

# POINTE ROCKED BY BIG STORM

## Twister Takes Heavy Toll of Pointe Trees

Scenes like this were far too common throughout a large area of the Park and City and the western fringe of the Farms last Wednesday when a vicious storm ripped through shortly before 4 p.m. The enormous clean-up is still going on and will probably not be completed for several weeks. This is how Beverly road looked right after the big blow.

### HEADLINES of the WEEK As Compiled by the Grosse Pointe News

**Thursday, June 25**  
**SENATE BACKERS** of President Nixon's Indochina policies stole an emotional issue from the anti-war bloc Wednesday by repealing the 1954 Tonkin Gulf resolution. The vote to repeal it was 81 to 10, thus robbing the doves of an opportunity for a full-scale debate on the issue.

**DOC GREENE**, longtime Detroit News columnist, lost his job on Wednesday because of his involvement in an attempt to arrange a title bout between heavyweights Cassius Clay and Joe Frazier for September 21 in Detroit's Cobo Arena. Greene said he was fired a few hours after the fight proposal became public Wednesday.

**Friday, June 26**  
**ISRAELIS AND ARABS** fought land and air battles on the Egyptian, Syrian and Jordanian frontiers Thursday in a widening war that clouded a new U. S. initiative for peace in the Middle East. As the fighting flared, Egyptian President Gamel Abdel Nasser spoke scathingly of the U. S. plan and pledged "no concessions regarding one inch of Arab territory."

**Saturday, June 27**  
**THE HOUSE AND SENATE**, breaking months of stalemate on tax measures, Friday passed and sent to Governor Milliken a \$92 million income-tax increase. The House passed and sent to the Senate two proposals to amend constitutional restrictions on taxes. One of the constitutional amendments would allow the state to levy a graduated income tax, and the other would allow it to levy a statewide property tax of up to 16 mills. This millage would replace nearly all local school taxes and be used to finance the state's public schools. If the amendments pass the Senate they will go before the voters in the November election.

**RETURNING VIETNAM VETERANS** with drug problems will be treated at the Veterans Administration Neuropsychiatric Hospital in Battle Creek in a pioneer program starting October 19. The drug center there will be one of four set up this year for the first time by the Veterans Administration in Washington.

**Sunday, June 28**  
**NORTHERN IRELAND'S** worst rioting in more than a year, touched off by the jailing of Bernadette Devlin, raged into Sunday morning with four men shot to death and scores wounded. British troops exchanged gunfire with snipers while revolver-armed Protestants and Roman Catholics faced each other across a stretch of no-man's land in Belfast's Crumlin Road area. Seven persons were treated for gunshot wounds Saturday and Belfast's Royal Victoria Hospital said nearly 100 civilians, police and troops were injured.

**Monday, June 29**  
**BRITISH TROOPS** began evacuating women and children Sunday night from western Belfast, besieged by Protestant and Roman Catholic mobs hurling stones and gasoline bombs. The Northern Ireland government said it was faced with attempted revolution and warned that persons carrying firearms would be shot on sight. Two nights of rioting left seven persons dead and more than 200 injured.

**A FOUR-ALARM FIRE** started by popping bacon grease on a kitchen stove Sunday destroyed Mount Clemens' Hillcrest Country Club. About 100 members and guests were in the clubhouse when the fire started at 10:30 a.m., including club owner, Woodrow W. Woody. They all escaped injury. Woody estimated the combined loss of the clubhouse and its furnishings at two million dollars.

**TASK FORCE** appointed by the Nixon administration recommended Monday that Medicaid be replaced with federal health insurance for all the poor. It also advocated a new consumer voice in the operation of major health institutions and endorsed federal pre-emption in shaping a coherent system of medical-care delivery.

## 2 Veterans Quit Woods Police Force

Detective Martin Trombley and Patrolman James Weyhing Submit Resignations

Woods Director of Public Safety Donald B. Coats this week accepted tenders of resignation from two veteran Woods public safety officers, both of whom will leave the police force at midmonth.

Detective Martin Trombley and Patrolman James Weyhing handed Coats their letters of resignation, claiming that while they both were "extremely pleased to have been associated with the Woods," they felt that the opportunities which recently became available to them would better fit their future plans.

Trombley, who joined the department in 1963, after a brief tour of duty with the Detroit Police Department, will become a member of the Grand Traverse County Sheriff's Department. Weyhing, a member of the department since 1968, will also relocate in the Traverse City area, although his future plans have not yet been revealed.

"We shall miss the services of both these fine officers," said Coats. "They are truly professionals and served our community in really dedicated fashion. We are sorry to see them go, but we wish them the best of everything in their new careers."

Trombley will leave for his new assignment on Saturday, July 18, while Weyhing will leave the department on Sunday, July 12.

## RADIO STOLEN

Mrs. Evelyn Gill, 313 Roosevelt, called City police on Sunday, June 28, to report the theft of a portable Juliette radio from her home kitchen.

## Summer Music Festival Opening Set for Tuesday

The Grosse Pointe Summer Music Festival opens its season on Tuesday evening, July 7, at 8:30 o'clock, at the Grosse Pointe War Memorial Center.

The event will be presented by the Women's Association for the Detroit Symphony Orchestra and the Grosse Pointe War Memorial Association to benefit the Detroit Symphony Orchestra. All Festival participants are Detroit Symphony members who will be donating their services.

Featured will be the Summer Festival Orchestra directed by Detroit Symphony Orchestra's conductor Sixten Ehrling. Maestro Ehrling will open the program with Antonio Vivaldi's famous set of four symphonic poems called Le Quattro Stagioni (The Four Seasons). Vivaldi, in his dedication of

## Major Projects in Woods Reach Completion, Including Emergency Phone System

Detroit Edison Installation Receives Real Test During Storm and Performs Flawlessly; New Garage Being Built

By Phil Loranger

It's been a busy week in the Woods, where a number of major projects reached completion, several reached the mid-stage mark and several others were launched.

The Detroit Edison Company's phone line installation project, approved by the Woods City Council nearly four years ago, was completed this week, after undergoing its first major test "under fire."

For the past four years, the power-supplying firm has been busy installing private phone lines in the community room of the Woods police station. The private lines supplement the police department's up-dated communications system, which was also completed this week.

The Woods provided space for the lines at no cost to the Edison Company. They are back-up lines to be used for the dispatch of trucks and crews in case of a community emergency.

**Gets Real Test**  
The new system received its first real test last week, when a violent storm, pouring rain and flashing lightning, tore through the middle of The Pointe, smashing trees and ripping phone and electrical lines. Dispatchers utilized the Woods emergency system and it performed flawlessly.

The police communications system not only enhances the Woods dispatch methods, but it also will be used as a stand-by system for the five Pointes and Harper Woods—members of the Police Mutual Aid Pact—for use as a back-up communications network in the event of a community disaster.

Among those projects which are in the middle phase of completion is the construction of a new storage garage and work area at the rear of the police station.

When finished, the partition will house six police and fire vehicles and provide needed space in which to service equipment. Completion date for the \$27,000 project has been set for the first week of September.

The construction work is being done by Albert Thomas Construction Company, of the Farms.

**Revamp Squad Room**  
Also under construction, according to Woods City Manager Chester Petersen, is the revamping of the police squad room to accommodate the newly-created Youth Service Division.

The old sleeping quarters, used by both policemen and firefighters, will become the new squad and briefing room, while the old squad room will be partitioned off and made into individual offices for the Youth Service Division.

## Chase Makes Total Wreck Of Two Cars

City Police Officer Dale Van Dale Suffers Broken Leg and Other Injuries

By Phil Loranger

City police officer Dale Van Dale was expected to be released from Bon Secours Hospital Thursday after being hospitalized for five days for injuries sustained after a high speed chase of three minor youths on Saturday, June 28.

Van Dale suffered a broken leg and a number of cuts and bruises.

On that date, City officers Edmund Bentbuys and James Cronin were on routine patrol on Lakeland when they observed a Ford make a wrong turn at the foot of the street.

They attempted to stop the vehicle, but the driver Steven Wiecekorek, of Detroit, fled at a high rate of speed north on Lakeland.

**Runs Stop Signs**  
The officers gave chase. At Jefferson, Wiecekorek ran a stop sign then continued north, running another stop sign at Maumee. He picked up speed to 55 mph, running a stop sign at St. Paul. He continued north and began pulling away from the scout car, then went through the intersections of Kercheval and Waterloo. Officer Cronin

## Shoplifter Given 90 Days in Jail

Calvin Montgomery, 42, of 9035 Third Street, Detroit, was sentenced to 90 days in the Wayne County Jail by Park Municipal Judge William E. Speer on Thursday, June 25, for shoplifting.

Montgomery entered a plea of guilty to a charge of petty larceny in the theft of a power tool from Maskell Hardware, 17020 Mack avenue, on the Thursday date. The item is valued at \$39.99.

According to information released by Park authorities, Montgomery entered the store, and was seen by an employee to pick up a dual-head grinder, put it under his jacket and leave the building. Montgomery entered a car parked at the curb, with another man behind the wheel. The car make and license number were noted.

Patrolman Edward Serwach, who was close by, was dispatched and arrived as the other auto turned onto East Outer drive in Detroit, and gave chase. The vehicle with the two occupants was stopped at the Rosedale intersection and both men were arrested and taken to the station.

The second man was released after questioning when police established that he had no knowledge that a crime had been committed.

## Holidays Require Special Care to Prevent Accidents

Home Mishaps Multiply as Well as Traffic Tragedies, Police Point Out in Offering Advice For Safe and Happy Fourth

By Phil Loranger  
Although many Pointers will be off at the crack of dawn Friday to begin the first leg of the long Fourth of July holiday weekend, more than a few persons will be spending the three-day weekend at home and both groups are being urged to have fun, but make sure they make this a safe and sane holiday.

