Navy Fireman Apprentice Alan N. Bruggeman, son of Mr. and Mrs. Kaye C. Bruggeman of 1969 Norwood, is serving at the U.S. Naval Support Activity, Danang, Vietnam.

The activity is the Navy's largest overseas shore command. It provides large scale logistics support to combat troops in Vietnam.

### Burglars Visit Home in Park

Burglars took advantage of no doors on the garage on the property of Mr. and Mrs. Edmond Neeme, 667 Lakepointe, and broke into the Neeme residence during the family's absence, it was disclosed by Park police.

Neeme told investigating officers that he, his wife and a friend left his house at 7:45 p.m., on Saturday, January 24, and that he and his wife returned at about 11:05 p.m., to find the house had been forcibly entered and ransacked.

The burglar, or burglars, gained entry through the garage, which had no door, opened a closed porch door and then shattered the glass on the door leading to the kitchen.

Police said that the thieves searched the entire house, pulling out drawers and dumping the contents on the floor. Clothing from closets was also dropped on the floor, it was disclosed.

Neeme said that he found that approximately \$20 worth of pennies were taken from a jar in the kitchen, and 100 codeine tablets from the medicine cabinet in the bathroom. Also missing were a \$500 off-white muskrat coat, with a mink collar, two radios, valued at \$79 and \$30 respectively, and a \$90 radio phonograph.

### Blast Levels Farm Home

(Continued from Page 1) ward as the truck smashed to the pavement, but he hung on to the basket handles. Wayne was tossed out of the basket and fell to the ground, atop a small pile of snow, which almost, but not quite broke the fall, and he suffered back and other injuries. Kopke received a jolt that caused him to fall against the truck, injuring his right knee and side.

Treated at Hospital All three were conveyed to Bon Secours Hospital, treated and released. Chief Beaupre said, but a short while later, Kerving and Wayne were returned to the hospital, where Kerving was given sedation for shock, and Wayne, required an operation to remove a bone chip from his hip. Both are home resting, it was disclosed, with Wayne to remain at home for at least three weeks.

The Farms fire chief said that damage to both houses could be from \$200,000 to \$300,000, including loss of contents, although it is not yet known what was in the Hall residence. The Halls were in Europe.

The chief said that the first explosion occurred at 10:58 p.m., at which time the alarm was sounded. The second explosion came shortly after the firemen and equipment arrived, and this ripped off the left wing of the Drysdale home.

Chief Beaupre said that it is almost certain that the explosions were the result of a ruptured gas main, although this has not yet been determined. An investigation is still underway.

He said that the investigation is being conducted by his department, John DeFoe, director of Public Service, and personnel of the Michigan Consolidated Gas Company.

Gas Workers Praised He had high praise for the gas company workers, who, overloaded with work in other areas, rushed to the explosion scene, at 11:15 p.m. to shut off the gas valve under Grosse Pointe boulevard. This only affected the homes in Harbor Hill, the chief said, and prevented further detonations.

The residents of the street were without heat, until the gas was turned on again at about 9 a.m. the next day.

"We were fortunate no one was killed," Chief Beaupre said. "This was the worst explosion of this kind that I have ever seen in my years as a fireman. The third explosion was the most fantastic. Its force lifted the pavement and sidewalk concrete about 10 to 15 inches, and the Snorkel truck, approximately 10 inches off the ground.

Snorkel Damaged "The slamming back to the pavement slightly bent the jack, or out riggers of the truck. The jack is what balances the vehicle while the ladder and basket are raised. It is also possible that the truck's hydraulic

system was damaged," he added.

He said the Snorkel was returned to the Young Equipment Company, Warren, Mich., representatives of the firm that manufactured the truck, for inspection and repairs.

He said that under the Pointe-Harper Woods Mutual Fire Aid Pact, the Farms, as the community requesting help, is responsible for the cost of repairs to any equipment dispatched by Pact members.

Firemen injured on duty, are covered by insurance carried by their respective departments, the chief pointed out.

### City Police

(Continued from Page 1) Other services performed by the department during 1969 included repairing 1417 parking meters, installing signs and safety posters, putting up Christmas decorations on Kercheval, and flags during International Fair Days, changing all the meters to new rates and installing new meters.

Other special detail included special watches to 875 homes during the year, 430 city office details, bicycle inspections, safety talks to school children, work on the community's Halloween committee, delivering Goodfellow baskets and handling parade and funeral details... to name just a few.

Eight members of the department sold a total of \$1283.86 in papers for the Goodfellow fund, and once again won the trophy for the highest sales in The Pointe area.

Chief Teetaert is very proud of his staff and indicated that practically every man in his department took some kind of in-service training during the year, including seminars on narcotics, homicide school, law enforcement conferences on extremist groups and violence, and riot gun training.

He said his department has kept abreast of the ever-changing police enforcement picture by participating in these in-service sessions.

Resignations (Continued from Page 1) he was receiving from the Shores.

Cochill came to the Shores as its public safety director on February 1, 1965, after retiring as Chief of Detectives of the Detroit Police Department. He succeeded Fred Duemling, who retired after more than 40 years of service to the Village.

Cochill, a third generation policeman, spent more than 27 years with the Detroit Department, of which 20 years was with the Detective Bureau. He was detective chief for approximately two years before retiring.

### MR. HUMIDIFIER

Electronic Cleaning, Humidification, Heating, Air Conditioning

Looking for a Humidifier? Here's Why It's a Good Idea to Buy from Williams!

by ROBERT A. "Doc" WILLIAMS

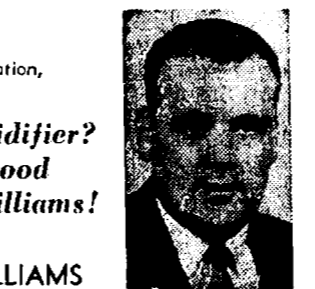

We can think of quite a few reasons why many homeowners are interested in purchasing a humidifier for their family. Surely the health factor in itself is important at this time of year.

Change of weather like we've had in the past week is often conducive to colds and respiratory infection. Dry air inside your home caused by the artificial heating process can help bacteria along. When the mucous membranes in the nose and throat are moist they are a natural preventive barrier against bacteria; but not so when dry air makes them parched. With a humidifier, however, moisture is supplied in an adequate amount to keep these membranes moist, thereby helping to prevent infection.

Chances are if you are looking for a humidifier, you know this plus the fact that proper humidity also helps to preserve your furnishings, plants, rugs, and drapes and prevent annoying static electricity. But, you're probably wondering who to buy a humidifier from.

Naturally, we're going to suggest that you buy from us, Williams Refrigeration and Heating Co., but we have some good reasons.

First, we feature the Carrier humidifier, known in the industry as one of the best available. The Carrier has more than enough capacity to give your home adequate moisture controls 24 hours a

day. It has a humidistat to allow you to control the amount of moisture needed right in your living quarters. A drain to carry away mineral deposits naturally found in water that can cause dust in the air and clogging is provided. And, it is installed easily on your furnace system.

Second, Williams is probably the most experienced dealer in this area in forced humidification. We have installed thousands of Carrier humidifiers in the Detroit area over the past years; most probably one in your neighborhood. Our installation and engineering crews know how to give your home just the right size and how to custom fit the Carrier to your needs.

These same crews are also experienced in installing the Carrier furnace if you're in need of a new furnace system. And, you can't go wrong with Carrier known for its quality performance, long life, and lower fuel bills. 10, 20, and 25 years warranties are available in a size and style we can custom design for your home.

Why not call 886-4848 or stop in at our showroom or for a FREE SURVEY of your home or more information on a total comfort system, call "Doc" Williams at Williams Refrigeration and Heating, Inc., 14711 Harper.

### Students, Teachers Stage South High's 'Co-op Week'

By Pepper Whitelaw

South High School was jumping last week. Booths were set up in Cleminson Hall. Booklets were passed out. Campaigning was going on. All for the school's Co-Op Program.

Mrs. Loujane Beynon and Mrs. Dorothy Holcomb, both of whom are teachers in the co-op program, wanted to find some way to reach all the students with information on the cooperative programs available to them. They hit upon Co-Op Week.

During this past week staff and co-op students manned booths in Cleminson Hall to answer questions any potential co-ops might have and to familiarize them with the programs and pre-requisite courses necessary for each of the programs.

**Offer Five Programs**

There are five cooperative programs offered at South Commercial Foods which includes training for jobs as waiter or waitress, grillman, pantryman and kitchen helpers; Distributive Education, which includes courses on Stockkeeping, retail selling and display and advertising; Medical Aids, which trains students to be nurses, therapists, aids, medical assistants and assistant lab technicians; Office Education, which trains typists, receptionists, stenographer and secretaries and Trade and Industrial Education, which includes training and work experiences in drafting, automotive mechanics, wood processing, machine tools, electronics and graphics.

Cooperative education is a pyramiding partnership between the student, the school and business. This program becomes a supervised learning situation where the student applies skills essential to his area of interest in an actual job situation. While applying and perfecting these skills and learning new ones, the student is under the supervision of a school coordinator and his employer who assists in preparing the student for the world of work.

**Has Many Benefits**

This type of program benefits the students, the school and the businesses. For the student the benefits include gaining occupational experience, earning while learning, development of poise, personality and good work habit, learning new and marketable skills, earning school credits, learning of business and industry, applying the skills they have learned and serves as a helpful transition from school to work.

Benefits to the school include enhancing and perpetuating the educational image of the school in the community, keeping curriculum abreast of current occupational trends, enhancing and broadening the educational service, promotes

**Enhances Company Image**

Businesses reap benefits from the co-op program as well. Participation in the program enhances the company image in the community. Furnishes enthusiastic, career-minded part-time employees, is a perfect source of trained personnel, provides employees during peak hours, reduces employee turnover, saves the company money on lost time and provides them with excellent sources of future full-time employees already familiar with the organization.

Coordinators in South's program include Mrs. Beynon, Commercial Foods and Medical Aids; Mrs. Holcomb, Office Education; Maynard Leigh, Distributive Education and Eugene Wolonick, Trade and Industrial Education.

### Course Boosts Personal Assets

Art Brooks will return to Grosse Pointe to teach his popular course titled Effective Expression. Mr. Brooks has an intriguing background of experience. He has served on the staff at Hillsdale College, has been seen regularly as a television announcer, and has been a nationally recognized consultant in sales training, customer relations, and personal development.

The Effective Expression course, scheduled for Monday evenings, is designed to bolster the personal assets of any adult who has an interest in projecting himself more effectively in the day-to-day contacts of social and business situations. Men and women alike will find Art Brooks a refreshing stimulus in reinforcing their abilities to overcome fears, to differ acceptably, to listen, to speak with authority, and to face the crowd with renewed self assurance.

Mr. Brooks makes no guarantees that sales will increase, that new ideas become immediately acceptable, that an angered protester will melt in your presence, or that your words will become cherished pearls of wisdom. But, there is assurance that difficult tasks will be approached with a newly discovered self confidence.

Today's world provides every adult with a host of frustrations and tensions. Art Brooks is the personable teacher that is able to assist all adults in their adjustment to this complex society. Effective Expression is a class that can be of value to any adult.

For a reservation in this ten week evening class, call the Department of Community Services at 885-3808 or 885-0271.

## Local School Heads Attack Educational Reform Plan

At the January meeting of the Board of Education Trustee Arnold Fuchs asked to present his position on the Governor's Educational Reform Program.

Mr. Fuchs said, "I would like to preface my comments on the Governor's Educational Reform Program by saying that the name itself implies that there is something wrong with education as we know it, and I don't believe this to be the case. Nor do I believe that the intent of the Governor's Program is to make drastic changes in this area. We can always stand improvement in education, and I am for that."

"Reform in financing of education is something that I believe we would all like to see, but then while doing this, why muddy the water with organizational reform?"

"Among others, there are several areas of great concern to me in the Governor's Reform Package. I cannot support a program that attempts to level off education and makes no provision for school districts which desire to improve their educational systems with their own money. This creates a situation which can cause only an overall degrading of education in our state."

"The organizational reform is designed for an appointed state school board and a system of regional school boards of which there could be somewhere between 15 and 30... all appointed. These regional boards would distribute the money and control the curriculum and in short would run your school district. While you would have a local school board it would have little control."

"With the present system you have a possibility of changing things by replacing school board members. With the proposed system you would have to go up through several layers of appointed school boards before you get to an elected person that you could replace, and that person is the governor, and that, for all practical purposes, puts the control of the school district out of reach of the district's electorate."

"It is my opinion and my recommendation that we should all write our legislators asking them to defeat the entire package in an effort to protect our local autonomy and keep from allowing what many consider as 'trading bait' in the package, to be used to our disadvantage."

"My purpose in making this statement is to let it be known that while the board has allowed our legislative chairman the freedom to present the Board's position, I must withdraw my support of that position since it includes an acceptance of the appointed regional school

district concept."

Legislative Chairman and Board Secretary, Barbara R. Thompson then commented:

"I agree with Mr. Fuchs in his opposition to the Governor's proposals for complete decentralization of both the state and regional levels of school administration, that is gubernatorial appointment of the State Superintendent, the State Board of Education, all regional boards in the state and regional directors."

