day and evening are at their zenith. They are very well done. Patch prints are for sporting and partying . . . cozy country style or in opulent tissue metallics. Ever aware of wear-now-fashions . . . the buyers have Bor-Aired summer cocktail and evening . . . prom and party . . . travel and at-home fashions to Grosse Pointe. They are arriving daily. Don't miss the fashion fun!

Having A Hairpiece . . . has become a natural, even essential, part of a woman's life. In only moments, a simple hair style can be miraculously changed into a glamorous and flattering style, perfect for those very special occasions . . . and just by adding a hairpiece. Leon, 17888 Mack Avenue, has one that's sure to be designed for you and for your pocketbook. And if you're lucky enough to own a hairpiece, let Leon arrange it in one of the season's latest styles . . . TUXedo 4-9393.

A Red Letter Day . . . Tuesday, May 13 . . . at Michelle's Boutique at Leon, 17888 Mack. On that day . . . and that day only . . . elegant scarves which normally cost \$3 and \$4 will be on sale for only \$2. They come in all colors and designs . . . a marvelous chance to freshen up your scarf drawer or put some aside for gift giving.

A Country Kitchen . . . has been designed and furnished by Mutschler Kitchens, 20227 Mack avenue . . . for the Designer's Show House. Its decor has been arranged and sponsored by the Planned Parenthood League. Mutschler, along with other decorators, assumed the task of redoing a room in a vacant mansion at 325 Lake Shore drive . . . and, of course, did the kitchen with their usual skill and flair. Drop in and see a truly country-style kitchen from now through May 17, except for Sunday, May 11 . . . doors open at 11 a.m. and close at 4 p.m.

A Jewel For A Jewel . . . of a Mother. Stop in at the Sphere 19849 Mack avenue, and choose a gift to give Mother on her day, May 11. You'll find a complete . . . and beautiful . . . selection of jewelry . . . whether it be earrings, a necklace or a pin.

Raindrops May Fall . . . when you're handsomely protected in a raincoat from Martha's Closet, 373 Fisher Road. Select one from a collection that includes solids . . . natural, light pink or a blue trimmed in white . . . and prints of course, a blue and white floral print, for instance, or a black and white one.

If You . . . hate permanent waves but your hair needs body, try the new Bodi Endure at Edward Nepi Parrucchiere, 19463 Mack Avenue. Excellent for both fine or extra curly hair and safe for tinted. It takes just a half-hour longer than a normal shampoo and set to apply. The cost is only \$15 and it lasts for six to seven weeks. Call 884-8858 for an appointment.

Bring Spring In . . . with fresh and lively ideas in custom draperies, slipcovers and accessories . . . whether your taste be traditional or contemporary . . . it's Shorewood Interiors, 22804 Mack Avenue . . . 779-2882.

You're Sure To Find . . . just the right remembrance for Mother on Mother's Day at Notre Dame Pharmacy. Select her favorite cologne or other toiletry from a complete line of Chanel, Caron, Coty and Arpege. And don't forget the fabulous Celebrity Line of gifts which includes terrific cases for travel.

The Proper Attire . . . for the proper gentleman . . . you'll find it at Valente's, 17904 Mack Avenue. Here you can rent formal wear which includes, in addition to a suit, a tie, cummerbund, multi-pleated shirt, studs and cuff links and suspenders. Whether it be for a wedding, a prom or a very special evening, call TUXedo 6-5330 for the correct outfit.

A Traditional Dutch Folk Festival . . . will be held June 28 through July 5th at Kutztown, Penn. And Mr. Q Travel knows all about it. Stop by at 19587 Mack Avenue or call TUXedo 6-0500 and let Mr. Q tell you about the hay wagon fun that includes square dancing and demonstrations of tole painting, hex sign making and flax spinning and the famous Pennsylvania Dutch food.

The Kaleidoscope . . . has that very special gift for that very special Mother. Stop in and pick one that will please her and surprise her . . . 16135 Mack at Bedford.

Grosse Pointe Studio . . . is now safely settled in its new quarters at 119 Kercheval, located just above Trail Apothecary. To celebrate, the Studio will have an exhibition of the paintings by Betty Prudden which will open Saturday, May 10 and run through May 29th.