"While it is a well-publicized fact that traffic accidents soar over these long weekends, few persons are aware that home accidents also increase during these periods," said Captain Henry Marchand, of the Woods Department of Public Safety. "We like to see people having a good time, but we strongly urge travelers and those enjoying the break at home to use extra caution in all they do."

Marchand said the number of traffic accidents that are recorded during holidays can usually be attributed to three factors.

"The number one cause of accidents is drinking and then attempting to drive," he pointed out. "Simply because it is a time of celebration, people drink more than they usually do, which, in itself, is not bad, but the trouble comes when they get behind the wheel of a car and think they can drive as if they had not even taken a drink."

**Don't Drink and Drive**  
"If you plan on imbibing a bit over the weekend, that's fine, but don't drink. Let someone else 'who hasn't been drinking, do the driving or call a cab. Don't endanger the lives of others because you are too stubborn to admit that you can't handle your auto."

"The second factor in the great increase in traffic accidents is speed," Marchand continued. "Everybody seems to be in such a hurry to get someplace and start having fun. They keep their foot on the gas a little longer than usual and that is when trouble strikes them or they strike trouble. Take your time. Slow down. Speeding just isn't worth all that danger."

"The third factor is one which is commonly overlooked," he related. "Exhaustion. Too many drivers try to drive too great a distance without taking a break. They figure that they can make the long haul in one shot and figure that stopping just takes too much time and effort. They're nuts. Falling asleep at the wheel of the car can make sleep a pretty permanent affair."

**Take Care at Home**  
In addition to urging Pointers to be extra careful on the highway over the July 4 break, Marchand

## School Board Meets July 6

## Appeals Court Overturns Tony Giacalone Conviction

The State Court of Appeals overturned Wednesday the 1968 conviction of Pointe resident and alleged Detroit Mafia leader, Anthony (Tony Jack) Giacalone, for illegal possession of a blackjack. Three appeals judges ruled the police conducted an illegal search in discovering the blackjack in a raid of Giacalone's home at 701 Balfour road. The case was sent to Wayne County Circuit Court for a new trial.

A similar conviction on December 5, 1968, against Vito (Billy Jack) Giacalone, Anthony's brother, was upheld by three appeals court judges on April 17. Vito, 47, of 87 Webber place, was taken into custody on May 27, to serve a four-year, nine-month sentence at Jackson Prison.

The convictions came after the homes of the two brothers were raided on May 14, 1968. At that time, officers discovered illegal blackjacks in searches of the two brothers' homes.

Both searches were conducted without search warrants, the appellate court indicated. However, in such cases, officers are legally empowered to make searches "incident to," or immediately connected with the arrest, in order to protect themselves from a suspect finding a weapon.

The appeals court ruled that in Vito's case the officers had to search to protect themselves but in Anthony's case a search was not necessary to protect the officers and thus was considered illegal.

In Vito's case, officers told (Continued on Page 4)

## Myriad Trees Take Lashing By Tornado

Many Fine Specimens Felled or Mutilated; Power and Phone Services Interrupted

By James J. Njaim

A small tornado cut a swath of destruction in the Park, City and Farms, during a heavy rain and thunderstorm on Wednesday, June 24, causing vast damage to public and private property. A woman in the Park was injured near her home when she was hit by a falling tree.

Mrs. Ann Harnett, 35, of Devonshire, was walking on the sidewalk near her home, when she was hit by a large tree limb and pinned to the ground. She suffered injuries to her arm, back and pelvis.

When police and firemen arrived at the scene, Mrs. Harnett had been pulled out from under the tree by several of her neighbors, and covered with a blanket. She was conveyed to Bon Secours Hospital by firemen for treatment of the injuries.

A number of residents living in Bedford, Nottingham and Berkshire roads and surrounding areas, said that the destructive force was a small tornado. They said they saw a small, black twisting funnel coming from a northwesterly direction, toward Jefferson, turn southeast and head for the City and Farms.

**They Saw Twister**  
The witnesses said that they actually saw the twister, and trees being lifted and tree trunks and limbs wrenched loose and fall to the ground. Some of the trees just toppled over, and some were tossed against houses and onto parked cars. Many electrical and telephone wires were snapped by falling trees and branches.

Park police reported receiving more than 40 calls pertaining to fallen trees, and approximately 44 disclosing downed wires.

The area hit by the twister experienced a power failure from the time the twister hit at 4 p.m. until 11:55 p.m. A number of homes in Lincoln road were without power for 24 hours. Street lights and most traffic lights were knocked out between Wayburn and Cadieux and Kercheval and Mack.

Police officers on the day shift were detained for extra duty at shift changing time, and administrative personnel in the various municipal buildings in the Pointe were kept on overtime, answering incoming phone calls of residents reporting damages.

**Some Basements Flooded**  
During the heavy downpour of rain, a few residents reported flooded basements, with all calls investigated to determine if the flooding was caused (Continued on Page 2)

## National Award Won by Woods

The Woods was among two cities nationally, and the only Michigan city, to receive AAA's Award for Excellence in its population class in Triple-A's annual pedestrian safety competition.

The award will be symbolized by a plaque to be presented at a special awards breakfast Tuesday, July 7, at the 1970 meeting of the Michigan Association of Chiefs of Police at Boyne Mountain. Arthur C. Gibson, manager of Auto Club's Safety and Traffic Engineering department will present the award, which will be accepted by Donald B. Coats, Director of Public Safety on behalf of the city.

A total of 2,082 cities across the nation took part in the competition, which surveyed pedestrian safety accomplishments during the calendar year 1969. Cities compete in one of eight categories according to population size. All told, 45 Michigan cities won awards in their respective population classes: Award of Merit—East Grand Rapids; and Detroit; Special Citation for Pedestrian Program Activities—Mt. Clemens, Hamtramck and Greenville; Special Citation for Pedestrian Casualty Record—Jackson and St. Clair Shores; Pedestrian Safety Achievement Award—Huntington Woods, Grand Haven and Sparta.

### Vicious Storm Wallops Pointe, Splinters Trees

(Continued from Page 1)  
 by local problems, or was the result of inadequate sewers. Herbert Heger, director of the Park Public Service Department, said the storm damage was the worst he had ever seen. "In the number of years I have worked for the community, I have seen three other such storms, but this is by far the worst one yet," he said. "Edison and Michigan Bell Telephone crews, and crews from the Wayne County Road Commission, have been working straight through. "By the time we are through clearing away the debris, I know for sure that there will be a loss of at least 100 city-owned trees. There were approximately 40 city trees damaged or downed, and about 35 wires reported broken. "Work Through Night City Department of Public Works crews, with extra men, worked through the night clearing away debris from city streets and from the Norbert P. Neff Memorial Park. City police and fire officials said that there were no mutual aid calls, and this was very fortunate, because all police and fire department personnel of the other Pointes were extremely busy in their own communities. In the Farms policemen were kept busy answering burglar alarms set off by the storm, and firemen were busy answering calls from residents and from house alarms. Lightning struck one house at 415 Bourne-mouth, going through the roof and knocking down some plaster. There was no fire. At 115 Lake Shore road, four firemen, including Chief Michael Beaufre, answering an alarm, narrowly escaped death.

other areas branches were reported downed. The count on the loss of private trees is not known, but the city lost only four of its trees, it was disclosed. The Woods and the Shores were fortunate, in that they escaped the damaging tornado, but did receive a share of the cloud bursts that hit the community. According to official U.S. Government gauges kept at the Farms Water Filtration Plant, 23 Moross road, the Pointe was deluged with 1.04 inches of rain during a little more than a five-hour period. It was revealed that within 10 minutes after the rain started at 2:10 p.m., the skies dumped .27 of an inch on the Pointe, before it stopped. At 3:45 p.m., the clouds burst again, for another 10 minutes, pouring .65 of an inch on the area; and finally, at 7:28 p.m., a steady rainfall continued and when it stopped, the total rain was recorded at 1.04 inches. Work crews were working past the weekend in order to clear away the devastation caused by the sudden storm and tornado.

other serious injury, when a lightning bolt struck a tree on the property, splitting it in half. The severed section missed the men by a few inches as it crashed to the ground. **Trees Block Traffic** It was disclosed that in a four-block area of Grosse Pointe South High School, especially Beverly, McKinley place and Lake Shore, was the hardest hit in the Farms. A tree fell across Grosse Pointe boulevard, blocking traffic for hours. A large tree was toppled on the high school grounds, and an uprooted tree on private property at Lake Shore and Beverly fell on and damaged a section of iron fence around the property and blocked Lake Shore road during rush hours. A Lake Shore Coach Line bus driver was forced onto the lawn of South High School, Fisher and Kercheval, as he swerved his vehicle to avoid hitting a large tree that fell in the path of the bus. No one was injured. Farms Department of Public Works crews were worked overtime clearing away debris around the hard hit area and

**Theater Creates A Miracle With Detroit Edison's Help**

By Pepper Whitlaw  
The rains came . . . the sump pump failed . . . the boiler room flooded . . . the lights went out, and in a matter of hours Fries Auditorium would be filled with theater-goers prepared to be entertained by "The Flower Drum Song," presented by members of the Grosse Pointe Theater. This was on Wednesday, June 24, the day Grosse Pointe was hit by the big storm.  
Fortunately Charles Chrisman, director of lighting and sound, was working on the lights at the time. He immediately went into action, hauling sandbags onto the edge of the stage in an attempt to keep it as dry as possible and preserve the flooring cables. He then pulled all the circuits on the theater light-board so the water wouldn't blow the entire board.  
In the meantime, Director of the War Memorial, John Lake was on the telephone talking with a supervisor at Detroit Edison explaining his plight. Truly the gods were with them this evening because the supervisor had seen the production of "Flower Drum Song" the week before, had enjoyed it and was interested in helping the group in whatever way he could. He asked Mr. Lake if the show would go on if they had electricity and Mr. Lake assured him it would. Promising to do "something" the supervisor said a courteous goodbye.  
Within a short time an Edison truck with a portable car-sized generator and a crew of men pulled up in front of the theater. Out came Harry Iber and Lyle Detterman ready for action. (It's unfortunate that the audience couldn't have seen their performance . . . we are told it was beautiful.)

