HUGE DRUG SOURCES RAIDED

HEADLINES
of the
WEEK
As Compiled by the
Grosse Pointe News

Thursday, January 8
POLICE COMMISSIONER Patrick V. Murphy asked all Detroiters Wednesday to help discover the killer of four-year-old Wendy Harris. Murphy made the request at a press conference on his first day as commissioner. He has asked anyone with information to call the Homicide Bureau. The girl's charred body was found Tuesday in the basement of a vacant house at 15327 Monica, about 10 blocks from Wendy's home at 15741 Quiney.

Friday, January 9
SECRETARY OF LABOR George P. Schultz announced an immediate investigation Thursday into the United Mine Workers presidential election involving the slain union official, Joseph A. Yablonski. Before his death, Yablonski had charged that the election was stolen from him by Mine Workers President W. A. Boyle.

Saturday, January 10
A COAST GUARD helicopter delivered two additional pumps and more fuel Friday to a stricken tanker loaded with jet fuel foundering in the stormy Pacific off California. A flotilla of Navy ships, including the aircraft carrier USS Hornet, recovery ship for the first astronauts back from the moon, sped to the aid of the SS Connecticut, 240 miles west of Long Beach, Cal. There were no plans Friday night to evacuate the 41 persons aboard the tanker.

BITTER COLD across the nation strained power systems in many areas Friday and left commuters fuming in New York City. Subzero cold dipped into the deep South, unaccustomed to such frigid temperatures. Nineteen deaths, including 10 in Tennessee, were attributed to the bitter cold, and freezing weather in central Florida threatened fruit and vegetable crops.

Sunday, January 11
PRESIDENT NIXON PLANS a "massive" program to try to increase the nation's supply of doctors according to a statement released by Secretary of Health, Education and Welfare, Robert H. Finch. Finch said the president would discuss the program in general terms in his State of the Union Message, scheduled for January 22.

NORTH VIETNAMESE COM- MANDERS have moved surface-to-air missiles into Laos for the first time in an attempt to protect communist war supply depots from raiding U.S. planes, U.S. and South Vietnamese military sources said Saturday.

Monday, January 12
GENERAL ODUMEGWU OJUKWU flew out of Biafra Sunday as his 32-month-old secessionist republic crumbled under federal onslaughts. Bombers pounded Uli airstrip, Biafra's link with the outside, and its capture appeared likely within two days. Nigeria called on Biafrans to surrender. Ojukwu said he was going in search of peace and would return soon. Reliable reports said he took his family with him.

MRS. PATRICK NUGENT, 21-year-old daughter of former President Lyndon B. Johnson, gave birth Sunday to a seven-pound, 10-ounce girl. Doctors said both mother and daughter "are doing well" after a normal birth.

Tuesday, January 13
HOUSE SPEAKER John W. McCormack's chief aide and a lobbyist were indicted Monday on charges of conspiring to use the Democratic leader's Washington office as a base for influence peddling. A federal indictment claimed the services of the two defendants were available at up to \$50,000 a case over a six-year period to a wide variety of favor seekers, including business firms and underworld characters. The grand jury said under-the-table payments were made to insure that McCormack's aide, Martin Swei, and lobbyist Nathan Voloshen would "exert the influence of the office of the speaker of the House."

Chalfonte's Ice Palace Thrills First Graders

Even in last week's subzero temperatures Mrs. Loraine Lieder's first graders from Monteith School were delighted with the opportunity to see a "real" ice palace. Designer of the palace was Albert Couvreur, 406 Chalfonte, whose son is in Mrs. Lieder's class. During their visit youngsters were treated to hot chocolate and cookies. When they returned to class they wrote stories and drew pictures about their adventure.

Speeder, Friend End Up in Jail

City police picked up two Pointe youths for speeding and unlawfully driving away an automobile on Monday, January 5, at 10:15 p.m. on Manor, off of Mack.

Realtor Raps Articles on Tight Money

At least one Pointe realtor has views opposing those expressed in two articles on the tight money market and its effect on real estate, which have appeared in the NEWS. Paul Maxon of Maxon Brothers has expressed his opinions in the following letter.

I have read two gloomy articles in this paper bearing on the difficulty, even impossibility of obtaining new mortgages from the banks to finance house sales and a resulting crippling effect on the Grosse Pointe real estate business. Our firm has not so far found financing all that difficult.

School Tax Election Set For Jan. 26

With the expiration last month of all The Grosse Pointe Public School System's voted operational millage, the trustees of the Board of Education have scheduled an election on January 26 to finance the operation of the schools from July 1, 1970 through June 30, 1972.

Questionnaire Given to Students Provides Answers

Preliminary Conclusions Reached with Further In-Depth Evaluation Forthcoming; Quiz Distributed to 2,650 in Grosse Pointe School System

Len Jensen, curriculum assistant-research in the Department of Instruction for the Grosse Pointe Public School System released some preliminary conclusions reached from the drug abuse questionnaires distributed throughout the elementary (grades five and six) middle and high schools recently. Some 2,650 students were queried.

Burglars Visit Movie Theater

Two safe vaults were damaged by burglars who visited the Punch and Judy Theater during the night of Saturday, January 10, according to a Farms police report.

Maxon Claims Mortgages Not Too Hard to Obtain; Predicts Good for 1970

Patrolmen Donald Dewey and Donald Pilon said that while they were routinely checking doors of business places on the Kereheval Hill District, at approximately 5 a.m., they discovered the side door of the theater, facing McKinley avenue, open. They checked the interior of the building and found that the manager's office had been ransacked and the office safe damaged.

School Official Has Answer To Accusation by Parent

At the regular meeting of the Grosse Pointe Board of Education on Monday, January 12, Dr. Joseph Spaznoli, Assistant Superintendent of Instruction asked that the following information be read into the record:

Joint Police Effort Pays Big Dividend

Capture of Addict Who Admits Myriad Thefts to Buy Dope Provides Key

By James J. Njain

The number of burglaries throughout the Pointe-Detroit area reached such proportions that the law enforcement agencies decided that something must be done, and they did it. Police officers, especially from the Pointe, on their own time, conducted investigations and set up neighborhood surveillances, and the plan paid off.

May Be Biggest Source

Police said that 671 and 675 Emerson, is believed to be one of the biggest, if not the biggest, supply sources of heroin and other drugs in the Detroit area. Officers said that they could not believe their eyes, at the sight of thousands upon thousands of gelatin capsules, needles, syringes and other equipment in the places.

Nearly All Addicts

The authorities said that most of the 11 persons arrested are drug addicts, none of whom had less than a \$100 a day habit. The loot that they sold from their burglaries, paid for their drugs. The first big break, since the investigation and surveillance teams were organized on December 31, by the Pointe police, under the Mutual Police Aid Pact, and with Detroit officers, came on the December date, when a neighbor of Mr. and Mrs. Frank Zimm, 656 Lakepointe, informed police of seeing a man acting suspiciously in the area of the Zimm residence, before the burglary of the house was discovered.

Costs Will Rise

In estimating budgets from 1970 to 1972, school officials have calculated the cost of in-step salary increases, (\$125,000 each year), personnel to meet

All Officers Alerted

The fact that McCarthy was seen in the area was noted in the daily reports of the officers on stake out, and all were alerted to be on the lookout for him. McCarthy was spotted in different areas of the Park, by Pointe police officers from all the departments, who were strategically staked out in different neighborhoods each night.

On Thursday, January 8, at about 1:55 p.m.

Park police received a phone call from a resident, disclosing that a lone man had appeared at her door and claimed to be looking for a friend. The man gave the resident a fictitious name of the per-

 son he said he was seeking, and when informed no such person lived in the house, he left.
 Park Det. Robert Salfyrd and Patrolman Timothy Mink went to the area, where they saw a car in the 700 block of Balfour, the motor running. The policemen radioed their location to their colleagues in the area and police officers converged on the spot, setting up a blockade with their cars.
 Many in Blockade Participating in the blockade

were Shores Police Sgt. Charles Wenrich and Det. Frank Mustazza. From the Park were Police Lt. Henry Coonce, Sgt. George Blair, Sgt. Duncan, Det. Sgt. James LaPratt, Dets. Charles Petrie and Robert Salfyrd, and Patrolmen Charles Slusser, Timothy Mink, William Crandall, Rodney Wedding, Collins LaLonde and Edward Janostak, and a number of others.

McCarthy was seen to come out of what appeared to be the side door of the home of Mr. and Mrs. John Christman, 711 Balfour. He walked toward his car and got in and started to drive away.

The policemen closed in, in an attempt to completely block off escape, but McCarthy somehow got away before he could be boxed in, and he sped south on Balfour to Avondale, and was outdistancing the pursuing policemen. Several officers fired a volley of shots at the fleeing suspect.

