## Saddle Lane Has Special Celebration

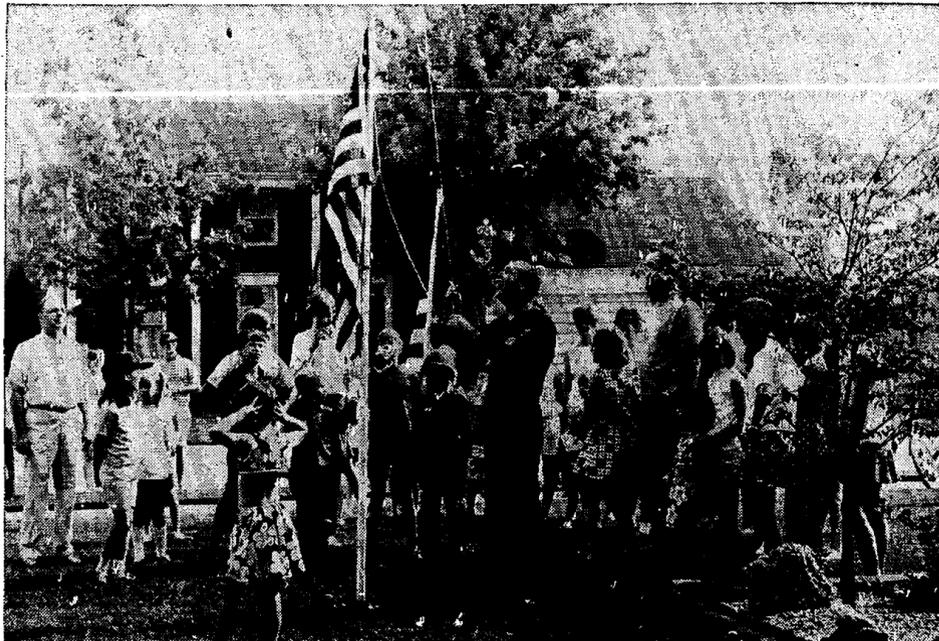

Photo by Mark Prozaki

A flag raising ceremony marks the start of the Third Annual Saddle Lane Fourth of July Parade in Grosse Pointe Woods. Hoisting the flag is ex-Navy man WILLIAM E. STEELE. The parade included approximately 100 Saddle Lane youngsters on festooned bicycles, motorbikes and a float depicting the Spirit of '76. An outdoor breakfast was served to the neighborhood after the parade.

The purpose of the annual event is to generate in youngsters and adults alike an appreciation for the tradition of the American flag. "We view the parade as an opportunity to reaffirm our faith in the flag, and celebrate the Fourth of July in a constructive, community spirit," explained Dr. R. E. Taßer, parade marshal.

## Farms to Spray 250 Maple Trees On City Property

Program to Begin in Area Heavily Infested With Cottony Maple Scale Within Two Weeks; Destructive Bugs Already Sighted

The Farms council at its regular meeting held on Monday, July 7, authorized City Manager Andrew Bremer, Jr., to begin the battle against the Cottony Maple Scale, an insect that attacks maple trees and other species, including the elm.

Bremer disclosed that the spraying of approximately 250 maples, in the area of the heaviest infestation, bounded by Charlevoix and Chalfonte on Mt. Vernon, Moran and Merriweather, will begin within two weeks. It is felt, after a survey, that the disease must be controlled in this area, he said.

The city manager said the spray material will consist of Sevin and Malathion emulsion in water, and that the program will involve city trees only. However, if local citizens wish to have their maples sprayed, they should contact the Director of Public Services, TU 5-6600, at the Municipal Building. The cost of spraying private trees will be somewhat higher than for city trees, it was pointed out.

**Number May Double**  
Bremer said that a survey showed that the first crawlers have appeared on trees in the named area, and that it is imperative that spraying be done within two weeks. The minimum number of trees involved is 250, with the possibility of eventually involving almost twice that figure, he added.

The insects responsible for the blight, create an ugly, white fungus-looking disease. Although the infection is not terminal, it spreads rapidly, destroying all of the foliage.

Besides the maple and elm, the Cottony Maple Scale attacks the box elder, white ash, mulberries, sycamore, honey and black locust, apple, dogwood, linden and willow.

The bug is a periodical insect in that it builds up to heavy population, but then almost disappears again. It re-appears every two or four years, depending on the number of its natural enemies and the weather.

**Multiplies Rapidly**  
Entomologists at Michigan State University disclosed that this insect multiplies rapidly and is able to reduce the vigor of a tree within a short time. Injury shows first by yellowing of the foliage, premature leaf dropping, and the ultimate death of the individual branches, and in some cases, destruction of entire trees.

Even without death, continued weakening of the tree through interference with its food manufacturing system (the leaf), can ultimately bring an increased winter kill, susceptibility to other insects and diseases, and increased storm damage.

**GARAGE ENTERED**  
Scott Suckling, 752 Notre Dame, reported to City police on Saturday, July 5, that while he was vacationing the previous week, persons unknown had entered his garage and removed a 20" Sears purple bicycle.

**Bill Kennedy's Son Hurt By Firecracker Explosion**  
An accidental explosion in the home of CKLW-TV personality Bill Kennedy, of 301 Hillcrest, resulted in a trip to the hospital for Kennedy's son Bartley, 19, on Tuesday, July 1.

The young Kennedy told investigating Farms officers that he had, as in previous years, bought some black powder with which to make his own firecrackers for the 4th of July.

On Tuesday evening, he had decided to test his homemade product in the basement. For a fuse, he was using twine that had been soaked in paint thinner. When he struck a match to the fuse, sparks jumped from the fuse into the can of black powder, causing the explosion.

The explosion blew out the basement windows, ripped panelling off the wall and knocked two doors from their hinges. Also, the door covering the motor on the furnace was ripped off, as were pictures on the wall.

Farms police and fire departments responded. Upon arriving at the home, they saw that the house was filled with smoke. Bartley was taken from the house by the fire department and transported to Bon Secours Hospital for treatment of first and second degree burns. He was later released.

A Farms detective said that the boy was lucky and likened the situation to being in the eye of a storm where the maelstrom wreaks havoc around a comparatively quiet spot. The young Kennedy was surrounded by the force of the explosion but was not directly in line of the force.

## Solons Okay Open Hearing On New Law

Discussion of Ordinance Scheduled for August 4; To Consider Leaf Disposal Problem

The Farms council, on Monday, July 7, gave its approval to a proposed ordinance to control the burning and disposal of combustible refuse, including leaves and other vegetation, within the city limits, and scheduled a public hearing on the matter for August 4.

Under the proposed law, it is forbidden to burn vegetation, leaves, grass, weeds, brush, limbs or trees on any private or public property, or to burn waste material or debris from buildings under construction, repair or demolition. It is also forbidden to burn any trash, rubbish, papers, etc., except in an incinerator constructed in accordance with the Farms Building Code Ordinance.

Unless disposed of by private contractor, vegetation, leaves, grass, weeds, and brush, shall be placed in proper containers, (plastic bags), at the curb for pick-up by the city. Limbs and trees should also be placed at the curb for pick-up.

**Building Debris Cited**  
Waste material and debris from buildings under construction, repair or demolition, shall be disposed of by private contractors, at the expense of the property owner.

Trash, rubbish, papers and other such refuse, unless disposed of by private contractor, shall be placed in proper containers and placed at the curb for city pickup.

Section 5 of the proposed ordinance provides that any person persons, firm or corporation violating any of the provisions of this law shall, upon conviction, be sentenced to not more than 90 days in jail, and/or to pay a fine not to exceed \$500.

A letter addressed to the council, from Dr. Francis M. Wilson, M.D., of 1501 Lewiston road, asked that the provision requiring the bagging of leaves be reconsidered, and other methods of collecting the leaves be instituted for home owners having a number of trees on their properties, including the large estates.

**Could Pose Problem**  
"In many areas of the Farms, where there are a large number of trees, there is a considerable amount of leaves, as you know," the doctor stated in his letter. "In these cases, it would take a large amount of time for the individual homeowner to bag his leaves."

"The cost of having leaves taken away by private landscaping companies is considerable, and in most cases, cannot be done unless the homeowner contracts to have these same companies do all their lawn work throughout the rest of the year."

"The council will consider the problem at the August public hearing."

## City Voters Okay Edison Franchise

The City of Grosse Pointe held a special election on Tuesday, May 27, at Maitre School at which time voters were asked to renew a 30-year franchise to the Detroit Edison Company for the purpose of the erection, construction and maintenance of towers, poles, mains, wires, pipes, conduits and other apparatus requisite for the transmission, transforming and distribution of electricity for public and private use.