They restarted the sump pump circuit to prevent additional water from flooding the auditorium and then they began starting one circuit at a time, checking each to be sure the additional load would not blow out all the power. They stayed through the entire performance. By this time the audience began to arrive, confident that the show would go on in spite of the fact that most of the area was without lights. They were greeted by dim ballroom and lobby lighting and CANDLELIGHT and were asked to wait in the ballroom since the performance would be delayed.  
Meanwhile in another corner of the ballroom, members of the cast were frantically being made up by Lois Mitchell, makeup chairman, and Eileen Binder, her assistant. Director Shirley Shepard and Producer Ruth Bliss were afraid to use the makeup room lighting for fear it would place too much of a drain on the few lights available and put the entire system out of commission.  
Everyone held their breath when at 8:50 (20 minutes late) the curtain rose and the stage and spotlights went up, afraid that the sudden immense use of current would plunge the entire building into darkness. Although the lights flickered menacingly throughout the entire first act, they never went out. Little did the audience know that the backstage crew was functioning in almost total darkness.

him to change his clothes in the bedroom. When he approached the dresser a police officer looked in and spotted the blackjack.

In the Anthony Giacalone case, the blackjack was hanging from a hook in a downstairs clothes closet and was seen by an officer who first went into a closet to seize a shotgun he had spotted.

At the time of the search, Anthony, 51, had been served with an arrest warrant and was upstairs, where other officers had taken him to change his clothes.

"The need of law enforcement officers for protection against armed resistance to arrest is of national concern," the appeals court indicated.

"We would not be understood to place any judicial restriction upon their right of self-protection.

"In this case, however, the further search of the premises after the warrant was served and the accused arrested cannot be justified on the ground of concern for the officers' safety."

The appeals judges agreed with a statement made at the trial by Judge Moynihan Jr., of the Wayne Circuit Court who said, "The testimony in this record made it most clear to the court that the officers were in no way apprehensive lest the defendant escape or inflict any injury on any of them."

He pointed out that the raiding officers could have obtained a search warrant prior to the arrest. He said further, "The officers preferred to conduct a search which, had it not turned up the weapons, would have been a clear violation of an individual's sacred constitutional right to be secure in his own home."

The appeals court disagreed strongly with that statement, saying, "We know of no constitutional doctrine, judicially approved, which permits the validation of an illegal search on the basis of the results it obtains."

According to appellate judges the seized blackjack should have been suppressed as evidence.

They specifically pointed out that the facts in Anthony's case differed from those in his brother, Vito's case.

Wednesday's opinion was written by Judge Michael D. O'Hara, of Menominee. The two other judges were Timothy C. Quinn, of East Lansing and Robert B. Burns of Grand Rapids.

Both brothers were identified in 1963 U.S. Senate testimony as members of the Detroit Mafia.

chand also called for safety in the home.

"Too often I've heard of the man, claiming he is going to stay home over the holiday because of the dangers of the highway, who gets injured at home because he forgot to practice common sense safety," said Marchand. "Trouble can strike while lighting a barbecue fire, climbing a ladder or mowing a lawn."

"Many of our residents busy themselves at long-put-off odd jobs over the vacation period, but they don't think before they act," he noted. "Before you attempt to do anything with which you are unfamiliar, stop and think about it first."

"Even in the seemingly routine matters, caution is always

put out a radio call to Dale Van Dale and other units in the area.

Van Dale responded, heading south on Lakeland, with lights flashing. He spotted the vehicle and stopped his scout car at 597 Lakeland in an attempt to stop Wiczorek's car, but Wiczorek lost control of his car and hit Van Dale head on.

Wiczorek and his passengers, Thomas Tworkski and Charles Bizell, also of Detroit, all attempted to flee the scene but were apprehended by Benthuyts and Cronin.

Cronin then radioed to Farms police to take the injured to Bon Secours. Wiczorek suffered facial bruises and a fractured nose.

Released on Bond  
Tworkski was taken to the City station and charged as a minor in possession of alcoholic beverages. He was released on payment of \$50 bond.

A hold was placed on the driver, who was charged as a minor in possession, with a \$50 fine, and reckless driving which carries a \$100 fine. Bizwell was retained in City jail, and released to his parents following morning upon payment of a \$50 bond.

Both cars were totally demolished in the accident. Van Dale is reportedly doing well but will be out of commission for a minimum of six to eight weeks.

The boys were given a court date of July 14.

**Changes Made At Himelhoch's**

"We've not only acquired more space for displaying ready-to-wear, but we've added a new shop and selling concepts in both intimate apparel and children's for Grosse Pointe customers, at our Kercheval avenue store in The Village, said Charles Himelhoch, president.

Soft green walls form the backdrop for the expanded intimate apparel department. Additional area allows room for color-coordinated merchandising of intimate apparel and day-wear, as well as foundations and robes.

The Children's Corners, complete with pastel numeral mobiles and white picket fence, add charm and efficiency to the children's department. Girl's 7-14 and pre-teen comprise one corner, with infants directly across the aisle.

"Our main concern was to create a more flexible fashion unit, an end," said Mr. Himelhoch, "Which we feel has been successfully achieved."

Woods Fed Up With Speeders

Senseless speeding by motorists and the thoughtless and noisy squealing of automobile and motorcycle tires in residential neighborhoods has caused a growing number of Woods residents to register complaints with that community's Department of Public Safety.

Calls are recorded daily from well-meaning residents, concerned for the safety of their children and irritated by the obnoxious noise of racing engines and screeching tires.

'Although these incidents increase during the months of warm weather, they are recorded year-round,' said Woods Captain Henry Marchand.

Marchand claimed that these incidents not only are vexing to the residents of the area but

also the police because it forces them to send scout cars to patrol the streets, taking the officers involved away from more critical police work.

'You would think these drivers would have more meaningful activities to pursue instead of taking part in such senseless pursuits,' Marchand said.

'We are attempting to crack down on these very amateur race drivers and we'll continue to strictly enforce our traffic laws,' he pointed out.

Traffic arrests are mounting in the Woods and violators in the community would be wise to take note that, if they are arrested, they face heavy fines and possible jail sentences.

Hospital Guild Gives \$30,000

Saint John Hospital was presented with a contribution of \$30,000 from its Men's Guild at a luncheon held on Friday, June 19, at the hospital.

George Cueter, president of the Saint John Hospital Guild, in presenting the check expressed his pleasure at being able to make a contribution of this size for the support of the planned Emergency Service Center expansion.

Accepting the check for the hospital, James T. Farley, president, said that the plans for this Emergency Service Center which will more than double the size of our emergency services have now been completed.

The chairman of the 1970 Stag Dinner, William B. McIntyre, M.D. thanked the more than 80 members of the dinner committee and commended them for their efforts in raising the largest sum ever from this annual event.

Election of officers of the Saint John Hospital Guild was also conducted at the luncheon with the entire group of present officers re-elected to their positions.

## Park Clinches Swim Victory

The Pointe's Inter-Park swimming competition started off with a bang Saturday, June 27, at the Shores pool. An overflow crowd watched the Park take the lead and clinch the win with six firsts and two seconds for the thirteen-relay events. The Park team, coached by Tim Kennary, has shown a big improvement with their new pool.

The thrill of the day was the final event, a 500-meter crescendo open free relay with eight swimmers from each team racing 25, 50, 75, 100, 100, 75, 50 and 25 meters. With the Shores in close second, the Park won the relay and the meet.

Ann Crowley, Kevin McKernan, Dave Cooke, Helmut Reichardt, Marsha Mauer, Mickey Montagne, Fred Wexler, Lili Dichter comprised that winning combination.

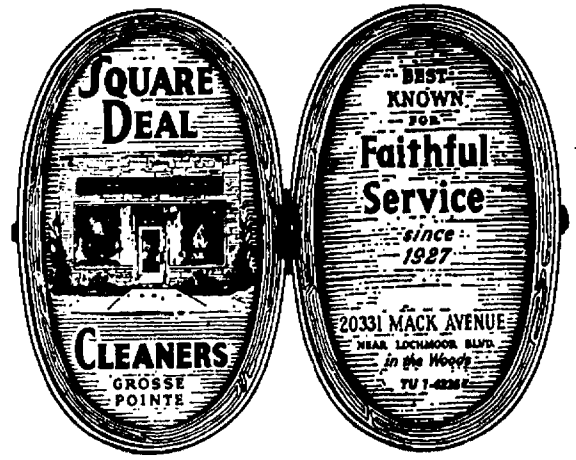

The Park's 14-and-under Boys and Girls Free relays both won with John McCoy, Bob Czechowicz, Kevin McKernan, Bill McConachie, Jane Gaitley, Marsha Mauer, Carmel Schwarz, and Star Hessburg.

Other winning relays were the Boys 10-and-under 200 Meter Free Relay (Todd Lindheim, Toby Lindheim, Tom Hessburg, and Terrance Burnham) and Girls (combination of 57 years) 200-meter Free relay with Jane Gaitley, Carmel Schwarz, Mickey Montagne and Mary O'Donnell. The Park's other fast foursome included Bob Czechowicz, Dave Cooke, John Hannon, and Fred Wexler.

Shores Park Manager Dom Messing directed the meet.

