Building Size Reduced
In further explaining the facility, the Committee indicated that the building itself has been reduced in size and is now the minimum structure possible, which would still permit it to incorporate an indoor ice skating unit and the necessary locker and equipment rooms. In addition, the seating capacity has been substantially reduced in order to eliminate the need for many parking spaces while at the same time placing emphasis on the facility providing recreational activities for participants rather than spectators.

Not only would this new complex be a very welcome and long overdue addition to Elworthy Field but, in addition, the Committee indicates that income derived from the operation of the unit could be used to modernize and maintain existing baseball and football fields as well as the present tennis courts. It is these same tennis courts that have already come under fire as a result of their being in such extremely poor repair.

The decision to propose Elworthy Field was made, according to the Committee after long and very careful consideration of all available land in Grosse Pointe. The matter was taken before, and discussed with practically all the Planning Commissions, Mayor's Advisory Commissions and City Councils in the Grosse Pointe Community before the final recommendation was made. Their decision, states the Committee, was based on what they sincerely feel was a complete and unbiased approach. It would appear that few, if any, can conscientiously and honestly refute their contention.

Would Launch Campaign
Although funds for this sports complex have not yet been solicited the Committee feels that sufficient money can be raised through public donation. As of this time plans call for a massive fund raising campaign to get underway as soon as the final approval to use Elworthy Field has been received. The committee claims that since the entire operation of the new proposed sports complex would be entirely self-supporting, there would be no need for any future funding campaigns and as such the committee is hopeful that the necessary funds will be raised in a relatively short period of time.

The Committee says: "There have been many long hours of hard work involved in bringing this much-needed recreational facility as close to reality as it is now. If ever there was a time when such a center was needed by a community that time is now, as far as Grosse Pointe is concerned. This facility will afford countless youngsters the opportunity to take advantage of worthwhile endeavors such as skating and tennis at a time when many of them might well be engaged in activities much less acceptable to society as well as to their physical and mental well being.

"It is hoped that the City Council of the City of Grosse

beneficial to the community as a whole.

Residents Give Views
Responding to inquiries from Mayor Butler as to why the business should not be approved, Farms residents showed great concern. Ronald Hicks, 400 Manor, brought up the question of the motif of the store. He said that if the facade of the building is any indication of the activity inside, he didn't think it would be considered an asset to the community.

Fishing Rodeo Set for Sept. 5

It's Rodeo time again for the City of Grosse Pointe and City of Grosse Pointe Farms . . . fishing rodeo time, that is! The event is slated for Saturday, September 5, at the Farms Pier and is open to City and Farms residents 17 years of age and under.

Applications and rules are available at the City and Farm's park gatehouse or checkrooms. Fishing begins on Saturday at 9 o'clock and continues until 10:30 o'clock. Refreshments will be served at 10:30 and prizes for the rodeo and pre-rodeo events presented at 11 o'clock.

All participating children will receive prizes and refreshments. Contestants are automatically entered in the pre-rodeo tourney after completing and returning the event application form. Fish caught off a pier should be measured and registered at the gatehouse or checkroom for a chance at additional prizes.

The pre-rodeo tourney ends at 6 p.m. on Friday, September 4.

Pointe will agree that Elworthy Field, owned by all Pointe residents through their School Board, and deemed as a recreational area, is the most logical location for the new facility. When all the pluses and minuses are totaled there can be little doubt but that the Steering Committee for the proposed Grosse Pointe Sports Center has made a fair and logical recommendation.

Ask Residents' Help
The chairman for the Steering Committee, Stewart McLaren, along with his associates Peter Logan, Jeff Welsler, Doug Donald, Harry Jewitt and Welly Olson indicate that they expect a decision on the matter within the next several weeks. Even though they expect to receive approval to proceed they advise that they would appreciate hearing from those that feel they would or could be of assistance. Anyone interested in helping should get in touch with one of the Committee members or write to them in care of the Grosse Pointe Hockey Association, Post Office Box 6814, Grosse Pointe, Mich. 48236. The real work is just beginning and the project needs the support of the entire Grosse Pointe Community.

George Zedan, 407 Moran, objected to the "constant physical activity" of the driver training cars and the extra parking and confusion in the area. Safety also became an issue. "I am questioning the feasibility of possible accidents involving the children in the day care center," Zedan said. "Employees associated with the day care center are degree recipients in child development," Higgins countered, "We feel they are fully competent to assure the safety of the children."

Cite Traffic Hazard
The point was brought up, however, that there is heavy traffic in the area and children could very well be hurt while entering and leaving the building.

Elsen Burt, 453 Madison, complained that there would be a crowded parking condition in an area that was already congested. He said that the extra cars were not contemplated with the expected usage of the parking facilities. After hearing all the "pros and cons" of the issue, the council voted to uphold the refusal to issue a Certificate of Occupancy by the city administration.

To Dress Up Park
In other action, Monday, the City Council voted to allocate an estimated \$380 to dress up a "mini-park" on Fisher Road just behind the Grosse Pointe Drug store. Foliage and greens

to be planted include a maple tree at \$120; four evergreens added to the four already there at \$76; \$100 invested for sod and weed kill; and seven 6" bumper blocks for protection of the area.