"We have strongly opposed bills which would prevent a local school district supporting its own schools as generously as its voters might wish, above a

state level for all schools. And we disagree with the Governor's bill which would remove local school budgeting to a regional office."

"I have wondered in recent weeks, when desirable amendments to the Governor's bills were not being passed, if the time would come when we should be forced to oppose the entire reform package. That day may still come."

"The only substantial area of disagreement has been that while Mr. Fuchs has from the beginning, opposed the Governor's package in its entirety, to me it seemed the more responsible approach to lobby, if

you will, on the merits of each bill or even sections of proposed legislation, working against the dangerous, while maintaining a positive position relative to reform in general."

"Reform of educational financing continues to be Michigan's most monumental problem. I think such reform could be salvaged from the somewhat amazing package the Governor proposed. For this to happen, Governor Milliken and legislative leaders are going to have to avail themselves, at this late hour, of the excellent educational consultation which they could have well heeded months ago."

Committee members claim that, in addition to the artificial ice rink, dressing rooms, lockers and meeting areas would be available for many other community sports such as tennis, Little League football and baseball, swimming and Babe Ruth League activities.

"We have had a number of persons tell us that a problem might develop in the area of parking, but our studies reveal no such thing," claimed McLaren. There would be a great deal of continuous activity in which many groups would be involved and youngsters and adults would be coming and going. Not all would be on hand at any one time."

McLaren, who claimed that his committee has discussed the matter with literally hundreds of individuals, said the committee is convinced that the community as a whole is behind the idea for a sports center.

The group is hopeful that their efforts will soon produce a suitable location.

**Swim Classes Offered For All**

Swimming classes for Pre-School Toddlers and recreation swimming for Men Senior Citizens represent the wide range of opportunity available to Grosse Pointe citizens to utilize their five swimming pools during the after-school hours swimming program administered by the Department of Community Services, Grosse Pointe Public Schools.

The basic program of instruction for children from age seven to thirteen is complemented by numerous other programs which include Scuba Diving (age 17 and over) Pre-School Instruction (age two-six), Senior Life Saving (15 yrs. and over), A. A. U. Competitive Swimming (7 yrs. and over), Preparation for Competitive Swimming (7 to 15 yrs.), Women's Instruction, Water Safety Instruction (17 yrs. and over), Program for Handicapped Children, Skin Diving (10 yrs. and over), Beginning and Advanced Diving Instruction (7, 12 yr. and over), Men's Senior Citizens Recreation Swimming, Open Swimming, and Family Night Swimming.

Highlighting the vast array of classes which have unusual appeal to swimmers is the Scuba Diving class at North High School on Monday evenings. Mr. Lee Duhaime will once again be available as the instructor for this class. As a past member of the Board of Directors of the American Skin Diving Association, consultant to Michigan State Police, Macomb and Wayne County Sheriff's Departments as well as the Detroit Harbor Master, Division of Under Water Search and Recovery Programs, only to mention a few of his distinguished and authoritative affiliations, Mr. Duhaime represents the highest level of instructional competence available in the country in the Scuba Diving field.

The 12 week course includes 36 hours of instruction with each 3 hour session including about one hour of classroom work and two hours of pool time. Participants will be required to purchase a text plus a mask, fins and snorkel (from \$9-\$40). Air regulators and tanks may be rented for a nominal cost. The fee for the course is \$30.

A medical examination will be required for all participants and basic swimming requirements met (300 yard swim, 50 feet underwater swim, 10 minute float, 40 yard tow of another swimmer, and 5 minutes of treading water).

New swimming opportunities included in this year's program are available to pre-school youngsters at South High School Saturdays. Children in this special program will have a half hour lesson. The program extends beyond the pre-school age to include 5 and 6 year olds. Each child must be accompanied into the water by his own parent or guardian. Classes will be divided into sections of 15 with two to four year old children in the 11 o'clock to 12 o'clock sections and five to 6 year old children in the 12 o'clock to 1:00 o'clock sections.

A special opportunity for Senior Citizens Men's Swimming has been announced for the Parcels Pool on Tuesday evenings from 8:30-9:30 p.m. Instruction is optional for this particular class as the class may decide for itself. A fee of \$6 has been set for the 10 week session.

Because of limited class size, only Pointe residents can be accepted in the swimming program. Interested persons should call the Department of Community Services at 885-3808 or 825-0271, immediately to make a reservation for class enrollment.

**Carrie Loomis Visits Capitol**

Carrie Loomis, of South High School, will join over 350 other high school seniors from across the country to participate in the 4th session of A Presidential Classroom for Young Americans.

Presidential Classroom, which held its first program last year, is designed to give bright high school seniors the opportunity to see first-hand, the operation of their government. The Program this year consists of five one-week sessions, the first of which will begin February 14, 1970.

Arriving in Washington on Saturday, participants begin at once preparing for the full week ahead. The syllabus includes academic instruction in the three branches of the federal government. Other activities include seminars and talks with Congressmen, city officials, government department heads, ambassadors and the press. An afternoon will be devoted to visiting historic sites.

Carrie will leave for the Nation's Capital on March 7 and stay at the Shoreham Hotel which will serve as Headquarters for Presidential Classroom. The week's study will conclude on Friday with a review and examination of the work covered during the session and a graduation banquet, complete with yearbook and diploma, will be held that evening.

Carrie is the daughter of Mr. and Mrs. George Loomis of University place.

The cost of tuition has been contributed by the Lions Clubs of Harper Woods, Grosse Pointe and Grosse Pointe Woods.

### Explosion Rips Wing Off House

A gas explosion devastated the home of Mr. and Mrs. Sidney S. Hall of 34 Harbor Hill, leveling it to the ground. A few brief seconds later a second blast damaged the left wing of the residence of the Halls' neighbors, Mr. and Mrs. Chilton Drysdale, 38 Harbor Hill, seen in the picture. Luckily, no one was home in either house at the time this occurred, about 11 p.m. on Saturday, January 24. A third detonation damaged a Woods fire truck and injured three Woods firefighters.

### Drunk Driving Arrests Are Up

Police in Michigan arrested 24 percent more persons for drunk driving in 1969 under the state's implied consent law than they did in 1968.

A report issued by the Michigan State Police Safety and Traffic Division shows that 21,370 persons were arrested for driving under the influence last year compared with 17,685 the previous year. Nearly 80 percent of those arrested took the breath test. Of the 4,600 drivers who refused to take the test, more than 90 percent had their licenses suspended and their appeals denied.

Under the implied consent law, a driver must be arrested for drunk driving before he is given the breath test. He can refuse to take the test, but if he does his license will almost certainly be suspended, although he has the right to appeal to the Secretary of State who arranges for a hearing before the License Appeal Board.

Of the 16,769 persons who took the breath test last year, nearly 14,000 tested .15 percent or over, blood alcohol content, which is legal limit of intoxication in Michigan. Another 2,224 tested from .10 to .149 percent, a level indicating a presumption that ability to drive is impaired.

### Theatre North Offering Play

"Philadelphia Here I Come," a 1964 Broadway hit, will be presented on February 5, 6, and 7, as Theatre North's third production of the year. Curtain time is 8:30 in the Performing Arts Center of North High School.

The realistic setting of an Irish cottage was designed by Gael Barr and constructed by his play production classes. Presented on the largest and most complicated set of the year, the play concerns itself with a modern day problem of a father and son attempting to bridge the communication gap.

The major action is centered around Garret O'Donnell, played by Dave Strang, and his alter ego, portrayed by Fred Amrine. The alter ego is the mind and thoughts of the character, and is only visible to the audience.

Garret is planning on leaving his father and his home in Dublin, Ireland, to seek his fortune in the USA.

Other stars of the show include Chris Daniels, Jim Hawks, Dan Sienkiewicz, Camille Borowicz, Scott Higgins, Marc Schroder, Jack Gillis, Dave Gregory, Chris Galanti, Ann Martin, Bob Birach, and Shaaring Fisher.

Tickets may be reserved by calling 861-8000 and are priced at \$1 for students and \$1.50 for adults.

### D'you Know That?

by Paul Schweltzer

Ever wonder how "THE WHITE HOUSE" got its name? ... Originally it was known as "The President's Mansion".

Following a fire in 1814, the smoke-blackened gray stones were painted white to hide the stains—hence the name.

Though the White House is rent-free; it has cost our presidents much of their peace of mind. Most of them claimed to have paid dearly for their stay therein.

As expressed by President Buchanan to his successor, President Lincoln, on March 4, 1861: "If you are as happy on entering this house as I am of leaving it—you must be the happiest man in the country".

Peace of mind is assured; when experts from SCHWELTZER REAL ESTATE handle your needs. You can place your listing exclusively with SCHWELTZER and rely on them to sell your home quickly and efficiently. Visit SCHWELTZER REAL ESTATE, 21300 Mack Ave., or 18530 Mack Ave., in Grosse Pointe Woods, or PHONE: 886-4200 and 886-12700.

**Seek Outstanding Single Parent**

The ten Metropolitan Detroit Chapters of Parents Without Partners, Inc., (PWP) have begun their annual search to locate the outstanding single parent in the Metropolitan Detroit area. The winner will be awarded a citation and a fifty dollar savings bond at a commemorative event to be held March 21, 1970. He or she will also automatically be in the finals for the International Outstanding Single Parent of the Year award.

The outstanding Single Parent of the Year Award is given to demonstrate appreciation and recognition of the difficulties involved in raising children in a one-parent family. Similar award contests will be held throughout the United States and Canada by the over 410 chapters of PWP. The winner of the International Single Parent of the Year Award will be invited, with all expenses paid, to receive the award at the Eleventh Annual International Convention to be held in July, in Houston, Texas.

Parents Without Partners, Inc., is an international, non-profit, non-sectarian educational organization devoted to the welfare and interests of single parents and their children. The public is invited to submit entries on behalf of any single parent of their acquaintance who resides in the Metropolitan Detroit area. Entry forms are available upon request from PWP. Essay-style entries of no more than two typewritten pages may be submitted instead of an entry

form, if the following data is supplied:  
a) name, address and phone number of candidate  
b) candidate's age, plus number of children and their ages  
c) discussion of why candidate should be considered for the award.  
Entries and forms must be postmarked no later than February 15, 1970, and should be addressed to Parents Without Partners, Inc., c/o L. Frank Joslin, Chairman, Single Parent of the Year Award Program, 4369 Lakepointe, Detroit, Michigan 48224.

Entries will be judged by a distinguished panel of prominent citizens. Decision of the judges will be based on the single parent's fulfillment of responsibility to his or her children, home, work and community; his or her life as a single parent; his or her approach to the future; and finally, the writer's one best reason why the candidate should be named "Single Parent of the Year."

Knight Pucksters Upset Cranbrook

A long dry spell has ended for University-Liggett School hockey players.

Since the Knights first fielded an ice hockey team in 1967, they have been unsuccessful in defeating the pucksters from Cranbrook, slipping to defeat in contest after contest. That's all changed.

With high-scoring forward Jim Bolton leading the way, the improving Knights this week dented Cranbrook's varsity squad by a count of 5-3, ending a long period of frustration.

"We've been playing some fine hockey all season long, but it seemed like the breaks were just going against us," said Head Coach Tony Elliott. "Although we have allowed very

few teams to score often on us, we haven't been able to turn the light on much ourselves. It felt good to finally put the offense and defense together."

Bolton, who is closing in on the league scoring title, collected all five goals for the Cook roaders and Goalie Chuck Shreve, considered by International High School Hockey League officials as one of the finest netminders in the league, turned away shot after shot in another amazing display of agility.

Elliott also pointed to the efforts of Kevin Granger, Bob McPherson and Billy Campbell as key factors in the upset win.

Any man can be proud of making his mark in the world, except when it's in red ink.

As the holiday bills come pouring in we'll have to do more doing without.

WILLIAM J. ADAMS, Jr. has been awarded the Grosse Pointe Jaycees 1969 Distinguished Service Award. The award is presented to young men under 36 years of age, who for the past year have demonstrated outstanding leadership in community service. This is the second Distinguished Service Award presented by the Grosse Pointe Jaycees. The first award was presented to John C. Prost.

Mr. Adams was selected from among a number of nominees by a Senior Selection Committee which included Chairman Edward Foote, vice-president of Michigan Mutual Liability Company; Edward Lauer, athletic director of St. Paul High School; Reverend Perry Thomas, of Grosse Pointe Methodist Church; Jerry Gerich, principal of South High School and Clarence Wascher, manager of Jacobsons Grosse Pointe.

Mr. Adams' qualifications for this award include membership in the American Institute of CPAs, Michigan Association of CPAs, and the American Accounting Association. He has been active for the past eight years with Junior Achievement in his capacity as a past officer of the Detroit Jaycees and past President of the University of Michigan Club of Grosse Pointe.

Currently, Mr. Adams served as Chairman of the Board of Trustees of the Grosse Pointe Congregational Church and is also the youngest trustee of the Grosse Pointe Public School system to which he was elected in June, 1969.

He and his wife, Lynn and son, David, age nine, live in Yorkshire road.

The award was presented to Mr. Adams at a banquet at the Grosse Pointe War Memorial attended by outstanding community leaders.