Shores team coach, Peter Burns, was pleased with the performance of his 200 meter Boys 12-and-Under Free relay team of Chris Ballew, Kirk Barker, Dan Beck, and Mark Brinker. Shores also took firsts with their Girls 10-and-under and 12-and under Medley and Free relays. Swimmers were Barb Haigh, Vic Vorhees, Mary Beck, Lydia Malloy, and Ann Hoffman, Chris Hoffman, Sue Sattler, and Laura Riddle.

Over 500 Pointe children from seven through 7 participate in the summer parks swim competition.

### ON WINGS

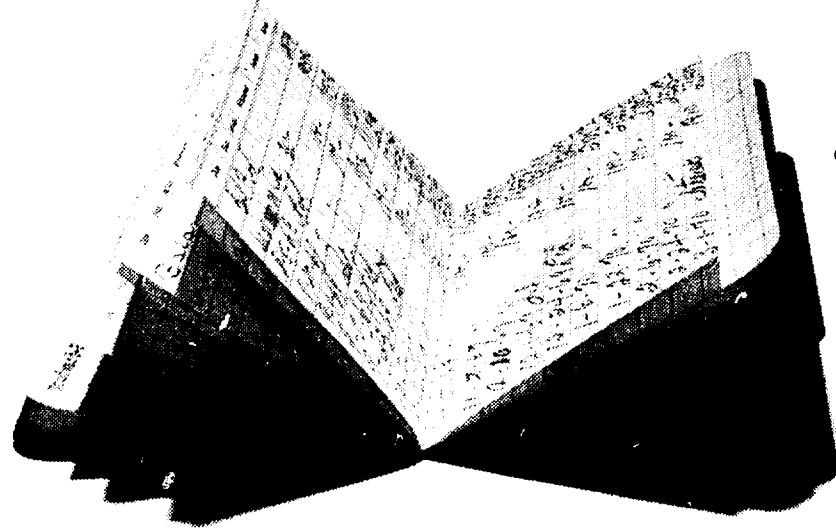

The buying power of a dollar today is unable to keep up with its good-hyng power.

### SUDDEN DEATH

You'll probably never live 'til ninety if you keep looking for it on the speedometer.

Don't carry a grudge—you only hurt yourself by carrying an unnecessary load.

## Now that you've collected your interest, you could be losing money.

### Think First.

It just happened. They added the interest to your savings account. But before you start feeling secure, read on. And find out how you might be shortchanging yourself.

The fact is that more people are earning more money than ever before. And are having more trouble holding on to some than ever before. You know how it feels. And we know how you feel.

You want to save money but everything seems to be working against you. Regular monthly bills are bigger than ever. Charge cards are handier than ever. The trap seems deeper than ever.

### How to make some extra money.

If you've been saving money in a passbook account, at least you've been saving. But you could be shortchanging yourself.

The simple fact is that many financial institutions are paying a lower rate than First Federal Savings is allowed to pay on regular passbook savings.

That's why we're offering to buy your passbook. Yes, buy.

We'll transfer your current balance (plus any interest due you) to an insured First Federal passbook account.

Then the next time you collect interest you'll collect more, depending on the type of account you select. And we have lots of them. Certificates with various maturity dates and interest rates. Regular passbook accounts. They all earn the highest interest rates available in Michigan (5%, 5 1/4%, 5 3/4% or 6%).

We're savings specialists. Thirty-five years of helping people put it away for rainy and sunny days, new homes, cars, college, braces, vacations, weddings.

Right now 210,000 savers (we're Michigan's largest savings institution) count on us for ideas and guidance.

We've learned a lot of secrets about saving money, over those 35 years, and we'll share our secrets with you.

You can learn how to force yourself to save. If it takes force. How to separate long-range savings from here-and-now needs.

And how to break the charge card habit. How to pay cash. How to save up for things you want to buy and earn interest rather than pay interest.

Just come in and ask. And we'll tell you how all these things work. For you.

### Here's what you should do.

Bring your present passbook to one of our 24 offices.

Or mail it to us.

We'll take care of all the paper work to transfer the balance in your present account, plus any current interest due you, to a First Federal passbook.

And in a few days, you'll have that First Federal passbook.

And the next time you collect interest you'll collect a profit.

A profit based on a higher rate. Combined with our special Daily Interest, paid and compounded quarterly.

You could earn more money than you can earn if you keep your present account. Keeping your present account could cost you money. Compared with a First Federal account.

And you don't need something else that costs money.

You need something that saves money.

We can do more for you if you'll think First.

### Woods Municipal Judge Clears Heavy June Docket

Woods Municipal Judge Don J. Goodrow on Wednesday, June 24, finished clearing a heavier-than-usual court docket for the month, hearing the last of 114 matters, including the levying of a heavy fine for the carrying of a dangerous weapon by a Woods resident.

In court action for Wednesday, June 10, Kenneth C. Cook, 213 Church, Romeo, was fined \$150, after being found guilty of assault while Ralph Daigle, of 1875 Fairholme, received a \$50 fine for using indecent language.

**Youths Nabbed In Stolen Car**

A routine traffic stop made by a Woods Public Safety Officer in that community on Sunday, June 28, led to the arrest of two young men, charged with auto theft and carrying a dangerous weapon.

Officer Ronald Hayden had been patrolling along Mack avenue, when he noticed a slow-moving vehicle traveling south on Mack in the far left lane. He managed to pull the driver of the auto over to the curb at Mack and Broadstone, noticing at the time that the driver seemed quite young.

The young man could produce neither a driver's license nor a registration for the vehicle and Hayden ordered both the driver and his older passenger out of the car. As they left the vehicle, Hayden noticed that the engine was still running and that the ignition was in the off position. He also spotted a full bottle of beer in the front seat.

Further investigation of the vehicle revealed that it had been "hot-wired" and that two hammers were tucked under the front seat. A check of the car's license number showed that it had been reported stolen by a Detroit resident.

Both boys were arrested and brought to the Woods police station, where a search of their clothing was made. A black-handled, eight-inch long knife was found on the older boy, along with a handwritten note, bearing the message, "Give us your wallet, or we'll blow your brains out."

**German Youths Ready to Help**

Sharing the belief that the best way to understand people of a foreign country is to share their homelife, more than 150 German college students between the ages of 20 and 26 will be arriving in The Pointe and surrounding areas on Monday, July 20, to absorb our American culture while serving as family helpers.

Under the guidance of Tuebinger Student Council, directors for German-American Traveling, the young men are enrolled in university courses pursuing degrees.

All of the young men speak English. They will work about 30 hours a week, assisting with lawns, gardens, chauffeuring and other household chores.

The host family determines whether the young man works in the mornings or afternoons, however they are required to adjust their schedules to allow the boys to attend classes twice weekly.

In return for their efforts, the boys receive a weekly allowance of ten dollars in addition to room and board. The families may, if they choose, take the students with them during their regular summer vacation.

All of the young men are insured against illness, accidents and liabilities.

Any Pointers interested in hosting one of the young men for the summer or during the school year 70-71 may receive full details on the program by calling Mrs. Harry Gemuend at 881-9933.

**Capt. Jeffery Kurtz Recruiting Officer**

Captain Jeffery S. Kurtz, son of Mr. and Mrs. Kenneth W. Kurtz, 1230 Bishop Road, was recently graduated from the U.S. Army Recruiting Command's Recruiting Officer Course at Fort Benjamin, Harrison, Indiana.

Kurtz is Recruiting and Career Counseling Officer for the U.S. Army Recruiting Main Station in Los Angeles, Calif. As Recruiting and Career Counseling Officer, the 26-year-old captain supervises army enlisted career counselors in the

Army Southern California Recruiting Program. His duties include counseling young men and women who volunteer for service in the Regular Army, and advising them of career fields and army service schools for which they are best qualified.

A veteran of combat in Vietnam, Kurtz wears the purple heart for wounds sustained in Tay Ninh Province while his mortar platoon was assigned to Fire Support Base "Julie," near the Cambodian border in October, 1968. He was assigned to the 28th Infantry, First Infantry Division.

A 1962 graduate of Grosse Pointe High School, he also attended Kellogg Community College. He entered the army as an enlisted man in August, 1966. After completing basic training at Fort Knox, Ky., he was selected to attend Army Officer's Candidate School at Fort Benning, Ga., and was commissioned a Second Lieutenant of Infantry in September, 1967.

**Park Schedules Junior Olympics**

The Park's Annual Junior Olympics will be held July 21 and July 22 at Windmill Pointe Park, according to Beth Keller, Recreation Coordinator.

The games, to be held for Park residents between 10 and 15 years of age, will include such events as softball throw; 50-yard dash, standing long jump, running long jump, standing hop, step, and jump; running hop, step, and jump; chinling (boys only), and shuttle relay (2 boys and 2 girls).

The winners will be eligible to compete in the Detroit Metropolitan Youth Fitness Program to be held July 30, at Kensington Park.

Registration blanks are available at the Windmill Pointe Park's gatehouse now and the deadline for registration is Tuesday, July 14.

His other awards and decorations include the Bronze Star, Combat Infantry Badge, National Defense Ribbon, Vietnamese Service Medal, Vietnamese Campaign with four Campaign Stars, and the Vietnamese Cross of Gallantry.

**GROSSE POINTE PARK** The American League rain-out games of June 17 were played Saturday, June 20. The Indians, Orioles and White Sox are now tied for first place for the second half of the season as a result of the 13-8 win by the Orioles to the White Sox. The Indian-Yankee game was sparked by the grand slam

home run by Rob Worrell scoring Dancy, Stoddart and Witri ahead of him. Joe Fikany led off the fifth inning with a home run over the center field fence. Worrell and Fikany hit two baggers as did Randy Steen. Bill Albrecht and Rob Worrell each got three hits out of 4 times at the plate. The Indian pitcher, Joh.