The area has no direct access to a sprinkling system. Citizens supporting the council's move, however, said that they would do all they can to keep the area watered during the summer.

Many men are lenient with their vices because of their belief that charity begins at home.

Ready to Select New Principal

Dr. Theos I. Anderson, Superintendent of the Grosse Pointe Public School System, has announced that he will recommend to the Board of Education the name of Morris F. Hanzek as Principal of Parcels Middle School, 20800 Mack avenue. Mr. Hanzek is currently Principal of Rodgers School in St. Clair Shores.

In a letter to the building's staff, Dr. Anderson indicated that the selection was made from among a large number of well-qualified candidates, both from within the district and from the outside. "I am indebted to the Selection Committee for its assistance in a demanding and time-consuming task. They spent many hours in reading credentials and additional hours in the screening of applicants. After such an exhaustive search, I am confident that Mr. Hanzek is an appropriate choice for the position," the Superintendent said.

Mr. Hanzek has a total of 18 1/2 years' experience in public education. He was a teacher at the Columbus and Hillger Schools in Detroit for 5 1/2 years. He accepted his first administrative appointment as Principal of L-Anse Elementary School in St. Clair Shores, a post he held from February, 1958 until July, 1960. Mr. Hanzek's next position was as Principal of Lake Shore High School, from 1962 to 1964, followed by two years as Principal of Lake Shore Junior High. Since 1964 he has held the Principalship at Rodgers School, an elementary and junior high school with 1700 youngsters from kindergarten through grade 9.

Mr. Hanzek has BS and MA degrees from the University of Michigan and has done additional graduate work at Wayne State University and Michigan State University. Mr. Hanzek is a veteran of service with the U.S. Marine Corps.

Mr. Hanzek, 43 is the father of five children, three girls and two boys ranging in age from 10 to 19. He is a native of Akron, Mich. The Hanzeks are residents of Romeo.

Promote Program
As a direct result of this incident local PTA groups are organizing efforts to promote and strengthen their "E" Programs. Operation "E" originated at Mason School a few years ago. This is a program in which mothers volunteer to serve as women who will be at home during the hours when youngsters are traveling to and from school. Youngsters are told to look for the "E" placard prominently displayed in windows if they need assistance of any kind.

Youths Involved In Drug Probe

Suspicious actions by a minor youth led Farms police to the discovery of narcotics paraphernalia and suspected marijuana Sunday, August 16.

On that date Timothy Morrison and Donald Dewey, Farms patrolmen, were on routine patrol on Mack avenue when they noticed a youth at Radnor and Mack put, or take something from under a bush. Officers became suspicious, made a U-turn and started in the youth's direction. The youth, upon seeing the police car, hopped into a gold car parked nearby with a young driver at the wheel. The duo took off north on Radnor, at a high rate of speed, making a left turn on Cornwell.

Finally the youths abandoned the car, began jumping fences and running through yards north toward Warren. Officers apprehended them on Radnor as they were coming out of one of the yards.

Two witnesses observed the boys abandon the car and cut through the yards.

Another saw one of the youths run from the bush, into the car, and the police pursuing him. The bystander became suspicious and went over to the bush to investigate. It was then he discovered the narcotics paraphernalia and suspected marijuana, which he turned over to police.

The boys' parents were notified to come to the station. They were most cooperative. The case is currently pending.

DEALER INQUIRIES INVITED

EARL'S MANUFACTURING CO.
2130 WOODBRIDGE—PHONE 567-6318

We know how you feel. And we can help you out.

If you'll think First.

When it comes to ingenious kinds of checking accounts, charge accounts, colorful plastic charge cards, "easy" payment plans, and other ways of helping you spend your money, you get more help than you need.

But these days, when you feel imprisoned by bills, you don't need help spending your money. You want help saving more of it. And you want the money you do save to make more money.

We at First Federal Savings of Detroit know how to help. We can show you how to save money. Better than you may be saving now.

We can promise you this because that's our specialty. We have helped thousands of people from every walk of life—housewives, secretaries, wage earners, even well-to-do businessmen who had been finding it impossible to add to their savings—make their dollars multiply faster than ever. We've been at it 35 years, and we've been so successful at it that today, we're the largest savings institution in Detroit—in all of Michigan.

Our secret is yours for the asking.

Saving money these days isn't the easiest thing in the world, we admit. But it can be done. It is being done by the 210,000 people who save with First Federal Savings of Detroit. Psychologists tell us that to save successfully takes three things. It takes the right attitude. It takes knowledge. And it takes the right tools.

We'll arm you with all three. We'll start by showing you how easy it is to open an account. You can begin with a dollar, and you can do it in a brief stop at one of our 24 offices. Or even by mail.

We'll make it easy for you to make deposits regularly. We pay the highest rate on passbook savings.

We'll help you get in the savings habit so firmly and so profitably that even you won't want to break it. Yet so simply that it won't hurt a bit.

We'll help tailor-make a realistic savings program for you and your family. Your savings will be insured up to \$20,000 by an agency of the Federal Government.