Choice China . . . on sale at Wrights Gifts and Lamps, 18650 Mack. Odd pieces of William Adams English Ironstone . . . reduced 30 per cent. Also several 50-piece sets of Johnson Brothers dinnerware, reduced for clearance . . . TUXedo 5-8839.

Stop In . . . at Merle Norman Cosmetic Salon and select a gift for Mother's Day from a special collection of gift items which includes all sorts of luxurious bath products and heavenly perfumes and colognes. Rose Martin, director of the salon will soon be off to the Bahamas, where she will attend a Merle Norman convention and learn the latest in make-up techniques and style. Call 881-7570 for a beauty consultation.

Make Mom A Queen For The Day . . . dine Sunday at Wesfield's, 15506 Mack at Somerset.

Dial TUXedo 1-1111 . . . and what will you get? Just the cleanest green cab from the fleet of Royale Car-

## Pointers of Interest

MRS. JAMES E. ST. DENIS AND MRS. RICHARD J. LANGS OF HOLLYWOOD AVENUE.

By Janet Muelber  
They live right across the street from one another. Each admits to being a dominant personality. They've been working closely together for many months as co-chairmen of the 1969 Women's Auxiliary to Cottage Hospital Kitchen Tour, scheduled for next Thursday, May 15.

Not only are they still "talking"—they're still laughing and gossiping and just generally enjoying each other's company. And that says pretty much all that needs to be said about the personalities of Beverly Langs and Jo Anne St. Denis.

Now for a few facts: We'll start with Beverly, for no better reason than that "L" comes before "S" in the alphabet . . . Beverly and Richard (he is "Richard," never Dick), Langs, an attorney, have two children, Douglas, nine, and Priscilla, seven, both students at Ferry School.

They met at the University of Michigan. Beverly's from New Jersey. Richard's a Native Son. They've been a Pointe Couple six years; before that, they lived in Lakeshore Village.

**Always A Teacher**  
Beverly's a teacher, sometimes full-time, sometimes part-time. Sometimes on a year's "baby sabbatical," but always a teacher.  
She was full-time this school year from September through December, teaching eight sections of Math per day—that's handling over 300 children per day!—at Guyton Elementary School in Detroit (which, incidentally, happens to be Jo Anne's "old elementary school").  
Now she's part-time, allowing herself a Breathing Space to concentrate on community commitments including (it's Top-of-her-List), the Kitchen Tour. She's cut her Guyton Days to one—two if she can manage it—per week, taking Auditorium rather than Math classes.  
She's never been a "sitter." She's served on the Board of the Ferry Parent-Teacher Association for two years and is its current secretary.  
She's served two years on the Board of the Assistance League to the Northeastern Wayne County Child Guidance Clinic, too, and two years on the Board of the Grosse Pointe Lawyers' Wives.

**Some Other Activities**  
She's worked for the Junior Women's Association for the Detroit Symphony Orchestra. She's a Cub Scout Head Refreshment Mother (if this sounds like a "nothing" job, consider: How would YOU like to be responsible for regularly providing enough cookies to satisfy a passel of growing boys?).  
She and Richard started the Young Marrieds Group at Grosse Pointe Memorial Church. A particular highlight of her Volunteer Career is a two years' ago chairmanship of the Grosse Pointe Memorial Church Service Guild, working with "wonderful" Edith (Mrs. Douglas D.) Smith.  
Tennis and paddle tennis are her game. She and Richard captured the Class C championship in last fall's Tennis and Crumpets Tournament—no thanks, according to Beverly, to her.  
"It was Richard," she says,

**Path Connects Homes**  
There's a pebble path leading from the Langs' property to their back neighbor's. Beverly, told it would destroy the "line" of her landscaping, still insisted on that path. "One thing I NEVER want," she explains, "is fences!"  
Jo Anne St. Denis, born and raised here (her parents live in Ida Lane, off Cook Road), discovered Jim, a West Sider, through his resemblance to his father.  
"I met Jim's father when he and I were both working for the same company," she smiles. "Later, I ran into Jim at a Detroit News Hikers' Club meeting, he looked so much like his father, I asked if they were related."  
Like the Langs, the St. Denises—she's a star electrician—have two children, both Ferry School students, 10-year-old Michelle and eight-year-old Michael.