**Michigan Week**

Mrs. Louis E. Wirbel, of Grand Ledge, chairman of the Michigan Week Council of Women's Organizations, has set Friday, February 6 for a workshop-luncheon at Stouffer's Northland Inn. Letters of invitation have gone out asking presidents of more than 70 statewide women's groups to attend. Delegates will chart the course for women's activities throughout the state during the 17th annual Michigan Week, May 16 through 23.

PETER S. NYBOER, son of DR. and MRS. JAN NYBOER, of Cadieux road, has been promoted to Army Specialist Four while assigned to the 35th Field Artillery in Germany where he is a Survey Recorder in Headquarters Battery of the Artillery's Third Battalion near Wertheim.

**Church To Hold Book Reviews**

The Special Events Program of the Grosse Pointe Unitarian Church will present a series of book discussions and reviews by its minister, Dr. Harry C. Meserve.

"The books have been selected," said Dr. Meserve, "not because of their novelty or popularity, although some of them are both new and popular, but because they present important insights into our life and times in interesting and provocative ways. At each meeting I shall present one book, comment on its significance as I see it, and then invite comments and questions of those present."

"It will help, of course, if those who come have read the book, but that is not an absolute essential. Each book has been selected because it throws some light on a situation, personal, social, or both, with which we shall all be dealing in the 1970's."

The series began on Tuesday, January 20 with "Gandhi's Truth," by Erik Erikson.

Other discussions will include; Tuesday, February 3, 8 p.m.—"The Population Bomb," by Paul Ehrlich. A biologist proposes some possible solutions to the related problems of population, famine, and environment. His suggestions are drastic, but provocative.

Tuesday, February 10, 8 p.m.—"A Rumor of Angels," by Peter Berger. A sociologist ponders the emergence of new rites, ceremonies, and celebrations among the young people of today and what their deeper significance may be.

Tuesday, March 3, 8 p.m.—"Saint Watching," by Phyllis

McGinley. A poet, humorist, and astute student of human affairs discusses the mystery and attractiveness of "the good life" as they appear in some very human saints.

Tuesday, March 17, 8 p.m.—"The Crime of Punishment," by Karl Menninger. A distinguished American psychiatrist considers the problem of law and order and our penal system.

Tuesday, March 31, 8 p.m.—"Love and Will," by Rollo May. A psychologist who is also a philosopher reflects on the new meanings of these two powerful and ancient forces, both within the structure of individual human character and in society.

The books will be available at the book table of the church. Tickets for the whole series of six meetings are \$10. Tickets for individual meetings, available at the door, are \$2. Student tickets are \$1 for each meeting. All proceeds of the program are for the Grosse Pointe Unitarian Church. "This program," Dr. Meserve said, "is presented on a non-sectarian, community basis, and all interested persons are welcome."

**STRONG THIEF**

Sam Farris, owner of the Standard Service Station, 17800 Mack, reported the theft of a hydraulic jack from the rear of his truck, which was parked at the station sometime between 6:30 p.m. and 11 p.m. the previous day. The jack weighed 75 pounds.

**BINOCULARS STOLEN**

Edwin O. Bodkin, 876 Trombley, reported to City police, the theft of a pair of binoculars and case from the front seat of his locked car, which was parked in Farms Market parking lot on Friday, January 16. Mr. Bodkin told police the thief forced the vent on the driver's side of the car, removed the rubber from around the vent, and gained entry. The Hensold binoculars are valued at \$165.

of his truck, which was parked at the station sometime between 6:30 p.m. and 11 p.m. the previous day. The jack weighed 75 pounds.

### Scoring the Pointes

By Phil Loranger

With his "Terrifying Two-some" burning the nets off the backboards of every school in the league, Coach Ray Ritter, head mentor at North High, has guided his cagers into the top slot of the Bi-County League.

The steady Norsemen, boasting a 6-1 league record and standing 7-1 overall, occupy first place, leading both Lakeview and Clintondale by one full game.

Much of the credit for the Norsemen's success this season must go to the play of senior Mike Zenn and junior Gary Bennett, both of whom are playing at All-State caliber.

Zenn has been averaging 22.5 points per game, while Bennett is just shy of that mark with a 21.3-point-per-game clip. Zenn has also been hauling rebounds off both boards at a rate just short of 20 a contest.

"Things are beginning to get a little bit tense at this point of the season," claimed Ritter. "We meet Clintondale tomorrow and that has to qualify as a

must' ballgame. We must then face South Lake, the league's "sleeper" and Lakeview. If we could pick up wins in both contests, we would be in real good shape."

Prior to facing South Lake, the Norsemen will play host to Chuck Hollosy's South High Blue Devils in what promises to be a real classic.

"We might as well throw the records out the window when we play South," said Ritter. "That is going to be one whale of a game because it will mark the first time the two teams have met on the court. I don't think there is any doubt that the contest will be well attended."

It's an old adage, but one that holds a lot of water in this case, namely, that the South High Blue Devils are a lot better team than their record shows.

"We have an overall record of three wins and six losses, but five of these losses have

come about on the difference of just 14 points," said Hollosy, whose cagers turned in a 17-1 stint last season. "We knew at the outset of the season that we were an inexperienced team, but, on the basis of the last few games, I think we are beginning to gain confidence and we really feel that we can beat anybody, if we are right."

With Big Jim Parker, Paul Shirar and Doug Graham compiling better than average shooting records, the Blue Devils can look forward to an improved second half of their season. Parker has amassed 135 points in the contests to date, followed closely by Shirar and Graham.

"We really haven't planned anything special for the North game, but it should certainly be a dandy," it claimed Hollosy. "We feel it would be a real feather in our cap to win that one, because North is one of the finest teams in the region."

The date for the North-South tilt is Saturday, January 31.

The St. Paul Catholic High School Lakers are closing in on another league title, but they face several tough customers in the next few games and Coach Ed Laurer is not about to scream "victory" at this point. The snazzy Lakers presently ride the top of the Catholic League's Second Division East bracket with a 10-3 mark. After knocking off stubborn St. Clement last week, the Lakers now must face St. David, which has been hounding them all season long.

Led by sure-handed Tim Big-ham, who has rolled up nearly 240 points so far this season, the Lakers will need an all-out effort and better team scoring balance to wrap up the title, but, as the saying goes, "they've been there before."

In other cage action throughout the Pointes, the University School Knights suffered a stunning blow last week, when All-State guard Dale McCarthy, the team's leading scorer, tore a cartilage in his knee, taking him out of the Knight lineup most likely for the remainder of the season. The Knights currently have a 4-6 record going into their game with Lutheran West this week.

It's been a long season for the Cavaliers of St. Ambrose, but it is no worse than what Coach Harvey Heitman expected, as he builds for next year. The Cavaliers stand cellar-deep in the Catholic League's AA division with an 0-11 record, but one of the area's finest all-around cagers, Paul Hayner, has really had a season.

Hayner is averaging nearly 20 points a contest and looks like a sure bet for all-league honors. Underclassman Tom Hogan has added to the hopes of the future by splitting the nets at a 13-point per game clip.

### Perrone Indicted On Gun Charge

Santo (Sam) Perrone, 73, alleged Detroit Mafia figure, was indicted Thursday, January 22, by a federal grand jury on a charge of illegal possession of a gun. Perrone, who lives at 832 Hidden Lane, had a 1930's era conviction for federal anti-liquor law violations. He was identified as a Detroit Mafia leader in 1963 U.S. Senate subcommittee hearings. He had also been indicted last June 24 by a federal grand jury here on similar charges of illegal possession of several guns.

Thursday's indictment, returned by a special grand jury working in conjunction with an anti-crime federal task force, charged that Perrone had a .22-caliber rifle last November 14, in violation of a federal law forbidding convicted felons to have guns.

### Domestic Help Studies Made

"Do you employ a housekeeper, cleaning woman, laundress, babysitter, gardener, or any other domestic employee?"

The Grosse Pointe Human Relations Council and the Interfaith Center for Racial Equality are both endeavoring to study the domestic help situation in the Pointe.

The groups' finding to date have been that many Pointes are aware of the domestic workers' rights. Others, however, are ignorant of the law

### Pointers Receive National Honors

Two high awards have been received by Pointe residents for outstanding service to the National Kidney Foundation.

Recipients are J. Douglas Adair, president of the Kent Moore Corporation of Warren, and Bonnie Wolfram, M.D., of Detroit.

Adair, 80 Colonial road, has headed the Kidney Foundation of Michigan since its inception. He received the first trustee award, while Dr. Wolfram was given the first annual volunteer service award.

Dr. Wolfram of 65 North Deep-lands road, is national volunteer chairman of the dialysis and transplant committee. She is president of Educational, Media, Inc.

Presentation of the awards was made at the annual meeting of the National Kidney Foundation in Washington by George E. Schreiner, M.D., professor of medicine at Georgetown University, who was re-elected president of the national organization.

### G.P. Sail Club Names Officers

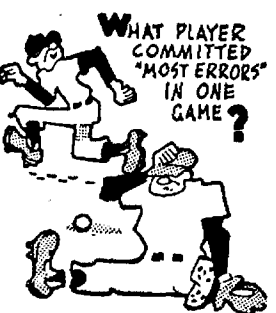

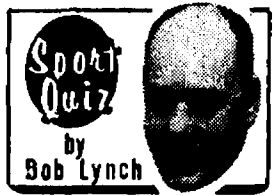

The officers and directors of the Grosse Pointe Sail Club this week met to select a new slate of committee chairmen to guide the club's activities in the coming sailing season.

Commodore Bill McCourt, Vice Commodore Norm Rogers and Rear Commodore Hal Stead combined with Club Directors Dale Nouse, Floyd Skikiewicz, Bernie Van Antwerp and Paul Shoup to elect the following members to chair committees:

Ken Jamieson, Publicity; Past Commodore, Robert Dolson, Budget and Finance; Donald Boddy, Entertainment; Dale Nouse, Planning; James Davis, Race Committee; Gary Ertman, Regatta; Dick Warner, Trophies and Dock Supplies; Norm Rogers, Junior Program; Stan Shanck, Membership; Jay Deeds, Power Yacht, and Bernie Van Antwerp, Roster.

The headquarters of the United States Jaycees is in Tulsa, Oklahoma.

The club hopes to enlarge its junior program to encourage good sportsmanship in sail racing among the younger Pointe sailors.

UNRECORDED RECORD IS HELD BY A CHARLES MCCOY WHO IN 1952 COMMITTED 31 ERRORS IN ONE GAME.

### Valhalla Ready In The Spring

North High School's yearbook, Valhalla will contain some 288 pages. Approximately 1,606 books were sold through subscription this fall.

Preparation for the 1970 publication began last spring with coverage of the 1969 spring sports. Printing of the book will begin sometime in March and

distribution will take place in late May or early June.

Staff members who are whipping the yearbook into shape include co-editors, Laurie Smith and Richard Montauk; senior editor, Val Atkin; underclassmen editor, Nancy McCort; sports editor, Allan Pearsall; activities editor, Mitchell Berkeley; business editor, Ahmed Ismail; curriculum editor, Pat Thompson; index editor, Mary Shea and student life editor Carla DiCicco.

### Libraries Set Childrens' Hour

Story hour for children will begin the first week in February and continue through the month of March in all three Grosse Pointe Public Libraries.

Professionally trained, experienced children's librarians have planned programs for all ages. Carefully selected stories will be told to those who are already in school, and to those who are yet to enter.

School Age Story Hours are held after school, for children in kindergarten — Grade 4. The telling time is approximately 30 minutes.

This eight-week schedule is as follows:

Central Library, TUESDAYS, 4:00 p.m., February 3 — March 24; Woods Branch Library, WEDNESDAYS, 4:00 p.m., February 4 — March 25; Park Branch Library, WEDNESDAYS, 4:00 p.m., February 4 — March 25.

Parents of boys and girls between the ages of 3½ and 5 (but not yet in kindergarten) may register in advance for Pre-School Story Hour by contacting the children's librarian in the nearest agency. The days and times of these 30 minute sessions are:

Central Library, WEDNESDAYS, 10:15 a.m., February 4 — March 25; Woods Branch Library, MONDAYS, 10:15 a.m., February 2 — March 23, and TUESDAYS, 1:00 p.m., February 3 — March 24; Park Branch Library, MONDAYS, 1:00 p.m. and 2:00 p.m., February 2 — March 23.

The purpose of all story hours is to acquaint a child with the library, the world of books, and give enjoyment and delight while meeting many of the world's famed book characters.

### St. Paul Council Doing Dual Job

This year the Student Council of St. Paul School is functioning as both a social and academic outlet for its students.

One of its major projects was revising the school constitution which hadn't been updated since 1955. It is also compiling a questionnaire to be sent to graduates asking them for recommendations on the high school curriculum to better prepare students for college. The Council also introduced a plan for exemption of honor students from exams.

Socially it has slated several events beginning with the Winter Carnival Weekend set for January 30 through February 1. The fun begins on Friday when the Lakers take on St. Hedwig at home. After the basketball game there will be a dance. Then on Saturday, there will be skating at the Farms Pied from 7:30 p.m. until 9 p.m. The weekend will be topped off with a toboggan trip to Warsaw Park on Sunday sponsored by the Senior Class. The big Valentine Dance is scheduled for Saturday, February 14, from 10 p.m. until midnight, in the school cafeteria.

