PRESIDENT NIXON'S PLAN to reform the nation's welfare system by giving cash subsidies to 3.8 million "working poor" families cleared its first big congressional hurdle Thursday. The House Ways and Means Committee approved the controversial proposal, which carries a \$4.4 billion price tag and would roughly double federal outlays for public assistance. House passage of Mr. Nixon's whole welfare-revision package is now expected about March 18.

FIVE U. S. MARINES have been charged with murdering 16 South Vietnamese civilians, 11 of them children, during a patrol one week ago through the village of Son Thang on the northern coast, it was announced Thursday.

Saturday, February 28

PRESIDENT NIXON proposed new machinery Friday to ward off crippling strikes in the transportation industries, notably the railroads. The proposals, in a special message to Congress, outlined a long-range program and were not intended to meet the recurring threat of a railroad strike this month.

CITY HEALTH OFFICIALS have banned the sale of cigarettes at Detroit General Hospital. Dr. George Sweda, deputy health commissioner in charge of city hospitals, said he didn't know how soon sales would be ended but said health officials were currently negotiating with vendors.

THE CHICAGO SEVEN were released from jail on a total of \$155,000 bond by order of a federal appeals court Saturday with a stern warning against "seditious speech." The warning obviously was intended to apply to speeches the men might make while they are free on appeal. It was accompanied by a warning that they could be remanded to custody if they misbehaved.

MR. and MRS. DALE FLYNN were found beaten and stabbed to death Saturday in what police said was the robbery of their westside home. Their pet poodle was strangled and goldfish were emptied from their bowl and squashed underfoot.

SOVIET AMBASSADOR to France, Valerian Zorin, said the Vietnam and North Vietnamese will break off the Vietnam peace conference shortly if the present stalemate continues. It was the first time either side has mentioned the possibility of a walkout since the four-party talks began 13 months ago, U. S. officials said.

PRESIDENT NIXON PAID a surprise visit to New York Monday evening to meet with Georges Pompidou and apparently smoothed the French president's ruffled feelings over snubs and demonstrations against him during his American tour.

FORMER PRESIDENT LYNDON B. JOHNSON, 61, entered Brooke General Hospital Monday for tests and treatment of chest pains. The 38th president, who suffered a heart attack in 1955, when he was a U.S. senator, first complained of the pains February 20. His doctor, J. Willis Hurst of Emory University in Atlanta, said Johnson had shown a "minor change" in electrocardiograms, but "there is no evidence of any recent heart attacks."

Gun Wound Fatal to U-L School Aide

Assistant Headmaster Accidentally Shoots Self in Head While 'Clowning' at Home

Allston S. Goff, Jr., 37, of 330 Provencal road, assistant headmaster of University-Liggett School, died in St. John Hospital on Friday, February 27, of an accidentally inflicted bullet wound in the head. He was fatally wounded while "clowning" around with a loaded .22 caliber pistol.

Farms police called to the Goff residence by the dead man's wife, Ellen B., said they found Goff on the floor of his bedroom in his garage apartment, and his wife frantically attempting to stem the flow of blood from the wound.

Mrs. Goff told the authorities that she and her husband had just returned home from a basketball game at the University-Liggett School, and that her husband was in excellent spirits. They had coffee and a little bite to eat and her husband went to the bedroom, and she followed.

The distraught wife said that her husband began clowning, and picked up the firearm with his left hand and aimed it at his head. His finger slipped and hit the trigger and the gun went off, with the bullet entering the left side of his head and stopping on the right side. The pistol was on the floor with a loaded clip in it.

Local Delegates Attend Ceremonies in Washington, D.C.; 405 Cities and Towns Represented in National Competition

Grosse Pointe Delegates to the National Congress of Beautification, Mrs. Clarence Maguire, president of the Grosse Pointe Beautification Council, Robert Slone, City Manager of Grosse Pointe Park, and Mrs. Leland F. Carter, vice-president of the Pointe council, received the citation at a special ceremony presided over by Charles (Bud) Wilkinson, special consultant to President Nixon and president of the newly established National Center for Voluntary Action.

Four hundred and five cities and towns from across the United States, representing fifty million Americans, participated in the 1969 National Clean Up Contest and were recognized for their civic improvement efforts of the past year. Competition was keener than ever before since the total response by far surpassed that of previous years in this, the oldest and largest competition of its kind in the country.

Entries, in large book form, came from the four corners of the nation — from Port Townsend, Wash. to Rockland, Me.; from San Diego, Calif., to Miami Beach, Fla. — and ranged in size from Caledonia, Mo., with a population of 119, to Chicago, Ill., a city of four million. The state responding with the most entries was Missouri with 147, a new record. Other states represented with 10 or more entries were Nebraska, California, Michigan, Ohio, Texas and Utah.

Classed by Population
Cities vied against others of similar population size for trophies, Distinguished Achievement Awards and Certificates of Honorable Mention. The formidable task of selecting the winners was faced by a distinguished panel of judges comprised of top officials of various national organizations interested in community betterment.

Trophies for the 10 best programs in communities with populations of less than 25,000 were awarded to: Grand Junction, Colo.; Mountain View, Mo.; Tarkio, Mo.; Battle Creek, Neb.; Canfield, Ohio; Lennox, South Dakota; Kilgore, Texas; Sulphur Springs, Texas; Brigham City, Utah; and Roosevelt, Utah.

Trophy winners among cities between 25,000 and 250,000 population are: Texarkana, Ark.; Texas; Pomona, Calif.; Gainesville, Fla.; Mishawaka, Ind.; Iowa City, Ia.; Woodbridge, N.J.; High Point, N.C.; Grand Prairie, Texas; Huntington, W. Va., and Beloit, Wis.

Detroit is Winner
Cities of over 250,000 population having trophy winning programs are: Chicago, Ill.; Fort Wayne, Ind.; Detroit, Mich.; Cincinnati, O.; Toledo, O.; Philadelphia, Pa.; Memphis, Tenn.; Houston, Tex.; San Antonio, Tex., and Milwaukee, Wis.

During the National Congress on Beautification, the Clean Up Bureau's National Award of Distinction was presented to the General Federation of Women's Clubs of Grosse Pointe Park; MRS. CLARENCE MAGUIRE, president of the Pointe Beautification Council, accepting an Honorable Mention plaque from MRS. WALTER MAGEE, national president of the Federation of Women's Clubs.

Crash Ends 5-Mile Chase At 100 mph

Woods Public Safety Officer Catches Speeder at Road Block in St. Clair Shores

What started out as a routine traffic check for Woods Public Safety Officer Stuart Gerow on Friday, February 27, resulted in a wild, high-speed chase covering five miles, and a dramatic ending.

While on a routine patrol north on Mack avenue, shortly after 9:30 p.m. Gerow spotted a vehicle in his rear-view mirror. The car, also traveling north on Mack, appeared to have an improperly adjusted headlight.

Gerow allowed the vehicle to pull even with his patrol car and proceeded to flash his emergency lights and sound his horn. The officer also briefly flashed his auto's spotlight in an attempt to get the driver of the car to pull over to the curb.

The driver suddenly accelerated west onto Hollywood through heavy motor and pedestrian traffic, hiked his speed to 60 miles per hour and ran a stop sign at Helen. He roared into the City of Harper Woods and turned north onto Harper avenue with Gerow in pursuit.

Gerow estimated his speed at nearly 100 miles per hour at this time. He notified the St. Clair Shores police department that the chase had now entered its community.

At Nine Mile and Harper, the St. Clair Shores police joined in the wild chase and the speeding driver accelerated his auto to over 100 miles per hour and began to cut in and out of the heavy evening traffic.

He continued to speed north on Harper, running a red light at 16 Mile road and moving into the center, left-turn lane. He ran two more red lights. At Cedar and Harper, the pursuing St. Clair Shores police car attempted to bring him to a halt by bumping his car at least four times, but the driver continued to run at speeds in excess of 100 miles per hour.

As the speeding driver and the pursuing police approached 11 Mile road, they noticed that the St. Clair Shores police had formed a roadblock by placing

Support Extended By Woods Council To School Systems

Solons Unanimously Pass Resolution Urging Passage of Tax Millage Proposal at Election Scheduled for March 24

The Woods Council, at its regular meeting on Monday, March 2, took a bold forward step in recognizing the responsibilities of local City officials toward the backbone of their communities, the Public School System, by passing a resolution urging its residents to support the system and announcing its support of Proposition I in the upcoming Special School Millage Election slated for March 24.

Councilman William F. Huetteman requested that the matter be placed on the agenda. After a brief recess, Councilman Donald D. Cook moved passage of the resolution, Benjamin Pinkos seconded the motion. The Council voted unanimously for passage. (Councilman Thomas E. Leah was absent.)

The resolution reads as follows:

"Whereas one of the basic foundations of every good community is a sound educational system and whereas the Grosse Pointe communities have supported a quality system and have benefited not only in the education of their children but also by the increased value of their real estate; whereas the present operating millage is expiring on June 30, 1970 and there will be a Special Election March 24, 1970, to vote on Proposition I, which will renew the present 18.5 mill levy and increase it by 1.2 mills, and a second proposition to further increase the millage by 2.7 mills; whereas the Council of the City of Grosse Pointe Woods wishes to go on record as supporting the need for financial backing of the school system by an operating millage levy; now therefore, be it resolved that the Council of the City of Grosse Pointe Woods does urge its citizens to support its school system, to acquaint themselves with the facts and does support Proposition I. As to Proposition II the Council believes the citizens should accept or reject it depending on what they desire from the school system and what they feel financially able to support."

This resolution is particularly significant coming from the (Continued on Page 2)

Burglars Take TV and Stereo

Woods police were called on Thursday, February 26, to the home of Jean Hannan, 2166 Lennon, to investigate a report of larceny from that dwelling. The complainant told officers that she had been cleaning her home on that day, when she suddenly became aware that a television set and a stereo radio were missing from the living room.

Mrs. Hannan asked her son, John, to check throughout the house for the missing items, but he was unable to find them.

A thorough investigation failed to reveal any signs of a forced entry into the home, but police did find that two living room windows had been left unlocked. Mrs. Hannan told the officers that the home had been left vacant for a two-hour period earlier in the day.

After some conversation, the youth offered to drive the boys to the home. They said he left and returned a few hours later and requested to use the bathroom. The homeowner's son told the officers that, after thinking all the boys had left, he found the drugged youth in his sick condition and discovered that the rest of the group was still in the basement. They (Continued on Page 2)

Upon arrival officers found the nearly-dead youth, the frightened child and the son of the homeowner and a number of his friends, including two more Pointe youngsters, in the basement of the house.