Now here's a key part of the First Federal Passbook Savings program that no financial institution—no matter how big and prosperous—can beat:

We'll pay you the highest rate of interest. On regular passbook accounts. Higher than most other financial institutions are allowed to, by law.

We'll give you our special Daily Interest, too—from date of deposit to date of withdrawal. Last year, we paid our savers over 30 million dollars in interest.

We'll help you break the charge card habit by showing you how to accumulate more cash for purchases. That way, we at First Federal Savings will pay you interest, instead of your paying somebody else interest.

This could be it.

If you have a savings account somewhere else now, maybe you can't seem to make all those additional deposits you intended. Or are upset because you're not getting all the interest you could be.

If you've never had a savings account before, maybe it's because you think it would be doomed from the start.

If you have a good deal of money tied up in an investment you made, maybe you're beginning to realize that your family is entitled to a risk-free way of making money, keeping it handy for emergencies at the same time. At the highest possible interest.

If so, watch us. Stop in and get to know us. Mail us a check and tell us to open an account for you.

There's an office near you. Look us up in the phone book. We want to put you on the road to a more confident, more secure, and more successful savings program than you thought possible.

Not just anywhere. But at First Federal Savings of Detroit.

We can do more for you if you'll think First.

Think of us as a modern day Venice with one lovely canal and a great big lake.

Water, water everywhere

Ah, Venice. Its great buildings, great charm and great canals make it a great place to visit. Period.

So now we bring you another community of great buildings, great charm, one great little canal and a great big lake: Lake St. Clair. We call our community the Shore Club, and it's a great place to live as well as to visit.

And, ah, just like Venice, there is water, water everywhere. As far as the eye can see. Plus a lovely tree-lined boulevard that leads you past a private club with swimming pool and past great buildings.

The great buildings

We wanted great buildings for the Shore Club. Bold, modern, imaginative buildings, that wouldn't look as though

they were stamped out of a pattern.

We got them. They were designed by the brilliant architects Homer & Rogers—Ashley & Myer of Cambridge, Massachusetts. The result: Sensational. Dramatic Sky Houses. A towering high rise. Exciting townhouses.

The great little canal

Our little canal is perhaps not as magnificent as some in Venice. Neither does it come up to your front door. Nor, for that matter, do gondolas ply its waters. But our little canal is navigable and has great charm, great character and great townhouses.

The great lake

We think of the Shore Club as a community for people who love the water, who love to look out on it, and

who like to make waves on it. A place for people who are looking for the uncommon things in life and are not afraid to go after them.

Hence, we bring you an uncommon community. And a great lake.

The uncommon community we can take credit for, the great lake we cannot. But we can take credit for a ten-acre yacht harbor reserved for Shore Club residents. A modern yacht harbor no more than, say, fifty or sixty gondola lengths from your door. One that makes a great lake your lake.

The great opening

It seems only right that in the face of all this greatness we ignore the common approach and, instead of a grand opening, have a great opening. So we are.

And we particularly want you to see our just-completed Sky Houses. We call them Sky Houses, not apartments, simply because they are just that. Because we've taken a number of private homes, each with a circular staircase, and put them together in a building with an elevator, dividing one from another with a solid, noise-defying layer of masonry.

J. L. Hudson's has done a truly remarkable job of furnishing our model and we think you'll also be impressed by interiors that are actually spacious, by terraces that are not postage stamps, and convenient underground parking.

The great details

There are three-bedroom 2½ bath and two-bedroom 2½ and 1½ bath Sky Houses. Rentals begin at \$320. Model hours are daily and Sunday noon to 5:30. Closed Tuesday. Phone 773-7090 for rental information.

Better yet, come see our uncommon community for yourself. Enter the Shore Club on Jefferson Ave. just south of Nine Mile Road, in St. Clair Shores. And start making waves.

Islands of Beauty Enhance Pointe Scene

MRS. WILLIAM CHAMPION and DON GUINAN admire the results of their handiwork in brightening a corner at East Jefferson and Balfour. The little gardens in East Jefferson avenue, flanking the entrances to Balfour, Berkshire and Devonshire roads were planted and carefully tended by the Grand Marais

and lovingly cared for by Mrs. Irma D'Hondt. This little lady with the perky yellow sun hat has lived in Grosse Pointe for 44 years and tended the Jacobson's property for 27 of those years. She has won two citations from the Grosse Pointe and Eastern Michigan Horticultural Society.

Other places of beauty include: The Junior League's pompon marigolds across from the gas station at Kercheval and Hall Place; the tiny corner garden at the corner of McKinley avenue and Ridge road kept vivid by the Huber, Goebels; Debbie and Warren Trafton's huge zinnias at the entrance to their carriage house apartment at the War Memorial; and the flowering cherry trees, so colorful in the spring, along "Kercheval in the Park," as well as the Moraine Locusts along "Kercheval in the Village."

Most outstanding perhaps are the four corners in the "Village." Walton Pierce has his pink petunias against a yew background. S. S. Kresge offers green grass and large shade trees. Wright Kay's contemporary planting of purple plums is accentuated by the four magenta lined windows. Jacobson's green garden with red geraniums is immaculately tended

and there are many more, make our community a real home and fend off the tendency to encroaching ugliness.