His Tires Shot Flat
 At Avondale and Lakepointe, another blockade was set up, and McCarthy, whose car was running on flat tires, shot out by the officers, stopped his vehicle on seeing the second road block. He jumped out of the auto and tried to escape on foot but was captured. He was not injured by any of the shots.

Following McCarthy's arrest, police officers went to the Christmans' residence, where they found all the doors of the house unlocked and the kitchen door ajar. Standing on a cement slab, just outside the door, was a large portable television set on its stand. It is believed that the man was about to take the set, when he became alarmed by approaching police.

Det. Sgt. James LaPratt, and Det. Salfyrd and Petrie questioned McCarthy, who confessed that he had a \$100 a day heroin habit, and that he bought his drugs by trading loot taken from burglaries to a fence, who is now in the custody of Detroit authorities.

Admits Host of Thefts
 The Park officers said that McCarthy confessed to committing a total of 41 burglaries in the Park, 15 in the Woods, 15 in the Farms, six in the City, one in the Shores, 10 in Harper Woods, and three in St. Clair Shores, all since last July. He committed the breakins, McCarthy said, to feed his habit. At least 25 of the crimes committed in the Park were in homes, the rest involved breaking into garages and stealing valuable power mowers and snow blowers, and other expensive equipment, for which he received his drugs, McCarthy told his questioners.

McCarthy was arraigned before Park Municipal Judge William E. Speer for a preliminary hearing, on the date of his arrest. He was released on personal bond until his examination set for yesterday, January 14. The charge is breaking and entering an occupied dwelling.

Ellenburg Is Elated
 Woods Director of Public Safety William Ellenburg was elated by the part his officers took in the smashing of the burglary and drug ring. He had high praise for not only his officers, but for those from the other Pointe departments, who participated in the stakeouts and the raid, and he also lauded the cooperation given by the Detroit Police Department.

"This is a tremendous piece of police work, and it just shows what can be accomplished in the fight against crime, when all police departments unite in a joint effort to stamp out criminal elements," the director said. These officers worked hard and long, on their own time, and driving their own private cars, and using police walkie-talkies, to keep in touch with each other.

"The people of the community should be very proud of their policemen. I am going to recommend citations for the officers who participated in this venture."

SHOPLIFTER STOPPED
 D. E. Lafferty, assistant manager of Kresge's, 17101 Kercheval, called City police on Monday, January 5, to report he was holding a juvenile shoplifter. Officers found the 15-year-old youth had taken a long playing record album valued at five dollars off the counter and hidden it under his coat. His parents were called to the City station and were most cooperative. They were told that the youth may be filed on in Juvenile Court.

 be in the friend category such as personal friends, mother, teacher or counselor. They are least likely to believe people they perceive to be authority figures such as policemen, principals or fathers.

The drugs in most common usage are marijuana, hashish and amphetamines. (An interesting note is that more girls who turn to drugs begin with amphetamines while boys are more likely to begin with marijuana.)

Drugs are obtained in other people's homes more often than in any other place, thus debunking the popular belief that drugs are obtained where there are big public gatherings of teenagers.

Peer pressures among users regarding the use of drugs appear to increase from grades nine through eleven and to decrease in grade twelve.

Half Get Drugs Free
 Approximately half of the students who report they use drugs obtain these drugs without spending any money.

About 85 percent of all middle school students have used no drugs. (Note: the five percent poses a significant problem, however).

Students who are habitual users of hard drugs in the eleventh or twelfth grade tend to have started using drugs in grades eight and nine. Isolated cases of middle school students using morphine and cocaine exist.

Some middle school and elementary students are sniffing vapors of such items as glue and gasoline.

The results suggest that those youngsters who start using drugs at the elementary school through tenth grade level seem to have more difficulty shaking the habit.

In the earlier age levels more boys have tried drugs than girls but as the age level rises the number of boys and girls is in balance.

BUS WINDOW BROKEN
 A driver of the Liggett School bus, L. C. Cox, reported to the City police that three boys threw a rock at the bus near Rathbone place on Tuesday, January 6, breaking one of the bus windows. City police and the driver checked the area and an investigation is currently being conducted as to the identity of the youths, who were seen entering a home in the area.

Firemen Douse Blaze in Home

Despite the sub-zero temperatures and the pre-dawn hour, Friday, January 9, City and Farms firefighters effectively fought a fire in the terrace apartment of Arthur King, 17449 Maumee, and managed to prevent the blaze from spreading to other apartments.

The City Fire Department received a report of the fire from a neighbor at 2:30 a.m. Firemen rushed to the scene with all apparatus. On arrival they found flames emitting from the front windows and door of the apartment.

City Fire Captain Robert Marshal ordered a second alarm because the building was a multiple dwelling and due to the progress of the fire. Farms' firemen responded immediately. There was extensive damage to the living room furniture and considerable heat and smoke damage on both the first and second floors. No estimate of the damages was available at this writing.

The origin of the fire is as yet unknown.

Reckless Driver Caught by Police

Raymond Lawrence Martina, 314 Ashland, Detroit, was arrested for reckless driving on a revoked license on Sunday, January 4, by City police.

He was first observed driving in a reckless manner east on Mack. He then turned north on Hereford and pulled into the drive of 3994. He attempted to elude police officers Edward Miller and Dennis Van Dale by running to the rear of the house.

The officers apprehended him and located the owner of the car, Kristine DeWolf, in the 3904 Hereford home. Investigation revealed that Miss DeWolf was wanted by the Trenton Police Department on an outstanding traffic warrant. Trenton police were notified.

City police released both Martina and Miss DeWolf on a cash bond of \$48.

Trio of Confessed Drug Addicts to Stand Trial

Three men accused in the December 20 burglary of the home of Mrs. Mary Reilly, 572 Barrington road, entered not guilty pleas at their examination held on Wednesday, January 7, before Park Municipal Judge William E. Speer. They were represented by court appointed attorneys, with one attorney representing two of the accused.

Judge Speer found sufficient cause for trial against J. Harold Norris, 27; Donald R. Carmack, 24; and James S. Combs, 18, all of 1293 Hillger, Detroit, and bound them over to the Wayne County Circuit Court. The three were remanded to the county jail in default of bonds. Norris and Combs, \$5,000 each, and Carmack, \$10,000.

Carmack, who was free on bond in Detroit at the time he was arrested by Park police, was awaiting a hearing on a murder charge in Detroit.

Combs, who was arrested in a Chalmers avenue home in Detroit by Park Det. Sgt. James LaPratt on December 30, had been sought since the Reilly residence burglary. He had escaped when Norris and Carmack were taken into custody, shortly after the alleged crime. Most of the loot from the Reilly home was

recovered from the trio's house. LaPratt said that all three confessed to being drug addicts and that each admitted they were going to sell their loot to raise money to buy narcotics.

The arrest of the three men was made possible when a neighbor of Mrs. Reilly noticed their suspicious actions, and saw them back a truck into the unlocked garage on the Reilly property. About 20 minutes later, the truck pulled out of the driveway, and the neighbor trained a pair of binoculars on the vehicle and got the license plate number.

The license number was traced to the Hillger address by the police, and Dets. Robert Saityrd and Charles Petrie staked out the place, and arrested Norris and Carmack after the pair, with Combs, drove to another section of Detroit.

Combs left the truck and failed to return, then the officers arrested Norris and Carmack before they could leave the area.

Motorist Nearly Lands on Lake

John R. Hilbert, 65, of 85 Clairview, lost control of his car while traveling north on Lake Shore road on Thursday, January 8, and the vehicle went over the seawall and almost onto the ice of Lake St. Clair.

According to a report by Farms Patrolman Gerald Deburghgraeve, when he arrived at the scene, in front of 475 Lake Shore, he saw Hilbert's vehicle, hanging by its rear wheels over the wall.

A witness, A. J. Bull of 333 Mt Elliott, Detroit, who was driving behind Hilbert, said he stopped when he saw what had happened, and aided Hilbert out of the imperiled auto.

Deburghgraeve said he detected the odor of alcohol on Hilbert's breath and placed him under arrest, and after informing the man of his rights as regarding a breath test, took him to the Woods station, where the test was to have been administered. At the station, Hilbert rescinded his consent to take the test, and demanded to see his attorney.

When the attorney arrived, and acting on his advice, Hilbert refused to take the test and was returned to the Farms station, where he was given a ticket for driving while under the influence of liquor, and he was released after posting a bond of \$150. He is scheduled to appear in court on January 28.

Hilbert hired his own wrecker trucks to pull his car back onto the road. It was not disclosed if it was damaged to the extent that it was not driveable.

Academy Visited By Marionettes

The Philip Molby Marionettes with their one-third life-size marionettes presented "Rumpelstiltskin" as a complete theatrical production in miniature Wednesday, January 14, at the Grosse Pointe Academy.