### Januarius A. Mullen Appointed to Authority

Gov. William G. Milliken recently announced the appointment of Januarius A. Mullen, 5 Lake court, Grosse Pointe, to the Southeastern Michigan Transportation Authority.

Mullen, chairman of the board of directors of the Shelter-Globe Corp., Detroit, will serve on the Authority for a term expiring June 30, 1972. The appointment requires Senate confirmation.

"I am extremely pleased that Mr. Mullen has agreed to serve on this Authority because its work is going to be vastly important to the future of much of Michigan and a man of Mr. Mullen's capabilities will be a very valuable asset in coping with the tasks which the Authority will face," the Governor said.

Mullen was president of the Shelter Manufacturing Corp. from 1961 to 1967 and holds a law degree from Creighton University.

### Classes Offered In Photography

Two courses in photography, on beginning and advanced levels, are being offered by the Grosse Pointe Public Schools Adult Education Program in cooperation with the Grosse Pointe Camera Club.

Instructors for these classes are Gilbert Lehmbeck and William Lorenz. Their affiliation with the Camera Club and the photography classes has been of such outstanding nature there is always a demand for their services. They will present lectures

and workshops designed to help amateur photographers who feel they are not getting the best results with their equipment.

These classes are not intended to provide the kind of instructions found with the purchase of every camera. The excitement of what happens after film has been loaded in the camera is the challenge awaiting students of the photography courses.

The beginning class is plan-

ned around elementary theory and practice of photography, while the advance class assumes a thorough knowledge of light meters, etc., and devotes itself to such topics as portrait lighting, still life, copying methods, and the making of title slides.

Call the Department of Community Services at 885-3808 or 885-0271 for a reservation today.

### UNPREPARED

The worst trouble with the future is that it gets here a lot quicker than we expect it.

### Pointer Killed In Auto Mishap

Former Pointe auto dealer Wilfred P. Whyte, 55, 421 Rivard, was killed Wednesday evening at 7:30, when he was struck by a car while crossing Warren at Beaconsfield on Detroit's east side. The driver was identified as John W. Peitz, 18, of Detroit.

Mr. Whyte was a member of the Grosse Pointe Yacht Club and the Detroit Athletic Club.

He is survived by his wife, Elizabeth; three sons, Bill,

Michael and David; two daughters, Mrs. Daniel McCarthy and Anne; his mother, Mrs. Peter Whyte; five sisters, Mrs. Henry Schroeder, Mrs. Joseph Fitzmaurice, Mrs. Robert Shearer, Mrs. Arthur Scribner and Mrs. Henry Bolt; three brothers, Ray, Melvin and Virgil and two grandchildren.

Services were held at St. Clare Church on Monday, January 26. Interment was in St. Mary's Cemetery, Gaylor, Mich.

Courage has been defined as hanging on one minute longer.

# Promise for the 70's

To meet challenge, to encourage progress, this is our promise for the '70's.

There is nothing new about this, of course. For as we enter this new decade, we are mindful that progressive, responsible growth has been typical of Detroit Bank & Trust through all our 120 years.

We are mindful, too, that it is the confidence of our customers that has enabled Detroit Bank & Trust to grow with our community, to move steadily forward to the position we hold today as one of the nation's leading banks.

As we move to the '70's with you, we are most keenly aware of our responsibility to you and our community. We can promise the best and broadest service in the years ahead because we've been keeping that promise longer than any other bank in the state.

**Pollution Topic Of Club Lecture**

"Grosse Pointe Farms — The Problem of Pollution in Air and Water," and what concerned individuals can do about it, will be discussed at an open meeting of the Mackinac Chapter of the Sierra Club to be held on Thursday, February 5, at 7:30 o'clock, in the Undercroft of Christ Church-Grosse Pointe.

John Sprecht, sophomore at South High School and representative of the Mackinac Chapter in Detroit, indicates that this meeting will help call attention to environmental problems in our own community. It will be open to everyone in the Greater Metropolitan Detroit area who would like to learn more about the activities of the Sierra Club and how to go about solving local problems.

Some 260 members in the Detroit area believe that all individuals genuinely interested in doing something about environmental problems can be part of an effective program if they have a chance to work with other people who share similar interests.

The meeting on February 5 will provide this opportunity. The session is one of a series of state-wide General Membership meetings being held during January and February by the Mackinac Chapter to help local groups get their own programs started. Local conservation issues will be discussed and some of the national activities of the club and the outing and conservation programs of the Mackinac Chapter described and explained.

For additional information call John Sprecht at TUxedo 5-6502.

Harold E. Cross, M.D., Vice-President; John H. Williams, M.D., Secretary, and Lyle H. Korum, M.D., Treasurer.

In other appointments of the Medical Staff, the Cottage Hospital Board of Trustees approved the recommendations of the Staff for Division Chiefs. Serving for 1970 are: Robert H. Ambrose, M.D., Chief of the Division of Surgery; Walter F. Kujawski, M.D., Chief of the Division of Medicine; George E. B. Rogers, M.D., Chief of the Division of Obstetrics, and Ray E. Craig, M.D., Chief of the General Practice Section.

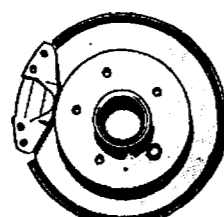

**"Emergency situations aren't optional. That's why 4 disc brakes are standard on every Mercedes-Benz."**

**YOU KNOW** the feeling. The hour's late. The road is clear. The slow metro-nome of the wipers keeps you company. Your mind is already home.

Then it happens. Just over a rise you find a trailer truck sprawled in your path. There is only one thing between you and a 20-ton roadblock. Your brakes.

In a Mercedes-Benz, those brakes would all be the disc type. Not just the front ones. All four. We offer no options. We believe that the braking system is one of the most vital mechanisms on an automobile. So it must be the best we can build.

Disc brakes better resist fade.

It's a stubborn attitude. And an expensive one.

But anything less is not good enough for Mercedes-Benz.

**When you've got to stop**

Disc brakes are superior to common drum brakes for three reasons.

One, a disc brake is better able to dissipate heat—a major cause of brake fade.

Two, there's far more effective braking area on a disc brake than on an ordinary drum brake, giving you more stopping power.

Three, a disc brake is less affected by water and you face less danger of brake failure, even in a cloud-burst. In addition, the Mercedes-Benz

braking system is designed to give a controlled straight-stop—even when you have to stop short from high speeds. (Which is a polite way of saying "panic stop.")

You'll feel this extra margin of control and braking power the first time you test stop a Mercedes-Benz.

Because we believe, when you've got to stop, you've got to stop.

**But don't stop here**

There's more to a Mercedes-Benz than just stopping. After all, the joy is in the driving.

In fact, a Mercedes-Benz may even change your driving habits. Because if your knuckles now whiten every time you face a sudden curve in a swarm of flickering brake lights, a Mercedes-Benz could prove to be a relaxing experience.

Our four-wheel independent suspension plants those tires on the road like no ordinary suspension could. Helps you take curves in one, smooth swing—evenly between the white line and the guardrail.

And the next time you drive your own

car, count how many times you have to make those tiny steering adjustments to keep it from wandering. Our recirculating ball-type steering, even with power added, helps to give you a certain "feel" for the road and a confidence that the car will track where you aim it.

We believe that a 70-mile-an-hour expressway is no place to play with your steering wheel.

**Look for the little things**

A lot of "near great" cars missed being great because of sloppy workmanship, slapdash assembly or lack of attention to details.

So after you test drive a Mercedes-Benz and see the big differences in handling and control, take a few moments to examine the little differences. Run a matchbook around the hood, trunk and door openings. See how the gap is exactly the same throughout. (Try that on your present car.) Notice that every seam has been filled and smoothed, like the finish of fine china.

Slam a door. It sounds like a vault's.

Reach under the dash. Not a wire to be felt.

Look at the trim. If it looks like wood, it is wood—not plastic. If it looks like chrome, it is chrome—not plastic.

We could take some shortcuts, make some compromises. Our cars would still be good enough for most people. But they wouldn't be good enough for Mercedes-Benz.

## Star of Sea High School Plans to Meet Challenge

By Pepper Whiteleaw  
Still another parochial school has been called upon to meet the challenge of operating with a lay faculty and administration. Our Lady Star of the Sea High School (grades 9 through 12) received word from the Religious of the Immaculate Heart of Mary, who staff the high school, that it could no longer do so, because the shortage of sisters.

Immediately parishioners went into action. Members of the Parish Council, Parish Board of Education, Administration and Parent-Teacher Guild formed a self-study committee in keeping with the Archdiocesan guidelines to study the situation in depth.

The study revealed that parishioners wanted to maintain the school and were convinced that a high quality high school, in keeping with the Christian goals could be set up and maintained.

The subject was presented to the people of the parish for their views and suggestions at a special meeting last week. The response, verbally and in answer to a questionnaire, strongly indicated to the Parish Council that the high school should be continued as an integral part of the total parish programming, a high school with the same high academic standards Our Lady Star of the Sea High School has always maintained.

The desire of the parishioners was presented to the Archdiocese and approval to continue the high school with lay administration and faculty was received.

Currently the Board of Education and a special committee are reviewing and proposing candidates for principal and faculty.

The financial budget includes increased tuition, parish subsidy and special fund-raising parish projects. Other methods of funding under consideration include foundation, endowment, and scholarship funds which insure financial stability for continued operation.

## Donald Canham To Speak Here

The University of Michigan Club of Grosse Pointe will have the University's athletic director, Donald B. Canham, as its featured speaker on Wednesday, February 11, at its annual dinner, which will be held at the Grosse Pointe Hunt Club. The cocktail hour begins at 6:30 o'clock and dinner will follow at 7:30 o'clock.

The 51-year-old Canham is the successful coach, businessman and sports executive who replaced H.O. (Fritz) Crisler as the Athletic Director, after being head track coach at Michigan for the past 19 years. His teams won 12 Big Ten championships and finished in second place 14 times.

Michigan's athletic department changed greatly during Canham's first year. Several coaches were elevated to new positions in the administrative field as the associate athletic director, business manager and academic counseling posts were established. New track, golf, basketball and football coaches were named during his first year also.

Locker room renovations, rubberized indoor track in Yost Field House, new offices in the administration building, new stadium scoreboards and the demolition of the old Ferry Field stands were immediate projects launched by Canham. Two tartan turf fields, one in Michigan Stadium, were installed last fall.

Tickets for the dinner are six dollars and reservations may be made by calling Raymond G. Walk, 821-7251.

## Coach Wood Helps Clarify Schoolboy Cage Penalties

By Phil Loranger  
With the high school basketball season now in high gear and spectators jamming the gymnasiums of Pointe area schools at every contest, the NEWS has been the frequent recipient of calls and letters, requesting clarification of the penalty calls and rules involved in schoolboy basketball.

To assure the fans of the right information, the NEWS turned to University School Athletic Director and Head Basketball Coach Bob Wood for the answers.

"I'm encouraged by the increase in the number of fans in attendance at high school cage contests," said Wood. "I was particularly impressed by the fine crowds that turned out nightly to witness the performances at the Yale Holiday Tournament. These were small schools in participation, but the fans really came out to cheer."

**There Are Many Rules**  
The NEWS put Wood on the spot, when we asked for a breakdown in high school cage rules, mainly because there are so many regulations and a great number can easily be classified as "judgment" calls.

"I suppose it would be best to point out that high school contests are divided into two 16-minute halves, with a 10-minute halftime break," Wood observed. "With timeouts, a game usually lasts somewhere between an hour and a quarter to an hour and one-half."

"Fouls are categorized as offensive and defensive, in which, most times, foul shots are awarded and the ball is turned over to the other team," he pointed out. "It would be near impossible to point out all the fouls and the NEWS could devote an entire issue to listing them, so let's look at the most common violations."

**Offensive Fouls Cited**  
"Offensively, a foul is committed when a player, in full control of the ball, drives into a stationary defensive man. This is commonly called 'charging' and the ball is given to the other team from the sidelines out-of-bounds area," noted Wood. "If the offensive player shoots the ball and then crashes into the defensive player, the basket counts, if he made it, and the defensive player is in turn awarded a foul shot."

Wood pointed out that, offensively, a player cannot remain in the "lane," that area bounded by the foul line, the baseline and the foul lane markers, for a period longer than three seconds, unless the teams are

cannot go back behind the line unless the ball is touched by the opposing team.

"In goaltending, offensively and defensively, no member of either team can touch the ball once it starts its downward arch," noted Wood. "No player can touch the rim of the basket or the backboard either. If the foul is offensive goaltending, the ball goes over to the opposition. Defensive goaltending means the offensive team is awarded two points, just like hitting a successful shot."

**We Extend Our Thanks**  
"I'll scratch my head but I think these are the rules with which most fans should be familiar," said Wood.

We at the NEWS know we can't Wood cold, but we appreciate the information and hope it will make a difference for all Pointe basketball fans. Our thanks to Coach Wood.