When police arrived at the scene, they also found a frightened eight-year-old girl in an upstairs bedroom, dazed at all the confusion and wondering why the policemen had come to her home.

The sordid incident was uncovered, when Harper Woods patrolmen were called on Sunday, February 21, to assist the fire department in an ambulance run.

When police arrived at the scene, they also found a frightened eight-year-old girl in an upstairs bedroom, dazed at all the confusion and wondering why the policemen had come to her home.

Group Claims It Can Raise Needed Funds

Hockey Association Would Donate Facility if Farms Allots Space at Kerby Field

An ambitious proposal calling for the construction of a nearly \$1,000,000 Community Center recreational facility on Kerby Field, submitted by members of the Grosse Pointe Hockey Association (GPHA) at the Monday, March 2, Farms Council meeting, has been taken under study by Council members.

The unique proposal was submitted to the Council by Stewart R. McLaren, of 286 Morriweather, chairman of the GPHA Community Center Steering Committee, which has been researching the project for more than a year.

The proposed plans call for the construction of an indoor ice rink, training, locker and meeting rooms in a modern facility, an outdoor tennis court facility and paved parking lot. McLaren claimed the entire construction package would cost about \$900,000.

Fast Growing Sport
"Minor league hockey and ice skating in The Pointe have become the community's fastest growing sports," said McLaren. "Such activities afford residents of all ages an opportunity to participate in well-organized and supervised recreational programs."

"The GPHA, the organization which brings minor league hockey to Pointe youngsters, has reached the maximum enrollment limit," he continued. "We now have the greatest amount of participation available to these youngsters, but we are going to be forced to curtail the program at a critical time, when expansion should be underway."

McLaren explained to the Council that the funds for establishing such a facility would be raised by setting a building fund quota for each of the 450 present and anticipated member families of the GPHA, through donations from corporations, civic clubs and churches and from the direct income of promotional activities. There would be no cost whatsoever to Farms residents or residents of any of the Pointes.

Would Turn It Over
"Once the facility is erected and in operation it would be turned over to the community," said McLaren. "We don't care who owns the structure as long as the community has one available."

In the past few years, The Pointe has become a highly successful "hotbed" of minor league hockey, but participants in the sport have been forced to travel long distances to find available ice. The travel has proven to be both tedious and expensive.

A growing number of Pointers have expressed their concern over the lack of an artificial ice center. The NEWS has been a frequent recipient of letters from residents who voice such complaints and support the construction of an indoor ice facility.

McLaren was quick to point out that the facility would not make available for those activities of the GPHA, but would make available ice skating programs for adults and would provide much-needed facilities for numerous "non-ice" sports, while providing a more effective use of the existing recreational property at Kerby Field.

Would Carry Self
"The annual costs of operation of the facility would run to about \$90,000," said McLaren. "The total use income, combining all activities during a 40-week ice operation, would bring in about \$80,000 alone. If we take all the sources of revenue from ice-oriented activities, including rentals, concession admissions, admission charges for ice shows, skating exhibitions and hockey games, the center would realize an income of about \$119,000. That represents a good profit for the year and doesn't even include the "non-ice" activities."

"Non-ice" activities would include tennis, badminton, roller skating, volleyball, indoor golf, meetings, exhibitions, school (Continued on Page 2)

Wrecking Firm to Clear Away Explosion Damage

At its regular meeting held on Monday, March 2, the Farms Council authorized the Federal Wrecking company to supply equipment and manpower to excavate and expose underground tunnels and rooms under Harbor Hill. The cost of this project is estimated at about \$3,000.

The existence of the tunnels and rooms became known following the January 24 gas explosion which completely leveled the \$100,000 home of Mr. and Mrs. Sidney S. Hall, 34 Harbor Hill, and caused extensive damage to the residence of Mr. and Mrs. Clinton Drysdale, 38 Harbor Hill.

The first explosion leveled the Halls' two-story home to the ground. A second blast damaged a wing of the Drysdale house; and a third, lifted the 23-

ton fire Snorkel manned by Woods firemen, approximately 10 inches off the ground and set it at an angle several inches from its original position. Three Woods firefighters were hurt.

John DeFoe, Farms director of Public Services, said that the wrecking firm will clear away all the broken concrete on the cul-de-sac at the end of Harbor Hill, and from other public rights-of-way damaged by the explosions.

DeFoe said he took part in underground survey, which disclosed connecting tunnels and passageways between the existing basements of the old Dodge house. The survey also uncovered a 7x7-foot heavily reinforced concrete subbasement, (Continued on Page 4)

Woods Supports Schools

(Continued from Page 1) north end of the district since the millage was so soundly defeated in this area at the January 28 election. Residents there voted overwhelmingly against the 25.45 millage. Barnes School, 465 yes, 880 no; Monteith, 511 yes, 1,050 no; Mason, 461 yes, 724 no; Ferry, 710 yes, 1,036 no. Considering the past confrontations between school officials and the Woods Council over North High School this indeed was an objective and constructive move on the part of the Council!

Following a public hearing attended by 1,100 citizens in the auditorium of Parcels Middle School on February 19, the Board of Education accepted the recommendation of Dr. Theos I. Anderson, Superintendent of Schools, for a reduced level of staff and program for next year. Dr. Anderson's recommendation includes a reduction of \$1,828,000 in the 1970-71 proposed budget of \$16,001,733 to \$14,173,733.

Takes Official Action
The Board took official action on February 23 to set the amount of operating millage needed to finance the budget. The trustees set the millage requested at 19.70, which is 5.75 mills less than voters rejected on November 11 and January 26. To effect such a reduction in the proposed budget it was necessary to pare the staff by 117 positions to save \$1,021,800 in salaries and to reduce money allotted for materials and services by \$626,700.

Trustees of the Board of Education have emphasized that the 19.70 mill levy is basically a renewal of the 18.50 mill levy which expired with the December, 1968, tax collection, and which provides operational funds until June 30 of this year. At the same time, the trustees point out, the district's operational reserve, which in 1969-70 provided 7.7 percent of the budget, will be depleted. Unless operational millage is passed for the 1970-71 year, the only income the schools would have is the proceeds from the 8.90 mill levy allocated to the district from taxes paid by residents to Wayne County.

Would Provide Base
School officials have said that the passage of the 19.70 mill levy will provide the district with a financial "base" for the next three years. They emphasize that because the 2.70 mill levy will run for only one year, additional curtailments in staff and program, or an increased operational millage will have to be approved by voters before the beginning of the 1971-72 school year.

Regarding the prospect of increased financial aid from the State of Michigan, Mrs. Paul G. Hykes, President of the Board of Education, said that the trustees have studied each of the many proposals for changed means of financing education and have concluded

that a district such as Grosse Pointe will probably never qualify for increased assistance. If an income tax were enacted, for example, our residents would pay more in school tax, but receive less in return, Mrs. Hykes commented. Although the Board of Education has gone on record as favoring an alternative to the property tax as a means of financing education, the fact remains that the laws of the State of Michigan must be changed to provide an alternative. A mill, which is one-tenth of a cent, represents \$1 for each thousand dollars of the State Equalized Valuation of a piece of local real estate. The State Equalized Valuation is approximately one-half of the sale value of property. With the total State Equalized Valuation of property in the school district set at \$414,000,000, one mill in tax raises \$414,000 in revenue for The Grosse Pointe Public School System.

Review Board Set Dates
(Continued from Page 1) Tuesday, March 9, and Wednesday, March 10. The hours are from 9 a.m. to 12 noon, and from 1 p.m. to 4 p.m. Another reminder is to senior citizens of all the Pointe communities that the deadline to apply for exemptions under the Senior Citizens Homestead Exemption Act, is the LAST day that the respective Boards hold their review of the 1970 City Assessment Rolls.

Two amendments made to the Act allows a senior citizen to earn up to \$6,000 a year, rather than \$5,000, and eliminates the \$10,000 state equalized value and the \$20,000 cash value limitation completely. An applicant can now own any amount of property and be eligible for tax exemption. Senior citizens qualifying under this law are asked to bring a deed of their property, their birth certificate and/or Social Security number, as proof that they are entitled to the exemptions.

SYRINGE FOUND
Marvin Beaupre, owner of Beaupre's Service Station, 18184 Mack, called City police on Thursday, February 19, to report a customer had found a hypodermic syringe in the men's room of the station.

Other Boys Panic
It now appears that the boy took the heroin while in the home and then passed out, forcing the other boys to panic and make their blundering attempt at trying to revive him in the tub of cold water.

Youth Pays High Price

(Continued from Page 1) placed the youth in the bathtub, after stripping him of his clothing. The ambulance rushed the youth to St. John Hospital, where doctors said he appeared to be suffering from an overdose of a lethal drug. The father of the boy and the homeowner were notified of the incident and told by the doctors that the youth might not live. The homeowner told police he had never before seen the boy. Although the officers conducted a search of the house and surrounding areas, they failed to uncover any evidence of drugs or drug-taking equipment. That came later and it destroyed the boy's story.

The homeowner, obviously dissatisfied with his son's version of the story, canvassed his home and discovered a small arsenal of drug equipment. When confronted with the evidence, his son changed his tune.

The father brought a silver box into the police station and presented it to Juvenile Officer William Maier. It contained eight needles, plastic caps, four insulin syringes, two packs of cigarette paper, a foil of white powder, a homemade pipe, a box of seeds, a number of pills, three pill bottles and several empty capsules.

The police are far from satisfied that the story ends there, according to Sgt. James Miglio, brother of the Harper Woods police chief and the investigating officer in the case. They would like to know who supplied the youth with the drugs and where the drug arsenal originated. Meanwhile, the youth is reported to be recovering from the deadly effects of the drug, which have caused so much trouble for himself and many others. For a cheap thrill, this youngster is paying a high price. It could have been a lot higher.

**Big Brother Movement
Conducts Local Campaign**

The Big Brother Movement is currently conducting a campaign locally to recruit men to help boys who live in fatherless households. The organization is dedicated to helping boys, regardless of economic circumstances, to achieve their highest physical, mental, emotional and spiritual development.

The Big Brother gives his Little Brother a highly personal individualized friendship... one man and one boy relationship... so essential to growing boys. It gives a fatherless boy the opportunity to further his growth and development through friendship with a man he can admire and imitate.