The ageless classic fairy tale, "Rumpelstiltskin", by the Brothers Grimm when performed as professionally as by the Molby Marionettes, continues to cast an aura of magic over its young audiences. As a learning experience, the dramatization represents a gentle approach to the teaching of important facts of life regarding a variety of human behavior patterns.

This cultural experience was made possible with the support of The Michigan State Council for the Arts, Detroit. The Council was proposed by Governor George Romney and established by the 1966 Michigan Legislature to provide a wide variety of programs and services in the performing, visual and literary arts. Their services are made available to community groups and organizations throughout the State.

Frugal horn

Go ahead. Pinch a penny. Choose a Porsche, Audi, Volkswagen or Mercedes-Benz from the Woods. Whichever you select, it'll be a frugal buy, regardless of initial cost.

Because each of these superbly built automobiles represents real basic, down-to-earth value. Value that starts the day you buy. Value that lasts until the day you sell or trade. Value that shows up in driving economy. Reliability. Minimal service.

Value, after all, is what makes a purchase frugal. And that's what you get when you deal with the Woods... value, backed by superlative service... at the sign of the frugal horn.

Pointe Entry

(Continued from Page 1) cipation, and (5) Miscellaneous Activities. Each area will be graded on a point basis of 0 to 20, for a total of 100 points.

Judging will take place in late January, and the results will be announced at that time. In the final judging, the 10 best entries in each population category are chosen to be trophy winners.

From these 30, one city, regardless of size, will be selected by the judges as having the most effective, far-reaching program exemplifying the principles of community betterment. This city will receive the Trigg Trophy, the highest award possible in the Contest. From the remaining entries, Distinguished Achievement Award winners and entries deserving of Honorable Mention will be decided upon the basis of their total point scores.

The formal presentation of all awards will take place February 24 in Washington, D.C., climaxed by the 1970 National Congress on Beautification which is also sponsored by the Clean-Up Bureau. Mayors and citizens' delegations from across the nation have been invited to attend the Congress and to accept the award earned by their city.

Judges for the 1969 National Clean-Up Contest are: Mrs. Walter Varney Magee (Chairman), President of the General Federation of Women's Clubs; Richard L. Breaud, Manager of the United States Chamber of Commerce's Community and Regional Development Group; Charles A. Byrley, Director of Federal-State Relations of the National Governors' Conference and Director of the Washington Office of the Council of State Governments; Mark E. Keane, Executive Director of the International City Management Association; Dr. Sal J. Prezioso, President of the National Recreation and Park Association; Dr. Raymond C. Hospital Costs Increase, But So Do The Services

Many people have expressed concern of late over the increase in hospital costs, but few have mentioned or even considered, the increase in hospital service, the additional staff, and the increase in just plain know-how in the hospital's that serve us today.

Cottage Hospital, which is currently involved in six-and-a-half million dollar expansion and modernization program which will offer many additional services for patients. Included in the immediate future of Cottage is the addition of an Intensive Care Unit and Physio-Therapy Department; new facilities for the Operating Room and Emergency Room, enlarged Radiology Department, Laboratory, Storeroom and Central Supply, and the addition to two floors of patients beds in the new wing for Mental Health and Extended Care.

Hospitals have become the citadels of modern medical miracles, saving lives, curing disease, easing pain and ensuring good health, all at a bewildering pace.

In the last 100 years, the average life expectancy has increased from 41 to 70 years. Today, three out of four newborns may expect to reach their 63rd birthday; half may reach 75.

Even as recently as 20 years ago, only 58 percent of stroke patients survived, now more than 74 percent do. The survival rate for patients with acute

Concert Sunday At South High

Russell D. Reed, Director of Instrumental Music for Grosse Pointe South High School, has announced the program for the annual Winter Concert scheduled for 4 p.m. on Sunday, January 18. It will be given for the first time in the recently-completed auditorium of North High School, 707 Vernier Road.

The concert features three instrumental ensembles, the school's Symphony Orchestra, Concert Band, and Symphony Band. "Each group will perform music of varied styles with appeal to all music lovers," Mr. Reed said today.

Miss Cindy Johnson, senior at South High School, will be the featured soloist of the afternoon as she performs a bassoon solo. Cindy is one of the top academic scholars of her class as well as first bassoonist in the Symphony Band and Symphony Orchestra. She has attended the National Music Camp at Interlochen, Mich., in past summers and is a private student of Lyell Lindsey of the Detroit Symphony Orchestra. She will be accompanied on the solo by the Symphony Band.

The Symphony Orchestra will play Jacob's "Fantasia on the Alleluia Hymn," the Third Movement of Bach's "Brandenburg Concerto No. 3," and Rimsky-Korsakoff's "Russian Easter Overture."

The Concert Band will be featured in Rachmaninoff's "Prelude in C Minor," Grundman's "Little March," and selections from the contemporary musical comedy, "Hair."

Following the intermission the Symphony Band will perform "Variations on a Korean Folk Song" by Chance. Cindy Johnson will perform Bourdeau's "First Solo" accompanied by the Band. The total ensemble will play Giannini's "Symphony No. 3" to conclude the program.

Tickets will be available at the door on the afternoon of the concert or from any band or orchestra member.

REPORTS HITTING CAR

Mrs. Julia Council, 16937 Cranford, called City police on Saturday, January 10, to report hitting a parked car at 757 Notre Dame the previous evening. She attempted to report this to the owners of the vehicle at the time but they were not at home. Mrs. Council told officers she was traveling south on Notre Dame when she ran into the rear of a vehicle parked at the curb belonging to Ethel Drake. No violation was issued.

College Night Set At South

Grosse Pointe Public School System has set up a meeting for parents of South High School juniors, Monday, January 19, at 8 o'clock, for College Information Night.

At that time parents of juniors at South High will meet with counselors concerning such questions as, "How and when to begin college planning for high school eleventh graders? Which tests should a junior in high school take? When does he sign up for such tests? How do we learn about

Smoking Withdrawal at Clinic Attracts 700

(Continued from Page 1) wick road, a steel salesman, attended the clinic upon his wife's urging. A 21-year, pack-a-day smoker, Mr. Kennedy is finding the going a little rough. He told the NEWS that he found gradual withdrawal better for him than complete withdrawal. He is now down to a half a pack a day. When we spoke to him he had gone two

days without a single cigarette. Mr. Kennedy was most impressed with the clinic and felt that the group approach was indeed the answer. Because his job often requires he wait for a client and because that was when he lit up, Mr. Kennedy has had a tough go of it, but appears confident that eventually he will be able to eliminate cigarettes completely.

Catch Suspect Following Chase

Woods Public Safety Officers, Lieutenant Allan Selby and Patrolman Ted Hinz, utilized a military type "blocking" action on Wednesday, January 7, to outmaneuver and capture a fleet-footed bandit in Harper Woods.

Shortly after 7:30 p.m. on that date, while on routine patrol, Hinz heard an all-units alert to be on the watch for a suspect in a breaking and entering incident at 21365 Briarstone, in Harper Woods. Hinz responded to the call under the Harper Woods-Grosse Pointe police mutual aid assistance pact.

While checking from his patrol car north on Canton, Hinz observed a male in dark clothing, standing between the sidewalk and the northeast corner of 20944 Parkcrest. As the officer approached the man, he broke and ran in a westerly direction. At this time, Hinz radioed for assistance, left his car and pursued the running man.

Hinz followed a set of tracks in the newly-fallen snow, which led over a fence and back again and seemed to trail off at the rear of a garage on Parkcrest.

As Hinz looked through a window in the side of the garage, the suspect ran from the front door of the structure. Hinz ordered him to stop several times, but the man failed to heed his call and the officer fired a warning shot into the air from his service revolver. The man still refused to stop and once again leaped over the wooden fence.

After losing the man's tracks in the snow, Hinz and a number of other Woods officers began a thorough check of the homes, garages and shrubbery throughout the area.

It was at this point that Lt. Selby discovered the suspect, James Hunt, of 1526 Crane, Detroit, hiding in a clump of bushes in front of a home at 20874 Woodmont. He was arrested and transported to the Harper Woods police station, where he was charged with Breaking and Entering.

A wristwatch confiscated from the man matched the description of the one taken from the burglarized home and the man's ripple-soled shoes matched the footprints found at the scene.

NO MATCH FOR POLICE

A Neff road resident called City police on Saturday, January 10, to report a boy in the rear of her residence, who was playing with matches. On arrival officers found two 13-year-old boys with the matches. They were sent on their way.

Library Offers Film on Drugs

The third program to be presented by the Friends Film Forum, co-sponsored by the Friends of the Grosse Pointe Public Library and the Grosse Pointe Public Library will be presented Friday, January 16, at 8 p.m. in the Exhibition Room of the Central Library.

This series of programs is planned especially to provide unusual and outstanding films for discriminating viewers and is given on the third Friday of each month with the exception of December when there is no program.