## Shock To Spray GP City Trees

The City of Grosse Pointe Council approved undertaking the 1970 Dutch Elm Disease Control Program, on Monday, January 19, awarding the job contract to Shock Brothers Company.

The \$6,223 program includes the application of a dormant methoxychlor spray for approximately 2,389 elm trees located on City rights-of-way and parks. It also includes two Dutch Elm surveys conducted during the summer. (As part of the defense against Dutch Elm disease the city also requires property owners to spray private elm trees. This year's cost for privately owned trees is six dollars per tree which represents a 50-cent increase from last year.)

## Officers Elected By Faith Center

The Grosse Pointe Inter-Faith Center for Racial Justice recently elected new officers. Michael Gaskin was elected chairman. Other officers include Maggie Canty, vice-chairman; Sister Patricia Dolan, secretary; and Thomas Dimond, treasurer. Raymond Huetteman was elected liaison member to the central board of the Inter-Faith Centers.

The local center was founded in July of 1969 and is affiliated with the Central Inter-Faith Center Board. It is sponsored by many churches in The Pointe. The office, at 100 Kercheval, is under the direction of Raymond Dolan.

The groups' efforts have been concentrated on educational programs this past year, which included a seminar on New White Consciousness.

Future plans include seminars on cultural and institutional racism, seminars on the Black Manifesto and film presentations on urban problems.

A major effort of the group will be local church implementation of the Project Equality Program, which is designed to use the purchasing power of the church institution to encourage equal opportunity employment.

Persons interested in these issues are welcome to participate by calling 881-9019.

The quoted price per tree for the City's elm trees will be \$2.50 as compared to \$2.25 per tree last year.

1966

Four years old, but its classic beauty and tasteful elegance still give it a distinction that only Cadillac offers. And because it's endowed with Cadillac engineering and craftsmanship, plus so many desirable comfort and convenience features (you'll even enjoy variable-ratio power steering with a 1966 Cadillac) it's likely to offer more driving pleasure and owner satisfaction than most new cars in its price range.

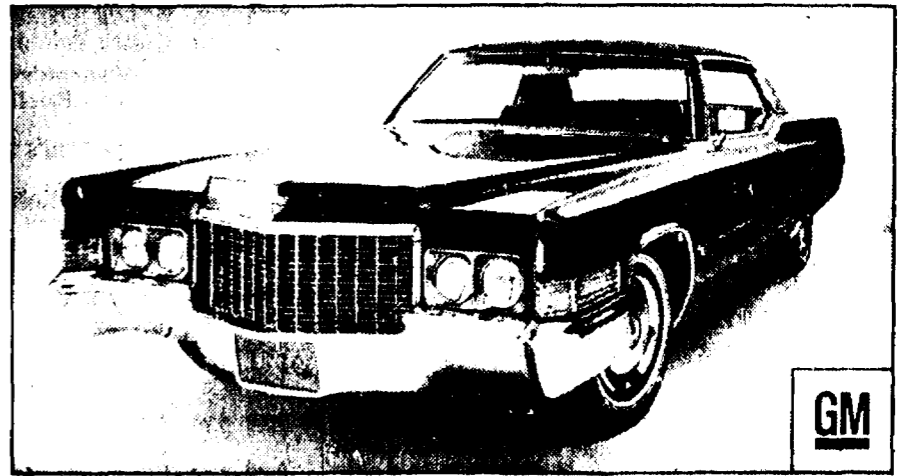

1968

A previously owned 1968 Cadillac offers so much more than many new, fully equipped, medium-price cars. Of course you'll enjoy Cadillac luxury, elegance, comfort and craftsmanship. But you'll also be impressed with Cadillac's big 472 V-8 engine and the precision of its standard power steering and power braking. All this plus the pride of ownership a Cadillac provides.

1967

How can anything this luxurious sell in the "medium-price" range? To provide you with the kind of comfort and convenience features offered by a 1967 Cadillac (nine chances out of ten it'll even have Automatic Climate Control), new medium-price cars have to move way up in price. And then you still won't have a Cadillac, with the total driving pleasure for which the car of cars has long been renowned.

1970

Even the newest model of the world's finest luxury car—a car of uncompromising elegance, comfort and performance—competes in price and economy of operation with cars of far less stature. Thousands of loyal Cadillac owners will testify to this fact . . . and also to the fact that a Cadillac will traditionally return, on resale, a larger proportion of its original cost than any other car built in the land.

Each year at its annual meeting, Sigma Gamma Association presents the Laura Butler Higbie Award, its highest accolade, to the one whose fellow members consider has made an outstanding contribution to the Association and the community.

This year's Award recipient is Mrs. Frank Boyer, of Cloverly road, cited for her continuing interest and devotion to both Sigma Gamma and the Detroit Orthopaedic Clinic.

The Clinic, by the way, celebrates its Golden Anniversary this year.

Founded and sponsored by the Association since 1920, it's a Torch Drive Agency now.

A series of community education luncheons and demonstrations has been planned, under the aegis of Mrs. James Humphreys, (she was last year's Higbie Award honoree), and Mrs. Alfred Glancy, III, at the Clinic through 1970.

The Sigma Gammass gathered last Saturday at the Country Club, heard reports by the president of the Clinic's board of trustees, Mrs. LeRoy Eornhauser, and Mrs. Joseph Caskey, Association president.

They applauded Mrs. Gordon Knight and Mrs. Edward Spalding, each of whom received a Directors' Award presented annually to outstanding volunteers. Also honored were the Misses Hadley Mack and Elizabeth Hilder.

And they approved the new slate of officers offered by the nominating committee: Mrs. Henry B. Kinzie, (Continued on Page 22)

## Grausam-Boynton Rites Revealed

Returning to Grosse Pointe for her Saturday, December 20, wedding in Christ Church was Anne Jenks Boynton, who had been making her home in Chicago, Ill., daughter of former Pointers Mr. and Mrs. Lawrence J. Verdier, now Leland residents.

She spoke her marriage vows to Jeffrey Leonard Grausam, son of Mr. and Mrs. John G. Grausam, of Greenmeadows, Honesdale, Pa., at a 4 o'clock service which was followed by a reception at the Grosse Pointe Hunt Club.

The Reverend Arnold Fenton officiated at the rites for which the bride selected an ivory silk organza gown accented with banded lace panels embroidered with seed pearls and a Cathedral length veil of ivory silk illusion.

She carried a loose bouquet of gardenias.

Honor attendant Mary Trigg, of Chicago, and bridesmaids Mrs. Frank D. Boynton, IV, of Ann Arbor, and Barbara Ann Wilson, of Oak Park, wore floor length frocks of camel jersey banded in ivory satin and carried arrangements of brown and ivory dried flowers.

Best man was John Gwinn, of Chicago. Guests were seated by Frank D. Boynton, IV, John Grausam, of Waverly, Pa., Daniel J. Boynton and Gary Grausam, of Honesdale.

The bride's mother wore a pink brocade ensemble while the bridegroom's mother chose beige brocade. Both pinned gardenias to their purses.

The newlyweds are at home in New York City.

## Amy McMillan Wed Friday In St. Paul's

Garrett Martin Donlins Will Make Their Home in Massachusetts While Both Complete Studies at Worcester State College

Amy Fouts McMillan, daughter of Mr. and Mrs. William Charles McMillan, of Kenwood road, became the bride of Garrett Martin Donlin, son of Mr. and Mrs. Thomas Martin Donlin, of Worcester, Mass., Friday evening, January 23, in Saint Paul's-on-the-Lakeshore.

Assisting Father Leonard P. Wallace at the ceremony was The Reverend Frank Fitt, Grosse Pointe Memorial Church Pastor Emeritus.

For her wedding the former Miss McMillan selected a Victorian gown of heavily beaded dauphinet silk fashioned with long sleeves, a high neckline and modified Chapel train.

Her long illusion veil fell from a matching silk bandeau and she carried an arrangement of cymbidium orchids, stephanotis and ivy.

Mrs. William Lawrence Bockius, of Pound Ridge, N.Y., was her sister's honor matron. Junior attendant was the bridegroom's sister, Marla Ann Donlin.

Bridesmaids were Mrs. Samuel Wadley Childs, of Lake Forest, Ill., the bride's cousin; Josephine Clay Ford, Mrs. John Charles Hughes and Barbara Porter, of Harrisburg, Pa.

Pink bows accented the Empire bodices of their anatea pink silk Princess dresses. They wore wreaths of ivy and elegance carnations in their hair and carried bouquets of the carnations and garnet Sweetheart roses.

Geoffrey Donlin served as his brother's best man and usher.

ing were Mathew Donlin, another brother; Douglas and Philip Fouts McMillan, brothers of the bride; and William Duncan, of Washington, Iowa.

Honorary best man was the bridegroom's brother, Gregory John Donlin, presently serving with the United States Armed Forces in Vietnam.

Mrs. McMillan selected a gown of imported gold and red embroidered gauze for her daughter's wedding. The bridegroom's mother wore a silver and blue brocade costume.

Following a reception in the bride's parents' home the newlyweds left for Cape Cod. They will make their home in Worcester, Mass., where both are students at Worcester State College.

Among out-of-town friends and relatives here for the wedding were the bride's grandmother, Mrs. Elwood Fouts, of Houston, Tex., Mr. and Mrs. James Thayer McMillan, II, of Killeen, Tex., Mrs. J. A. Patrick Hughes, of Houston, Dr. and Mrs. Edward Noonan, of Springfield, Mass., Dr. and Mrs. George Mannix and their daughter Carolyn, of Longmeadow, Mass., and the bride's Belgian cousin, Baron Michael de Selys.

## July Bride

Photo by Paul Gach

Plans for a July wedding are being made by CATHERINE ANNE CINELLI and Rogelio R. Henriquez whose engagement has been announced by her parents, Mr. and Mrs. Ferinando O. F. Cinelli, of Voltaire place.

Miss Cinelli is the granddaughter of Mrs. Arthur B. McGraw, of Grosse Pointe, and the late Dr. McGraw and of Mrs. Delfino Cinelli, of Detroit and Florence, Italy, and the late Mr. Cinelli.

She was graduated from Milton Academy, Milton, Mass., attended Le Fleuron in Florence and will be graduated from the University of Pennsylvania in May.

Mr. Henriquez is the son of Mr. and Mrs. Rafael C. Henriquez, of Panama, and the late Eugene Henriquez, and of Mrs. Soledad de Zamora, of Venezuela, and the late Jorge Zamora.

He was graduated from the Tilton School, Tilton, N.H., and received a Bachelor of Science degree in Economics from the University of Pennsylvania and a Masters degree in Business Administration from the Wharton School of Finance and Commerce.

Pointers GRACE CONRAD and MRS. JOHN DOBBINS were among those attending the Michigan Breakfast held recently in Chicago during the American Cancer Society's 1970 National Volunteers Meeting for Education and Crusade.

## Young People's Concerts Slated

Detroit youngsters will hear Raymond Sharp narrate "Tubby the Tuba at the Circus" this Saturday, January 31, in Ford Auditorium at 11 and 2 o'clock.

The Detroit Symphony Orchestra Young People's Concerts will also feature Saint-Saens' French Military March, Beethoven's Overture to "Prometheus," Ravel's Fair Garden from "Mother Goose," Bizet's First Suite from "Carmen," Tchaikovsky's Scherzo from Symphony No. 4 D minor, Opus 36, and Berlioz's "Hungarian March."

Valter Poole will conduct. Oscar LaCasse, tuba player with the Symphony, will appear as soloist.

The story "Tubby the Tuba at the Circus" was written by Paul Tripp. The music is by George Kleinsinger, a modern American composer of classical, semi-classical and popular music as well as of children's concert music.

Tickets are \$1.50 (2 o'clock only), \$2 and \$3 and are available at Ford Auditorium Box Office.

Raymond Sharp, a native Detroit, studied in New York at Juillard and Columbia. While studying he took time out to tour with several Broadway shows including "Finian's Rain," "Alice in Wonderland" and "Olson and Johnson."

Mr. Sharp went on to win the nationwide "Career Performance" contest in Chicago and for several years thereafter was regular featured soloist on "The Enchanted Hour" and the "Chicago Theater of the Air"—Mutual Network Shows emanating from Chicago.

Since moving back to Detroit Mr. Sharp has been deeply involved in his own interior decorating business but has found time to do several oratorio dates and many leads for the "Piccolo Opera" of Detroit.

This will be his fourth appearance with the Detroit Symphony on the Young People's Concerts. He previously performed the father in "Hansel and Gretel" for two seasons and the wolf in "Little Red Riding Hood" last season.

## President's Day Set At Goodwill

Mrs. Bernard M. Segner, of Westchester road, and Miss Edna Hack, of Detroit, president and immediate past president of the Women's Association of the Goodwill Industries of Greater Detroit, will share honors with other past presidents at the traditional Goodwill Women's President's Day February 11.

A high tea is to be served starting at 12:30 o'clock in the Goodwill Building, Brush street at East Grand boulevard.

The afternoon program will be provided by the Retired Men's Choral Society under the direction of Grayson East.