Witri, scored two runs and had two hits. He struck out 11 men and went the full six innings for the win.

Jack Brabb, Joe Griffin and Chris Fiedling each had three hits for the Yankees with Brabb hitting the one double. Brabb was the Yankee starting pitcher and was relieved by Ralph Betanzos in the fourth and Mark Verbiest took over in the fifth inning.

White Sox pitcher, Drew Peterson, struck out 11 men and only allowed three hits for

the 2-1 win over the Orioles. Ed Cole knocked in two runs for the White Sox with a home-run in the third inning. Jim Hoffman was the only man of either team to get two hits, each a single.

Tom Mathews led off the sixth inning with a round-tripper for the Orioles, but Peterson did not allow another hit after that. Brad Peterson and Dave Wyborski were the only other Orioles to hit safely.

The Athletics won over the hardluck Senators 8-5 in a ball-

game which saw the Athletics send 11 men to bat and scoring five runs in the fourth inning. Sheriff Shaalan hit a grand slammer scoring Miller, Dooley and Brownell. Joe Addison also scored in the big fourth inning. Mike Dooley, the winning pitcher, struck out eight men and was given fine relief in the sixth inning by teammate, John Williams.

**Police Arrest Errant Driver**

Abram Voorhees of 65 Willison, was arrested by City Police on Saturday, June 27, and charged with reckless driving-drinking. He was observed traveling west on Lake Shore road in an erratic and reckless manner.

All agencies are alerted by Shores police to be on the lookout for the car driven by Voorhees, and the vehicle was spotted by City Patrolmen Edward Miller and Ronald Pryor, at about 9:47 p.m.

The policemen said they saw Voorhees make a wide turn on north bound Nefff road from Jefferson, almost hitting the west curb. Voorhees then cut back across the street, barely missing the east curb.

**Judge Paterson Clears Docket**

The City of Grosse Pointe Municipal Court convened on Tuesday, June 23, with Judge Douglas L. Paterson presiding. The following cases were heard:

John Council, 16937 Cranford, and Harry Taylor, 266 McKinley, were charged with being disorderly persons. Both pled not guilty and both were found guilty and fined \$50 and made to write 200-word essays. Council was placed on three months probation.

Harry Taylor, 266 McKinley, was charged with careless driving. His case was dismissed due to no eye witnesses.

Suzanne Sillery, 480 Lakeland, was charged with failure to

yield the right of way resulting in an accident. She pled not guilty and was found guilty. Sentence was suspended.

Daniel Roemer, 5229 Eastlawn, was charged with careless driving. He pled guilty and was found guilty and fined \$15, put on probation, and told to attend three sessions in court.

Marie Mukufian, 813 Loraine, was charged with careless driving resulting in an accident. She pled not guilty and was found guilty. Her sentence was suspended.

Frank Clements, Jr., 280 Fisher, was charged with reckless driving. He pled not guilty and was found guilty of careless driving and fined \$50.

**Art Works Lost From Top of Car**

A Farms resident is seeking help in the recovery of several oil paintings, water colors and etchings blown from the top of her car. The entire collection is valued at \$500. Farms police were told.

Mrs. Carsten Tiedeman of 56 Kenwood road, said that at 11:15 a.m. she placed the art atop her Thunderbird, and went back into her house, came out and got into the car, drove out of the driveway and west onto Grosse Pointe boulevard, forgetting the paintings, which she was taking to have framed.

Mrs. Tiedeman described the art work as being, a picture of a zebra and one of an elephant, 30 by 24 inches; two water colors from Yugoslavia, called "blues," 24 by 24 inches; a pastel of a child, 28 by 28 inches; an oil, called "Green" of a nude female, done on heavy paper backing, 30 by 24 inches; an etching of a home, 10 by 10 inches; and two rolled oil canvasses, done in South America, 30 by 30 inches, 30 by 30 inches.

Mrs. Tiedeman said that she retraced her route of travel, looking for the art work, but was unsuccessful in her search. Then, she said, she reported her loss.

A DPW employe told officers sent to the Department of Public Works garage to check if anyone had picked up the paintings, told the police that he saw a man stop his car on the boulevard and get out and pick up what looked like squares of white paper, but thought nothing of it at the time, assuming that the person was civic minded and wanted to see the street rid of the paper.

It is hoped that the person who picked up the papers, if it was the art works, will read this article and return his find. They can be either taken to the Farms station, 90 Kerby road, or to Mrs. Tiedeman, at her home.

**New Boat Club Enjoys Outing**

The Grosse Pointe Farms Boat Club members meant it when they said they are behind the newly organized Grosse Pointe Farms Junior Boat Club, and would assist them in all their activities. On Saturday, June 27, a total of 15 young people from the junior group had a perfect picnic day at Metropolitan Beach.

They did not hike, nor did they drive to the recreation area, but took the route of all sailors. They went by water. The parents of two juniors donated the use of their cruisers and the teenagers covered the distance in a short time.

They spent the entire day just having fun. Some golfed, some swam, some roller skated, some jollied on the beach and soaked up the sun. They all had something in common, however, when mess call sounded.

The parents who allowed the use of their crafts are Tony Delsener, past commodore of the senior club, and Jerry Malooly, who no doubt was cajoled by his pretty daughter, Jayne.

Police Need Cooperation

Why, when a crime of such magnitude as the recent raping of a six-year-old Woods girl occurs, can police turn to a list of "known sex offenders" to investigate?

To get answers to those questions, the NEWS interviewed two local police officers, Chief of Grosse Pointe Park Police Gerard Kesteloot and Captain Henry Marchand, of the Woods Department of Public Safety.

So in essence, although police officers do their job and do it well, we as citizens and parents contribute to the number of sex deviates roaming the streets by refusing to sign complaints against them.

The other fact is one where we as citizens can help in a more indirect manner. This is by promoting legislation which would provide more and improved psychiatric facilities to treat these criminals.

Both police officers emphasized that if any citizen knows that a crime of this nature has been committed, they should immediately report it to their local police department.

The NEWS urges you as a responsible citizen to remind yourself that YOU could be responsible for the raping or molesting of an innocent child merely by refusing to become involved.

Public Schools in Focus

Although we do not close the books officially on 1969-70 until the end of the month, I would like to review the year in terms of student achievement by highlighting at least a scattering of the honors that have come to our many fine, hard-working high school students.

We learned recently that 23 South High youngsters were named to Phi Beta Kappa, a highly selective honor society. In addition to personal qualifications, to be accepted for membership a student has to have a 3.8 average in academic subjects from the 10th to the 12th grade.

A first-class rating was recently awarded by the National Scholastic Press Association to "North Pointe," the student written newspaper at North High.

A second-year student of French, Kathy Draper, received first place in the nationwide contest sponsored by the American Association of Teachers of French. This is the first time Grosse Pointe has had a first place winner. Kathy's prize is \$420 to be applied to a trip to France.

Bob Kulka established a new pole vaulting record for South at the Schaefer Relays with a jump of 14 feet, three-fourths inches.

And Rick Schott of North became the new two-mile run champion at the 39th Annual Mansfield (Ohio) Relays in April.

Seven students from South won honors in the Annual Region II Michigan Industrial Education Awards co-sponsored by the Michigan Industrial Education Society and the Detroit News.

The North High swimming team won the Bi-County League title by ending the season with a 13 to 1 win-loss record. The team has a 22 to 2 win-loss record for the last two years.

Two Juniors at South, Bob

Pisarski and Ken Barker, received high honors for their performances on the Michigan Mathematics Test this winter.

Jill Alexander, a Senior at North, was named "Betty Crocker HomeMaker of Tomorrow."

Students at South High earned a total of 39 awards in the Scholastic Writing Contest sponsored by the Detroit News. Tower staff members won 14 more awards in journalism categories than the second best school in the competition and a South graduate was the top award winner in the metropolitan area in journalism competition.

Pat Gamicchia of North was elected vice-president of the state-wide Office Education Association of Michigan during the spring.

Carrie Loomis of South High was invited to participate in the fourth annual session of "A Presidential Classroom for Young Americans" in Washington, D.C.

Four North High students were named Semifinalists in the National Merit Scholarship Program. Congratulations to Kathy Krieger, Rich Schott, Jon Bullard and Fred Amrine.

Merrill Watson of the Class of 1970 at South High School was named a winner in the Annual Achievement Awards competition sponsored by the National Council of Teachers of English.

Athletes at North High won the Bi-County League basketball championship. The list is far from complete. But the range of activities in which our students have excelled is, in itself, impressive. Our high schools are supposed to be "comprehensive" in that they offer opportunities for all students, whether bound for college or for an immediate vocation.

I think we are demonstrating well that we are carrying out our charge.

Letters to the Editor

Since the article in the Grosse Pointe News did not explain the reasons why I voted against the Youth Bureau, you might like your readers to read the statement that I made at the June 22 Grosse Pointe Board of Education meeting qualifying my vote. It is as follows:

"At a previous meeting, I supported a motion, which we passed, that indicated the School Board's intention to support a Grosse Pointe Youth Bureau. It was my intention then, and it is now, that we should serve in a coordinating

or liaison capacity but not that we should contribute financially.

"Our first responsibility is to the education of our children. With the reduction in staff that has been made, any available money should be used for additional teachers. I do not see how in good conscience, any of us can spend \$17,000, or one and one half teachers' pay, to an outside organization at this time."

Sincerely, ARNOLD P. FUCHS Trustee Board of Education

What Goes On at Your Library

By Virginia Leonard

By Virginia Leonard If our librarians have seemed slightly frenetic this week and sometimes not in their accustomed niches: if they have a professional glint in their eyes—I can tell you why. They've been attending, or getting ready for, the 89th annual American Library Association Conference which has been held this year in Detroit, June 28-July 4, preceded by several pre-conferences.