The January film is "The Poppy Is Also a Flower," based on a story idea of Ian Fleming's. It is in color and runs 100 minutes. The film was directed by Terence Young (Dr. No., Thunderball) and employs one of the most impressive international casts to be used in a single film.

Produced under the auspices of the United Nations to emphasize the problems involved in the widespread illegal traffic in drugs, it was filmed at exotic locations in Europe and the

Near East. Young's direction is shrewd and the pace is brisk-

ling; Henri Alekan's outstanding color photography and Georges Auric's score add to the mood of suspense.

Follow-Ups Planned

Mr. Lajdlaw said that follow-up sessions are currently being set up. Hopefully once-a-month sessions, during which time participants will exchange withdrawal systems and discuss the changes dropping the cigarette habit has brought them. An annual program celebrating "Freedom from Smoking" is also being planned.

Mr. Lajdlaw told the NEWS that because of the tremendous response, hospital authorities are planning another Smoking Withdrawal Clinic in the immediate future. Those interested in participating should call St. John Hospital, 881-8200, for class reservations and information.

Local Chorus Seeks Voices

The Grosse Pointe Community Chorus will begin registering members for their 18th annual Spring Concert season on Tuesday, January 20. Old and new singers are encouraged to come to Parcels Middle School at Mack and Vernier at 7:30 o'clock so that rehearsals may begin promptly at 8 o'clock. Registrations will be taken through February 3.

Director Richard B. Johns and chorus president James Kelley have announced that patron contributions have reached the goal set by the Patron Committee last fall. This successful drive has enabled the music committee to select an entire program of new music. Included will be such "new" sounds as "Yesterday," from the Beatles' repertoire; "Scarborough Fair"/"Canticle" by Simon and Garfunkle as arranged by assistant conductor Sue Hughes; Selections from "West Side Story" and "Hair." Accompanist Jerry Hughes will be featured in "Sheep May Safely Graze," by Bach.

William Y. Gard, director of the popular singing Grunions, has made available to the chorus his settings of fine songs from "When We Were Very Young," by A. A. Milne. These charming tunes promise to be a favorite of the chorus as well as the audience at the Spring Concert slated for Sunday, April 12, at the North High School's Performing Arts Center.

All those interested in singing are urged to come and be a part of the "New sound — new look for the '70's." There is a \$6 fee for single registrants and couples are charged \$10. For further information, please call TU 6-0710.

D'you Know That?
by Paul Schweitzer

Anyone who has resolved to BREAK THE CIGARETTE HABIT can take a measure of advice from a Connecticut doctor, who claims that heavy smokers can break the habit, without difficulty, by taking 5 minute breathing exercises several time a day.

The exercises consist of merely inhaling and exhaling deeply, at the rate of about 15 times per minute. The extra supply of oxygen from the air, coming in contact with red blood cells, seems to satisfy the cigarette hunger.

Sounds like a rather interesting experiment—that is if you can still find some fresh air fit for inhaling.

FLEC Seeking Answers To Drug Abuse Problem

By Pepper Whitelaw

The Grosse Pointe Family Life Education Council continues to work toward finding answers to the growing drug abuse problem. The board of directors met recently at the War Memorial.

At that time the results of a meeting between Ed Krattli, Detective Martin Trombley and psychiatrist was discussed. Mr. Krattli said his committee on Treatment Services felt that there has been little success with any of the following methods of treatment used:

1. Private psychiatric treatment:
 - a. Youngsters don't talk about addiction.
 - b. Physicians are giving methadone indiscriminately.

The youngsters sell the methadone to support their heroin habit.
 2. Hospitalization for:
 - a. Detoxifications—there is little follow-up service. A doctor has been able to get the needed beds, however.
 - b. Hepatitis—There is no follow-up with the family physician after discharge. They are treated medically for hepatitis with no regard for the drug addiction.
 3. The family doctor is giving methadone without consultation and follow-up treatment.
- The committee came up with the following recommendations:
1. Extensive education of medical community:
 - a. Follow-up visits for patients on methadone or treated for hepatitis.
 - b. Make known community resources for hospitalization and other available treatment.
 - c. Inform professionals regarding the indiscriminate use of methadone.
 - d. The need of cooperation between physicians, FLEC and patients treated or suspected of using drugs.
 - e. Alerting the medical community of the lack of success in presently employed treatment methods.
 - f. Safeguarding prescription pads in doctors' offices and careful disposal of used syringes. Teens are picking up old syringes in alleys and selling prescription pads for personal prescriptions.
 2. More parental involvement.
 3. More school involvement.
- Do crash program on heroin.

in alone. School authorities are presently working with school social workers.

4. Repeated education to the community of FLEC and other services available to Pointe teens.
5. Inform parents of teens involved with drugs and work closely with them.
6. Workshop for police and courts on services available and of the specific dynamics of drug addiction.

William Bryant, Jr. of the Wayne County Board of Supervisors discussed the Governor's Task Force Model Program which will be recommended to the governor for approval.

He said the program consists of four phases, most of which have been incorporated in FLEC's own program. They include local screening and intake service, withdrawal and detoxification therapy, in-patient diagnosis and evaluation treatment service and primary out-patient service.

A committee to study the governor's program, evaluate FLEC's program and prepare a public presentation was formed. Committee members include Ed Krattli, Al Sheldon and Dr. Harry Meserve.

Anyone interested in helping FLEC fight the drug problem can do so by purchasing tickets

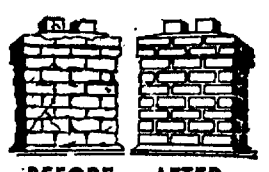

to the Tennis Champion Tournament slated for Saturday, January 31, at 8 o'clock, at Olympia Stadium. It will feature internationally known tennis stars like Rod Laver, Pancho Gonzalez and Roy Emerson. Part of the proceeds will be donated to FLEC, but only if the tickets are purchased through FLEC representatives or by calling FLEC at 885-7510. Ticket prices are \$6.50, \$5.50 and \$4.50. All students, under 18 years of age, will be admitted for half price.

Firemen Confine Furnace Blaze

Woods public safety officers extinguished a fire that started in the furnace room of the home of the Fred Andarys, 1577 Edmunton, on Sunday, January 11.

Mrs. Andary turned in the alarm, and the firefighters arrived as heavy, black smoke was pouring out of the windows of the house. The blaze was put out, and was confined to the furnace room, it was disclosed. The following day, Sgt. Henry Marchand and Sgt. Thomas Kane went to the Andary residence to investigate the cause of the fire. They discovered that the blaze started from a newly installed furnace blower motor.

The officers said they found the motor wires were joined from the control to the motor, but not on the armored cable, and that the wires were connected without wire nuts. The blower appeared to have been installed by someone not familiar with wire connections.

Open House Set For January 18

University-Liggett School will hold an Open House on Sunday, January 18, from 2 o'clock to 4 o'clock. At that time plans for the new University-Liggett School for fall of 1970 will be discussed.

The school will occupy two campuses with the Lower and Upper Schools at the University Campus on Cook road and the Middle School at the Liggett Campus on Briarcliff drive.

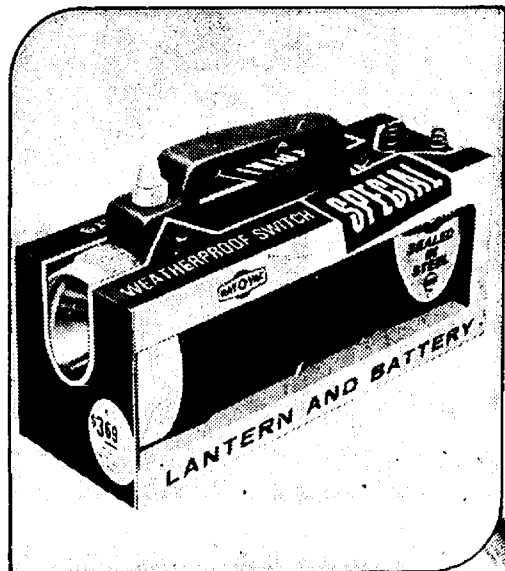

Student-conducted tours will take place on both campuses and faculty members will be present to discuss their programs. At half-hour intervals Frank J. Sladen Jr., assistant headmaster, and Raymond P. Robbins, headmaster, will speak briefly about the school and independent education in general and answer questions. Mr. Sladen will lead the question and answer periods at the Liggett Campus and Mr. Robbins on the University Campus.

Parents of students will serve coffee and refreshments in the dining rooms of the two campuses. This will provide an opportunity for prospective students' parents to meet and chat with the parents of students presently attending the school.

All guests are invited to bring their skates and enjoy the ice rink at the University Campus. Hot chocolate will be served at the rink.

North's debaters are now looking forward to the District Tournament slated for January 30 at Rackham Memorial Building.

Helicopter Firm Wins Grosse Pointe Park Spray Job

At a meeting held on Monday, January 12, the Park council rejected the low bid of a helicopter firm, and accepted the second low bid, for the spraying of 5,508 public and private elms in the city.