By Mrs. Leland F. Carter.

GPAA Schedules Annual Festival

The Grosse Pointe Artists Association will hold its 11th Annual Fall Art Festival at the War Memorial on Saturday, September 12.

Featured along the garden promenade will be demonstrations in creative stitchery, watercolors, acrylics, caricatures, stained glass, portraiture, candlemaking, weaving and decoupage.

Among the artists exhibiting are members of the Detroit Society of Woman Painters and Sculptors, Palette and Brush Club, Birmingham Artists Association, Grosse Pointe Artists Association, faculty members from Wayne State University, and Detroit Society of Arts and Crafts and many other popular free lance artists.

Creative walling hangings, drawings, watercolors, oils, enamel on copper and portraits in pastels, donated by the Grosse Pointe Artists, will be awarded as prizes.

For the convenience of visitors the War Memorial will serve light lunches in its dining room all afternoon.

A highlight of the festival will be an exhibit of the work of noted Canadian artist Philip Aziz, who has received national acclaim for his great technical skill in metal sculpture and painting and ability to work in all media.

His work will be on display through September 30 in the library of Alger House at the War Memorial.

Enjoy Summer Fun Right Now

Before you know it summer will have slipped by and you will not have done some of those "musts" on your list for summer activities.

As a reminder may we suggest you—

Visit your neighborhood park and enjoy the summer breezes, the boats on Lake St. Clair, the moon . . . and the conviviality of your neighbors.

Make a trip to the Detroit Zoo allowing plenty of time to observe the monkeys, bears and dapper penguins.

Have a picnic that includes a hike, some reading under a big 'ole tree and meditation.

Take a bicycle ride around your own neighborhood . . . you'd be surprised how beautiful it looks.

Get some farm fresh vegetables from one of those outdoor stands.

Pick a bouquet of flowers from your garden and give it to some lonely senior citizen.

When fall and winter set in you'll be glad you did!

POPPED ON HEAD

Sacred Heart Enrichment Program Has Family Day

The Sacred Heart Enrichment Program completed a successful fifth season with Family Day held on Sunday, August 9, at the Grosse Pointe Academy. Nearly all of the 193 SHEP girls who participated in the academic and cultural enrichment program this summer were on hand to hostess families, friends and guests from the 36 different public and parochial schools in Detroit and Fraser represented in the SHEP summer enrollment.

Open House in the 16 individual classrooms initiated the activities of the afternoon. During the course of the six weeks' program, the SHEP theme—'building Bridges of Understanding Linking Communities, Races and Religions' was developed by each of the 16 Arts and Humanities teachers with a group of not more than 15 students—5th through 8th graders. The creative expressions of the theme found in the school classrooms provided a delightful tour for over 500 guests.

It was the unique mixture of the students in each group that allowed for this exciting creativity. There were children from the Spanish-speaking families of St. Boniface and Franklin School areas with students from the nearly 100 per cent black communities of the Bunche and Duffield School areas as well as girls from the Fraser and Roseville communities. High academic achievers were in the same group with poorly motivated but potentially average achievers. A variety of religious and ethnic groups were represented.

On the way to the auditorium for the excellent music and performing arts program visitors had a rich glimpse into the valuable SHEP Art Program offered during the summer in drawing and painting, in design, in sculpture, in ceramics. The quadrangles and the corridors of the Academy were alive with the color and design of the children's art display.

Family Day was climaxed by a lovely fashion show on the lawns as the girls modeled dresses and skirts that they themselves had created during the afternoon sewing classes.

SHEP is sponsored by the Sisters of the Sacred Heart under the direction of Sister Annette Zippel and has been operating since 1966 at the former Academy of the Sacred Heart in Grosse Pointe. In September, 1969 The Grosse Pointe Academy began its first year of service to its community with a continuing affiliation with the Society of the Sacred Heart after purchasing the

building and facilities of the former Sacred Heart Academy. With the enthusiastic invitation of the board of trustees of the Grosse Pointe Academy, SHEP became an additional 'out-reach' of the new school helping to build bridges between communities and peoples of all races, religions and ethnic origins.

The 1970 SHEP program took on a new dimension with the active participation of Marygrove College in the program. In addition to providing two members of the Sister Servants of the Immaculate Heart of Mary Order to the teaching staff, Marygrove College assigned two graduate students to complete their practice teaching this summer during the six weeks of the SHEP program.

SHEP is a reality because of the generosity of many benefactors who have provided the necessary financial support. Volunteers from the city and suburbs and four different religious communities donated their professional services this summer to assure SHEP of an adequate staff to teach the 193 youngsters.

SUPPORT THE SOUTH (GPHS SOUTH, THAT IS)

ENJOY... LIVE FOOTBALL,

BASKETBALL, SWIMMING, BASEBALL, TENNIS AND TRACK FOR LESS THAN 25¢ AN EVENT

And provide direly needed financial support for Grosse Pointe High School South's activities!