Some 58 voters turned out. Fifty-six approving renewal of the franchise and two opposing. There are 4,421 registered voters in the City of Grosse Pointe.

The state constitution requires that such franchises be submitted to the electorate for confirmation. The cost of the election is paid for by the Detroit Edison Company.

**SET REGISTRATION**  
The second four-week session of swimming lessons at the Farms Pier-Park will begin on Monday, July 14. Registration will be held on Saturday and Sunday, July 12 and 13, from 10 a.m. to 4 p.m.

## HEADLINES of the WEEK

As Compiled by the Grosse Pointe News

Thursday, July 3

**SECRETARY OF STATE** William P. Rogers said Wednesday that the level of combat in Vietnam has dropped noticeably and if the trend continues the United States might speed up troop withdrawals.

**SENATOR ROBERT P. GRIFFIN**, R-Mich., has withdrawn the nomination of Detroit attorney George E. Woods as United States district attorney and will name in his place James H. Brickley, chief assistant Wayne County prosecutor. Griffin said he withdrew the Woods nomination because up until shortly before, Woods represented Peter Lazaros, an alleged member of the Mafia who has since become an informant.

Friday, July 4

**TWO NEW VIETNAM** developments Thursday sharpened Washington's watch for signs of whether Hanoi has decided on a major shift in war policy—perhaps de-escalation over a long period. The developments were Hanoi's announcement it will free three U. S. prisoners of war and reports of a pullout of three North Vietnamese regiments from South Vietnam followed by Secretary of State William P. Rogers' disclosure Wednesday of a drop in enemy infiltration and battlefield actions.

Saturday, July 5

**JAPANESE DIPLOMATS REVEALED** Friday that a small Japanese freighter was hit by wreckage from a Soviet spacecraft last month while cruising near the coast of Siberia. The incident is thought to be the first authenticated case of damage caused by falling space objects. It was reported to five Western delegations on the legal subcommittee of the United Nations Committee on Outer Space.

**THE ROMANION PEOPLE** were told by a top U.S. diplomat Friday that President Nixon's forthcoming visit was an expression of good will between the two countries. In Moscow, there were rumblings from the Kremlin that indicated the Soviet Union was far from happy about Mr. Nixon's trip behind the Iron Curtain.

Sunday July 6

**AN ARMADA** of U. S. Coast Guard rescue craft scoured Lake Erie Saturday in a search for as many as 50 holiday boaters feared capsized by flash thunderstorms. The storms surprised Fourth of July crowds, leaving 14 known dead and 300 injured and caused millions of dollars in property damage across Northern Ohio.

**POLICE IN NAIROBI**, Kenya, launched a massive manhunt Saturday for the assassins of Tom Mboya, Kenya's economic affairs minister and secretary general of the ruling Kanu Party. Mboya was shot down at noon in a busy Nairobi street as he emerged from a drugstore accompanied by a bodyguard.

Monday, July 7

**THE BODIES** of FIVE members of a Wooster, O. family were found late Sunday, pushing the toll of northern Ohio's July 4 storm to 26 known dead and five missing on the Ohio mainland. The U. S. Coast Guard sharply cut back its search efforts for boats believed caught in the storms on Lake Erie, saying most of the 160 persons unaccounted for by late Sunday were believed safe.

Tuesday, July 8

**LOUIS C. MIRIANI**, 72, former Mayor of Detroit, who is facing a federal prison term for income-tax evasion, has indicated that he wants to run for mayor again. Miriani was mayor from 1957 until he was defeated by Mayor Cavanagh in 1961. He said he would be a candidate for mayor if he could get an endorsement from organized labor. Labor leaders indicated that it was highly unlikely that Miriani would get such an endorsement.

## REPORTS THEFT

Norman Wilson of 28606 Boston, Detroit, informed Woods police on Wednesday, July 2, that while his car was parked in the lot at the rear of Wrigley's in Mack avenue, someone stole the battery, valued at \$35.

## Bad Reaction to LSD Pill Sends Teeners to Police

An 18-year-old youth and his two 16-year-old girl companions were questioned by Woods police on Wednesday, July 2, after one of the girls had taken an LSD pill and was undergoing a prolonged psychotic reaction.

The youth, whose name was withheld, drove to the station at about 2 a.m., and parked his car in the lot at the rear of the Municipal Building in Mack avenue. He approached Lt. Roland Symons and Patrolman Wayne Baum and asked for help for the girl.

Symons and Baum said that they saw the girl in the vehicle in a psychotic state, and carried her into the station. The girl continued having the reactions until 4 a.m., asking and answering questions herself. When she continued in that condition, she was conveyed to

## Severe July 4 Rainstorm Floods Some Basements, But Pointe Gets Off Easily

Afternoon Downpours Drop Total of 2.01 Inches on Area; No Unusual Cases of Damage Reported in Community

When Pointers peered up at the skies on Friday, July 4, they weren't viewing fireworks, they were watching a severe rainstorm which hit the area in the early afternoon. Some 2.01 inches of rain fell between 3 and 5 o'clock and in the 25-minute period between 5 o'clock and 5:25, the intensity was 1.3 inches.

Hardest hit of the Pointes was Grosse Pointe Farms. City Manager Andrew Bremer told the NEWS that he received some 30 to 35 complaints of flooded basements. Roland road seemed to have the most water, at times ankle deep. Mr. Bremer said that the main cause of flooding was due to the tremendous amount of rainfall in a short period of time.

**20-25 Shores Calls**  
Thomas Jefferis, Village of Grosse Pointe Shores Superintendent, told the NEWS that he had received somewhere between 20 and 25 calls of flooded basements. The problem areas centered a round Lochmore, Shoreham, Lakeshore lane and North and South Edgewood. He said some of the flooding was due to local sewer conditions.

The Woods reported 12 cases of flooded basements. The City of Grosse Pointe, which in the past has had real problems with flooded basements, had a minimal amount of flooding. Only five cases were reported, one on Neff, two on Rivard, one on St. Clair and one on Grosse court. Thomas Kressbach, City Manager, attributed the lack of flooding to the improvements made by Detroit in their remote control system and the work the City of Grosse Pointe has done

## Storm Postpones Fireworks Show

Severe weather conditions on the Fourth of July caused postponement of the Kiwanis Club of Grosse Pointe's annual fireworks display at Parcels Middle School. Due to the large amounts of water on the playfield, Kiwanians were unable to reschedule the display during the holiday weekend.

Robert Hozdich, president, and Donald White, committee chairman, have announced that the display will be presented on Saturday, July 12, weather permitting. In case of inclement weather they will be rescheduled for Sunday, July 13 (if the weather is still prohibitive they will be rescheduled for Monday, July 14.)

Pointers who attend the display will see the best display ever. Fireworks from the United States, Spain, England, Japan and Germany will be shot off. There will be some \$1,200 worth of fireworks including 165 aerial display shells.

Festivities will begin at dusk. Since this is a well attended affair (as many as 28,000 have attended in the past) it is suggested that you get there early to find your favorite spot. Proceeds from the display will be used for the club's many civic activities.

**ANOTHER BATTERY TAKEN**  
Mrs. Frank Clements, 280 Fisher road, reported to Farms police on Monday, June 30, that sometime during the previous two days the battery had been stolen from a '61 Volkswagen parked in front of her house. Value was set at \$27.

(Continued from Page 1) first girl. He and the second girl reached a "high point" and leveled off or "came down", but not so their companion. The young man said that he knew Woods Det. Martin Trom-

bley, since he had attended several therapeutic sessions sponsored by the officer and knew he would help.

When questioned by Trombley, the lad admitted taking the drug with the two girls.

While the first girl was at the hospital, the second young lady admitted to Trombley, that she had taken seven other "trips", and has smoked marijuana on several occasions. She refused to state where she had obtained the drugs. Her friend had been with her some of the times, she added.

The young man told Trombley that he had no idea where the girls obtained the drugs, but that when he took the LSD, he did not experience what he felt was a "bad trip".

The father of the girl taken to the hospital was called, and when he arrived, it appeared that his daughter had "come down", but she refused to cooperate and tell where she had gotten the drugs.

Trombley told the parent what had taken place, and informed him that copies of the case will be sent to the Rochester and Pontiac authorities for further investigation.

The three teens were released to go home.

**Park Schedules Junior Olympics**

The winners will be eligible to compete in the Detroit Metropolitan Youth Fitness Program to be held July 31 on Belle Isle. Registration blanks for the Park's Junior Olympics will be available at the Windmill Pointe Park's gatehouse on June 25, 26 and 27. The deadline for registration is July 17.