Winner of the spraying contract was the Ag Helicopter, Incorporated of Detroit, which sprayed the city trees last spring. The firm offered to do the job for a total of \$4,726.25, with the Park furnishing the methoxychlor chemical to douse the elms from the air.

The low bid was submitted by the Great Lakes Helicopter, Incorporated of Detroit, which submitted a bid of \$3,241.22. High bidder was the Clark Helicopter, Incorporated of Detroit, with its \$9,086.50.

City Manager Robert Stone recommended that Ag Helicopter be given the contract, not only because it did the job, and a good one, last year, but because the low bidder has not been spraying elms in high density areas.

Before the spraying last year, the city manager said, the city lost 52 elms on public property, and 33 on private property.

Herbert Heger, director of public service, said that the spraying program should begin any time after March 1, depending on the weather. He said that there are approximately 2,387 private elm trees and about 3,119 public elm trees to be sprayed this year.

He disclosed to the council that last year, about 60 residents did not take advantage of the city contracting to having their trees sprayed, and that these people preferred having the job done by a contractor of their own choosing.

fixtures to become brittle and susceptible to cracking.

4. The presence of extra dry air increases house dust which, aside from the nuisance involved, aggravates allergies and carries germs-laden bacteria.

The solution to this problem is actually a simple one. Proper humidification can be obtained by the installation of a Carrier furnace humidifier to automatically place the correct amount of moisture in the air. This means a comfortable 35 to 45% humidity at 70 degrees, and no more dry air problems.

Remember though, that all humidifiers place some amount of moisture in the air, no matter what they cost. The efficiency and capacity of the unit, however, depend on the individual requirements of the home, and the type of unit installed.

The cost of humidifiers range from \$35 to \$165, depending on their size and type of installation. If you recognize any of the problems mentioned, call us, and we'll discuss your home's requirements.

When you heat your home during the winter months, this heating process removes the moisture from the air, and causes a constant dry condition that often produces an excess amount of static electricity on rugs, drapes, and even slippers. Unless replaced, this hot, dry air robs the moisture from everything it contacts. This means that:

1. The mucus membranes of your nose and throat dry out, causing increased susceptibility to colds and respiratory ailments. Allergy problems are aggravated and your general health suffers.
2. The moisture from your body evaporates, making you feel uncomfortable. This in turn causes you to turn up the thermostat which does not help the situation at all with your proper Carrier humidification, you can set the thermostat at 70 degrees and feel as comfortable as you would with the thermostat set at 75.
3. The robbing of moisture from the air causes walls, plaster, and even furniture and rugs to dry out. This condition can cause many

Hockey Squirts In Four Games

The Grosse Pointe Hockey Association's Squirt Division continued play over the New Year's weekend with four games.

The warmest story to come out of frigid McCann rink was the first victory of the season for the Wolves. The Wolves, who had not scored in their previous three games and had lost all five of their league contests this season came up with a fine performance on Sunday, January 4, by beating the Pros 5 to 1.

The hard work of the Wolves' coaches, Messrs. Fessenden and Kydd was evident as Tom Conway scored his first goal as a Squirt and then followed with two more to give the Wolves their first "hat trick" of the season.

Jeff Kydd had opened the scoring for the Wolves in the first period and Mike Mallard had evened things up for the Pros two minutes and 10 seconds later. However, the Wolves' superior skating allowed them to dominate play throughout the remainder of the game.

On New Year's Day afternoon, while most unhappy fans were watching Michigan lose in the Rose Bowl, the Jets continued their winning ways with a 3 to 0 victory over the Comets. In spite of the defeat, Bill Tripp played well in the goal for the Comets as did defenseman Miles O'Brien and Chris Ahee.

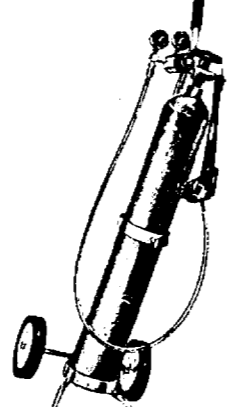

The Jets then followed with a 7 to 0 victory over the Pros on Saturday, January 3. During the two game span Kenny Hayden scored six of the Jets' 10 goals and assisted on two others. He now leads the league with 14 points while his two line mates, Jeff Logan and Bob Fraser are tied for second with 7 points apiece.

In the fourth game of the weekend, the Comets beat the Wolves 4 to 0 as Tom Matthews scored twice and picked up one assist for the Comets. The Comets carried the play on the hard skating of Steve Levick, Don Orlando and "third liner" John Cox. Scot Santi turned in his usual fine performance for the Wolves, but by the third period both he and his mother, one of the most loyal spectators at McCann, appeared somewhat frozen by the 5-degree temperature.

At the close of the second round of play the Jets continued

to lead the league with 12 points, the Comets are in second with seven points and the Pros and Wolves trail with a total of three and two points respectively.

Motorist Faces Double Charge

Rogie Gardner, 49, of 858 Roselawn, Detroit, was arrested and charged with two counts of traffic violation on Wednesday, January 7.

Farms Patrolman Gerald Deburghraeve said he was on routine patrol on Lake Shore road, when he observed Gardner driving north on the road in an erratic manner, weaving from lane to lane. The motorist would also slow down and then speed up again, the officer said.

The policeman said he trailed Gardner from Fisher road to Kerby road, where he stopped him and demanded the man's operator's license and car registration. Gardner was unable to produce a license, and a check with the station revealed that the man's license had been revoked by the Secretary of State's Office in Lansing.

At the station, Gardner was issued a violation ticket for improper lane usage and another for driving while his license was revoked.

He was released after posting a bond of \$150 and is scheduled to appear before Farms Municipal Judge Robert Pytell yesterday, January 14.

Sermon To Air Youth Problems

"Manners, Ritual and Reality," the third in a series on Problems and Attitudes of Youth, will be presented at 10:30 o'clock, on Sunday, January 18, at the Grosse Pointe Unitarian Church.

On hand to comment on the theme will be Thomas Peebles of University-Liggett School and Roger McCraig, of the Grosse Pointe Public School System.

A discussion will follow the sermon.

Police Accuse Errant Driver

Johnny O. Stewart, 37, 3142 Lakewood, Detroit, was charged with driving while under the influence of alcohol on Sunday, January 11, for which he received a violation ticket from Woods police, after which he was released to Detroit and Park authorities who have outstanding traffic warrants against him.

The arresting officer, Patrolman James Davidson, said he was on patrol on Lochmoor boulevard when he saw Stewart approaching in a car with one headlight, and at a high rate of speed. The motorist was weaving from side to side in his own lane, and stopping and starting as though not sure of himself, the officer stated in his report.

Stewart began crossing the center line at Torrey road, and nearly struck a parked car at Huntington. Davidson said he attempted to stop the man for about five blocks, his flasher and siren on, and finally brought him to a halt at Littlestone road.

Davidson said he ordered Stewart out of the car, and that the man appeared unsteady on his feet. Stewart was placed under arrest for drunk driving and taken to the station, where he was given a breathalyzer test, which he failed.

He was issued a violation ticket for driving while intoxicated, after which a check with other departments disclosed that he was wanted by Detroit authorities on two traffic warrants, and by Park police, who have a traffic warrant for his arrest.

Stewart posted a bond of \$100 and was released pending a hearing date in the Woods Municipal Court.

Cpl. George Beecher Promoted in Vietnam

Marine Corporal George A. Beecher, son of Dr. and Mrs. Alvin J. Beecher of 1070 Renaud road, was promoted to his present rank while serving with the Third Battalion Eleventh Regiment, First Marine Division in Vietnam.

His promotion was based on time in service and rank, military appearance, and his knowledge of selected military subjects.

Wildcats Win Twice on Ice

The Lee Tire hockey team from Dearborn fed the claws of the Wildcats on Wednesday. To get things started Chad Morris poked the puck in during a goal mouth scramble. Linemates Jeff Wisler and Bryan Cammett helped scramble.

The next Pointers goal went in the upper corner after a hard shot by Bryan Cammett on a pass from Jeff Welscher.

With the score tied and the Wildcats short a player, team Captain Jeff Welscher stole the puck behind the Dearborn net, and scored. Tom Stewart, assisted by Tom McCubbin, turned the red light on behind the Dearborn goalie once more to end the scoring. The "Cats" were short-handed on this goal also. The final was 4-2 for the Wildcats.

Saturday night found the Wildcats prowling the ice at Winter Wonderland. The pack skated together to blank the Farmington Flyers 5-0. Jim Farquhar and Bill Kidd shared the goal tending honors. John Lange received a pass from Jim Klimchuk and scrambled two Flyer defenses for the first tally of the night.