That is why recruiters carefully screen Big Brother applicants. They must be at least 21 years of age, of high moral caliber and interested in boys. Big Brothers are asked to attend one orientation session. Presently sessions are being held the first Tuesday of each month at 7:30 o'clock, at the War Memorial.

Big Brothers are asked to visit their boys at least once a week and a minimum of twice a month (although most BBs enjoy spending more time with their LBs). The men are encouraged to do active things with the boys such as hiking, camping, skating and bowling, generally exposing them to new and broadening experiences.

Mrs. Laird Williamson, of Meadow Lane, has two sons, Scot 14, and Jay 11. She has been delighted with the program. She told the NEWS that Scot's Big Brother, Joe Pittman, is a marvel. "His time, interest and devotion to Scot, and Scot's respect and admiration for Joe is truly a beautiful thing," she said. Joe has taken Scot on many outings including trips to Boblo, the zoo, the circus, museums and even Christmas shopping.

**Rose Society
Meets March 11**

Wondering when to prune your roses and what nature contributes in the way of guidance on how far to cut back the bushes? Be a guest at the Wednesday March 11, meeting of the Grosse Pointe Rose Society at the Central Pointe Library where dessert will be served at 7:30 p.m.

The speaker, Jerry Kulaja, has an impressive background in horticultural pursuits. His orchid house where the prize winning "Helen Kulaja" plant was developed is famous. Mr. Kulaja also produced and named the "Dollie Cole" orchid before her husband, Edward Cole, became president of General Motors. The subject of Mr. Kulaja's timely talk is: "Dormant spray, uncovering, pruning, and feeding rose bushes in the Pointe area." George Moister will chair the meeting.

Mrs. Joseph A. Quasariano has been appointed hospitality chairman for the coming season by the society president, James Turnbull.

Upon completion of the course he will receive a commission as an Ensign and proceed to an advanced phase of flight training.

Guild's Meeting

The monthly meeting of the March 10, at 1 o'clock in the Hospital Science Hall.

RIGHTS DENIED

Dr. Charles Drew, a Black physician, developed the process of changing blood into plasma. This important scientific discovery saved hundreds of thousands of lives during World War II.

In 1950 Dr. Drew died from lack of plasma when he was refused admittance to an Atlanta, Georgia hospital after an automobile accident.

Literally speaking this episode is a classic example of ironic tragedy. But practically speaking, it is just one more addition to the myriad examples of racism, and the lack of "new white consciousness" in our society.

**'Collector' Steals
Woman's Purse**

A Park housewife lost her purse to a fast-talking 12-year-old boy, who was "collecting" weekly newspaper receipts for a friend, but a second woman refused to fall for the ruse.

Police received a phone call from Mrs. Luise Mader of 1420 Maryland, on Tuesday, February 27, in which she reported her purse missing from her house.

Mrs. Mader told investigating officers that the 12-year-old rang the front doorbell, and when she answered, claimed that he was collecting for dailies delivered by a friend. The woman said she paid the youngster, after which he asked for the use of bathroom facilities, which she granted him.

A few minutes after the boy left the house, Mrs. Mader said, she discovered her purse gone.

It contained about \$7.50 and personal items, she added. The incident took place at about 2 p.m. Approximately a half hour earlier, a woman resident in the 1300 block of Maryland, name not given, called the authorities and told of a juvenile coming to her door to "collect" for a friend, but she refused to pay him and ordered him to leave.

and passageways were within the confines of the original Dodge estate, and were constructed when a palatial home was being built. The house was never completed; and was torn down when the property was sold and subdivided following the death of John Dodge. The underground rooms were never filled in. The tunnels were for water and heating pipes and other units.

The director said that the debris of the destroyed Hall house has been cleared away, and plans are underway to fill the underground excavations with grouting, a mixture of sand and sealants, to establish a firm foundation. The grouting is poured into the passageways under tremendous pressure.

Approximately a week and a half after the explosion, the Michigan Consolidated Gas Company finished installing a completely new gas main under Harbor Hill, starting from Grosse Pointe boulevard, and did this without interrupting service to homes in the street.

Talk about labor-saving devices — the CUCKOO BIRD must have 'em all beat!

Rather than build her own nest, the Cuckoo hen lays eggs in other birds' nests. The rightful owners, thus deceived into accepting her eggs as their own, assume the task of hatching and rearing her chicks.

She glides over an unguarded nest, settles upon it, and lays an egg. Then, lest the returning host gets wise to the ruse, she picks up one of her host's eggs with her bill, and flies off with it—leaving the nest with the same egg count.

Cub Pack Holds Annual Banquet

Cub Pack 61, properly uniformed in traditional colors, escorted their parents to the War Memorial the evening of February 17 for the annual Blue and Gold Banquet. Following remarks by Mr. Hyde on the year's activities, Mr. Ted Monahan passed out newly earned bear badges, golden arrows, denner medals and other cub awards. Besides these cub awards, seven Webelos scientist, aquanaut, traveler or outdoorsman awards.

Next came an exciting color movie about the thrills and spills of the Indianapolis '500 Race, specially shown to drum-up Cub enthusiasm for their own upcoming Pine Wood Derby to be held next month. It was a night to be remembered for parents as Pack 61 cubs turned out to be perfect hosts for this entire affair.

Youth Arrested With Stolen Car

William E. Sutherland, 18, of 28211 Hillview, Roseville, was arraigned at a preliminary hearing before Farms Municipal Judge Robert Pytell on Monday, February 26, on a warrant charging possession of a stolen motor vehicle. Judge Pytell set bond of \$3,000, after entering a plea of not guilty for the youth, who requested a court-appointed attorney. Examination date was scheduled for yesterday, March 4, or a later date, pending the appointment of a lawyer for Sutherland. The young man was remanded to the Wayne County Jail in lieu of bond. Sutherland was arrested by Farms Patrolman Donald Pilon at 5:48 p.m. on the Monday date, following a car chase, which climaxed into a foot chase. Pilon said that he was on a routine patrol on Mack avenue, when at Fisher road, a car with three occupants, Sutherland driving, made a fast "U" turn. The officer said he attempted to force the youth to the curb, but Sutherland turned north on to Radnor in Detroit. At this point, Pilon said, he checked the "hot sheet" in the police vehicle and noted that the stolen car had been reported stolen in Taylor Township. The chase continued toward Warren avenue, where the driver turned east, then south onto Anatole toward Mack, west on Mack to Woodhall, north on Woodhall to an alley, east in the alley, which had no outlet. The youth was forced to stop, and he and his companions leaped out of the auto, and ran away on foot. Sutherland's companions, said to be in their late teens, climbed over a fence and ran through a yard at Woodhall, and made good their escape. Sutherland, however, was grabbed before he could get away, and was placed under arrest, and taken to the station, for questioning and further investigation. The teenager admitted he was the driver of the car, but claimed the auto was given to him by the other youths, who had stolen it. Pilon said that he was assisted in the chase by Farms Patrolman Timothy Morrison, and officers of the City and from Detroit, who scoured the neighborhood for the escaped pair. At the station, a check with other law agencies, brought out that Sutherland was wanted by State police on a possession of a

The car Sutherland was driving was reported stolen in Taylor Township, and is registered to Donald Valentine of 28720 Elm Grove, St. Clair Shores.

Chases to Catch Speeders Discussed by Police Chiefs

By Phil Loranger
 A suspicious driver ignores a police officer's warning to pull to the curb, pumps on his gas, roars through heavy traffic and makes an attempt to outrun the pursuing police car.

his escape, the policemen decides to take up the dangerous chase.
 Such was the case for a Pointe policeman last week.
 A high-speed auto chase, especially one that takes place when motor and pedestrian traffic is heavy, is a dangerous venture. It places the driver, the policeman and innocent drivers and pedestrians in danger of serious injury and puts their lives on the line.

What is the policy of Pointe law enforcement agencies on high-speed chases? Who decides whether or not a car will be pursued?
 "The officer himself must make that decision," Chief Joseph Vitale, of the Shores Department of Public Safety told the NEWS. "We have no written policy on chases, but we do discuss such issues at our regular briefings."

"Our officers are advised to pursue suspicious drivers in the safest possible manner," said Vitale. "If it appears that a chase jeopardizes the life of the police officer or private citizens, it should be abandoned. We never throw caution to the wind in a chase, but we don't allow the speeder to get away either. I can't say we encourage our men to get involved in a chase."
 Lt. Robert Van Tiem, of the City Police Department, claimed that an officer must be immediately suspicious of a driver, who attempts to escape from a police car.

"You almost have to think that the man is a felon," said Van Tiem. "You just can't sit back and let him get away, because you are committed to the chase by your oath of office."
 "The first thing our officers do is to radio for help," he continued. "Radio waves travel much faster than any speeder. Here in The Pointe, help is never very far away. We pursue speeders because they may have already hurt somebody or, if they get away, may hurt somebody in the future."

Woods Police Captain Henry Marchand agrees with Vitale and Van Tiem.

"A decision to chase a driver is made by the officer on the spot," said Marchand. "Sure, it's risky and six out of 10 chases end up in an accident, but a chase is unique. It has to be done. If a driver can look back at having outrun the police, he may try it again. There is little doubt that the odds of getting hurt are really against you."

PTA at Kerby Meets Monday

For the third time since the opening of Kerby School a curriculum exhibit is planned for the meeting on Monday evening, March 9. Displays of books, various types of educational materials and children's work will be arranged to emphasize the curricula. All areas of instruction will be represented in this exhibit.

Due to the nature of the meeting, there will be no formal program or room visitation. All teachers will be in the gymnasium to answer questions regarding the curriculum. Parents are urged by the Kerby Staff to drop in at the exhibit and to visit at any time between 7:30 p.m. and 9 p.m. Refreshments will be served continuously during the exhibit hours.

Two millage information centers located in the gymnasium and library will be in operation so that parents can obtain accurate and up-to-date information concerning the issues involved in the March 24 millage election.

Pointer Is Head Of DBC Women

Mrs. Kenneth P. Locke, of Balfour road, new chairman of the Detroit Boat Club Women's Committee, believes in that old adage: "If you want a job done well, ask a busy person."

Her committee reads like the combined directories of the Grosse Pointe Woman's Club, Fine Arts Society, Theatre Arts Club, Women's City Club and the Women's Association for the Detroit Symphony Orchestra. And no wonder, as Marge is an active member at all these organizations!