Informal but supervised practice sessions for registered contestants have been scheduled for June 30 to July 22, Monday through Friday, 3 p.m. to 4 p.m. at Windmill Pointe Park.

The lieutenant, a 1964 graduate of Grosse Pointe High School, received his B.A. degree in 1968 from Albion College.

**Woods Law Passed Over Objections**

(Continued from Page 1) or otherwise, of your other rights and freedoms?

The disheartening fact is that more people were not concerned enough to voice their opposition to this blatant infringement on their civil rights.

In an apex of condescension, one councilman went so far as to say that passage of the ordinance was the council's way of helping the citizen to cope with his exercising his civil rights.

That no one had asked for such help was conveniently overlooked, as was the arrogance of the thought.

Unanswered Question: What, it might reasonably be asked, is the council afraid of? No member of the council answered the question asked by a member of the audience as to what prompted the drafting of such an ordinance.

Make no mistake about it. This ordinance is not one of enlightened community leadership; it is, instead, legislation by fear. Apparently the council is afraid to allow Woods resi-

dents exposure to ideas from outside sources, certainly a legitimate source of interest of any community concerned with the world around it.

Probably no one would deny the need of a community for legislation to legitimately regulate large crowds of people. There is a very thin line, however, between individual right and community welfare. It is unfortunate that the Woods council failed to make this distinction.

**Use of Trickery Sees Car Stolen**

At 1 p.m. in the afternoon of Tuesday, July 1, a Negro male entered the showroom of Jerry Stein Olds, 15205 E. Jefferson avenue. He stated an interest in buying a '68 automobile.

In speaking with a salesman, he said that he was an off-duty police officer from the Detroit Police Department. He also gave the salesman what he said was his badge number.

Saying that he had decided to buy a car, the man asked for the loan of a car so that he could drive to his credit union to make the financial arrangements for the sale.

Assuming that the man was a customer acting in good faith, the salesman loaned him a '69 car. The prospective customer was not seen again.

Investigation proved that the personal information he had given was completely untrue.

At 7 p.m. of the same day, the car was found abandoned by the Detroit Police Department.

### Music Festival to Offer Taste of Viennese Life

The second program of the 12th Grosse Pointe Music Festival, on Tuesday, July 15, is billed as a Viennese ball, but this doesn't begin to describe the friendly, sentimental mood that will prevail. The music for the evening has been selected from the tradition of Viennese entertainment that prevails even today in the waltz town's famous night life. The scores were brought from Vienna especially for this program.

The dances are all scored for small groups of strings, the kind of group that first won affection among Austrians in the wine gardens and grand lounges of the riverboats that plied the Danube between Linz and Vienna. Soon the style was adopted for soirees in private

homes and small parties at the palace. The music, light and danceable two-steps and waltzes, was composed by the best musicians Vienna produced—Mozart, Schubert, Haydn, Beethoven, and Lanner.

Mozart's Viennese Serenades are as artful as his string quartets and quite a bit more tuneful. Beethoven's German Dances give a new look at this musical giant, while Schubert's laendler and Scottish dances are just what you'd expect—bright, cheerful, and songlike. Lanner's Waltzes rival those of his contemporary Johann Strauss.

Then there are the witty and often sentimental Schrammel songs. They are a loving portrayal of life in Vienna describing such traditions as the cog railway up the mountain Kahlenberg overlooking the city, the wine taverns of Grinzling, a sleepy cafe where lovers meet, or the wine loving Viennese who sings "I am a quiet drunk."

These songs will be presented in authentic style as originated by Johann Schrammel for whom the style is named, with guitar, accordion, and violin accompaniment. The artists are Beatrice Staples, violin; Mariel Sucek, accordion, and Alexander Sucek, singer and guitarist.

Alex has made several visits to Vienna to research the music and learn the dialect. He also gives an insightful translation of each song and in true Viennese style he'll invite the audience to join in the chorus of a couple of these tunes that are widely known.

All that's needed to complete the atmosphere that the Viennese describe as *gemuetlichkeit* is a little wine. The mood almost defies description but it is the key to the perennially glowing Viennese personality.

To enhance the festive atmosphere, the audience is requested to dress as for a party, but black tie is not required. The dance music will be performed under the personal direction of Detroit Symphony Concertmaster Gordon Staples. He will also lead the first string group to perform.

To start the evening, the War Memorial will again serve a buffet dinner featuring a Viennese menu. Dinner is at 6:30 and the ball at 8:30 p.m. Reservations for dinner must be received by Monday noon, and tickets for the ball, if available, will be on sale at the door. For information and reservations please call the Grosse Pointe War Memorial, TUx60 1-7511.

### Owners Ordered To Tidy Up Lots

Following a public hearing held on Monday, July 7, the Farms council authorized the creation of a Special Assessment District for the cleaning up of vacant lots within the city's limits.

Vacant lot owners, whose properties are currently on the tax rolls had been notified of the hearing, according to City Manager Andrew Bremer, Jr., and City Clerk Peter Caputo. Owners also have been notified of the creation of the District, along with the request that those who have not yet done so, cut the grass and noxious weeds and clean up the debris on their properties.

For years the Farms had used city manpower and equipment to clean up vacant lots, at a stiff cost to the taxpayers in general. Now, it is felt, the burden of cleaning up and maintaining the vacant lots should be the responsibility of the owners.

The resolution creating the Special Assessment District, gives the action immediate effect. If the owners fail to remove debris or cut the grass or noxious weeds when these have reached the height of six inches, the city will step in and do it, and charge the owners \$15 an hour, for the use of city manpower and equipment, and if payment is not forthcoming, then assess the cost of the project to the owners on the tax rolls, along with penalties, as provided by ordinance and the Farms City Charter.

### Three Doctors Begin Research

Three Grosse Pointe scientists were among the 62 Michigan men, who began work on Michigan Heart Association financed research projects, Tuesday, July 1.

Dr. Jan Nyboer, of 570 Cadieux, is the director of research at the Rehabilitation Institute of Detroit, and will continue his research into the use of extremely high frequency currents in the diagnosis of certain ailments. The title of his project is: "Re-evaluation of Ballistocardiography and Electrical Impedance Plethysmography."

The other two are members of the faculty at Wayne State University School of Medicine. They are Raymond L. ### Foreign Students Visit In Pointe

Two busloads of foreign students, young men and women who have been or will be attending college in the United States, arrived in Grosse Pointe Monday afternoon, June 30, for a two-day stay.

They were traveling through America on a student tour under the auspices of the Association for World Travel Exchange. Official hosts during their stay here were the Watson I. Fords, of McKinley avenue, who for many years have been providing hospitality to visitors from other countries.

Local families opened their homes to the students whose day in this area was spent in a group visit to Greenfield Village.

Pointe host families included Dr. and Mrs. Burke Archart, of Hamilton court, Miss Rose Barton, of Moran road, the H. Sanborn Browns, of Meadow lane, the Wallace Bohns, of Lincoln road, the William Boyds, of McKinley avenue, the Sebastian Buffas, of Balfour road, the H. L. Cottrells, of Moran road, and the C. G. Curries, of Bedford road.

The Watson Fords opened their home, of course, as did the Albert Ghesquieres, of Rivard boulevard, Mrs. K. B. Kerr, of St. Clair avenue, the William Kirbys, of Handy road, Dr. and Mrs. William Krebs, of Kenwood court, the C. M. Parshalls, of Newcastle road, Colonel and Mrs. Sam Price, of Ridge road, Dr. and Mrs. J. A. Ross, of Harbor Hill, the C. W. Smiths, of Fisher road, and Colonel and Mrs. W. W. Waggett, of Lincoln road.

Stand on your own two feet—no habit grows faster than that of depending on others.

### TREE DESTROYED

James Lafer of 1415 South Renaud, notified Woods authorities on Tuesday, July 1, that an unknown person chopped down the Quansan Korean Cherry Tree on his home property. The tree, seven feet tall, was axed a foot from the ground.

Those who think they know it all have somehow missed the main part of their education.

### Pointes Receive Safety Awards

Grosse Pointe Woods was among 19 cities nationally to receive a second place Award of Excellence for its population class in the 1969 AAA Pedestrian Safety Award competition.

The award was presented to Mayor Kenneth R. McLeod in ceremonies at City Hall on Monday, June 23, by James G. Moffat, assistant general manager of the Automobile Club of Michigan.

Honored guests at the presentation were Wolfgang Hesse, Assistant Attache, German Consulate-General in Detroit, and mayors and other dignitaries from 35 German cities which won similar pedestrian safety awards.

### Judge Dismisses Second Drug Count Against Youth

A second charge of illegal possession of narcotics against Thomas J. Black, Jr., 17, of 879 Lochmoor boulevard, was dismissed without prejudice by Circuit Judge Benjamin D. Burdick on Tuesday, July 1.