Past presidents of the organization excepted to attend or from whom congratulatory messages have been received include Mrs. A. Warren Brock, president emerita, Mrs. Claud L. Stevens, Mrs. Karl V. Schwartz, Mrs. Glenn H. Myers, Mrs. L. Lynn Morrison, Mrs. Walter M. Cherry, Mrs. Henry B. Ihnken and Mrs. Herbert C. Path.

Other special guests will be presidents of clubs and church groups and the wives of ministers whose churches support the work of Goodwill Industries and the wives of Goodwill Industries' Board of Directors.

Mrs. Claud L. Stevens is general chairman of the tea committee. Mrs. Herman Hamel is planning the table and decorations.

Membership in and attendance at its meetings are open to anyone interested in furthering the work of the Women's Association, which is to provide personal service to the handicapped employees of Goodwill Industries.

## The William Twiddys

Married Saturday, December 27, in Trinity Episcopal Church, Bloomington, Ind., were GROSSE POINTE North High faculty members FRANCES ELIZABETH GREEN, daughter of the Marc Greens, of Western Springs, Ill., and Mr. Twiddy, son of the Arthur W. Twiddys, of Detroit.

## Miss Green Married To William Twiddy

North High Faculty Members Exchange Vows in Trinity Episcopal Church near Bloomington Campus of Indiana University

At home in Mount Clemens are Mr. and Mrs. William Twiddy, both members of the Grosse Pointe North High School faculty, who exchanged marriage vows Saturday, December 27, in Trinity Episcopal Church, Bloomington, Ind.

Father Lawrence Larson officiated at the ceremony in the small church near the campus of Indiana University at Bloomington, from where the bride was graduated last June.

She is the former Frances Elizabeth Green, daughter of Mr. and Mrs. Marc Green, of Western Springs, Ill., and was active in Trinity throughout her college career.

Dr. Harold Ragatz, professor of Music at Indiana, was organist at the rites for which the former Miss Green selected a traditional satin wedding gown and illusion veil.

She was attended by her sister, Mrs. David Rose, of Nassau, The Bahamas.

The bridegroom, son of Mr. and Mrs. Arthur W. Twiddy, of Detroit, asked Jim Gardner, of Paw Paw, to act as best man.

Ushering were Michael Green, brother of the bride, and David Rose.

Following the service a reception and dinner was held in the Van Orman Suburban Hotel near Bloomington for the small group of relatives and friends in attendance.

The new Mrs. Twiddy is a member of North High's English Department. Her husband serves as North's Biology coordinator.

Nature freezes water, but expects you to cut your own ice.

## Chagnon-Goult Nuptials Held

Father William Sullivan officiated at the evening rites Monday, January 19, in Saint Clare de Montefaleo Church at which Virginia R. Goult, daughter of Mr. and Mrs. Thomas J. Mantley, of Scottsdale, Ariz., formerly of Hampton road, and Dale F. Chagnon, son of Mr. and Mrs. Verdon E. Chagnon, of Standish, exchanged marriage vows.

The 6 o'clock rites were followed by a reception at El Cid's. Following a vacation in Michigan's Upper Peninsula the newlyweds will make their home in Detroit.

For her wedding the former Miss Goult, a Grosse Pointe High School graduate who attended Eastern Michigan University, selected a Princess style white faille gown.

She was attended by her cousin, Mary Lu Landless, whose Empire frock was fashioned of avocado silk faille.

The bridegroom, graduated from Central Michigan University last June, asked his brother, Brent Chagnon, to act as best man.

Satin trimming accented the bride's mother's turquoise chiffon ensemble. The bridegroom's mother chose a two-piece yellow crepe costume.

If you're always up and doing, you'll never be down and out. Prices, at least, seem to find plenty of room at the top.

WILLIAM L. CAMPBELL, son of MR. and MRS. HENRY M. CAMPBELL, III, of Kenwood road, is an active member of the Lake Forest College, Lake Forest, Ill., Concert Choir which gives concerts throughout the year and of the smaller Madrigal Singers. A graduate of St. George's School, Newport, R.I., he is a Lake Forest sophomore and plans to major in International Relations.

## Slate Welcome Wagon Meeting

The Welcome Wagon Club of Grosse Pointe and Harper Woods will hold its next regular meeting Thursday, February 5, at the Grosse Pointe War Memorial. Brunch will be served at 11 o'clock. A special attraction will be a white elephant sale and card playing will follow. Reservations are being taken by Mrs. William Atkins, 881-2952, and Mrs. Paul Sage, 839-9038.

Club members entertained past presidents Mrs. Ben Stormes, Mrs. H. W. Burnett, Mrs. Darwin Tuttle and Mrs.

John Heamon at the January 22 meeting. Andrea Wardell, recipient of the full \$1,000 Welcome Wagon scholarship for a 33-month course at Deaconess School of Nursing, was also present. She spoke briefly on her desire for a nursing career path in Pediatrics and thanked the Club for helping her toward her goal.

The greatest part of this scholarship fund is obtained from the annual Welcome Wagon benefit bridge and fashion show which this year will be held at Fries Auditorium March 19.

Paternal Grandmother's Heirloom Lace Accents Bride's Ivory Satin Gown; Her Lace Veil is Also an Heirloom

Officiating at the wedding of Ruth Ann Herdegen and Daniel Robert Stump in the Merrilweather road home of her parents, Mr. and Mrs. Robert Townsend Herdegen, Jr., was The Reverend James Handley, of Grosse Pointe Memorial Church.

The 7 o'clock rites Saturday, January 24, were followed by a reception at the Country Club of Detroit.

Rosepointe heirloom lace be-

sleeves and a high neckline. Her veil of similar lace, worn by her mother at her wedding, was a gift from her mother's paternal grandmother.

She carried a Colonial bouquet of white roses and stephanotis. Martha Jane Herdegen, who attended her sister, wore a floor length gown of green crepe styled with long sleeves and a high neckline and carried an arrangement of shattered pink carnations and pink Sweetheart roses.

Roger Stump was his brother's best man. Ushering were Robert Herdegen, III, brother of the bride, and Gregory and Jordan Stump, two other broth-

ers of the bridegroom. They are the sons of Dr. and Mrs. Robert Stump, of Lawrence, Kans.

The newlyweds will reside in Madison, Wis.

Coming from Madison for the wedding were the bride's maternal grandparents, Mr. and Mrs. Philip Howe Porter; Mrs. George Farquharson, her son James and daughters Leigh and Mrs. Wayne Warwick; the bride's uncle and aunt, Mr and Mrs. William Kilgour; and her cousin, Elizabeth Porter.

From Indianapolis, Ind., came Mrs. Albert Stump, the bridegroom's grandmother, and his uncle, Dr. Thomas Stump.

## Lillian Blessing Speaks Vows

Birmingham's Our Lady Queen of Martyrs Church was the setting for the Saturday, January 24, wedding of Lillian Adele Blessing and Dennis Joseph Campion.

The Reverend Lucian Hebert, pastor, officiated at the 6:30 o'clock candlelight nuptial mass.

The bride, daughter of the Thomas A. Blessings, of Shoreline East, formerly of Lewiston road, wore a Victorian gown of ivory silk satin accented with appliques of Alencon lace and seed pearls.

Matching lace edged her Cathedral length mantilla.

Honor attendant Jeanne Serra and bridesmaids Linda Horn and Mrs. Vaughn Smith chose Empire frocks of deep purple velvet. Their headpiece were small purple and shocking pink velvet bows.

In matching dresses were junior bridesmaid Kathleen O'Malia and flower girls Mich-

elle Carpenter and Susan Huellmantel, all nieces of the bride. John Campion served as his brother's best man. They are the sons of the Joseph O. Campions, of Birmingham.

In the usher corps were Vaughn Smith, Larry McGary, Dennis Martin and Daniel Cain, the bridegroom's cousin.

Following a reception at Georgian Inn the newlyweds left for a vacation in New Orleans.

### Home in Detroit Awaits Newlyweds Upon Their Return from Toronto vacation; War Memorial Reception Follows Rites

A traditional Empire gown of candlelight ivory satin fashioned with a high Victorian neckline and bodice of peau d'ange lace was Donna Kay Weber's choice for the Saturday, January 24, ceremony at which she became the bride of Daniel James Rose.

Matching lace accented her satin-cuffed short puffed sleeves and an open satin crown trimmed with lace and seed pearls caught her illusion veil.

She carried a Colonial bouquet of white roses and purple heather.

Setting for the 8 o'clock rites which were followed by a reception in the Grosse Pointe War Memorial's Alger House was Our Lady Star of the Sea Church.

Carolyn Weber served as her sister's honor attendant. They are the daughters of Mr. and Mrs. Eric O. Weber, of Lakeshore lane.

Bridesmaids were Cynthia Noll and Deanne Wilcox.

Their plum velvet frocks featured scoop necklines, short puffed sleeves and Empire waists accented with silver trimming. They wore green velvet leaves and heather in their hair and carried arrangements of heather and purple baby carnations with an accent of roses in the honor maid's bouquet.

Flower girl Barbara Erickson, the bride's cousin, wore a pink silk organza dress circled with plum velvet at her Empire waist.

Acting as best man for his brother was Patrick Rose. They are the sons of Mrs. Kathleen Rose, of Hancock.

Robert Kennedy and James RALPH MILLER, JR., son of MR. and MRS. RALPH MILLER, of Harvard road, an Eastern Michigan University junior, plays trumpet in the EMU-Civic Symphony Orchestra.

## Schippers Leads Concert Tonight

The bride's grandmother, Mrs. Francis Stevenson, came from her Grand Rapids home to help with the wedding preparations.

## Mitchell-Neumann Rites Read Jan. 24

Bridegroom's Father Officiates at Service in Grosse Pointe Memorial Church; Newlyweds to Live in Ypsilanti

Linda Ruth Neumann, daughter of Mr. and Mrs. Edward R. Neumann, of Severn road, and Arthur James Mitchell, son of The Reverend and Mrs. Richard W. Mitchell, of McKinley place, were married Saturday, January 24, in Grosse Pointe Memorial Church.

The bridegroom's father officiated at the 12:30 o'clock rites which were followed by a reception at Georgian Inn.

Assisting at the service was the bridegroom's brother-in-law, Michael Dunkelberger, of Louisville Presbyterian Seminary.

The newlyweds will make their home in Ypsilanti, where both attend school, upon their return from a skiing vacation in Northern Michigan.

The bride, given in marriage by her father, wore a traditional white Victorian bridal gown featuring a bodice of peau d'ange lace, an A line satin skirt and a detachable Chapel train.

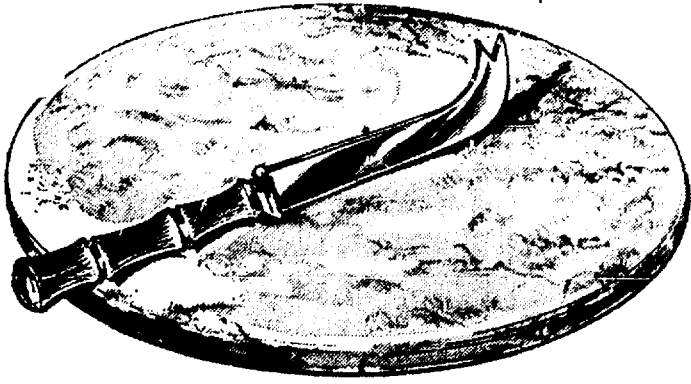

An open crown of re-embroidered lace trimmed with pearls held her elbow length silk illusion veil and she carried a cascade of Jack Frost roses, white carnations, stephanotis and ivy streamers.

Richard Mitchell served as his brother's best man. Seating the guests were Airman First and Nancy Stanley.

They carried cascades of small variegated tangerine Elegance carnations with accents of orange roses, stephanotis and ivy streamers.

The bridesmaids' floor length maize frocks fashioned with velveteen Empire bodices and crepe skirts were designed by the bride. Each girl made her own headpiece, a satin and velveteen butterfly bow with a short veil.

Honor maid was Kathy Sewell, of Washington, Mich. Bridesmaids were Susan Neumann, the bride's sister, Roberta DeBacker, of Flat Rock,

## Susan Walsh Bride Of Gregory Johnson

Four Sisters Attend at Evening Rites in Saint Paul's-on-the-Lakeshore; Bridegroom's Brother is Best Man

A home in St. Clair Shores awaits Mr. and Mrs. Gregory Thomas Johnson who exchanged marriage vows Friday evening, January 23, in Saint Paul's-on-the-Lakeshore upon their return from a skiing vacation in Northern Michigan.

Mrs. Johnson is the former Susan Michelle Walsh, daughter of Mr. and Mrs. John Walsh, of University place.

The Gregory F. Johnsons, of Grosse Ile, are the bridegroom's parents.

A reception at Dearborn Inn followed the rites.

Alencon lace appliques accented the bride's ivory peau de soie gown. Her illusion veil fell from a Juliet cap of lace

and seed pearls and she carried her mother's wedding prayerbook with candlelight roses and daisies.

She was attended by her four sisters, honor maid Mary, dressed in a green velveteen bodice and ivory dirndl skirt, bridesmaids Ann and Barbara, in similar frocks of brown velveteen and ivory, and junior bridesmaid Joan, in a short green velveteen dress.

The senior attendants carried bouquets of daisies tied with

velveteen streamers matching their gowns. The junior bridesmaid carried a daisy nosegay. Velveteen Dior headbows completed their ensembles.