Assisting her at the DBC will be the Mesdames Harold Davis, vice-chairman; John I. Pittwood, secretary-treasurer; J. Burns Cody, publicity-magazine; Frank W. Hausmann, Jr., publicity-newspapers; Kenneth L. Stokes, in charge of Junior-

Senior High-College Activities; and Mrs. J. Ross Bush, immediate past-chairman, in an advisory capacity.

OVER 30 YEARS EXPERIENCE

Women Serving in Vietnam Find Hard Work Rewarding

By Pepper Whitelaw

The American Red Cross has some 125 women, college graduates between 21 and 25 years of age, scattered throughout Vietnam operating recreational programs at remote firebases and landing zones. Working in teams, the girls travel some 2,000 miles a week. Among them is Julie Henderson, daughter of the Andrew Hendersons of St. Clair avenue.

Julie, who is 23, has been in Vietnam since last October. Prior to her service with the Red Cross, she was graduated from South High School and Michigan State University. She worked on her MA degree at the University of Michigan before accepting a job as Recreational Director for Girl Scouts of California.

While in California, Julie heard about the Red Cross Volunteer Program in Vietnam. She discussed the program with her brother, Lee, who is a Lt. Commander in the U.S. Navy and who had been to Vietnam several times. Lee encouraged Julie to volunteer... not that she needed much encouragement! Once all the paperwork was complete, Julie found herself winging off to Vietnam as one of the select group of women volunteers.

What a Soldier Gives
Take a man, put him alone.
Put his miles away from home.
Empty his heart of all but blood.
Make him live in sweat and mud.
This is the life we have to live,
And why my soul to Satan I give.
You "peace boys" rant from your easy chair,
But you don't know what it's like out there.
You say you want to ban the bomb,
And there's no war in Vietnam.
You use your pills and have your fun.
And then refuse to lift a gun.
There's nothing more for you to do.
And I'm supposed to die for you.
I'll hate you 'til the day I die.
You made me hear my buddy cry.
I saw his arm a bloody shred;
I heard them say "this man is dead."
That's quite a price he had to pay
For you to see another day.
He had the guts to fight and die.
He paid the price: what did he buy?
He bought your life by giving his,
But who gives a damn what a soldier gives?

Surprised at Beauty
Her first stop was Cam Rahn Bay. She was surprised to find so much beauty there. She wrote, "This is a beautiful spot... a long, white sandy coast set off by the most beautiful mountains. I have ever seen. It is difficult to believe that this serene looking place could be so full of discontent."
While stationed at Cam Rahn Bay, Julie lived in a quonset hut and worked out of two recreational centers located there. She arranged games, contests, and shows for the boys, or just provided them with pleasant conversation as they played pool, ping pong, watched television or just plain relaxed. It was her job to keep things hopping with interest so the GIs could get their minds off the war.
Although her schedule was a hectic one, she loved it. She knew she was doing something worthwhile.

She Wins Promotion
Then she was informed that she had been promoted and would be transferred to Chulai with the Clubmobile Unit of the U.S. Army. Julie was delighted. This new post put her in charge of six other volunteers who took their Clubmobile Unit to travel to fire bases and remote landing bases providing entertainment and recreation for the boys close to the fighting. The girls travel to these remote spots by helicopter, and are housed in a trailer at Chulai. This new assignment is more rugged and more hectic than her first but Julie loves it; it gives her the opportunity to entertain boys in areas where recreational facilities have been almost non-existent.

Fire Sgt. Taylor Wins Promotion

Park City Manager Robert A. Slone announced the promotion of David A. Taylor, from sergeant to lieutenant in the Fire Department. The advancement in rank became effective on Friday, February 27. The city manager said that Taylor successfully passed a competitive promotional examination, recently conducted by the Michigan Municipal League, and that he passed a complete physical examination. Recommendation for the higher rank was made by Fire Capt. Henry DeClerck, the department's acting chief, Sloane added.

The new lieutenant was appointed to the Fire Department as a pipeman on February 6, 1944. On May 1, 1963, he was promoted to fire inspector; on January 1, 1965, he was made corporal; and on January 15, 1967, was elevated to the rank of sergeant.
He obtained his major fire-fighting training from the Michigan Fire Inspectors School; Macomb County Fire Training School; and St. Clair Community College Arson School.

"I was very happy to recommend Lt. Taylor for the promotion," said Capt. DeClerck. "Since he joined the department, he has been dedicated to his career as a firefighter, and has constantly sought ways to improve himself and his work. I extend to him my warmest congratulations, and look forward to working with him for the betterment of the department."

Power Boating Class Offered

The Grosse Pointe Power Squadron, in cooperation with the Department of Community Services, will be offering free instruction to students who wish to become qualified to operate a power boat this coming summer. Under Section 62 of the Marine Safety Act of 1967, children 12, 13, 14 and 15 years old are required to have a safety certificate in their possession when operating a power boat of six horse power or more if not accompanied by a person 16 years of age or older.

Last year hundreds of children in the Grosse Pointe community qualified for certification under this volunteer instructional program offered by the Grosse Pointe Power Squadron. Classes will be scheduled for all young people who are still not certified, beginning the first week in March.

The course includes six hours of instruction (including a final examination), held once a week for two hour periods, for three consecutive weeks. Perfect attendance is required. Children who are presently 11 years old and whose twelfth birthday is prior to November 1, 1970, will be eligible to enter this class.

Classes are scheduled at: Parcels Middle School, (Vernier and Mack), March 10, 17 and 24, (Tuesdays), 3:45 to 5:45 p.m.

Pierce Middle School, (Kercheval-Nottingham), March 2, 9, 16 (Mondays), 3:45 to 5:45 p.m.

Registration forms are available in any public or non-public elementary or middle school in Grosse Pointe. These forms must be signed by the student's parent and brought to the first class meeting. Children will not be admitted to the class without a complete registration. It is not necessary to re-qualify

if a student has been issued a certificate last year. Parents are encouraged to see that their children are enrolled in this class so that the requirements of the law are fully met for summer boating enjoyment, but more important, that every measure of safety is exercised to protect our young people from the hazards of the water.

Library Friends Lecture Slated

The public is cordially invited to attend the third lecture of the 1969-70 Lecture Series sponsored by the Friends of the Grosse Pointe Public Library, featuring Dr. Milton Covensky. The lecture will be held at Parcels Middle School Auditorium at 8 p.m. on Tuesday, March 10.

Dr. Covensky is a professor of history at Wayne State University and a speaker of national reputation.

Long a regular lecturer for the University Center for Adult Education, Dr. Covensky originated and moderated the Great Debates series for that organization for which he received the Creativity Award of the Adult Education Association of Michigan.

Co-author of two books and capable of reading 13 languages, Professor Covensky is clearly convinced of the power of ideas as conveyed by the written word. Accordingly, his selected topic "The Book and the Computer: Friends or Deadly Enemies" is of special interest.

Those attending will discover why Dr. Covensky's fans are legion, and why his legendary ability to stimulate adults is well founded.

German Summer Guests to Arrive Late In July

This summer 125 to 150 young German students are coming to this area to share in American family living and to improve their English. The travel-education program, known as "Au Pair" was started in Europe and has become extremely popular in the last few years.

Boys and girls in their late teens and early twenties will come to the Detroit area from all parts of Germany to live with American families. The Au Pair youngsters are required to spend considerable time each week to help with family chores such as caring for children and household duties. The student would work four to five hours a day or approximately a total of 30 hours per week. In return for the work, the student would receive a weekly allowance of 10 dollars in addition to room and board.

The Au Pairs arrive during late July. They remain in Detroit from seven to 10 weeks depending on their travel arrangements. They are insured against illness, accidents or li-

abilities and have no travel restrictions. They are allowed to drive cars with the permission of the families and may travel with the families during their regular summer vacations.

Applications for Au Pair students are accepted by the Au Pair committee and all applicants, both Au Pairs and families, are screened and the

best possible matches are made. If all this sounds like a marvelous opportunity to participate in the cultural exchange of nations you are invited to call Mrs. Henry Gemuend at 881-9933 or Mrs. Elving Anderson at 884-9451 for further information on how you can be a host family.

Park Police Nab Parole Violator

A woman, name not released, called Park police on Saturday, February 28, to report that she had been frightened by a man, who drew a knife from his jacket pocket and approached her as she was sitting in a car in front of 1211 Beaconsfield. Two other males were with him, she said.

The terrified woman, when the man displayed the weapon

and neared her vehicle, raised the window and locked the car doors, she said. The man and his companions walked away, going north on Beaconsfield.

The policeman waited at the scene, and at 2:40 p.m., saw three men approach and enter the vehicle described by the woman, and he ordered them to stop. The officer searched the trio, but found no weapons

on their persons. He checked with the station by radio, and received a reply that one of the men was wanted on two warrants.

The wanted man is James Norik, 27, of 1434 Newport, Detroit, sought by State Police for parole violation, and by Detroit police for robbery armed. Norik was released to Detroit autohr was released to Detroit authorities.

Announcement was made today of the Spring Term ceramic classes beginning March 2 in Michigan State University's adult education program at the historic Pewabic Pottery at 10125 E. Jefferson in Detroit.

The pottery was given to Michigan State by its owner Henry L. Caulkins in memory of its founders Mary Chase Stratton and Horace J. Caulkins so that it might continue to serve the community.

In addition to the ceramic program there is also housed in the building, the Michigan State Council for the Arts... with future plans for a Pewabic Museum, pottery showrooms for professional and student work, a Pewabic Potter's Guild, and a pottery demonstration area. The beautiful English Tudor building was designed and built in 1907 by architect William B. Stratton, who is also known here for his Women's City Club and the Broadhead Naval Armory.

Ceramic tile and murals made at the pottery are found frequently in the homes and public buildings of Detroit and in such diverse places as the Immaculate Conception Church in Washington, D.C. to the

Science Hall of Rice University

in Houston, Tex. Although the formula for the iridescent glaze has been lost, pottery with the famous iridescent glazes are found in the permanent collections of the Detroit Art Institute, the San Diego Art Gallery, the Freer Gallery and Smithsonian Institution in Washington, D.C. and has been on display at the Louvre in Paris, in Germany and Japan.

Information or afternoon and evening Non-Credit and Credit classes beginning March 2 and ending May 14 is available by calling Roger Aull, the Director at 822-0954. Costs are very reasonable and you do not have to be an MSU student or previously experienced.

Hockey Banquet Set for Mar. 23

The Grosse Pointe Hockey Association announced that it has completed arrangements for the sixth annual Minor Hockey League banquet.