In the second period Chad Morris added two more, on tips from Bryan Cammett and Jeff Welscher. John Batten fired a slap shot from the point into the uprights. It was John Langes' pass that started this play for the fourth goal. Jom Klimchuk capped the scoring in the third period when his centering pass from the corner deflected off a Flyer defenseman skate into the net.

Recent line changes finds Tom Stewart centering Jim Klimchuk and John Lange. This line has been coming on strong. Jim Carbone, who filled the vacancy on defense, has been equally successful.

On Sunday, the tough Marquette Machinery Team stopped The Pointers winning streak by beating them 5-3. In their first meeting Marquette won by five goals. The Wildcats plan to take them next time.

Camera Club Meets Jan. 20

From Another Pointe of View

By Janet Mueller

If YOU had asked about one thousand guests to luncheon, wouldn't you like to have the R.S.V.P.'s in early?

Well . . . Mrs. John A. Dodds, chairman of the Grosse Pointe Garden Center's annual luncheon meeting, is mailing invitations to ALL Garden Center members.

And that ALL, according to membership chairman Miss Marie Louise Anderson, translates as nearly 1,000 prospective acceptances.

And the luncheon's just a day more than two weeks away, on Friday, January 30, at 12:30 o'clock in the Aiger House of the Grosse Pointe War Memorial.

And members are not only being invited but URGED to attend this year's meeting.

In fact, hoping to lure more ladies "out," the Garden Center's Board shortened the agenda AND decided to have a really INTERESTING speaker!

Mark C. Stevens, of Moross road, a senior vice-president of the Detroit Bank and Trust Company and Honorary Royal Thai Consul in Detroit, will show his superb colored pictures of Thailand.

Mr. Stevens, incidentally, is a past-president of the Grosse Pointe War Memorial.

Mrs. Stevens of course you know: Serena's a long-time member of the Garden Center board, serves as its current hospitality chairman and was co-chairman of procurement of homes for the very successful 1969 House Tour, the Garden Center's biggest annual fund-raising event.

And if the prospect of delicious food, (as usual, Mrs. Dodds is working closely with Miss Helen Blair, who's responsible for those delectable War Memorial meals, in planning the January 30 menu), and a fascinating program weren't enough to assure a record attendance, there's the opportunity to honor that very dedicated, much-admired lady Mrs. John W. Mulford.

Mrs. Mulford, the Garden Center's retiring president, will step down officially at the end of two years' outstanding service.

Completing the business-of-the-day will be the election of new officers and a History of 1969—replacing individual committee chairmen's reports—read by the Center's historian, Mrs. Hansel Dwight Wilson.

So you can see early reservations for THIS affair are imperative.

They should be mailed to the Garden Center Office at the War Memorial with a \$3 check enclosed.

Prerequisite for attendance, as you know, is Garden Center membership, with \$3 per year annual dues. Miss Anderson's receiving those.

A check for \$6 would take care of BOTH membership. (Continued on Page 14)

Short and To The Pointe

JAMES ZAKEM, son of MR. and MRS. JAMES ZAKEM, of Kensington road, a student at Austin Catholic Prep School, will be a guest at a banquet in Cobo Hall on Tuesday January 20, honoring the 1970 winners of the Detroit Police Department Youth Award. James will be presented with a certificate as well as a nameplate for the school's Youth Award plaque during ceremonies preceding the banquet.

MARY L. MORGAN, daughter of the JAMES MORGANS, of Yorkshire road, was among the 77 new members of the Stoic Society at Eastern Michigan University honored recently at a reception in the Alumni Lounge of McKenny Union. New members are selected from all scholastically-eligible sophomores and juniors by recommendations of fellow students and faculty members.

Home again in Grosse Pointe is DAN TELEP, released from active duty as a lieutenant with the Marine Corps at Camp Lejeune, N.C., (he served in Vietnam twice, in 1967 and '68), son of MR. and MRS. MICHAEL TELEP, of Wayburn road.

VIRGINIA FORD, daughter of FREDERICK C. FORD, JR., of Bishop road, and MRS. WILLIAM WALLER, JR., of Aspen, Colo., a senior, has been named to the Honor Roll for High Honors at the end of the first trimester period at the Stoneleigh-Burnham college preparatory school in Greenfield, Mass.

STELLA CIAMINTARO, daughter of MR. and MRS. CHARLES CIAMINTARO, of Berkshire road, is currently serving as president of Goodison Hall at Eastern Michigan University. As president she represents the interests of students living in the residence hall and makes it possible for students to have a voice in the making of policies that directly affect them. Stella is a freshman at Eastern.

A Birthday Portrait For Dr. Seegers

DR. WALTER H. SEEGER, of Barclay road, professor and chairman of Physiology and Pharmacology at the Wayne State University School of Medicine, was honored with a portrait of himself on his 60th birthday Monday, January 5. Dr. Eberhard Mammen presented the portrait, a gift from Dr. See-

gers' staff members, at a luncheon given by Dr. John M. Dorsey, the University Professor at WSU. Admiring the oil painting, done by Mrs. Cloy Kent, of Iowa City, Iowa, with "the subject" are the subject's wife, LILLIAN SEEGER, (right), and daughter DOROTHY.

Special honoree at the first annual banquet of the J. L. Hudson Company's Twenty-Five Year Club, an organization of employees who have worked for Hudson's 25 years or more, held January 8 in Cobo Hall was PETER BIGLIN, of Robert John road, an office furniture salesman in Hudson's Contract Division, celebrating his 55th year on the job—and the first person outside the Hudson/Webber family to reach a 55th anniversary with the company.

MR. and MRS. JOHN SCHERER, of Ann Arbor, announce the birth of a daughter, CAROL

ANN, Christmas Day, December 25. Mrs. Scherer is the former BARBARA JANE SHOVER, daughter of the BERTRAND SHOVERS, of Grayton road. Paternal grandparents are the ERNEST SCHERERS, of Ridge road.

Named to the President's Honor List of Walsh College of Accountancy and Business Administration for the Fall 1969 semester is Grosse Pointe High School graduate JOHN RAE LEROY, of Aline drive.

LYNN B. ENGSTROM, daughter of the ARTHUR H. ENGSTROMS, of Three Mile drive,

has again been named to the Dean's List at Southern Illinois University where she is having her first one-woman show of pen-and-ink drawings and water-colors through the month of January. Some of Lynn's work was previously exhibited at Steenberg Museum, St. Louis, Mo.

The 119-year-old Detroit Commandery Number One, Knights Templar, has added GEORGE N. BASHARA, of Balfour road, Judge GEORGE N. BASHARA, JR., of Sunningdale drive, EDWARD FOOTTE, of Merrivewath-

Gala President's Ball Lights Up Lochmoor

Outgoing Executive Robert F. Grow and Mrs. Grow Honored at Formal Party in Club's New Facilities

Lochmoor Club's new facility were the scene of a gala President's Ball Saturday evening, January 10, honoring the Club's outgoing president and his wife, Mr. and Mrs. Robert F. Grow.

Robert F. Powers, a director of the Club, presented President Grow with a silver platter engraved with the signature of all the members of his board of directors.

Kenneth Adler, chairman of the Golf committee, presented him with a portrait the committee commissioned to be painted by W. H. Anderson of the Greenbrier, White Sulphur Springs, W. Va.

New president Don Dykstra gave Mrs. Grow a gold personalized charm, and master of ceremonies Lee Schoenith presented her with two dozen long-stemmed roses to commemorate her husband's service to Lochmoor.

A beautiful trophy basket, carved in ice and holding three dozen yellow roses, was the focal point in the foyer entrance.

The dining room featured a rainbow fountain and a carved-ice bowl filled with shrimp.

Dinner music was provided by the Detroit Symphony Strollers who circulated among the diners.

As a special touch of nostalgia Mrs. Grow wore the gown made for her 30th wedding anniversary. And the orchestra

playing for the President's Ball was the same group, directed by Jack Qualey, which had played for the anniversary party.

Directors and their wives in attendance included Mr. and Mrs. Dykstra, Mr. and Mrs. Ned P. Macaddino, Mr. and Mrs. James D. Tracy, Mr. and Mrs. Robert A. Cunningham, Mr. and Mrs. Carl G. Rent-schler, Mr. and Mrs. William C. Schutz, Mr. and Mrs. Samuel R. Nicholl, Mr. and Mrs. Fred Wolf and Mr. and Mrs. Powers. At the President's table with Mr. and Mrs. Grow were Mr. and Mrs. Tom Lott, Mr. and Mrs. George Lott, Mr. and Mrs. William Trader, Mr. and Mrs. J. Henry Smith, Miss Eleanor Grow, Mr. and Mrs. Peter Fortune and Mr. and Mrs. Roger Powers.

Among other guests were Mr. and Mrs. Frank Colombo, Judge and Mrs. Douglas Paterson, Dr. and Mrs. Max Gardner and Dr. and Mrs. Eugene Boyle.

The decorating committee for the event was headed by Mr. and Mrs. Joseph L. Gaspar.