**Pointers Four Years**  
They moved into The Pointe, to Hollywood Avenue, four years ago, from Harper Woods.  
Jo Anne's currently first vice-president of the Assistance League to the Northeastern Wayne County Child Guidance Clinic, a member of Christ Child Society, a Room Mother for Michelle's class and Camp-crafter for her Girl Scout Troop.  
She's been president of the Harper Woods Co-Operative Nursery and a St. Peter's Altar Society Board member.  
She thrives on a crowded schedule. Consider the present month: The first week in May, she worked on an Assistance League fashion show; the Kitchen Tour will keep her on the go next week; the week after that, she'll head for Holland with the Scouts; and the week after THAT there's a Scout camping excursion!

**VERY POSITIVELY**, "who won."  
**Has Other Sports**  
The Tennis and Crumpets Class C Champions' ice bucket isn't the only athletic award in the Langs' home. Douglas' shelfful of trophies includes some for basketball (he plays at the Neighborhood Club), baseball (he's in Little League), and swimming (his "home pool" is the Grosse Pointe Yacht Club's). He's a Champion Fisherman as well: His prize catch, largest fish brought in at the Old Club one day last summer, hangs mounted on the wall next to his trophy shelf.  
Priscilla's given to more artistic pursuits, such as piano. She's an excellent little musician.

If you want to REALLY pay Beverly a compliment, tell her how much you like her yard. That yard's her baby: Beverly designed it, supervised the trucking in of volcanic rock; the placement of a tiny pond; the arrangement of 15 magnificent azaleas, rhododendrons . . .

Many neighbors made contributions, one donating forty-sylla, another a specialty iris, another lilies.  
**Wanted To Be Singer**  
Jo Anne originally planned a career as a singer. She studied Music at the Detroit Conservatory before switching to Central Michigan University (it was "College," then), where she majored in Business Administration.  
She still enjoys singing, although she considers herself a bit rusty (Michelle doesn't though—"You're a good singer!" she exclaims when Jo Anne tends to downgrade her present musical ability), and would like to take it up semi-seriously again, perhaps join the Grosse Pointe Chorus.  
She loves to cook (neighbor Richard Langs can be counted on to drop in for Jo Anne's Caesar Salad any time!). She's fond of all kinds of sports, especially Family Bicycling (the Langses are Family Bicyclers, too; often, on holidays, the two families will bike out to the Woods Waterfront Park together, minus one husband deterring to follow in the car with picnic provisions).

**Like To Decorate**  
She and Jim enjoy do-it-yourself home decorating projects. They've remodeled their dining room. "Our first piece of wallpaper was a mural," Jo Anne reminisces, with a smile—and a shudder.  
They've done their front hall and they're looking speculatively at their kitchen. Obviously, Jo Anne's Kitchen Tour assignment has given her ideas . . .

**Perhaps the most surprising discovery** Beverly Langs and Jo Anne St. Denis made as co-chairmen of the 1969 Hospital Auxiliary to Cottage Hospital Kitchen Tour is that a lot of people in Grosse Pointe don't know there IS an annual Kitchen Tour.  
They set out immediately to spread the word.  
They authored a "Dear Neighbor" letter, detailing a brief history and description of the Kitchen Tours, giving this year's date, Thursday, May 15, the time, 1 to 5 o'clock in the afternoon, the donation, \$2, the name and telephone number of the ticket chairman, Mrs. William McConnell, 881-3584.

**Kitchens on Tour**  
They listed the kitchens to be opened: Those of Dr. and Mrs. Philip Feringa, in Westchester Road; Mr. and Mrs. A. H. Schrachman, in Kenwood Court; Mr. and Mrs. Forbes Howard,

in Mary Street; Mr. and Mrs. George Mantho, in Three Mile Drive; Mr. and Mrs. D. W. Goodenough, in Lothrop Road; and Mr. and Mrs. Walter Loehr, in Greenbriar Lane.  
They noted that all Kitchen Tour participants are invited to drop by at the Cottage Nurses' Residence in Ridge Road for punch and cookies at the beginning, middle or end of the Tour.  
They explained that Tour proceeds will be used by the Auxiliary to purchase hospital equipment.