Guest speaker this year will be Carl Brewer, All-Star defenseman for the Detroit Red Wings, who will address the more than 700 hockey enthusiasts expected to be in attendance.

Brewer has very strong feelings on the importance of education and physical fitness among the nation's young people and should have some very interesting comments along these lines.

Tickets for the banquet will be on sale sometime next week and will be available through the Association's divisional managers. The divisional managers will make tickets available to the various team managers and coaches in order to distribute them and collect the admission fees as soon as possible. Unlike past years, no tickets will be sold at the door on the night of the banquet.

It is expected that most of the members from the 22 teams that participate in the Association's Minor Hockey League program will attend along with their parents and guests. In addition, the Association has invited many local governmental representatives to attend.

In addition to the regular banquet format, the Association advises that it will have a complete report on the construction progress of a Community Center for Grosse Pointe.

Little League Board Meeting

The Grosse Pointe City Little League board of directors, headed by its President, Art Fellers, and Vice-President, Jim Cassell, announce an open meeting of the board at 8 p.m., (tonight), Thursday, March 5, at Alger Post VFW 995, 17145 St. Paul.

All interested adults are urged to attend this meeting, which will finalize the arrangements for this year's program. New uniforms for the majors are on tap this year and interest is building. Last year, there was an unanticipated 35 percent increase in the Minor League. This expanded the league, strained the limited playing areas available and multiplied expenses. This year's board reluctantly yielded to practical pressures of limiting the playing age to the 9 to 12-year-olds. Thus, all boys born between August 1, 1957 and July 31, 1961 are eligible and no registration fee is required.

Registration has been set for Meire School two days: Friday, March 20 between 7 and 9 p.m. and Saturday, March 21, between 9 a.m. and 12 noon. A parent or guardian's signature is required for registration.

Tryouts for the majors have been set for the weekend following Easter vacation on Saturday, April 11, between 9 a.m. and 2 p.m. and Sunday, April 12, between 1 and 4 p.m. These tryouts will be held at the W. George Elworthy Field (formerly Neighborhood Club). In case of inclement weather, the tryouts will move into the Mair School gym. A boy, to be eligible for the majors, must attend one of these two sessions.

Thieves Escape With Home Safe

Mr. and Mrs. Wang Hong Yee of 389 Moross road, returned home at 11 p.m. on Friday, February 20, from their business place in Detroit, to find that someone had entered their residence and had taken a small safe from their bedroom.

Mr. Yee told Farms police that he and his wife left home at 3:30 p.m., and when they returned, found that the front door had either been kicked open, or forced open without being jimmied.

The couple said they searched the house and discovered a 3-foot by 18 inch by 18-inch light

gray safe missing from the closet in their bedroom. There were no skid marks, which led police to believe that the safe was carried, rather than dragged by two or more persons.

Mr. Yee told investigating officers that the safe contained \$50 in Canadian currency, between \$300 and \$400 in silver coins, a cultured pearl necklace valued at \$150, and assorted Chinese rings and bracelets made in Hong Kong, worth about \$450.

The matter was assigned to officers of the Detective Bureau for further investigation.

Players Doing 'Alas, Babylon'

"Alas, Babylon", GPSHS Pointe Players spring production, under the direction of Mrs. Ruth Briggs and Richard Underwood, her co-director, brings to the stage the events which follow a nuclear attack. It will be presented Thursday, Friday and Saturday, March 19, 20, 21 at 8:15 o'clock in the Performing Arts Center at North High.

Its title comes from the Book of Revelations Chapter 18: "Alas, alas, that great city Babylon that was clothed in fine linen with purple, and scarlet, and decked with gold and precious stones and pearls... for in one hour she is made desolate..." In spite of the devastation the small groups of survivors take an optimistic view of the future, determined to build a better world that will offer truer values and firmer foundations.

In a cast of 29 members, the leading roles are played by Joann Wright and Peter Bird, with Charlene Addy, Toni Parker and Donald Greenup in supporting roles.

The action takes place on one large set, adapted to represent a fishing wharf, a Town Square, and a church scene, which is complemented by a series of small space sets — the office of the President of the U.S., a telegraph office, a supermarket, and an Army Headquarters present on the stage apron which elevates. Steve Grady and his crew are re-making these sets from old flats, eliminating the necessity of buying any new lumber.

Other crew members helping in the production are: business, Diane Tidswell; costumes, Lynn Biasell; lighting, Chris Clayton; make-up, Michelle Van Driessche; programs, Judy Davis; properties, Dan Davis; publicity, Lori Brown; sound, Scott, Solsburg; ushers, Sue Kohl; stage crew, Peter Field; stage manager, Lee Greening; program cover design, Penny Blank; social director, Penny Blank.

The opening night will be a benefit performance sponsored by the Mothers Club. Proceeds from the sale of tickets will be added to the Scholarship Fund, according to Mrs. Douglas Smith, president. For tickets, call Mrs. Arthur Eisenbrey, chairman, at 882-4748.

Music Festival Winners Listed

Nathan C. Judson, instrumental music teacher at Grosse Pointe North High School, today provided a tabulation of winners in the Michigan School Band and Orchestra Association Solo and Ensemble Festival.

Five of the seven Grosse Pointe entrants received "Division I" (or excellent) rating. Earning Division I ratings were the following Grosse Pointe North High School students: James Markey, clarinet solo; Wendy Judson, flute solo; Gregory Near, euphonium solo; and Susan Walker, clarinet solo. James Markey and Nancy Sulfridge, clarinets, received a Division II (or good) for their clarinet duet. John Cochell also earned a Division II for his clarinet solo.

Bach Festival Slated for May

The 1970 Village Bach Festival, an annual series of three concerts devoted to works of J. S. Bach, will take place on May 1 and 2 at the Fries Auditorium of the Grosse Pointe War Memorial. Raymond Benner, Artistic Director, who founded the festival in 1966 as Bach at Cranbrook said, "The new name and location is part of steps taken by the now independent organization to grow artistically and better represent the greater Detroit cultural community."

Featuring vocal and instrumental artists from the Casals and Marlboro festivals and the Village Bach Orchestra and Singers, the three concerts are scheduled for Friday, May 1 at 8:30 o'clock, Saturday, May 2, at 3:00 and 8:30 o'clock. The Wayne State Brass Ensemble will provide the chorales outdoors prior to each concert. Ray Ferguson, organist, will perform a one-half hour concert on Saturday, at 2:00 o'clock in the Grosse Pointe Memorial Church. Admission to the organ concert is free. Festival tickets are four dollars for reserved seats and three dollars for the lobby. Tickets are available at Hudson's and Grinnell's.

Women's Rights Panel Subject

"Women's rights—trivial or significant?" will be the theme of a panel discussion Sunday evening, at 8 o'clock at the Grosse Pointe Unitarian Church.

Dr. Carol Andreas, Oakland University sociologist and board member of the National Organization of Women (NOW) will participate in a panel discussion. Moderator will be Mrs. Sally Brown of Bedford road. She is a social worker, recently named "Unitarian Woman of the Year."

Coffee and discussion will follow the presentation. All interested people are invited to attend.

PTA at Mason Meets Mar. 10

The Mason School PTA will have an interesting program for the Tuesday, March 10, meeting.

There will also be a short discussion on the new millage proposal. Room visitation will begin at 7:30 o'clock with the program following at 8.

Chance to Contribute

Within the past few weeks some 2100 Pointers have attended two major seminars and workshops on drug abuse, the first sponsored by The Junior League, the Grosse Pointe War Memorial Association and the Family Life Education Council (FLEC), and the other by North High School.

Hundreds of others have attended smaller meetings given by local PTAs and community groups. Obviously Pointers care about the rise in drug usage among its teenagers. The NEWS suggests that these same people who are interested enough to attend meetings on drug abuse, take their interest one step further and contribute to FLEC, which is actively fighting the battle against drugs locally. FLEC's funds will be all but dissipated by late June. In order to continue its fine work FLEC needs more funds. If you wish to back your concern with a donation send it to FLEC, 17150 Waterloo, or call TUXedo 5-3510.

Letters to the Editor

Dear Mr. Edgar: There might be some Grosse Pointers interested in a more thorough history of Robert F. Williams and what he has done than that supplied by the Grosse Pointe Human Relations Council in its ad which appeared in the February 19 issue of the NEWS.

"Combat," a subsidiary of the National Review magazine, has very factual and very detailed—printed a four-page pamphlet—about this man.

I happen to have several copies and would be glad to mail one to anybody interested enough to send me a postcard.

Sincerely, Mrs. Earl I. Heenan, Jr. 54 Touraine road, Grosse Pointe Farms 48236

it before it starts. With good clean sports like hockey, these kids just don't have time to experiment with drugs. Our kids desperately need an indoor skating rink but without your help and support it's the impossible dream. Come over and watch these kids skate sometime — you'll feel better for it.

And so in closing I would like to pledge my family's support, to all the good and decent Grosse Pointe youths. They're number 1 on our list, because they try harder.

Most sincerely, Mr. and Mrs. Frank Hayden 87 Greenbriar Lane Grosse Pointe Shores 48236

What Goes On at Your Library

By Virginia Leonard

At this moment of crisis in our Grosse Pointe Public School System—with two millages already voted down and another one to come up on March 24, we would urge all friends (both lower and upper case "f"), supporters and concerned citizens to rally round. Our future financial situation is in jeopardy. We, the employees of the Grosse Pointe Public Library, are trying to carry on as best we can but cuts will be inevitable. When the budget is finally determined, we will know more about the specifics of our position, and will try to keep you informed. At this point, we urge you to get out and vote to support us and to enable us to continue the quality of service we have been able to give you up until now.

"Is Your Bookmark Here?" This is the title of a unique display featured at the Park Branch Library. It consists of "materials" found in books: returned to the library—presumably used as bookmarks. Have you lost your front door key? Chances are that's the one they found in one book. And how have you managed to exist without your Swiss warbler bird call whistle which you used to mark page 34? We know one of you Park patrons favors the "Animal Crackers" comic strip since you used it to mark your place.

Some of the more common articles that seem to lie about the house are Christmas cards, love letters (really?), shopping lists, post cards, playing cards, photographs, baseball cards, valentines, report cards (aha! you told everyone you'd lost the one with the low marks), IBM cards, and cancelled checks.

I think my favorite from the list supplied by Mrs. Sue Neff, Children's Librarian at the Park Branch, is a 5" by 7" photo of two adults sitting on a stuffed rhinoceros! And if you've missed your favorite "Monkeys" picture, we'll bet it's the one on display at the Library. Or maybe it's your hospital baby picture—we have one!