"South," as you are probably aware if you are a parent, has come upon hard times. Recent mileage defeats preclude needed physical renovation — and a great many activities that should be a part of a student and a school's life.

So, while we can't raise the money for South's renovation, we can do something about providing financial support for those activities.

To this end, the Dad's Club of GPHSS, is sponsoring the sale of season tickets good for admission to all GPHSS "home" games and athletic meets. At \$10.00 per season ticket, you'll be able to attend 44 athletic events, with all proceeds being used for GPHSS activities.

Come to the games and get stirred up!

If you've attended GPHSS games in the past you know they're exciting — that you can rapidly become a howling partisan. If you haven't — attending, you're due for a surprise — and a treat when you come.

Our GPHSS kids put more college try, and some times more expertise, into the competition than many a college team. (And you can enjoy the same kind of hot dogs at our football games, that you'd enjoy while watching the Lions.)

No parking fees! No traffic tie-ups! No long drives to Ann Arbor or Lansing — But so much fun that you'll want to buy a "South High Booster Season Ticket" for every member of your family, including the kids, for September to June fun.

Help South High . . . And Help Yourself To A Lot Of Fun! Use the handy coupon, below, to order your tickets now.

Youth Service Corps Succeeds

The Brownell Middle School Student Volunteer Service Corps had completed its first successful summer of volunteer activities and many children and oldsters have been made happier by these students' efforts.

The program, conceived and coordinated by Mrs. Louise TeWalt, Neighborhood Club Volunteer Coordinator, is one in which Middle School students are given an opportunity to gain work experience while helping others. The Brownell PTA provided the funding for purchase of materials for crafts.

The consensus of opinion from the young volunteers was that they would like to continue participation in the program. Mrs. TeWalt told the NEWS she hopes to continue the volunteer program through the winter in the Middle Schools. She said, "Middle School parents have asked for this type of activity for their youngsters and the FLEEC workshop on recreational opportunities has also indicated a need for such a program."

The success we have had with it this summer has proved them right," she added.

"As for the agencies the youngsters worked for, they were pleased to reap the benefits of youthful volunteers and were most cooperative in educating the youngsters in their particular social service field," Mrs. TeWalt continued.

Among the organizations aided by volunteers were the Foundation for Exceptional Children, Senior Center and Quail-Court Nursing Home, Lakeside Hospital and the Crippled Children's Society.

Student participants included Leslie and Lisa Cunningham, Karen Costakis, Jan Doane, Donna D'Angelo, Pat Fellows, Maureen Fitzgerald, Jana Kirilin, Barbara Marcus, Amanda Mazer, Clari Miller and Lori Naidow.

More were Jan Schaafsma, Mary A. Schmidt, John Vermeulen, Hope Woodhouse, Sue Edwards and Denise Kennedy.

High School volunteer Aides were Becky Beyer, Chris Hughes, Mary Roehm and Nancy Simon.

Interested Middle School students should contact Mrs. TeWalt at TUxedo 5-4600, after Tuesday, September 1.

INFLUENCE Don't ridicule the principles of others — try to convince them to accept your own.

D'you Know That? by Paul Schweitzer

It's considered good form to conceal a YAWN by placing a hand over the mouth . . .

Did you know that this gesture is a relic of an ancient superstition? Primitive man assumed that his soul could leave him. Hand over mouth when yawning was a safety device to ward off his soul's departure . . . The Hindus went one better! They snapped their fingers in front of their mouths—thus frightening the soul back in.

Be it as it may; when a henpecked husband is yawning, let him be! It's probably nature's only way to level his chances — to open his mouth.

You can increase your chances of getting the proper handling on your real estate needs, by calling on SCHWEITZER REAL ESTATE. Check our reputation and put us to the test . . . SCHWEITZER REAL ESTATE, 21300 Mack Ave., and 18530 Mack Ave., Grosse Pointe Woods. Phone: 886-4200 or 886-1270.

Trio of Music Thefts Reported

The number of thefts of musical equipment continues to mount in The Pointe area. Three such cases were reported in The Farms on Monday, August 10.

The first call came from John Ramsdell, 57 Meadow lane, who reported the theft of a radio tape deck from his '69 station wagon, parked in the driveway of his home. Entry was gained by breaking the right window vent of the vehicle.

Edward Eissa, 485 Bourne-mouth, reported at 6:35 p.m. that persons unknown had entered his residence between noon and 6:30 p.m. by prying the rear kitchen door open. An investigation revealed that a Sylvania stereophonic phonograph was removed from the house. The bedrooms were also ransacked but it is unknown at this writing if any other items were stolen.

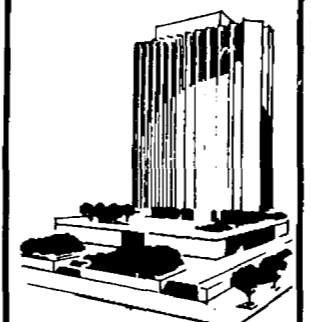

Allen Sweeny, 63 Cambridge, called at 6:55 p.m. to report the theft of a Kenwood AM-FM tuner and turntable, a tape deck, two Jensen speakers and one Sony tape recorder from the downstairs of his residence, and a Sony turntable amplifier, Sony tape deck and two Sony microphones from upstairs. The side door at the rear of the house was ajar. There was no sign of forced entry.