There have been preliminaries also. Meeting to prepare for the onslaught of librarians from all over the country. Decisions have had to be made as to just which meeting one can attend—or may want to attend, not to mention banquets, luncheons, and the many many exhibits that only a Cobo Hall can hold. Then, too, there is the fringe benefit of meeting old friends, either by design or unexpectedly, from library school, or from other libraries where one has worked. It's all fun, enlightening and profitable. We hope that many of you have made use of this week to see these book exhibits too.

What do you know about the American Library Association? Perhaps a bit of background would be helpful. ALA was founded in 1876 (heavens, it won't be long until we will be having a centennial!) in Philadelphia as an organization of librarians, trustees and friends of libraries from the United States, Canada and over fifty foreign countries. Membership is open to any person or institution interested in libraries. Since it is the oldest and largest organization in its field, it has become the chief spokesman for the progress of the library movement in the United States, and has its influence abroad.

ALA believes that libraries exist to make books useful to people, and so has long been a pioneer in improving library service and attempting to bring this service within the reach of all. In its early years it worked for open access to shelves, lending books for home reading, tax support for public libraries, development of school, college, and research libraries, special services for children and young people, international library cooperation, professional training of librarians, and the extension of library service to outlying regions in rural areas through branches and bookmobiles.

Pointers Among Harvard Grads

Among the nearly 4,000 students receiving degrees recently from Harvard University, in Cambridge, Mass., were six Pointers, two of whom were graduated cum laude.

Dennis W. Cross, of 50 N. Deeplands, received his Master's degree in Business Administration; Barbara S. Laitner, of 846 Grand Marais, was awarded her Master of Arts degree; Peter H. Monroe, of 344 Morross road, was awarded his Doctor of Laws degree; Michael B. Simson, of 528 Lakepointe, was graduated cum laude, receiving his Doctor of Medicine degree; Marian E. Gram, of 87 Moran, was graduated cum laude, receiving her Bachelor of Arts degree, and Donald P. Reed, of 44 Fontana, received his Masters of Arts degree.

During World War I this organization provided library service to the armed forces at home and overseas. It was also active during World War II in supporting army and navy libraries, as well as the hospital library service of the Veterans Administration.

After 1920, ALA has increased its membership enough to include activities such as the coordination of library resources for research, state and federal aid to libraries, efficient service agencies, and the improvement and expansion of the library's part in adult education. It has concerned itself with raising the standards of the library profession through better professional education, better working conditions for librarians, and better salaries. It has also concerned itself a great deal with issues of intellectual freedom. A Library Bill of Rights, adopted by the ALA Council in 1948, and a joint ALA-American Publishers Council manifesto on the freedom to read, issued in June 1953, have helped libraries to become centers in the communities for the free access to information and ideas as found in printed literature and audio-visual materials.

Citations and awards are given each year for various distinguished services. I'm sure you are all familiar, for example, with the annual Newberry and Caldecott medals, given by Frederick G. Melcher, for the most outstanding children's books.

The A.L.A. BULLETIN (very recently changed in name to AMERICAN LIBRARIES) has been distributed for years to all members of the organization. Librarians also rely heavily on its BOOYLIST, A BOOK REVIEW publication (which includes the SUBSCRIPTION BOOKS BULLETIN) for book ordering, as it provides succinct, reliable reviews for book ordering.

All professions seem to have their national organizations, and we are proud to have the American Library Association as our representative. It has a long and fruitful history, and conventions, while they are reduced in general, need not be taken in this context. Used and organized properly and intelligently, they should bring together a large segment of their members, to meet, ponder, reflect, listen to each other, exchange ideas, progress, and give mutual aid and assistance. I have attended quite a few ALA Conventions and have always come away with a feeling of having gained a great deal. Here is your unique chance to talk to other librarians, other interested library users, publishers, dealers, old friends. Your insularity fades, you get new ideas that perhaps you can use in your own library and you come away happy and fulfilled. We salute the American Library Association!

Named to the Dean's List for the second semester at Vernon Court Junior College, Newport, R.I., were SUSAN MARIE MOORE, who received her Associate in Fine Arts degree May 30, daughter of MR. and MRS. W. JAMES MOORE, of Balfour road, and MARY S. WILBERDING, recipient of an Associate in Arts degree, daughter of the FRANK D. WILBERDINGS, of Fair Acres drive.

LYNDA MONTEROSSO, of Hunt Club drive, has returned from New York City where she is showing one of her recent paintings in the New York Regional Exhibition, one of 48 artists chosen from several hundred applicants throughout the United States to participate in the display. Ever wonder why a country like Japan is referred to as FAR-EAST . . . Whereas from our continent it is located WEST?

It all started with Marco Polo, the first to trace and describe that land. Of course his was the standpoint of one European, not applicable to the rest of the world.

But his description influenced the whole world — Japan included! Marco Polo spoke of Japan as "a land of the far east—at the site of the rising sun." Curiously, Japan, not only considers itself an eastern nation, but features the symbol of the rising sun on its flag.

three runs, including a home run by Jim Klump with two men out. Bob Montgomery's single and fast base running got the Braves a run in the bottom of the eighth to give the win to pitcher Pat Mallon.

One of the Braves losses came on Tuesday, June 16, when Bill Mazur pitched and batted the Cards to victory. Bill hit a 3 run homer and hurled shutout ball for one of the best individual performances of the season. The other loss was at the hands of the Dodgers on Monday, June 22, by a score of 9 to 5. Win Fisher's homer and double sparked the Dodgers to an eight run lead in the first two innings that the Braves could not overcome even with a home run by Bill Anderson.

Minors

The Astros reinforced their hold on first place by beating the Senators 7-2. From the second inning on, the Astros took the lead and never lost it. The victory can be credited to the fine fielding of the Astros.

The game was highlighted with a strange double play in the fourth inning. Bill Harnes led off with a single for the Senators and moved to second on Mike Bevier's single. Then Gary DeBoer lined a hot grounder to third, in which Joe Cromwell tagged third, but his throw to first was wild. With this mass confusion erupted. Harnes thought he was safe and headed for home. Bevier headed for third, and DeBoer rounded second. Randy Book threw home to Al Claval to stop the run as DeBoer took off for third. Seeing that he was trapped, Bevier headed back to third. With hot hot third, Al Claval threw the ball to Joe Cromwell, who tagged DeBoer for the second out. This stopped the Senators' threat and gave the Astros the win to go on and win.

The big bats were moving for both teams as Dan Gorenflo hit a triple and Gary DeBoer collected a double for the Senators. For the Astros, Jim McKenna hit a home run, John Beebe and Pat McKenna a triple, and Tom Hollerbach a double.

The winning pitcher was

DELORES DOWDALL, (left), of Cranford lane, and PAMELA KORNMEIER, of Vernier road, were on hand when the First Society of Detroit, an all-singles group, presented \$3,200 to Narco's president Circuit Judge JOHN B. SWAINSON, (second from left), and executive director DR. EDWARD LEIBSON who said the funds will be used for research on drug abuse and dependency. The contribution was raised via a First Society benefit at the Grosse Pointe Drive service. Accepting the check were

ing their sixth run on a walk to Dave McHugh, a passed ball and two wild pitches.

The Yankee second saw the start of a rally as Alex Jackson and Steve Brandt singled, two errors, Will Hosler's double, and a walk to Bill McBrearty scored four runs. Neither team scored in the third and the Yankees sent in Tom Conway to pitch the last three innings. Tom shut out the Phillies while his teammates scored four runs on Ted Bonjuk's triple, George Conway's single, Alex Jackson's home run, Dunc MacEachern's double and Tom Conway's single.

Behind strong pitching, sharp catching and a steady flow of hits, the Astros moved into first place all by themselves, as they bombed the Pirates 7-2, behind the no-hit pitching of John Beebe.

Once again the Astros had to come from behind, as the Pirates jumped off to a one-run lead in the second frame. The Astros got back in it with a Randy Books single and Al Claval's home run in the bottom half of the second inning. They held the lead the rest of the way.

The hustling Astros added a run in the third, three markers in the fourth and a final run in the bottom of the fifth frame, while the Pirates managed a run in the sixth.

With Claval's strong catching, the Pirates were helpless to run. He picked off four enemy runners and banded out two hits at the plate.

Peter Coles took the loss for the Pirates, though he gave up only six hits in the game. The Astros have now extended their winning streak to five in a row and boast a 7-2 overall mark.

Winning their second game in a row, the Giants got fine one hit pitching from Henry Peabody to take an 8-5 win over the Phillies on June 15. Peabody struck out 14 including the last three batters to team with Mike Martinez who did the Giants catching. The Phillies lone hit was a single by Richard Hein.

The Phillies picked up two runs in the first inning, one in the second, and two in the third with fine base running by Jim Moore, Tom McHugh, Tom Guthart, Ken Miller, Mark Shuert, David McHugh, Stephen Poorman, Andrew Totz, and Jim Browning. The Phillies pitching was shared by Ken Miller and Chris Martinelli with Eric Totz catching.

The Giants led off the game with two runs on walks by Joe Allen and Henry Peabody and a single by Scott Wicklund. They picked up one more run in the second inning on singles by Richard Doerer and Jacques Beaudoin. Their big inning came in the fourth after the score had been tied when the Giants hooped five runs on walks by Jay Robinson and Paul Brinkman and singles by Joe Allen, Mark Allen, Scott Wicklund, Mike Martinez and a double by Henry Peabody but both Job Lijson and Tripp Fraser were out on hard hit grounder to end the inning. The Giants threatened again in the fifth when Richard Doerer picked up his second hit, a stand up triple, and Peter Brinkman and Brad Murray walked; but fine play got Drew Rowe, Ross Brackett, and Ross Murray out to prevent any further scoring.