The record attendance of 350, largest in the Club's history, was made possible by the Club's newly opened, expanded clubhouse.

when another class of about 40 will be officially introduced to the rest of the Commandery at a banquet in the Masonic Temple's Fountain Ballroom. HARRY W. BROWN, of Willson road, is the Commandery's Eminent Commander and CARL A. NOLTE, of Clairview road, is membership chairman.

AAUW Study Group Schedule Meetings

All Members And Friends Invited to Participate In Special Theater Party Saturday Evening, January 24

The Grosse Pointe Branch of the American Association of University Women's Folk Music Study Group will meet at the Vernier road home of Mrs. Norman Gehlar next Monday, January 19, at 1 o'clock.

Mrs. John Moran and Mrs. Thomas Roach will present a program about the prairie farmer, his history and music.

Contemporary literature is sponsoring a theater party this month. Members will view "A Taste of Honey" at The Group Theater in Livernois avenue at 8:30 o'clock Saturday evening, January 24.

Like the British original this comedy-drama will have a jazz trio accompaniment and should be especially effective with intimate theater-in-the-round treatment by a new local professional group.

The AAUWers have been invited to stay afterward for refreshments, an informal jazz concert and conversation with the cast.

Ticket reservations may be

made at 886-7377 or 331-3391 by Saturday, January 17. Tickets are \$2.50 each (group rate). There is plenty of street parking, and the area, (right across from the University of Detroit), is excellently lit. Car pools may be arranged when tickets are reserved.

All AAUW members and friends are welcome.

The Book Group will meet Monday, January 28, at 1 o'clock in the Kenwood court home of Mrs. Ivan Kirlin. Robert Orr, director of the Grosse Pointe Public Libraries, will present a program.

Tennis . . . And FLEC

The \$200,000 10-city United States professional tennis tournament, with singles and doubles matches featuring internationally-known players Rod Laver, John Newcomb, Tony Roche, Fred Stolle and Pancho Gonzales, come to Detroit's Olympia Stadium Saturday evening, January 31.

And each ticket, (they range in price from \$6.50 adult to \$2.25 child), purchased on behalf of Grosse Pointe's Family Life Education Council puts a dollar in FLEC's pocket.

ALSO: The Olympia Club Room will be available to FLEC ticket-holders, offering liquid refreshments and a sandwich supper for \$1, (Twenty-five cents of THAT goes into FLEC's pocket, too).

Chairman of the ticket committee is Fred Sibley assisted by Ed Krattil, of the Neighborhood Club.

Local committee representatives include Mrs. Donald MacKay, for The Tennis House, Mrs. Murray Sales, for the Neighborhood Club, and Mrs. John Hastings, for the Country Club.

Mrs. Hastings and Mel Cunningham are making arrangements for bus transportation, at a cost of \$1.32 per person, from the County Club to Olympia and back again.

Other localities involved in tournament preparations are Mrs. Walter Howell, representing the Lakeshore Tennis House, Mrs. Jack Whilms, in charge of publicity, Mrs. David Robb, for The Tennis House, Mrs. David Summers, who heads Tennis and Crumpets, Inc., and Mrs. Edward Devine, representing the Indian Village Tennis Club.

Play begins at 8 in the evening. FLEC supporters have been promised the best seats available. Tickets may be obtained by calling TU 5-4600, (if a voice on the other end of the 'phone answers, "Neighborhood Club"—don't hang up: That's the Neighborhood Club's number).

An Ecumenical Gathering

The Women of Christ Church will meet Tuesday, January 27, to hear a talk by Father William Cunningham, volunteer head of "Focus: Hope" and teacher at Wayne State University.

And their special guests at the gathering to be held in the Church Undercroft at 11 o'clock will be members of St. Paul's-on-the-Lakeshore Altar Society. Isn't that nice?

Pointe Garden Club To Meet

Members of the Pointe Garden Club will gather at 12:30 o'clock in the University place home of Mrs. Ernest Ray for their Monday, January 19, meeting.

ROBERT BUTTON, English teacher and publication advisor at Grosse Pointe South High School, has been named first vice-president of the Journalism Education Association, the national journalism teacher organization. He also has been elected vice-president of the Michigan Interscholastic Press Association.

Mrs. Edwin Ross and Mrs. Manfred Whittingham will assist the hostess and a program on New Garden Books will be presented by Mrs. Frank Reid, Jr.

Mr. Johnstone To Take Bride

The engagement of Gloria Elizabeth Grinnell and William D. Johnstone has been announced by her parents, Mr. and Mrs. Harry M. Grinnell, of Bloomfield Hills.

The prospective bridegroom is the son of Mr. and Mrs. W. Gordon Johnstone, of Grosse Pointe boulevard.

They plan a February 14 wedding in Christ Church, Grosse Pointe, and a Caribbean vacation after which they will make their home in the North Shore Apartments, St. Clair Shores.

Founders Fete Planned By Kappa Alpha Thetas

Kappa Alpha Theta Detroit Alumnae Chapter and Birmingham-Bloomfield Hills Alumnae Chapter will combine forces for a gala 100th year celebration in honor of the sorority's Founders Day.

A noon luncheon is planned for Saturday, January 24, at the Village Women's Club in Bloomfield Hills. All area Thetas are invited to attend and honor the founders, past-presidents and 50-year Thetas.

The Barbour Chapel of Grosse Pointe Memorial Church was the setting for the Saturday, January 13 wedding of Julia Devereux Munger, daughter of Mrs. Eleanor Brown Munger, of Lakeview avenue, and Stephen Garrett La Follette.

He is the son of Mr. and Mrs. Herschel Hogan, of Galesburg, Ill.

The bride's floor length ivory gown was fashioned with a high-necked long-sleeved Empire bodice. A matching headband caught her waist length illusion veil and she carried an arrangement of white Sweetheart roses, fuchsia and ivy.

She was given in marriage by her brother, Frank Weber Munger, Jr.

Her attendants, honor maid Carol Smiley, of New York, and bridesmaids Charlotte Klapp, of Beloit, Wis., and Betsy La Follette, the bridegroom's sister, wore floor length frocks of American Beauty red peau.

They carried bouquets of white carnations tipped in shades of pale pink to red, with ivy accents.

Best man was Daniel Kelly, of Milwaukee, Wis., John Pedote, of Galesburg, and James

Hunter Brown, Jr., cousin of the bride, seated the guests. The rites were followed by a reception at the Briarcliff drive home of Mr. and Mrs. Frank J. Sladen, Jr.

The newlyweds, both graduate students at the University of Tennessee, are making their home in Knoxville.

There's no such thing as social security on the wages of sin.

Plan Pettipointe Quester Meeting

Mid-Year Meeting To Draw Gardeners

Members of District One, Federated Garden Clubs of Michigan, Will Gather at City Club for All-Day Program January 28

The International Language of Flowers will be the theme for the Mid-Year Meeting of District One of the Federated Garden Club of Michigan, Inc., to be held at the Women's City Club Wednesday, January 28. Registration will open at 9:30 o'clock and the business session will begin at 10 o'clock.

Mrs. William H. Barton, of Lansing, president of the National Council of State Garden Clubs, Inc., will relate some of the high points of her recent trip to London where she attended the "Festival of Flowers" at St. Paul's Cathedral.

Mrs. Hansel Dwight Wilson of South Oxford road, state chairman of World Gardening, will speak and Mrs. Robert Palmer, of Lakeshore road, state president of the Federation, will greet members of District One. State chairmen will report on their respective offices.

As part of the morning program, Mrs. Richard Gerathy, member of the recently formed Herb Society, will discuss the origins of various herbs and their uses.

Following luncheon seven talented arrangers from District One will present arrangements and table settings interpreting a foreign land. Areas included will be Mexico, Japan, South America, France and the Iron Curtain countries of Europe.

Arrangers featured in the afternoon program are from various areas of District One: Mrs. Eric Bergmann, of Trenton; Mrs. P. N. Askounas and Mrs. Fred Trickey, of Bloomfield Hills; Mrs. Charles Ellinwood, of Wyandotte; Mrs. Joseph P. Ziska, of Farmington; Mrs. Bruce J. Romant, of Detroit; and Mrs. Paul Machuga, of East Detroit.

Mrs. William J. Sullivan, second vice-president of the Federated Garden Clubs of Michigan, Inc., will be the commen-

Spring Bride

Mr. and Mrs. Thomas J. Moran, of Sunningdale drive, are announcing the engagement of their daughter, CATHERINE JANE, to Alvin Arthur Rutledge, of Detroit, son of the late Mr. and Mrs. Thomas J. Rutledge.

An early spring wedding is planned.

The bride-elect was graduated from Marquette University, Milwaukee, Wis., and is presently teaching in the Detroit Public School System. Her fiancé is a graduate of John Carroll University, Cleveland, O., and the University of Detroit Law School.