The youth had already pled guilty to one charge of illegal possession of narcotics on June 19, following a hearing held before Circuit Judge George E. Bowles, who referred the matter to the Wayne County Probation Department for a presentence report.

Black's bond of \$10,000 was continued and he was released until his re-appearance in court for sentencing on July 19. He could get up to 10 years in prison, or probation.

Woods Det. Martin Trombley said that Black had been arrested on two warrants charging illegal possession and sale of narcotics. The charges were later reduced to illegal possession, with only one charge dismissed by Judge Burdick.

Black was arrested on February 27, at his garage-apartment after he sold 10 kilos of marijuana (about 23 pounds) to a police officer, posing as a buyer, for \$1,700. Street sale of this amount of the weed, depending on how it is "cut," would bring in between \$10,000

and \$20,000, according to Federal agents.

Black was under police surveillance for several months, as a seller of narcotics, before he was finally taken into custody and charged.

Officers from the Woods, Park, Detroit and surrounding communities, and agents of the Federal Bureau of Narcotics and Dangerous Drugs, took part in the surveillance and in the arrest.

The Jamboree program will focus attention on the role of Scouting at the present time and will show the world that boys from all parts of the world can share and live happily together. ### Speeder Nabbed As Drunk Driver

Julius Ferrara, Jr., of 24280 Rosebud, East Detroit, was arrested by a Shores policeman on Sunday, July 6, and charged with driving while under the influence of liquor.

Patrolman Ronald Forth said he was on routine patrol on Lake Shore road, going south, when he saw Ferrara traveling north on the road at a very high rate of speed. The officer said he turned to take up pursuit and paced the motorist at more than 75 miles an hour.

Forth said that Ferrara was straddling the white lane line and in one instance nearly struck another car, when he failed to signal a left turn.

Ferrara made the turn onto southbound Lake Shore and was forced to a halt by the policeman at Vernier road, opposite the Shores station. The patrolman requested the motorist's operator's license and car registration, and detected an odor of alcohol on Ferrara's breath.

Ferrara was arrested on the spot and helped to the station, where he was issued a violation ticket for driving while drunk. He was released on a \$125 bond for a court appearance scheduled for August 4.

### Police Advise How to Stop Pornography Sent in Mail

Pointe residents who have been plagued with unsolicited pornographic advertisements and letters, and have complained to their local police, to whom they have surrendered this offensive material, are advised that the best thing to do is to take the stuff to the postoffice for proper action.

Countless pieces of the filthy missives have been turned over to local authorities, especially by parents who complained the letters have been sent directly to their children, some not yet in their teens.

Local authorities said that some of the advertisements and letters are so absolutely filthy, that it is unbelievable that anyone in his right mind could send such trash to people, let alone to children of any age.

However, it was pointed out, the police are powerless to stop any obscene literature sent through the mails. All such materials turned over to local police, are in turn given to postal inspectors, for whatever action that can be possibly taken. In such cases, not much can be done because complaints about the offensive material should be given to postal officials by the individuals themselves.

It was further pointed out that the postal authorities are empowered to act in such matters under a Federal statute control-

ling the sending of pornography through the mails.

This is how postal authorities can act in the matter, until stronger laws are enacted.

If a person receives what in his or her opinion is objectionable or filthy letters, advertisements, or what have you, he should take the piece(s) of mail to the nearest postoffice, and surrender the stuff to the postmaster, or someone in charge. Inform the official that you do not want such trash mailed to you, or to any member of your family.

You will be given a form to fill out with your name and address, and to which you affix your signature, and to which you will fill out the name of the material and the name of the company from which it was sent. That is all you have to do.

Approximately a week later, you will receive notification from the postoffice, that the person, or firm, that had originally sent the objectionable material, has been ordered to cease sending the stuff to you, and to remove your name from its mailing list. If after 45 days, if the person or firm continues to send you letters, etc., report the matter to the postal authorities, with the evidence, and an arrest of the offenders by postal inspectors can be made, and the proper steps taken for prosecution.

For every separate piece of the trash received, a formal, signed complaint must be made, it was pointed out.

If objectors to this kind of mail tear up the offending material, or present it to local authorities to give to postal officials, the chances are that pornographic material will continue to be sent to the individuals, or to the members of their families.

### Woods Residents Rap Parking Lot

At its regular meeting on Monday evening, July 7, the Woods council received a petition and listened to a plea concerning the "perennial problem" of the parking lot behind the Mack-Seven shopping area.

Citizens from Raymond and Bournemouth roads, which border the parking area, asked that the council deny a license to the owner of the lot until he meets prescribed standards.

Represented by Thomas C. Mayer, 19282 Raymond, the residents asked the council to act on their behalf and see that the area is improved. Mayer said that the fence separating the homes from the parking lot is 25 years old and that it is rotting away.

He said that the residents want a new stockade fence installed. They also want the parking lot paved up to the fence to prevent the debris collecting in the currently unpaved area between the fence and the lot.

To prevent night parking, Mayer also asked that concrete abutments be erected in strategic areas to counteract the nocturnal visits.

One of the problems is that the owner of the lot lives in New York City. However, Councilman William Huetteman said that the council would not issue a permit until the council was satisfied that it met certain standards.

Stressing that the council would do its best to respond to the needs of the group, Mayor Kenneth MacLeod said that nothing could be done before a new permit is applied for, for the parking lot. The current permit expires next month.

### PLANTS DESTROYED

Roger Studley of 1976 Country Club drive, complained to Woods police on Sunday, June 15, that while he and his family were out of town, someone pulled out nine tomato and 12 iris plants from a garden in the rear yard of his property. He gave police the name of a possible suspect, a small boy in the neighborhood.

### Navy Pays Honor To Lt. Culotta

James Anthony Culotta, son of Mr. and Mrs. Anthony Culotta, of Beaconsfield avenue, has been notified by the Secretary of the Navy that he has been awarded the Navy Commendation Medal and a Citation for services while attached to and serving on the USS CHEVALIER in support of friendly troops in South Vietnam.

Culotta's Navy Commendation Medal was awarded for meritorious service during combat operations against the enemy. The letter from Vice Admiral of the Navy W. F. Bringle states "Lieutenant Junior Grade Culotta was personally responsible for gunnery readiness and the high degree of skill and coordination displayed by the various gunnery stations."

"Under his supervision, Chevalier provided highly effective combat support as her guns delivered 3,314 rounds of ammunition on target during 12 days logistics interdiction against North Vietnam. Both air and ground spotters consistently reported outstanding accuracy."

One major ammunition dump, seven waterborne logistics craft, 14 sampans and many bunkers and trenches were destroyed. Lt. Culotta's outstanding performance, personal diligence and unwavering devotion to duty reflected great credit upon himself and were in keeping with the highest traditions of the United States Naval Service. Lt. Culotta is authorized to wear the Combat "V."

Lt. Culotta's citation was for "outstanding performance of duty while attached to and serving on the USS Chevalier as DASH Controller from October 1 to November 1, 1967, during combat operations against the enemy. Lt. Culotta, in conjunction with a second Dash Controller amassed a total of 33.7 flight hours with Dash in an entirely unprecedented role. Through his outstanding leadership, professional ability and unwavering dedication to duty, Chevalier's mission was highly successful and grave damage was inflicted on the enemy. Lt. Culotta's skill and judgment contributed significantly and directly to the successful accomplishment of the ship's mission and to the United States effort in Vietnam."

James returned to the States a year ago and was recently notified of the honors accorded him. He is currently attending Wayne State University earning a Master's degree in Business and Finance.

He was graduated from Grosse Pointe High School and Michigan State University. He enlisted in Officers Candidate School in Newport, R.I., where he trained for four months. He requested gunnery duty and was sent to San Diego, Calif., where he was assigned to the USS Chevalier. He served two tours of duty in Vietnam, both for eight-month periods.

**Gifts of Life Insurance have a double advantage**

Advantage to the giver: gifts of life insurance reduce your potential liability for taxes.  
The advantage to the receiver: all the benefits in the life insurance policy you give.

As you probably know, gifts of life insurance can be some of the tax-free gifts you may make, in limited amounts, each and every year. Your New York Life Agent, in cooperation with your lawyer, can help you develop an insurance gift plan with these benefits to you and to the recipient:

- It reduces your potential liability for estate taxes.
- It provides increasing cash values which can be used by your donee for some worthwhile purpose.
- It gives your donee a "self-managing" property.
- It develops no special publicity.

Equally important, life insurance is an excellent gift property since it provides valuable protection benefits over and above its market or cash value.