The Dodgers got back in the winning way with two big wins over the Cardinals and Braves. On June 18 they beat the Cardinals 7-4 behind the strong pitching of Win Fisher and John Cantwell. The score was 3-3 in the top of the sixth, but the Dodgers scored four runs to wrap up the victory. Tony Montague lead off the sixth with a double. Mike O'Hare then laid down a perfect drag bunt for a hit, this was followed by a walk to Jeff Palms. John Cantwell then hit a sharp single and aided by an error by a Cardinal, a full four runners scored. Cardinal pitcher, Chad Morris hit a long home run with Clark Standish on base.

Bill Mazer got two hits for the losers. Leading the Dodger hitters was Mike Bowdy with a homer and a single, Mike O'Hare and John Cantwell two hits each, and Jeff Palms and Tom Birk, one hit.

On June 22 the Dodgers finally beat the tough Braves 9-5. The Dodgers blasted Braves starter, Jim Peabody for five runs in the top of the first. Steve Coates walked and Mike Dowdy singled. Then Win Fisher hit a long home run to deep center field. Then three straight hits by Dodgers John Tulloch, Mike O'Hare and Jeff Palms, plus a Brave error scored two more Dodger runs. Tom Birk was the Dodger winning pitcher aided by strong relief from John Cantwell in the fourth. Win Fisher and John Tulloch had three hits and Mike Dowdy two to lead the Dodger hitters.

The Braves had a big inning in the fourth, scoring five runs. Jim Peabody led off with a single. After a strikeout, catcher Bill Anderson hit a long home run. This unnerved the Dodgers and they made four errors in a row allowing the Braves to score a run and leaving Nitzsche base. Then big Steve Nitzsche hit a solid single to left, scoring the Braves lost runs of the day.

GROSSE POINTE PARK Majors

The Giants jumped off to a winning start by edging the Dodgers 6-5. Anthony Michaels relieved Doug Patzer to pick up the win; Don Van Togerren homered for the Giants. Dave Ferris struck out six, gave no hits or runs in relief for the Red Legs.

Pirates edged the Red Legs 9-4. Joe Zylk hit the winner. Bog Gough was the loser. Peter Boll homered in a losing cause for the Red Legs.

Jackie Tocco pitched a six-hitter as the Braves downed the Cardinals in a squeaker 6-5. The game was tied in the sixth, when Mike Schaefer singled to drive in the winning run.

The Yankees behind John Brabb defeated the Athletics 8-7.

GROSSE POINTE PARK Minors

The Marines rule the minors as they waltzed home in the first half and bombed the Army 20-2 in the kickoff of the last half. McLean and Utter are a little heavy for this group.

Michigan State 12-Hawaii 2—curry the winner. Michigan 7-Wisconsin 6. D. Magill hurled six hit ball for the win.

GROSSE POINTE FARMS Triple-A

Ledge Mitchell's Hollywood All Stars upset Portland 7-0 in a playoff game Monday, June 22, at Kerby Field to win the 1970 AAA Little League pennant. Mike Naimish went all the way for Hollywood, striking out 14 and giving up only two hits.

The All Stars got to Portland's Dave Webster and Bob Flory for 10 hits. They played error-free ball and scored heavily against their favored opponents in the fifth inning, gaining five runs when Dave Cornille, Pete Gofredson and Frank Willard all hit doubles with men on base. Hollywood's first and seventh runs came, when Vincent Jamerino worked the opposing pitchers for bases-loaded walks. Starring in the field for the victors were Tom Kolowich and Pete Gofredson. Kolowich initiated two masterful fielding plays to choke off a Portland rally and Gofredson nabbed a deep infield grounder and made the long toss to first to wrap up the game.

Hollywood, winner of the League's first half, was underdog to Portland which had won seven games in a row to set up the second half. The victory for Manager Ledge Mitchell's team was doubly sweet; last year, his All Stars lost to Portland in a tight race and this year, in

regular season play, Portland had defeated Hollywood twice.

GROSSE POINTE FARMS Majors

On Tuesday, June 9, "Jolting" Joe Gowski had trouble finding the plate, striking out nine but walking a like number, in outlasting the Phillies for a 9-6 Indian win. Drew Miller helped his teammates cause by unloading a homer to left field with two aboard and added a single for a two for three afternoon. Jim Font had a triple and Dave Case, Chick Taylor and Tim Corbett had doubles. Puffy and Kirk Purdy had doubles for the Phillies.

Thursday, the Reds defeated the Pirates 7-5 with Reinhard the winner. Cammett had a double and a home run and Block a double. For the Pirates, Knipp had three singles and McTigue two.

Friday, winning hurler Dave Case tossed a three-hit shutout over the Tigers as the Indians triumphed 5-0. Case fanned 10 and walked none (for the third straight game). Drew Miller led the Indian attack with a double, single and a walk. Dave Case had a triple. Jeff Thiede fanned 10 in a losing cause.

Saturday, in a very tight game the Reds shutout the Giants 3-0. Cammett pitched perfect ball and his catcher did a fine job in support. The Giants completed two double plays to close out rallies. Burns and McCubbins had doubles for the Giants.

To complete the second round of play the Phillies unleashed a barrage of 17 hits to down the Pirates 13-2. Rick Thomas pitched a strong game, fanning 10 and allowing only three hits. He tired in the sixth and Kirk Purdy came in to retire the last two batters in routine manner to get the save. Purdy had four for four including a double. Steven Bogan and Rick Thomas each had 2 doubles. Fisher had two for three, Gaff two for three and Leslie three for four including a double. John Knipp of the Pirates smashed a long homer over the centerfield fence in the sixth.

The second round ended in a tie between the Reds and the Giants and will be played off on Wednesday, June 17, at Kerby Field.

FINAL SECOND ROUND STANDINGS

On Thursday, June 4, the Tigers won 7-6 over the Red Sox. Two over the fence H.R.'s by Jeff Thiede and one by Rick Fruehauf, plus two doubles by Grant Piche powered the Tigers. Jim Adams and Dean McPhail had two hits in support of Piche, the winner, with Tim Kelly pitching the seventh. For the Red Sox, Austerberry pitched well for his six inning stint. Viet had a game tying hit stolen on a spectacular catch by McPhail in the seventh. Lizza had two hits for the losers.

Brad McKee went three for three including a double and had four RBIs. Grant Piche had two for two and Tim Kelly scored twice for the Tigers. Brian Cammett had a double for the losers.

Consider the Kenneth Pearce Lockes, of Balfour road:

Son Richard Pearce Locke became the father of a baby girl, Ashley, May 26, (mother is the former Monica Quinn, daughter of Dr. and Mrs. William Quinn, of Audubon road), then five days later, May 31, received his Bachelors degree in Business Administration from Hillsdale College.

And as if THAT weren't enough—his draft induction notice arrived June 24!

His parents are still recovering from all three events happening so close together.

So, for that matter, is the new father-graduate-draftee.

Or contemplate the situation of the Jerome M. Seaton, of Perrien place:

All three of their graduates received degrees from the same college, Albion, and all three were graduated with honors.

Comprising the Seaton Graduate Trio are son Jay, his wife Sue Ryder Seaton, and Carl E. Hall, Jr., who wasn't Wendy Seaton's husband when he picked up his sheepskin June 7 but wasted very little time after that: Carl and Wendy were married the following Saturday, June 13, in Jefferson Avenue Presbyterian Church.

A Good Lady In A Good Job

Mrs. Gerald E. Warren, of Merriweather road, has been appointed chairman of the Office of Volunteers, Southeastern Michigan Chapter, American Red Cross—and if ever there was a case of A Good Lady In A Good Job, this is it.

Mrs. Warren, active in Red Cross volunteer work since 1957, has headed several Red Cross service programs including Nursing, Transportation and Blood Program Volunteers. She was appointed chairman of Volunteer Personnel in 1969.

In her new position, (she replaces Mrs. C. A. Norton who has moved to Manhattan), Mrs. Warren will direct activities for approximately 4,000 volunteers in all areas of Red Cross service for the tri-county area.

She's bound to do A Good Job, for organization's her forte.

She's served as a volunteer for the United Foundation, the Ford Foundation and Children's Hospital of Michigan.

She's a member of the Founders Society Detroit Institute of Arts, the Detroit Zoological Society and Friends of the Grosse Pointe Public Library.

She was graduated from Olivet College and received her Master of Arts degree from the University of Michigan in 1954... and in the midst of all this, she managed to have four delightful children.

A Special Luncheon

There's a Very Special Luncheon party planned next Wednesday, a benefit to honor the retired Sisters of St. Joseph at Fontbonne Manor in Nazareth, many of whom are well-known in The Pointe for their years of service at St. John Hospital.

Place is St. David's Cafeteria in East Outer drive. Donation is \$1.75. Reservations may be made at ED 1-0764 or TU 1-8200, Extension 204.

inning game the Phillies bested the Red Sox 4-3 with Rick Thomas getting the win as he fanned 12 of the Sox. Kirk Purdy took over in the seventh and retired the side in order to get a save. Trailing in the sixth, a walk to Champion, singles by Beddow, Bogan and Fischer tied the score. In the seventh a walk to Thomas and singles by Perry, Gaff and Purdy, scored the winning run. For the Sox, Murphy had an over the fence homer and Ivet a double.

Thursday, June 25, the Pirates trailing the Reds 4-0, scored four runs to tie in the fifth and five in the seventh to take a 9-1 victory. Bastielli went four for four and Carolan had a bases loaded double. Cammett had a double for the Reds.