They sent the letter to everyone they could think of, culling names from membership lists of organizations to which they (Christ Child Society, the Northeastern Wayne Child Guidance Clinic Assistance League, the Grosse Pointe Lawyers' Wives, e.g.), and their friends belong.  
They emphasized that tickets WILL BE AVAILABLE at each home on the Tour the DAY OF THE TOUR, with the donation remaining the same, \$2, whether tickets are purchased in advance or on the Tour Day.

**Planned Innovations**  
They decided on a few innovations to make this year's Kitchen Tour easier than ever for the Tour-ers.  
"We were tired of those 'long tickets,'" Beverly and Jo Anne explain. "We thought they were awkward, hard to handle . . ."

So the ticket has been redesigned, incorporated into a six-by-three-inch combined ticket-program booklet, with a tear-off tab for each house at the end of each page.  
Hostesses in every home will wear special Kitchen Tour Aprons, designating them as Tour "resource people," and each hostess will have a complete run-down of "her" kitchen.

All of which took much planning, many behind-the-scenes hours. And we haven't even mentioned the time involved in lining up the kitchens, sending out the patron letters, getting a committee together . . .

How DARE Jo Anne and Beverly still look so fresh!  
"I feel," says Jo Anne, "that a good chairman doesn't have to do everything herself. If there's any 'secret' to handling a chairmanship, it's in finding good people to work with you. You've got to learn to allocate the work."  
And it doesn't hurt if one of those "good people" is a lady with whom you've worked, successfully, before, someone you genuinely like, someone you agree to share the Top Spot with you—and someone who happens to live right across the street.

**Note: Two lines of type inadvertently dropped in last week's From Another Pointe of View column resulted in incorrect identification of some of the Kitchen Tour Committee. Serving with general co-chairman Mrs. St. Denis and Mrs. Langs are tea chairmen Mrs. Robert A. Post and Mrs. Beatrice Block; flag chairman Mrs. Edward A. Smith, Jr.; and patroness chairman Mrs. Ralph E. Quinones.**

The Detroit-Grosse Pointe Alumnae Chapter of Alpha Phi will hold its Annual Installation of Officers at the Tuesday, May 13 meeting to be held at the home of Mrs. R. T. Heglin, of Bedford Road.

## Good Taste

Favorite Recipes of People in The Know

**SHRIMP CHEESE SPREAD**  
Contributed by Mrs. Arthur C. Wendler  
From the Unitarian Church Cookbook  
Two 3-ounce pkgs. cream cheese  
1 can (5-ounce) small shrimp (or fresh)  
1 tsp. salt  
2 Tbsp. cocktail onions, chopped  
1 Tbsp. juice from cocktail onions  
Cream until fluffy the two packages of cream cheese. Blend in at low speed on mixer the rest of the ingredients. Pour into serving bowl and chill one hour to blend flavors. Makes about 1½ cups. Serve with cocktail crackers.

They noted that all Kitchen Tour participants are invited to drop by at the Cottage Nurses' Residence in Ridge Road for punch and cookies at the beginning, middle or end of the Tour.

They explained that Tour proceeds will be used by the Auxiliary to purchase hospital equipment.

They sent the letter to everyone they could think of, culling names from membership lists of organizations to which they (Christ Child Society, the Northeastern Wayne Child Guidance Clinic Assistance League, the Grosse Pointe Lawyers' Wives, e.g.), and their friends belong.

They emphasized that tickets WILL BE AVAILABLE at each home on the Tour the DAY OF THE TOUR, with the donation remaining the same, \$2, whether tickets are purchased in advance or on the Tour Day.

They decided on a few innovations to make this year's Kitchen Tour easier than ever for the Tour-ers.

So the ticket has been redesigned, incorporated into a six-by-three-inch combined ticket-program booklet, with a tear-off tab for each house at the end of each page.