Start planning your insurance gift program now. Remember, if this year's gift tax exclusion isn't used this year, it's lost forever!

**Meadow Brook Tours Planned**

Grosse Pointe War Memorial is providing Grosse Pointers with a delightfully pleasant and easy way to take in the concerts coming up on Meadow Brook's concert stage in July.

Charter bus transportation, delightful dinners, better reserved seats and liquid refreshments are all included in a remarkable and reasonably priced package for Grosse Pointers who wish to take in these treats.

An excellent section of seats will be roped off for the tourists in Baldwin Pavilion. The bus will pick up the crowd in the parking enclosure, avoiding the concert lot jam at the end of the concert, and express them back to Grosse Pointe.

This scene will be repeated each Friday night through July 25. Guest artists with the Symphony include Itzhak Perlman, violinist; Myung-wha-chung, cellist; and Marilyn Horne, soprano with Henry Lewis as guest conductor.

The season of four Meadow Brook concerts with reserved pavilion seats, dinners, transportation and available cocktail service is just \$35, or single evenings may be reserved for \$10. Reserve now (48-person limit).

**Pointe Jaycees Receive Award**

The Grosse Pointe Jaycees are the recipients of special recognition from the United States Jaycees. Pieter van Horne, president, announced that the Chapter had received the coveted "Blue Chip" award which recognizes the internal development of local Jaycee Chapters throughout the country.

Mr. van Horne remarked, "This award is especially significant because the Grosse Pointe Jaycees have been chartered for only seven months, and to be so recognized by the United States Jaycees is an outstanding achievement." He observed that only about 20 percent of the more than 30,000 Chapters across the country receive this award in a given year and only one percent of that 20 percent are in their first year.

The Jaycees are an organization for young men between the ages of 21 and 35 who are committed to community development and leadership training. Any person desiring to learn more about this organization should contact van Horne at 886-8302.

**Intruder Visits Home in Woods**

Mr. and Mrs. Kenneth Shaughnessy of 1444 Aline, left home for approximately five hours on Saturday, June 21, and returned to find their home had been visited by an intruder.

Mr. Shaughnessy told police that he and his wife left home at about 5:30 p.m. and returned at 10:10 p.m., and discovered the rear door open. An investigation revealed that the visitor entered the house by pushing up the screen and opening the window at the southwest corner of the building.

The intruder searched a dresser, ransacking two drawers, but apparently found nothing. He left by the window through which he entered the house, police said.

As far as can be determined, nothing was taken, Shaughnessy said.

**PARK American League—Majors**  
By DuWayne Peterson  
On June 30 the Indians clinched the second half championship with an 8-3 victory over the Orioles. The Indians did it with a barrage of singles and constant pressure, scoring at least one run in each inning. Bill Schaffner led the way with three hits and Chip Benschback and John Witri had two hits apiece. Scott Smith pitched a strong two-hitter for the Indians with 12 strike outs. Jimmy DuFour paced the Orioles with a double and two runs scored.  
The Yankees and Athletics started off with what looked like a slugfest and then settled down to a pitchers' battle. In the Yankee first inning, Brian Moutan doubled home Tom Steen and Jackie Brabb for a 2-0 lead. The Athletics then came roaring back with five runs on three hits, with John Williams' double with the bases loaded doing most of the damage. The Athletics added two more runs in the second inning on singles by Bob Conlan and Dick Redmond. That ended the scoring, with the A's winning 7-2. John Williams went all the way for the win, allowing only four hits. Bobby Utter was strong in relief for the Yanks, allowing only three hits and striking out eight.  
The Senators got off to a flying start against the White Sox by scoring eight runs in the first three innings, paced by Barry Quinn's double and single, John Leverenz's double and single and John Abbate's homerun. The in the 5th and 6th innings the roof caved in on the

Senators as the Sox scored nine runs in each inning. The big blows for the White Sox were a double and two singles by Bill Driscoll, a grand slam by Jeff Gardner, a double and single by John Gray, two singles by Pancho Cordova and a triple by Peter Kellett. The final score: White Sox 21, Senators 8.  
On July 2 the Indians closed out a successful season by downing the White Sox 3-1. The Indians scored all their runs in the fourth inning on singles by Bill Schaffner and Scott Smith and a triple by Chip Benschback. The White Sox scored in the first inning on a homerun by Jeff Gardner. Bill Schaffner was the winning pitcher on a four-hitter with ten strike outs.  
The Orioles played catch-up ball all day but ran out of gas in the sixth inning as the Athletics won 11-9. Dick Redmond led the hitters for the Athletics with three singles, while Joe Addison had a double and single and Bob Conlan and Karl O'Keefe had two singles apiece. Brad Peterson wielded the big bat for the Orioles with two singles that drove in three runs. Jim Gough also had two singles and one run batted in.  
The Yankees got off to a fast start against the Senators with three runs in the first inning on singles by Mark Verbiest and Jackie Brabb and a double by Tom Steen. That didn't hold up as the Senators scored five times in the second inning, paced by Mike O'Sullivan's triple and John Leverenz's double, and three times in the third on John Abbate's triple and George Sherban's double. The final score was Senators 10, Yanks 5.  
The standings for the second half were:

**Triple A League**  
Portland also won both rounds of play in its league. They were 5 and 2 the first round and improved on that record in the second round by losing only one game. There were many exciting moments for Manager Lou Slater and the Portland team, making it a very satisfying championship for them.  
On July 5, Portland, the Triple A League Champion, defeated the Minor League All Stars 15-14 in an exciting game. Portland built up an early lead, saw the All Stars forge ahead in the eighth inning, and then rallied with two runs in the bottom of the eighth to cap the win. Paul Jursov's single drove in the winning runs. Tom Ghesquire and Chris Likert each had a triple and a single, Doug Bidigare had two doubles and a single and Skip Slater three singles, for winners. Curt Purdy and Thibodeau each had two singles for the losers. Bob McCampbell made several good fielding plays for the All Stars.

Tuesday, July 1, action saw Rinke Cadillac move into a second place tie as they defeated first place Richard Buick 6 to 4. Kim Adler's double off losing pitcher Jim Bery in the sixth inning gave Cadillac the winning margin. Mike Fricke was the winning pitcher and Greg LeFevre had three hits for the winners. Tom Clem and Chris Richards had two hits each for Buick. In another Tuesday night game Pontiac downed Dodge 4 to 0 behind the no-hit pitching of Jim Ney. Ney went the whole seven innings, allowing no hits, just one walk, and striking out seventeen Dodge batters. Ernie Ney singled and scored two runs for Pontiac. Losing pitcher Phil Wenzell allowed only five hits.

On Thursday Merollis remained one game behind the leaders by defeating Pontiac 3 to 2 behind the two-hit pitching of Joe Thies. Jim Allard had two hits and drove in the tying run, and Ed Doyle had two hits and drove in the winning run in the bottom of the seventh. The losing pitcher was Roger Rosenbusch; Jim Ney and Ed Chase had Pontiac's only two hits. Pointe Dodge knocked Rinke Cadillac out of contention as Bob Arthur scattered six hits and allowed only one run. Losing pitcher Bill Jenzen had two hits for the losers. Phil Wenzell had two hits and Bryan Lane's bases-empty homerun proved to be the winning hit. A great catch by Joe Baker in the seventh inning kept the game from being tied.

Richard Buick remained one game in front by beating Wood Motors 8 to 1. Kevin Kiley pitched a strong game for the winners as Pat McLeay, Tony Lauri, and Mike Shelton had key hits for Buick. Losing pitcher Brad Simon had two scoreless innings of relief help from Bob Beyer. Randy Villareal and Kevin Hurley were hitters for Wood Motors.

On the last day of the season only one game was played because of rain. That game saw Merollis Chevrolet defeat Richard Buick 7 to 1 and tie for the second half championship. Kevin Clinton led the Merollis attack with three hits off losing pitcher Tom Clem. Bob Street-

mans also had two hits for the winners and Rick Ballew had a key hit. Mike Shelton had a key hit off winning pitcher Dennis Menzo, who pitched a strong game.

The second half championship was decided in a play-off between Merollis Chevrolet and Richard Buick on Sunday. Buick won the game 2 to 1 behind a strong pitching performance by Jim Bery. Losing pitcher Ed Doyle, who also pitched a fine ballgame, had two hits and Dennis Menzo had a triple. Bob Straetmans had a single and knocked in Merollis' only run. Terry Lynch had a hit that knocked in the tying run, and Kevin Kiley scored the winning run in the bottom of the sixth inning. A double play by Pat Maley helped to keep Merollis from scoring more runs. The first half champs, Rinke Pontiac, and the second half champs, Richard Buick, will now meet in the World Series to determine the League champions.