All institutions have legends. We have two librarians who swear that they know someone who once found a fried egg used as a bookmark, (a bit worse for wear), as well as a hot dog complete with mustard!

We have a mental picture of both of these and we wish we hadn't.

Of course, most of these items end up in our "lost and found" department which contains many more large items. We often wonder—how do some people get along without their eyeglasses, their boots, their shoes (how did you ever get home from the library without the latter)? During the winter months, there's always a large supply of mittens, in set and as singles. A quick check of the "lost and found" department at the Central Library today revealed car keys, a blue security blanket, (with cats as a motif), a complete gym outfit, all sorts of books, including text books, several lovely scarves, a belt, a leash, some small coin purses, a baby's pacifier, buttons, earrings—and the prize? A fairly large rock, carefully wrapped in some tired cellophane.

One librarian recalled once finding a razor blade used as a bookmark; another interesting marker which I have in front of me, is a dark green leather three-cornered one with the inscription: "Here I Fell Asleep." Oh yes, let's not forget money—the folding kind works best.

In my years of slipping books, I can remember finding stamps, candy and gum wrappers, doctor's prescriptions, newspaper clippings, pins, ribbons, pressed leaves and check books.

While the Central Library does not have a display of lost articles, it has a large "lost and found" collection. The Woods Branch reports that they have the usual notebooks, umbrellas, one-only-gloves, books, scarves and a handsome navy blue windbreaker. We would suggest that all patrons who are missing some of these articles take a trip to their libraries and see if they can retrieve some of their missing possessions.

What's New on THE HILL

By PAT ROUSSEAU

Ed Pongracz has just retired after celebrating his fortieth anniversary in business. His son, Ted, is now president of Pongracz Jewelers. Ted Pongracz, who is a certified gemologist, told us he intends to carry on the tradition of all the services of appraisal, expert watch and jewelry repair and will carry the same fine lines of jewelry and silverware. The shop originally was in the Village and moved to 91 Kercheval on the Hill, eighteen years ago.

The Bridal Registry . . . at The Mermaid is such a convenience for family and friends. Now there is a complete selection of Tiffany & Co. sterling flatware patterns plus a display of their elegant hollowware.

Exclusive . . . in this area with Picard-Norton is the Abercrombie and Fitch travel razor which is twenty-seven fifty. Be sure to see the brand new Abercrombie and Fitch sixty second double head razor for thirty-seven fifty at 92 Kercheval.

Gourmet Delights . . . are made more delightful with the proper service. For example, the escargot sets at The League Shop consist of enamel on metal plates in yellow, green or white. They are accompanied by forks and holders. A set of four is twelve dollars. If you've been looking for those imported Greek shishkabob oven skewers decorated with little animals they are in again at The League Shop. A set of four is six dollars.

"Lil Filly" . . . is the name Ance K has given her spirited new designs for children. They are being introduced to the Hill by Young Clothes, 110 Kercheval. You'll love the gay party dresses (2-4 and 3-6x). Boys suits have matching sister dresses . . . all in wonderful wash and wear.

Orientalia . . . Charming tea sets, tea pots, glass azaleas in little pots, copies of Imari bowls and dessert sets consisting of lotus bowls with white plates (a dollar ten) have just arrived from Japan and are being unpacked at Virginia Williams, 79 Kercheval.

Eye-ing . . . the beauty picture. We looked into Estee Lauder's brand new spring eye line at Trail Apothecary, 121 Kercheval. It includes the new double colors for lashes (black-brown, black-green, etcetera). There are also new lash lengtheners and eye glaze. Gentle Eye Makeup Remover, eighty pads in a jar cost four dollars. There's also a liquid remover. Before you begin with eye makeup, Estee Lauder suggests you use Super Clarifying eye drops or eye pads.

Sportive Spirits . . . think spring! Then think Gray's Racquet and Sport Shop, 106 Kercheval, for tennis and golf equipment.

The Card Rack . . . congratulates the District Twelve Team which defeated the Sharif Circus in three straight matches. This is the only time they have suffered a loss of three out of four matches. Two of the members of the team were Grosse Pointers, E. J. (Bud) Smith, and Mr. Phil Leon.

Frank Messina . . . uses the "Phon-Spazz" technique to blow movement into the hair when cutting and styling. That's why his hair styles are so naturally lovely and care-free. The Francesco Salon opens at 8:30 so you can get an early start on a beautiful day . . . TUXedo 1-6833.

Heading South . . . first head for Sherman Shoes, 114 Kercheval, where the cruise collection includes Clarks, Acme golf shoes, Hush Puppies and Florsheim. There are many new season styles to put spring in your step.

Mr. Dan . . . tells us he uses Jerry Reading's PPT automatically when shampooing, tinting and permanent waving so a customer's hair is automatically conditioned. Call 885-2788 for an appointment . . . 100 Kercheval.

The Detroit Landmarks Series . . . is at The Grosse Pointe Studio, 119 Kercheval. These artist approved and signed reproductions are from the Metropolitan Detroit Series of original drawings by Jean Harding Brown. New pen and ink drawings have been added to the series. Choose your favorite scenes such as the Great Hall of the Detroit Institute of Arts, the Detroit Symphony, scenes from Meadowbrook and our own Kercheval on the Hill. These and many more are included in the collection. The matted size is sixteen by twenty and the price is six dollars a piece which is really an excellent value.

Make A Date . . . with spring, March 10. Then make reservations at The Bronze Door, 123 Kercheval for lunch. It's always a popular day when Touch of Elegance brightens the scene with a style show. This coming show will feature gay spring and cruise fashions . . . 886-1932.

WOMEN'S PAGES

From Another Pointe of View

By Janet Mueller

A bit envious of your traveling friends this blustery Michigan March? A bit sorry YOU didn't make plans to head south, west, trans-Atlantic or trans-Pacific until spring?

Well, you didn't... But vicarious excursions can be good end-of-winter therapy. And there's a plus to these "through the eyes of" jaunts: No packing problems!

Members of the Grosse Pointe Farm and Garden Club will visit Gardens of Southern England and the Chelsea Flower Show courtesy of Mrs. Hansel D. Wilson next Monday afternoon.

Mrs. Charles A. Parcels, Jr., of Cloverly road, is hostess for this March meeting and tea, assisted by Mrs. Joseph L. Cobane and Mrs. Frederick H. Kross.

And one of the ladies present will take home that lovely terrarium donated at the February meeting, the session so many missed because of snow conditions.

To Natchez Tomorrow

Barbara Cammett's opening her Lewiston road home tomorrow to members of the Grosse Pointe Shores Garden Club.

But once inside the door the ladies will find themselves far outside The Pointe, transported to Old Mississippi, touring, via slides, the Historic Houses of Natchez.

Their guide's Frances Wilson—that very same Mrs. Hansel D. who's taking the Grosse Pointe Farm and Garden Club on Monday's journey to England.

For tomorrow's trip she'll wear her white satin ballgown, duplicate of the hoop-skirted gown from Godey's Lady's Book that she wore as a hostess in the gardens of Natchez.

Hotel Accommodations

Every traveler likes to know in advance what to expect from any given hotel: Sleeping in a tent's all right if you're PREPARED for it, but when you've been led to expect a private bath...

The excursion planned for Jenny Lind Club members and guests next Tuesday includes a personal examination of hotel facilities.

True, the ladies won't be staying: The hotel-to-be-examined is, after all, in the heart of downtown Detroit. But if they avoid windows, who's to say they might not be in New York... or Paris... or Hong Kong...

Race And Religion To Be Panel Focus

Pointe Faculty Wives Sponsor Program by Five "Non-Professional" Women Discussing Aspects of Intolerance

The Grosse Pointe Faculty Wives will present "The Panel of American Women" for members, women teachers and friends this Tuesday evening, March 10, at 8 o'clock in the Grosse Pointe North High School Library.

The Panel of American Women features five ladies, one Catholic, one white Protestant, one Jew and one Negro plus a moderator. doesn't involve "experts"—sociologists, urban planners or psychologists. It is made up of housewives—all unpaid volunteers—who talk about their own experiences.

By talking frankly about race and religion these women help to dispel the myths and misconceptions that often smolder beneath the surface of polite society.

The panel is unique in that it is a discussion program which

The women don't preach; they start a "rap" with their audience, a rapport which strips away communication barriers through an unusually frank and emotional telling of a lifelong encounter with intolerance.

This is a smile.

Most of our customers wear one when they leave our salon. We don't change their lives, but we do change their looks and often their outlooks. Their hair shines and sparkles and shapes up beautifully. And they feel that something marvelous that only a simply marvelous hair-do can make a female feel. If you'd like to leave a beauty salon wearing a smile on your face, see us. We specialize in putting one there.

A New Spring Ensemble?

A new spring outfit's the one infallible remedy for those March stay-at-home blues.

Sometimes just looking's enough . . . And what prettier place to "look" than the Grosse Pointe War Memorial's Fries Auditorium?

And what nicer group to look with than the Welcome Wagon Club of Grosse Pointe? And when the "looking" helps some deserving local young lady toward her career goal as a nurse . . .

Sort of makes you feel good all over, doesn't it?

A fashion show by Juliet, Inc., will be featured at Welcome Wagon's annual luncheon Thursday, March 19.

Proceeds from the affair provide nursing scholarships for senior girls from local high schools, like Lisa Rapp, last year's awardee, and her predecessors: Andrea Wardell, Annette Ryckaert and Peggy Lynn Brown.

General chairman Mrs. William Drexel asks guests who plan to play bridge, canasta or pinoche after the noon luncheon to please bring their own cards.

Other chairmen are Mrs. Harry Parker and Mrs. Darwin Tuttle, in charge of reservations, Mrs. Melvin Selden and Mrs. Robert Judd, responsible for prizes, Mrs. Jack Brown, decorations, and Mrs. William Williams, who's arranging the fashion segment.

Modeling, with hair styles by Magic Touch and make-up by Viviane Woodard, will be The Mesdames Howard Ross, William Atkins, H. W. Burnett, John Heamon, Harry Kurrie, Gerald Krassman, H. J. Morales, Daniel Patrona, Mrs. Williams and Mrs. Brown and her daughter Sue. Mrs. Earl Eden's to do the commenting. Mrs. Parker, 885-1624, or Mrs. Tuttle, 882-9251, will be happy to answer any questions.