Hostesses in every home will wear special Kitchen Tour Aprons, designating them as Tour "resource people," and each hostess will have a complete run-down of "her" kitchen.

All of which took much planning, many behind-the-scenes hours. And we haven't even mentioned the time involved in lining up the kitchens, sending out the patron letters, getting a committee together . . .

How DARE Jo Anne and Beverly still look so fresh!  
"I feel," says Jo Anne, "that a good chairman doesn't have to do everything herself. If there's any 'secret' to handling a chairmanship, it's in finding good people to work with you. You've got to learn to allocate the work."  
And it doesn't hurt if one of those "good people" is a lady with whom you've worked, successfully, before, someone you genuinely like, someone you agree to share the Top Spot with you—and someone who happens to live right across the street.

**Note: Two lines of type inadvertently dropped in last week's From Another Pointe of View column resulted in incorrect identification of some of the Kitchen Tour Committee. Serving with general co-chairman Mrs. St. Denis and Mrs. Langs are tea chairmen Mrs. Robert A. Post and Mrs. Beatrice Block; flag chairman Mrs. Edward A. Smith, Jr.; and patroness chairman Mrs. Ralph E. Quinones.**

## who, where and whatnot

by wloozit

Parents Without Partners (PWP) . . . you've undoubtedly heard of it. But did you know that Grosse Pointe has a chapter that meets at the War Memorial the second and fourth Friday evenings of the month? Did you know that it has 152 members? . . .

PWP has branches all over the United States and Canada . . . all chapters have the same goals . . . to help the single parent cope with the many problems that must be faced in a single-parent home . . .

But . . . the approaches to these problems are handled in a social atmosphere much like a "family." Bowling nights . . . picnics . . . week-end camping . . . holiday parties PLUS monthly educational programs with professional speakers and panels discussing such topics as "Parent-Child Relations in a One-Parent Home," "How to Live As a Single Parent," "Understanding Your Child" . . .

Discussion groups, often professionally-led, at which members share their own experiences are also held . . . and small, evening coffee clatches in members' homes . . .

The Grosse Pointe Chapter recently formed a Teen Group that promises to be fun and educational for Teens of Single Parents. The group has big plans for the future . . . dances . . . outings . . . discussion groups.

PWP they may be, but without friends they are not . . . for through membership in The Pointe Chapter members have found scores of friends with similar interests to share their leisure hours . . .

How do you become a member? To begin with, you are eligible for membership if you are a parent and single due to death, divorce, separation or unmarried status and are of good character. Custody or the age of children is not a factor in eligibility . . .

Attend a meeting as a guest . . . guests are always welcome. All you do is pay the \$1 guest fee . . . look around . . . get acquainted. Then if you decide to join pay \$11 yearly dues. Your membership is provisional for 60 days but you are issued a temporary membership card until that time. After that you will begin receiving the Single Parent Magazine . . . chock full of helpful articles and the chapter newsletter which announces coming local and city-wide events of interest. To get a membership form, just call Jan Van Buskirk, membership secretary at 884-7123, Barbara Burke, at 881-1255 or Marge Damman, at 881-5010 . . . they'll be happy to oblige. Or corner Jan at one of the meetings . . .

An interesting note . . . a recent tabulation at PWP headquarters in New York revealed that the total International PWP membership is just over 40,000 . . . this indicates approximately 120,000 children in PWP homes . . . and PWP is only 12 years old!

**PILFERINGS**  
Israel Levine writes biographies of famous people for teen-age readers and tries out his ideas on his own children. He asked his daughter, Carol if she thought a biography of Lenin would be a good idea. She thought it was a great idea. Levin started work on the epic. A few days later, he heard Carol on the phone telling a pal, "Isn't it great? My father's writing a book about John Lennon."—Robert Sylvester, Chicago Tribune-New York News Syndicate.

Fred Friendly, addressing\* an audience, observed, "In my day, when we talked about love, we were talking about marriage. But today when you talk about love, you are talking about making out." As Friendly finished, Walter Lippmann, who was 'making out' mean? Friendly related the incident later to his teen-age daughter, who asked, "Daddy, who is Walter Lippmann?"—Leslie Carpenter, Publishers-Hall Syndicate.