**13-Year-Old All-Star Play**  
On Saturday, the thirteen-year-old All-Star tournament began as Grosse Pointe Woods' All-America League West Division defeated the Harper Woods Americans 4 to 1. Mike Cox, Roger Rosenbusch, Jim Ney and Ed Chase had Pontiac's only two hits. Pointe Dodge knocked Rinke Cadillac out of contention as Bob Arthur scattered six hits and allowed only one run. Losing pitcher Bill Jenzen had two hits for the losers. Phil Wenzell had two hits and Bryan Lane's bases-empty homerun proved to be the winning hit. A great catch by Joe Baker in the seventh inning kept the game from being tied.

**FARMS-CITY-PARK American League**

The week of June 30 began with a contest between the Cleveland Indians and Chicago White Sox. The Indians' bats were booming as they collected 13 hits and went on to defeat the White Sox 16 to 5. Ed Moran led the Indian hitting with three hits and was well-supported by two hits each from Gary Stephenson, Bruce Cassell and Jim Zerweck. Jay Inesch and Bruce Wheeler shared the pitching with Jay, picking up his fifth victory of the season against one defeat. All of the White Sox runs came in the last inning and were climaxed by Mark Kemp's grand slam homer.

On Tuesday, the Yankees overcame a late inning Tiger rally to hold on to a slim 7 to 6 margin. Dave Newhouse was the winning pitcher and struck out 11 Tigers. Mark Palms' three hits and 3 RBI's together with Pete Steffens' two hits, led the Yankees offensive attack. Chuck Menthen had two hits for the losers.

On Wednesday, the Red Sox disposed of the White Sox 7 to 2 as Chuck Gardella pitched a two-hitter and fanned eight White Sox. Mike Nally led the 13-hit attack with three hits and two runs. Frank Kampfer's triple accounted for the White Sox scoring.

In the top game of the week and the battle for first place, the New York Yankees virtually eliminated any chance of the Cleveland Indians repeating as league champions for the third straight year. It was a must game for the Indians, who trailed the Yankees by a half game going into the contest. However,

the spirited Yankees came to play ball and jumped off to a quick 6 to 0 lead in the first inning. The Indians rallied to cut the lead to 6 to 3 in the second; however, the Yankees four runs in the third and two in the fourth put the game on ice, and they coasted to a 12 to 5 victory and undisputed possession of first place in the second half standings. The Yankees are now assured of at least a tie for the title and need only one victory to qualify as the second half champion. The game was highlighted by the combined two-hit pitching by Chris D'Hondt and Dave Peters, together with the Yankees lusty hitting attack in which Bob Peters and Mark Palms each had two hits.

In the fourth of July holiday game, the Tigers rallied in the late innings to tie the Red Sox 6 to 6. Before the contest could be decided, the rain came and flooded the field.

Saturday afternoon was the first round of the Babe Ruth 13-year-old All Star tournament, and our American League all stars were extremely impressive in defeating Harper Woods National League by a score of 11 to 3. Tom Harwood, Dave Peters and John Higgins each had three hits to lead the 16-hit assault. The entire team hit exceptionally well to support Bruce Wheeler's five-hit pitching performance. The victory qualified the American League 13-year-old All Stars to compete in the semi-finals of the State district tournament to be played at Clintondale as a preliminary to the 14- and 15-year-old All Star Tournament next weekend.

On Sunday, July 6, the New York Yankees emerged as the first half champion by defeating the Boston Red Sox 9 to 8 in a play-off game. It was a see-saw battle as each team failed to hold a four-run lead. The Red Sox rallied in the top of the seventh for four runs to tie the score at 8 to 8. They were unable to push across the lead run and the Yankees came to bat in the bottom of the seventh and promptly put together a series of hits, walks and Red Sox errors to drive in the winning run. While errors were costly to both teams, the Yankees received two hits each from Chris D'Hondt, Dave Newhouse and Mark Palms. Dave Peters allowed the Red Sox only four hits in 6½ innings; however, he was relieved by Dave Newhouse in the seventh and Dave received credit for the victory.

The week of July 7th will consist of make up and play off games, to determine the league champion. The Yankees now appear to be in the driver's seat and need only one more victory to clinch the American League pennant and qualify for the World Series.

Red Barons defeated Kiwanis 11 to 4 with pitchers Jeff Lenz for the Barons and Mark Klauer for Kiwanis. Bob McPherson blasted a triple and two singles, and Dave Dype hit a triple, a double and a single. Fred Klingbell did an outstanding job as catcher, making a fine diving catch and getting himself three hits. Chuck DeSostoa and Paul Jankowski also had hits.

In a makeup game on Thursday, July 3, the score was Red Barons 11, Cox and Baker 3. Pitching for the Barons were Dave Dype and Bob McPherson, who also had a triple. Don Ducastel and Tom Bredon each had two hits, with Stuart Vestal and Paul Jankowski making

### Public Schools in Focus

Where does the money to run the Grosse Pointe School System come from?

As I have talked to people recently, I have become aware of some rather serious misconceptions about our income. Most misunderstood is the amount of money the local public schools receive from the federal government. Only 41 per cent (less than one-half of one per cent) of the 1967-68 budget came from federal grants. These funds were used for the purchase of library resources, science and language laboratory equipment, and a small amount to reimburse programs for guidance and counseling.

Another misconception seems to center about the percentage of financial aid the school system receives from the State of Michigan. During 1967-68 various allotments from Lansing provided 18.88 per cent of our operational budget. Last year "basic" State Aid, which is derived from the sales tax and from an appropriation in the State's General Fund, amounted to \$1,876,041.43.

Other State Aid, included in the 18.88 per cent figure above, is provided to assist our schools in financing portions of 10 programs: driver training, mentally handicapped, speech correction, school social work, emotionally disturbed, remedial reading, diagnostic services, vocational education, library aid, and transportation.

Our annual report for the 1967-68 fiscal year indicates that current local taxes accounted for 67.98 per cent of our General Fund receipts. (If you are confused by the word "current", you should realize that "delinquent" taxes account for 1.73 per cent of the budget.)

What about the balance of our receipts?

We realize small percentages from interest on delinquent taxes and investments, summer school tuition, library fines, and the rental of school facilities to community groups.

And, in our 1967-68 budget 6.59 per cent of our revenue came from our fast-dwindling escrow fund, established with part of the proceeds from the 1963 operational millage which will expire during the 1969-70 year.

### Letters to the Editor

Sirs:

As president of the parents' group of the Foundation for Exceptional Children and on behalf of the school, the parents, and especially the children, I want to thank all of the kind and helpful people who contributed so much to the success of our recent sale at the International Fair.

Proceeds from this sale will be appropriated for additional equipment and continuing staff education for this Grosse Pointe based school for the mentally and physically handicapped children of this area and all surrounding areas.

According to our records, four different teenage groups and nine separate businesses contributed to the success of our "La Petite Boutique" in addition to many more individuals.

Sometimes, we as parents of physically or mentally handicapped youngsters begin to feel a little like the "Lone Ranger." It is comforting and encouraging to meet so many kind people in the business community and in private life who are willing to help us with our "special children" who need your help so very much.

Sincerely,  
 John M. Delaney, D.D.S., President,  
 Parents' Group Foundation for Exceptional Children

To The Editor,  
 On Tuesday, July 1, I went swimming at the Grosse Pointe Park Lakefront park with a friend. In attempting a difficult dive, I misjudged the space between myself and the diving board. As I approached the water my lower lip brushed the diving board and my teeth penetrated through the outside of my mouth.

A surgeon sitting on the sun deck of the bathhouse saw my predicament and administered first aid. The life-guard contacted my parents and the Park police, who delivered me to Bon Secours Hospital. I did not get the names of any of the people who assisted me.

To all of these nameless individuals I wish to offer my gratitude, for their efficient manner and their kind consideration.

Thank you,

### What Goes On at Your Library

By Virginia Leonard

Guest Columnist: Harriet Helms

Why would any boy or girl want to visit a public library during summer months? Isn't this the time for family outings, playing Little League games, swimming, taking trips or going to cottages and camps? In answer to the second question I would say, "Yes," emphatically! But as I look over the shelves of each of the Grosse Pointe Public Libraries through the eyes of a browser, rather than a librarian, I can find no reason why any boy, girl, or adult, would want to stay away from our libraries.

Each summer activity plays an important, necessary part in a child's life. Summers are to be played and remembered. However, physical action does not occupy a total summer's day. No matter how attractive summer fun may be, its appeal has a way of diminishing. This is when reading can be used to good advantage, and add to a child's total pleasure.