Joseph Johnson, recently returned from Vietnam, was his brother's best man. Two other brothers, Charles and James, the bridegroom's brother-in-law, Raymond Ewader, and the bride's brother, Craig Walsh, seated the guests.

For her daughter's wedding Mrs. Walsh selected a floor length gown of turquoise satin trimmed with gold braid. The bridegroom's mother wore a pink costume with seed pear trimming. Both chose cymbidium orchid corsages.

Out-of-town guests included the bride's grandmother, Mrs. George Hagan, of Garden City, N.Y., the George Hagens, Jr., of Connecticut, Mr. and Mrs. Donald Hagan, of Grand Rapids, Mr. and Mrs. William Walsh, of Memphis, Tenn., the Robert Corkins and James Loughrans, of Cleveland, O., and former Pointers Mr. and Mrs. Thomas Mielke, who now reside in Winnetka, Ill.

## Mrs. Gregory T. Johnson

## Milestone For St. Michael's Thrift Shop

When MRS. JAMES BOBEL, (left), walked into St. Michael's Thrift Shop with her consignment of items she had no idea she was a milestone—or that St. Michael's ladies were waiting, literally breathlessly, for her. Turns out Mrs. Bobel is the FIVE THOUSANDTH consignor to come to the re-sale facility operated by the women of St. Michael's at the Church in Sunningdale park. Offering congratulations, and a "little something," are, (left to right, from Mrs. Bobel,) MRS. DOROTHY HITTEL, assistant manager, MRS. ALFRED HOUSTON, manager, and MRS. ROBERT GASKILL, assistant manager.

president; Mrs. William P. Harris, III, first vice-president; Mrs. Ann Kirk Warren, second vice-president; Mrs. John M. Booth, third vice-president; Mrs. E. Rust Muirhead, recording secretary; Mrs. Gordon T. Ford, assistant secretary; Mrs. John D. Standish, corresponding secretary; Mrs. Paul Twohey, treasurer; and Mrs. Louis A. Fisher, Jr., assistant treasurer.

The meeting was followed by luncheon, arrangements for which were made by the Mesdames Willard Kerr and Thomas Baumgarten.

**Dinner Meeting For Wellesley Club**  
It should be an interesting dinner meeting at the Bretton drive home of Mrs. Alan Irwin next Wednesday, for members of the Wellesley Club of Detroit will receive first-hand reports on What's Happening in the Halls of Ivy from two of their own.

Mrs. Horace W. Gilmore, of Harvard road, presently attending the Wellesley Alumnae Council in Massachusetts, will give a Councilor's Report on faculty and student thinking and activities as of January, 1970. She'll be "backed up" by Mrs. Wilber M. Brucker, Jr., of Merriweather road, representing her class at the Council gathering, who'll discuss personal reactions to the current campus scene.

A Silent Auction treasure sale's to begin and end the program.

Assisting chairman Mrs. Willard Parsons with the arrangements for the 6:30 o'clock dinner are the Mesdames Raymond A. Brown and Thomas H. Miller.

**To Tour County Youth Home**  
And it should be an interesting morning for members of the Assistance League to the Northeast Guidance Center, (formerly known as the Northeastern Wayne County Child Guidance Clinic), next Thursday, for they'll be touring the Wayne County Louth Home.

The program calls for bus transportation to the Home where the Director will conduct the group through the facilities. Then he'll give a brief talk, with time at the end for questions and answers.

Then it's off again by bus, to the Harmonie Club where a leisurely luncheon's to be followed by a short general meeting at which plans and progress on the 1970 Crystal Ball will be detailed.

The Ball's scheduled for February 28 at Lochmoor.

**Thinking Spring**  
A pair of invitations that arrived today prompt us, in the midst of mist and snow, to "think spring"—and we recommend this mental exercise as a marvelous mid-winter morale booster.

So . . . "Think Spring," and the visit of the Metropolitan Opera Company to Detroit next May.

It may seem impossibly far away, consider this: The Detroit Grand Opera Association's annual luncheon's coming up very soon, February 16 in fact, at the Detroit Institute of Arts, and the Met's own Francis Robinson will be here to talk about Opera and Detroit and the Met . . .

Auditions for the Grinnell and Elizabeth Hodges Donovan Scholarships will be held in the Art Institute's Lecture Hall following the luncheon.

And . . . "Think Spring," and the third annual Champagne Benefit Preview of the Detroit Spring Antique Show set for March 10 at the Light Guard Armory.

The Spirit of Detroit Association's hosting the party again, with Mrs. Horace E. Dodge serving as honorary chairman and Florence Sisman as chairman.

Mrs. Sisman planned a tea next Tuesday afternoon in the James Ranger home next door to Mrs. Dodge's Rose Terrace. Purpose of that party? To organize the 1970 Preview committee.

SUSAN L. KUEHNEL, of Clairview court, is one of 12 high school students selected to present an original research paper at the Sixth Annual Southeastern Michigan Junior Science and Humanities Symposium co-sponsored by Wayne State University and the United States Army Research Office. A senior at Grosse Pointe North High School she'll report on "The American Indian Rebellion of Today." Selected as an alternate speaker for the program to be presented Friday and Saturday, February 27 and 28, at the McGregor Memorial Conference Center on the WSU campus is another North High senior, MICHAEL R. GRA-

HAM, of Lakeshore road, whose paper is entitled "Relationships of Collisions on an Air Track."

Among men recently elected to serve on the Detroit Athletic Club's Board of Directors for three-year terms are FRANK A. COLOMBO, of Lakeshore road, and BILL O. BRINK, of Edgemere road. The newly elected members met with the full directorate at the DAC Friday evening, January 23, to name the Club's new officers for 1970 and enjoy the annual formal stag dinner for past and present directors held in the Club's Gregain Room.

## Joan Marie Miller Wed In St. Paul's

Newlywed Benjamin Anthony Harrells Vacation in Rio de Janeiro, Brazil, Following Day After Christmas Ceremony

Following their Friday evening, December 26, wedding in Saint Paul's-on-the-Lakeshore and a reception at the Roostertail Mr. and Mrs. Benjamin Anthony Harrell left for a vacation in Rio de Janeiro, Brazil.

Mrs. Harrell is the former Joan Marie Miller, daughter of Mr. and Mrs. Raymond Miller, of Cloverly road. The bridegroom is the son of the Alva Harrells, of Hollywood avenue.

For the 6 o'clock ceremony the former Miss Miller chose an ivory satin gown featuring a mink collar and detachable Watteau train.

Her bouffant veil fell from a Camelot headpiece and she carried an arrangement of white carnations and rosebuds with accents of holly and red berries.

In kelly green satin frocks styled with green crushed velvet vests were honor maid Gloria Litos and bridesmaids Diane Miller and Mrs. Frank

Gmeiner, the bride's sisters, and Barbara Taylor.

Their bouquets were fashioned of white carnations and red berries and tied with green velvet streamers.

Acting as his brother's best man was Gerald Harrell. Ushers included Robert Harrell, another brother, Dale Miller, the bride's brother, and Steve Romety.

A pink and silver lame ensemble with silver accessories was chosen by Mrs. Miller for her daughter's wedding and the reception. The bridegroom's mother wore a gold satin costume with gold accessories. Both selected cymbidium orchid.

The newlyweds will make their home in St. Clair Shores.

## Their Brooms Are Poised For Curling

Curling's one sport that appeals to the women as well as the men as these smiles on the faces of, (left to right), MARGUERITE GIROUX, of Lothrop road, RUTH MARKLEY, of Lakeshore road, BOBBI MILLER, of Novi, and MARY RAVEN, of Clairview road, testify. The ladies are participating in the Detroit Rockettes' 13th annual Invitational Bonsel which began yesterday and continues through today at the Detroit Curling Club in West Forest avenue. Attendance is free and spectators can view the action on six sheets of ice through large thermo-pane glass windows. Twenty-four of the top women's curling rinks in the United States and Canada are competing for the Alandt Trophy, to be presented to the winning rink this evening.

## Mrs. Benjamin A. Harrell

Scene of the evening wedding of JOAN MARIE MILLER and Mr. Harrell Friday, December 26, was Saint Paul's-on-the-Lakeshore. She is the daughter of the Raymond Millers, of Cloverly road. He is the son of Mr. and Mrs. Eva Harrell, of Hollywood avenue.

## Engaged

Photo by Eddie McGrath, Jr.  
Dr. and Mrs. Delmo Paris, of Lakeland avenue, are announcing the engagement of their daughter, PATRICIA ANN, to Bruce W. Niezgocki, son of Mr. and Mrs. Edward Niezgocki, of Hamtramck.

The bride-elect was graduated from Grosse Pointe High School and attended Northwood Institute, Midland, where her fiance is a junior.

A December wedding is planned.

## Slate Riverside Benefit Concert

The Riverside Civic Fund, Inc., an urban neighborhood service program located on the lower east side of Detroit, will sponsor its fifth Annual Benefit Concert at Ford Auditorium Friday, February 6, at 8 o'clock.

Valter Poole will conduct the Detroit Symphony Orchestra in "pop" selections.

The Fund, under the direction of The Reverend David Eberhard, has served the lower east side with positive community services such as a Clinic, Neighborhood Youth Service, a Co-Op, various housing projects, a Church, extensive urban summer programs and the Kercheval Center.

This benefit concert is one of the major sponsors of these urban programs which are supported and operated by private funds.

Albert Mackey, executive assistant at Riverside, recently stated: "It is because of the many friends who have supported Riverside with their talents and time and money that we have been able in the past five years to extend our services from one agency to eight agencies serving approximately 1,500 people a week."

Tickets are available at Grinnell's, Hudsons Riverside and Ford Auditorium.

## Rummage Sale At St. Columba

The Episcopal Churchwomen of St. Columba Church are holding their winter rummage sale Friday, February 6, from 9:30 to 1 o'clock in the Parish House, corner of East Jefferson and Manistique, Detroit.

Each year proceeds from rummage sales and other projects supply funds to aid some 20 charitable agencies and groups throughout the community, nation and world which the St. Columba Churchwomen support.

## Flower Craft Class Offered

Artificial flowers, so popular to the buyers in exclusive shops throughout the area, can now be produced by adults who want to take advantage of a new adult education class titled "Flower Craft." The Department of Community Services has announced the class as a new and exciting part of its crafts program for women, scheduled to begin in February at the Community Service Building.

This six week evening class will provide instruction in the making of colorful, and accurate, reproductions of roses, chrysanthemums, bachelor buttons, iris, geraniums, poppies, and many others, all fashioned in crepe paper. The unique techniques of this unusual art will be taught by Patricia Murphy.

The home decorator will find a new dimension of personal satisfaction as the products of this class become a part of a new and cheerful home decor.

Reservations for this class are being taken now at the Department of Community Services. Call 885-3808 or 885-0271 today.

## Brennan-Wilson Vows Spoken

Barbara Anne Wilson, daughter of Mr. and Mrs. George R. Wilson, formerly of Grosse Pointe, now residents of Hudson, O., was married Saturday, January 10, to Hugh F. Brennan, Jr., son of Mr. and Mrs. Hugh F. Brennan, of Detroit.

The ceremony in Detroit's Gesu Church was followed by a reception at the Detroit Athletic Club.

Given in marriage by her father the former Miss Wilson was attended by her sister-in-law, Mrs. John C. Wilson, as matron of honor. Martin Brennan, of Petoskey, was best man for his brother.

The bride is a graduate of Liggelt School, Monticello College and Katherine Gibbs School in Boston. The bridegroom is a graduate of the University of Notre Dame.

The newlyweds vacationed in Fort Lauderdale, Fla., prior to their return to Detroit where they will reside.

## Faculty Wives Group To Meet

Mrs. Jim Garlough, chairman for the February meeting of the Grosse Pointe Faculty Wives' Card Group, has announced that a Valentine theme will be used for the next card party.

Faculty Wives wishing to play bridge or pinochle are invited to meet at Brownell Middle School this Monday evening, February 2, at 7:30 p.m.

Hostesses assisting Mr. Garlough will include Mrs. Edwin Wendt, Mrs. Maynard Leight, Mrs. Brian Forster, Mrs. Curtis Lange and Mrs. Clark Lawrence.

## Windmill Pointe Club Will Meet

The Windmill Pointe Garden Club will meet in the Lexington road home of Mrs. Frederick Hilger at 12:30 o'clock Saturday, February 7, for luncheon, a business session and a slide talk on Wild Flowers of Michigan presented by Mrs. Jack Drummond.

## Good Citizens Tea Set By Elizabeth Cass DAR

The Elizabeth Cass Chapter, Daughters of the American Revolution, gathers next Monday, February 2, at 1:30 o'clock in the Grosse Pointe War Memorial for one of its favorite programs, the traditional Good Citizens Tea.

Ten senior high school girls from Grosse Pointe and surrounding communities will receive Good Citizens pins and certificates plus copies of "In Washington," a DAR publication describing the society's work and purposes.

Good Citizens is a natural DAR project. Classmates and faculty members select the outstanding senior girls to be honored by local DAR chapters on the basis of their (the girls') qualities of dependability, service, leadership and patriotism.