Inside the Mothers Club

The major topic of conversation of the Grosse Pointe High School Mothers Club Executive Board meeting in January was the importance of voting "Yes" for much-needed school millage on January 26.

Mrs. Douglas Smith, president of the Mothers Club and Millage chairman of GPSHS since before the November election, said, "If we are to keep the quality of education we want for our students it is urgent that we vote for the operation millage."

"If we are to accommodate a growing enrollment with additional staff members, keep up with inflationary costs of goods and service and keep salaries competitive the citizens of this community must approve the added millage."

Mrs. Smith pointed out a number of steps instituted by the Board of Education to reduce costs: Use of portable classrooms, increased tuition of summer school and adult education classes, increased cafeteria prices, use of teacher aids and para-professionals, to name a few.

Board members were also reminded that absentee ballots are available at the Board of Education Offices in St. Clair avenue and that voters are not required to be property owners. Faculty representative Mrs. Vorita McClure described the new English program planned for next year. Students will be offered a varied choice of media including Special Literature, Composition, Journalism, Drama and Reading Workshop, all of which involve reading and writing and therefore are

acceptable for college credit. Without the added millage, this program cannot be initiated.

Mrs. John Guba, PTA Council representative, urged concerned parents and residents of Grosse Pointe to write their Senator and Representative in Lansing protesting pending bills which are detrimental to our school system.

"The three mill limitation is certainly not to our advantage, nor are several bills giving vast centralization of controls. Additional statewide pupil testing and the elimination of the remedial reading program are also questionable," said Mrs. Guba.

Interesting January footnotes include the fact that Jerry Gerich, GPSHS Principal, extends a thank you to mothers who volunteer to help in the school. There is a need for added help from any who have the time and inclination.

Parents of 11th Graders are urged to attend Information Night Monday, January 19, at 7:30 o'clock.

Mrs. Smith will attend the New Member Reception January 18 at the War Memorial to welcome people new to the community.

Mrs. Douglas Donald, membership chairman, announced there are 756 Mothers Club members as of January 1 - 128 new in November, 27 in December. Have YOU paid your dues?

Louisa St. Clair DAR Marks 77th Birthday

The 77th birthday anniversary of Louisa St. Clair, First Chapter in Michigan, Daughters of the American Revolution, will be celebrated this Saturday, January 17, at 12:30 o'clock at the Detroit Athletic Club.

Mrs. Floyd W. Dargel, regent, will greet guests at a reception preceding luncheon. Special guests include Mrs. Walter A. Kleinert, state regent, regents of neighboring chapters, and William Bruce Gregory.

Guest speaker Mr. Gregory is a native detroitier, past-president of the Players and Fine Arts and a trustee of the Detroit Historical Society. He will present an historical talk, "The Convention That Almost Failed."

As an added program feature Lisa Hofmeister, president of the John Paul Jones Society, CAR, will give a talk on the activities of the Children of the American Revolution and on authoress Mary Lothrop, founder of the CAR.

Hostesses are Mrs. Charles C. Andrews, Mrs. Roger L. Van Dorpe and Mrs. George L. Jerome.

tator for the afternoon program. Members of the Bloomfield Welcome Wagon Garden Club will do luncheon table arrangements and members of the Flatrock and Gibraltar Garden Clubs have been asked to be hostesses.

Activities of the day will be conducted by Mrs. Charles J. Pollock, of Orchard Lake, Director of District One.

PAULA PREUTHUN, Children's Librarian at the Woods Branch of the Grosse Pointe Public Libraries, has been named chairman of the program and local arrangements for the Children's Services Roundtable at the Spring Institute of the Michigan Library Association.

Women Realtors Plan Lunch Meeting Friday

The Detroit Chapter, Women's Council of the National Association of Real Estate Boards, will hold its January meeting Friday, January 16, at noon in the Holiday Inn, Trumbull avenue, Detroit.

Following luncheon guest speaker Dr. Karl G. Pearson, professor of Business Administration, Graduate School of Business Administration, University of Michigan, and direc-

tor of Real Estate Education, will speak on "Forecast-1970," a business prediction of what to expect in the year ahead.

Attending from Grosse Pointe will be Irene Robbins, Clarice Birdsall, Wendell Birdsall, Rachel Baumann, Helen Gresell, Julia Lauxterman, Becky Wickard, Winnifred Weyhing, William Johnstone, Ray Lewis, Sally Dunaway, Marie Schwikert, Blanche Cameron, Othel Mae Balabos and Paul Maron.

Entertaining 12 members of the Bon Secours Hospital Guild at a recent luncheon in the Grosse Pointe Yacht Club's Commodore Room was BETTY (MRS. CHARLES) DAWOOD, of Berkshire road. The ladies made plans for their spring party, a March 17 Shamrock Fashion Parade featuring clothes by Jacobson's at the Grosse Pointe War Memorial. Mrs. Dawood is general chairman of the affair.

If your wife's quick on the draw, be wary of a joint account.

To Hold Gala Night At U-D High School

Proceeds from 23rd Annual Party Will Be Used to Purchase Uniforms for Band and Glee Club; Pointers Serve on Committees

The Mothers' Club of the University of Detroit High School will hold its 23rd annual Gala Night Dance at the school Saturday, January 31, from 9 to 1 o'clock. Phil Skillman and his orchestra will provide the music. A shipboard setting will carry out the nautical theme of the party. More than 400 couples are expected to attend. Tickets, priced at \$3 per person, may be purchased at the school or from any committee member or club officer. Profits will be used to purchase uniforms for the school band and the glee club. Mrs. Vernon Bednark is general chairman of the dance committee with Mrs. John Curley as co-chairman. More than 100

GP Boat Club Has Gala Ball

The Grosse Pointe Boat Club held its annual Commodore's Ball at the Jefferson Yacht Club Saturday, January 10, honoring outgoing Commodore and Mrs. Alvin C. Turney.

The dance was preceded by cocktails and dinner and the election of officers for the 1970 season.

The new officers are: Commodore Ralph W. Bower, Vice-Commodore Frank M. Huxley, Rear Commodore Thomas L. Leto, II, and directors James O. Hoyt, Dr. Milton P. Lipson and Roland L. Olzak.

The Grosse Pointe Boat Club is headquartered at the Grosse Pointe City Dock and currently has a membership of 140.

U-D Students Help Mothers

Student-sons are helping their mothers make arrangement for the 23rd annual Gala Night dance which the University of Detroit High School Mothers Club will present at the school Saturday, January 31. Pausing for a moment's respite before they continue decorating the U. of D. High gym are MRS. WILLIAM HURLEY, (left), of Lakeland avenue, and MRS. DAVID MARANTE, of Oxford road, with WILLIAM HURLEY, JR., a sophomore, (standing behind his mother), and CARTER MARANTE, a senior.

Circus Proceeds Aid Handicapped

The Detroit Society for Crippled Children and Adults has been afforded the very special opportunity of sponsoring the Monday matinee performance of the Shrine Circus staged at the State Fairgrounds February 2.

With the exception of a handful of tickets set aside for the use of Moslem Shrine dignitaries on that specific day close to 7,000 circus tickets are being sold by the Detroit Society.

All are general admission at a cost of \$2 with a policy of first-come, first-served — although some reserved areas will be set aside for special large groups of the handicapped.

All proceeds will be devoted to maintenance of the Detroit Society's continuing program of services.

Tickets may be obtained from the Society's Therapy Center in Schaefer highway between McNichols road and West Outer drive. Arrangements to obtain tickets may also be made by calling UN 1-0531.

The Detroit Society, a voluntary health agency serving the entire family, carries on a year-round program of therapy, consultation and referral for both young and old.

The agency has served the community for more than 35 years and is maintained by a once-a-year appeal for voluntary contributions, memorial gifts and bequests.

Unit Meetings Slated By LWV

Foreign Policy will be the topic for the January unit meetings of The Grosse Pointe League of Women Voters.

Mrs. C. G. Turrell, LWV Foreign Policy chairman, will speak on Aid and Trade. Committee members Mrs. Ralph Kimball will speak on Red China, Mrs. William Krebs on the United Nations.

The meetings will be held at three locations on different days and times.

Tuesday evening, January 20, at 8 o'clock Mrs. Bruce Miller, of University place, will be hostess.

Wednesday, January 21, Mrs. R. R. Werner, of Lochmoor boulevard, will open her home at 1 o'clock.

Monday, January 26, at 9:30 in the morning Mrs. A. C. Fortunski, of Berkshire road, will greet members and guests.

The public is welcome to attend any meeting.

Regina High Mothers Schedule Card Party

The Regina High School Mother's Guild is sponsoring its annual card party next Thursday evening, January 22, at 8 o'clock. Theme is the "Sparklin' 70's." Donation of \$1.75 includes prizes and refreshments. Regina High School Gym will be the scene of the festivities. Tickets may be purchased at the door.