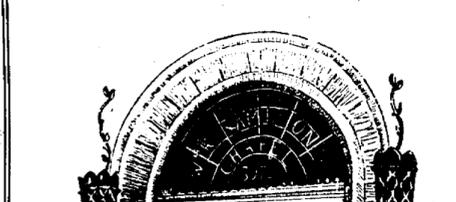

Time spent in reading, either as an individual or a family, has various side effects. Without pressure, reading skills can be improved, and reading aloud can result in many fond memories for both parent and child.

Many times questions which need authoritative answers arise. Perhaps a Little League player needs information on some technical point; wants to know about some famous baseball personality, or just wants to read a sports story. **BASEBALL FOR BOYS**, by George Digby (Follett); **BABE RUTH**, by Kenneth Richards (Children's Press); or **BIG PLAY IN THE SMALL LEAGUE**, by C. Paul Jackson (Hastings) could be more than satisfying.

What child hasn't caught fireflies, found bugs and butterflies in his own back yard, or picked up a special rock or shell while on a trip? With these and other collected items, questions often arise. **FIREFLY**, by Paul M. Sears (Holiday); **A DOG'S BOOK OF BUGS**, by Elizabeth Griffen (Atheneum); **INSECTS AND THEIR WORLD**, by Carroll L. Fenton (Day); **THE STORY OF ROCKS**, by Dorothy Shuttlesworth (Garden City); and **SEA SHELLS**, by Ruth H. Dudley (Crowell) are a few of the many resources which help acquaint a child with the world of nature.

Some summer days don't match a seasonal calendar, but can be cool, cloudy, rainy or tropically oppressive. On such days there can be heard the question, "What can we do now?" A trip to a library can provide the perfect solution. This could be a time to sample a "classic", in a bright new edition. Most of these stories have the same appeal and delight today, as they have held for former generations. **ALICE'S ADVENTURES IN WONDERLAND**, by Lewis Carroll, with illustrations by John Tenniel; **THE WIND IN THE WILLOWS**, by Kenneth Grahame; **THE LITTLE LAME PRINCE**, by Mrs. C. M. Craik; **THE STORY OF KING ARTHUR AND HIS KNIGHTS**, by Howard Pyle, are only a few.

Not to be forgotten are the legends and folk-tales of our American background. **GRANDFATHER TALES; AMERICAN-ENGLISH FOLK TALES**, selected by Richard Chase (Houghton), is a collection of folklore gathered in North Carolina, Virginia, Kentucky and Alabama. Dell J. McCormick relates stirring tales of the giant woodsman and his Blue Ox, Babe, in his **PAUL BUNYAN SWINGS HIS AXE** (Caxton).

### What's New on THE HILL

By SIBYL

We'd Like To Remind You Of The Slogan . . . "If you miss the Hill, you've missed the Pointe." It was created sometime ago for the distinctive, shopping block from Hall Place to McMillan. The Hill reflects the quality and good taste of the entire area and has grown more versatile and interesting in its service.

Fashion Interview With Margaret Rice . . . "With the return of femininity, it is only natural the dress for Fall 1969 is a very important part of a wardrobe. With softness the theme, the dramatic return to body conscious clothes is most welcome and it shows up best in the little dress we cannot do without. It is the tunic over low pleated skirts, jumpers with their own soft blouses, elongated torsos with hip accents. Fitted tops reveal the figure but not necessarily the waist. The daytime dresses put emphasis on the shirt silhouette and the wrap dress. Each emphasizing the sleeve. All the colors are too many to list but here are some (not necessarily in the order of their importance). None are in what was known as winter colors. Fall 1969 will be in a full blaze of handsome year round colors . . . greens, beiges, grays, reds, navy, violet, purple, blues, apricot, hot pink and many combinations. Whatever your choice may be, rest assured that you will be right."

Bridge Buffs . . . will love "Doop," the new game at The Card Rack, 93 Kercheval. Mrs. Malchie explained it to us as a one table duplicate bridge game to be played at home. It consists of two decks of cards, plastic packets, sealed envelopes which contain hands to be played. You then compare the score with a master score sheet. Extra sets of sealed envelopes are available.

Butterflies And Strawberries . . . are the delightful design on mugs (one fifty each) dessert plates (a set of eight for twelve dollars) and individual souffle dishes (one fifty each) . . . at the League Shop

Hamlin's Has . . . Bull Shot Cocktail Mix in an eight ounce can by Steero. It is delicious for a change of taste . . . 89 Kercheval, TUxedo 5-8400.

Now . . . there are highball glasses with a map of the Great Lakes to match the beautiful Great Lakes tray by Courroc which has long been a favorite gift item at the Mermaid. A set of eight glasses is eleven dollars. The tray is fourteen dollars.

Virginia Williams is adding a small collection of Stieff to her pewter display at 79 Kercheval.

Touch of Elegance . . . has tagged fashions, accessories and gift items fifty percent off and more for the Summer Sale at Hands Down . . . downstairs in the Colonial Federal Building. Hurry!

Eyewriter . . . by Elizabeth Arden is the first and only automatic eyeliner. The liquid flows, smooth as silk, through a perfectly shaped sable brush-tip, and the entire golden cylinder is slender enough to tuck into your change purse. Use it any place, any time. All you need is a mirror. It's refillable. Eyewriter is five dollars and the refills are one-fifty at Trail Apothecary, 121 Kercheval.

Mister Sheridan-Books . . . 81 Kercheval, recommends for vacation reading . . . "The Embassy," "House of Green Tuff," "Camelot Caper," "The Godfather," "Mary Queen of Scots." Call 881-1671 or 881-2916 for delivery.

Antiquarians Attention . . . at the Grosse Pointe Studio, 119 Kercheval, there's a collection of commemorative brass rubbings done in England by artist Beverly Coffin Di Gaetano. Some are from brass plaques, circa 1400. Two have very legible script. They are of historic interest as well as being dramatically decorative.

## From Another Pointe of View

By Janet Mueller

The Grosse Pointe Hunt Club will be bedecked with flowers and greenery-filled baskets and water lilies will float on the surface of its pool Saturday, June 19, when Christ Child Society members and friends gather there for Christ Child's annual patio party.

Mrs. John P. McGough, of Pear Tree lane, is chairman of the evening. Mrs. Thomas McGann, of University place, serves as co-chairman.

Bright shifts and colorful cottons will be in order for this informal cocktail, dinner and dancing night. Assisting decorations chairman Mrs. William Ogg are the Mesdames Frederick Stone and Thomas Mayer. Mrs. Frank Hillebrand and Mrs. Samuel Solomon are taking reservations.

In case of inclement weather—this summer, ALL outdoor gatherings are cross-finger affairs!—the party's to go on as planned, inside the Clubhouse.

### Sequel To A Special Success Story

Remember back a little over a year ago, May 23, 1968, to be exact, when the Robert T. Barrett family, of Lakepointe avenue, was featured in our Pointer of Interest column?

Theirs was a very special success story, the tale of how Bob Barrett's three dreams—to go to West Point, to fly, and to become an M.D.—came true, thanks to his own courage in deciding to leave a promising Air Force career, (he resigned as a Captian, instructor of Instrument Flying, with almost 3,000 hours of military flying experience), to study Medicine.

And thanks to his wife, Jeanette Cameron Barrett, who returned to teaching to supplement the family income while Bob was in pre-Med and Med School, (Bob worked too, of course).

And thanks to their children, Todd and Wendy Barrett, who never seemed to resent the time their parents MUST spend away from them if Bob's third dream were to become a reality.

And it did. Bob received his M.D. as a member of Wayne State University's Centennial Year School of Medicine, graduating class.

Now a year later, he's completed his internship at Detroit General Hospital—and the Barretts are back in the Air Force, (which Bob, who tried for a leave of absence before resigning, had never really wanted to leave in the first place: His "fourth dream," as you'll recall, involved Aerospace Medicine, combining "the two

In the Farms, this six room sparkler is certain to dazzle anyone who has been searching for a newer colonial in prime condition and located on a tree shaded street between Kercheval and Grosse Pointe Boulevard.

LET ONE of our firecracker salespeople prance you through this petite castle on Buckingham. There is a large master bedroom on the first floor and two more bedrooms up. The owner is preparing to launch out of this town, so is ready to pop for a deal.

EVEN THOUGH we just marked the celebration of our independence from the English, we can't but admire their fine taste in architecture as exemplified in this splendid manor house on Kenwood Road. One of the few estate-sized properties actively offered for sale in the Pointe today. Put a bomb under your spouse and get out to see this one.

TRADITION, condition and your ambition might be the formula which will put you and your family in this five bedroom colonial on Kenwood Court. If you appreciate the traditional architecture of early American, if you demand a home that's been kept in excellent condition, if you have the ambition to step up to a prestige home; then check this one before your neighbor does.