Monday, June 8, in a hard fought game, Portland defeated Hawaii 4-1. John Marcus had a triple for the only extra base hit of the game. David Webster took the win. Both teams to be commended for high level of sportsmanship.

Tuesday, a triple by Dave Strachan of Phoenix in the first inning, which brought in two teammates, provided Drew Fisher with all the runs he needed to gain a 5-1 win over Denver. Gerow tripled in the 2nd and was sent home on Murray's single for Denver and Al Large, Brian Fisher for Phoenix all hit doubles.

Wednesday, it was Newark 5, Louisville 2. Ford's single tied the game in the fourth and Chase's triple with three aboard brought in three runs to take the lead.

Thursday, in a game marked by excellent pitching of Lunden and Naimish, Sacramento shutout Hollywood 2-0. Alert base running of Doyle was a deciding factor, as was the clutch hitting of Frances Weskel, who has now hit safely seven times in a row. Gofredson and Wilson had doubles for Hollywood.

Saturday, it was Hawaii on top with a 6-4 win over Hollywood. Kreger was the winner with 11 strikeouts. Matt Ireton slammed a homer with two aboard for his first hit of the year. Wilson homered for Hollywood. A close play at home ended the game when Naidow, Hawaii third baseman threw home to retire a runner at the plate.

In a one-sided game Portland thumped Sacramento 14-1, with Flory doing an excellent job on the mound. Duffy and Slater had doubles for Portland.

Chris Bielski's run in the sixth broke a tie and gave Louisville a 6-5 win over Phoenix. Both teams hit well with an outstanding triple for Mike Bryk in the third that scored two runs. Chip Gibson was the winning pitcher.

To conclude Saturday's games Newark soundly defeated Denver 17-2. Detloff had a home run and Tom Kearney and Bob Palmer had doubles for Newark. June 18, Phoenix defeated

When is the right time to buy? ?

We believe that having a year or two that one will look back on 1970 as having been an excellent year to have purchased real estate. Yes, interest rates seem high, just as they did when they went to 8%, then 7%, then 8%, etc. ... we do not envision a lessening of the long term demand for money.

If you look at the advantage of having money when you want it instead of the hopeless waiting for lower interest rates, you're not so apt to end up losing.

We suggest you act NOW!

The Soroptimist Club of Grosse Pointe was joined Wednesday evening, June 24, at the Grosse Pointe War Memorial Center by the Soroptimist Clubs of Mount Clemens and South Macomb for the installation of officers of each club for the year starting July 1.  
Ruth Reece, of Royal Oak, district director of District 3, Soroptimist Federation of the Americas, Inc., conducted the installation ceremonies and gave the charge to the newly-elected officers.  
New officers for the Grosse Pointe Club include Carolyn Thomson, president; Maxine Niemeyer, first vice-president; Dorothy Alden, second vice-president; Nina Carruthers, corresponding secretary; Dorothy Stockemer, recording secretary; Florence Kemper, director for two years; Agnes Marshall, delegate for two years; Florence Lehman, alternate delegate for two years; and Viola Neeb, re-elected for a second term as treasurer.  
Following the installation outgoing president Florence Kemper presented the president's pin to incoming president Carolyn Thomson.  
Comparable presentations were made by the respective officers of the Mount Clemens and South Macomb Clubs.  
Proceeding the ceremonies members and their guests enjoyed a social hour and dinner.  
The Grosse Pointe Soroptimist Club has added FLEC—Family Life Education Council—to its list of service projects for which the Club works to raise funds.

### Society Bringing Famous Movies

"Civilisation," one of the most highly-acclaimed film documentaries of the past few years, has been acquired by the Founders Society Detroit Institute of Arts for exclusive showings in the metropolitan area during the next decade.  
The 13 hour-long movies on some 1800 years of Western civilization as written and narrated by Lord Kenneth Clark for the BBC will be seen full screen in color and with 35 mm projection in its local showcase premiere at the Art Institute, Thursday, June 4, and also during its initial public run of seven weeks this July and August at the museum auditorium.  
Thereafter, 16 mm prints of the series will be offered through the Art Institute's Founders Society and Education Department to area schools, university and adult education classes and community centers. Additional showings also will be arranged at the Art Institute and perhaps matinee performances in neighborhood movie theaters.  
With wit and urbanity, Lord Clark, who is the former director of London's National Gallery, describes the music, architecture, great leaders and art of the last 1800 years.  
"Civilisation" is not a history of the arts," Lord Clark has emphasized. "It is a history of life-giving beliefs and ideas made visible and audible through the medium of art."  
Willis F. Woods, director of the Art Institute and executive director of the Founders Society, has arranged that the 13 films in the series be shown two at a time in seven two-hour performances during July and August, beginning the week after July 4th. Five separate performances may be chosen at different times Thursday, Friday, Saturday and Sunday, which will have matinee and early evening showings. Six thousand reserved seats will be available weekly.  
The public will be invited through newspaper advertisements to subscribe for the reserved seat tickets. They will see the documentaries and also receive a year's membership in the Founders Society and a free art book on the life and work of Rembrandt, Cezanne or Van Gogh.  
The Founders Society was persuaded to purchase "Civilisation" for metropolitan Detroit when its popularity, spurred by laudatory reviews in the daily press and national magazines, was so overwhelming demonstrated in New York and Washington.  
The sponsoring Metropolitan Museum of Art had to book the Town Hall legitimate theater in mid-town Manhattan to accommodate subscribers. And the National Gallery in Washington, originally planning a Sunday afternoon performance in a 300-seat lecture hall, was inundated with 23,000 people on the first day and had to put the film on a five times daily, seven-day a week schedule.  
Too often people who stand up for their rights want to sit on the rights of others.

## Pointer of Interest

MRS. PIERRE V. HEFTLER, OF BUCKINGHAM ROAD  
By Janet Mueller

Margaret Hefler's pushing music right now. In a very quiet, unhurried, ladylike way of course . . . but nonetheless pushing. A little. Mrs. Hefler's ticket chairman for the 13th Annual Grosse Pointe Summer Music Festival.

Now this Summer Music Festival is so good it really doesn't need a hard sell.

The first program, next Tuesday night, features the Summer Festival Orchestra, (all Detroit Symphony Orchestra members), in a program conducted by Sixten Ehrling.

The second, Tuesday, July 21, is an Evening of Chamber Music with strings, woodwind and keyboard.

The third and final program is a Viennese Ball, with dancing to a Strauss Waltz Orchestra conducted by Paul Freeman . . . AND an interlude of lieder by guest artists Maribel and Alex Suzaek, of the Schrammel group.

Alex, incidentally, is the man who founded the Festival 13 years ago.

It's still being presented, and co-sponsored, by the Grosse Pointe War Memorial Association.

The first five seasons were staged on the front entrance steps of the War Memorial's Alger Home, with the audience seated in the Fountain Courtyard. Then, when the William H. Fries Auditorium was completed at the War Memorial, the Festival moved indoors. Where it remains: This year's programs will be presented at 8:30 o'clock in the Fries Building.

The Viennese Ball was introduced in 1968.

Another Innovation Year, 1970, is another Festival Innovation Year. This summer's series of intimate musical entertainments performed by Detroit Symphony Orchestra members — all of whom are donating their talents — is for the first time under the co-sponsorship of the Women's Association for the Detroit Symphony Orchestra.

The Symphony Women plan to make it an annual project benefitting the Orchestra's Maintenance and Pension Funds.

Tickets have gone well. "But," notes Margaret Hefler, selling softly, "at \$15 for the whole series or \$7 apiece for individual concerts. Don't Need Escort."

"Quite a few women, widows, seem to be sending in their money for the first two concerts but refusing the third. I'd like to emphasize that this is NOT the sort of Ball where you need an escort: There'll be enough singing and entertainment to keep everyone occupied."

"Of course we're been getting a strong 'group' response for the Ball, people sending in reservations for eight or 10 at a time."

Reservations for the all-fresco subscription dinners to be served on the War Memorial's lakeside terrace at 7 o'clock preceding the concerts and Ball have gone well, too.

And why shouldn't they? If you're going to a Festival, you OUGHT to make an evening of it!

**Music Festival Life**  
Margaret Hefler's entire life has been in a sense of music festival. But a private one.

Mr. Hefler's a pianist (and a teacher) too.

"We played duets during our courtship," Margaret recalls smiling. (she knows how THAT sounds — and it wasn't like THAT, at all.) "Mozart, Brahms, that sort of thing."

They built a house in Grayton road when they were married. And the first thing they bought for that house was a grand piano.

A few years ago they moved from Grayton to their present home in Buckingham road. One of the things that decided them on the new house was its large living room: Now they have TWO grand pianos.

**Play For Seives**  
"We play," insists Margaret,

trees running down its grassy center strip.

**Tried Hawthornes, Crabapples**  
Last year the Council put in hawthornes . . .

"And last year was a terrible year for hawthornes all over the state."

Crabapples have been tried. And flowering cherries. Winter comes, traffic kicks the road salt up against the young trees — and the trees die.

"This year we think we'll try Norway maples. The sugar maple doesn't stand up at all . . . Look at Vermont, at what happened to the sugar maples there when they opened up the ski resorts, began salting the roads . . ."

But Margaret's proud of the flourishing crabapples her Park Garden Club put in at the Three Mile Road Park "about 15 years ago." They're fine — "because they're back far enough from the street."

Naturally Mrs. Hefler doesn't neglect her own garden.

For years her Pointe garden was a spring garden. Spending her summers in Canada, she had her roses there.

**Terrace Going In**  
This year she's re-designing the garden of the Hefler home in Buckingham road. "We're having a new terrace put in."

So this year there's not much she can do about her Pointe garden . . . which leaves her plenty of time to concentrate on music.

Specifically, on the 13th Annual Grosse Pointe Summer Music Festival.