All cases are currently being investigated.

City All-Stars Defeat Champs

The All-Stars, primarily the 12-year-olds from the other six teams in the City Little League Minor League, beat the Astros 9-4 in a post season game recently. The Astros had a record of 10 wins and two losses during the regular season.

After the All-Stars had gotten off to a one run lead in the first inning, the Astros took over the lead with two runs in the top of the second when Randy Book and Al Clavel singled and eventually scored as a result of errors.

Bouncing back the All-Stars Drew Rowe and Tim O'Gorman singled in the third. They scored on a double to the fence by Gordon Waggett, who later scored on an Astro error.

The All-Stars' big inning was the fourth. Joe Temrowski walked and was driven home by Eric Totz's two-bagger. Tomi Coles and Alex Jackson walked. Tripp Frazer hit a towering fly ball over the right-center field fence for a grand-slam home run.

The last two runs for the Astros were scored in the sixth by Beau Williams and Keith

WOMEN'S PAGES

From Another Pointe of View

By Janet Mueller

With Lake St. Clair's blue waters on one side, a hill of glowing snapdragons and the classic War Memorial facade as backdrop, the 1970 Trial Gardens, planned, planted and cultivated by Grosse Pointe Garden Center members, are among our most exquisite summer scenes.

And a great credit to the community as well. For these lovely Gardens, in which visitors are always welcome, owe their perfection to the real dirt gardeners who put in hours and hours of hard, down-on-their-knees work—because they believe in beauty.

Mrs. David N. Viger, of Moross road, heads this year's Trial Garden committee which decided to have the formal beds planted in solid blue, pink, yellow and white flowers, three shades and three different heights in each one.

The effect is strikingly beautiful. And all the materials used in the gardens have been introduced in the past five years.

The Trial Gardens are so much a Pointe tradition (Continued on Page 16)

This is hair that has more fun than anybody.

It's blonde hair, naturally. But it's not naturally blonde. We did it. We turned it from something else to something sensational. And the girl we did it for is only wondering what in the world took her so long. We can do the same for you. Turn you from whatever you are to whatever blonde you'd like to be. And we can do it quickly and easily, with glowing results. Like to? Then do. Only you-know-who will know for sure.

Set Soroptimist Benefit Projects

The regular monthly luncheon and business meeting of The Soroptimist Club of Grosse Pointe, held August 10 at The Village Manor, was a "swan song" session, the last time the Club could meet at The Manor.

Florence and Dick Lehman, who have for many years provided an excellent eating place in The Pointe are retiring as of August 28 and The Manor will be closed. Florence, a charter member of The Soroptimist Club of Grosse Pointe, has always been a very active Soroptimist.

The Lehmans have offered the Soroptimist Club the opportunity to benefit from a rummage sale of the last of the furnishings and equipment of The Village Manor.

The sale will be at The Manor Tuesday, September 1, from 3 to 7 o'clock. It will not in any way replace the Club's semi-annual rummage sale, which is scheduled for Friday, September 18, at The American Legion Hall in Mack avenue from 4 to 10 o'clock. For the September 18 sale members are soliciting good articles of furnishings, utensils and clothing which they can convert into funds to provide scholarships and campships. Pick-up of contributions may be arranged by calling TU 1-9007.

At the August 10 meeting Maxine Niemeyer, Ways and Means chairman, announced the club's sponsorship of a get-together for members and guests at the Ponchartrain Hotel's Steak Cafe on Sunday, August 23, between 10 and 2 o'clock.

Among this fall's Western Michigan University freshmen orientation program for new students are Pointers JACK CHAPEL, GRANT COLLINS, JANE EDSON, THOMAS BALLEW, HEIDI NARDON, CHRISTINE LAFATA, MIKE FINAN, STEVEN REED, KENNETH KREICHEL, KRISTIN LARSON, CAMELL HANNA, CRAIG SOULLIARD, FRANK ANTHONY, PATRICIA MORRISON, CHRISTOPHER BIERMANN, WILLIAM RIDER, KEVIN DREAN, ROBERT GRIPPE, NANCY BOYLE, DEBORAH INGHELAM, CHRISTINA BACON, GALE McNEFF, LYNDY DUPUIS, DONALD HIRT, MICHAEL STEVENS, CATHERINE DANIELL, CYNTHIA FLYNN, NANCY SCOTT, MARY HAMILTON, CYNTHIA CURTISS, JOSEPH DOYLE, THOMAS EDMONDSON and CAROL STEININGER.

Mary Littlepage Taliaferro Selects Lace-Accented Organza Gown for Afternoon Rites in Christ Church

Mary Littlepage Taliaferro, daughter of Mr. and Mrs. William Taliaferro, of Rivard boulevard, and Walter J. Frick, Jr., son of Mr. and Mrs. Walter J. Frick, of Barrington, Ill., exchanged marriage vows Saturday afternoon, August 15.