HAWAII CALLS the owner of this five bedroom beauty, and he wants an offer before he sails forth. This center entrance colonial comes on strong with a music room, library, separate dining room and living room. The basement has been completely redone resplendent with recreation room and soda fountain. Our Seller would be happy to accept a land contract.

CLAIM THIS "sleeper" which is holding its own on Grosse Pointe Boulevard, and is in a line which has averaged much higher prices in recent sales. Three bedrooms and two baths on the second floor. There is a fourth bedroom and third bath on the first floor. Stable talk says this one may be claimed for \$54,900... and all she needs is a little grooming.

NO RUN-OF-THE-MILL three-bedroom colonial but the very best of its type offered on today's market. All large bedrooms and a kitchen with proportions to accommodate half the neighborhood. Newly redone throughout, this house is ready for your furniture. McKinley Road, not far from Richard School.

A SNAPPY, almost new colonial with two full baths up and three bedrooms. There is a large family room to complement the living and dining rooms, and, as you would expect in a new house, a kitchen worthy of a kitchen tour.

### Farewell To The Juchaus

British Consul and Mrs. Ronald Juchau and their children sail off from New York July 17, aboard the Queen Elizabeth II, bound for England and, ultimately, Mr. Juchau's new post in Barcelona, Spain.

In their little less than three years here the Juchaus have made many, many friends—so it's not surprising that their last few weeks in The States are a mixture of packing, parties and personal farewells.

Yesterday evening their Berkshire road neighbors, Dr. and Mrs. L. Murray Thomas, entertained at a bon voyage cocktail party.

Earlier, at the end of June, the Juchaus were honored at a dinner in the Audubon road home of Mr. and Mrs. Jerome K. Bresser, with guests including members and husbands of the Windsor Castle Chapter of the Daughters of the British Empire.

Beryl Juchau has been very active in D.B.E. activities here, opening her home on several occasions for D.B.E. functions, so hostess Mrs. Bresser, on behalf of the Chapter, gave Beryl a "typically" Grosse Pointe bon voyage-and-thank you gift: A decoupage basket purse.

Mr. and Mrs. Robert A. McBride, of Lincoln road, Mr. and Mrs. Dennis A. Darin, Jr., of Detroit, Mrs. Robert W. Haddock, of Vendome road, Mr. and Mrs. Frank Hanson, of Birmingham, Mr. and Mrs. Weston Jenkins, of Mount Vernon road, and Mr. and Mrs. Brandon M. Rogers, of Moran road, were among friends at the dinner party.

### Shall We Dance?

A party atmosphere will prevail at the Grosse Pointe Summer Music Festival's second program next Tuesday evening at the Grosse Pointe War Memorial. But it will be a party atmosphere with a distinct foreign accent.

The Viennese Dinner and Ball promises to be warm, relaxed, with an Austrian buffet and dance-music scaled for intimate entertainment, scored for small groups of strings much like the ensembles popular in Vienna today.

Festival founder Alex Sucek, noted for the spell he weaves with his renditions of Viennese songs, will be joined in an interlude of these lilting lieder by his wife Maribel, on the accordion and Beatrice (Mrs. Gordon) Staples on the violin.

The program has encouraged quite a few Festival patrons to entertain that evening, with at least one birthday party planned: The Donald M. D. Thurbers, of Neff road are bringing a party of 12—sounds like a nice way to wish Peggy Thurber a "Happy Birthday".

Another party will be hosted by the John J. Zolads, of Fairlake lane.

BERTRAM P. SHOVER, OF GRAYTON ROAD

By James Kerr

How many people do you know, (or even know of), who received so much satisfaction from their first job that they never left it? Bertram P. Shover is the only one I know. He's spent 45 years in education, 32 of them at the Grosse Pointe University School after 13 at Episcopal Academy in Philadelphia.

Bert is retiring, although reluctantly, because somebody has ordained that when you reach "that age" you are by some sort of mysterious chemistry no longer productive and must make way for younger people who have 45 years less experience than you.

It's really a shame, because Bert literally exudes vitality and enthusiasm for a profession that in the past has been too often slighted for its inclusion of educational journeymen, (you know: "Those who can, do; those who can't, teach"). Bert is a teacher who can do, has done, and would like to continue doing.

Co-Director of Camp And he will: At Camp Tecumseh, on Lake Winnepegaukee, (want to try that one?), in the hills of New Hampshire. It's a summer camp for boys, a non-profit camp with the express intent of "instilling a sense of service in youngsters."

And Bert, a co-director of the camp, has been going there every summer since 1927 to transmit that magical "something" between the good teacher and his students to young campers.

And who is to say which, in the long run, is the more beneficial—the education of the classroom or the education of the tent, canoe and hike?

Camp Tecumseh also witnessed the emergence of Shover the Angler. He was awarded a trophy there for catching 17 pickerel, all 17 inches or longer.

It all began in Allentown, Pa., first at the local high school (1924) and then at Muhlenberg College, class of 1924, where Bert earned his Ph.B. degree, (to save possible conjecture, Ph.B. stands for Bachelor of Philosophy). Nineteen twenty-eight marked the year that the University of Pennsylvania awarded Bert his M.A.

Playground Instructor Summers during college were spent instructing on the public school playgrounds of Allentown, (which might make Bert eligible for 49 years of teaching rather than "only" 45), where he "re-met" a classmate from high school.

This time they were a bit more aware of each other and decided to make it a permanent thing. Bert and his wife Ann celebrated their 44th wedding anniversary June 27. If they'd only had the foresight to marry a year earlier, they could be celebrating two 45th anniversaries this year instead of just one!

Bert's years at Episcopal Academy witnessed the emergence of Coach Shover. From

1931 to 1937, his Lower School baseball team won a record 45 games and lost only two, (both Bert vividly recalls, to William Penn Charter School, an institution that was apparently no respecter of emerging athletic dynasties).

Bert was lured out of Pennsylvania in 1937 and came to the then Grosse Pointe Country Day School as its Superintendent of the Lower School.

Four years later, in 1941, Country Day merged with Detroit University School to become the Grosse Pointe University School, with Bert becoming Director of the Lower School.

Recalls Famed Alumni Bert reminisces about all the "kids," famous and otherwise, he has influenced over the years: Julie Harris as a sixth grader . . . an aide to President Nixon . . . headmasters of prestige schools . . . athletes of national renown . . . not to mention the unknowns whose contributions are probably just as significant in their own way as those of their more illustrious colleagues.

Their successes have been Bert's successes and the sources of his satisfactions as a teacher. The nice thing about Bert's reminiscing is that it isn't the reminiscing of someone locked in the past, of someone whose future was yesterday.

It is the reminiscing, the nostalgia, of one who, while looking with pride on past accomplishments, eagerly looks forward to new and challenging achievements, retirement to the contrary.

It's the sort of pride he has

when he speaks so feelingly of his two daughters and six grandchildren.

Daughter Doris Ann (GPUS 1947) is married to Wilber M. Brucker, Jr., son of Michigan's former Governor and a former Secretary of the Army. Their three children are all at GPUS, the third generation to be connected with the school.

Barbara Jane Scherer (GPUS 1956), lives with her husband and three sons in Ann Arbor.

Bert speaks very fondly of a "deep pride in my youngsters," both of whom were graduated from Wellesley College after leaving the University School.

A lot of Bert Shover is pride . . . in his family . . . in the successes of his students . . . in the unassuming sense of a job well done and more yet to do.

Awaits New England Fall

Bert says he's "not going to retire really," anyway. Following camp this summer, he'll be able for the first time to stay in New Hampshire into October for a look at one of those famous New England autumns that he's "never seen before" because of having to return to school.

Then he'll do some tutoring, some testing and some traveling — "perhaps to Florida for the winter."

Looks like the fireside easy chair will be vacant for a long time.

## City Buying Two Rubbish Trucks

The City of Grosse Pointe Council on Monday, June 23, approved the purchase of two 25-cubic yard rubbish collection trucks and bodies. The bid was awarded to the International Harvester Company in the amount of \$40,308 for the vehicles. The cost of the equipment will be charged to the 1968-69 and 1969-70 capital improvement reserve.

They also approved the city manager's recommendation to keep one of the 1964 model, 17-cubic yard packers as a spare unit, which would reduce disruptions to the rubbish schedule when first line units are down, and also improve the capacity and ability of the city to make special pickups, transport leaves to the landfill and utilize the brush chopper.

The other unit to be replaced will be sold by the city since the city manager felt that a price equal to or higher than the trade-in offered could be received. The Council voted for the purchase with Councilman Alfred Reuther abstaining.