From the local chapters' Good Citizen nominees two girls will be selected by the Michigan DAR and will be guests at the state convention luncheon Friday, March 20, at the Statler-Hilton Hotel in Detroit.

Winners in each state will then be judged on a national basis, with the over-all winner receiving a \$1,000 scholarship to the college of her choice and a sterling silver Paul Revere bowl.

## Fantasy Leads Child To 'Lie'

As hard as it may be for a parent to realize lying and stealing by a child may just be part of the business of growing up, advises June L. Sears, Extension Home Economist for Wayne and Oakland counties.

"However parents can guide their child safely through these problems if they understand why the youngster does these things," she adds.

Often a young child is not trying to deceive. He is merely mixing reality with fantasy.

"At four years his ideas of amounts and quantities are vague," Mrs. Sears explains.

"So if he talks about having thousands of dollars, for instance, he's probably just using words he heard adults use. In time, as he deals with real things and gains an understanding of what they mean, he will learn to be more accurate."

Some children, especially those who lack playmates, live in more of a fairy-tale world than others. In their need for companionship they may talk of their daydreams as if they were actual happenings.

"Let the child know you regard it as a very good story and nothing more," advises June Sears, "but avoid making him feel you don't trust him."

"In reading stories to a child you can help him to distinguish reality by pointing out which stories are 'made up' and which are about things that actually happened."

Children need to feel important. If this natural desire is being denied they may make up startling stories to capture attention.

"But if a child's need for attention is not neglected," Mrs. Sears says, "tale tales will be at a minimum."

"A child develops honesty by the examples you set. Remember that point whenever you have him tell a caller you're not in or when you make a promise and don't keep it."

When a youngster takes an article he usually just wants to use it at that moment. This desire for possession rarely lasts longer than his interest in the object. However he must learn to distinguish private property.

"If you let him get away with taking other peoples' things because he's 'cute,' you're not helping him learn this distinction," warns the Home Economist. "Instead, tell him it isn't done and that you disapprove."

Part of this lesson in learning respect for the property of others entails giving the child a private place to keep his possessions.

Then make sure other family members and guests show him the same respect that you're trying to instill in him.

"If you discover your child in an actual 'theft,' don't punish or humiliate him in front of friends," Mrs. Sears says.

"Don't allow the theft to work out to his advantage, either. Don't let him keep the article and don't reward him for returning it."

## Will Wed

Photo by Bransby Studio  
At a family party Christmas in the Lakeshore avenue home of the bride-elect's grandparents, Mr. and Mrs. Dean Constant, Mr. and Mrs. Vernon K. Ausherman, of Lakepointe avenue, announced the engagement of their daughter, RITA MARIA FORMILLER, to William Augustus Howe, Jr.

He is the son of the William Augustus Howe, of Farmington and Deerfield Beach, Fla., formerly of South Renau road.

A June wedding is planned.

## Betrothed

Photo by Eddie McGrath, Jr.  
Mr. and Mrs. Kenneth F. Bergmann, of Merriweather road, are announcing the engagement of their daughter, LYNN KAREN, to Steven Mark Entine, son of Mr. and Mrs. Raymond Entine, of Philadelphia, Pa.

They plan a June 13 wedding in Grosse Pointe Unitarian Church.

Both the bride-elect and her fiance are Michigan State University graduates. She is a graduate student in English at the State University of New York Buffalo. He is a Ph.D. candidate in Math at the University of Wisconsin.

In Style... the "in" styles for cruise and spring are now at Walton-Pierce. An important look is the long sleeved dress with its sleeveless coat. We love it and selected a brown and white travel jersey with its own white sleeveless linen coat stitched with brown.

"What's Going On In Hair?" we asked Nino as he was skillfully scissoring our hair into the shape we like best. Nino's answer was, "Lots of braids... and for evening, pearls and jewels."

Warm Up... with a cup of coffee and a glimpse of spring. You'll get both at Michelle's Boutique, 17864 Mack Avenue.

A Mutschler Kitchen... there's one to suit every woman. Individually designed, a kitchen is fashioned to fit her work habits as well as her taste in decor.

In Martha's Closet... 373 Fisher Road, there's a brand new selection of Gordon of Philadelphia pants priced from nineteen dollars and short culottes at eighteen dollars.

Collectors, Attention... Before the prices go up, there are still a 1969 Christmas plates, including Royal Copenhagen and Rosstrand at The Sphere, 19849 Mack Avenue.

The Kaleidoscope... sees you spicing your table settings with colorful new reversible plate mats. Vera's prints on linen towels make ordinary kitchen racks extraordinary.

When It's Semi-formal... choose the stroller at Valente's, 17904 Mack Avenue. Dignity of style combined with ease of fit makes the stroller and striped trousers the favorite with semi-formal daytime weddings.

There Are Lusty Capitals in Europe... and those folks at Mr. Q know all about them. You can go for two weeks to Amsterdam, Paris, Hamburg, Copenhagen...

There's A Flurry And Flutter... about the arrival of Andre eyelashes at the Notre Dame Pharmacy. There are about twenty different lashes from which to choose.

Do It Yourself... You're taught how to improve and apply your own makeup at Eduard Nepi Parrucchiere, 19463 Mack Avenue. An expert will analyze and then redesign your makeup.

Wedding Plans... should include a bridal color portrait and wedding color candids by Eddie McGrath Jr. Don't be disappointed. Call 884-4280 now to reserve a future date.

Great Favorites with the teen set is the hand-crafted sterling silver jewelry at 16237 Mack and Three Mile. Poison rings, bands, filigree earrings for pierced ears are the most popular presents.

It's Posh... to be one of the beautiful people. Mr. and Mrs. W. T. Ireland jetted to Greenbrier for a bit of fun and relaxation. Before leaving, the lovely Mrs. Ireland visited the Posh Studios for a hair shaping and styling.

Wright's Winter Lamp Sale... is now in progress. At least 20% off! A few 50% off! Wright's Gifts and Lamp Shop is conveniently located at 18650 Mack Avenue next to the Grosse Pointe post office.

Every Friday and Saturday... Wesfield's feature fresh lake perch (all you can eat), French fries, cole slaw, roll 'n' butter. It is a dollar fifty-nine for adults and ninety-nine cents for children under ten at 15506 Mack at Somerset.

MRS. RAY W. MACDONALD, OF LOCHMOOR BOULEVARD

By Janet Mueller

Women have a way of finding out when one of their number isn't intimidated by numbers. "I thoroughly enjoy," says Florence Macdonald, "sitting down and working with figures."

For, first of all, Florence's family, her husband especially: Florence is the family tax expert, filler-out of state and federal forms, manager of finance.

And for the Detroit Symphony Orchestra's Women's Association: When the Symphony ladies discovered Mrs. Macdonald had served as treasurer for her (Grosse Pointe Woods Presbyterian) Church Women's Association, they knew just where to use her.

So Florence did a stint as Symphony Women's treasurer.

Another Assignment Now she has another assignment: General co-chairman, (Mrs. Judge W. Beard's her opposite number in Birmingham), of "Fashionscope Symphorama 1970," the Symphony ladies' annual presentation of Detroit's most comprehensive spring fashion show staged by the J. L. Hudson Company for the Orchestra's benefit.

"Annual"... but not at all the same! For years now the Women's Association and Hudson's have joined forces in February or March to present a spring Fashionscope as an Orchestra fund-raiser.

It was scheduled afternoons in the Downtown store's auditorium and slanted exclusively to women. But look what's happening in 1970: Format Changed The whole Fashionscope format's been changed. Instead of a two-day affair it's a one-nighter.

Instead of a just-for-the-ladies affair it will feature clothes for men as well as women. Instead of a traditional models-walking-up-and-down-with-commentary it will be a two-hour music-and-fashion extravaganza, combining the talents of couturiers, guest celebrities, members of the Detroit Symphony.

Instead of Hudson's Downtown 12th floor it will be presented in Ford Auditorium. How about that? "This new format," Florence explains, "is the result of a general consensus. 'Hudson's felt the time had come for a different exposure. The Women's Association was more than happy to go along with the store — and the Orchestra was delighted! Because, after all, Fashionscope is FOR the Orchestra, and this

Wine Marinade for Steaks or Roast

(Contributed by Mrs. Lester A. McIntosh for Symphony Junior's Cookbook "No Second Fiddle")

- 1 1/2 cup peanut or cooking oil
3/4 cup Soy sauce
2 Tbs. Worcestershire sauce
2 Tbs. of dry mustard
2 Tbs. salt
1 Tbs. fresh ground pepper
1 cup dry red wine (Chianti, Sherry, Bordeaux, etc.)
2 Tbs. dried parsley flakes
1/3 cup fresh lemon juice

Combine all ingredients in a quart mason jar. With cover shake vigorously. Marinade can be drained from the steaks and reused. Can be frozen in the freezer for future use. Wonderful flavor for sirloin steaks and will help tenderize economical cuts of meat.

And how about a round of applause... kudos on behalf of a job well done, for the Home's Retiring President Mrs. J. Otis Wardwell.

And while we're handing out rounds of applause... let's hear it for Allen F. Edwards, of Moross award, recipient of the National Pilots Association's highest award, the Safe Pilot Certificate granted to its members by the nation's largest non-profit pilot organization in recognition of skill and flying ability represented by AT LEAST 500 HOURS as pilot-in-command "without major accident involving damage to property or injury to person"...

Finger In Every Pie

"When you're treasurer," she says, "you have a finger in every pie. It's not hard to move into a specific project." She and Ray are regular Symphony attendees. "Thursday nights: We're traditionalists." Florence Macdonald has no illusions about the Detroit Symphony's current situation.

"The Symphony is really in need of more financial help," she explains.

"Ticket sales from the various concerts come nowhere NEAR meeting the budget. And even with the substantial gifts the Symphony receives annually from generous donors, more money is needed.

"The efforts of the Women's and Junior Women's Associations are really appreciated."

Symphony To Play

In fact, as an expression of thanks to the Women's Association and all metropolitan Detroiters for their support and interest. Symphony members are contributing their talents, time and energy to make Fashionscope Symphorama 1970 a success.

An orchestral piece, conducted by Sixten Ehrling and played by Symphony artists, will open the entertainment. Richard Hayman, nationally renowned composer-arranger, is flying in from New York to conduct the Symphony-played music which will accompany the Hudson fashion segments.

Madelyn Coe, Hudson fashion director, is masterminding the latter.

Sounds great? Florence Macdonald thinks so. We do too.

Card Luncheon Set At St. Jude

A Jack Frost luncheon and card party will be held in the St. Jude Gym, Seven Mile and Redmond, on Tuesday, February 10, at 12:30 o'clock.

Reservations for the event, sponsored by the St. Jude Altar Society, may be obtained by calling DR 1-2539 or VE 9-5888. Mrs. Albert Grand and Mrs. Paul Jones are chairman.

Creative Writing Course Offered

Creative Writing classes are now being organized as a part of the Grosse Pointe Adult Education Program. Scheduled to begin on Tuesday, February 17, the eight-week class will provide opportunity to adults whose enthusiasm for creative writing may find some reliable reinforcement.

Writing is pure hard work, if it is done effectively and creatively. Under the careful guidance of Avis Kirsh, who has a rich background as a teacher and a writer, the students in this class will have ample opportunity to explore different forms and styles of writing, have original drafts of writing critiqued by the instructor and the class, and possibly find interesting experiences with persons of special talents who will be invited resource persons for this class.

The Hemingway, Poe, or Miller of Grosse Pointe may not emerge from this class, but the person whose personal inspiration is to put it all down on paper, will certainly find this an excellent class. Call the Department of Community Services at 885-3808 or 885-0271 for a reservation, today.

As we promised... at the end of last week's column, here's the conclusion to George Wilson's top-of-the-head resume on what his fellow St. Paul High School Class of 1966'ers are up to now... "A good number, (writes George), of the Class of '66 are attending colleges outside Michigan... Dan Wright is majoring in Journalism at Marquette University and writes for the campus newspaper... St. Paul's Golfing Great, John Grace, goes to the University of Houston, and Don Amez is studying Radio and Television Broadcasting at the University of Tulsa... Beth Hollerbach is a Sociology major at the University of Denver... Down in Ohio, Roger Favrow is a Business Administration major at John Carroll University... These, (reporter Wilson concludes), are just a few of the many St. Paul grade who are successfully continuing their education at the college level."

PILFERINGS

Winston Churchill was once asked by an admiring lady if he was a pillar of the church. Churchill replied that he was more like a flying buttress: "I support it from the outside."

Flower Fixing Classes Slated

Charles Grigg will once again bring his creative talents to the Flower Arranging course now being organized by the Department of Community Services, Grosse Pointe Public Schools.

Mr. Grigg has a well deserved reputation as an artistic professional in his field of the floral business. His adult classes in Grosse Pointe have learned the many fascinating techniques that enable students to produce their own artistic arrangements of cut fresh and dried flowers. The workshop style of classroom instruction is to be scheduled for Wednesday evenings, 7:30-9:30 o'clock, in the Community Services Building. The fee for the eight-week course is \$10.

Call the Department of Community Services at 885-3808 or 885-0271 for a reservation today.