The Reverend Perry Porter officiated at the ceremony which was held in Christ Church and followed by a dinner reception at the Detroit Boat Club.

The bride wore a white organza gown accented with flower-patterned Venice lace featuring an Empire bodice with a high lace collar and long sheer lantern sleeves, banded and cuffed with lace. Her lifted waist was circled with lace underscored with blue satin ribbon tied in a bow in front.

A matching open-crowned Camelot cap held her formal length tiered illusion veil. She carried a cascade of white roses, white and blue carnations and ivy foliage.

Carrying baskets of Elegance carnations, daisies and blue starflowers were honor matron Mrs. William Palmquist, of Oklahoma City, sister of the bride, honor maid Mary Brammer and bridesmaids Jill Mus-

ser, of Fairmont, Minn., and Bonita Schwengel, of Edwardsville, Ill.

They wore frocks styled with off-white long-sleeved bodices and Romance blue chiffon skirts. Blue braid edged their collars and ruffs and satin sashes accented their waists.

Silk flowers and ribbons circled the open crowns of their matching blue organza picture hats.

Robert Herbster, of Chicago, Ill., acted as best man. The bridegroom's cousin, Dennis Frick, of Crystal Lake, Ill.; Edward Erbach, of Mount Prospect, Ill., and Stephen Sontag, of Madison, Wis., were ushers.

For her daughter's wedding Mrs. Taliaferro chose a coat and dress costume of pale yellow sbonette. Mrs. Frick selected a coat and dress of light green sbonette. Both ladies wore corsages of cymbidium orchids.

Hukilau Birthday For Dr. Harrison

Mrs. J. W. Harrison, of Balfour road, recently invited 70 guests to the Harrison summer home in Lakeshore road, Port Huron, to celebrate Dr. Harrison's birthday.

The invitations read "Come to a Hukilau" and guests responded by wearing Hawaiian costumes.

The beach of Waikiki was easily recreated with the naturally wide sandy beach of Lake Huron and pine trees trimmed high gave the illusion of palm trees. Torches burned in the garden.

"The Party Place," the Harrison's screened-in porch, was set aside for dancing. Fishnets and flowers trimmed the walls, lanterns hung from the ceiling and the two beautiful girls in grass skirts serving the cocktails were the Harrison daughters, Carol and Elaine (Mrs. Roger) Nauert.

The handsome bartenders, friends of Carol Harrison, included James and George Beltinger, Bill Baker, Tom Schumaker and James Lardner.

John Harrison, a senior in Medical School at Kansas City, flew to Port Huron for his father's birthday. He even took Dr. Harrison's blood pressure—and pronounced it fine.

Judge and Mrs. Carl Weidemann and Mr. and Mrs. George

Jay were among the early arrivals. Mr. and Mrs. Kenneth Locke wore handsome costumes; she a long navy and white gown, he a matching Hawaiian shirt. Dr. and Mrs. Kennard Jones also wore authentic Hawaiian attire.

Mrs. Frank Hausmann chose a mid-length Hawaiian dress which gave her the freedom to dance "Lovely Hula Hands." Mrs. John Rasmussen and Mrs. Phillip Dawson selected full-length silk muu muus. Mr. and Mrs. Don Cherry were in American colors, she in red, he in white and blue.

From Another Pointe of View

(Continued from Page 13)

now it's hard to believe they're still "teenagers." The project began as an idea in 1952 when Mrs. Wood Williams was president of the Garden Center.

They've been TRIAL gardens from the very beginning, gardens in which new varieties of annuals are tried out so people in the community can see how they look and how they grow here.

They've been one of the Garden Center's greatest contributions to Grosse Pointe, a contribution that continues because of the work of members from early spring until the first frost.

Each garden is the responsibility of a particular local garden club. Participating clubs draw to see which will be in charge of the planting and which will do the judging in any given year.

The gardens are judged three times, in June, July and August, and in October ribbons are awarded the three clubs with the best results for the season.

The Garden Center, in addition to planning and administration, invests a sizeable sum in plant material and maintenance help.

Serving on 1970's Trial Garden committee with Mrs. Viger is Mrs. Williams. These vigorous teenagers are still, after all, her "babies"—and she's been a loyal and loving mother ever since their birth.

Other committee members include Mrs. Byron B. Phillips, vice-chairman, Mrs. John D. Benfield, Mrs. Stanley F. Dolega, Mrs. David C. Lowe and Mrs. Herbert D. Schmitz.

They've had many meetings and stop in almost daily to see how the flowers are growing. Sometimes, what comes up comes as a big surprise to everyone... even the people who did the planting.

"Disaster" struck one club's plot when what was supposed to blossom forth in pink blossomed forth on schedule—in yellow.

For the first judging this bed's tenders neatly nipped off all the tall-tale buds. And received a good score for their sturdy, albeit late-blooming, plants! (Day after the judging there they were, out in the dirt, planting all over again. THIS TIME in pink-as-planned.)

The summer rains have been a boon to the flowers. And the weeds too, of course... just ask anyone who's worked on the 1970 beds.