St. James Guild To Hold Brunch

The St. James Lutheran Church Women's Guild will sponsor a Bible Brunch next Wednesday, March 11, at 9:30 o'clock.

A dialogue titled "Seven Great Days" between The Reverend George Kurz and The Reverend Alan Harre will bring to life biblical events between Palm Sunday and Easter.

Members are asked to bring contributions such as kleenex, paper towels or napkins for a Paper Shower for the Lutheran Home for Girls on East Grand boulevard.

Mistakes are often worth thinking over, but they rarely rate brooding over.

Slate World Prayer Service Tomorrow

Woods Presbyterian Church Local Host For Annual Observance Sponsored Internationally by Church Women United

The annual World Day of Prayer service will be observed in the Grosse Pointe area tomorrow, Friday, March 6, at 1 o'clock at the Grosse Pointe Woods Presbyterian Church in Mack avenue.

World Day of Prayer, sponsored by Church Women United, is celebrated in conjunction with Christians in more than 130 countries.

Theme of this year's service, "Take Courage," was chosen and developed by a housewife

from Egypt, a social worker from Guyana, a teacher from India, a church worker from the Philippines and a woman from the United States.

Gudrum Diestel, of Germany, is chairman of the International Committee on World Day of Prayer.

Mrs. Carolyn Dunlop, director of the Franklin Free School, will bring the message of the day to The Pointe and call Christians to step beyond the boundaries of daily life to find new paths to act and "Take Courage."

Mrs. Donald Lindow, of the Grosse Pointe Woods Church, is chairman for this area.

Mrs. Douglas West, soloist will be accompanied by Miss Betty Shewan at the organ. Mrs. Jon Oler, Mrs. Joe Craig and one of the Woods Church Circles will assist Mrs. Lindow

at a tea following the Worship Service.

Others participating in the service include Mrs. William Patterson of St. Clare de Montefalco Church, Mrs. William Schreiber, of St. Paul's Catholic Church, Mrs. Richard Roland, of St. Joan of Arc Church, and Mrs. William Eroe, of St. Michael's Church.

The Congregational Church will be represented by Mrs. William Reid and Mrs. Alfred Tapert, the Methodist Church by Mrs. Robert Shover and Mrs. Fred Winfield and Grosse Pointe Memorial Church by Mrs. Jan Nyboer, Mrs. William

Craig, Mrs. Richard McKean and Mrs. Floyd Secrest.

AZALIA (MRS. CHARLES) ELLIS, formerly of Harvard road, recently transferred from the Moroun Nursing Home in East Jefferson avenue to the Tigard Convalescent Home, Tigard, Ore. She's a past-president of the Grosse Pointe South High School Mothers Club, affiliated with the Grosse Pointe War Memorial, the Junior League, the Neighborhood Thrift Shop and the League of Women Voters and a member of the Women's City Club.

13—REAL ESTATE FOR SALE

STRAIGHT FROM THE HOUSE'S MOUTH!!!

"YOU HAVEN'T heard about me before, because I'm brand new on the market. I'm only two and a half years old and I'm a beautiful five bedroom Colonial in the Woods. My fireplace will keep you cozy in the family room, and you'll appreciate my mortgage balance too."

"THEY SAY I have an ample amount of charm—both inside and out. Now, I'm more attractive than before, because you can buy me for less money! I have a big family room, which has been used as a bedroom, but I also have three nice bedrooms on my second floor. I'm REALLY nice."

"I'VE BEEN DESCRIBED as 'pretentious', and I suppose I am. After all, I do have TWO living rooms, a lovely country kitchen, and two of my four master bedrooms do have fireplaces. And, in addition to that, my spacious grounds include a carriage house and secluded garden."

"HEY, HOW ABOUT US 'little people'? Not everyone needs a mansion. I'm a bungalow in the Farms—perfect for someone shopping in the thirty thousand dollar range. I have two bedrooms on my first floor, and a GREAT BIG ONE upstairs, plus a fine basement recreation room."

"I'D BE THE FIRST to admit it. I'm expensive. But I'm worth it. Just look what you're getting in me—three bedrooms and two baths downstairs with two more and a bath upstairs, a good sized den, a glass-enclosed porch with a fireplace, and, for summer comfort—central air conditioning!"

"WELL, I'LL HAVE You know I'm 'something special' too, but in a different way. I'm built for the family who digs 'contemporary living'. My master bedroom suite is on the first floor, and I even have a 'creative' area. I also have four upstairs bedrooms and a cute guest house in my backyard."

"I'VE PUT ON A NEW face. Green. Not with envy—but with very pretty aluminum siding. Underneath, I'm stucco, so now I'm really well insulated. I have four bedrooms and a charming den too. You can have me for a little over thirty thousand dollars, with a five thousand dollar down payment."

"THE FOLKS AT Purdy & Edgar tell me I'm one of the sharpest Colonials they've seen in a long time. I'm a three bedroom beauty on Roslyn in the Woods. My most outstanding asset has got to be my family room AND, I've already qualified for a new mortgage."

"I'M IDEALLY SUITED for the family desiring one-floor living in a special ranch style house in a special location. When I was built, on Chalfonte, the plans called for three bedrooms, charming den, and a bright Florida room, with a view of the Country Club."

"IF YOUR PREFERENCE is for the Park, you would certainly enjoy living in me with my three bedrooms, two and a half baths, paneled library, large, heated porch, and basement recreation room with a fireplace. I'm available on a land contract, too, at seven percent."

"THEY CALL ME an English Country House, and here are some of my qualifications: foyer with fireplace, living room, library, and dining room (all with fireplaces), six large bedrooms plus maids' quarters, swimming pool and pool house. I'm really solid!"

What Is A Custom Size? . . . We asked Miss Gee at Walton-Pierce. She brought out several good looking examples. There was a red white and blue printed cotton coat with matching silk dress. A navy print dress was ensembled with a navy, print-trimmed sweater. A fresh white linen dress was appliqued down the front with a floral motif. She told us Walton-Pierce has custom sizes up to 22½ and regular sizes up to 44. For those of you who are looking for fashions in this size range, you can end your search at Walton-Pierce.

The Braid Boutique . . . at Leon, 17888 Mack Avenue, displays braids of many sizes, widths, lengths and colors. Wear beguiling braids in your hair or add them to your hairpiece. We use them shaped into a bow and as a headband. They are also great looped, straight down to the back, encircling a bun or as a pull-back for long hair. TUxedo 4-9393.

Now That Michell's Boutique . . . is all moved into its new shop at 17864 Mack Avenue, the hours will be 9:30 a.m. till 5:30 p.m. and Thursday evenings until 8:30 p.m. Drop by, have a cup of coffee and see the new pant outfits which are washable. By the way, washable fashions are becoming a strong trend.

Activity Center . . . your kitchen? Why not plan it that way from the beginning. In an "open end" kitchen, you can have china, silver and linen conveniently near the dining area. Perhaps you'll want to include a desk, (we have) . . . a sewing center (we haven't) . . . but analyzing your family's way of life is the important part of planning a kitchen in the Mutschler manner at 20227 Mack Avenue.

It includes coat and dress ensembles, dress and jacket costumes, dresses and three piece knit pantsuits with the new walking length coat. These are in pearl gray with white, navy with white and all white. Other color combinations in other styles include daffodil yellow and soft misty spring green.

Vacation Now . . . summer later . . . the new resort wear at Hickey's include sports jackets and colorful slacks in permanent press. The bright shades certainly give a lift to a man's wardrobe and they are fun to wear "when getting away from it all." More fun . . . they're inexpensive!

Party Plans? . . . Plan on the party goods at The Sphere, 19849 Mack Avenue. There are bright new spring patterns, plus a Raggedy Ann motif for a little girls birthday, Easter themes, and gay leprechauns for St. Patrick's Day. Many teenagers are getting this correct start in one of the most important beauty basics. Call TUxedo 4-8858 for an appointment. Makeup analysis is a free service.

You're Invited . . . to Kimberly's Thirteenth Annual Spring Preview. See exciting gifts, arrangements, party supplies, "spring things" and fashions. The date is Sunday, March 15 from 1:00 p.m. to 6:00 p.m. Bring the family!

Wise Words . . . from Kay Wise. She told us she believes the reason so many women are taking balletic exercises these days is because they feel and look so much better. Since fashion has placed so much emphasis on the natural no bra, no girdle, panty hose, under-dressing and soft feminine lines, it's the real you at your very best that counts. Women who have started balletic exercise with Kay at a club are taking extra lessons at the Ecole de Ballet, 702 Alter Road. Regular balletic exercise is a beautiful idea . . . 822-2310.

It's Posh . . . to be one of the beautiful people. You ask how? Find a beauty salon which will cater to your every whim. Find a studio with experts in hair coloring, permanent waving and hair shaping. Hair stylists should have the knowledge and know-how to achieve the latest look and adapt it to your features. You ask where? The answer is at Posh Studio, Inc., 18700 Mack Avenue. Call 886-1377 for an appointment.

Light of Your Life . . . decoratively speaking, is your lamp. Give them loving care. If they do need new shades . . . or a bit of length bring them to Wrights Gifts and Lamps, 18650 Mack Avenue.

MRS. A. D. (MIKE) FREYDL, OF HARVARD ROAD, (LEFT), AND MRS. A. STANSELL BUSH, OF MORAN ROAD.

By Janet Mueller

Twenty-five thousand ladies aren't enough. The League of Catholic Women would like to see EVERY female parishioner in the Archdiocese of Detroit on its membership rolls. And Petey Bush is out to get them.

With plenty of help of course: Petey, as chairman of the LCW March membership drive, has delivered kits to her Parish Directors who, in turn, have distributed materials — membership registration cards, sheets of tips and suggestions, press releases for parish papers, call-back cards for ladies not at home when first contacted, lists of last year's members and report sheets — to their corps of solicitors.

There are leaflets too, to tell the uncommitted why they should join the League of Catholic Women.

Which is NOT what Petey's telling Anne Freydl.

Anne's an old LCW hand herself.

Like Petey.

Old Detroit Family

Mrs. Bush, (her real name's Lillian — "with one l" — but nobody's EVER called her that), is a fourth generation Detroit.

That naturally makes daughter Julie (Mrs. Arthur T. II) Waterfall's three children sixth-generation Detroiters.

Daughter Mary (Mrs. Christopher J. Jr.) Duncan's pair were, too, until last year when the Duncans moved to San Marino, Calif. "They love it there," Petey who spent a month in California this past fall reports. Petey's third child is a son, Charles T. Bush, II.