Mrs. Walter Guler is in charge of the plot planted by the Village Garden Club, Mrs. John French of that of the Garden Club of Michigan, Mrs. Kenneth Strang of the Grosse Pointe Shores Garden Club's bed.

The Pointe Garden Club's plot is under the direction of Mrs. Remington J. Purdy. Mrs. Carl Sulzman supervises the Little Garden Club's, Mrs. Charles Markley, Jr., the Windmill Pointe Garden Club's and Mrs. Sherod Scott the Grosse Pointe Garden Club's.

Clubs judging this year and their representatives are Grand Marais Garden Club, Mrs. Henry Hollister; Grosse Pointe Woman's Club, Mrs. John Carter; Grosse Pointe Garden Study Group, Mrs. Elmore Frank; Grosse Pointe Farm and Garden Club, Mrs. John A. Dodds; Suburbia Garden Club, Mrs. Bruce Grubb; Grosse Pointe Park Garden Club, Mrs. Emil Leidich; Junior League Gardeners, Mrs. George A. Detwiler; and Trowel and Error Garden Club, Mrs. W. J. Cook.

All through the summer Mrs. Henry Kohring has been taking color photographs of the Trial Gardens in

California Rites For Mary Kelch

Mr. and Mrs. Charles N. McLean, of Briarcliff drive, have announced the engagement of their daughter, Mary Christine Kelch, to John E. Michaelson, son of Mr. and Mrs. Edward M. Michaelson, of Old Greenwich, Conn. The wedding is planned for September 5 in La Jolla, Calif. The Reverend Charles Harlow of La Jolla's First Congregational Church will officiate at the ceremony. Attending the bride as matron of honor will be Mrs. Philip

Sharp, of San Diego, Calif., and Robert Hooke, of New Jersey, will serve as best man.

Immediately following the ceremony guests will join the wedding party aboard the river boat Bahia Belle for a reception cruise on Mission Bay.

Mary Christine was graduated from East Detroit High School in 1963 and received her Bachelor of Arts degree from Western Michigan University in 1967. Since that time she has

been teaching fifth grade in the public schools in San Diego. John is a graduate of Washington and Lee University and received his Masters degree in Business Administration from Columbia University. He served three years as an officer in the United States Navy and is presently marketing director of Aero-Cal Division — Teledyne

French Summer For Cathy Begg

This summer Catherine H. Begg, daughter of Mr. and Mrs. C. Brooks Begg, of Lakeland avenue, is living and studying in the 12th century Chateau de la Boissiere near historic Avignon and Nimes in southern France.

Cathy is a member of Summer School in France, the teenage French study and travel program of The American School in Switzerland.

At present Cathy is immersed in French language and culture. She attends classes in grammar, literature, conversation, French civilization, geography, art and music, takes part in seminars on current French politics and economics and joins in debates with local French young people on a variety of topical issues.

The school group is subdivided for travel. The boys and girls journey by Volkswagen bus and camp throughout France with six French-speaking staff members.

The group has already visited Paris and its surroundings, Luxembourg, where they attended a session of the European Parliament, and Lyon.

They will also visit Brittany, the Loire valley, the French Alps, the Cote d'Azur and French Switzerland.

In between each trip the students return to the Chateau de la Boissiere.

The tower room in the Cha-

teau dates back to the Middle Ages when its first owner went off to the Crusades. The unique charm and atmosphere of Provence is evident everywhere in the house, from furnishings and wall hangings to the cuisine.

The nearby town of Uzes has a vivid history dating back to Charlemagne and is the first duchy of France. It has been designated for restoration by Andre Malraux, former Cultural Minister of France. Little wonder the summer students would feel a rapport with the history of the region!

For centuries Provence has delighted travellers, students and artists. Daudet, Camus, Cezanne and Picasso are a few who chose to live and work in the region.

Venetian Fete Held At NYC

At four o'clock Saturday afternoon, August 15, a cannon shot officially opened festivities for the Detroit Yacht Club's annual Venetian celebrations.

The cannon was aboard the "Estrellita," Past Commodore George Naumann's yacht, with Commodore William Cohan, of Colonial road, and Rear Commodore George Menendez, of Westchester road, aboard to salute the fleet.

Vice Commodore Joseph Bellardi, of Putnam place, was unable to attend because of illness.

From the 105-foot yacht Helene, owned by C. M. Verblest and moored at NYC's Main Dock, flag officers, members of the board of directors and their wives viewed the fleet review.

Later in the evening the Helene was the scene of a cocktail party. Among those present were Commodore and Mrs. Cohan, Rear Commodore Menendez, Mrs. Joseph Bellardi, wife of the Vice Commodore, Secretary and Mrs. John Theuerkorn, of Bedford road, Treasurer and Mrs. G. Ray McPherson, of Balfour road, Fleet Captain and Mrs. Albert Trowell, of Kercheval avenue, Fleet Measurer and Mrs. Donald Baker and Fleet Surgeon and Mrs. Paul Brownell.

Three musical groups entertained for dancing. Herbie Ross and his Dixieland Band played around the pool, Eddie De Santis in the grill and Tommy Baldwin on Starlite Circle.