Anne Freydl's mother of two sons, both married: Michael, with one child of his own, and Patrick, father of two.

Like Petey she's a member of the Bon Secours Hospital Assistance League, (the League is divided into small groups; Anne's treasurer of hers, Group Two; Petey's "captain" of hers, Group Nine).

Like Petey she enjoys knitting and bridge.

Like Petey she's fond of Europe. "Especially," she notes, "Rome and London."

Mrs. Bush isn't quite such a discriminating Continental traveler. She loves ALL Europe and has "done" just about every place twice.

Has Filled Many Posts

Like Petey, Anne's been active in the League of Catholic Women for many years.

She's served on the LCW's Finance Committee, Executive Board and Board of Directors and as chairman of its Salary Committee.

She's worked at the LCW Bargain Counter East, one of two resale shops operated by the League to raise funds for summer day camp programs for the League's Community House children.

She used to spend one hour each week as a "relief" volunteer at one of the Sancta Maria Homes.

These are small homes, sometimes called half-way houses, for girls who have become involved with the law and are trying to make a fresh start in life.

The Sancta Maria — also called Heartline — program was started in 1966 under the spiritual direction of Father Richard Ward.

"It's our newest, our 'future' project," Petey and Anne explain. "The League of Catholic Women recognizes that times and priorities change. We phase out obsolete services and substitute new ones . . ."

First Settlement House

Over 60 years ago Fr. Ferdinand Weinman, S.J., invited a group of Catholic women to teach religion and English to the foreign-born in a downtown section of Detroit. Weinman House, born in a stable on Woodbridge street, became the first settlement house in the state of Michigan.

The Weinman Settlement was incorporated under the name of League of Catholic Women in 1915 and the League, its founders understanding the place they had been called upon to fill in the community — not only to be mothers and sisters to their own families but, directly or indirectly, to all those in need of help who came to their attention — immediately began to expand its purposes and programs.

Many of its original services are no longer in demand. Language instructions, employment referral and citizenship classes have been discontinued.

Family visiting, clinic work and religious instructions have been assumed by other groups.

The central theme remains however: Diocesan superiors have always known where to turn for help when a new area of need arises.

In the late '20's, Bishop Michael Gallagher, very interested in the Rowena House and Watson Club, LCW-supported homes for young ladies working in the city, and enthusiastic in his approval of building plans for a League Residence in Parsons street to replace the two homes and provide room for a full range of League activities, personally urged parishes in the Detroit Archdiocese to give strong encouragement to the League's membership drives.

In 1938 Archbishop (later Cardinal) Edward Mooney felt Detroit was growing to a point where participation of the city's Catholic Women on a national basis was desirable.

He asked Mrs. Edward Skae, herself a former LCW resident and sister of its founder, Mrs. Charles W. Casgrain, to organize the first Detroit Archdiocesan Council of Catholic Women. (Mrs. Skae left a tremendous record of achievement for the League with the formation of the DACCW one of her crowning projects).

Starts New Project

Awareness of the need for constructive work in recreation and vocational training in the Negro community prompted the Archbishop to turn again to the League: In 1940 St. Peter Claver Community House was opened, to be expanded during World War II to include a day nursery and summer camp program.

St. Peter Claver, Eliot at Beaubien street, is still under LCW sponsorship, still going strong.

It offers a wide variety of planned programs, sports, tutorial assistance, parents' clubs, teen councils, craft classes and scouting activities, all designed to promote wholesome recreation while developing good citizens and preserving family unity.

St. Peter Claver Nursery provides day care for approximately 75 children whose mothers must work.

Also during World War II the LCW's Junior Unit, (Petey Bush was among its founders), sponsored U.S.O. parties and

dances for servicemen in the League's ballroom. And its Residence, (that building over whose plans Bishop Gallagher had waxed so enthusiastic), provided overnight accommodations for servicewomen on leave.

In the mid-'40's Archbishop Mooney dedicated Casa Maria, a new League Community House, in a predominantly Mexican area, and a private chapel was blessed in Barst House in East Grand boulevard.

New in New Home

Barst House, serving as a substitute home for girls aged 13 to 17 in the process of emotional readjustment, is now located in a new building across from the Detroit Institute of Arts. Its residents receive diagnostic and therapeutic attention from a professional staff and attend nearby schools.

(United Community Services, incidentally, gives generous support to both Barst House and St. Peter Claver Community House.)

Casa Maria is still very much an active LCW project too, offering a nursery, an extensive day care program, recreational activities, cooking and sewing classes and family counseling among its current services.

When the Archdiocesan CYO Camp for Boys in Lexington needed a chapel the League Bargain Counter took this over as its project. The chapel, overlooking Lake Huron, was erected in September, 1951.

Concerned about the increasing number of old people living in Nursing Homes, alone or neglected, Cardinal Mooney asked Monsignor Wilbur Suedkamp to begin a Nursing Apostolate. Monsignor Suedkamp and Mrs. Harold McHale, from the League, started classes for volunteers in 1960.

3,000 Women Trained

Today over 3,000 women have been trained and are visiting nursing homes.

In December the League of Catholic Women's current president, Mrs. William P. Brennan formally undertook a new commitment.

The Board of Directors presented LCW's first check as a sponsor of the Sancta Maria Homes to Father Richard Ward. And only a few weeks ago the League offered its Parsons street Residence to Father Ward for use as Heartline's headquarters.

Amazing how much 25,000 ladies, working together, can accomplish!

Just think what a few hundred, a few thousand more could do . . . "Every member," says Petey Bush, "is important. Those who can do no more than pay \$2 a year membership dues are working, through their \$2." She's Well Qualified

Just one more . . . lecture left in the 1969-70 Grosse Pointe Celebrity Series, sponsored by Bon Secours Hospital Assistance League . . . and it's set for next Thursday morning . . . Columnist and television personality Robert Cromie is the final star, appearing at 11 in the morning in the Esquire Theatre . . . His subject? Book Beat, of course! Mr. C.'s host of Channel 50's "Book Beat" author-interview program . . .

Among our most celebrated local celebrities . . . is Malcolm Johns, of Rivard boulevard, Wayne State University Associate Professor of Music, who'll be conducting the WSU Choral Union and Chamber Orchestra in a free concert honoring Detroit's largest ethnic group, (over 800,000 people), The Polish Community, at 3:30 o'clock Sunday, March 15 . . . in St. Stanislaus Church, a lovely, baroque building with the unusual features of a forward-slanting floor and all pillars against the side walls . . . The Church, in Medbury near Chene—that's very close to the intersection of the Ford and Chrysler expressways—seats over 2,000 . . . Its marvelous "European" acoustics of seven seconds reverberation make it a perfect setting for a program of serious Polish music spanning the last four centuries . . . beginning with the Hejnal trumpet Call as played hourly from the high tower of St. Mary's in Krakow . . . Mr. Johns researched the music for this "salute" concert in Poland last summer . . .

Speaking of celebrities . . . we nominate for "underground" stardom Bill Tily, Mark Ethridge, Jr., and Will Brucker, Jr., whose magnificent portrayals of The Good Guy, The Bad Guy and The Contact Man, (respectively), in the fascinating-albeit-obscure "Briefcase Named Desire" definitely deserve SOME sort of award . . . How'd you like that final Fight Scene on the ski lift? . . .

But naturally the BIGGEST . . . "Briefcase" kudos must go to the film's Presiding Genius, producer-director-scenarist, (some say he's the ONLY one who knows what the movie's all about), Jack Williams . . . who considers the Motel Sequence his finest hour . . .

Set Designers, anyone? . . . The Bruce Brothers, Joe and Wallace, do a great job on short notice . . . They whipped up a virtual Birthday Extravaganza for Marion Kolb in the hours between the end-of-a-Mareshoolday and the beginning-of-a-medium-late-dinner a week or so ago . . . using tape, balloons, crayons and crepe paper . . . Materials cost, including VERY EXPENSIVE FAVORS, (candy cigarettes), came to under \$6 . . . Now how can you beat that? For a whole house! . . .

When one becomes a celebrity . . . the world changes. Long-time stars may be used to bouquets from secret admirers, but Cynthia Conover, a teller at Manufacturers Bank new branch office in Mack avenue, near Brys drive, was puzzled — though delighted! — by the fresh rose greeting her each morning when she arrived at work . . . The first bloom, an American Beauty, arrived the first Monday in February . . . Another came the next day, another the next . . . sometimes red, sometimes yellow, sometimes pink . . . but always a FRESH rose, perched in a bud vase where she and her customers couldn't miss enjoying it all day long . . . It didn't take Cynthia long to figure out WHY the roses were being sent: That initial American Beauty bore a card, "Congratulations, Cynthia Conover, Miss DSR for February" . . . But WHO was doing the sending? . . . Cindy's fiancé, Pointer Martin Daniell, didn't know . . . but professed himself VERY INTERESTED in finding out! . . . And admits to being relieved to discover his pretty prospective June bride's "secret admirer" is none other than her employer, the Bank . . . That's very nice, quite all right . . . now an individual would have been something else again . . .

Speaking of celebrities . . . This is Beethoven's 200th birthday year, and the second in a series of all-Beethoven concerts planned to commemorate his anniversary will be given by faculty members of Detroit Community Music School, (formerly the Music Settlement School), this Sunday, March 8, at 3 o'clock in the International Institute . . . Open to the public without charge the program begins with pianist Fontaine Laing's performance of the Sonata in D Minor, Opus 31, Number 2 . . . continues with the Duo Number 3 in B-flat Major played by Linda Borushko, clarinet, and guest artist Iray Leventer, bassoon . . . and soprano Marjorie Gordon's presentation of three Beethoven songs, "Ich Liebe Dich," "Mignon" and "Neue Liebe, Neues Leben" . . . and concludes with the Quintet in E-flat Major, Opus 16, performed by Silvia Starkman, oboe, Miss Borushko, clarinet, Dr. Leventer, bassoon, Carl Karoub, French horn, and Susan Kincaid, piano . . .

The School's director . . . is Anna Husband, of Calvin road . . . Originally a service program of the old Tau Beta Community House, the Detroit Community Music School for many years has enjoyed the support and interest of many Pointers . . . among them its honorary chairman, Mrs. Edsel B. Ford . . . its first president, the late Mrs. Raymond K. Dykema . . . and a number of its present trustees . . . Wendell C. Goddard, of Provenal road, is the current president.
